BITS and PIECES

ASSHOLE OF THE MONTH

TRACI LORDS

The world has all kinds of assholes. Some are old and impacted, crusted over with fecal remnants of last week's oat bran, constantly leaking the poisonous fumes of terminal constipation. These suppurating shitholes are like constantly blinking danger signals, warning all decent, undefiled humans to keep their distance.

At the opposite end of the ass-ring spectrum is the young, pristine rectal rosette. A butt bud with the allure of fecund youth and pink-snapper elasticity, these appealingly pursed sphincters call out to be lipped, kissed, spit-shined and tongue-probed. There's always a crowd of sucker mouths lined up to do the dirty work, only to have the perfect crap-chute dump a load of shit right in the teeth. Such a devious turd-clamp is the woman who calls herself Traci Lords, HUSTLER's Asshole of the Month for March 1992. Her poop stinks just like any other Asshole we've ever honored.

Though she was the featured twat in at least 100 hard-core video humpfests, Lords is best remembered for something other than her heaving, baby-fat breasts and their light-bulb nipples. Her gut-wrenching, thrashing pseudo-orgasms, always accompanied by a histrionic, high-pitched wail, were more distinctive than the screech of rutting alley cats, but they are not her signature feature. No, since her first splash in the jizz pool of porn, Traci's defining trait has always been that she is a liar.

Lords's very entrance to the world of celluloid wad required that she commit a series of complex and intentional acts of deception. Traci fooled both state and federal agencies in order to obtain a birth certificate, driver's license and passport, all of which indicated she was one Chrisie Nussman. Chrisie Nussman, according to the falsely obtained ID, was a woman of legal age. Unfortunately, Nora Kuzma, who used the ID as Traci Lords to exploit the easy money of the X-rated film biz, was an underage teen whose tits and cunning had developed beyond her years.

When the Traci Lords sham was exposed, video producers, wholesalers, retailers and consumers nationwide suddenly found themselves engaged in a criminal enterprise. All product containing Lords was pulled off the shelves, countless tapes were destroyed, and untold previously healthy masturbators were abruptly burdened with the guilt of having stroked off to child porn.

In the midst of financial and emotional mayhem, Traci Lords capitalized upon her notoriety as the teenage porno star to cross over into doing bit parts in "legitimate" B-movies and television. Although these roles hardly expanded the pouting-slut persona perfected in her blue-screen portrayals, they were jobs that would hardly have been available to Traci if not for her past as a jailbait cum queen.

Still, the weasels she'd left behind in the gutter of smut did not begrudge Traci her success. Who can fault a girl for moving up to a clean industry, where she'll be more likely to work with gentlemen such as Sam Kinison rather than scumbags like Ron Jeremy?

Traci, however, is not content to let her porn bygones be gone. Whether hyping herself on celeb TV or in print, Lords takes every opportunity to revise her cock-snorkling history. The prolific pussy brazenly claims to have appeared in only a handful of films, netting no more than a few thousand dollars, which she now claims to have blown on dope.

"What I did as an exploited, addicted teenager," she purports in a recent *Los Angeles Times* editorial, supposedly written by her, "has nothing to do with the straight, determined, happily married woman I am today."

Lords has been accused of being many things (pathological, bogus, one-dimensional, mercenary), but junkie has not been among them. Her face and body never displayed the gaunt, haunted need visible in smut starlets driven by drug desperation. If Traci has any overriding compulsion, it is an obsession with celebrity, glamour and power.

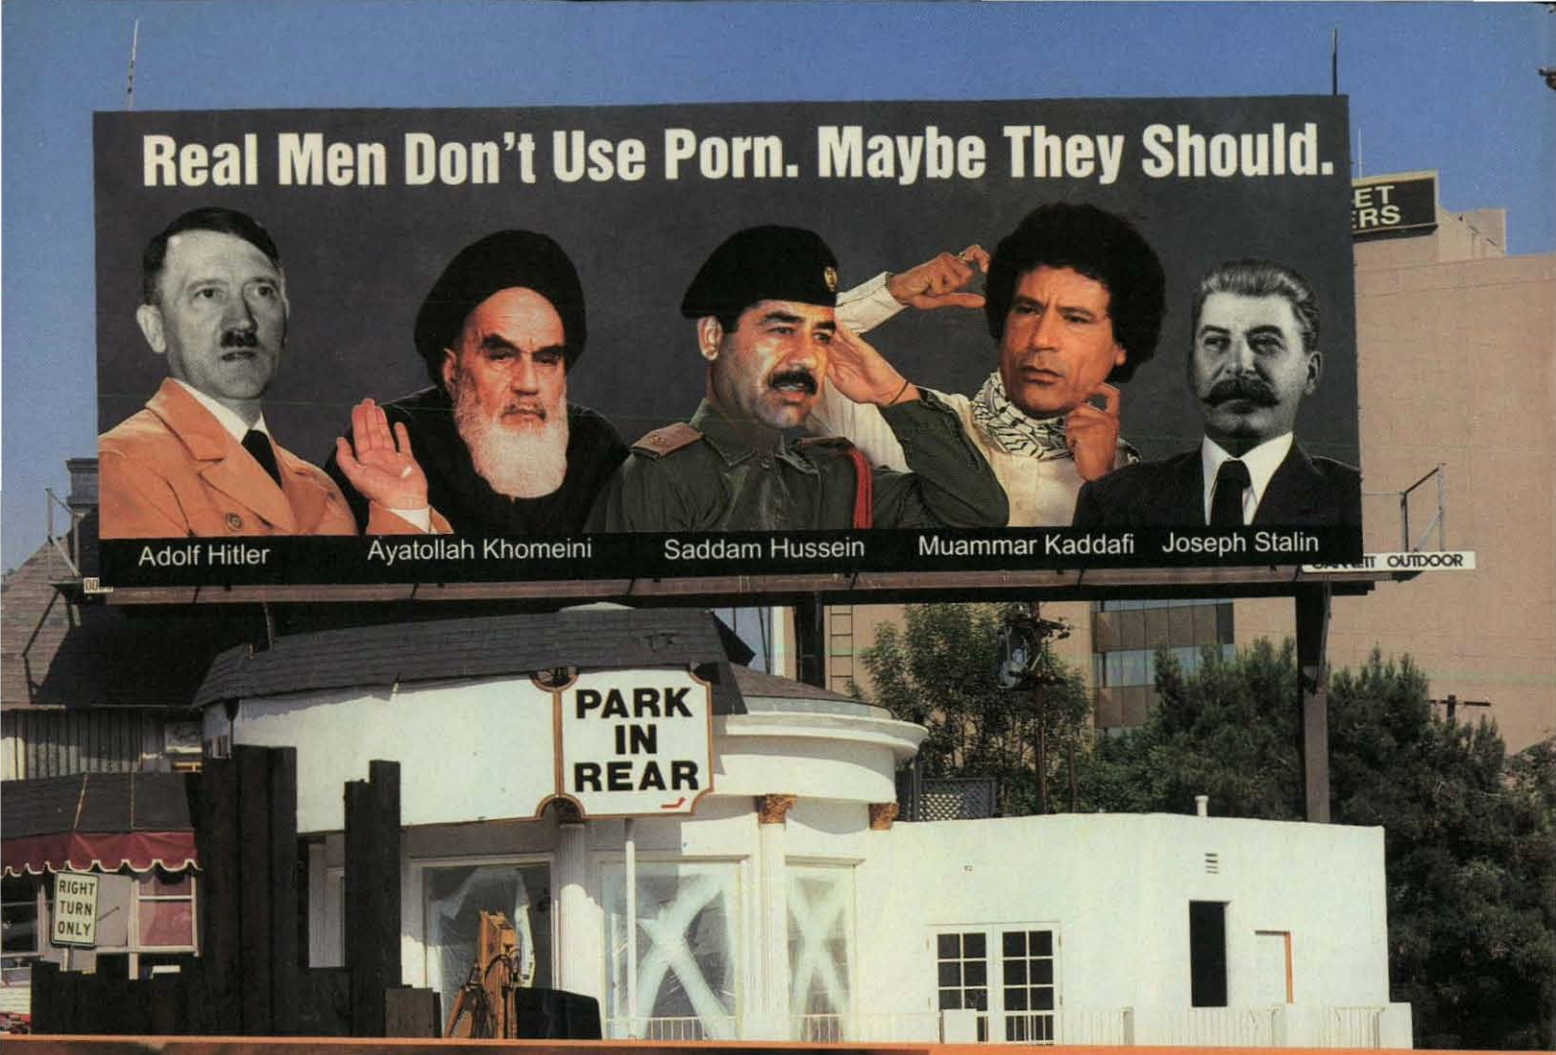

She denied who she was in order to get into porn. Now she denies who she has been in order to become someone else. Traci's actions as a conniving teenager have everything to do with the duplicitous woman she has become today. Lords has all the necessary qualities to become a really big star, but she'll always be a shining Asshole.

FARTS IN THE WIND

Robert Pilatus: One-half of the no-singing Milli Vanilli recording duo, Pilatus might as well have lip-synched his recent suicide attempt. The non-vocalist called a newspaper, then perched upon a West Hollywood, California, balcony, promising he would jump. Camera crews arrived, but Pilatus reneged. Rather than fall to his death, he stumbled into one more publicity stunt. Because he never really does anything, Pilatus remains an Asshole.

Dick Thornburgh: In his failed bid for a Pennsylvania seat in the U.S. Senate, former attorney general Thornburgh blanketed the state with a mailing bewailing the evils of pornography. Among other misstatements, Dick's letter bleats: "Over 95% of pornography involves physical abuse and children." Perhaps 95% of Thornburgh's porn involves abusing kids, but then he's a Dick and an Asshole.

Jim Skinner: As manager of the Fairfield North Apartments, Skinner was ruled to have bullied at least 21 low-income, single, female tenants over two and a half years. He insisted boyfriends sign in for overnight visits, grabbed boobs in public, snooped through mail and withheld welfare checks. The women were awarded $600,000 in damages, and Skinner is in jail on rape charges, where his Asshole is apt to receive abuse of its own.

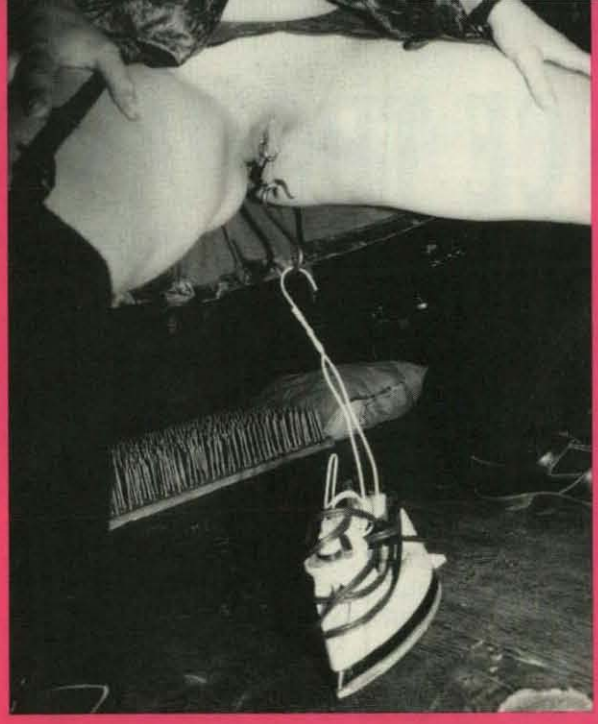

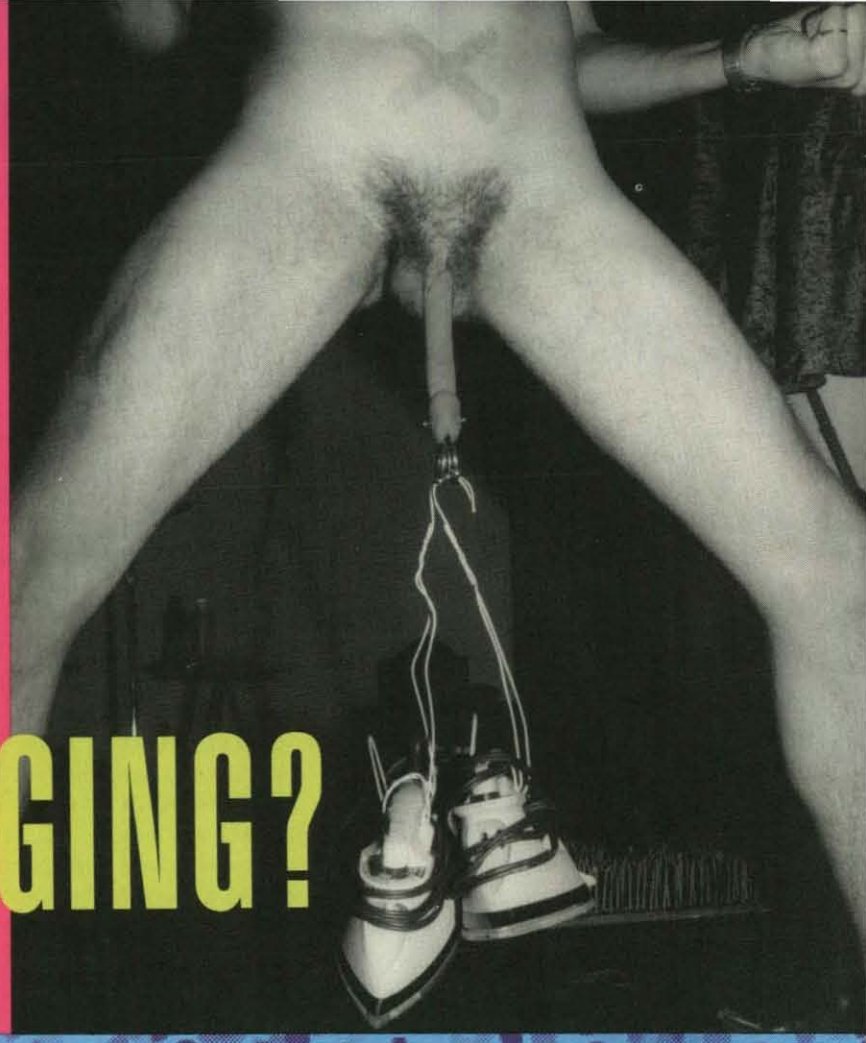

Jesse Helms

has been pumping his antiporn and antigay rhetoric up the asses of the American public for so long, it seems only fitting that he should be the recipient of his own pain in the ass. Jesse recently began radiation therapy to counteract cancer of the prostate gland, and we invite you to send your own personal best wishes for this Asshole's swift recovery to:

Jesse Helms

Good luck, Jesse, and take it like a man.

HUSTLER INTERVIEW: CLARENCE THOMAS'S BIG, WHITE TURKEYNECK*

A candid interview with the longest, whitest arm of the Supreme Court....

HUSTLER: Did George Bush use a firm hand in feeling out Judge Thomas's qualifications for the Supreme Court, or did he simply take the word of insiders on the Hill?

TURKEYNECK: Judge Thomas treated President Bush no differently than any of his other aides. One time, he did go to the Oval Office to help the President install a stereo system. Other than that, I can't recall.

HUSTLER: What was the biggest obstacle for the big, white turkeyneck of a dirt-poor sharecropper's grandson to overcome on the road to the blackest seat on the high court?

TURKEYNECK: The worst part by far was hiding from the black pussy Judge Thomas was always leering at, when it's a damn fact I'll only fuck white meat.

HUSTLER: Is it true that, at a Catholic boarding school in Savannah, Georgia, classmates taunted Judge Thomas after lights out with cries of, "Pull your dick out, Clarence, so we can see you"?

TURKEYNECK: As far as I can recall, Judge Thomas made no bones about the virtues of self-help and was determined to rise to any occasion in a professional manner.

HUSTLER: Judge Thomas has stated he is unalterably opposed to programs that force people to hire a certain percentage of minorities. But such programs are exactly how he got into Yale Law School. Any comment?

TURKEYNECK: That's a question for Clarence's tiny, white pea-brain. I'm his big, white turkeyneck, remember? Where's the Coke machine around here?

HUSTLER: Which one do you suppose Anita Hill thinks caused her the most grief—you or the pea-brain?

TURKEYNECK: I did not listen to Anita Hill's testimony. Anita had no right to say what she did.

HUSTLER: Aren't you forgetting the Constitution's guarantee of freedom of speech?

TURKEYNECK: Listen—like two balls in a scrotal sac, there are two sides to the issue. On one side, Judge Thomas can say whatever the fuck he wants to whomever he wants to say it, and that's the kind of freedom of speech the Constitution protects. On the other side, a dizzy flooze like Anita Faye Hill has no right whatsoever to spread garbage. Nothing in the Constitution protects her right to spread garbage. So there it is: two sides to the issue. Judge Thomas's side rides higher. That's one of the first rules of natural law. Stupid cunt.

HUSTLER: No wonder Clarence came out on top. Say, haven't you gotten bigger since we brought up Anita Faye?

TURKEYNECK: I get a little shook up when I'm angry!

HUSTLER: Judge Thomas is married to a white woman. He lives in a comfortable, white suburb. He's a Yale graduate. His politics are indistinguishable from the all-white, Republican guard. Yet, he had the nerve to call a black woman's allegations of sexual harassment at his Supreme Court confirmation hearing a lynching, when he's the whitest black this side of chocolate. What gives?

TURKEYNECK: He'd been fucking over the minority class for so long, he started to think the sphincter-grip 'round his yours truly was like the noose that choked the lives out of so many better blacks in the South. He does have feelings, y'know. I mean, as far as I can recall.

HUSTLER: Can you give us an instance of Mr. Thomas's ability to judge fairly?

TURKEYNECK: I've seen him pick a pair of 40D from a crowded fund-raiser before you can say "Jim Crow." If that isn't good judgment, what is?

HUSTLER: Just between you and HUSTLER, was Judge Thomas lying when he denied Anita Hill's sexual-harassment allegations?

TURKEYNECK: I don't unload until I've been properly stroked, and you ain't Republican enough to do it!

HUSTLER: Can you tell us what Judge Thomas hopes to bring to the judicial agenda of the Supreme Court that will help make America a just land for all people?

TURKEYNECK: Enough yakkin'. This is a porno mag, ain't it? Let's cut to the cooze.

(continued well into the 21st century)

"And then Long Dong ties his hose in a knot, and the welfare cunt still takes it up the ass! Damn near broke my rewind button on that one."

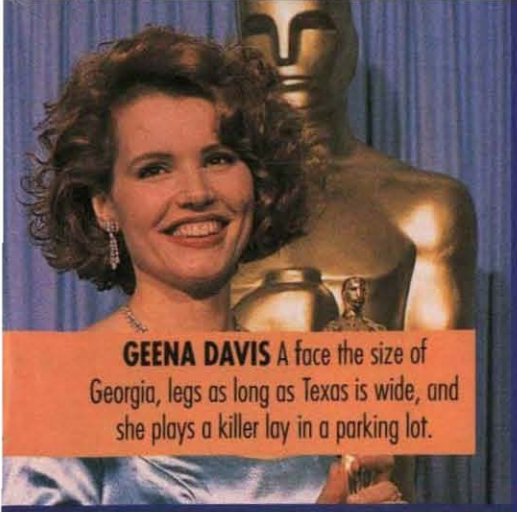

"George was a dream-come-true, but that Barbara dame! Whew-wee! There's one white hole makes dark meat look good!"

"Sure, Sandra Day O'Connor's got nice tits. But I've got my eye on David Souter. That cracker's cuter than my wife."

PETER BALLET

Pete Townshend deserves HUSTLER's honor and respect ("Who's Up My Butt?" *Bits & Pieces,* Holiday Issue '91). It's his unmatched contributions to rock 'n' roll that should be illuminated, not a few indiscretions made during a very black period following one of rock's greatest tragedies, the death of Who drummer Keith Moon.

I would rather associate with a gay man who did not act like one than with a straight man who acted excessively effeminate. There ain't a finer, manlier sight in rock than Pete Townshend windmilling his arm across his guitar, slashing his fingers into badly bleeding ribbons and jumping in high ballet leaps and pirouettes. With his candor, Townshend has proven once again he has the biggest balls in rock.

The impossibly clad and ridiculously coiffed, prissy poseurs of heavy metal are as insignificant as insects compared to the gargantuan character of Townshend. The moron who came up with the attack on Townshend should be bashed on the head with a guitar. Leave Pete alone. Pick on Liberace; may he roast in hell. —T. D.

Lincolnton, North Carolina

Who cares?

LIBERACE LIVES

I don't want this to seem like a total pro-dick letter, but you people make it look like nobody wants to see 'em. I fucking do, to be frank. Fuck the idea of a man's magazine, a woman's magazine, a gay or straight or whatever magazine. Fuck all that. What I want to see is a sex magazine, pure and simple.

Don't get me wrong. Pussy is one of the best creations. But cock is just as good. When viewing photo-spreads of naked guys, I want to see a close-up of the slit at the head of his tool and the wrinkles around his butthole. The same you get from a woman's.

As far as *Hot Letters* goes—man, that shit is so unrealistic! I can't believe for one second that, as hot as some of those people get, there are never two guys that get off on each other. Get real! —M. B.

Goose Creek, South Carolina

BACK TO REALITY

First off, HUSTLER is the best magazine in the world today, and it will be the best in the world tomorrow. I want to ask two little favors. One: Cut back with the dicks, will ya? Why not have two HUSTLERs—one for the ladies, and one for guys like me! I buy HUSTLER for pink, not dick. Good, old pink! Don't give me that shit that there's not enough cabbage to do this. What happened, the rabbit got in the storeroom?

Amber Lynn: Solid Gold

You see, I've got seven years of time left for the state of Pennsylvania, and one lonely day, I'm beating the old carrot, paging through one of your mags. I'm turning the page with one hand—the other on my carrot—to some of the finest ladies in the world, and *damn!* There are dicks sticking everywhere! Hell, if I want dick, all I got to do is go to the shower here, and it's free!

One more favor, before I go. I ran across the most beautiful lady I ever saw in HUSTLER. I'm in love with a centerfold! Her name is Delilah (*Delilah: Box Office Is Open,* July '91). Can I have her phone number? How about just a street name? Hell, just give me an area code. I'll lick her feet. She can rub my face in shit. I don't care. I'm in love. Bless you and the staff at HUSTLER! —P. S.

Huntingdon, Pennsylvania

Sorry, P. S., but we've got to have dicks and pink. Otherwise, we wouldn't have enough letters for Feedback!

BITCH BONE

I am only writing you to pay a compliment to the magnificent Amber Lynn (*Amber Lynn: Solid Gold,* Holiday Issue '91). She just has to be the most beautiful slut in America. Such a shameless animal. A real animal. She must be a super-bitch. I saw her in 1986 in your filthy rag magazine, and she was hot, especially clad in leather (*Amber Lynn: Porn's Busiest*

Beaver, April '86). She described herself as a bitch, and I am sure she is a mean, nasty bitch. She looks like a bitch. But a very seductive, beautiful bitch. A man-eating tigress. I'd like to see her again. Definitely leather-clad again. She has never done a layout leather-clad since 1986. I wonder why. Will she ever? I'm watching. —J. G.

SUCKER!

I bought the *Playboy* and *Penthouse* with Madonna in 'em, and when I saw "Madonna: Any Way You Want Her" on the cover of the December 1991 HUSTLER, I thought for sure there'd be a pictorial, or at least an interview ("Fuck Madonna!" *Bits & Pieces,* December '91). I was surprised to find nothing but a lousy contest, and the only pictures of her had her face glued on to some lousy-looking bodies. I guess I shouldn't expect much from a sad rag like yours. While *Penthouse* and *Playboy* become collector's items, HUSTLER becomes $5 worth of bird-cage liner. HUSTLER, I hear, is also making faggots out of all the inmates. Yep, I sure would like to fuck Madonna, but not like you fuck your readers. I know this letter is more than 50 words, butt [*sic*] fuck you! I won't dare you to print this letter, because you ain't got the guts, and your readers wouldn't understand anyway. —C. F.

PUSSY SUSHI

I never bought, considered or cracked open HUSTLER Magazine for years. I had a fucking clean mind. Finally, some people where I work got me to take a look. People I cared for and couldn't refuse. Well, well! I found out what real life is all about! And it's colored pink!

I'm a truck driver. I like to smoke, drink beer, watch X-rated videos, talk dirty and, most of all, beat off to pictures of nice-looking pussy. Jesus Christ! The first HUSTLER I open's got Oriental pussy (*Tisa: Cookie Cutter,* December '91)! A great-looking lady. She's got a hell of a good-looking pussy.

I like to see nude men too; so there's no problem there. Maybe sometime you'll show two men fucking! I'd like to come down and see you people sometime. Keep up the good work. I'm for HUSTLER 100%. —F. O.

TEMP HUMP

A month or so ago, I worked as a temporary phone receptionist at a magazine-publishing company in West Los Angeles. The company was looking to hire a new operator, and I worked a week on probation. I didn't get hired, but the experience afforded me the wildest fuck of my life.

I'm a statuesque redhead with a body like a brick shithouse. It was the only reason the company was trying me at all. I didn't know diddly squat about switchboard operation and couldn't type worth a damn. I did know how to dress well on a budget, however, and never let a garment distract from my best assets—big tits and shapely legs.

One morning, I was working the switchboard with a company security officer named Dan. I got pooped and decided to take a break. Off the elevator came a nerdy, young job applicant, arriving for an appointment with one of the big-time editors in the luxurious offices inside the building. He managed to stammer his name, and I generously got off the couch to announce him over the phone. The editor in charge of interviewing him was busy. He told me to have him wait awhile.

I didn't choose to relay this information to the geeky applicant. He stood before me, quivering with nervous anticipation. I knew only too well how rough the unemployment situation was in California and could sympathize. To tell the truth, something about his polyester slacks and striped, short-sleeved, Sears-special shirt with pen case appealed to my baser instincts. I ran a hand along my nylons, smoothing an imaginary wrinkle, letting my palm slide up my thigh past my hemline. He blinked uncontrollably, his eyes glued on my thigh like two magnets.

"Step this way," I said softly, gesturing toward the oak-paneled security doors that led to the executive and editorial offices. The wimp pushed his glasses up against his nose and followed me. I led him on a convoluted journey through the endless halls of the office complex and engaged him in a meaningless conversation, lying through my teeth. I told him I was the executive assistant to the editor, and that a word from me could put him in good with the boss. Of course, I could tell by the constipated expression of this dweeb that there was no way in hell he'd be hired by a sophisticated magazine.

He followed me like a dog on a leash—right into an unoccupied office that I knew was free for the day. I ushered him inside and locked the door behind us. Backing him against the desk, I ground my crotch against his polyester-draped manhood.

"You've got to make me happy," I told him, "if you want to make the boss happy."

He dropped his briefcase. His hands fumbled at the tight, twisted knot of his tie. He was at a loss for words. Beads of sweat appeared on his cheeks and forehead. His Brylcreem hairdo lost hold.

I pressed my advantage, unbuttoning my blouse, which fell open to reveal my considerable chest poundage, nicely wrapped in a double-box package. My black-lace bra showed enough cleavage to dive into.

A ladder of drool hung from his lips. "Go on," I whispered. "Get it over with. You don't want to be late for your appointment." His shaking fingers descended ever so slowly to the eager flesh of my breasts. I heaved my chest toward him. All of a sudden, he held fistfuls of tit. I immediately mashed my lips against his, spittle-coated though they were, and hugged his waist between my legs.

To my surprise, the dweeb took my lead and ran with it. He whirled me around and pressed my back to the heavily laminated desktop. I'd planned on saying "Fuck me" a couple of times, real urgent and sexy-like, but I didn't have time enough to catch my breath before I felt his hot, snaking tongue wriggling against my tonsils.

With lightning speed, he unzipped and removed his pants. In a flash, my skirt and panties disappeared. He had me out of my bra in less time than it took *me* to unhook it!

He had my clit out of its hood and between his thumb and forefinger in an instant. A wet gush of gratitude rewarded his effort. I gasped for air like a fish out of water when his tongue finally left my throat. He proceeded to gnaw on my projecting nipples. A rush of something incredible swept past me. I was so taken by surprise, I didn't even recognize the first orgasm of this incredible encounter.

I felt as if I'd unleashed Frankenstein's monster, who was intent on ravaging and ravishing his creatrix. I didn't get as much of a glimpse of his cock, but the sensation as it stretched my cunt was of straddling a

telephone pole. Luckily, my pussy sweat was prolific enough to adequately grease the invasion. I experienced a second shattering come just by the tension of my hyperextended cunt-stretch.

Two orgasms were enough for me—more than I'd expected, actually. I was ready to get off the ride, but the dweeb-turned-fuck-god insisted on pounding my hole for a quarter of an hour before filling my slot with the hottest, thickest dick-goo my experienced pussy ever tasted. He slithered out of my bruised crack without a word, stuffed his meat back into its polyester wrapper and carefully rearranged the pens in his pocket pack. I cleaned up best I could and meekly took him to his meeting.

Needless to say, the jerk was hired, and I

Brentwood, California

BUG BARE

My old flame Becky was an offbeat girl who did offbeat things. Besides being into watersports, bondage and a host of out-of-the-ordinary sexual activities, there was one kink she saved for our time together—shaving her crotch.

She was a knockout; so I could forgive her almost anything. Her chest was all nipples, no tits. A perfect mouthful. I couldn't figure out why she wanted to do something as radical as shave her box and told her so. "Because it gets itchy sometimes," was her logic. I had a lot of trouble buying that rationale. Wouldn't stubs of pubic hair itch more than curly, silky strands?

Several times, she asked me to shave her cunt, and I flatly refused, telling her I loved her cunt hair. She'd be angry that I refused to shave her, but we'd fuck and she'd forget about it.

One night when I came home from the office, Becky had quite a surprise waiting for me. She'd been a busy, little beaver shaver. When she pulled down her jeans and panties, I got the shock of a lifetime. She was totally bare in the crotch. I'm talking bald! I had a raging hard-on for a good, sweaty fuck, but my dick deflated faster than a punctured balloon. Where was the soft, scented muff I loved to explore?

Becky was unrepentant. She was sorry only that my dick was pointing at the carpet, not at her.

I declined to fuck her that night. In fact, I never fucked her again. Our relationship ended in arguments and bad feelings. Becky moved upstate and out of my life.

Some months later, I met a woman by the name of Deidre. She was tall and buxom and brunet, about as opposite from Becky as a gal could get. I bought her a drink and took her to my apartment for some good, old-fashioned fucking.

We kissed on the couch, my fingers exploring boobs and legs before Deidre stripped. I envisioned how wet her snatch lips would be, and I was extremely anxious to discover the size and shape of her bush.

Lo and behold, her pussy was shaved bare as the desert tundra. I stopped unzipping my pants before my fly touched bottom.

It was like looking at a ghost. The ghost of the past. I told Deidre about Becky's awful surprise and my own irrevocable taste for pussy hair. She laughed at my foolishness.

Deidre was beautiful, and I hadn't scored in months. I summoned my courage and prepared to explore her bare box.

She lay on the bed, legs spread wide. I moved to her hole and set my tongue against her bare pussy flesh. It felt odd, but once I got used to it, I didn't mind it in the least!

Hot musk oozed from Deidre's open snatch. I lapped around her oval rim while running my fingers all over the moist, smooth pit. Her nectar rolled across my tongue in waves. I tried trapping it inside her, but she was lubricating too heavily. I got more than my fill of her cunt and tongue-speared her hard to her vulva and back, picking up speed and desire. I'd never eaten cunt with such vigor, but then, a cumbersome muff had always blocked my way!

From Deidre's twitching body, I knew she was ready to go over the edge. With one mighty gasp, she came, gushing hot snatch-cider against my chin. I moved my lips quickly to capture it all, but the juice kept coming.

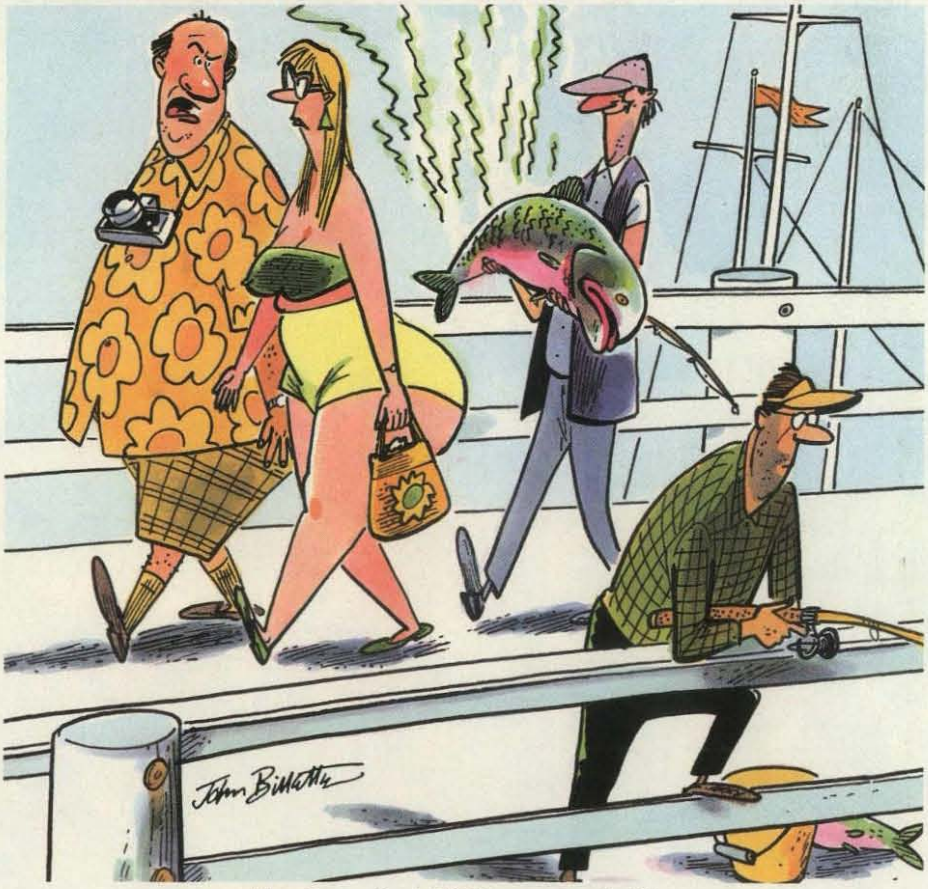

She seemed to float into a never-never land of lust. I ran my rock-solid shaft along the rim of her quim, leaving sticky traces of pre-cum along her slick lips. Holding my dick to her snatch, I drilled it on home, scoring a perfect strike deep inside her body.

Her cunt muscles clawed around my cock, and her hips moved in rhythm to my stroking. I screwed her until my balls seemed ready to burst. Finally, my spasming schlong spurted oily cum up her crack, one vicious explosion after another. Before I shot my last load, I pulled out and unloaded my milky spunk on her belly.

"More, more!" she moaned and wiped the fresh dew with an eager palm, licking it and massaging the remainder onto the chewable, burgundy nipples eagerly popping from her generous mounds of creamy tit. I came a fresh load on her stomach, without even touching my dick!

It's too late to change the past. Becky may be gone forever, but Deidre's here to stay. My eyes are wide open to the pleasures of bareback riding. I'm keeping them that way. —Mark H.

NEW HOPE FOR NEEDLE-DICKS:

CIRCUMFERENTIAL AUTOLOGOUS PENILE ENGORGEMENT

BY CYNTHIA LEROY

There's an old joke that asks, "Would you rather have a dick that was three feet long and skinny as a pencil, or one three inches long but fat as a coffee can?" The correct answer, of course, is to take the three-footer. Just fold it a few times and tie it off. Yet, few men born with pencil pricks think it's funny, and real-life troubles are seldom so easily solved. Given the opportunity, many men with slender dinks would line up for the chance to fatten the weenie's waist.

Women have enjoyed the option of restuffing their saggy, insubstantial or mashed-down chest pillows for decades. Their dick-chutes have been retooled following childbirth, with interior diameters set to match their mates' pee-shooters. Unfortunately, fellows yearning for a more log-like lingam have been fleeced of gazillions of hard-earned bucks by hucksters selling penis enlargers, which are no more than jack-off suctioning machines or ridiculous prosthetics.

Until now. Needle-dicks rejoice! Ricardo Samitier Jr., M.D., a Miami, Florida, plastic surgeon, can give vermicelli veiners a cunt-busting circumference! Patients suffering from a lack of length must wait for a different medical breakthrough.

The procedure, called Circumferential Autologous Penile Engorgement (CAPE), is like liposuction in reverse. After the patient has been properly prepared and sedated, a drug is given that induces an erection. A liposuction cannula, a device not unlike a needle-tipped turkey baster, is used to harvest sufficient fat cells from a preselected donor site—usually the abdomen or thigh areas. The fat cells are washed with a saline solution, then injected into the penis in the subcutaneous plane (between skin and interior tissues) through two small incisions. After the fat is molded into shape evenly along the shaft, the skin openings are sutured shut and the penis bandaged.

Once the CAPEd cock demonstrates that swelling does not inhibit urination, he may go home. The bandage comes off the next day, the sutures after one week. When the second week has passed, the patient is free to pry apart appreciative labes with his newly thickened staff.

What if a rod pops before the two weeks are up? "It just hurts," says Dr. Dick. The healing process, which takes the two full weeks, uses the body's natural collagens to lock the fat cells into place. Fucking or yanking the bloated crank in a sodden frenzy before the fat's secured may dislocate the padding, resulting in a lumpy stump. "One patient had sex seven days after the operation," says Dr. Samitier. But he doesn't recommend it.

As of this writing, Dr. Dick has plumped 40-plus franks. The operation is relatively new, and the surgeon is charging only lab fees and related costs, about $500, until CAPE proves itself safe over a long run. The sawbones figures his investigative phase should be over once he's pumped up his 100th customer. After that, he'll charge surgeon's fees too, bringing the cost of CAPE to around $2,000.

According to Samitier, the average penis is 12 centimeters in circumference when excited. If the skin around a patient's shaft is roomy enough, and there's enough donor fat, Dr. Dick can usually pooch that crank up to 16 centimeters. Uncircumcised men have an ad-

LAYING THE GHOST

Three-Quarters Erect. *Directed by John Leslie; starring Savannah, Taylor Wane, Joey Silvera, Angela Summers, Tom Byron, Brigitte Aimé, Joey Murphy, Peter North and T. T. Boy. Videocassette: VCA.*

If you move into a creepy, old house and hear bones rattling in the attic, be warned: As *Laying the Ghost* illustrates, those bones might be turgid cocks on dead studs who seek live pussy. Peter North's otherworldy stank plank parts tarty Taylor Wane's bucking snatch. They go at it like North really hasn't had any in 200 years, setting the pace for this flick's fiery fucks. The only drag is dolly-girl Savannah, who coaxes North and T. T. Boy to spew about her gash and globes with nary a vaginal insertion. Never has a potential porn superwoman been so disappointing. Brigitte Aimé has a brief, heated schtup with Joey Murphy before scene-killer Savannah muscles in; Joey Silvera shows Wane why he's been in constant demand for the past decade in a great pussy-ramming poke; Angela Summers's short lez bit with Wane and subsequent push-me-pull-you with ghost brothers North and Boy sizzle. The only dead thing in this flick is Savannah's ghostly white pussy.

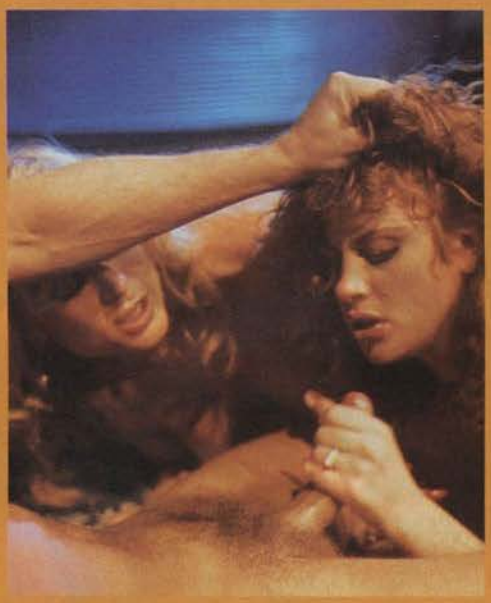

—Dewey Huevos

Savannah sucks cock, but her pussy is dead.

Wane has a taste for ghosts with stiff bones.

*Not very pretty, but things do get **Wild.***

***Jamie Loves Jeff** and fucks Joey.*

*It's too **Dark** to see anything.*

WILD THING

Half Erect. *Directed by Jack Stephen; starring Nina Hartley, Marc Wallice, T. T. Boy, Domonique Simone and Rustie Rhodes. Videocassette: Cinderella.*

The story is forgettable (was there one?), and the women are no raving beauties, but meat-moving music and cum-coaxing camerawork bring off some pretty hot humping. T. T. Boy bastes Domonique Simone's dusky mug with milky-white man sauce, Marc Wallice gives Nina Hartley an oral injection of prick protein, color-coordinated dildos drill contrasting muffs, and a fourway chain of humpers climaxes in a double-facial dumping of dick dew. If you prefer bawdy over beauty, grab this *Thing.* —*Woody Hood*

JAMIE LOVES JEFF 2

One-Quarter Erect. *Directed by Roger Michaels; starring Jamie Summers, Jeff Stryker, Joey Silvera, Jennifer Stewart, Peejay, Mickey Ray and Kylie Chanel. Videocassette: Vivid.*

Jamie and Jeff waste time, energy and money insulting home-wankers' intelligence instead of lubing their libidos. The stupid story snuffs any sensuality, and the many attempts at character development are ridiculously wooden, even for porn. As for the sex: The first fuck ends sans spunk; the second starts only after several unsuccessful story-setup scenes; the third's a throwaway; the fourth frustrating; the fifth fucked by coitus interruptus; and the finale is feeble at best. *Jamie Loves Jeff*? There's no accounting for a person's taste. —*W. H.*

DARK STAR

One-Quarter Erect. *Directed by R. U. Hardyet; starring Jeanna Fine, Candace Heart, Trixy Tyler, Cal Jammer, De Ju, Bif Malone (a/k/a Biff Malibu), Fayren Heitz (a/k/a Taylor Wane) and Hyapatia Lee. Videocassette: Vivid.*

If a star were dark, and you looked up into the night sky to see it, the *Dark Star* would be lost in the pitch. If you strained your eyes and concentrated, you might be able to focus on Trixy Tyler's fishnet stockings and the swollen mound squeezed between their tops; on Jeanna Fine sucking a faceless dick; on Hyapatia Lee touching herself; on De Ju bouncing absentmindedly on Candace Heart's fake cock; or on Fayren Heitz rubbing her cunt on Bif Malone's upturned face. Through the blackness, you'll just be able to make out that these are sex acts. —*Mal O'Ree*

RED LINE

One-Quarter Erect. *Directed by Tori Welles; starring Racquel Darrian, Derrick Lane, Mercedez, Buster Cheri, Rayne, Mickey Ray and Chantel. Videocassette: Paladin.*

Thanks to Tori Welles's blasé direction and a mostly comatose cast, this spittle about Derrick Lane wandering around rural roads looking for Racquel Darrian is an incomprehensible, limp-dicked loser, only proving that a sin strumpet's true place is in front of the camera and not behind it. Welles, a goddess of fuck fire, should be able to coax a little life out of her performers. Racquel, who wrote (?) the script, is as gorgeous as ever, but her humping with Lane is tame tooling, and her obligatory lezzie-lick is a yawner. This *Line* is disconnected. —*Sam Lowry*

*Cross the **Line** for a limp-dicked loser.*

DECADENT

Half Erect. *Directed by Robert McCallum; starring Raven, Lorraine Day, Mike Horner, Joey Silvera, Scarlet, T. T. Boy, Mercedez, Courtney, Peter North, Tom Chapman, Gail Force and Barbie Dahl. Videocassette: Western Visuals.*

The word *decadent* conjures fantasies of wine-spilling Roman orgies and sexual excesses played out in a world where too much is just enough. As presented by director Robert McCallum, *Decadent*—a routine cop story with an occasional sexual twist—is closer to the academic definition: "a state of decline," as in the whole porn industry. The closest this gets to the sexual fringe is Raven demanding that Joey Silvera clean her tennis shoes before he fucks her. He towels off the leather, and she makes him finish the job with his tongue. A couple of new spreads with questionable appeal add a bit of spice. Lorraine Day rides Mike Horner with her back so straight, it's as if his cock goes up her spine; he's ball-deep, and she's jerking her hips back and forth, polishing her clit and screaming. Cutie-cunt Courtney, a stocky brunet version of Tami Monroe, takes nine inches of T. T. Boy in her ass and gets her crack creamed. —*M. O.*

Decadent *doesn't live up to the fantasies.*

NAKED BUNS 2½

One-Quarter Erect. *Directed by Jourdan Alexander; starring Stacey Nichols, Sean Michaels, Sharise, Rustie Rhodes, T. T. Boy and Sabastian. Videocassette: Western Visuals.*

Naked Buns 2 ½ With a title like that, it's got to be about butt-fucking. All right! It's worth a few bucks to see Rustie Rhodes get her freckled butthole plugged. And who's this new chick, Sharise? She probably loves a big dick in her ass. Everybody knows Stacey Nichols does. But what's this? Rhodes doesn't even bend over for a good look at her brown peach-pucker, let alone let a pecker pierce it. Sharise acts like she wants it in the ass but doesn't let anyone do it, and Nichols only takes the first half inch or so of Sean Michaels and acts like she's sitting on the Washington Monument. —*M. O.*

The ***Naked Buns*** *don't get fucked enough.*

BREATHLESS

Half Erect. *Directed by Robert McCallum; starring Victoria Paris, Peter North, T. T. Boy, Mercedez, Barbie Dahl, Viper, Courtney, Lorraine Day and Ron Jeremy. Videocassette: Western Visuals.*

A whopping eight sex scenes are crammed into this story of how bag lady Victoria Paris is transformed into a proper society dame by Peter North. She certainly doesn't need any schooling when it comes to fucking. Paris actually shows signs of life when getting banged by North in two different dickings. No matter how well Paris fares in her fucks, she can't match the heat generated by Viper, who is worked over by two black bones. The scene abruptly ends without splat shots, but it's still a stiff-dicked joy to watch Viper being cunt-slammed while she's eating out the butthole of one of the sepia studs. Most of the sex scenes are kept short, allowing for a couple of nice butt-bangings, and a good percentage of them hit the stroker squarely in the sperm sac. —*S. L.*

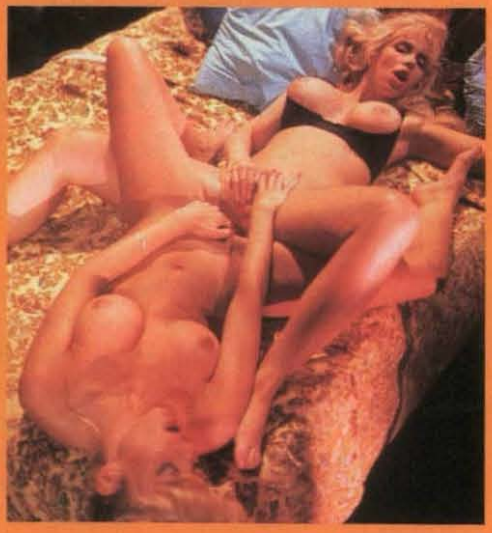

OBJECT OF DESIRE

Three-Quarters Erect. *Directed by Jack Stephen; starring Zara Whites, Taylor Wane, K. C. Williams, Marc Wallice and Tom Byron. Videocassette: Fantasy Home Video.*

The ***Object*** *never quite recovers.*

She's got crooked teeth, and her Dutch accent's a little thick, but Zara Whites's long, sleek bod, unstoppable ass and penchant for sucking cock loogies right into her mouth make her one of the most exciting sluts around. Zara is highlighted by creative lighting and video effects, although both tend to get overused. *Desire* never quite matches Zara's two invigorating scenes, but boxy blond Brit Taylor Wane and the sweaty, wide-butted K. C. Williams give it a good try. —*Rusty Knox*

Breathless *will leave you gasping for gooey glee.*

Avoid this ***Encounter.***

Don't cross the street to see ***Debbie.***

ANAL DAWN

Half Erect. *Directed by Eric Bailey; starring Ashley Nicole, Cal Jammer, Cristy Knights, Rick Savage, Chessie Moore, Renee Morgan, Tom Byron and Trinity Loren. Videocassette: Zane Entertainment.*

No one can say porn isn't environmentally conscious. Look at *Anal Dawn*. At least one company has found something to do with its garbage other than throw it in a landfill. Taping one new scene—the so-so Ashley Nicole/Cal Jammer jam—and recycling five old fucks doesn't do much for the home-humping atmosphere, where a gulp of fresh pussy is as important as oxygen. On the plus side, all six prick-stickings are in the back door. Pick up *Dawn* for old clips of mostly flabby floozies getting butt-fucked. —*W. H.*

ANAL ENCOUNTERS 3

One-Quarter Erect. *Directed by William Black; starring Janee, Rachel Ryan, Bionca, Melissa Melendez, April Rayne, Sean Michaels, Wayne Summers, Marc Wallice, King Tung and Johnny. Videocassette: VCA.*

Ardent fans of fanny-fucking will be hard-pressed to find much good to grope about here, as most of the shit-stuffings turn out to be butt-banging bores. It's nice to see each and every actress proffer her pooper, but most seem nearly comatose once dick enters dirt box. April Rayne at least moves on the dicks of Marc Wallice and Sean Michaels, even appearing to like her cunt and crapper crammed at the same time. Melissa Melendez, Bionca, Wallice, and a blond buck end stacked up in a four-decker, with each girl getting sphincter-slammed between the two studs, but avoid this *Encounter*. —*S. L.*

DEBBIE DOES WALL STREET

Half Erect. *Directed by Wes Brown; starring Nina Hartley, Raven, Randy West, K. C. Williams, Buck Adams, Candace Heart, Devon Shire, T. T. Boy, Tom Chapman, Heather Hart and Marc Wallice. Videocassette: VCA.*

For the strokemeister who enjoys competent acting, lighting and camerawork, this block of *Wall Street* is a good address. If the urgent onanist wants his cock to burst like an unclogged Rainbird sprinkler, perhaps there's a spot around the corner. The pedestrian feel is broken up by a lick-fest between K. C. Williams and Nina Hartley, after which they share a taste of sperm tonic, courtesy of dickhead exec Randy West. Bone-slinger Buck Adams skewers trollop Candace Heart and actually makes her grunt while Marc Wallice whacks nearby. Like a wad flying onto a tanning-salon-tinted belly, *Debbie* looks great, but misses the mark. —*D. H.*

LITTLE MISS DANGEROUS

Half Erect. *Directed by Chi Chi LaRue; starring Angel Kelly, Bionca, Randy West, Sharon Kane, Tom Byron, Tianna, Steve Vegas, Sean Michaels and Sylvia T. Videocassette: Soho.*

Angel Kelly may be a libido libertine, but her pussy obviously believes in the puritan work ethic. Kelly's brain may have written *Little Miss Dangerous*, but her industrious, smoky-black cunt upstages the gray matter. Her slit sits out the first *Little Miss* fuck, as Steve Vegas goes through the motions with Sharon Kane, leaving his cock-crud on the side of her face. Then Kelly's holes take over. She inhales Tom Byron's ample rod, licks his flexed ball sac and invites his cock into her squack. Semen-slimed, but not satisfied, she takes on tag-team reamers Randy West and Sean Michaels, bringing them off on her rump and chest. Anyone else would give it a rest, but Kelly just flings her funky thing into a Bionca/Steve Vegas schtup, and her shadowy eroticism is cast upon a dildo party and Tianna's appetizing nibble on Byron's butt. If Kelly is a *Little Miss Dangerous*, she's only dangerous to the industry's established standards of laziness. —*Christian Shapiro*

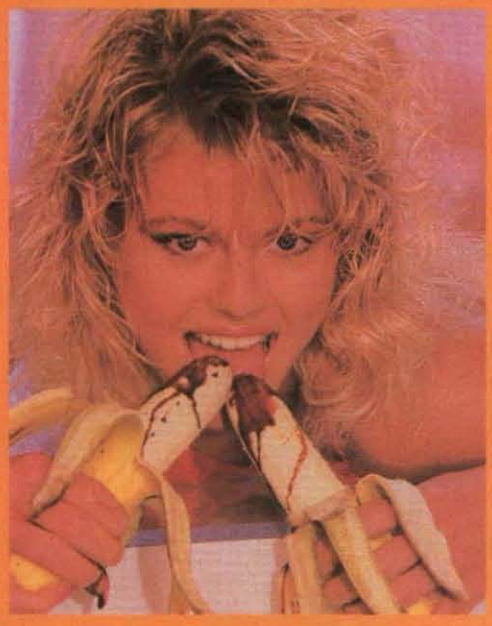

Don't bother getting up at ***Dawn.***

A SHOT IN THE MOUTH 2

One-Quarter Erect. *Directed by Scotty Fox; starring Danielle Rogers, Randy Spears, Melanie Moore, Buck Adams, K. C. Williams, Randy West, Mona Lisa, Rocco Siffredi and J. B. Videocassette: Moonlight.*

Randy Spears, doing a terrific French accent, plays LeClue, a bumbling, stumbling police inspector assigned to protect a valuable necklace known as the Pink Pussy. His Gallic gonads find their way into Danielle Rogers's hole for a mundane muff-mauling that ends with a ball-bowl of bouillabaisse on her marvelous mug, the best shot of the tape. Randy West manages to sprinkle in Melanie Moore's mouth after their somnambulistic slam, and Buck Adams judiciously doles out his load for the lapping tongues of K. C. Williams and Mona Lisa. While the film holds true to its title, this *Shot* is a misfire. —*S. L.*

*Put a **Shot** in her mouth too.*

BLACKMAN

One-Quarter Erect. *Directed by Duck Dumont; starring Jeannie Pepper, Purple Passion, Shantelle, Ray Victory, Jamie Gillis, Cherelle Marie, Sean Michaels and Ebony Ayes. Videocassette: Pleasure Productions.*

It's a pity Henri Pachard worked only on this vid's sound, excellent from the opening song to the end. Direction, script, editing and cast could've benefited from his deft touch. Precious time and videotape are squandered on an insipid plot and maladroit performances. These flaws can be borne, but not when the fucking is forgettable. Except for the Michaels/Pepper shit-chute stuffer and Gillis's nostril-plugging, bubbling face-glazing of Cherelle Marie, the sex in *Blackman* is pallid. —*W. H.*

HOT SPOT

TRACY STAR

MAKING her first fuck flick, Tracy Star was just wiping the cum from her lips when we jumped on her. The 23-year-old Southern California native was a little nervous before chowing down on Cal Jammer in Video Exclusives' *Rocky Mountains,* but "Cal is a very good lover; so I calmed down," she says. "I was very excited to be doing it for the camera." Star is signed to do "it" several more times for VE, with "anybody who's sexy," and after that? "I really haven't decided what I'm going to do in porn," she admits, "but I love sex and like to show it off. I'm always nude around the house."

ROXY

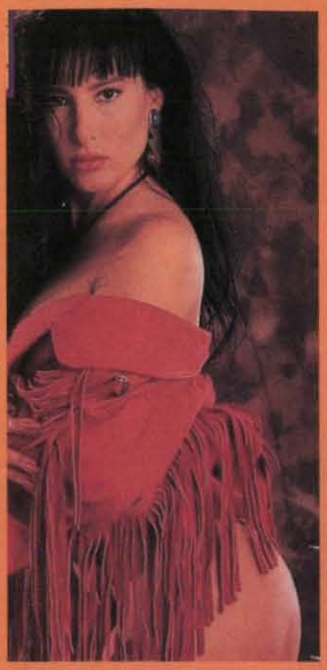

Half Erect. *Directed by Jack Remy; starring Savannah, Jeanna Fine, Rachel Ryan, Taylor Wane, Buck Adams, Mike Horner and Marc Wallice. Videocassette: VCA.*

This is the Cyrano story without the nose. It's lovely to look at: Production values are good; someone even found some new locations. The acting is better than expected. Savannah is adorable in the title role, though sexually this doll is still waiting to be wound up. There are six sex scenes, seven counting a very brief finger-bang that, ironically, promised to be the hottest penetration in the movie. Jeanna Fine's fucks are the steamiest, but even *her* scenes, like most of the sex in today's porn, are more posed than dynamic. *Roxy,* produced by Paul Thomas, seems aimed at an audience that prefers a strong story to strong sex. If this audience exists, it won't be disappointed by *Roxy.* —*Chas Beatty*

***Roxy** has a strong story, weak sex.*

THE EXHIBITIONIST

*Madison makes **Exhibitionist** worth a look.*

Half Erect. *Directed by F. J. Lincoln; starring Madison, Marc Wallice, Tom Byron, T. T. Boy, Lois Ayres, Dora Dice, Brigitte Monroe, Alicyn Sterling, Tom Chapman, Peter North and Rebecca. Videocassette: Vidco.*

Marc Wallice is the exhibitionist, an erotic artist whose collection has attracted the attention of Madison. He tells her the inspiration for each of his works, which leads into the sex scenes. Most of the gash-grindings represent solid strokesmanship, with nothing much to distinguish them. In the final scene, Wallice and Madison merge muff to meat. Things get interesting. The two share a large, phallic light tube that Madison rubs between her legs and on Wallice's body. It's the one addition that makes *Exhibitionist* worth a look. —*S. L.*

THE ONLY GAME IN TOWN?

Half Erect. *Directed by Scotty Fox and Isabelle Snow; starring Madison, Aja, Bionca, Jeanna Fine, Candace Heart, Tianna, Angela Summers, Britt Morgan, Missy Warner, Joey Silvera, Peter North, Ron Jeremy, Mike Horner, Randy West and J. B. Videocassette: VCA.*

A football player's mind is a simple thing, occupied with blocking, tackling and—after the game—fucking. One benefit of being a pigskin pro is cheerleaders. This randy romp is about girls who shake their pompoms to help the boys win the big game. Bionca sacrifices her bunghole for a victory, making a great tight end as Peter North ass-rams her. The girls keep in shape by working on each other in a sixway daisy chain. The fur really flies. After further review, this play stands, and so will your yardstick. —*S. L.*

Game: *a randy romp with X-rated pomporns.*

vantage over their clipped brethren in this respect. In fact, the doctor claims to have brought one patient up to 20 centimeters—that's eight inches around—roughly the diameter of a soda can.

"He called me to tell me that, for the first time, he made his wife scream in bed." From pleasure or pain? "I don't know," laughs Dr. Samitier, "but I think he's a bit of a sadist."

One schlong-puff patient, call him Ned, discusses his recent pud padding. "It's just wonderful," he enthuses. Ned's a 44-year-old bodybuilder who possessed an average-diameter rod. He spotted Dr. Samitier's advertisement in a newspaper and looked into the procedure because, "I felt awkward having a normal penis and a big body."

To match his muscular physique, Ned went for an approximate 20% increase in wangyness. "It was four and a half inches in circumference. That's about as big around as a broom handle. Now it's five and a half inches. That's like a small woman's wrist. I can wear my wife's watch around my penis."

Besides finding a new place to wear a timepiece, Ned discovered another benefit of CAPE. "I was always repositioning my penis. I don't know why, but it was never comfortable, especially when I was riding my bike or sitting down. Now it doesn't move around. It's big and smooth and sits still. It's real comfortable."

While pleasurable sensations do not expand with penile girth, Dr. Dick contends that none of his patients have reported any loss or change in feeling. He sells his procedure as having psychological benefits, inflating self-esteem and increasing the vicarious satisfaction of intercourse for the patient by improving the sexual experience for the partner.

Circumference of the penis, Dr. Samitier reasons, is more important than length, given that the vagina only has sensory nerve endings in the lower third. Also, to date, penis-lengthening procedures all involve the insertion of a prosthesis into the delicate interior tissues or severing the connecting tissue at the base of the penis. This second method only gives the appearance of a longer middle leg; it only makes the dork hang lower. With CAPE, there is no foreign object to be rejected by the body, and living fat cells stay healthy in the previously nonfat manwurst.

"Two days after the operation I got my first erection," states Ned. "It was very swollen, but that's actually good. It stretched the skin out. I'm 44, and my penis looks like a kid's, like it has new skin. It's a monster."

The relatively torture-free procedure requires mild Valium injections to anesthetize the patient. Ned recalls experiencing no pain. In fact, he's so pumped on CAPE, he's trying to coax his cousin and his 26-year-old son into laying their cocks on the table.

"It's real big and strong. You have a sexual power down there. Women can jump all over you. It's just so normal; it blends in."

But girth-enhanced dicks look a bit like inbred albino lizards: big, fat bodies with contrastingly tiny, pink heads. If the post-op pud knob swells like a plum in August during erection, good. If not, have fun, Zippy.

Even Ned concurs. "The only thing is that the shaft is bigger than the head." But he refuses to look upon this as a drawback. "That only makes it easier to get in. It's like it's been custom-designed for pleasure. My penis just tapers into the vagina perfectly."

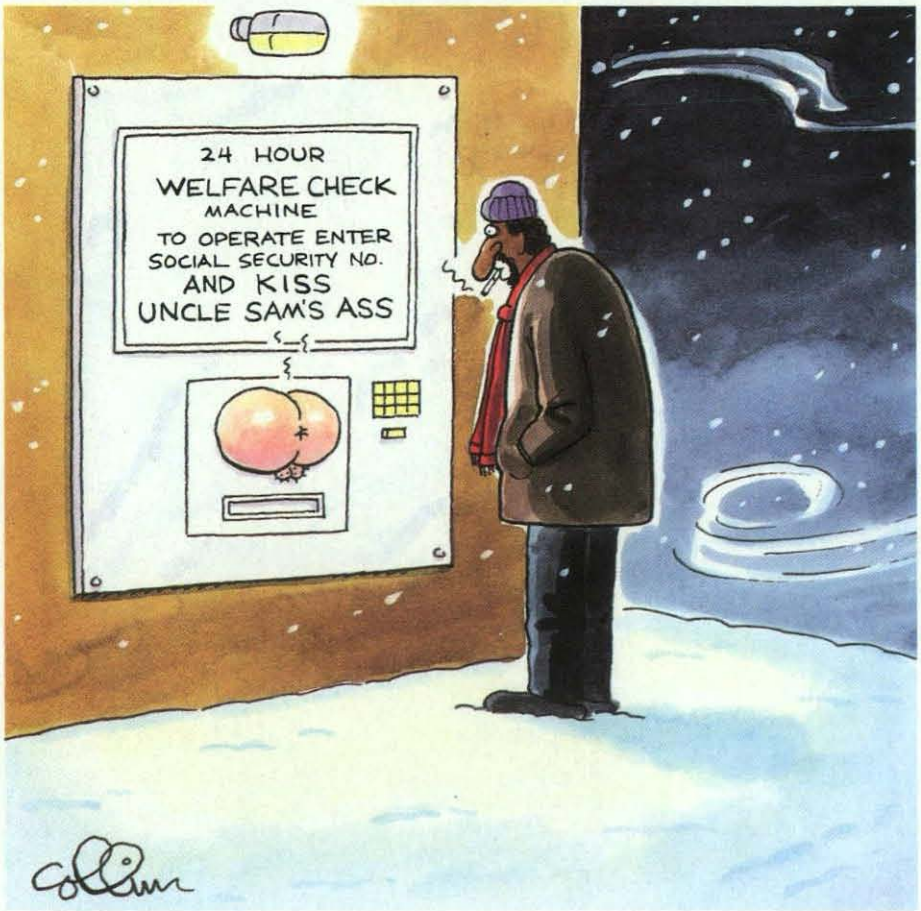

Although Dr. Samitier warns that the layer of fat around the penis is like wearing a heavy overcoat over a thin body, Ned begs to differ. "The fat just blends in. In fact, I think it gets harder than it used to." So it's not mushy on the outside like a soggy corn dog? "Not at all."

As controversy rages over whether women really benefit sexually from a hog of a hambone, one thing's for certain—men who have lived their lives with average- or less-than-normal-size yangs feel more confident about themselves after CAPE. Call it the measure of the man, but being a hung stud tends to make a guy feel better about himself.

One of Ned's greatest joys now is wearing a bikini-style bathing suit. "It's nice to have a big lump there," he gushes. Plus, "I'm not worried if my towel falls off in the sauna or if someone sees my penis in the shower at the gym."

This vanity may be the most shallow, narcissistic tripe around, but knife-happy bitches have been at it for years. Women whine about tummy tucks, ear pinnings, eye debaggings, thigh lipo and the ever-popular nose job, while men are concerned with only one thin thing—their penises. Cruelly, while women can change many of their perceived deficiencies with exercise, dieting or makeup, thimble-dicks are immune to self-improvement. No matter what kind of bizarre salves are rubbed in, nothing short of elective surgery will make John Thomas a bigger boy.

If subjecting a tiny, defenseless dink to repeated puncturings with a knitting-needle-thick hypodermic syringe full of fat doesn't deflate its owner's enthusiasm, saddle up. After all, pride of ownership will radiate from the beaming face of the CAPEd cock's carrier. Who cares if some significant-other benefits from penile engorgement? Next time a former pencil-prick whips it out to take a leak in the huge trough at the ball game, and he takes a few steps back to show 'em what kind of bat he's swinging, rest assured that it's a custom-built Samitier Slugger.

ASIAN STREET GANGS: THE HOME INVADERS

Report by B. Gordon Wheeler

Bred in the killing fields of Cambodia and Vietnam, packs of marauding Asian teenagers have declared war in America. Nothing stands between them and you except a stretch of highway.

Chatichai's 26-year-old wife is stripped and forced to sit in a tub of scalding water before the thugs leave with $250 in cash and jewelry.

Senate Judiciary Chairman Joseph Biden warned last year that Asian organized crime groups were spreading across America and soon could be double the size of the Cosa Nostra in its heyday. From the New York-based Ghost Shadows (Chinese) to the Viet Ching (Vietnamese) in Los Angeles to the Bahala Na Gang (Filipino) in Chicago and San Francisco, Asian gangs are spilling bloody havoc in Asian communities coast to coast.

New York City: My Van Le, a Cambodian immigrant, awoke to the paralyzing sight of a gunman in a black Ninja mask. The masked intruder stood on Le's back and beat him unconscious with a .357 Magnum.

The gunman and four crime partners, all members of the Ghost Shadows, tied up Le's family. For the next three hours they threatened and tortured them, demanding to know where the family hid its money and jewelry.

Finally, as a gunman placed a live, frayed extension cord against the vagina of Le's three-year-old daughter, the family relented, giving up much of their wealth.

This type of robbery has become the signature of America's fastest-growing terrorist group—the Asian gang.

Methodical and Terrifying

Robbing people inside their homes is not a new phenomenon in American life. Dope fiends have barged into the homes of the defenseless elderly or handicapped for decades. Today, Asian gangs have taken the crime to a new low. Their robberies are methodical, well planned and terrifying.

"The victims," says Michael Suh, a Korean-American who encountered the Bahala Na Gang (BNG) while living in North Chicago, "are always tied up and tortured."

Stockton, California: Five Viet Ching, wearing black Ninja clothing and armed with handguns, burst into the home of a Cambodian family. Before leaving with $600 in cash and jewelry, one of the Viet Ching stabs the wife in the back, and the other four sexually assault the family's 14-year-old daughter.

From the suburbs of Long Beach, California, to the refugee communities in Minneapolis, Minnesota, to housing tracts in Boston, Massachusetts, the robberies are being pulled off in identical fashion.

In Chicago, five heavily armed BNG members invade the home of Chatichai Kongsompong, a Thai national who brought his family to America in 1988. Chatichai's 26-year-old wife is stripped and forced to sit in a tub of scalding water before the thugs leave with $250 in cash and jewelry.

Kongsompong, a jeweler in his native Thailand, gave law-enforcement officers ten days to capture the gang members. When they failed, he packed up his family and moved out of Chicago.

"I'll start over," Chatichai tells friends. "I lived with savagery in Thailand. I will not live with it in America."

No Community Immune

Asian gangs are fast-moving, ever-changing packs who leave victims too frightened to talk and whose tracks are all but impossible to follow.

"These days, there isn't anywhere in major cities where you won't find Asian gang members," says Florentino "Tino" Nantes, a former member of the Chicago Bahala Na Gang.

A demonstration that Asian gangs have exported their violence outside their traditional stomping grounds occurred on April 4, 1991, in Sacramento, California:

Four Vietnamese gang members held about 30 people hostage in an electronics store for more than eight hours. They made extravagant demands with political overtones, including safe passage to Thailand to fight Communists.

In the gun battle that ended the incident, three of the Vietnamese bangers and three hostages were killed. Eleven hostages were wounded. Sacramento's law-enforcement officials claim the incident was an isolated one, triggered by frustration and desperation.

Suh, who owned a Korean gift shop in a non-Asian section of Chicago, disagrees. He closed his business and fled the Windy City after he refused to pay "protection" monies to the BNG.

"Filipino-American gang members routinely extort owners of business by demanding protection money," says Suh, "and they retaliate with arson, vandalism and armed robbery against those who will not comply."

Suh, who now does volunteer work with the Immigrant Legal Resources Center in San Jose, California, says he sold his business at a loss after six BNG members armed with sawed-off shotguns "ambushed" his sales staff. "They ransacked the shop, beat a salesman unconscious and raped two salesgirls."

Suh claims that the BNG, Viet Ching and even the Yakuza (Japanese Mafia) are increasingly traveling outside America's Asian communities to find new targets—and to escape police surveillance.

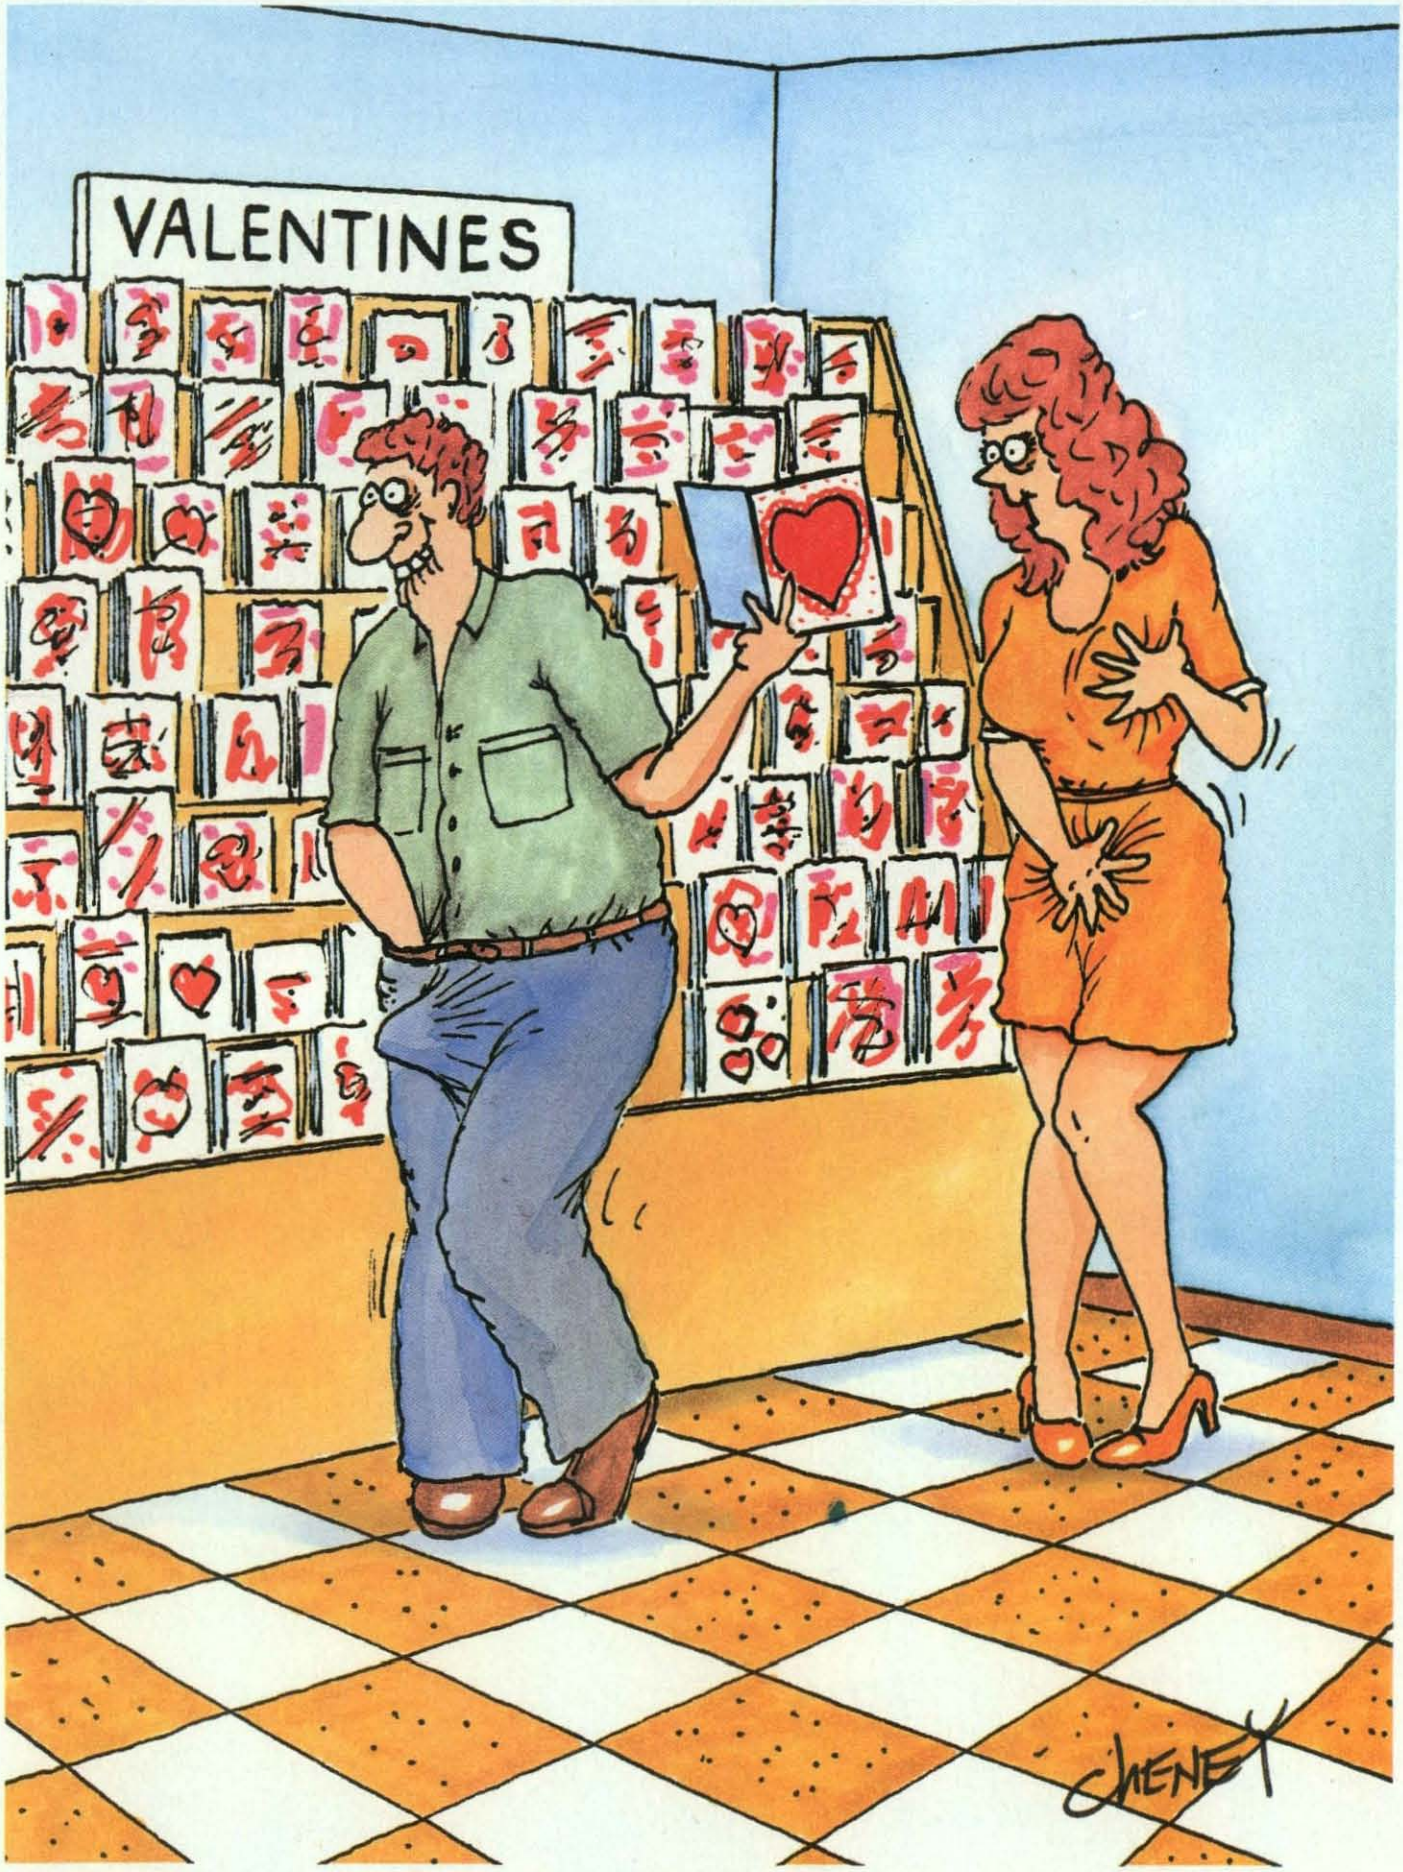

Police in San Jose compiled a photo album of Vietnamese-American men, some of whom have never been arrested, for use in photo lineups for crime victims.

"The pearls are fake," blushes 20-year-old Mari from Brooklyn Heights, New York, roping a strand 'round her tit. "But they're the only jewelry we've got."
"Playing dress-up ain't easy when you're working girls," says 19-year-old Nichelle. She slides her palm along Mari's silky, sable muff and smiles proudly.

After the gang had left, her grandmother was still on the phone, "trying to make the 911 operator understand we were being robbed."

nia, support Suh's claim that Asian gangs are traveling outside refugee communities. In one incident, four Viet Ching invaded the home of University of the Pacific students, tied them up and ransacked the home. Three of the Viet Ching stayed in the residence while the other took the students' bank cards and withdrew money. Then they left with a student's car.

In another robbery in June, 1991, five BNG members broke into the home of a non-Asian couple, robbed the family and left with about $300.

But, apart from a few similar cases, the victims of the Asians' methodical "home invasions" are primarily refugee families.

"Right now, Asian gangs seldom rob American houses," says Soheap Vu Doan, a 19-year-old Laotian majoring in sociology at the University of California at Davis. "They think that we don't keep money in the banks; so they come rob us."

Chicago, Illinois: Five BNG members break into the home of Tien Duc Ha. They tie up the family with curtain and extension cords and demand to know where the money and jewelry are hidden. They slit open the family's sofa and chairs as well as stereo speakers. They threaten the youngest son with castration. Finally, Tien's wife tells them where $800 is hidden under a bed.

Failure to Communicate

Most refugee families distrust or understand very little of the American banking system. They keep large amounts of cash and expensive jewelry at home. Additionally, the United States criminal-justice system is a mystery to them.

"Southeast Asian immigrants do not trust the cops," says Suh, "because of experiences in their native countries."

When gang members threaten retaliation, families are easily convinced not to contact authorities. When they do call police, they have difficulty communicating.

"When the Viet Ching broke into my father's house," says Lea Nu Doi, "my grandmother hid in the bedroom, under the bed, and dialed 911." Lea, who came to America as a refugee from Vietnam with her family in 1976, says that after the gang had tortured her father, taken her family's money and left, her grandmother was still on the phone, "trying to make the 911 operator understand we were being robbed." The Viet Ching had stayed in the house for nearly 30 minutes, Lea said.

Adds Tino: "If you don't speak fluent English, American cops don't much give a fuck about you."

Home invasions are increasing at an alarming rate. More than 200 have been reported in California alone. Authorities admit that the attacks are becoming more widespread and more violent.

In Westminster, California, gang members dunk a two-year-old's head in a commode until the mother surrenders $500 in hidden cash. In Mayward, California, victims were shot with a stun gun. Pistol whippings are common, and numerous victims have been killed.

In Stockton, California, from January to mid-July, 1991, 27 families worked up the courage to report being robbed in their homes, more than double the home robberies reported in the same period in 1990.

"That's probably a third of those that actually happened," the *Stockton Record* quoted Stockton police sergeant Tom Gaumer.

More Asian gangs are resorting to home invasion as a means to quick cash. Despite some law-enforcement assurances to the contrary, violence associated with home robberies is increasing, as are attendant rapes and sexual assaults.

Texas: Three Viet Ching teenagers, all armed with handguns, kick in the front door and burst into the Dallas home of a Vietnamese family. They force the family onto the dining-room floor, tie them up with fishing line and ransack the house.

The three take turns sodomizing the wife. One forces a blow dryer into the vagina of the family's 17-year-old daughter—and turns it on. Four hours later, the thugs leave with $46 and a gold necklace.

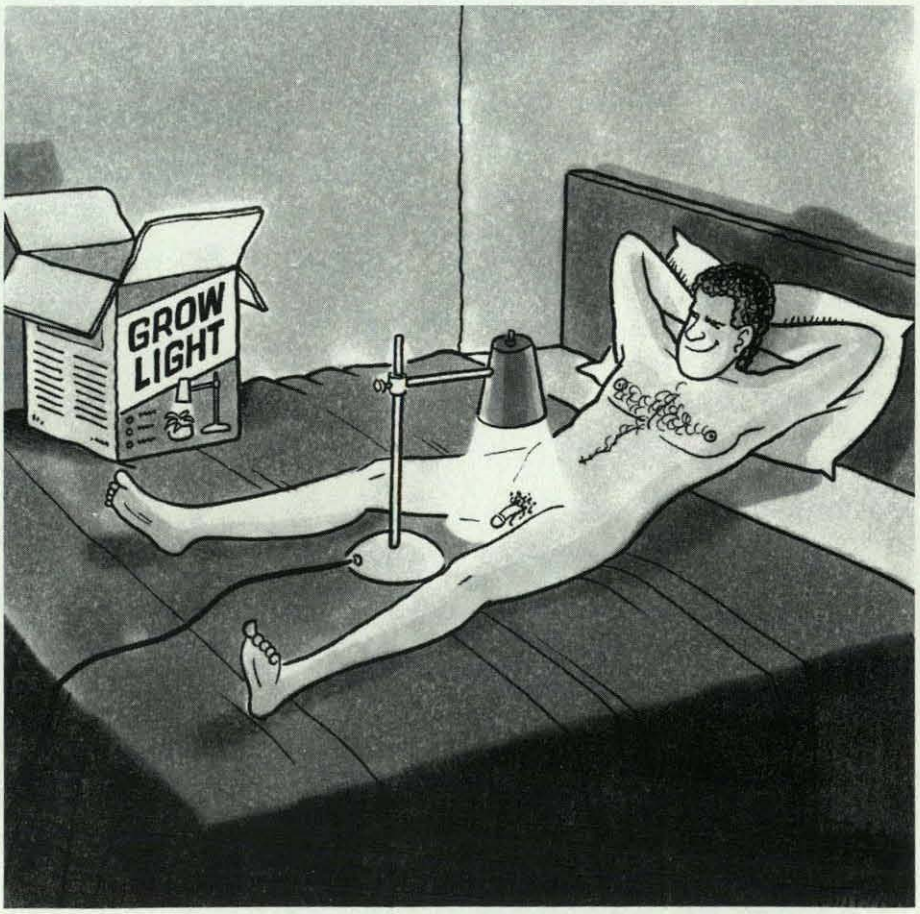

"The police admit that residential robberies are common in Southeast Asian communities," says Suh, "but they claim the robberies usually do not include sexual abuse and serious physical violence."

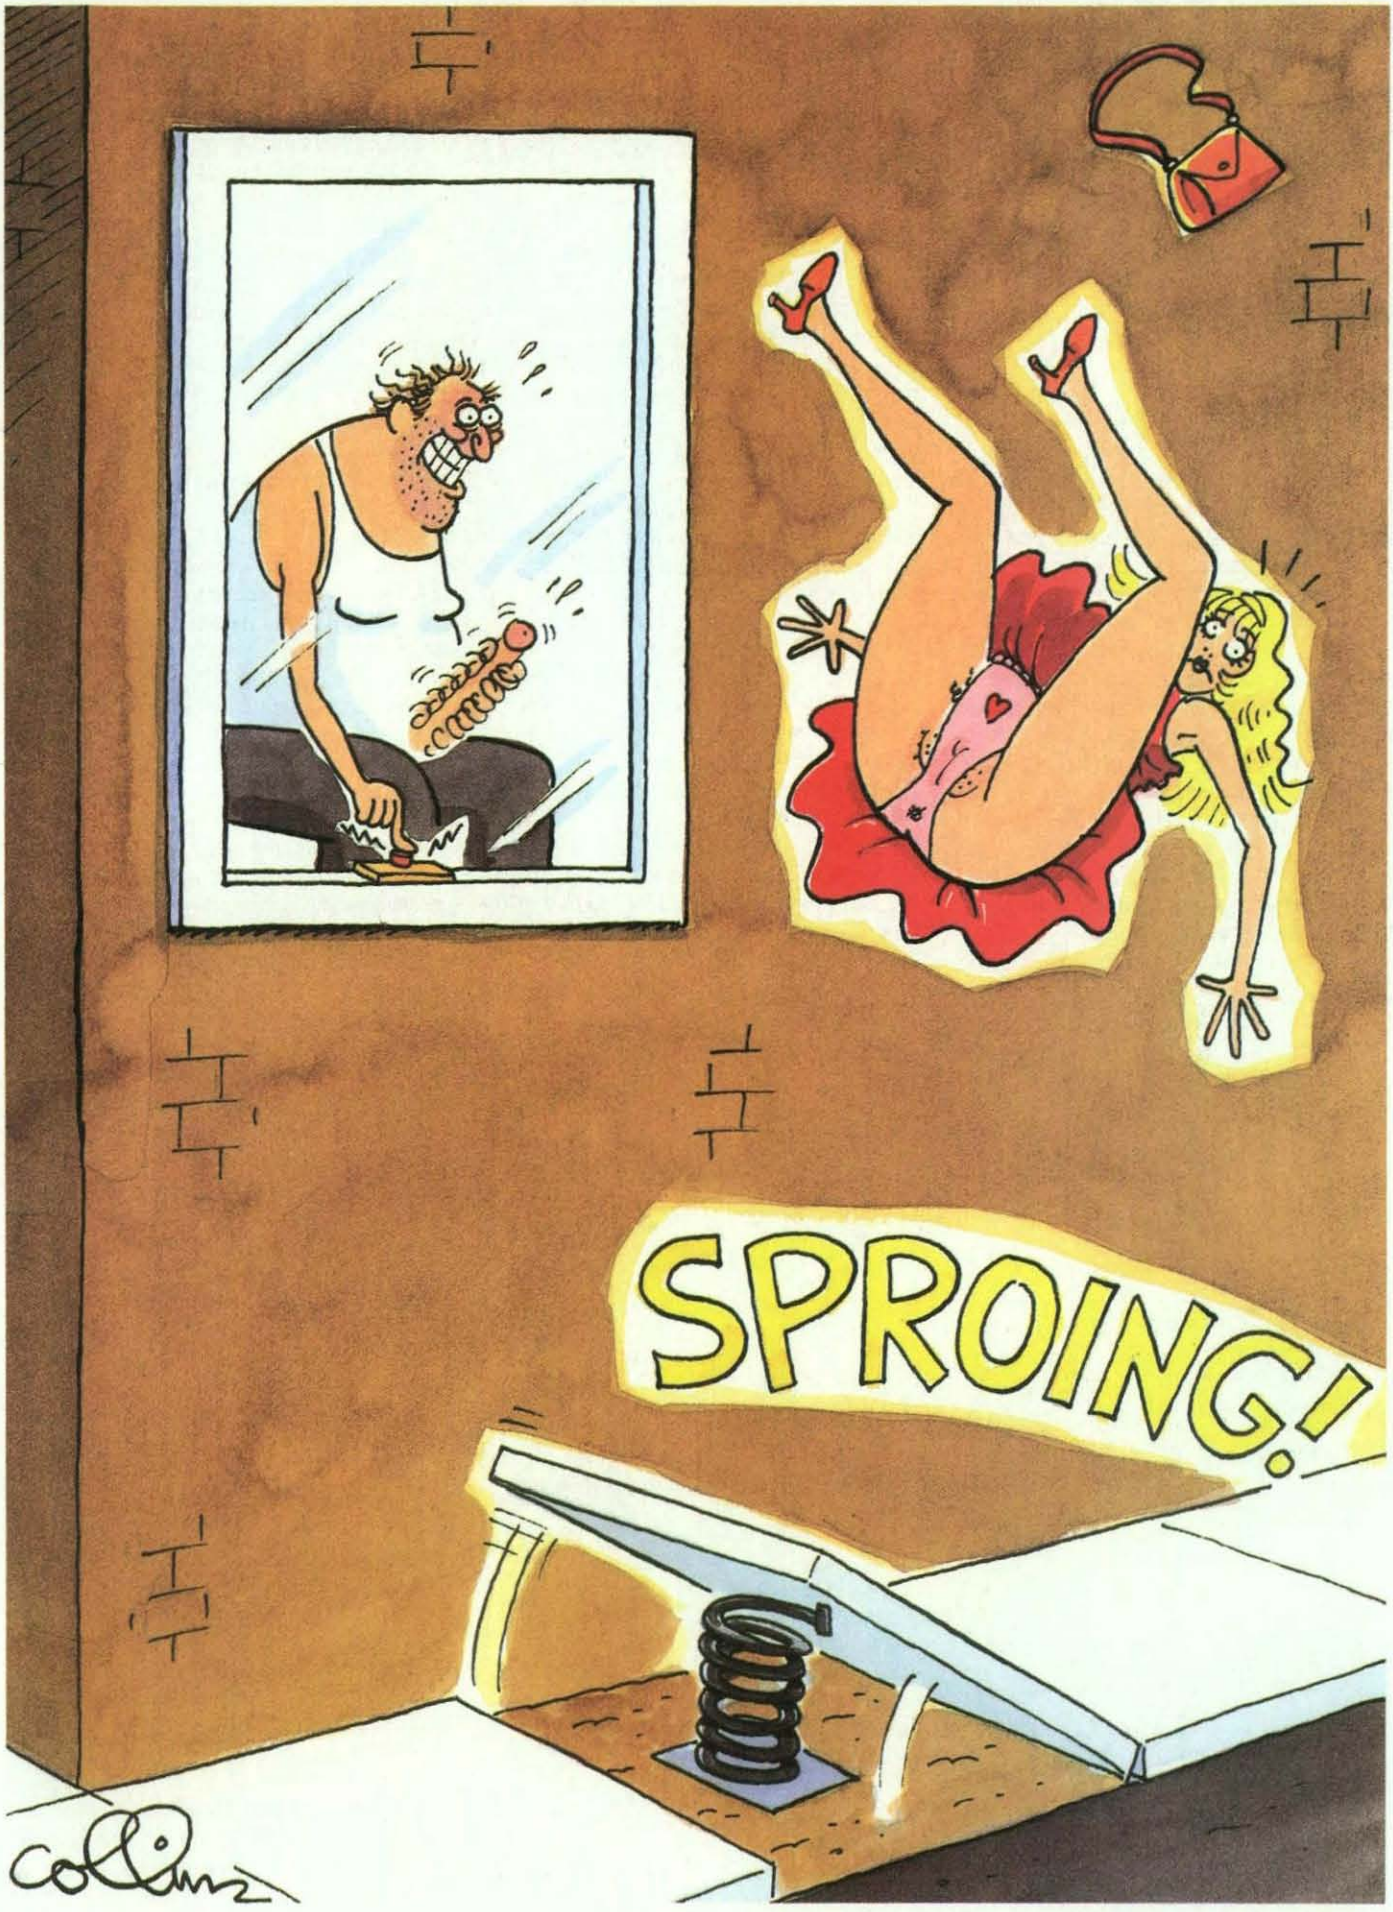

"The police in this country are blind to the physical atrocities committed against us," says Chuan Duc Kuy, one of more than 136,000 Cambodian refugees settled in the United States.

Says Soheap: "When it comes to immigrants in refugee communities, America's police are as evil as the Cambodian police were under Pol Pot." (From 1975 to 1979, more than 1 million of Cambodia's 7 million people died or were murdered during the regime of Pol Pot.) "And," she warns, "unless America's police do something to stop the slaughter, the BNG's, Viet Ching's and other Asian gangs' terrorism will spill over into non-Asian communities."

Chicago: Police launch an investigation into the BNG's alleged extortion and robbery of seven non-Asian businesses.

The investigation begins after seven differ-

"As far as physical torture goes—beatings, drownings, shocks—anything is acceptable to Asian gangs," says former BNG member Tino.

ent businessmen claim that gangs of Filipino youths gather in front of their stores while a gang spokesman enters the business and demands a payoff to avoid harm.

This, and similar crimes, suggests that Asian gang activity has already spilled over into non-Asian communities.

Torture and Intimidation

Rootless, leaderless and often homeless, like their parents fleeing the war a generation before them, Asian gang members are masters of intimidation tactics. The tortures most favored by Asian gangs were identified in a five-part special series aired on KSBW-TV in Sacramento:

* Dousing adults and children with a flammable liquid and threatening to ignite it.

* Stripping female victims and forcing them to sit in a tub of scalding water.

* Pouring boiling water on the bare legs of male victims.

* Forcing a blow dryer into the mouth or vagina of female victims, turning it on, and keeping it inside for as long as five minutes.

* Dripping hot plastic onto the penis and testicles of male victims.

"As far as physical torture goes—beatings, drownings, shocks—anything and everything is acceptable to Asian gangs," says former BNG member Tino. "Whatever it takes to compel the victims to give up their cash and valuables is encouraged."

"It got too scary and ugly for me," claims Ruel Fuentecilla, a former San Francisco BNG gang member. "I began to scare myself with the things we used to do. We became monsters that turned on ourselves occasionally. I got out of the gang before I killed someone or before the gang killed me." Ruel is now a business professional in the San Francisco Bay area.

Dangerous Development

Difficult days have dawned on flourishing Asian business districts across the country.

"After several years of prosperity," says Thien N. Cao, a refugee who is now a Sacramento social worker, "Asian business has taken a dramatic turn for the worse."

Cao and other Asian-Americans attribute the downturn to a number of factors, including the general economic recession and the failure of many Asian-owned businesses to "mainstream" by catering to non-Asians. The most damaging development, however, according to Cao, has been the rise of gang activities in Asian business districts.

"The gangs are attacking both the home and the workplace," says Suh. "In the workplace they intimidate owners and their customers."

Long Beach, California: The owner of a Cambodian restaurant, Tommy Nou, claims his business has dropped by 60% because of his customers' fears of gang violence. Nou's restaurant is located in Little Phnom Penh, the Cambodian business district in Long Beach.

Law-enforcement experts estimate that as many as half of the owners of Asian businesses have been the victims of extortion at one time or another.

"The gangs prey on Asian business owners," says Tino, "for the same reason they prey on [Asian] homeowners. Such victims, many of whom survived Pol Pot, generally are afraid to report the crimes to police."

"I wouldn't blame the business owners for not reporting crimes to the police," says Fuentecilla. "They're in fear for their lives and their families' lives. What's worse—to pay a little extortion money, or to be murdered after snitching to the cops?"

In addition to undermining community morale, gang violence has scared away customers in droves. Still, their distrust of police, coupled with the ever-present threat of retaliation, prevents Asian business owners from reporting gang extortion.

"The cops take a report, and nothing happens," says Soheap. "They can't protect us." Attacks by Asian gangs go unprosecuted—time and time again:

* In Long Beach, a Cambodian robbery victim drops charges against Asian gang members after someone spray-paints PIGEON on the wall of his house.

* A Vietnamese youth in Arlington, Virginia, recants his statements to police about being attacked with a machete after some "friends" of the accused "persuade" him that nothing good will come from the prosecution.

"It's open season on us," says Chuan Duc Kuy.

No Rules, No Values, No Pity

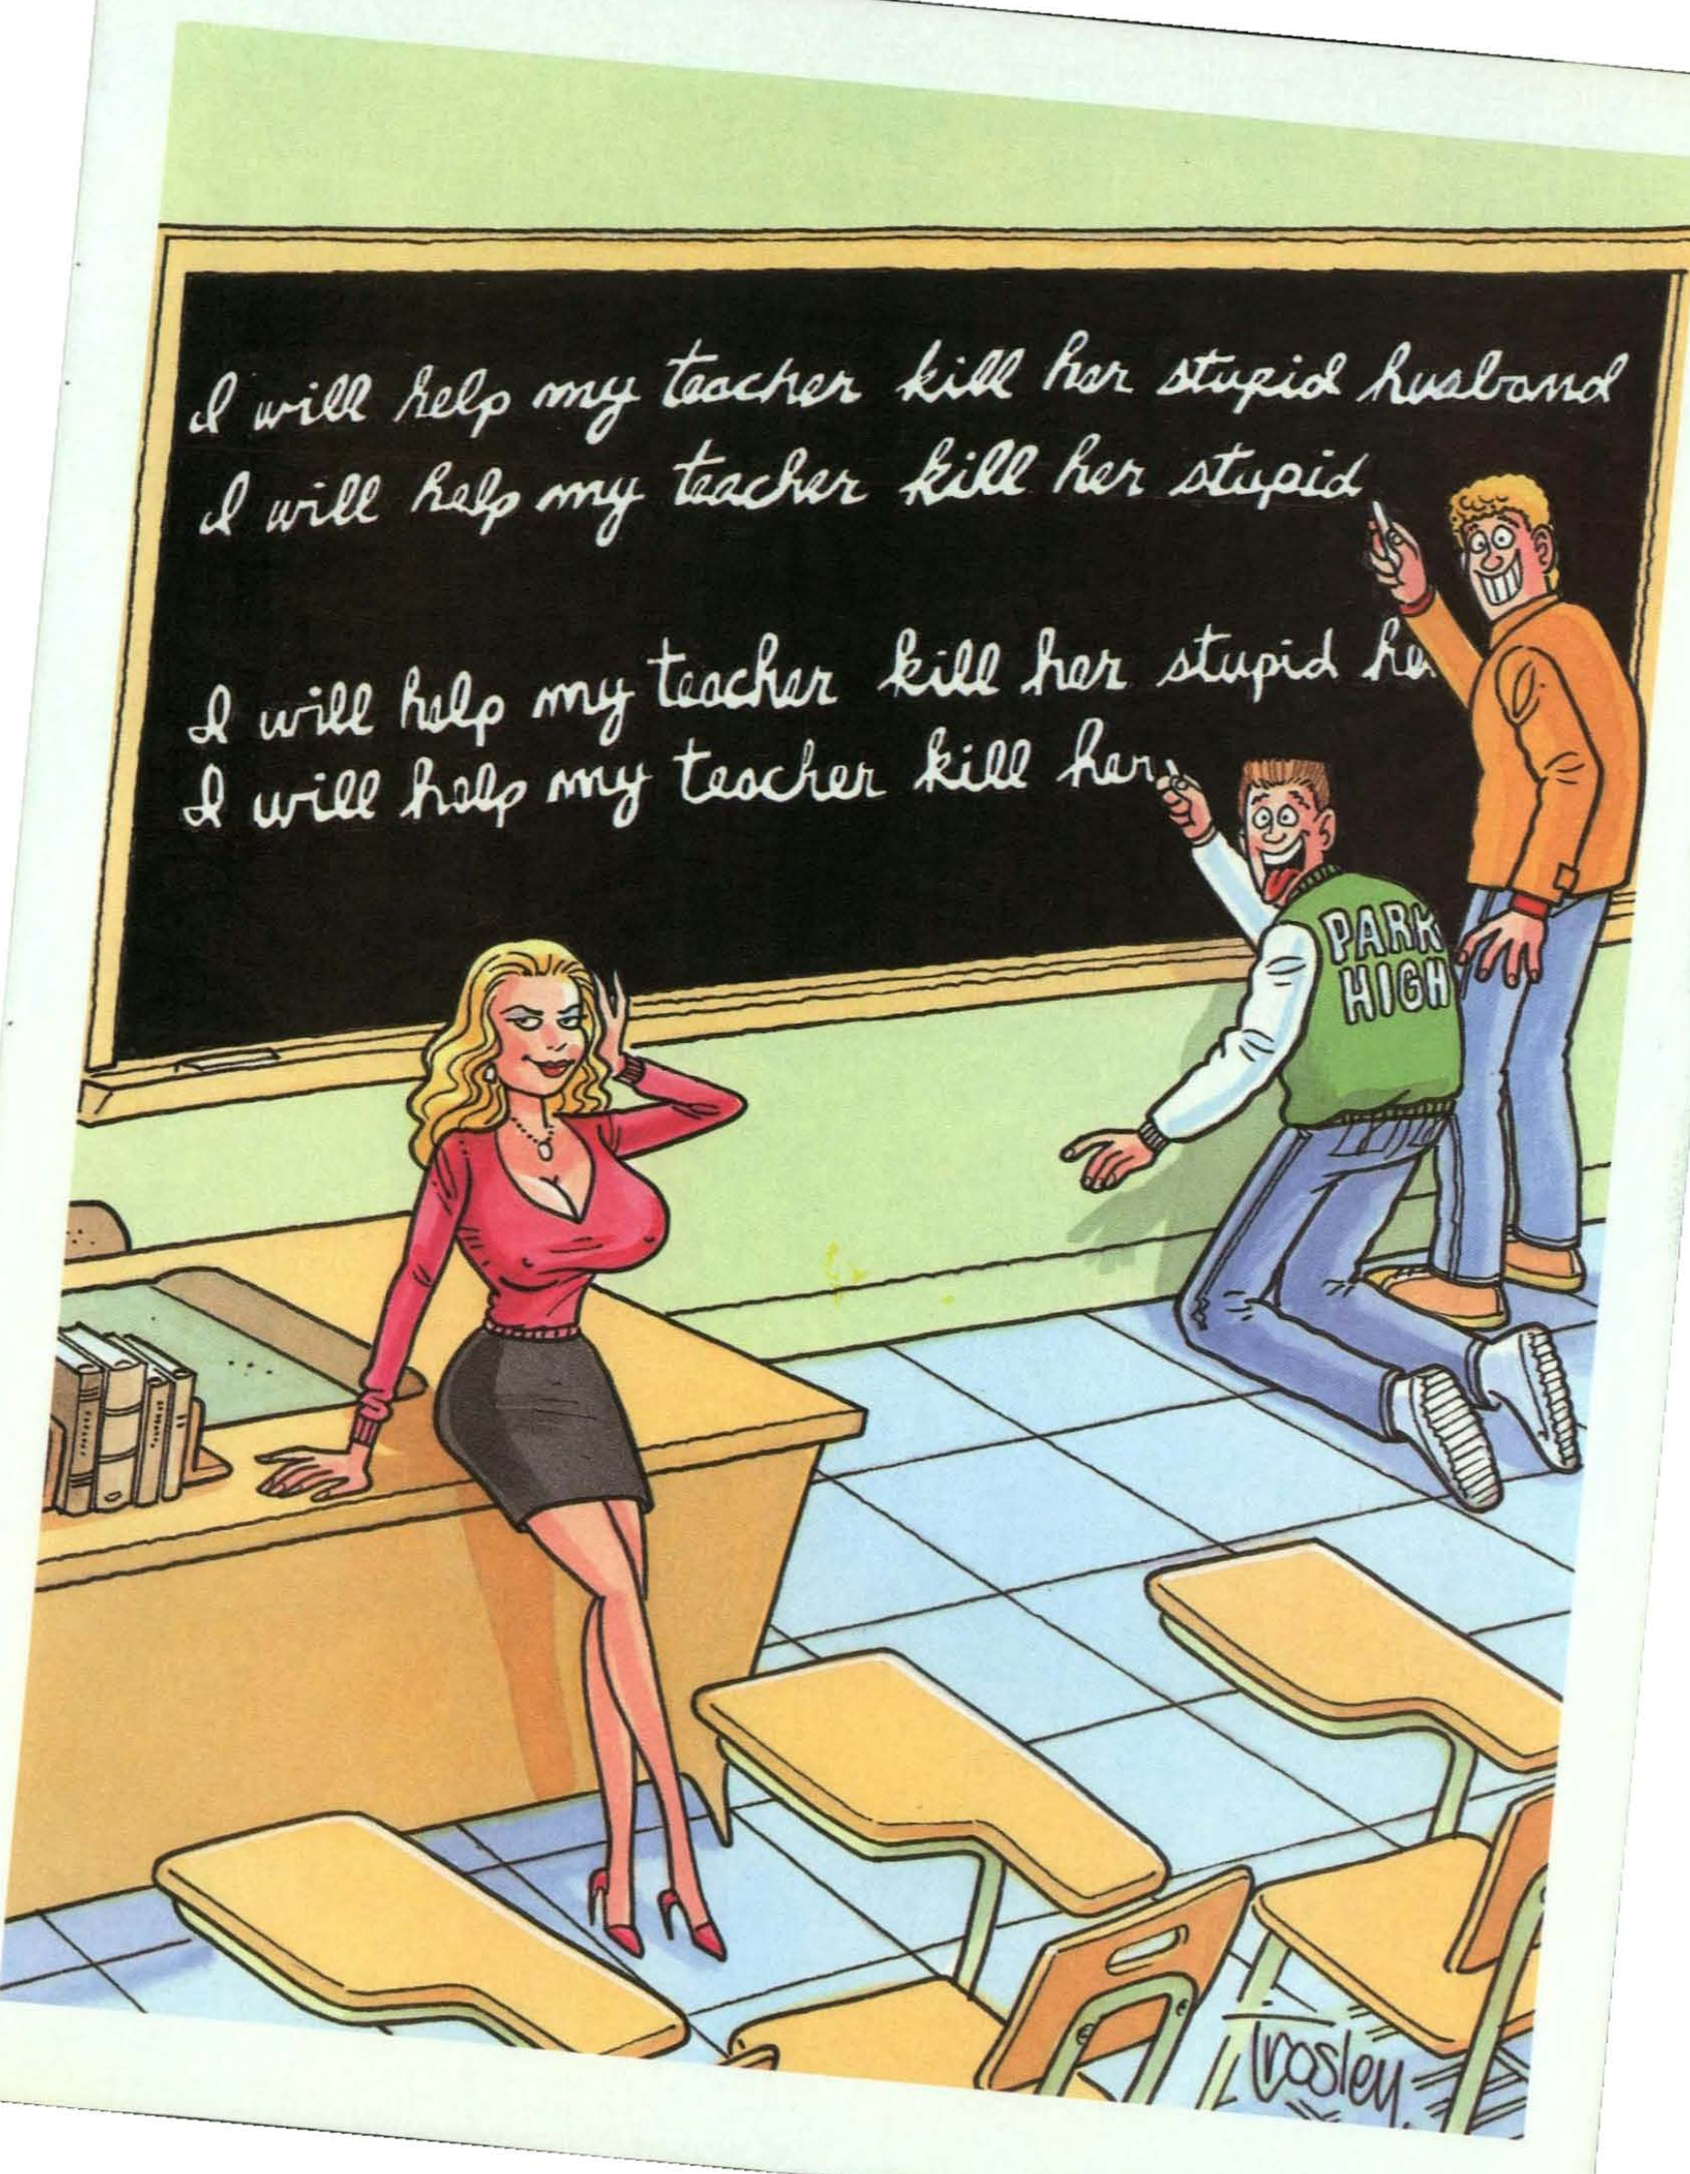

Most Asian gang members are victims of war. They come to America without any guidance, without any help, and with the stigma of being the *bui doi*—"dust of life."

"The alienation that leads members of other ethnic groups into gang membership," says Thien Cao, "is heightened for Southeast Asians by the difficulty of adjusting to American society and by a childhood shaped by war."

The gangs depart from classic patterns. Their memberships are small and unstruc-

TRUCK SLOP

Randolph spotted a whore. She looked okay—like a chick you'd pick up at a concert and fuck in the parking lot but wouldn't take home.

Every day hundreds of speed-addled, saddle-sore big riggers drag ass across the midwestern plains, blazing deserts and the muddy Colorado River until they hit the brakes out in California, just west of San Berdoo. They want gas; they want food; they want pussy.

Before venturing to L.A.—and the end of the line—truckers park their steel wards and unload their personal cargo. One hundred years ago, bar-prowling babes lured bruised-ass cowboys with taffeta gowns, garters and stockings. The modern versions of these early juice receptacles are more likely to be wearing a ripped Guns N' Roses T-shirt and jeans.

The gigantic Unocal on Interstate 10 is an oasis of self-serve pussy after a desert dryer than a granny's pooter. Balls wedged between greasy thighs and a-bouncin' on air-cushioned seats for 1,000 miles, asphalt cowboys promise a come-time of less than five minutes. Low-rent working girls from the eastern edge of the L.A. metropolis flock to truck dives, sucking the money and cum out of long-haul drivers, fucking for $20.

Foraging in the promised land of low-budget flesh is Cheezboy, a Kokomo, Indiana, transplant. Cheezboy can be found wherever the words *bargain* and *fuck* are used in the same sentence. Acting on a tip from an acquaintance familiar with the easy pickings that lie to the east, he began his quest for cut-rate trim.

Mark, a short-haul trucker and friend, hooked him up with his uncle Randolph. Randolph worked for a trucking company and had 24-hour access to their prize big rig—a fire-engine red, long-nosed Peterbilt with a roomy sleeper.

After a 12-pack and a half hour of shameless begging, Mark and Cheezboy had their chariot and driver for an evening of sin.

* * *

We went out to Chino to meet Randolph at the truck yard. His truck was the most beautiful Peterbilt I ever saw. The sleeper was huge. The bed was a little wider than a twin and just as long. And the truck didn't stink. It was really clean. It had two little purple lights on the top corners of the windshield. That's what we used to signal chicks over to the trucks. Since you meet them over the CB, you have to let them know which truck you're in.

On the way out, we listened to the CB. Horny truckers were calling for *lot lizards,* which they called "commercial property," speed and other drugs. The hookers were on the air, asking if anyone was looking for a date.

We pulled in at a truck stop across Interstate 10 from the big Unocal. Although it was named the Beacon, everyone called it the Bingo because it's a black truck stop. There were plenty of black drivers, but not much action. These fucking truckers—they hate black people. I couldn't believe that truck stops were segregated. Racism spreads to the lizards too. Even though there were plenty of prospective johns, mostly black, we couldn't find any girls. There weren't any black hookers either. A little later, I happened to ask one driver about Mack trucks. He said, "Let me tell ya—driving one's like fuckin' a nigger. Everybody's done it, but no one'd admit to it." Under the circumstances, it wasn't very funny.

All the guys on the CB were calling for one chick, Short Shit. We gave her a shot but didn't hear from her; so we went over to the 76. The bigger truck stops don't let the chicks in. They stand out front on a yellow line that divides the rest of the station from where the trucks park. Inside they've got showers and shitters for the drivers and big screen TVs in the lounge. It's like a giant YMCA for fat-bellied rednecks. We cruised the yellow line, window-shopping the merchandise. Nothing really grabbed me—it all looked like damaged goods. I took a couple slugs of Kessler from the flask. They still looked ugly.

Pickings at the Ontario stops were slim; so Randolph pulled onto Valley Boulevard and took it up to Cherry Street in Fontana. The truckers call it Fontucky, because it's full of hicks. It's not far from L.A., but it's more backward and inbred-looking than Kokomo, where I grew up. They also call it Felony Flats, because it's where the thugs live.

Randolph spotted a likely looking whore climbing out of a van. I approached her. She looked okay—like a chick you'd pick up at a concert and fuck in the parking lot but wouldn't take home. She was a little hefty. I accepted that because she had huge tits.

She said her name was Notorious. I didn't realize it until after I fucked her, but she was scratching a lot. I found out later that she was fresh out of jail. She'd been locked up a couple months for possession. And because she couldn't get her hands on any balloons, she turned into one. One of the truck drivers told me, "Once they get outa jail, they be out here for a while doin' the dope and not eatin', and they be lookin' real fine."

* * *

The Unocal remains the Big Boy of self-serve snatch. Lot lizards and the 76 station have been the subject of tabloid TV stories. Ontario cops are well aware of the burgeoning pussy trade. A narcotics officer (whose department handles prostitution), asked about the Unocal, chortles, "That's a good place to go!"

For drugs, hookers or a hamburger?

(continued on page 78)

"But enough about me...."

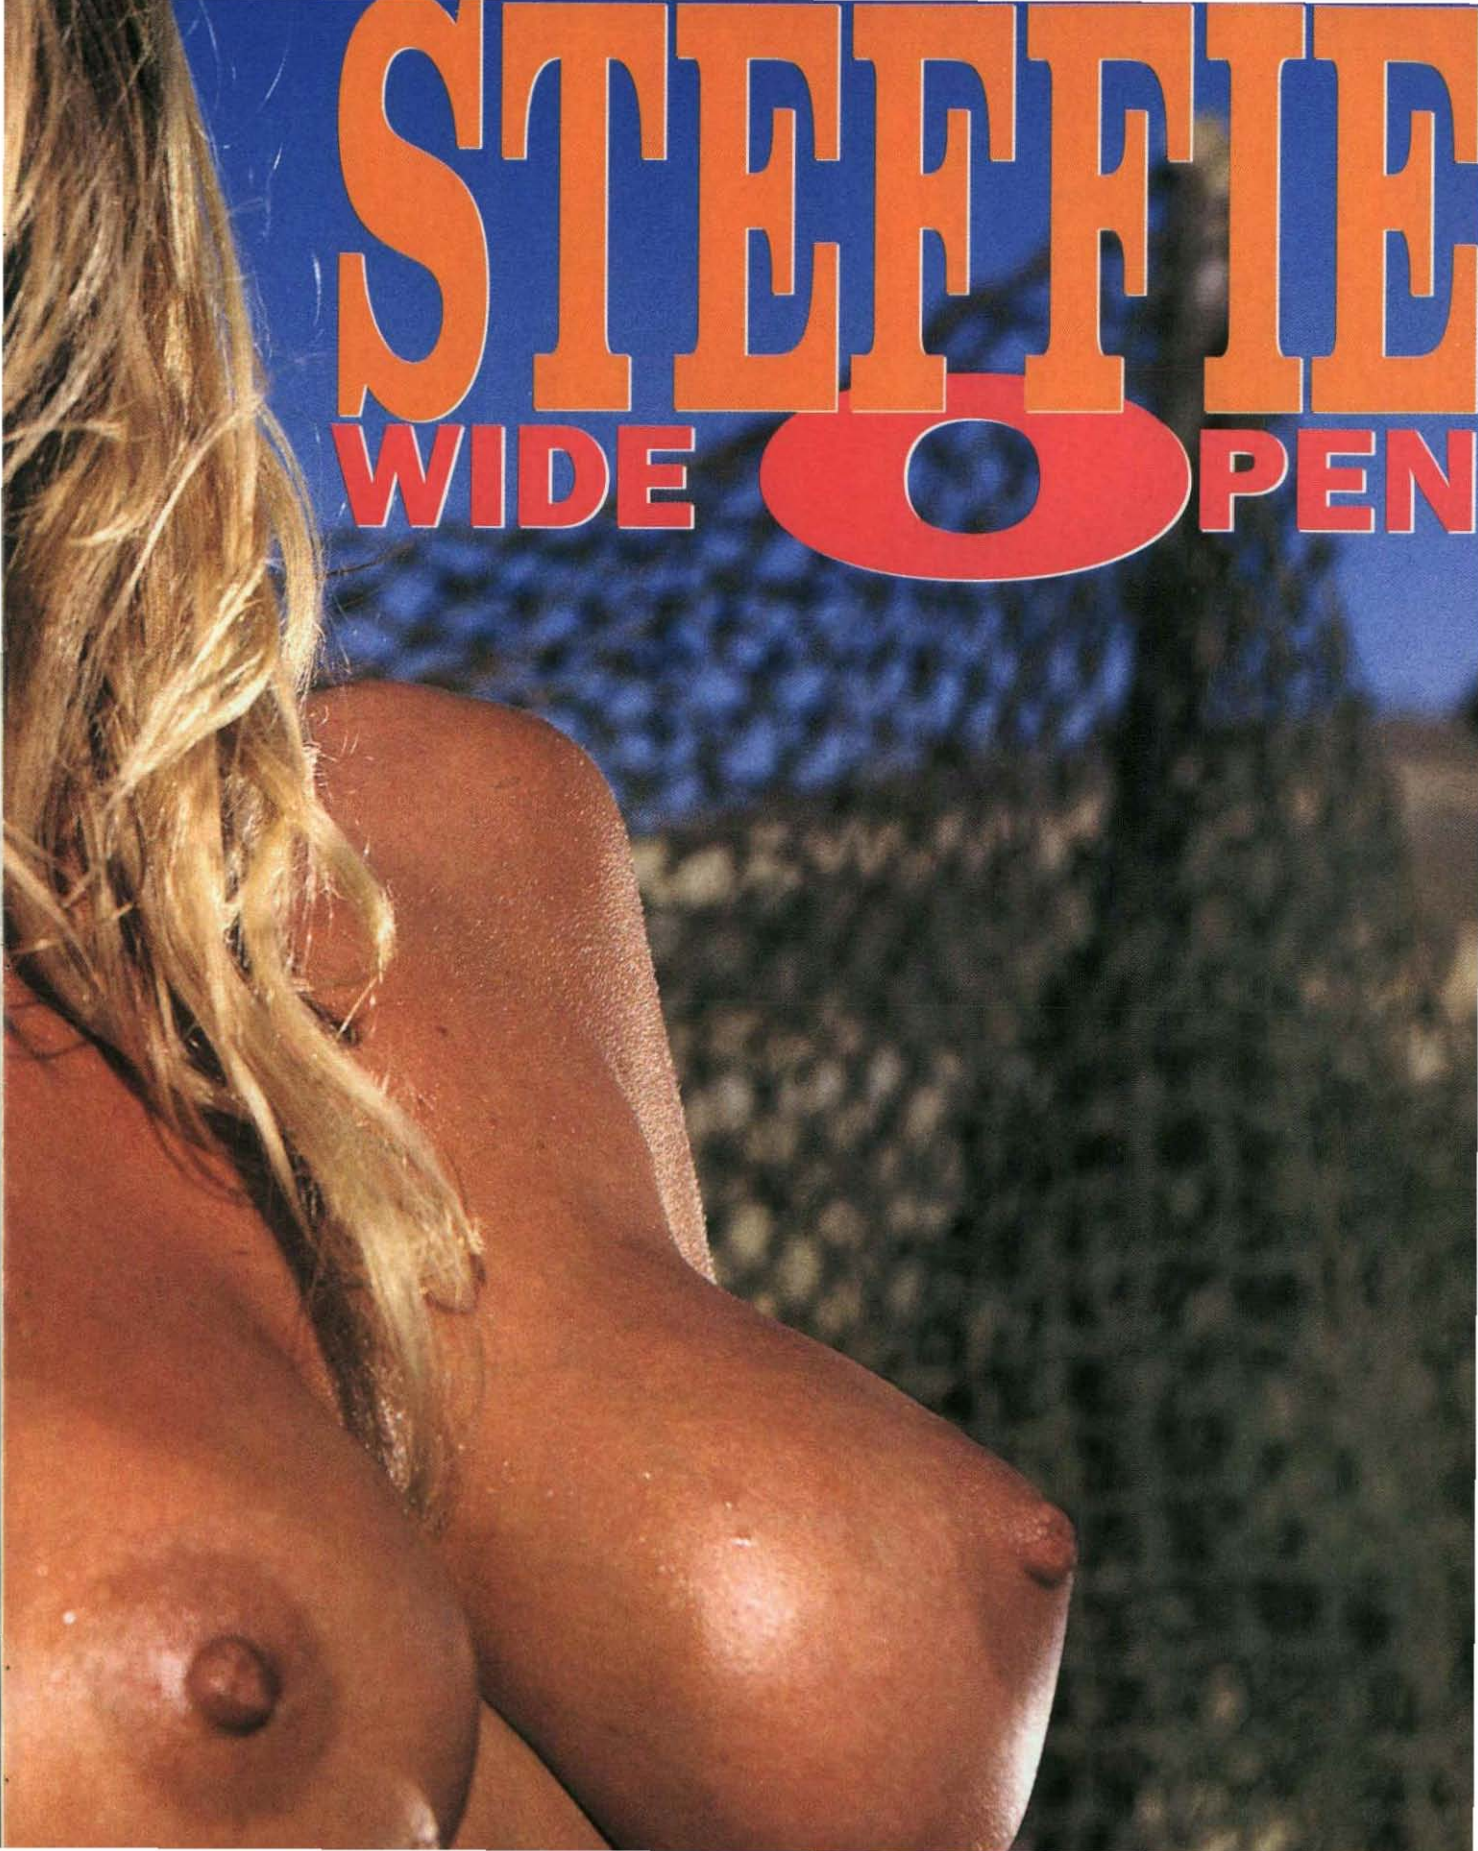

"Tr-Tracey, d-d-do you j-j-just d-date m-m-me be-be-because I'm a-a-an ep-epi-epileptic?"

Tempe, Arizona, cowgirl Steffie is a 20-year-old wild-horse wrangler with a stable full of blue ribbons, but she'd trade 'em in a moment for a frilly, white canopy bed. "I like the soft, dainty kinds of things all girls do," the inveterate tomboy frowns, spreading her legs in a full-body stretch. "The problem is, I like the outdoors too! I'd need a bed the size of Arizona to really feel at home!"

STEFFIE
WIDE OPEN

TRUCK SLOP (continued from page 68)

I touched her pussy in mid-plow to see if there was any stank. It wasn't bad. Her cunt was cushy. Plus, I was having a ball with her fat boobs.

"Prostitutes! There're a lot there. It's a priority with the city [to control prostitution]. When we have the manpower, we go through there on two- or three-day sweeps. It's a problem with any truck stop."

* * *

So I asked her, "How much is it? How much do you charge?"

She said it depended on what I wanted. So I asked what a straight fuck would cost. She said $40. That's a good price.

But I said, "Forty bucks? Jeez, whaddaya do for less?" She tells me I get what I pay for. I thought, *Okay, she'll give me half a fuck and make me pull out, or she'll blow me and drag her teeth.*

"How about $20?" I asked.

She said that's just a straight fuck. I'm still not sure what $40 would get me, but I fucked her for $20.

She was wearing a Harley T-shirt with the sleeves cut off, K-Mart styled tennies and jeans. She didn't have a bra on, but she was wearing cotton granny panties. Wisps of her heavy, dark bush poked out the sides of the reinforced crotch. Unlike the dirty, old whores in Hollywood, Notorious took it all off. I grabbed one of her plump nipples and marveled at her wide, pink areolas. It was time to fuck.

We jumped on the bed. The sheets were clean and fresh-smelling. She pulled out a rubber—the kind that comes out of the coin-operated machines in the bathrooms. They have the thickness of a Playtex glove and aren't lubricated. I pulled out a deluxe model with lube that I had bought earlier at Thrifty.

She laid back and pulled her legs up. She looked kind of like a praying mantis. I pumped on her, getting all the mileage I could out of my $20, fancy rubber and truck's sleeper.

While I was doing her, I nuzzled her neck, and she smelled really good. Of course, I didn't kiss her, but I gave her a good whiff, and her hair smelled clean. Watching her big tits wiggling around made me feel brave; so I touched her pussy in mid-plow just to see if there was any stank. It wasn't bad. Her cunt was nice and cushy. Plus, I was having a ball with her fat boobs. Like I said, I touched her pussy and it didn't smell. So I came.

After I paid Notorious and sent her on her way, I met up with my tour guides. They said, "Hey, come over here and meet this guy." His name was Southern Fried Bear. He hangs around the truck stops and helps people unload the trucks and does little errands. He'd been sleeping in the dirt and looked like a wino. He said if I bought him a piece of pie, he would get me the finest hooker around. For a piece of pie, I couldn't go wrong. I went into the restaurant and bought Mr. Bear a chocolate-pudding pie with whipped cream on it. It looked like something Bill Cosby would try to sell.

I'd been hearing guys calling for Short Shit all night, and she didn't come back at all. After he finished his pie, Bear got on the CB and called her out. Within seconds, she came on. He told her he had some people for her to meet. She showed up after a few minutes, and I couldn't believe my eyes. She had nice, fake tits and was totally skinny. Perfect ass. She was the deluxe model. A hundred bucks a whack. That was radically expensive for a lot lizard, but if you're hungry for steak, you don't buy a Big Mac.

I talked to her for a while, to see if I could jew her down. I told her that I'd come fast and that my cock was tiny, but she gave no discounts. Since she's the hottest twat around, these truckers fuck her and fall in love. She doesn't have to bargain. They even take her on the road. They say, "Hey, why don't you come with me to Phoenix?" or wherever.

Once they're on the road, she swindles them. "Oh, you know, I need a new pair of boots. My boots are old."

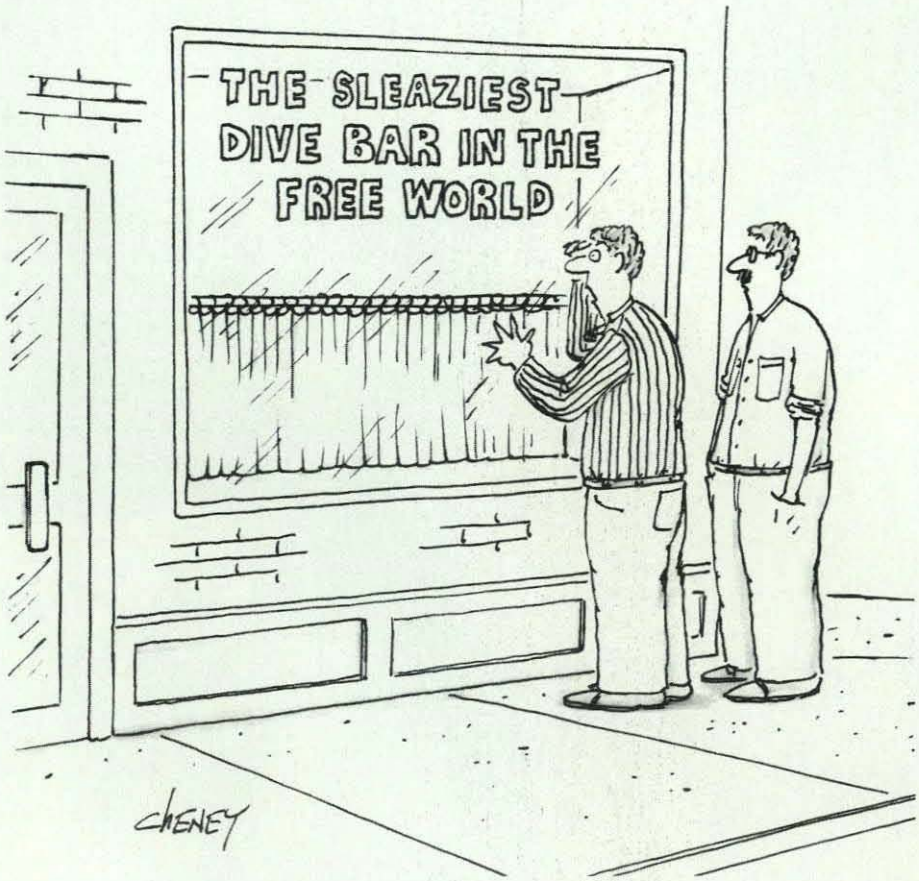

So they go, "Okay, baby. Take this credit card. Go in and get yourself a new pair of boots." She showed me the purple lizard-skin boots she had on. Really nice. A guy sent her in with a credit card to get a $59 pair of Acme boots, and she came out with the deluxe purple Tony Lama specials. She gave him his credit card without showing him the boots. At the end of the month, the guy's wife's gonna get the bill and wonder why he spent $450 on a pair of purple cowboy boots.

I asked her if she was a model, trying again to butter her up. She said no, but something about her made me think she was a stripper. The more she talked about bilking truckers, the less I liked her. Finally, I pulled out a business card for my band, Shakin' House. I told her we were shooting a video and needed models who could dance. She didn't believe me, but I'm a good liar and finally convinced her that she would be the featured piece of ass in my vid if she let me sample her poon preproduction.

I hate to part with cash; so when she gave in and climbed into the sleeper, I felt like I'd already blown my load.

My cock was harder than the jake-brake handle. Her purple boots hit the floor, followed by her canary-yellow half shirt. Her tits were huge and round. I stared at her jugs and tanned, hard stomach. She sat on the edge of the bed and peeled off her stone-washed jeans, revealing a sweet-looking patch of cunt.

My clothes were wadded up on the floor. I

"Gosh...why do you suppose the place is packed?"

"It's okay — I only kill for food...."

TRUCK SLOP

She leaned back and spread her legs. I almost went down on her. I'm not overly moral, but I have one tiny rule: I try not to eat out hookers.

popped out a designer rubber and slipped it over my pink bone. She leaned back and spread her legs. I almost went down on her. I'm not overly moral, but I have one tiny rule: I try not to eat out hookers.

I looked at her face. She was very pretty, looking a bit like Ann Jillian—except with giant fucking tits. She told me she was 22, but she could have been lying either way. I sidled up on top of her and munched on her nipples. They were sticking straight up, red and thick. I lolled around on top of her for a while, savoring her perfect body under my lard. Finally, I let my cock slip in.

I worked her cunt with everything I could muster. Still, she had an attitude. She thought she was really hot shit. I'll admit, she had a perfect little ass. I reached down and honked on her cheeks, then I snuck my hand past her tain't. She was really moist. I didn't want to know if it was pussy cream or trucker bilge, but it put glide in my ride.

I tried to get her over and slam her from behind, but I don't think she trusted me behind her. Short Shit was less game than I had hoped; so I pressed my middle finger against the bottom of my dick. It makes me come harder. She sensed that I was almost there and started faking the moan.

Short Shit's pussy slid smooth and tight along my cock. Even though her demeanor was about as appealing as rotted fruit, her cunt was the best I'd ever felt. To end our little affair on an up note, I wanted to pull my rubber off and spritz her mug with my scum right at the moment of truth, but I was a little slow.

I latched onto her tits like a gorilla with two coconuts and came, drooling and grunting. I collapsed on top of her, sweating and breathing hard. As the last few drops of goo dribbled into my cream sack, I whispered raggedly, "Oh, I love you. I love you."

She jerked like I stuck her with a needle. That was pretty cool. Trying hard to fight back the laughter, I decided to go all the way with it. I tried to kiss her on the lips and get lovey-dovey, but she squirmed free and threw her clothes on. Still believing that shit about the video, she gave me her number. I threw it out the window as we left the truck stop.

Since hooker-busting falls upon the narco officers' shoulders, they have a double burden. "I'd say most of 'em are addicts—all the $10 streetwalkers. It's all related to drugs. Just get on a CB, and you'll hear them. Channel 19, I believe, is the most common for them to use. They discuss drugs and prostitution openly. Just ask for a commercial lady. You can pick 'em up in a car. You don't even need to be in a truck," says the officer.

Even though truckers place orders for snatch and dope on CBs, police don't use them for setting up busts. They don't need to. Lot lizards are everywhere. No need to be tricky to find one, and certainly not to nail one. Pussy's cheap on the outskirts of civilization. Ten, 20 bucks—the price of a fix. The bargain bill is a reflection of a lizard's self-worth. With the exception of moonlighting strippers, these ladies aren't looking to get rich, just get by.

If you had a $5 bill in your pocket and were feeling horny, would you buy this magazine, or a blowjob from a junkie or speed freak? On this side of town, at least, the answer is clear.

We cruised up and down Foothill Boulevard until we spotted two chicks on foot. One of them looked like a Navaho princess, like the Land O Lakes butter chick. Except for a few scabs on her neck, she was amazing. She said it was $20 for a straight fuck. Being the Hebe that I am, I tried to get her to punk two of us for $30. While I was haggling, another car pulled up, and she jumped in.

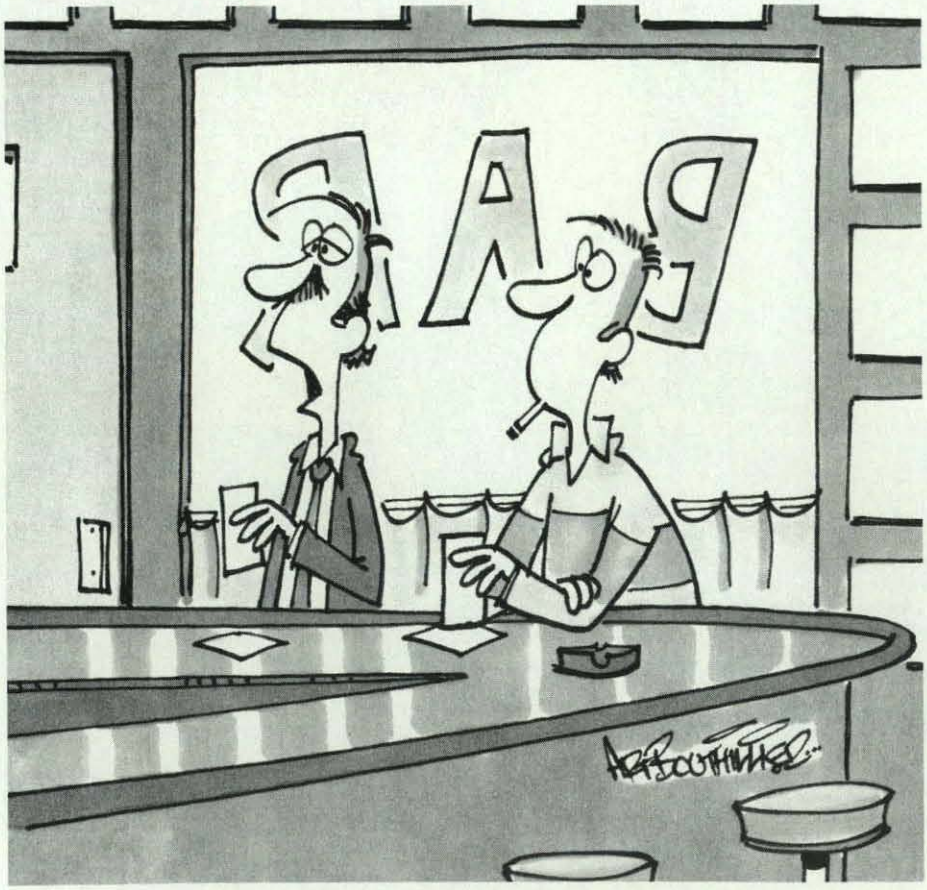

Fontana was looking more disgusting every block, but I thought I could muster one more round of spute. Finally, we spotted a girl walking by. She had long, brown hair and looked semi-healthy. I jumped back into the sleeper and opened the door. She wanted $40. I told her I'd give her $20 for a straight fuck, and I wouldn't dawdle.

She got in. First thing, she wanted to know if she could get high in the truck. I thought she wanted to smoke a joint, but she pulled out her needle and spoon. I told her the driver wouldn't go for it.

She put her rig away and was about to get down to business. I turned on the light—I like to look while I'm fucking. Her hair was greasy, filthy and stringy. She had no shoes, walking through the dirt. It was pathetic. Her face was covered with little, wet scabs. The pint of Kessler gurgled in the pit of my gut.

I said, "You know, I can't do this. There's no way I can fuck you. You have to get out of the truck right now."

She freaked out, ranting and raving. "Your friend is fucked-up!" she screamed. "He's fucking crazy!" Randolph and Mark, in front of the truck, rolled with laughter. Finally, she got out and left. We cruised the Bingo one more time, looking for black hookers. We couldn't find any; so we packed it back to L.A.—end of the line.

"I like marriage. Of course, I liked sex better...."

"I said, 'We're out of toilet paper!' "

Hot or cold, 20-year-old swimsuit model Alicia from Miami Beach, Florida, likes it either way. "It's got to be wet though," she says, slithering a dripping ice ball along her brown thigh. "I can't stand anything dry."

Is she talking about the water in her photo-shoot, or something more personal? The pool's just a backdrop. But the goose bumps are real.

HUSTLER HUMOR

A Russian, a Mexican and a Texan were all sitting on a bridge. The Russian had a bottle of vodka, the Mexican had a bottle of tequila, and the Texan had a beer. All of a sudden, the Russian took one drink and threw the rest of the bottle of vodka over the bridge. The Mexican and Texan asked, "Why did you do that?" The Russian replied, "Over there, we have plenty."

The Mexican then took a drink from his bottle of tequila and threw it over the bridge. Now the Russian and the Texan were curious. They asked him why he did what he did, and he replied, "Oh, we have plenty down there."

Just then the Texan turned up his beer, drank it all down in one swallow, then picked up the Mexican and threw him over the bridge. The Russian, appalled, screamed, "Why'd you do that?"

The Texan turned his head toward the Russian and answered, "We got plenty where I come from."

Question: What is the difference between a brownnose and a shithead?
Answer: Depth perception.

"I've been married three times, and I'm still a virgin," Debbie complained to her new friend. "My first husband was a college professor—he only talked about it. My second husband was a doctor, and all he ever wanted to do was look at it."

"And what about your third husband?" asked her amazed friend.

"He was a gourmet," came the reply.

The HUSTLER Dictionary defines *catcher's mask* as: French chastity belt.

Mrs. Frank came home and found her husband in bed with a lady midget. She started to cry, whimpering, "Two weeks ago you promised me you wouldn't do this anymore."

Mr. Frank looked up sheepishly and said, "Well, dear, you must admit...I *am* tapering off."

A biker went to Las Vegas for the annual Jerry Lewis Telethon, arriving at the studio with two enormous suitcases. "I'm carrying $1 million in cash for Jerry's kids," he declared.

"A million dollars?" asked the astonished producer. "That's a lot of money—let's have a look."

Proudly, the biker opened one of the suitcases, which contained 20,000 $50 bills.

"I've never seen that much cash!" the producer exclaimed. "How'd you raise it?"

"It wasn't easy," replied the biker. "For the past six months, I've been visiting men's public restrooms all across the country. I stand beside them at the urinal and say, 'Ya better give me a hundred bucks for Jerry's kids, or I'll cut your balls off with my Buck knife.' I did this for eight hours a day, and that's how I raised the money."

"That's unbelievable," said the producer. "A million dollars in cash! And what's in the other suitcase?"

"Well," said the biker, "some didn't give...."

Question: What would be the best thing about electing a woman President?
Answer: We wouldn't have to pay her as much.

A woman was discussing her divorce with her lawyer. "Don't you love him anymore?" the attorney asked.

"Oh, I still love him," she replied, "but all he ever wants is sex. I can't take it."

"Instead of divorcing him, why don't you try charging him every time he wants to make love?" the lawyer suggested.

The exhausted wife decided to give the plan a try. As soon as she walked into the house that night, her husband said, "Okay, let's go."

"Not so fast," she said. "I'm going to charge you from now on. Five dollars in the kitchen, ten dollars in the living room, and 25 in the bedroom."

"Well, then, here's 25 bucks," he said, slapping the cash into her hand. The wife began walking to the bedroom.

"Hold on," he said, grabbing her hand. "That'll be five times in the kitchen!"

Vice President Dan Quayle excitedly told his wife, "Can you believe this, dear? I finished this jigsaw puzzle in only four months!"

"Is that a record, honey?" Marilyn asked.

"It must be," said the Vice President. "It says three to five years on the box."

America's most secret shame is that hundreds of POWs abandoned by the U.S. government will never get home alive.

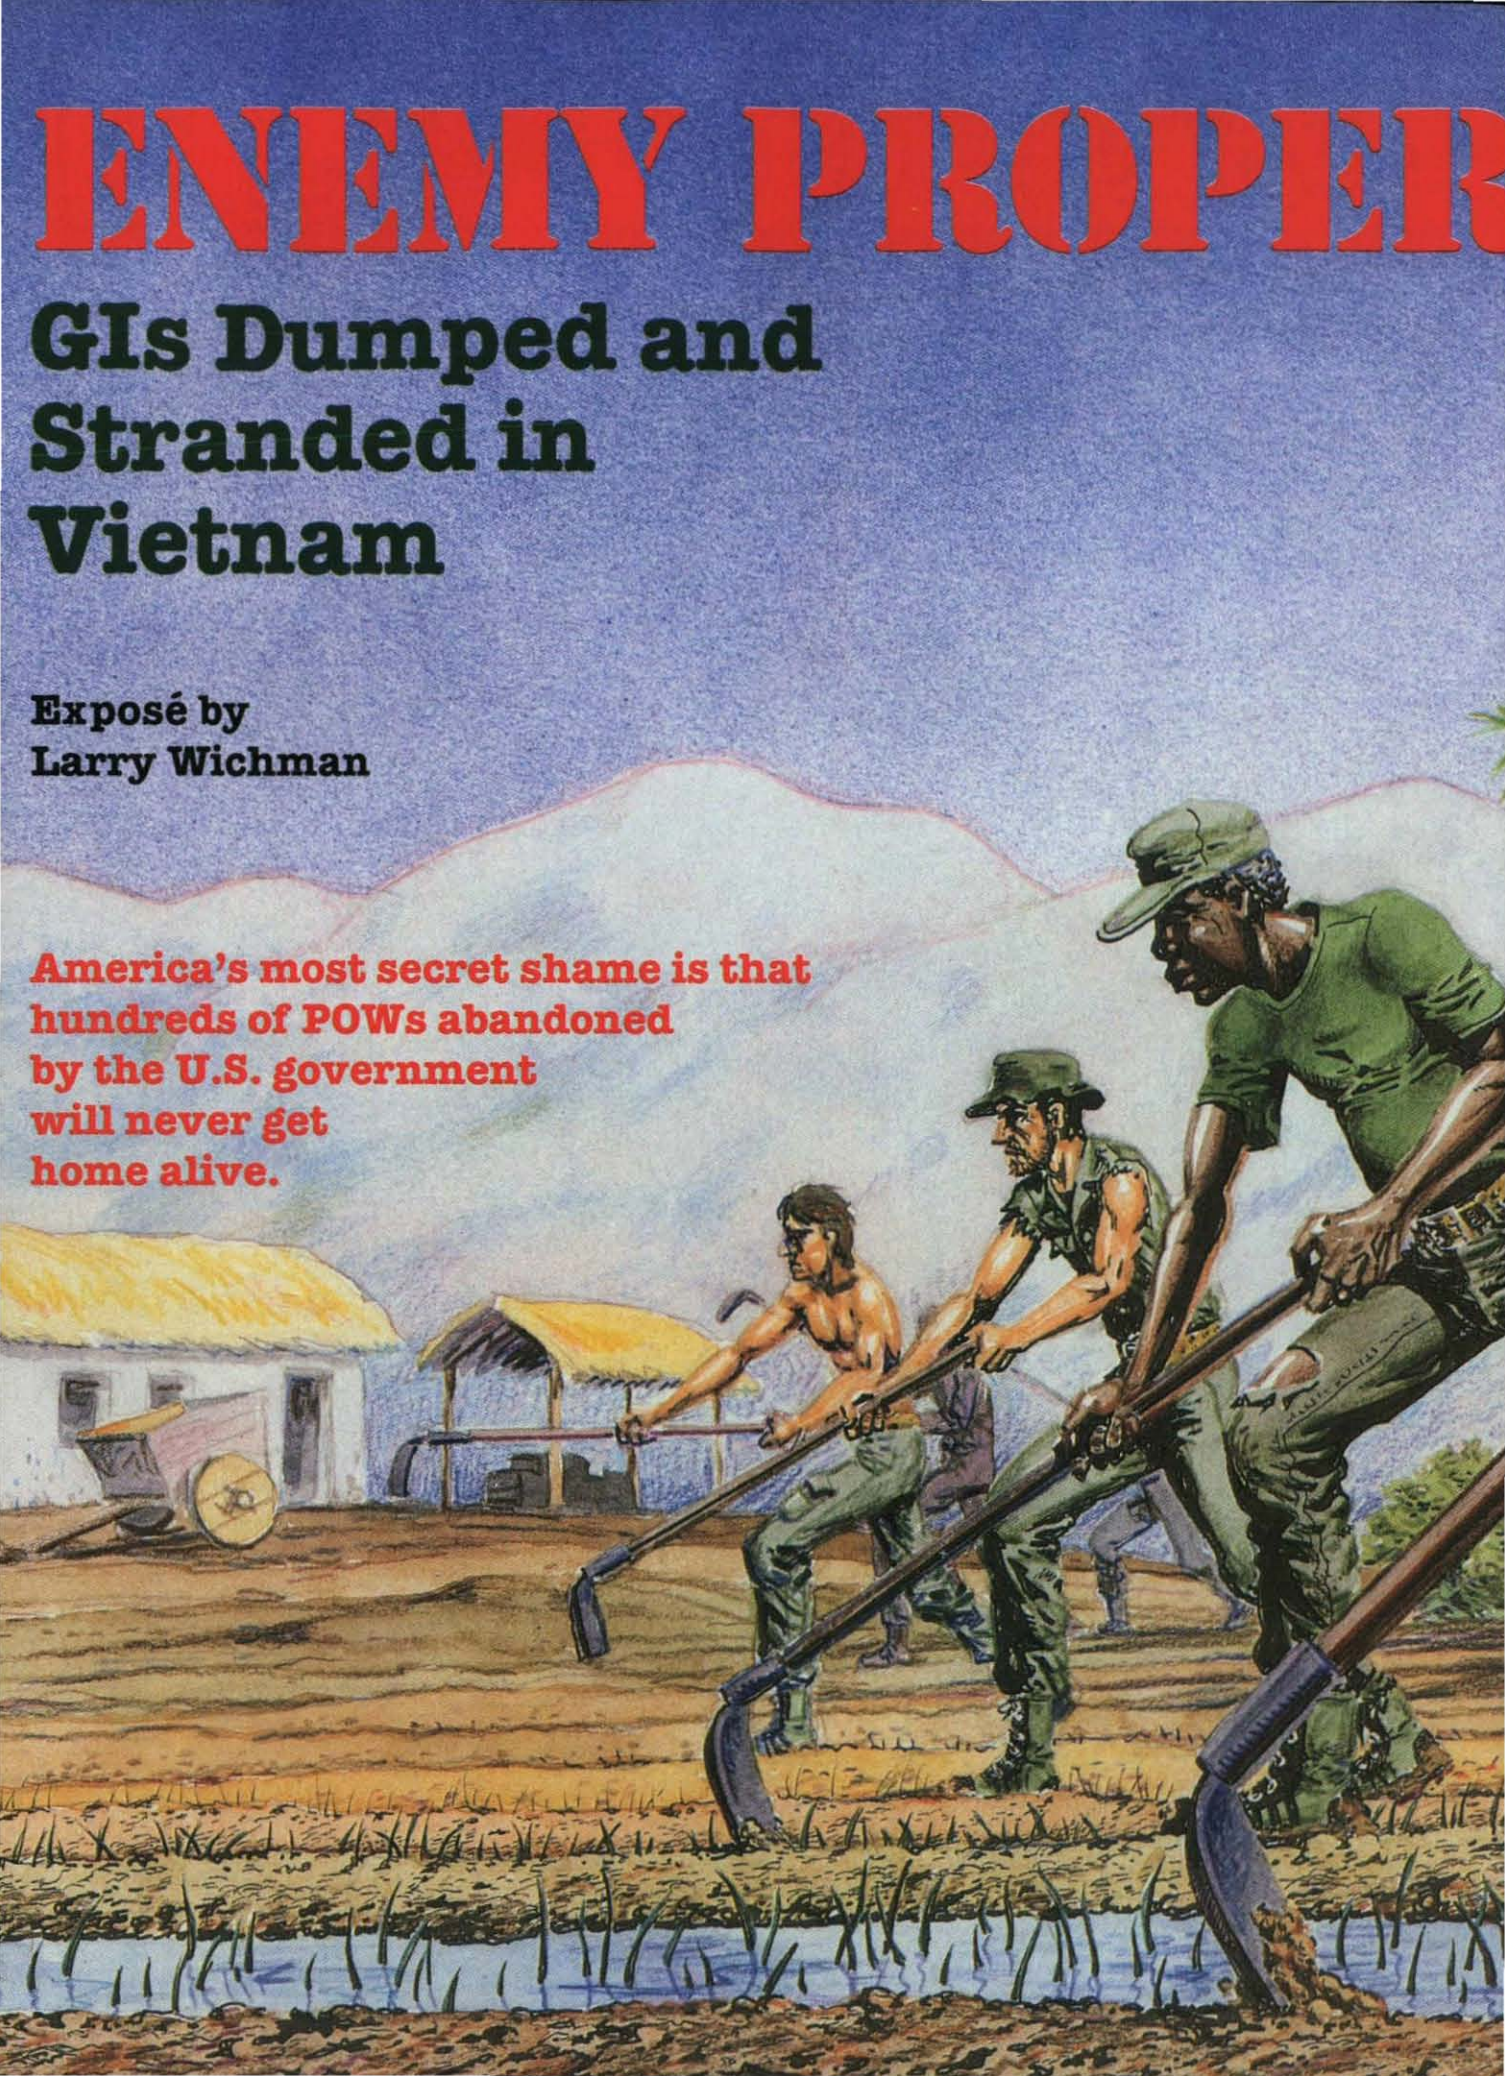

Illustration by Spain Rodriguez

MIAs

General Tighe was one of the first to suspect that U.S. soldiers had been abandoned, that 400 to 500 prisoners were left behind in Indochina.

In October of 1981, U.S. intelligence operative Scott Barnes participated in a covert mission to search for American POWs at a camp in the Mahoxy region of central Laos.

In testimony before the Senate Veterans Affairs Committee in 1986, Barnes described entering Laos with a senior CIA officer, Jerry Daniels. When they reached the camp, they discovered two American POWs. The emaciated men, caged in a bamboo-and-wire enclosure, were being used as forced labor.

Barnes and Daniels photographed the POWs with long-range cameras and listened from a distance with supersensitive microphones. They radioed in a confirmed sighting.

The Agency's reported response? An order to "liquidate the merchandise"—an order Daniels refused to carry out.

Barnes testified that upon returning to Bangkok he was ordered by Colonel Paul Mather of the military's Joint Casualty Resolution Center to forget everything he'd seen. "It's not in America's interests," he was told, "to have any prisoner come out alive."

* * *

A former National Security Agency analyst for the Nixon Administration recently testified before Congress that Nixon knowingly abandoned up to 1,000 U.S. POWs in Cambodia, Laos and North Vietnam.

The statement, included in a 1991 Senate Foreign Relations Committee Minority Report on U.S. POW/MIA policy, is part of a growing body of evidence that, for 19 years, the Department of Defense (DOD), the CIA, key members of Congress and five administrations have waged a campaign of deceit intended to blind the American public to the deliberate and continued abandonment of POWs.

General Eugene Tighe, director of the U.S. Defense Intelligence Agency (DIA) throughout the 1970s, was one of the first to suspect that U.S. soldiers had been abandoned. For over ten years he's stated his belief that 400 to 500 prisoners were left behind in Indochina.

Former U.S. Congressman John LeBoutillier, a Republican from New York, had his suspicions verified at a Pentagon briefing on POWs in 1981. "The admiral in charge didn't hesitate," LeBoutillier recalls. "He came right out and said American POWs were being held in Laos. The government doesn't view the problem as getting the prisoners out, but rather as keeping things quiet."

If any of the 2,270 U.S. servicemen still unaccounted for come out alive, there will be political hell at home. Congressional hearings could go on for years, charging hundreds of government officials—including George Bush, former director of the CIA—with having lied to Congress. Civil suits filed by MIA families would inundate the courts. And military action to retrieve the remaining men might lead to a second Vietnam War.

* * *

The roots of the conspiracy date back to 1973, when National Security Advisor Henry Kissinger promised Hanoi $4.5 billion in war reparations in return for a cease-fire and an exchange of POWs. Kissinger then signed the Paris Peace Accord before receiving a list of the POWs Hanoi claimed to be holding.

When the Communists handed in their official accounting, they listed only nine of the several hundred POWs captured along the Ho Chi Minh Trail in Laos—and even those nine almost didn't get out.

"Eleven of us were eventually released, but it was a week after everyone else," explains Colonel Ted Guy, senior ranking officer among Americans captured in Laos and South Vietnam. "My name was not even on the list of returning POWs. The CIA had me listed as being alive, but the Air Force had me dead."

Colonel Guy was lucky. Kissinger refused to negotiate with the Communist Pathet Lao, who were holding 250 to 400 Americans captured during our "secret war" in Laos. Pathet Lao spokesman Soth Petrasy stated that he'd open POW talks if we'd stop dropping bombs. Kissinger ignored him. Not a single prisoner held by the Lao was released.

The official repatriation of U.S. POWs ran from February 12 to March 29, 1973. In all, 591 Americans were returned. Despite the conspicuous absence of men held in Laos and Cambodia, on April 13, 1973, the U.S. announced, "There are no more prisoners in Southeast Asia. They are all dead."

* * *

The only American POW to be returned by Vietnam after 1973 was private first-class Bobby Garwood, who was held prisoner for 14 years prior to his release at age 32 in 1979. The U.S. did its best to keep Garwood there.

Garwood's first attempt to gain release came in 1978, when he slipped a note to a foreign journalist in Hanoi (Garwood was often led out of camp under armed guard to repair disabled jeeps). The journalist turned the note over to the U.S. military, which ignored it. In 1979 Garwood passed a note to a Finnish member of the World Bank, who informed the International Red Cross—an organization both Hanoi and Washington were forced to heed.

Hanoi tried to scramble Garwood's memory with electroshock so he wouldn't betray the locations of their camps. (Garwood reported seeing a boxcar full of U.S. POWs near

Hanoi.) Our government had worse in store.

The U.S. mounted a campaign of innuendo and lies aimed at discrediting anything Garwood might tell the press about fellow prisoners. They claimed Garwood was a traitor who had chosen to stay behind in 1973, and court-martialed him for collaborating with the enemy.

The charges were ludicrous, given North Vietnam's abuse and manipulation of POWs. Nonetheless, the government rammed the court-martial through. Garwood was busted to private and given a dishonorable discharge.

The military judge who presided over the court-martial later called the trial "one-sided," while CIA lie-detector expert Chris Gugas charged that Garwood had been the victim of "a far-reaching conspiracy."

"Bobby was set up—first by the Vietnamese and then by his own government," says Donna Long, a POW/MIA activist who helped with Garwood's defense. "He had to be found guilty of collaboration. Otherwise it meant he'd been left behind, and there were other POWs just like him waiting to come home."

* * *

Garwood's release disproved the Pentagon's claim that all POWs were dead. MIA families, who finally had living proof that Americans were being held overseas, feared that the government intended to continue to discount and ignore the issue.

The newly elected Reagan Administration sought to defuse the situation. According to the August 19, 1986, *Wall Street Journal,* just after Reagan took office in January of 1981, "the President learned that Vietnam wanted to sell an unspecified number of live POWs for the sum of $4 billion." Reagan mounted an ill-fated Delta Force rescue mission into Laos—the failure of which leaked to the press.

A similarly botched covert mission into Iran had destroyed Jimmy Carter's electability. Such actions were, in CIA Director Bill Casey's words, "not politically sexy." So the Reagan White House formulated the POW policy still used today. Officials maintain they can neither confirm nor deny that POWs remain in Southeast Asia, but operate on the assumption that they do. The government appears committed to getting the men home, but takes no decisive action.

The policy has silenced all but the most radical MIA families.

The National League of Families of American Prisoners and Missing in Southeast Asia, founded by POW families in 1970—with covert assistance from the White House and the CIA's E. Howard Hunt—functions as a key player in the ongoing cover-up.

The League, which boasts 3,780 members, is widely seen as a pawn of the White House. Its close ties to government provide the illusion that the concerns of MIA families are being represented. In reality, detractors claim the League echoes the government line, while its executive director, Mrs. Ann Mills-Griffiths, surreptitiously scuttles POW investigations.

Griffiths is the only civilian member of the Pentagon's POW/MIA Interagency Group (PMIG). The other members come from the departments of State and Defense and the White House. The PMIG coordinates government efforts to resolve the POW/MIA issue and reviews data received on missing servicemen.

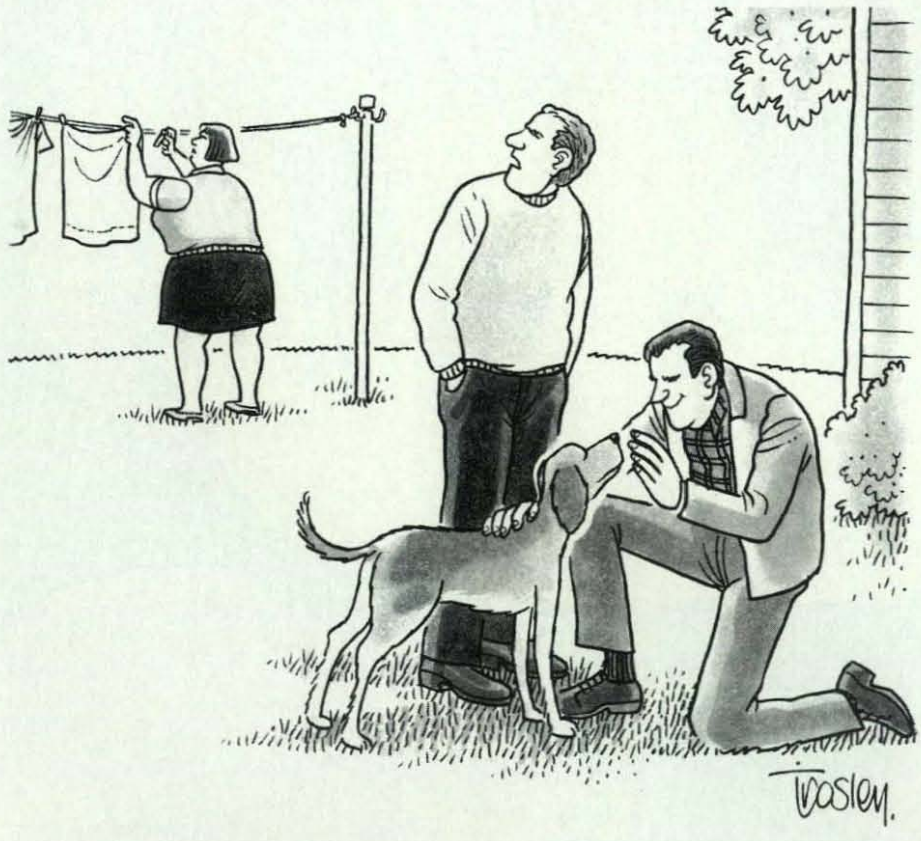

Colonel Millard Peck, a highly decorated combat veteran of three tours in Vietnam, witnessed Griffiths in action. In an internal memo accompanying his February 1991 resignation as chief of the DIA's POW/MIA office, he wrote: "[Griffiths] is adamantly opposed to all MIA initiatives, and actively sabotages POW/MIA analyses and investigations. She insists on editing all significant documents produced by the Office. She has access to top-secret, code-word message traffic for which she is supposedly not cleared, and she receives it well ahead of DIA analysts. Her influence in 'jerking around' everyone and everything involved in the issue goes far beyond her 'war and MIA protester gone straight' scenario. One wonders who she really is and where she came from."

Colonel Peck's resignation was due principally to his realization that the U.S. has no intention of retrieving POWs still being held in Southeast Asia. "From what I have witnessed," he wrote, "it appears that any soldier left in Vietnam was abandoned years ago, and that the farce that is being played out is no more than [an attempt] to stall the issue until it dies a natural death."

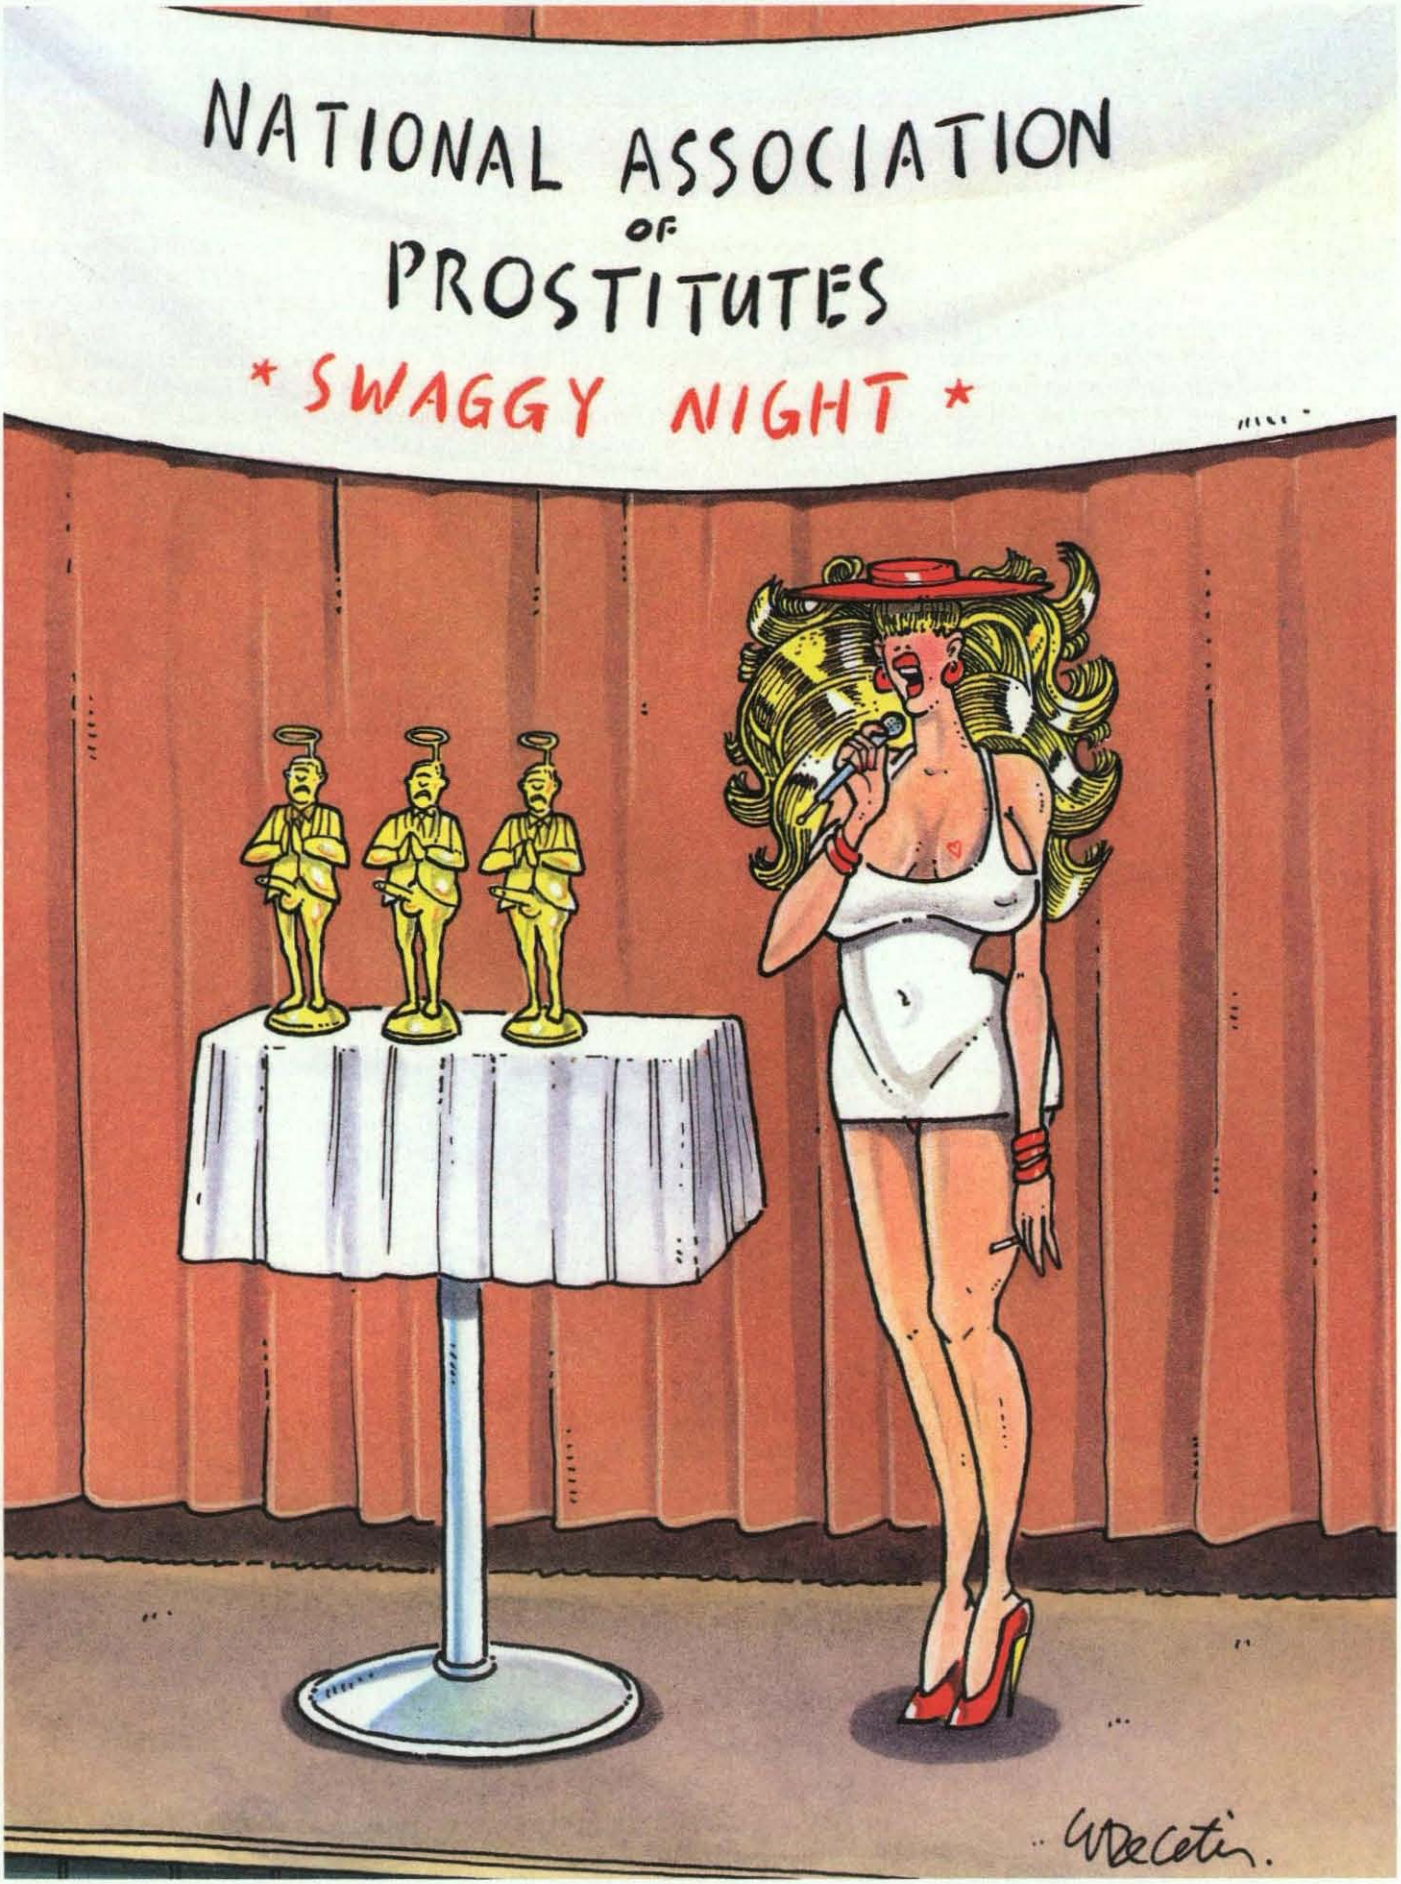

Colonel Peck was most troubled during his tenure by the DIA's "mind-set to debunk" live-sighting reports of POWs. The leads should have been pursued, "based on the assumption that some Americans may still be held captive"—the government's official position.

More than 1,400 live sightings of American POWs have been reported since 1973. The reports, filed by refugees, Christian missionaries and Japanese monks, included several of Bobby Garwood, which were later verified. Yet, not one live sighting has ever officially been deemed credible.

The Senate Foreign Relations Committee found that "the DIA starts with the premise that every live-sighting source is lying, then works toward substantiating that premise." The Committee discovered instances in which the DIA's summary of live-sighting reports

"His cold nose doesn't mean he's healthy; it just means he's had it near my wife's pussy."

"Since 1980, the families who've screamed the loudest have ended up with a box of bones. It silences them—it breaks their heart."

deliberately excluded specific details provided in the raw intelligence, such as the number of POWs sighted, their physical condition, a description of the camp or its location.

Provided these details, an intelligence analyst can compare two or three separate sightings of an individual or camp and determine with a degree of certainty whether the sightings were authentic or fabricated. Without details, any live sighting is easily discredited.

Analysts in the CIA, DIA and National Security Council have had access to this raw intelligence since Day One. They've been able to check it against satellite photos and reports from Asian ground operatives. Does U.S. intelligence know exactly how many POWs are still alive and where they're being held?

"They track them from camp to camp by name!" exclaims a Pentagon source who asked not to be identified. "We know where they are, how they are and what they're enduring. I've seen a ton of the intelligence. It's just disgraceful."

According to testimony given to the Senate Foreign Relations Committee, at least 80 sets of human remains from Indochina have been turned over to the family for burial when it was "impossible to determine the age, sex, height, weight or race" of the individual. In other cases, crash-site remains have been identified and individuals declared dead even though live sightings place them in POW camps long after the official date of death.

The Senate Committee charged that "the only conceivable reason for this demonstrable pattern of misidentification was the desire to clear the lists of MIA while deceiving the MIA families through the return of misidentified remains."

According to Donna Long, who works with the Washington, D.C.-based group Homecoming II, the practice is used to silence MIA wives. "Since 1980," Long claims, "the families who've screamed the loudest have ended up with a box of bones. It silences them—it breaks their heart."

In 1972, Long put on the MIA bracelet of SP4 Gary LaBohn, a Green Beret missing in Laos. In October 1988, she was arrested in Laos while on a privately funded mission to publicize a $2.5-million reward offered for the return of a live American POW. Five months after her highly publicized detainment, a joint U.S.-Lao recovery team found what they claimed were LaBohn's remains.

"Gary's helicopter was shot down in November 1968," says Long. "Twenty years later I'm arrested in Laos and interrogated about Gary and the bracelet. They take down his name and tell the U.S. Embassy. Within a month they're surveying his crash site!"

* * *

The March 1989 excavation led to charges that, in order to expedite the identification of MIA remains, the Pentagon is "salting" crash sites with planted evidence.

According to government documents, the CH-34 helicopter that crashed at Site 1333 carried three Vietnamese crewmen and seven Green Beret passengers. The Americans were returning from a still-classified mission in Laos.

Accounts of the crash by crewmen in other aircraft state that the helicopter began "trailing smoke from the fuel-cell area as it rapidly descended in a right-hand spin, nose-low altitude"—indicating some degree of controlled flight and the possibility of a relatively soft landing. The reported 15-second window between impact and explosion should have allowed some men to jump free.

Each crewman carefully noted the location of the crash site so that rescue teams could be flown in. Such reports were generally accurate to within 100 meters. Yet, when the U.S.-led survey team searched the spot in the Laotian foothills 20 years later, no wreckage was found.

For the Pathet Lao, providing wreckage was no problem. Some 200 helicopters had been shot down within eight miles of the indicated site. However, the closest was one and one-quarter miles away. Instead of being in the hills, it was on the valley floor, 300 meters from the Sepone River—an obvious landmark that failed to appear in any of the crash-location reports.

Ignoring these inconsistencies, a 31-member excavation team worked on the site for a week. Yet, it wasn't until the last day—one hour before the operation was to be shut down—that they found the single piece of evidence used to identify the wreckage: the rusty dog tag of Major Sam Toomey, one of the Green Berets reported to have been on board the downed aircraft.

The search and recovery report never questions why the dog tag had not been recovered earlier. According to the report, the team had gone over every inch of the crash site with metal detectors in a search for unexploded ordnance. Moreover, the tag was found in a spot that, the day before, had been "thoroughly searched down to a sterile level, and where all soil had been removed, screened and inspected." Why was a second search of the six-square-foot plot—the only one to be searched twice—ordered?

Given the covert nature of the mission, for Toomey to have worn dog tags would have

tured. Instead of defending turf, the Asian gangs take interstate highways as territory.

They travel to distant cities and pick a target by linking up with local contacts, often acquaintances from refugee camps, or by ripping the page with the name *Nguyen* from the local telephone book. They invade, spend one to four hours in a home, climb back into their cars and move on.

Brawling, Knife-Carrying, and Female

Ranging in age from 13 to 20, brawling female groups are aligning themselves with the Asian gangs.

"Asian girls look innocent," says Tino, "but they're vicious."

They take names such as "Wally Girls," "Pomona Girls," "Dirty Punks" and "Korean Girl Killers." Each female gang is allied with one or more male gangs, including the BNG and Viet Ching. The formation of girl gangs coincides with the increase in home invasions.

"They're not acting out of adolescent rebellion," says Suh. "They're acting out of unadulterated fury."

Often, the girl gang members are orphans, have only one parent, or are living with foster parents. In all cases, the girls are treacherous.

The Korean Girl Killers (KGK) approach victims and act as if they are chewing gum. Too late, the victim learns that the gum is actually a razor blade—which the KGK member has spit with such velocity that it is embedded in the victim's face.

Female Asian gang members have made it possible for gangs' criminal activity to expand from protection rackets, gambling and prostitution into extortion, armed robbery, large-scale narcotics-importing and smuggling illegal aliens, who are often held as slaves to pay for their passage.

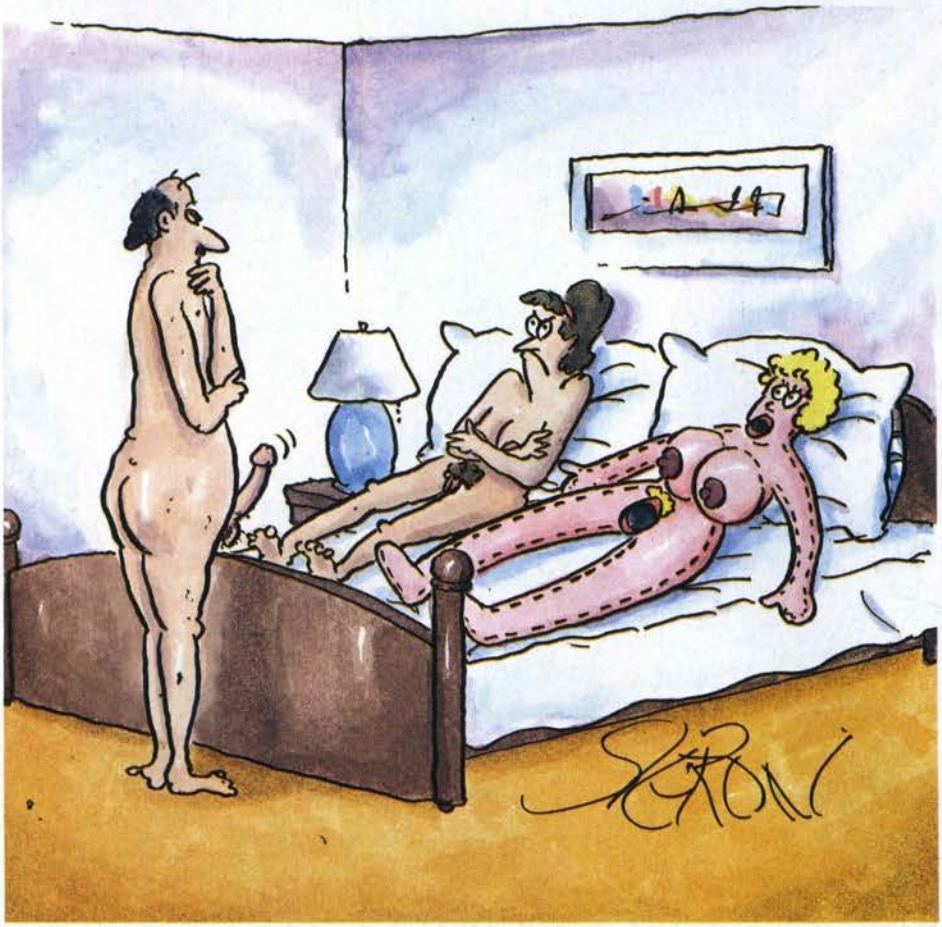

"There are no norms anymore," says Tino, "no rules, no values."

Today, America's Asian communities are held hostage by gangs they are afraid to fight. Says Soheap: *"Vo phuc dao tung dinh."* Translated: "No happiness in going to court."

Our society views Asian immigrants as representing an unwelcome part in American history. Asian teenagers, collectively, seem to be saying, "We tried to be immigrants, and it did not work. We tried to be Americans, and it did not work. So now we are gangsters—and America had better watch out!"

"It's [Asian gang-related crime] coming at us, and it's coming at us real quick—we better be ready," said Robert M. Bryant, deputy assistant director in the FBI's criminal-investigative division.

been a severe breach of security. Whenever Special Forces were inserted into Laos, a neutral country, they went in "sterile." They carried no ID, used foreign-made weapons and wore civilian clothing manufactured outside the U.S. They were forbidden to carry anything American.

Based on one rusty dog tag and two questionable molars, the DOD positively identified an additional 15 partial teeth and 145 bone fragments as being LaBohn, Toomey and five other Americans. In January of 1990, the remains were buried in a common grave at Arlington Cemetery.

At his sister's request, LaBohn's name was removed from the headstone. The Army refuses to reinstate him as an official MIA.

* * *

By July of 1991, the Pentagon had more urgent problems. Private sources released well-documented photographs said to depict five U.S. POWs presently held in Vietnam and Laos. Two of the three sets—one alleging to show Navy POW Daniel Borah, and another reportedly depicting the threesome of Colonel John Robertson, Major Albro Lundy Jr. and Lieutenant Commander Larry Stevens—were accompanied by samples of the prisoners' fingerprints. The DOD dismissed the authenticity of the photos, although the 24 high-quality, color negatives of Borah were film-dated. When the military was asked to provide fingerprint records on the four men, the Pentagon conveniently said it couldn't find them.

The most intriguing set is said to depict Special Forces Captain Donald Carr, shot down over Laos in 1971. While the Pentagon attempted to discredit the source of the photos, three family members and a forensic expert positively identified the man in the snapshot as Carr.

Physical anthropologist Michael Charney, director of the forensic laboratory at Colorado State University, used a computer to compare Carr's alleged POW photo with a wedding photo taken in 1961. "It's him," Charney concludes. "The facial bone structure and even the contours of the ears—the lobes, helix, concha and tragus—match perfectly."

Thus far, the DIA has not challenged Charney's findings, fueling speculation that Carr is being considered for release. Carr is one of the few POWs the government could afford to bring home. When his plane was shot down in 1971, he suffered a near-fatal head injury. The damage to his brain was so severe that, according to Carr's brother, Matthew, "he is what we would call the village idiot."

The Pentagon's dirty little secrets would be safe with him. Like the POWs he'd be leaving behind, Donald Carr is doomed to remain permanently missing in action.

TODAY IS THE LAST DAY OF THE REST OF YOUR LIFE

Photo by Friend

Reno, Nevada, presents 21-year-old Angel. A receptionist by occupation, her leisure time includes biking, movies and lots and lots of sex. Fucking a hung stud on a mountain overlooking city lights is her romantic fantasy.

Photo by Friend

Concord, California, is home base for 19-year-old Heather, who dreams of fucking her lover good and hard at the top of their castle. This golden princess is a dancer, and she gets off on dancing, ice hockey and art.

Photo by Husband

Thirty-three-year-old Juliet is a dancer from Lawrenceville, Georgia, where swimming, biking and drawing are her fave ways of killing time. Lying on a dining-room table with whipped cream and fruit on her body and getting eaten is her *Beaver Hunt* fantasy. That's dinner *and* dessert!

Photo by Husband

A waitress from Havelock, North Carolina, 30-year-old Ashley digs pumping iron and volleyball. Dreaming of fucking a well-hung, younger man while her husband videotapes it gets her hot.

Twenty-nine-year-old Tammy likes swimming and dancing. She's a nurse's aide from Rome, Georgia, and gets off imagining a wild fuck in a field of flowers.

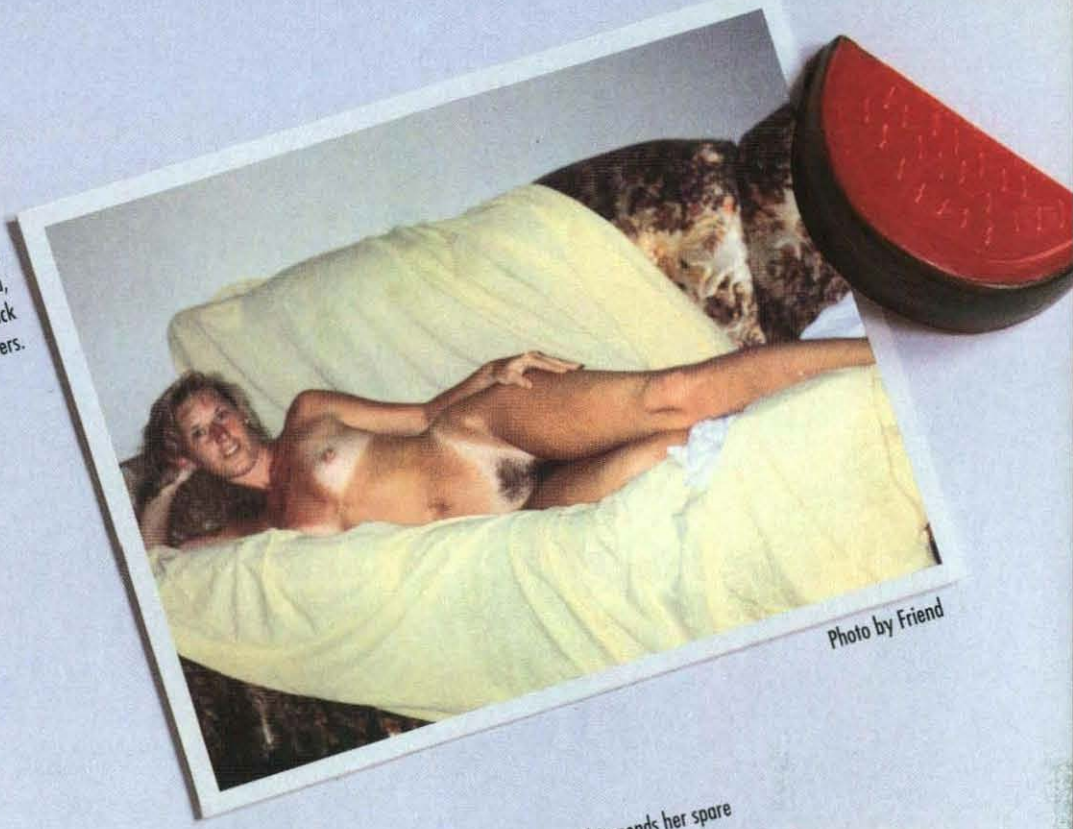

Photo by Friend

Kristie's a 34-year-old student from Toronto, Ontario. She spends her spare hours cooking and camping, and gets off dreaming about fucking two men while her husband watches and takes photographs.

Photo by Husband

Photo by Husband

Tallahassee, Florida, is home to 34-year-old Monica. She's a student who digs scuba diving and hiking. Monica dreams of being watched while having sex with her man.

Photo by Housemate

Staying healthy and fit, walking the beach and dreaming of fame and fortune are 22-year-old Eve's priorities. She's a dancer from Jacksonville, Florida, and her fantasy is being the only female in an X-rated video with the Chippendales studs.

Photo by Husband

To be tied up and blindfolded for her husband to do wild and kinky things with her is 22-year-old Leigh's shocking fantasy. A cosmetician from North Augusta, South Carolina, Leigh enjoys shopping, sex and Mickey Mouse collectibles.

Photo by Friend

T. Marie's a 30-year-old maid from Watertown, New York. High-energy aerobics and photography are among her hobbies. She fantasizes about fucking the man of her dreams in a hot-air balloon at sunset. Judging by this shot, she's got a better way—whipped cream and a cherry!

Sex Toys:

How to order them without embarrassment. How to use them without disappointment.

Today, people are interested in improving the quality of their lives and exploring their own sensuality with options from the Xandria Collection.

The most important aspect of satisfaction is trust. Trust us... thoughtful consideration goes into each product in the catalogue. Quality, value, and sensual appeal are all important elements, as are you, the customer.

What is The Xandria Collection?

It is a very special collection of sensual products. It includes the finest and most effective products available from around the world. Products that can open new doors to pleasure (perhaps many you never knew existed)!

Our products range from the simple to the delightfully complex. They are designed for both the timid and the bold. For anyone who's ever wished there could be something more to their sensual pleasure.

The Xandria Collection has a unique three-way guarantee. We've had the same, no worry guarantee for the past 17 years (since 1974).

First, we guarantee your privacy. Everything we ship is plainly packaged and securely wrapped, with no clue to its contents from the outside. All transactions are strictly confidential and we never sell, give or trade any customer's name.

Second, we guarantee your satisfaction. If a product seems unsatisfactory, simply return in within 60 days for a replacement or refund.

Third, we guarantee the quality of our products for one year. If it malfunctions, simply return it to us for a replacement.

The Xandria Gold Collection... a tribute to closeness and communication. Celebrate the possibilities for pleasure we each have within us. If you're prepared to intensify your own pleasure, then send for the Xandria Gold Collection Edition catalogue. It is priced at just $4.00 which is applied in full to your first order.

Write today. You have absolutely nothing to lose. And an entirely new world of enjoyment to gain.

UNDER-THE-COUNTER HARDCORE VIDEO from JAPAN!

EXCLUSIVE!
NEVER SOLD IN STORES!
AVAILABLE ONLY BY MAIL!

A RARE COLLECTION OF ASIAN DELIGHTS!

Secretly filmed, these sizzling videos cannot legally be sold in Japan because they are **hard-as-nails.** We were fortunate enough to get our hands on 6 titles that are sure to harden your cock. The girls are **gorgeous, sensuous** and really know all about sex. The stories and acting are **superb** and the quality is **excellent!** Truly a rare find and exclusively available from us . . . for a limited time only! Each tape approximately 1 hour.

❑ **WORKOUT.** A beautiful gymnist falls during training. As she lays in pain, the sight of her hot, hard and tight young body turns on her horny trainer who comes to her rescue and really gives her a massage . . . and some workout!

❑ **SHARING.** Young Keoki visits her geisha cousin. While drinking tea – a man hidden under the table, finger fucks and sucks Keoki. Her moans of passion make the geisha's hot pussy itch with anticipation, so, the man accommodates her by driving his huge weapon into her creamy, slick cunt!

❑ **SEX POINTER.** Gorgeous Sanai shows a young male virgin what sex is all about. It's important that she pleases her man . . . and does she ever! They hump to steaming, ecstatic orgasms!

❑ **FILL HER UP.** George, a visiting black American dude picks up two beautiful girls. Miko just won't settle for any cock . . . they must be at least 10 inches long, and George wins by at least 2 inches! He knows exactly what to do with one foot of hard cock!

❑ **FIRST TIMER.** Coy, bashful Edori needs to be fucked. Her man sucks and tongues her and finally drives his steel-like shaft between her legs – they cum together – and then he finds out she was a virgin! Magnificently filmed!

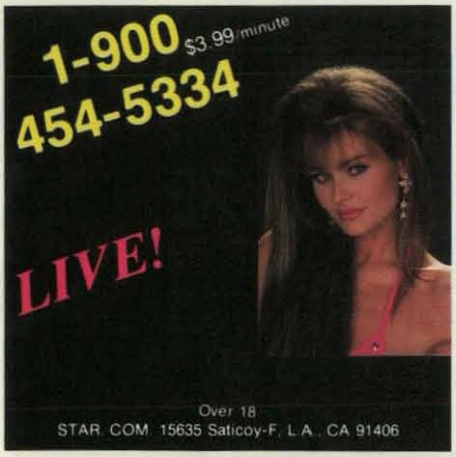

❑ **THREESOME.** Two young studs share the love of Yuki. She mouths and sucks these hardy stallions to throbbing erections. They return the favor by fucking and back dooring this Oriental beauty. Really hot!

You Can **ENLARGE, THICKEN & HARDEN YOUR PENIS TO IT'S MAXIMUM!**

HAVE ERECT MEASUREMENTS OF 9, 10, EVEN 12 FULL INCHES!

Let Scott Taylor "King of Penis Enlargement" show you how!

Is the size of your penis bringing you down? Sure, the medical authorities say that size doesn't count, but as long as women have a need to be filled, they will demand the full measure of devotion. And no amount of psychological reassurance will fill the gap between expectation and reality.

Now, with a simple device you can follow in the footsteps of Super Porn Stars, Scott Taylor, Jeff Stryker and the hundreds of thousands of men who have proven that there is a way to INCREASE PENIS SIZE and THICKNESS! The device is called the SUPRA-12 VACUUM ENLARGE. A safe and proven natural way to add inches to penis length and thickness. With the SUPRA-12, you will see yourself grow to dimensions you never thought possible.

HOW CAN THE SUPRA-12 VACUUM ENLARGER INCREASE PENIS LENGTH & THICKNESS?

Your erection is caused by blood flowing into hollow caverns inside your penis. The caverns fill with blood and your penis grows in size and thickness and becomes stiffer and stiffer until the caverns are filled with all the blood they can hold. BUT, IF YOU INCREASE THE CAPACITY OF THE CAVERNS BY MAKING THEM BIGGER, THEY HOLD MORE BLOOD and you have a correspondingly longer, thicker penis. You'll see the astonishing results the first time you use your SUPRA-12. Your penis will grow inside the clear, picture window sleeve. Immediately you'll see just how really BIG. . .how really FAT. . .how LONG. . .how HARD and STIFF your own penis can get! And after regular sessions with the SUPRA-12 you'll probably find as do most men that these size gains don't go away! They become a part of you to thrill and excite her!

SUPRA-12, THE "ROLLS ROYCE" OF VACUUM ENLARGERS.

These sophisticated instruments are by far the state of the art in penis enhancing machinery. The HEAVY DUTY MANUAL model is a finely crafted precision instrument designed to create the vacuum needed to make the male organ LONG and THICKER. And for the connoisseur, the powerful ULTRA DELUXE ELECTRIC model (U.L. approved) is equiped to give you continuous even sucking power until you shut it off! The ULTRA DELUXE ELECTRIC is perfectly safe and as quiet as a whisper.

Accept no substitutes if you are truly serious about penis enlargement – join the more than half a million men who have proved that the SUPRA-12 will do the job for you!

SCOTT TAYLOR TAKES YOU STEP-BY-STEP AND SHOWS YOU HOW TO ENLARGE YOUR PENIS!

He'll show you what phenomenal increases he has made in both the length and diameter of his penis with careful experimentation. Finally, he has hit upon the most efficient enlargement method to date! This video tape is a full color, detailed, step-by-step explanation by Scott of what you need to know to increase your own genital size.

FULL DEMONSTRATION BEFORE YOUR EYES! ANSWER ALL YOUR QUESTIONS!

- Find out exactly what is happening to your penis to make it grow longer and thicker!
- Discover what the enlargement process really feels like!
- Find out how big you can expect your penis to get!

YOU CAN HAVE A LONGER, THICKER, HARDER PENIS NOW!

You can have erect measurements up to 12 inches!
Enlarge your penis to its maximum potential!

THE WORLD'S BEST SELLING PENIS DEVELOPER NOW OFFERED AT A FRACTION OF ITS ORIGINAL PRICE!

Have you ever been embarrassed by the size of your penis? Have you tried to convince yourself it's not how big it is but how you use it? As long as your sex partner needs to be completely filled, you owe it to yourself to do something about a larger penis now!

Our penis developer will increase penis length, thickness, and make your erection harder and stiffer.

Did you know a woman's vagina will stretch and enlarge to accommodate a large penis? Imagine her excitement as you penetrate deeper than you ever have before.

How does our penis developer increase your penis length and diameter?

The answer is called hypermia, a medical term to describe blood filling into caverns of your penis. The caverns expand causing your penis to grow in size and diameter. The superior pump action and sealed vacuum of our penis developer urges your penis to grow to mammoth proportions. Our penis developer is not just a vibrator like some electric units you may see advertised. Remember, it is the precise slow super pumping action of our space age designed penis pump that builds your penis larger than you ever dreamed possible.

Act now if you are interested in penis enlargement. TAKE ADVANTAGE OF THIS SPECIAL OFFER NOW!

HEAVY DUTY DELUXE MODEL

Reg. $49.95- **NOW ONLY $24.95**

NOTICE: Our hand held penis pump as shown is not an electric massager or vibrator unit which may be dangerous, especialy with liquids and gels, and cause electric shock and possible injury.

THE FAMOUS SCOTT TAYLOR PENIS ENLARGEMENT VIDEO TAPE.

Scott has an enormous penis- he uses the hand held penis developer (not an electric massage unit) in a step by step demonstration to show you what you need to know and how to go about increasing your penis length and diameter.

NEXT MONTH IN HUSTLER

April HUSTLER on sale February 18, 1992

TIGHT, HOT, WET

Expecting April showers? Hold tight. HUSTLER forecasts a downpour of thick, white, salty spray. Hose down with a nut-brown, dimple-cheeked blonde slicking her private, puffy crack with spit and sweat; douse a tug-of-war for best flesh appeal between a pair of scissor-legged, leather-clad, stiletto-heeled dominatrixes; join in the spritz as a melon-titted cock-grabber pulls a pair of pistol-packers into a mean ménage à trois; pump alongside a butter-thighed biker babe who strips into high gear and rides her silky hand whole hog; and satiate the thirsty god of the totem pole with a golden-skinned, dark-eyed Bahamas beauty. Sound like paradise? Slide into it.

JOB INSECURITY

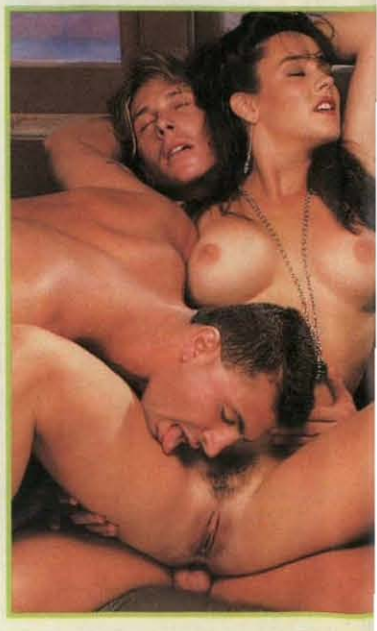

The American workplace is fast becoming a health hazard, and it's not due to smoking—it's due to smoking guns. More and more, disgruntled employees are toting firearms to work and settling management disputes with bloodshed. Writer Al Hazrad details the rising instances of on-the-job vengeance killings in *Fire When Fired,* a grisly body count of time-clock terrorists and a sobering reminder that more often than not, it's not the bosses they blow away—it's their fellow workers.

PALMS UP

Spanking aficionados plan their Hallowed Eve revelry months in advance, because that's the night the naughtiest get the best reward. Underground societies fetishizing corporal punishment top their bright-red pumpkins with a pair of bright-red butt cheeks, and Shadow Lane, a California-based company dedicated to providing hot-bottom thrills for fans of sensual spanking, puts on the kinkiest Halloween party this side of a crypt. Amateur butt-smacker Alex Marvel sacrificed his own ability to sit for a week to bring HUSTLER *Boo Hoo,* the inside scoop on the slaphappy scare show.

GOOD TO THE LAST DROP

Dependable aphrodisiacs await the curious in any health-food store, announces potion-mistress Tabitha, who shares her favorite recipes in "Cuntcocktion," HUSTLER's *Sex Play* for April; *Hot Letters* takes a searing load of guilty secrets off upright Joe and Jane America; *Beaver Hunt* shows the rest of the world why American women make the best lovers on earth; and *Bits & Pieces* continues its quest for the cheapest laughs imaginable. It's all coming down in HUSTLER in April. Ready?
