R.I.P. SPIDER

Dear JUGGS,

I love your magazine, as did my good buddy Spider. Right before he went to get his great reward (by lethal injection), Spider told me he recently wrote you guys a letter asking about that most beautiful and busty porn star of them all, the lovely Gianna. I am a HUGE fan of Gianna, and so was poor, poor Spider. He said you guys wouldn't tell him shit about your upcoming plans with Gianna, and I just don't think that was fair…denying a body on death row of his last request and all. Anyway, could you please tell me what the big damn secret is NOW? I'd like to pass it along the next time I talk to Spider in my prayers. I know Spider and I are just a couple of old cons and don't have much sway, but I would appreciate it. If it helps, I know old Spider felt real sorry for what he did to those six people, as do I for all the bad stuff I did.

Yours Forever,
Reaper
Florence, CO

Dear Reaper, Wow! What is it with you guys? Honestly, we thought Spider was joking about being on death row, but I guess the joke was on us, or him… Anyway, I guess we can tell you that as of January 2008, Gianna will be joining JUGGS on a permanent basis. We are certainly looking forward to that, as we're sure all of you are. Can't wait to see what this super busty superstar has in store for us? You can look at these pics of Gianna in the meantime and dream about it.

I HATE MEN, BUT I LOVE THEIR PORN

Dear JUGGS, I'm going to go ahead and get this out of the way right off the bat. I HATE MEN! My stupid parents named me Mikayla, but my friends call me "Mike." I'm a militant lesbian who works as a locksmith. I enjoy shooting pool, noodling catfish, gold prospecting and going to strip clubs. I also build model steam engines and drink lots of beer. I can't stand what you filthy, accursed penis carriers do to sweet, sweet women in your magazines, but I must say that JUGGS isn't like those other shit rags. You mme, mmme, mmmme, MEN…excuse me, I have a little trouble saying the "m" word…seem to have a different approach. You actually seem to love

women, and that's why I subscribe to your magazine. I have for several years now. Anyway, I want to let you know that in respect to hot women with big tits, you and I are on the same team. Keep up the good work!

"Mike"
Needles, NV

Dear Mike, Uh, thanks. We wish more women read our little magazine. As a matter of fact, we've been thinking about something along those very lines. We'd like to find out just how many real women read JUGGS, so if you'd kindly drop us a line, we would truly be grateful. Then, maybe, we could throw a little contest for ladies only that would consist of a hot girl-on-girl REAL JUGGS READERS photo shoot. What do you think? Don't you love it?

FAT IS WHERE IT'S AT

Dear JUGGS, How come you got rid of the fat women and the pregnant women in JUGGS. I like fat girls, and I love pregnant girls. The only thing I love more is making fat girls pregnant. Ha! Ha! You suck.

Otis
Raleigh, NC

Dear Otis, It's not that we don't love fat girls and pregnant girls, it's just that we decided that they didn't have a place in JUGGS anymore, and our steadily increasing sales figures have proved us correct. So, who sucks now? Why don't you go back to throwing rocks and pieces of tree branches at cars now and leave the porn to the pros.

GIMME SOME BLACK TITTIES!

Dear JUGGS,

I love the black girls. Why don't you have some shots of black girls with big boobs in your fine magazine? I love big-titted black girls. I married one. I bet she could be in your magazine. I would ask her if she would do it, but she left me a few years ago and I don't know where she's at. She left me 'cuz like I said, I love black girls with big titties and couldn't keep my damn hands off of them!

Jeff
Cranston, RI

Dear Jeff, We love ALL girls with big titties and we do run quite a few black girl photo layouts. Unfortunately, we haven't received any good ones lately. I hope these two shots will hold you until we can bring you some fresh, big-boobed, brown sugar babes. Thanks for reading JUGGS, and sorry to hear about your wife.

HE FUCKS TITS

Dear JUGGS,

I sure would've liked to meet that gal that wrote in last month. You know, the one that never got tit fucked? I love tit fucking. In fact, I love to fuck tits more than I like to fuck pussy. I would've fucked her tits till my cock fell off. I love pierced nipples, too. I pierced my own nipples a couple of years ago. It's so hot. It makes me hotter than a two-dollar pistol. How about some pierced tit spreads? I could whack my shit to that all night. Even better, how about some pierced-titted whore getting fucked in the tit cleavage and then slammed super hard in the ass by a big, greasy black cock? The girl has to be white like me though. Okay?

Fred
Des Moines, IA

Dear Fred, Are you trying to tell us something?

KELLY MADISON
WWW.KELLYMADISON.COM

THE NUTSUCKER SWEET

It's that time of year again when my favorite ballet, "The Nutsucker Sweet" is playing. I love all the dancing and the music, but my favorite has to be the sugar plum fairies. I want to eat one of them all up. Now do you think I am referring to the sugarplums or the sexy fairies? If you know me, then you know the answer to that question! Are you ready for a sweet treat? I have a sweet tooth like no one else and I am always craving something good to suck on, especially during the holidays. Do you have a big, hard candy cane or a big lollipop for me? I can suck on it for hours if you like. I can take the biggest candy stick you've got and lick and suck and lick and suck until the whole thing melts in my mouth! I like to take my time with my hard candy. I don't bite it or break it; I slowly devour it, enjoying each and every succulent moment. I like to feel the hard candy melt in my mouth making it all warm and sweet. I especially like the cream-filled goodies hidden inside. I like it hard on the outside and then have it explode it's yummy, creamy surprise goodness into my mouth. I enjoy swirling my tongue around my mouth, playing with the creamy filling and drinking it slowly down my throat. Do you have some cream filling just for me? Be a good boy and give me your hot man cream and let me swallow it all down. I love gifts at the holidays and you could give me the best gift ever. Just e-mail me at Kelly@kellymadison.com and tell me what kind of candy you've got for me. Sweets for the sweet I always say! Merry XXXmas!

NICOLE

B.Y. POLYTECH
DERRY, NH.

Nicole is one of the most popular co-eds at Biggun' Young Polytechnical College in Derry, New Hampshire, and not just because of her charm, bubbly personality, all-around poise, and acute dedication to her studies (she's majoring in Animal Husbandry). Though those aforementioned qualities are more than enough to boost a young lady far ahead of the curve on today's fiercely competitive college campuses, Nicole is best known for the God-given gifts attached to her chest. Nicole is quite proud of her fleshy, jiggly assets, and more than willing to share them with just about everyone. Nicole's social life wasn't always so busy, and in fact, she didn't really reach her "full potential" until the Summer between her graduation from prep school and her enrollment in college.

"It was like, one day, I just woke up and there they were. I was totally blown away! All of a sudden, all the boys wanted to know me...and a few girls, too," Nicole offered as she stroked and displayed her massive melons for our cameras.

"B.T. (Before Tits), I was just a regular girl with very little going on in my personal life. Oh, I'd get a few dates here and there, but since I'm saving my virginity for Mr. Right, I didn't usually get a second date. Now, I can use my boobies as a substitute for my pussy, and the guys really seem to like it. Plus, I don't have to worry about getting preggers when I let a guy make love to my breasts. I don't use the term "tit-fuck" because it just sounds so porno, but I guess that's what it really is. Oh well, tit-fucking rocks!" ❤

Photos by STEVE COLBY

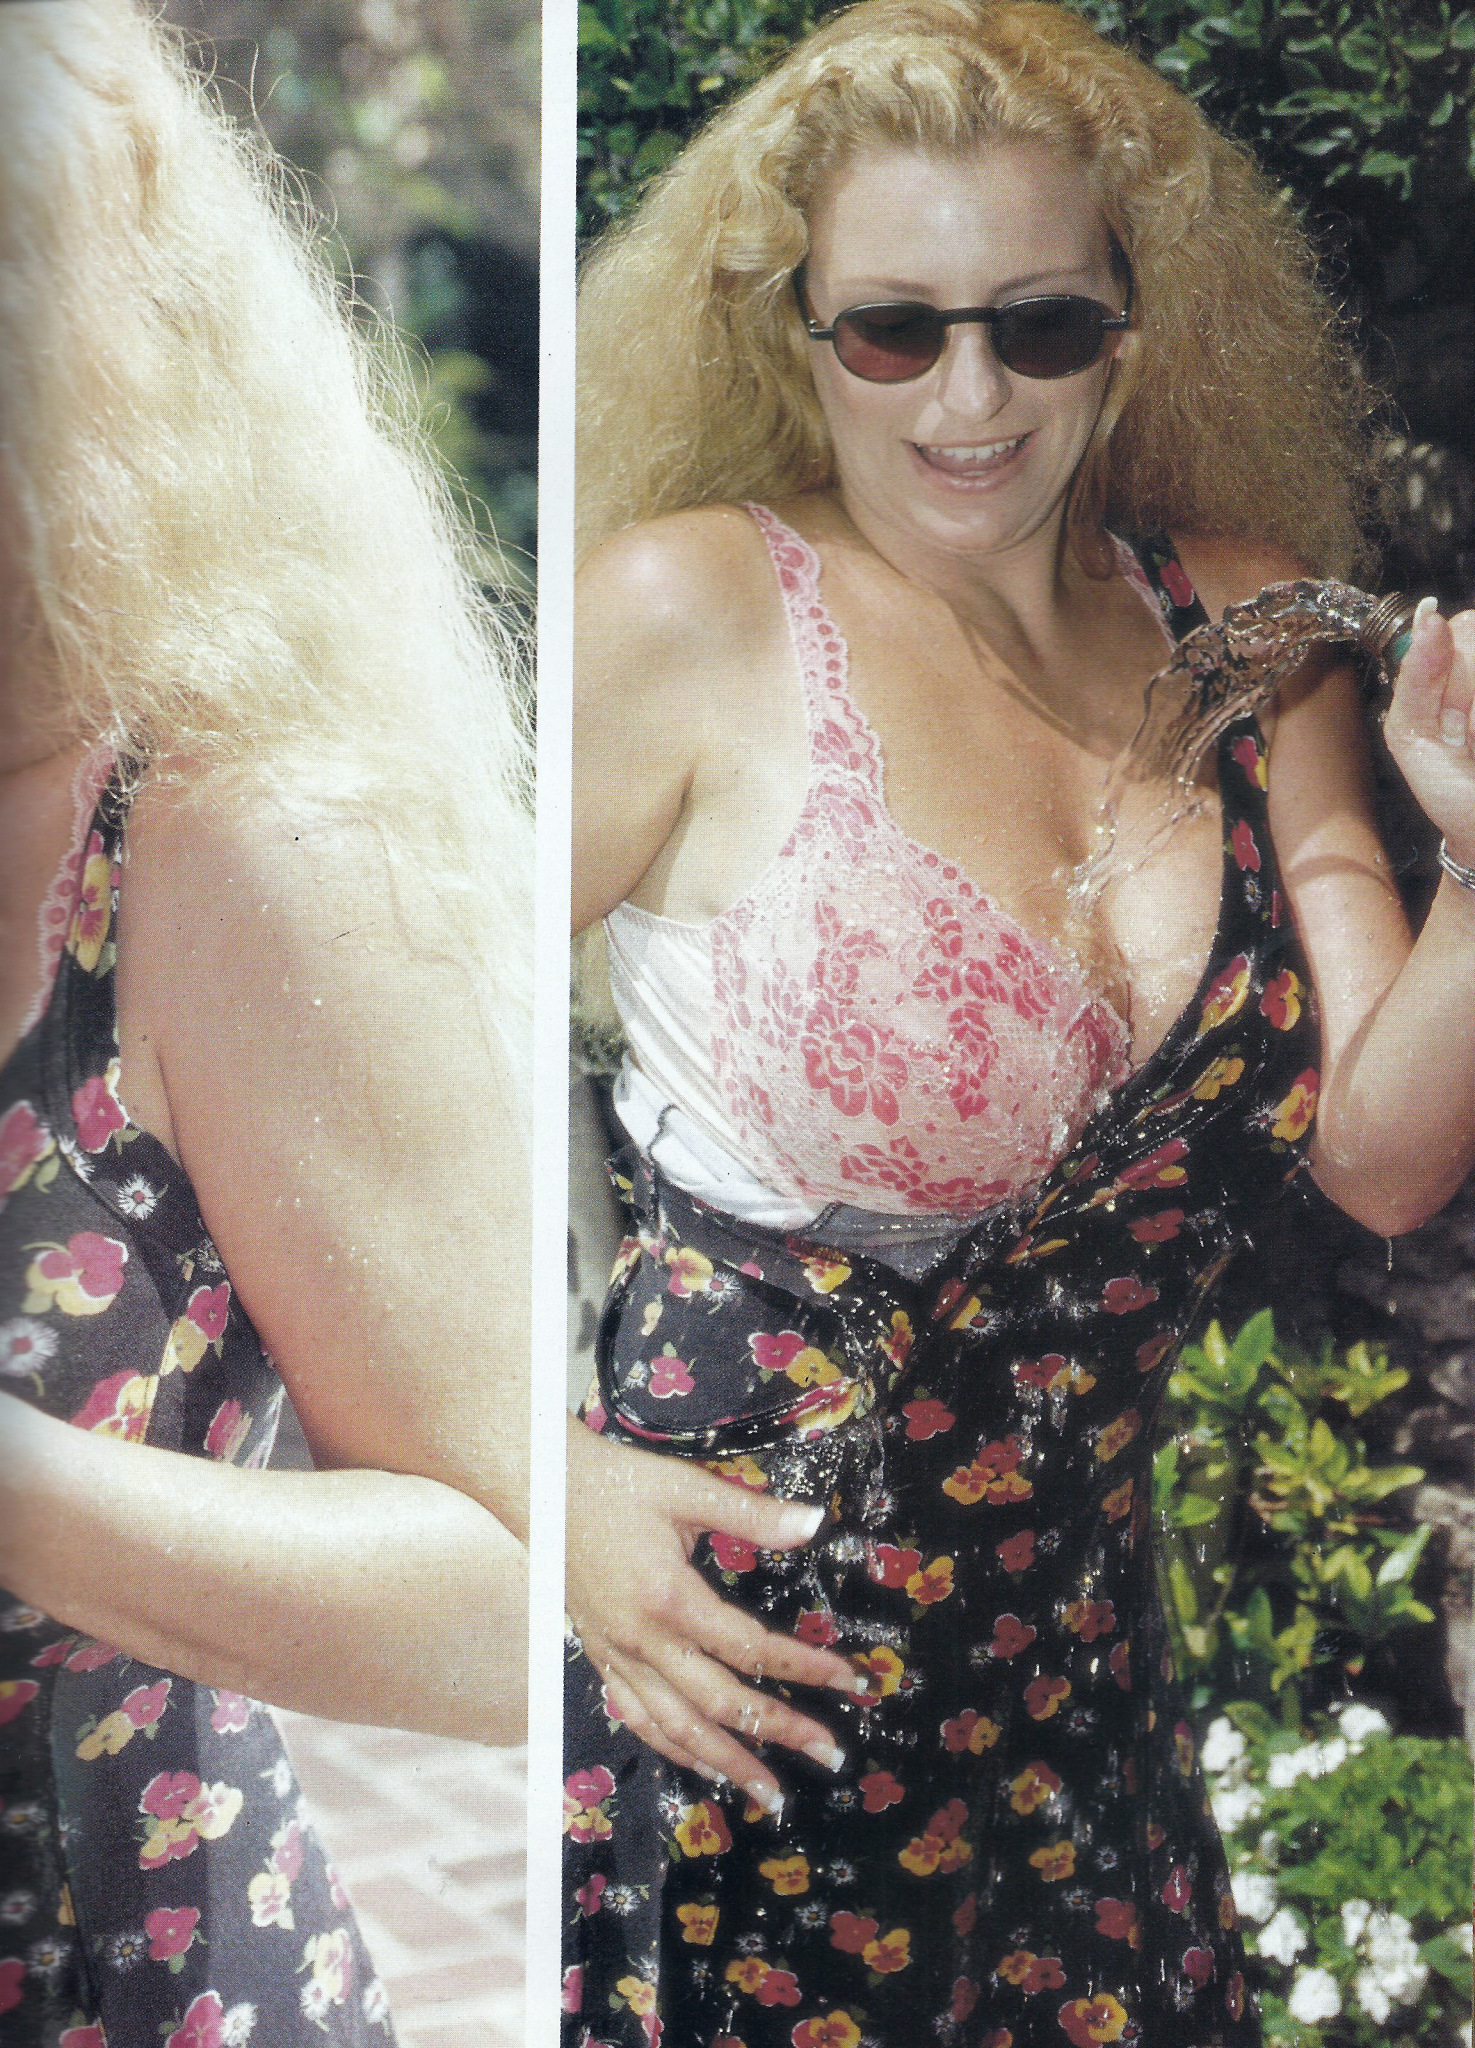
SANDI

COCONUT BOTANICAL COLLEGE MAUI, HI.

When a girl loves nature as much as Sandi does, it's quite befitting for her to wander amongst it wearing only the suit she was born in. It is also befitting for her to study botany, specifically, tropical varieties of Orchids, and there's only one place in the world where she can be naked 24 hours a day and pursue her education, and that's in the lush jungles surrounding beautiful Maui, Hawaii. Sandi is a natural-born nudist, and actually breaks out in a rash when she is forced to wear clothing, so after searching the world over for a college that allows its students to be nude, Sandi found the ultra-exclusive and little known Coconut Botanical College. C.B.C. Students must pass a rigorous three-month long physical and mental exam before being invited by a panel of 15 judges to enroll, and it doesn't matter how much money someone is willing to donate for the privilege. Coconut Botanical allows students of any financial means to attend classes if they meet the college's strict demands. That's why Sandi stays in shape skipping rope twice a day. Besides intensive, hands-on classes in their chosen fields of study, students are also given the opportunity to take elective Sexual Education and Training courses.

"As much as I love studying Orchids, I love the sex classes the most," Sandi gushed as she took some time out from her busy schedule to chat with JUGGS. "They have 20 different teachers who instruct us on various sexual techniques, and I've learned so much over these last few semesters. Just two days ago, I gave my first dual blowjob, and even though both professors shot their loads into my mouth at the same time, I didn't let one drop of cum dribble out onto the floor. I got an "A+" on that test, but I just found out that I'm going to have to re-take my pussy-eating final. Apparently, the teacher said she only came three times, and not the required four. Whatever. That's college life for ya.'" ❤

Photos by JEROME BISCHOFF



the starlets are obscured by hairy man ass, and there is nothing that can make my three-inch love tool go limp quicker than a guy with a hairier shit hole than my own. As the scene ends with Wood dropping his love juice on Nikara's sexy mug, one can only wonder why she hasn't become the Latin answer to Jenna Jameson.

In the next scene, Talon has the privilege of tit fucking Adrianna Nicole. A porn throwback that wouldn't be out of place working alongside vintage Seka, the well-endowed Adrianna's long blow job leads to sweaty doggie style and anal, before climaxing with a tit-drenching cum shot.

Wood recovers from the first scene to take on another boobular beauty, Tyla Wynn, who gets put through the usual assortment of positions before enjoying Wood's load to the face.

Paige Taylor, whose tattoos evidently show her appreciation for American military aviation, is up next. After putting her lipstick on porn stud John Strong's tool, she enjoys riding him reverse cowgirl. Strong returns the favor by giving her fat tits an exhaustive workout, sucking them, playfully slapping them and then fucking them, before he dumps his junk on Tyla's gleeful face.

The video ends with yet another great scene as Wood tit worships the blue-eyed beauty Sophie Dee, a porn veteran whose shapely tits are only outdone by her pretty face. In addition to getting her tits thoroughly sucked, she gets fucked doggy style and then hops on Wood for some reverse cowgirl. Wood then sticks his tongue up Sophie's ass only to replace it with his cock. The flick all ends with some classic tit fucking and Sophie swallowing every bit of Wood's ball-emptying load.—*Vinny Christmas*

110% Natural 13
Starring: Bree Olson, Denice K., Malia Love, Angelica Raven, Rucca Page, John Strong, Michael Stefano, Mr. Peter
Director: John Strong
Studio: Red Light District
Website: www.clubredlight.com
Running Time: 156 minutes

Soon to be staring at a birthday cake with 42 candles, I'm fearful of two things: 1) that the candles will result in a four-alarm fire and 2), that I'm going to need Viagra in order to jerk over the fuck flicks I have the privilege of reviewing. Fortunately, it helps that the starlets have only grown more beautiful with each passing year. Back in the '70s and '80s, most women in porn were hairier and more beastly than the cavemen in those annoying car insurance commercials. Today however, we're treated to some of the most beautiful women ever to chomp choad on film, including Bree Olson.

This 20-year old newcummer—who knows her way around a cock like an old Saigon whore—stars in the first scene with lucky stud John Strong. Bree likes the way her reverse cowgirl ride on Strong's meat stick makes her "titties shake." She also enjoys the scene's conclusion when Strong lets loose with a tit-covering load.

In the second scenario, Denise K. is the welcomed recipient of an act that's growing increasingly rare in fuck flicks: veteran porn pole Michael Stefano actually takes the time to eat her pussy. Denise returns the favor with an aggressive blow job. The fun comes to an end after a little tit fucking that leaves Stefano's swimmers on Denise's fabulous chest.

Malia Love sports a pair of giant nipples that makes me hungry for both tits and pepperoni pizza. Mr. Pete is more than up to the job of satisfying this dark beauty by using his thick dick to slap her cocoa puffs into a frenzy. After some sweaty spoon position fucking, things end in style when Pete lays his thick white gravy on her dark,

luscious tits.

After giving the sloppy, sweet Raven's love bombs a well-deserved work over, John Strong gives every inch to the full-figured Rucca Page. This all-anal scene ends with the massive-meloned Rucca happily swallowing every drip of Strong's man milk. The disc ends with Bree's hilarious oral history of her tits.

The DVD also includes a behind-the-scenes segment, photo gallery, website access and, of course, a cum-shot recap for you fans of flying DNA.—*Vinny Christmas*

JULIE

TITAN TEACHING COLLEGE
MILWAUKEE, WI.

Milwaukee is lovingly known as "Cream City" by its dairy-crazed inhabitants, and the tempting and top-heavy Julie is right at home in her recently adopted city. In fact, because the Dean of Titan Teaching College generously granted Julie a full scholarship to attend school there, Julie says she plans to permanently reside in Milwaukee after graduation. "After I get my degree, I hope to land a job teaching in one of the rural parts of the state. It's just sooo beautiful out there. Have you ever seen it? The green grass and blue sky look almost fake...it's so amazing. Being there makes me so damn horny I can't help myself sometimes. I love playing with my pussy when I'm out in the country among the grass and the trees."

Julie said that she often takes her books and just jumps in the car for a ride out to the country where she can lay in the sun completely naked and study undisturbed for hours. "Once, this dairy farmer stumbled upon my "secret study hall" while looking for a lost heifer. Of course, I was masturbating at the time, and way, way too far into it to stop, so I just let him have his little show. Later, he apologized for spying on me and explained why he was there, but rather than freak about the whole thing, I just shrugged it off and helped him look for his cow. After all, I was on his land. We found the cow by the way. Now, I try to be a bit more discreet whenever I relieve my tension, but I am pretty certain he still watches me when he knows I'm out there. That's okay, he never tries anything funny with me, and he's not bad looking, so I just roll with it. Who knows? Maybe I'll end up letting him join me at some point." ❤

Photos by PHOTORAMA

JODY

FINGER LAKES UNIVERSITY SYRACUSE, NY.

Though she is very bright and extremely devoted to her studies, Jody has been kicked out of more colleges than she can remember the names of, and always for the same reason...masturbating. You see, Jody is what is known as a "jackaholic," and as of this writing, there is absolutely nothing doctors can do for her. Luckily, a new college for "jackaholics" like Jody has recently opened in Upstate New York, and here, Jody can get an education while dealing with her "hand-icap." Finger Lakes University specializes in taking on students who wish to fulfill their academic dreams, but who cannot stop jacking off whenever the cursed impulse hits. Jody says she often frigs herself as much as 30 times a day, and no matter what she does to curb her desires, she simply can't control herself. "In high school, I was the biggest slut in town because I thought I was a simple nymphomaniac," Jody laments. "I later realized that no amount of sex with strangers would satisfy me, and that something else was wrong with me. Thank goodness, Finger Lakes University exists and understands my special needs. I can get my degree and still be myself. It's also comforting to be around other boys and girls who have the same affliction—I call it an affliction—but secretly, I don't really mind having this problem. I mean, I could be blind or something. I've also made a lot of good friends here, and I plan to stay as long as they'll have me. I'm going for my Doctorate, so I'm down for at least eight years. After that, I may go into the adult film business because the money is really good, and I can use my natural ability to help others." Help others? "Well, yeah, some people don't have any other way to sexually satisfy themselves, so I'd be doing them a great service. They could watch me playing with myself, and then do the same to themselves." ❤

DECEMBER 2007

JUGGS

DECEMBER 2007

JUGGS

CHERRY & SHELLY

DYKE UNIVERSITY PROVINCETOWN, MA.

Cherry and Shelly are two hot-blooded freshmen that can't get enough sex, but since they are both carrying 3.5 GPA's, they're smart enough to know that all of that spontaneous college fucking can lead to getting knocked up—and that's why these babes have adopted the L.U.G. lifestyle. L.U.G. means "Lesbian Until Graduation," and over the last few years, this phenomenon has become all the rage with horny, young co-eds on college campuses around the world. Cherry and Shelly became L.U.G.s while cramming for an exam one night during semester finals and a game of Truth or Dare. Now, the only all-nighters these two pussy-crazed cuties are pulling are with each other's tits, tongues and twats, and a big, gnarly, two-headed dildo they nicknamed "Scott Baio."

Cherry, the one with the cherry-red hair, is majoring in economics and comes from the tough streets of South Boston. Shelly is a Connecticut blueblood studying finance, and even though these two couldn't have come from more different backgrounds, they've found common ground in their mutual love of pussy. Most L.U.G.s actually do go back to boys after the sheepskins are handed out in four years, but judging from the wild-eyed fucking and intense orgasms these two girls are having, it's probably safe to assume that these two are going all the way for those doctorate degrees. ❤

Photos by DAVE BEECHAM

JOYCE

U.N.L.V.
POOLE, VA.

"Sometimes, people confuse my college with that famous basketball school in Las Vegas, but this U.N.L.V. stands for University of Natural Life Vests. I don't know who thought of that dopey name, but the school was established back in 1956 for female swimming champs whose tits got too big for them to compete at other colleges," Joyce informed us while we took in her impressive curves and chatted with her. "Here, we can all compete on an even playing field...although technically it's not a field, but rather a swimming pool. Anyway, I really love going to school here because it's all-girls, and we can just chill out and hit the pool whenever we want without having to worry about wearing bathing suits. We also have this really cool giant trampoline that one of the alumni donated, and it holds 30 girls at a time—31 if we don't wear anything! You should see the mischief we get up to on that thing. Just the other day, some girl brought a whole case of bananas and threw them on the trampoline while all 31 of us were jumping up and down on it while we were naked. You should have seen it, was so retarded!"

When we asked Joyce what else she does at U.N.L.V. besides swimming and jumping on a trampoline while naked, she simply replied, "Honestly? I eat a lot of pussy...way too much in fact! Just don't tell my parents." Ahh, youth! ❤

Photos by FALCON FOTO

PSYCHO

PSYCHO

Plumper of the month: CARRIE

A.U.C.E. SCHOOL OF CULINARY ARTS OKLAHOMA CITY, OK.

Carrie knows that the quickest path to a man's heart is through his stomach and that's why she is enrolled at the exclusive All-U-Can-Eat School Of Culinary Arts. She also knows that perfectly prepared gourmet food is the best way to maintain her staggeringly huge bust-line. In other words, Carrie loves cock, and she loves her big, fat knockers as well, and since food is the key to her success on both fronts, there's no place else in the world for Carrie to be.

When Carrie isn't learning to prepare world-class cuisine from internationally renowned chefs, she's thinking about how to get as many guys as she can to come to her dorm room and fuck her silly. So far, she's notched 34 "confirmed kills" into her bedpost, and after all, isn't unrestrained and excessive fucking what college is supposed to be about? If Carrie happens to be a few links short in the "sausage" department on any given night, she can always rely on the A.U.C.E.'s well-stocked test kitchens to provide a fresh zucchini, cucumber, or andouille sausage to fill in her "blank," and she even occasionally catches other female students sneaking into the place for the same reason. Sometimes, they even masturbate each other with various tubular vegetables and phallus-shaped smoked meats, but, make no mistake about it, Carrie is strictly about cock, and has never tasted another girl's pussy. "I'd never lick pussy," Carrie says. "There's no creamy filling, and a growing girl like me MUST have her cream!" ❤
