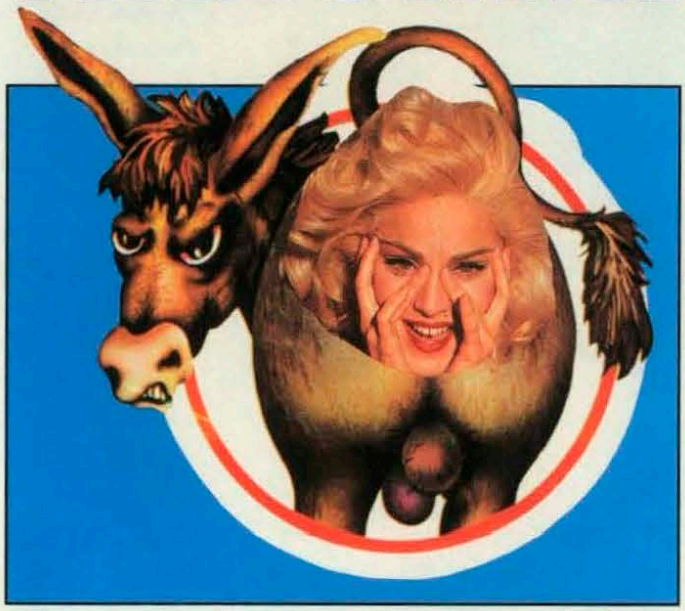
BITS and PIECES

ASSHOLE OF THE MONTH

MADONNA



Imitation may be the sincerest form of flattery, but the staff of HUSTLER Magazine feels more splattered than flattered by *Sex*, a new picture book of recycled sexuality from super salesgirl Madonna.

Madonna's monkey-see, monkey-doodoo salute to the erotic vision as pioneered by Larry Flynt is awash in a swirl of hot, sinus-singeing air, the kind of fetid backdraft that can only be emitted by an Asshole of the Month, which is what Madonna has become for February of 1993.

No one with functioning testicles denies Madonna's positive influence upon the world. Her accomplishments dwarf those of lesser prefabricated pop personalities. A woman whose public persona has persuaded legions of teenage girls to traipse down to malls nationwide wearing only their bras and a pair of boys' boxer shorts has earned her place in history. Not content to be the role-model slut to hordes of gum-smacking squack, Madonna is desperately seeking immortality. *Sex* might have brought her a little closer to eternal life, except it's a derivative, cheap piece of shit.

"I'll teach you how to fuck," promises the world's most successful female marketeer in the book's opening pages. But she doesn't present any lessons that longtime readers of HUSTLER haven't already learned years ago.

Though the book looks largely like the desperate attempts for attention of a woman whose physical decline is upon her, Madonna claims to "see myself as a revolutionary at this point.... I'm bringing what most people consider subversive ideas about sexuality into the mainstream." Comrade Madonna's subversive revolution consists of some girl-girl tongue swabbing, a tinge of erotic shaving, lightweight bondage, play spanking, cutlery as marital aid, nudity outdoors and in public places, interracial groping, simulated dry-humping and a bunch of naked 'mos cavorting together. Aside from the faggotry, all this so-called radical subversion is pleasure-as-usual to the typical HUSTLER fan. Madonna is at least 15 years late to the revolution, if she's actually with it at all.

The "dirty" stuff is prefaced by a disclaimer: "Any similarity between characters and events depicted in this book and real persons and events is not only purely coincidental, it's ridiculous. Nothing in this book is true. I made it all up." Though her *Sex* stands to rake in $20 mil, it is the work of an amateur of the worst rank, someone dabbling on the sexual fringes and exploiting a group to which she is less than truly committed. Madonna has elsewhere disavowed a fondness for having her ass slapped, after yelping a song to the joys of spanking. She has been quoted as abhorring the act of sucking dick, though she'll blow a water bottle in the process of creating a fake scandal. The bleating tart opines: "I'm not interested in porno movies because everybody is ugly and faking it and it's just silly." Granted, many of what pass for porno movies are like much of what passes in *Sex*: sucky. And yet few XXX flicks approach the scale of bogus silliness achieved by Madonna and her cadre of attractive-by-the-numbers celeb-circle jerkers. Her acceptable alternative to smut? "A movie like *In the Realm of the Senses* turns me on because it's real." *Realm*, a soft-focus, Japanese art film, is real, real arty, about as authentic as Madonna's own book or sentiments such as: "I love looking at *Playboy* magazine because women look great naked." Women do look great naked, but someone looking at *Playboy* in order to appreciate the nude female form would do just as well to consult a Barbie catalog from Mattel.

Though it really isn't worth much else, Madonna's fling with full-frontal nudity is a brilliant marketing ploy. The genius of her creativity is similar to that of whoever invented the Pet Rock. Any huckster who can get people in five languages to shell out 50 shekels for a flimsy, aluminum-covered spiral notebook filled with soft-core shots, all centered around one overexposed personality, deserves an award.

HUSTLER has been exploring challenging sexuality for the past 18 years in a durable package for less than five bucks, despite bullets, lawsuits, censors, federal harassment and cheap-ass, quick-buck knock-off artists. We are qualified to present the award; so bend over, Madonna. The Asshole is yours this month.

FARTS IN THE WIND

Daryl Gates: Ex-Los Angeles police chief Daryl Gates responded typically to a report by former FBI director William Webster that faulted Gates's actions during the L.A. riots. Gates branded Webster a "liar" and remarked of the riots: "Clearly that night we should have gone down there and shot a few people." Clearly an Asshole.

Dr. Michel Garetta: Former director of France's National Blood Transfusion Center, Michel Garetta has been convicted of knowingly distributing AIDS-infected blood products to hemophiliac patients, infecting at least 1,000, with 256 deaths to date. Garetta received a sentence of four years in prison, a fine, and an Asshole nomination.

Boris Yeltsin: Is he just stalling or is he just Stalin? Boris Yeltsin is point man in converting the formerly Communist Soviet republics to a democratic, free-market economy. Since taking power in the wake of a failed coup attempt that benefited no one but himself, Yeltsin has shown an iron grasp of freedom. Yeltsin thanked his predecessor, Mikhail Gorbachev, by squeezing the man who was arguably this century's greatest political reformer out of the governing process. Bad Boris further illustrated his commitment to an open exchange of ideas by banning two political organizations backed by people who think differently than he does and warning that he will take harsh measures against those who call for his overthrow and would toss him on his Asshole.

Cardinal Roger Mahony sent a letter to the entertainment industry recently outlining his suggestions for movies and TV programs that better reflect "human values."

•Mahony urges sexual scenes be "handled with...taste, delicacy and reverence"; similar to the Catholic Church, which has paid an estimated $300 million in settlement of sex-abuse cases over the past six years.

•In addition, Mahony asserts that women in film should possess "the same intrinsic dignity as their male counterparts"; not unlike Reverend J. Michael Foley, the Catholic school principal in Illinois, who was accused of fondling a female student in June of 1992.

•In conclusion, Mahony believes, "Responsible filmmakers will not do to their audience what they would not want done to themselves—or to their own teenage sons and daughters." Thus, filmmakers should not create characters like James Porter, who admitted to molesting nearly 100 children while working as a Roman Catholic parish priest in Massachusetts in the '60s; or Reverend Gilbert Gauthe, who was convicted in 1984 of molesting 38 altar boys; or, well, we're out of time and patience.

•Perhaps Cardinal Mahony should look inward before he tackles the rest of the world. You can fool some of the papal some of the time....

Love HUSTLER Style

As February nears, couples turn their attention to Valentine's Day—a day to celebrate love and fuck like animals in a sleazy motel room! Check out this letter we received from Don and Tammy of Tyler, Texas.

Dear Hustler,
My boyfriend and I just celebrated our six-month anniversary. It's not every day you see real people making real love. We'd be honored if you printed some of these photos.

To be honest, we prefer the photos we *couldn't* print! Anyway, here's tantalizing Tammy, a 22-year-old dental hygienist. When she's not "catching armadillos," she enjoys skeet shooting and walking barefoot in the dirt.

Although we don't normally print more than one *Beaver Hunt* photo, we're making an exception to fulfill Tammy's ultimate fantasy of "pleasing *all* the HUSTLER readers." Keep cracking that smile, Tammy, and satisfaction will be guaranteed.

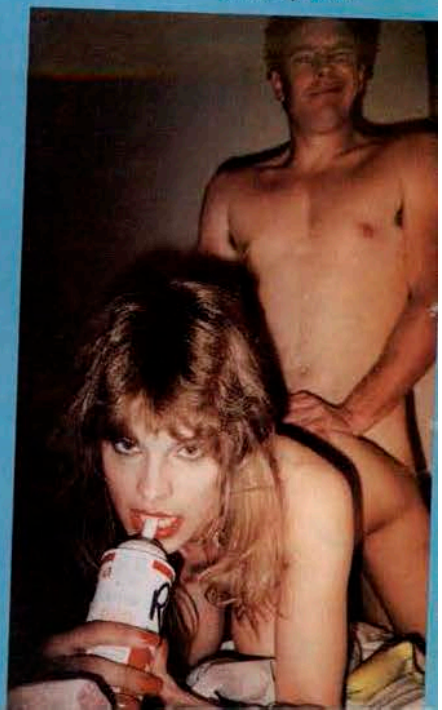
Tammy and Don admit exhibitionism turns them on. "People need to loosen up," asserts the buxom brunette. "You know, people used to run naked in jungles and swing on vines."

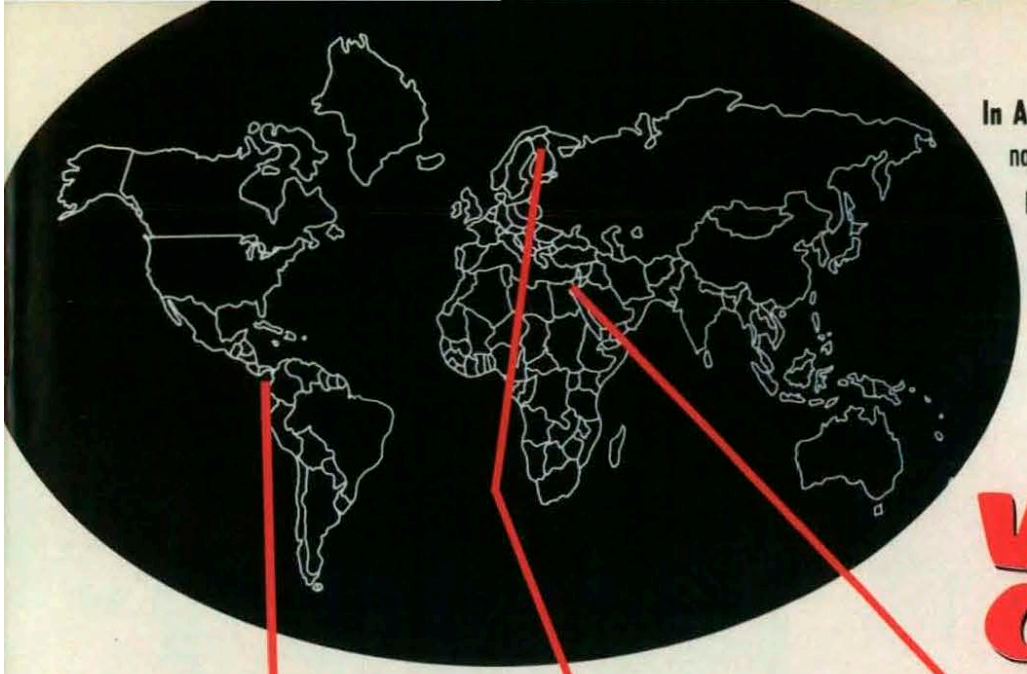
Photos by Friend

Although the two have been together six months, Tammy still finds Don "as romantic as ever."

Swinging on a different kind of vine, Tammy braces herself for entry. Don, by the way, is currently looking for a job selling auto parts in Tyler.

Later in the night, the sex got a bit silly. But as Tammy writes: "What's sex without a few laughs?" We beg our readers, please *do not* send us any more sex shots. We can only fulfill one fantasy per millennium.





In America, it's called "exotic dancing." A woman gets naked upon a beer-soaked stage while a man pumps his paycheck into her pussy floss, hoping she'll favor him with an extra second of spread-time. Sure, it sounds stupid, but not compared to some other countries' versions of the bump and grind. HUSTLER traversed the globe and uncovered a unique...

Feedback

WEE-WEE, MISSEWER!

I am a Frenchman from Paris, France, and after a visit to the States, I fell in love with HUSTLER Magazine. I have two serious suggestions for HUSTLER's photographers. There is nothing more frustrating than attempting a meaningful sexual fantasy with HUSTLER's nude models when most of them have their eyes closed. Closed eyes are like a closed door. The eyes are the most important connection between the viewer and the model. Another important point—where are the wet and juicy pussies? No dry pussy is worth a fuck. I want spread, wet, juicy pussy and, please, cut the shitless cartoons. Let's have some fine, classy ones. HUSTLER should stand for beauty and nice lingerie. There's enough shit to face every day. Take my advice, because Frenchmen know best. I know HUSTLER Magazine will live forever. As we Frenchmen say, *toujours l'amour. Toujours!* —B. S.
Paris, France

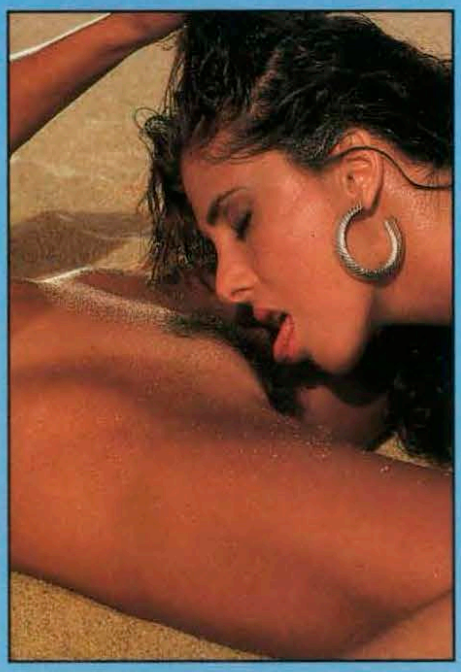
Unfortunately for the cause of Franco-American relations, B. S., nothing is more frustrating to Feedback readers than yammering Frenchmen claiming to know more than HUSTLER about cartoons and pussy. As we American men say, fuck off. Toodles, poodle!

ELECTION RESULTS

I was so pissed off at President Bush that I would have taken it up the ass to get him out of office. Instead, I went out and bought some lace garters and stockings, threw away my panties and shaved my pussy bald. Every last hair gone! Every time I had an opportunity, I raised my skirt and said, "No Bush! Vote Clinton!" It got a big laugh. Men really liked it. Girls can get men to do anything with bald pussy! I asked every woman I met to shave their pussies clean and proudly proclaim their allegiance to Clinton! I love HUSTLER Magazine! —J. L.
Farmington Hills, Michigan

CLASSIC NUTBALL

Concerning the Rock 'n' Roll Hall of Fame parody in the November 1992 issue ("Blood, Shit & Tears: The Rock 'n' Roll Hall of Fame," *Bits & Pieces*, November '92), there are a few mistakes. Brian Jones was not the Who's drummer, he was the Rolling Stones' second guitarist. Keith Moon was the Who's drummer. Also, the Who didn't release the album *Physical Graffiti*—Led Zeppelin did, in 1975. Believe me, I know what I'm talking about. Your mag is a great companion to lonely, depressed guys like me who can't get good-looking chicks unless we use an escort or massage service. The good ones are too expensive though. At least, for *my* wallet! Keep up the good work! —J. S.
Philadelphia, Pennsylvania



Alex 'n' Amber: Lip Locks

You're not the first classic rockhead to point out HUSTLER's discrepancies in music history, J. S., but you are the first to properly identify the bit as a parody. That the zonked-out Jones fan should remember the dead Stone as a drummer for the Who actually struck some HUSTLER readers as funny! Crazy, huh?

REEL FEEL

Dear HUSTLER—did Larry die, or what? In *Erotic Entertainment*, HUSTLER reviewer Switch Bulger tells us about Paul Thomas's "romantic film" *I DO 3* ("I DO 3," *Erotic Entertainment*, August '92). Bulger says Thomas is a bit of "a masochist; so his story places characters into situations that twist their heartstrings and put their minds through a psychological house of mirrors." Who the fuck cares? I think HUSTLER fired caustic critic Christian Shapiro because it wants to appeal to a broader market. Wrong answer! I buy HUSTLER Magazine partly for erotic-film reviews. No, I won't stop buying after 15 years. But Scott Mallory should know better. We want sex. *Fucking.* Give it to us or retire. The Mitchells, the Dark Brothers, the promise HUSTLER has always made—otherwise, *Playboy* and *Penthouse* will win. You want that? —L. F.
Frankfurt, Germany

TYPICAL HUSTLER READER!

Dear HUSTLER: Let me tell you about those two girls, Sybil and Roxanne (*Sybil and Roxanne: Rub Up*, January '92)! Who said this

fuckin' rubber don't grow on trees? Sybil is 19 years old, right? Which one is Sybil? The blond-headed one? And Roxanne is a long black-haired hugh [*sic*]? Tell me! Does Sybil has a shiny knees? Is her legs are shiny? I was! Are you listening? I was in my bed hunching on the pillow thinking about her when I was in bed. Well! Sybil and Roxanne are the lesbian girls that know how to use that rubber to get it in. Yes! And if I'm done writing you this note about those two girls, *Sybil and Roxanne: Rub Up*, I write you more note other things. Love! —C. L.

Groton, Connecticut

Good call, C. L.! Yes, Sybil has a shiny knees, and Roxanne is a long black-haired hugh! And both their legs are shiny!

TYPICAL READER TOO

You've found her! But I saw her first—in my dreams. Her name is Amber—or is it Alex? She's the incredible brunette with her ass in the air and this "ooh, that feels sooo fucking good" expression on her face (*Alex 'n' Amber: Lip Locks*, October '92). Since I saw her first, I think I should get some royalties. Is that asking too much? Keep the girl/girl pictorials coming and feature her again! —M. J. T.

Tucson, Arizona

R.I.P. AMERICA

I used to read *Playboy* and *Penthouse* to drool at their pictures. There was little to read in those snob-appeal, pink-jockstrap, polished black shoe, butt-kissing magazines—no ball-aching, sweaty sex with a hairy underarmed, unperfumed lady, no president lampooning, no racial and ethnic jokes. But in HUSTLER's lurid pages, there is all that and more—cum-soaked cartoons, lip-smacking beauties, phallic-penned letters and bare-facts articles!

In my opinion, one of the all-time-best HUSTLER articles was *American Jihad* (*American Jihad: Losing Battles in the War on Drugs*, December '92), which recounted how the courts have used the pretext of the war on drugs to yield to congressional/Presidential pressure by trashing the Fourth Amendment (protection against unreasonable search and seizure). The courts have deregulated the police, and the police have responded to their newly gained license with increasing abuse. HUSTLER's warning about creeping totalitarianism is accurate.

I know all too well of the change. I am now housed in a federal prison for selling without collusion unregulated chemical supplies openly through retail outlets to others who, unlike myself, violated drug laws. The American people don't realize that the courts are becoming a branch of government. The solution to shoring up our Constitutional rights is this: Take the power of judicial selection away from the politicians and give it to those most aware of the law—a committee of law professors from leading universities.

From one victim of the war on justice, which rides piggyback on the war on choice of recreational drugs, thanks to HUSTLER, the only mass-market magazine with the balls to speak up. HUSTLER's certainly no scared bunny hiding in a penthouse! —J. K.

Phoenix, Arizona

DEAR LARRY

Dear Larry: Much has occurred since we shared a drink at the Hyatt Hotel in Atlanta in the mid-'70s. You were gearing up for your fight in Federal Court against Georgia officials; I was a young lawyer trying civil-rights cases. Little did we know that you would get a life sentence to a chair for your beliefs.

The article *American Jihad* (*American Jihad: Losing Battles in the War on Drugs*, December '92), was inaccurate: We *currently* live in a police state, not waiting for our country to become one. In the mid-'80s, I asked a former associate, now a member of the Supreme Court of Georgia, how he could justify a recent decision on wire-tapping that I felt was clearly not Constitutional. He said the decision had been made to "shut down" the drug trade, despite any cost to the Constitution. I found his answer irrational. Today, it's dangerous. With the fall of Russia, the U.S. needs a new bogey-

EDITED BY SCOTT MALLORY

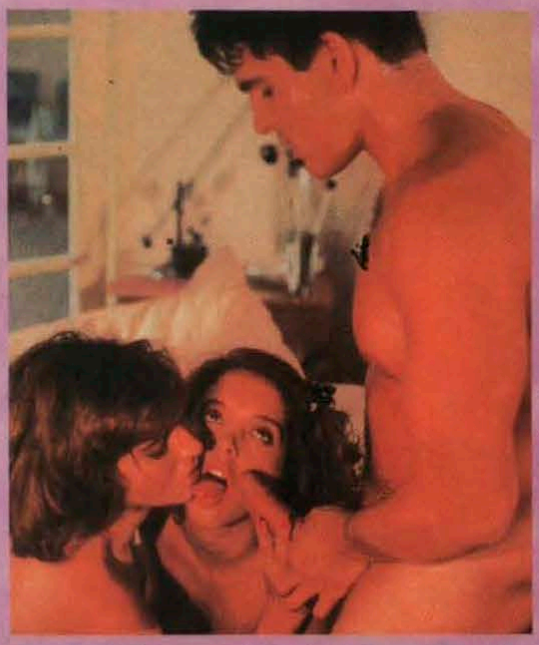
THE SECRET GARDEN 2

Three-Quarters Erect. *Directed by Michael Zen; starring Ashlyn Gere, Ona Zee, Randy Spears, Mike Horner, Flame, Jonathan Morgan, Nikki Sinn, Tom Chapman, Melanie Moore, P. J. Sparxx, T. T. Boy and Anisa. Videocassette: X-Citement Video. Shot on film.*

Everyone knows that Ashlyn Gere can fuck like a she-devil with a bottle rocket up her ass, but who knew she could act? Reducing the likes of Randy Spears, Mike Horner, Jonathan Morgan and Flame to quivering pools of plasma is expected from Her Mighty Crotchness. But in director Michael Zen's wonderful *The Secret Garden 2*, Gere keeps audiences rapt with her clothes on. Typical of this film is the bathroom grudge fuck, where bad-boy Spears corners the philandering Gere and blackmails her slut reflex to kick in and drain his giblets. Ona Zee is matronly but stunning as the evil matriarch and gloved kinkmeister. And Flame's pink petals bloom for Gere's butch pushiness near the story's climax. Despite a slow start and feigned spunk-shot between Tom Chapman and writhing, budding sex queen Nikki Sinn, *The Secret Garden 2* is sure to cause mighty cucumbers to grow in every viewer's shorts—and that ain't a load of fertilizer. —*Dewey Huevos*

She-devil fuck monster Gere can also act.

Kinkmeister Zee causes mighty cucumbers to grow.



Stand up and say hooray for ***Hollyweird.***

ALICE IN HOLLYWEIRD

Half Erect. *Directed by F. J. Lincoln; starring Tianna Taylor, Francesca, Peter North, Cassidy, Teri Diver, Marc Wallice and T. T. Boy. Videocassette: Zane Entertainment.*

Hollyweird might be the land of broken dreams, but as the nubile Francesca learns, it's also a place where the sex is easy. She takes up residency in a house populated by a bunch of odd wanna-be actors who take The Method a little too seriously. Peter North is hooked on playing a vampire, but sinks more than his fangs into Tianna Taylor and Teri Diver. Diver gets a load of mushy spunk in her maw. Marc Wallice believes he's a guerrilla looking for terrorists, and he goes after Francesca's cooze as if he'd declared war on it, pinning her against a wall while he flails her with his tongue. Francesca returns to lie atop Cassidy to provide T. T. Boy easy access to whichever muff suits his fucking fancy. With a dynamite dyke diddling between Diver and Taylor included, there's more than enough to make staffs stand up and say hooray for *Hollyweird.*

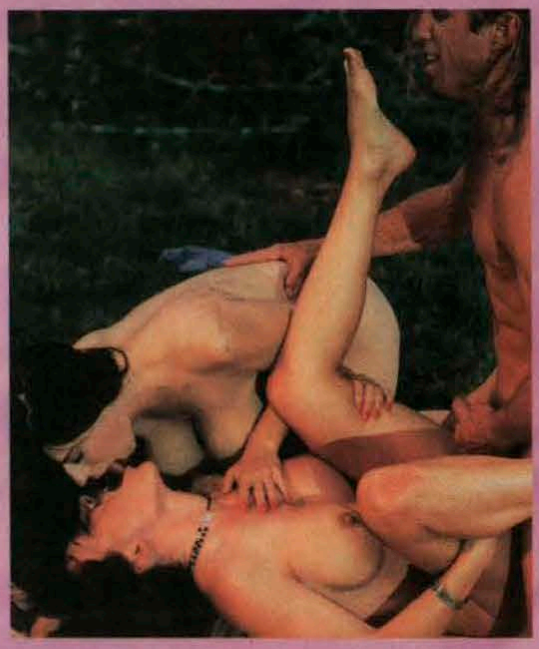
—Sam Lowry

PRETTY IN PEACH

One-Quarter Erect. *Directed by Judy Blue; starring Christy Canyon, Summer Knight, Tianna Taylor, Nick Knight, Grady Sutton and Randy West. Videocassette: Vivid Video.*

Anyone renting this mega-disappointment had better plan on jerking off to the phone-sex ads. Not even Christy Canyon's all-flesh globes save this dick disabler. Playing a metaphysical man-meat handler, Canyon's mouth spouts so much drivel that Randy West's dick in it becomes a momentous relief. He spews on her tits, but he's the only one who can. The dialogue gets weirder as Canyon and Summer Knight chew quim. The girls manage some nice acrobatics and muffled squealing before Nick Knight arrives on horseback. "I think I need you to liberate me," he says, trying to philosophize away his limp dick. There is no explaining away the directorial pretensions of Paul Thomas, no matter what name is in the credits.

—Kent LeLak



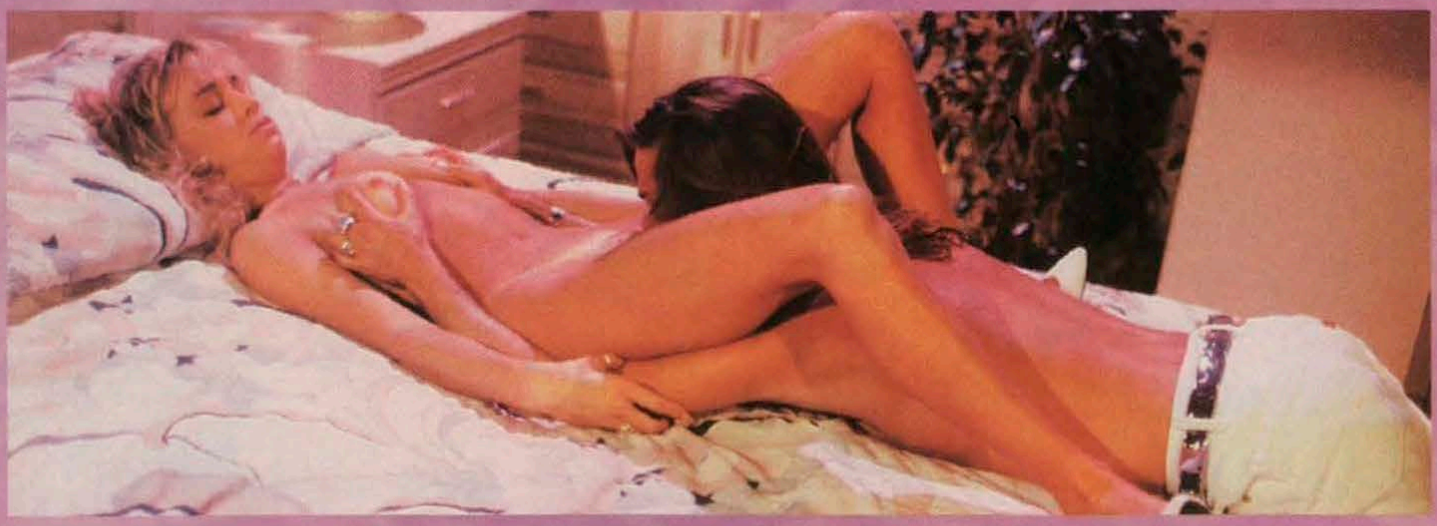
Philosophical pretension isn't ***Pretty.***

CAPE LERE

One-Quarter Erect. *Directed by Herschel Savage; starring Mike Horner, Melanie Moore, Sharon Kane, Heather Lere, Heidi, Rod Tyler and Scott Turner. Videocassette: Coast to Coast.*

Herschel Savage may have been a Hall of Fame porn prick, but he's a limp-dick director. This lame imitation of mainstream thriller *Cape Fear* is better as a blank tape. Coast to Coast, which usually knows better, even borrows a page from Vivid Video's ripoff handbook and uses supporting cunt Heather Lere on the box, probably because hers was the only name that rhymes with fear. The story is silly and cluttered with matters of inconsequence, and the sex seldom moves beyond mediocre. Only Sharon Kane's butt, which is amazingly cute even after decades of bending over, and her deft dick-licking keep *Lere* from the bottom of the *Cape.*

—Woody Hood



Lere: *Better as a blank tape.*

Stripper: *Time-tripping twats.*

JACK THE STRIPPER

Half Erect. *Directed by Scotty Fox; starring Alexis DeVell, Mike Horner, Chanel, Jonathan Morgan, Dominique Simone, Fantasia and the X-Man. Videocassette: Moonlight Entertainment.*

Porn critic Jonathan Morgan is zapped back into merry olde England, where he samples local wenches. Constable Mike Horner wants to find out who this stranger is, and thinks that Fantasia will have the information. She's already fallen victim to erotic interloper Morgan, but is unable to give Horner anything more than a good grind. Alexis DeVell is the last hope for Horner, a female bobby who, after sharing a sturdy dildo with Chanel, gets her twat tooled by Morgan in a fog-covered fuck. It's not exactly H. G. Wells, but the time-tripping leads to some intense sexual encounters. —*S. L.*

SEX WISH

Half Erect. *Directed by Jack Wolfe; starring P. J. Sparxx, Charisma, Persia, Ron Jeremy, Ona Zee, Peter North, Tony Tedeschi and Bob Verna. Videocassette: Western Visuals.*

Ona Zee can't come. Even hubby Tony Tedeschi's pipe in her ass can't tingle her jingle. The couple hopes their solution lies with sex guru Bob Verna, who helps problem-stricken couples at a retreat nestled in the wilderness. Some of the troubled ladies really loosen up, and, in the case of Charisma, practically become unglued when given good cock. Persia flourishes in her new surroundings, getting a satisfying sodomizing from Ron Jeremy's gopher joint. P. J. Sparxx, on the other hand, is disappointing as she ruins the finale with North by dodging his bountiful load. With a couple of anals, as well as a fairly energetic cast, this *Wish* is worth making. —*S.L.*

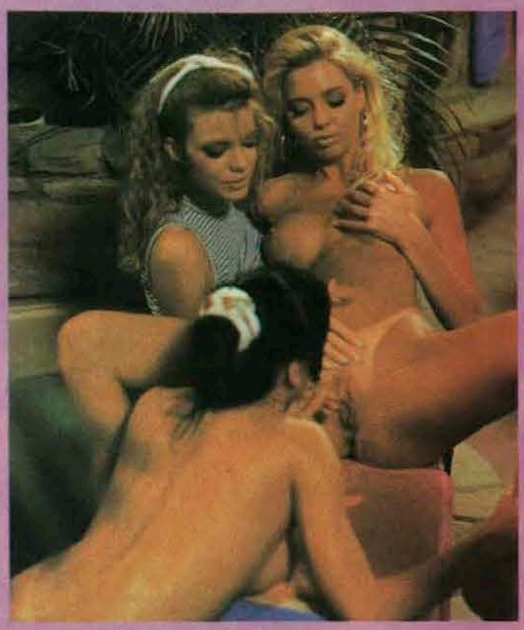
FULLY ERECT

After going zero for 1992, we almost put our highest honor in moth balls, but John Stagliano gives us new hope for 1993.

BEND OVER BABES 3

Fully Erect. *Directed by John Stagliano; starring Danyel Cheeks (pictured, getting fucked), Angela Summers, Sharise, Summer Knight, Tara Gold, Alex Jordan, Mona Lisa (bending over), Roscoe Bowltree, Justin Case, Nick Knight, Woody Long, Nick E. and Jim Sparks. Videocassette: Evil Angel.*

Somewhere in Las Vegas a perfectly shaped ass wiggles under a pair of tight, white shorts. The camera sniffs it out, follows it up a flight of stairs, and gets the owner (Danyel Cheeks) to bend over for a test ride. John Stagliano is back, and so is HUSTLER's Fully Erect rating, following a year's worth of Three-Quarters Erect pretenders. Instead of badly mimicking Hollywood films, Stagliano reinvents the notion of visuals designed to get the viewer off—in this case, about 12 times. *Bend Over Babes 3* is a fuck tape that doesn't try to be anything else. After the opening encounter on the stairs with Cheeks, who happily accepts one of Buttman's fingers knuckle-deep in her ass, Stagliano goes to the pool to ogle women, finds Summer Knight in his viewfinder and invites her, Sharise and their boyfriends up to Angela Summers's hotel room for a fiveway of continuous, sensory-overload fucking. But Stagliano is just warming up. If a picture is worth 1,000 words, *Bend Over Babes 3* is a hardbound dictionary—with every page stuck together. The camerawork is among Stagliano's most penetrating, particularly when Cheeks teases out of her panties and engulfs Bowltree's nose with her turd ring. Continuing her hotel-room fashion show, Cheeks models the chum of Jim Sparks and Roscoe Bowltree before the noble cameraman finally gets a shot of his own. A stag film the way the good Lord intended it to be! —*S. R.*



Waterbabies: *Gargle with twat soap.*

WATERBABIES 2

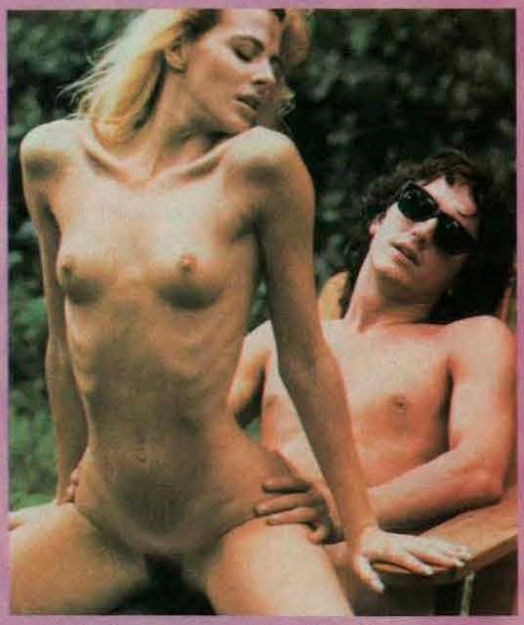
Half Erect. *Directed by Jim Enright; starring Paula Price, Madison, Shannon Steele, Cassidy, Alicia Rio, Christie Appleleigh, Peter North, Sean Michaels and Eric Price. Videocassette: Coast to Coast.*

This cast list alone should induce minor trouser rumblings. Alas, life in the cum zone has been unkind to some formerly reliable tarts. Paula Price, in particular, shows signs of strain, with sag marks between her previously stout tits and a pound of atrocious makeup. Furthermore, she fucks only snoreman Eric Price. After the dormant duo's opener, Sean Michaels squeezes pearl drops onto fresh-faced Cassidy's bubbly butt. Madison, another road-weary waif, brings energy and another pound of putrid makeup to her only appearance, as she spanks Price's clit with her infamous, pierced tongue. Former *Playboy* model Shannon Steele completes a bathtub lez-fest, shoving a creamy-white dildo inside her frothy snatch, before washing her mouth out with her own twat soap. Christie Appleleigh adds new blood to this sinking series, and despite the baby fat and boob scars, looks enough like the teen slut from *Married With Children* to make the Peter North facial she receives the only reason to rent this otherwise average tape. —*S. R.*

OUT OF THE BLUE 2

One-Quarter Erect. *Directed by Nancy Nemo; starring Nikki Dial, Kelly O'Dell, Mikala, Sharise, Randi Jones, Tiffany Million, Mike Horner, Mike Stiletto and Nick E. Videocassette: Vivid Video.*

Just because Vivid Video doesn't like making hard-core sex videos anymore and would rather produce soft-core tease doesn't mean a stroker can't enjoy a collection of their cable-TV outtakes (in other words, the actual sex), which, essentially, is what *Out of the Blue 2* is, although not very much of it. There are a few moments of heat. Muscle-muff Tiffany Million eagerly opens her mouth for Mike Horner and doesn't close it until the tape's only cum-shot streaks her face. To find pleasure here, forget about the sex and concentrate on the cunt watching: Kelly O'Dell's streak of pink pinched between thick outer lips; Mikala's hairy, meaty twat; Nikki Dial's sleek, furry vagina. Dial's hole is on-screen for about ten minutes and doesn't get fucked, despite her box-cover billing. Randi Jones's blond, firm pussy pouch is briefly slurped by Mark Stiletto. Sharise's swollen money box is a big cunt on a skinny woman, and Million's shaved snatch is a dick vise of polished muscle. —*Scott Mallory*



A pale shade of **Blue.**

BLACK BEAUTIES

Totally Limp. *Directed by Max Ren; starring Dominique Simone, Persia, Bonnie Brea, Jamaica, Jaguar, Rebecca Rose, Jerry Butler, Davy Scarborough, Max Ren and Jack Baker. Videocassette: Visual Images.*

The worst kind of porn flick imaginable, *Beauties* is the equivalent of watching people fuck the dead. There's no story, no soundtrack and apparently no focus to the camera—just lifeless fucking by people openly ashamed of participating in it. Each torpid scene involves a different hairy, white guy, all of whom make Ron Jeremy look like a *GQ* coverboy. They lick a black girl's pussy, plop atop the black booties and fuck like middle-aged retards. Token white chick Rebecca Rose adds no spice to the mixture, just more fat. Jerry Butler provides perhaps the film's most pathetic moment: The blubbering has-been sweats like a dying baboon, struggling to maintain life in his catatonic cock. Never has sperm looked so repellent as when it trickles down the side of Jamaica's muzzle, a look of shame cowering in her scrawny face. By the time luscious Dominique Simone appears, the viewer's dick will be far too retracted to be aroused. —*S. R.*

One look at these **Beauties** *and dicks retract.*

League: *Semi-arousing batting practice.*

A LEAGUE OF THEIR MOANS

Half Erect. *Directed by Mitch Spinelli; starring Taylor Wane, Sierra, Alicia Rio, Trinity Loren, Tony Tedeschi, Jake Williams and Cal Jammer. Videocassette: EVN.*

The Bayridge Beavers are a struggling team—struggling because they've been given only one movie set on which to fuck their way through this mediocre Hollywood ripoff. The film sports a trio of female heavy hitters who swing their partners' bats with enough gusto to overcome most of the production's shortcomings. First up, Tony Tedeschi digs into newcomer Sierra's plate, sliding his club between her pouty, red lips. Sierra's an aggressive cocksucker whose unblemished beauty bristles in porn's league of silicone has-beens. After dropping chalk on Sierra's firm ass lines, Tony, the female league's designated groupie, shoves his nose inside Taylor Wane's shaved snatch. He wipes away the cunt snot and takes batting practice inside her cage, but swings and misses her tongue-target with a paltry Randy West-type dribbler. The film overcomes its lack of imagination (imagine a story set in a girls' locker room without a shower scene) by hurling fastball energy into every fuck, typified by a superior tongue lashing between Sierra and Alicia Rio.

—*S. R.*

CLINIQUE

Three-Quarters Erect. *Directed by F. J. Lincoln; starring Mike Horner, Victoria Paris, Christina Bell, Porsche Lynn, Bionca, Jon Dough and Tracey Adams. Videocassette: VCA.*

Mike Horner and Christina Bell take over a mental hospital and administer to the sexually dysfunctional. Jon Dough is a shoe salesman who cares about nothing else until Victoria Paris goes down on his cock while Bionca dives into Paris's delicious, deep pussy. Chronic underwear-sniffer Paris rubs her nose against everybody's prurient parts before getting a chum shower. Porsche Lynn is a hooker with a dead cunt. Horner rubs greenbacks on Lynn's money box to get her on her back, where he eats her out with chopsticks. He gets a tit job, spewing his Elmer's glue on her genitals. A patient claims to have a dick inside of her, and while no pecker is found, strands of anal beads ride through her sphincters. Tracey Adams showcases her butt while a mysterious Frenchman shoves balls in it. Jamie Gillis is a sex writer who dons a dress to suck Lynn's strap-on cock. Lynn takes a full assortment of dildos into her asshole and pussy before Gillis jerks off on her. At that point, he's far behind the stroking audience.

HOT SPOT

Alex Jordan

Alex Jordan isn't just a video slut who can rub a man's lips off with her insatiable fuck-hole (see *Biff Malibu's Totally Nasty Home Videos 7*), she's also a secretary from Santa Barbara. "I have a cover for Mom and Dad," she says. The 25-year-old Jordan, with her cascades of blond curls, teeth straight out of a promo from the Milk Advisory Board and smiling emerald eyes, is the embodiment of a stroker's deep-rooted fantasies—*Rebecca of Sunnybrook Farm* meets *The Children of the Damned*: fresh and wholesome on the outside, nympho on the inside. Her favorite sex? "You mean like handcuffs and chains and whips and stuff like putting holes in the back of the couch and hooking ropes so that I can get right perfectly into a nice big 'V' position? That's a good technique that usually works." Seemingly inexhaustible, with a curvy, workout-hardened body, Jordan takes sexual stamina to new heights. "I'm just enthusiastic," she says. Watch Jordan enjoy herself in *Two Shades of Blue, Seymour Butts, White Chicks Can't Hump, The Party* and *The Ass Lickers.*

TWO SISTERS

Half Erect. *Directed by Michael Ninn; starring Victoria Paris, Alex Jordan, Heidi Kat, Tiffany Ray, Alana, Sierra, Sean Michaels, T. T. Boy, Jonathan Morgan, Ted Wilson and Cal Jammer. Videocassette: Western Visuals.*

Porn's version of the Calvin Klein "Obsession" ads, *Two Sisters* is an artsy fuck film that stuffs seven schtups, including a DP and five chin-coatings, into one attractive package. Victoria Paris and Alex Jordan are sinful siblings who wonder about love and sex. While their cunt creasings make for good gropes, nothing comes close to Heidi Kat's threeway with Cal Jammer and T. T. Boy. Animalistic Kat hoovers Boy and then lets both logs fill both orifices, lovingly taking a double shot of splat across her face. Another major mounting is Alana and Jammer's jam. Alana starts by licking the tips of Cal's boots; from there her butt gets banged in grand grinding fashion. The filming style is rife with visual pretensions, but the attractive cast and bountiful balling make *Sisters* worth adopting. —*S. L.*

Sisters: *Artsy fuck-film making.*

EASY LOVER—Stacey Lords and Raven Richards are secretaries in an office where the boss knows what he wants and work is rarely on his mind. Sexy Stacey is a little naive but ambitious. There isn't much she won't do to get a raise out of the boss (and believe us, she gets a real raise out of him!) Tracey's sex scenes in the first 5 minutes of this excellent production are worth the price of the entire video! Time Approximate 1 Hour 6 Minutes.

DEBBIE FOR HIRE—Nina Hartley, Renee Morgan and Lynn LeMay. Debbie's back and she's hotter than ever! Catch the fun, the intrigue and the incomparable sex as Debbie gets "down and dirty" in a great Henri Pachard smash hit. What sex queen Nina Hartley did in "Dishes" she does even better as every man's dream of the perfect maid! Debbie will have you literally screwed to the screen! The screen's hottest stars are hotter than ever! Time Approximate 1 Hour 5 Minutes.

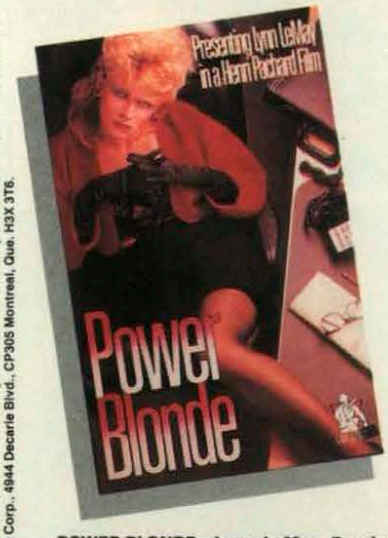
Please note: Due to the extremely unusual nature of this offer we reserve the right to return any order, unopened, after the first 5,000 sets have been sold.



BREASTSTROKE 3—Charisma, Brittany and Stacey Lords in a hot, new continuation of the hugely successful "Breaststroke" video series. The juggernaut continues and the cups runneth over again with the most delicious orbs ever unsheathed! You'll drool with delight as these lovely and willing ladies bare their greatest assets and do just about anything that will bring them pleasure. The sex scenes are incomparable and the starlets hotter than ever—and they're waiting for you! Time Approximate 1 Hour 3 Minutes.

POWER BLONDE—Lynn LeMay, Randy West and Nina Hartley. Dumb Blonde? Airhead? Don't bet on it. Lynn LeMay absolutely scorches the screen as the power-driven captain of industry. She's hard driven and hard-driving. She controls major corporations. She controls powerful businessmen. But she can't control her insatiable sexual appetite. She'll melt at the thought of a iron-shanked cock and she'll do anything to have it deep inside her. The sex is red-hot in this great Henri Pachard release. Time Approximate 1 Hour 5 Minutes.

man; the victim is the Constitution. —L. B.
Tallahassee, Florida

RISING SON

Let me congratulate you on turning 18. You guys bring us exactly what you're supposed to, unlike *Playboy*, which is *Time* magazine with a few nude shots thrown in. I may not be able to pick up HUSTLER for long, since religious and moral zealots here in Japan (at every base) are trying to pull adult material out of the Stars & Stripes bookstores.

The guy who wrote "Homeless Improvement" ("Homeless Improvement," *Hot Letters*, August '92) and the woman who replied in "Bum Fuck" ("Bum Fuck," *Hot Letters*, October '92) have got to be two of the dumbest assholes around. If she was stupid enough to fuck him after picking him up on the road, she'd better get to the shrink for a checkup.

By the way, HUSTLER reporters deserve Pulitzer recognition. Are you guys eligible for that? —G. M. S.
Yokosuka, Japan

HUSTLER reporters aren't eligible for the prestigious print award, but our models and photographers may soon be, pending the Pulitzer committee's coming announcement on awards based on excellence in the field of pictorial labia manipulation!

CITIZEN FLYNT

I get really pissed off when I read *Feedback* and see all the pussies threatening to cancel their subscriptions because they saw something in HUSTLER that offended them. That kind of people suck the semen out of their condoms to make sure they taste up to their own expectations.

I'd love to see a story by Larry Flynt, the Lord of Lust. It seems every time a celebrity gets hard up for drug bucks, they write a book revealing they were abused as children or some such bullshit. I know Larry's not a crack addict or hard up for cash, but it would be great to see a book by him! It could be called *The Larry Flynt Story: An Autobiography of Pornography*. It could explain how he started with his dream, including his lawsuit victories and defeats. And Larry's lesson to all, words of wisdom to the readers of his fine publications! —J. F.
Cincinnati, Ohio

PORN ACTOR PREPARES

I'm a fine-looking white male dreaming of a career in porn, but I don't know what to do to realize my dream. Please help. —A. D.
El Segundo, California

HUSTLER receives a bundle of similar requests every month, A. D., but never before have we answered such a query in Feedback! Here's the skinny: First of all, move to West Hollywood. Join a gym. Stroke your wang in the shower. An ugly old man will approach you. Smile and give him your phone number. Soon you'll be plugging manbutt in a whole series of adult films, all starring...you!

ICE ICE BABY

HUSTLER is nothing but a Fart in the Wind for fucking with my boy, Ice-motherfucking-T ("Farts in the Wind," *Bits & Pieces*, December '92). You guys are stupid shits for saying Ice yanked *Body Count* out of stores to save his image. Ice-T doesn't give a shit what people think of him. Time Warner received threats from police, and when Ice was on *Arsenio Hall*, the show received bomb threats. Leave Ice-T alone and go jerk yourselves off. Print this letter if you have the fucking guts! I'll assume you're a bunch of weak pussies looking after your image if you don't! —Unsigned
Address Unknown

C'mon, Ice. Don't you got the guts to sign your own letters?

Do you have a comment, suggestion or complaint? Send your letters (typed or neatly handwritten) to HUSTLER Feedback, 9171 Wilshire Boulevard, Suite 300, Beverly Hills, CA 90210. Include a phone number if you want your letter considered for publication.

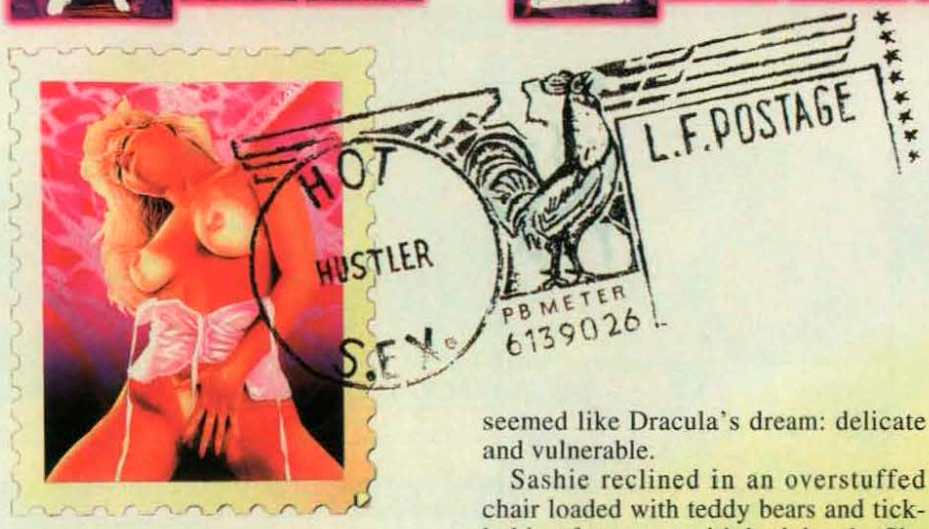
HOT LETTERS



A LIVING DOLL

I have just finished the weirdest fuck of my life and had to write immediately before one detail was forgotten! I met her at an after-hours club; she was sipping Singapore slings and looking radiant in the neon light. Her face was like a college coed's—fresh and pristine, framed by a kinky sea of sandy curls. She wore a loose-fitting sweater, unbuttoned past her cleavage to reveal the insides of her slinky breasts. It was late, and I was buzzed; so I approached her. She called herself Sashie, either an alias or a cruel parental trick. We flirted for half an hour, then retreated to her apartment, a block away from the prominent Soho district.

Once upstairs, she dug through some albums until she found the soundtrack to *Grease*. Affecting Sandra Dee's accent, she squashed a cigarette into an ashtray and asked if I wanted to "play house." Now, I'm 38 years old and have long ago relinquished my grasp on childhood fantasies. Even her schoolgirl giggling was quickly wearing thin. But I was putty in the thighs of Sashie as she slid her faded jeans to the floor. The tight, white panties that barely concealed a light mound of brown pubic hair were the next to go. Still humming the retro '50s melody, she seductively unbuttoned the sweater to her belly button. Her naval was a long, vertical well of mystery that guided my eyes further up her frame. Her breasts were pleasingly small with tiny, scarlet nipples that were adjusting quickly to the room's cool climate. In the soft, pink hue of a nearby table lamp, her neck seemed like Dracula's dream: delicate and vulnerable.

Sashie reclined in an overstuffed chair loaded with teddy bears and tickled her furry nest with both hands. She obviously enjoyed putting on a show, and I was ready for the E-ticket ride of my life! I took off my coat, loosened my tie and prepared to rise. But she quickly halted my procedure by pressing her slippered foot into my crotch. She said, "I want you to watch me play with my dolls." I figured she was kidding and laughed politely. Then, to my disbelief, she walked behind a Chinese screen partition and produced a full-scale dollhouse filled with Barbie dolls. Sashie sat on the floor and removed the six-inch wedding gown from one of the tiny figures. She looked the doll straight in the painted eye, smiled and said, "You look lovely on your wedding night." She spread the legs of the plastic puppet and ran her tongue along the smooth, nonexistent pussy. Gliding the tip of her tongue delicately up the toy's torso, Sashie kissed the doll's plastic face, while her free hand rubbed frenziedly at her own clitoris like a dog scratches fleas. As an investment broker, I've seen some strange cases of human behavior, but this was fucking bizarre—especially since it was turning me on.

She giggled some baby-talk and placed the doll's head down by her pussy's front door. Sashie made a doorbell sound and then said, "Who's there?" In a childish cackle she replied, "It's Dolly." Then, resuming her normal voice, she beckoned, "Come in, Dolly." She wedged the doll's head slowly inside her pussy like a dildo before gently gliding it back out, biting her lower lip. With every outward motion, more pussy juice had collected in the doll's matted hair. After a minute, Sashie stood, and with the doll still hanging outside of her cunt like a tampon string, said sweetly, "It's your turn, Mister. Come here and fuck me."

I probably should have run the hell out of there, but my dick was stronger than the rest of me. She pulled the sopping doll from her juice box, and I dropped my pants to the floor. She grabbed my dick at the base and softly blew a stream of air along the underside of the shaft. With two fingers, she carefully opened my piss hole and exhaled more of her hot breaths inside of me. A burning surge raced through the shaft and out my ass.

She extended her tongue closer and closer to the tip of my member, but stopped just before her saliva met my slippery pre-sperm. She smiled, stood and lowered her pussy down onto my cock. The sculptured muscles inside her thighs flexed as she pogoed on the pole. She ripped her sweater the rest of the way open, sending plastic buttons flying across her shag carpet. I grabbed her tiny tits and rubbed my palms into her sharp nipples. She bounced aggressively, even painfully, for a couple of minutes before shifting gears and slowing to an agonizing pace. As Olivia Newton-John sang a weepy song of lust unfulfilled, my head began to swirl from too many lite beers. Sashie no longer pumped my dick, but ground her gash into my shaft, creating a friction inside her tight twat that felt like wildfire. I didn't know whether I was going to come or puke.

Finally she stood, freeing my dick from her cunt's clasp, and jacked my dick with a sure hand. She bent down and placed her pink mouth on the head, tickling the tip with her tongue until I

HOT LETTERS

A wild rush of urine streamed from her pussy and soaked the doll's head before splashing to the carpet, and she raised her face to the ceiling, smiling in delight.

could hold on no longer. She caught the first rush of fluid with her top lip, then backed away and caught the remainder with her doll's unwitting face. After soaking the plastic figurine, Sashie patted my prick like one does a puppy. She sat on my chest with her back to me and pushed her ass into my face. She reached around with both hands and spread apart her precious ass cheeks, exposing the flinching crater.

"Kiss it for luck," she said, shoving her textured anus against my mouth. My pucker met hers, and I tasted the bitter pill of her sphincters. She grabbed her doll and ran behind the Chinese screen.

I never dressed so quickly in my life! Fortunately, she was oblivious, bellowing the climactic song of *Grease*, "We go together like shu-bop, bo-wop, bo-wanna wanna ding dong!" I bolted for the door, holding my slacks with one hand and coat with the other.

When I peered back one more time, I saw her backlit silhouette behind the screen. She was crouching and holding the doll below her pussy. As her voice rose for the final verse, a wild rush of urine streamed from her pussy and soaked the doll's head before splashing to the carpet, and she raised her face to the ceiling, smiling in delight. *Fuck it!* I was gone.

My head is still throbbing, and my cock gets hard even now when I think about Barbie's drenched, pussy-scented hair, and put the finishing touches to this letter. My heart beats faster at the peculiarity of human perversity.

UP IN THE POLLS

The election was depressing! The choices sucked and, as it turned out, so did the voting process. Let me explain. I recently fell in love and married a beautiful, young girl that I had met at a friend's wedding. She was wearing white that day and looked like a little angel—an angel whose wings I wanted to pluck! Her long, black hair flowed freely in the summer breeze, and her large breasts were pushed to the limit in a form-fitting dress. Although Alex was just a bridesmaid then, six months later she became my bride.

I had never experienced a woman so sexually adventurous in my life. We'd play all sorts of nasty games, usually ending with her begging to be ass-fucked. One night I slid my index finger so deep inside her steamy, little asshole, I could actually feel the next morning's shit waiting to be released from her small intestine. It was a tremendous turn-on just knowing that a woman who looks better than most fashion models also has stinky waste products filling up her gut. I grabbed the pump soap and dribbled a droplet of the pearly cleanser onto her flinching anus. I slid my dick inside, inching further and further up the restrictive tunnel until my cock butted heads with the temporary fecal resident. She reached back and pulled my ass cheeks closer, actually straining for more meat in her shitter. I'll never forget her uttering the phrase, "Fuck my poop...."

I banged her sensitive bung for a good three minutes. At last, I pulled my dick out and filled her receding ass crack with mountains of jizz. With sperm covering her puffy ass, she turned and stuck my shit-stained, soapy dick into her mouth. Her saliva created a rich bubble-froth around her mouth. She was one mad sex dog, and I was in love.

Some said we rushed into marriage, but, shit, I couldn't let this catch get away. It wasn't until the recent election that we discussed politics for the first time. We wanted to take part in the process, but the candidates were so pathetic that voting seemed futile. Still, we felt a moral obligation and went to the polls together on November 3rd, right after work. It was late, and we were the last in line as they locked the doors behind us. We were laughing about all sorts of write-in possibilities when Alex facetiously asked, "Who do you think Larry Flynt would vote for?" I didn't realize she was aware of HUSTLER before that night, when she admitted to reading your magazine on occasion. The mere mention of HUSTLER in a polling place liberated me, and when the booth finally opened in front of us, I suggested we go in together. The workers were busy cleaning up the place and weren't paying attention; so we rushed inside and drew the curtain.

Forgetting the task at hand, we turned our attention to each other. First Alex traced my mouth with her tongue. Then she dropped to her knees and unzipped my slacks. My mouth was

Residents of Hollywood can't spit without hitting the face of someone who's been surgically reconstructed. Media whores slice and dice their bods until they resemble the non-human robots they strive to become. Some, however, still haven't gone far enough. HUSTLER takes facelifting a nose further and presents...

CELEBRITY CUT-UPS

The Cosmetic Surgery They Deserve

They boast no perceived talent other than grunting their way through overpriced action flicks. Now, the three biggest boobs in Hollywood can afford to have bodies to match.

He's obviously white because he can't tell if his pencil dick is still attached unless he grabs it constantly. So why does Marky Mark talk like a black man? Could be his new lips are a little loose.

Oprah's on-again, off-again battle with fat was an udderly subconscious way to fulfill her ultimate desire: to resemble her porcine ancestors.

(continued from page 29)

frozen wide open as she skipped her slick, probing tongue along my baby's underside. The juicy pop of her mouth against my balls brought me instantly close to coming.

She stopped, stood and hoisted herself onto the voting pulpit. With her slim legs dangling off the edge, she pulled her dress up over her smooth, white thighs.

"Hurry," she beckoned, "they're getting ready to close."

I ran two eager fingers through her glimmering pussy lips and rubbed the dew onto my swollen dick. I slid the tip inside her first set of velvety lips, which she was kind enough to open with her fingers. When I had pushed my way into her deepest region, I grabbed her plump ass with both hands and held her aloft while she balanced her hands on the table's edge. Her inner set of pink lips bared themselves with each of my outward thrusts. Try as we might, we found it impossible to muffle our loud, drawn-out moans of ecstatic pleasure.

I leaned forward and ran my tongue along the tops of her peeping breasts, whisking away the salty perspiration that had accumulated there. I bounced her a few more times and was ready to come when I remembered she had stopped taking her birth-control pill the day before. Damn if I was ready for kids!

"I want to come in your mouth," came my noble solution. I pulled my dick from her pussy with an echoing squish, wondering if there were eavesdroppers lurking outside the curtain, pumping their cocks.

"Let me drink your jizz," she said, licking her lips.

She knelt on the tile floor and continued the blowjob she'd started a few moments before. I grabbed the back of her head and pulled her face tighter into my crotch, caring less and less about the workers scuttling outside the cloth-enclosed booth.

"Jesus Christ," I whispered as softly as I could, "I'm gonna come!"

"I want to see it," was her prurient response. She pulled her head away from my knob. The first blast sailed past her head and landed squarely on the voting ballot beyond. Although I usually don't ejaculate with such force, this situation had spawned an endless stream of jizz. She wisely ducked while cum missiles continued pelting the wooden table.

When I was done, a river of sperm snaked its way to the table's edge. As Alex repositioned her dress, she stuck her tongue just under the front of the desk and waited for the first droplet to disengage. Finally, blast off! The dew landed safely on the center of her rosy tongue, which she retracted into her mouth like a seasoned connoisseur. What a beautiful sight!

"So I guess we should vote now," I murmured, zipping up my pants and giving her stiff nipples a last, affectionate tweak.

Alex chuckled and whispered, "Why don't we write in Larry Flynt's name?"

I looked at the sperm-stained ballot and smiled, "I think we already did."

She kissed me, depositing the sticky goo in my mouth, her tongue lingering. It was salty, but refreshing. I peeked through the curtain, and when the coast was clear we walked to the door, arm in arm. We got in the car and drove home, where we fucked again instead of watching the boring election returns. Judging from the men our country had to choose from, it seems we cast the proper vote! —B.D. & A.D.

Make Girls Come by Cock Alone

Penile Manipulation Hits the Spot

by Al Hazrad

When 35-year-old Harry rolled off 29-year-old Darlene, his longtime lover, it was three o'clock in the morning. They'd been fucking since midnight. It was with a frustrated moan that he finally disentangled his sweaty limbs from hers. Harry himself had come two and a half hours earlier. The rest of the time he'd spent attacking Darlene's wet pussy with every means available. He'd run his hands against the fat, outer folds of her labia, tweaked her clitoris till his fingers ached, perambulated her favorite vibrator enthusiastically in and out of her snatch. Despite his exhausting efforts, however, Darlene hadn't come. Finally, he resorted to sucking her clit between his lips, rolling the gristly nub with his tongue. She moaned, shook, shattered. At last, a gush of cunt juice splattered his chin.

Darlene settled into the pillows with a smile on her face, hugging his thigh with the back of her ass. Harry lay stock still, frowning at the forces of nature that conspired against a convenient female orgasm. The invidious scent of Darlene's fragrant pussy enveloped his face like a shroud. The tang of it stung his tongue. His aching jaw throbbed without mercy.

His dick, shriveled and spent, lay under the covers, as if ashamed to show its face. Yet again, it had failed Harry. If Harry could make Darlene come with his dick alone, he thought, sex might be fun.

Relieving every man who longs, like Harry, for the ease and convenience of making his woman come using only his dick is the aim of *The Perfect Fit*, a self-help sex book by *Village Voice* writer Philip Nobile and therapist Edward Eichel. Authors Nobile and Eichel vow to set fucking free from fingers, tongues and battery-driven apparatuses, promising to teach any ham-handed horndog how to achieve mutual fulfillment and monogamous passion through what the authors call "the new intercourse."

Nobile and Eichel believe they've discovered a new way of fucking that guarantees female orgasm by penile insertion alone, as opposed to all the other myriad ways folks over the eons have devised to skin the proverbial cat—which, coincidentally, the writers call CAT: Coital Alignment Technique. Moreover, *The Perfect Fit* authors claim that with a little practice, CAT methods will lead practitioners to experience unusually intense, simultaneous orgasms.

Harry is dubious. He thinks it's unlikely that someone has devised a certified, patentable, unique way of screwing when the human race has been going at it on a daily basis for more than five million years. Harry is absolutely correct. The secret of *The Perfect Fit* is nothing less than simple fucking. It's the position, say Nobile and Eichel, that does the trick.

According to Nobile and Eichel, many women, although they are orgasmic, do not regularly come by intercourse alone, simply because in the average act of intercourse, the clitoris does not get the friction it requires. Hence a woman's need to use fingers, tongues and consumer-electronics products to achieve sufficient stimulation. *The Perfect Fit*'s revolutionary "new intercourse" can change all that, they claim. *Fit*'s suggestion boils down to this: Let the woman use the dick as a dildo and apply it directly to her clitoris. Sound like a snap? It is.

Legendary sex-researchers and writers such as Masters and Johnson, Shere Hite, Wilhelm Reich and Alex Comfort have devoted untold work-hours and whole forests of paper to cataloguing various roads to the male and female orgasms. None, however,

according to *The Perfect Fit*, can improve on rudimentary basics. Nobile and Eichel provide a number of sworn testimonies from Eichel's encounter groups supporting the efficacy of the *Perfect Fit* technique for penile-instigated orgasm in the female. Many claim the practice has changed their sex lives for the better.

The problem: Typical methods of penetration don't cause the penis to stay in direct contact with the clit. In other words, when Harry's fucking Darlene, his dick's down there, but her clit's up there, and never the twain shall meet. At best, most popular copulatory positions cause grazing, unsustained clitoral contact. Yet according to *The Perfect Fit*, it is clitoral stimulation through steady, unbroken contact and motion that causes most women to come.

The Perfect Fit solution:

1.) Harry should initiate sex by the usual method, sticking his penis in Darlene's preferably naturally lubricated vagina, after which he should fuck her missionary-style, Harry on top, Darlene below.

2.) When the physical posture of intercourse has been established, Harry should slide his entire body forward slightly, so he's riding higher between Darlene's hips (closer to her head). This puts the top side of the base of his dick in contact with Darlene's clit.

Nobile and Eichel advise the man to take his weight off his elbows, lower his chest and rest his torso on the woman. His head and shoulders should veer over her left or right side.

In practice, Harry finds this particular advice problematic. It would be fine if he were fucking a moose, or if he were a bantam-weight. But Darlene is a sensitive woman, and Harry weighs a ton. Couples who find that taking this *Perfect Fit* direction causes the man's chest to crush the woman should bear in mind that the point of shifting weight in such a manner is to free the man's pelvis for quick, controlled movement. If, contrary to Nobile and Eichel's suggestion, a man needs to make some use of his elbows or forearms to accomplish this without suffocating his partner before she comes, centuries of informal, missionary-style field tests indicate that doing so is okay.

3.) Should Harry start humping away like a dog in his unaccustomed, newly shifted position, his dick will pop out of Darlene's comely opening, and he will find himself fucking the mattress. If Darlene cocks her legs up and out as though she's trying to walk on the grainy, flocked ceiling, he'll also lose clitty contact. Darlene should keep her legs down, possibly with her ankles wrapped around the backs of his calves for additional traction, and Harry should mind his manners, proceeding slowly and surely.

4.) At this point, Darlene starts the ball rolling with a slow, shallow, upward thrust, against which Harry pushes gently with a smooth, downward tilt of his cock. As Darlene pulls away for the downstroke, Harry should withdraw a little too, while always staying in clitty contact. For optimum effectiveness, his strokes must be short, no more than a couple of inches in each direction.

The purpose of this form of performance is to set up a smooth, rocking, vibrating motion, with Harry taking his lead from Darlene's pelvic movements, striving to keep his dick in firm, gently moving contact with her clit at all times. If they manage to move together, if they listen to each other's intimate body language, Harry's penis will become Darlene's masturbating finger or vibrator—a tried-and-true path to coming.

5.) Consistency is all that's needed now. Harry and Darlene must maintain their steady rocking. They must stay in contact. Either one of them may go faster or slower, stronger or softer, following Darlene's lead. Harry must ignore his piggish instinct to break clitty contact and start humping away at Darlene as though he's plunging a stopped-up toilet.

Informal field testers report that the *Perfect Fit* technique works better if the couple in question turns the sandwich over—woman on top, man on bottom—thus giving the woman even more control. Author Eichel agrees, but only grudgingly, calling the man-on-top positions "preferable anatomically."

Either way, the method does take practice. Nobile and Eichel caution first-time users that their revolutionary new approach rarely leads to immediate, simultaneous orgasms. Still, while a couple is perfecting the skill, it remains undeniably a nice, slow, friendly way to fuck, and provides heightened pleasure the first time out.

Needless to say, if Nobile and Eichel truly believe that they've invented something new, they're fucking nuts. But the tender, sensual and intimate lovemaking technique they describe is erotically effective, and, when practiced diligently, most likely encourages orgasm in the female through penile manipulation alone. Of course, if a healthy man and woman make a firm, mutual resolution to come together, half the battle's won already. Simultaneous orgasm is undeniably convenient, but not always required.

Once CAT-trained, will Harry and Darlene want to give up vibrators, pussy eating, blowjobs, mutual masturbation, ass-fucking and all the other species of sexual behavior that orgasm-imbalanced couples indulge in to spice up carnal life? Certainly not. *Perfect Fit* notwithstanding, some things in sex just can't be improved upon.

SSLE OF TWO-BIT SCAMS

A hack-hood's ripoffs profiled by Eric Brummen

Small-time crime is poised to hit city-dwellers in a big way. Read up on the latest junior-league ripoffs or prepare to get burned.

PENNY-ANTE

When told that breaking the grifters' code of secrecy might protect vulnerable shopkeepers from crooks, Pete laughs. "There ain't no protection for dumb against smart."

WARNING: HUSTLER neither approves nor condones the illegal practices detailed in Pete's accounts of criminal activities. Readers are advised that following Pete's example will likely lead to incarceration. His scam recipes are intended as a preventative measure, to aid businesspeople and the general public in protecting their interests.

Recessions bring a scourge of small cons; 1993 promises a bonanza of second-rate hoods. Thirty-five-year-old Pete is a petty grifter who hasn't got the balls or contacts to run the big scams. Pete earns his living gypping shopkeepers and restaurateurs with a variety of puny cons. Despite his shifty character and lowly standing, however, Pete embodies the central talent necessary for all successful cheats: good acting. "Every good con's an actor first, a ripoff second," says Pete, who, at will, can make his eyes look kindly, his smile appear good-natured and his voice sound honest.

When told that breaking the grifters' code of secrecy might protect vulnerable shopkeepers from small-time crooks, Pete laughs. His laugh sounds downright mean. For once in his life, he's telling the truth. "There ain't no protection for dumb against smart," he declares.

CASHIER CONS: AN OVERVIEW

Like magicians, cashier cons construct illusions to mesmerize and trap their prey. According to Pete, the *modus operandi* of most cashier cons follows a few basic guidelines.

"Never returning to the scene of the crime is the rule by which cashier cons live or die," says Pete. "Populous urban centers, with their numerous small shops and businesses and high employee turnover, attract these scum in droves. I've got a map drawn on the wall so I can place a pin on the area or stores I hit, to make sure I don't pop the same store again."

Pete cracks a smile. "One time, I nearly got busted because I went to the same store a year later, and the guy remembered me. The lesson I learned was that once people have been conned, they'll always remember the guy who made them eat shit."

According to Pete, cashier cons look for cashiers who aren't thinking. Not placing the bill on the register while counting back a customer's change, always looking at the clock and mindlessly chatting with co-workers are signs indicating a cashier is waiting to be scammed. Poor job performance is a plus in a prospective mark, but it's not always needed. Expert cashier cons can sway an otherwise competent cashier with attitude alone.

Once a con has picked his victim, says Pete, he won't jump into his scam right away, and he always has a back-up plan. In most cases, even for veteran ripoff artists, scams backfire. The con needs a ready exit, a fast line to get him away from the scene quickly and with little fuss.

"The expert con moves to his target naturally, as though he's there to do business," Pete explains. "Showing signs of nervousness is the quickest way to get busted."

Again, he stresses, successful cons study acting. Professional crooks are equally skilled in the art of the ad lib, having to think on their feet when their prepared script falls through.

When caught passing a doctored 20-dollar bill, for example, a competent con can smooth over the difficulty. "What? I didn't know it wasn't real money! I got that bill at another store! You mean I was *swindled?*" cries Pete with true dismay, demonstrating how a caught con can deter suspicion by acting just as outraged as his victim. According to Pete, a suspect crook may ask indignantly what steps the cashier himself takes when coming across counterfeit money—even going so far as to offer to call the police himself. Whether he plays innocent or dumb—the two mainstays in every thief's acting repertoire—chances are a good performance can shift the blame.

After a successful scam, the con will want to get out of the store gracefully. Hurrying invites suspicion, as does chatting to the cashier any more than absolutely necessary. If the transaction seems stalled—if the cashier acts especially inefficient or confused—an alert con will announce he doesn't have time to wait, and exit. Oftentimes, cashiers turn the tables. They'll play stupid to stall the crook until the authorities arrive.

Since the major setback to a partnered gig is splitting the money, Pete has always worked alone. He's used unsuspecting friends and acquaintances to help him score a job, asking, for instance, if they can give them a ride to a store and wait in the car a few seconds. Such helpful friends are unaware that they're accomplices to a crime. As far as Pete's concerned, what they don't know won't hurt them.

Cashier cons target businesses where anyone can get lost in the crowd. Convenience stores, a longtime-favorite scamming ground for cashier cons, are now so wary that cons have moved to record and video chains, hardware stores, bars, department stores, supermarkets, auto shops, auto supplies—any locale with a register and cold, hard cash inside.

THE PENNY-POP SCAM

The penny pop is one of the simplest nickel-and-dime cons, but a thief hitting five stores a day can make a hundred dollars before dinner. The scam requires empty change rolls—the paper tubes pennies, nickels, dimes and quarters are stored in for easy transfer. Dime

CASSIE MARIE

Private Dick

"When I wear men's clothes, I like to pretend I've got a cock," proclaims cross-dresser Cassie Marie. "My clit gets as hard as a prick. I start to walk like a guy—real conscious of the meat between my legs." Then she strips off the jacket, discards the tie. There's nothing softer, gentler or sweeter than the woman who steps out of this pair of men's pants. "It's too exhausting dressing up like a man," she murmurs, curling up on the couch. "Sometimes I can't help it. I've got conflicting desires," she confesses. "Doesn't everyone?"

rolls work the best, because pennies fit inside them easily. After filling paper dime-rolls with pennies and inserting a dime at each end, a con is ready for business.

"A con needs at least four penny-filled dime rolls for each scam," explains Pete. "Each roll, if properly filled with dimes, has a value of five dollars. Four rolls equal 20 dollars. Fake dime rolls in hand, all a con needs is a good line." Pete quickly transforms himself into a straight-arrow, behind-the-counter type: "Excuse me," he squeaks in a nerdy voice, "I work across the street, and we're out of five-dollar bills. We've got a lot of dimes. Is it possible you can exchange these dimes for bills?"

"Why don't you go to the bank?" the savvy cashier may reply. Sunday is the best day to work this scam because the banks are closed, but if he happens to be working during the week, the con may smilingly respond, "It would save me the travel and time," or "You're the closest place around, and no one is minding the store—I have to be quick!" The thief may barter favors: "If you do this for me, I'll give you a free [whatever the businesses around the block sell] next time you come in my store." If the cashier knows the owner of the business that the con claims to work for, the con will explain that it's his first day on the job, or that he's simply doing the boss a favor. Chances are, with a few earnest words and a dose of smiling charm, the con will exchange paper rolls containing $1.12 for nearly 20 times that—pure profit.

THE DINNER-ON-ME CON

Restaurants are vulnerable to quick-scam freeloaders, according to Pete. "Dining and dashing," he relates, "is the oldest scam in the book. But I've refined the technique to a science. I dine *without* the dash."

Pete maintains that anyone who's got a presentable set of clothes can get a decent meal without paying the tab. Restaurateurs and food-service workers should take Pete's tricks for cheating an eatery out of its rightful due as warning to keep a close eye on the bill.

All that is required for a free-dinner con is a five- or ten-dollar bill and a little knowledge. "The setting has to be a big restaurant, an outdoor patio, say, in a shopping complex, or any crowded place," he explains. "I make sure the hostess seats me far away from the cashier. I order, eat my meal and ask for the bill. When I get the check, I pick it up and proceed to the cashier. I don't care if my waiter is watching—in fact, I'm glad if he is. As the cashier comes into view, I secretly slip the check into my pocket. I go up to the cashier, pull out my five- or ten-spot and ask the cashier for change for the phone. I then ask him for directions to the nearest telephone booth or bathroom, and after the courteous response, proceed back to the table at which I ate. I leave a tip on the table and exit. When the trick works well, I've tricked my server into thinking that I went to the register to pay my bill, then proceeded back to leave a tip, following the ordinary ritual. I appear to be just an anonymous customer doing business, while the establishment looks for suspicious people running out the door or avoiding the cashier."

Pete explains a con he's devised that takes the free-food scam a step further. With this angle, a competent cheat can *make* money while enjoying a free dinner.

"Say I'm eating out with a group of new friends. We all sit down, order our meal, eat, talk, enjoy coffee and dessert. The check comes. Everyone starts digging into their wallets. Since nobody likes to be the person paying the cashier, I volunteer. After I get everyone's contributions, I proceed with the usual free-dinner scam, pretend to pay the bill, leave a tip and exit. The great thing about being with a group is that it adds more confusion. Usually, the server's so happy to see the tip on the table that they don't pay much attention to what else is going on. This scam can yield megabucks, especially if it's an expensive restaurant. The only thing a con's got to remember is to leave a big tip."

The question arises: how does a guy like Pete have enough friends to fill a table for this kind of restaurant scam? "I make friends easily," he claims, flashing a smile friendly enough to fool most anyone. "Maybe we'll have lunch sometime."

THE RIGHT-TO-LIFE SCAM

A con doesn't need a nice set of clothes to swindle. Armed with a telephone and a phone book, he can make a killing in the lucrative business of telemarketing. The only props he needs are a pleasant voice, a few well-scripted words and a post-office box.

A new twist on an old theme is what Pete calls the "right-to-life" scam.

"Hello, is this (name of resident)?" Pete demonstrates, pretending to hold a receiver to his ear. He sounds relaxed and cajoling. "How are you and your family tonight? My name is Mr. Smith, and I'm taking a political survey. I hope you don't mind if I ask you a few questions. It won't take much more than a minute of your time." (The resident mumbles, tries to excuse himself, but the con-man caller presses on:) "Thank you, (name of resident). First off, how do you stand on the abortion issue? Are you pro-choice, or do you think an unborn baby has the right to live?" (Say the resident—surprised, no doubt—answers he's for the right to life.) "Are you a registered voter?" (Yes.) "Are you a Republican?" (Yes.) "I work for a

group called (something bogus that sounds legitimate, Republican and pro-life). Our group is desperately trying to raise money to make abortion a crime in America. We need your help as well as your vote on the issue of every baby's right to life, (name of resident). You can make a difference. Please remember, (name of resident), the unborn have no voice. What we need, (name of resident), is funds to print pamphlets and advertise in (the local city or area). You can help by sending a tax-deductible donation of (an amount) to this address (here the con lists his post-office box number). Checks can be made payable to (name of bogus company). God bless you for helping stop the slaughter of innocent babies."

The right-to-life scam needs a bit of responsible backup. A con has to rent a post-office box, using a false name, and, in order to cash donations, he must open a bank account under the name of the fictitious company.

If the person on the other end doesn't hang up, a con can be fairly sure he's bagged some easy dough. Should the receiver of the call indicate he's pro-choice, not pro-life, the con simply rearranges the game. Pro-choice marks are told their contributions are needed to stem the tide of pro-lifers in America. Whichever approach is used, the mark must feel that he or she is doing tangible good for a pet cause. The trick for the telemarketing con, says Pete, is to use the victims' guilt over their inaction in the face of an issue that has no middle ground.

"People who feel angry or guilty," Pete swears, "are the first to pay up."

Cons without easy phone access utilize a similar trick: the door-to-door scam. Armed with a fistful of pamphlets describing a bogus operation, the scammer goes door to door, asking for donations. Without a fake-company bank account handy, the con requests a small amount—small enough that a donor won't bother writing a check. Upon payment, the suckers receive a worthless pamphlet.

"Door-to-door scams work best if the con laminates a phony badge and pins it on his shirt," says Pete with a smirk. "The more the con talks and the narrower his subject matter, the quicker people will give a dollar or two so he'll go the hell away!"

THE QUICK-CHANGE SCAM

The quick-change scam requires the use of a magic vanisher, which can be bought at minimal cost at magic shops or can be made at home with a rubber band, a safety pin and paper clip. After attaching one end of the rubber band with a safety pin to the inside shirt under the arm, then pulling the rubber band from inside the shirt till the paper-clip end pokes out the sleeve, the stress of the band produces a sling-shot effect when the clip is released, shooting back up the sleeve faster than the eye can see.

The con enters a store carrying 20 one-dollar bills. He asks the cashier for a 20 in exchange for his ones, on the pretext that so many singles will not fit into his wallet. The cashier opens the register and gives the con a 20. The con turns to leave, but in a split second notices he was mistakenly given a one. He turns back to the cashier right off and politely says, "Excuse me, but I believe you've made an error. You've given me a one-dollar bill." The cashier knows he actually gave the con a 20. He may try to argue with the con, but seeing just a one-dollar bill in the con's open hand and realizing the con hardly paused before speaking, he has little recourse but to exchange the single for another 20 or return the ones in frustration.

The trick takes sleight of hand, but not much effort. The con hides a single dollar bill just within the cuff of his sleeve. The shirt is oversized and roomy. Once the 20-spot is handed to the con, he simply turns his back, places it in the paper clip and releases it while unfolding the dollar in his hand. Having barely moved, the con then turns around, revealing the one-dollar bill. If the trick works smoothly, the cashier will assume the error and try to dismiss it, and the con walks out of the store with an extra 20 up his sleeve.

Pete stresses that the proper time for this scam is when the store is busy. "The con's got to give the cashier enough leeway to reason with himself that he did accidentally place a single where he thought a 20 had been."

CASH-SPLICING

"A con can turn 20 bucks into 40 just by cutting one 20 in half and pasting an end onto half a one-dollar bill. By placing a hand over half of the altered bill, the bill looks like a 20. Cash-splicers hawk their bogus bills most often in busy concession stands at amusement parks, where there are plenty of tourists and the people behind the service counters are young and inexperienced. When there's a mob of tourists at the concession stand, it's a pretty safe bet that the person behind the counter will take the bill at face value. He's just got time for a first impression—he doesn't have time to double-check."

It's getting dark, nearly time for him to hit the streets. He's running out of free time. Pete's got some used chewing gum rolled in oregano that he'll sell as Thai bud to college-age suckers in cars; competition for easy money is growing tougher. He assumes a woebegone expression and pauses a moment, training his eyes on a few well-dressed passersby. "Hey, buddy," he pleads, "can you spare some change? My car broke down a block or two back. I'm trying to get home to my kids."

Chaos in Bodybuilding's Muscled Underbelly

STEROID STEW

The boy's body nearly exploded both inside and out—pus-filled zits over half of his skin surface, blood-filled cysts inside. He never weightlifted again.

Before paramedics can transport 25-year-old, amateur bodybuilder T-Bone to the hospital emergency room, his liver shuts down and his eyes turn milky yellow. The doctors in attendance, duly informed over the crackling EMT radio that the incoming patient is a likely DOA, have already started to fill out the requisite death certificates. On arrival, in a last attempt to save his life, they flush his system in a thorough intravenous detox.

Miraculously regaining consciousness on an emergency-room gurney four hours later, T-Bone struggles to face a few questions from the doctors who saved his life. They ask him if he is a user of steroids, the most likely chemical suspect in his case of liver failure.

"Yeah," replies T-Bone, involuntarily flexing his pecs.

"Which ones?" the doctors inquire.

Echoing Brando in *The Wild One*, T-Bone jives, "Which ones you got? I've taken 'em all."

Later, over beers in a pickup bar downtown, T-Bone complains to his workout buddies. "Fuck those doctors. They were just trying to scare me. *Yo!*" he cries, for once truly panicked. "Do I still look pretty big?"

Legendary bodybuilder Joe Weider of *Muscle and Fitness* magazine maintains that the best way to achieve an Olympian physique is a regimen of egg whites, hard work and his own trademarked protein powder.

Weider holds an indestructible grip on the affections of the muscle community. His savvy, public-image management of the sport of bodybuilding has helped move muscle mania out of the fringes into mainstream acceptance. Thanks in large part to his tireless self-promotion, those who aspire to bodybuilding careers can now find the professional means to achieve their goals.

The American Medical Association (AMA), however, isn't held in such high regard. The AMA denies that steroid use enhances athletic performance. A widely held belief among lifters is that the AMA launched a public-relations campaign against the sports-related use of steroids so that the Drug Enforcement Administration (DEA) wouldn't crack down on the AMA's pharmaceutical-house sale of steroids to the black-market trade.

Despite jacked-up prices and undependable quality control, black-market sales of steroids are booming. Joe Weider's and the AMA's claims to the contrary, bodybuilders take them because, according to the users, they work. If the benefits don't outweigh the risks in the long term, the thinking goes, neither do they with alcohol, cigarettes, coffee or processed sugar, all of which are widely consumed and condoned, if not endorsed, by the AMA.

"No need to be alarmed—it's just a routine drug search."

BLACK-MARKET BABIES

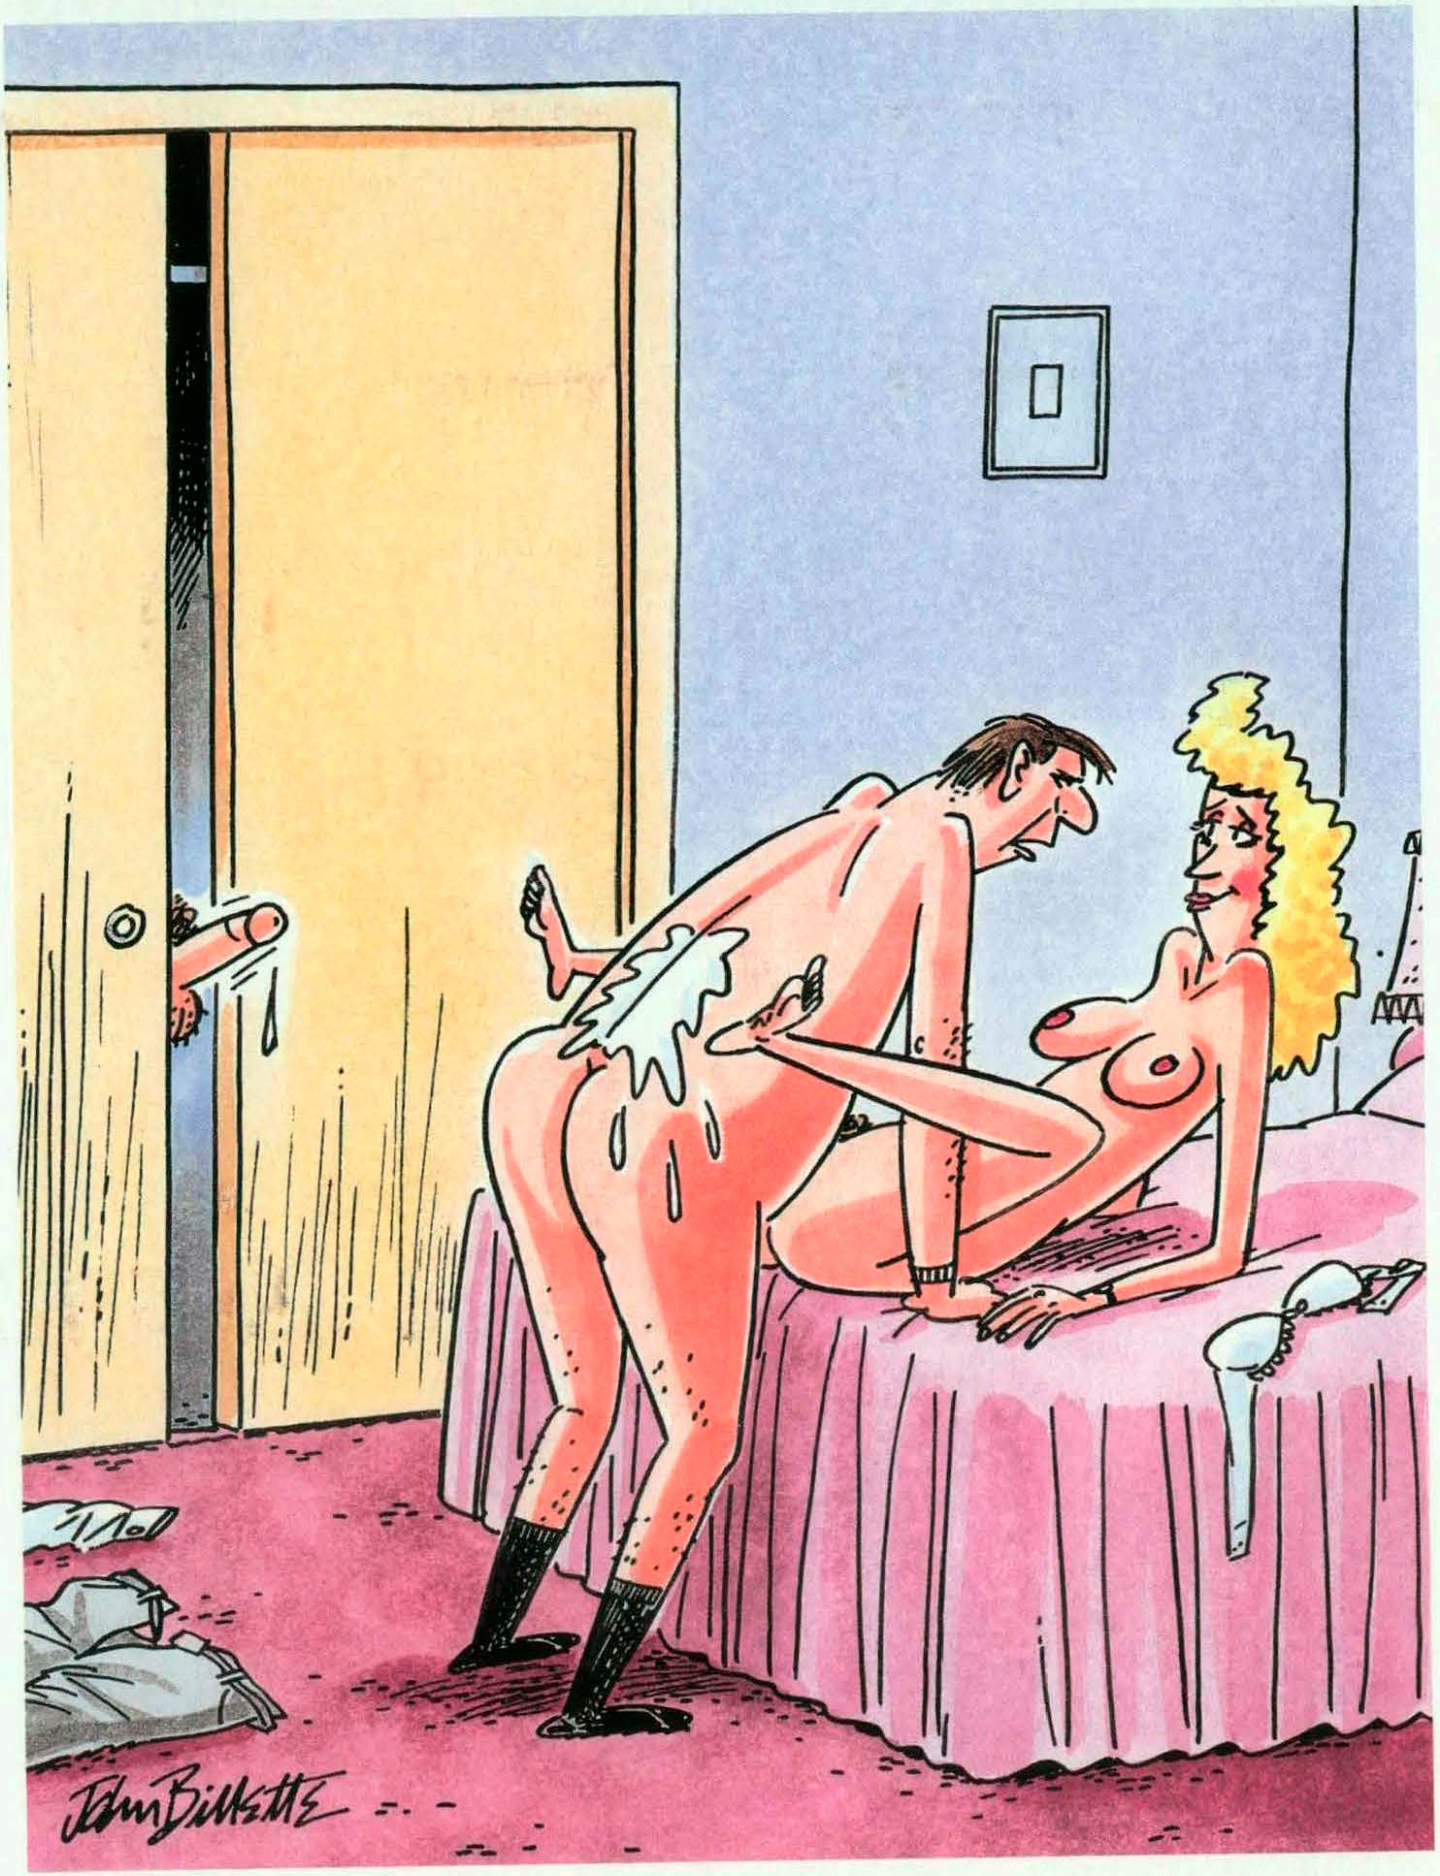
Once a month, a mean-ass group of lifters meets at T-Bone's California tract home to check out the latest batch of steroids. Watching the eight of them stand around and move in the cramped space of the kitchenette is like watching lions circle a fresh kill. The boys carry a strength and size not usually found on average human beings. The steroids are spread out on a dishtowel. There seem to be barely enough to go around.

In the old days, when the Mexican pipeline was jam-packed and pumping, lifter Skinny Danny would head to Tijuana with surf rack and boards and drop three grand on steroids in the cheesy *farmacias* just across the border. He'd line the illicit hormones inside a hollowed-out surfboard and recross the border the same afternoon. Border patrol always checked him for pot, but they never figured the rail-thin kid with long hair was anything other than the stoned-out surfer he appeared to be.

Back on California streets, Skinny Danny sold his black-market hormones with a 15% markup. A recent high-school dropout named Bill was Skinny's money man and biggest user. Bill was a test head who liked dosing himself with synthetic testosterone because of the edge it gave him. So much testosterone coursing through his veins, however, made him a dick. Bill took to beating up street people for kicks before starting in on the high-school kids who remembered him as just an overweight white kid with an attitude. Somebody finked, and at ten o'clock on a Tuesday morning Bill found his shower door kicked in by men in blue windbreakers with the letters DEA on the back. Bill's penalty for possession of illegal steroids in the early days of juice? A month of community service.

According to the lifters at T-Bone's, it took a long, sweet while for American law enforcement to pinpoint the supply logistics behind the increasing rate of illegal steroid seizures. Pressured by feds, Mexican pharmacists began alerting the border authorities to American kids dropping big dollars on steroids (a/k/a *the shit* or *the juice*), who'd then get picked out of line on the way back across, lose their shit, and return to face felony smuggling charges.

Today's hard-core boys get misty-eyed when talking about the glory days of *farmacia* runners with closets like refrigerators and the shit running from floor to ceiling. At T-Bone's place, muscle farmers pick through a footlocker filled with the shit,



"Are you <u>sure</u> your husband is out of town?"

STEROID STEW

The boys find themselves crying like babies at television commercials or having friends pull guns from their mouths to thwart suicide attempts.

checking the small print for obvious signs of counterfeiting. Their voices get hard.

"I don't think [illicit steroid use] is a serious drug problem at all," says DaPump, a 34-year-old, 265-pound hard body. DaPump is just about the biggest guy in the room. The others get quiet out of respect when he talks. "Let me tell you, we're going to get the shit no matter how many Syntexes there are."

Syntex, a Silicon Valley drug firm, discontinued one of the most powerful, dangerous and famous steroids in recent memory: Anadrol-50. Most undocumented steroid deaths and all of the documented ones are attributed to Anadrol-50. Syntex currently manufactures Anadrol-50 as a "controlled substance" and limits its distribution, probably in an effort to cut down sales of the steroid through black-market outlets. Coincidentally, immediately following its description as a "controlled substance," Anadrol became one of the most desired, most expensive steroids on the underground marketplace. Two longtime lifters and best friends of T-Bone became ex-friends and enemies over one guy shorting the other a single tablet of Anadrol.

DaPump, in full swing, continues: "There's a line between use and abuse. I don't give a fuck what anybody says—some of us appreciate that line. I say, let me get the drugs I want from someplace that's clean and not from a fucking Mexican clip joint selling dog juice." The boys chortle. Everyone remembers stories about the shipment of Mexican steroids that turned out to be a hormone veterinarians use to keep bitches from going into heat.

There are plenty of nightmare stories concerning bad shit. Gary was a 19-year-old Armenian kid built so big he could curl the rear end of a Toyota hatchback barehanded. Three hundred and fifteen pounds of lean muscle, Gary got kicked out of gym class for bending weight bars, which suited him fine since he rarely found a gym with weight racks sturdy enough for him to half-squat 1010 pounds. One day Gary collapsed. Doctors performing his autopsy discovered a 50-pound collection of blood-filled cysts in Gary's liver, the likely cause of his death.

A young man called the Vitamin Kid went to Mexico for *farmacia* steroid tablets. Gym buddies told him to take one per day, but, after a week, he felt his muscle gain wasn't coming along as quickly as it should. He took an entire handful of what the boys now imagine must have been generic dianabol or Anadrol. Half a day later, the boy's body nearly exploded both inside and out—pus-filled zits over half of his skin surface, blood-filled cysts inside. He never weightlifted again, and barely lived to be the butt of a black-humor horror story told in gyms all across the United States.

A lifter named Tony would start his gym routine by smoking two joints, snorting a few lines of coke, giving himself a shot of testosterone in the gym's bathroom stall, after which he'd proceed to work out with a thermos filled with orange juice and vodka mixed with protein powder. The only thing T-Bone's crowd has to say when they hear this story is: "How big did he get?"

The buff boys' favorite stories have as their essential point something like this: 25 pounds of lean muscle-mass gain. It's enough to give any lifter a hard-on, and it's at the root of an obsession more powerful than lifting itself: getting and taking chemicals lifters believe are no better or worse than any other substance people take for recreational purposes. If LSD expanded minds in the peace-and-love generation, steroids are expanding bodies in the '90s, a decade that's lean and increasingly mean and demands drugs that are tailor-made just for it.

FROM RUSSIA WITH LOVE

Lifters like those at T-Bone's place, with their endless search for bigger builds and better and safer steroids, have pushed mom-and-pop steroid-smuggling operations into the international arena of high-tech drug-running. Today's steroid traffickers tap into the crumbling economies of Bulgaria, Czechoslovakia and Rumania to satisfy the American demand for synthetic hormones. Iron-pumpers recount a story about a lifter walking down the street in Prague with fistfuls of American cash demanding, "Bring me pussy! Bring me juice!" He left the country with a lifetime's worth of memories of the former and a trunk full of the latter.

The chief difficulty with foreign drug-running is the problem of translating pharmaceutical specifications. Steroids obtained through foreign black markets are often taken blind, out of necessity. Trial-and-error has encouraged lifters to cultivate the company of juice virgins, young muscleman wanna-bes who have never taken the shit but want to. Juice virgins given questionable substances offer more-experienced users an idea of what the chemical is supposed to do, what dosage is appropriate and how effective the drug is. When a juice virgin goes on the shit, others watch him and comment, periodically checking his progress, strength and weight gains. It's almost an exact science; the juries are still out on eastern-bloc synthetic hormones. Lifters buy them (rather than go without) pri-

"I only go so far," smiles sunny 20-year-old Angelica Bella, a Hungarian exchange student staying in Oceanside, California. She's talking about getting in the water of her sponsor family's faux-pier pool, but her words apply to other things as well. "My skin is extra-sensitive to everything," she adds. "For instance, I love the idea of swimming, but I end up totally satisfied just getting in halfway." She blushes. "Even when I touch myself, I don't have to go far in to get there!" She yelps and hides her face. "I can't believe I told you everything!" Not everything, Angelica Bella. Just enough.

The courtroom was packed as testimony began in the trial of a woman convicted of murdering her spouse of 40 years by lacing his food with strychnine. The defense attorney knew that he was going to have big problems making his client appear contrite before the judge.

"Mrs. Glass," he began hopefully, "was there any point during the commission of this crime when you felt pity for your husband?"

"Oh, yes, sir," she replied.

"And," he pressed, "when was that?"

"When he asked for seconds."

Question: How is marriage like divorce?
Answer: They both begin when a man finds a woman who really understands him.

A biker widow was dating again at the age of 62. One night she was sitting outside a bar on her date's bike, when all of a sudden the old graybeard reached over, patted her leg, and said, "Now I suppose you're gonna tell me I can look, but not touch."

"Honey," she said, "at my age you can touch—but don't look."

Rumor has it that the Department of Agriculture has come out with a new tractor that has no seat and no steering wheel. It's for farmers who've lost their asses and don't know where to turn.

A man walked into the drugstore to buy some condoms. He didn't know the right size; so the lady proprietor invited him to the rear of the store for a measurement. She took his penis in one hand while she attempted to measure it.

"Size three, Mimi," she called out to her partner. "No, four...no, no—size seven...Mimi, it's an eight...my God, Mimi—bring the mop!"

An Alabama preacher was ranting and raving about the evils of alcohol.

"Suppose," he exhorted, "I set a pail of water and a pail of beer before a donkey. Which would he drink?"

"The water," yelled Farmer Frederick from the back.

"Exactly," thundered the preacher, "and why would the creature drink the water?"

"Because he's an ass," declared the farmer.

The HUSTLER Dictionary defines *mixed emotions* as: your mother-in-law backing off of a steep cliff in your new Mercedes.

A Jewish guy had been told that the new whorehouse in town charged $50 for the first visit, and $25 thereafter. He made his way over there directly.

When he arrived, he knocked on the door, and the madam called out, "Who's there?"

The Jew answered promptly, "It's me again!"

Question: What do Arm & Hammer baking soda, Kodak film and Woody Allen have in common?
Answer: They all come in little, yellow boxes.

After 25 years of marriage, the wife kept nagging her husband to go on a second honeymoon. Eventually he gave in, saying, "Okay, we'll take a second honeymoon. We'll go to the same places and stay in the same hotels. But this time I'm going to be the one who hangs onto the bedpost and screams, 'It's too big! It's too big!' "

After Mike was nabbed for a bank robbery, he was convicted and sent to prison. The loot from the heist, however, was never recovered.

In a letter, Mike advised his wife in no uncertain terms that she was not to till up the garden plot this year, nor was she to plant anything until he gave her the word.

The warden got a big kick out of that, and laughed aloud at the naivete of his new convict. He immediately notified the feds, who promptly dug up the entire garden from one end to the other. But they didn't find anything.

Mike's ol' lady wrote to him of what had happened. She soon received this answer from him: "Okay, honey, now you can plant the garden."

A john doesn't have to be a dick.
Sex worker Lily Burana reveals a few tricks to make paying a pleasure.

TRICK TIPS

Being forcibly disrobed, bound, gagged and ignored was not what he'd had in mind when he entered the dungeon. But here he lay, buck naked on the concrete floor.

A hump can be purchased readily and with little difficulty, but sex-market consumers cast their fortunes in an unregulated marketplace. Legendary lapdancer Lily Burana, a veteran sex-show performer and editor of her own sex mag, *Taste of Latex*, says the sexplace holds greater satisfaction for clients who respect a few rules of conduct. Here are ten real-life scenarios of tricks-and-trade encounters that ended less than satisfactorily. Lily's inside tips on consumer-side sex etiquette explain how each trick could've gotten more bang for his buck.

* * *

Case #1.) Will went straight from his afternoon workout to Sophie's, his favorite brothel. Charlotte, the sexiest girl in the stable, was available for a session. Charlotte led Will to the best room and bade him to strip, place his inspiration in the small tray on the nightstand and take a quick shower. Will shucked his sweaty gym clothes, dropped a handful of Jacksons in the dish and refused the shower with a dismissive wave. Then he positioned himself to receive what Charlotte delivered best: a killer, lipstick-to-the-short-hairs blowjob. His cock instantly grew hard and wept at the tip as she slid to her knees before him and licked her bee-stung, crimson lips. After a few minutes of mediocre mouth work, however, he muttered, "Charlotte, come on! What happened to my deep-throat dream girl?" Charlotte sat up, wiped a few strands of saliva off her chin and shrugged. "Sorry, honey, I can only take it so far down when I'm holding my breath."

"The first rule of thumb for a guy who's purchasing a sex service is that he make sure he's clean!" advises Lily with a good-natured laugh. "If his tryst is spur-of-the-moment, and he hasn't had a chance to wash up beforehand, he should ask if a washroom's available. If the facilities aren't handy, he should pop a few breath mints, spritz on some cologne. Of course, if the girl selling services is dirtier than the guy buying them, he probably needn't make the effort!"

Case #2.) Donald's teeth would have been chattering hard enough to break if it weren't for the hard rubber ball-gag wedged inside his mouth. Being forcibly disrobed, bound, gagged and ignored was not what he'd had in mind when he entered the dungeon of the notorious Mistress Ilsa. But here he lay, buck naked on the concrete floor, goose-pimpled and stripped of his dignity, his clothing and $200. Next time, he promised himself, he would be more up-front about what he wanted. When the Mistress demanded he tell her how he, her ardent slave, would serve her, he wouldn't just answer, "However you'd like, Mistress." Such an answer had led him to his present unsatisfying position, ass to the concrete, mute and motionless, watching through a crack in the door as his beloved Mistress sat on her living-room sofa flipping through a magazine, glancing up only occasionally to make sure her slave didn't freeze to death.

"To achieve the height of satisfaction," states Lily, "a sex-service client must be clear about what he wants and expects. The clearer he communicates his wants, the more likely his desires will be fulfilled. If he's not sure what his options are, he should ask. Chances are, the girl he's paid for will be glad to talk it over. Generally speaking, the sex servicer is as eager for a satisfactory transaction as the client."

Case #3.) "Get your picture taken with Hailey Hills, the beautiful, busty blonde!" cried the photo barker. "Only ten dollars, guys! Come on!" Jay handed his money to the photographer and sidled up to the extraordinarily endowed Hailey Hills. The smell of her perfume and the outrageous swell of her queen-sized tits drove him wild. Only one thing, he thought, could make it more exceptional. "Hey, Hailey," Jay wheezed, "unzip my pants and put your hand on my cock for the picture, okay?" Hailey blinked her big, blue eyes and declined sweetly. Jay pressed: "Come on, babe, just for the picture." Hailey shook her head vigorously, saying, "I'm sorry, I can't. It's against the rules here." "Aw, come on!" cried Jay. "I've been waiting for months for you to come to town! Just for a second, okay?" Hailey's response was a definite no. Jay grabbed her hand and led it to his crotch. Hailey squealed, drawing the attention of the security guard. "Hey, you! Watch your hands or you're outta here!" "Bitch!" yelled Jay, and stormed off.

"A sex-service client must respect legal and personal limits," stresses Lily. "He shouldn't push someone to do something they cannot or will not do. Most girls can't or won't quote an exact price for a specific sexual act, nor will they have unprotected sexual contact, break the rules of the establishment in which they work or divulge information about their personal life. A man can feel free to ask someone to do any or all of the above or anything else he has in mind, but he shouldn't be offended or hassle a girl if she happens to say no."

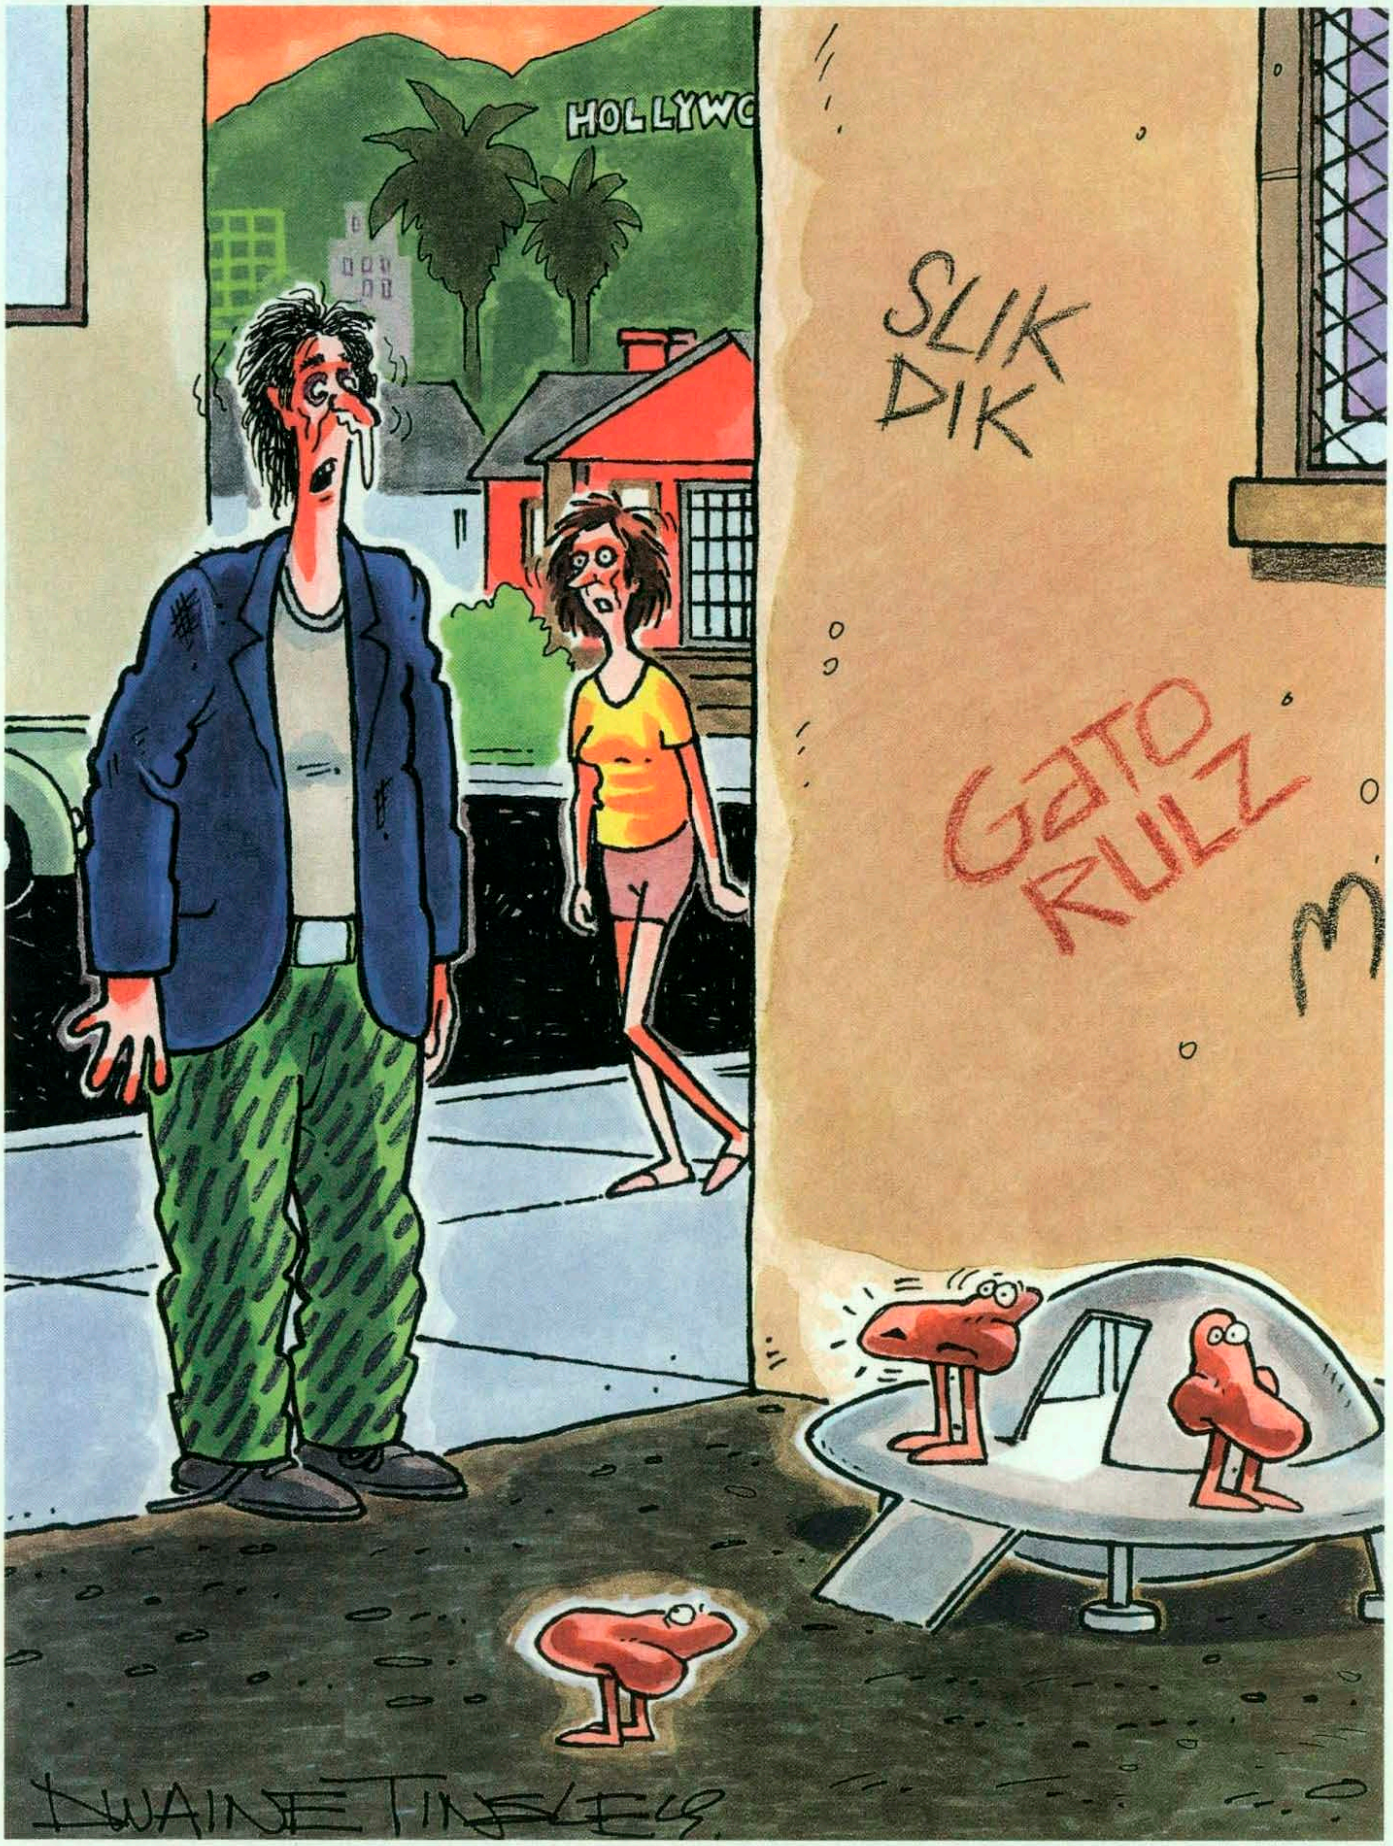
"You're right, I am married. What gave it away?"



"Take us to your coke dealer!"

Nineteen-year-olds Micki and Krissi work at the same real-estate agency in Cleveland, Ohio. "We hate our jobs," pouts pearl-stockinged Micki, slipping out of her bra and work dress. "Showing houses is a bore." "No one buys anything these days," adds blue-legged Krissi, cozying up to her friend in the abandoned master bedroom of the latest house on the auction block. "Everyone just wants to look." "I've got no respect for people who know what they like, but don't try to get it," whispers Micki, as Krissi runs a demanding hand up the crack between Micki's tits. Micki sighs and rolls over, ready to be had. It's a buyer's market, after all!

TRICK TIPS (continued from page 88)

"I want to fuck you up the ass, slut," he hissed lasciviously. "I want to put it where you'll feel it most!" "Mmmm," Lola cooed, "you sound nasty."

Case #4.) Nineteen-year-old lapdancer Phoenix stretched with the languor of just-fucked royalty and draped herself in a sideways position across Tom's lap. She wrapped her golden arms around his shoulders and nuzzled his neck. Phoenix began swirling her bottom against Tom's crotch in a delectable, dry-hump motion. She was the best girl in the joint, able to keep up a conversation and a client's hard-on at the same time. Tom knew he wasn't the only one who held this opinion. He'd had to wait half an hour to sit with her while she twirled her butt on another guy. Tom came to see Phoenix every Thursday without fail. He didn't like to see her grinding on another guy during, as she called it when he was around, "Tom's night."

Phoenix whispered in his ear, "Honey, are you okay?" Tom spat in response, "Yeah, but when I come in here, I don't want to see you sitting with another guy! You're my regular girl, got it?"

Phoenix sat up abruptly. "Tom, I work here to make money, and I make my money by sitting with whomever wants me," she told him. "I'm flattered that you want me all to yourself, but you know it doesn't happen that way. You know that, honey!" Tom glowered and said nothing. "Do you want me to sit with you longer?" Phoenix asked softly. There was no response. She reluctantly rose from his lap. "Bye, Tom."

"Make an effort to truly understand the transaction taking place," Lily cautions prospective johns. "When a client purchases a sexual service, his money buys the worker's offered service for a limited amount of time. Unless he arranges otherwise, he is not owed anything other than what he paid for—neither exclusive access, loyalty, commitment, 'favors,' nor an automatic ongoing personal friendship. His relationship with a sex worker should be strictly professional, and he should keep in mind both the possibilities and limitations of that type of relationship."

Case #5.) Bobby edged his car out of the freeway's rush-hour traffic and headed down the exit ramp to the strumpet-stroll under the uptown bridge. He'd just gotten paid and was ready to treat himself to a nice piece of weekend crotch-candy. As he cruised into the area where the girls stood ready, skirts short, hips cocked and eyes flashing, he spotted a long-legged, long-haired Latina and felt a twinge in his groin. He pulled alongside her. She turned to face him and called, "Hello, you looking for something?" Holding up a 100-dollar bill, he grinned, "I think I just found it. Get in, and I'll give you this bill for a little half-and- half." She smiled and hopped into the car. He drove down the block and pulled into a dark parking lot. She held out her hand and wiggled her fingers, asking, "Something for me?" Bobby pulled the bill out of his pocket. "Oh, yeah," he mumbled. "Um, actually, I'm kinda low on cash. Could you give me change for this?" "Jesus!" she snorted. "You said you'd give me all of that, sugar. How much change do you want?" "Fifty?" he said, uncertainly. "Fifty?" she replied. "Honey, that ain't gonna get you much...." "Oh, come on," Bobby retorted. "You girls make plenty of money!" "Ha!" she spat. "Can't you just give me a break?" asked Bobby. "Fifty's plenty." "Seventy-five," she bargained. "Come on," he argued. "That's a ripoff. Give me fifty." She didn't hear him. By this time, she'd gotten out of the car and was headed back to her spot on the corner.

"A sex-service client shouldn't haggle fees after promising more than he planned to deliver," Lily asserts. "No sex worker wants to feel like her services are of arguable value, like a lamp at a flea market. If someone's services are too expensive for a would-be client, the client should say so. If the sex worker gives him the option of a lower rate, then he can haggle, but if not, he should save the bargain-basement routine for the used-car lot."

Case #6.) All of Anthony's buddies were raving about Peaches, the luscious, dirty-talking vixen in the one-on-one fantasy-booth at the local peep-show. One day after work, Anthony decided to see what all the fuss was about. When he was in the booth, cock in hand and drooling over her through the glass, he knew Peaches' rave reviews were well deserved. Despite her amateur status, Peaches was clearly a well-oiled sex machine. She was friendly, sexy and smart enough to tell which kinky buzz-words got him going. After shooting his load all over the glass pane that separated the two of them, Anthony quickly zipped up, nodded a silent good-bye to Peaches and left the booth a satisfied man.

He returned to the peep-show a few weeks later, looking to indulge his craving for Peaches. When he arrived at the show, he discovered his tasty Peach was gone. "She quit," the manager replied when Anthony inquired of her whereabouts. The manager continued, "She left because she didn't think anyone liked her shows. Money's been slow for everyone lately, and if the money's not coming in, how's a girl

supposed to know when she's doing a good job? I think she went back to her computer-graphics position."

"By all means," Lily encourages sex-trade clients, "show appreciation for a job well done. Don't hesitate to compliment a woman who provided pleasure. If a client enjoyed the way his girl stroked him physically, he should stroke her verbally!"

Case #7.) Joshua admired the view as sexy stripper Terri bent over to pick up her tips from the floor. Her juicy backside jiggled deliciously. She scooped up the bills and pranced off the stage to a smattering of applause. Minutes later, Terri reappeared in the audience, wielding her tip cup and notepad. She wore a tight, hot-pink miniskirt that did much justice to her ample curves. However, she was wearing a frown. She sauntered over to Joshua's table and asked softly, "Want something from the bar, Josh?" Noticing her sorry mood, Josh shook his head, saying, "Nah, not yet. What's going on, beautiful? You look so sad." Terri sighed. "My boyfriend packed up and left yesterday because he didn't like me working here," she murmured. Josh snickered, "Come on, kid, it can't be that bad, I mean, a pretty girl like you can get another boyfriend anytime! Cheer up!" Terri shrugged her shoulders, "I don't know, Josh, I really thought this guy would be cool." "Terri! Lighten up. Smile!"Josh urged. Terri couldn't force herself to smile. "Smile!" Josh repeated. Terri wasn't sure whether Josh wanted her to smile so she'd feel better or he would. "Terri, tons of guys come here every night to see you. You make plenty of money. You've got a lot to be grateful for...." He was puzzled when she turned abruptly on her heel and walked away.

"It might seem above and beyond the call of duty, but it's really great if a sex-service client can be understanding, when it's needed," says Lily. "Even in the best of circumstances, service with a smile is never one-hundred percent guaranteed. Sex workers are usually anything but carefree. Some girls take up sex work because they're sensual thrill-seekers, but most of them work due to economic necessity. There's an impressive quantity of stress in sex work. During an average working day, sex workers face threat of arrest, social stigma, illness or injury, lack of business and abusive customers as well as the universal pressures of modern-day living. Needless to say, there's no paid sick leave or insurance for hookers. Such stress can make the toughest woman edgy. No one's asking a client to grin and bear poor treatment, but if he wants the best a girl can give, he should understand that sex workers are entitled to grumpy moments too. He shouldn't take it personally."

Case #8.) Georgie spent the day being grilled by his soon-to-be-ex-wife's lawyer, and felt the need to work off some frustration. He figured a little telephone lust would help relieve some of his tension. The voice at the other end of the line fell upon his ear like a hot rain of honey: "Hi, baby, this is Lola. What's your fantasy tonight?" "I want to fuck you up the ass, slut," he hissed lasciviously. "I want to put it where you'll feel it most." "Mmmm," Lola cooed, "you sound nasty. Are you a nasty boy?" Georgie had had enough questions that day. He simply wanted Lola to bend over verbally. "Come on, come on," he urged. "Tell me how you like it." Lola purred, "But how do you like it, baby? With me on my knees, or straddling your cock?" "I don't care!" Georgie barked. "Just keep talking and stop asking questions already!" The sugar drained out of Lola's voice. "Okay, I'll tell you something, baby. I know just what you need. You need to go fuck yourself." And with that, she hung up.

"Like any sex worker," observes Lily, "a client will have his own share of bad days. However, if he wants to get the best out of a sex-service encounter, he should avoid dumping his emotional garbage on his girl. If he's experiencing bad fortune or a bad mood, he should talk it out with her, not take it out on her. Sex workers can do wonders to lift spirits and calm nerves. They don't, however, work well as psychological or physical punching bags. It may appear convenient to a sex-service client to lash out at someone of seemingly little consequence in his personal life as the girl whose sex practices he's rented for an hour or two, but a guy who can't keep his hostility in check ought to spend his time and money on a shrink, not a sex worker!"

Case #9.) Lovely, tiny Anastasia and her statuesque co-worker Lisa were perched atop a table, rubbing oil on each other for an audience of horny bachelors. As Anastasia ever so slowly rubbed the warm oil across Lisa's large, pink-nippled breasts, one of the boys banged his fists on the table. "Enough of this shit!" he declared. "We paid you a lot of money—let's see some pussy-licking!" His outburst was met with a chorus of hoots and howls from his buddies. Anastasia smiled gently. "I'm just getting her warmed up, sweetie." The bachelor scoffed, "She looks warm

STEROID STEW *(continued from page 72)*

A training partner of former Mr. Universe Steve Michalik believed he could stop a speeding car. Jumping into the fast lane, he collided with a force of nature far greater than his own.

marily on account of Russian athletes' reputation as Olympian superpowers who excel through the aid of chemical enhancement. Despite the risks, steroids from eastern Europe are dirt cheap, a fraction of the cost of overpriced Mexican shit.

T-Bone pulls out a thin, white, plastic bottle. It resembles a dimestore candy tube, but the shiny, closely packed lozenges aren't sweets.

"They're my mean pills," smiles T-Bone. A look at the label reveals a long, faint trail of Russian writing. The only word that's English-compatible is *Bulgaria*. What exactly are these pills? T-Bone admits he doesn't know. He does know they contain a chemical form of testosterone, a synthetic version of the hormone responsible for producing and maintaining male secondary-sex characteristics. Synthetic testosterone is notorious for the aggressive behavior it induces. T-Bone swallows a handful in preparation for another grueling evening at the trendy dance club where he works.

Later, T-Bone stares into space at his night job as a bouncer, his lips slowly and steadily moving, silently forming words only he can hear. He appears to be proof that steroids are much more than merely the body trip many people imagine them to be. The chemical affect is total: body *and* mind.

THE CHEMICAL ADVANTAGE

Many lifters claim the only down side of steroid use is coming off the drug. The depression that often follows a cycle of steroids results from decreasing levels of the body's own testosterone. One bodybuilder well known to T-Bone's posse reasoned that, since the worst part of using steroids is coming off of them, he would do a cycle (a round of steroids, most of which only last eight to 12 weeks) for an entire year continually—meaning that, throughout that time, he would never *not* be doped with hormones. T-Bone and the boys, none of whom are prone to considering anything too crazy, protest that so much overuse is insane.

Depression following steroid withdrawal usually lasts a month or less, but the boys talk about feeling so emotionally vulnerable at low points that they find themselves crying like babies at television commercials or having friends pull guns from their mouths to thwart suicide attempts. The worst hazard is what they call "Winstrol weddings." Winstrol is a type of steroid; the phrase refers to the unhappiest end result of the depression following steroid deprivation—marriage. Because of crashed testosterone levels when coming off the juice, which increases the level of estrogen—or female hormones—in the blood, lifters with girlfriends that they're only semi-interested in when on the shit can come to feel their woman is now the heart and soul of life. Suddenly, with no prior interest in the subject, they start thinking marriage. According to lifters, it's an awful thing to watch and worse to live through.

The desire usually passes when the body starts producing its own hormones again. T-Bone confesses, "When it comes down to wanting and needing personal comfort and sympathy during the dip after kicking some shit, I think I would have married my bitch Jolie a long time ago, but I think she wanted to know that it was really me behind that love and not a certain synthetic chemical. She ended up dumping me because of that certain something else, but I would have dumped her when I kicked back in again. Maybe." The boys roll their eyes at T-Bone's conjecture, indicating that they all know what to expect and don't confuse chemical highs and lows with real love when it happens. If it happens.

Sean, about 265 pounds at 6-3, cuts in. "Word up, man—I found out that my girlfriend had a date with this fucking pencil-neck of an old boyfriend of hers. I went over to her house and...." Sean rolls up the sleeves of his T-shirt, revealing 19-inch biceps for emphasis. "I told her to look at this," he says, flexing and unflexing his biceps. " 'Do you know what this is?' I asked her. 'You want that human twig over this?' " He laughs and adds, without thinking it out, "There are a million girls like her out there, but there's only one like me."

"Yup, there's only one girl out there like you, Sean," answers DaPump. The group of lifters laughs like hell.

Delusions of grandeur as a result of steroid use are legendary. A training partner of former Mr. Universe Steve Michalik firmly and passionately believed he could stop a speeding car. A bunch of guys from Michalik's gym, who believed him, followed the guy to the highway, where they sat on the guard rail and waited for him to show his stuff. Jumping into the fast lane, the lifter collided with a force of nature far greater than his own. Luckily, he survived with a few broken bones and general body damage.

Stories like Michalik's highlight what serious lifters believe to be a fringe element of the sport, and it drives them crazy to find such marginalized examples repeated in the media so often. The image of an egomaniacal, drugged-up, prototypical bodybuilder is too popular with the general public to be dispelled. Bestselling books like Sam Fussell's *Muscle: The Confessions of an Unlikely Bodybuilder*, which focus on the sport's dysfunctional aspects—the drugging,

STEROID

(continued from page 108)

the insanity—seem to find public favor simply by reinforcing the stereotype.

Weightlifting's brightest stars usually have not only talent but a genetic background that facilitates the rigors of the sport. For the grunts in the field, winning a national bodybuilding show is a far more elusive dream. If using performance-enhancing hormones promises to get them any closer to their goal, so be it.

Before the '70s lifter documentary *Pumping Iron* hit the scene and brought in the mainstream crowds, bodybuilding was popularly considered a freak show. Media portrayals of the time (see Arnold Schwarzenegger's appearance on the television show *The Streets of San Francisco*, for one) featured lifters as psychotics, loners, homos and power freaks. A lot of longtime grunts remain more comfortable with this image than with that of the blow-dried, professional wrestler or muscle boy adored by millions.

"When I started lifting in the '60s," says Woody, who's still buff and rock hard at the age of 47, "strength sports were the dark side of the world of athletics. The reasons it was so widely dismissed had to do with a lot of things, including the performers' unadulterated lust for power and lifting, the sorry fact that lifting was so often performed in musty, catacomb-like gyms—which were a far cry from the fern-bar disco gyms of today—and the plain fact that so many lifters were completely, fucking nuts."

Woody doesn't use the shit; he regrets that yet another stigma has come to blemish lifting. "As much as they want to clean it up for public consumption," says Woody, "lifting will continue to resist all attempts to do so. The juice underworld appears particularly resistant, and, like alchemists of old, the barbell boys who are destined to be forgotten in a history full of Arnold Schwarzeneggers, Lou Ferrignos and Lee Haneys are going to make their mark in some small way. And you can bet it'll be the biggest small way they can find."

At T-Bone's, the lifters divvy up the goods and disappear one by one. T-Bone wears a T-shirt bearing the legend, "When big is not enough...*huge*."

And when huge is not enough? There will come some new frontier. With 23-inch arms and calves, professional bodybuilder Mike Mattarazzo is regularly stopped on the street and asked if he's got softballs in his shirt. Freakily huge, nearly unrecognizably human, Mattarazzo blows old-school lifters' minds. Whether or not what T-Bone and the boys are looking for lies beyond the size of Mattarazzo, they're willing to die trying. This is the essence of their greatness—to get bigger at any cost.

TRICK

(continued from page 100)

enough to me. Let's get this show going!" Anastasia worked her tongue along the flesh of Lisa's inner thigh. "Come on, get your tongue in her pussy! Let's see you two get horny!" yelled a cock-pumping jock. Anastasia and Lisa silently cursed the rudeness and condensed what was supposed to be a lusty 30-minute blow-out into a scowling, uninspired 15-minute grudge-grind.

"Many clients forget all manner of good manners in the company of a pro," relates Lily. "No matter what the type of business, no one likes a rude customer. Courtesy can bring out the best in a sex worker, and the lack of it can bring out the worst. 'Nuff said."

Case #10.) Raymond stepped into the peep-show booth and dropped four tokens into the slot. When the window opened, he was greeted by a cute, punky pixie of a girl. She tipped her wildly-coiffed head to one side and asked, "Are you tipping, sweetie?" Raymond nodded an enthusiastic yes and dug into his pocket for a five-dollar bill. Stuffing the bill into her stocking top, the vampy vixen turned and offered her booty for Raymond's squeezing pleasure. Raymond, turned on by such easy access, began pawing her butt with an animal-like vigor. As he pinched and prodded her tender flesh, she began squirming uncomfortably. She called over her shoulder, "Hey, pal, would you take it easy? I need to keep that thing in working order!" After a particularly hard pinch, she yelped and leapt away, clutching her buttock. She smiled wanly and twisted around to examine the damage. The faint shadow of a bruise was already in sight.

"Last, but certainly not least, a sex-service client should be gentle!" advises Lily. "Without a doubt, a man who spares a working girl the hard edge of his manly grip might find she's more eager to receive his touch. A sex worker loves to see a client's excitement, but she doesn't necessarily want to wear the marks of it on her skin."

Lily Burana's personal motto as a purveyor of sexual services is that a man spending his hard-earned cash for the services of a professional sex worker should receive in return hot, fun, satisfying gratification. While there's no iron-clad guarantee that every pay-for-pleasure encounter will be a wet dream come to life, a man who takes Lily's advice is bound to improve the quality of his lusty leisure time. "Any sex worker worth her weight in spunk won't hesitate to reciprocate respectful treatment," declares Lily. "That's truly the mark of both a quality sex worker and a quality customer: being able to dish it out as well as take it, in every way imaginable."

There's nothing dry about luscious Sahara of Oklahoma City, Oklahoma. If her job in sales ever fails, this 22-year-old could easily turn her hobbies of exotic dancing and sunbathing into lucrative careers. Fuck Spike Lee! Check out "Tender Roni's" solution for racial equality: "My fantasy is to have two white and two black men suck my tongue, nipples, ass and pussy at the same time." In her quieter moments, this 27-year-old dancer enjoys aerobics in Arlington, Virginia.

When not working as a waitress, randy Rebecca likes to get wet—in the pool, that is. She also enjoys playing softball in Phoenix, Arizona. In her 30 years on the planet, she has yet to fulfill her fantasy of having sex on the beach. Won't someone show these girls to the beach already?

Photo by Husband

The *Beaver Hunt* dictionary defines the four basic elements of life as earth, wind, fire and beautiful Bo Lane of Lynnwood, Washington. She's a 22-year-old dental receptionist who likes to ski, swim and sunbathe. Her natural fantasy would be sex on the beach with two guys at the same time. Don't sell yourself short; there's always room for one more.

Photo by Friend

Kicking a leg over a Harley is but one of the hobbies of "Juicy" Ginger, a 21-year-old resident of Orlando, Florida. Although she works as a waitress, she likes to train horses and, of course, ride her Hawg. Her numerical fantasy is to do "69" on her bike while doing 69 miles per hour on the road. Remember: Safe sex dictates he should wear a helmet.

Now that the Cold War's over, Russian-bred Sasha has been welcomed in America with open legs. This 26-year-old student lives in Worcester, Massachusetts, and enjoys dancing, bike riding, music and masturbation. Her fantasy is merely a reflection of her former life, as she'd like to have sex with the same married couple she once had sex with in Russia.

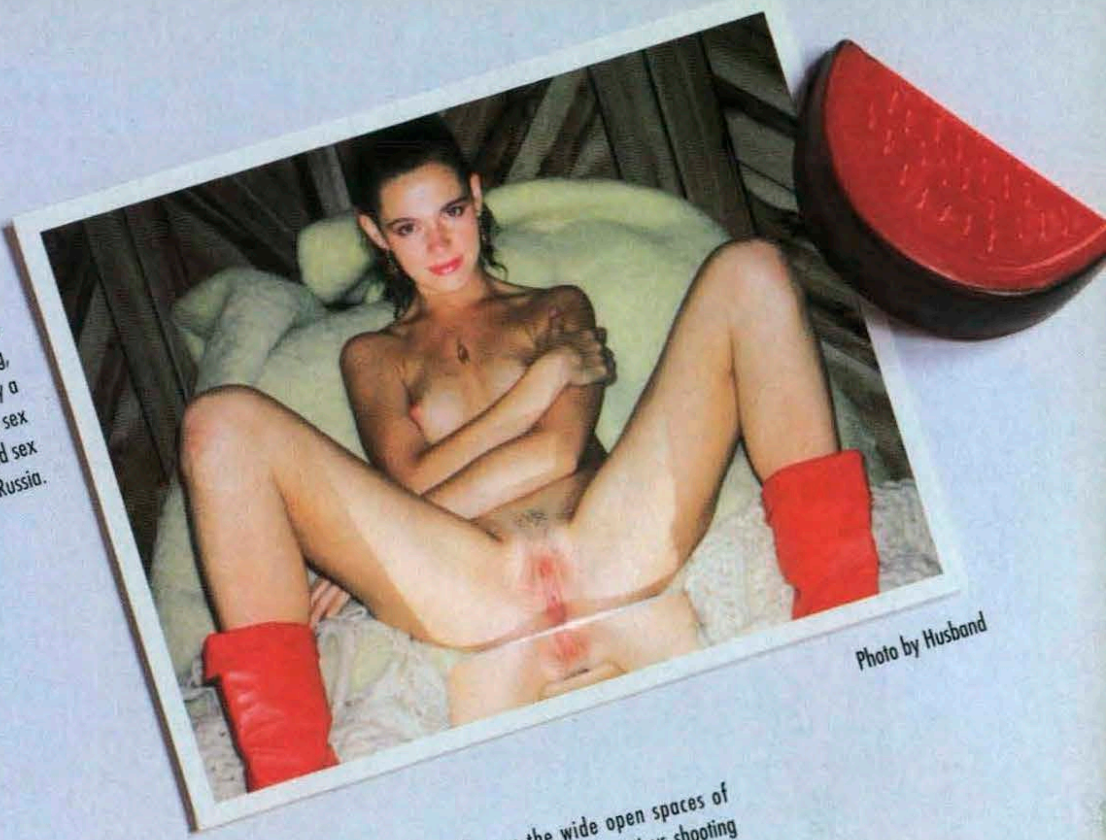

Photo by Husband

We'd love for cowpoke Sheryl to show us the wide open spaces of Winnemucca, Nevada. She's a 27-year-old housewife who enjoys shooting and playing with her puppies, hopefully not at the same time. Even though home is on the range, she'd like to take her bushel of hay to a tropical island someday and make love on the beach by moonlight.

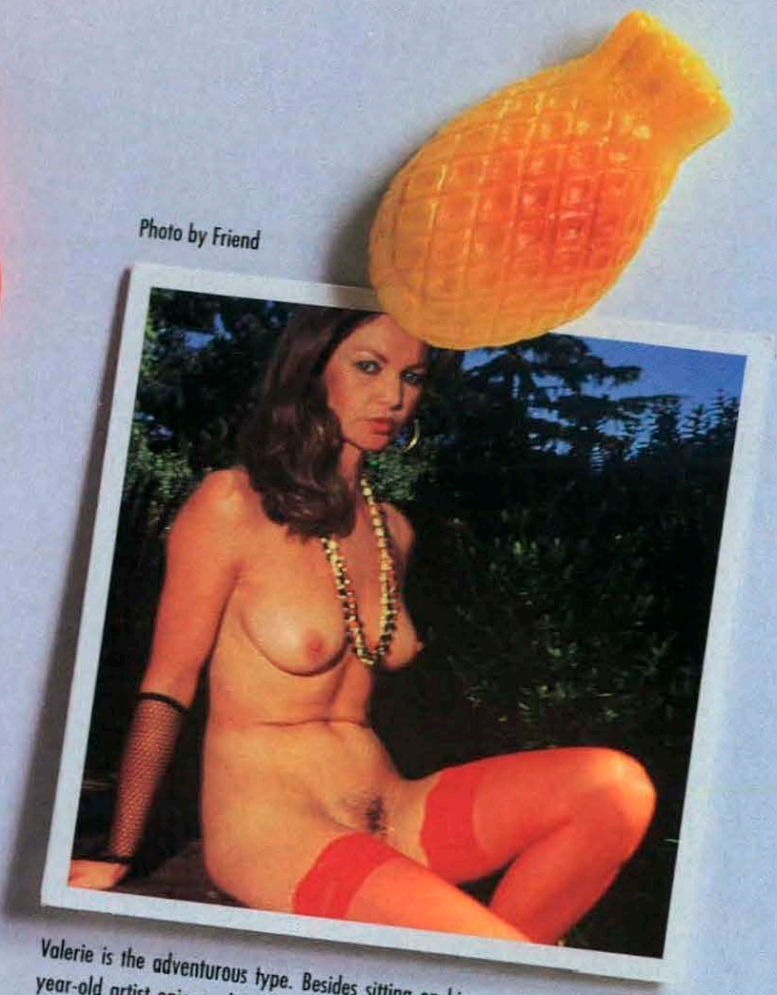
Photo by Friend

Read her lips! Next time George Bush goes home, we recommend he find the club that features the dancing talents of Sparkles, in Corpus Christi, Texas. Swimming, boating, reading and suntanning are a few of this 35-year-old's leisure activities. Her dream is to walk on a nude beach where every beautiful hardbody lusts after her. Yeah, but then what?

Photo by Friend

The winners of the fastest pole time in Indianapolis, Indiana, are the men who watch muscular Kelsie dance. This entertainer turns 25 years old this month, and keeps fit by exercising and lying on the beach. She loves to get laid in a carnival atmosphere, and fantasizes about sex on a merry-go-round.

Photo by Friend



Valerie is the adventurous type. Besides sitting on big, wooden stumps, this 34-year-old artist enjoys white-water rafting and scuba diving. She resides in San Mateo, California, and dreams of making love 40 feet underwater, surrounded by friendly sharks and a photographer. Talk about a sunken treasure!

Photo by Friend

When she's not pumping iron, 27-year-old Sonja likes to play with fuzzy balls—on the tennis courts, that is. She's an exotic dancer in Denver, Colorado, who fantasizes about sex with two guys and one girl.

NOW – by special arrangement with Mr. Norman, we offer you this showcase collection of his best works. Obviously, his films bring top dollar when sold individually, but during this limited special offer, you can acquire these classics at a price that makes them an unbelievable bargain!

$3.63 EACH scene

PN-1 "BI & BEYOND" (Hermaphrodite with a woman) – The film that set the sex world on its ear! Deliah, the stunning brunette hermaphrodite with a gorgeous woman's body and pulsing 10 1/2" cock, makes her film debut, licking, sucking and fucking a blonde woman in every way imaginable!

PN-2 "PASSION BY FIRE" – A bisexual female and bisexual male join forces and cruise pick-up bars in search of sex partners to quench their insatiable appetites for cum! 3-way action where no hole is left unfilled!

PN-4 "BI & BEYOND 2" (Hermaphrodite with a man & woman) – A horse-hung hermaphrodite easily satisfies a man and a bi-guy as she uses her awesome sexual equipment in a 3-way fuck fest such as you've never seen before!

PN-5 "JOINED" (Siamese twins with a man) – Perhaps Paul Norman's most incredible discovery of all – gorgeous young Siamese twins joined at the hip, who catch a peeping tom and grant his fondest wish – to have sex with them! A must see, alone worth the price of the entire collection!

PN-6 "INNOCENCE LOST" – Two lesbians decide to try cock for the first time, and introduce their neighbor to new thrills as they penetrate his virgin anus with their dildoes & lesbian sex toys!

PN-7 "BI & BEYOND 3" (A hermaphrodite with a man) – A gorgeous blonde with a dripping pink pussy and throbbing 9" cock auditions for a film role. The producer (who's bi) has his hands full (and his manhole) when this unique, oversexed creature gives him an updated lesson in male & female anatomy!

PN-8 "HEATWAVE" (Interracial bisexuality) – The black bisexual crew of a yacht "drops anchor" in the hot mouths and hungry pussies of their cock-starved bisexual blonde passengers. A "salt & pepper" suck & fuck fest ensues all over the boat!

PN-9 "SEPARATED" (Siamese twins with two men) – The stunning Siamese twins yield their mouths and cunts to the throbbing cocks of two studs as they have their first 4-way group sex experience. An eye-popping, cum-spurting orgy of double fucking and sucking!

PN-10 "BI & BEYOND 4" (Super-hung black hermaphrodite with a man) – "Herculina," the incredible black hermaphrodite with a 12 inch penis, teaches a "white boy" about "long-dicking" as he has his first encounter with nature's "ultimate sexual partner," the hermaphrodite!

PN-11 "OFFERING" – Imagine what happens when 8 multi-orgasmic male & female bisexuals get together for an "orgy to end all orgies." It's all here – hot, wet, and up-close, as Paul Norman's camera record the most cum-saturated sexual encounter ever filmed!

While they last!

The result of this new thinking was the formation of a new partnership – the **WORLD VIDEO ALLIANCE** (W.V.A.). Instead of 6 production facilities, why not have just one sophisticated facility? Instead of 6 tribes with 6 chiefs, why not just one great marketing complex that would revolutionalize the adult entertainment business – where everyone benefits? **This includes you!**

The major single decision approved by the ALLIANCE was to pool funds and purchase state-of-the-art **HIGH-SPEED DUPLICATING machines.** We can now duplicate our 90 minutes features at the blinding speed of 2 minutes 34 seconds – and we **guarantee perfect quality.**

As a result of "cutting the fat" we can now sell the same titles you've paid as much as $69.95 **for as low as $2.85 each!** That's right! Less than the cost of a blank tape! To get this new merchandising concept off to an impressive start – the members of the ALLIANCE have contributed their "pride and joy" the "cream of the crop." They have put together **8 hours of superb, rock hard videos.** A compilation of **over 50 sizzling titles** from every major video production company. And this is all yours for a mere $19.95 . . . that's less than $2.50 per hour of viewing. Can you beat that? If you are still in doubt . . . read our **GUARANTEE** again!

BRAND NEW METHOD & VIDEO! THE ONLY WAY THAT REALLY WORKS!

the *Right Way* to ENLARGE your PENIS

SECRETS OF SUCCESS DEMONSTRATED IN EXACT, STEP-BY-STEP DETAIL

There's a lot more to it than just pumping it up!

ERECTION BEFORE

ERECTION AFTER MEGA-10

You'll see top XXX-stars going through this new system and enjoying their huge size with their partners! You'll see such demonstrations as:

- How to increase size and staying power at the same time!
- How to develop the ability to climax without cumming – and maintain a full erection for continued sex!
- How to develop the internal muscles that make your penis thrust out and up as never before!
- How the three different shapes of penises affect sex!
- Why pumping up by itself doesn't work!
- How long it will take to show a measurable difference.
- A secret of immediate size increase any man can use anytime for instant results!
- The equipment you'll need . . . how often to use the system . . . the important side benefits of the system . . . how women feel about male genital size . . . much, much more!

ERECTION BEFORE

ERECTION AFTER MEGA-10

UNIQUE FOUR-STEP SYSTEM VITAL TO SUCCESS!

If you've ever dreamed of seeing your penis grow as much as several inches longer and thicker . . . probing new depths of ecstasy within your partner . . . stretching aroused openings to the limit as few men ever have, this extraordinary 4-way system is your ticket to success! But pumping up with a vacuum device is not enough! Unless you know and use ALL 4 PARTS of this proven system, you'll never see how really huge your penis can get! Now, for the first time, everything you need to do is shown, step-by-step on this exciting video!

CASE HISTORIES PROVE THIS SYSTEM WORKS WHERE OTHERS FAIL!

Doctors measured and recorded giant increases in both length and thickness in men who carefully followed this system. (There was no improvement noted in the men using other enlargement techniques.) • Youth of 19, grows 2.4 longer, 2.3 thicker! • Man aged 60, gains over 2.6 in length and circumference! • 36-year old develops 2.4 in length, almost 2 in girth! • Man of 61, 2.7 length increase, 3.1 in girth! • 58-year old documented 2.8 length increase, 2 1/2 around! • 3.1 length increase for 20 year old; 2.2 around!

JUST USING A VACUUM PUMP IS NOT ENOUGH!

Yes, a vacuum pump is essential to increasing penis size. But pumping up is only one-fourth of the secret to success. Without all four parts in place, in order, properly used, you are probably doomed to failure. This is the first video that takes you step-by-step through the only enlargement system ever proven to really work. That's why we call it THE RIGHT WAY TO ENLARGE YOUR PENIS! Regular $29.95 *only* **$18.95**

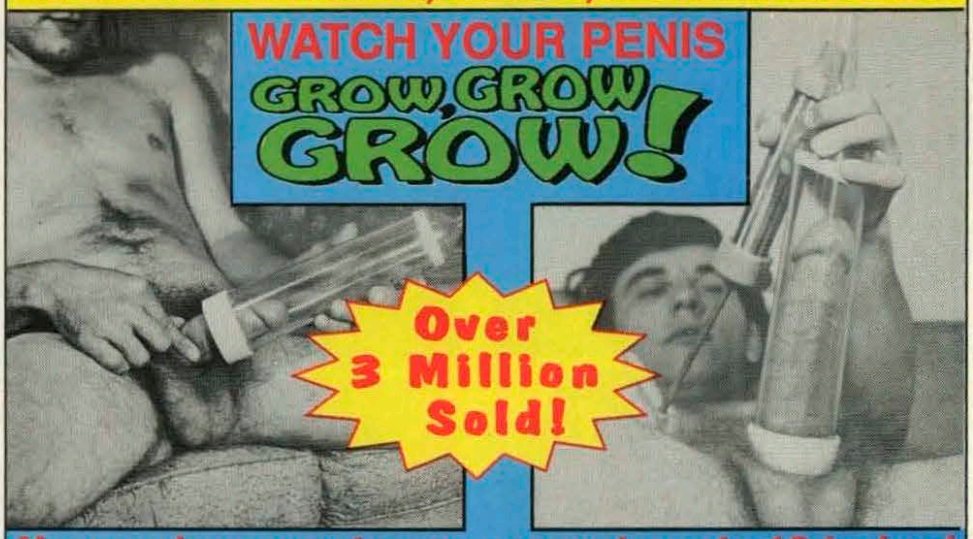
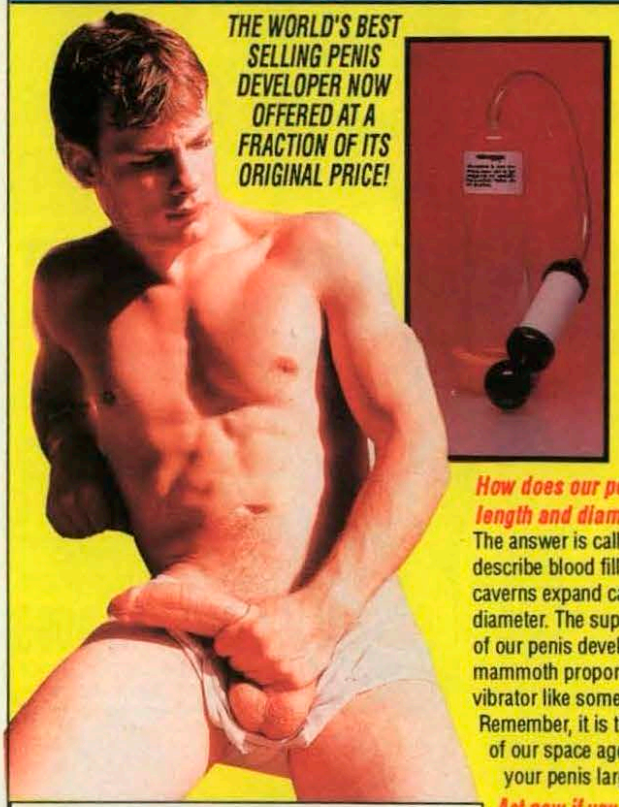
YOU CAN HAVE A LONGER, THICKER, HARDER PENIS NOW!



You can have erect measurements up to 12 inches! Enlarge your penis to its maximum potential!



THE WORLD'S BEST SELLING PENIS DEVELOPER NOW OFFERED AT A FRACTION OF ITS ORIGINAL PRICE!

Have you ever been embarrassed by the size of your penis? Have you tried to convince yourself it's not how big it is but how you use it? As long as your sex partner needs to be completely filled, you owe it to yourself to do something about a larger penis now!

Our penis developer will increase penis length, thickness, and make your erection harder and stiffer.

Did you know a woman's vagina will stretch and enlarge to accommodate a large penis? Imagine her excitement as you penetrate deeper than you ever have before.

How does our penis developer increase your penis length and diameter?

The answer is called hypermia, a medical term to describe blood filling into caverns of your penis. The caverns expand causing your penis to grow in size and diameter. The superior pump action and sealed vacuum of our penis developer urges your penis to grow to mammoth proportions. Our penis developer is not just a vibrator like some electric units you may see advertised. Remember, it is the precise slow super pumping action of our space age designed penis pump that builds your penis larger than you ever dreamed possible.

Act now if you are interested in penis enlargement. TAKE ADVANTAGE OF THIS SPECIAL OFFER NOW!

HEAVY DUTY DELUXE MODEL

Reg. $49.95- **NOW ONLY $24.95**

NOTICE: Our hand held penis pump as shown is not an electric massager or vibrator unit which may be dangerous, especialy with liquids and gels, and cause electric shock and possible injury.

THE FAMOUS SCOTT TAYLOR PENIS ENLARGEMENT VIDEO TAPE.

Scott has an enormous penis- he uses the hand held penis developer (not an electric massage unit) in a step by step demonstration to show you what you need to know and how to go about increasing your penis length and diameter.

COMPLETE INSTRUCTIONS INCLUDED WITH ENLARGER

Do not accept a cheaper substitute enlarger with the Scott Taylor Video and Pump Promotion. We offer the most durable enlarger available for only $24.95. We also include the video FREE. The video sold separately at our wholesale price of only $5.00.

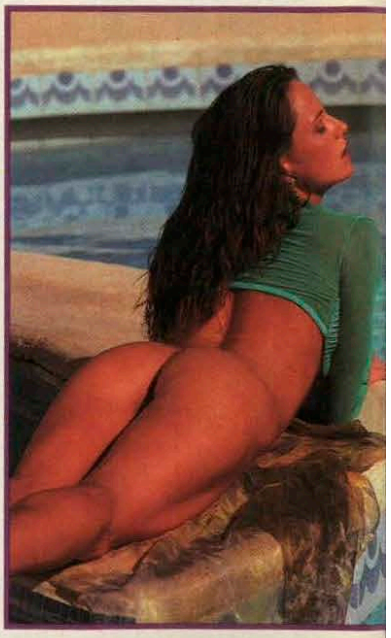
NEXT MONTH IN HUSTLER

March HUSTLER on sale January 19, 1993

RAW THAW

HUSTLER in March obliterates the traditional, frosty mantle of white with springlike blasts of lap lotion: Wet the blond bangs of a boudoir-bedded, honey-haired nymphet matching misty eyes and golden thighs with crimson pumps and an itch to play house; wrap a string of pearls around the long legs and tight labes of three daring debutantes shedding mink and spreading pink for the dick-delectation of two horndoggin' cunt connoisseurs; wiener-wing two ravishing off-hours flight attendants guiding twin engines into the lickable clouds of girlacious bliss; and soak a chest-heavy, lithe-limbed brunette browning buns poolside with a freshly whipped topping of soothing, hot cream. HUSTLER in March takes the edge off a long winter's night. Cozy up.

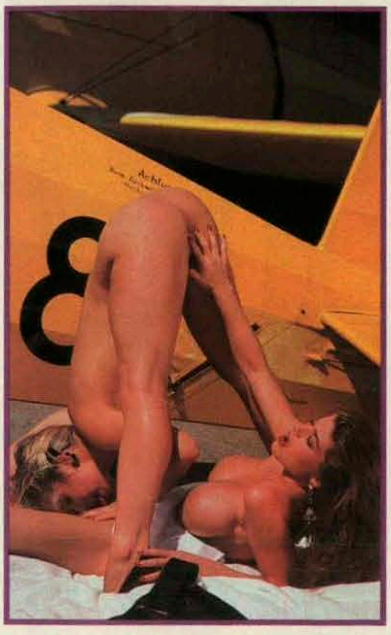


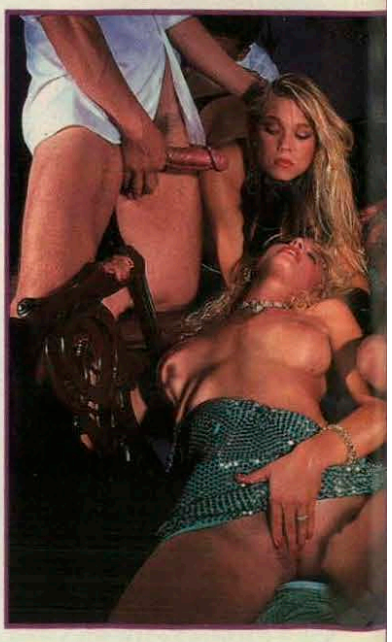
TIMES SQUARED

By outlawing the sacred art of lapdancing in its adults-only flesh emporiums, the Times Square Redevelopment Program has turned New York City's famed den of depravity into a shriveled, limp-lingam shadow of its former grunge grandeur. A fitting requiem for the tawdry Times Square crotch-grinding establishments that are no more may appear beyond the grasp of mortal poets, but night-crawling, cum-pit-chronicler Selwyn Harris sleazes to the occasion in *Laps A' Poppin'*, a wallet-stretching, nut-tugging paean to the glorious Forty-Deuce tease-'n'-squeeze scene of yore.

WEDDING BELL TOLLS

According to the U.S. Department of Health and Human Services, 11.2% of all marriages in America end within the first year. Psychologists say 45% of couples getting married suffer instances of violence. Postnuptial hostility is a problem young marrieds can't afford to overlook: For many unlucky newlyweds, it's not merely the marriage that comes to an end—it's the life of the bride or groom. Illuminating the deadly side of wedding-bell blues is *Honeymoon Homicides*, writer Larry Wichman's cautionary, in-depth analysis of the death-upon-marriage phenomenon. A blow-by-blow illustration of notorious weddings-turned-funerals, it's a must-read for everyone about to trade rings.





IN AND OUT LIKE A LION

For every man who's beat off to the skins-clad figure of Betty Rubble or wanked to the G-rated gyrations of Betty and Veronica, HUSTLER presents writer Michael Albo's guide to the hottest girls in cartoons—"Drawn to Indecency," HUSTLER's *Sex Play* for March; *Hot Letters* schtups the literary end of lascivious licentiousness; *Beaver Hunt* tracks another hot tip up the dresses of the girls next door; and *Bits & Pieces* makes a compelling case for the deteriorating effects of pornography on intelligent minds. HUSTLER in March burns both ends. Carry the torch!
