HAIL VICTORIA!

I try to pick up your magazine as often as I can, and I always enjoy it. But your September '89 issue really hit the spot when I got my first good look at Victoria Paris. I'm sort of a pornoholic, and I've seen a lot of porn stars come and go, but not since Ginger Lynn or Nina Hartley has any lit a fire in my pants the way Victoria does. You can bet I'm looking for her videos to melt my VCR. As for her being screwed on that Lincoln Town Car, my Cadillac Brougham and I would like to invite her to give us a similar workout—all in the name of automotive rivalry and healthy American competition, of course.

—C.W.

E. Stroudsburg, Pennsylvania

I'm a longtime, loyal reader and avid fan of HUSTLER, so I can say after seeing the Victoria Paris pictorial ("Hosing Down at Dick's Drive Thru," September '89), you've really outdone yourselves—and so has photographer Matti Klatt. Victoria Paris is the best looking performer in the adult movie biz today, and you had to show her in black stockings too. Whew! It was almost too much to take! But allow me to lodge one minor complaint: For all us foot fetishists, couldn't you have shown just one shot of her without those damn black pumps? Just one picture of Victoria without her shoes on, with her dainty feet encased in those black stockings, would make even Batman turn in his cape and mask!

—C.R.C.

Winchester, Virginia

FANTASY FULFILLED I

You've done it again! The September '89 issue is yet another outstanding effort by the "screw crew." *Sex Play* ("Fantasies: The Key to Fantastic Sex"), by Jake Bartlett, pushes the right buttons. I believe that we all think of having sex with someone else, so why not think of

someone else while having sex? The key to life is diversity, and fantasy sex can provide this diversity without cheating on your partner. A few days before the September HUSTLER reached the shelves, my girlfriend and I were discussing our favorite fantasies about group sex, which not only made us very hot, but also led us to discover many things about one another. We ravaged each other for all we were worth with pure, unbridled, unadulterated acts of passion and debauchery. We loved it! Hey, thanks a million HUSTLER, and let's do lunch sometime.

—Ramrod

VETS AREN'T LAUGHING

I am presently an inmate at the Ulster County Jail in Kingston, New York. HUSTLER is truly a favorite of the in-

mates here, but we would like to know why you would print a cartoon like the one on page 12 of your August '89 issue. The cartoon was totally disrespectful to all veterans who fought for our country in Vietnam. We think the cartoonist and your publisher owe all Vietnam vets an apology.

—C.H., H.M., M.B., J.D., J.L.M.,
V.C., B.K.T.
Kingston, New York

Not all cartoons are meant to be funny. Some are meant to make people think. HUSTLER has always championed the plight of the Vietnam vet who served his country and returned home only to find himself abandoned by his government and society. This cartoon pretty much sums it up, doesn't it?

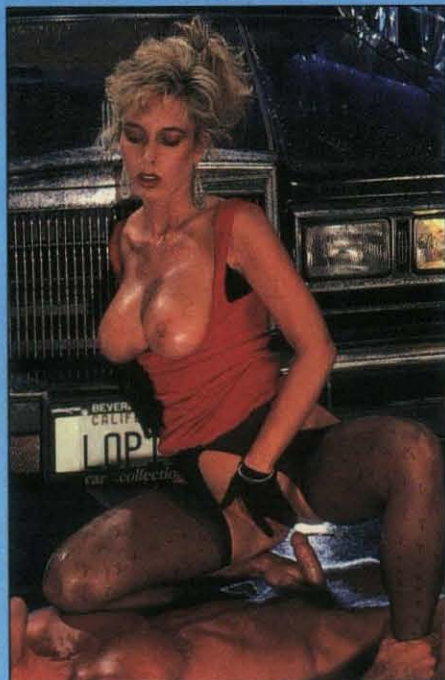

FANTASY FULFILLED II

Congratulations on your anniversary and thank you for featuring Diana ("Diana: Back in the Saddle") in your August issue. I've always fantasized about a gorgeous woman like her. She has a perfect body, and her legs are just the right length. She drives me crazy whenever I look at her. Thanks for making my dreams come true! Please feature more layouts with Diana, and if you do, tell me the exact issue. Ever since I bought the August '89 edition, I have been eagerly awaiting Diana's next appearance.

—T.S.

Phoenix, Arizona

Diana gets it on with two ladies in this issue! Check out page 73.

FANTASY UNFULFILLED

The first and only copy of HUSTLER I've ever bought shows your product is in more trouble than I am. My reactions as I read it were both strong and depressing. I have survived many problems. I am divorced, remarried and have grandchildren. Through it all, I've retained an undiminished appetite for looking at, smelling, touching and fucking healthy, clean, beautiful, mature women. Knowing that their bowels move and their shit stinks has never intruded nor dispelled my pleasant romantic illusions until I read my first (and last) copy of HUSTLER. It's more fun to dream a little.

—J.R.

PASSING GAS SHORTAGE?

I've been a HUSTLER subscriber for years. One thing I've always looked forward to and enjoyed are the fart jokes and cartoons. I haven't seen any in at least six months. What's going on?

—D.P.

Buffalo, New York

No cause for alarm. We still think farting and shitting are as funny as ever, but sometimes our cartoon staff is just farted out, if you know what we mean. (Are you serious? Six months without a fart? Us? C'mon.)

TASTY BON-BON

Your centerfold Marisa ("Marisa: Beach Bon-Bon," September '89) is simply the most ravishing centerfold that's ever graced your magazine. I love the rear-view shot of her with her bon-bons widely exposed.

ILLEGAL IN SOUTH AFRICA

It is with the deepest and most grateful thanks that I write this letter on behalf of eight girls and five guys who were blessed with the rare privilege of reading our one and only sacred, beloved copy of HUSTLER (August '88) here in South Africa where it's banned. I was given your magazine by a film crew that was working in Africa during 1988. I then smuggled the book back to Johannesburg in the back of an explosives truck, and thus was able to avoid detection at the many roadblocks. It's been my most valuable possession as it virtually guarantees success with even the most prim and proper girls. All I need to do is take my chosen girl out for supper and, after some good wine, tell her that I have a HUSTLER. Before she finishes the first ten pages, we'll be locked in hot, sweaty, breathless love. The other chaps report similar results. As an aircraft mechanic by trade, I can't help thinking while I'm

working on imported planes what fun you guys over there must have being able to get a new HUSTLER every month. I'm still nervous that one of us will be careless with our only copy and get us all in trouble. If they searched my place and found a HUSTLER, I would go to jail for two years. This is not America.

—(Name Withheld)

Johannesburg, South Africa

HE WANTS COCK

I get HUSTLER every month, and I really enjoy it. In fact, I masturbate to it all the time. I just wish you would cut down on the pink and show more dick. While you're at it, get some guys who really have dicks, like ones that are at least seven-inches long with cum oozing from the top. If you really want readers to come, *show some more rock-hard dicks!* I get off on them.

—R.C.

Ottawa, Kansas

R.C., we're sure glad you read HUSTLER, but did you ever think that maybe, just maybe, you'd be happier with another magazine?

READERS SOUND OFF

When I first began reading HUSTLER, I was skeptical that your magazine was nothing more than a pornographic escape for small-minded perverts. I now realize that it if weren't for true Americans like Larry Flynt, within 20 years we would be living under censorship so great it would put the Soviet Union and Nazi Germany to shame. I can only pray that more people like Larry will spring forth and stop this country from becoming a dreamland for Falwellians and the brainwashed followers of Ronald Reagan. *Flynt in '92!*

—C.H.

Hemingway, South Carolina

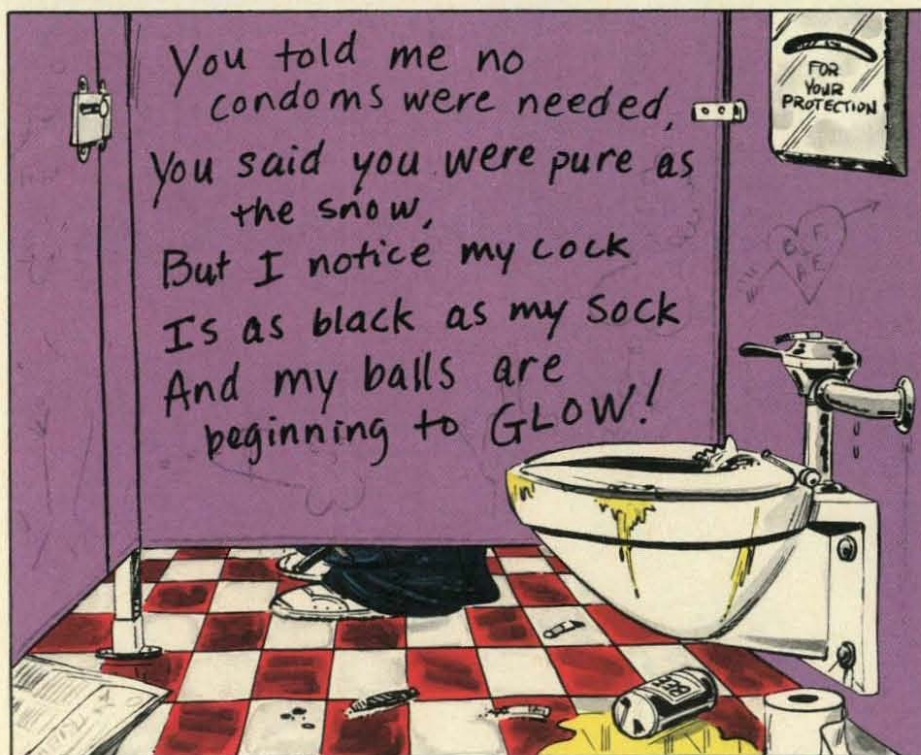

The Ayatollah Khomeini may be dead, but his spirit lives on in the U.S.A. As we move alarmingly toward a theocracy, American values are becoming a memory. We are allowing ourselves to be bullied and censored by televangelists, clerical extremists and terrorist mobs like those who harass people at abortion clinics. Recent outrageous Supreme Court decisions have done more to desecrate the meaning and spirit of the flag than any other gesture could.

ASSHOLE OF THE MONTH

Shit stinks, it looks ugly, and it attracts disease-spreading vermin, but feces do the most harm when one person's crap infects the body of another, as is the case with HUSTLER's December Asshole of the Month, Burton Lowell Anderson.

Burton Lowell is that special kind of spastic colon who is not happy unless he can spew his feculence on those around him. The U.S. courts system is thick with the sickly stench of him and his ill ilk, but even in the miasma of litigious fetor, Anderson's reek wafts through, sharp and clear.

Burton Lowell Anderson could not stomach the notion of his estranged wife having an abortion. To have that last remnant of himself sucked from his former mate's womb triggered Anderson's colitic conscience. His manhood and personal morality on the line, Burton Lowell did what any asshole in his position would do: He got a court injunction barring his wife from terminating her pregnancy. Using the newly popular "father's rights" argument, An-

Burton Lowell Anderson

derson attempted to foist a permanent talking, eating, crapping millstone upon his estranged missus, one that would wear Burton Lowell's face.

Anderson's motivation more likely sprang from a desire to keep his woman in her place, knocked up and barefoot, than from any concern for the sacredness of a human fetus. During hearings on the injunction, Mrs. Anderson revealed that Burton Lowell had repeat-

edly beaten her during her pregnancy, saying he hoped she'd have a miscarriage. It was after the last incident, in which Burton slapped, choked and bruised her, causing her to flee her home, that Mrs. Anderson decided to terminate the pregnancy.

Is this the type of father who

should have the rights to saddle another human with a son-of-a-prick when she only wants to sever all connections with him? Do wife beaters make better single parents? Are fetus-bashers good risks for child-support payments? After court costs, will Burton Lowell have any money left over for Junior?

Luckily, these questions will go unanswered as the West Virginia State Supreme Court refused to hear the case, thus overturning Anderson's injunction.

But, if justice were truly to be served, Anderson would get his chance at equal child-bearing rights as a father. We suggest the courts plant an asshole-slime baby in Anderson's rectum, let him carry it as it festers and metastasizes for nine months, whelp it, name it after himself and nurture and raise it for 18 years—Burton Lowell Anderson would then have the mirror-image extension of himself he so yearns for.

I.R.A.-HOLES

It's not always easy slaughtering innocent children and women while waging a glorified gangfight with pretensions of a holy war. There just aren't enough guns and gelignite to go around. But the clever lads in the Irish Republican Army have come up with the arse-launched A-bomb, an individually blasted antipersonnel weapon ideal for targeting large funeral gatherings, religious processions or Sunday picnickers. These weapons operate with two ingredients found in every armed conflict throughout history—hot air and assholes, commodities of which the Emerald Isle has no shortage.

INFLATABLE HATE DOLL

It's a sad-but-true fact that there are plenty of weaklings out there who are too wimpy to beat their wives. Now there's a novelty device designed specifically for these henpecked hubbies. Sally Shrew has a big mouth, no brains and she's full of hot air, but there her resemblance to the real thing ends. She's made of extra-tough polyurethane to withstand repeated blows without bruising or tearing and—best of all—she won't fight back!

GREAT MOMENTS IN WASHINGTON

Gee, George, do you really think this will work?

Shut up and look tough!

At an impromptu press conference, President Bush and Vice-President Quayle attempt to beef up their administration's wuss image.

I'm Never Too Pooped to Pope!

I'm Pope John-Paul II, but my friends just call me "Sugar Drawers II." I think you will too, once you've tried my personal Vatican FAX line. It can be awfully lonely being the Pope—why don't all you nice HUSTLER readers brighten my day by sending me your lewd love letters and Xeroxed body parts? If you do, I just might let you kiss my ring!

RALLY 'ROUND THE FIRE EXTINGUISHER

If you're a decent American, chances are you're pretty concerned about the prospect of Old Glory going up in flames at any moment. That's why Patriot Products has come out with the Star-Spangled Siren, an early-warning smoke detector that attaches directly to your flag, whether it's stored in the closet or flying proudly from the chandelier. It doesn't matter if the fire is started by faulty wiring, a bolt of lightning or one of those dreadful protesters who scare Americans more than pollution, toxic waste, nuclear arms and the greenhouse effect combined—you'll have plenty of time to save the most important thing in your home.

FOOT WORSHIP

Devoted footmen need no longer mask their true desires. At the First Church of Holy Soles, foot lovers are welcome to kick off their shoes, pray to the toe of their choice and partake of Dr. Sole's communion wafers. And if they're lucky, they may even get a kick in the teeth for their troubles. . . .

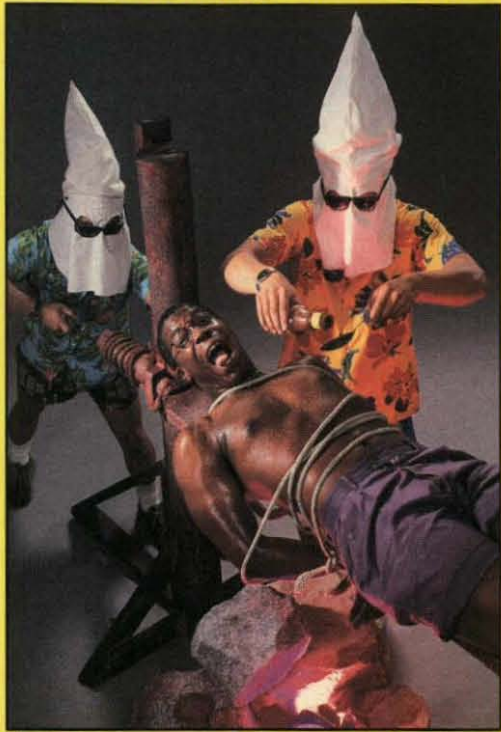

HUSTLER'S PICKS OF THE MONTH

If you're as sick as we are of saccharine entertainment, this is the double bill we recommend, providing generous helpings of racial hatred, domestic violence and animated vivisection. Better not try eating that popcorn after the flicks start, however.

Felons Freed Due to Police AIDS-Phobia

In two separate incidents recently, mistreatment of prisoners by police ignorant of the way the AIDS virus is transmitted has caused judges to release men accused of major crimes. In Toronto, Canada, District Court Judge Ted Wren released Kyle Downey even though he was facing 11 robbery and theft charges. The judge cited as cruel and unusual punishment the drastic measures used against Downey—who was met at the jail by guards decked out in helmets, special suits, riot clubs and mace—because he has AIDS. “I was ordered to strip, and put in a cell with no mattress,” contends Downey. “I was told, ‘One wrong move and you’ll be maced.’” These ludicrous measures have forced Ontario Corrections Minister David Ramsey to consider AIDS education courses for his men. In a similar incident, the Maryland Court of Appeals overturned the murder and robbery convictions of Bernard Wiggins after deputy sheriffs who guarded him during his trial wore rubber gloves. Though Wiggins has no evidence of AIDS, he beat a man to death who did have AIDS, which prompted the policemen’s paranoid precautions. The court thought the ignorant cops’ rubber accessories prejudiced the jury against the accused, and so threw the verdict out.

Just when you think the State should butt out of our personal lives, along comes a country to change your mind. Finland's government is considering advice from a Finnish Health Ministry panel recommending that citizens receive subsidized sex vacations to help manage stress. Panelists also advised officials to encourage sexual stimulation by promoting erotic magazines and art, thus improving the sex lives of Finns. “They would be able to forget their worries,” say the experts. If this succeeds, we’re starting a petition drive to become a welfare state.

Italy on 15 Minutes a Lay

Despite—or because of—their image as hot-blooded stallions, Italian men make quick work of a good screw. According to a survey by West German sex researcher Professor Werner Habermehl, Italian couples complete an entire sex session in an average of 15.6 minutes. If you want a lover who's not in a rush, grab your Eurail pass and go to Denmark. The Danes do the dirty deed in a thorough 35.7 minutes.

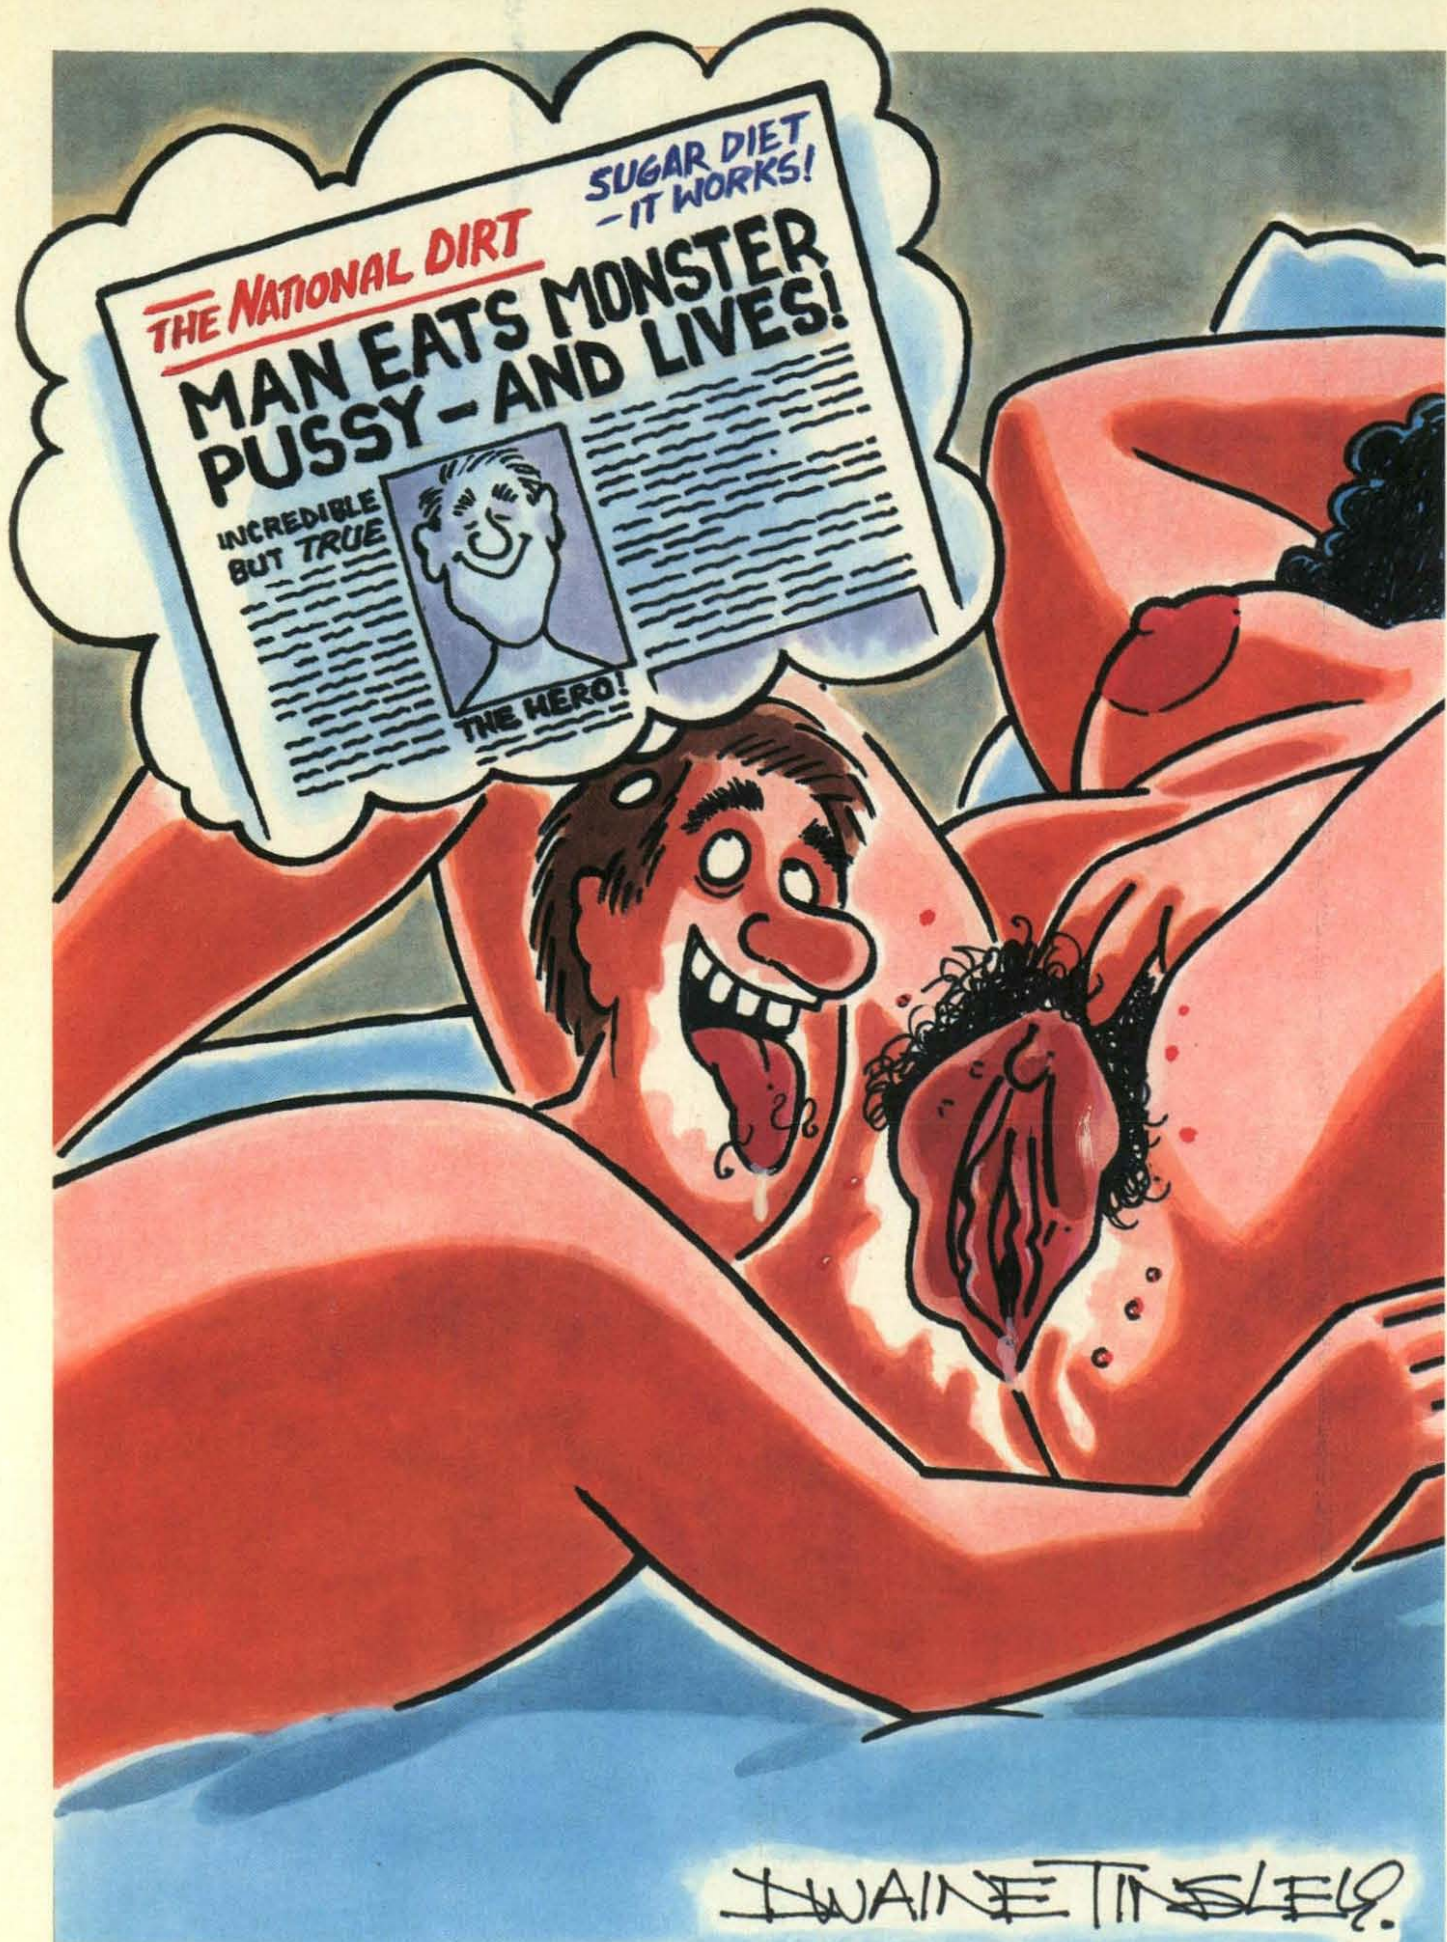

Sex, Drugs and Pit Bulls

Drugs are so valuable in Chester, Pennsylvania, these days that local crack users are willing to put on the dog to score a buzz. So says Baptist minister Reverend William Brown, who told the Pennsylvania Crime Commission that drug dealers hold pit bull parties where crack-addicted women are forced to fuck the powerful pooches. “For them to get high,”

says Brown, “they must have sex with the pit bulls.” A Philadelphia newspaper adds that women will also perform oral sex on the two-legged variety of beast for as little as five bucks and estimates that half of Chester's residents are drug addicts.

EROTIC ENTERTAINMENT

LIPS ON LIPS Shot on Video.

Three-Quarters Erect. Directed by Bruce Seven; starring Megan Leigh, Bionca, Tracey Adams, Britt Morgan and Tianna. Video-cassette by Lipstik Video.

Lips: If Seven shot anything better, he kept it for himself.

Director Bruce Seven knows what girls are good for, and he knows what's good for girls. A pussy is only as good as what's put into it, and so is her asshole. Seven invades cunts and crapholes with various dildos, beads, fingers and tongues in this licentious continuation of his all-girl exploration tapes. The opening Bionca/Megan Leigh gash-to-gash clash determines *Lips'* labe- and sphincter-distending line of decadent-doxie action. Bionca, looking unprecedentedly fit and healthy, but just as demented as ever, licks Leigh down to her level of depravity: Bionca sucks Megan's shitter, moves mouth along to muff, then responds to a spate of playful whipping by proffering up her own dung pit for Leigh's oral delectation. Once the anal appetizers are thoroughly chowed, the perving pair of poozles pop strings of butt beads into one another's rosebud, cram multiple vibrators in twat and butt and fill whatever vaginal/anal void that might be left with freaky fingers. Bionca puts her hands together, as if to pray, and slides eight digits into Megan's trick slot. Not to be outsleazed, Leigh pulls the string of ass beads from Bionca's dear rear and dangles the little plastic balls in her mouth, slurping them clean. If Bruce Seven shot anything better, he kept it for himself.

With more than a thousand hard-core movies being released each year for the home audience, viewers, increasingly confronted by seductive advertising and slick packaging, are often at a loss when it comes to selecting an X-rated tape worth watching. HUSTLER is committed to serious, no-bullshit criticism designed to accurately inform readers of XXX-cinema offerings, and to spur the adult-entertainment industry to better productions. Despite their drastic decline, there will always be adult theaters, and we'd never leave a film buff in the lurch: If a review says a production was shot on film, it's probably playing on a big screen somewhere—all you have to do is find it.

VIDEO of the MONTH

Shades of sin in *The Chameleon*: Tori Welles twists for Tom Byron's cock (left); Buck Adams rams it to Victoria Paris (above).

THE CHAMELEON

Shot on Video.

Three-Quarters Erect. Directed by John Leslie; starring Tori Welles, Salena Steel, Victoria Paris, April West, Debi Hanson, Buck Adams, Tom Byron, Pamela Rose, Lynn Francis, Ray Victory, Joey Silvera, Peter North, Scott Irish, Axel Horn and Richard Pacheco. Videocassette by VCA Pictures.

In *The Chameleon*, director John Leslie changes carnal coloring as often as title star Tori Welles. Welles, with superb authenticity, plays a nympho slut who, on three occasions, bodily transforms into a completely different trollop. These muff metamorphoses happen much more smoothly than the usual porn presto change-o, a mark of Leslie's finesse first seen in his *Cat Woman*. But, chameleonlike, Leslie also shows a few of his less polished facets, notably a penchant for pop psycho-babble and vague metaphysical allusions. Fortunately, Leslie flexes many bone-pumping strengths, most puissant being the fully exploited sexuality of Ms. Welles. Tori trysts and twists on the tumescent tubesteak of Tom Byron; steals Peter North's primed prick from the mouth of Victoria Paris, emptying the full jizz stick in her own face and hair; and throws a hurricane hump into chair-bound Buck Adams. Supporting fucks by Tori changelings of Byron, Scott Irish and Joey Silvera scorch almost as hot as Welles's originals, as do the Adams/Paris porking and two white wantons swarming on Ray Victory. *The Chameleon* is painted in vivid shades of sin. —Kurt Blume

UNIFORM BEHAVIOR

Shot on Video.

Half Erect. Directed by Bud Lee; starring Hyapatia Lee, Keisha, Nina Hartley, Randy West, Billy Dee, Tom Byron, Jon Dough, Britt Morgan, Caitlyn Lewis, Megan Leigh and Jesse Eastern. Videocassette by Zane Entertainment Group.

Unlike another porn producer/starlet-harlot married couple (whose names do not bear mentioning), Bud and Hyapatia Lee make sure that Hyapatia actually takes a boning whenever she is featured prominently in a tape's box art and on top of its cast list. This unusual integrity makes up for the lack of any Tori Welles appearance in *Uniform Behavior's* action, though her name is listed on the box credits. The lays of Hyapatia (Lee opens the debauchery with a lesbo huggy-licky with Shanna McCullough-lookalike Caitlyn Lewis and closes out the fuck festivities clenching her teeth and cunt-wrenching relief from the rigid rod of Randy West) are backed up with boffs from a troop of regulation bitches. Keisha shakes her casabas as Tom Byron quivers her buns with a quim bump from behind; Nina Hartley squats her succulent snatch on Jon Dough's pussy-slicked face; Megan Leigh is cool and carnal in her consumption of Jesse Eastern's crotch crank; Britt Morgan provides the tape's filthiest moment, with a monstrous mush of Billy Dee's cream of meat smeared in her creamy ass crack. This seminal slop aside, *Uniform Behavior* is standard issue. —K.B.

Uniform: Keisha and Tom Byron's behavior is standard issue.

SINGLE GIRL MASTURBATION, VOLUME 2

Shot on Video.

One-Quarter Erect. Directed by Anna-Maria Monet; starring Lynn LeMay, Aurora, Champagne, Debbie Diamond, Staci Lords and Micki Snow. Videocassette by Eyeshadow Productions.

It takes all kinds to make up the sex-video audience, even stupid people. Some smut viewers are so dumb they cannot keep apace of the typical fuck flick's action. Well, the porn industry in all its vastness has something for everyone, even the terminally daft. Take *Single Girl Masturbation, Volume 2*. The title alone is unimaginative enough to satisfy the most demanding dipshit, with no clever entendre to throw him into a submental quandary. *Single Girl's* ginches come one at a time, which is almost too many at once for Pinhead the Perv, but with a brain strain he keeps up, seeing the lacey panties, slinky stockings, ruffled garters, frilly bustiers, digitally probed pussies and puckered poopholes of half a dozen individually presented poozles. "Wait a minute," microcephalic says. "Slow down. You mean, these are different girls?" —Hakim Withers

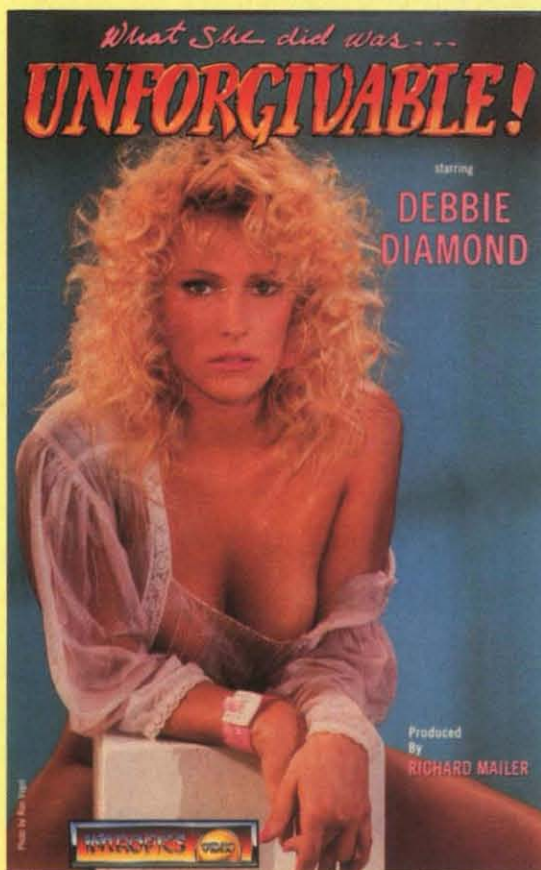

UNFORGIVABLE

Shot on Video.

Three-Quarters Erect. Directed by Fox Mailer; starring Debbie Diamond, Staci Lords, Rick Savage, Alice Miller, Tatiana, Peter North and Marc Wallace. Videocassette by Intropics Video.

The world is full of do-gooder ecology groups—Save the Whales, Save the Snails, Save Soviet Jewelry—but what we really need is a Save the Mammarys organization. Natural tits are one of Earth's greatest natural resources, and *Unforgivable* deserves a special commendation for its concentration of God-grown boobies. Debbie Diamond (who thrilled us years ago as Kaviar) is a blonde with a slutty attitude and a matching set of non-modified chest knobs to drool and spew for—just ask Peter North, who splatters a major semen spill on her heaving orbs; or Staci Lords, owner of her own pert and pretty stock pair of fun lobes, who squeezes titty and perches her charmingly clenched crapper ring upon Diamond's nose; or Marc Wallace, who dicks Debbie vigorously as another ginch, using whipped cream for lather, softens up and shaves the Diamond pubes. Wallace also splits the hair pie of a plush secondary bimbo; and Lords takes a pool-table-top flop-and-splot from cue-man Rick Savage. This flick has faults, but nothing *Unforgivable*. —K.B.

Masturbation: Champagne offers excitement for the terminally daft.

THE EDGE OF HEAT

Shot on Video.

Three-Quarters Erect. Directed by Bruce Seven and Loretta Sterling; starring Barbii, Keisha, Trinity Loren, Erica Boyer, Heather Wayne, Brandi Wine, Christy Canyon, Peter North, Marc Wallace and John Stagliano. Videocassette by 4-Play Video.

The Edge of Heat, volume one in 4-Play Video's new compilation series, is an ass-licker's delight. Shit-lipped spectators will pucker in glee at the anal/oral tongue-play featured in so many of *Heat's* rim-shot blasts. Trinity Loren lavishes luxurious licks to Peter North's chocolate Cheerio as camera- and cocks-man John Stagliano chows on her toothsome craphole calamari before lubing the rectal ring and filling it with his jizz pump; pixie-face, dimple-chin, departed doxie Heather Wayne chomps unforgettable Christy Canyon's butt crater while plunging a pink dildo into the Canyon cunt crevice; and North's mouth pays special attention to Barbii's precious ass-bud. Aside from glory-hole-kiss celebrations, *The Edge of Heat* exults in the fully obliterating facial wad lavage. Particularly semen-sopped are Loren from the dual dick dump of Stagliano and North; Barbii's game and gamey face-catch of North's cum-sling; and Erica Boyer symmetrically splattered by splorch-artists North and Marc Wallace. A Wallace/North crud coating of Keisha is a disgusting delight, but was recently seen in 4-Play's *Awesome Keisha* loop. One more snippet of *Heat*, and this tape would have been completely over the Edge. —C.S.

Wiggle: Aja, who gets her pristine pooper filled with dick, spreads for Ray Victory.

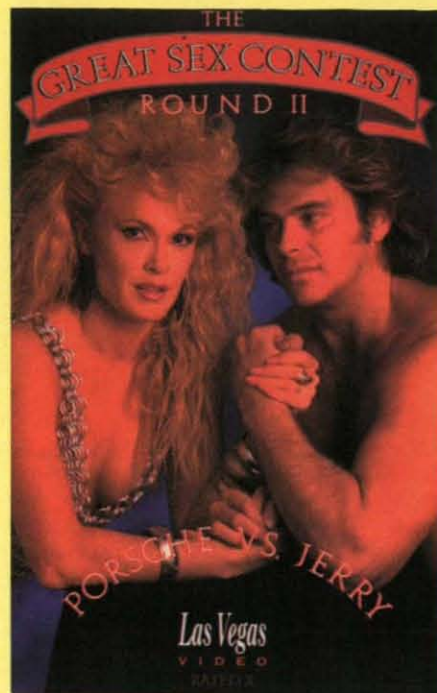

WITH A WIGGLE IN HER WALK

Shot on Video.

Half Erect. Directed by Bobby Hollander; starring Aja, Jade East, Aurora, April Sommers, Marc Wallace, Ray Victory and Don Derringer. Videocassette by Western Visuals.

Fans of Aja's preternaturally deep throat, buoyant, unaugmented breasts, fine-featured face, trim and neatly lipped quim, shapely, supple buttocks and tightly twisted anal nub have long yearned to see their object of debased desire fucked in her delightful dirt-chute. The good news is that porn's prettiest little snooze cooze takes choad up the rocky road in *Wiggle in Her Walk*, climbing atop an unlikely, pasty-and-pudgy bearded skeeve who humps his stump into her pristine pooper. The bad news is that as Aja slides sphincters down gorged gonad, she says, "Tear it up. Tear it up," just as if she were talking in her sleep about somebody else's parking ticket. But the good news wins out: After the dork looses his load in Aja's shit pit, the camera zooms in as she winks her brown-eye, squeezing out milky dollops of wad discharge, a sight surpassed by Marc Wallace's subsequent butt-hole splattering jizz-blast, followed by anal reentry—enough to put the wiggle in any walk.

THE GREAT SEX CONTEST—ROUND II

Shot on Video.

Half Erect. Directed by Ron Jeremy; starring Porsche Lynn, Jerry Butler, Kassi Nova, Blake Palmer and Scott Irish. Videocassette by Las Vegas Video.

The opening credits of *The Great Sex Contest—Round II* are indicative. Co-star carnalists Jerry Butler and Porsche Lynn are named, as is Ron Jeremy, listed as writer, director and producer. What was Ron's first mistake? No one can remember that far back, but one glaring error was omitting the supporting cast from the roll of players. Aren't these little penises and pussies important enough to be noted? Just because they are all second-raters is no reason not to acknowledge their contribution, no matter how meager it might be. After all, not every aspiring pud pro can reach the heights of, let's say, Porsche Lynn, a shrill, hump-for-dollars harridan prone to astounding facial contortions during faked orgasm; nor can just any striving stunt dick achieve the stature of Jerry Butler, a man who could write dialogue for Jeremy, if Jeremy weren't already writing it for him. C'mon, Ron, give the schmuck fucks their due. You can't have forgotten where you came from, because you haven't gotten very far from there.

HOT SPOT

MEGAN LEIGH

Already an accomplished cock-sucker, one of the few current spread-boxes who can get a faceful of pubic hair with a hard-on stuffed down her throat—including Peter North's big dick, which she engulfs in Cinderella's *California Native*—Megan has moved on to even higher (lower?) levels of raunch. In *Loose Ends VI*, this fresh-faced sweetie gives up her first video butt-fuck, a midnight junkyard ass-and-pussy penetration—with motor oil as lubricant! We like that. Billed early in her career as Caroline Chambers and Heather Newman, Megan's credits include *A Taste of Black*, *Beauty and the Beast*, *Dirty Pictures*, *Made in Germany*, *The Sex Platoon*, *Very Dirty Dancing* and *Wild Brat*.

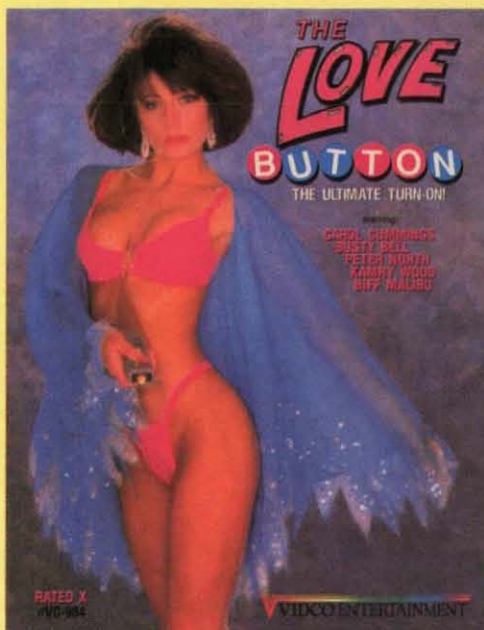

THE LOVE BUTTON

Shot on Video.

One-Quarter Erect. Directed by Gordon VanDermeer; starring Kamray Wood, Peter North, Arcie Miller, Biff Malibu, Busty Belle, Blake Palmer and Carol Cummings. Videocassette by Vidco.

The title of this marginal vice-venture refers not to the clitoral joybuzzer so often at the fore of the collective porn mindset, but to a television remote control. When Peter North snaps the channel selector, his annoying wife disappears, replaced by bomber-boobed Busty Belle. Any right-thinking man, realizing the bonanza on his hands, would rush out to patent the electronic switch-a-cunt device or at least draw up licensing agreements. While North's decision to lend the apparatus to admitted welcher Blake Palmer is typical of the lower-stratum intelligence quotient throughout *Love Button*, it does present occasion to fuck some sluts. Unfortunately, of *Button*'s four performing holes, two are interchangeable, generic and forgettable, and one is hard-titted jade Carol Cummings, at her most appealing being zapped into nothingness by the remote. Busty Belle's boggling bazooms, bobbing in a bath of North's bone whip and momentarily mashed onto a glass-top table, push a few buttons, but most of these circuits are dead.

STRAIGHT TO THE TOP

Shot on Video.

Half Erect. Directed by Steve Drake; starring Candi Evans, Amber Lynn, Sahara, Robin Cannes, Jerry Butler, Herschel Savage and Peter North. Videocassette by Western Visuals.

Candi Evans, Amber Lynn, Sahara and Robin Cannes: four fuck-flick femmes residing in that gamy gallery of goop-goddesses bygone, cherished in memory's dim screening room through the soft-focus filter of nostalgia, can now be seen in the glaring light of a newly released schtup-feature that has moldered for years toward the bottom of some porn broker's fun barrel. In *Straight to the Top* Amber is seen to be precisely the wanton slave to demanding pussy that she is remembered as; Sahara's full, pillowy lips prove to be exactly the pursed, cock-slickening ring of recollection; Candi Evans's sweet-faced, sultry innocence—the squeaky-clean sensuality of a bone-crazed cheerleader on a mission of emission—is completely captivating in retrospection; and Robin Cannes's hyper-inflated, stolid chest ornaments, while pneumatically incorrect, are at least mnemonically accurate. But *Straight to the Top*, in the final analysis, fades from consciousness almost as soon as the last wad is shot. *Top* was part of stud Steve Drake's writing/directing debut, a career move that has since been more completely forgotten than even this lost offering.

ORAL MAJORITY 7

Shot on Video.

Half Erect. Directed by Roy Karch; starring Staci Lords, Ray Victory, Kass Nova, Nina Hartley, Lynn LeMay, Stephanie Rage, Rick Savage, Peter North, Marc Wallice, Angel Kelly, Robert Bullock, Rachel Ryan and Ariel Knight. Videocassette by Western Visuals.

Porn sluts are like two-year-olds; they just want to put everything in their mouths. As long as these women persist in gratifying infantile urges by sucking on purple-tipped, pulsating pacifiers, cigar-smoking baby-sitters will be present with their cameras, lighting crews and male nannies whose pricks are bigger than baby bottles. *Oral Majority 7* is the latest installment of a series that has long, hard and wetly documented the putz-in-mouth syndrome. As in previous *Oral Majority* episodes, a horny couple (Ray Victory and Staci Lords this time) plays host to a stream of clips from previous Western Visuals releases that emphasize the pudenda-to-tongue aspect of videotaped sex. Lissome wenches lick glistening choad lengths, nibble clenched ball sacs, batter their faces with

bulbous cock heads and just straight-away suck the fucking wad out of lip-spittled cranks. *Oral's* men turn about to face flaps, and Kass Nova spices up the schtups by burrowing Ray Victory deep into her bungler, but most of *Majority's* oralisms end without facial jism, and some have no cum at all. You can either swallow that or spit it out. —C.S.

WORDS OF LOVE

Shot on Video.

Half Erect. Directed by Scotty Fox; starring Cheri Taylor, Debbie Diamond, Mandi Wine, Ashley Winger, Racquel, Ron Jeremy, Randy West, Cal Jama and Derrick. Videocassette by Legend Video.

Any hack writer forced to labor in the stroke-book field will testify that the casting of *Words of Love* is half true to life. The smut scribbler will further attest that, contrary to *Love's* portrayal, Cheri Taylor is, unfortunately, not typical of a men's magazine editor while, true to the vision of *Words*, Ron Jeremy is. Perhaps if more women such as Taylor were employed at the editorial level of male-sophisticate periodicals, the quality of such journals would be more inspired. As it is, porn pensters work for Ron Jeremys, reviewing scum created by Ron Jeremys that stars Ron Jeremys. If it wasn't for the occasional Cheri Taylor and Racquel coming along, no one would do such filthy labor. Taylor and Racquel perform *Love's* best dirty work: Cheri, a bionic-breasted attestment to allure after 30, sucks and bucks with a joyful exuberance lacking in her jaded jail-bait colleagues, even when she's humping Ron Jeremy. Racquel is a new nubile from the Aja school of squack; only time will tell if she's to become a dream cream or just a sleeper. The efforts of Racquel and Taylor may elicit no words of love, but they'll at least cause some groans of lust. —C.S.

TWO'S COMPANY— THREE'S A WOW!

Sam eyed the cake, sneering as he counted the 30 burning candles. "I'm not sure there's anything to celebrate," he grumbled, finishing a beer.

"Come on, man, make a wish. The third decade's the best," one of his buddies said cheerfully.

"My twenties were as good as life gets," Sam answered sullenly, then blew out the candles in a couple of tired puffs. "It doesn't get any better, it's all downhill from here." After the cake, his friends handed him an envelope. "This is it? This is my only present?" Sam complained as he tore it open and pulled out the card. All it said was "Clap Twice." Sam cocked his head. "I don't get it," he said.

"Just do it. Do what it says."

Sam sighed and clapped his hands twice. Two beautiful women, one blonde and one brunette, came out of the bedroom. Each wore nothing but a ribbon and bow around her waist. The birthday boy's jaw dropped as the women came close to him. "Happy birthday," said the blonde, leaning over and offering him her luscious breasts. "We're your present."

"I had never had sex with more than one girl at a time," Sam remembered afterwards. "Plus with all the bugs floating around, I hadn't even been indulging in all that much of the one-on-one variety. So there I was, feeling a little blasted and a little sorry for myself, when the two knock-out babes started rubbing against my very horny body! All my friends vanished, leaving me with my incredible gift. The two girls, Lana and Joan, led me into the bedroom and slowly stripped me—one on the left of me, one on the right.

"Lana and Joan really started going at it—in my very own bed! I couldn't believe how hard I got just watching them. I'd seen a lot of videos showing two women getting it on—I always thought it was an incredible turn on—so having those two beautiful, big-breasted babes going at it not five feet away from my nose was just too much! Finally, I couldn't stand it anymore and hopped on the bed with them.

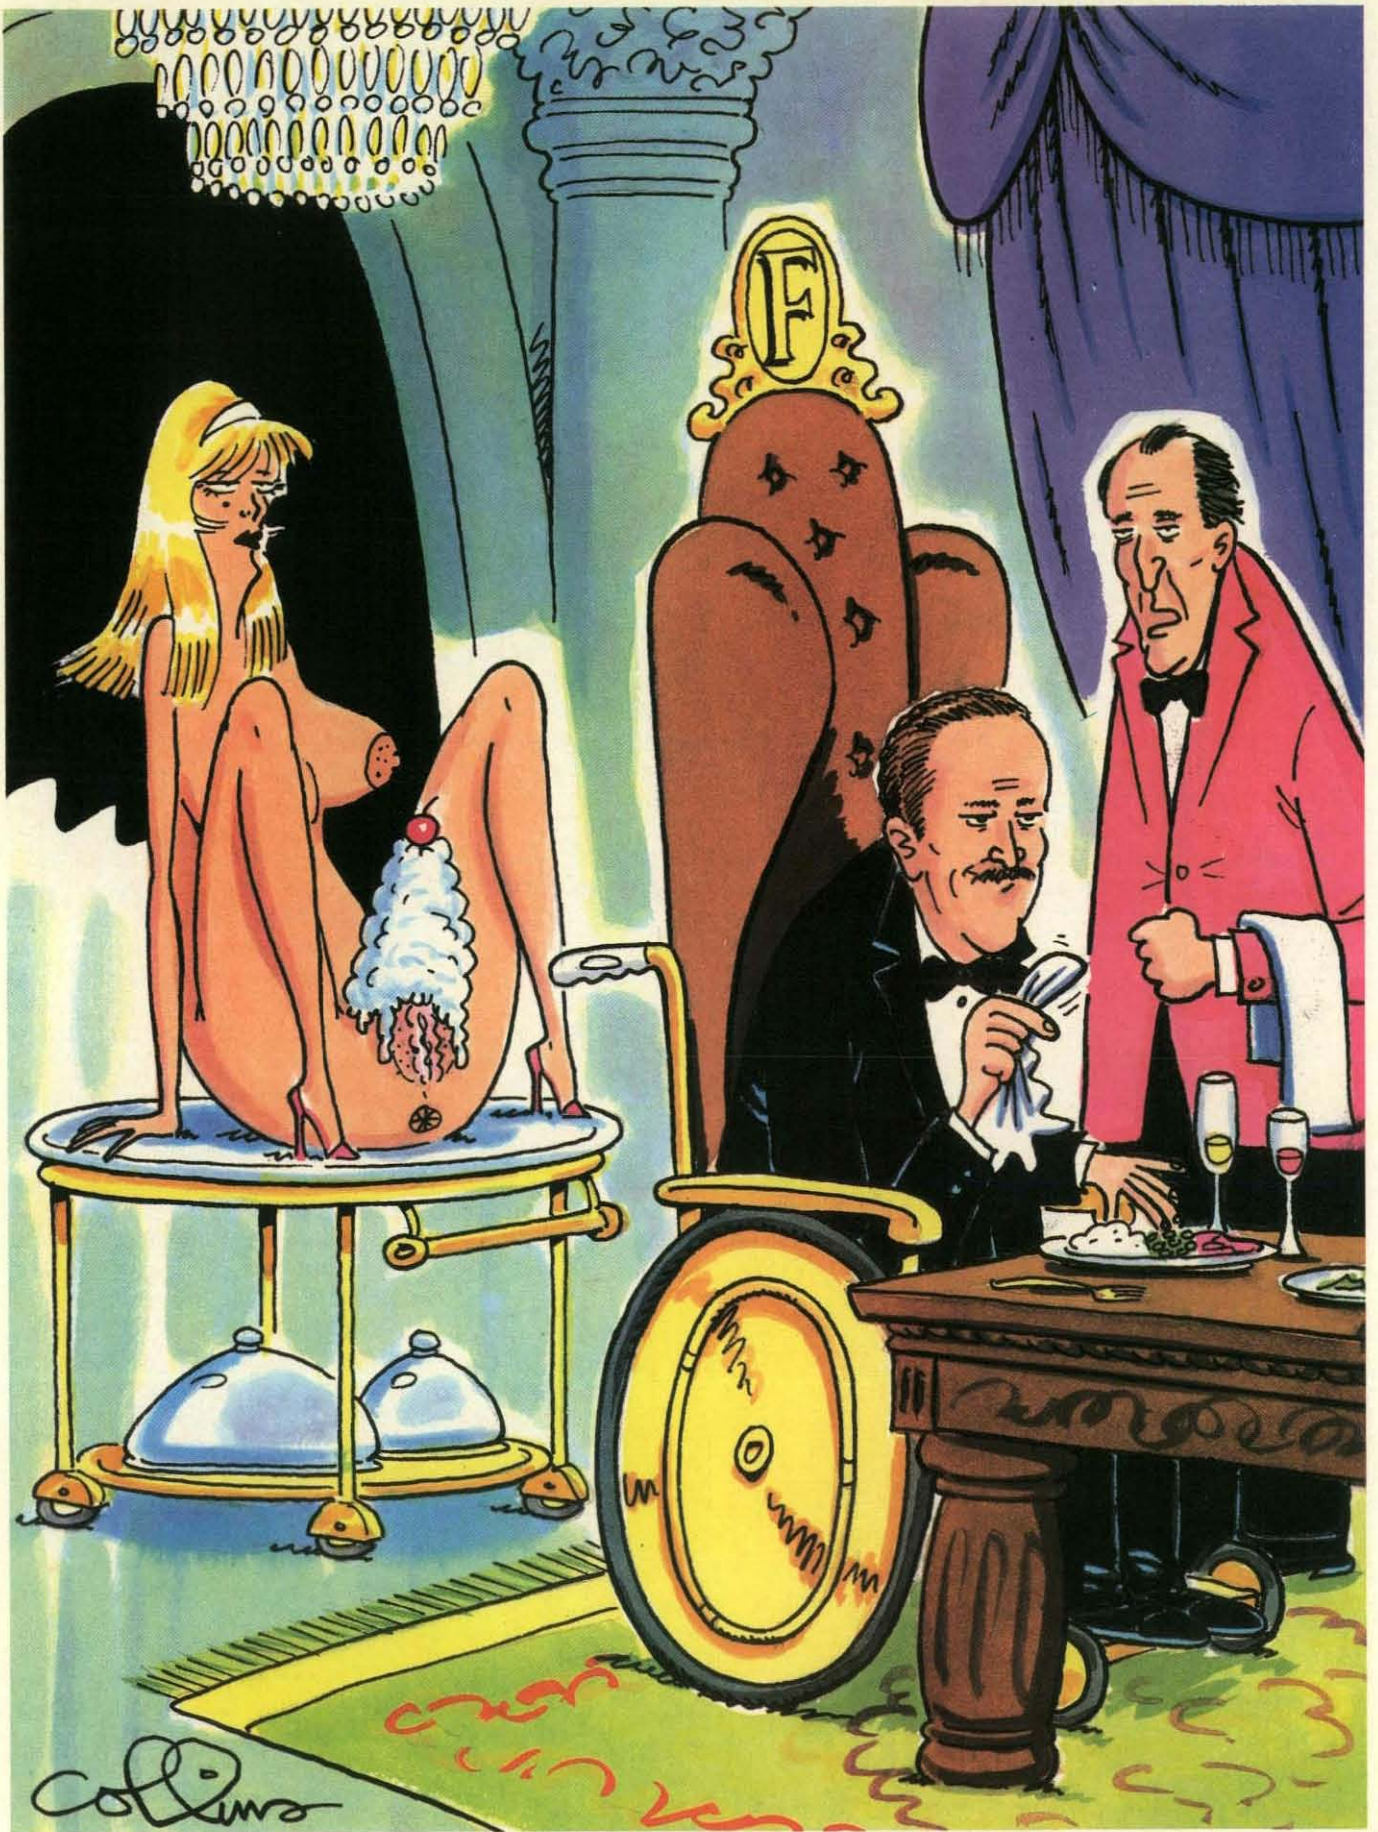

"Joan slipped a condom on me in less than a heartbeat and then I dipped my throbbing cock into Lana's wet and willing pussy. As I fucked Lana, Joan kissed my neck, my ears, my back. Just as Lana was crying out that she was coming, Joan pushed two fingers into my asshole. We came at the same time and my orgasm was indescribable. As soon as I'd finished pumping the last of my load into Lana, Joan rolled me off and started sucking on my cock. It tickled like hell at first, but in a couple of minutes I was hard again. As soon as I was ready, Joan pushed her delicious cunt all the way down on my throbbing cock. She was such a cute, tight little thing that I thought I was going to blast off all over again, but she lifted herself up off my cock and squeezed my dick right near the tip. The sensation that I was about to blow eased for a few minutes while we got down to some royal fucking. Joan writhed and turned on me like an acrobatic queen. I felt like she was pulling the cum from my very soul when I finally let go and gave her all I had. All three of us curled up and fell asleep. When I woke up, the girls were gone... somehow being 30 didn't seem so bad anymore."

The easiest way to experience a threeway has traditionally been with professionals, but in recent years threeways have become a popular amateur activity as well. As sex researchers Herant A. Katchadourian and Donald T. Lunde report in *Fundamentals of Human Sexuality*, "Many people are attracted by the idea of having sex with more than one person at a time." They say that although orgies aren't anything new, historically they have been primarily in-

"Will you be having dessert, suh?"

dulged in by the very wealthy and few others. The researchers report, however, that today group sex has become quite common among more of the general population. "Group sex may be exclusively heterosexual, homosexual or mixed. It may also include homosexual behavior that would otherwise be unacceptable. Two males who would otherwise not touch each other may do so in the process of sex play with the same woman. Or two men having coitus with the same woman successively may be striving to achieve physical

"Swingers may either get together for a two-couple 'party' or may meet in groups with many couples. There are usually drinks served, and pornographic movies may be shown to get people in the mood. The sexual activity may take place entirely in heterosexual twosomes, with each couple retreating behind a closed bedroom door (closed swinging), or, if the door is left open, it's a signal for anyone to come in and join the fun." Masters and Johnson found that most "open swinging" involved two women having sex together. "Several factors account for female homosexual relationships among swingers. Most men are hardly matches for sexually aroused, multi-orgasmic women. While the men rest, they often experience sexual restimulation if they watch women make love to each other."

Masters and Johnson report that the positive side of swinging includes "having a shared activity that truly eliminates the double standard. Couples may feel pleased by having a variety of sexual partners without deceiving each other; some couples find that their own sex lives are improved." On the down side, however, some couples find that swinging leads to too much jealousy, feelings of inadequacy, guilt and rejection. Both partners have to approach group sex with the same open attitude—often one just goes along or participates due to the spouse's pressure. Unless both partners are after the same thing,

swinging can push a couple toward divorce.

"We're one of the couples whose marriage was improved after experimenting with additional sexual partners," says 36-year-old Hank. "My wife and I put an ad together for some of the local swingers papers. We basically said that we were a nice couple who wanted to meet women under 30 for sex. A few days after the ad appeared, we started getting responses. We were interested in three of the girls that sent a photo and letter. When we started out, my wife was a lot more nervous about actually doing anything, but pretty soon her inhibitions faded away. Now she's even more into it than I am. Once she even contacted a girl and had her join us in bed as a surprise for me!"

Another way of enjoying sex with multiple partners is in what many people label a group marriage. Group marriage can take many different forms. Two or three couples can live together enjoying sex as a group or in a variety of twosomes and threesomes. In other instances, groups of singles live together as a family and have sex with all the members of the group. "Our 'family' is made up of two men and four women. We love each other and are basically joined in one marriage," explains 37-year-old Ann. "I guess we're like hippie throwbacks," she laughs, "but it's great to have a choice when it comes to sex. We all know each other's sexual history, so it's safe. Believe me, there are a lot of combinations for fun sex when you have six people. Plus, when there are five people available for you to have sex with, the odds are very good that at least one or two will always be in the mood when you're in the mood. I'd hate to have to count on just one person always satisfying me—they couldn't," smiles Ann, "but five can!"

The glory days of swinging and group sex were the 1970s, that brief golden age between the sexual revolution of the '60s and the herpes and AIDS scares of the '80s. Such famous swingers' hangouts as Sandstone in Southern California and Plato's Retreat in New York City closed a few years ago, bowing to both government pressure and public fear that shrunk their attendance. Clubs that encourage heterosexual swinging still exist, however, although today they're usually underground and often very private. A number of swingers magazines continue to publish, through which adventuresome couples can still get involved in the orgy scene.

Swinging and including additional sexual partners into a couple's sex life have proven for many to be enriching experiences. It is essential, however, that multiple-partner sex be approached with care. It's crucial that couples talk openly about how they feel and only do what feels good to them. Following these guidelines, sex with more than one other person can be more than fun. It can be thrilling—and fulfilling.

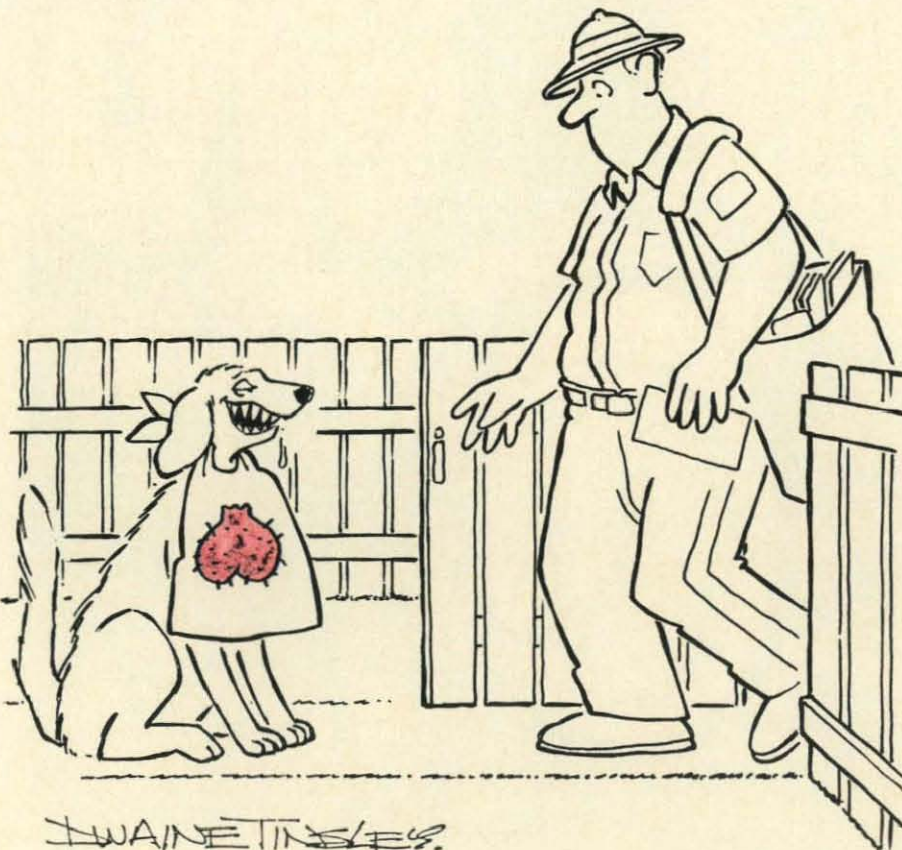

continued...

contact between their own genitals, as it were, by placing their penises in the same vagina in rapid succession. Overt homosexual contact during group sex is rare in males," say the researchers, "but common in females."

In 1972 and 1977, Nena and George O'Neill wrote best-selling books about open marriages. In an open marriage it's okay to have sex with other people, and often the couple includes a third or fourth person in their lovemaking.

Swinging is another term for couples and singles who like to have sex with more than just one partner. As Masters and Johnson explain in their classic book *Human Sexuality*,

"Oooh, yum, yum!"

AIDS TRANSMISSION BY CUNNILINGUS: FACT OR FICTION?

by Larry Wichman

It was a news story that chilled the libidos of pussy eaters everywhere: from Massachusetts came word that AIDS had been transmitted from a woman to a man through cunnilingus!

Drs. Peter G. Spitzer and Neil J. Weiner from the Lahey Clinic Medical Center in Burlington said they had the proof, which they published in a letter in the *New England Journal of Medicine*. A 60-year-old male patient suffering from chronic impotence had become infected with the human immunodeficiency virus (HIV) after engaging in oral sex with a prostitute who shot intravenous drugs. It was the first such case of female-to-male transmission ever documented.

"Most public health education about safe sex has concentrated on the use of condoms," says Dr. Spitzer. "People have been lulled into a belief that as long as you wear a condom, everything is safe. The letter was meant to shake people up, to make them realize that the exchange of bodily fluids during other sexual practices—like oral sex—can potentially transmit the AIDS virus—that *oral* sex is not necessarily *safe* sex."

In fact, clinical research suggests that cunnilingual transmission of HIV is highly unlikely. "In terms of relative risk, [cunnilingus] is not what we consider a high-risk sexual activity," Dr. Robert Edelman, an AIDS researcher at the University of Maryland School of Medicine, told the *Los Angeles Times*.

Dr. Constance Wofsy, co-director for AIDS activities at San Francisco General Hospital, remains equally skeptical of the findings. "This is not a study," she cautions. "This is a single, observational, unproven report of a man who says he had sexual relations with a woman he thought used intravenous drugs." Dr. Wofsy adds that while "the lay press made a big fuss" over the letter, "as far as the scientific and epidemiologic community goes, it was barely noticed."

Drs. Spitzer and Weiner based their claims on interviews with the patient, during which they explored the subject's sexual history. The man, married for over 30 years, reported that he was living with his wife at the time he became infected. The couple hadn't had sex for several years owing to his inability to attain erection—

a condition attributed to the patient's insulin-dependent diabetes.

Then, approximately two years ago, the

subject began to frequent a prostitute. It was his lone extramarital affair. Because

of his impotence, their sexual relationship—which continued until he was hospitalized with symptoms of AIDS—remained exclusively oral. They engaged only in cunnilingus and fellatio.

During the interviews, the patient denied having engaged in any high-risk activities. He had never received a blood transfusion. He didn't use intravenous drugs. He couldn't get hard enough to have vaginal or anal sex, and he reported no homosexual encounters. What he did tell the doctors was that on one occasion he saw the hooker shoot herself up with drugs.

Since the man's wife tested negative for AIDS, the doctors concluded that the source of HIV was the prostitute, who could have become infected by sharing needles. And since their patient claimed he never went down on the hooker when she was having her period, and that he could not recall having come in contact with her blood at any other time, they determined that the most probable mode of transmission was oral contact with infected vaginal secretions.

"This case report suggests that oral sex alone can transmit HIV, even when there is no coincident exchange of blood," Drs. Spitzer and Weiner wrote.

But does it? Dr. Wofsy points out that the report lacks critical pieces of data. "To prove this case, you would have to have testing of the woman and of the man before he met her," she maintains, noting that without such information it is impossible to determine whether the prostitute was a source of HIV.

There is also the possibility that the patient may have lied during

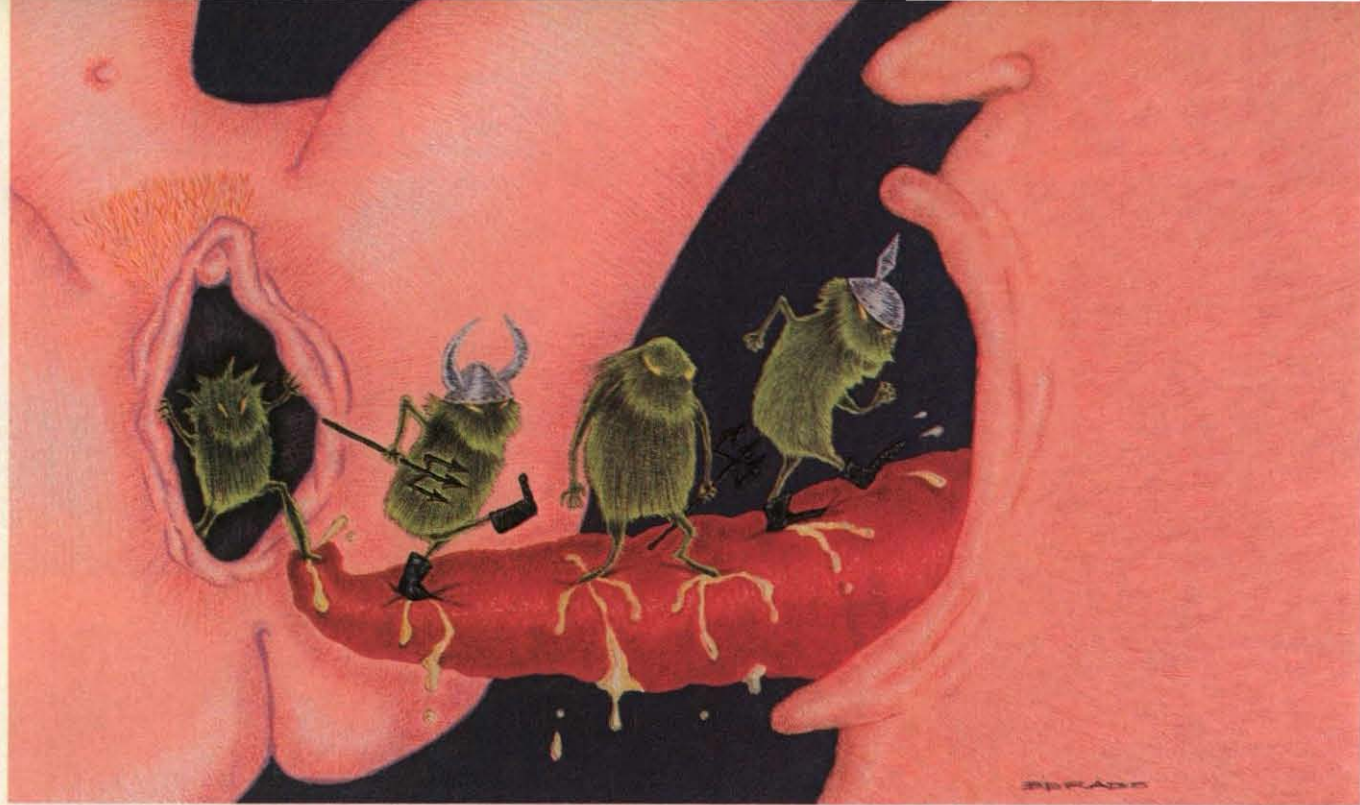

Illustration by John Berado

the interviews—that he might have engaged in one or more high risk activities and not admitted it. “There are reasons to wonder how that man became infected,” Dr. Wofsy says. “There is no hard data. In any individual case report the possibility exists that the individual would not or could not disclose the full truth.”

Many people diagnosed with AIDS lie to investigators about their sexual and personal habits. According to the U.S. Center for Disease Control, 72% of AIDS cases originally classified in the low-risk heterosexual or undetermined categories are later found to be the result of such high-risk activities as intravenous drug use or homosexual encounters.

“With this man, all I can say is that he was interviewed by numerous people at different times and his story never changed,” Dr. Spitzer counters. “His impotence meant that insertive vaginal intercourse was essentially impossible. So, there was a certain amount of trust we put in his story.”

However, as this excerpt from their letter to the *Journal* shows, their trust may have been misplaced: “[The patient] did not remember [the woman] ever having oral or genital ulcers,” the doctors wrote. “The patient himself reported that he had never had oral ulcers. He described an occasional ulcer on his penis in the past, yet said that he had never had sexual contact with his partner at a time when such an ulcer was present.”

The fact that the patient might have been afflicted with either genital herpes or chancroid, both of which produce genital ulcers, raises additional questions. These are sexually transmitted diseases (STDs) and suggest the possibility of previous extramarital affairs—potentially predating the patient’s impotence. The present belief is that on average AIDS has an incubation period of seven years before symptoms begin to surface. Thus, his condition could be due to a secret sexual affair that took place ten or more years ago.

HIV transmission may even have been facilitated by the STD. Genital lesions serve as portals for the AIDS virus, which then attacks the white blood cells that are drawn to the region as part of our immune system’s response. These lesions remain vulnerable for a time after they appear to have healed, which may fool the STD victim—as it could have done in this case.

Still, the authors were correct to dismiss fellatio as the villain. “Even though the patient in the report had genital lesions, and also

received oral sex from the woman, it is unlikely that this was the mode of HIV transmission,” claims Dr. Anthony Fauci, director of the National Institute of Allergy and Infectious Diseases. “HIV transmission has been shown to be extremely difficult through contact with saliva of an infected person.”

The saliva of a person infected with AIDS contains only minute amounts of HIV, making it one of the few bodily fluids that is considered non-infectious. Numerous studies have shown that household members who live with a person with AIDS remain free of the virus. “Such data suggests that transmission by saliva is not a risk,” explains Dr. Wofsy. “They’ve lived day after day, sharing glasses and toothbrushes and kissing each other, and nothing has ever happened.”

However, one issue the authors did not address is the possibility that the virus could have been absorbed by penile tissue through secondary contact with vaginal secretions. For example, the prostitute could have masturbated immediately before grasping her john’s cock, smearing it with her flow. Or, the man could have used his palm to wipe his chin after cunnilingus, then used it to stuff his dick into his pants. And if the virus entered through the penis, it blows their claim.

“I’m not skeptical in the least that the *potential* for transmission is there,” Dr. Wofsy admits. “Virtually every researcher and clinician involved in AIDS has been saying for years that the virus can be found in vaginal secretions and that we should presume it can be transmitted that way, but I am skeptical of the report. It was only a letter. It hasn’t been through any peer review. It’s an anecdote in this large compendium of information that’s become what we know about AIDS. It *raises* issues. It doesn’t answer any.”

LOOK, BUT DON'T TOUCH!

The strangest love affair I ever had occurred a couple of years ago. I had the hots for my next-door neighbor from the first time I saw her. When her boyfriend moved out, I knew I had to make a move.

Although not tall, Suzy had a well-developed, ripe body. Her breasts were heavy and taut, her legs smooth and shapely. Her black hair gleamed with subtle highlights, and her lips were moist, full and inviting. What really captivated me, though, were her violet, deeply passionate eyes.

One night she invited me over for a spaghetti dinner. I was surprised, but I jumped at the chance. As we relaxed after dinner, sipping wine, I tried to tell her how much I admired her.

"I know," she said, blushing prettily. "That was why I invited you over."

I was silent.

"I enjoy it when men look at me... like you do," she confessed. My groin wrestled with my trousers as she spoke.

She then told me how she used to put on shows for her boyfriend. "I miss putting on those shows for him," she said, "more than I miss him." I wasn't sure exactly what kind of show she was talking about, but I didn't think it was a song and dance. "I'm a good audience," I offered, hoping to see a performance. "After all, we've known each other for several years now, and we're all alone."

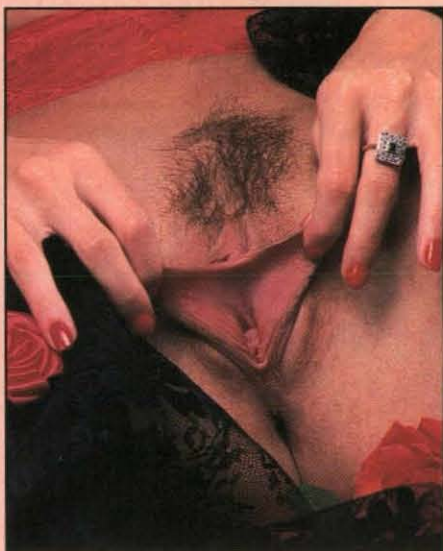

She had on a tight sweater, and I thought I saw her chest heave a little at the thought.

"All right," she said, finally, "but remember: Look, but don't touch."

Setting her wine glass on the table, she pulled the sweater over her head. My pulse raced as she unsnapped her bra to unload two of the most luscious tits I've ever seen. They dangled in all their hugeness like gravity-defying melons, her nipples hardening, inspired by my dazed gaze. They were small nipples, but made alluring by the way they poked the air unfettered and nasty-like.

Purring, Suzy ran her fingertips lightly over her tits, rolling her nubs in her fingers until a loud moan wrenched from her throat. She lifted one of her titties to her mouth, and her long, narrow tongue snaked out and teased the brown button. With her eyes never leaving my lustful stare, she lifted her boob so high she was able to get a hearty mouthful. She sucked on it eagerly.

"Take out your prick," she told me, after dropping her mam. "I want to see it."

I unzipped my pants. My cock was already stirring and stiffening. I had trouble pulling all of my hardening eight inches out of my jeans, but when it finally sprang from my crotch, it straightened to optimum throb.

"Jack off," she told me, "but do it slow."

I stroked my joystick for her. Every so often, I'd rub the sensitive crown with the palm of my other hand, spreading the pre-cum drops that appeared at the slit.

Suzy wiggled out of her blue jeans, pulling her panties off at the same time. I almost shot it at the sight of her succulent hips and firm stomach. Her cuntlips were so juicy and exciting, I had to look away or burst.

"Look," she whispered hoarsely, obvi-

ously aroused. "Look closely, but don't touch." Her hot tongue licked her lips.

I turned slowly to see her sitting with legs apart, petting her pussy pelt. It was thick and black and glistened with the joy juice that flowed from her twat. Suzy's slim fingers trembled as she grazed her pouting pussy lips. She rolled her clit with her middle finger, then rubbed her juices onto her quivering thighs.

Her mouth hung slack with passion, her gaze riveted on my stick-stroking. Panting, she urged, "Faster."

I jerked off furiously. Her strokes matched mine as she fingered herself with rapid, squishy jabs. Her breath came jagged and quick. Her tits were heaving, and sweat gleamed on her body.

"Come," she gasped, breathlessly.

I couldn't help but obey. My prick tightened, my balls trembled, and I felt the hot nectar race through my cock. Gobs of my thick cum shot toward the girl, splattering her tits and thighs as she buried her fingers up her juicy slot.

With a strangled sound, she climaxed at the same time, lifting and holding her hips in the air until spasms jerked her. She writhed on the floor, sighing and rolling her head from side to side, her juices gushing down her thighs and onto the carpet.

After that evening, every week or so Suzy invited me over to her place for dinner, and I never refused. Although she put on the hottest shows for me, I never touched her. It was always, *Look, but don't touch*. Not long after that, Suzy became a model and she moved out to Southern California.

It's been several years now, but what brought that affair back to mind was an X-rated movie I saw the other night. I was jacking off and half-watching the screen when all of a sudden my cock grew much harder than it usually does in a hand session. I looked closer at the gyrating blonde on the screen. I couldn't believe my eyes! Guess what new starlet had a starring role? And who now has a ticket for a trip to California!

LIMO SEDUCTRESS

On my way to a party in Manhattan, I had an experience in a limousine that I'll never forget. I was alone in the back seat, thinking about getting laid by a thick, juicy cock. I got so caught up in my fantasy, I pushed my skirt up and began to stroke the budding tip of my quivering, erect clit. I felt my honey-soaked twat tremble, readying to erupt, and I spread my legs farther apart, bringing my knees up toward my face. I could hear the wet sucking sounds of my fingers and feel my moist hole caressing them tightly. My legs got weak, and I came all over my hand.

"Jeez, lady!" the driver said turning around abruptly. "You can't do that here."

"I'm sorry," I said, pulling my skirt down. "I was just thinking of my boyfriend, and I got a little carried away."

"That may be," he said, "but how do you think it affects me? Just look!" Following the nod of his head, I leaned over the front seat and saw his cock nearly busting out of his pants. I felt I owed him more than a simple apology.

"I could blow you," I said impetuously. "Then you won't have to drive around all night with that huge hard-on."

"You'd suck my cock? Here in the limo?" he asked incredulously. He was looking at me through the rearview mirror. His eyes shone brightly in the pale light of the car. I nodded. He pulled off to the side of the road and stopped. Luckily the windows were tinted, so there was no chance of being seen by a passing motorist.

I climbed into the front seat. The driver was ready. He pulled his cock out. It was a big, thickly veined cock—not long, but fat and dark. He was so excited, a thin stream of pre-cum was bubbling from the eye of his cock head.

Wasting no time, I wrapped my lips around its swollen, mushroom-shaped head. He moaned in ecstasy when my hungry, hot mouth worked his shaft, my tongue slithering over the taut, purple glans. My clit was aflame as I bobbed on his groin, groping his huge, hairy nuts while I sucked. I felt his hard-on twitch pre-orgasmically, so I stopped my deep throating and blew cool air across the

hot length of his turgid, trembling shaft.

He responded by forcing me back on the seat and pulling my dress up over my waist. With one powerful lunge, he drove his hard cock past my cunt lips, snugly into my bubbling, frothing slit. He filled me completely and began to fuck me with long, deep strokes. I raised my knees and spread my legs wider, allowing him ultimate access to the fleshy walls of my slick hole. As he slid his thick meat in and out, shock waves pulsed through my quivering loins.

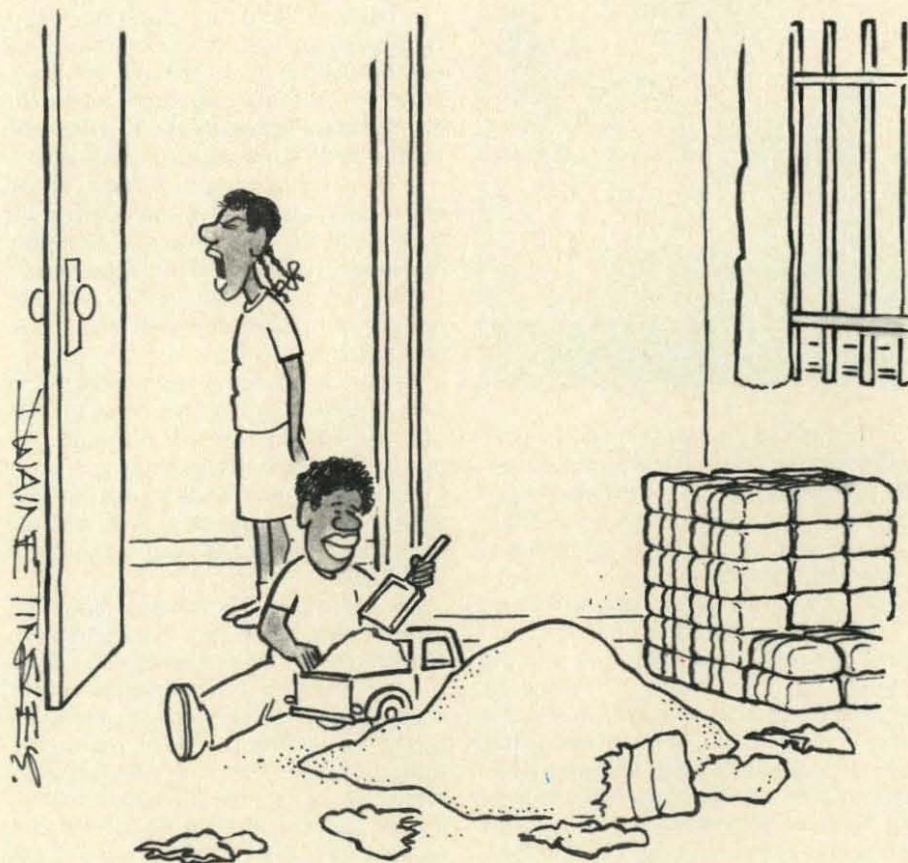

"Oh, yes!" I screamed as I came. "This is it. I'm going to blow all over your cock!" My body began vibrating uncontrollably, the heated secretions of my release spilling from my cunt, wetly spraying against his slapping balls. Shivering with the aftermath of my orgasm, I heard him gasp and moan, readying himself. Just as his seed boiled to the surface, he removed his throbbing and laid it on my pussy. The scalding rush splattered on my stomach and tits, soaking me in his slime. I shuddered as the sperm trickled down my torso and sides and pooled on the leather seat.

We drove the rest of the way to the party in silence. When he got out to open the door for me, he smiled and whispered, "I'll wait."

"Good," I said. "I think I'd like to take a ride through Central Park. It's so lovely this time of year."

HOT SELLER

Last week I needed some new shirts and pants, and I was checking out various small stores first. Around noon I found one on a side street. Not to brag, but I have an extraordinarily large cock; so I have to shop around for comfortable trousers. I saw a rack of pants in the right style just inside the door.

Inside was a foxy woman in her early twenties. Her tits stuffed a snug blouse and her jeans hugged her jutting, shapely ass cheeks.

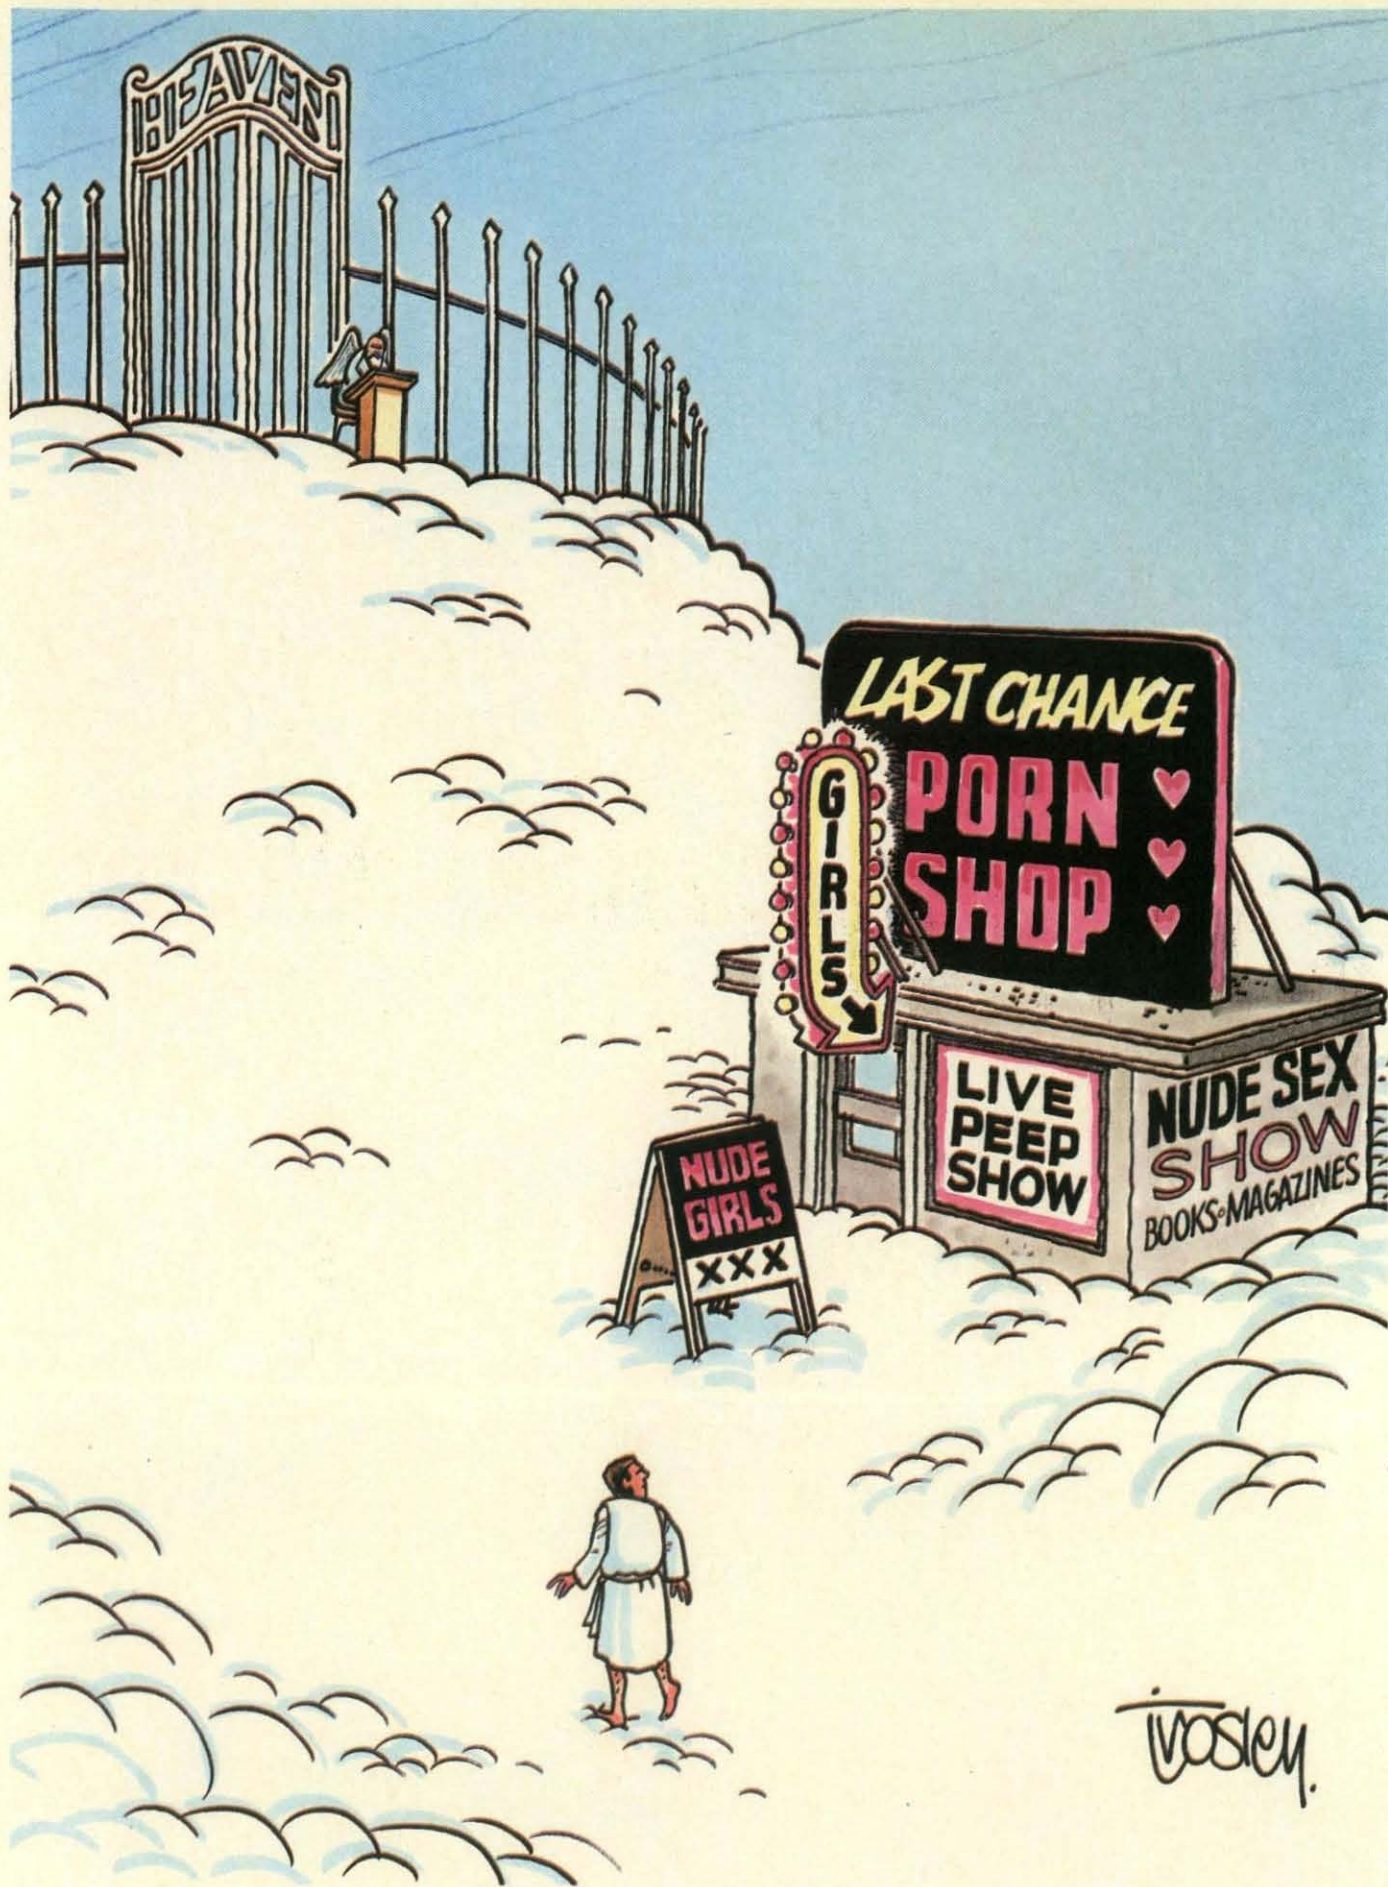

"Can I help you?" she asked. We were alone in the store.

"Sure," I replied, even though I knew exactly what I wanted. It was right at the end of the rack, but we spent a good 15 minutes pawing through the rest of the pants. Then another ten pulling out shirts.

My cock kept hardening when she'd bend forward, giving me a good look at her boobs—no bra, and her sizeable nipples flashed into view more than once.

She reached to tug down a shirt, and her jeans molded themselves like a glove around that delicious ass. She was obvi-

JAPANESE LOVE MOTELS

It's okay to enter any room with its door ajar. If you see one you like, just walk in.

It's the same old thing, right? You're in Japan and horny as a samurai's helmet. Finding a sexually adventurous partner is the first difficulty, but let's say you've found her. Of course, if you're willing to pay, it's as easy as walking into any of many bars, some restaurants and even a few barber shops or clothes boutiques. You might even be approached on the street. You could find a phone number on the side of a phone booth. Who knows?

So you manage to chat her up and get her nodding yes, yes, yes. Your pants are as tight as her skirt, and her lower lip isn't the only thing full of promises and dares.

Where can you go?

If you're in the military, you might consider the dorm room, assuming that your roomie's a decent sort. Not your thing, huh?

If you're Japanese, or living there as a resident alien, you might have

a place of your own, but more than likely it's not much—they don't call them rabbit hutches for nothing. At your place you'll probably have to decide which gets bruised, your head or your feet.

You might consider going to her place—if she's got one—but it won't be much better and might be much worse.

Hotels and motels spring to mind, sure—but you're probably thinking of a carbon copy flop-box featuring the same old decor-by-decree, right?

Wouldn't you rather find a place as hot as your intentions? A room with furniture designed to make sexual congress not only easier, but more exciting? A haven that encourages your wildest dreams to kick off their shoes and make themselves at home?

In Japan you can. They're called "love motels."

How do you spot one? For starters, love motels may look like fairy-tale castles at theme parks. They're often painted pink, chartreuse or other garish colors, and sculpted stucco transforms the exteriors of what would otherwise be walled-in compounds into the Japanese idea of romantic—or simply bizarre—architecture. They evoke childhood simplicity and fun.

You'll see turrets over some, while others sport sculpted animals or birds. Love motels often look like ice cream or cotton candy or fallen clouds. Many use English words in strange ways, such as *Motel Forever* or *Airplane Love*. Others have only Japanese ideograms.

Normally, there are two prices posted on a sign at the entrance (another way to recognize a love motel in case the architecture doesn't give it away). The lower is the hourly rate. The higher "stay" rate is for overnight. In the northern prefectures of the main island of Honshu, prices range from ¥1,500 to ¥5,000, or between \$7 and \$23. The closer you get to Tokyo, the higher the prices. If you're convinced that paying more is the only way to get your money's worth, however, press on to Tokyo.

Okay, you've found the love motel. Now, as your Eastern dove snuggles against your arm, you drive through the archway into a courtyard. Almost all love motels are set up this way. You'll see no one. In a moment a shadowy person will scoot out to place covers over your license plates. The protocol is to ignore this. Once your car's privacy is assured, proceed to the parking spaces, which are usually marked along the two-meter high wall that surrounds these places. Locking the car is optional, but be aware that crime is on the increase even in this gentle-mannered country.

Now find a room. It's okay to enter any with its door ajar. Poke around. You'll be amazed at the variety of styles and decor. If you see a room you like, just walk in.

Love motels, remember, are there to serve the guests, so feel at home. Relaxing is the main idea. You may smile or laugh aloud at some of the

After months on Western Canada's strip-club circuit, exotic dancer Holly was ready to flee the Great White North in favor of the sensuous tropical sun. Though this red-hot hooter-shaker may tire of winter chills and the day-to-day hassles of the tour, there is one thing she never wants a vacation from: having her terrific torso ogled by horny strokers.

HUSTLER happily obliged by photographing the built babe's island exhibition. "To be totally alone on this beautiful beach and still get guys off with my tits and pussy," says Holly, "now that's paradise!"

JAPANESE LOVE MOTELS (continued from page 34)

S&M is big in Japan, so don't be surprised if these popular rooms are hard to get into.

things you see; the Japanese have different ideas about how things should look. Some rooms will remind you of what you've always imagined lay upstairs in Miss Kitty's *Gunsmoke* saloon. Feel free to play with the stirrups on the bed or to ride the vibrating, and well-oiled, Western saddle with the unusual horn. Get a *long* little dogie, as it were—and get a laugh, too, if you switch on TV and see a Japanese teen in shitkicker garb crooning Roy Rogers songs with a dreadful Nippon accent.

The pressed paper cowpoke hats are probably complimentary, but everything you eat and drink is tallied on your bill as extras. This can get expensive. The snacks are often delicacies, and the drinks can be anything from Coke or Pepsi to imported whiskey older than your first pair of shoes and more costly than your last mistake. Leave any erotic

magazines behind, incidentally, or they'll be added to your bill. Inventories are detailed and precise.

Some rooms resemble suites spirited from Mississippi River paddle-wheel steamboats. There may be X-rated playing cards, sex-themed roulette wheels and maybe enough padding under the green felt on the pool table to make you really want to rack 'em up.

If S&M is your forte, look for a dungeon complete with brick walls, dangling manacles and other paraphernalia propped in dark corners. S&M is big in Japan, so don't be surprised if these popular rooms are hard to get into.

Another room has a circular platform, cushioned in red velvet, suspended over the bed. The hole in the center, and some turns to get it rotating, put a new spin on oral and coital adventure.

Brass cages suspended from the

ceiling—as if intended to cage the tiger in every man—contrast with the sheerest silks and smoothest satins. Bathtubs large enough for two, featuring anatomically correct faucets, may dominate a room. Mirrors abound, many with gilt frames, others rumored to be one-way camera blinds. Although they're almost certainly rumors, for some love motel clients sex might be just a little more fun if there's a chance that someone's eyeing the action.

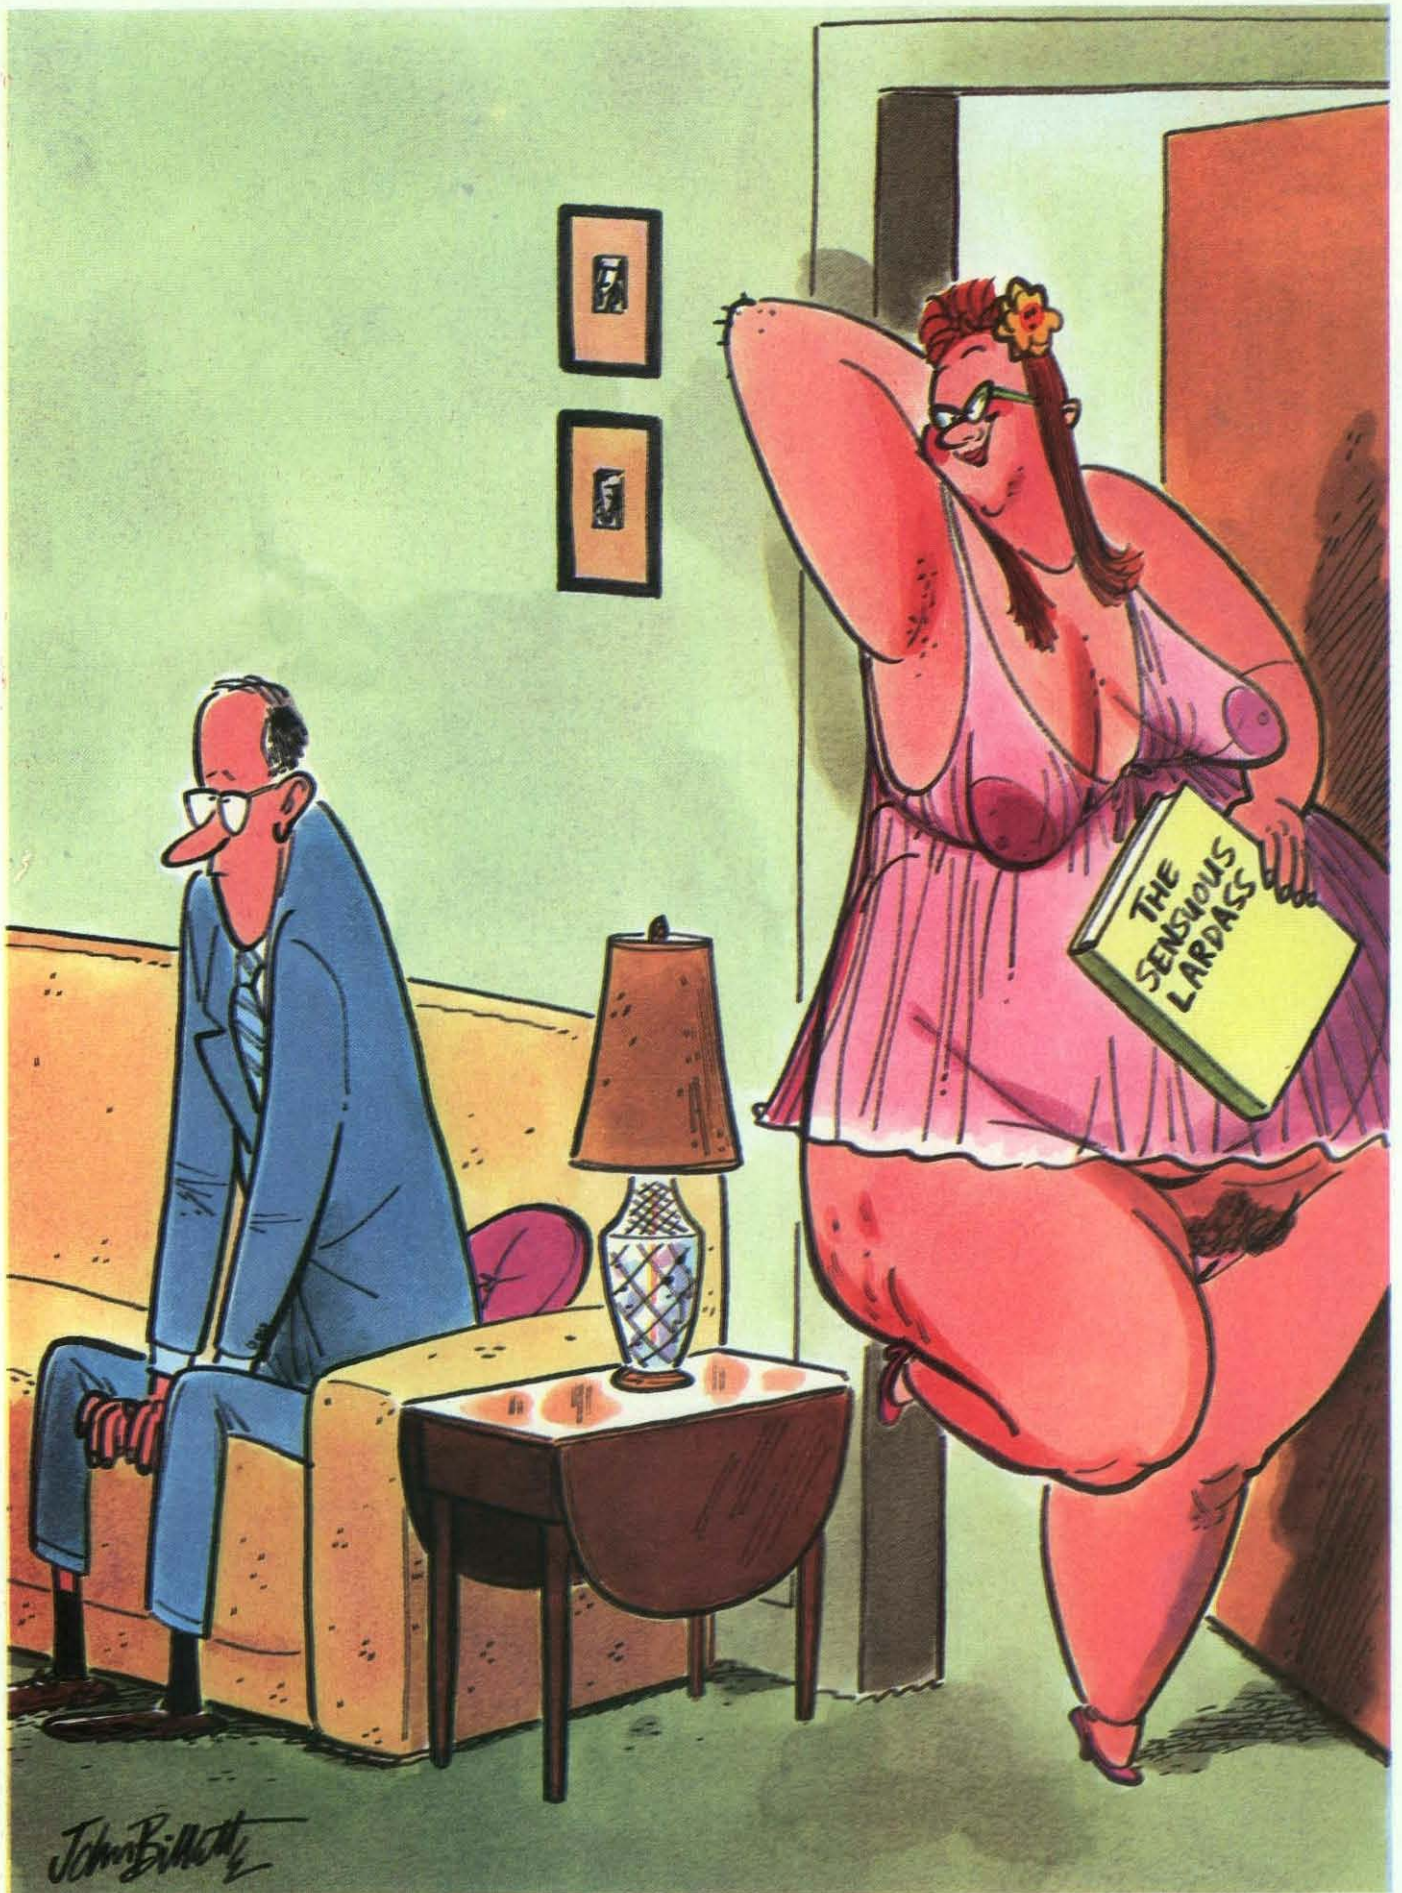

Of course, if you'd rather watch someone else, there are television sets in the rooms, and virtually any kind of erotic viewing can be called up with a wave of the remote controller. As with food and drinks, remember, the meter's always running. Let your plastic be your guide.

Special requests don't bother the proprietors. Room service is available, and most places offer everything from the basics to full-blown multicourse meals. They won't be served by a shy geisha, however. You'll hear a knock, and when you open the door you'll find what you ordered. . . and not a sign of who delivered it. It can seem a little spooky, the way you never see anyone, but that's really a main function of the love motel: discretion, privacy, anonymity.

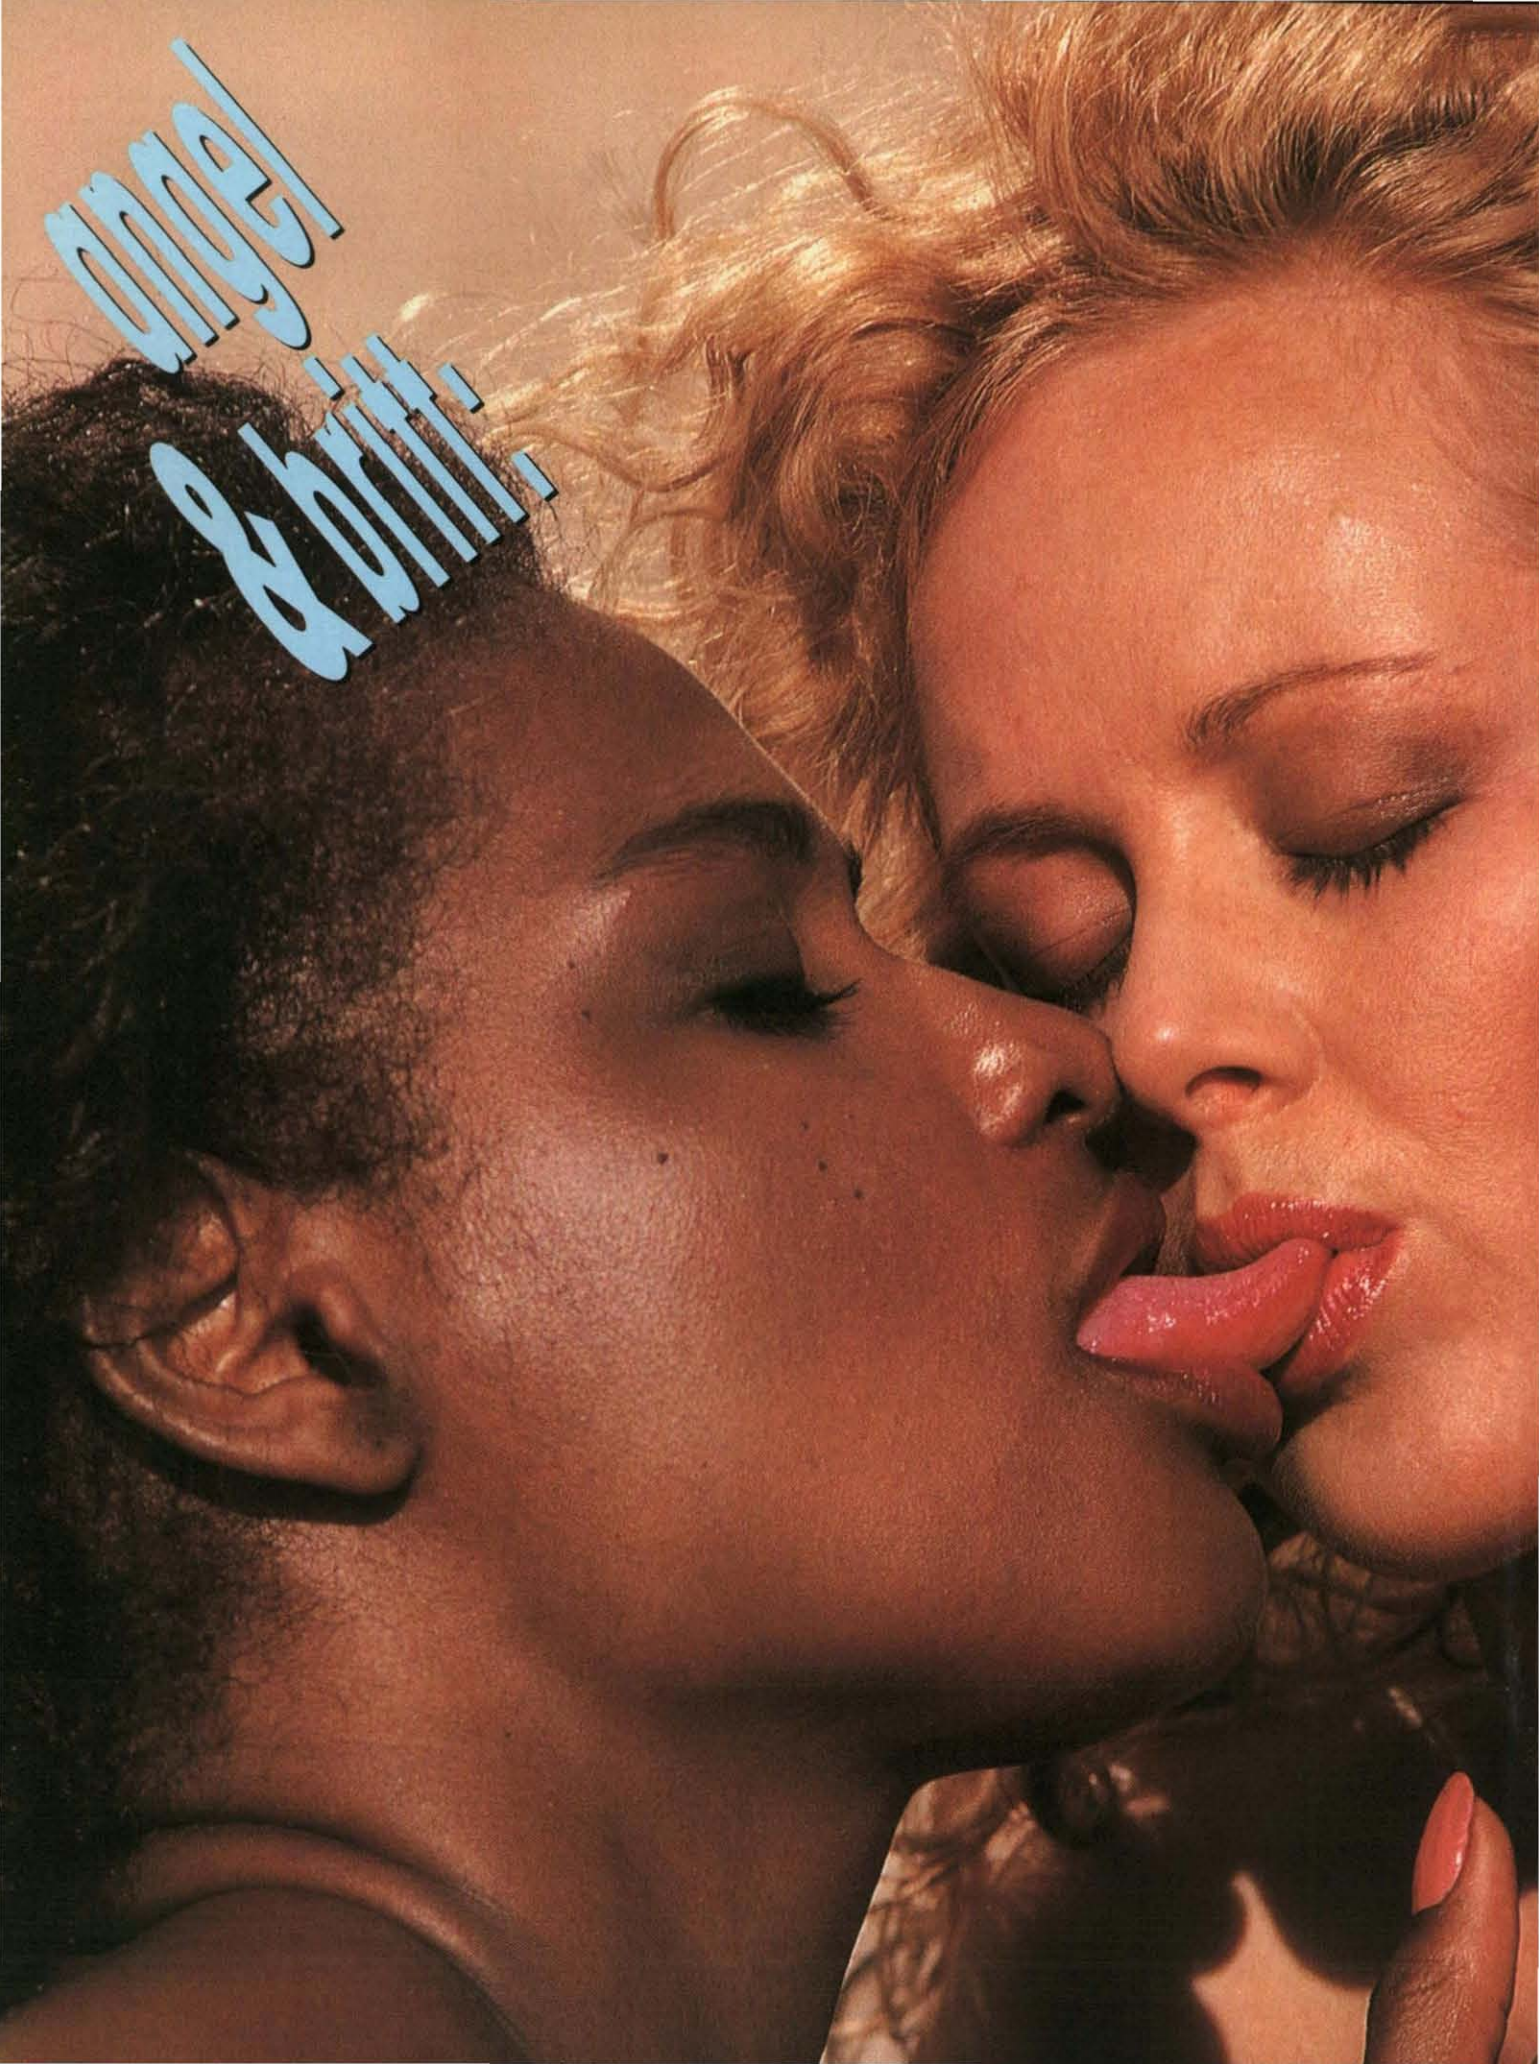

When you've shot your wad and are ready to leave, go to your car and drive to the exit. There's often a gate or a pike, but in any case, stop. The license covers will be removed. To your right—don't forget, the driver's side is on the right in Japan—you'll see a slot or a drawer similar to those that banks use at their drive-through branches. A ticket will appear, itemizing what you owe. Simply slip your payment into the slot or drawer. When the gate or pike is raised, drive away. Better than bored clerks leering at you, isn't it? And there's no embarrassment over registering under phony names. Privacy is respected in Japan. Enjoying sex isn't considered shameful and finding comfortable places to enjoy sex isn't difficult.

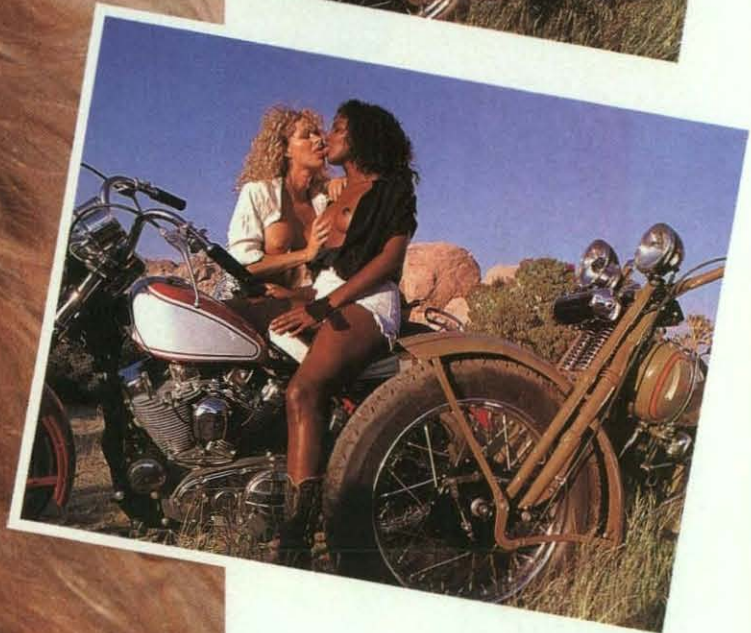

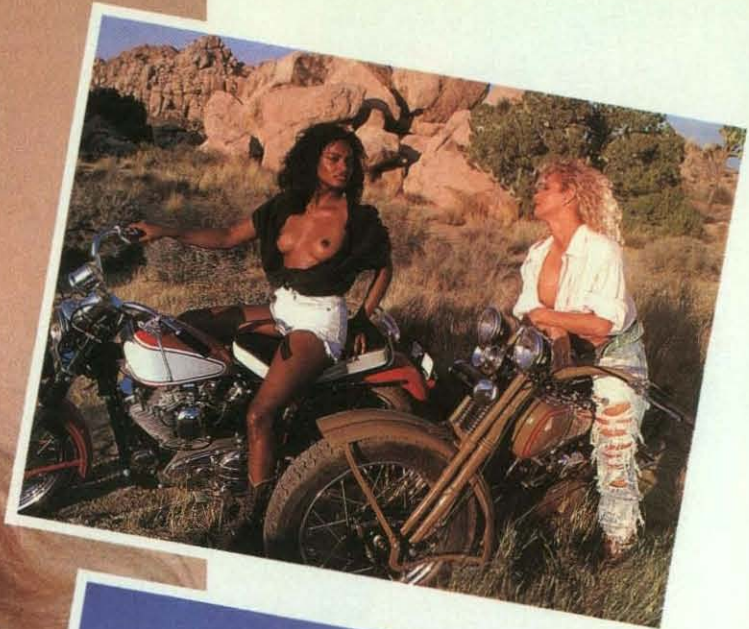

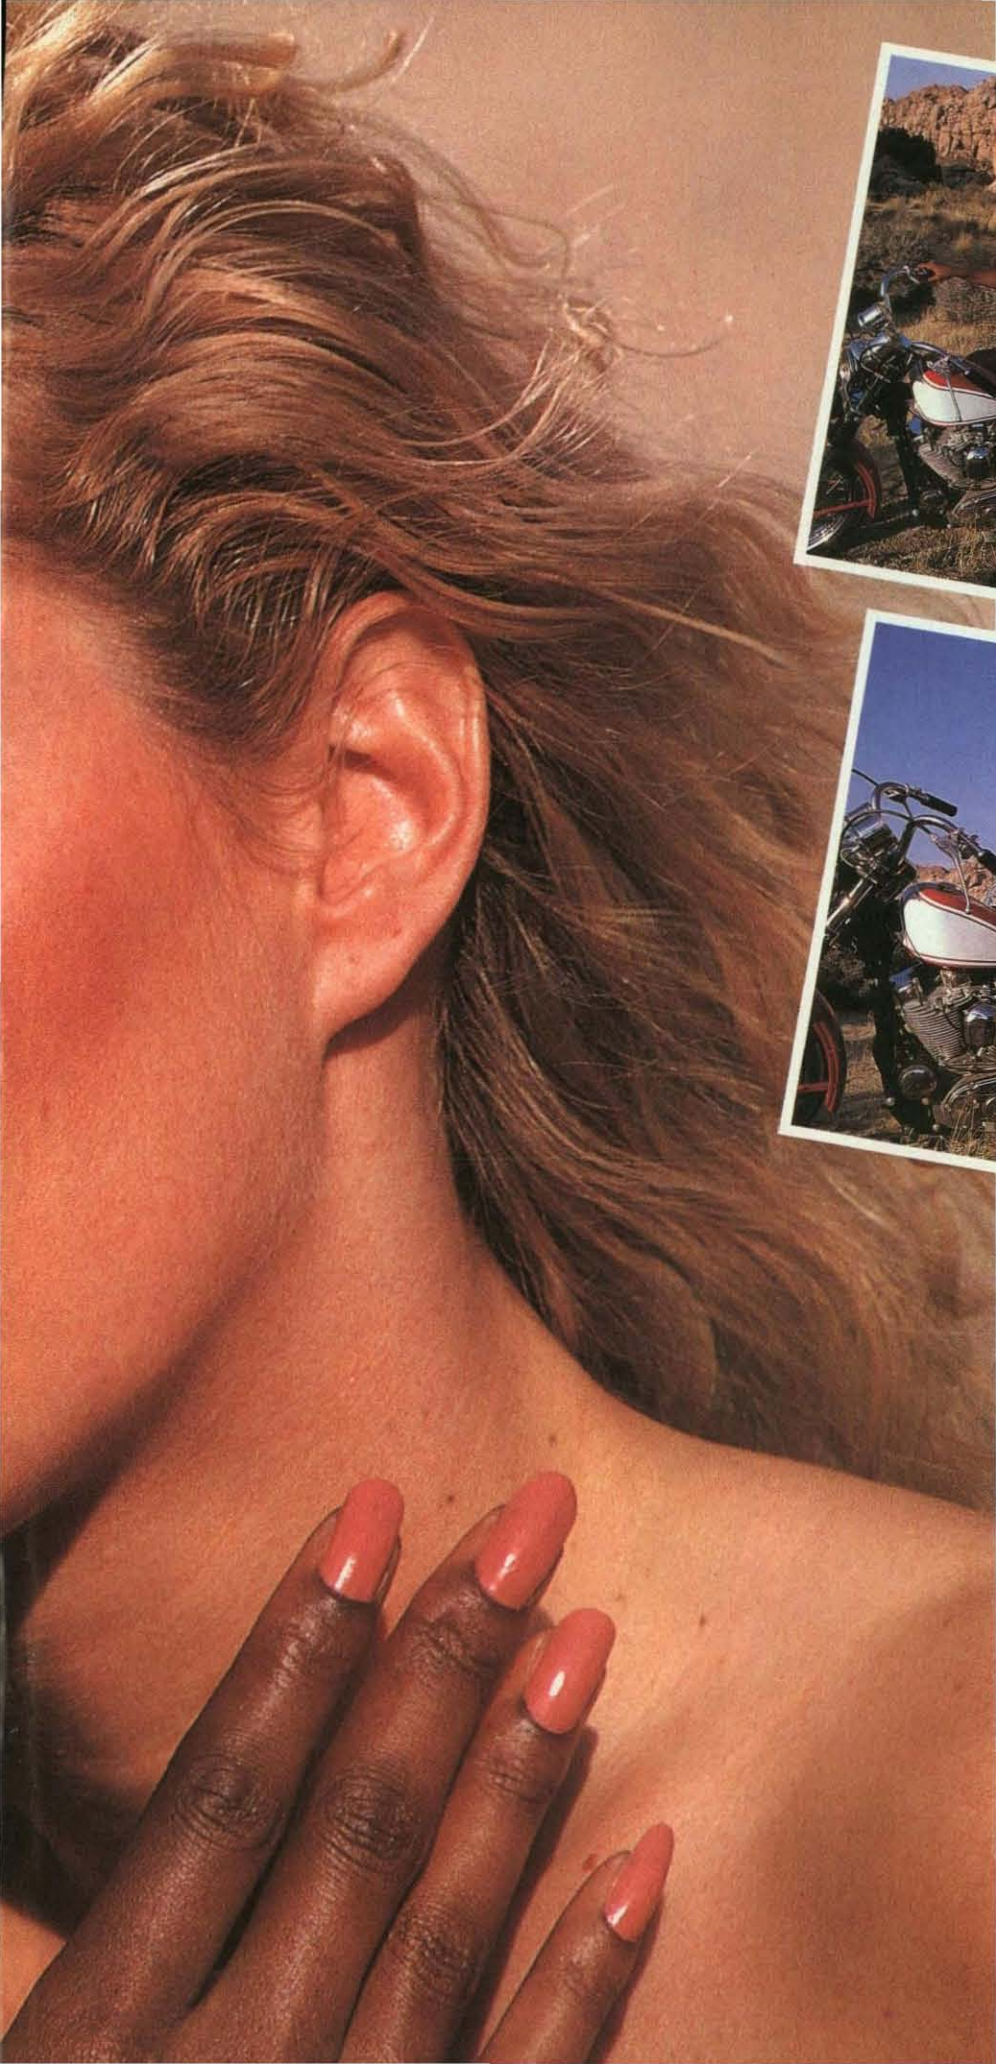

Men with a yen for something more than fast and furtive encounters could do a lot worse than to check out, or into, a Japanese love motel. Who knows? You may even want to bring your wife.

WHEELIN' AND SQUEALIN'

Photography by Matti Klatt

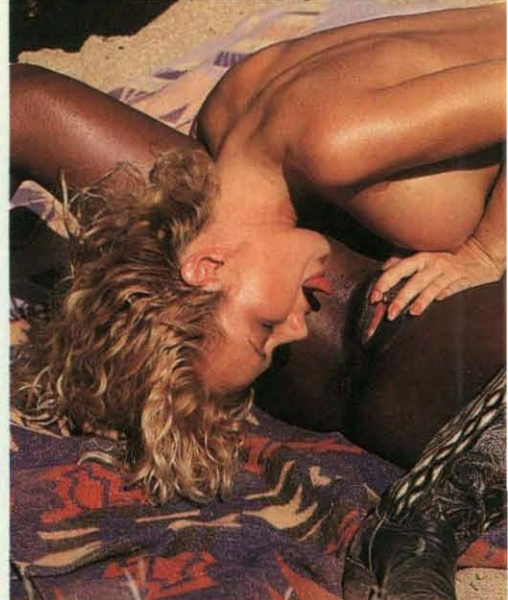

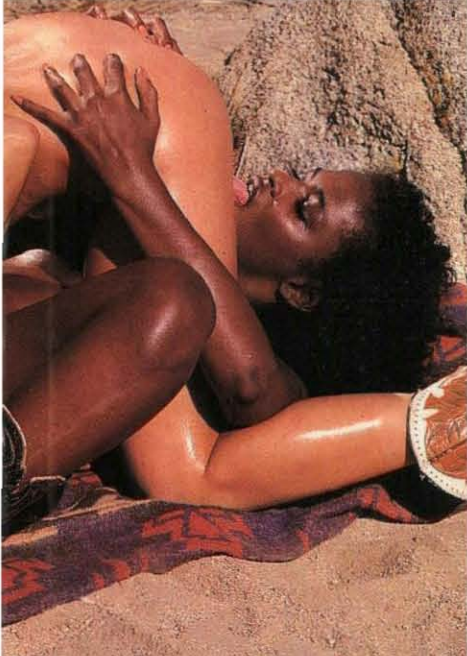

Angel Kelly and Britt Morgan in a remake of *Cycle Sluts From Hell*? No, just a leisurely day off for the two porn queens who felt lost without their legs wrapped around something stiff and throbbing even during their free time. Sure, they enjoy the thrill of the ride and the warm wind through their hair, but what gets these two out on the open road is the vibration of the leather seats against their squishy quims. Maybe that's why an afternoon away from it all usually turns into just another day on the set as they take turns feeding fur to each other. Well, what do you expect them to do on their day off, knit sweaters?

Her cunt lips hovered over my erect cock. She arched her back, thrusting a tasty tit into my mouth.

ously not wearing any panties, and the fabric ran deep in the cleft of her butt. It took all my self-control to keep my tongue in my mouth.

"Dressing room behind the curtain," she said. Two other customers had briefly drifted in and out of the door. The store was empty again.

I had shucked off my pants and was unbuttoning one of the shirts when her voice came from the other side of the curtain. "Can I help?"

I started to say no, but the curtain whipped aside. She stood there completely nude. Out of her big, brown areolas, her nipples peered in expectant erection.

Anything I might have said was made pointless by my cock. Quivering in instant hardness, it shoved its way past the elastic waistband of my briefs. Its exposed head was swollen and purple.

"Yes, definitely, you need some help here," she said, eyeing my pecker stretching past the top of my briefs. She was almost drooling as she stared at my meat growing huge before her.

"I knew you were big," she said. "After

being in the business this long, I can spot the whoppers." I blushed.

"The advantage of being the owner," she added, gliding on quiet, bare feet up to me, "I just locked the door and put the closed sign in the window."

I leaned forward and ran my tongue around her lips. Then I thrust it inside her open, panting mouth, tickling and licking the roof. Her hand tightened around my ass, and she pulled me toward her, slamming her pussy against my hungry crotch.

I let my hands drop down from her boobs, across her flat belly and deep navel, and around to the fullness of her buns. I clasped both ass cheeks and squeezed them tightly.

I worked my fingers down and in, finally running the tips along the furrow, over her asshole and up to her wet cunt. I wet the middle finger of my left hand in her juice and ran it back to her assbud. I probed until I worked the finger in, and then began to pump. She buried her mouth in my shoulder to muffle her rising squeals. Both her hands tugged at my cock. I thought she was going to pull

it right out by the roots—balls and all.

I pulled my fingers out of ass and cunt and sat down on the triangular seat nailed into one corner. I guided her along. With legs spread, she rested on her knees astride me.

Framed by her slick snatch, her cunt-lips hovered over my erect cock. I played with her clit, and she arched her back, thrusting a tasty titty into my mouth.

After sucking her nipple, I put my hands on her hips and firmly shoved her down, impaling her on my throbbing prick. As her legs slipped farther to the side, the slippery tunnel of her cunt slid down the length of my cock until her crotch hit my lap. I reinserted my finger into her browneye, running my thumb along the juice-slicked strip between cunt and anus. Saliva trickled from her open mouth as she moaned in violent ecstasy.

She matched the push and pull of my hands by lifting up and down on her knees. As she came down, I thrust up with my hips and pulled down with my right hand. At the same time, I pumped her ass vigorously. She was a tight fit on my twitching titan rocket, but she thrust gamely with me.

She had to bury her mouth in my shoulder again to keep her rising screams from filling the store and echoing into the street. Suddenly she arched her back, bringing her tits crashing into my chest. My prick exploded, sending spurt after spurt of jism into her. The walls of her cunt contracted spasmodically, milking me dry.

For a time, she rested her head on my shoulder, her cunt still firmly planted on my cock. Her feet dangled over the floor, her toes curling and uncurling with the after-ecstasy of her coming.

She finally got up and resumed her salesgirl role. After unlocking the store doors, she picked out pants that fit my blessed loins perfectly. She really does know her business.

HOT AUGUST NIGHT

It was a hot, sticky summer night. My boyfriend, Ted, lay naked on the bed under the whirling blades of the ceiling fan. Since he was resting ass-up, I was free to let my eyes wander over his delightful build as I undressed for bed. When I was nude, I let more than my eyes do some wandering. The hot night got hotter.

"What an incredible ass," I said. Of course, I'd told him that a thousand times. It's one of those tight, curved fuck-pumpers packed with muscles that are always ready for hot loving. I grabbed his firm butt cheeks in both hands and

kneaded them sensuously, enjoying the way his dark, curly hairs tickled my palms. Flopping down onto my belly, I bucked the full globes of my 38Ds against the back of his thighs.

"Oh," he groaned, "it's too hot to fuck." I knew he wasn't serious. I wet one finger by sticking it in my mouth. Then I ran it down the crack of his ass. He sighed softly as I tapped it against his browneye. Spreading his ass cheeks apart, I treated myself to my first good look of the evening at his hairy hole. Then I leaned forward and brushed my tongue softly across its surface.

"Hey!" he said. "What are you doing?" I let my tongue answer his question as I spiraled it softly into the first half inch of his beautiful rectum. His ass cheeks wobbled a little around my face as I began to lick him in the most intimate way I knew how.

Suddenly, Ted flipped over. Instead of rimming ass, I was sucking on the erect lollipop of his 6 1/4" cock. As I've told him time and time again, it's the perfect length for ass-fucking. If it was any longer, I wouldn't be able to take it all

down. If it was any shorter, I wouldn't be completely filled.

"Damn you, now you've got me all excited." But he didn't sound very upset. In fact, his words came out in short hard puffs of desire that told me he'd forgotten all about the heat. Our own private heat wave was the only thing of interest to him now.

I slobbered liberally all over his shaft, shining up his cock until it gleamed with my abundant saliva. Then I turned around and got on all fours in the center of the bed.

I flopped down so that my upper body was balanced on my chin, freeing my arms to reach back and spread my ass cheeks as wide as could be. Looking over my shoulder, I gauged his reaction to my body language. I was treated to the wondrous sight of his cock twitching like it had just been wired for electricity.

"Fuck me up the ass," I hissed. "Your cock was made for my butt."

He quickly moved forward, mounting me with the rough, obsessive passion of an untamed animal.

I whimpered a little as he positioned

the head of his cock at the twitchy entrance to my asshole. It was still nice and wet from my tongue-bath, so it slid right in without a hitch. I shivered, crying out softly as he plunged his pole past the tight ring of my sphincter muscles.

"Yes, fuck my ass. Fuck it. Fuck it!" I chanted. I had no control over my words as I spouted my instructions like a sex-crazed whore. All I could do was yield to the delightful feeling of Ted's humongous cock doing its fuck-dance deep inside my rectum. "That's right, baby. Shove it in and pull it out. Shove it in and pull it out. Faster!"

We quickly fell into a natural rhythm, with Ted pushing in and out of my asshole in long, strong strokes that drove me clear out of my skull. My hands slapped wildly against the mattress as he continued to slam his cock into me. It was such a tight fit, I could practically feel the thick, blue veins sticking out of the sides of his shaft.

Suddenly, I forgot how to say anything, even the simple stuff like "fuck" and "ass." All I could do was grunt and groan. The head of his cock seemed to be pressing some kind of magic button. I felt as if I had a second clitoris way up high in my asshole. As for my first clitoris... well, I was so excited, I had grabbed one of Ted's hands and pressed it hard against that sensitive nubbin of sexual nerves. As soon as he touched me there, all the rockets went off. I felt the oozing jam trickle out as I exploded in my first orgasm of the night.

It wouldn't be the last.

Now Ted, too, was groaning under the weight of pre-orgasm. I don't know where he found the control to keep from spurt-ing then and there. Somehow he managed to keep stroking in-and-out, in-and-out. My hips rotated so fast underneath his ass-fucking love tool that I wouldn't have been surprised if my wild pucker dragged the cum right out of his erection. All I could do was shudder orgasmically around Ted's incredible prick. The strong muscles lining my buttock gripped him tighter and tighter as I reached peak after peak of enjoyment.

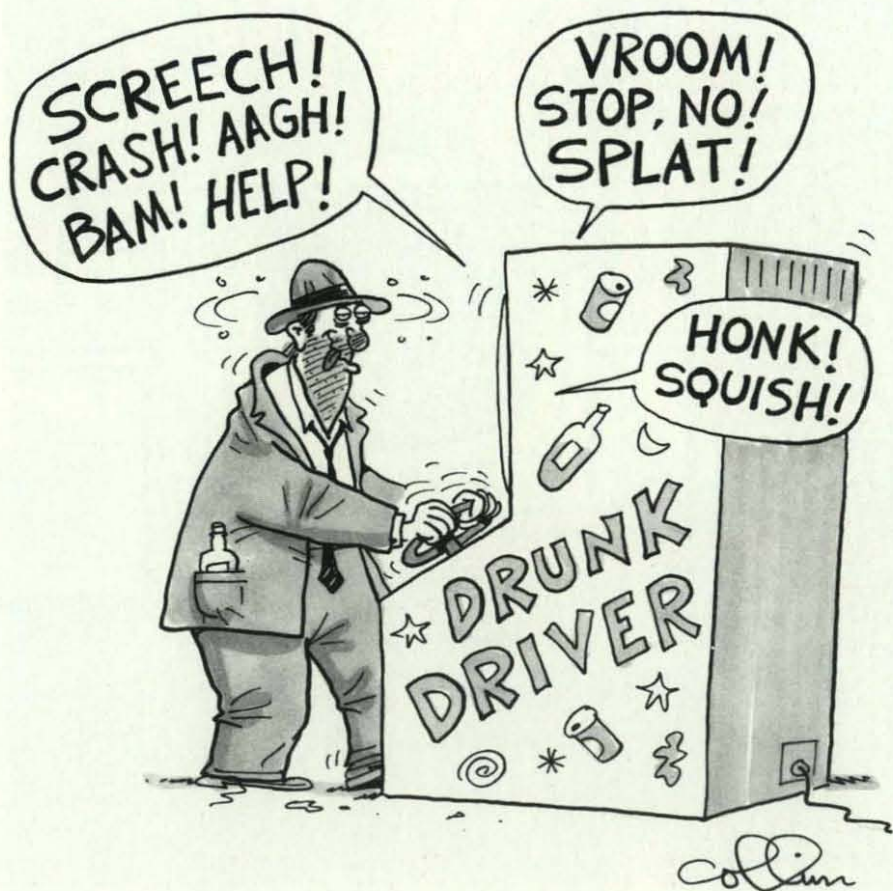

Suddenly, Ted went rock hard all over, freezing in the middle of a fuck stroke. Then he slammed his cock forward so that my ass cheeks were crushed against his groin. Wow! I could feel him shoot his stuff hot and high into my hungry asshole—what seemed an endless stream.

If your man says he doesn't feel like fucking, turn around and assk for it. It always works for me.

BIGGER, BETTER AND BACK!

Pornstar Interview
by Larry Furst

For a brief period at the dawn of porn's video age, there seemed to be a sex superstar for every male fantasy. One turned out to be underage, two were blond—both surnamed Lynn—and one was Christy Canyon. She burst onto the X-rated scene with a fresh, young face, a sizable chest (her own), an hourglass figure and offered sex performances replete with whimpers, moans, groans and an enthusiasm that commanded attention and hard-ons from smut fanciers everywhere. Her popularity was instantaneous and as immense as her bustline. Christy performed in over 50 hardcore videos and films in the nine months she worked in the adult entertainment industry (her more notable efforts include *Black Throat*, *Battle of the Stars*, *WPINK-TV*, *You Make Me Wet*, *Savage Fury*, *Swedish Erotica #58*, *Educating Mandy*, *Perfect Fit and Wild Things*). She got out while the gettin' was good, and four years later surprised everyone with the announcement of her return to sexvids in Video Exclusives' *Christy Canyon Is Hot in the City*. Interviewer Larry Furst, tape recorder in hand, trekked deep into Los Angeles' San Fernando Valley—Porn Valley, as it's known in the biz—to ask one of the sweetest young things to hit the skinflick bigtime why she's chosen to return for another round of rutting and reaming.

HUSTLER: What are your measurements?
CHRISTY CANYON: You know, I've never had my measurements taken. I know that my chest size is 36D, but I don't know what my hips or my waist are.
HUSTLER: Were you an early bloomer?

CANYON: God, yes! It happened when I was 11. This other girl and I were the only ones who had breasts. I've always had a large chest. And they're really sensitive too. I've never come from breast stimulation, but I've been real close. I get that really hot and wet feeling. Directors really play them up in the videos because they're big and real. My breasts don't have stretch marks, and they bounce on their own. They don't just sit there like the silicone ones do.

HUSTLER: What do you think your sudden popularity was due to?

CANYON: Well, first of all, I have a de-

cent body. I'm fairly good-looking for the business. And I was in *HUSTLER* and *Penthouse* first. So that helped me take off. And my chest size certainly didn't hurt. Plus, I always had a good attitude. There are so many girls who absolutely hate what they're doing. They just loathe what they do. They're in it for the money. I've always enjoyed it. It's fun and different.

HUSTLER: When you were young did you ever envision yourself getting into this business?

CANYON: Never! Before I started as a performer I had only watched one porn film. I'll never forget it. It was Hal Freeman's *Valley Girls*. I was over at a guy's house. I felt so young at the time.

HUSTLER: How old were you when you started in porn?

CANYON: I had just turned 18. There are all these stories about how I got into the business. The real truth is... I was living in Hollywood, and I was

waiting for a girlfriend to pick me up at this bus stop. I didn't have a car at the time, or it was broken, or something like that. This guy pulls up in this brand-new white Trans Am. He gets out and says, "God, you're so pretty. You've got such a great body. How would you like to make a lot of money?" I said, "I don't even know your name!" And he says, "I'm Greg Rome," like I should know who he is. He gave me a card from Jim South's modeling agency and went on to say, "It's figure modeling. There's some nudity, but nothing else. No sex or that kind of

HUSTLER HUMOR

A man walked into his daughter's bedroom to say hello and was shocked to see her playing with a vibrating dildo. "Honey, what are you doing?" he asked.

"Daddy," his daughter answered, "let's face it. I'm 45 years old, fat and ugly, and I haven't had a date in 15 years. This is the best I'm going to do." Her father walked away with tears in his eyes.

The next day, the daughter went home and found her father watching TV with a beer in one hand and a vibrating dildo in the other. "Daddy," she asked, "what are you doing?"

"Well, honey," he replied brightly, "I thought I'd have a beer with my son-in-law."

There wasn't much social life in the small Southern town, so when the new schoolteacher was invited for dinner at the apartment of another female teacher, she finally got up the courage to ask, "What do you do for sex around here?"

"I'll show you," the older teacher replied. She whistled and a Great Dane bounded into the room. She lifted her skirt and the Dane began lapping furiously at her cunt. After a while, the dog got a hard-on and tried to mount her. The teacher slapped him hard and ordered him out of the room.

"I don't understand," the younger woman said. "His prick looked so big and inviting. Why didn't you let him fuck you?"

"Are you kidding?" replied the schoolteacher. "With all those kids I work with every day, the last thing I want to do when I come home is deal with puppies!"

The HUSTLER Dictionary defines *flammable liquid* as: the running clap.

A woman wearing a hat was crossing the street in Chicago when a terrific wind blew her skirt up above her head. She had no panties on, but instead of grabbing her skirt, she grabbed her hat to hold it on.

A young man walking by asked her why, with no panties on, she would grab for her hat before trying to hold down her skirt.

"Young man," she replied, "what's under that skirt is 50 years old. This hat is brand-new!"

With *glasnost* as her guide, a Soviet teacher was explaining religion to her third-graders. She described creation, the Garden of Eden, Adam and Eve being brought naked into the world, the apple and the serpent and the expulsion from the garden. When she finished speaking, the teacher asked, "Class, what kind of people were Adam and Eve?"

A little girl in pigtails raised her hand.

"Yes, Anna?" asked the teacher.

"They were Russians," replied Anna.

"And how do you know that?" the teacher asked, smiling with pride.

"Well," said Anna, "they had no food, no clothes, no place to live, and they thought they were in Paradise!"

Question: What do you get when you cross a chick with a pit bull?

Answer: PMS.

A man went into a pet store to buy an unusual Christmas gift for his wife. The clerk showed him many animals, but nothing out of the ordinary. Finally, he showed him Chet, a common green parrot.

"What's so special about him?" asked the man.

The clerk produced a cigarette lighter, lit it under the bird's wing, and the bird began to sing "Jingle bells, jingle bells..." He then moved the lighter under the bird's other wing, and the bird began to sing "Silent night, holy night..."

This was enough for the man, who purchased the parrot and took him home. Then he began to wonder if the bird could sing anything else. He lit his lighter and held it under the bird's crotch. The bird began to sing "Chet's nuts roasting on an open fire..."

Question: What's the difference between an oral and a rectal thermometer?

Answer: The taste.

A hunter, napping in his tree blind, was awakened by a gunshot. Looking down, he saw that his campsite neighbor had downed a bear. To his astonishment, the man dropped his pants and began to fuck the freshly killed animal.

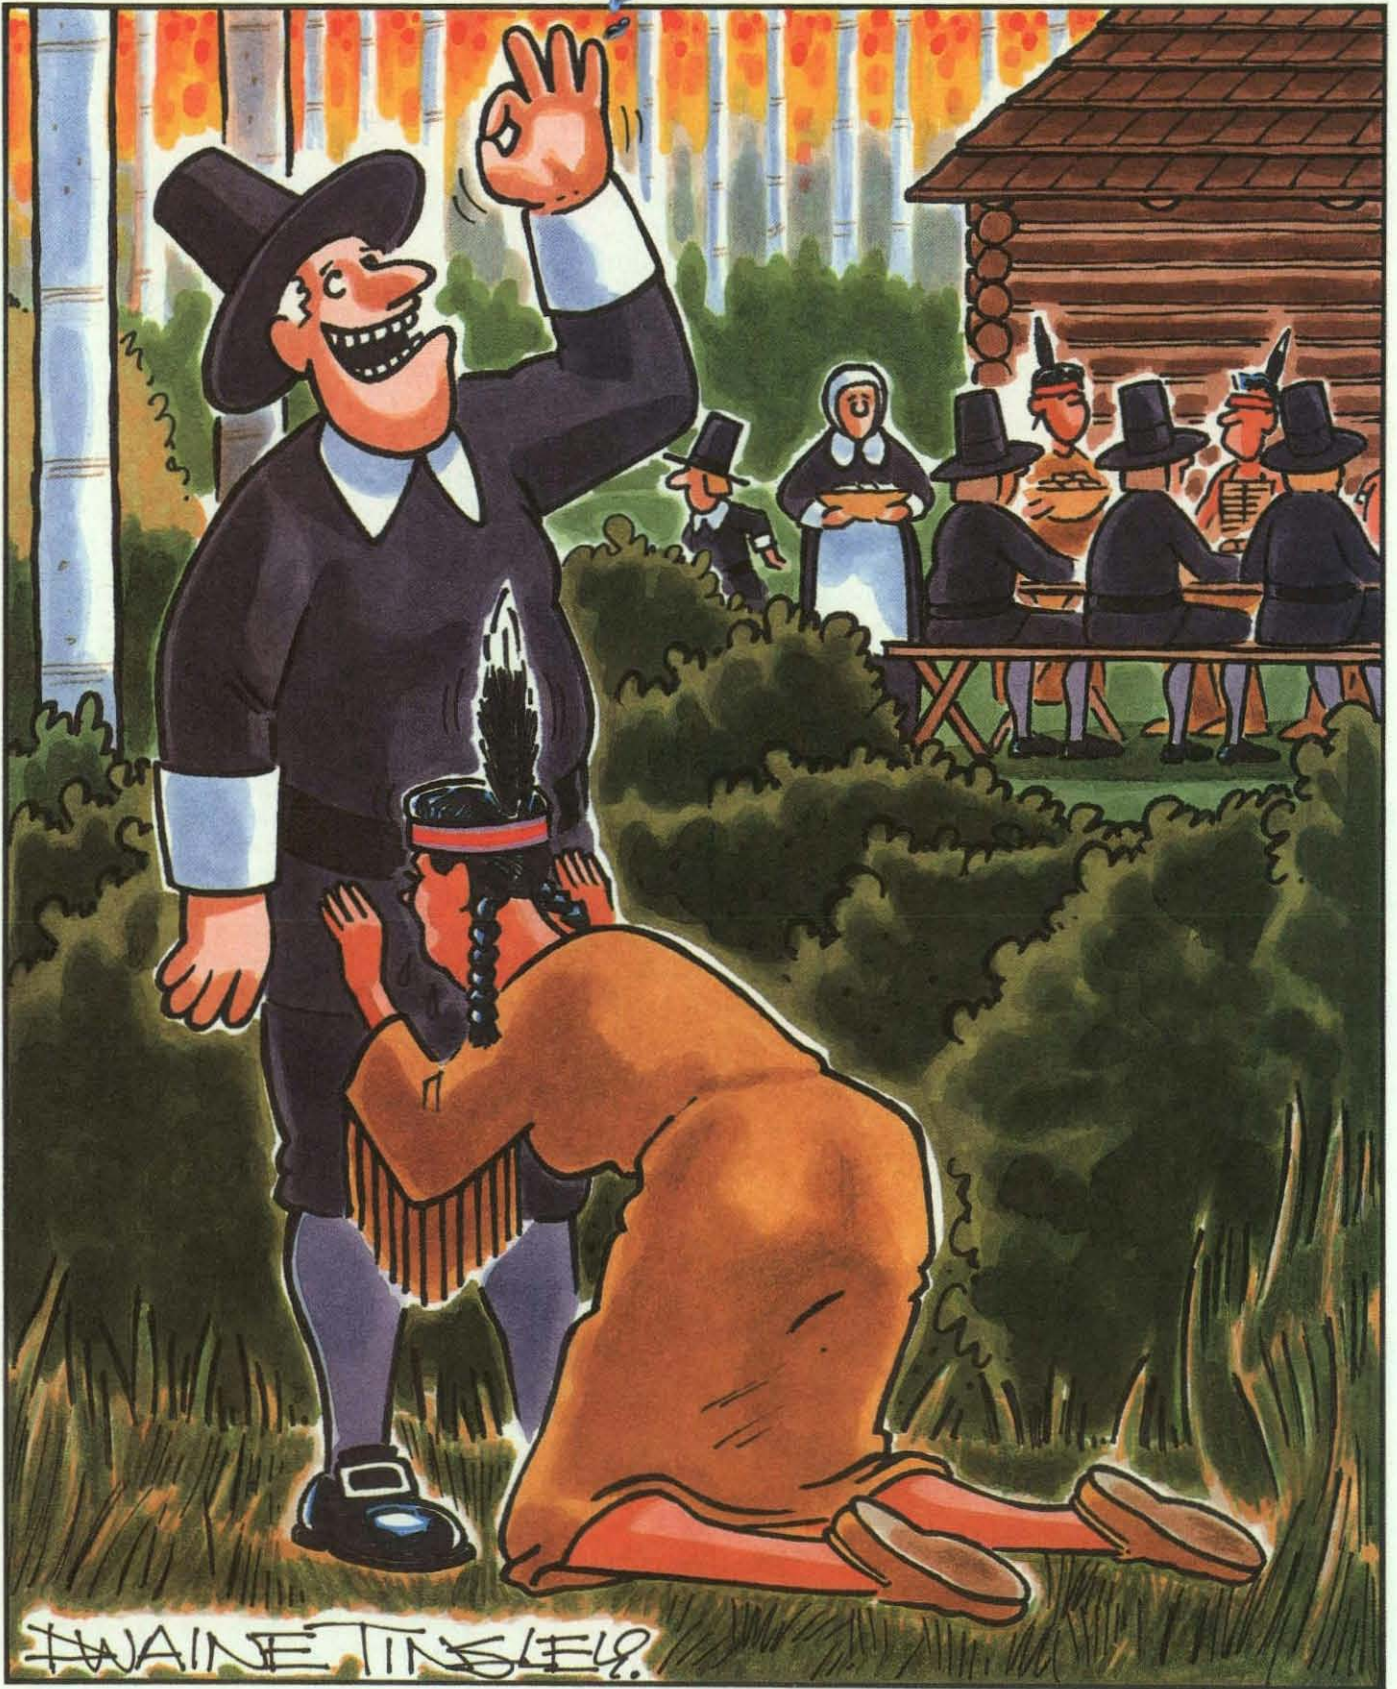

"Hot damn!" the observer bellowed. "Wait'll the fellas back at camp hear about this, you pervert!"

The other hunter calmly cocked his rifle, took aim at the hunter in the tree and asked, "You ever fucked a bear?"

"Uh, no—" said the hunter in the tree. "But," he quickly added, "I've always wanted to!"

"Thank thee, Lord, for this which she is giving!"

"I thought, Okay, I'll just give it a try. \$500! Gosh, I can pay this off and that off."

thing." I took the card thinking, *I'll never call*. But I never threw the card out because I was 18 and was working three different menial jobs just to get by. I couldn't afford my bills. One day I was down to five dollars in the bank. My rent, car, insurance—everything was overdue, and my phone was going to be turned off. So I found the card and gave a call. I went in two days later, and Jim had me working the next day. And I worked for nine months straight after that. I did still shoots for about two months. Then I had a two week break. The next time I went back to work to do stills there were video cameras everywhere. I called Jim South to find out what the hell was going on. He said, "You know, darlin', I told you it was a video shoot." There was no way I would have ever done it had I known. He pressured me, and I thought to myself, *Okay, I'll just give it a try. \$500! Gosh, I can pay this off and that off*. I hated it! Everything on the set was really dirty, and afterwards I felt really dirty. And the scene was with Ron Jeremy. Ickkkkk! It was really tough. I had just turned 18, and I had only been with a few guys. I called Jim and told him

I hated it, that it was the worst experience of my entire life. He said, real calmly, "You know, darlin', you've got to do one tomorrow. You're already signed up. The shoot's been booked. After this, if you don't like it, I won't get you anymore work." I thought, *Okay, I'll do one more and that's it. If I don't like it, I'll just leave*. I got there, and it was for Paradise Visuals, and the producer was a guy that I would end up having a relationship with. It was so different, like 180 degrees different. It was great. All the really good people were there: Traci, Ginger, Peter North, Tom Byron. It was just *sooo* different. I really found myself getting into it. And the rest is history, I guess. But the first time, man, it was hot, they were running ten hours behind schedule, the people were *ugh!* I wondered if this is what everybody I was supposed to work with was like. After the first time it was different. Nothing was ever as bad as the first time. That was the absolute worst.

HUSTLER: *You worked quite a bit with Traci Lords, and the two of you were friends at the time. Did you know she was underage?*

CANYON: Oh, no! God, no! That girl

knew more about sex than the whole porn industry put together. I never would have guessed it. But I knew that she was a compulsive liar. One day she would say she was born in New York, then the next week I would hear her say she was born in Las Vegas. Her story was always changing. I just thought she was a complete liar. Nobody thought she was trying to cover her tracks and couldn't remember. I guess we all thought she just didn't want her parents to find out. She was really nice. We would go out once in a while, but she would never let anyone go to her place. She would always meet you somewhere. She never really talked about her family. Traci kept everything really light all the time. She wasn't one of those friends you could call at two o'clock in the morning for help. Traci and I were about as close as friends get in this business, which isn't very close.

HUSTLER: *A lot of the girls in the business are bisexual. Ginger and Amber sure were. What about you?*

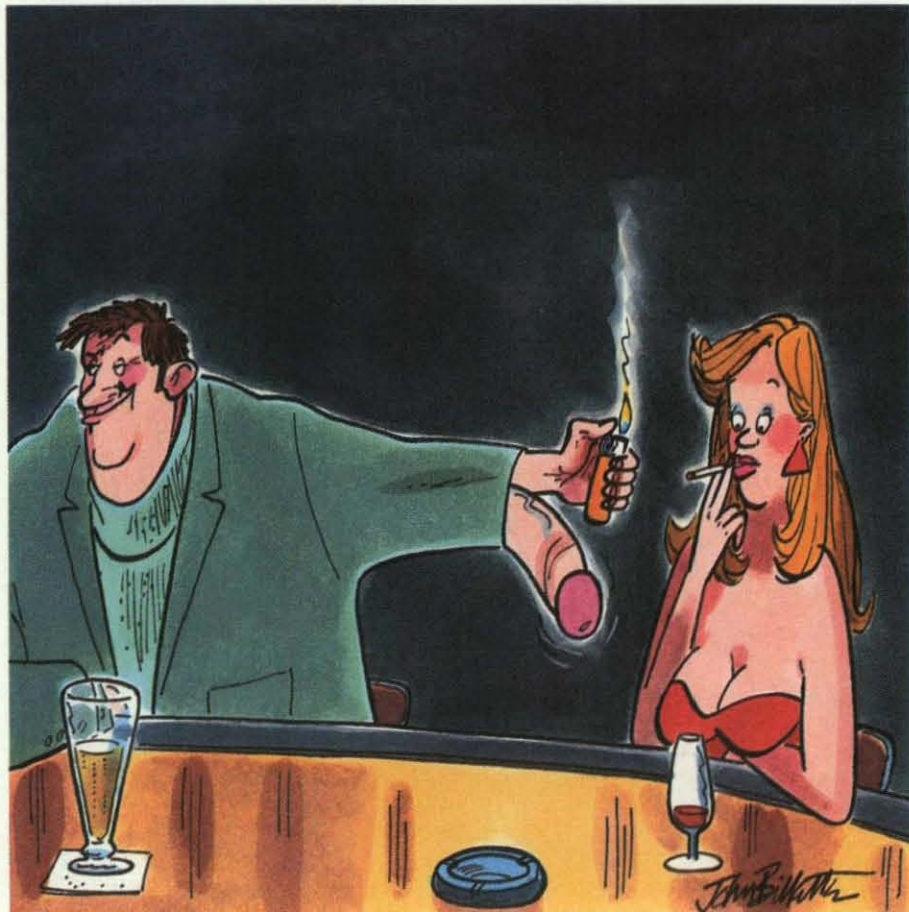

CANYON: I'm not at all. It's fun at work because it's something I don't do in my personal life. When I do it on video, it's like acting out something that's a curiosity to me. I never go out and think, *Ooooh, that girl is really pretty. I'm gonna pick her up*. If it happened, it's not like I would be opposed to it, it just hasn't happened. Being with a girl is not the main objective in my sex life.

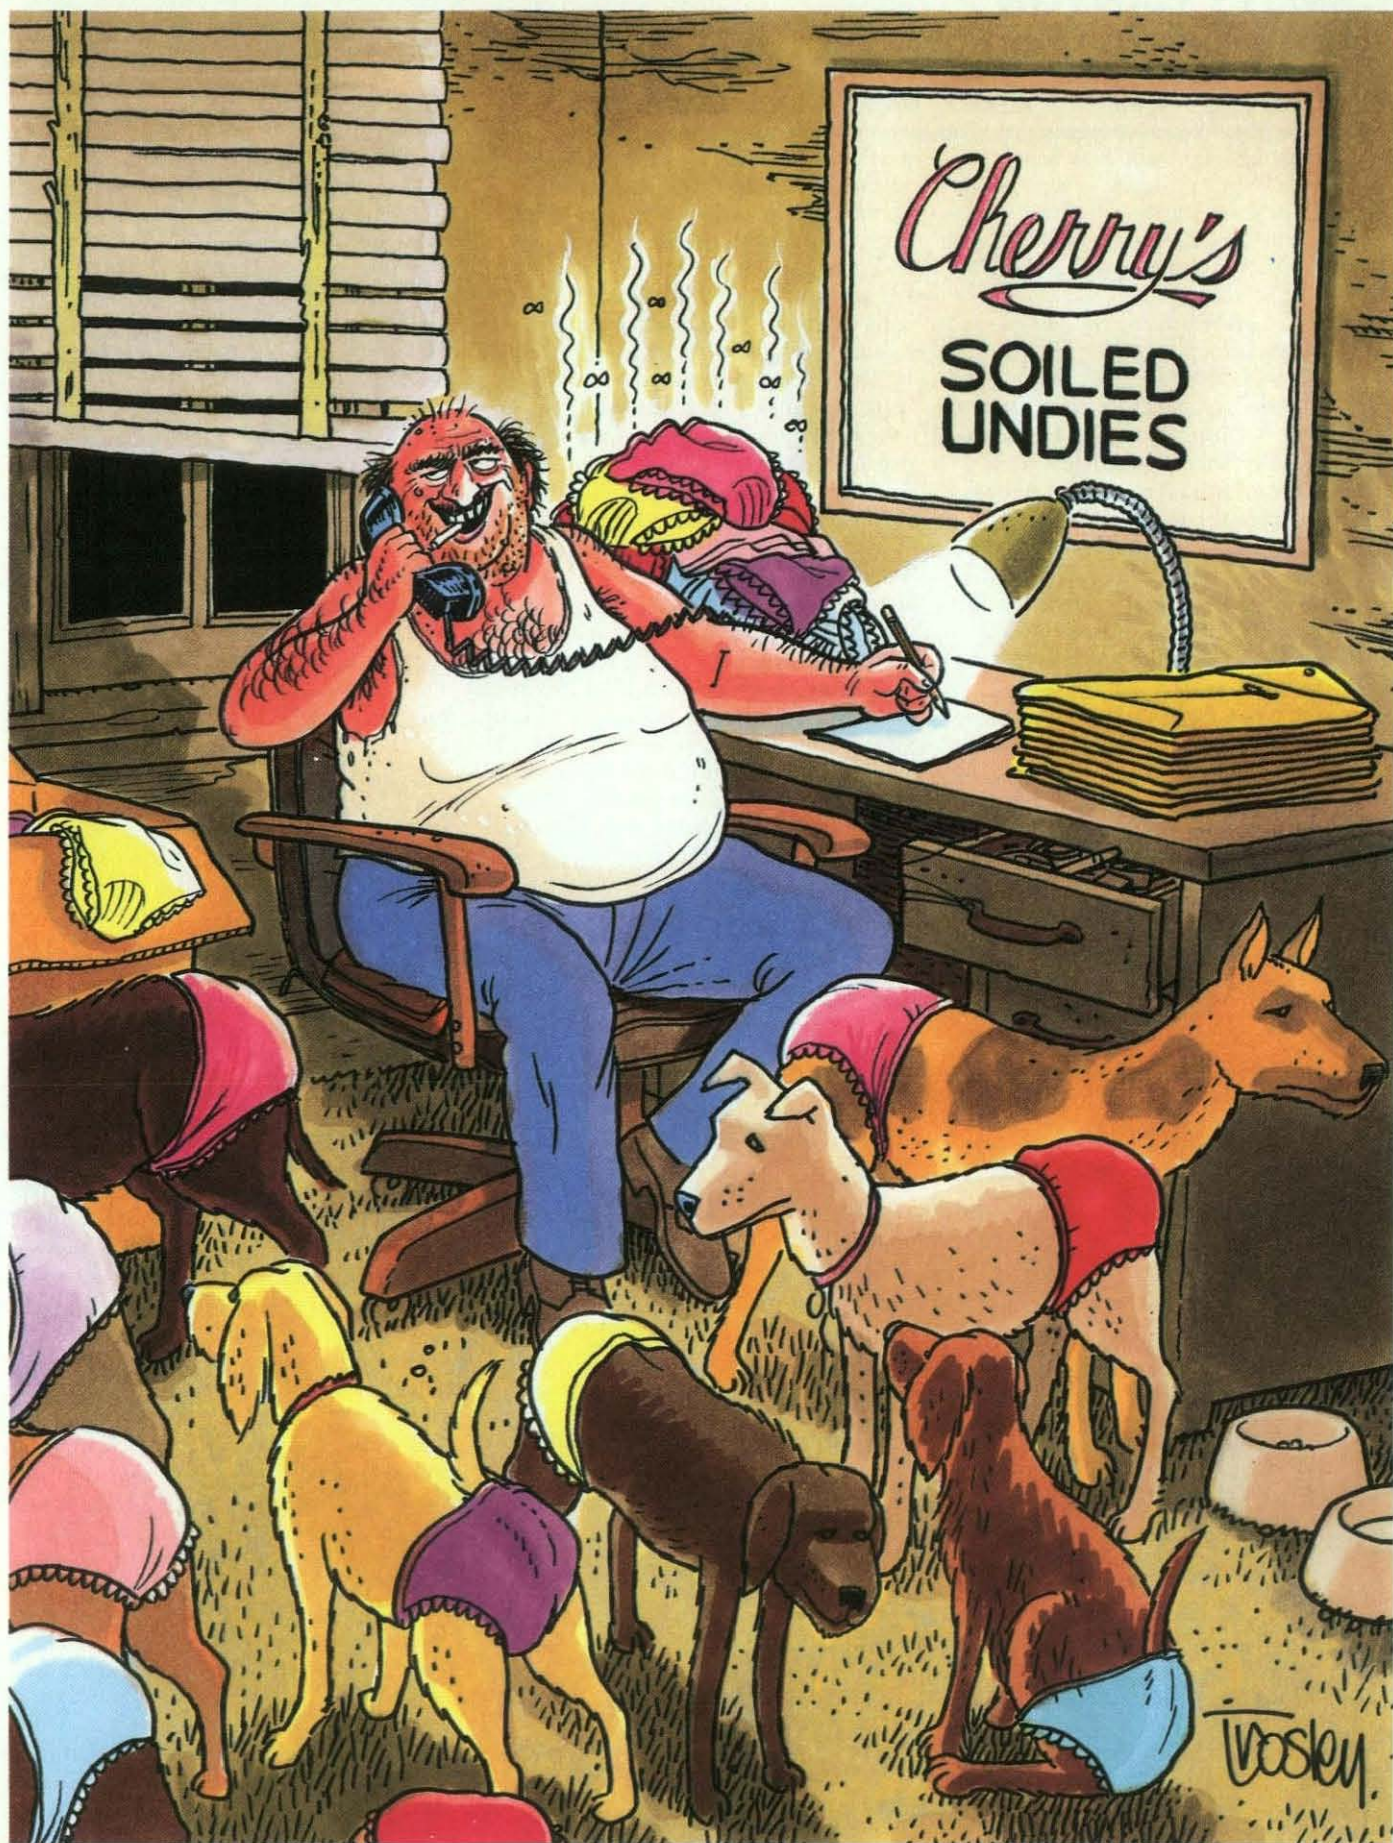

HUSTLER: *What was the worst thing that ever happened to you on a porn set?*

CANYON: It happened on the set of Alex DeRenzy's *Wild Things*. Alex was wonderful to work with and so was his assistant, Katherine, but there was this girl, Ali Moore. She was so immature. Ali really hated being there. And she let everybody know it. She kept screwing up her lines and asking, "How much longer?" My feeling is if you don't like what you do, then do something else. That was the worst time for me other than the first shooting.

HUSTLER: *Were drugs a big part of working in the business? Are they now?*

CANYON: When I first started I had done drugs a few times. After a few months in video, I ran into the wrong crowd and got into coke for about two months. But it was two solid months. It quickly got to the point where I was on the verge of ruining my reputation. I was showing up late to shoots after being up all night. Then a friend of mine called me up and told me he knew I needed to get out of that scene for awhile. He said, "Hey, I've got an extra ticket to Hawaii. Do you want to go?" I jumped at the chance because I didn't want to keep doing the same thing. And it was Christmas. I couldn't imagine spending my holidays that way. I slept most of the time I was there. There were points when this guy couldn't even wake me up. I would get up and eat and fall

"Yes, sir! We absolutely guarantee the panties were worn by mature females."

back asleep again. I went back happy and knew I wouldn't go back to that scene again. That was the only thing I could honestly say I hated about porn. It made me unhealthy and unhappy. I wasn't doing the right thing.

HUSTLER: Which starlets do you remember as hating porn?

CANYON: Oh, boy. Heather Wayne hated it. She disliked it more than anyone I ever met in porn. Traci and Ginger always liked it. Tamara Longley couldn't stand it, hated it with a passion. She was strictly in it for the money. But, gosh, it's been five years. I tend to forget negative things. Oh, you know who really hated it? Stacey Donovan. She probably hated porn even more than Heather Wayne.

HUSTLER: Was there a big rivalry going on between you and the other starlets?

CANYON: Not for me, no. I always got along with everybody. Traci and Ginger hated each other. Amber didn't really hang out. I didn't really know her that well. She got really wrapped up in the drugs. And, when I was working, a lot of people wouldn't hire her because of it. She needed to get herself together. I'm glad

she finally did. A lot of the girls who were on drugs would bring their problems to the set. When I would show up, I became Christy Canyon and liked who I was. I would do my job, go home and show up the next day to do it all over again. Toward the end I got so burned out, nothing mattered anymore; I was sick of it. It's not that I decided I wanted out and would never do it again; I just needed a rest. And I was seeing someone at the time who was also in the business, the producer from Paradise Visuals. He was trying to force me out. You know, the quit-or-I'm-going-to-leave-you type of thing.

HUSTLER: But wasn't this the guy who hired you for your second shooting?

CANYON: Yeah. And I went on to do three more movies for him. He was really a hypocrite. He didn't want me in it. It gnawed at him. It really ate him up when I would work with other guys. On the other hand, it bothered me when he would go off to make movies. I didn't know what he was doing. And I certainly knew what a lot of these girls were like.

HUSTLER: So he was really the reason you got out?

CANYON: Yeah, all because of him. I thought at the time I really cared about him, and he was the one for the future. I was tired though. And I had done too much in such a short time. In the back of my mind, I knew I would always get back in—eventually. I never disliked it or wanted to quit on my own. It was because he wanted me to. And I wanted to do whatever he wanted me to. I never closed the door on coming back though. Not in my own mind. I stayed in touch with some of the people I liked.

HUSTLER: What did you do when you got out?

CANYON: For the first year I didn't do anything. *Nothing*. I would sleep in, work out, get some sun. That kind of thing. I had saved a lot of money. The year after that I traveled non-stop. Then I signed up for college and flaked out on that. Then I got a job in a clothing store. If I needed a few extra dollars I would go back and do stills. I always liked to keep my foot in the door. I kept up on who was the hottest, who was coming in or getting out. The whole industry is a turn-on to me. I find it very interesting and fascinating. I don't think of it as sleazy or bad.

HUSTLER: Was AIDS ever something that scared you?

CANYON: When I quit, it was like a week later that it became a Big Thing. Even now people ask if I'm worried about AIDS. I figure that eventually I'm going to be sleeping with somebody on a regular basis. I'm certainly not going to marry someone, then have sex with him. So I'm taking a risk whether it's in the business or in my personal life. I think it's less likely in porn because the guys don't actually come inside. And you wear these little sponges, that kind of thing. Hey, I could walk out of here and get hit by a truck. I don't really worry about those kinds of things. Don't get me wrong. I don't go out to bars and pick guys up. I am selective. I get tested every six months. And I got tested when I first left the business. I'm very healthy. I don't do drugs. I work out. I eat healthy.

HUSTLER: You've just finished your comeback video, *Hot In The City*. How different is it now than it was a few years ago?

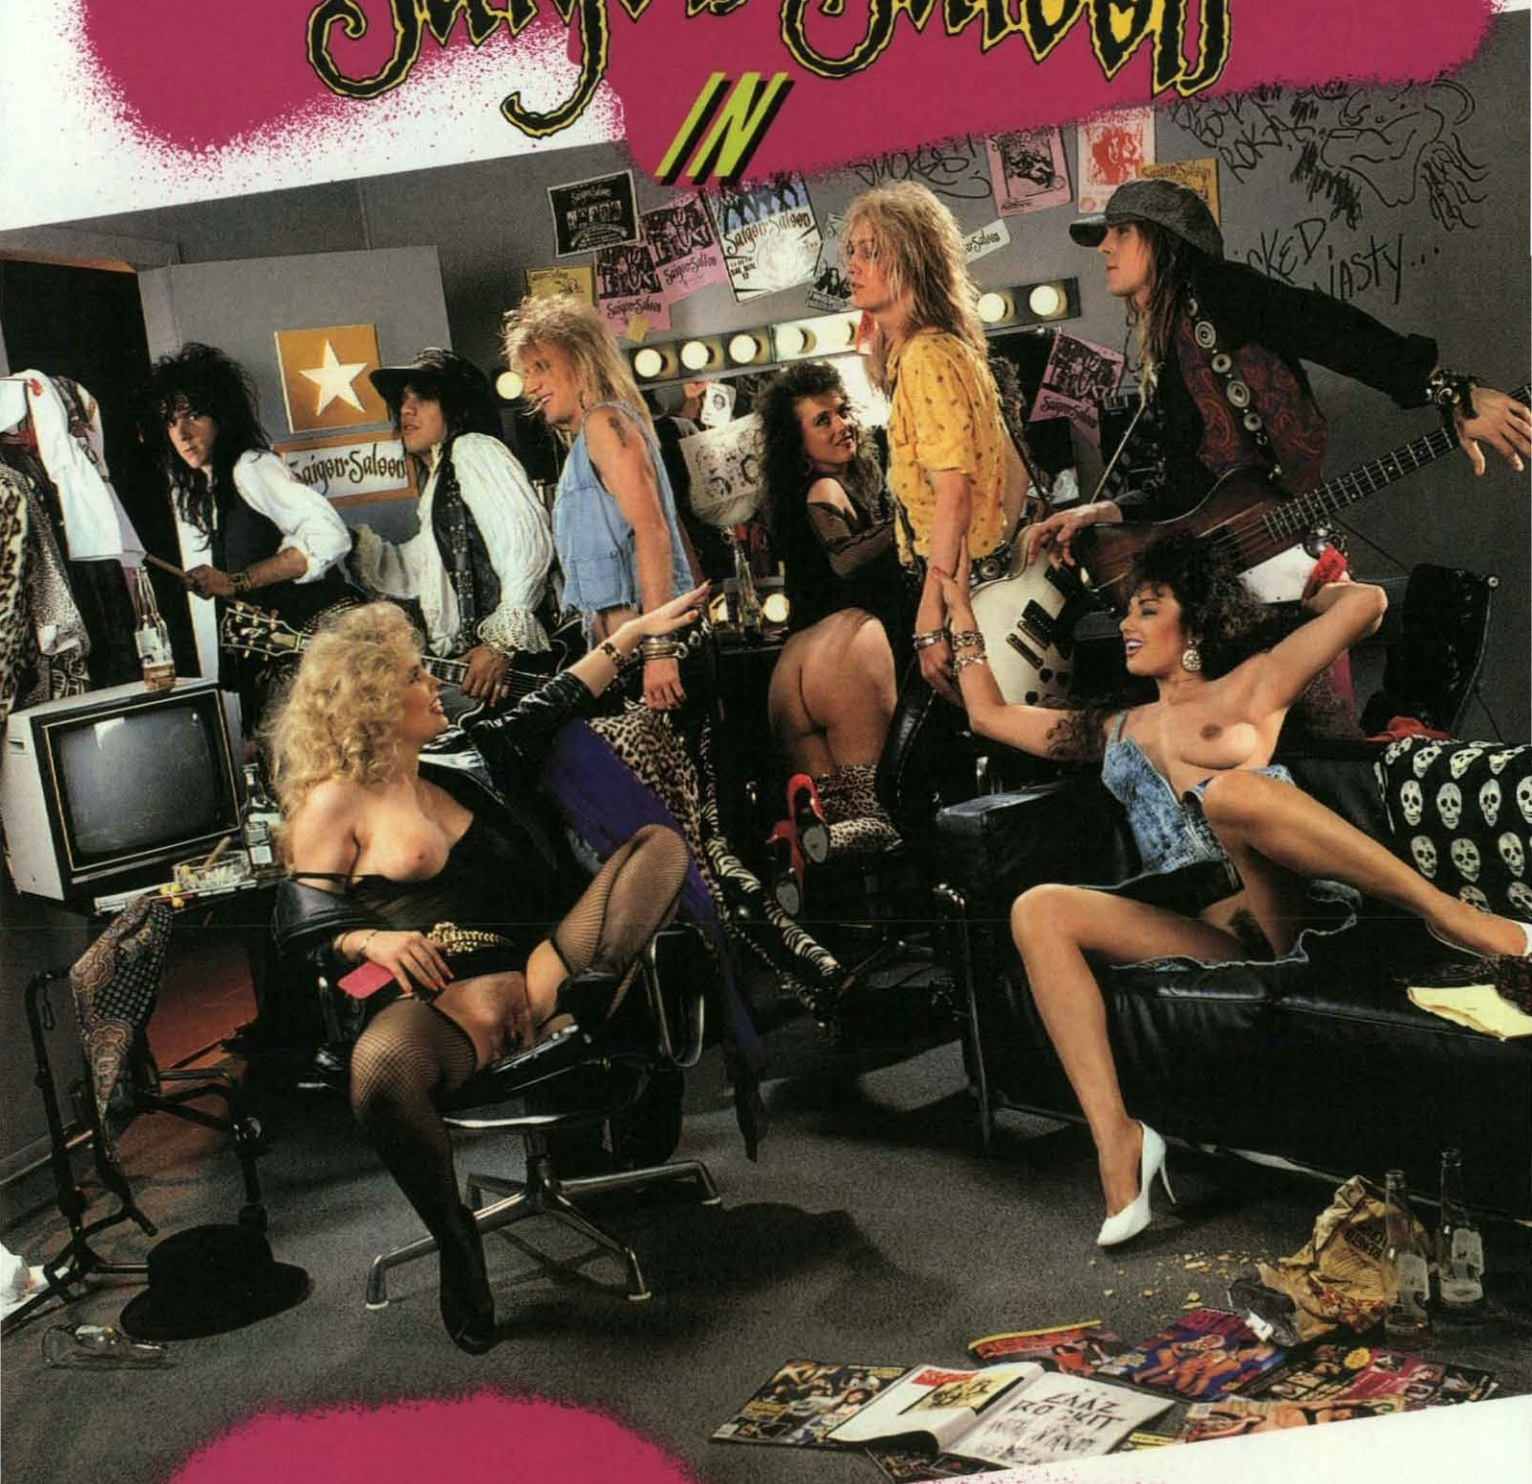

CANYON: I got right back into it. It was like five years hadn't even gone by. At first I was nervous, didn't know if I could handle it. That morning I wasn't sure if I could go through with it. I was really scared while I was in makeup too. But once the cameras started rolling, it was like nothing had changed. I was working with the same people I worked with five years ago. I really like being back into it again.

HUSTLER: Do you have real orgasms on screen?

(continued on page 80)

Saigon Saloon

THE SHOW MUST *GO ON!*

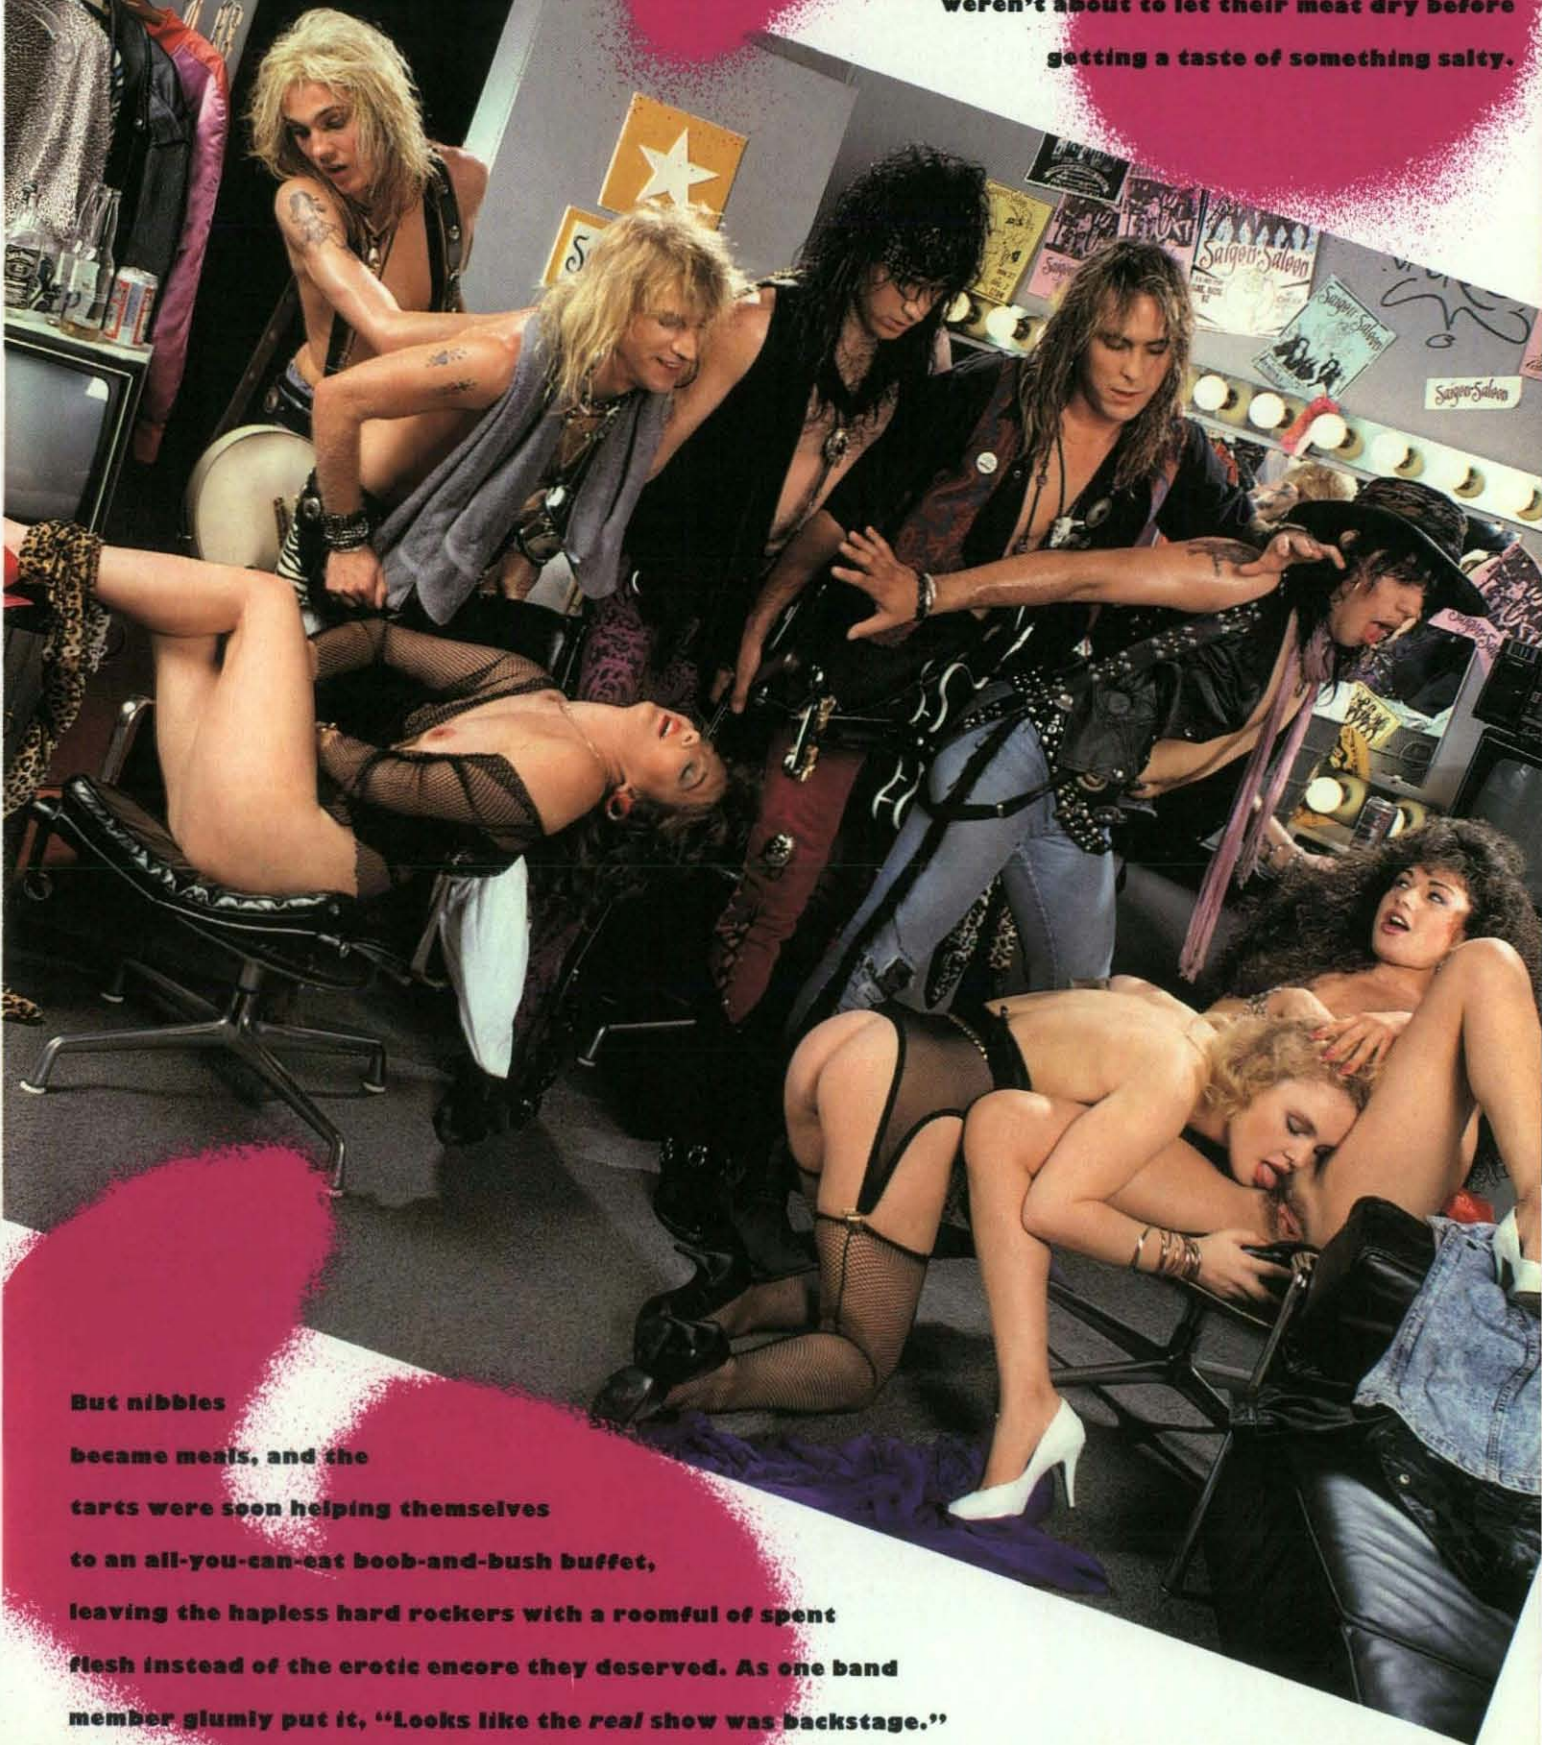

New metal faves Saigon Saloon knew this groupie threesome wanted rock-star cock immediately, but they had a concert to do. The twats would have to be patient. Too bad the band jammed heavy that night; long shows make for long waits, and these bitches in heat weren't about to let their meat dry before getting a taste of something salty.

But nibbles became meals, and the tarts were soon helping themselves to an all-you-can-eat boob-and-bush buffet, leaving the hapless hard rockers with a roomful of spent flesh instead of the erotic encore they deserved. As one band member glumly put it, "Looks like the *real* show was backstage."

CHRISTY CANYON (continued from page 72)

"Sometimes I say, 'Pull out and come on my face!' I like to keep sex interesting."

CANYON: Ummm, 50% of the time I do. Sometimes it's really difficult when they put you in the kitchen sink and you've got a faucet sticking you in the back. If it's with somebody new I do. Like there's this new guy I just finished working with, Johnny Ace. He's really good looking, has a really good body. There was just this chemistry there from the first moment we saw each other. The first time I ever had a real orgasm on camera was with Mike Horner. This was like two months after I'd been in the business. And to this day, Mike is one of the hottest guys for me. There is something about him I am so in lust with. I don't know what it is. When we worked together in *Battle of the Stars*, gosh, it was the best thing I think I ever did. That and *Savage Fury*. I think it was because Now Showing and Video Exclusives were the only companies who never complained about paying me or tried to talk me down in price. When that happens you know they're really happy to have you there. They really want you. And they never worked me like 20 hours a day, always had decent lunches. It's hard to believe, but it usually isn't like that.

HUSTLER: *Do you have any favorite guys?*

CANYON: If I had to pick three guys, I'd pick Mike Horner, Billy Dee and Peter North. I did a scene with Peter North in *Black Throat* where I was a dominatrix that was great fun. That's not something I do in my personal life. It's like being with girls for me, fun to act out on film.

HUSTLER: *Are you actively involved in the casting process now?*

CANYON: They always ask me who I want to work with. They picked the talent the last time, and I was very happy. Hey, face it. What other job do you get to run around naked and flirt with everybody? To me, it's a turn-on to turn on the crew. I don't know about the other girls, but I think it's so much fun to walk up to them and sit on their laps. Not to do anything sexual, but totally blow their minds. That's half the fun, turning them on.

HUSTLER: *How does it make you feel knowing that out there your audience is largely guys beating off to you having sex?*

CANYON: It's a compliment. I know the first time I watched a porn video I got turned on.

HUSTLER: *How did you lose your cherry?*

CANYON: I was 15 at the time. It was to a guy I was going out with for about six months. I figured I had better give in or I'd lose him. We went out for about two years after that. Then we graduated from high school and went our separate ways. I remember coming home and wondering if he would ever call me again. I was scared, nervous. It hurt. But after the second time I really liked it.

HUSTLER: *Do you touch yourself a lot?*

CANYON: Yeah, I really do. I masturbate a lot. I really haven't had a good lover in a long time.

HUSTLER: *What do you look for in a lover?*

CANYON: I like someone who can take charge. I hate to be the one to initiate sex or start talking dirty. I hate guys who are scared to try anything different, to get the vibrator out. I like guys to be big and strong, pick me up caveman-style and toss me around. I like things to change all the time. I really hate things to be predictable. Sometimes when a guy is going to come, I say, "Pull out and come on my face!" I like to keep things interesting.

HUSTLER: *Do you like the taste of cum?*

CANYON: If I'm deep in lust or love with a man, I love the taste of cum and to swallow it. On screen, once in awhile I'll do it if it's somebody I really like. Maybe 50% of the time.

HUSTLER: *Who do you admire in the X-rated industry?*

CANYON: I admire the way Ginger Lynn made a big name for herself. She went after her stardom. She started her own video company, formed her own fan club. She went at it full force. Ginger had a lot of energy because she enjoyed what she did so much. She still uses her name in her personal life. I think of her as one of the only female performers that loved what she did 100%. I respect the people who don't blow their money the same day. There are some people who've been fucking for ten years and have nothing to show for it.

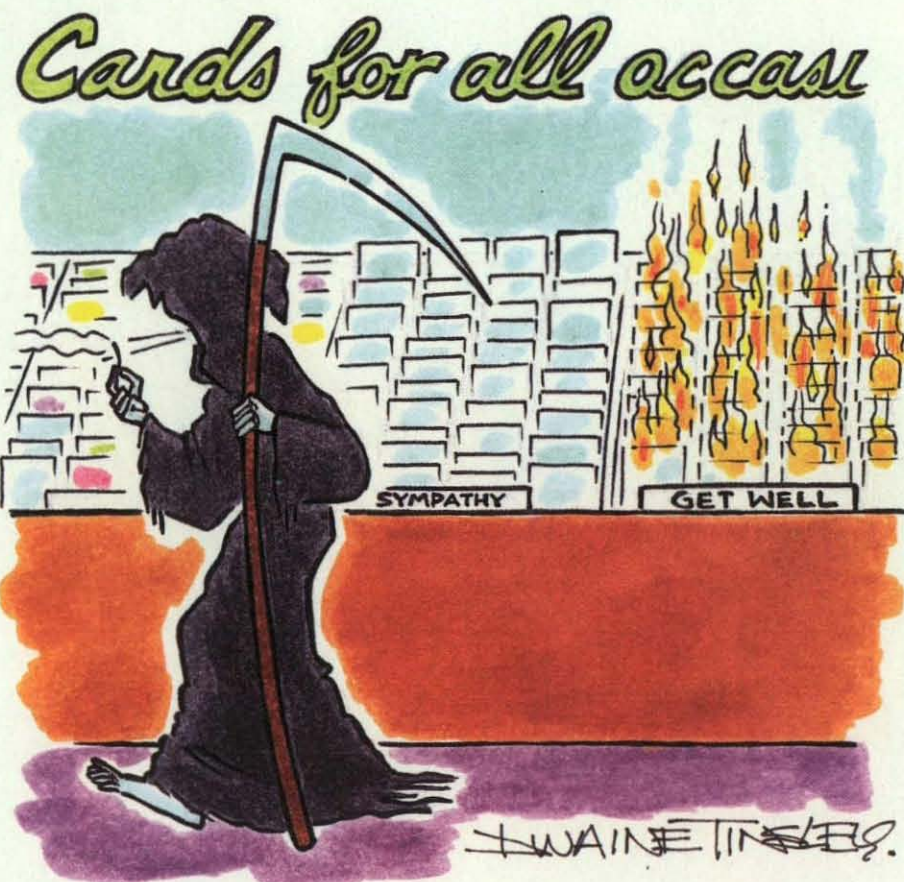

HUSTLER: *What do you want out of all this?*

CANYON: I don't know at this point. I really love to travel. I love the Orient, Europe. I went to Africa a year ago. Eventually, I'll get some kind of job where I travel. I want to finish my schooling. You know, a year ago I never thought I'd be sitting here right now. I never know what I'm going to do from week to week. And that's how I like to live.

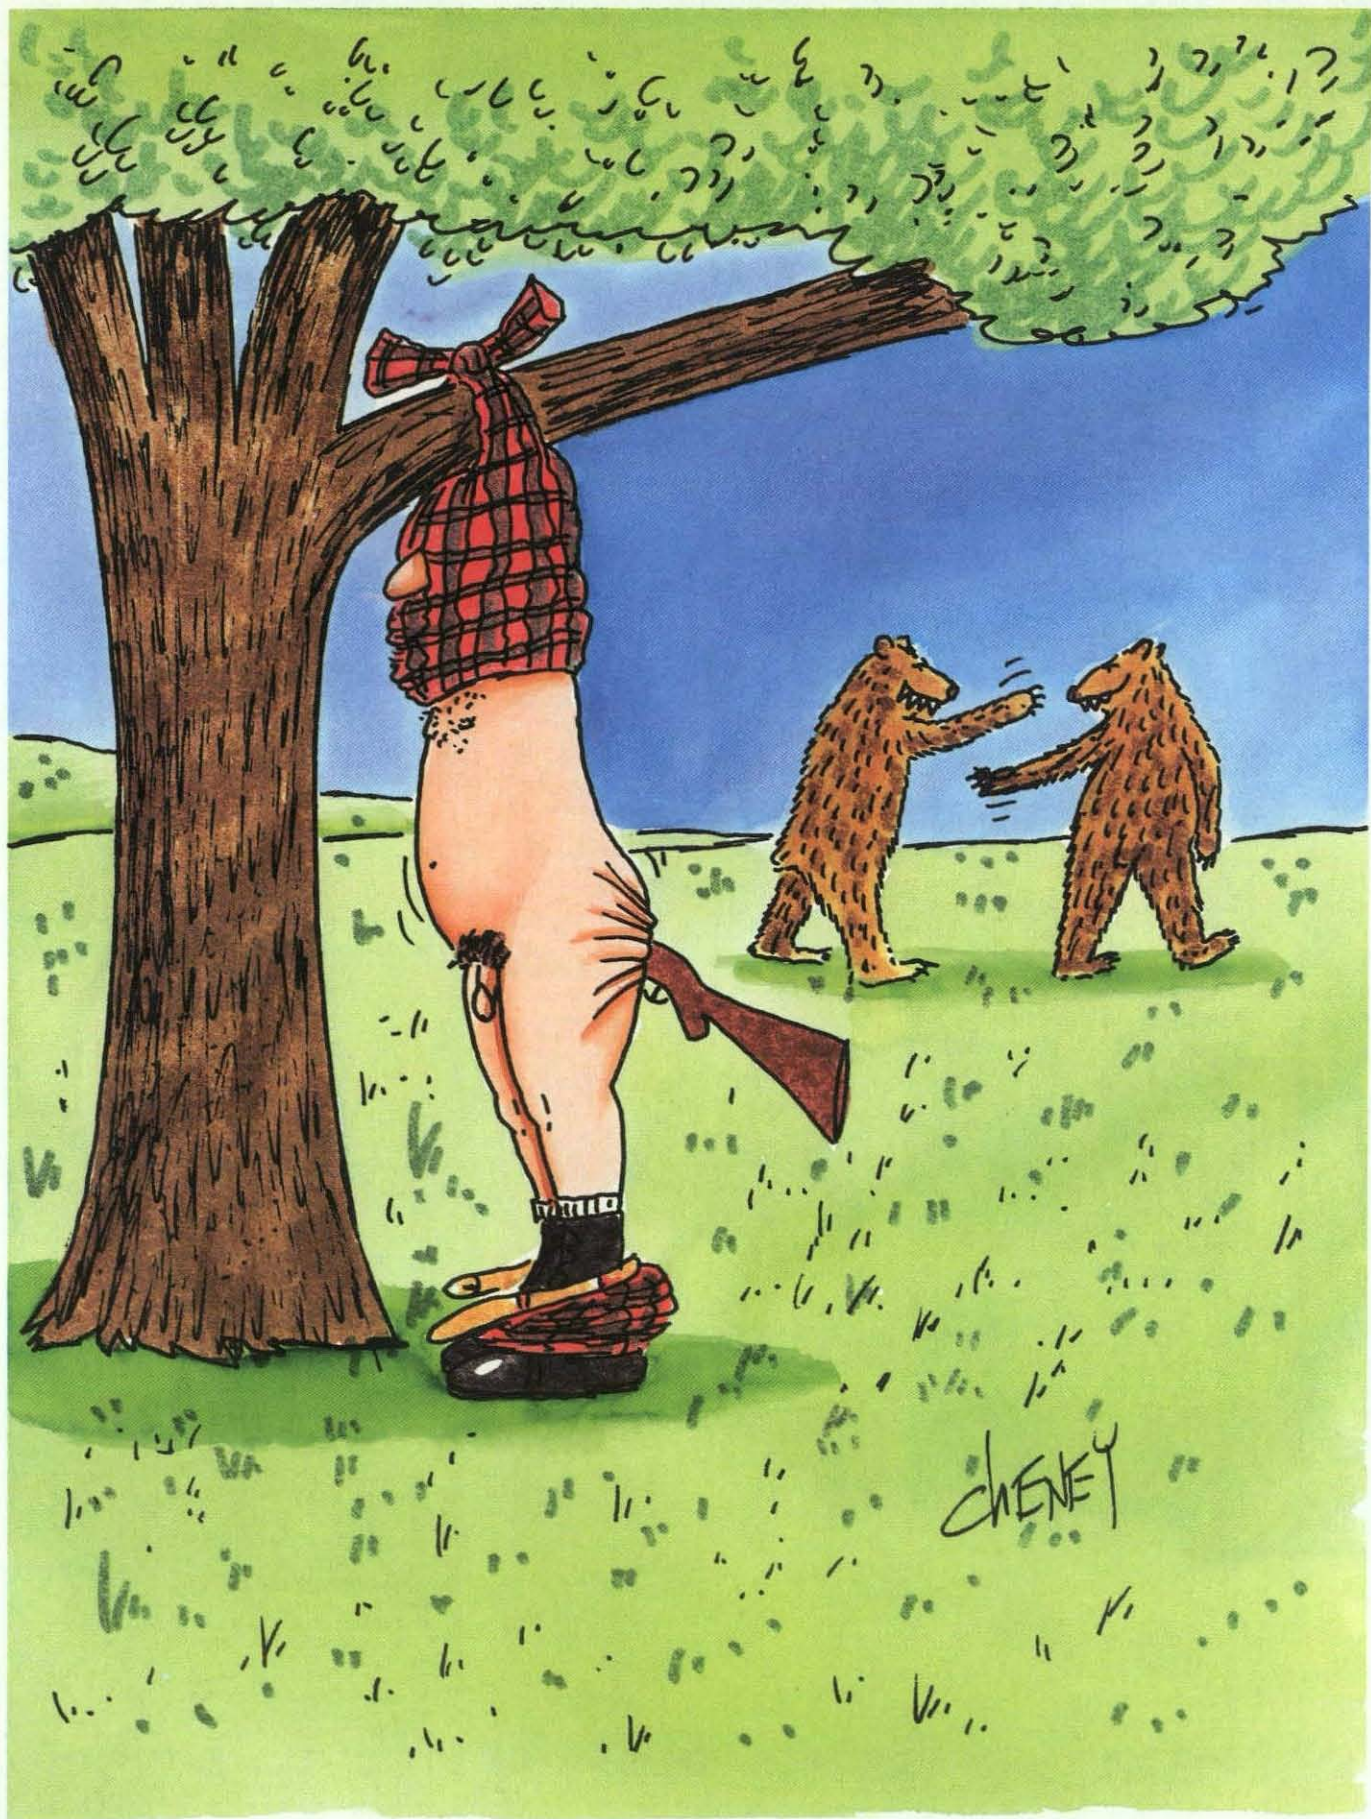

HUSTLER: *Do you get recognized a lot?*

CANYON: Uh-huh! I love it. People recognize me at banks all the time for some reason. I always have people recognize me at dance clubs. People always come up to me and ask for my autograph.

HUSTLER: *Do you hope to cross over into legitimate films?*

Photo by Boyfriend

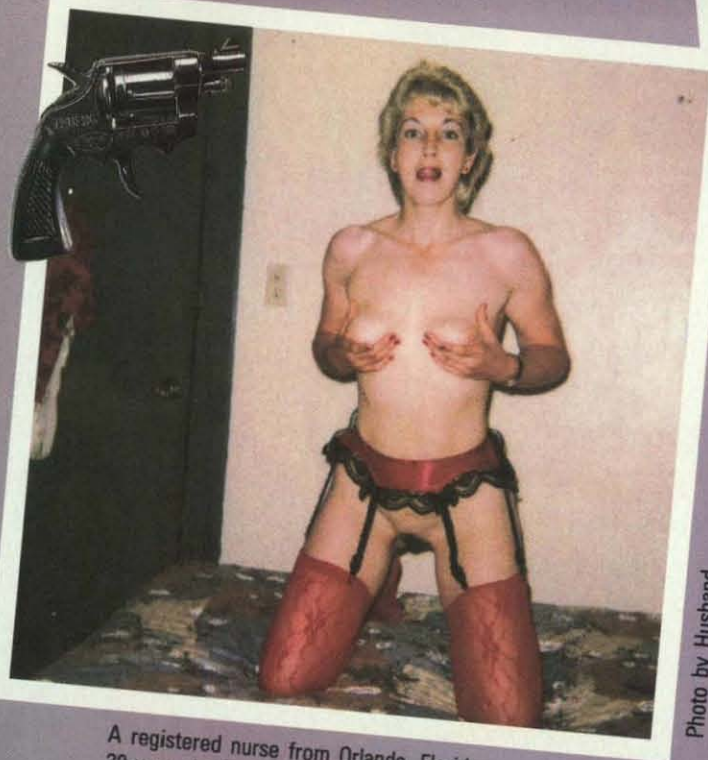

Photo by Husband

A registered nurse from Orlando, Florida, 39-year-old Brenda is into camping, fishing and all other outdoor sports. She dreams of seeing herself in HUSTLER. See, Brenda, dreams really do come true!

Anaheim, California, is now host to a world of fantasy besides Disneyland. It's the home of 27-year-old Heather, who describes herself as a "housewife/sex slave" and says her erotic dream is to be tied up by her boyfriend and to let him do whatever he wants to her all day and night. "Which he has on many occasions," she adds, gratis.

Photo by Friend

Twenty-six-year-old Teresa is a Cleveland, Ohio, housewife who's into cooking, sunbathing and romantic vacations. Her favorite fantasy is to make love to the man of her dreams ten different ways—now here's the catch—in an airplane.

Photo by Friend

Janet, 23, is nothing if not ambitious. The Las Vegas casino worker describes her interests as swinging, porn films, porn mags, bowling and sex (wait a minute...bowling?), and she describes her fantasy as "a gangbang with me and 20 guys, and the whole thing on video."

Photo by Husband

Photo by Husband

In case you're wondering who put the Angel in Los Angeles, here's one contender. Angel, 34, is a nurse who's into aerobics, reading and roller-skating. "My sexual fantasy," she tells us, "is having my husband come on my tits while a girl licks my clit and makes me come."

She's a student, she's a mother, she likes traveling, gardening and horses, and her fantasy is to suck a big, wet prick. What more is there to say about 37-year-old Sandy of Weed, California?

UGLY GEORGE'S

CHICKS- OF-THE-MONTH

Ugly George. The guy who walks the streets with a video camera and fast-talks girls into peeling for his lens. The perv whose cable TV show, *The Ugly George Hour of Truth, Sex and Violence*, titillated and outraged New York, and now, thanks to the miracle of satellite transmission, is doing the same to North America. The notorious ratings-booster of Oprah, Phil and Sally who brought sex and pornography into the living rooms of middle America. Ugly George. In HUSTLER. What a combination.

Dear Students,
From now until they discover how low The Ugliness has dragged them into the gutter, HUSTLER is going to run photos of Ugly George's pickups from the naked jungle. This month's girls—I gotta admit I feel a little guilty—were so easy they make beating off seem hard. They got naked practically before I got my lens cap off!

I had a little trouble with "Lorraine the Pain," a tough-as-nails buxom brunette from Brooklyn, but once I told her it was for HUSTLER her tits climbed out of her bra by themselves! One look at those gorgeous gazongas was all my tongue needed to slurp into action. I licked places Lorraine didn't know she had! I've got some hotter shots of Lorraine and me, but I'm saving them for another issue. You don't always want to go all the way the first date. Like hell.

"Fatty Kathy" is a hooker with a heart of pyrite. Kathy says she earns \$2,000 an hour rubbing (robbing?) Wall Street brokers. Anyway, Kathy met Ugly and gave it to him for free! Remind me to teach you how to beat hookers at their own game. This could save your congressman or televangelist a lot of bread.

I bumped into "Lez the Mezz" outside of Mr. Big's Bras 'n' Tops. She'd just made a major purchase so I invited her back to my place to try it on. I figured you'd rather see the "before" photo. Lez is a charter member of Ugly George's Bimbo Brigade. I've got plenty more "mezzes" like her, and you won't see 'em anyplace else. Students, the beauty of a bimbo is that she's putty in your hands. In Lez's case, it looks like silicone, but it's all real.

"I vas never a Nazi," swears "Martina the Cleana," a crafty Kraut from Hamburg who insists that she was never a concentration camp guard and never flayed any big-nosed people with her whip. Unless they deserved it. ("Vot's da matter? Can't dey take a choke?")

Speaking of tough bitches... I call this 5-9, booted dominatrix "Smellin' Ellen." (Don't tell her I said that. Oh, what the fuck, go ahead. I've got Blue Cross.) After I lured her back to my studio, I pulled the old camera-up-the-pussy trick (corny, but it works), then lay back as Ellen sneered defiantly. Find out how I tamed this torrid tart in my tape #4 *B&D Fantasy*. (Warning: This tape insults Blacks, Jews and lawyers.)

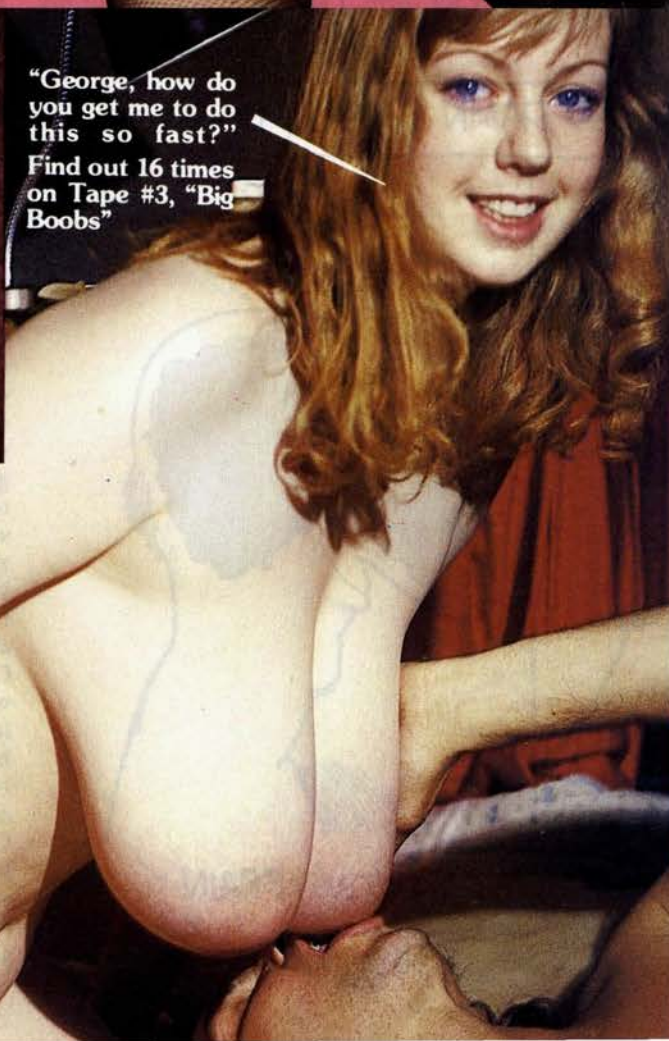

Well, students, this month you've learned that getting girls naked is sometimes easier if you offer to take their picture. They may not be Kim Basinger, but they're real. Don't forget, watch my TV show, buy my videos and stay tuned!

Ugly George

"George, how do you get me to do this so fast?" Find out 16 times on Tape #3, "Big Boobs"

Tape #1
"Hits & Misses"
(pickups of pretty chix!)

UGLY GEORGE TAPE OF THE MONTH CLUB

Yeah, I've heard about how he actually gets "straight" chix off the street to go with him and shoot nudes! ... I want to learn how to do it, too; I see there are are four different tapes of about 16 girls each; I want to try one or go for all four tapes for my next orgy. Warning: Tape #4 insults women, blacks, jews & lawyers!

TAPE #1	PRICES!

"I really like giving and getting head. At first I thought you did it just because the guy liked it."

CANYON: Nah! It's never been my goal in life. It's not what I want. I don't have the patience, energy or time to walk the beat. There's too much competition out there. And, hey, I'm Number One in this business, and I don't want to be just one of a million. I really believe it's who you know and who you sleep with.

HUSTLER: Did you encounter much of the casting-couch syndrome in porn?

CANYON: No, never. From the first day I met Jim South, it was instant success.

HUSTLER: How do you feel about anal sex?

CANYON: No. I'm not into that. And definitely not in my personal life. I don't like pain. I tried it, and it's just not for me. I don't care if they offer me a jar of Vaseline. It hurts.

HUSTLER: What about oral sex?

CANYON: I really like oral sex. Giving it and getting it. I never really knew how to give head until I got into the business. When I was younger, it was like—no way! But right before I got in the biz, I was seeing this guy who was much older than me, and he would teach me things. He was 45 or so. Before him it was all young boys and lots of "wham-bam thank you ma'am."

This guy showed me how to do it and enjoy it. From there it just snowballed. I used to be shy about it. I thought you had to do it because the guy liked it. I didn't know it went both ways.

HUSTLER: Is cock size important to you?

CANYON: Bigger isn't necessarily better. I've been with some guys who had big cocks, and they wouldn't know what to do with it if it hit them in the face. The only thing I hate is when guys come too fast. There's nothing worse than that. One of those five-minute jobs. Yuch!

HUSTLER: Is the money a big part of making you happy in porn?

CANYON: A big part. A really big part! That's why some of these companies really pissed me off. They had the nerve to offer me what I got when I quit the business—\$1,200 a day. They said, "You know, it's not like it used to be." And I said, "Get me on your set, and it sure will be." Not that I'm stuck up, but I know how much my tapes sold and still sell. And I'll do my part in the public relations department. I know girls don't get anywhere near that much these days. I'm sorry for them. I get five times that for my

work. Plus, I have a royalty situation. Then there's the box cover, personal appearances. I'm the only girl under contract with Video Exclusives. They made a lot of money from my movies and still do. And they know a lot of money will be made from my new movies. They're not too cheap to pay me what I'm worth. C'mon, I know what kind of money is made in this industry. They'll take care of me. I'll be starting up my own fan club, and they'll handle it for me. My fans can write to me at Video Exclusives, 6617 Independence Ave., Canoga Park, CA 91303. If they order my movie *Hot in the City*, I'll autograph the box and send them an autographed 8 x 10 photo. The phone number is (800) 334-8248, but they shouldn't ask for me. I'm never there. You know, a lot of fans think the stars hang out at the video companies. I feel sorry when they call and people who are working get mad at them. But, c'mon, do you really think I'm sitting at a desk with a wall of my tapes behind me all day waiting for the phone to ring? Get real!

HUSTLER: What makes Christy Canyon special?

CANYON: The other night I went to a porn awards show, and so many of the other girls were taking their clothes off, letting people take their pictures. To me that's porn at its worst. Why not have a little integrity, give it a little class? I've never been one of those girls to go around with my tits hanging out. And boy, if anybody could get attention doing it, it would be me! I may get a little sleazy when I go out dancing, but it's fun to get sexy. I've never brought guys up to my place and fucked them for money. I'm not like that. People have this vision that all porn stars are like that. Maybe that's what separates me from the other girls in the business. I've never turned a trick. Print that.

HUSTLER: Who is the real Christy Canyon?

CANYON: The real Christy Canyon goes out there, does a great sex scene, turns everybody on, makes it look hot. But the other side of me is different. I'm not a Virgin Mary, don't get me wrong, but I like to keep things separate. It makes the on-screen Christy Canyon more wild and crazy because I'm saving something for the videos.

HUSTLER: Do your parents know what you do?

CANYON: Yes. It was tough for them when they found out, but they accept me for it. I'm not dishonest about it. It is my body after all. I'm not hurting anybody.

HUSTLER: How would you like to be remembered?

CANYON: I would like to be remembered as Christy Canyon, the one who always gave it her best and always turned the audience on. And she got out while she still looked good.

ENLARGE YOUR PENIS TO IT'S MAXIMUM!

Have Erect Measurements of 9, 10, Even 12 Full Inches!

The MONARCH is the ONLY Penis Developer you will ever need!

Is the size of your penis bringing you down? Sure, the medical authorities say the size doesn't count, but as long as women have a need to be filled, they will demand the full measure of devotion. And no amount of psychological reassurance will fill the gap between expectation and reality.

Now, with a simple device you can follow in the footsteps of thousands of men who have proven that there is a way to INCREASE PENIS SIZE and THICKNESS! The device is called the MONARCH ELECTRIC VACUUM ENLARGER. A safe and proven natural way to add inches to penis length and thickness. With the MONARCH you will see yourself grow to dimensions you never thought possible.

HOW CAN THE MONARCH ELECTRIC VACUUM ENLARGER INCREASE PENIS LENGTH & THICKNESS?

Your erection is caused by blood flowing into hollow caverns inside your penis. The caverns fill with blood and your penis grows in size and thickness and becomes stiffer and stiffer until the caverns are filled with all the blood they can hold.

BUT, IF YOU INCREASE THE CAPACITY OF THE CAVERNS BY MAKING THEM BIGGER, THEY HOLD MORE BLOOD and you have a correspondingly longer, thicker penis. Regular use of the MONARCH gently urges the caverns to expand... expand... expand. You'll see the astonishing results the first time you use your MONARCH. Your penis will grow inside the clear, picture window sleeve. Immediately you'll see just how really BIG... how really FAT... how LONG... how HARD and STIFF your own penis can get! And after regular sessions with the MONARCH you'll probably find as do most men that these size gains don't go away! They become a part of you to thrill and excite her!

THE MONARCH IS SIMPLY THE MOST POWERFUL ENLARGEMENT SYSTEM YOU CAN PURCHASE ANYWHERE! AT ANY PRICE!

This powerful, totally electric unit (U.L. approved) is equipped to plug into any wall outlet to give you continuous, even sucking power until you shut it off! Unlike noisy electric vacuum enlargers costing upwards of \$100 — the MONARCH is "quite as a whisper." This sophisticated instrument is by far the state of the art in penis enhancing machinery.

It has taken time, money and first-class engineering to produce what many have called the "Rolls Royce" of vacuum enlargers. The MONARCH is a finely crafted precision instrument designed to create the vacuum needed to make the male organ LONG and THICKER. If you are truly serious about penis enlargement — the MONARCH will do the job for you!

Sexual Aids:

How to order them without embarrassment.

How to use them without disappointment.

If you've been reluctant to purchase sexual aids through the mail, the Xandria Collection would like to offer you two things that may change your mind:

1. A guarantee
2. Another guarantee

First, we guarantee your privacy. Should you decide to order our catalogue or products, your transaction will be held in the strictest confidence.

Your name will never (never) be sold or given to any other company. No unwanted, embarrassing mailings. And everything we ship to you is plainly packaged, securely wrapped, without the slightest indication of its contents on the outside.

Second, we guarantee your satisfaction. Everything offered in the Xandria Collection is the result of extensive research and real-life testing. We are so certain that the risk of disappointment has been eliminated from our products, that we can actually guarantee your satisfaction - or your money promptly, unquestioningly refunded.

What is the Xandria Collection?

It is a very, very special collection of sexual aids. It includes the

finest and most effective products available from around the world. Products that can open new doors to pleasure (perhaps many you never knew existed!)

Our products range from the simple to the delightfully complex. They are designed for both the timid and the bold. For anyone who's ever wished there could be something more to their sexual pleasure.

If you're prepared to intensify your own pleasure, then by all means send for the Xandria Collection Gold Edition catalogue. It is priced at just four dollars which is applied in full to your first order.

Write today. You have absolutely nothing to lose. And an entirely new world of enjoyment to gain.

The Xandria Collection Dept. HU1289
P.O. Box 31039, San Francisco, CA 94131

Please send me, by first class mail, my copy of the Xandria Collection Gold Edition catalogue. Enclosed is my check or money order for four dollars which will be applied towards my first purchase. (U.S. Residents only).

ADD 3 to 4 INCHES to Any Size Penis And We Guarantee It!

Plus Add 30% to 40% in diameter!

BATTERY ENERGIZED! DOES THE JOB FOR YOU AND FEELS GOOD TOO!

Our competition offers regular models (not powered) or electric models (uses electricity and may be dangerous) for up to \$40. Now with the original battery-powered Komet sex aid you can prosthetically add 3 to 4 inches to any size penis. All this without strenuous exercise or electricity. The Komet's state-of-the-art engineering produces a steady flow of energy to produce the desired results and pleasurable sensations.

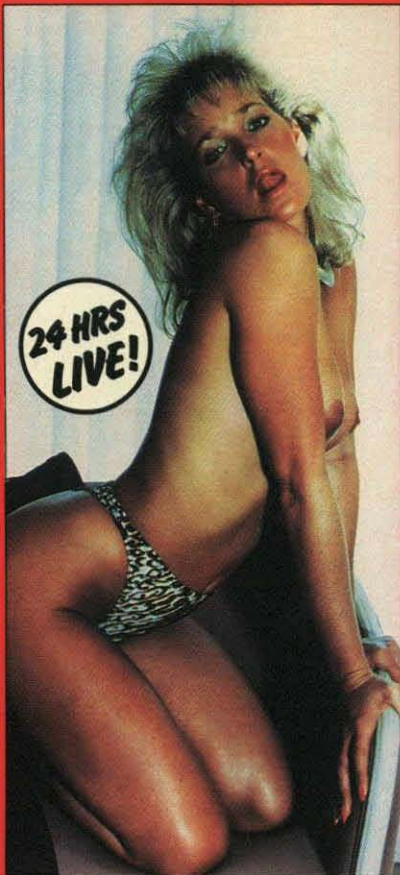

IF THE SIZE OF YOUR PENIS IS IMPORTANT TO YOU, THEN YOU OWE IT TO YOURSELF AND YOUR PARTNER TO ADD 3 OR 4 EXTRA INCHES!

You have everything to gain and nothing to lose. Why use a non-powered unit or risk inserting your penis into an electric unit. (You know liquids, cremes and jells and electricity don't mix and can be dangerous.) Why take chances. We will replace any defective model for 1 year plus shipping and handling charges.

CAUTION: Komet is the original, highest quality battery powered aid. Do not accept any cheaper model at any price.

NEXT MONTH IN HUSTLER

January HUSTLER on sale November 21, 1989

WIDE WORLD OF PINK

HUSTLER once again proves pink is the world's favorite color with a January issue chock-full of cock pleasers from around the globe. Our collection of cooze includes: fiery fuckdoll Erica Boyer wrapping her nasty mouth around a hard, veiny cock, which its owner then uses to ream her raw; a pulchritudinous Parisian hardbody sharing her sinewy-yet-supple flesh with your eyes; a succulent Swedish sex-nymph tightly packed into a white-lace negligee; and a Dutch dynamo whose stupendous breasts give her centerfold layout an added dimension. January HUSTLER gives you a look at the world your cock will never forget.

S.W.A.T. TEAM EXPOSE

Could the 1985 McDonald's massacre have been prevented? What about the six square blocks of Philadelphia razed by police? "Yes" and "unnecessary," according to S.W.A.T. team trainer Jim Shults, who, next month, exposes the excesses of Special Weapons and Tactics teams in his chilling article, "Murder by S.W.A.T. Team."

SEX TOY SHOPPING SPREE AND PRODUCTS TEST

Browse the well-stocked shelves of the infamous sex store, the Pleasure Chest, with sexual daredevil Allan MacDonell. Not only does he take you on a shopping excursion through the Kmart of kink, you get a blow-by-blow account as he employs his various purchases on his long-suffering girlfriend.

PORN STARS AND AIDS

Predictions several years ago had porn stars dying by the orgyful from AIDS, but with one notable exception, blue-screen veterans are still humping in health. *AIDSWatch* talks to industry insiders to find out why they think the XXX-movie world has escaped infection by the AIDS virus.

A NEW DECADE OF INNOCENCE

After years of helping people fuck without guilt, HUSTLER now suggests intriguing new ways to enjoy sex in this Age of Fear in January's *Sex Play*, "Are We Having Sex Yet?" Everybody's favorite perv-in-the-street, Ugly George, is back with more *Chicks-of-the-Month*; then please your pecker with the pages of *Hot Letters*; get fuck-flick exclusives in *Erotic Entertainment*; crack up over the wacko humor of *Bits & Pieces*; and drool on the muff-revealing photos of *Beaver Hunt*. The January issue will propel you into the '90s HUSTLER-style!
