STRAIGHT SHOOTER

Weird Sex Cults in the April '90 issue was interesting, but you should have separated the cults into three categories—harmless, dangerous and illegal. In the harmless category should fall the Foot Fraternity and Obese Ceres Organization. Feet don't turn me on, but people should be able to get off on any part of the human anatomy. Weight is, likewise, a matter of taste. In the category of dangerous should be Jack's Number Two. I don't see anything morally wrong with eating shit, but since sewage is by definition unsanitary, I am glad you mentioned that the founder died of AIDS. In the illegal category should be Necrophiliacs Anonymous and the North American Man/Boy Love Association. Legal sex should be between consenting adults. A corpse cannot consent, and an eight-year-old boy is certainly not an adult. —G. T.

Buffalo, New York

Good idea. Maybe we should come up with categories for Feedback letters. How about "Smart," "Stupid," "Funny" and "Letters From People Who Bitch About What Should Be Illegal, Even Though What They're Talking About Already Is"? On second thought, most of our letters blur the boundaries.

GO TO HELL!

Amber Lynn blows my mind, but does this justify an article that ridicules the Pope and the Catholic Church (*Planet of the Amber Lynns*, April '90)? It's obvious that your magazine is filthy and wicked, especially when you feature cartoons insulting Jesus and religion. I love the women you feature, but please tone down your warped sense of humor. That way, when you stand before the white-marble throne of God, you will be condemned to the first level of Hell and not the hottest. —J. G.

New Orleans, Louisiana

First, we have always imagined the throne of God to have a labia majora, labia minora and clitoris, none made of stone. Second, if it's Hell we're talking about, we want the hottest level or nothing!

DOWN BUT NOT DOWN

Here's a quick "thanks and keep it up" from the down brothers here at Comstock Correctional Facility in New York State. I suppose you already know that your magazine gains value in here, and the age of it doesn't count. It isn't just the fluff that the guys go for (although that stuff is definitely top-notch); it's the letters with opinions and ideas that are shared after lockdown that blow the tits off our limited world! All the hacks love your mag too.

They must, because the mail room checks every HUSTLER "thoroughly," the block hacks confiscate HUSTLERs "temporarily," and they usually read the magazines to the female guards! Anyway, show us more *Feedback*. Everybody loves it. We also spread your "Graffilthy" statewide. Here's a little in return: Want to swap: Two blind crotch crickets for one with no teeth!

NEW AGE

I am a black male in my late 50s, and I want to tell you that your magazine is wonderful. I eagerly await each new issue. I presently have a stack of HUSTLERs over a foot high. I do have a suggestion. Your magazine caters to the very young male, men from 18 to about 35. We older men enjoy it too, but it is junior sex all the way. The girls are young, pretty, shapely, happy, sugar-sweet and perfect. Why not bring out an issue with an older theme? Not Methuselah or Grandma Moses, but women of all ages, 18 to 70. Older people do have sex, and to put it in print would greatly help the guy whose wife always says, "Honey, you're too old for this sort of thing."

Older readers are the silent sexual majority. We want to see women whose breasts are kind of flat, with stretch marks on their stomachs (meaning they've had children). I'd like to see the ordinary woman—the one who rides the train, the

one who sells me coffee in the morning—not always these perfect, perfect people. Here's a scenario you might consider: A middle-aged woman is taking a shower. She's 40-40-40 with spare tires around the middle and flat tits, but to her teenage son, standing outside the partly open door playing with himself, she is just the most. You could add the father watching his son from another room with a smile on his face and good thoughts for the future. I could write much more, but I think you get the picture. Women 50 and 60 years old know that there is nothing wrong with sex. They'll respond when they see women their age being ravaged by young, hard studs.

—F. D.

Flushing; New York

We're glad we don't categorize our Feedback letters, F. D. We have a feeling your scenario is harmless, dangerous and illegal. There are plenty of adult mags on the market that deal specifically with the mature sexuality you hunger for. HUSTLER can't help thinking young. We're only 16 years old!

CAVEAT EMPTOR

First, I would like to thank you for the entertainment your magazine always brings. I enjoy your articles as much as the layouts. *I Love a Woman With a Cock* in your February '90 issue was outstanding. Second, I would like to warn your readers about some of the advertisers in HUSTLER that offer videos. One company, Lampco, uses the names Wholesale Showroom, Impact Products, Sensations Ltd. and Prime Pictures. They have received my money at all the names listed and have never shipped me anything. They have ignored all my letters and feel secure in the knowledge that they have only P. O. listings and my cash. Some companies are outstanding, offer excellent follow-up products and even send coupons to further reduce my costs, all because I continue to do business with them. Leisure Concepts is probably the best at honoring the products and shipping quickly. I love HUSTLER. Keep it up!

—A. W.

Canoga Park, California

Thanks for writing. If other readers have similar complaints or recommendations regarding the conduct of advertisers in HUSTLER Magazine, we'll print them in Feedback. We cannot ensure retribution, but we sure as hell will print your warnings.

WRONG, WRONG, WRONG

I'm losing interest in your mag. Here are my reasons: 1.) Too many ads every

month. 2.) Articles and photos about crack babies and shit-eaters clubs. 3.) All your articles on serious stuff are laced with left-wing "blame it on Reagan/Bush" mentality. Few countries in the world allow your type of magazine. 4.) Where is Honey? Bring her back. I'm sure some longtime readers would appreciate that! 5.) Girl/girl layouts are getting boring. 6.) Rarely do you print complaints in the letters section. I still like your magazine and will continue to buy it, but at least consider some of my questions and suggestions. I love the *Erotic Entertainment* guide.

—G. T.

North Highlands, California

Suggestions? We missed something. Anyway, here are some answers. 1.) Ads pay our lawyers. 2.) This stuff is important. 3.) Reagan and Bush can stand some mud with all their whitewash. Few countries in the world would stand for their grin-and-bear-it tyranny. 4.) Plenty of honey is in every issue. 5.) Don't fuck with art. 6.) Doesn't need explaining. Thanks for writing.

TASTES LIKE MUSTARD

Thanks for printing B. F.'s letter from Greenville, Texas (*Feedback*, April '90). I have been a female pee freak since I was

a kid. My boyfriend and I were at the beach reading the April HUSTLER, and when we read B. F.'s letter I told him about my fetish. My boyfriend told me he'd let me pee on him sometime. I sat on his chest and peed on him through my swimsuit. He got so turned-on, he came! I've never had anything feel as good in my entire life, and I'm glad my boyfriend was so open-minded and got so excited. Thank you, HUSTLER, for breaking the ice. Our sex life has never been hotter than it is now.

—C. B.

Charleston, South Carolina

AMBER FOREVER

Your April centerfold is beautiful (*Amber Lynn: Both Ends Smokin'*). That body is a work of art. She has the figure of a Greek goddess and a face like an angel. Amber Lynn is queen of her class—a Mercedes in a lot full of Chevys. This lady is a heart-breaker, but I love her.

—J. G.

New Orleans, Louisiana

Do you have a comment, suggestion or complaint? We want to hear it. Send your letters (typed or neatly handwritten) to Feedback, HUSTLER, 9171 Wilshire Boulevard, Beverly Hills, CA 90210. Please include a phone number if you want your letter considered for publication.

GRAFFILTHY

THANKS \$50.00 to Joseph Anton

Fear and hypocrisy have repressed sexual awareness, leading to the ignorance that spreads disease and creates violence, in addition to hindering our natural enjoyment of sex. This series opens the door to current sexual knowledge and expression, and improved love-making.

SEX WITH STUPIDITY: DICKING DUMB CHICKS

Jake Madison's cock is his reason for living. "Never say die" is its modus operandi. A less-driven penis would have given up and gone home hours ago.

"An interesting piece of work, isn't it?" opens a slinky femme fatale in a sheer, skintight dress. Indicating the hauntingly erotic abstract expressions mounted upon the gallery walls, she furthers her smooth move on Madison: "It's really a quite remarkable transition from his weltschmerz period to this free form of sensual exploration, don't you think?"

No, Jake Madison doesn't think. Like most men of action, his dick does that for him. His dick gives the slinky, sheerly clad chick a quick and thorough appraisal. She's coming on strong, just as a half dozen of her savory ilk have during the course of this trendy art opening. Furthermore, thinks Madison's dick, *only a real bonehead could fuck up the chances with this squack*. Still, in his mind he knows he'll blow it, as he has six times already during this one evening.

"Fuck this art shit," blurts Jake, opting to try a little candor on the classy, smart-panties bitch. "You're the greatest masterpiece I've seen in here all night."

"Thank you for your appraisal," responds the glint-eyed ginch, suddenly all icy intelligence. "My boyfriend will appreciate your critique. He's the man responsible for painting this art shit."

Dejected and testicularly distressed, Monroe wanders over to the bar and orders a double Stoli straight up. He knocks it back, orders another and leans an elbow against the bar, surveying the room.

Just then Jake Madison espies a prize poon he hasn't noticed before.

Walking unsteadily upon heels a little high and steep for her, the blonde bats her luxuriant lashes, tweaks her nose and strides purposefully up to the bar. Far too oblivious of leering Jake to be genuinely unaware of him, she orders a mimosa, sips it and pretends to see Jake for the first time.

"These paintings," slurs the blonde, tapping Jake's shoulder with her mimosa glass and waving it out toward the gallery walls, "are really pretty."

"I don't know anything about art," growls Jake, glowering at her breasts, billowing up from a tight-squeezing bustier. "I just know what I like."

The blonde regards him with wide eyes. "I'm so glad you said that," she sighs, her face flushed with relief and childishly applied makeup. "I'm only here because I'm fucking the artist on the side, but I don't get it."

Jake's dick swells with new hope. She doesn't get it, but he knows he will.

* * *

If women needed intelligence, God would never have given them tits and a cunt. After all, how smart does a person need to be to spread her legs?

"Brains in a bitch are about as useless as a pre-lop transsexual's dick," opines Henry Cow, a New York City street pimp with a down-to-earth perspective on female cerebral activity, "and twice as unnatural." Cow has no use for prospective stable fodder whose IQs are higher than his dick is long. Women of average and higher intelligence generally have average or higher self-esteem. Self-esteem is the pimp's worst enemy.

"Any woman who can think well about herself," pontificates Cow, "isn't thinking good enough about you. A bitch only has so many good things to think. If she starts keeping some for herself, she'll be holding out money next."

Most of us do not share the pimp's severe, mercenary frame of reference; yet we are often motivated by a similar self-interest.

"I don't want to be thought of as some sort of chauvinist, sexist pig who thinks of women solely as a

"Somewhere out there is one very pissed-off bear."

means to sexual gratification," explains Chewy Fernandez, an affirmative-action bank officer. "But I'm a heterosexual male; women are my sole means of sexual gratification. I place just as much value as the next guy upon intelligence in females. I mean, I'd like to go to dinner with someone who can carry on an actual conversation. I'm not threatened by a woman with smarts. I'd have voted in favor of the ERA. But as liberated and open-minded as I am, what I really enjoy most about women is boffing them."

The women's movement, aside from wreaking havoc in the American home and workplace, has established new standards of performance in the bedroom. If a hapless dude is unfortunate enough to bed a particularly brain-powered poozle—a Ph.D., est graduate, for instance—the extended, laborious stimulation required to surmount her mental barriers to orgasm will be more draining and offer less personal fulfillment than the most menial and demanding job.

"I hate it when some bossy broad is directing me to waggle my tongue a little to the left, then a bit over to the right," complains Robin Batt, a boy wonder from Detroit, Michigan. "How am I supposed to enjoy screwing the broad if I'm constantly taking time out to stop and figure my right from my left?"

Robin isn't likely to get any smarter. Rather than master the difference between

right and left, he is content to master the difference between bright broads and bimbos. "I believe a woman deserves an orgasm as much as any other person," enthuses Robin, "and I'm perfectly willing to watch her give herself one, right after she gives me one. Just kidding. I don't mind helping her get off, eating her special or using my hand, a dildo, whatever. But I hate it when they act as if a guy's duty is to bust a cap in their booty."

The lame-brained labes-owner would seem to be a penis-wielder's panacea, but care must be taken against latching onto too much of a good thing. Even mental non-giant Batt recognizes the hazards of sexual congress with a cum-sop whose brain waves fall short of minimum requirements. "I had me a bitch," relates Robin, "who was so stupid, she didn't know what those canker sores were on her pussy lips. Lucky for me, I'd left the lights on, or her herpes would be sitting on my face now."

Although it helps to be more aware than Robin Batt, a man doesn't necessarily need enough brains for two people to safeguard against moronic mishap while dicking dumb chicks. Two simple rules of conduct will assure safety and satisfaction:

1.) If a girl is stupid, she'd better be good-looking.

The reason for such a guideline would seem to be self-evident, but slower readers

may require an explanation. A stupid woman seldom realizes that she is stupid. She believes her opinions and observations have merit and should be broadcast. Her voice is often much louder and carries much farther than does the conversation of her demure, smarter sisters. In short, she attracts attention, a good deal of it negative. Any guy accompanying her will share the scrutiny she draws.

"What is he doing with an ugly, loud-mouth twat like her?" intrusive spectators ask one another. Sooner or later, the question will be put to the dumb girl's man friend. He will be expected to defend his association with the ignorant eyesore and, of course, he will have no defense.

If she looks like Robin Givens, no one will have any questions.

2.) Even a stupid girl had better be smart about some things.

Matters about which even a stupid girl had better be smart fall into two distinct categories. For simplicity's sake, these two categories shall be labeled *A* and *B*.

A.) The prospective dumb bunny must be smart enough to dress herself becomingly.

Certain standards of apparel must be met and maintained at most social functions, even at a goat-fucking. The mis-clad chuckle-headed bimbo stands out like a beacon to bad taste. Whether she's attending a Mafia funeral in razored denim or waltzing through a biker beer bash in taffeta and lace, her male escort is sure to accompany her along a journey into ostracism.

B.) A bimbo, deficient as she may be in most areas, had better be proficient in the department of personal hygiene.

The vagina is not a self-cleaning mechanism. Most women know enough to occasionally hose out the snatch; some even go so far as to perfume it with taste-treat douches. Beware the slit who is oblivious to the fine points of a pristine pussy. Though it will secrete a viscous substance with the consistency and smell of some sort of new salmon-flavored cheese-food spread, a frothing yeast infection is no carnal appetizer. Confine stupid-girl conquests to well-scrubbed squacks, or risk forever being put off your feed.

"It's a fine line between pleasantly perplexed and infuriatingly fatuous," sums up ditz expert Chewy Fernandez. "My ideal woman is smart enough not to get pregnant, but too stupid to remember my address."

* * *

ASSHOLE OF THE MONTH

Father Bruce Ritter

Question: What's round and brown and encircles a big lump of shit?

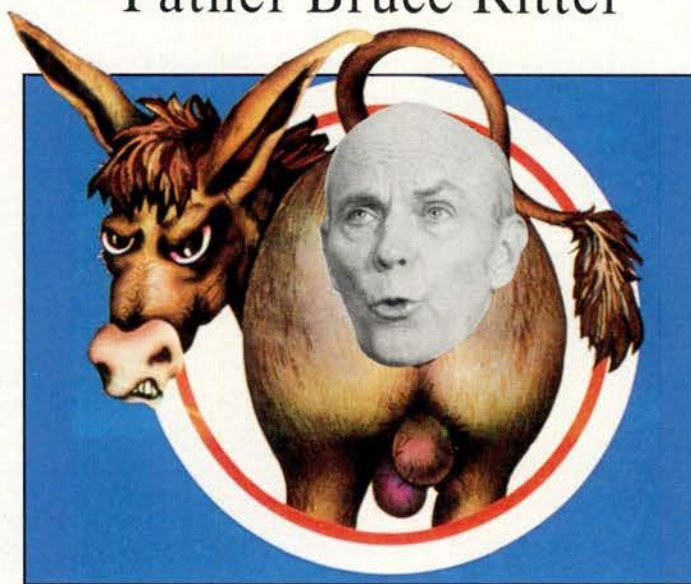

Answer: The tarnished halo around the polished skull of Father Bruce Ritter, HUSTLER's Asshole of the Month for July 1990.

A funny thing happened on the way to sainthood for Father Ritter. The 63-year-old Franciscan priest had much of the world believing he walked on water. Actually, he appears to have been sinking in scum.

Though Ritter's current reputation is a disgrace and negative stereotype to all men named Bruce, the fallen clergyman's origins were humble and noble—to hear him tell it. Since early 1969, Ritter has provided beds for runaway youths, taking them off the shark-infested streets of New York City into a haven protected from pimps, child pornographers and dope pushers. Father Bruce's efforts to shelter homeless wayward kids have burgeoned into a multinational network of runaway centers called Covenant House, with an annual budget of \$85 million.

For his part in saving thousands of displaced children from the horrors of exposure, starvation and sexual coercion, the heavenly father has been lauded by such renowned humanitarians as former U.S. President Ronald Reagan.

HUSTLER Magazine would gladly raise its voice high in praises for the youth-obsessed priest, if only Ritter had stuck to his plan of selflessly aiding God's troubled kids. A man with a mission of hope and healing is a man who helps us all, but a chucklehead on a crusade is nothing

but a pain in the ass to everybody.

Not content to save the lives at hand, Ritter gave over to blowhard posturing, spouting antiporn platitudes from his sanctimonious soapbox. The black-robed censor crossed the line from caring activist to blustering zealot. It was only a matter of time before the moral facade fell.

The first crack in Ritter's veneer of virtue came with intimations that the man of God was actually a man of wad. Kevin Kite, a former prostitute, claimed to have received special consideration and money while under the protection of Covenant House, in return for sharing the sacrament of sex with the righteous padre.

Like so many other moralists of two-faced demeanor—Jimmy Swaggart,

Jim Bakker, Charles Keating—Ritter denied the allegations. Rather than turn the other cheek, the besieged servant of Christ produced Kite's father, a worthy man who publicly branded his own fruit-hustling son a liar.

If Kite is a liar, he has company. Several more young men, Covenant House clients of tainted purity, stepped forward to brand Ritter a chicken hawk. Kite appears to have told the truth at least about having received special favors—Covenant House was revealed to have given Kite a new identity by using the baptismal certificate of a ten-year-old boy who had died of cancer in 1980.

Whether Ritter was actually a cold-blooded carnal predator masquerading as a man of prayer is

something only he and his personal Satan will ever know. But that Ritter's sleaze-mongering, direct-mail fund-raisers were a product of cash greed rather than concern for vulnerable runaways is easily surmised. If they cared so much, why did Covenant House reportedly impede an investigation into the murder of one of its clients, claiming they'd had no contact with the victim, though his photo appears on the first page of their 1989 annual report?

If a rich Asshole has as much chance of reaching heaven as a camel has of passing through the eye of a needle, sleazy ecclesiastic Ritter's entry to paradise won't be anywhere so easy as shit squeezing through sphincters. The least of Ritter's financial improprieties was to award renovation contracts worth up to \$350,000 to his niece and her husband.

Amassing revenue has always been a primary goal of the Catholic Church, and Ritter is a model operative, establishing a secret slush fund worth nearly \$1 million. The money was used to make loans to Ritter's sister, two Covenant House muckmucks and a former resident. Aside from appropriating \$140,000 to cover his expenses and conduct his ministry, Ritter manipulated the fund to make his \$98,000 annual salary seem as though it were only \$38,000.

Despite numerous sexual charges leveled against him, it is faintly conceivable that Ritter has upheld his vow of chastity. As far as charity, poverty and honesty go, he's an ordained Asshole.

FARTS IN THE WIND

Archbishop John Cardinal O'Connor—

The head of New York City's largest superstitious cult, O'Connor's latest medievalism has been to insist that satanic possession is on the rise in America due to heavy-metal music. Blaming a boogeyman for our nation's complex ills is the mark of an Asshole mentality.

Roderick Hills—

"Believe me, nobody was shoveling money out the door," winked Drexel Burnham Lambert

Director Hills as the bankrupt brokerage mob doled out \$260 million in bonuses while the firm went belly-up. The loot was twice the amount upon which Drexel defaulted. Who pays the price of these Assholes?

Professional Baseball—

America's game has dropped like Wall Street, owners and players alike streaking the field of

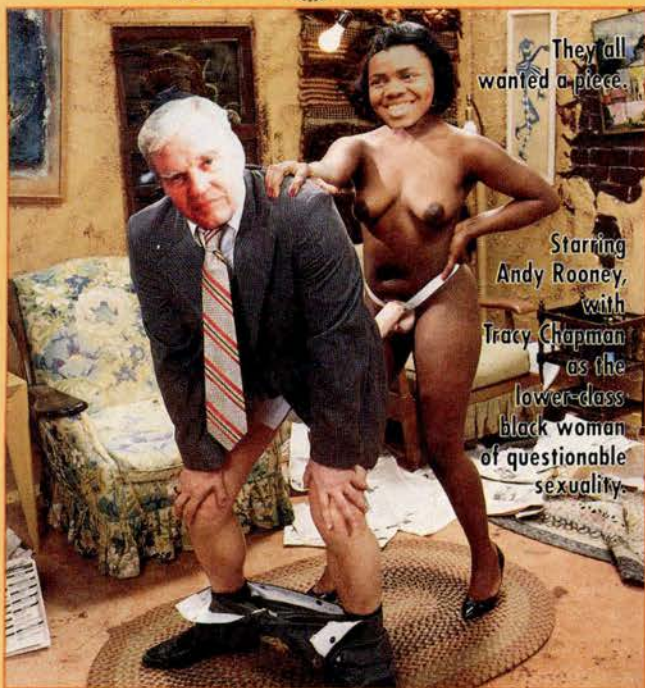

dreams with lucre-grubbing whorishness, behavior befitting Major League Assholes.

William Bennett—

Drug Czar Bennett, who has advocated public beheading to keep productive adults from smoking weed, is revealed to regularly ingest alcohol, a powerful depressant drug that causes more death and misery in America than any other chemical. Bennett's tunnel vision is the trait of a true Asshole.

EROTIC ENTERTAINMENT

Edited by Mal O'Ree

Three-Quarters Erect. Directed by Paul Thomas; starring Heather Hunter, Rebecca Steele, Kim McKay, Jon Dough, Randy Spears and Ray Victory. Videocassette: Vivid Video.

Ambitiously meticulous director Paul Thomas's self-indulgences aren't quite so annoying when he indulges the rest of us as well. Though *Torch* is freighted with a heavy helping of Paul's patented nonclimactic dramatics and cameo acting, the picture also flares with the fiery fuck fury of three new princesses of prurience, any one of whom is pretty and dirty enough to go on and become a full-blown, fully blowing lust-screen legend. Creamy, café-au-lait labe lady Heather Hunter is the best thing to happen to mixed-race relations since Nina DePonca. With her full, swaying chest sacs, lithe, long legs, big, warm eyes, hair tumbling to her trim waist, neatly manicured bush, fully flexed butt cheeks and hard-humping wonder pelvis, Hunter's onscreen power begs for a high-wattage jolt of wad release. Backup quims Rebecca Steele and Kim McKay are in no way second-rate dream dates: Steele's billowing boobs and boffo buns are built for fuck fun; McKay's sleek, svelte blond beach beauty cannot be seen without also being felt. Thanks, P. T., for the testicle treats.

New spread on the block Rebecca Steele, a 27-year-old Harley-riding, tattoo-covered cutie from the mountains of Virginia, claims to have fucked 30,000 men, or roughly a

small town. "At the least," Rebecca told us, "I used to be a callgirl. I lost count ten years ago." After giving her the number of a shop on Sunset Boulevard where she can get her cunt revulcanized, we asked this twisted Southern belle how she likes to get fucked, our second favorite topic.

"I especially like it with two guys," Rebecca says. "That way you feel totally abducted. They just take advantage of you, and I like that. I like anal a lot too, which is why they get me for all the anal movies. What I really love, though, is two cocks doing me anal and vagina at the same time. I love double penetration. It takes time to get me off. I'm pretty hard to please. I think that's why I like anal, because there's a little bit of pain, just enough to tip it off." If you need visual instruction, bone up with *Backdoor to Hollywood 11*, *Anal Intruders 8*, *Heather's Hands*, *Letting Go* and *Shadow Dancers*.

KISS MY GRITS

Half Erect. Directed by F. J. Lincoln; starring Tami Monroe, Cheri Taylor, Tanja deVries, Joey Silvera, Ray Victory, Marc deBruin, Jon Dough and Elysse. Videocassette: Caballero.

Every year porn has its share of videos set in roadside eateries—quick and greasy food seems to go well with loose and easy women. This one is based on Mel's fictional TV diner, with Ray Victory as Mel. Cheri Taylor starts the action by screwing Joey Silvera in his convertible. She tries to turn him on by making a show of squeezing her own tits, but like so many other implant vets, they refuse to budge. Finally she milks a quart of cum out of his whooper, and it really does take two hands. Tami Monroe's turn. Fucking this tiny femme is one sure way to make your dick look bigger; in Tami's mouth the average cock looks as big as her leg. Unless she learns to unhinge her jaw like a python, though, Tami has little hope of ever doing any deep-throating. When Tami spreads her legs—and this girl can really open up—for a fuck, you can see the cock slide halfway up her rib cage. We're talking tiny. Tami also jams her hard, wonky tits into Victory's butt-crack during a good Taylor blowjob. Marc deBruin does some nice cuntlapping on real-life wife Tanja deVries, whose cunt looks like she's on the rag. Perhaps it's this secret sauce that keeps customers coming back. There are a few things on the menu that should satisfy a fast-food appetite, but keep the fast-forward handy.

I DREAM OF CHRISTY

Three-Quarters Erect. Directed by Tina Marie; starring Christy Canyon, Tianna, Carol Cummings, Brandi Wine, Tony Montana, Ron Jeremy, Peter North, Marc Wallace and Sean Michaels. Videocassette: Canyon Video.

When it comes to all-natural, humongous hooters on a slim bod, Christy Canyon is clearly the top-heavy favorite. This sparkling-new video centers around three married guys who want to pork the big-boobed fantasy queen. While each hubby is stuffing his wife, he imagines licking and sucking Christy's massive tits, watching those melons bounce up and down while she wraps her meaty cunt around their tube steaks. Then, thanks to video magic, the fabulous porn slut appears in the flesh, bouncing and jiggling like a wet dream-come-true. While their boys are in joyland, the wives gang up on a couple of air-conditioning repairmen for a torrid group scene that almost steals the show. Much of the acting and directing is shoddy, and many shades of Christy's enormous sexuality aren't shown, but even with its faults, *I Dream of Christy* packs a bra full of raw sexual graphics.

—Rusty Knox

Christy is a Dream.

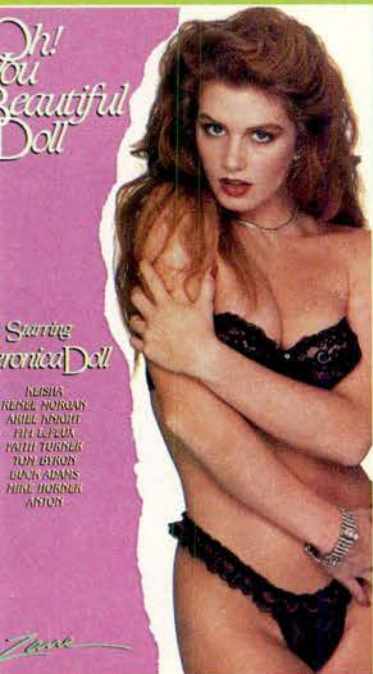

OH! YOU BEAUTIFUL DOLL

Half Erect. Directed by Jim Enright; starring Veronica Doll, Keisha, Fefe Bardot, Renee Morgan, Tom Byron, Mike Horner, Faith Turner, Buck Adams, Ariel Knight, Scott Irish and Anton. Videocassette: Zane Entertainment.

Beauty is fleeting, as are the glimpses of stunning strumpet Veronica Doll in *Oh! You Beautiful Doll*. Only slightly less elusive than Bigfoot or the Abominable Snowman, Doll flits around the periphery of prurience, but refrains from fully diving into the debauch pool. Once Doll has gotten her pulchritudinous toe wet and withdrawn it from the slime, *Oh! You Beautiful*'s ballings are confined to Scott Irish and Fefe Bardot showing us what the sexually active couple is eating these days—mostly dick; a tutorial session involving the

pumped-up pointers of pud-professors Tom Byron and Buck Adams schooling the slow-to-learn, quick-to-burn snatch of ferocious Faith Turner; Renee Morgan keeping her pop-out nipples mysteriously under wraps (perhaps in emulation of camera-shy Doll?) for long portions of her impassioned pistoning by horn of plenty Mike Horner; and Keisha momentarily spreading her mouth and labes for the lips and dicks of two studs, each dressed in a disconcerting clown suit. In the final scene, Doll waves goodbye, without having said a proper hello.

TALK DIRTY TO ME 7

Three-Quarters Erect. Directed by J. T. Monroe; starring Tracey Adams, Susan Vegas, Steve Vegas, Randy West, Eric Edwards, Brandy Alexandre, Champagne, Tianna, Mia Sterling, Rick Savage and Tim Johnson. Videocassette: Dreamland.

Tianna makes Champagne's face *Dirty*.

The only thing stopping this from being a red-hot spark for your molten spunk release is that too much time is spent on the stupid plot, which centers around a bitter Randy West trying to get sexy Tracey Adams fired from her talk-radio job after she replaces him. Fast-forward to the second fuck—look for Adams's great big hooters. This top-heavy beauty gives head like she means it. She engulfs Rick Savage, getting him to pop twice. Pierced-cunt Champagne plays Tracey's sister, and cocksucking must run in their family because they both can swallow the salami and never muss their makeup doing it. If you like pussylicking, Champagne and Tim Johnson wrap their mouths around Tianna's partly shaved hole in separate scenes that will stiffen your tongue. Tianna gets so worked up that she starts slapping her own clit. She's a filthy tart, and goes so far into orbit it's obvious she's forgotten there's a camera there to catch her yanking their fingers out of her cunt to suck them after her sky-ripping orgasm. Catch your breath while ugly, big-clitted Mia Sterling does her duty in a barroom, but be prepared for more heavy breathing when hot-to-trot Brandy Alexandre hops up on the bar and forces her shaved cunt onto dickhead West. He's not interested in her cunt—"Where's your bush?" he asks—so she hangs over the bar and gives him a blowjob that could raise the dead. When he finally fucks her, Alexandre's cunt grabs him and pulls him in. She finishes him in her mouth, and when Brandy sucks 'em, they stay sucked.

BACKDOOR TO HOLLYWOOD PART 9

Half Erect. Directed by Gordon Vandermeer; starring Don Fernando, Rachel Ryan, Nina DePonca, Debi Diamond, Marc Wallace, Jon Dough and Charli. Videocassette: Cinderella.

My how time flies, especially looking back on the rump-raunch antics of the Backdoor to Hollywood crapper-cramming continuum. Can it really be Part 9 already? It seems no longer than a couple of weeks ago that accommodating Brittany Stryker stretched her sphincters to accept a simultaneous two-stiff schup in her shitter in the second Backdoor. But ass-mastery of the past is about as relevant as yesterday's hemorrhoids; what does Part 9 have new for the '90s? Well, nothing: Blond bung-hole princess Rachel Ryan slides Marc Wallace's scythe-shaped schlong into the vent between her buns; Debi Diamond also opens her pooper for a brief porking from Wallace's prong; Ryan and Diamond get a little titty and pussy off one another; and carnally charming Charli sucks and strokes Jon Dough's dick ooze onto his slick belly. Aside from Wallace and Diamond's relationship being portrayed as incestuous, the only contact of note is Don Fernando's lubed log pried into the clenched butt-bud of slinky Nina DePonca; but, typically, he only gets it halfway in, and not for long. Part 9 is mostly the same old shit.

BEND OVER BABES: BUTTMAN ON THE PROWL

Three-Quarters Erect. Directed by John Stagliano; starring Sabrina, Lauren Brice, Chantel, Brandy Alexandre, Jon Dough, Eric Price and John Stagliano. Videocassette: Evil Angel.

The first *Buttman* was a slick stroke of fun-bun brilliance; unfortunately, *Babes* is not completely more of the same. Though it does carry on in the fixation for firm and fleshy lobes of glutei, its obsession does not run quite so deep as the original. The traveling ass-perv conning impressionable sluts into posing pruriently for his video camera is a concept practically as fresh as the first time, but director/cameraman John Stagliano seems to have unaccountably run out of sweat-seat scenarios. *Babes* has only four or so trysts of fresh footage, to be inexact, compared to Stagliano's usual seven or nine. The new stuff is uniformly filthy and delicious, with emphasis not only on flexed and clenching cheeks, but also powerful, lean calves supported in spike-heeled shoes, impassioned cocksucking and messy loads of boner bilge blasted onto grinning ginch faces. The balance of *Bend Over's* two hours is filled with quick-cut snippets of the hottest rump views of Stagliano's previous features, prompting more than anything a second look at the cloven row he's hoed so far.

—C. S.

SUPER TRAMP

Half Erect. Directed by R. U. Hardy; starring Debi Diamond, Tianna, Rachel Ryan, Scarlet Windsor, Tom Byron, Marc Wallace and Jeff Golden. Videocassette: Vidco.

While *Tramp's* superlative title might lead the impressionable rube to expect a tape chock-full of the most sensational, gorgeously dripping goop pussies ever to disgrace the porn screen, such is not the case. *Tramp's* trollops are

Diamond is one of *Tramp's* gorgeously dripping pussies.

three of the trashiest dirt blondes blowing and boning in boff cinema today, and they would have numbered four except that Rachel Ryan's hair is dyed a sleazy shade of divorcée brown for this performance. The girls being the standard slurping snatches they are, and the studs all accomplished journeymen jizz flingers, the sex is pretty much what the seasoned viewer has come to expect: Tianna looks pert and pretty for as long as she has Marc Wallace's bent prong sliding along her face and slicing into her sticky place; Brit-talking Scarlet Windsor gobbles Jeff Golden's gonads as he presses prick into her face from above, all the while balancing himself with his tongue on her clit; Debi Diamond and Tom Byron sweat and spurt; Tianna and Diamond play diddley slits; and Byron manages to stiff Ryan without falling inside. They're tramps and they're super—superficial.

BIMBO BOWLERS FROM BOSTON

Three-Quarters Erect. Directed by Jim Enright; starring Jacqueline, Erica Boyer, Staci Lords, Mike Horner, Cheri Taylor, Randy Spears, Brad Armstrong, Eric Price and Randy West. Videocassette: Zane Entertainment.

Anyone with a free hand and a swollen gland will roll a 300 game with this second installment of Zane's *Bimbo* series. Director Enright has moved the setting from Buffalo, but a change of scenery doesn't keep these Bimbos from rolling up a devastating sperm count. Erica Boyer, Jacqueline and Staci Lords are quim queens in search of a crown, backed by their janitor-turned-manager, Freddy Flounder (Horner). Jacqueline gets a blistering bang from Horner

Boyer licks a *Bimbo's* snatch.

over a ball-return chute, while her teammates Erica and Staci share each other's snatch in the locker room. Peter North later lays lingam into Lords, with his trademark torrent of testicular cream saturating her neck. When the bowling (yes, bowling) does start, the Bimbos sap the cocksmen of their strength via a tremendous triple-header. Cheri Taylor helps round things out with two dynamite pussy pumps: one from Horner, the other from Randy Spears. Trying to find fault with this outing of the BBs is like getting a lane on League Night. It's damn near impossible.

—Sam Lowry

BUSHWHACKERS

Half Erect. Directed by John T. Bone; starring Deidre Holland, Alice Springs, Sheila Kelly, Randy West, Kelly Blue, Joey Silvera, Misty Regan and Jon Dough. Videocassette: Australian Erotica.

Give Australian Erotica credit for trying to expand porn's parched parameters, but after half a dozen videos, can't they find anybody to fuck down there besides the same four ladies? Deidre Holland, the most desirable of the bush babes, doesn't get a cock to play with here; she just chews Misty Regan's cunt. Alice Springs shows signs of loving lingam in her closing poke with Jon Dough, but too much else in *Bushwhackers* borders on tame tooling and drooling, with sex taking a backseat to locale. Randy West's boning of Sheila Kelly is eclipsed by a gorgeous waterfall. When West takes Kelly Blue's box in a barn, the viewer wonders where all the smoke's coming from rather than if these two will get a decent crotch fire burning. Unless A. E. shows more heat, this import shouldn't be allowed through customs.

The XRCO cools it at the beach

Selena Steele's Valentine's Day pair.

A tip of our condom and a pair of woolen undies to the winners at the 6th annual X-Rated Critics Organization's awards show, held February 14 in a tent on the pier in Santa Monica, California, where it was so cold that porn queens were putting on clothes. The only good thing about the 30° weather was that nipples popped out all over. Aside from their usual Heart-ons, the XRCO gave a special achievement award to Eric Edwards for becoming the industry's first four-decade performer (1969-1990). That's a lot of fucking. Nonporn celebs on hand included Carrie "Star Wars" Fisher, comedians Penn and Teller, rapper Tone Loc, and California Angel outfielder Chili Davis, who jokingly said he was working on a new image as he posed with several blue-screen lovelies. Despite the chilling prospect of a frostbitten cock or frozen-over cunt, few of the more than 700 people who attended turned a cold shoulder to the festivities; the bar was packed until closing.

RAINWOMAN 2

Half Erect. Directed by Patti Rhodes; starring Tanja deVries, Cheri Taylor, Lauren Brice, Kitty Luv, Joey Silvera, Randy West, Marc deBruin, Jon Dough and Wayne Summers. Videocassette: Coast to Coast.

The highlight of this otherwise average pornstar is Kitty Luv's succulent, full-lipped mouth. This chick gives one of the finest blowjobs on TV you'll ever see—the only thing better is reality. As for the rest, a better title would have been *The Sprinkler Woman*. Under a sprinkler, Tanja deVries, the most striking European sex star to work in America, finally gets porked. Seeing as she only fucks her real-life husband deBruin, the whole point of the plot is to figure out a way for these two lovebirds to screw. They play foreign exchange students. Tanja's roommates fix her up with various blind dates, but they never work out; the horny-slut roommates fuck the guys instead. Luv meets deBruin at her boyfriend's apartment. She hears him butchering the English language, she puts two and two together, and we're at the climax. A few other hot moments—Cheri Taylor's granitelike body and tall drink of water Lauren Brice come to mind—are beautifully shot, but this is run-of-the-mill stroking. —R. K.

HARD SELL

Three-Quarters Erect. Directed by Gerald; starring Tracey Adams, Jon Dough, Peter North, Raven Richards, Champagne, Rick Daniels, Amber Lee, Ray Victory, Cal Jammer and Jade East. Videocassette: VCA.

It's the old X-rated haunted-house plot, but the performers really do seem possessed with horniness, more infectious as the video rolls on. Tracey Adams is trying to sell a house, but whenever she calls in the cleaning people, they're fucking within minutes, getting no work done. She gets in on the act when the cleaning supervisor shows up. They sell the house. The occupants become obsessed with fucking. A strange "something" in the basement makes people incredibly horny. The first few sexual encounters are industry standard, but as Champagne rips into Rick Daniels, the balance tilts toward ever-increasing heat. The nastiest moment comes when Peter North porks two coeds, a white and a black chick. North pulls his wick out of the butt of the white babe, then pops his gusher onto the wide, succulent lips of the black honey. Raven Richards does the tit-in-cunt act on Tracey, giving their cunt-only bash humor and heat, but she really gets slutty when she slides her slippery bod onto Jon Dough's pussy probe. EASY WAY OUT

One-Quarter Erect. Directed by John T. Bone; starring Victoria Paris, Misty Regan, Randy West, Bob Lowe, Renee Summers, Tianna, Raven Richards, Ray Victory, Malibu Barbi and Tina Gordon. Videocassette: Passion Video.

Director Bone tries to combine gritty film-noir techniques and a story about sexual excesses that dip into S&M, humiliation and voyeurism—but bad acting, awful dialogue, illogical plot twists and murky lighting ruin the attempt. A bearded cop (Bob Lowe) has done some kind of horrible deed and confesses to his buddy, Randy West. The story cuts in flashback to his obsession with watching girls getting fucked and then humiliating them, and forcing his wife (Misty Regan) to be part of his perversions—a transsexual gets butt-fucked, a black guy squirts his nut cream into the face of a racist white chick, and Regan pours hot wax all over the tits and cunt of a squeamish girl. Some of the sexual episodes are raunchy and compelling, especially Tianna's sexual confession, but the show is so awkward that the viewer has more chance of getting a headache than a hard-on. —R. K.

BRASS ASS

I'm a red-blooded blonde with a passion for the military. No American serviceman will find a more sympathetic or attractive woman than myself. In the words of the great JFK, I ask not what a military man can do for me, rather what I can do for him. Nothing turns me on more than a man in uniform; so when I saw a Marine in dress blues sit down beside me at the bar, I knew I had to make a move.

He was blond with dashing good looks. His uniform was neatly pressed, and his buttons and medals shone like diamonds. His dress shoes were spit-polished. If I looked close enough, I bet I could see my lace-encased snatch reflected in their mirrorlike brilliance. His posture was perfect, and everything about him seemed to exude pride, confidence and discipline.

"Hello, my name is Ruth," I said, quivering with excitement. "What's a good-looking guy like you doing in a place like this?"

He laughed at this, told me his name was Vincent and explained that he was on a three-day leave with a few of his buddies. They'd gotten all dressed up for some formal photos with their parents. Afterward, they'd ditched the folks and gone to a house of ill repute, something he had no interest in. "I find myself uncomfortable in those kinds of places," he said sweetly. I was surprised at his straightforwardness, but as we talked some more, I realized that being honest was ingrained in him. *Well*, I thought, *if he can be honest, so can I!* I leaned forward and whispered in his ear, "I'm not a whore, but you're the sweetest thing I've ever seen. What would you think about coming over to my place? It's not American to say no to a lady."

His cool, collected exterior crumbled. His eyes opened wide, and he stared at me in amazement. "Yes, ma'am," he

finally said in a shaky, excited voice.

When we got to my place, he stood at the door, awaiting my invitation, his body rigid and erect. Something between his legs was also rigid and erect.

"Have a seat," I said, motioning to the couch.

I mixed some drinks and joined him. After setting the cocktails on the end table, I pushed against him and rubbed my hands up and down his chest, enjoying the smooth sensation of his uniform jacket and gleaming medals. I dropped my hands to the crotch area of his black

dress pants, moving the palm of my hand in a circular motion over his cock head. He was hard as a rock.

He moaned in a gentle voice, "Please, please take it out, ma'am."

I sat on my knees, unzipped his fly and withdrew his cock. My mouth salivated with desire as his humongous harpoon burst free, the head wet and glistening. I wrapped my hands around it, then I brought it to my face and rubbed it against my moist lips.

My tongue rolled around the tip slowly as my hands jerked him off. I puckered my lips tightly and sucked him up and down, getting his cock good and wet.

"Your mouth feels just like I always

imagined a pussy would," he moaned.

He was a virgin! My twat tingled at the thought. I sucked harder. He lifted his hips to meet each of my downward strokes.

I slithered out of my miniskirt and panties and was horrified to see a spot of blood on the frilly material. I'd begun to menstruate, and I didn't even know it. What the hell! I wasn't going to let a little blood come between my virgin and the greatest sexual experience of his young life. He was inexperienced; so how would he be able to distinguish between a menstruating pussy and any other kind? I bent over and was surprised to hear a loud *splorch!* It was a menstrual-blood pussy fart, the loudest my quivering quim had ever produced.

"What was that?" asked my man of steel.

Not giving him enough time to gather his senses, I straddled him, spread my dripping pussy lips and eased onto his cock. His shaft squished through my wet slit, right into my syrupy center. I arched my back and fucked him excitedly. I ripped open my shirt and thrust my braless tits into his face.

He sucked my tits like a greedy baby. This, combined with the deep penetration of his big cock, sent shivers of pleasure through my body. He manipulated my clit with his thumbs while slurping on my tits. Everything around me was a whirlwind of ecstasy: his mouth, his cock, his uniform....

I shook with the tremors of orgasm. Love fluid and blood poured from my pussy. "Shoot your cum in me now!" I cried. "Now!"

I squeezed his cock with my cunt muscles and gyrated my hips heatedly.

"Yes, ma'am! Yes!" my Marine cried.

My body spasmed hard as he squirted his cum deep inside my churning pussy. It milked his delicious cock of everything it had. When I finally got off him and lay back against the couch, I noticed the leg and crotch area of his immaculate

I laughed aloud, then gave him a kiss. Thank God for our boys in uniform!

CASTING COUP

Beauty and talent are not enough to get a girl a career in the entertainment industry. She needs to meet the right people. I was a struggling actress doing an occasional commercial. Thanks to a hunk named Jeff, I landed a part in a popular prime-time soap opera. Jeff was the boyfriend of my good friend Annie. Annie, it seems, got tired of my complaining about just missing the "big role." After my millionth tearful rejection, she started talking about Jeff, telling me how he could get me a role I could sink my teeth into.

I told her I was happy with my agent and wasn't in the market for a new one. Besides, I thought that every agent was more or less the same.

Well, Annie has always been persistent, and two days later there was a knock at my door. I had just gotten out of the shower. My hair was soaking wet, and my pussy still sensitive after a lengthy bout of showerhead masturbation. I wrapped a towel around my body and made my way to the door.

"Hello. I'm Jeff," a man who can best be described as a leading man smiled. He was 6-3, tan and muscular. Every pore of his body oozed male sexuality.

"Annie has told me about you," he continued, aware of my frazzled state. "And I can't say I'm disappointed!"

I was attracted to this man immediately. With trembling legs and aroused twat, I invited Jeff in. Ten minutes later I was auditioning for the part of Carmen Carzan, bitch supremo, the woman on the soap who steals her best friends' boyfriends! I was so turned-on to Jeff, the part was not very difficult. And Jeff was certainly catching on. It was definitely a case of method acting!

"Not bad," he grinned. "Do you think that you could drop the towel?"

Being a physical-fitness nut and sun addict, I'm damn proud of my figure: my shapely, round hips and my firm 36C breasts.

I lowered the towel slightly and teased Jeff with an ample amount of tit flesh before I finally let it drop to the floor. Jeff's eyes bulged from their sockets. My nipples were hard and erect. I ran my hands up my long legs, then rubbed the outside of my perfectly trimmed bush. I eased the fingers into my box and raised them to my mouth, sucking hard. Jeff's cock was bursting at the seams. My pussy was on fire.

Jeff pulled out his dick and started jerking himself off with a passion. I moved toward him emphatically, kneeled on the couch, tore his hands from his magnificent prong and replaced them with my hot mouth. Jeff moaned aloud as he rutted his hips into my bobbing head and fingered my red-hot pussy. My heavy breasts bounced off his hairy legs in synchronization with my pumping face. His

manly scent inflamed my pussy. My legs squeezed his hand and urged it inside. When Jeff finally came, he spurted three heavy wads down my throat.

I straddled him, licked the five fingers of my right hand and guided his cock into my dripping slit.

I bounced up and down on his pole, my pussy making obscene slurping sounds as it sucked his cock and soaked it in my love juices. I rubbed my tits into his face and talked dirty.

We both came hard. His second dose of hot cum overwhelmed my scalding pussy. My vaginal walls quivered with excitement, and my pussy muscles squeezed Jeff's cock tightly. We kept fucking right through the orgasms. Then, without missing a beat or changing our rhythm, we continued to fuck. Jeff was able to maintain his erection through three gut-wrenching climaxes.

I completely forgot about the audition until the next day when I got a call from the casting director of the soap. He said he'd seen me in a few commercials and felt I was perfect for the part. The rest is history.

ELDERLY CONFINEMENT

Exposé by Antonio Smith

Life in an American nursing home shouldn't happen to a dog. Where will your parents spend their golden years?

**SEND THE
OLD FOLKS
TO THE POUND**

ELDERLY

Patricia Ellis, a licensed vocational nurse, examined a patient who had been neglected, and found maggots in her vagina and anus.

Experimental drugs, medical neglect, physical assault, sexual battery, rape, sodomy and murder. No, not 1942 Nazi Germany; present-day American nursing homes—our answer to Hitler's death camps.

There is evidence of a "backslide in quality care in nursing homes," reveals Senator John Heinz (R-Pennsylvania), "and increases" in the number of reports of physical and mental abuse by attendants and overuse of patient restraints such as wheelchair straps and sedatives.

It is not a pretty picture.

- The Food and Drug Administration admitted that elderly nursing-home residents, many of them senile, have been unwitting guinea pigs for experimental drugs.

- Robin Chews, a partially paralyzed patient at a Southern California sanitarium, has been subjected to repeated sexual assaults, including rape.

- A Texas judge ordered the exhumation of bodies of 58 people who died at the Autumn Hills Convalescent Centers Inc. in Galveston, Texas.

Isolated cases? Not according to statistics released by the U.S. Department of

Justice and comments coming from the American Medical Association.

"It's estimated that 12% to 15% of nursing-home residents are victims of abuse by employees," claims an AMA spokesman. Former nursing-home employees, however, scoff at the AMA estimate. "Eighty to 85% is more like it," says Denise Feldman, whose sister walked off her job as a nurse's aide in a convalescent hospital because of "crimes and atrocities committed against patients that are too gross to mention."

The atrocities committed against the elderly residents of nursing homes run the gamut from simple neglect to rape, sodomy and murder, but Patricia Ellis, a licensed vocational nurse, explains why simple neglect can lead to the most hideous consequences. While she was working for Casa Blanca Convalescent Homes Inc., Ellis examined a patient who had been neglected, and found maggots in her vagina and anus.

Ellis reported her appalling discovery to her Casa Blanca superiors, but nothing was done to correct the situation.

Elderly patients confined as a result of

court or state action, and who are therefore without the protection of a legal guardian, are particularly vulnerable to the gruesome acts of sadistic nursing-home employees. "When we place them [the elderly] in a locked nursing facility," admits Kern County Coroner Helen Frankel, "our experience is that they don't live very long."

Michigan Attorney General Frank J. Kelley concurs with Frankel's observation, and he acknowledges a growing problem with elderly abuse in the nation's nursing homes. "It's a national disgrace," the Attorney General asserts, "and it will remain so until we start legislating laws to correct the situation."

Simply legislating laws, however, does not appear to be an effective corrective measure. For instance, the Long-Term Care, Health, Safety and Security Act of 1973 was passed with the express intent to "establish an inspection and reporting system to ensure that long-term health-care facilities [nursing homes] are in compliance with statutes and regulations pertaining to patient care." On May 20, 1986, 13 years after the passage of this act, a staff report released by the Senate Special Committee on Aging said that nearly 40% of America's certified nursing homes failed to comply with the basic health, safety and quality standards of the U.S. federal government.

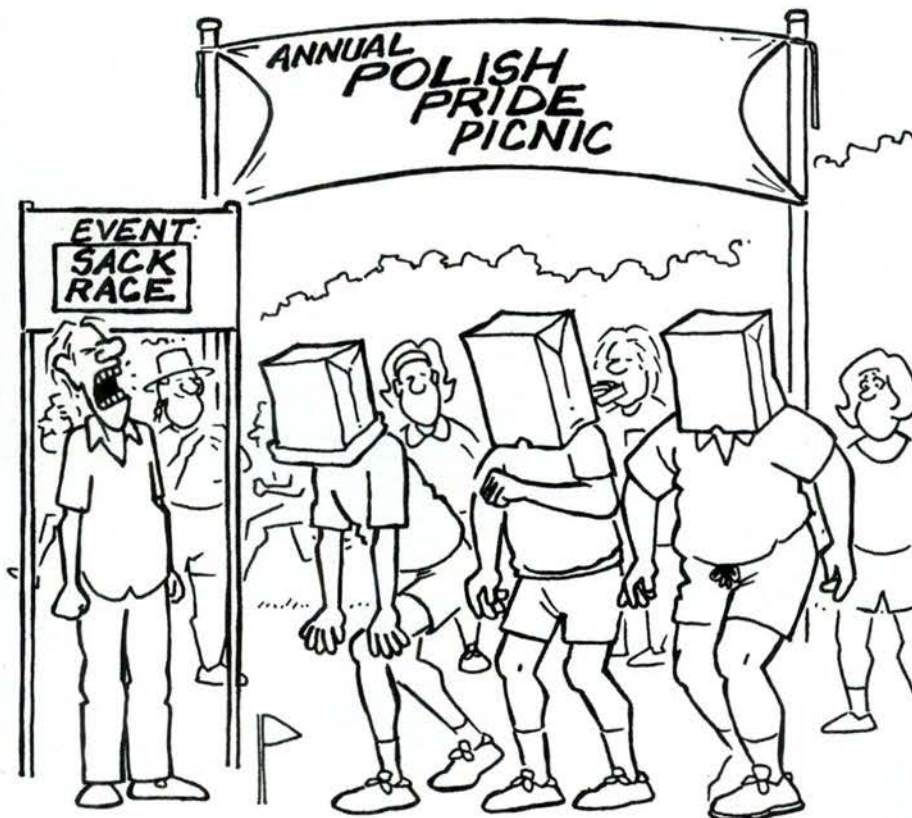

"What we found," reveals Senator Heinz, who was chairman of the committee, "is that thousands of our senior citizens live in nursing homes that more closely resemble 19th-century asylums than modern health-care facilities."

One such nursing home was discovered in California's Alameda County, where, in ruling on behalf of patient Ronald Sharp, Alameda County Superior Court Judge Robert L. Bostick declared: "...inadequate nursing care resulted in serious physical harm and presented an imminent danger to Ronald Sharp."

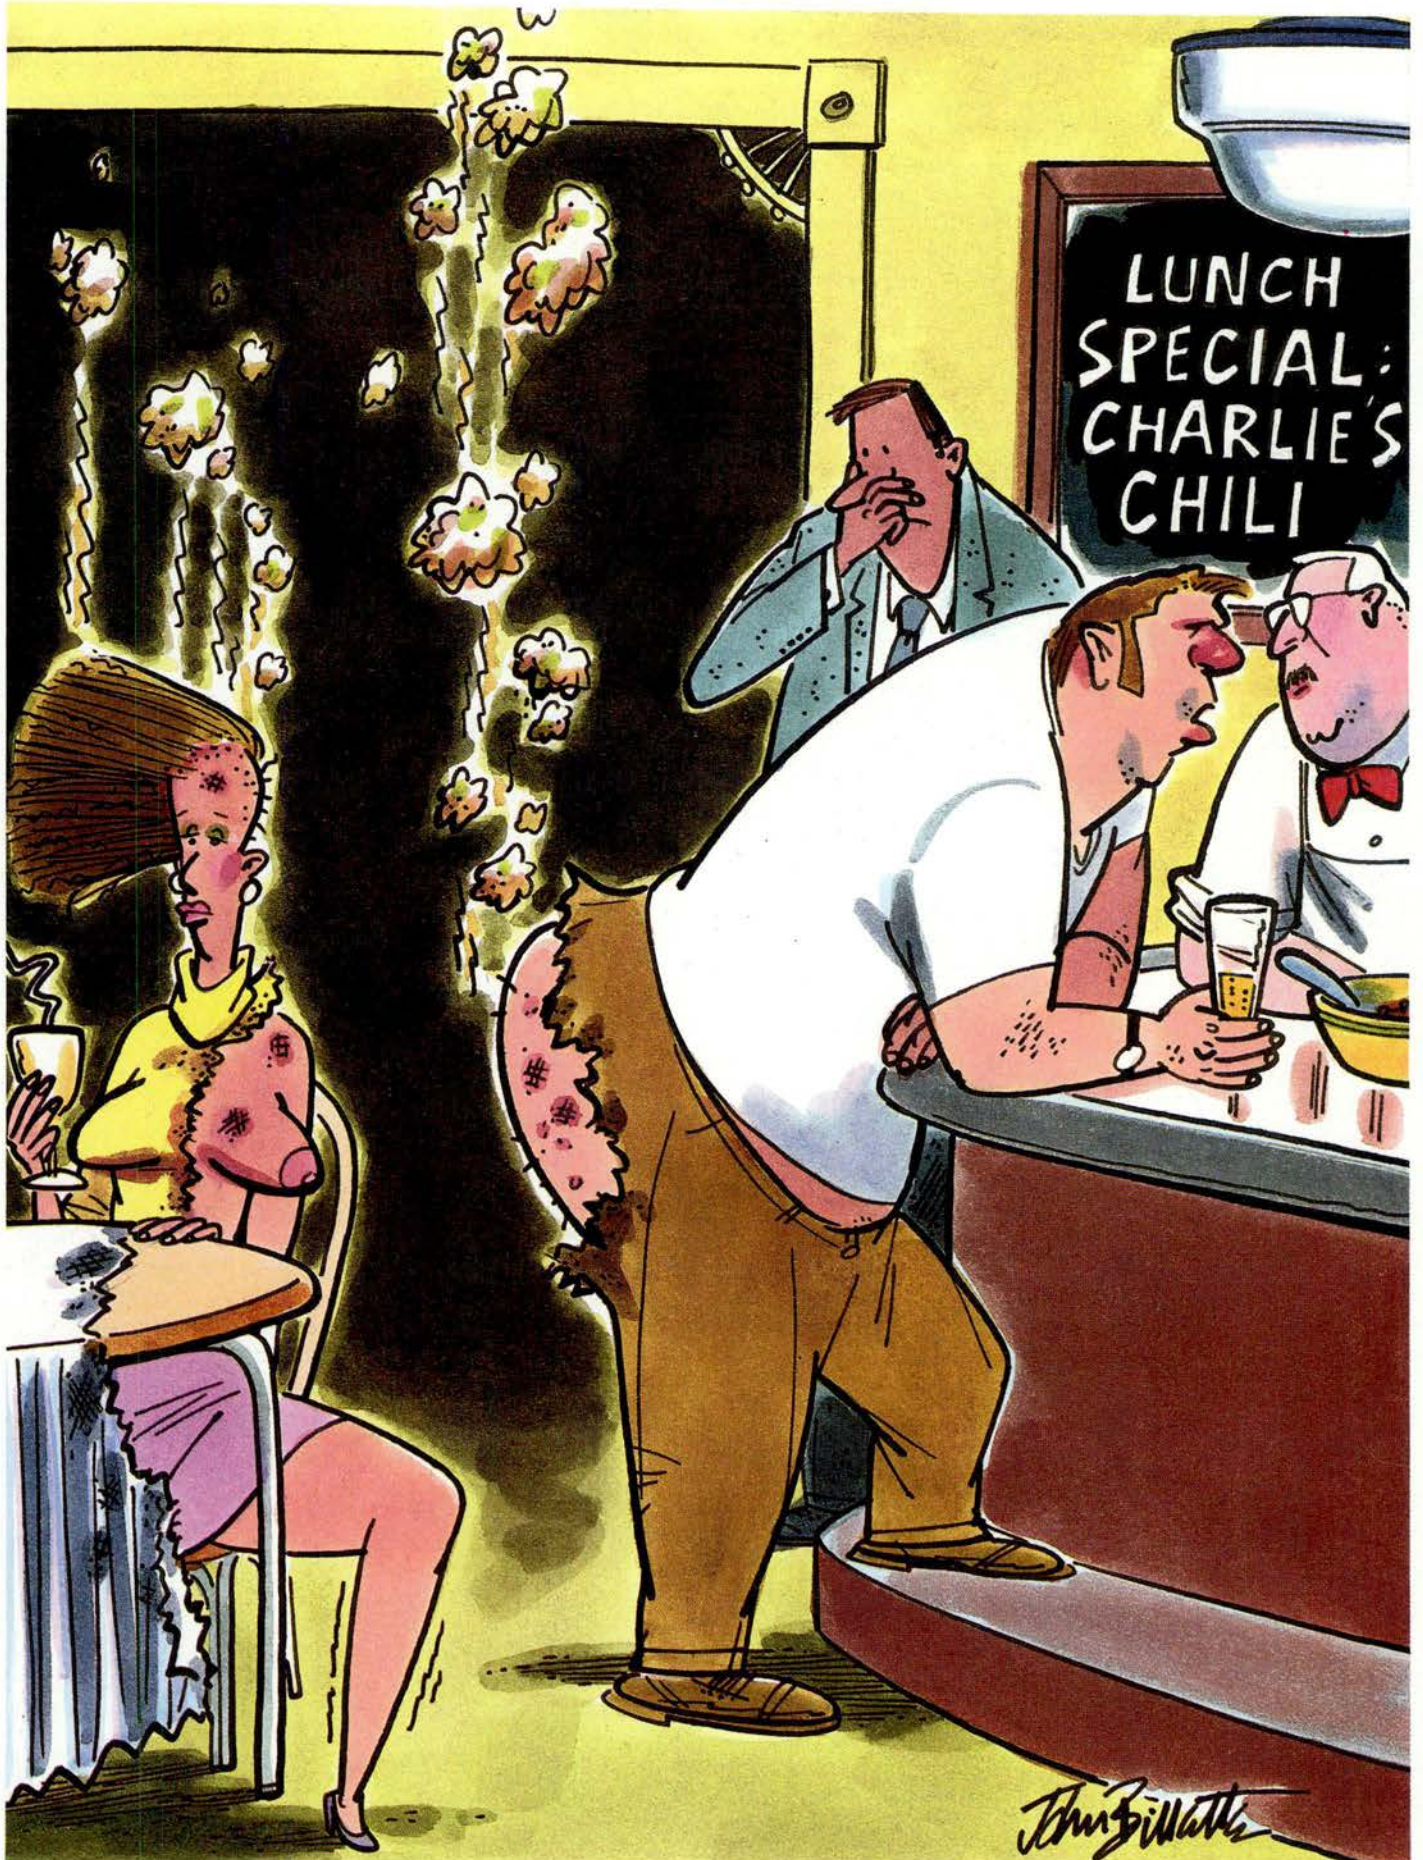

A major sanitarium in San Diego, which is licensed by the California State Department of Health, is another 19th-century throwback. Said San Diego County Superior Court Judge Jack R. Levitt: "They [the sanitarium] have no initial plan of care or continuing assessment of the patients' needs, they fail to administer or even order on a timely basis physician-ordered medication for the patients, and they administer medication to patients without a physician's prescription for it."

ICE CREAM, LITTLE LADY?

The National Council for Senior Citizens, citing government documents, reported that several nursing homes have been using their residents as unwitting guinea pigs for experimental new drugs.

"On your mark...get set...."

"Sorry, Charlie. Put her drinks on my tab..."

ELDERLY

Two nurse's aides, both self-admitted homosexuals, overpowered a sanitarium patient, strapped him to his bed and sodomized him.

Tests and practices that were outlawed years ago for convicts "are still being conducted on senior citizens in nursing homes," claims the Council.

The Food and Drug Administration conceded "problems with experimental drug programs" in the past, but said that regulations adopted in 1981 should have alleviated them.

Designed to curtail voluntary experimental drug programs, the FDA regulations do little, if anything, to stop or even hinder the involuntary Auschwitz-type experiments, such as one in which an old man who had refused to participate had an experimental drug slipped into a dish of ice cream. Another instance occurred when a lady who had refused an experimental pill was given the drug in a manner that would have made Dr. Josef Mengele proud—crushed and mixed with her applesauce.

"We're at the mercy of our keepers," complains 87-year-old Eula Moore, a former nursing-home resident. "Sometimes they [the nurses and assistants] seemed to enjoy being brutal."

•Twelve elderly patients die in

Florida's North Horizon Health Care Center in a two-week period. Bobbie Sue Dudley, night supervising nurse during the time of the deaths, is dismissed. Police investigate Dudley.

•For reasons still uncertain, two nurses at a Michigan nursing home viciously attacked an 81-year-old invalid.

•Two nurse's aides, both self-admitted homosexuals, overpowered a California sanitarium patient, strapped him to his bed and brutally sodomized him.

"In old age," philosophizes 84-year-old Constance Rosenblum, "we live under the shadow of death, which like a sword, may descend at any moment. In nursing homes the sword descends most quickly, most often." A retired school teacher, Mrs. Rosenblum was removed from a Dallas nursing home after her family received reports of vicious assaults and sexual batteries on residents of the home. "I was not removed," clarifies the feisty widow. "I was rescued."

Ruth Peltz was less fortunate.

"I knew Ruth was being raped," says Ken Hulbert, a former orderly at an Anaheim, California, sanitarium, "but

there was nothing I could do to stop it. Employees were warned by the sanitarium's administrators: 'Join in, look away, or be fired.' I was fired."

Hulbert explained why Ruth, who was partially paralyzed, was easy prey for both staff and other patients. "She was confined to a wheelchair, unable to move and always alone. When someone got an urge to fuck, he'd corner Ruth, force one of her legs over the arm of the wheelchair and have at it."

Reports of outrageous physical and sexual assaults against nursing-home residents escalate at an alarming pace. Hulbert suggests that the atrocities continue unimpeded because the public assumes that the occasional publicized case represents an aberration. "Or," Hulbert laughs, "maybe society believes authorities are dealing with the problem."

Of course, nothing could be further from the truth, and such a belief allows the atrocities to continue:

•While a patient at the Blalock Nursing Home in Houston, Texas, 84-year-old Jeannie Jones developed decubitus ulcers (bedsores) so severe that they were reportedly *infested with maggots*. She was transferred to Citizens General Hospital, where she died five days later.

•One month after becoming a patient at a nursing home owned by Casa Blanca, Mary McFadden was found (by a close friend) tied up in a wheelchair, sitting in a pool of urine. Her tongue was hanging out of her mouth, her arms and legs were swollen, and there were blisters on her heels the size of baseballs.

MAGGOTS. COCKROACHES. NEGLECT.

And moldy food. According to LVN Ellis, on at least two different occasions, Casa Blanca representatives issued directives to keep old food, spoiled or not. Liver, which had turned green with mold, was stored so it could be pureed and later served. Ellis went on to say that maggot-infested carrots were also saved and fed to Casa Blanca patients—all to cut the budget.

NURSING-HOME EMPLOYMENT PREREQUISITE: FORGERY

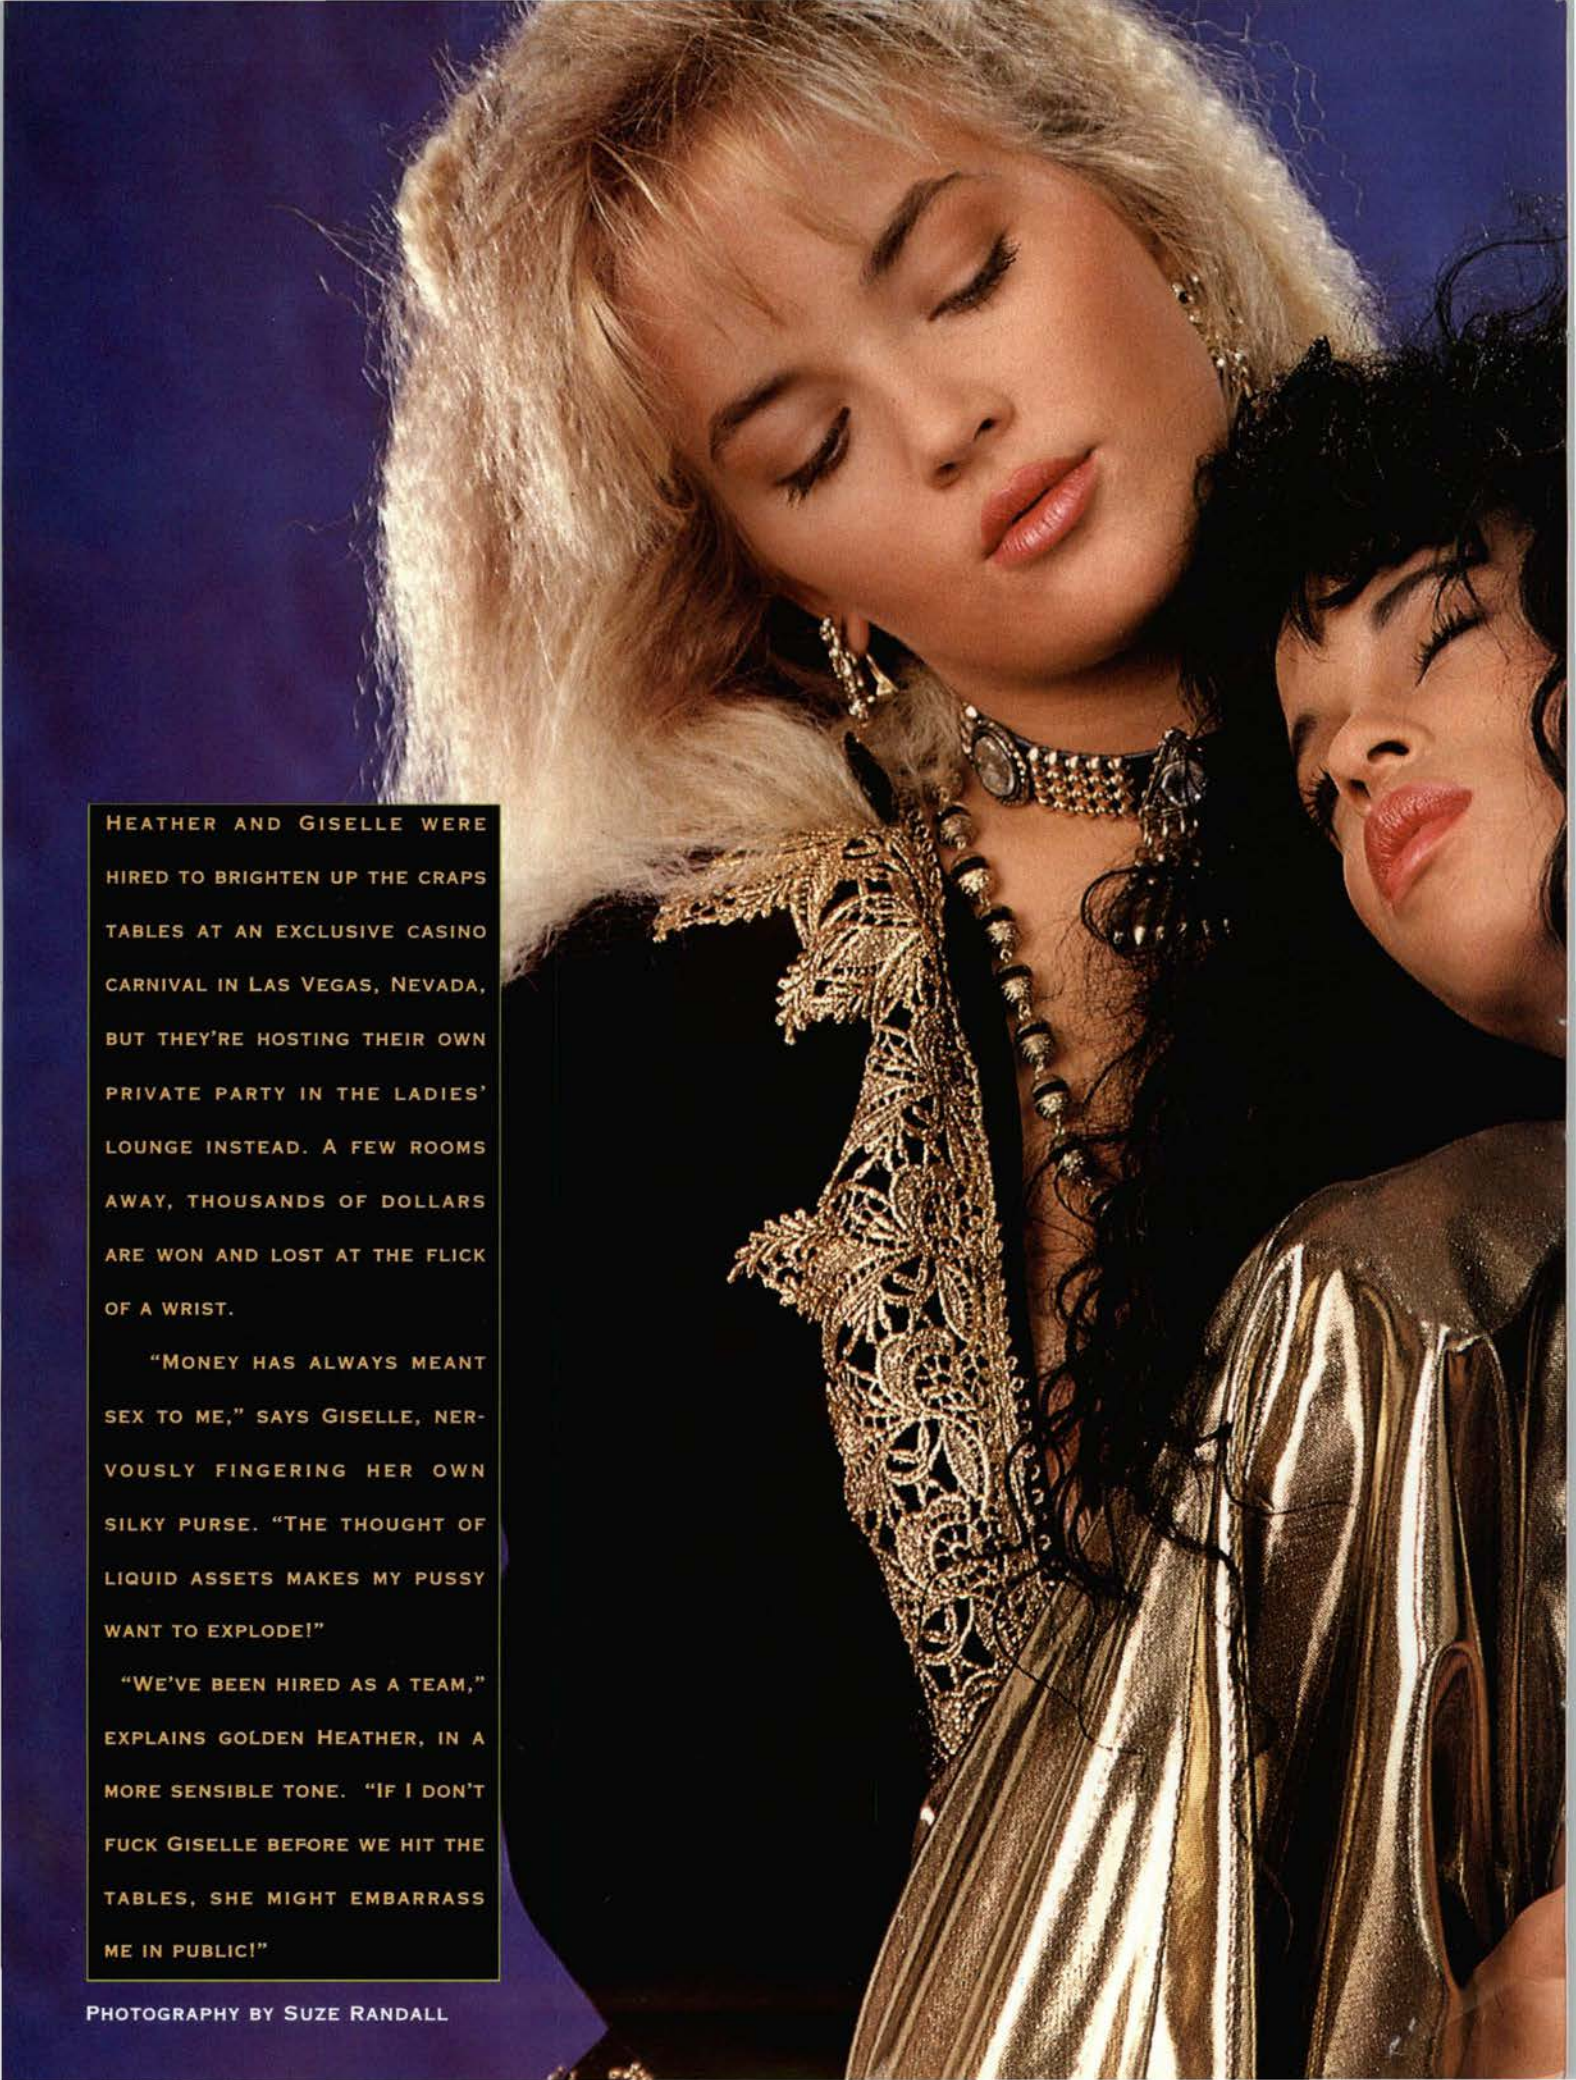

In order to circumvent patient-care regulations established by California's State Department of Health Services (DOHS) and evade DOHS inspectors, the San Diego nursing home employed a female whose sole job responsibility was to complete (fill in) blank spaces on a patient's medical chart or record, without attempting to verify accuracy. One important job requirement was having the ability to alter her style of writing so the chart or record would appear as if different aides and nurses had recorded the treatment.

Wheelchair-bound patients would be raced toward one another, pushed by orderlies who "got off on the terror on the old folks' faces."

The San Diego home was no different than others, avers Ellis, who remembers taking patients' charts to a doctor's office so he could complete them without having to go to the trouble of actually examining the patients.

Says an AMA spokesman: "We are aware of the problems in some nursing homes, but we do not have the staffing required to oversee the entire nursing-home operation."

The AMA reaction prompted a quick retort from Senator William S. Cohen (R-Maine): "One evil worse than not having laws on the books," he insists, "is having laws and not enforcing them."

Naturally, a few politicians actually have the unmitigated gall to praise the government's success in enforcing health-care standards in nursing homes.

"The quality of care provided in nursing homes has improved," bleats Dr. William L. Roper, who was appointed administrator of the Health Care Financing Administration at the Department of Health and Human Services by Ronald Reagan (the man who was to nursing homes what Scrooge is to Christmas). He

went on to say that the enforcement of government nursing-home standards designed to protect the patients has "had a high degree of success."

- Hebrew Home Development Director James Leest, and Shirley Windheim, executive director of Menorah Nursing Home, were indicted for soliciting \$55,000 in "payoffs" for accepting Medicaid patients.

- New York City's Florence Nightingale Nursing Home was cited for repeated instances of inadequate nursing care and poor patient treatment.

- Authorities investigated the death of a partially paralyzed 81-year-old woman who plunged down a flight of stairs in her wheelchair at a nursing home.

- Blind and suffering from Alzheimer's, an ARA Health Facilities nursing-home patient died as a result of gangrene and blood poisoning (caused by bedsores).

Yes, Dr. Roper, the government should be proud of its success. It has moved from maggots and cockroaches to gangrene and blood poisoning.

"Medical neglect isn't the only problem," notes Hulbert. "I've seen elderly

invalids used as pawns in games of 'chicken.'" He explains that wheelchair-bound patients would be raced head-on toward one another, the wheelchairs pushed by sadistic aides and orderlies who "got off on the looks of terror on the old folks' faces." Hulbert continues, "We transported many patients to Anaheim Memorial Hospital with broken bones."

In 15 years, according to the U.S. Census Bureau, one out of every five Americans will be 65 years of age or older. To whom will they turn for long-term health care?

If there is no significant improvement in the operation of the death camps across this country, the old men of tomorrow can look forward to broken bones and broken hearts while the old women can look forward to maggots in their vaginas and anuses.

A MATTER OF FINANCES

The biggest contributing factor to continuing atrocities in nursing homes is money—or the lack of it.

"Employees on average," says Hulbert, "work for minimum wage. Training and experience is not important. There is no background check on potential employees."

Adds Senator Heinz: "In far too many instances, nursing-home administrators cut back on health care in order to raise profits in each home."

Something has to change.

"The only way you cannot find abuse in our nursing homes," says Ken Hulbert, "is to not look for it." Although the American Medical Association clings to its 12% to 15% rate of abuse in nursing homes, neither the AMA nor the Department of Health and Human Services denies the fact that figures may be understated because nursing-home operators usually know when inspectors are coming and are able to conceal or temporarily correct major deficiencies.

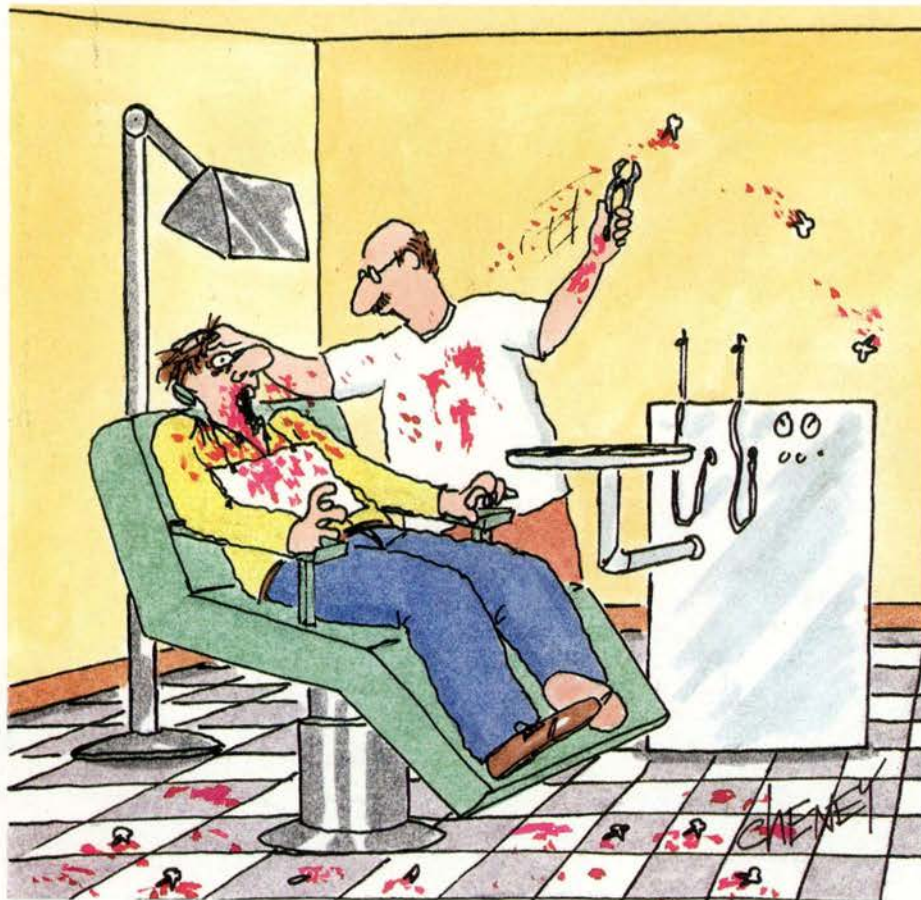

FIGHTING BACK

Texas State Prosecutor David Marks, appalled at the general conditions inside his state's nursing homes, brought murder indictments against several nursing-home employees, saying the patients died because they (employees) reduced patient care in order to increase profits. Marks explained that the deaths occurred in the course of a felony—defrauding Medicare by filing false claims—and therefore qualified as felony murder instead of negligent homicide.

For many the fight comes too late. For others....

SICK FUCKS

"The patient, a lawyer, age 26, was in the habit of catching live flies and pressing them to his penis while masturbating."

So you think *you've* got problems....

- "Case No. 81: The patient, a lawyer, age 26, was in the habit of catching live flies and pressing them to his penis while masturbating; squashing of the insect, orgasm and ejaculation—all these joined into one climactic experience." [Wilhelm Stekel, *Patterns of Psychosexual Infantilism*, p. 261.]

- "Case No. 38: Mr. G. F., 37, an engineer. A woman's kiss leads to orgasm if it is accompanied by the strange taste sensation of pus or blood. Women with bad teeth, especially if they have dentures, give him this sensation. A beautifully shaped mouth full of perfect teeth leaves him cold, while the mere thought of a denture causes sexual excitement." [Stekel, *Patterns of Psychosexual Infantilism*, p. 169.]

- "Case No. 49: A most singular case of my observation concerns a woman who suffers from a fetishism of collar buttons. Her basic feeling is an intense hatred of

these articles, and she is greatly irritated both by the sight of such buttons and also of the rings which their pressure so frequently leaves in the skin. But if her sexual appetite is aroused by a man...her fear of the buttons and her aversion to men transforms itself into a passionate curiosity to see them. She would like to put them in her mouth if possible and destroy them." [Hirschfeld, *Sexual Pathologie*, Volume III, quoted by Stekel, *Sexual Aberrations*, Volume I, p. 300.]

- "Case No. 29: A married but childless man of about 45, impotent and separated from his wife, had for some time been collecting all kinds of colored hats and student's and fraternity caps.... It was after his separation from his wife (which was due to his impotence) that he had begun to collect the caps. Whenever he would see such colored headgear, he would be overpowered by the desire to possess it, and whenever he would look over his collection of caps, he became

sexually provoked, would get an erection and immediate orgasm." [Stekel, *Sexual Aberrations*, Volume I, p. 190.]

Dog-eared stacks of psychiatric literature on sexual abnormality pile beside this reporter's bed. If they can help explain my own slaving infatuation for the fleshy crease below the knee in a woman's bent leg, it'll be a relatively cheap headshrinking. No such luck. Beyond pink, beyond kink, beyond the pale, the case histories of Richard von Krafft-Ebing and Wilhelm Stekel are an absolutely mind-blowing collection of psychoneurotic conditions the flesh is heir to. Pass the Librium.

Krafft-Ebing, the pioneering professor of perversion, preceded and influenced the leading sex researchers of this century, such as Havelock Ellis (*Studies in the Psychology of Sex*), Magnus Hirschfeld (the self-styled "Einstein of Sex") and Sigmund Freud and his entire school, including Wilhelm Stekel, who in a couple dozen phone-book-thick tomes compiled the straight skinny on the sexually insane. These sex researchers exploded a bomb into territory the medical establishment had wished into nonexistence for 1,000 years.

The charge ignited with the first edition, in German, of Krafft-Ebing's *Psychopathia Sexualis* in 1891. Despite the author's use of arcane technical language and descriptions of sexual acts in Latin in its first German edition, the medical community shit its pants. The unbelievably explicit descriptions of sexual perversion not only defied credulity, but also good taste, good sense and any remaining vestige of Victorian libido control as well. In 1893 The British Medical Journal actually debated whether or not to even review the English translation of this landmark work by the famous neurologist Krafft-Ebing, who had previously authored the definitive textbook on psychiatry: "We have considered at length whether we should notice this book or not, but we deem the importance of the subject and the position of the author make it necessary to refer to it in consideration of the feelings with which it has been discussed by the public. We have

questioned whether it should have been translated into English at all."

• "Case No. 229: In a provincial town a man was caught in intercourse with a hen. He was 30 years old, and of high social position. The chickens had been dying one after another, and the man causing it had been 'wanted' for a long time. To the question of the judge, as to the reason for such an act, the accused said that his genitals were so small that coitus with women was impossible. Medical examination showed that actually the genitals were extremely small. The man was mentally quite sound." [Krafft-Ebing, *Psychopathia Sexualis*, p. 375.]

Krafft-Ebing doesn't let on what he counseled this unfortunate man, but you can be sure he wouldn't have suggested employing a larger barnyard fuck mate or jerking off as alternatives, for the good doctor believed, as did most of his contemporaries, that masturbation itself led to madness. Krafft-Ebing went so far as to

believe chronic masturbation a genetic malady, passed on through the generations as a predisposition for "premature manifestations of sexual instinct."

"One girl masturbated shamelessly and almost constantly at the age of three. Another girl began at the age of eight, and continued to practice masturbation when married, and even during pregnancy. She was pregnant 12 times. Five of the children died early, four were hydrocephalic, and two boys began to masturbate—one at the age of seven, the other at the age of four." [Krafft-Ebing, *Psychopathia Sexualis*, p. 37.]

Krafft-Ebing hypnotized his patients to combat the "evils" of masturbation and homosexuality. Swinging his pocket watch, he would have certain patients repeat, "I abhor onanism, because it makes me weak and miserable. I no longer have an inclination toward men; for love for men is against religion, nature and law. I feel an inclination toward

woman; for woman is lovely and desirable, and created for man." On a particularly swishy patient, Krafft-Ebing claimed complete success when he learned that the patient "sought the address of a brothel."

Twenty years after the first publication of masturbation-negative *Psychopathia Sexualis*, Wilhelm Stekel authored a pamphlet, *Abstinence and Health*, which examined, as Stekel wrote in his autobiography, "the exaggerated fear regarding the consequences of masturbation. What had erroneously been considered a detrimental effect of masturbation was actually the result of a mental conflict created by the much-maligned sexual activity."

Despite the best psychiatric credentials (Stekel co-edited a psychiatric journal with Freud), Stekel's outpour of tomes on sexual perversity provoked hoots of derision from within and outside of the psychiatric community. *Sadism and Masochism*, *Sexual Aberrations*, *Peculiarities of Behavior*, *Patterns of Psychosexual Infantilism*, *Frigidity in the Woman*, *Impotence in the Male*—all chock-full of the bizarre convolutions of thwarted and excessive libido, proving again and again that truth is stranger than fiction. Despite their scientific context, some cases come off like a dirty French novel. Did you hear the one about the sex-crazed broad who'd come hundreds of times a day—and call it a nightmare? Stekel excerpts her diary in *Peculiarities of Behavior*:

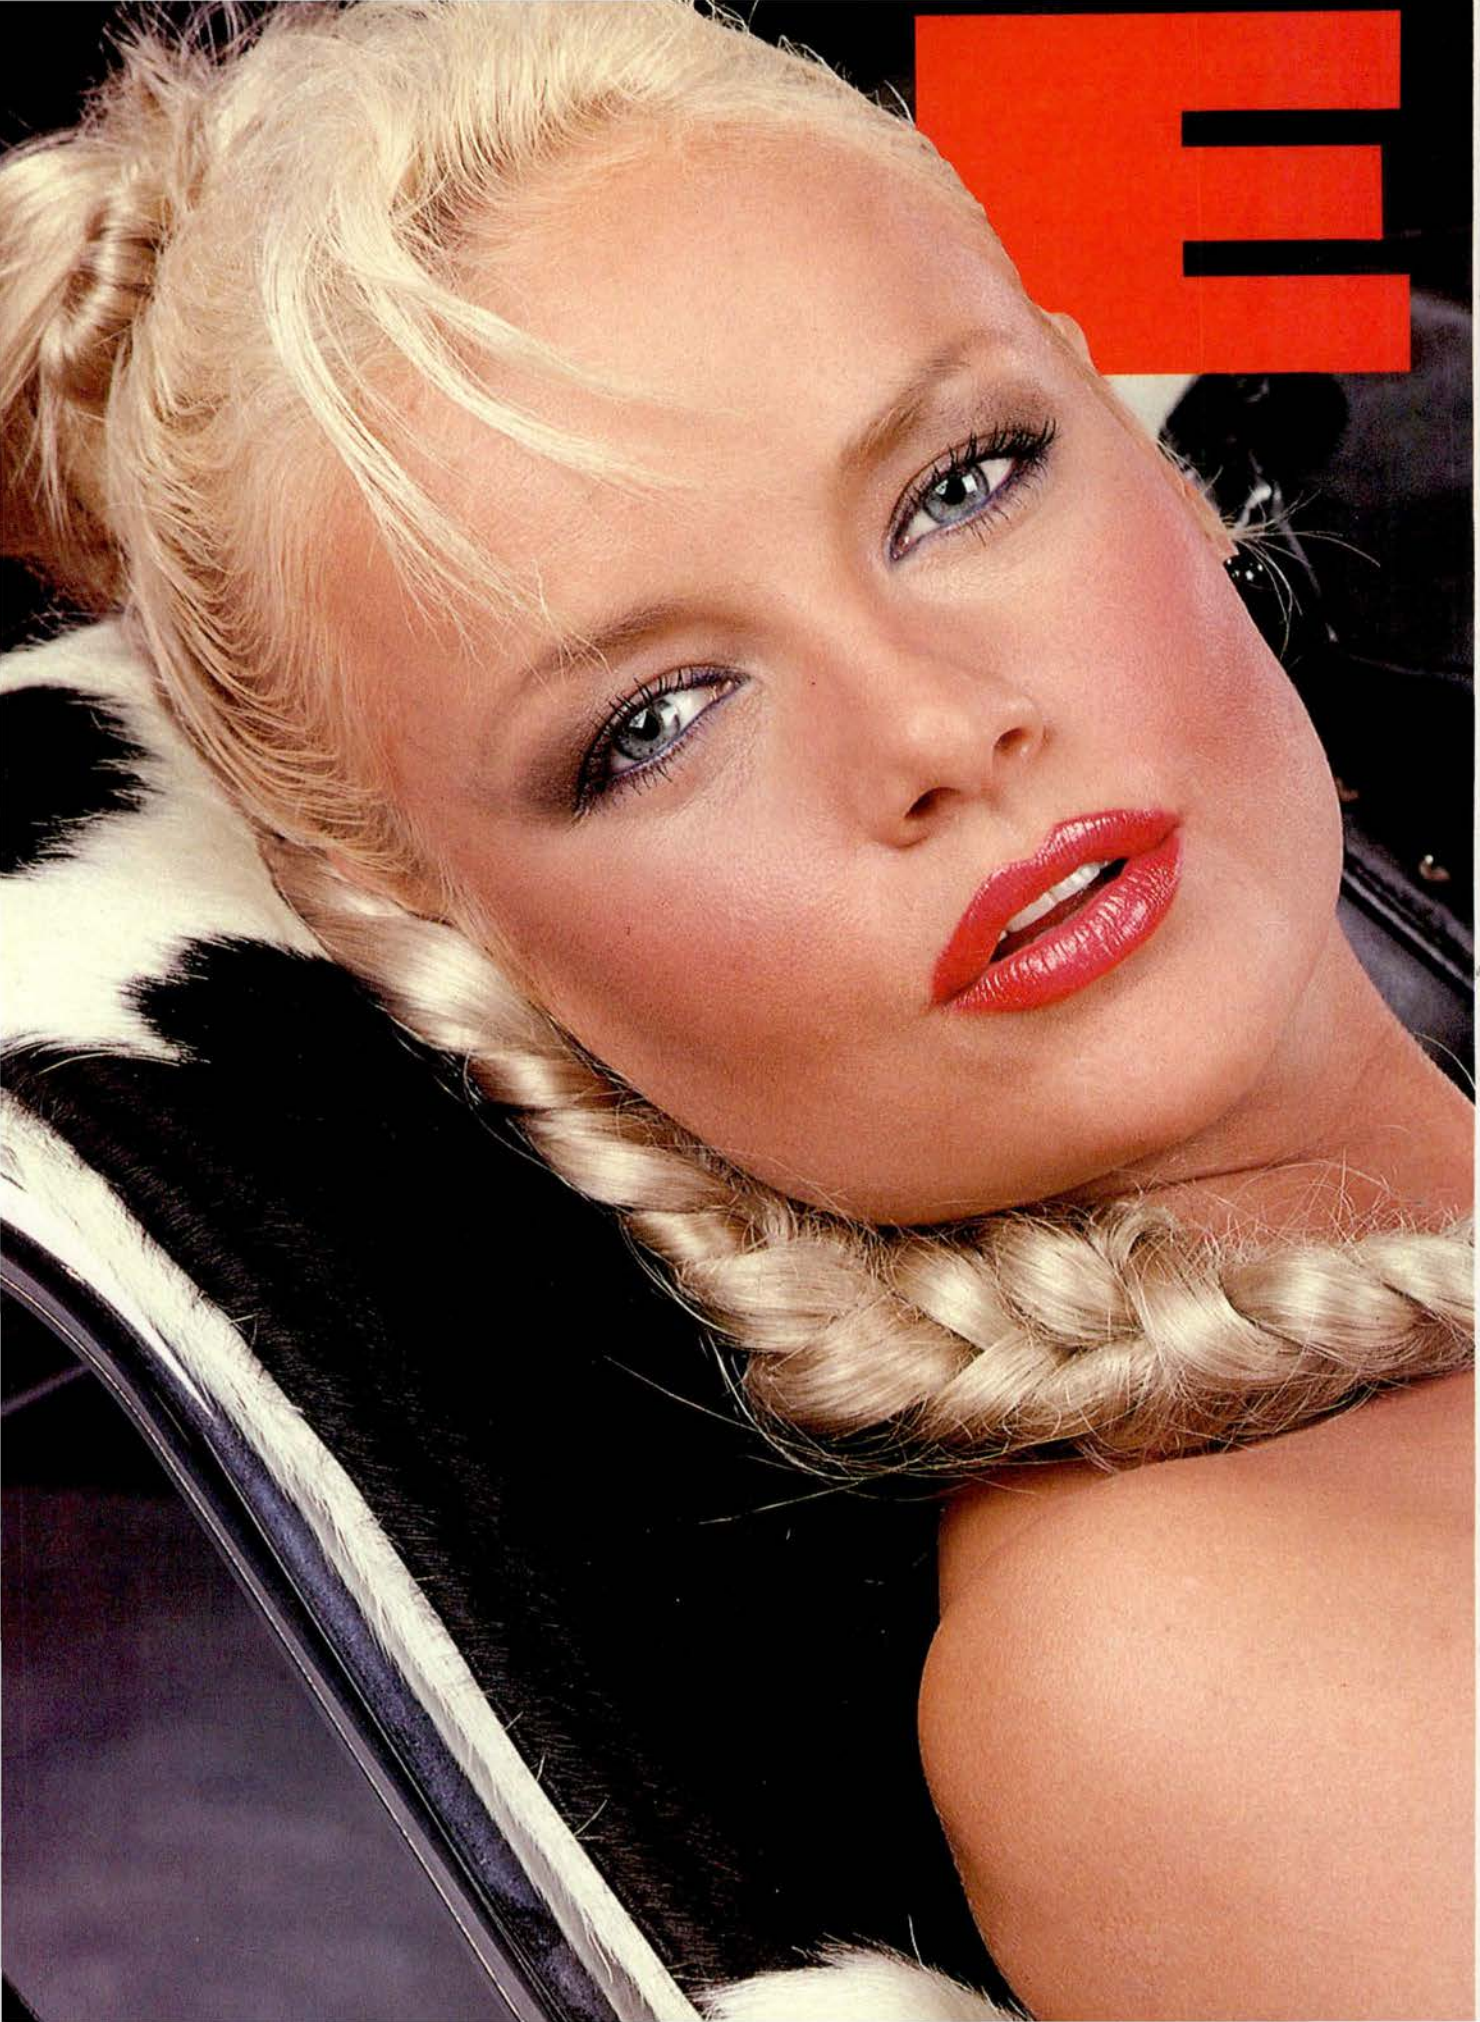

"On the street I had to fight very strongly against my fantasies. I could never plainly make out what I was daydreaming about. I felt as if I were in a trance. At the same time I experienced an endless number of orgasms. I had a vague notion that this interfered with the enjoyment of sexual intercourse with my husband. I did not care to have orgasms through my fancy weaving. But I did not know how to prevent it. Every time I went out, I was in torture. The moment I left the threshold of my house, I felt an orgasm coming on. I was afraid to keep going because I felt my excitement increasing with every step. Nothing helped—in a short time I had the orgasm. Trying to suppress the orgasm proved torturous. I grew highly excited, my whole body trembled, and a troublesome restlessness seized me. Usually I went out to do shopping, but as soon as I entered a store my inner agitation would drive me out again. The onset of the orgasm, which I tried to avoid, made it

Twenty-six-year-old Ericka works at a leather boutique in Dallas, Texas, and she likes to take the office home with her—on her back. “I’m not big on practicality,” she says. “I like clothes that are sexy. If the look of something turns me on, I put it on. Leather is warm, like a second skin. It breathes, and it slips off at the slightest touch. Half the fun of wearing clothes is taking them off.” Her voice drops to a husky whisper. “Leather smells like a man. I like that best of all. It puts me in a lather.” She smiles. “That almost rhymes, doesn’t it?”

HUSTLER HUMOR

The biker's old lady phoned the builder of their brand-new townhouse and complained that he'd done his work so shabbily that the whole place shook like hell whenever a train passed by—over two blocks away. "It nearly throws us outa bed at night!" she ranted.

"That's ridiculous," scoffed the contractor, "but I'll be right over with my entire crew to check it out for myself."

When they arrived, the biker's old lady instructed them to sit on the bed until the next train came along. The skeptical crew complied, and in the meantime, she went down to the basement to throw some laundry into the washer.

Just then, her old man came home from work, walked into the bedroom and, upon seeing the group of workmen sitting all over the bed, roared, "What the fuck's going on in here?"

"Aw, shit—you ain't gonna believe this," blubbered the contractor, "but your wife told us to wait here for a train."

This bloke had been looking for a really frigid hooker. Months later, he finally found one. Now fully satisfied, he told the madam as he was leaving, "I'll be back for her again."

"Better come before Friday," the madam replied.

"Why is that?" he asked.

"Because that's when we bury her."

The naive backwoods maiden walked into the drugstore to buy tampons for the first time. After scrutinizing shelf upon shelf of feminine-hygiene products, she timidly approached the pharmacist with her dilemma. "I'm confused by all these different brands and sizes," she confessed. "I don't know which ones to buy."

"I see," the pharmacist replied. "Tell me, what's your flow like?"

Puzzled, the girl replied, "It's linoleum. Why?"

While driving through the back roads of a small town, the Polish truckers came to an overpass with a sign that read: CLEARANCE: 11-3. They got out and measured their rig, which was 12-4.

"What do you think?" asked one, as they climbed back into the cab.

The driver looked around conspiratorially, then shifted into first. "Not a cop in sight. Let's take a chance!"

The HUSTLER Dictionary defines *obscene* as: choking to death on a pubic hair.

A woman had an old German shepherd that snored so loud she could never hear her soap operas in the afternoon. Over coffee one morning she happened to mention the problem to her neighbor, who leaned over and whispered confidentially that she had just the solution.

"The next time that it happens, tie a ribbon around his balls, and he'll stop," said the neighbor. "He won't even wake up."

That afternoon, during the first few minutes of *As the World Turns*, the dog came in, flopped onto his back and began snoring deeply; so the woman ran to her sewing room and grabbed a red ribbon. Sure enough, the neighbor was right—when the ribbon was tied around his nuts, the dog stopped snoring and never even woke up.

That very night was her husband's bowling night, and he came home very late and very drunk. He fell into bed, rolled onto his back and began to snore loudly, and as his wife lay there sleepless, she thought about her neighbor's advice. Fetching a blue ribbon from her sewing box, she tied it around her husband's balls. He fell silent and never stirred.

Later on that night, the husband woke up to take a leak. Still pretty drunk, he staggered down the hall, let the dog out and went to pee. Looking down at his cock, he noticed the blue ribbon, and when he let the dog back in, he noticed the red one. "Woofers," he said, slurring, "I don't know where we've been, but damn, we must have had a good time."

The true believers of Jolo, West Virginia, attest their faith with the bites of venomous snakes, and by defying the federal Pontius Pilates.

Witnessing by Lawrence Grodsky

SAINTS

A shoeless woman passes her snake to a second woman. As she does, she covers her mouth, grimaces and begins to writhe.

From the road it looks like a construction trailer or some kind of utility building, but inside the little one-room church is evidence of craftsmanship. The carpet is neatly tacked and molded to a dustless hardwood floor. The grain angles of the oak paneling mate perfectly en route to a beamed ceiling with five big fans.

By twos and threes the congregation files through the doorway in their well-creased, styled-down clothes, a scene that could be played in small Protestant churches almost anywhere in the broad, rural torso of America.

Expensive musical instruments are spread across the rear of the pulpit: guitars with amplifiers, an organ and a large drum set. Twelve feet away are two hardwood boxes with metal studs and padlocks on them. They occupy a conspicuous place front and center on the pulpit, and on each of them are stamped the words *Lord Jesus*. No one goes near these boxes.

I'm not comfortable here. I feel as if the word *interloper* has been whittled into

my forehead with a Barlow knife. I'm relieved to hear the music finally start.

I've heard about the organist; she is the pastor's granddaughter—a prodigy. "I know I'm the best," she boasts, "because the Lord taught me to play!"

Her voice is a soulful instrument too—country like Tanya Tucker and bitchy like Tina Turner. But the funk steaming off that organ makes Jerry Lee Lewis sound downright Episcopalian. This is sho' nuff devil music. It exhausts you and makes you feel weightless. Now the five ceiling fans are turning in a low whirl, their images reflected in glistening puddles of perspiration on the floor.

A silver-haired man bends down over the mystery box and unlatches it. As he does, a young girl seated in a front pew gets up and moves to the back of the room. The music stops, and the room falls silent for a protracted moment. The silver-haired man turns to face the congregation; as he does, the pastor shouts to them, "C'mon—do what the Lord would have

ya t'do!" The silver-haired man completes his turn, but his face is still hidden—behind a tangle of gleaming black and yellow snakes!

A fellow worshiper, a hunched-over man with a mildly disfigured hand, reaches out and embraces one of the slithering reptiles. A shoeless woman of about 60 takes another. A different kind of music seizes the chapel. This is a cacophonous mix of foot stomping and rapid, undecipherable chatter that is interspersed with wails of pain or ecstasy.

The shoeless woman passes her snake to a second woman. As she does, she covers her mouth, grimaces and begins to writhe. Several feet away, the man with the crippled hand is bobbing uncontrollably with several large snakes just inches away from his hot, red face.

Visualize pine trees silhouetted against a starry sky, deer tracks scattered across a virgin snowfield and curls of smoke chuffing from the chimney of a log cabin where bread is baking and banjo music floats softly into the winter night. In the mind's travelogue, it's this page that America turns to for proof that life is good and clean and right.

But this ain't Walton's Mountain. It's Jolo, West Virginia; Appalachia—gaping wounds opened by dynamite and coal shovels bleed sulfurous rivulets; hollows strewn with junk cars are fetid with garbage that never gets collected. These are the vanquished hopes of an America that doesn't sweat recession because it's never dug out of the Depression. People don't live off of this land; they die off of it.

That's exactly what Dewey Chafin doesn't want me to write. Chafin is the silver-haired man, an ex-miner who now spends his days in the service of his church. He's the man who catches, feeds and delivers the snakes.

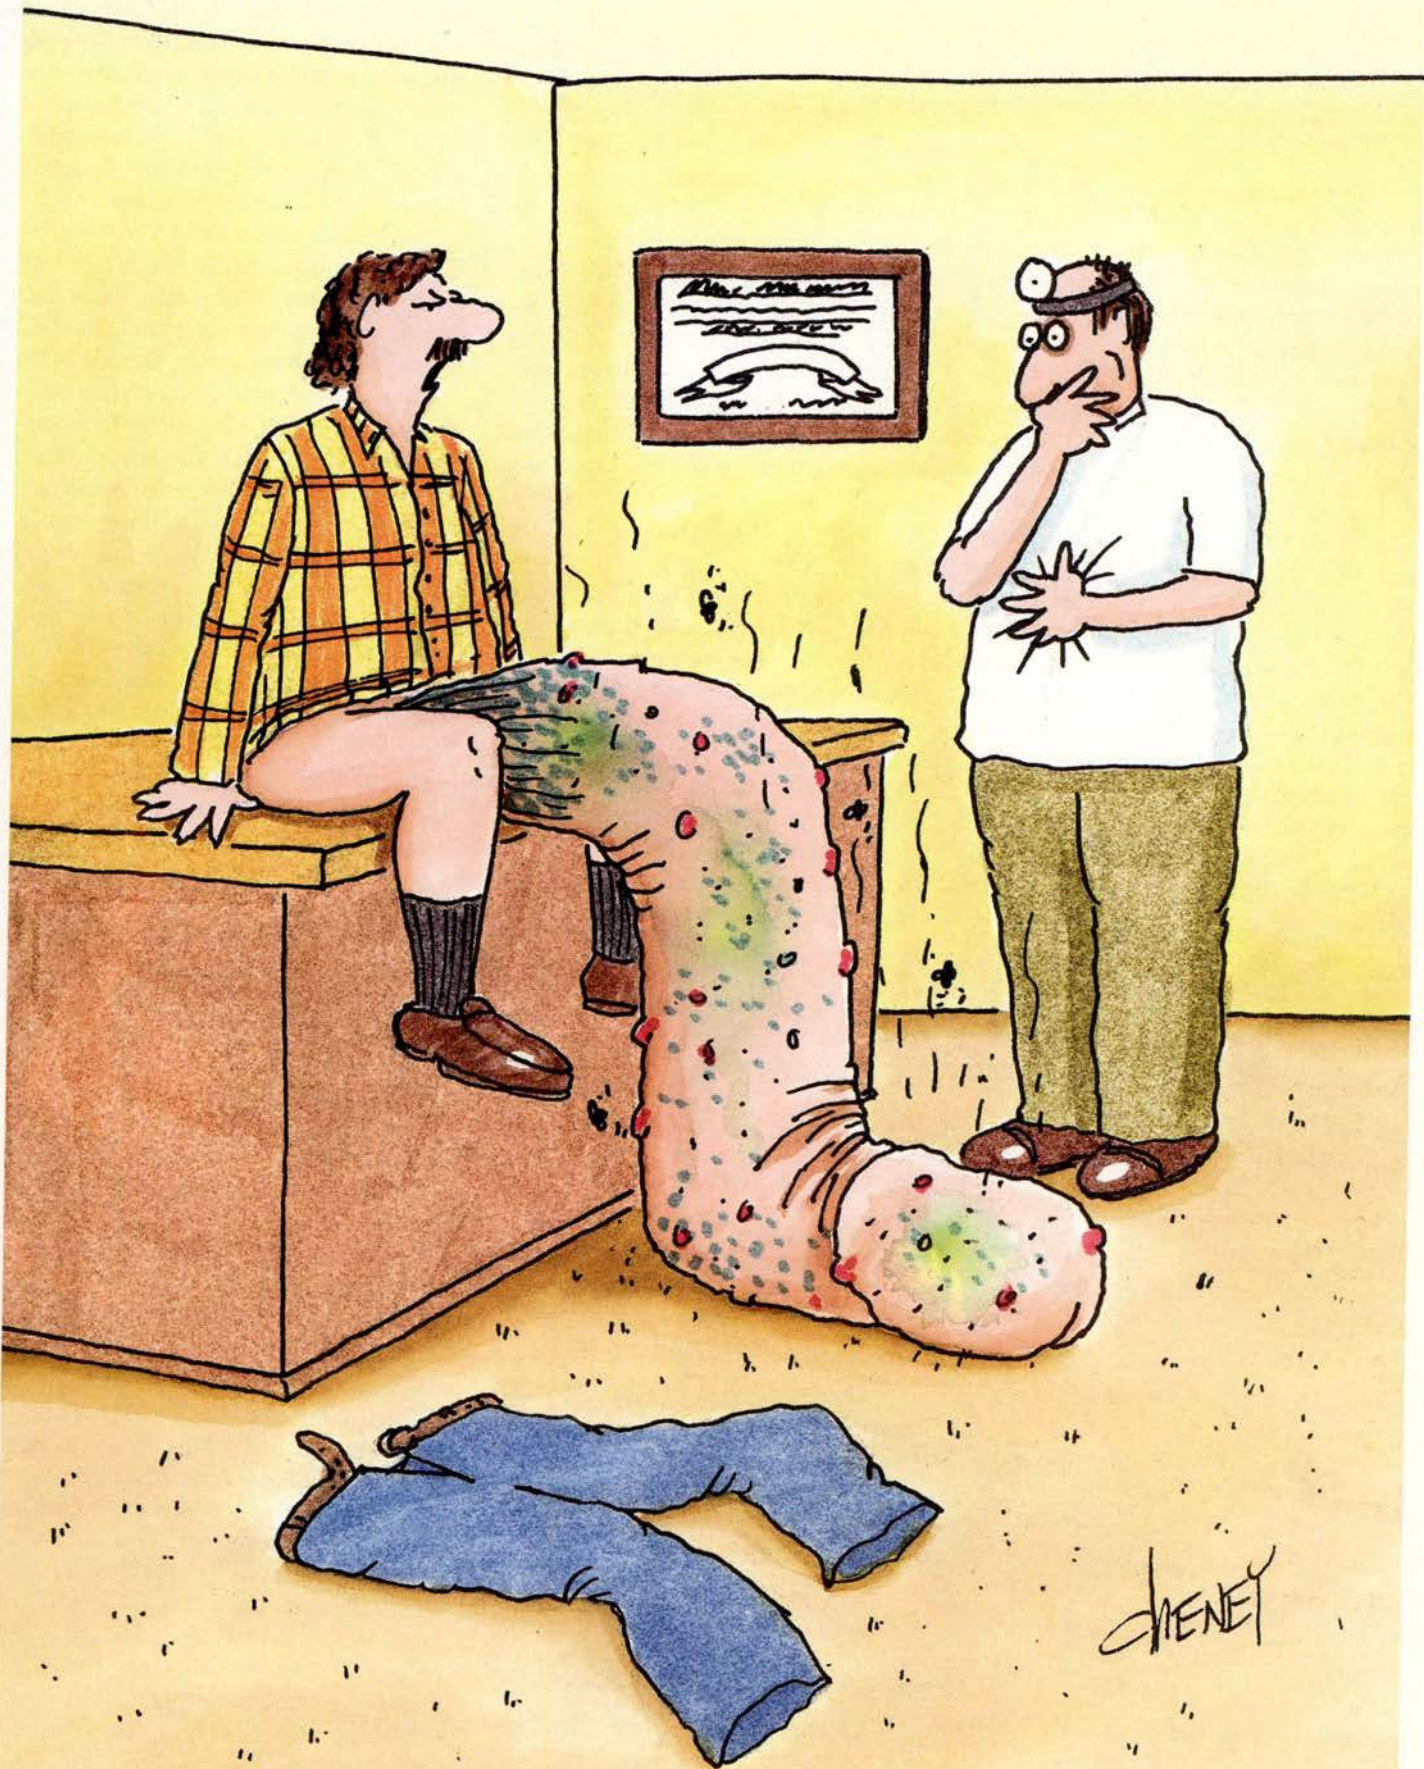

"Why is it that they always go into Jolo and take a picture of the most run-down building?" asks Chafin, pondering past visits from intruders with notebooks and cameras.

"We're not poor," says Chafin's mother, Barbara Elkins. "We're middle class. Some are upper middle!"

"We're a clean people," adds her husband, Bob, pastor of the Church of Lord Jesus. A dark and compact, potent-eyed man, he sits quietly on the pulpit, cradling a Fender bass in fingers blackened by decades of digging coal.

These are the survivors. It shows in

their solid, well-scrubbed chapel, in their fresh clothes and in their fingers, which are bent and swollen by snakebites.

We all know the reason that I'm here is snakes. I've seen it with my own eyes, but I want to know why.

The simplest explanation is that the sect takes its course from Chapter 16, Verse 18, of the Gospel According to Mark, part of the so-called disputed text that follows Christ's resurrection. The passage, which biblical scholars believe was added to Mark in the second century, reads, "They shall take up serpents; and if they drink any deadly thing, it shall not hurt them."

In 1909, George Hensley, a lay preacher from Grasshopper Valley, Tennessee, read that passage and decided to show the Lord his conviction. To his next prayer meeting he brought a huge rattlesnake and, reading the commandment aloud to his congregation, enjoined them to demonstrate their faith by embracing the poisonous serpent.

"Natural man cannot conquer a serpent," asserts Bob Elkins. "Man itself can do noth-

ing—he's a vegetable that the Lord uses."

For 46 years Hensley preached his gospel throughout the South. During those years, thousands were drawn to the snake-handling cult; 16 of them are known to have perished in prayer. On July 25, 1955, that number rose to 17. George Hensley, survivor of over 400 attacks, died of a fatal snakebite at the age of 70.

"When you look a rattler in the eye, it's like holding your life in your hand," says William Hollins, a pallid, nervous-eyed young man. "I'll tell you, you better be right with God!"

Serpent handling is illegal in Hollins's home state of Kentucky; so he drives three hours from Hazard to worship in Jolo at the church of his mother and stepfather. In between Saturday and Sunday night services, he spends the hours entrenched in Bible study with Lydia Webb, the church organist.

During breaks, they show me their "snakebite scrapbooks," filled with snapshot upon snapshot of ghostly white faces and purple-black forearms swollen to ele-

phantine proportions, the proud mementos of victorious battles with Satan.

Webb, an attractive woman in her mid-30s, is the worldliest and most extroverted church member; thus, she is the group's unofficial spokesperson. Lydia's an enigma—a cultist with a penchant for outside contact. She gives me a message to relay to a mutual acquaintance, a TV journalist, then checks my notes to make sure I've written it down. A compliment on her banana pudding draws a carefully printed recipe. Then she slips a tape into the VCR.

It's of a recent gathering which united the Jolo congregation with others from surrounding states. Snake-handling churches convene several times a year at "homecomings," which are special occasions warranting tests of faith, including the imbibing of a strychnine solution, euphemistically called the "salvation cocktail."

It's very crowded, but in the center of the screen I watch a man hold a snake in his left hand while his right commands a flame from his lighter. The snake leaps so quickly that the camera records little more than a blur. The man lolls backward, as if in a state of religious ecstasy.

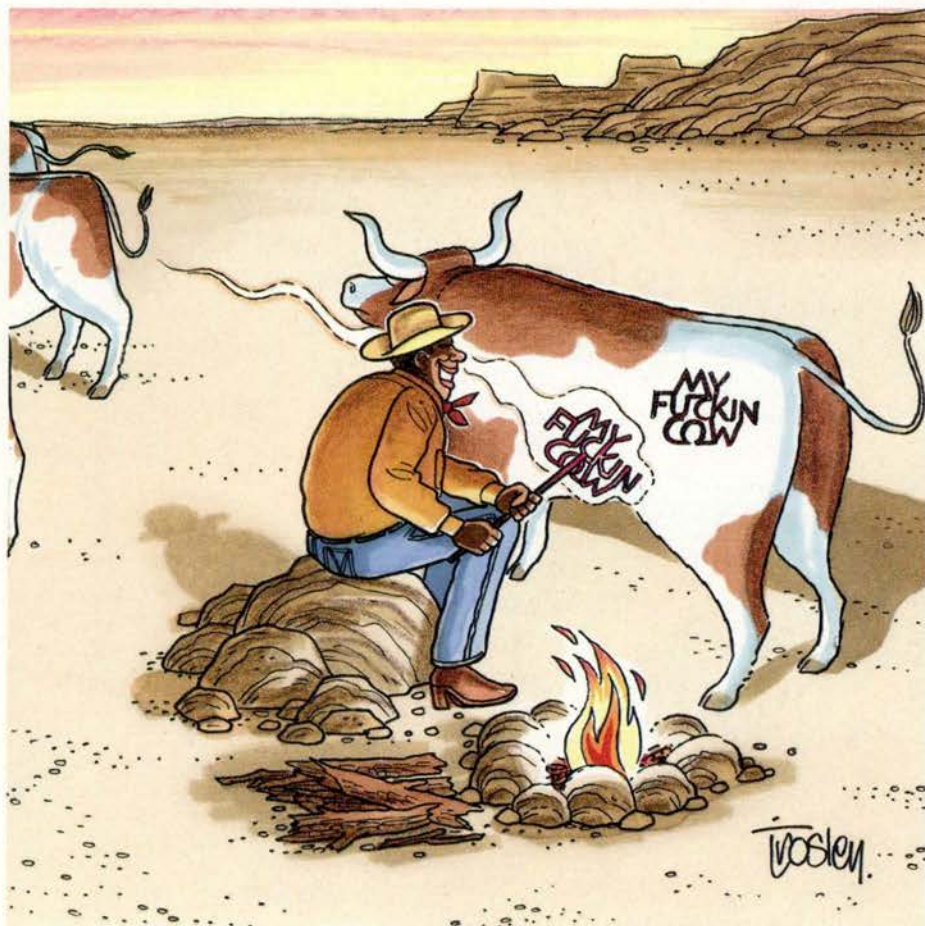

In the spirit is the term used to describe the vast catalog of involuntary behaviors that coincide with snake handling. They range from trances to temporary paralysis. "But," says Barbara Elkins, who was introduced to snake handling by George Hensley, "I know everything I'm doing; when I'm in the spirit, I'm smarter than I ever am."

This man may be in the spirit, but he's been bitten. He's going to be offered medical attention, which he'll refuse, even though the pain, according to Dewey Chafin, "is 100 times worse than a toothache." Delirium and vomiting can go on for days; fever can last for weeks. The venom rots away at muscle, bone and nerve tissue, often leaving the victim with partial paralysis and stumpy fingers.

This man is going to get very, very sick. Friends and loved ones will stand beside him in a 48-hour vigil, praying to God for his recovery and then for his soul.

From Genesis to Revelations, the serpent is the Bible's unremitting symbol for evil. To Barbara Elkins, it's no mere metaphor:

"They're the visible signs of the devil. From the beginning of time, when the devil was in the Garden, he was one before men. Since then, he's been crawlin' around on his belly and eatin' the dust of the earth."

"Back, back, back! It's outa here!"

SAINTS

It is believed that the fully devout also have the power to cast out devils, speak in new tongues, heal the sick and drink poison.

In biblical times, poisonous vipers posed a daily threat to man's survival. Today, every region on Earth has at least one poisonous snake, and snakebites still claim about 35,000 lives per year. Why more serpent handlers don't die in church is a question that baffles scientists, but not Dewey Chafin.

"It's all in the spirit," maintains Chafin, who's been bitten 106 times.

The ability to handle deadly snakes is but one of five divine powers promised in Mark's gospel. It is believed that the fully devout also have the power to cast out devils, speak in new tongues, heal the sick and drink poison. However, since the text reads, "[If] they drink any deadly thing, it shall not harm them," it's not considered a commandment per se. Another test of faith is to pass a flame over one's bare flesh.

This latter practice reached sublime heights when Reverend Colonel Hartman Bunn began performing at prayer meetings in the '40s and '50s. The most famous of these was a 1948 interstate convention in Durham, North Carolina, attended by over

1,500 people. By this time, laws had been passed in Tennessee and North Carolina forbidding snake handling, and Bunn orchestrated the event as much for publicity as salvation. It worked, drawing coverage by newspapers as well as an international newsreel service and *Life* magazine.

On several occasions, Bunn was jailed for violating snake-handling ordinances. By 1955 Kentucky, Virginia, Tennessee, Georgia and North Carolina had laws forbidding snake handling, but there is no record of violent confrontations between law officers and churchgoers. The cult faded from the national spotlight, at least until 1961, when an incident in West Virginia, one of the few mountain states still allowing the practice, claimed the life of a 23-year-old woman—Barbara Elkins's daughter.

The Church of Lord Jesus hired a lawyer and took its case before the West Virginia Legislature, which stood poised to strike down the last outpost of legalized snake handling. Barbara Elkins, still

grieving over the loss of her daughter, was among those who testified in Charleston.

"I'm letting God fight my battle. You think I'm going to let these judges make me back up on my salvation? No!"

It was a rare legal victory for snake handling, even though the Jolo congregation has known little persecution at the hands of local authorities. They steadfastly forbid the handling of snakes by children under 18, and stricken members are always offered the option of medical treatment. Brady Mullins, a police officer in nearby Bradshaw, says: "They can do what they want, as long as they don't hurt anyone else. It's not like a Jim Jones thing. It's just a religion, plain and simple."

NEW YEAR'S EVE, 1989

It's been three years since I was last in the Church of Lord Jesus, but it hardly looks as though a day has passed. I don't know how I'll be received after all this time, but my apprehension is assuaged some by a few friendly smiles.

Just making it to church on wintry coal country roads can take a small miracle, and there are many rows of empty seats. But Dewey Chafin is here, looking healthy, and Reverend Elkins too. Elkins's wife, Barbara, still occupies her matriarchal seat on the pulpit, but her once-sanguine cheeks have gone thin and gray.

Elkins begins his sermon. He's no young man, but for all his coal digging and snake handling, he looks as though he could have 20 years of fire and brimstone left. His eyes appear softer, and to my ears his ministry has a gentler edge, like that of a man counting his days.

"We wish there was more out," he sighs, alluding to the small turnout. "We're glad for this boy." He nods and points in my direction. "We're just glad for everybody that's here t'night."

As per custom, he reiterates the importance of the five powers. "But I tell ya," he interposes, "the greatest thing of all is seein' somebody fall out with sin and find the Lord before it's too late."

But what about the cool, dark power locked inside those two wooden boxes? I watch the man with the lame hand hover over them as if balanced by some electromagnetic force field. If sizzling bolts of blue light were to leap from his fingertips, it would be a simple task to record that act of sorcery. But how to trace the imponder-

impossible for me to remain on one spot for any length of time. Consequently, I could neither stand nor sit still. I had to move back and forth all the time. I could hardly tarry long enough to be waited on.... If I went to a number of stores, running back and forth, I was able to withhold the orgasm for a time; that was as much as I was able to accomplish. Matters grew worse; I became sexually roused as soon as I began preparing to go out; indeed, soon matters came to such a pass that I began to feel sexual excitation the moment I got up from my seat. Finally, every change of posture induced an excitation within my vagina so that I did not dare get off the chair to walk around my room...." [Stekel, *Peculiarities of Behavior*, pp. 49-50.]

Stekel's sleuthing reveals the source of this woman's irksome orgasms in the repression of a wild fuck she had had with her brother years before. At first, the woman orgasmed in the street around men

who resembled her brother; later, merely the anticipation of such a moment would set her off.

If some episodes read like an Olympia Press meat-beater, others recall filthy borsch-circuit schtick at its lowest. Could the psychiatric community suppress a laugh at Krafft-Ebing's Case No. 211, a middle-aged transvestite and chronic masturbator who enjoyed nothing more than dipping his cock and balls in jars of milk? Krafft-Ebing adds, with a note of distaste, that the man was "cynical enough" to sell the dick-dipped mammary juice to customers at his wife's milk shop. Oy! Hide the liver from this guy, will ya?

You know it's a tip-off for a juicy case study when the patient is severely religious or pious. In *The Psychology of Sex*, Havelock Ellis points out that "the ascetic performs exactly the same acts as are performed in these excesses of erotic enthusiasm. To mix excreta with the food, to lick

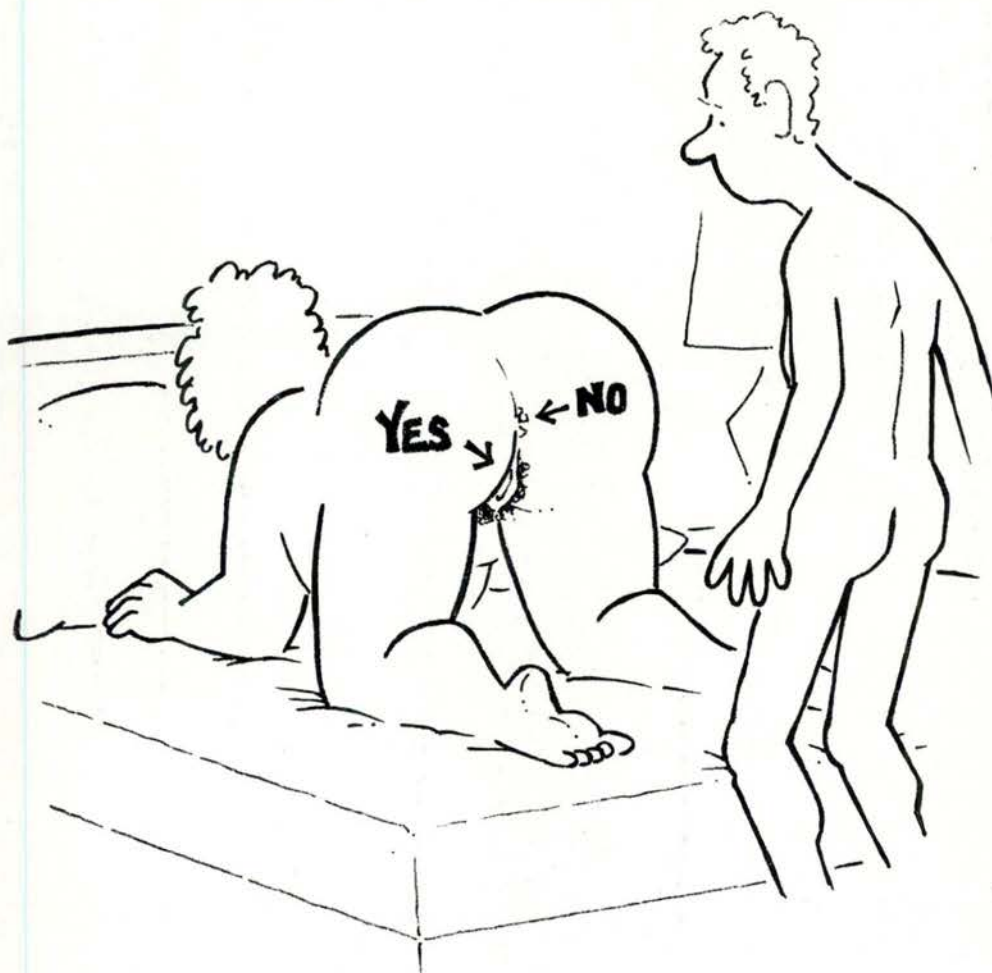

up excrement, to suck festering sores—all these and the like are acts which holy and venerated women have performed." The equation of frustrated sexuality equaling religiosity was quite thoroughly explored by Freud and Wilhelm Reich in the post-World War II classic, *The Mass Psychology of Fascism*. Millions of orgasmically insufficient women go to church daily to cry their lungs out at the image of the crucifixion, which Freud believed represents the castrated or impotent male. Sexually satisfied women who harbor no guilt for quenching sexual thirst usually derive no catharsis from such religious symbolism. Thus, the high percentage of old maids and frigid, secret man-haters at mock orgasmic church ceremonies. Keep out a wary eye for the pious.

• "Case No. 11: Krafft-Ebing reports the following interesting case: A monk, of a gloomy temperament, was known to be a sleepwalker. One night while his prior sat at the writing desk, absorbed in thought, the sleepwalking monk glided into the room, with his eyes wide open, clutching a knife in his hand. He noticed neither the prior seated at the table nor the burning candle; stepping slowly up to the cot he stuck his knife three times into the bedclothes and then walked back to his cell, satisfied. Next morning he confessed to the astonished prior that he had dreamed the prior had killed his mother and that her bloodstained shadow appeared to him demanding revenge. Shortly thereafter, he woke up, found himself lying in his cot, bathed in perspiration, and thanked God that it was only a horrible dream. The monk was astounded when the prior told him what had happened." [Stekel, *Peculiarities of Behavior*, pp. 35-36.]

The acme of sick fuckery comes, of course, with the bizarreries of necrosadistic impulses. Often they lurk under the cover of normalcy:

• "Case No. 31: A 53-year-old, very elegant man is known among [a prostitute's] associates as the sofa stabber. He goes only to those prostitutes who know his mania and are not afraid of him. He undresses himself, murmurs all sorts of wild but completely unintelligible words, throws himself upon the sofa, and stabs it through ever so many times with a knife. Then brief coitus takes place, after which he lies for some time as if unconscious...." [Stekel, *Sadism and Masochism*, Volume 11, p. 75.]

Photography by James Baes

When a girl's name is Sandy, it's easy to understand why she sticks close to shore. "I've been a surfer girl since I was old enough to swim by myself," says 24-year-old Sandy from La Jolla, California. "Back then, all that mattered was how many boys were on the beach. Watching a bunch of bare-assed boys hang ten got me totally hot. I've grown up a lot since then. These days I go to the beach to kick back by myself. I'm still the same inside. Only difference is, I don't just watch the waves anymore—I make them."

able conduit of another man's soul? He's in the spirit; I'm not. I'm not allowed to know what it feels like on the other side of that darkness.

[Natural man cannot conquer a serpent...it's all in the spirit....]

Fuck it! I don't know if it's duty or obsession or a little boy taking a big, bad boy's dare, but I swallow deeply and surrender my palms to Dewey Chafin. Another second, and I'll be in the club.

A crackly voice snaps at me, "Don't you touch them!" It's Barbara Elkins, who lifted not a finger to stop her own daughter's death. The other church members stand back, apparently willing to let her assume this magisterial role.

"Do you pray? No! Maybe you do. You may think you know about religion, but you don't know about salvation!"

Not enough to argue the point, and asking more questions would be fruitless. This here's the terminus. Maybe it was even a sign from God. That's the thing about salvation: If you have to ask how much it costs, you can't afford it. ☹

• "Case No. 30: Mr. K. H. always has a fowl with him when he goes to a brothel. This fowl he has to strangle before the eyes of the prostitute; then he throws himself upon her and performs coitus with a great orgasm. Without the bird he is completely impotent...." [Stekel, *Sadism and Masochism*, Volume II, p. 74.]

Reading *Psychopathia Sexualis* is strangely comforting. Among company like the elderly gent who can only ejaculate by defecating on a young girl's décolletage or the geezer who can only spew while sucking the snot out of a woman's nose, a leg-crease fetish is positively wholesome. Our final entry puts the psychopath in *Psychopathia*:

• "Case No. 97: L., laborer, was arrested because he had cut a large piece of skin from his left forearm with a pair of scissors in a public park. He confessed that for a long time he had been craving to eat a piece of the fine white skin of a maiden, and that for this purpose he had been lying in wait for such a victim with a pair of scissors; but, as he had been unsuccessful,

he desisted from his purpose and instead had cut his own skin....

"He began onanism at an early age, and read by preference pious books. His character showed traits of superstition, proneness to the mystic, and ostentatious acts of devotion.

"When 13 his lustful anomaly awoke at the sight of a beautiful young girl who had a fine white skin. The impulse to bite off a piece of that skin and eat it became paramount with him. No other parts of the female excited him. He never had any desire for sexual intercourse, and never attempted such.

"He hoped to achieve his end easier with the aid of scissors than with his teeth, for which reason he always carried a pair with him for years. On several occasions his efforts were nearly successful. Since the previous year he found it most difficult to bear his failures any longer, when he decided upon a substitute—each time when he had unsuccessfully pursued a girl he would cut a piece of skin from his own arm, thigh or abdomen and eat it. Imagining that it was a piece of the skin of the girl whom he had pursued, he would whilst masticating his own skin obtain orgasm and ejaculation.

"Many extensive and deep wounds and numerous scars were found all over his body.

"During the act of self-mutilation, and for a long time afterward, he suffered severe pains, but they were overcompensated by the lustful feelings which he experienced whilst eating the raw flesh, especially if the latter dripped with blood, and when he succeeded in his illusion that it was the skin of a virgin. The mere sight of a knife or scissors sufficed to provoke this perverse impulse, which threw him into a state of anxiety, accompanied by profuse perspiration, vertigo, palpitation of the heart, craving for the skin of a woman. He must, with scissors in hand, follow the woman that attracted him, but he did not lose consciousness or self-control, for at the acme of the crisis he took from his own what was denied him from the body of the girl. During the whole crisis he had erection and orgasm, and at the very moment when he began to chew the piece of his skin, ejaculation set in. After that he felt greatly relieved and comforted." [Krafft-Ebing, *Psychopathia Sexualis*, pp. 156-157.]

BEAVER HUNT

Photo by Boyfriend

Sex and sun—in that order—are 22-year-old Terie's two favorite things. She's a full-time student from Denton, Texas, who spends her extra indoor hours working out and dancing. Terie dreams of long, uninterrupted fucks on a tropical island with her boyfriend. Evidently her all-over tan craves some all-over lovin'.

Photo by Friend

Brains and fuckability meet in 24-year-old Rheanan from Torrance, California. Rheanan is a premed student who likes solving logic problems, challenging Mensa members to tests of higher IQs and outwitting Jeopardy! On the earthier side, her fantasy is to make love on a waterbed covered in oil. Presumably, she'd like to have her brains fucked out.

Does this look like a girl who digs spiders and bats? Twenty-four-year-old Shannon from Porterville, California, who works on her car, collects clocks, and likes leather, Harleys and driving fast. Shannon wants to make it with Axl Rose. Yeah, yeah. Rock 'n' rollers get all the choice babes.

Photo by Ex-Boyfriend

This may not be 21-year-old Mandy's favorite sexual position, but it's a helluva start. Mandy's a topless dancer from Kokomo, Indiana, who livens up her work routine with off-hours modeling and dancing. Her fantasy is to have sex with two men—something she could easily do in this position.

Twenty-nine-year-old Morgana is a retail sales manager from Marysville, California, who's into sex, boating, movies and modeling. Her fantasy is to star in an XXX-rated video. Lights, camera—you with the whip, take center stage!

Something on the ceiling has caught the attention of 20-year-old Lita from Albuquerque, New Mexico. Lita's a nurse's assistant, and she likes to ride horses, play basketball and read. She wants to give head while either having a girl lick her pussy or getting it up the ass. Maybe she sees her husband breaking into the air duct. Lita spends too much time in the john thinking up this kinky stuff!

This Beaver's got a sense of humor, and a sexy new pair of tits, looks like. Thirty-one-year-old Nicole is a housewife from Farmington, Michigan. When she isn't swimming or dancing, she's dreaming about appearing in HUSTLER Magazine. Wake up now, Nicole! The tub's running over.

Currently unemployed, 31-year-old Amanda Lynn has plenty of time to indulge in her favorite hobbies, which are camping and fast motorcycle rides. She's a native of Fresno, California, and would love to make her boyfriend's fantasy come true: a threeway with the two of them and another woman. Fantasies like Amanda's sure liven up the unemployment line.

Marissa, a teacher, likes *HUSTLER Magazine* because it's educational. She wants to go back in time and fuck the Emperor Nero while Rome burns around them. ENLARGE YOUR PENIS TO IT'S MAXIMUM! HAVE ERECT MEASUREMENTS OF 9, 10 EVEN 12 FULL INCHES!

The MERLIN is the ONLY Penis Developer you will ever need!

Is the size of your penis bringing you down? Sure, the medical authorities say the size doesn't count, but as long as women have a need to be filled, they will demand the full measure of devotion. And no amount of psychological reassurance will fill the gap between expectation and reality.

Now, with a simple device you can follow in the footsteps of thousands of men who have proven that there is a way to INCREASE PENIS SIZE and THICKNESS! The device is called the MERLIN ELECTRIC VACUUM ENLARGER. A safe and proven natural way to add inches to penis length and thickness. With the MERLIN, you will see yourself grow to dimensions you never thought possible.

HOW CAN THE MERLIN ELECTRIC VACUUM ENLARGER INCREASE PENIS LENGTH & THICKNESS?

Your erection is caused by blood flowing into hollow caverns inside your penis. The caverns fill with blood and your penis grows in size and thickness and becomes stiffer and stiffer until the caverns are filled with all the blood they can hold. BUT, IF YOU INCREASE THE CAPACITY OF THE CAVERNS BY MAKING THEM BIGGER, THEY HOLD MORE BLOOD and you have a correspondingly longer, thicker penis. Regular use of the MERLIN gently urges the caverns to expand... expand... expand. You'll see the astonishing results the first time you use your MERLIN. Your penis will grow inside the clear, picture window sleeve. Immediately you'll see just how really BIG... how really FAT... how LONG... how HARD and STIFF your own penis can get! And after regular sessions with the MERLIN you'll probably find as do most men that these size gains don't go away! They become a part of you to thrill and excite her!

THE MERLIN IS SIMPLY THE MOST POWERFUL ENLARGEMENT SYSTEM YOU CAN PURCHASE ANYWHERE! AT ANY PRICE!

This powerful, totally electric unit (U.L. approved) is equipped to plug into any wall outlet to give you continuous, even sucking power until you shut it off! Unlike noisy electric vacuum enlargers costing upwards of \$100 - the MERLIN is "quite as a whisper." This sophisticated instrument is by far the state of the art in penis enhancing machinery. It has taken time, money and first-class engineering to produce what many have called the "Rolls Royce" of vacuum enlargers. The MERLIN is a finely crafted precision instrument designed to create the vacuum needed to make the male organ LONG and THICKER. If you are truly serious about penis enlargement - the MERLIN will do the job for you!

WHY BUY...OR RENT... THE SAME OLD BORING VIDEOS FEATURING THE SAME OLD BORING PORNO STARS, WHEN YOU CAN BE WATCHING THE HOTTEST, MOST EXCITING NEW CONCEPT IN ADULT VIDEO ENTERTAINMENT!

A RARE TREAT!

Where pornography has been legal, accepted and available for quite some time, consumers of adult entertainment found themselves getting jaded, bored, and in search of something "new". Tired of the same old productions being offered at exorbitant prices and featuring the same shopworn porno actresses, a small group of adventurous couples got together and started a club so they could purchase or exchange with other members, high-quality videotapes featuring amateurs having explicit sexual relations of all kinds! If you've never seen an "amateur" hardcore video before, you are in for a treat — there is nothing quite like it! There is something so spontaneous, so exciting, and so downright cock-stiffening about seeing real, ordinary people like housewives, stewardesses, sorority girls, secretaries, nurses, and their lovers having oral, anal, group, and kinky sex that you must see it to believe it. When you realize that the young girl from Des Moines who takes two cocks up her ass at once, (tape #SV-31) is actually a receptionist for a law firm, it adds a new dimension to your sexual pleasure... one that is pretty hard to beat! Or when you see the young blonde housewife experiencing triple penetration, (tape #SV-45) and realize that she could be your next door neighbor, it's enough to make your mouth water with sexual excitement! There's no doubt about it, this new concept of hardcore amateur video has caught on. It is now the hottest, most in-demand type of sexual video.

SOME MEMBERS WISH TO PERFORM BEFORE THE CAMERAS!

But, you DO NOT have to perform sex acts on camera to be a member and enjoy all the benefits. And you DO NOT have to place your name and/or phone number in our confidential phone book. We would need your consent and signature to do this. Therefore, if you so desire, you can remain completely anonymous and just purchase videotapes or photo albums for your viewing pleasure. **THE CHOICE IS YOURS!**

PROFESSIONAL QUALITY WITHOUT THE PROFESSIONAL PRICE TAG!

These are not typical "home-made" videos. We are dedicated to quality. These productions are shot live in homes, motels, apartments, backyards, vans, garages, etc. After our experts select them, they are professionally converted to 3/4" master tape, color enhanced and duplicated with state-of-the-art technology. The quality is as good as store bought tape — but with one big difference... the PRICE! No big name stars, no big production costs, no big staffs and crews, and no big

royalties to be paid. The net result is you have access to the hottest new idea in sexual entertainment for little more than the cost of a blank tape!

YOU CAN BECOME PART OF THE SOPHISTICATES!

If you are really interested, and we mean really, you can become a member of The Sophisticates and enjoy all the benefits and privileges of membership. We do however insist on your absolute sincerity, since after all, the other members are revealing their personal identities to you, taking you inside their bedrooms, and allowing you to watch them having intimate sexual contact. It's important that you be sincerely interested in viewing what some people may consider downright kinky or even sexually deviate. This invitation is not for the squeamish or sexually timid.

Young 'n' Hot

Hi, I'm Toni and I just turned 18. I've done some modeling for clothes and swimwear, but what I really want is to do some wild poses for you. Everyone thinks I'm shy and innocent, if they only knew what I do behind closed doors! Ever since I lost my virginity I've been horny 24 hrs. a day and I've done some bizzare things to satisfy my urges. So if you hurry and send me \$3 for samples or \$5 for 8 color photos, I'll show you what bizzare really means.

BATTERY ENERGIZED! DOES THE JOB FOR YOU AND FEELS GOOD TOO!

Our competition offers regular models (not powered) or electric models (uses electricity and may be dangerous) for up to \$40. Now with the original battery-powered Komet sex aid you can prosthetically add 3 to 4 inches to any size penis. All this without strenuous exercise or electricity. The Komet's state-of-the-art engineering produces a steady flow of energy to produce the desired results and pleasurable sensations.

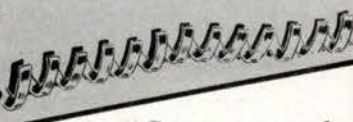

IF THE SIZE OF YOUR PENIS IS IMPORTANT TO YOU, THEN YOU OWE IT TO YOURSELF AND YOUR PARTNER TO ADD 3 OR 4 EXTRA INCHES!

You have everything to gain and nothing to lose. Why use a non-powered unit or risk inserting your penis into an electric unit. (You know liquids, cremes and jells and electricity don't mix and can be dangerous.) Why take chances. We will replace any defective model for 1 year plus shipping and handling charges.

CAUTION: Komet is the original, highest quality battery powered aid. Do not accept any cheaper model at any price.

HUSTLER

August HUSTLER on sale June 19, 1990

ROCKET FUEL

HUSTLER blasts into its 17th year with pussy power to light up the end of the century and beyond. An otherworldly beauty crowns Australia's rugged coastline with glistening toe-curling flesh; black lingerie brings pale pink to living color when two hot suburban Yankee housewives meet in a drive-by motel; a beach-trash quartet thrashes sun-blossomed cunts and cocks in a scratchy sand orgy; and an ermine-clad class ass brings high-mindedness to a solo j.o. Don't be left behind. HUSTLER takes off in August.

SUGAR WALL

Experience the other half of Berlin as few Westerners have in Dolores French's gripping firsthand account of East German sex, *Achtung on my Tongue*, an intimate tour of reunification-fornication. Iron Curtain sex is as *beiss* as it gets.

BUTCHER BROTHERHOOD

Violent gangs spill blood and misery into every city in America. Bloods and Crips are notorious; dozens of others are known only by the random murders they leave behind. In *Our Gangs*, Vince Neuman maps the brutal territory of a subculture that places foremost in its agenda the destruction of civilization. Information is our greatest weapon. We've got it.

MIND-FUCK

August's fiction places us squarely in the mind-set of a man stripped of every reason to act like a human being. Lost love is behind this tragic schism, but ideals were stolen before that, robbed by a world that shits on humanity. *Chicken-Fried Killer*, by Hiram Lippsitz, is a gut-turning glimpse into the depths of hell—not for the faint of heart.

STEADY AS SHE GOES

Annie Sprinkle visits *Sex Play* with the benefit of her years of sex research, bringing "101 Uses for Sex" into inquiring laps everywhere; *Erotic Entertainment* continues its hard-fought search for a Fully Erect; *Hot Letters* heats up cool summer nights; *Beaver Hunt* knocks, and naked American women answer the door; and *Bits & Pieces* presents an antidote for the sickness of racism, "When Whites Are Blacks," a hilarious, relevant look at the other side of the coin. If you can't stand the heat, make it hotter. HUSTLER in August is sizzling.
