BITS and PIECES

ASSHOLE OF THE MONTH

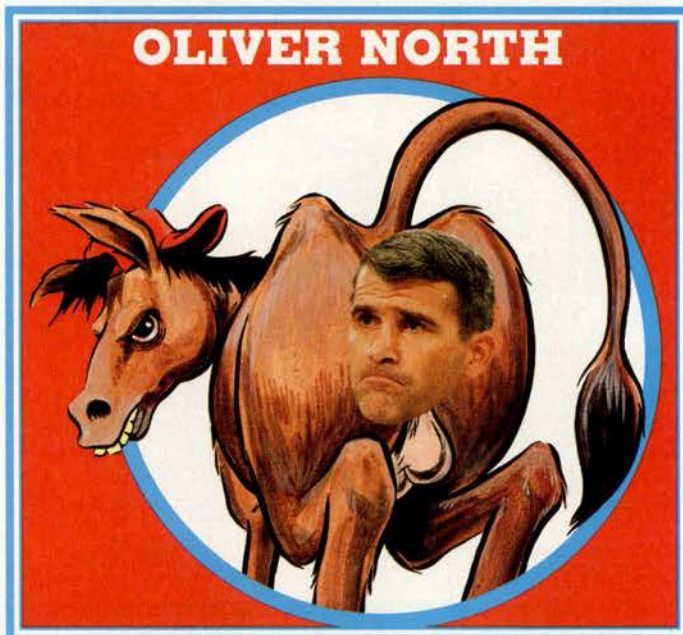

Like a diamond, an asshole is forever, especially when that asshole is retired United States Marine Lieutenant Colonel Oliver North. As HUSTLER's Asshole of the Month for August 1994, North proves the adage, Once a shit soul, always a shit soul.

On October 23, 1983, a suicide bomber crashed a large Mercedes truck carrying 2,500 pounds of TNT through the defenses of the United States Marine compound in Beirut, Lebanon. The driver detonated the cargo, demolishing the headquarters. The four-story, cinder-block structure collapsed into a heap of broken cement, killing more than 240 American troops asleep inside. The Marine death toll far exceeded that incurred in any single action of the Vietnam War. The attack, according to U.S. officials, was the work of Islamic zealots with links to Iran.

Two years later, in November 1985, while a member of the White House National Security Council (NSC), faithful Marine Oliver North brokered the sale of missiles to the Islamic zealots of Iran, pocketing some profits to buy snow tires.

If life were fair, these two events would place Oliver North in front of a firing squad. Unfortunately, in this world, shit floats. Oliver North is 50 years old and running for the United States Senate.

Politics is the natural refuge of scumbags who are unfit to live with common criminals. Even so, since 1789, no one has served as a U.S. Senator after having been convicted of a felony. In 1989, North

was found guilty of falsifying and destroying documents, accepting an illegal gratuity and obstructing Congress.

Telling lies to Washington lawmakers is a crime that many Americans might readily excuse. But North's dishonest streak started long before his 1987 Iran-Contra testimony and continues today.

North claims he was "exonerated" of his crimes, which isn't exactly true. A federal appeals court suspended his convictions on the ground that he had been granted immunity for his testimony.

In his NSC biography, North claims he ran the Special Operations Training Detachment at a Marine training camp. No such unit exists.

North claims he watched television with President Ronald Reagan in the White House living quarters. Former Reagan spokesman Marlin Fitzwater says North never set foot in the living quarters.

In a January 28, 1994, interview on *Nightline*, North said his appearance before the House-Senate Iran-Contra committees was "a hearing I didn't want to go to, and we certainly didn't want to make public." Congressional records show that North's lawyer, on Ollie's behalf, insisted his client appear in public.

During an appearance on *Face the Nation* on January 30, 1994, North asserted that he had opposed the arms-for-hostages deal with Iran. North's 1991 autobiography,

Under Fire, indicates he was a zealous supporter of the plan.

Misty-eyed North today evokes images of "those of us who saw the horrors of Vietnam and sought treatment to heal those wounds" to explain his 22 days of psychological hospitalization in 1974. In his autobiography, North blamed his problems on marital troubles. Mention of this hospitalization later disappeared from North's military-service record.

North denounces political elitists who run the country as though they know better than ordinary Americans. Back in the '80s, North collaborated with the Federal Emergency Management Agency on a plan to suspend the Constitution and run the country under martial law during a national crisis—such as opposition by ordinary Americans to a military invasion abroad.

Retired Major General John Singlaub opines that North "told lies and got away with it." Former NSC consultant Michael Ledeen remembers North "had trouble distinguishing between what was true and what he wished to be true." Ex-CIA official Ed Juchniewicz believes North "can lie his way out of anything." Ronald Reagan complains: "I am getting pretty steamed about the statements coming from Oliver North. The private meetings he said he had with me just didn't happen."

"Two different people could easily have two different recollections of events," prevaricates North, "and neither of them tell an untruth."

But far more than two people see the truth: Oliver North is an Asshole.

Farts in the Wind

Donald Deatherage: A 27-year-old computer dweeb with no life, Deatherage troled the America Online computer network to lure a 14-year-old boy into his clutches. Police say Deatherage (who pleaded guilty to two counts of oral copulation and one count of sodomy) handcuffed, shackled and blindfolded the kid, whipped the boy's ass with a belt, forced

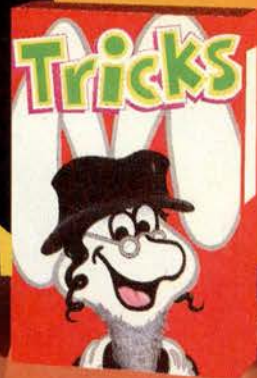

the teen to take an enema, then shaved the adolescent's legs and pubic hair and had sex with him. After the session, Deatherage—who called himself *HeadShaver* on the computer—ordered his victim to write about the ordeal, contributing to the *Diary of an Asshole*.

Denise Pfeiffer: A British citizen

who estimates she spent \$10,000 to travel from concert to concert during Michael Jackson's Dangerous Tour, 24-year-old Pfeiffer is facing criminal charges for harassing the father of the boy who accused Jackson of sexual molestation in a widely publicized incident. Pfeiffer should leave fantasy living to those Assholes who can afford it.

The Life and Death of a HUSTLER Parody

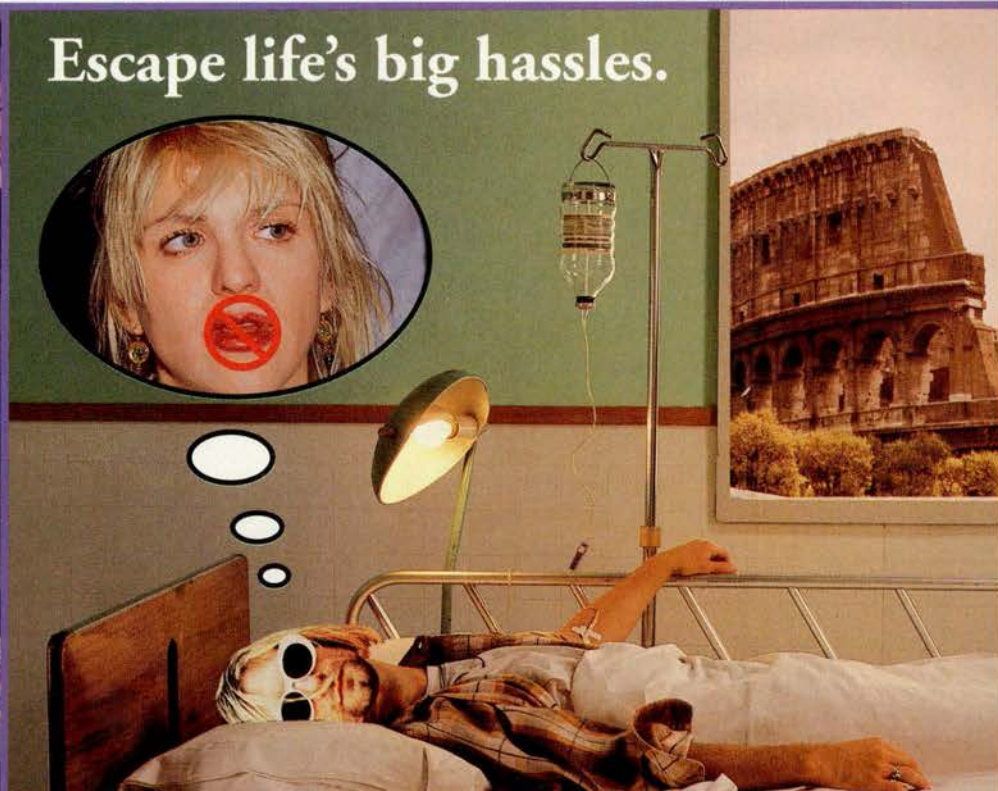

How does a drug-addicted, self-loathing rock star from Seattle affect the lives of HUSTLER editors?

March 4, 1994: Nirvana's leader Kurt Cobain falls into a coma while his band tours Rome. Spin-doctoring publicists play the coma as an "accidental" ingestion of downers and champagne to celebrate the arrival of Cobain's wife, Courtney Love. HUSTLER sees the overdose as a contraindicative side effect to his mewling spouse's presence and concocts an appropriate ad parody.

Best when served with three Tuinals or two Threinals.

AD PARODY. NOT TO BE TAKEN SERIOUSLY. COMATOSE ROCKER'S HEAD PASTED ONTO OUR MODEL'S PRONE BODY.

Punk-pop star Kurt Cobain found nirvana with a coma-inducing glass of Cobain Champagne.

April 8, 1994: HUSTLER editors are saddened by the news of Cobain's self-inflicted shotgun blast to the face—saddened because the grungy man's suicide blew apart our prepared parody. Our mission? Find a replacement gag that sends this suffering bastard out with a bang. Naturally, we suspect that bad pussy is the source of the mopey rock star's depression. What's Courtney Love got to do with it? Read her advice to the lovelorn, as made up by us, in a monthly column we'd like to call...

Dear Courtney:

I'm a big rock star, and I'm at the end of my syringe. I can't fake my feelings anymore. I don't dig my life, and I hate playing music. I want out, but my wife won't let me quit. How can I break free?

Letter Imperfect

HUSTLER's May 1994 *Hot Letters* included a missive titled "Dinner's in Me" ("Dinner's in Me," *Hot Letters*, May '94). I can't believe HUSTLER printed a letter from such a barbaric, abusive, male-chauvinist person!

The letter-writer, R. S. from Rapid City, South Dakota, needs to control his behavior and clean up his own mess! Can't he treat his wife with love, instead of shoving a slab of beef up her vagina and ramming her rectum after she tells him it hurts?

Sticking a bone in her mouth to shut her up definitely defines her as a dog! A dog treated the way she was treated would have turned around and bit off R. S.'s abusing head! His wife ought to run for her life. Let him abuse a blow-up doll!

—N. W.
Santa Ana, California

Celeste Is Best

My husband often purchases HUSTLER Magazine, and he is head-over-heels in love with Celeste (*Celeste: Jam Stacked*, April '94). As long as it doesn't interfere with our personal sexual behavior—and believe me, it doesn't—I don't mind that he enjoys HUSTLER. Our sex life is wonderful. As a matter of fact, he would love to see more photos of Celeste, if possible.

My husband rarely masturbates, but when he does, I always catch him staring hard and deeply at Celeste. Even though I am a heterosexual, I find Celeste a very beautiful woman, and I can certainly see why my husband considers her erotically appealing. I'm sure that if it were possible, he would take what Celeste had to offer any day. Since he can't have her in person, her photos will have to do!

Hard Sell

I'm writing about HUSTLER's article concerning kids for sale (*Shopping Innocents: The Human Cost of Baby-Selling*, April '94). What an eye-opener! One, it

showed how far people will go to get high. Two, it served as a warning: You can't trust no one with your kids. Three, it revealed how fucked-up America's government is, when lawyers and judges are found out to be caught up in criminal business. HUSTLER, please continue printing articles like *Shopping Innocents* that open the fucking eyes of the people of this great land, including the House of Representatives and the Senate, who should make tougher laws to protect our kids.

On the lighter side, Celeste (*Celeste: Jam Stacked*, April '94) certainly showed that some of the best females come from the South. Florida is the place to go to find most of them. Question: What made transsexual April (*April: Fool Bloom*, April '94) do what she did; that is, change her sex from male to female? I must say she does look fucking good for someone who was once a man.

—S. B.
Colorado Springs, Colorado

Says April, "One morning, I simply woke up to the fact that I could no longer carry on living as a construction worker, knocking back beer with my buddies every Friday night and ogling female passersby at the work site. Chopping off my dick was a small price to pay for becoming the beauty I am today!"

Rebel Writes

I've been spanking my monkey over HUSTLER ever since I discovered my first hard-on, and today I am a proud HUSTLER subscriber. Issue after issue, I have read in *Feedback* all kinds of pitiful letters, but the bullshit that T. B. G. from Chicago Heights, Illinois, wrote in the May 1994 issue was pure toilet mentality ("Call Waiting," *Feedback*, May '94). The babes, articles, ad parodies, humor and the ever-so-deserving "Asshole of the Month" make HUSTLER a one-of-a-kind maga-

Reading Lips

From Korea I extend to you my best greetings and wishes for the prosperity of your business!

I am writing to you because I am preparing the publication of a book in which I present the results of my research on the female sexual anatomy. After more than 30 years of study, I have developed a method by which it is possible to easily recognize those women whose sexual organs are able to provide the greatest pleasure to man.

From long ago the ancient Chinese discerned certain types of superb female sex organs. They are: 1) the "Thousand Worms"-type; 2) the "Millet on the Ceiling"-type; and 3) the "Pouch With a String"-type. When the penis is inserted into a Thousand Worms-type vagina, the man feels as if raised to heaven by the refined rhythm of a massage of a thousand intertwined worms. The Millet on the Ceiling stimulates the glans of the penis as if it were rubbed against countless miniscule millet seeds. This is such a sensual experience that a man hovers in the area between life and death! The Pouch With a String describes a female sex organ that grabs and holds the penis after it is inserted just as if a pouch was pulled tightly shut with a string. By the form of the lips, one can distinguish whether a woman has one of the three extremely rare ideal types of sexual organ, or one of 20 other excellent types. It was a difficult and time-consuming task to find a way to recognize the deepest secrets of the female anatomy just by the form of the lips. The need for such a book is very great. I want to recommend to parents who are about to choose a wife for their son to look not only for the heart and appearance of a woman, which are

both important, but to pay even more attention to the lips.

—K. J. S.

Seoul, South Korea

There's something to be said for culture clash, K. J. S. Here in America, any woman expected to submit to scrutiny of her labia prior to her nuptials would doubtless demand to inspect her betrothed's sex equipment in return. Chief among her considerations would be detecting evidence of the three most undesirable types of wang: 1) the "Noodle With a Twist"; 2) the "Mushroom Without a Cap"; and 3) the "Invisible Invader." Fortunately, K. J. S., most American couples know how to make the most of what they're given well before they sign the marriage contract.

Eureka Equals Asshole

I've been reading HUSTLER Magazine ever since it came out. Everything else is an imitation or bullshit or just shit. I guess there's something in HUSTLER for just about everyone, except maybe that outer-space alien Michael Jackson and other pieces of shit like him. Besides

HUSTLER's hilarious jokes, cartoons and shit like that, my favorite section is "Asshole of the Month." It's too bad we'll never run out of assholes, since new ones show up every goddamned day. Maybe you would consider blowing some asshole town off the map sometime. Can a town be nominated for "Asshole of the Month"? The town I live in, Eureka, California, has the most absolutely odious, sick and disgusting assholes I've ever seen, not just in a small town, but anywhere I've ever lived!

—T. D.

Eureka, California

Tokin' Pink

I'd like to respond to a letter printed in HUSTLER's March 1994 *Feedback* ("Fired Up," *Feedback*, March '94). The writer brought up the idea of potheads and pornheads coming together to fight the mindless fucks in Washington who seem bent on taking away the rights of Americans to do anything pleasurable. I'd like to turn people on to NORML, the National Organization for the Reform of Marijuana Laws. NORML can be reached

Future Fully Erect?

I'd like to see Christy Canyon appear in HUSTLER in an interracial pictorial with big, black studs Ray Victory and Moe Biggsley. I've got an idea for a good story for that interracial pictorial. It's a take-off on the science-fiction classic film *The Fly*.

The name of my story is *The Dildo*. Ray Victory would play the scientist before the transformation. Moe Biggsley would play the scientist after the transformation, and Christy Canyon would play the assistant.

The story takes place in a laboratory full of screwy-looking equipment that is dominated by two booths set some distance apart. In the first scene, we see Ray Victory, the scientist, tit-fucking his assistant, Christy Canyon. After he comes, he announces that it's time to start the experiment they've been working on.

Attempting to plug in an important piece of equipment, Ray Victory discovers the cord is too short to reach the socket. Ray Victory says that he will go out and buy an extension cord, and he orders Christy Canyon to make sure that there aren't any spiders in the booths while he is gone.

As soon as Ray Victory leaves the lab, Christy Canyon takes a big, black dildo from her private locker. She takes a quick look for spiders in the booths, and then she plays with her dildo, ramming it in and out of her gorgeous cunt.

Ray Victory comes back with the cord sooner than Christy expected. She hides the enormous, slit-slick dildo inside the number-one booth.

Ray plugs in the vital piece of equip-

ment. He asks Christy Canyon if there are any spiders in the booths, and she assures him there are none. Ray Victory steps into the number-one booth, and Christy Canyon throws the main switch. Moe Biggsley steps out of the number-two booth. The dildo in the number-one booth is gone, and they celebrate the successful experiment with tit-fucking. That's it!

By the standards of mainstream entertainment, D. B., the third act of *The Dildo*

lacks a satisfactory denouement. Of course, since you're aiming for a self-reflexive effect underscoring the existential irony of manipulable pseudo-reality, you—and *The Dildo*—successfully transcend the traditional genre. Congratulations!

WHO KILLED HOLLY HOLLYWOOD?

Fully Erect. Directed by John T. Bone; starring Christina Dior, Brazil, Madison, Brittany O'Connell, Tami Monroe, Cumisha Amado, Crystal Wilder, Jonathan Morgan, Peter North, Marc Wallace, Ron Jeremy, Rick Blaine, Terry Thomas and John T. Bone. Videocassette: VCA.

The problem with mainstream Hollywood's so-called erotic thrillers is their inability to follow through on a steamy buildup. Porn, of course, has the liberty to show the fucking payoff of an on-screen seduction. While most X knockoffs suck like dying flounders, this flick is one of film noir's finer features, adult or otherwise. When a phone-sex girl (the bone-chillingly beautiful Brazil) becomes a corpse after taking Peter North cum missiles off her bottom lip, sultry cop Christina Dior goes undercover into the porn world to find the killer. While the script packs more gumshoe clichés than a library full of Raymond Chandler novels, the characterizations are fully developed, and the sex is made hotter as a result. In fact, this is one of the few recent releases that satisfies seasoned strokers and couples alike. During the course of a well-scripted plot, private dickhead Jonathan Morgan busts hooker Tami Monroe and lets her fuck her way to freedom, Monroe's cutie-button bung-hole winking coquettishly at the camera as she screws. Madison shoves her chin inside Brittany O'Connell's chewy bubblegum-snatch in another scene, and the girls nearly pass out from orgasmic exertion. In the end, Dior gets her man in a cock-clenching twist that puts a stiffening spin on the archetypal good-cop/bad-cop scenario. Here's a porn movie that deserves a sequel.

—Seth Roberts

Hollywood: Wallace and Wilder whamming and bamming.

Hollywood: Monroe's ripe for the hoe.

She-Quest: Morgan dives low on Leena.

SHE-QUEST

One-Quarter Erect. Directed by Mitchell Spinelli; starring Leena, Angel Bust, Laurie Cameron, Sahara Sands, Jonathan Morgan and Jake Williams. Videocassette: Odyssey Group.

Less-than-luscious Leena sports the least buoyant breast implants this side of the *Titanic*, besting even her freakishly proportioned *She-Quest* co-star Angel Bust in the battle of botched tit-jobs. Such leaden zeppelins play only a small (though painfully overinflated) part in the sinking of *She-Quest*; director Mitchell Spinelli's insistence on emphasizing the incorrigible "comedic" anti-talents of cocksman Jonathan Morgan is another liability. Morgan plays Murdock, a sub-intelligent submarine captain sent by a subhuman-looking admiral (played by ape face Jake Williams) to search for the lost city of Atlantis. Leena and Bust join the journey, as does the admiral's assistant—lithe, long-nippled, load-launchable Laurie Cameron—who has her colon crammed by warhog Williams before departure. Below sea level, the sex remains well below par: Morgan sullies the otherwise supple Cameron; Bust bares her cancer bags and bones a slave boy in Atlantis; tall drink of water Sahara Sands shows up to lap Leena's labes; and Morgan and Leena lackadaisically conjoin loins in the feeble finale. Except for the perky, natural nerps and notable nookie talent of Cameron and Sands, *She-Quest* deserves to be buried at sea.

—Selwyn Harris

STREETS OF NEW YORK

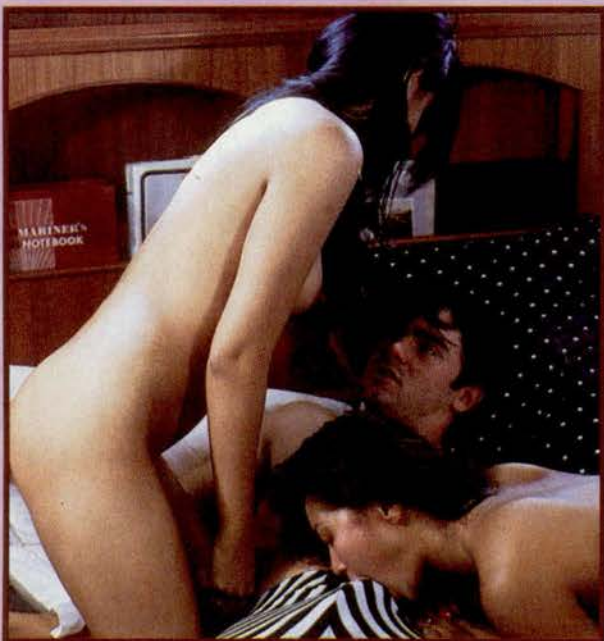

Three-Quarters Erect. Directed by Rick Savage; starring Carolyn Anderson, Jessica Fox, Christy Baye, Marta Nilsen and Rick Savage. Videocassette: Pleasure Productions.

The streets of New York conjure fearsome images of transvestite hookers dribbling their HIV-infested saliva onto the cocks of heroin-dependent johns. In Rick Savage's world, however, the Big Apple's concrete core is a charged sexual playground of great-looking chicks flashing and fucking for big porn bucks. In a fine, voyeuristic slice of sexual life, Savage strips and screws four fresh females in various public parts of Gotham. Comely Carolyn Anderson drops trou in the meatpacking district before retiring to Savage's apartment for a 30-minute montage of sincerely committed sex. Savage returns to the street to find the insanely endowed Jessica Fox. Fox sucks his cock behind a parked bus as passing cars and construction workers make the action dangerously exciting. When the heat becomes legally threatening, the couple runs to the same apartment to continue their stuffing atop a gas stove. Savage busts Fox's box with the vigor of a man addicted to pounding pussy. When he finally blows, his semen settles in the nape of Fox's neck; Savage collects the putz-pus pool and dribbles the opaline offering into the English Aphrodite's waiting mouth. Two more scenes repeat the same setups and climaxes, capturing a brash, seedy side of New York for timid, seedy people to enjoy.

—S. R.

Streets of NY: What's that address?

With two you get rolled: *From China With Love*.

FROM CHINA WITH LOVE

Half Erect. Directed by Jordan Alexander; starring Kitty Yung, China Mai, Meloni, Rebecca Wild, Leena, Cal Jammer, Sean Wild and T. T. Boy. Videocassette: Zane.

Only in X-rated reality could American guys go fishing and catch three Oriental yellowtails who have tight, oily twats instead of gills. Why ask why? Kitty Yung—or maybe that's China Mai—convinces T. T. Boy not to throw the Asian illegals back by taking his schlong into her starboard side. Later, Mai—or maybe that's Meloni—gives Cal Jammer a similar reward, lying still for a somnambular poke, her pudgy butt waving in the open ocean air. The Oriental honeys look alike and fuck with the same austere submissiveness that's stereotyped their people for centuries. The best fucks are for landlubbers. Jammer jackhammers his bitchy wife, Rebecca Wild, who plucks his cock out of her slick, blond pistachio seconds before the blowhole blasts chunky chowder across her silicone sacks. Leena, of the cubist face and sad-sack implants that stretch at the sides like Saran Wrap covering leftover Jell-O, gets just punishment for orgasmic overacting when Boy slaps semen across her sweaty face. Still, the problem of the hooked Orientals persists. Proving that porn has a heart bigger than its brain, the men take the China girls home, presumably to assume their roles as mini-mall laundry workers. A little sperm goes a long way in American ingenuity.

—S. R.

Three-Quarters Erect. Directed by Homegrown Video; starring Sheena, a compatible female and a supporting male. Videocassette: Homegrown Video.

Sheena is a young, big-lipped, tit-blessed brunet power twat. Her appetite for dick and plug-in implements suffices to carry an entire full-length amateur feature, which is a happy circumstance for *Here Comes...Sheena*, because the limber sexual adventuress is key to this appealingly real and raunchy video. In generous direct-to-camera interviews, Sheena tells the tale of her tremendous libido, but her actions speak louder than her words. Listen to the hum of that electric vibrator and to those throaty reverberations of female climax. One cunt tool is never enough for Sheena: She likes to spin two AC-powered buffing devices on her snatch at the same time. Either one of these wheel sanders could strip the paint off a car in the same amount of time it takes to wrench a gush of female cum out of Sheena's contracting cunt. She hits all the holes with a compliant broad and several dildos, and she makes a beautiful mess with her glowing face and a pulsing prick's wad. If sex were religion, Sheena would truly be its goddess.

—Christian Shapiro

Sheena: Watch out for crack sand.

MADISON

KISS HER MONKEY

Over the course of two years, 125 adult videos and 23 magazine layouts (including **HUSTLER's** January 1993 centerfold), porn muffin Madison has acquired a considerable fan following. Of late, the raven-haired raunchstress seems to have vanished from the world of vaginally charged entertainment.

"Don't think that just because I'm out of your sight, I'm not going to come back and kick your fucking ass. Madison is a thing that will stay in your heart, your mind, your soul, your erotic zone and everything you have."

So exclaimed the stunning multi-talent

after the maiden performance of her shock-rock outfit, Kiss the Monkey, at L.A.'s Roxy nightclub. Like the Monkees before her (though with arguably more erotic appeal than Micky Dolenz), Madison hopes to parlay her small-screen success into a tuneful, chart-topping triumph. Will music deprive strokers of porn's most-salivated-over pinup?

"Right now, I'm putting my soul into Kiss the Monkey," she says. After a career of imaginatively putting all sorts of things into herself, such a premise holds high creative promise.

KELLY O'DELL

Most pregnant women simply glow; Celtic porn charmer Kelly O'Dell positively radiates. Eight months into her term, liling licker O'Dell—who not long ago was the star of her own *Deep Inside* feature—looks forward to impending motherhood, but longs to return to her pregnancy-waylaid porn career.

"The only work I've done recently was posing for a box cover. As soon as I got pregnant, my boobs blew up to double Ds. But I'm really bored," she laments. "I miss being with my friends who do the videos."

Has expectancy deprived Kelly of other, more erotic pleasures?

"I miss having sex with different guys."

Being with one man for so long is boring!"

O'Dell assures her fans that she will indeed be back having sex with different guys (and girls) in front of the camera before too long. "After I deliver, I'm going out on the road to dance and get into shape. I want to start working again as soon as possible."

The next professional event for Kelly is a ready-to-burst HUSTLER pictorial shot right on the verge of her blessed event. Watch for its delivery in an upcoming issue.

Baby gifts and other appreciations can be sent to the mom-to-be in care of the Kelly O'Dell Fan Club, 9420 Reseda Boulevard, Northridge, CA 91324.

From SMEAR to MATERNITY

VIDEO VIRGINS #9

Three-Quarters Erect. Directed by I. Diddit; starring Marilyn Martin, Kursti Way, Sydney, Chase, Shelby Stevens, Melissa Hill, Beverly, Rick Masters, Ted Craig and Ian Black. Videocassette: New Sensations.

Video Virgins #9 offers half-a-dozen fresh fuckables for viewers' cum-bubbling consumption. Eschewing plot and other such distractions, the *Video Virgins* series shows one

Craig crams Melissa: *Video Virgins #9*.

previously unfilmed ginch after another, first fingering and sex-toying themselves to climactic satisfaction, then sucking dick, chomping pussy and/or having every one of their pockets probed and poked. Marilyn Martin makes for an appetizing opener, greasing her crease with a pink dildo in preparation for an energetic ball-bout with Ted Craig; Kursti Way crusts up the screen for a way-cruddy sex scene with Rick Masters; bone-poppingly bright-eyed and bodacious Sydney shakes her huge happy-bags with aging sapphist Beverly; infinitely appealing Chase—with her rosy cheeks, broad smile, gravity-bamboozling booblings, puffy lips, pale nips and impossible-to-place ethnicity—is a pleasure to eyeball, even when she's being defiled by Masters. If Shelby Stevens's fake tits were slightly bigger, they could hide her Halloween-mask face and allow viewers to focus on her top-flight vaginal work; and in the last scene, pretty Melissa's cram-fest with Craig is marred only by mysterious bruises that mark up her arms and legs. *Video Virgins #9* should leave viewers with similar chafings on their hard-stroked fucksticks from onanistic overindulgence.

—S. H.

NURSE TAILS

Three-Quarters Erect. Directed by John Leslie; starring Tiffany Mynx, Angel Ash, Sasha Strange, Deborah Wells, Brittany O'Connell, Cash, Mark Davis, Randy Spears, Tom Byron, T. T. Boy, Joey Silvera and Jon Dough. Videocassette: VCA.

The fetish for tarty chicks who have sex while wearing slutted-out versions of nursing uniforms is almost as strong as the attraction to pussy itself. No excuse is needed for making a porn movie with the sister-of-mercy theme. *Nurse Tails* makes excuses nonetheless, but still comes off as a three-quarters-decent fuck flick in spite of dramatization that attempts to legitimize and dignify an inherently illicit, silly pleasure. The broods of *Tails* are all cute and fuck-proficient: A blowing blonde ends up with dick in her shitter as her pretty pink crumpet is finger-massaged by a dark-haired wench; Tom Byron gets a big smile from a full-butt blond snatch as his bone butters the crack between her buns; bite-sized Brittany O'Connell has a tongue spearing her sparsely thatched red bush as an enema nozzle slips through her pink bum-button; four chicks do a double-dildo dance-off; and Tiffany Mynx—who is practically anonymous due to shady lighting in her first crack appearance—foams at the mouth as a choad from her ass churns chum across her face. *Nurse Tails* makes being sick a good thing.

—C. S.

Nurse Tails: the best medicine.

BI MALIBU U' NAST. NYMPHOS

Three-Quarters Erect. Directed by Biff Malibu; starring Sydney, Destini Lane, Axina, Chanel, Genevive LeFlur, Wednesday, Tom Byron, Dick Nasty, Stephon, Mark Davis, Jake Williams, Julian St. Jox and Tony Tedeschi. Videocassette: Anabolic Video.

With *Nasty Nymphos #2*, Biff Malibu continues his high-porn concept of bringing low smut thrills to the video screen, free from such clutter as storyline, bad acting, exterior shots, establishing motives and shit like that. People appear in a Biff Malibu video in order to fuck one another. Sydney, an over-stuffed Hispanic lass with knockers that sprout out way past her belly, has the joy go out of her pretty dirty-girl face as Tom Byron's dick shoves up her shitter then comes across her eyebrows. Blue-eyed bottle-blonde Destini Lane has a skeptical look until Dick Nasty milks his meat right on her butt-hole. Euro-gash Axina shows her sleek jawline as she leans back to mouth dick as another prick slops into her ass. Southern belle Chanel grinds her teeth through a hard-slamming plowing of her pooper. Off-blond Genevive LeFlur is lean and strong-boned with almost no tits, a protruding butt and a face that's game for the white choad from the black sperm-shooter of Julian St. Jox. Dark little Wednesday never takes off her bra, but she takes long strokes of Tony Tedeschi up her bung-hole. *Nasty Nymphos #2* is all dirty work.

—C. S.

ANAL HOUNDS AND BITCHES

Half Erect. Directed by Rex Borsky; starring Krysti Lynn, Kaylan Nicole, Lady Berlin, C. J. Bennett, Joey Silvera, Peter North, T. T. Boy and Tom Byron. Videocassette: Rosebud.

Porcelain beauty Krysti Lynn stands before a set of venetian blinds. The morning sunlight slants across her creamy thighs. She pulls down a tight, white teddy to reveal the tightest, trimmest ass this side of a department-store mannequin. She pulls the cheeks apart just as Johnny-on-the-twat Joey Silvera enters frame and sticks his tongue where the sun don't shine. A moment later, he slides his schlong inside Lynn's asshole. Her eyes roll back into her head. Once her shit-hole self-lubes, Silvera pounds easily, stretching the bung for several minutes before soothing the sore shitter with testicle balm. This video, like all Rosebud features, is a mélange of rear-riffs—some great, some ghastly. T. T. Boy introduces his dick to Lady Berlin's brown portal. Across the room, Peter North pokes Kaylan Nicole, a Heather Locklear look-alike so sexy that most dicks would weep upon seeing her awesome nude body. By the time North fires an endless stream of spuzz across her tits, belly and trough, the movie has reached a fever pitch it cannot sustain. The cooze quality bottoms out when flabby C. J. Bennett and grimy Tom Byron back-door boff until the cum and sweat become one viscous mess that's a stomach-turning, rather than cock-wrenching, experience.

—S. R.

VISIONS OF DESIRE

Half Erect. Directed by Jim Enright; starring Veronica, Kaitlyn Ashley, Bianca, Bunny Bleu, Jonathan Morgan, Peter North and Marc Wallace. Videocassette: Hollywood Video.

Hallucinations can be a by-product of extreme stress, such as the emotional strain undergone by a woman who has recently ended a six-month relationship with a guy, as played by cum-gusher Peter North. Such a woman is portrayed by Veronica, a foreign-tinged mince with clot-red hair, milky skin, a body toned and thin, breasts that hang so lightly they seem to rise and a manner of fucking that is every bit as detached as her face is pretty. Wine in hand, cigarette fuming, Veronica wanders around her lonely lair, envisioning people having sex everywhere. Bunny Bleu has new hair and new tits, but the same curdled cocksucker lips sneer along the length of Peter North's dick; Kaitlyn Ashley, looking inexplicably hefty, accepts cum on both sides of her face; Jonathan Morgan drains his sperm-spigot down the smooth-shaved trench of Bianca's craphole and slit; and Marc Wallace lobs a workmanlike load onto Veronica's stylish torso. *Visions* is something to look at; about half is worth desiring.

—C. S.

Silvera hounds some *Anal Bitches*.

Snapping snatch: *Visions of Desire*.

One-Quarter Erect. Directed by Various; starring K. C. Williams, Samantha York, Fantasia, Tianna, Cara Lott, Jeanna Fine, Delia Moore, Tiffany Mynx, P. J. Sparxx, Alexis Pain, Alex Jordan, Raquel Darrian, Lisa Fields, April Rayne, Devon Shire and Derrick Lane. Videocassette: Pleasure Productions.

How can any porn tape that compiles the cunt-slurping antics of 15 memorable video sluts turn out to be three-quarters bad? Easily enough, judging by the apparent half-assed effort that went into selecting the marginally erotic cooze-to-cooze clips that *Bitches in Heat* comprises. Showing about as much initiative as the mental dynamo who thought up the *Bitches in Heat* title, vocationally unfulfilled porn worker Devon Shire rests her weight upon ill-suited sex-industry peon April Rayne. Delia Moore has an obviously fake dick glued to her mons, and Jeanna Fine does a job of pretending it's real. Raquel Darrian and a lesser ginch are Bonded at the waist; we're supposed to believe they're Siamese twins. Cara Lott has had a hard life that shows on her face; yet some fool shot her in the harsh, outdoor sunlight. On the good hand, there's Alex Jordan licking Alexis Pain's boots and groveling like a bitch in heat, rather than some cunt in yet another tepid, forgettable scene.

—C. S.

VIRTUAL SEX

Three-Quarters Erect. Directed by Nicholas Orleans; starring Kelly O'Dell, Tiffany Mynx, Tina Tedeschi, Sierra, Deborah Wells, Laurie Cameron, Tanya Summers, Jalynn, Ariel Daye, Mark Davis, Tony Tedeschi, Darrin Hart and Matthew Sebastian. Shot on Film. Videocassette: VCA.

The lavish opening-credits sequence of *Virtual Sex* is a promising slow-motion montage of classy, stylized flesh spliced with time-lapse, color-enhanced images of car lights whizzing on metropolitan freeways. As some ersatz Kenny G. blows soft-hits Muzak on the soundtrack (chicks love that shit, if anybody loves it), the names Kelly O'Dell, Tiffany Mynx and Sierra flash on the screen. O'Dell, *Virtual's* primary pussy, is the reality appeal in the flick's imagined sci-fi future. Kelly's slip of a little-girl figure, her baby-shampoo mane of blondness, her strut of knowing innocence and the tremulous seduction in her candidly cock-dependent doll face—these are the facets that O'Dell focuses on as Tony Tedeschi orders her to perform on herself. O'Dell logs onto Tony's knob; he fingers her flaxen hairpie, rough-rides her from the rear and milks onto her chin and mouth. Slinky Tiffany Mynx takes a helping of O'Dell's pink slice in an eye-opening, poolside, wide-slit 69, and waif-prototype Sierra shares a serving of O'Dell's delicacies with Mark Davis. Deborah Wells's high cunt is good for another notable fuck, but virtually all of the real sex here comes from Kelly O'Dell.

From the dirty mind of director Max Steiner

A photograph of two women posing together. One woman is sitting on the lap of another woman who is kneeling or sitting on the ground. Both women are wearing roller skates and are looking towards the camera. The woman being sat on is wearing a dark top and light-colored shorts, while the woman sitting on her lap is wearing a light-colored top and dark shorts. They are both wearing white socks and roller skates with purple laces. The background is dark and indistinct.

The Joy of Sacks

HUSTLER's Best Breasts, Big and Real

Mother Nature's milkiest magnificence is stacked right on top: Tits. Happy-sacks. Casabas. Bazooms.

In the first strivings of his existence, the boy-child reaches for breasts. From birth on, floppers function as a primary factor in male motivation. Fame and fortune are flat boring compared to a swell set of fun-mounds.

Christy Canyon: Bigger, Better and Back!—December 1989

Sara: Tail From the Darkside—October 1988

Randi: Home Wrecker—January 1993

Danielle Rodgers: Born Wet—Holiday Issue 1992

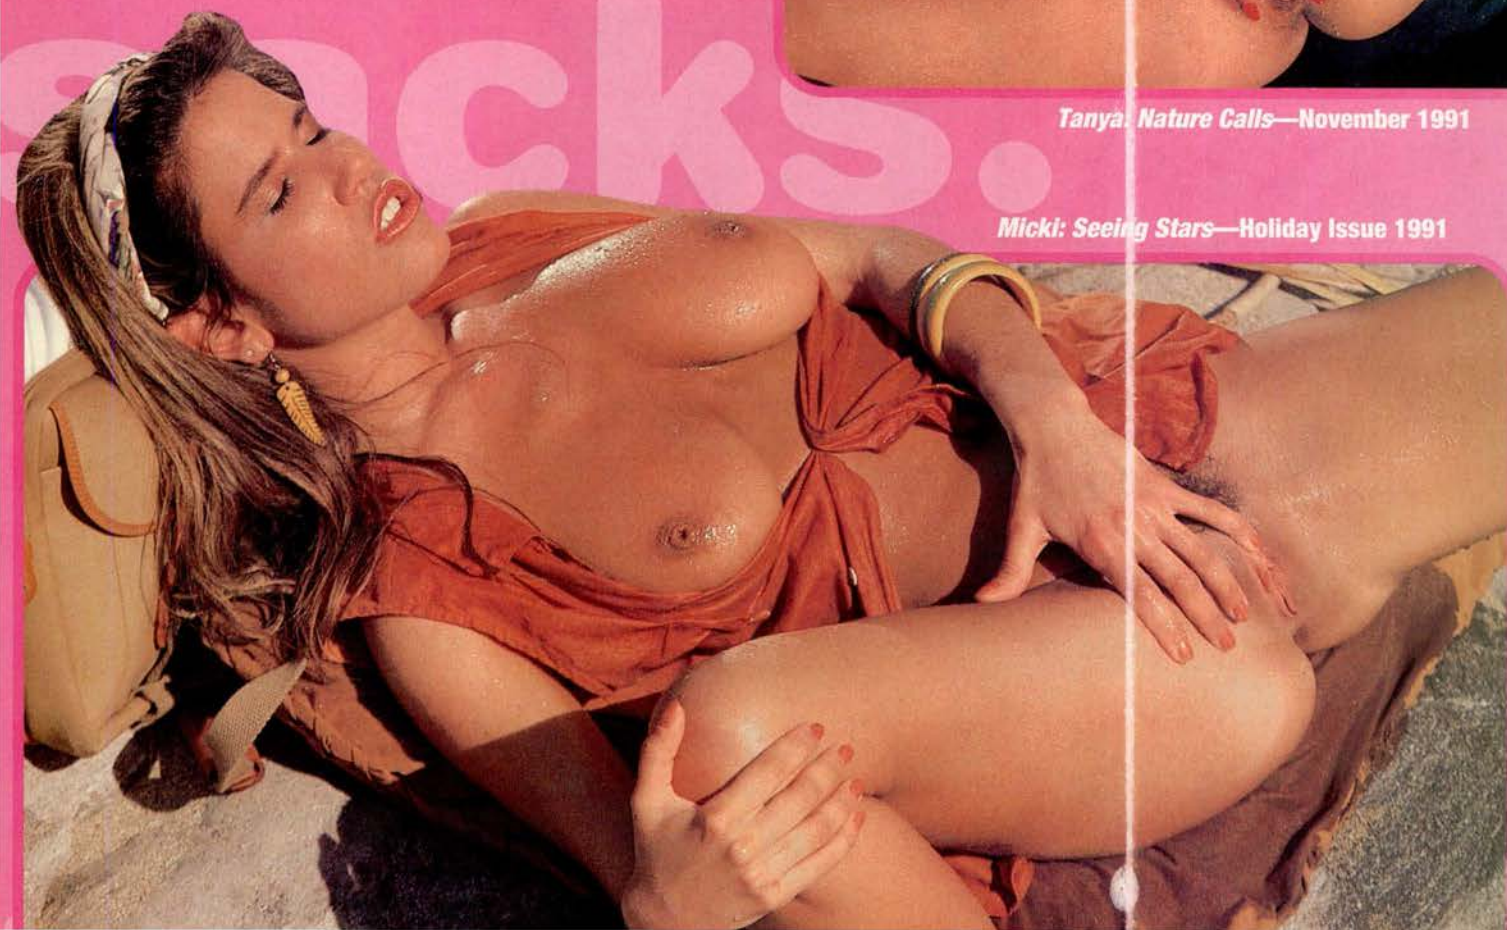

Naturally, man tried to improve the perfection of pec pillows and botched the job—unnaturally. Modern science mocks the grandest of glands. Poisonous satchels of silicone form hooters made huge for cash on demand, painful protrusions too good to be true. Surgically augmented meat-balloons are too stiff, too immobile, too goofy-looking and just too fucking fake to be any fun.

Olga: Gashnost—June 1989

Tanya: Nature Calls—November 1991

Micki: Seeing Stars—Holiday Issue 1991

Sunny: *The Great White Hope*—March 1989

Linda: *Strawberries and Cream*—February 1989

Real honeys with real melons, bodacious bippies sporting squishy chest charms are the surest, swiftest, most swinging way to a man's heart. Not one drop of plastic was needed to prop up the gorged and gorgeous boobies in this look back at HUSTLER's most supple suckables.

Say no to silicone. Keep breasts bouncing. Wear them in good health.

TALK IS CHEAP, AND A FUCK LASTS LONGER

It must be every man's nightmare: You get home after a tough day at work, set down the lunch bucket, go into the den, and what do you see? The girlfriend, waiting like a puppy—only this one's tail is definitely not wagging. She sighs, looks up and utters those dreaded five words: "I think we should talk."

It doesn't matter what you've done in the past or what you're going to do in the future; a man's sense of guilt is a deeply rooted, evolutionary seed spanning back to when some caveman idiot spotted Thor's wife sucking bugs from a rotted tree stump, whacked her over the head with his club, fucked her unconscious asshole and siphoned the nutritious insects for his own digestion. Face it: Men are fucked, and our guilt usually manifests itself in aggression.

"Did you hear me?" Cindy demanded. "I think we need to talk."

I set my keys on the bar and half-smiled. "I'd rather fuck," I said with such bullshit arrogance, my dick immediately got hard.

"I'm serious," she persisted.

I stepped to the edge of the sofa where she sat, and I lifted her drooping chin with my left hand. I unzipped my pants and set my cock against her bottom lip. "So am I," I countered.

My dick remained there for an eternity of seconds. Blood bubbled to the tip of my pecker as it strained to reach the thick, thirsty tongue that waited a half-inch away.

She didn't move. Her deep, brown eyes were locked defiantly with mine. The gauntlet had been thrown down. I bent over and pressed my fingers into

the joints of her jaw, forcing her tiny mouth open. I slammed my lips into hers, shoving my tongue down her throat and violently licking the roof of her mouth. Her mouth hesitated at first, then joined the fray, her lips pushing firmly back into mine, and her tongue swirling like helicopter blades whipping the sky. The bout had begun.

I pulled away, grabbed her delicate shoulders and pulled her to her feet. She was breathing hard, and her ridiculously firm 36 DD breasts heaved in and out. I grabbed the sides of her light, cotton dress with both hands. I smiled; she snarled. I ripped the tender fabric right down the center, the tiny buttons flying to the floor. Both breasts popped out like roused grizzlies ready for action. I grabbed her fleshy tits and clenched my fists around them. Her fingernails dug into the back of my scalp as she pulled my face to her bosom. Her nipples were already erect, and I caught them between my teeth. Her areolas are large and lightly colored, except when they're aroused; then those silver dollars turn bright red. Now, they were like overripe beets. I chewed the tips until she yelped, then I pushed her to her knees.

After I yanked off my jeans and sent them sailing across the room, she grabbed my hard prick and ran her slippery tongue along its broad length. When she came to the head, she ran the sharp edges of her teeth underneath the fireman's cap. When I groaned, her mouth loosened its grip, and she impaled her face upon my prong. All the way down, then all the way back up—she sucked my cock with a vigor long missing from our

relationship. Sweat beaded on her tanned forehead, and the harder she sucked my shaft, the higher her tits bounced. I could've choked her with cum at any moment, but I pulled her to her feet instead.

What was left of her dress, I ripped off and tossed aside. She was naked now. Seeing her ripe body, shapely as a fine Bartlett pear, reminded me of why I had first fallen in love with her. I reached below and shoved two fingers into the warm dew of her cunt. I worked the fingers in and out, my thumb banging her clit with each new poke. I kissed her face with such fury, our teeth banged together. I pulled my hand from her basement and shoved the musky fingers into her mouth. She sucked her own viscous flow until I pushed her face-first into the nearest wall. With her hands and legs spread like a frisked prisoner's, I bent my knees and shoved my rocket into her launching pad. Her pussy was tight, but the moisture guided me to the back of her magic bus. Her vagina felt smoother than silk shorts. My hands dug into her tight butt cheeks. She was

pumping hard, thrusting her fine ass back into my groin to get me in as deeply as her blue-chip cunt would allow. Her head banged against the wall and knocked a framed Dietrich poster to the floor. I fucked her harder now, banging

HOT LETTERS

After picking a few terrier hairs from the blades, I pressed the buzzing clippers into the top of her pubic mound. With easy strokes, clump after clump of her pelt fell between her bright butt cheeks.

my dick into her cunt so furiously, juices spilled out the side. I reached underneath and grabbed her beautiful, bouncing breasts, and she arched her back until her slender spine met my chest. We were standing upright and fucking like horses straining for the finish.

She bucked her bottom backward, knocking me out of her pussy. I fell to the floor; she hopped aboard my shaft, her dangling labes clinging to the sides of my cock and teasing cum to the tip. She hopped like a child on one of those 25-cent supermarket rides. Her tits were flopping like half-dead fish, and her hair hung in long, auburn strands across her sweet face. She dug her fingernails into my chest for balance, scratching my nipples and sending a wonderful, painful pleasure through my guts. I returned the favor, grabbing her ass cheeks and spreading those loaves apart until I was sure the skin would shred. I shoved one lucky digit into her bunghole to feel the pulsing of her pussy from the inside. Her ass was hotter than her cunt, and she shivered with orgasmic excitement. Huffing and puffing, she grabbed her own breasts, twisted each nipple and vomited a scream that should've had the neighbors dialing 911.

I pushed her quaking body off my cock and pulled her face forward to suck my dick. She opened her talking trap, and I fucked her oval mouth. Sperm slithered through my shaft and, when her tongue tickled the underbelly of my beast, I exploded a pent-up torrent of creamy chum that disappeared into the darkness of her throat. She took every drop into her mouth except for the last dribble, which somehow landed on the round little cheeks I'd often pinched in the sickeningly cutesy way couples do.

We caught our breath. Silence soothed my throbbing head like a morning beer-shit. "Now," I said, "what did you want to talk about?"

Cindy gently kissed the sticky tip of my prick, and thick, white sperm trickled like blood from a broken lip down her chin. "Nothing," she smiled, and closed her eyes. She's always had a way with words.

A GROOM WITH A VIEW

I usually prefer dogs to human beings. Canines are more caring, and they can't speak, which is their greatest attribute.

Since I got paroled from jail, I've spent a lot of time at the dog pound consoling the lost and lonely pooches. I even volunteered to clean out the pens, and that's how I met Suzanne. She's a simple girl and, like the dogs she attends, a little emotionally battered. She's blond and pretty, with tiny freckles on each cheek, a wafer-thin frame and a pair of perfectly round tits that poke from under her shirts. This chick and I instantly bonded in our fondness for all things nonhuman.

It was her job to groom some of the longhaired breeds. One day I offered to help. She smiled her thanks, and I walked a husky to a small room at the rear of the pound. I could tell she and I were growing close. A week later, the planets must've been aligned or something, because when we were alone in the groom room, she swung her arms around my waist and gave me a peck on the cheek. I didn't want to seem too forward; so I grabbed her tits and stuck my tongue down her throat. When she didn't pull away, I figured she dug my come-on, and I kissed her harder, our

lips mushing together like soft clay.

We locked the door and pawed each other like strays dying to fuck. I snapped open her tan smock button by button, swallowing in nervous anticipation at seeing new tits for the first time. A white bra held those suckers in check. She unfastened the locker and let her boobs bounce free. I wiped my mouth and shoved my face into her chest-feast. Her pale breasts were framed by faded tan lines. The nipples were redder than the head of my cock and tasted of salty sweat. I inhaled those mounds of gelatin; the sides of her orbs quivered as I sucked. When I heard her say, "Let me taste you," I thought I was reading a HUSTLER Hot Letter.

I hopped on the grooming table, the cold metal shocking my bare ass. She unbuttoned my Levi's with one quick snapping motion and pulled my half-erect cock from my shorts. A handjob behind bars was shit compared to the soft, friendly warmth of a live girl's mouth. She sucked slowly at first and picked up speed as my rod grew stiffer. The sucking sound almost drowned out the cries of the dogs nearby. She ran her tongue along the underside of my ballsack and up the length of my prick. Her thin, red lips caressed my cock and, when her sharp little tongue traced the

outline of my dick head, sperm made a plea for parole.

I lifted her onto the steel table and tugged her khakis to the floor. Her bush was black and hairy as a mastiff's snout. I poked my way through her furry jungle and finally found the pink treasure sunken within. Her cunt tasted of leather and girlie powder, but I pressed in deeper, sticking my face inside her until I ran out of tongue. I pulled my sticky mouth from her poon; her hips were rocking, and she was groaning like a guinea pig. I nearly fell backward when her hips bucked against my front tooth. I had to grab the dog shears above me for support. She was getting frisky and needed to be tamed!

While her eyes were still shut, I fired up the grooming shears. After picking a few terrier hairs from the blades, I pressed the buzzing clippers into the top of her pubic mound. She whimpered, frightened, and tried to jump off the table. I caught her and clamped a stud-d collar and leash around her neck, winding the other end around a leg of the table. "Nice doggie," I said. "Don't you want to look pretty and win first prize at the show?" She nuzzled her wet nose into my hand in reply, so I revved up the scissors again. With easy strokes, clump after clump of her pelt fell between her bright, white butt cheeks. I was careful not to nick the tender folds of her lips. I peeled apart her pink treat with my free hand and shaved the labes with the other until only her bright, bub-blegum slit of goodness was left.

"Now how about a bath, pooch?" I asked. She eagerly got on all fours on top of the table. I snatched the shower nozzle from the metal hanger and turned the faucet on. Warm water splashed against her naked skin, bouncing joyfully off her round buns and settling in the freshly sheared trough below. I scrubbed her hanging breasts and nuzzled a thumb into her tight cunt to clear the way for a fresh poking. The smooth lips felt like a magician's silk scarves. I smiled and ran my tongue across those fleshy ribbons, sucking the warm water from her baby snatch.

I hopped onto the table and, still standing, drove my dick into her sopping delta. She pressed her face into the metal surface as I pumped from behind, her soft butt-flesh jiggling with each new thrust. Her inner lips grasped my cock as I pulled almost all the way out of her hole, then dove quickly back inside. The dogs were really howling now,

like they were anticipating an earthquake. I reached underneath and grabbed two handfuls of soft warm tit that melted in my palms. My back ached, but I continued my knee-bent plowing.

The tickle at the tip of my dick had now spread the entire length of my shaft. I nearly slipped when I pulled from her pussy, but she turned and grabbed my thighs with both hands to steady me. My fang was staring her in the face. "Cover me!" she exhaled. She grabbed the base of my prong and yanked a couple of hard strokes. My nuts tingled, and the cum leaped from its cell, splashing her dainty face with a full-throttle blast. She

rubbed the thick, white jizz from her cheeks and sucked her sticky fingers like a naughty little girl. Sperm bounced off her chin. With her tits hanging low, and her nips fully erect, I aimed the last dribble of spuzz at her chest and dropped a line onto her light nubs.

The dogs finally hushed as we quietly dressed, and I realized that sometimes the silent satisfaction of a well-fucked girl can be even better than an animal's company.

1994 BEAVER HUNT

GRAND PRIZE FINALIST #3

Twenty-one-year-old Katerina first showed her personal best in HUSTLER's April 1994 *Beaver Hunt*. This month, the sports-loving student from Edmonton, Alberta, Canada, earns her stripes as *Beaver Hunt*'s 1994 Grand Prize Finalist #3. A special workout with a beautiful, athletic blonde is Katerina's favorite fantasy, but she'll really get pumped if she scores *Beaver Hunt*'s Grand Prize: \$5,000 and an expenses-paid trip to a glamour capital for a HUSTLER pictorial. Wanted: Built beauties to race Katerina to the finish line! Turn to *Beaver Hunt* for entry details.

Dear God...

Our God, our God, why have you forsaken us? For centuries, men have begged You to shed light on life's darkest secrets and received no response. Enough is enough! **HUSTLER** demands divine intervention! Dear Almighty, we beseech Thee: Illuminate these shadowy mysteries that have plagued man since the dawn of erections.

Dear God.

Why are sexual-harassment laws so one-sided?

Dear God...

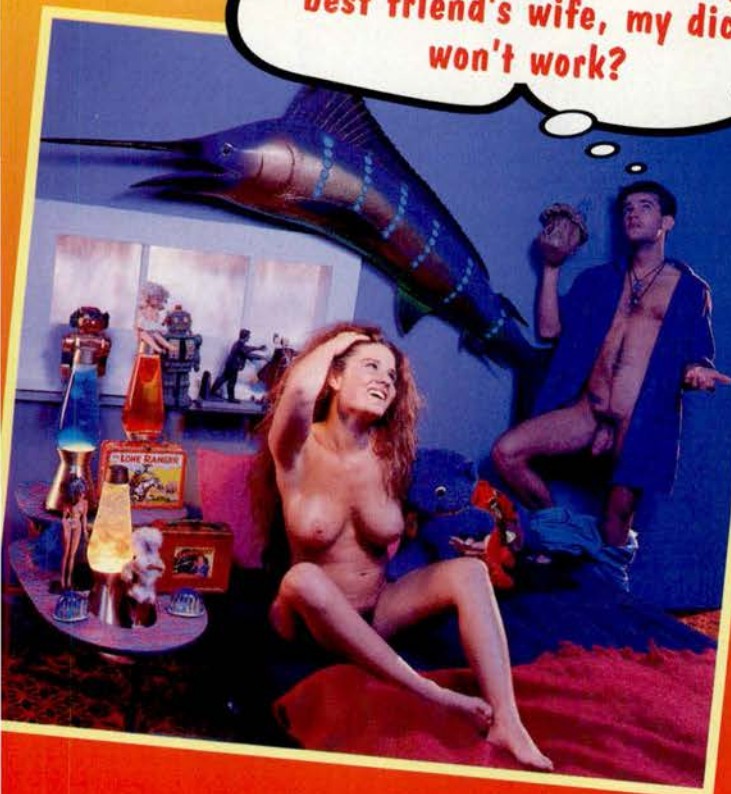

Why does a girl always want to French-kiss after I come in her mouth?

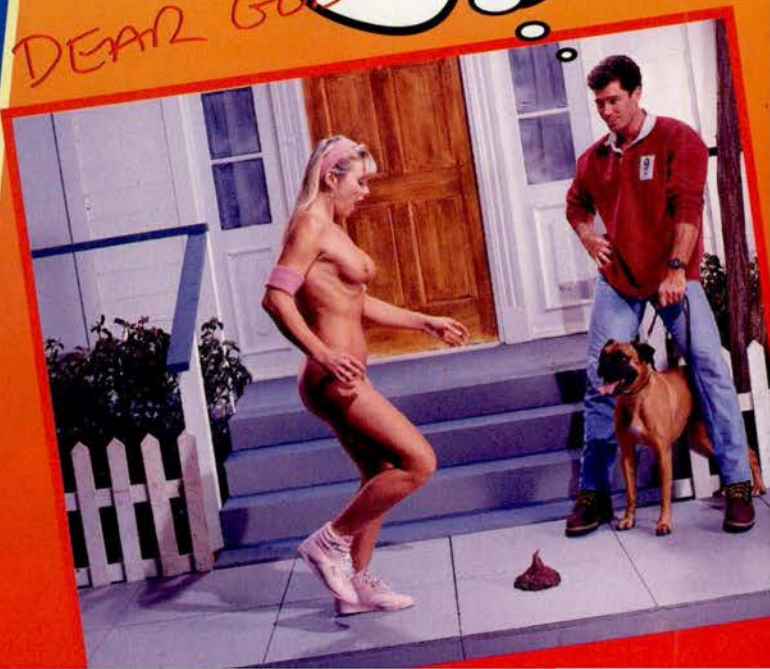

Dear God

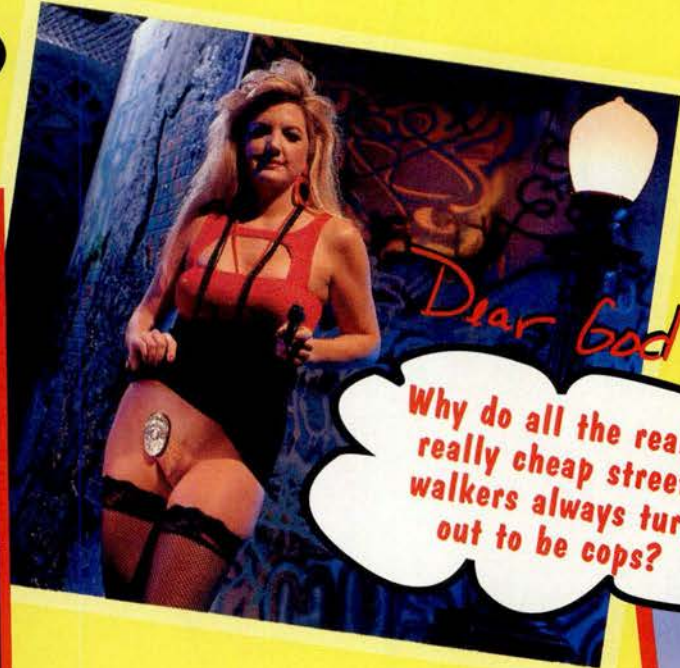

How come whenever I get drunk enough to fuck my best friend's wife, my dick won't work?

Why is my dog always shitting whenever a naked girl jogs by?

DEAR GOD

Dear God...

Why do all the really, really cheap street-walkers always turn out to be cops?

Dear God...

Why do women take so long to come?

Don't stop! I'm almost there!

Dear God...

Why does a fart always smell worse than anticipated?

Dear God...

Why, God, why?

Because something
about you pisses

GETTING OFF

on the Right Foot THE PED LOVER'S SOLE SEARCH

By Don Vaughan

Thirty-three-year-old Ed—a systems manager for a Miami-based communications firm—had just bitten down on the stringy pastrami inside his Reuben sandwich in the food court at a South Florida mall. He spotted a girl with perfect feet sitting at a table at the far corner of the concourse. Engrossed in a paperback novel, the young woman had taken off her shoes while dining. Ed's podiatry-calibrated lechoscope sprang to attention. Legs crossed, the shoeless beauty absently wriggled one naked foot, curling jewel-tipped toes along her gentle, hairless slope of shin. A signal of utmost erotic import struck Ed's libido, the reverberations of which swelled his heart to bursting and caused a triple increase in girth in the tube of flesh in his shorts. He gaped, and a rope of mustard-painted gristle leaped from his Reuben onto his paisley silk tie.

The brief, but unforgettable, sight of the girl's nude extremity blazed into Ed's mental catalog of cock-stiffeners, a new standard against which all future entries would be judged. Ed raced home, not to change his mustard-marred tie before returning to work, but to sooner masturbate to the urgent fantasy of the lovely little feet with their ruby-like nails caressing his purple cock.

Pastrami-stained Ed is the happy victim of what sex workers call a foot fetish, which means he can't function sexually unless a feminine foot plays a role, whether actively or imaginatively.

For the hard-core foot fetishist, anything above the ankle is a waste of groin-gripping energy. But not just any foot will do. According to Gary Richards, president of Fantasies Unlimited, a foot-fetish mail-order company operating out of Jupiter, Florida, foot fanciers are extremely particular about which feet are sweet.

"Foot fetishists have individual needs," says Richards. "Our clients ask for slender feet, big feet, short toes, long toes, painted nails, unpainted nails...."

We get so many different types of requests that it's hard to keep up. But there's a market for whatever the foot fancier desires. The foot-fetish scene incorporates a wide variety of specifics."

Foot fetishes may be born, like puffy, pink toes blossoming from a too-tight pair of heels, or they may be created, like a pair of pumps wrapped in hand-tooled Italian leather. California-based sex therapist Dr. Michael Perry believes the carnal desire for womanly feet arises in childhood and is reinforced as a man develops his individual sexual identity.

"In my opinion, foot fetishism comes from some kind of learned experience," Dr. Perry explains. "For example, a young boy may be crawling under a table at which his mother and her lady friends sit and chat, and he may be initially fascinated by their feet. He may look up and see a crotch, and therefore begin to associate feet with female genitalia. Or perhaps he looked at magazines while masturbating and saw feet in an erotic context. From that point, he might associate the two."

In cases of acquired foot fetishism, states Dr. Perry, a mental bridge is created between images of a woman's feet and a man's sexual desires. If the two become inseparably linked in his erotic imagination, the fetishist grows unable to function sexually without a woman's feet playing a part. For most foot fetishists, catching a glimpse of a woman's foot in public is as sexually exciting as an unexpected peek down a woman's blouse.

Hapless Ed realized he had more than a passing interest in female feet while still in high school. Open-toed sandals caught his eye. Watching school cheerleaders practice barefoot on the grassy football field gave him a tremendous erection. First, he questioned this unexpected turn-on. Later, he denied it with shame. Finally, he accepted it.

"I learned to masturbate in junior-high school, and the pictures that turned me on the most were those of barefoot women," Ed recalls. "I'd page through my mother's magazines looking for pictures of women who weren't wearing shoes, and when I'd find a good one, I'd cut it out and save it. Later, while the guys I hung around with were trying to look up girls' skirts, I was trying to sneak a peek at the girls' feet."

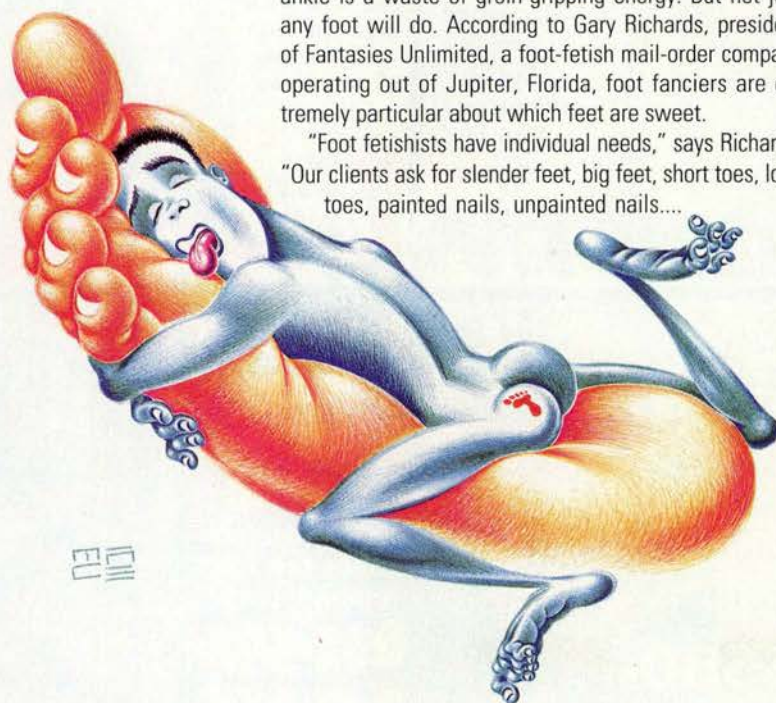

Dr. Perry assuages the fears of those who believe that a foot fetish is something abnormal or sick.

"In most cases, a foot fetish is a harmless sexual variation," stresses Dr. Perry. "If the practice occurs between two consenting adults, I consider it generally healthy. Of course, a foot fetish could cause problems if the fetishist's partner is not into it. The woman may be horrified by her man's overwhelming sexual interest in a traditionally unsexual part of her body. There's no question that such a reaction could ruin a relationship. In a

Restrictive attitudes in the name of so-called morality increasingly take the fun out of fucking. Through good, old-fashioned homespun knowledge, hearsay, scientific facts and outright lies, this series strives to spread the word that rubbing uglies is a beautiful experience.

(continued from page 61)
situation like that, I'd recommend therapy—for the partner, not the fetishist."

The stigma carried by all types of sexual variation shames many foot fetishists into keeping their ped passions a well-guarded secret.

"I have to know a girl for a long time and feel really comfortable with her before I'll introduce the subject of foot love," says Ed. "Most of the women in my experience become upset when they find out I'm turned on more by their pretty feet and painted toenails than by their tits or asses. But only one or two of them stopped seeing me because of it. Most girls like getting a nice, long, sensual foot massage. Sooner or later I ask them to stroke my cock with their feet, or paint their toenails while I watch and masturbate."

Kissing and licking a woman's feet prior to intercourse is a shared passion among hardcore foot freaks. Licking and sucking a woman's toes is known as shrimping.

"I never knew real happiness," exults Ed, "until I had five toes in my mouth."

Like Ed, spying on public peds in the mall's food court, most foot fetishists are voyeurs, constantly scanning public areas for a glimpse of feet. Fetish companies cater to this constant hobby with photo sets and videos of everyday girls going barefoot in public places.

Fantasies Unlimited offers *Sneak Video*, a two-volume series, but their all-time best-seller is a product that no other company offers: rubber feet cast from living models.

"Our rubber feet are extremely lifelike, finely detailed down to the soles," says Gary Richards. "The feet come with nails on them, and the customer can even request which color nail polish he prefers."

Every month, Richards sends his clients color photos of three different models' feet. When enough orders come in requesting that a sole be memorialized in lifelike latex, a cast is made, and replicas are produced. Between 100 and 200 rubber feet are manufactured after each model. Fragrant shoes and stockings straight off the models' legs are also available: For many fetishists, the aroma inside a woman's shoe is as much a turn-on as her foot.

"My first foot model was my wife," laughs Richards. "Now we get our models through ads. We seldom use professionals, because there are plenty of pretty amateur feet here in South Florida."

Richards speculates that the majority of his customers use the rubber feet for direct self-gratification.

"They like the toes to be separated, because they like to masturbate between them," he explains. "It's definitely a visual thing with a lot of foot fetishists. They may masturbate while looking at the rubber feet or watching the videos. It's hard to say, because our customers have never really written to give us an idea. It's a private thing for them."

Television celebrity Rhonda Shear, the sweet-tempered and hot-bodied hostess of *USA: Up All Night* on cable TV's USA Network, receives stacks of mail from fans who profess love for her feet.

"We get regular feedback from foot fetishists who simply adore Rhonda's feet," says Nona Paillet, Rhonda's sister and the director of her fan club. "They're always writing, 'Rhonda, you have gorgeous feet. I want to be your foot slave!' Rhonda used to show her feet a lot more on the show, but the producers asked her to tone it down a little. However, she still sneaks a peak now and then. She recognizes those members of her audience, and she enjoys giving them what they want."

Paillet and Shear gladly cater to foot fans with the Rhonda Foot Fetish Fantasy Package, which is offered through the fan club. The package features a special poster of Rhonda, a feather that has tickled her feet, an ankle bracelet, a pair of stockings, a garter and related items.

"Most female celebrities refuse to acknowledge that their feet turn on a certain segment of their fans," notes Ed, a Shear fan. "Rhonda Shear is more than happy to oblige. I watch *USA: Up All Night* with friends who are more often than not staring straight at her tits. Meanwhile, I'm hoping for a pan down to her feet. I think they're two of the sexiest feet in show business."

Ed corresponds with a handful of fellow foot worshipers around the country who long for the day when there are as many publications devoted to feet as there are to large breasts and shapely asses.

"Needless to say," Ed adds, "HUSTLER Magazine is a favorite among foot freaks because it features a lot of outdoor photo shoots, and the models often have their feet in the air. It's a tremendous turn-on. Foot fetishists enjoy women just as much as other men do. We just happen to be turned on by a different part of the body than most guys are. Other than that, we're the same as anyone else!"

Ed's eyes casually dart around the room. As soon as it happens, he'll know when the shoe drops.

To step into the world of sole satisfaction, contact Fantasies Unlimited, P. O. Box 1688, Jupiter, FL 33468-1688; and the Rhonda Shear Fantasy Club, P. O. Box 24532, New Orleans, LA 70184-4532.

WHAT WOMEN

Women Want

The key to low-pain companionship is to convince her that everything is going her way. The trick to retaining manhood is to make sure that not everything does go her way.

Todd Churchless is skating along a thin line, and that line is drawn on thin ice. Todd has a girl. She looks good on his dick, she's multi-orgasmic, and she's got a job. Todd's been seeing his girl for two months. He might get serious.

The problem is that Todd's girl has desires and needs of her own, and she expects Todd to be aware of what they are and to do something about them.

But Todd isn't thinking about his girl's conscious motivations and subconscious drives. Todd's world is consumed by sensations rising within his girl. He is attuned to the contractions that ripple along her writhing torso and clench the walls of her impaled cunt. The taste of her well-eaten pussy is rich in his mouth as Todd lodges his rod in her hole and grinds his pelvis against her pussy bump, where the friction does her the most good.

His churning sperm yearns to spew, but he holds back, clenching his asshole and thinking of the income tax he has not filed for the past three years. She wrenches her swampy delta in short, jerky motions, pushes her twat to the

base of his prick and holds that mark as her body stiffens with delight. Her climax washes over her, just beneath the surface of her skin, and leaves her lax. Finally, Todd allows his impatient jizz to spurt. His brain goes blank. He falls to her side and cuddles in the afterglow.

Todd's mind reengages. "Honey," he murmurs without really thinking, "I've been thinking. Why don't we move in together?"

"Why don't we move in together?" parrots his girl, putting as much distance between them as she can without leaving the bed. "Good question. As long as we're asking, why don't we determine if our relationship has some exclusivity first? Why do you presume 'moving in together' is your decision alone? Why can't you ever discuss anything with me? We go to the movies you want to see; we listen to the music you want to hear; we eat when you're hungry. Why are we always on your schedule? Why do you act as though you're the only one who has options to consider? Why do you assume there is a 'we'? I need my space; so why don't you quit crowding me?"

"I'm refusing parole, Helen. The blowjobs here are incredible!"

As Todd drives toward his own apartment, he wonders what went wrong. What can he do to fix things? Is it even worth fixing? He slugs his dashboard and howls into the 2 a.m. traffic: "What does that bitch want from me anyway?"

* * *

What, indeed, do women want from men? The imponderable female prerogative has baffled male intellects from Samson to Sigmund Freud—but it doesn't have to. Quite simply, women are just like men when dealing with another human being: They want to get what they want from that person. The key to low-pain companionship with a distaff member of the human race is to convince her that everything is going her way. The trick to retaining manhood is to make sure that not everything does go her way.

"Women want testicles," blurts radical behaviorist Rodger Lodestone, Ph.D., head of the Female Studies Department at Bensonhurst Fish and Game University in Brooklyn, New York. "Raging testicular envy is DNA-programmed in the ovulator of the species. Most women don't want to be that way, but they can't help themselves: The female's biological imperative is to castrate, actually or metaphorically, every male with whom she comes in contact."

Quick to dispel the impression that he is a nutty, male-chauvinist zealot, Dr. Lodestone readily admits that women seldom take scissors to scrotum. "The impulse to snip rarely reaches the level of conscious thought," elucidates Lodestone, "except in borderline personalities. Testicular removal is not a common issue in couples therapy, but if a guy fails to deal with a woman's surface needs and wants, that submerged desire to chop his jewels will rise into play, influencing every aspect of her behavior, and then he is fucked."

A woman's wants are seldom what she says they are, and not just because of her aversion to truthful, forthcoming communication. The fact is that women are just as likely to not know what they are seeking as they are to lie about their core wants.

Men also are often uncertain of what role they should play in providing for a woman's wants. In short, a man should give the woman in his life, whether she's there for 20 minutes or for an unspecified number of weeks, exactly what will induce her to give him what he wants from her, whether it be a furtive handjob or a half hour of silence while he studies the *Racing Form*.

The danger of fulfilling a given female's wish list is twofold: 1) Having gotten her way once, the typical pussy-

What ensures trapeze artists Bambi and Taylor will connect in midair? Years of practice? Trademark circus know-how?

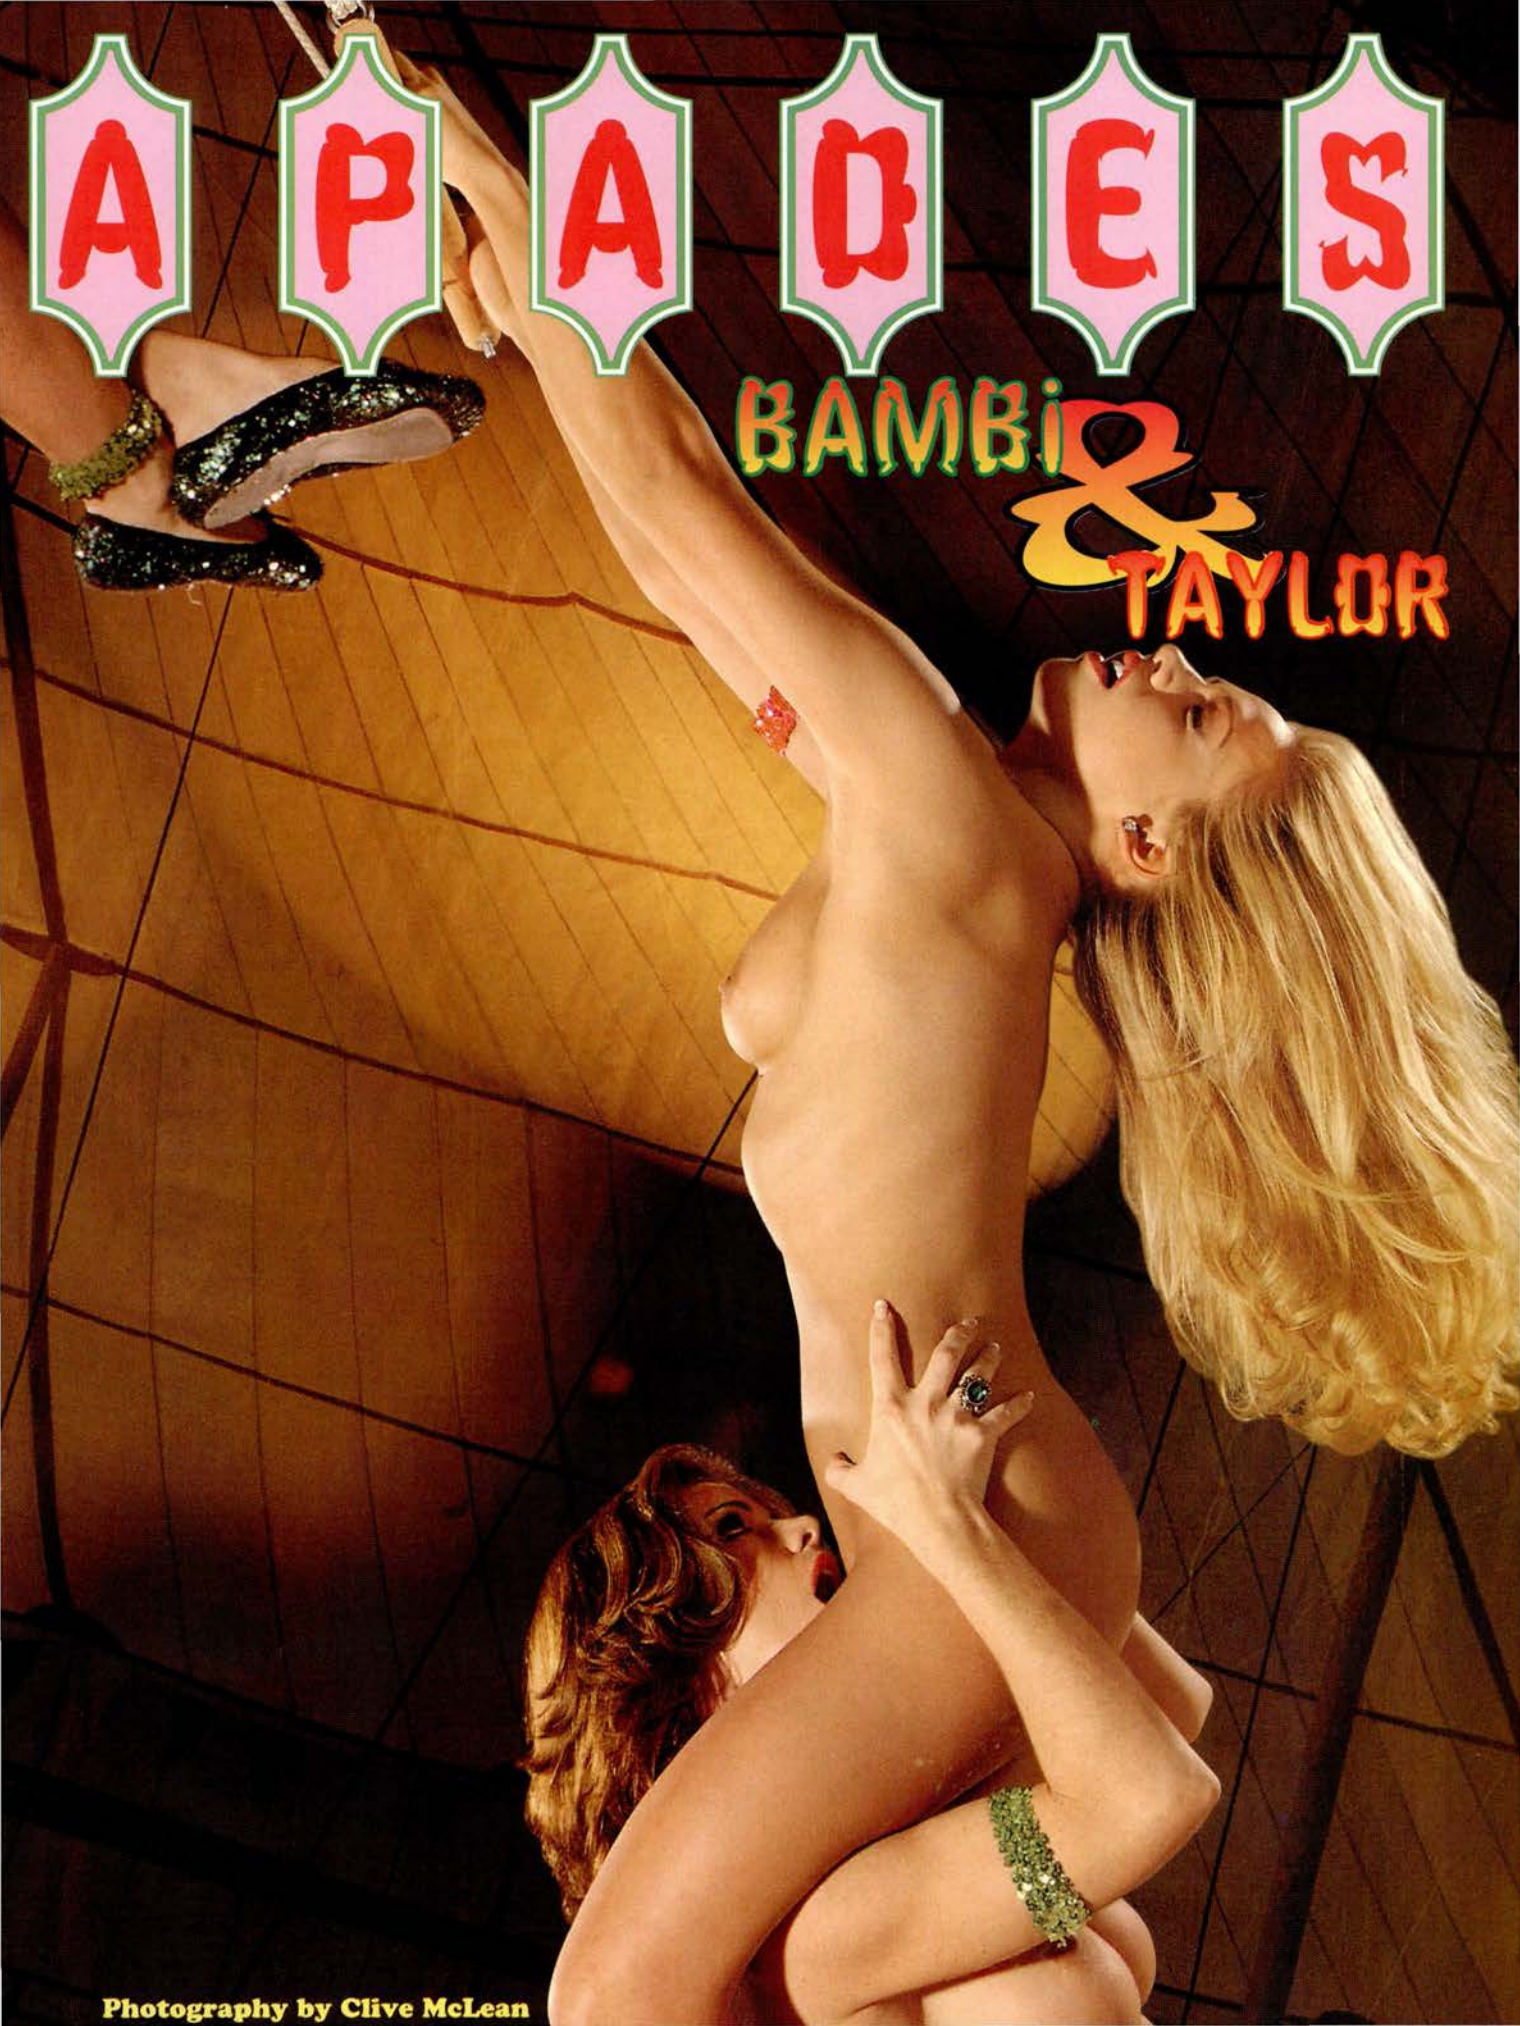

"Physical attraction is what brings us together!" declares dark-maned Taylor, gripping Bambi's tight-muscled, gravity-defying derriere. "As long as we keep swinging, we'll keep clinging!"

That's all Taylor says before rocketing once again toward Bambi's limber loins. After four shows a day, six days a week, Bambi and Taylor are still hungry for more. It helps that the more they take off, the more they get off.

owner will expect it always. 2) Once a lady's demands, rational or otherwise, have been satisfied, she will immediately want something more.

Moderation is the byword in catering to the fairer sex's agenda. Some common examples of cross-gender interplay will be illuminating.

What She Says She Wants: Glenda has a problem with Mike's know-it-all arrogance. Whether the topic of discussion is automobiles, the NBA play-offs or serial-killer trivia, she feels that Mike disregards her input. "All I'm asking," mewls Glenda, "is that you take my opinion into consideration."

What She Really Wants: Glenda really wants to be right, and she wants Mike to be wrong.

What to Give Her: Mike can easily switch the conversation to some insignificant subject, such as tarot cards or numerology, in which Glenda is proficient. Once he's given Glenda full rein in her area of expertise, he can steer her into a discourse on the gender-identity politics of sexual role-playing. This field of inquiry will be fascinating to Mike even if Glenda doesn't know what the fuck she's talking about while trussed like a greased piglet with his dick stirring in her ass.

What She Says She Wants: If not for the maturity and compassion inherent in being a broad, Monica would truly be appalled by John's childishness. The only things that matter to him, in her estimation, are his convertible Corvette, shaking his hair like a maniac at rock 'n' roll concerts and getting high. Her hair blowing free in the 'Vette's windstream as John drives her home from a Pearl Jam show, Monica fires up one of his blunts and drawls: "I only wish you could see the value of higher considerations. Admit it, you're just a little boy with big-boy toys."

What She Really Wants: Monica wants to be further evolved than John; she wants him to recognize her as an actualized human being with greater psychological and spiritual development than he, with his materialistic, infantile nature, could ever hope to achieve.

What to Give Her: John would be best served by tossing her another joint, throwing her a bone and then—unless she starts paying her own way once in a while—giving her the boot.

What She Says She Wants: Lorena isn't asking for a lot. If only Henry were slightly less rigid. Why is he so uptight about her leaving his CDs where her cat

can walk on them? Must he get so upset simply because she's rubbed the ash from her Virginia Slim into the crushed velour of his Monte Carlo Super Sport's custom upholstery? Really, is it so important that she neglected to tell him about those pesky red bumps on her labia before he put his mouth down there in the dark? "Can't you be just a little bit flexible?" she wheedles.

What She Really Wants: Lorena wants to be allowed to let her shit lie where it falls, and she doesn't want to have to wipe either.

What to Give Her: Henry can cut his losses by confining his visits with Lorena to a controlled environment, such as her own apartment, and giving her all the leeway her slatternly character demands. He is thus free to disinterestedly observe—or participate in, to whatever degree he finds enjoyable—the spectacle of a life unraveling and disintegrating as it swirls down the existential toilet.

What She Says She Wants: Caroline realizes that the Stanley Cup finals come around only once a year. For some reason—she'd be hard-pressed to say why—this annual occasion coincides with a great surge of horniness in her loins. Brad's only desire is to keep his eye on the puck. Caroline reaches up under her T-shirt to unhook and remove her bra. She opens the top of her jeans and shoves a hand in to scratch her bush. She licks her lips and forms the cock-sucker mouth well within the range of Brad's peripheral vision. His eyes glance away from the ice for one moment, and he misses a savage blindside check. "Goddammit," he mutters under his breath. A horn blares to signal the period's end. Brad has 15 minutes to shove a grudge fuck into Caroline, but she is in the bathroom changing the kitty-litter box. A quarter hour later, as the contest resumes, she dangles her breasts over the sofa back, licks her fingers and plays them across Brad's eyelids. "You come to my house and just watch TV," she complains. "I'd feel better if you'd pay attention to me."

What She Really Wants: Caroline wants a tribute. She wants Brad to forsake something that he enjoys to the depths of his heart and soul in order to appease her, and she wants him to be happy about doing so.

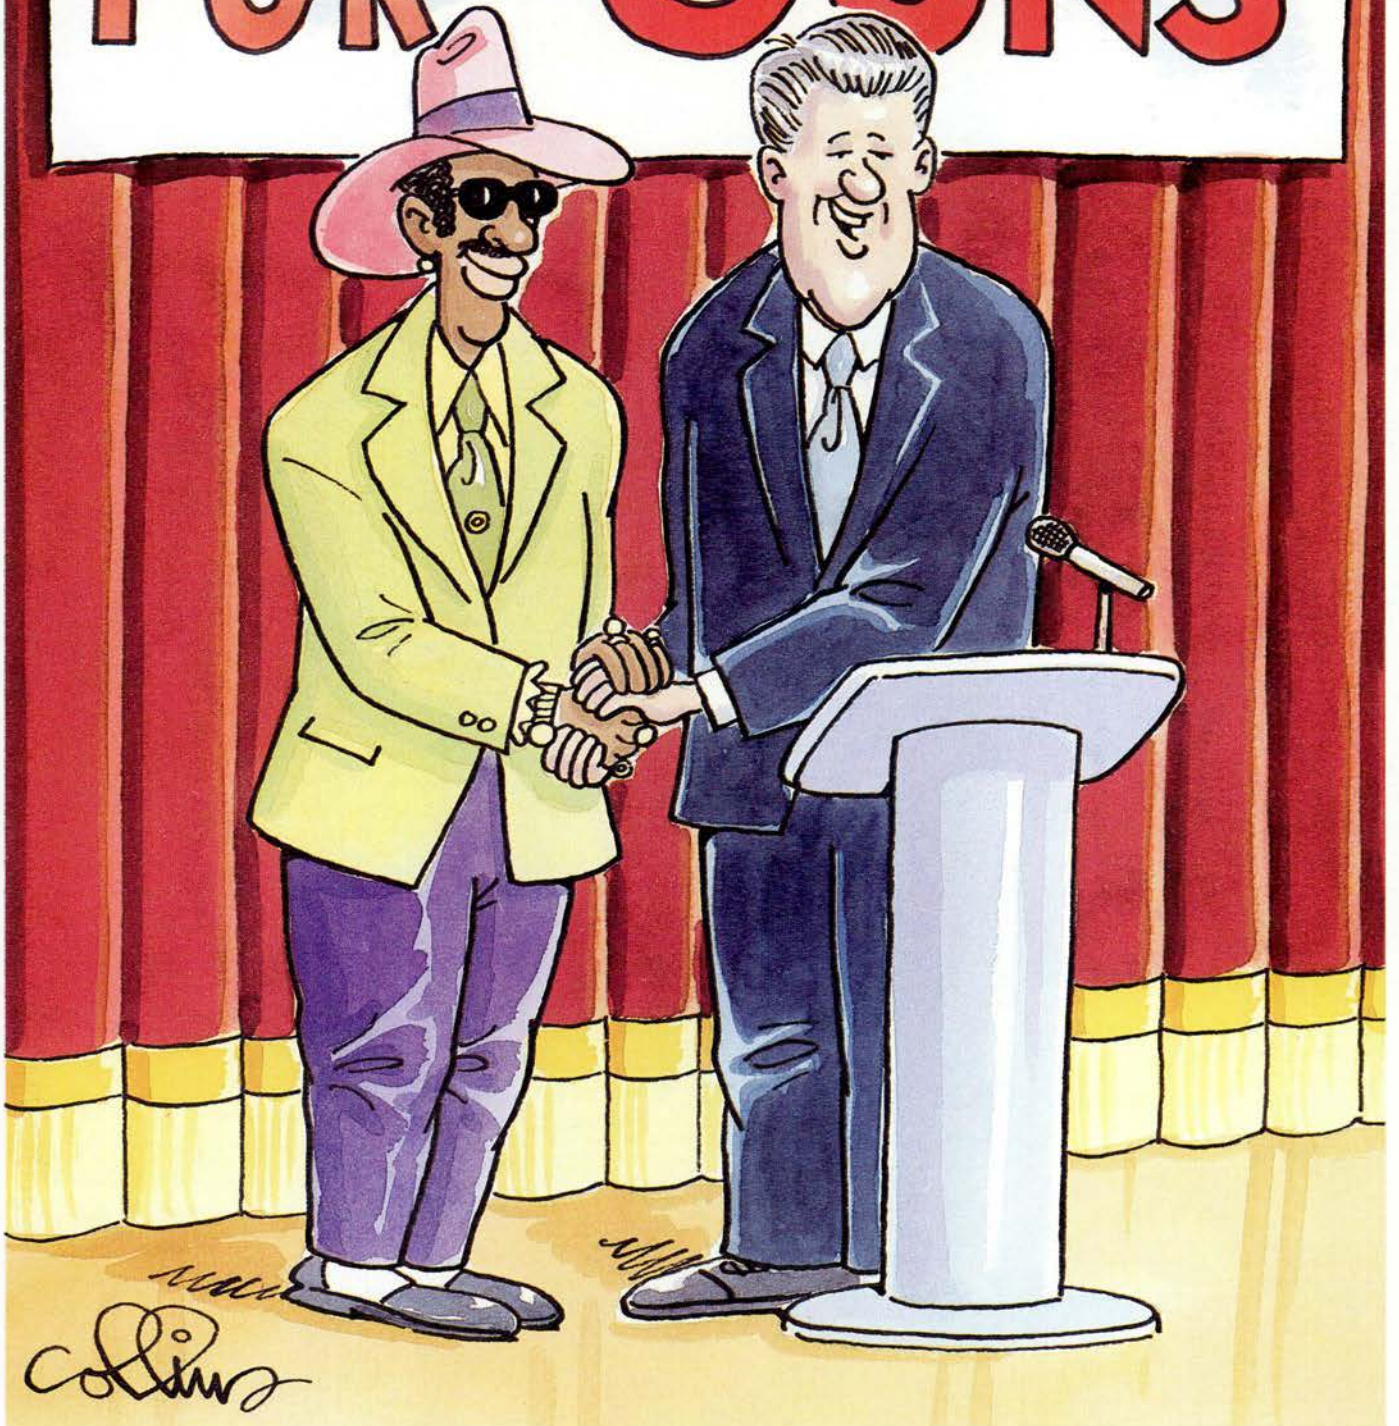

What to Give Her: Caroline, despite her obvious and manifold skin-deep attractions, is profoundly insecure in her neural tissue. The only thing she needs is the unqualified assurance that she is the most important and valuable person, place or thing that Brad has ever known. She can be convinced of this infatuation

Not many girls wear boots to bed. But 20-year-old Bonnie, a club dancer from Brunswick, Georgia, feels naked without them.

"These boots are broken in," whispers Bonnie, running her palms along the twin expanses of red patent leather. "Soft all over. Except for the little hard spikes at the heels."

Does Bonnie ever take off her knee-high footwear?

"I unzip them once every day," she frowns, as if revealing her biggest, baddest secret. "When I powder."

easily enough, and the sentiment does not necessarily need to be true. Brad must simply profess an abhorrence for televised contact sports ("I'm only watching this fight until something good comes on") while feigning an interest in the Discovery Channel, the Entertainment Network or the novels of John Updike.

Any time Brad craves the ego surge that comes from being seduced by a good-looking chick whose most avid desire is to concentrate her entire imagination and physical being into drawing out his deepest spurt of pleasure, he need only crack *Rabbit Redux* and surf the channels to a panda documentary.

And Caroline, pearls of jism beading her neck, feels special too.

Sex, it hopefully comes as no surprise, is as important to women as it is to men. Some women, of course, are exceptions to the rule. Due to a complex array of inexplicable reasons, they don't like to fuck. These women are known, in the clinical terminology, as a total waste of time.

According to conventional wisdom, the most important thing to bestow upon

a woman through carnal intercourse is the female orgasm, preferably in multiples. A strong climax is always appropriate; however, females often seek ulterior goals through sexual congress, some of which occasionally take precedence over erotic release. The thrust of these extraneous libidinal strivings changes direction with each advancing stage of the female's sexually active years.

At the Age of 18: Still a girl in many ways, the sexual debutante views her forays into the world of fucking as proof that she is all grown up. Her immediate mastery of fellatio skills and quick graduation to advanced positions and penetrations attest that she is an adult among adults. All she needs are a few well-placed words of encouragement and appreciation of her sheet-shredding technique to spur her to greater heights of erotic wizardry.

At the Age of 24: By her mid-20s, a woman has been in the workplace or married long enough to have obtained some notion of the bargaining power her body holds. If she is anything sexually, she is of value, and she insists upon reaping a top return for the investment of

her cozy favors. She demands a proper sense of awe from her suitors and often expects some material token of appreciation—in extreme cases, a ring. Promise her whatever it takes, and don't be surprised when that is not enough.

At the Age of 30: A rousing fuck is purported to have certain rejuvenative properties, and no one suckles more desperately at the fount of youth than a lady who has recently scaled the peak of her sexual prowess, only to gain a clear view of the scenery over the hill. That callow young fillies who insouciantly flaunt their nubile charms have nothing on the older sister's still-firm thighs, buttocks and breasts—which have admittedly held up remarkably well for a gal of her years—had best go without saying. Still, let her know in a language beyond what words can convey that each impending wrinkle is just one more fold to love.

At the Age of 36 and Up: Not only is she still in the game, but the mature woman knows exactly what she's playing for, and she's accustomed to winning. When she strips down for sex play, she expects batteries to be included. She appreciates an unintimidated man who'll keep a steady hand on the vibrator and who won't look at her as if she should be embarrassed.

When females are alone among their ilk, they don't mince words. A man who refuses or is incapable of giving them what they want is dismissed as "an emotionally unavailable bastard." The guy who, through force of personality or brute strength, gives them something they don't want is referred to as *asshole* or, in the worst-case scenario, *rapist*.

"Women want to suck my dick," boasts an anonymous state-sponsored resident better known for his impetuosity than for his subtlety, "or else they don't know what they want."

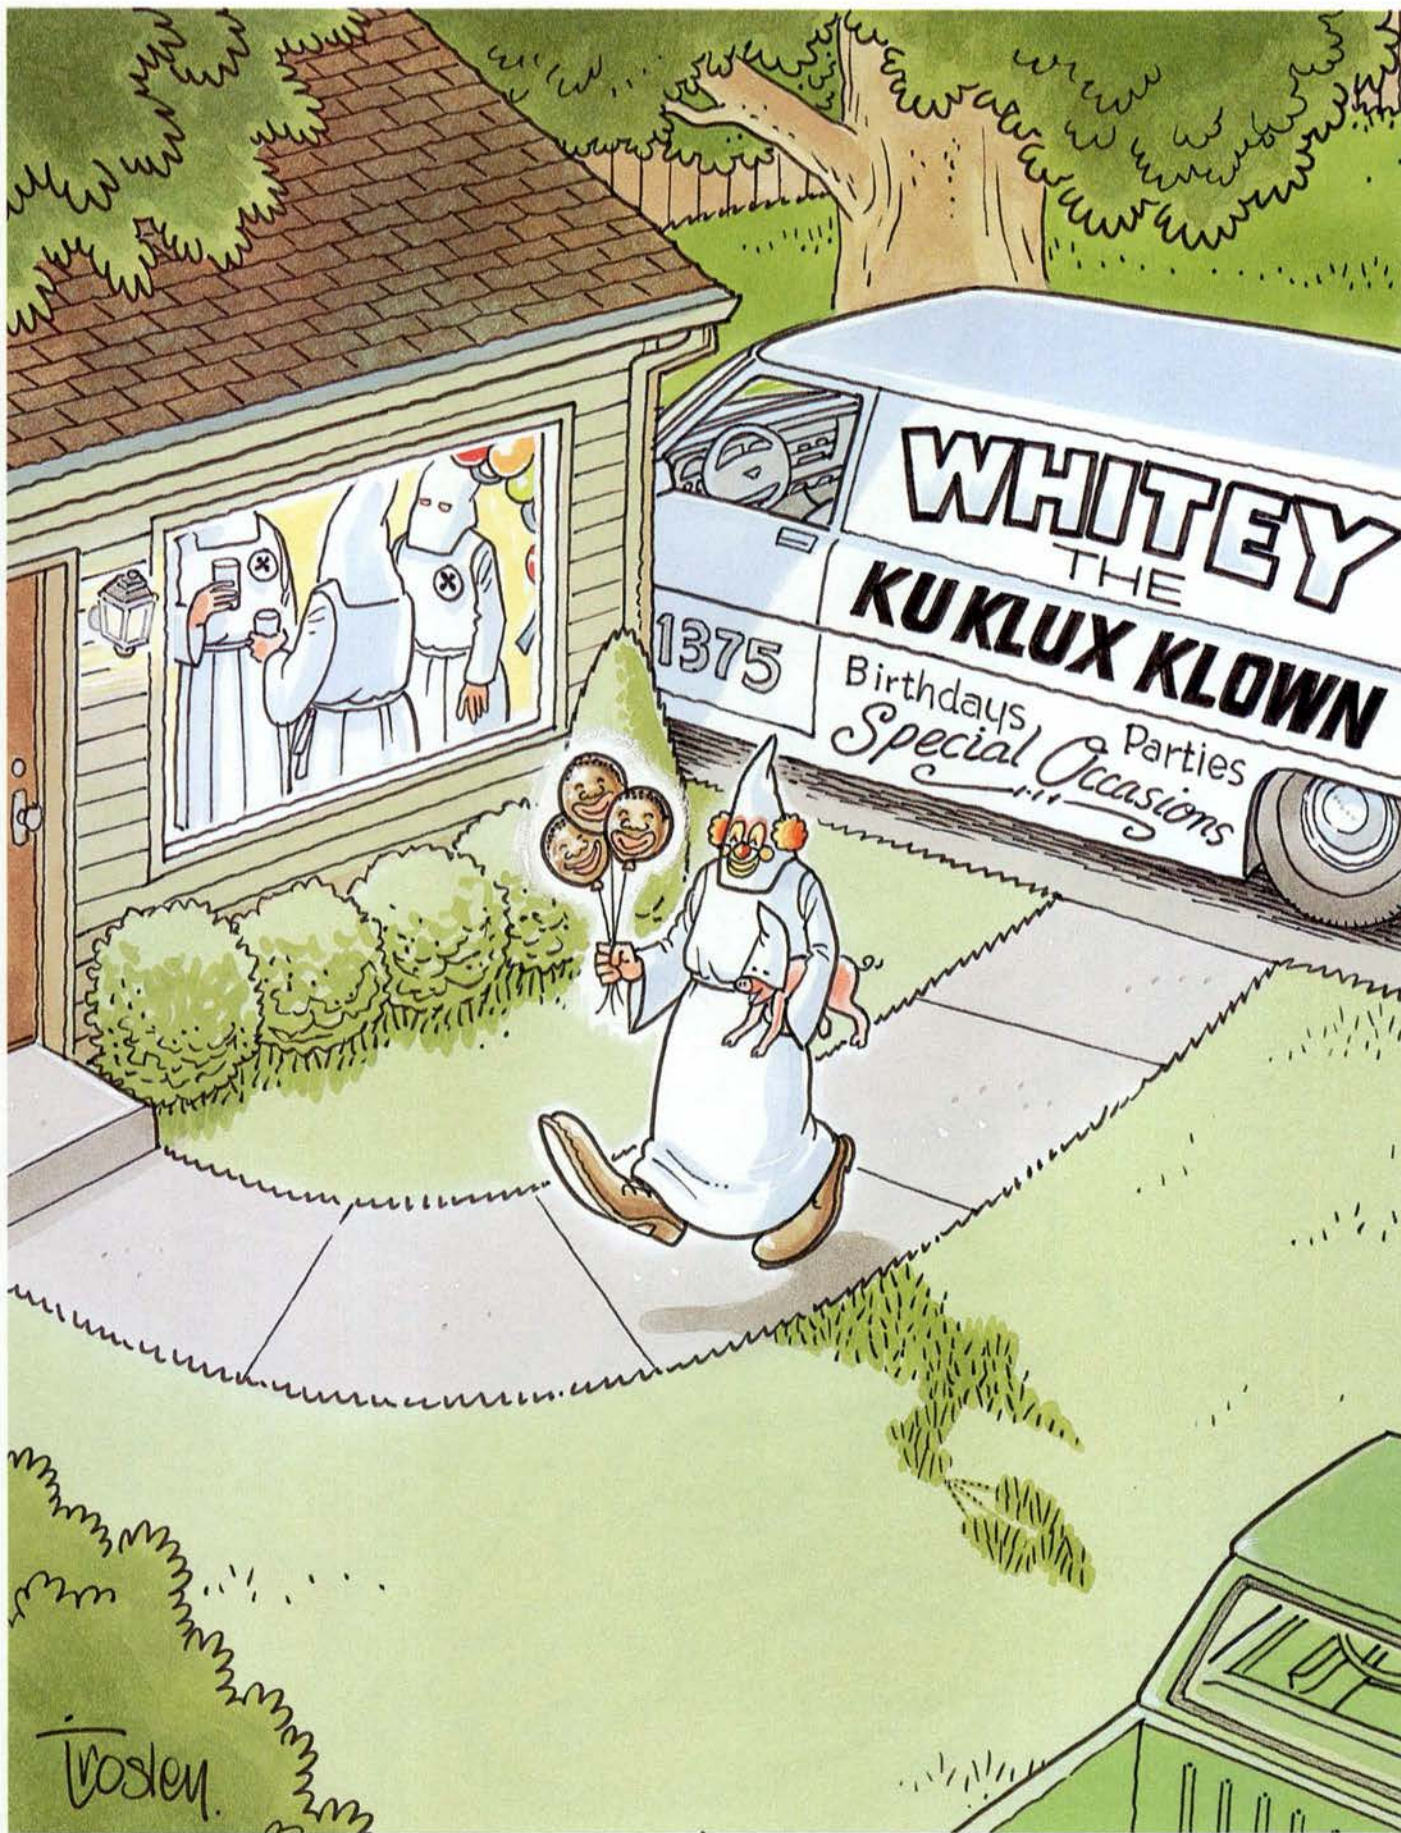

If there is one thing women don't want, it is having the option of changing their minds taken away from them. "She was walking down the street, by herself, carrying a bag of groceries," rationalizes a convicted malefactor given to intellectual ponderings. "That means she wanted it, on some level."

Unfortunately for all parties concerned, that level is a few floors below the strata upon which these women consciously claw to wound and maim, press criminal charges and distrust the intentions of every man they subsequently meet.

Only an idiot male would attempt to gratify every feminine whim that confronts him, but respectful and responsible behavior shouldn't be too much of a challenge to any dick.

"By the way, did I tell you Dwaine found out I've been cheatin' on him?"

Cocaine

Officials trumpeted Escobar's demise as a major victory in the war on drugs. In fact, his death really marked the passing of the drug-smuggling torch to a much faster runner.

Bogota, Colombia: In June 1991, the Colombian government and the so-called King of Cocaine, Pablo Escobar Gaviria, cut a deal. In an unusual arrangement, Escobar, the godfather of the infamous Medellin Cartel—the country's most powerful narcotics-smuggling syndicate—surrendered to police. In return, the authorities allowed the vastly wealthy drug runner to build his own prison. When news of the deal was met with public opposition, however, officials decided to move Escobar to less accommodating quarters. On May 16, 1993—the night the transfer was to be made—Escobar escaped into the underworld.

At the time of his plea bargain, Escobar faced 12 arrest warrants for the car-bomb murders of at least 100 civilians and 215 police. In addition, the Medellin narco-terrorist was alleged to have bombed a civilian airliner out of the sky, killing all 107 passengers aboard.

For more than six months, the world's most-wanted gangster eluded Search Block, a 1,500-strong Colombian police

force that had been specially trained to hunt him down. On December 3, 1993, largely due to fortuitous circumstances, Colombian security forces trapped Escobar in what the drug lord had believed was a safe location. Unknown to Escobar, the U.S. Drug Enforcement Administration (DEA) had supplied the Colombian government with sophisticated electronic equipment that was programmed to recognize Escobar's voice and locate him within two minutes of a phone call.

Two hundred police officers sealed off the streets around the house where Escobar was in residence, cut the neighborhood telephone lines and cordoned off the area.

The first burst of police gunfire killed Escobar's loyal bodyguard, Alvaro de Jesus Aguelelo; a second series of rounds cut down Escobar. The gangster lay sprawled on a rooftop, his two 9-mm pistols at his side.

Within hours of Escobar's death, officials in both Colombia and the United States lauded the countries' joint cooperation and trumpeted Escobar's demise as

a major victory in the war on drugs.

In fact, the death of the world's most-wanted gangster really marked the passing of the drug-smuggling torch to a much faster runner. While narcotics authorities were busy subduing the drug traffickers in Medellin, a separate, more ambitious cartel emerged in the Colombian city of Cali. By the time Escobar collapsed in a bloody heap, the Cali Cartel had already cleverly and quietly snared the lion's share of the coke markets in America and Europe.

* * *

"The discos and bars in Cali will be full tonight," said DEA special agent Thomas V. Cash from his Miami, Florida, office the morning after Escobar faded into history. "It's the changing of the guard from Medellin to Cali."

Slick, intelligent and efficient is how drug-enforcement experts describe the godfathers who run the Cali Cartel. Opinion from other, disinterested quarters echoes the assessment. Like many private citizens in narco-violent Colombia, these observers do not want their names published.

"The Cali Cartel is perhaps the world's most enterprising criminal organization," declares a Bogota-based Western diplomat.

"The Cali Cartel could be a tragedy for Colombia," states a professor of international relations at the National University in Bogota who has researched the Colombian drug cartels. "The Cali godfathers [have the potential power to] destabilize the political system."

Colombian officials themselves admit that the country and its allies will have to devise new anti-drug-trafficking strategies in order to compete with the Cali organization.

"We will have to improve our intelligence gathering," says Fernando Brio Ruiz, head of Colombia's Department of Administrative Security (DAS). "We will have to go after Cali's central strength—its money-laundering operations. Rooting out bureaucratic corruption—not confronting narco-terrorism—must be our objective."

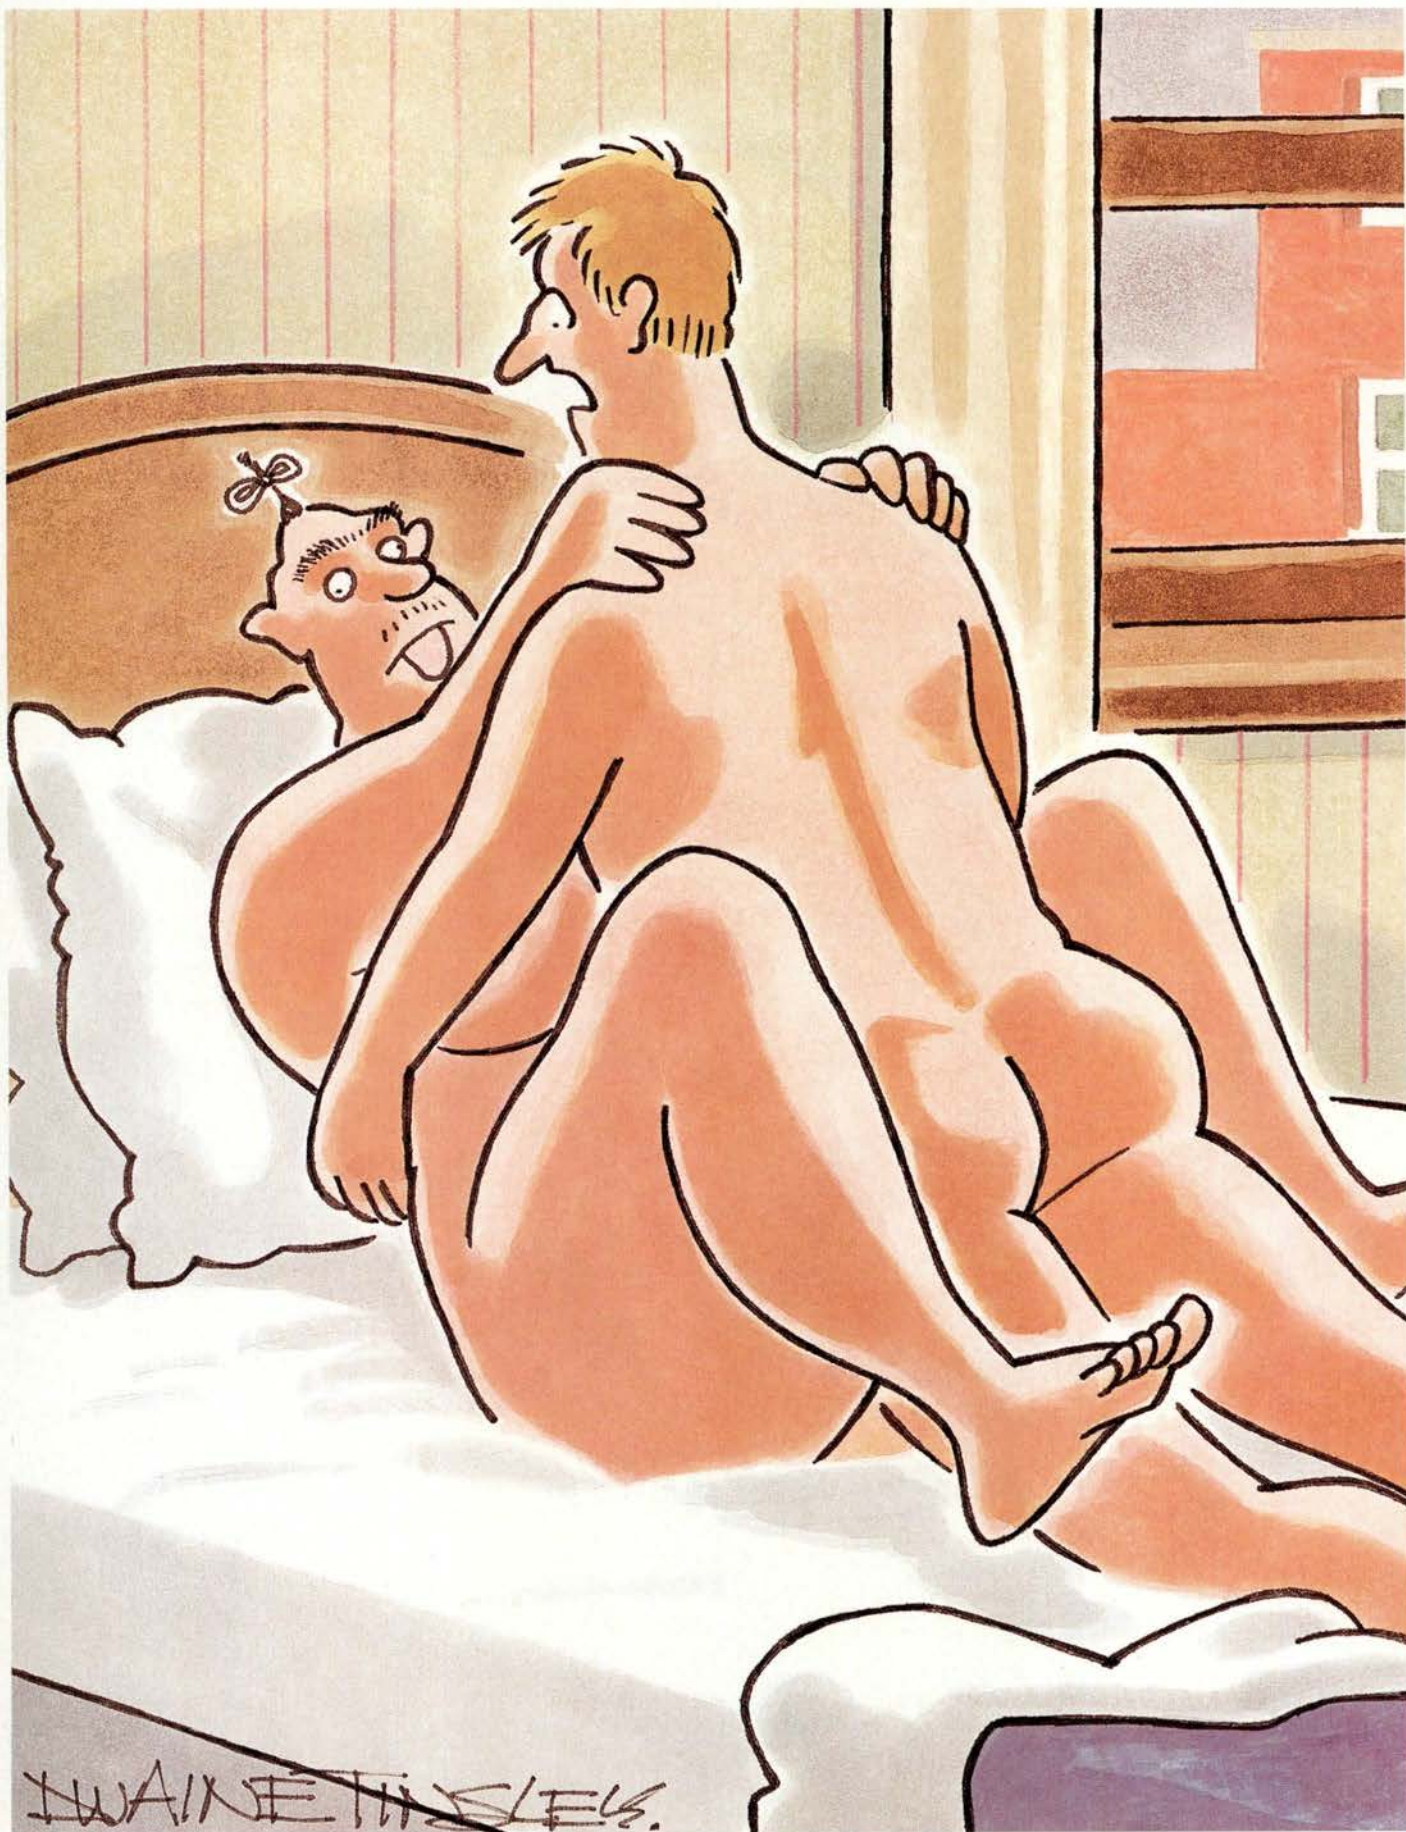

Following the advent of the Cali Cartel, Colombia itself has changed. Security has been as tight as ever at such prime targets for terrorism as the American embassy, the offices of the major newspapers and the nerve center of DAS. But the nation no longer sees the bombings, kidnappings and shootings that were the hallmarks of Medellin business methods.

"[Life in Colombia] is more relaxed right now," agrees Fernando Zarate, a civil engineer from Bogota. "It hasn't

been this way for a long time. People can go about their business without having to worry about being in the wrong place at the wrong time."

A popular saying in Colombia has it that the Cali Cartel will kill a man if it must, but it would rather use a lawyer. While Escobar was seeking refuge from the law, lawyers for the Cali Cartel were meeting with senior Colombian government officials in an effort to come to favorable terms for the possible surrender of 200 Cali members. In November 1993, Colombia's congress passed legislation that increased the benefits for drug traffickers who surrender to authorities, confess their crimes and give information leading to the capture of other criminals.

"We don't use the word *negotiations*, because the U.S. government doesn't like the term," explains the international relations professor. "Instead, we use the phrase *submission to justice*. The only thing you can do with a drug *capo* [godfather]—an individual of enormous means and power—is to invite him to be a civilized person and give him the op-

portunity to submit to the power of the state and live under its laws. You can't destroy him."

According to Francisco Jose Sintura Varela, an official in the Fiscalia, a Colombian government agency organized primarily to bring to trial and prosecute drug traffickers, "At this point, [the Cali godfathers] don't have the negative record the Medellin Cartel has; so it would be in their best interest to submit to justice. If they don't surrender, we plan to find them, arrest them and bring them to trial."

Some informed sources doubt that the Colombian government will go after the corporate-based Cali organization with the zeal with which it pursued the Medellin drug lords.

"Narco-terrorism was what worried Colombian citizens," states Carlos Lemmos, a prominent national politician. "Today, with leaders of the Medellin Cartel either dead or in jail, Colombians give less importance to drug trafficking. They are more worried about other issues."

"Once a criminal group attains a

monopoly, the level of violence around their business decreases [with the competition]," states Dr. Leroy Gould, a professor of criminology at Florida State University. "It stands to reason that Colombians would prefer [whichever syndicate] manages to keep the level of violence down."

Drug-enforcement officials estimate that the Cali Cartel controls from 70 to 80 percent of the cocaine entering the United States and up to 90 percent of that being exported to Europe. According to the DEA, the quantity of Cali-shipped coke amounts to approximately 500 tons annually. The Cali Cartel's net take from drug sales is estimated to be \$20 billion a year.

"Nobody knows for sure what's coming across the border," Gould points out. "The DEA can provide figures on how much drug is seized, but [that represents an unknown percent of what exists]. There is more cocaine on the streets of the United States today than ever."

In April 1988, the freighter *Amazon Sky* arrived in Tarpon Springs, Florida, ostensibly carrying a load of Brazilian cedarwood. An informer tipped authorities that drugs were onboard as well. Customs inspectors drilled holes in the cedarwood planks, but found nothing. Just as agents were about to abandon the search, one of them noticed a crew member drop a plank and look about nervously. The agents drilled again and found 3,270 kilos—more than three-and-a-half tons—of cocaine. Seven hundred of the 9,000 planks on board held dope.

On April 16, 1992, a freighter called the *Colleen Sif* arrived in Fort Lauderdale, Florida, from Guatemala carrying broccoli and okra. DEA agents raided the ship, seizing more than seven tons of cocaine and apprehending members of the Cali Cartel. Police nabbed one of them, Luis Fernando Murcillo, at the Miami International Airport as he attempted to board a plane for Cali.

As the word *cartel* suggests, the dons from Cali represent a loose association of drug-trafficking organizations that, for practical purposes, form alliances of convenience.

The "Don Corleone" of the Cali Cartel is Jose Santacruz Londono. Santacruz is known as "the Student" because of his above-average education, which included engineering studies. Don Chepe, as Santacruz is respectfully called, adopts the public persona of a billionaire who made his money in construction.

Stella had a question for her husband, Stewart, on their wedding night.

"How will I let you know," she asked, "when I want to have sex?"

"On the nights you want sex, reach over and tug my dick," Stewart told her. "On the nights you don't want sex, reach over and tug it about 350 times."

The HUSTLER Dictionary defines *condom* as: a cock smock.

Rick saw a small boy on the street smoking a cigarette.

"Such a young boy to have such a bad habit," Rick scolded. "How old are you, son?"

"Six," the tyke answered.

"How long have you been smoking?" Rick asked.

"Ever since the first night I had sex with a girl."

Rick was dumbfounded. "How long ago was that?" he inquired.

"I can't remember," the boy said. "I was quite drunk at the time."

Question: What did the cannibal do after he dumped his girlfriend?

Answer: He wiped.

Oh, doctor," the homosexual wept upon being diagnosed with AIDS. "Is there any treatment you can give me?"

"I think you should go to Mexico and live it up," the M.D. advised. "Drink all the water you can. Have plenty of tequila too. Also be sure to consume as much Mexican cuisine as possible—especially raw fruits and vegetables."

"Will that cure me?" the gay man asked.

"No," the doc said, "but it will teach you what your asshole is for."

Three expectant fathers waited in the maternity ward: an Italian, a Chinaman and a Jew. In waltzed the nurse with a newborn black baby in her arms.

"Is this baby yours?" she asked the Italian.

"I don't think so," he replied.

"Is he yours?" she asked the Chinaman.

"It doesn't seem likely," he answered.

Finally, she turned to the Jew. "Could this baby belong to you?"

"Probably," he answered. "My wife burns everything."

Question: Why did God give women foreheads?

Answer: So you have some place to kiss them after they give you a blowjob.

Spike and Tony rode a camel to the baseball game and left it in the parking lot.

After the game, Tony walked up to the only camel in the lot, looked under its tail and shouted, "Goddammit! This one isn't ours. It's the wrong camel!"

"How do you know?" Spike asked.

"Because," Tony explained, "when we came in, I heard a guy at the gate say, 'Look at the two assholes on that camel!'"

Question: How can you tell the Irishman in a hospital ward?

Answer: He's the one blowing foam off the bedpans.

A man suffering through the final stages of leprosy decided to treat himself to an elegant dinner at a refined bistro.

Midway through his meal, the customers surrounding him began violently vomiting and passing out.

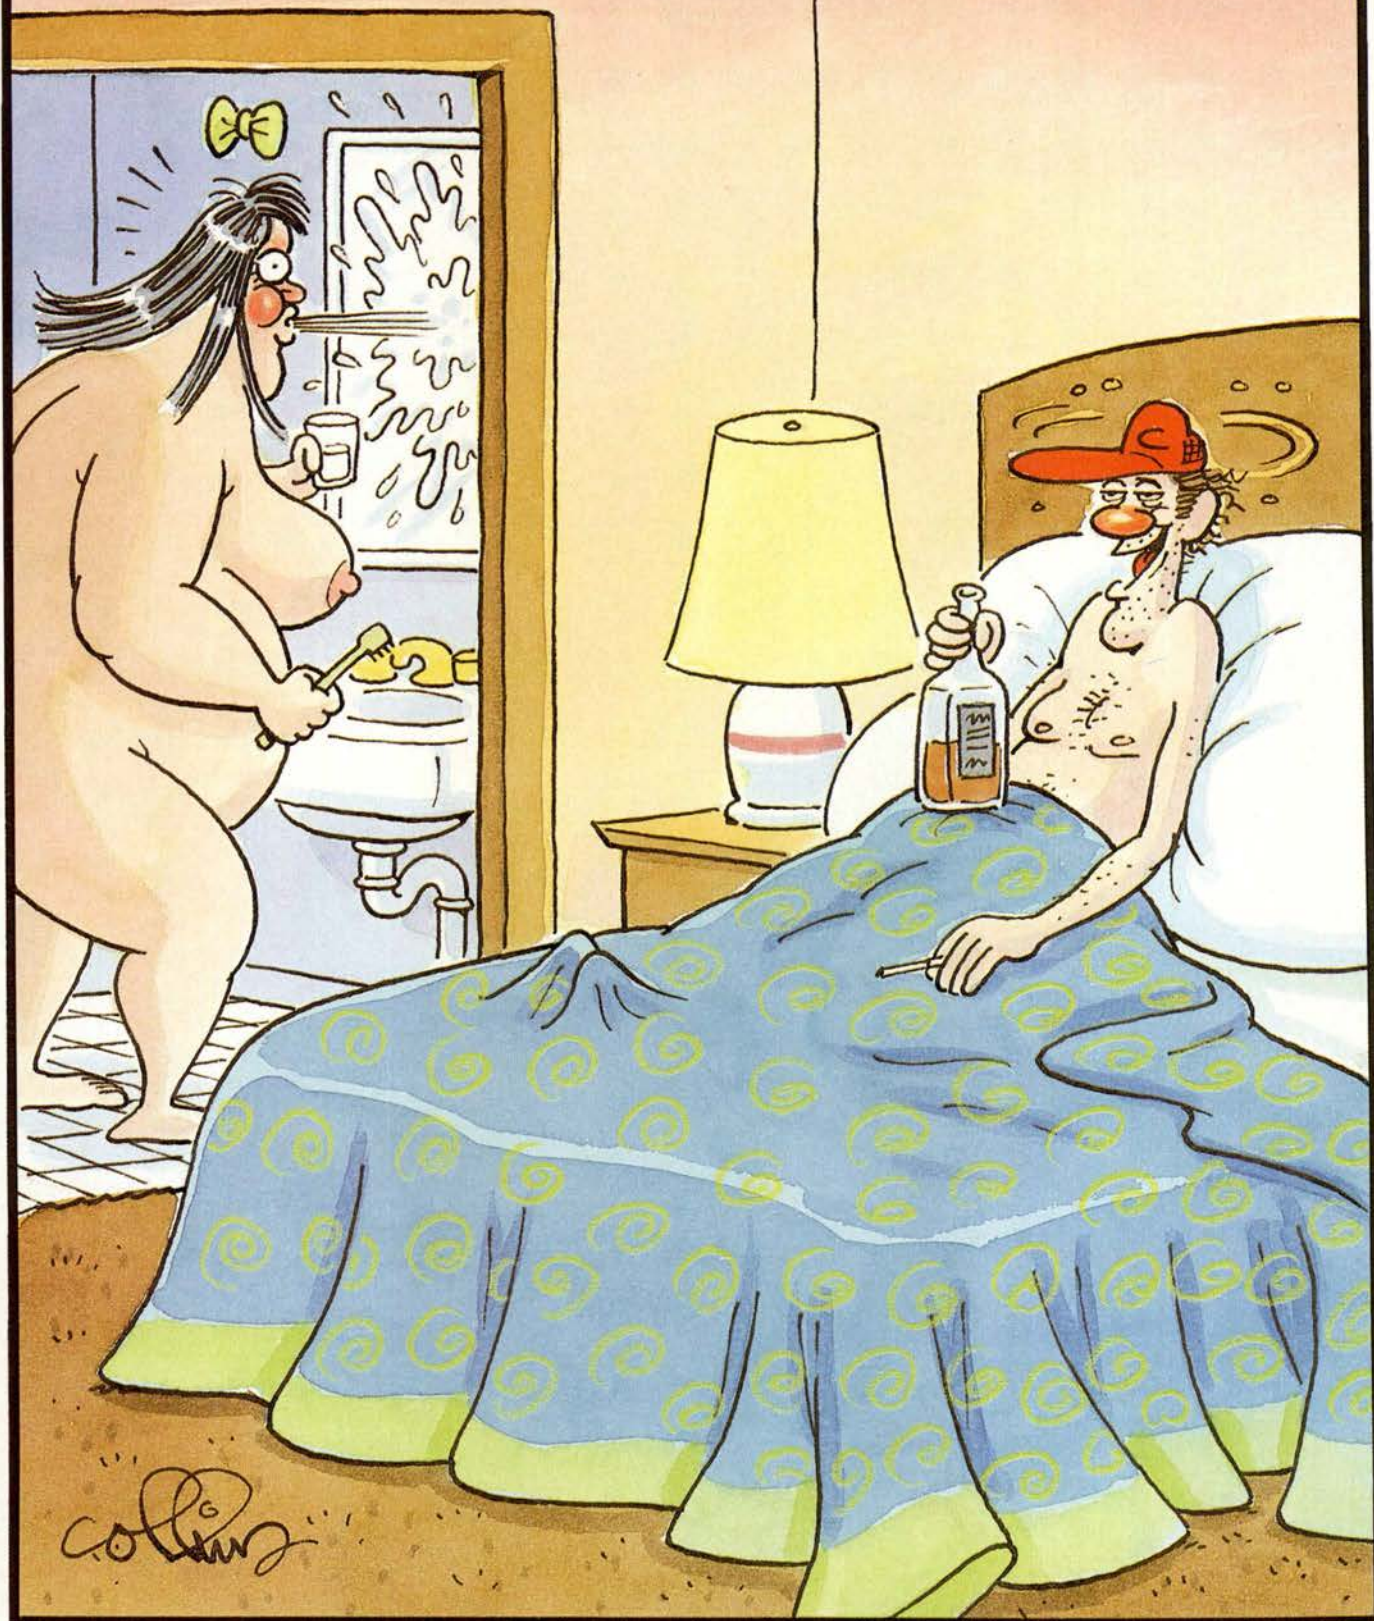

The leper motioned to the waiter. "My condition is upsetting the other patrons," he said. "If you'll bring my check, I'll gladly leave."

"I'll not hear of it," the waiter insisted. "This trouble is in no way your responsibility. The culprit has already been ejected. He was sitting behind you, dipping his bread into the back of your neck."

MISTRESS LEAH MAKES A MAN A WHIPPING BOY

**A TALE OF OBEDIENCE TRAINING
BY MISTRESS LEAH LAFLEUR**

Good housekeeping help is hard to find.
Dominatrix Leah Lafleur writes the book on how
to get an ordinary guy into training.

ILLUSTRATION BY ERIC STANTON

Houseboy

Leah stomped her feet. "That's not how a dog barks! Play your part properly, or get kicked in the ass with these heels." She aimed treacherous-looking stilettos at him, silver tips on the toes.

Thirty-six-year-old Huntington Beach, California, resident Jeff had been unemployed for nine months due to a personality conflict in his construction job. An inability to follow rules because of stubbornness had plagued Jeff all his life. Virtually penniless, he cut an ad listed under "Domestic" from the paper.

Wanted: Live-in help in exchange for rent. Butler-type to assist female with household chores. Large home with plenty of privacy.

Currently, Jeff was living out of a van he kept parked behind a friend's auto-parts store. He didn't bathe daily and rarely combed his hair. Because he'd been a longtime surfer before his beer gut had sunk him like a stone in the water, rubber thongs were his regular footwear. He sported an unkempt beard and a 20-pound tire of belly.

"You may tell me about yourself," said the woman who answered the number given in the ad. Her firm tone said *no bullshit*.

"I'm 36," said Jeff, "and I'm, uh, between jobs."

"What kinds of jobs?" she demanded.

"Speak up. I can't bite you from here."

"Creative ventures," said Jeff. "You know, I like to work with my hands."

"What are your present living conditions?"

What the fuck, thought Jeff. *No harm in trying.*

"Listen, lady," he said. "I'm living out of my van."

"I don't need any construction-type labor," clarified the mystery woman. "I need domestic help. I respect a hard worker, and I reward hard work, but I won't stand for slacking. If you aren't completely serious about committing yourself, tell me now. It will save us both a lot of pain."

"How much work do I have to do in exchange for rent?"

"That depends on how much time I'm forced to spend training you," said the lady. "Which means it all comes down to how quickly you learn. That's all I can tell you now. I'll have to show you the rest. You may see me for a personal interview. One o'clock today. Sharp."

Jeff used a friend's shower. He borrowed toothpaste, shampoo and cologne.

He also borrowed \$20 he found hidden in a travel bag in the bathroom drawer.

The house overlooked a seaside cliff. Trees surrounded the property, which was hemmed by a six-foot-high brick fence.

A stunningly attractive woman answered the bell. She was much younger than the imperious voice on the phone had suggested. Slender, delicate frame. Long, dark-blond hair. Mid-30s; a couple of years younger than Jeff. Apart from her effortless beauty, she had a sternness about her, as if she were impatient with something.

"I'm Jeff." He was clumsy. It had been too long since he'd seen a spanking piece of ass. "I spoke with you...uh...you know...on the phone earlier."

"It's 1:15," she said. A Day-Glo orange stretch dress hugged her curvy figure. The plunging neckline met a white leather belt at the waist. The sweet smell of flowers drifted through the doorway.

She stepped onto the porch, closing the door behind her, and unabashedly inspected Jeff's general physique, like a buyer at a county fair appraising livestock. Jeff was amused, but she showed no sign of humor.

"You haven't told me your name," he said.

"Don't interrupt me," she replied matter-of-factly, and then dictated: "The beard has to go. Let me see your hands. Tops. Bottoms."

Were it not for the smoothly lined hips and dizzying cleavage thrust in his face, Jeff would have lost his temper. As it was, his spirits were rising. She was better-looking every time he looked.

"You may come inside now."

She turned to enter the house. Through a generous slit in her dress glowed an ample stretch of smooth, golden skin beneath her tight bulge of ass.

She paused to lock the door. Jeff stepped into the sunken living room.

"Just where the fuck do you think you're going?"

He cringed. The lady's tone reminded Jeff of a ball-breaking teacher he'd had in grade school. But the figure in the doorway was a veritable goddess of sex appeal.

"Get back here," she said, "and stay here until I decide if I want to invite you in any further."

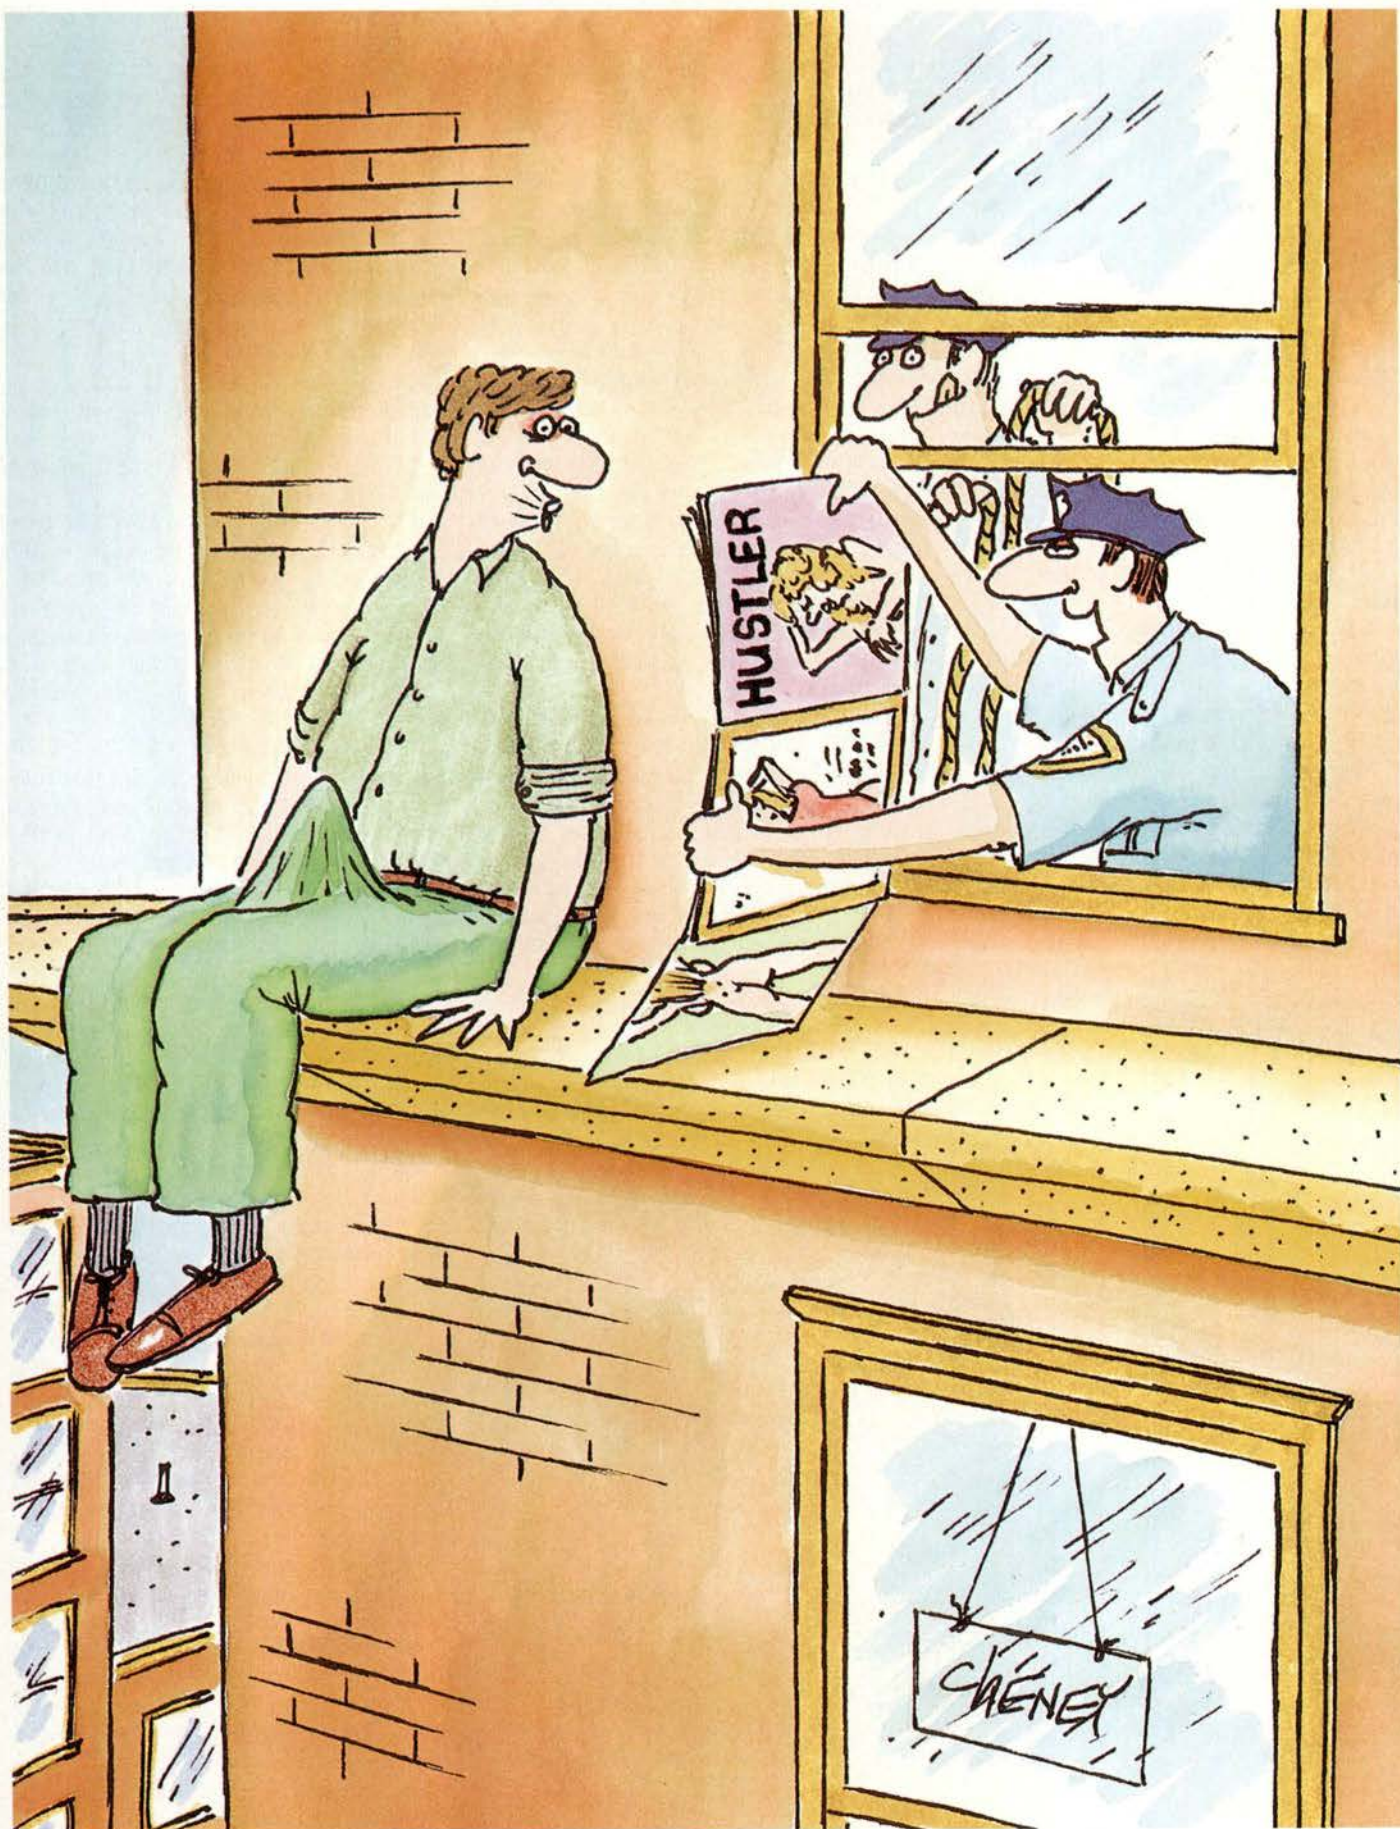

If he had been a dog, Jeff's tail would have been between his legs.

"Do you always talk to people like that?" he asked. "You know, so rude and...uh...."

"Stop dragging your words out," replied the witch/goddess. "The next time you say 'you know,' I'm going to hit you. That will break you of the habit very quickly."

"When he saw the giant enema nozzle, he knew it was curtains...."

"Better take a real loooooong look, pal, 'cause you ain't gonna see pussy like that in heaven, and you sure-as-shit won't find it in hell!"

"I think I shall give you a doggie treat," she declared. "The next way for you to perfect your role as a dog is to smell my ass like all dogs do." She pushed her ripe bottom into Jeff's face.

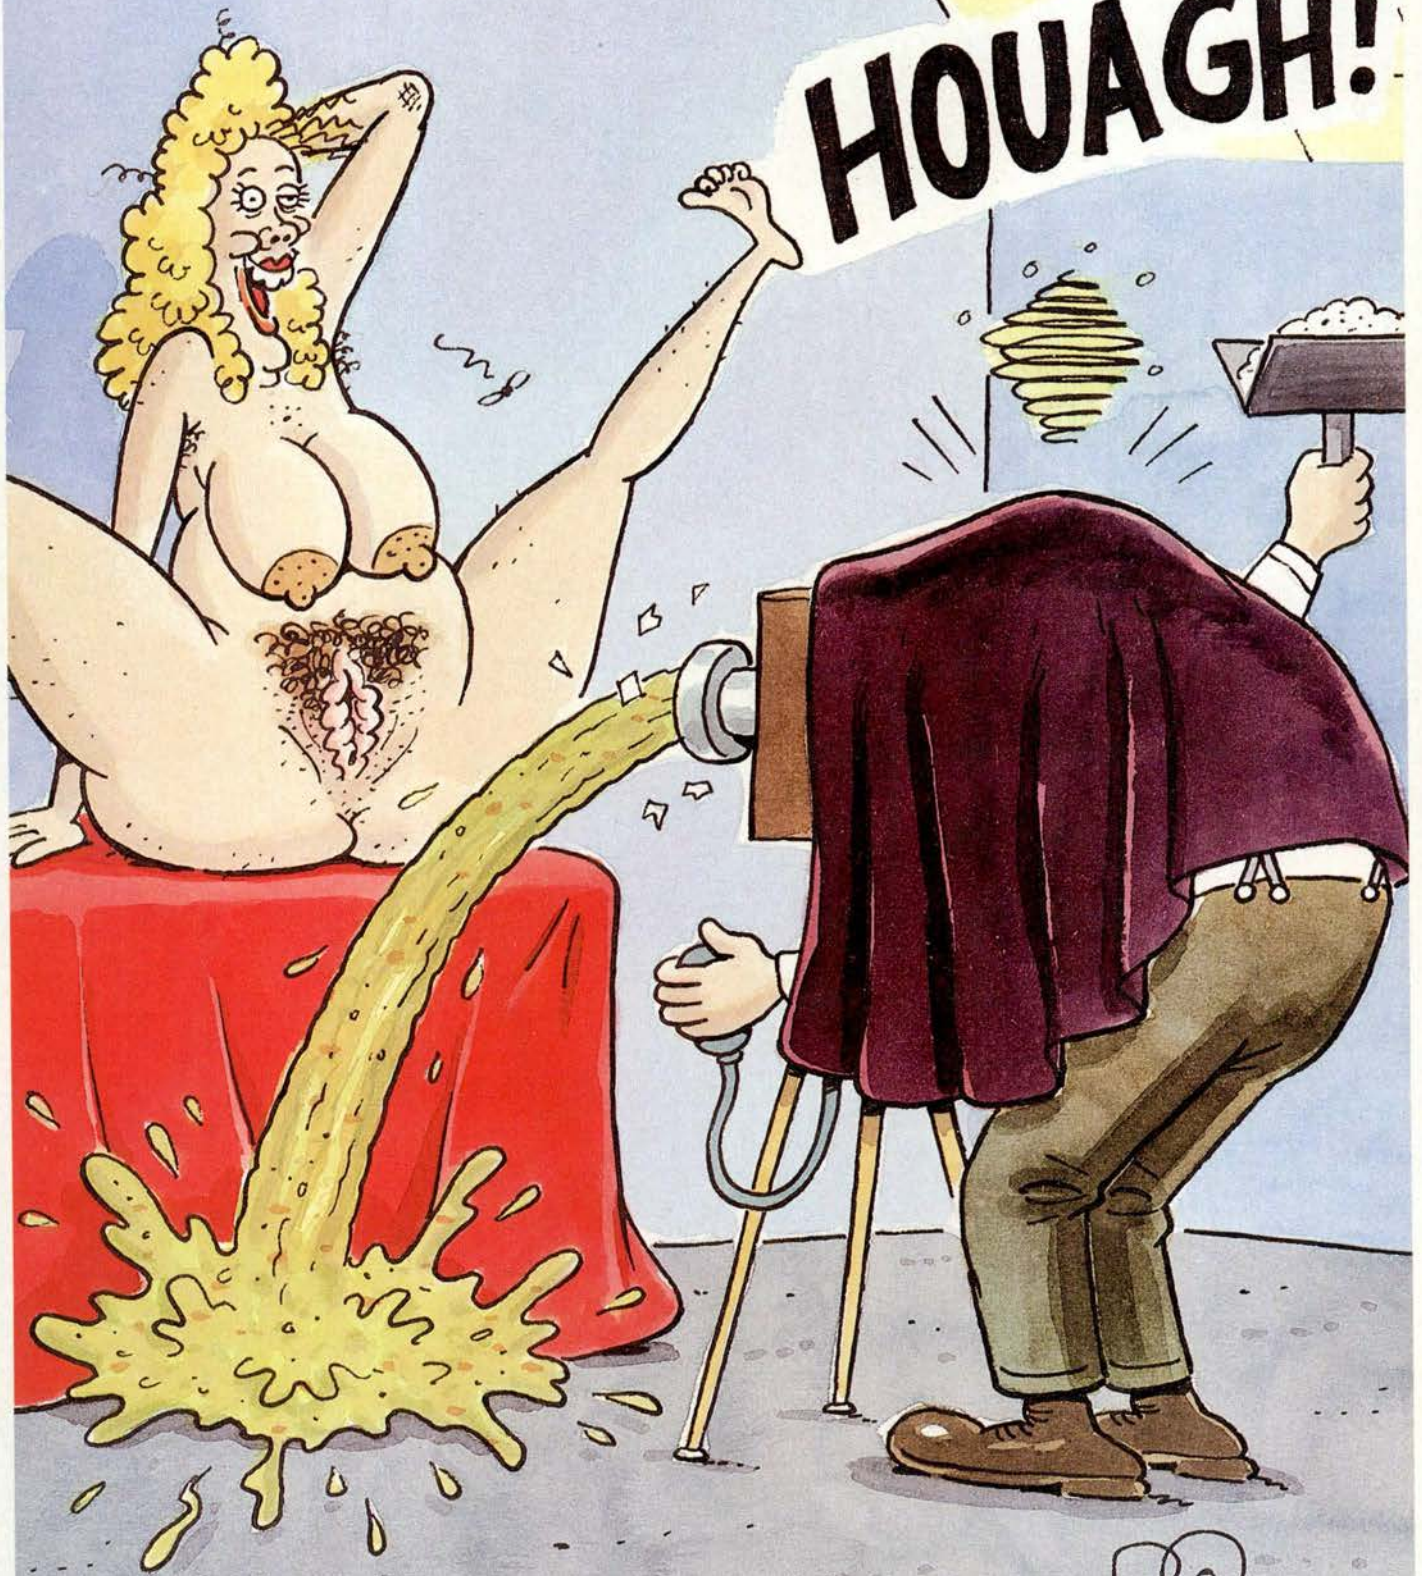

The bathroom was pink.

The white wicker wastebasket caught his eye. It was filled to the brim. Cautiously, he searched through the refuse. He pulled out an empty toilet-paper roll, used tissues, ass wipettes,

"Bark for me, doggie," said Leah.

Here's how 19-year-old, junior-college cheerleader Cheri from Thousand Oaks, California, gets her custom engine purring: a hot body-wax and a spit-polish. Rubbing every inch from hood to bumper, Cheri doesn't stop until her cherry Chevy glows. Her reward comes after the shine. "It's ready," smiles the classic-model girl-next-door. "Let's drive it!"

"As long as you are in this house, Mistress Leah will control your sperm dispersions. If you try to jack off, the spikes will dig into you so hard, you'll have to bleed in order to come."

"Bark to show appreciation for the food I am about to give you."

Jeff laughed. "Bark, bark," he said.

Leah stomped her feet. She was seriously angry. "That's not how a dog barks! Play your part properly, or get kicked in the ass with these heels."

She aimed treacherous-looking black stilettos at him, silver tips on the toes.

"Woof, woof," he barked with gusto.

"Good boy," she allowed. "Now kiss your mistress's boots, for they did not hurt you."

Jeff gladly obliged, bending low to peck the tops of her boots.

"I can't hear you kissing," Leah complained.

Jeff wetted his lips to get a loud effect. Gazing up at her, his eyes implored like a dog anxious to please.

I'm going to fuck this broad before the night is out, he swore to himself.

"Very good," she praised him. "Here's your dinner."

Unlike hungry dogs that dive into their food, Jeff looked at his grub without interest. Peaches and low-fat yogurt lay in a mess.

"I hadn't planned on starving," he said. "I still don't."

"You're fat around the middle," replied Leah. "This is your new diet."

"I need something like meat, you know," said Jeff. "Don't dogs usually get meat?"

Quick as a whip she stood and kicked him in the ass with her silver-toed boot. It stung enough; he knew it would leave a bruise.

"I warned you that the next time you said 'you know,' I'd hit you," said Leah.

"What the fuck," muttered Jeff, stunned.

"Don't pout," she scolded. "Come smell my feet like all dogs do. When I remove my boot, sniff my foot."

The kick on his ass temporarily knocked Jeff's brains out. Without thinking, still on hands and knees, he obediently sniffed the underside of her foot. While he snuffled, Leah patted his head.

"I think I shall give you a doggie treat," she declared. "The next way for you to perfect your role as a dog is to smell my ass like all dogs do."

Leah stood, turned and raised her dress. She was not wearing panties. She pushed her round, ripe bottom into Jeff's surprised face.

She squeezed his nose in the center of her crack. Suddenly enveloped with her essential sex, Jeff could no longer control himself. He yanked his dick with one hand and dug his tongue between her ass cheeks.

Leah spun away.

"Did I give you permission to lick my ass?" she demanded. "That will cost you three demerits. Added to the one demerit you earned when you barged into my house, that comes to four. When you have a total of ten demerits, we will have an evening of punishment. That is, if you last that long."

"What do you want me to do now?" begged Jeff, strangely discovering that he was prepared to do whatever she asked, just as long as he could be near her, to see and smell her.

"Tomorrow will be a long day," predicted Leah. "I suggest we prepare you for bed. Cot, actually." She smiled like an innocent girl. "You should be happy I have a blanket and pillow for you. Take them. Make up your cot, use the bathroom and take off your clothes."

Jeff obliged with an increasing hard-on. Upon finishing his chores, he welcomed Leah to his bedroom and didn't bother to conceal his hard cock. She was naked underneath a flimsy satin robe. She slipped her hands into a pair of soft kid gloves.

"You must be tied down for your first night here," she informed him softly.

"No," protested Jeff. He wanted to touch her with both hands.

"I said yes," smiled Leah.

With a flourish she produced a pair of handcuffs, rapidly placing one end around Jeff's left wrist and the other around a metal ring in the cot.

"What if I have to go to the bathroom?" asked Jeff. Leah's robe fell open. Another stiffening flash of stiff nipple.

"And there's one other minor detail," said Leah, ignoring his query. She pulled a mysterious object from the pocket of her robe: a hand-size leather pouch with a small, leash-like collar around its opening. Attached to the collar was a tiny padlock. A zipper ran down the center of the sack, part of which was rounded; another portion included a long, lined chamber.

Unzipping the leather pouch, Leah held it open for Jeff to see the interior.

"See these prickly spikes?" taunted Leah. "What do you think those little needles are for?"

G. DeCatin.

Cali doesn't seem satisfied with being the world's number-one distributor of cocaine. The cartel has presently made Colombia the world's number-three exporter of heroin, charges the DEA.

chief with the New York Drug Enforcement Task Force, is one of the few experts on the Cali Cartel. Mockler describes Santacruz's rise to Cali overlord: "Chepe loved to party; he liked to drink; he was a ladies' man.... Chepe loved money; he loved power; but even more, he loved excitement. He had a team of lawyers representing Cali's people. He knew the names of the agents who were working against him. He studied their trial testimony to learn their tactics and adapted his organization to defeat their methods. He enjoyed playing cat and mouse with DEA agents. He enjoyed taunting me."

The dons just below Santacruz in the Cali hierarchy are the brothers Gilberto and Miguel Rodriguez Orejuela. Gilberto Rodriguez is nicknamed "the Chess Player" because of his calculating style. He owns a considerable number of business concerns in Colombia, including car dealerships, banks, radio stations, apartment buildings, Cali's soccer team and Colombia's most numerous pharmacy chain.

Gilberto Rodriguez's eldest son,

Jamie Fernando, is a graduate of the University of Grenoble in France, with a degree in international commerce. Two other sons attended Stanford University in California, and a third is studying systems engineering at Oklahoma's Tulsa University. In addition, his eldest daughter has completed a master's degree in business administration.

Miguel Rodriguez, who reportedly operates exclusively on the legal side of the Cali organization, is the Cali don with the lowest profile. He allegedly oversees the laundering and investing of the cartel's drug money, according to Colombian investigative journalist Fabio Castillo, author of *Jinetes de Cocaína* [*Jockeys of Cocaine*]. Castillo reports that Miguel Rodriguez once hired a public-relations consultant to improve the cartel's corporate image among Colombia's business community.

Supporting the Rodriguez brothers are several lesser dons: Pacho Herrera, a wealthy rancher with business interests in New York; Ivan Urdinola Grajales and his younger brother, Fabio, cattle-men and landowners; and Jaime Raul

Orejuela Caballero and his three brothers, who often travel to New York and Los Angeles, where they have business offices. New York has been Cali's U.S. stronghold since the mid-1970s, when Gilberto Rodriguez sent Fernando Giraldo Soto, a close boyhood friend, to that city to develop the cartel's Colombian-American contacts in the borough of Queens. From 1976 to 1979, Giraldo enlarged and streamlined the New York connection.

Colombia's attorney general, Gustavo de Greiff, suspects that Cali drug money has corrupted 90 percent of the country's legal institutions. Officials do not deny that the cartel's intelligence network has infiltrated the highest levels of government. Police complain that Cali seems to know every move in the official war on drugs before it is made.

In June 1993, Colombian police arrested a retired national police captain who was the suspected chief of security for the Cali Cartel, but he escaped with the aid of a fellow prisoner. Three months later, the government fired one of its highest ranking security officers for allegedly working for the cartel.

In October 1993, de Greiff fired another top aide involved with sensitive drug investigations after evidence surfaced directly linking him to the Cali Cartel. The official, Guillermo Villa Alzate, was the director of the investigative police and the highest-ranking official to be dismissed over drug links in the past year.

"[The Cali organization] is much more astute than the Medellin Cartel," concedes Fernando Brio Ruiz. "It has vast economic power, and it knows how to use it."

No one should know more about that than Brio, say many Colombians. "For a long time, many people, including Pablo Escobar, suspected that Brio's predecessor [Miguel Maza Marquez] didn't pursue Cali as vigorously as Medellin because Maza was on Cali's payroll," complains one Medellin family member.

The Cali Cartel may have a reputation as *los Caballeros* [the gentlemen] of organized crime, as some Colombian officials refer to the organization, but Cali can be as ruthless as any other mafia when it is crossed.

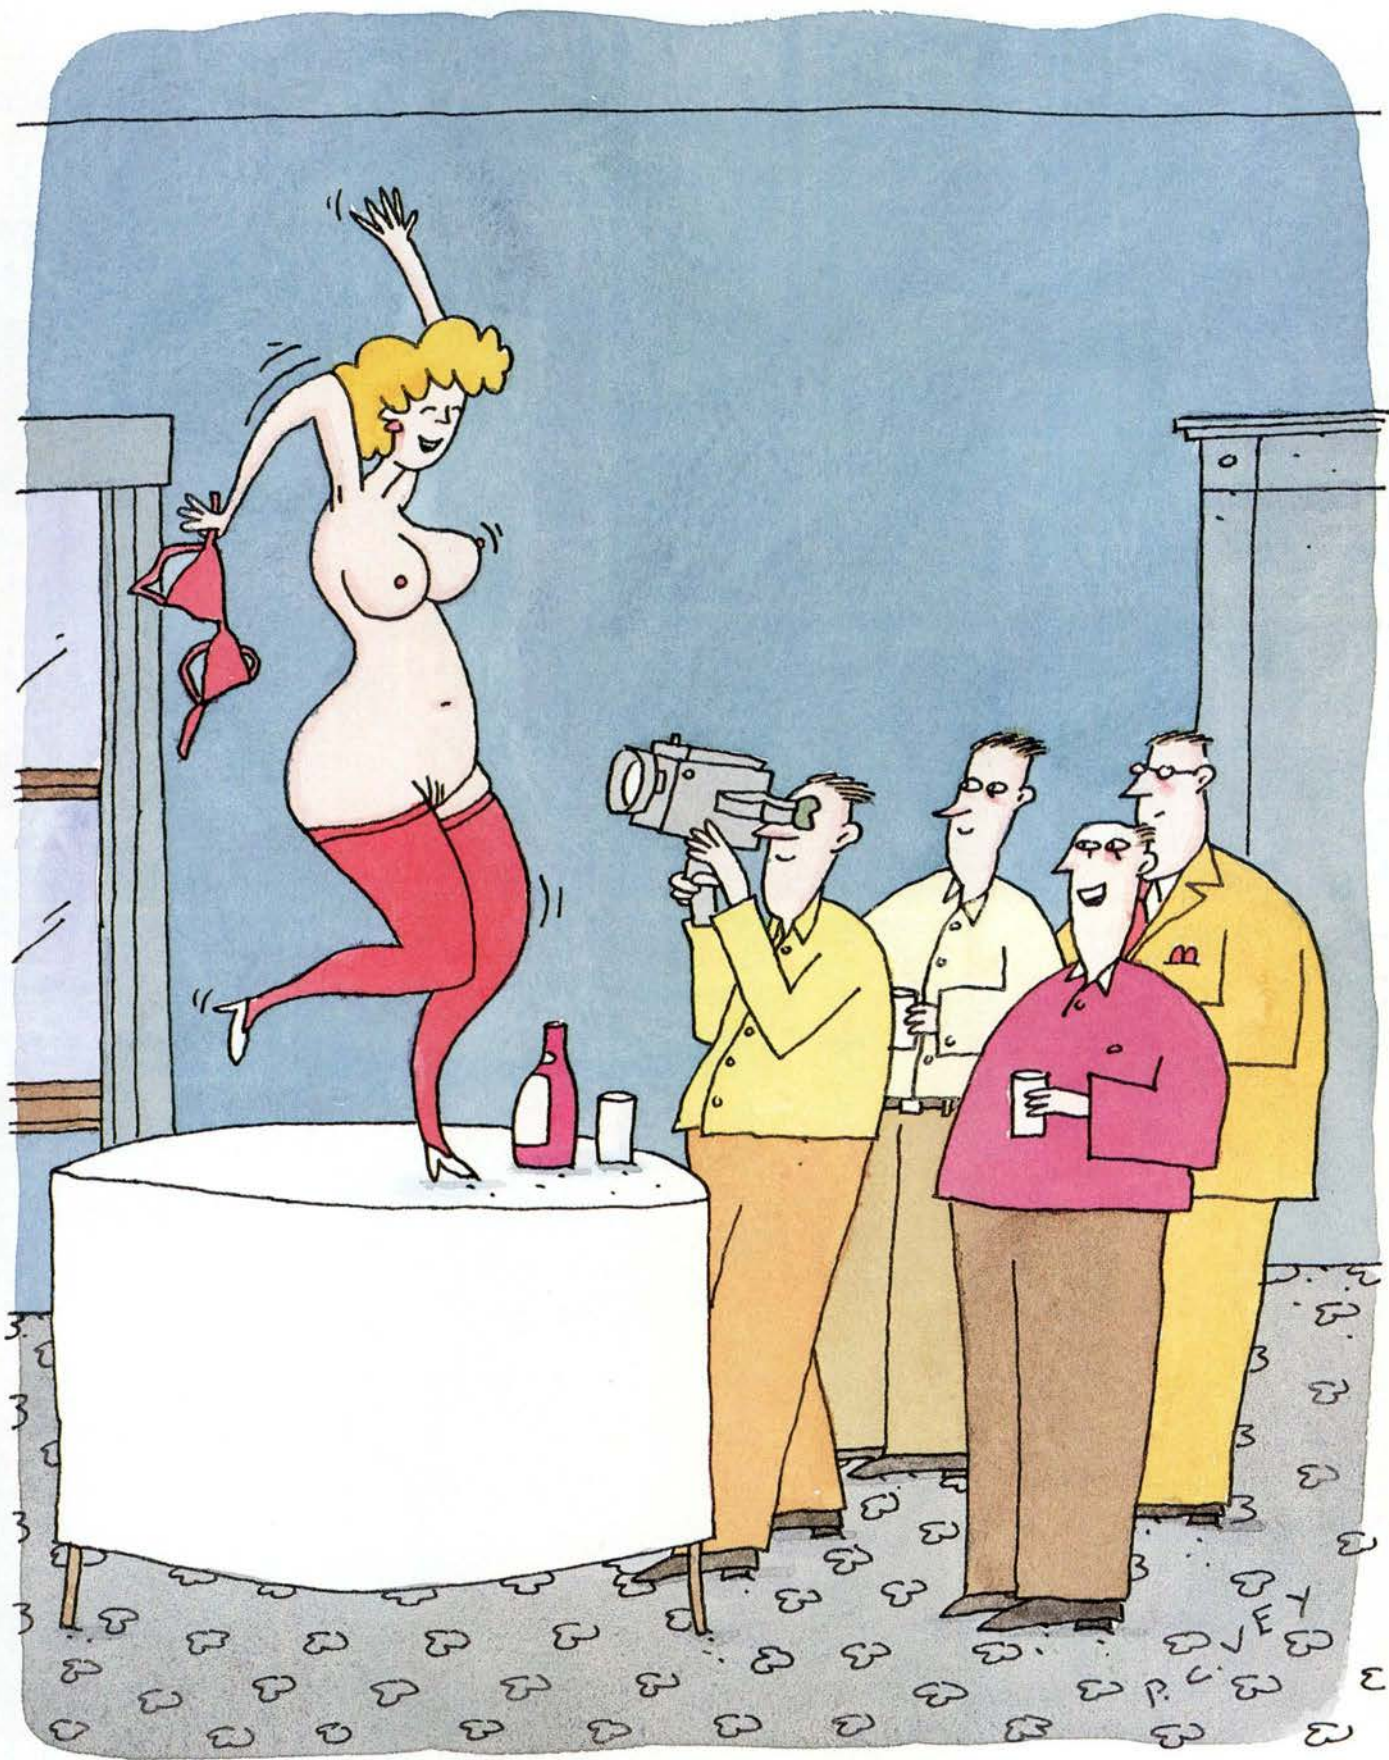

"[Cali hoods] are smart—the authorities never seem to find the bodies," observes one Bogota-based journalist. "And the ones they do find seem to be floating in the river, away from Cali."

Allegedly, the Medellin Cartel killed scores of unfriendly journalists in Colombia, but shied away from elimi-

Jodie's a flexible girl. This stunning, 26-year-old secretary from Burlington, Vermont, is equally adept at skiing, hiking and working out. She'd love to have sex in a supermarket during peak hours. Then again, so would most box-boys.

Attention shoppers: Pink-light special in aisle eight.

Judging from this photo, Wareham, Massachusetts, has some stunning peaks and valleys. This prime piece of property is named Robin, and she's a 38-year-old store owner who digs sex, crafts, sex, hiking and sex. Oddly enough, her fantasy involves sex: She'd like to get it on with another woman while her husband watches.

Photo by Husband

There's no change required from this comely cashier. Shellie is her name, and dancing and modeling are two of this 20-year-old's favorite games. She hails from Raleigh, North Carolina, and would love to make love in a cold, snowy forest with nothing but a man and his log to keep her warm. Make it a slow burn, baby.

Lying around the house is a specialty of blushing Alesha. She's a housewife from Lawton, Oklahoma, who's into dancing, sex, bowling and fishing. She's only 19 years old and thus has plenty of time to fulfill a fantasy of riding naked on a motorcycle down a country road while trading skid marks with her man during a wild 69.

Photo by Husband

Imagine, if you will, a beautiful, bountiful woman who claims her hobby—her hobby—is to be a sex toy to horny men. Interested parties should call on comely Crystal when passing through Hyattsville, Maryland. This 39-year-old dancer's fantasy is "to have any kind of sex with two men at once."

Photo by Friend

For anyone who's stayed at a certain hotel in Lakeworth, Florida, darling Diana is probably the girl who rang your bell. Actually, she's a 35-year-old hotel desk clerk who relaxes by bike riding, drumming and taking walks on the beach. Her fantasy? "To be held as a sex slave over a weekend, living only off of cum and Jack Daniels." Another satisfied follower of the HUSTLER diet.

Flashing the goodies that make her a winning model, Jackie of Las Vegas, Nevada, has better tanning-sense than matching-sense, if her shoes are any indication of the latter. This 32-year-old is into traveling and partying, and dreams of making good use of both of those hobbies by flying to the beach for a night of raunchy sex.

Photo by Friend

If it's true that girls are made of sugar and spice, then this exotic dancer named Spice is full of feminine goodness. This 25-year-old honey lives and works in Hammond, Indiana, and relaxes by bowling and seeing movies. Her subtle fantasy is to have 20 men lick her inside and out. There's something about a train that's magic.

Ripe for the popping, "Luscious Chocolate" admits she gives great phone to the people of Chicago, Illinois. In reality, this 20-year-old works as a telephone operator, and her hobbies include dancing and gymnastics. In her wildest dreams, she'd be incarcerated in a men's prison and have her lock picked by a new inmate every day. Makes getting arrested sound appealing.

Houseboy

(continued from page 128)

Seated on the sunken cot, covered with an old horse blanket, Jeff opened his mouth, but no words came out.

"The spines will prohibit you from touching yourself," explained Leah. "You are not to masturbate until I say you can. As long as you are in this house, Mistress Leah will control your sperm dispersions. If you try to jack off, the spikes will dig into you so hard, you'll have to bleed in order to come."

Slowly her hand slid between Jeff's legs. As she rubbed the velvety skin of her arm against his thigh, he didn't care that she had packed his dick inside the pouch and that the leash collar had been buckled, the zipper carefully closed and the padlock latched.

"Good night," she told him, closing the door and locking the double-keyed deadbolt.

Wiggling in the darkness, Jeff inadvertently locked the handcuff around his wrist one notch tighter. The memory of Leah peeing, the double shot of stiff nipple and the heavenly line of her naked waist under the flimsy robe just minutes ago urged him to get the panty hose he had hidden in his jeans. Kneeling, he felt around for his pants with his free arm. Finally, he grabbed the scented stockings.

But the spikes within the leather pouch encasing his cock and balls prevented him from stroking himself without pin-cushion friction. Trying another position, he attempted to rub himself against the mattress. The pain was severe, as razor-sharp spikes impaled his sensitive skin.

The effort winded him. He had assumed the house was silent, but when his loud, rapid breathing stopped, he heard an angry buzzing from somewhere overhead.

Jeff remembered seeing battery-powered dildos in the bathroom cabinet. Leah and her humming friend caused his erection to push against the spikes again. "No!" he cried, exhausted. His hard-on would not subside.

The best he could do was keep himself just hard enough to feel the razor needles. They didn't lance him, but Leah kept him up for hours.

Mistress Leah Lafleur says the book-length tale of her dominatrix experience, *The Houseboy*, is the first novel written by a dominatrix. Readers interested in obtaining copies, write to Leah Lafleur, 2005 Palo Verde Avenue #214, Long Beach, CA 90815-3399. 📧

Cocaine

(continued from page 130)

nating hostile reporters in the United States. The Cali enforcers, however, appear to transcend international constraints. Manuel de Dios Unanue, a muckraking editor of the New York City Spanish-language newspaper *El Diario*, left that publication in 1990 to start a paper focusing primarily on the drug trade. De Dios made it public knowledge that he had accumulated explosive evidence that would expose the criminal dealings of the Cali Cartel.

On March 11, 1992, a gunman shot and killed de Dios in a Queens restaurant. Six people were indicted in the murder. The U.S. government charges that de Dios was killed because of his exposés of narcotics links between Colombia and the United States, and that the murder was bought in a \$20,000 contract offered by Cali don Jose Santacruz.

If the forthcoming trial leads to Santacruz's indictment for murder, it is highly unlikely that the drug lord will be extradited to the United States from his Cali base. Colombia's constitution, revised in 1992, currently forbids the extradition of citizens wanted

for prosecution in the United States.

In the meantime, the Cali Cartel keeps getting stronger and stronger, looking for new marketing opportunities and better ways of doing business.

According to the DEA, the organization is searching for sales representatives to occupy its branch offices in Japan and is reaching out to link up with the Russian mob. In May 1993, Russian police intercepted a ton of cocaine near St. Petersburg, Russia, in the largest drug bust in Russia's history. The *Russian Police Digest* quoted government insiders as saying that known Russian organized-crime figures have recently moved to New York in order to establish Colombian drug-cartel deliveries to Russia.

The Cali Cartel doesn't seem satisfied with being the world's number-one distributor of cocaine. Cali has made Colombia the world's current number-three exporter of heroin, according to the DEA.

Stopping the Cali juggernaut may pose the biggest challenge law-enforcement officials have ever faced.

Says DEA administrator Robert Bonner: "The Cali Cartel is the most powerful criminal organization in the world. No drug organization rivals it today or perhaps in history." 📧

Today, people are interested in improving the quality of their lives and exploring their own sensuality with options from the Xandria Collection.

The most important aspect of satisfaction is trust. Trust us... thoughtful consideration goes into each product in the catalogue. Quality, value, and sensual appeal are all important elements, as are you, the customer.

What is the Xandria Collection?

It is a very, very, special collection of sexual aides which can provide a new and entirely positive source of pleasure. It includes the finest and most effective products available from around the world.

Our products range from the simple to the delightfully complex. They are designed for the timid and the bold.

The Xandria Collection has a unique three way guarantee—

First, we guarantee your privacy.

Everything we ship is plainly packaged and securely wrapped, with no clue to its contents from the outside. All transactions are strictly confidential, and we never sell, rent or trade any customer's name.

Second, we guarantee your satisfaction.

If a product seems unsatisfactory, simply return it for replacement or refund.

Third, we guarantee that the product you choose will keep giving you pleasure.

Should it malfunction, simply return it to us for a replacement.

The Xandria Gold Collection is a tribute to closeness and communication. Celebrate the possibilities for pleasure we each have within us. Send for the Xandria Gold Edition Catalogue. Its price of \$4.00 is applied in full to your first order.

Write today. You have absolutely nothing to lose, and an entirely new world of enjoyment to gain.

**The Xandria Collection, Dept HU0794A
P.O. Box 31039, San Francisco, CA 94131**

Please send me, by first class mail, the Xandria Gold Edition Catalogue. Enclosed is my check or money order for \$4.00 which will be applied towards my first purchase. (\$4 U.S., \$5 CAN., £3 U.K.)

AFTER MORE THAN 20 YEARS... THE ORIGINAL SUPRA-12 PENIS ENLARGER

**OVER
3 MILLION
SATISFIED
CUSTOMERS**

**YOU CAN ENLARGE, THICKEN
& HARDEN YOUR PENIS TO IT'S
MAXIMUM! HAVE ERECT MEASUREMENTS OF 9, 10, EVEN 12
FULL INCHES!**

Is the size of your penis bringing you down? Want to "hang out" where the big boys do? In the neighborhood of nine, ten, eleven inches or more? Then wrap your fist around this hot new package offer which includes the very latest in vacuum pump design and the world's first "personal trainer" video on penis enlargement!

DESIRE IS NOT ENOUGH

The world is literally full of men who have tried to increase their genital measurements - and have failed miserably. The secret of success lies in personal professional instruction such as that supplied by our SUPRA-12 SYSTEM. Here in step-by-step easy to see and understand techniques you will be guided on the path to success! Now, with a simple device you can follow in the footsteps of over 3 million men who have proven that there is a way to **INCREASE PENIS SIZE** and

THICKNESS! A safe and proven natural way to add inches to penis length and thickness.

HOW CAN THE SUPRA-12 VACUUM ENLARGER INCREASE PENIS LENGTH & THICKNESS?

The male erection results from the flow of blood (triggered by stimulation) into hollow chambers inside the penis. As these chambers fill, the penis grows in diameter and length until the chambers are filled to capacity. By increasing the capacity of these chambers (making them bigger), they can hold more blood and the result will be a **LONGER, THICKER PENIS**. The SUPRA-12 Vacuum Enlarger is the very zenith of technical perfection - the latest in design and comfort - nothing short of "miraculous" in the way they allow you to **ACTUALLY SEE YOUR OWN PENIS** grow inside the clear, picture window sleeve. Immediately you'll see just how really **BIG**... how really **FAT**... how **LONG**... how **HARD** and **STIFF** your own penis can get!

SUPRA-12, THE "ROLLS ROYCE" OF VACUUM ENLARGERS.

These sophisticated instruments are by far the state of the art in penis enhancing machinery. The **HEAVY DUTY MANUAL** model is a finely crafted precision instrument designed to create the vacuum needed to make the male organ **LONG** and **THICKER**. And for the connoisseur, the powerful **ULTRA DELUXE ELECTRIC** model (U.L. approved) is equipped to give you continuous even sucking power until you shut it off! The **ULTRA DELUXE ELECTRIC** is perfectly safe and as quiet as a whisper.

Accept no substitutes!

YOU OWE IT TO YOURSELF... TO YOUR SEX PARTNER... TO YOUR SELF-ESTEEM... JOIN THE COUNTLESS OTHER MEN WHO STARTED OUT "AVERAGE" OR "BELOW AVERAGE", AND LEARNED ALL ABOUT MAKING A "BIG" IMPROVEMENT IN THEIR SEX LIVES!!

**NEW, IMPROVED
ELECTRIC MODEL**
Plug-in electric pump provides constant vacuum you control! Complete vacuum occurs gradually for safety and provides relentless vacuum without any physical effort. Ultimate in vacuum pump luxury!

"The quality remains long after the price is forgotten."

4 GOOD REASONS YOU SHOULD OWN THE ORIGINAL SUPRA-12 SYSTEM!

1. We must be doing something right! Over 3 million customers have been satisfied with SUPRA-12.
2. The original and oldest in the field (over 20 years). Every pump made in the U.S.A.
3. The only pump made with our exclusive (patent pending) SUPRA-VALVE... for superior vacuum and suction.
4. The only affordable, quality electric pump available in the world!

SCOTT TAYLOR TAKES YOU STEP-BY-STEP AND SHOWS YOU HOW TO ENLARGE YOUR PENIS!

He'll show you what phenomenal increases he has made in both the length and diameter of his penis. See photos above. This video tape is a full color, detailed, step-by-step explanation by Scott of what you need to know to increase your own genital size.

- ★ **FULL DEMONSTRATION BEFORE YOUR EYES! ANSWER ALL YOUR QUESTIONS!**
- ★ Find out exactly what is happening to your penis to make it grow longer and thicker!
- ★ Discover what the enlargement process really feels like!
- ★ Find out how big you can expect your penis to get!

SMALL PENIS?

ERECTION PROBLEMS?

LINGA-100 is the pure, natural laboratory blend designed to actually enlarge the penis and induce & maintain multiple, long term erections. LINGA-100 allows a more intense, deeply satisfying male climax while developing sexual power, physical strength and mental awareness. LINGA-100 was developed by top Swiss scientists involved in natural sex hormone research. Thousands of European men have experienced dramatic results. Impotency overcome. Increases in organ size of one-to-two inches not uncommon. LINGA-100 is perfect for the older man's problems. Studies reveal women definitely consider the penis as the real measure of the man. Let LINGA-100 increase your sexual power and size. Only \$9.95 plus \$1 p/h. Order now!

THE BEST PUMP AND INSTRUCTIONAL VIDEO AND MAGAZINE!

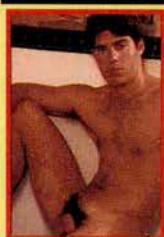

PENIS ENLARGEMENT

SUCCESSFUL RESULTS for 20 years with more than 3 million men!!

SEE SPECIAL OFFER BELOW

INCREASES UP TO 3 INCHES!
ERECT MEASUREMENTS UP TO 12 INCHES OR YOUR MAXIMUM POTENTIAL!

Use the pump that's used by more XXX video stars for peak performance!

Used by men of any age, any height or weight- for a longer, thicker, harder penis.

To reach your maximum potential you must have the BEST Pump... the BEST Instructional Video or magazine... and one more bonus: THE BEST PRICE!

WHAT IS THE BEST PUMP?

First of all, a quality pump constructed of the finest materials tested and tried and used successfully for over 20 years. Our pump will give your penis increases in length and diameter you've never dreamed possible. Up to 10 inches, even 12 inches... or your maximum potential. And you'll see this dramatic increase in size grow right before your very eyes through the clear view housing!

OUR PUMP IS THE SAME TYPE OF PUMP PRESCRIBED BY DOCTORS THAT SELL UPWARDS OF \$500 TO HELP MEN PRODUCE AN INSTANT, DYNAMIC, ROCK-HARD, THROBBING ERECTION!

THE BEST STEP-BY-STEP INSTRUCTIONAL VIDEO AND MAGAZINE!

Okay... suppose you do have the BEST pump money can buy- but now what do you do with it? Do you know how to use it properly? This is important! Our BEST instructional video tape and magazine shows you, step-by-step, how to harness the energy of our powerful penis enlarger- and we do mean POWERFUL! Much more than any pump available at any price! The BEST instructional video tape and magazine are easy to follow and guarantees you will understand how to use our pump. They were produced for the sole purpose of ensuring your immediate success with a longer, thicker, harder penis.

From the moment you begin using our penis enlarger you can expect dramatic increases up to 3 inches, and reach your maximum potential with a rock-hard, throbbing penis that will allow you to penetrate your sex partner deeper than ever before!

HOW ABOUT THE PRICE?

Let's face it, when you decide to purchase an effective penis enlargement pump to increase the size of your penis, the most important thing to you is the quality of the pump itself. So while instruction in its correct use- through a video or magazine- is important, the cost of the tape is still less than that of the high quality pump that we're offering. Ask yourself how other companies can charge \$25 or more for their package... and \$20 of that price is for the tape! Does that mean you're going to trust your penis to the quality of a \$5 PUMP?! Do yourself a favor, don't take chances. Our pump is the BEST available, and that's why we're almost giving the tape (or magazine) away to prove it! We want you to enjoy every potential of your sex life... not ruin it with a \$5 pump. We think you'll agree with us that our system is the only one you can feel confident with. We wouldn't sell it if it wasn't. Remember, we offer successful results for 20 years with more than 3 million men!

CAUTION: We do not offer an electric model. Electricity with liquid, gels or perspiration should not be used together. You need superior stroking action to increase penis size, not an ordinary vibrating massage unit.

- ☐ BEST Deluxe Pump with FREE Video \$24.95

Sexual Aides

How to order them
without embarrassment.
How to use them
without disappointment.

If you've been reluctant to purchase sensual aides through the mail, we would like to offer you three things that might change your mind.

1. We guarantee your privacy. Everything we ship is plainly and securely wrapped, with no clue to its contents from the outside. All transactions are strictly confidential, and we never sell, rent or trade any names.
2. We guarantee your satisfaction. If a product is unsatisfactory simply return it for replacement or refund.
3. We guarantee that the product you choose will keep giving you pleasure. Should it malfunction, simply return it to us for a replacement.

What is the Xandria Collection?

It is a very special collection of the finest and most effective sexual products from around the world. It is designed for both the timid and the bold. For anyone who has ever wished there could be something more to their sensual pleasures.

The Xandria Gold Collection...celebrates the possibilities for pleasure we each have within us. Send for the Xandria Collection Gold Edition Catalogue. Its price of \$4.00 is applied in full to your first order.

Write today. You have absolutely nothing to lose. And an entirely new world of enjoyment to gain.

The Xandria Collection, Dept HU0894B
P.O. Box 31039, San Francisco, CA 94131

Please send me, by first class mail, the Xandria Collection Gold Edition Catalogue. Enclosed is my check or money order for \$4.00 which will be applied towards my first purchase. (\$4 U.S., \$5 CAN., £3 U.K.)

CAN YOU HANDLE 4 HOT WOMEN-FOR OVER 4 HOURS?

CHRISTY CANYON in *Crazed II*

Christy's a classic all the way! From her huge, 100% real breasts to the way she's ridin' hard on her man! At large with gal pals Hyapatia Lee and delightful Melanie Moore, it's an all-points bulletin for hot sex on the run. This tape is all the evidence you need! Book 'em!

SAVANNAH in *Vow Of Passion*
 Newlywed Savannah is not reaching heights of marital ecstasy with her new hubby. See how Sav gets "in touch" with herself, with Tom Byron. Spend one minute with this busty blonde beach babe, and you won't believe your eyes!

The Superstars of Sex VIDEO COLLECTION:

RAQUEL DARRIAN in *Raquel Released*

Slim, large-breasted, firm-reared Raquel is perfect. She's everyman's bar pick-up fantasy, she's The Belle Of The Ball at an orgy, and at home. So hot, our reviewer had to have a cigarette when it was over!

HYAPATIA LEE in *I Do 3*
 Hyapatia is the ultimate Other Woman. In a scorching three-way, willowy girlfriend Kim Wilde helps Hyapatia with her man-lovin', and hungrily shares in the erotic pay off.

NEXT MONTH IN HUSTLER

September **HUSTLER** on sale July 5, 1994

ROCKET SCIENCE

HUSTLER in September aims for the moon and hits the molten mons of Venus. Chart the golden manes and red tails of two nip-lipping biker babes fresh off the hot seat of a hard-ridden hog; navigate the freshly scrubbed poles of a nature-hugging honey cooling her summer-scorched globes in a backcountry barnyard bath; map the prize thighs of an exotic, jewel-draped high-flier flashing tits and slit from a heaven-bound helicopter miles above the Hollywood Hills; examine a baby-faced doll with supermodel looks in a bed-wetting crib-and-bib fantasy; and delve into the practiced pokes of an Asian, tattoo-parlor harlot swinging a mean trick on a teen prick. **HUSTLER** in September does it all by hand. Get a grip.

PRESCRIPTION FOR PLEASURE

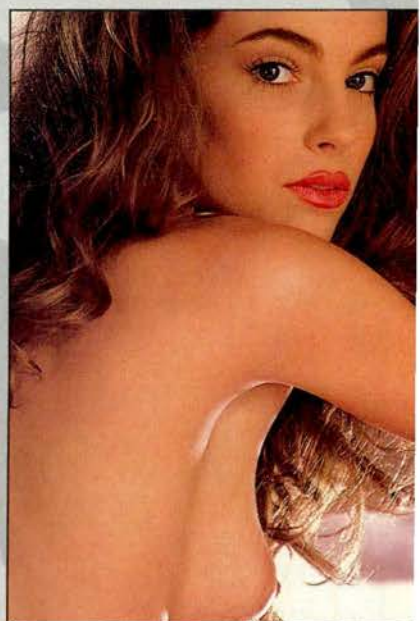

In September 1993, a federal judge sentenced 79-year-old Mildred Kaitz to six months' probation for growing marijuana at her home in Montecello, New York. The grandmother of three wasn't a typical dope rancher: Kaitz harvested the herb to serve as an appetite enhancer for her ailing 49-year-old son, stricken with multiple sclerosis. Although marijuana has long been known to alleviate the debilitating effects of glaucoma, as well as the nausea, headache, muscle spasms and cramps caused by a variety of physical ailments, the Federal Controlled Substances Act classifies the drug in the Schedule I category, meaning that it has no recognized medical value or applications. Medical-marijuana proponents maintain that those suffering from diseases for which there are no acceptable medical alternatives should have their choice of therapy in the hands of physicians rather than the Drug Enforcement Administration. As writer Don Vaughan reports in *Hemp for Healing*, evidence suggests that pot is beneficial in treating arthritis, anorexia, head injuries, epilepsy, migraines, sickle-cell anemia and stress disorders.

SWAT IN THE HOOD

Imagine waking up in a cheap motel, drawing aside the curtains and seeing hundreds of SWAT members outfitted in Kevlar vests and paramilitary gear. Welcome to the SWAT Round-Up, the largest gathering of elite law enforcers in America. Dozens of SWAT teams from Los Angeles to South Florida congregate yearly to negotiate obstacle-and-shooting competitions, attend seminars conducted by international tactical experts and peruse state-of-the-art ordnance and accessories. Writer Adam Parfrey tours the world of Special Weapons and Tactics in *Neighborhood SWAT*, a down-home entry in the annals of super-violent police intervention methodology.

IN AND OUT

Erotic Entertainment charts what's up and what's down on the blue screen according to the lap-meters of America's hardest hump hobbyists; *Hot Letters* posts a smattering of spews-letters; *Beaver Hunt* shoots what comes and shares the muff; and *Bits & Pieces* finds the missing link in toilet humor. September's **HUSTLER** is paper with a pulse. Beat it up.
