I'M NOT A PRESIDENT,

ALTHOUGH I PLAY ONE ON TV.

The people who direct my character agree that I'm less dangerous when I'm asleep. Besides, that's when they plot my overthrow, the little bastards! That's why my doctor prescribes Halcion. Just two tablets knock me out for hours, and I need my rest if I'm gonna pretend to deal with those fucking shit-heads from that country over there in that Middle East place, and my doctor assures me the anxiety, memory loss and negative side effects are completely imaginary. But maybe he's just trying to keep me asleep to get a piece of Barbara. Anyway, ask your personal medical person about this here drug.

AD PARODY. NOT TO BE TAKEN SERIOUSLY, UNLESS THE NOTION OF A PARANOID, HOSTILE AND PSYCHOTIC PRESIDENT SEEMS SERIOUS. BUSH HEAD PASTED ONTO OUR MODEL'S HEALTHY BODY.

ASSHOLE and PRINCES

ASSHOLE OF THE MONTH

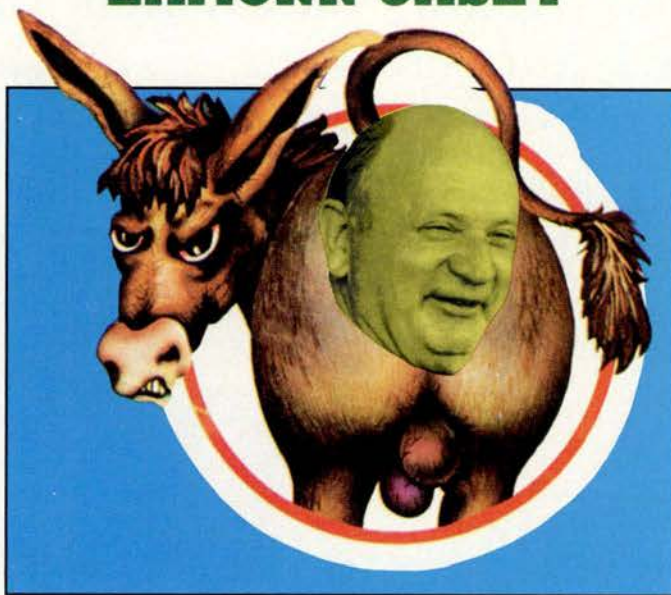

Religion at its best provides a solace and a comfort to the downtrodden masses of this world. A vast population of unfortunates has no experience of a loving presence on Earth, except as brokered by the initiates and elders of civilization's great, organized mafias of worship. However, the sacred orders are also the last refuge of a particularly foolhardy, vain, two-faced, belly-crawling species of scoundrel—such fat, grabby rodents as Eamonn Casey, former Roman Catholic Bishop of Galway, Ireland, currently serving as HUSTLER Magazine's Asshole of the Month for October 1992.

Like so much of what has been forbidden by self-elevated holy men who interpret God's will and commands for those of us among the lower hordes, Casey's crime was really no crime at all. The 65-year-old former bishop's offense, as determined by an artificial code of moral conduct that he had been ordained to uphold, was to fall in love.

Some of the best of us have been guilty of lapsing into a heady infatuation with a member of the opposite sex, but His Excellency Bishop Casey's fault, as determined by HUSTLER's Asshole of the Month selection committee, was to go on vehemently campaigning for a set of supposedly spiritual rules that personal experience should have taught him were inapplicable to actual life.

In 1973, the seeds of the fallen prelate's current dilemma were spewed into the fertile womb of Annie Murphy, at the time a 24-year-old, American, prodigal Catholic exit-

EAMONN CASEY

ing a failed marriage of two and a half years by shipping off to the idyllic serenity of emerald Ireland. Annie proceeded to bone down with the randy bishop, a lifelong friend of Murphy's family whom she'd met at the age of seven, when he was 28.

Fourteen years after being introduced, the uber-priest and the divorcee swapped bodily fluids while staying at a remote country house upon the suggestively named Inch on the Dingle Peninsula. Perhaps if Casey had kept his inch on Annie's dingle, the pair might have enjoyed their ungodly rutting, tired of one another, broken up and moved on to higher pursuits. The Roman Catholic God, however, is an all-powerful creator possessed with a sense of

perverse irony. Divine intervention conspired with the female reproductive cycle, and the steamy affair ended with much more than a memory shared by the two lovers, both of whom became parents.

According to former clergy-groupie Murphy, who now resides in Ridgefield, Connecticut, with her 17-year-old sin child, Peter Eamonn Casey, the Bishop lost interest in plugging her puss once she had been rendered not only divorced, but also knocked up. Murphy remembers Casey hounding her throughout her pregnancy and after she had whelped to give the child up for adoption and "cleanse" herself. Perhaps the less-than-proud papa's concerns were for what

would best benefit mother and babe; then again, the cushy churchman may have had a glimpse into his future unravelling.

Not only did Murphy keep her boy, she demanded financial help from the child's priestly father. By Annie's estimates, Casey kicked over from \$175 to \$300 a month toward maintenance of his kid for 15 years. Casey must have felt a noose squeezing his soul with each support check he wrote. The internal cinch-knot slipped tight enough in 1990 that the man of God closed his eyes to right or wrong and dipped into Church funds in order to cough up \$125,000 and settle out-of-court on Murphy's threat to sue for "compensation."

But like a priest who can't keep his dick under his robes despite a vow of chastity, or a crooked cop who won't stay bought, Murphy and son took their tale to the public press. Casey, who in the years since the boy's birth had distinguished himself by fighting in the front trenches of Ireland's war against condom usage, put his tail into hiding, issued a prepared apology for the shame of doing what a different man would have taken joy in, and fled the country, reduced to meager missionary status.

While Murphy and her son-of-a-priest will undoubtedly be resurrected in some lucrative movie-of-the-week scenario, Casey will attempt to find redemption in some distant, Third World parish, where no one will squeal about getting fucked, and an Asshole is free to be himself as God intended.

FARTS IN THE WIND

Dan Quayle: The dimmest bulb in Bush's 1,000 points of light shot off his mouth at the popular TV series *Murphy Brown*. Quayle argues that the title character, who chooses to hatch a child out of wedlock, is "mocking the importance of fathers by bearing a child alone and calling it just another 'lifestyle choice.'" Quayle added that "marriage is probably the best anti-poverty program there is." Almost as good as being born a money-rich, brain-poor Asshole.

Mickey Rourke: Scuzz-face actor Mickey Rourke had a foul stench emanating from his mouth when he told London's *Evening Standard* that black filmmakers such as Spike Lee and John Singleton were to blame for the L.A. riots. "The blood of Los Angeles," pontificated Rourke, who has portrayed both an arsonist and a terrorist during the course of his degenerative career, "falls on those who insti-

gated this revolt, the malicious prophets of black cinema and rap music, the movies such as those of Lee and Singleton." Rourke, who received more money than the typical L.A. rioter will see in ten lifetimes in order to participate in television booze advertising, must by his own logic take credit for the drunkenness that fueled the mayhem. Furthermore, Rourke should consider himself a role model for the overabundance of Assholes spouting out of Hollywood today.

Check In, So
HE Can Check
Them Out

The year is 1993. Los Angeles has finally crumbled under the weight of natural disasters, urban warfare and late-night talk shows. To survive the holocaust, humans have evolved into mutant roach creatures that can endure the deadly toxins. Ultimately, one dominant Sleaze Being emerges to trap the damaged vermin within the sticky corridors of his lair. In Hollywood, the Roach Motel is less an allegory than a way of life.

Be sure to send a self-addressed, stamped envelope if you want your material returned.

ORGAN-IZE That Bank Account

On the up side of the escalating homicides during the recent L.A. riots was an increase of organs for donation to the Regional Organ Procurement Agency (L.A. Times, May 19). As the chart proves, organ donation can be a profitable business. Agencies across the nation need fresh guts to satisfy long patient lists. Give the gift of organs this holiday season. To learn more about human worth, pick up the book entitled *Sell Yourself to Science* (Loompanics Unlimited).

COMPOSITE... OR COMPOST?

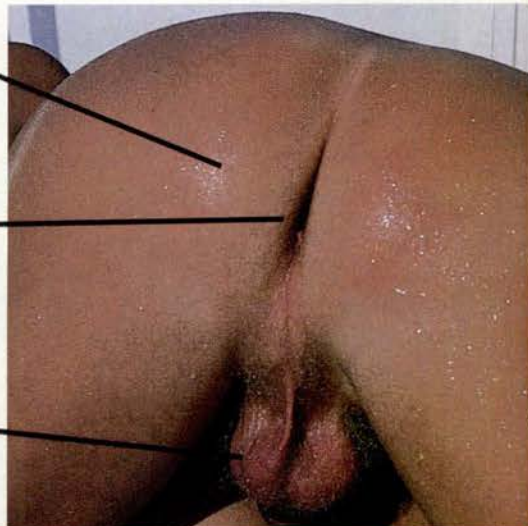

After feeding each Presidential candidate into the HUSTLER computer, we arrived at this composite of the three men vying for President. Confused voters should just write in the word *asshole*, and all bases will be covered. Let the government figure out the rest.

Bill Clinton's dimple. Isn't he a charmer?

Bush's mouth. His lips have become more difficult to read.

Perot's ears. How could he *not* hear the needs of the people?

The Latex Fashions

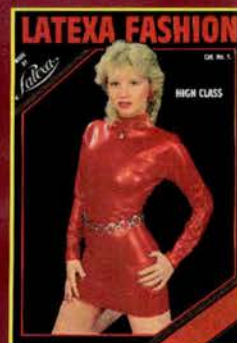

Looking for the latest in rubber masks, pants and dresses? These Euro-fetish mags are published to satisfy a burgeoning community that enjoys the tightness of

these cool, smooth, rubber garments, which grip the body in ways other fabrics simply cannot. From interviews with rubbermaniacs to perspiring pictorials of women in latex corsets and sharp, spiked heels, these publications

prove that rubber isn't just for condoms anymore.

BONERS AND MUFFS

HUSTLER photographers never make mistakes; the proof is in the pictures. But there have been times when the best-laid plans of cameras and men have gone astray.

Pouring champagne into a model's mouth is a sexy visual metaphor for a man's naturally frothy flow. Like some men, bottles sometimes blow more than a mouthful.

We thought it'd be cute if these lesbo girls popped a bubble in the spirit of playful innocence. But we didn't anticipate the gum behaving so stubbornly. Then again, it gave our photographer a perfect excuse to use the old ice-cube trick to unstick the treat.

The dick is mightier than pen or sword, especially when poked into a woman's eye.

A nude woman frolicking on the beach has become a **HUSTLER** staple over the years. Yet at times it seems the elements are against us.

When our models start to cook, they really steam. Now we ask all participants to refrain from Mexican food for at least a day prior to work.

Air Jacksons

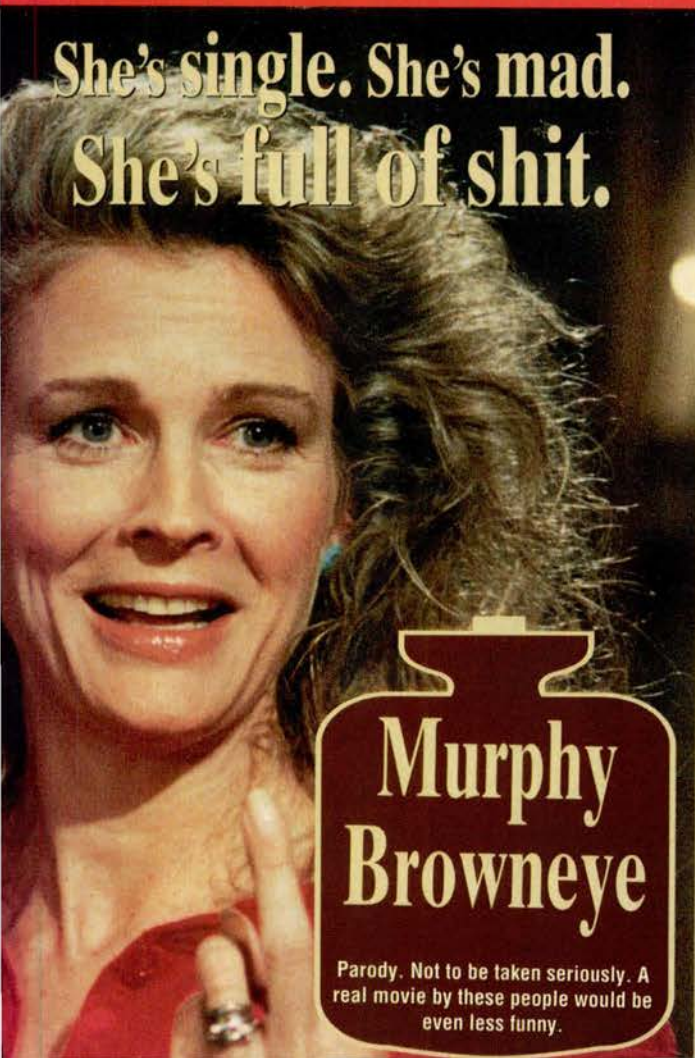

Just Shut Up and Blow.

Faster than a blazing ghetto; what makes Jesse run so fast? Air Jacksons, new from Kike, are the only high-tops filled with enough hot air to float Jesse to the latest media spotlight in time to fan the flames of his burning self-interest. Once inflated, the long-winded air pressure makes Jackson's every hop, skip and a jump from the truth.

Disclaimer: Ad Parody. Not to be taken seriously. Garrulous political head pasted onto our model's body.

She's single. She's mad.
She's full of shit.

AGE BEFORE BEAUTY?

HUSTLER's a great magazine! The women are terrific and just seem to be getting better. Do you plan, or has it been considered, to have a photo spread of porn actress Holly Ryder? I think the world is ready for that monstrous appendage of hers! I mean, of course, the lovely, little button most women need a magnifying lens to see.

Also, has HUSTLER discovered a fountain of youth? In the June 1992 issue, your cover girl and centerfold Pauline is 21 years old (*Pauline: Poundin' Surf*, June '92). But in August 1992, she's Nicki (*Dick 'N' Nicki: Fish Report*, August '92) and 19. Even a blind man could tell that's the same model, right down to the mole on her right forearm and those mismatched, silicone tits. —J. G.

Gilbertsville, Kentucky

When Pauline Nicole was but a 19-year-old photo naif, she posed surfside. Two incredible years later, she was a budding star. Why HUSTLER should run the later pictorial before Fish Report is simple: We can't resist a full spread!

CLOTHES MAKE THE MAID

HUSTLER's love-doll layout was something I know a lot of people can relate to (*Milk Maid and the Man*, August '92)! I've been trying to buy my own doll some racy fashions and I loved the ones that Lance bought for Milk Maid. Could you tell me where he shops? —S. S.

Sherman Oaks, California

When it comes to redressing overlooked photo credits for on-location photo shoots, HUSTLER does indeed care, S. S.! Playmates, at 6438 Hollywood Boulevard, Hollywood, CA 90028, was the store Lance chose for Milk Maid's fun, sexy fashions!

MONSTER CLIT

I am a lover of clits, lips and nips: the bigger, the better. I have yet to see Holly Ryder in HUSTLER, though I'm told she has an exquisitely large clitoris. Could you run a photo of this wonderful woman's pussy?

I'd like to see a retrospective collection of HUSTLER's features illustrating women with unusually large nipples (large in length, not areola diameter) and women with extra-large labia and clitorises. I am sure it would be popular, and I myself would surely want more than one copy! HUSTLER enhances my fantasy life 100% or more! Keep that wet, hot pussy coming!

—A. R.

Des Moines, Iowa

Holly Ryder, Holly Ryder, why can't we get that name out of our head? Has the thought of her enormous, throbbing clitoris hypnotized each and every Feedback reader? Surely there are more stimulating things in this world than a clit the size of your fist!

Pauline: Poundin' Surf

PAID IN FULL

Feedback gets letters like this all the time, right? Don't feel down. Think about it—you're getting p-a-i-d to read junk mail. It's a trip, ain't it? I only wish I were doing it. Enough about you and me. Let's get a subject going.

Pauline. You know who I mean here (*Pauline: Poundin' Surf*, June '92). She's got black hair, greenish eyes, wears cheap jewelry, no clothes and a bandanna like Bruce Lee's. I want her. Okay, maybe you don't know who I'm talking about. It's the June issue. HUSTLER Magazine. She's on a couple of pages in the center of the mag. Trust me; she's there.

Anyway, I get her on the phone. I'm talking to her about important subjects like the trouble with sand when I realize something: Whoever I'm talking to, it's not Pauline. I doubt whoever I'm talking to is even female. For one thing, he didn't know what that purple thing was that got wasted in the tide (a dress). For another, the voice said it was calling from L. A. My phone bill states the call came from Vegas.

Women might be good at lying, but they remember things like the clothes they wear. And the voice was a bit too squeaky and manicured to come from anything close to female.

Now, if I could talk to the *real* Pauline, or get some literary message to her, I'm certain she'd get a kick out of it. I know I would. But I feel cheated at this point. And I'm sure not going to suggest using that 1-800 number to anyone I know. I'm

RAG MAG

In the July 1992 HUSTLER I found a very good article on modern lesbians (*The New Lesbian*, July '92).

I wonder if you could send me the address of a magazine mentioned in the article—*On Our Backs*. The publishers were Debi Sundahl and Nan Kinney.

Any magazine that can call itself the "female HUSTLER" must be worth checking out! —E. P.

GOOD LUCK, BEAVER!

I just wanted to drop you guys a letter thanking you for using my photo in HUSTLER's *Beaver Hunt*. I've been doing a lot of amateur porn video work, and I'm going to L.A. next month, hopefully to get my big chance to do pro porn movies. My agent has shown my photos to different companies, and they liked what they saw; so they want me to come on out. I'm definitely going to make it in the porn business—I'm very determined. Thanks again to *Beaver Hunt* for helping make my dreams come true! —D. A.

MORE EXCITING TO HOLD IT IN!

I'm almost 32 years old, and I enjoy reading HUSTLER Magazine. The issue I like best is March '92, with its pictures of Alicia doing her thing—you know, opening her vagina (*Alicia: Icy Hot*, March '92). Please do more stories and pictures of naked women. A special request: Get some close-ups of women's vaginas and men's penises peeing. That will make it exciting! —A. K.

Rural Hall, North Carolina

JESSIE REELS 'EM IN

Someone fuck up over HUSTLER way? You feature gorgeous Jessie on the cover, then feature her in a pictorial that obviously

isn't enough and leave us hanging with a shot of her beaver and on the opposite page print an article called *Snitch* (*Jessie: Fly Fishin'*, May '92; *Snitch: Mark of the Squealer*, May '92). Was she supposed to be the centerfold in this or a future issue? I sure hope you're teasing us readers and plan to feature Jessie in the future!

Since I have your attention, I want you to know that whenever I visit my favorite magazine rack I find a lot of publications pushing the latest titles in XXX, but not the stars. I'm in love with Jean Africque and the way she sucks black dick, but there's no publication on the stands that lists the stars first and then the movies they're in. I think HUSTLER can fill a need by putting out an edition of porn stars and the movies they're in!

Jessie looks like she might push Jean off my number-one list, but I haven't seen how well she sucks cock! —J. K.

Buffalo, New York

BRAINSTORM!

First, let me say that HUSTLER is an excellent magazine. My girlfriend and I pick up a copy every month and really enjoy your articles and pictures. I have one question I hope somebody at HUSTLER can help us with. My girlfriend and I would like to go to a club where they have male

and female dancers together or a simulated, live-sex show. It would have to be a club where there were other couples in attendance. We live in the Midwest and would be willing to travel to the nearest place. Any suggestions?

P. S. It seems to us there are too many videos that are rated Limp or Totally Limp reviewed in HUSTLER's *Erotic Entertainment*. Review more of the good ones each month!

—S. E.

What—review more Fully Erect videos so pervs like you and your girlfriend can simulate live-sex orgies?

BIRTHDAY BOOTIE

Happy birthday, HUSTLER! You may be 18, but you still can't buy beer!

I must say, nice mag (*Anniversary Issue*, July '92), but if we don't see a bit more of Jezra (*Beaver Hunt*, July '92), ya'll need to get ya'll's head out of your asses! That bootie needs attention! You heard the girl!

VICTORIA'S SECRET LIFE

Three-Quarters Erect. Directed by Robert McCallum; starring Victoria Paris, Tianna Taylor, Tae, Christy Wild, Ron Jeremy, Cal Jammer, T. T. Boy, Jonathan Morgan and Zake Thomas. Videocassette: Western Visuals.

A scalding showcase for Victoria Paris, as well as two naughty new nymphs, *Secret Life* palpitates with pulchritude. Paris, with a new hairdo and renewed sexual vigor, plays a woman about to be cut out of an inheritance by bitchy mom Tianna Taylor and

This showcase for **Victoria** Paris will tie your nuts in knots.

A **Secret** worth spilling beans over.

dickhead stepdad Jonathan Morgan. Paris gets two potent pokes: a hot hump with T. T. Boy and an outdoor offering with Zake Thomas that ends with a load of fuck liquid on her flawless face. Fresh meat: Christy Wild and Tae pour gasoline on the fucking fire. An adorable Asian slot, Tae opens her back door for the throbbing joint of Cal Jammer in a beaut of a butt bang. While Wild takes Ron Jeremy's bazooka straight down the poop chute, her DP with Jammer and Boy really sings scrots, complete with a double facial finale. This is one *Secret* worth spilling its beans. —Sam Lowry

Americans: Boy gives Moore a penis colonic.

Poppin': Two hours of this will kill any man.

This **Pair** is for you.

Manbait Moana is a real carnal catch.

AMERICANS MOST WANTED

Half Erect. Directed by Jim Enright; starring K. C. Williams, Alyson Sterling, Randy West, Melanie Moore, Joey Silvera, Jamie Leigh, T. T. Boy, Ron Jeremy and Arnie Pollock. Videocassette: Hollywood Video.

Most people think of antiporn crusaders as impotent men and terminally frigid women, which is why it's shocking to see dicks-for-hire T. T. Boy, Joey Silvera and Randy West plotting to destroy Ron Jeremy's smut-distribution business. K. C. Williams is the first unsuspecting slut to fall for West's cover and cock as the surprisingly vocal vixen gets her chest covered in cum. Moore uses Boy to take a penis colonic, arching her back in pleasure. As the sting leader, West imbeds his face in Sterling's butt while drilling Moore's gash. In case anyone might have misunderstood the flick's purpose, West makes a speech at the end, but it's unnecessary—if this had really been made to turn people off porn, we would have seen Jeremy fuck.

—Kent Lelak

NUDES A POPPIN'

No Hustler Rating. Directed by John Stagliano; starring Honey Melons, Alisha Loveroe, Juicy, Tina Fox, Cindy Chimes, Cats Meow, Erotic, Little Lisa, Roxie Rae and John Stagliano. Videocassette: Evil Angel.

This annual erotic-dance contest at the Ponderosa Sun Club in Roselawn, Indiana, attracts virtually every stripping, strutting, bend-over-and-see-my-asshole professional show-off in the known universe—and a few outstanding amateurs as well. So much pussy is on parade—borderline ugly babes with heart-stopping bodies; flat-out gorgeous ladies almost too beautiful to look at; big tits; little tits; long, lean legs up to the sky; tan lines; oh, what tan lines—that two hours of this will kill any man. And the butts—oh, fucking shit!—the Buttman sticks his Handy Cam everywhere a stroker wants his nose to be. "Sorry I missed the face," Buttman says. "Some things are more important." Look for the wet spot on Honey Melons's blue panties.

—Mal O'Ree

THE PERFECT PAIR

Half Erect. Directed by Scotty Fox; starring Nicole Wilde, Ashley Nicole, Alexis DeVell, Alexandria Quinn, Mike Horner, Jon Dough and Peter North. Videocassette: Legend.

Viewers will probably wonder about the movie's title: Does it refer to Alexis DeVell's twin torpedos, which take a torrent of cum from the spewing dick of Peter North? Does it refer to the mammoth mammaries of Nicole Wilde, which flop wildly when she's in the throes of orgasm? Does it refer to the firm chest appendages of Ashley Nicole, who surrenders her nubile nipples to the tongues of North and DeVell? Or does it refer to the titanic titties of Alexandria Quinn, who sucks the cum out of Mike Horner's dick until it splashes all over her face? Apparently the answer is none of the above, as the *What About Bob?* storyline interferes with the deviant sexual deeds.

—Augie Michaels

MANBAIT 2

Half Erect. Directed by Gerard Damiano; starring Moana, Leanna Foxxx, Heather Hart, K.C. Williams, Cheri Taylor, Alexandria Quinn, Buck Adams, Sean Michaels, Tom Byron and Randy West. Videocassette: VCA.

When we left Moana she had stars in her eyes and poles in her holes, the victim of some sleazy hustling by Buck Adams, her agent/pimp. *Manbait 2* finds the Italian delicacy still a sucker for fuckers, but she's put Adams behind bars, where he recounts the odyssey that led to his incarceration—a bunch of sex scenes loosely strung together. Moana is still looking to become a high-fashion model and thinks some therapy will help. Shrink Randy West gives penetrating analysis that may not help her career but proves very therapeutic for home-bound testes. Although she claims she's tired of all the "push-push," Moana hasn't lost any erotic energy, especially when she's getting fucked in the ass. Some soapy slot slurping between Moana and Leanna Foxxx is sheer heaven, with Foxxx tongue-fucking Moana's shitter, then finger-banging both her orifices with glee. Adams's tryst with Heather Hart and deep-throat artist Alexandria Quinn help make *Manbait 2* a real carnal catch.

—S. L.

G.I.O.W. GOO

Tiffany Million, a former grappling ginch for the Gorgeous Ladies of Wrestling, has made a career change, trading the sweaty headlocks of the ring for the slurpy lip locks of the blue-movie industry. "I love it," Million says of her current meal ticket. "Why shouldn't I make a living doing what I really like to do? You should have seen me the other day. I was playing a peep-show girl, and I had one ankle behind my head—I'm a contortionist—and I had three fingers in my pussy and one in my asshole. It was great." A contortionist? "Yeah," Million says. "I can lay on my back and bring my legs up so my knees are straddling my head and the guy can fuck me like that."

Ghost is haunted by nasty cum-gobbling.

Hocus: Perfection through a layer of cum.

GHOST TO GHOST

Half Erect. Directed by Michael Carpenter; starring Stacey Nichols, Marc Wallace, Mercedes Lynn, T. T. Boy, Viviana, Buck Adams, Nicole Wilde and Cal Jammer. Videocassette: Coast to Coast.

Haunted by poor writing, abominable acting and mediocre music, *Ghost* still shows spirit, thanks to excellent photography and nasty cum-gobbling. Marc Wallace wakes red-hot, super-stacked Chicana Viviana by inserting his member in her mouth in the flick's first fuck, and she seems to prefer it to being roused by an alarm. Mercedes Lynn is a cute, curly-haired wad sucker, and she samples the spunk of Buck Adams and T. T. Boy. Nicole Wilde stays away from schlong, but Stacey Nichols, the worst actress and the least attractive slut of the bunch, takes a double cream facial in the finale. —Woody Hood

HOCUS POKE-US

Half Erect. Directed by Eric Edwards; starring Sharise, Tom Byron, Stacey Nichols, Mike Horner, Nick E and Raven Richards. Videocassette: Hollywood Video.

Writer/director/actor Eric Edwards knows porn isn't easy. With the hot lights, crowds of onlookers and often comatose performers, the only thing more difficult than getting it up and off on time is performing magic tricks for a crowd that smells like cow shit, the premise for the often funny and occasionally arousing *Hocus Poke-U's*. Mike Horner, owner of the Rusty Wagon Lounge, whose clientele works at the nearby fertilizer factory, has a boinkable barmaid in Raven Richards, who shrieks like she can actually feel his cock pumping into her. Things are tougher for Sharise, whose failing magic show is followed by an equally moribund muff munch with Richards. Luckily, Nick E. pulls a dick from his pants for the sorceress to swallow while he consumes her cunt. Sharise's stomach is cute and looks good through a sheen of sperm. —K. L.

Screamer: No one cares if a woman comes.

A good reason to gawk at Mills's **Boss** body.

Rear: Valhalla's asshole out-fucks her co-starring cunts.

Too much **Dancing** and not enough fucking.

THE SCREAMER

Totally Limp. Directed by Jackson St. Louis; starring Terry Diver, Debi Diamond, Jenna Wells, Melanie Moore, Jon Dough, Scott Irish and Tom Elliot. Videocassette: Caballero.

The greatest accomplishment of *The Screamer* is that it contains virtually everything that makes bad pornography: greasy, hairy men, women who shriek, a tepid storyline and a comatose director. Terry Diver pierces Tom Elliot's eardrums while he pathetically pounds her pussy. A dildo-wearing Diamond gives Jenna Wells a long-needed screw. Melanie Moore lets Tom Byron's stick into her slimy shit chute, even though he claims not to care if a woman comes. By the time Jon Dough tools Diver and Moore, neither will anyone else.

—K. L.

SHE'S THE BOSS

Half Erect. Directed by Michael Carpenter; starring Tonisha Mills, Jenna Wells, Mimi Miyagi, Natasha, Peter North, Mike Horner and T. T. Boy. Videocassette: Visual Images.

Would-be hard-body Jenna Wells plays the most dominant slut in this movie (she never lets a cock anywhere near her mouth), but Tonisha Mills is the featured attraction, even though she doesn't expose her massive mammaries until the tape is almost over. The sex opens with Natasha butt-fucked by T. T. Boy. Then Mimi Miyagi plays the domination game, with Mike Horner as her willing, pussy-licking slave. Eventually, Mills turns over a dominant leaf and proceeds to prove that she's the best fuck of the bunch, taking on North and Boy in a threeway that ends with Mills covered in cum. With judicious use of the fast-forward button, there's no reason to miss an opportunity to gawk at Mills's incredible body.

—A. M.

STEP TO THE REAR

Half Erect. Directed by Jerry Ross; starring Ashley Nicole, Tom Byron, Marc Wallace, Sean Michaels, Valhalla, Tom Chapman, Heather Hart, Buck Adams, Dominique Simone and Lelani. Videocassette: Vidco.

Valhalla's asshole out-fucks the co-starring cunts in *Step to the Rear*. She attacks male meat with zeal, handling Tom Byron, Marc Wallace and Sean Michaels. After seeing this Nordic goddess squealing with a dick in every hole, only the most sentimental will not be renaming their inflatable dolls. Lelani knows it takes a hard dick to dig into her dumper and blows Buck Adams's cock to the bursting point before letting it in her very accommodating asshole. Hampering hard-ons in this fuck flick are the nonanal scenes—including Ashley Nicole's nonstop narration and masturbation and Dominique Simone's clit-crunching with Lelani.

—K. L.

SLOW DANCING

One-Quarter Erect. Directed by Gloria Leonard; starring Hypatia Lee, Melanie Moore, Terry Diver, Marc Wallace, Mike Horner and Jonathon Morgan.

Dancing is so slow it can't satisfy the die-hard Hypatia Lee fans for which this thirtysomething tale seems geared. In the film's telling viewpoint, the jilted Lee slides a dildo into the billowy ass of Melanie Moore with a little help from Terry Diver, who agrees with Lee's assertion that "the best thing about a dildo is that there's no man attached to fuck things up." Well, even Thelma and Louise took time-out from their male bashing to enjoy a good fuck, which this X-rated flick does not.

—Luke Faucette

The Hard Way

New slut on the block Daphne just completed porn's first ten-

cock anal gang-bang, *The Anal Gang Bangers*, for Stroker's Video. "This will prove my strength, stamina and butt-hole ability," Daphne says. "When they first approached me with the movie, it was with five guys, and I said, 'I want ten guys.' I want the record to last more than a month." The *Anal Bangers* are a group of scuzzy scooter trash led by Biff Malibu (pictured). Most of them aren't professional porn actors. For Daphne, preparation for the scene is mental and physical. "I don't eat for two days before I do anal, and I take an enema every six hours. Mostly I try not to think about it. Oh yeah, and lots of Budweiser." Things are ready to go, but there's a slight disagreement. Daphne wants each guy in her ass for only 40

seconds, and the producer and the director want more time. Furious last-minute negotiations take place until all parties are satisfied. Each man will have one minute and 40 seconds to pump her rosebud. The scene is a sleazy endurance test, with frequent rest breaks for Daphne's battered brown-eye. Cocks Eight and Nine are huge, and Daphne collapses. "I need a new butt-hole," she says. After a cigarette she's back. Number Ten slips into her and Daphne swivels her hips into the smut record books. She's sucking on two guys as the last man slaps her asshole with his cock and comes. The *Anal Bangers* gather 'round, cocks stiff in appreciation. "Just jack off all over me," Daphne cries. She catches loads and rubs it in with her manicured fingers. Daphne figures this will be her last movie in front of the camera. Too bad. True artists are hard to come by.

Simone is **Buns**-up kneeling.

SILENCE OF THE BUNS

Half Erect. Directed by Robert McCallum; starring Samantha Strong, Dominique Simone, Chrissy, Tianna Taylor, Patricia Kennedy, T. T. Boy, Tom Chapman, Cal Jammer and Julian Paul. Videocassette: Western Visuals.

Leaching its title from this year's Oscar sweeper, *Silence* could have been about a psychotic gash gobbler. Instead we're stuck in a sexual-studies institute, where the women are frigid before they start fucking. Dominique Simone takes the first fuck where she truly belongs—on top of a dick with the sun shining on her black, oiled body. The pretense of science soon vanishes when Patricia Kennedy is blindfolded during a "touching" experiment and ends up sprawled out with a dick in her butt. Even more penis proficient is Chrissy, who shows a slut-size appetite while alternating between the dark and light meat of Cal Jammer and Julian Paul in an ass/pussy feast.

—K. L.

ANGELS WITH 'TICI' FACE.

Half Erect. Directed by Rick Savage; starring Ginger Thomas, Tasha Voux, Athena, Brittany Saks and Ron Hightower. Videocassette: Vidco.

Thanks to producer/director Rick Savage, the days of commercial-free video are over. It's bad enough having to endure five minutes of phone-sex ads before a video gets going, but *Angels* is interrupted three times by commercial breaks. This slimy innovation is a real piss-off. Otherwise, the New York production is fairly ordinary. There's a nicely shot girl/girl, Savage inserts and retrieves anal beads from Tasha Voux's tush, and the sticky faces are delivered as promised. Though far from angelic, the women are more attractive than the usual New York porn squack. —Chas Beatty

BUTT'S UP DOC

One-Quarter Erect. Directed by Milton Ingley; starring Louise Armani, Sean Michaels, Stacey Nichols, Marissa Malibu, Brigitte Aime, Biff Malibu and Cal Jammer. Videocassette: Gourmet.

In 1972, Linda Lovelace found out her clit was located in her throat. Now 20 years later, Louise Armani is facing a similar malfunction, only her buzz button is tucked firmly away inside her asshole. While Armani might be a marvel of modern medicine, the vid is a virtual failure of tired pornmakers. A bored, lazy cast goes through the motions, and although three shitters get shanked, there's precious little worth shooting spuzz for. Only when Armani finally has her butt-hole button pushed by the lunging log of Biff Malibu does the humping get hot. The rest of *Butt's Up* definitely deserves thumbs down. —S. L.

These *Angels* are better-than-average squack.

Feedback

(continued from page 15)

encuentro preso aqui en California, por lo que quisiera me permitieran por medio de esta carta hacerle llegar un saludo y muchas felicitaciones a Naomi (*Naomi: Cuban Slide*, June '91) la verdad que estoy orgullozo de ella y si es posible pues que le dieran mi direccion para escribirme con ella, seria un placer para mi, por otra parte quisiera que si está dentro de sus posibilidades, ustedes me enviaran algun material aunque fuera viejo para leer y entretenerme, pues yo no tengo familia aqui, ni dinero en los libros por lo que no puedo mandarles una cuota para la subscripcion de su Revista, por lo que les pido de favor que si pueden pues me hagan llegar alguna Revista si es posible con fotos de mi paisana Naomi. Respetuosamente un gran admirador de su Revista.

Apurate y sal de la prision, o no podras conseguir jevitas. Entre tanto siga haciendose una paja con HUSTLER!

HOT AND BOTHERED

I'm writing to compliment the excellent work HUSTLER does each month, but I have a few complaints. First, there aren't enough pages of each girl featured. Just when things start getting hot, it stops short. It's frustrating to see more pages set aside for advertising than for women.

Second, the goddess of all time is featured in HUSTLER's July '92 issue. Anita did not have the pictorial coverage she deserved (*Anita: Ring of Fire*, July '92). I'd like to see more of her!

—M. A.
Long Beach, California

HEAR, HEAR!

After reading "Jesus Chrysler" in *Feedback* (July '92), I had to write that asshole, Seriously Pissed Off from Los Osos, California, in reply. Fuck you, asshole. If your life was worth a shit, you might be Asshole of the Year! What, do you have a hard-on for Lee Iacocca?

The U. S. is becoming a huge toilet bowl clogged with turds like you and Iacocca. You're just another dingleberry on the asshairs of America. To badmouth Larry Flynt and HUSTLER's *Asshole of the Month* for exercising their rights and examining feces like you is like crapping on the Bill of Rights. Why don't you join those cunts in Baltimore who peddle censorship? Take your mitts off this mag and pick up some crap a shitmonger like you can relate to!

—Muff Diver
Hudson, New York

TAKE A CRACK

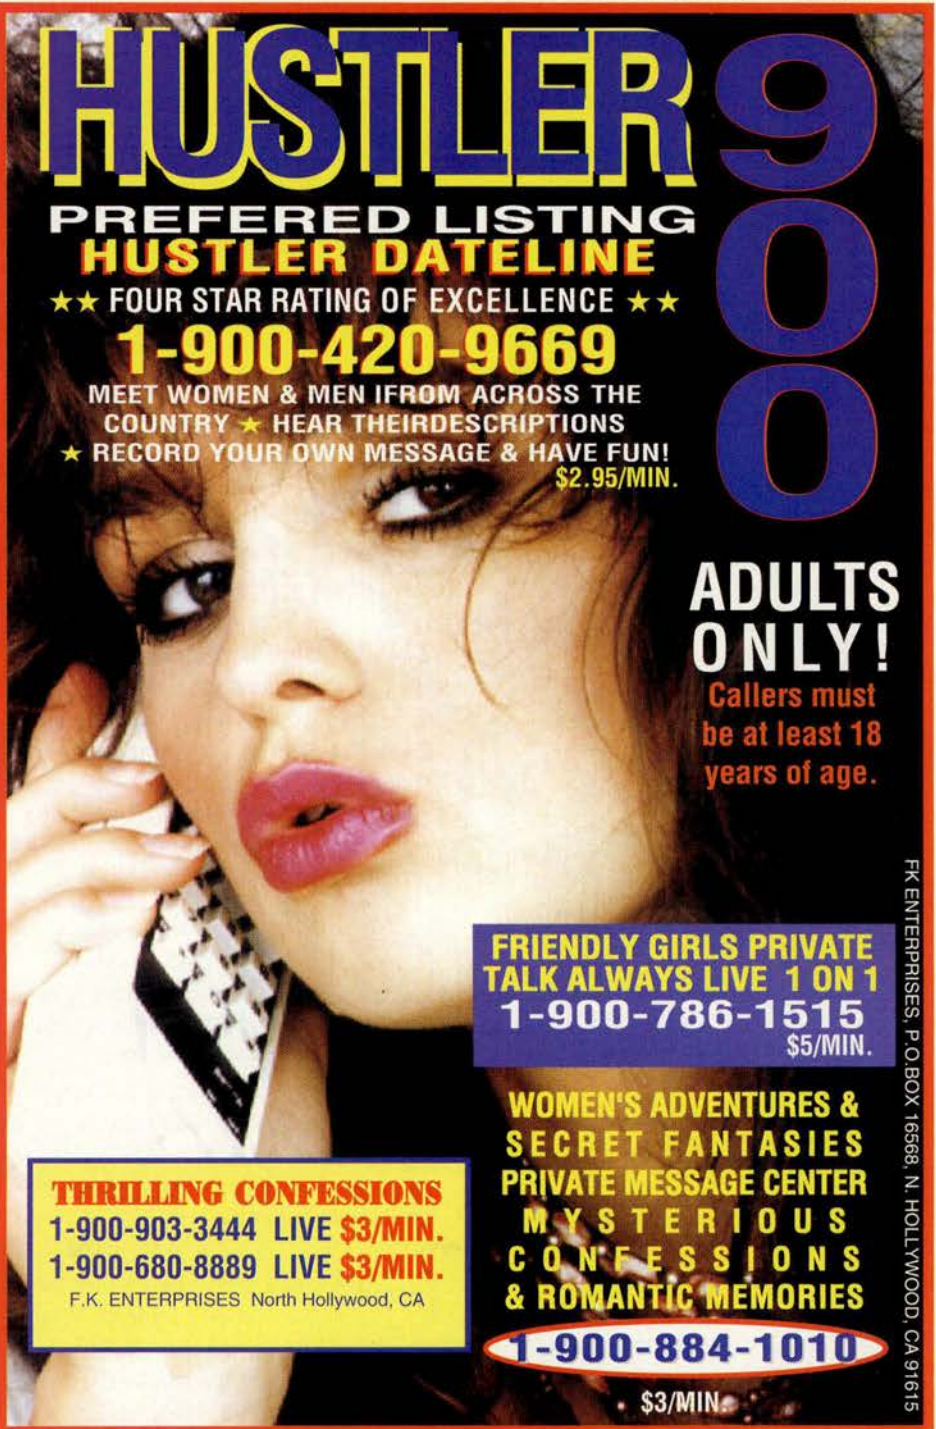

I recently purchased HUSTLER's birthday issue. What I liked best was that one of the Honeys was chosen as the birthday girl and every guest got to spank her (*Bits & Pieces*, July '92). What I'd like to know is, what's her name? Did she cry? How did her butt feel afterward? Did each guest spank her 18 times, or did 18 people whack her once? I wish I'd been able to join in.

—M. P.
Mentor, Ohio

Pauline Nicole, who was once 19 and is now 21, was the HUSTLER Honey who

so generously offered her jiggling derriere to the eager palms of HUSTLER's birthday revellers. She cried happy tears of joy after each and every guest spanked her as many times as they damn well wanted. Since sitting afterward was out of the question, Pauline spent the rest of the evening table dancing!

Do you have a comment, suggestion or complaint? We want to hear it. Send your letters (typed or neatly handwritten) to HUSTLER Feedback, 9171 Wilshire Boulevard, Suite 300, Beverly Hills, CA 90210. Include a phone number if you want your letter considered for publication.

Thanks to cable television, inane broadcast channels have become more and more abundant. Soon, the glut of disposable images will undermine human behavior in ways previously unimaginable. Fight back! **Sick** of banal infotainment like the weather and shopping channels? **Tired** of being hypnotized by the 24-hour ad space of MTV? Fuck 'em, and from A to Z **Say,**

“I want my...”

(ATV) Witness America's funniest A-bomb bloopers as small children run screaming through villages with their skin ablaze on **Apocalypse TV**. Viewers are encouraged to set up home-video equipment and set their own children on fire to earn each week's big cash prize.

(BTU) Enter the world of **Bung TV**—24 continuous hours of assholes. Privately funded and narrated by Jesse Helms.

(CTV) Boring police dramas and unamusing sitcoms irritatingly interrupt the continuity of the advertising spots. So tune out, and turn on **Commercial TV**. This week Cosby and Hammer face off for the title of Biggest Festering Media Whore.

(DTV) The budding scientist of the family will pop a big one for **Discharge TV**. Is nothing sacred? No, it's not. And wait until fall sweeps, when DTV goes behind the scenes at a syphilis convention.

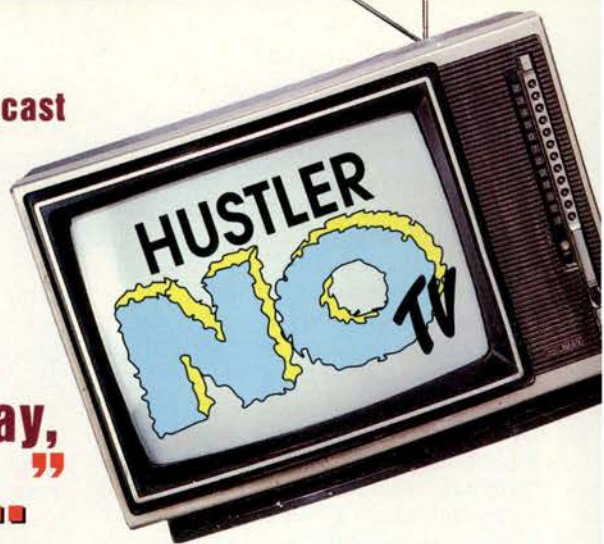

(ETV) Watch as priests attempt to purge Hellfire demons from the minds and bodies of little, virgin girls on **Exorcise TV**. Sitting in this week's Satanic Celebrity Hot Seat, Linda Blair attempts to exorcise the demon of oblivion.

(FTV) What's the one thing that has given more pleasure to human beings since the invention of the Q-Tip? Feet. Watch **Feet TV** and see big feet and small feet. Feet with cuts and feet with corns. Red feet, blue feet, one foot, two feet. Yards and yards of feet.

(GTV) There's nothing like a good execution, but few are lucky enough to witness one. Now there's **Guillotine TV**. Each night one lucky caller to the suicide hotline will be selected to terminate his existence and enjoy his 15 minutes of fame—both in one sharp, steel swoop.

(HIV TV) On **HIV TV**, special high-speed photography charts the deterioration of an AIDS sufferer without waiting months for the results! Every weeknight at 7:30 play *Count Those T-Cells*. Contestants try to chart the progression of a panelist's HIV. Fun and educational for the whole family.

(IVTV) A sharp needle glides cleanly into a woman's forearm. What could be more serene than **IV TV**? Only our advice on the way to shoot Everclear without entering our ruptured-artery hall of shame.

(JTV) Open wide for **Juggs TV**. Breasts, boobs, bazooms, knockers, knobs and mammoth mammillation. This boob tube is for tit-heads everywhere. Enjoy *"Spot the Surgery Scar,"* every night at eight o'clock, hosted by former Dow Chemical CEO Lawrence Reed.

(KTV) Picture a man in college cramming for tomorrow's final. He has no idea what the fuck he's doing there, and his parental allowance has nearly run out. What makes him continue living? **Keg TV**: A continuous, 24-hour close-up of an icy beer keg that keeps life in perspective.

(LTV) Nature-lover Marlin Prickins explores the hairiest jungles and the widest valleys on **Labia TV**. Abandon hope all ye who enter here!

(MTV) Long hair, dope and loud guitars, faggots and dinks who think they're stars.

(NH1) Nipple-hair lovers, throw those remote controls away, and focus on **Nipple Hair TV**.

OTV It's a country governed by an absolute monarchy. Its chief crops are dates and wheat. Its population is just over a million; yet it's barely the size of New Mexico. Learn more about this bustling Arab nation on **Oman TV**.

PTV From reruns of *Singing in the Rain* to infotainment specials on how dietary combinations can affect urine's color, wash away the troubles of the day with the golden-age carnality of **Pee TV**.

QTV A woman's pussy fart actually speaks a language that only animals understand. True or false? Experience the labia's rumbling inner monologue on **Quiff TV**. Some scientists theorize that the Loch Ness monster lurks inside Madonna's cunt, trying desperately to get out. Fact or fiction? Find out here.

RTV It has a furry, little tail and a steel plate in its head. No, it's not Nancy Reagan; it's a laboratory chimpanzee, and on **Rhesus Monkey TV**, he'll scream, twitch and keep the kids amused for hours. RTV can also be a useful behavior modifier, once the little ones understand the theory of evolution and the fact that a steel plate could fit nicely into their skulls as well.

STV Why has Clarence Thomas switched to Pepsi? What is that humming sound under Sandra Day O'Connor's robe? Why does the original Bill of Rights have a shit stain down the middle? Discover the truth on **Senate TV**.

TDTV Spending another night home alone, cowering from the public's condemnation. TV or not TV? That is the question. But wait; there's someone on the screen who looks the same. Say the words, "I am not alone," with **Transvestite TV**.

UTV When tantalizing jean commercials become a dreary bore, and *Playboy* channel tease seems like such a snore; when renting porno movies proves to be a chore: Take voyeurism one step further with **Uterus TV**. FUCK WITH THE ANIMALS

Remember your first time? I'll never forget mine. I was 26 and working at the local zoo. It was a shitty job, literally, since I had to clean cages in the African habitat. You wouldn't believe how much shit comes out of an elephant.

The curator, Ms. S., practically slept at the zoo. The animals were like her children, and many nights she could be seen walking through the cages, coddling all the little creatures. I was an intensely shy man in those days, unable to speak because of a traumatic childhood experience with which I've only recently come to terms. Ms. S. was always kind to me, unlike the rest of the staff who treated me with less respect than the baboons. Finally, one August night, Ms. S. showed me the beast within the beauty.

I was cleaning the gorilla cage, my hip sack nearly overflowing with animal waste, when Ms. S. entered the cage. I always knew when she was around, because every animal within a hundred yards would immediately perk up, raising their tails and pricking their ears to attention. I could see why. Her white transparent blouse was buttoned to reveal the circular tops of her cream-colored breasts, and her tight safari pants circled her ass like Magellan did the globe.

"It's beautiful tonight," she said, so softly that I almost believed she was talking to herself.

I wished to God that I could speak, but instead I only smiled.

"You know, Kenny, I hear people making fun of you, and I'm sorry if they hurt you," she said, standing closer to

me than any woman ever had. I gripped my shit scoop tightly and begged my eyes not to stray to her cleavage "If only people could be more like animals," she said, and shook her head.

Fuck animals. I just wanted to see her tits. So I nodded in what must've seemed like sincere agreement, because before I could even fantasize about the shape of her breasts she was untucking her white blouse, and there they were. Her knobs were small and firm, with long, red nipples that rose like thermometers in the midnight air. "Let's be free tonight," she exhorted.

She removed her shiny, black, thigh boots and tossed aside her tan polyester slacks. Her bush was just as nature had intended it: furry and unkempt. She scratched one perfectly round ass cheek and ran her fingers through her hair, unpinning the tightly wound bun. As she shook her head, waves of the silky black mane caressed her shoulders.

She walked over to me as the gorillas circled warily around us. I dropped my scooper and nervously stepped back. "Don't be afraid, Kenny; let yourself go."

Her hand brushed against my rubber overalls. She took my wrist and placed my palm against one breast. I felt her heart racing underneath. Mine was ready to leap out of my chest. She unzipped the overalls and reached for my excited cock. The years of control I had learned through masturbation came in handy.

But when she crouched down to suck my shaft, I couldn't hold back any longer. I spewed my semen into the air, first over her head, then onto her neck, tits and thighs. The apes circled us, whooping and screeching, exciting all of the denizens of the nearby cages. A family of hyenas across the walk seemed particularly amused, and shrieked with glee.

Since it was the first time I'd come with another person present, I felt a little embarrassed; it was like the feeling

you have when your mother walks in on you whacking. But then Ms. S. wiped the sperm off the tip of my dick and thrust those fingers inside her mouth, and I realized that this was the real world of sex.

My dick was still hard (shit, it was hard for a week after that night) as she stood on all fours with her white ass in the air. "Fuck me, Kenny. Fuck me like an animal," she moaned.

I knelt behind her as the gorillas curiously backed away, respecting our union. I slipped my dick in slowly, wanting to feel every inch of her slot. It felt hotter inside than I'd expected. My dick head tickled as it rubbed against her textured walls. The smell of animals only intensified the pleasure.

After a minute or so of slow, steady fucking, I was ready to come once more. Again there was no stopping it

once it started; so I plunged deeper and unclenched my sphincters. But when she felt that first wave of semen crash against her uterus, she suddenly pushed me away.

"What the hell are you doing?" she shrieked, kicking her feet back into my knees like a bucking zebra. "You can't come inside of me, you idiot! I'll get pregnant."

She jumped to her feet and flicked water on her twat from a nearby trough. Meanwhile, I was kneeling in a pile of shit, unable to say a word in my own defense. My cock continued slobbering drops of semen to the ground, which attracted the frenzied attention of our fellow cage-dwellers, who fought for the right to lap up the slippery substance.

HOT LETTERS

His hand brushed through my pussy lips, and he moaned as he rubbed some of the menstrual flow into his skin.

As she collected her clothes, I'll never forget what Ms. S. said under her breath: "All I need is a fucking retard baby."

It was a long time before I followed up on that virgin experience. Hell, I was even laid off a week later for what were called "department inefficiencies." Fortunately, my therapist helped me reconcile this episode. Today I can speak and fuck like a healthy man, although I will probably never visit a zoo again.

BUM FUCK

You printed a letter recently about a homeless man who had sex with a woman who had picked him up ("Homeless Improvement," August 1992). Well, I don't read your magazine, but a friend showed me the letter because it sounded similar to an incident I had told him about. It turns out that I am the woman who supposedly seduced S.S. from Sherman Oaks, California, but that letter was a total fucking lie, and the public should know how manipulative these homeless people can be.

I was leaving the grocery store when I passed a scraggly man holding a hand-printed sign, *Will Work For \$\$* (not "Food" as his letter said). My parents had recently bought me a condo in the Hollywood Hills, but it needed renovating; so I figured I'd pay him to paint and help us both out. I'd taken one semester of college at Berkeley, and thought I'd learned something about trusting human nature. I mean, people are people; so we're all the same, right? Now I've learned differently.

It was true that I felt a little uneasy about disclosing the location of my place; so I blindfolded him with my nylons, simply because I had no other materials with me. When they slid past my knee, he acted like he'd never seen a thigh before. I mean, I know I have nice legs, and I *had* just been to the salon the day before; so they were pretty tan. But it's not like I led him on or anything; I even covered my pussy before I pulled the nylons off. At one point, while I drove, he rubbed his hand along my inner thigh, trailing it quickly up to my secret place.

"Hold it, pal!" I said, pulling the car

over. I told him to get out immediately, but he apologized sincerely, and then explained that he'd just been reaching for the radio, but couldn't see. It had been a long time since he had heard new music, he told me, and I felt guilty that I had questioned his motives. I drove on.

When we got inside my condo, I showed him to the unpainted room and provided a pair of overalls, as if his soiled jeans and ripped T-shirt were valuable commodities. I handed him a brush and went out to the kitchen to make some espresso. He painted the room without any skill whatsoever, and after a half hour it obviously wasn't working out. "Here's the hundred bucks I promised," I offered. "Why don't I drive you back?"

He got this really weird look on his face, you know, like when you tell your date to wear a rubber. I was scared because of the circumstances. Heck, the telephones hadn't even been installed. "I don't want your money," he smiled. His mouth was sepia brown and smelled like Mushey's litter box (that's my boo-boo kitty).

"Don't tell me," I said, getting angry, "you're going to rape me and leave me for dead. Well, forget it, fuckhead!" I grabbed my keys and headed quickly for the front door. This homeless dweeb wasn't going to get the best of me.

"Wait," he slurred. "You promised me payment for this."

"I know. So take the money and go."

"No," he said, smiling slyly, "forget the cash. I want to see you naked instead." I roared with laughter, but he simply sat cross-legged on the teak floor and refused to leave until I flashed. He even threatened to sue me for something called "breach of oral agreement." I'd seen enough episodes of *L.A. Law* to know that sounded pretty official. In addition, I had already upset my folks when I dropped out of school, and I didn't want to anger them any further. (I'm hoping for a new Jeep this Christmas.)

I rolled my eyes. He was pretty smart for a homeless guy. "If I show you my bod, you'll split?" He nodded and folded his arms. *What the fuck*, I thought.

I set down my purse and unfastened my jean overalls. I slid the straps down my arms and pulled off my white T-shirt. He sat expressionless as I undid my bra and let my tits flop against my chest. I have to admit that stripping for a man was kind of a turn-on, and I pulled my

LETTERS

(continued from page 31)

nipples to their full length. I slid the jeans down my legs and squirmed them past my aerobics sneakers. I turned around with my back to the bum and pulled my panties slowly down my butt, until my cheeks popped out. I had to rub my ass to smooth over the goose pimples, and then I bowed just enough so he could see inside my crack. I quickly snapped the panties back up into place. "Show's over; let's go."

"Hold on," he said, moving his disgusting scent closer to me. "One hundred dollars gets me more than that on the streets."

"Listen," I finally said, "what would it take to make you leave?" I wanted to stop fucking around and get this guy out of there.

"I want to screw you," he said, like a child. He reminded me of my brother.

I was on my period, and I admit, I was feeling a little randy. I also figured as soon as he saw the tampon, he'd split. "Okay, let's get it over with," I sighed and removed my panties. Standing naked, I placed my hands on the wall in the strip-search position. Before I could say, "By the way, there's just one problem," he was already pulling my string and tugging out the Tampax. He was the first man I ever met who didn't mind a period.

I didn't want to see him fucking me; so I concentrated on the wall in front of me and pretended he was Jesse Jackson about to make love to me from behind. Might as well enjoy a fantasy, I figured.

His hand brushed through my pussy lips, and he moaned as he rubbed some of the menstrual flow into his skin. It was probably the closest thing he'd had to a shower in weeks. Every once in a while he would slap his prick against my ass cheeks, but he never penetrated. It seemed like an hour had passed, and my spread legs began to tire. "Are we going to fuck or what?" I finally asked. But there was no answer. I poked my head back between my legs and saw the guy lying on the floor in the fetal position. The jerk had passed out, swear to God.

His dick was shriveled and smeared with blood. Spit drooled from his mouth. It was so sick, it was kinda hot. I actually felt cheated by this bum (especially later, when I read his letter, which made him out to be such a stud). So I washed off his tiny cock with a paper towel and tried to resuscitate it. I cupped his balls and sucked his limp dick, but it just wouldn't come to life. I

even rubbed his flaccid knob against my clit, but I couldn't even slip it inside my pussy when I crouched directly over him. *Fuck it*, I figured, and left him there to sleep it off, while I went to finish what he'd started. The 15 minutes I spent in my room alone with Malcolm, my big, black dildo, is another letter entirely.

I was totally energized when I returned to the living room. The front door was wide open, and the lifeless scumbag was gone. So were my Cartier watch and my cat Mushtiki. I was totally bummed.

Luckily, I found my pretty kitty roaming the neighborhood, but my

watch, which was a gift from Grandma after I completed my first semester, has yet to be found. The police are closing in on several leads, but I've since had to move from that condo for my own protection. My attempt at being a Good Samaritan has cast my life into total disarray. Now I spit at the homeless who wave their pathetic little signs for help. Obviously you can't believe everything you read. I just had to set the record straight.

FUCK THE RICH

BONE WOMEN WHO HAVE MONEY

BY ALEX MARVEL

Women have been doing it since the inception of the barter system.

"It's just as easy to fall in love with a rich man," generations of enlightened mothers have instructed their clever daughters, "as it is with a poor one."

Times have changed, and men have almost caught up with the wily sex. After centuries of painful and often pointless evolution, males are prepared to join the age of higher, mercenary consciousness. The password is out, and the message is: "It's no more trouble to have a rich bitch honing your bone than it is to have a broke skank bending your crank."

With the national deficit poised to dive into the toilet of prolonged fiscal depression, dragging the personal finances of every free-breathing American male down with it, watching out for the wallet is more important than ever, almost as much so as finding a warm, wet place into which to insert one's dick. Why not kill two birds with one stone? The logic of such efficiency is unarguable; still, some of our less-advanced brethren have voiced objections.

"I never had a rich woman," protests J. P. Getty, a grease monkey at an automotive body shop. "Haven't been any rich women in my family or among my relatives. None of my friends ever had a rich woman either."

"If a lady's got a lot of money," opines Andy Carnegie, taking a break from refilling the freon in an air conditioner he's servicing,

"then me and her got nothing in common and never will."

High-school civics teacher A. Willie Mellon, moonlighting as an adult-book clerk in order to stretch his food stamps, reveals, "The mere thought of a woman wielding greater earning power than I produces a deflationary effect upon my libido in conjunction with her."

"I feel at ease here, at home," muses Corny Vanderbilt, a between-engagements college graduate with an advanced humanities degree who seldom leaves his parents' apartment other than to procure temporary office jobs. "Would I be comfortable in the prosperous milieu? I don't see myself fitting in among wealthy women. What have I to offer them?"

"Who're we kidding?" scoffs motorcycle officer John Pierpoint Morgan. "No broad gives guys like us a second look, if she can afford not to."

Superstition and ignorance are the bane of many otherwise-adequate working-class hard-ons in their pursuit of monied gash. Such self-defeating attitudes help perpetuate the social stratification of the United States, when in fact they are surmountable barriers. The money-grubbing, pussy-grabbing guy who yearns to sink his clutches into a rich, plush ass need only consider a few cliches in order to rid himself of crippling prejudices.

CRIPPLING PREJUDICE NUMBER ONE: Rich women are a separate breed, untouchable due to their alien status.

OVERRIDING STEREOTYPE NUMBER ONE:

Pussy smells like pussy. Take her out of that Chanel suit, strip off her Dior lingerie, mess up her Jose Eber coiffure and smear her Estée Lauder lipstick, pump a double-shot into her pink slot, and she's no more trouble than a real woman.

CRIPPLING PREJUDICE NUMBER TWO:

A guy who punches a time clock has no common turf with a bankable beauty.

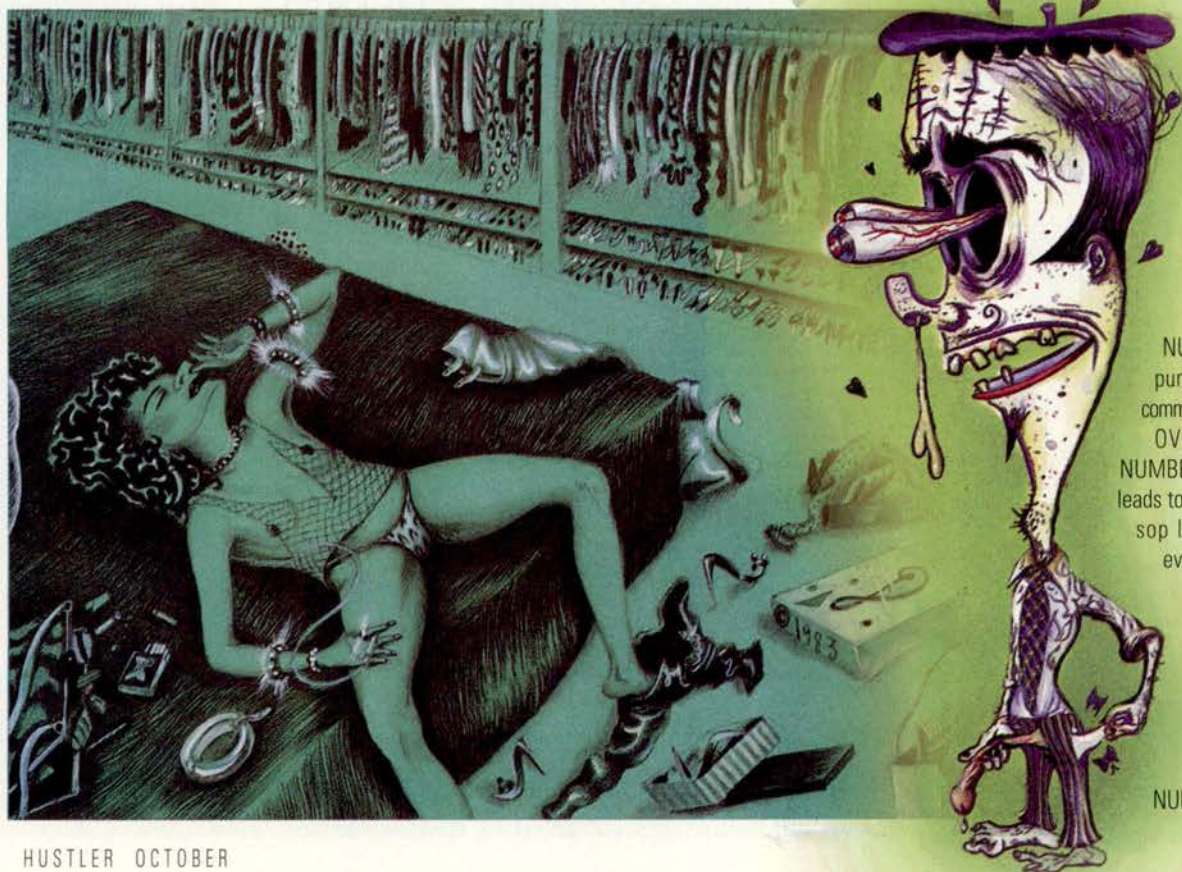

OVERRIDING STEREOTYPE

NUMBER TWO: Too much money leads to insatiability. A wealthy wad sop likes to see semen fly at every opportunity, just like a regular working stiff.

CRIPPLING PREJUDICE

NUMBER THREE: A gal who wags a big bank-balance dwarfs a poor man's prong.

OVERRIDING STEREOTYPE NUMBER THREE: Money is the

root of all aphrodisiacs. It works like nothing else on chicks, and there's a bit of bitch in the best of us.

CRIPPLING PREJUDICE NUMBER FOUR: The dollar-doll environment will be an awkward place for the low-rent Lothario who has trespassed to hunt cunt in the big leagues. And pricey poon have all that they desire, needing nothing from a cash-low dick.

OVERRIDING STEREOTYPE NUMBER FOUR: It's easier to adjust to plenty than to poverty. Of course, getting used to the grittier side of the tracks is not without appeal, and the allure of the rough-and-tumble motel town

is only one of the thrills a fiscally challenged man has to offer a gelt-cushioned pussy.

CRIPPLING PREJUDICE NUMBER FIVE: Vagina-bearing denizens of the upper strata do not look toward the laboring masses for meaty fulfillment.

OVERRIDING STEREOTYPE NUMBER FIVE: The rich bitch has a nearly untamable twat itch. Where else will she find a man hardworking enough to scratch it?

The mental game is half the battle. Once a guy's mind is into the conquest, his dick will surely follow. But where, the helmeted flesh-tube wonders, do we go to snorkel for lucrative holes?

Rich females are not native to every region, but they may be observed daily in places easily accessed by the rest of us. In the market for an upscale squeeze?

GO SHOPPING: Boutiques and jewelry stores are intimidating to the layman, but remember two things. 1) Most retail outlets are open to John Q. Perv. 2) Women are naturally aroused in settings of consumer opulence. A guy who's always wondered what a well-heeled woman looks like on the brink of orgasm need only visit a Cartier outlet to witness the phenomenon.

GET A JOB: The world is full of financed fellas who started out as peons to pelf-wielding pussies. Jon Peters, who rose to the head of a major movie studio owned by Japanese moguls, started his crawl up the slimy slopes as Barbra Streisand's hairdresser. Look at the Princess of Monaco. To hear the tabloids tell it, she fell face first into the mouth of her hired bodyguard.

Too skinny to bodyguard? Too homophobic for beauty school? Get a job delivering booze in a platinum-plate zip code. A rich bitch with an urge is always glad to see a man arriving with a magnum.

SEEK PROFESSIONAL HELP: More and more, the distaff offspring of the terminally wealthy are not allowed to sit around in a Halcion coma all day. They've gone out, gone to college, got jobs and work as lawyers, psychiatrists or doctors. The ranks of top-flight, highly paid professionals are increasingly being infiltrated by women. These ladies have lots of money and little time. They need men, and are open to the cash-and-carry concept of love. It is customary to pay for their services at the time of rendering; let them take it out in trade.

BECOME A CULTURE SNOB: Or better yet, just act like one. Ballet, theater, art openings: yawningly dreary

affairs, except for the surplus of high-rent crack in attendance. No need to go in and be subjected to three hours of violin music and men skipping around in tights. Instead, borrow an undertaker's clothes and hang around outside. Big-money bimbos are always pretending to mistake real men for their limo drivers. Once she's in the car, it's open season.

GO TO DETOX: Not every day laborer with a decent insurance plan can be guaranteed the luck of a Larry Fortensky, but then not everybody wants to land an Elizabeth Taylor, or land under her either. The detox center has in many cases replaced the Swiss finishing school as the depository-of-choice for unruly daughters of the wealthy sector. Hint: Any twat met in hospital environs is pre-twisted, and needs only slight encouragement to twist further.

The initial approach to a gilded ginch can be hampered by the presence of her bodyguard. This personage may be disguised as a personal trainer, driver or friend. He will not fade for a five-dollar tip. Only *she* can make him go away. The trick is to make her want to.

Here's where a trained dog comes in handy. Rich women are suckers for little, furry, brainless things, which is why they intermingle so successfully. Any broad who can watch a conniving pooch run out and feign injury beneath the wheels of a Rolls-Royce, and not send her liveried Lancelot out to save the puppy, is a broad best avoided. (If the fish fails to bite, at least her driver can be shaken down for canine-trauma compensation, out of which a nice bone should be bought for Bowser.) The window of opportunity, while

the target's thug is distracted, may last only seconds before slamming shut. Not all of us are verbal wizards, but this is time enough to win her over. Simply step into her face and exclaim: "Jesus Christ, I've left my wallet in my other Lear. Spot me six grand, will you?"

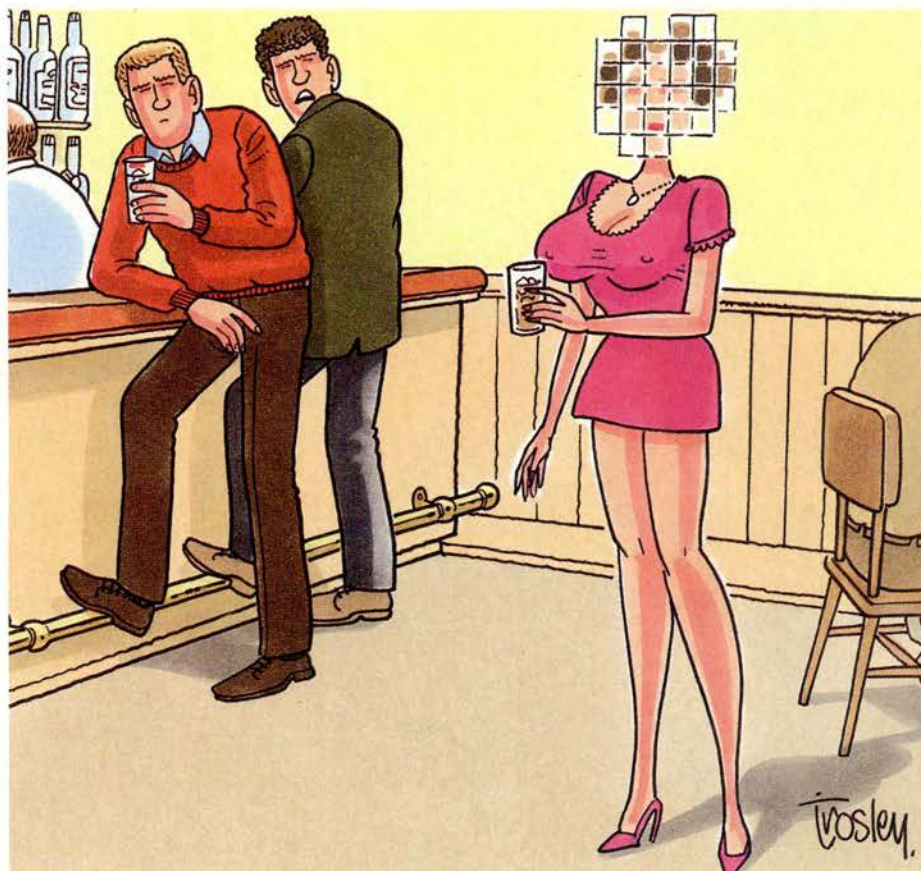

If she refuses, don't mourn much. She wouldn't have been sympathetic anyway.

Once having pierced her defenses, don't make the mistake of treating her like she's something special. If she's a bitch, she's just a bitch, albeit a bitch with the power to set a man up in the style to which he has dreamed of becoming accustomed. The natural male impulse will be to fuck 'em and find something else to do, but slow down and stick around for a while, at least for a few bonus prongs. A cash cow should be properly milked, and the squeeze should be put on quickly. The rich are a fickle breed, and many the woebegone swain is dumped not a penny wiser because he wanted to be tactful.

Stick to items that can be easily put to use, such as cash. Stash it away where it can't be traced. She'll be able to suggest several places—Zurich, the Cayman Islands or a sock beneath your collection of HUSTLERS.

Occasionally, a deeper romance does blossom. In the case of a young heiress, love can be particularly lucrative, as plutocratic clans have been known to part with sizable fortunes as leverage to pry an unsuitable suitor from their opulent progeny.

Of course, once he's made his first sting, the suitor is no longer unsuitable. Suddenly he must be on his guard. There's nothing like a little fast money to bring out the gold digger in dozens of women. Such is the beauty of boys meeting girls in a free-market economy. 🌐

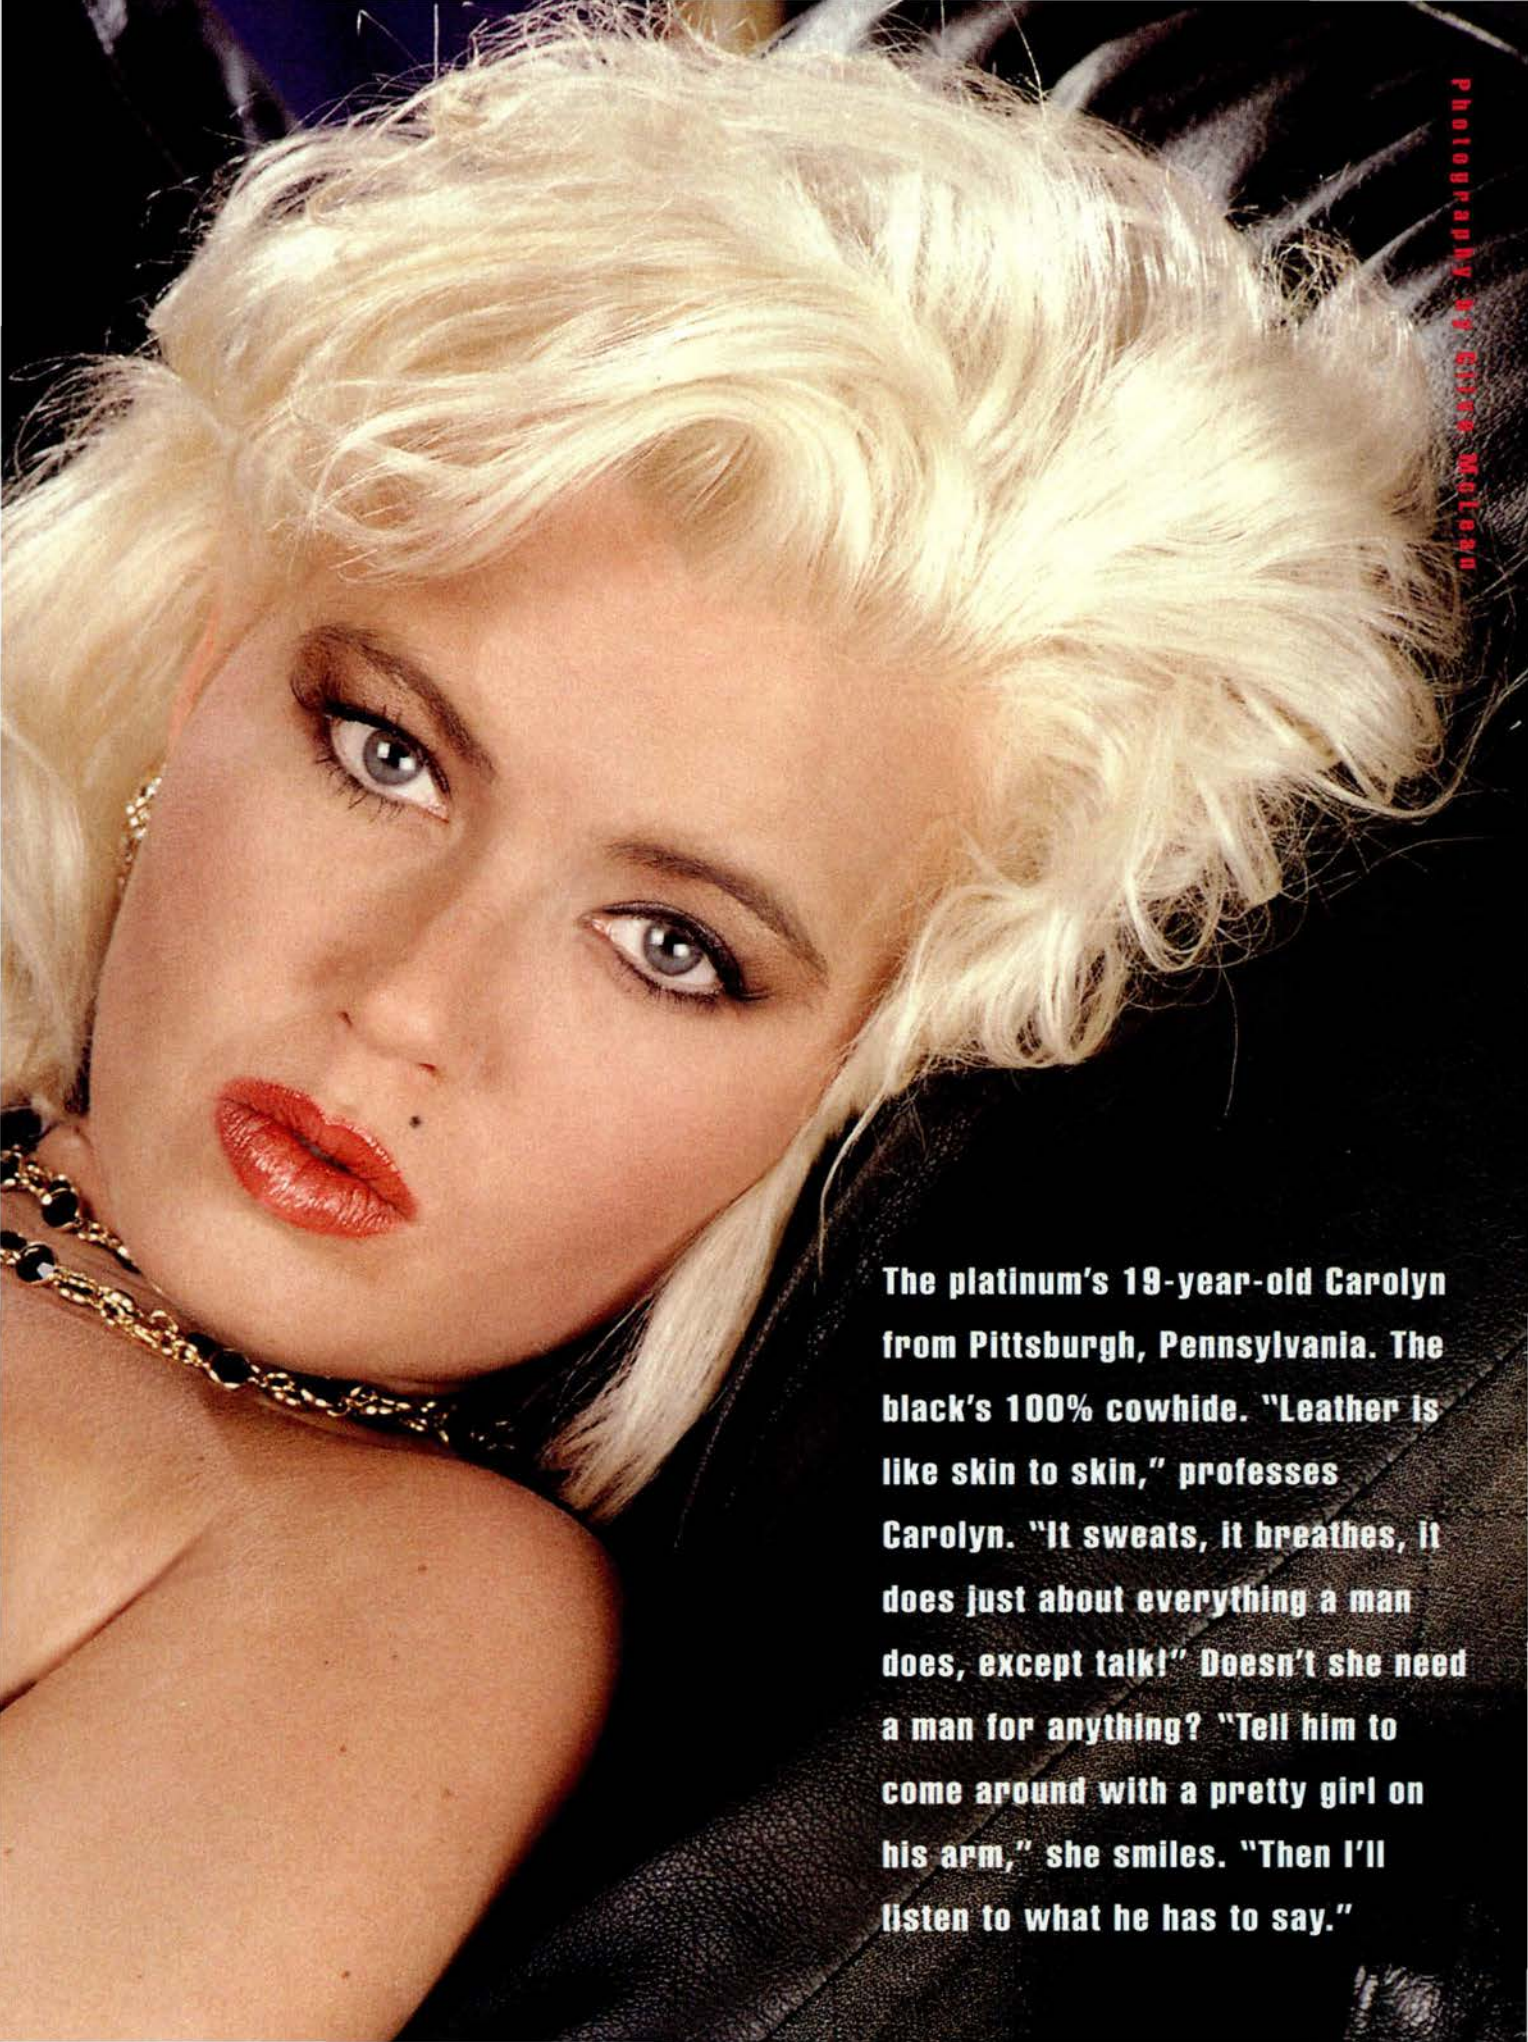

"I don't know, man...something tells me if you go near her, she'll cry rape."

"The convict that I married didn't want a wife," Betaglio explains. "What he really wanted was a drug-runner."

Single male, incarcerated, seeks understanding, marriage-minded lady. Age/race not a factor. Kids okay. Will answer all. Reply to....

For the incarcerated, placing personal ads to solicit marriage is like playing the lottery. The odds are high, but the stakes, and the sheer act of gaming, are often too great to resist. What one might call gambling, convicts call *catching*.

"Catching is to inmates what courting is to free people," explains Suze Torquet, a 28-year-old ex-convict who "caught" while she was serving a six-year sentence at the Sybil Brand Institution for Women in Los Angeles. "The goal is the same in both cases: marriage."

Whereas the intended in courtship is wooed with honesty, generosity and sensitivity, in catching the intended is lured by manipulation and deceit.

"Inmates are not known for their in-

tegrity," says Torquet, "especially when they're trying to catch."

The U.S. Department of Health and Human Services documented approximately 2,389,000 marriages in the United States in 1990. Of these, there's no telling how many caught were actually "caught."

* * *
Born-again Christian, incarcerated, seeks God-fearing, marriage-minded lady. Will answer all. Reply to....

Twenty-six-year-old Rita Betaglio, herself a born-again Christian, responded to a similar prison ad and was married within four months.

"I fell in love," admits Betaglio, a part-time desk clerk at a savings and loan in Valencia, California.

Five weeks and one conjugal visit later, the good-hearted 26-year-old fell out of love and filed for divorce. According to Betaglio, her husband, a convicted murderer serving 12 years to life at California's Folsom State Prison, was not interested in the elements of traditional wedlock.

"The convict that I married didn't want a wife," Betaglio explains. "What

he really wanted was a drug-runner."

"I married an inmate at California's Correctional Training Facility," states 27-year-old Patricia Kennerly, "because I believed him when he told me he wanted to bring some normality into his life."

Her marriage, which was performed by the prison chaplain, lasted nine days.

"It didn't take long," laments the now-divorced bakery worker, "for me to realize that what the bastard really wanted was cocaine and cunt."

States Tiffany Velasquez, a computer systems analyst who married a convicted armed robber incarcerated at Attica Prison in New York: "Marrying a convict is ideal—if you're accustomed to being treated like a drug-smuggling slut."

* * *
"I wouldn't even consider getting involved with an inmate," says Philip Coates, a construction worker in Monrovia, California. "Hell, I remember what happened to the guy who got hooked up with Susan Atkins."

Atkins, a member of the Charles Manson family found guilty of the 1969 slaying of actress Sharon Tate and six others, managed to catch and marry Don Lazure at the California Institution for Women. During a conjugal visit, she stabbed him.

Despite their obvious character flaws, convicts continue to catch. In fact, there are so many people—women especially—waiting to exchange wedding vows with them that many prisons have been forced to establish waiting lists.

"There are so many couples ahead of us," says Nancy Rider, an unemployed secretary who plans to wed an armed robber. "It'll be eight or nine months before we can be married." Although she claims to have heard all the horror stories about incarcerated wedlock, Rider says she remains "hopelessly in love" and looks forward to her wedding day.

"Incarcerated or not, he's the greatest thing that's ever happened to me," she adds. "He's kind, considerate, loving and romantic. I couldn't be happier."

Rider's is a happiness other women have experienced—and lived to regret.

Maria Frengetti, a registered nurse who said "I do" to an Alabama convict, testifies: "I was ecstatic—until, on our second family visit, I caught the son of a bitch fucking my 17-year-old daughter."

Frengetti filed criminal charges against her estranged and still incarcerated husband, alleging that her daughter was coerced into having sex with her stepfather. "In truth, the bastard raped her," she says. "He told her that unless she had sex with him he would kill me, that he was already serving a life sentence and had nothing to lose."

modations, except for food, at no cost to inmates and their visitors, to facilitate overnight visitation. The privacy of these visits is not imposed upon.

San Francisco, California, family therapist Jocelyn Norse has launched a nationwide campaign to outlaw convict marriages "because of their destructive effect on families." Norse's research, which includes numerous interviews with spouses of convicts in Texas, Oklahoma, Arkansas, New York and California, reveals that most people who reply to the personal ads placed in newspapers by incarcerated criminals, or who otherwise develop relationships with those behind prison walls, do so because they feel inordinately alone.

"Due to extreme feelings of loneliness," says Norse, "these isolated men and women are willing to accept virtually any kind of companionship, from virtually any kind of person."

Norse's findings are not disputed by Lon Blevitt, a Mule Creek State Prison inmate whose ads have run in the classified sections of the *Chicago Tribune*, *San Francisco Chronicle*, *Fresno Bee* and many other

newspapers, all at no charge to him.

"It's not as if convicts are being inundated by the rich and beautiful," Blevitt laughs. "Hell, most of the broads who reply to the ads are homely, lonely and just one man away from poverty. Convicts quickly learn what these women want to hear—what they need to hear—and then develop the lies and deceit and empty promises needed to catch them."

With very little else to do, incarcerated criminals collect and stockpile anything—greeting cards, poems, photographs, drawings—that might be of use in catching. Knowing how to say what needs to be said is not a problem.

"Change a word here and there," explains Blevitt, "and a Hallmark poem becomes your own creation—which can then be used to impress the object of your desire."

"For inmates," adds Torquet, who filed for divorce the very day she was paroled, "promises have less value than a savings and loan operated by Charles Keating. Inmates look at promises as flexible things—useful in catching, but meaningless in day-to-day living."

"I'm just in sales—the complaints department is around the corner."

Typically, in their self-serving quest to catch marriage partners, convicts will promise whatever suits the situation. Rita Betaglio, for instance, who told her intended that she had divorced her first husband on grounds of mental cruelty, was repeatedly promised in letters "a life filled with kindness, respect and Christian morals."

What she got was a murderous dope fiend who offered her bondage and felching. "I didn't even know what felching was," says Betaglio. "I told him it was sick and disgusting when he explained it to me."

Betaglio's incarcerated husband was not to be rebuffed. Their conjugal visit—which was isolated, unsupervised and uninterrupted—proved memorable. "He slapped me and tied me up," says Betaglio. "And then, on our first and only night together, he pulled down my pants and spit on my ass. I've never been so humiliated in my life."

Says Tiffany Velasquez: "I have no idea how or why I let [my convict spouse] talk me into doing it, but shortly after our marriage I found myself hiding cocaine packets inside my panties and smuggling them into Attica for him."

Any person coming onto the grounds of an institution, as well as their vehicle and the articles of property in their possession, is subject to inspection to whatever degree is consistent with the institution's security needs. Such inspections may include unclothed and body-cavity searches.

Velasquez's marriage ended when Attica guards ordered her to submit to the humiliation of a strip search.

"The guards said I was suspected of smuggling cocaine into the prison," says Velasquez. "I didn't have any on me that day. I was lucky. When my husband told me to get used to the searches, that they would be a part of our life together, I told him goodbye."

* * *

A survivor of spousal abuse at the hands of her first two husbands, Patricia Kennerly replied to a convict's ad and was caught.

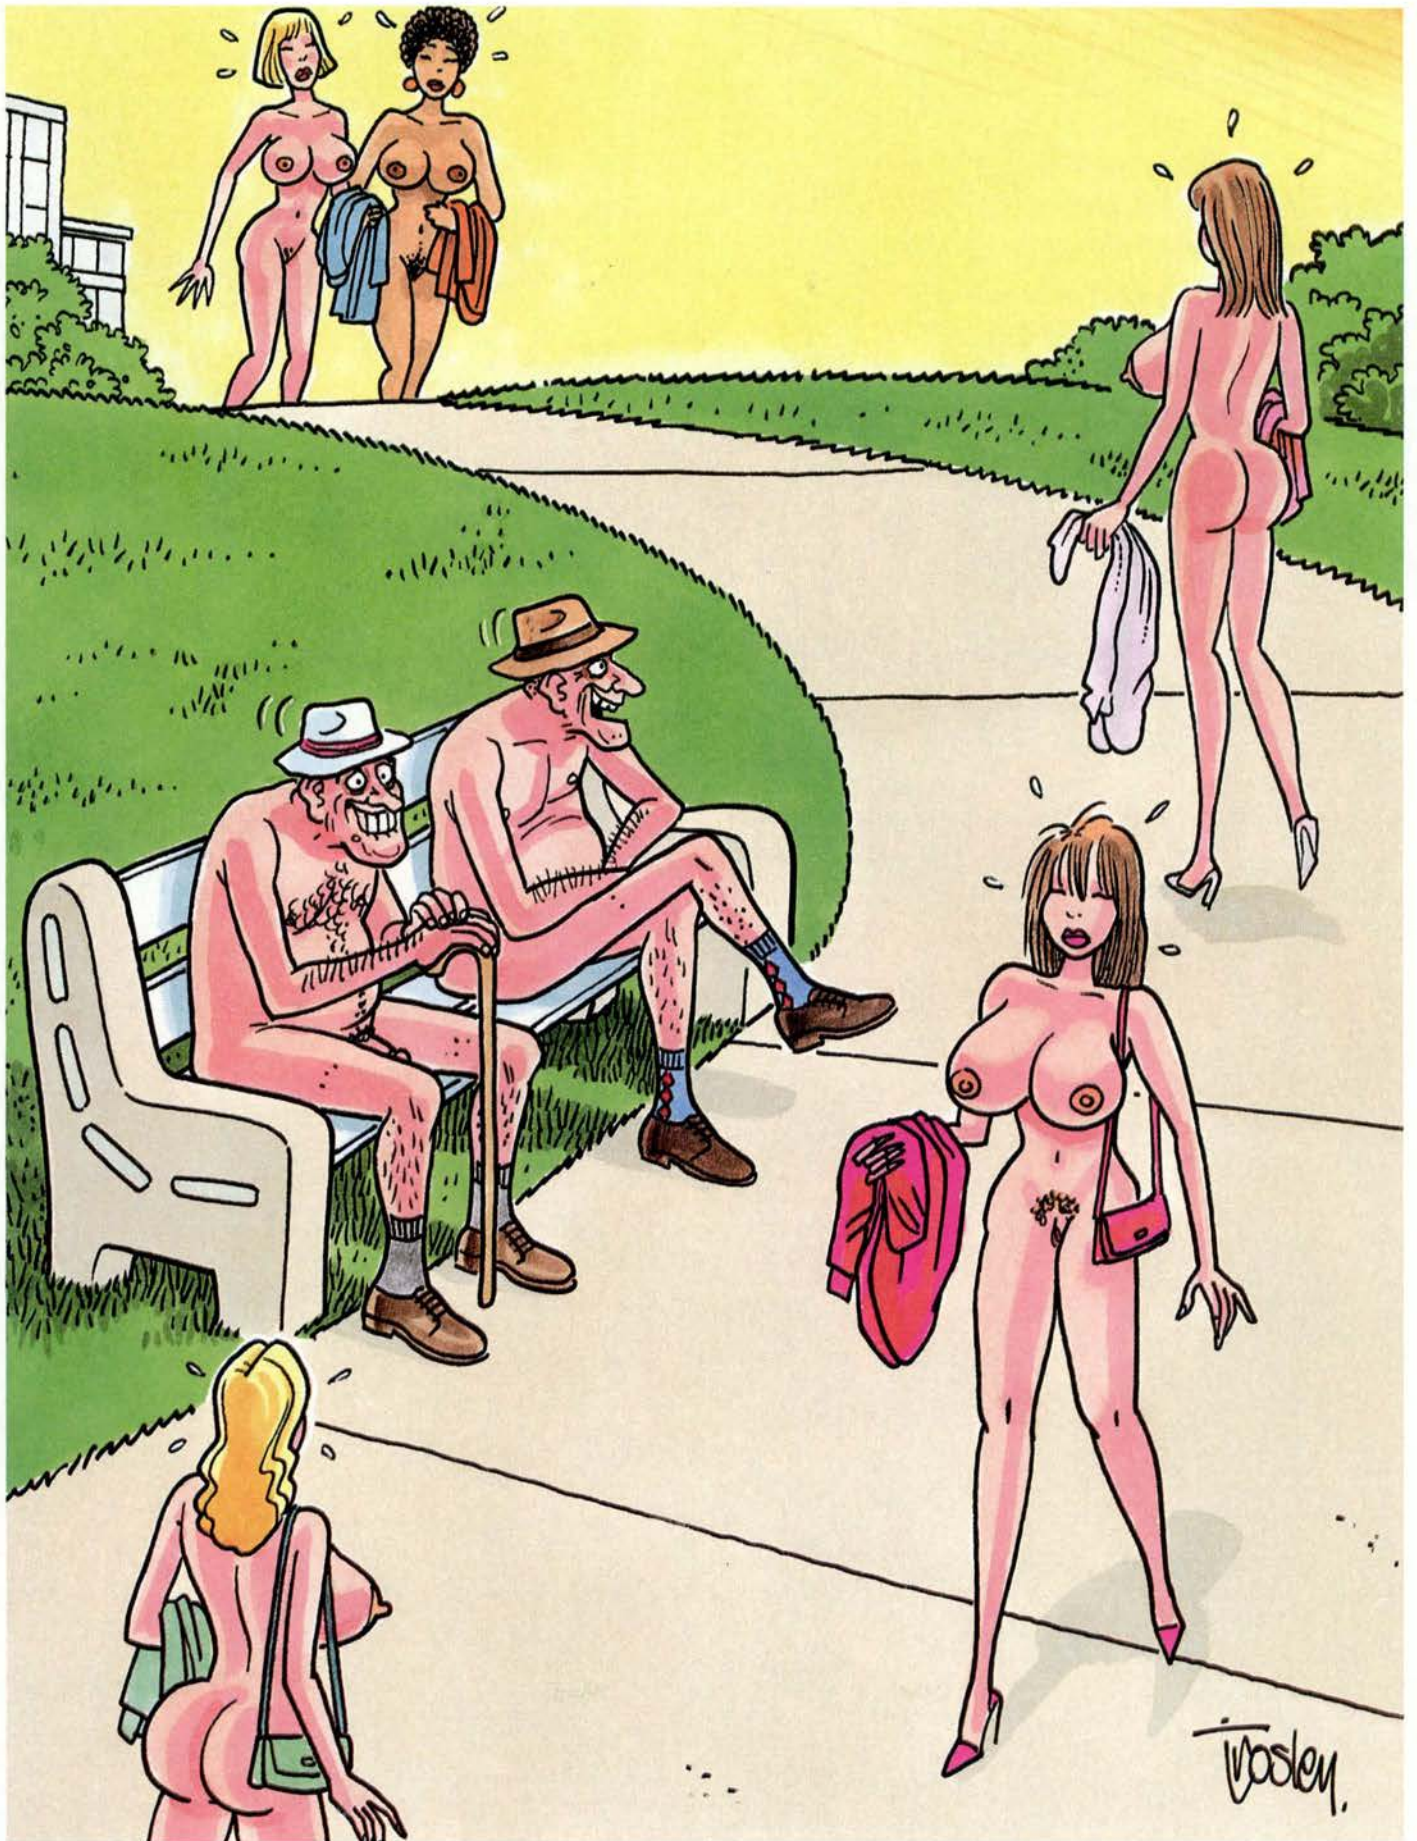

"In his letters," she says, "—and they were so well written—he always promised me love and tenderness, promised to always treat me like a princess."

Well-written letters notwithstanding, what Kennerly got was a humiliating lesson in exhibitionism.

"Each time I visited him," she explains, "he would slide his hand under my dress and feel me up. It didn't matter who was watching, and the prison's visiting room was always crowded—50 people or more, including children."

Kennerly, whose 5-2 frame supports 180 pounds, claims she put up with the probing fingers and embarrassing ogles of

What kind of lunatics hear and obey voices from beyond that demand acts of torture, mutilation and human sacrifice? Find out before they find you.

CULTS

The college student's brains were removed, and a chain was attached to his spinal cord before his body was dropped into a crude grave.

In Morgantown, Kentucky, on April 24, 1990, a woman who had been raped and doused with gasoline escaped from a satanic altar to tell police authorities of a cult named Satan's Crucible, which was seeking to scorch the sin from women's bodies by burning them alive.

In January of 1990, the bodies of a family of five were discovered near an abandoned farmhouse in Ohio. Examination of the corpses revealed a terrible process of torture and ritual death. Investigation by police authorities led to Jeffrey Lundgren, a mad prophet who said that God had decreed a series of human sacrifices before the exact location of God's Golden Sword and other holy relics would be revealed.

In March of 1984, in Clark County, Washington, police discovered a cult that claimed to relieve the trauma of past sexual abuse by raping and torturing women and children in order to help them release the "burden" of their awful memories.

Law-enforcement authorities in Houston, Texas, managed in August of 1985 to apprehend the leaders of a cult

calling itself Devil Kids, which had been conducting gory mutilations and ritual murders in the city's cemeteries.

In 1982, at least 15 women in the Chicago area fell prey to the Purifiers of Womanhood, a torture-sacrifice cult that kidnapped, ritually gang-raped and sacrificed women on a satanic altar. At the climax of the ceremony, one breast of each victim would be removed, sliced into tiny pieces and given to the participants, in unholy communion.

Mark Kilroy was a clean-cut American kid, handsome, athletic build, blond hair, a star basketball player. He was one of hundreds of college kids who liked to slip over the Mexican border during spring break and have a little fun. In 1988, he had so much fun in Matamoros that he promised himself he would return in 1989 to have another blast south of the border.

Returning to Matamoros in March of 1989, Kilroy and his buddies met some girls from Kansas, drank a lot of beer,

and made it safely back and forth to their rooms in the Sheraton Hotel on South Padre Island.

A few hours before dawn on March 14, Kilroy and his friends were walking toward the small bridge that would take them over the Rio Grande River and back to the American side of the border, where they'd parked their car. Two of the boys walked ahead of Kilroy and Bill Huddleston. Huddleston stepped into an alley to get rid of some beer. When he came out to resume the trek across the bridge, Kilroy had disappeared.

Four weeks later, the brain of the premed college student was fished out of a cauldron. Mark Kilroy's brain was found to have been boiled in blood along with a turtle shell, a horseshoe, a human spinal column and an assortment of other human bones.

Practitioners of a bizarre blend of voodoo, Satanism and a gory Aztec ritual known as *santismo* had selected Mark Kilroy for human sacrifice. Their leader had ordered them to pick up an American "spring breaker" to be executed in an occult ceremony.

In April of 1989, Mexican police officials followed a drug-demented member of the cult to the grounds of Rancho Santa Elena, outside of Matamoros. In addition to the grisly cauldron and its ghastly contents, the police spotted what appeared to be mass graves.

The first day of digging brought up a dozen mutilated human corpses. Each of the victims had been slashed, beaten, shot, hanged or boiled alive. Each had suffered ritual mutilations.

After discovering Mark Kilroy's spine, police learned that, according to reports from one of the cult members, the High Priest had planned to make necklaces from it.

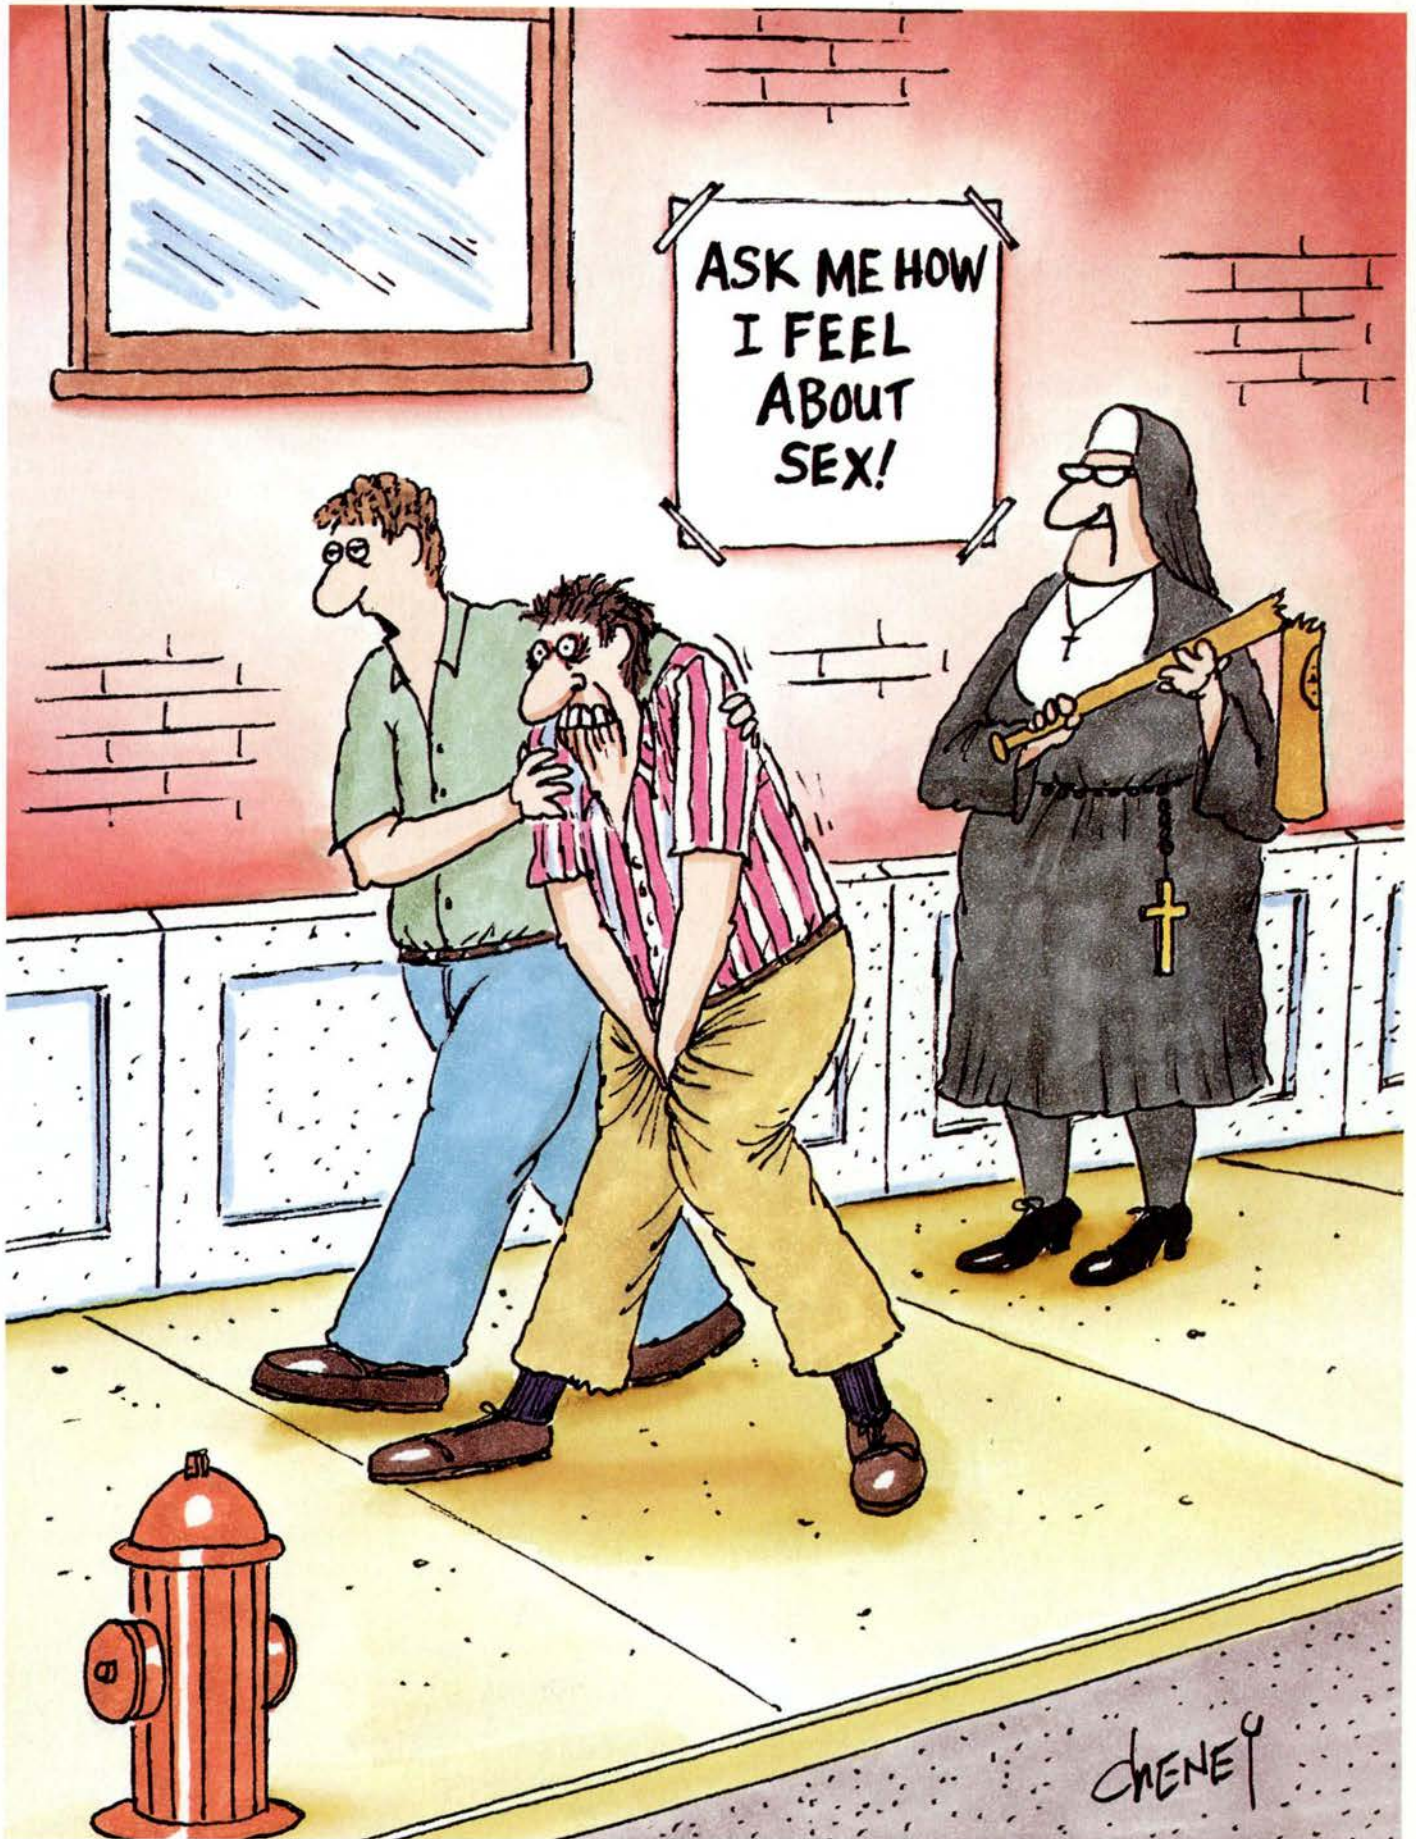

Drug smuggler Adolfo de Jesus Constanzo was the High Priest of the cult at Rancho Santa Elena. Sara Maria Aldrete, an attractive young woman with light-brown hair, who stood a statuesque 6-1, led a bizarre double life as High Priestess and honor student at Texas Southmost College in Brownsville. The essence of the evil-for-evil's-sake cult of Constanzo and Aldrete was human sacrifice.

Constanzo convinced his cultists they would absorb the spiritual essence of all those who were executed in ceremonial service. The ritual murders were combined with prayers for strength, riches and protection from the police.

Some had been boiled alive in cauldrons, together with pennies that had

been cast in the ghastly human stew in order to imbue them with the magical ability to increase the cult's drug sales.

According to his followers, Constanzo killed Mark Kilroy with a machete blow to the head. The college student's brains were then removed, and a chain was attached to his spinal cord before his body was dropped in a crude grave. One of the cultists later stated that the young man's legs had to be sawed off so that he would fit in the hole that had been dug for him.

Adolfo Constanzo's mother was a practitioner of Santeria, a religious amalgamation that evolved from the blending of African spirit worship with the Roman Catholic hierarchy of intercessing saints. Santeria may have as many as 100 million followers, most of them in the Caribbean and South America. While its rites may include the sacrifice of roosters and small animals, it is considered a benign religion.

Late in 1988, Constanzo decided to create a religious recipe of his own. Mixing elements of Santeria and voodoo, he emphasized the inclusion of

the violent practises of Palo Mavombe, a malevolent Afro-Caribbean cult, and santismo, a particularly gory Aztec ritual. The blood-drenched altar of human sacrifice became central to Constanzo's sadistic cosmology.

On Saturday, May 6, 1989, in Mexico City, investigating police officers were fired upon from a fourth-floor apartment-house window as they stopped to examine a black Chrysler that they suspected might belong to Adolfo Constanzo. Approximately 45 minutes later, after backup had arrived, the police burst into the apartment to find the bullet-chopped bodies of Adolfo and his male lover Martin Quintana Rodriguez. According to surviving cultists, their high priest had ordered them to kill Rodriguez and himself so that he might die next to Martin with his voodoo powers left unscathed by police.

It is a little-known fact that shortly after Panamanian dictator Manuel Noriega fell from power, U.S. Intelligence sources revealed that the real ruler of Panama, the power behind the

throne, had been a voodoo practitioner named Maria da Silva Oliveira, a 60-year-old priestess from Brazil.

Intelligence sources go on to say that Noriega relied blindly on his voodoo necklace, a pouch of herbs, and a spell written on a piece of paper to protect him. Those close to the dictator were aware that he did not make a single move without first consulting Oliveira.

When U.S. soldiers searched the house that Noriega had provided for his voodoo witch, they found evidence of spells attempted on former-President Ronald Reagan and on President George Bush. Oliveira had written out special ritual chants for Noriega to repeat over photographs of his enemies as he burned voodoo candles and magic powders.

When Michael and Suzan Carson of San Francisco were arrested in 1982 for a number of ritual murders in California, police found notebooks listing several political figures, including former President Ronald Reagan and California governors Jerry Brown and George Deukmejian, all marked for death for the alleged crime of witchery.

Michael "Bear" Carson and his wife Suzan had founded the American Moslem Warriors, a cult commanded by the voice of Allah whose mandate was to rid the world of witches, the demon-possessed and homosexuals.

Suzan claimed to be a mystic with supernatural powers. A man who had been friends with the Carsons for many months was murdered when Suzan perceived he was, in reality, a demon. Another victim was killed within minutes of meeting the Carsons because Suzan sensed that he was a witch about to use his powers to abuse her sexually.

In May of 1983, the Carsons were found guilty of first-degree murder in the death of Keryn Barnes, a woman they had judged a "witch and a vampire," who had supposedly been attempting to drain Suzan's health.

In July of 1982, the investigation of a ritual murder led San Francisco police to a cult that had adapted the Camelot legend of King Arthur Pendragon to fit their political ends.

The Pendragons planned to blow up the Golden Gate Bridge, seize control of all communications and annex Marin County from the rest of California. They envisioned mounting a laser beam atop Mt. Tamalpais for defense against aerial attack from the California Air Guard or the San Francisco police. If

We rarely, if ever, use the word *cure*," said the psychiatrist to his patient. "But after six years of intense therapy, it is my pleasure to pronounce you completely cured."

To the shrink's surprise, an unhappy look came over the woman's face.

"What's wrong?" he asked. "I thought you'd be thrilled."

"Oh, it's fine for you," she explained. "But try to look at it from my point of view. Six years ago, I was Joan of Arc. Now, I'm nobody."

Question: Did you hear about the deck of Rodney King playing cards?

Answer: It comes with one spade and 51 clubs.

A man died and went to Heaven. He found himself standing before the Pearly Gates, where he was greeted by St. Peter and taken on a grand tour.

One particular chamber aroused the new arrival's curiosity. It housed an infinite number of clocks, each bearing someone's name. Every so often, a clock would chime. St. Peter explained that the clock hands went around once every time someone cheated on his wife.

The new arrival fancied himself an armchair expert on politics. "Tell me, St. Peter, why are there no Democrats' names on any of the clocks?"

"You'll find plenty of Democrats' names in the basement," replied St. Peter. "We use them for ceiling fans."

During the L.A. riots, an old woman was accosted by a determined thief. "I'm telling you the truth—I don't have any money!" she insisted, but the mugger wasn't buying it. He began to feel her privates to see if she had anything stashed there.

"Young man," she cooed, "I told you I don't have any money...but if you keep that up, I'll write you a check..."

A rather scruffy-looking man went into the bank. Reaching the head of the line, he said to the teller, "I wanna open a fuckin' checking account!"

"Certainly, sir," answered the teller, "but there's no reason to use that kind of language."

"Could you just move it along, lady? I just wanna open a fuckin' account."

"I'll be glad to be of service, sir," said the teller, blushing slightly, "but I would appreciate not being spoken to in that manner."

"Just let me open a fuckin' checking account, okay?" growled the man.

"I'm afraid I'm going to have to speak to the manager," answered the flustered teller. She slipped off of her stool and went in the back, returning shortly with a dapper, middle-aged man who asked how he could help.

"I just won the 20-million-dollar lottery," snarled the man, "and all I wanna do is open a motherfuckin' checking account!"

"I see," said the manager sympathetically, "and this cunt is giving you some trouble?"

The HUSTLER Dictionary defines *snob* as: someone on an extended ego trip with no luggage.

Come on, Frank," one friend said to another, "your wife's not as bad as you make her out to be. What would you do if you found her in bed with another man?"

"I'd break his cane and shoot his dog!"

The HUSTLER Dictionary defines *Jewish lightning* as: arson for insurance money.

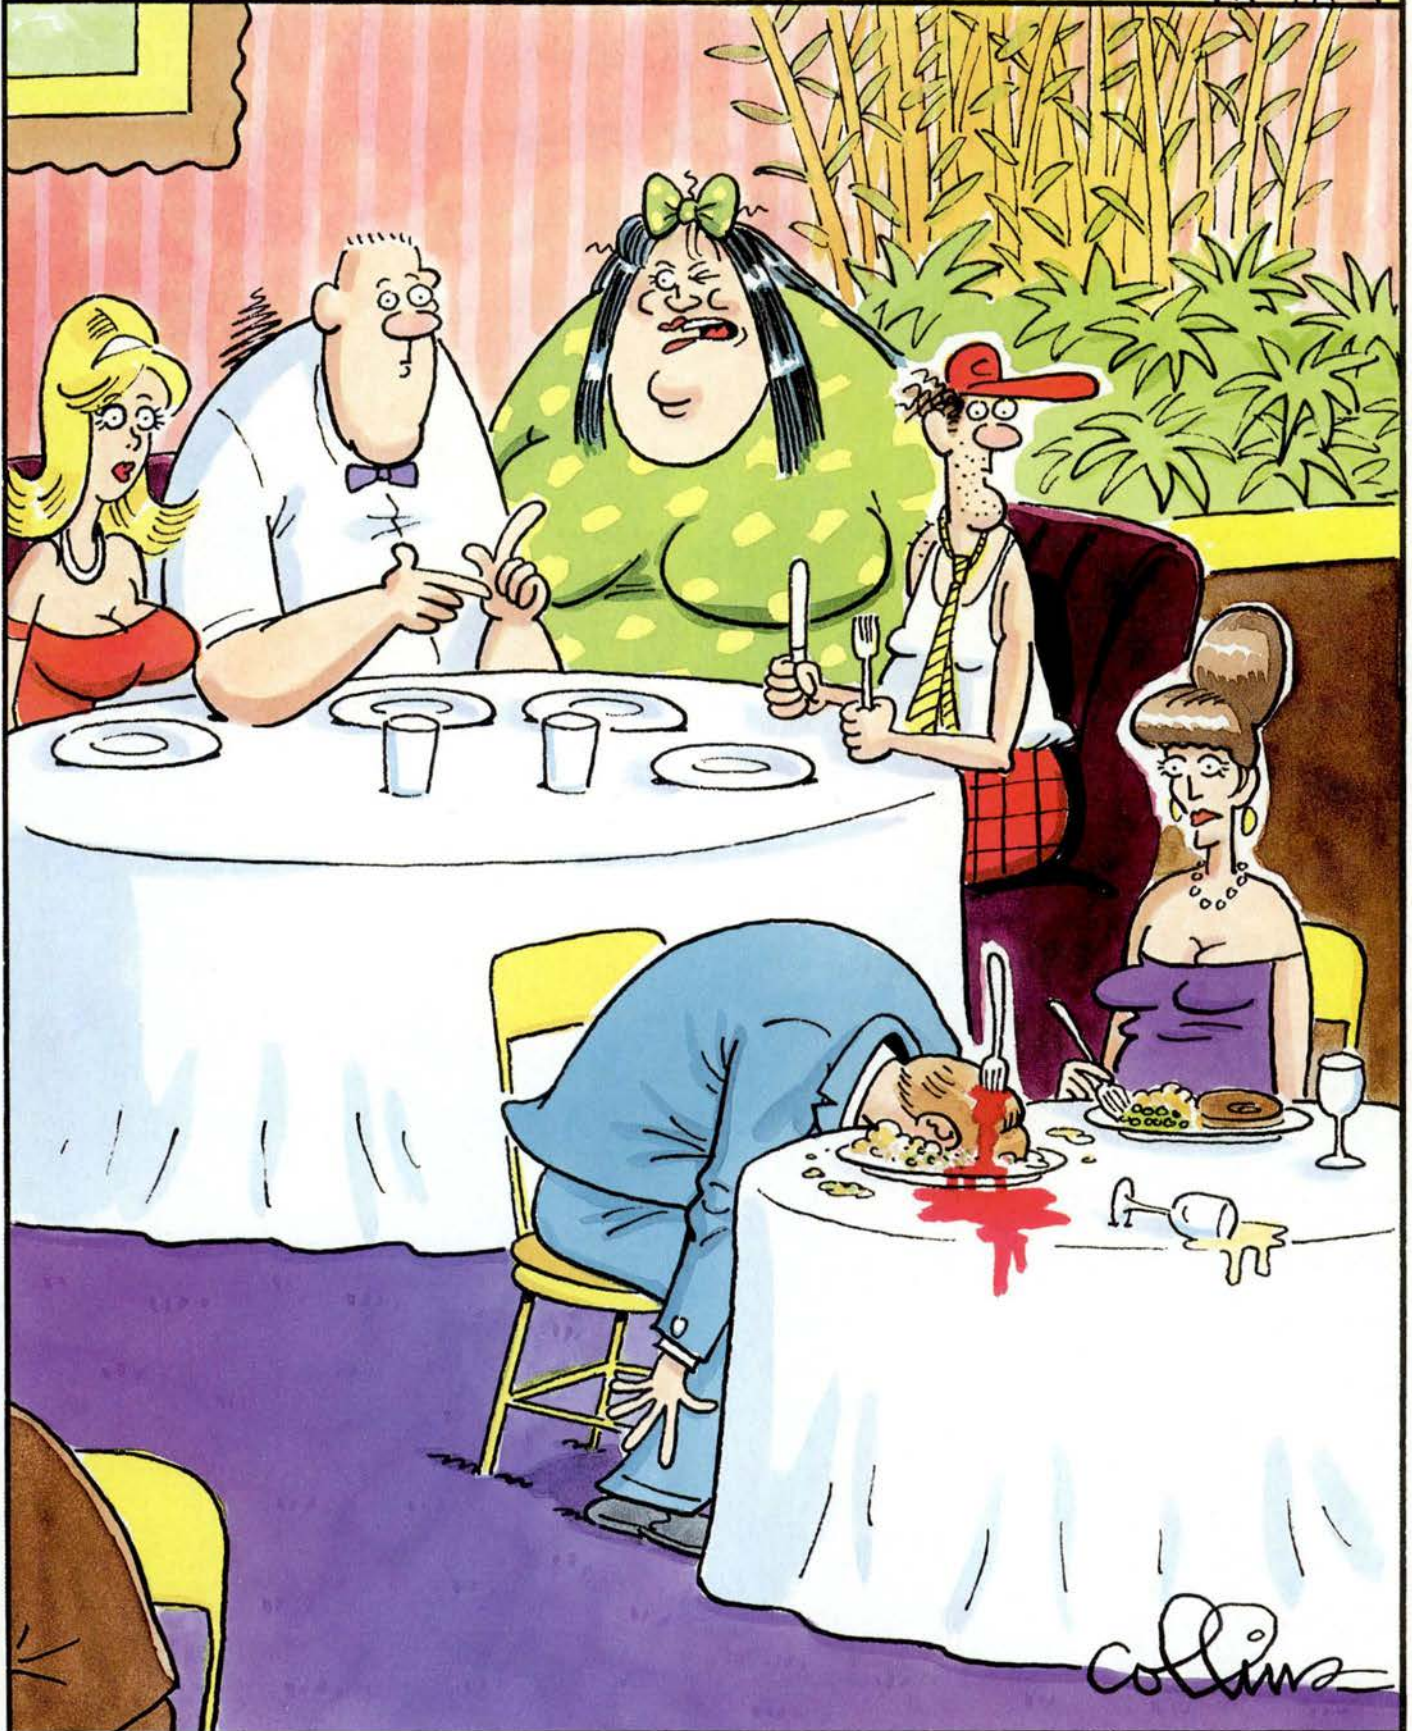

A son brought his girlfriend home for his parents to meet. They had supper and sat around afterward talking. The son and his girlfriend then left to see a show.

When the son returned home, the father had a word with him in private. He observed that the girlfriend looked to be four or five months pregnant. The son acknowledged the fact, then asked his father if he would buy a pair of pants without trying them on. The father replied, "No, Son, but I wouldn't shit in them so that I couldn't take them back either."

Jamie Gillis: Let her know, when it comes to ramming your cock up her ass, that you're doing it gently and not too fast.

Scott, a 31-year-old chemical engineer in Sherman Oaks, California, rolls back against the pillows, enraged. His roaring hard-on is as angry as he is. It has started to pout, shrinking inside its ribbed Trojan.

More furious than Scott or Scott's wilting dick is 28-year-old Chloe. She lies on the mattress beside him, arms tightly folded, legs clenched. Until tonight, Chloe considered Scott an ideal companion. So many things they found in common: race, a passion for take-out Chinese, hair-product hobbies. The last four hours had been enough to convince her to drop him forever. For 240 excruciating minutes he'd begged, pleaded and threatened. Her ass felt disgusting, mucked with the lube goo he'd clumsily smeared on in futile anticipation of achieving his backward desires.

Poor Scott. He's completely blown it with Chloe. Perhaps he should have taken the hint when she flat out refused to so much as listen to his fantasies of squeezing between her and another girl. Perhaps the fact that he couldn't even get her to suck him off was a major clue

that persuading her into a bout of anal penetration would be more uphill than down yonder. Too bad he didn't learn the ins and outs of getting a girl to do absolutely everything, from HUSTLER's exclusive advice from porn pros. Here's to the next time!

SUSAN VEGAS: The buildup is important. The guy's got to have a lot of confidence, and assure the girl that he knows what he's doing. The first time I did anal, I was drinking tequila; so my guy caught me at the right moment. He told me, "I'm gonna show you something that's gonna make you feel really good—I guarantee you'll like it." My mind was psyched for it to feel good; so it did. Get me on a full moon. That brings out the kinkiness in everybody!

JAMIE GILLIS: When anal sex is the issue, you've got to stay on top of the situation. Talk to the girl. Narrate how you're greasing her up, how you can already see that it's getting easier, that it's all gonna be very slow, and you're gonna really take your time. Let her know, when it comes to ramming your cock up her ass, that you're doing it gen-

tly and not too fast. Women have said that anal allows them to be more intimate than other kinds of sex because their partners pay more attention to them. It all boils down to an attitude—controlling, but unthreatening. That applies to getting girls to do anything for the first time.

ONA ZEE: One time Charlie Biggs wanted me to have sex with five guys. I was nervous about it. I told him, "Everybody's going to say I'm a slut; I can't do it." He replied that I could do anything I wanted, and nobody would think badly of me. I thought about it and asked, "How do I do it?" He said, "Well, double penetration, one in each hand, and one in your mouth." So I was coaxed into doing it that way, and I ended up with five guys.

BUNNY BLEU: My first anal sex, I was a little intimidated. The best thing a guy can do for me is take his time. I had a glass of wine, and that relaxed me.

MARISSA MALIBU: My husband used to try to make me do things I didn't want to do. I didn't like giving head. I literally hated it more than anything. He'd threaten me: "If you love me, you'll do it. If you don't, I'm gonna get it from somebody else." I thought, *Hey, I better do this or I'm gonna lose him*. That worked on me, but it's not right.

JOHN STAGLIANO: How to get a girl to do anal? Keep your mouth down there for a *lo-o-ong* time, kissing them and licking them and getting them so turned-on that they want it. That's the only way I've gotten things.

LYNN LEMAY: Anal sex was real tough with me. My husband was nine inches, and he wasn't getting near my butt with that thing. When I got divorced, I was dating a guy, and it was the first night, and it was really stupid and dumb—back massages and quiet music. He just touched me everywhere until my senses were so up, I didn't really think about what he was doing. I was sort of numb. He slipped it in my ass, and I loved it.

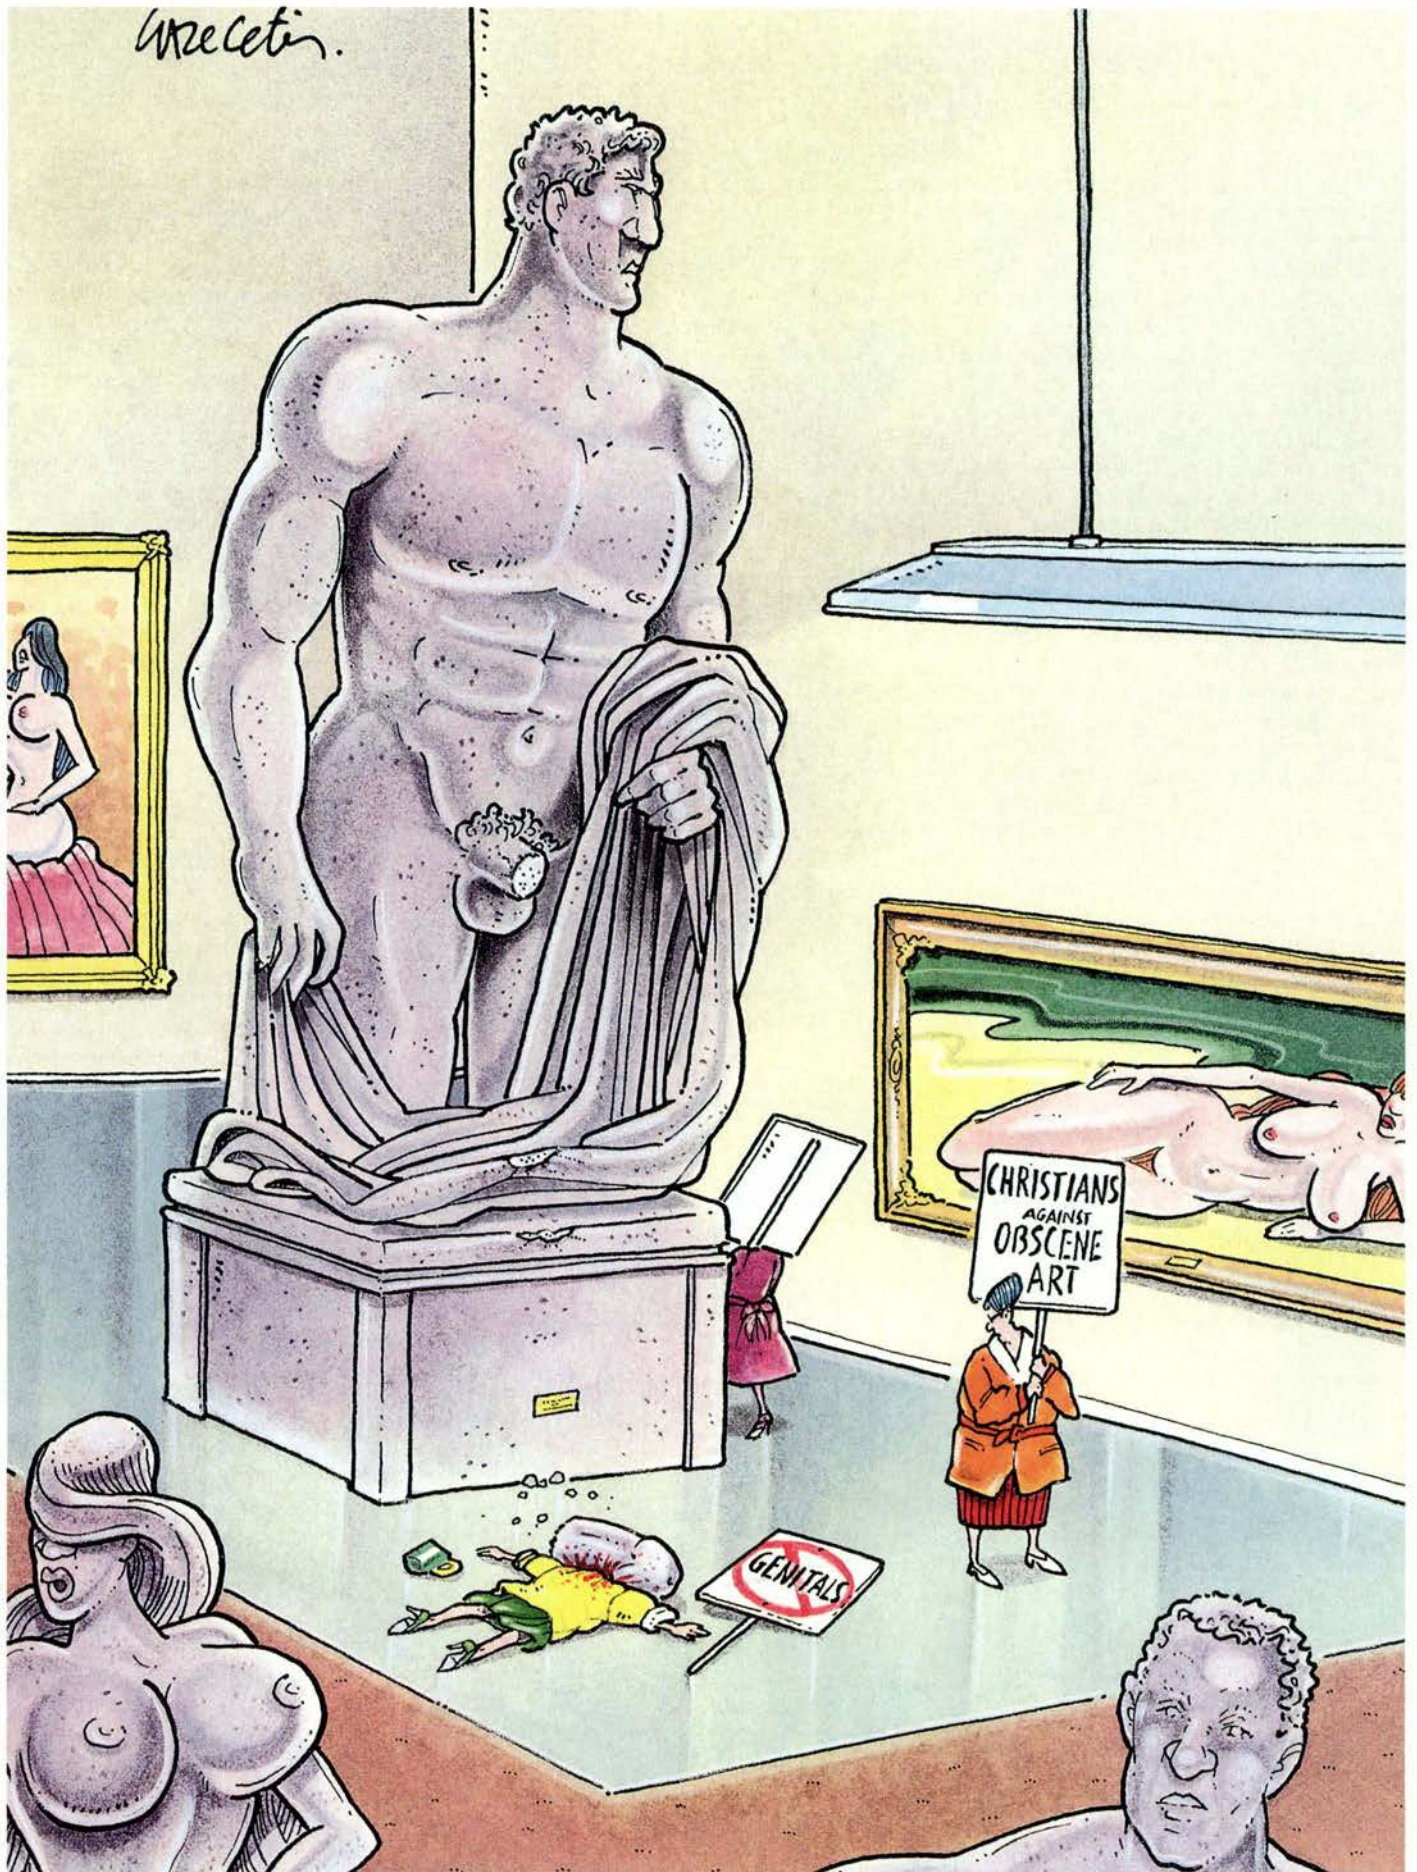

ANGELA SUMMERS: Instigating sex was always my idea. My first time, the guy didn't even know I was a virgin. I assaulted him. I was the first girl a lot of the boys in high school ever slept with. I date-raped them all.

PATRICIA KENNEDY: Don't ever force somebody; don't push it. If you want a girl to do something, suggest it, and say, "It would be really neat." But don't keep bugging them about it, because if they do it and don't enjoy it, they'll resent you for it. About guys who get upset when they can't get what they want, most women will say, "Fuck it, I'm not gonna do it with him at all."

"I kinda miss the personal touch."

Bionca: I just can't hold back from sliding a couple of fingers in their asshole. When I'm done, they thank me.

DICK HOWARD: You get what you want by giving her what she wants. Give her head. Forget about yourself, forget about your dick. Make her come. When she's fuckin' lit, and you say, "Let me put it in your ass just for a second," there's a good chance you might be able to get more than the corona in.

TONISHA MILLS: Women sometimes feel a little shy or embarrassed about doing certain things. You have to let them know that they're very beautiful, very sensual. I would say, "That was really great, but let's try this. I think you would be wonderful, because you're so sexy." My boyfriend asked me to do something one time. I said, "I can't do that." He said, "Yes, you can. You can do anything you want, as long as it feels good."

BRANDY ALEXANDRE: Getting someone to do something that they're reluctant to do depends on how you phrase it. If you're approaching your girlfriend to do anal the first time, don't say, "Hey, babe, let me fuck you up the ass." Say, "I'd like to do this. How do you feel? Would you like to try that? You'll be in control. I'll stop when you say so." You

can't demand, and you can't belittle. If they're negative, don't press. Wait and ask again another day.

SELENA STEELE: A woman shouldn't do anything she doesn't want to do. If the guy wants to stick his nine-inch dick in my ass, let him stick it in his own ass.

KEISHA: My very first time picking up a woman at a nightclub, I got her to do something new. We were dancing, and I thought she was really hot; so I asked her to come home with me. One of the ways I love to masturbate is to use a dildo and a vibrator, with the dildo inside and the vibrator on my clit. I showed her how I used them, and I got her to use them on me. I said, "Let me use this on you." And she really came; it was terrific.

So my advice is, demonstrate things. Be open and relaxed. Make the other person comfortable, and coerce them...slowly. When you want somebody to do something for you, don't be afraid to ask.

BIONCA: I try to make girls as comfortable as possible. I ask, "What do you do? What don't you do?" But I just can't

hold back from sliding a couple of fingers in their asshole. So I just get 'em so wet and worked up that I just slide it in. And when I'm done, they thank me. I've never been slapped. Get girls hot enough. That's my advice.

When I was younger, I was embarrassed because my nipples were large. I wanted to leave my top on. I thought I was deformed. Finally one guy got me to take it off, by making me feel bad, like I was depriving him of something—which I was.

CHAZ VINCENT: Dizzy and I were already having a rather interesting sex life when he talked me into videos. The next thing I knew we were doing videos as a living. He kept saying, "Let's just try it once. If you like it, cool. If you don't, fine." For a relationship, I'll try anything once. What's it gonna hurt?

STACEY NICHOLS: Sean Michaels got me feeling really comfortable doing anal. It's something you have to talk about. You have to do certain things to prepare yourself, and then you can enjoy it. Off-camera we spent half an hour preparing for our scene.

RANDY WEST: Get her drunk. It's worked ever since the beginning of time. I'm a stripper. I see it, man. The parties where the women don't drink, they don't do nothin'. The parties where they drink, they invent new uses for cream cheese, whipped cream, doughnut tosses. A lot of women have sex in public for the first time when they get loaded, or do stuff like get naked and jump in the pool. All women need is permission in their own minds to be themselves. Once they've got that, they're just as horny as the guys.

BIONCA TRUMP: My ex-husband got me to start dancing. He said, "I'm giving you no more money—go work." He took me there and made me do it!

SEAN MICHAELS: If you want a woman to do something that she hasn't done before, ease into it. Everyone's different. Some women like to be submissive; some like to be in control. Let her do what she wants, and she'll give you what you want in return. If that doesn't work, look for somebody else. Never force it.

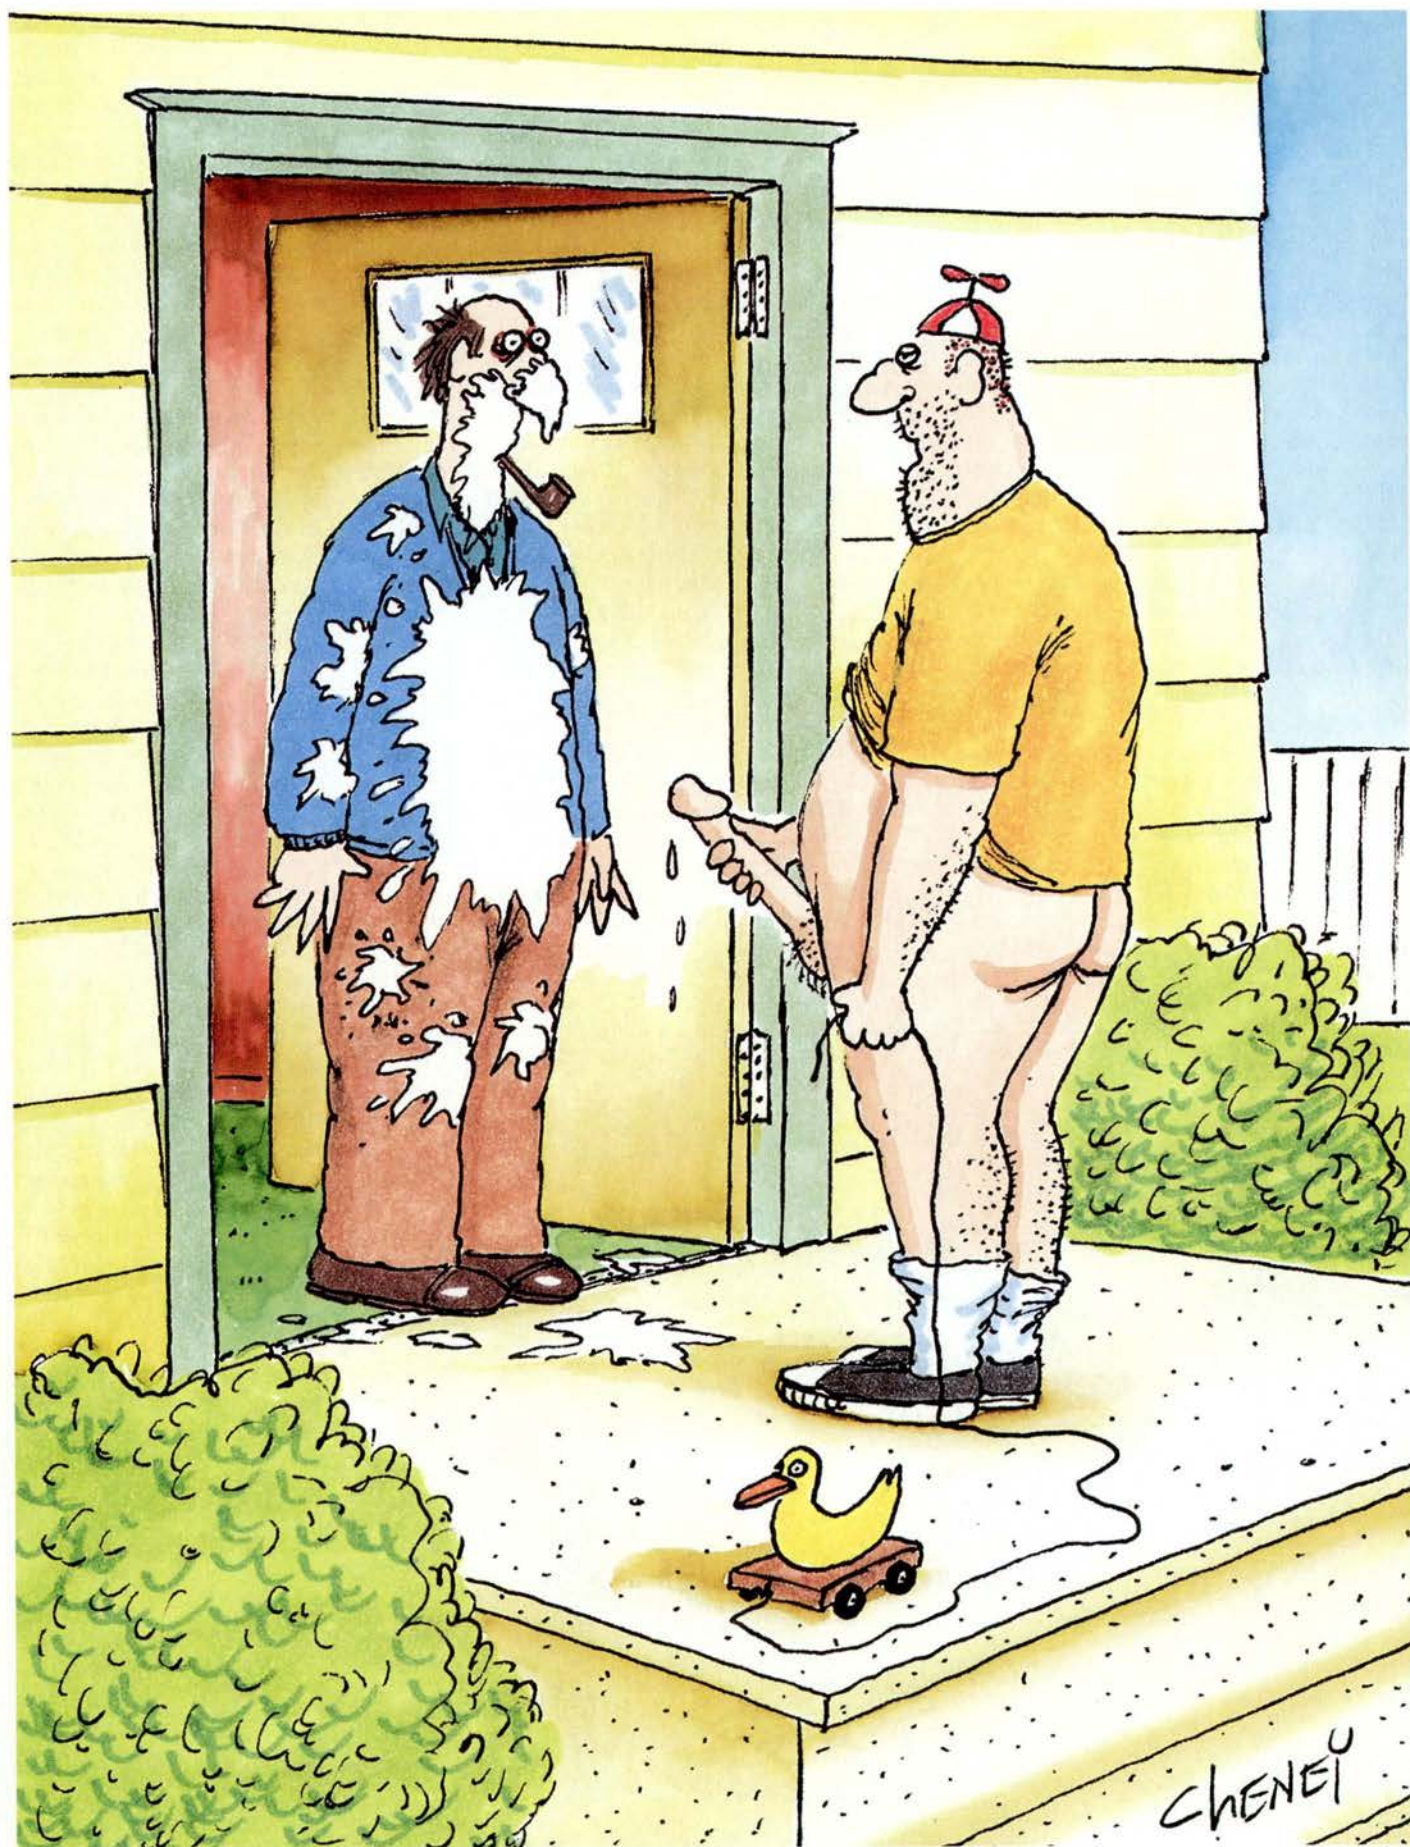

AMBER LYNN: I beat them into submission. Then they do as I ask!

HYPATIA LEE: Bud's talked me into things. He made me feel something's perfectly acceptable and really exciting, and something that everybody gets off on. He'd show me magazines or books about whatever it was—S&M, swinging, whatever—showing me a movie with that kind of thing in it always seemed to work. You really have to give your girlfriend permission to do what you'd like.

JEANNA FINE: If you're trying to

convince somebody to do anything, ultimately it depends on the amount of trust between you and the person you're with. Let's say you want to experiment with your woman and another girl. You've got to make her confident that you love her, that you want to be with her, that she's the sexiest woman on earth and you want to experience her sexuality with another woman. Give lots of loving attention to her while this is happening. For the first time or two, lay off the other chick, or it's gonna blow everything!

MONA LISA: I was really reluctant to do anal. Tom Byron convinced me. He said, "See if you like it. If you don't, you never have to do it again. But at least try it once, otherwise you'll never know." He was doing other things while he was talking to me—it was very convincing. In the past, men have begged—that worked really well! Just don't push it, because that'll make a woman run in the opposite direction.

NIKKI WILDE: I'll do anything you want, as long as you buy me a really nice car and a really big house. Materi-

al persuasion is very convincing.

ED POWERS: I specialize in this. Case in point: An X-rated agent with ads in the papers asking for girls to do "nude modeling" will call me and say a girl is in the office, she's 19 years old, interested in doing some nude modeling, but she won't take off her clothes. I get her on the phone and say, "Would you shoot for an hour with me, in your underwear?" She comes over. She's brunette with Italian features, very attractive, a very nice girl in every sense of the word. She's nervous. She says, "I can't believe I'm doing this." She hasn't done anything yet. And I say, "Is it maybe that you're so excited about what you want to do that you can't face it?" She admits that maybe that's it.

Feeding lines loses the whole thing. You have to be real. If a girl doesn't like you, it's not meant to be. But if you show yourself as you truly are—provided you don't scare *yourself*—that's what it boils down to.

KRISTINA CEA: My advice? A lot of talking before anything happens so a girl feels comfortable, and showing videos of

what it's like. Giving my first blowjob, I was with someone I was very comfortable with and cared a lot about. He told me the best thing to do is lick the head, concentrate on that, and go slow. He actually showed me with a dildo.

PORSCHÉ LYNN: You shouldn't have to convince a girl. If she wants it, she'll let you know, believe me.

TEDDIE AUSTIN: I always fantasized about bondage, but when I was married, I never had the nerve to ask. The best thing is to ask. I asked my fiancé—I begged. Guys find it really tough to ask women for anal sex, or to have another woman in the room, or maybe even another man. Maybe the guy just wants to see his girlfriend or wife get screwed. The only thing he can do is ask. If the other person's not interested, they're gonna leave, but break it easy. Get 'em drunk first; so they won't remember in the morning!

GAIL FORCE: When people got me to do something, it was because they paid my price!

TIANNA: The issue for me is trust. Bondage, for instance, is new territory for a lot of people. A lot of people aren't comfortable with blindfolding their dates and tying them up. It's a safe and fun thing, if it's done with people you trust and like. My first domination must have been with my husband Patrick. I was scared to death, but I *did* trust him.

Early in our relationship he got me to wear this really short dress and stockings and high heels, and he made me get on the back of a motorcycle and took me out in public. When I sat on the bike, the pegs made my knees stand where my face was; so my pussy was hangin' out for the whole world to see. And I said, "I can't do this." He said, "Well, I'm gonna leave you here then," and started driving away! I was screaming, "No, come get me!" It turned out okay. I knew I was gonna be safe with him. Some men have an aura about them. Bruce Seven looks like a dirty old man—why would anybody trust him? But every time I'm in a movie with him, I have something in my ass.

BRUCE SEVEN: Most women are nastier than a son of a bitch. Way nastier than men. If men listened to their women, there would be a lot more happy relationships.

ALEX JORDAN: The first time I was with another woman, I was talked into it.

HOLLY RYDER: I persuade women by using romance, flowers, dinners and hot baths.

GODDESS SONDRÁ: You must submit totally to your woman's every whim.

LAURYL CANYON: To get a girl to

pushed too hard, they would utilize the laser beam to blow up oil refineries in Richmond. Each member of the Pen-drasons would become a noble after they had assumed control of California.

As in the case of the ludicrous Pen-drasons, the ideological agendas of most cult groups are enough to dissuade the average American. But what about a group that condemns the Federal Reserve System, the Internal Revenue Service, the conspiracy of bankers and an unjust system of taxation? Such were the points of contention attracting folks in Rulo, Nebraska, when they joined the Posse Commitatis.

Chief executive of the Posse Commitatis was 6-2, 220-pound Michael Wayne Ryan, the founding father of the radical cult. No one disagreed with Ryan, because, according to followers, he spoke directly to Yahweh, or God Himself. Anyone with a quarrel with Big Mike was messing with the Lord.

James Thimm had been a well-respected member of his Beatrice, Nebraska, community before he got tangled up with the Posse Commitatis. A

cult member in good standing, at one point, Thimm became a scapegoat when Mike Ryan felt compelled to make an example of his once-devoted follower.

Over a period of five days, witnesses testified, Thimm was whipped with cattle prods and beaten. One day he was spread-eagled over a piece of farm equipment, where his rectum was rammed with a shovel handle.

While Thimm screamed and begged for forgiveness from his sadistic master, he had one of his legs skinned with a razor, the other leg broken by blows from a lead pipe, and the tips of his fingers shot off one by one. He was at last granted the final mercy of death.

Ryan kept a five-year-old boy around to satisfy his continual hunger for cruelty. Any adult member of the cult was free to use little Luke's mouth for an ashtray, or to whip him when so inclined. The boy was also required to perform fellatio on any cultist who demanded the sex act of him.

Ryan eventually decided that Luke was possessed of a demon and needed to be exorcised. Witnesses later testified

that five-year-old Luke was systematically beaten to death.

When the Nebraska State Patrol raided the Rulo farm on June 26, 1986, they found five truckloads of stolen farm equipment, 30 automatic and assault rifles, 13 fully automatic pistols and rifles, 150,000 rounds of ammunition, and a survivalist bunker filled with food, water and ammunition. Michael Ryan now speaks directly to Yahweh from a cell on Death Row.

In 1982, police apprehended a gang of cultists who may have slain as many as 17 women in the Chicago area. The Purifiers of Womanhood kidnapped hookers and society women alike from shopping malls, parking lots, streets and bus stops, all of whom they tortured, raped and mutilated.

Police apprehended Purifiers Thomas Kokoraleis, 23; his brother Andrew, 20; Robin Gecht, a 27-year-old man; and Edward Spreitzer, 23.

The tales these young men told were enough to make hardened crime veterans take up underwater demolition as a saner and safer occupation.

Robin Gecht was the High Priest, the spiritual leader of the cult. The "services" in their chapel on the second floor of Gecht's home always began by cutting a victim with knives or stabbing her with an ice pick. When she began to scream, the cultists would take turns raping her repeatedly.

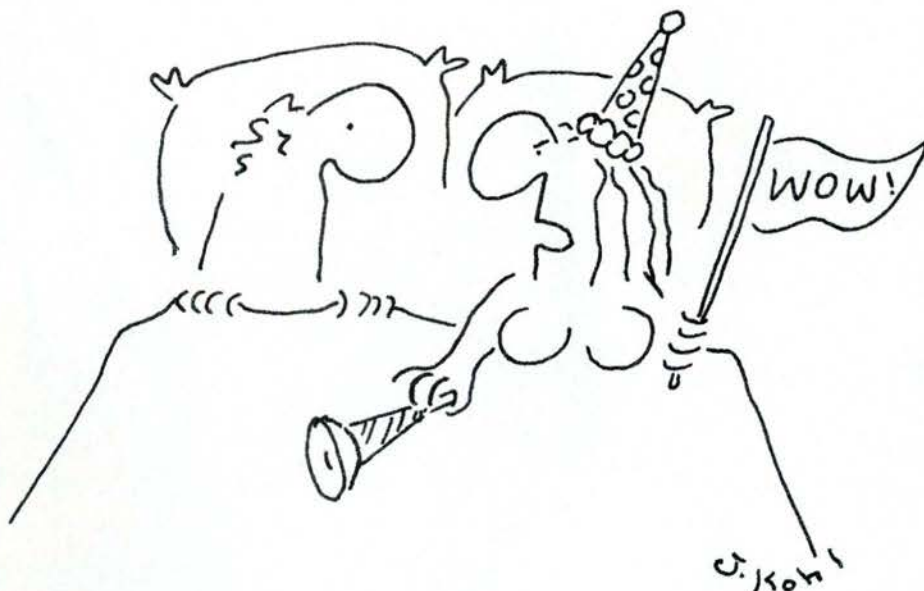

Thomas Kokoraleis testified that the victim would be raped until she just couldn't stand it anymore and her mind just blanked out from it all.

Their homemade altar was draped with a scarlet scarf. At the beginning of each ceremony, Gecht would read and mock passages from the Bible, apparently in an attempt to mock and insult Jesus Christ, the arch enemy of His Satanic Majesty.

As Kokoraleis understood it, sacrifice was important to the Black Mass because it gave the satanists an opportunity to desecrate God's highest and most beloved creation—a human being.

Gecht reportedly emphasized to his acolytes the importance of leaving a mark on the victim. This was accomplished when the High Priest took a thin, strong wire, and looped it around the victim's left breast. As the others watched devotedly, Gecht would pull the wire nearly straight in a strong, firm movement, thereby cutting off the breast in one efficient tug. On occasion, the High Priest would also remove the right breast.

Gecht kept as many as 15 breasts in

CON WIVES

(continued from page 52)

What Masterson's mate told her, in an impersonal, typed letter, was that he had tested positive for the AIDS virus (HIV).

other visitors because she "needed his love." After their marriage, however, while waiting to be scheduled for a conjugal visit, her incarcerated mate persuaded her to commit an act she still regrets.

"He talked me into fucking then and there," she says. "I have no qualms about humping the man I love, but he had us doing it while nine- and ten-year-old kids and their parents tried not to watch."

The public conjugation occurred on what proved to be Kennerly's last visit. She left the prison, replayed the belittling sexual encounter in her mind and filed for divorce.

"I'm not so fat and lonely that I should have to stoop to displaying my bare ass in a crowded prison visiting room just to keep a husband," she states. "I don't know how other visitors can do it."

"Inmates and their visitors refer to visiting rooms as 'passion palaces,'" laughs Suze Torquet. "Anytime you enter one, you'll probably see someone masturbating, sucking or fucking. It's against the rules, but inmates don't

follow rules—unless it's convenient."

That Patricia Kennerly, a former battered wife, would turn to a convict for companionship does not surprise Jocelyn Norse.

"The choice of a mate is usually based on earlier influences," explains Norse. "Therefore, a woman whose previous mate verbally or physically abused her may only be attracted to abusive men. And what place better than prison for finding that?"

"Put aside the obvious question of whether corrections officials should turn prisons into cheap motels and honeymoon suites," she urges, "and consider this: Other than sex, what's in it for the convict?"

"I needed his money," says Torquet, who freely admits she used her husband for his cash while she was in jail. Love, she says, had nothing to do with it.

"When he realized I had fallen in love with him," says Rita Betaglio of her ex-husband inmate, "he began to ask for things—a book of stamps, an AM/FM radio, a few hundred dollars for commissary, a portable color TV. After our mar-

riage ended, I realized I had given him more than 5,000 dollars in cash and merchandise. Five thousand dollars, and all he did was humiliate me."

In addition to sending small appliances such as radios and televisions, and cash for commissary purchases, convicts' spouses are often expected to send food—and these packages can be costly.

"Usually," reports Lon Blevitt, "a package will contain five cartons of cigarettes, jars of instant coffee, canned meats, candy and other luxuries. It adds up."

Some convict spouses stand to lose more than just money. Tobie Masterson, a 23-year-old college student who married a convict in New Hampshire because she thought it would be an "adventurous" thing to do, may have suffered more than a simple financial loss.

"We'd been married about a year," she says, "when he wrote to say there was something he needed to tell me."

What Masterson's mate told her, in an impersonal, typed letter, was that he had tested positive for the AIDS virus (HIV).

"He said he may have been infected by a tattooing needle shared by other inmates," reveals Masterson, who has relocated to Arizona to live with her parents. Thus far, she has tested negative for the virus.

Inmates with AIDS, or who have tested positive for HIV, are not barred from participating in conjugal visits. Drug use in prison is commonplace, and needles—next to impossible to obtain—are routinely shared among convicts. Likewise, tattooing is commonplace, and here again needles are shared. In addition, it's a matter of national prison procedure that convicts are not permitted to possess condoms. That convicts are a high-risk group to contract AIDS is a foregone conclusion.

For decades American society has romanticized the outlaw. Such high-profile convicts as Ted Bundy, Patricia Hearst, Sirhan Sirhan, Lynette "Squeaky" Fromme, John Hinckley, Jeffrey Dahmer and Charles Manson have been the recipients of countless love letters and proposals while in jail.

Tony Smith, a California prisoner who hopes to wed before the end of 1992, claims that not all convict marriages are self-serving, manipulative games. "Some convict marriages are for love," he insists. "Some of them do last."

"Romance behind bars?" laughs Tiffany Velasquez. "I can live without it."

If incarcerated criminals were to place honest, sincere ads in newspapers, Velasquez, Norse and many others might believe the ads would read:

Single male, incarcerated, seeks marriage-minded lady who is willing to lose money, be humiliated and perhaps contract a fatal disease. Reply to....

"Piss off, you fatassed, rednecked, honky motherfucker!"

"Let me ax you a question, my man—does you likes to live dangerously?"

BEAVER HUNT

Photo by Friend

Striving to be the center of attention is the principal hobby of 26-year-old Eris, a student and dancer in San Francisco, California. Her sexual goal is to be entered in the Guinness Book of Records for most consecutive orgasms and to do so, she says, would require "a little help from a lot of friends."

FLASH FOR CASH!

Attention, ladies! The 1992 Beaver Hunt Grand Prize Competition is looking for you! Snap a clear, color picture and mail it to HUSTLER Beaver Hunt, 9171 Wilshire Boulevard, Suite 300, Beverly Hills, CA 90210. Every lady whose picture we print gets \$250 and a chance at the 1992 Grand Prize—a photo-feature worth \$5,000. Grand Prize Finalists win \$1,500 each. Their photographers win \$250. The award for the photographer of the Grand Prize Winner is \$500. Fill out the model release below, and include a photocopy of (1) a photo ID and (2) another form of ID. All photos become the nonreturnable property of HUSTLER Magazine.

Halina, from Czechoslovakia, may be our most remote Beaver Hunt participant to date. She's a 29-year-old who's now become our transatlantic pussy pal. Instead of a fantasy, she describes her last New Year's Eve party when she

squeezed three thick meat sausages into her pussy and masturbated her clitoris to climax. She admits there was some pain afterward, but says it was worth the pleasure. May all our schnitzel be forgot...

Just sit right back and hear a tale, a tale of lovely Lori of Hull, Massachusetts. This 27-year-old hairdresser fantasizes about living naked upon some uncharted desert isle, with her fiancé and the freedom to sunbathe, cook and pose naked for dirty pictures. Ginger and Mary Ann never had it so good!

Photo by Friend

Anastasia provides new meaning to the term "muff diving" as this 20-year-old exotic dancer goes off the deep end in Narragansett, Rhode Island. She enjoys snow skiing, dancing and waterskiing, of course. After she's had sex on top of Killington Mountain, it appears that we've caught her in the second act of her fantasy: relaxing in a hot tub.

Photo by Friend

Happy birthday to Jennifer, who turns 2 this month. If this pose is any indication of her technique, then all sales of her technique, then all sales of Pittsburgh, Pennsylvania, must be still making love to a woman while her boyfriend watches would only be cruel to the poor fellow, but would satisfy her fantasy as well.

Waitressing has obviously paid off on the toned inner thighs of 23-year-old Cheryl of Bradenton, Florida. She spends her free time partying, having sex and being photographed, and fantasizes about threesomes, preferably with a man and another woman.

Photo by "Perverted" Friend

The sun never shone so brightly as when it bathed the breasts of bountiful Gigi, an actress and singer in San Jose, California. This 29-year-old would love to pursue her hobbies of dancing and traveling while on the way to a deserted island, where she could dive and play naked in the tropical waters with her fantasy man. Not to speak of putting muscles in her shell!

Photo by Friend

Photo by Husband

Sucking cock and nude sunbathing are two ways 23-year-old Tracy spends her free time. She works days serving Bloody Marys and the like at a bar in Reno, Nevada, and would someday like her husband to fuck her up the ass, while she eats Heather Locklear's pussy. Tommy Lee would have to solo.

Photo by Friend

All right, Lady B, we'll print your photo! Just put the gun down and pick up a book and study for the classes you take in Toledo, Ohio. Or maybe design some clothes, cook, have sex or do any of your other hobbies. But don't shoot! By the way, this 19-year-old's multiple fantasies include sex with two men at once or with two women and a man. Obviously there's safety in numbers.

Photo by Husband

There's the snap. The kick is up, and it's...good, if your goal is between the legs of 20-year-old Ann from Brockton, Massachusetts. She's a cashier who relaxes by watching movies, shopping and participating in water sports. As a result, making love to her husband and another woman in a hot tub seems a perfectly fulfillable fantasy.

Photo by Friend

When Stevie's fingers aren't tugging her lips, they're flipping through her favorite romance novels. She's a employed saleswoman in Las Vegas, Nevada who also enjoys watching old movies. A 22-year-old with a strong sense of priorities, she dreams of someday appearing in a HUSTLER pictorial.

be wild, the big thing is, don't lay on a judgment trip. When I want to mess around with girls, I'll compliment them on something I find attractive. Massages always seem to work well. That way, with somebody who's tense and tight, you get the touching in, and they don't feel funny when you're touching them. Rubbing someone is a very easy way to get more intimate.

To get me interested in anal, I like it if they put a small vibrator in first and lick me. I love to have my rear licked all over. Once somebody does that, I want it really bad. Just kind of lick it, and go back and forth from the pussy to the ass. Work me up to an excitement level, and kind of massage my pussy while you're doing it, and then ease it in. First time I took it in the ass, I was about 20. My boyfriend got me worked up with a lot of licking and talking, saying how he really liked it.

DEVON SHIRE: First time I did it with another girl, my boyfriend just said, "Oh, you'll like it," and kind of slipped her in. I liked it, and I've stuck with it ever since. A guy I was going around with put a cucumber up my pussy in a grocery store. It was a dare.

I'll do something like that on a dare!

RON JEREMY: To get a girl into another girl for the first time, if they're already turned-on to each other, but neither one has the gall to break the ice, hang out, crack jokes, get to know each other. If the girls still haven't broken the ice, I'll say, "Before we go, give each other a nice goodbye kiss." Next thing you know, the girls will start kissing, and then a little tongue, and then they'll take it on their own. I'll either hide behind the sofa or sit in the corner so they won't feel I'm in the way.

For anal, the technique is to have the girl do it. You're having sex in doggy position. You take your lube. You put it on one finger, and you lubricate her rear end. Put in two fingers, tips only. Explain to the girl that's basically the width of most dicks; so this'll be real easy. It isn't all that difficult sometimes for the women, but they see the size of my dick, and they think I'm gonna put the whole thing in there. I say, "No, it'll be just the tip." Once everything's been lubricated pretty nicely, I'll put the edge of my dick against their sphincters and say, "You do it." I tell them to push out, as if they're going to the bathroom, 'cause if they suck in, it'll hurt. They back up very slowly, you just glide in and out, and you've got it made. 🍆

CULTS

(continued from page 94)

a box, Kokoraleis told investigators.

At the peak of the ritual ceremony, Gecht would cut the freshly amputated breast into bits and serve each communicant a piece—to be consumed.

Although there exists no clear-cut pattern profile of those who join cults with the potential of becoming killers and assassins, sociologists do know that cultists who commit violent crimes tend to suffer from a sense of inadequacy that is lessened by finding people who care for them. Joining a cult and falling under the spell of a charismatic leader who claims to care appeals to a need in alienated individuals to feel worthy in a master's eyes and in those of fellow cultists. Such an emotionally needy person will go overboard in his participation, joining in ritual beatings, rapes and even human sacrifices in order to build his worthiness in the cult structure.

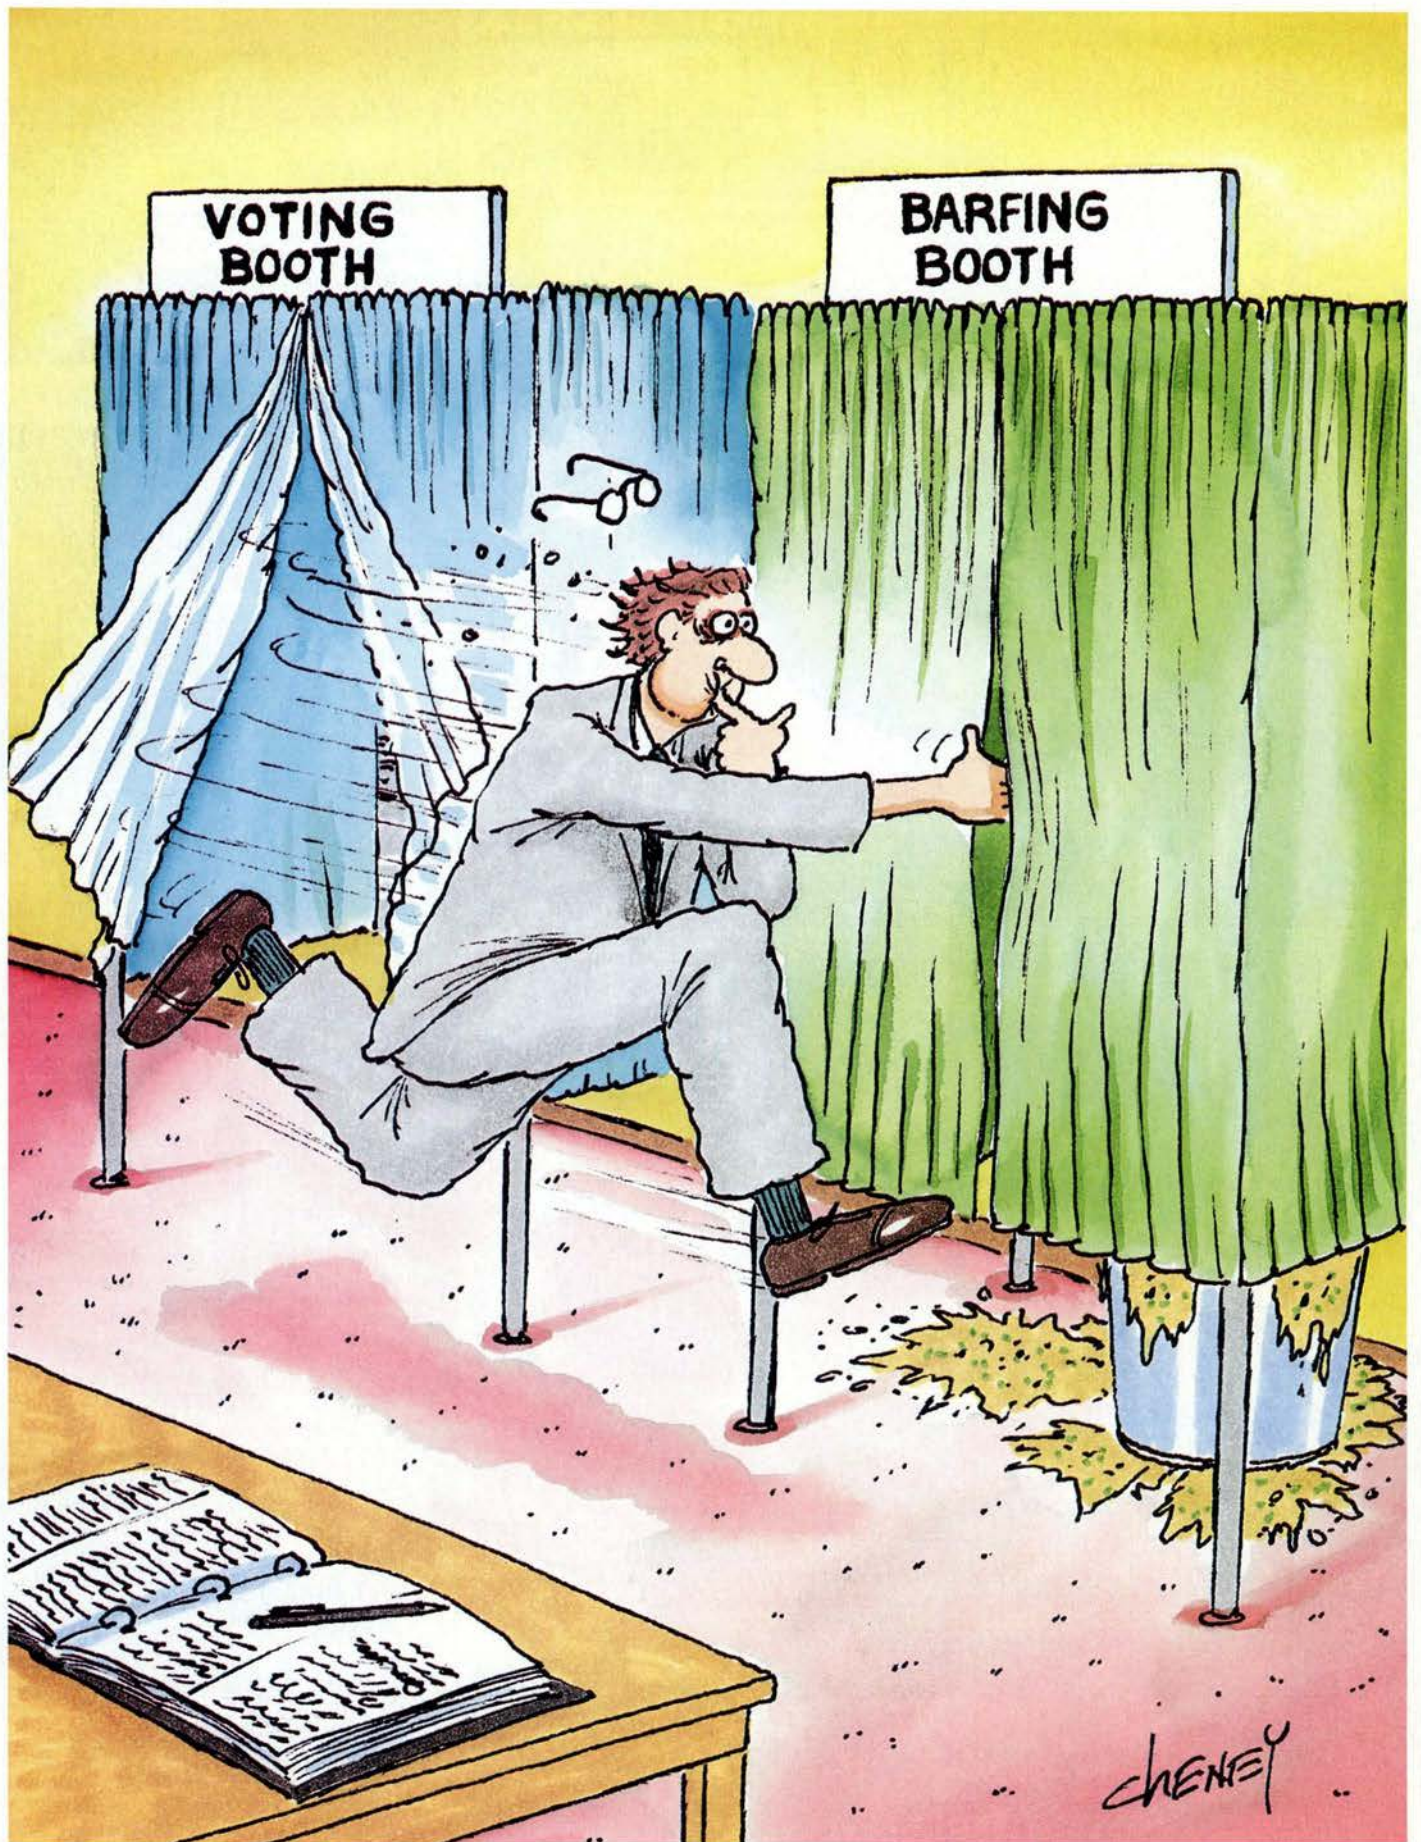

Adolescents going through a rebellious phase in their lives are susceptible to cults. The disaffected youths see the antisocial declarations of a cult as a means of demonstrating opposition to the traditional authority that has alienated them. Would-be cultists such as these are rarely, if ever, violent.

Potential killer cultists exhibit a pattern profile characterized by irresponsible and impulsive behavior. They show a callous disregard for the rights, needs and well-being of others, and are often chronic liars, prone to thrill-seeking and deviant behavior. Unable to shoulder responsibility, they typically expect their needs to be met immediately. Because such people are incapable of waiting for results, or planning for future goals, they become easy marks for the cult leader, who relieves them of personal responsibility, subjugating the individual to the whole.

Americans are continually made aware of what it means to be physically healthy, but need be more informed about opportunities for psychological counseling throughout all levels of development. If mental-health professionals can reach potential killer cultists before they take up sacrificial knives, the rate of ritualistic murder in the United States may decrease. Mildly aberrant citizens become cult members because they believe they've failed to fit into conventional society. They join cults by default, only to be victimized and victimize. Clever cult leaders know exactly how to make the misbegotten of society feel wanted. 🍆

You Can ENLARGE, THICKEN & HARDEN YOUR PENIS TO IT'S MAXIMUM!
HAVE ERECT MEASUREMENTS OF 9, 10, EVEN 12 FULL INCHES!
Let Scott Taylor "King of Penis Enlargement" show you how!

Is the size of your penis bringing you down? Sure, the medical authorities say that size doesn't count, but as long as women have a need to be filled, they will demand the full measure of devotion. And no amount of psychological reassurance will fill the gap between expectation and reality.

Now, with a simple device you can follow in the footsteps of Super Porn Stars, Scott Taylor, Jeff Stryker and the hundreds of thousands of men who have proven that there is a way to INCREASE PENIS SIZE and THICKNESS! The device is called the SUPRA-12 VACUUM ENLARGER. A safe and proven natural way to add inches to penis length and thickness. With the SUPRA-12, you will see yourself grow to dimensions you never thought possible.

HOW CAN THE SUPRA-12 VACUUM ENLARGER INCREASE PENIS LENGTH & THICKNESS?
 Your erection is caused by blood flowing into hollow caverns inside your penis. The caverns fill with blood and your penis grows in size and thickness and becomes stiffer and stiffer until the caverns are filled with all the blood they can hold. BUT, IF YOU INCREASE THE CAPACITY OF THE CAVERNS BY MAKING THEM BIGGER, THEY HOLD MORE BLOOD and you have a correspondingly longer, thicker penis. You'll see the astonishing results the first time you use your SUPRA-12. Your penis will grow inside the clear, picture window sleeve. Immediately you'll see just how really BIG... how really FAT... how LONG... how HARD and STIFF your own penis can get! And after regular sessions with the SUPRA-12 you'll probably find as do most men that these size gains don't go away! They become a part of you to thrill and excite her!

SUPRA-12, THE "ROLLS ROYCE" OF VACUUM ENLARGERS.
 These sophisticated instruments are by far the state of the art in penis enhancing machinery. The HEAVY DUTY MANUAL model is a finely crafted precision instrument designed to create the vacuum needed to make the male organ LONG and THICKER. And for the connoisseur, the powerful ULTRA DELUXE ELECTRIC model (U.L. approved) is equipped to give you continuous even sucking power until you shut it off! The ULTRA DELUXE ELECTRIC is perfectly safe and as quiet as a whisper. Accept no substitutes if you are truly serious about penis enlargement - join the more than half a million men who have proved that the SUPRA-12 will do the job for you!

This video tape is a full color, detailed, step-by-step explanation by Scott of what you need to know to increase your own genital size.

SORRY WE CANNOT ACCEPT CASH—ADULTS ONLY!

"A JOURNEY INTO THE BIZARRE"

We bring you a collection of eleven adventures in erotica that are unlike any you've ever seen — we guarantee it! **PAUL NORMAN, "The Master of the Unusual!"** goes where few producers dare to tread in the production of his sex films, stopping at nothing to bring you the most visually shocking sex encounters ever filmed — XXX hardcore that appeals to every taste — every kink! Not content with the normal big-dick studs and porno starlets, he has sought out, discovered, and brought to the screen true hermaphrodites (people who possess a penis and vagina); Siamese twins who perform sex on camera; bisexual nymphs and satyrs who will do anything to get off; and much, much more! **NOW** — by special arrangement with Mr. Norman, we offer you this showcase collection of his best works. Obviously, his films bring top dollar when sold individually, but during this limited special offer, you can acquire these classics at a price that makes them an unbelievable bargain!

with **PAUL NORMAN** . . . the master of the unusual!

PN-1 "BI & BEYOND" (Hermaphrodite with a woman) — The film that set the sex world on its ear! Deliah, the stunning brunette hermaphrodite with a gorgeous woman's body and pulsing 10 1/2" cock, makes her film debut, licking, sucking and fucking a blonde woman in every way imaginable!

PN-2 "PASSION BY FIRE" — A bisexual female and bisexual male join forces and cruise pick-up bars in search of sex partners to quench their insatiable appetites for cum! 3-way action where no hole is left unfilled!

PN-4 "BI & BEYOND 2" (Hermaphrodite with a man & woman) — A horse-hung hermaphrodite easily satisfies a man and a bi-guy as she uses her awesome sexual equipment in a 3-way fuck fest such as you've never seen before!

PN-5 "JOINED" (Siamese twins with a man) — Perhaps Paul Norman's most incredible discovery of all — gorgeous young Siamese twins joined at the hip, who catch a peeping tom and grant his fondest wish — to have sex with them! A must see, alone worth the price of the entire collection!

PN-6 "INNOCENCE LOST" — Two lesbians decide to try cock for the first time, and introduce their neighbor to new thrills as they penetrate his virgin anus with their dildoes & lesbian sex toys!

PN-7 "BI & BEYOND 3" (A hermaphrodite with a man) — A gorgeous blonde with a dripping pink pussy and throbbing 9" cock auditions for a film role. The producer (who's bi) has his hands full (and his manhole) when this unique, oversexed creature gives him an updated lesson in male & female anatomy!

PN-8 "HEATWAVE" (Interracial bisexuality) — The black bisexual crew of a yacht "drops anchor" in the hot mouths and hungry pussies of their cock-starved bisexual blonde passengers. A "salt & pepper" suck & fuck fest ensues all over the boat!

PN-9 "SEPARATED" (Siamese twins with two men) — The stunning Siamese twins yield their mouths and cunts to the throbbing cocks of two studs as they have their first 4-way group sex experience. An eye-popping, cum-sputting orgy of double fucking and sucking!

PN-10 "BI & BEYOND 4" (Super-hung black hermaphrodite with a man) — "Herculina," the incredible black hermaphrodite with a 12 inch penis, teaches a "white boy" about "long-dicking" as he has his first encounter with nature's "ultimate sexual partner," the hermaphrodite!

PN-11 "OFFERING" — Imagine what happens when 8 multi-organic male & female bisexuals get together for an "orgy to end all orgies." It's all here — hot, wet, and up-close, as Paul Norman's camera record the most cum-saturated sexual encounter ever filmed!

THE WORLD'S BEST
SELLING PENIS
DEVELOPER NOW
OFFERED AT A
FRACTION OF ITS
ORIGINAL PRICE!

Have you ever been embarrassed by the size of your penis? Have you tried to convince yourself it's not how big it is but how you use it? As long as your sex partner needs to be completely filled, you owe it to yourself to do something about a larger penis now!

Our penis developer will increase penis length, thickness, and make your erection harder and stiffer.

Did you know a woman's vagina will stretch and enlarge to accommodate a large penis? Imagine her excitement as you penetrate deeper than you ever have before.

How does our penis developer increase your penis length and diameter?

The answer is called hypermia, a medical term to describe blood filling into caverns of your penis. The caverns expand causing your penis to grow in size and diameter. The superior pump action and sealed vacuum of our penis developer urges your penis to grow to mammoth proportions. Our penis developer is not just a vibrator like some electric units you may see advertised. Remember, it is the precise slow super pumping action of our space age designed penis pump that builds your penis larger than you ever dreamed possible.

***Act now if you are interested in penis enlargement.

Jeff Stryker's How to Enlarge Your PENIS

Enlarge your PENIS to its Maximum Potential!

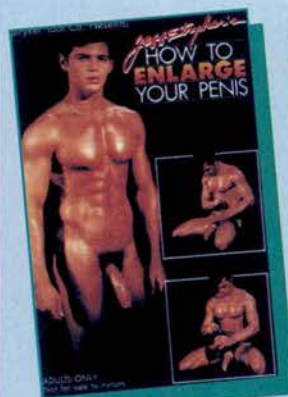

Jeff Stryker, America's No. 1 adult video star, shows you in his brand new video and magazine how he pumps up to a bigger, harder and thicker penis. Watch Jeff as he demonstrates step by step his penis power building techniques and tells you everything you need to know to increase your penis length and diameter.

Here is why Jeff Stryker's penis enlargement method can work for you.

Your erection and increase in penis size is caused by the flow of blood through the many blood vessels of the caverns, a spongy substance of the penis. The penis pump allows the caverns of your penis to expand, permitting blood to fill the caverns which causes the penis to grow and become erect.

You do this by inserting the penis into the pump's clear cylinder (you actually watch your penis grow). **Erect measurements up to 12 inches!**

Your penis grows larger and firmer more than you ever dreamed possible!

coming... NEXT MONTH IN HUSTLER

November HUSTLER on sale September 1, 1992

RUB IT RAW

Beat some heat into chilly November with a fistful of rigid digits toasting the palmy, pink pages of HUSTLER. Two bubble-bathers tongue-whip cherry-flavored flesh froth in a steamy double-dip; a honey-titted lady doc examines a muscle-bound pussy hound by testing his open-ass reflex for an into-her-body injection; a stream-straddling golden girl takes to her flesh hills wearing nothing but morning air and a glow below; and a dark-tanned poolside brunette braises meaty mams and jam in the southernly glare of her hands-on, off-color attention. HUSTLER in November is a sex-powered superheater. Feel for yourself.

TRICKS FOR TASTES

Coke sluts, toot groupies, tweak freaks—bag whores fuck whoever can come up with a bag of their drug of choice, but consider themselves too good to spread for money. Though they decry the term *tricking*, for the proper illicit incentive, hop harlots shuck and shack quicker than a guy can say *blow*. Writer Lin Robinson's *Chemically Carnal* takes a hilarious, instructive look at the dames who'll jump in the sack for a bag.

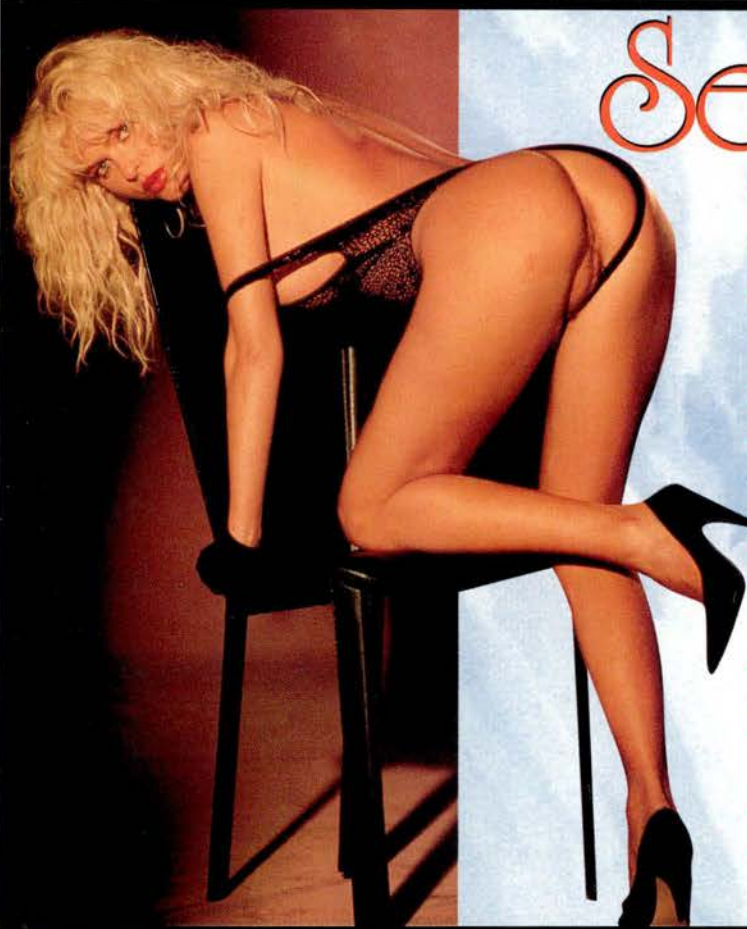

GOVERNMENT ISSUE

A pregnant sailor represents the loss of a skilled worker, often in a highly technical position, trained at considerable expense to U.S. taxpayers. More than 56 Navy personnel came home pregnant after serving in the Gulf war, and many servicewomen claim that the Navy's ban on lesbianism compels them to heterosexual activity. Navy officials admit there are homosexuals among its most capable personnel, but since 1982 the Pentagon's war against gays has resulted in discharges for over 14,000. Writer Larry Wichman exposes the U. S. military's outmoded sex policies in *The Few, the Proud, the Discharged*, a searing indictment of a defense system that emphasizes prejudice over national security.

BEST OF THE REST

Finding a virgin may be more difficult than deflowering one, but for the fortunate few, HUSTLER's November *Sex Play* provides "The Cherry-Popper's Handbook," a step-by-step guide featuring M. D. Terry Austin's detailed explanations of little-known, procedural intricacies; *Hot Letters* takes a lickin' and keeps on stickin'; *Beaver Hunt* mounts another exhibit of amateur experts in bedroom behavior; and *Bits & Pieces* finds cheap laughs despite the high cost of living. It's all in November in HUSTLER. Fire away!
