When the very first *Beaver Hunt* appeared in July 1976—HUSTLER's contribution to the Bicentennial festi-

ties, you might say—we were stunned by the response. This revolutionary feature was such a hit that our offices were quickly flooded with snapshots of Beavers eager to appear in HUSTLER. Not coincidentally, just about every other men's magazine jumped on the bandwagon with their versions of HUSTLER's *Beaver Hunt*.

And the response hasn't let up! Beavers continue to pour in, piling up on the desks of our dedicated staff almost faster than they can sort through them.

The question: What to do with this bounty of Beavers? There simply aren't enough pages in HUSTLER to run all the great beaver shots of photo buffs' girlfriends, boyfriends, wives and husbands—the amateur models who love sharing their bodies and their sexuality with the rest of the world.

The answer: **BEAVER HUNT VOLUME FIVE**—a fantastic collection of unpublished Beavers *and* a select few of your favorite Beavers from the past. Dive in!

W

hat's a Beaver?" an attorney once asked one of our editors. Without a moment's hesitation the editor responded: "A beaver is a furry little critter that everyone loves!" And who can argue?

Beavers have been a staple of life since the dawn of time—even though it took centuries to figure out that the smooth little pelts are better used as face masks than hats! And, while the Olympics may get more media attention, we think Beaver Hunting is man's favorite sport.

When Larry Flynt selected the first photos to be published in the premier of *Beaver Hunt* in our July 1976 issue, he knew there were thousands of eager Beavers who wanted to share their bounty with other HUSTLER readers. Within weeks the photos came pouring in, flooding the files with Beaver-shots we didn't have space for in the monthly editions of HUSTLER.

But Larry wasn't about to let those Beavers rot and dash the hopes of amateur models and photographers of one day making the pages of HUSTLER. So we published HUSTLER BEAVER HUNT VOLUME ONE and the rest was history.

Each volume has been more popular than the last and we're proud to present this special edition of HUSTLER BEAVER HUNT featuring not only the most current catch, but full photo-spreads of past contest winners and recent contenders for the grand prize of over \$10,000! (On the following page, you'll find details about the contest, and we're sure that if you and your lady haven't joined the Hunt already you will as soon as you see what we're offering.)

HUSTLER BEAVER HUNT is always a special experience for us here, and we hope you have as much fun reading it as we had putting it together.

In fact, Sandra said the most erotic sexual experience she's ever had took place in a dark cave on the side of a mountain, deep in the wilderness. (That's all she'd tell us.)

Sandra was thrilled to be chosen Beaver of the Month, but she was a little nervous about her first professional photo-session. "That all ended the moment I arrived at the studio," she said. "The staff was so friendly! They really made me feel like a celebrity, putting on my makeup and styling my hair. And the photographer put me entirely at ease. I ended up having so much fun, I wish every girl had a chance to pose for *Spotlight*."

Every girl *does* have a chance to be chosen Beaver of the Month, but you won't be in the running until you submit your photo (and model release) to *Beaver Hunt*—so mail us your entry today!
