FARTS and PEEVES

ASSHOLE OF THE MONTH

It takes a special bung-hole to shove his sphincters into the public eye, and then cry foul when the public scrutinizes his private parts. Extra-special turd ring George Clooney is that hypocritical, desperate-for-attention shit valve—so special and fecal that he earns universal acclaim as HUSTLER's Asshole of the Month for March 1997.

Between 1984 and 1993, actor George Clooney appeared in 15 failed TV pilots and was a regular on network embarrassments *Bodies of Evidence*, *Sunset Beat* and *Baby Talk*. Clooney characterizes much of the work that made him "the world's richest unknown actor" as "bad television." He is currently employed as a make-believe doctor on NBC's beefcake drama *ER*.

In an interview last year, Clooney gave his ideal epitaph, should he be hit by a bus and killed, as, "He crammed a shitload into 34 years."

Despite the crows' feet, eye bags and gray hair of a faggot in his fading 40s, Clooney now claims to be 35 years old. He has crammed a load of shit into each of those years, more shit than he can contain.

Clooney's crap has oozed out in the form of a protest against cameramen who make their living by taking pictures of movie stars and selling those pictures to tabloid TV.

The dominant effort of Clooney's life has been a striving that created the demand for his face on TV programs such as *Hard Copy*. He has toiled seven days a week for months on end so that his image might smirk and scowl from magazine covers throughout the land. He has

labored long and hard in foisting his smug mug on any hapless citizen who inadvertently turns on the news or shops at a grocery store.

Despite his nonstop bombardment of self-promotion, Clooney squeals that his privacy was violated by a 75-second glimpse of him and his girlfriend on a movie set. The segment was aired by the fluffy television show *Hard Copy* despite an earlier agreement that Clooney would not be featured on that show.

In February '96, responding to unauthorized publicity he had received on *Hard Copy*, George fired off a huffy letter to *Entertainment Tonight*, saying, "I can't in good conscience do interviews for one faction of a company while the other is

making a profit at my expense."

Celebrity stroke-a-thon *Entertainment Tonight*, like *Hard Copy*, is owned by Paramount Domestic TV. In response to Clooney's *Hard Copy* complaints, Frank Kelly, president of Paramount TV Group, wrote to Clooney, promising that, "We agree that *Hard Copy* will not be covering you in any future stories" in exchange for Clooney's continued appearances on *Entertainment Tonight*.

Clooney insists that a *Hard Copy* story "about my girlfriend and me" violated Kelly's promise. "He broke our deal," ranted Clooney in a pissy missive to Linda Bell Blue, executive producer of *Entertainment Tonight*. "So now we begin. Officially. No

interviews from this day on. Nothing from *ER*, nothing from *One Fine Day*, nothing from *Batman and Robin*, and nothing from Dreamworks' first film, *The Peacemaker*."

Does this mean less Clooney on the airwaves? No such luck. "These interviews will be reserved for all press but you. *Access Hollywood*, *E!*, whoever."

George ends the note: "Maybe other actors will join me," inviting America's most coddled elite to portray themselves as downtrodden victims.

Clooney, a nephew of singer Rosemary Clooney and son of "the Johnny Carson of Cincinnati," grew up around fame. He understood perfectly well, from experience and observation, the rigors of life lived beneath the magnifying lens. Open-eyed, he pursued stardom for years and years. "I'm not complaining," he complains.

Clooney claims he has no beef with conventional paparazzi. His bitch is, he says, against the "stalk-erazzi," a breed of practical jokers with Handycams: "Sixteen-year-old kids running around with video cameras who will say, 'Who is the fat girl you are with?' And you say, 'What did you say?' Then they sell that story to *Hard Copy* or whatever."

That Clooney, who claims that he "gets the joke," is offended by such juvenile shenanigans is ironic in light of his own reputation for humor at the expense of others. Clooney reportedly took a big shit in a friend's cat box to amuse himself. Yet he seeks to deny the rest of us a view of the Asshole he is?

Jonathan Schmitz: What kind of a no-life dolt volunteers to appear on a TV talk-tabloid show about secret admirers? The same type of loser who needs a shotgun to deal with a gay man who has a crush on him. Schmitz, 26, admitted that he shot Scott Amedure, 32, twice on March 9, 1995, three days after the two taped a segment of the *Jenny Jones*

Farts in the Wind

show, in which homosexual Amedure revealed himself to be Schmitz's "secret admirer." Schmitz will likely be sentenced to prison, a place full of secret admirers for such an Asshole.

John Ensign: Little is known about Representative John Ensign (R-Nevada): He's a former casino manager who won his

first term to Congress in 1994. His campaign was largely based on the Republican Contract with America. Ensign received support from Nevada Families, an organization similar to the Christian Coalition. He sponsored a rider that effectively bans sexually explicit materials within the Bureau of Prisons. And he's a minor Asshole.

De Most Generes Offer Ever

The gay old entertainment industry is aflame with rumors that Ellen DeGeneres will have an out-of-the-closet experience on her television show, *Ellen*. Please, degenerate DeGeneres, declare your onscreen character a dyke so that *Bits & Pieces* can offer you a slice of free pussy...and pay you \$1,000 to eat it in the lesbo layout of a lifetime. You must be tired of munching that same old rug, Ellen; chow down in the pages of HUSTLER!*

*Offer does not apply to Rosie O'Donnell or Paula Poundstone.

MOST TASTELESS CARTOON

"And he was worried about being typecast as *Superman*!"

Porn From the Past

Judging from photographic evidence, the past really sucked—at both ends. No wonder Grandad's mustache was so curly.

R. Juszczuk is no sucker; he receives \$150 for this submission. Send old-time filth to HUSTLER's Porn From the Past, 8484 Wilshire Boulevard, Suite 900, Beverly Hills, CA 90211. Include a self-addressed, stamped envelope if you want the material returned.

EXCRETAL LYRICS

ALANIS MORISSETTE

Alanis Morissette's debut album, *Jagged Little Pill*, became 1995's top seller, although no noncastrated male would be caught dead with a copy. Why? Because Morissette makes her millions screeching about life as a sick, twisted, man-hating cow who blames ex-boyfriends for all her problems. Just try and determine which of the following lyrics are *not* from an actual Alanis shit single.

♪ "Isn't it ironic/That I'm slashing my wrists and blaming you?/Don'tcha think?"

♪ "You oughta know/That I'm shoving poop in my cunt."

♪ "Got one hand in my pocket/And the other one squeezing my father's dick/Which I bit off."

AD PARODY. NOT TO BE TAKEN SERIOUSLY.

Six months ago, she seemed like a catch. She made breakfast every time she spent the night. And she agreed to go see *Sorority Chainsaw Slaughter XII* instead of *The Bridges of Madison County*.

Then, one morning, the sun rose to illuminate an awful possibility: She might be ugly as sin. But how can you know? After all, she's sucking your dick.

Now there's a quick, accurate

way to learn if that bimbo you've been bedding is a bowwow. Check the following warning signs and avoid the embarrassment of chewing your own arm off to escape a homely honey.

The Newly-Dead Game

Come on down...off that noose! Ray Combs, host of the popular game show *Family Feud*, hung himself last June, leaving behind a wife and six kids in six-figure debt. He also left behind a great idea for a far more exciting program: *Dysfunctional Family Feud!* This week, talk-show exhibitionist Drew Barrymore faces off against her estranged mother, Jaid, who has disrobed for *Playboy*. P-80 EIGHTY PROOF

Attention, incarcerated HUSTLER subscribers! Richard Davis is the convicted killer of 12-year-old Polly Klaas. Davis made headlines in the courtroom when he smirked, flipped off the news cameras and hurled vile accusations

at Polly's bereaved father, Marc Klaas. HUSTLER believes that convicted criminals should be warned about the presence of a true scumbag, such as Davis. Hang this CHILD MOLESTER ALERT in a visible part of the cell block.

NOT A PARODY. TO BE TAKEN SERIOUSLY.

A Fucking Frantastic Fanny

HUSTLER is always booty bound to call attention to a great ass. Sometimes, however, the owner of that tush does the dirty work for us. Caboose in point: Fran Drescher, star of the brainless sitcom *The Nanny*. As her choice in evening wear proves, Fran is more than willing to call attention to her Brooklyn butt cheeks. CBS should utilize that shitter to save their ratings from the crapper. Why limit Fran's ass to just one show? Here are a few suggested vehicles for the Tif-fanny network.

The Poonanny

In order to fool the federal government, sexy welfare cheat Fran paints her butt with shoe polish. Then she sits on her big, black ass and collects checks. Hilarity ensues.

The Tranny

Fran's a street-walker with an irritating voice and a 12-inch surprise for her johns. Anal intercourse ensues.

The Klanny

A wacky misunderstanding makes Fran the first yenta to become Grand Imperial Wizard of the Ku Klux Klan. To show her appreciation, she farts on burning crosses. Lynchings decline, and weenie roasts ensue.

FEED BACK

CONSUMER ALERT: When ordering merchandise through any mail-order supplier, minimize your risk of being disappointed by dealing only with mail-order merchants who accept credit-card payment and have a working phone number in their ads. Any offer that seems too good to be true is probably untrue.

Right to Buy Free Speech

I am currently in federal custody. For many years, the Bureau of Prisons allowed us to purchase *HUSTLER*, citing commonly held views that your publication was harmless entertainment and, on occasion, served a valid educational and public-affairs role. Now Congressman John Ensign (R-Nevada), under pressure from the Christian Coalition and other groups preaching intolerance, has convinced Congress to pass a law banning any publication that is "sexually explicit or contains nudity" from federal prisons. Not only is this a violation of our right to free speech and press, it is an attack on your right to fair trade and commerce. This also sets a precedent that could lead to the outlawing of publications on all federally owned lands. When and if this prohibition is repealed, you may count on me as a loyal and permanent customer.

—J. C.
Bastrop, Texas

We can only hope that the courts will strike down this latest assault on the Constitution. Meanwhile, take heart from other freedom fighters, such as Havel, Mandela and Flynt, and remember: No one can lock up your mind.

What's Up, Doc?

I read *The Unkindest Cut: Prostate Cancer Patients Under the Knife* (October '96), in which you discuss the shooting of the surgeon who unnecessarily removed my prostate, leaving me impotent, without even eradicating my cancer. I thought the article was fantastic. I'm glad you hit them hard. Let's just hope it does other men some good. However, it's going to be hard for those urologists to give up their gold mine. The only part of the report I question is where the urologist claims to be impotent as a result of his wound. No one knows better than me that he is a pathological liar. On the other hand, some readers might feel that he got a dose of his own medicine.

—A. A.
San Luis Obispo, California

I Dream of Jeanine

I've been enjoying your magazine for years, but you have outdone yourself with *Jeanine: Lake Clothes Begone* in the January '97 issue. She is the most beautiful, photogenic, camera-honest woman to grace your magazine in some time. She projects that animal magnetism that so few women possess.

—G. H.
Bowie, Maryland

Jeanine: Lake Clothes Begone

You're right, G. H. Jeanine is beautiful and photogenic, as well as honest; and she does possess a strange power to make all iron-hard objects point north.

Nike Über Alles

I am writing to applaud your insight with regard to Nike and their "swoosh" symbol (*Bits & Pieces*, December '96). I concur wholeheartedly with your equating their insidious and omnipresent company with the Nazi party and encourage you to continue to practice due diligence. Additionally, I would like to thank you for advance stills from the upcoming movie *The People vs. Larry Flynt* (*Man of the People: Photos and Interviews From Behind the Scenes of The People vs. Larry Flynt*, December '96). I can hardly wait to see the film itself.

—J. C.
Oxnard, California

As allegations of their overseas sweatshops and worker abuse mount, Nike remains at the cutting edge of fascism. Perhaps their next overpriced shoe will be made Nazi-style: of human skin. After all, it's light, water-resistant and cheap, as long as, like their Third World labor, it only comes in black, brown or yellow.

FEEDBACK

(continued from page 11)

is about your reviewer Mack Assarian, who has given false information about various films. I have always depended on HUSTLER as a source of information about the actual content of adult videos on the market. I guess I'll just stick to Christian Shapiro's reviews when I purchase in the future. —G. W. Wheatley, Arkansas

The versions of tapes we review sometimes differ slightly from what is available in other regions of the country. We'll get Mr. Assarian's eyes checked, but otherwise, HUSTLER will have to keep on calling 'em like we see 'em.

Holiday's on Ice

I was a little disappointed when I picked up your Holiday '96 issue. The cover featured an Asian woman with Christmas decor, and I expected to see more photos of her inside. I will never buy another issue unless you can tell me if she will be featured in any issues over the coming months. —D. W. U.S. Army

There's no need for threats, D. W.

Santa's little helper has already been photographed for an upcoming pictorial, currently planned for April. As a reward for your patience, we're throwing in an extra girl, who'll be doubling up with your Asian doll. Forgive us?

Tricky Dickie

When I was a little girl of ten, I used to pull down the pants of younger boys. I'd point at their little dinks and walk away laughing. Then I discovered HUSTLER Magazine. I had no friends; so I spent a lot of time fringing myself to the pictures. Now that I'm 24 or 25, I miss those small penises. Maybe you could find a cute, shrimpy guy, shave his pubes and have an older woman jack him off. Or how about her squatting on his face and swallowing his entire cock and balls? There are probably a lot of inadequate men who would shit their pants to be molested in HUSTLER. —G. S. Vancouver, Canada

We know there's one, right, G. S.? How come a smart "girl" like you doesn't know if you're 24 or 25? Don't worry. We won't tell.

My Darling HUSTLER

Thanks for beautifying the scenery in my life. Your photo-spreads are the best. I

don't lie and say I buy HUSTLER to read. As soon as I open it, I know. The reason is always hard and ready. Sometimes I like to shoot a load without saying "I love you." You never talk back unless I want to read. Thanks for fighting those right-wingers who would deprive me of the pleasure of feeling my seed run over my knuckles and down my balls. Sometimes I need this outlet. I've got to say it once: I love HUSTLER! —R. O. Lansing, Michigan

You sure do know how to say all the right things.

Rear Admirable

I have always liked HUSTLER's pictures, but I would like to see more rearend photos. You have a lot of side angles, but not enough straight on, as you would see when actually fucking a girl from behind. The side-angle shots show off the woman's body; but when it comes down to it, I like it when it looks like I could just mount her. It would feel like she was in front of me, and I could just stick it in right away. I see more of these shots in other mags, but the girls are not as hot, and your quality of pictures and layouts is much higher. —B. M. Redding, California

Other mags give you rear views of their models because you couldn't stand their faces. Luckily, Larry Flynt Publications has a new mag in the works for all you ass masters, full of top HUSTLER-quality bottoms.

Return to Sender

In *Sex Play*, you have done research and studies on just about everything. Well, I have something that I would like to read about or even be interviewed for. The topic is men who love to eat their own cum out of a pussy they've just fucked and who love and even beg to be fucked up the ass by a woman wearing a strapon or vibrating dildo. My husband and I practice these acts all the time. What do you think? —M. M. Lake Charles, Louisiana

We think there are already magazines for men who lick cum and take it up the ass: Playboy, Penthouse and The National Review.

Do you have a comment or complaint? We want to hear it. Send your letters (typed or neatly handwritten) to HUSTLER Feedback, 8484 Wilshire Boulevard, Suite 900, Beverly Hills, CA 90211. Include a phone number if you want your letter considered for publication.

Sneaking into the Speedway Cycle Shop was Ellen's idea. The risk of being caught in a compromising position heightens the thrill of sneaky sex for both girls. Ellen needs no additional lubrication as she gently introduces her love stick to Lauren's velvety toolbox.

"Come on, baby. Take my cock," Ellen urges. "Beg me to fuck you."

"Oh, please, please," Lauren whimpers. "Give me more."

The roar of the crowd and the bikes thundering around the track are just loud enough to drown out Ellen's cries as Lauren probes her tailpipe. In no time flat, both girls' engines are timed, tuned and purring contentedly.

JENNA INK: Our Lady of Cunnilingus, Jenna Jameson.

Jenna Ink

FULLY ERECT

Directed by Brad Armstrong; starring Jenna Jameson, Alex Dane, Missy, Kia, Felecia, Alex Sanders, Brad Armstrong, Sean Rider and Mickey G. Videocassette: Wicked Pictures.

Jenna Ink opens with the premise that in heaven, Jenna Jameson will be an angel flapping around on cardboard wings, giving blowjobs to the pure of hard-on. As smoke machines belch heavenly clouds in the background, Jameson lavishes Alex Sanders's tool with love licks, and he splatters her angel face with wad. *Jenna Ink* presents Jameson as a tattoo artist lost in a sumptuously tasteless fantasy world. One scene has Jameson riding up on a white horse with an askew unicorn's horn strapped to its head. She dismounts under a soft-focus lens and proceeds to fuck Felecia and Missy with a dildo clenched in her teeth. Another scene has Jameson finding love in the foxhole, with a chrome-plated dildo fired up her ass and a meat missile up her twat. Why is Jenna Jameson a star? Is it her bubblegum-sweet face? Enormous tits? The tiny mouth that makes big cocks look even bigger as they cram into her delicate lips? There's something about placing a porn trollop atop a pedestal in a cheesy costume and fucking her royally. There's something about Jenna Jameson in a butt-fuck film done as a romance. There's something about Jenna Jameson closing *Jenna Ink* with her starlet's smile gunked up with spunk that gets HUSTLER's Fully Erect.

EAST COAST

VIDEO SHOW

Conventioners, Shutterbugs
and Clusterfucks

This past October 1 through 3, Atlantic City's Sands Hotel Convention Center hosted The East Coast Video Show, a porn-industry confab that attracts tens of thousands of gawkers, adult-video manufacturers, store owners and sleazy XXX sirens, as well as a steady sprinkling of befuddled oldsters lost on their way to the slot machines.

"Disgusting," quipped a biddy to her blue-haired gambling cronies. They'd stumbled onto the main convention floor just in time to witness a leather-clad blonde in a dog collar kneeling on the floor to lick her master's stiletto heels for a crowd of onlookers.

In addition to the dozens of glitzy display booths representing the nation's brain trust of filth-tape manufacturers, novelty sellers were also out in full force, hawking such groundbreaking products as liquid-latex pour-on clothing and

inflatable fuck dolls with the familiar, ready-to-fuck faces of favorite porn stars.

Living porn stars were, as always, the main attraction. Jiggling out of slinky tops, sashaying on spike heels, flashing silicone titties whenever the absence of hotel security afforded the opportunity, the video vixens did brisk business signing and posing for photos with starstruck mooks. As one happy shutterbug observed, "Where else can a nobody from Minnesota waltz up to Nina Hartley, squeeze her ass and say 'cheese'?"

After hours, porn stars lived up to their slutty reputations by hosting sex parties. According to one participant, Anna Malle's soiree turned into the biggest clusterfuck of the convention. "It was so easy to get laid at Anna Malle's," noted the participant, a rotund, over-the-hill dirty-magazine writer, "even I got a blowjob."

Anything Goes

ONE-QUARTER
ERECT

Directed by Kym Wilde; starring Julie Rage, Jamie Lee, Tabitha Stevens, Chelsea Blue, Sahara Sands, Meridian, Ron Jeremy, Steve Hatcher and Dic Tracy. Videocassette: Outlaw Productions.

If a pornographic entertainment proudly boasts an appearance by Ron Jeremy, particularly if Jeremy is naked and engaged in sexual misconduct with two women of human descent, then anything, indeed, might possibly go in such a film, good taste going first of all. Following Jeremy's pop across the faces of a pair of passable XXX trollops, *Anything Goes* proceeds to rote, mundane, substandard, flat sex. A man-face broad shows her tits, paws her open slit, lubes a black dildo and inserts the plastic. A shorthair blonde spreads for an ass-fucking from a longhair guy. A hefty black man and a flabby whitey team on a pasty blonde. The black dude never shows wood, and neither will anyone else. Not much went into *Anything Goes*.

—Christian Shapiro

Conquest

THREE-QUARTERS
ERECT

Directed by Greg Steel and Brad Armstrong; starring Jenna Jameson, Vince Vouyer, Shayla La Veaux, Alex Sanders, Juli Ashton, Brad Armstrong, Asia Carrera, Mark Davis, Kia, Alex Dane, Missy, Mickey G., Sahara Sands, Dic Tracy, Sean Ryder, Claudio, Angus MacDuihne, Canmore McBaine, Wayne Crews, Fozzie, E. Z. Ryder, Jim Steel and Lee Garland. Videocassette: Wicked Pictures.

A lot of money, time and effort went into *Conquest*, a hard-core sex version of a swashbuckling pirates-at-sea movie. The rental fee for the three-mast pirate schooner alone must have been higher than the budget for 90% of the porn that gluts the market. *Conquest* even has a credit for *Orchestral Arrangements*. The titles sequence runs six minutes, with howling Goth harmonies

akin to the Sisters of Mercy on a cup of coffee. The opening scene depicts the horseback rescue of a rogue who is about to be hanged. A mob of wenches and scoundrels swill tankards of mead in a squalid and incredibly detailed Victorian tavern. All sex breaks loose. A blonde clutches her ass cheeks apart, grimacing in pained pleasure as a flesh scabbard pierces her sphincters and sinks to the hilt. A long rope of pearls is pulled bead by bead from the snug grip of a lady's poop pit. The fucking is plentiful, varied and comes in bunches, but *Conquest*, at nearly three hours long, has aspirations to be far more than a wall-to-wall wad churner. Directors Steel and Armstrong should be congratulated on achieving so much of what they were inspired to attempt.

Anal Island

HALF
ERECT

Directed by Wesley Emerson; starring Juli Ashton, Jordan Lee, Jill Kelly, Ariel Daye, Nikki Brantz, Monique DeMoan, Rocco Siffredi, Tom Byron, Bobby Vitale, Mark Davis and Bill McCoy. Videocassette: VCA.

Anal Island is a takeoff on *Gilligan's Island*, containing the requisite humjobbing, sodomizing and face globbing, as well as predictable porn-flick wit, such as naming Jordan Lee's Mrs. Howel character Mrs. Bowels. Juli Ashton auditions for a role by shimmying her shitter onto Mark Davis's dong; Ashton gives Jill Kelly a four-finger fuck before the blond bung lick-ers engage in strap-on shenanigans; Rocco Siffredi stuffs Jordan Lee's pastrami cunt lips full of salami and plasters her snout with mayonnaise; Nikki Brantz's ta-tas bounce perkily as Bobby Vitale cornholes her keister and slaps his hard-on against her hardened smile, softening it with scum; brunet penis predator Monique DeMoan succions Tom Byron's schlong with her face and siphons out the contents of his balls with her clenching sphincters; and red-head Ariel Daye, with tits like dollops of cream, takes on

ANAL MALLE EXPOSED: Armstrong aims to please Anna Malle.

Rocco Siffredi, followed by Bobby Vitale, in her hardworking rectum. Visit *Anal Island* and get off quickly. —M. A.

Anal Malle Exposed

HALF
ERECT

Directed by Roy Karch;
starring Anna Malle, Abbey Layne,
Kimberly Kummings, Hugh Armstrong,
Dick Nasty and Blake Palmer.
Videocassette: Western Visuals.

A thin, black-hair girl with a protruding butt strips out of her tennis outfit and lies flat on her belly for a locker-room massage. Her big-dick workout partner squirts rubdown oil on her body and concentrates his kneading upon her buns and the crinkled, winking valve in the heart of her nates. His cock slips into her ass with ease, and he churns a load onto her face. A blonde with a flat ass hops on a bone. Her tits need some support. The prong works into her pimple-ringed butthole. Her face is good, but the sperm goes to her belly. A big, old, bald guy with a furry chest penetrates poop chute while fingers probe pussy. A seedy old guy sweats heavily through an unattractive coupling. A brunette with the grace of Courtney Love coozies up to the guy who looks like Picasso. His schlong shifts from her shit ring to her face hole. Everything in *Exposed* has been seen already.

—C. S.

ANAL ISLAND: Jordan Lee gives a winker and a smile to Rocco's rod.

CONQUEST: Pirates Sean Ryder and Claudio plunder Juli Ashton.

ANYTHING GOES: Chelsea Blue, Julie Rage and Meridian.

The famous thumb-size clit.

Vanessa today, heavy with milk, but not ready for the pasture.

Whatever Happened to **VANESSA DEL RIO?**

From 1974 until her last film, *Deep Inside Vanessa Del Rio*, in 1985, Vanessa Del Rio was one of the biggest draws of the fuck-film business. Fans remember the sensuous Latina of Puerto Rican and Cuban ancestry for her uninhibited performances and her legendary, thumb-size clitoris.

Vanessa recently cropped up in an episode of *NYPD Blue*, playing herself in a bit role, but has largely kept out of the public's eye since her XXX career came to a close not long after she was busted at a deep-South strip club for indecent exposure. "Going to jail forced me to think about all the bad things I'd done, especially the drugs," Vanessa notes today from her Brooklyn apartment.

"I got over feeling bad having been in all those sex films—that was who I was. I quit drugs by getting into bodybuilding, and I entered into metaphysical-meditation therapy. I found spirituality."

Asked about changes in the adult-film industry, Vanessa states, "Back when I started, it didn't feel like we were in a business. We were rebelling against society."

"Today, the girls look so plastic and mechanical, like they've all seen how to give blowjobs by watching other movies. When I gave a blowjob on film, I wasn't thinking about how I looked doing it, I was just being myself."

To today's crop of budding porn starlets, Vanessa has this simple advice: "Hold on to your fucking money."

Vanessa didn't, but she now collects an income of \$3.99 per minute from those fans 18 years or older who wish to contact her through her fantasy/voice-mail line at: 1-900-263-3887. Or for the price of a postage stamp, she may be reached through her fan club at: Vanessa Del Rio Fan Club, 285 Fifth Avenue, Suite 234, Brooklyn, NY 11215.

Totally Depraved

Directed by Jonathan Morgan; starring Tatiana, Tabitha, Nikki Brantz, Julie Rage, Crayola Blu, Jonathan Morgan and Steve Hatcher. Videocassette: Sin City/Raw.

Totally Depraved is an exceptionally sleazy sleaze film, thanks mostly to Crayola Blu, the tall, tattooed blonde with the looks of the girl next door after her morals have suffered a calamitous accident. Blu licks balls, bungholes, toes and twats with gusto. She laps up Julie Rage's jizz-squirted snizz like a milk-starved kitten. Blu barely notices the four fingers Jonathan Morgan slides up her pooper while she performs a slurpy suckjob on his schlong. How about two dicks shoved up her ass at once? No problem for a zoned-out sperm junkie like Crayola Blu. Sultry brunet cock gobbler Nikki Brantz shows off a talent for cramming two nuts together in her squirrel mouth; Tabitha inhales a boner with her welcoming, horse-toothed grin, offering her gigantic, plastic tits as targets for a sperm bath; Julie Rage spreads her clam for a foot fucking from Morgan; and Tatiana opens her pink, silky, smooth groove for a pounding that climaxes with a spray of spunk to her pretty, sweet-lipped face. Despite atrocious sound quality, *Totally Depraved* is as satisfyingly degenerate as the title promises.

—M. A.

Gregory Dark's Shocking Truth

Directed by Gregory Dark; starring Spice, Chloe, Tricia Devereaux, Devon Shore, Gina Rome, Tracy Love, Sofia Ferrari, Star Chandler, Jay Ashley, Kyle Stone, Jeremy Steele, Tommy Gunn, Red, Mr. Marcus, Dave Hardman, Paul Cox, John Decker and Ken Dahl. Videocassette: Dark Works/Evil Angel.

Shocking Truth is one of the most unusual pieces of filth ever to plop out from the adult-entertainment waste pipe. Porn-star souls are exhumed from the

wreckage of their psyches as each floozy is subjected to an unholy inquisition of twisted questions. "How do you wash the taste of a stranger's cum out of your mouth?" luscious-lipped Sofia Ferrari is asked. "I swallow it," she answers, before going on to say that she never watches her movies because she hates herself. Is this a porn movie or an antiporn movie? As if commenting on their debased natures, men don pig masks before perpetrating hellacious anal gang-bangs. A pair of slatterns feed each other quivering globules of semen scraped off their bellies with a soup spoon. Devon Shore wears a wedding dress that's torn off by three tattooed dudes who tilt her ample heinie upright and take turns plunging her gaping turd rings. Dark-eyed Chloe gets whipped and verbally humiliated by dominatrix Star Chandler, before getting screwed until the sweat shimmers like a halo on her deathly pale skin. In *Shocking Truth*, Gregory Dark achieves new heights in exploring the lower depths of smut. —M. A.

The Bad Girls of Babe Watch Beach

Directed by Philmore Butts; starring Farah, Ruby, Missy, Davia Ardell, Holly Body, Sindee Cox, Tony Martino, Ian Daniels, Mickey G. and Buck Adams. Videocassette: Sin City.

There is no beach in *The Bad Girls of Babe Watch Beach*, but bad girls do abound, bounding down by the pool to unwind their deeply tanned, bigger-than-life breasts, suck cock and get fucked in the ass. Not every California beach girl is as cosmetically ideal as those exemplified by the vixens of TV's *Baywatch*, but at least the misbehaving broads of *Bad Girls* are eager to smile for a shot of wad across the teeth. Though most of these XXX-rated *Beach* trollops are largely manufactured in the tit department, they all exude

EAST COAST SLUTS: Red Boan rearends Jessie James.

intrinsic, natural-born nastiness, a filthy yearning for sloppy fuck fun that no surgeon's knife can graft into a woman. Buck Adams rides his share of the *Babe Watch* talent; he always brings out the most brazen side of any hussy he drives. Whether pool-side, on shiny, reflective exercise gear or upon the floor of a boutique dressing room, the *Babe Watch Beach* girls are at least half bad.

East Coast Sluts #8

HALF
ERECT

Directed by Jim Gunn; starring Rochele, Theresa Rott, Rayveness, Jessie James, Nicollina Foxx, Red Boan, Johnny Idol and Hank Armstrong. Videocassette: Pleasure Productions.

Atlantic City, New Jersey, with its casinos and its historical beachfront boardwalk, has no shortage of hotel rooms, and *East Coast Sluts #8* showcases five of the finest rented lodgings the Garden State has to offer. Incidentally adorning the units are a brunette with high, hard, impossibly separated hooters who diddles herself, a blond slut who keeps her droopy jugs holstered in a bra while she licks snatch and sticks a strapon into her lesbian friend, a chunky Jersey jamoke who sits in a tub for a long-term blowjob from a decent doxie, then kisses his wad off her lips, a mixed-gender pair of bleach blondes who stir up a sneeze of jizz, and the highpoint threeway starring black-tressed, heavy-breasted,

milky-white Rayveness, a long-hair stud and a foxy brunette in a mirror-canopied hotel bed. That threeway is the only reason to bring *East Coast* west.

Buttman in the Crack

THREE-QUARTERS
ERECT

Directed by John Stagliano; starring Ruby, Lea Martini, Sabina, Kimberly Kyle, Marki, Jamie Lee, Julie Rage, Gabriella Gotti, Lexi Leigh, Woody Long, Michael J. Cox, Tom Byron, Steve Hatcher, Valentino, Bruno Sx, Joey Silvera and Nick East. Videocassette: Evil Angel.

Buttman's doorbell rings. Buttman goes outside and follows the rump of a long-legged porn snizz (Ruby) up a mountain road. He stops her, begs to stick his nose up her fragrant crack for a whiff and gets his head stuck in her butthole. Crawling into Ruby's lower colon, Buttman encounters Tom Byron in a coal-miner's helmet, Michael J. Cox in a dress and a cavalcade of sluts in various states of undress. Cox pokes his dong out from fishnet stockings and schtups Kimberly Kyle, whose astonishingly well-toned body ripples with muscles. Jamie Lee sashays in a bathroom where men's heads fill the toilet bowls. Nick East ass-attacks nuns who lift up their habits to reveal crosses taped over their nipples. A strobe light flashes annoyingly throughout. Veering from his successful reality-based formula into the realm of pure fantasy, *Buttman in the Crack* is a fist-class ticket to orgasm.

Q Balls Volume 2

TOTALLY LIMP

Directed by Loretta Sterling; starring Sushi, Serna, Eartha Quake, Dave Hardman, Jimmy Zee and Rick Masters. Videocassette: Totally Tasteless Video.

Usually, the bald-headed lard asses associated with porn movies are the viewers watching them, not the chicks who are in them. Not so in *Q Balls Volume 2*. The dough rolls on one bald chick's belly quiver mightily as she diddles two dudes at once. The next freakish floozy submits to a head shaving and butt reaming before sperm jacks onto her hairless dome. Leave it to the black man, Jimmy Zee, to get stuck with the dirtiest job of all: wrestling with bald-headed behemoth Eartha Quake. With her clothes off, Quake's human form is barely discernable beneath rippling piles of fat. Zee sticks his dick into the lard mass and huffs away. Zee falls back without coming, gasping for air and cursing his fate. Viewers sick enough to make it to the end of *Q Balls 2* deserve what they get.

What You Are in the Dark

HALF ERECT

Directed by Jim Enright; starring Alex Dane, Tracy Love, Kirsty Waay, Felecia, Jordan Lee, Peter North, Dave Hardman and T. T. Boy. Videocassette: Klimaxxx Productions.

With her slim, feline body, her midnight-black hair and sultry, little-girl harlot face, Alex Dane has the looks and demeanor of a top rock-video vixen, until she takes her shirt off. Dane has two very pretty nipples and almost no tits. Her girlish chest is garnished with twin puffs about the size, consistency and sweetness of marshmallows. The fact that Klimaxxx is giving Dane top billing, featuring her on the box cover and putting her in a star-feature vehicle should serve as an object lesson to new, young performers in the adult-

SHRINKY DINK

Men who read HUSTLER, rejoice: I have discovered the perfect scam for fucking chicks. And they'll even pay you afterward! No, you don't have to become a gigolo and risk landing in a jail cell. This little scheme involves the classified section of your local newspaper and a bogus doctor's certificate—available at better joke shops—which states your credentials as a "licensed therapist." Let me tell you how a \$25 investment has left me in the pink—sopping-wet, musky, pulsating pink!

My classified ad declared the opening of "Bob's Discount Psychotherapy for Women—Five Bucks a Pop." Of course, most of the ladies who respond don't realize the "pop" in question lands somewhere between their thighs, but, hey—it's not my fault if some brunet bombshell with tits three times the size of her head doesn't read the fine print!

Nicole was the first victim—excuse me, patient—to call my clinic (which is actually the basement at my parents' house). She turned out to be a short, cute twentysomething with pierced nose and blue hair. Don't get me started on the perfect caboose Nicole packed beneath that leather miniskirt.

"One time," whispered Nicole, in her trembling, erotically charged voice, "I got so mad at my boss that I...I peed in his coffee cup. Does that make me a bad person, Doctor?" She burst into tears. I rushed to her side, offering my shoulder to cry upon (and my lap to sit in).

After a ponderous moment, I declared,

"I think it means you want to fuck your father." Nicole's red eyes flashed toward me, incredulous. Maybe I shouldn't have used the F word.

She blurted, "But, Doctor..."

"Call me Bob," I insisted, lending a friendly hand of support to her right breast. The teat meat felt firm and 100% real—a rarity among the strippers I usually date.

"Bob," continued Nicole, "I'm so lost and confused. A few weeks ago I woke up in the hallway outside my apartment with my pants down. I had no idea how I got there, or why I—"

"You probably did it because you want to fuck your father," I interjected. My wandering fingers danced across her fishnet stocking, then pulled back her skirt to reveal the white-cotton panties beneath.

"I didn't even tell you," moaned Nicole, fat teardrops streaming down her cheeks, "about my obsession with serial killers."

"It might have something to do with your desire to—oh, fuck it," I barked, whipping out the raging hard-on that had grown steadily under Nicole's weight. "Look, are we gonna get it on, or what? I've got a three o'clock appointment." After a few more snuffles, the sight of a hard and happy cock had Nicole feeling good about herself. A smile darted across her lips, followed by the peek of her lascivious tongue. Pretty soon she was bobbing her head up and down my dong so fast that my crotch looked like a blue blur.

Nicole paused between slurps to offer, "I guess I'm a classic oral compulsive."

"Leave the analysis to me," I stated firmly, grabbing her by the back of the head and corking her yob with the length of my manhood. The sound of psychobabble was replaced with the wet smacks of penis gobble. Animalistic grunting was the only thing to escape Nicole's throat as she sloppily drooled onto my balls.

I reached over her arched back to help pull off her panties and was rewarded with the sight of her pale, twin ham hocks. Even as Nicole worked my pole into a spit-lathered frenzy, I massaged her muscular behind, mauling its magnitude and occasionally parting the cheeks for a glimpse of her browneye. Nicole's puckish little

pooper was just as delightful as the rest of the pint-size punkette. Just a few centimeters away was her bubblegum pussy, which looked good enough to lick.

Within seconds I had stacked Nicole above me in a 69 position, one that allowed me to savor that clean-shaven snatch while exploring the depths of her rubbery bung-hole with a curious finger. She stopped cocksucking for a few minutes and simply sat back on my face, pivoting her clit against the swab of my agile mouth. Nicole took the opportunity to pop her top and move my hands from their anal finger trap to the tips of her rigid nipples.

"Please, Fath—I mean, Doctor," she stuttered. "I mean, Bob. Please fuck my pussy, Bob. Give it to me good—then shoot your scum in my blue hair!" That sounded like a plan. Nicole left my face and took a seat on my throbbing member. With her back to me, she rubbed her labes around the fat head of my wand, readying herself for my first thrust inside her scalding vagina. I grabbed her butt again for good measure and gave it the old heave-ho.

"Rrruhhh," barked Nicole, as her membranes stretched to accept my shaft. She lay back on top of me, making it easier to grab her swollen bazooms and allowing us to swap a little spit. I fucked that cunt like it

was my mortal enemy, and Nicole loved every second of it. Her screams of rapture got so loud, I was afraid my mom or dad might come down to see what was the matter. Even if they had, I doubt I would have pulled out—that's what a fine little minx my neurotic patient turned out to be.

In order to really pound it home, I had to get Nicole up on the arm of the couch in a

I made a fist and fucked it vigorously as Nicole bowed before me, right in the line of fire. Hardly a minute passed before I dropped creamy dollops into her turquoise mane.

doggy-style position. As she stared back at me with eyes that smoldered with the heat of a two-headed dildo that's been left in the microwave too long, I got a grasp of Nicole's haunches and picked up my slamming speed to a rate that impressed even me. She met my every thrust and parry with a talented wiggle of her hind end, finally biting into a cushion to keep from screaming her lungs out.

"I'm gonna come," she announced. "Oh, my God, I'm gonna come! I haven't been able to achieve orgasm since—gahhh...." To my surprise, Nicole came down with a sudden case of coitus interruptus—meaning she pulled my hog out of her gash! She then scrambled to sit on the couch, facing me, fingering her nubbin with an agility usually reserved for concert pianists. Nicole howled, threw out her legs and gushed a burst of brine from her clam that further soaked my schween.

I was speechless. What do you say after a G-spot orgasm? I didn't know whether to applaud or send her the cleaning bill for the couch.

"Now you're supposed to get off in my hair," she said with a satisfied grin. I made a fist and fucked it vigorously as Nicole bowed before me, right in the line of fire. Hardly a minute passed before I dropped creamy dollops into her turquoise mane. Don't tell me there's any conditioner on the market that could top Dr. Bob's treatment!

Afterward, while Nicole cleaned up (and forked over her five bucks), she expressed her deep thanks.

"I think you were right, Bob," began Nicole, turning weepy as she fastened her bra. "You know, about the Electra-complex thing?" I had no idea what the fuck she was talking about, but I nodded my head sagely.

"And—and getting a good, hard fuck has made me realize that—sob—I am my own woman, with my own identity, who can be loving and nurturing...."

"Nicole," I said, slapping her on the rump one last time, "I'd really love to share the rest of your breakthrough. But I've got a group-therapy session in 15 minutes, with a lesbian couple, and I really don't want to miss that. Now don't let the door hit you in your scrumptious little ass on the way out."

Heed my words, HUSTLER readers. Some say laughter is the best medicine. But Dr. Bob says the primo prescription is a hot shot of pussy.

ORGY PORGIE

Planning the perfect night of group sex is no picnic. If the condoms aren't the right brand, all the guests will complain. Then

there's anal lube, cock rings, dildos and whipped cream (the nondairy substitute, for lactose-intolerant swingers). When I told my husband, Jerry, that I'd provide catering and decorations, I didn't realize this may be the first orgy in history where I bit off more than I could chew.

I was struggling with some stubborn streamers, with only two hours left until show time, when Tim, our sweaty little next-door neighbor, walked in and offered to help. He shimmied up the stepladder to stand behind me, pressing

his weight against my backside.

"It's all in the way you push it in," leered Tim, wielding his thumbtack. Meanwhile, the railroad spike in his pants was nudging the crack of my ass—a precarious position for a strawberry-blond beauty in a microskirt and no panties. I decided to make the best of the situation by unzipping his fly and guiding his firm rod between my labes.

"I'm glad you appreciate the importance of being well-hung," I gasped, as the proud wiener slid home. Tim had rammed

BEAVER HUNT
GRAND PRIZE FINALIST #1

PHOTOGRAPHY BY CLIVE McLEAN

In February 1996, wildflower Sissy first came to the world's attention in *Beaver Hunt*. A native of Sanford, North Carolina, this 19-year-old enjoys swimming, tanning and horseback riding. Her girl-next-door beauty made Sissy a natural choice for 1997 *Beaver Hunt* Finalist #1. Despite her obvious appeal, it's HUSTLER's readers who will have to make their voices heard in deciding if Sissy wins our \$5,000 Grand Prize, as well as a free trip to a glamour capital to shoot a HUSTLER pictorial.

Jerry let his load blow straight down my throat, like a penile sharpshooter. Tim and Dan fired at will, greasing up my hindquarters with their spewing spunk. Jizz leaked out of my every orifice.

his way so deep, I could taste the tip of his dick in the back of my throat. Gina, a well-built bookkeeper from Lancaster, showed up early.

"I don't mean to be a prude," she began, quickly doffing her conservative blouse. "But rutting like two animals while standing on a rickety old ladder is hardly my idea of safe sex." The zaftig brunette had a point; Tim and I joined her for a clusterfuck on the hardwood floor. I was licking Gina's milky tits with long, loving laps as Tim entered me doggy-style. The electric current between our mingling bodies went straight to my head; I swooned under each savage blow of Tim's big bologna. By the time my mouth had worked its way to Gina's cunt, I was near the cusp of a powerful orgasm.

My climax was diverted by the arrival of Dan and Toni, a very cute couple from Madison Mills. I've wanted to get a piece of Dan since the first time I laid eyes on him at a church bazaar. Within minutes, he was positioning himself underneath me, driving his dick into my snatch while Tim banged at my back door. Being in the center of that all-beef manwich made me feel like the luckiest girl on Earth.

Don't worry, Gina and Toni didn't feel left out. They shared a torrid 69, exploring each other's every intimacy. I watched Gina's tongue flick Toni's clit like a tiny punching bag and swore I could feel the reverberations in the pit of my stomach.

That was before Tim's crank was planted up my ass. With the first plunge, I bit back a scream and concentrated on working my flue further down Dan's pole. The double stuffing set my lower half on fire. I closed my eyes tightly and savored the sensation of two powerful drills working their way into my core of carnality.

When I opened my eyes again, I was shocked to see my husband's dong waving in my face. Jerry was home from work with a balls-out hard-on, and I couldn't resist offering a playful suck. Soon Jerry had crammed every inch down my throat. I gurgled with the contentment only a triple-plugged bitch in heat can know.

"Eeeyeahhh," exclaimed Gina from beneath Toni's buttocks. Gina's eyes rolled back in her head, a sure sign her va-vooom vage was overcome by climactic spasms. Even with Jerry grabbing my hair and fucking my face, I could see the way Gina and Toni shook together, their sweaty flesh slipping and sliding in convulsions. My own eruption wasn't far behind; in fact, it started in my behind, which Tim so skillfully reamed with his man meat.

I opened my mouth wide and jacked Jerry's dick in the direction of my tonsils. I

was writhing in orgasmic splendor under the boys' incessant strokes, followed quickly by their ropy spurts.

Jerry let his load blow straight down my throat, like a penile sharpshooter. Tim and Dan fired at will, greasing up my hindquarters with their spewing spunk. Jizz leaked out of my every orifice; I loved it so much, I was ready to start all over again.

By the time the five of us finished up, the other 27 guests had arrived. I felt like

the belle of the ball, passing around potato chips, dip, handcuffs and my own special recipe—whores d'oeuvres—all while buck naked and covered in crusty sperm. To all my swinging pals who attended our little get-together, thanks; Jerry and I are so glad you came.

Hard-Luck Hard-on

Priapism's Stiff Penalty

By Joseph Pujol

Restrictive attitudes in the name of so-called morality increasingly take the fun out of fucking.

Through good, old-fashioned homespun knowledge, hearsay, scientific facts and outright lies, this series strives to spread the word that rubbing uglies is a beautiful experience.

At age 50, Alfred is again struggling with a severe bout of depression. Unable to sleep, he lies awake nights and mulls fantasies of death and violence. After a messy but unsuccessful suicide attempt, Alfred is hospitalized and started on 200 milligrams of a potent medication frequently prescribed for depression accompanied by insomnia. Within weeks, Alfred's symptoms vanish. He resumes normal sleep patterns and thinks less and less about his own demise. After months of intensive treatment on the psychiatric ward of a Houston hospital, Alfred is ready for discharge.

Two months later, Alfred calls his doctor complaining of an "embarrassing problem" that won't go away. Suffering from a painful and persistent erection that has lasted 18 hours, Alfred is immediately referred to a urologist and given Demerol and Valium.

But the medication doesn't take effect. Absent any feeling of sexual arousal, Alfred's penis remains rock-hard after 22 hours. Doctors administer several ice-water enemas, and then attempt a saline irrigation of the penile tissues, but the procedures fail to dilute the thick, clotted blood that has massed in Alfred's sexual organ, and no measure of detumescence results. Forced to his last resort, Alfred is wheeled into an operating room, where a surgeon awaits. Alfred fears that the operation will leave him, like many other victims, permanently impotent.

* * *

The disorder Alfred suffers from is called priapism, a prolonged erection that can lead to irreversible loss of sexual functioning. Named after Priapus, the Greek god of fertility, priapism is in fact the enemy, rather than

the symbol, of male sexual potency. It is also a genuine medical emergency. Initially, Alfred didn't think so. When he started on antidepressants, Alfred experienced an increase in spontaneous erections, but considered them a harmless, even reassuring, side effect. Unaware of the dangers, Alfred put off reporting the priapism to his doctor until the pain grew intolerable.

William S., a 61-year-old retiree who experienced priapism after three months on antidepressants, paid a heavy price for such procrastination. "I was extremely embarrassed," he says. "I didn't feel comfortable going to an emergency room on account of an erection." By the time William contacted his personal physician and was rushed to the hospital, the blood in his penis had curdled. He is now impotent.

Until the 1980s, priapism was thought to be caused solely by penile lesions or blood disorders, such as acute leukemia or thrombosis. In spite of extensive research, the physiology of priapism still remains poorly understood. Doctors know that the condition occurs when blood enters but cannot leave the *corpora cavernosa*, the erectile tissues of the penis that fill with blood to bring about an erection. In a priapic state, blood entering the corpora is unable to circulate and soon becomes as dark and thick as motor oil. Unless removed through suction or shunts, the buildup of sticky, muddy blood eventually causes the tissues of the penis to die. There have been cases so severe that the victim's penis had to be amputated.

Thomas R., a 35-year-old contractor diagnosed with manic-depression, survived his bout with priapism with his sexual functioning intact. "My doctor said I was very fortunate, that several of his patients were left impotent after surgery," he says. "Still, when I admitted my problem to my best friend, he chuckled and made a crack about how my wife was probably disappointed that I took it down. He couldn't comprehend how painful and asexual the erection was."

In spite of the sobering realities, myths about priapism abound. One popular notion is that priapism is a problem confined to adult men. Like most myths, it is simply false. Cases of priapism sometimes occur in newborn children.

Even rarer are cases of clitoral priapism, but such instances do occur. Widely abused drugs, such as steroids and cocaine, can cause priapism, as can prescription medications used to control the symptoms of schizophrenia, such as Thorazine or Clozaril, which have been linked to lingering erections in a small number of cases.

The highest risk of developing priapism comes from taking widely prescribed drugs used to treat depression. With more than 100 million people worldwide diagnosed with some form of mood disorder, more people than ever are seeking pharmaceutical therapy. One of the most popularly prescribed medications, especially when insomnia accompanies depression, is called Desyrel, a drug first marketed in 1983. Desyrel (sometimes prescribed generically as trazodone or as Adapin) provides relief more rapidly than older-generation antidepressants

"Nothing's more depressing than finding out that the medication you've been taking is more damaging to your sex life than the illness it's supposed to cure."

and without the negative side effects associated with Prozac, Paxil and Zoloft: ejaculatory delay and erectile failure.

The drawback is that Desyrel is the drug most frequently linked with priapism. As early as 1982, one year before Desyrel came on the market, Dr. Gordon McKinney of Mead-Johnson Laboratories warned that "there had been 20 official reports of priapism linked with trazodone." The manufacturer of Desyrel, Apthecon, a division of Bristol-Myers Squibb Company, has issued a warning printed in the *Physician's Desk Reference* that "trazodone has been associated with [the condition's] occurrence. In approximately one-third of the cases reported, surgical intervention was required. In a portion of these cases, permanent impairment of erectile function or impotence resulted."

"It is clear," writes Dr. David Raskin in the *American Journal of Psychiatry*, "that even low doses of trazodone can cause changes in erectile function." While many men who take Desyrel do not develop priapism, every man on Desyrel needs to know the risks.

In 1996, a new antidepressant drug made its debut on the market. Also a product of the same company that makes Desyrel, nefazadone hydrochloride, sold as Serzone, is an effective medication, but its manufacturer warns that Serzone is structurally related to Desyrel. There may be potential risks that won't be obvious until the drug has been on the market for a few years. Bristol-Myers Squibb warns that, "If patients [experience] prolonged or inappropriate erections, they should discontinue therapy immediately" and see a physician.

But there is no guarantee that emergency treatment will be effective. Take the case of Harold, a 45-year-old man on Desyrel who came into a Seattle emergency room complaining of an erection lasting more than 24 hours accompanied by "pain and a bearing-down sensation." He was given Valium and a saline enema along with morphine. When these failed, the doctors tried lowering his blood pressure and administered a penile injection of lidocaine, a local anesthetic.

Nothing worked. Harold was rushed into the operating room, where the corpora cavernosa had to be drained with large-bore needles of 12 to 16 gauge. The operation, usually effective in suppressing the erection, often leads to scarring and tissue damage. The risk of permanent impotence is high, while the likelihood of regaining sexual function is slight. In a study of ten priapism victims, five required surgery and one had to have his penis surgically removed.

Some doctors, like Dr. Gerald Aronoff of the Boston Pain Center, urge their colleagues to

avoid using Desyrel in male patients. They feel that the risk of priapism outweighs the benefits, especially when safer antidepressants can be prescribed. Others, like Dr. David Raskin, don't rule out the use of Desyrel, but proceed cautiously. "Perhaps a useful way to avoid situations in which serious priapism, sometimes requiring surgery, can occur," says Dr. Raskin, "is to give a low dose of 50 milligrams for a few nights." If priapism doesn't occur, then the doctor can increase the dose.

The difficulty with such graduated treatment is that some men may not experience priapism until after they have been taking medication for several months. Starting on a low dose and increasing slowly is no guarantee that priapism won't occur sometime down the line. There's simply no way of predicting who will be affected and just how long it will take before the problems start.

The irony of medication-induced priapism is that many men resort to antidepressants in order to revive a declining libido. Thomas R.'s experience of the dangerous malady began when he reported to his psychotherapist a dramatic reduction in sexual drive and repeated failings in performance. "I only went along with the treatments because I was desperate to restore my former sexual potency," the contractor protests. "My therapist told me my problem was just a symptom of underlying depression,

but not being able to get it up was making me more depressed than ever." For Thomas, antidepressants brought him dangerously close to the result he feared most: loss of sexual function. "After all," he adds, "nothing's more depressing than finding out that the medication you've been taking is more damaging to your sex life than the illness it's supposed to cure."

While many depression sufferers require some form of prescription medication to cope with their symptoms, Desyrel is only one of many antidepressants on the market. New drugs, such as Effexor, are readily available, while several state-of-the-art antidepressant medications are undergoing FDA testing, some of which are expected to be on the market this year.

If medications such as Desyrel or Serzone are part of a treatment plan, a discussion of the potential risks and side effects with the prescribing physician is critical. Once the risks are discussed, develop an aggressive, well-formulated plan of action if priapism occurs.

Most importantly, don't put off going to an emergency room due to fear or embarrassment. Procrastination only increases the risk of losing sexual functioning. If priapism occurs, don't make excuses or hope the problem will go away by itself. It won't. Instead of hesitating, rush to the nearest ER. Better to suffer an uncomfortable moment with your doctor than to endure a lifetime of incurable impotence. 

Daria Leisure Time

PHOTOGRAPHY BY MICHEL MOREAU

In the afternoon, after she works out, Daria enjoys exercising her mind by recalling as much as she can about a particular lover. Smiling, she dwells upon Eddie and the adventures they shared.

"Eddie never let me wear panties. He was always encouraging me to flash him in public, which I loved doing. I remember he ached to hear my fantasies—the wilder, the better. I'd pose for him, like this, while telling him stories about me with other men or women." She blushes slightly. "Or groups."

Has Daria acted on these fantasies?

"Not all of them...not yet anyway."

A SMUGGLER'S FORTUNE

HOW ONE MAN BEAT U.S. CUSTOMS
FOR A PAYLOAD OF CHINA WHITE

BY IAN B. MILLER * ILLUSTRATION BY JOHN SEABURY

In the Golden Triangle, a gram of pure heroin fetches about \$12. On the streets of Vancouver, Canada, the same gram can go for as much as 800 bucks. Easy money...unless you get caught. Weighing temptation and fate, a nervy addict risks his family and a prison bit for the windfall of his dreams.

Heroin

I can always tell the quality of smack when I see it burning on foil: the smell of the smoke, the way it runs, the amount of residue left behind. Not to mention the euphoria I'm already feeling from just one toke.

Chiang Mai, Thailand. The dirty out-house in back of a run-down noodle shop. Three hundred and fifty grams of pure China white. I pull out a small piece of aluminum foil from my back pocket and a 500-baht note from my wallet. After rolling up the bill, I use my Swiss Army knife to make a small slit in the top of the bag, take out a little bit of the heroin and put it on the foil. I stick the rolled-up bill in my mouth, hold the foil with one hand and my lighter with the other. Slowly, I bring the flame up under the foil until the heroin starts to smoke. As I tilt it back and forth, the melting powder runs up and down the surface of the foil, leaving trails of black residue as it burns. I follow the plume of white smoke with the bill, inhaling deeply, chasing the dragon.

It's good shit. I can tell right away. I can always tell the quality of smack when I see it burning on foil: the smell of the smoke, the way it runs, the amount of residue left behind. Not to mention the euphoria I'm already feeling from just one toke.

T. Super, my dealer, is charging me 300 baht a gram, about \$12 American. I can get \$800 a gram back home in Canada, and that's after I cut it.

I walk back into the noodle shop, where T. Super and my wife, Jiep, are

sitting and talking. I give him a thumbs-up sign and pass him an envelope full of money. He pockets it without even looking inside. We have done enough business that he knows it will all be there.

I don't plan to carry all 350 grams back with me at once. Jiep's mom sews six little baggies into the waistband of my shorts, each one about ten grams. In addition, I will stash five larger bags—about 30 grams apiece; one in each shoe and three in my underwear for a total of more than 200 grams. I don't see any point in shoving a few packets up my ass. If they search me, I'm done for anyhow; so I won't put myself through that kind of discomfort for an extra 20 or 30 grams.

My wife and her mother are adamant that before we leave, we must follow the directives of the fortune-teller whom we visited before I went to score the junk. According to the local *maw doo*—literally, a "doctor who sees"—the only way to ensure our safety on our imminent voyage is to perform a merit-making ritual and to take our leave at a certain exact time, a time that "the spirits" have determined as the most propitious.

To make merit, Jiep leads me to the local market, where we buy a pair of live turtles, each nearly a foot long. We

then take them out to a big, shallow lake about ten miles from town and, after saying a small prayer for their safety, set them in the water and watch them swim away.

The next day, we prepare for the trip to Bangkok, where we will catch our flight. It is nearly the time foretold by the fortune-teller, but we aren't quite ready to go.

"No problem," Jiep says. "My mom says we can just *pretend* to leave now."

"What?" I ask, confused. "What do you mean, 'pretend'?"

She explains that if we just carry a couple of bags in our hands and make like we're leaving, the spirits will think we are taking off, and everything will be fine. I'm doubtful, but I figure that Jiep and her mother know more about this sort of thing than I do. We get our bags—not even packed yet—and say goodbye to our one-year-old daughter, Lina.

We walk to the end of the road, circle around the block, and then come back to the house from another direction. As we approach the front gate, I say to Jiep, "If the spirits saw us leave, won't they see us come back too?"

"Don't worry," she assures me, "they're not very smart spirits."

Somewhere over the Pacific Ocean. Japan Airlines, Flight 017 to Seattle. I ease myself out of my chair, careful not to wake Jiep and Lina, and walk back to the toilet. A few odd glows here and there indicate people reading—like me, unable to sleep. We still have five hours before the plane will arrive at Sea-Tac International Airport, and I figure this is as good a time as any to smoke my last joint of Thai weed.

I enter the washroom at the back of the 747 and close the door. Taking one of the small drinking cups from the dispenser, I reach up and slip it onto the smoke detector above me. I grab a second cup and hang it on the doorknob so that after I get stoned, I won't forget to remove the one on the smoke detector before returning to my seat.

I push down the plunger on the sink to lift the drain plug a half inch or so. Giving the plug a little twist, I pull it completely out so the sinkhole becomes a small vacuum to suck the smoke away. I lean over the basin and light the joint, careful to keep the cherry close to the drain.

After I finish, I replace the drain plug, throw the two drinking cups into the garbage and splash the complimentary cologne and aftershave lotion all over the

Sea-Tac International Airport. Customs. The line for U.S. Immigration zigzags back and forth. Fifteen people deep, I hold my daughter in my arms as Jiep and I shuffle along. My adrenaline is racing. I had a couple of tokes of heroin to keep me calm about two hours earlier, but I didn't want to do too much and have pinned eyes give me away.

I hear a *plop* and look down. At my feet lies one of the rolled-up bags of smack. It has fallen out of my underwear. With Lina in one arm, I kneel down and scoop up the baggie. I shove it in my pocket and look around, trying to act casual. No one seems to be paying attention.

"Did you see that?" I ask Jiep, who is standing behind me.

"See what?"

"A fucking bag of smack just fell out of my underwear onto the floor," I whisper. "You never saw it?"

"Oh, my God," she says, staring long at me with panic in her eyes.

Amazingly, no one has noticed, and we pass Immigration without incident.

After collecting our bags, we walk

over to a customs checkpoint and wait our turn. The couple in front of us has their passports returned and are sent on their way without having their luggage checked. I have flown into Seattle four times previous—carrying heroin every time—and I've never been checked. I pass our passports to the man at the customs booth.

"Where are you coming from?" he inquires.

"Thailand, via Tokyo," I answer, naively hoping that the fact that we've already stopped in Tokyo for a day will keep him from suspecting us of anything.

The agent thumbs through our passports, then hands them back to us.

"Please put your bags on the table." He motions to the long, stainless-steel table behind him, where two other officers are busy going through somebody else's bags. We push the cart containing our bags ahead, and I look at Jiep as if to say, *Don't worry; we'll be fine.*

We take our place and wait while the officers interrogate a young American woman who is on the verge of tears. I gather from the conversation that she has just returned from Southeast Asia and is getting the third degree—including a body check.

Oh, great, I think, just what I fucking

need—some overzealous customs officers looking for a promotion. The young ones are the worst.

As the agents continue checking the girl out, Jiep and I try not to act nervous. Still holding Lina in my arms, I glance around and see that behind us, over against a side wall, is a large pane of one-way glass. I look over to my left and, three or four tables away, a young, long-haired guy I recognize from the flight is getting a hard time from his interrogators.

The officers finally finish with the woman and beckon us to step forward.

"G'morning," I say, handing over our passports and giving the officers what I think is an earnest smile.

The one who takes our passports doesn't return my greeting, but simply passes them to the guy beside him.

"Where are you coming from?"

"Thailand, via Tokyo," I repeat.

"How long have you been away?"

"About five months."

At this, he looks over at his colleague, who is engrossed in our passports. They exchange glances. Most tourists don't spend five months hanging out in Thailand, which is the source of 80% of all heroin smuggled into the United States.

"Could you open this bag here, please?" says the first man, pointing to one of our seven suitcases.

"Yeah, sure," I say, trying to project a calmness I don't feel. I turn the blue bag over and undo the zipper. He doesn't just have a quick look as I'm hoping, but starts pulling out everything individually, carefully examining each object. He lays each piece of clothing on the table and runs his hand up and down each seam, feeling for any unusual bulges.

Meanwhile, the other agent takes our passports over to two more customs agents who are standing a few feet away, and all three start flipping through the pages.

When the officer going through our bag finds a bottle of shampoo, he calls the other guy back and gives it to him. The agent then pulls out a long chopstick from the desk, unscrews the shampoo and pokes around inside with the stick. He brings it back to the guy going through the bag, who by now has found another bottle of shampoo and one of conditioner. These receive the chopstick treatment as well.

Just then, I see the longhaired guy from our flight being escorted past us and into a back room—presumably for a body search. This is all getting to be too much. My heart thumps wildly in my chest.

The two agents who have been checking our passports walk over to us, and

The agent takes both my wife and my daughter to a back room for a body search.

the man asks why I have been in Thailand so long. I tell him that I have been trying to start an import business. I am grateful for the fact that I managed to "lose" or damage my passport every couple of years so he couldn't tell how many times I'd really been to Thailand.

Then a female agent asks Jiep to accompany her. *Oh, fuck.* This is really serious now. The agent takes both my wife and my daughter to a back room for a body search. I see the longhaired guy coming back from his check—at least he's clean.

Thoughts of prison flash through my mind. I have no doubt that they will be taking me for a body search as soon as Jiep and Lina come back. *Probably get five years, I think. Maybe ten. I won't see my daughter grow up.*

I try to be practical. I have borrowed most of the money for this trip from a pot-grower friend of mine. He won't be too pleased at losing his investment. I foresee thousands of dollars in legal expenses; and Jiep and Lina will need money to live on. I look at the agent going through our bags. He is finishing with the fourth suitcase.

"If you're finished with these ones, is it okay if I start packing up?" I ask, indicating the blue bag in front of me. I decide that I will try to hide some of the smack in

with the clothes that he's already checked. I know I'm a goner in any case—there is no way I can remove the stuff in my shoes or waistband—but I figure that if I can slip in the baggie from my pocket—the one that fell on the floor in Immigration—Jiep will have something to sell once she gets back to Vancouver.

"Go ahead," the customs officer says, as he opens some cassette cases.

I have to play this just right, I think, looking over at the two officers to my right to make sure they aren't watching. I have to keep an eye on the guy going through our bags too—not to mention the string of officers at the other tables and the ones behind the one-way mirror about 50 feet away. I start folding up clothes and casually reach into my pocket and palm the bag of smack. With my eyes darting from officer to officer, I pull my hand out of my pocket and place the baggie in the middle of a shirt as I stick it back in the blue bag.

I finish packing up and, feeling brave after my first success, decide to try it again. When I am sure no one is watching, I quickly reach down the front of my pants and pull another ounce from my underwear. I fold that in with a pair of my wife's jeans and place them in the bag. I don't dare look up. I can feel the seconds ticking

by. I expect any moment to be grabbed by my arm and asked, "What the hell do you think you're doing?"

Nothing. No one has seen a thing. Jiep and Lina are still in the back room, and there is still one more ounce in my underwear. I figure I'll give it a shot. This one is more difficult because it has slipped around to my ass, and I have to reach down the back of my pants to get it. I manage to grab it and wrap it in a T-shirt that I stick in a third suitcase. I can smell my own sweat. Now I have to find a way to let Jiep know about the stashed smack. She still has to get them across the Canadian border.

Then I see the female customs officer bringing Jiep and Lina out from the back. Lina runs over to me, trying to keep her balance, and I scoop her up into my arms. Turning to Jiep, I whisper to her in my less-than-perfect Thai, indicating the three bags. She hides her surprise with a barely perceptible nod; I resume packing up our stuff, waiting for the call to go to the back room. I see the woman go over and talk to the two officers who have our passports. They confer for a moment, and then one of them walks over to us and says:

"Okay, you can go now."

I am not sure I have heard him correctly, but he hands me our passports and motions us along. I can't believe it.

"They can go, Frank," the agent says to the man who has been searching our stuff. All that remains is one more bag—and me. There is no reason on Earth for them to stop now. I look at my watch. We have been there for nearly an hour, and now they are letting us go. It is all I can do to keep from breaking out in a big grin and dancing a jig.

As we ride the shuttle train to the other part of the terminal, Jiep tells me that the woman looked in her bra and panties, but stopped short of an internal search; she looked in Lina's diapers and asked a lot of questions. I guess Jiep had the right answers.

* * *
A couple of months later, I sit on my bed, counting piles of 20s, 50s and 100s. Even though Jiep and I are smoking \$1,000 worth of heroin every day, we still have nearly \$100,000 in cash.

I think about the *maw doo*. She had said that I was going to make a lot of money this year, but that "it would be very dangerous." Then I remember the two turtles we rescued from the market and let go in the lake. As a group, smugglers may be as superstitious as baseball players. I guess you could say that I have become a believer. 🐢

"If it were a real pussy, it would be able to lick itself!"

"Just remember—payback is a bitch!"

Victoria knows that if she's not near the phone when her master calls, she will be punished. She maintains her vigil, hoping he doesn't make her wait too long.

As she prepares for his eventual arrival, she feels the moisture starting to seep from her nether lips. Although she's forbidden to, she gives in to her desire, exploring her body with growing abandon.

Whether by accident or design, her cries of passion are just loud enough to drown out the telephone's ring. Her master is coming home.

Three women died and went to the pearly gates, where Saint Peter told them to remove their clothes for religious purposes.

"Now, why do you have the letter H on your chest?" he asked the first woman.

Blushing a bit, she answered, "When my husband and I made love, he always wore his Harvard sweatshirt."

"And why do you have an A on your chest?" he asked the next woman.

"My husband always wore his Alabama sweatshirt when he was in the mood," she explained shyly.

"And you? Let me guess," said the saint. "Judging by the M on your chest, I would say that when your husband made love to you, he wore his Michigan sweatshirt, right?"

"No," she smirked. "He went to Wisconsin."

One day while a doctor, a lawyer and a priest were visiting an elementary school, a raging fire broke out.

The doctor cried out, "Save the children!"

The lawyer responded with, "Fuck the children!"

The priest asked, "Do you think we have time?"

As the Avon lady strolled up the sidewalk to Billy's house, she saw his wife engaged in a bloody battle with a rabid dog. Billy stood a fair distance away with a shotgun in his hands, watching his wife get mauled by the ferocious animal.

"For God's sake!" screamed the Avon lady. "Shoot the beast!"

"Not just yet," said Billy. "The dog might save me the trouble."

Question: Why are animal-rights activists more violently opposed to fur than to leather?

Answer: Because it's much safer to harass rich old women than bikers.

A woman showed up at a masquerade ball stark naked. The doorman stopped her and said that her lack of attire was not a problem per se, but that everyone was expected to be in a costume.

She left and returned a few minutes later wearing nothing but black shoes and black gloves.

"See?" she asked. "Now I'm the five of spades!"

It was after 2 a.m. when Joe stumbled homeward after a night of heavy drinking. Trying to find his way through the dark streets, he staggered along until he lurched into a nun. He immediately lunged at the poor woman, twisted her arm, threw her to the ground and pinned her down.

A patrol car spotted the assault and rushed to help the floored woman.

As they pulled the thrashing Joe off her, he slurred, "Hell, I thought you'd be a lot tougher than that, Batman!"

Question: How do you get a dog to quit humping your leg?

Answer: Suck his dick.

After a three-month affair, a young woman called her lover and announced she was pregnant.

"That's too bad," he said. "Consider it my parting gift to you."

"Well, I also got back the results of my blood test," she said. "Let's call it an even trade."

The man asked his beautiful new bride, "Now, be honest with me, my darling. Am I the first man you ever slept with?"

"Of course not, silly," she replied. "I would've recognized you."

A shy woman went to a doctor's office for a physical examination. She insisted that the male doctor turn out the lights before examining her.

A moment later, she asked, "Hey, where are all my clothes?"

The doctor replied, "I put them over there on the table, right next to mine."

In Pastor Richard Girnt Butler's Church of Jesus Christ Christian Aryan Nations, the cross and the swastika are united, and prayers are made with a Sieg Heil salute. The good news Pastor Butler preaches is that race war is coming to America. Each summer the Pastor's Christian Identity followers—an assortment of skinheads, Nazis and Klansmen—gather at his Aryan Nations compound, in Hayden Lake, Idaho, to celebrate white pride under the warm glow of flaming crosses. This past July, at the 1996 Aryan Nations World Congress, HUSTLER was on hand to observe the festivities.

AMERICA!

NEO-NAZI CHRISTIANS AND THEIR QUEST FOR AN ARYAN NATION

REPORT BY WALTER GAHAGAN
PHOTOGRAPHY BY NANCY SOFTWICK

The gospel according to Pastor Richard Butler is bringing people together. Young, urban skinheads, rural Nazis and Klansmen from the South are putting aside their petty differences to unite in pursuit of a larger vision. Race war and a purified nation are in the offing, and picking on some little Jap or Chink is no longer enough.

Pastor Butler calls his religion Christian Identity, and its tenets are simple: White "Aryan" Americans are God's chosen people. There will be a race war. Blacks and all other nonwhite "mud people" will be kicked out of America. The Jews will be exterminated.

In 1983, nearly a dozen of Pastor Butler's followers put the Aryan Nations on the map by forming a secret army to ignite the prophesied conflagration of the races.

The war began in an adult bookstore in Spokane, Washington, where members of the group burst in with guns, sucker punched the clerk and made off with \$379.10. It was not an auspicious beginning. The pipe bomb they set off at a local synagogue failed to kill anyone, and the counterfeit money they had printed on the Aryan Nations printing press—normally used to run off their raving, misspelled hate literature—was spotted as bogus as soon as they tried to pass it.

The Aryan Christian soldiers had better luck murdering a Jew. They ambushed Allan Berg, a Denver talk-radio personality famous for belittling the far right on the air, and shot him dead outside his home with multiple rounds from a MAC-10.

Neo-Nazis

The other sentry is a scarred, tattooed skinhead with a broken-tooth, checkerboard grin. "Welcome to the one place in America you can be free and white," he greets a visitor.

The white supremacists successfully robbed a series of armored cars and filled their coffers with enough loot to buy land for paramilitary training camps, purchase weapons and supplies and donate \$40,000 to Pastor Butler's Aryan church.

One Aryan Nations member was sentenced to death for boasting about the group's exploits in a local bar. His Christian Identity brothers lured him into the woods and beat his brains out with a sledgehammer, then shot him in the back of the head.

The crime spree—or race-war operation, as the perpetrators saw it—came to an end when the FBI traced a gun used in a Brinks-truck heist to one of the members. Twenty-two race warriors were hunted down and arrested.

The government was unable to prove any direct connection between Pastor Butler and the crimes committed by his acolytes. He was charged with sedition, but was acquitted after a lengthy trial—saved by the First Amendment.

* * *

The 1996 Aryan Nations World Congress begins on a warm July day in Hayden Lake, an astonishingly beautiful land of crystal waters, blue mountains, golden fields and prestigious golf resorts.

Down Rimrock Road, an unpaved

track marked by shot-up DO NOT DISCHARGE FIREARMS signs, FBI agents sit in unmarked vans, watching the entrance to the Aryan Nations compound.

Screened off from the road by pine trees, nestled in a woodsy clearing, is the small-steepled Church of Jesus Christ Christian Aryan Nations, with attached offices and outlying cabins. An ominous guard tower, hung with a swastika banner, gives the place the feel of a concentration camp—or the set of *Hogan's Heroes*.

A WHITES ONLY sign is posted on the guard shack at the entrance to the parking lot. Two teenage sentries stand outside, checking IDs. One of the sentries is a sullen 15-year-old boy named Clinton Mathews. His father led the infamous band of Christian Identity race warriors and was burned to death in a shoot-out with the FBI.

The other sentry is a scarred, tattooed skinhead with a broken-tooth, checkerboard grin. "Welcome to the one place in America you can be free and white," he greets a visitor.

Members of the Aryan Nations security detail, paunchy, middle-aged men in blue storm-trooper uniforms, display equal good cheer. "Hey, we're white people," a grinning swastika saluter implores. "We're not rabid; we don't bite."

"Once you see what's going on," drawls a stringy Southerner with yellow hair and tobacco-stained teeth, "it's kind of catching."

A wooden platform is set up on the lawn for Pastor Butler's first address of the Congress. Fifty to 60 Aryan Nations followers are assembled on the lawn, dressed in odd costumes—men clad in assorted Nazi regalia, skinheads in Doc Martens and bomber jackets, and young girls who wear folkloric, 19th-century religious costumes with bonnets and aprons, like Amish maidens, but accented with swastika jewelry. It's as if patrons from a fetish bar have emerged into broad daylight and are giddy with the excitement of showing off their private quirks in public for the first time.

Pastor Butler strides to the platform in a somber, brown business suit, looking fit for his age of 74. A hush spreads among the followers, and they turn their rapt attention to the platform. Butler's features are stern as he begins his speech. His eyes gaze majestically into the horizon. He lectures about Jewish conspiracies, treasons committed by the U.N. and race war. "This land shall be cleansed," Butler promises. "There will be a lot of blood running one day. This land shall again become white and Christian."

Audience members nod assent as Butler explains the Aryan Nations' view of world history. The white race lost the second world war. No peace treaty was ever signed with Germany, and Hitler's Third Reich still exists—though nobody in the Jew-controlled media will report it.

"Good men are coming forth," Butler assures his listeners, "solid men, men with iron wills, men who are determined that their race is not going to die."

Hearty applause greets the conclusion of his speech. Over the next three days, right-wing leaders from across the land will regale the assembled visitors with nearly two dozen speeches. Outsiders from the press are barred from attending, but individual Aryan Nations members are happy to share their stories with reporters, and for a \$100 fee, Butler will grant a private interview to anyone who dares to listen.

Pastor Butler's office is cluttered with conspiracy books, pamphlets and stacks of correspondence from Aryan Nations followers from around the country. Portraits of Hitler are everywhere—a stern-faced Hitler in his military uniform, a businesslike Hitler in a brown civilian suit (much like Butler's) and a lovable

NATALY

PHOTOGRAPHY BY MATTI KLATT

All alone in the Provence countryside, half-French Nataly has time to let her imagination roam and her fingers wander. Today she indulges her favorite fantasy: playing the role of the innocent caught up in the prevailing winds of war. Her country is vanquished, the government in hiding, her defenders dead or captured. Alone, she awaits the arrival of the occupying forces and the indignities she imagines she will suffer at their hands.

Will she be tied up and forced to reveal her deepest secrets?

Will she become a pawn for the amusement of the barbarians? She knows that her only hope for survival is complete submission to their will—a price she is prepared to pay.

Neo-Nazis

According to Butler, it was a Jewish trick to claim that Jesus was a Jew; he was an Aryan. The Israelites were not Jews; they were Aryans. Hebrew is not a Jewish language; it's Aryan.

Hitler at play with his dog. The pastor's own dog, Hans, lies at his feet under the desk, growling every time footsteps approach.

Pastor Butler leans back in his desk chair, hands clasped behind his head, and delivers his opinions as if they're self-evident truths, obvious once revealed.

"Nazism and Christianity are two sides of the same coin. The SS was a Christian organization.

"Homosexuals are mostly Jewish. The cure, of course, for homosexuals is death.

"The Oriental knows not to mongrelize with other races. You have your exceptions, like that Connie Chung who married a Jew."

He tells a story about a friend whose son was recently eaten by black cannibals in the Bahamas and talks of black doctors in South Africa routinely performing organ transplants by stealing livers and lungs from living white donors. "They say the screams of the white victims strengthen the organs that the blacks are receiving. Of course, when they eat part of a white man, they believe that they're getting his strength and knowledge too."

Richard Butler was born in Colorado and studied aerospace engineering in Los Angeles. Following the second world war, where he served in India as an aircraft

technician, Butler settled in Southern California and worked in the aerospace industry.

Throughout the 1950s and '60s, Butler was active in far-right causes, participating in dozens of cross burnings and neo-Nazi rallies. During this period, he came into contact with the Christian Identity teachings of Wesley Swift.

Swift, an ordained Methodist minister who spouted Aryan propaganda from the pulpit of his Hollywood, California, church, taught that Jews were spawned by Satan. Nonwhite races, called "muds," belong in the animal kingdom. Only people of Aryan descent can claim to be God's children, his chosen people.

In the Christian Identity telling of world history, the white man is the perpetual victim of a diabolical Jewish race. According to Butler and his flock, it was a Jewish trick to claim that Jesus was a Jew; he was an Aryan. The Israelites were not Jews; they were Aryans. Hebrew is not a Jewish language; it's Aryan.

Butler cites a considerable body of conspiracy literature—much of it printed by him on the Aryan Nations printing press—proving that the Jews brought all the slaves to America, that the Founding Fathers were anti-Semites and wanted to expel the Jews from America, and that

the Federal Reserve Bank and United States Marine Corps are owned by Jews. It's fitting that the same printing press used to produce counterfeit money also produced so many of these bogus historical documents. Some of these forgeries are spotted as easily as the funny money was. An anti-Semitic speech attributed to Ben Franklin, for instance, uses phrases not found in the English lexicon until the 1930s.

In the coming war prophesied by Pastor Butler, most races—blacks and all the other "mud people"—will be spared from death, so long as they get out of America. The Jews are not so lucky.

"If the Aryans win, there won't be any more Jews," Butler says.

A skinhead office boy enters and stands respectfully at attention to ask Butler a question about prison-inmate correspondence.

As the skinhead leaves, Butler gives him a paternal smile. "The skinheads who come here resent what's been taken from them by the Jew. But they're not dressed like street bums coming out of a trashy ghetto. What they have on is clean, it's good, and everything is in perfect order. And they realize that picking on some little Jap or Chink isn't the answer.

"In America today, the children talk back, sass to get their own way and take drugs.... They dress in run-down shoes, with their hats on backward. Whereas the Germans were taught to dress up, to look like somebody."

Pastor Butler lays the blame for the degeneration of social values on the Jewish influence in Hollywood, citing the movie *Independence Day* as an example. "A nigger and a Jew save the whole white race!" Pastor Butler says, outraged at the preposterousness of it.

Even lower than the Jews are traitorous whites, the "wiggers" or "white niggers" who sell out the race by promoting interracial sex. One of the worst wiggers, according to Pastor Butler, is HUSTLER Publisher Larry Flynt.

"I understand there was a chain-link fence between where Joseph Paul Franklin was shooting and where Larry Flynt was standing. The bullet grazed the chain-link fence and was deflected a little bit so it just paralyzed him. Which is too bad." Butler leans back and guffaws. "But I guess he's going to suffer for the rest of his life."

On Saturday night, Butler and less than a hundred of his followers stage a triple cross burning by the hill outside the

Neo-Nazis

(continued from page 100)

"The Jewish bloodline cannot exist without an Aryan host. After three generations of Jew breeding with Jew, they produce defects, blood disorders—they come out all messed up."

compound. Crosses made from 30-foot-tall trees are wrapped in burlap and soaked in kerosene. In the flickering light and intense heat thrown off by the fires, Pastor Butler performs a wedding ceremony for two young followers from Pennsylvania.

The bride, a petite, 21-year-old nursing student with long, blond hair, wears a white Victorian dress, purchased at a thrift store. The groom, a lanky 22-year-old, wears an SS uniform, complete with Sam Browne belt and swastika armband.

Pastor Butler recites traditional vows and pronounces them "Aryan man and Aryan wife."

Jason, the groom, is an "aquatic technician," or pool cleaner, currently unemployed since losing his job due to what he calls "religious persecution."

Rebecca, the bride, elaborates: "His boss told him he was fired all because he dropped a radio in a pool, but we know the real reason."

Jason credits his interest in the Nazis to a childhood fascination with World War II, which he thinks occurred sometime in the 1950s.

He never graduated from high school because he was thrown out by a "Jew principal."

"I got tired of my teachers always try-

ing to make me look dumb in front of the other students," Jason says with a sigh.

The chance discovery of an Aryan Nations pamphlet prompted Jason to make a Forrest Gumpian journey walking across America. When he arrived at the Aryan Nations compound, he was dismayed to learn that there was only a handful of followers living on the premises. Someone had told him there would be a community of thousands.

He nevertheless stayed on for a year, putting his education in the hands of Pastor Butler and working as a "grounds supervisor."

Upon his return to Pennsylvania, Jason met his bride-to-be, Rebecca.

Since Rebecca's parents are currently paying for her college education and are opposed to both her beliefs and the idea of her getting married, the couple plans to keep the wedding a secret.

"My family has a lot of problems," Rebecca explains. "They're very multicultural."

"Her brother goes out with a Jew," Jason says with contempt.

"She's a Russian-Communist Jew, and she's ugly." Rebecca scrunches her face with distaste. "She goes against her people all the time. She never goes to synagogue, and she practices Christmas."

"Doesn't that sound like a Jew?" Jason adds. "They want the best of both worlds."

"She preys on my brother like a parasite," frets Rebecca.

"See, it's a basic, scientific fact," Jason lectures, showing off some of the learning he acquired from Pastor Butler during his year of study. "The Jewish bloodline cannot exist without an Aryan host. After three generations of Jew breeding with Jew, they produce defects, blood disorders—they come out all messed up. It's a proven fact they need to breed with us—Aryans—in order to live. You can't imagine what a Jew would look like mixed up with an Oriental or an Asian or a Negro. It would be hideous."

* * *

Hannah, a stout, 20-year-old Aryan mother of two, with a pudgy face and a pug nose, stands in the bright sunlight outside the Aryan Church hall, explaining her conversion to Christian Identity as a miracle. "When I was 16, I was trying to kill myself. I overdosed on Prozac. I should have died, but Yahweh [the Christian Identity name for God, taken from the Hebrew] gave me a miracle. He gave me a child. I started studying Identity when he was in my belly,

ENTER THE **BEAVER HUNT VIDEO CONTEST** AND **RAID HUSTLER'S VAULTS FOR \$5,000!**

It's your turn to take a shot at the \$5,000 *Beaver Hunt Video Contest* Grand Prize. Throw a VHS tape into the camcorder and capture your Beaver fucking, masturbating, being sucked, being shaved or simply looking pretty. The only limits are your kinky imagination! All participants must fill out the Model Release Form on page 110 and include photocopies of two forms of identification. Send Release Form, IDs and videotapes to *Beaver Hunt Video Contest*, 8484 Wilshire Boulevard, Suite 900, Beverly Hills, CA 90211. If your tape is chosen for the upcoming *Beaver Hunt Video* series, you'll receive \$500—and a chance at the \$5,000 Grand Prize. Let the cameras roll—the video *Hunt* is on!

"Actually, he's not much of a pool man—but the wife likes him!"

Beaver Hunt

Flash for Cash!

Attention, ladies! The 1997 Beaver Hunt Grand Prize Competition is looking for you! Snap a clear, color picture and mail it to HUSTLER Beaver Hunt, 8484 Wilshire Boulevard, Suite 900, Beverly Hills, CA 90211. Every lady whose picture we print gets \$250 and a chance at the 1997 Grand Prize—a photo-feature worth \$5,000. Grand Prize Finalists win \$1,500 each. The award for the photographer of the Grand Prize Winner is \$500, and the Finalists' photographers win \$250. Fill out the model release below, and include a photocopy of (1) a photo ID and (2) another form of ID. All photos become the unreturnable property of HUSTLER Magazine.

This green-eyed beauty is Holly from San Jose, California. A 24-year-old dancer, Holly spends most of her free time toning up this fantastic body with a strict exercise regimen. Her penchant for nude hiking and sitting on hard logs must not be overlooked either.

Photo by Friend

When Stephanie comes to the office, her Huntington Beach, California, co-workers must fall prey to her beauty and grace. Her toned, tanned body is the result of time spent swimming, cycling, horseback riding and nude sunbathing. She dreams of forcing her boyfriend to watch as she services two men and a woman. That certainly sounds like punishment for something.

Doe-eyed Chrissy hails from the Garden State of New Jersey. When she's not busy sunbathing or riding her bike, this 22-year-old prefers more intimate indoor activities. She hopes to someday enlist the help of a female friend in giving her boyfriend a night he'll never forget. It shouldn't be too hard to find a woman who'll help part Chrissy's pink.

Maryann, a technical writer from Leavenworth, Kansas, seems to defy the aging process. This 31-year-old beauty exhibits the lovely musculature of an 18-year-old. Those piercing blue eyes must come in handy as she pursues her main hobby: Marines. Maryann fantasizes about doing a love scene with Ashlyn Gere and a sexy hunk.

Photo by Friend

Internet users can rest easy knowing that there's at least one real-life gorgeous woman prowling on the electronic highway. Danielle, 26 years old, works as an administrator in San Jose, California. When she's not on the Net, she enjoys dancing, ballet and movies. This cyberbabe is a prime candidate for serious downloading.

Photo by Husband

Sara is equally at home slinging drinks in a Chicago, Illinois, nightclub or flashing that winning smile, among other things, for **HUSTLER**. Although she's married, her significant other might not mind sharing this beauty with a deserving soul. For now, we'll settle for the charms she's sharing here.

Photo by Husband

As an aspiring model/actress/dancer, Alexa is growing accustomed to taking directions. Thankfully, she already enjoys most men's favorite activities, listing "fucking, sucking and oral sex" among her hobbies. Surely this 32-year-old Pittsburg, Pennsylvania, native's star is on the rise. She longs to feel the forbidden fruit of double penetration and is seeking scene partners to indulge this fantasy.

Photo by Friend

Amanda certainly isn't shy about showing off her backside. A 22-year-old homemaker from Lawton, Oklahoma, she enjoys fishing, hunting and taking care of her son. Amanda fantasizes about screwing her husband under a waterfall in front of a crowd of onlookers. Water, water everywhere, and a crowd to sit and stare.

Photo by Husband

A raven-haired vision, Izzy is pictured here showing off her sensitive side. A native of Weirtheim, Germany, Izzy claims she never wears underwear and fantasizes about having a threesome involving two guys or a couple. Currently living in Augusta, Georgia, this 19-year-old seems to be enjoying the fashion freedom that our warmer climate allows.

Photo by Friend

Although she has no apparent hobbies or fantasies, Sherry still managed to spark our interest. Perhaps it's her petulant little sneer or the fuck-me pumps. Maybe it's that perfectly formed posterior. In any event, this 28-year-old Knoxville, Tennessee, resident was a shoo-in for this month's *Beaver Hunt*.

Photo by Friend

An avid sports fan, 31-year-old Anna is a sight to behold. When she's not watching organized athletes or her children, this Cincinnati, Ohio, native coaches gymnastics and cheerleading. She fantasizes about getting caught by a hidden camera while making love to her husband. Who wouldn't want to get in Anna's game?

Photo by Husband

This lovely Southern belle is Paige, a 25-year-old day-care worker from Atlanta, Georgia. When she's not making her boyfriend the happiest guy south of the Mason-Dixon line, Paige enjoys cooking and dancing. She fantasizes about conducting a little marine biology with her aforementioned beau on a deserted beach.

Photo by Boyfriend

Sky, a 24-year-old dancer from Elyria, Ohio, certainly is a breath of fresh air. A big fan of the nocturnal arts, Sky enjoys shooting pool, playing darts and having sex. She'd love to spend some time in Jamaica, romping with her boyfriend beneath the stars on a tropical beach. For our money, Sky is the limit.

Photo by Boyfriend

Bea, a 24-year-old waitress, enjoys shopping, sunbathing and dancing. This Philipsburg, New Jersey, native fantasizes about making it with her fiancé on the white sands of a tropical beach. If things get too hot, she'll cool off in the ocean. Anyone feel like taking a plunge?

Photo by Fiance

If you ever find yourself in Baraboo, Wisconsin, be sure to try to catch Starr. This 30-year-old femme fatale is a dancer who enjoys shopping, walking her dog and taking vacations. She often fantasizes about having sex with two guys at once, followed by a full-body rubdown. Starr light, Starr bright, I wish I may, I wish I might.

Photo by Boyfriend

Next time you see a warehouse worker, don't be afraid to take a closer look. You might unwrap those coveralls to find this lovely piece of Candie. Listing as her hobbies "sucking cock, eating pussy and making fuck flicks," Candie has got to be one of the more popular girls in Columbus, Ohio. Her sexual fantasy involves donating her 28-year-old body to a rock group for a monthlong road test.

Photo by Friend

The incomparable Zoe is dancing her way into hearts all over the metropolitan Minneapolis, Minnesota, area. This remarkable 21-year-old enjoys nude sunbathing, painting and bisexuality. Her favorite fantasy lovers are Madonna and the artist formerly known as Prince, although she confesses a deep fondness for HUSTLER Editors as well. We think Prince'd change his name back for a chance to sample Zoe's treats.

Vintage Ladies of XXX

See these Sophisticated Sirens practice their passions on eager young hunks!

From **VIDEOMAIL**

9 Long Hard Scenes Nearly 1 1/2 Hours Only **\$9.95!**

These golden oldies give a classic spin to America's favorite dirty dance. It's 3-part harmony as Rose and Kitty take their conductor's instrument between breasts before climbing his extended scale to reach high notes of ecstasy. A love-starved honey explodes in wet orgasm while crooning "thank you's" for

a doggie style backdoor session. Tony Montana has both hands full with his big, lovable and horny date as he checks out her box-set. Then it's a full symphony of sex with 6 women and 5 studs conducting wet licking and deep pumping to reach a crescendo of pent-up passions.

The most advanced, easy-to-use system for **PENIS ENLARGEMENT and ERECTION CONTROL**

ever developed is now available...
The SUPRA-12 Dual System®
with the patented SENTRY™ Prolong Ring

Now you can **GET IT UP** with a speed you never thought possible;
you can **KEEP IT UP** at a phenomenally large size you never
thought possible; and you can **STAY HARD** for an incredible
length of time you never thought possible...

**YES! MEN REPORT MEASUREMENTS OF 9, 10,
EVEN 12 FULL INCHES ARE POSSIBLE...**
Watch your penis **GROW LONG, GROW FAT** and
GROW to new startling dimensions!

It's easy; when you follow these simple instructions.

1. ANY MAN, with ANY SIZE in its soft state, inserts
his organ onto the sleeve of the miraculous SUPRA
12 with the new SENTRY Prolong Ring for erection
mastery.

2. Begin the vacuum development phase; see your
flaccid, puny organ start to GET LONG, GET FAT,
BULGE and GROW... to new startling dimensions
of LENGTH & THICKNESS...

3. IS IT AS BIG AS YOU WANT? Good! Now simply
slip the SENTRY Prolong Ring to the base of your
penis. You can keep that long, thick hard erection
for as long as you wish!

HOW CAN THE SUPRA-12 DUAL SYSTEM INCREASE PENIS LENGTH & THICKNESS?

The phenomenon of male erectile response
occurs when external stimulation, applied to
the glans and penile shaft (see fig. 1) pro-
duces increased blood flow into the special
muscles which reside in the penis. The
increase produces turgidity and engorge-
ment with a corresponding increase in thick-
ness and size until the muscles are at full
capacity. By increasing capacity, the muscles
can hold more blood, producing a **SIGNIFI-
CANTLY LONGER, FATTER, and BULGING EREC-
TION**. This is the principle behind the SUPRA-
12, and it is simplicity itself! By using the sys-
tem and all the components supplied, and
flowing the simple directions, any man **CAN
ENJOY ASTOUNDING RESULTS** in augmenting
his natural penis size to the **VERY MAXIMUM
DIMENSIONS** of which he is capable!

**THE SENTRY PROLONG RING - THE
MARVELOUS "BONUS" OF THE SUPRA-12
SYSTEM THAT ALLOWS YOU TO "HAVE YOUR
CAKE AND EAT IT TOO!"**

No penis-building system is any good unless it
allows you to enjoy **LASTING INCREASES IN SIZE**,
right? This is where the beauty of the sensa-
tional new SENTRY Prolong Ring comes in - it
allows you to maintain your **NEW BULGING SIZE**,
and enjoy your hard, virile erection, for a per-
iod of time that will astound you - erection con-
trol for as long as you want! Not only that, but
the SENTRY is simplicity itself; sits quietly at the
base of the penis, and **never interferes with
penetration**, the SENTRY is your secret ally in
pleasure, allowing you to have intercourse,
penetrating to new depths, with an amazing
new level of rigidity never attainable before.
And then its removed in a flash. All this control
literally at your command, at your fingertips!

**THE BEST OF BOTH WORLDS: ULTRA-MODERN
TECHNOLOGY AND GOOD OLD-FASHIONED VALUE
- SUPRA-12 GIVES YOU BOTH!**

It's a fact: Other, inferior systems have half the
features as Supra-12, but sell at twice the price,
at the very least! Made in the U.S.A. these state-
of-the-art vacuum pumps are equal or better
than those prescribed by doctors that sell for
up to \$430. **ACCEPT NO SUBSTITUTES!**

UNUSUAL SEX PRACTICES

An Encyclopedia on Video Of Deviant Sexual Acts From A to Z
from **ANALISM to MASOCHISM to ZOOERASTY**

THE ABSENCE OF PHOTOGRAPHS ON THIS AD IS STRICTLY INTENTIONAL.

100% UNBELIEVABLE... BUT 100% TRUE!

This is the first time a program of this type has been offered to the general public. This is a comprehensive documentary on the dark, hidden "closet" of human sexuality and "forbidden" erotica. Things that were long suppressed, explicitly "taboo," are now revealed in graphic, uncensored detail, in a presentation that touches on every facet of so-called "abnormal" sexual behaviors. Subjects such as: Bondage; Ritual Sex; Body Modification; Incest; Cross dressing; Fetishism; Zooerasty; Bizarre Sex Practices, and dozens more! It is not our desire to offend the casual viewer, nor discourage those who have a genuine interest in expanding their knowledge.

Here are sample comments by some who have seen this videotape.

"I had always thought that some of this (subject matter) was disgusting, but after seeing UNUSUAL SEX PRACTICES, I realize that it's just another aspect of human nature." - Dale S. Memphis, TN

"It's unbelievable that women have had intercourse with [redacted] like that, I kept thinking about it for days after I saw your tape." - Claire D. Philadelphia, PA

"Seeing the chapter on [redacted] really provided me with some enlightenment, and helped me understand my own experiences as an abused child." - Denise D. Albuquerque, NM

"I thought I was unshockable! Then I came to the part on the syndrome known as ALGOLAGNIA. Do people really do things like that?" - Robert M. Chicago, IL

Neo-Nazis

(continued from page 108)

"I've taught my son to shout 'shibbia' whenever he sees a nigger on TV. In

Hebrew, our language, *shibbia* is the term for a biped beast."

and I found Yahweh.

"My little one came out saluting Yahweh just like this when he was born." She demonstrates by giving a Hitler salute.

Hannah is married to Bill, a wiry 26-year-old who wears his hair in a small ponytail that makes his odd SS uniform even odder. In the Pennsylvania town where Bill and Hannah live, Bill is a leading Christian Identity "teacher of Yahweh." He learned about Christian Identity from a friend in prison.

A sense of oppressive fear—of the world and of nonwhite people—weighs heavily on Bill. "We're in bondage until Yahweh's hand comes across the land. People say I'm paranoid, and I am. I have a lot of anxiety. If I go to the store, man, and I get around two big, black boys, my heart friggin' thumps. It's Yahweh telling me, *Get the fuck out!*"

"My whole life, I knew that I was special inside," Hannah cuts in, as her four-year-old wanders past. "Finding Yahweh explained to me why I'd felt that way."

Hannah picks up her son and kisses his cheek, gooey with a banana he's eaten. "I've taught my son to shout 'shibbia' whenever he sees a nigger on TV. In Hebrew, our language, *shibbia* is the term for a biped beast. I was at the supermarket,

and the lady doing the checkout was black, and he pointed at her, going, 'Mommie, Mommie, beastie, shibbia, beastie!'"

Before leaving, Hannah squats, lowering her wide girth into a curtsy. She looks up, smiling as she salutes Nazi-style. "Nazi curtsy for you!" She beams proudly. "I invented this."

* * *

During his career as a soldier in the United States Army, James A. Dillavou washed out of helicopter-pilot school due to color blindness, washed out of military-police training due to his criminal record and washed out of airborne-assault school due to bad knees. He never achieved a rank higher than private. In the Aryan Nations, however, his title is Major James A. Dillavou, commander of the North Central Territory.

Like others at the Congress, Dillavou, 25, comes from a broken home that fell on hard times.

"You know the banana seat on a Schwinn?" he asks, squinting beneath the visor of his black Aryan Nations cap. "My grandfather invented that, and Schwinn stole it from him. My family lost all its money."

Dillavou grew up in Southern California's San Gabriel Valley. His mother—dispossessed heiress to the

banana-seat fortune—went through a succession of marriages and supported the family by working as a waitress.

At the age of 15, Dillavou discovered white power and spent the next five years listening to Nazi punk, drinking 40-ouncers with his buddies and "fighting muds every other day." He and his friends dressed in the skinhead uniform of braces, Doc Martens and Dickies and carried around copies of *Mein Kampf* when they visited high schools to recruit members for their organization, Western Hammer.

At the 1996 World Congress, he makes his announcement that he has registered to run for political office in Iowa—campaigning as an independent in a race for state representative of the 34th district. "It's not like I can run on segregation," he says of his candidacy, "but I might be able to do something like bring the Bible back into our schools."

* * *

On a lazy Sunday afternoon down on the banks of Hayden Lake, several miles from the closing festivities of the Aryan World Congress, two scruffy 19-year-olds sit with fishing rods. One of them holds an out-of-tune guitar, playing Nirvana and Deep Purple riffs over and over as he tokes on a cigarette.

"The Aryans are a bunch of assholes," says one. "After high school, my friend Eric became an Aryan. He was a big boy; so they gave him the name Ogre and tattooed it on his hand."

"Mostly, they'd just sit around Eric's house drinking beer, talking about how they wanted to go to L.A. and 'take people out' like Jean Claude Van Damme in that movie *Hard Target*."

Flicking his cigarette into an empty wide-mouth beer bottle, the guy with the guitar says, "It's pretty stupid. They just need something to believe in."

* * *

The final act of the 1996 Aryan World Congress is the Soldier's Ransom. After prayers are offered to Yahweh, Nazi colors are raised and solemn tribute is given to the martyrs of the Aryan Nations' war—the brave men and women who have sacrificed their lives setting off bombs in synagogues, burning crosses in peoples' yards and assaulting strangers in the street.

When it is over, Pastor Butler pulls a reporter aside and offers these final words: "The press seeks to convince the people that we're losers, we have no agenda, and we're haters, bigots, discriminators. Well, the press isn't the people. I'd rather let the people decide for themselves what we are." ☹

"Crying? There's no crying in porn!"

ANOTHER SPIKE LEE MOVIE DOCUMENTING
THE PROBLEMS OF BLACK MEN IN AMERICA

When Chanel agreed to the photo shoot, she had no idea it was to take place on a sailboat. Once she realized—on the marina—that she was getting in over her head, she panicked, explaining her absolute dread of the ocean. An impromptu set was rigged in an adjacent boathouse. Secured in dry dock, Chanel finally felt free to flow.

"Fear is such a turn-on to me. I was terrified, but my heart is racing, and my pussy is dripping," sighs Chanel. "I wish we had some swabbies in here right now; they could batten down my hatches."

Whether she's taking on water or taking on sailors, Chanel may fear the ocean, but she has no problem with getting wet.

PENIS ENLARGEMENT

**MAKE YOUR PENIS HARDER,
THICKER, WITH ERECT
MEASUREMENTS UP TO 12
INCHES OR YOUR
MAXIMUM POTENTIAL!**

The following photos dramatically demonstrate an actual case history before and after using our powerful **Penis Pump**. The man demonstrating these increases is Chris Parker. His height is 5'9", and his weight is 135 lbs. The pump can be used by any man of any age, any height or weight for a longer, thicker, harder penis.

Before using the Penis Pump, Chris' penis is thin and small, about 3 inches

In this photo, Chris inserts his small penis into the pump.

Above, Chris has grown 2 to 3 inches but has not reached his maximum potential

Chris shows you his penis without the pump. There is a remarkable increase, but he can still grow and reach his maximum.

Look at Chris now! See how much longer, thicker and harder his penis is!

In this photo, Chris almost fills the entire pump. He is much thicker and 10 inches long!

A close-up look at Chris' thicker, longer, harder penis.

Even without an erection after using the pump, Chris' penis is much thicker and longer.

Our Penis Developer will increase penis length, thickness and make your erection harder and stiffer. Complete step-by-step instructions on our video and magazine. Do not accept any substitute. This is the original How-To-Penis Enlargement System developed over 20 years ago.

HUSTLER®

FOOLPROOF

HUSTLER in April showers you with love: Every tender, pink bud opens wide for a sprinkling of nectar. A caged sex cat goes into heat as mating season opens; an Asian dragon lady plucks the diamond from her lotus blossom; a trailer-trash brunette waters her girlfriend's bush, then trims the lawn; a cottontail leads us up her bunny trail to see what's in her basket; while a fertile blonde spreads her furrow and a plowing stud plants his root in her backyard. Spring is in the air, and HUSTLER's swarm of April Honeys are ready to pollinate. Stop and smell our flowers. They're waiting for seed.

RESURRECTION IN TEXAS

Is real country music dead and buried, or did it just go underground? In *Days on the Lost Highway: On the Road With Dale Watson and His Lone Stars*, HUSTLER Associate Editor Scott Smith strays from the middle road of corporate Nashville to hit the roadhouses, truckstops and honky-tonks that are home to country's new outlaw heroes. For old-time cowboys and young cow punks alike, the heart of American music isn't achy or breaky; it's alive and shitkicking.

BLOODY SON'S DAY

Two men go head to head. Driven by resentment and the will to dominate, they battle until only one walks away. They may sound like boxers, but they're fathers and sons, struggling for independence and control. In *Fathers and Sons*, correspondent Robert Mladinich reports on the volatile, twisted relationships that can bind pugilists to their fathers, who push inexperienced fighters to risk their lives or latch onto their golden-gloved sons, then guide Junior's career into the ground. Sometimes the toughest battle is the one you fight with your own flesh and blood.

MAKING CHICKS WHO LAY THE GOLDEN EGGS

Ever sit at a strip bar, wishing you could take home the knock-out taking it off? What if that dream came true, and you had to share her with a bunch of horny slobes like you? In "Suckers, Simps and Suitcase Pimps: The Stories of Men Who Date Strippers," *Sex Play* correspondent Chaz Worthington explores the paradoxical world of a stripper's man, where bedding a fantasy woman means facing some ugly realities. Also in April, *Bits & Pieces* has the cruelest mouth; *Erotic Entertainment* picks the wildest flowers from the stinkweeds; and *Beaver Hunt*'s furry friends come out of hibernation to greet the spring. Any fool knows: HUSTLER leads the parade with the biggest boobs, pinkest pussies and wisest asses of April.
