Hi. I'm Bob Packwood, and I'm powerless over pussy.

Bob Packwood: Republican Senator, Male Slut.

Bob likes women so much that he's in jeopardy of losing the job that keeps him up to his elbows in pussy. Bob needs to get his mind off the snatch in the Halls of Congress. Send the horndog lawmaker an old issue of HUSTLER Magazine c/o Senator Bob Packwood, United States Senate, Washington, DC 20510.

Help Bob keep his hands on himself.

Parody. Not to be taken seriously. Not precisely what Bob said.
Senator Packwood's actual quotes are even further from the truth than ours.

BITS and PIECES

ASSHOLE OF THE MONTH

BOB PACKWOOD

An invisible line exists between behaving like a clumsy, inept, pathetic boob and actually being confirmed as an inflamed turd-clamp of the foulest degree. Senator Bob Packwood has leaped over that rectal demarcation, with plenty of room to spare, and become HUSTLER Magazine's Asshole of the Month for April of 1993.

The 60-year-old Republican legislator from Oregon, who has been ensconced in the Senate for 24 years, qualifies as a major bumspout by virtue of his job description alone. Senator Bob, however, is distinguished from the run-of-the-swill shit rings by his above-average commitment to denial and hypocrisy, and by his repeatedly demonstrated inability to hit on a chick without leaving her feeling slimy and aggrieved.

Packwood's troubles almost reared their purple-tipped head prior to the recent Senatorial elections. The *Washington Post* was preparing a report recounting claims from ten women that Packwood had indulged in a 20-year spree of sexual harassment while on the taxpayer payroll. Packwood, by denying improper behavior and casting aspersions upon the characters of the women whom he had groped and slobbered, was instrumental in delaying the *Post* story. The allegations, which would have cost Packwood his cushy job of more than two decades had they been printed in a timely fashion, did not appear until after the election, narrowly won by Packwood.

When the news of his greasy-kid romancing (one object of the Senator's wet affections claimed that he stood on her toes, pulled her ponytail and tried to remove her girdle in an attempt to smear his lips across hers) hit the fan, Packwood claimed to be "sincerely sorry," though disclaiming any intent "to pressure, to offend [or] make anyone feel uncomfortable." Apparently, Packwood considered standing on a woman's feet a workable form of foreplay.

Still not admitting he'd made unwanted sexual advances, nor that he had a problem with alcohol, Packwood retained an attorney and checked into an undisclosed booze clinic to seek "professional advice" in an attempt to blame his smarmy, Casanova-wanna-be tendencies on alcohol.

While the Senator was hidden away in the clinical setting, his office issued a barrage of damage-control statements, delivered by staffers with names such as Elaine, Julia, Bobbi and Josie. The press discreetly refrained from asking these women if they'd been required to blow anybody to get their jobs.

When Elaine's, Julia's, Bobbi's and Josie's boss got out of rehab, he was a changed man, but still the same asshole. "My actions were just plain wrong," conceded the shifty Senator. "I just didn't get it. I do now."

If Packwood is getting it now, the only questions are: From whom? And how much is he paying her for it?

Packwood, who until now was best known as "that Senator who charged lobbyists $5,000 a plate to have breakfast with him," promised that he is prepared to seek "whatever counseling may be necessary."

This "necessary counseling" is unlikely to come from the Senate Ethics Committee, ethics in the Senate being on a par with Packwood's own. In 1990, 58 Senators signed a voluntary policy on sexual harassment—and Bob Packwood was among them. The Pornography Victims' Act of 1991, which would allow victims of sex crimes to sue manufacturers and distributors of so-called pornography, was co-sponsored by Bob Packwood, a man who attacked the character of his own victims after subjecting them to a form of sexual assault.

Packwood's diligence in the face of rejection while pursuing snatch is nothing to be scoffed at. One of the chicks he struck out with was a 64-year-old, female newspaper reporter. Such a display of applied democracy is nothing less than admirable, except that Packwood's efforts are so pathetic for their failures.

Packwood will find the "necessary counseling" by turning to *Bucky Beaver's Guide to the Female Race* on page 31 of this issue of HUSTLER Magazine. If he must be an Asshole, Senator Bob might as well get some pussy while he's at it.

FARTS IN THE WIND

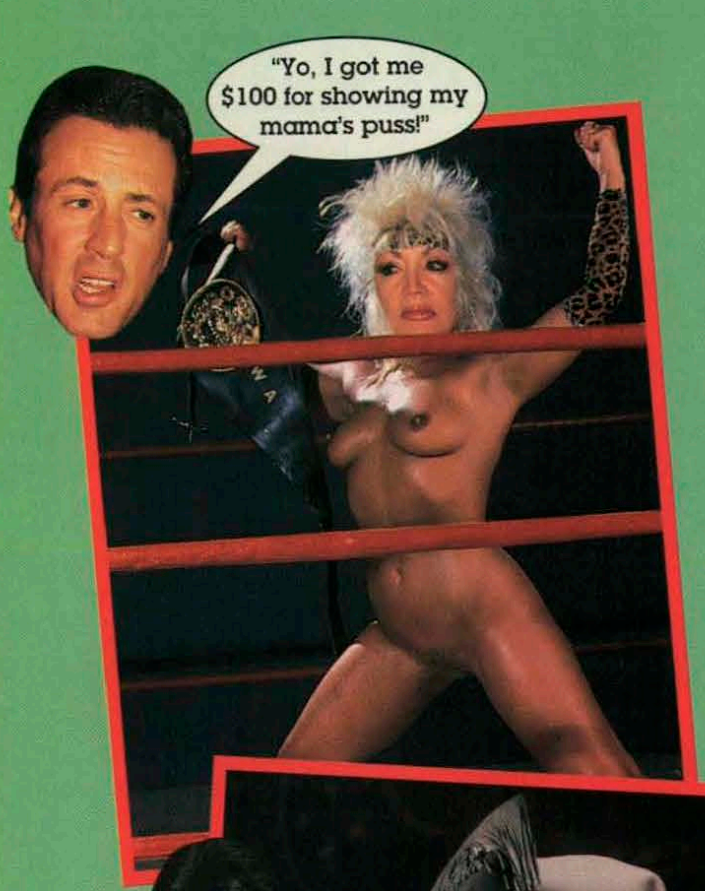

Marge Schott: The 63-year-old owner of major-league baseball's Cincinnati Reds stands accused of mouthing such conversational unpleasantries as "million-dollar niggers," "Hitler was good in the beginning," and "I'd rather have a trained monkey working for me than a nigger." Much of the Reds' talent is of African American descent. Schott would be a complete cunt, except that she's nine parts Asshole.

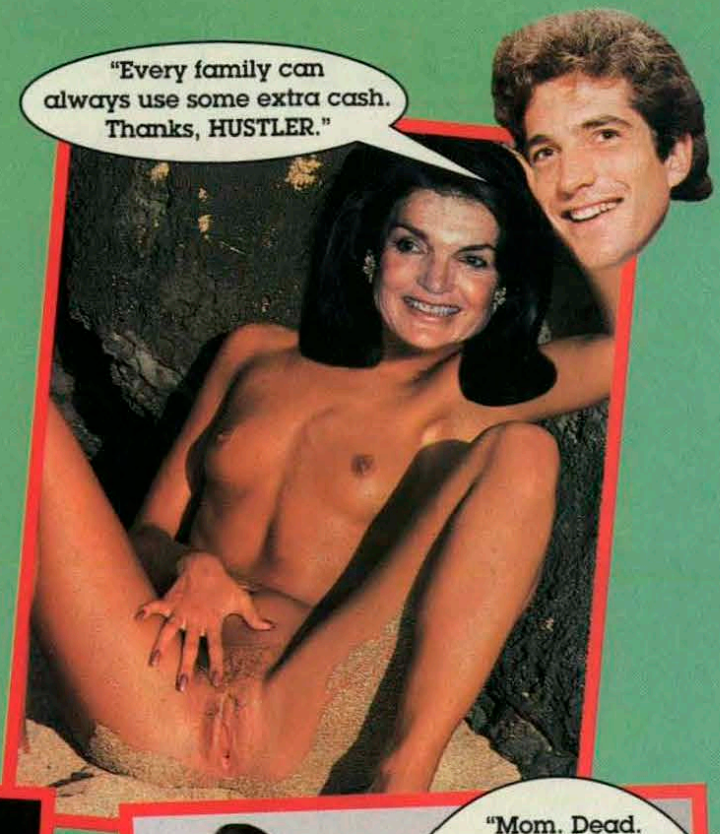

Curtis Sliwa: Founder of the publicity grubbing Guardian Angels—a red-beret-clad gang that started out as street vigilantes and devolved into beggarly shills who picketed a law-abiding S&M club on grounds that it fostered crime—Curtis Sliwa was bullshit from the start. Confessing in the *New York Post*, Sliwa admitted to faking crimes and fabricating heroics in order to garner publicity for his fledgling organization of subnormal Nazi-types. Reality and fiction are intertwined in Sliwa's world, but he is truly an Asshole.

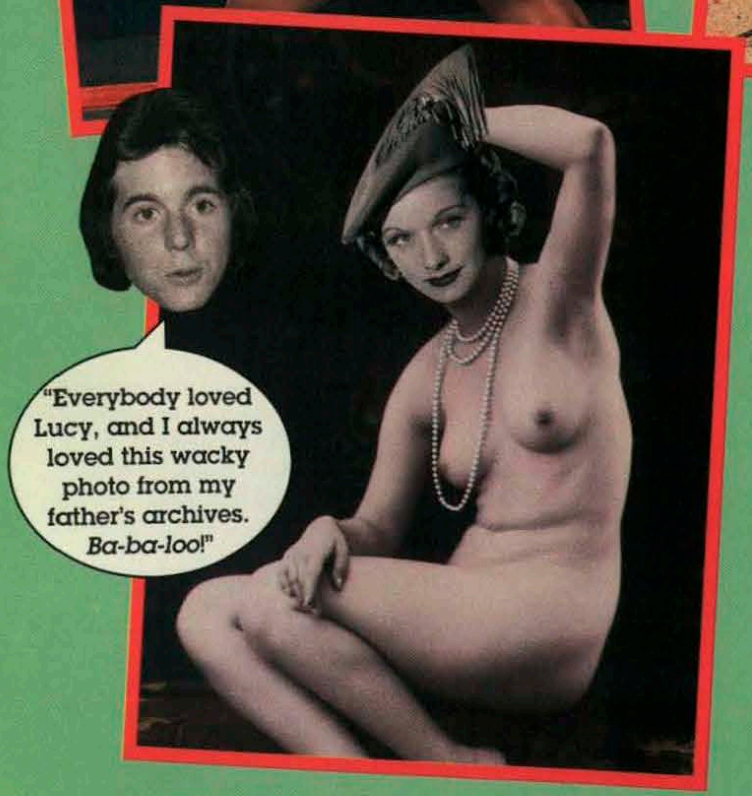

Nancy Graham: As mayor of West Palm Beach, Florida, Nancy Graham bought an advertisement in the *Palm Beach Post* to publish the names of men arrested on suspicion of soliciting a prostitute. Graham feels that these men's cars should be seized. For intending punishment on those who should be presumed innocent until proven guilty, Graham is a convicted Asshole.

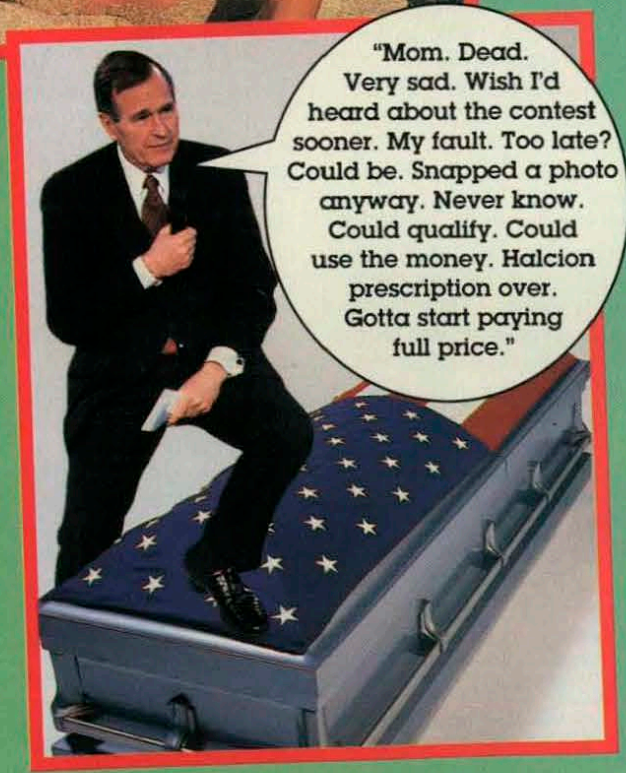

Where would we be without mothers? Their tender compassion and nourishing tits made us what we are today. Now it's time to give something back. Celebrate the joys of motherhood by sending us a nude photo of the hole that whelped you. Make Mom proud and earn big bucks when you...

Show Us Yo' Mama!

Celebrate your Oedipal complex. Send a nude photo of yo' mama along with the model release in our *Beaver Hunt* section to: *Show Us Yo' Mama*, 9171 Wilshire Boulevard, Suite 300, Beverly Hills, CA 90210. The winning dam will receive $100 and be named HUSTLER Mama of the Year. Good luck!

B) Audience reactions to Kevin Costner wooing Whitney Houston in *The Bodyguard.*
C) A HUSTLER staff meeting.
D) The Jim Rose Circus Sideshow, a throwback to the traveling freak shows of decades past, in which nutballs torture and mutilate themselves in the name of art and, of course, money.

The only answer we know for sure to be true is D.

SPONTANEOUS CUNTBUSTION

Congratulations to those readers who garnered good fortune after touching February's Luck of the Pink spot. Writes one confused man in Morehead, Kentucky: "I asked to be inside a woman. Now I can't get out!" Sorry, sir, the pink spot only works once. But try your luck in our *Beaver Hunt* section.

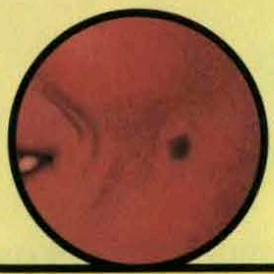

Models and pop stars think they're sacred cows, but there's nothing sacred about those disfiguring birthmarks on their faces. Are they marks of the Devil? HUSTLER put the blots of melanin that dot today's top media-whores' faces under a microscope to find the meaning of...

SPACE FOR RENT SPACE FOR RENT SPACE FOR RENT

Cindy Crawford is mad as hell; mad that women like Calvin Klein model Kate Moss and rock supersnore Madonna pose nude to sell products. "Some things cross the line," Cindy has said. "Not everything's for sale." Apparently that's why Cindy advertises Pepsi instead of Coke; pushes Revlon rather than Clinique; and hosts a show on MTV in lieu of VH-1. Forget her erotic calendars and stimulating exercise video; hell, forget the tease photos shown below from *Playboy* and *Details* magazines. Cindy's estimated $2-million annual income proves that some things may not be for sale, but they're certainly for rent.

Here's Cindy posing nude for *Playboy*, even though she opposes other women posing nude.

Every living organism shits, and, of course, shit always stinks. But some people believe every piece of shit they put out should be worshiped. That's why they never flush. They want the public to eat it. HUSTLER peeked inside the toilets of the rich and infamous to learn the truth that clings inside....

BLACK SQUACK

HUSTLER, you made me happier 'n an Amazon's peter when you showed that ebony temptress Lo' Retta (*Lo' Retta: Black Cat*, January '93)! That beautiful, brown bitch could make David Duke's dick stand on end!

Shit, I fell in love with Lo' Retta's hairy cunt and wanted to fuck it dry. And, oh, those DSLs (dick-sucking lips)! That mouth was *primed*. My fat, white dick head would've looked great on the end of her face! What I would've given to shoot my load all over those DSLs!

You guys got some fucking balls showin' hot, black honeys like that. All the other men's magazines sit around pounding their puds, ignoring what all men know is true: Every race and culture can put out good fuckin' holes. Congrats, also, on your asshole shots. Lo' Retta's puckering, shit-colored asshole made my tongue damn hungry for a taste. Brown sugar and cinnamon with just a touch of carp—a feast for a king! *Slurp!*

Lo' Retta's body puts my nuts into overdrive. Those shiny, black jugs would keep half the white-pervert population fed. The girl's a fuck monster, and I'm just the monster that pussy needs to fuck. Continue to kick ass, and give us more of that wet, black pussy. Keep HUSTLER the best strokin' rag mag in the whole fucking USA! Freedom in '93. —W. C.

A IS FOR AREOLA

I am writing on behalf of my Grade 11 Equality Issues class in high school. Our class deals with issues related to the equality of women in our society today.

I chose HUSTLER Magazine to write to because I believe HUSTLER exploits women and portrays them in a negative way. I don't believe HUSTLER should be taken off the market, but you should calm down a bit. Let the men cool down and come back to reality! Thank you for reading my letter and taking time to listen to my opinions. —K. F.

Manitoba, Canada

Since you're a high-school student, K. F., there's no legal way for you to see your letter printed in HUSTLER. However, when your 18th birthday rolls around, if you should happen to come across this issue in your adult studies, you'll see that back in April 1993 HUSTLER told you Beaver Hunt is raring to hear from you when you're legal at last!

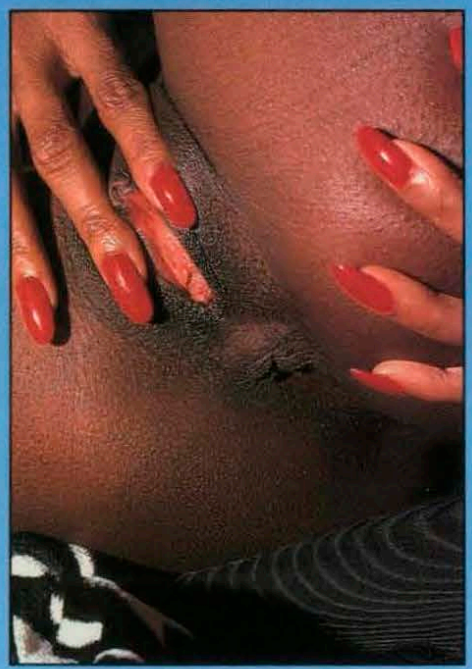

FLASH FORWARD

I'm a 21-year-old college student who's concerned about the number of women pictured nude in HUSTLER Magazine. I feel that these women are being exploited by you to make a profit; the amount of money HUSTLER makes far exceeds the amount it is paying these women to degrade themselves pictorially.

I'm concerned about the mobility of women in general. HUSTLER sets strict limits on how women should be viewed, which moves women backward instead of forward in our society. I'm a woman with high moral standards, and your magazine personally makes me feel lower because of my gender. I feel that women have been oppressed enough and should not be viewed solely as sex objects. As women, we already have too many labels attached to us.

I just wanted to ask you to think twice about how you portray women. Women are achievement oriented and, as a gender, do not achieve things by using only their bodies. There are so many other things out there that separate men from women, and HUSTLER Magazine does not help to unify us. —J. A.

Big Lake, Minnesota

Lo' Retta: Black Cat

Turn to Beaver Hunt for entry details, J. A.! You could be Beaver Hunt's 1993 Grand Prize Winner, winning $5,000 and an expenses-paid trip to a luxury capital!

EAT THE BITCH

I am writing in reference to one of the *Beaver Hunt* women in HUSTLER's 1992 Holiday Issue. If being eaten out is really the fantasy of 24-year-old Shirley from San Francisco ("Shirley," *Beaver Hunt*, Holiday Issue '92), she should give me a call. Her search for a true lover of pussy eating would stop at my door! —J. R.

NAKED SHRIMP

I'm writing with suggestions to keep HUSTLER Magazine competitive with the other men's mags that are passing it by. HUSTLER seems out of touch with private demand and public interest. I've been a longtime subscriber, but I'm considering not renewing my subscription. Why?

stroke books, but now it seems HUSTLER is more and more like *Playboy*. The reason? HUSTLER has not taken note of a major fad on and off colleges today: shaved pussy. Your occasional shaved-pussy layouts just don't cut it. You feature beautiful girls, young and fit, but not many shavers!

Please, HUSTLER, shave more pussy. Use more oil and sprayed water too. Show more outdoor scenes. More tanned and toned honeys with lean, muscular bodies. Instead of always having them lay there like dead fish, have them look and act more alive, flexing their thighs, stomach, etc. You really have a great mag as far as color, quality of print, etc., but if my friends and I at school are going to subscribe, we want shaved pussy—lean, mean pussy machines. And show some girls with lots of fuzzy body. That's the ultimate turn-on in addition to a perfectly shaved pussy and ass. —Potential Re-Subscriber

Somewhere in Florida

COULD BE A TREND....

I give HUSTLER the highest marks of any skin mag I've come across! I'm into bald pussy. Steff (*Steff and Scott: Military Position*, January '93) is the hottest babe I've ever seen. Please feature her in a centerfold spread and, in the future, please feature more bald babes. Also, are the couples featured in the couple spreads real couples? How does HUSTLER select couples for these spreads? —M. A. I.

Tampa, Florida

First of all, M. A. I., elaborate chemical testing on research animals indicates the sex-hormone response of the typical HUSTLER reader to a particular guy-girl match. After that, applicable couples are screened according to similarities of philosophies regarding the role of women in American pornography, as determined through a multitude of essay questions and exposure to Feedback letters decrying the exploitation of women. Finally, the lucky finalists are restrained in a no-sex situation for three or four weeks before HUSTLER photographers unleash them in the studio. It's as simple as that!

35'S A CHARM!

I enjoy HUSTLER Magazine immensely. The only thing I find lacking are pictures of women who shave their frontal area. This is my 35th letter, and I hope you'll either print it or show more of the pictures I'd like to see: not only young, but also older, women. Not spread-eagled—clean-shaven, frontal views with cracks clearly visible. Please print this. —M. J.

Alberta, Canada

We're not only printing your views on the occasion of your 35th—and only published—letter to Feedback, M. J., we're passing your name and address to Potential Re-Subscriber and M. A. I., who're apparently starting a bushwhacking club!

TRY WRITING GOD!

I can't believe there are forces in America that want to censor what my girlfriend and I watch in the privacy of my own home. Can you tell me where I can write to express my concerns? I've already written my State Senator. —D. H.

Tampa, Florida

Gee, D. H., have you tried contacting Santa yet? For crying out loud! Look in your telephone book. You'll find local papers, a dozen government agencies, including your Mayor's office, and corporate headquarters of convenience stores that refuse to stock HUSTLER. Write the White House, 1600 Pennsylvania Avenue, Washington, D.C., while you're at it!

HARD CORPS

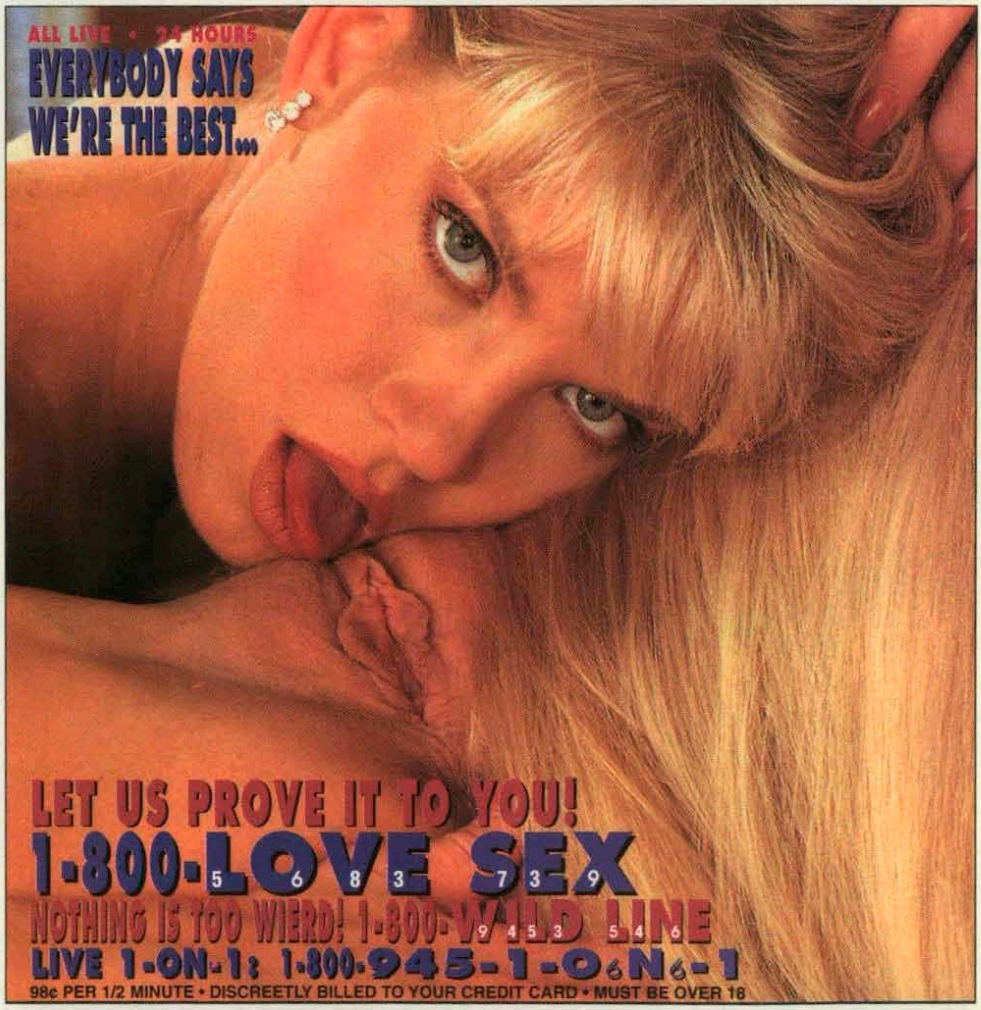

I'm a Navy corpsman, and I've been an avid fan of HUSTLER Magazine for ten years. I feel it's my duty now to write and tell of my appreciation. I feel, to make an accurate assessment of anything, ten years is about the right amount of time to adequately survey a product! Well, guys, survey says..."Strong work!" Even when I'm out here at sea, far away from beautiful American ladies, I've got a silver lining in my cloud, thanks to HUSTLER! —B. K. A.

EDITED BY SCOTT MALLORY

HIDDEN OBSESSIONS

Fully Erect. *Directed by Andrew Blake; starring Janine Lindemulder, Julia Ann, Heather Hart, Francesca Le, Randy West, Bruce Gates, P. J. Sparxx, Kym Wilde, Peter North, Sunset Thomas, Marc Wallice, Celeste, Skye Blue, Tracy West, Steve Drake, Woody Long, Paula Price, Deidre Holland, Jon Dough, Melanie Moore, Jamie Dion, Sheila Stone, Nick East, Marissa Malibu, Domonique Simone, John Lee and Lauryl Canyon. Videocassette: Ultimate Video. Shot on film.*

Hidden Obsessions can be summed up in one word: beautiful. Director Andrew Blake's new collection of erotic images is an elegant volume of sexual splendor, expensively and expansively mounted, a lavish homage to Blake's obvious obsession, hidden or not: beautiful women having beautiful sex in beautiful surroundings. These women, many of them perpetual second-stringers in one-day grinders, are the most glamorous and gorgeous that they will ever be. Even habitual wankers may have trouble recognizing them in such flattering angles. Easy on the eye, *Hidden Obsessions* is hard on the crotch, its vignettes sparkling with the raw passion Blake's earlier films lacked. Blake still doesn't offer much of a story—Janine Lindemulder as a writer hired to script sexual fantasies for a mysterious gentleman—but who cares? This classy jerkoff gets better with repeated viewings. The best scene? Two beautiful blondes melting down an ice dildo is a good place to start. *—Scott Mallory*

Lindemulder is worth obsessing over.

Porn queens as beautiful as they're going to get.

*McKay's **Therapist** prescribes cum.*

THE THERAPIST

Three-Quarters Erect. *Directed by Michael Craig; starring Sunny McKay, Ona Zee, Melanie Moore, Sharon Kane, Nick E., Jesse Eastern, Mike Horner and T. T. Boy. Videocassette: VCA.*

Sassy Sunny McKay is cute as a butt in this tale of an innocent girl's willful descent into sexual depravity. Her guide, an off-screen shrink, has his shy patient masturbate to visualized fantasies. These fuck snippets depict the exotic erotics of supporting players, but, with the exception of a rectal-rousing, Melanie Moore/T. T. Boy bung bang, none equal the raw stroke appeal of McKay's scenes. The wanton bitch's sinfully young flesh gets rammed and crammed from every angle. She sizzles in a solo dildo spot and takes Jesse Eastern's cum in her mouth, letting it sensually stream from her lips. *—Tony Cara*

*Leigh is a **Legend** of the '80s.*

TRUE LEGENDS OF CINEMA: THE EROTIC '80s

Half Erect. *Directed by Scotty Fox and Isabelle Snow; starring Ginger Lynn, Barbara Dare, Shauna Grant, Erica Boyer, Megan Leigh, Deidre Holland, Sharon Kane, Ron Jeremy, Eric Edwards, Paul Thomas, Jim Holliday and others. Videocassette: VCA.*

A decade's worth of past porn greats is packed into this offering from Jim Holliday's Adult Cinema History Series. While the tape includes 12 splooge-splashed smut scenes and showcases the tool-tonguing talents of 17 legendary slut starlets, most of the selected clips feature mediocre and heavily edited fuck performances. Among the exceptions are three gonad-grabbing classics: There's Ginger Lynn's butt-bang bonanza from *New Wave Hookers*, in which the cock-crazed cooze gets royally reamed by Steve Powers while Tom Byron bores out her pussy; Amber Lynn's twat stuff in *The Devil in Miss Jones 3*, a double-insertion scene for non-homophobes only; and a clip from *Hot Scalding* that highlights Megan Leigh at her cocksucking, spunk-swallowing finest. An erotically uneven journey down mammary lane. *—T. C.*

*Million's **Agenda** is all sleaze.*

HIDDEN AGENDA

Half Erect. *Directed by Michael Craig; starring Tiffany Million, Alex Jordan, Leanna Foxx, Lacy Rose, Mike Horner, T. T. Boy and Marc Wallice. Videocassette: X-citement.*

This would-be porn thriller has even less on its mind than *Basic Instinct*, the overblown movie it rips off. Blond brickhouse Tiffany Million captures Sharon Stone's bitchiness but, unlike the Hollywood priss, allows the camera free reign over her clean-shaven snatch. Her poolside pork with T. T. Boy proves she's all sleaze, no tease—she splays herself over a lounge chair while Boy blows dick snot up her nose. The movie's piece-of-ass-de-resistance is a lesbian grudge-fuck between Million and jealous Alex Jordan. The plot-provoked enemies meet at a restaurant, call each other cunts, then proceed with fisticuffs and a food fight before Jordan bodyslams the bitch to a table and whacks her clit like she's trying to spark a fire. The energy of that scene renders the supposed climax between Mike Horner and Leanna Foxx so lifeless, it seems culled from a different movie. *—Seth Roberts*

SEKA

When she left Porn Valley, Seka vowed to never return—unless she was offered enough money. VCA, figuring eight years without a certifiable blond goddess is long enough, anted up a rumored $30,000 plus royalties, and in October the living legend went in front of the cameras to star in Henri Pachard's *American Garter*, a period piece about the New York underwear industry in 1961. Considering Seka's no longer the sleek pleasure piece she once was (who is?), a story about foundation garments seems appropriate.

CARNIVAL OF KNOWLEDGE

Half Erect. *Directed by Paul Norman; starring P. J. Sparxx, Tom Byron, Francesca Le, Bionca, Patricia Kennedy, Samantha York, Joel Lawrence, Nick E., Shayla La Veaux, T. T. Boy and Jim Enright. Videocassette: X-citement.*

Traditional birthday gifts are clothes, money or Kotex, but this being porn, Tom Byron is presented by honey P. J. Sparxx with an invitation to visit the Carnival of Knowledge. The Carnival is a distant place where Byron and Sparxx are treated to top-notch balling, headed by a Francesca Le/Nick E. encounter on a porch. Healthy oral copulation gives way to Le riding E.'s dong, and then spreading her ass crack for anal enlightenment. The excitement of watching other people satiate their sexual desires pays off in the white-hot finale, in which Byron and Sparxx get slices of heaven in a furious fourway with Shayla LaVeaux and T. T. Boy. A couple of lackadaisical lustings keep this *Carnival* from pitching a big-top lap tent, but it will lend a hand on the meat-beating merry-go-round.

—Sam Lowry

Carnival: *Take a ride on a meat-beating merry-go-round.*

BUSTED

Half Erect. *Directed by Jim Enright; starring Deidre Holland, Peter North, Teri Diver, Joey Silvera, Sonja, Melanie Moore and Jon Dough. Videocassette: Hollywood Video.*

Somewhere in Deutschland, the eccentric Dr. Wilhelm (Joey Silvera) is in hiding. He's being hunted by a police inspector (Peter North) because he's invented a superdrug that can send a person's dormant sex drive into the stratosphere. The main drawback to the pill is that fuckers are reduced to a puddle of protein after sex—but what a way to go. Of course, North doesn't need any stimulants to start hosing, a fact proved by his milking on Teri Diver's face in the tape's one truly searing slam. *Busted* features inspired silliness in the performance by Silvera, and even though some of the sex is only average, this Teutonic tale should still make a bratwurst bulge.

—S. L.

Your bratwurst will be ***Busted***.

*Monroe's mega-melons are a perfect **DD**.*

*Stylish sex in **Living Color**.*

*Savage comes to **Rescue** Knight's asshole.*

ONE MILLION YEARS DD

Half Erect. *Directed by Jim Enright; starring Paula Price, Eric Price, Carolyn Monroe, Peter North, Alicyn Sterling, Domonique Simone and Cole Stevens. Videocassette: Coast to Coast.*

Some of the best boobs money can buy are to be found *One Million Years DD*, but suckers for big-tit action may feel shortchanged a cup size or two. There are only three strokes of boob-balling in the entire video. These stacked sweeties don't get their breasts caressed and kissed nearly enough. On the plus side, all the boy/girl trysts climax with cream catapulting onto bouncing, heaving casabas; so each and every scrumptious siren's treasure chest is glazed with dick-devotion lotion. Especially memorable are Carolyn Monroe's mega-melons hanging in Cole Stevens's face while she fucks herself on his upright shaft. Keep a fast-forward finger triggered and an editing eye peeled, and this tape will do *DD* good. *—Woody Hood*

BLACK & WHITE IN LIVING COLOR

Three-Quarters Erect. *Directed by Robert McCallum; starring Carolyn Monroe, Domonique Simone, Daphne, Jaguar, Chrissy Ann, Peter North and Cal Jammer. Videocassette: Western Visuals.*

Imagine watching one of those arty, black-and-white Madonna videos—except she's got great, huge jugs. Then imagine that she doesn't just strut around, but actually has sex. That's the premise of *Black & White in Living Color*, a wonderful, stylish stroker that's overwhelming without being overdone. Carolyn Monroe runs an upscale, ultra-modern sex theatre. Not only does she perform spectacularly—a great opening fuck with Peter North and an incredible anal later—but the other players are equally impressive. The amazing load that North coats Jaguar's mug with is a face-splashing classic. Domonique Simone and Cal Jammer finish the flick with a bar-top pump that's far too mechanical. It's the only sour note in an otherwise killer tape. The tiny flaw will disappear from the wanker's mind as he pops for a third or fourth time. *—Dewey Huevos*

ANAL RESCUE 811

One-Quarter Erect. *Directed by Rick Savage; starring Bunny Bleu, Charli Latour, Krisstarrah Knight, Brittany Saks, Athena, Rick Savage, Ron Hightower, Jay Street and Fabian Fueggo. Videocassette: Pleasure Productions.*

The abundance of boring TV docudramas are ripe for a porn spoof, something like Anal Bloopers featuring festering hemorrhoids. This flick hasn't the imagination to pull it off. When Krisstarrah Knight gets her finger caught in a pipe, the anal rescue team is summoned to—what else?—plug her asshole. The scene is slow, silent and uncomfortable, a problem that mars each of the film's five fucks. Brawny Ron Hightower imagines pleasingly pudgy Athena pumping iron in the nude and then fucks her atop a Nautilus machine. The already-slow pacing is compounded by slow-motion filming that renders the fantasy lifeless. The only bright spot is Brittany Saks, whose long, slender body and fuck-my-face pout are attributes Brigitte Bardot would kill to have back. Unfortunately, her only scene is a dildo DP with Bleu. Add director Rick Savage to the ever-growing list of porn dicks who can't film what they fuck. *—S. R.*

UNFORGETTABLE

Three-Quarters Erect. *Directed by Jim Enright; starring Alexis DeVell, Melanie Moore, Lois Ayers, Meekah, Peter North and Jonathan Morgan. Videocassette: Hollywood Video.*

This *Unforgettable* story centers around flesh photog Jonathan Morgan's voyeuristic obsession with model Alexis DeVell, even if she does open the action with one of the most tedious self-hump scenes in recent memory. DeVell redeems herself during encounters with Peter North, whom she fucks, sucks and strokes to a ten-gallon cum-shot, and Lois Ayers, with whom she lustfully laps lap. Melanie Moore and Meekah scorch the screen during a torrid threeway with Morgan, who later pops off yet again as Ayers's stud-covered tongue mauls his man meat. Awash in twat-tight closeups and world-class blowjobs, this video will keep more than cerebral synapses firing. *—T. C.*

*Moore's grip on Morgan is **Unforgettable**.*

GREGORY DARK *is* THE CREASE MASTER

"If they don't want to be there fucking constantly, I don't want to shoot them."

Gregory Dark, the more demented sibling of the infamous Dark Brothers porn team, is back. *The Crease Master*, Gregory's current pussy-obsessed stroll through smut depravity, takes a walk on the wild side of Lacy Rose. "She just can't wait to fuck," Dark says appreciatively. "She gets on a set, she starts playing with her pussy." Dark's favorite scene is a dildo fuck between Rose and Tiffany Million. "Lacy gets pissed off if you can't get her to come."

In *The Crease Master's Wife*, which continues the tale of an average fellow who goes insane trying to look up women's dresses, Tiffany Million is Dark's centerpiece. "Tiffany becomes more and more of a slut throughout the movie. She brings home three guys and fucks them. She can't get enough dick. She stuffs a couple of dicks in her mouth at once. She really wanted to be fucked by those guys." Dark likes that. "If they don't want to be there fucking constantly, I don't want to shoot them," he says. "The girls in these movies abandon themselves to sex." After greasing creases, Dark wraps *New Wave Hookers 3*, and HUSTLER is there, horning in on Dark's twisted sexuality for a future behind-the-scenes grope.

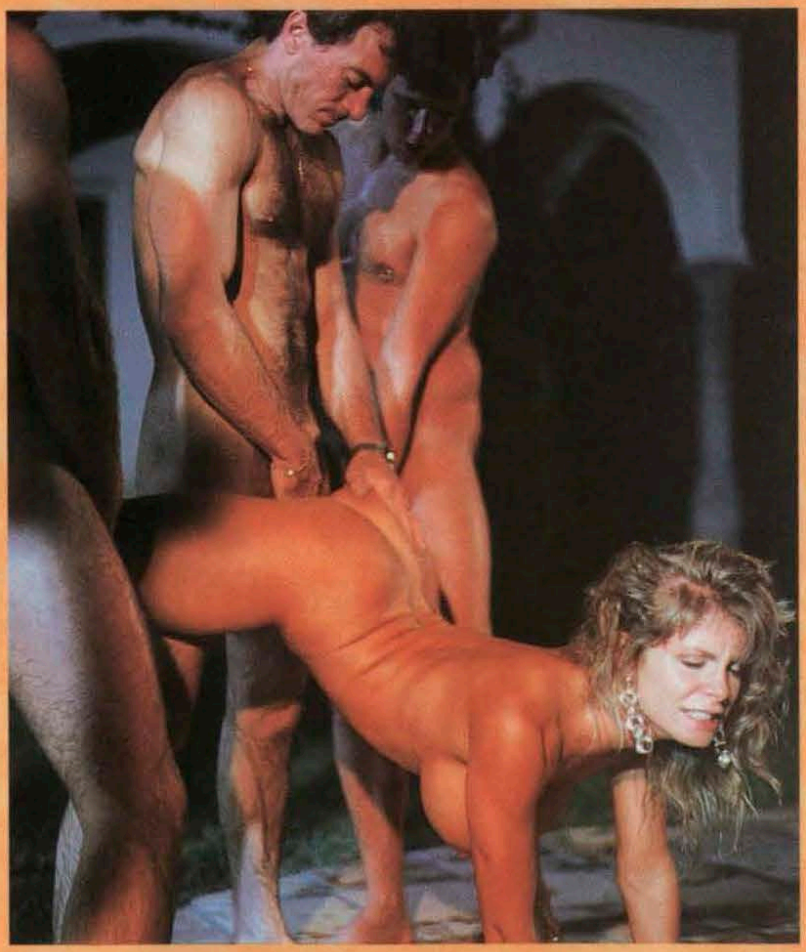

THE STEPSISTER

One-Quarter Erect. *Directed by Paul Thomas; starring Savannah, Racquel Darrian, P. J. Sparxx, Randy Spears, Melanie Moore, Britt Morgan, Derrick Lane, Max Steed and Randy West. Videocassette: Vivid.*

The Stepsister finishes up what *Sinderella* started, which means it suffers from the same hobbled humping that fucked the first film. Clocking in at just over an hour long, it cheats on time as well. At the dress ball, Savannah meets handsome prince Randy Spears, who finishes their so-so slam with facial cream for Savannah's smile. Bitchy stepsisters Racquel Darrian and P. J. Sparxx get their share of schlong, but neither sibling shines in their sexing. A possibly pulsating threeway goes to waste as Spears burrows into Sparxx's slot, while Darrian just wanks off in the background. A lavish production, but a truly grim fairy tale for gropers. —*S. L.*

*The **Stepsister** just wanks in the background.*

THE D.J.

Half Erect. *Directed by Piperoni; starring Mona Lisa, Alex Jordan, Chanel, Tiffany Mynx, Jake Williams, Tony Tedeschi and Justin Case. Videocassette: VCA.*

Aural sex is the order of the day at radio station WSEX, where shock-jock sluts Alex Jordan and Chanel seek to boost sagging ratings with raunchy, on-air hump play. The bulk of the action is poorly lit, standard fuck 'n' suck. Yet, from so much porn pabulum, Chanel emerges as a diamond in the muff. Her lesbo labia lickfest with tasty Tiffany Mynx is as raw and as real as it gets. Clits are hard, and pussy lips glisten even before tongues touch pudenda, while at the climax of their muff-munch marathon, neither babe fakes it. Chanel gets even raunchier with Justin Case, chowing down on the stud's beef jerky and ordering a jizz facial for dessert. In fact, without Chanel this tape would have been pure KRAP. —*T. C.*

Without Chanel (right) munching Mynx, ***D.J.*** *would KRAP.*

Feedback

(continued from page 15)

there's an article that talks about homosexuals in the Navy (*The Few, The Proud, The Discharged: The U.S. Military's Sex-Ban Backfire*, November '93). I'm a Marine, proud to serve my country. There's no need to put the Marine Corps motto at the top of an article for Navy fags: *Semper fidelis* [always faithful]. —E. H.

Okinawa, Japan

NAVY BRASS

As an avid fan of HUSTLER Magazine, I felt it was my duty to inform you of a gross error on your part! On page four of the Holiday Issue 1992, there is a rather funny cartoon depicting what appear to be enlisted sailors in Las Vegas during the infamous Tailhook episode ("Not Just a Job: A Sexual Adventure," *Bits & Pieces*, Holiday Issue '92).

What pisses me off is the fact that you're implying enlisted personnel were responsible for this ugly episode in U. S. Navy history! Nothing could be further from the truth; the Tailhook scandal was perpetrated by Naval *officers*, not enlisted men. You know—the guys with at least a four-year degree, appointed by the President! If you're going to create a cartoon about Tailhook, how about using characters that depict the actual players involved? It's like blaming HUSTLER for a bad article in *Penthouse*! Besides, if it had been enlisted men, we wouldn't have been caught. We cover our tracks! —M. A. B.

U.S.S. *Abraham Lincoln* at sea

CLIVE KLAW

With regards to the cover of HUSTLER's January 1993 issue, my first thought was that Betty Page lives (*Madison: In the Moods*, January '93)! No way could I believe that Clive McLean was the photographer! I'm sorry, but I thought only Irving Klaw could have taken such great pictures of Betty, er, I mean, Madison. Keep up the good work! —J. S. C.

Oxnard, California

REDNECK ROUNDUP

Urgent warning to all black guys! I don't think those X caps are such a good idea. At night, the cops aren't going to have to wait for you to smile—they can just aim at the X!

Also, I was readin' in the Holiday Issue where that Al Goldstein fella joked about "shooting Larry Flynt, for the first time" ("Asshole of the Month," *Bits & Pieces*, Holiday Issue '92). I was thinkin' about offerin' to shoot that Goldstein fer ya, for the first time, 'ceptin' I don't reckin no Jewboy's worth the powder it'd take to blow him straight to hell! But I tell ya, if I were to shoot that feller, I'd be sure an' use a Varmint Load! —S. S.

Mountain View, California

Why is it that every time I open a HUSTLER Magazine, I see a nice-looking, white porn star with a disgusting piece of black garbage? If a white, female, porn star has to degrade herself that much for money, she needs to be hanged. As for the white, female porn stars that will not touch a black man, the white race has 100% admiration for them. HUSTLER, do the white race a favor and get rid of the fucking black garbage that is degrading all those sexy, white girls. —T. R.

Starke, Florida

TIPS FOR DICKS

It's much too late, but I believe in the New Year tradition of ringing out the old and ringing in the new; so in that spirit I've listed a few humble suggestions to renew and invigorate HUSTLER Magazine in 1993:

1.) No nude photos of Ron Jeremy. 2.) More women of color in your pictorials. After all, your readers don't just dig the vanilla squack, but gash of all flavors. Lo' Retta was hot (*Lo' Retta: Black Cat*, January '93)! She's the first black woman I can recall seeing in HUSTLER in years! 3.) No clothed photos of Ron Jeremy. 4.) The disqualification of porn starlets from the HUSTLER Honey of the Year award. The surgically enhanced ladies of porn have an unfair advantage over the competition in both fan base and silicone augmentation. Let's keep the playing field level and restrict the competition to amateur models only. 5.) No mention of the name Ron Jeremy in print. Unless, of course, it is contained in his obituary. 6.) More male/female pictorials. I realize it's the Year of the Woman, but you could trim back on some of the lesbo spreads to accommodate more hetero stuff. My apologies to Andrea Dworkin on this one. 7.) A larger and more comprehensive column dedicated to the review of adult films. HUSTLER's review staff is the best; so give them the extra pages they deserve. 9.) More sex ads! —R. F.

Modesto, California

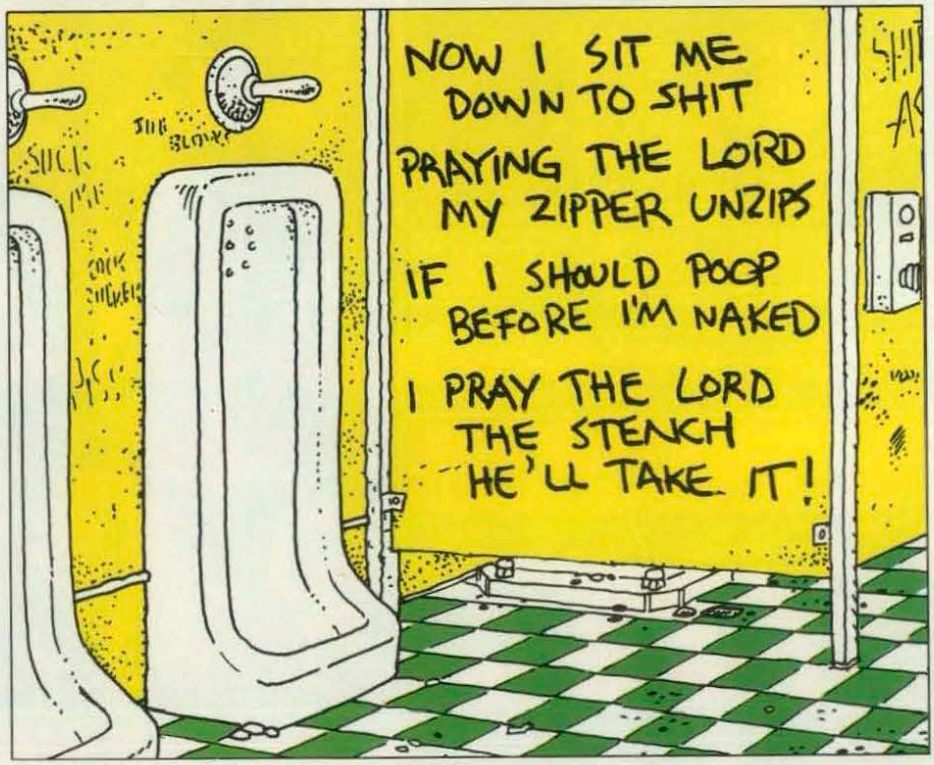

BEAUTIFUL PENIS!

I just received the issue of HUSTLER and really enjoyed the pictorial *Military Position* (*Steff and Scott: Military Position*, January '93). I can't wait till my husband comes home tonight. The sexy photographs (especially those of Scott's beautiful penis) have me counting the minutes. HUSTLER is not just for men only! —D. M.

HOT LETTERS

A RIVER RUNS THROUGH HER

I've always been a treasure seeker, but my hobby really kicked in this Christmas when my pop gave my a Goldbug metal detector. I've spent so much time searching for treasure that I haven't had time to think about chicks. Not that I fuck sheep or anything; it's just that right now I like digging for gold. Anyway, last week I was a mile back of our barn with my dog Granger, looking for lost treasures, when I heard my Goldbug go off with a real strong pulse. *Whaa-Whaa-Whaa!* I thought I'd found the goddamn Titanic. I looked down and saw a big medallion. I bit the prize and figured it was at least part gold. I slipped the sumbitch in my shirt pocket. I was real happy.

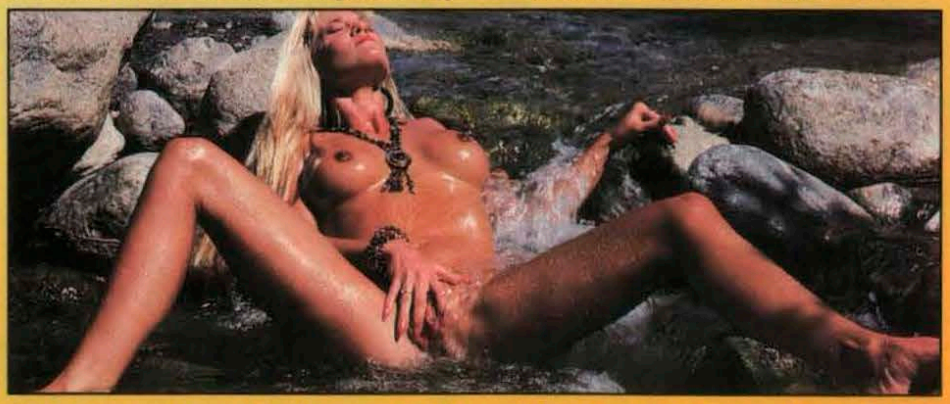

I walked down to Stump Creek to wash the dirt from the medal. When I got there, a girl was digging through the sand like a dog looking for a buried bone. She was some pretty woman with long, blond hair. She was maybe 19 years old, wearing a Black Crowes T-shirt and ripped bluejeans. I hid in the grass and checked her out. She had taken off her high-heeled, black boots and was standing barefoot in the water. When she bent over, I couldn't believe my lucky eyes—she wasn't wearing any underwear! The further she bent, the more of her tanned ass spilled from the pants. I even caught a glimpse of her juicy, pink, turkey-wattle twat. I had never seen a live pussy before, and I stared hard. Then she stood up; she was crying.

My dog Granger barked; the chick looked my way. "Who's there?" she called out, her voice cracking a bit.

"My name is Conner," I told her, standing up out of my crouch. "I've never seen you here before."

She was visiting her uncle, Old Man Parker, who my friends and me called Old Man Fucker because he was such an asshole. Her name was Clara. She was beautiful, with tanned skin and light freckles on her cheeks. I tried to keep my eyes off her pussy as she spoke, but it wasn't easy. She kicked the water with her bare foot and splashed some froth onto her shirt. Her nipples perked at the cool sensation. I wanted to get in touch with nature for the first time in my life.

She said she'd lost her necklace and was mad because it was her aunt's. I felt sorry for Clara and helped her look for it with my Goldbug. She was so happy, she kissed my cheek. A weird shiver ran through me as she scratched her crotch inside the torn jeans. My dick felt weird, like I had to pee, but it was getting hard at the same time.

I searched along the creek for a few minutes and found nothing but an old tin can. Then it dawned on me. The medallion I had found before might be hers. I didn't say anything at first; after all, it was my biggest find ever. We sat on an old log and listened to the creek. She told me about life in the city and said something about a boy. "Have you ever done it?" I asked.

"Lots of times," she said.

"I bet you haven't," I challenged.

"I sure have," she said, smiling a little wider.

"Show me," I asked.

"Show you what?" she returned.

"Show me your titties, if you're so experienced." My heart was racing faster than a moth to a bug lamp. She started to pull up her T-shirt and was a half-inch from the bottom of her tits when she suddenly stopped.

"Wait a second," she said, dropping the shirt back down. "If I show you mine, I'm gonna want to see your wiener." I pushed aside my tracking device and unbuttoned my jeans. Man, was I nervous. She grabbed the bottom of her shirt and started pulling it over her head until her boobs popped out in the air. They were smooth and a little larger than hand-size, with small, red nipples. They were a lot like the ones I've seen in HUSTLER, only these moved out and in when she breathed. I reached out for a feel, but she backed away.

"Uh-uh," she giggled, still holding the shirt above her tits. "It's your turn." I was shit-house nervous, but followed through on the dare and pulled my pants down to my knees. I was happy there were no shit stains on my drawers. She reached out and rubbed my donger. I felt weird having it touched while my hands were free. She stroked it gently. "You want to see more?" she asked.

"You bet," I told her. She giggled and pulled down her pants. Her naked ass stared right at me. Goose pimples were forming on her cheeks.

"Touch it," she said. I walked toward her with my pants still at my ankles and felt the cool skin that stretched over her butt. When she turned around, I saw her furry, brown bush. She grabbed my hand and placed it over her pussy lips. I didn't know what to do, but she guided my fingers along the slimy trench. I pulled them out and took a whiff. My friends

HOT LETTERS

The first shot of spuz would've splattered her eye, the second would've splashed against her auburn lips, and my dick's last gasps would've trickled down the sexy cleft in her chin.

were wrong; it didn't smell like tuna at all.

She sat back on the log and spread her thighs wide. I waddled over and tried to get my dick on the same level as her meaty prize. She pulled me in. I watched like it was a movie. My fireman's cap disappeared inside; then the rest of my gold vein was swallowed by those beefy flaps.

I started pumping like a spaz with crazy, jerking motions. The inside of her cunt felt grainy and dry like sand. A musty smell pricked my nose. Then I felt that down-home, burning sensation. I tossed my head back like my dad told me guys do when they're about to splooey, but right at that instant the medallion flew from my shirt pocket and fell to the ground. My Goldbug started yipping and hollering. *Whaa-Whaa-Whaa!*

I pushed Clara backward over the log and into the stream. But before I could dive for the medal, my dick started spurting out its thick goo. Clara was already soaked; so I moved a step closer and shot the splooge onto her meaty, slick thighs that jutted out of the rushing creek. My cum slithered down her slippery legs and settled in her dark pussy mound.

While Clara tried to get out of the water, I motioned to Granger to fetch the medallion. But my damn dog was more interested in licking the log where the chick had been sitting. Clara rolled onto her belly. Her ass was dripping wet, with deposits of silt lodged in her crack.

While I shook out the last drops of cooty, she reached out and retrieved her lost medal. She thanked me and my Goldbug for helping. Then she dressed and split. I lost the trinket, but I guess it was worth it. —C. G.

TRICKLE-DOWN THEORY

Don't believe the bullshit about saving for a rainy day. I'm 73 years old, rich as a goddamn king and without any friends. I worked so hard making my fortune that I never enjoyed the abundance of virgin pussy life has to offer. Now I have the cash, but the young sluts in their tit-hugging dresses, who pretend to want me, only want a stiff, 1,000-dollar greenback to snort an ounce of coke through. Fuck them all!

Frank also liked money, but he was lucky enough to be poor and not possessed by it. He was a security guard whose route included my mansion in Bel-Air. I'm no fucking homo or anything, but I looked forward to Frank's daily arrival. He'd stop, and we'd talk. He was young, maybe 24, and married. He studied business at UCLA during the day and worked security at night. His dream was to be a millionaire. He reminded me of me when I was young; I quickly grew to hate him.

One afternoon he showed me a picture of his young wife, Chelsea. Her wavy, brunet hair framed her youthful face. Yet I was sure that the heart of a slut beat beneath the innocent veneer; it always does.

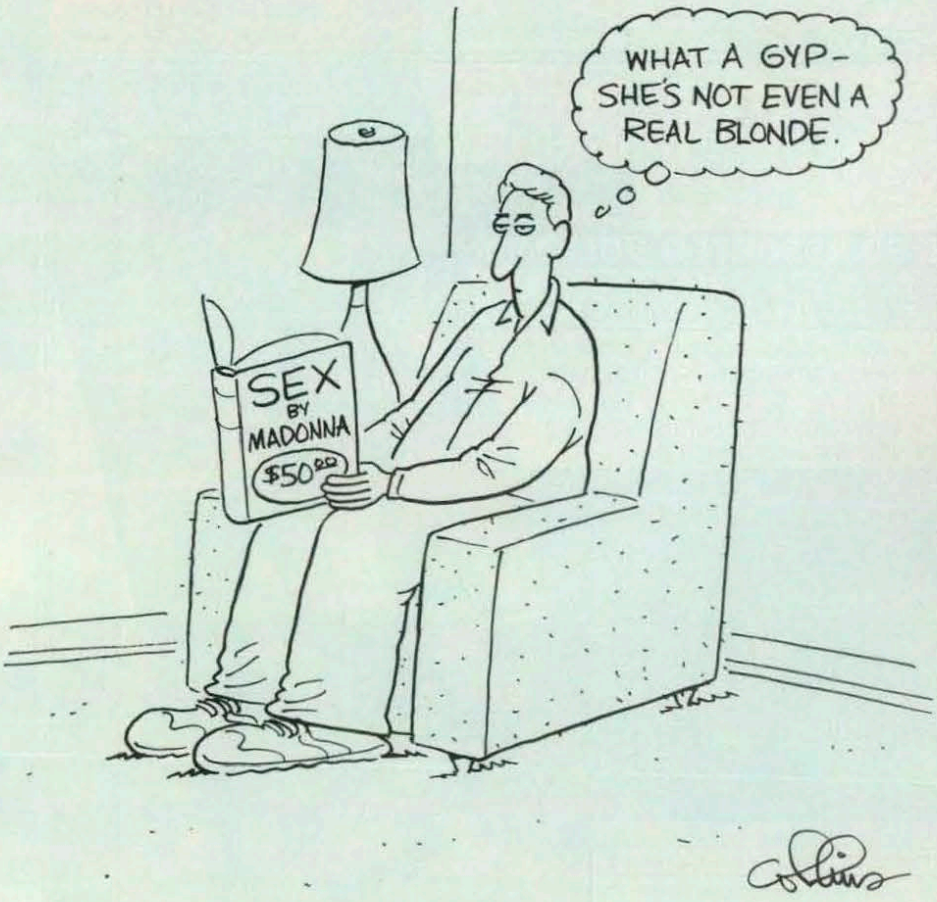

Around Valentine's Day last year, Frank wanted to surprise his young bride. Unfortunately, he didn't have the money for anything lavish. I told him I'd be vacationing that week in Luxembourg and invited him to create an unforgettable evening in my mansion. I even arranged a full-course meal courtesy of Grady, my resident chef. The rest would be left to Frank's heated imagination. I despised the thought of his satisfaction.

On the evening of February 14, I packed some suitcases and left my residence. I drove ten blocks, where a cab was waiting to drive me back to the mansion. Grady had already begun the Beef Bourguignon when I entered my abode from the rear and snuck up to the master's quarters. Once there, I locked myself inside the customized closet and waited for the floorshow to commence. The sliding door was locked from the inside, and the glass was a special one-way mirror that allowed a surreptitious panorama of my room.

Time passed quickly. When I heard Grady's car start, I knew the couple was finally alone. When they entered the bedroom, Frank and his bride were glowing from the lavishness of the room. The couple kissed. Then Frank lit the fire to the right of my canopied bed. Chelsea slid her arched feet out of shiny, black heels. She was tall and slender; her legs were without blemish, seemingly made of porcelain. Frank leaned on the outside of the closet to my left as Chelsea unwittingly continued the show for both of us. She pulled off her polyester blouse and smiled like a child with a secret. Her breasts were petite with big, pink nipples that practically covered the entire tit. A slight overbite was evident as she ran her tongue across a puffy set of lips that glistened in the firelight.

She walked toward the closet. Frank

Find 'Em, Fuck 'Em, Pass 'Em Along

Bucky Beaver's Guide to the Female Race

For some men, finding pussy is tough. HUSTLER's mascot Bucky developed these special 3-D glasses for just such myopics. Cut out and wear these specs. See? Pussy is everywhere.

Caution: Do not wear while driving or reading HUSTLER.

How to Begin...

The Goal

Bucky is the king of his castle, surrounding himself with a bevy of babes who fulfill his every need.

Care to join him?

First, Find 'Em

Forget bars or museums, where single women guard against male come-ons better than they protect themselves against yeast infection. Sometimes the most mundane places are prime for snaking puss. Bucky recommends laundromats, supermarkets and even an apartment's garbage area. Only single women take out the trash, and they usually perspire while they do it.

Make a Good Impression

It's essential to snag her eye and make a connection. A sharp outfit helps, a cool car never hurts, and a thick wad of cash always earns big points.

PHOTOGRAPHY BY LADI VON JANSKY. BUCKY ILLUSTRATIONS BY THE PIZZ.

Next...

Fuck 'Em!

Women are unique creatures, and every one has special needs. Understanding those sexual wants helps Bucky gauge the proper bedside demeanor.

Some women want to dominate.

Some want to be submissive.

And some want their specialty wishes fulfilled.

Bucky never argues, even if it means ...

...fucking a bim up the ass while she eats a bowl of chili with beans!

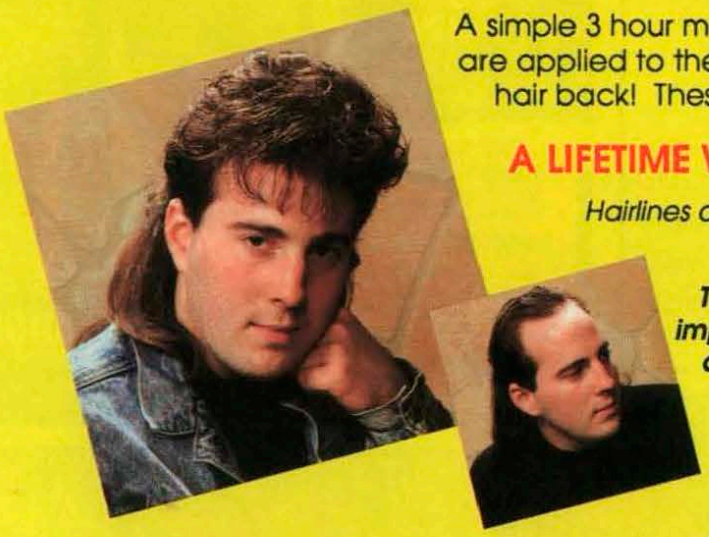

Now, Pass 'Em Along

Bucky never burns his bridges. Instead, he invites over geek friends who can't get laid on their own. That way, she's out of Bucky's hair for a while, but certain to remain unfulfilled. She'll be back for his dick right when he's ready for her again.

Good luck, and happy hunting!

LETTERS

(continued from page 29)

swung his arms around her and kissed her mouth, parting her lips with his tongue. A tiny gob of saliva dribbled out of her mouth, past her puffy bottom lip, and clung to her chin until he whisked away the spittle with his tongue. She swallowed as his hands slid across her tits and made them jiggle to life. As he pushed his pelvis into her crotch, her round ass cheeks pressed into the closet's glass. I dropped to my knees for a closer inspection.

Frank reached around and buried his hands into those pillows of flesh, kindly spreading apart the cheeks to bring me eye to eye with her little, pink ass bud. It seemed so alive, opening and closing in rhythm to Frank's hip thrusts. Her asshole was clean and free of the tiny hairs that some women have.

She stepped back and dropped to her knees. With her emerald eyes locked into his, she tickled his prick's tip with her tongue. Cupping his balls with one hand, she steadied the shaft with the other. She opened her mouth wide and stuck that cock down her throat like a pro. A thick sheen of saliva soon collected around this rabid dog's mouth, and she begged for a shot of spuz penicillin. He grabbed the back of her head and pushed further down her throat, then off completely.

She dropped to the dog position and shoved her oval ass his way. Her face was inches from the closet door and, as Frank mounted her from behind, the first push of passion made her head slam against the mirror.

Her tits dangled below and brushed against my Oriental rug as she arched to accept more of him inside her tiny twat. I figured he was the only cock she'd ever had, and she knew just how to use it. I dropped to my knees so that her face was at my crotch level. I was spanking less than a foot from her straining mug.

Fuck Frank! I could no longer hold out. Her eyes were open, staring blankly into the mirror. A burning pain shot through my prick until the cool semen moved into the head. If the mirror hadn't been there, the first shot of spuz would've splattered her eye, the second would've splashed against her auburn lips, and my dick's last gasps would've trickled down the sexy cleft in her chin and splattered my expensive Oriental rug.

What a fuck! But the best was yet to come. Frank pulled out of his bride and led her to my bed. I moved to the deepest part of the closet and dialed on a cellular phone I'd left there. As Frank mounted her, inhaling a mouthful of tit, I gave police dispatchers an anonymous tip about a break-in. Being wealthy does have some advantages.

Within minutes police had arrived and quietly entered my bedroom with guns drawn. The hapless lovers scuttled like frightened deer caught in the headlights. Frank's boner, sopping wet from waves of pussy dew, didn't subside until his security supervisor arrived. Fuck, was that guy pissed!

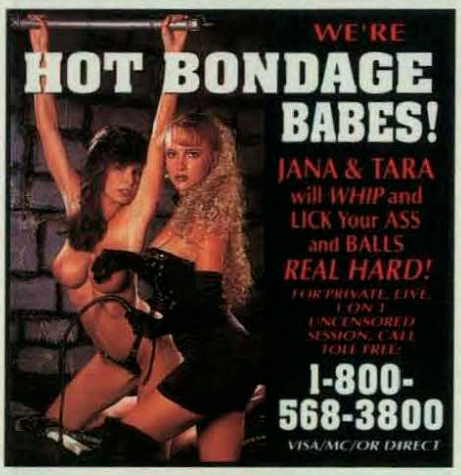

Frank slid into his jeans, while the police—God love them—handcuffed his bride before she had a chance to cover up. While Frank tried to save face, one of the cops ran a finger along his wife's ass crack. The cops grabbed their clothes and led them naked out of my room. Finally, the doors downstairs closed. I dropped my pants and slid my naked ass over the slippery wet spot she'd left on the satin sheets.

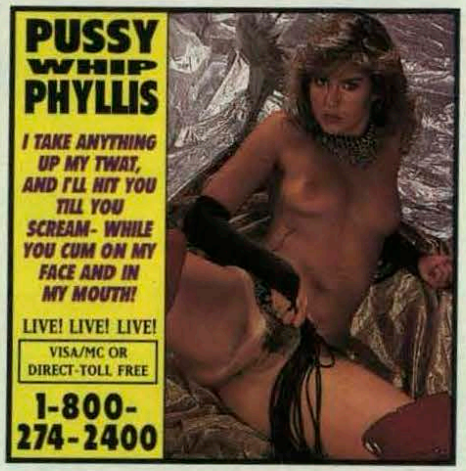

Frank was soon fired, and I heard he dropped out of business school a few months later and left the country. Good riddance. Who needs another fucking millionaire?

Restrictive attitudes in the name of so-called morality increasingly take the fun out of fucking. Through good, old-fashioned homespun knowledge, hearsay, scientific facts and outright lies, this series strives to spread the word that rubbing uglies is a beautiful experience.

FISH ON A FINGER SNIFFING QUIFF THAT'S COME AND GONE

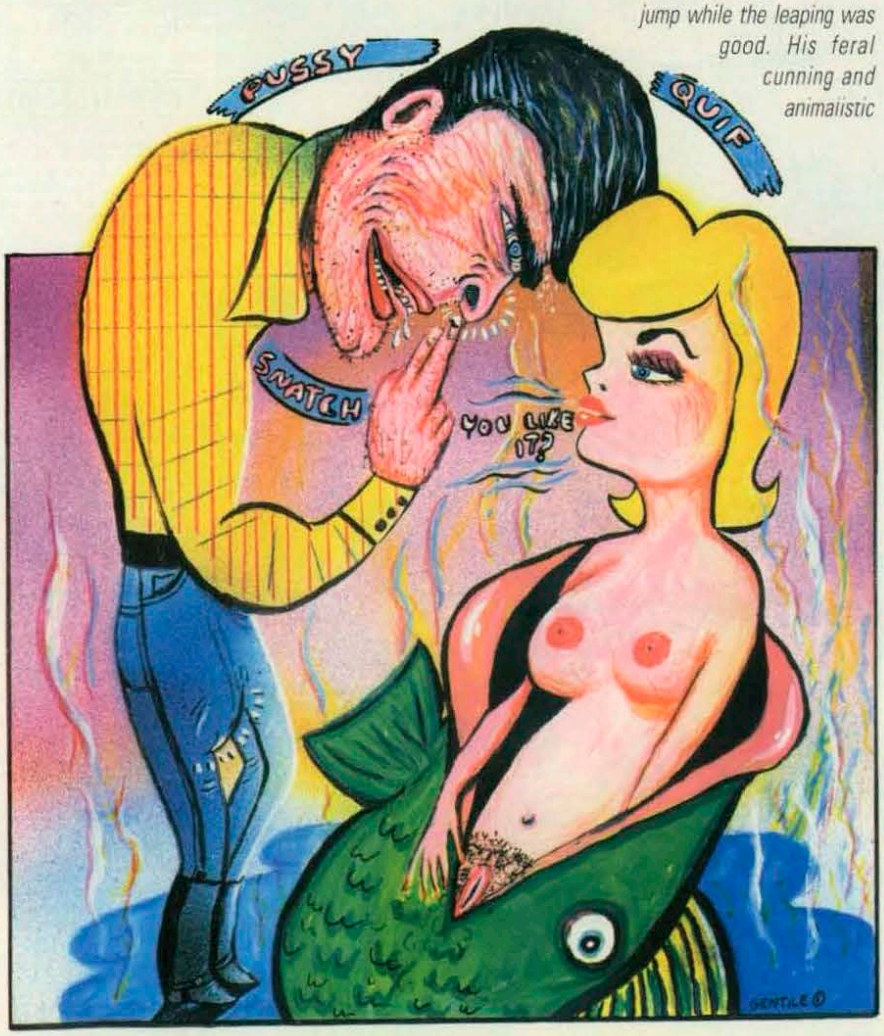

by Alex Marvel

ILLUSTRATION BY MICHAEL GENTILE

Randy Trench is in the fourth hour of a marathon traffic-school session. He has the sniffles, and he couldn't be happier. Trench rests the two trigger fingers of his right hand upon his upper lip. His knuckles dig into his hoovering nostrils. As Trench inhales deeply, his eyeballs roll up into his head and feast upon fresh, fleshly visions projected on the inside of his skull. In the front of the classroom, a state-accredited instructor drones on about obscure infractions of the uniform vehicle code, but Randy has whiffed into a separate reality, accompanied by a stripped-down version of the blond, squirm-ass speed-zone violator in a halter top three seats up. Trench and the squish-bottom girl inhabit an imagined place that is so vivid he can almost taste it. He knows precisely what odors her opening cunt would release to his heightened olfactory sense, precisely because he can still smell the pungent nectar of her fuck fig on his unwashed digits.

Randy had been fortunate enough to swab his fingers in the flaxen-haired chick's sex scent during lunch break at the DMV detention center. Trench's almost uncanny perception, coupled with the instincts of a natural predator, had alerted him to the blonde's interest and guided him to jump while the leaping was good. His feral cunning and animalistic appetites had led the openly willing girl to the back of his Bronco, where they'd both barked like a pair of copulating hounds. But a higher foresight separates Randy from the lower beasts, an anticipatory ability to perceive and provide for the future, which accounts for the heady diversion and escape Trench enjoys for the otherwise-unendurable remainder of the afternoon's enforced attendance. He sniffs; he soars.

* * *

Mr. Trench is indulging a pastime that has afforded countless hours of deeply soothing, sexually charged meditation to nasally sensitive males throughout history, beginning with that first, remote, cave-dwelling cannibal whose erection was renewed on a full stomach when a whiff of pussy juice on his finger revealed to him that he should have kept his most recent meal alive in order that she might perform further services. Indeed, the notion that the weaker gender has survived solely due to vestigial vaginal odors upon the superior sex's cunt-drenched digits may be slightly far-fetched. However, many a relationship between a man, himself and his own individual version of personal dignity has been saved due to regularly scheduled, vigorously contested games of stink finger.

"Sometimes I feel totally cut off from the rest of the human race," confesses Red Furrow. Furrow's job—destroying dogs at a city-run animal shelter—leaves him feeling a less-than-contributive member of society. "It's that old existentialist dilemma popping up again," summates Red. "I mean, ours is probably the best of all possible worlds, but it's a bad situation. I find that I'm much more able to make the most of my raw deal if I can put my hand to my face and snuffle an atmosphere rich in woman juice. The smell of some babe on my hands, even a bitch I didn't really like, reminds me that I do have contact with other people and, although our exchanges may not necessarily be meaningful in the larger, philosophical sense of the word, the interplay does at least whip up a lather." For the sake of maintaining his fundamental equilibrium, Furrow tries to dip his pointers into a pussy well at least three times per week. "Although, to tell you the truth," he falters, "with the way world events are going right now, I could use two or three twat soaks a day. The scent on my hands really seems to calm the dogs too—helps move them along."

Men, like dogs, have been known to follow their curious, opened nostrils to demise and death. According to olfactory anthropologist Lance Moat and his three volumes of *Odors and Endorphins: The Sense of Smell as Gateway to the Soul*, "The Nazis, arch criminals who perverted every aesthetic to accomplish their nefarious ends, disguised their killing factories with clouds of perfumed gas. Entire columns of otherwise able-bodied men marched to the slaughterhouse as though hypnotized by a diabolical nosegay." Perhaps if just one of these men had snorted a patch of snatch, the whole lineup would have snapped awake and felled the Third Reich from inside, undermining Hitler by sharing the vivifying effects of one woman's private fragrance.

Spike Gully, though never toppling any genocidal despots by passing a fish finger around for the delectation of his fellows, has experienced a solidifying of the bonds of brotherhood by inviting his lodge mates in the Loyal Order of Doddering Buffoons and Odoring Baboons to take a whiff and play guess who. Spike finds that some pleasures are intensified when freely enjoyed with others. " 'This is what Ima Gash smells like,' I might say. Then everybody gets to experience a little bit of what Ima's like," explains Gully, who fancies himself a sort of Everyman's humanitarian. "I couldn't do that with the juice Ima left on my dick, because most guys won't put their face down into another fella's cunt stick just to smell who he's been jamming it into. With finger treats, even dolts who'd never have any chance of getting close to a real pussy get to know on an intimate, sensorial level what a particular woman's cunt is like. The really heartwarming thing," bubbles Spike Gully, brimming over with altruistic glee, "is when I'm able to give a male friend a fleeting reminder of some lady he's known in the past. 'Hey, Harry, remember this? It's your ex-wife's cunt!' "

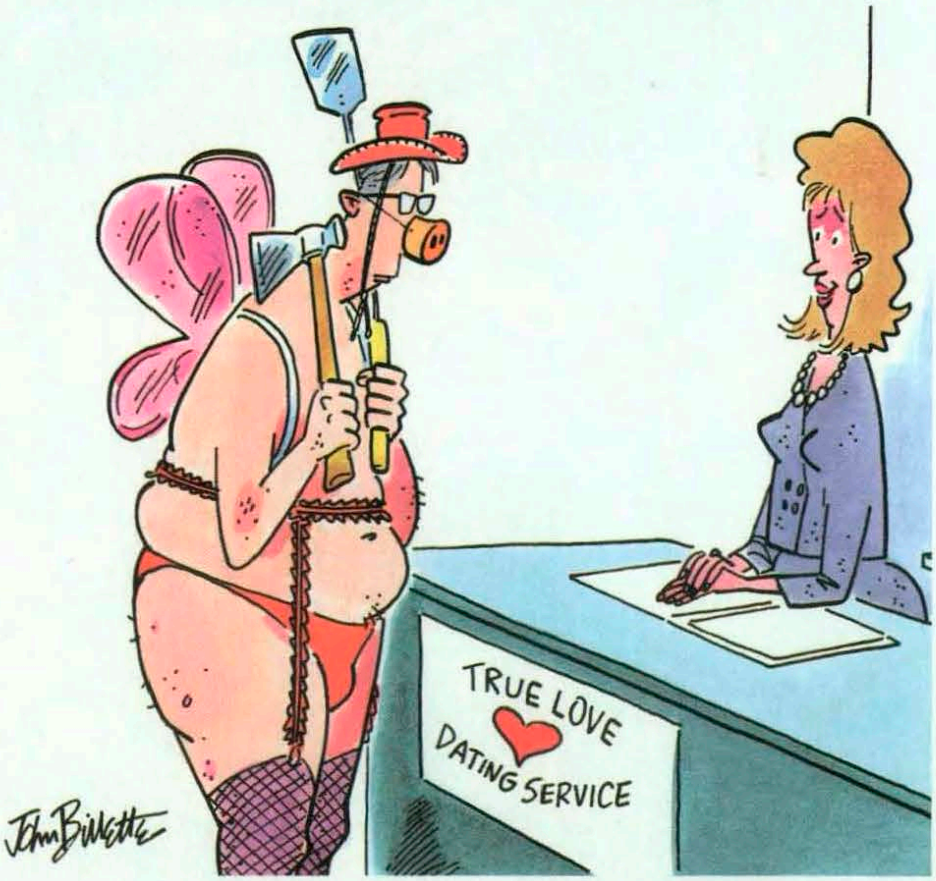

As Spike scampers off, Harry Canal blushes slightly behind his hangdog expression and surreptitiously touches his slightly twitching upper lip. "Spike don't mean much harm," apologizes Harry, "but I got some woman spoor of my own under these fingernails; so his kidding don't bother me none. Since Juicy, my wife, left me, women for the long run, let's say like overnight, simply ain't worth the bother. I find 'em, I feed 'em, I'll feel 'em up and even fuck 'em, but then it's, 'Good night, sister, let me call you a cab.' I don't have time for that fuss. I can't hardly wait for her to get scarce so I can climb under the covers. With a warm dog next to me, I just curl my tuna fingers on the pillow, and it's just every bit as good a companionship as a man could ask for. Plus, I don't worry about the dog using my toothbrush in the morning."

Women, by their very seductive nature, exude the promise of comfort to a man. Unfortunately, many ladies seem to have been born to renege on this pledge of cozy cheer. The solace implied in their safe harbors often turns out to be illusory at best, like the hypnotic tones of sirens luring unwary males into coves of danger. There is, however, no need to crash upon the obstacles that most women eventually construct just below the surface of the access lanes to their ports. Long after a particular lady has become more vexation than balm, her vital smells will ease a man's most urgent anxieties.

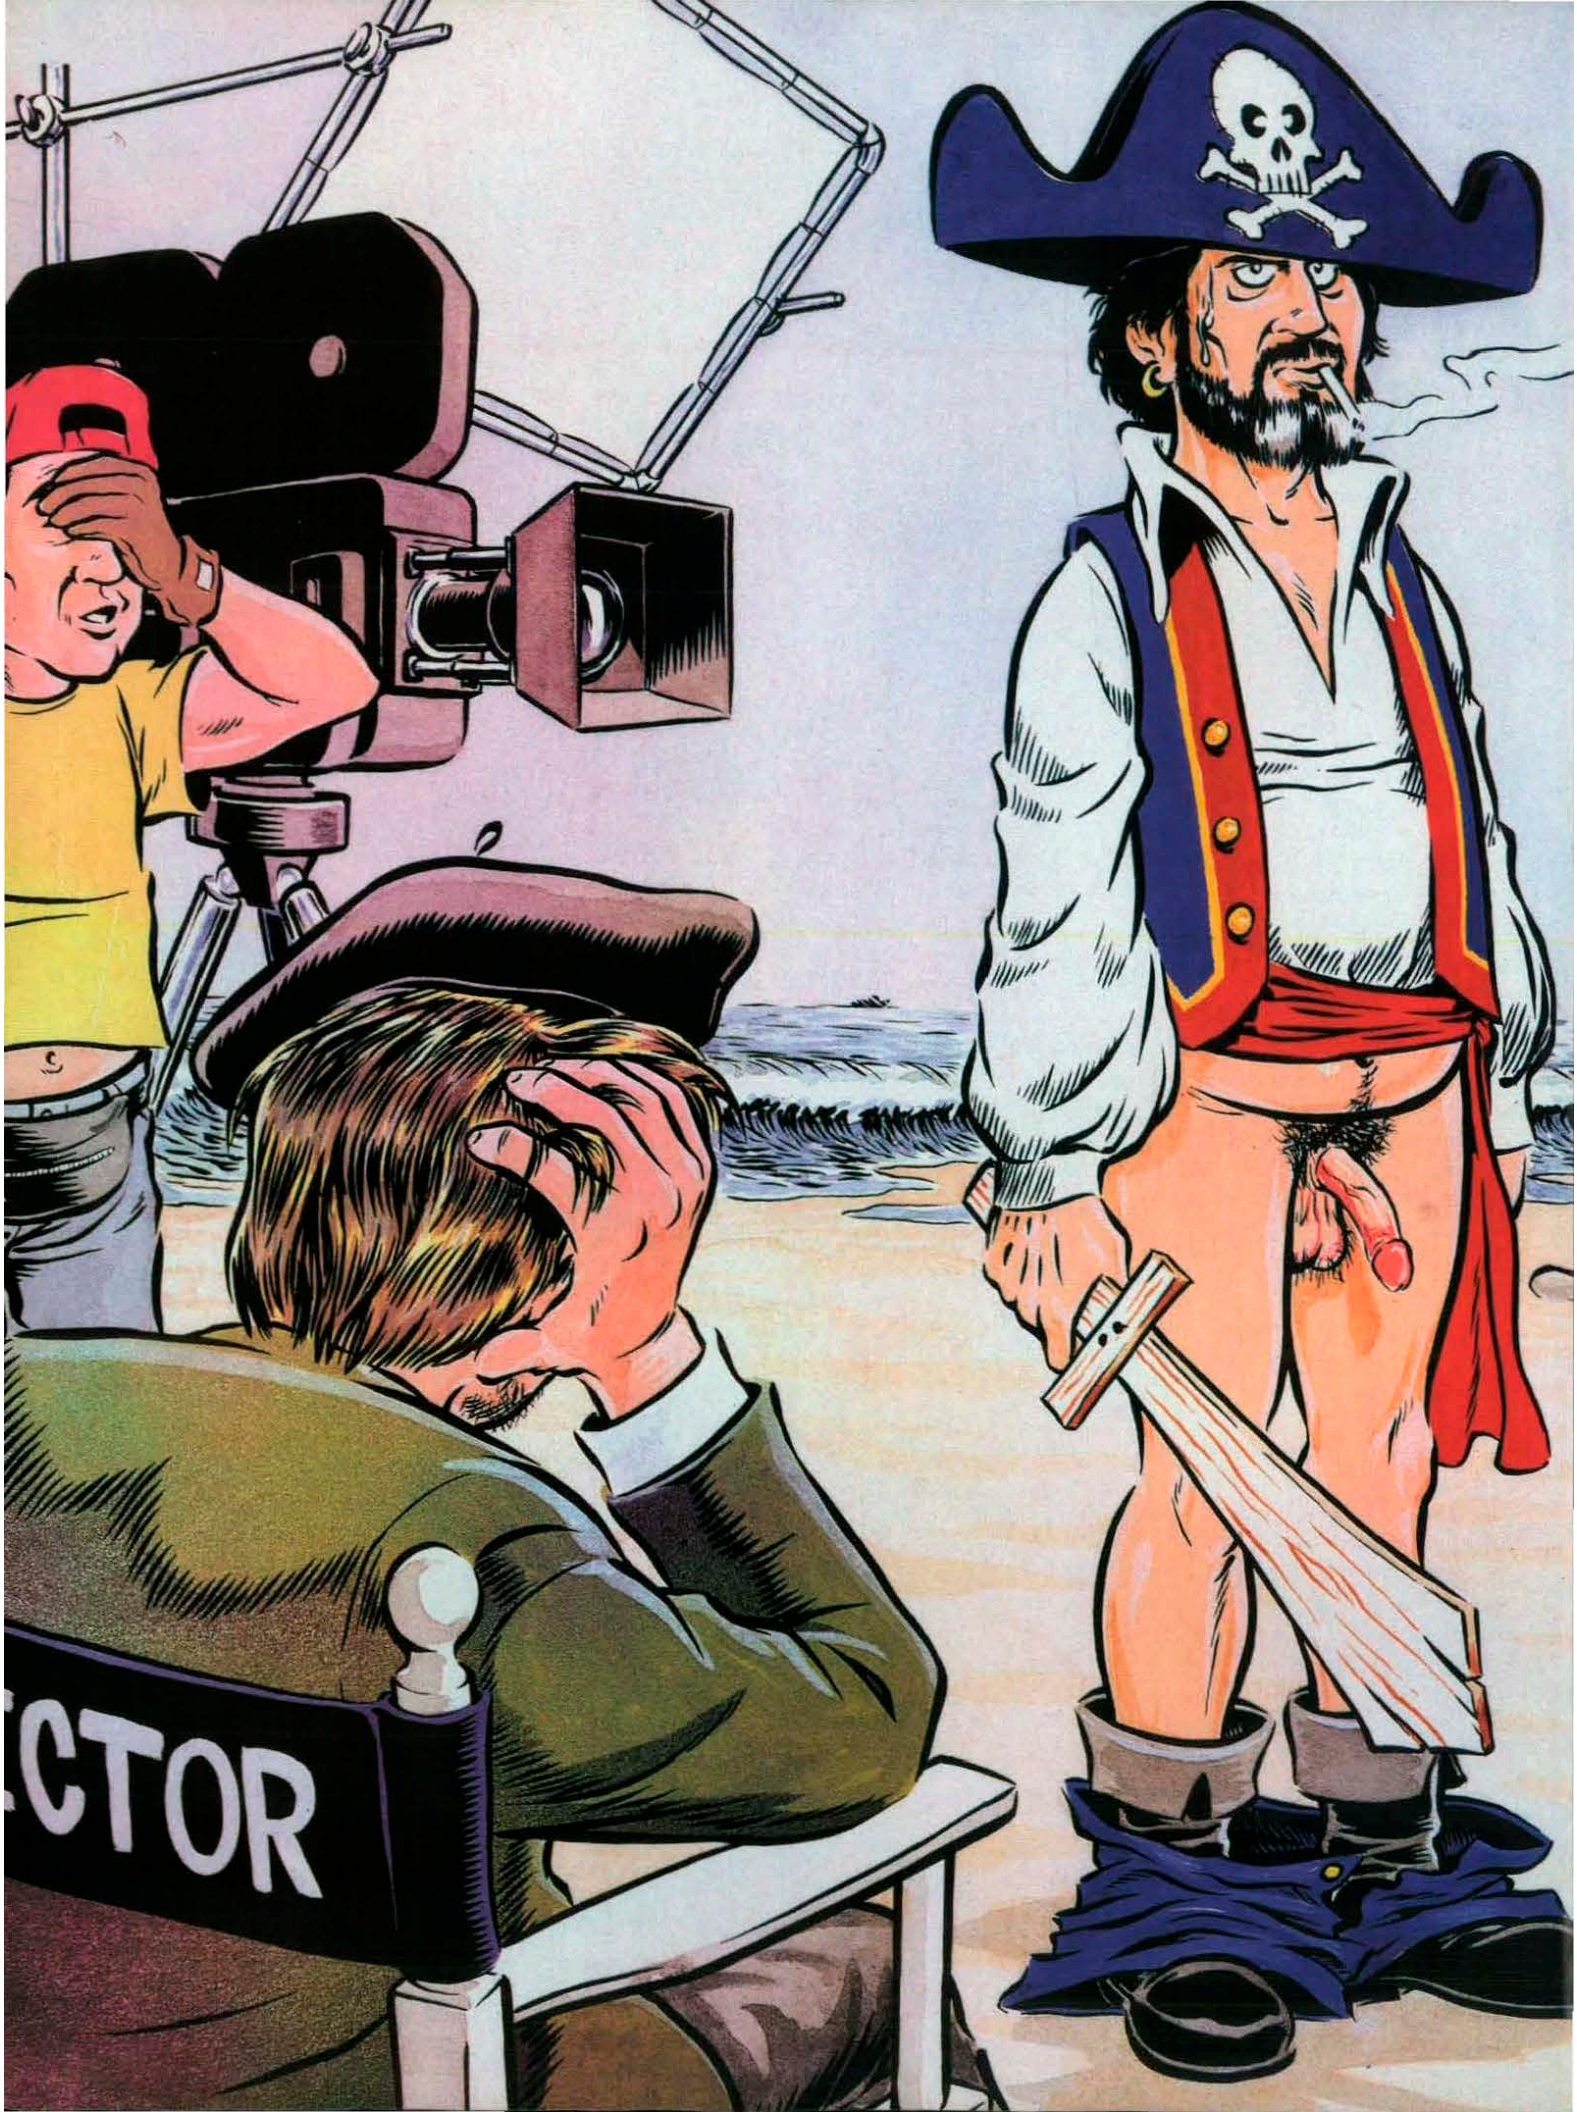

"A good girl," elucidates Pierce Rut, who thinks of himself as a sort of motivational specialist, "is only going to be a good girl for so long. A nice chick won't necessarily become a bitch, but she will always, sooner or later, complicate the process of fucking. The trick is to keep her in her optimal-behavior mode for longer than she would normally stay. The way to do this is: Don't let her get the idea her pussy's any more valuable than the hamburgers or movie you have to put up to get it. Try and stretch out the time between fucks so she won't sense you're too eager. The eager beaver gets trapped. How to remain aloof and still shoot as much wad as you find necessary? Don't wash your hands and make sure they get totally drenched from her hole. It's phenomenal. Amazing. The unadulterated scent of a honey gash is just as soothing and arousing as though the twat were there herself. But there are bonus points: An odor never asks you to have a conversation and take it out in public or change the oil in its car."

Some men take a purely utilitarian view of sleight-of-hand snatch scent. John Thomas Gulch, for instance, is a long-haul trucker who frequently makes unaccompanied runs across the highways of America. "I get pretty tired sometimes," offers John Thomas, who has sworn off caffeine due to lingering liver damage from a bout of non-A non-B hepatitis. "It's lonely out there on the road with only a radio and other truckers on the CB to keep me company. That kind of chatter just makes me want to doze off, which could easily be a fatal reaction in my line of work." Recurrent and persistent fatigue threatened to end Gulch's truck-driving career, until he happened upon a solution that not only keeps him alert, but also provides a host of pleasant side effects. "One night I pulled into a truck stop just to sniff the coffee," relates John Thomas. "I can't afford to actually drink any, not with my liver like it is. I must have got a real hankering look on my face. Next thing I knew, this pretty gal who was waitressing comes up and starts making undertures, like as if I look like the kind of man who's hungry for something he knows he'll like. She suggested a slice of pie, and I went for the juicy berry filling. Filled her right up, out behind the dishwashing machine in the back of the kitchen. Got in my truck, couldn't hardly believe it had really happened. I took a big snort of my fingers, just to see if I'd been dreaming back there at the truck stop, and *wham!* That pussy scent hit me like a snootful of crank. It was real, and I was real awake." Nowadays, John Thomas Gulch makes a habit of stopping to lube his finger at least every 250 miles. Then he gets back on the road, ready to double down on his shifter. "I meet a lot of nice women this way too," he says. "Although I know that's not what's important."

Moss Pit, a recreational carnalist who hates overripe surprises, considers a quick digital check of a woman's pudenda pungency as a sort of early warning system. "I learned the hard way not to just dive down on a slit's muff and start munching. I had a sudden and overwhelming reaction one night from doing just that. It was pretty hard convincing the girl that I hadn't meant anything disrespectful by throwing up between her thighs. I was barely able to talk her into letting me go ahead and fuck her. Now I avoid these embarrassing situations by doing a quick wipe of the crease and sniffing. If I have even a hint of a gag reflex, I go without dining at that fuck. Still, I don't let the stinky stuff go to waste. The really rank cunt soup? Nothing works as good for luring the cat out from under the bed."

"Sorry, Mr. Loomis. We've had no responses to your ad yet."

Beach-Blanket Bungholes

The Making of a HUSTLER Movie

On-the-Set Report by Seth Roberts

Lights, camera, blowjob! For the skin stars in the cream factory, fucking can be a real grind.

BEACH

The camera tightens on the oral fireworks as Gillis prepares to wax poetic across Gere's cheeks. Suddenly, without warning, a bullhorn bellows from above, "Stop what you're doing!"

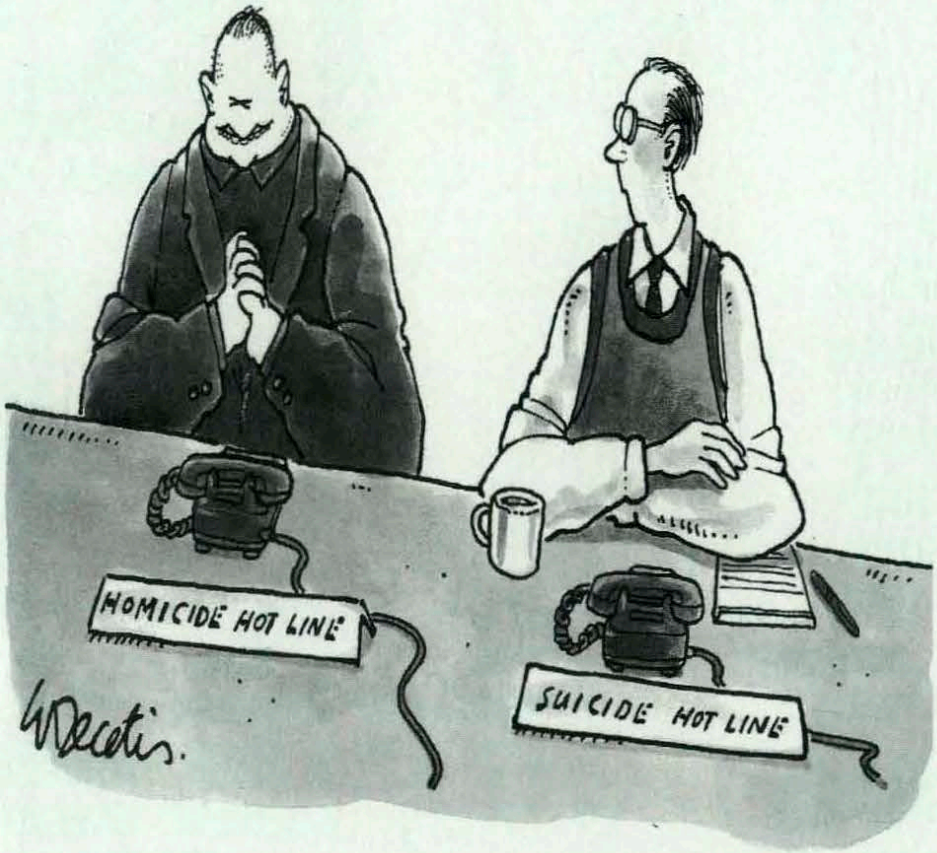

Venerable venery visionary Jamie Gillis is starting to sweat. He's been standing on the beach in Malibu, California, for the past half hour, wearing a polyester pirate costume and waiting for legendary lip-mistress Ashlyn Gere to wrap her tonsils 'round his reason for being. While Gillis puffs a cigar and mollycoddles his dick through his blue pantaloons, Gere pats perspiration from her starring-role pussy with a fluffy, pink hand towel before smearing a fistful of baby oil across her tawny tits and thighs. A scorching eternity passes before the camera finally rolls. Gillis, the title character of *Captain Butts Beach*, the latest HUSTLER fuck-film fiesta, intones like Captain Blood: "Now, my pretty, I will teach you how to shiver me timber!" Whereupon Gere shoves his bared cock down her throat.

HUSTLER's *Captain Butts Beach* marks the first time Gillis and Gere have pressed flesh. "Spread your pussy wider," an ecstatic Gillis demands, as the scene kicks into Gere. "Wider!" he pleads. Sounds of a monster sac-slurping slap the steep beachside cliffs. Another Malibu wave crashes home. Gillis sheds Gere's skimpy underwear to burrow two fingers inside her twin treasures. Gere, meanwhile, never loses a beat of the finger-drumming she's got jilling on her meaty clit. The camera tightens on the oral fireworks as Gillis prepares to wax poetic across Gere's eager cheeks. Suddenly, without warning, a bullhorn bellows from above: *"Stop what you're doing!"*

The actors look to the cameraman, who turns to the director, who looks skyward and spots the vulture-like outline of a California Marshall atop the jagged cliff. The heat descends with surprising news: Filming live sex acts on a public beach is against the law. Filming grinds to a halt, leaving the day's first scene drier than the summer sand.

* * *

The beach-cop incident marks the first of many setbacks to befall *Captain Butts Beach*, the hard-warming story of a 17th-century buccaneer whose sexual frustration in the netherworld forces him out of the grave and into the pink. Ghostly Butts (Gillis) and his crew (T. T. Boy, Marc Wallice and Peter North) make Gere, Melanie Moore, Mona Lisa and Lacy Rose walk their woody planks in a wads-blowing series of spew scenes—including anal and double penetration—that guarantee this nutty nook-venture clear sailing to the top of every jack's wish list.

Director Duck Dumont calls *Captain Butts Beach*, shot on 16-millimeter film at lavish So Cal locales, "a larger-than-life muff-and-buff movie with a timeless, epic feel." With a budget cracking $75,000 and an estimated shooting schedule of a paltry three days, in mainstream Hollywood terms, the making of *Captain Butts Beach* equals the price Spielberg pays for a box of cigars and the time he'd take to light a single one.

Although the magazine has little to do with hands-on movie production, the HUSTLER seal of approval attracts the banging-est names in jizzdom. "It's always great to work on a HUSTLER film, because HUSTLER stands for quality porn," approves Randy Spears, one of the film's hunky stars. "It's the biggie in the biz!"

A newcomer to the world of lights, camera, friction, knockout brunette Lacy Rose is eager to unleash the dick-sucking exuberance she hopes will make her a star. "I'm really enjoying the work, and I hope I have a long career," she grins between takes. "I'm going to get a boob job because I'm way too small for my height." She unbuttons her costume and reveals her God-given flat chest, nonchalantly awakening a long-growing nipple with a wipe of her tongue-moistened finger. "See? I'm an A-cup now with a lot of nipple, but I think a small C would be in better proportion to my body." She tucks the tit away and sighs dreamily through a cloud of cigarette smoke.

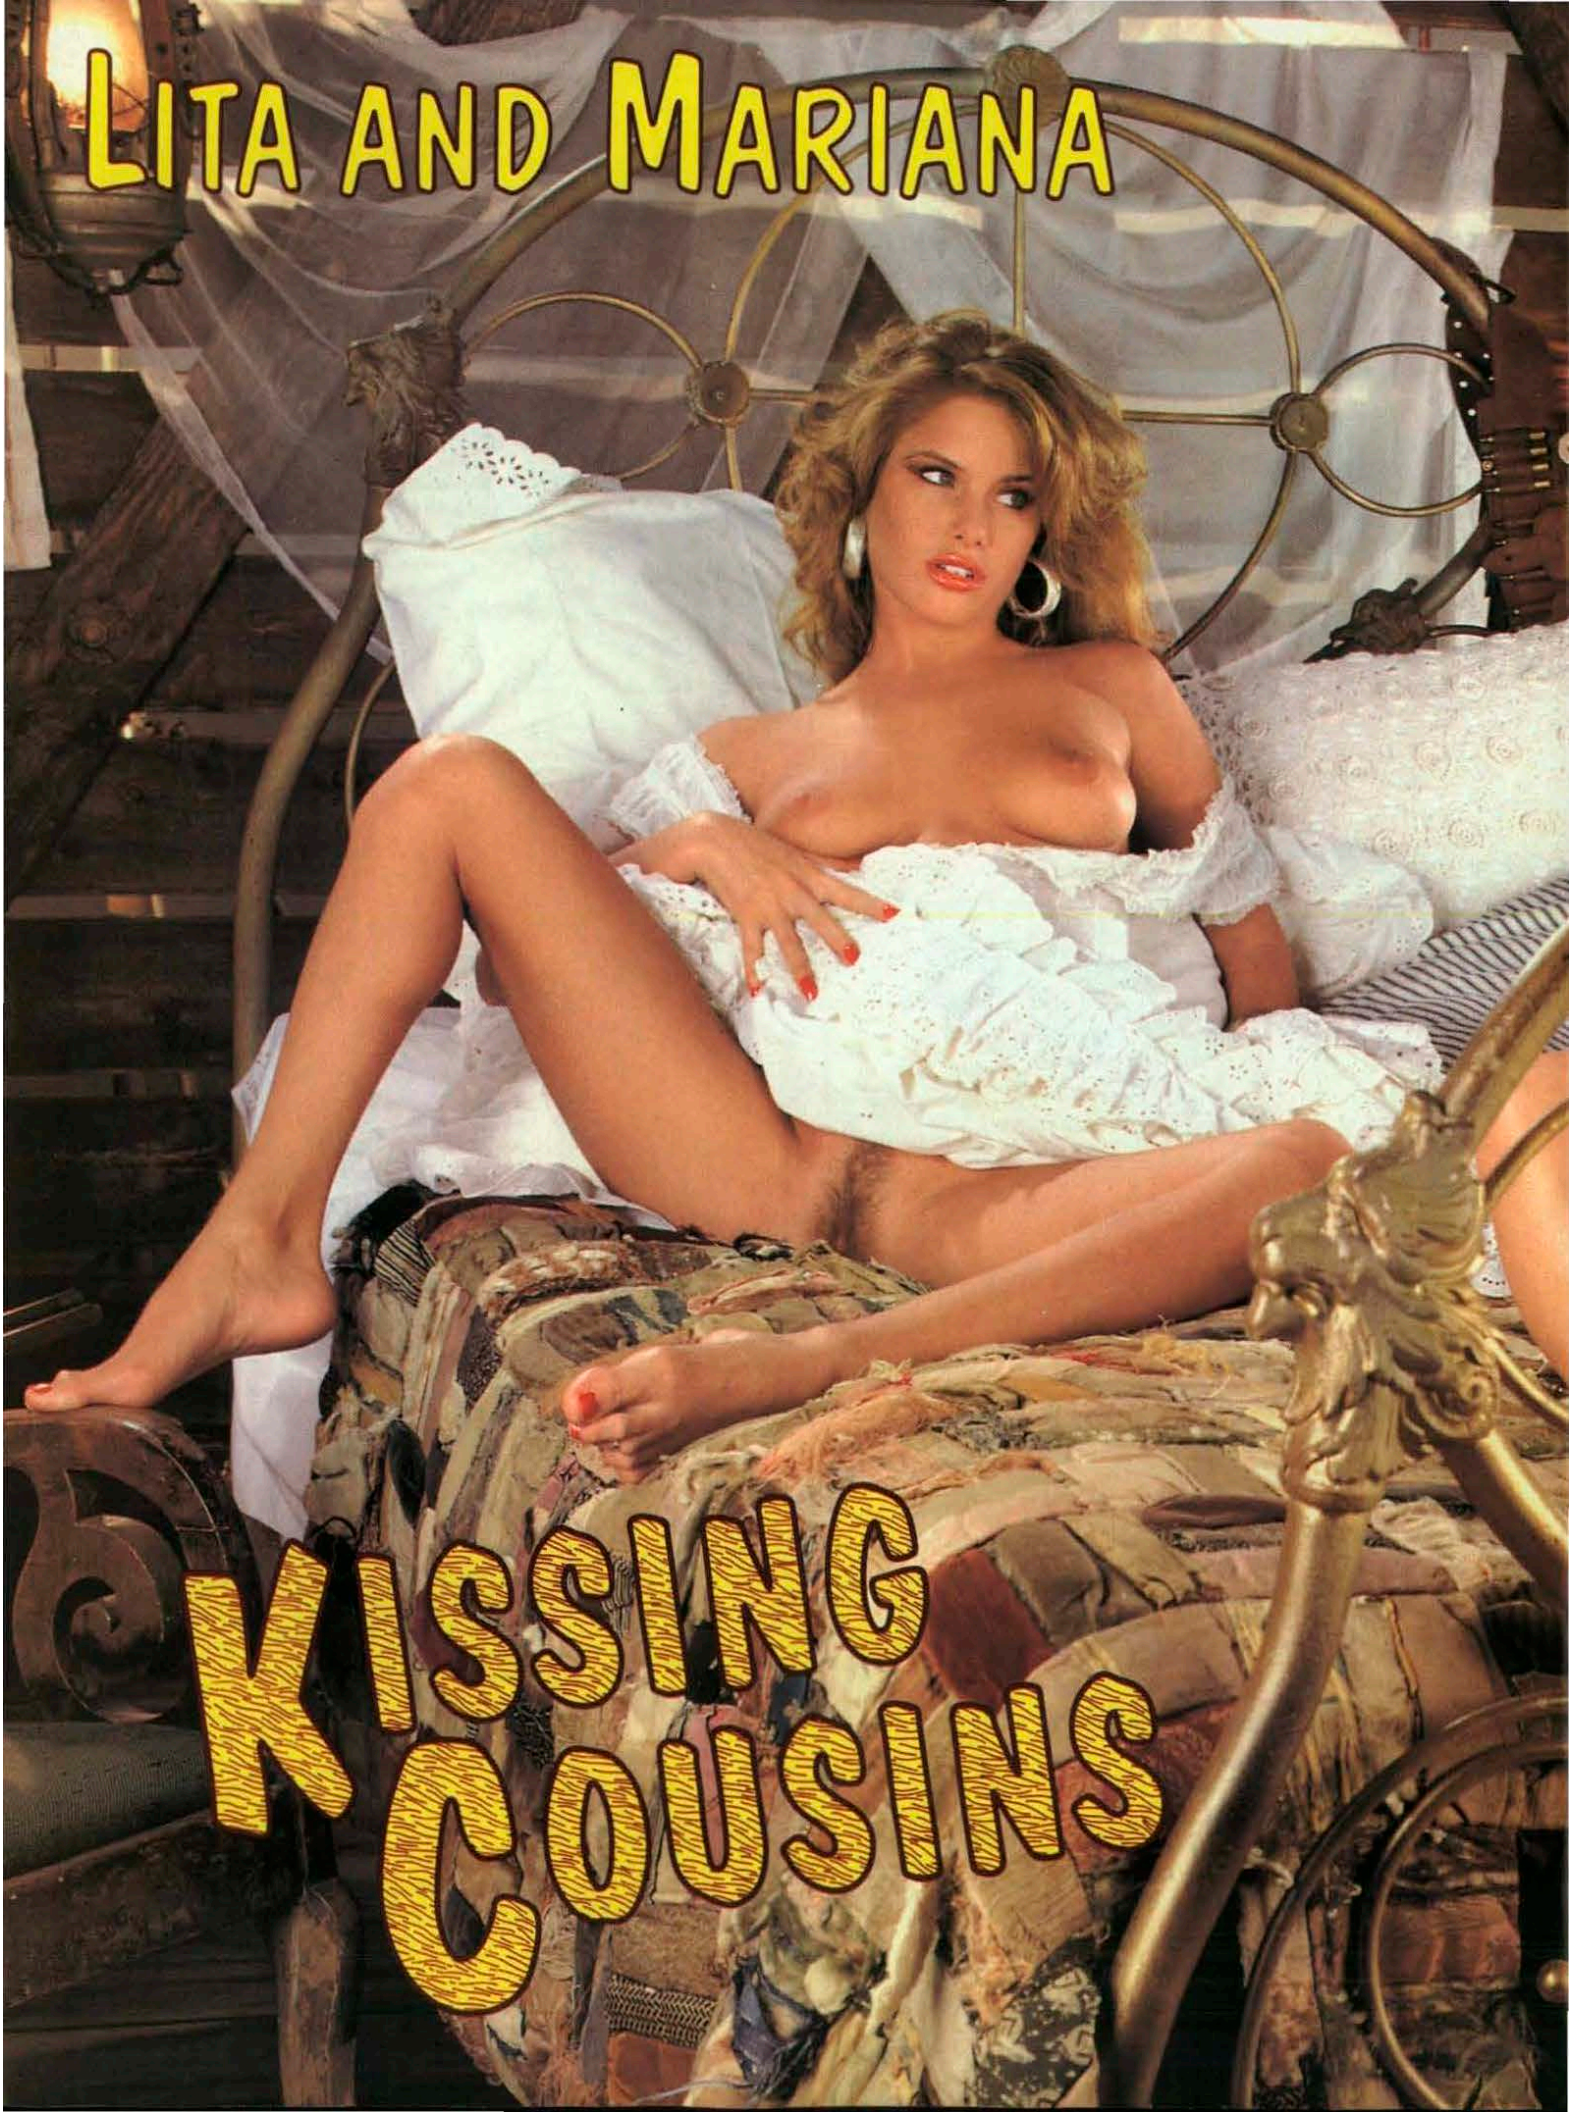

Despite the initial run-in with the law, optimism rides high for the second day's shooting. The scene shifts to a million-dollar home above the smoggy hills of L.A.'s San Fernando Valley, where an A-frame dwelling is literally carved into the side of a cliff. Enormous boulders protrude through the bathroom walls, making for an uncomfortable and frightening piss.

Upstairs, Gere and Melanie Moore are in makeup, being transformed from girls-next-door into cum strumpets. Gere, in particular, is candid and vivacious, qualities that make her sexual performances fresh and exciting. She patiently humors an old-time scum scribe who persistently interrupts her down-to-earth conversation with inane blabber like, "What was your silliest sexual experience?" Gere, who claims a Bache-

"Thank you for a delightful evening, Mary. You're a woman of surprising passion."

LITA AND MARIANA
KISSING COUSINS

"Ever since we were little, we've shared the same bed," murmurs strawberry blond, 19-year-old Lita, a high-school dropout from Little Rock, Arkansas. "Back then, Mariana's were the darkest lips I'd ever seen."

"What do you mean, back then?" demands pouty Mariana with a sweet and sultry Ozark drawl. "How many other lips you seen since then?"

"Sugar," consoles Lita, pulling Mariana up against her bronze bod with a girlish grip that means business, "you got no cause to worry. Ain't no man come between us yet!"

Rose howls like a cum-crazed quim banshee. When North finally launches his famous milky missile onto her slender back, his first thrust accidentally splashes her right eye.

lor's Degree in Theatre Arts, excuses herself for additional makeup, applied by porn pioneer Kelly Nichols, who now works exclusively behind-the-scenes, though she makes a (nonsex) cameo in *Captain Butts Beach*.

Having completed a dialogue-only scene beside a luxurious black-bottom pool, Gere retreats indoors to a waterfall-installed bathtub, where she defends her labe-licking title against challenger Melanie Moore. An Oklahoma native, Moore came West to make adult films. An early appearance in HUSTLER Magazine's *Beaver Hunt* (*Beaver Hunt*, May '92) helped launch her career. Without her peroxide wig, she bears an uncanny resemblance to the young Florence Henderson of *Brady Bunch* fame. "It's the wig that really got me noticed and allowed me to reach the level of porn starlets who command bigger fees," claims Moore. "It's an easier augmentation than fake boobs. At night, I can simply take it off, as opposed to rolling over a pair of rock tits!" She laughs and slips into the phony mane, jokingly assuming a patented porn posture.

Luck helped get Moore today's shot at superstar Gere. Anti-anal Australian pornstress Sunny McKay was initially cast as Gere's girlfriend, but withdrew when her part called for a double penetration with the boys. The producers tried to keep the lithe Aussie on board, offering her a straight-sex, supporting role. When she refused to lower her day rate (a price that "commands at least two sex scenes," according to *Captain Butts* producer Mike Jollay), McKay was dumped in favor of Moore, who now happily dives between Gere's pussy lips in a steaming bubble bath.

As Gere rubs slick, slimy suds into Melanie's voluptuous tits, Moore laps Ashlyn's clit in a star-making frenzy. With one hand, Gere pulls Moore's face deeper into her fur, while wrapping her soapy legs around the tail-ramming tongue-torquer. A crescendo of moans cues both cameraman and viewer to the climax to come. Director Dumont yells, "Cut!" The actresses abruptly relinquish their onscreen ardor and quietly chat like old friends, preparing to shoot a reel of less explicit action.

For a sex film to qualify for the soft-core cable market, dicks can be heard, but not seen inside pussies, and tongues cannot slap against clits. *Captain Butts Beach* will be edited and released three different ways. "We hardly concern ourselves with shooting for the American [hard-core] market," explains producer Jollay. "You just don't make money over here because no one buys videos, everybody just rents. So we shoot the film first with the Europeans in mind; they like their sex hard and hot, and they don't have as many restrictions. Then we'll cover a scene for soft-core cable channels. For the American release, we'll use a bit of both."

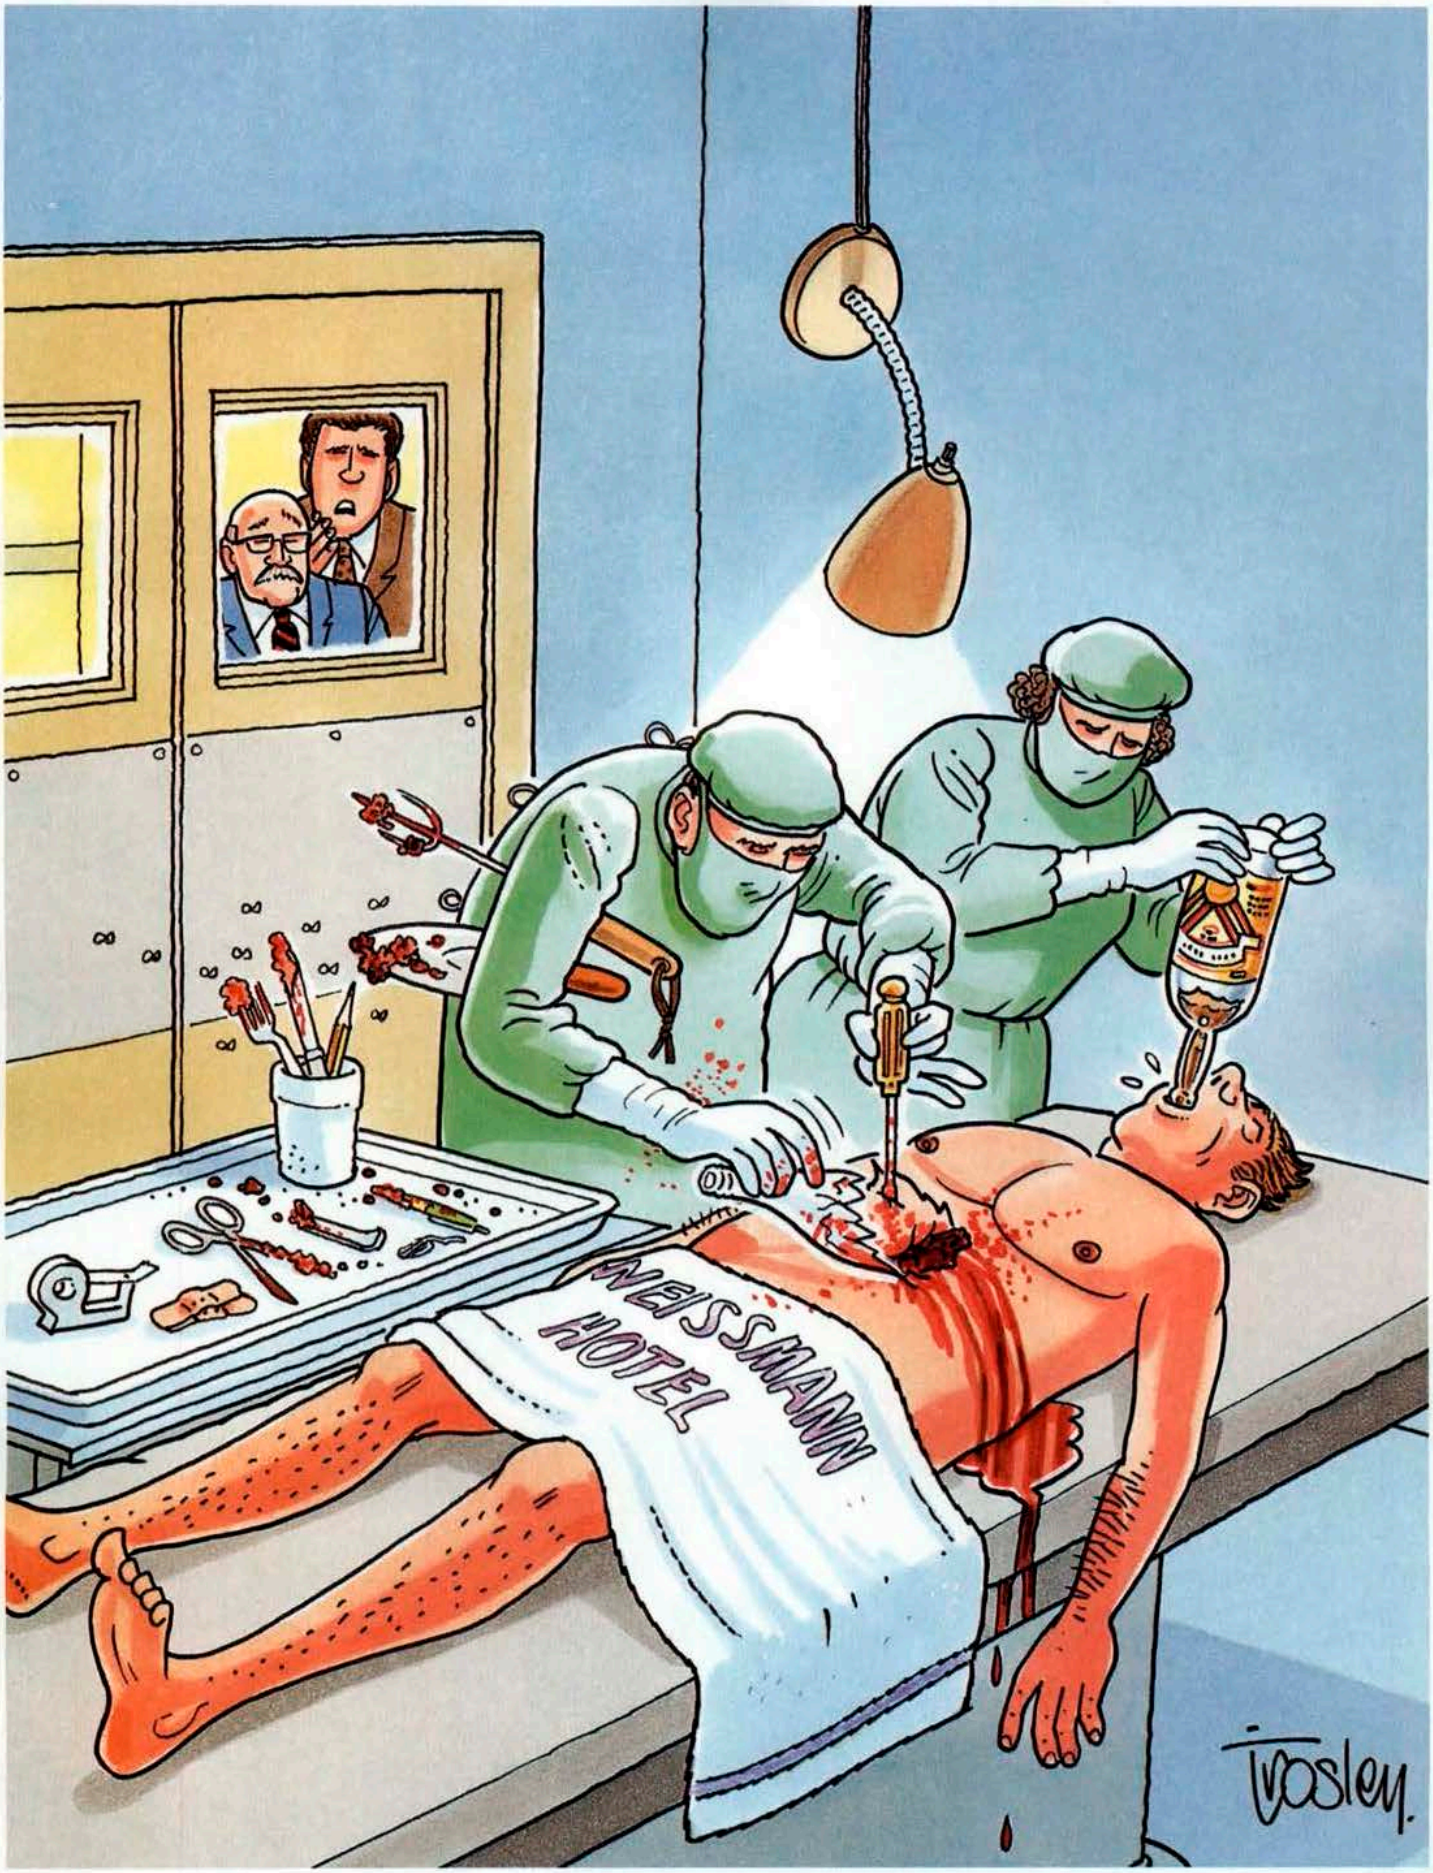

Filming resumes a week later at a nude beach 13 miles north of Santa Barbara, minutes from former President Ronald Reagan's private ranch. The secluded spot favors completing the scenes that were abandoned at the opening day's fiasco. Unfortunately, the camera truck has lost its way. Cast and crew huddle aimlessly like *Gilligan's Island* castaways for the next five hours. Marc Wallice bums cigarettes; T. T. Boy digests hardboiled eggs (a porn-set staple); and Gillis lays a pocketful of coins on a train track, to be flattened by passing locomotives as delays in production flatten his porn-stud's dick.

A 15-year veteran of the scuz set, Gillis began making full-length adult features when eight- and 16-millimeter loops were the industry standards. He later helped forge the now-burgeoning amateur market by co-creating (with Ed Powers) the groundbreaking *Bus Stop Tales* and *Dirty Debutantes* series. He relishes the alternative lifestyle that porn stardom affords. "Look at this day," Gillis gloats, pointing to the blue sky and Ashlyn Gere's tits, barely concealed under a pink bikini top. "Who wants to be stuck in some office behind a desk, wearing a suit and tie?"

Despite nearly two decades of coming on cue, Gillis has no intention of terminating his career, although he admits his veteran status is increasingly hard to handle. "I was recently awarded the [*Adult Video News*] Lifetime Achievement award, but I turned it down," he muses. "I thought, *This is my life? I'm getting an award for coming on people for 15 years?* No thanks."

Apparently, porn vet Randy Spears came to similar conclusions during *Butts* production. With one scene left to shoot, he quit the *Captain Butts* set and moved to Colorado with his wife, 1991 HUSTLER Honey of the Year Danielle Rodgers, and their newborn daughter, Amanda. After shooting a scene with

Twenty-one-year-old lingerie saleswoman Ava really sold the goods to HUSTLER readers. Ava first appeared in *Beaver Hunt* in August 1992, and became a Grand Prize finalist in November 1992 (*Ava: Comes in Three: Beaver Hunt Grand Prize Finalist #3*, November '92). HUSTLER readers just couldn't get enough, voting Ava *Beaver Hunt*'s 1992 Grand Prize Winner. "I can't believe I just won $5,000!" exclaimed Ava upon hearing the news. "And I get to be in HUSTLER again!" What do you say, guys? Give the girl a hand.

Gere strips down and, even before the camera rolls, sucks Gillis's cock like a long-lost friend. She rubs his balls, and he tugs her tits, practically pulling the nipples from their fleshy vault.

Shawnee Cates just one week earlier, Spears said prophetically, "It's good to get out of the business while you still have it. I wouldn't want to stay in so long that my age became an issue. I mean, God bless him, but I couldn't see doing movies when I'm as old as Randy West."

Yet Gillis, whose age he won't reveal, still enjoys the opportunity to make a buck getting his hands wet with a pussy such as Gere's. "Ashlyn has a very slick, slippery pussy," Gillis grins. "That's hard to find in this business. Most professional girls' pussies are rough, and they feel like raw liver."

Unfortunately, by the time the camera truck arrives, Gere must leave to shoot a previously scheduled scene for another movie. Producer Jollay is happy to work around Gere's busy schedule, since her body on a box cover guarantees high revenues. "It's a great thing to be in demand, and I feel very fortunate," the busty brunette confides, gunning her Bronco. "Once you get to this level in the business, people want you to keep working. For the past two years I've been booked solid three months in advance. At some point, I'll have to start turning things down, or else I'll burn out."

Back in the sight lines, the DP of Melanie Moore by butt-pirates Wallice and Boy begins. Beachfront filming creates special problems for the production staff. Glare prevention requires corrective camera work, while the wind slaps the mike and disrupts the recording of dialogue. In addition, a constant flow of curious onlookers—including a vacationing family from England—must be screened from the action. For the actresses, the sun and sand make it difficult to maintain proper saliva content—a crucial X-worker accessory.

Through the early stages of Moore's double blowjob, she continually stops sucking to fortify her dry mouth with gulps of fresh water.

During breaks, it's up to the men to keep themselves up. Between Wallice and Boy, an entire squirt-top bottle of AstroGlide skin lube disappears in the three hours it takes to capture eight minutes of actual screen time. Wallice and his banana schlong assume the role of anal plunderer, while Boy lounges on his back, to allow Moore's trim pussy an easy slide down his pole. Moore winces between takes as Wallice pumps his dick in and out of her ass.

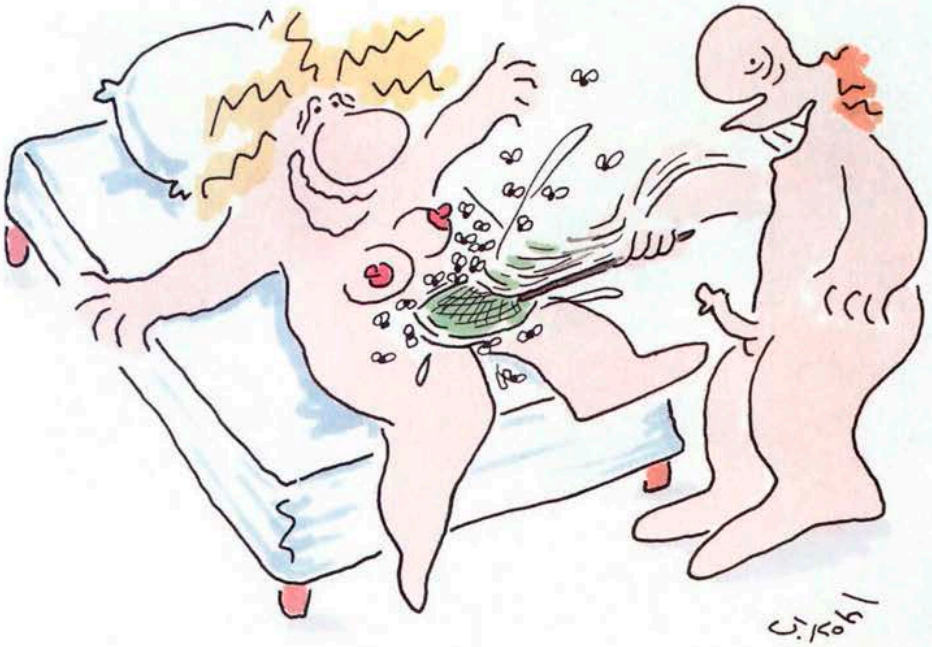

"Have you got enough?" she implores director Dumont at one point. "Thirty more seconds," he replies, holding her shoulders like a proud father steadying a nervous bride. Wallice applies another condom ("scum bags," he happily calls them) and reinserts his dong for an ultra-ultra close-up. As the fellow dicksters join in the "pop shot," Boy shoots a load up Moore's butt crack, while Wallice drops one down.

A month and a half later, the cast and crew meet at the same Santa Barbara spot for what the crew hopes will be the final day of shooting. Despite the legal intrusions and scheduling setbacks of this production, its placid director seems confident that *Butts* will be an award-winning movie. "Since we have a larger budget than most, it gives us an opportunity to take more time, to have more setups and make the most professional movie possible," Dumont offers between takes and cellular-phone calls. "So many people are content with knocking out dialogue after one take and moving to the bedroom to rush through nine or ten obligatory sex scenes. To me, that's what's ruining the business."

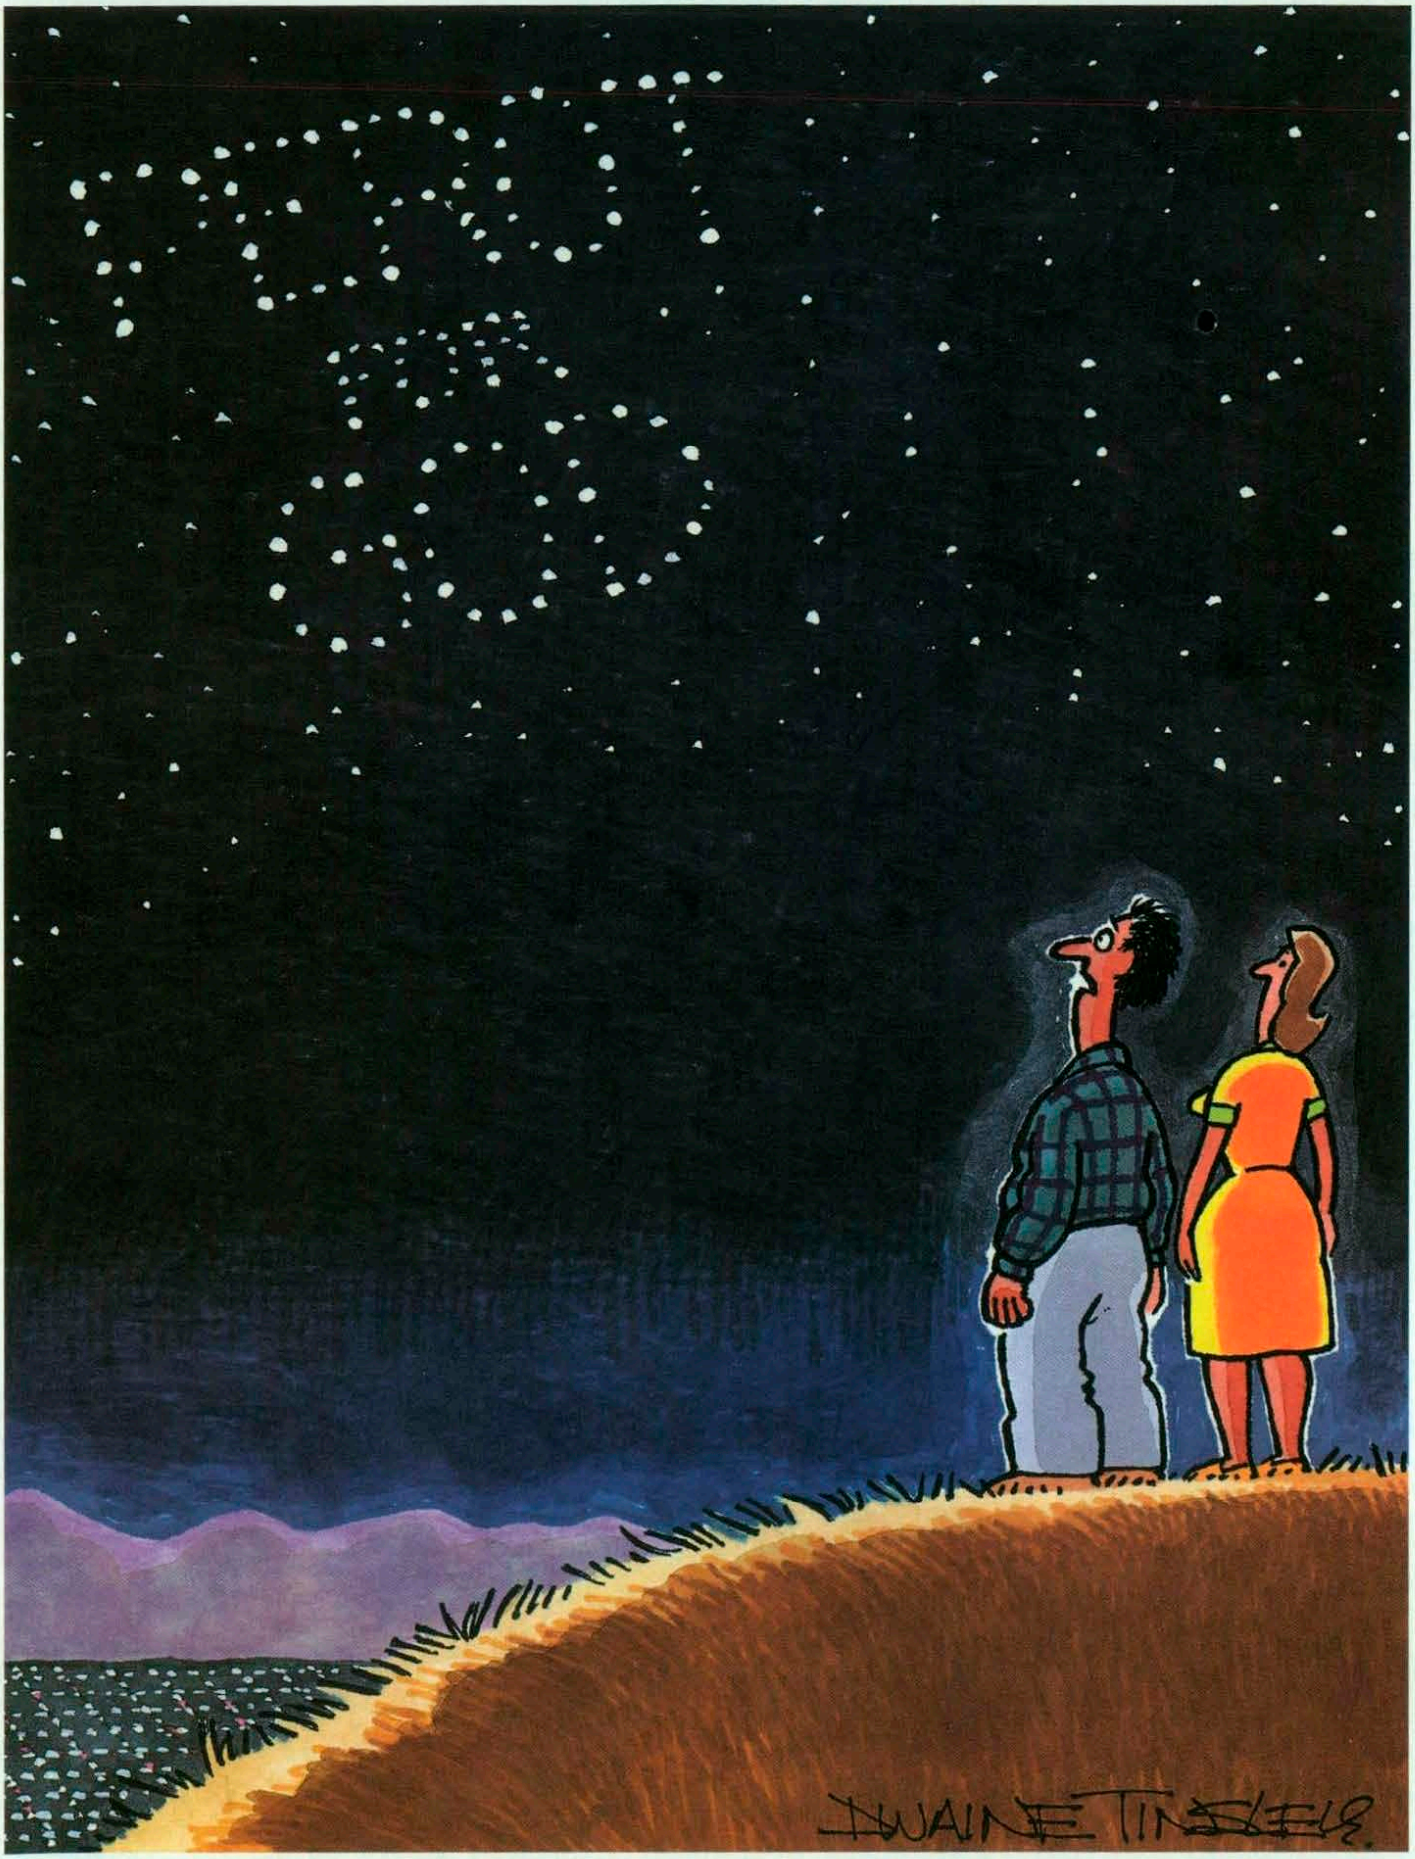

The day begins optimistically. The camera truck arrives on time. The beach is clear. It's ten o'clock on a sunny August morning when Peter North, Lacy Rose and Mona Lisa begin their highly anticipated threeway. North, dressed as one of *Captain Butts*'s 17th-century seamen, descends upon the damsels in undress. A victim of either too much hair dye or the bristling heat, he appears fatigued at first, but springs to life during the double blowjob.

As the scene enters its climactic phase, North slides his all-star prick inside the asshole of newcomer Rose. She eagerly recites the magical incantation that conjures orgasms in the world of porn: "Oh, yeah, fuck my ass!'' while Mona Lisa drapes her inflated boobs across Lacy's face. After several angles are covered, North pulls his pud out of Rose's shitter in anticipation of the "anal pop." Rose appears uncomfortable. A grain of sand has slid down her butt pipe. Before the camera rolls, she spreads her butt cheeks apart and attempts to fish out the intruder. Nothing short of a healthy shit will expel the evil sand cling-on. "Is there any way we could finish this without [North] going back inside?" she asks Dumont. The answer is negative.

HELL

"The mess-hall meat cooler was used as a morgue. One morning, I had to shove five sheeted, tagged bodies out of the way to get to the milk."

Around 1794 the Walnut Street Jail in Philadelphia was converted to become the first penitentiary in the United States. As prison buildings rose in the ensuing rush for crime management, architects of that era turned to Gothic-style façades, intending the look of the new prisons to mirror the cathedrals of Europe in the Middle Ages. The ulterior motive behind this design was to make the people inside these grand structures appear small and insignificant. The walls said, "You are at the mercy of the system now—you are a forgotten piece of shit."

Monotony, deprivation, isolation, uniformity and fear—such are the tools of systematic degradation utilized by maximum-security penitentiaries.

Picking the ten toughest penitentiaries in America may appear an exercise in futility. Hell is hell. But the factors considered for this selection proved quantifiable: a convict's fear for his life while doing time there; the quality of housing; the nature of work assignments and security perimeters; and the general attitude created by the staff and/or inmates. Hard time isn't necessarily judged by bloodshed, brutality and bad food—it can be the atmosphere of a prison. HUSTLER's top ten worst prisons in America follow, in alphabetical order.

ANGOLA: LOUISIANA

Angola, the Louisiana State Penitentiary, is located at the end of a state road, 52 miles north of Baton Rouge, in an area geographically caged by a curve in the Mississippi River and the Tunica Hills, where erosion has formed natural walls.

Professional con artists, armed robbers, rapists, murderers and drug dealers from as near as New Orleans and as far away as South America are housed together in Angola's main compound, a campus-like setting of mostly single-level buildings surrounded by guard towers overlooking double fences topped with generous rolls of razor wire. Wires are suspended above the prison yard to discourage helicopter escapes. The general population is housed in dormitories strung off a long walkway that connects all the institution's buildings. Cell blocks are reserved for the super-bad and for protection cases.

Having bad breath can get an inmate killed at Angola. Former inmate James Jennings served time at Angola in the 1960s. "In my 20 months at Angola," he reports, "I saw dudes killed for things like switching the TV to another channel, stealing a pillow and winning a chess game. The mess-hall meat cooler was used as a morgue. One morning, I had to shove five sheeted, tagged bodies out of the way to get to the milk."

Recalls a recently released Angola inmate: "To make it at 'Gola, you gotta be an expert at minding your own business or else be sitting on some damn fine pussy. Even then, you sleep with one eye open and your shank under your pillow."

ATTICA: NEW YORK

What do you get when you mix brothers from Harlem, Micks from the Bronx and Italians from Queens and the Lower East Side of New York inside one of the most notorious prisons in America? A bloody mess.

Anyone who's read books or seen movies that present a stereotyped prison environment—small, dungeon-like cells built in tiers, granite-jawed cons talking out of the sides of their mouths and an atmosphere heavy with violence—has witnessed life inside Attica. (Incidentally, wiseguys talking out of the sides of their mouths came from the days of silence in prisons, when convicts were forbidden to speak, even in a whisper, and to do so bought the offender a flogging.)

Most of the jailhouse attitudes prevalent in East Coast maximum-security prisons can be traced to the New York State Prison at Auburn, which opened in 1819. The Auburn method of rehabilitation included isolation, a strict code of silence and beating inmates unmercifully for any transgression.

Located in Upstate New York, just east of Buffalo, Attica is what is called in the corrections business a "walled city." According to one Attica convict, "Attica's inmates spend most of their spare time sharpening their shanks and sizing up potential pussy boys. AIDS? Most couldn't care less—Attica is worse than AIDS."

CUMMINS: ARKANSAS

Gone but not forgotten are the days in the 1960s when bodies were being dug up on the grounds of the Cummins Unit of the Arkansas Department of Corrections.

Located about 50 miles southeast of Pine Bluff, Cummins utilizes both cells and dormitories and employs the standard Southern prison industry of farming. Guards on horseback ride herd over the hard-working convicts. Cotton is the primary crop. "Inmates are so worn out when they come out of the fields," laments one former Cummins guest, "they don't give a damn if the dinner's edible or not. They just want to crash."

Another former Cummins prisoner says, "I've been in tough joints—Trenton, New Jersey, and Brushy Mountain, Tennessee—but for sheer hard-time hell, Cummins ranks supreme."

Lovely Reba has got skin like crushed velvet. Her beauty secret? "Keep it tight and keep it soft," she whispers, folding a sheet of red satin between baby-smooth thighs. "And always keep it wet. Dryness is the worst thing that can happen to a girl!" What kind of lotion does she use to keep her silky skin so supple and strong? "I make it myself," she coos. "Nothing else makes my nipples so sensitive. A breeze makes them sore! Let me tell you—it beats factory-made moisturizers hands down!"

HUSTLER HUMOR

A man met a hooker, and they decided to drive back to her place for some fun. The guy couldn't believe it when they pulled up the driveway of her grandiose Beverly Hills mansion. "You must be expensive. How much for a handjob?" he meekly inquired.

"$400," the hooker replied.

Shocked, the man then asked, "And a blowjob?"

"$600," the hooker smiled.

The guy hemmed and hawed a bit. "Are you worth it?" he gently asked.

The hooker answered, "Well, you see my house, don't you? I earned it doing this; so I must be worth it!"

Impressed, the man agreed to fork over $600 for a blowjob. An hour later, after he scraped his brains off the ceiling, he turned to the hooker and said, "You suck dick like no one I've ever known. That was awesome! But I gotta know—how much does it cost to get into your pussy?"

The hooker smiled sweetly and said, "If I had a pussy, buddy, I'd own New York!"

Question: What do the television shows *Roseanne* and *Green Acres* have in common?
Answer: Both feature a pig named Arnold.

Two condemned men were in their final hour when the warden paid them a visit. "I'm here to grant you each a last request before your executions," he said.

"Well, warden," said the first prisoner, "I'd sure like to hear 'Achy Breaky Heart' just one last time...."

"Oh, shit!" interrupted the second prisoner. "Warden, would you have mercy and take me first?"

Herman's wife caught him looking at HUSTLER. "What the hell are you doing with that?" she demanded.

"Hey, stop bitchin'," he told her. "I read the articles."

"Yeah?" she snapped. "And I go to the mall to listen to the music!"

A young woman got onto a crowded bus and searched for a seat. She found one next to a fortyish bum, whose leg began twitching uncontrollably as soon as she sat down. Finally she had to ask him what was wrong. "There's some shrapnel in my leg, ma'am," the man apologized. "I got it in Vietnam."

The woman got up and moved to another seat. Almost immediately, a man began swinging his arms wildly in front of her face. "Sorry, miss," he said, "I have shell fragments in my arms, from Vietnam."

Once more the woman changed seats, this time sitting next to a man near the rear of the bus. She noticed that he held his arm straight out in front of him; his index finger was stiff and his wrist was shaking. She looked at him sympathetically and said, "I guess you got that in Vietnam, huh?"

"No, lady," he retorted. "I got that out of my nose. Now I'm trying to get it off of my finger!"

The HUSTLER Dictionary defines *genius* as: an average student with a Jewish mother.

At an exclusive country club that enforced strict adherence to ground rules, a regular saw a new golfer place his ball six inches in front of the tee markers. The regular rushed over and confronted the man. "Sir, I don't know whether you happen to be a guest or a member, but our rules are very strict about placing your tee at or behind the marker before driving the ball."

The new golfer looked the stickler right in the eye. "First, I am a guest, not a member, of this club," he said. "Second, I don't care about your rules. And third, this is my second shot."

Question: Why was Margot Perot ecstatic when her husband lost the election?
Answer: Because if Ross had become President, it would have meant moving to a smaller house in a black neighborhood.

Jim cracked up when he saw his wife ironing her bra. "Why bother?" he asked. "You got nothing to put in it."

"Using those guidelines," she shot back, "I guess I don't need to iron your boxer shorts anymore, do I?"

The Secret Life of a Feminist Womanizer

UNDERCOVER PROBE BY SELWYN HARRIS

MAN
WHAM
Man-hating feminists beware:
A HUSTLER cum-scribe has joined the girls-first movement—and he's a hard chump to dump.
ILLUSTRATION BY JEFF WONG

GIRLY

I make out the legend the nerd bears on his T-shirt: "Queer for Life." Good Lord Almighty! It's an anti-choice anus archer! "I'm a member of a pro-life seed group," he informs me.

Dangle a carrot from a stick in front of a donkey, and he'll pull a cart; bait a hook with the right kind of worm, and there'll be trout for dinner; offer alcoholic, skirt-chasing porn-monger Selwyn Harris more beer money than he'd make in a month at his straight job, and he will gladly rise at 4:30 on a Sunday morning for an hours-long bus excursion from New York City to Washington, D.C., to attend the March for Women's Lives political rally sponsored by the Women's Action Committee.

To sic a dyed-in-the-tool male chauvinist like Harris on thousands of hard-core feminists at a left-wing political blowout is HUSTLER's idea of journalistic enterprise. Herewith is Harris's firsthand account.

* * *

Using the F-word to describe the busload of granola girls with whom I find myself grooving down I-95 before the crack of dawn aboard Greyhound's Sunday hangover special is not to imply that this particular gaggle of gals are of the fun-lovin', free-wheelin', lipstick-lesbian school of modern-day feministas. *Au contraire*, compadres: These ladies are of the deodorant-equals-death, "Our Bodies, Our Smells" variety—in other words, representatives of the *traditional* school, whose on-campus barber's crewcut-clippers are never idle; which boasts more flannel and jack boots than a lumber camp; where Earth Mama 101 students are so opposed to eating meat that they actually convert their plentiful mounds of unshaven body hair into convenient armpit vegetable gardens.

This is a National Organization for Women bus I'm riding (New York City division), and these are—and I'm not even comfortable *typing* such a term—fear-mongering, contemptuous-of-anyone-bearing-testicles *womyn*.

The burden that they present on one's eyes, ears, nose and netherparts notwithstanding, they are a nice enough bunch of females. When one picnic-toting passenger hears a Richter Scale-tipping *grrrowwwl* emanate from my ill-fed but beer-swollen belly, she has an emergency babaganoush-on-pita sandwich shoved down my throat within seconds. I thank her, although the first sight I glimpse as my consciousness returns from starvation delirium is a button reading "Pornography Violates My Civil Rights." *Bon appetit!*

Our destination is the March for Women's Lives, a political rally mounted in Washington, D.C. Bitchfests go on all the time in our nation's capital, but this particular event boasts a feature others lack: a man from HUSTLER Magazine to lend a hand! Naturally, safety dictates that I remain undercover.

The Suzanne Vega-inspired sing-along that grips my fellow passengers *en route* does not interest me; so I refer to my books. The first I paid $20 for because it was full of pictures I could jerk off to; the second I shoplifted, because to buy it would have been akin to paying for the privilege of having one's gonads pounded into goat cheese.

The two volumes are *Angry Women*, an overview/ anthology of leading radical performance artists (of the watch-me-scream-while-I-shove-kitty-litter-up-my-ass variety), and feminist author Susan Faludi's much ballyhooed *Backlash: The Undeclared War Against American Women*, a compendium of theories regarding the cultural oppression of women. Soon after perusing these tomes, I'm happy to join the gals in a chorus of "Luka."

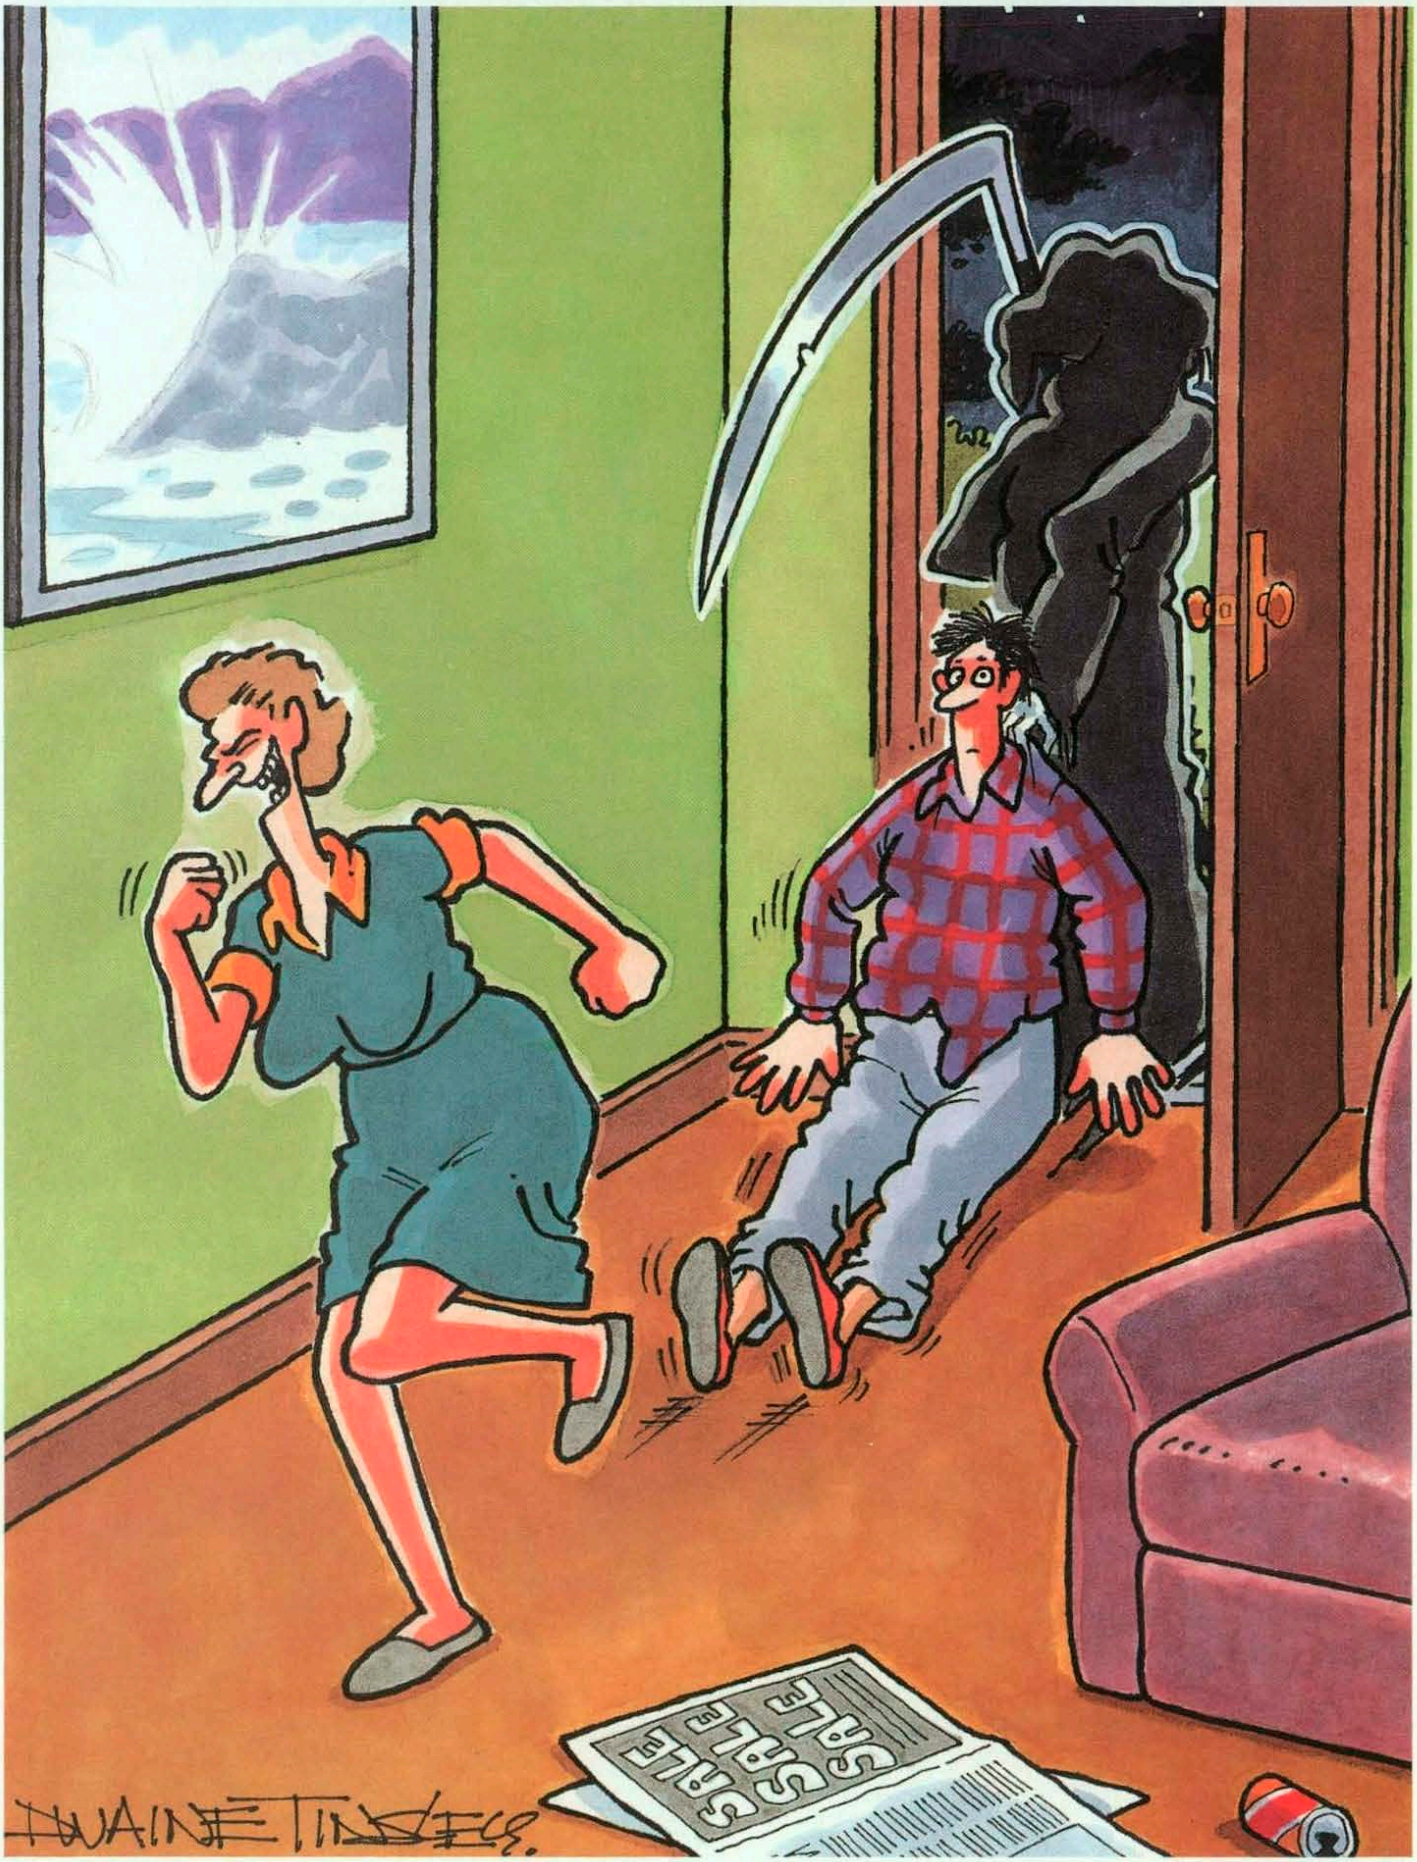

The first sight to greet my weary, bloodshot peepers upon descending from the bus in D.C. is nearly as distressing as the fact that it is still too early for the liquor stores to open. Television cameras surround a group of leather-queen placard-wavers dancing ring-around-the-rosy-style around a prim-faced individual who is desperately trying to scream out some sort of a statement.

The Maypole dancers are chanting, in a triumphant bid to drown him out, "We're loud! We're here! We're loud! We're here! Pro-choice and queer!" *Who can the nebbishy little fella possibly be to incur the wrath of these fetus-frying butt-bandits?* I ponder. With some difficulty, I make out the legend the nerd bears on his T-shirt: "Queer for Life." Good Lord Almighty! It's an anti-choice anus archer!

"I'm Chase, a member of a pro-life seed group," he informs me after the broadcast folks have cleared away. Not really wanting to hear too much more from a gay guy involving the term *seed*, I press him on his basic philosophy, figuring a womb-worshiping wang-wagger will make me laugh. He doesn't. "I believe that life is sacred," he blabbers straight-faced. "I also believe that gays, as an oppressed group, have much in common with the un-

"Poor bastard—he still misses his ex-wife."

"Yes!"

A Minnesota court this year awarded a teenaged girl $15,000 in reparations for the so-called mental anguish inflicted on her by "vulgar grafitti" she read in her high school's toilet stalls.

born." I note with some approval that, with this, he scores a perfect ten on the bullshit meter!

So I inquire, confidentially, "Is the reason your T-shirt says 'Queer for Life' instead of 'Queers for Life' because, really, there is no seed group? It's just you, ain't it, homo—er, I mean, homeboy?"

"Are we going to *talk*, or are you going to be a *wise-ass?*" he spits back.

"Chase, to be honest," I reply, "I don't want to be *any* kind of ass in your presence! No offense," I quickly add, but he takes offense anyhow.

Just as I am bidding *adieu* to my fag friend, a big, bluejean-clad bum-cake—on a girl, smart-ass—catches my eye, and I trail after it, all hypnotized-like.

We walk, with my line of sight fixed on her juicy jigglesteak, for what may have been miles. I would have gladly followed this dynamite piece of bimbolina down an alligator-infested sewer pipe or into a burning building. Either of these predicaments would have been preferable to the one that finally snaps me out of my trance.

"*Gazer!*" a female voice screams. I blink and shake my head like Elmer Fudd at a Wabbit. "Break the *ga-a-aze*, asshole!" yells the mystery etiquette taskstress.

I look around, but notice no one in particular to peg as my harasser. It could have been anybody; really, it is everybody, since I have haplessly wandered into the heart of protest-land and now find myself in the midst of a surging, unholy throng, overwhelmed by the sight of countless, looming banners that bear the logo of the Women's Action Coalition, which is a giant, glaring eye surrounded by the words, "WAC is Watching!" At this point, I did not need convincing.

The "gaze" that my accuser had called me on (and of which I was guilty but couldn't feel more guilt-free) was what these feminists describe as a male tool in the objectification and belittlement of women—what menfolk such as myself and my cool lesbian friends call *checking out chicks.*

Becoming transfixed by the sight of a woman on the street has been construed by radical feminists as a hostile act—that is, if the looker happens to be male. Trouble with "the grab," I can understand, but putting "the gaze" into the same category I consider preposterous!

So it goes in ridiculous times. A Minnesota court this year awarded a teenaged girl $15,000 in reparations for the so-called mental anguish inflicted on her by "vulgar grafitti" she read in her high school's toilet stalls. An issue of *Dirt* magazine, which is a mealy-mouthed, liberal propaganda rag aimed at teenage boys, put out by the junior-league cultural-elite biddies at *Sassy* magazine, trumpets this mind-boggling judicial decision and other high-school harassment codes that have subsequently been made into law in Philadelphia, Pennsylvania, and Amherst, Massachusetts.

The linchpin of these anti-erection edicts is the elimination of "unwelcome sexual communication," which leads to "uncomfortable atmospheres."

Now, I'm no Thelma or Louise, but I think a fella ought to keep his hands where they're wanted. *Dirt* wraps up, however, by warning the germ of American manhood to "think twice before making what you consider a funny remark or 'harmless stare.' "

Stare? *Stare?* Last I checked, it was sticks and stones that broke bones, and names didn't even hurt—did I somehow miss the part about the sideways glances that traumatize and debilitate? Luckily, we in America still have that pesky First Amendment. As long as there's the nuisance of free speech, there'll be "communication" certain people might not want to hear, and "atmospheres" less tolerable than fucking Shangri-la, for gosh's sakes.

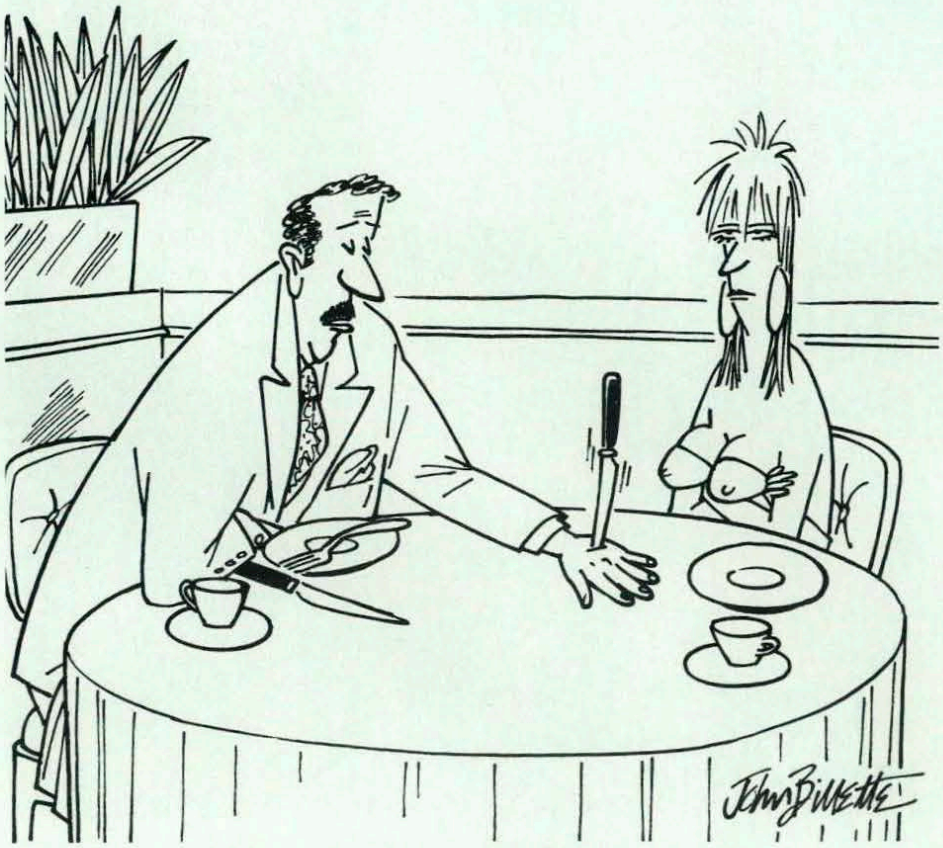

I fight my way through a jillion swinging "Keep Your Rosaries Off My Ovaries" posters until I find the Women's Action Coalition information table. I speak with a representative named Amy.

"The Woman's Action Coalition is a multi-faceted network group committed to just that: action!" she tells me. "We were inspired by the direct-approach tactics of similar groups like ACT UP [The AIDS Coalition to Unleash Power] and WHAM [Women's Health Access and Mobilization]."

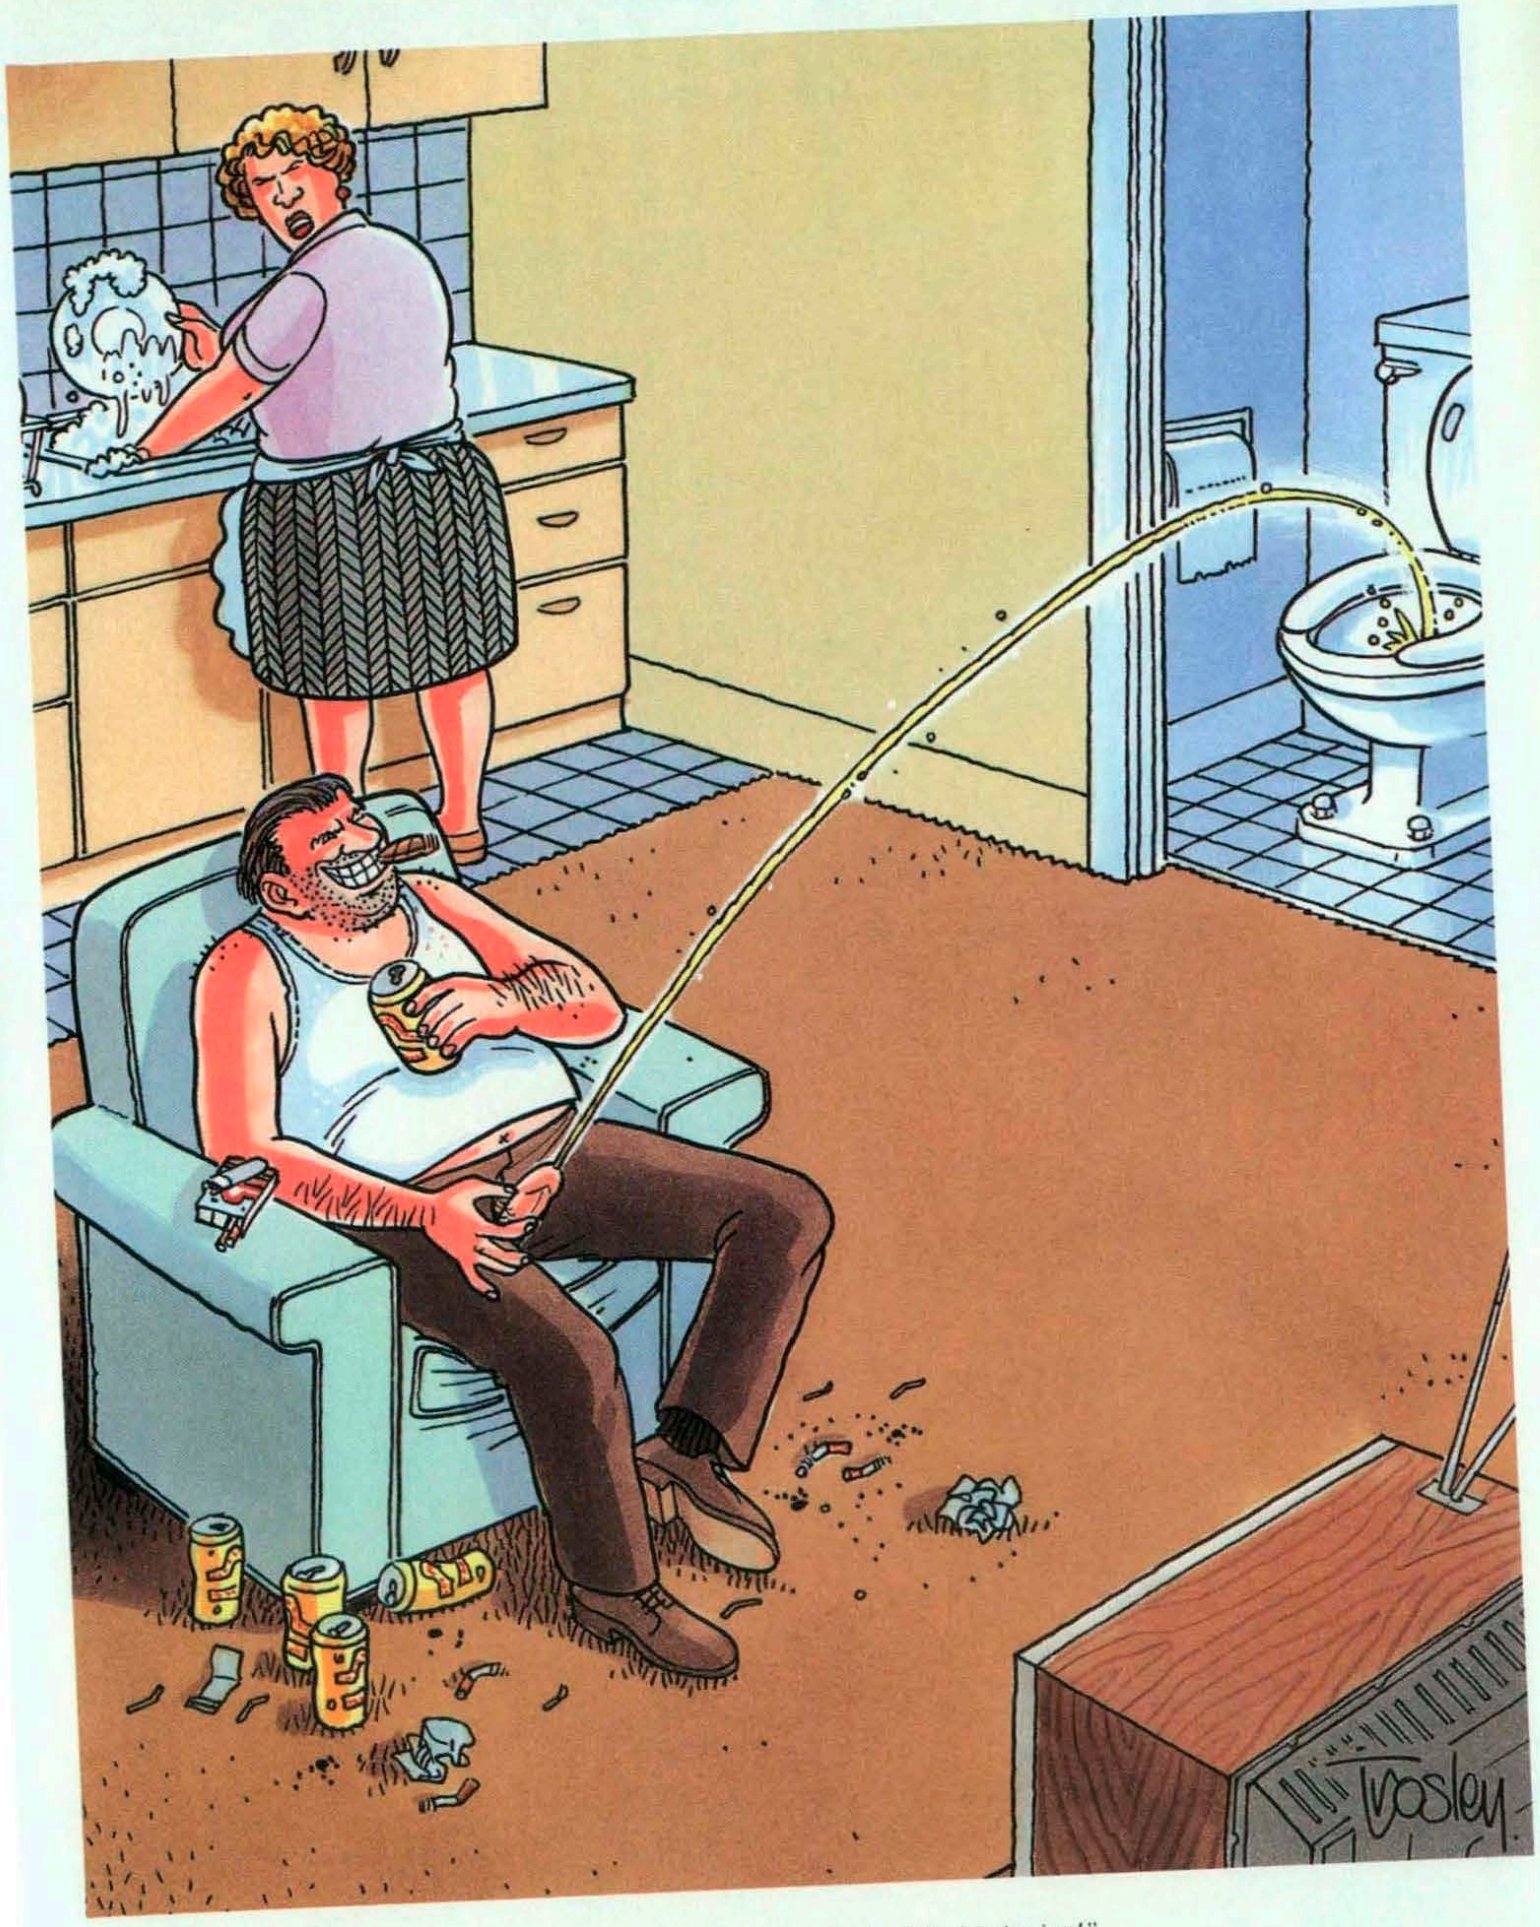

ACT UP? WAC? WHAM? Is it a coincidence, I wonder, or are fringe-liberal activist groups taking their monikers from the onscreen fight sounds from the '60s *Batman* TV series?

Amy continues: "WAC is interested in all crises faced by today's women, from lack of federally funded day-care to unequal opportunity in business to, of course, sexual harassment."

(continued on page 104)

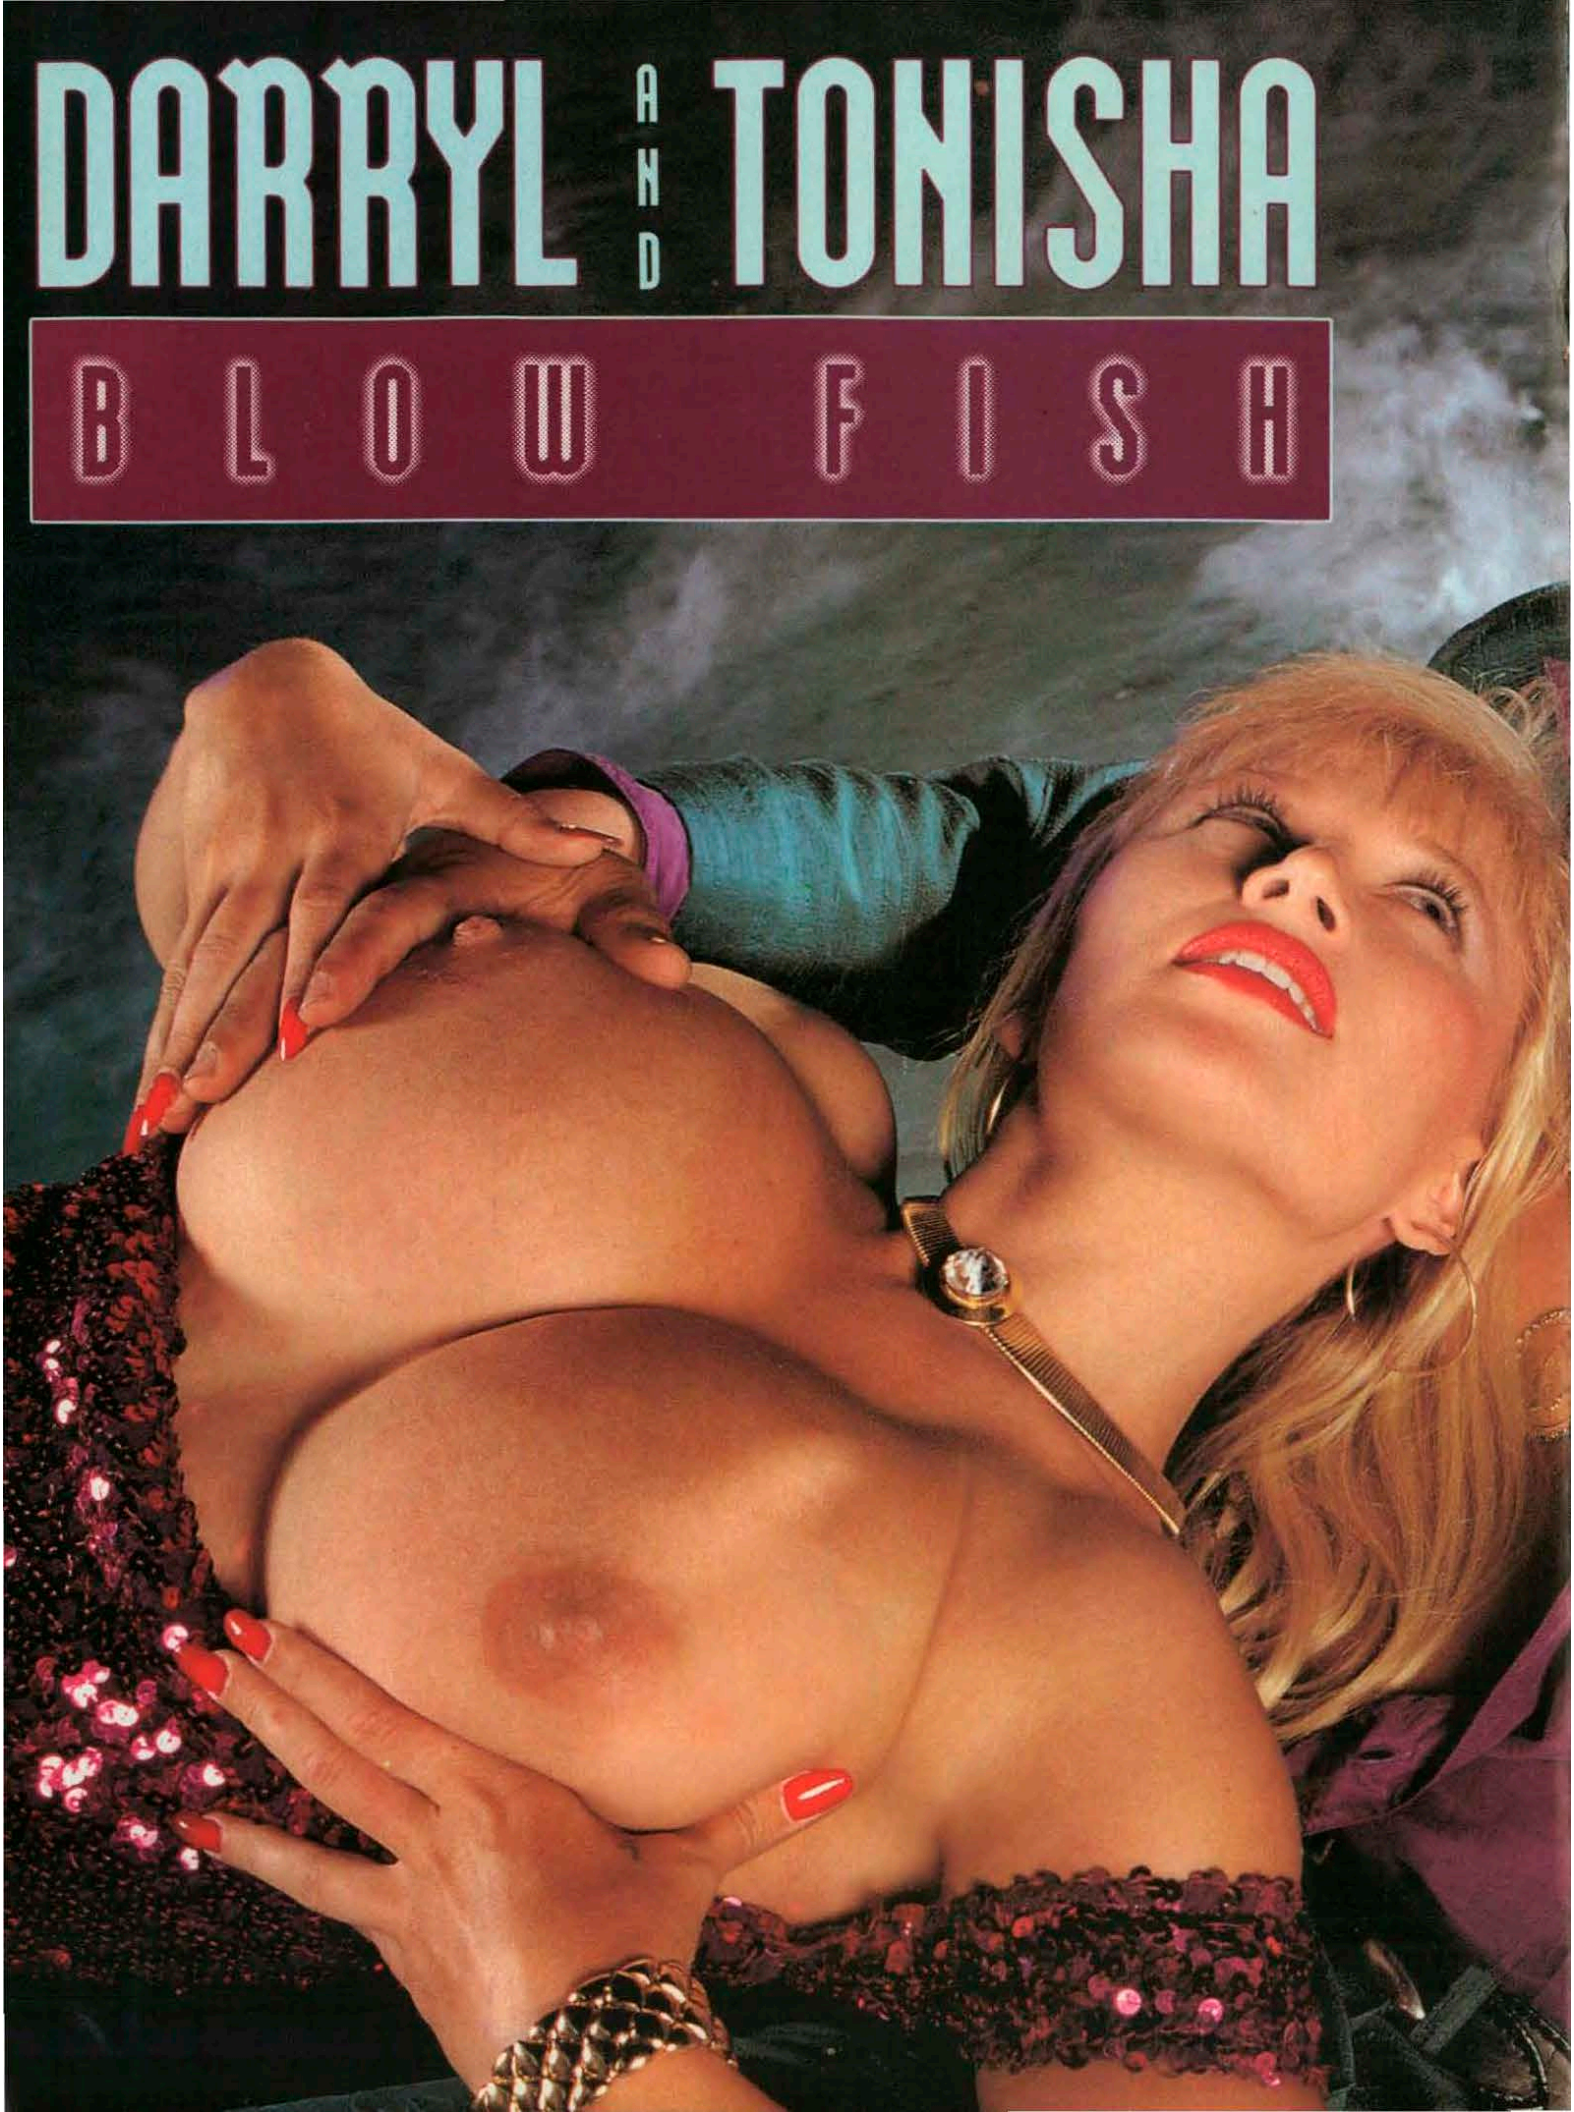

"Okay...so we won't discuss swallowing my sperm."

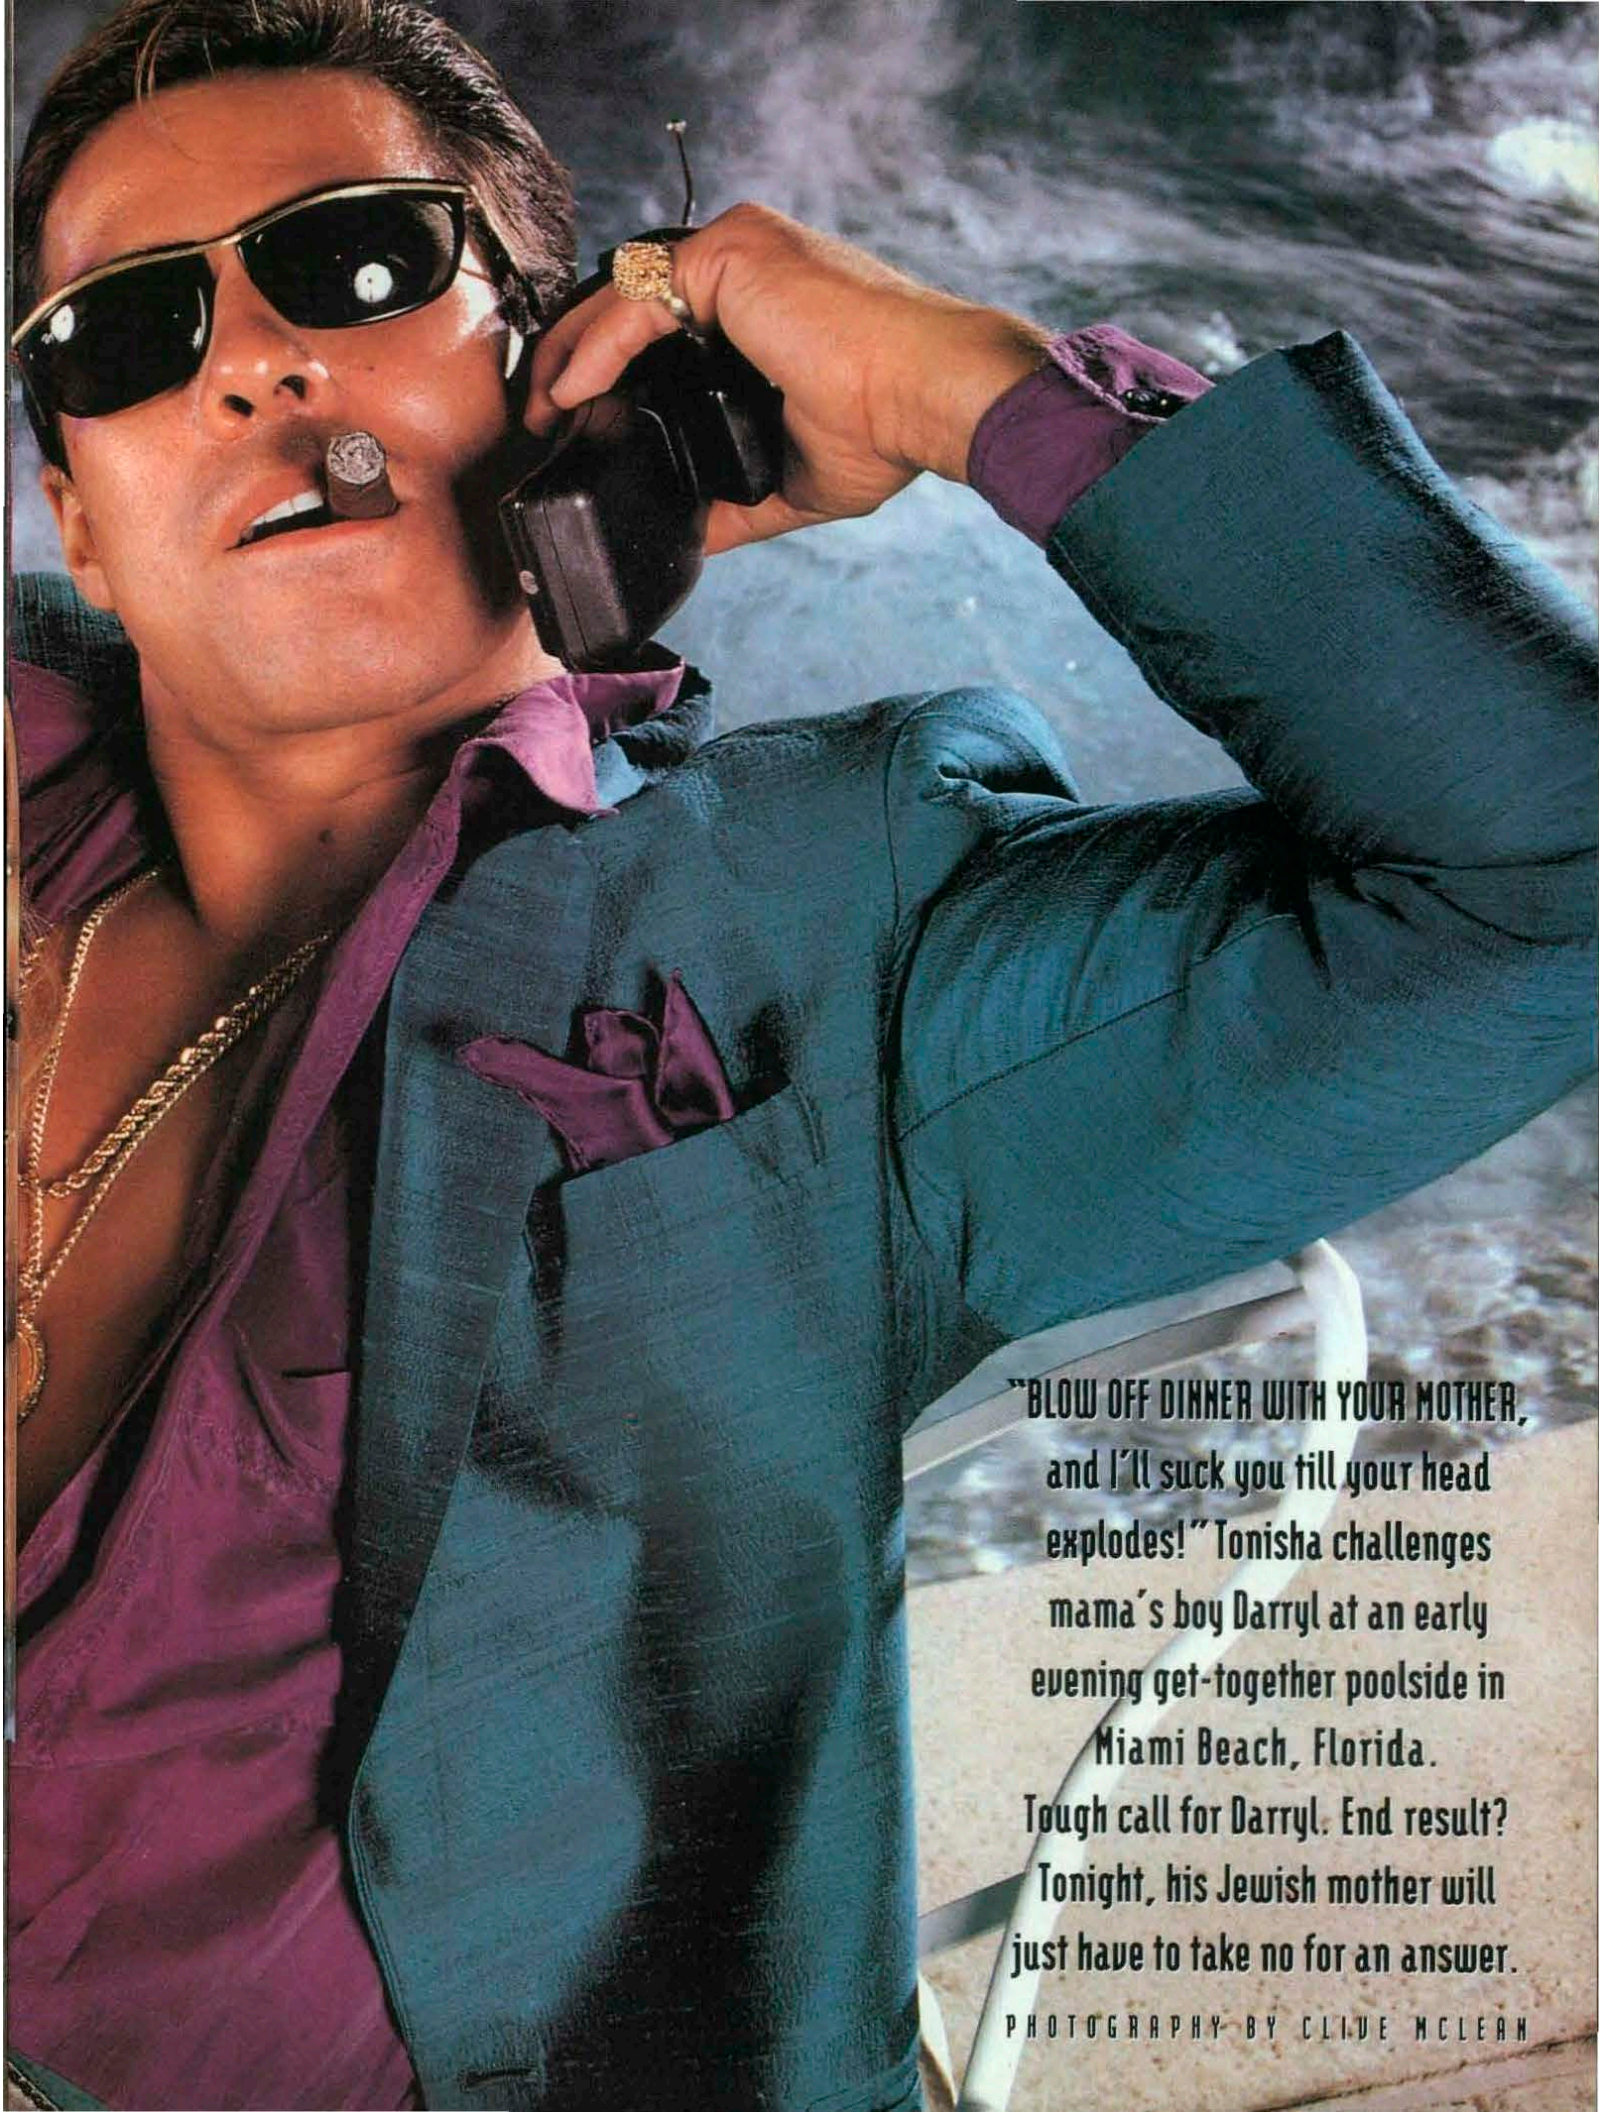

"That's another thing you do that I find irritating!"

GIRLY (continued from page 94)

I wonder why they all get so mad when, instead of shouting "Power!" I bark, "Hey, babe in the Motorhead shirt—bend over a little more!" Doesn't honesty count for anything these days?

"You mean, like *the gaze*?" I inquire.

"Sure!" she chimes. "It all starts there! You wanna know something incredible? Even here today, with all these men professing to be concerned with women's rights, I've seen one man after another gazing away like it's nobody's business. Talk about hypocrisy! It's scary!"

"Is WAC opposed to censorship?" I ask, with a gleam in my eye.

"Of course we are," Amy answers.

"So you would be willing to talk to me even if, theoretically, I were writing an article for HUSTLER Magazine?"

"Of course I wouldn't! I'd have nothing to do with you!" she answers.

"Would somebody else from WAC agree to talk to HUSTLER?"

"No way! We are categorically opposed to HUSTLER Magazine. Pornography is one of our primary targets."

"But you're opposed to censorship?"

Oops! Sore point: Amy gives me the Brush-Off, which is, in my experience, no less demeaning than the Gaze.

At that moment, a brouhaha breaks out around the main stage near the steps of the Capitol building. Jane Fonda has come out to flap her scalpel-tightened yap. "I am the face of Pro-Choice America!" she crows to the crowd. *Yowsa!* Without all that plastic surgery, the face of Pro-Choice America would be plowin' the pavement!

Conga-beats and jingle-bells molest my ear, indicating hippie-chicks in loose-fitting clothes bobbing up and down. I catch a *gaze*-ful of just that, only better: The chicks are punks, the type all too proud to show off their nipple-rings. *Yum yum!*

Multiple-retarded college boys (to whom I'd be *grateful* if they dropped *dead*) gather in a circle banging a pitiful percussive beat on coffee cans, while the green-haired goddesses in the middle of the group shake tambourines—and that's not all! Every so often, the pseudo-Ubangi bop-tune they've concocted stops, and everybody involved shouts a slogan like "*Freedom!*" or "*Choice!*"

I wonder why they all get so mad when, instead of shouting "*Power!*" I bark, "Hey, babe in the Motorhead shirt—bend over a little more!" Doesn't honesty count for *anything* these days?

Back on the stage, the peripatetic Ms. Gloria Steinem herself cracks shock-jock level jokes about President Bush's alleged infidelity. Wanna bet she was among the very first to boohoo about the Republicans' "dirty tricks" and "smear tactics" when the dirt flew toward the Bill Clinton campaign last fall? Do you think the WAC-girls will take her to task on such "scary hypocrisy"? Will Selwyn Harris be elected president of NOW?

High time, then, to deliver a little aid and comfort to the "enemy": I head straight for the nearest flambéd-fetus photo. Feminists for Life is the organization, and to the supposed freethinkers behind this day's event, they represent the ultimate pariah party, a paradox on par with Jews for Hitler or Coyotes for the Road Runner. In short, they're considered nuts.

A handsome, black woman named Naomi is the wackadoo I approach for chitchat. Explains Naomi, "Feminists for Life believes that the cause of absolute pacifism—which is to say, the preservation of peace and the sanctity of all life under all circumstances—is inherently intertwined with the root causes of feminism. One must embrace both if one is to achieve the goals of either. Feminists for Life oppose war and government abuse of human rights. We're as committed to fighting capital punishment as we are to protecting the unborn."

"I'd wager that you don't get labeled 'psycho' by our enlightened masses here when you start talking that line though," I inject like a smart aleck.

Homegirl Naomi cracks a broad grin. "You're very perceptive!"

Yeah, and I got a big dick too!

"What's more," she continues, "as a woman of color, I'm concerned with the disproportionate rates of abortion among minority women. It's very distressing."

Merrily taking the cue, I ask, "Do you know what they call abortion clinics in black neighborhoods? Crime-stoppers!"

Her grin disappears. Chitchat is over!

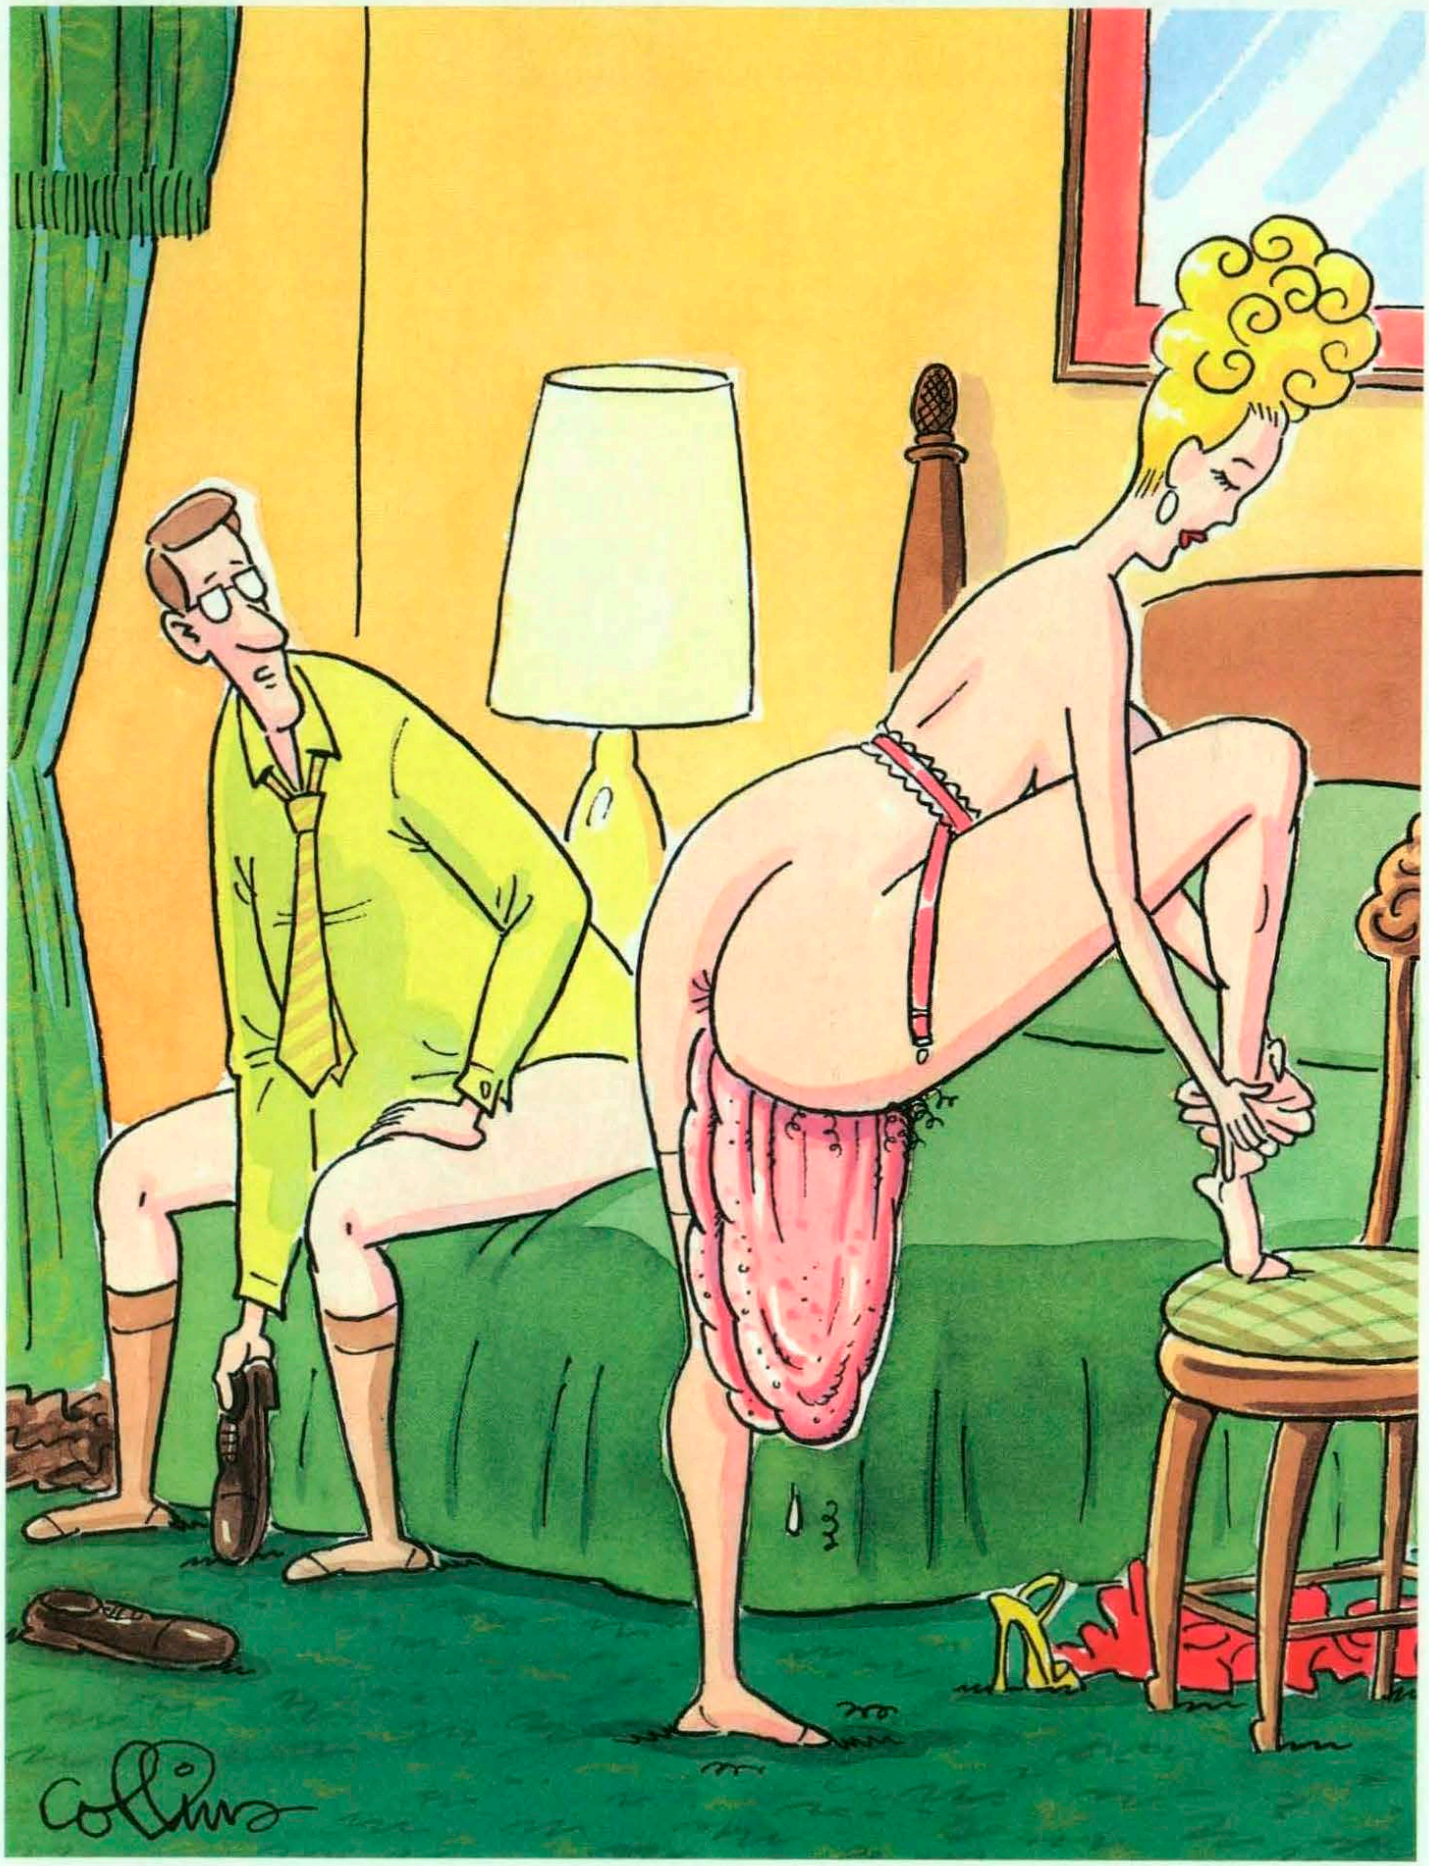

In the distance, the sky grows darker. Someone calls out, "Take back the night!" Terror freezes me in my tracks. Of the many odious sights and sounds (not to mention smells) in which I had immersed myself as preparation for this hairy-armed hegira, none was as vile as the horrific hissyfit hoedown known by those four syllables, the very mention of which shreds my brain.

Mere printed words cannot convey the abomination called "Take Back the Night," but dig if you will a picture: the courtyard of a major Ivy League Univer-

"No wonder you have such bad luck with men, Elizabeth. You just beg to be shit on!"

"How did you ever get a nickname like...uh...Dumbo?"

HELL (continued from page 76)

During a riot in 1980, at New Mexico State Penitentiary, Santa Fe, inmates used drills to puncture each other's ears and eyes, and blowtorched the faces of fellow cons.

when temperatures were taken while comparing Alabama prisons. Some inmates named Draper the toughest joint, while others gave Holman that title. One veteran ex-con insisted that the Julia Tutwiler Prison for Women was the worst in the state. "Those bitches are so mean, they'll serve your pecker to you on a plate," he said. Draper was chosen because it has the ugliest name.

Is the Alabama corrections system as bad now as it was under the zero-tolerance directive of Governor George Wallace? "It's worse," attest three former inmates. "At least when Wallace had control, the joints were segregated. After integration came along, the blacks outnumbered the whites. The Civil War is fought daily in Alabama's prison system. If you're a Yankee, don't even *think* about committing a crime in Alabama."

Alabama boasts of having the finest tracking dogs in the country. According to one Draper ex-inmate, "They use two bloodhounds to track you, and two Dobermans to eat you after you're caught."

ELLIS UNIT 1: TEXAS

Ellis Unit 1, Texas Department of Criminal Justice, is one of 36 corrections facilities in the state penal system. Ellis is one of TDCJ's maximum-security units, housing dangerous repeat offenders and capital-crimes offenders. It is also the waiting spot for Death Row inmates facing lethal injection, though the actual execution takes place 19 miles away at the "Walls" unit in downtown Huntsville.

Ninety miles north of Houston, Ellis I utilizes a single, long building surrounded by high-security fences equipped with sensors and tower guards. The majority of the inmates are housed in three-tiered cellblock wings. Movement is strictly controlled.

Ellis inmates wear coarse yarn whites. Haircuts are military style; no facial hair is allowed. The majority of the inmate population is assigned to field labor. At mealtimes, inmates file between yellow lines to the central mess hall—the Arena of Death at Ellis I. Isolated from their enemies under lockdown conditions, inmates use the mess-hall area as a common war zone.

James Jennings was an inmate at Ellis I for a few months in 1980. "We slept three men to a two-man cell, and tempers stayed on edge," he recalls. "I was in a cell with two murderers—nice guys, I might add—and one was fresh off Death Row. He was always whispering to me, 'See that guy over there—what d'ya think? Think he's out to get me? Think I oughta get him first?' Guys I've talked to since tell me Ellis hasn't changed—it's still a living morgue. If you get busted in Texas, ask to go to Mountain View, the women's unit. The bitches are only half as tough as the Ellis dudes."

FOLSOM: CALIFORNIA

Folsom Prison, located about 15 miles east of Sacramento, has been around nearly as long as the state of California; since 1880 it's been the star of movies and songs, as has its close cousin, San Quentin. For years, the title of baddest was a contest between the two famous prisons until San Quentin's security was lowered to medium, leaving Folsom to cage the real killers.

California doesn't have the fastest growing prison system in America—New Hampshire leads with a 168.7% increase in prison population from 1984 to 1990—but California's remains the largest, with more than 90,000 inmates. Folsom is home to the majority of California's hard-core cons.

"It's not the administration anymore that's kickass," states a Folsom graduate who was released in 1990, "it's that California itself is a macho state. Cons at Folsom consider themselves less criminals than prisoners of war—anarchic aggressors against the system."

Many walled prisons are known as "industrialized penitentiaries." License plate-making has long been synonymous with these prisons. According to plan, Folsom inmates will soon be kept busy making highway signs. When they're not working sign shifts, they're watching their backs.

"Too many snitches today," complains a Quentin and Folsom retiree. "Killing in Folsom is an art. The idea is not only to take out the enemy, but to get away with it. You have to know how to use a shank [in order] to maximize the internal bleeding. Crowds are good too. When you aren't in a crowd, you're too noticeable."

There ain't much way to escape crowds in a penitentiary as popular as Folsom.

JACKSON: MICHIGAN

The Michigan State Penitentiary at Jackson is the U.S.'s largest penitentiary, another so-called walled city. Recreation areas are separated, one to each wing of the prison. An inmate's worst enemy—the guy who snitched on him—might be within 100 feet of him, but he'd never get a chance to kill him. He has to make arrangements to do a "swap kill-out"—agree to kill a snitch for someone on the other side, who kills the first in return.

Copied along the lines of the Auburn System, the cells at Jackson are small and dungeon-like. Like the city (Detroit) from which most of its convicts come, Jackson is dirty, old and decaying. And like Detroit, its black-to-white ratio is three to two.

BEAVER HUNT

Photo by Friend

We wouldn't mind coming home to this housewife. Her name is Anne, she's 23 years old, and she's recently moved to Irving, Texas. She enjoys dancing and, of course, fucking, and longs to become a porn star. She certainly has the proper profile.

Photo by Friend

Acrobatic Nikki shows a pose every woman would do well to master. This 23-year-old student in San Francisco, California, will probably use her *Beaver Hunt* cash to shop for clothes, one of her many passions. She also likes people-watching and would some day like to meet a stranger, go to his place and...vacuum.

Amber would really dig a modeling career and, judging from those sharp nails, knows how to make others see her point. Until she catches her big break, this supple 28-year-old works retail sales in Vicksburg, Michigan. She relaxes by sucking off her husband while they watch porn flicks.

Photo by Husband

Who's that playing pink-a-boo? Why, it's sneaky Stephanie of Shreveport, Louisiana. She's only 18 years old and already has a ten-month-old child that keeps her busy. She's a teacher who would love to learn the ins and outs of group sex.

Photo by Friend

Flashing her lovely wares, Carrie keeps her clothes on when she works as a model/actress in New Rochelle, New York. She's 28 years old and enjoys ice skating and renovating homes. She also likes to watch people and would find it stimulating to see two straight guys kiss. We have an open mind if you have an open...ahh, forget it.

This month's winner of the hood ornament we'd most like to lick is 23-year-old Julie of Oakland Park, Florida. She's a waitress who likes volleyball, shooting pool and having sex. She dreams of a night of ecstasy with a passionate woman and her husband. May we offer our services as designated driver?

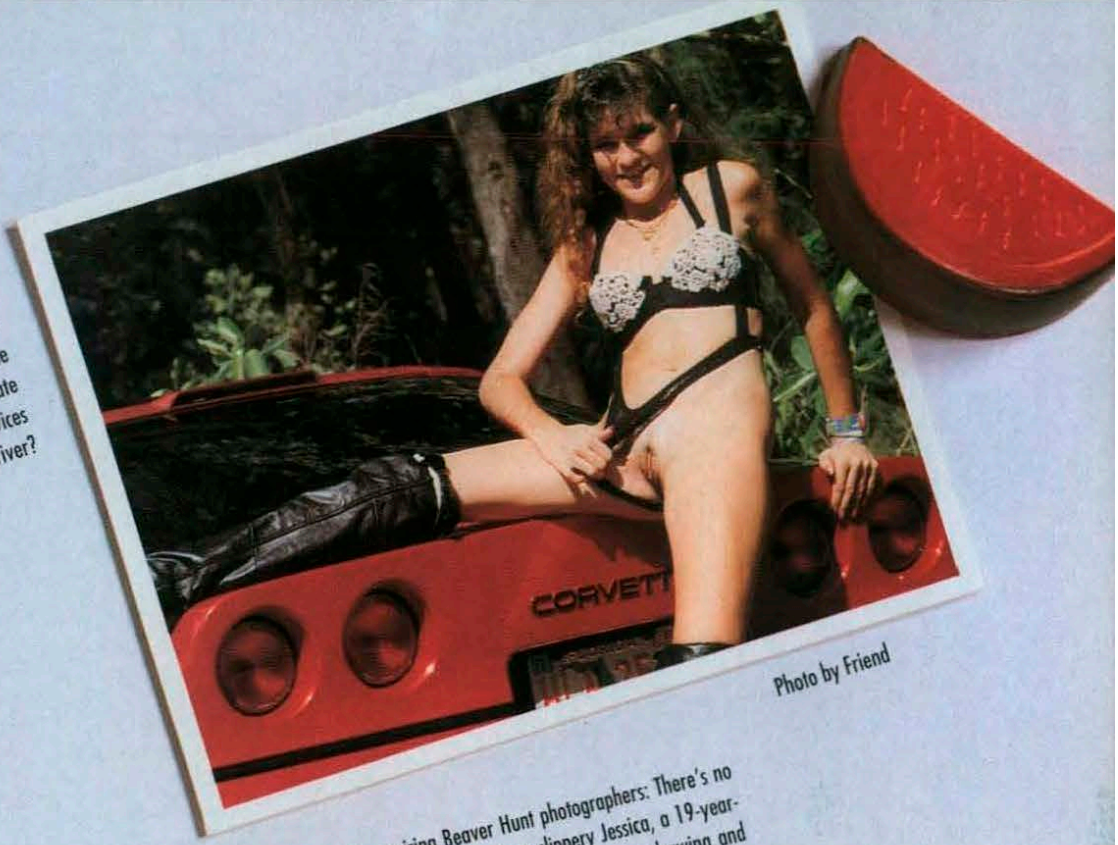

Photo by Friend

A good rule of thumb for aspiring Beaver Hunt photographers: There's no beaver like a wet, soapy beaver. Take it from slippery Jessica, a 19-year-old dancer from Piscathaway, New Jersey. Her hobbies are drawing and classical piano. Proving that business and pleasure can mix, she'd love for her boyfriend to make love to her during her onstage performance.

Photo by Lover

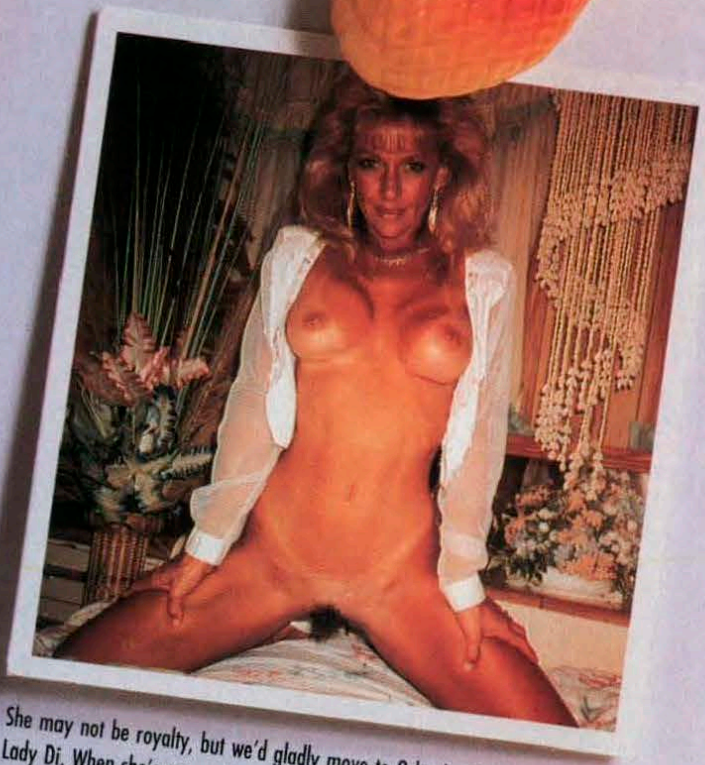

We're not sure if the nickname "Black Metallic" refers to this 22-year-old student or her fantasy: She'd like to fuck another woman with a strap-on while her lover watches. We do know she lives in Lowell, Massachusetts, enjoys music and oral sex, and is welcome to drop by our office anytime to perform either.

Photo by Friend

We have a few kinks we'd like to work out with naughty Nichole of Houston, Texas. She's a 31-year-old beautician who spends a lot of time in the gym, when she's not rollerskating or showing her Akita dogs. She's always wanted to be in HUSTLER to prove wrong a friend who claimed she was "too short." Height is the least of our requirements, friend.

Photo by Husband

She may not be royalty, but we'd gladly move to Orlando, Florida, to see lovely Lady Di. When she's not working out, sunbathing or gardening, she finds time to work as an office manager. This 31-year-old possesses two noble fantasies: making love on a beach by candlelight and winning our *Beaver Hunt* competition. We'll arrange one if you allow us a piece of the other.

Photo by Husband

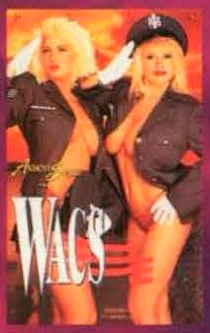

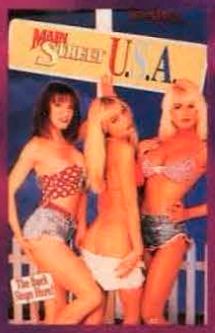

Stretched to impress, Sally works as a fitness instructor in Winsted, Connecticut. She's 29 years old and enjoys cooking and catering. She'd especially like to cater to three men at the same time. We suggest you wear a bib.

HELL *(continued from page 106)*

"If a single con at Stateville has AIDS, then everybody there has it, because fucking and bloody killings are the thing at Stateville."

A white inmate now serving a federal sentence laments (and it doesn't sound like a joke), "The best advice I can give a white man about doing time in Jackson is to buy himself a can of black shoe polish and learn to say *muthafuckah* with a drawl."

MARION: ILLINOIS

The United States Penitentiary at Marion was opened in 1963 as a super maximum-security facility modeled after world-famous Alcatraz. Because so many tourists in San Francisco complained about the conditions at highly visible Alcatraz, however, prison authorities hid their new prison in the middle of some bottomland in southern Illinois, about 300 miles south of Chicago and 120 miles southeast of St. Louis.

The poor fuckups imprisoned at Marion are secured inside a building that would probably withstand an Apache helicopter assault, surrounded by double 12-foot fences topped with security wire and eight manned towers. The cells are single-man; some units are under 23-hour-a-day lockdown. In the prison's maximum-security unit, movement by an inmate requires the supervision of three correctional officers, and the prisoner is chained and handcuffed *before* his cell door is opened.

The staff-to-inmate ratio is almost one to one. As of August 1992, there were 370 inmates housed at Marion. Many were super-criminals, while some just had the bad habit of killing anything that moved. Drug-runner and Russian spy Christopher "The Falcon and the Snowman" Boyce once had his single home in the super-secret Black Hole of Marion; two of his neighbors were spies. Carlos Lehder, the Colombian drug lord who later turned snitch against Noriega, also did time at Marion. Boyce and Lehder have moved to other jails, but a cell in the Black Hole is reserved for coke czar Pablo Escobar.

Considering that Marion prisoners can't even fart without six hacks measuring the stink, how do they manage to continue to kill each other, as well as an occasional keeper? Whoever finds out should give Federal Bureau of Prisons Director J. Michael Quinlan a call: He'd like to know.

A new super-prison with varying levels of security is scheduled to open in Florence, Colorado, in 1994 or '95, to which the inmates at Marion will be moved. Unofficial sources state that super-maximum prisoners at the new institution will be allowed to downgrade their security classifications through a "point system." Apparently, like its cruel forerunner Alcatraz, nightmarish Marion will one day become just a footnote in the history of penology.

NEW MEXICO STATE, SANTA FE

The state fish of New Mexico is the cutthroat trout; the state prisoner could be called the cutthroat Mexican. During a riot in 1980, New Mexico State Penitentiary, Santa Fe, inmates used drills to puncture each other's ears and eyes, and blowtorched the faces of fellow cons.

"When the cons at Santa Fe run out of soccer balls, they cut off some poor bastard's head and use it," swears a New Mexico State Penitentiary ex-con. Another says, "I did time at Sing Sing and thought that motherfucker was the abysmal pit. But the dudes at Santa Fe can find *more* horrible ways of killing a man and aren't above putting jalapeño juice on their dicks before gangbanging a sweetie."

Overcrowded cons at New Mexico State sleep on the floor between beds in dormitories. The 60 to 80 square-foot cells are sardine cans. According to insiders, the Mexican cons are big on butt pussy. Macho is their thing. Tattoos on their upper bodies, notches on their dicks. And don't forget the Indians—the Navajos at Mexico State aren't quite as peaceful as history books make them out to be. Being baldheaded won't help a man either: These braves are more apt to scalp his balls.

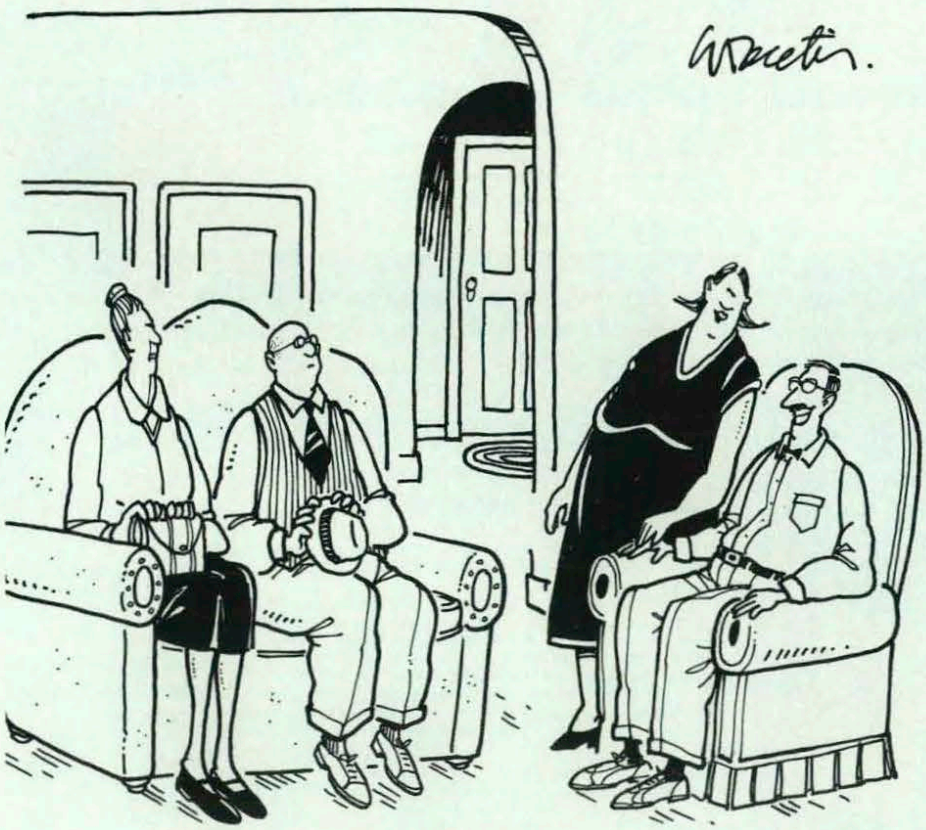

STATEVILLE: ILLINOIS

If this list had not been arranged alphabetically, Stateville prison probably would've ranked number one. Stateville is ugly. It's dirty. The hacks are mean. The cons are triple mean. The facility is an inner circle of cellblock wings, each having five tiers and no wire to stop a man from being thrown off the top to the concrete below. In bloody riots, Stateville ranks alongside New Mexico State and Attica.

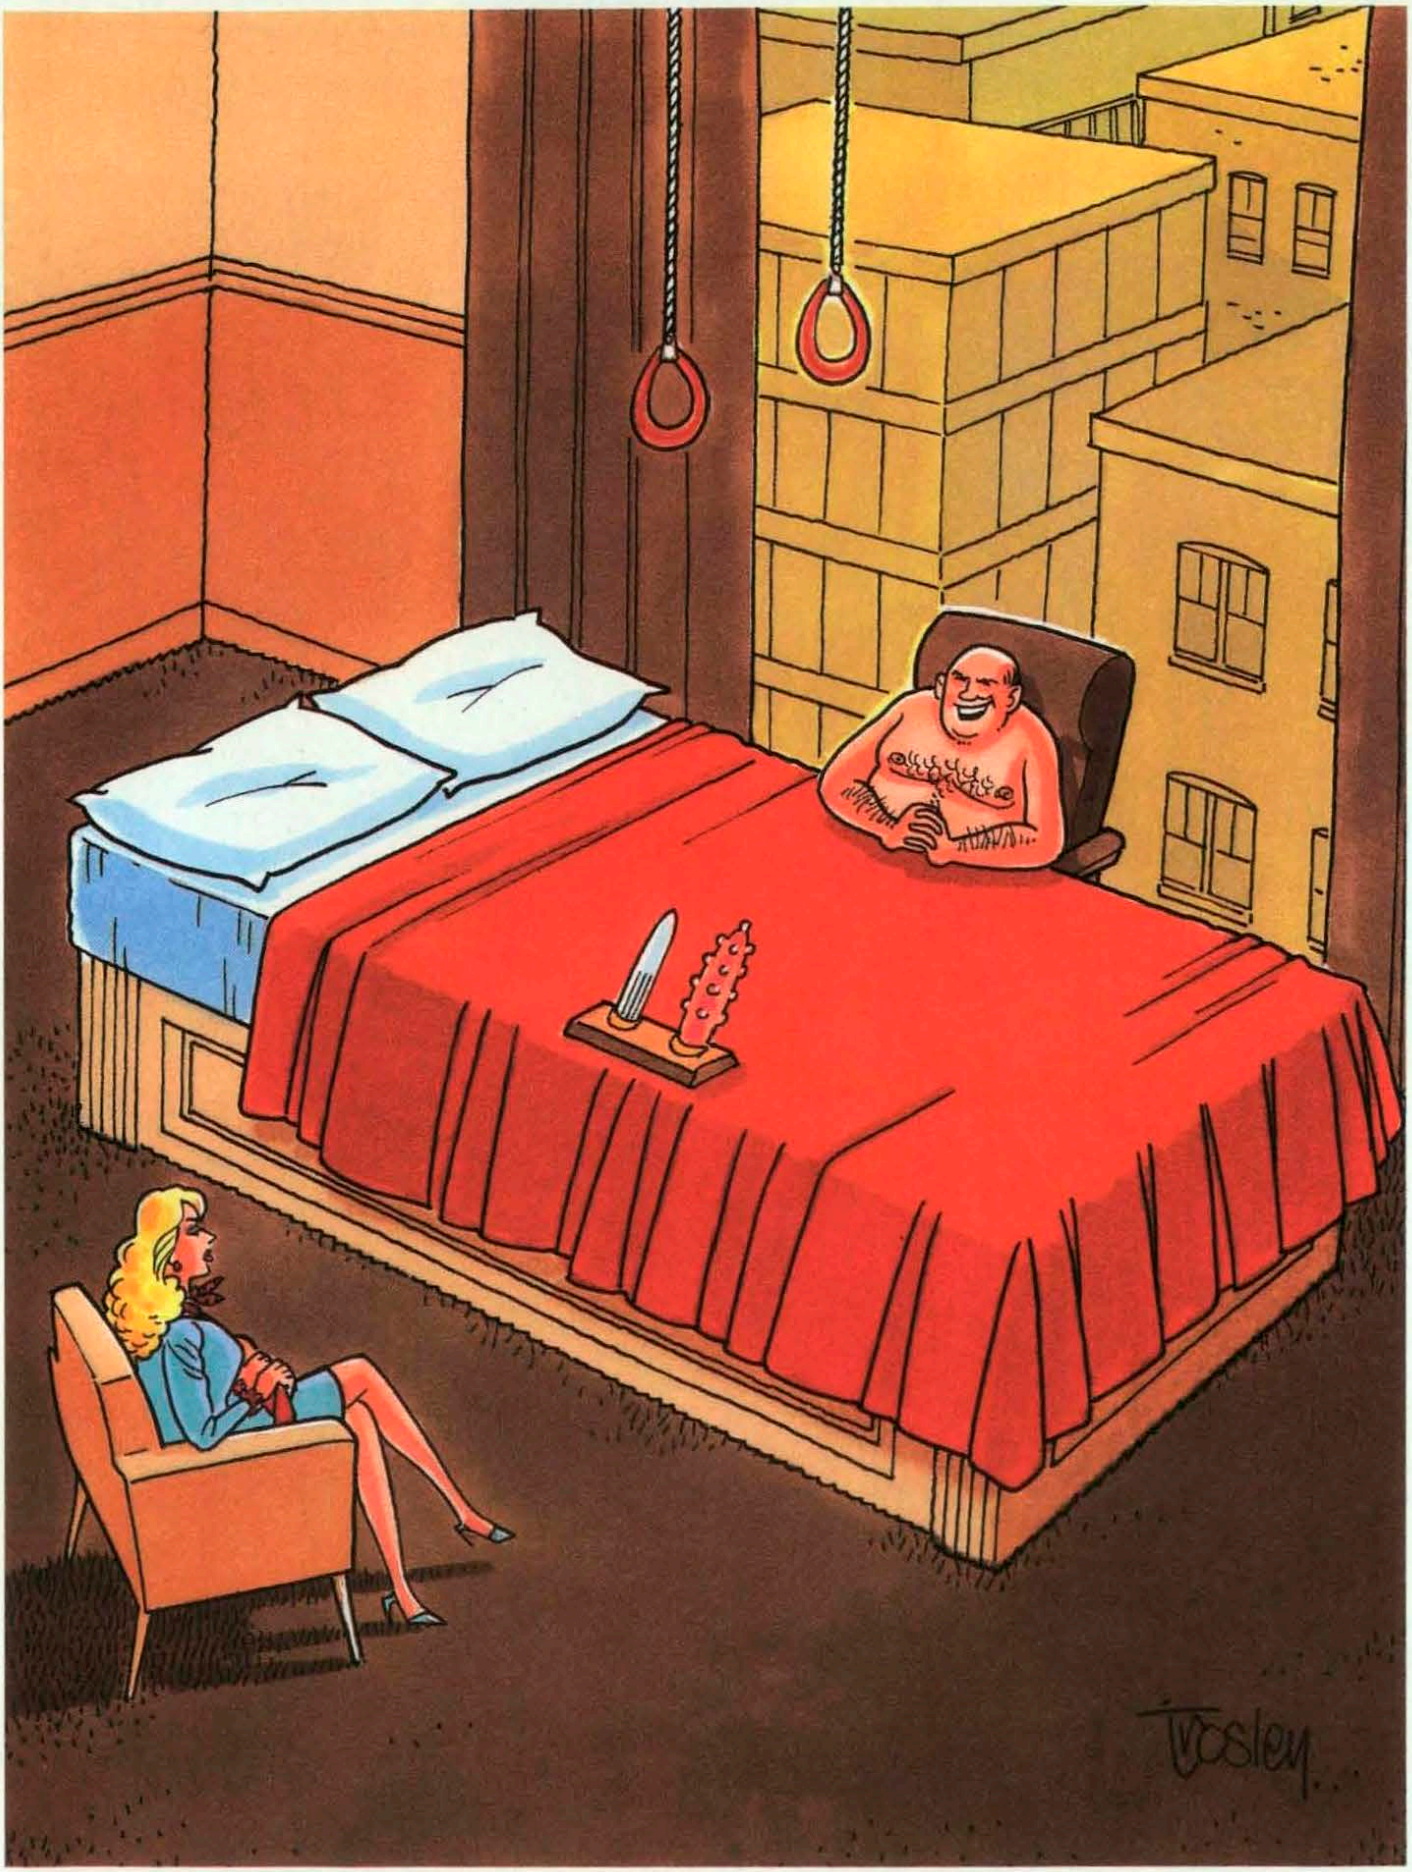

Sex is the focal point of every fried brain at Stateville; inmates are either fuckers or fuckees. Claims one ex-con, "If a single con at Stateville has AIDS, then everybody there has it, because fucking and bloody killings are the thing at Stateville. These guys aren't into silent killing. The more a man screams and bleeds, the more they love it. You can get AIDS from just being a witness to murder, with all the fresh blood spraying around."

The two rival factions at Stateville are the White Aryan Brotherhood and the Mau Maus. Working on down the ladder, there are the sweeties (turned-out prison homos), a few super-bad loners and the anybodys (free pussy for all). Turf at Stateville is not as important as sex. Boy pussy is the issue. That, and just plain killing for the fun of it.

Anyone passing through Stateville, just outside Chicago, should be sure to visit the graveyard outside the wall of the prison. It's known as Boot Hill to the cons.

"C'mon, hon...show the Weintraubs that trick you do with your butt cheeks and a plastic straw...."

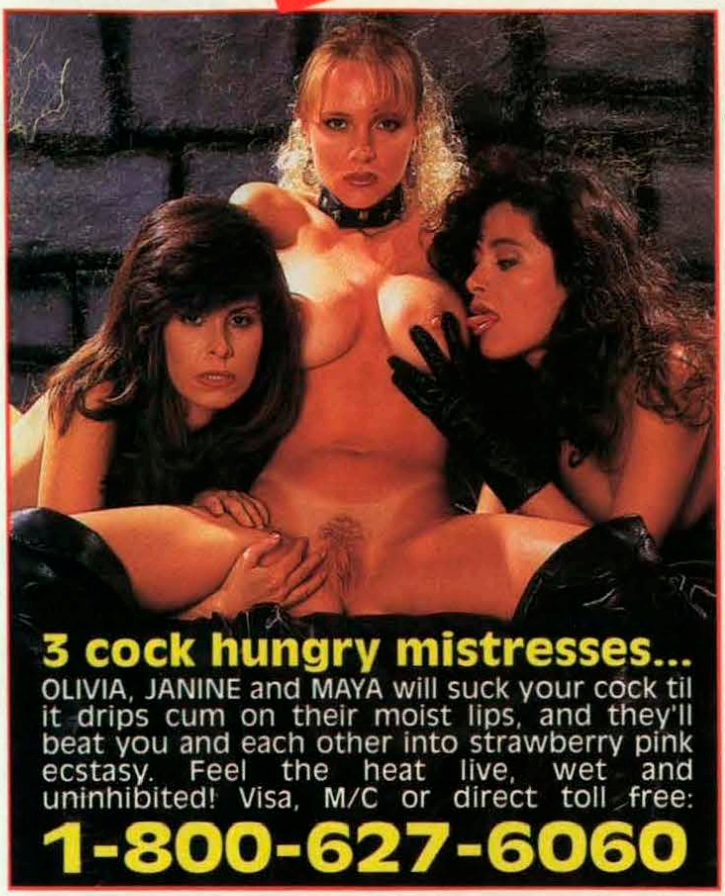

"Your duties as my personal secretary will be quite simple...."

BEACH

(continued from page 64)

While the ambivalent actor applies more lube to his (condomless) cock, Rose goes down on all fours and juts her pretty ass skyward. North straddles her cheeks. Mona Lisa pulls the globes apart. North scrapes his dick back inside the backside, presumably pushing the tiny sand intruder further up into Rose's small intestine. Despite, or perhaps as a result of the pain, Rose howls like a cum-crazed quim banshee. When North finally launches his famous milky missile onto her slender back, his first thrust accidentally splashes her right eye. The camera lingers on her "pleasure." Only after the camera stops rolling does Rose, with tears in her eyes, attempt to wipe away the errant jizzlobber. Porn's occupational hazard #316.

Meanwhile, Gere prepares for the climactic scene with Gillis that began and ended so abruptly two long months previous. A sense of relief pervades the tiny cove but, as Gillis slips into his costume, a State Parks policeman wanders onto the set.

Unfortunately, he hasn't arrived to show off the new creases in his khaki polyester, nor to enjoy the ocean view. The production has come full circle with the law, and again the production wraps before Gere and Gillis can complete the film's climax.

As a result, they'll shoot their scene, and Gillis his pent-up load, back at the San Fernando Valley cliffhanging mansion. ("I'll be really upset if we don't shoot this today," Gillis jokes on the drive back to town, "because I purposely didn't masturbate last night in preparation for this scene.") Gere will deliver the blowjob against the exterior boulders of the house, and the scene will later be edited to make it appear as if the cum sprayed surfside.

Gere strips down and, even before the camera rolls, sucks Gillis's cock like a long-lost friend. She remains in character, pushing her head deeper into his crotch. She rubs his balls, and he tugs her tits, practically pulling the nipples from their fleshy vault.

At long last, Gillis is finally allowed to cap this production with a spout of semen on Ashlyn's pearly whites. He thrusts his hips toward her face. She clenches his ass for balance. The moment of clarity arrives. Gillis sails a load across her cheek and gums. After three months of conflicting schedules and legal tangles, *Captain Butts* has beached.

Captain Butts Beach, a HUSTLER film, is distributed by Las Vegas Video.

GIRLY

(continued from page 104)

sity in New York City, crammed to capacity with dozens of politically correct, "progressive" types, all of whom sprawl before a podium upon which one ranting rag-receptacle after another "opens up" to share her "harrowing" tale of woe received at the hands (and feet and mouths and ying-yangs and just about every other organ you could name) of abusive men! Men! *Men!* All for the purpose of "reclaiming" those experiences, for "turning rage into action," for "liberation," for "empowerment."

For *shit!* Take Back the Night is a douche-draining, Kotex-curdling, ovary-ossifying Ladies' Social Tea, with stories of having to sit on ice for a week after passing out at a frat party taking the place of garden gossip and talk about the weather. Every truly unnerving, tear-inducing Take Back the Night tale I can recall is trivialized by at least ten spasming, hysterical testimonies from poseur princesses playing "put-upon."

In typical TBN lack of style, the casualty report from a victim of a father who visited his sleeping offspring with the hands-on ethics of Woody Allen is placed on equal par with the *Ms.*-reading Mauamu who convulsively recalls how some "big, fat football fuck" last semester "permanently wounded" her racial pride by coming home drunk and attempting to remove a *Malcolm X* poster from her door.

Shouts of "*Rapist!*" and "*It's not your fault!*" from the coed chorus are the same for both. "Hitch your wagon to the handicapped!" would seem to be the battle cry for a woman who equates her strife in being called "Blubberbuns" with that of a survivor of forced sodomy.

That's why all I feel is hate as I board the bus back to the peace and quiet of New York City: hate for the politicians who are trying to turn back the clock on women's rights; hate for the equally narrow-minded nincompoops who serve as those rights' most strident defenders; hate for those who'd impose their will on me in the name of God, and hate for those who'd impose their will in the name of Marlo Thomas.

As we roll past the titanically phallic Washington Monument, I wish, in fact, that the massive structure would come to grips with its identity as the biggest man-made dick on earth and explode tidal waves of earth-scorching cum to wash all crusaders into oblivion, be they pro-this or pro-that.

There's just one issue on which I am explicitly clear: What's best for me is beer. Bottoms up!

"Holy moley, Skippy—aren't we home yet?"

You Can ENLARGE, THICKEN & HARDEN YOUR PENIS TO IT'S MAXIMUM!

HAVE ERECT MEASUREMENTS OF 9, 10, EVEN 12 FULL INCHES!

Let Scott Taylor "King of Penis Enlargement" show you how!

Is the size of your penis bringing you down? Sure, the medical authorities say that size doesn't count, but as long as women have a need to be filled, they will demand the full measure of devotion. And no amount of psychological reassurance will fill the gap between expectation and reality.

Now, with a simple device you can follow in the footsteps of Super Porn Stars, Scott Taylor, Jeff Stryker and the hundreds of thousands of men who have proven that there is a way to INCREASE PENIS SIZE and THICKNESS! The device is called the SUPRA-12 VACUUM ENLARGE. A safe and proven natural way to add inches to penis length and thickness. With the SUPRA-12, you will see yourself grow to dimensions you never thought possible.

HOW CAN THE SUPRA-12 VACUUM ENLARGER INCREASE PENIS LENGTH & THICKNESS?

Your erection is caused by blood flowing into hollow caverns inside your penis. The caverns fill with blood and your penis grows in size and thickness and becomes stiffer and stiffer until the caverns are filled with all the blood they can hold. BUT, IF YOU INCREASE THE CAPACITY OF THE CAVERNS BY MAKING THEM BIGGER, THEY HOLD MORE BLOOD and you have a correspondingly longer, thicker penis. You'll see the astonishing results the first time you use your SUPRA-12. Your penis will grow inside the clear, picture window sleeve. Immediately you'll see just how really BIG. . .how really FAT. . .how LONG. . .how HARD and STIFF your own penis can get! And after regular sessions with the SUPRA-12 you'll probably find as do most men that these size gains don't go away! They become a part of you to thrill and excite her!

SUPRA-12, THE "ROLLS ROYCE" OF VACUUM ENLARGERS.

These sophisticated instruments are by far the state of the art in penis enhancing machinery. The HEAVY DUTY MANUAL model is a finely crafted precision instrument designed to create the vacuum needed to make the male organ LONG and THICKER. And for the connoisseur, the powerful ULTRA DELUXE ELECTRIC model (U.L. approved) is equiped to give you continuous even sucking power until you shut it off! The ULTRA DELUXE ELECTRIC is perfectly safe and as quiet as a whisper.

Accept no substitutes if you are truly serious about penis enlargement – join the more than half a million men who have proved that the SUPRA-12 will do the job for you!

FREE! $24.95 HOW-TO-VIDEO with every PUMP ORDERED!

SCOTT TAYLOR TAKES YOU STEP-BY-STEP AND SHOWS YOU HOW TO ENLARGE YOUR PENIS!

He'll show you what phenomenal increases he has made in both the length and diameter of his penis with careful experimentation. Finally, he has hit upon the most efficient enlargement method to date! This video tape is a full color, detailed, step-by-step explanation by Scott of what you need to know to increase your own genital size.

FULL DEMONSTRATION BEFORE YOUR EYES! ANSWER ALL YOUR QUESTIONS!

- Find out exactly what is happening to your penis to make it grow longer and thicker!
- Discover what the enlargement process really feels like!
- Find out how big you can expect your penis to get!

"A TRIP DOWN MAMMARY LANE"

If you're a "tit man." You're in for a real treat! Red-hot director Loretta Sterling (a tit freak herself!) has produced this X-travaganza of Titanic Titsex! It features the cock-hungriest Queens of Cleavage getting sucked, fucked, licked, dicked, stroked and poked! Cum-thirsty bra-busters like TRINITY LOREN, RUSTIE RHODES, SUZANNE CHASE and ASHLEY NICOLE are showcased as they unharness their awesome jugs and get down to some serious cum-spurting sex! The tape also introduces the hellacious hooters of new discovery VIVIANA – they're in-fucking-credible FF's that will have you foaming at the mouth! If you hunger for firm, succulent, big-nippled titflesh, this is a banquet of big-boob balling you cannot afford to pass up! *only* **$19.95**

Step right up – for a mind-blowing, cum-drenched look at the sex lives of a carnival troupe – a video *definitely* not for the squeamish! Meet TEIGHLOR – watch her get horny – all 550 pounds of her! She's as big as 4 women, with a sex hunger to match! See her hung black stud climb and fuck this mountain of female flesh! Then there's LOTTA LOVE – voluptuous, succulent breasts, dynamite ass, and a gorgeous face – that's covered with whiskers! You'll see this bearded lady deep-throat her lover – see his long black fuckstick enter her lovely mouth – which is framed by a full black beard! Bizarre! Then, see THE TATTOOED LADY – sensuous, painted flesh – she loves penis, but would rather spend time with her trained pet python . . .! Finally, there's BILLY BEST, the "Compact Cocksman," with the dimensions of a midget, and the fuckpower of a Giant! Short in statue, LONG on sexual prowess! It's all here – on a videotape that has been described as "Shocking," "Repulsive," and "Gross." Definitely not for everybody – don't say we didn't warn you!

Jeff Stryker's How to Enlarge Your PENIS

Enlarge your PENIS to its Maximum Potential!

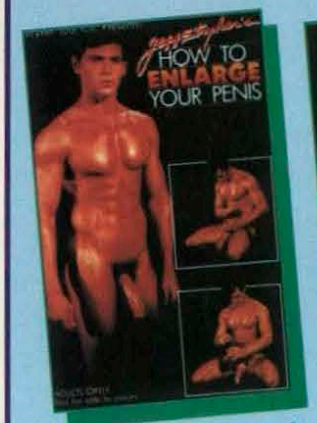

Jeff Stryker, America's No. 1 adult video star, shows you in his brand new video and magazine how he pumps up to a bigger, harder and thicker penis. Watch Jeff as he demonstrates step by step his penis power building techniques and tells you everything you need to know to increase your penis length and diameter.

Here is why Jeff Stryker's penis enlargement method can work for you.

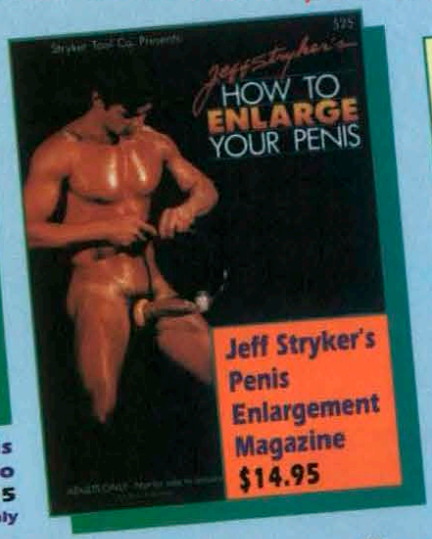

Your erection and increase in penis size is caused by the flow of blood through the many blood vessels of the caverns, a spongy substance of the penis. The penis pump allows the caverns of your penis to expand, permitting blood to fill the caverns which causes the penis to grow and become erect.

You do this by inserting the penis into the pump's clear cylinder *(you actually watch your penis grow)*. **Erect measurements up to 12 inches!**

Your penis grows larger and firmer more than you ever dreamed possible!

Jeff Stryker's Penis Enlargement Video $19.95 VHS only

World's Best Selling Penis Developer Only $29.95

ACT NOW if you are interested in penis enlargement. Take advantage of this special offer NOW!

NEXT MONTH IN HUSTLER

May HUSTLER on sale March 16, 1993

FLASH IN THE HAND

HUSTLER in May gets juices flowing with six lap-happy skin sirens sowing steam and blowing cream in a pole-wrapping party in pink. Get a greased grip on a cozy, copulatory couple of kissing misses rubbing four pairs of lips and two pairs of balloons in a finger-feel test of wet friction; tweak the nipple buttons of a bullet-breasted bewitcher casting bone-building spells of squack magic; wring in the nude with a full-figured fascinatrix and a musclebound pussyhound attaining the fittest physique by locking two able bodies in a proud, public poke; squeeze into the tight, leather boots of a hard-breaking blond bombshell whose fishnet stockings catch a whole lot to see; and take the thigh road with a free-wheelin', clothes-peelin', autoerotic tailgater who accelerates the more she pulls over. HUSTLER in May is a handful and more. Grab on.

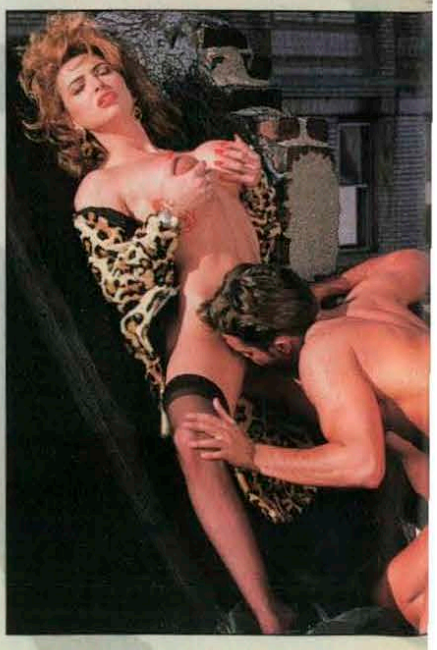

SISTER MORPHINE

Heroin addicts in the U.S. number more than 500,000, according to government statistics, and rising incidents of overdose from the deadly drug indicate smack may be the fastest-growing recreational drug of the '90s. Methadone—the synthetic narcotic developed in World War II by Nazi scientists faced with a morphine shortage—has long been condoned by American drug officials as a means of curtailing a junkie's soul-killing craving, and government-supported methadone clinics claim to lessen the spread of AIDS by injection among the junk-using community. Underneath the optimism and millions of tax dollars supporting methadone clinics in America, however, lurks a more powerful addiction to methadone itself. HUSTLER Associate Editor Scott Schalin uncovers the lies behind the methadone cure in *Bum Rush*, a sordid account of methadone-treatment patients who see the government-funded synthetic painkiller as a means of ending an addiction to smack, but find themselves enslaved to a more brutal dependence whose debilitating withdrawal makes coming off the hard stuff look easy.

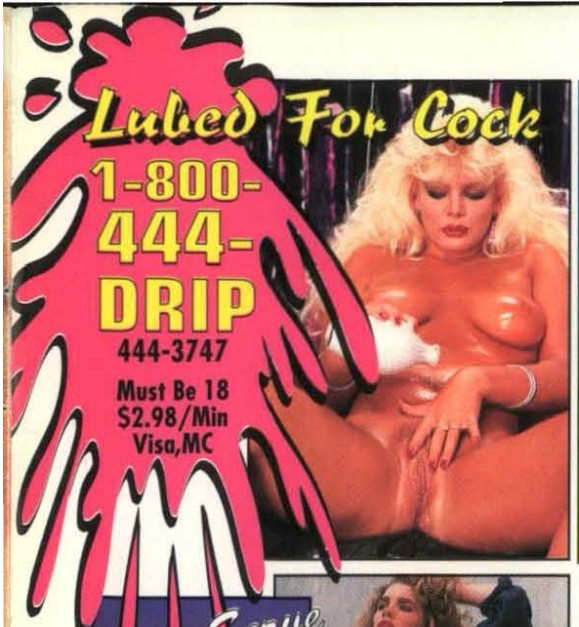

STRIP TRIP

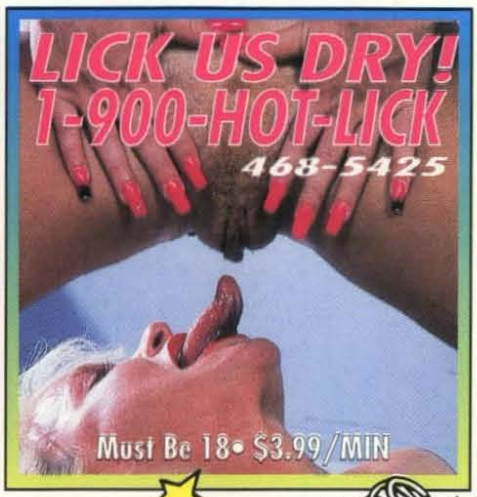

Rock-star wanna-bes have always known the quickest way to a blowjob is a headlining gig. Sleaze-scenester Chick Leonard prowls L.A.'s Sunset Strip for a hard look at the legions of aural-erotic girls who put out for the boys in the bands. *Groupie Therapy* is a titillating tour of the feminine masters of offstage jizztrionics and the musicians lucky enough to pass muster. Small-time and garage-time headbangers, take notice: These starfuckers go for almost anything that glitters.

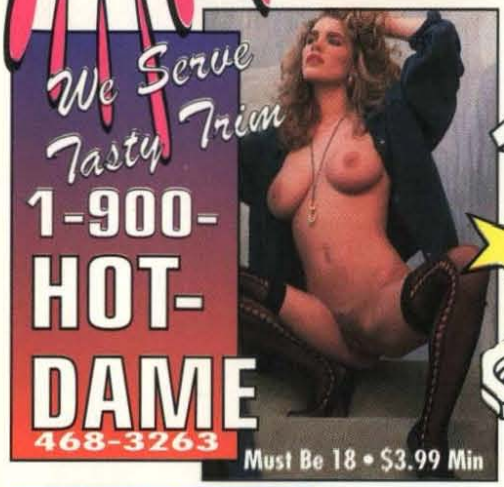

SOME CALL IT FOREPLAY

Sex addiction is a hard habit to break, but happy endings can be horny too, reports writer Rene Denfeld in "Sex Fiends Anonymous," HUSTLER's *Sex Play* for May; *Hot Letters* steams open the best kinds of screwed-up relationships; *Beaver Hunt* calls forth the ballsiest beauties in the land of the brave; and *Bits & Pieces* aims below the belt and hits pay dirt. HUSTLER in May is a sure bet to play. Take it hard—it goes in easy.
