BITS and PIECES

ASSHOLE OF THE MONTH

Some things go together, like cigarettes and cancer, blood and urine, and Lorena Bobbitt as March 1994's HUSTLER Asshole of the Month. How can Cupid, as he takes his practice shots in the weeks approaching Valentine's Day, aim his arrows at lovers' hearts when he knows that Lorena Bobbitt has taken a 12-inch kitchen knife to her sleeping husband, John Wayne Bobbitt, and sliced off his penis?

Lorena Bobbitt delivered her bloody Valentine during the early-morning hours of June 23, 1993, then took off in her Mercury Capri, clutching the totem of affection she had severed from her husband's torso. Apparently tiring of the still-warm memento, fickle Lorena chucked her husband's chopped penis out her car window and sped on toward tabloid celebrity.

John Wayne Bobbitt's disconnected segment, located intact upon the roadside, was reattached in a touchy operation that lasted nine and a half hours. Miraculously, John Wayne regained the ability to piss while standing, and he may live to fuck again, but his cock-carving wife was not done with him.

Before his stitched-on shank had healed, John, 26, had been charged with marital sexual assault. Based upon the word of a woman so impulsive that the sight of an everyday cooking utensil compelled her to amputate her husband's dick, Bobbitt faced 20 years in prison.

The 24-year-old Lorena spun a tale of abuse, violence and rape that had recurred throughout the couple's four-year marriage, a union

that included a yearlong separation and police housecalls. Lorena told her story to a news-lite television program and to the press in a puffy *Vanity Fair* profile. So intent was Lorena upon poking her version of events into the public eye, while grabbing a clump of dollars, that rather than seek professional counseling after the traumatic dismemberment and alleged rape, Mrs. Bobbitt signed on with a publicity firm to sell her story. Not everyone, however, bought the red-handed wife's spiel. When Lorena presented her claims in court, a jury of nine women and three men acquitted her maimed husband of all charges.

Lorena Bobbitt, a victimizer, has cashed in by marketing herself as a

victim. If her life were lived on a grander scale, instead of as a pilfering, 5-2, 95-pound maimer, Lorena's self-portrayal would be tantamount to Adolf Hitler claiming that he had suffered emotional hurt due to a propaganda campaign hatched by a conspiracy of predatory Jews.

Lorena's pattern of deceit seems to be encoded in her DNA. She admits that she kipped \$100 from the wallet of a friend of John's on the morning prior to cut-off day. She stole products for her own commercial use from the nail salon of her friend and employer, apologized for these thefts, then embezzled more than seven grand from the same friend. She was nabbed shoplifting dresses from Nordstrom's. Lorena's

reported motive for most of her thieving was "to please John." Her own satisfaction, however, sounds paramount in a statement she gave police after removing the root of her husband's happiness: "He always have orgasm, and he doesn't wait for me to have an orgasm. He's selfish. I don't think it's fair; so I pulled back the sheets, and then I did it."

Rape-crying Lorena's credibility is further depleted by an emergency-room doctor who found no signs of recent trauma or intercourse during an examination on the morning of the "incident." The prosecution presented a pair of Lorena's panties that had an eight-inch rip, "indicating there was some force used." Morris S. Clark, a forensic scientist with the FBI for nearly 25 years, disagreed, saying the panty tear had been started with a pair of scissors.

"[John] said that I will not be able to raise a child for some reason," plead Lorena, as one more excuse for swiping his baby maker. "I will be a wonderful mother." Lorena is potentially the kind of mother who burns a kid's fingers for playing with its food, providing the perfect upbringing for a Son of Sam or some other lying, thieving, sneak-mutilating adult such as herself.

Ex-Marine John understates his wife's case: "This is an act that a normal person wouldn't commit."

Lorena is not a normal person. She is a TV-screen poster child. As such, Mrs. Bobbitt will undoubtedly receive less time than the 20 years allocated for crimes such as hers, but she will be a cutting-edge Asshole for the rest of her life.

Kim Gandy: As executive vice president of the National Organization for Women, Kim Gandy could be expected to have a certain bias. Her reaction to John Bobbitt being found innocent of raping his wife, Lorena, however, exposes a positively rectal slant. The verdict, according to Gandy, "discourages women and gives men a free ride in marital-rape

Farts in the Wind

cases." To imply that Bobbitt, whose penis has more stitches than a 200-thread sheet, got a "free ride" is absurd. Gandy presumes the defendant was guilty, though he'd been found innocent. Assumption makes an Asshole out of her.

Paul B. Ebert: A prosecuting attorney for Prince William Common-

wealth, Paul Ebert prosecuted the John Bobbitt spouse-rape case. He's also scheduled to prosecute the malicious-wounding trial of John's wife, Lorena. Following John's acquittal, Ebert remarked: "I personally believe he did rape her." Will Ebert call himself as a witness in Lorena's defense, or will he simply testify that he is an Asshole?

Whoever Said It, Spread It.

Just because a girl takes her clothes off, sucks dick and eats cum on camera doesn't mean she's a ditz. *Au contraire!* Porn girls are bright women, blessed with wide-open outlooks on life. To take the HUSTLER reader inside the mind of a professional fucker, we've devised a thought-provoking game. Match the quotes culled from interviews in HUSTLER EROTIC VIDEO GUIDE to the

cum-swiller who spit it out. Send entries to *Quotable Cooze Contest* c/o HUSTLER Magazine, 9171 Wilshire Boulevard, Suite 300, Beverly Hills, CA 90210. The first 25 readers to match all six correctly will win a mini-subscription (three recent issues) to the EROTIC VIDEO GUIDE, where anything might come out of a girl's mouth. Good luck, sharpen those pencils and begin.

1. "I want to be thought of as a lady."
2. "Other than someone pissing on my face, I can't think of anything I won't do."
3. "Sex is like riding a bike: You don't forget how to do it."
4. "I like guys who make me laugh. I like to laugh. I'm nice if you're nice to me."
5. "I'm not an actress. I fuck for a living. It doesn't bother me in the least when people call me a slut."
6. "Just because I'm sex-obsessed doesn't mean I don't have good old, American values."

1993 Beaver Hunt Grand Prize Winner!

The readers have spoken, and they've apparently shot more than their mouths off about fantastic Felecia, a 21-year-old dancer with a body made for digestion. Congratulations to the fairest Beaver of them all!

Felecia, a resident of Los Angeles, California, embarked upon a budding porn career after being flushed out in the July '93 *Beaver Hunt*.

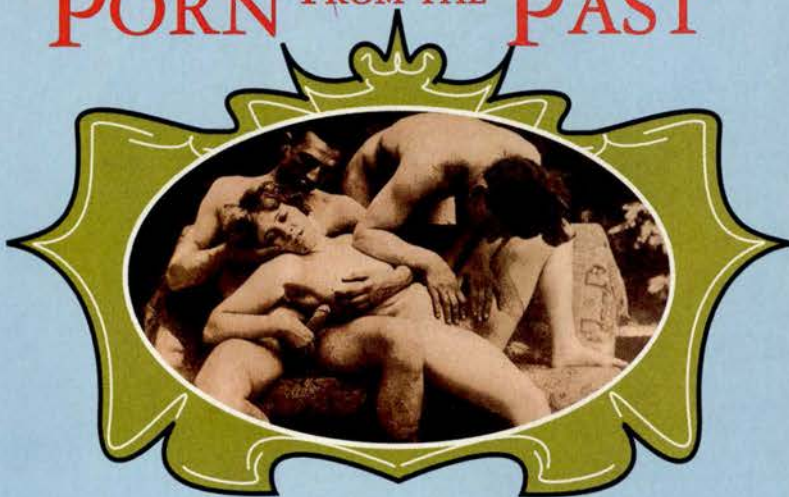

Inside the hallowed HUSTLER halls, our heroic publisher presents Felecia with the \$5,000 Grand Prize check.

The rest of us receive our prize next month, when Felecia earns her money in front of the camera, in a pictorial guaranteed to raise a sweat.

PORN FROM THE PAST

During the Depression, when unconsciousness was a cool foreplay technique, men often shared a girl as a way of conserving energy. Judie B. wins \$150 for this naughty bit of nostalgia. CULTURE

CRASH This month's entry into the rock 'n' roll Hall of Defame is The Voluptuous Horror of Karen Black. This New York-based rock/performance art troupe mixes campy theatrics (left) with a stripped-down, glam-punk presentation both melodic and macabre. Frontwoman Kembra Pfahler also took satire and sewing to new depths when she collaborated, with underground auteur Richard Kern, on a ten-minute film called *The Sewing Circle* (right) wherein she mocked Right-to-Life activists by sewing her pussy shut stitch by agonizing stitch. Since the late '70s, HUSTLER has offered \$1 million to selected celebrity ginchies in exchange for a deep, long stare inside their pussies. This is regarding J. S. of Centralia, Illinois, who wrote to *Feedback* ("Busted Beaver," *Feedback*, January '94). J. S., I do not in any way consider you a tramp for appearing in HUSTLER. I thank you for sharing your beauty with me! In my eyes, you are the perfect lady. My sweetheart of 25 years loves to pose for me, and it has kept us feeling young and exciting. We send you our best wishes. Thank you for being in HUSTLER. The lady is not a tramp!

Make Amends

I've been receiving your great mag for almost two years here at Graham Correctional Center. Today I had to go to the publication review board because of HUSTLER's 1993 Holiday Issue. They refused to give me this edition because of what they said was an advertisement showing the Ku Klux Klan burning a cross and the victim asking for a Bud Light ("Make It a Bud Light," *Ad Parody*, Holiday Issue '93). I was very pissed off! I want my damned magazine! Is what they did legal?

—J. S.

Hillsboro, Illinois

Too often, J. S., what is legal is whatever the lawman does.

Black Attack

Why don't you have any black women in your magazine? I want to see black pussies and asses. Can you start putting them in? I sure would be happy. Please let me know when you're planning to put black women in HUSTLER.

—K. F.

Wilmar, Arkansas

Jade, who appeared in HUSTLER in January 1994 (Jade: Black Box, January '94), is the latest black beauty to grace America's magazine.

Here's Hoping

I enjoy reading HUSTLER. I notice there

are no white ladies who are a little overweight in your mag. I'd love to see that. My wife would also like to see white men with uncut penises in HUSTLER. Can you do that for us? We like to see something a little different than the same old thing every month.

Fired Up

I'm a young woman who's been reading HUSTLER since 1979, and I must say that HUSTLER Magazine is better than ever. A few suggestions: more closeups of big, hard dicks about to enter wet pussies and more and hotter stories written to be read aloud. I like HUSTLER's stories, but they are written more for printed media than spoken voice. I'd love to have my lover read nasty stories to me while we got off; but sometimes the language in the movie reviews section is hotter than the *Hot Letters*! As a devout follower of oral tradition (in the broadest sense), I think HUSTLER's stories could be improved by changing the word choice and grammar to match storytelling rather than written narrative style.

Bubble-icious

I have a little problem I hope HUSTLER can help me with. I have a fetish for women who chew bubble gum. I am not sure why, but women blowing bubbles really turn me on! There is nothing sexier to me than a beautiful lady blowing wobbly, pink bubbles. I've been looking around on my local newsstand, but I can never find any magazines that feature nude pictorials like that. Could HUSTLER do more layouts that would have women blowing bubbles in them? It would make me very happy!—J. P.

I am a person with a very serious foot fetish. I love to rub, kiss, smell and simply see women's feet. I can do things to women's feet that most people wouldn't even think possible. BLINDED BY LOVE

Three-Quarters Erect. Directed by Michael Craig; starring Leena, Mike Horner, Debi Diamond, Crystal Wilder, Steve Drake, Steven St. Croix, Terry Thomas and Krista. Videocassette: Odyssey Group.

Smut directors are forever trying to make their splorch videos appear to be more than a mere series of cum splats, and *Blinded by Love* is one effort wherein the

attempt is appreciated. While no one will mistake *Blinded* for a real movie, not with its cast of inveterate cum performers, creative limitations and gratuitous slops of semen to face, the film noir story of criminals and betrayal is almost realistic and always fast-paced. The sex stars remain true to the characters they're portraying throughout the production, particularly Leena as a blind woman who thinks Mike Horner is cute. Best of all, the sex is all hot: Steve Drake and brunet savory Krista work off excess adrenaline with a milky release to tits and mouth; sensitive fucker Horner makes finger food of Leena's full-plate snatch; Crystal Wilder goes pogo on Terry Thomas's prong; Debi Diamond flings herself face-first on Steven St. Croix's wad spout, and he juices it in her mouth; and Krista and Leena squirm upon a billiard table, playing pudenda-pocket pool with a dildo and a strap-on. *Blinded* is an eye opener.

—Christian Shapiro

Leena squirms playing pocket pool.

Diamond flings herself on a wad spout.

THE SERPENT'S DREAM

Three-Quarters Erect. Directed by Jim Travis; starring Deidre Holland, Alicia Rio, Kiss, Crystal Lea, Mark Davis, Jon Dough, Rocco Siffredi and Jonathan Morgan. Videocassette: VCA.

The snake is the most phallic creature known to man, and those of us who have one swinging from our groins know what type of entertaining notions go through the hot-blooded reptile's head while it's in hibernation. *The Serpent's Dream* is a panoply of slinky visions: the natural boobies and tidy snatch of debut blonde Crystal Lea who jerks a cobra cock's venom straight into her open mouth; a real, live python slithering upon the softly rolling landscape of Deidre Holland's flesh; Alicia Rio melding with Deidre into one groping, caressing blend of pussies and ass; Rocco Siffredi's puff-adder penis making a hole its own; one screw that's not as good as the rest; and avid fucker Alicia Rio capping an energetic twist with Jon Dough by letting his viper spit straight onto her tonsils. This *Serpent's Dream* will wake up snoozing rattlers. —C. S.

Dream will wake up snoozing rattlers.

WICKED WOMEN

Three-Quarters Erect. Directed by M. Stone; starring Celeste, Woody Long, Peter North and Felecia. Videocassette: Moonlight.

Wicked Women is actually a promo porno for a single wicked woman, and that Miss Nasty is the amazingly ample Celeste. Even on the small screen of video sex, Celeste is a big-screen woman. She's got big airlift boobs, a big cream-smooth ass, big long legs, big brunet hair, a big flirty smile and a big appetite for being the center of attention for whatever big dicks or little pussies are around. Celeste's big, beauty-imbued face, the kind of mug that shows up on the wives of guys who make a million dollars a year and are thoroughly respectable, takes big shots of ball slop from the big veiners of Woody Long and Peter North. Woody and Peter each put in a big share of giving the big sex fan a big tandem fuck, a double big boning that is the biggest source of pleasure in *Wicked Women's* deceptively light count of three sex scenes, each of which is a vehicle for Celeste's wickedly large ability to make viewers big. —C. S.

LOOPHOLES

One-Quarter Erect. Directed by Jim Enright; starring Rebecca Bardoux, Gayle Michelle, Tiffany Mynx, Crystal Wilder, Debi Diamond, Jonathan Morgan, Joey Silvera and Peter North. Videocassette: Total Video.

The big question is, "Does any rational human being really feel the need to speculate on what goes on behind the oaken doors of the legal profession?" More to the point, does anybody really care? Not awaiting answers, the folks at Total Video give us yet another examination of legal scumbags, rampant greed, infidelity and revenge. Oh, yeah, there's sex too. Of interest is Gayle Michelle's marble-in-margarine clit and her ability to take a cum-shot right between the eyes; Debi Diamond's sloppy, saliva-dripping blowjob on Terry Thomas; and Rebecca Bardoux's bubble-blowing buttfuck by Peter North. The rest of the sex is by-the-numbers exercises that the pornophile has witnessed countless times before. Not a total waste of time, but the next best thing. —Dove Linkhorn

Loopholes: Does anyone care?

BUTTMAN 'DOUBL AD' TUR

Half Erect. Directed by John Stagliano; starring Kristal Rose, Tiffany, Jaguar, Anne, Tania, Luciana, Sylvia, Tabatha, Tianna, Johnny King, Felipe and Joey Silvera. Videocassette: Evil Angel.

This tepid tax write-off that doubles as a John Stagliano porn movie is evidence that all Brazilian women have butts the shape of a Hyundai hatchback. Also evident is that Stagliano has never met a minute of footage he didn't like. Only three fully realized sex scenes are squished into these bloated two hours, complemented by enough pouting and preening to pack a year of late-night phone-sex ads. The pace of this film sucks about as much as doughy Annie, a bubbly Brazilian who slurps the cream from Felipe's coconuts moments after he's removed his trunk from her hairy asshole. For those whack travelers curious about Brazilian bimbage, check out the greasy skin and hairy legs of Luciana, Sylvia and Tania, three South-of-the-Equator sluts who'd each make great fucks after a quart of rum, but leave little to be desired when endlessly spreading those casa-ba cheeks for Stagliano's overeager camera. Joey Silvera's attempt to handle these three ginches pays off in a near heart attack and a measly retch of dick vomit upon one of the waiting asses. In the end, the *Buttman* schtick wears thinner than a broken condom; perhaps this director needs a vacation from his vacations. —Seth Roberts

Buttman needs a vacation from his Adventure.

THE FRENCH INVASION

One-Quarter Erect. Directed by Harold Lime; starring Rebecca Bardoux, T. T. Boy, Sharon Kane, Julian St. Jax, Scott Turner and Nikki Shane. Videocassette: LBO Entertainment.

An often-lied-to class of consumer surveys the opening credits of *The French Invasion* and is promised Rebecca Bardoux "and an all-star cast." How, we wonder upon completion of the viewing process, does the dictionary over at LBO define the word *star*? Though the ladies of *Invasion* are probably fine humans and would be totally pleasant to meet at the corner pissoir, or in the alley behind, after ten beers and a couple of shots, none of these bare-it-and-share-it women exude the screen presence that is expected from a so-called celestial body. The French humps are mostly stolid and rudimentary, all done by common Americans whom good patriots can see every day in better fuck tapes. A few rank, facial cum lops, a crude bit of anal stuffing and a white boy's wad pouring from a blond bim's asshole to drip down a black dude's balls are the only parts of *The French Invasion* that will infiltrate the skeptical carnal consciousness. —C. S.

—HOW MUCH IS A ROOKIE PORSCHE—LYNN WORTH?

The line of porn fanatics stretches along Melrose Avenue in Los Angeles for the premiere of the second edition of the Video Vixens trading-card series. As the doors of the Golden Apple comic book store swing open, the crowd pushes inside for a chance to meet Nina Suave, Misty Rain, Vixxen (left), Crystal Wilder, Rebecca Wild (above), Danyel Cheeks, Kimberly Chambers, Alicia Rio, Porsche Lynn, Madison and Shanna McCullough. For \$20, each fan received a set of trading cards, the chance to win an uncut card sheet and an Adult Video Association T-shirt. After the show, fans who stuck around were treated to the sight of Nina Suave pulling up her dress and flashing her bare ass at the passing traffic in the evening's only stab at nudity. As the crowd thinned out, the stars retired to the Hard Rock Café for drinks and dinner. So what's it like signing hundreds of autographs for the drooling masses? Alicia Rio said it best: "It's not bad; I got high from the fumes off my Sharpie pen. I loved meeting all the fans. Without them, we're nothing." And cynics think these girls are a bunch of stuck-up bitches.

MIDSUMMER LOVE STORY

Half Erect. Directed by Jourdan Alexander; starring Deidre Holland, P. J. Sparxx, Persia, Melanie Moore, Jeff James, Nick E., Eric Star, Bob Verna and Tim Lake. Videocassette: Western Visuals.

Midsummer Love is a slow-moving story of little interest. Each of the six sex scenes is seized by director Jourdan Alexander as an opportunity to advance the plot, but it isn't going anywhere, and anyone who wants to go nowhere with it is given ample portions of clothed, stilted narrative. Most viewers would rather go to the squirming bed antics of handsomely maturing Deidre Holland or to the cunt quivers of P. J. Sparxx as she's eaten and plowed, or to the plugged asshole at the center of Persia's mounds of brownness. Hell, even the vaguely scaggy blonde who brings a professional groan from munch-box Sparxx is more interesting than this tale of real-estate salesmen and a secret wine recipe. *Midsummer* is a mid-bummer. —C. S.

Midsummer is a mid-bummer.

Danube: Hungarian women are bushy, vicious fucks.

DEPRAVITY ON THE DANUBE

Half Erect. Directed by Patrick Collins; starring Stephanie, Gyongyi, Anjela, Elisabeth, Angel, Eva, Lara Lambkin, Rick, Mike Dani, Niki, Zolkin and George Saiber. Videocassette: Elegant Angel.

Hungarian women—at the risk of employing an insensitively offensive ethnic stereotype and belittling the wide spectrum of cultural diversity that exists in the world—are reputed to be vicious, filthy fucks. Perhaps having heard this supposition, scum vivant Patrick Collins trekked to some city in Hungary, carting a camera, some tape and, one can only assume, however much cash it took to coax a bevy of recently liberated Commie-raised hunkies to drop their panties the way they spread the iron curtain and open themselves to be penetrated by free enterprise in action. The chicks are all eager, and many are pretty enough, but most lack such refinements as sun-booth tans, press-on nails and surgical chests. *Depravity* includes an orgy of sickly looking, shower-deprived Eastern Bloc-heads during which an old guy claps a paw over his greasy mouth so he won't cry out as a raggy doll with a hideously discolored thatch of head hair sucks his gray dick and a girl puts a lighted candle in her twat—flame end out. The twats are bushier, but the *Depravity* is flat. —C. S.

DEEP INSIDE NINA HARTLEY

Half Erect. Directed by Wesley Emerson; starring Nina Hartley, Alex Jordan, Marc Wallace, Britt Morgan, Eric Price, Mike Homer, Randy West and Peter North. Videocassette: VCA.

A Nina Hartley compilation tape will definitely be cause for celebration among that legion of totally obsessed fans of a woman whose butt has been one of the brightest bubbles of bun flesh ever to squat upon the face of porn. These Nina totalists will undoubtedly be enchanted by *Deep Inside Nina Hartley's* interview segments, in which Nina, hair all done up, big, blue eyes rolling, discusses her sexual awakening, lesbo and hetero pussy-eating, sexual sensitivity in men, her introduction to the cum industry, etc., etc. The rest of us will note that if Nina talked well enough to get paid for it, she wouldn't have been boning for a living during the past ten years. Fuck talk, and watch her fuck. The half-dozen humps of *Inside* illustrate Hartley's cunt-munching enthusiasms as well as her decade-honed, usual standard of dick-handling professionalism. A wonderfully packaged collection for the Hartley aficionado, except he has all this stuff already. —C. S.

Hartley: Fuck talk, and watch her fuck.

ORAL MAJORITY 10

Half Erect. Directed by Robert McCallum; starring Alex Jordan, Samantha Strong, P. J. Sparxx, Melanie Moore, Lynn Lemay, Carolyn Monroe, Peter North, Cole Stevens, Tom Byron and Ted Wilson. Videocassette: Western Visuals.

The tenth installment of this jaw-breaking series provides scene after scene of lengthy blowjobs, with each woman's lips wrapped elegantly around a prick and her eyes glaring through the camera and into the viewer's living room. The lonely whacker will believe that Alex Jordan, Samantha Strong, Lynn Lemay et alia are actually staring right at him, beckoning him to the TV screen to bathe his private stable of girls with gooey glass polish. The level-headed viewer, however, will recognize this feature to be a collection of outtakes from other movies where sucking cock just happened to be the best part of each sex scene. Lemay may be older than Christ, but she still fucks like a hooker who aims to please. Byron rewards her efforts with spew from his fountain of youth across her maternal face. Melanie Moore actually smiles while sucking Cole Stevens's dick, until he shoves said schlong into her butt and finishes with a blast up her nostrils. Carolyn Monroe makes this tape's best moment, locking her baby blues into the lens while wedging a dick between her lusciously large buttocks. Jordan bookends the collection, sucking a cock to open, and downing two flaccid members to close, this collection of sometimes good, but mostly standard, porn filler.

—S. R.

Oral: Jordan starts things with a blowjob.

Alana

Barbie's Older Sister

She's a woman of "a certain age," which is good news for the porn fan who is sick and tired of the seemingly endless parade of giggly, 20-something hardbodies. Which is not to say that Alana is some haggard-out Pillsbury Dough Bitch—more like a mature Barbie doll with shades. She's no fly-by-night twinkie, either. As she tells it, "I did a cover for CHIC in August 1983. I think I still have the same legs and rear." And if gravity's taken its toll, we're not complaining—she can still throw a nasty fuck. "I have two movies that came out in October," says Alana. "One is *Alana's Fantasies*, which is my first gang-bang. There are more cum-shots in that movie than there are in ten other movies put together! The other one is *Alana and Her Toys*—no men, just me and my toys." Asked if she has a favorite performance, Alana is quick to answer: "*Two Sisters* (Western Visuals) will always be my favorite. I did things with that lamp-post that...well, you know." And even if we didn't know, we wouldn't really care.

Photos: left, Dove Linkhorn; right, *Anal Avenue* (Las Vegas Video).

TRUTH OR DARE

Totally Limp. Directed by Bud Lee; starring Hyapatia Lee, Crystal Wilder, Patricia Kennedy, Marc Wallace, Randy West and Terry Thomas. Videocassette: Vivid Video.

Contained within this video are four excellent reasons to suspect that porn is in its death throes. Actually, there could be more than four reasons, but director Bud Lee (mercifully) elected to include only four sex scenes in this excruciating tale of a group of whiny suburbanites pondering their existence through a game of truth or dare. The overall effect is like watching a particularly angst-ridden episode of *thirtysomething* through a Thorazine haze. Witness Marc Wallace and Hyapatia Lee's catatonic scene or Randy West and Patricia Kennedy's cum-and-condiments kitchen encounter. Crystal Wilder and Terry Thomas try their best to inject some heat into their scene, but can't overcome crappy camera angles and the reflections coming off a glass-topped table. The closing orgy is sure to turn off any desire to engage in or witness group sex ever again. Still, there are some humorous moments: Marc "I'm Not a Rock Star, I Just Wanna Play One on TV" Wallace limping through his scenes in a leg brace and Patricia Kennedy's increasing resemblance to Olive Oyl. High-concept fare for the mentally impaired.

FEEDBACK

(continued from page 15)

cum-gargling faggots! This is not an alternative lifestyle and cannot be allowed to progress any fucking further! These are mutant pieces of shit that should be disposed of at birth! The male sex is being trashed to the point of embarrassment. Our children cannot be subjected to this so-called alternative lifestyle. If it's not on a woman's body, then it ain't for fucking!

I don't wish to violate any censorship or discrimination laws, although I don't believe these mutants are a part of any race, color, creed or sex. I would appreciate your opinion on whether or not we can reverse the growth of this subhuman species!—T. W. Vallejo, California

HUSTLER's completely behind you in your quest to stop homosexuality in its tracks, T. W. Only problem is, decent people like you keep bringing them into the world!

Small Stands Tall

I'm a housewife and mother of three kids. My husband buys HUSTLER, and we read it together. There's one thing that almost hurts me to see each issue: not seeing any women pictured as beautifully small-breasted. I know HUSTLER wishes to picture women that will satisfy its readers, and I understand that. But many readers are females who enjoy HUSTLER alongside their partners. I breastfed for three years, and my chest became very small. People judge the female by her chest size the second she enters a room and can be very cruel to the small-chested. I have experienced direct questions about my chest in front of a roomful of people more than once. It hurts, and I cry.

I guess my point is that if HUSTLER pictured more women of smaller sizes, maybe us females who aren't so fortunate will one day be considered pretty or normal, and some women readers would feel more comfortable. We'd see that you don't have to be big to be beautiful. When I finally can get my chest enlarged, I'm going to a photographer and having pictures done for my husband. Maybe I'll send you one! —P. P. Portland, Oregon

HUSTLER believes beautiful breasts come in all sizes, P. P.! Most often it's the models who prefer to be large-sized, not due to HUSTLER's proscribed artistic standards. HUSTLER model Lori (Lori: Virgin on the

Verge, February '94) is evidence that beauty is not measured by bust alone. A petite-breasted lady won HUSTLER's Beaver Hunt 1993 Grand Prize Competition; her photo feature appears this April. It's a knockout!

Canook Makes Good

I'm a 32-year-old male in Calgary, Canada, and I'm pissed off at J. M. from Rhode Island ("Good Read," *Feedback*, October '93). I open HUSTLER to enjoy the humor, the pictorials, the articles and *Feedback*. I get tired of assholes like J. M. complaining about HUSTLER's contents. Pricks like

him should get off their fucking high horses, take a Valium and leave HUSTLER alone! I have a deep respect for women. It's their right to do as they want with their bodies. Why doesn't J. M. go bother Madonna and get the fuck out of HUSTLER? —T. L. Calgary, Canada

Do you have a comment or complaint? We want to hear it. Send your letters (typed or neatly handwritten) to HUSTLER Feedback, 9171 Wilshire Boulevard, Suite 300, Beverly Hills, CA 90210. Include a phone number if you want your letter considered for publication.

Pussy can be more powerful than any drug. Like coke or booze, the cunt can ruin a man's career and snuff his spirit. Republican Senator Bob Packwood knows the potency of poon. In his 24 years in office, the Oregon Senator, an admitted alcoholic, has been accused of making unwanted sexual advances to more than 20 women. Even lamer than this married man's attempts to woo other women was the chronicling of his failures in a personal diary that the Senate recently forced him to turn over. Without seeing his 3,000-page memoirs, HUSTLER speculated about the violent vaginal obsessions concealed inside...

THE **UnCENSORED** PACKWOOD DIARIES

FEBRUARY 14, 1986

DEAR DIARY, ON THIS, THE DAY OF LOVE, I HAVE A DREAM; A DREAM OF RACIAL EQUALITY AND BROTHERHOOD. IN THIS SPIRIT, I GAVE MY STAFF THE AFTERNOON OFF AND HIRED A SPECIAL WORK CREW THAT PROVED DIFFERENT RACES CAN COME TOGETHER

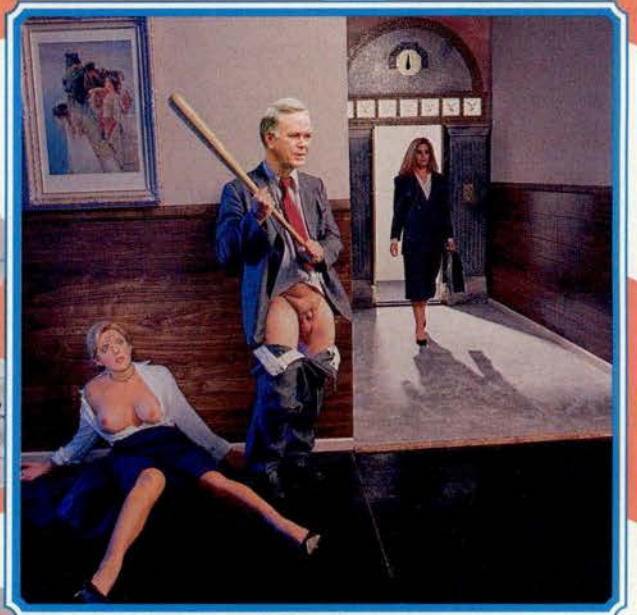

JUNE 24, 1987

DEAR DIARY, I HAVE DIFFICULTY AGREEING WITH THE PRO-ABORTION POSITION OF SUPREME COURT JUSTICE SANDRA DAY O'CONNOR. SHE MAINTAINS WOMEN HAVE A RIGHT TO CONTROL THEIR VAGINAS. HER SPEECH MADE ME WONDER ABOUT HER OWN VAGINA. DOES IT STINK? IS IT HAIRY? DO HER LIPS FOLD IN OR OUT? IF ONLY SHE'D GIVE ME A PEER, I THINK I'D UNDERSTAND HER BETTER.

JUNE 25, 1987

APRIL 1, 1988

DEAR DIARY, WHAT IS IT ABOUT ME THAT FRIGHTENS WOMEN? I'M A GOOD-LOOKING GUY WITH A HIGH-PROFILE POSITION. SO WHY HAVE MORE THAN 20 WOMEN SPURNED MY LIBIDINAL ADVANCES? MAYBE I NEED A MORE SOPHISTICATED APPROACH THAN SIMPLY GRABBING WOMEN'S BREASTS. PERHAPS I COULD LEARN SOMETHING FROM MY CHILDREN'S ROADRUNNER CARTOONS; AFTER ALL, WILE E. COYOTE WAS A "SUPER GENIUS."

DEAR DIARY, I WAS HONORED TO SIGN THE PORNOGRAPHY VICTIMS' ACT INTO LAW TODAY. THE BILL WILL ALLOW VICTIMS OF SEX CRIMES TO SUE MANUFACTURERS AND DISTRIBUTORS OF PORNOGRAPHY. I DON'T KNOW WHY PEOPLE NEED TO VIEW SMUT. I KNOW WHENEVER I SEE A WOMAN, I HAVE NO PROBLEM IMAGINING WHAT SHE LOOKS LIKE NUDE. ADMITTEDLY, THIS POWER CAN BE A BURDEN ESPECIALLY WITH THE BUSHES IN OFFICE.

OCTOBER 15, 1991

DEAR DIARY, CLARENCE THOMAS WAS CONFIRMED AS THE NEWEST SUPREME COURT JUSTICE TODAY. I, HOWEVER, WAS ONE OF THE ONLY TWO REPUBLICANS TO VOTE AGAINST HIS NOMINATION. DESPITE HIS OBVIOUS INTELLECT AND HIS DEVOUT CONSERVATISM, I HAVE A FEELING THAT HIS BIG, BLACK DICK WILL UNDERCUT MY SEXUAL OPPORTUNITIES.

 THE SMELL OF HER CUNT.

SPREADING HEAVEN'S GATES

I'm happy to report that since I've left the priesthood, I now subscribe to HUSTLER without guilt. I still love God and worship at the Pope's feet, but now I make room for Larry Flynt as well. A healthy man cannot suppress his earthly desires forever.

The moment I knew the Church had passed me by, I was sitting in a confessional. I was a young man—35 years old—with strong sexual desires I'd been conditioned to quell. I had been a priest for nearly five years when, one morning, a young girl sat down in the booth opposite me. I grasped my Bible and slid the partition hole open to view her face. She couldn't have been a second over 18 years old. Her silky hair hung in straight, blond bands that rested gently on her shoulders. The sweater she wore was tight, white cashmere and proudly displayed the budding signs of youth as her breasts bulged the fabric. Her lips were bright, red puffs of skin that trembled as she stared down into her lap.

"Forgive me, Father, for I have sinned," she began, the youthful scent of lilac perfume and fresh pussy wafting into my adjoining cubicle. My eyes were glued to her swollen, young tits. I imagined their delicate slope and smooth, creamy skin. I saw my face nuzzled underneath those little bubbles, nestling within the warmth of her cleavage and sucking her fresh, strawberry nipples.

I tried to regain my focus. "How long has it been since your last confession?" I intoned.

"This is my first," she whispered.

Protocol slowly seeped from my skin like sweat. In that instant, I was no longer in a holy confessional in Minnesota

but locked inside one of those porn peep-show booths I'd read about in *Time*. "What—" I cleared my throat. "What did you do?"

Her eyes filled with tears. "I touched it."

"It?" I said, my palm reaching for my cock. "What is it?"

"My...." she hesitated. "My vagina."

My eyes darted to her black-and-white skirt, which stopped at the top of her naked knee. "And you've never been to confession before?" I asked, setting my Bible on the floor.

"No, Father," she whispered.

"Well, before I assign you Hail Marys, you must reenact the sin in the presence of God, so that He too may share your guilt and forgive your trespass." Manipulations came easily from my mouth, and a charge of sin ran through me. I felt so alive!

She hesitated. "You want me to...."

"I'm afraid it's the only way," I interrupted. "Please remove your sweater."

She grabbed the bottom of her sweater and pulled the garment carefully over her head. Static electricity crackled as her bare midriff graced the darkness of the booth. Her stomach was like a child's, smooth and white, with traces of baby fat pushed out from underneath the cups of her white, cotton bra.

"Proceed," I commanded, standing for a better view of the strip. She twisted her arms behind her back and unfastened the wire bra. Her breasts were small enough that her tiny hands easily concealed them. When her half-bitten fingernails finally dropped to her side, my eyes absorbed her light-pink nipples, each the size of silver dollars.

"The first thing I did was touch my chest," she whispered, running her hands gingerly against her pale breasts. "I kinda liked the way they felt; so I did like this," she said, sticking a finger in her mouth and running the moist digit across her nipples to give them rise. Similar momentum was gaining beneath my robe. I pulled aside my shorts and fiddled my manliness, tickling the tip of my cock with a finger I imagined to be hers.

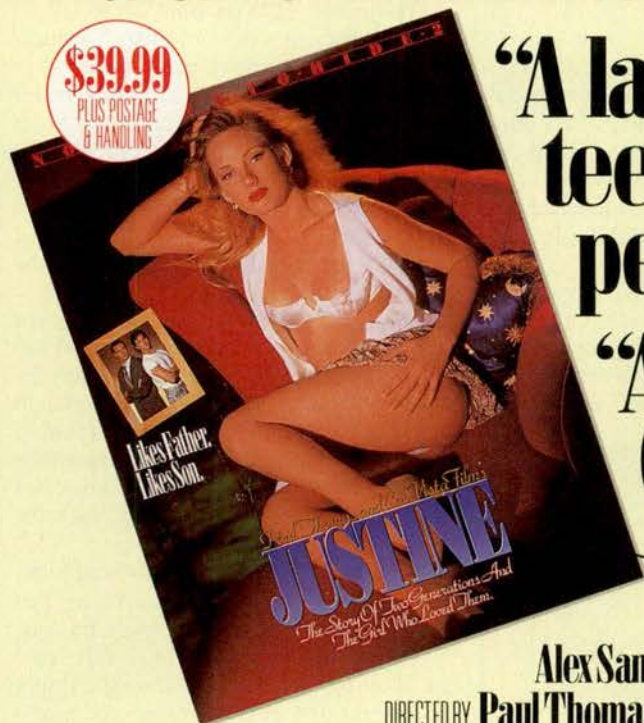

"What did you do next?" I stuttered.

She stood and wiggled out of her wool skirt. Her butt was hidden by white cotton panties with tiny, blue flowers printed on each cheek. When she slid the girlie underwear down, a warm rush of air escaped from her tender cheeks and slapped my face through the partition. Now her ass was naked and only a tongue's distance away from my mouth. She began to sit again, but I stopped her. "Please," I begged, "stay standing."

Her tiny fingers tickled the opening of her furry vagina. "Then," she squealed, "I started feeling myself everywhere, Father, and I'm sorry, but it really felt neat." Two fingers spread the pink gates of her pussy open. Her index finger poked inside the tiny hole, probing her tunnel of love. She bent forward slightly,

Introducing Authentic Knockers.

The mammary that never faded is now back in style.

Knockers reintroduces breasts from a time when tits were naturally bouncy, naturally squishy and naturally safe from silicone seepage. They don't come in khaki, but they do come in handy. Wear them in good health.

HOT LETTERS

(continued from page 31)

The last dribbles of urine fell into her open palm. She stuck out her tongue and lapped at the warm waste liquid like a cat. Using my own piss for lubricant, she stroked my shaft.

forcing her ass cheeks to part like the Red Sea. Her asshole was a smooth oasis of tiny folds; as she stuck another finger inside her pussy, her butthole winked open and then closed.

My dick was free now, safely held in my palm as she turned and unknowingly pressed her breasts near my face. Two, even three fingers were shoved inside that virgin pussy. When she pulled her fingers out, they were covered with her sticky dew. She sat on the bench and spread her pussy wide to let the blow-hole breathe. Her eyes were closed tightly as her fingers, held together like a claw, prodded the inside of her collection plate. Her tits quivered, and her tongue glided cleanly around her lips. The head of my cock banged on the door, straining to get inside that glorious, soft cunt!

Soon my chunky semen splashed against the confessional wall, slid stubbornly down to the floor and baptized my shiny, black shoes.

The girl whelped a cry of orgasmic joy and leapt to her feet, leaving a trickle of muff moisture down her inner thigh. She self-consciously pulled her wool skirt back up and over her chubby hips.

"You are forgiven," I exhaled, letting the cloth of my robe fall over my wet dick. "In fact, you will always be forgiven. Never let the Church prevent you from enjoying God's creation. Revel in your sexuality and share yourself freely with others."

She looked confused, but I was cured. I walked out of the confessional booth and out of the Church that morning. I'd like to think that I truly found God that day; I found Him inside a young girl's pussy.

ICING THE FUCK

It was the greatest game I've ever seen. Ice hockey at the Forum in L.A. Play-offs. Kings against the Leafs. Game six of their semifinal playoff series. I'd paid hundreds of dollars for two of the best seats in the house and, as a heart-stopping third period wound down, with the teams tied at four goals apiece, I looked to Jodi sitting next to me and smiled at my good fortune.

She was a beaut: 22 years young, with tits the size of large, pink grapefruits, each pushed up to the nipple by a purple

slut-dress at least a size too small. When she sat in the Forum's folding chairs, her dress crept up her suntanned thighs, hiked almost to the cunt. Every time I reached down for my beer, my eyes scanned those light-brown curls of hoochie hair hidden between her legs. The Kings, my slutty valentine and a bellyful of beer. What a fucking night!

When the third period ended with the teams tied, I dashed for the bathroom to drain my tank before overtime began. The fucking line was curled around the beer stand. *Fuck it!* I thought, and I limped back to my seat. Jo was applying lovely slut-pink liner to her puffy lips, swollen from a life of sucking cock. Tonight they'd be around mine; \$500 guaranteed that. First, however, I had to piss. I looked to the top of the capacity-filled arena. "I'll be right back, babe," I slurred.

"Where you going, Harland?"

I hated it when she called me that. I flipped her off as I began the long, long hike up the 60 steps to the top of the Forum. Behind the last row in the building, row ZZ, there was a three-foot gap between the seats and the concrete

wall. I unzipped and unclenched my sphincters. Urine fell from my peen, sending refreshing tingles through my ass and up into my gut. The stream was endless. Fortunately the crowd near me was too preoccupied to notice. They were cheering even though the Kings hadn't yet come back to the ice.

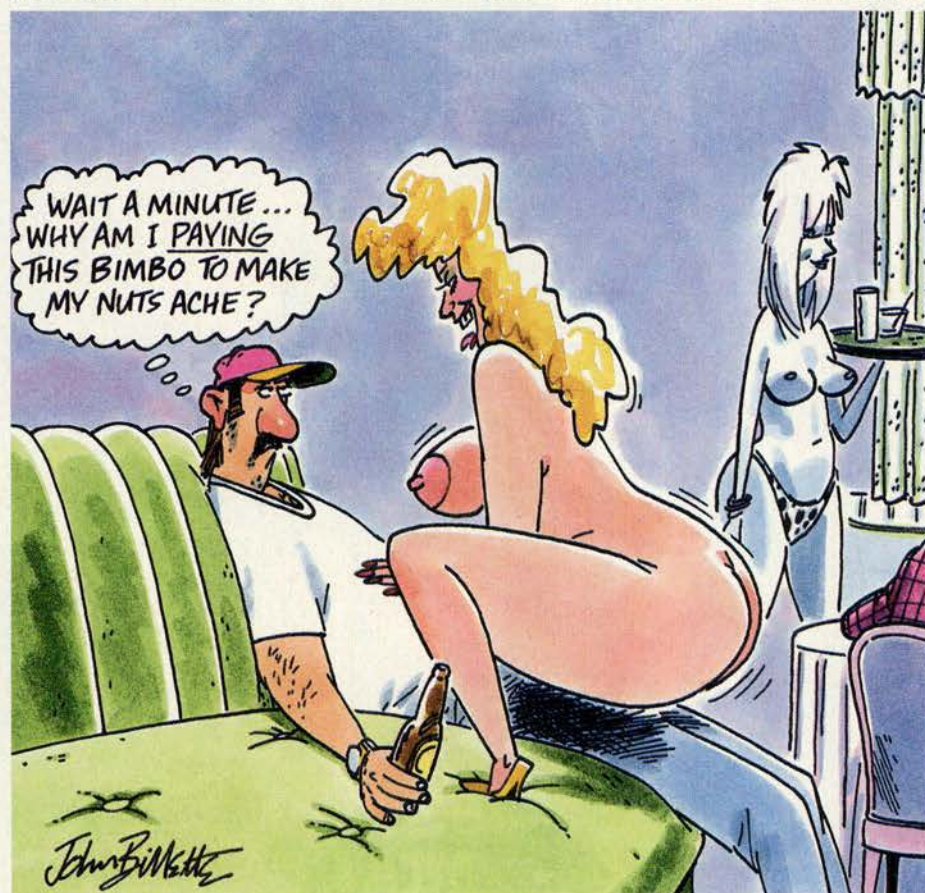

I peeked around the corner of the last seat and saw the crowd was applauding my lady of the evening, old Jodi herself, as she walked that Jessica Rabbit strut up the concrete catwalk to where I was vein-draining. Her hips threatened to pierce the tight dress. Her tits defied gravity, jiggling like two hoochie-coochie dancers on Xtasy. She was a fucking fox, and she was mine!

"I came to see what you were doin'," she drawled, her breath stinking of Tic-Tacs and cheap scotch.

"I'm taking a fucking pee," I barked.

"I wish you'd have saved it," the nasty bitch said. She wrapped her claws around my cock and gave the fucking tool a hearty tug. The last dribbles of urine fell into her open palm. She stuck out her tongue and lapped at the warm waste liquid like a cat.

Using my own piss for lubricant, she stroked my shaft while squatting in my stink puddle. With her shiny, black-leather pumps covered with golden pizzo, she wrapped her bubblegum lips around the dick. Around my dick. Around

my fucking dick! God love a bitch who sucks prick in public.

Jodi cupped my balls and used her inch-long fingernails to scrape my asshole. I sensed a burly beer-shit ready to escape my ass; so I moved her hand away. The head of my cock smashed into the back of her throat. Lipstick-stained saliva dripped from her lips.

Jo pulled her head off the dick and slapped her palms against the concrete wall as if readying for a strip search. She arched her back and looked over her right shoulder, eyes darting toward her round-cheeked ass.

The Kings had skated back onto the ice and were ready to face off as I rolled Jo's tight dress up over her round ass cheeks, exposing her grand poo-bah to 16,005 hockey fans.

Hey, shitheads, check out what I'm about to fuck, you motherfuckers! I felt like screaming to the mindless masses. Instead I shoved my tongue inside Jodi's warm snatch. My nose pressed into her asshole.

When I stood, my knees were shaking. Luckily my dick was as stiff as a dead man's leg.

I gave her plump ass a hard slap for good luck, hawked a lugey into her crack and spread the saliva down to her twat with the tip of my dick. Once she was all wet and ready, I banged my scrawny prick inside this trick's treasure, feeling the clench of her cunt around my cock. I reached around and grabbed two handfuls of honeydew melon, her mouth wheezing from the force.

I kneaded those tits, leaving giant marks of red where my fingers pressed into her bouncy, white flesh. Hips rocking, she bucked her ass backward into my groin.

The sex was gloriously painful, and I knew it would result in a fresh outbreak of my chronic herpes.

Jodi clutched at the back of the seats as I fucked my bride for the day and watched the Kings play out the series; my two favorite activities were colliding in one furious orgasm.

Gretzky won the faceoff and passed to Kurri.

My dick tugged Jo's puffy cunt lips.

The puck flew into the corner.

I shoved my thick pinky inside her asshole to feel my dick pumping through the flap of skin that separated her two lower holes. She grunted with pleasure and begged me for more.

Robitaille worked the puck free and skated in a brief half-circle.

I pulled my dick from Jodi's twat and wrapped her big butt cheeks around my shaft like a rare sausage sandwich.

Gretzky took a centering pass from Robitaille and flipped the puck past Potvin for victory!

I shot my sticky sperm up the length of Jodi's spine and down the sides of her cheeks. The crowd went apeshit! Jodi turned around and squeezed the rest of my spuzz down her throat. What spew she didn't swallow she spat into my pee puddle. Then she kissed me on the mouth, something she'd never done before.

As we filed out of the Forum, I was drained like an aborted fetus. Still, I offered to buy another round from Jo,

perhaps in more appropriate surroundings. She was through for the night, however. "If the Kings go to the Cup, how 'bout coming back with me for one of the games?" I asked when I dropped her off near Sunset and Vine.

"Call my broker," she smiled. She shut the door. I watched her saunter away and listened to her six-inch heels *click, click, click* along the Walk of Fame. At least I have a car, I thought as I pulled away.

WELFARE MOTHERS

WHY THEY MAKE BETTER LOVERS

by Alex Marvel

Restrictive attitudes in the name of so-called morality increasingly take the fun out of fucking. Through good, old-fashioned homespun knowledge, hearsay, scientific facts and outright lies, this series strives to spread the word that rubbing uglies is a beautiful experience.

As a young boy, Armand Hammerhead knew he would grow up to become the type of man who gets everything he wants. The Hammerhead family started out with slightly less money than God; but they had invested it better, with a large portion going to the development of young Armand. Now a full-grown patriarch in his own right, Armand alights from a crumple-fendered, misfiring mid-'80s Trans Am and walks into the stale foyer of a pre-fab housing structure in one of the city's less desirable neighborhoods. As Armand, humming the refrain of a vintage Neil Young song, rides the elevator up, he savors the building's aromas: a mix of fried foods, the sweat of an underemployed working class and neglect. These scents are aphrodisiacs to him, and as he exits the elevator his dick is stiffening.

"Mommy, hurry," shouts a stringy six-year-old in clothes that have not kept up with the rapid pace of his growth. "Uncle Johnny's here!"

Armand shuts the kid up with a candy bar and slides into the apartment as the mother comes out of the bathroom. She's in her early twenties, and she's in half her curlers, and somehow she looks good that way to Armand.

"Hey, John," she shouts from her big, full-lipped mouth. "How you doing, baby?"

"What's up, Sugar?" replies Armand, trying to decide which of the apartment's few mismatched chairs to sit in. He sinks into a water-stained armchair. As he picks at the chair's frayed upholstery, he checks out Sugar's goods. Her hands are up, unraveling curlers, exposing the taut tendons of her underarms, finely toned from hefting

children, groceries and laundry. Rising from worn sneakers, her smoothly muscled calves give way to tight, bulging thighs and an inviting bubble ass encased in faded, cutoff denim. Her breasts, full of milk, sway and point, enticingly direct.

"I left the baby with my mother," Sugar says, cooing up to Armand in the tattered chair, "so we can be alone."

Pounding sounds on the apartment's front door. "Mommy, I want to come in."

"Not now, Ricky," shouts Sugar. "Mommy's busy for a few min-

utes." And she plants a big, sweet kiss, with tongue, on Armand's lips.

"The United States, it should come as no surprise," intones Armand over the mobile phone of his Lamborghini Countache, "is a society stratified by class. As a member, in good standing, of the *de facto* American aristocracy, I am granted certain privileges. It is my birth right to exercise these privileges. In fact, my dalliances with the lower orders are almost a duty, a form of *noblesse oblige*. I think of myself as an erotic ambassador, on a mission of cultural enrichment to the deprived masses."

Armand brooks any argument by breaking phone contact and squealing the Countache at 85 miles per hour through a school zone.

Matthew Great White, a 38-year-old money-market manager, used tireless personal ambition rather than Daddy's connections to claw his way to the top of the financial heap. His views were shaped by different forces than those that molded Hammerhead's, but Great White, whose three women on the side head single-parent families and draw public assistance, also feels entitled. "These women, for whom I truly do feel some form of affection, are living on my tax money anyway. I might as well take advantage of what I'm paying for."

Matthew sees each of his charity cases an average of one night a week. On a rotating basis, he takes them, and sometimes a child or two, on weekend excursions. None of the women, to the best of Great White's knowledge, knows the identity of the others, though they certainly realize that he is not exclusively intimate with them, as he assumes they entertain other men in their beds. "I buy them little things...wine, lingerie, toy guns for the kids...with no strings attached," explains Great White. "These are little luxuries the ladies cannot afford on their fixed incomes. I guess, in a way, you could say I'm providing supplemental aid to citizens on the wrong side of the poverty line. I'm just cutting out the big-government middlemen."

According to Sebastian Limpet, talk-show fixture and author of *Coddling and Cuddling: A Study of Cross-Cultural Sex and the Infiltration of Socioeconomic Boundaries*, the relationships between poor women burdened with fatherless offspring and affluent men carrying excess testosterone are often symbiotic. "It's a win-win situation," boasts Limpet from a New York loft that is paid for by a grant from an old-money philanthropic organization. "A ruling class, to be effective and maintain a modicum of compassion for the masses beneath it, must experience some form of personal contact with the constituents. Aside from sexual release, the male emissaries from our country's monied segment learn firsthand of the concerns and dreams held by the nation's growing, underfinanced majority. The women receive a reprieve from the dire, dollar-light monotony that is their lot. And, most importantly, the children are affected positively.

Living in a world of want and penury, they're given role models and a sense that a more abundant future exists, that they have something to strive for beyond the extremely limited resources of their home environments."

Geoffrey Thresher, agreeing in principle with Limpet's contentions, feels that he is sensitized and regenerated by thrice-weekly conjugal visits with Lupe Perch, a garment-industry production worker who has temporarily shelved the pursuit of her career while soliciting federal subsidies to advance her 18-month-old twins beyond toilet training. "I own a modeling agency," states Thresher. "During my workday I'm surrounded by feminine perfection, some of it God-given, but much of it enhanced by the deft hand of a highly specialized surgeon. Something I love about Lupe is that she can't afford a tiptop or to get that endearing bump planed off her nose. Obviously she's very attractive, or I wouldn't be spending so much of my leisure time with her. The nose is too big for a profile headshot, but it's extremely sensual and, though her breasts are weighted with a fullness not usually seen in the pages of *Vogue* magazine, they don't sag in any unseemly fashion. I'm getting a real human touch when my hands are on Lupe."

Though less effusive than Thresher, Lupe Perch is also enthusiastic about their affiliation. "He's a clean guy, and he ain't mean," concedes Lupe while waiting for the bus that will take her to the social-services offices. "He don't make me cook or shit. He always brings over his own food and magazines that he shares. He gave me new sheets for the bed a couple of times, and sometimes he leaves a little extra under my pillow. Not bad for a guy who gets his rocks off so quick."

The bargains go both ways. Gerald Barracuda, a fine-arts appraiser with an eye for quality and value, knows a good deal when he's between the sheets with one. "I've gone with rich women many times," elucidates Barracuda in a tony drawl, "with the hopes that they might somehow advance my business interests. Invariably, I found that I was being used to a greater degree than I was using, which is quite unacceptable. Currently, I'm romantically ensconced with a sweet girl named Geena Guppy. She has a toddler who's really quite cute, if you have an appreciation for that sort of thing, and generally manageable and quiet. I've lent Geena small sums of money, much as I've extended short lines of credit to the various needy mothers I've befriended in a physical way. These women become entirely grateful for the slightest monetary subsidy. The funds usually go toward some essential, such as medicine that might otherwise be unavailable for the baby, and the money is paid back, let us say in sexual fervor, at least tenfold."

Like Barracuda, Pierce Lamprey, whose income is derived from repossessing consumer items desired by the many but attainable only by the few, reaps side benefits from his erotic alliance with state-funded childbearer Chelsea Minnow; but Lamprey prefers extras of a material nature. "Chelsea," reports Lamprey, "through her extended family and her web of known associates throughout the neighborhood, has access to a shadow economy that the regular, gainfully employed girlfriend cannot even imagine. Ever wonder what happens to the mountains of stolen goods burgled every week or the truckloads of merchandise pilfered by resentful employees? It goes up for sale. I got this watch I'm wearing from Chelsea's kid. He's only nine, but he gave me an unbeatable price. Looks great. Of course, it doesn't keep time very well."

Trouble Minnow, Chelsea's nine-year-old, has come to grips with the dilemma of his mother's ever-changing parade of deep-pocket men friends. "When I was a kid," recounts the prematurely mature Trouble, "I thought every new lame she brought home was going to be Santa Claus or Daddy, or both at once. But I been locked out of my own house and told to shut up by some dude who's not even blood to me enough times that I get the picture now. Take while you can take, because pretty soon the guy's going to be gone, and you never know how long it'll be until the next one comes along. Pierce won't let me watch what I want to watch on TV, but he ain't no father figure to me,

though I guess he should be to the baby brother."

Propagation of the species is an ongoing concern. To many distinguished face cards of the capitalist hierarchy, welfare-check mothers are more than a private flesh preserve; they are a bastard hatchery. Captain of industry Brandon Maneater's most compelling role models are the sultans of yore who sired hundreds of children from scores of women. The bulk of these offspring became street sweepers or beggars; a select few were groomed for lives of luxury. "I got factories all over this country," boasts Brandon, who travels often and has no trouble striking up carnal acquaintances wherever he goes. "When I walk into my factories 20 years from now, I want to see workers with my face on every rung of the ladder. When I pass over to the next world, if any man tries to say I failed to leave my mark on this one, he'll have 100 mouths that look just like mine to tell him he's wrong. And it's hardly costing me a dime."

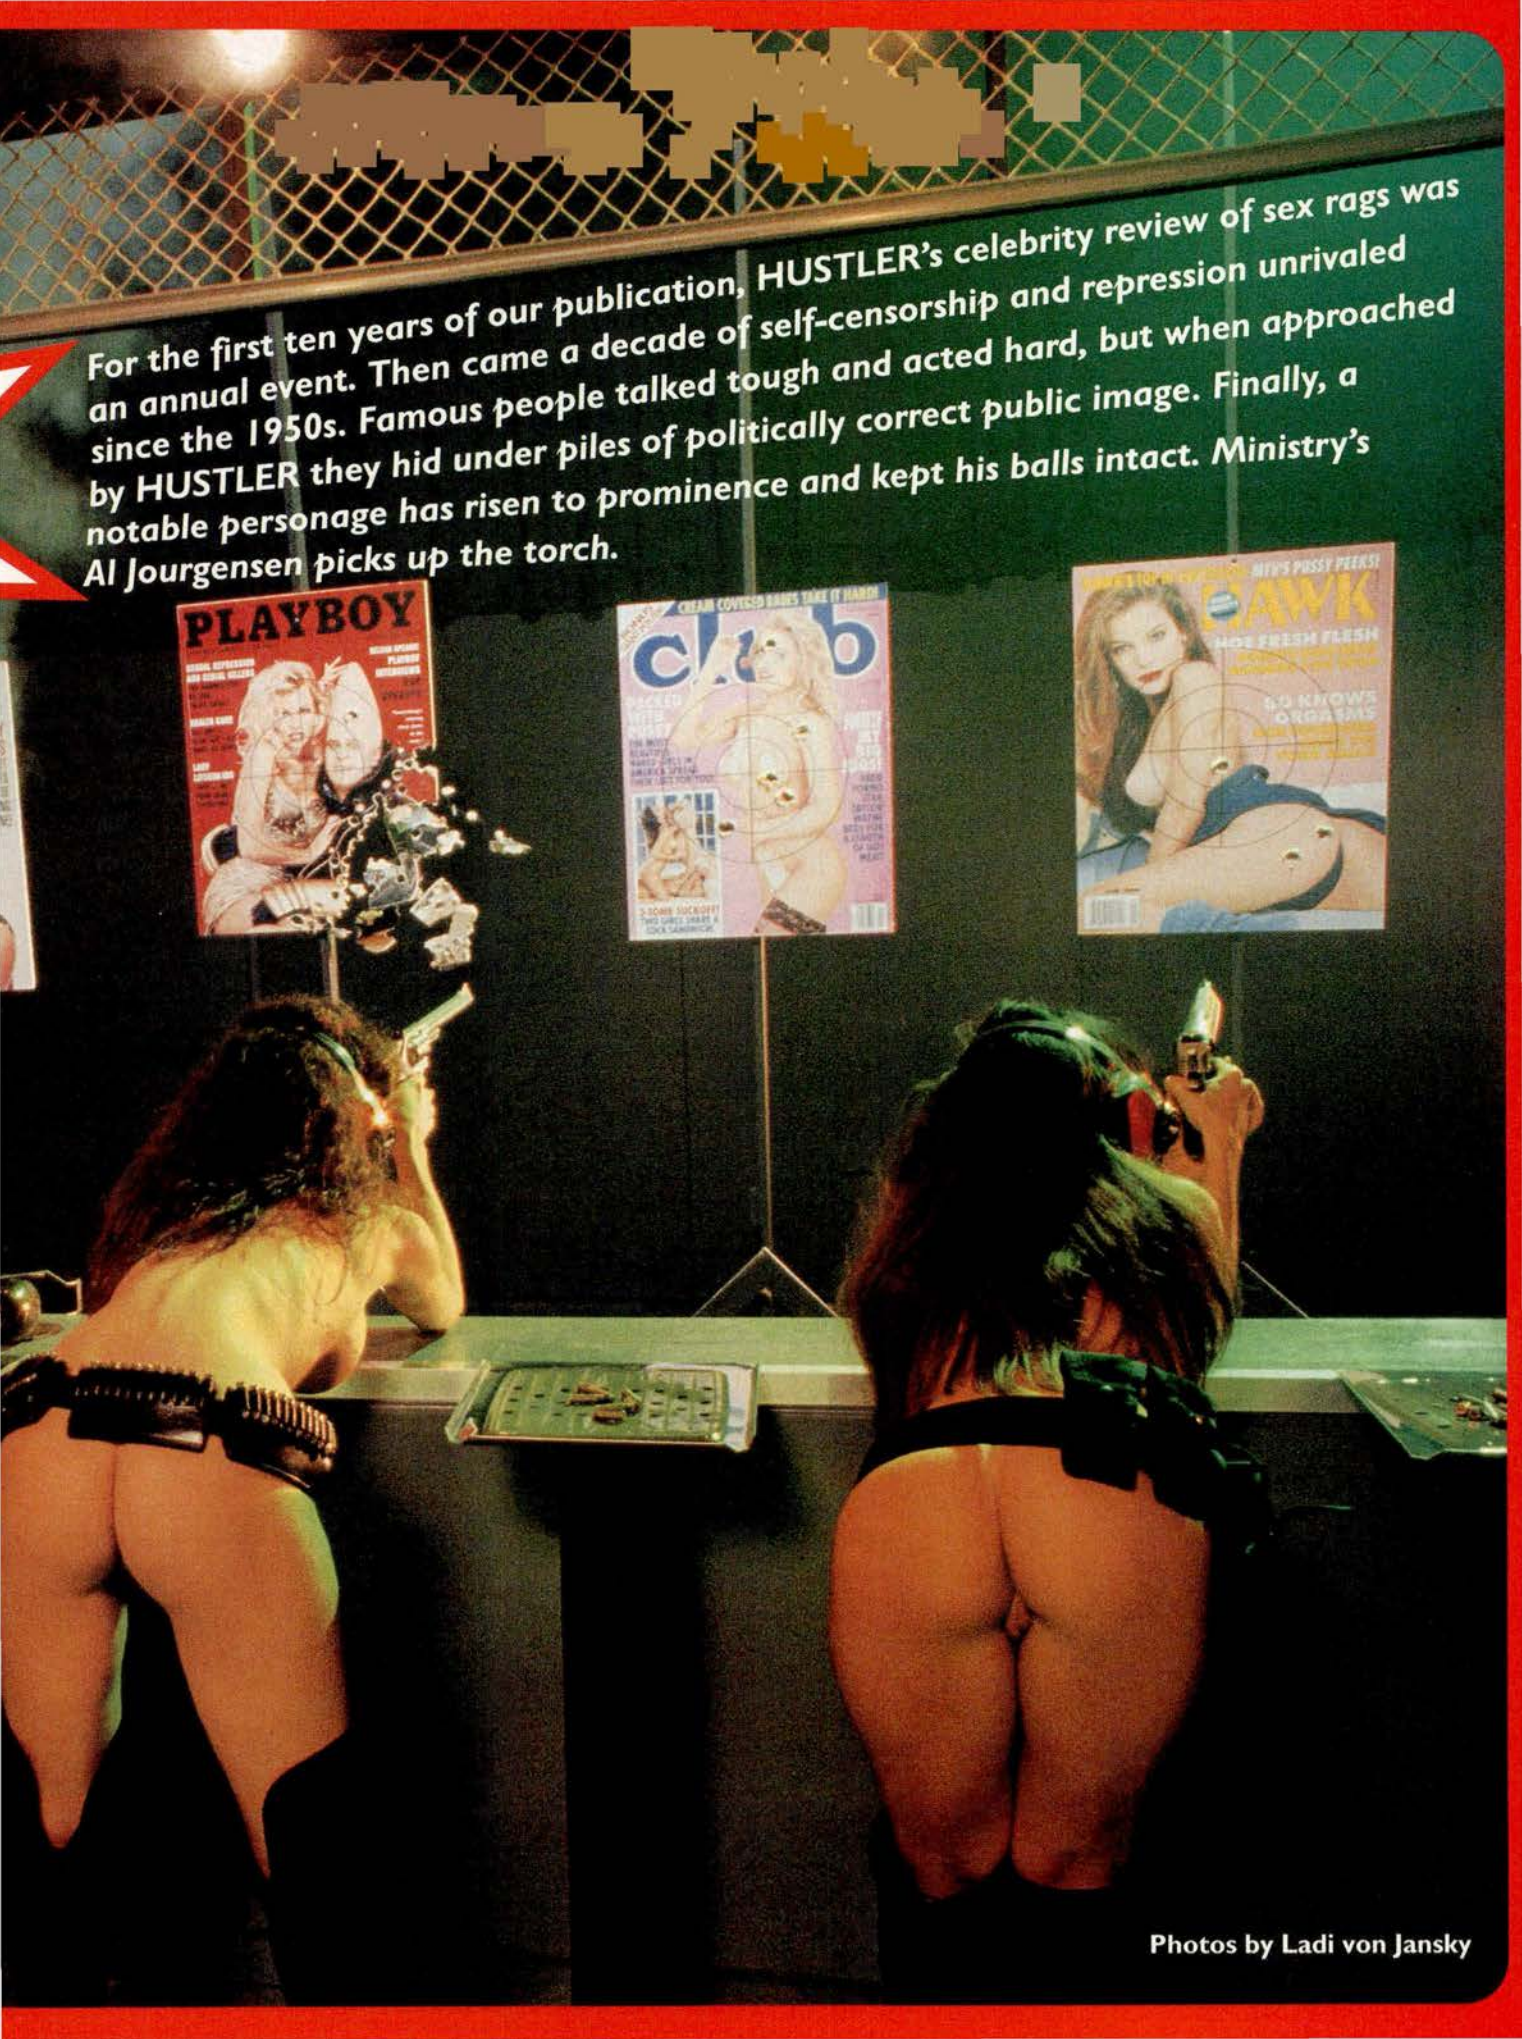

The welfare caseloads are stacked with unwitting accomplices to Maneater. Many women view each subsequent pregnancy and child as an increase in their next check. "Even if a theoretical impregnated welfare recipient did wish to instigate a harassing paternity suit or file for child support," points out Theodore Stingray, full partner in the law firm of Succor, Suttie and Sucker, "what sort of counsel can she afford in a legal proceeding? That's the beauty of the whole arrangement. These women can't do anything about it, and neither can any of you."

MEN'S MAGAZINES

BY AL JOURGENSEN

For the first ten years of our publication, HUSTLER's celebrity review of sex rags was an annual event. Then came a decade of self-censorship and repression unrivaled since the 1950s. Famous people talked tough and acted hard, but when approached by HUSTLER they hid under piles of politically correct public image. Finally, a notable personage has risen to prominence and kept his balls intact. Ministry's Al Jourgensen picks up the torch.

Men's Mags

"Penthouse gets points detracted for this Camel Filters insert. The models look like latex women. Xaveria Hollander, she's got to be put out to pasture. She's like fingernails on a blackboard."

SWANK: When I first got a hold of *Swank*, I thought that was pretty sleazy; now it's so pro. Good beaver shots though. The name rules. *Swank* seems to be into shaving. I hope they don't get homogenized with this PMRC thing. That doesn't even look like a dick. It looks so scientific on this shot. It's a closeup for a biology class. All you kids who are into biology, take this one home. I give *Swank* a seven. The models are pretty, the shots are pro, they do some fun stuff with shaving cream. They don't seem to take any wild chances though—like two-percent, low-fat milk.

VELVET: Same biology shots here with the same stunt dick. "Bimbos and Bits" is like *HUSTLER*'s front pages, but way lamer. The girls of *Velvet* so far? Pretty average. The layout here cuts it off. That's a good shot, "Porkin' Penny." That I can hang on to. These few pages, with the completely deformed dick and a very slutty, smutty girl, redeem the magazine. That is real close to making Tipper Gore swallow her tongue. *Velvet* started out slow; now they're kicking ass. "Her Car Was Her Only Dependable Stud." Auto erotica rules. Gas stations would love this. I give

this one a nine. It's got cars and very close, great, great, borderline porno shots. Amateur sex, interracial. This thing's got it all. I'm gonna buy this sometime.

STAG: They show absolutely nothing, and the models, no way, no way. I wouldn't even shoplift this. I think I know her anyway. This is a magazine for prudes. I give it a two. Even their ads are vaselined. Models are dogs; guys' cocks are all average at the best. In the toilets.

PLAYERS: For the Progressive Male. Sounds like something Guccione would come up with. Gee, I'm so fucking turned-on from Montel Williams and Colin Powell. "Black men can manage." I don't know how black men can manage to get it up for this. Models are okay, but I bet you find more sports stars in there than you do models. *Players* is geared toward blacks, but they're not doing it right. Where's something good like Public Enemy or controversial, Chuckie D or Snoop Doggy Dog? They're too uptight, and uptight is no place for a porno magazine. That rates a one; that's the worst.

PLAYBOY: Haven't read this since I was about 12, and I can see why. These women

are as erotic as a blow-up doll. There's more advertising, and it's not even erotic advertising, than anything else. I guess *Playboy* gets some decent interviews every so often, but that's only because people are afraid to talk to the real magazines. The jokes are not even jokes. I'd watch a TV-news anchorwoman and get harder than reading *Playboy*, and get better news too. I'd rather beat off to the news than read *Playboy*. Call it a two; they do get decent interviews sometimes.

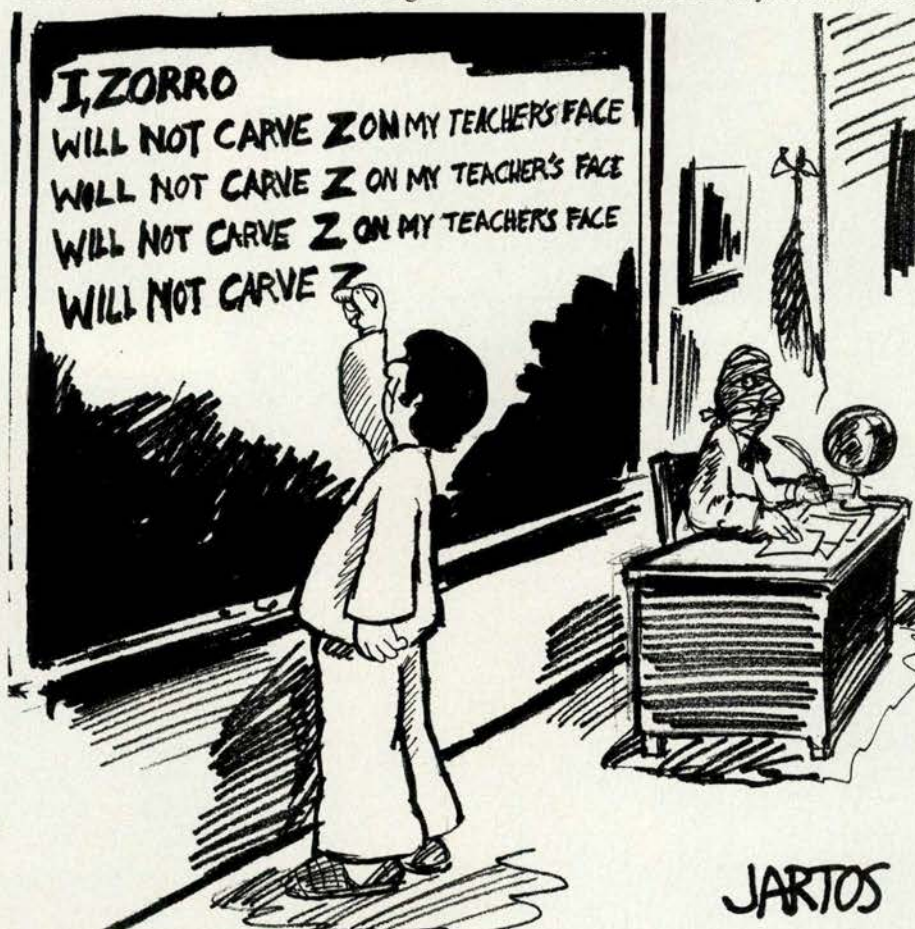

PENTHOUSE: *Penthouse* gets points detracted for this Camel Filters insert. The models look like latex women. Xaveria Hollander, she's got to be put out to pasture. She's like fingernails on a blackboard. "Claudia Schiffer Topless." You're supposed to spend \$5.95 because they won't give you the topless on front. Buy it just to see the supermodel's titties. I don't even like supermodels. I like ones that breath, eat, talk, shit. I don't like their editorializing. I'm not a big Guccione fan. This goes in the toilet with a one.

OUI: *Oui* gets bonus points for this booklet of hot letters. I like the coverlines. "Swedish nympho shows off her hot cheeks," instead of, "Come see a supermodel topless. Give me six bucks." Fuck you. Lots of hair. Everyone's been into shaving for so long, I like some real, hairy snatches, a good change of pace. These photos look downright amateur, also a change of pace. Emphasis on porn queens, which rules, because they're fun. Ten girls mooning you. Occasionally these shots are all right. I've read *Oui* enough times, and I know what it's about. I've read some decent porn-star interviews. Centerfold, not into it. *Oui*, I give a four. It's kind of lame. *Oui* at least grabs your attention right on the front: "Dripping wet sex maniacs." I would buy it, but not six dollars for "Come see a topless model." Cheaper to get into a club, get a free drink with it too. If *Penthouse* gave out a free drink, then I'd probably buy it.

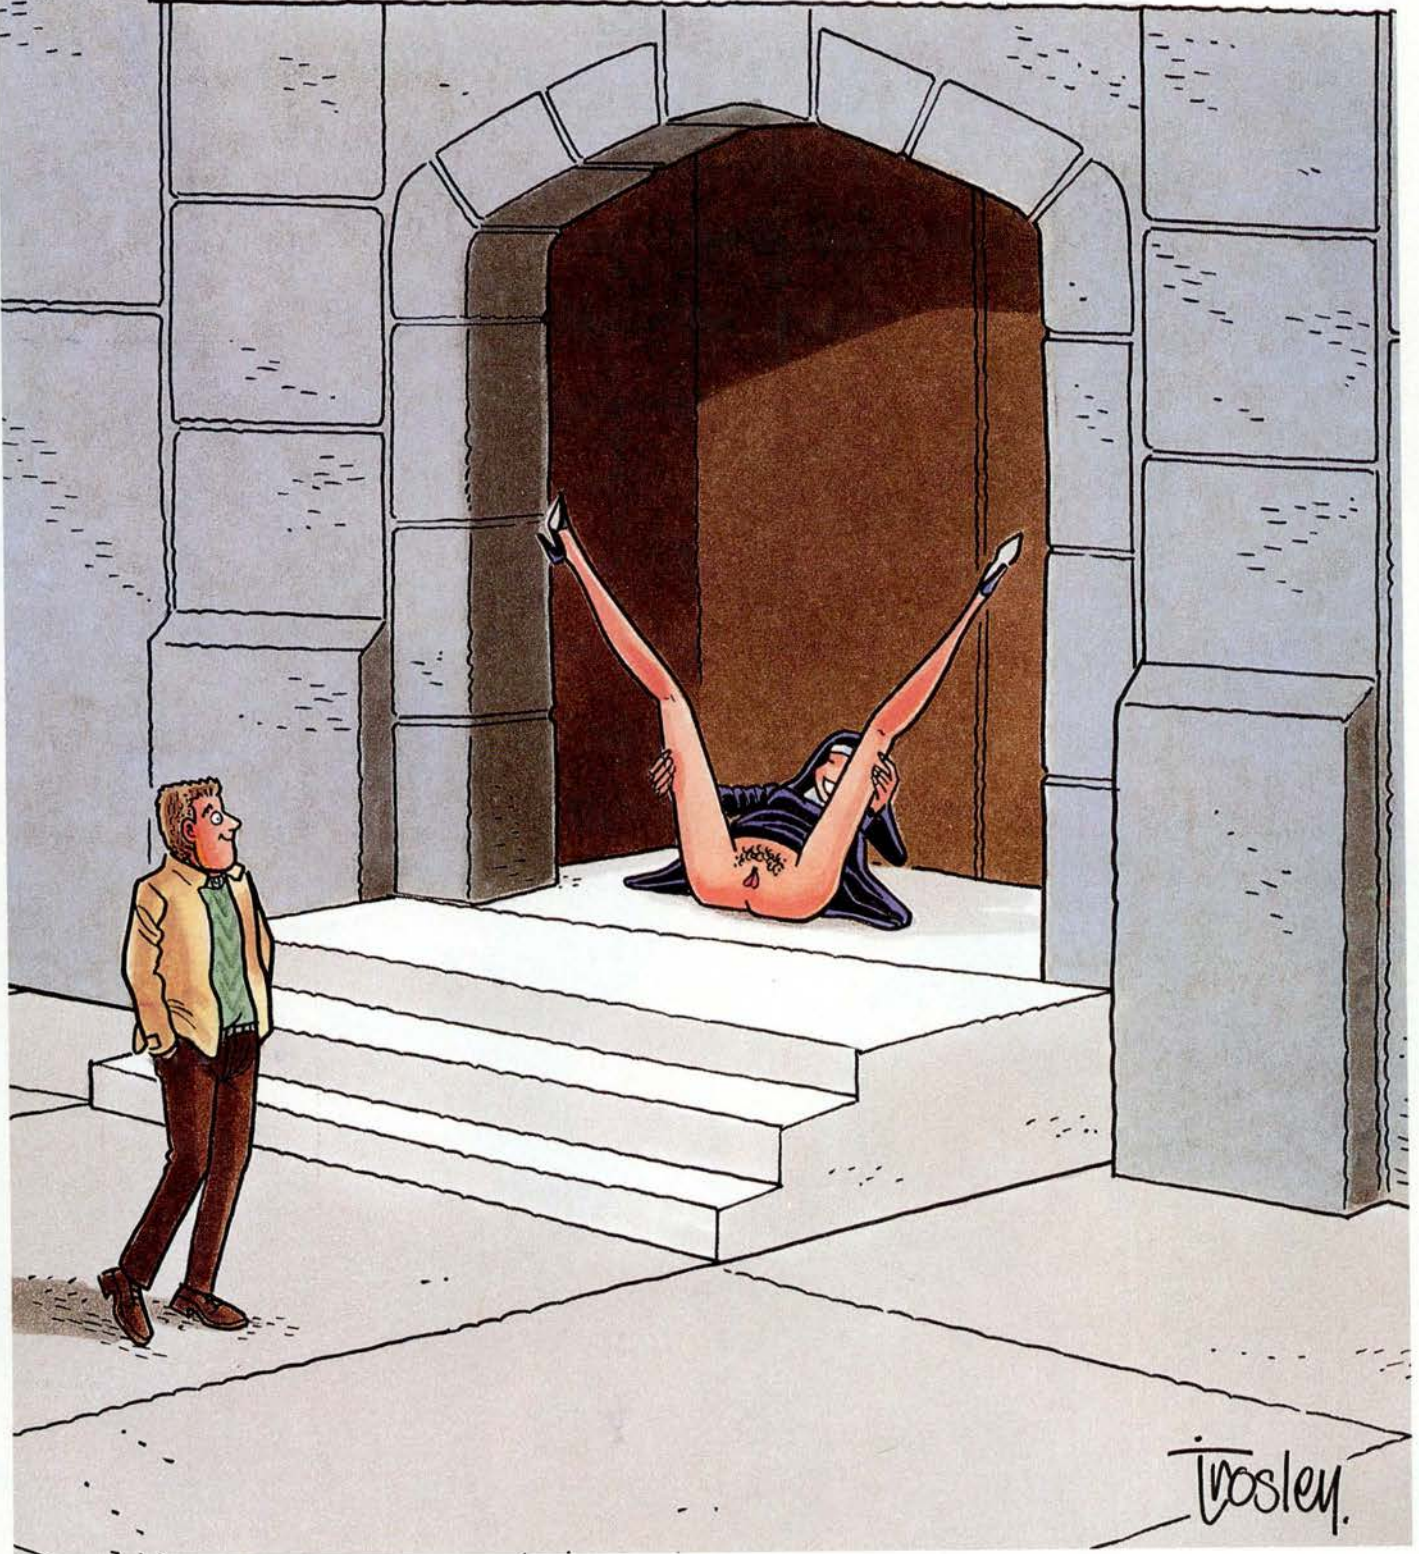

GENESIS: *Genesis* is a good one. I've seen this many, many times. *Velvet* and *Genesis* generally get decent babes and, right away, cars. Pseudosex, which is more than I can say for the last few mags. The models at least look alive. Shots are close, but not quite close enough for a biology major. I have this one at home. I'd give it a seven. They have ups and downs, like any magazine, but generally you get a *Genesis*, you get a *Velvet*, they're okay.

CHERI: Right away they've got ten girls in bathing suits, bending over showing their ass. I saw a decent piece in *Cheri* on nudist camps in Indiana. Occasionally, they do decent stuff. They should put "ass in the face, ass in the face," on the cover. Sometimes they get carried away, and you can't see anything because there're so

OUR LADY OF HOLY ERECTION

ALL ABOUT AL

HOW A REVOLTING COCK CAME TO HEAD
THE MINISTRY OF PORNO EVALUATION

As the driving force behind musical aggressors Ministry and the Revolting Cocks, Al Jourgensen sings, plays guitar and produces records for a living. Headlining as a sonic artist wasn't what young Jourgensen had intended to do with his life. Al's ambition, as listed in his high-school yearbook, was to contribute to a premier men's publication, a stellar stroke book such as *HUSTLER* Magazine. Somewhere along the way, he fucked up and became a platinum-selling rock star. Luckily for Jourgensen, deferred dreams do come true.

Though most often heard as a voice of rage and discontent with the band Ministry, Al's loud and prurient work with a "weekend project,"—the Revolting Cocks—establishes his qualifications as a commentator on the current state of over-the-counter smut. The Cocks' debut video from their Sire Records release *Linger Ficken' Good and Other Barnyard Oddities* is a less-than-reverential cover of Rod Stewart's "Do Ya Think I'm Sexy." The loop is a testosterone-triggering, horror-movie melange of monsters, buttocks, breasts and legginess, coupled with enough live-firing gunpower to launch an insurrection.

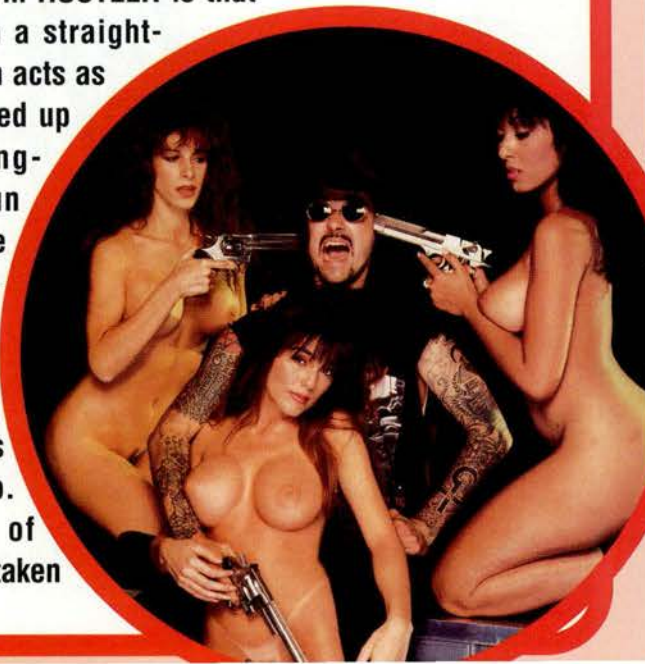

All but a few seconds of the five-minute-plus video were deemed unsuitable for airing by MTV.

Jourgensen's creative output, despite unit sales in the millions, has always been too rough for the homogenized mass media. His aversion to compromise is legendary among entertainment-industry bureaucrats, and he delights in tales of sending packets of bodily fluids and excrement to big-cheese execs who've interfered with the content or packaging of his performances. Part of the appeal to Jourgensen of being seen in *HUSTLER* is that

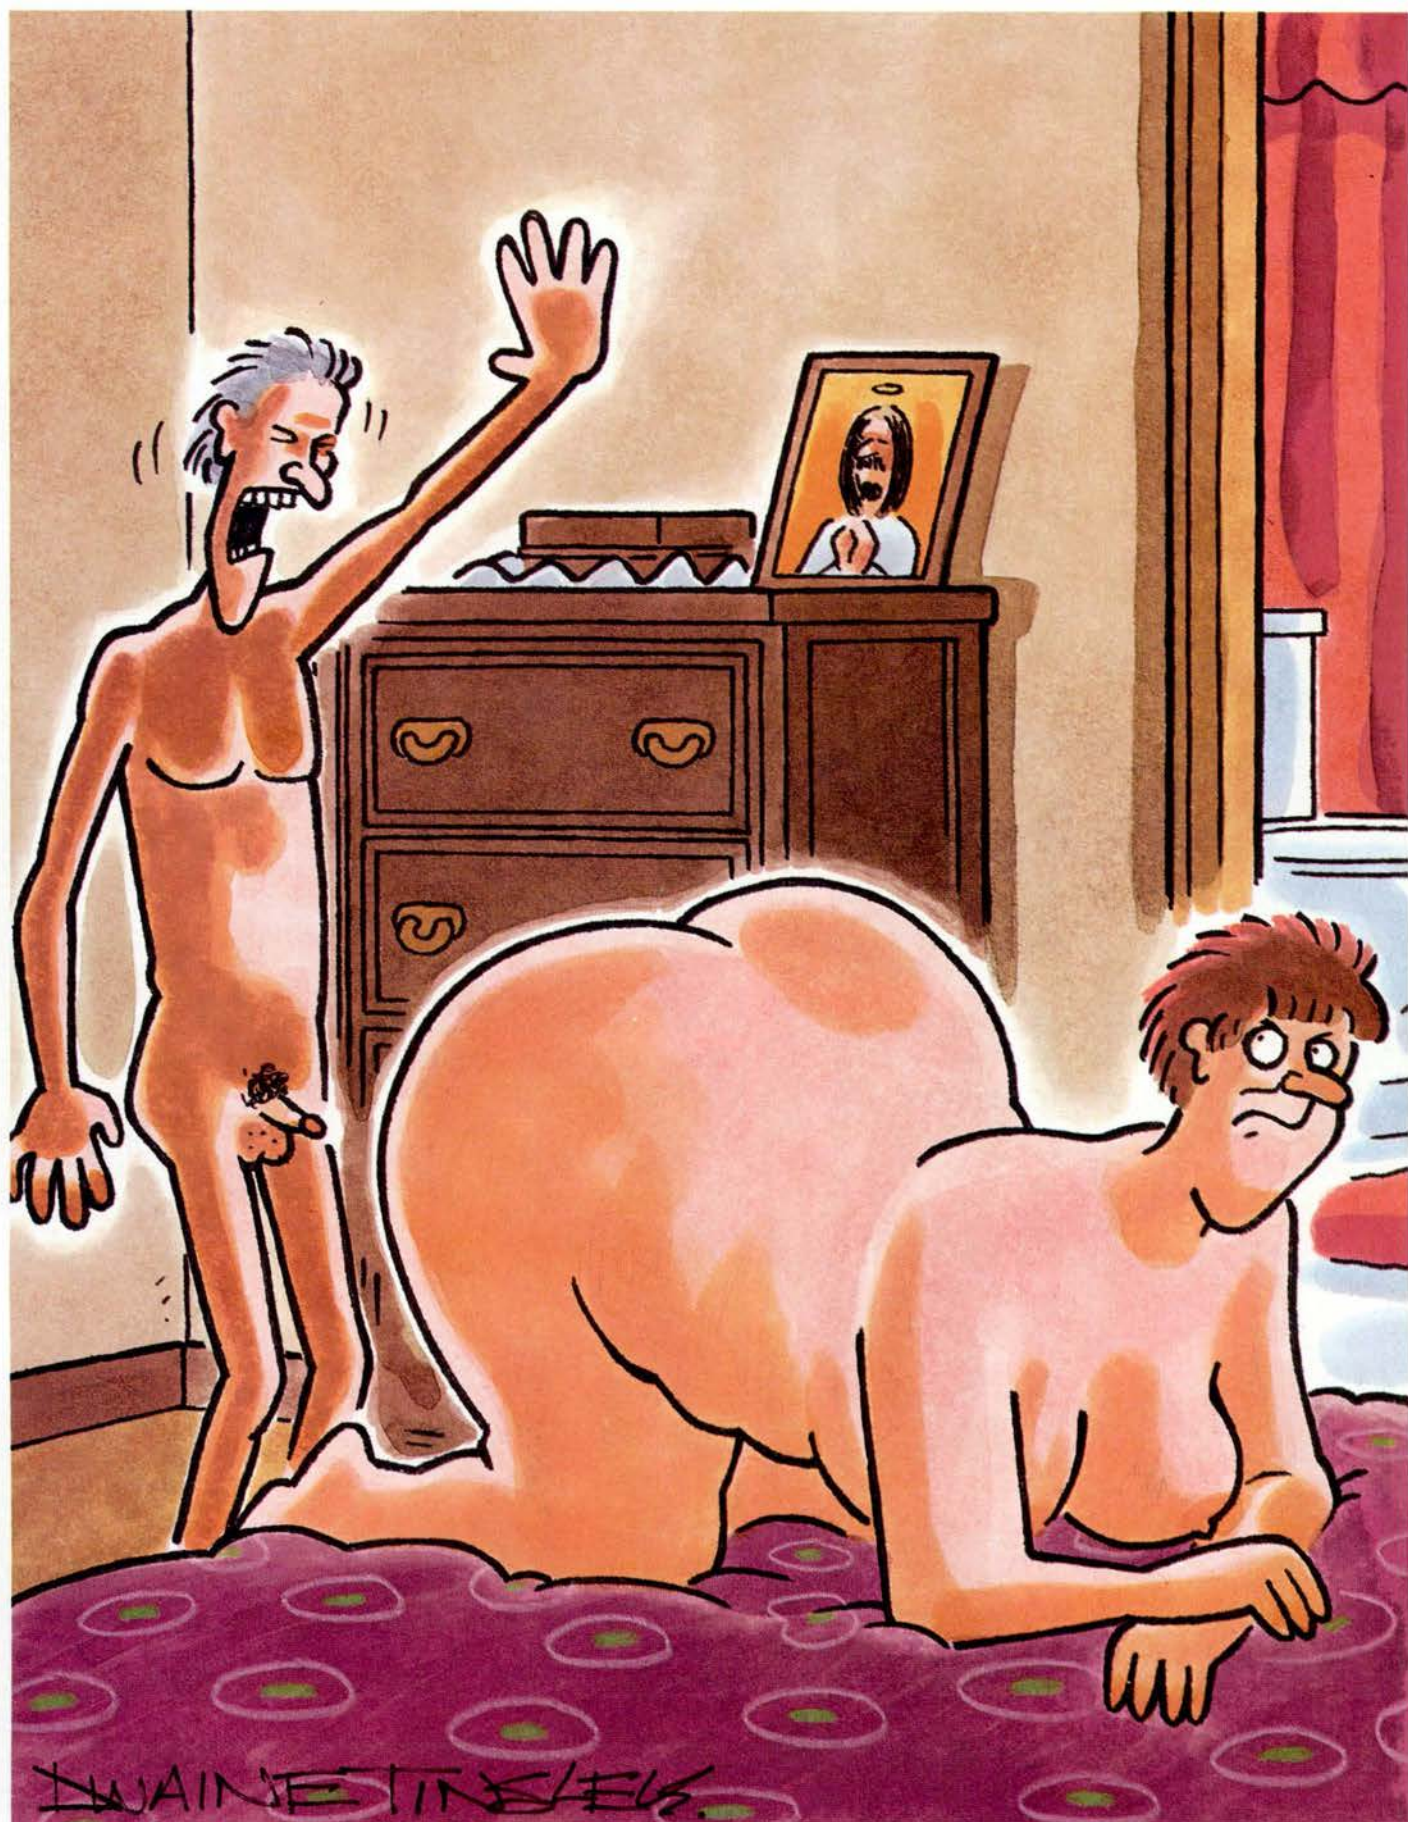

his appearance in a straight-shooting publication acts as a molten poker shoved up the ass of the ruling-class bastards who run Time Warner Inc., the parent company of Ministry's label.

Al Jourgensen is a public figure who insists upon his right to say what he believes, and he's willing to pay the price for doing so.

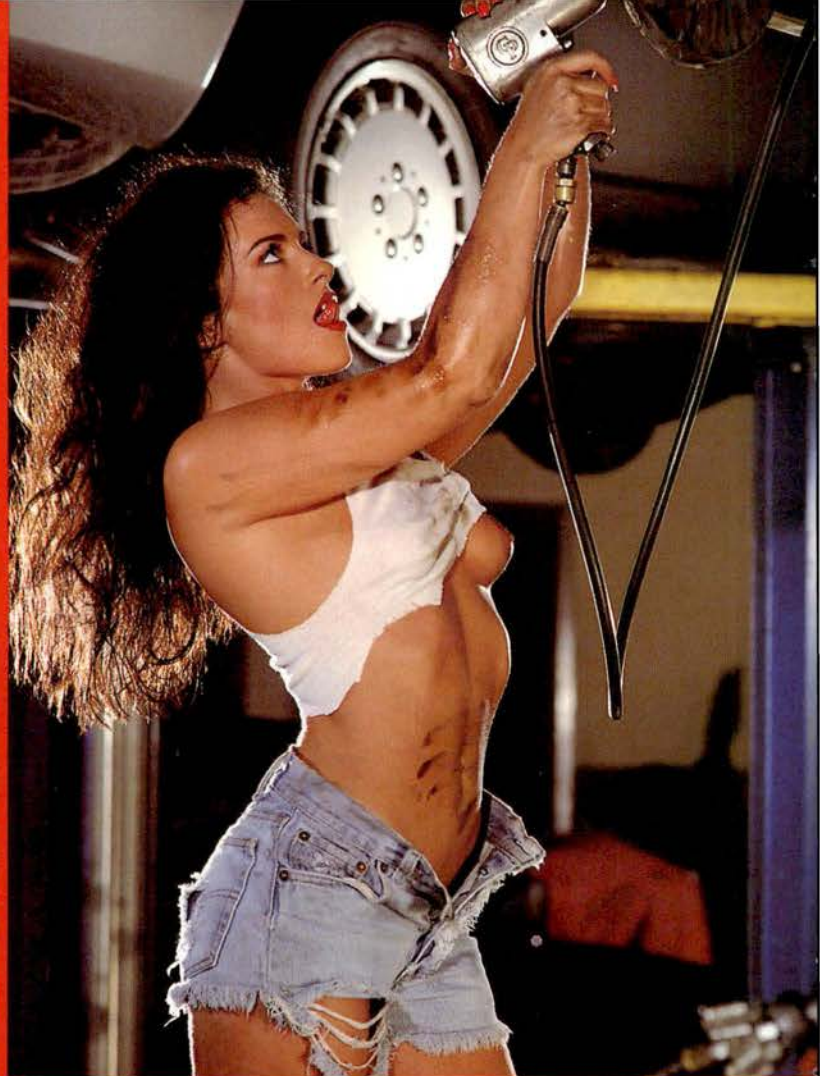

His evaluations of the current crop of stroke books, positive and negative, can be taken with full credibility.

"The models in *Juggs* look like they did it for food. A lot of food. I see the editor out there, luring fat chicks in with hamburgers and plates of Denny's, and they just come in and show it all."

months, and that bums me out. Otherwise, *Juggs* is an outstanding magazine. You need a sense of humor to read *Juggs*. I remember this one black lady that took her tits and tied them around her like a pretzel. Now that's funny as shit. I don't know if you can beat off to it. They always have the dildo shots and the lactating shots in *Juggs*. "Hallowed Hooters of History." I love the vintage stuff. See this? A naked woman, about eight months pregnant, on a fucking Harley. Not many people would condone such behavior. There's too many freak shots in here sometimes, and the only reason that I wouldn't give *Juggs* a ten is that they use a lot of the same models with BUSTY. BUSTY's done more pro. The chicks aren't fat. Models are better looking in BUSTY. BUSTY does have good cartoons. I give BUSTY seven, and I give *Juggs* a nine. *Juggs* has more variety. It's raunchier. But BUSTY is not lame shit. The models in *Juggs* look like they did it for food. A lot of food. I see the editor out there, luring fat chicks in with hamburgers and plates of Denny's, and they just come in and show it all.

HIGH SOCIETY: Demi Moore's mom nude. I'd like to see a lot more older chicks in the magazines. "Is There Racism in Porn?" They're taking some chances. Black guys on white chicks, lots of it too.

And they're talking about a topic that needs to be addressed. A lot of girls sometimes prefer not to work with blacks. "Rich, Famous, & Nude." Who is she? They take a chance, then they go back to showing Kathy Ireland's sandy butt with a bikini on. Very inconsistent magazine. What? A fucking fashion show? This model is chunky; that's nice to see. Red hair, and she's got big, hot throbbing cocks in her hands, and she looks happy, and real tits. There are actual laws of gravity, and she's adhering to them. Saved by the bell. I put *High Society* in the six, seven category.

HUSTLER EROTIC VIDEO GUIDE: If you don't have time to watch a whole porno or they won't show it on an airplane, get this. I wish there'd be more nonperfect models in all these magazines. It's a fantasy market, but a dose of reality every few pages might help. That's what's great about porno. "One Dick's Opinion." These are all stills. This is out of focus because they're moving, they're going at it. That's what sex is about. I'd be pissed if a chick wanted to pose with her leg up and told me to keep my dick two inches away from her pussy. HEVG profiles the porn queens. It's great that porn queens aren't always perfect. She's kinda cross-eyed. Nice, nice, nice! This magazine totally jumped up a few points, amongst

other things that jumped up. European porno stars should be featured once a month. If you have staged shots, at least have guys in leather masks with tattoos all over and a chick looking really happy about it. Gerard Damiano's got a column up front: "The Way I See It." There should have been more stills of actual sex. I give HEVG, definitely buyable, a seven, and I'm sure other issues are eights.

BARELY LEGAL: Models have real stuff. It's great. A little bit of a spare tire and all that. A couple of toilet scenes. I think she just vomited. This is cool. Fighting over the last tampon. This is so fuckin' funny. It's a little arty, but it all seems to fit. There's a theme here. A lot of real young girls, thus the BARELY LEGAL. She's got a great butt, and her lips rule. I give this a fucking nine. I'm into BARELY LEGAL. I'm a fan.

HUSTLER: The old standby. Gets points immediately because Larry Flynt is really cool. We relate, being in the Revolting Cocks. Also, the porn reviews are generally spot on. Honest, accurate. This is the book. My money goes to HUSTLER all the time. *Beaver Hunt* is the best, of course. The jokes, amazing. The fake ads rule. Even the vintage porn at the beginning usually has something cool in it. "Asshole of the Month." How can you go wrong? You guys do what you do really good, and the quality never varies. When you buy a HUSTLER, you're gonna laugh, and you're gonna get to beat off. This is the one. No old ladies though. Leather, can't beat it, motorcycles. The models always look like they came with an open mind. They weren't bribed in by food, and they aren't on Quaaludes. Richard Ramirez interview. *Penthouse* and *Playboy* would interview the lawyers. Larry Flynt rules. I vote for him for some form of office. Every so often, you guys just get, I don't know what the fuck you get, but unbelievable shit. *Beaver Hunt*, my favorite section of the magazine, and it's expanded over the years. The only problem is sometimes the photography is getting almost too pro. Remember the Texas Tunnel? She's one of the reasons I moved to Texas. What else can I say? HUSTLER would be a ten, but I can't give anything a ten unless I open it and come. So we're gonna go with a nine to a nine and a half. The extra half comes in because it's like McDonald's. You know what you're getting. You'll laugh; you get a boner; it rules. I know a lot of women that read HUSTLER for the humor. You don't get any other magazine like that.

CHIC: Naked, upside-down bald chicks. CHIC goes in the seven category. This is like *Velvet* and other things that were sevens, with better cartoons. Make this one a seven and a half. They have better cartoons. And they did have a naked, upside-down bald chick; so that scores bonus points. 🍆

DO EVIL IN AMERICA

REPORT BY MICHAEL COLLINS

RECORD NUMBERS OF ILLEGAL
IMMIGRANTS NOURISH AMERICA'S MOST
VICIOUS GROWTH INDUSTRY—INSIDIOUS,
COLD-KILLING ASIAN CRIME SYNDICATES.

Deadly Slant

The lead gunman, apparently a juvenile, levels a semiautomatic rifle against a diner's temple, spilling his brains into his won-ton soup. The Asian gangbangers spray the room with gunfire.

• September 4, 1977: A dark sedan rumbles to a halt in front of San Francisco's Golden Dragon restaurant. Three males, members of a Chinese gang called Wah Ching, don ski masks. Entering the restaurant, the lead gunman, apparently a juvenile, levels a semiautomatic rifle against a diner's temple, spilling his brains into his won-ton soup.

The Asian gangbangers spray the room with gunfire. Within a minute, the revenge attack by the Wah Ching gang on rival gang Hip Sing Boys kills five innocent people and seriously wounds eleven others.

The intended targets—the Hip Sing Boys—escape out the back door.

• April 5, 1993: Southern Californian Kathy May Lee, 27, parks the family Lexus on the way to buy fabric for her wedding costumes. Sixteen-year-old Asian gangbanger Coung Minh Hoang appears from the shadows, intent on purloining her luxury sedan. After coldly killing the bride-to-be with a round of gunfire to the chest, Hoang botches the theft. The failed carjacking ends in Hoang's arrest two months later in Pennsylvania.

Allegedly, Coung Minh Hoang was following gang-issued orders to obtain and deliver a new luxury automobile to his superiors. The car would most likely be shipped in a wooden crate marked "scrap iron" to Taiwan, destined for mainland China buyers.

• On a summer night in the New York borough of Queens, two smartly dressed Chinese youths argue with the manager of the Tien Chau restaurant. The pair pull pistols and shoot. The manager slumps dead behind the cash register. One young hoodlum blasts the mixed group of patrons. By the time his buddy pulls him out of the restaurant, blood is splattered all over the mirrors, and the floor is covered in swelling, crimson puddles.

Authorities determine that the incident was intended to convince Elmhurst's shopkeepers that a Chinese gang called the Green Dragons was serious about its extortion demands.

• On June 6, 1993, the Golden Venture, a ship containing approximately 300 illegal Chinese immigrants, runs aground off the coast of New York. Six die, while 276 are apprehended by authorities. Each

of the smuggled aliens paid Chinese crime lords \$35,000 for the journey. U.S. Immigration and Naturalization says it will oppose asylum requests.

Impoverished illegal aliens are prime recruitment material for the armies of Asian crime lords—a situation propelling President Clinton's June 18, 1993, announcement of a multi-agency federal offensive targeting criminal syndicates that traffic in immigrants.

In the past few years, Oakland, California's Chinatown district has exploded from four square blocks to 16. Officials estimate that a May 1991 bust of 1,080 pounds of pure China White heroin—the largest smack seizure in American history—barely put a dent in the dope running through the East Bay. By their own admission, Oakland police are overwhelmed.

"[Chinese gangs in Oakland] are into gambling, prostitution and heroin," explains Oakland Police Sergeant Bill Gillespi. "They're well armed—much better than us. They want to take over this community. They want to run this town. They want to own it."

A walk through Chinatown in any large American city reveals little gang activity, save for the occasional Asian-lettered graffiti. Amid a colorful assortment of bakeries, food stalls and clothing shops, the air is filled with the smells of *thit heo kho* (sweet-and-sour pork), *ga nuong* (marinated chicken) and *ca kho* (dried fish).

Tourists in Chinatown rarely notice the *tongs*—the business associations headquartered nearby. Tongs (meaning "halls" or "meeting places") are organizations possessing a long history of legitimate enterprises. Membership in a tong is, in itself, not an indication of criminal activity or cognizance, but tongs are a key element in the understanding of Asian-based organized crime. Whether controlling their own gangs or interacting with Vietnamese, Cambodian, Korean, Laotian and Thai gangsters, the influence of Chinese tongs cannot be overestimated.

The power many tongs wield comes from their allegiances to an influential Chinese gang called the Triads. Hong Kong, the "Isle of Fugitives," is the Triad capital of the world, home base to approximately 80,000 initiated members. The 1997 transfer of Hong Kong from Britain to China has prompted an exodus of these highly skilled criminal agents to the U.S.

Triads are named for a triangular emblem symbolizing Man, Earth and Heaven. The association dates back to

Five Vietnamese immigrants were murdered in a Hung Fo gambling parlor in Boston. One month later, Hung Fo himself was discovered bound, tortured and shot dead.

ancient China. The early Triads conducted clandestine operations with mystifying forms of identification and communication. Today, the organization remains obsessively secretive. Contemporary Triad ceremonies center around 36 oaths, each of which ends with a promise of death if broken.

Chinese organized crime in the U.S. began with tongs appearing in the first wave of Chinese immigrants to America in the 1800s. In 1882, the Chinese Exclusion Act put an end to the influx of immigration and stripped Chinese already in the country of the opportunity to secure American citizenship.

Anti-Chinese sentiment pushed the Chinese into segregated urban areas, where tongs flourished, functioning as operators of opium, prostitution and gambling dens for the migrant Chinese labor force.

With the passage of the Immigration and Naturalization Act of 1965, Chinese immigrants pushed westward. San Francisco, California, saw more than 50 killings related to Asian gangs from 1966 to 1977.

The economic backbone of many tongs is illegal gambling.

"[Asian gangbangers are so elusive that] finding an Asian gang member is like trying to find a missing person," states Detective Sam Masuda, an 11-year veteran of the Los Angeles Police Department's Asian Crime Investigation Section.

Asian gangs are structured around the suppression of street-level turf ego, thereby avoiding costly rivalries. Classic Oriental texts such as *The Art of War* by Sun Tzu have been utilized by Asian crime syndicates to help create an atmosphere of self-sacrifice within their armies of gangbangers on the beat. Gang members join up with other roving marauders in packs known as Nomads, so named because they travel great distances between crimes.

"Asian gangs aren't territorial in the sense that they lay claim to certain areas or neighborhoods," explains Masuda. "Groups involved in residential robberies have several crash pads where they stay. There are no boundaries." Asian gangbangers display a rigid self discipline.

"I don't see much [drug use among gang members]," says Masuda. "I don't see them using alcohol. They're involved in the marketing and shipping of drugs, but I don't see many users. They are very much in control at all times."

Asian card games such as Pai Gow poker have helped make California the largest gambling-revenue state in the nation. In Senate testimony, one Southern California law-enforcement official described his investigation of an Asian game consultant as "like dealing with [Mafia don John] Gotti."

Unlucky gamblers who fall prey to loan sharks are often forced to become "mules" for the Asian underworld if they can't pay back their debt. Mules smuggle heroin from Asia back to the United States.

Many Asian immigrants keep *teal*, a form of Asian currency weighed in gold, and Asian businessmen are prime investors in precious metals and stones. Such traditional proclivities make Asians prime targets for home-invasion robberies.

According to Senate testimony, Asian gangs in California operate on the Four Seas, One Brother concept, which brings various Asian ethnic groups together, usually without ethnic friction. Still, criminal activity within groups focuses on their particular ethnicity.

"Asian gangsters tend to prey on their own ethnic group," says Masuda. "A Vietnamese gang preys on Vietnamese; Koreans victimize Koreans as Chinese do Chinese. [Asian crime] seldom impacts anyone outside the Asian community."

More than 1.2 million Vietnamese live in America, concentrating in Los Angeles and Orange County, the San Francisco area and Houston, Texas. San Jose, California, population 800,000, has a Vietnamese residency exceeding 75,000.

"Vietnamese predisposed toward crime have been involved in almost every type of crime, leaving virtually no illegal stone unturned," testified Sergeant Douglas Zwemke of the San Jose Police Department at a recent Senate hearing on Asian crime.

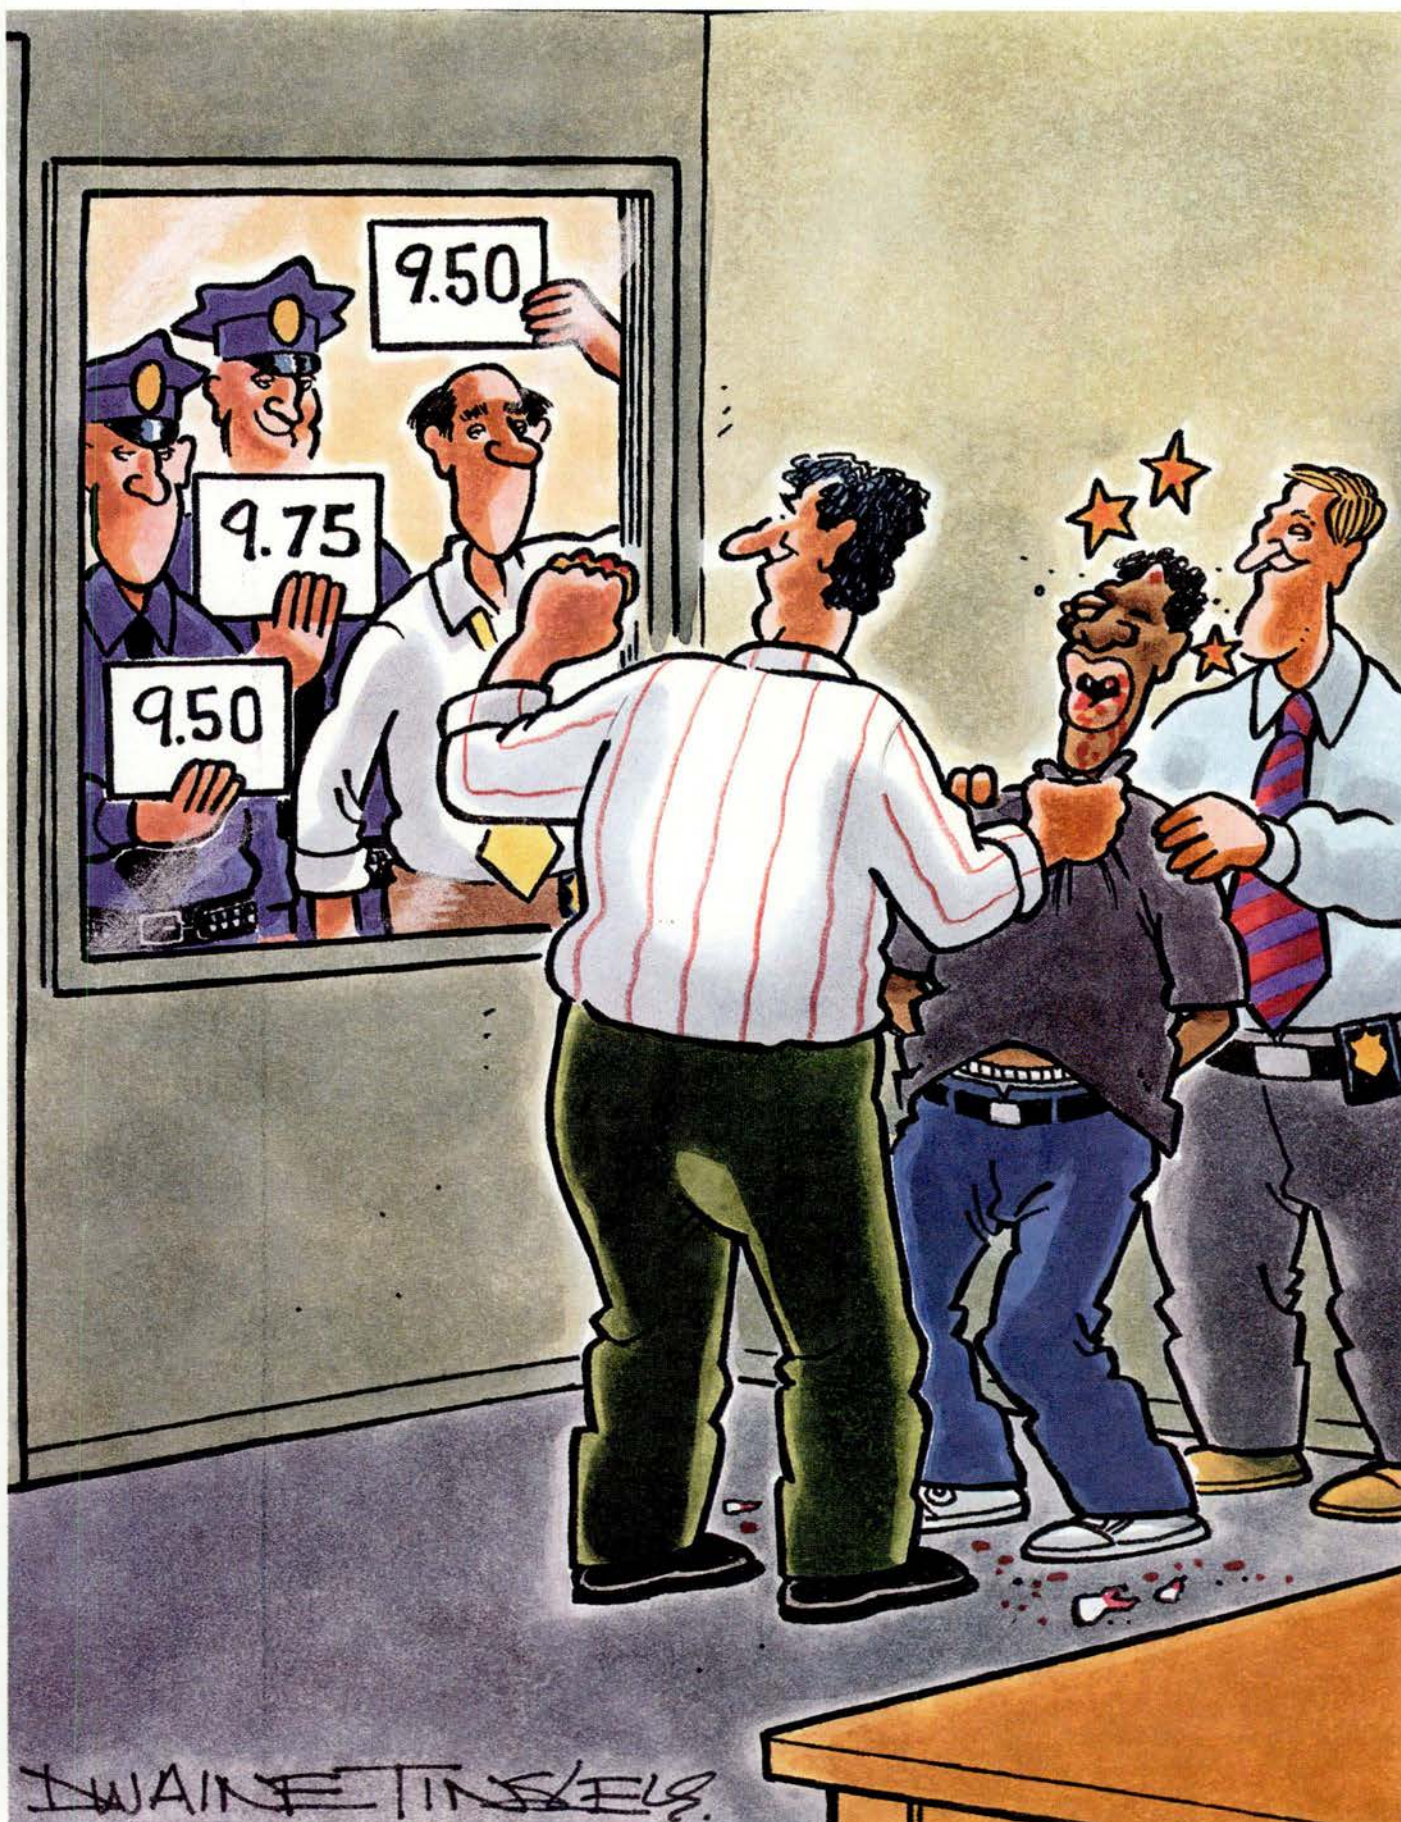

In September 1991, ten members of the Vietnamese Born to Kill gang were indicted in New York for a violent robbery spree that stretched from Connecticut to Georgia. Vietnamese gang members commonly refer to themselves as *bui dui*, or "dust in the wind," and specialize in deliberate savagery meted out with great control.

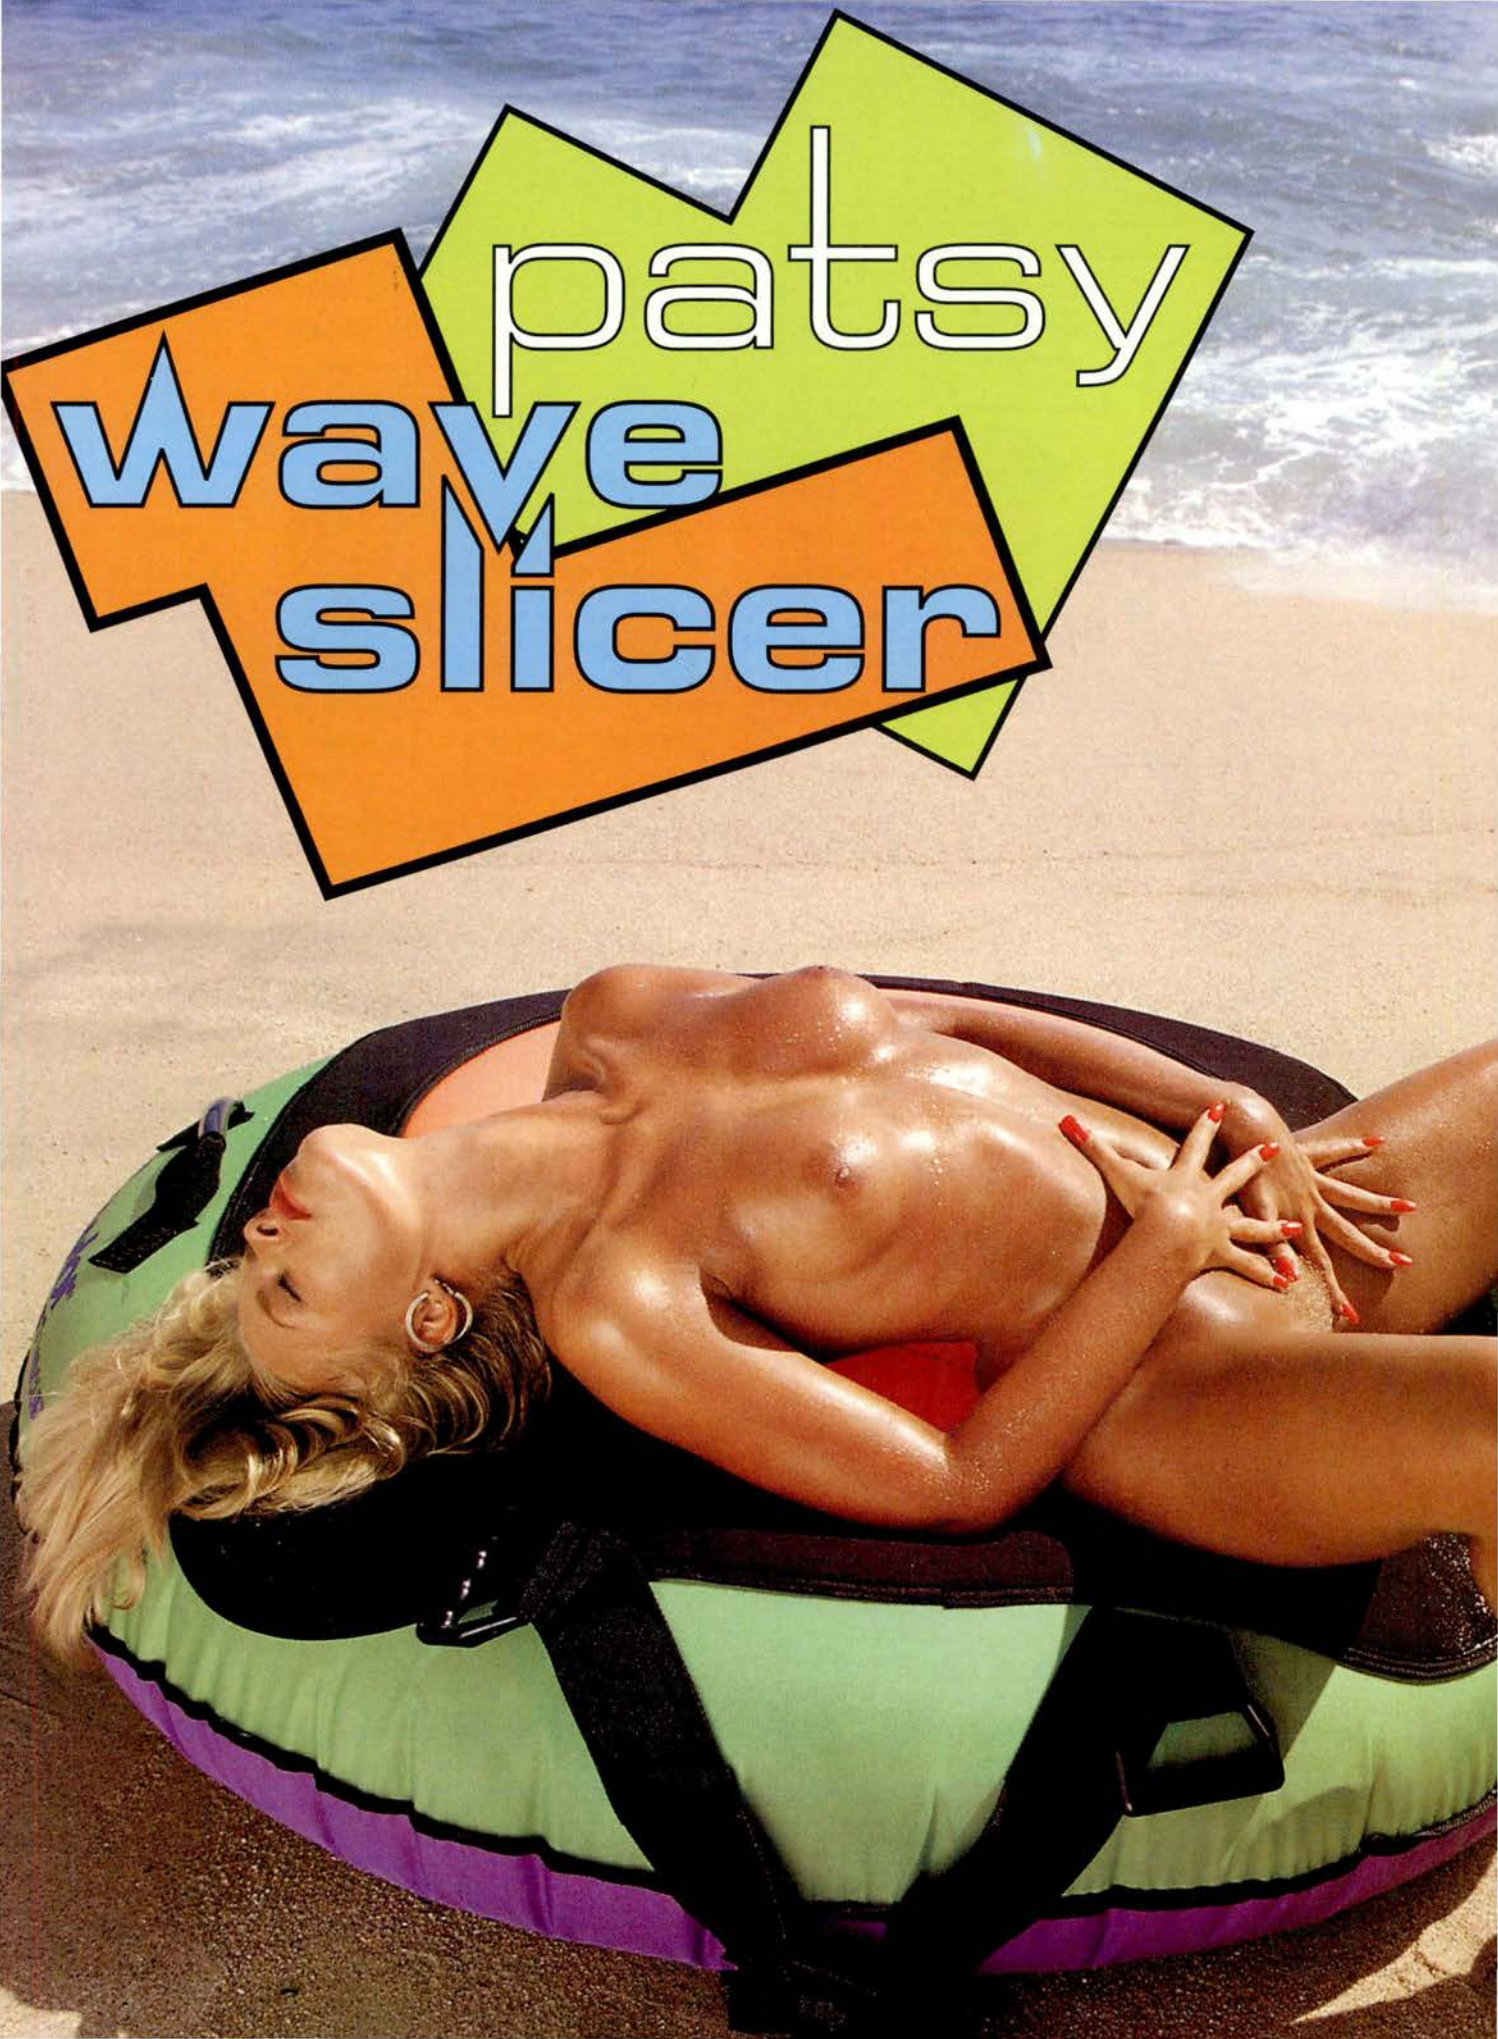

According to authorities, home-invasion robberies, car jacking, extortion, auto theft, auto burglary, welfare, insurance and health-care fraud are the crimes

HUSTLER HUMOR

A teacher known for her fanatical Christianity asked her students to name the greatest man who ever walked the face of the Earth. The one with the correct answer would win \$10.

"Christopher Columbus," answered a little Italian boy.

"Saint Patrick," replied an Irish kid.

"I'm sorry, but you're both wrong," said the teacher.

Finally a Jewish boy said, "Jesus Christ."

Shocked that the youth had given the correct answer, the teacher asked the boy to come up to her desk so that he could explain his response.

"Why did you pick Jesus Christ, when you obviously don't believe in Him?" she inquired.

"Actually, I think Moses was the greatest man who ever walked the face of the Earth," the Jewish boy replied smugly. "But after all, business is business."

Question: How many male chauvinists does it take to install a kitchen light bulb?

Answer: None! Let the bitch cook in the dark.

A strange-looking fellow walked into the local brothel, had a quick conference with the madam, and, after paying the price required for his request, was shown to a room. Inside he found an attractive prostitute naked and waiting on the bed. The man stripped, jumped up onto the bed, squatted over the woman and promptly shit on her chest. This activity continued for ten days, always with the same girl.

On the 11th day he entered the room once more, stripped, walked over to the bed and squatted above the whore's tits. He strained and strained, but only farted.

The girl opened her eyes, looked up at him and said, "Whatsa matter, honey, don't you love me anymore?"

The HUSTLER Dictionary defines *extrovert* as: one pervert too many.

Three guys, a Frenchman, a German and a Polack, were sitting in a bar. In walked a mean-looking black guy, looking for a fight. He sat down, ordered a beer, took a drink, went over to the Frenchman and slapped him in the face, saying, "I like fucking white women."

The Frenchman looked at him and replied, "Well, that's great."

Then the big black guy went over to the German, hit him on the shoulder and said, "I like fucking white women."

The German looked at him and said, "Good for you."

The black guy sat down and took another drink of his beer. He got up, walked over to the Polack and belted him on the back, then said, "I like fucking white women." The Polack thought for a second and finally said, "I don't blame you. I don't like fucking those black ones either."

Although it had been going on for quite some time, Michael never did anything about it. Then one day he developed excruciating rectal pain; so he made an appointment with a proctologist. Thoroughly distraught, Michael lay on the examining table as the doctor examined his anus.

"In all my years of practice, I've never seen anything like this!" declared the doctor. "You've got a flower up your rectum!"

"Oh, my!" gasped Michael. "Look and see if there's a card!"

Question: Why do Mexicans like small steering wheels?

Answer: So they can drive with handcuffs on.

Two shepherds found themselves a particularly attractive ewe one afternoon. One of them had just climbed on and started humping when the sheep stuck her tongue out.

"Damn!" the other shepherd exclaimed. "Your prick is coming out the other end."

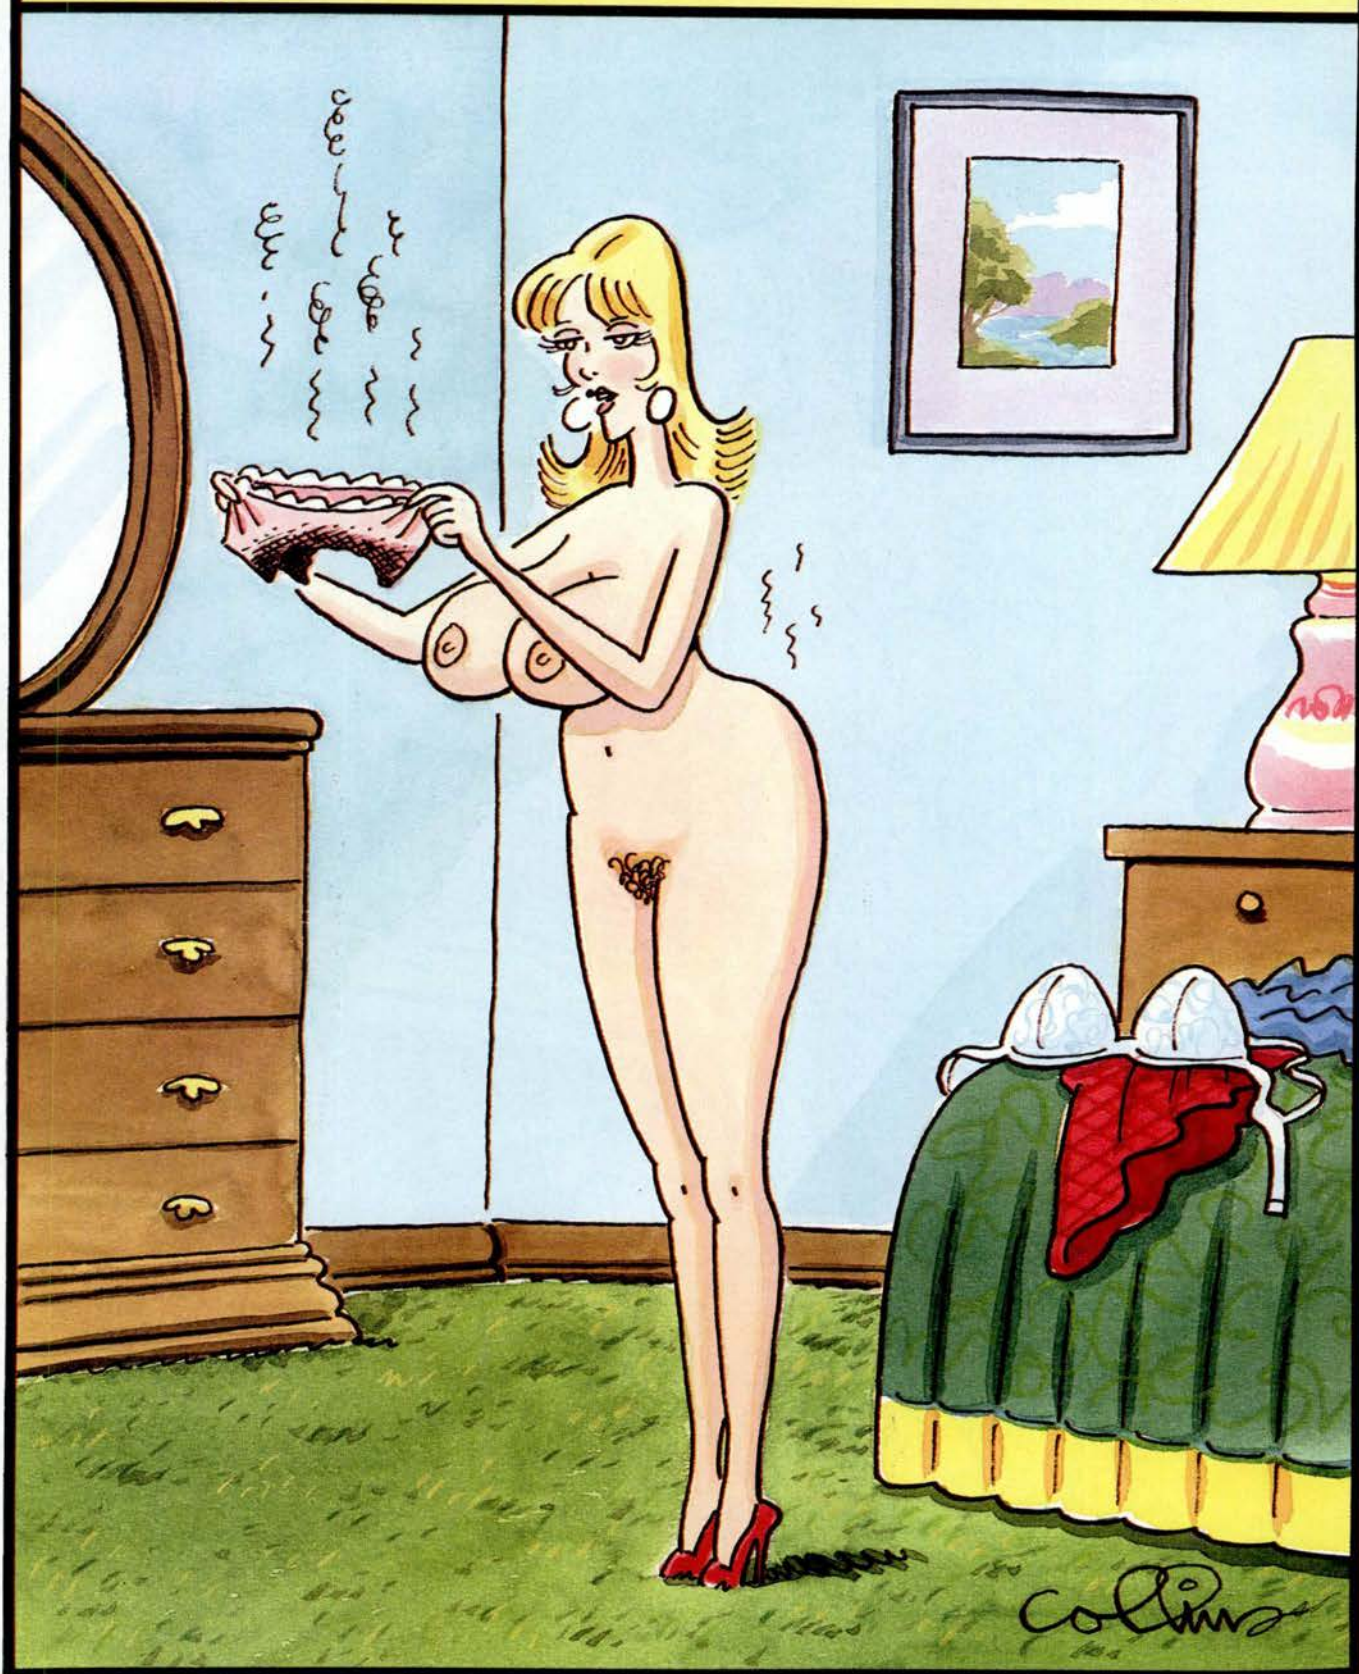

"Then quick—stick another sheep on!"

Question: How can you tell a baby wasn't wanted?

Answer: When it's born with a coat hanger stuck up its ass.

Jose dealt Whiz a quick rabbit punch to the small of his back. A gushing explosion of urine darkened the crotch of his jumpsuit. Da Whiz whimpered in humiliation.

"I found all dee faggots. What I want to know now is, *Where's da poosee?*"

When such words issue as a means of greeting, akin to "Hey, what's up?", the speaker is obviously a man of great character. When the words are bellowed in near-impenetrable Ricky Ricardo-ese while the speaker runs a stolen comb dipped in fried-banana juice through his stinky black mane, the speaker is obviously a friggin' Spic.

Jose Mendez, the man who spoke those very words to me on our first meeting, is a friggin' Spic of great character.

What's more, Jose is a friggin' Spic of great character whom I have been proud to call friend. Which is fine by him, because, as the man himself says, you can call him anything you want—"Juzz doan call me late for poosee!"

A Gotham City cabbie, Jose has lucked into the one line of work where a felony conviction is a more important prerequisite to hiring than the power of sight.

I phoned the Hispanic hack. "Jose, I need your help," I told him. "I've been booted out of a decent job and into the only profession a no-talent pervert lowlife

like myself could possibly half-fake being able to pull off—writing for HUSTLER Magazine."

"Selwyn, you are good man," Jose replied, "but maybe you no hear so good: I tell you million times we ain't getting no crystal meth shipments till late summer. Patience is virtue, my freng."

"No, it's not that—but you know to put me down for a full ounce this time—I'm broke, and I just got my latest detox bill the other day...."

"Again! Jesus, mayn, you should just have a beer and relax."

"I am. I was thinking of selling a story about riding around with a cab driver to HUSTLER, and you came to mind."

"I am honest. Truly honest," said Jose. He meant that he was honored, and you can bet that he was. Whatever exposure to written language Jose can account for springs directly from America's Magazine, explaining not only his impressive mastery of English but his tantalizingly civil social skills as well.

"Tell me also," he continued. "Can I expect something more than your fine and always pleasurable company as—how do

you say eet?—workman's condensation, perhaps?"

"Jose," I told him, "a blowjob is out of the question."

"Ha ha ha! You are such a fanny kid, you son of a goat-fucking whore. You geev me half of whatever they fucking pay you or I make you ride strapped to the roof. How much it gunna be?"

"For a 16-page story," I said, thinking on my feet, "HUSTLER usually gives me, uh, \$20."

"Twunny dollars?" replied Jose. "Dat's eet? Sheet. Fuck. Son of beetch. Cuntdamn. *Saaay....*" He turned suspicious. "Are you trying to pull the sheep over my head? Are you jerking me out? How much they *reecally* pay you? You can't kid a kidnap, you know."

You *can* douche a douchebag, however. "You're right," I confessed. "That was greed talking. HUSTLER pays me two dollars a page."

"Hmmm...two dollars...16 pages...."

I could practically hear Jose's brain imploding from the strain of so intricate an arithmetic challenge.

"Carry the nine...add dat column...ah! That's \$40! You give me \$28—half, like I said!"

"Deal."

"Meet me at the garage tomorrow night. You show up wiffout a 40-ounce beer for me, I wrap you in da fucking head wiff a ratchet."

"You're a prince, Jose."

"Fuck Prince. I hate that black midget faggot no matter what he call hisself."

The next evening, I approached my prince in his palace: the Gotham Taxi Service on 27th Street, off 11th Avenue. Jose is a *gran conquistador* of White Castles and Burger Kings. The hundred or more pounds he had packed onto his already Henry VIII-esque frame since last I saw him boasted of his prowess. And made him smell even worse.

"For-tee!" he shouted. I presented him with his gift of malt liquor. He immediately drew a long, laborious suckle. Despite all the gulping, the fluid level remained nearly full. It now contained thousands of plantain-chip crumbs and lung cilia.

Backwash.

"Have some, my freng."

"I wouldn't douche my worst enemy with that shit, Jose."

"You talk like that anymore, Señor, and maybe Jose will be your worst enemy...heh-heh. Besides, I am already deese man's worst enemy."

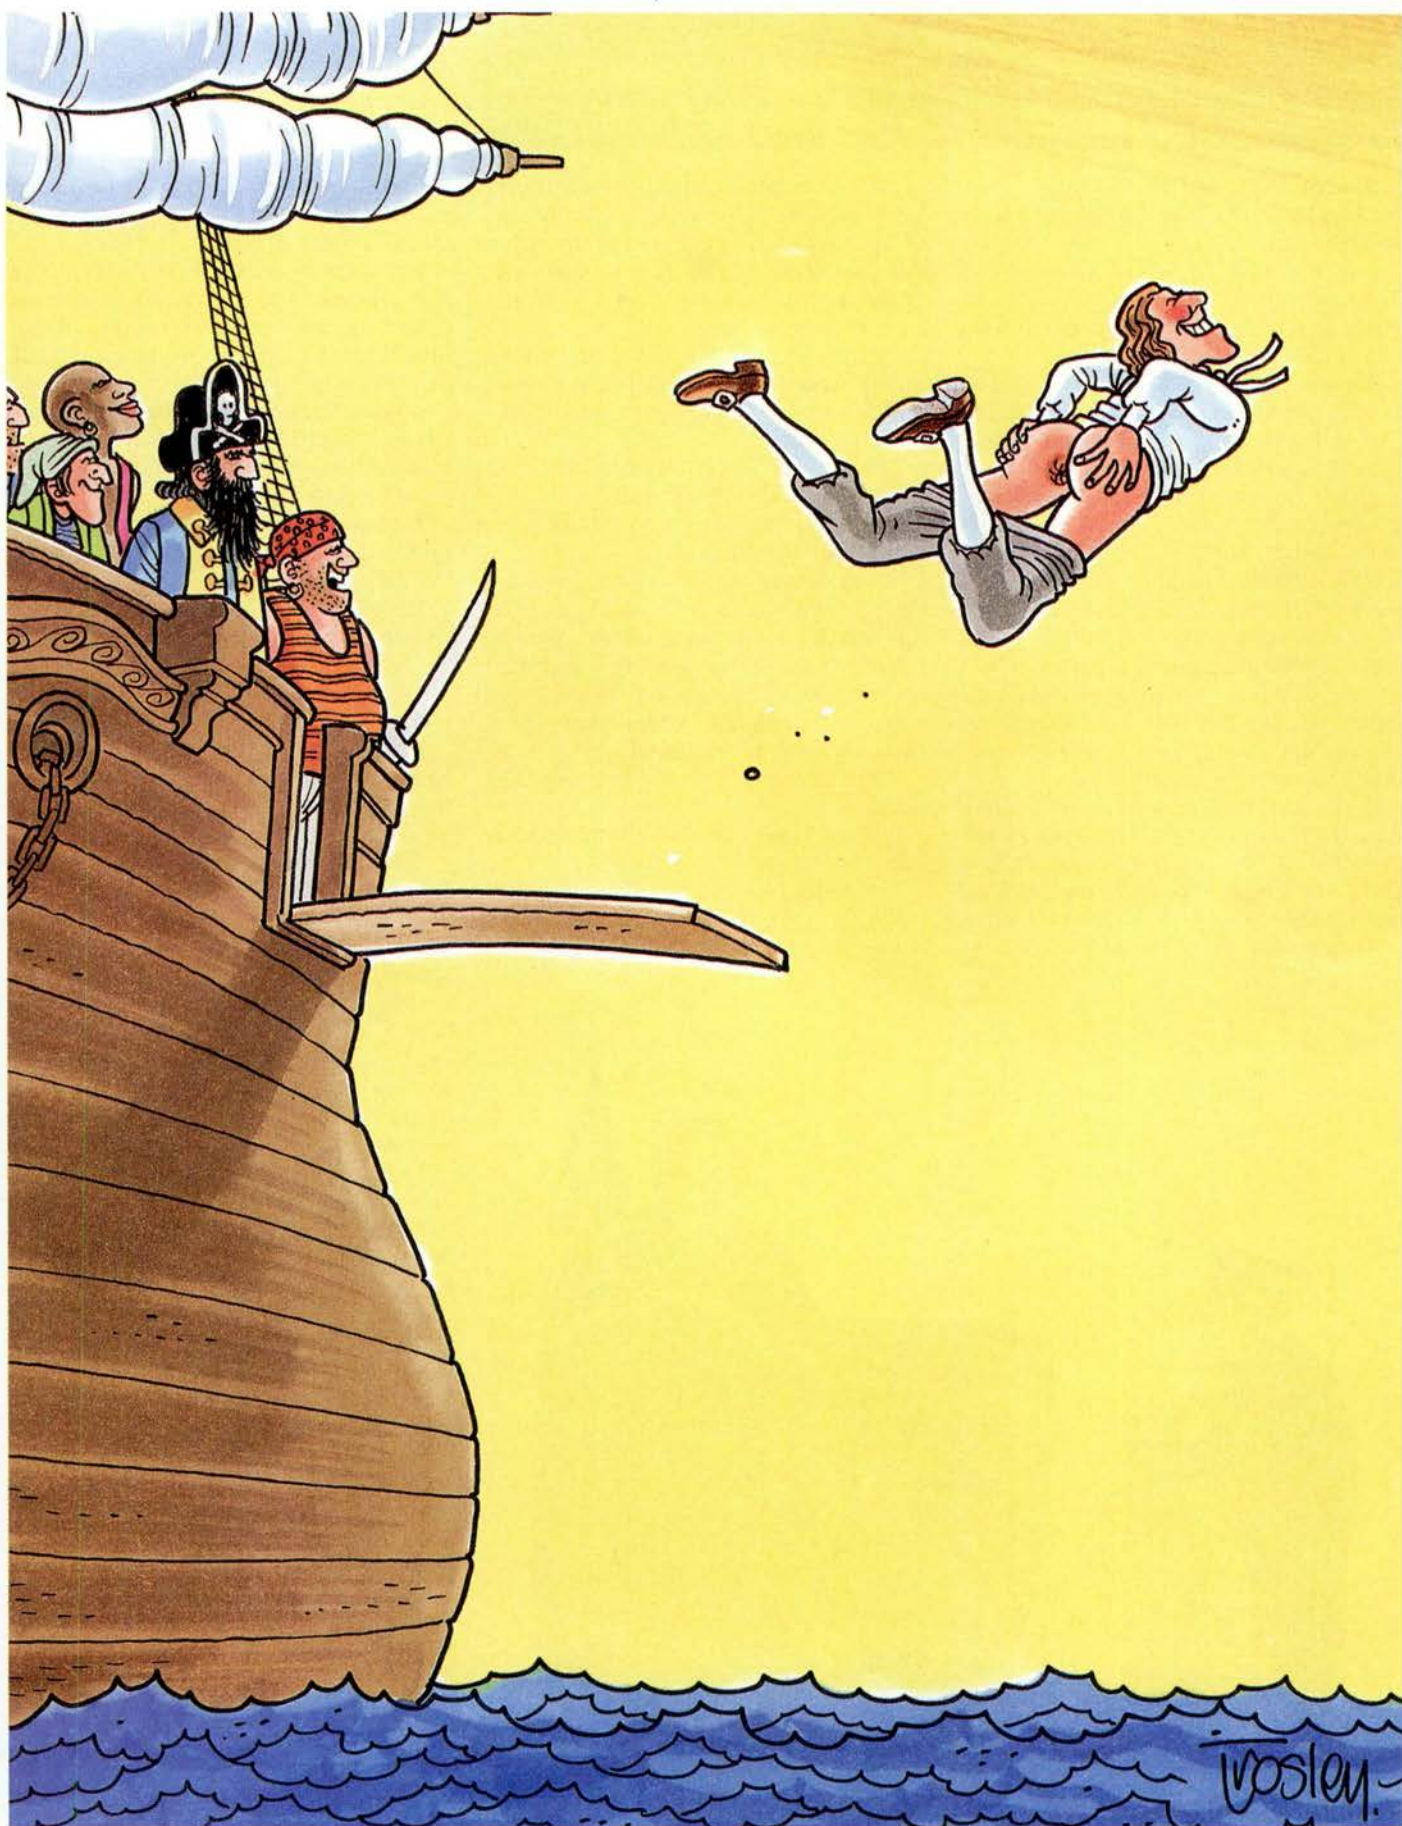

A shaky little squirt in oily work clothes crumpled when his attempt to pass Jose unmolested failed miserably.

"Whiz!"

Jose threw a headlock around this tiny

He held this wretch version of Mr.

suit. Da Whiz whimpered in humiliation.

"We call him Whiz," Jose explained
unnecessarily, "because even though he
can build a *verrry* strong motor, he sure
do haff a *verrrrry* weak bladder!"

Jose's cab was equipped with glittery
Puerto Rico souvenirs, HUSTLER
centerfolds and a large jug of yellow
fluid, on whose side Jose had written
GRAYPFROOT JOOSE. A cache of loaded
water guns lay on the floor by my feet.

At every intersection in New York,
some pathetic half-human with a bucket
of sump water, a rag and a squeegee
stands waiting to assault any vehicle he
thinks may be carrying spare change and
a non-psychotic driver.

"Wipe ya windshield?" asked an
urchin when we stopped, home-brewed
AIDS vaccine dripping from his cor-
roded mouth.

"Please do!" Jose beamed. "And den
come see me about your teep."

Jose motioned for me to toss him his
big, green SuperSoaker.

"Now, about the tip, Mist—" was all
the squeegee scum got past his cracked
lips before he was blasted with a mouth-
ful of whatever liquid lay contained
within Jose's SuperSoaker. Whatever it
was was lethal. The street bum reeled
like a fly spritzed with Raid.

"What the hell's in that gun, Jose?" I
demanded.

"Relax," said Jose. "It's nuttink. A
little taste of graypfroot joose."

"He looked like he was about to yak."

"Well, my boy, here is a fundomto
lesson for you about spending 12 hours

in a car at one time. Just because you
hear me call sumfink 'graypfroot joose'
don't mean it grow on trees!"

Jose reached for the aforementioned
graypfroot bottle.

"I am a big man wiff a big thirst and
ess no so easy for me to be getting in an
out of the cab every time my nature
mother come calling."

He unscrewed the cap from the bottle
and lowered it to his crotch, where his
other hand appeared to be having a tough
time with the zipper. Or a good time. I
propelled my head out the opposite
window and howled so that I wouldn't
have to listen to the chunky sound of
Jose replenishing his spent graypfroot
joose through his urethra.

Jose playfully thrust the open con-
tainer under my nose and boomed,
"Want some? *Ess goooooo!*"

He got very angry when I threw up
directly into his fresh supply.

"Hey, we near Grand Central! Diss
you will love!"

Millions of passengers come through
Grand Central every year, many of them
the type of tourists cab drivers love
best—rich and gullible.

What certainly looked like love lit up
Jose's face like all the lights on Broad-
way. He'd spotted a fatherless, hayseed
family making their way from the
station.

"Hallo! Hallo, Mommy. Your ride is
here!" Jose shouted to the matriarch,
smitten. Frazzled, the unsuspecting
woman directed her brood of corn-fed
farm kids toward the vehicle.

"Get out, you lazy cockfuck!"
Jose forced me out the door with his
elbow, muttering under his (ever-
enticing) breath, "Go help her wiff her
fucking bags!" He was grinning away at
his prey all the while.

As I loaded her bags into the trunk,
and she loaded her spawn into the car, I
heard her say she was going to a hotel
within spitting distance of Grand
Central. Maneuvering back next to Jose,
I offered, "You know, Ma'am, since
right now you're only a few blocks
from there—"

A sharp pain seized my testicles. It
was Jose's fist, in which he clutched an
unopened switchblade.

"Kind, gentile woman," he beamed,
jabbing me to make clear who should do
the talking. "Let us take care of you! I
know the quickest way to your hotel, and
I can surely deliver you all safe and
sound."

"Well, thank tha Lawrd," responded
the displaced Daisy Mae.

"Ahhhh...only one *leeetel* problem,"

(continued from page 102)

The silence of the first minutes on the West Side Highway gave way to sniffing. Then a sob. Then full-blown crying theatrics. "You whores gonna suck our dicks or no?" Jose demanded.

Jose interrupted. "My meter ees no working—so what you say I charge you very reasonable flat fee of feefty dollars."

"Wall land sakes, ol' Jew York is just as pricey as they always told me," said Ma Kettle, rifling her purse for the several-thousand-percent-marked-up fare, which, naturally, had to be paid in advance.

At the point where the meter would have run to about \$3, Jose slammed on the brakes and screamed, "Sorry! Everybody out! Taxi is broken!"

Mrs. Hick voiced protest, but Jose simply yelled, "Everybody out! Trunk is open! Take your picnic baskets and go!"

Jose reeled the cab into a U-turn so fast that I felt like I was part of a centrifugal-force experiment.

The ordinarily mustard-colored soup that contained Jose's eyeballs flared neon yellow. "I spotted two Jap businessmen!" he exploded.

Jose actually threw the taxi up onto the sidewalk, blocking the bamboo-background businessmen's route, widening their eyes what little bit was possible.

"I honorable lickshaw dlivuh know how to show good time!" Jose called to the nattily dressed Nipponese. "Mebbe we go somewhere have nice sock-ee? Mebbe we go somewhere have nice, honorable Amelican poo-see?"

A pair of overbites shone back at us, grinning.

"Ah-so! We do speak same language!" Jose chortled. "I take you anywhere in honorable city for velly leasonable plice—only two thousand dollah."

"Two thousand dollars!?" screeched one of the suave-looking sushi boys in perfect English. "If we wanted honorable Amelican poo-see, as you put it, we'd go fuck your sister in the Port Authority men's room for 60 cents worth of crack! Screw you, wetback!"

Jose drove onward, saying nothing but hissing, "Dee Irish mouth stays...shut!"

Thus was I prevented from expressing surprise at Jose's sister doubling the cost of her services in the bus-depot comfort station.

The vicinity of Ninth Avenue and 14th Street was distressing territory.

Tassled, teased-up transvestite hookers pawed and leered at our cab as though we were in some RuPaul-owned drive-thru safari.

"Jose," I asked, "what the hell are we doing in *Crying Game* country?"

A streetwalker who had almost perfectly recreated the ever-popular Marilyn Monroe look, save for the Negroid pigmentation and the mammoth cock that poked out through the chiffon, leaned in my open window.

"Mammy luhhhvs you, baby," she intoned. "Come homes to yo mammy, bay-bee!"

On more amenable grounds, westernmost Greenwich Village all the way up into Hell's Kitchen, the streets are lined with nearly nude, nubile nymphs, most on the stunning side (no "Jose's sister"-types allowed), every one of them competing for oral-sex dollars.

Before we could say "Vice Squad," a pliant pair bounced into our backseat. We hadn't solicited anyone yet; these two simply invited themselves in. Needless to say, they were welcomed. They were blond and bikini-clad.

Before we could make arrangements to buy them, the bigger of the two hurled three \$20 bills up front and commanded, "Just take us *any-fucking-where* but here!"

O-fucking-kay.

The silence of the first minutes on the West Side Highway gave way to sniffing. Then a sob. Then full-blown crying theatrics.

"You whores gonna suck our dicks or no?" Jose demanded, slamming the cab to a halt on a side street.

"We're sorry, Mister," the thus-far more vociferous of our weeping wallflowers said. "That money we gave you was our, uh, manager's. He told us to go buy cocaine and condoms with it, but we just had to get away. We're *sorrrr-hee-hee*...."

Jose and I pivoted around to grab a better look. Oh, what we saw!

The voluptuous vagrants clung to each other, chests heaving with each successive sob. Maybe it was the cascading, peroxide curls. Maybe it was their four perfectly formed and ample lung muffins.

"S'okay," a certain voice of sympathy up front echoed. "You safe wiff Uncle Jose now. You want I should go back there and give him a enema wiff my workboot? You two could make your money by your looks! My friend Selwyn is a photographer for the magazine called *HUSTLER*—"

"*HUSTLER*!" they both shrieked, seemingly appalled.

A gruesome method of smuggling heroin from Thailand is the use of bought or kidnapped babies, who are killed, gutted and stuffed with bags of China White.

of choice for Vietnamese gangs, who also aspire to follow their Chinese counterparts into the richer pastures of gambling, narcotics and money laundering.

Vietnamese gangs have been linked to computer-chip theft in the Silicon Valley, south of San Francisco, and in Irvine, California. Because the property is seldom registered with identification marks, computer-chip theft is extremely difficult to trace. Stolen chips are typically repackaged by fencing rings operating in the Southern California area before being shipped overseas to Taiwan, Thailand and Hong Kong. An estimated 70% of all high-tech theft cases in California are generated by Vietnamese-based crime syndicates.

The brief, violent history of Vietnamese-gang leader Hung Qwok Dwong illustrates the criminal prospects awaiting many refugees. A boat person eventually interned in a Hong Kong detention facility, Dwong enlisted more than 150 illicit immigrants for a gang he formed and named Hung Fo [Red Fire] gang, a title Hung Qwok Dwong took for himself

as well as his gang. The emblematic, three-masted sailing ship tattooed on the chests of Hung Fo members symbolized their defiant, outcast beginnings as boat people.

Hung Fo's influence quickly spread in the 1980s, when he and his fellow Vietnamese refugees, detained in Hong Kong, were allowed to emigrate to the United States.

When off-duty sheriff's deputy Henry Wong got into an argument with Hung Fo members in a Southern California nightclub, Wong died at the scene from multiple gunshot wounds.

In February 1991, five Vietnamese immigrants were murdered in a Hung Fo gambling parlor in Boston. One month later, Hung Fo himself was discovered bound, tortured and shot dead in a wooded area near San Francisco. Authorities believed Fo was caught up in a dispute with the leadership of a vastly more powerful Chinese syndicate called the Wo Hop To.

In March 1993, on the anniversary of Hung Fo's death, two Hung Fo members visiting Fo's grave in Anaheim died in a

hail of bullets from gang rivals.

Smuggled illegal aliens arrive from China, usually from the coastal province of Fujian, where the average yearly wage is \$500. Such people are often in debt \$25,000 to \$30,000 to the "snakeheads" [Asian slang for smuggler] who arranged their entry into the country. Smuggled over the Mexican border, or ferried from ocean-going ships to beach hideaways on small craft, many illegal Chinese immigrants are held as prisoners and used as prostitutes and drug couriers until they and their families pay their debts in full.

The Korean Killers, the Korean Fu Ching, Korean Power and the 24K are active Korean streetgangs nationwide, operating Asian houses of prostitution that cater exclusively to other Asians. These are often little more than organized slave brothels, as well as serving as the predominant middlemen in the distribution of ice, the smokable crystal methamphetamine. The overlords of an estimated 90% of the ice trade in Hawaii are the dreaded Japanese gangsters, the Yakuza.

The Japanese *Boryokudan*, which means “the violent ones,” is better known as the Yakuza. The Yakuza traces its origins to 17th-century gambling dens that flourished along medieval highways. Today, it comprises a feared and monied class in Japan, having built one of the world’s largest criminal syndicates with 3,000 subgroups and 88,300 members operating globally.

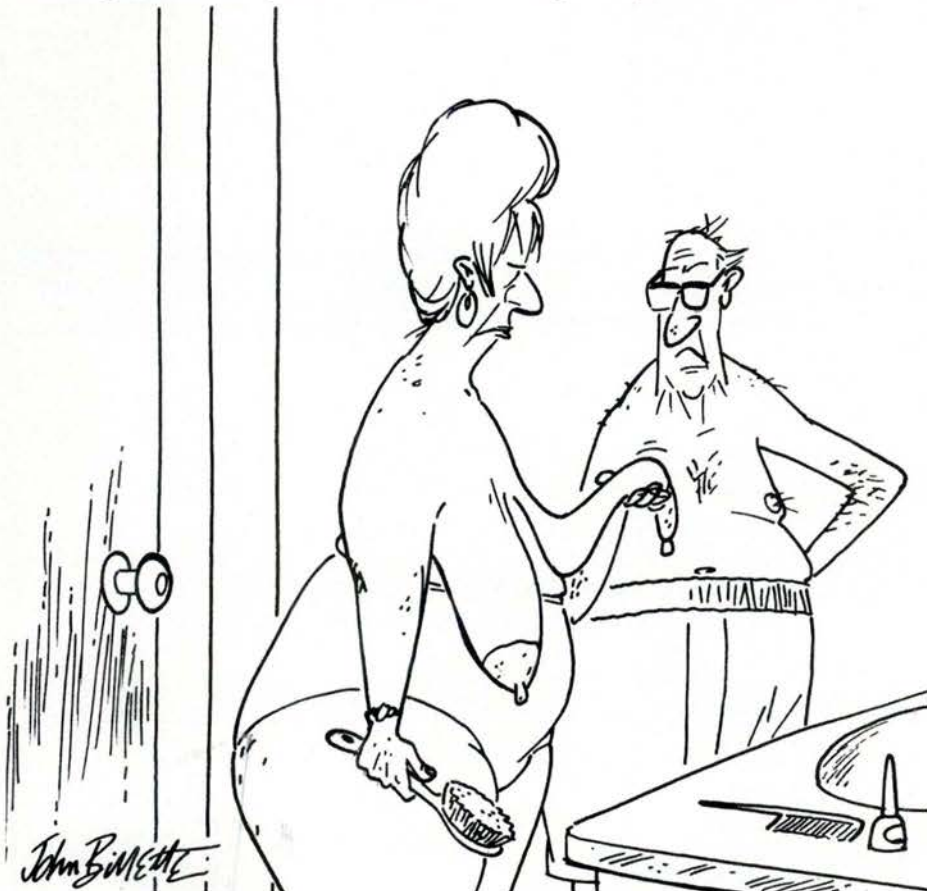

Details Masuda: "The Yakuza operate here in the U.S., buying legitimate businesses for money laundering. I've been in this unit for 11 years, and I don't know of anybody arresting a Yakuza."

In February 1992, martial-arts champion Yasuo Kato, 49, was executed in his Camarillo, California, home in trademark Yakuza fashion: two swiftly delivered, jagged-edged knife wounds to the heart. There were no signs of struggle or burglary. Investigators suspect that financial problems related to Kato's real-estate business may be connected to his murder. The crime remains unsolved as authorities concentrate on a possible Yakuza connection.

The purity of the highly refined heroin known as China White is as high as 91%. 1,497 pounds of heroin, worth over \$5 billion, were seized nationwide by U.S. customs agents in 1990. A gruesome method of smuggling heroin from Thailand is the use of bought or kidnapped babies, who are killed, gutted and stuffed with bags of China White.

According to the *Far Eastern Economic Review*, the infants involved in this evil means of smuggling must be less

(continued from page 112)

I was reminded of the time I told my grandmother that my writing was being published, and she asked where, and she hadn't been taking her medication, and...but wait!

"We love HUSTLER!"

All smiles, the tall bim explained, "HUSTLER is one of the main reasons we ended up in New York! Back in the Watchung Mountains where we grew up, me and Gretchen—that's her—"

Gretchen smiled, said hi and didn't appear to care that her right nipple was poking shyly up from her bikini top. I cared. I cared a lot.

"We used to steal our brother's copies of HUSTLER and make out and hump each other's hineys and have a great ol' time. One day our daddy, who's a preacherman, gave us a whuppin' like you never saw, and we took off to the big city, and we been supporting ourselves by giving naked, lesbian hiney-hump shows ever since!"

Due to the surge of every drop of blood in my corpus rushing into my cock, it took me a moment to do some all-too-necessary detective work.

Grew up together? Brother? Daddy?

It was true! They were sisters! There was a God!

Unfortunately, Jose was adept at unlocking the door on the passenger's side of his tax. He's got very big, very powerful (in all senses of the word) feet. If he should choose to aim at your midsection and kick you the fuck out of his car, there is shit-all you can do about it.

The Cabbie King spoketh.

"Well, well, yes indeed, Selwyn is a photographer, but did I tell you that I am his boss?"

Jose slowed down only enough to pull open my door completely.

"Here we are at the lab where he's gonna go pick up that film I told him to have developed!"

The last thing I heard was, "Yes, my name is Jose Flynt. I own the magazine HUSTLER...."

The stink of black smoke from the tailpipe followed, and then, for some reason, a sickening taste in my mouth.

An assessment of the debris scattered about revealed the reason exactly: A bottle had followed me on my trip from Jose's front seat to the New York sidewalk.

In the heat of the summer night, the cooling liquid was, at first, a blast of relief. One look at its label, however, and relief turned to revulsion.

The label read GRAYPFOOT JOOSE. ☹

Deadly Slant

than two years old so that the long period of "sleep" does not seem unnatural, and they must be used within 12 hours of death while their faces retain color.

Accompanying America's heroin inundation is an equally huge flood of illegal Asian immigrants. More than 20 different Triads and gangs have been involved in Chinese alien smugglings, according to the Immigration and Naturalization Service.

The Chinese represent the fastest growing group of aliens attempting to enter the United States illegally. Asian snakeheads reap more than \$250 million monthly smuggling immigrants, potentially generating \$3 billion annually, according to Senate findings.

The United States has unwittingly provided greater access to Asian law-breakers through the Immigration Act of 1990. Nearly 10,000 visas have been set aside for immigrants and their families who start a business in America that employs at least ten U.S. citizens.

"Using easily obtained phony passports and taking advantage of newly relaxed international travel restrictions as well as the greatly increased volume of international trade, the new inter-

national criminals treat national borders as nothing more than minor inconveniences to their criminal enterprises," asserts Delaware Senator William V. Roth.

The untold billions that Asian crime generates in the U.S. demand careful laundering to disguise their criminal origins. Thought to be accomplished through Asian banks located primarily in the U.S. and Hong Kong, American law enforcement has made scant progress cracking these networks.

Monterey Park, eight miles east of downtown Los Angeles, has a glut of foreign financial institutions. 34,000 of the city's nearly 61,000 people are Asian, yet the suburb holds 28 Asian banks, estimated to do between \$1.5 and \$2 million of transactions daily.

"For an American to go in [to the Asian banks in Monterey Park] and try to crack a money-laundry operation would be very difficult," notes Masuda. "Our vice guys can't even get a simple violation in an Asian bar. The language, the culture, is too great a barrier."

As long as the barrier between Asian-based gangs and American law enforcement is greater than what stands between illegal immigrants and America, Asian crime lords keep the upper hand. ☹

You Can ENLARGE, THICKEN & HARDEN YOUR PENIS TO IT'S MAXIMUM!

Is the size of your penis bringing you down? Sure, the medical authorities say that size doesn't count, but as long as women have a need to be filled, they will demand the full measure of devotion. And no amount of psychological reassurance will fill the gap between expectation and reality.

Now, with a simple device you can follow in the footsteps of Super Porn Star Scott Taylor, and the over 3 million men who have proven that there is a way to **INCREASE PENIS SIZE AND THICKNESS!** The device is called the **MARK 10 VACUUM ENLARGER**. A safe and proven natural way to add inches to penis length and thickness. With the **MARK 10**, you will see yourself grow to dimensions you never thought possible.

HOW CAN THE MARK 10 VACUUM ENLARGER INCREASE PENIS LENGTH & THICKNESS?

Your erection is caused by blood flowing into hollow caverns inside your penis. The caverns fill with blood and your penis grows in size and thickness and becomes stiffer and stiffer until the caverns are filled with all the blood they can hold. BUT, IF YOU INCREASE THE CAPACITY OF THE CAVERNS BY MAKING THEM BIGGER, THEY HOLD MORE BLOOD and you have a correspondingly longer, thicker penis. You'll see the

astounding results the first time you use your **MARK 10**. Your penis will grow inside the clear, picture window sleeve. Immediately you'll see just how really **BIG**... how really **FAT**... how **LONG**... how **HARD** and **STIFF** your own penis can get! And after regular sessions with the **MARK 10** you'll probably find as do most men that these size gains don't go away! They become a part of you to thrill and excite her!

TWO STATE-OF-THE-ART VACUUM ENLARGERS TO CHOOSE FROM!

These sophisticated instruments are by far the state of the art in penis enhancing machinery. The **HEAVY DUTY MANUAL** model is a finely crafted precision instrument designed to create the vacuum needed to make the male organ **LONG** and **THICKER**. And for the connoisseur, the powerful **ULTRA DELUXE ELECTRIC** model (U.L. approved) is equipped to give you continuous even sucking power until you shut it off! The **ULTRA DELUXE ELECTRIC** is perfectly safe and as quiet as a whisper. Accept no substitutes!

YOU OWE IT TO YOURSELF... TO YOUR SEX PARTNER... TO YOUR SELF-ESTEEM... JOIN THE COUNTLESS OTHER MEN WHO STARTED OUT "AVERAGE" OR "BELOW AVERAGE," AND LEARNED ALL ABOUT MAKING A "BIG" IMPROVEMENT IN THEIR SEX LIVES!

THE WORLD'S BEST
SELLING PENIS
DEVELOPER NOW
OFFERED AT A
FRACTION OF ITS
ORIGINAL PRICE!

Have you ever been embarrassed by the size of your penis? Have you tried to convince yourself it's not how big it is but how you use it? As long as your sex partner needs to be completely filled, you owe it to yourself to do something about a larger penis now!

Our penis developer will increase penis length, thickness, and make your erection harder and stiffer.

Did you know a woman's vagina will stretch and enlarge to accommodate a large penis? Imagine her excitement as you penetrate deeper than you ever have before.

How does our penis developer increase your penis length and diameter?

The answer is called hypermia, a medical term to describe blood filling into caverns of your penis. The caverns expand causing your penis to grow in size and diameter. The superior pump action and sealed vacuum of our penis developer urges your penis to grow to mammoth proportions. Our penis developer is not just a vibrator like some electric units you may see advertised. Remember, it is the precise slow super pumping action of our space age designed penis pump that builds your penis larger than you ever dreamed possible.

Act now if you are interested in penis enlargement.

NEXT MONTH IN HUSTLER

April HUSTLER on sale February 15, 1994

GROWTH MAGIC

HUSTLER in April makes oaks out of acorns with seed-soaking showers of pink. Rise to the occasion when a smooth, supple salesgirl takes a hung-like-a-tree-trunk stud on a trip around the world without leaving her bed; rally 'round a statuesque beauty whose spacious mountains' majesty proves God is a breast man; paint a mental picture with a dirty-mouthed miss whose X-rated ideas for daydreaming make her skimpy, leather jumpsuit blush; see what a snorkle can do for a seaside adventuress exploring the silky coral reef of her skindiving gal pal; and congratulate *Beaver Hunt*'s 1993 Grand Prize winner with a hot spray of bubbly as she makes and breaks a full solo spread. HUSTLER in April gives the season a reason to spring. Stand tall.

BLACK-MARKET BABES

It's hard to imagine any woman so callous as to sell her newborn child for profit. Yet each year in America, thousands of mothers and fathers willingly exchange their flesh and blood for cash, drugs or property. Law enforcement agencies estimate black-market adoption to be America's fastest-growing criminal industry; yet the job of curtailing the largely hidden enterprise faces the obstacle of insufficient legislation. In many states, the crime of selling a child merits legal punishment less severe than does the possession of marijuana. Writer Larry Wichman investigates the causes of the curse of infant trafficking in *Parents for a Price*, a chilling look at the heartlessness of greed.

JANITOR JAMS

Some people rubberneck at auto wrecks; others can't walk past scum without stopping to take a closer look. Swabbing hand-cranked semen night after night isn't every man's idea of a dream job, but such a task provides countless hours of gawking at gloriously skeezy, undulating, unclad women. Toiling in a workplace imbued with the sight, sound and smell of the female sex, the janitor cleaning a peep-show parlor sees his mucky mission through Lysol-tinted glasses. *Mop Man Memoirs*, by janitor-to-the-smears Rand Stiles, tells the story of one man brave enough to hit the bottom of the bucket in order to clean up in smut.

PICKS AND PERKS

Certain underground rave clubs feature an innovation jolting the dance-and-drug scene: videotaping post-show gang-bangs. Writer Del Bolton brings the latest rave craze to the page in *Bash Plus Gash*, a head-turning take on after-hours entertainment. Trim-tracking the choicest pieces in moving pictures, HUSTLER's *Erotic Entertainment* advises video voyeurs when and where to press the button; *Hot Letters* makes a case for wild abandon in everyday situations, particularly when it means screwing a neighbor through her panties on a backyard picnic table; *Beaver Hunt* shoots and scores wherever bold muffs come in the buff, prowling ordinary households for eligible 1994 Grand Prize finalists; and *Bits & Pieces* blazes new trails in old schtick, elucidating anew the ancient adage that what comes around keeps coming. HUSTLER in April breaks new ground. Watch it grow.
