BITS and PIECES

ASSHOLE OF THE MONTH

DAVID BATH

If a set of sphincters can't hold its own shit, then the turd ring will sooner or later soil itself and anyone in the vicinity. Take, for example, the incontinence of David Bath, 46, a former Colorado state representative and HUSTLER's Asshole of the Month for June 1993.

"I think this behavior was shocking," confessed Bath, describing acts that he had committed, behavior that is equivalent to projectile diarrhea. "There are no words I can select to properly express how disappointed I will always be in myself," continued Bath, who is peeved at letting himself get caught with his pants down and his dick in the mouth of a male child—on video.

Bath spent six years as a born-again, law-and-order Republican in Colorado's House of Representatives, bellowing for the death penalty and harsh prison terms for moral lepers such as drug criminals. Private citizen Bath was sentenced soft: He received three years probation and 400 hours of community service for felony convictions of sexually exploiting a child and conspiracy.

In 1988, as chairman of the House Judiciary Committee, Bath co-sponsored part of the law he was convicted of violating. He will appeal his conviction.

"Sometimes you blow the dirtball away when you're acting reasonable," barked Bath in 1985, arguing that homeowners should be free to shoot intruders. A videotape depicts Bath's participation in a 1991 motel sex party that included a 17-year-old kid, two very young men and a 19-year-old woman who had worked on his failed campaign for Congress. If the Colorado judiciary had taken Bath's plea for reasonable action to heart, the fallen lawmaker would be a blown-away dirtball today, and not a scumbag on appeal.

"If it were my movie," mewled boy-fucker Bath, attempting to excuse the 90-minute tape of him directing a circus of kiddie-porn sex acts, "it wouldn't have had me in it."

When the incriminating video initially came to light, Bath's first defense was to claim he had been intoxicated and unaware of any such incident. "He was pretty drunk," argued Bath's attorney, Alex Keller. "He doesn't know enough about what's on the tape to give an intelligent interview. When I ask him what's on the tape, he doesn't know."

Bath later admitted to having seen and burned what he had hoped was the only copy of the fuck tape. He'd been sober enough then to know what he was watching.

As a legislator, Bath was known as a vocal opponent of drunken drivers. However, he was notorious for building a legal practice around defending freewheeling boozers, getting the names of busted juicers from police reports, then calling them to solicit business. Perhaps his work in such cases accounts for the former prosecutor's quick grab at the too-much-hooch defense.

To his credit, former prosecutor Bath didn't rest on the alcohol ploy. He went on the offensive, filing a notice of intent to sue the city of Denver for more than $4 million after police took him off an airplane bound for Mexico and arrested him in connection with the investigation of a child-pornography ring. Investigators wanted to know how a GOP hardliner had ended up running a law firm that employed a male stripper as a paralegal and an alleged child pornographer as its video expert.

Ultimately, Bath's trial strategy was to play dumb. "I didn't have a scintilla of doubt," Bath testified as to his certainty that the kid who was slurping his penis on video was at least 18 years old at the time of the taping. Bath was too busy tending his dick to spoil the mood by asking the kid's age.

"I wouldn't have been there," said Bath, if he had known jailbait was at the orgy. "I had too much to risk to do something like that." And yet Bath, who now works as a church caretaker, was accustomed to doing "something like that," admitting that he enjoyed "the kind of party I knew was going to take place."

He simply didn't like getting caught. "The last thing I wanted was for my family and friends to see that video," whined Bath, whose wife and two daughters have yet to react publicly. "My wife," puled Bath, "is as close to a saint as any human being." Unless she's still lying with him, in which case she's right next to an Asshole.

FARTS IN THE WIND

Linnea W. Smith: A Chapel Hill, North Carolina, psychiatrist whose husband, Dean, is head basketball coach at the University of North Carolina, Linnea W. Smith sent letters to 60 advertisers from *Sports Illustrated*, advising the companies that the magazine's annual swimsuit issue is degrading to both women and children. Smith's efforts are credited with influencing Korean car maker Hyundai to pull its ads from the nips-and-cheeks tease edition. "My next car," says Smith, who plans to send angry letters to all advertisers in the swimsuit issue, "will be a Hyundai." Which would make Smith a 40-horsepower Asshole, 39 more ponies than the ass she is now.

Mia Farrow: Any woman who spread for both Frank Sinatra and Woody Allen deserves some sort of lifetime-achievement award, with special mention for poison-scalpel Valentines, shamelessly casting innocent children to a ravenous, scandal-mongering media and adopting a menagerie of humans based upon a capricious affection other spoiled adults reserve for cars or lovers. Mia is the Asshole of all mothers.

Robert Rubin: President Clinton's chief economic adviser, sent a letter to former investment-house clients, stating: "I look forward to continuing to work with you in my new capacity." An invitation to be an Asshole.

o gild his Italian toy.

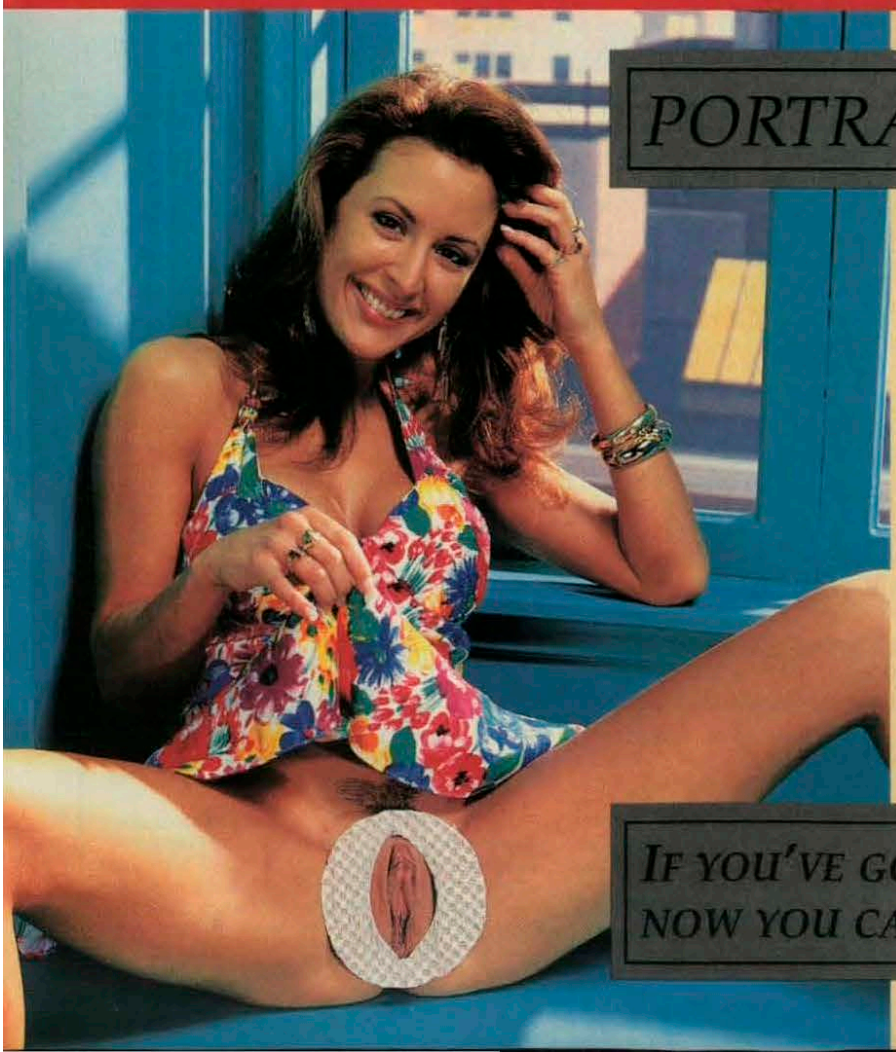

WENNER: evil yuppie?

SOMEONE doesn't like **Jann Wenner**. A magazine pictorial, which sources say is either Hustler or a pretty good parody of **Larry Flynt's** skin mag, is making the rounds of Wenner's Straight Arrow Publications, home of Rolling Stone, Us and Men's Journal. We're told it shows Wenner's head superimposed on the body of an extremely fat man who is surrounded by three nude women. The caption asks the reader to "Spot the Anti-Christ" and accuses the currently svelte Wenner of propagating "evil yuppie stereotypes." When a concerned staffer (as opposed to the ones who're really enjoying the pic) brought the mag to Stone p.r. honcha **Linn Tanzman**, sources say, she ripped it up. Her comment: "It's not a magazine that deserves any credence."

SPOT THE FURIOUS FLUNKY

The *New York Post* reported that not all of Jann Wenner's employees were rolling with laughter over our pillorying of their bloated boss in February's "Spot the Antichrist" feature. So some fucking *Rolling Stone* ginch doesn't think HUSTLER Magazine deserves any "credence?" We look forward to the credence spewing from the next millionaire junkie the *Stone* places on its cover.

PORTRAIT OF A FUCKER

About six years ago, I decided to stop fucking. I tried cold turkey, but my boyfriend caught me sneaking cocks through the bathroom window.

Then my gynecologist suggested a patch for my snatch—the Dickoderm patch. One patch curbs my craving for cock and puts my cunt back into my hands.

FAST FOOD FOR THOUGHT

Parody. Not to be taken seriously. Celebrity head pasted on to our model's body.

Bill Clinton loves fast food. Half-brother Roger Clinton loves making an easy buck. So, when President Clinton overturned the ban on fetal-tissue sales, Roger carved an entrepreneurial niche. Every McFetus burger is marinated in amniotic fluid for several months and served on a fresh yeast bun.

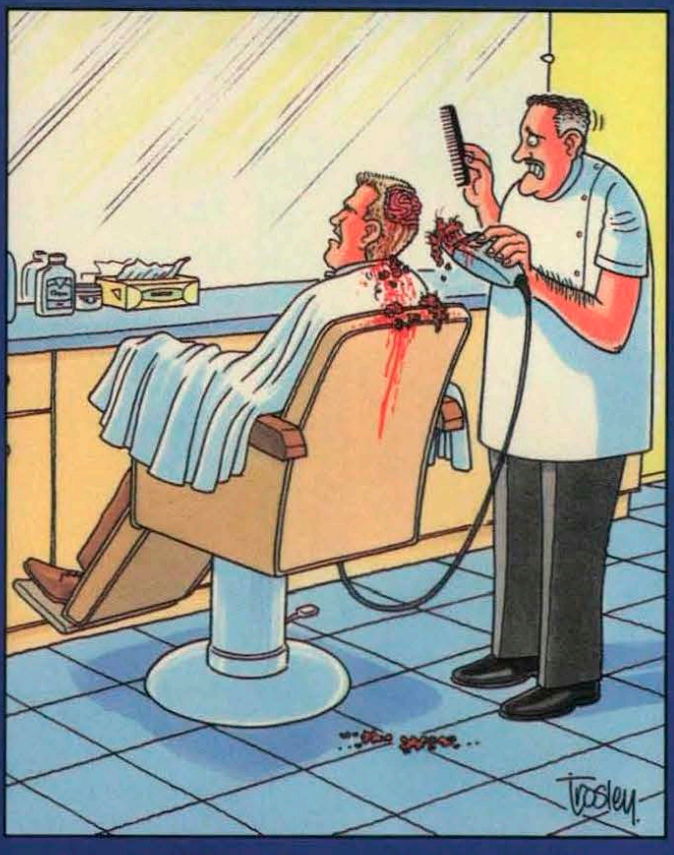

Sure, our competitors serve burgers with traces of fecal bacteria, causing an occasional death, but we guarantee a healthy hunk of shit in every bite. Just our way of ensuring population control without messy abortions.

Porn from the Past

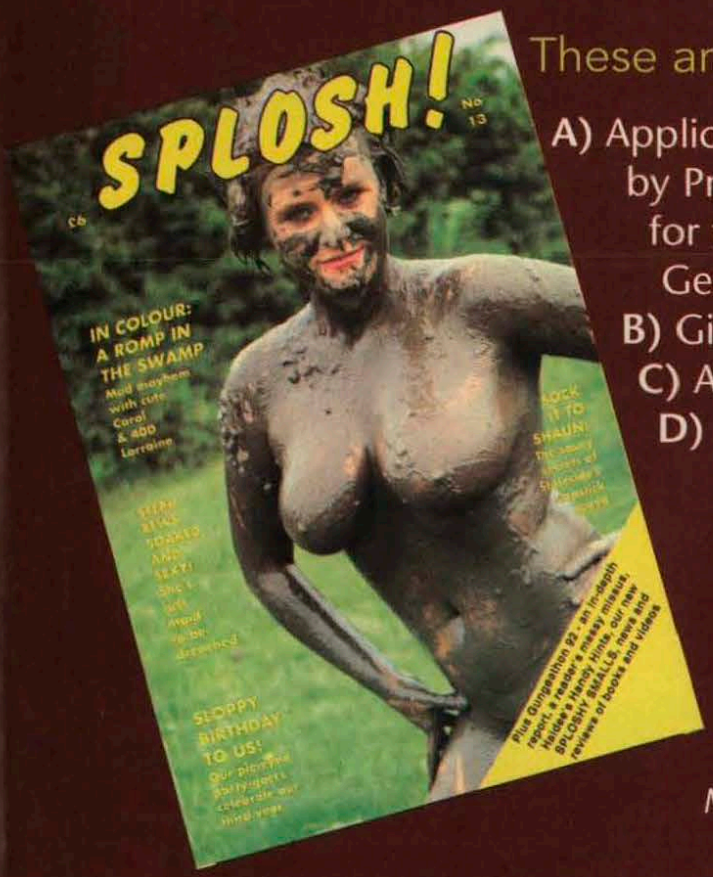

Remember when making love was like baking bread? A woman would first knead the loaves, then split the top, add butter and let it bake right in. Tony Steiner receives $150 for this classic culinary cooze, and so can you. Send ye olde smut to HUSTLER's Porn From the Past, 9171 Wilshire Boulevard, Suite 300, Beverly Hills, CA 90210. Only those entries that include a self-addressed, stamped envelope will be returned.

Parody. Not to be taken seriously. Celebrity head pasted onto our model's body.

She's the biggest bitch to hit TV since Lassie, which makes **Shannen Doherty** of *Beverly Hills 90210* HUSTLER's Grudge Fuck of the Month. Congratulations! Who's up next?

VULVISECTION

A researcher inserts a steel-belted pussy to gauge the effects of dick-deprivation on the vaginal walls.

During a crude lobotomy, a cerebral-wave recorder is bolted to this woman while a technician searches her brain for traces of intelligence.

Silicone Valley—For years, animal-rights activists have protested vivisection experiments that mutilate animals in the course of marketing consumer products. Protester organizations, such as People for the Ethical Treatment of Animals (PETA), have overlooked similar horrifying experiments conducted upon human females.

Chanting, "Women are animals too!" members of CUNTT (Citizens Upset by Negligent Twat Testing) demonstrated outside a laboratory where vulvisectionists mutilate females to increase their usefulness to men. "Muff is murder!" decried CUNTT head, Phil McCrevice. "Despite what surgeons believe, larger breasts and smaller brains do not make better women."

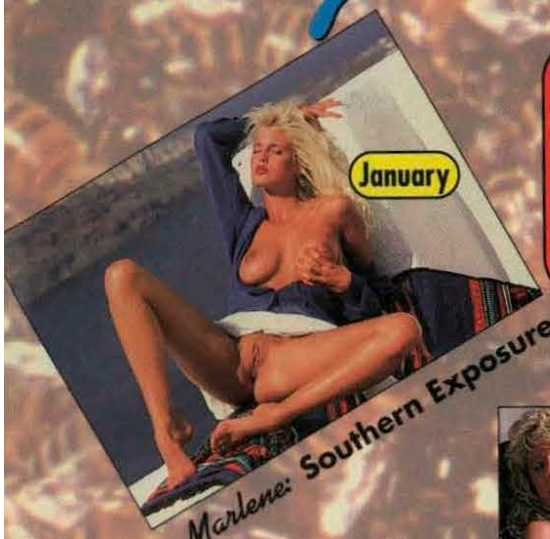

In defense of the experiments, Doctor Dick Rot replied, "Men have trouble understanding women; so science is here to help. It's not like we're torturing monkeys or anything." Medical examiners maintain their experiments conform to feminist guidelines, citing the steel-belted cunt that was designed with ultra-feminist Andrea Dworkin in mind.

Although HUSTLER was the first publication to denounce the testing, the editors would like to see more laboratory photos. What becomes of the women after the experiments are concluded remains unclear, though many are suspected to have entered the X-rated-film business.

HOT LETTERS

OF MICE AND SEMEN

Every time I open the goddamn paper there's more bad news about Navy guys. We're either drunken molesters at Vegas conventions or homos fighting for the right to fight. Most of us, however, are decent men devoted to our country and the pursuit of honest-to-goodness pussy.

When I was first assigned to the base, I didn't know shit from tobacco, and had trouble making friends. Then I met a guy named George. I felt sorry for George; he was a tall, skinny dork who grew up on a farm in Nebraska, with a dickhead father and an asshole brother. So much time was spent hiding in the barn that George became a social retard more comfortable with his furry, animal friends than cold-hearted humans. I sympathized with George, and even though I outranked him (I'm a Boatswain's Mate, second class), I still got him drunk, sick and laid for the first time; in fact, all three in one night.

I took him to a bar where the "seals" hung out—those are the slutty broads who prey on Navy dudes. George was nervous, but the draft beer eroded some of his insecurities. We made a play for a sexy blonde seated alone at a tiny, round table. She wore a short, black skirt that hiked higher up her leg as she shifted in her seat. Her meaty thighs pressed into the vinyl chair. She wore a white top knotted at the cleave, strategically displaying her flat stomach and chunky navel. I asked if we could join her, and we did. Her name was Maggie. I guessed she was English from her English accent.

A few beers later, I made our pitch. "Have you ever walked the deck of a ship by moonlight?" I asked as my hand stroked her silky stockings under the table. Her exposed thigh was like warm butter in my paw. "It's very romantic."

"Won't we get in trouble?" she slurred. I could tell George was excited by the wet stain over his crotch. As Maggie grabbed her purse, I motioned to his dick. He saw the problem and, unfortunately, so did she. "Well, well," she smiled, "you boys won't get started without me, will you?" I don't know why, but George laughed so hard that his last swig of beer spewed from his nostrils. I made a pact with God that if we still got laid after all this, I'd go to church every Sunday for a month.

God was definitely with me as we walked to our ship. It was late, and because it was Christmas weekend, the onboard staff was at a minimum. The on-duty OOD (Officer of the Deck) was a buddy of mine, and he unsuspiciously followed when I pointed out what I thought was a tiny crack in the hull. Meanwhile, George and Maggie scurried aboard from the opposite direction. Once they were safely onboard, I presented my ID and casually walked to the ship's aft, where the two were hiding near a massive gun turret. The reflection of the moon against the water was so bright, it looked almost like midday. We sipped a flask of Southern Comfort she'd hidden in her purse, and I kissed her mouth. Her lips were warm with the taste of liquor. I untied her shirt's knot and pulled the fabric aside. Her tits were a solid mouthful, wet with sweat. Her light-pink nipples reddened as I scraped my teeth against them.

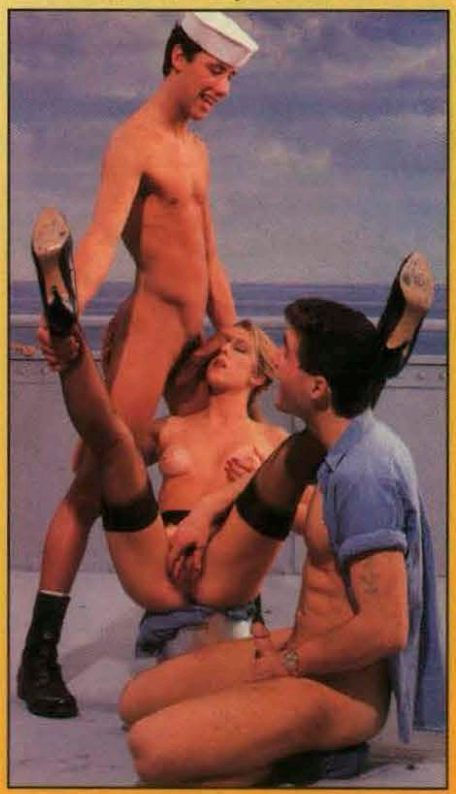

Despite his awkwardness, she seemed excited by the thought of plucking George's cherry. "Let's give him a quick lesson," she murmured, and slid her hands down my chest. She freed my dick from my Navy blues and spoke like a first-grade teacher to a naive pupil. "First, I take his cock and lick it like this." Her tongue tickled the underside of my shaft. "See," she smiled, "I don't bite."

I knelt down. She leaned back. I slid her slutty skirt down her smooth legs and torpedoed her ass with my teeth. I bit her round rump until she screamed. "Take it easy, doughboy," she shrieked. I slid my tongue under her black stockings, tasting her sweet thigh sweat.

"Come here, George," I said, opening her lips with my hand. "Slide your tongue along the pussy like this." I probed her twat with my tongue, inhaling her musty juice. Her gristle throbbed in my mouth. "Have a taste," I told George. He put his mouth on Maggie's hot box and sucked like a baby. Soon he was lapping at her cunt as my dog laps at a dirty dinner plate.

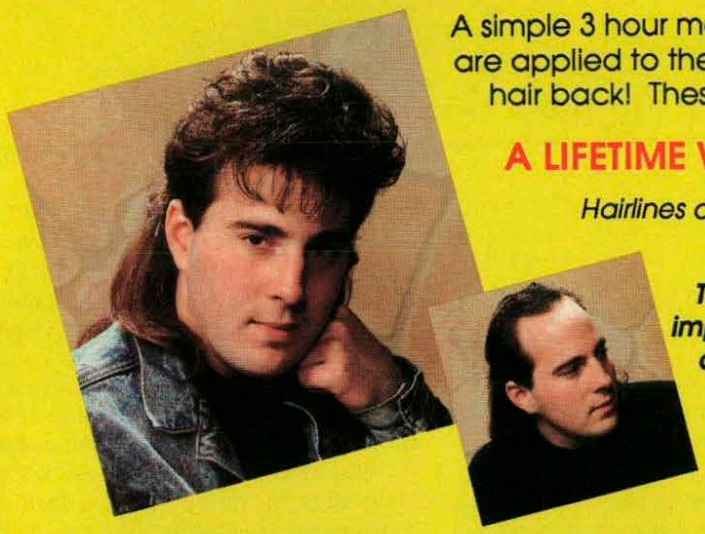

"Why doesn't one of you stick your Navy dick inside me?" I slid inside a condom and mounted her. She was slicker than well-shined deck. I pounded away, my balls slapping her butt in sync with the waves against the ship's hull.

George stared in awe; her cunt muscles squeezed my cock like a pair of handcuffs. Still, my pace never slowed. I'd spent too many blue-balled nights to worry about pleasing a chick now; this fuck was just for me. *Wham, bam*, fuck you, Ma'am!

I dug my fingers into her meaty thighs and pushed one last time into her deepest space. "Bombs away!" I grunted, and yanked off the condom. The first long, gooey line of chum splashed her craning neck. She moved her face closer to my launcher and caught the next jizzball with her bottom lip. The rest of my load dribbled

HOT LETTERS

"Squirt your pee all over my creamed cunt! Don't want to get in trouble with Daddy, do we? He might spank me!" She was moaning as she stroked herself.

off her chin, across her neck and slithered snake-like between her pert titties.

"All right, George, old man," I exhaled, "it's your turn." The girl helped George out of his duds. I played with her pussy while she played with his dick, slapping it playfully against her forehead. George looked pale as she tickled his ball sac with her tongue, and he practically poked her eye out with his boner.

She stood and stuck her ass 60 degrees due north. I knelt beside her pussy and opened the purple target with my hands. She reached between her legs and fiddled with her clitty while George fumbled with a rubber. "Slide him home, my man!" I encouraged. George moved the tip of his prick a quarter-inch from her snatch and prepared to push through. I gave the pussy a kiss for luck, but as I moved my face away, the condom was already filling with jizz. George's mouth was frozen with shame.

"I'm sorry," George moaned like the big, dumb idiot that he is.

"That's okay," I smiled. "There'll be other rabbits to fuck." I patted him on the back. "But don't let a full condom go to waste, my boy. Slide that sucker off and dump it on her face." George smiled again, proud to serve our horny cuntry.

The girl had sat down. George removed the condom carefully, stood over her head and squeezed his juice from the scum bag. The chunky load fell into her half-open mouth. She held the cream like a trophy on her tongue, then gulped the stuff in one swallow. I gave them both a salute.

She kissed George on the mouth—I didn't have the heart to tell him not to—and as I walked her off the ship, George stayed behind to wallow in his first taste of love and also puke with gusto over the side. Another great adventure thanks to the Navy. Hell, even church on Sunday ain't so bad. —BM2 L.S.

BOY, DID I GET A RIGHT NUMBER

Let me ask your readers a question: Is phone-sex cheating? I have a terrific girlfriend who gives me great sex and companionship. I've never thought about another woman sexually since we've been together. Having said that, last week I was climbing out of the shower when the phone rang. I wrapped a towel around my waist and scampered to the living room, but picked up the receiver a second after my machine had clicked on.

I waited until my outgoing message had stopped and then said, "Hello." The person on the other end was still there. The following conversation was accidentally recorded by my machine, and I've transcribed it to get your advice.

"Is Kenny there?" Her voice was deep and raspy.

"I think you have the wrong number," I said, still drying off.

"Really?" she returned, slightly upset. "This is the number he gave me."

"Well," I shrugged and started to hang up, "I'm the only one here."

"Damn it!" she huffed. "You can't trust anyone!"

"Excuse me?"

"I'm sorry," she sighed. "It's just that I met this guy last night, and he told me to call him at this number. He seemed sincere. I guess I should've known.... Fucking Italian."

"Well, you can't trust any guys," I snickered. "We're really all scumbags."

There was a pause. I thought she'd hung up till she asked, "What's your name?"

"Don," I lied.

"Do you have a girlfriend, Don?"

"No," I said quickly. What the fuck! Always keep your options open, right?

"No girlfriend, huh?" She considered this information for a second. "May I be frank?" The conversation was getting interesting. "I love sex. I mean, I really love sex and everything, but most guys just want to fuck. They don't care about who I am."

"Well, who *are* you?" I sat down on the sofa. My dick was starting to grow.

"I'm Nikki."

"Well, you sound very nice to me, Nikki. If I *was* that guy, I'd want to get to know you."

"Really?"

"Sure."

"Do you believe in fate, Don?"

"Of course." I always agree when chicks ask stupid questions.

"This may sound weird, Don, but will you do something for me?"

"Name it," I said.

"Grab your cock."

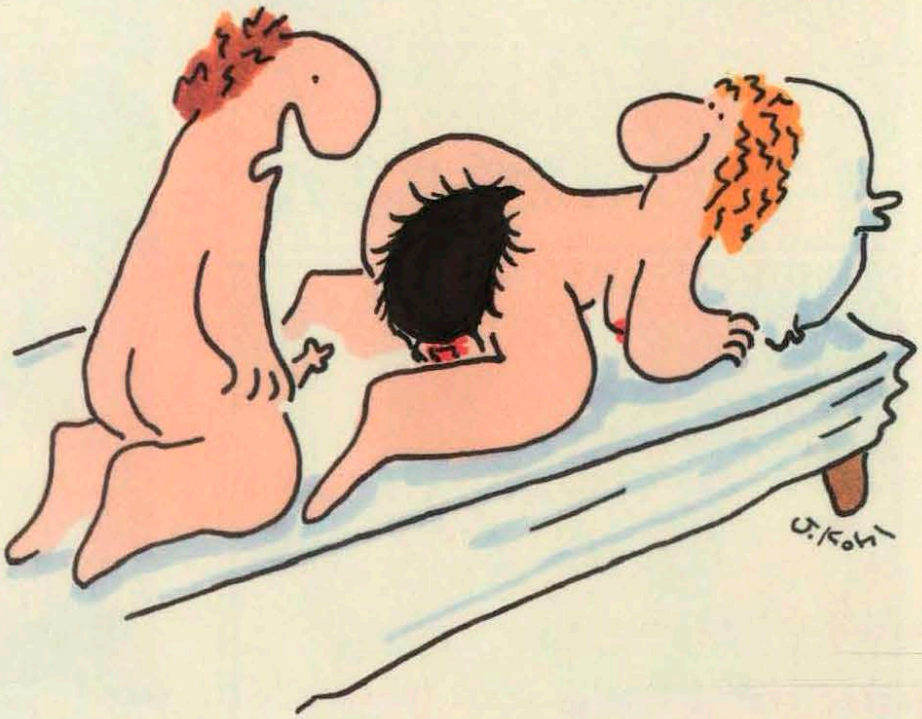

"My cock?"

"Yes."

A quick scan of my apartment assured me *Candid Camera* hadn't dropped by; so I pulled my foreskin aside and stroked my clean shaft. "Describe yourself, Nikki."

"I'm 5-5 and 115 pounds. I have green eyes and straight, blond hair. I work out; my body's pretty tight. My breasts are

SODOMANIA 1

Half Erect. *Directed by Patrick Collins; starring Kiss, Brittany, Francesca Le, Nicole London, Cheri Lynn, Tiffany Mynx, Lacey Rose, Roscoe Bowltree, Rick Masters, Tony Tedeschi and Randy West. Videocassette: Elegant Angel.*

The good folks at Elegant Angel put the hard into hard-core with a distinctive stamp of ruthless raunch, but in this case, less would've been more. Clocking in at nearly two and a half hours, *Sodomania 1* is overlong and undersexed. Kiss only introduces the four vignettes, taking time out between fucks to bang her box. The first frolic finds Randy West smooth-talking novice Cheri Lee's gash. It starts off fairly routine, but when Francesca Le steps in, the teste temperature soars. West turns Francesca into a sneering anal queen with a blistering boning of her butt. Next is a down-and-dirty dig with Nicole London and Tony Tedeschi. London proves she is a true butt-girl by begging for one more finger and then going delirious as he pumps her up to his knuckles. Fetishists should be on red-alert for the Tiffany Mynx/Roscoe Bowltree encounter, in which Mynx paints her toes red as a prelude to a foot-sex frenzy. While they don't fuck, Bowltree hungrily sucks on her toes, eventually jerking off all over her feet, which Mynx lovingly licks clean. Finally, a threeway with Brittany, Lacey Rose and Rick Masters produces a definite crotch bulge, with Rose being riveted rectally. The sex is strong, but enduring the sizzling sins of *Sodomania* shouldn't be such a chore. —*Sam Lowry*

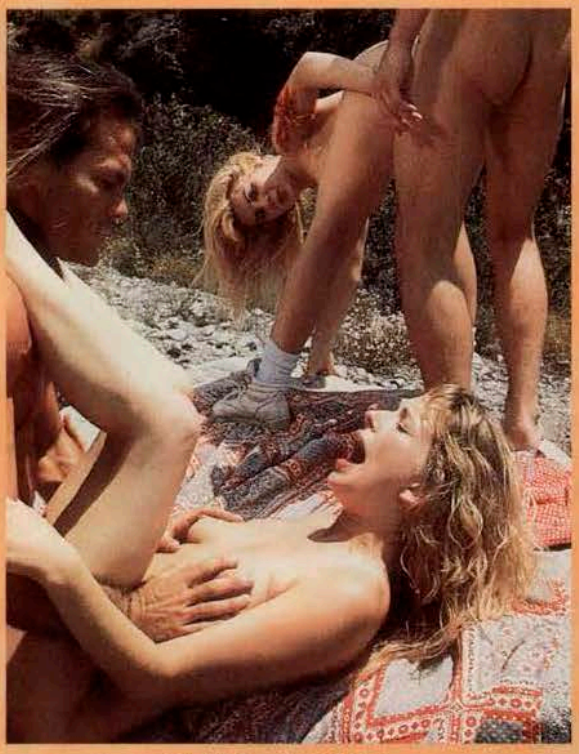

For the finale, Rose is riveted rectally.

London needs another finger.

*Hightower judges Lisa **XXX**.*

*O'Dell is the only **Wild** beaver.*

MALCOLM XXX

One-Quarter Erect. *Directed by Jim Enright; starring Crystal Wilder, Mona Lisa, Sheila Stone, Micky Lynn, Toy, Ron Hightower, Jonathan Morgan and Jimmy Z. Videocassette: Odyssey Group.*

Despite the title's wordplay, the movie steals from Eddie Murphy's dull *Distinguished Gentleman.* An ordinary guy named Malcolm somehow gets elected to porn's supreme XXX court. His first case involves getting off client Mona Lisa, which he does atop a folding table. Director Jim Enright has quickly emerged as porn's latest squack hack: He's churning out substandard hard-core at the expense of little things like interesting camera angles and making the sex hot and real. The opening fuck between Jimmy Z and a roly-poly Negress named Toy gets the flick off to a horrendous start. From there, a yawning clitty fest between Crystal Wilder and Micky Lynn ensures viewer limpness. Jonathan Morgan and Sheila Stone provide the movie's only point of interest. Sheila looks enough like Hollywood bitch Sharon Stone to create a fine fantasy, as the camera closes in on her bright, red asshole and the chum that clings to her clit like a gob of spit in the face of Hollywood. —*Seth Roberts*

RACQUEL IN THE WILD

One-Quarter Erect. *Directed by Paul Thomas; starring Racquel Darrian, Christy Canyon, Kelly O'Dell, Marissa Malibu, Jon Dough, Derrick Lane, Biff Malibu and Nick East. Videocassette: Vivid. Shot on film.*

As the conclusion to the nominal storyline that began with *Christy in the Wild,* things only get worse with *Racquel.* Curvaceous Racquel Darrian is a hitchhiker who's been picked up in the middle of nowhere by Jon Dough, Christy Canyon and Derrick Lane. A couple of bikers (Nick East and Biff Malibu) are after Darrian, but for what reason is anybody's guess, except maybe to fuck her brains out, which they don't get to do. Three sex scenes are all this paltry porn offers, with Kelly O'Dell the only beaver that's remotely untamed. Darrian finally does something other than look great in cut-off shorts that creep up her crack, as she tastes the fleshy fruits of Lane, Canyon and Dough on top of a bench. *Wild* is tame and lame. —*S. L.*

REALITIES 2

Three-Quarters Erect. *Directed by Layne Parker; starring Ashlyn Gere, Teri Diver, Melanie Moore, Bionca, T. T. Boy, Marc Wallice, Steve Hatcher, Tim Lake, Jake Williams, Jerid Storm, Kris Newz and Dizzy Blonde. Videocassette: Zane Entertainment.*

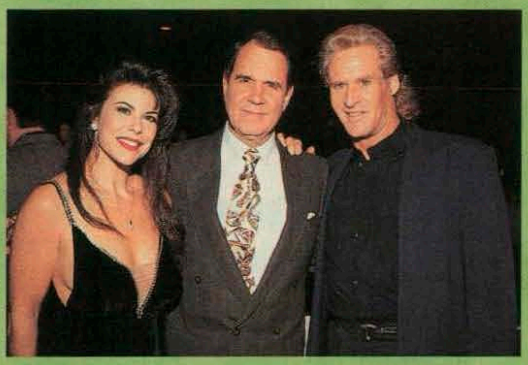

A worthy follow-up to last year's scrot scorcher, *Realities 2* is Ashlyn Gere unbridled. Gere's opening threeway with Teri Diver and Jake Williams is only a mild warmup for what's to come. Gere starts the real fornicating in a poolside orgy with four horny volleyball players who fill her face and hole with a quartet of cock. It's short, sticky and very sweet. The joys of double dating are shown in the fourway with Gere, Bionca, T. T. Boy and Marc Wallice, as they pair off for terrific tooling—both ladies get logged up the ass. Gere works out with Melanie Moore, with Moore shaving Gere's gash, then dripping hot candle wax on Gere's tits. Steve Hatcher comes in to add his helping hose. What can Gere do for an encore? How about getting double-penetrated by Boy and Wallice in a ferocious fit of raw, animal passion. At the end, Gere asks the drained viewer, "I wonder what can be next?" —*S. L.*

*Spurting cocks are Gere's **Realities**.*

The Envelope, Sleaze

Gene Ross and Paul Fishbein are two crazy capitalists who created *Adult Video News*, a monthly smut sheet filled with the friendliest porn reviews money can buy. The *AVN* marked ten years of coddling the XXX industry at January's Consumer Electronics Show in Las Vegas, with a pseudo Academy Awards ceremony at Bally's main ballroom, a sizable venue, but not quite big enough to accommodate porn's collective ego. Held to acknowledge the productions of 1992, the show made awards in nearly 70 categories, including the much-anticipated Best Music for a Gay Video and Best Marketing Campaign, an honor bestowed upon a video that wasn't even released last year. No matter. The *AVN* show isn't about accuracy. The annual exercise is a tuxedo-clad circle-jerk from *AVN* to all its advertisers. The joke is watching so many smut peddlers and performers take it seriously. Fishbein and Ross might not know a good fuck flick if it jumped up and bit their dicks, but they've tricked an entire industry into believing its own press releases. Comedian Rich Little rubbed elbows with Ona Zee and Randy West, then left. Multiple-award-winner Ashlyn Gere celebrated with Wil "Wesley Crusher" Wheaton on the convention floor.

POOR LITTLE RICH GIRL

Half Erect. *Directed by Jim Enright; starring Alexis DeVell, Crystal Wilder, Mona Lisa, Alicia Rio, Celeste, Marissa Malibu, Lois Ayers, Randy West, Steve Drake, Jonathan Morgan, Tom Byron, Jon Dough and T. T. Boy. Videocassette: X-citement Video.*

The title represents the flick's most glaring features: poor pacing, little story, rampant stupidity and fuckable girls. The collection of hardbodies begins with Alexis DeVell, a stout brunette who slides her fiery, red pussy lips down Steve Drake's sweaty pole in a hotel room. The scene shifts to a strip bar owned by Randy West who actually manages his first decent cum-shot in years down the throat and across the neck of the intensely slutty Crystal Wilder. The movie's other fucks are standard fare, lowlighted by Tom Byron slapping his newly inflated beer gut against Celeste's ass before spilling foam onto her back. Lois Ayers makes a nonsex cameo, just long enough to flash her sculptured nipples. —*S. R.*

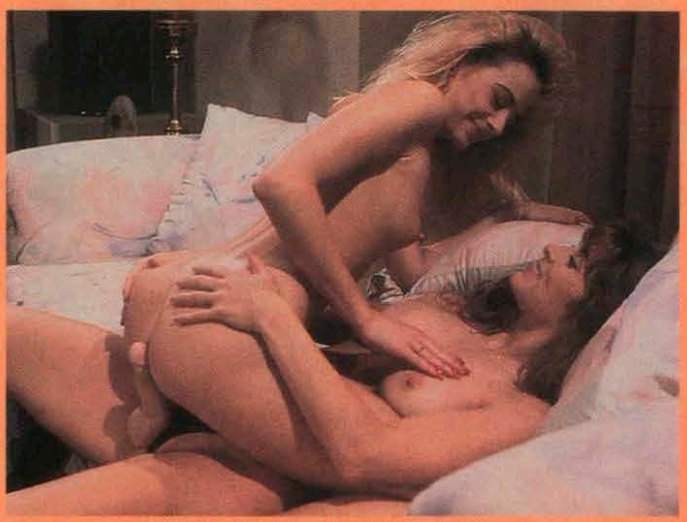

*Rio's pussy may be **Rich,** but it ain't little.*

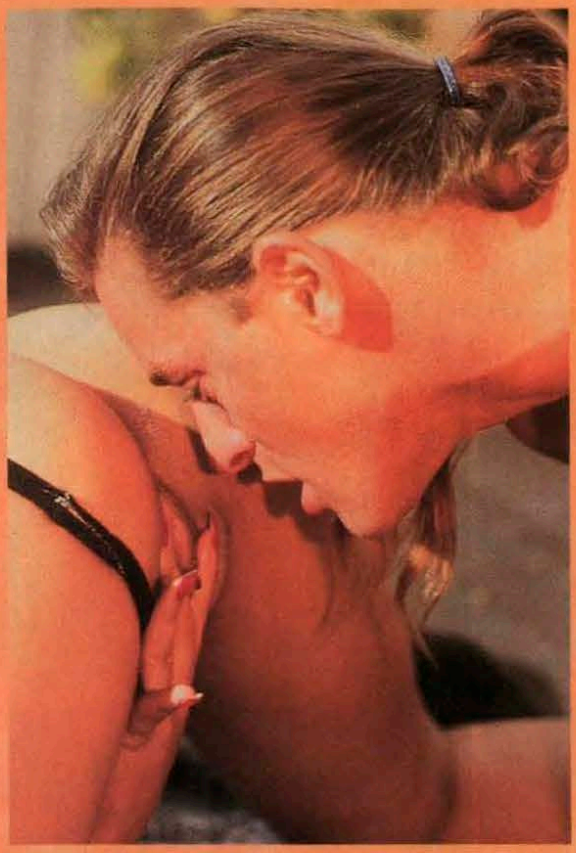

DEEP INSIDE SHANNA MCCULLOUGH

One-Quarter Erect. *Compilation; starring Shanna McCullough, Ona Zee, Lynn LeMay, Tracey Adams, Sharise, John Leslie, Randy Spears, Joey Silvera, Peter North, Tom Byron, Marc Wallice, Steve Powers and Nick East. Videocassette: VCA.*

Since Shanna McCullough was never a superstar, is there any reason to get deep inside her? VCA must think so, as they've slapped together eight of the auburn-haired bimbo's "best" scenes for a greatest-hits package—porn's equivalent to a Ringo Starr solo album. Most of these lackluster scenes prove why McCullough never graduated to porn's major leagues. Even a potentially powerful fourway with Peter North, Tom Byron and Joey Silvera misses the mark with poor cuts and cum-shots that hit furniture instead of flesh. Between the sex, McCullough gives an interview that reveals such secrets as, "Being a porn star gave me a chance to live a lot of fantasies,"—and to eat a lot of doughnuts, judging from her doughy paunch. The best scene was nabbed from the Dark Brothers' *White Bun Busters*, where McCullough endures a DP while sucking Byron dry at the other end. Diehard McCullough fans will be in over their heads. —*S. R.*

*McCullough goes **Deep** inside Sharise.*

*This doggy's packin' **Hard** sex.*

*Georgette is shaved right in front of **Us**.*

HARD RIDER

Three-Quarters Erect. *Directed by Fred Lincoln; starring Teri Diver, Porsche Lynn, Meekah, Francesca Le, Jake Steed, Marc Wallice and Peter North. Videocassette: Intropics.*

In this quality production about the wild and wanton West, Teri Diver inherits a 2,000-acre spread that she has to rustle away from cousin, and evil land baron, Peter North. Screw the plot. This doggy's packin' hot sex. Tops is a foot-stompin', rectal romp between North, who's hung like a bull, and the petite Francesca Le, who grimaces in pleasure/pain with each ram of the horn. The tape's strength lies in its herd of horny cocksuckers. Porsche Lynn, sporting a shaved pussy and nipple slave ring, sucks like a pro, as does Le, who takes a bucket of cum in the face after bouncing North's dick off her tonsils. It takes Marc Wallice and Jake Steed to satisfy Meekah's voracious appetite for cum, and in the finale, Diver throats Wallice. A blowjob Bonanza.

—Tony Cara

A SHAVER AMONG US

Half Erect. *Directed by Max Steiner; starring Kiss, Georgette, Chanel, Alicia Rio, Meekah, Jonathan Morgan, Jake Williams and Kris Newz. Videocassette: Zane Entertainment.*

The fact that a desperate dick-tugger will eventually empty his balls while watching *A Shaver Among Us* isn't exactly a sterling recommendation to slip it into your VCR. This serving of masturbation-helper is for the sexually impaired wanker who is threatened by a pussy in its natural, grown-up state of hairiness. There's something submissive and vulgarly innocent about an adult female with no pubic hair—a little-girl woman far removed from the average reality of high-maintenance gash with demands. The shaving action is plentiful, but not all the babes get defoliated. Meekah, who doesn't even get undressed, and Alicia Rio, whose huge woman-hole conjures images of the folds of a just-slept-in comforter, remain unsheared. Chanel, her ankles held next to her ears, her knees spread wide, has a "clean-shaved, baby-fine pussy" worth a few whacks.

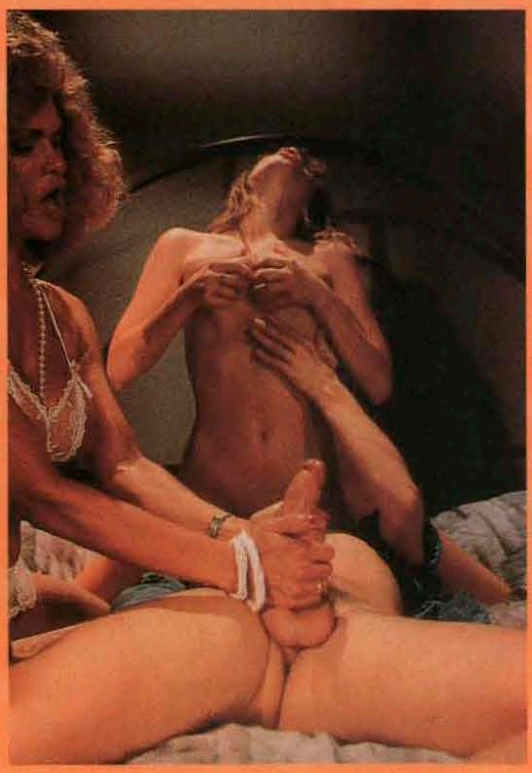

—Scott Mallory

ANNIVERSARY

Half Erect. *Directed by Edwardo Dinero; starring Taylor Wane, Jon Dough, Nicole London, Celeste, Sierra, Gayle Michelle, Paul Cox, Tom Byron and Nick East. Videocassette: Total Video.*

Director Edwardo Dinero is a friendly, happy-go-lucky porn pusher who has genuine affection for the pretty girls in his movies. Dinero also has feelings for his audience, providing plenty of what whackers want to see—long, lingering looks at the pussies of those pretty girls. Taylor Wane's furry, blond box is particularly inspiring as Nicole London licks and probes it. Wane's tits, despite their colossal cup size, don't get much attention, mostly staying harnessed in a blue bra. The best, and the sleaziest, scene is a threeway in which Gayle Michelle and Sierra pummel Jon Dough with pussy. Michelle, an exciting slut with big tits and a nice tan who looks like a Tijuana-whore version of Porsche Lynn, inhales cock with so much fervor that the sight is sure to cause more than just Dough's dick to spew.

—S. M.

Anniversary: *Michelle celebrates with sleazy cocksucking.*

Is It In?

One of the things that brought the law down on the Pure Pleasure lingerie auction in Las Vegas in January (*Agent Double-O Sex: A Spy in the House of Scum*, page 94) was an alleged dildo violation of a good-natured rube from the audience. According to witnesses, Lacy Rose strapped on a fake wanger, pulled the guy on stage, dressed him like a French maid and pumped his fat ass. After riding him like a bull in a rodeo, Rose reportedly pulled out and made him suck her prick clean. Rose, who was busted along with ten other women, says the action was simulated.

WILD INNOCENCE

Half Erect. *Directed by Paul Norman; starring Shayla LaVeaux, Alexis DeVell, Celeste, Patricia Kennedy, Woody Long, Steve Drake and E. Z. Ryder. Videocassette: Pleasure Productions.*

Wild Innocence has only one thing going for it: Shayla LaVeaux. The sinfully young fuck slut hires on as a maid for suburbanites Woody Long and Celeste, then blackmails hubby for cheating on his wife. Before LaVeaux's hot box is breached, viewers suffer a tedious Patricia Kennedy/LaVeaux/Alexis DeVell group grope, and Celeste's so-so seduction of television repairman Steve Drake. Finally, Kennedy and LaVeaux share Long's prong in a double-lick threesome that ends with Kennedy taking the shaft joyfully up her ass. It's classic smut, rivaled only by the raunchy, outdoor rump romp E. Z. Ryder has with LaVeaux just before the credits. It's just a shame that with such a knob-tingling starlet, the director relied on a pathetic script and production facilities that made the tape look like a third-generation dub. —*T. C.*

Long takes advantage of LaVeaux's ***Innocence.***

BUTTWOMAN DOES BUDAPEST

One-Quarter Erect. *Directed by Patrick Rollins; starring Tianna, Trunde, Jaqueline, Lucia, Gabriella, Judit, Lara, Gizzella, Frank, Mike, George and Charles the Interpreter. Videocassette: Elegant Angel.*

Some bimbos never shut up, even with a dick in the mouth. Buttwoman Tianna is like that. As a result, this potentially salacious salute to the butt-banging babes of Budapest is often irritating. The premise has tin-throated Tianna roaming the streets with her camcorder, videotaping and joining in with the spontaneous hump and grind of naughty, native Hungarians. The sex is a mixed bag. Two lesbian scenes drag on forever, while a horny hotel maid, Jaqueline, delivers a truly inspired, scum-rocketing blowjob. Four of the honeys even take dick up their Budapest bunghole, although, being Eastern European exotics, it might have been wise for them to shave between their ass cheeks first. —*T. C.*

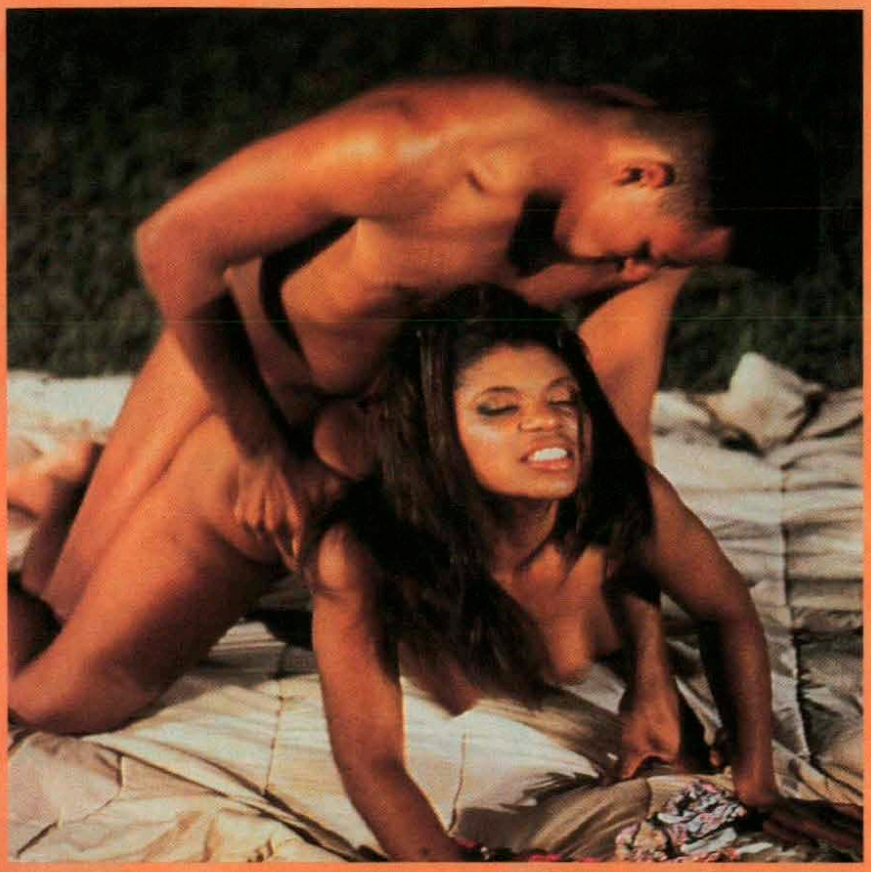

Budapest *babes need their cracks shaved.*

TIGHT PUCKER

Half Erect. *Directed by Robert McCallum; starring Teri Diver, Alana, Peter North, Rebecca Bardoux, Devon Shire, Sean Michaels, Janet Jacme, Kris Newz, Julian St. Jox, Cal Jammer, Brett Brennan and Austin Moore. Videocassette: Western Visuals.*

There's no sense spending a lot of time writing about *Tight Pucker.* The producers didn't spend much time making it. Here's why it's worth a look on a lonely Saturday night: Alana, a sleazy, blond cocksucker with the pale-white complexion of a career nude dancer strutting toward her fourth decade, expands her economic horizons by wildly butt-plugging herself with Peter North and smiling under a torrential cum facial; the thick, juicy, hairy slabs of twat tenderloin Devon Shire keep warm between her firm thighs; Teri Diver's unmistakable glee as Kris Newz erupts in her face; and certified cum-eater Rebecca Bardoux, who snacks at the throbbing troughs of North (pouncing on his pole with her mouth so as not to miss a drop) and Sean Michaels (whose protein pump polishes her teeth at the end of her first DP). Bardoux, by the way, shows signs of being a true cock-crazed nympho, going absolutely berserk when, with Cal Jammer filling her pussy, Michaels inserts his big, black roto-rooter into her ass. It's always a pleasure to see an artist get into her craft. —*S. M.*

Jacme's asshole isn't exactly ***Tight****.*

large, not fake or anything, but firm and kinda pointy."

"Pointy?" I laughed.

"Yeah," she blew into the receiver. "I go to a tanning booth and have dark lines where my underwear creeps up my ass."

"I'll bet you have a tiny pussy, Nikki."

"Actually," she giggled, "my pussy lips are large, but when I pull them apart I'm very smooth and pink on the inside. My girlfriend makes fun of me. She calls my pooty 'prime rib.' "

"Um, I like prime rib. I like it with lots of creamy horseradish." (Not exactly poetry, I know, but it sounded good in the heat of the moment.)

"I'll bet you lick pussy really good," she purred.

"Give me your address," I answered. "I'll let you be the judge."

"Too late. I'm already wet." She said something I couldn't make out over the rustling of the phone and then continued. "I just pulled my sweats off. I'm naked now. I'm sliding my finger along the outside of my pussy. Are you hard?"

"Like a brick."

"Uh huh. Rub your cock while I rub my clitoris."

We shared a moment of mutual masturbation before I said, "Nikki, touch your breast. How does it feel?"

"Warm. Soft. My nipple's getting stiff."

"Tell me what else to do, Nikki."

"Do you have any pre-cum yet?" she asked me softly.

"Yes."

"Move it around until your head is slippery wet."

I did as instructed. "It's wet."

"So's my pussy. I want your cock in my pussy. I want you to fuck me while I tickle my asshole. My asshole's so small. I wonder if I could fit you inside."

"Put your legs in the air," I demanded. "Now shove two fingers in your pussy."

"Say 'cunt,' " she moaned.

"Shove two fingers in your cunt! Move 'em fast; I want you to fuck your cunt hard. Do it!"

She yelped on the other end and moved the receiver down to where the action was. "Can you hear me fucking my cunt?" The sloshing noise practically soaked my ears. "I'm gonna come for you, baby. I'm gonna come all over that beautiful dick stuck deep in my cunt. Grab your big cock and rub as fast as you can. Slap it against my big pussy lips; ram it back inside. I want you to come. I want to feel your sperm swimming inside me. I want it to spill out of my cunt. Make it nasty."

"I'm gonna mess up that pretty cunt!" I yelled. I slipped my hand off my dick's head and blew waves of sperm onto my stomach and over the head of my shaft, until my crotch was covered in hot semen. "Do you feel it, Nikki?" I strained.

"Your cock is so strong!" She made a little squeaking noise and exhaled. "My pussy's such a mess." There was an electric moment of silence I hoped would never end. Then she whispered, "Hose me down, Don. Can't let Daddy find out."

"Hose you down?" I asked.

"Yeah. Squirt your pee all over my creamed cunt! Don't want to get in trouble with Daddy, do we? He might spank me!" She was moaning as she stroked herself.

"Nikki?" I said hesitantly. She was turning out to be a freak.

"Pee on me, dirtbag! You made me dirty, now fucking clean it up!"

The chick went mental, calling me a two-faced prick. I hung up. Although I erased the tape before my girlfriend came over, she's been really cold and aloof ever since that night. Maybe she's on the rag—fuck, maybe Nikki was a hooker she put up to the call. Even if she does know, is what I did really cheating? HUSTLER, help! —Name Withheld

HOME RUN

I understand that there's a collection of baseball-type cards, depicting HUSTLER women, available to the public. I saw no mention of them in the past few issues.

This seems like it would be a popular seller. HUSTLER should promote them more. They would be an excellent collector's item. I would appreciate information on how I could purchase them! —D. S.
Vermilion, Ohio

Thanks for asking, D. S.! HUSTLER Trading Cards feature gorgeous models from the pages of HUSTLER Magazine. Each high-quality, laminated card offers two scintillating poses and fun facts. The first set of 100 cards can be purchased entirely or in packets of ten at newsstands and comic-book shops wherever trading cards are sold. To order or find the nearest outlet, call 203-874-6916.

HISTORY LESSON

On page five of HUSTLER's March 1993 issue ("Farts in the Wind," *Bits & Pieces*, March '93) is a statement to the effect that Richard Nixon caused U.S. troops to gun down unarmed U.S. citizens. Though no fan of Nixon's, I do not recall that incident. Can you give me more specific details? If so, I will be greatly obliged. —N. A. W.
Marianna, Florida

Class is now in session, N. A. W.; so stop talking and put that gum away.

Student demonstrations following President Nixon's announcement of the U.S. military involvement in Cambodia led to a May 4, 1970, confrontation between students at Kent State University in Ohio and the Ohio National Guard, which fired on the students, killing four of the students and wounding several others.

WANNA BET?

My girlfriends and I read HUSTLER Magazine all the time. We get together and discuss what we would like to see, and we all decided we would like a HUSTLER Little Penis contest so we could all get off on the jerks who would actually be stupid enough to send in pictures of their little dicks. Please do this and give me and my girlfriends something that a lot of female readers would like to see. —D. R.
Pittsburgh, Pennsylvania

You gals must see plenty of little dicks without our help, D. R. Christ, our dicks started to shrink just reading your letter!

FLAKE OFF

Some years ago, probably during the early- to mid-'70s, while browsing through a local adult-book store, I came across a copy of a book titled *The Animal Lovers*. Can you tell me, please, who published this book? Is it still available in print? —S. E.
Chicago, Illinois

BUNNY HOPS BACK

I merely wanted to respond to the *Feedback* letter from L. L. in the November 1992 HUSTLER ("Bunny Breaks A Heart," *Feedback*, November '92). Bunny Bleu has always been one of my favorite performers too! Everything about her is so sweet, pink and tasty looking. She reminds me of my first girlfriend.

When I opened a Denver newspaper last July and saw that she was dancing at a local topless bar, I took time off work to go see her. There was Bunny, all right, with curly, black hair and a rather fake-looking 40-inch chest! She still has that sweet, innocent smile, but everything else looks different. I could've had my picture taken with her, but by then she'd already gotten all my money! I guess she, like so many others, got tired of bright lights and big dicks, but still likes making a living shaking her stuff. Keep a lookout, L. L. Maybe she'll come to your area soon! —K. L.

Contest to be hosted right here in Salt Lake City, Utah, and I am willing to host it. I will pick up most of the expenses for hosting the event, but I need some help spreading the word. For your help, I will give HUSTLER Magazine ten percent of the profit. All HUSTLER staff will be allowed free admission. All models, past and present, of HUSTLER will be registered free. HUSTLER will also be allowed to photograph the event. HUSTLER may do a HUSTLER team, or send women that will represent HUSTLER. This is sort of the big playoffs of all the skin mags and women of nudity. Also, women may represent themselves. All participants will have to register themselves, and if done within the six months before the contest, are allowed to do it free. We hope that HUSTLER will accept our invitation to help us organize and also to participate in this fine occasion. The event shall last three days. HUSTLER is asked to provide three judges, one of whom shall have to be a woman.

All models will receive an event T-shirt, and free representation, as well as opportunities to appear in HUSTLER. We would hope that you would notify all your former as well as current models. —K. T.

Salt Lake City, Utah

Great idea, K. T.! Say—what the hell do we need you for?

NOT THE PRESIDENT

To: HUSTLER Magazine.
Re.: "Election Results," *Feedback*, February 1993.
Any babe who is willing to shave her pussy completely clean and smooth for me and proudly declare to all "No Bush: Vote Clinton" is entitled to a White House appointment ("Election Results," *Feedback*, February '93).

The new dress code at the White House for J. L. of Farmington Hills, Michigan, would be no bra, no panties, shear blouse and micro miniskirts.

Taking it up the ass is not a bad thing. Hillary routinely rubber-dicks me, and I do her (she likes two). Combine a shaved pussy with a good ass reaming, and we could solve the nation's problems. J. L., don't be close-minded about your ass. You did for me, and I'll gladly do for you. —Bill

HOPE ON A ROPE

I am 25 years old and in the Marine Corps. I'm currently in Somalia, Africa, for Operation Restore Hope. Many of the Marines here, including myself, read HUSTLER Magazine to keep from going insane from the heat and unsanitary conditions we have to endure in our everyday activities. I'd like to salute HUSTLER for being there for us in times of need! —K. F. J.

TIPS FER ILLOS

The *Sex Play* article in HUSTLER's February 1993 issue ("Make Girls Come by Cock Alone: Penile Manipulation Hits the Spot," *Sex Play*, February '93) is the best how-to article ever to appear in any magazine of any kind, but what really impressed me was the drawing by artist Bruce Baker. I have a thing for interracial tit-fucking with a big cock between a big pair of tits that have nice, big nipples and a nice, deep cleavage in between. Would you please have Bruce Baker make an illustration showing a cock about two feet long titfucking the cleavage of a big-titted black girl? And would you please have Bruce Baker do an illustration showing a black cock about two feet long titfucking a big-titted white woman too? —D. W. B.

PORN AGAIN

Jesus Christ! HUSTLER Magazine is the best magazine in the world today. A long time ago, I went to church and read the Bible every fucking day. Now I read the best book of all: HUSTLER. I buy it every goddamned month!

I like *Beaver Hunt* in particular. Jesus Christ, some of those Beavers have got good-looking tits and pussies! I'm fucking glad I'm on HUSTLER's side now. Listen up, Christian young-adult people who buy HUSTLER Magazine for the first fucking time: Keep on buying it! That is the best thing you could do. Every time I read HUSTLER or look at a nice-looking nude lady with her legs spread out to show her wonderful pussy, Jesus Christ, it makes me feel so fucking good inside! My girlfriend likes to read HUSTLER too! —I. L. H.

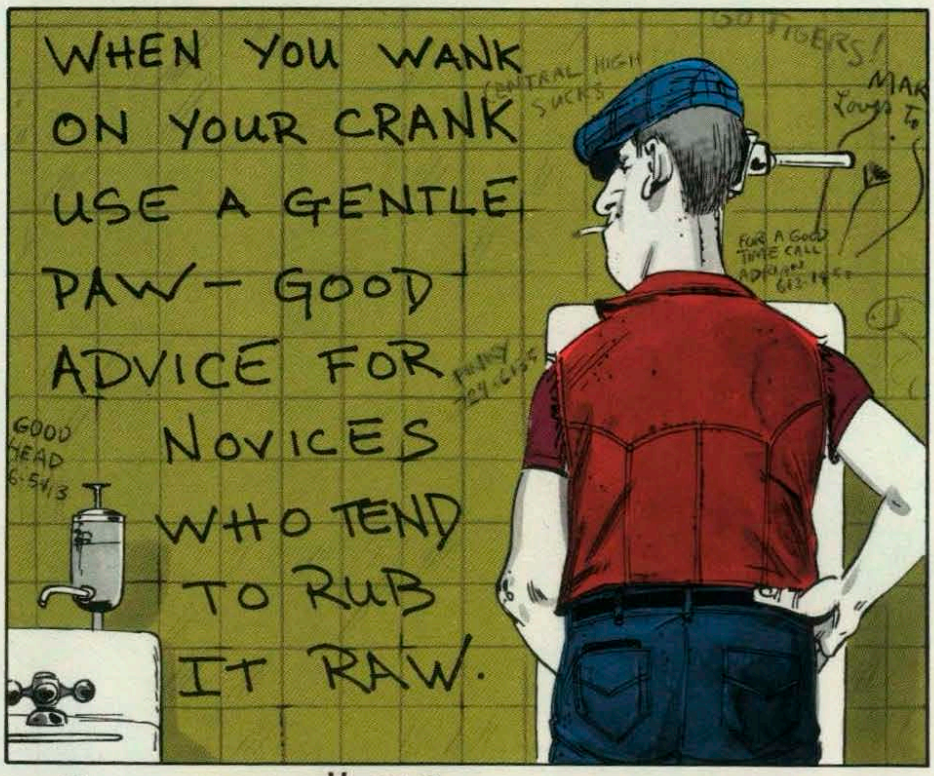

Eugene, Oregon

DOLL UP

I loved the letter "Living Doll" ("A Living Doll," *Hot Letters*, February '93). Women like the lady described in that hot letter make me melt in my jeans. I did, however, have a problem with the pussy-ass coward who sent it in. Yo, fag! "I never dressed so quickly in my life," and "I bolted for the door"? Give me a fucking break, you miscreant piece of shit. This is the kind of girl

MATCH SET

Say, dudes, you guys hard up for props, or what? The chick getting boned by Rip, the bicycle guy, (*Karen and Rip: Tour De Pants*, February '93) is wearing the same cowboy boots that Maxi or Pat (*Maxi and Pat: Cruisin' for Usin'*, Holiday Issue, '92) was wearing in HUSTLER just two months earlier.

The Holiday Issue has Maxi and Pat. February 1993 has Rip and Karen. Same black, white and red boots. HUSTLER readers are not only a smart and sexy crowd; they are attentive to details, as well! —S. S.

MADONNA ÜBER ASSHOLES

The hatchet job on Madonna in your February 1993 issue was a shoddy thing ("Asshole of the Month," *Bits & Pieces*, February '93). The American public is jealous as hell of Madonna! The incompetent American creeps who try to ostracize Madonna should take a long look at the failures that they are! Viva Madonna! —G. W.

SICK DRUNK

I am making public the fact that I have found the long-sought cure for the common cold and other viral illnesses, including the flu. I've come to realize that my findings will be repressed by the major drug companies, the medical community and the federal government because a cure so simple would eliminate the need for cold medications, which would mean a major loss of revenue for the parties named above, so here goes: Almost everyone knows that alcohol kills germs, but did you know that the highest alcohol level of any cough medicine is only 25 percent? I believe the 25% alcohol level does not kill the germs, but merely stuns them. After a while, they regain their strength, requiring the sufferer to buy more cold medicine.

Increase the alcohol, cure the cold. A bottle of whiskey is 45% alcohol. I have discovered that just one-third of a 750-milliliter bottle can cure the cold in an adult male. One-half of the bottle will cure the flu. My research has indicated that three shots of whiskey during a meal of questionable freshness can prevent bacterial sickness—one shot before, one during, and one after. HUSTLER, spread the word of this cure. At least, encourage further research.—J. H.

Bashing Gash
Lesbian Spousal Abuse

By Larry Wichman

Twenty-eight-year-old Belinda Crawford became sexually involved with Nita Jones, a Long Beach, California, wife and mother, after working with her at a local hospital. Pressured by Crawford to leave her husband, Jones terminated the affair. In retaliation, Crawford picked up Jones's three-year-old son from his Long Beach day-care center in May of 1992, drove him to a deserted side street in Los Angeles and set fire to the car—with the toddler inside. The child suffered severe lung damage and third-degree burns. According to the prosecutor in the case, the illicit, homosexual romance was fully dominated by Crawford, who allegedly controlled every aspect of Jones's life and subjected her lover to psychological abuse. Spurned lesbian lover Crawford was subsequently convicted of attempted murder and sentenced to life in prison.

Cases of domestic abuse within the lesbian community seldom make such grisly headlines, but according to Claire Renzetti, a sociology professor at St. Joseph's University in Philadelphia, Pennsylvania, lesbian spousal abuse is anything but gay—it's often chronic and characteristically vicious.

"[Battering lesbians] display a terrifying ingenuity in their selection of abusive tactics, frequently tailoring the abuse to the specific vulnerabilities of their partners," explains Renzetti, the author of *Violent Betrayal: Partner Abuse in Lesbian Relationships* (Sage Publications, 1992). "The abuse [observed in lesbian couplings] may be physical and/or psychological, ranging from...threats and insults to stabbings and shootings."

Of the 100 women surveyed in Renzetti's studies of domestic violence between cohabiting women, 81% had been slapped or punched by their partner, 63% had been hit in the face, breasts or genitals, or scratched, 58% had been kicked, 44% had been choked or suffocated, 41% had been struck with an object, 18% had been pushed down stairs, 5% had been stabbed or shot, and 4% reported having had a gun barrel or a knife thrust up her vagina.

"The violence was so bad [that I began to feel] that if I shot [my lesbian lover] in cold blood it was like she was a wild animal," relates one of Renzetti's subjects, describing the abuse she encountered at the hands of her female spouse. "I reached the point where I got a bat to go up and kill her. But then I thought, I've taken enough because of this bitch. I wasn't gonna go to jail too."

Renzetti identifies several factors that contribute to the high incidence of domestic violence among lesbians. Chief among them is alcohol abuse.

"Alcoholism is a serious problem in the lesbian community," Renzetti posits. She notes a 1975 study that indicates lesbians spend as much as 80% of their leisure time in bars or social situations in which drinking is a focal point. "Consequently," Renzetti warns, "heavy drinking may sometimes be viewed within the community as normative rather than deviant."

Renzetti cites a survey showing that 80% of lesbians who drank admitted that they expressed anger verbally when drunk, and 50% reported becoming physically violent while under the influence. In a separate study, 71% of the lesbian couples deemed to be violent confessed that they frequently used alcohol, while only 29.4 % of the lesbian couples who were characterized as nonviolent admitted the same.

Leslie Halpern, a San Francisco psychotherapist whose clientele includes lesbian batterers and victims, speaks of what she believes to be a causal element contributing to both substance and spousal abuse. More often than not, Halpern explains, people of either sex who end

up in an abusive relationship have a history of family abuse. "Either they witnessed abuse between their parents or were the victims of physical or sexual abuse [as children]."

Twenty-eight percent of the lesbians in Renzetti's sampling acknowledged that they'd grown up in abusive households. Many blamed their partner's violent behavior an an abusive past.

"Being violent was [my lover's] only outlet," confides one of Renzetti's respondents. "Her brother, her father and her husband had all been violent to her. She seemed to think that violence was the only way to show [that she] cared about someone."

According to Halpern, women who have suffered from violence as children display similar patterns with almost all their relationships, whether it's with women or with the men they may have been with before coming out as lesbians. "They might also attract friends who are somewhat abusive—unkind, sarcastic [people], subtle forms of abuse that people endure because they wouldn't recognize it as such."

In the course of her studies, Renzetti determined that the most frequently cited source of conflict between lesbian lovers—the one element that most often precipitates acts of spousal violence—was jealousy. Eighty-four percent of her respondents described their partner as being "very possessive," while 70% claimed that petty jealousies and unfounded suspicions placed an unmanageable strain on their relationship.

"[My lover] told me I was sneaky and accused me of having an affair with her son, who lived with us and was about my age. She accused us of conspiring against her. She watched me and read my mail. I was never allowed out alone," one subject tells Renzetti.

According to Renzetti, the physically intimidating lesbian partner doesn't always take the upper hand in battery cases.

"She's smaller [and] shorter than I am," confirms another survey participant whose lesbian relationship broke up amid violence. "She's very pretty [and] dressed femininely. You would look at her, and you'd think she didn't have a fist. People would look at us and say, 'Oh, that's an attractive couple,' and they would have no idea how crazy we were."

The prevalence of lesbian-against-lesbian violence comes as no surprise to Debi Sundahl, publisher of the San Francisco-based girl/girl periodical *On Our Backs*.

"A lot of heterosexual women would love to beat the shit out of their husbands," Sundahl argues, "but the men are bigger and stronger. Not with two lesbians. Here you have two women, and because the physical inequality is taken away, you get a lot of women who lash out."

According to Sundahl, many lesbians put up with violent, jealous partners in return for sex. "[Fucking] plays a big part in a lot of these abusive relationships," says Sundahl. "For some abused lesbians, it is the only thing they come back for."

Renzetti's lesbian respondents offered reasons for remaining in abusive relationships that are identical to those most often given by heterosexual battering victims. Some feared reprisals if they tried to leave. Others left, only to return out of concern for their lover or in response to emotional pleas for forgiveness. Some said they had no place else to go—a common problem among lesbians who have been ostracized by their families.

"[I was] denying that something bad could be happening, especially with my parents saying I was just so sick," admits one of Renzetti's research subjects, explaining why she went back to a violence-prone lover. "I didn't want to have to admit to them that I was making a mistake."

Unfortunately, the politics of the lesbian community discourage victims of domestic abuse from seeking help. Four of the battering victims in Renzetti's study reported that their abusive lovers worked at local shelters for battered women.

One battered woman told Renzetti that she and her partner were supposed to attend a national conference on violence against women, but her partner eventually went alone. They had decided that her spouse shouldn't go because she had a black eye and bruises.

Renzetti found a strong reluctance within the lesbian community to acknowledge the depth of the problem of spousal abuse.

"There is the very real possibility that public recognition of the problem will fuel homophobic stereotypes," Renzetti explains. "Resistance also stems from the belief that intimate violence is a male or patriarchal problem [and that] recognizing [the occurrence of] battering in lesbian relationships [would] tarnish the ideals of the lesbian community."

In fact, 10% of Renzetti's respondents admitted that one of the principal reasons they never reported the abuse they suffered was because they "wanted to protect the ideal of the 'lesbian nation.' "

Meanwhile, a 1992 study of the prevalence of violence among lesbian couples found 52% of the 1,099 homosexual women surveyed admitted to having been abused by their female lovers, and similar reports place the overall frequency of abuse in lesbian relationships at three times that of heterosexual couples. Ignored and out of control, battering women continue to attack the lesbian community in the worst kind of gay bashing.

ALIEN SEX

Phil observed his nude wife being "rolled back up" into his field of vision, himself being put back on top of her and his still-erect penis being reinserted into her vagina.

[All of the names of alleged alien abductees in the following article have been changed to protect the privacy of the individuals and their families.]

In autumn 1984, Pennsylvanian college student Patti Layne and friends drove up to a secluded, mountainside picnic area, spread a blanket and started passing around a bottle of wine. Patti needed to urinate; so she went off into the woods and pulled down her panties. Just as she was about to let loose, a bright light flashed on her from somewhere deep within the surrounding woods.

A boy she knew named Freddy was forever sneaking past the school dormitory's bathroom door when one of the girls was doing her business; now, thought Patti, it must be Freddy trying to cop a peek at her taking a tinkle.

"Cut it out!" she yelled with a laugh, but there was no reply.

Returning to the clearing, she was dumbstruck to find a half-dozen alien beings grouped around her friends, touching them with baton-like instruments. The students stood motionless—except her friend Jim, who was doubled over, throwing up.

Patti found that she couldn't move or scream. One of the aliens took her by the arm, and she and Jim were led through the woods to a black, bubble-shaped craft.

Patti heard Jim retching as they traveled up the ramp to the craft. Once inside, the apparently sentient beings stripped Patti, positioned her on an examination table, spread her legs open, forced her feet into stirrups and then commenced the invasive gynecological procedures that still terrify Patti Layne to this day.

David M. Jacobs, Ph.D., a professor of history at Temple University in Philadelphia, Ron Westrum, Ph.D., a professor of sociology at Eastern Michigan University, and Dr. John E. Mack, a professor of psychiatry at Harvard Medical School, are among a growing band of academics, clinicians and mental-health workers who believe that UFO encounters similar to Patti Layne's experience—what is called the "alien-abduction phenomenon"—represent not science fiction, but a real-life cause for alarm.

The findings of these cutting-edge UFO specialists is judged to be credible by sources as scientifically conservative as *The Wall Street Journal*, which in May 1992 published an article wherein Mack's associates at Harvard University defended the merit of his studies with people who believe themselves to be alien abductees.

A variety of testing methods—from standardized psychological profile tests to polygraph machines—are utilized by Jacobs and his fellow researchers to determine that alien-abductee testimonials are not the results of psychotic temperaments or purposeful lying. Underscoring the importance of their research, a cross-section survey of 5,947 Americans, conducted by the Roper Organization, an independent research company, concluded that the number of adult Americans who recall key experiences indicating a strong possibility of alien abduction is as high as 3.7 million.

"The idea that men, women and children can be taken against their will from their homes, cars and schoolyards by alien beings, lifted onto spacecraft and subjected to intrusive and threatening procedures is so terrifying—so shattering to our notions of what is possible in our experience—that the actuality of the phenomenon has been largely rejected out of hand," states Harvard Medical School professor Mack. "Abduction research has had a shattering impact on our views of the nature of the cosmos."

Jacobs's recent publication, *Secret Life* (Simon & Schuster, 1992), is an account of several years spent questioning and counseling hundreds of people who believe themselves to have been snatched by aliens. He and his associates profess to know the motives that lurk behind the extraterrestrials' apparent craving for one-on-one human interaction.

"[Alleged victims of alien abductions] describe a program in which sperm is collected from them, eggs are taken from them, fetuses are implanted in them and removed after implantation," Jacobs explains. "They describe being shown babies that look half human and half not, and being required to hold these babies, to have skin-on-skin contact with them. This all adds up to a program for the production of [mutant] offspring."

* * *

The subject of a two-part *Look* magazine story in 1966 and a popular book the same year, one of the first and most famous public allegations of sex-related alien abduction came from middle-aged, suburban couple Betty and Barney Hill, from Portsmouth, New Hampshire. After both Hills had experienced a series of troubling dreams, a

"To me, there's nothing special about raw fish and chopsticks," confides 20-year-old Mimi, her silky, black hair slipping over a creamy shoulder. She recalled begging two aliens to leave her alone, because she had told Tom she wanted another baby, and she couldn't get pregnant if they messed with her cycle.

psychiatrist and hypnotic regression helped the Hills recall that they'd been lifted out of their car by space aliens while traveling through New Hampshire's White Mountains and then subjected to a series of genital-intensive examination procedures, including a vaginal inspection of Betty and the removal of sperm from Barney.

Because artificially induced amnesia is a major part of UFO encounters, many alleged abductees, such as the Hills, remember little until hypnosis unlocks their mental blocks; others recall such supernatural events only as dreams, while a few victims retain vivid memories of what was done to them, which they are reluctant to share.

Abductions most often happen at night, while the subject is alone. In many cases, abductees recall seeing bright lights and experiencing a form of paralysis, whereupon they become aware of the presence of a strange figure or figures.

Sixteen-year-old Barbara Archer was preparing for bed one night in 1982 when she noticed an unusual light shining through her bedroom window. She closed her shade, but the light remained undiminished. Suddenly she realized that a person was standing beside her closet.

"I'm not all that shocked to see him standing there," she remembers, reliving the incident in hypnosis-induced real-time. "I think he touches my arm. He sort of touches me around my wrist area. It feels better then; I mean, I'm not scared or anything." Barbara experienced a sensation of floating upward and *through* her closed window.

"I feel so dizzy," she relates, in a real-time hypnotic trance. "It feels terrible. I feel like I'm on an elevator, except there's no walls or anything around it. We go out the window and between the two row houses, my house and my next-door neighbor's. I feel really nauseous. We're going straight up. I look down and see the trees and everything on my street. When I look up, I can see the bottom of...kind of a big, I think it's roundish, but longer... sort of gray, dark gray.... When we get there, there's somebody waiting for us at the inside."

Abductees need not be alone for the ordeal to occur. In his book Jacobs relates the story of "Tom" and "Nancy," who were making love one night when Tom suddenly felt paralyzed—and saw two small beings standing in the bedroom: "It's like we're completely poleaxed," Tom relates (in hypnosis-induced real-time), "as if shot with a tranquilizer dart. I'm on my side, but my eyes aren't moving. There's a flash, it's dark...she's gone." Later, Tom observed his nude wife being "rolled back up" into his field of vision, himself being put back on top of her and his still-erect penis being reinserted into her vagina.

As they resumed sex, Nancy suddenly complained of feeling an electric shock in her hip. When Jacobs asked Nancy under hypnosis if she remembered an incident in which she'd felt such a shock, she quickly recalled the same evening from her own point of view.

While Tom was on top of her, Nancy remembered, she suddenly saw a blue light. In the next instant, she saw her husband beside her, lying as if in a trance. She recalled begging two aliens to leave her alone, because she had told Tom she wanted another baby, and she couldn't get pregnant if they messed with her cycle.

But the creatures took her anyway for what Jacobs describes as "an abduction event filled with physical and mental procedures." Upon completing their examination of Nancy, the creatures placed her back in bed, and returned her husband to his customary sexual position as well.

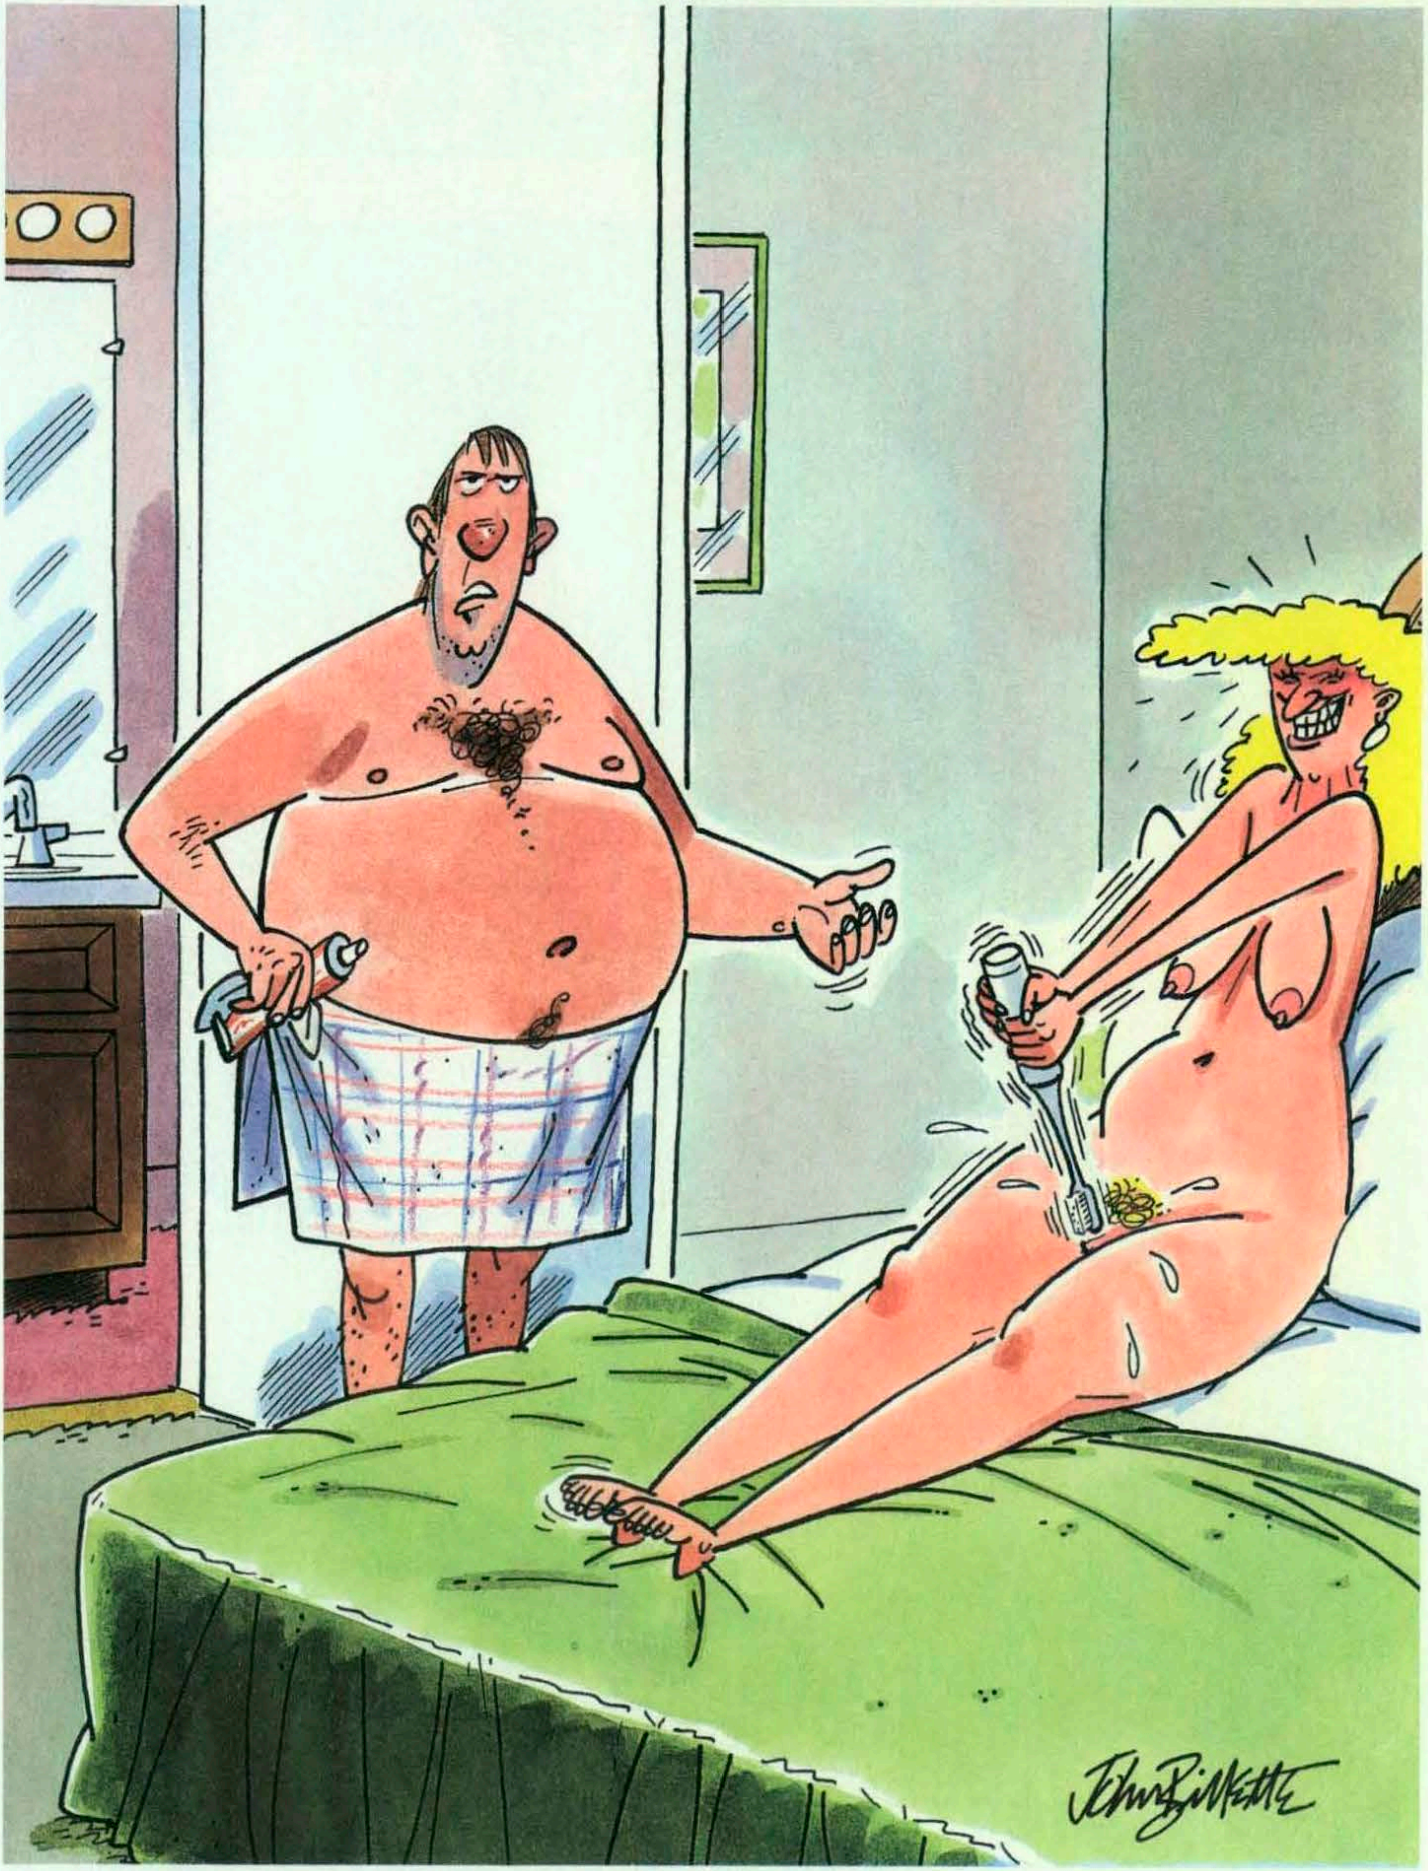

* * *

"He looked between my legs. And I said, 'That's not nice—you shouldn't do that,' " one woman recalled under hypnosis in a session with Jacobs. The woman claimed alien examiners broke her hymen during an abduction in 1970, when she was seven years old. "He said, 'I'm not going to hurt you, I just want to look inside,' " she remembered. "This light came on somewhere. The light was focused between my legs. Then he stuck something in it, and it really hurt. It felt like I was ripping. I know there was some blood there. It felt kind of dripping and wet."

Besides genital probes, the archetypal space-station exam includes careful and repeated inspections of the vertebrae, coccyx and rectum. Jacobs has documented reports of mysterious implants at the end of a slender needle placed in the nose, or through a tear duct into the sinus cavity under the eye, or even near a female's ovaries or into a male's penile shaft. Abductees have said they recalled sneezing little BB-like objects out of their noses. In most cases, these persons didn't yet realize they were abductees, and so discarded the objects. Physical

ALIEN SEX (continued from page 58)

Her vulva was probed with a speculum-like instrument, and a long, black instrument with a cup on the end was inserted into her vagina.

evidence of unresolved abduction cases includes strange stains on clothing that defy laboratory analysis and scorched patches of ground in victims' backyards.

Jacobs describes an instance in which an invasive examination was performed by means of extraterrestrial mental manipulation, which served as a prelude to introducing a woman to an actual sexual encounter with another human being.

Jacobs's subject told him that in 1959, when she was 15 years old, she found herself nude on a spacecraft examination table. Alien beings attached a headgear to her, and a taller being brought his face close, performing what was apparently a particularly intense mind-scan procedure. At last, the space creature withdrew, and the headgear was removed:

"I have funny feelings," Jacobs's subject related under hypnosis. "I'm not used to these feelings between my legs. He tells me, oh no...God, no! [The tall alien] is looking in my eyes, and the others are standing around, and...there's a man standing at the foot of the table, and his eyes are sort of cloudy, and he's erect.... It's an older man. And the [tall alien] is making my body respond sexually.... There's a jolt of power, and I'm really sexually excited. And this guy climbs on top of me, and he's moving, and it feels like he starts to climax and doesn't finish.... They pull him off, and they stick something up where he was, a metal thing. And then they're moving very fast."

Female abductees uniformly describe similar strangely induced sexual feelings building to orgasm. When the paralyzed woman is sufficiently aroused, other procedures are initiated by the aliens—apparently geared toward the removal of ova or the implantation of a fetus.

Karen Morgan claims that in 1977, when she was 28, a fetal implantation happened to her at extraterrestrial hands. An alien approached her on the table with an unusual tool: "It had an apparatus on the end of it," she alleges. "[The creature] is implanting an embryo in me...*stapled* into me is a better way [to put it]."

Karen says she awoke the next morning with a sticky, gelatinous substance between her legs. She reacted as victims typically react to such vestiges of an abduction: Having no idea how it had gotten there, she simply showered it away.

Jacobs reports interviewing dozens of female abductees who describe discovering themselves pregnant, although in many cases they could not recall having had sex during the period in question. Mysteriously, their fetuses typically vanished around the three-month point. The women simply woke up one morning and were no longer pregnant. Numerous abductees describe the process by which their fetuses are harvested. Jacobs's client, Lynn Miller, recounts an abduction she claims happened in 1986, when she was 31. Upon being placed on an extraterrestrial examination table, she alleges, her vulva was probed with a speculum-like instrument, and a long, black instrument with a cup on the end was inserted into her vagina:

"[The alien] seems to pull something out," she recalls under hypnosis, "and he puts it right in something else...sort of a container with water in it. He wants me to see it. I'm looking at a fetus. He says, 'This is your child, and we're going to raise it.' I told him it was part of me, and they didn't have any right to take it. He says, 'It's our right.' "

Many women abducted onto spacecraft report seeing hybrid creatures of all ages, from tiny infants to full-grown adults. Jacobs details the physical features of a hybrid infant, as determined by abductee testimony: "It has a very large head for its body and large eyes with some white showing. Even for a baby it has small ears, a small nose, a small mouth with thin lips and a pointed chin. Its hands and fingers are long and thin. Its pale-white or grayish skin is almost translucent."

According to Jacobs, female abductees have described these babies as devoid of the reflexes of a human infant and professed to have felt, in the presence of the hybrid infants, that they needed to hold the babies to help them to live. They claimed the aliens demanded that they hold and nurse the babies as well, placing mutant infants to human nipples. The alien babies sucked weakly—and the women found that their breasts were full, and the babies were drinking their milk.

Jacobs admits it appears unlikely that aliens are interbreeding with humans in the usual sense. More likely, he theorizes, the collected human sperm and eggs are being fertilized *in vitro*, reintroduced *in utero*, and then harvested and incubated externally. Within the past decade, even earthly technology has become capable of achieving such results. Jacobs declines to speculate about the ultimate destination of the hybrid race. In the case of mutant humanoid subspecies, not knowing may be less frightening than the truth.

HELL'S FACELIFT

TIJUANA GETS PRETTY

Mexican officials are on a crusade to clean up Tijuana's gutter-bar *infierno*. But TJ don't need no stinkin' beautification.

Report by Lin Robinson • Illustration by Larry Wessel

TIJUANA

He splatters his goo inside her and then slumps across her downy, young body; Lupita wriggles away and squats over a bowl of water to mop up.

Despite her butt-length skirt, stiletto heels and fuck-me-quick makeup, teenage Lupita can't disguise the fact that she's a newcomer to the business of selling sex. She flushes at baring her high, tight titties and wriggles playfully under the ratty sheet of the tumbledown bed in the crummy hotel room.

Upon receiving a few thousand pesos in addition to the 50,000 she pocketed in the bar, Lupita fiddles inexpertly with a condom before she's tits-up and spread-eagled, surrendering her tight, girlish pussy to the coarse hands and hungry dick of an unshaven gringo.

Soon enough, he's gratified to hear a catch in her breath. She's moving with him now, her head tossing in mixed pleasure and concentration, focused on an orgasmic high. She buries her cry of satisfaction in a lumpy pillow as he splatters his goo inside her and then slumps across her downy, young body; Lupita wriggles away and squats over a bowl of water to mop up, after which she counts her money and happily heads back out to the street, to join the crowds of young *putas* patrolling Tijuana, Mexico's infamous *Zona Roja* for eager cock.

The gringo heads back to the States with a smile on his face. His time with Lupita was the best $17 he'd ever spent.

* * *

Throughout a decades-long attempt to tart up its insurmountably trashy streets with the kind of flash that draws cash, TJ's *Zona Roja* has proved immune to cheap-ass decoration, remaining, above all, a tacky, festering sexual slum, and proud of it.

These days, however, the political powers behind Tijuana's National Action Party [PAN] are attempting to enforce what may be TJ's least-attractive look: civic beautification. What's more, it appears they'll succeed in their efforts. Hercules, whose task it was to clean the monumental horseshit from the Aegean stables, had nothing on PAN.

The *Zona Roja* is a rambling shamble of grungy bars and cantinas. Some feature dance floors for taxi dancing or hoochy-coochy, others offer nothing but the absolute basics: liquor and girls. Business is steady enough that joints employing three bartenders and 75 waitresses make a good profit. These days, in accordance with city officials' wishes, neon façades and designer logos are popping up on the rickety, old cribs, but it doesn't sit well with the *Zona*'s regular clientele, who mourn the decadent ambience that is quickly becoming extinct in TJ. Locals suspect the unthinkable: The streets might be paved.

One disgruntled gringo in his early fifties sums up the prevailing *Zona Roja* reaction. "All the neon and glitter in the world ain't gonna make this part of Mexico look civilized, and all the money in the world can't replace the gutter charm it once had. TJ ain't broke. Why fix it?"

* * *

Tourist dollars make Tijuana's bars and whorehouses top employers, drawing the most luscious *putas hermosas* from miles around. On the inimitable *Zona Roja*, a popular club called Monaco features girls of Caribbean descent. Chicago's, a bar that specializes in Oriental clientele, employs girls from the south Pacific coast, where generations of visiting Asian sailors have left a legacy of almond eyes and slim figures. The girls in the cheaper clubs (and in the alleys) are pure or slightly mixed Indians—dark, short and thick-waisted. At Adelita's, the hostesses are of Spanish blood, Hollywood-style: blond, blue-eyed and American-looking.

More than 100 girls compete inside Adelita's on any given night. The darkness bulges with Lycra-sheen hips, dark-eyed glances and thrusting, bare tits. Among the dollar-a-dance romances, shifty waiters and drunken lechers, Adelita's house band drenches the air with percussive sambas and titty-jiggling *cumbias*.

A gringo approaches a curvaceous, wicked-looking piece of TJ tail swaying to the salsa and gallantly inquires—in English—if she'd care to dance. Hazel eyes size him up through sham lashes, and the bronze-bodied *puta* replies, "For $25, we can fuck."

Deadpan, he remarks, "Don't know how to dance, huh?"

"For $30," she smiles, "I can learn."

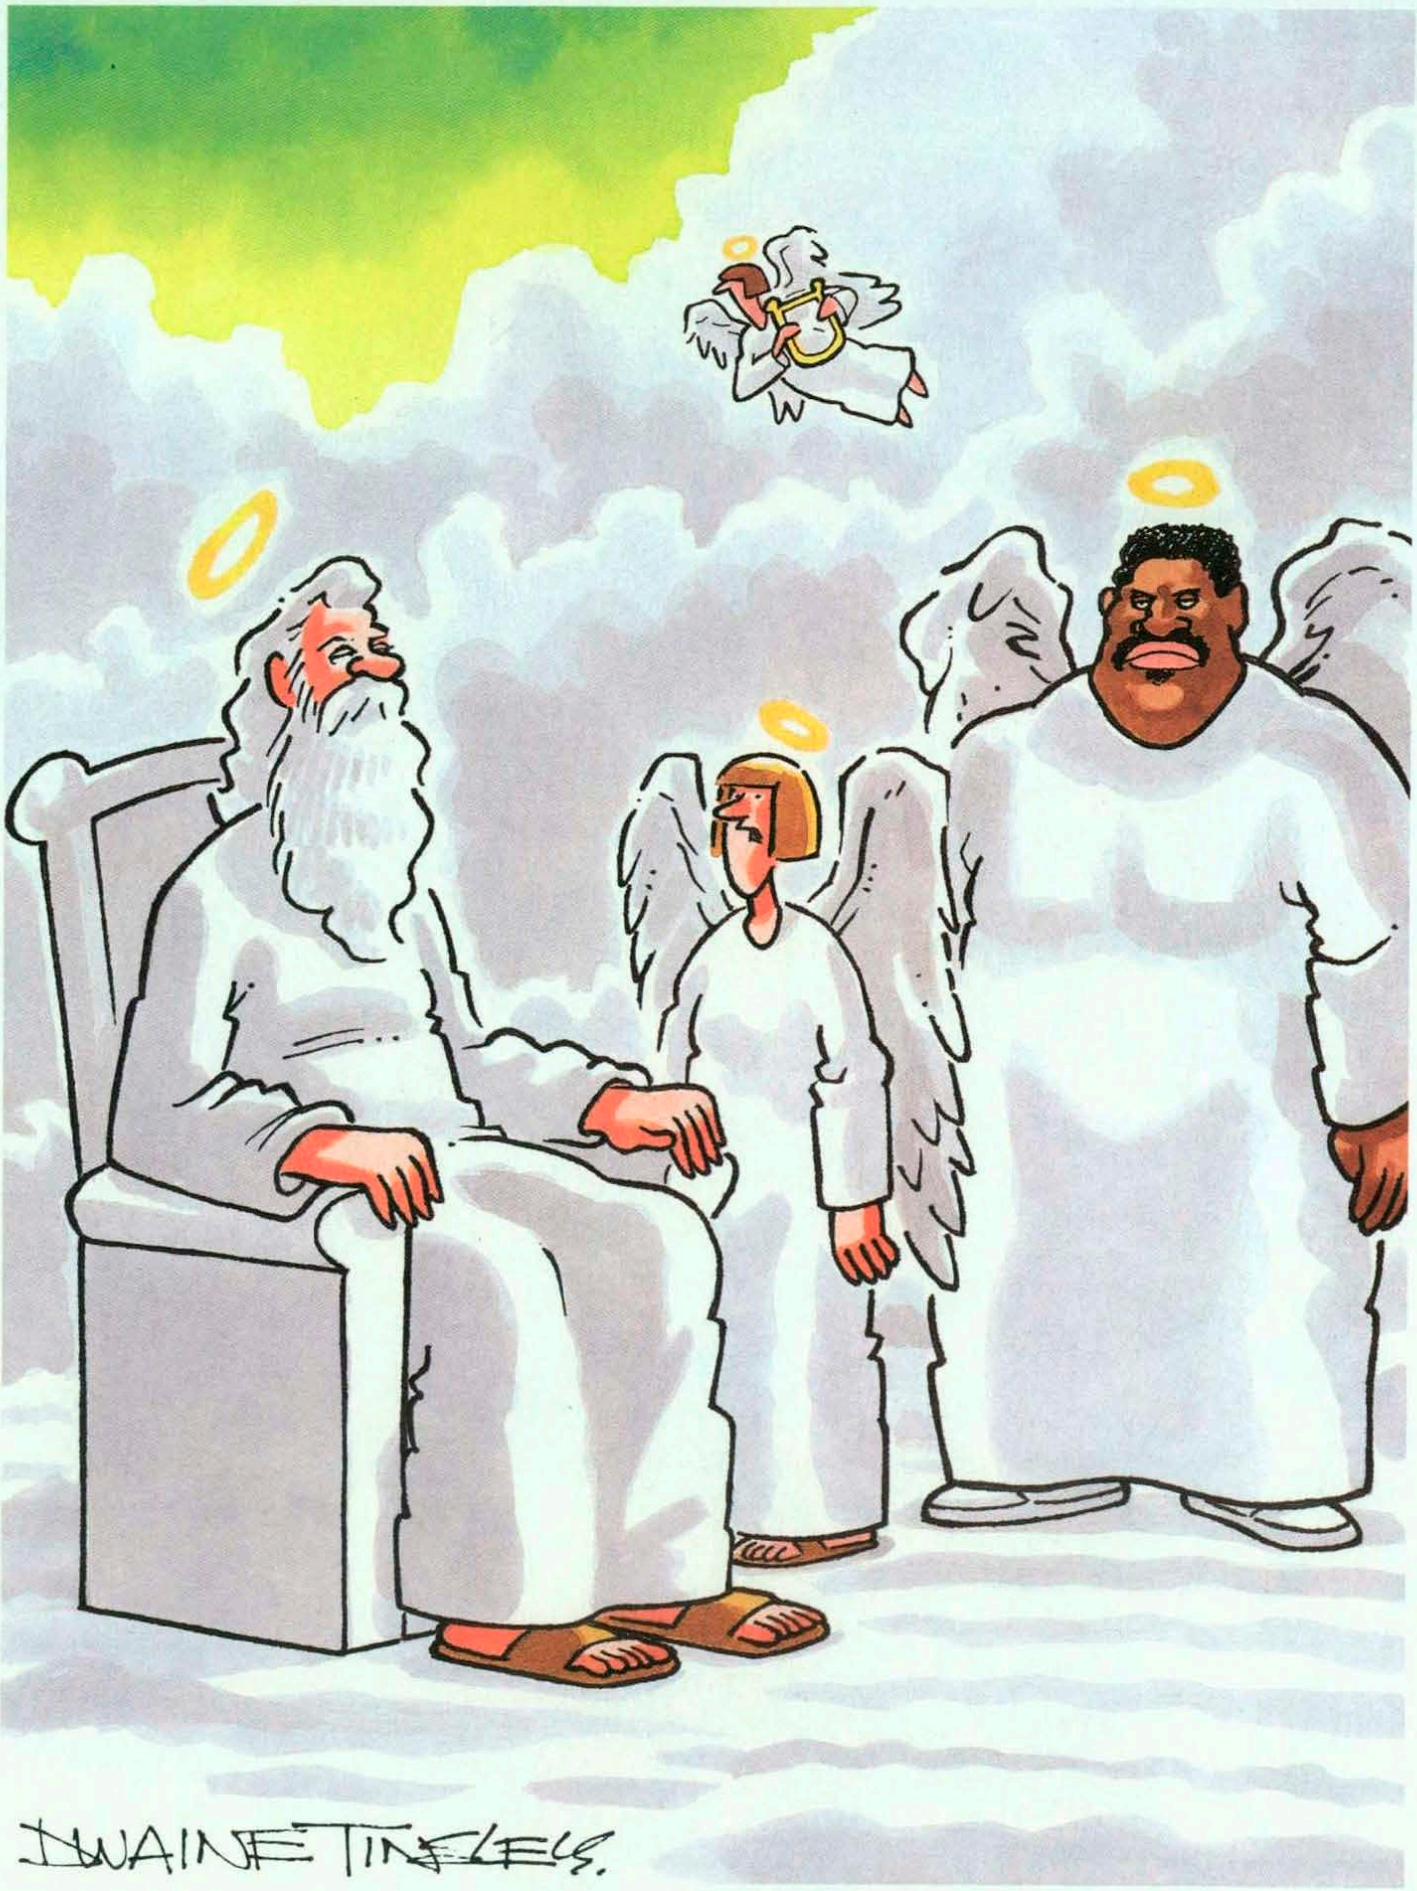

He laughs, takes her arm. They head for the door. "I'm in love with this place," the young man proclaims. "Sweetest, no-hassle young puss in the world. Believe me—TJ don't need no improvements!"

HUSTLER HUMOR

Sick and tired of their history professor's lewd jokes and sexual innuendo, a group of girls decided that the next time he uttered an inappropriate remark they would get up and leave in protest. However, overhearing their plan and looking to score some points with the teacher, a fellow student informed him of their scheme.

The next day, after chatting about current events for a few minutes, the teacher suddenly smiled and, making a clever segue, said, "You know, I hear there's a shortage of whores in Paris—"

Exchanging resolute looks, the girls rose as one and started to leave the room. Following them with innocent eyes, the professor said, "Girls, where are you going? The next plane doesn't leave till tonight."

Question: Why should priests be allowed to marry?
Answer: So they'll have a better idea of what Hell is really like.

Tired of sitting at home every night, an ugly, single heiress decided to take out a personal ad.

"Rich, sex-crazed, admittedly not good-looking woman wants man for quiet liaisons," she wrote, and then sat by the mailbox and waited for a response.

Lo and behold, the day after the ad appeared, she received an express-mail reply. Her heart thumping in her throat, she tore open the envelope. Looking on, the girl's mother asked, "So? Who's it from?"

Her expression dour, the young woman replied, "Daddy."

The HUSTLER Dictionary defines *condom* as: a child-proof container.

Watching his date from the corner of his eye as he poured her a drink, the young bachelor said, "Say when."

She replied, "Right after that drink."

This fellow had been assured by his fiancee that she was a virgin. Given the state of modern morals, however, he didn't completely trust her; so he devised a little quiz for their wedding night. Pulling down his pajamas, he asked, "Honey, can you tell me what this is?"

"A wee-wee," she answered coyly.

Delighted by her naivete, the new husband corrected her gently, "No, sweetheart, it's a prick."

"Uh-uh. It's a wee-wee," insisted his bride, shaking her head. Slightly annoyed, he took her to task. "It's time for you to learn a few things, dear. Now, this is a prick."

"No way," she retorted. "It's not half as big as some of the pricks I've seen!"

Question: Why don't Jewish men eat pussy?
Answer: Because it's too close to the gas chamber.

Ratcliffe was in prison for seven years. The day he got out, his wife and son were there to pick him up. He came through the gates and got into the car. The only thing he said was, "F. F."

His wife turned to him and answered, "E. F."

Out on the highway, he said, "F. F."

She responded simply, "E. F."

He repeated, "F. F."

She again replied, "E. F."

"Mom! Dad!" their son yelled. "What's going on?"

Ratcliffe answered, "Your mother wants to eat first!"

The HUSTLER Dictionary defines *parents* as: a couple using the rhythm method of birth control.

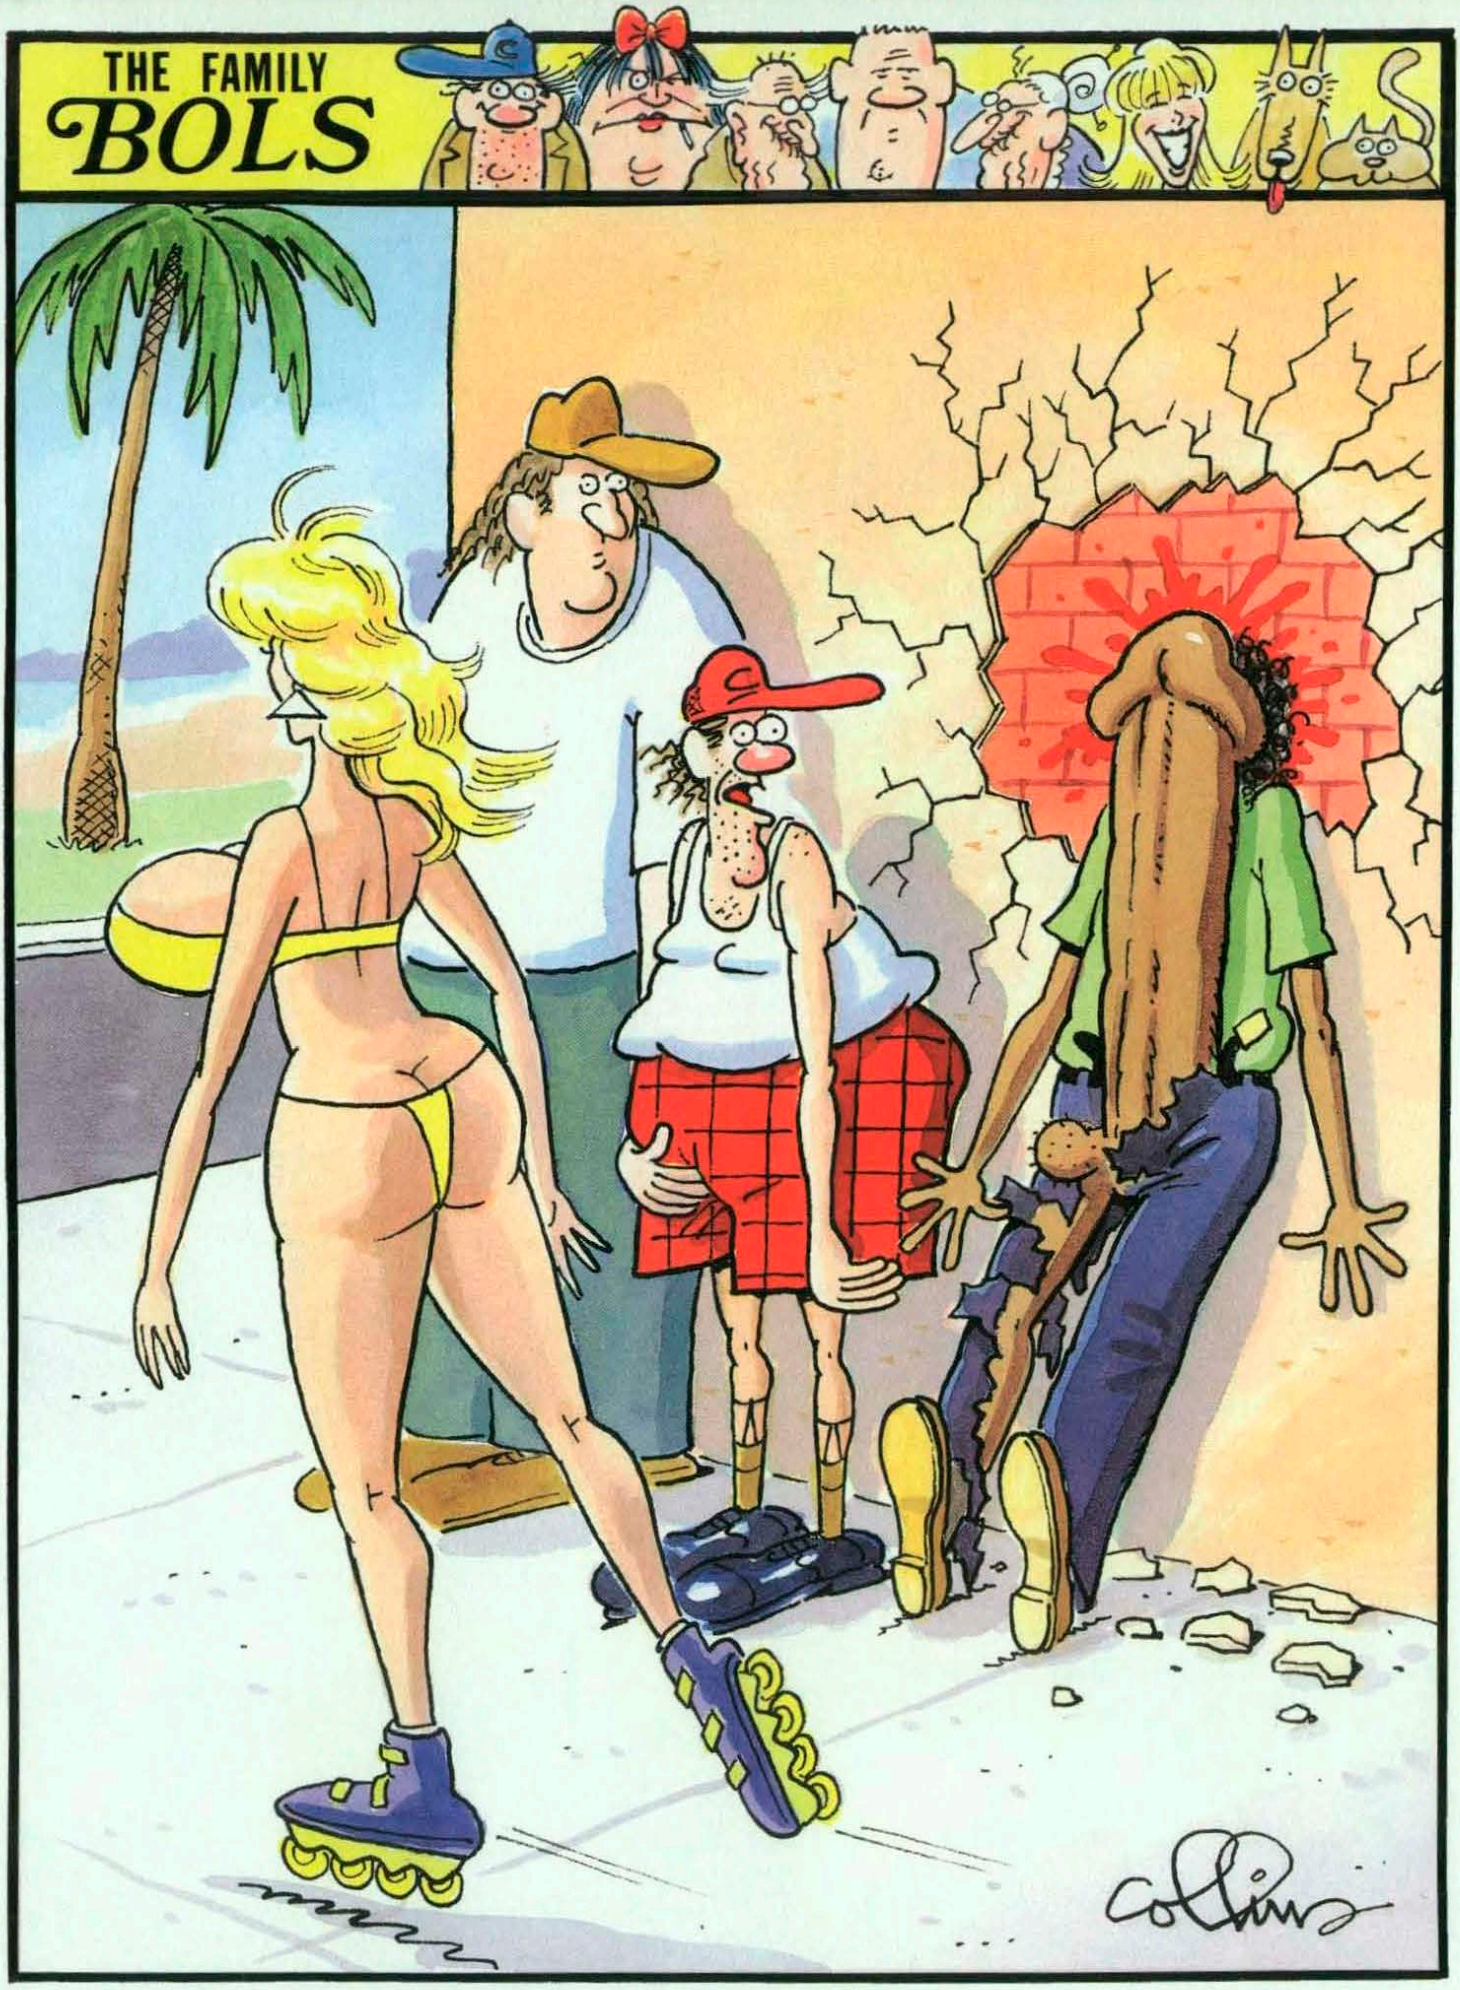

Stopped by a state trooper, the salesman complained, "Listen, Officer, I was only doing 60. Can't you let me off with a warning?"

The trooper shrugged. "Okay," he allowed, and kicked the salesman in the balls.

At a party, the hostess served a politician a cup of punch and told him it was spiked. Next, she served some to a minister. "I would rather commit adultery than allow liquor to pass my lips," he proclaimed.

Overhearing this, the politician poured his punch back and said, "I didn't know we had a choice."

AGENT DOUBLE-O SEX A SPY IN THE HOUSE OF SCUM

Wherever slutty, sultry XXX-flesh congregates, operatives of the federal government are sure to follow. And when the feds get too close, they get burned.

TV monitors played scenes of topless women victimizing one another. I wiped the moisture from my brow and took another look at the flagrant sexuality all around me.

It's no secret that elements within the United States government—cells of inflamed zealots such as the entire Justice Department—want to shut down the production and distribution of fuck films and stroke books. Entrapment, venue shopping and promoting the videos of Paul Thomas are a few of the strategies employed by the feds to bar enjoyable pornography from the American bedroom.

HUSTLER has obtained a National Security Agency (the home-spying network of the CIA) dossier, compiled upon "Coordinator Onanizer," a veteran field agent who was in charge of surveillance operatives assigned to this past January's Consumer Electronics Show (CES). Held in Las Vegas, Nevada, the CES is the world's largest convention of X-film producers and performers. Coordinator Onanizer's files document an ugly picture, detailing the mind-set of a disturbed and disturbing man.

Memo: Wednesday, January 6, 1993
From: Coordinator Onanizer
To: Strike Team
Re: Family Values vs. American Vice

Welcome to the war on pornography. We are guerrillas for decency. Each of you has been chosen for this task force due to your particular commitment and moral fiber. Spying on porno stars and their handlers is a job fraught with obvious temptations. I, and the Upper Command, have the utmost confidence in the resolute character of every soldier involved in this sortie. If, however, one of you should succumb and carouse with the enemy, my only option will be to disavow any affiliation with the lapsed agent, have the miscreant arrested by local authorities and set up for a heroin-distribution bust, which in this state translates to life in prison with no parole. I'm sure such threats are unnecessary, but they must be made. The enemy is strong, and the soul of America hangs in the balance.

Stay true to the mission.

Coordinator Onanizer's Diary: Thursday, January 7, 1993

It has been a long day, and we have only begun. The convention lasts 48 more hours, culminating in an awards ceremony Saturday evening, at which the porno scum will laud themselves for their lascivious transgressions. The magnitude of the work ahead of us is overwhelming. We are taking the fight to the smut lords, and they are playing dirty.

"Moving to Montana is looking better and better...."

The Sahara Hotel's convention space is housing the slattern-display booths of the pornographic video companies. TV monitors played scenes of topless women victimizing one another. I wiped the moisture from my brow and took another look at the flagrant sexuality all around me. The room was a bacchanal of bubble butts and blow-up boobs, of hooded slut eyes and tongue-flashing tramp smiles, of skin-clinging minidresses, underwear as outerwear and brothel lounge outfits, of women seeming so wanton and easy that passing throngs of throbbing males extended their affections and their hearts, their fountain pens and business cards, their Instamatic cameras and Sony camcorders, all in the desire to preserve a moment in the shared proximity of their favorite sin siren.

How sad and maddening that otherwise-sensible men should be removed from objective reality by the powerful illusion of false pussy. These girls are surrounded by gawking males lined up 50 deep for an autograph. And yet, the deluded males believe they have undergone a meaningful experience. This fantasy life is unhealthy for individual and country alike. How can our boys be drawn into the causes of patriotism, liberty and protecting the worldwide interests of our corporate sponsors when their attention is riveted upon the musky pit imagined between the thighs of a seditious video vixen?

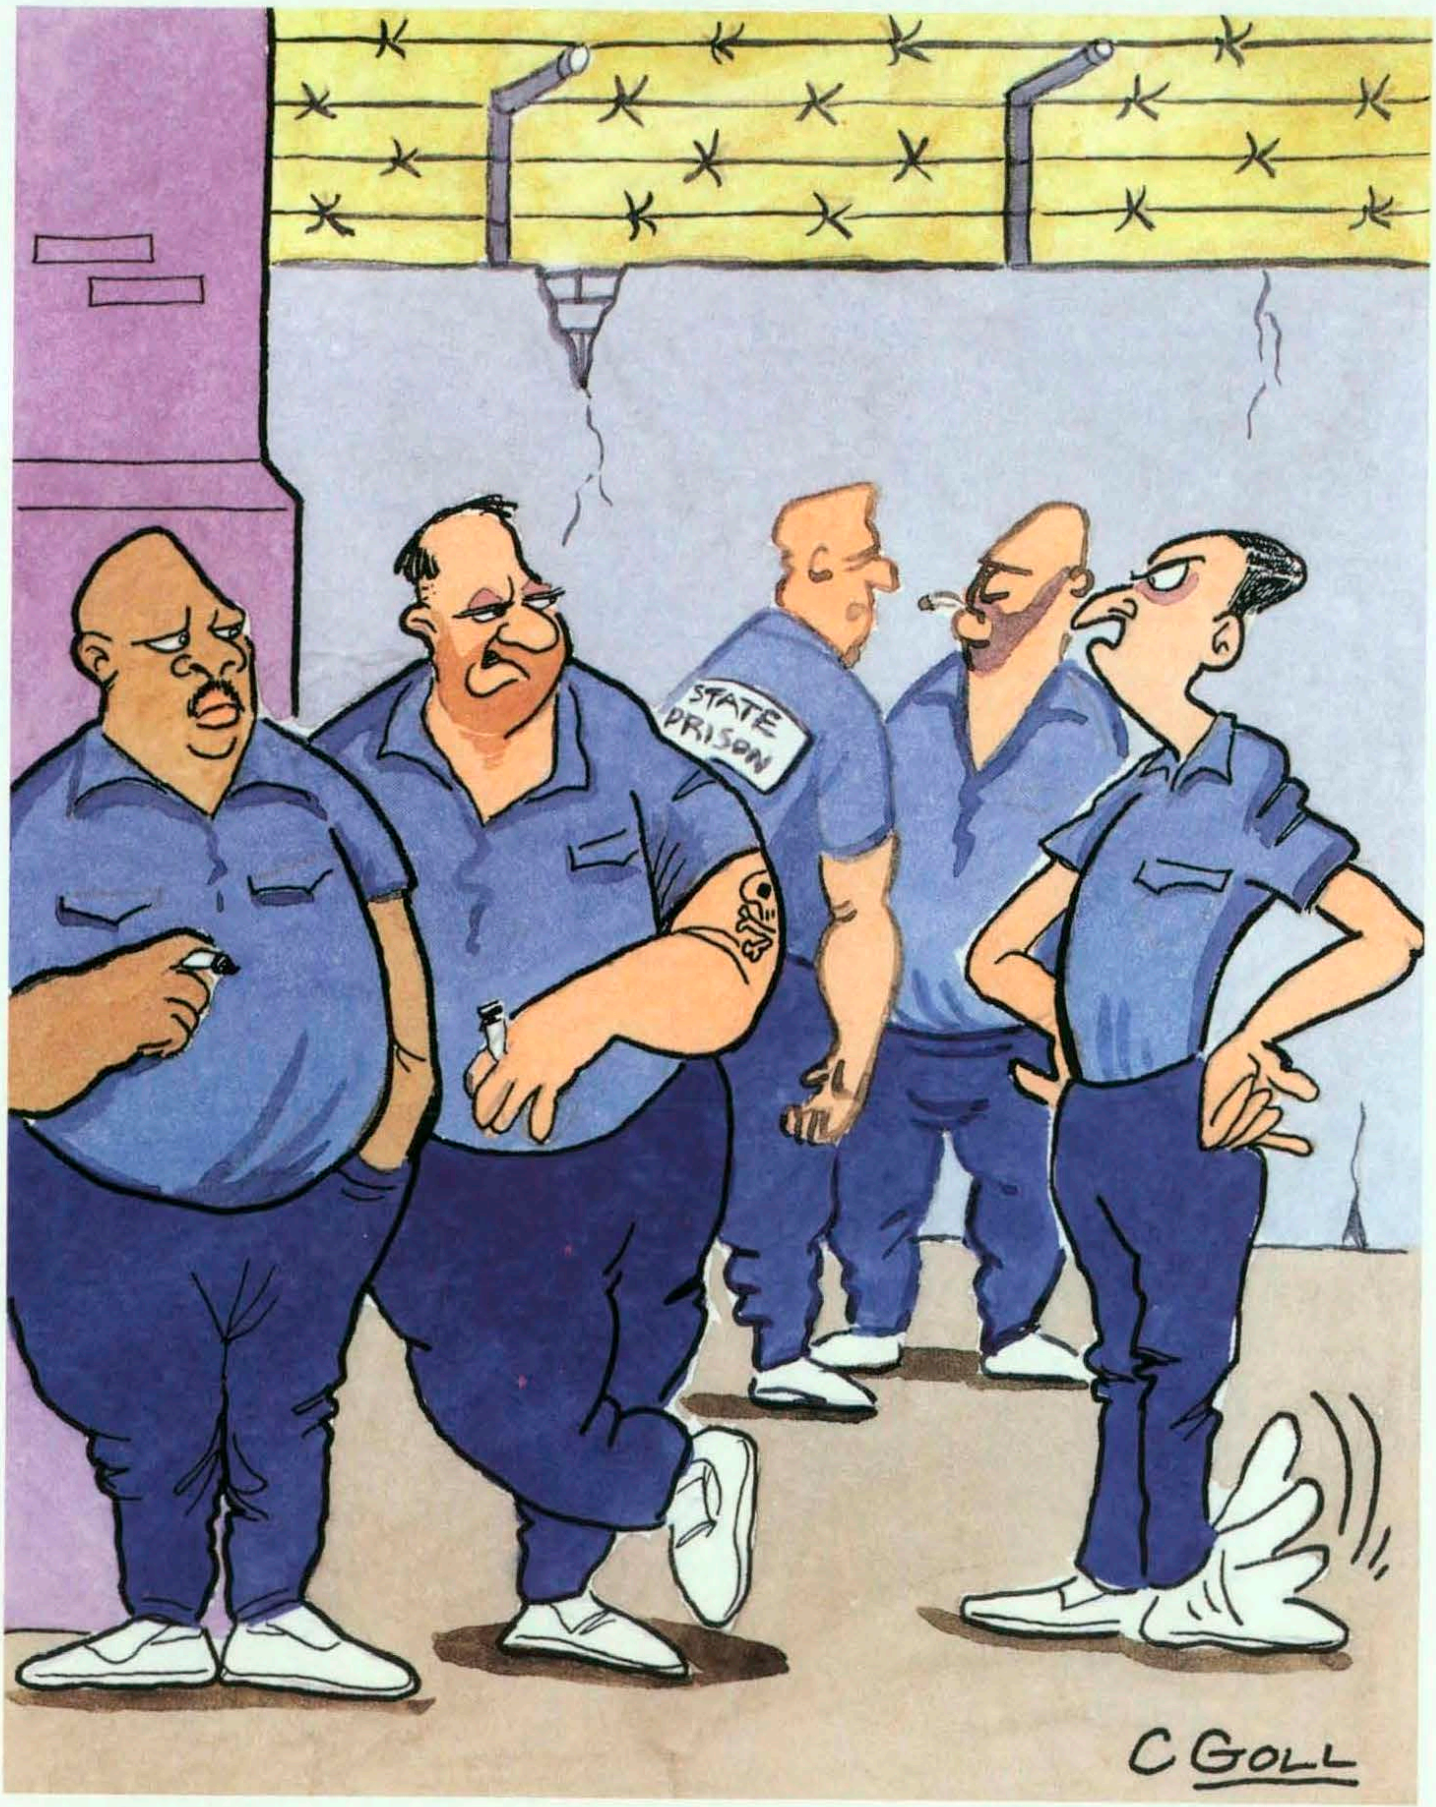

How apt, almost poetically so, that the fleshmongers should be taken to the mat right here in Las Vegas, our nation's mecca of sanctified vice, where ordinary people, the kind who can eat the Circus Circus buffet and keep it down, can enjoy a safe, controlled, readily taxed, well-lit glimpse of the dark side.

We are here to preserve the house edge and the American tradition of dictated leisure, planned obesity and exercise suits on people who do not exercise—as exemplified by Las Vegas—from the threat of spontaneous ribaldry as promulgated by the X-rated traitors.

We all know whose side God is on.

Re: Attrition Among the Troops

Our task force has sustained its first casualty. Agent Shotwad, an up-and-comer operative, has defected. Shotwad's assignment was to lurk about the sex market, gauging attendee attitudes toward various girls on exhibit, with the objective of determining which trollops would provide the highest profiles as targets for preemptive measures. Shotwad proved alarmingly enthusiastic in his duty. He waited in line for 40 minutes, ostensibly to obtain a signed still of gang-bang girl Heather Hart. He slipped the statuesque brunette a $50 bill and his home phone number, as well as his office extension at the fed-

Shotwad was later observed bribing his way into the front of a queue waiting to meet power-body love-mouth Nikki Dial, and was last seen attempting to trade two signed Nina Hartley photos and a Sharon Mitchell for a single picture of petite newcomer Brittany O'Connor. Shotwad's identifying documentation was confiscated for reasons of security. As of that time, he had yet to find a taker for the Sharon Mitchell.

Re: Special Requests From Above

We regret the loss of Agent Shotwad. Though Shotwad's absence cannot make your load any lighter, we have every confidence in your continued ability to carry out the objective. However, two requests. One: We have heard rumors of a party to be thrown by contributors to HUSTLER Magazine. Please advise as to when and where this party is to take place. Allow us plenty of time to get ready. Two: We would really like to meet Madison. Please arrange this, or at least procure a revealing photograph with a personal message from the Raven-Haired Sprite of Splooge. Be assured that your efforts are appreciated by the Upper Command.

Re: Our Failures So Far

Our endeavors have not been without setback. So far, the team has lost one member, failed to pinpoint a HUSTLER Magazine party and been unable to locate the Audrey Hepburn-esque porn starlet who goes by the name Madison. The Upper Command is gravely hampered. Without these important data, our superiors are disadvantaged in making decisions that affect policy and procedures both in the field and later in the courts. Special requests are not a question of fun and games to the Upper Command. For the duration of the mission, ensure that all due seriousness is given to satisfying the Upper Command's needs.

Coordinator Onanizer's Stakeout Notes: Friday Evening, January 8, 1993

Arrive at Caesars Palace a little after eight p.m. Follow subject Al Goldstein, the rotund and unhappy publisher of an obscure New York City sex tabloid, into the Caesars shopping mall. A pair of Roman gladiator musclemen stand sentry at the mall's entrance. The structure opens up with immense, vaulted ceilings that are painted over as cloud-jeweled blue skies, for a vast empyrean feel. A gushing fountain, as large and elaborate as a train station, marks the crossroads of the mall. Statues of winged horses and trident-wielding naked men, all much larger than life, spew geysers of melodious water. About this bubbling monument are arrayed a selection of upper-market retailers, which advertise in pissy magazines that use too much perfume. The arena epitomizes *class*, Vegas style.

Subject Goldstein stands out like a swine before pearls.

Looking like the rodent that ate Milwaukee, subject Goldstein hunkers in the vicinity of Spago, a world-famed eatery-of-choice for the rich and tasteful. Our sources report that Goldstein has invited several luminaries of the lower depths to a dinner party.

Subject Goldstein's guests pretend to be on friendly terms with the corpulent slug because he has promised to pay. Chuck Traynor arrives with his mate, Bo, a ballistically built exotic dancer and firearms poster-girl.

"Chuck Traynor," proclaims overblown Goldstein, making introductions to a pair of passersby who afford him two seconds of appalled curiosity. "He taught Linda Lovelace how to deep-throat and then married Marilyn Chambers. How many men have gone from Linda Lovelace to Marilyn Chambers?" Subject Goldstein fails to add: "And then moved up to Bo?"

"I was just in the right place at the right time," says Traynor, almost sheepish. Commenting upon the aberration to which his fame is attached—deep-throating—Traynor comments: "I thought it was natural."

Former *High Society* magazine hack Gloria Leonard joins subject Goldstein's group, along with foul-minded comedian Bobby Slayton and, finally, redheaded, crimson-lipped blue-screen actress Teri Diver, her husband and her husband's male friend. Goldstein sends Diver's husband and his pal off to cash a third-party check drawn on the Bank of Uranus, then herds his guests into a waiting cab, driven by Agent Handiwipe.

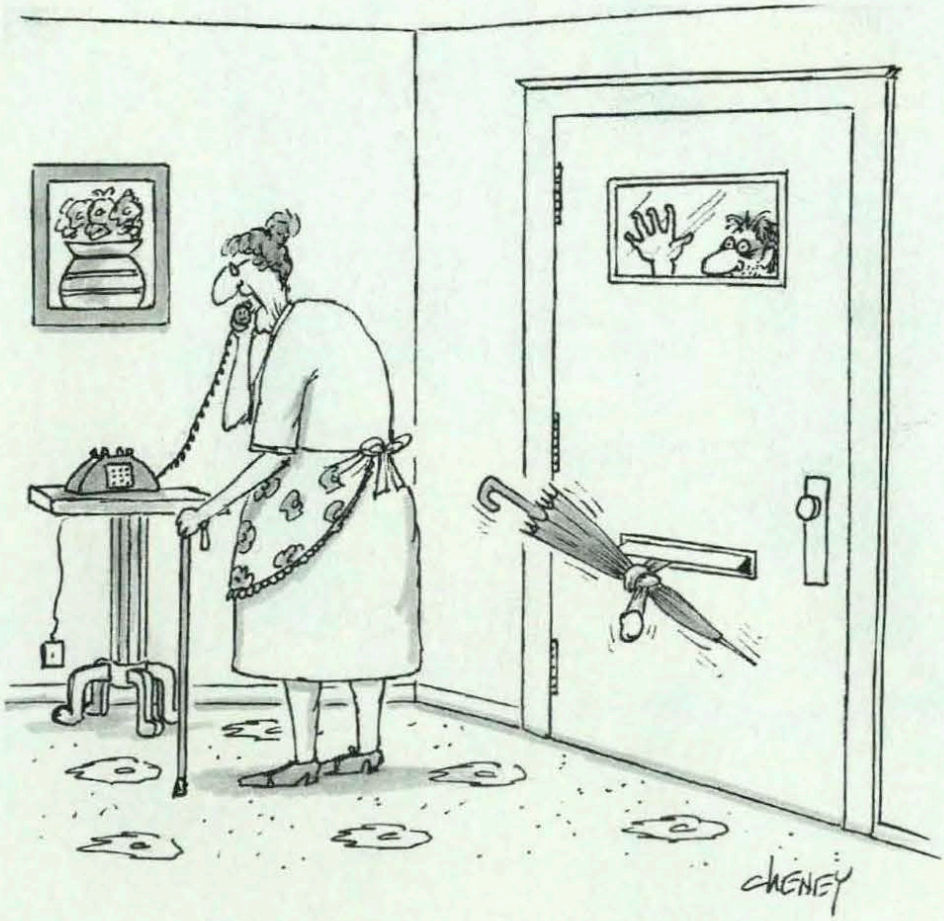

"But you've just ditched my husband," complains Diver.

"I thought it was natural," protests Goldstein.

Subject Goldstein directs Agent Handiwipe to drive to Taco Ratón, a flea-bitten fast-food stand beyond the glow of the strip. Once there, subject Goldstein rolls from the taxi and waddles off, sticking Traynor with the cab fare. Traynor tips well.

"Thank you for meeting me at Spago," huffs subject Goldstein, wheezing from the exertion of pointing toward the Taco Ratón menu. "Order anything you like."

The food is served. Subject Goldstein's meal arrives in a bag. Hefting the sack of grub over one adipose-padded shoulder, Goldstein apprises his acquaintances: "I'm going to the men's room. I'll be right back."

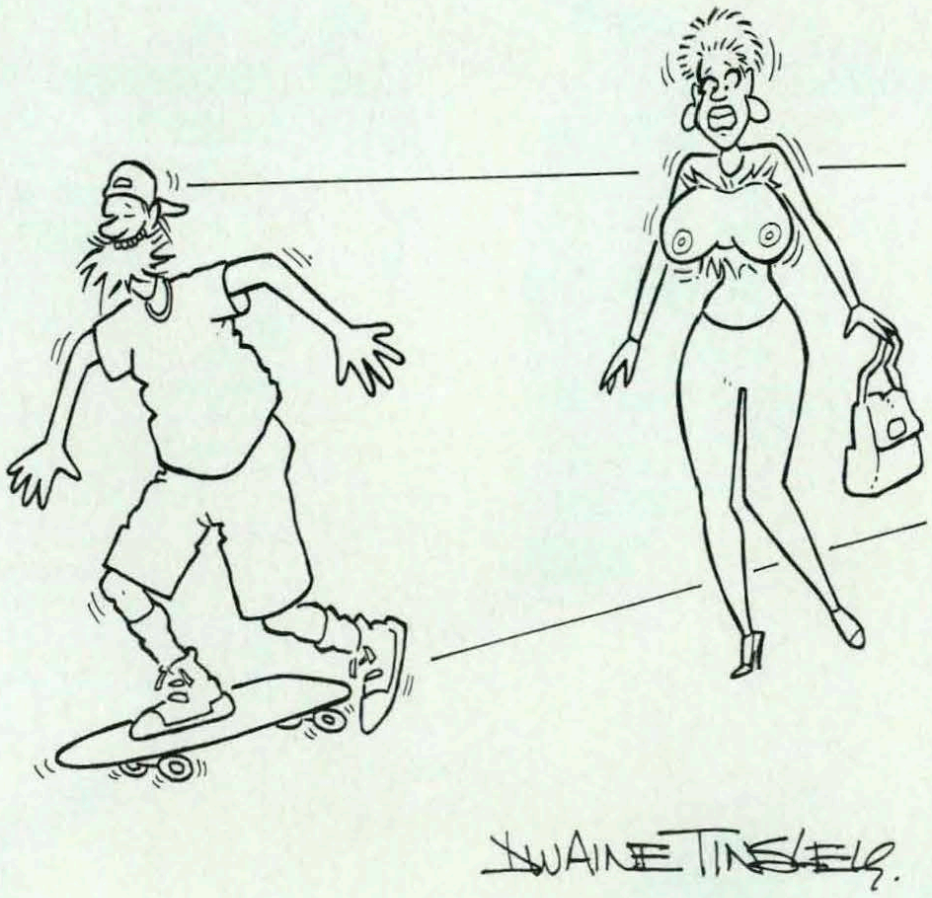

Needless to say, subject Goldstein slinks off to gorge in solitude, and his guests again are stuck with the tab.

Re: Party Search

I have just completed a frustrating evening of seeking festivities. It is now four in the morning, but I will relate my experiences before allowing myself to sleep. Tentative info on several parties at Bally's hotel and casino had been bantered about during the day. Upon arriving at Bally's, the initial destination was the bar. Several sexual lowlifes were tanking up, including oral magician Jeanna Fine (Fine is purported to have made a fire hose disappear down her gullet) and a French-Indonesian hybrid known as Tabatha Cash (direct from Paris; Paris, France, that is). Fine carted a large, pet rat in her purse, while Cash draped a domesticated python about her neck. Hedgehog Ron Jeremy rounded up associates for a circuit of Bally's parties.

Among Jeremy's entourage was the comedian Rodney Dangerfield, star of such motion pictures as *Caddyshack* and *Easy Money*, and a hero to many operatives in the agency. Imagine my chagrin when the casino crowd looked straight past Dangerfield, who is true Vegas royalty, and locked their gazes with a mixture of horror and fascination upon Ron Jeremy, who is a genitally mutated jester.

Scads of saucy video girls in skimpy costume greeted Jeremy warmly, many kissing him directly upon his lips. A few acknowledged Dangerfield; none noticed me. Smut queenpin Amber Lynn—looking like an endorsement for porno finishing school—stopped to chew lip with the Jeremy troll.

Dangerfield can only say, "Wow."

I follow the Jeremy-Dangerfield caravan to a party location. Big-busted, high-assed, cocksucker-lipped females traipse past in the opposite direction. No one answers Jeremy's impassioned pounding upon the door. A janitor informs the group that the party has been busted. Jeremy insists he knows of another party. I follow the claque of misfits from one end of the massive Bally's structure to the other. I squeeze into an elevator and sidle up to Dangerfield. "I don't get no respect either," I tell him, holding out a pen and the back of a memo from Coordinator Onanizer. "Can I get an autograph?"

"Do you have any idea how many times I hear that?" barks Dangerfield. "Am I supposed to sign that little piece of paper? You're making my hands shake."

This exchange has made me love Rodney Dangerfield more than ever.

The caravan ultimately locates a party. A half-dozen hot porn chicks, many running on high-octane fuel, leave immediately. "Check out this party," cracks Rodney, mourning the departure of plush boob-stand Tianna Taylor and the snaky, sinuous Patricia Kennedy. "There's 15 guys for every guy."

But I was not the guy for those 15 guys; so I left, feeling somehow futile and failure prone. I only hope that the bulk of my reports for the Agency will be less dreary.

Re: Arresting Developments

This report is to be filed under good news and bad news. The good news: A dozen adult-film personalities have been arrested and charged with conspiracy to commit prostitution, open and gross lewdness, and pandering. The bad news: Agent Handiwipe is gone. Both developments occurred at a hurdy-gurdy show put on by the so-called Free Speech Coalition in a tent behind the Pure Pleasure Book & Video Store. The 800 to 1,500 patrons shelled out ten bucks apiece, and their admission stubs were used as raffle tickets.

Winners were given the chance to remove a pornographic harlot's panties with their teeth. The activities became increasingly bizarre. "They were really doing some off-the-wall stuff," said Lieutenant Bill Young, head of Metro Las Vegas's Vice squad. He shuddered when asked to elaborate. "You got to draw a line somewhere." Rumor told of smut slut Lacey Rose pulling a participant from the audience, yanking his trousers to his knees and penetrating his sphincters with a strap-on dildo. Rose later denied actual invasion of the patron's rectal chamber, but witnesses claim to have seen the dildo not only slide into the man's chocolate asterisk, but also to have had a

TIJUANA (continued from page 80)

"I'm not a waitress; I'm a whore," she says proudly. "I do what I like and get paid for it. If the Catholics want to doll up every whorehouse in town, it's fine with me."

[BARECAF], the local whorehouse owner's association. *Zona Roja*'s owners, operators and gofers meet at the BARECAF hall to voice their dissatisfaction with the government's demand that they upgrade their clubs.

Sierra fingers a few dominoes, strokes his flowing gray mustache and describes what he has come to consider, after 50-odd years in Tijuana, to be typical political coercion. The prior political machine, the Institutional Revolutionary Party [PRI], tolerated the *Zona Roja*, but the new PAN honchos—an ultra-conservative, ultra-Catholic party—are ballbusters with brooms.

"The new PAN administration told us directly—with the support of the governor—that any [*Zona Roja*] bar that does not have an attractive appearance will not be able to get a license," he claims. "We spend millions of pesos to look like Las Vegas, but that doesn't get us more clientele. Us old guys liked it better the way it was."

Modesta, a slim-hipped, big-bosomed hostess who taxi-dances and does "take-out orders," in *Zona Roja* bars Miami and Chavelas, doesn't much notice the distracting front-side commotion, as Miami receives its obligatory fresh paint and neon. She sits sipping a *Coronita*—the tiny four-ounce bottles of Corona beer that the rent-girls get served—and nods in time to the house band scorching out grind-humping *balladas*. She shrugs when asked about the *Zona* improvements. With her hair dyed blond, her lids painted blue, and her enormous tits thrust up like heat-seeking projectiles, Modesta has a sensibility about the red-zone rezone that comes with utter professionalism. She makes her money the *Zona Roja* way: She fucks for it.

"I'm not a waitress; I'm a whore," she says proudly. "I like being around men who are having a good time. I like bars, music, men. I do what I like and get paid for it. If the Catholics want to doll up every whorehouse in town, it's fine with me. I just don't see why they want to."

Back inside the BARECAF hall, Jose Sierra Fausto says, "That's not a problem for [bars like] Adelita and Miami. They've always been fancy anyway. But other places have an ambiance that doesn't need neon lights. Why should we—for the tourists?"

Tijuana's funky cowpoke bars depend on sawdust floors and wagon-wheel decor as much as their *Norteno* bands' lilting tunes of improbable devotion, despicable treachery and violent deaths overdue. Longtime customers grumble about the possibility that El Gallo will lose its proud, stuffed gamecocks, or that PAN authorities will paint over the time-honored murals in La Carreta, whose scandalous depictions deserve a place of honor in many a Tijuana visitor's historic register.

The walls above La Carreta's dusky booths boast a hand-painted map of Mexico, including vintage '40s cartoons of patrons past, a grizzled *bandito* gunning for trouble, a donkey looking to get his ashes hauled, a titular *señorita* crooning "I'm a little pig from Guerrero, and so what?" and the mysterious English inscription "Drill Stick Man Bewitched Tongue Place."

Across the street, a bar called El Infierno is even harder hit by the respectability blitz. A hard-bitten shithole, El Infierno can't afford neon, but had to paint over their decor. The outside wall, which used to be a balls-grabbing, Chinese red, depicting flames licking from inside the joint out the door, is now a dull shade of blue. Inside, where stunted tequila casualties proudly hailing themselves the scum of the earth formerly waltzed and fumbled with funky dance hostesses, a coat of brown paint covers what used to be the most charming feature of El Infierno's interior, before PAN marshals regulated *Zona* fashion: an enormous wall mural of an El Infierno customer bent over a barrel, getting butt-reamed by *El Diablo* himself.

El Infierno's notorious Girls of Hell dancers are indigenous Indian stock. Martina is a savage-looking little number, solidly built with big, round tits and hips, a graceful, aquiline nose and upturned eyes. When corralling a client, she quotes $9, then keeps dickering until she's gotten at least 50,000 pesos, about $17. For $20, she'll throw in something "special." But there's a snag: Her nicely formed tits are not to be touched. "They *hurt*," she explains. "The slightest touch hurts them."

The "special" never really comes around. After a straightforward fuck, Martina suddenly mentions a terrible pain in her foot, which hurts so much she needs cab fare home. Does she have change for $10? Sure thing—she displays a purse stuffed with small bills. She limps a little on the way out of the

Fuck Rembrandt! We'll pay top dollar for Kitty's fantasy project of "creating a masterpiece in oil paints, using only my body as a brush." May we be your canvas? This 29-year-old sculptured beauty works as a graphic artist in Daly City, California, and enjoys drawing, cooking and weight training.

Jennifer is equally driven whether she's delivering goods for a living or finding new ways to please her lucky husband. She likes playing sports and shopping in Sandoval, Illinois. An outgoing 20-year-old, Jennifer dreams of making love on a beach during a thunderstorm. Just make sure the guy has no metal implant. ***Photo by Husband***

Staring at arousing Angie got us wondering what this 23-year-old sexpot would look like through the lens of HUSTLER photographer Clive McLean. That's why we made this beautician from Fort Wayne, Indiana, a 1993 *Beaver Hunt* Grand Prize Finalist. She may use the prize money to ski or buy a new motorcycle, or perhaps to fulfill her fantasy of sex on the beach during a light rain. ***Photo by Friend***

Bottoms up to perky Ariel, June's subcontractor of the month! Although that's a noble occupation, we'd prefer to watch this 24-year-old resident of Redford, Michigan, dance, swim, have sex, or perform any other hobby she'd care to mention. Why, even witnessing her fantasy of making love in the rain wouldn't be half bad.

Mary, Mary quite contrary, why doesn't your pubic hair grow? "Because I like to keep it shaved," she tells us, and even lists shaving as one of her hobbies, along with playing tennis and swimming nude. This 21-year-old works as a "server" in Dothan, Alabama, and fantasizes about having anal sex in a very public place. As long as she serves, we'll receive.

Judging from the dark glasses, Sandy's a little camera shy. This lithe, 37-year-old housewife from New Munster, Wisconsin, likes riding horses and masturbating, and dreams of having a bottle of wine and three well-hung guys. Yes, but which to drink and which to fuck?

We wouldn't change a thing about this sexy cashier. Her name is Elisa, she's 24 years old, and she enjoys swimming, sunbathing and shopping in Tampa, Florida. Her only fantasy is to become a HUSTLER Honey. Send us some more pictures, sweetness, and we'll see what we can do!

She may not be married with children, but we think April looks a lot like a certain TV sitcom character. A 21-year-old dancer from Bloomington, Illinois, April lists no hobbies, but dreams of being tied up in a boat while her husband and his fishing buddies "have fun with me." Beware of tangled lines.

Although Tiffany currently works as an office manager in Newark, Ohio, perhaps she could use this photo to enhance her next promotion meeting. She likes to dance and swim, and besides appearing in HUSTLER, this 27-year-old fantasizes about sex on a crowded beach. Think of the money she'll save on lotion.

TIJUANA (continued from page 110)

Alley girls don't like to get totally naked, preferring to pull their panties off one leg and knot them around the other thigh during business sessions.

hotel room, whimpers that she can barely walk, and then shrugs, laughs and skips off down the street. It's the kind of attitude customers expect from the Girls of Hell in El Infierno.

PAN-mandated cosmetic improvements mean higher prices throughout the *Zona*. Customers are going elsewhere. Lately Martina has been obliged to hit the streets to meet living expenses. A truck driver kicking back at El Infierno stares at the wall where the diabolic bufu used to leer and sighs, "Couldn't they leave us just one no-class drinking-and-fucking spot?"

* * *

At Tijuana's City Hall, PAN administration's Secretary General Jesus Sandoval Franco denies that the move to force facelifts in the *Zona Roja* is a move toward eradicating the traditional low culture, but officially he will barely admit that the *Zona* exists in his fine, clean, modern city.

Reynosa, Mexico's "Boy's Town," might have a moat and wall around it; Nuevo Laredo might sport lavish rent-girl bazaars such as Marabu and Papagayo; Nogales might have invented multilevel marketing with its whorehouse cribs tumbling up Canal Street in inverse order of quality; and Juarez might feature Irma's supermarket of perversions—but each of these towns claim some landmark or economic institution, if only a river or railroad, around which their night-life revolves. Only in Tijuana did the town itself come as an afterthought to a man's primal urge to get nude and screwed.

The *Zona* dates back to the days when Tijuana's only reason to exist was to serve cheap thrills and illegal booze to border-crossing Angelenos. No matter where a tourist came from, a trip to TJ was called *slumming*. Cantinas and cathouses brightened the border long before prohibition brought a steady stream of Hollywood movie stars, inspiring the birth of casinos with gold fixtures and the world's longest bar.

Long before the parade of tourists and the importation of Japanese electronics factories started making TJ too big for its britches, booze and sex reigned supreme.

The cops who patrol the *Zona* are as nostalgic for the days of old as the red zone's owners, workers and clients. "Closing down the *Zona* would not only throw whoring out into the streets and neighborhoods, it would mean the end of Tijuana," protests a veteran *Zona* patrolman. "Why else do people come here, if not to gutter-crawl?"

Sub-Chief of Patrol Victor Manuel Analiz responds to formal questioning by stonewalling. "To talk about prostitution [in Tijuana] is to talk about something illegal," he steadfastly proclaims. "There is nothing illegal in the *Zona*. It is simply an area for adult entertainment...where people have fun and drink."

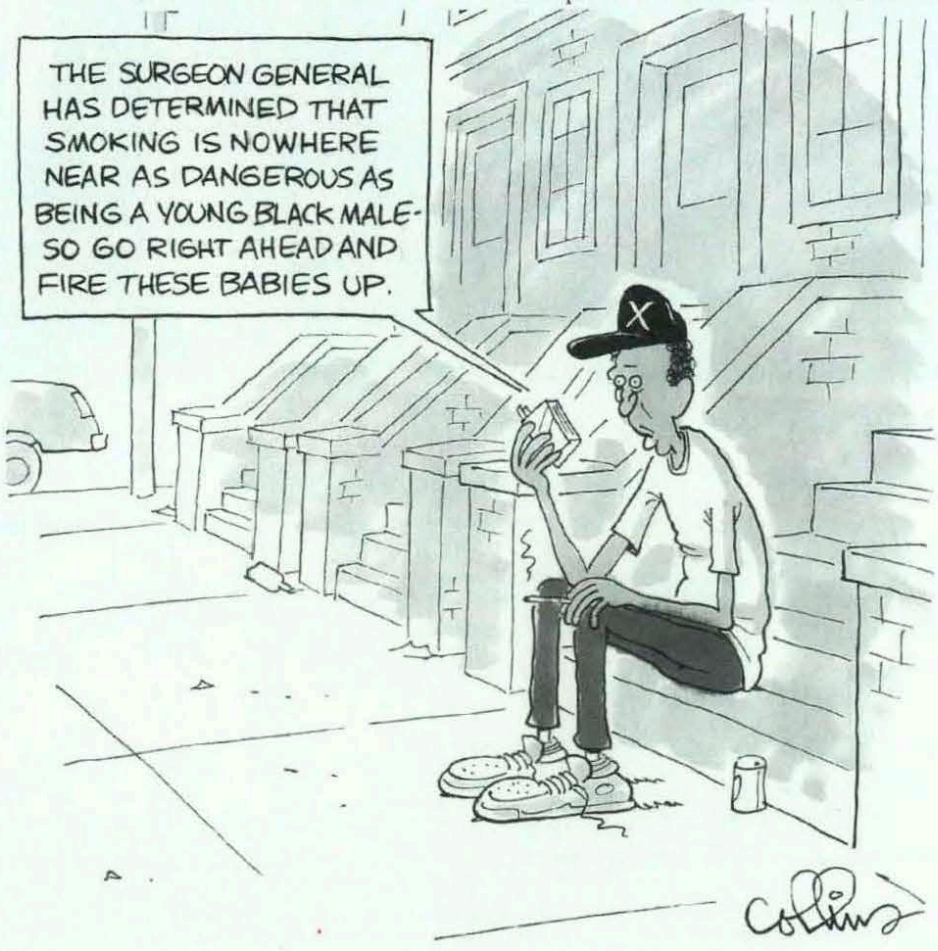

As for music and drinking, in the *Zona*'s single alley, where an open supermarket of food stands sell fried chicken and grilled tripe, one can find strolling musicians serenading howling drunks, and rolling taco carts blasting steam whistles. However, they are joined by a horde of working girls pacing the sidewalks, catching the eyes of passing men while continually watching the road for patrol cars.

Whereas prostitution's illegality is tacitly ignored in the clubs, *putas* on the streets risk arrest. When the *patrulla* rolls into sight, the never-ending line of young girls in Lycra shorts and overburdened halters magically evaporates into bars, hotel lobbies and coffee shops. Patrons of the alley bars are used to whores pulsing in and out like a lunar tide of tight pants and bulgy cleavage. Clients learn to time their browsing between official patrols.

"The girls on the street are younger than the dancers [in the clubs]," observes a retired U.S. Navy officer, a frequent client of the open-air sex mart. "They've got less miles on them; some are just breaking in. The girls inside ask between $30 and $40 a throw. Out here, a guy can get as good, or better, for under $20."

Of course, even the most devoted alley clients admit that the more experienced pros are often worth the extra money. And, unlike a club dancer who'll most likely take a client to a secluded room upstairs in the same building, alley girls don't like to get totally naked, preferring to pull their panties off one leg and knot them around the other thigh during business sessions. Most quote 50,000 pesos [$17] to screw, but demand 250,000 pesos [equivalent to "forget it" in English] to take off their blouse and bra while getting humped.

It makes sense for a professional girl not to want her hair mussed, but some won't permit a client to touch their

TIJUANA

buttocks, or above the waist, on the breast or on the thighs. Seventeen bucks, in these cases, buys the right to do pushups on top of a *puta* and watch her chew gum.

Sometimes a *Zona Roja* girl will take her fuck money, kiss it and cross herself with it, as a kind of blessing to bring more business.

Maira, a fiery-looking woman in her mid-30s, works the alley, but she's no beginner: She wears a money belt with built-in calculator. Maira's a favorite of her fellow *Zona* alley *putas* because she turns tricks for no other reason than to infuriate her husband. He refused to divorce her; so she made sure it was common knowledge that his wife was a whore.

He'd been by to "rescue" her, got tough, and ended with a gang of Maira's *puta* pals beating the shit out of him. Most of her husband's friends have come by to check her out. She makes sure he knows exactly what she did for each one of them, even if she has to leave the details with the secretary at his office. Yet he still stubbornly refuses to grant her a divorce (she calls him "the Romanest Catholic of them all"), but she shrugs, saying, "If he gives me the divorce, fine. If not, well, I've got life insurance on him and this whole business is killing him by inches!"

"It's as romantic as a soap opera, really," remarks one of Maira's *Zona* girlfriends. "She's forced to accommodate other men, but all the while thinks only of her husband!"

Even as the renovation of the clubs drives girls and customers to the streets for a taste of the old days, one of the major gripes at the BARECAF hall remains the longstanding hassle of street competition—the army of taco and *carne asada* stands that line the sidewalks.

A swarthy club owner slams down a domino and says, "Look, I spent $2,000 putting new lights and stucco and paint on *my* walls, and you can't even see it because there's a row of nasty little taco stands tossing grease smoke on my new paint job!"

The taco-benders' attitude is understandable: "I'm a goddamn street vendor—I *have* to be out on the street! This is Tijuana. Looks aren't important, just the pussy inside. What's the one thing that's more important than pussy? Food! So how was that taco, *amigo*?"

clear view of him sucking it once it was withdrawn. On a positive note, Lacey Rose's gross lewdness inspired her sister harlots to competitive depths of depravity, resulting in behavior suitable for prosecution. On a negative note, the man receiving the dong ream was Agent Handiwipe.

Coordinator Onanizer's Diary: Sunday, January 10, 1993

It's all over. The porno people have packed their tainted tents and gone home. The task force has disintegrated. I am off the mission, and sleaze, once again, has triumphed.

Disaster struck last night at the porno awards ceremony, or rather in a hallway outside Bally's Grand Ballroom, where the event was being conducted. Every year, the *Adult Video News*, a shoddy trade magazine that sucks from sores upon the anus of the pornographic industry, holds a sham best-of party. The *AVN* hits up the smut mongers to the tune of $150 a head to attend its glorified soiree. The Upper Command insisted that I procure two passes.

I stood in Bally's lobby, clutching the ducats. Porno celebs paraded past, headed to their party, decked in porno hippie finery. Scads of retro chippies scuttled in from the bar area. Ron Jeremy trolled in a dinner jacket, providing the weekend's most disconcerting visual. Madison floated by, clad in a half-dozen red feathers. The tarts paraded their erotic leverage through the casino proper. The straights, the chumps, the mooks can gawk, but not only can they not touch, they can't even go into the same room as the pussy-flaunting sirens—not unless they possess a $150 entrance stub.

Two such tickets were in my grip, and I anticipated a fruitful night of incognito surveillance. Then the Upper Command arrived, in leather pants and purple bolero jacket, his gray hair pulled back in a greaseball ponytail. He had a date, who looked to be 22 and slinking out of her hip-huggy bellbottoms and flop top.

"You wait here," ordered the Upper Command, snuggling with his lust waif. "I'll call you when you're needed."

I waited. I could be waiting there still.

Two hours later, rotund subject Goldstein waddled slowly out of the auditorium, wheezing.

"Do they have awards for the toilet-paper industry?" blathered subject Goldstein between wheezes.

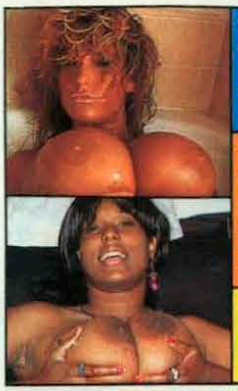

Only I was listening, and I was doing so surreptitiously.

"Softest two-ply?" he mused.

I had to agree. The whole thing had been a wipe.

"We are a rather strict brotherhood, my son."

You Can ENLARGE, THICKEN & HARDEN YOUR PENIS TO IT'S MAXIMUM!

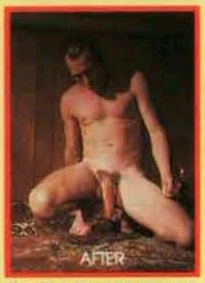

HAVE ERECT MEASUREMENTS OF 9, 10, EVEN 12 FULL INCHES!

Let Scott Taylor "King of Penis Enlargement" show you how!

Is the size of your penis bringing you down? Sure, the medical authorities say that size doesn't count, but as long as women have a need to be filled, they will demand the full measure of devotion. And no amount of psychological reassurance will fill the gap between expectation and reality.

Now, with a simple device you can follow in the footsteps of Super Porn Stars, Scott Taylor, Jeff Stryker and the hundreds of thousands of men who have proven that there is a way to INCREASE PENIS SIZE and THICKNESS! The device is called the SUPRA-12 VACUUM ENLARGE. A safe and proven natural way to add inches to penis length and thickness. With the SUPRA-12, you will see yourself grow to dimensions you never thought possible.

HOW CAN THE SUPRA-12 VACUUM ENLARGER INCREASE PENIS LENGTH & THICKNESS?

Your erection is caused by blood flowing into hollow caverns inside your penis. The caverns fill with blood and your penis grows in size and thickness and becomes stiffer and stiffer until the caverns are filled with all the blood they can hold. BUT, IF YOU INCREASE THE CAPACITY OF THE CAVERNS BY MAKING THEM BIGGER, THEY HOLD MORE BLOOD and you have a correspondingly longer, thicker penis. You'll see the astonishing results the first time you use your SUPRA-12. Your penis will grow inside the clear, picture window sleeve. Immediately you'll see just how really BIG. . .how really FAT. . .how LONG. . .how HARD and STIFF your own penis can get! And after regular sessions with the SUPRA-12 you'll probably find as do most men that these size gains don't go away! They become a part of you to thrill and excite her!

SUPRA-12, THE "ROLLS ROYCE" OF VACUUM ENLARGERS.

These sophisticated instruments are by far the state of the art in penis enhancing machinery. The HEAVY DUTY MANUAL model is a finely crafted precision instrument designed to create the vacuum needed to make the male organ LONG and THICKER. And for the connoisseur, the powerful ULTRA DELUXE ELECTRIC model (U.L. approved) is equiped to give you continuous even sucking power until you shut it off! The ULTRA DELUXE ELECTRIC is perfectly safe and as quiet as a whisper.

Accept no substitutes if you are truly serious about penis enlargement – join the more than half a million men who have proved that the SUPRA-12 will do the job for you!

FREE! $24.95 HOW-TO-VIDEO *with every* PUMP ORDERED!

SCOTT TAYLOR TAKES YOU STEP-BY-STEP AND SHOWS YOU HOW TO ENLARGE YOUR PENIS!

He'll show you what phenomenal increases he has made in both the length and diameter of his penis with careful experimentation. Finally, he has hit upon the most efficient enlargement method to date! This video tape is a full color, detailed, step-by-step explanation by Scott of what you need to know to increase your own genital size.

FULL DEMONSTRATION BEFORE YOUR EYES! ANSWER ALL YOUR QUESTIONS!

- Find out exactly what is happening to your penis to make it grow longer and thicker!
- Discover what the enlargement process really feels like!
- Find out how big you can expect your penis to get!

HOT, WET & KINKY

I'm a pro, and I know just what I like. I like it hot, wet & kinky. I may look young & innocent, but don't think I haven't seen it all. I do it with boys, I do it with girls, and use your imagination after that. (Publisher's restrictions prevent me from giving further details.) REAL GIRLS TELL THE REAL STORY

Alese Seward, Wind River Indian Reservation. "You'll really have a chance to meet adventurous women like me on the Partners Party Line because they advertise FREE service to women"

Rhonda Bloch, Wheeling WV. "I'm not a fancy party line model, but then, those stuck up models ain't going to fuck you. Me and my friends are just regular girls looking for a good time with a guy like you."

Margarita Izzarita, New York City. "What's great about Partners Party Line is they got live, friendly operators, sweetheart facilitators and none of that electronic bullshit like those fake bulletin boards."

Cecily W., Las Vegas. "Yeah, I'm a street girl by night but I find my real lovers on the party line. They're open 24 hours a day - (and so am I, sweet thing)."

PENIS ENLARGEMENT

SUCCESSFUL RESULTS for 20 years with more than 3 million men!!

INCREASES UP TO 3 INCHES!
ERECT MEASUREMENTS UP TO 12 INCHES OR YOUR MAXIMUM POTENTIAL!

To reach your maximum potential you must have the BEST Pump... the BEST Instructional Video or magazine... and one more bonus: THE BEST PRICE!

Use the pump that's used by more XXX video stars for peak performance!

WHAT IS THE BEST PUMP?

First of all, a quality pump constructed of the finest materials tested and tried and used successfully for over 20 years. Our pump will give your penis increases in length and diameter you've never dreamed possible. Up to 10 inches, even 12 inches... or your maximum potential. And you'll see this dramatic increase in size grow right before your very eyes through the clear view housing!

OUR PUMP IS THE SAME TYPE OF PUMP PRESCRIBED BY DOCTORS THAT SELL UPWARDS OF $500 TO HELP MEN PRODUCE AN INSTANT, DYNAMIC, ROCK-HARD, THROBBING ERECTION!

Used by men of any age, any height or weight- for a longer, thicker, harder penis.

THE BEST STEP-BY-STEP INSTRUCTIONAL VIDEO AND MAGAZINE!

Okay... suppose you do have the BEST pump money can buy- but now what do you do with it? Do you know how to use it properly? This is important! Our BEST instructional video tape and magazine shows you, step-by-step, how to harness the energy of our powerful penis enlarger- and we do mean POWERFUL! Much more than any pump available at any price! The BEST instructional video tape and magazine are easy to follow and guarantees you will understand how to use our pump. They were produced for the sole purpose of ensuring your immediate success with a longer, thicker, harder penis.

From the moment you begin using our penis enlarger you can expect dramatic increases up to 3 inches, and reach your maximum potential with a rock-hard , throbbing penis that will allow you to penetrate your sex partner deeper than ever before!

HOW ABOUT THE PRICE?

Let's face it, when you decide to purchase an effective penis enlargement pump to increase the size of your penis, the most important thing to you is the quality of the pump itself. So while instruction in its correct use- through a video or magazine- is important, the cost of the tape is still less than that of the high quality pump that we're offering. Ask yourself how other companies can charge $25 or more for their package... and $20 of that price is for the tape! Does that mean you're going to trust your penis to the quality of a $5 PUMP?! Do youself a favor, don't take chances. Our pump is the BEST available, and that's why we're almost giving the tape (or magazine) away to prove it! We want you to enjoy every potential of your sex life... not ruin it with a $5 pump. We think you'll agree with us that our system is the only one you can feel confident with. We wouldn't sell it if it wasn't. Remember, we offer successful results for 20 years with more than 3 million men!

CAUTION: We do not offer an electric model. Electricity with liquid, gels or perspiration should not be used together. You need superior stroking action to increase penis size, not an ordinary vibrating massage unit.

KEEP SCORING

Fireworks in July? Never mind the Fourth—it's HUSTLER's 19th anniversary! Six salutatory slices of blistering pink mark the continuing coming of America's Magazine: A nipple-tugging bed lover wrapped head to spike-heels with raw silk musses the sheets in the comfort of a plush boudoir; a wrist-rustling cowgirl wrassles a tender stretch of private property with bare hands and stocking feet; an ambulance-driven wet nurse applies mouth-to-mound first aid to a long-legged lass in an emergency backseat examination; a bubble-assed biker discovers the stiffest peaks on an off-road, flesh-mountain patrol; and the sole filly at a stud poker game turns up aces in everybody's winning hand. HUSTLER in July throws the party of the year. Come as you are!

LAWYERS ON TRIAL

"Attorneys have ruined the world!" shouted 62-year-old James Sinclair upon gunning down his attorney at the Los Angeles County Law Library one minute before his civil trial was scheduled to begin. Nationwide crime statistics indicate that an alarming percentage of plaintiffs in America agree with Sinclair: Many would as soon shoot their lawyer as share the same courtroom. Hatred for lawyers is so widespread that homicide detectives assigned to investigate an attorney's murder often find it impossible to narrow down the list of suspects. Writer Larry Wichman's *Counsel on the Defense* presents a caseload of crooked, innocent, meddling and incompetent shysters with one thing beside the bar in common: They found themselves sentenced to death by their clients.

THE LIGHT ON DARK

Flesh-flick legend Greg Dark, the darker half of the Dark Brothers, master-minds behind X-film landmarks *New Wave Hookers*, *White Bun Busters* and *Devil in Miss Jones III* and *IV*, touched base with fuckographer Christian Shapiro during production of the hotly anticipated *New Wave Hookers 3*. Among the more profound mysteries of life in the fuck lane, the Godfather of Mondo Porn ponders the ins and outs of anality, why tongues always end up in assholes, the quacking duckmen-gang-bang connection and Dark's continuing habit of trying to smell girls' pussies whenever he's near them. Probing as deeply as the tools of a jaded journalist allow, *Dare to be Dark* is Shapiro's provocative take on the X-man X-men envy most.

ONWARD AND UPWARD

Anyone who's ever stuck an ear against a wall to hear the couple in the next room fuck understands the evocative power of aural sex. "Earbanging," the hottest trend in sex and sound, comes through loud and clear in writer Mike Sheeter's "The Ears Have It," HUSTLER's *Sex Play* for July; *Hot Letters* shines up the dirtiest dispatch of copulatory confessions; *Beaver Hunt* combs small-town bush for bush; and *Bits & Pieces* rounds out HUSTLER's 19th birthday with a glance back at yesterday's gags and a hard look ahead at tomorrow's impractical jokes. All in HUSTLER in July. Pop a cork on us!
