Everyday Girls Get Legs up for
Competition

Tom Arnold married Roseanne Barr, tied himself to the rear of her publicity bandwagon and shrewdly manipulated Hollywood into believing he was entertaining. Now that he's got it all, HUSTLER believes that Tom should finally admit that...

"I'm tired of fucking ugly chicks!"

Angry at waking up to the same mutt-faced bitch every day? Don't shout. Shoot! Dog Gone, the deadly and efficient way to rid a man of unsightly girlfriends.

"Being elected Vice President has changed my life; now it's time to off my homely wife. Thanks, Dog Gone! Now, bring on the babeskis!"

Parody. Not to be taken seriously. Quote and sentiments fictional. HUSTLER looks forward to long, creative careers for Tom and Roseanne Arnold. In fact, may we extend the offer for a nude HUSTLER layout?

BITS and PIECES

ASSHOLE OF THE MONTH

Abortion is an inflammatory, personal issue, and no magazine, not even HUSTLER, is entitled to dictate what any individual's beliefs should be regarding scooping a fetus from its mother's womb. However, if Michael Terry and his girlfriend Doreen had vacu-jacked their illegitimately conceived embryo 30-odd years ago, rather than get married and spawn, then Randall Terry would never have been visited upon the Earth, and some other deluded anus would be HUSTLER Magazine's Asshole of the Month for July of 1993.

"I was conceived out of wedlock," admits Terry. "I could've been aborted. I think my parents wouldn't have, but I'm just real glad they didn't even have the choice."

The only thing that would make Randall happier would be if none of the rest of us had a choice either—no choice about abortion, and no choice about anything else.

Randall Terry is the founder and fuhrer of Operation Rescue, a network of fervent antiabortionists who grab headlines and network-news time by picketing, blockading and invading abortion clinics across the country. Terry, and Operation Rescue, equate abortion with murder. Their belief is that God's higher law compels them to break the laws of man in order to stem the slaughter of innocent zygotes and blastocysts, the earliest cellular stages of life, which the devout refer to as "children."

Randall, a born-again used-car salesman, sells his organization—which in 18 months spread from a

RANDALL TERRY

small group in Binghamton, New York, to 35,000 followers in 200 cities—as a continuation of the American tradition of social change through civil disobedience. Terry would compare his group's efforts to those of voters'-rights sit-ins and the freeing of the slaves.

Abortion foes are encouraged to participate in "rescues," acts of group mayhem surrounding the entrances of clinics that provide abortions. "Rescue as often as you can," exhorts Terry. "Go to jail as often as you can."

At more than 40,000 arrests nationwide, Operation Rescue is arguably the largest civil-disobedience campaign in America ever. Terry has been arrested himself—

twice in Atlanta alone, where he was released within hours, after supporters put up their own homes as collateral. But some of the lower-profile faithful sat in jail for nearly two months.

Operation Rescue's flash tactics have included "sidewalk counseling" (gangs of zealots heaping abuse upon individual women attempting to enter a medical center), inducing toddlers to hold up gross-out posters of the head of an aborted fetus, shoving a real fetus into the face of Bill Clinton during the Presidential campaign, the mass publication of home addresses and home telephone numbers of officials deemed hostile to the

cause, and punching a pregnant clinic worker in the stomach (she was hospitalized and miscarried).

Aside from performing fist-to-belly abortions, Operation Rescue members have shown their appreciation for the sanctity of life by keeping a scraped fetus in formaldehyde at their office and reverently naming it Baby Choice. The crowning testament of right-to-life crusader devotion was the murder of Dr. David Gunn, shot in the back three times by a baby-saver in Pensacola, Florida.

"We grieve for the loss of his life," deadpanned Terry after the doctor was gunned down, "and for the thousands of children he has murdered."

A week prior to the killing, Terry had fired up a Florida training camp for protesters by proclaiming: "We've found the weak link is the doctor. We're going to expose them. We're going to humiliate them."

Dr. Gunn's picture had been distributed on a mock "wanted" poster at an Alabama rally for Terry last summer. In training tapes distributed to his flock, Terry suggests it may be necessary to "physically intervene with violence."

Weary of the temperate voices of his more rational allies, Terry, who plans now to run for Congress, preaches: "We are not going to tolerate cowardice and compromise in our camp. God is, and He has spoken."

God did speak, and He said unto HUSTLER: "Randall Terry? There's one Asshole I should have drowned in a pool of saline."

FARTS IN THE WIND

Michael Gartner: As an Iowa newspaperman who became NBC News President, Michael Gartner projected a sphincter-clenched image of squeaky-clean journalistic propriety. Then his minions attached explosives to a General Motors truck and blew it up in a staged news event that exposed their boss, Michael Gartner, as a flaming Asshole.

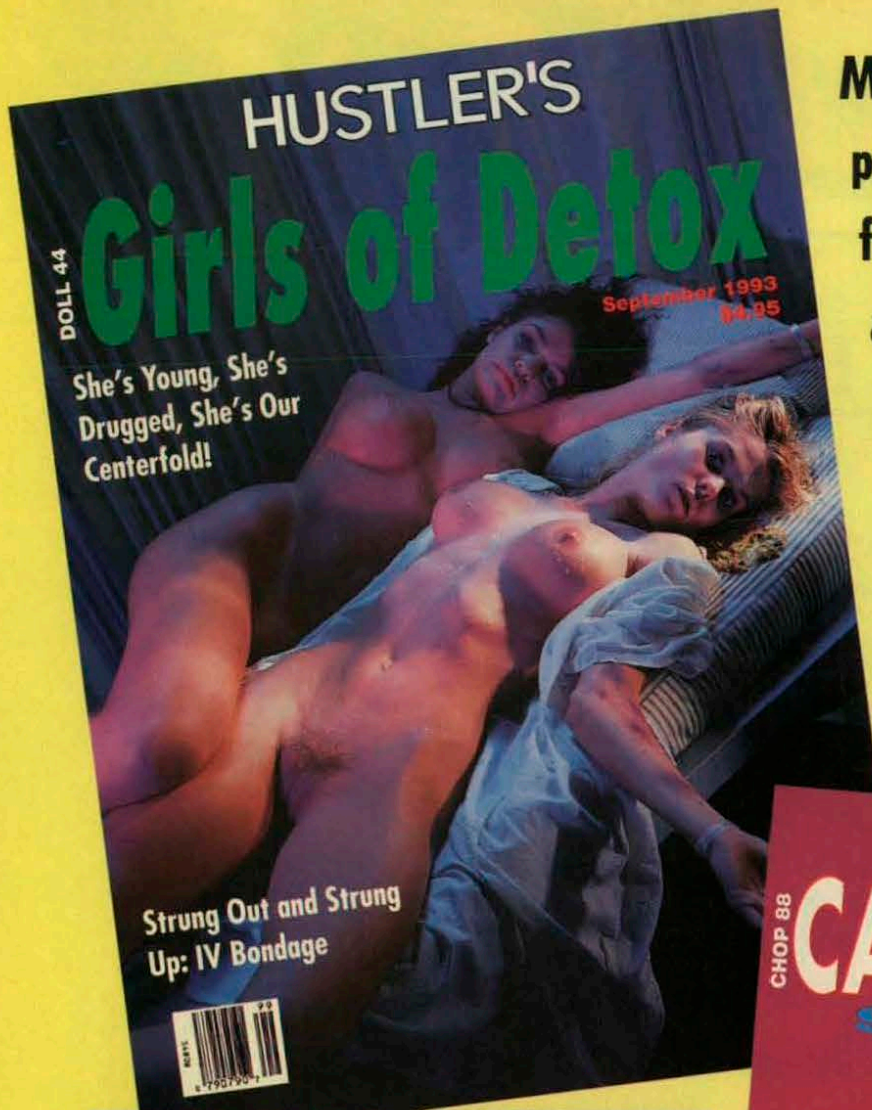

Sheik Omar Abdel-Rahman: An Islamic Fundamentalist whose followers have been linked to everything from the assassination of

Anwar Sadat to the bombing of the World Trade Center, Abdel-Rahman is a resident of the United States of America, spreading his hateful prophecies from the very belly of the Great Satan—Jersey City, New Jersey. Truly, he is an Asshole in our midst.

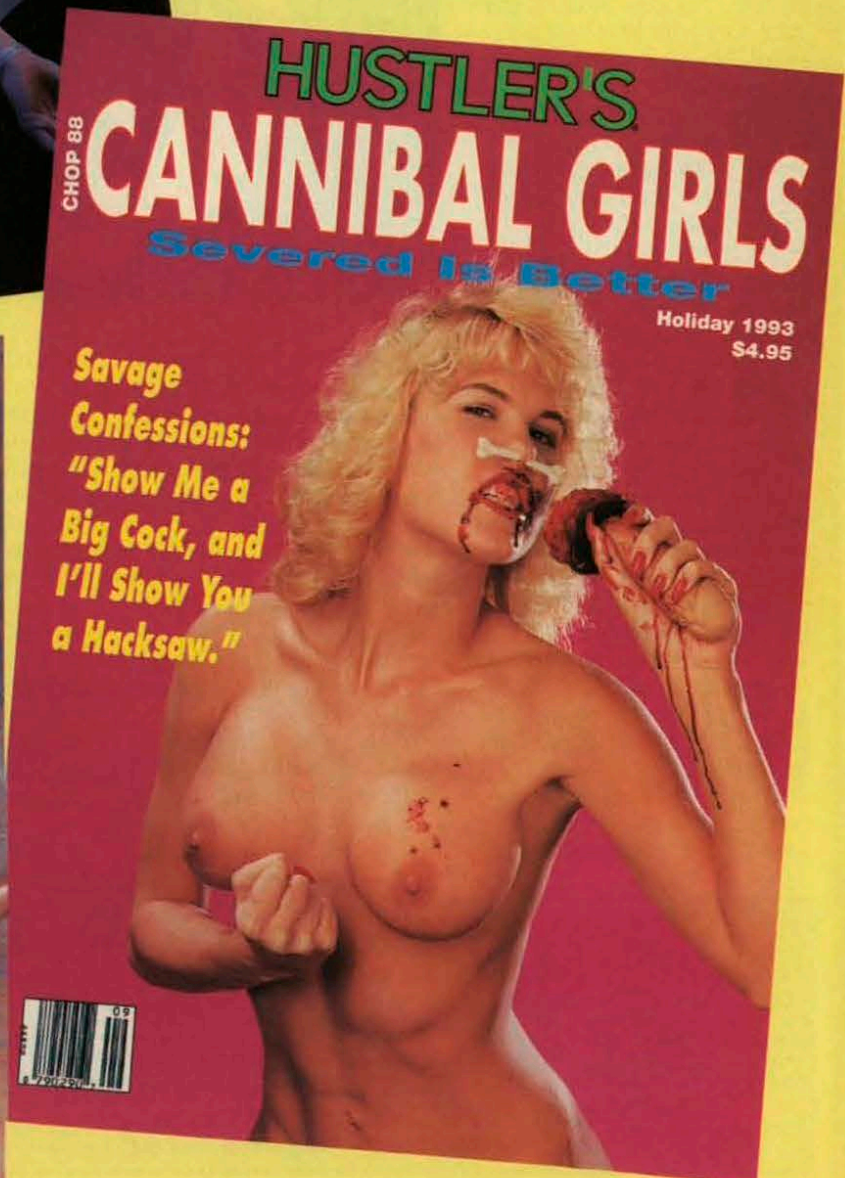

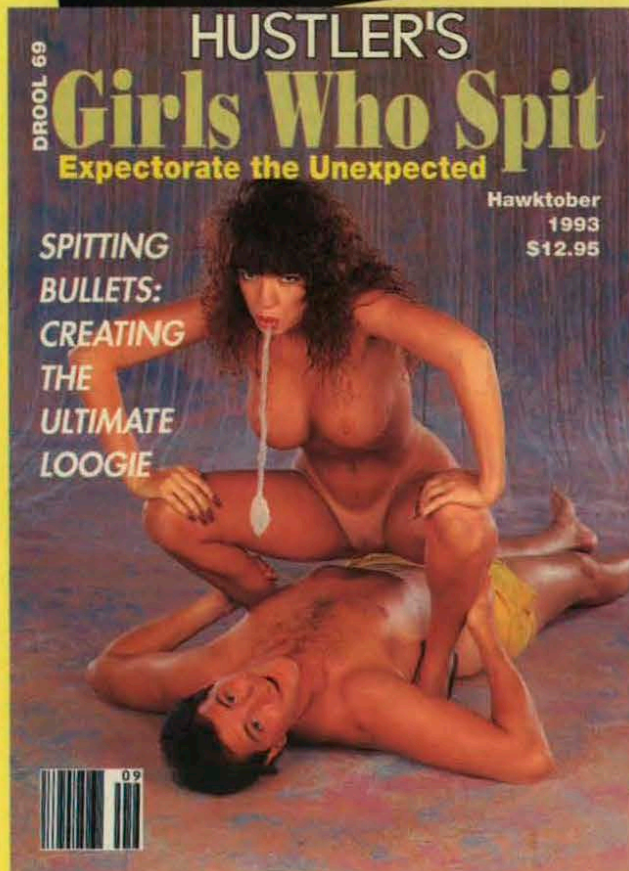

Archbishop Robert Fortune Sanchez: The Santa Fe, New Mexico, cleric allegedly had sexual relations with five unnamed women,

some of whom claim he had sex with them as teenagers. He wears a pointy hat and a dress, but he's an Asshole nonetheless.

Donald E. Wildmon: The Reverend and his American Family Association are back in the news with a consumer-boycott campaign of Johnson Wax, because Johnson buys ads on TV programs that Wildmon believes promote "sex, violence, profanity and anti-Christian bigotry." Wildmon could just change the channel, but he'd still be an Asshole.

Month after month, **HUSTLER** places women on pedestals, like fine art, for the world to appreciate. In fact, **HUSTLER** loves women so much that we want to explore their many moods and nuances. Look for these new magazines coming to newsstands this year.

Here's Why *HUSTLER*

Is #1

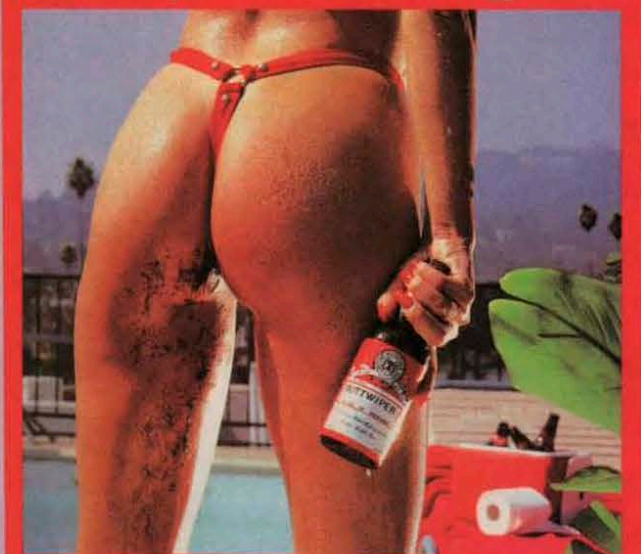

HUSTLER Magazine scoops its competition month after month because we care about our readers.

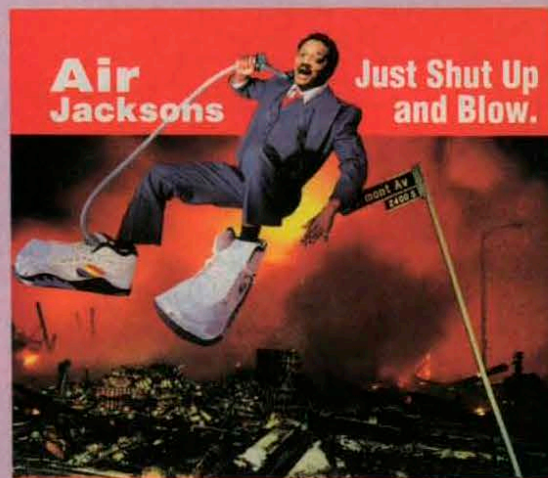

Each year *HUSTLER* editors and reporters travel a distance equivalent to a million trips to Mabel's Whorehouse in Nevada to uncover the bizarre and bodacious in adult entertainment. Since this special 19th

Anniversary issue of America's Magazine is devoted to its readers, here's a look back at the year in smutty satire. *HUSTLER* continues to mock where no magazine has mocked before.

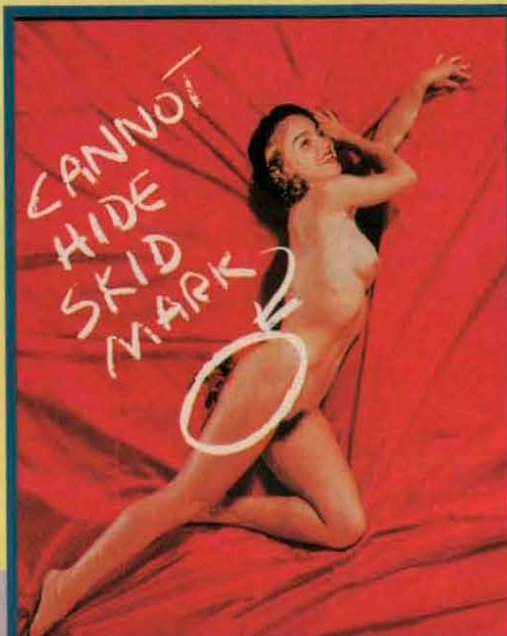

Why Ass Wipe?

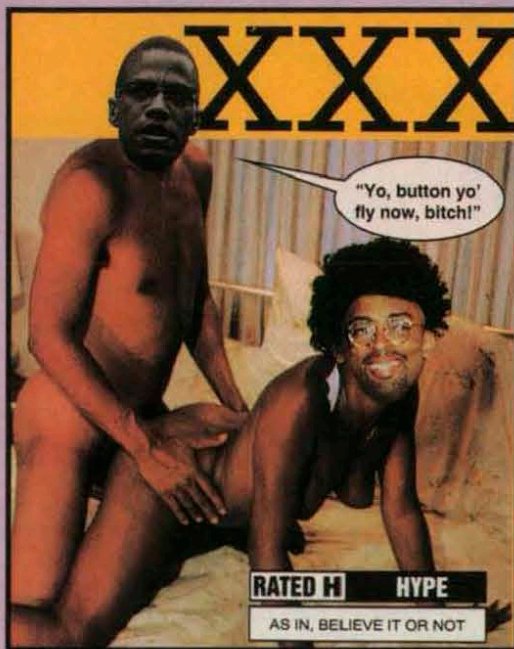

Throughout the year, *HUSTLER* featured the latest product advertisements—the way they should've been.

HUSTLER gave readers a peek at Madonna's Sex book before the tidal wave of hype began. Ironically, this outtake was actually sexier than anything in that aluminum-coated turd.

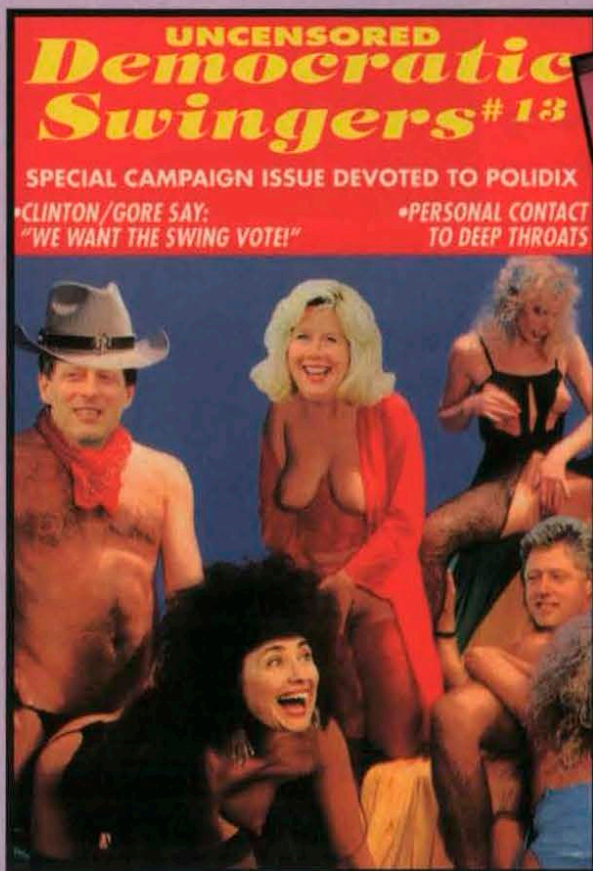

Parodies. Not to be taken seriously. All celebrity heads pasted onto our models' bodies.

Some movies are a harmless way to waste two hours and \$8 a head. Others extend a personal agenda that HUSTLER pushed a few inches further.

Standing at the forefront of the magazine business, HUSTLER speculated on two new magazines the country might want to see.

Parodies. Not to be taken seriously. All celebrity heads pasted onto our models' bodies.

Tends to impose suffering, bleeding-heart rhetoric upon similar breeds stupid enough to believe there's bite within her bark. An incessant and annoying dog who won't stop yapping even when its paw is stuck deep in its mouth. This whining, would-be martyr is blinded by rainbows and coalitions.

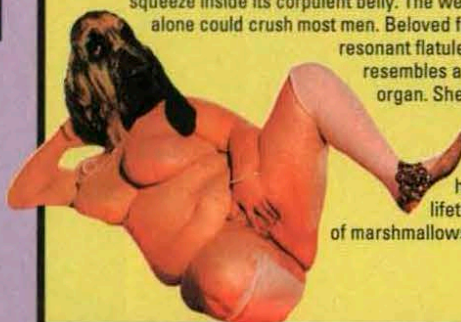

Shit Zulu

Incredibly intelligent and talented both in and out of the bush. Can be trained for multitudes of purposes from hunting to fetching to playing the ukulele. Sheds its skirt for masters with a large spear, but otherwise is impervious to fear.

INSIDE DOWNSIDE

I was just reading a story in HUSTLER's April 1993 mag called *Hell Times Ten* (*Hell Times Ten: The Ten Toughest Prisons in America*, April '93). I have written *Feedback* before. HUSTLER prints it as it is. I am doing time at Holman in Alabama right now—life without parole. *Hell Times Ten* mentioned Draper and Holman. Draper has had its bad times, but is actually set up as a first-timer's camp. Holman and Atmore are the toughest holes in Alabama. Holman has a nickname: the Bottom. Atmore's nickname is the Slaughterhouse. People constantly hear about the bad stuff the cons are doing, but not too many people on the street are wise to the shit cons see in prison, such as someone getting sucker-jumped by six or more guards, handcuffed, legs shackled, in no position to defend himself—and then getting ten, 15, 20 or more years for assault on the guards.

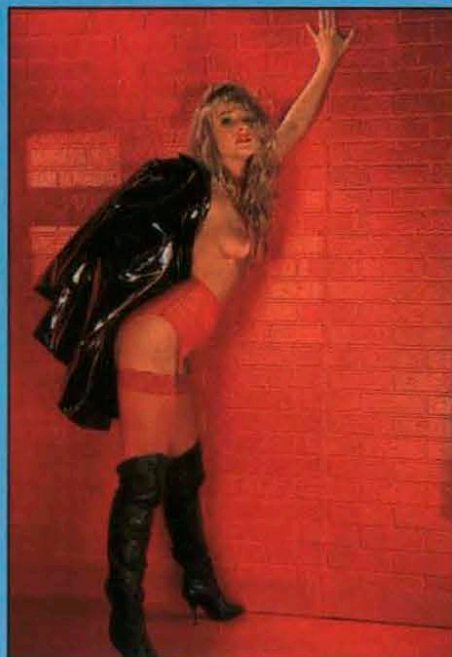

Take a minute to put yourself in a con's place. You're sitting in lockup. The guy next to you tells you he is having terrible chest pains and needs help. You and about 30 more cons yell and beat on the doors and bars to get the guards to summon help. You do this for more than an hour, but the guards won't get off their sorry asses to see what's wrong. Finally, one shows up, but the con has passed out; so the guard leaves the cell block. You think he will come back with help, but he doesn't. Everyone starts to raise hell again. Thirty minutes later, the guards check up on the guy, but it's too late—he's died of a heart attack. This has happened twice at Holman in the past four months—one incident just two weeks ago. How about seeing a con begging a nurse to get him to a hospital, but the nurse gives him two aspirin and tells him to sign up for sick call in the morning? By morning, he's dead.

It doesn't matter where you're doing time. Every con has seen shit like this happen. Every one of us says, "Man, that could have been me who they just let die," or "Man, that could have been me they just beat the shit out of, six deep." The thing people on the outside always ask is, why are cons who get out of prison so violent? The answer is easy: Doing time and seeing how prison treats people puts hate in a con for everything around him. We made mistakes and are paying for them behind bars, but we're living, breathing people all the same. We've got families, friends and loved ones, but you can downgrade someone only so much before he just don't give a fuck about anything, not his life or anyone else's.

—A Con in
Atmore, Alabama

PAYBACK SUCKS

I've been a collector of HUSTLER Mag-

Ava: Beater's Choice

azine for four years. I started in October 1988 and hoarded every issue since. Being a victim of the economy, it wasn't easy for me to scrape up the money every month to buy a piece of history. Well, it's sad to say that my pieces of history have been made history by the hands of a burglar. My four years of HUSTLER history fell victim to the menaces of society as we know them today. I'll never be able to replace what was lost, but I will still be a true, dedicated, hard-core, gun-owning, pornography collecting son of a bitch of the best adult magazine in the world. I just want to take this time to say to those who are responsible for my loss that if you've got the balls to try it again, go for it. That doesn't justify your words of hate. Make sure you never cross a Jew's path. We take a lot of shit. When the tables turn, we give it back.

sucker! Don't include me in the 100% of the population you claim subscribes to your racist ways of thinking. It's not up to the white race to decide who's gonna fuck whom in the porn industry. It's up to the casting directors, pal! Get it straight. I suggest that T. R. and S. S. better think twice before they cross the paths of Jews and blacks. Frankly, I'd blow the both of you to hell!

NO JEW, BUT PISSED

This is in response to the letter sent by that Neanderthal cretin from Starke, Florida, who referred to black men as "garbage" for fucking white sluts ("Red-neck Roundup," *Feedback*, April '93). First of all, I don't see that many black males on the pages of HUSTLER. Secondly, Mr. T. R., you subhuman piece of septic-tank sludge, any bitch, black or white, who is slutty enough to spread her legs in a fuck magazine is no angel. And regarding white porn stars who will not touch black men, these whores who suck, fuck and butt-ball all sorts of sweaty, low-life studs in front of a camera for profit have a lot of nerve to feel they are better than someone with brown skin. To all those slimy, shit-eating, moronic, bigoted fuck-sluts, I say suck my asshole lining.

To you, Mr. T. R., you microscopic-dicked freak, and all your kind who have camel feces for brains, you serve no useful purpose on this globe. The white porn stars you refer to are getting the fucking of their lives, laughing all the way to the bank and not giving a rat's ass about subterranean mold spores like you. When will you beer-bellied, toad-ass-licking ass-wipes ever learn we're all the same on God's green earth? Look out, you racist fucker! Some horse-dicked black stud could be fucking your bodacious blond daughter or your slutty wife in the ass right now. And she's probably loving it.

P. S. Have a nice day.

TELEVISION? NO!

Could you please tell me if you have ever heard of my name before, or if you have ever seen me on television? Has anything about me as a person ever appeared in HUSTLER Magazine? And if so, could you please send me a copy of whatever did appear?

Funny you should mention it, W. S. Something about you did appear in July 1993's Feedback. If you're reading this, you don't need a free copy!

OLD Y'ALLER

First of all, I have to let y'all know what I think of y'all. I read y'all's mag all the time, and y'all are getting better and better with each issue. Y'all should give *Playboy* lessons because I have to flip forever to find the pictures of the women or something to read in *Playboy*. HUSTLER is #1. Thanks! Oh—I have an idea for y'all's magazine, and I hope y'all like it. My favorite part of ya'll's mag is the girl shoots and *Beaver Hunt*. I thought since all magazines have different things, why not come out with one more HUSTLER mag, one that just has pictures of *Beaver Hunt*. My idea for *Beaver Hunt* Magazine is to print a bunch of *Beaver Hunt* ladies—maybe 20 or so—and nothing but! To make it extra fun for the models, I would have a contest for them, where readers choose the model they like best. The model that has the most votes will be on the cover of the *Beaver Hunt* magazine as Miss Beaver Hunt of the Month.

I would love to hear what y'all think about my idea. Thanks a lot!

—J. G.
Barwick, Georgia

Y'all have got quite a sense of humor, J. G. Readers who'd like copies of HUSTLER's

BEST OF BEAVER HUNT magazine can write HUSTLER's subscriptions department. Ladies who'd care to enter *Beaver Hunt's* Grand Prize Competition, please turn to *Beaver Hunt* for details!

AVALANCHE

I just had to write and tell HUSTLER Magazine that its 1992 *Beaver Hunt* Grand Prize Winner ("Ava: Beater's Choice," April '93) is a winner.

Ava has me wrapped around her pinkie—not to mention how I'd like to be wrapped up in her legs. Please, show more of Ava. And keep those Beavers coming!

VID CRITS

I just wanted to vent my anger at your giving the film *Hidden Obsessions* a Fully Erect rating (*Erotic Entertainment*, April '93). This is one of the worst films I've seen in the past four or five months. Based on HUSTLER's review, I went out and rented this title in the hopes that I would see something enjoyable with my wife, but instead we found ourselves fast-forwarding through the tape until we happily came to the end credits, when we ejected the tape

FACE DANCE 1 AND 2

Three-Quarters Erect. Directed by John Stagliano; starring Tiffany Million, Tina Tyler, Kiss, Rebecca Bardoux, Brittany O'Connell, Cody O'Connor, Francesca Le, Angel Ash, Tiffany Mynx, Chrissy Ann, Sierra, Sheila Stone, Rocco Siffredi, Joey Silvera, Toni Tedeschi, Steve Drake, Nick East, Kris Newz, Tom Byron and John Stagliano. Videocassette: *Evil Angel*.

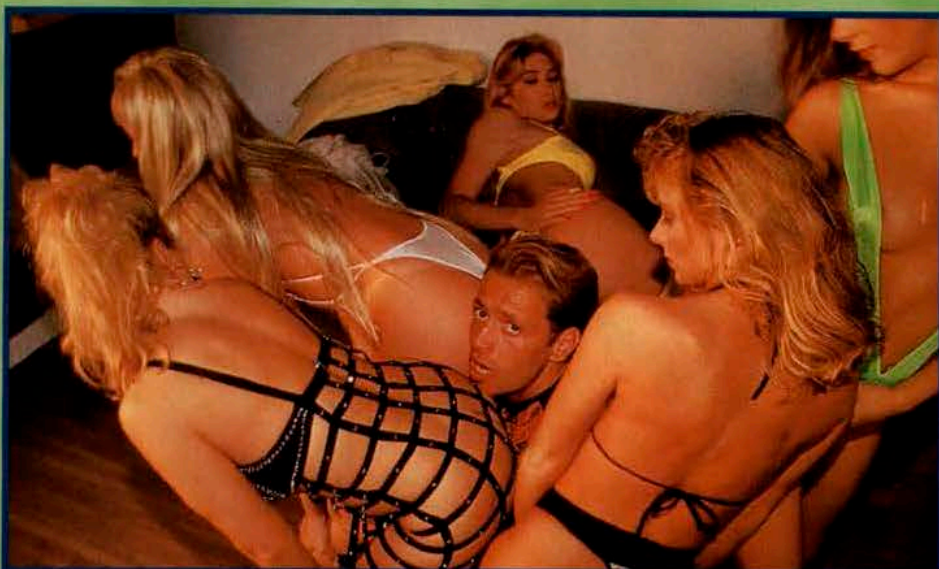

Feed a child enough ice cream, and eventually he's going to puke. Welcome to John Stagliano's porn hot-fudge sundae: a four-hour mount-a-thon mercifully split into two parts of endless, face-smearing cum-shots and more closeups of puckering female assholes than a proctologist sees in a month. Stagliano provides so much of a good

thing, the viewer becomes desensitized. Not that anything's wrong with Chrissy Ann, Sierra, Tiffany Mynx, Angel Ash and Sheila Stone spreading their perfect asses one by one, stuffing butt with man meat and absorbing facefuls of spent sperm. But a plot breather following this would be welcome, instead of a direct cut to a lengthy butt-fuck of Kiss and then a headlong plow into a three-man, tag-team fuck of muscle-twat Tiffany Million. The ardent porn watcher's eyes begin to swim. The cast is the same for each, but *Part 2* is the better volume, featuring the best of the two orgies, along with simultaneous ass-fucks of Sierra and comely Chrissy Ann, as well as an aggressive grudge fuck between Rocco Siffredi and Million. Four hours later, the VCR's heads won't be the only ones worn down.

—Seth Roberts

Bardoux does a butt **Dance** with Kiss.

Even for Siffredi, more is less.

Monroe gives Boy a **Fever**, but doesn't touch him.

Wallace readies Wilder's **Pussy** for poking.

Not much sex in this **World**.

FEVER

Half Erect. Directed by Jim Enright; starring Carolyn Monroe, Melanie Moore, Monique Hall, T. T. Boy, Sonja, Cole Stevens and Joey Silvera. Videocassette: Caballero.

Any stud who's planning to go fully delusional crazy should opt for the sexual-hallucination syndrome as exemplified by Cole Stevens's erotically stricken character in *Fever*. Not only does Stevens, who is overwhelmed by visions of skin squirming on skin every time he looks at another human being, save himself the time, expense and humiliation of renting half-mast porn tapes such as *Fever*, he also gets to pole Carolyn Monroe's sugary and shapely honey hole. Monroe, blond, tightly packed and an appreciable bit prettier than the porn trollop norm, indulges in two wad liaisons, managing to accept a chestful of T. T. Boy's teste blast while simultaneously giving the impression that she would never touch him. Boy's cock cream is also milked onto the face of an Hispanic tramp whose most distinguishing attribute is a mouth that retains a blow-up doll's "O" position at all times; and Joey Silvera screws a pair of drip-pussy nurses. Much of this sex is at least lukewarm; little of it reaches *Fever* pitch.

—Christian Shapiro

A PUSSY TO DIE FOR

Half Erect. Directed by Jim Enright; starring Alicia Rio, Marissa Malibu, Crystal Wilder, T. T. Boy, Sierra, Marc Wallace and Jonathan Morgan. Videocassette: Caballero.

If any pussy were really worth dying for, that pussy might be Alicia Rio's. Rio's hole is mushy and fully flapped, a meaty mass of smoky love membrane that opens to a pinkness both startling and inevitable in its glistening crotch appeal. The brown-skinned fuck girl also has a pump-action ass, double-dessert tits and a face that siphons cock serum with the avidity of a monkey sucking milk from a coconut. To watch strings of T. T. Boy's spuzz shoot across Rio's salacious, toothy grin, with strands of semen hanging like liquid-pearl ropes from her pert, out-thrust chin, clears a viewer's mind of all life's myriad uncertainties, except for one nagging question: Why is Rio's sexual animalism unleashed only once in *Pussy*, and then not until the tape's end? Without denigrating Crystal Wilder's fervent hosing of her own face with Marc Wallace's chum nuzzle, or the pair of slovenly slatterns who snorkle and pork on dork Jonathan Morgan, it's Rio's pussy that brings the life to *To Die For*.

—C. S.

THE DIRTIEST GIRL IN THE WORLD

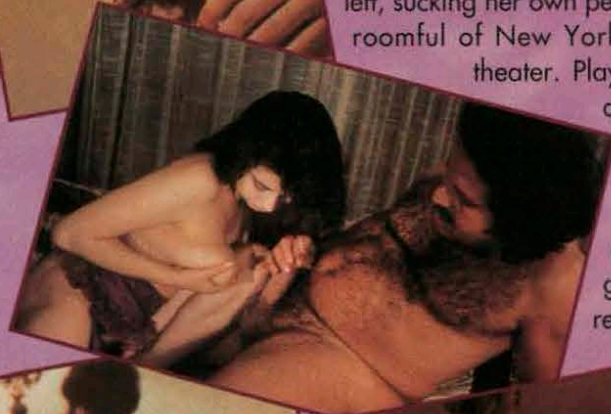

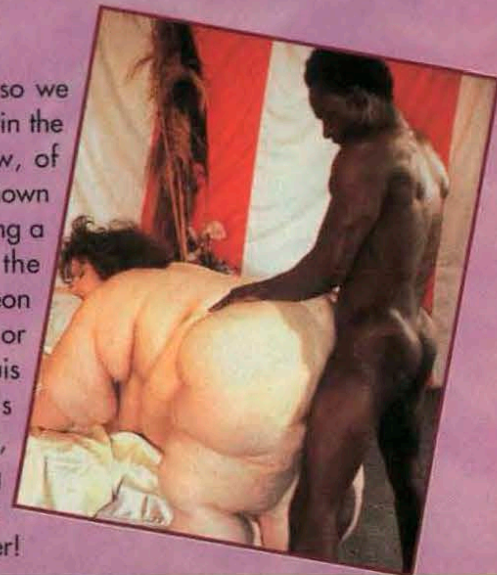

One-Quarter Erect. Directed by Max Steiner; starring Nicole London, Venus, Samantha York, Sierra, Marc Wallace, Kris News, T. T. Boy and Jerid Storm. Videocassette: Zane Entertainment.

Porn parodies are generally asinine, but this spoof of the Miss America Pageant is even less funny and titillating than the real thing. To make matters worse, the "competition" has no sex or even nudity until the last half hour, when the girls display and distend the talent hole between their butt cheeks. The producers at least could have hired some pretty chicks. Of the three contestants, milk-chocolate Venus has enough tonnage to feed a starving African nation, and Samantha York looks ready for the porn glue factory. Only Nicole London saves this mess from total limpness by filling her mouth and ass with cocks, while cramming two dildos in her cunt for good measure. Other than London, the flick is one low point after another, with Zane's shameless self-promotion the absolute nadir. Imagine interrupting a pathetic video three times to promote the company's upcoming releases. Judging from their approach to porn, Zane has more nerve than balls.

—S. R.

What's a Fiesta Without a Few Piñatas?

Party games are important to any birthday celebration; so we dug through our toy box for a little fun. Try your luck at Pin the Tail on the Baby Elephant with Teighlor (Freak Show, of course), or Whose Stump Is It? with Long Jean Silver (shown left, sucking her own peg leg) in a 1978 film so disgusting a roomful of New York movie critics limped out of the theater. Play Hide the Midget with Napoleon and Lynn Lemay in Muff & Jeff, or see how far you can toss Louis Shortstuff. For the ladies, there's Squirting the Hedgehog in Tit Tales, a particularly foul-smelling game best played before refreshments. Everybody's a winner!

ORAL MAJORITY 9

One-Quarter Erect. Directed by Robert McCallum; starring Teri Diver, Tianna Taylor, Dallas, Jeanna Fine, Saki, Stacy Nichols, T. T. Boy, Peter North, Cal Jammer, Sean Michaels and Tom Byron. Videocassette: Western Visuals.

This is an excellent deep-throat compilation video that would have rated much higher except for the fact that a completely distorted soundtrack makes it impossible to enjoy. The sex is visually superb, and for kink rates 20 on a scale of ten. Teri Diver is featured in a pair of original segments in which she sucks both Peter North and Sean Michaels down her cum-thirsty craw, tickling tool with her tonsils until each comes across with a scum-splattering facial. In another scene, cocksucker extraordinaire Jeanna Fine takes Michaels's massive licorice stick so deep down her gullet, tears flow from her eyes. Saki and Dallas contribute sparkling suck jobs of their own, while Nichols nibbles knob before enjoying a double-insertion schtup with Cal Jammer and T. T. Boy. The only other person to get fucked is the viewer, who pays to rent this audio nightmare.

—Tony Cara

RADICAL AFFAIRS 3

One-Quarter Erect. Directed by Mark Stone; starring Kiss, Domonique Simone, Sheila Stone, Micky Lynn, Randy West, Kris Newz and J. B. Videocassette: Moonlight Entertainment.

Interviewing porn sluts can be hazardous to a viewer's health; there's a reason X-rated starlets give head instead of using it for thought. Yet the *Radical Affairs* series takes its interviews seriously, trying desperately to be a live version of HUSTLER EROTIC VIDEO GUIDE. This video magazine is about as penetrating as a staple in the thumb. After bestowing his profound views on censorship (Tipper Gore? Bad. First Amendment? Good.), rattlebrained host J. B. interviews smut starlet Kiss, who reveals that she "likes to have sex." This English tart sounds smarter with a dick in her mouth and looks lovely with Newz's sticky, white jewels elegantly strung around her neck. No need to proceed, as fuzzy concert footage of Domonique Simone doing some jive rap is followed by her slow, self-conscious breast munch with Sheila Stone. Saving the worst for last, Randy West talks with and fucks Micky Lynn, who sounds like a New Jersey housewife and screws with the kind of energy usually reserved for stirring Hamburger Helper. This is one magazine best left closed.

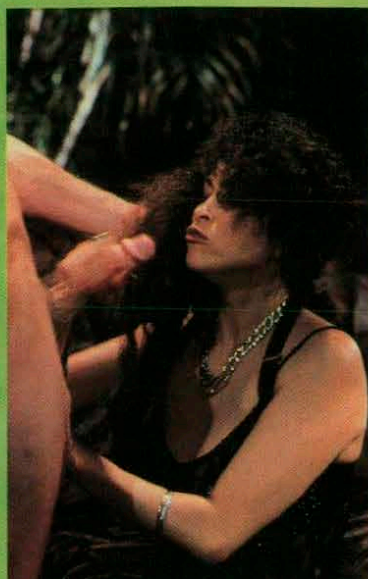

—S. R.

Kiss is **Radical** but not too smart.

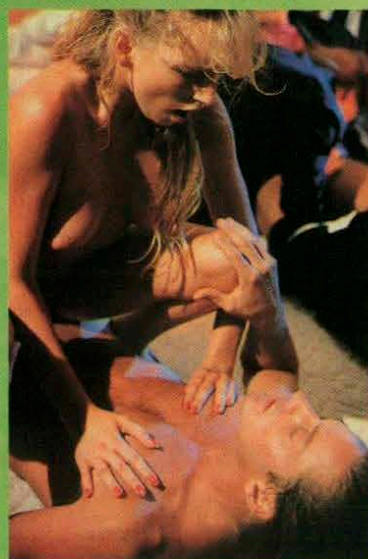

Oral: Nichols enjoys a double-insertion schtup.

St. Germaine uses a special brand of **Makeup**.

Austin takes a **Jerk** up her ass before getting her mountains dewed.

This is as close as O'Dell gets to sitting on **Face**.

THE MAKEUP ROOM

Three-Quarters Erect. Directed by Jim Travis; starring Tiffany Million, Meekah, Saki St. Germaine, Bionca, Makala, Mike Horner, Joel Lawrence and Cal Jammer. Videocassette: VCA.

There is no plot and virtually no script in *The Makeup Room*. Each vignette is introduced with a few dirty words from a starlet at a makeup table, then straight to hot, horny and slickly produced fuck-and-suck. Even the obligatory lesbo gash-bash sizzles, with Tiffany Million clit-fucking Bionca's nipple and fingering the bawdy brunette's bung. Tops among the bimbos is Makala, an 18-year-old blonde with vanilla nipples, full teenage tits and tender twat, all of it poled or tongue-lashed by Joel Lawrence. Sexy Saki wraps her tits around Lawrence's joy stick and takes a facial, while the exotic Meekah humps Mike Horner and later takes Jammer 'tween ass cheeks in a stunning slo-mo scene. The camerawork is so good throughout, and the closeups so crisp, that this vid would be more aptly titled *The Makeup Womb*. —T. C.

SODA JERK

One-Quarter Erect. Directed by August West; starring Teddi Austin, Chrissy Ann, Toni Chase, Lorrin Mick, Tom Chapman, Scott St. James, Jake Steed, Cal Jammer and James Dean. Videocassette: Zane Entertainment.

As a naughty, nostalgic look at the '50s, *Soda Jerk* is as flat as a six-day-old Dr. Pepper. The soda shop is a wall decorated with LPs. The dialogue is badly ad-libbed, and the picture is so blurry the vid's erotic impact fizzles—a shame considering its syrupy content. In one bubbly encounter, a pony-tailed Teddi Austin sucks Tom Chapman's spigot, and after taking the stud's seven up her ass, gets her mountains dewed. In an even tastier scene, Scott St. James slurps innocent, young Chrissy Ann's cherry cola, then balls the jailbait's bald pussy, finally spritzing her belly with his egg cream. Yet here, as with most of the sex play, the action is so exasperatingly hard to see, it's difficult to tell if it's even...the real thing. —T. C.

FACE SITTER

Totally Limp. Directed by Jim Enright; starring Kelly O'Dell, Makala, Lacy Rose, Sierra, Jonathan Morgan, Marc Wallace and T. T. Boy. Videocassette: Coast to Coast.

Based on the box cover, which promises "obsessive, compulsive face-sitting" and pictures stunning Kelly O'Dell about to smother T. T. Boy, this is a complete ripoff. Not only is there virtually no face-sitting, but O'Dell doesn't come close to getting comfortable on a man's smile. She spends about 30 seconds on Sierra's soft, puckery lips, but that doesn't make it. Lacy Rose takes a short ride on Marc Wallace's mug, and Sierra (stupidly and mistakenly billed as Alyssa Jarreau) twists a little on Jonathan Morgan's tongue, for a total face-smearing time of about two minutes. Another title makes this is a mediocre stroke, with a few teasing tingles courtesy of Makala, a sweet, 18-year-old cum-eater who's the centerpiece of the tape's best pussy-eating scenes. She grinds Boy's lips off in the shower, then determinedly humps an orgasm into Sierra's mouth—but no face-sitting! —Scott Mallory

CASUAL LIES

Half Erect. Directed by Fred J. Lincoln; starring Katrina Valentina, Tiffany Mynx, Sierra, T. T. Boy, Meekah, Marc Wallace and Tom Byron. Videocassette: Caballero.

Though certainly with no personal motive, stalwart smut director Fred J. Lincoln sets out to rehabilitate the reputation of the lowly scumbag—a much-maligned entity—in *Casual Lies*. Scuz sacks figure prominently in the plot, and also appear in two of the production's five slime minings. Tom Byron blows his bone's slop into a reservoir tip, and his fuck partner purses her lips close to the milk-filled latex bubble. T. T. Boy's ejaculation is also confined to a rubber wrapping; only Marc Wallace's splodge is allowed to fly free, one goop tracer splashing a swath across the tonsils of an ample brunet doxy, the other eruption shared by a pair of baton-passing pussies, one of whom is the Italian Katrina Valentina. Valentina, whose pussy and pouty lips express their desire in a universal language of lust, speaks English as a second tongue, and she's just like American porn stars in other ways as well, such as the manner in which her efforts are confined to rather bland, half-realized, pleasant enough fuck films. —C. S.

Sierra's pucker is anything but **Casual**.

All We Want For Our Birthday

is to stuff our faces at cunt-chef Bruce Seven's all-muff diner. On the sleazy part of town, it's the best place to go for marinated labia slabs served steaming hot with all the greasy trimmings. Don't need teeth to chew these clits! Stop for an aperitif at Seven's Aerobisex Girls Club (4 Play, 1983), the gash gourmand's first all-girl dish, still favored by connoisseurs as his best cunt-coction, despite its low-brow presentation. The delights on Seven's menu smack with pungent twat tang. Our choices are right on the tip of

our tongue: a savory, slurpy bush-broth in *Hard Rockin' Babes* (Vidco, 1988), an eight-hole, buns-up-kneeling combination platter in *Buttwoman 2* (Elegant Angel, 1992) and a slice of upside-down clit cake in *Where the Girls Sweat* (Elegant Angel, 1990). Bone appetite!

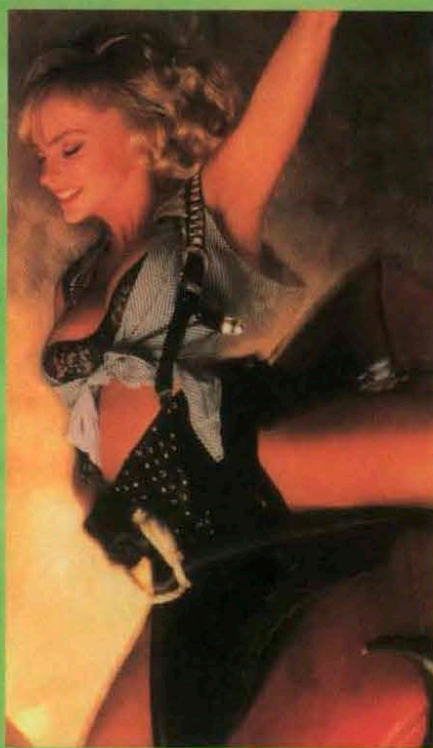

BRONCO MILLIE

Half Erect. Directed by Jay Cobbs; starring Crystal Wilder, Kiss, Melanie Moore, Terry Thomas, Mona Lisa, T. T. Boy, Ron Jeremy and Jonathan Morgan. Videocassette: Zane Entertainment.

Bronco Millie rides on the notion that if a man can tame a mechanical bull, a woman can do it better. Miffed that hubby Terry Thomas thinks she can't compete, Crystal Wilder proves she can sustain the rocking and socking of two cocks slamming into her at once. The DP from Thomas and Ron Jeremy is a nut-busting delight, replete with two gummy facials. Wilder also gets a hard ride in a torrid femme threeway with Melanie Moore and Kiss abusing both her holes simultaneously with dildos. Moore achieves anal satisfaction of her own from Jonathan Morgan, then has her face mop up the spill. A couple of mild mounts with T. T. Boy bucking Mona Lisa and Kiss won't throw the ringer, but when Wilder is at the reins, *Bronco Millie* leaves sticks saddle sore.

—Sam Lowry

Bronco will leave you saddle sore.

A TAIL OF TWO CITIES: SODOM AND GOMORRAH

Half Erect. Directed by Scotty Fox; starring Nikki Dial, Jerry Butler, Danielle Rodgers, Sierra, Lacy Rose, Brigitte Aime, Randy West, Steve Drake, T. T. Boy, J. B. and Gene Ross. Videocassette: Odyssey Group.

Jerry Butler is a traveling dildo salesman who's caught out of time and finds himself in the original City of Sin. As the unquenchable queen of quim, Nikki Dial has Butler demonstrate the real thing on her, riding cock with enough vigor to reduce his gland to a pillar of saltpeter. A threeway between Lacy Rose, Sierra and Randy West is another orgasmic oracle: Rose goes semintso as West slams her shitter. Brigitte Aime gets the anal treatment from T. T. Boy, and Butler digs into Danielle Rodgers's dickpit for the finale. Cute Cash Markman dialogue enhances the steamy sex, making *Tail* a strong ride between the legs. —S. L.

Aime gets the anal treatment in *Sodom*.

and popped in a tried-and-true juicer from days gone by and proceeded with our love session. *Hidden Obsessions* was like watching a group of poorly strung trailers for other tapes. No buildup, no pacing, and worst of all, slo-mo sex—the worst format to ever disgrace the medium.

How could HUSTLER consider this Fully Erect material? If this is what you consider good porn, then I'll no longer be considering your advice. HUSTLER used to have the eye, but now all you've got is a limp-dicked excuse for a rag. In theory, you owe me \$5 for renting this piece of crap. Now I know better. *A-reev-a-der-chee*, bay-bee!

—H. Y.
Miami, Florida

In the sagacious words of *Erotic Entertainment* editor Scott Mallory, who's seen it all and been there twice, "One man's Fully Erect is another man's Totally Limp."

HUSTLER is a great magazine. *Beaver Hunt* is the main reason I buy it, but *Erotic Entertainment* is just as good. It would be great to know where I could order or buy the videos HUSTLER critiques.

—F. T.
Mankato, Minnesota

LOVE CONNECTION

I'm in jail, and this place has HUSTLERS all over it! One day I picked one up and, let me say, it was wonderful. I looked at Stace in the April 1992 issue (*Stace: Girl With a Gear Box*, April '92). She is so fucking wild-looking. But I had to put her down. See, I'm with a girl now, and I love her very much. She thinks I want other girls, but I don't. To prove it, I would like to add: Amy, will you marry me and be by my side forever? And fuck my brains out of this world!

—K.
Lewistown, Pennsylvania

HUSTLER, I know you're not Dear Abby, but who listens to that old bitch? My girlfriend of five years is so damn jealous, I can't even watch Christina Applegate on *Married...With Children*, or she'll scream, "Why don't you just jump through the TV and fuck her!"

I'm doing a few months in the county cooler for a miserable misdemeanor, and I wrote a female friend (5-2, 250 pounds) a letter. When my old lady found out, she

went off. I called her, and she was all drunk and crying! She wants to get married. I love her, and she's great in the sack, but what do I do about this jealousy bullshit?

—D. M.
Wasburn, Wisconsin

Put up or shut up, D. M. The lady's in love!

GAY PAYS

I have one question about the advertisements in HUSTLER—the gay male ads. I don't have a problem with them; I just don't understand why they'd advertise in a magazine that caters to heterosexual men and women. You must have one hell of an

ad department if it can sell space to all-male supply shops! What'd they do on their last job—sell fridges to Eskimos?

—D. B.
Milpitas, California

Gay vid companies wouldn't advertise in HUSTLER if it weren't paying off. We like to think it's our women readers who do the ordering!

Do you have a comment or complaint? We want to hear it. Send your letters (typed or neatly handwritten) to HUSTLER Feedback, 9171 Wilshire Boulevard, Suite 300, Beverly Hills CA 90210. Include a phone number if you want your letter considered for publication.

DUKE IT OUT

I grew up reading HUSTLER Magazine and lost my virginity to 1979's July Honey of the Month. Throughout high school, I masturbated daily to every new issue until I thought I might have a problem. I do. I'm now a freshman at Duke University, but years of beating off to girlie magazines have made me frightened of real women. Pornography is responsible for the most humiliating experience of my life, and I'm determined to tell others of the harm it causes.

I live in a coed dormitory, but spend most of my nights alone studying and jerking off. The guys on my floor think I'm a faggot, and the girls call me "Wee-wee" because I once pissed my pants during a sociology lecture. There was a party down the hall this one night. I was alone in my room reading the Talmud; it was Friday. The distant sounds of giggling girls made me wish I could join them. I closed the Scriptures and reached for my HUSTLERS. I turned on the soundtrack to *Phantom of the Opera* and started playing with my penis. My best friend seemed larger than ever, still swollen from an earlier whack.

I opened the centerfold and rubbed my dick along the printed outline of a furry, brown pussy. I was seconds from coming when the door flew open; it was my roommate, Eric, with a girl. "Hey, man, have you seen my...." he began, but stopped when he saw my compromising position. I practically shredded my dick on the magazine's staples as I jumped under the bedspread; it was too late. I was caught purple-handed.

Polite people would have left; but Eric

is a prick. He was also drunk. "Well, what are you up to, Bud?" he laughed; so did his dirty-blond girlfriend. He strutted to the bed.

"Get away, Eric," I pleaded. No such luck. He threw back the covers; my dick was still hard.

"What a tiny dick," the girl laughed. That bitch.

Eric unzipped his jeans and whipped his prick out. Even half erect, it was twice the size of mine. "Who's bigger, Cindy?" he laughed.

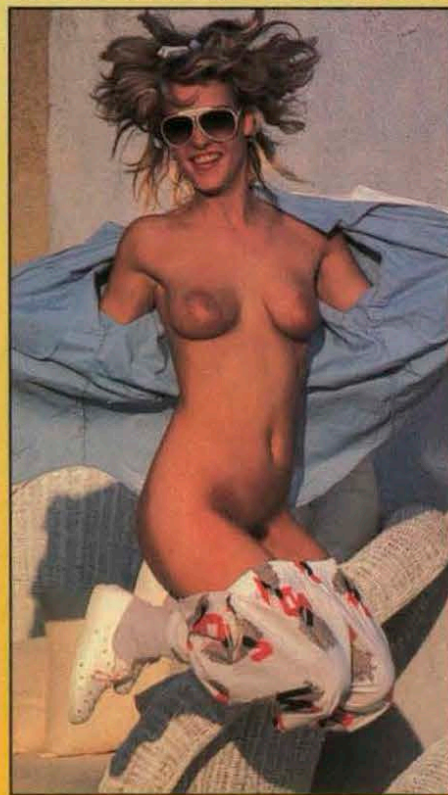

She removed her trendy sunglasses and said, "You are, Eric." Her steely eyes shriveled my pecker. My stomach cramped when she sauntered toward me. "I'll bet you've never had a full erection," she giggled. I wanted to die. She unbuttoned her blue shirt and flashed her pert, sun-kissed breasts. "Have you ever even touched a titty?" she taunted. I shook my head. She leaned forward, bringing her pointy tits close to my face. I lifted my hand and, at the last instant before I felt her boob, she jerked away and started jumping up and down like a possessed cheerleader. "Never felt a titty! Never felt a titty!" she chirped like a caged monkey. As she hopped around the tiny room, her shorts slid down her thighs, and her tits bobbed like buoys in the ocean. "Come on, Eric," she cackled, "let's show him what he's missed."

She sat on my legs, pinning me to the bed, and put Eric's penis in her mouth. My *Phantom* tape had ended, leaving only the sound of her mouth slurping his stick. A toilet flushed down the hall, reminding me that I felt like throwing up; her body prevented my escape. She pinched her pointy nipples as she flitted her tongue against his veiny rod. Her saliva made his dick look big and glossy. She quickly stood and yanked off her silky shorts. Her naked ass parted as she sat back down on my thigh. A real, live tit hung a foot away. Eric, meanwhile, sucked her vagina, chewing the bright-pink folds of flesh like bubblegum.

When Eric slid his middle finger inside her pussy, she stared into my eyes, running her tongue across clean, white teeth. "That's it, sweetie," she said, "feel inside my cunt." It was like a HUSTLER layout come to life. I reached out, struggling to feel her breast. The reddish-brown nipple extended forward like a tiny hand ready to greet a stranger. Just as I prepared to touch it, however, she slapped my face with an open hand. "Uh-uh-uh," Eric said, pulling his tongue out of her pussy. "Hands off."

"That's okay," Cindy smiled. "I'll let him touch me on one condition." A sinister gleam came into her eyes. "He has to wear a diaper." Eric smiled and instantly jumped upon me. Cindy picked up her silky shorts and forced them over my feet and up my legs. No amount of begging could stop them. I was helpless.

With Eric still holding me, Cindy straddled my face. Her musty pussy was an inch from my nostrils. It looked dark in there as she lowered the bush onto my nose, covering my eyes with her

cushiony butt cheeks. She moved her hips over my face, opening her puss with both hands and splashing juice into my mouth; it tasted like flat root beer. "Stick out your tongue," she demanded. "Watch, Eric. Baby's gonna suck my clit." I got my neck free and saw her peel apart her pussy lips and rub the top

HOT LETTERS

In the distance, the Klan was chanting, "Power! Power! Power!" in a tripped-out drone as I sucked on white meat that was spicier than Colonel Sanders's.

of her vagina against the tip of my tongue. A tiny bump of skin poked out from the pussy folds. "That's enough!" she spat, and she slapped my face again.

She dismounted and turned her ass to the side of the bed, where Eric's cock waited. He grabbed her meaty hips and slid his prick inside her up to his balls. I had no idea women were so deep. As he glided his stiffy in and out of her, I reached underneath for a feel of those titties. She straightened her body with Eric still inside and mashed her tit into my face. It was warm and soft.

"You like my tits?" she asked. I nodded, slobbering on her bosom with my spit. She dug her sharp fingernails into my scalp and forced her nipple so deep, it touched my tonsil. I rubbed my cock through her smooth, silk shorts, which fit me snugly. My dick felt manly through the girlie fabric. Ten seconds later, sperm escaped through the head of my cock. I looked down and saw her sheer bottoms filling with my jism.

"Hey, asshole!" she shrieked. "Get the fuck out of my shorts!" She pulled her pussy away from Eric's cock. "What a mess!" she exclaimed, reaching for the shorts and wringing the wet fabric over my face.

My own semen trickled onto my lips. "That'll teach you to come in my clothes," she said bitterly. I turned over and buried my head in the pillow, wanting this nightmare to end.

She sat on my back, grinding her wet vagina into my spine. I couldn't see what was happening, but felt her spread apart my ass cheeks. I prayed to God I had no toilet paper clingers in my hairy crack, as if that was the worst of my problems. I heard the same sucking sounds as before; obviously she was finishing her duties with Eric. Her pubic hair scratched my back and her finger picked at my asshole. The sucking noise became louder as Eric spouted, "That's it, Cin, don't stop until I fill your face!"

Thank God! I thought. The humiliation was over. She made a gargling noise followed by a spitting sound. Then a gush of warm liquid splashed my ass cheeks. The two were howling with laughter as I reached into my butt and pulled out a handful of sperm. She gave my ass a playful spank and released me. I turned around to see her mouth coated with Eric's sperm and a shimmering line connecting the goo from her chin to my ass. I felt sick again.

Finally they left me alone in my misery. How can I face a woman again? Thanks for nothing, HUSTLER. —G.S.

DICKZ N THE HOOD

I know why white men hate blacks: We know how to please a woman. Most of the Casper motherfuckers in the South wouldn't know how to use their dicks if they came with a manual.

Instead of working toward love, these frustrated motherfuckers join the KKK, to be with other angry, peanut-dicked cross-dressers. My brothers: Stop coddling honkie Joe, and find the goodness inside his women.

I've lived in Texas all my life and have enjoyed women of all colors and shapes. Last summer I fell in love with the sweetest girl, and she just happened to be white.

It was hot the day she brought her car to my shop for repairs. Luckily for me, the auto had to stay overnight. I offered her a ride back home, and she

accepted. Even in this racist fuckhole of a town, skin color had nothing to do with two people rapping about life in the front seat of a car. I even laughed when she told me her daddy was a member of the local KKK chapter.

She was ashamed to admit her family ties, but told me she had rejected the racist bullshit her daddy had pounded into her from the moment she learned to speak.

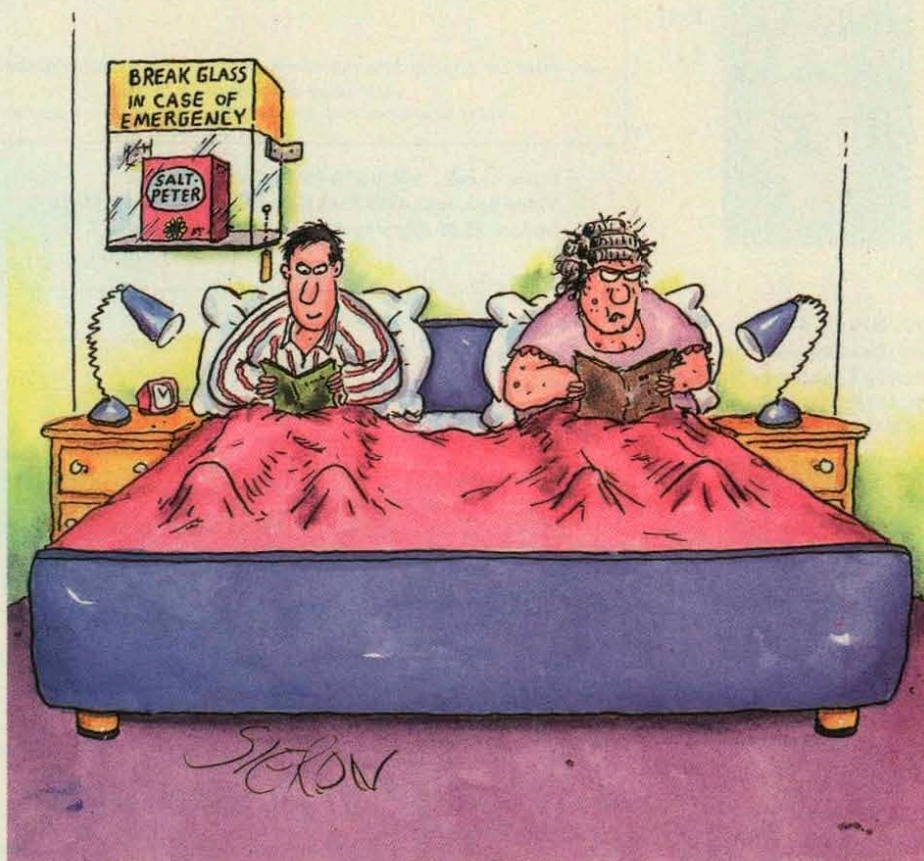

I held her close and ran my fingers through her fine, red hair. Her eyes were deep green with little freckles above the lids and on her cheeks. I told her I felt sorry for her daddy and, to show there were no hard feelings, I kissed her lips.

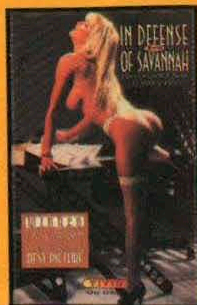

When I tried to pull away, she had a firm hold of my 'fro and pulled me harder into her mouth. Her tongue swept across the roof of my mouth as her other hand brushed against the bulge in my overalls.

She unbuttoned her blouse and held one lumpy breast in each hand. I took out my tool and pressed it between those big tits.

Waves of white skin protected my black shaft, as did her pink tongue against my round head. She slid that sly tongue under my foreskin to clean away the day's grime and then moved down to my balls.

PRETTY IN PEACH

#5141 \$19.95 AAAAA!!
Penthouse pick of '92. Christy Canyon, Summer Knight, Tianna Taylor talk about motives, the meaning of life and being pretty in peach.

For 19 years HUSTLER has strived for the very finest examples of human sexuality. Unlike other adult magazines, HUSTLER finds beauty in women of all sizes, shapes and colors. Over the years, readers have crammed our mail slot requesting their favorite pictorials. It may be HUSTLER's birthday, but it's the readers who get the gifts in...

HUSTLER's **MOST WANTED FLASHBACKS**

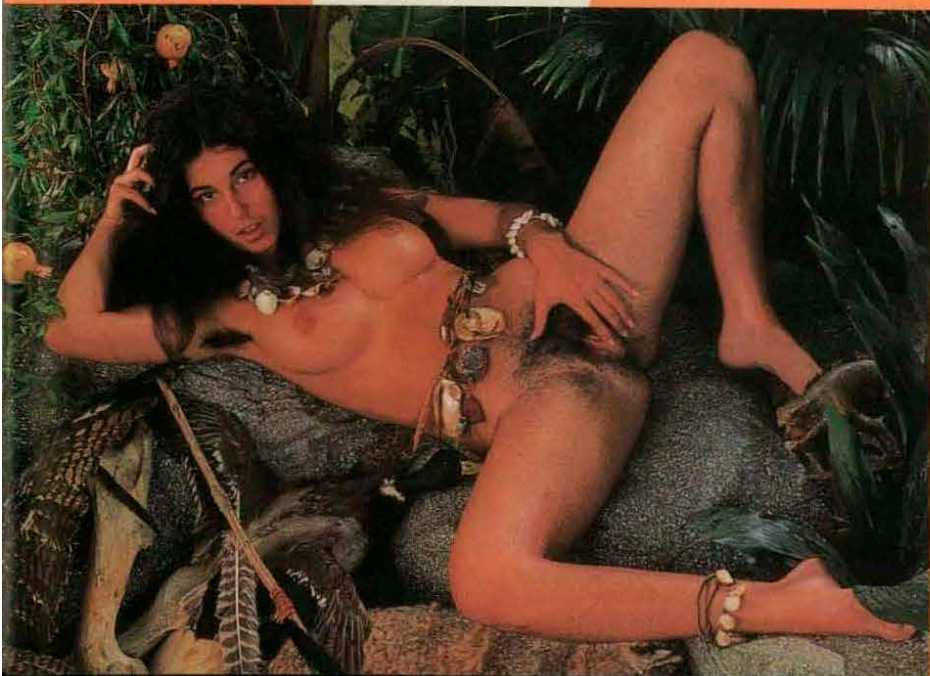

The HUSTLER audience is naughty by nature. Readers are still wrapped up about the "Knotty Lady" who tied herself into a frenzy in October 1979.

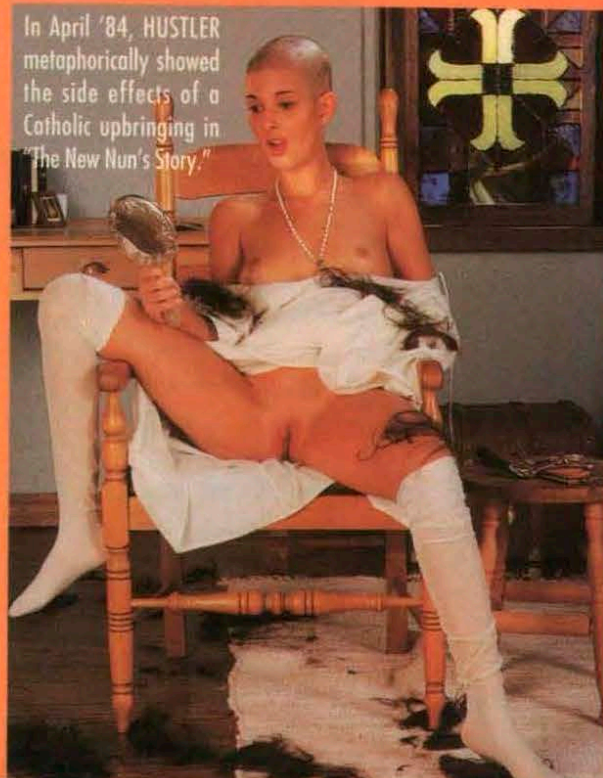

Something about sharp knives close to a pretty woman's pussy has brought out the beast in many fans. In February '78, HUSTLER took the shaving fetishists prisoner in this incisive layout "The Naked...and the Dead."

Readers love to see baby-doll girls in the pages of HUSTLER, but they also enjoy the unusual and unique layouts that have become Larry Flynt trademarks. Hirsute Sheena was captured in September of 1985, proving we're all animals under the skin.

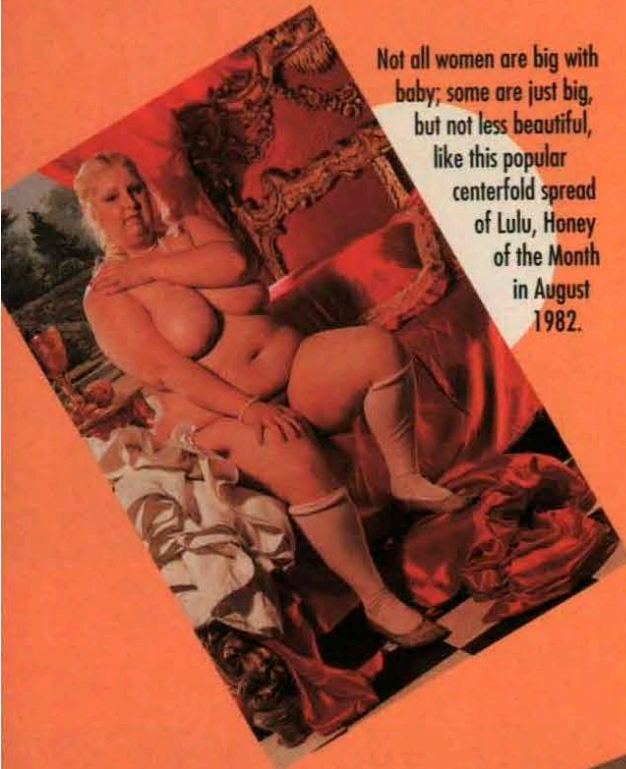

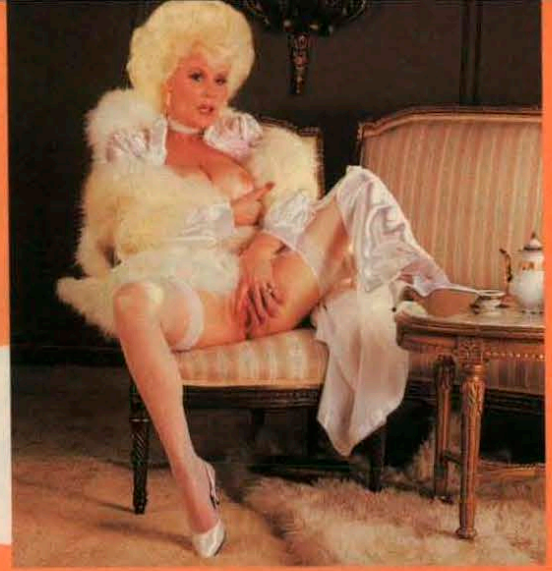

In April '84, HUSTLER metaphorically showed the side effects of a Catholic upbringing in "The New Nun's Story."

Readers obviously agree that a sexy woman never goes out of style, as these two classic layouts prove—featuring Shirley, the 50-year-old centerfold of October '82, and—

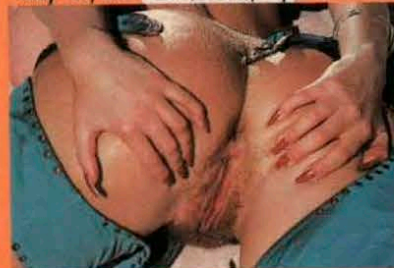

Helga, HUSTLER's grandmother centerfold of June 1985. Definitely lust in the twilight years!

Not all women are big with baby; some are just big, but not less beautiful, like this popular centerfold spread of Lulu, Honey of the Month in August 1982.

Assholes, assholes and more assholes. It seems every reader with an opinion wants more assholes. Here's two to chew on: Julianne (above), May '89, and Tracii (below), September '91.

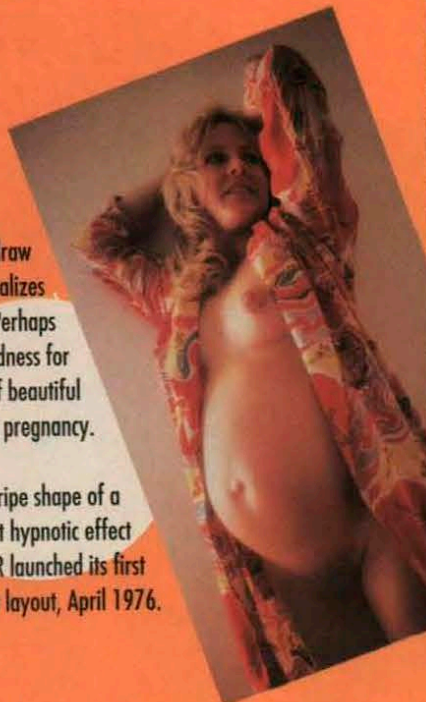

More than a decade before *Playboy* unveiled those media mutants, the Barbi Twins, HUSTLER offered a playful view of sisterhood with identical twins Sandi and Syndi.

Everyone lucky enough to draw breath and enjoy HUSTLER realizes the debt owed to mothers. Perhaps that explains readers' fondness for groundbreaking pictorials of beautiful women flushed with the glow of pregnancy.

With the words, "The swollen, ripe shape of a woman with child has an almost hypnotic effect on the male libido," HUSTLER launched its first pregnant layout, April 1976.

May 1978: Impending motherhood was celebrated once more.

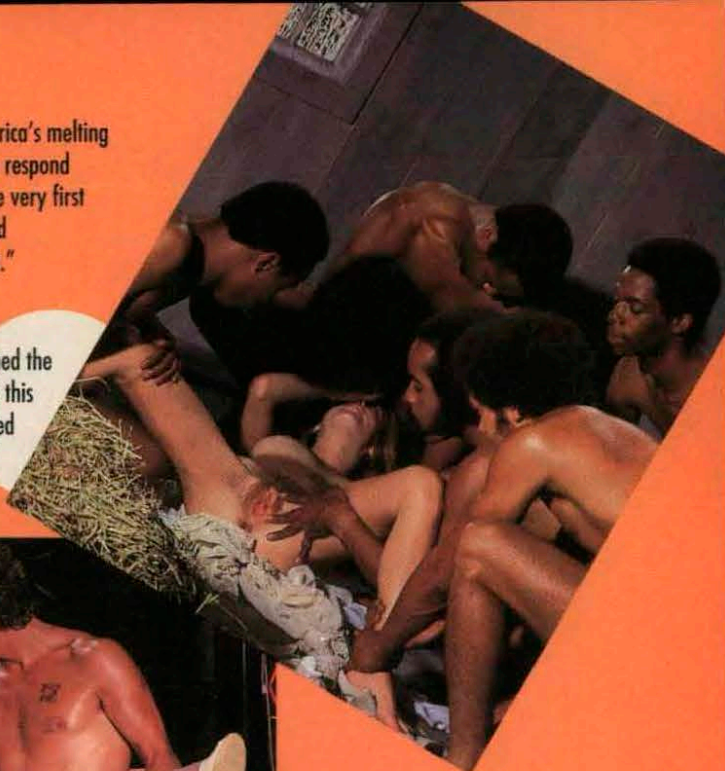

Marlene was photographed in her eighth month of pregnancy, December 1982.

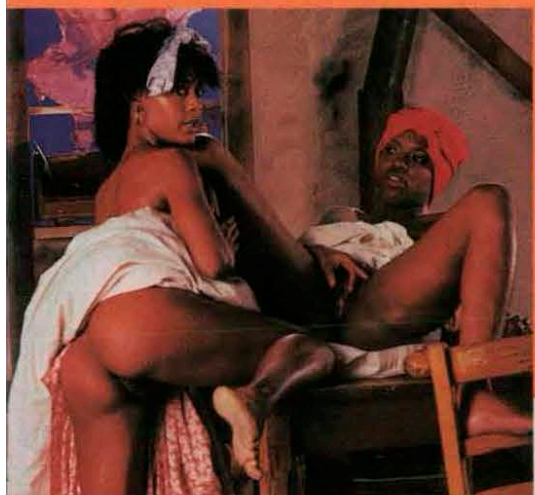

HUSTLER has always celebrated America's melting pot of races, and readers continue to respond to multiethnic pictorials, including the very first such layout in December, 1975, titled "A Black Stud and His Georgia Peach."

In May of 1978, HUSTLER pushed the racial limits further still with this controversial gang bang called "Belle of the Ball."

Readers have come to expect equal time for equal colors. February 1980's "Soul Food" pictorial turned the racial tables.

To this day, readers enjoy the sight of beautiful black models. In September

'85, HUSTLER doubled the pleasure with Belinda and Bess.

Candice, HUSTLER's exotic Honey of the Month, July 1989.

These multicolored girl/girl features became instant classics to readers who view life in more than black and white. Angel Kelly and Britt Morgan did the clitty shuffle in December 1989.

Gorgeous Heather Hunter played with her alabaster girlfriend in July 1990.

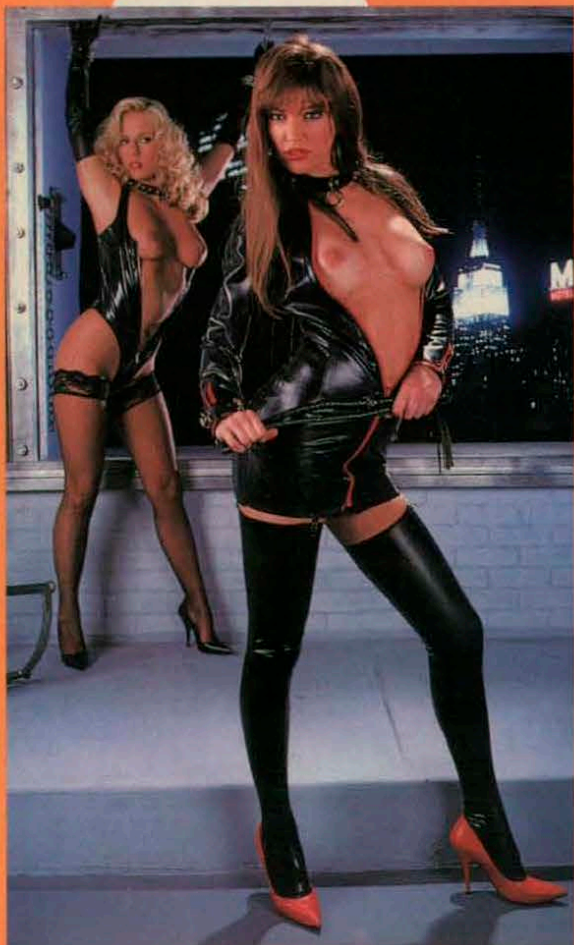

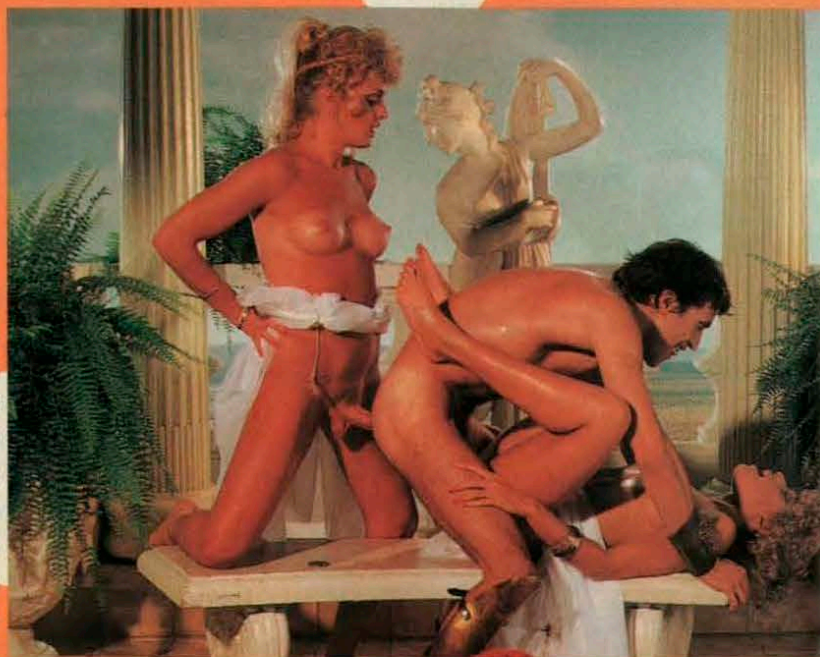

Fans of the truly adventurous ask to see these pictorials featuring those who enjoy the best of both worlds. First, there's half-man, half-woman "Joe—er—ah—Josephine" from February 1976.

Another real life hermaphrodite, Sir Dame, created quite a stir with this November '82 layout.

Through the years, HUSTLER has presented the outer limits of current sensuality. Judging from the mail, many get a sweaty kick out of the latest in rubber fashions, as did Sybil and Roxanne, January '92.

Two years later, HUSTLER took hermaphroditic love a step further, with this extremely rare ménage à trois featured in February 1984.

In the 19 years of HUSTLER muff and merriment, perhaps the most requested photo of all time wasn't a part of our featured layouts, but an entry to *Beaver Hunt* by a shy girl from Texas named Sissy, who first appeared in January 1990. Sissy garners at least ten new letters of appreciation each month and has made the tag "Texas Tunnel" into a household phrase for HUSTLER readers everywhere.

(continued from page 29)

She could only fit one in her mouth at a time, and continued feeling my tip. Little drops of fluid leaked out, followed by a stampede of white cum. She pulled her face away and caught the force with those big titties. Sperm covered her pink circles as she massaged the cream into her chest. She obligingly cleaned my shaft with her puffy, red lips.

Our relationship blossomed after that night. We got off on thinking about how angry her pathetic pops would be if he only knew. A week or so later, after a drive-in movie, we drove to a KKK meeting at a nearby field. We parked way out of sight and laughed as the walking tablecloths burned their crosses and chanted their dope. The hatred in the air fueled our lust.

She pulled off my T-shirt and licked my chest, picking her teeth with my nipple. Her tongue slid around the outline of my mouth before she sucked my meaty tongue like a big, fat cock. "Make love to me," she said, and I kissed her mouth again.

She whipped off her dress and pulled my face into her chest. I tickled the inside of her bellybutton with my tongue, earning a piece of lint for my trouble. I moved my face down her pretty stomach and kissed the opening of her pussy. I took a second to inhale the sweet scent of this woman before tracing her succulent pussy lips with my tongue. Her fingernails clenched the back of my head while I French-kissed the gritty inside of her busy box.

In the distance, the Klan was chanting, "Power! Power! Power!" in a tripped-out drone as I sucked on white meat that was spicier than Colonel Sanders's. My girl pulled my face back up to hers, looked me straight in the eye and whispered, "I love you more than anything."

I kissed her lips and rubbed my cock head against her tender clitty, then slid the underside of my pole back and forth against the little knob like I was playing a pussy violin. I dipped my hips and slid myself easily inside her. She grabbed my ass and pulled in as much of me as she could. I wasn't pumping, just flexing my hips, letting my big cock slowly work its magic against her secret O-spot. Her poony was tight, stretched wide to swallow my thick beast.

Our mouths were pressed together, my saliva spilling down her throat. Never had I felt so close to another

person. My cock felt like 1,000 tiny pins were pricking the tip. Her cunt-clasp bum rushed my seed to the surface.

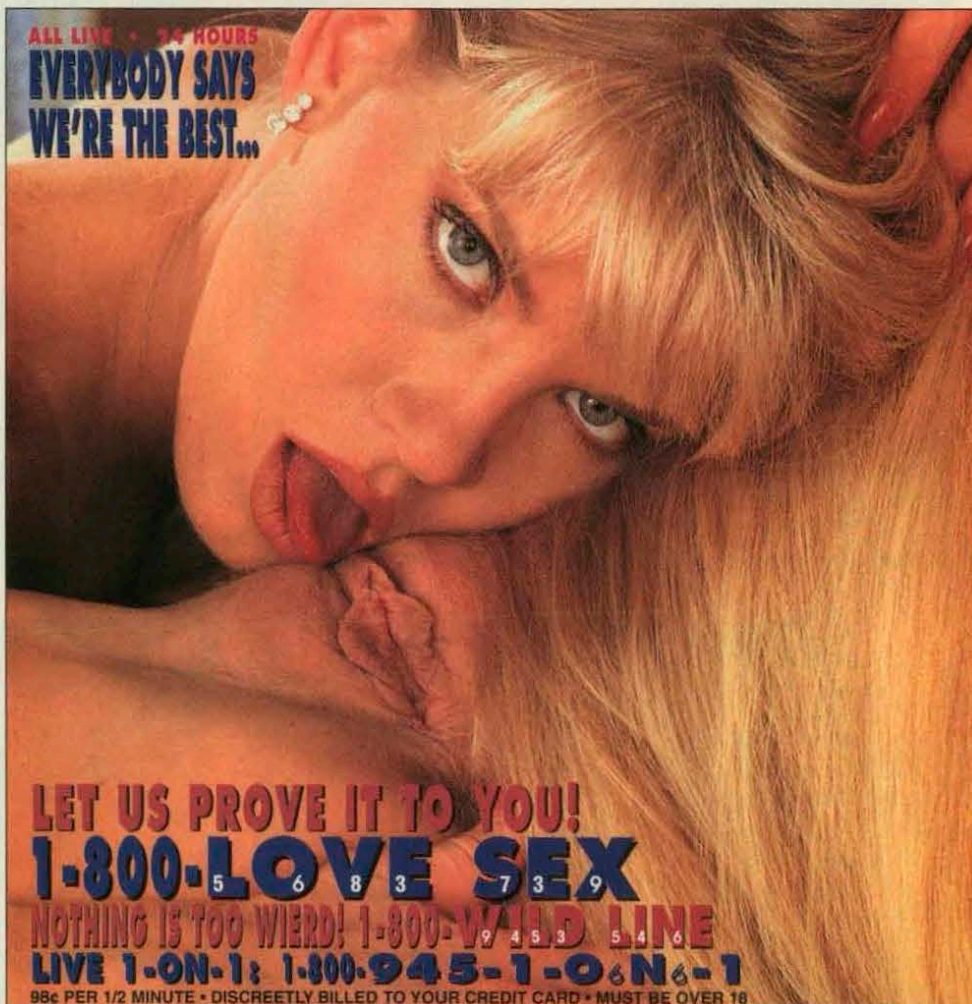

"Come inside me," she begged. "Plant it in me." I reached underneath her and grabbed two fistfuls of her big, white ass. Those white cheeks trembled as my cock let go a blast and a half of creamy, white power. Her sweet pussy quivered and snatched at the incoming flow. Her own homemade jelly was splashing my shaft, creating custard waves that spilled from her hole. Man, we were jamming!

A good ten minutes after I'd come, I was still gyrating my hard rod inside

her warm, wet walls. Her arms were locked around me, gripping my ass. "I never want to let you go," she said at one point. The fires in the distance were still burning bright, but I swear to Mother Mary we felt like the only two people in the goddamn world. Soon, we hope to ditch the bigotry and do the matrimonial dance in a city blind to this pigment shit. Just goes to show, if you can't fight the power, fuck it!

Earbanging: The New Wave in Aural Sex

by Natasha Anderson

Restrictive attitudes in the name of so-called morality increasingly take the fun out of fucking. Through good, old-fashioned homespun knowledge, hearsay, scientific facts and outright lies, this series strives to spread the word that rubbing uglies is a beautiful experience.

ILLUSTRATION
BY ERIC
STANTON

Thirty-two-year-old Stanley sits blindfolded in the privacy of his studio apartment in New Albany, Indiana.

"I'm going to suck the hanging sac of your scrotum until your balls are so tight against your groin that you beg me for mercy!" declares the strange feminine voice over the telephone speaker set on a table beside his chair.

Sightless behind his firm mask of black fabric, Stanley spreads his legs, imagining every detail about this mystery caller—the color of her hair, the shape of her body, the kind of clothes she is, or isn't, wearing. Her sultry tone invades his mind like an exotic perfume. Sure enough, he feels a hot breath on his balls, wetness and a spine-tingling slurp.

"When I'm good and ready," says the mysterious voice, "I'm going to give you a little bite. Just a nip, but hard enough to make you know I mean business."

Stanley braces himself, but the sucking continues, gently and insistently. He pictures the owner of the hot mouth encasing his balls: It belongs to a girl named Sabrina, who'd sat in front of him in the sixth grade. She's grown up now, her figure as ripe as a fresh, summer peach.

The auburn curls that had so mesmerized him when he was younger erupt without shame from her pantyless crotch.

Now and then she takes her hands off his thighs to tweak her thumb-

sized nipples. She's got a tattoo of a dove on one tit.

Stanley leans back in his chair and tilts his head in a soothing rush of bliss, surrounded by nothing but peaceful darkness, the lustful avenues of his salacious train of thought powered by his wife's tongue on his cock and the invigorating tones of a woman who, in reality, he's never met.

Suddenly he jumps. She bit him, the bitch! His slavish dick erupts, spraying jizz like water from an elephant's trunk.

As the dread of AIDS and other sexually transmitted diseases makes inroads into the alternate-lifestyles set—turning many of America's hardest swingers into wistfully nostalgic former horndogs—those who venture to fuck outside the norm seek alternatives themselves. In the '80s, video technology brought the first safe-sex/swinging substitute to hit the swing scene since mutual masturbation: the do-it-at-home porn vid. Couples in the know flocked in droves to the medium, spicing up their forced diet of monogamy by swapping sexually explicit home movies in lieu of potentially dangerous bodily secretions. Of course, passively eyeballing the picture end of a cathode tube wasn't quite as stimulating as hands-on contact, but nobody ever died of eye strain. Still, there was a worrisome downside to video-swapping: Many swingers were understandably paranoid about what might eventually become of their tapes, constrained by dark fantasies of blackmail, professional exploitation and unwanted exposure. In part as a result of these fears, the safe-sex techno phenomenon of the '90s was born. It's called "earbanging," and it's making today's sex pioneers chuck their tapes and pick up the speaker phone.

"Earbanging first surfaced in the summer of '91," relates Ted, an information processor in the phone-sex business. "At first, many people in the [phone sex] business were afraid it would lure callers away from their established party lines. However, the trend looks to be having the opposite effect. Because couples are doing it, more and more women are getting into phone sex in a big way. Our billings are way up. Currently in production is a contact publication that will be the first national directory for earbanging swingers. Earbanging's going to be the hottest adult trend around."

As well as stimulating and satisfying the primal carnal urge, the kinky pastime has therapeutic benefits.

"Earbanging is an ingenious answer to the pricey business of working out one's marital problems with a therapist and/or sexual surrogate," explains Dr. Katrina Lagerqvist, an L.A.-

(continued from page 43)
based psychotherapist and marriage counselor. "The pattern of guided fantasy and intramural stimulation is strikingly similar to the services a therapist or surrogate provides."

A kind of obscene phone call directed to people only too glad to receive it, earbanging is most effectively practiced by two or more couples. It's discreet, safe and as hot as sex can be—because it *is* sex. It works this way: A man blindfolds himself and gets comfortable in a chair beside his speaker phone. His partner joins him, suitably attired. The couple accepts or initiates a call to a couple who've agreed to play along. At the other end of the line, it's the woman who sits blindfolded by the phone.

The blindfolded man engages in an erotic, fantasy-laced dialogue with the blindfolded woman. They are essentially having straight phone sex with each other, but with a crucial twist: Because both sets of swingers are using speaker phones, a new dimension of sexual gamesmanship enters.

While the male swinger is telling the woman on the other end of the line what he'd like to be doing to her, her own partner acts as his on-site stand-in, actualizing the fantasy dialogue with his fingers, tongue and dong. At the same time, the blindfolded man's own partner enacts the scenarios created by the woman on the other end of the line. It sounds a little like the sexual version of Simon Says, but earbangers swear their innovation transforms simple phone sex into a perfect blend of fantasy and reality.

Alicia, a former manager of a swingers' club and party house in San Diego, regards herself as a first-wave earbanger. She and her husband are earbanging addicts.

"My husband and I used to swing quite a lot, but then a friend of ours in the lifestyle sent us a letter notifying us to check ourselves for herpes," admits Alice forthrightly. "Happily we didn't have it, but that got us thinking our long party was pretty much over. Don't get me wrong, we love each other dearly, but vanilla sex was hard to settle down to, considering the raunchy erotics we used to enjoy. We heard about earbanging from another couple who, like ourselves, was reluctant to continue swinging, for health reasons. They more or less initiated us. Now we're telling our old crowd that promiscuity isn't dead after all, that we can still have sex with just as much of a variety of people, as often as we want. Half the people we know nearly went broke in the old days traveling, entertaining and paying motel bills. When earbangers make new friends in the same area code, it costs next to nothing. But

what hooked us was the sexual role-playing, the chance to surrender control of ourselves and be somebody else's mindless plaything for a while. I find myself saying and doing stuff I never thought of before—it really sets the imagination free. The element of sensory deprivation in the use of the blindfolds intensifies the sex, turning it inward, making it a much more mental trip. You can't see who's making love to you, but your other senses—touch, smell and hearing—become much sharper, more attuned to the action. Even if the other person is the same person you usually make love with, there's still a strong sensation of being with someone new, because you have a mental picture of the person whose voice you're hearing."

Rick, Alicia's construction worker hubby, firmly believes earbanging has broadened his sexual horizons.

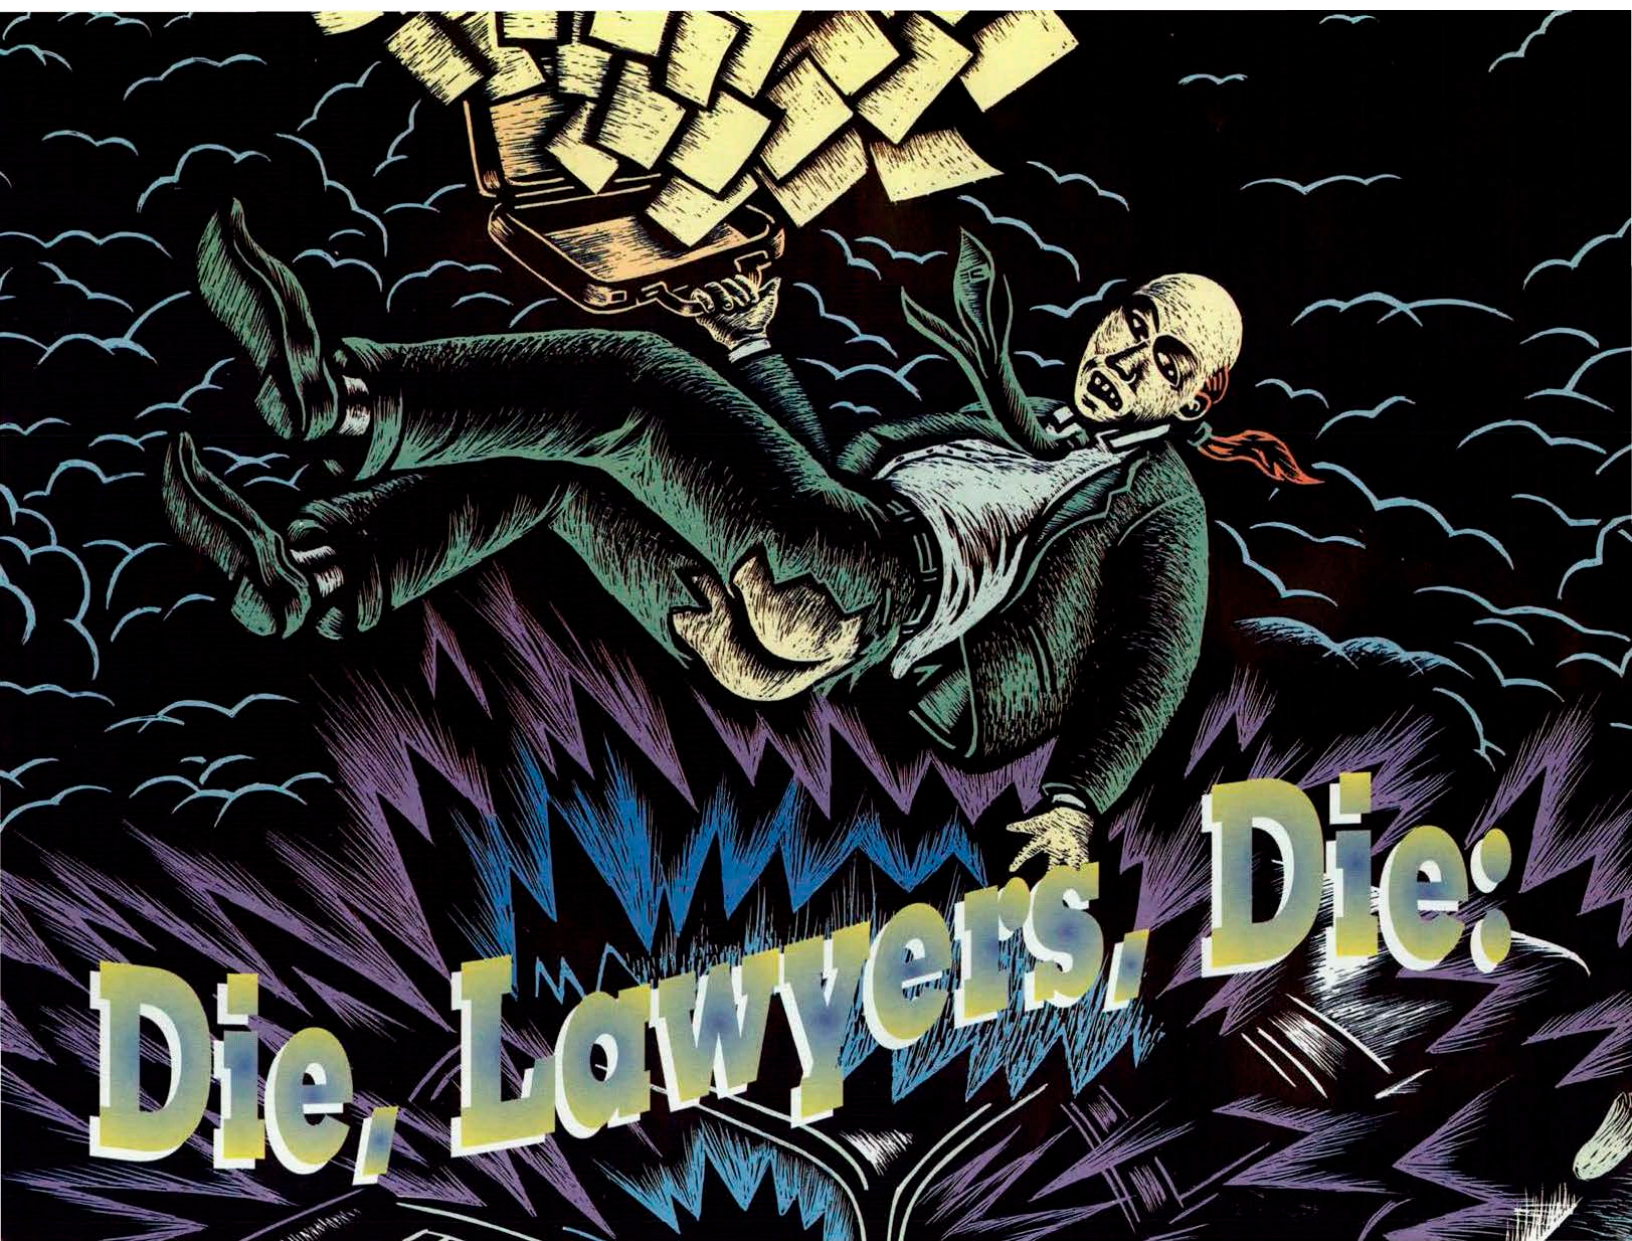

"Alicia is always telling me I'm a knee-jerk macho-man, and I guess it's true. I mean, there are just some sexual things I'd never do," he proclaims. "Being the passive partner in S&M, for example. I kept telling Alicia that stuff had no appeal to me, but she knew damn well I'd never tried it. One night she blindfolded me by the speaker phone in our living room and got one of her girlfriends on the line pretending to be a dominatrix. This girl commanded Alicia to tie me up, and man, those two girls had me diamond-cutter hard and begging for release for

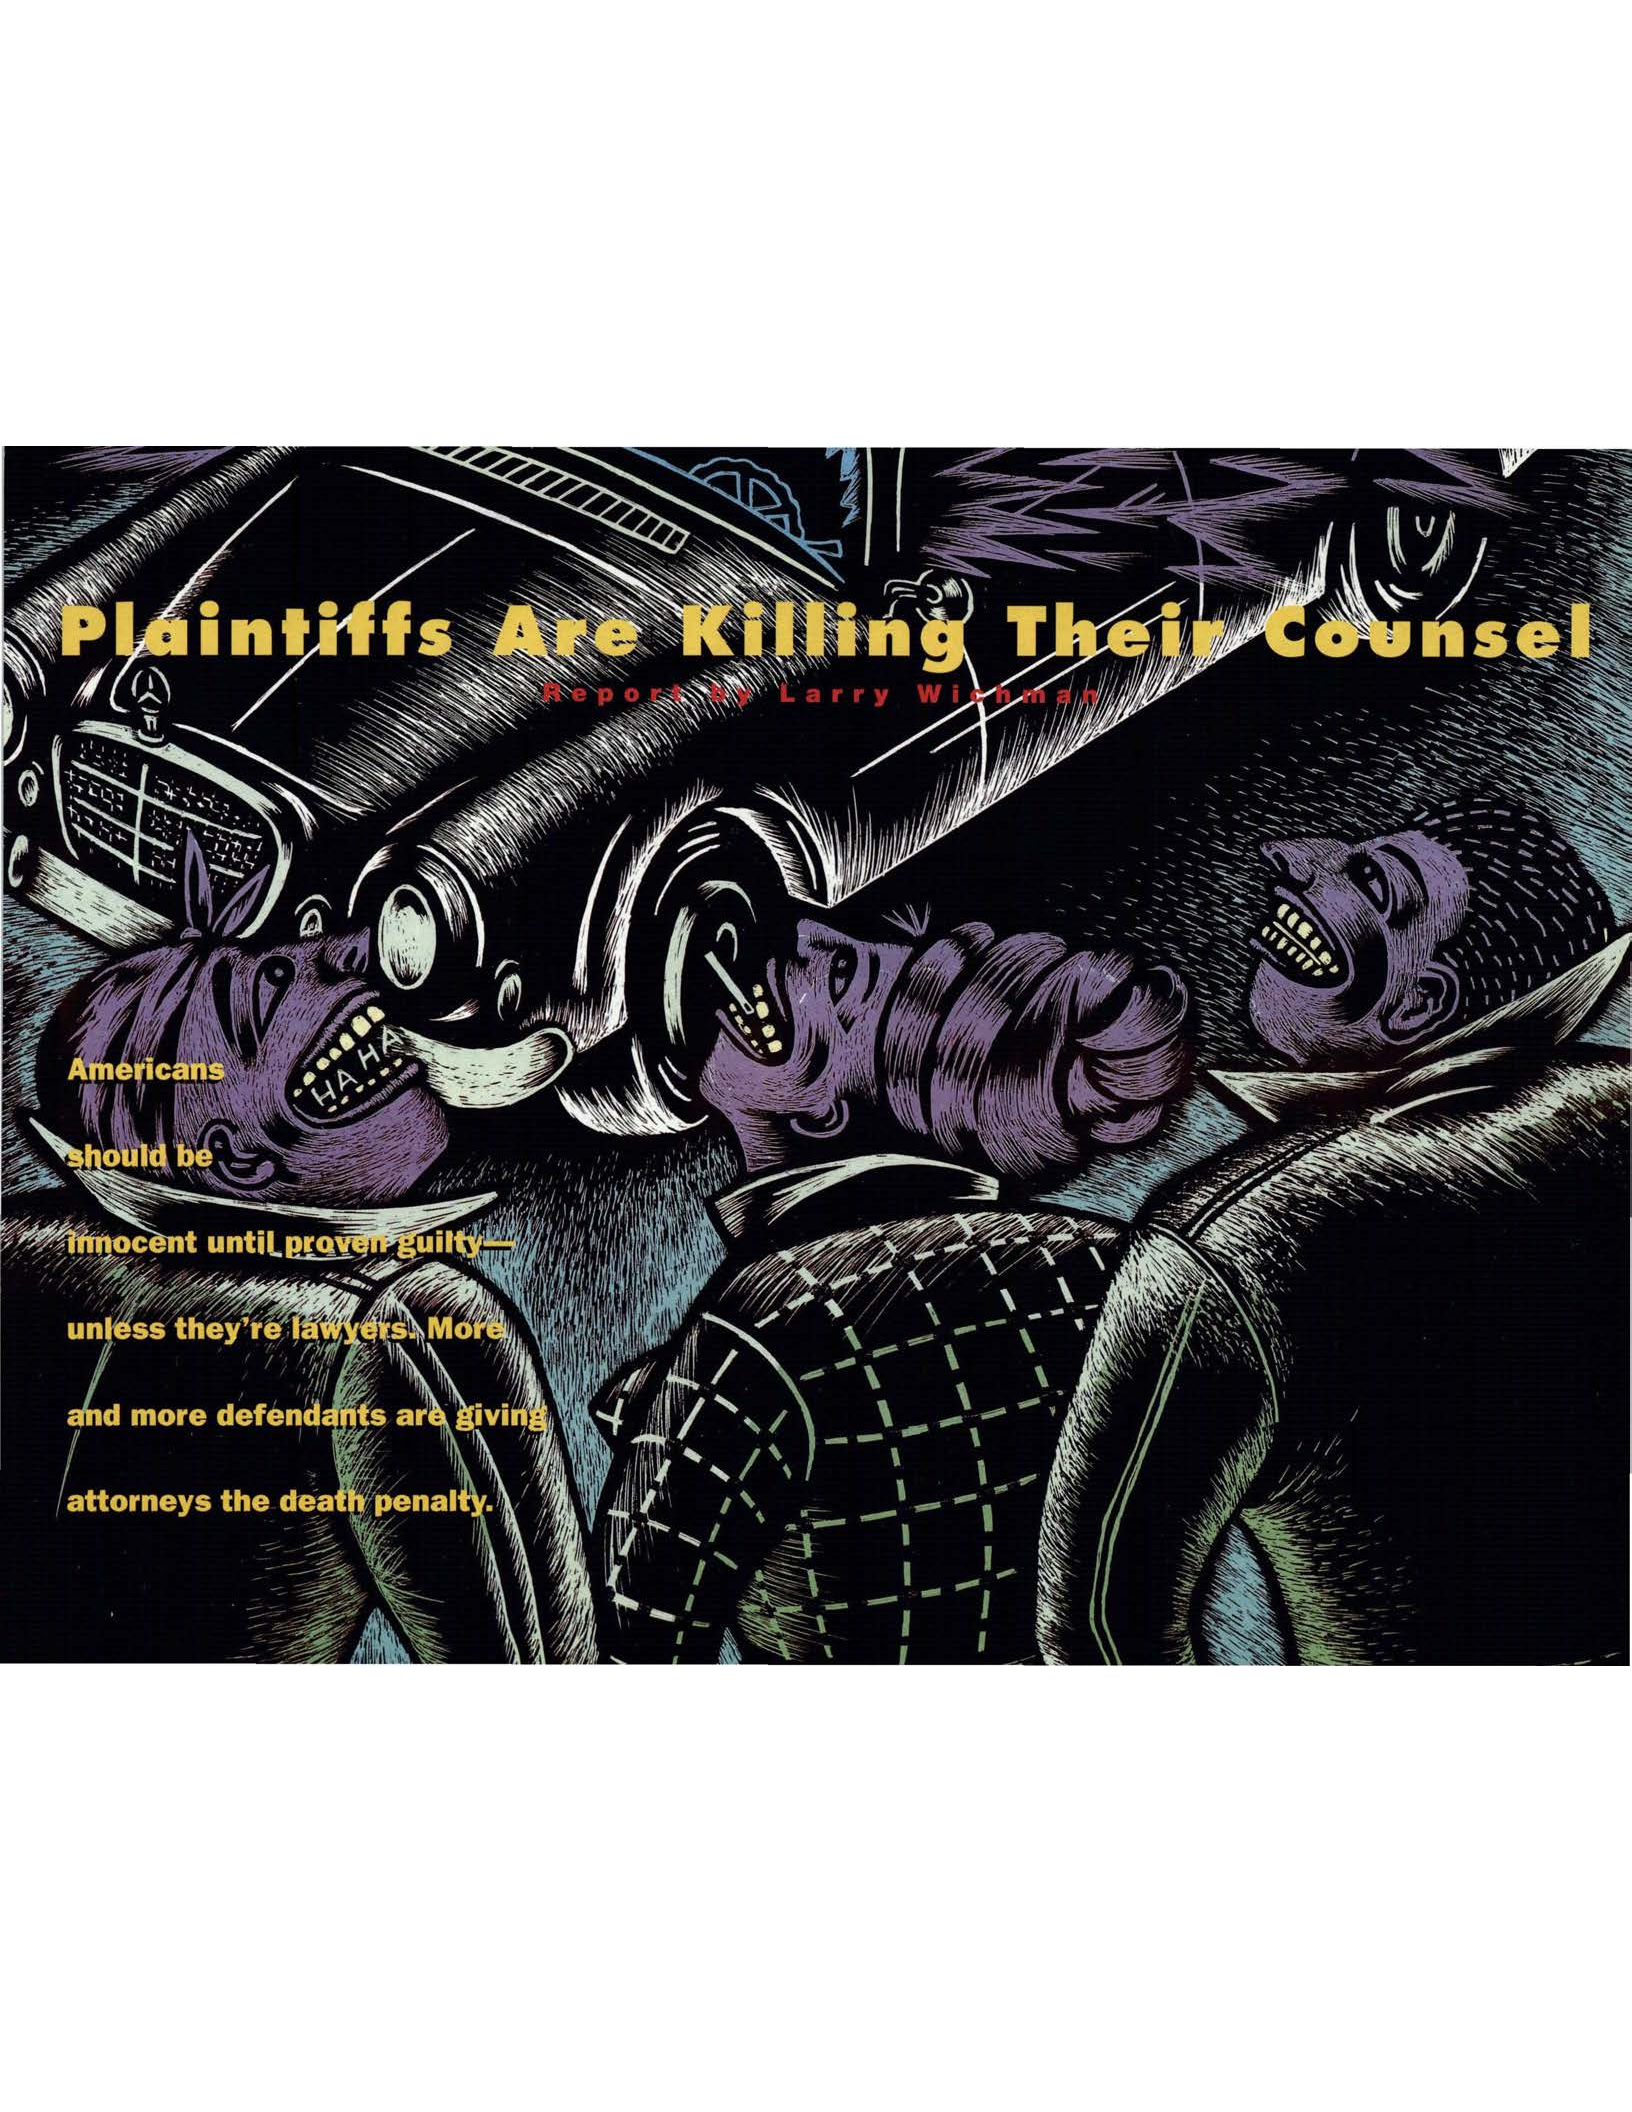

upward of an hour. Alicia was nibbling on the underside of my cock, and my ears throbbed with this strange, new voice demanding I confess to her how good it feels, how much I want it. Just when I thought my balls were gonna burst, the girlfriend's husband came on the line and took over, acting like a slave overseer. He ordered Alicia to surrender her ass to me, an activity she's always shied from in the past. This time it was like we were two different people, totally directed and controlled by the harsh, demanding voice! Alicia hugged the floor in front of me and put her perfect ass high in the air, while I ground my dick into her booty. As directed by the voice, I seized a handful of her long, blond hair, making her writhe and buck like the Palomino fuck-pony of my dreams. I used to fantasize about fucking Alicia's ass, but hesitated to talk her into doing something she didn't want to do. But this time she wanted it bad, and when I came, she got off at the same moment. Now anal sex is one of our favorite things. I notice Alicia is generally much more uninhibited when we earbang. For instance, when someone tells her to make me come in her mouth, she swallows my load with gusto, and she used to only do that on my birthday!"

Rick laughs before revealing the least publicized, most-often experienced side effect of earbanging addiction: an automatic hard-on every time the phone rings. 📞

Plaintiffs Are Killing Their Counsel

Report by Larry Wichman

and more defendants are giving

attorneys the death penalty.

DIE, LAWYERS

"Attorneys have ruined the world!" shouted Sinclair, pumping several rounds into his lawyer at point-blank range. "Now is the day of justice!"

On the morning of June 1, 1992, 62-year-old James Sinclair entered the Los Angeles County Law Library armed with two concealed handguns and a pair of handcuffs. For three hours he sat quietly in the building lobby, waiting to be joined by attorney Michael Friedman, 38, who'd agreed to handle a civil suit Sinclair had brought against the city of Los Angeles.

Sinclair, suing for injuries allegedly suffered at the hands of L.A. police in 1988, had wanted to represent himself. However, at a pretrial conference two weeks earlier he'd threatened Deputy City Attorney Ruth Ebner with a stun gun, and Ebner had asked L.A. Superior Court Judge Kathryn Doi Todd to appoint outside counsel for Sinclair. Sinclair then hired Friedman just two days before his trial date in June.

Just before the civil trial was scheduled to begin, Sinclair walked up to Friedman, who was using a law library copy machine, and opened fire.

"Attorneys have ruined the world!" shouted Sinclair, pumping several rounds into his lawyer at point-blank range. "Now is the day of justice!"

Legal practitioners are alarmed by

growing evidence that a substantial number of Americans would as soon shoot their lawyer as share the same courtroom.

"It shouldn't surprise us that we are seeing more assaults in which lawyers or judges are the victims. The level of violence is up across the board," notes Gerald Uelmen, dean at Santa Clara University's School of Law in Santa Clara, California.

Many of the nation's courthouses have been equipped with metal detectors, while security staffs have been reinforced, and court watchers, as well as lawyers and litigants, are subject to search, but such measures are not always initiated in time to prevent violence or homicide, as became evident on May 5, 1992, when two people died and five were injured—one critically—in two separate family-court shootings.

The bloodiest occurred in Clayton, Missouri, where Ken Baumruk, 53, and his estranged, 46-year-old wife, Mary, met in court to finalize their divorce. As court was being called into session, Ken Baumruk pulled a pair of handguns from his briefcase and started firing.

Almost ex-wife Mary died instantly. Baumruk then trained his sights on what

were apparently his primary targets: the couple's two lawyers, Garry Seltzer, 39, and Walter Pollard, 50, both of whom were shot in the chest and survived. As spectators dove for cover, Baumruk fled to the hall and shot a bailiff and a security officer before being gunned down by police.

The second courtroom shooting of the day occurred in Grand Forks, North Dakota, where Judge Lawrence Jahnke, 49, was critically wounded by defendant Reuben Larson, 43, during a child-support hearing. Approaching the witness stand, Larson pulled a gun and shot the judge twice in the abdomen.

Ironically, as the first shots rang out in the Clayton courthouse, a meeting to discuss increased courtroom security had just ended on an upper floor of the building.

Protected courtrooms are one thing, but when an attorney hits the street, he's on his own.

On June 8, 1987, Tim McNamee, 34, was struck down by a sniper outside his Carpentersville, Illinois, law office. Wielding the bolt-action .30-06 murder weapon was triggerman William Nally, a 46-year-old career criminal who left the attorney to bleed to death beside his Porsche in the driveway of his suburban Chicago office. Nally's rifle and several empty beer cans were found in heavy brush 50 yards away.

At Nally's 1989 trial, Assistant State's Attorney John Barsanti told the jury that the murder was in retaliation for the abduction of three-year-old Zachary Rodriguez, whose natural father, Rolando, had been a client of McNamee's law partner, attorney Timothy Mahoney.

The day before the shooting, Rolando, who'd won legal custody of Zachary, had snatched the child from the Tennessee home of his ex-wife—and Nally's former girlfriend—Nadine Walter. Walter, 26, had enlisted Nally's help in an effort to get the child back.

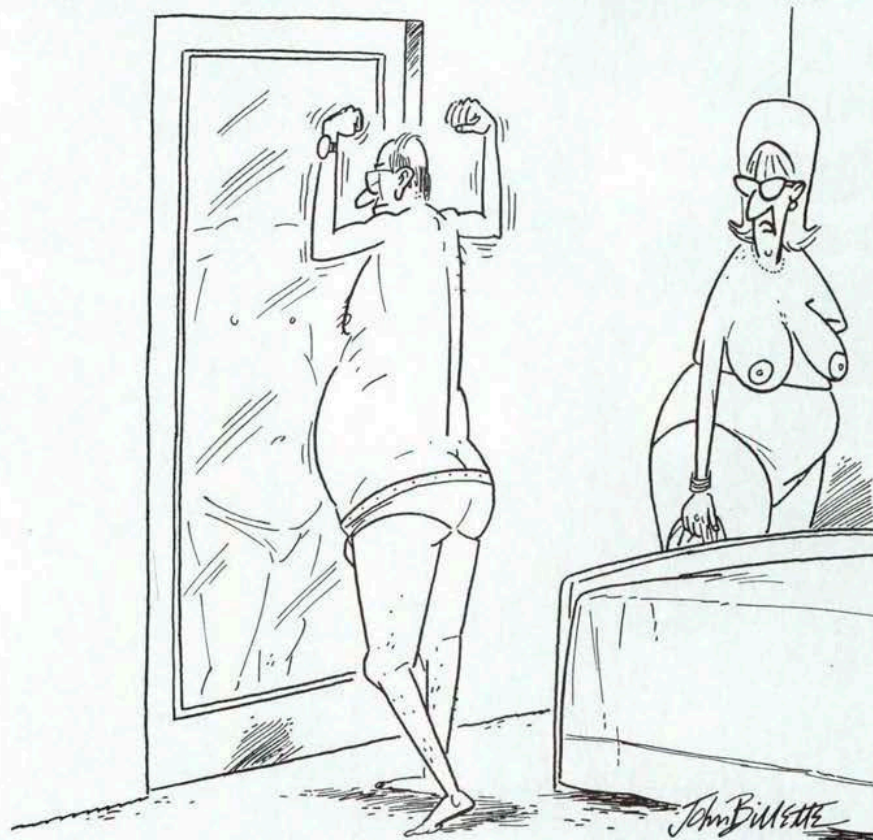

Having been granted immunity, Walter testified that she thought that if one of the lawyers were killed, it might scare Rolando into returning the boy.

Under oath, Walter gave a chilling account of the murder, for which she served as wheelman. She said the pair had parked near the office, and that Nally had told her she would hear the shots. "I heard a shot," she recounted. "I quick-started the car to leave. I just wanted [to get] out of there."

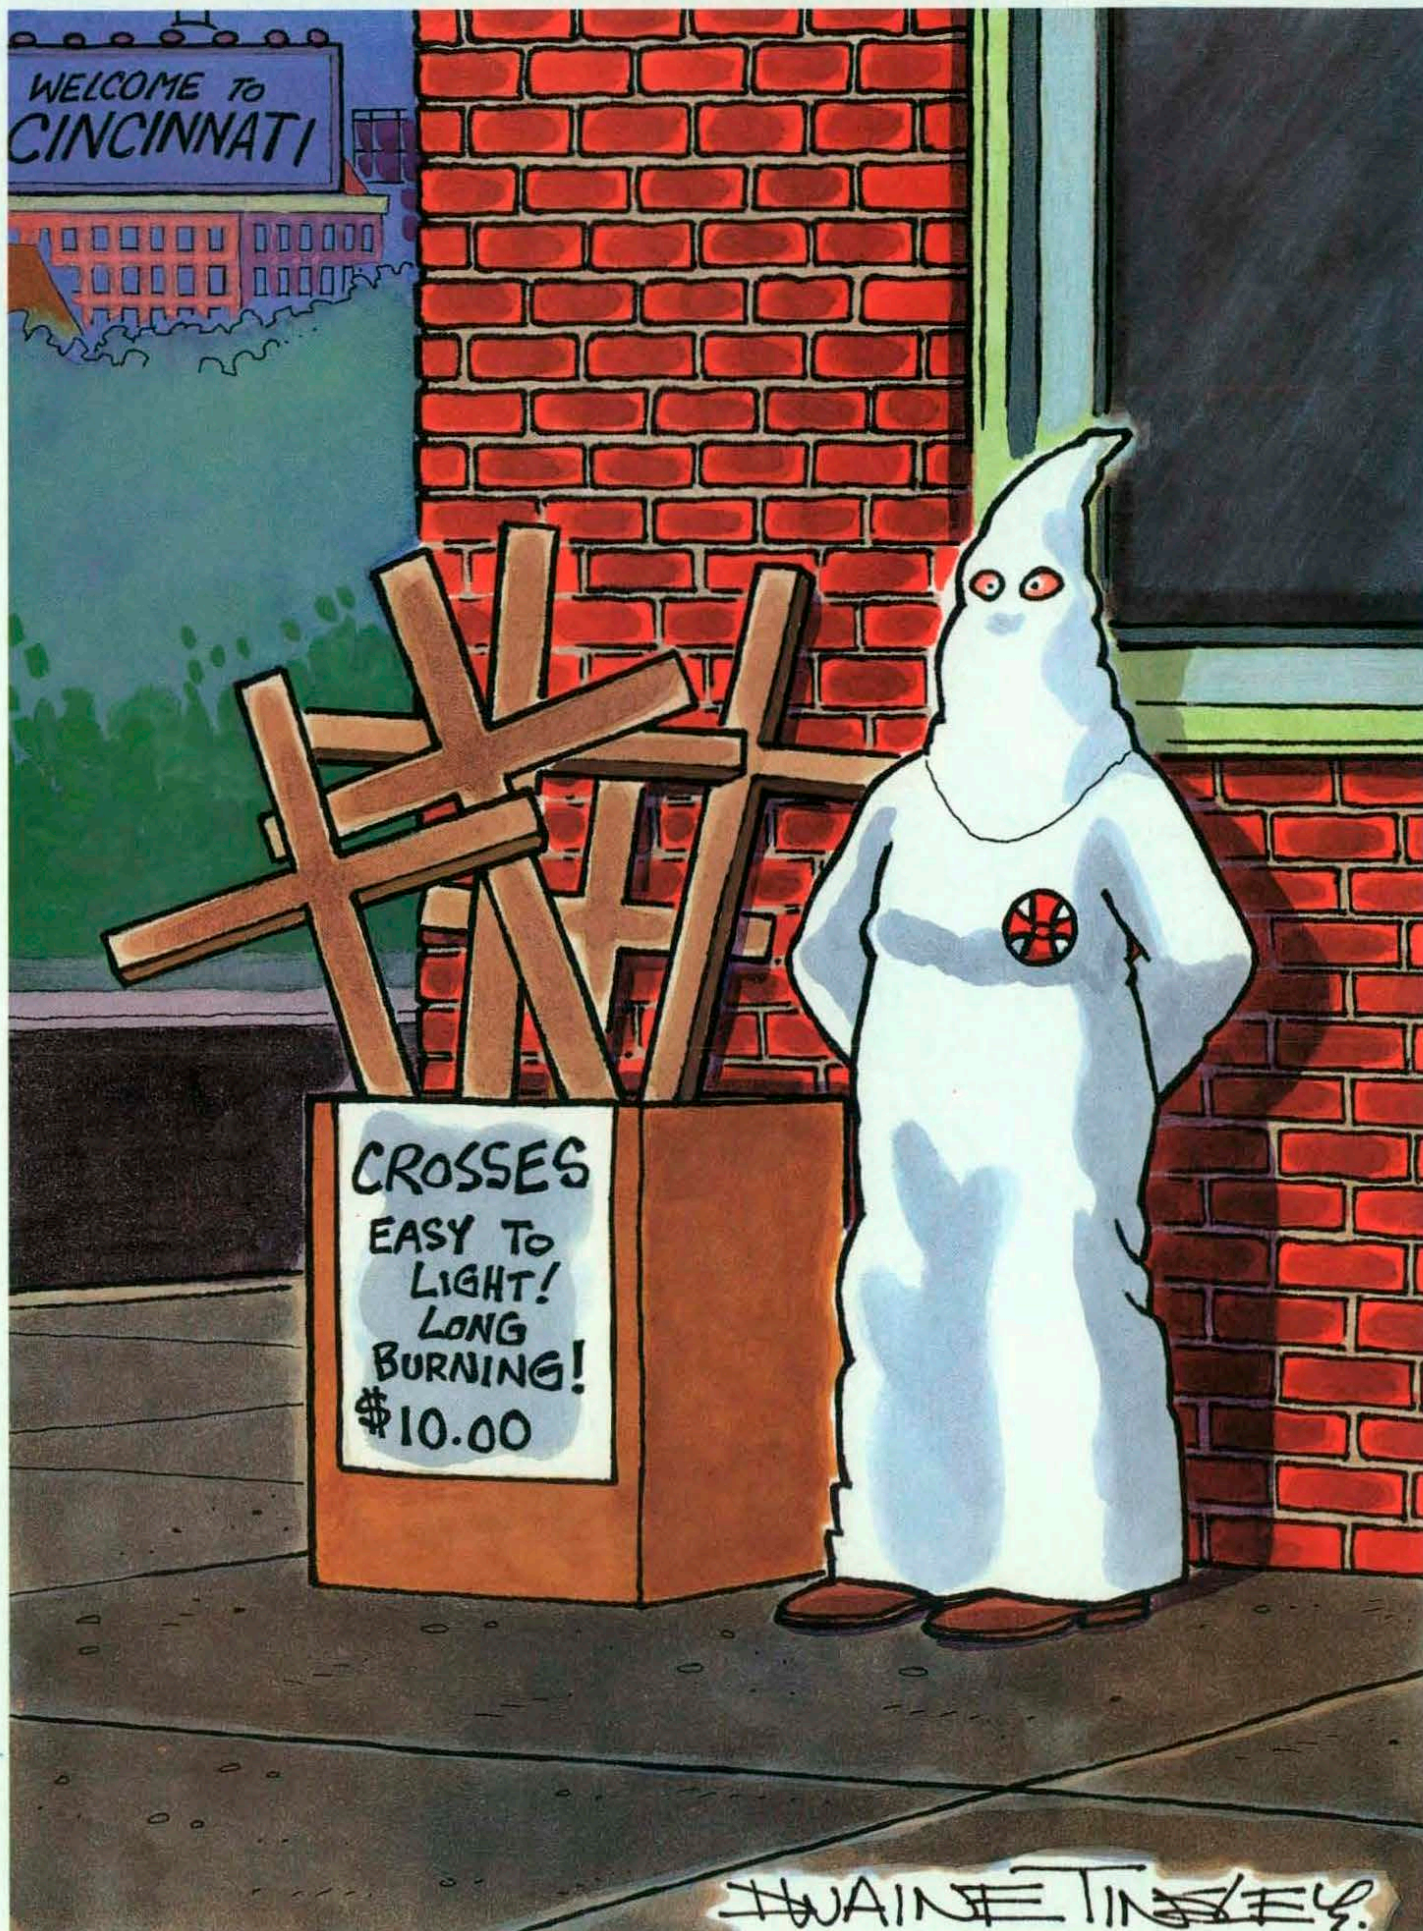

When Nally returned, she said, he told her, "One down, one to go."

Nally was convicted of McNamee's murder and sentenced to life in prison without parole.

attorney's name on more than one hit list. Whether honest or corrupt, nearly every successful officer of the court makes powerful enemies, whose paybacks, when they come, dwarf the low-tech retribution of a disgruntled plaintiff, however deadly.

In 1989, Miami, Florida, defense attorney Gino Negretti had his Cadillac blown out from under him by a car bomb. Early in his career, clients of the 71-year-old, Puerto Rico-born attorney had been Cuban-American, anti-Castro activists. In 1967, Negretti had represented one of six men accused of attempting to invade Haiti for the purpose of setting up a base for anti-Castro activities. By the late '80s his client list was swollen with drug dealers.

Negretti had so many potential enemies, police never discovered who placed the bomb. And even though the device broke both his arms, riddled his body with shrapnel and reduced his car to a pile of cinders, Negretti managed to drag himself to safety.

San Francisco attorney Dexter Jacobson did not survive the attack made on his life—a contract killing that took place in August 1990.

Jacobson was about to blow the lid off an

alleged criminal conspiracy among lawyers and judges in Northern California's bankruptcy courts, who were believed to be stealing assets from businesses that had filed for bankruptcy protection.

"He told me that he definitely uncovered something, but I don't know what it was because I never got a chance to talk to him," claims U.S. Trustee Anthony Sousa, a federally appointed watchdog for the courts.

A few days prior to a scheduled appointment with Sousa, Jacobson's body was found in a culvert near Sausalito.

The lawyer had last been seen by bankrupt Sonoma businessman Paul Sosnowski, on whose behalf Jacobson was about to file a \$30 million damage suit against bankruptcy trustee Charles Duck. According to Sosnowski, the suit maintained that Duck ran a scheme in which he induced lawyers of otherwise healthy businesses to file for Chapter 11, and to arrange to have Duck appointed as trustee by bankruptcy judge (and former Duck attorney) Alan Jaroslovsky. Once appointed, Duck would approve inflated fees submitted by the lawyers of the bankrupt firms.

Allegedly, Sosnowski's lawsuit was to have implicated two partners from the San Francisco law firm of Pillsbury, Madison & Sutro—the fifth-largest law firm in the nation—in the scheme. Pillsbury, Madison & Sutro had handled seven of Duck's bigger bankruptcies, and had represented Duck in 1989 when he'd pleaded guilty to embezzling \$2.5 million in bankruptcy funds—a paltry sum compared to the tens of millions government sources estimate Duck was able to skim during his 15-year career as private trustee.

"[Jacobson] had enough information to upset people who were making big money," claims Sosnowski, noting that all copies of the lawsuit disappeared subsequent to Jacobson's killing. "I just pray that his death offers an incentive to people to get at the truth."

The names of those responsible for Jacobson's murder remain unknown. Judge Jaroslovsky, who approved Duck's trusteeships for a year after being told of his criminal abuses, has not been disciplined. Paul Sosnowski, who has chosen not to pursue his lawsuit, keeps a loaded shotgun in his home.

"Sometimes the lawyers just aren't doing good work," admits Irvine, California, attorney Jack Earley, explaining why the most worrisome threat to lawyers comes from the very clients they defend.

"People have a lot of expectations of what their lawyer is going to do for them," explains Gerald Uelman. "When those expectations aren't realized, they lash out at the lawyer because they think they [have been] betrayed."

On March 24, 1987, in a Torrance, California, courtroom, convicted felon John Proudfoot stabbed his lawyer in the chest with an ice pick after reading a probation report, filed by the defense, which recommended that he be admitted to a state mental institution for a 90-day evaluation.

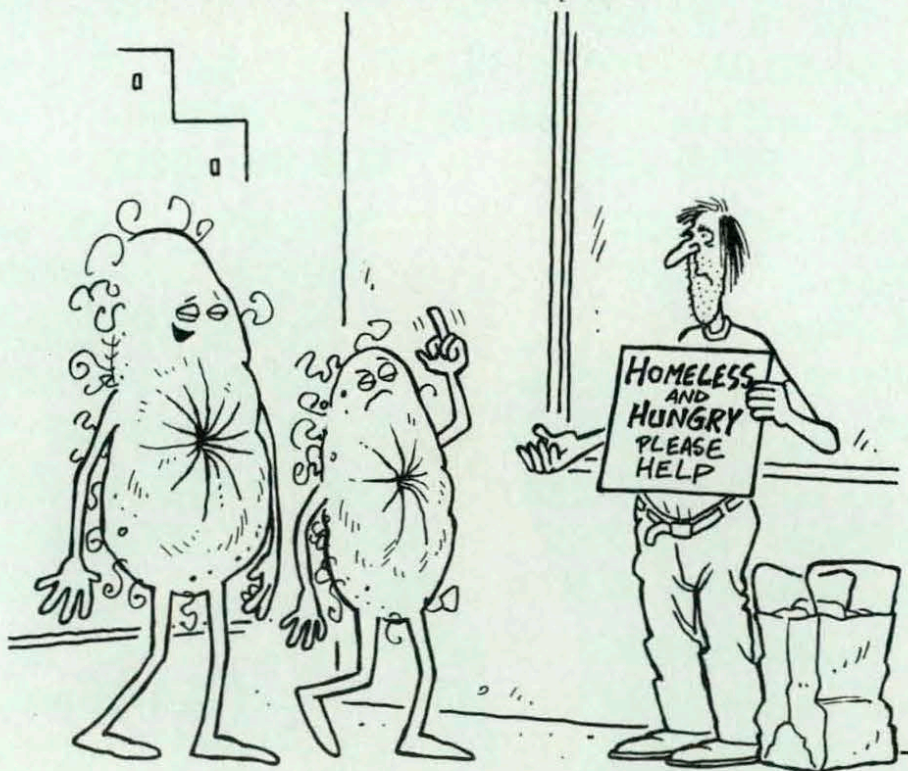

"He said it was all wrong, sort of rose out of his chair, and I felt a blow to my chest," defense attorney Ken Kahn recalls.

Proudfoot had been convicted on two counts of assaulting a Redondo Beach police officer. He would subsequently plead guilty to attacking Kahn, who nonetheless returned to represent the felon at his rescheduled sentencing.

Increasingly, criminal defendants are attacking their lawyers solely to delay going to prison. An attack from the plaintiff forces the lawyer to drop the case, which delays the trial and allows the criminal to remain in county jail, where he is much less likely to encounter inmate violence.

"[Attacking a lawyer solely to postpone a trial] is occurring more frequently," warns

"I had my shotgun in my lap, and I just let go," Asbell said. "I saw his head explode. To me, there's nothing better than a sawed-off shotgun."

Sacramento Municipal Court Judge Michael Ullman, president of the California Judges Association. "Slug your lawyer, and you'll create a conflict of interest; so the lawyer will have to pull out."

Laguna Hills, California, attorney Gary Pohlson agrees: "There are situations where clients get so desperate they will do anything to obstruct the process or delay going to prison." The defense lawyer was himself recently targeted in a multi-attorney murder plot by one of his clients.

Santa Ana defense attorney Greg Jones lives with the memory of being threatened by a defendant in a murder case. "I could envision that person getting out of prison and tracking me down," he says.

In 1989, Van Nuys Judge Jessica Perrin Silvers was attacked in court by a man she'd once prosecuted. The parolee grabbed her and held a pistol to her head. Before he could pull the trigger, he was cut down in a hail of gunfire.

Adding to the problem, many lawyers believe, is the public's ambivalence toward such attacks.

"When the average person reads about an attorney being gunned down in court, there's more than a bit of subtle joy at [the

lawyer's] misfortune," claims Kevin Gallagher, a member of the ethics committee of the Orange County Bar Association. "They joke, 'Well, it was only an attorney.'"

Apparently, lawyers are so universally hated that detectives assigned to investigate an attorney's murder often find it impossible to narrow down the list of potential suspects.

The perpetrators of the February 24, 1988, stabbing death of Hammond, Indiana, divorce attorney Michael Banning may never be apprehended. Banning, 43, died of multiple stab wounds after being attacked in his law offices by three unknown assailants.

It had not been the first attempt on the lawyer's life. In 1985, Banning's legal clinic had been damaged by a bomb blast, which, despite a six-month investigation by the U.S. Bureau of Alcohol, Tobacco and Firearms, had also gone unsolved.

Banning, however, may not have been the intended target. The attorney had bought his law practice from former partner Zarko Sekerez, who'd owned a chain of legal clinics throughout Indiana and had been forced to abandon the legal profession due to charges that he'd defrauded clients—any one

of whom might have sought to take revenge.

Some people so despise lawyers that they've taken to terrorizing attorneys at random. In March 1987, a deranged slasher began stalking and stabbing New York City lawyers in a Central Park West subway station. Attorneys William Burke, 29, and Harris Miller, 34, who were brutally stabbed in two separate attacks, described their assailant as black, 6-3, and armed with a 12-inch hunting knife. The man made no attempt to rob them.

Reinforcing the lawyer-slimeball stereotype, one lawyer stooped to exploiting the violent deaths of his peers for personal gain.

On January 2, 1990, New Jersey's Camden County Prosecutor Samuel Asbell called a news conference to report that the night before, he had survived a drug-related assassination attempt by a pair of armed assailants. In the process he compared himself to Colombian judges who'd been murdered by drug lords, but added, "Thank God, I'm alive."

Asbell claimed that two black men in a green Toyota station wagon tailed him after leaving the office, firing at his Lincoln Town Car with a MAC-10, a fully automatic, .45-caliber pistol.

"My back window blew into the back of my head," the prosecutor recalled.

He described racing down Camden side streets at 80 m.p.h., his car riddled with bullets. Then he said that upon reaching a desolate warehouse section near the waterfront, he stopped and returned fire with a .38-caliber pistol and a sawed-off shotgun that he kept under his front seat. He even claimed he had killed one of his attackers.

"I had my shotgun in my lap, and I just let go," Asbell said. "I saw his head explode. To me, there's nothing better than a sawed-off shotgun. It's a crowd pleaser."

Asbell suggested that the attack had come from drug dealers enraged by his efforts to shut them down, adding that he could not rule out the possibility that the men might have been terrorists or white supremacists.

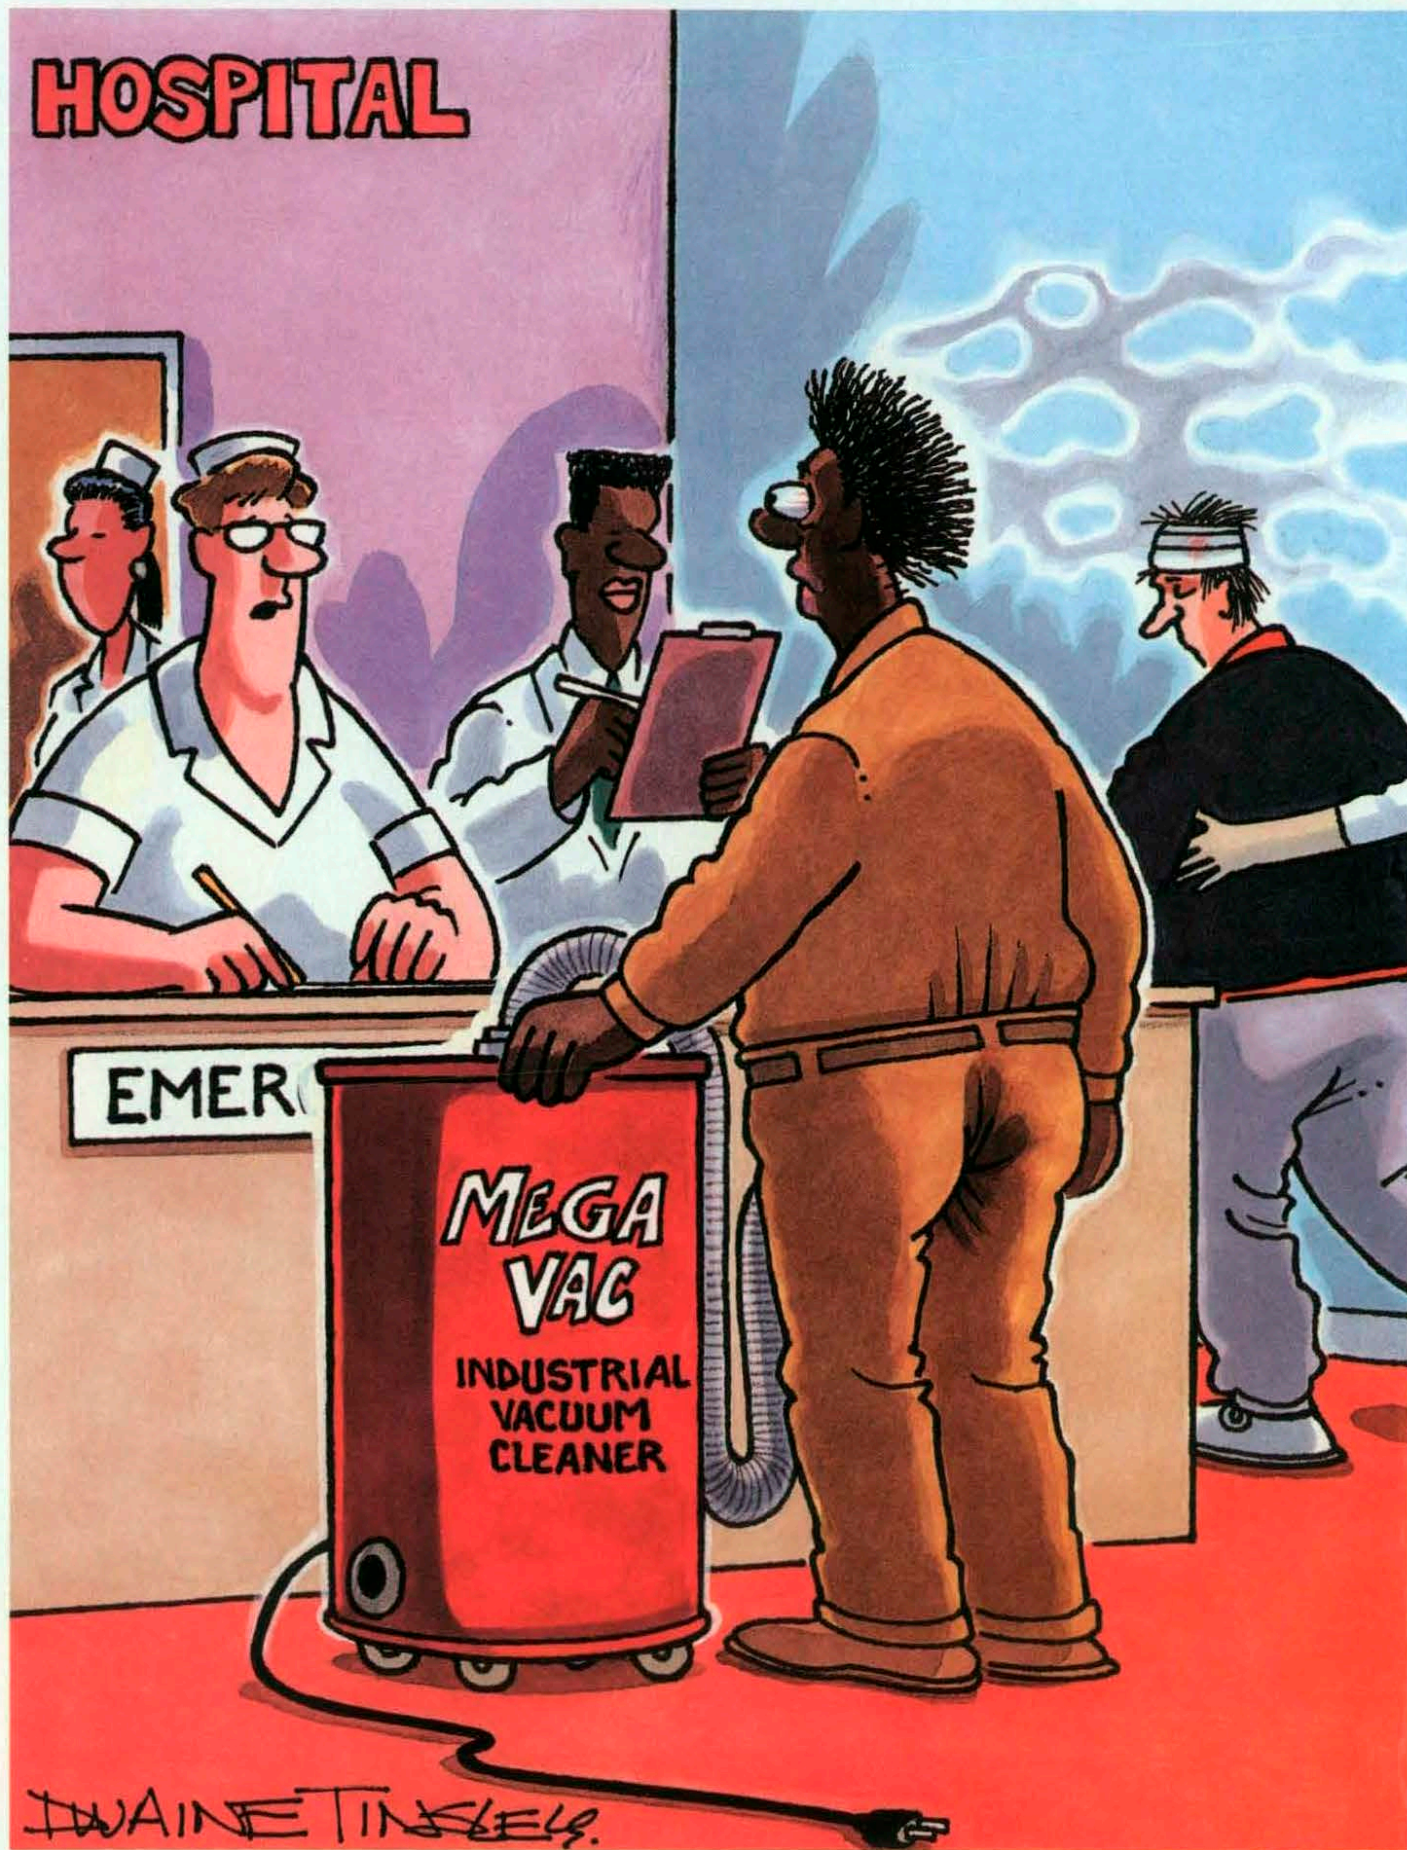

Three days later, State Attorney General Peter Perretti Jr. announced that his findings indicated none of the above.

"Our investigation has determined that the event was staged by Prosecutor Asbell, acting alone," he reported. It was suggested that Asbell had shot up his own car in an attempt to ensure his appointment to a second five-year term as County Prosecutor.

Upon learning that he'd been found out and that criminal charges would surely be forthcoming, Asbell immediately signed himself into a mental hospital. It was that or go to prison, where the shrewd prosecuting attorney knew he would have faced a more genuine threat to his life. ☹

MEANS

Her nipples popped out of the curls of her hair like the bills of two quacking ducks. The sight of them had a civilizing effect on Rawley.

The traffic light was yellow, but he stopped on the corner anyway. Tonight he had time on his hands, which was a good feeling; so his finger popped the cigarette lighter in the dash, and his foot hit the brake. A man felt good inside when bills were paid, and what little was left—after the wife had taken enough to make her forgetful—afforded a small, discreet tip in the mental kitty of well-being, as well as in the material kitty of hard cash. The reward for months of scrimping came in the form of a cash knot under his ass, the kind of bundle a working man didn't carry home, not with a wife and a mortgage eating greenbacks like a wood-burning stove consumes newspaper, giving off about as much heat in the process.

There'd been a time, and not so long ago, that Rawley had been denied the privileges of water, gas and electricity for lack of payment. How Rita Mae had run on about that!

"You couldn't have picked a better time," she'd grumbled, justifiably sarcastic, it being the second week of the New Year. Without the use of the

radiator, they'd huddled together in their blistering cold, dark bed for warmth.

"Since we're here—" he'd mentioned, when they were clinging together in their icy winter bed, one hand risking a quick feel up her flannel, the other smoothing the hair on her head.

"Don't you dare!" She'd yanked the flannel back below her knees. He spent the rest of the night gritting his teeth, his hungry cock nearly snapping its skin, pressed without hope against the flannel safeguard.

Unpaid bills or no, Rita Mae only opened her box when she wanted, never mind how Rawley felt. Once in a blue moon, she'd be sweet, and sure enough, he'd come running at the golden opportunity. But when he wanted it, the notion was enough to make him a fool, stammering and hinting like a school-boy, groveling and jerking like some crazy hand puppet of hers. She thought he was disgusting. Vaseline turned her off. She had no sense of adventure.

Thank God he had his secret kitty, built up over months of pay stubs squirreled away in anticipation of a

purifying experiment in the proper exchange of currency for commodity.

Sunset Boulevard was ablaze with light this Saturday evening. Rita Mae was staying the weekend at her sister's place in Long Beach. Her sister'd whelped a kid the week before. Rita Mae had gone down to witness the ramifications of proper behavior in the marital bed. Seeing what could happen when a man and wife did what was expected would cause Rita Mae's legs to clamp tighter, not open wider.

In a corner of his eye, Rawley spotted a woman upon whom he brought his undivided attention. A piece of gold-lamé elastic corralled bountiful tits, which heaved enough to snap a steel hawser. Ringlets of bluish-black hair tickled shoulders as pale as a dead cat's eyes. Her nose was straight and small. Periwinkle-blue contact lenses gleamed from limpid pools of mascara. Her lips resembled two red slugs. Her waist looked so thin, he could wrap his tongue around it, and her hips curved like the sides of a church bell, still resonating, as if recently rung. She wore cowhide boots, ending in shiny steel points. She looked anxious, as if she'd missed her ride. Rawley reached across and rolled down the window.

"Need a lift?" he called out.

Her jaw stopped smacking gum. Her glance zeroed in on him like a bit of something headed down the drain.

"You a cop?" she demanded.

He laughed. It was a good joke. Hell, he sold hospital supplies in Encino.

She failed to crack a smile. The cross light switched from green to yellow.

"No!" he replied heartily. "I ain't no fuckin' cop!"

She unlocked the passenger door and was beside him in a flash, her twitching ass cheeks digging a nest in the seat.

"Mind if I get rid of this?" She yanked the Ceda-Fresh evergreen air freshener from the rearview mirror and tossed it out the open window.

"Allergies," she explained, lighting a Kool with a butane lighter set so high that the pillar of fire singed the ceiling upholstery.

"What's your name?" he asked her, feeling grand, despite the nerve-curling scent of strawberry cologne and the painful cramp of his swelling dick in his binding tight-whities.

"Scarlett O'Hara," replied his thoughtless companion, busily spritzing her neck and armpits with a strawberry-shaped atomizer.

"You're putting me on," said Rawley, realizing the remark didn't showcase his sophisticated side.

New-Wave Harlotry:

A Darker Kind of Porn

Infamous XXX director Gregory Dark undergoes the third degree on the set of *New Wave Hookers III*.

On the Scene With Christian Shapiro

Illustration by Alan Forbes

DARKER

"She can fuck seven guys in one day and then take her husband up the ass. What can you say wrong about a girl like that? She's a great girl."

If pornography had ever hoped to position itself as a glamour industry, that dream died with the ascendancy of XXX director Gregory Dark. In 1984, as half of the infamous Dark Brothers porn-production team, Greg unleashed *Let Me Tell Ya 'Bout White Chicks*. A grueling, grungy, goop-saturated fuck film that illustrates the dick exploits of a porchful of signifying Negroes, *White Chicks* flaunted its raunch instead of making excuses for it. The Dark Brothers' string of superb erotic atrocities—releases that included *New Wave Hookers*, *White Bun Busters*, *Deep Inside Vanessa Del Rio* and two segments of *The Devil in Miss Jones*—elevated filth to gutter level, a very artful gutter, from which flows Dark's latest crotch offering, *New Wave Hookers III*.

L.A.'s San Fernando Valley has seldom seen a more beautiful day. The November winds are brisk and clean, blowing the skyline crystal clear. Mountains ring the basin like flexed sphincters around a flawless asshole.

Deep in asshole central sits the ultimate white-trash tract home. Cars are parked on the brown lawn. The backyard is full of rust-seized motorcycles, dead car batteries and

mattresses that are split and stained. Drifts of junked garbage make the mattresses look like good stuff in comparison.

Inside the clapboard, shoddy-fab structure, uncertain light seeps in through boarded windows and fades upon two naked women trimming their pussy hair on a flattened futon beneath a velvet painting of giant butterflies.

"Honey," confides the brunette, "the two best friends a woman can have are cash and a hard cock, in that order. Put them together, and it's the ultimate."

The blonde seems skeptical.

A crew of 14 men (all of whom look like the fourth member of the band Nirvana) and one makeup lady focuses upon the two pussy-plucking girls, blue-screen starlets Nikki Dial (the brunette) and Crystal Wilder (the blonde).

Out in the kitchen, a phone rings. "Scotty's not here," offers tall, saturnine Gregory Dark. "Can I take a message?"

The girls want to know when they will be allowed to come.

HUSTLER: How do you decide which girls to use in your movies?

DARK: The nastiest ones I can get hold of.

The ones that want to constantly fuck. The ones that like to sit in your office and play with their pussies, trying to get off while they're talking to you.

HUSTLER: What's your interview process?

DARK: They take their clothes off. I start asking them questions. I say, "Don't stop playing with your pussy while you're talking to me." Pretty soon they get wet, and they can barely talk. That's how I interview them.

HUSTLER: And how do you direct them?

DARK: It's always as if I'm screwing the girls with the camera. I talk to them while I'm screwing them with the camera. I'm trying to get her off. That's my goal. It's to get her off.

HUSTLER: Do you have a favorite actress?

DARK: Everybody who is in this film [*New Wave Hookers III*]. I like nasty. Nasty's the thing. Crystal Wilder [*New Wave III*'s lead pussy] is doing a really good job: She holds the dialogue together, and she's nasty. She can fuck seven guys in one day and then take her husband up the ass. What can you say wrong about a girl like that? She's a great girl.

Nikki and Crystal have dispensed with clothing and inhibitions. A grip delivers a bagful of dildos, vibrators and butt beads.

"Where are the new ones?" inquires Nikki.

"These are all new," assures the grip. "We give them away to the grips afterward. Do you need lube for your pussy?"

"No," demurs Crystal. "Only for the anal."

The camera crew and sound men concentrate on the locus of girl flesh. Greg Dark peers into a black-and-white monitor, seeing what the camera sees—two eminently fuckable females gazing with deep meaning into the erotic pools of one another's eyes. The girls sigh. "Lick," commands Greg. "Lick your nipples, Crystal. Nikki, put your hand on her pussy."

The cloven-sexed talent glides and slides as directed, tonguing and grinding, flexing stomachs and pussies, fingering lips, teeth, tongues. Nikki inserts triple digits into Crystal's snatch, then into the blonde's mouth, then back to the snatch.

"Only two fingers, honey," cautions Greg.

The action cuts to reload the camera.

"Isn't three fingers legal?" asks Wilder.

"They tell me two," informs Dark.

"I'm so pissed," offers Crystal.

"Three fingers implies you're about to fist her. Two, you're just fingering her pussy."

Camera up and rolling, the writhing resumes. Greg directs Crystal to finger her own asshole as Nikki munches flaxen clit. "Some lube would be cool," is the blonde's only stipulation.

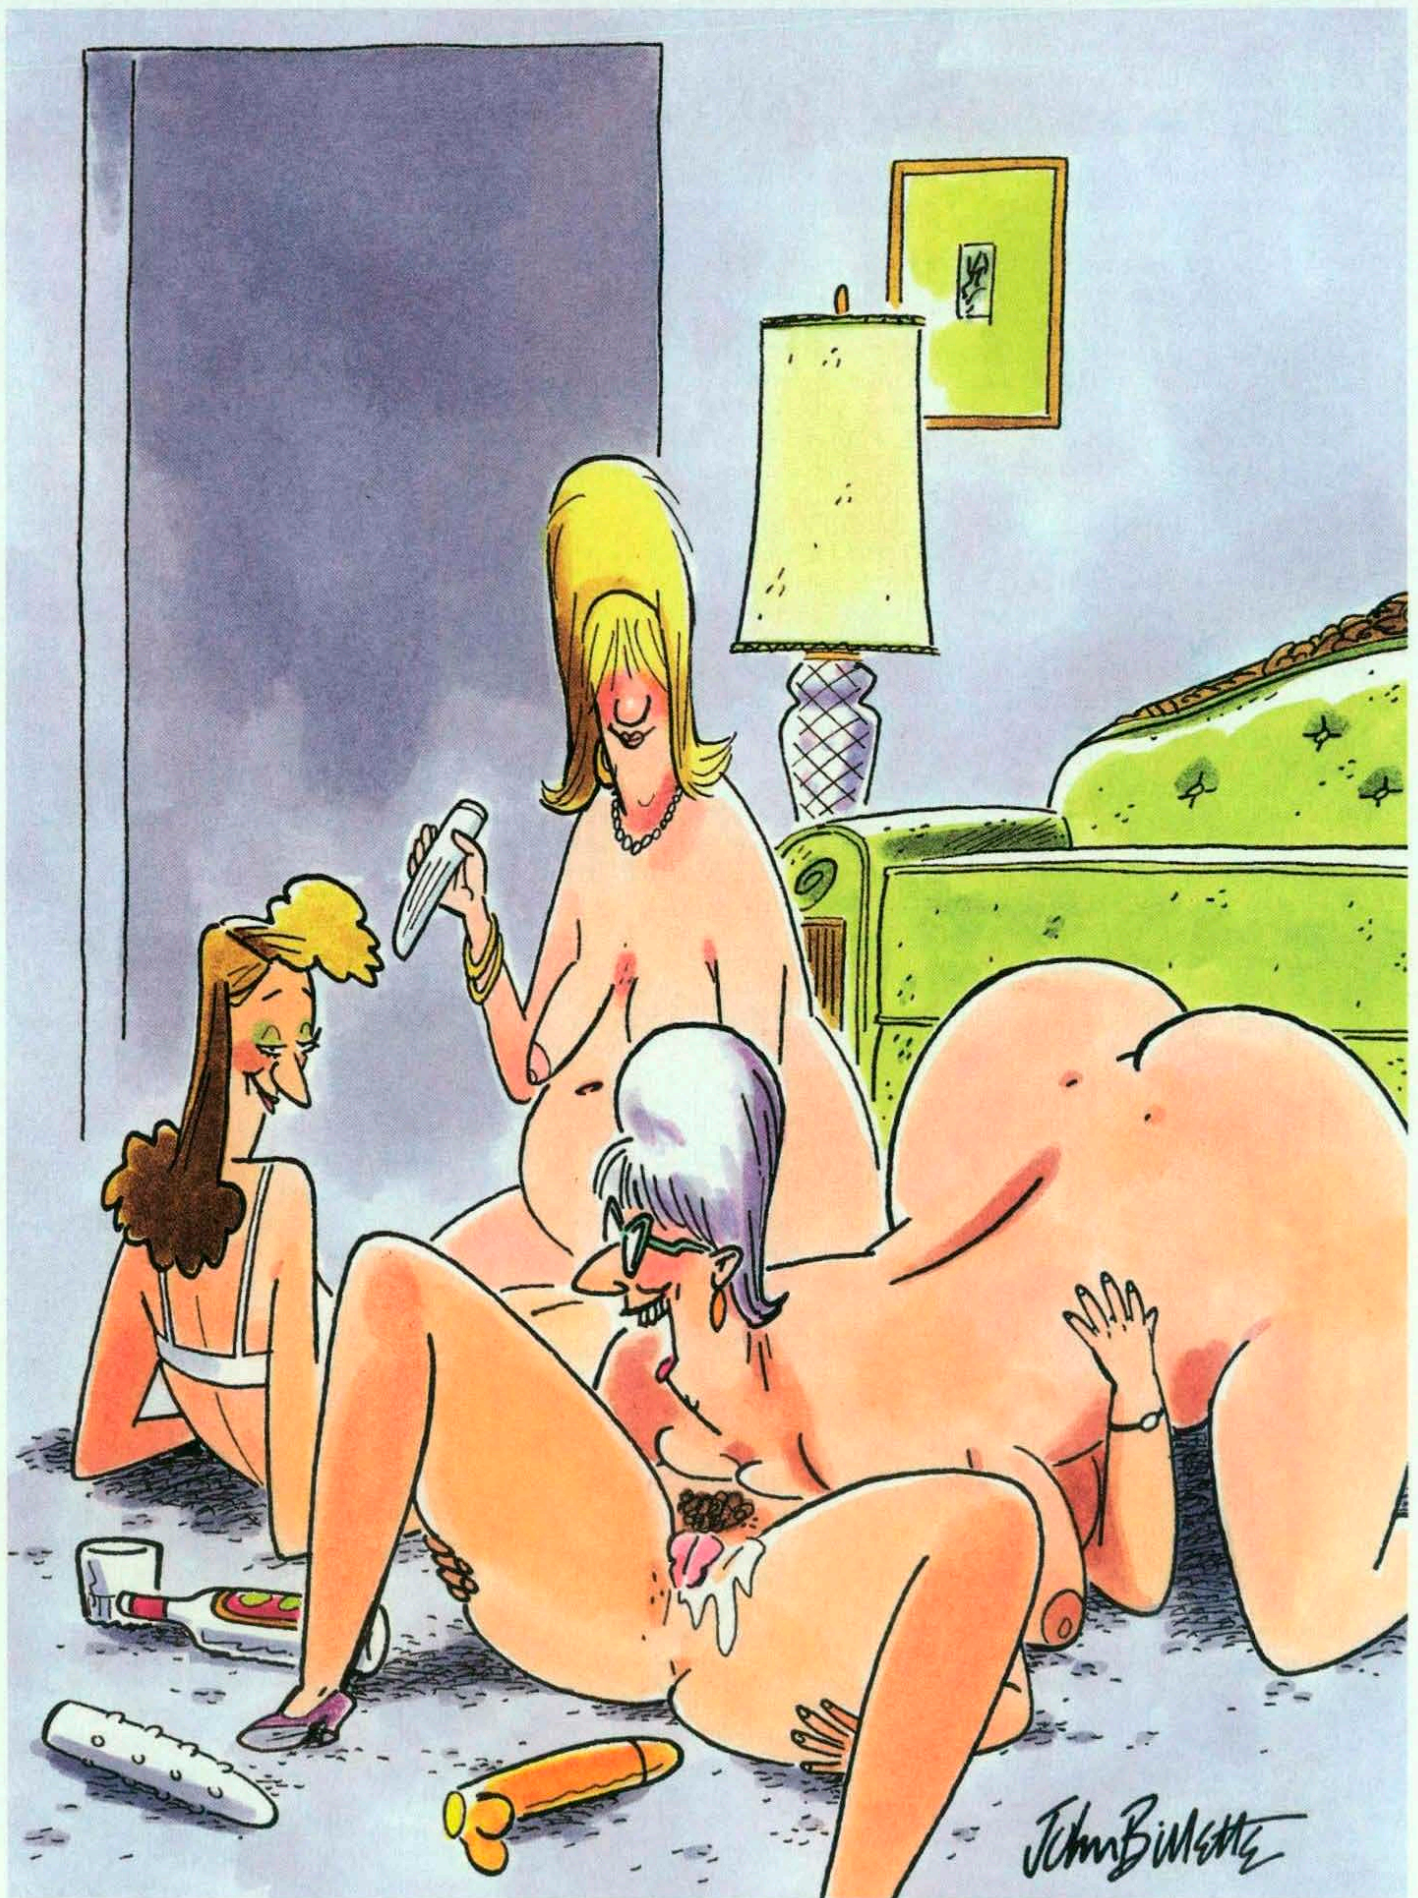

The attention moves to Nikki's twin-piston ass, and Wilder licks the spike of a stiletto-heel shoe. Nikki's feet are cold; she warms a toe in Crystal's hot box.

"Don't put your whole foot in her pussy, Nikki," warns the director. "Just your big toe."

"Now put your toe in my butt," squeals

"It's something new...we call it lethal infection."

"My, girls! Think of all the years we wasted playing bridge."

DARKER

"I'm always trying to find somebody putting their toe or tongue in somebody's ass or pulling their dick from some girl's asshole and coming on her feet."

Crystal. "Act like you never did it before."

Her big toe in Wilder's sphincters, Dial's little piggies wiggle and manipulate clitty.

Crystal's puppy-eyed husband, porn-dick aspirant Terry Thomas, squirms off-camera.

"Pretty kinky stuff, Greg," Thomas whispers into Dark's ear as the wife slurps her own pussy juice from between the toes of Dial. "Right up my alley."

The camera shuts down for servicing, and the girls apply a sheen of lube to anal beads and dildos.

"Keep going, girls," urges Greg as the film comes up to speed.

Nikki Dial's tongue, following where only her big toe has ventured before it, snakes into Wilder's anal rings. Nikki slurps.

The girls pause for a giggle break, get over it, and insert marital aids in earnest. Greg wants the large-diameter ass-marbles and a pair of pussy prongs wedged into Crystal. The actresses strive toward that ideal and reach a crescendo of clit-slapping orgasms.

HUSTLER: Why do anal fixations have such a hold on you?

DARK: To get fucked in the ass like that is the ultimate submission of a woman, and to

see her sort of enjoy getting banged in the ass is ever fascinating.

HUSTLER: What about all the tongues and other things that get shoved in assholes?

DARK: Just like a nine-year-old kid is always looking at worms and mud, I'm always trying to find somebody putting their toe or tongue in somebody's ass or pulling their dick from some girl's asshole and coming on her feet. I always try to find inventive sexual events for people to participate in, almost like a carnival.

HUSTLER: Such as?

DARK: Such as a bunch of duck men quacking and fucking.

HUSTLER: Where did this duck thing come from?

DARK: I don't know. I have dreams of men dressed up as duck-men running after beautiful women who were teasing them. I like men slapping their wienies on women's feet after they've been in the girl's pussy because it's wet from her pussy, and the idea of her wet pussy on her wet feet somehow turns me on a lot. I like to see stuff like that. It comes down to that.

Greg Dark is not alone in wanting to see

circus-sex acrobatics. Indeed, he has struck a popular chord among the video-whacking public. However, to get film of sin worth watching sometimes requires the patience of a saint, especially on a Sunday, at 1:35 p.m., in Van Nuys, California's most evocative shut-down barroom.

Although the first shot of the day is hours away, and no sex will occur until well after sundown, the *New Wave Hookers III* cast and crew is in large part assembled and preparing. One crucial element, however, has yet to appear—a chick who's willing to do anal with Rocco Siffredi, the ultra-suave Italian porn fixture whose trouser log is venerated with a mixture of awe and fear among mercenary muffs on at least four continents. Greg works the phone, coaxing a live bush in.

"I just want you to know what's involved," explains Greg. "Make your choice based on knowing what you're in for."

"It's because I'm too big," explains Rocco, illustrating the problem by holding his hand about a foot and a half out from his crotch.

"I guess I'm wearing another shitty suit," guesses lead actor Jon Dough. Dough's character, Frank Baxter, is a ne'er-do-pimp who can't afford to buy a piece of his wife (played by Crystal Wilder) once she gets turned out.

"The reason you wear rubber," lits Rocco Siffredi in imitation of a video starlet whom he professes is in love with him, "is because you fuck anything that moves. Why do you fuck girls in the ass?" Rocco has the glamour role in *New Wave III*, as counselor Saul Shapiro, a stereotypically unethical lawyer who advises Dough's chump and pumps the guy's wife behind his back.

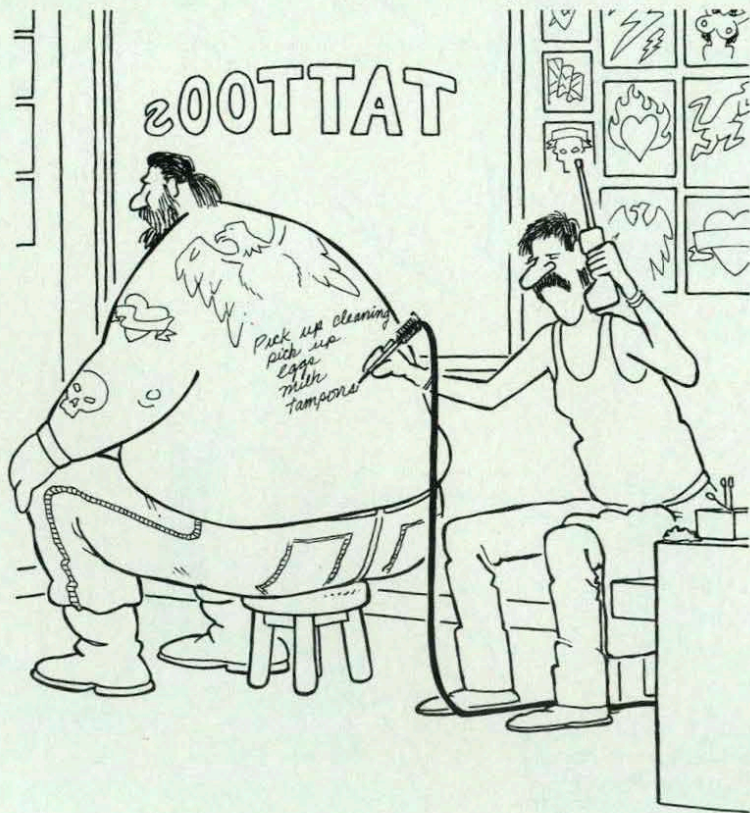

Danyl Cheeks shows up for work, with her boyfriend in the shadow of her balcony. Devon Shire, on the scene as a strip-bar dancer, has her own take on the proceedings: "I have to take my clothes off with all these people in here, and then they want my phone number and follow me around like a dog."

A rival dancer, a small, dark, lingerie-wrapped girl sporting a belly ring, checks in. "I'm prettier than her," assesses Devon. "And that's all I care about."

The dialogue coverage goes well, but not quickly. Rocco's thick Italian accent and phrasing in portrayal of the Jewish shyster is an absurd contrast to Dough's lowbrow-Charles Grodin approach. Hopefully, the hilarity will transfer to film with the fidelity of Danyl Cheeks's momentous shelf.

The day's labor is not over until four in the morning. By that time, the most intrepid, responsible journalist has packed up and passed out behind a cooler. Everybody is tired. There is concern about porn-stud firmness. P. J. Sparxx is said to have gotten drunk in order to prepare her asshole to accept Rocco's mass of meat. But all goes well, perhaps better than she had expected. When sufficient footage

PINK RESCUE

Wet Nurse

Calling Pink Rescue—a beautiful, lingerie-clad brunette in emergency need of feminine ass, er, assistance.

"That's how it begins," murmurs 19-year-old Brenda, hooking best friend Fawn into sharing their hottest fantasy with HUSTLER to celebrate HUSTLER's 19th anniversary.

"I'm the nurse on call, and I take the strange, helpless woman into the back of the van, and she's stunned and kinda in shock, and I strip her clothes and have my way with her, while the car screams through traffic with the siren blaring."

She describes the scene picture-perfectly, down to the sproing of the ambulance cot. How does it end?

"I'll tell ya when we get there," Brenda grins.

"But I'll let you know now—that's when the real fun begins!"

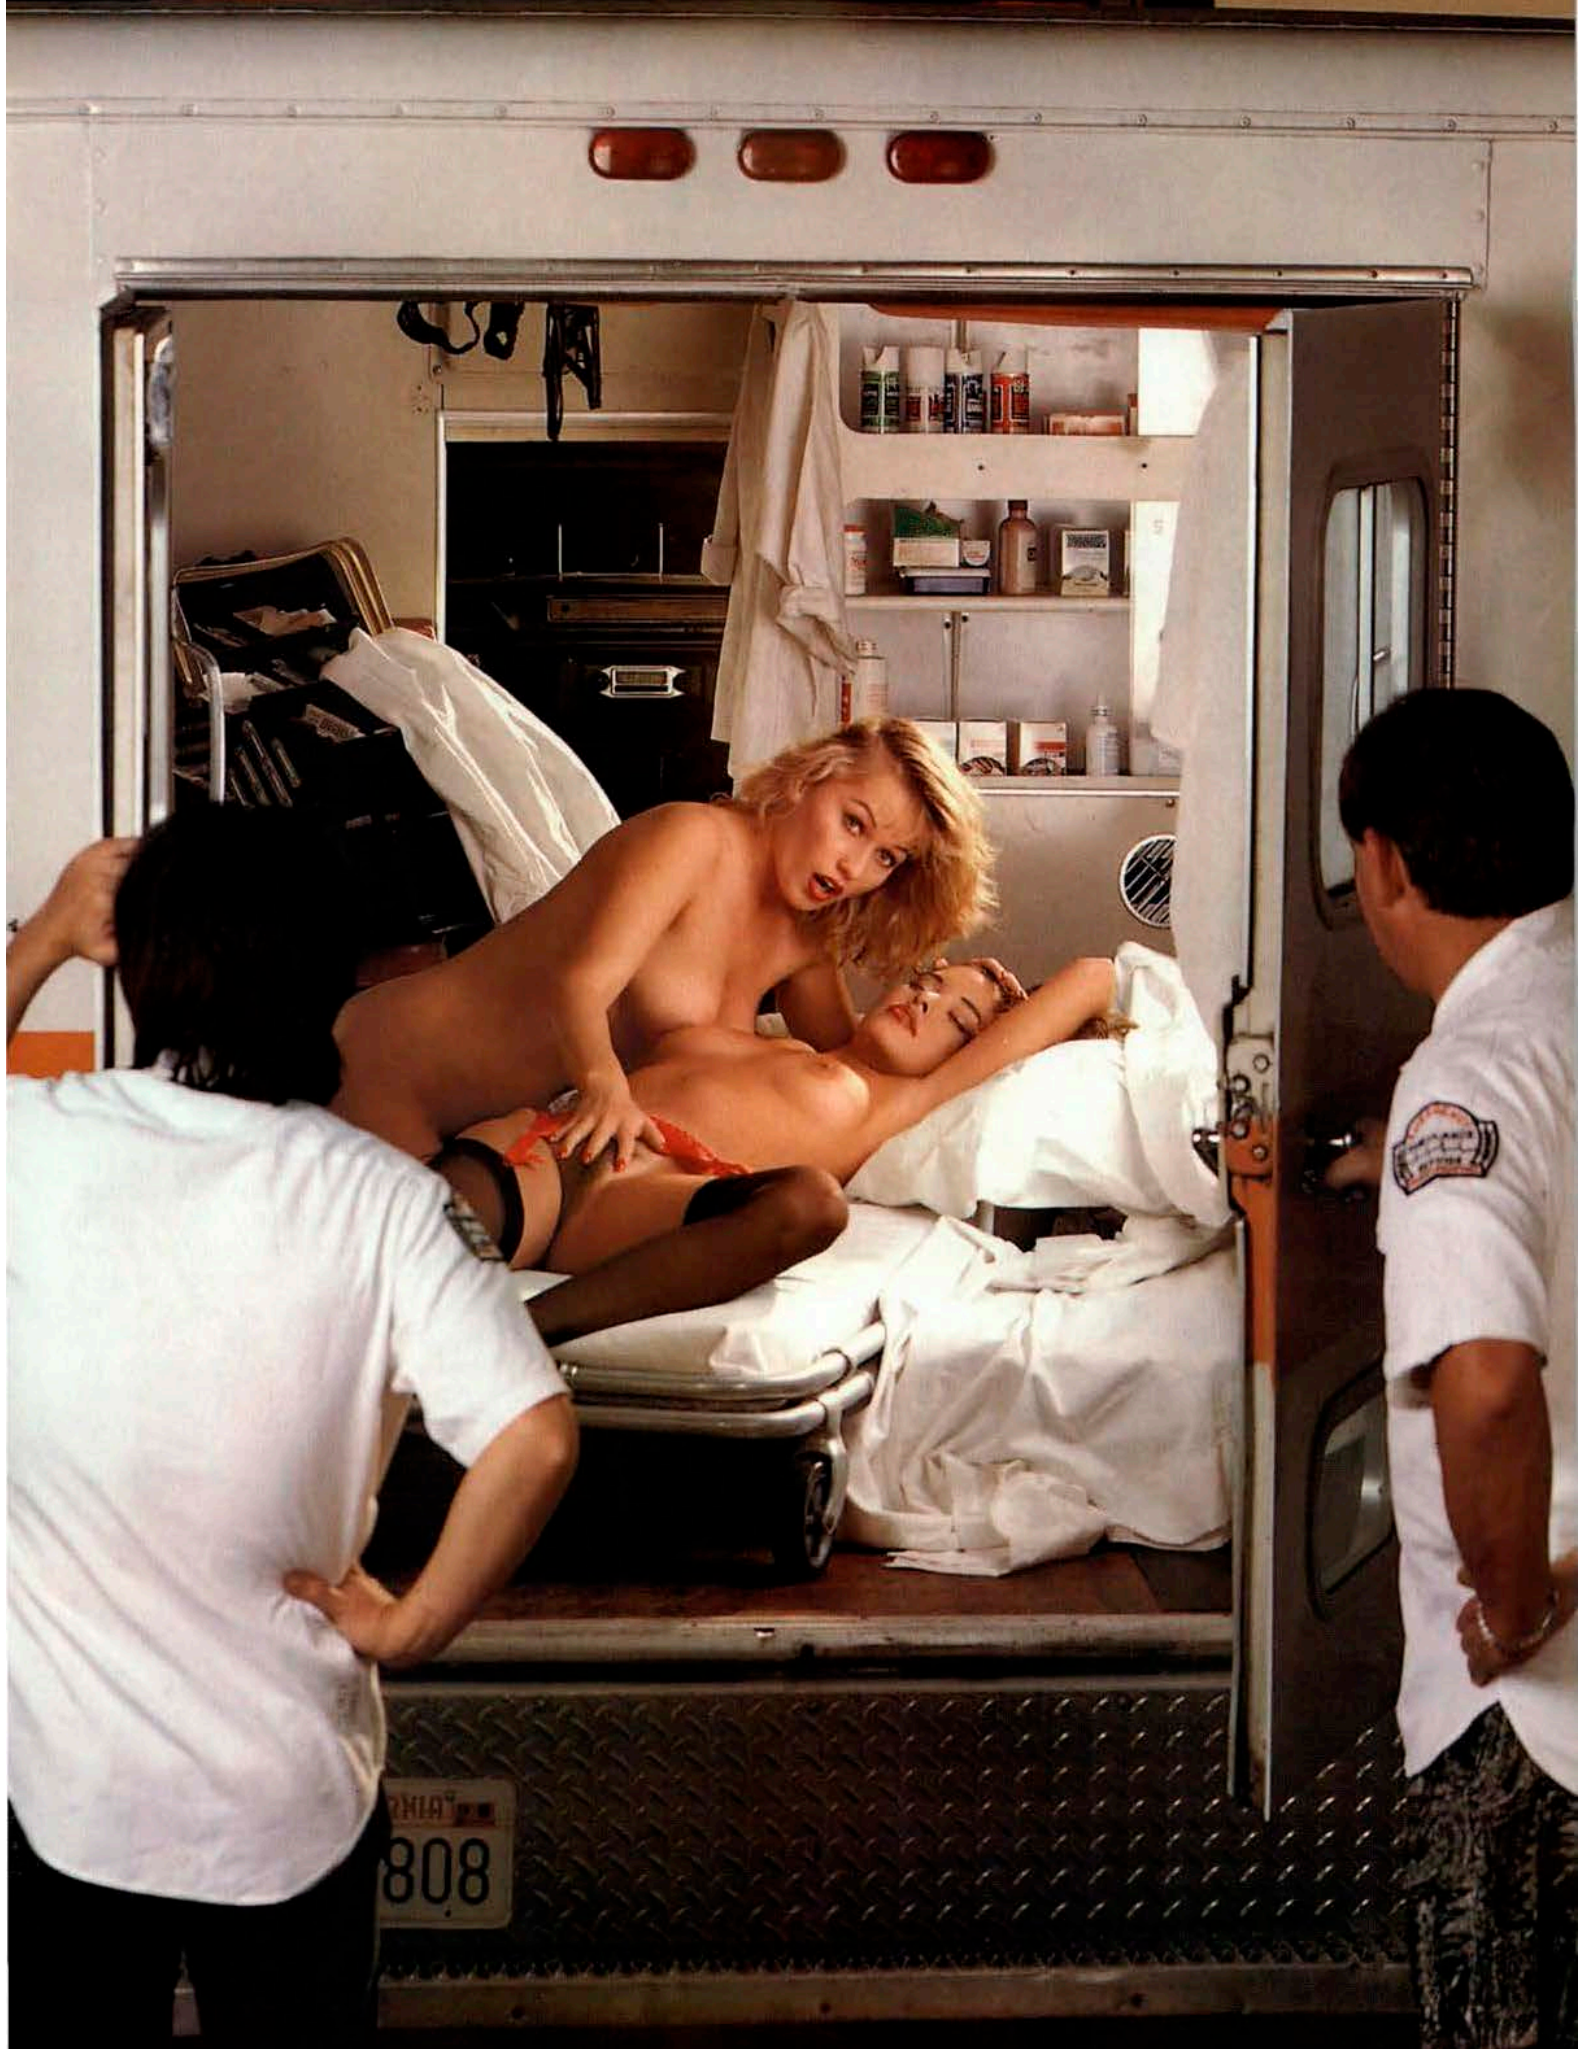

DARKER (continued from page 98)

He coats her with a ferocious blast of wad to the face, then collapses. Dazed, Rocco absently strokes his dick as though it is a pet snake that must be kept calm so it will not bite.

has been secured, and Rocco obligingly pulls out to shoot his load, P. J. explodes in orgasmic frustration: "Fuck you," she screams. "I was gonna come."

HUSTLER: Given the difficulties of shooting smut, why do you keep coming back to it?

DARK: Because the girls are the most real. I make other films that have nudity, and porn actresses are the most real. They're the most sexually aware creatures that walk on two legs. They're overt sexual exhibitionists.

HUSTLER: What are the rewards of making pornography?

DARK: You get to witness this sort of event. You basically fuck a woman using the camera as a surrogate, borrowing the man who's actually fucking the woman as a prop. He's a live dildo. The viewer can imagine fucking the girl. If you're watching porn films, you don't want to think, *Well, gee, I'm not Randy West*. Given a Gregory Dark film, it's more: *I get to fuck them now! I'm really getting to fuck them.*

I hope to achieve that kind of interaction with the viewer. As a porn director, I try to shoot the ultimate sex scene that I'm literally

drenched from watching and shooting. It's like a quest for the Holy Grail, so to speak.

Ultimately, the quest for superlative video sex leads to a vacant mansion behind the security of a gated community three freeway off-ramps beyond way-the-fuck-out-to-nowhere. The mansion, pristine and cavernous, has been transformed into Helen's Deep House, a bordello where female service-workers are programmed by mindless heavy metal music to behave like mindless fuck animals.

"Lick his balls, Tiffany," directs Greg Dark, saying the words as if the idea has just popped into his mind. "Take your bra off."

"Can I have some water, please?" replies the blue-screen cocksucker, her throat not missing a swoop. "Quick."

In a futuristic, totally cheesy drawing room, Jon Dough and Rocco Siffredi lounge on black bean-bag chairs, each being mouth-ravished by a sultry blonde. Two brunettes—in black-out shades, high boots and rubbery bitch-goddess corsets—stand swaying and fingering pussy in the background. Rocco is struck by a surge of creative carnality.

The crafty Italian's first sign of applied

perversities is a persistent tonguing and fingering of onscreen partner Crystal Wilder's tight, pink bung-circle.

Greg utters his favorite words: "Stick your finger in her ass. It's a good thing."

Rocco's ahead of him, spanking Crystal's loaves spontaneously, turning the plush white cheek flesh into a cross-patch of finger-wide welts rising in an angry shade of red. Crystal's pussy oozes with excitement. Siffredi lifts her into the air and stands, rocking his hips and swinging her from his dick.

The camera runs out of film, and Rocco settles Crystal to the bean bag while the crew reloads. Crystal's beau, Terry Thomas, scurries to her side and rearranges a cushion beneath her. He could start a Lamaze class for porn-slut boyfriends.

Action resumes with Rocco dropping loogies into Crystal's gaping, gasping mouth.

"Wonderful, Rocco," praises Greg.

"There's something funky there," points out the cameraman. "We need a towel."

A grip wipes away Crystal's excess arousal, but Rocco's excitement is not so easily dealt with. He plunges with a vengeance, fucking this chick like his reputation depends on it. He coats her with a ferocious blast of wad to the face, then collapses in the pillow. Terry Thomas exchanges a high five with the wife, as though she has just shot a game-winning three pointer. Dazed, Rocco absently strokes his dick as though it is a pet snake that must be kept calm so it will not bite. The girl, fresh off the receiving end of a paralyzing power fuck, snaps back. "I'm kind of juicy right now," she admits, her only concession to the superior firepower of male potency.

DARK: Pussy's much stronger than dick. No doubt about it. Women in my films are the ultimate ruling point. They're dominant over men. We in society make women objects of desire. For being objects of desire, they get certain remuneration. A house. A family. A what-not. But women, these people that we men make objects of desire, are aware of their value, so to speak, to a man. And so women and men can never be the same.

HUSTLER: Do some word associations. Amber Lynn.

DARK: Blond pussy.

HUSTLER: Ginger Lynn.

DARK: Double penetration.

HUSTLER: Christy Canyon.

DARK: Big tits.

HUSTLER: Lois Ayres.

DARK: Sex freak.

MEANS

(continued from page 80)

He imagined scooping up a greasy fistful of petroleum jelly and smearing it roughly across her tits and between her legs, under her arms and between her toes.

"Why would I do that?"

She examined her navel for traces of lint. She sat up and faced him, one elbow crooked atop the seat, the fingers of one hand entwined in those of the other. Long, purple nails capped the digits. "What's on your mind?"

"I'm just looking for a little company," said Rawley. "Nice night, ain't it? I'll pay you whatever you want. Within reason."

"You just wanna talk," she reiterated, as if condescending to a crazy person. Two purple nails pinched a strand of hair from her lips.

He nodded. It did cross his mind that with a jumbo jar of Vaseline and a bottle of J.D. he could have a lot of fun with her. He had the money. He could afford it, though the cost would be extra, considering the amount of Vaseline he'd want to use.

Rita Mae couldn't stand the stuff, even though he'd bought a special set of rubber sheets. Only once had she *really* let him have a good time.

"What's your real name?" Rawley asked. "My name's Bill."

"That's my name too," she replied.

"Call me Billie."

"Think you can spare one of those?"

He pointed at the Kools.

"Why don't you buy me a pack, like a gentleman?"

They turned into a 7-Eleven.

"It's cheaper to buy the three-pack," she told him. "And would you get me some grape gum and soda? And aspirin."

He rushed back. She popped the cigarettes and gum into her purse and cracked open the soda.

"You gonna give me a cigarette now?" he asked good naturedly.

She handed him the smoke she'd half finished. Greasy crimson lipstick stained the end.

"How long we gonna drive for?" She leaned toward him, smiling. "Aren'tcha gonna give me some money?"

There are so many other things to talk about, he thought with some regret.

"I thought \$40 for the ride," he said.

"Sixty," she answered. "Eighty if it goes past an hour."

He cursed himself for not having picked up a jar of Vaseline at the store.

He kept his eye peeled for another convenience shop along the way. She tucked the bills into her bodice. *She should at least take it off,* he thought.

"How long have you had this old thing?" she giggled, slapping at the dash.

"Take off your top," he said.

"You didn't want to just drive. I knew you didn't."

"You don't know a damn thing. Stop popping that goddamned gum."

The conversation wasn't going exactly as he'd imagined. But the night was still fine. There was plenty of opportunity. Her nipples popped out of the curls of her hair like the bills of two quacking ducks. The sight of them had a civilizing effect on Rawley.

"How long have you lived in L.A., Billie?" he asked. "How long have you lived here in town?"

She looked out the window, away from him.

"About as long as you've had this car, looks like. Sounds terrible. One step away from the scrap heap."

She knew body work. He couldn't argue with that.

"I know where you can get a steal," she murmured. "If you want a great car for as much as free, that is."

He felt a good deal better. Here at last was friendly conversation.

"What kind of car is it?" he asked. He imagined scooping up a greasy fistful of petroleum jelly and smearing it roughly across her tits and between her legs, under her arms and between her toes.

"I don't know," she replied, as if the thought had never occurred to her. "What is that noise I keep hearing coming out of your engine, baby?"

He listened hard, and quickly. "What noise?"

"You mean it always sounds like that?" She snapped open a compact and began to apply a fresh coat.

"Sounds like what?"

She blotted her lips on the grocery bag and turned to face him, freshly done.

"So, Bill," she smiled graciously. "Where do you want to drive to?"

She drew the bluish-black curls away from one pale tit. The nipple seemed to jump a mile in the flash of a street light.

"How far are you planning on going?" she trilled.

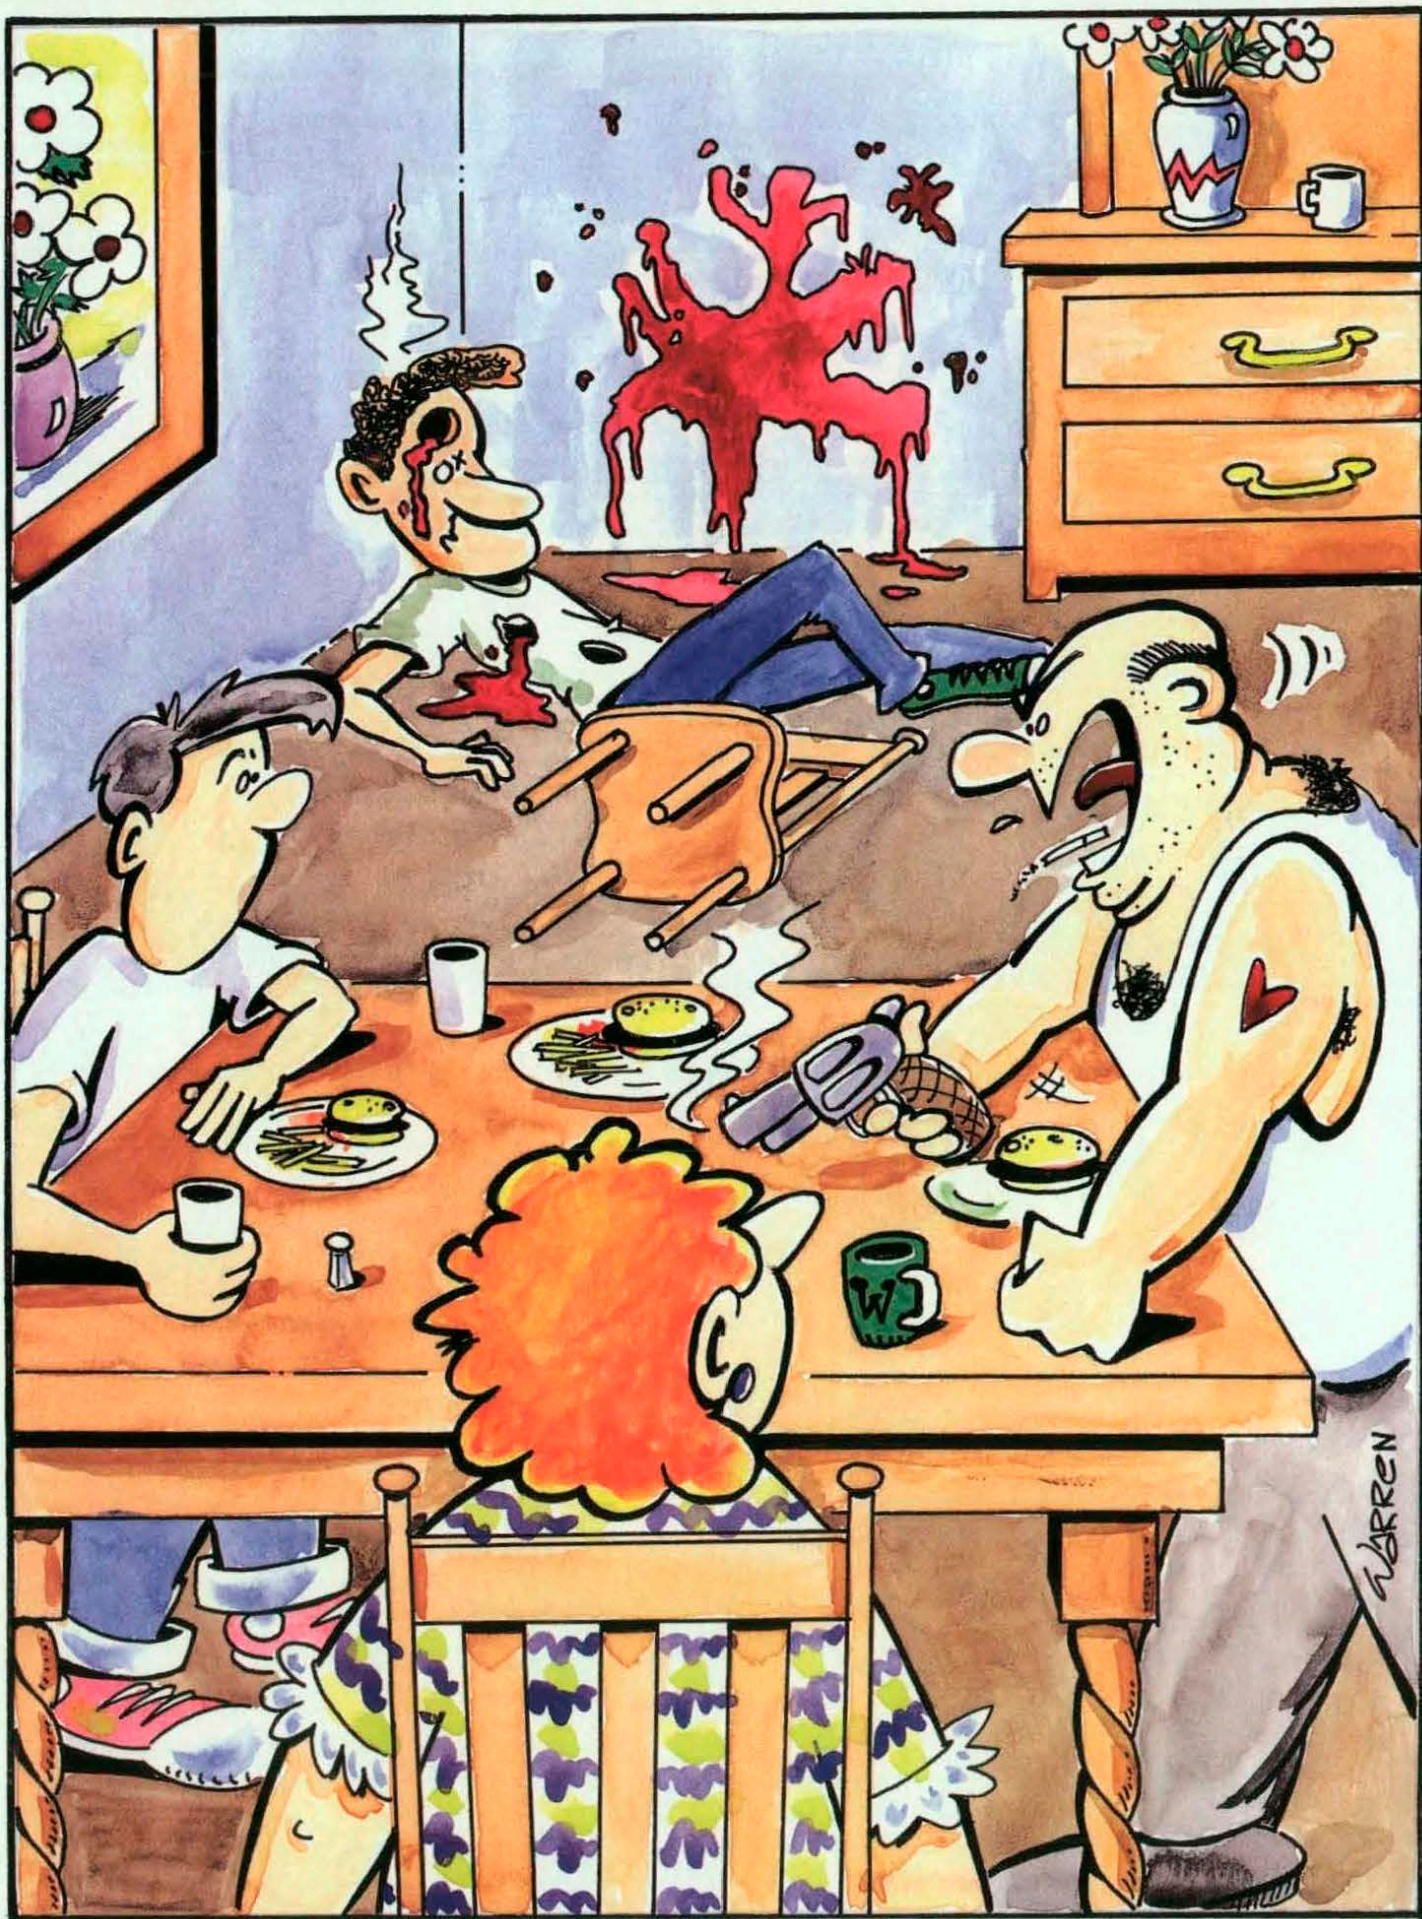

He had a mental image of his destination: his entire foot up her ass, after she'd been slicked enough to let anything in. His own ass greased as well. Perhaps *her* foot up *his* ass. Or her head! The night was young....

"Why don't we just see where the road takes us?" he replied.

(continued from page 110)

He'd stick his slick dick between her lubed tits, asking very sweetly that she jam the smeared flesh orbs together from both sides.

"It's a shame that a person who likes to drive as much as you do should be stuck with an engine like this," she observed.

"Say," he remarked, surprised that the conversation had become engrossing. "How much do you know about cars?"

She shrugged, absentmindedly stretching her nipple with her thumb and forefinger. "Nothing much, I guess. My daddy was a mechanic, is all. He owned his own auto shop. Of course, he wouldn't fix every engine that came in. He only fixed engines of people he liked. The rest he worked on just enough to keep 'em together. Not to make 'em run real well. Just enough to keep 'em together."

"And this engine," continued Rawley. "How does it sound to you? Running real well or just kept together?"

She listened for a moment. They both did.

"Baby," she answered after a while, "I'd be looking."

The man's name was Luther. He seemed capable enough. The car, however, was no make or model Rawley had ever seen before. "Can't hurt to look," he'd told himself, but it did.

"I ain't looking to sell," said Luther, which was a good thing to hear, because Rawley wasn't looking to buy.

"Turn it over," he asked, for curiosity's sake.

The engine sounded like something a Hindu in India might hear shortly before a herd of angry elephants flattened his shack.

"How much will you take for it?" Rawley asked, thunderstruck.

"I ain't looking to sell," said Luther again, pretty sternly this time.

Billie leaned over the hood, painting her nails. She stretched out her fingers and blew.

"Betcha he'd trade," she said sweetly.

Twenty minutes later, Rawley was again pulling onto Sunset Boulevard, but the ride wasn't nearly as familiar. Very much like the Hindu about to be crushed by elephants, every person within range sensed impending destruction, so clearly did his engine make itself understood.

At first, the wanton recklessness of trading his dependable Chevy for a mystery chassis had brought Rawley a feeling from the glory days of his youth. However, the glow quickly faded.

"I suppose this could be considered a

test drive," he mentioned lightly.

"Baby, you traded," said Billie, keeping her boobs under wraps.

Rawley suddenly felt very angry with himself and with Billie. Damn it, he was getting that Vaseline! He still had \$685 in his pocket. Rita Mae was gone until the next night. Why, he'd say his Chevy'd been stolen. That's right! But Billie would pay for her treachery. She'd get paid, of course, but she'd pay just the same.

Rawley popped out of the Shop-Quik; a jumbo tub of petroleum jelly weighed like a brick of solid gold at the bottom of his bag. Billie was still in the car. Perhaps he'd misjudged her. Maybe she was on the level after all.

"Where are we going now?" she asked wearily, her finger jabbing the same five buttons on the radio dial.

"Looks like you're bored." He gleefully imagined her surprise when he would pull out the checkered plastic tablecloth and cover the bed with it.

"What's to be bored about?" She checked her watch and popped her gum.

"I'm taking a load off, is all."

Rawley'd passed the Palm Motel countless times on prior solo ramblings. It was a squalid grouping of unkempt bungalows in East Hollywood. He pictured minute details of the room he'd rent—curious stains on the ceiling, stray bullet casings under the bed.

"I'm not doing nothing crazy!" poor, dumb Billie would protest, fright in her eyes, as he stretched the checkered plastic over the mattress; the tablecloth could be construed as the wrapping he'd use after slitting her throat.

But he'd bring out the Vaseline. By the tender way he would hold the smooth-edged container in his hands, she'd know there was nothing to worry about. Everything from that moment would come easy. Very easy.

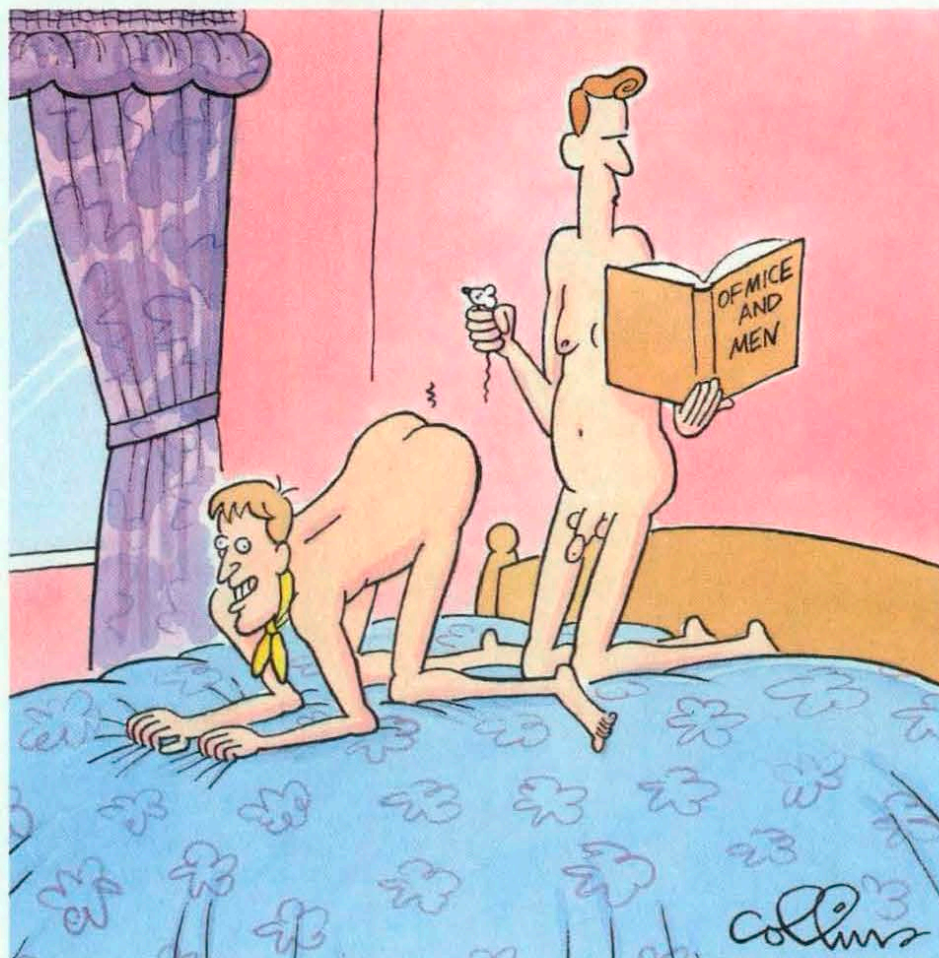

She'd land on the bed like a slab of prime rib on a platter.

"Take it off," he'd say. She'd remove her elastic top.

"All of it," he'd command. With a huff of frustration, she'd comply.

Then would come the sublime ritual preparation. How smooth the surface of opalescent petroleum jelly would be, how glassy, like hot wax in the brim of a church candle. How smoothly his beefy fingers would dip into the precious, cool muck.

"I don't ever do anal," she would

announce firmly to him.

Her eyes would pop when he glopped his fistful of Vaseline full into the firm, flat space between her tits, smearing it from under her pendulous knockers to the hollow pits of her arms. Moments later, his naked body and hers would sparkle head to toe with slime.

He'd slither his arms and legs into every nook and cranny. His probing, unstoppable fingers would enter her bunghole one by one until her sphincter rings clamped tightly around his wrist like a gamy corsage. Meanwhile, he'd stick his slick dick between her lubed tits, asking very sweetly that she jam the smeared flesh orbs together from both sides, allowing him a hot, wrapped ride.

Snapping back to the reality of the car ride toward this heaven, Rawley noted with alarm a fierce banging noise coming from the engine. They were a good three miles away from the motel.

* * *

"Drive shaft."

The road mechanic said it all in two words. Rawley stood beside the smoking hulk.

Shortly after pulling over to the side of the road, Billie had popped out of the car. She'd hitched another ride in two seconds flat.

"How much will it cost?" Rawley asked. He still had \$675 and change.

"Cost?" The mechanic cracked a rueful grin. "Put it behind you and try to forget."

* * *

Rita Mae didn't so much as glance at the checkered tablecloth lying on the bed when she returned home Sunday night.

"Where's the Chevy?" she asked.

Rawley told her it'd been stolen.

"Did you tell the police?"

"Yes," he lied. "Come here."

She rolled her eyes at the sight of the Vaseline jar.

"No way," she snorted.

"Come here," he repeated.

Her eyes bugged. Six \$100 bills lay in one hand, the Vaseline in the other.

"Take one," he told her with a look that meant business, "and you get the other."

"Too bad about the Chevy," said Rita Mae, her naked toe taking a tentative dip into the tub of clear grease. The \$600 lay tucked inside her purse. "I just had the engine fixed."

DARKER

(continued from page 108)

HUSTLER: Traci Lords.

DARK: I don't know Traci Lords. Never met her.

HUSTLER: Do you like smells?

DARK: I like smells a lot. I like smelling pussy. Pussy smells great to me. I don't like pussies to be a neutral odor.

HUSTLER: Can you smell a girl's pussy when she's fully dressed?

DARK: I try to all the time. I'm always sniffing. Every time a girl gets up and walks past me, I know there's a little air coming my way because of the turn of her body. I'm always trying to sniff her pussy, just like a dog. I flare my nostrils and breathe in, see if I can sniff her pussy. It's a funny thing. I've become conscious of this because some girl asked me, "What's wrong with you?"

* * *

The time has come to film the movie's final atrocity, a gang-bang of Tiffany Million by a gaggle of quacking duck men.

"I'm too old to do this shit," says Greg.

"How old are you?"

Only the night is older.

"Quack," orders Dark.

The four stunt cocks in duck costume send up the call of the rutting mallard. "Keep dusting though."

Obediently, the duck men flick their

feather dusters across Tiffany's body.

"Dust your wienies too."

Greg's looking younger. He has one foot firmly planted in a pile of absurdity; the other foot is grounded in depravity. The duck men take turns plugging into Million's face and snatch. Crystal Wilder tosses pussy in the background. Her husband is dispatched from the Million gaggle to go over and fuck Crystal in the ass. The three duck dicks, following orders, skim goonch across Tiffany's skin, but their orgasms are only the pre-climax.

To polish the orgy off, statuesque shaved-quin Cody O'Connor enters in a French maid costume and obligingly licks every droplet of cum from Million's torso, neck and face. Cody also lip-shines the tips of the studs' pricks.

"Now go to Crystal," instructs Greg.

O'Connor slinks to the bed where Wilder is holding Thomas's crank in her keister. Cody traces her tongue down Wilder's taut length, swabbing at the blonde's pubes. Thomas pulls his prick from his wife's shitter and putz spritzes O'Connor's face.

"Lick," begs Greg. "Lick."

Cody takes the anal invader into her mouth. There is a sense that history has been made.

"Well, that was easy," summarizes O'Connor, sipping a cup of water as she walks from the set and licks her lips.

"Greg," offers duck man Marc Wallice, "you need help."

"Didja ever have one of those days when you just said, 'Aw, fuck it!'"

REAL GIRLS TELL THE REAL STORY

Alesse Seward, Wind River Indian Reservation. "You'll really have a chance to meet adventurous women like me on the Partners Party Line because they advertise FREE service to women"

Rhonda Bloch, Wheeling WV. "I'm not a fancy party line model, but then, those stuck up models ain't going to fuck you. Me and my friends are just regular girls looking for a good time with a guy like you."

Margarita Izzarita, New York City. "What's great about Partners Party Line is they got live, friendly operators, sweetheart facilitators and none of that electronic bullshit like those fake bulletin boards."

Cecily W., Las Vegas.

"Yeah, I'm a street girl by night but I find my real lovers on the party line. They're open 24 hours a day - (and so am I, sweet thing)."

You Can

ENLARGE, THICKEN & HARDEN YOUR PENIS TO IT'S MAXIMUM!

HAVE ERECT MEASUREMENTS OF 9, 10, EVEN 12 FULL INCHES!

Let Scott Taylor "King of Penis Enlargement" show you how!

Is the size of your penis bringing you down? Sure, the medical authorities say that size doesn't count, but as long as women have a need to be filled, they will demand the full measure of devotion. And no amount of psychological reassurance will fill the gap between expectation and reality.

Now, with a simple device you can follow in the footsteps of Super Porn Stars, Scott Taylor, Jeff Stryker and the hundreds of thousands of men who have proven that there is a way to **INCREASE PENIS SIZE and THICKNESS!** The device is called the **SUPRA-12 VACUUM ENLARGE**. A safe and proven natural way to add inches to penis length and thickness. With the SUPRA-12, you will see yourself grow to dimensions you never thought possible.

HOW CAN THE SUPRA-12 VACUUM ENLARGER INCREASE PENIS LENGTH & THICKNESS?

Your erection is caused by blood flowing into hollow caverns inside your penis. The caverns fill with blood and your penis grows in size and thickness and becomes stiffer and stiffer until the caverns are filled with all the blood they can hold. BUT, IF YOU INCREASE THE CAPACITY OF THE CAVERNS BY MAKING THEM BIGGER, THEY HOLD MORE BLOOD and you have a correspondingly longer, thicker penis. You'll see the astonishing results the first time you use your SUPRA-12. Your penis will grow inside the clear, picture window sleeve. Immediately you'll see just how really BIG... how really FAT... how LONG... how HARD and STIFF your own penis can get! And after regular sessions with the SUPRA-12 you'll probably find as do most men that these size gains don't go away! They become a part of you to thrill and excite her!

SUPRA-12, THE "ROLLS ROYCE" OF VACUUM ENLARGERS.

These sophisticated instruments are by far the state of the art in penis enhancing machinery. The **HEAVY DUTY MANUAL** model is a finely crafted precision instrument designed to create the vacuum needed to make the male organ LONG and THICKER. And for the connoisseur, the powerful **ULTRA DELUXE ELECTRIC** model (U.L. approved) is equipped to give you continuous even sucking power until you shut it off! The **ULTRA DELUXE ELECTRIC** is perfectly safe and as quiet as a whisper.

Accept no substitutes if you are truly serious about penis enlargement - join the more than half a million men who have proved that the SUPRA-12 will do the job for you!

***24.95 HOW-TO-VIDEO with every PUMP ORDERED!**

SCOTT TAYLOR TAKES YOU STEP-BY-STEP AND SHOWS YOU HOW TO ENLARGE YOUR PENIS! He'll show you what phenomenal increases he has made in both the length and diameter of his penis with careful experimentation. Finally, he has hit upon the most efficient enlargement method to date! This video tape is a full color, detailed, step-by-step explanation by Scott of what you need to know to increase your own genital size.

PENIS ENLARGEMENT

SUCCESSFUL RESULTS for 20 years with more than 3 million men!!

SEE
SPECIAL
OFFER
BELOW

INCREASES UP TO 3 INCHES!
 ERECT MEASUREMENTS UP TO 12
 INCHES OR YOUR MAXIMUM
 POTENTIAL!

To reach your maximum potential you must have the **BEST**
 Pump... the **BEST** Instructional Video or magazine... and
 one more bonus: **THE BEST PRICE!**

WHAT IS THE BEST PUMP?

First of all, a quality pump constructed of the finest materials tested
and tried and used successfully for over 20 years. Our pump will give
your penis increases in length and diameter you've never dreamed
possible. Up to 10 inches, even 12 inches... or your maximum
potential. And you'll see this dramatic increase in size grow right
before your very eyes through the clear view housing!

**OUR PUMP IS THE SAME TYPE OF PUMP PRESCRIBED BY
 DOCTORS THAT SELL UPWARDS OF \$500 TO HELP MEN
 PRODUCE AN INSTANT, DYNAMIC, ROCK-HARD,
 THROBBING ERECTION!**

THE BEST STEP-BY-STEP INSTRUCTIONAL VIDEO AND MAGAZINE!

Okay... suppose you do have the **BEST** pump money can buy- but now
what do you do with it? Do you know how to use it properly? This is
important! Our **BEST** instructional video tape and magazine shows you,
step-by-step, how to harness the energy of our powerful penis
enlarger- and we do mean **POWERFUL!** Much more than any pump
available at any price! The **BEST** instructional video tape and magazine
are easy to follow and guarantees you will understand how to use our
pump. They were produced for the sole purpose of ensuring your
immediate success with a longer, thicker, harder penis.

**From the moment you begin using our penis enlarger you can expect
 dramatic increases up to 3 inches, and reach your maximum
 potential with a rock-hard, throbbing penis that will allow you to
 penetrate your sex partner deeper than ever before!**

HOW ABOUT THE PRICE?

Let's face it, when you decide to purchase an effective penis enlargement pump to
increase the size of your penis, the most important thing to you is the quality of the
pump itself. So while instruction in its correct use- through a video or magazine- is
important, the cost of the tape is still less than that of the high quality pump that
we're offering. Ask yourself how other companies can charge \$25 or more for their
package... and \$20 of that price is for the tape! Does that mean you're going to trust
your penis to the quality of a \$5 PUMP?! Do yourself a favor, don't take chances. Our
pump is the **BEST** available, and that's why we're almost giving the tape (or
magazine) away to prove it! We want you to enjoy every potential of your sex life...
not ruin it with a \$5 pump. We think you'll agree with us that our system is the only
one you can feel confident with. We wouldn't sell it if it wasn't. Remember, we offer
successful results for 20 years with more than 3 million men!

Used by men of any age, any height or weight-
for a longer, thicker, harder penis.

CAUTION: We do not
offer an electric model.
Electricity with liquid,
gels or perspiration
should not be used
together. You need
superior stroking action
to increase penis size,
not an ordinary
vibrating massage unit.

August HUSTLER on sale June 8, 1993

SUMMER STACKED

HUSTLER in August sweetens the honeypot with five lap-smacking confections of summertime pink. Savor the butter-soft filet of sole offered by a golden-arched shoe-shopper looking to get pumped; bite into the light- and dark-tanned buns of two hot-boating jet-wetters cruising a white-water roostertail; sample the spicy snap of a peep-show performer's eye-humping thigh candy; dig into the smoothly tart ass of a rich, raw divorcée under glass; and taste private ambrosia from the bronze-basted breasts of a fully-spread, berry-nippled cream-machine. HUSTLER in August has got flavor to burn. It's ready for icing.

NAZI MAKEOVER

Holocaust revisionism is the term used to describe Nazi sympathizers who dispute the historical accuracy of the widely held accounts of the horrors inflicted upon European Jews by the Third Reich during World War II. Holocaust Revisionists believe Hitler's Final Solution—the extermination of the Jews—was more fairy tale than fact. British historian David Irving, a leader of the movement, seeks to absolve Hitler of genocide charges and rewrite the record of the past. His charge? Lack of evidence and lazy scholarship. In *Changing Nazi History*, writer Jim Redden takes a hard look at Irving and the movement that claims the notorious gas chambers of Auschwitz were built *after* the war.

WELCOME TO HELL

According to the FBI's Criminal Investigation Unit, someone is shot to death in the United States every 90 minutes. Los Angeles boasted 1,035 gun-related homicides in 1992; Chicago, 930. Neither claims the title of Murder Capital of America, as determined by number of violent deaths per capita. Thanks to a glut of blackmarket munitions, the urban sprawl is not only plagued by drugs, poverty and disease: it's armed. Fringe-group profiler Eugene Robinson takes a tour of the ten most deadly cities in America in *Pit Stops*, a blood-soaked road map of where not to take the kiddies this summer—unless they carry pieces and can reload on the run.

HEAT SPELLS

What goes down must come up, according to the laws of cause and effect. In feminine binge-and-purge parlance, what is scarfed is barfed. Not every man finds dick bait in puke-addicts, but sex-offensive-defender Alex Marvel scoops the sex appeal of bulimic booty in "Boning Barfers," HUSTLER's *Sex Play* for August; *Hot Letters* prints the nasty notes dick delivers; *Beaver Hunt* pokes a camera at the labes of nabe babes; and *Bits & Pieces* discovers people are hotter, wetter and shittier in summer than at any other time of year. HUSTLER in August bakes with one goal in hand: well done. Bring an appetite.
