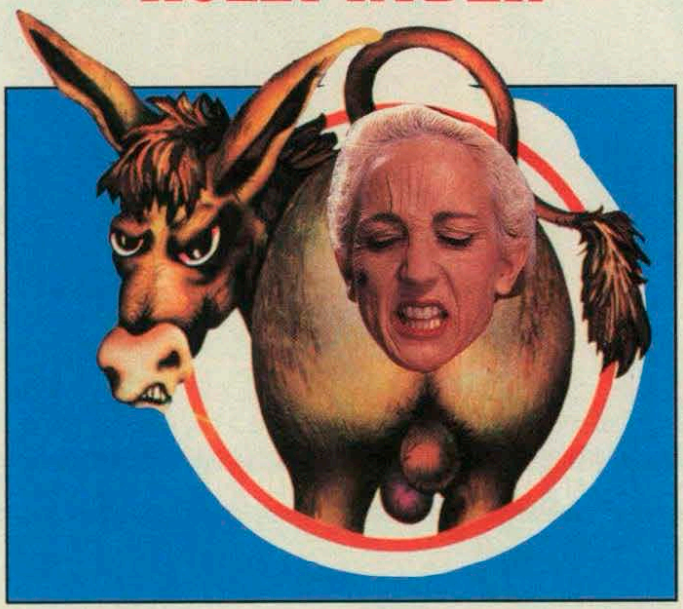
BITS and PIECES

ASSHOLE OF THE MONTH

HOLLY RYDER



It can slap on a sugar coating, electroplate itself with righteousness and act as though it has become a halo. Sooner or later, however, shit will out, and the turd chute will be known for what the turd chute does: shoot the crap. Holly Ryder, former scag-level porn hole and current censorship activist, is prone to just such fecal identification, and is also HUSTLER's Holiday Issue 1993 Asshole of the Month.

Holly Ryder, who now aspires to be known by TV, radio and newspapers as Lisa Marie Abato, is best remembered for her clitoris. Jutting out like a swollen hemorrhoid, Lisa Marie's clit is the size of six green peas. Put another way, Ryder's snatch gristle has been approximated to be 600 percent bigger than her brain.

Although her grotesque cunt nub appeared in only a fraction of the more than 200 XXX flicks Holly made over a three-year wad-sop career, it was the main reason she was given a chance to be a video slut. Ryder never got a porn job based upon good looks, acting ability or an inner quality of integrity.

Ryder was a scuzz-rate slop twat who resorted to fucking an old man, anal atrocities and B&D humiliations in order to stick her needy shrew face into the public eye.

Since golden showers, brown baths and canine-to-human trains are illegal in this country, slime watchers had wondered how Lisa Marie Ryder could possibly go any scummier than she'd already gone. Easy, for a girl with Holly's aptitude for public self-degradation: She simply climbed up on a soapbox and presented herself as a wounded shill for censorship.

In a desperate plea for attention, Ryder claims to have been a victim of "low self-esteem" and "an abusive background" who was "lured" into a sexual netherworld "through promises of fame and money" and by the wiles of "this older, older man." The old guy "promised to protect me. Throughout the time I was in it, I didn't want to be in it. My choice in life was never to become a porno actress."

Holly's selective memory conflicts with her earlier accounts of breaking into blue-screen fucking. In July 1993, she told HUSTLER EROTIC VIDEO GUIDE: "I met a guy [not the old, old man] who was running the girls' fan clubs, and I said, 'I've always wanted to do this.' I got really turned on by having the crew and everybody watching. I love being watched. It was great. I thought, *I have entered the world of porn!*"

Also at odds with Ryder's vision of exploitation are boasts that she augmented her income "doing private S&M sessions. I plan to do private sessions for as long as I can. You can be a mistress when you're 90." This career option is conspicuously under-discussed today.

Ryder's current assertions conflict so often with statements and actions from her past that she should consider seeking treatment for split-personality disorder. On a talk-radio show, the censorship crusader bitched that, "I got ripped off...I didn't see the money." A few breaths later, she insists: "No, you said we get ripped off. I didn't say that."

One of the show's phone-ins (all of whom decried Ryder's motion to amend the California Constitution to ban adult films) opined, "I don't think they have any right to tell me what I can and cannot see." Ryder's response: "I'm not saying what you can see or not see." All Holly is saying is that, if she has her way, there will be no triple-X material available for viewing in California.

Ryder's pretzel logic hinges on her claim that "runaways are the prime people that are lured into the industry." Fact: XXX performers must be at least 18 years old. A person who has turned 18 is an adult who has left home.

Lisa Marie Abato on leaving porn: "I was told that I can't do anything else. I finally said, 'Yes, I can. I want out. No more.' "

Holly Ryder's version of her exit: "Fear of sexually transmitted diseases. I'd like to go back to doing the films; but if I go back, I'm going to be doing DPs and gang-bangs and stuff...it sounds like fun."

Reconcile such notions of fun with the woman who coughs up: "It's taken quite a bit for me to come out and say that I did those films. It's very embarrassing to me."

Someday, perhaps, her current grandstanding will be another embarrassment, but no matter how often she changes her mind in the future, Holly Ryder Abato is an Asshole forever.

Fart in the Wind

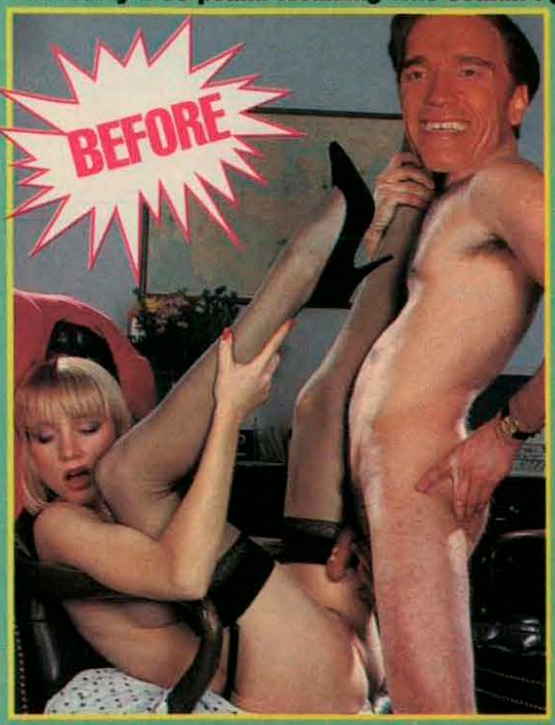
Ken Lakeberg: The story of Ken Lakeberg's brave little family, especially Siamese twins Amy and Angela, captured the hearts and pocketbooks of prime-time America. The nation shared the Lakebergs' sorrow as the life of Amy was sacrificed in an attempt to save Angela, and we experienced a common revulsion as daddy Ken was revealed to have squandered $8,000 donated toward the twins' funeral and medical expenses, including $1,300 blown on a three-day cocaine binge prior to the surgery.

"I lost control of myself," he mewled. "We ate at nice places. We traveled good. I mean, I think we deserve at least that much." To ensure that he received his due from the tragedy of his children, Ken demanded cash "under the table" from reporters before granting interviews.

"Hey, I'm not a perfect person," he whined, "I'm an American." As American as Asshole pie.

A dick doesn't have to be smaller than one's brain. Just ask Arnold.

Formerly a 90-pound weakling who couldn't get it up for gash, now Arnold's hung like a horse! You can be too!



Stop horsin' around with a pinkie dinky. Enlarge both schween and snout with Arnold's Hot Air Penis Pump. Each blast from the Austrian airhead's Hot Air Pump™ shoots a secret steroid gas into the cock, pumping you up to your full potential!

You don't have to be black to be a stallion...anymore.

Caution: Use of this product may lure jockeys to sit on the user's back while cracking a whip.
Ad parody. Not to be taken seriously. That Schwarzenegger has taken steroids and now resembles a horse is strictly a conjecture. Stomp twice for *true*, Ahnold, once for *false*.

Porn From the Past

A look at recent events through the eye of the Beaver.

Roseanne Stretches Her Credibility

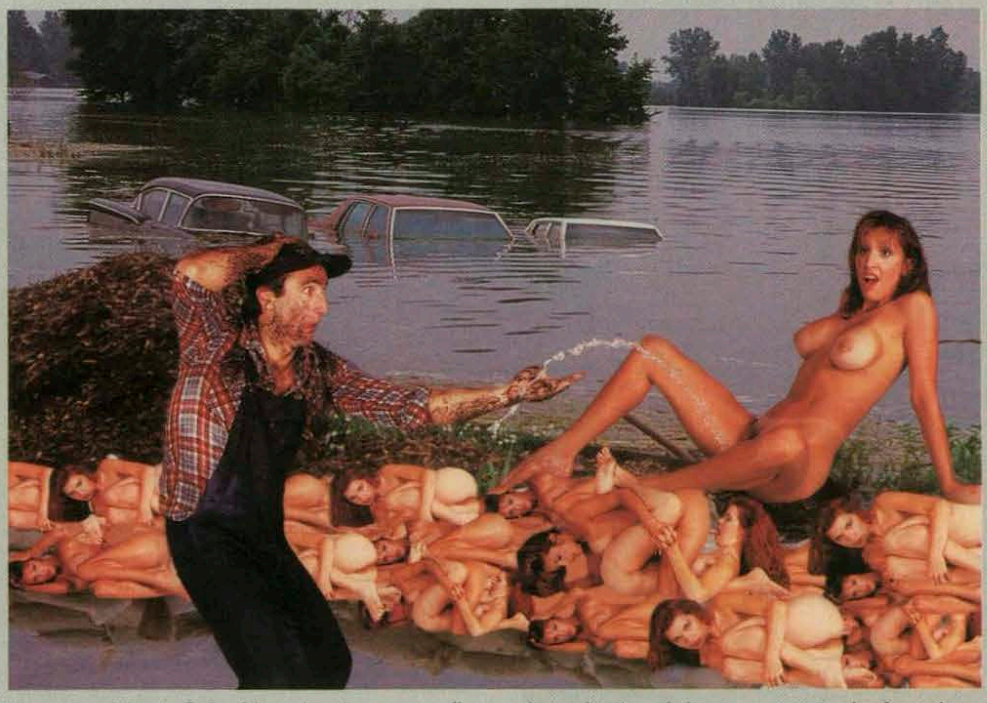
■ **Hollywood:** To match her sagging popularity, Roseanne Arnold underwent facelift surgery to strip cellulite from her portly *punim*, as reported in the July 30, 1993, edition of *Entertainment Weekly*. What that publication failed to mention, however, were the tragic aftermaths of the TV celebrity's vanity surgery.

Photo by George White Location Photography.

The backhoe, only minutes after lifting Arnold's fat face. The driver suffered minor injuries.

Arnold's fat ass was dangerously stretched, creating a new, aggravated fault line in Southern California.

Parody. Not to be taken seriously. Neither of these butts belongs to Roseanne Arnold, nor was any kind of heavy machinery necessary to lift her face. Two ball peen hammers and an acetylene torch were enough.



Iowa resident Orin Hooch shoves a finger in a leaky dyke, moments before her labia break.

Flood-Control Dykes Plug It Up

■ **America's Heartland:** HUSTLER Magazine, a publication recognized for its love of country, has donated 1,000 flood-control dykes to the 10 million acres flooded by the relentless rains and Mississippi River overflow. The flood has caused an estimated $8 billion in damage and, more importantly, left many future *Beaver Hunt* contestants without homes and Polaroid cameras.

things he can live without, but why should he?

Satisfy any nymphomaniac with the push of a button. The Black and Pecker Power Drill gives him the power to penetrate his girl long after his dong has come and gone. Multiple attachments open her up to new sexual adventures; so relax and leave the driving to us, $175.

Cleanliness really is next to godliness with the Pope on a Rope bath-and-beauty bar. Wash away more than her sins for under $10, or purchase the gift set that includes rosary bath beads, crucifix loofah, holy douche water and cardinal's hat diaphragm, $40.

Parody. Not to be taken seriously. Pope head pasted onto our bar of soap. Shalom.

Sick of slits with jagged sun lines? Tired of tits whose glare does blind? Don't get mad; get even—evenly tanned, that is. The Puss 'n' Booty bathing suit shields her skin from the sun, tanning only those areas that sadly see no light of day, $59.

Finally, stimulating television! Seenith's Unclothed-Captioned converter box turns the dullest show into a nude fiesta with one touch of the Insta-Strip remote button. Get Vanna and the cast of *90210* nude instantly, $650. (Roseanne Arnold lock-block available.)

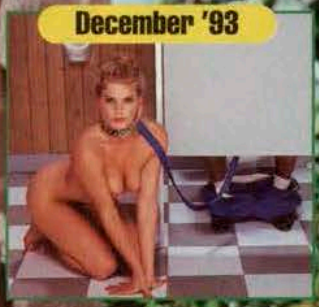
Ideal for home, office or bathroom, the HUSTLER virtual-reality system guarantees no floppies, measures a portable 11 by eight inches and places the user inside a gaggle of gorgeous girls. Let the imagination flow, only $5.95, or $39.95 for 12 direct-mailed experiences.

Where & How to Buy in the Next Issue of HUSTLER

Parody. Not to be taken seriously. Celebrity heads pasted onto our models' bodies.
The only gift worth giving to a friend is a year's subscription to HUSTLER. Everything else is shit.

In the past year, HUSTLER's *Bits & Pieces* section has featured women in canine positions on so many occasions that we're starting to wonder...

What the Fuck Is Wrong With Us?



Now we depict a woman with her sensitive snout sniffing as if she were a dog instinctively drawn to a piddle puddle. What are we saying about women? About ourselves? About the world in which we live? Fuck, we don't know. We sit up and beg for reader analysis.

Tell us why we do the things we do in 69 words or less and, while you're at it, suggest further pointless, degrading photos we should never feature in the pages of HUSTLER. That way, at least we can blame these ideas on someone else.

Send analysis/suggestions to: What the Fuck Is Wrong With Us? contest c/o HUSTLER Magazine, 9171 Wilshire Boulevard, Suite 300, Beverly Hills, CA 90210. The most insightful entry will receive a HUSTLER calendar and the horror of seeing their twisted vision come to life. Put those thinking collars on, and good luck!

Up Down Under

I live in Auckland, New Zealand. HUSTLER is a real challenge to find—it isn't allowed to be sold here. Occasionally I'll find a copy or two, if I'm lucky, but it sells at $20 a copy (New Zealand rate). I have HUSTLER's July 1991 issue, and I have to say, Rachel Ryan is a very fine fox (*Rachel, Lisa and Anna: Hot Shot*, July '91). All that surgery has really paid off. As for Tiffany Towers (*Tiffany Towers: Top It Off*, July '91), that close-up of her incredible, edible fuckhole—and her cunt!—wasn't bad either. I was in the States in 1985 when I first discovered HUSTLER. I brought back five copies, but Her Majesty's customs officers seized them. When I enquired why, they asked me if I knew that HUSTLER Magazine was "indecent material." I said, "Hell, yes! That's why I bought it!"

All the best to you, HUSTLER. You're the only adult magazine I'm proud to own!—P. S.

Auckland, New Zealand

Better Read

I'm writing about the letter titled "Good Read" in *Feedback* ("Good Read," *Feedback*, October '93). Writer J. M. from Providence, Rhode Island, has a problem. He just recently saw a HUSTLER. He found it an offensive mag. He felt that the photographs were an insult to one's intelligence, and that HUSTLER was putting women down. In his opinion, pictures of women wearing lingerie would be sexier than women showing pink.

Now, this punk says he's 23 and likes women. But he finds HUSTLER offensive and ugly! *Feedback*, this punk has a problem. He's reading the wrong mag! The right mag for J. M. would be *Playgirl*. That's more his speed. He should come to Alabama. Come into Holman prison wearing some of the lingerie he likes so much. He'd discover pretty damn quick how sexy it is! I stand behind "Down on the Downside," from the con in Missouri ("Down on the Downside," *Feedback*, October '93). We need more men on the inside to speak up about the problems of prison life. Take it easy or any way you can. I must go. They're fixing to feed the zoo. —L. C.

Atmore, Alabama

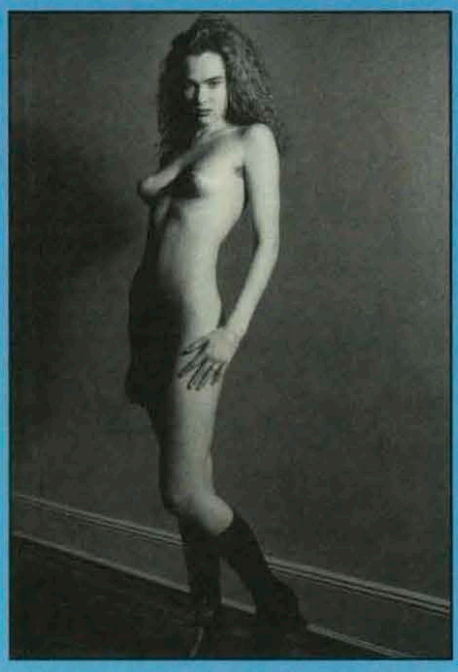
I'm writing in reference to J. M.'s letter in *Feedback* ("Good Read," *Feedback*, October '93). J. M., I think you bitch just like a woman. Are you one? HUSTLER should put a warning label on each issue that says: "Warning! Material of an adult nature. This literature is not intended for sissy, bitchy mammy boys with virgin eyes and small peepees, and under no circumstances are they to view it, possess it or write nerdy letters about it." Enough said. —T. N. T.

Unionville, Missouri

Eyes Closed

I'm responding to the *Feedback* letter written by R. N. in the October 1993 HUSTLER ("Eye Contact," *Feedback*, October '93). R. N. believes HUSTLER can improve its photo spreads by having models keep their eyes open and stare directly into the camera lens. Please don't listen to that idiot, HUSTLER! One of the many reasons that HUSTLER Magazine blows away all the competition is the nasty poses of the women—with their eyes closed or rolling back in their heads as they masturbate! It's so hot! If R. N. from Detroit wants to see models staring into the camera grinning, he should be reading *Leg Show* or *Swank*! —M. C.

Buffalo, New York



Shadows and Flesh

Curl Talk

This is the first time I've ever written to HUSTLER Magazine. After seeing the August 1993 issue, I felt I had to. I am a heterosexual female, but I enjoy looking at naked women. I have never been with a woman, but HUSTLER's models are fantastic! I love all HUSTLER's pictorials with close-up pussy shots. However, I have a slight complaint. Most of the girls are shaved! Where are the girls with the dark, hairy pussies? There is nothing sexier than a girl with big tits and her legs spread exposing dark, thick pussy curls. Also, I would like to see more panties on, but pulled up tight in their twats so that the cunt lips split, and I can see the outline of the clits through the nylon. Then, after that, another pic of the panties (still over the cunt), but with a wet spot on it, because it just came out of a dripping pussy. Also, get those hands out of the way! If you can, show wet pussies! Have the girls hold their

I love my Bucky T-shirts. I don't have a suit, a tie, a pair of slacks even. I'm strictly a T-shirt and blue jeans kind of guy. I've had the *National Lampoon* Mona Gorilla and Wally-world shirts. Even one from Mt. View Radiator that says "A Great Place to Take a Leak!" But none compares to my *HUSTLER Hills 90210 We Were Here First* T-shirt with Bucky Beaver.

Gag Order

I just bought the September 1993 issue of HUSTLER Magazine. Congratulations on another great issue! I think HUSTLER has the best pictorials in the business. I have a little problem that I hope you can help me with: I have a fetish for women who smoke. I'm still not sure why, but women puffing cigs really turn me on. There is absolutely nothing sexier to me than a beautiful lady enjoying a cigarette. I have been looking around on my local newsstand, but I can never find any magazines that have nude pictorials like that. If HUSTLER has published any back issues that contain such photos, could I please get a list? Also, could you consider doing more layouts that would have women smoking in them? —L. D.

Reno, Nevada

Since its inception, HUSTLER's editorial policy has been vehemently anti-smoking. HUSTLER women smoke, and their butts are hot, but tobacco has nothing to do with it.

Sole Man

My congratulations to HUSTLER's staff and models. I was deeply moved by HUSTLER's August 1993 issue displaying Charity and Todd (*Charity and Todd: Toe Jam*, August '93). Yes, Charity is a beautiful model, but it was her baring her feet that made me cream my pants. I have had a foot fetish for more than ten years, and I immediately scan every HUSTLER photo spread for a foot shot.

After seeing Charity, I have considered getting a job as a shoe salesman. —J. G.

Parkersburg, West Virginia

Leave it to HUSTLER to stimulate the economy! Thanks for helping, J. G.!

One From the Hunt

HUSTLER has to do a photo layout of red-hot, 20-year-old Mindy from Texas (*Beaver Hunt*, October '93)! I wonder if Mindy knows how many guys would love to ride her into the sunset? I'm one of them! —J. M.

Limerick, Pennsylvania

Safe, Not Sorry

I've been HUSTLER's number-one fan for years. Recently I was looking through the October 1993 issue. On page 29 was a parody concerning herpes, which was very funny ("The Gift of Love: Herpes Are Forever," *Ad Parody*, October '93). HUSTLER's *Sex Play* in the same issue happened to deal with AIDS ("Scared Straights: Plugging the Hetero AIDS Risk," *Sex Play*, October '93). Kudos to HUSTLER for its public-service broadsides. I love sex, but let's face it. If you don't play it safe, you could get fucked twice. —G. C.

Kern Ringer

I don't know why I have never written to HUSTLER Magazine before, but I've been reading and enjoying America's Magazine for more than 13 years.

The layout of photos by Richard Kern (*Shadows and Flesh*, October 1993) has got me excited, to say the least! These are some hot photos, and very erotic! HUSTLER has always been very informative on the pornography scene and various issues concerning sex in today's world; so please let me know where I can see more of Mr. Kern's work to purchase or view. HUSTLER—honesty you can count on! —T. P.

BACKDOOR TO THE CITY OF SIN

Three-Quarters Erect. *Directed by Biff Malibu; starring Tiffany Mynx, Mike Horner, Steve Drake, Berlin, Jake Steed, Ophelia, Rocco Siffredi, Persia, Mark Davis, Jonathan Morgan and Christina Dior. Videocassette: Anabolic Video.*

The Anabolic Video logo has come to signify high-scuzz-count filth, and *Backdoor to the City of Sin* continues this fledgling tradition of quality scum. The flood of no-frills semen-spills in *City* includes Mike Horner and Tiffany Mynx turning a stairway into sexual monkey bars as Mynx puts her feet up on the handrails, giving Horner easy access to chew quim at will, stuff sphincters and whizz jizz into the smiling Mynx phiz; blowsy brunette Berlin, foxy in a fleshy way, pumped, plundered and putz-puked on by first Steve Drake and then Jake Steed; Rocco Siffredi's dick picking up sweet, raven-haired Ophelia and carrying her from toilet to shower then showering her with ejaculate; big-tit black chick Persia's butthole releasing a dick that hovers over her mouth and unloads a cum bomb; and the full-lipped face and pop-up nipples of Christina Dior with a cock in her squat. Dizzying camera angles, unfeigned fucking enthusiasm and sex scenes that go on long enough for the chicks to get royally and truly fucked make *Sin* a city to visit. —*Christian Shapiro*

Dior gets a cock in her squat.

Siffredi and Ophelia come clean.

ANAL ATTITUDE

Three-Quarters Erect. *Directed by Jim Enright; starring Debi Diamond, Nicole London, Brittany O'Connell, Nikki Sinn, Peter North, Marc Wallice and Jonathan Morgan. Videocassette: Hollywood Video.*

Even the worst porn movie can float above the murky squalor with a cast of tenacious female fuckers. As a movie, *Anal Attitude* stinks like a beer shit. As a fuck flick—thanks to the vagimatic cunts of Debi Diamond, Nicole London and Brittany O'Connell—this grinder pulverizes the viewer into blissful stroking submission. The video shows little regard for the title's promise, as only O'Connell and guttersnipe Nikki Sinn do the asshole hokeypokey. An anal movie that features the talented sphincters of naughty Nicole London, but never probes them, could almost be sued for false advertising. There is a plot—some *Twilight Zone*-type predicament of humans becoming mannequins after copulating—but *Attitude* is really just a showcase for Diamond's natural enthusiasm for sex. Not content with a hearty fuck atop a barstool, which ends with Marc Wallice's foam splattered across her pussy, Diamond rubs the spew inside her fleshy goober and wipes the leftovers across her chest and thighs. Talk about on-screen sensuality! Let's see Sharon Stone do that. *—Seth Roberts*

Attitude: *The asshole hokeypokey.*

Even Rio's ***Potion*** *can't prevent fast-forward viewing.*

LOVE POTION

Half Erect. *Directed by Jourdan Alexander; starring Ona Zee, Nicole London, Sierra, Alicia Rio, Rebecca Bardoux, Samantha York, T. T. Boy, Ron Jeremy, Cal Jammer and Richie Dogger. Videocassette: Western Visuals.*

Love him or hate him, hirsute Ron Jeremy does bring an enthusiastic spunk to the movies he sheds in. Unlike the Ken-doll Marc Wallice or the tiresome T. T. Boy, Jeremy loves to fuck. Of course, it doesn't hurt that the wily warthog has drawn Nicole London as a partner in this otherwise forgettable turd floater. Never has a woman looked so beautiful with a dick in her cunt and two fingers in her asshole. When Jeremy's trunk finally displaces the digits, he fucks her butt with the force of salmon swimming upstream, eventually laying his eggs along the banks of her half-inch clit. The rest of the movie, which follows Ona Zee as a psychic witch who gives limp clients a magic potion to restore virility, is fast-forward. *—S. R.*

BUTTMAN GOES TO RIO 4

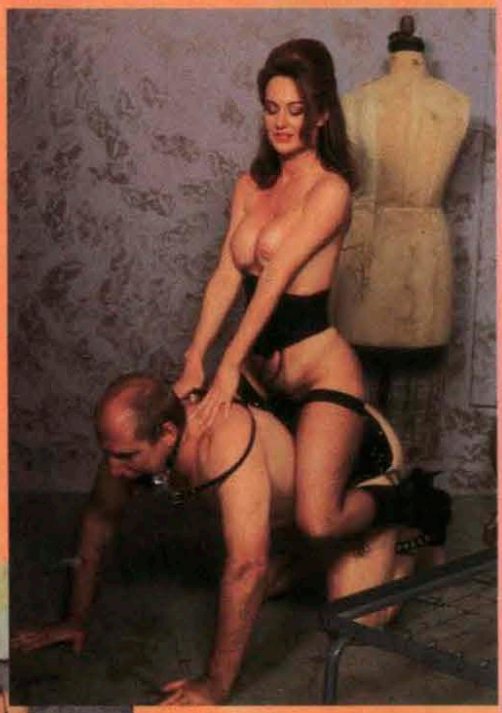
Three-Quarters Erect. *Directed by John Stagliano; starring Luciana, DoDa, Priscilla, Honey, Tianna, Felipe, Rocco Siffredi and Joey Silvera. Videocassette: Evil Angel.*

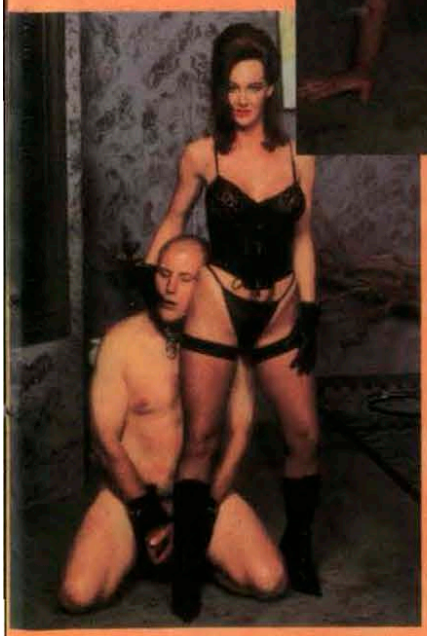
Man-of-the-world John Stagliano has enjoyed his Brazilian vacations so much that he keeps going back, and taking friends such as Joey Silvera and Rocco Siffredi with him. John isn't tired of Rio yet, and no one else has any reason to be bored with the place either, not so long as he keeps bringing back such videographic evidence as *Buttman Goes to Rio 4*. Studly local Felipe stops every step along the schtup to admire the sandy-brown hair, little, natural tits, happy-lipped freckle face and especially the heaven-leavened brown buns and hair crack of sublime Luciana. Felipe treats his tart to rimming, pussy lipping, cock in mouth, cock in cunt, the slow, painstaking squeeze of cock into rectum and gobs of wad dollop on the chest. She's happy; he's happy; everybody's happy. In the wake of this bliss, Tianna has a butt-heavy girl/girl with a South American set of gills, and Joey Silvera and Rocco take their separate and equally compelling carnalities with individual slices of Brazil's most alluring tourist attraction. That may be only four fucks with an elapsed time greater than some six-scene tapes, but as long as Buttman keeps going to Rio, the smart money will go along with him. *—C. S.*

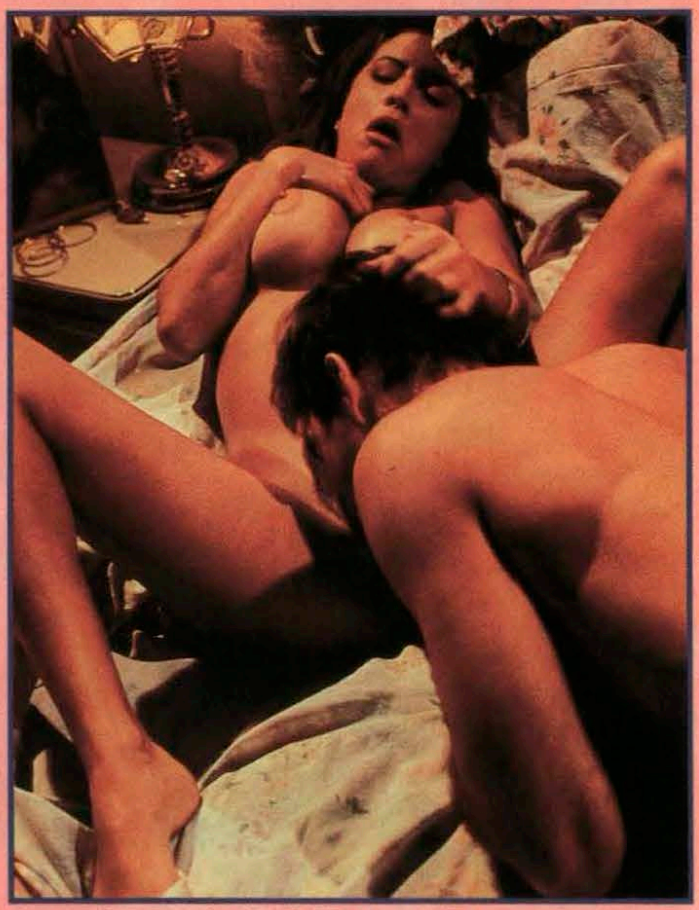
No reason to be bored in ***Rio****.*

Trixy Tyler's Pony Boy

It was supposed to be a behind-the-scenes report on the makings of a Pleasure Productions bondage movie, but Trixy Tyler, gang-bang centerpiece turned snarling dominatrix director, decided that Entertainment Editor Scott Mallory would get a better story in front of the camera. "I've had a lot of men ask me to dominate them, but I've never done it on camera. Today's the day," Tyler declared, and glared at our hapless editor. Says Mallory, "I had no choice." Tyler put our resident pony boy through his paces in *The Torturous Infidel.* Tyler wants to do a bondage video outdoors and is looking for someone she can tie to a redwood tree. Interested? Drop her a line at P.O. Box 7160, Santa Cruz, CA 95061.





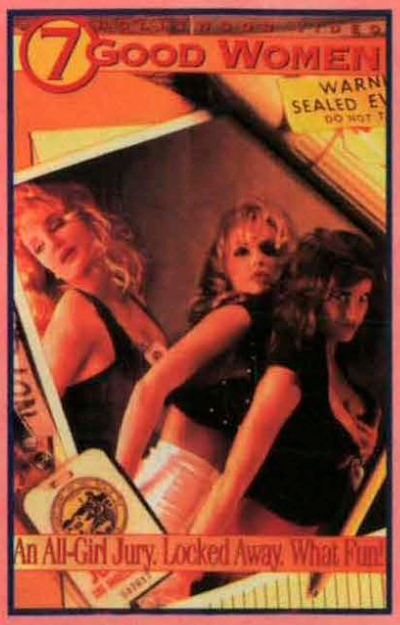


Leena makes balls in ***Buzzz!***

BUZZZ!

Half Erect. *Directed by Wesley Emerson; starring Leena, Chaz Vincent, Ona Zee, Brittany O'Connell, Nicole London, Mike Horner, Shawn Ricks and Nick East. Videocassette: The Odyssey Group.*

Can fear of vibrators drive a man out of an otherwise sexually fulfilling marriage? Can dildo phobia poison his relationship with his mistress, estrange him from the affections of his secretary and land him in a locked-ward nuthouse? If that man is the hebephrenic freak played by Mike Horner in *Buzzz!* then, yes, he's been carted off to the asylum, and he's never getting out, and he'll never again experience the likes of good-butt buddies Chaz Vincent and Leena going for lingering, open-twat kisses; Nicole London—an honors graduate of the Taija Rae school of jaw-clenching, lip-gnashing, orgasmic grimacing—spitting a big loog onto dick then jerking it off into her mouth; Brittany O'Connell finishing off a blowjob with a spritz of jizz on lips and tits; gonad-gobbler Leena's desperate-for-fucking face getting a drilling dose of what it yearns for; and Ona Zee doing reverse bowel movements with a meat log sucked up her ass. *Buzzz!* has some good vibrations. —*C. S.*



Bardoux, Wilde and Rose are **Good** at sex.

7 GOOD WOMEN

One-Quarter Erect. *Directed by Jim Enright; starring Melanie Moore, Rebecca Bardoux, Nicole London, Sierra, Crystal Wilder, Brittany O'Connell and Lacy Rose. Videocassette: Hollywood Video.*

True to its title, *7 Good Women* has seven good, sex-positive young ladies, but only one good gimmick—girls in flashy lingerie get plugged by girls dressed as men who have big, fake boners popping out of their boxer shorts—which is used three times, perhaps two times too many. The chicks are impaneled in a jury that's deliberating the guilt of a man who was accused of taking a woman on a date and not paying for it. The seven women discuss, they smoke, they agonize. Anyone who rents a video in order to hear females talk at length among themselves has missed the entire point of pornography. The rest of us might enjoy the look of Sierra in a man's suit and the spectacle of her putting a plastic prong fox-style into all-flesh Nicole London, or the jailbait-look of Brittany O'Connell, but that's about all we'll enjoy, and we won't enjoy it very much. The women are good, but the video isn't. —*C. S.*

HAUNTED NIGHTS

Half Erect. *Directed by Jim Enright and Jace Rocker; starring Jonathan Morgan, Steven St. Croix, Mystica, Marc Wallice, T. T. Boy, Britt Morgan, Randy Spears, Celeste, Woody Long and Sahara. Videocassette: Wicked Pictures.*

If it's not disturbingly perverse, beautifully erotic or just downright filthy, porn should at least be fun to watch. *Haunted Nights* doesn't come close to the first three, but it serves up plenty of laughs, most of them intentional.

Sahara helps make **Nights** exciting.

Spoofing everything from old-time horror movies to *The Three Stooges*, from *The Rocky Horror Picture Show* to *The Addams Family*, with garish makeup and face-slapping, eye-poking, tongue-in-a-stapler sound effects, *Haunted* follows Sam Flywheel (Jonathan Morgan) and Roscoe Wagstaff (Steven St. Croix), two of the most inept private investigators ever to trip over a clue, as the bumbling dicks head to Scotland in search of a missing heiress. It's all very silly (bagpipes play during most of the sex), and that's part of the movie's charm. Hell, even T. T. Boy is enjoyable in his role as a high-school-letterman wolfman. While it tickles the funny bone more than the important bone, there are a couple of whack-worthy moments, the best of which are supplied by Celeste, a spitting, drooling, demanding, "Get down there and eat it" porn actress who takes her craft seriously. —*Scott Mallory*

Full Throttle Images

Debi Diamond (right) and Deidre Holland (far right, with the cop), roaring down the highway on monster motorcycles have piqued our interest, but what we're really looking forward to seeing is Orgasmavision, a new video technology that director Henry Spencer uses for the first time in Full Throttle Girls (Visual Images). Spencer, an award-winning documentary filmmaker, promises that Orgasmavision, a process he is trying to patent, will revolutionize the making of adult films. Well, we'll be the judge of that. Throttle also stars Alicia Rio and Jalynn (far right, bottom), Marc Wallice, Tom Byron and Jon Dough.

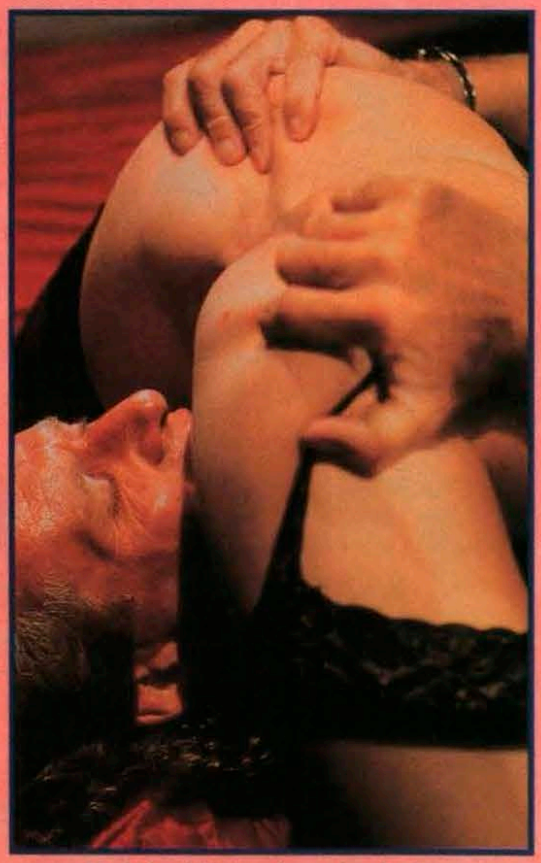
Dance: *Lee squawts on Spears's totem.*

SNAKE DANCE

One-Quarter Erect. *Directed by Hyapatia Lee; starring Hyapatia Lee, Shawnee, Devon Shire, Mike Horner, Randy Spears, Jon Dough and Don Fernando. Videocassette: Vivid.*

The white man may have stolen the Indians' land, but thank God he didn't steal their sexual practices—if the fucking performances in *Snake Dance* are any indication. Narrator/fuckdoll Hyapatia Lee explains Indian mating practices in this PBS-meets-porn format. The wheel represents an important symbol, Lee says, and thus Indians are drawn to the 69 position because of its circular formation. Even a wheel, however, would roll away from Shawnee listlessly smoking Fernando's peace pipe, before pulling cum like cold cream onto her dry hands. The leader of Lee's documentary tribe is Mike Horner, himself about as Indian as escargot, who fakes not one but two orgasms inside Shawnee and Devon Shire. Lee may know her heritage, but she knows dick about directing hot sex. Her tendency to avoid the visual cum-shot would be permissible if the sex had passion and sustained energy. Instead, positions are poorly conceived, often ruined by shoddy lighting and iron-handed editing that adds no rhythm to the standard bump 'n' grinding. Lee is much better in front of the camera, squawting on Chief Spears's white totem before pulling semen onto her thigh. The white man screwed the Indian once; for suburban smut renters, this movie may be the tribes' revenge. —*S. R.*

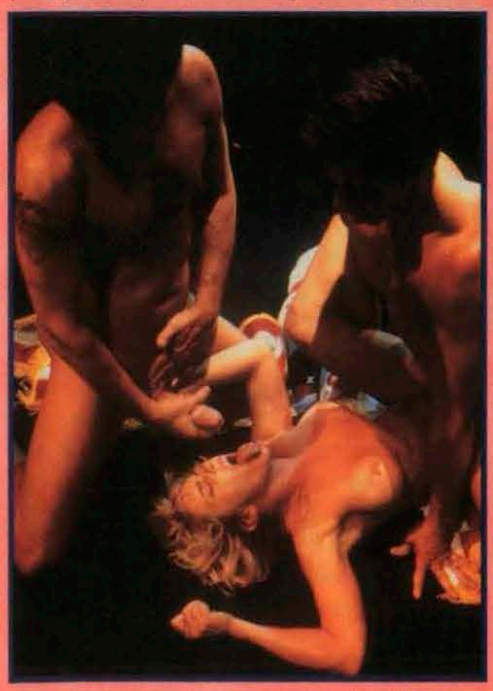


Unchained: *West makes a place for Sierra.*

UNCHAINED MELANIE

Half Erect. *Directed by Stuart Canterbury; starring Sierra, Mona Lisa, Melanie Moore, Peter North, Jonathan Morgan, Crystal Wilder, Kiss and Randy West. Videocassette: VCA.*

The reality of *Unchained Melanie* is irrational and dreamlike, placed in what looks like a storage center, with a different set of fuckers trapped in a looped time-sex continuum behind each door. The question is, does Sierra's bright-hued dress vibrate, glow and bleed crimson over the surrounding scenery due to deliberate surrealism, or is it just low production values? Before answering, consider this: Melanie Moore does an onstage pole dance with Peter North, who waltzes his wad all over her tits then dips his stick into her crevice; Randy West casts off a coil of ropes and makes his face a place for Sierra's pretty pussy to perch; trash-talking Crystal Wilder, with hair bigger than life, is somewhat less interactive than usual as North shoots scuzz on her sweaty belly; a pair of peroxide dykes has a pussy brunch among friends; and Sierra's face is ready for cum when Jonathan Morgan pulls his pud from another woman's hole. —*C. S.*



Shayla: *A slice of slim, athletic bimbage.*

DARKER SIDE OF SHAYLA 2

Three-Quarters Erect. *Directed by Paul Norman; starring Shayla, Tom Byron, Nick East, Shanise, Serenity, Peter North and Rex Morrison. Videocassette: Pleasure Productions.*

The viewer with an onanistic agenda will never guess what the storyline of *Darker Side of Shayla 2* is, nor even if the establishment in which Shayla is waitressing is meant to be an eatery, a nightclub, a bar or just some remote truckstop on the highway to hell. What will be clear is that blond squeeze-buns, grab-tits Shayla is very much up to the task of putting her slurp lips to cock and scrotum, climbing up into a leather-and-chain sex swing and having blood-pipe funneled into her fishy fissure from front and back until a stream of chum is spewed right onto her little pooper. A girl just wants to take a piss after that, but the bathroom is occupied by a slinky, fake-blond pussy leaning over the shitter to take dick from the rear, then spinning for a load on the chin. What's more, a long-hair blonde is a meal on heels, Serenity's ass is an amazing thing, and Peter North and Tom Byron pull a double plow. Thanks to slim, athletic bimbage, *Darker Side* is a slice of light. —*C. S.*

HEADS OR TAILS

Half Erect. *Directed by Robert McCallum; starring Carolyn Monroe, Peter North, Bionca, Cole Stevens, Randy West, Melanie Moore, Chrissy-Ann and Shawnee Cates. Videocassette: Pleasure Productions. Shot on Film.*

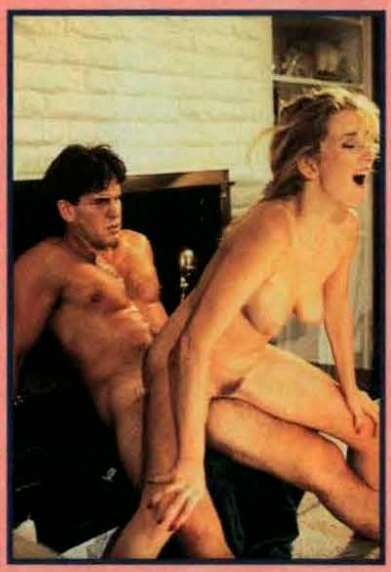
With *Heads or Tails*, director Robert McCallum tries to please two very different audiences. Shooting on film and taking time to hint at character development, he tries to appeal to those desperate souls looking for emotional attachment in a smut film by fashioning a story about an upscale Malibu couple (Carolyn Monroe and Peter North) dealing with a changing relationship. At the same time, he wants to make sure guys with their hands in their pants have something to hold on to by making the couple's major problem the fact that she doesn't want to have anal sex. Trying to please everyone, the director pleases no one; the sex is too soft and "romantic" for bug-eyed porndogs (Monroe is jet-set beautiful but hardly an anal queen), while the story feels too much like a 1975 drive-in sexploitation movie to offer much eroticism for today's VCR age. Does Monroe let North put his pole in her creamy backside? No, but she does do it, and it isn't with her regular co-star Cole Stevens. —*S. M.*

Monroe picks ***Tails.***

ONE OF OUR PORN STARS IS MISSING

Half Erect. *Directed by Scotty Fox; starring Kelly O'Dell, T. T. Boy, Mike Horner, Crystal Wilder, Alex Jordan, China Mai, Randy West, Brittany O'Connell, Nicole London, Tina Tyler, Jerry Butler, Terry Thomas and Nick East. Videocassette: The Odyssey Group.*

The plot of *One of Our Porn Stars Is Missing*: T. T. Boy stars as America's most loved televison talk show host (he fucks his guests) who is kidnapped by a desperate jerkoff (Mike Horner), who wants to take Boy's place. The salient fact: Kelly O'Dell's cunt squirts. Her lean, teenage body, her face twisting into strangely erotic shapes and her eyes rolling back in her head like an orgasm zombie as she's getting fucked used to be enough to make cocks drip with want. Now there's more. Enlisted by Horner to guard Boy, O'Dell fucks him instead, and she gets so turned-on that a spout of crystal-clear woman tonic spurts from her furry pouch—twice. The display of liquid arousal confirms O'Dell's status among porn's elite treats. There is less sex in *Missing* than promised by the cast size. Most of the cast members fuck only in a disjointed and tepid orgy, and the production looks like something from the public-access channel; but the writing and direction are swift and sure, and Boy displays a sense of comic timing. —*S. M.*



Porn: *O'Dell's pussy squirts.*

Flip Side

This letter is in regards to HUSTLER's September 1993 issue—specifically, an article called *Ministers of Mayhem*, written by Larry Wichman (*Ministers of Mayhem: Men of God Who Do the Devil's Work*, September '93). I must say that I am appalled by the article. In it, HUSTLER has depicted me as being one who has misused my sacred office! This information is totally false and out of context. My real mission has been to do the work of God.

Wichman's article presents me as a so-called drug kingpin. This is the U.S. government's opinion, not mine. I would think that from Mr. Larry Flynt's encounters with the U.S. government, he would be the first to know that however the government may depict a person does not necessarily reflect reality. Such is the case in my instance.

Simply put, I was not in the drug business. The business I was in was the people business. More specifically, saving the lives of young, black people from the East St. Louis area, who are and have been caught up in the grip of government corruption for a number of years.

The 15th Street Ministry, under my direction and with the help of a number of caring individuals, has established a program that consists of feeding the hungry, clothing and providing shelter for those in need, helping people to pay legitimate bills, providing social programs for kids, to assist with their homework and other educational needs, and providing a safe haven for those children who have a desire to stay away from gangs and drugs. This has been the work of Reverend Joe Davis, street preacher, and the 15th Street Ministry.

Wichman did make one statement that is definitely true. I am a recovering drug addict. That being the case, I have dealt firsthand with the horrible nightmare of drug abuse and its pitfalls. I am not ashamed of this, and I'm not bragging on the fact that I've lived this type of life in the past. But I am grateful that the good Lord gave me the power to overcome this disease and pass on my experiences to those in need.

In conclusion, may I suggest that in the future, if HUSTLER plans on writing an article about someone, don't just rely on one side to get the complete story, as Wichman has done with *Ministers of Mayhem*. There are two sides to every coin.

The U.S. government is responsible for the drugs that have been poured into this country and are killing off our young people, especially blacks. Having said that, I remain, and will continue to do the work of God! —Reverend Joseph Davis

Video Voyeur

Once a month, my friends and I rent six adult videos. We need the name and address of a source that categorizes and gives descriptions of the following themes: first, lesbian situations, where one woman seduces another. She gets nowhere and encounters (realistic) resistance, but finally, after five or ten minutes, conquers her. Second, a 45- or 50-year-old woman seducing an 18-year-old woman; third, two women, both lactating, with the premise that their boyfriends or husbands left them after their babies were born. After consoling each other, they find it stimulating to touch each other's breasts, then proceed to suckle, swallowing the milk rather than squirting it all over the place. Thanks, HUSTLER! —H. W.

THE RED DOG RUNS AT NIGHT

I don't remember if there was a full moon that night, but my babe and I were horny as fucking wolves! Eating red meat always made more than our salivary juices flow, and Sally and I had just finished a rare, prime-rib dinner at the Beefy Bovine. Of course, there's nothing like a bottle or three of bloody burgundy to go with a side of cow; so by the time we were driving home, we were ready to gnaw into each other's flesh.

I live at the top of a canyon; the road beneath was dark and quiet. My girl gets seriously pussy-looped when she drinks, and she was revved up, running her tiny hands up and down her bumpy frame. She looked radiant that night. Her dress was thin, black velvet that pressed into her delicate, white flesh. She's a small girl, with more than a handful of titty meat, complete with ruby, half-dollar nipples and tiny, light freckles dotting her cleave. Her light-brown hair fell like sexy vines upon her shoulder straps. As she stroked her silky nylons, I quickly grew hungry again.

She opened the doggy bag, which contained a couple of leftover bites of meat. She stroked the five-inch hunk of bloody, red beef as though it were a cock, clenching her fist around the tender strip, then sucking the juices from her hands. Trish was going fucking wild! She rolled the black dress slowly up her long, white thighs and ripped her black nylons with her fingernails. The sheer, shredded fabric hung like severed flesh between her legs. Grabbing the meat with one hand and her thick clit with the other, she pressed the prime rib into her pleasure button until the jack-in-the-box popped to attention.

Enough was enough! I pulled off the main road. Tall trees provided protection from the road as I yanked the handbrake roughly. Trish ditched her dress, and I dove headfirst into her smooth belly, sucking the skin around her navel, my spit dribbling into her umbilical hole as if it was a dentist's spit sink. She grabbed the back of my head and pulled my face to her mouth. The chunk of rare meat hung from her lips like a giant clitoris. I sank my teeth into the meat and began chewing, gnawing my way down to her tender tongue. Blood, spit and juicy smears splattered our faces as I sucked her tongue as she would later suck my cock.

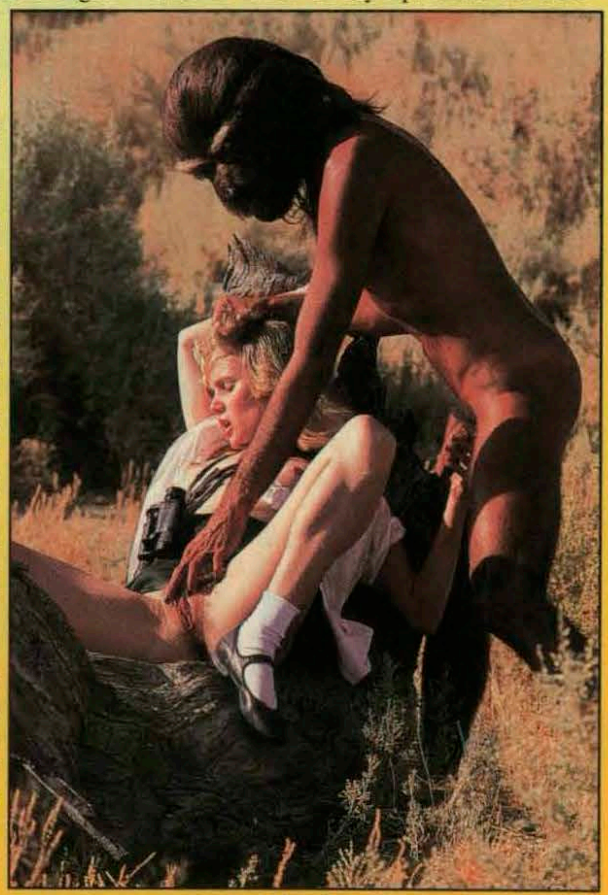
When it came time for me to taste her pussy, she had a wonderful surprise in store. As my tongue ran laps around her clit and sunk lower, I tasted the musty dew of soaked cotton and discovered she was on her period. I felt like a kid on Christmas morning. "You didn't even say a word!" I grinned, fishing out the tampon string with my tongue, grabbing the ripcord with my teeth and slowly pulling the cotton missile from its bloody chamber.

"I wanted to surprise you," she purred. I tossed the tampon through the open sunroof into the wilderness and pressed my tongue inside her hot vault. The blood was spicy and full of nutrients, heartier than an '88 Cabernet Sauvignon and yet thirst-quenching to my core. While my tongue probed like a shovel, my nose pressed into her clitoris, her engorged knob picking boogers as her hips bobbed against my face.

When I came up for air, she was going wild. "Don," she exhaled, "if you don't fuck my cunt this motherfucking instant, I'm going to fucking bite your dick off!" She was just kidding, I was certain; yet an odd, threatening glare penetrated my erection. She grabbed my butt cheeks and dug her fingernails into my butt until I felt a nail pierce my sensitive ass flesh. My boner rammed instantly inside her slippery cunt. *Fuck the bloodstains on the interior!* I was in a different dimension.

Every time I pressed my dick deeper, squirts of blood splashed out of her hole and spray-painted my waist. Her head slammed back and forth, right and left as her tits jiggled on her chest. The moon through the open sunroof cast an angelic glow across her alabaster face, now dripping sweat and smelling vaguely of shit.

The Jeep was rocking, and my dick was straining; no way I was going to slow down and prolong the orgasm. The taste of blood on my lips made me dick-



pump even harder. She mashed her clit with a free hand and spanked my ass with the other, urging me on. "Come on, you motherfucker!" she screamed. "Open me up and crack my egg!"

I pulled out and whapped my cock

While my tongue probed like a shovel, my nose pressed into her clitoris, her engorged knob picking boogers as her hips bobbed against my face.

against her clit. When the sperm began to flow, I spread her pussy lips and fired white line after white line into the bloody darkness. Her little, inner gearbox gyrated and flexed as each drop spritzed the target. Halfway through my cum-storm, she bent forward and swallowed the rest of the chewy chunks, gargling with the spuzz before hawking one gorgeous, white gob of life into the air, through the sunroof and into the silence of the night.

My body remained tense for a good minute, reeling from the most intense orgasm I've ever endured. When I sat my ass back in the driver's seat, however, instead of quiet reflection, I came face-to-face with a wolf standing on my hood burning his fiery glare into my eyes. "Jesus Christ!" I yelled to Trish, and pointed to her side of the Jeep. There stood another wild dog just outside the door. A quick flick of my highbeams confirmed we were surrounded by a pack of them.

One of the mad dogs crooned. *Ooowwwww!* Another echoed its plaintive cry. I was scared shitless, but Trish remained calm, almost zombie-like. "Look," she pointed to the wolf on my hood. "He's got my 'pon in his mouth." Indeed, the wild dog clenched its sharp fangs around Trish's bloody tampon. I scrambled to get my clothes on and start the car, but Trish calmly opened her door.

"Trish, let's get the fuck out of here!" I demanded.

"Relax," she said.

Trish stepped naked into the wild for the first time. The animals sat at attention, with ears down and tails low, almost reverently. The sweat on Trish's body glistened in the moonlight, and my girl stroked the head of the closest animal. The others serenaded her with moaning sighs. Watching the animals sniff at her thighs and cower at her feet made blood return to my prick. Several minutes later she climbed back inside the cab. The half-hour drive was done in silence with her mouth locked securely around my naked cock like a child's around a thumb. We felt reborn. —D.R.

SEARCH AND DESTROY

I can identify with those L.A. police officers who were jailed in the Rodney King case. I have a theory, though. I think they were framed to take the fall for their department. Happens all the time in the line of duty, especially if some old-timer has it in for you. I used to be a cop in a big-city force. I was young, but worst of all, I was black. Back then, the white man ruled the force.

I was working at the county jail, processing criminals. Performing the strip search was the worst duty a young cop could draw, but an old, cynical cop offered me an incentive if I volunteered for doody duty. This old guy looked a lot like that Stacey Koon officer who was jailed in the Rodney King fiasco. He asked if I'd be interested in viewing the women's strip searches. "All the rookies check out the babes," he laughed. "It's a rite of passage." I wanted so badly to be liked by the men who'd be protecting my ass that I would've done anything to fit in.

He led me down a narrow corridor to a room near the women's search room. This particular jail was old and in the process of closing down for relocation; security was lax, and the rooms run-down. In fact, he told me, this particular room, now used for strip searches, was actually an old interrogation room, complete with a secret observation area. The room was small and dank; a one-way mirror looked upon an even scuzzier room that was empty. "Have fun, Tyrone," he belched, even though that was not my name. Then he split.

A red light flickered above the door, and in walked a group of girls, fresh from evening busts. I felt like a kid back in New York, peeping strippers inside the 42nd Street chicken booths. A scent of leather and musk permeated the tiny room; I was beginning to sweat. My brain urged me to leave, but my dick had a stronger head on its shoulder. If this was the rite of passage, so be it!

There were four girls in all, two whites, a sister and a Puerto Rican. They were probably hookers, with their tight clothes and finger-sized bruises on their bare thighs. Two female jailers walked in behind them, stern-looking bitches with close-cropped hair and an attitude somewhere between God's and Hitler's.

The girls turned their backs toward the one-way mirror and loosened belt buckles. Jeans and dresses were mechanically dropped to the concrete floor. Naked chicks were standing six feet from where I secretly, silently watched. The white girls were stunning creatures, with tight asses and muscled calves and thighs. The black girl, too, had a butt made of melon rind and a pussy that glowed in the fluorescent brightness of the room. The Puerto

Rican, perhaps the sluttiest of the group, had bite marks in her buttocks and lipstick on the back of her thigh.

"On your knees," were the first words I could read from the one cop's thin lips. The four dropped to the floor like animals and stuck their fresh asses into the air. Their knees and hands scraped concrete. The cop slipped her hand into a rubber glove and ran her first two fingers through a jar of petroleum jelly. She stood beside the first white girl and scraped her fingernails along the girl's half-moon cheeks, causing the naked butthole to flinch open and then close. The cop kicked apart her legs, spreading the cheeks as much as the tender skin would allow. First one, then two fingers slid inside the girl's butthole. I knew immediately that standard operating procedures were not being followed. The fingers were twisted and turned in this poor girl's bung, as her balloon breasts quivered under the anal assault. The little folds next to her asshole disappeared completely under the stretching strain, as the cop buried her digits past the knuckles.

The other cop started on the other end of the line. Instead of fingers, however, this bitch clenched a fist, slobbered it with bottled goo and shoved the knuckle hammer inside the Puerto Rican's cunt. If the cop had been wearing a Timex, the watch would've stopped ticking under the pressure. The cunt was cracked wider than an alligator's hungry mouth; pussy juice rolled in large droplets down her light-brown thighs, until this poor girl stood in a puddle of her own secretions. The violation was horrible to watch, and I had a boner the size of my billy club.

I yanked my buddy out of my pants, just as the fisticop moved down the line and hawked a silvery loogie between the black girl's cheeks. A line of spit connected the cop's lips to the black gal's pussy portal.

Meanwhile, another cop turned to the other white girl, who looked like a young Jodie Foster. The bitch grabbed a handful of titty, leaving light-brown stains of Vaseline on the young girl's budding chest. She forced open the prisoner's mouth and stuck a black baton down her throat. The girl practically gagged. When the baton came out, the prisoner stuck out her tongue as the cop stroked the fleshy muscle like a small cock. I stroked my dick and even shoved a finger up my own ass; I was that turned-on.

The cop rubbed the clit of that Jodie Foster looker with her lubed glove and shoved four fingers up her twat. Faster and faster she plunged the puckered pussy, the piece of white trash moaning and groaning as though she liked the violation. She did, I could tell; so did I.

She screamed, the cop screamed, a tiny raison of poop dropped to the floor, and I blew a pent-up wad of semen onto the previously clean glass.

In five minutes I'd been converted into the kind of asshole who'd led me here. *Welcome to the force*, I thought to myself as I zipped up, took a deep breath and turned the doorknob; but it was locked. *Fuck!* My heart beat heavy against my badge. Sweat drenched the inside of my uniform as I banged on the handle. Finally the knob turned from outside, and I fell out face to face with a waiting line of white officers—men and women—who cuffed me, scraped my semen from the glass and led me to an early retirement.

I was fucked and framed at 24. Stacey Koon and Laurence Powell can kiss my motherfucking ass. Hope you rot in jail, you fucking bastards! —Name Withheld

Old Cocks' Guide TO SPRINGIN' CHICKENS

The Art of Wooing Younger Women

by Jon Mescal

One look at 18-year-old Donna's pretty, freckled face makes guys feel like taking her home. Forty-something mechanical engineer John used to talk with the vivacious teen at her summer job pumping gas at the economy station. Donna was friendly, talkative and flirtatious with John at the pumps. But whenever John ran into her while she was hanging around the local mall with her gum-popping pals, Donna pretended not to know the older man.

John's getting to know Donna was no fluke. The middle-aged bachelor has an insatiable penchant for young women. One afternoon, he was sitting in his car with 19-year-old Andrea, his next-door neighbor and pal. Andrea was gangly as Raggedy Ann but growing into a lovely woman, with an elegant, long neck, freshly budded breasts and golden-brown eyes. The vibes were getting romantic when Andrea asked, "I don't know much—don't you look down on me? Aren't I too young for you?" John felt a moment of utter panic. Was she professing interest or politely saying, "Buzz off, old man"?

* * *

Older men who flirt with young women grow accustomed to experiences such as John's, claims girl-chasing, older author R. Don Steele in *How to Date Young Women for Men Over 35* (Steel Balls Press). A man in his 50s, educated in philosophy, Steele is currently dating a lady in her mid-20s; he says he writes what he has gathered mostly from experience.

Steele is no Adonis. His schnozz is a regular promontory. He writes candidly about his failures in the pursuit of young pussy—including one girl who gave him her number, only it turned out to be Dial-a-Prayer.

"I got my dick whacked so many times, I felt like dog shit," Steele states. "See this flat ass? It got flat from being kicked around and around the block. I didn't start dating young women to write a book. I did it to get laid. I finally realized that if a man's not accommodating, and he's a little bit mean, and doesn't show he's interested, he's on the right track [as far as scoring with young women goes]. Young women have a weird concept of what a man is—big, strong, powerful and doesn't take shit from anybody—they don't respond to being treated like an equal. [A man who wants to score] has got to be in charge."

Announcing on the cover that his book is for "the man who refuses to buy or bullshit a young woman," Steele points to plenty of things older men have that younger women dating men in their age group lack. Inexperienced young men don't give young women much of a thrill in bed, for instance. Part of a young woman's interest in a man, according to Steele, is simply, "the desire to be seriously fucked.... Only a few young women have ever achieved orgasm as a result of a young partner's actions."

In a young woman's eyes, older men are confident and in control.

"[Mature men] have a car that runs!" laughs Steele. "To an 18-year-old guy, [spending $80 on dinner] is insupportable. To men like me it's just, 'Bring the lady another gin. Here's the American Express—go away.' "

Steele, who calls his Los Angeles-area stomping grounds "a paradise full of young women," figures by rough demographic calculation that he has approximately 10,000 fresh-faced babes to choose from within ten miles of his house. What kind of girl might be interested in an affair with a man old enough to be her father?

"My kind of young women are rebels with no cause, rebelling against whatever the fuck," says Steele. "They are intelligent, ambitious and brave enough to take a chance. They drive like maniacs, swear like sergeants, drink, smoke dope, snort coke and flaunt their bodies at me and other males of any age. For entertainment they intentionally piss off their parents and boyfriends."

Steele recommends crashing weddings to find a choice assortment of tender bachelorettes.

"Say I'm at a gathering, maybe a wedding reception," he relates. "Which one of these girls is interested in me comes out of the body language. When a woman is

interested in a man, she shows the palm of her hand to him during a conversation. This is one of the finer points. If it's combined with eye contact, and she has her body shifted toward you, and she flashes her palm—like when she brushes her hair back—that means she's open to you and would welcome an approach. It's almost a hundred percent guaranteed."

On the other hand, says Steele, "When a woman touches her throat with her palm toward her, you're coming on too hard. It may look as if she's making sure her necklace is still there, but she's really saying, 'Oh, my God—easy, big boy.' If you want to know what a gesture means, exaggerate it. Take this throat touch, for example. When it's exaggerated, it looks like a typical choking gesture of fear. Another thing a woman will do when she's afraid is pinch herself. You're too close or saying something too intimate. Back off, give her more space."

Older men might see a good-looking young woman as intimidating and unapproachable, but she's likely to see them as dangerous, cautions Steele.

"Most every young lady suspects [an attentive older gentleman may be] a dirty old man," Steele warns. "At any rate, she feels she has a lot to lose by dating anyone so far outside her age group. If her friends find out, she'll be ostracized."

Steele's basic rule for meeting a young lady is to be wherever conversation comes naturally. Singles bars are out. Steele recommends enrolling in acting classes at a local university or joining all-ages-oriented clubs—situations to meet and talk with all sorts of women, including younger ones.

Steele's "Ten Commandments of Meeting" include: "Thou shalt not stare at her tits or ass." The bottom line is to make yourself seem safe, interesting and attractive. He advises against bullshit lines like, "Want to come over to my place and look at the ceiling?"

"Those are college-boy lines," he says. "Show her the difference from the get-go." Direct talk, however, makes a girl think a man is out of it or crazy. Steele recommends a stock of chitchat items about current movies, music, sports. He avoids saying anything that will make a young lady feel stupid, or that makes him look too intellectual. And he's careful to show only a slight interest, so that the girl feels she has to rate acceptance by him, not the other way around.

"Good-looking women are being hit on all the time," says Steele. "They're so used to flattery, they're bored with the same old shit when somebody's trying to pick them up. I use a different approach. The real conversation is in the body language and the nuances of the talk. A guy should practice to hear what isn't being said."

Romance, for a young woman, arises in her own imagination, and nothing you do can force it, claims Steele. "*Let* it happen, don't *make* it happen," he suggests. Except when it comes to getting into her pants.

"As an older guy, you have to understand that an inexperienced young woman is very afraid and wants any excuse to stop sexual advances," he states. Having reached the point of kissing and fondling, Steele's technique is to stop right in the middle.

"What you're doing is like a boxer breaking another boxer's rhythm," he says. "To start and stop at the most unpredictable moments is crucial. Your young lady won't know what to do with this. Pretty soon she's swept up in the heat of the seduction, and she finally wants you to take her into the bedroom."

Steele confesses he learned this maneuver by accident.

"One time," he relates, "I was making out with a young miss, and the phone rang, and I got up, and then I went back to her, and then I had to take a piss, and then I came back, and then the tape went off, and I was up again. Pretty soon I realized, *this works*. Things just get hotter and hotter and hotter."

Steele advises guys to get in shape for any encounter with a young woman. Men who don't trim down, he warns, should resign themselves to divorcees over 35.

"They don't mind fat," he jokes. "It mixes well with theirs."

He likes his women young all over—preferring flat stomachs, tight vaginas and pink nipples that come to instant attention. Steele also claims there are "no ball busters under 24." None of this is going to score any points with the older women.

"Pissed-off older women say to me, 'You are an immature person; obviously, you're afraid to deal with a woman like an equal,' " Steele relates derisively. " 'You have to have these little, easily manipulated, sponge-minded bimbos, or you can't feel like a man. Obviously, you're afraid to perform with a woman who knows you're not a good performer.' That's one they think is just going to slice me off at the knees. I reply, 'This 22-year-old is five times more powerful than you. She could wrap me around her finger and break my heart before you could even find your asshole!' "

Clearly, dating younger women far outweighs any old biddy's wrath for the mature gentleman.

"Young women get smarter and older," says Steele, "while you get smarter and younger."

Surfing in EL SALVADOR

Reminiscence by Paul Mulshine

Bullets, boards and banditos clash in the hunt for the perfect wave in war-torn El Salvador.

El Salvador

"There were gringos, acid, people going crazy. There must have been a hundred surfers, girls, people having parties, getting into fights."

"We can go to La Libertad, man. It's the best surfing beach in the world."

—James Woods in Oliver Stone's movie *Salvador*.

* * *

In her book *Salvador*, famed writer Joan Didion wrote about an epiphany she experienced while dining in the wealthy part of San Salvador, the capital city of El Salvador, where Didion was enjoying dinner when the electricity went out. By the lights of a passing car, the writer observed two men with guns lurking in the shadows.

"Nothing came of this," wrote Didion, "but I did not forget the sensation of having been in a single instant demoralized, undone, humiliated by fear, which is what I meant when I said that I came to understand in El Salvador the mechanism of terror."

Real-life Salvadoran hanger-on Zippy the Pinhead tackles the same subject, describing a misunderstanding with a Salvadoran named Mario: "He thought I'd smoked up all his weed, man! He put a pistol to my head and got his dog after me. Luckily, I was friends with the dog, man! So he just pawed me bit. The dog thought we were playing, but I yelled a lot like I was in pain. Mario fell for it, and after a while he let me go."

Zippy is the real-life model for the "Dr. Rock" character played by Jim Belushi in the movie *Salvador*. Dr. Rock is the guy who accompanies the hero to El Salvador during the height of the war. The hero goes home, but Dr. Rock stays because he actually *likes* El Salvador. That's Zippy—notorious for such acts of courage as approaching a truckful of death-squad members and bumming Tic-Tack, a cheap form of rum that's the favorite drink among locals.

Hanging around a beach town in southern Mexico in the early '80s, a Texas surfer named Denny told me of a place farther south where the waves broke flawlessly. Only problem was, this perfect wave was in El Salvador, and the few gringos who'd tried to go there had barely escaped with their lives.

A few years later I found myself traveling to El Salvador as a journalist. Where Joan Didion saw impending terror in El Salvador, I saw pleasant bistros—nothing special. That is, until I caught sight of the beach at La Libertad, where the mysteriously spiritual forces of the Pacific Ocean conspired to meet the shore in the heavenly form of a continuous perfect wave.

The room at the Motel Rick was just a bed, a fan and a rimless, cast-iron toilet, but at six dollars a night and featuring the best wave on the continent within walking distance, it was as close to heaven as any self-respecting surfer could ask.

Didion forgot to mention that El Salvador supplies its own antidote to terror: Long-timers stop thinking of the future. In Jersey I'd had a persistent nightmare about what would happen when I got to Salvador: unsmiling men with guns; a few cursory orders; gun in the chest; on my knees. "Don't shoot, please!" *Bang!*

In Salvador, my only nightmare was of being back in the States, gradually turning gray as I stared at a computer terminal.

* * *

Driving with me out of town to scope outlying surf spots was 29-year-old, Florida-based surfing-star Matt Kechele.

Like most pro surfers, Matt has learned to maintain a certain detachment on land. The Salvadorans around us could have suddenly turned into Indonesians, and Matt would only wonder if he'd brought along the right board for Uluwatu.

But something happened that caught even Matt's attention. A harsh, odd-sounding voice called out from the sidewalk, in English.

I hit the brakes. The hitchhiking gringo threw his bags into the back seat and climbed in. He said he was glad as hell to be back in Salvador. The bus trip back to L.A. had been a bummer.

"I shoulda flown, man!" said the scraggly figure. "I was trying to save $300, but I shoulda just flown!"

Matt and I reached the beach we wanted to check.

"This is as far as we go," I said. "Sorry we can't take you all the way."

"No problem, man. Just drop me off," our passenger replied. His preternaturally shining eyes were focused on some nearby piles of cow shit. Morning rain. Psilocybin. "I'll just look for some mushrooms by the side of the road before I head home."

For curiosity's sake, I asked his name.

"Zippy," he answered.

"The Pinhead?" I said as a joke.

"That's what they call me," the guy replied seriously.

screenplay for *Salvador*, was an old buddy of Zippy's. When he wasn't out in the hills covering the war, Boyle used to hang around La Libertad drinking with the Pinhead.

"Zippy and I had a contest to see who could drink the most Tic-Tack," says Boyle. "Zippy used to walk around wearing just his shorts. He'd go up to Tic-Tack monsters, drink 'em under the table and take all their Tic-Tack. On a full moon he'd go out and howl."

Zippy had been coming to El Salvador since the early '70s. He was straight out of Vietnam ("It was great, man!") when he first joined the American surfers drifting south along the Gringo Trail. Anyone would expect the perfect wave to break along a deserted beach fringed with palms. Instead, it just happened to pull into the biggest city on the central American coast, a town full of Tic-Tack shops, two-dollar whorehouses and motels that rented in shifts.

The surfers loved it. Screw the scenery; the wave pumped every day! Never a closeout, never a section, just God's own point break in the land of our Savior. La Libertad became Surf City overnight. Even the local Salvo kids got into it, hopping boards and talking about *tubos* and *surfiando*.

In '79, however, the whole thing went to shit. Local reaction turned ugly. KILL THE GRINGO graffiti appeared on the walls, and the surfers took the hint. But not Zippy, who thought the crowds were a hassle and was glad to see them go.

"The '80s, man!" he explains with a flourish. "Thank God for war!"

Zippy lived like a Tic-Tack-glugging Colonel Kurtz a few miles up the coast in Zunzal, where the waves were a bit gentler and the locals were friendlier. "Zunzal used to be wild, man! This place was crazy!" said Zippy. "There were gringos, acid, people going crazy. There must have been a hundred surfers, girls, people having parties, getting into fights. There were gringos from everywhere—New Jersey, New York, Florida, Texas, California, Hawaii, Australia, lotta Brazilians, Peruvians...."

Now it was just Zippy, on his own, catching a few waves in the mornings and spending the long afternoons sipping beers near an empty hotel bearing a sign that read, in English, SURFERS INN.

Besides Zippy, the only other American surfer to stay in La Libertad through the war was a man named Bob Rotherham, who made his living by running a restaurant at the base of the Point in La Libertad. A few other surfers drifted through, but Bob would have been just as happy if no one ever came by.

"What are you doing, bringing those guys down here?" Bob began, the morning after I pulled into town with Matt and his surfer pals, who wanted to photograph La Libertad for a U.S. surfing magazine. The gist of Bob's five-minute harangue was that Libertad had been a nice, quiet surf spot during the war, but if an American surf magazine ran a piece on it, idiots would flood the place.

"It's on your conscience!" Bob told me as he walked away.

That was his last word on the subject. After that, surfer Bob talked about other things—the recent guerrilla mortar attack on La Libertad, and the insects that bore into your skin and laid eggs; three weeks later, little bugs would come crawling out.

* * *

To be immersed in a warm fluid that moves in patterns that are infinite in variety, yet predictable—to be able to glide like magic across the surface of this undulating mass—well, surfers put it this way: When Jesus Christ did it, his bros made damn sure to write it down.

"Surfing and the surfing life have been going big since 1958," Tom Wolfe wrote in 1968 about the California surf scene, "and already there are kids who—well, who aren't kids anymore, who are pushing 30, and they are stagnating on the beach. Pretty soon the California littoral will be littered with these guys, stroked out on the beach like beached white whales."

The most threatening people that Matt and the boys ever met in El Salvador—supposedly the home of the meanest, most brutal people in the hemisphere—were transplanted Californians.

Trouble emanated from a house at the very tip of the Point near Libertad. The place belonged to a Californian. In prior years I had hung out at this house with whatever Californian happened to be renting it at the time. In 1987, the occupant was a dope grower named Charley.

We'd sit and drink awful Salvadoran coffee (the good stuff gets exported), and Charley would work himself up into a tirade about the Reagan Administration. I'd listen and offer rebuttal: "Charley, I don't think you're in much of a position to criticize. You make your living by growing marijuana. You're 39 years old, and you're

having sex with a 13-year-old—"

"She'll be 14 next month, man—"

"Charley, it's bad enough when you're twice as old as the girl. You're *three times* as old!"

Shortly after pulling into town, Matt and fellow Florida surf-star Rich Rudolph paddled out for a morning surf. A Californian from the Point house—a hulking man who the locals called *El Tortuga* [The Turtle]—was already out. Rich offered a friendly, "What's up?"

"You fuckin' guys are up, man!" El Tortuga replied, and then bitched about surf magazines, pro surfers, surf contests and everything else that clashed with the self-image of the *soul surfer* (a California term that describes someone who surfs for the pure love of the ocean).

A few nights later, sitting around the Motel Rick, Rich comes in from a dusk session and tells the gathering, "That burly dude El Tortuga told me some guy from town's got a gun, and he's gonna shoot anyone who brings his camera to the Point."

The electricity customarily went out early at the Motel Rick. Guerrillas had made sport out of blowing up the power lines. A few months beforehand, they'd mortared La Libertad itself. Peace was coming; so everybody holding any kind of ammunition was getting in their last licks.

The visiting surfer contingent huddled in their rooms to discuss strategy. The iron toilets were backing up. The night was hot, and it stank. The choices: Risk El Tortuga and shoot the Point on the next day with good waves, or head south to another point, down by the Honduran border.

The Honduran point happened to be situated in guerrilla territory. The Commies were heavily into land mines. A trip down south offered the dubious prospect of becoming the last American casualties of the last great Marxist insurgency of the century.

I had a talk with Rafael, the owner of the Motel Rick. A hip injury left Rafael barely able to walk, but he'd raised a large family and kept the Motel Rick in as good a shape as could be expected for a hotel renting by the half-day.

I asked Rafael whether the locals were likely to shoot my surfing pals. Rafael's opinion was, "*Estos muchachos fuman mota y dicen un monton de cosas.*" ("These kids smoke marijuana and say a mountain of things.")

I talked to the locals, surfers and non-surfers both, who suspected that an article in an American surf magazine would bring the gringos back—which was okay with them. At the time, La Libertad was a tourist town without tourists.

Long before this, my gringo friend Tom had told me a story about the Salvadoran police: An American merchant seaman was picked up by the La Libertad police. They looked in his passport and saw that he'd been in Nicaragua.

Tom recalled: "The police were about to hook the electrodes to his balls when I got to the station. I took the captain aside and told him he had it all wrong: 'This guy's a fascist, just like us.' The captain apologized and pulled out a bottle of rum!"

I headed downtown to the police station and asked for the captain. I shook his hand and complimented him on what a wonderful place La Libertad was and outright declared how nice Salvador would be when they killed off all the Commies. I showed him a few newspaper clippings with my name on them.

"*No problema*," the captain assured me, gesturing at the walls, which were packed with M-16s and riot shotguns.

The mechanism of terror: It's great to have it on your side.

A few days later, Matt, Rich and their fellow surf stars safely boarded the plane back to the States, photos of the Point in hand. Around 4:30 a.m., the town was rocked by explosions. Guerrillas? No such luck. It was the fiesta. That night, myself and my reluctant native compatriots gathered at Rotherham's restaurant before heading into town to watch the fireworks.

"No beer tonight," said Bob, locking the coolers. The only brew flowing was rum, and plenty of it.

We headed into town and proceeded to take part in the absurdly dangerous fireworks display. One local put on a bull costume and lurched through the crowd, shooting off near-lethal firecrackers in all directions.

There was a lull before the dance. We walked toward the sea. Bob carried a thermos filled with a horrible concoction of rum and hot sauce, from which we took swigs.

We got near the water. Offshore, the Perfect Wave rolled in, flawless and never-ending. If it were Malibu, guys would be out there in the darkness, surfing with miner's-helmet contraptions specially designed for night surfing. Here in Salvador, the waves were empty—the only peaceful site around.

FUCKING DISASTERS

HIDDEN HAZARDS OF SEX

Fucking is a dangerous sport—deadly disease and pregnancy are two of its perils. But what of the risks that a condom does nothing to protect against?

Warning by Alex Marvel

Fuck Disasters

Gardens and his date both died, on video, by electrocution. Tragically, his dog followed the fizzing light fixtures into the tub and was also killed.

Sex is not always a gloriously uplifting fulfillment. Consider these instances of degradation and worse that have resulted from the reckless pursuit of pleasure:

•Park Place, a publishing executive in his early 30s, had finally amassed an amount of self-esteem and disposable income sufficient to support the realization of his most compelling sexual fantasy. Park had always wanted to lie on rubber sheets, bound hand and foot to a wrought-iron bedstead, while dressed in a pair of adult-size Huggies. In just such a position, the publishing honcho was enjoying the ministrations of a team of three dwarf women who had been instructed to tickle him until he pissed his diapers. Halfway to micturation, the writhings of Place—who weighed in at 320 pounds of pure baby blubber—broke the antique bed. As the metal frame crashed to the floor, and partially through into the room below, a brass post struck the giant toddler in the forehead, rendering him unconscious. The good news is that a group of reporters from a competing newspaper had been playing poker in the room downstairs. The journalists rushed up to revive Place and staunch his wounds before he bled to death. This same rescue party of rival newsies was also the bad news.

•Parties were always a bore for Trenton Case, a Seattle, Washington, construction subcontractor—especially soirees thrown by his father-in-law, a hoary, religious bore who happened to provide Trenton's primary source of jobs. "Jesus, but things are looking up," Trenton told himself after enduring 20 minutes of a particularly tiresome get-together. The father-in-law's chief partner had just arrived with his daughter, a 19-year-old stunner, on his arm. Her name was Lola, and her attention gravitated to Trenton just as his focused upon her. The reaction was chemical, electrical, whatever, and also ill-fated. The pair of lust birds covertly eyed each other and snuck outside at the first opportunity. They cuddled in Trenton's truck, parked on a promontory so that the side mirror overlooked the party site. Anyone approaching could be seen with plenty of time to start the truck, get in gear and out of eye-shot. Trenton didn't have to worry about his wife suddenly noticing his absence. She was in a nearby hospital, recovering from a particularly difficult childbirth. Trousers around his ankles, Lola's panties around his neck, Case ripped the pert postpubescent's bra off with his teeth and sank his shank into her hot dick pit, pushing forward with the insistence of the truly desperate. Unfortunately, his back foot pressed the parking-brake release, and Lola's gyrating hip threw the shifter into neutral. The earth seemed to be moving, but Trenton Case failed to see this as a problem. His rolling truck veered sharply over a curve, crashed through a grape-stake fence, muscled past the party crowd, plunged into his father-in-law's pool and sank to the bottom. Trenton attempted to stay on the pool floor, with his truck, but vengeful rescuers dove in and forced him to the surface.

•Marvin Gardens, 43, of Atlantic City, New Jersey, considered himself a consummate aficionado of erotic culture. He was into all sorts of add-on sexuality, and he liked to videotape his elaborations. His advanced camera system was augmented by a pair of freestanding, high-power klieg lights. One evening, tape rolling, Marvin was in the bathtub, up to his neck in hot water and the thighs of a divorcee freak who looked like Olive Oyl in a dog collar. The dog collar gave Marvin an inspiration. The tape, retrieved from the camera by local law-enforcement personnel, shows Marvin's shaggy head leaning over the side of the tub, his face leering into the near off-camera distance. "Here, Rover, come here, boy," coaxed Marvin. The dog, Rover, bounded into the bathroom, toppling both light stands. The camera, running on automatic pilot, captured the look of distress on Marvin's face as hot light fixtures swayed toward the bathtub, straining at their electrical cords, but not quite snapping from the power socket before splashing down into the water. Gardens and his date both died, on video, by electrocution. Tragically, his dog followed the fizzing light fixtures into the tub and was also killed.

•Selwyn Harris's life was in need of being turned around. He'd been lonely too long—so long, in fact, that he had given up the notion of ever again finding a woman with whom he might share the illusion of compatibility. And then Margo. She came out of the blue. Selwyn hadn't been looking for anyone, and he certainly hadn't seen any hope of romance in his first glimpse of Margo. She stood in front of him in line at the dry cleaners, arguing futilely with the implacable, moon-faced Korean woman behind the counter.

"Can you believe what they've done to my Versace jeans?" Margo said to Selwyn, attempting to pull him into the discussion by placing the stained inner crotch of her trousers of dispute directly beneath his nose.

"I'm only here to get my fluff-and-fold," replied Selwyn, who'd had a long, eventless day that had only served to remind him of the noneternity of nonevents yet to come.

"Ex-fucking-*scuse* me," snarled Margo. Harris looked startled. Her hostility nudged

When his company fell on hard times, the boss realized he'd have to lay off one of his two middle managers, although both Jack and Jill were equally honest and dedicated to their jobs. Unable to decide which to fire, the boss arbitrarily determined that the first to leave his or her desk the next morning would be the one to get the ax.

The next morning found Jill at her desk, rubbing her temples. Asking Jack for some aspirin, she headed for the water fountain, and that's where the boss caught up with her. "I've got some news for you, Jill," he said. "I'm going to have to lay you or Jack off."

"Jack off," she snapped. "I have a headache."

During the long commute to work, two neighbors were arguing presidential politics. Finally, one asked the other why he was such a dedicated Democrat.

"Because my daddy and granddaddy were Democrats," he replied.

"That's it?" asked his friend, surprised. "What if your daddy and your granddaddy had been rip-off artists?"

"In that case," the neighbor answered, "I guess I'd be a Republican."

The HUSTLER Dictionary defines *divorce lawyer* as: someone who referees a fight and gets to keep the purse.

Young Dewey Small was sleeping in the double bed with his grandfather so that they could get up early to go to church in the morning. During the night, the old man sat up in bed and said, "Dewey, get up. Run in and get your grandmother—hurry!"

The boy grimaced. "Grandpa, calm down. That's *my* dick you're holding."

Bill and Frank had been friends for more than 50 years. One day Bill said, "Frank, let's make a pact. Whoever dies first will try to come back and tell the other what heaven is like."

They both agreed. Six months later, Frank died of a heart attack. A year passed, and Bill was just about to give up hope of ever hearing from his friend again when a voice woke him up in the middle of the night.

"Frank! Is that you?" Bill asked in amazement. "It's so good to hear from you! I really miss you. Tell me, what do you do all day?"

"Bill, you wouldn't believe it. In the morning they bring me a big breakfast, and then I fuck. After that I rest outside and fuck some more. Then they bring me a big lunch. Later in the afternoon, I take a nap and then fuck some more until dinner. Then there's one last fuck before I go to sleep."

"Frank, that's *incredible!* I had no idea heaven would be like that."

"Who said anything about heaven? I'm a bull in Montana!"

Question: What's a Jewish businessman's idea of oral sex?
Answer: Talking about himself.

An Avon lady was alone in an elevator when suddenly she had to fart. She promptly reached into her bag and sprayed the air around her with deodorizer. Two floors later, a gentleman got into the elevator. He began to sniff, and the Avon lady asked, "Do you smell something?"

He replied, "Well, yes, I do."

"What does it smell like?"

The bemused gentleman answered, "I'm not sure, but it kinda smells like somebody crapped in a pine tree."

The guy left a ten-cent tip for the waitress.

"Ten cents?" the girl exclaimed.

"Yeah," answered the guy. "A penny for each inch of my dick."

"Then what's the extra nine cents for?" she asked.

Maniacs who slaughter and devour share an unholy appetite for human flesh—and statistics say the blood hunger is growing.

Death for Dinner

The tape included a vivid reenactment of childhood molestation, in which Shawcross was seen writhing and screaming while being sodomized with a broom handle by his mother.

In July 1989, Manhattan dance student Monika Beerle, 26, offered the spare bedroom in her Lower East Side apartment to a homeless, part-time cook named Daniel Rakowitz. Beerle did not suspect that the soft-spoken, 28-year-old man she was inviting into her home was anyone to be wary of.

Street people in the area knew another side to Rakowitz, who sold marijuana openly in local parks, preached a bizarre religion of his own creation called the Church of 966, practiced animal sacrifice and professed to be God.

By August 19, Beerle had discovered, and could no longer tolerate, Rakowitz's idiosyncrasies. She demanded that he move out.

The argument that ensued turned violent. According to the criminal complaint filed at the time of his arrest, Rakowitz caused Beerle's death by punching her in the throat as hard as he could, purportedly crushing her windpipe.

"[Rakowitz] beat and stabbed [Beerle] numerous times," concluded NYPD Deputy Chief Ronald Fenrich, commander of detectives in Manhattan, "then began to boil parts of her body."

Rakowitz would later deny the killing, but admitted that he had dismembered his victim in order to hide the remains. He confessed that he had bleached and boiled the bones, in order to "disinfect" them. According to information obtained at his trial, Rakowitz then used this human stock to create soup.

Witnesses testified that within days of the murder, Rakowitz served Beerle's remains to scores of homeless men and squatters in New York City's Tompkins Square Park, and that a human finger had been visible in the broth.

On February 23, 1991, Rakowitz was acquitted of second-degree murder. A Manhattan jury judged him not responsible for the crime by reason of insanity. Rakowitz was subsequently placed in a state hospital for the criminally insane.

Since 1989, at least four flesh-eating butchers have been caught and tried for a total of 89 murders, with as many as 71 cited incidents of cannibalism. This represents more than one-tenth of the estimated 671 serial killings investigators believe have been committed in the United States since 1982.

"We believe that three factors interact to cause [aberrant violent behavior such as cannibalism]," explains Jonathan Pincus, chairman of the Neurology Department at Georgetown University Medical School in Washington, D.C. "These are: the experience of having been abused in childhood; paranoia; and brain damage. Particularly frontal-lobe damage, [which] makes people more responsive to impulses and less responsive to the mandates of society. A person with frontal-lobe syndrome might urinate on the floor of the living room, and when asked, 'Why have you done that?' might say, 'Well, I just felt like it.' "

Frontal-lobe syndrome played a possible role in the homicidal history of 45-year-old serial killer Arthur Shawcross, whose brain, upon medical analysis, showed clear evidence of frontal-lobe lesions and a temporal-lobe cyst. Between April 1988 and January 1990, the paroled child-killer murdered 11 women in and around Rochester, New York, allegedly mutilating and cannibalizing at least two of his victims.

"With one of the women, he claimed he cut out her genitals and ate them," says Shawcross's lawyer, Thomas Cocuzzi.

At his 1990 trial, brain-damaged Shawcross pleaded not guilty by reason of insanity. Prosecutors pointed to a 79-page confession Shawcross made to police, in which he said the slayings had occurred as a result of sexual encounters gone awry.

Shawcross claimed he had trouble having sex, and that he had killed two hookers after he was unable to achieve erection. He said he had killed another because she bit him, another for crying out during sex, a fifth for stealing his wallet and a sixth for calling him a wimp.

"Investigator Torrence Coleman asked Mr. Shawcross what he thought the police should do to him," stated an accompanying police report, "and Mr. Shawcross said that he should be put in jail for life, because if he were ever released, he would kill again."

At the time of the serial murders, Shawcross was on parole after serving 15 years of a 25-year manslaughter sentence for the 1972 strangulation death of eight-year-old Karen Ann Hill. He'd also confessed to killing Jack Blake, a ten-year-old from nearby Watertown, New York, but charges had never been filed due to lack of evidence.

Defense lawyers countered by playing a videotaped psychiatric interview, during which a hypnotized Shawcross

Dahmer gutted his lovers and had sex with the viscera. He ate hearts and innards and made meat patties from human flesh; he kept naked corpses lying around his apartment.

let loose his ugly alter egos, as evidence of his psychiatric dysfunction.

The tape included a vivid reenactment of childhood molestation, in which Shawcross was seen writhing and screaming while being sodomized with a broom handle by his mother.

During the interview, Shawcross appeared in several of his alleged personalities, including Ariemes, a reincarnated cannibal from 13th-century England who supposedly taught the killer to eat flesh.

Under hypnosis, Shawcross admitted that he'd dined on human meat several times, having killed and cannibalized two Vietnamese women while serving in Vietnam and eaten parts of young Jack Blake after his murder.

The latter admission was made in the falsetto voice of Shawcross's mother, Bessie, who claimed that she had seized control of her son during each of the killings.

Although Shawcross's videotaped testimony was compelling, the jury chose to believe prosecutor Charles Siragusa, who maintained that the videotaped hypnosis session was a well-choreographed charade. Shawcross was subsequently found sane and guilty on all counts, and was sentenced to serve a minimum of 250 years in prison.

It's hard to believe that a jury sitting in judgment of an admitted killer cannibal could possibly find the defendant sane. Yet attorneys claim that in cases involving violent serial murders, the insanity defense has become nearly untenable.

"Certainly [cannibalistic killers] are disturbed," says Cocuzzi, "but it comes down to which doctor's opinion the jury is going to accept. Obviously, if you've got a burden of proof [which the defense has], and the doctors disagree, you're going to find that [insanity] hasn't been proven."

One of the biggest problems for the defense is overcoming the prejudice of the jury, who, after hearing months of gruesome testimony, must decide whether the defendant should be locked away in prison or institutionalized in a state mental hospital for treatment.

"It's a normal reaction to want [murderers] put away," Cocuzzi admits. "In New York, if you are found not guilty by reason of insanity, the law provides for periodic review of psychiatric status. Most jurors don't want to take the chance that a crazed killer could be released."

In 1991, 41-year-old Jeffrey Dahmer pleaded guilty but insane to charges that he killed, cannibalized and violated 17 victims over the course of 13 years.

The grisly facts of Jeffrey Dahmer's murders leave little doubt of psychological disturbance. He performed lobotomies on live victims with a power drill and saved bleached skulls and mummified heads, storing one in his locker at work.

He preserved his victims' sex organs and painted one penis flesh-colored so that it would look natural. Dahmer gutted his lovers and had sex with the viscera. He ate hearts and innards and made meat patties from human flesh; he kept naked corpses lying around his apartment for days at a time, so that he could have oral or anal sex with them at will.

Despite the overwhelming evidence of mental dysfunction in the case, prosecutor Michael McCann was able to convince the jury that Dahmer was a selfish man who murdered only to fulfill his own sexual desires—that he was at worst an alcoholic who lacked sufficient will power to control his physical urges. Jurors in Milwaukee, Wisconsin, found Dahmer sane and guilty, after which the judge sentenced him to a millennium in prison.

According to court testimony, Dahmer dismembered all his victims, saving certain body parts he desired and tossing unwanted remains either into the trash or into a large vat of acid he stored in his apartment.

"I had these obsessive desires and thoughts, wanting to control [my victims], to possess them permanently," Dahmer revealed. "I wanted to keep them with me. And as my obsession grew, I was saving body parts. I even [planned] on setting up an altar, with ten different skulls and skeletons. As a sort of a memorial."

Scattered throughout Dahmer's apartment at the time of his arrest were 11 skulls, one full skeleton, an assortment of bones, mummified hands and genitals and dozens of packages of preserved and frozen hearts, muscles and internal organs.

During interviews with psychiatrists and detectives, Dahmer admitted to sautéing and/or frying the hearts, biceps

and thigh muscles of several victims he found physically appealing.

"[Dahmer claimed] he bought a meat tenderizer, tenderized the heart and ate it and the muscle meat," recalls Dr. Judith Becker, a clinical psychologist from Tucson, Arizona, who testified at Dahmer's trial. "He reported having an erection while eating it."

Initially, Dahmer told detectives that the only body parts he'd ever consumed belonged to Ernest Miller, a 24-year-old black man whom Dahmer had paid to pose for nude photographs. The killer said that after Miller passed out from a drink laced with sleeping pills Dahmer had administered, Dahmer cut Miller's throat with a hunting knife and dismembered the still-twitching body in the bathtub.

He then filleted the skin and put the flesh in trash bags, placing Miller's biceps in the freezer so that he could eat them later. Afterward, he bleached the skeleton and then hung it in the shower.

"I tried to keep the person alive in a zombie-like state by injecting a diluted acid solution or hot water into their brain," Dahmer admitted, adding: "It never did completely work."

In many cases, Dahmer drugged his victims, then drilled a hole in their skulls, through which to inject muriatic acid into their brains with a syringe. For most victims it produced instant death, although Jeremiah Weinberger, 23, continued to walk around for two days after having his brain cells fried by Dahmer.

Unlike Shawcross, who had been horribly raped and abused by a sexually sadistic mother—and perhaps ate the genitalia of female victims as a result—by all accounts Dahmer grew up a well-behaved, young man in a quiet, middle-class home.

According to Northeastern University sociologist Jack Levin, a leading authority on serial killers, Dahmer is an enigma.

"The typical serial killer kills for the thrill, the excitement," Levin notes. "He wants to hear the victim scream and shout and try to get away. The fact that [Dahmer] sedated them before he strangled them, which is the last thing most serial killers would do, [shows] that he may have [cared] about his victims."

* * *

Over a span of 12 years, ending in November 1990, 56-year-old factory foreman and grandfather Andrei Chikatilo raped, slaughtered, mutilated, violated and/or cannibalized 21 boys, 14 girls and 18 young women in and around Rostov-on-Don, Russia. Jeffrey Dahmer killed 17 victims in 13 years. Chikatilo murdered 17 in 1984 alone.

Chikatilo's victims were mutilated so severely that when authorities in Uzbekistan discovered the bloody corpse of a young woman in a cornfield, they failed initially to connect it to the Chikatilo case because they assumed she had been caught in a harvesting machine. In three other instances involving victims of Chikatilo's murderous zeal, investigators misidentified the mangled remains of a boy to be that of a girl.

In his quest to kill, Chikatilo found an unexpected ally in the Soviet state, whose leaders tended not to warn the public of serial homicide. Psychopathic killers, according to the official Russian dogma of the time, existed only in the decadent West.

Chikatilo stalked an unsuspecting prey, killing virtually at will. His victims, though mostly children, ranged in age from nine to 45. He found them in train stations or at bus stops and lured them into nearby woods with an offer of a ride or a visit to his *dacha* [home]. He never forced his victims to accompany him to their doom. At first encounter, the quiet, bespectacled man appeared as harmless as a bookworm.

"[In the woods] I was like a crazed wolf," Chikatilo recalled during his trial. "I just turned into a beast, into a wild animal."

Once transformed, Chikatilo would pounce upon his victims, attacking savagely. He would hold them down and bite off their tongues so that they could not cry for help. Then he would bind their wrists and rape them.

After sex came mutilation. Wielding a 12-inch blade, Chikatilo would gouge out victims' eyes so that they could not stare up at him as he satisfied his ghoulish lust. Then he might dismember them while still alive or slash at their flesh, inflicting up to 40 or 50 deep stab wounds, after which he would begin to feast.

Often Chikatilo would rip away his victim's sex organs, sometimes biting them off. He would slice them off or carve them out, then chew on the genitalia while he cut open the

him slightly off-center, from which position he was a vulnerable goner. She started crying.

"I'm just trying to pick up my fluff-and-fold," reiterated Selwyn, but now his tone was apologetic rather than accusatory.

Margo's tears dried. Seeing how easily he could be manipulated, she took full responsibility for causing the delay in Harris's fluff-and-fold pickup. As amends, she insisted that he join her for a cup of java at a local coffeehouse. He didn't usually take sugar in his coffee, but he let her stir in a double packet. Their relationship, and Selwyn's fate, were sealed with a vacuum-lip blowjob in the back of her car.

The couple had nothing in common: They had never read the same books, they had opposing tastes in cuisines and movies, one liked city, the other was country, their musical leanings were entirely contrary, and their Thursday-night TV-viewing patterns were mutually exclusive. The sex, naturally, was great.

As events have unfolded during the intervening three years, the wedding itself was the least traumatic. Marriage, however, has brought along with it a nine-year-old autistic kid from Margo's previous relationship, two new whelps that Selwyn is intermittently almost sure were sired by himself, Margo's attendant pounds of flab, stretch marks and loss of vaginal elasticity, domestic demands of both financial and home-maintenance natures, a whole slew of meddlesome and money-sucking relatives, and the loss of privacy, peace and hope, all stemming from one scrotum-tingling, parking-lot blowjob.

The only question in Selwyn's existence is whether he should kill only himself or the family too.

From broken condoms to ruptured disks, the act of love abounds with hidden risks, and some that are obvious. Every schoolboy knows that disease and pregnancy are common effects of bodily communications. Still, despite well-funded awareness campaigns aimed at eliminating so-called social diseases and unplanned propagation, chicks continue to become unwittingly knocked up and business is booming at VD clinics and AIDS hospices nationwide. The statistics are well-documented and about as interesting as a Ben and Jerry's annual report—it's an old story; read about it in *Time*, *Newsweek* or *Playboy*.

"Hey pal, that monkey means the world to me; so you better be using a damn condom."

But what of the untold dangers that accompany the joy of sex? Where is the coverage of the man who slips and tears the cartilage in his knee while coming clean with his wife in the morning shower? Who has reported on the woman who suffers from migraines caused by impacted fillings in her teeth, which result from her skull repeatedly knocking into the headboard because an uninformed lover persists in banging her hard against the wall? And why has no television or print media warned the testosterone-addled thrillseeker who is fucking a hormonally turbo-charged girl in the back of an open-air '71 GTO, as a drunken buddy navigates the San Diego Freeway southbound, that such an activity is not to be classified as "safe sex" merely because a skin-thin latex barrier encases his impetuous shaft?

"As a nation, we are in denial of the potential for catastrophe in much of what we pursue as carnal gratification," warns Doctor Quinn Bustier of Palo Alto, California's prestigious Rant Corporation think tank. "We have an investment in our own ignorance. If irresponsible and potentially self-harming sex seekers were to objectively consider the consequences of each erotic impulse before acting upon the urge, our advertising, film, television and publishing industries would all be bankrupted, not to mention a drastically reduced need for family-law practices, psychologists, therapists and a large portion of law-enforcement and medical personnel. In short, the economy, the very infrastructure, of our country and society, and increasingly the civilized world as a whole, are based upon the fallout of unmindful sexual gratification."

While standing pat upon his grim picture of intertwined libidinal and self-destructive instincts, Bustier concedes that not every human is destined to be a victim of painful erotic folly. Just as the overwhelming majority of accidents that occur in the home could be avoided, so bad luck in bed is often the result of negligence, overeagerness, stupidity and failure to learn from past mistakes.

According to Saul Washerwoman, M.D., "Most of the hapless sensualists who end up in the emergency room are repeat blunderers. We've all heard tales of overachiever inverts who rush to a hospital in order to have an uncomfortably wedged Campari bottle or a suffocated rodent removed from their rectums. What is less commonly known," confides the veteran medic, "is that these fools for love are invariably back again within the month, always to extricate a bigger bottle or larger mammal than the one before."

"People who are sexually accident-prone fall into a few different categories," explains Oliver Wendell Homo, an author and researcher who is looking for a publisher brave enough to issue his extensive studies on the phenomena of injury in the line of booty.

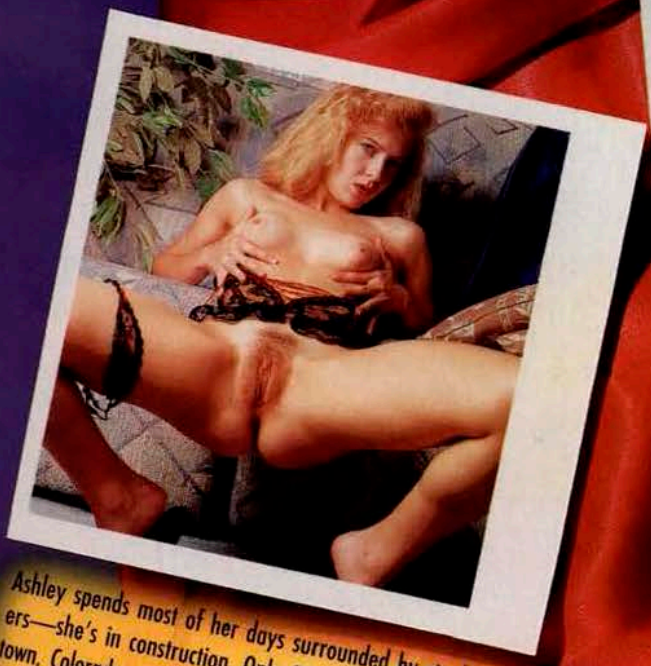
A pharmacy technician from Lincoln Park, Michigan, tantalizing Tori offers a new prescription for infertility. She likes all sports, but this 22-year-old admits a particular fondness for softball and wallyball. Speaking of wallyball, she fantasizes of having sex with a girlfriend and a stranger during a seventh-inning stretch. Beats buying peanuts and Cracker Jacks. ***Photo by Friend***



Ashley spends most of her days surrounded by steel girders—she's in construction. Only 20 years old, this Johnstown, Colorado, sexpot digs fast cars and horseback riding, and fantasizes about fighting another girl for the right to fuck a hot man. May the best mams win! ***Photo by Friend***

With a face this pretty, Kimmie must be a successful model in Chicago, Illinois. This 22-year-old beauty enjoys reading, traveling and the art of conversation. She dreams of a love affair with twins pulling a Doublemint train. Pure chewing satisfaction.

Photo by Friend

Although her eyes are half-closed, there's something intriguing about Baby's pose. Despite the youthful nickname, this Sioux City, Iowa, resident is 21 years old and studying to be a nurse. She likes traveling and restoring old cars, and dreams of driving to the beach for a sexy schtupping in the sand.

Photo by Friend

Residents of Summerville, South Carolina, might recognize bodacious Brittany as the town's finest dancer. She recently turned 21 years old and spends her days shopping and going to the beach. Her fantasy involves country-music star Clint Black and two words: *my way*. Sorry, Britt, that was Sid Vicious.

Photo by Friend

Of camping, waterskiing and sex, guess which hobby turns Shelly's butt the reddest? During the week, this sexy secretary sits on her butt in Gardnerville, Nevada. She's only 21 years old, but is old enough to grovel at the feet of a dominant woman. At least, that's her fantasy. ***Photo by Friend***

Earning high marks in body perfection, this student would make a terrific partner in Sex Ed. Her name is Kate, she's 25 years old, and she lives in Barberton, Ohio. She relaxes by flying, dancing and riding horses. She'd someday like to make love to strangers during Mardi Gras. Sounds fun, but it's always hard getting confetti out of the cracks. ***Photo by Friend***

With a body made for worship, Tracey must melt more than men's drinks when she dances in Liverpool, New York. A free-spirited 22-year-old, she appreciates a good ride, whether on a horse or motorcycle. In fact, Tracey fantasizes about being swept away by a man with a bike and feeling the vibrations of his machine between her thighs. ***Photo by Friend***

During the week, cuddly Kaitlin works as an administrative assistant, but on the weekends, this 24-year-old prefers camping and sucking cock. She lives in Decatur, Illinois, but would like to turn her sexual world upside down by having sex on a carnival Tilt-a-Whirl ride. Sounds great, unless you're riding in the car below.

Photo by Fiance

"I'd like to meet a strange man at a hotel room and have my boyfriend find us and join in," writes Renee, a 35-year-old firecracker from Hughson, California. This Debra Winger lookalike digs horseback riding and passing kinky notes to men in bars. By day, she's a mild-mannered certified public accountant who obviously taxes more than a client's income.

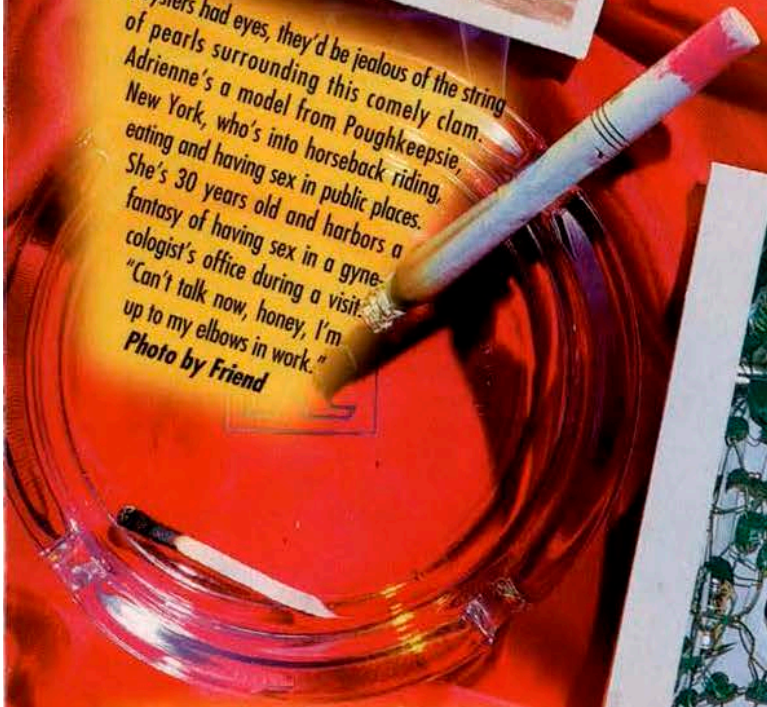
Photo by Friend

Compared to sturdy Elizabeth, the Golden Gate bridge may no longer be the finest structure in San Francisco, California. Dancing professionally keeps this 26-year-old in such fine shape, along with bodybuilding and sewing. She hopes one day to double her sexual pleasure by sucking off a man while another pumps her golden arches.

Photo by Friend

A salesman's life would be harder if women like Caroline answered the door. Although she lists swimming and sunbathing as her hobbies, they're also this 26-year-old's job—she's a lifeguard in Greensboro, North Carolina. Surprisingly, her fantasy is not sex on the beach, but rather making love in the rain. ***Photo by Friend***

If oysters had eyes, they'd be jealous of the string of pearls surrounding this comely clam. Adrienne's a model from Poughkeepsie, New York, who's into horseback riding, eating and having sex in public places. She's 30 years old and harbors a fantasy of having sex in a gynecologist's office during a visit. "Can't talk now, honey, I'm up to my elbows in work." ***Photo by Friend***



Deep in the heart of Houston, Texas, Ashley is anything but a lone star. She fantasizes about being gang-banged on the beach by at least four well-hung studs. A 36-year-old administrative assistant, Ashley loves to waterski, sail, sunbathe and skinny dip. ***Photo by Husband***

Fuck Disasters

(continued from page 110)

"All of the women I'd been going to bed with had been molested as children, abandoned by an absentee father or raped some time in their formative years."

"Mishaps often occur due to one participant insisting upon sex in forced circumstances—such as at awkward times or locations—despite the initial reluctance of the partner. This propensity is dramatically illustrated by the case of a Minnesota man who took his girlfriend ice fishing. Nothing was biting out there on the frozen lake; so to break up the monotony of the sport, this fellow talked his girlfriend into applying oral stimulation to his penis. Yes, the Minnesotan had been drinking—heavily. Oral sex alone was a foolhardy notion in weather so cold that a tall man's urine would freeze before it hit the ground, as this particular man's mate had a set of steel orthodontic braces on her teeth. Somehow, the two managed to engage in fellatio without the man's organ freezing to the metal in the woman's mouth. However, when the inebriated fellow sat to steady himself upon an iron-jointed wooden crate, he failed to anticipate the adhesion of his testicles to the seat upon which he perched. He jumped up to clothe himself at the approach of a forest ranger, and the ranger was kind enough to bring him in for embarrassing and painful medical attention.

"Another factor in damaging incidents," continues the indefatigable Homo, "is not realizing the inherent potential for harm. A somewhat large, but silent, portion of the sexually active population has suffered a strained penis when the male, in a flight of sexual bravado, hoists his woman into the air while she is impaled upon his shaft. In the heat of the moment, her buttocks elude his grasp, she slips from his handhold while in the middle of a vigorous downstroke, and her full weight thrusts upon his erect penis, a member that was never designed to support such a load. It bends in a way that it is not intended to bend and is, for all intents and purposes, broken. In such cases, ill-advised athletics result in a permanent redirecting of all subsequent erections from that man. His penis will point down when engorged, and it will hurt."

A more insidious root of harmful bed breaks is a subliminal tendency to pick bad partners. Wrong choices are not always so obvious as dipping into a clap carrier or thrashing beneath a 600-pound woman on a chair tested for 350. A more serious threat occurs when a pair of crotch hobbyists hook up despite, or because of, unacknowledged hostility from one partner to the other.

"I don't normally think of myself as a victim," states Alex Frosted, whose track record for *coitus traumatitis* includes severely burning the tip of a very sensitive appendage upon the lit cigar of a lady in question, puncture wounds from flopping upon the haphazardly strewn spike heels of an untidy slattern, unplanned piercing of the scrotal sac by the superfluous hatpin of an overzealous, overdressed blowjob artist, and a face-soaking blast of spray mace from a kinkstress who was fumbling with her keychain in order to release the handcuffs about Alex's wrists, "but I began to notice a pattern. All of the women I'd been going to bed with had been molested as children, abandoned by an absentee father or raped some time in their formative years. They weren't dishonest about it. To a chick, they all admitted to having issues with men. The deception came in when we agreed that because we had acknowledged and discussed the problem, the syndrome would have no bearing upon us, and we could go ahead and fuck freely. I should have known better. I mean, I'm smart enough not to let my woman get her teeth around my dick when I know I've done something that's really pissed her off."

The recent news story of Lorena Bobbitt, a Virginia woman accused of slicing off the penis of her husband, John, after he had put it to her against her will, should disabuse everyone of the fallacious security in the connubial arrangement.

"Whenever death occurs to one participant during a sexual tryst," gloats Henry Pinehard, director/producer of the much-quoted but seldom-seen documentary *Pussies That Kill*, "the police can never rule out the possibility of foul play. Intentional accidents will happen. To differentiate a false mishap from the real thing is very difficult; to convince a jury is next to impossible. We in the business," Pinehard goes on, slipping into the delusion that he is a member of some law-enforcement community and not just a fringe dweller, "refer to such deaths as 'uncontested divorces.' "

Although most experts agree that murder by copulation is exceedingly rare, some forms of sex are more hazardous that others. Aside from extramarital affairs, the trickiest course an erotic traveler can navigate is the tortuous maze of sex and the workplace. The possible ramifications of taking meat from where one makes his bread range from a plummeting professional standing to the devastating loss of executive-washroom privileges.

Telly Saliva, head of human resources for an international Fortune 500 conglomerate, has seen it all. "Let's start with the most innocuous consequence," suggests Telly. "Sleep deprivation. An up-and-coming guy, or a young gal on the corporate rise, is living with a full plate. They've got a routine that makes for a very busy day, which often spills over into the night. Only with the strictest time management can this pace be main-

tained. Then throw in a torrid love affair. People start to smooch and cuddle, and they decide they like it. They want to devote more than a few minutes a day to it, many more than a few minutes. Those minutes come out of where? Sleepy time. Makes for an easily distracted worker. People in love don't get promotions. Love is not a team-player thing.

"And what happens when lust erupts around the water cooler? It's dynamite—incredibly volatile dynamite. Hostilities, resentments and factionalism invariably arise. Let's say Junior Executive is screwing his secretary, or master mechanic is greasing the girl who answers the shop phones. Exec or wrench monkey, sooner or later he's going to stare a little too long at a piece of trim who is not the phone lady or secretary. This will not escape the notice of a woman who is in a position to dirty his lines of communication. The problem of a hypervigilant, jealous bedmate aside, think of the envy of any underlings who had coveted the affections of a girl who has now become the middle-manager's penis ornament. Will the underlings tend to sabotage and tarnish the image of their immediate superior? Only if they are human.

"Of course, subordinates can usually be squelched, with varying degrees of success, but what of the boss who'd had his eye on the thigh pie that has been snatched out from under his opened nostrils by the suavities of his personally groomed protégé? The man in the muff had better start looking for a new mentor.

"I won't even start talking about screwing clients. That's an entirely different can of worms. A few different cans of worms, in fact, depending on whether the dick owns the business or is merely an agent. It gets sticky. It gets messy."

Saliva views sexual relations the way a patient on a burn ward would look at an M-80. "I've seen too many people who keep stepping into the same shit," scoffs Telly bitterly. "I'm put off from trying to bone broads at all."

"Such are the basic aftereffects of erotic trauma," drones psychologist/sex therapist/radio personality/Roller Derby mascot J. Scott Great. "The complex, which we call Pee-Wee Herman Syndrome, manifests in the triggering of extreme neurosis whenever any erotic impulses are experienced by the sufferer. There is a course of treatment, but it is rigorous and must be maintained indefinitely."

The course of treatment? Either spend a few thousand bucks to get it from psychologist Great, or take it in a nutshell from Larry Flynt: "You gotta keep fucking until you learn to do it right."

Death for Dinner

(continued from page 108)

belly and stuffed it with dirt.

"Why bother trying him?" asked court-watcher Pauline Ishutina, the mother of one of Chikatilo's severely mutilated victims. "If they gave him to me, I'd tear him apart. My daughter had 46 knife wounds, and her womb was cut out. I'd gouge out his eyes. I'd do everything to him that he did to [her]."

In court, Chikatilo had to be kept in a metal cage for his own protection. Left unguarded, officials had reason to believe that he would not have survived the trial's opening day, during which bereaved relatives threw themselves at the cordon of soldiers surrounding the cage, while paramedics attended to those who fainted as the detailed charges against Chikatilo were read into the record.

Rostov Oblast Court Judge Leonid Akubzhanov argued that, based on the findings of state psychiatrists, Chikatilo was not only sane when he committed the crimes, he was a calculating, cold-blooded killer, who feigned madness in an attempt to avoid the death penalty.

Chikatilo portrayed himself as a tormented soul, driven insane by sexual impotence. He said that when he was a child, his mother had informed him that his elder brother had been cannibalized by neighbors during a famine.

He said that, as a prisoner of war during World War II, his father had been branded a traitor, and that it had caused Chikatilo such emotional distress that he had become impotent during his own tour of duty, which brought ridicule from the first woman with whom he fell in love.

"When I used my knife, it brought psychological relief," Chikatilo told the court.

Hoping to prove himself mad, Chikatilo raved wildly each morning, sometimes stripping naked and proclaiming to the judge that he was pregnant, that his breasts were filling with milk. He fooled no one.

"He understands that what he did was bad," says Alexander Bukhanovsky, a Russian expert in sexual pathology. "But that doesn't mean he's sorry. He's sorry only for himself."

"And now," said the Rostov Ripper upon sentence of death for his murderous appetite for blood, "my brain should be taken apart piece by piece and examined so that there won't be any others like me."

"Forget about the ten-speed bike. What Mary Ellen's really gonna need is disposable diapers!"

AFTER MORE THAN 20 YEARS . . . THE ORIGINAL SUPRA-12

PENIS ENLARGER

Reg. $39.95 REDUCED TO $22.95 plus FREE VIDEO

YOU CAN ENLARGE, THICKEN & HARDEN YOUR PENIS TO IT'S MAXIMUM! HAVE ERECT MEASUREMENTS OF 9, 10, EVEN 12 FULL INCHES!

Is the size of your penis bringing you down? Want to "hang out" where the big boys do? In the neighborhood of nine, ten, eleven inches or more? Then wrap your fist around this hot new package offer which includes the very latest in vacuum pump design and the world's first "personal trainer" video on penis enlargement!

DESIRE IS NOT ENOUGH

The world is literally full of men who have tried to increase their genital measurements – and have failed miserably. The secret of success lies in personal professional instruction such as that supplied by our **SUPRA-12 SYSTEM.** Here in step-by-step easy to see and understand techniques you will be guided on the path to success! Now, with a simple device you can follow in the footsteps of over 3 million men who have proven that there is a way to **INCREASE PENIS SIZE** and **THICKNESS!** A safe and proven natural way to add inches to penis length and thickness.

OVER 3 MILLION SATISFIED CUSTOMERS

4 GOOD REASONS YOU SHOULD OWN THE ORIGINAL SUPRA-12 SYSTEM!

1. *We must be doing something right! Over 3 million customers have been satisfied with SUPRA-12.*
2. *The original and oldest in the field (over 20 years). Every pump made in the U.S.A.*
3. *The only pump made with our exclusive (patent pending) SUPRA-VALVE . . . for superior vacuum and suction.*
4. *The only affordable, quality electric pump available in the world!*

HOW CAN THE SUPRA-12 VACUUM ENLARGER INCREASE PENIS LENGTH & THICKNESS?

The male erection results from the flow of blood (triggered by stimulation) into hollow chambers inside the penis. As these chambers fill, the penis grows in diameter and length until the chambers are filled to capacity. By increasing the capacity of these chambers (making them bigger), they can hold more blood and the result will be a **LONGER, THICKER PENIS.**

The **SUPRA-12** Vacuum Enlarger is the very zenith of technical perfection – the latest in design and comfort – nothing short of "miraculous" in the way they allow you to **ACTUALLY SEE YOUR OWN PENIS** grow inside the clear, picture window sleeve. Immediately you'll see just how really **BIG** . . . how really **FAT** . . . how **LONG** . . . how **HARD** and **STIFF** your own penis can get!

SUPRA-12, THE "ROLLS ROYCE" OF VACUUM ENLARGERS.

These sophisticated instruments are by far the state of the art in penis enhancing machinery. The HEAVY DUTY MANUAL model is a finely crafted precision instrument designed to create the vacuum needed to make the male organ **LONG** and **THICKER.** And for the connoisseur, the powerful ULTRA DELUXE ELECTRIC model (U.L. approved) is equiped to give you continuous even sucking power until you shut it off! The ULTRA DELUXE ELECTRIC is perfectly safe and as quiet as a whisper.

Accept no substitutes!

YOU OWE IT TO YOURSELF . . . TO YOUR SEX PARTNER . . . TO YOUR SELF-ESTEEM . . . JOIN THE COUNTLESS OTHER MEN WHO STARTED OUT "AVERAGE" OR "BELOW AVERAGE", AND LEARNED ALL ABOUT MAKING A "BIG" IMPROVEMENT IN THEIR SEX LIVES!!

NEW, IMPROVED ELECTRIC MODEL

Plug-in electric pump provides constant vacuum you control! Complete vacuum occurs gradually for safety and provides relentless vacuum without any physical effort. Ultimate in vacuum pump luxury!

"The quality remains long after the price is forgotten."
Sir Henry Royce (Rolls Royce)

SCOTT TAYLOR TAKES YOU STEP-BY-STEP AND SHOWS YOU HOW TO ENLARGE YOUR PENIS!

He'll show you what phenomenal increases he has made in both the length and diameter of his penis. See photos above. This video tape is a full color, detailed, step-by-step explanation by Scott of what you need to know to increase your own genital size.

FULL DEMONSTRATION BEFORE YOUR EYES! ANSWER ALL YOUR QUESTIONS!

★ Find out exactly what is happening to your penis to make it grow longer and thicker!
★ Discover what the enlargement process really feels like!
★ Find out how big you can expect your penis to get!

I LIKE IT
HOT, WET & KINKY
I'm a pro, and I know just what I like. I like it hot, wet & kinky. I may look young & innocent, but don't think I haven't seen it all. I do it with boys, I do it with girls, and use your imagination after that. (Publisher's restrictions prevent me from giving further details.) If you'd like to see me at my professional best, send $3 for a sample photo set to: Sabrina Kingsley, PO Box 6390-J31 Wheeling WV 26003. P.S. Don't confuse this ad with others like it. NEXT MONTH IN HUSTLER

January HUSTLER on sale November 23, 1993

ADVANCE TO THE REAR

HUSTLER in January blasts into 1994 with a ball-blowing squack attack for the new year. Mix it up with a 19-year-old college freshman painting the town pink after stripping down to her tight, skin canvas; feel-test two au-naturel babes exposing expanding, hands-on horizons in a private neck of the woods; grab onto a bubble-breasted, body-surfing sports model draining a muff-diving lensman's bursting beach balls; conjure the dark side of passion with a black-tailed beauty; and give a hand to a golden Amazon buffing her titanic top, bodacious bottom and record-length, lithe legs. An eyeful makes a handful in HUSTLER in January. Open wide.

GUN CRAZY

According to statistics, roughly half of American households possess firearms, and Americans use handguns 645,000 times per year to defend themselves against criminal attack. That's once every 48 seconds. Historically, Americans have used firearms to protect themselves from political oppression. Increasingly, however, Americans are seeing a darker side to their relationship with firearms. Roughly 20,000 citizens per year are murdered with guns; more than 12,000 commit suicide with the deadly weapons. The fight between pro- and anti-gun groups centers around the Second Amendment to the Constitution of the United States: "A well-regulated militia, being necessary to the security of a free state, the right of the people to keep and bear arms, shall not be infringed." *Rights Under Fire*, by writer James W. Harris, ratchets the likely gains and casualties of the impending Constitutional crisis.

KICKING GIRLS WHO'RE DOWN

There are currently more than 48,000 women in state and federal prisons in America and approximately 40,000 more in city and county jails, according to federal prison statistics. Incarcerating tens of thousands of women has left an estimated 167,000 children motherless; corrections officials are unprepared for the special medical and rehabilitative challenges posed by female prisoners, and incidences of sexual assaults upon women behind bars, oftentimes committed by those employed to guard and protect them, are skyrocketing. Writer Robert Williamson reveals the appalling, violent circumstances facing female cons in *Jailed by Gender*, a hard look at the women brutalized by the Federal Bureau of Prisons.

FILLING THE GAPS

No fuss, no foreplay—sound like the perfect fuck? "Fast, No-frills Fucks," HUSTLER's *Sex Play* for January, comes courtesy of writer Donna P.; *Hot Letters* gets the pleasures of prurient pursuits letter-perfect; *Beaver Hunt* puts America's best faces forward; and *Bits & Pieces* takes a crack at the dirtiest jokes of 1994. HUSTLER in January pulls out all the stops. Start it up.
