ASSHOLE OF THE MONTH

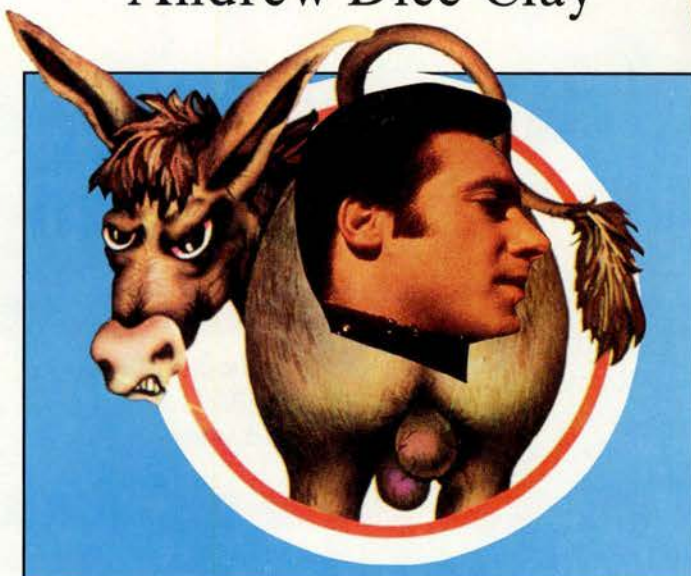

Andrew Dice Clay

Even the biggest wraparound, triple-jointed toilet python started out as a fecal fleck in the eye of the Almighty Sphincters. Andrew Dice Clay, HUSTLER's Asshole of the Month for November of 1990, is no exception. The Diceman, as Clay fondly calls himself, was until recently just another bumfuck, wannabe big-shit in a swirling, porcelain-lined whirlpool of careerist craps. But Clay was a stinker with a vision, a cherished inner view of himself as top log on Turd Mountain.

The road from greasy nobody to oily celebrity was no toll-free expressway for Clay. Dice's diarrhetic rise, to a poop-peak from which he can proclaim himself "the hottest comic in the world" without triggering an avalanche of incredulous bowel droppings, has been a long struggle. His hip-deep climb was hampered by dozens of seemingly unpassable obstructions, not the least of which is his hard-to-isolate, undefinable and possibly nonexistent talent.

Clay attributes his success to hard work, and few paid entertainers have labored more or are more belaboring than Andrew Dice Clay.

Using a comedic style that shows all the finesse of a slob drunk regaling a frat party with a Mister Microphone, Andrew Dice has worked overtime doing a dirty job on "chink bastards," "slant-eyes," "geeks," "nips," "urine-colored" taxi

drivers, "faggots," American Indians (whom Clay uproariously terms "dumb as shit"), the homeless, non-black foreigners, women ("dishrag hoo'ers") and, in general, anyone who lacks the leverage to reach his mouth with a toilet brush and a can of Lysol.

As if stomping on the defenseless, dispossessed and disenfranchised were not arduous toil enough, Clay has also saddled himself with the wearying task of not offending anyone who might matter. Hollywood mogul types, whose influence could help or hinder Clay's career moves, are free from attack.

Blacks, whose legendary penis size and fabled bedroom prowess A. D. C. can only envy, earn the Diceman's grudging approval. "Faggots," who as a subcommunity command some of the most sensitive positions within the entertainment world, have been dropped from the Clay repertoire of scapegoats.

When does a workaholic Asshole get to rest?

Never, it would seem. The stress of being the hardest-working scumbag in showbiz has proven too much for Clay. His veneer has a crack in it, a stinking, fuzzy bush of a crack. Andrew Dice Clay has revealed him-

self for what he really is — a woman.

Clay is probably completely ignorant of her true feminine identity, just as she is ignorant of so much else. She doesn't even know her real name, claiming that Andrew Dice Clay is in actuality Andrew Clay Silverstein, a human not to be confused with the comedic creation.

Adding fluster to bluster was Clay's weepy-eyed on-air appeal to Arsenio Hall's millions of viewers for *understanding* as a *real person* with *feelings* and everything, just like us guys. She might as well have come out and asked for a *relationship* and requested that we don't come in her eyes or on her hair. The cat — or pussy, rather — was out of the bag for mixed-gender, flesh-and-blood cartoon Dice Clay.

Clay's railings against the female sex are obviously the result of a deep-seated self-loathing at being born with a gleet-leaking gash slashed between her legs.

The Dicefemme's shameful secret could have gone with her to the one-trick-phony graveyard, but she crumbled when critics picked on her and said nasty things about her "incredibly lifeless and stupid" movie.

If Clay, Silverstein, Shitlips, whomever, can't stand a little stink, she shouldn't be such an Asshole.

FARTS IN THE WIND

George Steinbrenner — The ego-stricken New York Yankees owner has been in the public eye since his 1974 conviction of violating campaign-contribution laws in Richard Nixon's '72 election. Now, with his Yankees rooted in last place, Steinbrenner has been caught using one of Tricky Dick's tricks: hiring a criminal-fringe type to spy on his own players. Steinbrenner has been an Asshole among Assholes for decades.

William H. Rehnquist — The United States is often depicted as a place where a man can speak his mind. Supreme Court Chief Justice William H. Rehnquist, however, seems to believe that Americans are no longer entitled to their opinions and can be slapped with libel suits for not keeping their mouths shut. Rehnquist's views are only his opinion, which he is

entitled to, just as we are entitled to the opinion that he is an Asshole.

Aunette Roberson and Phyllis Vance — Mothers of teenage boys who took one another out in a suicide pact, Roberson and Vance are suing CBS records, claiming subliminal messages prompted their sons to kill themselves. Is a rock 'n' roll record at fault, or can a history of emotional turmoil be to blame? Any mother would know, unless she's an Asshole.

Word Up! Rufus be talkin' to you! Every white boy knows that we got the biggest dicks, and we always whoop yo' ass at hoops—but what about all them other suppressed realities?

WHO IS REALLY DUMBER?

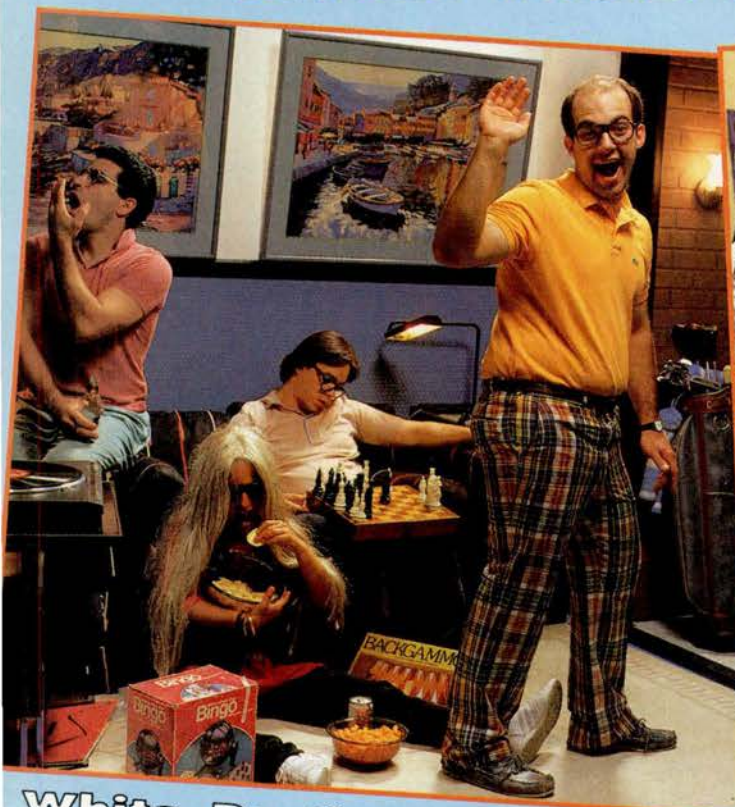

White Guy: This sap slaves away for low wages while the man at the top gets all the money.

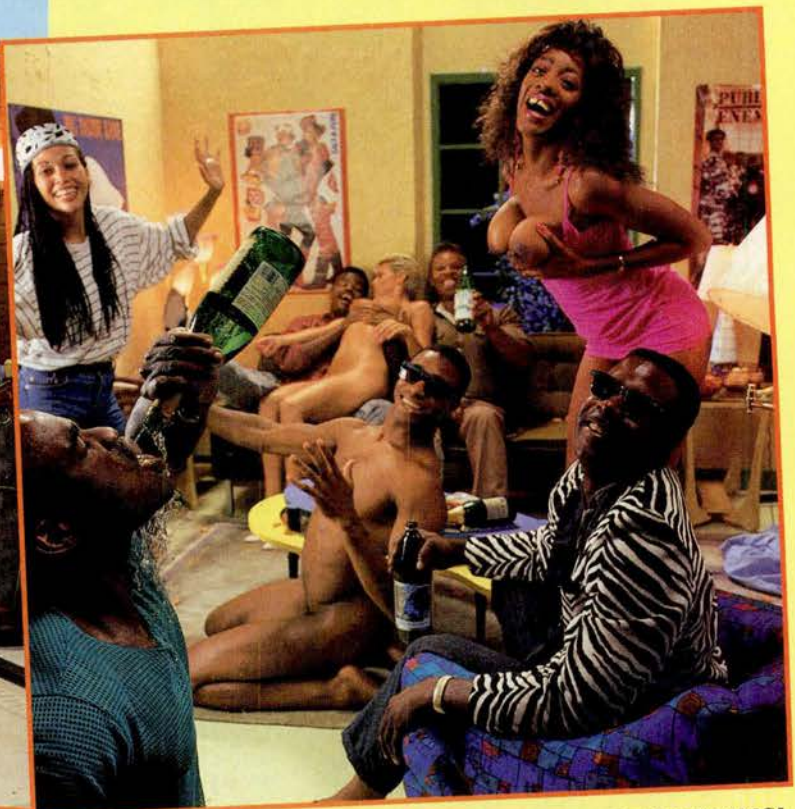

Black Guy: While my boy here gets FREE money from taxes made off that stupid white sucker.

WHO HAS MORE FUN?

White Parties: 2 a.m.—PARTY OVER. These mirthless events end early, just as cable TV hits the reruns.

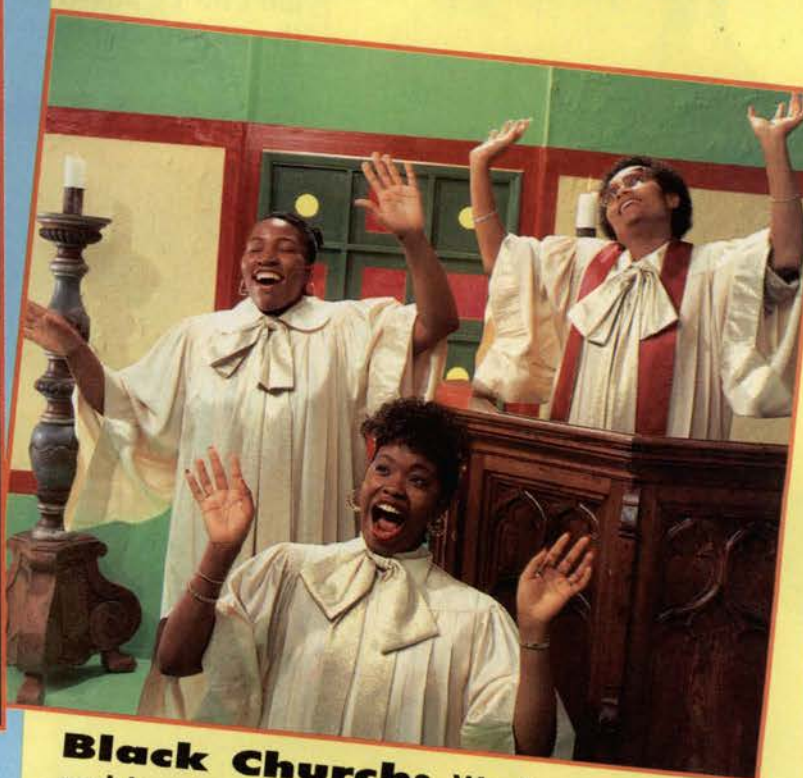

Black Parties: 2 a.m.—PARTY BEGINS! The fun starts late and lasts past breakfast!

WHO DOES GOD LIKE BEST?

White Church: Y'all lie, cheat and steal in the name of Jesus. Who wants to hang around a bunch of uptight, guilty crackers?

Black Church: We sing and dance and be smilin' with the Lord. That's why He gave us rhythm: 'cause He digs how we use it!

WHO HAS BETTER HAIR?

White Salon: White people just don't know how to make their hair look natural. The baldy, the swoop cut, the straight look — them's out.

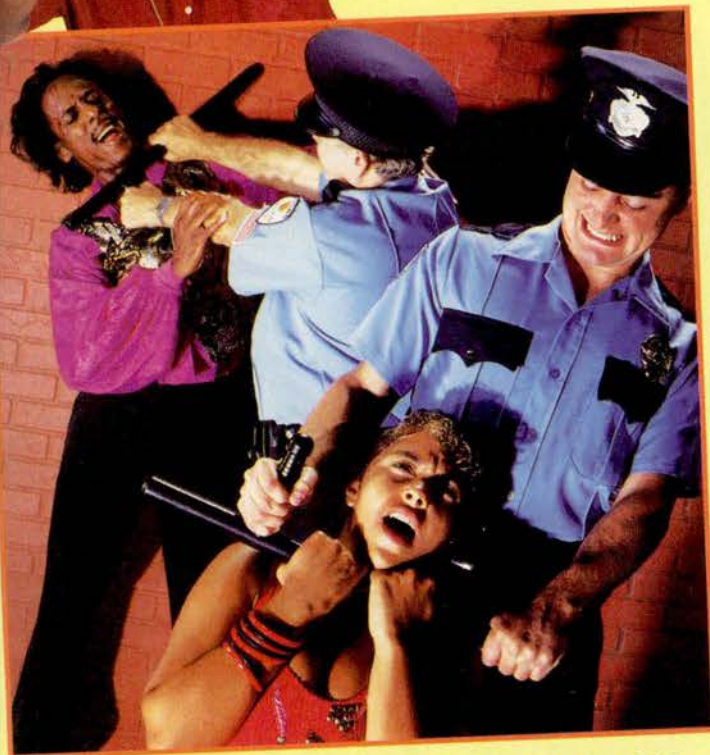

Black Salon: Used to be we had to straighten our hair — SHEEEEEEEIIIT! These days we mold our hair into hip shapes. Try doing that with honkie fuzz, motherfucker!

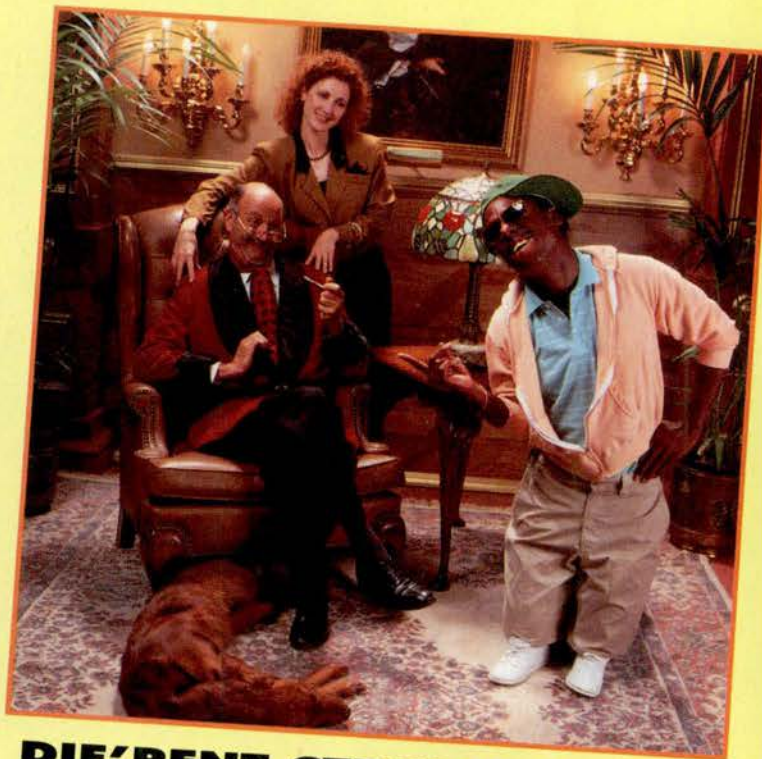

I blame the media for the misrepresentation of Blacks! Life ain't no TV show; so why not start thinkin' fo' yourself? When the people who push the buttons is white, this is what you get.

WHAT WE GOT

BOOK THEM BROTHERS!

A cop show (like most cop shows) that has all kinds of Black crooks gettin' busted. Shit! If this were real life, we'd have outrun 'em!

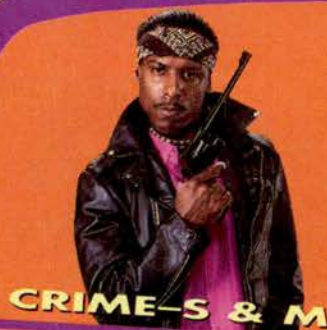

DIF'RENT STROKERS

This poor, cute li'l black kid is adopted by rich white folks with hilarious results? Who's kidding who? White folks pay big to adopt white babies.

for the many small courtesies and kindnesses you have shown.

The women in HUSTLER, by and large, are much better-looking than in years gone by, but—and it's a big, old *but*—all I'm seeing now are hands and artsy folds in a blanket. Where are the assholes? HUSTLER's reputation was founded on brown as well as pink. Someone seems to have forgotten that.

As it stands now, the advertisement section has become better, from the viewpoint of an armchair gynecologist, than 99% of the pictorials featured in the past six issues. I want my money back until you guys get your act together. —J. C. L.

Nashville, Tennessee

What can we say? You got it, J. C. L. Thanks for visiting. The key's under the mat, in case you want back in.

WIN SOME

I've never written a letter like this before, but I have to tell you that, in my opinion, Claire is one of the most beautiful women on earth (*Claire: Blond Ambition*, September '90). Black leather makes her even more sensuous. HUSTLER has always topped the competition with mind-blowing girl sets. I've never seen hotter pussy. Each month gets better and better. Send me subscription information. —C. R.

Fort Worth, Texas

WIN SOME MORE

I enjoy the *Feedback* section of HUSTLER the most of all your features. It takes all kinds of people to make the world go around, and I laugh every time at the letters. C. C. B. of Tyler, Texas, was great ("No Photo to Prove It," *Feedback*, January '90)! True, he's a racist bozo, but no more so than the 19-year-old female that replied to his original letter ("Back to Black," *Feedback*, April '90).

About articles on weird organizations (*Weird Sex Cults*, April '90) and fucking dumb women ("Sex With Stupidity: Dicking Dumb Chicks," *Sex Play*, July '90): Bravo! You've sold me a subscription! I enjoy reading about peoples' idiosyncrasies, and humorous writing needs no explanation at all. I'm a 30-year-old commercial fisherman who spends too much time on the ocean. I wouldn't make it without HUSTLER. Keep it up. —G. E.

Kodiak, Alaska

Welcome aboard, G. E. Glad to hear that the men who work on fishing boats have still got a taste for it!

PUMP UP THE VOLUME?

Thank you for publishing such an excellent mag. The letters, cartoons and photos

are super. I also would like to thank Annie Sprinkle for her "101 Uses for Sex" (*Sex Play*, August '90). I tried meditating while masturbating. It was great! From now on, when I masturbate, I'm going to meditate. I'm also going to try the one for baldness by using sperm in my hair. I'm sure it will work as good as meditating has. —P. L.

Chicago, Illinois

Rubbing sperm in your hair? Geez. That's more disgusting than anything we've done in HUSTLER!

NITPICKER OF THE MONTH

While reviewing old issues of HUSTLER, I came across an interesting coincidence. In the *Beaver Hunt* section of November 1989, there's a photo of Christine, a 31-year-old housewife from Sterling Heights, Michigan. In July 1990's *Beaver Hunt*, there's a photo of Nicolle, a 31-year-old housewife from Farmington, Michigan. Not only do these two ladies have the same age, both like swimming and dancing and share the same taste in clothes. They also look a lot alike. If you check your Michigan map, Sterling Heights and Farmington are within 15 miles of each other.

I can come up with three possible explanations. One, the ladies may be identical twins. Two, this individual is trying

to put something over on the magazine. Three, HUSTLER is intentionally misleading its readers.

If you can't carefully screen your applicants or improve your memory, I will purchase your competitors' magazines. —A. B.

Oak Park, Illinois

Buy whichever magazines you want to, A. B., but if you're looking for a perfect publication, you won't find it on a newsstand.

ON TARGET

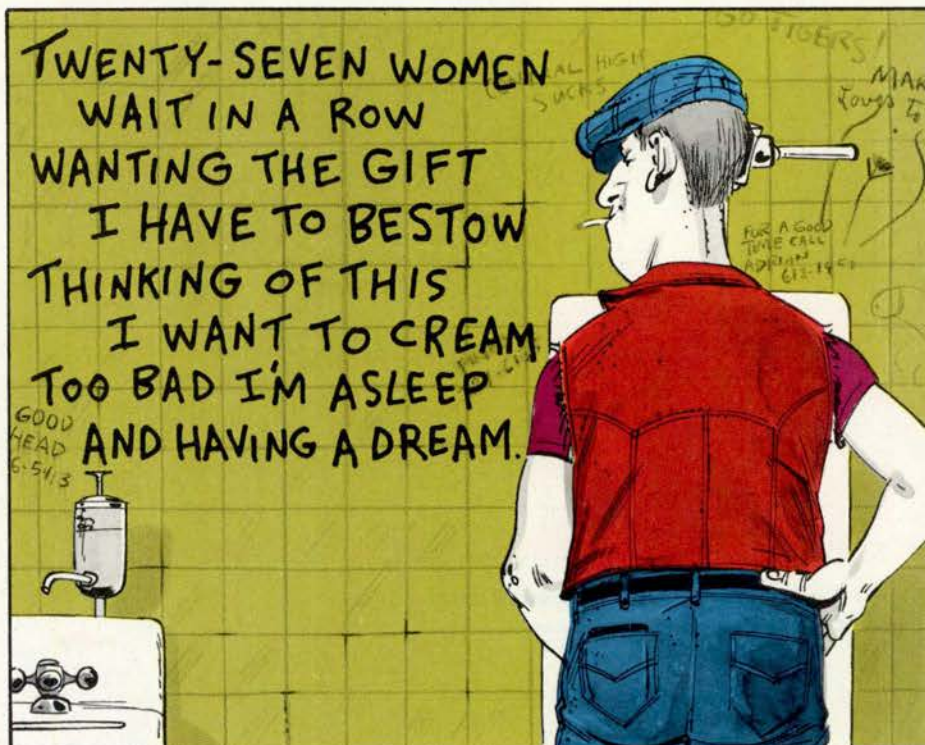

I get sick of flipping through *Feedback* and seeing some son of a bitch putting HUSTLER down. For instance, saying it's sick, nauseating and "the most disgusting piece of shit on the newsstand," as R. H. put it ("Hell, He's Outraged!" *Feedback*, August '90). I'll bet money that asshole's still buying HUSTLER.

Gotta renew my subscription. Don't know what I'd do without ya! —Bullet

Salem, Oregon

Do you have a comment, suggestion or complaint? We want to hear it. Send your letters (typed or neatly handwritten) to Feedback, HUSTLER, 9171 Wilshire Boulevard, Suite 300, Beverly Hills, CA 90210. Include a phone number if you want your letter considered for publication.

STAR FAKER: HOLLYWOOD PUSSY SCAM

Mona thinks she's a movie star. She's 20 years old. The fake enamel of her plastic fingernails reflects every light in the room. Her hair is bleached a dingy blond and as dry as summer-drought road grass. A skimpy Spandex tube top barely contains her jigglng chest. Spent gum snaps in her jaws, played out, can't even form a bubble. Her mascara's dripping off her lashes; her nylons got runs in 'em. She uncrosses her legs, and a cloud of female pheromones stings the nose.

She clutches a dingy 8x10 glossy photo of her own earnest mug and a hand-typed resumé in one eager hand, fielding a blazing Virginia Slims 100 with the other. Eyes aglow at her first meeting with a real, live film producer in Hollywood, California, she is ready and willing to sell her very soul to the devil for a shot at movie stardom. Lucky for her, or not so lucky, the price won't be as high as that. For the film producer at the rented desk in front of her is a fake. A phony. The Midwest rube who scans a copy of the *Hollywood Reporter* at the Movieland Wax Museum has as many movie-world connections as he does. He doesn't want to make Mona a star, and couldn't if he tried. He just wants to make her, and in ten minutes will be splattering her undulating boobs with a genuine load.

The man calls himself Chasen St. James. He ain't so bright himself, but he's a hair's breadth ahead of the bimbo trash that regularly services his hungry dick. St. James is as addicted to sex as the worst crackhead on L. A.'s Pico Boulevard is addicted to smoke, but his drug of choice isn't smuggled into town via the undercover channels of illicit commerce. Thousands of star-crossed girls from all over America spill onto Hollywood Boulevard by the busload every day, looking to be discovered.

The chintzy nameplate on the rented suite off Sunset Boulevard looks real enough: *St. James Productions*. Inside, the place has the numbing feel of every typical Hollywood casting office. Boxes of resúmes are in evidence. Photos of actors and actresses are tacked to the walls. An answering machine, complete with an impressive array of phone lines, sprawls across a large oak desk. However respectable it looks, the whole operation is as fake as a movie set. To star-crossed young ladies whose only experience in the film business is that they've seen a lot of movies, it easily passes for the real thing.

Today—like every day—there is great excitement at St. James Productions. The bogus film producer is at the desk at his bogus production office, announcing plans to begin casting his latest bogus flick, and the bimbo on the other end of the telephone line believes every lying word.

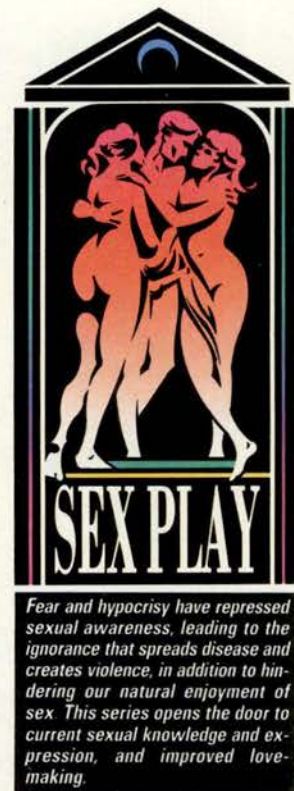

"This is not some cheesy skin flick with naked broads prancing across the screen," he says with the assurance of a man who's sold the same line of bullshit to a thousand spendthrift ears. "Nudity will be used sparingly and tastefully. I refuse to cater exploitation trash to the trenchcoat crowd! I'm talking *class*—pure class."

St. James has effectively lured the dumb, young hopeful to his house-of-mirrors corral. With the trap carefully baited and set, the final snare—the audition—is set.

St. James is not this man's real name. He's a failed actor, an ex-UCLA theater major, the son of a prominent San Francisco attorney. He'd never make it in the legitimate film industry. He has just enough thespian skill to persuade star-hungry airheads to strip and audition for movie roles that do not exist.

It's a simple gig. It starts with a few ads. Entertainment trade papers routinely publish audition notices for all kinds of films. The ads that St. James Productions places announce an as-yet-unnamed film feature and describe, for appearance's sake, several men's parts as well as the all-important lead, to be played by an "attractive female, 20-25, with sex appeal." The shoot will reportedly entail four weeks' work in L. A., and possibly other, more exotic locales, and the ad states that no personal deliveries or phone calls will be accepted.

Response is overwhelming. Resúmes and photographs from eager, young applicants arrive by the boxload. St. James sorts the females from the males, whose photographs serve no function besides decorating the walls of the production office, and his fuck-scheme takes shape. Girls who show a great deal of legitimate acting

STRONG STOMACH

The *Death Scenes* pictorial (June '90) obviously struck some nerves, definitely weeding out the wimpies. Don't worry about the lost distribution. After a few loyal readers in Washington State raise hell, Washington will be back. As for the other few wimps and pussies who couldn't handle it—who cares? All they had to do was turn the page. If HUSTLER wants to print gross shit like photos of open-heart surgery or someone having his hemorrhoids cut out (in other words, scenes from real life), I'm all for it. I'll admit that I'm not going to jack my dick to it, but it doesn't upset me. Your selection of material makes HUSTLER different and better than the others; so by all means, print your little hearts out! —J. Y.

Chester, Georgia

After the Death Scenes brouhaha, we canceled plans for a ten-page photo-set of some grisly lumps of nursing-home cunt goo—but now, thanks in part to J. Y.'s enthusiasm, it's back on! We're talking full color.

GOOD NEWS

I'm upset about your biased article on old folks' homes (*Elderly Confinement: Send the Old Folks to the Pound*, July '90). It's true that many nursing homes mistreat their patients, but just as many facilities exist that truly care. I haven't worked ten years in this field to sit quietly while my retirement home is automatically blackballed in one-sided articles such as yours.

I noticed that the state of Minnesota wasn't mentioned in the piece, possibly because of its strict laws and quality control. All states should show as much concern to protect our beloved elderly citizens and put an end to this rising problem.

—J. V.

Northfield, Minnesota

Once in a while we get a letter that truly cheers us up. This is one, J. V. We hope and pray that the doors of a responsible, caring nursing home are open to us when it's our time to join. Thanks for writing.

YOUNG GUN

Thanks for not printing my letter in reply to Jacki Bartlett's June '90 *Sex Play*, "Virgin Release." I'm sick and tired of the antiyouth bigotry you and the rest of older society exhibit. You act as if people under the age of 25 are subhuman and don't have needs, like you snobs! (I think you know what I'm talking about, although I wouldn't bet on it, dumb as you are.) So fuck you and your magazine, Larry, Jacki and all the rest of you fuckheads!

I'll hold off on a boycott for a few issues to see if you reply to this one, but it had better be good if I'm going to keep

wasting my hard-earned money on your lousy pile of paper. —J. W. H.

Winchester, Virginia

Cool it, son. We did the teen set right, printing your aforementioned letter in the September '90 Feedback ("Man at 19") with the same kind of dignity and respect we show every HUSTLER reader, regardless of age or mental capacity. You kids are so damned impatient!

LIVING END

I've read your magazine for many years; so you know I like it, but can't you find models with *big asses*? Not big, fat women—just slender ones with stuck-out tushes. All your models are skinny and sexless! Maybe you should go to Africa and photograph some Hottentot women. —G. B.

Dillon, Montana

Convince a million or so other men to pay a few of the right kind of compliments, G. B., and maybe women would stop complaining about how big their asses already are and appreciate 'em.

It is with deep regret that I hereby cancel my subscription to HUSTLER Magazine. If I believed that the quality of the pictorials, investigative reporting and fiction were going to improve in the near future, this letter would not be necessary.

Thank you very much for your time and attention to this matter. Also, my thanks

experience are immediately disqualified. Next axed are the ones whose resumé's are typeset on important agents' stationery. The prettiest, least sleazy-looking girls with little or no training and inconsequential acting histories get top priority. Calls begin.

"I'm confident when I give a girl a call," says St. James. "A real tycoon. There's no reason for her to think that I'm not what I say I am. I say that we're interested in her resumé. I explain that the budget for my picture has blossomed since we placed our ads, and that there will be an extra week's

shooting at a Mexican seaside resort and a week in Hawaii. Hearts beat quicker at the chance of doing a movie in such exotic locations. Then I launch into industry jargon. I tell her she's got the perfect look for a film that I see as a hybrid of the hip, dance flicks like *Flashdance* and *Lambda*. The message of my movie is to shoot for the stars—if you don't play, you'll never know if you could have been a star."

He performs the producer role to the hilt. "The first girl I interviewed remarked on how well I connected with her. She said I really seemed to care, a rare trait among Hollywood directors. I had her naked on the couch in 15 minutes, and would have been more than content with a blowjob, but she insisted on tit-fucking me, then blowing me. I'd found my calling."

He lights another in an endless string of imported cigs and explains: "I judge a girl on her eagerness over the phone, especially where the subject of nudity is concerned. Once we get a good rap down, I tantalize her with salary. I tell her she'll clear \$35,000 for six weeks' work. Many times, if she's toying with the bait, the idea of that much loot makes her bite hard."

Interviewing the girls is the culmination of the ruse. They're told to come to St. James's production office-cum-apartment because the studios that St. James owns are being restructured for interior shots in his film. Auditions commence with a short monologue that he himself has penned. "When the reading ends," he says, "I stare at the girl as if I were seeing a vision. I exclaim, 'My God! That was great!' My sincere words of praise help explain the reason I need to look at her tits and trim. She discovers that my executive producer will have to see art shots of her [photographs of her naked], and, of course, I have to professionally rate the goods. Most of the girls react like they expect it and start stripping before I need to ask."

He's aware of a psychological knot behind his sociopathological urge to fuck any stupid actress willing to buy his bullshit. "There is something banal yet erotic about watching a foxy chick grasp at something she can never have," says St. James in a rare moment of genuine seriousness.

"Some are maybe a blowjob away from either the glory of being a Hollywood power-bitch or the toilet life of a simple loser bimbo. Most are gonna end up wrinkled, vacant and useless for anything other than to be manipulated by the likes of me. I get 'em when they're young and fuckable."

"And God, do they fuck! They all try to come on like the sexiest girl I could ever meet. One girl, Lisa, had areolas as big as tangerine halves. I fucked her good and simple, and she ended up almost sucking my whole crotch into her healthy pussy. Even after I came, she wouldn't let me alone. She ended up eating my asshole. Now, sucking dick is an easy trick for these chicks, but you'd be hard-pressed to get even the trashiest of these bimbos to eat an asshole, and there she was with her tongue crammed up my butt. She would have done anything for me. Anything."

Hearts are broken, there's no denying that. Financing for the proposed St. James extravaganza falls through at the last moment, and casting plans end up on permanent hold. Then it's time for a new name, say, Paul Delacroix or Rudy Strand, a new production company, a new movie.

"One time, a pissed-off boyfriend of one of my girls came pounding at the door, and I made the mistake of letting him in. I was hungover, and in walked this big surfer dude who could star in a remake of *King Kong*. He demanded to know what had happened to the role I had promised his girlfriend. Lucky for me, this ass-backward prick was as dumb as the cunt we'd

both fucked. I pulled myself together and convinced him that he was perfect for the part of the bad guy in a film I was currently developing. Pretty soon all his frowns turned to smiles. I promised him a script within the month and decided to move to another setup."

The hassles of maintaining this elaborate facade are all forgotten when another big-titted, blond ass-licker walks in the door. Peeking at a fresh muff and a youthful pair of bobbing nipples, and then getting to fuck and suck them, is the rush of a powerful addiction. St. James is not alone. There are hundreds of sham movie operations in Los Angeles, all preying upon a limitless quantity of star-struck gash. Some are busted by the cops, others by an angry boyfriend, but to these sex-hungry entrepreneurs, the benefits outweigh the risks.

St. James makes another call. "I feel like a fool for being so blunt," he apologizes glibly to the nameless blonde, "but you are just the type of actress I've been looking for." In a day or so, he'll have her at the office. They'll have a little coffee; she'll read a little script; he'll make an effort to hide the boner in his pants. When he can't hold himself back any longer, he'll offer her the movie part of a lifetime. Maybe she'll tear off her skimpy blouse in passionate overexcitement; maybe she'll seductively slip it off over her head. In any case, her eyes will be sparkling and hopeful, her pussy wet with desire, and nothing—*nothing*—will prevent her from satisfying her producer. ☛

EROTIC ENTERTAINMENT

Edited by Mal O'Ree

metics, are the ultimate perversion, and *Fat Lane* presents the ultimate fat ladies. These ladies make porkers look svelte. These ladies make Oprah look like a Biafran. Some of these ladies make a two-ton trash sack bursting with coagulated oatmeal and rancid cottage cheese look like a good, healthy fuck. The only phenomenon more frightening than these women is the men who can fuck them. Thank God they are not you, then go puke, rewind, and watch it again. —Christian Shapiro

Thank God you won't fuck them.

A crane for foreplay.

LIFE IN THE FAT LANE

Three-Quarters Erect. Directed by Loretta Sterling; starring Teighlor, Lotta Love, Unique Love, Patty Parker, Linda Lou, Jeff Golden, Rod Garrett, Big Eddie and Tom Shaker. Videocassette: Filmco Releasing.

Some women eat to live, and other women live to eat. Some men jerk off because they like the way it feels, and other men are driven by an insatiable appetite in their dicks to bite off more than any ten men, even a gang of wilding Central Park youths, could chew. Luckily for both compulsion-indulging groups, *Fat Lane* provides a forum for mutual exchange of hungers and fluids. Fat ladies, in our society of aerobic cos-

LeMay is no Angel.

SEARCH FOR AN ANGEL

Half Erect. Directed by Henri Pachard; starring Lynn LeMay, Kassi Nova, Brandy Alexandre, Renee Morgan, Randy West, Ray Victory, Robert Bullock and Scott Irish. Videocassette: Western Visuals.

Made up largely of borderline ugly women, this cheapie porn show spews a surprising amount of hot stuff. Most of the heat comes from trash slots Renee Morgan and Brandy Alexandre. Brandy's exquisite ass wiggles and jiggles as she gets fucked by Robert Bullock. Photographer Bullock and partner Lynn LeMay are searching for a girl to model an exclusive line of lingerie. The client, Randy West, is willing to pay 50 grand for the "perfect" girl. None of these girls will be mistaken for a high-fashion model, but when's the last time a *Vogue* covergirl took a wet-shot to the face? West checks out the respective models and gets a taste of Morgan, whose thick-lipped slut pout gets to go home with a mouthful of spat. LeMay, the prettiest chick in the show, is a disappointment. She lies around grunting like a hog more than huffing and puffing like a real porn slut.

RAVAGED

Three-Quarters Erect. Directed by Paul Norman; starring Racquel, Saber, Sharon Kane, Bionca, Cara Lott, Derrick Lane, Jon Dough and Randy Spears. Videocassette: Cinderella.

Starting with the opening scene in which the tantalizing Racquel rips holes in her mesh body stocking to rub her snatch against a plaster bust of a man's head, *Ravaged* proves to be a kinky and caustic excursion in erotica. That and two other scenes transcend the usual run-of-the-mill strokers: Racquel's lezzie romp with Sharon Kane, a girl-girl food fest that finds Kane eating grapes from Racquel's gash; and a shower slamming between Racquel and Derrick Lane, which begins when Racquel accidentally cuts her hand and ends with Lane fucking her in a pool of blood on the shower floor. Compared to these three scenes, any normal fucking seems blasé, but pints keep pumping with a torrid threeway among Cara Lott, Randy Spears and Jon Dough, and a smoke-filled orgy closes the tape with a definite bang. Call it sick, call it twisted, but *Ravaged* leaves you, well, ravaged.

BACKDOOR TO HOLLYWOOD 12

Half Erect. Directed by Gordon Meer; starring Tabitha Stevens, Rebecca Steele, Rachel Ryan, Ray Victory, Marc Wallace, Randy West and Kimberly Kane. Videocassette: Cinderella.

Few things are more exciting to an ass man than witnessing some brand-new doxy as she receives her first tube-steak enema. The mere thought of covergirl Tabitha Stevens's pooper getting firmly packed will sell cheek-enthralled men this tape. Imagine their surprise—Tab's asshole doesn't come close to getting plugged. But there is hope. Rachel Ryan's well-traveled bungus easily admits Ray Victory's impressive walnut wanger. She practically huffs herself into unconsciousness before his protein spritzer jizz-coats her boobs. Freckle-titted sex matron Kimberly Kane takes Marc Wallace's prod for a poolside butt-banging that ends with Wallace sneezing pecker snot all over Kane's fake boobs and grinning maw. Wallace returns to perform a proctological inspection of Rebecca Steele, but it's too late to save this formulaic slab of ass-dredging.

THE G SQUAD

Totally Limp. Directed by Chi Chi LaRue; starring Bionca, Tianna, Joey Stefano, Mack Reynolds, Jules Paris, Blake West and Sergio Callucci. Videocassette: Soho Video.

Apparently it's getting difficult to find porn chicks willing to fuck homos. Even raunch queen Bionca doesn't go for it. She only does Tianna and a masturbation number at the start where she discovers that her G spot has been stolen, which gets the show rolling with an intriguing premise—some fiend is stealing G spots. Bionca calls the G Squad (Tianna and Joey Stefano) to help her out, and Stefano goes to Bionca's house for what seems like a perfect setup for a hot fuck. Instead, he ends up dicking her hubby, a faggoty kraut. Bionca finally gets her G spot back, and thankfully the tape ends. An antimac exercise in lackluster.

THE TAMING OF TAMI

Half Erect. Directed by F. J. Lincoln; starring Tami Monroe, Bridgette Monroe, Cal Jammer, Lauren Brice, Tom Byron, Kelly Royce and Randy West. Videocassette: Caballero.

Considering that Tami Monroe is given to fits of ferocious fucking and is unafraid to look a cum-shot straight in the eye, why in the world would anybody want to tame her? Not to worry. It's just a stupid title. There's no taming Tami, but the rest of this domesticated dreck could be circled into place by a sheep dog. Cal Jammer pummels the pixie twice in scenes that will leave no hand unglazed, as Tami proves no meat is too big to maul, even when it's almost as big as her head. Bridgette Monroe (related to Tami in name only, but comparable in her zeal to squeal) gets her joy box jammed by Jammer, getting a dribble of dick dew down her luscious butt cheeks. Although a lesbo lunch between Lauren Brice and Kelly Royce is a yawner, there's more than enough of Tami to make *Taming* tolerable.

— S. L.

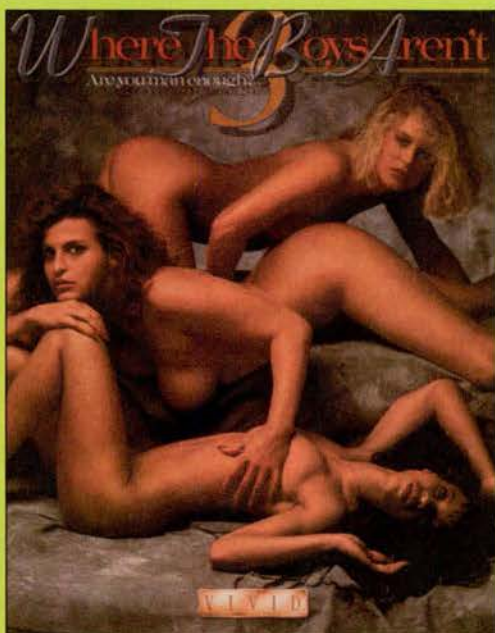

There's no *Taming of Tami*.

WHERE THE BOYS AREN'T 3

Half Erect. Directed by Judy Blue; starring Jamie Summers, Tori Welles, Heather Hunter, Cheri Taylor and Kelly Royce. Videocassette: Vivid Video.

Aren't 3 boasts the same cast of stellar sweet tarts as *Part 2*, with the substitution of Tori Welles for Barbara Dare, and maybe a few other minor discrepancies. Constants of *Aren't 3* with the rest of the series include more talking than twat torquing, scintillating sexings that deserve more attention from the cameraman than they receive and the Judy Blue blues, a malady wherein a bored, cynical, frustrated director exposes a mealy version of his workaday tribulations for the viewing audience's delectation, though we would prefer, of course, to digest a tableau of mouth-watering muffs making a meal of one another. The world behind the porn scenes must indeed be a wild and wacky place, but most of us sitting in front of the tube would prefer to see more of the public image. —C. S.

ONLY THE BEST OF BARBARA DARE

Half Erect. Compilation; starring Barbara Dare, Erica Boyer, Shane Taylor, Billy Dee, Peter North, Jon Martin, Nina Hartley and Randy West. Videocassette: Cal Vista.

Barbara Dare hasn't been giving up what her drooling public would consider her very best for many months now; so hard-core horndogs will be understandably eager to zip into this

tape. First there's a technicality. Jim Holliday, a self-styled porn historian who is most charitably characterized as a blowhard, has a few hundred words of pontification, attempting to canonize Dare when all we want is for her to be anointed by buckets of testicle unction, like she used to do back in the good old days before she settled down with a boyfriend and cut all the rest of us back to girl-girl scenes and an occasional hump with her beau. "I refuse to be seen in public with someone who's less than a class act," spouts Holliday, as if he could possibly venture into public without being seen with himself. For if Holliday were a class act, he wouldn't pawn off this pastiche of rather average Dare work as her very best. *Only the Best* deserved to be better. —C. S.

NIGHT TRIPS 2

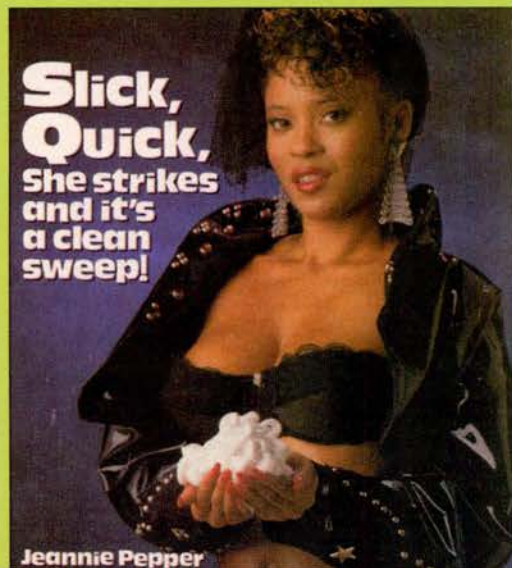

Half Erect. Directed by Andrew Blake; starring Paula Price, Cheri Taylor, Randy Spears, Eric Price, Lauren Hall, Erica Boyer, Cameo, Jon Dough, Bridgette Monroe, Brianna Rai, Tami Monroe, Nina Alexander, Randy West, Derrick Lane and Racquel. Videocassette: Caballero. Shot on Film.

If this pretty video were a book, Director Blake's considerable flair for color and lighting would make it one of those fancy hard-bound volumes on a coffee table—kind of a low-rent Helmut Newton with cumshots. It's elegant and sophisticated, perfect late-night reading for those who enjoy their sex well-mannered and aloof. Serious strokers will flip through it quickly and then ask for the dog-eared mags in the bottom drawer. This collection of loosely connected sex scenes—supposedly the dreams of Paula Price—is dinner-party porn, pinky-in-the-air kind of stuff, with no entree, just appetizers. A couple of nibbles are worth savoring: a three-girl poolside pose and rub, and Cameo playing horsey with Erica Boyer. Too many artsy effects and obviously choreographed sex—a few cuts and it's ready for HBO—stifle the heat. —Mal O'Ree

THE SHAVING

Half Erect. Directed by Henri Pachard; starring Jeannie Pepper, Steve Vegas, Susan Vegas, Joey Silvera and Sean Michaels. Videocassette: Soho Video.

Henri Pachard has fallen upon difficult times. In his goop-laden glory days of not so long ago, Pachard directed with the pretensions of an artisan. Now Henri is cranking out half-day humpfests; one actress shoves her snaggletoothed head through a toilet seat, looking for all the world like a horse in harness en route to the glue factory, as big, black mama Jeannie Pepper drills her from behind with a tie-on truncheon. Another actress begs Joey Silvera to perch his puckered shit-bud upon her pursed lips—her real-life boyfriend bends over and says *oh, shit* for Pepper's fake dick. The lovebird couple (or is that jailbird?) shave their crotches. No one looks like they got more than 50 bucks for the whole day. It'd be easier to feel sorry for Pachard if he'd pay more into it. —C. S.

THE SORCERESS

One-Quarter Erect. Directed by Bobby Hollander; starring Rachel Ryan, Jacqueline, Eric Price, Susan Vegas, Steve Vegas, Suzie Bartlett, Jim Riley and Nicole Price. Videocassette: Gourmet Video.

Bobby Hollander has put the hex on good sex in this fetid fuckfest that is anything but bewitching. Having Rachel Ryan conjure up cock would seem ideal for spellbinding slit stabbing, but after her initial cooze schmoose with Eric Price, she's relegated to watching her less-than-arousing co-stars lick and stick. Nicole Price makes her debut, and with any luck she'll be out of the business by the time this reaches press. A rather rotund redhead, her stretch-marked baggy boobs and mindless sex appeal will have viewers lunging for the fast-forward button. Only the connubial coupling of Steve and Susan Vegas save this from the bottom of the slop heap. The two fuck with a passion most marrieds wish they still had. After sucking Susan's spiked heels, Steve drills her mercilessly, force-feeds her cock, and then spills on her belly. But this *Sorceress* has no magic.

— S. L.

A TOUCH OF GOLD

Half Erect. Directed by Henri Pachard; starring Kim McKay, Michelle Monroe, Jon Dough, Randy West, Aisha, Randy Spears, Suzie Bartlett and Sean Michaels. Videocassette: Intropics Video.

Australia continues to provide some of the hottest honeys in porn. First, there was Deidre Holland (sure, she's Dutch, but why quibble?), and now Kim McKay, a succulent slut whose golden hair and fabulous face beggar bespoilment. Playing a girl who wants marriage before she'll let boyfriend Jon Dough fuck her without a condom, McKay outshines this schizo story about the amorous adventures of a shawl that's been passed down through four decades. Most of the flashbacks are impotent pecker material, although Aisha proves enticing while handling a double dose of dick from the dueling Randies, West and Spears. The highlight is the closing cunt cram, with Dough feverishly pumping Aussie angel McKay until he unloads his choad and covers her from chest to chin. The finale alone makes this *Touch* worth fondling.

— S. L.

McKay and West chum for **Gold**.

ROADGIRLS

Half Erect. Directed by J. T. Monroe; starring Victoria Paris, Kelly Royce, Rayne, Krisstarrah Knight, Peter North, Eric Price, Randy Spears and Randy West. Videocassette: Dreamland.

Aside from funny-shaped, overpriced bacon, Canada's never been known for its exports. Kelly Royce, hardly a porker, might just change all that. Royce, with her girl-next-door looks and downtown whore fuck-chops, puts her all-American co-stars to shame in *Roadgirls*. Victoria Paris rides on her laurels through two entirely forgettable scenes with Randy Spears and Randy West. Baseball-boobed, cleft-chinned newcomer Rayne hops on Spears's love-prong for an average reaming,

Hit the road, **Girls**.

while Krisstarrah Knight pounds her ground-round pussy on Peter North's oversized roter in the back of a van. Excited yet? Nah, these encounters have all the heat of an ice cube. Leave it to Royce to steal the show—in the very first scene—by fucking Spears cross-eyed before begging him to hose down her face. He does, she eats it all with a smile, and from there the movie deflates like Eric Price's flaccid wienie in the final scene, also with Royce (what a waste!). We'll keep Kelly. As for the others—well, hit the road, girls.

— B. S.

MUMMY DEAREST

Half Erect. Directed by Duck Dumont; starring Nina Hartley, Mike Horner, Lynn LeMay, Jacqueline, Cameo, Jamie Gillis, Sean Michaels, Cal Jammer and Don Fernando. Videocassette: Las Vegas Video.

You know the story: Boy finds Mummy, boy falls in love with Mummy, boy gets jism on Mummy and brings it to life, Mummy drains life out of Nubian love slave, Mummy and boy make up and move to Cheops. Newly retitled, clean-shaven Nina Hartley lisps behind those bandages, resurrected by an errant splash of cum brought on by Cameo's blowjob opener with museum curator Mike Horner. Hungry for bone after God knows how many years, Nina literally sucks and fucks a black dude to death. Meanwhile, Cameo and Lynn LeMay console themselves by digging their noses in each other's beavers; LeMay double-dorks pallor duo Don Fernando and Jamie Gillis; and Jacqueline and Cal Jammer press pork in a dirty garage. In the end, Horner finally gets to fuck his Mummy. Unfortunately, too much yammering and no heat in the fucking department make *Mummy Dearest* the kind of archaeological find best left undisturbed.

— Jody Davis

TUG O' LOVE

One-Quarter Erect. Directed by Michael Carpenter; starring Kelly Royce, Jillian Moore, Kitty Luv, Chaz Vincent, Dizzy Blonde, Randy West, Tom Byron and Gregor Samsa. Videocassette: Coast to Coast.

Imagine a wife so maladjusted, so bitter, so shrewish that her greatest desire in life is to lop off her husband's balls and keep them in a jar of formaldehyde. This story-laden fiasco gets off on the wrong foot from the very beginning. The usually cute Kelly Royce is a mega-bitch who thinks her husband (Gregor Samsa) is fucking his secretary. And he is. Fortunately, Royce's friend Kitty Luv brings the lovebirds back together by licking Royce's snatch, then licking Samsa's lover's snatch, then licking Samsa's cock and milking his jizz on her pendulous floppers. Royce enlists the aid of another girlfriend, who shows her that her boyfriend is a worm to be ordered around and anally violated with a large vibrator. After the demo, Royce takes on Randy West and Tom Byron at either end of her inviting body, draining both their scrotes on her smiling mug, the look in her eyes saying "I'm cured, I'm cured!" As for the viewer, be advised to avoid catching this diseased tape altogether. —J. D.

BUTTS MOTEL 5

One-Quarter Erect. Directed by Gordon Meer; starring Rebecca Steele, Chessie Moore, Rachel Ryan, Tonisha Mills, Hugh Griffith, T. T. Boyd, Blake West, Don Fernando and Shane Steele. Videocassette: Executive Video.

You're in the video store, *Butts Motel 5* catches your eye, and you scurry home, dreaming of the relentless rectal reamings that will soon be splat-tering before your very eyes. But wait! What's this? Rebecca Steele taking a half-limp, lubed-up softie in her pooper? Fake cum? Patiently, you sit through the tedious spectacle of Rachel Ryan and Tonisha Mills sniffing around each other's beavers, hoping that when T. T. Boyd arrives, he'll stick it in Ryan's well-traveled Bat-canal. "No!" You scream as Boyd spills his seed without so much as winking at Ryan's shithole. Incredible, you check the box title again. You fast-forward past Marc Wallace's zombie-like penile pronging of Tonisha. Then, like finding an oasis in the desert, you come to Chessie Moore and five stiff dicks probing every one of her sloppy orifices with the energy of a clan of Benihana chefs wigged-out on extra-strength Dexatrim. At last the pressure in your balls is relieved—but it's not enough. Don't check into *Butts Motel 5*. —J. D.

Chessie isn't New.

Barbarian drainer bitches.

THE NEW BARBARIANS

Half Erect. Directed by Henri Pachard; starring Victoria Paris, Randy West, Sabrina, Randy Spears and Jon Dough. Videocassette: VCA.

This video asks a lot of Victoria Paris in terms of acting. It doesn't ask enough of her fucking. Her humongous human udders flopping free from her beaverskin bikini while on horseback are Freudian enough to give anybody a woody. But it takes nearly the whole video before the blond beauty is seen with more than words in her mouth. They did have sex back then, didn't they? A little. Jon Dough is trapped with the dreaded "drainer bitches," lust-filled females who can't get enough cock. Dough's eyes show that he's afraid of having his dick ripped off by these insatiable Cro-Magnon cunts. Paris and Sabrina snake tongues past dead beaver-skins to taste the salty inner folds of pink creases. Then Sabrina diddles her clit while Paris mounts Randy West and bobs her dark-tipped knobs in his face. Randy Spears sneaks up on them. The ensuing chase leaves our characters smack-dab in the sequel-setting ending. Hopefully our heroes find more erotic adventures in the next episode. —Don Birman

THE NEW GIRL IN TOWN

Half Erect. Directed by Charlie Diamond; starring Chessie Moore, Tamara Lee, Racquel, Rene Fox, Wayne Summers, Bobby James, Hans Mueller and Steve Austin. Videocassette: Coast to Coast.

Call me sentimental, but a tear of love always emerges from the tip of my cock whenever zaftig, '50s-esque pudge-pie Tamara Lee saunters onto the screen. In the grand tradition of other belle beefers such as the long-forgotten Heather Adams, and once-plump Taija Rae, Tamara's translucent skin and milky, pendulous udders evoke a certain longing for a woman whose chemical addictions have yet to wither her to nothingness. Tamara is the only reason to check out *New Girl*, because the real new girl in town—peroxide covergirl Chessie Moore—is neither new nor should the Department of Animal Control have allowed her past the city limits. Tamara throws two mean fucks at the screen (with Wayne Summers and Steve Austin, along with a bookend lesbo encounter with Raquel) and takes the ensuing pecker-wheeze with open mouth and outstretched tongue. Moore, however, is as enthusiastic as she is attractive, and the resulting sex is downright soporific. Add to this a brief encounter between Rene Fox and Wayne Summers, in which Fox proves that even semen can be recycled, and you have all the makings of an above-average video—were it not for its raison d'être. —B. S.

GIRLS OF DD 13

Half Erect. Directed by Gordon Meer; starring Tracey Adams, Chessie Moore, Vixen Wild, Kimberly Kane, Jamie Gillis, Marc Wallace, Tom Byron, Wayne Stevens and Nikki King. Videocassette: Cinderella.

Anorexia fans may lament Tracey Adams's extra weight of late, but the woman never looked better. Her huge, succulent silicon-free tits hearken to an age of Renaissance voluptuousness; her wide, beckoning hips cry out for procreative activity. Tracey makes the most of her meaty mambos in *DD 13*, giving equally endowed Tamara Lee a run for her nipples. As with all the *DD* videos, plot is practically nonexistent. But the sight of Tracey's butt-crack nestling on Jamie Gillis's nose will alleviate any worries the viewer may have about five-part Aristotelian structure. So will Tamara's ride on Tom Byron's inflated turkey frank. Chessie Moore—looking better than usual—fucks kraut Hans Mueller and takes his load on her face. Tamara returns to boff Wayne Stevens on the couch, catching his spray on her ample chest. For the grand finale, Moore gives Marc Wallace's cock a detailed tour of her mouth, pussy and asshole before tit-fucking him to a wet-lipped conclusion. And you were complaining about plot?

MIDNIGHT FIRE

Half Erect. Directed by Jean-Pierre Ferrand and Peter Davy; starring Mike Horner, Lynn LeMay, Viper, Raven Richards, Suzi Bartlett, Krystal Kraven, Jesse Eastern, Peter North, Sean Michaels, Tim LeBaron and Sharon Kane. Videocassette: Pure Class Productions.

Peter Davy needs to make some more friends, maybe some of a higher caliber even, at least superior in superficial attributes such as muscle tone, youth, facial appeal, suppleness of skin, mellifluousness of voice and ebullience of persona. While the stars of Davy's *Fire*, many of whom are leftovers from his four previous, increasingly tepid *HUSTLER* fuck features, assuredly possess the deep inner qualities essential to worthwhile human beings, none is the type of "super sex star" that leading lady Lynn LeMay is billed to be. The cast is without exception second-tier at best. Still, a few do give first-rate ream action, particularly Raven Richards riding rougher and tougher than usual under the hard usage of two studs in tandem, and Viper doing her typical depravity with black-eel-carrying Sean Michaels, then going fingers to buttholes with LeMay. Still, this bit of fire could be easily extinguished in one spurt.

—C. S.

Raven's rough *Midnight* ride.

GIRLS OF THE THIRD REICH

Half Erect. Directed by Joseph DeRuyter; starring Francois Papillon, Dushca, Mark Harris, Fantasia Jones, Jeff Scott, Sergio Iglesias, Jade Nichols, Shane Taylor, Athena Star, Demian Wolf, Maria Rosenthal, Pam Cox, Mindy Rae and Ron Jeremy. Videocassette: Filmco Releasing.

Now that the two Germanies stand on the verge of reunifying, it is only fitting that we of the smut-viewing public take a look back at the atrocities of past German couplings. Actually, *Third Reich* is not vintage World War II fuck footage, though it looks like it's been on the shelf for quite some time, waiting for someone tasteless enough to release it. Its effectiveness is directly proportion-

Reich: Gonadal goose steps.

al to the viewer's fondness for swastikas as erotic fetishes. *Third* should be a big hit at skinhead sex parties, particularly if said skins are made all sweaty and throbbing by a bleached, butch blonde in black leather and a bevy of less-than-master-race sluts and studs doing the gonadal goose step under banners of the broken cross.

DUMPLING DIVING

The phrase "butt ugly" has serious meaning for this ass man. I go for big, soft, droopy fannies, the fat flesh-bags most middle-aged housewives haul behind them. High, round, firm butts are too small and hard for a serious butt-fucker to lay down long on.

The world has an unending supply of the butt type I bone up by, but, believe it or not, getting a piece of fat ass requires as much luck as every other kind.

The other day at the grocery store, I spotted the biggest derriere I'd seen in five years. The owner was bending over, trying to retrieve some groceries from a bag that had ripped. Her humongous chair-cheeks were stuffed into a pair of polyester stretch pants. The straining seams were close to ripping, and a good seven inches of jiggling ass cleavage rose above the belt.

I put down my case of Bud and helped pick up her groceries. When we'd gotten the last can of chocolate syrup stowed in the trunk of her Wildcat, she turned to face me. I couldn't get the picture of her gigantic butt out of my head. She asked me if I had a car. I lied and said no. "Those beers will get hot if you wait for the bus," she said. "Hop in. I'll give you a lift."

Her name was May. She was 35 years old, divorced, and she worked at the local post office. When she pulled up in front of my house, I invited her in for a beer.

"Hot day," she said with a sigh. "Don't mind if I do."

Now, a case of beer normally lasts me a few days, but swear to God, May drank 16 of 'em. When the final beer was almost gone, she was looser than a pair of Madonna-size tits in a Dolly Parton-size bra. I wanted her ass out of that chair and onto my lap so much I was shaking. "You look damn sexy to me," I told her. "In fact, in my opinion, you have a gorgeous bottom. I would give anything to screw your ass." She didn't take offense. Her

eyes widened, and her mouth drooped open.

I stood up and pointed to my rock-hard prick, which was poking against my slacks and already dribbling. She reached for it. I took her hand. We went into the bedroom. She turned her back to me while she lowered her pants, being modest and shy. Her ass was as big as a truck. Each cheek was big and soft and white, like mounds of floured bread dough. Wiggling and kneading her cheeks, I inserted a fin-

ger into her shit chute. May groaned lustfully, and my aching prick let loose an anticipatory drop of fuck fluid. I slipped another finger into her hole, then a third, and fucked them in and out, preparing her for my dong. The tightness of her brown-eye complimented the softness of her jelly ass perfectly.

I slowly slid between her towering mounds, savoring the feel of all that skin enveloping my wang. When my cock hit her rosebud, I gave a little push and popped it in. May put up no resistance. She sighed contentedly. With shallow strokes, I fed more and more of my quivering rod into her back passage until I was finally buried up to my balls in her bung. She reached under herself and friggled as I

pumped faster and faster, ramming my prick in and out of her tight, greasy hole. Jizz shot up my stick like the mercury in hell's own thermometer. We truly felt the earth shake. I don't care if I'm the laughingstock of every HUSTLER reader from here to Timbuktu — fat asses beat bony butts any day!

SHAVED PINK

In all our six years of marriage, my husband Owen had no idea of my cunt-licking double life until he caught me going down on our new next-door neighbor, Sue.

Sue was one of those stacked blondes who gushes sex appeal at every opportunity. She'd often talked to me about the wild times she'd had away from her husband, Bill, on the local swingers circuit, and how much fun it was to keep secrets from him. Most every morning around ten, she came by to chat. One morning I stripped naked and waited in the bedroom. The doorbell rang right on the stroke of ten.

"I'm in the bedroom," I called out. She stepped through the doorway wearing a stringless halter top and bikini briefs. "Excuse me," I said seductively. "You don't mind, do you?" In two seconds we were both as naked as the days we were born. We were exactly the same height. I stepped forward until my nipples touched hers. My hand stole down her tummy and slipped inside her waiting cunt, firm and moist. She sat on the bed. I got on my knees and put my tongue in her slit. Suddenly she tensed. I heard her gasp. I looked up and saw fear in her eyes.

My husband Owen stood in the doorway, madder than hell. He's a big man, and he can be violent; so when he's mad, there's good reason to be afraid. "What the fuck are you doing, whore tramp?" he cursed at me. "Just having fun, daddy," I replied gently. "Well, I don't want you having any more of this kind of fun," he growled. "I'm gonna teach you a lesson."

HOT LETTERS

He rubbed shaving cream into my muff, and she shaved my muff, carefully skimming my vaginal lips and the soft flesh that led to my asshole.

One you'll never forget!" Sue got up to leave. Owen threw her back on the bed. "You're gonna help me, bitch," he said. She whimpered and told him she'd do anything he wanted.

I began to wonder how I could get the hell out of there, but the first thing Owen made Sue do was to tie me onto the bed with some heavy twine from the garage. "Can I go now?" Sue begged. "Shut up," said Owen, "or I'll tell your husband all about your fucking hijinks. He'll whip your ass until you don't got one left." Sue's husband, Bill, was just as jealous as Owen, and a lot meaner. "Get into the bathroom and bring me my razor and shaving cream. Both cans," he commanded. She scooted into the bathroom like a frightened rabbit.

I began to relax. It sounded like Owen wanted to shave my pussy. I could accept this punishment. At least it wouldn't hurt—not if he did it right. Sue returned. Owen took a can of shaving cream and shook it up. "Get into the kitchen," he told Sue. "Bring me a bowl of warm water." She took off eagerly, still completely naked. She came back with the water, anxious to please. He gave her the razor. "My wife here needs a shave," he told her. "I'm gonna lather her up, and you're going to shave her."

He rubbed shaving cream onto my legs, and Sue began shaving them. He rubbed shaving cream into my muff, and she shaved my muff, carefully skimming my vaginal lips and the soft flesh that led to my asshole. I couldn't help but get turned-on by Sue's gentle movements. My pussy heated up and began to glisten. Her own pussy puffed up, and her nipples got hard. Owen couldn't help but notice. He put his hand between Sue's legs and rubbed her cunt. "Careful!" I told him. "She could cut me!" He rubbed her wet pussy even harder. "If you cut my wife," he told her, "I'll cut you back worse." Sue was worried, she was turned-on, she was careful. Owen was getting more than his fair share of kicks, judging by the bulge in his Levi's. I wondered how long it would take for my pubes to grow back.

Soon my pussy was as bare as a baby's bottom. "All right," I said, "now let me up and let's fuck." When Owen's dick was as hard as I could tell it was, he was game for anything. I was ready to give him the blowjob of his life, as a way of apologizing for screwing our next-door neighbor.

He had an evil smile on his face.

"We're not done yet," he said. He shot a big load of shaving cream into his hands and rubbed it on my head! He was going to shave me bald! "No!" I screamed. "You can't do that! That's not fair punishment!" I didn't have long hair, but it was curly and golden, and I couldn't bear the thought of being bald! "Don't worry, honey," said Owen sweetly. "I'm going to make you look like that pop singer you like so much on MTV." "No!" I screamed and shook my head back and forth as hard as I could. "Stop it," said Owen, "or Sue here might cut your throat."

I kept still. "I'm sorry, Marie," said Sue as she brought the razor to my scalp. It took over 20 minutes to shave my head. Hot, bitter tears ran down my face the whole time. It barely helped that I could look up and see my husband rubbing Sue's hot cunt and hard-nippled tits. She was too turned-on to be really sorry, I could tell.

When it was all over, I was covered with shaving cream and bald as an eagle. "Untie her," said Owen, and Sue undid the knots. Owen half expected me to jump out

of bed and beat him black and blue, but I didn't. I was in shock. I couldn't believe I was bald. "Change those sheets," he told Sue, "and wait for us."

He took my hand and put me in the shower. When I got out of the shower, he toweled me dry. I couldn't bear to look in the mirror, but I felt more naked than I ever had, and, despite my hurt and anger, was feeling hornier by the minute.

Sue was naked on the bed. The sheets were clean and fresh. She got up as if to go. Owen pulled her back on the bed. "You're staying put until Marie tells you to go," he said. She immediately stuck her nose between my legs. The feel of her tongue against my newly shaved snatch was indescribable. My nipples grew as hot and hard as smelted lead. Owen kissed my tits in a repentant sort of way. It was beginning to dawn on him, the thought of having a bald wife.

"I'll buy you a wig," he smiled. "The best wig in town." The first orgasm of the day shot through my loins, and right then, I didn't really mind being bald. I did like that bald pop singer on MTV. Call it a trend.

DICTIONARY

Blow-Up Doll: The only bitch who will ever love a scumbag like he really wants her to love him. His wallet is safe around her.

Not everybody has a flair for talking dirty. Just about any sewer-mouth can spout off a mean *fuck*, or a *suck my dick*, but the truly gutter-wise vocabulary is a product of extensive practice and training. The best way to learn the language of the lewd is through the raunch-tongue regimen that HUSTLER uses to drill the dialect of depravity into would-be porno critics. So whether you want to be a smut pundit, or just talk like one, brush up on your brashness with this rudimentary and rude installment of the *HUSTLER Dictionary of Sex*.

Aphrodisiac: Any substance that decreases a bitch's resistance to the carnal advances of a horny scumbag. Common *aphrodisiacs* include large dicks, costly powders, fast cars, Visa gold cards and money in all of its higher denominations.

AC/DC: An indiscriminate plug that will stick into any available socket.

Anal Retention: *Anal retention* is a phase in the Freudian stages of personality development. Anal retention is also what a homosexual does when he does not want to get sperm on the upholstery.

Ass Belch: Fart. Bad news if a bitch ass belches while getting her fudge packed.

Asshole: We've all got one. Some of us are one.

Asshole Buddy: A friend with whom a scumbag can be himself. As in: "Jeff Moses is my *asshole buddy*. I can ass belch at the dinner table, and he keeps scarfing his burrito."

Ass Worship: The religion of choice for cheeky fetishists who love to kneel at the protuberant altar of love.

Ballbuster: A penis-envying bitch who's obsessed with inflicting castration complexes. Synonyms: **Career woman, girlfriend.**

Bimbo: Something a bitch calls another bitch who's scored a scumbag she wanted for herself.

Bitch: Female. Widespread black-rap argot, filtering into mainstream scumbag usage.

Blowjob: The best method the scumbags have yet devised to quiet a bitch.

GENETIC ROULETTE

**Some families have
married too close for comfort.**

Report by Michael Lipton

ROULETTE

"The mother was dead a month before they figured out that she was dead. The son and daughter were that mentally incompetent."

"The Lord says you shall multiply, but he didn't say who with. And I'm a gonna multiply." Unshaven, a morning beer in hand, an elder member of the Allen family explains his philosophy of procreation in the documentary *The Hollow*. The 1976 film looked at descendants of two isolated families, the Allens and the Kathans, that have intermarried extensively in New York's southern Adirondacks.

Along a creek in rural eastern Kentucky, doctors discovered six cases of a rare disease called *pseudo arthropathy of childhood*. Dr. Bryan D. Hall, chief of genetics and dysmorphology at the University of Kentucky, says, "There may be only 20 other documented cases in the world's history." The disease, amplified by inbreeding, or *consanguinity*, is a bone disorder that affects children at the age of four or five and causes debilitating hip and spine problems by the 30s.

"We had a family in southern Kentucky," relates Dr. Hall. "The mother died and was dead a month before they [the family] figured out that she was dead. The son and daughter were said to be so men-

tally incompetent that they let her lie there for a month before they finally told people.

"We know that mental retardation and mental illnesses are more common in families that are highly consanguineous," he adds. "But we don't know whether that was a factor in that particular family. We see families where we can't figure out the inheritance pattern of their problems because they're so inbred."

It doesn't take a degree in genetics to figure out that mating within your family is tampering with Mother Nature. Monsters, pinheads and gross physical deformities are all preconceptions of inbreeding. The facts are less spectacular, but no less debilitating.

Populations that exclude outsiders from reproduction—whether by choice or geographic isolation—eventually become inbred. The United States boasts one of the lowest rates of inbreeding in the world, but the inclination to marry within the family is often a matter of locale or religious background.

Urban areas tend to be less inbred than rural areas. Documented examples in this

country are the Amish of Pennsylvania and Ohio, the Mennonites of Kansas, the Dunkers of Pennsylvania and the Hutterites of South Dakota and Minnesota. Of all the groups that tend to intermarry, the most folklore surrounds those of the clan-nish back hills of Appalachia, which extend from upstate New York, south through Pennsylvania, West Virginia, the western Carolinas and northern Georgia.

"A lot of people in eastern Kentucky never live more than a few miles from where they were born," says Dr. Hall of the University of Kentucky. "Their selection of spouses is still often their relatives—known or unknown."

For most Americans the taboo against inbreeding is nearly inbred. Despite frequent inbreeding throughout 18th- and 19th-century Europe, the Protestant English, Scots and Irish have always looked down on the practice. Their attitudes carried across the Atlantic and passed on to subsequent generations in this country.

Jerome Warcloud, executive director of the Cleveland American Indian Center, expounds a sensible native attitude: "American Indians had a clan system in which you married out of the clan. That strengthened ties with two clans. It [not marrying within the clan] was strictly a matter of common sense."

But today, in some cultures and religions in this country, mating within one's family is condoned and preferred. The percentage of consanguineous marriages in some Amish, Appalachian and Eastern communities approaches the highest inbreeding coefficients found throughout the world.

At the University of Kentucky's genetics clinic, Hall informs couples who are consanguineous of the risk involved in having children, and assists couples who are already aware of a problem in their own family. Families who do not suspect consanguinity often discover they are related after the clinic runs a complete pedigree.

Hall has found 7% of the clinic's patients to be inbred—14 times the normal rate found in the general population of the United States.

"Our figures are not totally accurate. We know we miss a lot of the consanguinity because people just don't know," Hall says.

Concern over consanguinity is nothing new. All 50 states have statutes indicating precisely who men and women cannot marry. Most states draw the line at first-cousin marriages, but there are at least 20 exceptions. Among them:

- New Mexico's statutes specifically state that "first cousins may marry."
- Maine allows a man to marry the daughter of his father's brother or sister, after filing a certificate of genetic counsel-

"Pardon me, but does the term 'mercy fuck' hold any special meaning for you?"

ing signed by a physician. Women have corresponding restrictions.

- Wisconsin prohibits marriage between persons who are nearer than second cousins, except between first cousins where the female is 55 or where either party is permanently sterile.

- Rhode Island permits marriages between Jews within degrees of consanguinity permitted by their religion.

- Oklahoma recognizes first-cousin marriages that were performed in another state authorizing such marriages.

A short lesson in genetics illustrates inbreeding's potential to multiply serious medical problems.

Everyone, regardless of background, carries between four and six genes for recessive disorders. When parents contribute matching recessive genes, a child is affected with a recessive autosomal disorder—the type of disease that has increasing frequency with consanguinity.

People don't carry more abnormal genes in an inbred population, but everybody carries the same genes. Most of us avoid

having children with recessive disorders because we don't mate with someone who carries those same recessive genes.

Unrelated couples share one in 16 of their total genes in common; first cousins share one in eight; uncles and nieces share one in four; and siblings share one in two genes in common. In the general population, the chances of mating with someone with a matching recessive gene is approximately 4%. In first-cousin matings, those numbers double to around 8%.

So with laws in place and facts in hand, why isn't inbreeding a thing of the past?

"We don't get valid statistics through marriage licenses," says Hall. "There is only one question on the form: 'Are you first cousins or more?' No one checks up on it. We see first-cousin matings all the time in our patient population [illegal in Hall's state of Kentucky]. They either had to lie, or they didn't know. There's no real enforcement; so it continues to happen."

Among people who have intermarried extensively, certain abnormal genes are already rampant.

"If you go back to a fourth or fifth

cousin in an inbred population, the risk is a great deal higher than it is in the general population," Hall explains.

"Talk about genetic deficiencies—that's pitiful," said Ned Beatty in *Deliverance*, referring to the apparently inbred child, with large forehead and narrowed eyes, of a backwoods north-Georgia family.

From a geneticist's point of view, the boy was not the "classic inbred" individual. He most likely had an autosomal dominant disorder (a disease passed on by one parent) called *blepharophimosis syndrome*, characterized by tight eyelids and laterally protruding ears. The frequency of dominant disorders is not increased by inbreeding.

Later the film focuses on a young child with a small head. The child, suffering from severe microcephaly, illustrates a tragic result of inbreeding. The disease affects the size of the brain and may account for the stereotype of the inbred individual, as well as the term *pinhead*.

The children of inbred parents are susceptible to approximately 1,500 recessive disorders; microcephaly affects a relatively small percentage.

"Most individuals born of consanguineous parents are going to be normal," claims Hall. "And if they are abnormal, they are not going to be microcephalic or severely retarded. Most of them are going to have other types of recessive disorders—skin diseases and metabolic diseases involving specific organs, like cystic fibrosis."

Some disorders are more prevalent in certain groups. Northern Europeans are more prone to cystic fibrosis. The gene for Tay-Sachs disease is about 50 times more frequent among Jewish people in the United States than it is among gentiles, and blacks are much more likely to be born with sickle-cell anemia.

Another misconception is that inbreeding is necessarily incestuous. Most inbreeding occurs at the first-cousin level or higher—not among parents and their offspring, uncles and nieces, or aunts and nephews.

"That [incest] is one of the reasons why inbreeding has a much worse connotation than it deserves," contends Hall.

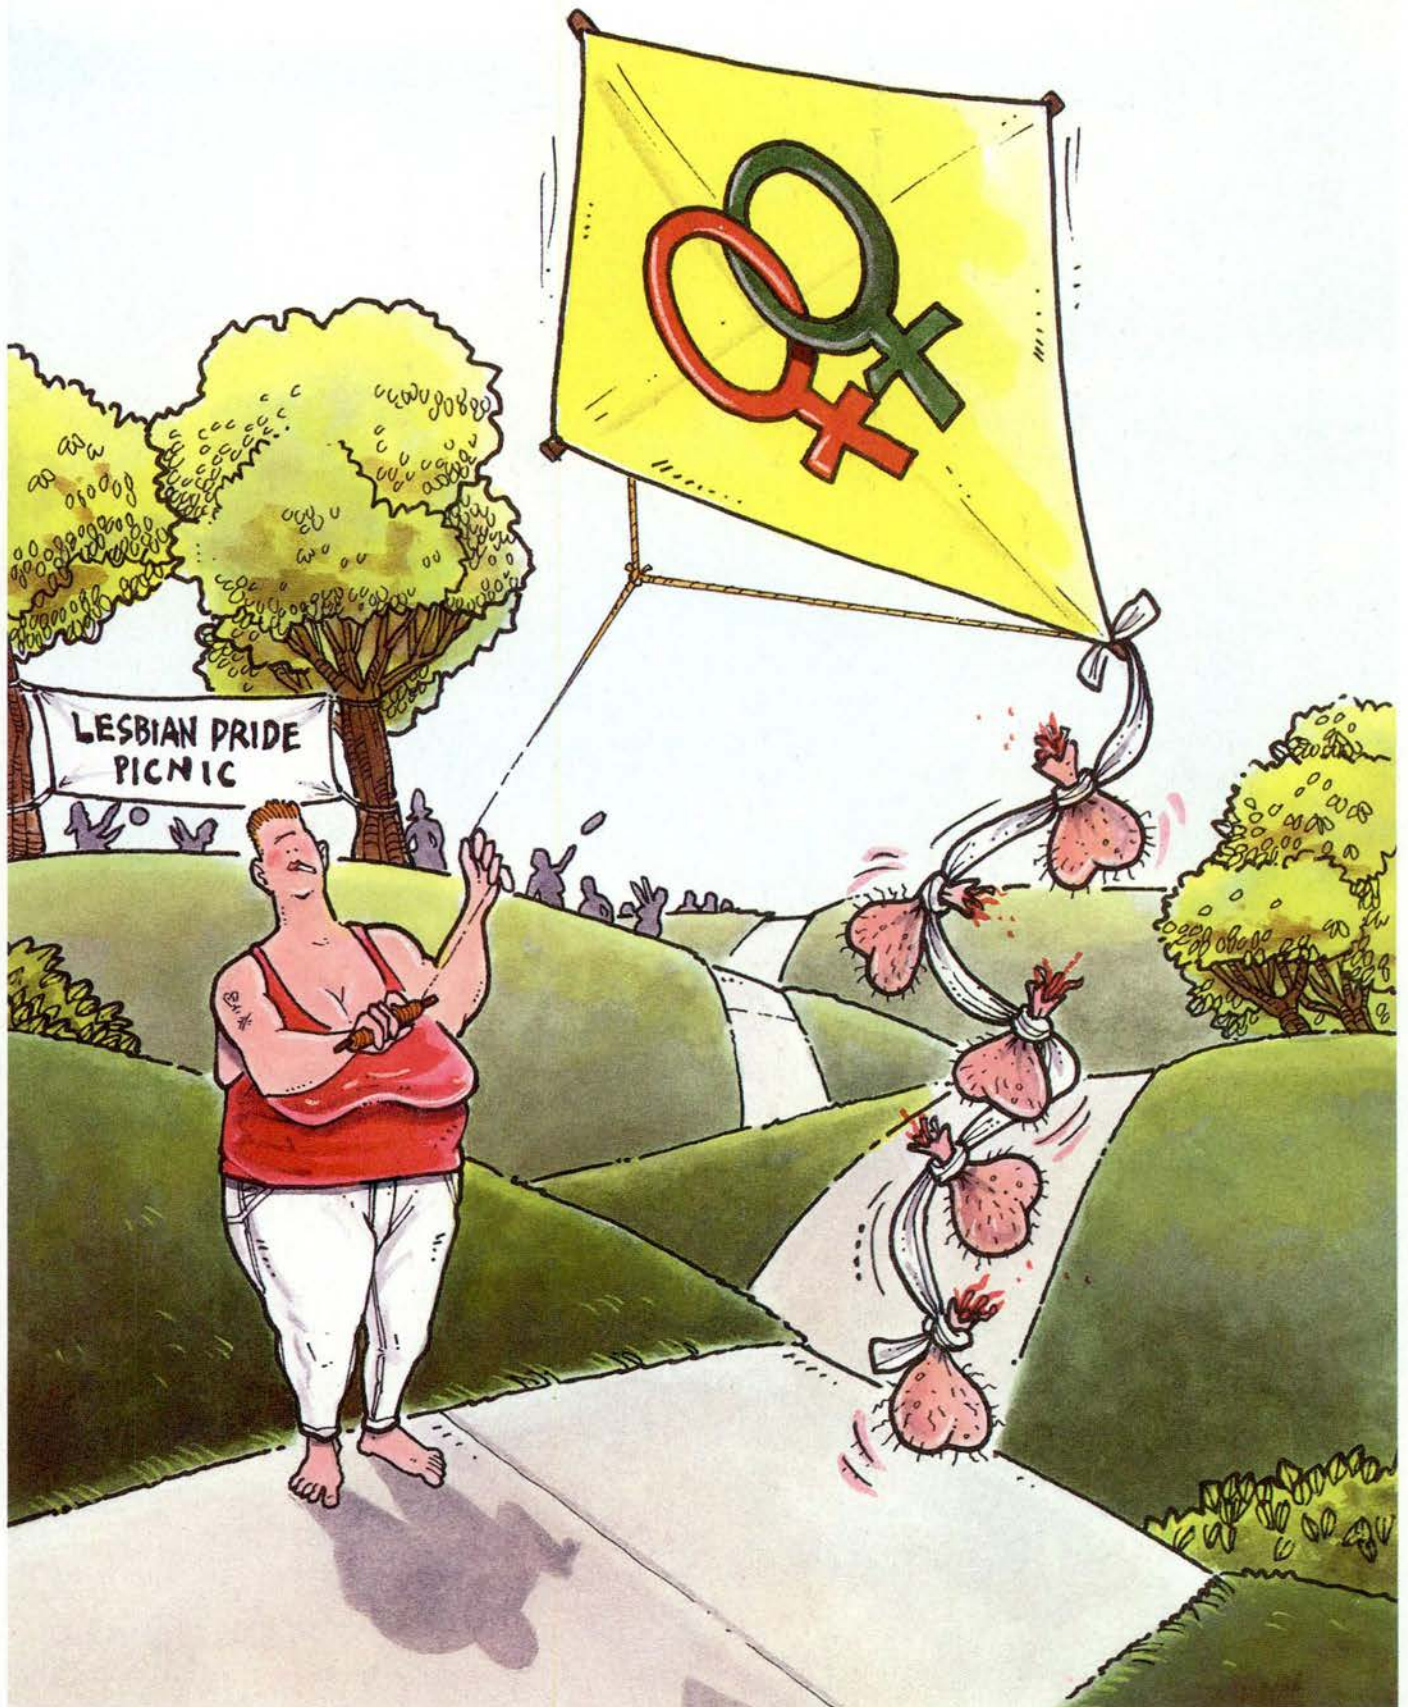

Taboos against marrying certain relatives vary from culture to culture, but societal law prohibiting marriage and sexual relations between parents and children or brothers and sisters is almost universal. The actual risk involved in a parent-child/brother-sister relationship can run as high as 60%.

Long before those risks were calculated, incestuous matings were encouraged in the ruling families of certain cultures. Brother-sister marriages were traditional among

Hawaiian kings. Huáscar, the last Incan ruler of Peru, was the product of nine brother-sister matings, one nephew-aunt mating and one first-cousin mating in 11 consecutive generations. The lineage of Egypt's King Tut was similarly filled with incestuous relationships. Beautiful and intelligent Cleopatra VII was the offspring of a brother-sister mating and the product of generations of consanguinity. She in turn married her two younger brothers.

According to Hall, the theory that inbreeding improves the "blood" or talent of a family breaks down under analysis.

"There is an increased risk of abnormalities," he points out. "It's as simple as math."

"Genetics is genetics," adds Dr. John Baker, director of medical genetics at West Virginia University. "You can breed plants for yield, but over time you may destroy the plant's ability to fight off infection or survive drought."

But some texts hint at benefits to inbreeding. *The Textbook of Human Genetics* avers that "many instances can be cited of talented persons whose parents were first cousins or otherwise closely related. Presumably

consanguinity made it easier for 'good' genes to come together in these cases."

Crippled painter Henri de Toulouse-Lautrec was another product of a first-cousin mating. His affliction, diagnosed as *pyknodysostosis*, was a rare autosomal recessive disorder that results in fragile bones, open cranial fontanelles (soft spots on the skull) and other skeletal disorders. One of Toulouse-Lautrec's cousins was a dwarf.

Several diseases allow a person's joints to hyperextend. This may improve ability to play the piano, violin or guitar. "But," Hall points out, "that same hyperextensive ability can work against you if you can't control it."

"We know the bad effects [of inbreeding]," continues Hall. "I don't think anybody has the studies to prove any good effects, at least any better effects than being noninbred."

Another textbook, *Genetic Medicine*, states, "Although first-cousin marriages are illegal in many states, the popular notion of the danger of such unions may well be exaggerated."

Linda Robinson, a genetics counselor at

UCLA, agrees. "Most first cousins coming in for counseling feel that the risk is much lower than they thought. Most people thought it was much higher, 30 or 40%."

Even the well-documented cases of hemophilia and insanity in the inbred European royalty cannot be directly attributed to consanguinity.

The *Textbook of Human Genetics* states that the gene for hemophilia is transmitted only by the mother. "The idea that hemophilia was prevalent in the royal houses of Europe as a result of so-called inbreeding is, therefore, quite erroneous. Although there were several cousin marriages...it would have been transmitted no matter whom they had married."

"Insanity has been noted in those families," admits Hall, "but not simply on the basis of inbreeding."

The link between mental deficiency and inbreeding is subject to opinion. *Human Genetics* purports: "On the whole...there was usually a slight lowering of performance (cognitive abilities) with inbreeding."

Recessive mental impairment is usually in the moderate to severe range. "You almost never get mild retardation from a recessive disorder affecting only mental abilities," Hall says. The IQ of a moderately retarded individual ranges from 30 to 60, severe is generally less than 30.

"Retardation is a difficult topic because there are so many different causes," West Virginia University's Baker explains. "Brain function is so complex. We understand almost nothing about it. Data is incomplete. You really can't make any conclusions one way or the other."

Baker also points out that "the incidence of genetic disease is the same now as it was 100 years ago, but the percentage of problems that are genetic is much higher. We've eliminated many infectious-disease problems, but genetic diseases are one of the major causes of hospitalization."

"It's an important issue to a state like Kentucky," Hall says. "Maybe one that people don't want to deal with, but it does have an impact on the health of the population."

"I have no moral or ethical need to tell people not to have children, or not to get married if they are cousins. I simply want them to know what the risks are. If something in their family predisposes them to a specific problem, they can make an informed decision."

Inbreeding undoubtedly occurs in ethnic populations in urban areas, but few studies confirm it. UCLA's Robinson says that "because the majority of Hispanics are members of the Catholic Church, which prohibits first-cousin marriages, we only see consanguineous Hispanics when they don't know they are actually related."

HUSTLER HUMOR

A big brute of a fellow died and found himself in front of the Pearly Gates. "Hello, son," Saint Peter said, jangling his keys. "What did you do down on earth?"

"I was a member of the Washington, D. C., SWAT team," he replied.

"Well, I don't think there's any point in your trying to get in here," Saint Peter suggested.

"I'm not trying to get in," the cop retorted. "I'm giving you all five minutes to get out!"

Question: What do Marion Barry and Marilyn Quayle have in common?

Answer: They both blow a little dope.

What seems to be the problem?" the doctor asked Mark. "Doc, please promise me you won't laugh," Mark replied, "because it's about the size of my balls."

The doctor assured him that as a professional medical practitioner, he would never laugh at any patient's problem. He advised Mark to relax, drop his pants and let him take a look.

Reluctantly, Mark stood up and pulled down his pants, exposing the most shriveled pair of raisin-size balls the doctor had ever seen. The doctor couldn't help but laugh so hard that he fell out of his chair.

Mark was so humiliated that he quickly pulled up his pants and cried, "Stop laughing, Doc, I'm ashamed enough as it is!"

When the doctor finally regained his composure, he apologized sincerely, "I'm really very sorry. I know I shouldn't have laughed. Now, tell me, how long have you had this condition?"

"Well," Mark replied, "they've been swelling like this for about a week now."

The biker was testifying in court on behalf of a friend, and suddenly the prosecuting attorney jumped up and demanded, "Isn't it true that you were paid \$5,000 to throw this case?"

The biker just stared out the courtroom windows and said nothing. The prosecuting attorney repeated the question and was again ignored. Finally the judge leaned over and admonished the biker, "You will answer the question, young man."

"Aw, shit, Judge, I'm sorry," replied the biker. "I thought he was talking to you."

A salesman pulled off the highway and stopped at a restaurant for a quick bite. Before leaving, he visited the restroom and noticed a box attached to the wall with a hole in it and a sign reading, "Let me be your wife—25 cents." Intrigued, the fellow inserted a quarter and slipped his dick into the hole.

A few minutes later, he came crashing through the restroom door, screaming in pain. The alarmed restaurant manager rushed over and asked him, "Sir, what's the matter?"

The salesman cried, "I tried your 'Let me be your wife' machine, and I'm suing you."

"Didn't it work?"

"Oh, it worked all right," he groaned. "I just didn't know it was going to sew a damn button on my dick."

The HUSTLER Dictionary defines *hair lip* as: someone who doesn't wipe his mouth after eating pussy.

Three hookers, and an old Jewish peddler accused of selling pantyhose without a license, were in the courtroom before the judge.

"This is all a mistake, your honor," cried the first hooker. "I was just walking along when this man—"

"Just a minute, young lady," said the judge. "You've been in here a dozen times before. That'll be a \$500 fine. Next!"

The second hooker approached the bench and pleaded, "Judge, I was just minding my own business when this car stopped and—"

"I recognize you, too, young lady," replied the judge. "You will also pay a \$500 fine. Next, please."

"Your Honor," began the third hooker, "I am indeed a prostitute. I'm not proud of it, but it's the only way I can afford to support my children."

"I really appreciate your honesty," reasoned the judge, "and because of that I'm going to give you a break. This case is dismissed. Sergeant, give this girl \$1000 out of the police fund."

Finally, the old Jewish peddler approached the honorable judge. "Your Honor, I'm not going to lie to you," he proclaimed. "I am a prostitute...."

On the night of their wedding anniversary, Mike's wife was awakened by Mike's sudden crying fit. "What's the matter, darling?" she asked.

Pulling himself together, Mike said, "Do you remember the night your father caught us screwing in your backyard?"

"Yes," she replied, "of course, I remember."

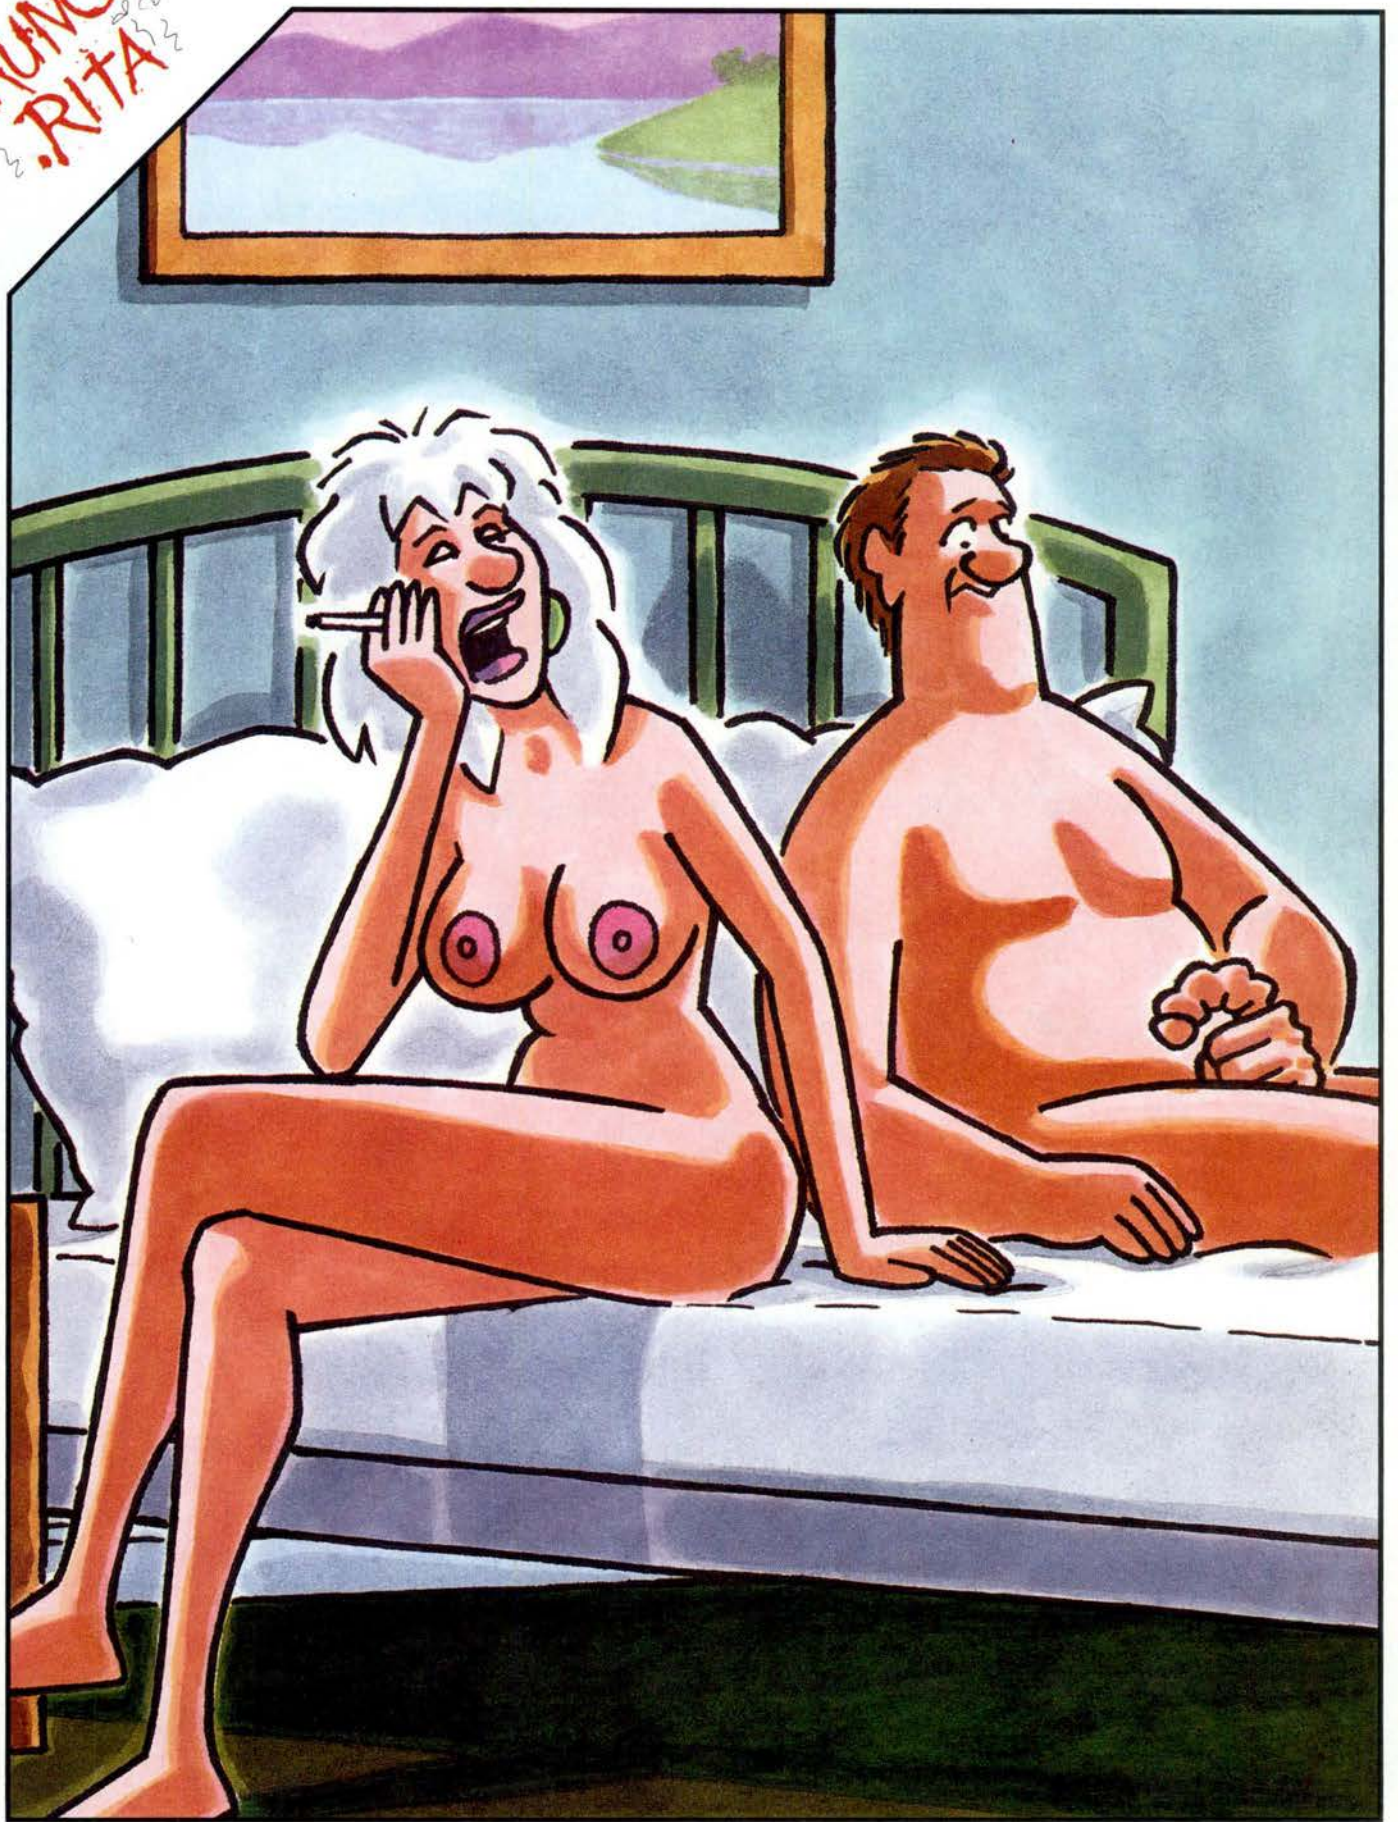

"Do you also remember how he forced us to get married, threatening to have me arrested and sent to prison for 25 years?"

"Yes, I remember, honey, but why are you crying about this now?"

"I just realized I'd be getting out tomorrow!" Mike wailed.

Domestic Warfare

The Bride Wears Bruises

It doesn't take any special

Given the circumstances,
you might do it yourself.

HOME VIOLENCE

Abe Shapiro brutally assaults his wife. He punches her, beats her with a wine bottle, chokes her, and whips her with an extension cord.

It is a bizarre and gruesome deed. An apparently normal and loving husband suddenly snaps, and with the ferociousness of a pit bull, viciously attacks his wife. It is not, however, all that rare.

September. Police at Kennedy International Airport in New York discover the battered and bloodied body of Panagiota Bletsis in the trunk of a parked car.

"It looked like she had been beaten with brass knuckles," says an airport security guard. "Her face was a bloody pulp."

Panagiota's husband, Basil Bletsis, flew to California, then surrendered to Santa Barbara police, admitting he murdered his wife, then drove to the airport.

"He literally beat her to death," authorities say.

November. Eastern Airlines pilot Richard Crafts is sentenced to 50 years in prison for killing his Danish-born wife and shredding her body in a wood chipper.

Crafts, who had on more than one occasion been involved in domestic violence, was convicted of slaying his wife, stewardess Helle Crafts, in their Newtown, Connecticut, home and disposing of her

body à la Freddie Kruger—with a chain saw and wood chipper.

"We knew Helle Crafts was a victim of domestic violence," recounts a Newtown official, "but we did not believe she was in imminent danger."

The pretty flight attendant's body is never located. Parts of it, however, are discovered in a lake near their home, and a tooth, a fingernail and bits of hair and flesh are found in a pile of wood chips.

February 11, 1990. According to police, Abe Shapiro brutally assaults his 26-year-old wife, Terry. He punches her, stomps her, beats her with a wine bottle, chokes her, and whips her unmercifully with an extension cord.

Ross Horton, a sergeant with the Santa Clara, California, Police Department, can't help but stare at the bruises and dried blood on Terry's face, the black-and-blue marks on her arms and legs. "In 27 years of police work," Horton says, "I've never seen a woman beaten that badly, and I worked sexual assault for several years."

The bloody litany goes on and on.

Marriage counselors report that one out

of every six couples in this country engages in at least one incidence of violence each year and that during the years of their marriage the chances are greater than one in four (28%) that a husband and wife will engage in physical violence.

"And we're not talking a slap in the face," says a noted psychologist. "We're talking bloodbath."

Roxanne Morris, a 30-year-old mother of four, is reported DOA at Oakland's Highland Hospital from gunshot wounds after a domestic argument turned violent.

Neighbors of the Morris couple claim that they had been yelling and screaming at each other all afternoon.

Don Dore, an Oakland police officer, reports that Roxanne was driving away from the Morris' East Oakland home with her children, ages 11 months to 11 years, when her enraged husband confronted her.

Roxanne, leaving the kids in the car, ran to a nearby house, Officer Dore relates, but her husband "chased her down and shot her repeatedly in the head and chest."

Morris was not the first husband to chase down a wife.

Edward Brenta, separated from his wife, Judy, adopted the fatal if-I-can't-have-her, nobody-can attitude.

"Judy Brenta never had a chance," says an investigating New York police officer. "She was as good as dead the day she married Edward Brenta."

Law-enforcement officials say that two weeks after the Brenta wedding, Judy was treated at New York's Cornell Medical Center for a broken jaw and cracked ribs. No criminal charges were filed.

"We took the report," says the investigating officer, "but Mrs. Brenta declined to sign a criminal complaint."

The abuse continued.

"It didn't just continue," clarifies a spokesman for the New York City Victim Services Agency, "it escalated. A broken arm, a concussion, a fractured pelvis...."

Finally, Judy Brenta packed up the kids and moved away. But she did not move far enough.

Crazed and irrational, Edward tracked Judy down, and in a final act of domestic violence, killed her (and their two children).

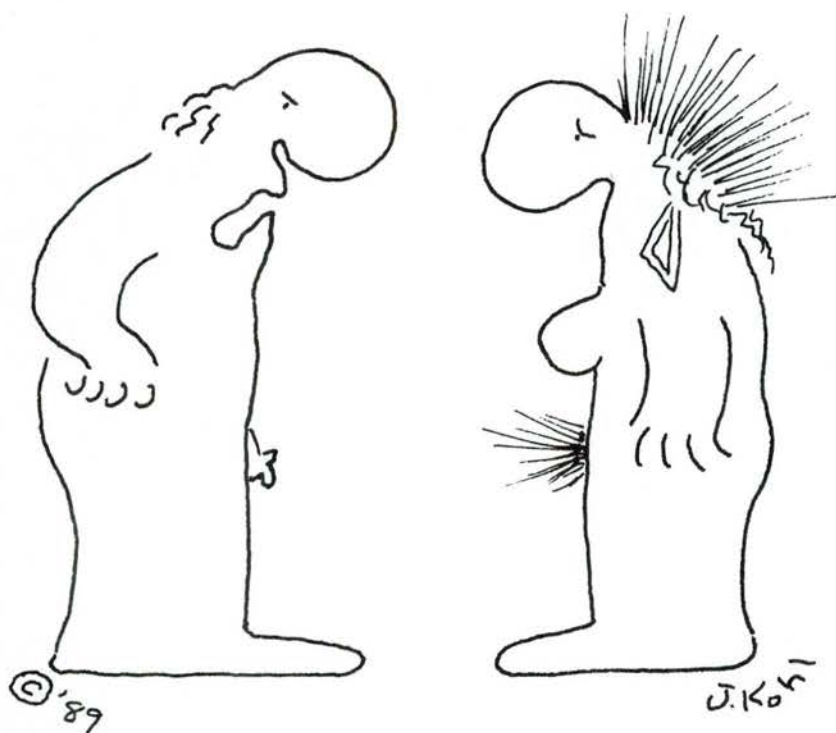

What can explain such horrific acts?

Low self-esteem, stress, jealousy, lack of communication, distrust—all are common factors underlying the male's penchant for domestic violence. And so is sex.

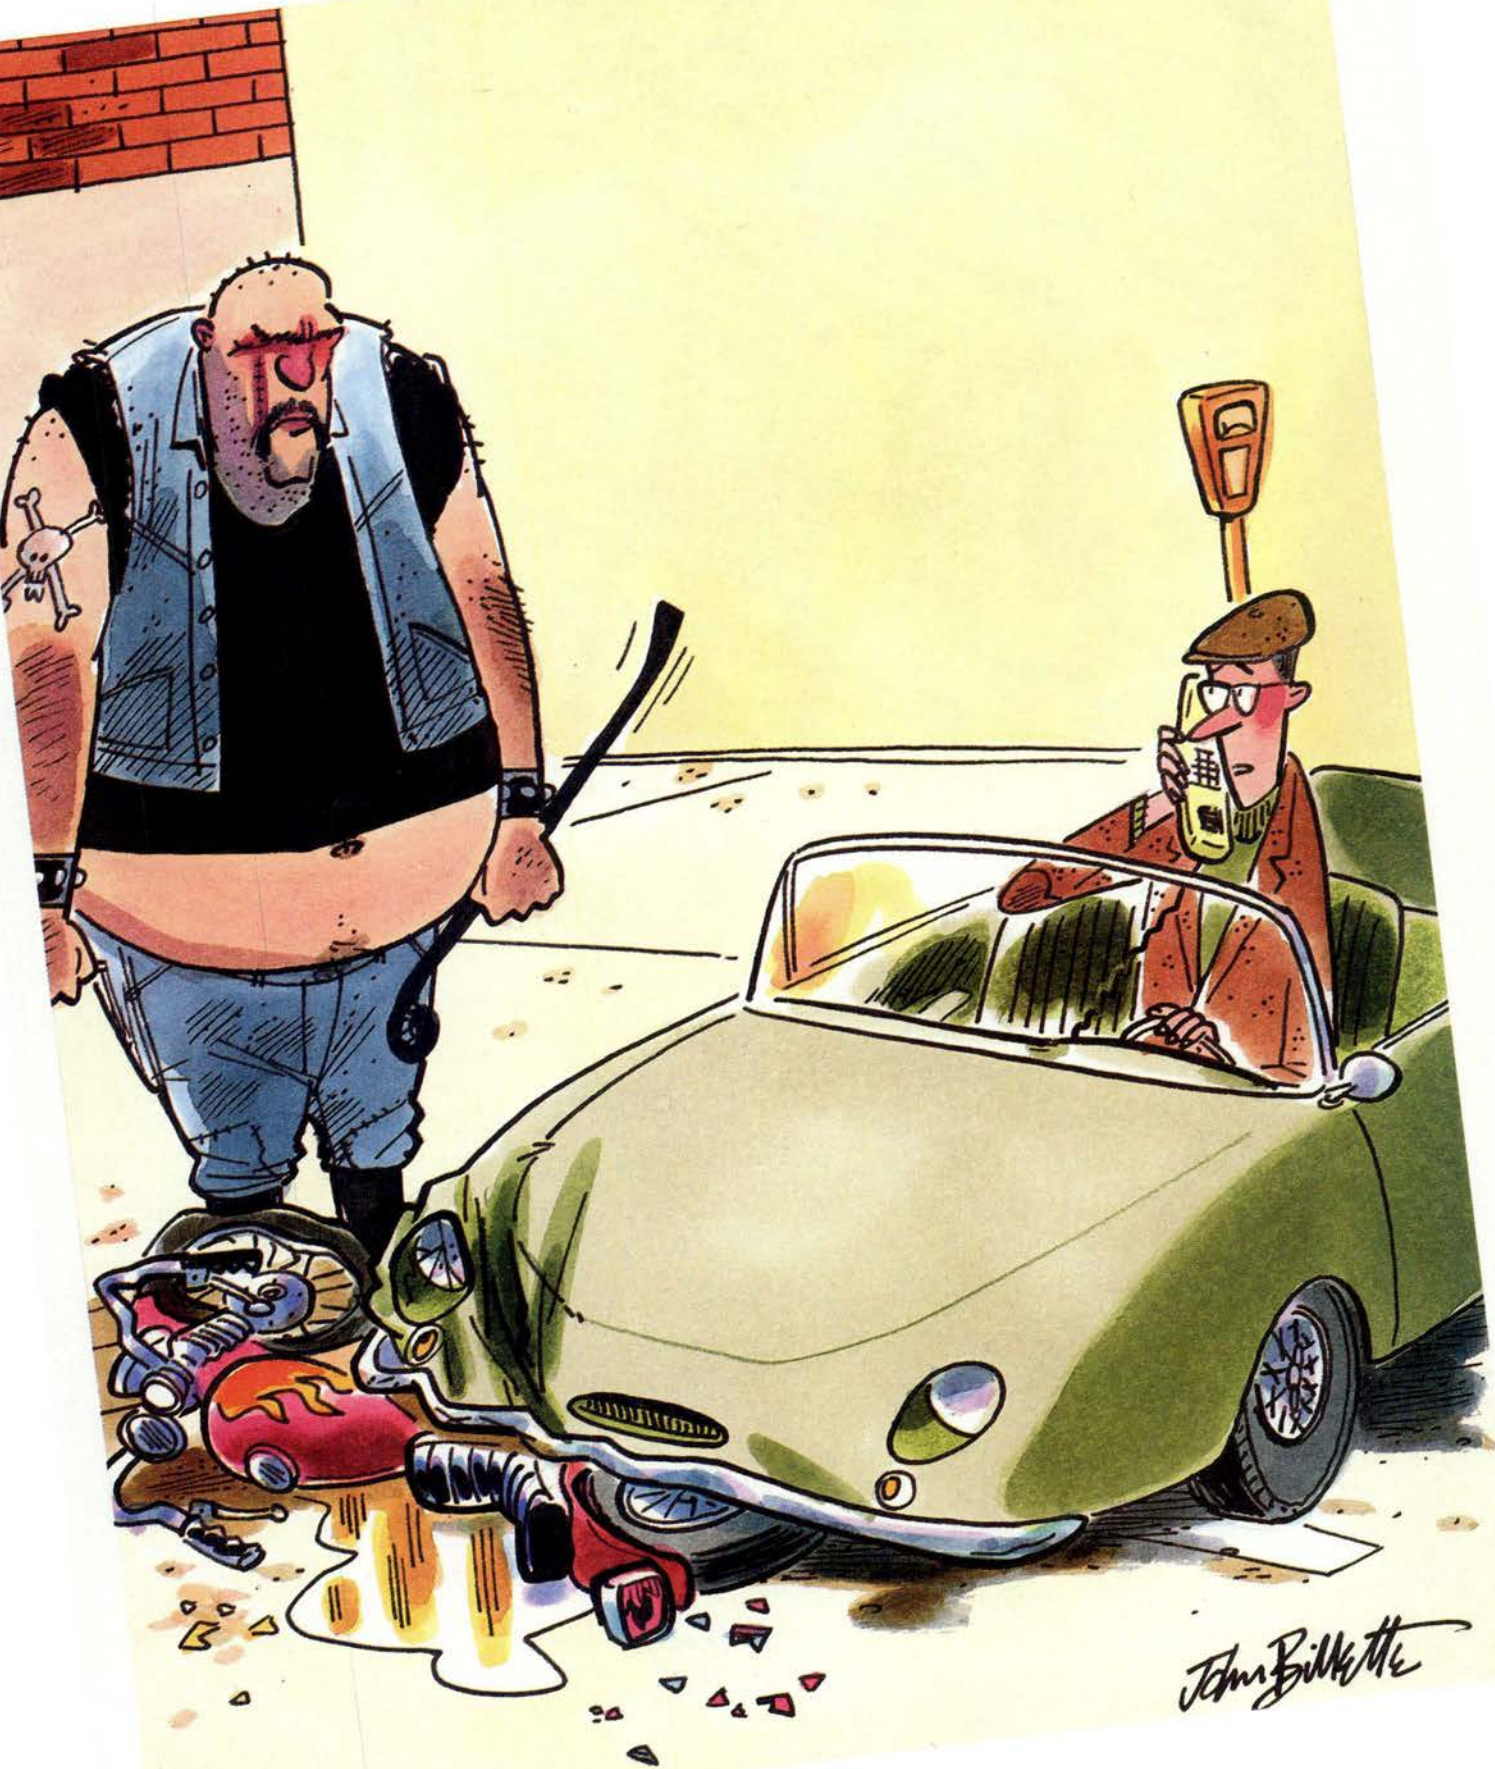

Clifton Straw was interested in a trip to the marital bed. Karen, his wife, was not.

Remembers Karen: "Clifton flew into a rage when I told him I wasn't in the mood for sex."

According to statements she gave to

"In style or not, we ain't doin' it till you rinse out that mousse!"

"Hello, 911? I'll be needing an ambulance at the corner of Fifth and Oak."

HOME VIOLENCE

"Something snapped, and I started punching her. It was not until I had calmed down that I realized I had been hitting her with a wrench."

New York police, Clifton held a butcher knife against Karen's throat, ripped off her clothes and raped her—in front of her two children. Karen claims that Clifton had been abusing and beating her for years.

There are two sides to every story, but Clifton's will go untold. He's dead. Karen, the helpless battered wife, plunged the butcher knife into his chest after the rape.

Karen Straw was charged with murder. She has since become an "advocate" for battered women.

Not everybody agrees with the verdict.

"Straw should have been found guilty," says Anthony Van Lear, a self-professed womanizer serving a prison sentence for assault and battery on his wife. "Verbal communication isn't enough to keep your wife in line. Sometimes you've got to kick off in her ass," Van Lear says. "Sort of let her know who's king of the castle."

Van Lear finds no fault with Clifton Straw's decision to rape his wife. "Sex comes with the territory," he says. "And women who marry should expect to give it up whenever their man wants it. If I want to fuck, my old lady fucks."

Others agree, including Sheik Ibrahim el Wakfa, a religious advisor to the *Allewaa al Islami*, a weekly newspaper for devout Muslims.

"If a wife refuses to have sex with her husband," Sheik Ibrahim professes, "he should beat her up slightly."

Apparently, more and more husbands are heeding the advice of Sheik Ibrahim. A study done in Vermont indicates that the number of battered women seeking help rose 68% in the last six months of 1989, compared to the similar period in 1988.

The Need to Dominate

"Wife beaters," says a psychologist who specializes in marriage and family counseling, "direct their anger toward their wives because it's safe." Describing wife beaters as weak, he explains that in the vast majority of domestic-abuse cases, the husband is afraid to confront the real foe. The wife, viewed as the weaker sex, is the easy target.

Harold Davis is challenged to a fight in a local bar. The challenger, a neighborhood bully, shoves Davis and slaps him in the face. Cowering, Davis runs from the bar, jumps into his car and speeds home.

"Pamela Davis," says a police officer involved in the case, "got what Harold was afraid to give the bully—a thorough beating."

Pamela sustains a concussion, a broken nose and numerous cuts and lacerations.

Says Harold: "She started naggin' about me going to the bar, and I wasn't in the mood to hear it."

Studies indicate that wife beaters do indeed vent their anger and hostility on their wives, whom they know pose no threat to their personal safety.

A few wife beaters admit that their wives are just scapegoats, and not the actual source or cause of their anger.

"I was pissed at my boss," says 31-year-old Gary Gonsalves, "not my wife." Nearing the end of a six-year prison sentence for mayhem, Gonsalves has had time to reflect on his attack on his wife.

"I regret it," he says. "Something snapped, and I started punching her. It was not until I had calmed down that I realized I had been hitting her with a wrench."

Christina Gonsalves, Gary's 24-year-old blond-haired wife, is horribly disfigured as a result of the attack.

"I wish I would've had the courage to attack my boss," Gary says, "but...what happened, happened. I can't change it."

To the surprise of many people, Christina has visited Gary faithfully throughout his incarceration.

"He just lost control," Christina says. "He didn't mean to hurt me."

Psychologists and marriage counselors view Christina's actions as normal behavior for battered wives. They explain that if a woman has been raised with and accepts violent relationships as the only kind she knows, then she may not walk away the first time or the second time. And the longer she stays, the harder it is to leave.

Wives who stay sometimes risk devastating consequences:

- Police in Hartford, Connecticut, responding to a domestic complaint, shoot and kill William Sanchez after Sanchez, armed with a knife, fatally stabs his wife.
- Joseph M. Lyons is sentenced to 30 years in prison for bludgeoning his wife to death with a sewing machine.
- Albert L. Harris is accused of fatally stabbing his wife at a New Haven, Connecticut, shopping mall.
- Marjorie Pacini is beaten to death in a room at New York's Hilton Hotel; her husband, Robert Pacini, admits to the crime.

In each case, the wives had been victimized by their husbands. "Their husbands had punched them, slapped them and kicked them," authorities report, "yet they continued living under the same roof."

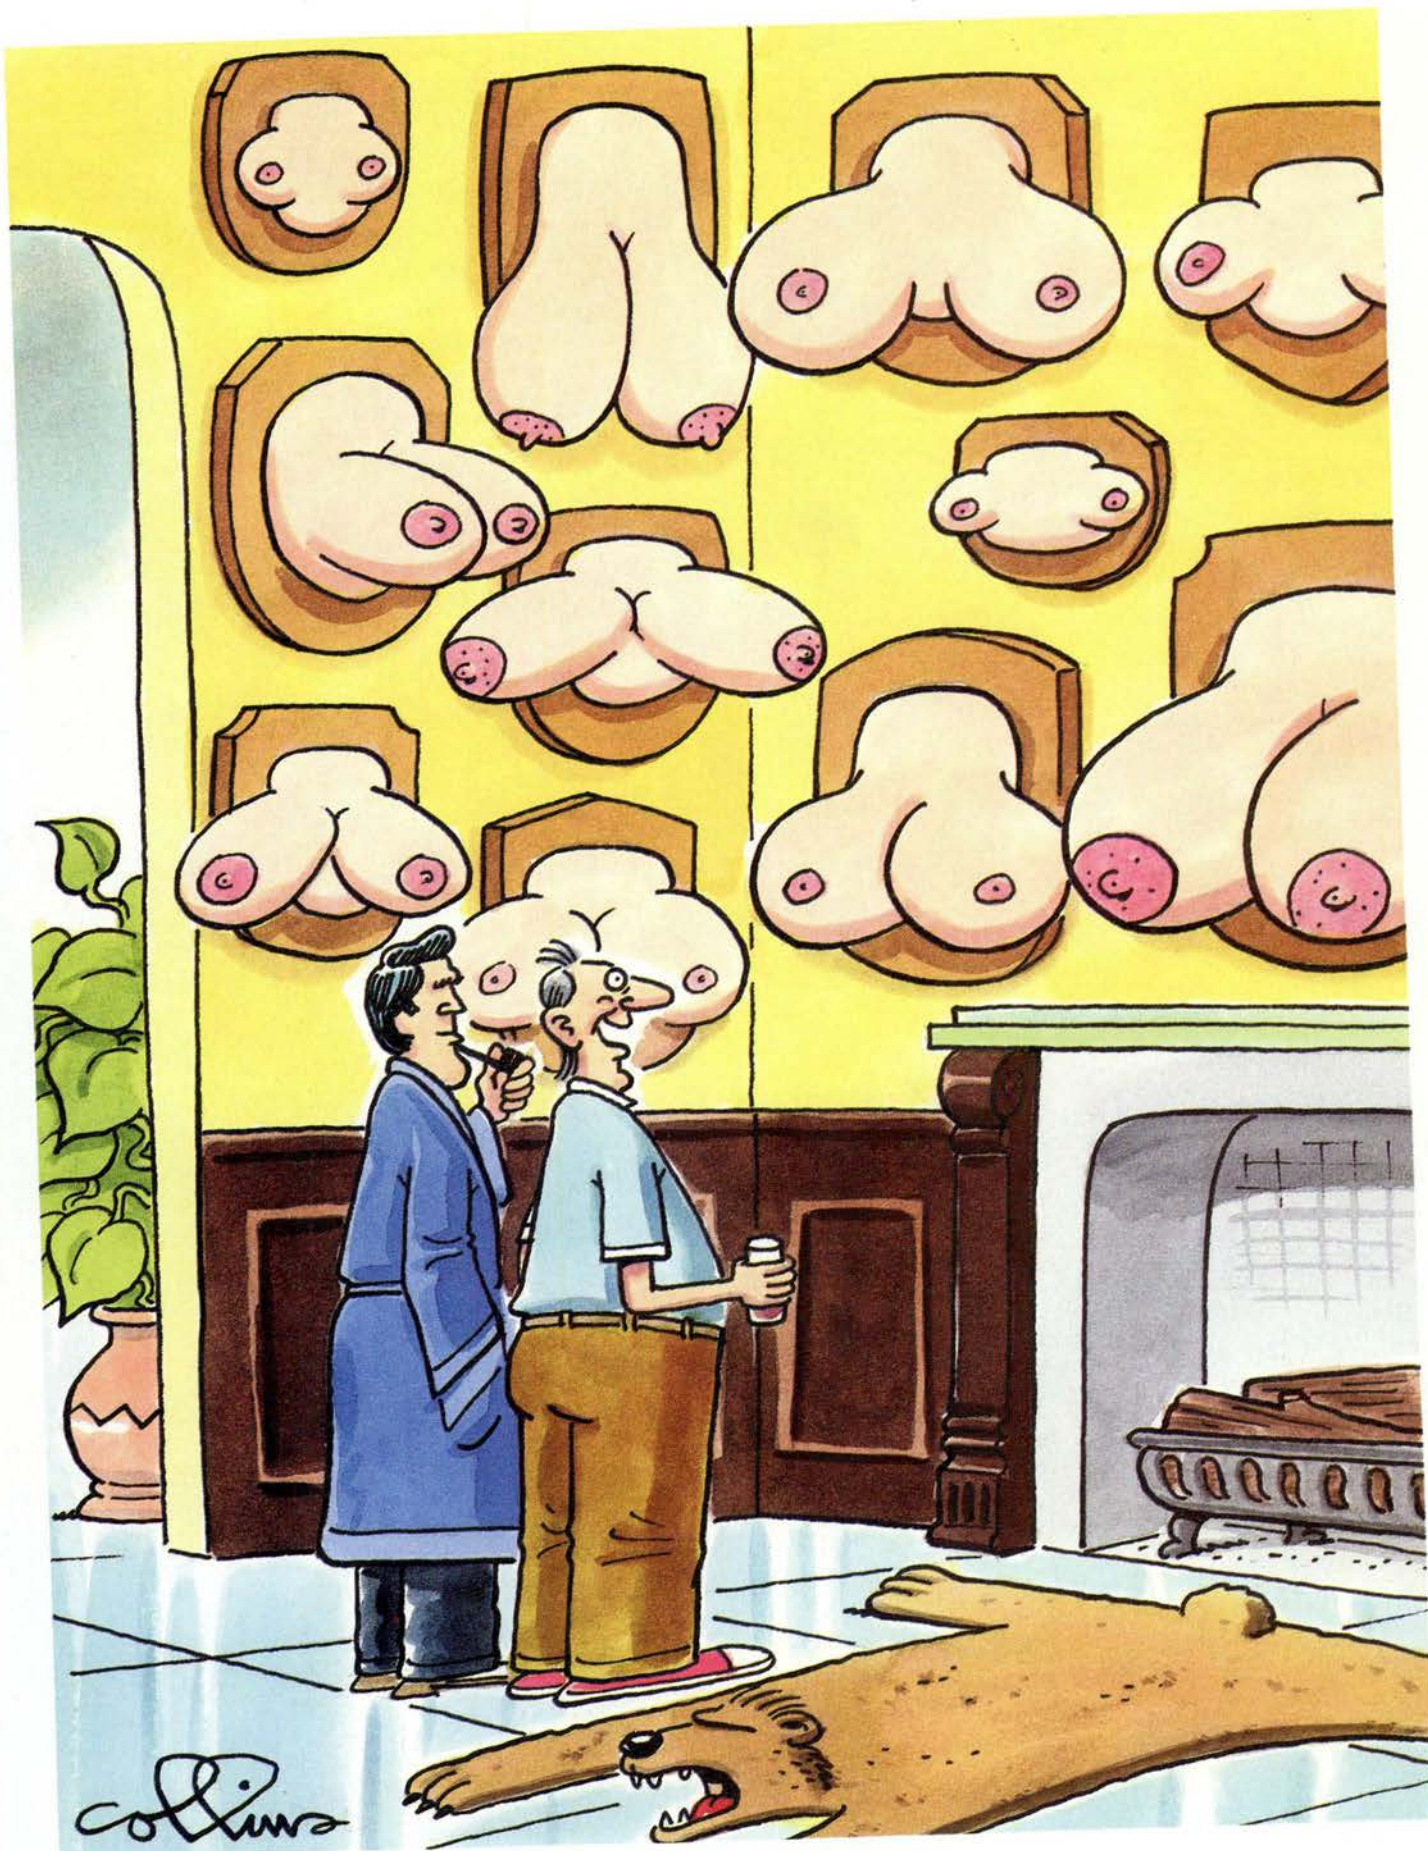

And they died.

"I left," says 32-year-old Debra

(continued on page 96)

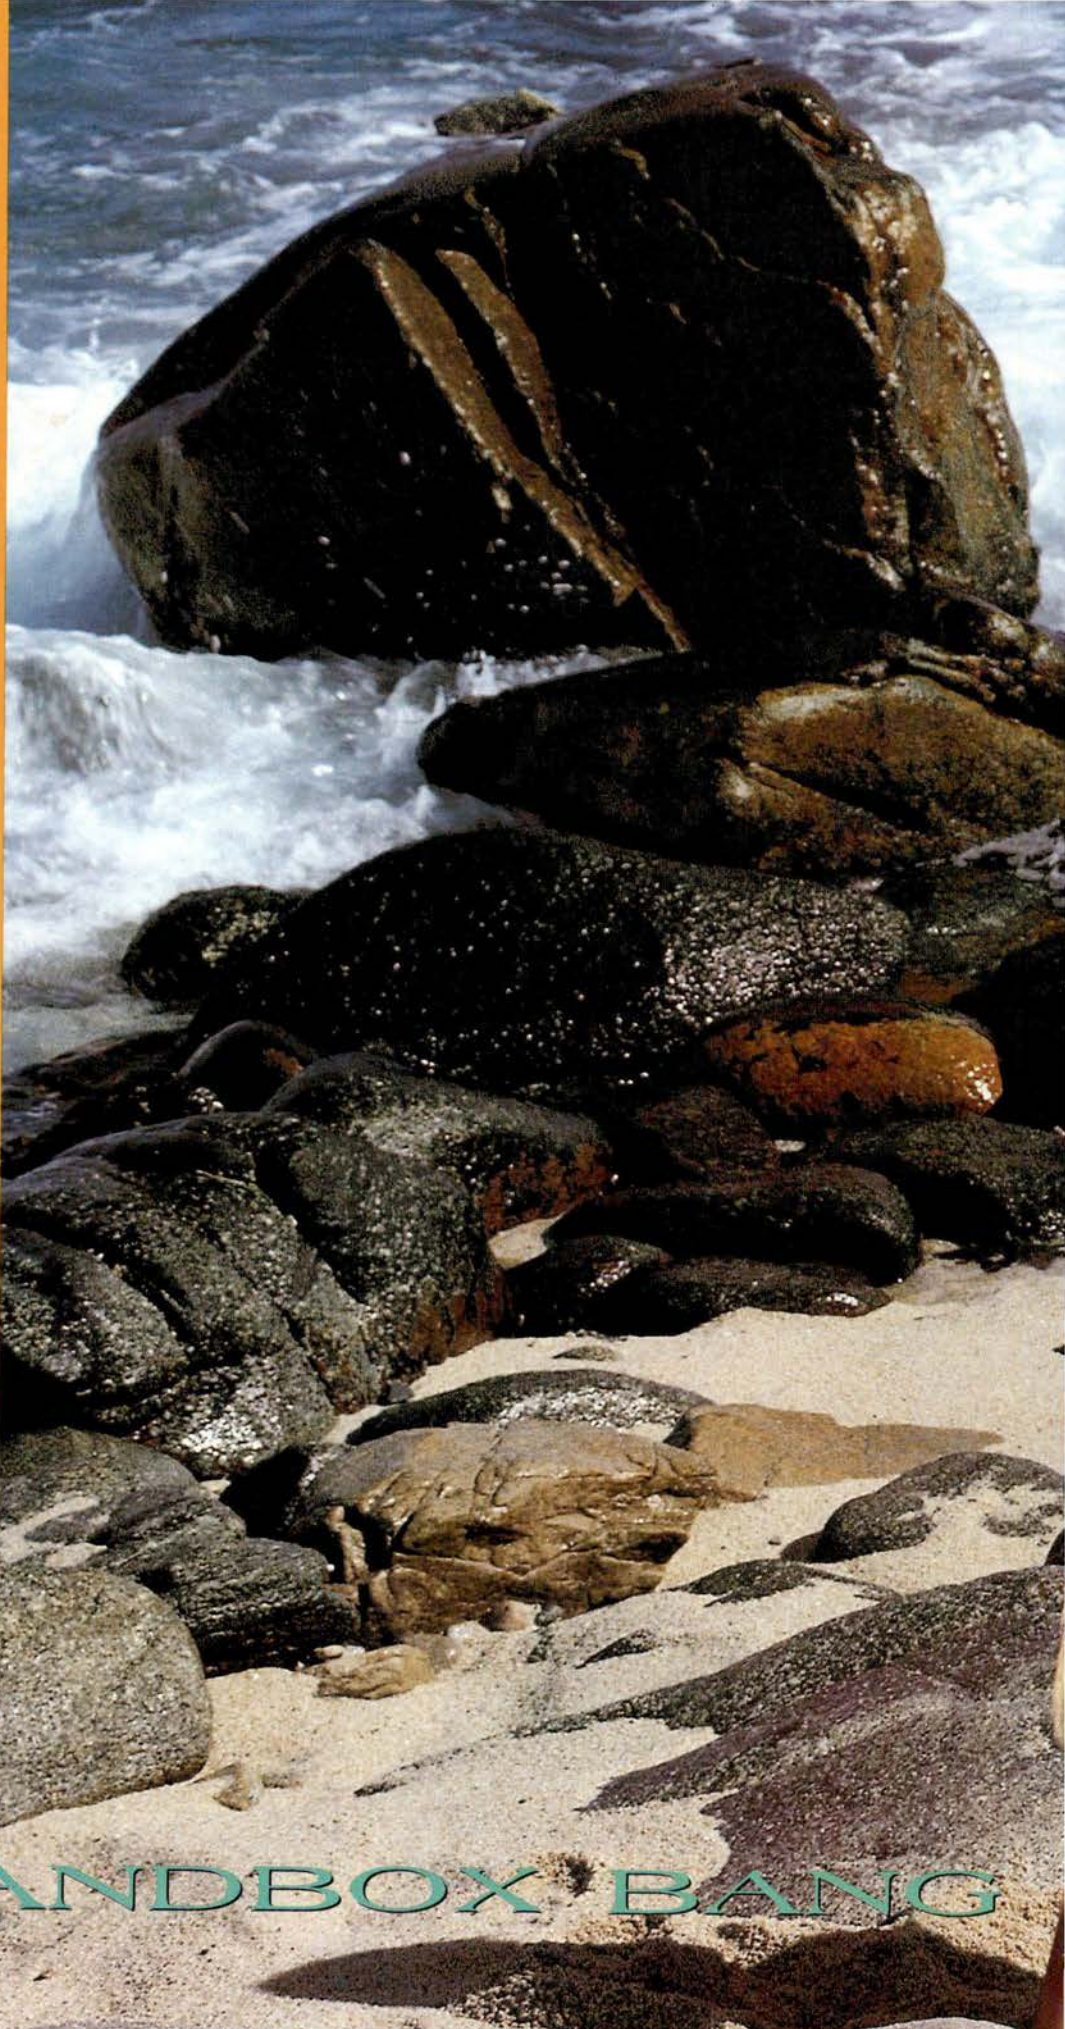

"Now you see why we're referred to as 'porkers'!"

"Wow! I love your trophy room!"

Feather AND Sage S

SANDBOX BANG

"Florida's got better beaches than this!" pouts 22-year-old Sage from New York City. "California sucks dick!" There's a balmy breeze between her legs, a breath of warm air not even the richest bitch in Manhattan can buy in November.

Sugar-brown Heather is ready to rub some color into her gal-pal's city-pale womanhood. "I'll fuck you so good, you'll *worship* California," she says. "And you better do me even better than I do you, or I promise you, this is the *last* time you come stay with me in Los Angeles!"

HOME VIOLENCE (continued from page 86)

"When you're raped by a stranger, you live with a nightmare. But when you're raped by your husband, you have to live with the rapist."

Thomas. "Nobody treats me like a dog."

Debra, who married her husband, David Thomas, when she was 19 years old, says their marriage went from bliss ("He used to bring me flowers") to bloodshed ("He gave me flowers—and then beat me").

For years, painful years, Debra accepted the flowers and black eyes and swollen lips and bruised thighs because she believed "it was a sign of David's love." She did not consider filing criminal charges, she says, because she did not want her husband to abandon her.

Then came the gun.

"He threatened to kill me, our kids and himself," Debra says, "and that did it. I was not about to risk the safety of my children."

While David was away on a business trip, Debra packed up the kids and a few clothes, and they left the state.

Elaine Sullivan has not yet managed to follow the lead of Debra Thomas.

"I wish I had the nerve to leave my husband," she sighs. "The bastard's always threatening to kill me. But..."

Sullivan says her husband (Jim Sullivan) is most abusive after he's had a few

drinks. "When Jim starts drinking," Elaine confesses, "I start cowering."

She recalls the two most frightening experiences in her life. The first, she says, happened on her 14th birthday. "I was returning home from junior-high school. A man grabbed me, pulled me into some bushes and raped me."

And the second?

"Jim was drunk. Drunk and horny. I didn't feel like having sex. He went into a rage—and I was raped again."

Elaine is philosophical about her experiences, saying, "When you're raped by a stranger you have to live with a frightening nightmare. But when you're raped by your husband, you have to live with the rapist."

To Love, Honor and Obey

Hundreds of thousands of males across the nation refuse to believe that a husband can be convicted of raping his wife, despite recently revised state laws.

"Sex is a big part of married life," says Damon Johnson, "and my wife knows it. At least she had better know it."

Chuck Hensley, who has twice been arrested for beating his wife, is concerned

about the wedding vows, particularly the *obey* in "love, honor and obey."

"A woman should have no choice as to when to obey," Hensley claims. "Her only choice should be unquestioned obedience."

Says Chuck: "She should do what I tell her to do. After all, she is the inferior sex."

Others share Hensley's beliefs, including Cardinal Andrianus Simonis, leader of a Dutch Catholic Church. Cardinal Simonis has been sued by two civil-rights groups, both of which claimed that he violated freedom of religion by encouraging discrimination against homosexuals and women. In his vocal preachings, Cardinal Simonis takes the position that homosexuality is unnatural and that women are inherently inferior to men.

Damon Johnson, released from jail after serving a 90-day sentence for assaulting his wife, does not plan to change his outlook on married life.

"The wife's role is subservient," he says, "and she had better get used to it."

Observes Elaine Sullivan: "Marriage isn't a word, it's a sentence—and the wife is the prisoner."

Not all husbands intentionally attack their wives, but even with the best intentions, husbands can expect to feel a certain amount of rage toward their mates, says the marriage and family counseling specialist. And even the most loving husband occasionally flies off the handle.

December, 1989. Larry Bates bursts into a kindergarten classroom filled with 19 kids and two teachers and shoots his 40-year-old wife, Andrea, who is working as a teacher's aide.

Enraged over Andrea's decision to file for a divorce, Bates, thoroughly convinced that women are subservient and inferior, then rapes the two teachers.

Andrea is taken to Mississippi's Natchez Hospital with a gunshot wound to the back and a graze to the head.

Says an employee of the Adams County jail where Bates is being held: "He said he was fed up with his wife's bullshit, and with the bullshit of women in general."

In Appleton, Wisconsin, 19-year-old Todd Longsine got fed up as well.

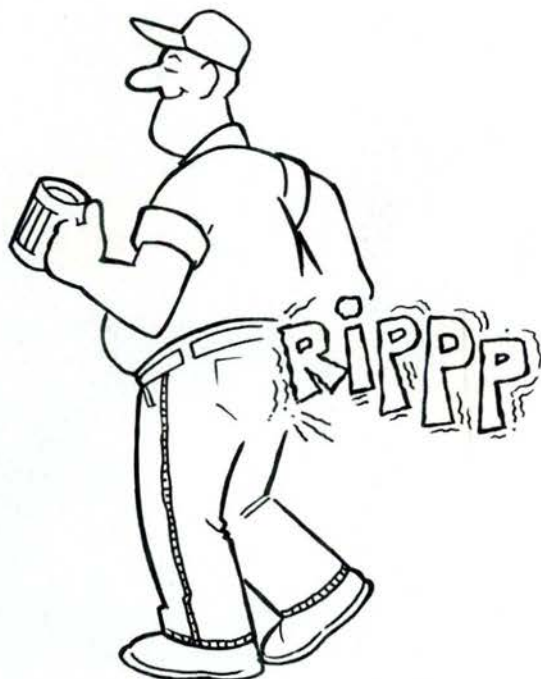

"He killed his infant son as his wife watched," authorities report, "and then he killed her."

Angel Moreno snapped after his wife accused him of having an affair. Moreno, nearing the end of a seven-year prison sentence for aggravated assault and battery, claims there is no pride in the fact that he was sent to prison for beating his wife. "I wish it never would've happened," he says.

Moreno, whose outburst cost him four years of freedom and left him with a four-

inch scar on his forehead, says that after he and his wife returned home from a party, she accused him of having an affair, and an argument ensued.

"She said I was fucking one of her girlfriends," he says.

Moreno, who claims he "kept his wife in check" by threatening her with violence, believes his assault was partly justified.

"I turned and walked away," Moreno says, "but she was intent on fighting."

According to Moreno, his wife followed him into their bedroom, an ashtray clutched in her hand. When he turned to confront her, she threw it.

"I tried to duck," he says, "but I didn't see it coming in time."

The ashtray struck him in the forehead, opening a four-inch gash—and he went into a rage.

"I beat her into unconsciousness," he relates.

He then rushed her to a nearby hospital emergency room, where she was treated for a broken jaw, a concussion and internal injuries so severe that doctors had to remove her spleen.

"If my wife wouldn't have thrown the ashtray at me," Moreno reasons, "she

wouldn't have gotten her ass kicked."

In an age in which women demand equality, it is not all that surprising that hundreds of males believe that women have equal rights and an equal opportunity for an all-American ass-kicking. There are, however, more than a few women who fight back.

• In Corpus Christi, Texas, a woman is slapped by her husband. She retaliates by beating him with a conch shell.

• A 24-year-old Denver housewife suffers a broken nose when her husband punches her and demands that she cook dinner. She serves him a tuna casserole—laced with arsenic.

"Not all of us are willing to accept violence as our due," says 40-year-old Jeanette Rosin.

Marriage, for better or worse, is an institution that's here to stay. Whether it's peaceful or violent depends upon the relationship of each particular couple. For Clyde Melvin, it was a real-life "Till Death Do Us Part."

In court for an alimony hearing, Melvin shoots and kills his ex-wife's lawyer, Thomas Ingles, her sister, Peggy White Paulk, and Judge W. L. Bailey, who was hearing the case. Melvin's ex-wife, Eleanor Inez Huckeba, suffers only a minor head wound. Some marriages are not made in heaven. ☹

ROULETTE

(continued from page 68)

During the latter part of the 20th century, the rate of consanguinity has continued to decline in urban areas and in the industrialized West. But despite new roads that break down geographic barriers, Hall believes that migration and breeding patterns in Appalachia have changed little in recent years: "If they are economically and socially deprived, they don't leave; they tend to stay with their parents and grandparents. These people are still not willing or financially able to go elsewhere and set up a life for themselves."

* * *

Sam Collins was a thin man with a gaunt face and a toothless smile. His nose had been broken so many times in bar fights that it resembled the bumpy West Virginia dirt road that climbed the steep hill to his house. Sam never hurt anyone in those bar brawls, but he usually returned home and beat his wife.

His wife and children lived in fear of Sam's erratic and violent moods. One daughter was particularly afraid—she was also the mother of two of his children. While Sam himself was not a product of inbreeding, the two children became grim reminders of the statistics for children of sibling relationships. One daughter/granddaughter is blind, and the other is moderately retarded. Both of them have severe digestive problems.

"When you were in his presence, you could feel evil oozing out of this guy," said a human-services worker. "He bragged around the neighborhood that he had two wives—his own and his daughter."

Although people had "almost seen him crawl into bed with his daughter," they were afraid to testify, and with good reason. After an argument with a neighbor, Collins filled the man's water well with dead cats.

Collins spent most days drinking beer in the passenger seat of his old Buick convertible while one of his daughters drove. They cruised up and down West Virginia 16, stopping only to buy more beer. The family outings stopped toward the end of the month when the family's welfare check was exhausted.

One summer evening the Buick ran off the road, hit a tree and came to rest in the Little Kanawha River. In one of God's more benevolent moves, Sam was the only person killed.

Reflecting on the situation, "Arbuckle" Marks, another Calhoun County native, put inbreeding in terms anyone can understand: "It's simple—you don't put two Hondas together and get a Harley-Davidson." ☹

WHY BUY...OR RENT...

**THE SAME OLD BORING VIDEOS
FEATURING THE SAME OLD
BORING PORNO STARS,
WHEN YOU CAN BE
WATCHING THE
HOTTEST, MOST
EXCITING NEW
CONCEPT IN
ADULT VIDEO
ENTERTAINMENT!**

A RARE TREAT!

Where pornography has been legal, accepted and available for quite some time, consumers of adult entertainment found themselves getting jaded, bored, and in search of something "new". Tired of the same old productions being offered at exorbitant prices and featuring the same shopworn porno actresses, a small group of adventurous couples got together and started a club so they could purchase or exchange with other members, high-quality videotapes featuring amateurs having explicit sexual relations of all kinds! If you've never seen an "amateur" hardcore video before, you are in for a treat — there is nothing quite like it! There is something so spontaneous, so exciting, and so downright cock-stiffening about seeing real, ordinary people like housewives, stewardesses, sorority girls, secretaries, nurses, and their lovers having oral, anal, group, and kinky sex that you **must see it to believe it**. When you realize that the young girl from Des Moines who takes two cocks up her ass at once, (tape #SV-31) is actually a receptionist for a law firm, it adds a new dimension to your sexual pleasure... one that is pretty hard to beat! Or when you see the young blonde housewife experiencing triple penetration, (tape #SV-45) and realize that she could be your next door neighbor, it's enough to make your mouth water with sexual excitement! There's no doubt about it, this new concept of hardcore amateur video has caught on. It is now the hottest, most in-demand type of sexual video.

**SOME MEMBERS WISH TO PERFORM
BEFORE THE CAMERAS!**

But, you **DO NOT** have to perform sex acts on camera to be a member and enjoy all the benefits. And you **DO NOT** have to place your name and/or phone number in our confidential phone book. We would need your consent and signature to do this. Therefore, if you so desire, you can remain completely anonymous and just purchase videotapes or photo albums for your viewing pleasure. **THE CHOICE IS YOURS!**

**PROFESSIONAL QUALITY WITHOUT
THE PROFESSIONAL PRICE TAG!**

These are not typical "home-made" videos. We are dedicated to **quality**. These productions are shot **live** in homes, motels, apartments, backyards, vans, garages, etc. After our experts select them, they are professionally converted to 3/4" master tape, color enhanced and duplicated with state-of-the-art technology. **The quality is as good as store bought tape** — but with one big difference... the **PRICE!** No big name stars, no big production costs, no big staffs and crews, and **no big**

royalties to be paid. The net result is you have access to the hottest new idea in sexual entertainment for little more than the cost of a blank tape!

**YOU CAN BECOME PART OF
THE SOPHISTICATES!**

If you are **really interested**, and we mean **really**, you can become a member of **The Sophisticates** and enjoy all the benefits and privileges of membership. We do **however insist on your absolute sincerity**, since after all, the other members are revealing their personal identities to you, taking you inside their bedrooms, and allowing you to watch them having intimate sexual contact. It's important that you be sincerely interested in viewing what some people may consider **downright kinky or even sexually deviate**. This invitation is **not** for the squeamish or sexually timid.

**50% SAVINGS DURING OUR LIMITED
MEMBERSHIP DRIVE!**

NOTE: These are ONE TIME fees • No other costs ever!

With **BASIC MEMBERSHIP** you will receive:

- The **SOPHISTICATES CONFIDENTIAL PHONE BOOK**. No matter what your perversion or sexual preference, there is someone in your area who is anxious to meet you and have sex with you! This is a members only confidential phone book containing **ACTUAL PHONE NUMBERS AND PHOTOS!**
- The **SOPHISTICATES PHOTO ALBUM**. Contains 100 pages with more than 230 totally explicit photos of our amateur stars. This color packed hardcore and cum-soaked album alone is worth the price of membership!
- **"SOPHISTICATED LIFESTYLES"**. Our club newsletter is **CRAMMED** with photos, stories, tips, ads, events, etc. Published for and by the club members.
- All the benefits and privileges of membership, which includes: free ads, forming local chapters, special money saving offers on blank tapes, video equipment, cameras and much more!

Hi, I'm Toni and I just turned 18. I've done some modeling for clothes and swimwear, but what I really want is to do some wild poses for you. Everyone thinks I'm shy and innocent, if they only knew what I do behind closed doors! Ever since I lost my virginity I've been horny 24 hrs. a day and I've done some bizzare things to satisfy my urges. So if you hurry and send me \$5 for samples or \$8 for 8 color photos, I'll show you what bizzare really means.

JAPAN!

EXCLUSIVE!
NEVER SOLD IN STORES!
AVAILABLE ONLY BY
MAIL!

A RARE COLLECTION OF ASIAN DELIGHTS!

Secretly filmed, these sizzling videos cannot legally be sold in Japan because they are **hard-as-nails**. We were fortunate enough to get our hands on 6 titles that are sure to harden your cock. The girls are **gorgeous, sensuous** and really know all about sex. The stories and acting are **superb** and the quality is **excellent!** Truly a rare find and exclusively available from us . . . for a limited time only! Each tape approximately 1 hour.

☐ **WORKOUT.** A beautiful gymnast falls during training. As she lays in pain, the sight of her hot, hard and tight young body turns on her horny trainer who comes to her rescue and really gives her a massage . . . and some workout!

☐ **SHARING.** Young Keoki visits her geisha cousin. While drinking tea - a man hidden under the table, finger fucks and sucks Keoki. Her moans of passion make the geisha's hot pussy itch with anticipation, so, the man accommodates her by driving his huge weapon into her creamy, slick cunt!

☐ **SEX POINTER.** Gorgeous Sanai shows a young male virgin what sex is all about. It's important that she pleases her man . . . and does she ever! They hump to steaming, ecstatic orgasms!

☐ **FILL HER UP.** George, a visiting black American dude picks up two beautiful girls. Miko just won't settle for any cock . . . they must be at least 10 inches long, and George wins by at least 2 inches! He knows exactly what to do with one foot of hard cock!

☐ **FIRST TIMER.** Coy, bashful Edori needs to be fucked. Her man sucks and tongues her and finally drives his steel-like shaft between her legs - they cum together - and then he finds out she was a virgin! Magnificently filmed!

☐ **THREESOME.** Two young studs share the love of Yuki. She mouths and sucks these hardy stallions to throbbing erections. They return the favor by fucking and back dooring this Oriental beauty. Really hot!

SHE'LL LOVE
THE NEW YOU!

BATTERY ENERGIZED! DOES THE JOB FOR YOU AND FEELS GOOD TOO!

Our competition offers regular models (not powered) or electric models (uses electricity and may be dangerous) for up to \$40. Now with the original battery-powered Komet sex aid you can prosthetically add 3 to 4 inches to any size penis. All this without strenuous exercise or electricity. The Komet's state-of-the-art engineering produces a steady flow of energy to produce the desired results and pleasurable sensations.

IF THE SIZE OF YOUR PENIS IS IMPORTANT TO YOU, THEN YOU OWE IT TO YOURSELF AND YOUR PARTNER TO ADD 3 OR 4 EXTRA INCHES!

You have everything to gain and nothing to lose. Why use a non-powered unit or risk inserting your penis into an electric unit. (You know liquids, cremes and jells and electricity don't mix and can be dangerous.) Why take chances. We will replace any defective model for 1 year plus shipping and handling charges.

CAUTION: Komet is the original, highest quality battery powered aid. Do not accept any cheaper model at any price.

DEVELOPER NOW
OFFERED AT A

ORIGINAL PRICE!**

Have you ever been embarrassed by the size of your penis? Have you tried to convince yourself it's not how big it is but how you use it? As long as your sex partner needs to be completely filled, you owe it to yourself to do something about a larger penis now!

Our penis developer will increase penis length, thickness, and make your erection harder and stiffer.

Did you know a woman's vagina will stretch and enlarge to accommodate a large penis? Imagine her excitement as you penetrate deeper than you ever have before.

How does our penis developer increase your penis length and diameter?

The answer is called hyperemia, a medical term to describe blood filling into caverns of your penis. The caverns expand causing your penis to grow in size and diameter. The superior pump action and sealed vacuum of our penis developer urges your penis to grow to mammoth proportions. Our penis developer is not just a vibrator like some electric units you may see advertised. Remember, it is the precise slow super pumping action of our space age designed penis pump that builds your penis larger than you ever dreamed possible.

HUSTLER

December HUSTLER on sale October 23, 1990

BATTER UP

Fireballs fly in December's HUSTLER as the world's sexiest women kiss the year goodbye. A toe-curling, catamaran kitten points bobbed tits and tawny mane toward salty cliffs at high tide; three gorgeous lesbos meet a manless wasteland in a mind-blowing, post-nuclear bombshell fantasy; a fist-jacking peeping Tom gets his dick inside a raven-haired 19-year-old's fresh, pink parlor; and a brickhouse blonde shows her ass in the grass in sunny, open-sphincters splendor. Chillin'? Come in from the cold.

ELEVENTH HOUR

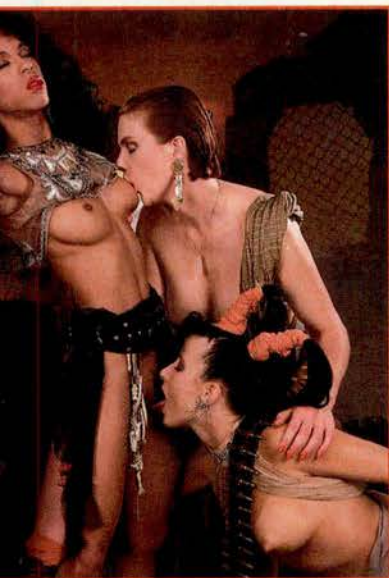

When doomsday strikes, and the curtain falls on civilization as we know it, business as usual will be survivalism. Already, a publishing empire is growing around the shopping needs of panic-button alarmists. Mail-order cyanide, how-to-kill manuals and cookbooks with such recipes as mixing lightbulbs and gasoline for an improved Molotov incendiary are a few of the explosive surprises in writer Adam Parfrey's overview of underground self-defense, *Do or Die*.

UTTER CHARM

Breezy Heather Hunter, fresh-face Lauren Brice and hardbody Madison are three new girls on the porn-set block, and *Erotic Entertainment* editor Mal O'Ree gives them a HUSTLER-style welcome with at-home interviews and photo ops in *New Spreads Speak*, the most revealing, crotch-grabbing editorial exploration of the year. Strip clubs, 20-hour porn shoots, bachelor parties, after-hours sex, and such mystifying jizz-biz tech terms as *reverse cowgirl* and *quiver lock* are among the upper-hand topics.

PLAYING THE FIELD

Writer Rick Woods uncovers street-style biological terrorism in "Deadly Tricks," a chilling *AIDSWatch* exposé about HIV-infected sex-sellers who knowingly transmit the disease to unsuspecting johns; *Hot Letters* pulls the lighter side of carnal indiscretion out from under the bed; *Beaver Hunt* brushes up the latest next-door snatch batch; vid-cunt-consumers take tips from the experts in *Erotic Entertainment*; and the *Bits & Pieces* cutups trip over themselves to make the end of the year hilarious. The final month of HUSTLER 1990 ends with a bang. Come see.
