BITS and PIECES

ASSHOLE OF THE MONTH

William J. Bennett

Good news from Washington, D.C.: The war on drugs is almost won. Our public school system, after decades of painstaking fine-tuning, is finally churning out criminals too stupid to use a base pipe or needle. The innovative "Too Dumb to Dope" strategy for combating narcotic dependence is the legacy of resigned U.S. Drug Czar William J. Bennett, but it's not the only reason he's been appointed HUSTLER's Asshole of the Month for March 1991.

Bennett is blustering proof that when the going gets tough, tough talkers quit. "I feel I've done what I promised the President [George Bush] I would try to do," bleated Bennett when weaseling out of his duties as director of the Office of National Drug Control Policy.

Precisely what had Bennett, flush from his successes while presiding over the accelerating erosion of our learning institutions as Ronald Reagan's Secretary of Education, promised Bush upon volunteering to head crack-busters central? Did the 47-year-old ex-football jock, former libertarian and turncoat Democrat promise to pursue an agenda of racial genocide, concentrating narcotic decay in the black inner cities? Did he swear to raise the murder rate, commonly accepted as drug related, in urban centers across America? Did he cross his heart and hope to die if competition among narco vendors didn't escalate to vicious new highs? Did he pledge to make hypodermic syringes the leading cause of AIDS transmissions and take an oath to keep our hospitals

full of prenatally strung-out babies? Did he vow to keep crack dealers operating next door to your 76-year-old grandmother?

On behalf of the President of the United States, thank you, William J. Bennett, and fuck you, for a job well done.

Bennett has traced his no-drug fixation back to the '60s, when Texan friends set him up on a blind date with a young Janis Joplin. The celebrated singer never recovered from her encounter with Bennett, dying of a heroin overdose years later.

Joplin's death, though eliminating only one mere druggie from the American landscape, can be seen in hindsight as Bennett's first moral victory in his crusade against

the evils of chemical recreation.

"The reality is clear," boasted quitter Bennett, his perception colored by a fanciful, pink cloud. "This country is beginning to break its interest and habit on drugs." Translation: The dope plague headlines are no longer big enough to support Bennett's prime-time ego.

Mighty Mouth must move on to brighter stage lights, first as head of the Republican National Committee. From there, the Vice Presidency? Next, the Oval Office, a hero from the junkie battlefield? Bennett has, after all, reputedly received threats of bodily harm from South American coke moguls, supposedly angry that cocaine prices, and thus profit margins, have risen during

Czar Bennett's 20-month tenure.

While seeming to claim victory while surrendering his post, Bennett took the precaution of pointing the stink finger at busted Washington, D.C., mayor and convicted pipe face Marion Barry for losing the dope assault.

"I did not think he [Marion Barry] was part of the solution," deduced Bennett in retrospect, "and, by God, I was right. He's part of the problem."

Bennett has yet to reveal how Mr. Barry managed to spread the blight to such distant cities as Cleveland, Ohio; Detroit, Michigan; Los Angeles, California; New York, New York; and sundry outlying rural areas while simultaneously acting as the mayor of a major metropolis and maintaining a time-consuming cocaine habit.

"I don't have any objection to beheading drug dealers," Wild Bill glibly pronounced in one of a thousand sound bites, his weapon of choice against menacing drug meannies. Who could object to beheading drug dealers? Drug dealers are, after all, part of the problem, not part of the solution, just like William J. Bennett himself, a man repeatedly guilty of being in a position to improve grave conditions that only worsened under his influence.

"Hell, I guess it's part of my notion of doing things," philosophized Bennett. "If you're going to do it, do it all the way."

That's the spirit, Bill. Now step right up and put your neck on the chopping block; your Asshole is waiting.

FARTS IN THE WIND

Dorothy Helms—Any broad who's been married to Asshole Jesse Helms for 48 years is bound to have the stink rub off on her. Dorothy's scummy, sludge-slinging campaign stumping for Jesse's recent dirtball Senate reelection has nominated her for an Asshole of her own.

Donald E. "Buz" Lukens—Another moralistic Ohioan caught with his pecker dripping, in 1988 Congressman Lukens boned a 16-year-old girl and was convicted of contributing to the unrul-

ness of a minor. He subsequently was charged with groping a Capitol Hill elevator operator. Lukens resigned rather than face the Ethics Committee, but he can't avoid being proclaimed an Asshole.

James Baker III—In any civilized society, Secretary of State James Baker would have committed ritualistic suicide by now. Baker's

Iraq policy is credited with creating the monster, feeding it and setting it loose. Why didn't he do anything to stop it? Because he's an Asshole?

Dana Rohrabacher—When a political hack goes from doper anarchist to Jesse Helms's point man, his beliefs have been compromised. Rohrabacher, a Republican congressman from California, wants to impose martial law in a five-year drug plan. Kids shouldn't take dope; they'll grow up to be Dana Rohrabacher's Asshole.

JEW-BAIT? WHY BOTHER!

I want to know why you felt the need to proclaim Roseanne Barr "Asshole of the Month" (*Bits & Pieces*, December '90)? Because she sings off-key? Or could it be that you are attacking her because she is Jewish?

I was under the misguided impression that HUSTLER Magazine did not subscribe to the ravings of idiots. What is the big deal over the national anthem, anyway? So Roseanne sings lousy—you want to hang her? It's just a song written by a man, not handed down on stone tablets from God! If you ask me, there are better songs for the part. Like John Lennon's "Imagine," Brian Ferry's "Slave to Love" or Madonna's "Like a Virgin." Hey, these songs say as much about America as "rockets bursting." What rockets? What the hell are we singing about?

I think that someone (maybe a lot of folks) on HUSTLER's staff is a Nazi and that you people just love to rake Jewish people over the coals.

I like HUSTLER. You have a lot to contribute to the world, but sometimes you screw up. Roseanne Barr is a very funny woman. You ripped apart Andrew Dice Clay (a/k/a Andrew Silverstein), who is also Jewish and funny. Is this a trend, or what?

The twit who writes these anti-Semitic editorials is the asshole here. I think he's a Nazi. I bet he loves the Smurfs too. He just wants to knock Jewish people so he can pass off his own agenda to unsuspecting individuals who have no idea that they are being hit with Nazi propaganda. —P. G. Croton Falls, New York

You're an ignorant fuck. What does the national anthem mean? Are you fucking kidding? Get yourself a history book, lamebrain, and look up American

Revolution. And then get your head examined. From the neck up this time.

SERIOUS SHIT

HUSTLER, what the fuck is wrong with you people? I'm referring to Richard Ramirez's letter to you thanking you for the free magazines you sent him ("Beat the Devil," *Feedback*, August '90). That guy is an inhuman, Satan-loving, baby-raping piece of shit. He snuck into old people's windows and killed them, then sodomized the dead bodies and the children, and maybe gouged out their eyeballs for toys, like they were marbles or something. I lived in Sierra Madre during Richard's death rampage. He almost killed a 16-year-old girl two blocks from my house. The whole fucking L.A. County was in mortal fear of that coward. I used to leave my windows open at night,

just praying that piece of shit would come to my window so I could blow his punk ass away. If someone on your staff had their loved ones killed and sodomized by him, you wouldn't be sending that scumbag free HUSTLERs. I'm in prison for growing weed. Why don't you people send me some free HUSTLERs? Or do I not rate unless I kill old people and sodomize babies?

I notice that in all the *Feedback* letters, you have people's initials only, and on Richard's letter you put his full name. Well, assholes, when you print this letter, make sure you put my full name down. If you don't, then I think your mother sucks donkey dicks in TJ. —Greg Benza
Pelican Bay State Prison, California

No one at HUSTLER condones murder, rape or Jew-baiting. Regardless of moral propriety, there is an inbred human curiosity to know the goings-on of mass murderers. For Feedback readers, the publication of R. R.'s full name gave the comfort of knowing the letter came with a San Quentin address. The sobering contact, however indirect, with a malignant man reinforces our everyday desire to see our own loved ones safe and free in an increasingly fucked-up society.

Santan [sic] in Farmington, New Mexico. You are advised to stop peddling [sic] your obscenity [sic] to this community. The God-fearing Christians who founded this country are once again in control of its destiny. We will soon have *all* of the smut out of our libraries [sic] schools and bookstores. This recent victory will enable us to clean this town entirely of porn and anti christian [sic] teachings in our schools.

—G. F. C.
Farmington, New Mexico

Dear readers: Sic is a Latin term meaning that the spelling errors are not our fault, but the fault of our correspondent, G. F. C. Mr. C. sent newspaper accounts of a couple of Farmington churchgoers who tediously pored over ten or 12 adult magazines, marking on a paper each time they found "objectionable sex" in each one. Apparently, many of the pious in the Farmington community would rather read sex mags than study the dictionary or proper English grammar. So would we! Thanks for sharing, G. F. C.

ANY LADIES IN THE HOUSE?

I am a Marine currently deployed in Saudi Arabia. I am writing concerning troupe morale and welfare. As you and I both know, when men are away from women for a while, we tend to get very horny. So a few of us got together and decided to send a letter of desperation to our favorite men's magazine, hoping that a few of your readers would write letters to us for a little motivation or to learn more about the Gulf crisis. We all would also like to exchange nasty letters from any of your 18- to 40-year-old women out there.

—L. C. D.
United States Marine Corps
Operation Desert Shield

I have been a customer of HUSTLER Magazine the past nine years I've been in the military. I now find myself in the middle of an unforgiving desert where loneliness is a soldier's worst enemy. During past deployments, I took along some issues of HUSTLER to pass the time or make self-relief more enjoyable. However, nudity is forbidden in Saudi Arabia. If you could find it in your hearts to print my address and ask any of your female audience or staff to drop us a few hot lines, we would be deeply grateful grunts. —E. E. H.
101st Airborne Division
Operation Desert Shield

It kills us not to send HUSTLERS where they're wanted most, but Uncle Sam says ixnay the ornpay for the duration of the Shield. Ladies, we beseech you. Run,

don't walk, to your nearest recruitment center and rush a few thousand letters to our men at the front. Please, do it now!

ADS ARE FUCKED

My wife has a problem. She absolutely refuses to go into an adult bookstore for magazines. She and I consider HUSTLER the best magazine on the market. Her problem? To date, she has placed orders to six different mail-order houses advertised in HUSTLER. Not one has delivered. I warned her not to send money to someone that only has a P.O. Box number and doesn't show an address or phone. But she wouldn't listen. Now, she's finally given up.

Do you ever check out the ads in HUSTLER? If not, how about a section where readers write in telling about the ones that deliver and the ones that are rip-off artists. If you can't tell us about them, I don't think anyone can complain if you print your readers' comments. —B. G.
Indianapolis, Indiana

Mail-order purchasing is a chancy venture, but simple common-sense steps (as outlined in April 1989's HUSTLER's Guide to Mail-Order Porn) can minimize much of the risk. We do try to keep outright frauds from our ad pages, and we do

follow up on every letter of complaint from dissatisfied consumers. If an ad looks too good to be true, it probably is.

LOVE, HONOR, NOT OBEY

I am an inmate in an Oregon prison. If I were doing time for beating my wife, I'd rather stay in jail forever. I'm referring to the HUSTLER '90 article about domestic warfare (*Domestic Warfare: The Bride Wears Bruises*, November '90).

—Mac-Mac
Pendleton, Oregon

LASTLY, A KIND WORD

When I pick up HUSTLER Magazine, I look forward to the ads in the back where the kink is. Also, I loved the *Chemical Peel* layout in the December '90 issue, but you should have shown more of Lauren Brice. She's the tallest and foxiest chick in the business. Keep it up!

—S. L.
Middletown, Ohio

EDITED BY MAL O'REE

SECRETS

Three-Quarters Erect. Directed by Andrew Blake; starring Ashlyn Gere, Randy West, Danielle Rogers, Peter North, Jeanna Fine, Jon Dough, Zara Whites, Samantha Strong, Rocco Stiffredi, Saber, Sunny McKay, Fallon, Nina Alexander, Valerie Stone, Krystin King, Nicole Wild, Brian Williams and Kristen. Videocassette: Caballero.

Secrets divulges a dazzling display of moviemaking savvy. From the fashion-model fuzzboxes who savor facials to the stylish sets and photography, director Andrew Blake has crafted every cinematic detail with an artful eye. The editing and soundtrack are superb, and the voice-over narration frees the fuckers to shut up, look beautiful and fuck. Though not every one of the nine nut-tickers erupts with excitement, all of 'em are a blood-pressure-raising pleasure to see. Blake proves that hard-core raunch can be pretty without being pussywhipped. Share *Secrets* with someone you lust.

—Woody Hood

Hard-core raunch can be pretty without being pussywhipped.

Gere is a pecker pleaser.

CLUB HEAD

Three-Quarters Erect. Directed by F. J. Lincoln; starring Ashlyn Gere, Peter North, Nina Alexander, Bridgette Monroe, Heather Lere, Alexandria Quinn, Tom Byron and Randy West. Videocassette: Caballero.

Bargain-basement pecker-pullers don't get much better than this. Ashlyn "I-Love-a-Jizz-Shot-in-the-Kisser" Gere is porn's wildest fuck this side of Tori Welles. This woman loves to jerk a big cock into her mouth, and she goes crazy when a splat of ball punch lands on her tongue. Nothing is particularly creative at the Club, but the sex is generally high voltage, and the women are a boner-fide puddle of poontang. But, hell, after watching Gere screw herself to mindless erotic oblivion, it almost seems every other chick in porn (except Tori, of course) is just a lame slice of screen slit. —Rusty Knox

Sex at the Club is high voltage.

Tease is a gutter-level diversion.

Debs: Video virgins get cream facials.

MORE DIRTY DEBUTANTES 4

Three-Quarters Erect. Directed by Ed Powers and Jamie Gillis; starring Raven, Danielle Rogers, Lance Heywood, Heather Strong, Andrea Shane, Tina Aria, Robert Aria, Traci Starr, Vanessa Fortunato, Jennifer Primm, Jamie Gillis, Ed Powers and the Dark Dick. Videocassette: 4 Play.

Shoddy editing, absence of a story, horrible music, amateurish photography, awful acting and the pasty fatness of Jamie Gillis and Ed Powers fail to keep the lascivious luster of *Debutantes* from shining saucily through its shit production values. Voluptuous video virgins smile sweetly, then get full-on cream facials (the finale featuring a three-fountain face-glazing), take it up the ass, deep-throat thrusting tools, fuck with real passion and come for themselves, not faking for the camera. Invite *Debutantes* in, and you'll have a coming-out party in your pants. —W. H.

HOT DIGGITY DOG

One-Quarter Erect. Directed by Scotty Fox; starring Sunny McKay, Rayne, Randy West, Tom Byron, Gidgette, Alexandria Quinn and Joey Silvera. Videocassette: Moonlight.

This carnal compost heap gives the illusion that in addition to the usual poon and pole pleasures, it'll provide tasty culinary action as well. Considering the title and the yummy box cover of a mustard-doused Sunny McKay with a strategically placed hot dog, *Diggity* should satisfy groppers and gourmets alike. Unfortunately, the only beef are the tools of Randy West, Joey Silvera and Tom Byron slamming into sexless strumpets in a tired diamond-smuggling tale that not even McKay's cuddly quim can ignite. The usually awesome Aussie sleep-fucks her way through Silvera's slit stroking, and then shares a boisterous box lunch with Alexandria Quinn on a restaurant table that is too little, too late. This *Dog* should be put out of its misery. —Sam Lowry

THE BIG TEASE

Half Erect. Directed by Paul Norman; starring Ariel Knight, Britt Morgan, Aurora, Debi Diamond, Sharon Kane, Kassi Nova, John Stagliano, Cal Jammer, Herve, Andrew Michaels and Nick Dalton. Videocassette: VCA.

Some strokers prefer porn that showcases and debases flawless goddess fantasy quim; other meat whackers go for goop cinema that sperm-splatters a more common cut of slut, proletariat poon whose imperfections make them seem all the more real and attainable. It's the latter school of pud yanker who'll get a kick from *Tease*, a gutter-level diversion featuring a half dozen of the foremost second-drawer doxies ever to skim goonch in the cold regard of the video eye. *The Big Tease* is a hefty dose of fuck-pig sleaze. —Christian Shapiro

SEA OF LOVE

Half Erect. Directed by Henri Pachard; starring Racquel Darrian, Kelly Royce, Mia Powers, Michelle Monroe, Joey Silvera, Derrick Lane, Tom Byron and Sean Michaels. Videocassette: Cinderella.

There's nothing really wrong with this vid, but there's nothing particularly right with it either. Everything—the chicks, the sex, the story—is routine. Director Henri Pachard blindly goes through the motions, and since their leader is uninterested, the cast and crew don't give a shit either, which doesn't create a whole lot of excitement for the at-home viewer. Some kink or the complete elimination of dialogue might have kept *Sea* from floundering.

—W. H.

L.A. STORIES

Totally Limp. Directed by Judy Blue; starring Barbara Dare, Lois Ayres, Brett True, Alice Springs, Cal Jammer, Tim Woodfield, Chip Buckley and T. T. Boyd. Videocassette: Vivid Video.

Non-fanatics of Barbara Dare and sperm shot on glass will find *L.A. Stories* less than thrilling. Half the video is Dare interview footage, but she reveals nothing that hasn't already been read in *HUSTLER*. The tape's four sex scenes all feature Barb, who remains untouched by man spew in every one. The first, a peep-show pud pounder, is stylish, but stupid, as three dudes goo the outside glass of the booth while Dare licks the inside. This is safe sex taken to ridiculous extremes. Alice Springs and Lois Ayres do the sappho shuffle with the star, but no one seems interested. The last fuck, Dare with offscreen boyfriend Brett True, is a brief rod-raising moment, but he doesn't come (or the camera fails to catch it). *L.A.* is one sorry story.

—W. H.

Dare's L.A. is a sad story.

POWER PLAY

Half Erect. Directed by Bruce Seven; starring Mistress Jacqueline, Ca See, Brigitte, Tom Byron and John Stagliano. Videocassette: Bruce Seven Productions.

The spanking hand is a happy hand, almost as happy as the reddening buns warming beneath the onslaught of the hand's flesh-smacking descent, almost as happy as the watering pussy nestled between shivering chair-cheeks, almost as happy as the burgeoning boner stretching the shorts of the man whose disciplinarian palm is gleefully battering smiley-face butt, almost as happy as the viewer of *Power Play*, he who has one hand vigorously clapping along the length of his cock while the other mitt whips gitty-up-go on his own rump. If such fervent viewer participation is to be inspired by anything, it'll be inspired by the opening cheek-reddening, hands-on abuse of comely Ca See's eminently slap-happy nates. Ca See, formerly known as Careena Collins, puts her asking-for-it cheeks through the snap-crackle-pop test in three of *Power Play*'s five heinie-strapping scenarios, but her first squirming, squealing, welted wanton work, under the flagellating fingers of Tom Byron, puts the power in *Play*.

—C. S.

BACKDOOR LAMBADA

One-Quarter Erect. Directed by Bobby Hollander; starring Krisstarah Knight, Chessie Moore, Trinity Loren, Dusty, Paul Lee, T. T. Boyd, Tom Byron, Shane Hunter, Johnny Sharp and Rick Savage. Videocassette: Gourmet Video.

The elementary plot of *Lambada* doesn't get in the way of the sex scenes, and each of the five fucks does penetrate the backdoor—eventually. Unfortunately, director Bobby Hollander switches back and forth from couple to couple mid-hump, never following one boning from beginning to end. The effect, despite several cum-inducing close-ups, is disruptive rather than wang-inspiring. Tacky music, starlets who could stand to be slimmer and more beautiful, and only moderate *umph* (except in Moore's steamy DP and facial) further flaw this dance.

—W. H.

Dreams: Sophisticated, but cold.

HOUSE OF DREAMS

Half Erect. Directed by Andrew Blake; starring Zara Whites, Ashlyn Gere, Jeanna Fine, Raven, Veronica Doll, Saber, Randy West, Danielle Rodgers, Valerie Stone, Sebastian, Honey Rose, Randy Spears, Rocco Stiffredi and Kriste. Videocassette: Caballero.

This plotless look into a woman's erotic reverie as she wanders throughout a quintessential yuppie house, sighing and tweaking her twat, gets old fast. Director Andrew Blake is a master of style and lighting, and a complete moron when it comes to story. *Dreams* is essentially an impressive hard-core photograph expanded through time, but the cold, distracted style of fucking ultimately loses its erotic appeal. In fact, although there is one particularly exciting sexual perversion displayed—Jeanna Fine dominating a ball-gagged Zara Whites—*House* barely passes as porn. *Dreams* is just as likely to spark off a case of the doldrums as it is to ignite a boner. And even if a dick gets hard looking at the stunning chicks, the irritating background music will kill it.

—R. K.

Lee is a kinky *Landlady*.

THE LANDLADY

Three-Quarters Erect. Directed by Judy Blue; starring Hyapatia Lee, Sunny McKay, Madison, Ameiko, Patricia Kennedy, Mike Horner, Axel Wolf and Heather St. Claire. Videocassette: Vivid Video.

The *Landlady* is Hyapatia Lee, proprietor of a house packed with strangely horny chicks who spend most of their time commenting on the wind—"What is the wind? It makes my pussy itch."—and then getting the shit boned out of them. It's an X-rated poetry reading. Despite the lyrical tangents, the sex is plenty hot. Watching Tom Byron spread and lick Lee's pussy, ogling Sunny McKay's perfect heart-shaped butt, or seeing Lee slip her spit-soaked lips over a slinky stick is where the magic lies. The tape ends with a queasily titillating glimpse into bondage: Byron enslaved by a band of crop-cracking, chain-rattling, leather-clad bitches in heat. —R. K.

TORRID WITHOUT A CAUSE 2

Not even *Torrid* *Tori* can save this mess.

One-Quarter Erect. Directed by Paul Thomas; starring Tori Welles, Jerry Butler, Randy West, Tom Byron, Axel Schwartz, Jennifer Stewart, Patricia Kennedy and Madison. Videocassette: Vivid Video.

Just like Hollywood, porn loves a sequel, and just like its mainstream brethren, 90% of them are downright shit. Actually, *Torrid 2* is not so much a sequel as it is just the same fucking film as the original. Randy West is back playing the mythical Sinbad, a '50s rock 'n' roller rumored to be dead, but who's actually alive and well and staying with Tori Welles. Naturally, Tori plays the perfect host, sucking and fucking West, along with Jennifer Stewart's help, in a so-so slam that has West rewarding the girls with his usual two drops of dick dew. The action lumbers and pricks slumber until the end, when three simultaneous boffings add up to a few satisfying strokes, thanks mainly to a screaming Madison as she gets doggy-driven by West in a shower. Paul Thomas, obviously bored by hard-core sex, is a director without a cause. —S. L.

LEGEND 2

Half Erect. Directed by Scotty Fox; starring Lauren Hall, Cameo, Rene Fox, Bridgette Monroe, Randy West, Mike Horner and Peter North. Videocassette: Legend Video.

What possible reason could exist to make a sequel to the predominately forgettable *Legend*? Well, she's got two full, sloping mounds of unalloyed, full-motion mammary flesh, a curvaceous arrangement of torso contours, slinky jet-black hair cut in a high-fashion slut do, unblemished buns big enough to rest a full and spurting dick on, a savory clit-and-slit combo every lick as appetizing as any ever served up on the porn-star deli menu, and a face that could stop a cock. Aside from just good looks, she can talk and chew foreskin at the same time, convincingly cork-screw Mike Horner's choad into her delicately constricting throat, tense her butt globes beneath a torrent of Peter North's man-cowder monsoon, and easily outshine the generic slime-sisters sharing female billing. Her name is Lauren Hall, and she is the sole justification for *Legend 2*, an exercise in blandness so unflinchingly mundane that only Hall's hearty humping pokes through a cloud of legendary sameness. —C. S.

Hall is the only *Legend*.

BI-BI EUROPEAN STYLE

Totally Limp. Directed by Carter Stevens; starring Goff Van Loon, Marie Meiter, Joseph Hertiginen, Martin Deiterman, Tippi Peterlaan and Robert Van Rijn. Videocassette: Pleasure Productions.

Bi-Bi European Style opens with panoramic shots of Holland's canals, the camera sweeping and cutting along Amsterdam streets, highlighting picturesque brick buildings, following the quaint natives as they function in their passerby roles. Left unshown is the city's syringe park, where fresh hypodermic needles are dispensed daily to hordes of nodding scag faces. The Amsterdam lowlife population has one of the highest incidence of AIDS infection of any target group in the industrialized world, a harrowing death expectancy that lends the cast of *Bi-Bi* the only bit of sympathetic regard it is likely to garner from American audiences. On the bright side, if half the cast is pushing up tulips by now, perhaps *Bi-Bi 2* will be an improvement. —C. S.

LOVER'S TRANCE

Half Erect. Directed by Scotty Fox; starring Sunny McKay, Randy Spears, Brittany, Buck Adams, Jon Dough, Michelle Monroe, Paula Price, Randy West and Eric Price. Videocassette: Legend Video.

Imagination has never been a high priority of video vengery, particularly not as lensed by Scotty Fox. Naturally, nobody wants anything left to the imagination in a jizz pic—that's why we crave and cherish the external cum-shot. But imagine the tedium of sitting through dialogue sequences that stretch the imagination to the point of insulting it (Jon Dough, in his cinder-block living room, is supposedly rich enough to have just lost \$400,000), when they can be zipped through on fast-forward without losing a jot of the gist. The actors and twats are slightly more bored and listless toward their spoken lines than toward one another, which gives lean string bean of a creature comfort Sunny McKay the crotch cannon of blustering Buck Adams, a taste of Michelle Monroe's snatch and a poke by Dough's dork. None of this sex is performed or presented with any hint of imagination. Imagine that.

—C. S.

Paula puts Eric in a Trance.

KELLY ROYCE GIVING MEN WHAT THEY WANT

Kelly Royce, who came to Los Angeles from Toronto, Canada, to pursue a career in mainstream Hollywood and got into porn for the money, speaks up about her favorite subject.

"I like sucking a cock, playing with it, sucking the balls and stuff. I run my face all over the dick. I love cum. I love the taste of it, the feel of it, swallowing it, smearing it all over my face. It's nasty and it's fun. It's a great turn-on. The nastiest sex scene I have ever done was for Alex deRenzy. It was with five guys. They fucked me every which way. At one time they all stuck their dicks in my face, and I went from one to the other, sucking them all off. I've learned that the trick to turning men on is to ask them what they want, and then do it. Like, how he wants his cock sucked. Some guys like different hand movements on their dicks. Some like it just on the shaft, others like it over the crown. Other guys like me to nibble on just the tip. That's the secret, giving men what they want, even if it's just a good, old-fashioned fuck." Kelly's credits include *Between the Cheeks 2*, *Confessions of a Chauffeur*, *Earth Girls Are Sleazy*, *Family Affairs*, *Juicy Lucy*, *Masterpiece*, *Out for Blood*, *Roadgirls*, *Party Doll*, *Search for Pink October*, *The Taming of Tami*, *Wet Paint* and *Life, Love and Divorce*.

Darrian makes Ride a winner.

VEGAS 3: LET IT RIDE

Three-Quarters Erect. Directed by F. J. Lincoln; starring Victoria Paris, Peter North, Randy West, Raquel Darrian, Derrick Lane, Heather Lere and Brittany. Videocassette: Cinderella.

Throw away the pointless plot, sappy dialogue and stupid acting, and keep five very erotic interludes with attractive, not-cum-shy ladies. How about this for a sure thing: Raquel Darrian takes Derrick Lane's wad full-on in the face, then swabs his sticky dick with her tongue; lucky Peter North gets a ball-kicking treat from Victoria Paris and later launches his load down Heather Lere's larynx; Randy West creams Brittany's cushiony jugs, and she licks him clean; and Paris and Darrian, two of porn's prettiest pussies, indulge in pulse-quickenning quim-nibbling. Expert editing and camerawork heighten the action. *Ride* is a winner; bet on it.

—W. H.

Sleepwalker Springs will keep you up at night.

SLEEPWALKER

Three-Quarters Erect. Directed by Stuart Canterbury; starring Lauren Brice, Alice Springs, Cameo, Tracey Adams, Jeanna Fine, Tom Byron, Joey Silvera, Cal Jammer and T. T. Boyd. Videocassette: X-citement Video.

Sleepwalker does all the little things right; so the big things can take care of themselves. Makeup and wardrobe are executed with taste. The lighting is superb, and the camerawork is truly cum-inspiring. The sets, storyline and editing are crafted with strict attention paid to all the details. The result of this craftsmanship gives the viewer a flaw-free framework in which to witness the wanton antics, including three mug-splashings, an oral/vaginal DP and pussies quaking like the San Andreas fault. *Sleepwalker* will keep you up all night.

—W. H.

THE EROTIC ADVENTURES OF BLACK MAN AND ANAL WOMAN

Three-Quarters Erect. Directed by Duck Dumont; starring Jeannie Pepper, Ray Victory, Rachel Ryan, Angel Kelly, Mia Powers, Chantel Leane, Eric Price and Jon Dough. Videocassette: Pleasure Productions.

Black dudes and butt-fucking are two erotic concepts at which many smut sirens draw the line. These self-imposed video-trolop taboos are so prevalent and strong that even *Black Man and Anal Woman* bears their limiting influence. Angel Kelly, though she squats on face, takes mambo pole in her tight, pink, smoky-tipped hole, licks labes and tongues testes, still emerges with her butt cherry intact. Cum-lurching urchin Mia Powers also preserves her craphole chastity, though giving up her tongue to cock and cunt, and opening her twat to stud and slut alike. Rachel Ryan is, of course, open for anything, but she'd be more noteworthy if she hadn't been. Jeannie Pepper's turd tunnel takes a rough grind, riding on and under Ray Victory's reamer, and the cum-shot to seal all cum-shots soils *Black Man's* opening montage. Is it erotic? Is it an adventure? Who cares! It's filthy.

—C. S.

TRIPLE HEADER

Half Erect. Directed by Everette Smythe and Dominic Fellini; starring Chessie Moore, Bridgette Monroe, Dusty, Trinity Loren, Marc Wallace, Don Fernando, Jay Shields and Shane Hunter. Videocassette: Pure Class.

A couple of girls want to get back at their boyfriends who've gone away for the weekend and left them alone; so they decide to fuck anything that isn't tied down. Joint jerkers will readily forgive the generic plot once they get a load (or two) of the stiff-dicked action offered here. Of lots of sex, the scene most worth watching is Chessie Moore, who has enough tit to feed a Third World country, taking two cocks in her asshole at the same time, a double dose of Marc Wallace and Don Fernando that puts a smile on her face and a mess in your pants.

I'm a 24-year-old grad student from Poughkeepsie, New York, and believe me, I'm a hot-looking fox. When I hop out of the shower and study my reflection in the steamy bathroom mirror, I can hardly keep my fingers off my own twat. I mean, I've got everything—smooth, creamy skin that bruises up nice under a hard kiss, a pair of firm, high-riding big ones, a tight waist a man can span with two hands, a heart-shaped ass that's firm and well-exercised in the best of all horizontal activities, and a pussy that always smells like fresh strawberries. What more does a girl need?

Mitch, the guy I live with, doesn't complain. In fact, he's so fucking hypnotized by my body that I get away with anything I want. He's well aware that I have romantic needs above and beyond his own eight inches. Hell, he's even crawled between my legs to suck out the juices of my extracurricular encounters from time to time. Just to make me happy.

So it was hard for me to understand his friend Ben's uncooperative attitude. Ben was a hunk and a half, and I was dying to wrap my legs around his sexy ass. But he seemed to think he had an obligation to stay faithful to his dog-face girlfriend, even though she dumped him six months earlier. When I teased and talked dirty around him, he got all stuck-up and started giving me lectures on "appropriate behavior."

Finally, one time I took the bull by the horns. I reached into Ben's pants and squeezed passionately on the knob of his cock. It was half hard already; so I knew my behavior had been pretty appropriate all along. I rubbed my crotch against his thigh and raised a little of my special, homegrown perfume. "Come on, man," I said. "You're too good-looking to waste your time fucking your own hand! Why can't you give me a piece?"

"What about Mitchell?" he gasped.

"Mitch?" I was flabbergasted. I'm massaging his dick in my hand, and he's worried about my boyfriend! I gave him another squeeze in the right place while I

explained that Mitch was a real mellow kind of guy. But it was obvious that Ben didn't believe me. We argued and argued, and his dick got softer and softer, and finally I got so exasperated that I offered to prove it was okay by fucking Ben right in front of my own boyfriend!

When I heard the key at the door, I went to greet Mitch naked. His cock bobbed to full erection as I hugged him all over and told him what I planned. A strange gleam came into his eye. "Shit, girl, I was wondering how long it would take before you'd

let me join the action," he said. "Don't you know I've been dying to watch you do some of these other guys?"

Good old Mitch! All this time I'd written him off as the wimp from hell, but it turned out he had some good, healthy, strange blood flowing in his all-American veins.

Ben looked real nervous when Mitch came into the living room and started pulling off his pants. He probably thought he was going to get cornholed. After all, he'd known Mitch a lot longer than I had!

With my man good and naked, I gave his lollipop a long suck before turning my attention to Ben. He hadn't moved a muscle. "Get with the program, man," I said as I unzipped his fly. I reached my hand into his briefs

and pulled out a thick, seven-inch prong. I wrapped my lips around it hard and started choking down. My pussy burned like it was on fire from the intensity of Mitch's gaze. Ben, too, seemed excited by the kinky situation. He thrust his cock in and out of my mouth like he thought he was porking my cunt.

I spat him out and made him lie flat on the floor. "I'm going to fuck you," I told him, looking deep into his sex-crazy eyes. We fucked good and hard for half an hour. He refused to come, and I couldn't stop coming. His cock slammed up to meet me on every fuck stroke, and I bore down with all my might.

Then I felt a hard probe sliding between my ass cheeks. *What the fuck?* It was Mitch, skewering my butt hole from behind as I rode Ben home and back. I was taking two men at once, my body the hot, sweaty meat in a manwich. That's the way I got what I'd wanted from Ben all fucking year!

HOG-TIED HEAVEN

When it was too late, I wanted out. That's the way it always was, especially when my man Tom left me to sweat awhile. See, I can never be sure what he wants from me—only that I won't be able to stop him when he comes and gets it.

The bad part was being so horny, because being tied up really got my juices flowing, and I couldn't do a damn thing to help myself. The worst part was the flies. I was spread-eagled in our hay loft, 20 feet up from the floor of the barn. Naked. Fly meat. Even the cleanest cunt attracts flies if you flash it in a fucking animal barn! My moist cunt itched like mad. I couldn't quite reach the buckles that kept the leather cuffs bound around my wrists, nor could I stretch quite enough to reach the clips hooking them to the eye hooks in the rough-hewn floor.

Our barn doesn't get much use nowadays, except for our sex purposes, but it still stank of hay and animal shit. It was

HOT LETTERS

The full feeling of his cock up my trigger-happy quim made me as greedy for more as a real pig at fresh slops. I couldn't stop squealing.

raining outside, and above the general roar of water there were occasional trickles from the old, leaky roof. Plenty of noise to hide my squeals.

I heard the door creak. The waiting was over. I heard him climb the rickety ladder. Then he was with me, standing over me, lording it over his naked captive.

I noted the bulge in his crotch, a bulge he might not choose to exercise for a while. He saw me staring and smiled.

"Not yet, my little piggie. You're going to have some fun first."

"It'll be fun," I wheedled. "I itch, daddy. Please fuck me."

"I'll fuck you, all right, but not until you're ready."

My tight pussy shivered with anticipation. How I would have loved to stick my eager fist into it.

Tom opened his right hand and showed me what he was carrying: a simple rubber ball on a thin leather strap.

I tugged at the leather cuffs. It didn't matter. He knelt by my head and forced me to accept the gag by pulling my hair. I had to open wide to accept the innocent-looking ball between my teeth, and the s.o.b. buckled its strap tight. It was raining harder now, but I couldn't have called for help even if the entire police force were waiting downstairs on a quiet day.

From his pants pocket he pulled out a handful of wooden clothespins. I shook my head vigorously and struggled harder, more to try and scratch my throbbing pussy-itch than to escape the bonds that kept me there for the delicious torture. He snapped two of the tight clips to my erect nipples and used the other four or five to pinch my sensitive pussy lips. My cunt had screamed to be scratched for a full hour already, and when it felt the pressure of those tight clips, I swear I almost swooned in ecstasy. A rush of cunt cum dribbled down the crack of my ass, puddling in the dimples of my asshole.

Tom backed away to watch me squirm. I gave him a good show. The clips weren't really painful once the initial shock passed. The real anxiety was knowing how bad they'd hurt when he took them off. The longer they stayed on, the more pleasurable they'd be, but when he yanked them off, they'd hurt like red-hot branding irons.

Until then, though, I was free to rack up as many orgasms as I could muster. Just the simple act of writhing and twisting myself on the tight ropes that bound me brushed the clothespins against my cunt, shooting

spasms of sexual gratification up and down my spine. The wooden clips flapping against my heaving tits only intensified my pussy-rush. In no time at all, I was wringing wet with delirious sweat and cunt juice, and barely had to move at all to feel the delicious sensations produced by the tight clamps, little land mines of orgasmic relief, continually exploding. Tears were streaming down my face. My pussy had puffed up, red-hot and supersensitive.

After a long time, Tom released the clips, taking them off one at a time and stuffing them in his pocket. My pussy was actually steaming in the early March air, so wet that he had some trouble getting a grip on the dripping pins. Every removal was a shock that left me speechless, even if I was gagged.

When the final clothespin was off, he undid the leather thong and took the rubber ball out of my mouth. I had chomped so hard on it during my fierce orgasmic spasms that I'd nearly cut the hard rubber in half. I would have bit clean through my lip if not for the gag in my mouth.

"Squeal for me now," commanded Tom.

"Squeal for some bacon, my little piglet."

I heard his zipper come down. His cock stuck out from his open fly, impossibly fat and angry. He knelt to ram me with the rigid nine-incher.

I squealed like a healthy, young sow, then gasped as he entered me. He pumped slowly, trying to tease me, but I was too strung out. After four or five strokes, I was spasming again. It started and it wouldn't stop.

"You're—milking—me," Tom gasped. He stopped pumping. He didn't want to come yet. I couldn't help it. The full feeling of his cock up my trigger-happy quim made me as greedy for more as a real pig at fresh slops.

I couldn't stop squealing. Within a few more strokes, I did milk him, my horny body having its own ideas about what that long-denied cock should do. It's not like I had any control over all those wonderful contractions. Our bodies throbbed and spasmed for minutes, until Tom just plain ran out of jism. Some women think they know what it's like to make a pig out of themselves. I'd just like to see them try.

BE A PUSSY MAGNET, OR JUST TALK LIKE ONE

The cat-haired blonde sucks in frosty attitude around her flaming cigarette. Her chest burgeons, pumped up with a combination of shimmering hot breast flesh and icy chill. Her every facial feature, from languidly batting eyelashes to voluptuously snorting nostrils and puffy, pouting lips, says, *This place is a dump, and so is everyone in it.*

She kills her drink and snuffs her smoke in the empty glass. Every male eye in the place pins a furtive bead upon her silk-sheened, razor-edged calves as her sleek, whispering thighs brush together and she clicks her ice-pick heels toward a more happening nightspot.

All that stands between Miss Frigid Heart and the ex-it are two innocuous-looking guys, a pair of work buddies so similar, they could be mistaken for brothers.

Appearances can be deceiving.

On the surface, Dirk and Dick seem pretty much alike. Now in their mid-20s, both have attended an institution of higher learning, each is self-supporting, owns a car, rents his own apartment, and neither is grievously deformed. But the two have one intrinsic difference. Women are drawn to Dirk; they cannot resist him. On the other hand, if snatch were sharks, Dick could be patented as repellent.

True to form, Dirk waltzes to happiness ever after (or, better yet, 26 minutes of heaving, sweat-spattered lust) with the fast-melting glacial beauty; Dick is left to pick up the tab, and the tab only.

"What is it with women?" he wails with plaintive futility, his forehead splashing down in a puddle on the bar top. "I wish someone would explain them to me."

But Dirk, with his smug smile and a fever-fingered hand snaking to his crotch, wouldn't explain it if he could.

Women are much like other people. Their needs and desires are the same as any normal human being's: food, shelter, a warm tongue up the ass. And yet, men constantly misinterpret the female's signals, withholding from her what she really wants, forcing upon her what she never asked for.

Like her penis-equipped counterpart, the vagina-owner is, as a rule, more concerned with herself than with anything else. In fact, the typical woman cannot be bothered to acknowledge that the vast majority of men even exist.

The first step in gaining an aloof but gorgeous ginch's slaving affections is to get her attention in a positive manner. No other step is required, as once a pussy has decided that she is attracted to a particular dick, she will stop at nothing until she has invaginated it.

While no strategy is a universally effective lure to the finicky female libido, some combination of the following ought to do the trick:

GET A JOB: Women get a sense of stability and permanence from a guy who has a job, even if he's just a day laborer delivering red corpuscles at an inner-city blood bank. If a prospective swain has a full-fledged, professional career—proctologist, personal-injury attorney, S&L board member—she might even consider developing him into something serious. Women consider time of their own and space apart very important. A man who puts in long hours working away from home gives them plenty of time to run around on him.

BE SELF-EMPLOYED: Self-employment is often only another name for unemployment, the primary difference being that self-employment doesn't usually pay as well. Women are incapable of distinguishing between self-employed and jobless. All she sees is a chance to be involved, to mold and to shape a man into her ideal masculine figure—one with a wide piercing through the nose.

GIVE HER LAVISH GIFTS: Women all claim they're more interested in a guy's personality than in any of his superficial aspects, such as size of penis or length of credit line, but the facet of personality that most intrigues her is a man's generosity. Remember, nobody ever got anything for nothing—most guys even pay to get the clap.

BORROW A LOT OF MONEY FROM HER: Start small. Upon initial contact, bum a few bucks for cigarettes. Any woman worth fucking is a sucker for audacity. She's also a sucker for a ten-spot at the car wash, 50 bucks to snatch

Fear and hypocrisy have repressed sexual awareness, leading to the ignorance that spreads disease and creates violence, in addition to hindering our natural enjoyment of sex. This series opens the door to current sexual knowledge and expression, and improved love-making.

up a few essential groceries, a couple of hundred to take advantage of that great sale down at the gun store. Work her up to paying the freight on a fill-up of unleaded supreme gasoline; from there let her take the short leap to cosigning on a Malibu beachfront lot. "I don't know if I like him or not," she'll say when her girlfriends ask why she puts up with a philandering, exploitative leech. "But we have so much invested in one another."

LIE, LIE, LIE: If women were capable of facing facts, they'd never get up off their backs.

Practice saying these words in front of a mirror until no hint of insincerity can be detected: "There's a quality about you that no other woman at this bar has." "Sure, baby, it's more than just animalistic rutting with you." "Sweetie, I'm dying to know what you think about us." "Nasty discharge? No, I haven't noticed any drip on my part. Why do you ask?"

ALWAYS TELL THE TRUTH: The truth is not always pretty, but it is the key to gaining a woman's respect. "I'm actually just looking for cheap, meaningless sex," says the man of unabashed veracity, "then I'd like to go play some basketball." The woman yearns to find a man whom she can respect, if only for the nouvelle experience of fucking a guy she doesn't consider a scumbag. Once she's screwed him, of course, and he wants to go play basketball, she will lose all respect for him, and he becomes indistinguishable from all the other scumbags who have besmirched her vaginal walls. Her cunt won't rest until it sucks him bone dry.

BE NICE TO CHILDREN: Every woman has a maternal instinct within her, ticking away like a biological time bomb. She may not even realize it, but she is constantly on the lookout for the potential father to her future children. Every man she meets is subconsciously cast for his suitability in the role of Dad. Mama-on-the-Prowl's reaction to a man who meets the papa specifications is an involuntary wetting of the reproductive glands. "I don't know what it was about him," she will marvel to her slack-jawed conferees in the secretarial pool. "One minute he was tossing a little nipper's hair; the next thing I knew, he was shooting molten bolts of jizz right up my ass. Can I get pregnant from getting fucked in the ass?"

HATE KIDS: Pregnancy is one of the most traumatic processes, short of dismemberment or death, that a human body can go through. Every woman knows the horror stories and has seen the harrowing consequences. Sagged-out, depleted udders, thighs gone to expansive flab, an ass that bangs against the backs of the knees, a belly bloated and overhanging a cunt that's been stretched wide enough to pop out a fully inflated

football, and ripped to shreds in the process. If a woman looks good enough to attract a man's unblinking, blind-eyed attention, she knows it. She doesn't want to lose her cock appeal any more than the man's unblinking blind eye would want her to lose it. "Sure, he's a creep," she admits to her disapproving and jealous sisters, any one of whom would sacrifice a firstborn to have her figure, "but at least he'd never want me to have a fucking kid."

BE YOURSELF: Everyone is their own best friend, especially those people who are a little weird. Women get bored with an endless procession of soul-less automatons, corporate nonentities in *Gentlemen's Quarterly* leisure wear whose idea of spontaneity is to eat at a restaurant without consulting an accountant about write-off possibilities. These guys appear with ho-hum regularity, and the only thing more predictable than their career objectives is their style of making hump. When a true individual comes along, the type who has some special, quirky skill—such as the ability to comb his eyebrows with his tongue—and is happy to show it off and share it, the suit-and-tie drones are sent packing.

PLAY A ROLE: The most important secret to irresistible attraction is to never reveal any true masculine nature to the target woman. Belching, farting, spitting, rearranging the balls: Even the most Neanderthal lout knows not to indulge these

essential activities in the presence of a new date. The more sophisticated pussy hound has developed his subterfuge to the point of hiding all characteristic traits, such as gazing longingly after every passing skirt, shouting "blind cunt" at inferior female drivers, terming particularly annoying, whining personalities "pussies" and concurring that lady sportswriters probably are, by and large, frustrated bitches. It is not necessary to actually *be* caring and sensitive—only *appear* to be caring and sensitive. Even Donahue is not really Donahue.

BE A FAGGOT: Women are always falling for gay guys. "It's such a waste," they decry in weepy-eyed coffee klatches, imagining the fun they could have with their favorite fruit in bed, or better yet, shopping for bedding. Homosexuality appeals to the woman's innate desire to change a man. Many a slick dick has pretended to be bent, just to give the fag hags a chance to straighten him out.

BE A REAL MAN: Not many of us are left these days. We're in demand, and we don't even know it. Fuck the experts and their contradictory, absurd advice. Every dick worth his wad knows what a woman wants: She wants to want a guy who wants her. It's that natural and easy. Dirk is going to carry on, neck-deep in nectar-rich nookie, no matter what. The rest of you dicks have no one to blame but yourselves. ☹

"Damn! That was a fast elevator!"

It's 4:30 a.m., and broncobuster Jed's got to load the rig so they can blow this two-bit town. Twenty-year-old Tammy's kind of a pussy-controlled alarm clock. Just the thing to get a man up in the morning.

A BALLOONING INDUSTRY

Boobs. The bigger they come, the harder we get. Unfortunately, doctored breasts get hard themselves, and many women can't stop at just one implant operation. How much bigger before they pop?

REPORT BY JEFF MOSES

DESIGNER TITS

"I had a patient who, 48 hours after surgery, had sex. Her husband had his orgasm and plopped on her. The implants went into her armpits!"

Breast-enhancement surgery may be the ultimate vanity. Women pay huge sums to pad out God's handiwork. Thousands of housewives, waitresses, secretaries and power brokers have gone under the knife to become bigger, better, bustier.

Through grueling surgery, these women add huge chunks of artificial flesh to their chests, stacking the decks nature dealt them. Is plastic surgery a cheap shortcut, or a larger-than-life commitment to beauty and self-betterment?

Artificial breast augmentation is nothing new. As far back as the 1930s, scalpel-wielding surgeons have been digging into the breast tissue of under-endowed women. The early days of boob jobs were grim. Molded wax globes were slipped into large gashes under the unlucky tits. Tissue rejection, infection, hardness and malformation were commonplace. Later, one enterprising doctor used surplus airplane-seat foam wrapped in cellophane as faux jugs. While these were wrought with complications, many women gladly flopped on their backs for sponge implants. Rumor has many Hollywood glamour-pusses, such as

Grace Kelly, sporting seat-cushion hooters.

In the early 1950s, silicone injections superseded foam as the breast stuffing of choice. This new synthetic material was softer and more natural feeling than foam, and was considered biologically inert, not prone to infection or rejection. Carol Doda, the silicone-titted burlesque queen from San Francisco, is generally regarded as a trailblazing pioneer of gigantic fake boobs. Her fame lasted many years longer than her looks, creating an unnatural icon of mammaplastic longevity.

What is the perfect breast? To many, bigger is best. She who buys the biggest knockers gets the most kudos.

A would-be D-cupper faces a dizzying array of choices. First, she must pick the doctor. The smart implant shopper keeps looking until she finds a qualified, sincere surgeon who is a member of the American Society of Plastic and Reconstructive Surgery, is possibly a diplomate of the American Board of Plastic Surgery and the National Board of Medical Examiners, and has a long, malpractice-free history. The jumbo-jug candidate demands to speak

with a number of the doc's former patients and looks at many before-and-after photos.

Next, the hooter-goddess-to-be researches the various procedures and brands of implants available. The wily wench consults a physician who knows what's best for her particular physique and needs. She also needs to come up with between \$2,000 and \$5,000. Of course, financing for plastic surgery is readily available, and she can be flouncing her new poundage proudly for around \$80 a month.

In the early '60s, Silastic-gel, natural-feel prosthesis by Cronin and Gerow, the Silastic pouch by Arion and later the silicone implant by Dow-Corning replaced the sloppy, often troublesome silicone injections. Now brands and styles of implants include inflatable, textured and saline-solution-filled baggies.

For years common practice was to make a small incision under the breast at the crease where it meets the rib cage, and stuff implants above the pectoralis major muscle and beneath the breast tissue. In many cases this led to loss of sensation in the nipples and sometimes to the breast skin as well. But according to plasti-tit pioneer Dr. Cadvan O. Griffiths Jr., that's only the beginning:

"I was the first one in the world to do the breast-enhancement procedure employing the muscle, which is the best way to do it." This submuscular technique employs the pectorals as an internal brassiere.

Dr. Griffiths asserts that implants placed above the muscle run a 50% risk of *capsular contracture*—hardening of the tissue that surrounds the implant. Nobody is sure why contracture happens, but it requires further surgery—usually including new implants—to correct. Doctor Griffiths further believes that above-muscle implants are prone to moving around the body, to the armpits, stomach or groin.

To minimize mammary complications, a long recovery period is suggested for mammaplastic patients. Sex is to be avoided for six weeks cold turkey, followed by six more weeks of girl-on-top sex. There is to be no manual stimulation of the fresh breasts for three months (nix tit-fucking), and no oral manipulation for six. Tit hounds who have persuaded their gals to undergo mam-expansion can look forward to a half-year tit tease. Or...

"I had a patient who went back to New York and, 48 hours after surgery, had sex. Her husband was so turned-on, he had his orgasm and plopped on her. The implants went into her armpits!" recalls Dr. Griffiths. And that's *with* the under-muscle technique. How long must an above-muscle patient wait before her lover can climb her heights without dislodging her peaks? "Forever," asserts

"I love these freedom-of-speech cases!"

"Sweet Jesus! Save this sinning harlot!"

"I went back to my doctor and said, 'If you don't give me big tits this time, I'm gonna be pissed off!' So he gave me bigger tits."

Griffiths. "You can always move them."

Not all women want to give up sex just to sport giant chest buoys. Some should just give up their current partners. "One gal was sleeping with a guy who weighed 350 pounds. One of her implants ended up in her stomach," remembers Dr. Griffiths.

While nothing lasts forever, a fresh set of gelatinous glands ought to wear longer than a pair of good jeans.

Geri, a 40-year-old who works in a lingerie bar, has monster tits.

"It started when I was probably five years old. I had an idol, Marilyn Monroe. I loved the way she looked and always hoped that was how I'd develop. As the years went on, of course, I didn't develop large breasts. I always thought it was real feminine to look like that. When I had mine done in 1979, it was still fairly new. I went to my family doctor, and he recommended a plastic surgeon to me.

"I had always wanted to be quite large, but back then they wanted to make them so that you're in proportion. I went along with his decision. They were a 34C. I'm 5-7 with a small waist and medium hips. I

got out of the hospital, and I was proud as a peacock. I had what to me were enormous breasts, and I was just elated. It was one of the happiest moments of my life. You can exercise, and you can change your body, but you can't have your breasts enlarged unless you have it done by a doctor.

"A year later I got transferred to Sacramento, and my left breast went flat. It wasn't overnight, but it slowly started to actually get soft. So I called up my doctor and said it was flat. He said, 'You have a flat tire? No way!' So we had to go in surgically and find out what the problem was. He came up with that during the surgery when he was stitching me up—I had it done under the nipple—there was a small pinprick in the silicone implant itself. It took almost a year for it to leak out.

"When he went in to replace the old implant that had gone flat, he suctioned out all the loose silicone that had leaked out. He took care of the charges. But I said, 'Since you're going back in, and I was never happy with the size, could you please make me a size larger?' So he agreed, and he went in and undid the right

breast too—that was an additional charge. So he went one step larger. That was in 1980. In 1989, last year, I lost a lot of weight. I went from 120 pounds to 99 pounds. I was anorexic. I looked like a walking skeleton. I lost a lot of fatty tissue and was under a lot of stress. The way my doctor explained it, stress attacked my breasts. I had hard tits—no fatty tissue and two hard tits. So there was scar tissue built up, and we had to go back in and take out the old implants.

"In my mind I thought, *Okay, I gotta have them redone. I want to be bigger.* Each time was a step up. I was never at the point where I wanted to be. So in November we put in some soft-sided implants [Mims implants]. They have tiny bumps on them, but when you rub your hand across it, it's very soft. I had the most soft, natural breasts you could ever imagine. But when I got out of surgery the next day, I noticed rippling on the top of my breasts. My doctor told me to give it a month or two, that they'd fill in. So six months go by, and I still had rippled breasts. I work in a lingerie bar; so I didn't want anyone to notice. The implant company said I was one in 10,000 women that this had happened to. So the company said they'd stand behind their product and pay to have regular implants put in.

"I went back to my doctor and said, 'If you don't give me big tits this time, I'm gonna be pissed off!' So he gave me bigger tits.

"That's four [operations] total. To this day people will say, 'Oh, you're large.' To me, I'm not large. I'm so used to having large breasts that I could probably go one size bigger."

There are as many reasons for women to undergo breast-augmentation surgery as there are pairs of tits. Most often, smaller-busted gals look to bolster their self-esteem. They feel that bigger tits will make them more attractive to men, which in turn makes them feel good about themselves. Women's clothing also looks better on a body with fair-size tits. One 30-year-old mother of two children says, "The main reason I got it done was because I had kids. I wanted to regain the loss of tissue from breast-feeding. I was large-breasted before, and I just talked myself into it. I was a 36C before having my kids, and that's what I went back to. I was nervous beforehand, but I looked forward to it. Now I dress to show it off. I get a lot of comments about it—all positive. But some men who have touched my breasts have said, 'Oh, you've had a boob job.' I'm not scared, but I'm sensitive to it. They always comment that it doesn't feel natural."

The lingerie-bar hostess has a different opinion: "Topless dancers who get implants get more money. Society is based on big breasts."

ertainers are more likely to undergo breast augmentation than women in mainstream professions, strippers, hookers, nude models and porn sluts have jumped on the fat-fronted bandwagon in increasing numbers. What used to be an oddity in the sex trades is suddenly a commodity. These girls believe that bigger tits will inflate their status and reap them bigger tips and higher salaries.

Bazooka-breasted Tabitha Stevens, featured strip-club dancer and fledgling pornstress, says that she knows of a lot of girls on the strip circuit who get boob jobs to make more money. "But really," she says, "it's how your overall look is, how confident you are. I don't think just big boobs make a difference."

Another big-drawing nude dancer said that her decision to be cut and stuffed was not for professional reasons. But she admits that by looking bigger, she feels better and makes more money dancing. She says of others' monetary motivations, "You don't have surgery, major surgery, to please someone else."

Geri, the lingerie bar hostess, has a dif-

ferent opinion: "Topless dancers who get big implants get more money. It's a man's fantasy. Society is based on big breasts."

Men and women alike have an undeniable attraction to large breasts, real or otherwise. Morgen Hagen is the editor of *BUSTY BEAUTIES*, a big-tit specialty magazine. While Mr. Busty does not make any distinction between homegrown and enhanced breasts in his magazine, he feels that men are fascinated by them: "Some men don't give a fuck if they're implants; others are purists. When someone asks if a model's breasts are real or not, our line is: 'They're real big.'"

Toppsy Curvey, a dance-circuit main attraction, sports a rack of tit-flesh that borders on bizarrely large. She's one of many exotic dancers who strictly adheres to the unwritten rule that no one gets a straight answer to the question: "Are they real?" These girls tease their adoring fans to keep them guessing and sustain the fantasy.

Many of Mr. Busty's models deny the unnatural origins of their suspiciously monstrous chest orbs: "Girls with inordi-

nately large breasts that weren't there two weeks ago attribute the change to estrogen imbalances, bust creams, potions from the bayou and even, 'I took a breath, and they stayed that way.'"

Tabitha Stevens says that breast-feeding her boyfriends is the reason for her bodaciousness. For Patty Plenty, it's a secret hooter ointment. But even girls who aren't in the industry are evasive about answering implant questions. The 30-year-old mother says, "I usually play them off as real, but I avoid lying outright. I try to laugh about it and walk away."

Women who sport unreal tits aren't the only ones unwilling to talk about their surgeries. At Harvey's, a suburban bikini-dancing bar, the manager, Janie, barks, "Whether a girl wants to get a boob job is her own business. I'm not interested in talking about it!"

This bit of professional courtesy is essential, considering the fierce competition between performers. Mr. Busty says, "Exotic entertainers like having large breasts because their fans like them. Each one now tries to outdo the other in terms of having bigger breasts. I know of several girls who have gone back for bigger implants two or three times."

Marwan, who works at the Seventh Veil in Los Angeles, concurs. He says, "There are two stages here, and when it's busy enough there'll be a girl on both stages. Small-boobed girls don't want to go up against girls with big boobs, whether natural or bigger because of boob jobs. Because, of course, the guys will go sit at the stage with the girl with bigger tits—that's what they come in to see."

But at the Cowgirl, a large topless bar in a rural area, this doesn't seem to be the case. The manager explains, "Shit, these guys don't know the difference. They just like 'em. The girls with bigger tits don't necessarily get the bigger tips. Some guys just appreciate the art of dancing."

All men, according to the women interviewed, react to eye-popping bazooms. "I always get the looks. I also date younger men. Older men, men my age, are intimidated by my looks and think they don't have a chance," says Geri.

Mr. Busty says, "There's a vicarious thrill that these girls have about being conspicuous. No matter where they go, people notice them."

Women notice them too. Even in the middle of crowded nightclubs and restaurants, less busty women will cry out, "Oh, those are fake!"

Toppsy Curvey runs into envy problems often with her monster ta-tas. "A lot of girls say, 'Oh, she's too big. That's kinda freaky-looking.' But these women are jeal-

Jack Ruby

DALLAS'S ORIGINAL J. R.

Before Jack Ruby killed the man who killed President Kennedy, he was just a big-hearted strip-bar owner who craved a little class. His friends and enemies remember Jack way back when.

Postmortem Profile by Josh Alan Friedman

JACK RUBY

"Jack threatened to kill me one week before he killed Oswald. Here's my opinion: Jack Ruby killed Oswald to be world-famous."

Dallas, Texas—

Jack Ruby would have turned 80 on March 25, 1991. There will be no events to mark this occasion. Yet Ruby remains a star player in the American mythology of the JFK Assassination. An object of intellectual fascination for 27 years, he is frozen in our consciousness as the charging, black-suited patriot who gunned down Oswald on national TV two days after Kennedy's death.

Ruby believed he avenged his president's death, saved Dallas's reputation in the eyes of the world, made the Jews look good and spared Jacqueline the horror of a murder trial.

Jack Ruby has figured in countless conspiracy theories and history books. A librarian at the Dallas Public Library refers tiredly to the huge assassination file log as "the Kennedy junk." In 1990, Ruby's executor-attorney was asking \$130,000 for the .38 Colt Cobra that killed Oswald, along with some mundane possessions, like an undershirt Jack bought at Sears. Who the hell would want Jack Ruby's undershirt?

An international glare came upon Jack Ruby's dark little corner of Dallas nightlife on November 25, 1963. His second-rate strip

joint, the Carousel, became the world's most famous burlesque. Yet few customers ventured in after Ruby hit the front pages.

"Anybody coulda killed Oswald, the way people's feelings was running at that time—it didn't surprise me it was Jack," says Dallas Deputy Sheriff Lynn Burk, who knew Ruby well, and was present when Oswald was captured at the Texas Theater. "I'm surprised some policeman didn't kill Oswald first."

"He stuck by what he did," says Captain Ray Abner, who was Ruby's personal jail guard. "He said he loved Kennedy and that he was glad he did it. But I believe Jack just intended to wound Oswald. Spend a couple years in prison, sell a book and movie rights. He was a small figure who came up from the Chicago underworld. He was a guy who wanted to be a big-shot."

On Ruby's last day as a free citizen that November morning in '63, he was a paunchy, balding, 52-year-old burly-Q operator. He had oily, slicked-back black hair, a cleft in his chin, five-o'clock jowl shadow, and he wore cuff links, a tie stickpin and diamond pinkie rings.

The Carousel was located on Commerce

Street, one flight up, between a parking garage and a short-order restaurant. Strippers' 8X10s hung over the entrance. A \$2 cover allowed horny patrons entrance to a square, barn-like room with dark-red carpeting and booths of black plastic. Jack Ruby's stage was the size of a boxing ring, with a five-piece bump-and-grind orchestra, but no dancing. The bar was boomerang-shaped, finished in gold-plated plastic and gaudy gold-mesh drapes. The black barkeep, Andy Armstrong, was Ruby's right-hand man. Overhead hung a gold-framed painting of a stallion, which Ruby believed had "real class."

Obsessed with "class," he operated from a dingy little office in the back with a gray metal desk and small safe.

Terré Tale, a Dallas strip queen of the '60s, had a dozen routines. The crowd favorite was an Uncle Sam act in which her boobs marched in time with a hup-two-three-four soundtrack. She met Ruby when innocently answering a Carousel newspaper ad for a cocktail waitress: "The black bartender told me to come back with the sexiest outfit I had. When I came back, they sat me down next to a guy with more arms than an octopus. I didn't even know the Carousel had strippers. I'd never seen a strip. The girls laughed at my reaction. 'When Jack sees you, he'll have you on amateur night this Friday.' But Jack Ruby was nice to me. 'Does your body look as good as your face?' he said. 'No, I have two kids,' I told him. Then he told me he could make me a star, put me in an apartment, send me to the beauty parlor every day."

Terré Tale refused Ruby's offer, but a few years later she was headlining the Colony Club, two doors down from Ruby at 1322 Commerce. Abe Weinstein's Colony Club was Dallas's most respectable burlesque from 1939 to 1973. Ruby envied this deco cabaret, which seemed to possess the elusive class he so craved.

"My club was a nightclub," says retired owner, Abe Weinstein, now 83. "His was just a joint. I had big names; he had nobody. When he came from Chicago to Dallas in '47, he came up to my club right away. He was told there's a Jew runs a club, that's how I met him."

Ruby, whose God-given name was Rubenstein, ran a few music night spots before opening the Carousel next to Abe in 1960. "My relationship with Jack was bad," says Weinstein. "He threatened to kill me one week before he killed Oswald. I'd had him barred from the club. He tried to hire away my waitresses and employees. Here's my opinion: Jack Ruby killed Oswald because he wanted to be world-famous. If he'd have killed Oswald before the police got Oswald, he would have been a hero. But it was no great thing to get him in the police station."

Ruby was particularly jealous of amateur night at the Colony and the lines it drew.

JACK RUBY

"Ruby was the best boss I had in Dallas. After he shot Oswald, the FBI followed me everywhere I'd play. I got six pages in the Warren Report."

There was no such thing as jailbait—girls in their mid-teens could hop onstage and strip.

"I started when I was 15," recalls former stripper Bubbles Cash in her North Dallas jewelry-pawn shop, Top Cash. "If you were married in Texas, you could do anything your husband said you could do. I married at 13. I told my husband I wanted to be a dancer and take Candy Barr's place as a star in downtown Dallas. The ladies were like movie stars, glamorous, classy. The first time I took my clothes off onstage was great. I wore a red, white and blue dress, and when I unzipped, everyone went crazy, and my husband was proud. It was amateur night."

Eventually Ruby ripped off the amateur-night idea, sweet-talking local secretaries who'd never gotten naked before an audience onto the Carousel stage.

Bubbles recoils at the mention of Ruby, whom she never worked for: "I was told by Abe don't even go near his place. The Carousel had a bad connotation; the girls weren't on their best behavior. They did some hookin' outa there."

"I had the biggest stripper, Candy Barr," boasts Weinstein. She was another figure as-

sociated in myth with Ruby. Abe pronounces her name with the same emphasis one would use for a Milky Way candy bar. "I named her, started her in the business, managed her. She packed the house every night."

Abe's memory claims Barr never worked for Ruby or had anything to do with him. But according to sax player Joe Johnson, Candy Barr came after hours to Ruby's Vegas Club, in the late '50s, to strip. "All the girls came over to the Vegas to strip," says Johnson, who led a five-piece R&B group there. Johnson worked for Ruby six years, starting in 1957. His trademark was belting out sax solos as he walked along the bar top. "I was part of a family. Ruby was the best boss I had in Dallas. After he shot Oswald, the FBI followed me everywhere I'd play. I got six pages in the Warren Report."

Ruby's penchant for barroom brawls kept him in minor scrapes with Texas law. Deputy Sheriff Lynn Burk, a dapper 67, remembers the frontier days of Dallas's burlesque world. He was a frequent lunch mate of Ruby's, and still has Jack's Riverside phone number in his phone book. Burk ironed out some of Ruby's barroom troubles.

He first entered Ruby's music joint, the Silver Spur, in 1953: "Jack was stayin' open late; there was suspicion he was serving liquor after hours." Working undercover, Burk visited the club with a pint of whiskey and poured himself a shot, in the wee hours. Ruby politely told him to take it outside, thus abiding by the law. Burk was impressed.

Pre-Kennedy Assassination Dallas had a small-town atmosphere, one in which the Texas Liquor Control Board supervisor could go out for lunch with a burlesque owner. Ruby often brought sandwiches by the dozen up to police headquarters. Free drinks went to servicemen, even reporters, who Ruby ingratiated himself with. That's why he wasn't seen as out of place in the basement where Oswald was transferred.

Burk says he enjoyed Jack's stories about a fighting childhood on the East Side of Chicago. Ruby had been a Chicago ticket scalper, then sold tip sheets at a California racetrack. He came to Big D after the army discharged him in '47 with a good-conduct medal and sharpshooters rating.

Burk recalls that Ruby was a good fighter who lifted weights and sparred with Barney Ross, a former champ who appeared as a character witness in Ruby's murder trial.

"When I was assistant supervisor of the Liquor Board in Dallas, a man called one day, wanted to know what we did to proprietors who beat up customers. I said you come to my office, and if we prove a breach of the peace, we can suspend his license.

"So this great, big man, well dressed, comes in, some executive with LTV. Said he was down at the Carousel, he'd gotten separated from some friends. He thought they might have entered the Carousel; so he went up and paid admission, walked around, didn't see 'em; so he asked for his money back before leaving. They said no, wouldn't give him his money back. He said, 'Well, I'm not staying.' They said, 'Well, we're not giving your money back.' Then he said the proprietor knocked him down. He got up, and the proprietor knocked him down again.

"I said, 'I'll get Jack Ruby down here; you identify him.' I called Jack. I said, 'Come on down, and come to my office first, you understand?' Because the complainant and the supervisor were sitting in the other office.

"I said, 'Jack, there's a man in the next room you beat up at the Carousel.' He remembered. I said, 'We're goin' in there, and you be the most humble damn man ever walked into that damn office.' So we go in, and I say, 'Mr. Smith, this is Jack Ruby.' Jack said, 'The first thing I wanna do is apologize.' The man said, 'Why did you knock me down the second time?' Jack said, 'You're a lot bigger than I am,' and described a fight where he knocked a man down once who got up and bit his finger off. Ruby showed his missing finger. He said that was

"It's not so bad, honey. I've made a few friends."

JACK RUBY

"If you went into his club and said, 'Jack, I'm hungry,' he would feed you. But if he hated you, he'd stab you in the back."

the reason he always hits a man a second time. He said, 'You can bring your whole office to my club; I'll feed them and give them drinks—I'm just sorry for what happened.' The man dropped the complaint."

Abe Weinstein tells this anecdote about Ruby's temperament: "There was a famous Dallas society doctor that lived in Highland Park. He was a good customer of mine, never bothered anybody or fooled with the girls. For years, every time his wife left town, he'd come up to the Colony. Then a month passed, two months, I never saw him. I called a meeting with the girls, but nobody seen him."

"One day I'm walking by the Adolphus on Commerce, and I ran into Dr. Ross. He told me there'd been a doctors' convention in town. A colleague from Los Angeles stayed with him, and Dr. Ross showed him the city. Took him up to Ruby's place first, and he didn't like the show. Dr. Ross walked down the steps and said he'd take the guy next door for a real show. Jack Ruby happened to be standing behind and heard the remark. When they got to the bottom of the steps, Ruby grabbed Ross by the neck and knocked out all his teeth. He couldn't report it to the

police because he was a Highland Park society doctor—what was he doin' in this joint?"

"But that's Jack Ruby, Dr. Jekyll and Mr. Hyde. If you went into his club, he'd never seen you before, and said, 'Jack I'm hungry; I don't have a place to sleep,' he would feed you and give you a place to sleep. But if he didn't like you, he'd stab you in the back."

Virtually all the strippers who worked for Jack Ruby have evaporated from the city of Dallas. Just try looking for a Double Delite in the phone directory. "I didn't live 47 years by talking about it," spat one ex-husband of a Ruby stripper, who hung up.

"You're talking three generations of strippers back," explains Shane Bondurant, a 1960s burlesque star who now preaches at the Rock of Ages church. Ms. Bondurant once twirled a ten-gallon Stetson hat from one boob to the next, whilst spinning two pistols at the hips. She used 24 live snakes in her act, and made headlines when one of the two lions she kept in her trailer park bit her leg.

Like Bubbles Cash, Terré Tale and Abe Weinstein, Ms. Bondurant knows the whereabouts of not one single Ruby girl: "I would figure most became prostitutes, addicts or

died. A stripper's career is ten years, and the few who survive afterward must be quite strong and pull their lives together."

Ruby's girls were not that strong. There were suicides that became part of the conspiracy lore. Baby LeGrand, whom Ruby wired money minutes before killing Oswald, was found hung by her treader pants in an Oklahoma City holding cell in 1965. Arrested on press charges, her death was ruled a suicide.

Tuesday Nite was another suicide. And in August 1990, worldwide interest was stirred by the latest conspiracy theory: The son of a Dallas cop claimed his father shot JFK, and presented a plausible scenario of evidence. His mother had worked at the Carousel, overhearing Ruby and her husband discussing the planned assassination. She was then given shock treatments, and is now allegedly too ill to speak to reporters.

Certain Ruby girls showed great devotion for their boss. Little Lynn liked Ruby enough to show up at the jail crying after Ruby was imprisoned. The 19-year-old, blue-eyed stripper carried a Beretta pistol in her scarf to give him. She was arrested at the entrance.

Shari Angel, once billed as "Dallas's own Gypsy," showed great devotion to Jack Ruby. In a 1986 *Dallas Times Herald* interview, the former Carousel headliner tried to raise money for "a medal or monument for Jack. He was a wonderful man." Angel described him as a mother hen to the girls, who took them to dinner and bowling. She married the Carousel emcee, Wally Weston, who later died of lung cancer. After years in an alcoholic haze, she found Jesus and pulled herself together. "You know," she told the *Herald*, "I've seen [Ruby] hit a man—I mean a real hard shot—and then pick him up and feed him for a week. He was big-hearted. If I could just get a monument to him, then maybe we could finally lay him to rest."

A little-known literary gem, *Jack Ruby's Girls*, was published in 1970 by Genesis Press in Atlanta. "In Loving Memory of Jack Ruby," read the dedication by Diana Hunter and Alice Anderson. "Our raging boss, our faithful friend, the kindest hearted sonuvabitch we ever knew." This reflected the love-hate relationship of a half dozen strippers profiled within.

There was Tawny Angel, who Ruby fell "insanely in love with," tripping over his speech. Until her, say the authors, Jack Ruby-style sex encompassed only superficial one-nighters with "bus-station girls, trollops and promiscuous dancers."

"Jack Ruby's Carousel Club was in the heart of a city that never took the Carousel to its heart," wrote the authors. "Dumping" champagne was a Carousel ritual. Girls accidentally spilled bottles of the rotgut stuff, marked up to \$17.50 from a \$1.60 wholesale

HUSTLER HUMOR

One afternoon, a young farm girl answered the door and found an angry-looking man standing on the porch. "I'd like to see your father," he said sternly.

"If you've come about the bull," she said, "it's \$50. We have the papers, and it's guaranteed."

"Young lady," the man said, "I want to see your father."

"If that's too much, we've got another bull for \$25. It's guaranteed, but no papers."

"I'm not here for a bull," the man stormed. "I want to talk to your father about Elmer. Your brother has gotten my daughter in trouble."

"Oh, I reckon you'll have to talk to Pa. I don't know what he charges for Elmer."

A lawyer croaked and went to heaven. As he approached the Pearly Gates, he saw a band playing and thousands of angels cheering. Saint Peter himself rushed over to shake the shark's hand. "This is quite a reception," marveled the new arrival.

"You're special," explained Saint Peter. "We've never had anyone live to 135 before."

"But I'm only 85," said the lawyer.

Then Saint Peter thought for a moment. "Oh," he said. "We must have added up your billing hours."

Question: What do football cheerleaders and Iraqi women have in common?

Answer: They both shower after the fourth period.

A woman was walking her German shepherd in the park one day when a guy came up and said, "Excuse me, but I was wondering about something. Isn't it dangerous to have a mean animal like that around the house?"

"Why, of course not," the woman answered. "Duke is a perfect gentleman. He never snarls, growls or barks. He's sweet to children, polite with strangers, and even loves a little pussy."

"That's interesting," the man said. "You mean he actually lives in the same house as a cat?"

"I never said I owned a cat," the woman said.

A black man died and went to heaven. As he tried to stroll through the Pearly Gates, he was stopped by Saint Peter. "Just a minute, mister. What did you do in your earthly life that was deserving of eternal life in heaven?"

"Why, Saint Peter," he said, "I'll have you know that I went up to the Imperial Wizard of the Ku Klux Klan, ripped off his hood and told him to his face he was a scum-sucking racist."

"And when did you do this?" snorted an unbelieving Saint Peter.

"Oh, about a minute ago," replied the black man.

Question: Why do Jewish men like to watch porn films backward?

Answer: They like to see the part where the hooker gives the money back.

After meeting at a bar, the couple returned to the woman's apartment for a nightcap. Before long, things turned passionate, and the pair headed for the bedroom, clothes flying as they went.

Ten minutes later, the woman shot straight up in bed. "Oh, my God!" she cried. "My husband's coming!"

"Shit!" the fellow exclaimed, desperately trying to find his trousers. "Where's the back door?"

"There is no back door."

"Well," he said, "where would you like one?"

Question: How can you tell when Orientals have moved into the neighborhood?

Answer: When Mexicans get car insurance.

A woman took her son to the pediatrician and told him, "Jimmy's got a problem. He doesn't like to shower with the other little boys. I thought I'd bring him here to see if anything was wrong."

The doctor took the boy in the examining room, checked him thoroughly and returned to the mother:

"I can't find anything wrong, except that he's a little on the short side—if you know what I mean."

"What can you give him?" asked the mother.

"Every morning, just before he goes to school, give him one piece of buttered toast," the doctor answered.

"Buttered toast?" she asked, confused.

"Yes, buttered toast."

The next morning, Jimmy came bounding downstairs. On the table was a huge stack of buttered toast.

"Mommy, do I have to eat all that?" he asked.

"No—only one. The rest are for your father."

The Chick Is in the Mail

Don't be pussywhipped and blueballed at home. Exotic and erotic foreign girls are only an international want ad away.

TRANSATLANTIC RECRUITING BY JERRY H.

ILLUSTRATION BY BRIAN CLARKE

IMPORT SEXPOTS

"Personal assistant to young professional sought. Must speak and write Japanese." Wally happened to have a fetish for Oriental girls.

Sick and tired of ballbusting, possessive, castrating, lazy, dopehead, materialistic, all-American bitches? I got off the airplane from Germany a few years ago with Theresia, a big-titted, lithe, blue-eyed blonde from Austria. She was a dedicated fucker and cocksucker, multi-orgasmic and always ready for sex, worked a high-paying job and was a great Hausfrau too. She even made Black Forest cherry cake on Sundays.

Unfortunately, she couldn't stomach the culture shock of living in Detroit. She returned home and married an Austrian Baron.

I was heartbroken, but my libido soon prevailed, and I started dating American chicks with a vengeance. The girls I picked up in discos and singles bars usually were easy lays. But most of these 22-year-old, two-kid divorcees are spoiled and misguided. Brought up as princesses, they look pretty and are granted any wish with a smile and a wiggle of their cute little bodies. Every male becomes their slave.

I was desperate. Good hookers were expensive, and illegal.

The revelation came when I visited a young writer colleague. When I met him

for Sunday brunch at his small apartment above a Santa Monica garage, the door was opened by a ravishing, petite Oriental doll with raven-black hair, wasplike waist and pointy, firm tits. My buddy Wally was still in bed. He must have needed the rest, judging from the aroma of sexual activity hanging in the air. But she had already tidied the apartment and cooked a great meal with Oriental and American goodies.

When Wally wanted to get out of bed, this girl rushed to bring him a beautiful Japanese silk robe and help him into it. She prepared a hot bubble bath for him and offered to scrub his back and feet.

Keiko, as she was introduced to me, served us attentively. Later she disappeared into the kitchen to do the dishes. Wally revealed how he lucked into this good fortune:

Being the horny but nerdy guy he was, my buddy had problems picking up eligible girls too. He was fed up with the games the few California chicks he succeeded to date played on him. So he advertised for a mate, not in the lonely-hearts section of the classifieds, but in the help-wanted category.

He called the *Recycler*, a local free-ads

paper, and dictated this ad: "Personal secretary/assistant to young professional sought. Must speak and write Japanese." Wally happened to have a fetish for Oriental girls.

The next weekend the phone started to ring. His answering machine ran out of tape. From more than 80 calls, he culled two dozen to interview personally. He asked them to come into the lobby of a ritzy hotel nearby and have him paged. He'd check them out visually from a safe distance. When they were dogs, he would not answer the page. If they met his approval, he'd meet them. In one week he talked to 16 girls, he lunched with eight, and he dined with and fucked four. He kept Keiko because she looked the best, was an excellent lay and cooked great from scratch.

Wally's idea was an inspiration.

Everywhere in the world there are free-ad newspapers similar to L.A.'s *Recycler*. Many are set up to run ads from the States, forwarding ads from their readers to foreign papers, and publishing ads from overseas in return. A recent issue had four pages of ads from 21 countries, Argentina to Zaire. Many were from female job seekers.

I put my ad in six papers in Germany and Austria. It's free for one ad per week, and quite cheap to expand the coverage to more cities. My ad read: "Au pair girl needed by American household, no smoking, drugs or drinking, must speak English, maximum 25 years and 125 pounds. Air-mail application and full-length photo to...."

I deliberately left out my phone number. I didn't want to be seduced by a nice telephone voice or be hooked on a really expensive kind of phone sex. Overseas phone calls cost from 80¢ to \$1.75 per minute. I found that out the hard way.

After about a month, I had more than 100 replies. I sent about half of them a polite form letter to describe the situation. I explained that mine was a one-person household, with no wife or kids around. Her duties would be to keep house, cook, keep me company and travel with me.

Between the lines was the connotation of cohabitation, but I did not try to seduce anyone by mail. Instead, I tried to get them curious, maybe even intrigued by the description of myself and my living circumstances. I sent each a good picture of myself, showing off my face and physique (color prints are only 25¢ apiece).

Out of the 50, apparently nobody was offended by my offer. I got no hate mail. Ten replied with interest. When, please, were they welcome to fly over, at their own expense, of course? I invited them *all*, spaced a couple of weeks apart so they would not arrive at the same time.

The first scheduled arrival was Marion, a typical Fräulein from Hamburg, with flaxen hair and Teutonic features. I had asked her

"Your penis, Mr. Fentler, your penis—you slammed it in the door again!"

IMPORT SEXPOTS

The next day, I took her to the Cape Canaveral National Seashore. Marion, the typical European girl, did not hesitate to strip naked for sunbathing.

to let me know her arrival date at the Orlando airport. She hadn't. Though she was only 18, she sure was independent. She just showed up, totally unannounced.

I had come back from a rock concert with my buddy Kevin and some bimbo we had picked up for skinny-dipping in my pool. Just as we tried to make her our vaginal/anal sandwich, a female voice came from the garden gate: "Hallo, iss anybuddy home? Ich bin Marion [I'm Marion]."

It was an embarrassing moment. Though it was dark, she must have seen the hard-on reaching for my bellybutton when I got out of the water just feet from her. There was no towel around, and I couldn't find my clothes. Naked to the world, I opened the gate and let her in.

She sat down at the poolside picnic table while I was groping around for my clothes. Kevin just kept on porking the girl in the water. At long last, I found my shorts.

"Welcome to America, Marion," I stuttered in German. "Please don't get the wrong impression. We were just practicing for lifeguard duty. Let me show you to your bedroom. You must be tired from the

trip." I left her alone in her room to rest and went to bed blueballed.

The next day, upon her request, I took her to the nude beach north of town, the Cape Canaveral National Seashore. The Atlantic pounds onto endless miles of white sand dunes. Marion, the typical European girl, did not hesitate to strip naked for sunbathing, except for a skimpy Brazilian bikini bottom.

I let her bake in the intense Florida sun for a while as I leered at her slim body with firm, petite tits. I offered to apply suntan lotion to the sensitive, alabaster skin of her back. She gratefully accepted.

I turned the oiling into a sensuous massage. She relaxed under my hands and let me slip the bottom off her deliciously rounded heinie. She began wiggling her buttocks and moaned, in German, "I could stand having this done to me forever!"

That convinced me that the moment had come. I knelt astride her and, while continuing the massage, lowered my phallus into the crack of her quivering ass.

The moment it made contact, she freaked: "What the hell are you doing? Do

you think I came all the way here to get fucked? You are a disgusting, dirty man!"

My erection fell flaccid immediately, and I left her alone. She got dressed and walked back to the parking lot. I followed and did not attempt anything more.

She stayed at my place for two days, then found some other household job by stopping women in supermarkets and offering her work in return for room and board. I told myself, *Good riddance, in a few days the next girl will arrive.*

Number two was Heidrun from Hannover, another blond, blue-eyed Teuton, this one six feet tall. She radiated the foreboding haughtiness of Prussian aristocracy, though her sophistication was due only to her parents' money buying an education at an exclusive Swiss boarding school. Stupidity paired with arrogance, when she discovered she was expected to do real housework, she freaked like Marion had at the nude beach.

"What?" she screeched. "Me scrub the floor? At my house the maid does that!"

"Well, face it," I told her calmly, "you're the maid here."

I handed her a mop and bucket. She did my 7' x 10' tiled lobby as instructed and then split, never to be seen or heard from again.

Three's a charm, they say, and girl number three really was: Ursula from Linz on the Danube River arrived only days later. She was not quite as pretty or sophisticated as her two predecessors, but she made up for it with enthusiasm. I picked her up from the airport and cruised her through the balmy air and beautiful scenery of Florida at springtime. I showed her the beach and treated her to dinner at a rustic seafood place on the lagoon. She loved it.

When we got home, jet lag caught up with her, and she retired shortly after sunset. I decided to catch up on my writing. As I was abusing the typewriter keyboard real good, I felt a hand on my shoulder. It was Ursula, stark naked, her soft voice pleading, "When are you coming to join me in bed?"

She did not have to ask twice. My libido catapulted me into the extra bedroom, and we had a great fucking, sucking and ass-reaming session that night. *This one I am gonna keep*, I said to myself, and moved her into the master bedroom immediately.

The next chick was due to arrive in two weeks. The thought of having both of them in bed was intriguing, but I was realistic enough to put number four, a curly maned, big-titted, lithe brunette named Silvia, into a holding pattern. For a couple of days I gave her a taste of my lifestyle, then I sent her to my sister's as a nanny to her new baby boy.

My ambitious plan was to eventually have them both stay with me. I had Silvia over for pool parties, boat trips and beach

RICKI AND LADELLE: BLOW DRY

Twenty-one-year-old Ricki has blown her auburn mane across Paradise Cove every summer for as long as she can remember. "Not many first-time tourists can resist a ride on my wave-maker," she boasts with a sun-dried smile. Twenty-year-old Ladelle is vacationing from New England. "The first thing we discovered was that we both hate tan lines. The second is that a throbbing speedboat engine makes an itch that has to be scratched."

Silvia was adventurous enough to go to swing parties with me, and I made sure she got acquainted with the pleasures of her own sex.

outings to get the two chicks used to each other. Silvia had no problems taking to me, but she was visibly cold with Ursula.

The girls began competing with each other. It was great, but had an unforeseen end result: Silvia snitched on her rival. In my ad I had requested nonsmokers. Ursula lied in her application. She had been sneaking cigarettes and joints when I wasn't around. I confronted her and gave her the choice of either quitting her addiction or leaving. She preferred leaving, and Silvia became queen bee in my hive.

It worked out great. Silvia could never seem to get enough sex. She was adventurous enough to go to swing parties with me, and I made sure she got acquainted with the pleasures of her own sex at those occasions.

Miraculously, it worked. I made sure the next new girl, Heidi, knew that Silvia was the mistress of the house. Heidi was to do the dirty work while Silvia was entrusted with more responsible tasks.

Fortunately, Heidi was Silvia's type. Her wholesome-looking, country-girl, short, blond curls contrasted to Silvia's high cheek bones, long mane and narrow hips. I got them to pose for my video camera on the nude beach and directed them into a girl-girl love set. It worked. Sparks flew and pussy juice squirted. From there on, I was in chauvy hog heaven. I had to buy a king-size bed to accommodate the three of us.

This went on for several months. More girls arrived, but I did not want to jeopardize the great thing I had going with Silvia and Heidi; so I left the others with my sister and host families I found through newspaper ads. Once a week, we all met for a skinny-dipping party at my pool or on the National Seashore. All the girls loved that.

My adventure with Silvia and Heidi ended with a bang. One day, after more than seven months, while the girls were out shopping, I got a call from an upset Silvia.

"I don't believe it," she sobbed, "they arrested us right off the street. You have to come and bail us out, please!"

"These damned fascist pigs," I hollered back. "Can't they leave decent people alone? How much is the bail?"

"One thousand each."

"What? Two thousand dollars together? I don't have that kind of money lying around the house. What's the charge exactly?"

"Streetwalking," answered Silvia.

"You mean prostitution?"

"Yes, we did not know it was illegal here. Just look into Heidi's backpack. There should be enough Geld to cover it."

It was like somebody had beamed me with a baseball bat. In a daze I checked Heidi's bag. There was a ball of loose twenties, fifties and hundreds at the bottom of it, a total of \$2,680.

I drove to the county jail, paid the man and waited 45 minutes in the hot sun for the two alleged whores to come out.

In the car they told me their story. They usually took the city bus to the shopping mall or the beach when I was too busy to chauffeur them. Waiting at the bus stop, they would get offered rides from all kinds of guys. They normally declined.

"But one day these two young businessmen in a BMW stopped, and they were German," Silvia told me, apologetically. "It would not have been polite to turn them down. Anyway, they invited us to their fancy hotel and wanted to treat us to dinner. We declined because we had to cook for you, like every night. So they made us an offer: Spend an hour with them in their room and receive \$100 each. We've been to swing parties with you, and we know you're not jealous; so we accepted. And we did use rubbers, like you always say."

I was flabbergasted. The girls thought they had discovered a gold mine. Since I could not pay them a lot of money, and they had plenty of spare time, they would supplement the income for all of us by occasionally turning tricks. They were kept quite busy until one john turned out to be an undercover cop.

"That swine was so slick," Heidi reported. "He had us naked and his pants off before he arrested us in that hotel room. Is that legal? In Germany we'd call that entrapment!"

When they finally faced the judge, the prosecutor dropped the charges in return for 20 hours of community service, but he snitched on the girls to immigration. Their tourist visas had expired, and they had to return to Germany.

They bid me a tearful farewell at the airport. I returned home depressed, but in my loins was the tingle of anticipated adventures with the new girls on hold.

When I opened the front door, the mailman had dropped an official-looking envelope through the slot. It contained a government check: "Pay to the Order of: Jerry H., Titusville, FL, the Sum of: Two Thousand Dollars, for: Bail Refund, Silvia W. and Heidi K., Signed: Cashier, Brevard County Courthouse."

I cashed that check the same day. And kept the money. 🐷

TITS

(continued from page 52)

ous and insecure. They can be very catty."

But what happens to these women who have struggled for years against gravity, who have gone to the gym religiously to keep their backs and shoulders in good enough shape to carry their mighty loads in comfort? Do they simply become old women with gigantic, firm tits?

One big-named, but anonymous, dancer says that after a girl with mammoth implants quits the circuit, "the doctor takes the implants you have out, and they let the elasticity of your skin go back for six months. Then they go back in and put in a smaller implant."

But by doctors' and implant manufacturers' own admission, silicone is not eternal. Even with the best care, implants will fail, capsular contraction may set in, and gravity will take its toll. No one takes aging well—especially beautiful women. Women who are willing to have cosmetic surgery are usually willing to keep having cosmetic surgery.

Our 30-year-old mother says of aging: "I don't dwell on it, but I was told that they will sag with time. If that happens, I'll just go back and do it again. I don't think any woman likes to get old. And some things

you can only cure with the help of a knife."

Geri shares this sentiment: "Twenty years down the line, when I'm in my 60s, I may not give a shit what I look like. But with role models like Raquel Welch and Cher, I'd like to keep looking good. Maybe when the time comes, I'll consider plastic surgery again. I know I'm going to get what they call a mini-face-lift in a few years. And my doctor says that my breasts will hold their shape for five years longer than natural ones."

If nothing else, breast implants are symptomatic of our insecurities—plastic tokens of personal dissatisfaction. Call it self-improvement or quackery, but mammoplasty surgery is becoming a method of choice for battling age and perceived deficiencies. A woman can no longer rely on makeup, exercise and nutrition to ensure a competitive physique. The time has come to make a greater commitment to beauty.

Imagine buying a new body, piece by piece. Maybe the fountain of youth is really only a brief hospital stay away; the knife is the answer. Slowly we will build better, more beautiful bodies using entirely prosthetic components. When computer science can eventually synthesize a brain and nervous system, childbirth will finally be passé, and the human race will be perfectly beautiful. ☪

JACK RUBY

(continued from page 68)

price. Jack Ruby beer went for 60¢ a glass, and it was shit. He encouraged the bar girls not to drink it, just to waste it when sitting with suckers in the booths. Ruby didn't allow hooking, claimed the authors, just the false promise of sex so they could hustle champagne.

Jack chiseled money from customers, yet loaned money to friends. He beat, pistol-whipped and blackjacked unruly patrons down the stairs. Spend money or get out—that was the attitude of the man who avenged President Kennedy's death.

"I never believed there was a conspiracy between Jack and anyone," states Deputy Sheriff Burk, never before interviewed about Ruby. "Because Jack Ruby had two dogs he thought more of than anybody. If he had any idea he was gonna kill Oswald, he woulda arranged for those dogs. It was a spontaneous outburst—he was over at the Western Union when they moved Oswald. It was timing."

Not many folks came to visit Ruby in jail, according to Ray Abner. Immediately following the arrest, Abner was assigned to guard Ruby's jail cell for over a year. He kept an ear on phone calls, listened to the arguments between Ruby and his sister Eva, watched him shower, heard him break mighty wind, even must have smelled it.

Ruby's cell was isolated from the rest of the prisoners, near the chief's office, with full-time security. "Jack liked special attention," says Abner. "He felt like they oughta prepare meals the way he wanted 'em. I ate strictly jail food, same as the prisoners, and I insisted he do the same. None of the girls came to see him. Just his lawyers, his sister Eva and his brother Earl. I couldn't help but overhear his conversations; so I'm pretty sure he wasn't involved in any conspiracy."

Ruby was riding high in the months after he shot Oswald. He doted over his daily shipment of fan mail, over 50 letters a day congratulating him, calling him a hero. "But after a while," Abner remembers, "the fan mail dropped off, and he got depressed."

Ruby was convicted, and he died of cancer in January 1967 while he was awaiting a retrial. In the meantime, those who made their living in his champagne-hustle world had to go elsewhere for work. *Jack Ruby's Girls* documents the pilgrimage of two strippers after the Carousel closed: Lacy and Sue Ann applied for jobs at Madame De Luce's upscale whorehouse in the Turtle Creek area of Dallas. But Madame believed Ruby "ruined" women as potential prostitutes. All tease, promise, but no fuck is what Ruby taught them. The reputation as a Ruby Girl was a stigma for those who tried to become hookers.

Thanks, Jack. And have a happy 80th birthday. ☪

BEAVER HUNT

Photo by Husband

Secretaries like these come out of wet dreams. May is a 23-year-old from Newhall, California, who likes waterskiing, swimming and working out at the gym. Going on a camping trip with all her friends and having one big orgy is her erotic fantasy. Sounds like May knows how to make friends and keep them.

Photo by Boyfriend

Gorgeous Tara is a 19-year-old part-time model from Phoenix, Arizona, whose hobbies include horseback riding, playing pool and dancing. She says she's always wanted to pose nude in a men's magazine, and that's the beginning, middle and end of her fantasy.

Never fear—the fur is here! If there's a special critter in your life that would like to join the Hunt, snap a clear color picture of the precious pink and mail it to HUSTLER Beaver Hunt, 9171 Wilshire Boulevard, Suite 300, Beverly Hills, CA 90210. If we print it, she'll get \$250 and a chance at an extended photo-feature worth \$5,000. Finalists win \$1,500 each. Their photographers win \$250, and the photographer of the Grand Prize Winner gets \$500. Fill out the model release below, and include a photocopy of (1) a photo ID and (2) another form of ID. All photos become the nonreturnable property of HUSTLER Magazine.

AMATEUR PHOTO CONTEST MODEL RELEASE/ENTRY FORM

To enter HUSTLER Beaver Hunt you must fill out and send this release and COPIES OF TWO FORMS OF ID, ONE WITH PHOTO (i.e., driver's license, passport, work or school ID card or photo ID issued by a state). Second ID can be a birth certificate, selective service card, baptismal certificate, Social Security card, credit card, marriage certificate or immigration card. Send photo copies, not originals. Send two or more sharply focused color prints or slides. Showing pink is optional at entry stage. All photos become the nonreturnable property of HUSTLER Magazine, which buys all rights in perpetuity to photos we publish. If we publish your photo, you'll win \$250 and a chance to be chosen for an extended pictorial worth \$5,000. Send photos, IDs and release to HUSTLER Beaver Hunt, 9171 Wilshire Blvd., Ste. 300, Beverly Hills, CA 90210.

Twenty-eight-year-old Linda Lou from Las Vegas, Nevada, opens her back door with pleasure. She's a computer programmer who likes hot-air ballooning, sunbathing, hiking, Scrabble and good books. She dreams of a ménage à trois with two men and herself fucking in the outer limits in a hot-air balloon. Is there room for two men, Linda?

Photo by Herself

Christy Lace is 18 years old. She's a student from La Crosse, Wisconsin, and likes singing, dancing, acting and exercising. Her hot fantasy is to dance erotically while stripping for the man of her dreams, exciting him to the point that he attacks her in lust. The perfect fantasy for the girl of our dreams.

Photo by Boyfriend

Sexy Sonja reads her favorite bedtime stories. She's the hottest customer-service representative in South Bend, Indiana, and her hobbies include "anything with excitement." She must keep busy, for she says all her sexual fantasies have been fulfilled. Necessity's the mother of invention, Sonja! Start thinking!

Fairhaven, Massachusetts, is home to 20-year-old Marina. She's a teacher who's into dancing, cycling and hiking. Marina gets off thinking about sharing her boyfriend with her best friend, and being fucked by two men. How close can you get?

Photo by Boyfriend

Twenty-two-year-old Kara is a student from Saginaw, Michigan. Her favorite hobbies include oral sex, horseback riding and skiing. Her favorite fantasies both take place in very special surroundings. She'd like to make love to her husband in the woods next to a waterfall, and make love to a woman on a plush rug next to a raging fireplace. The special part is that Kara's there.

Photo by Husband

Photo by Husband

Twenty-year-old Dee hails from Franklin, Tennessee, where she's a housewife who spends her free time dancing, listening to rock 'n' roll and fucking her husband. Her fantasy is to be fucked by her husband and another man. It's what's known as an open call.

Photo by Husband

Kayla from Quail Valley, California, is a 20-year-old medical assistant whose healthy body firms up with rigorous jet-skiing, hunting and shopping. Her erotic fantasy is to make love in a movie theater during a double feature of *Pinocchio* and *The Little Mermaid*. Yes, it is sexy. Think about it.

Photo by Husband

Hard to believe 39-year-old Pretty is a year away from 40, but this is what the good life does to you, ladies. She's a homemaker from Stewartstown, Pennsylvania, who's into playing the piano, oil painting and shooting pool. Pretty dreams of being forced to have sex with three or four dirty cowboys. Is exercise your secret, Pretty?

Photo by Flance

A receptionist from Phoenix, Arizona, Precious is 20 years old and likes roller-skating, reading horror books and collecting compact discs. She says her hottest fantasy is to make love to her boyfriend at the bottom of the Grand Canyon. See, it's safer that way, considering that if you fuck right there on the ledge....

Today, people are interested in improving the quality of their lives...and exploring their own sensuality with options from the Xandria Collection. Sexual devices can provide a new and entirely positive source of pleasure.

The most important aspect of satisfaction is trust. Trust us...thoughtful consideration goes into each product in the catalogue. Quality, value, and sensual appeal are all important elements, as are you, the customer.

What is the Xandria Collection?

It is a very, very special collection of sensual devices. It includes the finest and most effective products available from around the world. Products that can open new doors to pleasure (perhaps many you never knew existed!).

Our products range from the simple to the delightfully complex. They are designed for both the timid and the bold. For anyone who's ever wished there could be something more to their sensual pleasure.

The Xandria Collection has a unique three way guarantee.

First, we guarantee your privacy.

Everything we ship is plainly packaged and securely wrapped, with no clue to its contents from the outside. All transactions are strictly confidential, and we never sell, give or trade any customer's name.

Second, we guarantee your satisfaction.

If a product seems unsatisfactory...simply return it for replacement or refund.

Third, we guarantee that the product you choose will keep giving you pleasure. . . .

Should it malfunction, simply return it to us for a replacement.

The Xandria Gold Collection...a tribute to closeness and communication. Celebrate the possibilities for pleasure we each have within us. If you're prepared to intensify your own pleasure, then send for the Xandria Collection Gold Edition Catalogue. It is priced at just four dollars which is applied in full to your first order.

A PENIS LENGTHENER THAT GUARANTEES YOU GAIN 2 TO 4 INCHES OR YOUR MONEY REFUNDED!

BEFORE

AFTER

These photos show the ACORN PENIS LENGTHENER after it has done its job. Note the increase in diameter of 25%, and the dramatic increase of 52% in length - MORE THAN 3 FULL INCHES!

The APL is new, simple and the logical way to reach maximum dimensions in both length and width. Now you can discard the weights and vacuum devices. No more straps, fasteners, air sacks nor constricting bands. APL makes these obsolete. In no time at all - APL will prosthetically make your penis 2 to 4 inches longer. It will also thicken your penis as much as 25%. And, if this isn't enough - it will make you harder and firmer - which in turn can help you control premature ejaculation. APL is simple and easy to use and we guarantee it to work!

GUARANTEE
You must gain at least 2 inches with APL or your money will be refunded.

Young 'n' Hot

Hi, I'm Toni and I just turned 18. I've done some modeling for clothes and swimwear, but what I really want is to do some wild poses for you. Everyone thinks I'm shy and innocent, if they only knew what I do behind closed doors! Ever since I lost my virginity I've been horny 24 hrs. a day and I've done some bizzare things to satisfy my urges. So if you hurry and send me \$3 for samples or \$5 for 8 color photos, I'll show you what bizzare really means.

DEVELOPER NOW

ORIGINAL PRICE!**

Have you ever been embarrassed by the size of your penis? Have you tried to convince yourself it's not how big it is but how you use it? As long as your sex partner needs to be completely filled, you owe it to yourself to do something about a larger penis now!

Our penis developer will increase penis length, thickness, and make your erection harder and stiffer. Did you know a woman's vagina will stretch and enlarge to accommodate a large penis? Imagine her excitement as you penetrate deeper than you ever have before.

How does our penis developer increase your penis length and diameter?

The answer is called hypermia, a medical term to describe blood filling into caverns of your penis. The caverns expand causing your penis to grow in size and diameter. The superior pump action and sealed vacuum of our penis developer urges your penis to grow to mammoth proportions. Our penis developer is not just a vibrator like some electric units you may see advertised. Remember, it is the precise slow super pumping action of our space age designed penis pump that builds your penis larger than you ever dreamed possible.

NEXT MONTH IN HUSTLER

April HUSTLER on sale February 19, 1991

JUMPIN' GASH FLASH

April is *not* the month to set aside earthly pleasures, as HUSTLER, with four photo-features of five no-foolin' women, grinds into the hot, sticky morass of the age-old rites of spring. Follow a leonine cave dweller into her private crevasse, where her milk-heavy tits stand ready to nurture; meet a fortune-hunting island girl with a golden body, silver hair and an amazing little self-polishing ruby; help a soft-skinned, fire-haired dream girl out of her fishnets and onto the pillows; and gape alongside a lucky guy who stumbles upon a show-stopping blonde-on-blond duet in the apartment next door that'll have even the tone-deaf stroking high-C. That's HUSTLER. In April. Better catch your breath.

MIDNIGHT REVEILLE

As a popular hero of the Vietnam War, staff sergeant Barry Sadler's top-ten song, "The Ballad of the Green Berets," brought world sympathy to the war effort in 1966. Sadler subsequently wrote 30 or so combat novels, probably describing a bullet trajecting into a human head more than any writer on earth. When he died in an American hospital 14 months after a bullet shattered his own skull in Guatemala, investigations ripped the lid off the covert life and times of modern-day mercenaries in Central America. Writer Paul Mulshine brings the jungle hotspot home in *Soldier of Fortune*, a gripping account of Sadler's last hurrah.

JUMPING THE GUN

In these halcyon days of puritanical dick-and-cunt bashing, you'd think contemporary younguns would be less crotch-happy than in times past. Think again. For a clearer picture of youth and sex, listen to four teenage girls whose frank talk continues HUSTLER's quest to broaden the boundaries of sex education. *The Mouths of Babes*, an interview by writer Bob Richards, is unrehearsed, unedited and X-plicit.

TH-TH-THAT'S NOT ALL

April's *Sex Play* counts the inches in Joe LaPino's "Grand Illusion," a firsthand report on penis-extension devices; *Bits & Pieces* startles the world with "Uses for Women Other Than Sex" (*forget about cooking and cleaning*); *Beaver Hunt* flushes the best native game out of American bushes; and *Hot Letters* proves once and for all that public disclosure really does benefit by a witness-protection program. HUSTLER in April adds significantly to the warming of the planet. It's the pinkhouse effect.
