BITS and PIECES

ASSHOLE OF THE MONTH

Is former world-champion boxer and convicted rapist Mike Tyson a morally bad person, or is he simply a pathetic, emotionally queer mental cripple? No two observers have the same take on Tyson's sad record of atrocities, but the boxer has been crowned HUSTLER's November 1997 Asshole of the Month by unanimous decision.

Tyson, whose Muslim religion forbids him from eating pork, sinned gravely by chomping off a taste from both ears of reigning heavy-weight champion Evander Holyfield during the third and final round of their June 28, 1997, title rematch, which had been scheduled to go 12.

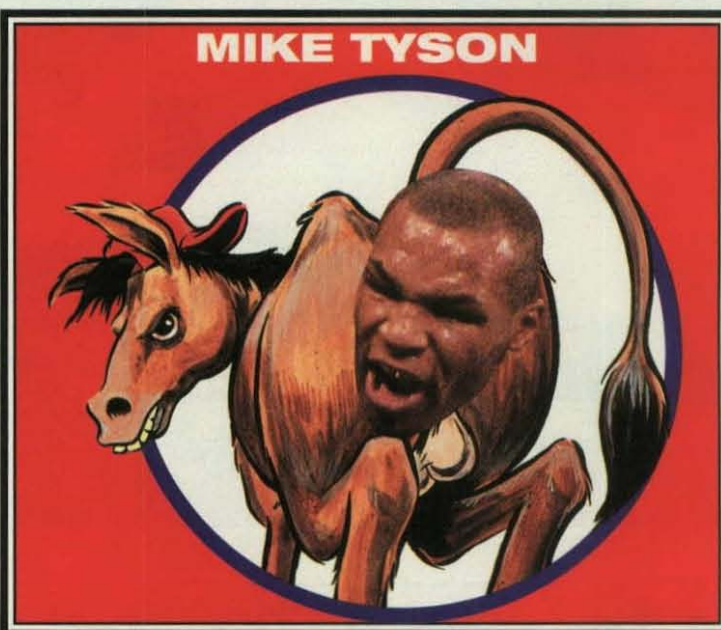

Holyfield is a devout Christian. Surely, Allah was not pleased that Tyson polluted his mouth with the blood of an infidel.

The furies unleashed a shit storm, raining hate upon the cannibal. As the man-eating pugilist was led from the ring after having been disqualified for teething on Holyfield, the fight crowd, cheated out of the next nine rounds, booed, spat and tossed their drinks. The disgraced battler reacted like a big, dumb jungle animal, climbing a scaffold and impersonating King Kong swatting at planes.

Audience outrage extended from high rollers paying \$1,500 for seats at the MGM Grand Garden Arena, to regular dicks who had shelled out 50 bucks for Pay-Per-View.

Iron Mike's payday was \$30 million for doing what any cranky two-year-old will do for free.

Contempt of Tyson resounded throughout the boxing establish-

ment and news media, spreading all the way to the White House.

"I was horrified by it," said President Clinton, without even waiting to take a poll: "And I think the American people should be."

Trainer Teddy Atlas worked with Tyson when the biter was a 16-year-old Junior Olympian. "Ban him from the sport," advised Atlas.

Newspaper columnists compared Tyson to a mad dog. Sportscasters called the man who had knocked out 39 professional foes "punk." Fight analysts reevaluated Tyson's place in boxing history. Granted, Tyson had punched himself into a heavyweight title at the unprecedented age of 20, but he had made his career with "easy victories over

scared fighters" and was "flattened" by the only talented big men he ever faced—Buster Douglas and Evander Holyfield.

The press reopened the Tyson Monster Files: Accusations of spousal abuse, an out-of-court settlement to a parking attendant who claimed Tyson assaulted him, charges of unwanted advances upon various women, the street brawl with Mitch "Blood" Green. All these blots were reviewed in a harsher, post-bite light. A rumor resurfaced that Tyson had chewed off the nipples of Desiree Washington, the Miss Black America contestant he was convicted in 1992 of raping.

The sickest part of the freak

show was that by the time the Nevada State Athletic Commission conducted its hearing to determine what portion of a 10% fine to levy against Tyson's \$30 million, people had begun to once more feel sorry for the embattled biter.

More than for thuggery in his private life or for explosive power in the ring, Mike Tyson is defined by consistently courting pity from the public.

At a prefight press conference: "I had an alcoholic and a pimp for parents." Looking around at his entourage of supplicants and sycophants: "I have no friends. Basically, I've been taken advantage of my whole life. I've been abused, I've been dehumanized, I've been humiliated, and I've been betrayed."

After the disqualification, Tyson pointed to a cut above his eye for sympathy: "This is my career. I've got children to raise. Look at me. I'm going to go home, and my kids are going to be scared of me."

Two days later, Tyson was back with a heart-wrenching apology: "I grew up in the streets. I learned the hard way because I didn't have the luxury of schools, or people, to help me when I needed it the most."

Mike Tyson, a predatory purse snatcher, was plucked out of the prison system to become the highest paid athlete in the history of sport. He has 30 cars and multiple mansions. All sorts of beautiful women want to fuck him. He is allowed to beat people up. And he wants us to feel sorry for him?

Pity is for pussies and Assholes. Pick which one you want to be, Mike.

Jeff Smith: Famous as public TV's fussy Frugal Gourmet, 58-year-old Jeff Smith has had three civil lawsuits, charging sexual abuse, filed against him since January. A total of eight men are suing the smarmy Methodist minister turned food fag, claiming that as boys they were subject to a pattern of molestation while employees of Smith during the

Farts in the Wind

1970s. Six witnesses have signed statements that they were privy to sexual advances from Smith. Washington State has a three-year statute of limitations in criminal sex-abuse cases, but an Asshole is forever.

Reverend Robert Schuller: The Crystal Cathedral Bible-thumper failed to convert a United Airlines

flight crew, though he did lay his hands on one steward. The flight attendant claims to have been shoved in an altercation over where to hang the Reverend's robe. Schuller's attorney claims the contact "was intended to be a gesture of friendship." As those kids might have said to the Frugal Gourmet, "If we're going to be friends, don't touch me, Asshole."

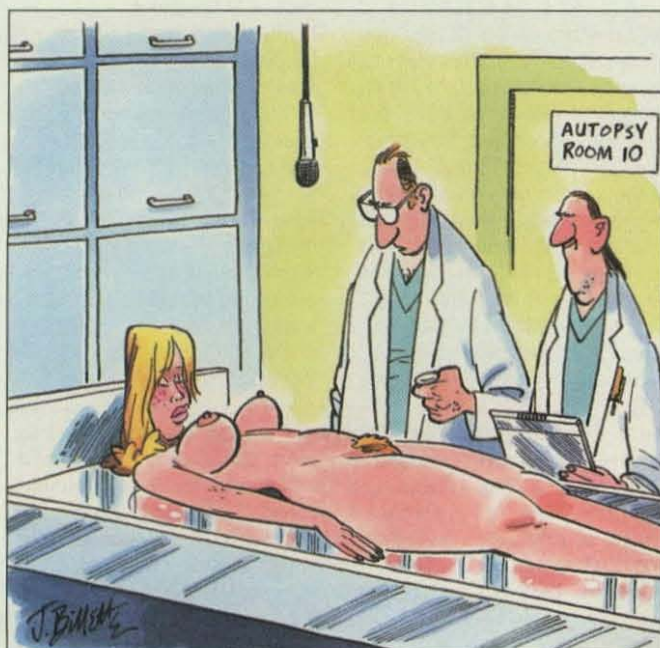

Tattoo Flue

Porn babes have never been known as great intellects, but their predilection for tattoos and piercings is particularly brain-dead. Nancy Vee, smut star of the splooge epic *Bat Bitch*, recently awoke from a stupid stupor to discover an embarrassing example of the needle and the damage done. Any sluts, skanks and skeeves considering "body art" in the near future, take heed: Tattoos on chicks can look pretty fucking dumb.

FEED BACK

The Paper of Wretch-ord

After reading the August '97 "Asshole of the Month," I couldn't agree more that the *New York Times* is lame, limp and deserves it up the poop chute with no grease. In a way, they are violating the First Amendment by telling us what to read and what not to. These guys' motto should be: "All the Shit That's Fit to Stink!"

—H. G.

Staten Island, New York

Free Tutoring

I am a 19-year-old college student who's been having bad luck with the females all my life. I was wondering if you can give me some advice on how to get the females to notice me.

—T. L.

Phoenix, Arizona

Fear not, young stud, help is here. Who better to advise you with your lack of love box than the Dr. Ruth of Porn, Jeanna Fine. Her column, Dear Slut, appears on page 14 and runs monthly in HUSTLER.

A Satisfied Reader

I was absolutely thrilled when I saw the photos of Marilyn Manson in your August '97 issue ("Marilyn Manson Caught Live and Untucked," *Bits & Pieces*). Although I have the interview and some photos which were captured by a British magazine back in 1994, I had never seen the photos that appeared in HUSTLER. Keep up the good work; I just had to write and thank you!

—N. N.

Bloomfield, New Jersey

Thank you, and you're welcome. Though, to be honest, we're a little baffled by that level of excitement for nude photos of Marilyn Manson.

Another Satisfied Reader

Fuck you. What the fuck makes you think I want to see pictures of that queer dick sucker Marilyn Manson in my girlie magazine? I don't buy HUSTLER to see hard dicks, you queers.

—P. O.

Jacksonville, Florida

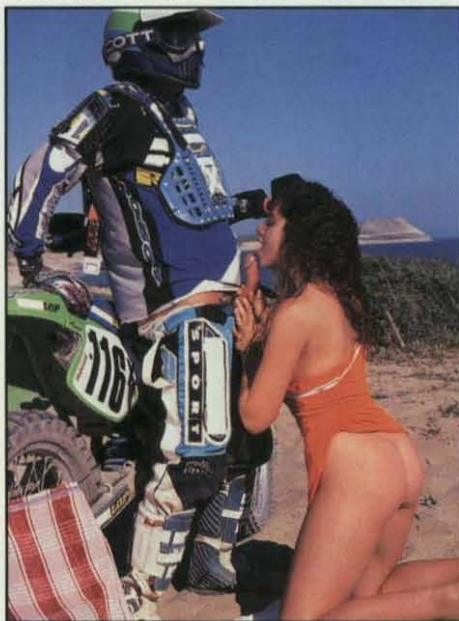

CONSUMER ALERT: When ordering merchandise through any mail-order supplier, minimize your risk of being disappointed by dealing only with mail-order merchants who accept credit-card payment and have a working phone number in their ads. Any offer that seems too good to be true is probably untrue.

You're trying too hard, P. O. We see right through that faggy name-calling and petty jealousy over Manson's fully frontal nude frolicking with a girl. Since you can't stomach queers, you'll hate Tara and Molly: Mouth to Mouth, on page 94 of this month's issue.

Freak Occurrence

Your August '97 issue was very good, especially the layout, *Jeff and Shelly: On the Beatin' Track* and *Leslie Ann:*

Jeff and Shelly: On the Beatin' Track

Fucking Primitive. I am very much into sex and nudity in wide-open outdoor places. Someday, I'd even like to drive around in a convertible car completely naked. It would be exciting and a little scary. I believe nudity and the great outdoors go together.

—J. P.

Brooklyn, New York

*J. P., we were excited to receive your letter. And also a little scared. You like convertible cars and the great outdoors? Together? See *Maya: Summer of Lovin'* on page 66. Is this coincidence or a great lost *X-Files* episode?*

Grounded

Your August '97 issue was to have pictures of a slutty stewardess and her high-flying girlfriend on the tarmac together. Then they weren't in the magazine. What happened?

—M. A.

Daly City, California

What happened is sensitive editorial information. As the old espionage axiom goes, "If we told you, M. A., we'd have to kill you." Let's just say those shots will now appear in next month's issue, and the world will be a safer place for it.

FEEDBACK

joyed *The People vs. Larry Flynt* and appreciate everything you have done to make it possible for me to look at pictures of naked women. I especially like images of women making love to each other. Perhaps someday I could even take part in this type of fun. I'm afraid that hope will never be fulfilled, for the simple fact is, I'm poor in a country where the rich get richer, and the poor get poorer. That's not to mention I can't get one woman, let alone two, to have sex with a low-income loser like me.

—B. R.
Moscow, Idaho

Buck up, B. R. As a reader of America's Magazine, you should know that there are two no-account sluts trolling for every loser out there. Your mission is to find that low pair. Happy hunting.

Old Cocks' Home

I'm sure you're going to probably find this letter a bit strange, but here goes anyway. Basically, I love porn. Old porn, new porn and anything in between. My question is this: How is it that you guys can keep track of all the old, worn-out hags, but when it comes to the fellas, there hardly ever seems to be a mention? What happened to the cocks that "took a lickin", but kept on dickin'?" For example, where are Steve Powers, Billy Dee and Kevin James? Is there a retirement home for aging male porn studs? If so, please send me the address. I'd like to send get-well cards to these heroes of days past.

—C. G.
New Paltz, New York

You might have trouble believing this, C. G., but no one cares where old cocks crawl off to die.

Beaver Bucks

I'm very interested in knowing how much a *Beaver Hunt* finalist makes and what qualities you're looking for. I read the *Feedback* section of the January '97 issue, and there was a potential Beaver who wanted to get into nude layouts, but she was small on top, like me ("Small Wonders"). What sort of chance do we have? Also, how do you make the gals' pussy lips look like a wet, open flower?

—L. S.
Wadeboro, North Carolina

*The only real way to know if you've got what it takes to appear in *Beaver Hunt* is to send your photos in (see the *Beaver**

Hunt Model Release form on page 112 for details). As for the glistening pussy petals, that's a secret our drooling photographers will carry to their graves.

Hoorah for HUSTLER

You guys have got to have the greatest job in America. Your July '97 issue had some of the sexiest babes a man could ask for. As a confirmed ass man, I had a hard time choosing between them. Toss in the *Beaver Hunt* winner, Sadie, and your magazine was a blockbuster from beginning to end. It took some serious will power to keep myself from shooting my wad all over the pages! Thanks for proving (again) that the best things about our country are pink on the inside.

—J. A.
Savannah, Georgia

Sexual Chocolate

I am a white male and a loyal, satisfied HUSTLER subscriber. However, I feel that you're not featuring enough of what I want to see the most: those super-sexy African American ladies. Prime examples have been the ultra-hot Nicola (*Nicola: Bitch's Brew*, January '97) and, most recently, the divine Safire Blue (*Beaver Hunt*, August '97). There's no question that these ladies just ooze sexuality; so

how about making more of an effort to feature black women? Please give this some consideration, and thanks for being such a great magazine.

—S. D.
Garden City, Kansas

Brother, we be doin' all we can. Our December '97 and January '98 editions will both cater to darker desires.

Career Counseling

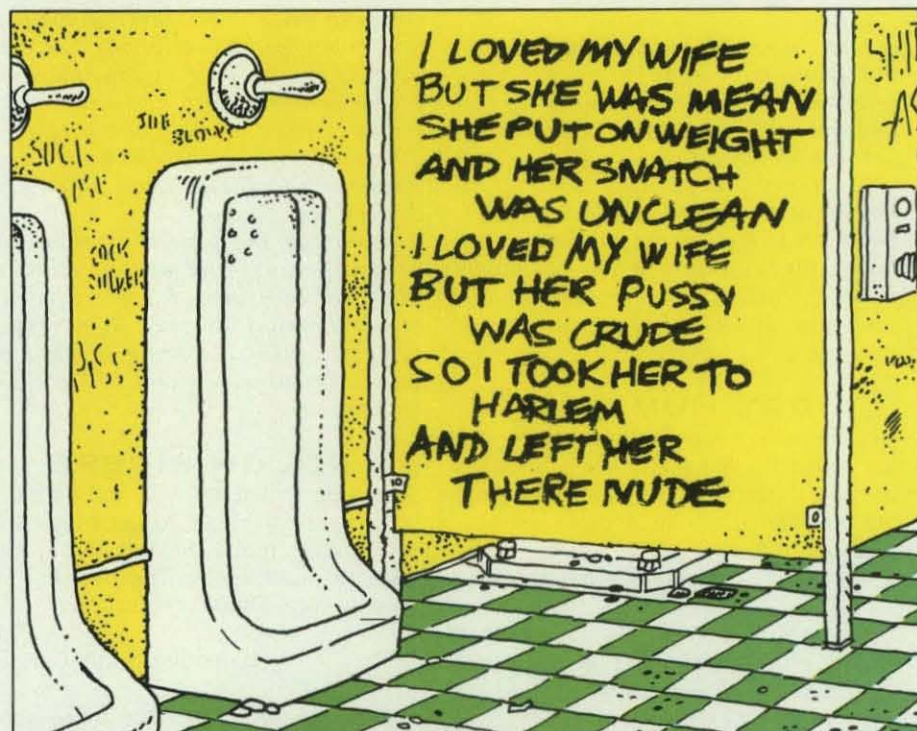

I am a young mother of two boys and have dreams of modeling. My boyfriend says that your *Beaver Hunt* is a good way to go, but my sizes are 40-38-40, and I am only 5-5. I just don't think I'd get far. What would you suggest?

—M. E.
Topeka, Kansas

*When it comes to anal sex or entering *Beaver Hunt*, HUSTLER's advice is always listen to your boyfriend.*

Do you have a comment or complaint? We want to hear it. Send your letters (typed or neatly handwritten) to HUSTLER Feedback, 8484 Wilshire Boulevard, Suite 900, Beverly Hills, CA 90211. Include a phone number if you want your letter considered for publication. Or E-mail at hustler@lfp.com.

Dear SLUT

JEANNA FINE TELLS THE FUCKING TRUTH

This month in her regular column, porn legend Jeanna Fine responds to readers seeking erotic enlightenment. She invites you to drop her a line and join her on the fearless quest for the fucking truth.

BIG PROBLEMS

I have a really big dick, and my girlfriend has a small pussy, which leads to some painful encounters. Is there anything we can try? —J. T.

Pueblo, Colorado

I've had this problem with huge cocks many times in the past. My suggestion is to experiment with different positions. Using a quality lube, try a "spoon," with your girlfriend in front and you in the back. Even better, let your girlfriend be on top so she's the one in control of the humongous dick that's working inside her.

Sometimes the memory of the pain will cause pain itself; so use extensive foreplay, allowing her to loosen up and feel more relaxed. This will help her forget any horrifying past experience with your monster dong. Also, don't be so macho as to say, "Check out my dick, baby, it's so big," to the point where you forget this is a very real, and potentially painful, problem. So be gentle, take your time and remember to give her lots of oral sex.

DRY HUMMING

Occasionally when I'm having sex with my girlfriend, her pussy's dry. She tells me she's into fucking and everything, but that sometimes the dryness just happens. Is she lying? —E. S.

Laguna Beach, California

Probably not. I've also experienced the no-wet problem, and it didn't matter even if my head was completely into the sex and I was extremely turned-on. Not all women are water faucets. If you fuck like you've never fucked before, and

your honey comes, is there a noticeable difference if she doesn't squirt?

Realize that she's definitely not lying if you're being a sensitive, giving partner, concerned about giving her pleasure. If she is lying to you, there are bigger problems than just your sex life, because that means your girlfriend doesn't feel like she can talk to you about what feels good and what doesn't.

Assuming she's being truthful, you need to perform oral sex and do things she likes; as always, I suggest lubrication and lots of foreplay. Remember, it is possible for a woman to have orgasms, be turned-on and still not be a gush factory.

ROUGH RIDERS

Sometimes when my wife and I are having sex, she asks me to get rough with her. I never really do, because I don't want to wind up hurting her, but she keeps asking. Should I whack her?

—C. C.

Hartsville, South Carolina

There are a lot of ways to go about providing pleasurable pain without giving your wife a black eye or a broken

nose. For example, when doing the Mrs. doggy-style, try spanking her. Slapping butt provides a safe form of physical contact and will probably leave her wet.

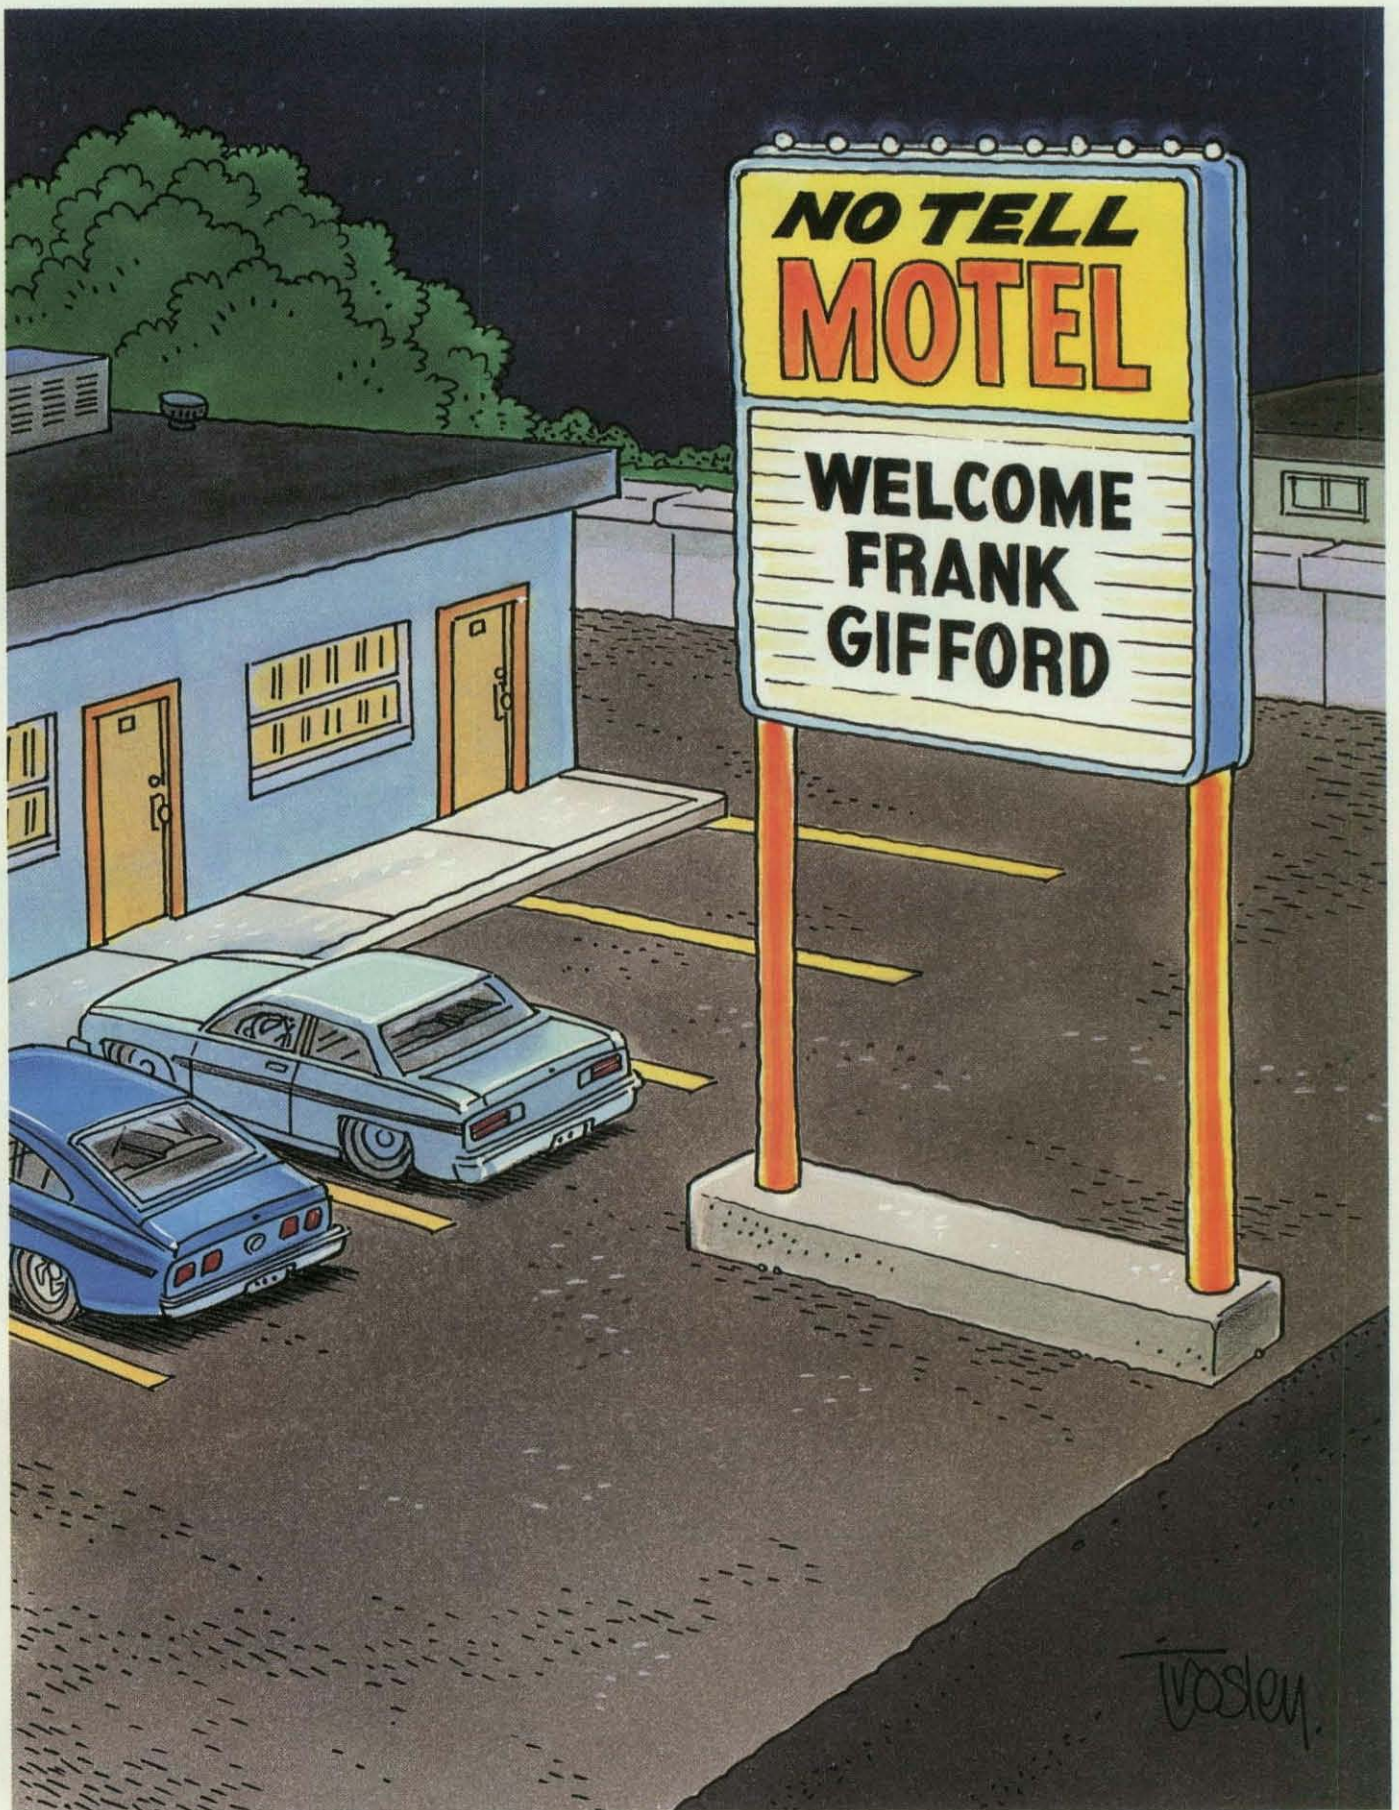

Hair pulling is another big turn-on for many women, but understand there is a specific way to do it. Start by wrapping your fingers in at the root of the hair. As you kind of massage the scalp, grab hold and apply pressure. Don't use a yanking motion from the ends. If done correctly, hair pulling produces a warm, tingling pain that will make her scream.

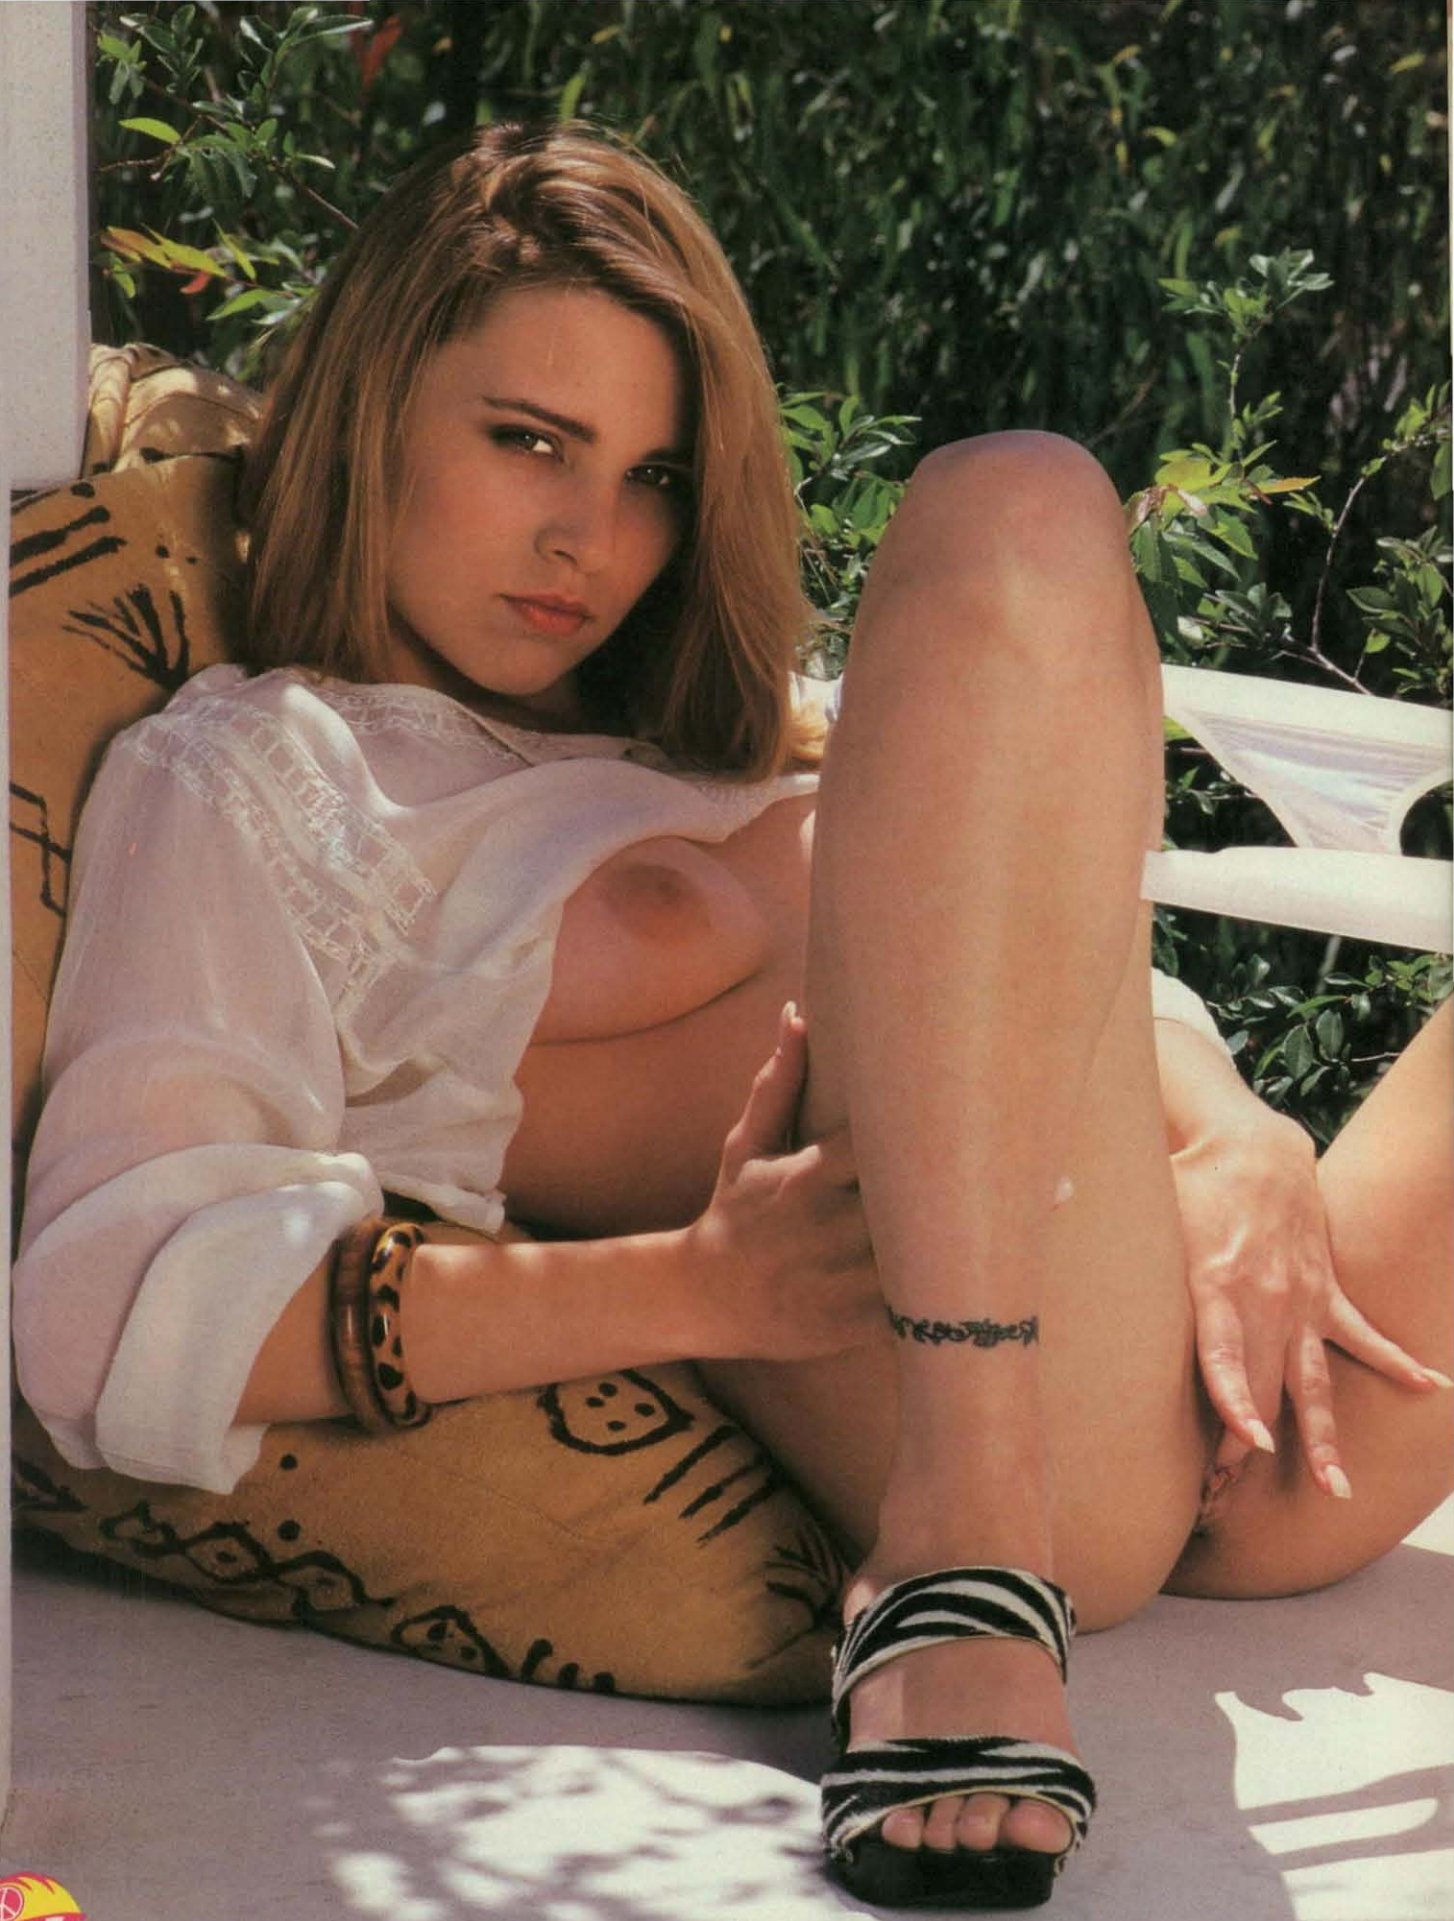

Another idea is the use of sexual aids. Utilizing materials found around the house, try pinning clothespins on the nipples. Then, if you feel comfortable in adult porn shops, pick up a soft leather paddle or velvet whip. Be sure to talk to a salesman for fun suggestions.

If your wife asks specifically to be hit, I'd have to caution you to be very wary. There are people who like to be hit in the face during sex, and there is a way to slap someone without causing any

Dear Slut

(continued from page 14)

If and when you do decide to blow your load in your sweetie's face, there is proper brow-spunking etiquette; don't merely fire away like a wild-eyed marksman.

harm, but please leave that to the professionals. For you, try spanking, sexual props and hair pulling first.

DON'T PUT AN EYE OUT

The other night my girlfriend was giving me a blowjob, but got mad at me when I pulled out of her mouth and came on her face. What's the proper etiquette regarding coming on a chick's face? —M. P. Tulsa, Oklahoma

First of all, discuss it beforehand, don't just spring it on her. Unless your girlfriend's a professional sex performer, these things come as quite a surprise to the ordinary woman. There's nothing more shocking than being blindsided by a glob of flying cum. By talking about where you want to come on her, why it's a turn-on and her feelings about a face-shot, the two of you can arrive at a mutual understanding that will get you both off.

If and when you do decide to blow your load in your sweetie's face, there is proper brow-spunking etiquette; don't merely fire away like a wild-eyed marksman. The forehead, cheeks and lips are okay, but keep your splooge away from her peepers. Heed your kindergarten teacher's advice: If you're not careful, you could put her eye out.

A LONG TIME COMING

I have this problem where it takes me a long time to come. Women I sleep with make me stop fucking them after a while because they say they are sore. I want to get off too. What can I tell them?—S. H. Buffalo, New York

First of all, if you're drinking, smoking pot or using some other kind of chemical, then stop; drugs will inhibit your ability to achieve orgasm. If you're not boozing or using dope, try to think of an erotic image in your head when you're approaching climax; it will probably help you to finally bust your nut.

If fantasy doesn't do the trick, talking and masturbating with your partner may be the best answer. Having a hussy sit on your face while you jerk off provides a good chance you'll achieve an orgasm. Also, instructing her to talk dirty in your ear while stroking yourself is another viable solution.

While you do need to keep your own pleasure in mind, don't just keep pumping till the cows come home. Put a bit of imaginative effort into your sex

life, and it will benefit both you and your partner.

REAR-ENDED

I've been seeing this girl for about a month now, and she'll only let me do her in the ass. Is there something wrong with her? —M. T. Walnut Creek, California

Have you fucked this woman with the lights on? That would be my first question. I suggest screwing her in broad daylight, stone-cold sober, with no clothes on. In other words, get a full frontal examination to ensure you are, in fact, humping a woman. Many a man has ended up with about six inches more than he bargained for.

If she actually has a vagina, then perhaps there isn't a problem. She may just really enjoy anal sex, and if you like anal sex too, then hooray for you both. If, however, you're dying for some vaginal pleasure, then open up the lines of communication to find out what's behind her ass-crack addiction.

STRUCK OUT SWINGING

My wife asked me if I wanted to try swinging. She says she would love to see me with another woman, but I'm not

sure if I want to see her with another man. What's the deciding factor in whether or not we should do it? —J. A. Kenosha, Wisconsin

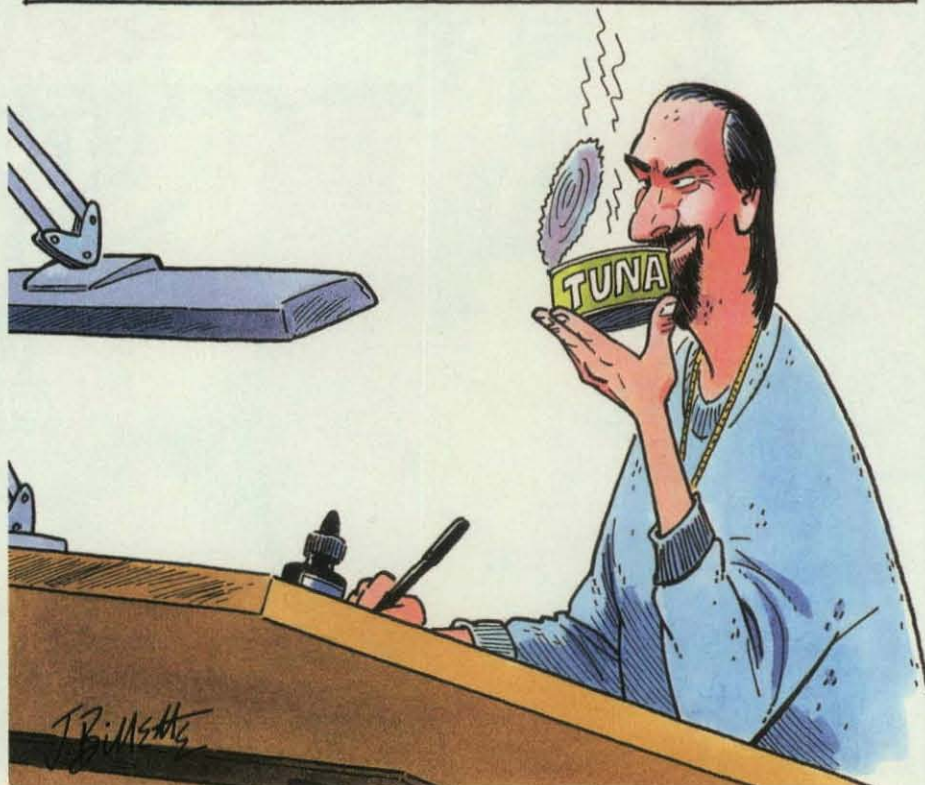

I've covered this topic before with regards to other types of shared fantasies between couples, and the same answer holds true in this case. You must be 100% secure in your relationship on both ends before attempting swinging with either partner.

The reality of the situation is that you may become extremely jealous seeing your wife enjoying another man. There's also the possibility that you will wind up liking the experience, while she might become upset watching you screw another woman. In some cases, fantasy is better left as fantasy. When contemplating swinging, both of you must decide that your relationship can weather the possibility of stormy seas ahead.

SQUACK SQUAW

This Thanksgiving season, instead of gorging myself at a gassy family dinner, I decided to stay home and watch cable porn. Of course, the problem with centering an evening around masturbation is that I only need 30 seconds to shoot my wad. Then I'm stuck with nothing to do while I wait for my refractory period to pass.

During the downtime, I flipped channels until I stumbled upon an educational program about American history. The narrator chick had a voice like melted butter. Her dulcet tones caused my dong to stand at attention; what a snake charmer! I stroked my meat, imagining a blond, big-titted voice-over actress alone in a dark studio...whispering into a long, hard microphone...moving her blood-red lips ever closer to the tip....

"Ahh, fuck," I exclaimed as my balls unexpectedly coughed up a fistful of jizz. Here I was planning to save a load for the Chasey Lain epic on Pay-Per-View. Now I had to wait at least another 15 minutes before I could even think about palming the bishop. Resigned to my flaccid state

of affairs, I wiped my hand on the shag carpet and actually paid close attention to what that foxy narrator had to say.

The things I learned from that one-hour documentary shocked me to the core. Did you HUSTLER readers know the whole story of Thanksgiving is complete and utter bullshit? We didn't land on Plymouth Rock with big smiles on our faces and invite a bunch of Indians over for dinner. No, the Pilgrims sailed over and proceeded to fuck shit up. Those heartless Pilgrim bastards raped the land, slaughtered every redskin in sight and mercilessly screwed their women. Apparently, "stuff the turkey" meant something quite different at the first Thanksgiving, where the main course was Native American ass!

Needless to say, I felt morally outraged—and strangely intrigued by all that talk of Injun poontang. I guess I was caught up in the Great Spirit, be-

cause no sooner could I strap on my moccasins than I hit the highway in my Jeep Cherokee. My destination was a small reservation just beyond the Colorado River. There, I planned to offer a few reparations for the heartache caused by my funny-hat-wearing ancestors. As I drove past Arizona's beautiful Black Rock Mountains, my cock seemed to grow to the size of those mighty peaks.

Sadly, the reservation turned out to be a truly depressing place. Many members of these once-proud tribes now suffer from horrendous drinking problems. Three of the braves responded to my earnest plea for spiritual understanding by throwing up on my shirt. The rest simply wanted to sell me bottle openers.

All was not vomit and trinkets, however; I discovered a firm, young maiden with breasts the size and color of

EDITED BY EVAN WRIGHT

Gregory Dark's Psycho-Sexuals

FULLY ERECT

Directed by Gregory Dark; starring Nikita, Taren Steele, Missy, Chloe, Ruby, Sid Deuce, Leanna Hart, Mickey G., Vince Vouyer, Jeremy Steele, Michael J. Cox and Paul Cox. Videocassette: Evil Angel.

Nikita's legs are like pillars supporting the artwork of her ass, her long, sleek feline belly, her perfectly formed milk spigots, her unearthly blue eyes. When she clamps her jaws onto a choad and has two more plugged into her slit and anus, Nikita turns into a fornication machine, gnashing through dong with unnerving ferocity. Nikita smears glop from spent condoms onto her crazed grin and disappears in a puff of smoke. Welcome to the controlled insanity of *Psycho-Sexuals*. Mickey G. plays a traveler in a depraved, high-tech nightmare who finds himself trapped in a chamber with three lace-wrapped bitches who turn into fuck pigs that can only be subdued by extreme acts of cornholing, one fuck pig stacked on the other like squealing slabs of pork meat. Meanwhile, two dudes in business suits pile onto a French-maid floozie with a freaky condition that makes authentic G-spot juice fly from her twat like horse piss. The onslaught of cluster-fucks and multiple atrocities of anal penetration make *Psycho-Sexuals* an extremely sick movie for which the only cure is vigorous masturbation.

—Mack Assarian

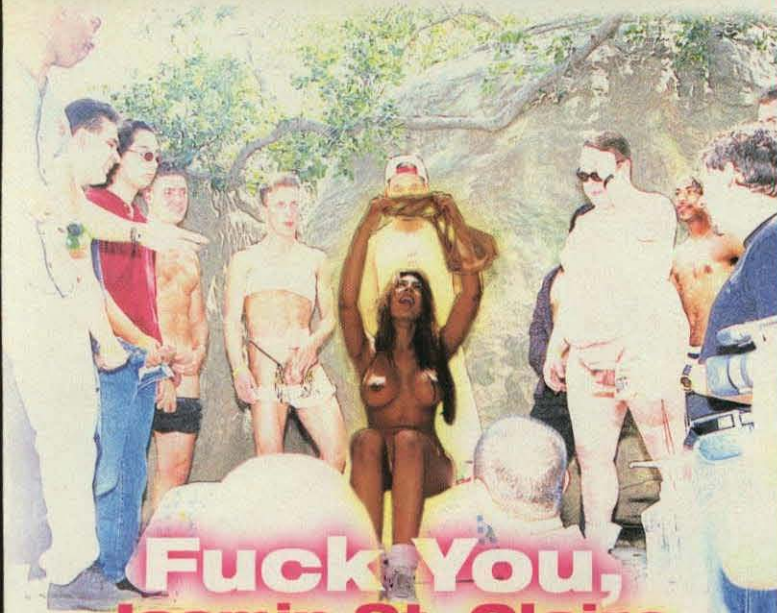

PSYCHO-SEXUALS: Three chumps in a goddess Nikita.

PSYCHO-SEXUALS: Steele warms up for a flute performance.

PSYCHO-SEXUALS: Doubling up on Deuce.

Fuck You, Jasmin St. Claire

Her Fans Live the Dream on the Set of *Planet Jasmin*

Jasmin St. Claire hasn't been fucked enough. St. Claire, star of last year's *World's Biggest Gang Bang II*, is enlisting the help of fans to gang-bang her in a new series titled *Planet Jasmin*.

The first installment of *Planet Jasmin* was lensed outdoors at a San Fernando Valley movie ranch this past May. St. Claire spread her legs beneath sunny skies, on a cot set up in the ranch's stone-and-concrete barbecue pit. Approximately 50 fans milled around with the blank stares of slaughterhouse cattle, jerking off and waiting for their turns. The multiracial collection of jack-off fans wore green hospital bracelets (signifying that they had passed AIDS tests) that gave the event the look of a mental-asylum picnic.

St. Claire spent several hours on her back, attired in salmon-pink sunglasses and white sneakers that by day's end were encrusted in spunk from the steady drizzle of 50 spurting putzes. Both of St. Claire's fists pumped steadily on the meat javelins hanging in a semicircle around her cocksucking mouth. Salvos of wad fired at her high, hard nipples slid into the deep valley of her cleavage like slithering tapeworms. Determined fans waited patiently in a line ten deep that terminated in the squishy hole between St. Claire's thighs. Two pals who voyaged into St. Claire's vage reported that her grip was surprisingly snug. "Like a vise," one of the mooks declared, jerking while he waited for another chance to

slam her. Several attempts were made to penetrate St. Claire's buttock, but each time, her sphincters puckered up tight as a locknut.

The day was not without mishaps. One chunk ass, with a pale-white body sculpted from a block of lard, made St. Claire shriek when his suffocating belly flopped onto her face. Another fan, a pizza-delivery man with a premature-ejaculation problem, was overcome with excitement and shot his load all over his buddy's leg.

At day's end, St. Claire leapt from the cot with boundless energy, displaying an eerie rictus grin that was probably the result of four straight hours of dick sucking, and thanked her admirers for their enthusiastic support. "Any man can treat a lady like a whore," she told the sea of slob, "but it takes a real gentleman to treat a whore like a lady."

Spoken like a true whore.

Fans who wish to bone St. Claire in her next *Planet Jasmin* gang-bang may write: Jasmin St. Claire, 11300 Hartland Street, North Hollywood, CA 91605.

St. Claire thanks her fans for their enthusiastic support.

Fans belly flop onto St. Claire.

Interracial Virgins #1

THREE-QUARTERS ERECT

Directed by uncredited; starring Mikki Mallone, Denise, Maya, Vanessa, Claudia, Seduction, Jake Steed and Mr. Marcus. Videocassette: New Sensations.

The producers of the New Sensations Video Virgins line define *virgin* somewhat more loosely than the Catholic Church: Yes, this broad recently played lot lizard to a Teamsters convoy, and yes, she blew the cabdriver on her way over, but she's never fucked you on this particular couch before, has she? The freshness date on the assorted daisies collected for *Interracial Virgins #1* has long since passed, and several of the ladies sport the trash-twat trademarks of tit tattoos and labial jewelry, but the fucks are immaculate. Each of the five white and off-white honeys sucks and humps gargantuan buck crowbar cock with new-beginner enthusiasm; the scenes are refreshingly simple, disdaining eight-mook anal gang-bangs to focus on the individual pussies and their ample secondary-sex characteristics. Full-bodied Seduction is no school-girl, but the way her preposterously large, perfectly rounded ass capers atop ebony prong will invigorate viewer cock again and again, each spew as voluminous and rampant as the first time.

Sugardaddy #6

ONE-QUARTER ERECT

Directed by Dave Cummings; starring Sindy Louder, Carolina, Precious, Kayla Fox, Raven McCall, Lauriel, Samantha, Trish, Van Damage and Dave Cummings. Videocassette: Xplor Media.

Dirty Dave Cummings is 57 years old and looks much older. A gauze of flimsy gray hair covers every inch of his body, save his shiny bald head. His skin is

ruddy, rough-hewn and a baggy envelope of jiggling fat globules. He seems to be a decent guy and displays an excellent eye for crackling-hot female talent. Watching Dirty Dave copulate—squirming his languishing, sick-crimson Hollywood loaf into the bright, puffy cracks of girls one-third his age—is distracting at best and, at worst, a gross squandering of the prime masturbatory ore of fresh, pink pussy. Hand humpers are advised to give *Sugardaddy #6* a pass, but be glad that Gramps is still getting some.

—R. C.

Pickup Lines Number 14

THREE-QUARTERS ERECT

Directed by Tom Stone; starring Vivienne, Leanna Hart, Jordan McKnight, Louise Maitos, Chrissy Li, Margo Stevens, Casey, Vince Vouyer, Billy Glide, Randy West, Sean Rider, Steve Drake, Jeremy Steele and Airin Zain. Videocassette: Odyssey Group Video.

Margo Stevens, a blond slut driving a yellow Mustang, picks up a goatee moron in a passing car. Stevens has full, gravity-defying tits, cat-green eyes and fat cunt lips. Moron porks her on the hood of the Mustang. Stevens has wide, sensual lips, with an overbite that gives her smile a sad and helpless quality that shines appealingly when drenched in what looks like a quart of moron's splooge. Some tit jobs are all wrong. The nipples are high; the saline sacks are low. They're shaped like gourds. Yet, when hanging from the chest of a pleasantly stupid-looking brunette with a cock stuffed in her face in the next scene, the overall picture isn't too shabby. A zipper-eyed Asiatic hootchie with toothpick arms, pint-size milk cans and a black-silk pubic pelt plays sucky-fucky with a round-eyed Caucasian devil by a Jacuzzi. A black chick is fucked in the butt. Seven well-shot loops with as many wad-worthy tramps make *Pickup Lines 14* worth picking up.

—M. A.

JENNA'S BUILT FOR SPEED: Jenna, built for clam licking.

Jenna's Built for Speed

HALF
ERECT

Directed by Brad Armstrong; starring Jenna Jameson, Serenity, Shayla La Veaux, Jill Kelly, Missy, Felecia, Brittany Andrews, Melissa Hill and Nadia. Videocassette: Wicked Pictures.

Jenna's Built for Speed puts on a pussy clinic. A six-scene, all-girl surgical strike aimed at porn-fan gonads, the operation is conducted around Jenna Jameson's casual physical perfection—never equaled but closely approximated by her eye-candy co-star gash. Each ass is a plump berry, soft and sweet. Each tit a medical marvel, a scarless bulb of silicone shaped to computer-generated specifications. Skin tone is even across the broads—a booth-bought burnt ocher, smooth and unmarked. Clams are tight, moist and pink, with extra puff and zero excess lip. Comforting, consumer-friendly pop tunes thrum over the audio. The chicks fuck in expensive cars. Like a pure pornographic opiate, devoid of any unruly flesh, ill-timed grunts or heartfelt departures from the slick-slut choreography, *Jenna's Built for Speed* puts out some clinical pussy. —R. C.

Max 14

THREE-QUARTERS
ERECT

Directed by Max Steiner; starring Kimi Ji, Amber, Alexandra Silk and Max Hardcore. Videocassette: Filmwest/Legend.

"I'm a teenage fuck toy, mister, all nice and tight," squeals Kimi Ji midway through the opening of *Max 14*. Kimi Ji's once-perky smile is smeared with post-blowjob lipstick and spittle smudges. Her candy-colored pumps kick helplessly in the air as Max Hardcore plows her pouty cunt lips, but Kimi Ji's role as victim to Hardcore's evil fantasies is just beginning. Her rosy innards are cranked open with a speculum—a sort of plastic gynecological post-hole digger—affording extreme views of her tortured-looking twat as Hardcore plunges her fecal canal. Next up, Hardcore mangles the fudge pit of a stringy blonde perched on the edge of a pool table, then finishes by shoving his schlong down Alexandra Silk's gullet until she spews drool to be used as lubricant on her butt-hole. Some may be disturbed by the aggressive tone of *Max 14* and Hardcore's nonpolitically-correct habit of calling these girls "dirty little whores," but then, what is the politically correct term for a chick who is, beyond a doubt, a dirty little whore? —M. A.

INTERRACIAL VIRGINS: Mr. Marcus gets whitey (Mikki Mallone).

SUGARDADDY: Precious, overjoyed by Dirty Dave's loving.

PICKUP LINES: Chrissy Li demonstrates Chinese box trick.

MAX: Amber kneels like a good girl.

Murders Cop and Kills Self at XXX-Video Company Elegant Angel

Israel Chapa Gonzales, 28, a set designer, prop maker and occasional stand-in stud in the adult-film industry was known to many of his friends and co-workers as a "quiet, well-mannered young man."

Early in the morning of last May 28, two police officers arrived at the warehouse of adult-video manufacturer Elegant Angel. The peace officers were investigating a complaint from a young woman, Mischell Bowen, who alleged that her boyfriend, Israel Gonzales, had, hours earlier, bound her, zapped her with a stun gun, beaten her head on the bathtub and threatened to kill her. Bowen had told the police that Gonzales could be found hiding at his place of employment, Elegant Angel.

According to sources, the officers were met at the door of Elegant Angel's XXX-video warehouse by a quiet, well-mannered young man who offered to take them inside and lead them to Gonzales. Little did the cops know, this young man was Gonzales. As they entered the darkness, Gonzales turned on Inspector Charles Lazzaretto, a 30-year-old father of two, and fatally shot him in the forehead.

A former friend of Gonzales's remembered how the soft-spoken young man used to spend his free time practicing target shooting, knife throwing and crossbow hunting.

Dozens of LAPD and SWAT team members engaged in a gun battle with Gonzales. According to a source, police

marveled at the wacko gunman's accuracy. They reported rolling a flashlight across the floor to aid an officer who had taken cover in the pitch-black warehouse. Gonzales shot out the flashlight lens. A fallen officer who dropped his gun, reportedly, reached out to grab his weapon, and Gonzales shot his hand. Another policeman was hit several times in the chest. Hours later, with a SWAT assault unit closing in, Gonzales took his own life.

Why did Gonzales go postal?

Friends describe Gonzales as having been on a three-day drug binge that allegedly included GHB, LSD and crystal meth. They recall his girlfriend as an "insanely possessive psychopath" who Gonzales used to say would wake him up in the middle of the night, threatening to stab him with scissors. They told of his girlfriend being banned from sets because of her reputation for exploding in screaming rages at him. They told of Gonzales, six months ago, driving his girlfriend back home to Texas, hoping to end the relationship, and of how she flew back and was waiting for him, fatal-attraction-style, when he arrived in Los Angeles.

Some in the adult industry seek to portray Gonzales as a victim of a psycho girlfriend. If Gonzales was the victim of anything, he was the victim of being a spineless punk who wasn't man enough to walk away from the crazy bitch and leave her screaming in peace.

Angel Sucks

ONE-QUARTER
ERECT

Directed by John T. Bone; starring Angel Hart, Bobbi Lee, Candy Apples, Sophia Rio, Candy Vegas, Dave Hardman, Steve Hatcher, Kyle Stone and Rick Masters. Videocassette: Metro.

A good rule of thumb for any heterosexual porn fan is to avoid all XXX entertainments in which the cocks outnumber the cunts. *Angel Sucks* is a cautionary example: Each scene pits one tit-and-pussy puppet against a minimum of two meat-beating dorks. While the ensuing double penetrations, double anals and double vaginals are considered "extreme" by an influential cabal within the smut-peddling industry, the "hard-core" action boils down to watching two cocks rub slickly against each other for extended periods. Director John T. Bone is a serial perpetrator of prongocentric lenswork; perhaps this latest release will finally lose its "on the edge" cache and be recognized as the fag-and-frat-boy-circle-jerk material it really is. *Angel sucks.*

Net Dreams

ONE-QUARTER
ERECT

Directed by Thomas Paine; starring Roxanne Hall, Asia Carrera, Nikki Sinn, Kim Chambers, Alexxx Knight, Reba D'Mae, China, Nadia Valentine, Caroline Pierce, Vivian, Jill and Ariel. Videocassette: Arrow Productions/Summit Pictures.

Red-lip tattoos are cute on a wiggling ass, except when the wiggling ass belongs to a dude with a shaved ball sack, whose face and butt keep blocking the view of Roxanne Hall having her prime turd rings plumbed in the opening scene of *Net Dreams*. The hunk-of-shit adult entertainment is not improved by long filler scenes of stupid dialogue. Occasionally, a hardcore scene is glimpsed: Asia Carrera is nailed, saline sacks flopping wildly, until the huffing and puffing dude spills on the stretchy folds of her snatch;

the showcase orgy scene that presents gladiator studs poking the bungholes on blondes in angel wings and genie costumes has the liveliness of corpses copulating with corpses. *Net Dreams* is practically dead on arrival.

—M. A.

No Man's Land #17

HALF
ERECT

Directed by Wesley Emerson; starring Jill Kelly, Rebecca Lord, Melissa Hill, Monique DeMoan, Alexandra Silk, Roxanne Hall, Toni James, Carolina and Charlie. Videocassette: Video Team.

Plush Jill Kelly and scrawny Rebecca Lord check into a females-only pleasure spa that looks suspiciously like a San Fernando Valley, California, split-level. Once unpacked, Kelly jumps Lord's unupholstered bones, supping at her cigarette-thin slit and plugging her with rubber dorks. Out by the pool, a brunet threeway lickfest culminates with a string of anal beads audibly popping out of a hot, tight ass. Before the girls depart, Lord bends to accept Roxanne Hall's strapped-on schlong, and Kelly lowers her tan-line-striped crack onto the face of a wide-mouthed lesbian. *No Man's Land #17* is a nice place to visit, but wanked crank cannot live in this half-wood house for long.

SHANE'S WORLD: Shane and Melonie playing lesbian games.

NET DREAMS: Sinn, sodomized.

Dustbuster-size clit buzzer buzzing her clit and three or four of her girlfriend's fingers stuffed up her twat. Here's Jewells, all big whammies and long, brunet locks, writhing in pre-orgasmic agony, straining to come as another barely legal nubile wrenches a dildo with attachments into her squirting honey hole. No music is playing, no one is acting, and the bright lighting is warts-and-all. The tits, the gleet and the screams of pleasure are all authentic. The orgasms are probably fake, but these sluts fake much better than a palm humper's girlfriend. *Slumber Party* glimpses beautifully flawed female bodies fucking hard. Fucking because they need to fuck. Because the hungry sluts want to fuck one another. Right fucking now. For fucking real. *Shane's World* is the world a horny mook always hopes exists and finally has a chance to see.

HALF ERECT

Directed by various uncredited; starring Kelly O'Dell, Nina Hartley, Teri Weigel, Racquel Darrian, Bridgett Monroe, Anna Amore, Christy Canyon, Tianna Taylor, Scarborough, Murrill Maglio, Magnum D., Guy DiSilva, Joey Silvera, T. T. Boy, Randy West, Marc Wallace and Derrick Lane. Videocassette: VCA.

Twice in a Lifetime is a charity case, a greatest-hits compilation tape that, according to the blithering idiot who hosts each segment, is being sold to raise money for an adult "free speech" association. Teri Weigel, a poof-haired brunette with up-lifting ta-tas and a hard-apples can, exercises her free-speech rights by shrieking irritatingly throughout the first loop that fizzles to an end without a pop-shot. Fortunately, the next loop begins with lingering images of the huge, hairy bush, gargantuan udders and pillow-cushion ass loaves belonging to the pride of Armenia, Christy Canyon. Canyon bounces on and slurps at two prongs thrust her way, and balls explode on her whoppers and ass crack, and in the viewer's hand. The half dozen other scenes featuring interracial couplings, lesbo clam slopping and a real redhead with zeppelin-size whoppers make *Twice in a Lifetime* pretty good one time around.

Fuck Jasmin

HALF ERECT

Directed by John T. Bone; starring Jasmin St. Claire, Alyssa Allure, Candy Apples, Sophia Rio, Rick Masters, Steve Hatcher, Dave Hardman and John West. Videocassette: Metro Home Video.

Fuck Jasmin. Not a bad idea. Jasmin St. Claire, with her grand nipple-capped chest mountains, plush-cheeked bubble butt and slapable, rich-bitch smile, owns a cunt worthy of hard fucking. It's not her fault that her first gang-bang flick was a publicity scam. In *Fuck Jasmin*, St. Claire almost atones

FUCK JASMIN: St. Claire, fuck pig.

for earlier sins by enduring two cocks simultaneously crammed into her clam while, for good measure, one of the mooks on her tail wiggles a digit into her shit winker. But the scenes with St. Claire's co-starring sluts prove to be the most wad churning. Alyssa Allure, sodomite extraordinaire, is the target of an excruciating double anal reaming, and Candy Apples, showing

off a new, close-cropped, mental-hospital-style haircut, teams up with sultry spit-swapper Sophia Rio to double-fuck a lone motherfucker's lucky putz with psychotic intensity. Both bitches close the scene foaming at the mouth, drenched in hump sweat. Jasmin St. Claire never attains such depths of depravity in her own self-named video. *Fuck Jasmin*.

Globs of saliva dripped out of her mouth and onto my testicles. I like a messy hummer, particularly when I plan to aim my crank toward the bad place.

gargantuan apples peeking from her tattered T-shirt. Immediately, Pocahontas pick-up lines came to mind. She must have used Indian magic to read my thoughts, because the well-built Nava-ho approached me first.

"Make joke about colors of my wind," she growled, her broad features pulled into a frown, "and I chop your nuts off with toy tomahawk. Which, by the way, costs only \$2.95." Quite an effective sales pitch. I reached for my wallet, making sure to permit the bronzed beauty a loving gaze at the \$100 bills within.

Lasciviously, I whispered, "I'd be happy to throw some extra money your way...unless you're an Indian giver." Her eyes grew wide at the sight of my wampum; good thing I stopped by the reservation's automated teller machine.

"Oh, I'll give it to you, all right," leered the native slattern with a sudden smile. "But you must call me by my tribe name, She-Whose-Backdoor-Swings-Both-Ways." I had a very good feeling as Both-Ways led me to her trailer amid the dirt and tumbleweeds. Although I arrived hoping to bang a chick in a teepee, I settled for sticking it to a squaw where she wipes her TP. Both-Ways seemed like a prime candidate for a pooper powwow.

Inside her ramshackle mobile home, Both-Ways unzipped my fly and laughed uproariously. Between throaty chuckles, she gasped, "You not just pale in the face!" I cut the comedy by slipping the head of my ivory hard-on between her lips. She sucked voraciously, as if my love nozzle were a cheap hooch longneck.

"Not bad," I panted admiringly. "Puff that peace pipe, you nasty, Indian slut!" All eight inches of ramrod disappeared down her esophagus. Loud snorts escaped from Both-Ways' flared nostrils; the decidedly unladylike breathing technique allowed for the finest deep-throat action I've ever received. Globbs of saliva dripped out of her mouth and onto my testicles. I like a messy hummer, particularly when I plan to aim my crank toward the bad place.

While Both-Ways bobbed for cock, I sneaked my hand beneath her shirt and groped her fat titties. They felt as leathery and worn as the rest of her born-to-boink bod. Apparently, this was one little Indian who had done some hard living and nonstop fucking. Filled with sympathy for the untold travails Both-Ways had suffered at the hands of countless exploiters like myself, I bent her over the

unmade bed and tore her pants off. My nose was soon pressed between her butt cheeks as I licked her pungent snatch from behind.

Both-Ways moaned, "Oohhh," wagging her tail in my face. After a few sucks at her stiffening clit, I climbed to my feet and mounted my writhing fuck-mate's form. She lifted her crotch beneath me, suctioning my joint into her pussy with the power of pure cunt muscle. The burning tunnel of sex felt like the Grand Canyon to my madly thrusting pecker. I've been inside an occasional roomy womb, but this twat was bigger than a buffalo. At least my manhood was suitably soaked; I withdrew from her vaginal retreat and tossed the meat javelin toward her browneye.

"Oww-oww-oww-oww-oww," cried Both-Ways as her rectum stretched across my gland. Her ecstatic wail served as a war cry to my groin. I pushed in as deeply as the surrendering sphincters would allow. Both-Ways may have been loose in the loins, but her bunghole was tight as a fist. Each plunge of prick brought forth another frenzied whoop from Both-Ways, who busied her clit with a few frigging fingertips.

Now that I had buried myself in her

bottom, I peeled off good, steady strokes. My hands reached under and lifted Both-Ways' frame by the jiggling tits. In a proper doggy-style position, I could really sink the pink. Veiny meat cleaved her pleasing rump. Faster and faster, our organs pumped together. The blistering anal assault continued for at least 20 minutes. I wonder why I can stave off orgasm for almost half an hour in the can of a gorgeous gal, but when I'm home glad-handing myself, I last half a minute?

There was no time to ponder such a philosophical stickler. Both-Ways climaxed beneath me, sinking her teeth into the dirty mattress to avoid awakening the rest of her people from drunken stupor.

"Mmf-rrg-rrahhh," she gurgled. I pulled out my jimmy and saw her widened asshole twitch and spasm in the absence of dick, sending out tiny smoke signals. My load sprayed onto Both-Ways' back, then continued with dribblings for her shoulders, teats and neck. The sperm looked like the Trail of Tears leading all the way to her jizz-smacking lips.

Luckily, I made it back home in time for another documentary featuring my favorite narrator. This time, the topic was

FUCKING FRUIT

So I like to shove fruits and vegetables in my privates. Is that a fucking crime? You'd think so, judging by the reaction of my uptight boyfriends.

My father ran a fruit stand in Queens. I suppose that's where my food-fucking fetish began. Even as a teenage girl, I used to sneak off with a juicy melon to break open and smear all over my nude body while I masturbated. As an adult, I've progressed to more exotic produce. For instance, a kiwi is generally the perfect size to serve as an all-natural butt plug. I'll often tuck one of these hairy fellows between my cheeks and leave it there while I sit at work. That way, my pussy stays nice and creamy all day long.

A few weeks ago, I met this guy at one of my mother's church functions. This handsome beefcake was hardly the religious type; he had no qualms about ogling my knockers all through the raffle. I let him know I was hot-to-trot by leaning over the pews and prac-

tically exposing my breasts.

We shared a little bullshit small talk after the services, then rushed back to my place for some truly holy action. He loved my long, brunet hair and perfect legs; as a matter of fact, the poor slob could barely stop babbling as I slipped out of my Sunday best.

"Goddamn, that's nice," he slobbered. "Look at those gams. Look at the way they lead to that perfect ass! I've got to have a taste."

The schtup session began with some cunnilingual antics from my newfound servant. He had that feather-light, float-like-a-butterfly approach I find so appealing. You know, the type of crotch licker who makes his way all over the labes and clit, instead of hitting one spot over and over like a timid fuck. I hate that! Eat the whole pie or don't take a slice; that's my motto.

I pivoted my body and crammed my head between his legs while he went muff-diving. Big boy climbed on top of our 69 position; his wiener sank into my mouth. The taste was exquisite. My head bounced off the pillow, swallowing every millimeter of meat. Gradually, he added a few, curious digits to his poon explorations. The fingers wriggled deep inside my womanhood.

When I felt too hot to survive without a dong in my honeypot, I faced my man to shove it in side to side. We melted into deep soul kisses before he pried apart my labes with a forceful hand.

I demanded, "Shove that big banana up my greedy hole!" He followed through on the request quite nicely. The length slid home without a hitch; a delirious rhythm of humping shot through our blood-engorged sex parts.

Since the dude didn't seem to flinch at my banana comment, I decided to go for broke. While he wailed away between my thighs, I reached for a nearby nightstand—the place I keep fruity friends for just such opportunities. There I produced a banana of the unpeeled, yellow variety. God, it felt good and ripe. I could tell the horny chiquita couldn't wait to fulfill my dirty craving.

Even as the flesh-and-blood stud porked my snizz, a yellow-skinned bastard snuck past my sphincters. I pumped the banana in and out of my ass in perfect harmony with the throbbing member just inches away.

My breathing and howling became less controlled. Out of my mind, I begged my lover to do it harder and deeper—but above all, don't stop. Then I offered the guy a few instructions. He wasn't quite as good as the banana, but he would certainly do the trick.

Suddenly, the partner who wasn't loaded with potassium grabbed my ankles and lifted my feet above my head. With a crazed look in his eyes, he began to suck my toes. The unexpected elevation of my backside caused the banana to slip all the way in! I could actually feel my shitter wink to a close over the protruding stem.

Uh-oh, I thought. *They're going to have a field day with this at Intensive Care.*

Don't worry, there's a happy ending. After a series of violent grunts, my bang buddy whipped his cock from my clam and ejaculated on my flat tummy. He then offered to return the orgasmic favor by going down for another masterful mouthful. When I finally came, the contractions were so intense, my colon actually squeezed the banana out. It plopped under the rug muncher's chin.

The guy was thoroughly disgusted and hasn't called me since. But the banana came out in one piece! See, I told you there was a happy ending.

Women Who Plug Too Much

The Latest Buzz on Vibrator Addiction

BY KATY WINDSOR * ILLUSTRATION BY MARY FLEENER

Gus Flack's girlfriend, Nicola, is a junkie. She's addicted to six inches of gold chrome, heavy with the weight of two size-C copper tops. Thick as a bat handle. Twist the black-plastic base for adjustable speed. Buzz in and out of the pussy, then tip to clit. Five to seven times a day. Climax guaranteed.

Gus packs nine inches of meat in his pants. His dick alone hasn't made Nicola come in months. He's tried everything. Osmium cock rings studded with rare Asian beads. Complicated pneumatic pumps from Germany. Specialty sex-position furniture and hanging trapezes. A diet of yohimbe bark and ginseng. His prick is as hard as Kevlar pushing into Nicola's Astroglided slit.

Forty-five minutes of aggravated thrusting and no cigar. A few half-hearted moans, some bored deep breaths from Nicola. Gus feels like he's fucking a large stuffed frog with a hole cut in the crotch.

"Honey, I need my vibrator," Nicola finally huffs, reaching across to the bedside-table drawer for her gimmick.

Two minutes of the chrome's low drone, and the bitch is howling like a hyena.

Gus's skin turns blue. He looks dejectedly at the useless muscle man twitching in his hand, thinking of the explosively expensive meals he has purchased for Nicola in the past year, the Meg Ryan movies he has suffered through, the numbing holidays with her family.

"That's it, Nic," Gus fumes. "Make a fucking choice. Me...or the goddamn dildo."

Afterglowing Nicola looks from Gus to the glint of metal between her delicate fingers. Closing her eyes, she screws on the vibrator's hum and buzzes him out.

* * *

Nicola is not alone in her apparatus addiction.

"Women who use vibrators regularly often have very intense orgasms less than a minute after starting stim-

ulation," says Joani Blank, MPH, sex educator and author of *Good Vibrations: A Complete Guide to Vibrators* (Down There Press, San Francisco, 1989). "So when they try to use their own fingers or play with partners, and it takes a lot longer to become highly aroused, they may feel like they've lost their ability to climax."

For Kimberly M., a 25-year-old massage therapist, the purchase of her first vibrator inaugurated a two-year period during which she lost all interest in dating.

"I bought a small, gray, four-inch model at a store called Eve's Garden in New York City," says the lush-lipped blonde. "I was a senior in college and had been having sex about two times a week with a bunch of different guys. I climaxed most of the time, but usually only if a guy would

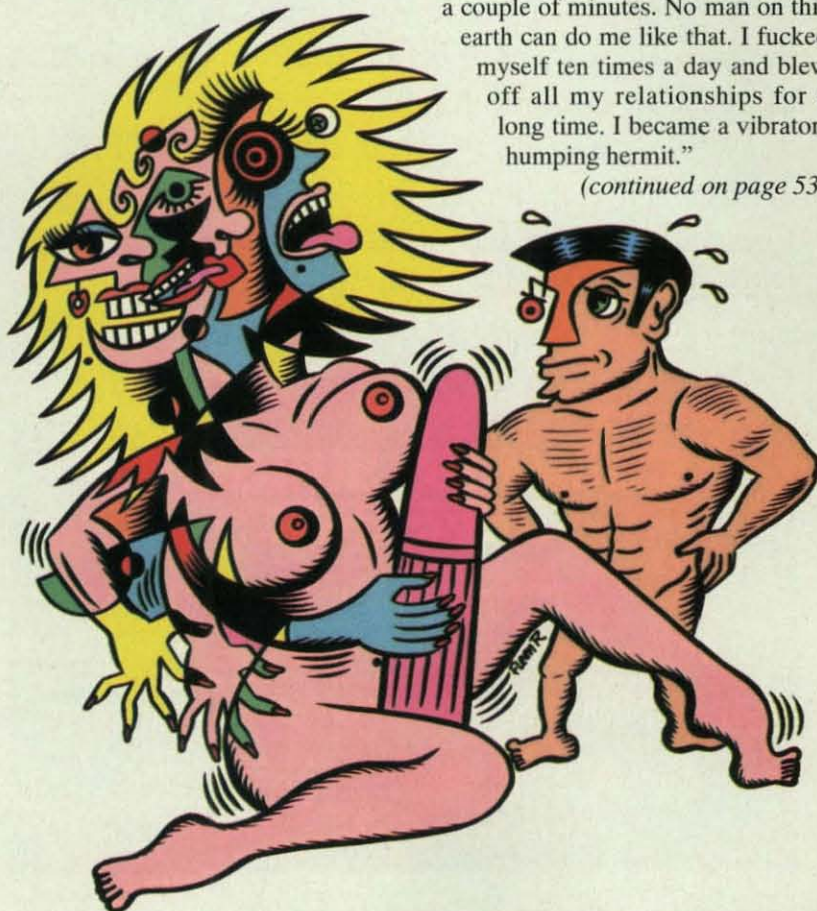

lick me or rub me with his fingers.

"Several of my girlfriends were using vibrators, and they offered to let me play with theirs, but the idea of sticking something inside me that had been up in their vaginas so many times kind of grossed me out. I wanted a toy just for me.

"At first, I would shove the vibrator inside my pussy like it was a penis. The pulsing felt good, but I didn't see what was so great about it. A warm, fleshy cock and a nice body to hold onto seemed so much better. Then I figured out that brushing the humming point of the vibrator against my clit made my pussy gush—as wet as if a man were down there tonguing and slobbering on me.

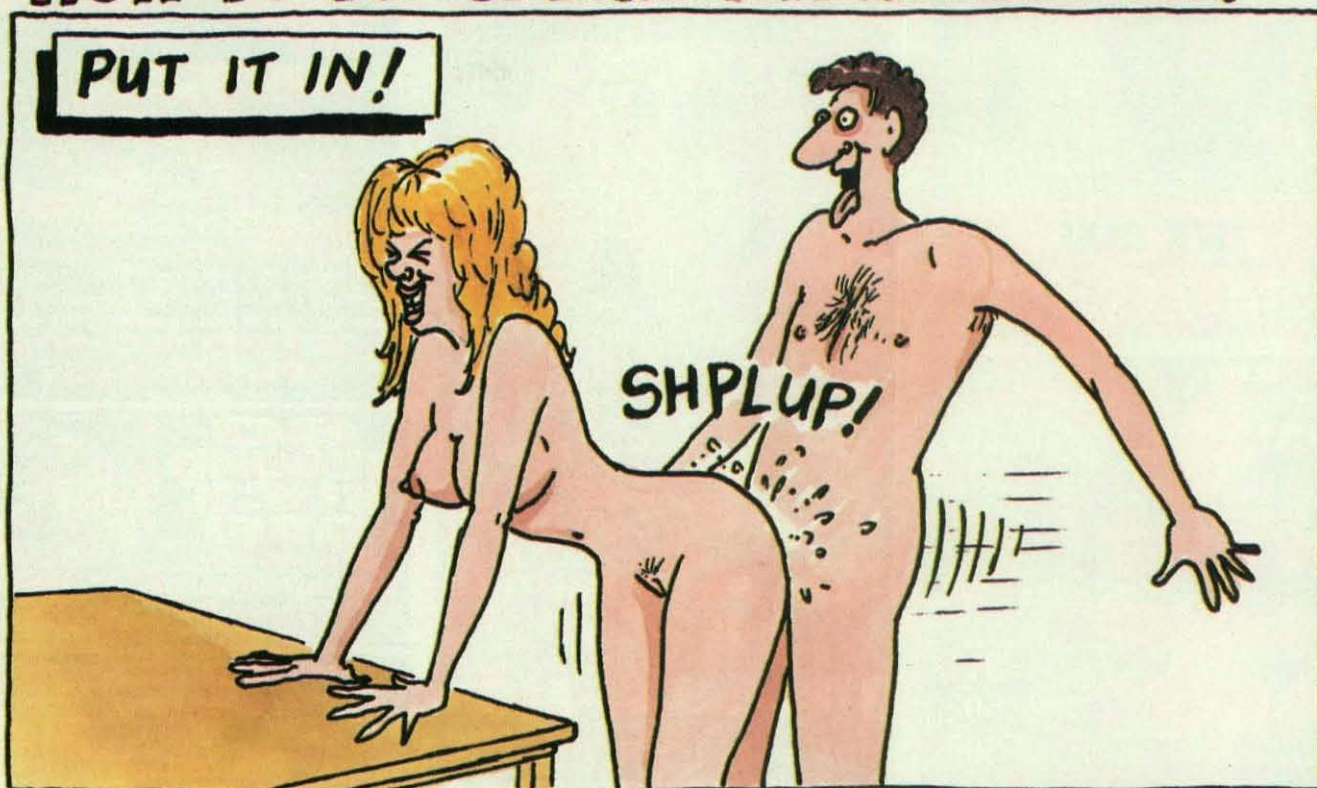

"I didn't come for about 15 minutes because I wasn't used to the sensation. But soon, I could switch on the vibrator and reach orgasm in just a couple of minutes. No man on this earth can do me like that. I fucked myself ten times a day and blew off all my relationships for a long time. I became a vibrator-humping hermit."

Sex Play

"I first got off on a vibrator when I was 12, using my electric Snoopy toothbrush. My mom couldn't figure out how I had so many cavities after all the time I spent buzzing away in the bathroom."

(continued from page 48)

Originally developed in 1869 by an American doctor to treat "female hysteria," a vibrator provides "the most intense form of clitoral stimulation there is," says Betty Dodson, Ph.D., a New York City sexologist and author of *Sex for One: The Joy of Self-Loving* (Crown Publishing, New York, 1996).

A report published in *Sexual Health* magazine (premiere issue, Volume 1, 1997) illustrates why clit-buzzing vibrators can so easily replace men as an attractive sexual partner. "Most women (according to some research, as many as 75%) need direct stimulation of the clitoris to reach climax, and intercourse simply isn't the best way to provide that."

A study recently published by sex researcher Julia Heiman shows that even the most consistently orgasmic women climax, on average, only about 70% of the time with vaginal intercourse.

Carolyn B., a 22-year-old actress, claims that her dissatisfaction with male sexual partners stems from her early introduction to electrical sexual aids.

"I first got off on a vibrator when I was 12, using my electric Snoopy toothbrush. My mom couldn't figure out how I had so many cavities after all the time I spent buzzing away in the bathroom. I was in there coming away all through high school.

"When I finally had sex with a boy for the first time, I was totally unimpressed. It wasn't just the usual fumbling that comes from two total virgins trying to get it on. I was a girl who was used to coming hard every time I masturbated. That poor boy wouldn't have known my clit from my asshole.

"This kind of disappointment fed my addiction. I have a collection of five vibrators, all different sizes and some with clit attachments so I can get both sensations at once. At this point, I can't come without them, and it has been a major problem in every adult relationship I've ever had. My boyfriends feel impotent and jealous, but I've never cared enough about any of them to stop."

Currently, no study has been able to accurately determine how many women suffer from vibrator addiction, but Dr. Marion Wells, a sex counselor based in Los Angeles, California, reports that a growing number of couples visiting her clinic are dealing with the problem.

"If anything," says the psychiatrist, "the men are the ones who agonize the most over this kind of situation. Women who use vibrators to climax several times

a day rarely register the ill effects that go along with alcohol, drug or even regular sex addictions. Certain problems with the ability to attain intimacy naturally arise, but again, this mostly has to do with the male partner feeling left out and alienated.

"A man who can't give an orgasm to his partner, and then must bear the indignity of watching her writhe in pleasure at the touch of a small piece of metal or plastic, is treading on dangerous, ego-crushing ground. I explain to men that they must look upon the marital aid as a supplement to their love-making, not as a replacement. There is absolutely nothing abnormal or wrong with penetrating your girlfriend's vagina while she employs a vibrator to stimulate her clit. It doesn't mean you're any less of a man."

Kimberly H., who continues to use sex toys with her new boyfriend, supports Dr. Wells's assertion. "So many couples are hung up on whether the guy can make the girl come or not. For me, with my vibrator, I know I'm going to get off no matter what. This lets us both relax and enjoy ourselves.

"I think that using the dildo has made me more hungry for all different kinds of sensation. I never even thought about anal sex while I was in college. But now I let my boyfriend fuck me in the ass, and I like to lick him back there and stick my

fingers in his ass while he fucks me. The fact that I'm so satisfied and comfortable serves to make me a better lover."

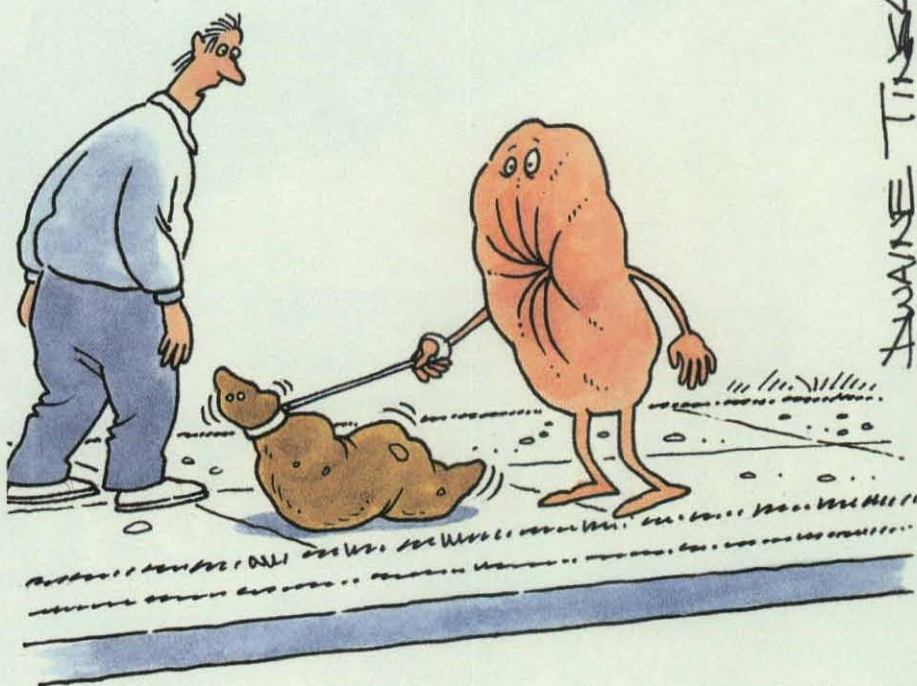

Dr. Wells points out that the repeated use of a vibrator's stimulation will often lead to some lengthening of a woman's response time before she can climax.

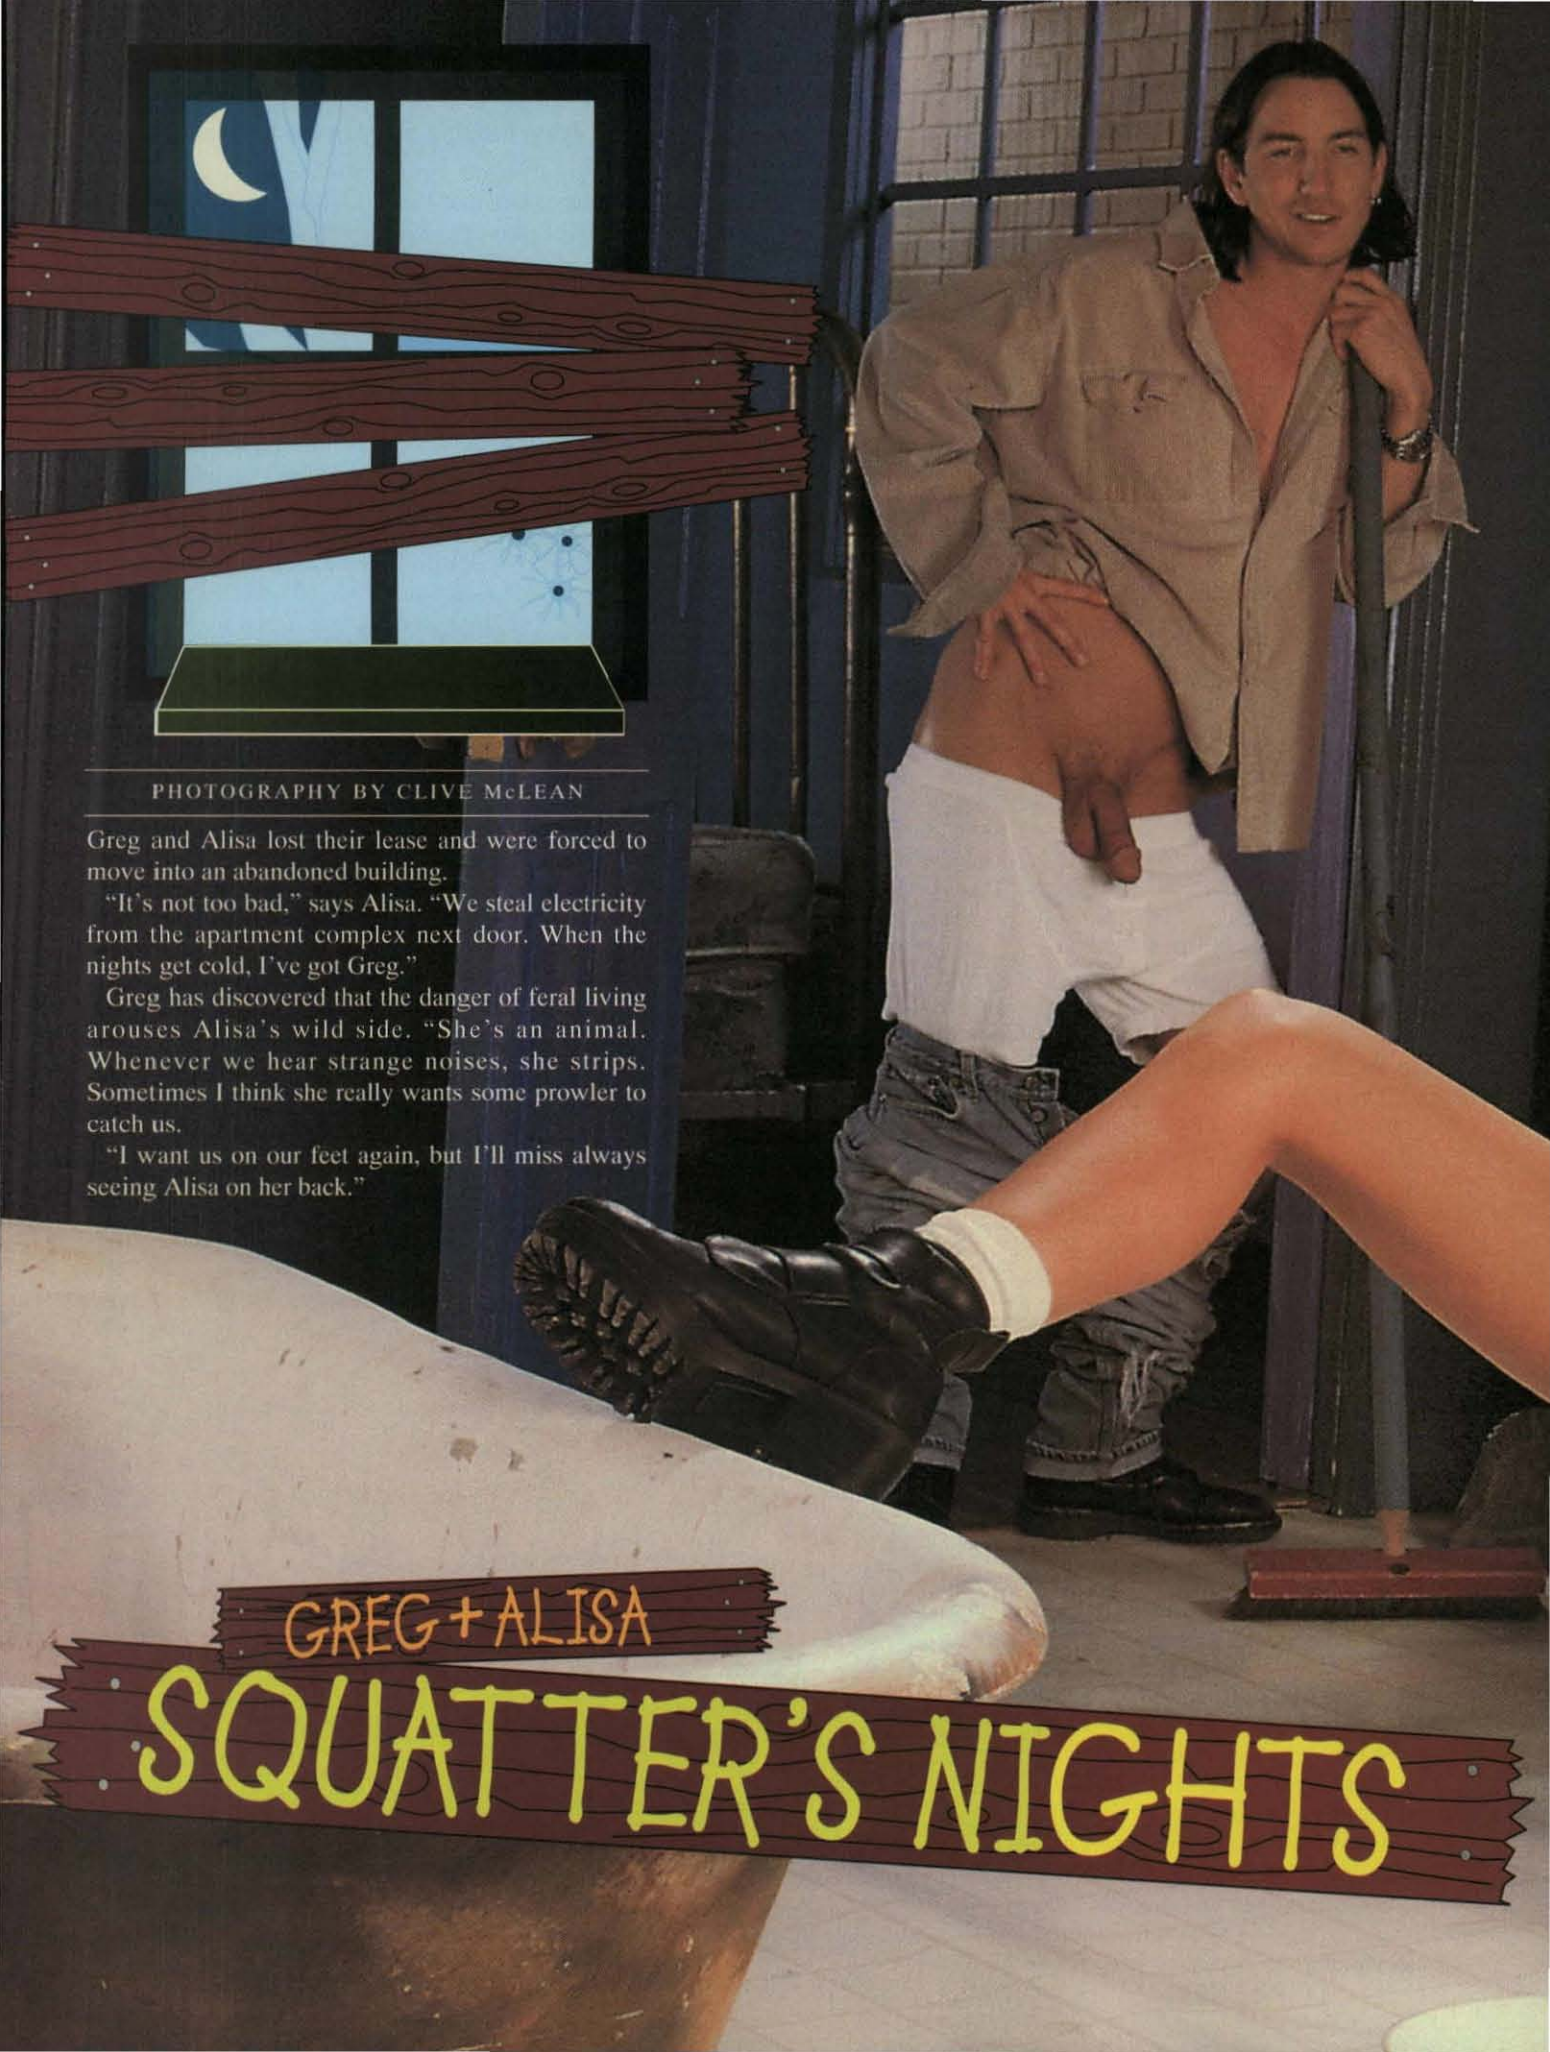

"The body will develop a tolerance to any kind of repeated exposure. It's not like a callous forms on the clit, and no damage is done to clitoral nerve endings by the power of vibrators, but a certain amount of built-up resistance is entirely normal.

"A woman who uses an appurtenance regularly can obviously still orgasm from vaginal intercourse; it just might take a little more time."

In treating couples grappling with vibrator addiction, Dr. Wells often asks them to perform a sexual exercise in which the woman stimulates herself with a vibrator until she is on the point of climax. The male then presents his erect penis for the woman to rub her clit against, bringing her into a fully orgasmic state.

"This method allows the man to feel he is part of the process again," says Wells. "He gains in confidence, and she associates pleasure with the penis. Once the body accepts that it is about to climax, it doesn't matter what stimulation is provided."

"It's not too bad," says Alisa. "We steal electricity from the apartment complex next door. When the nights get cold, I've got Greg."

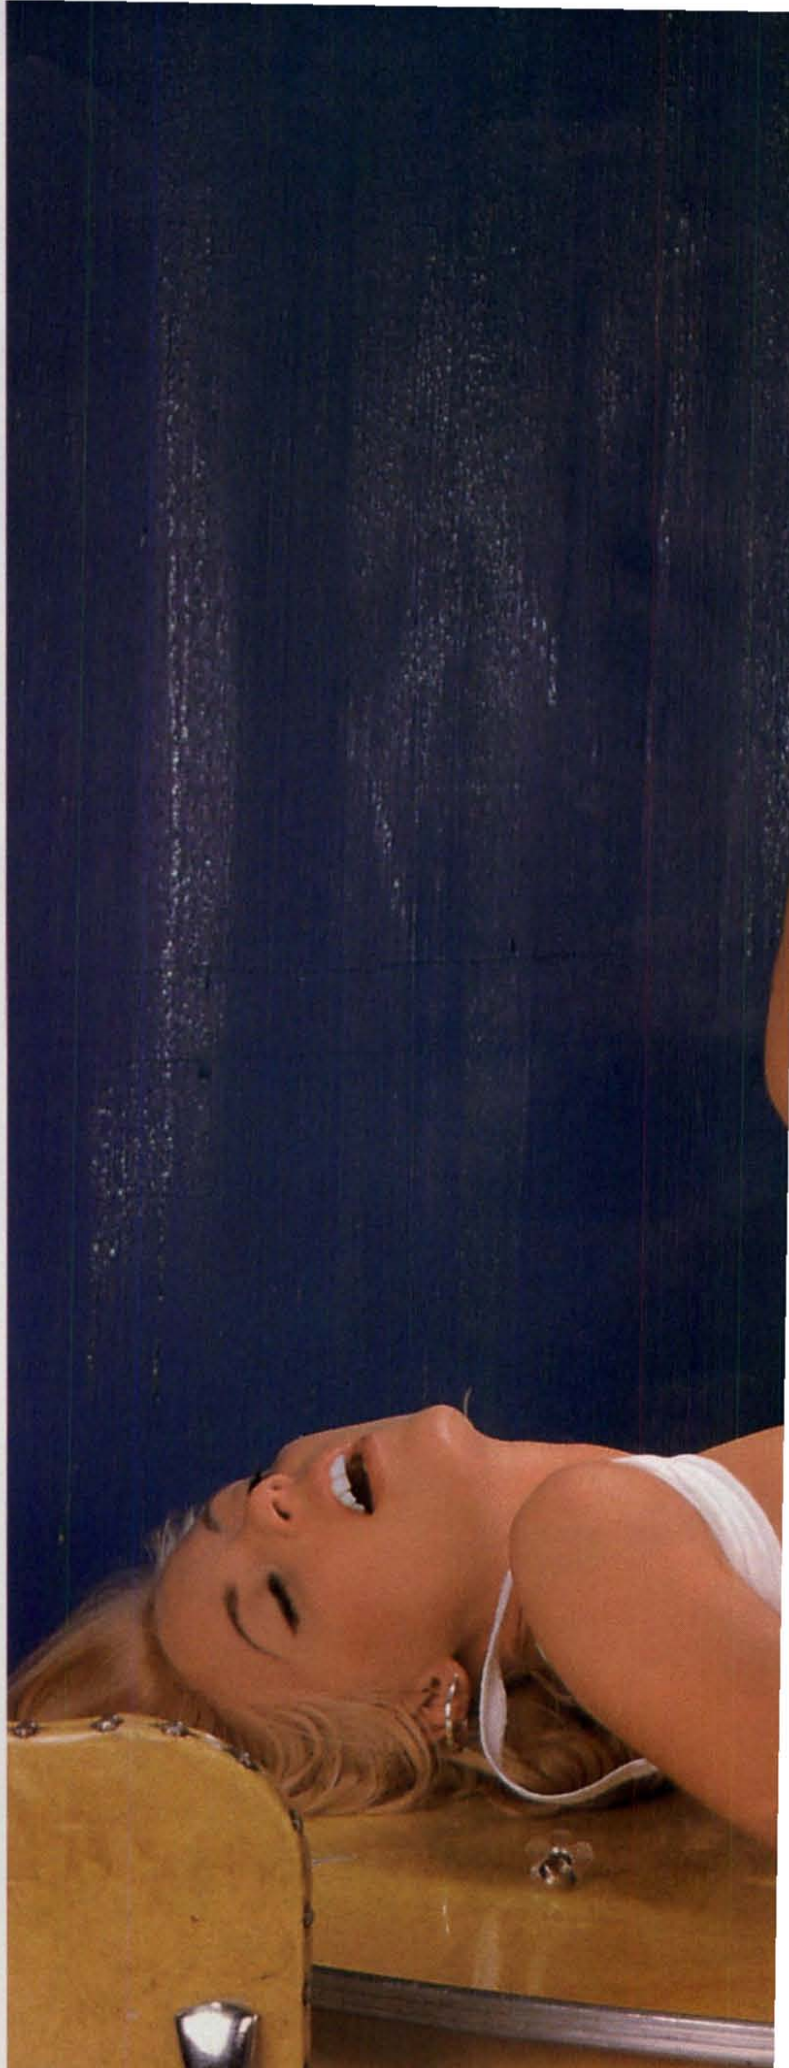

Greg has discovered that the danger of feral living arouses Alisa's wild side. "She's an animal. Whenever we hear strange noises, she strips. Sometimes I think she really wants some prowler to catch us."

"I want us on our feet again, but I'll miss always seeing Alisa on her back."

SQUATTER'S NIGHTS

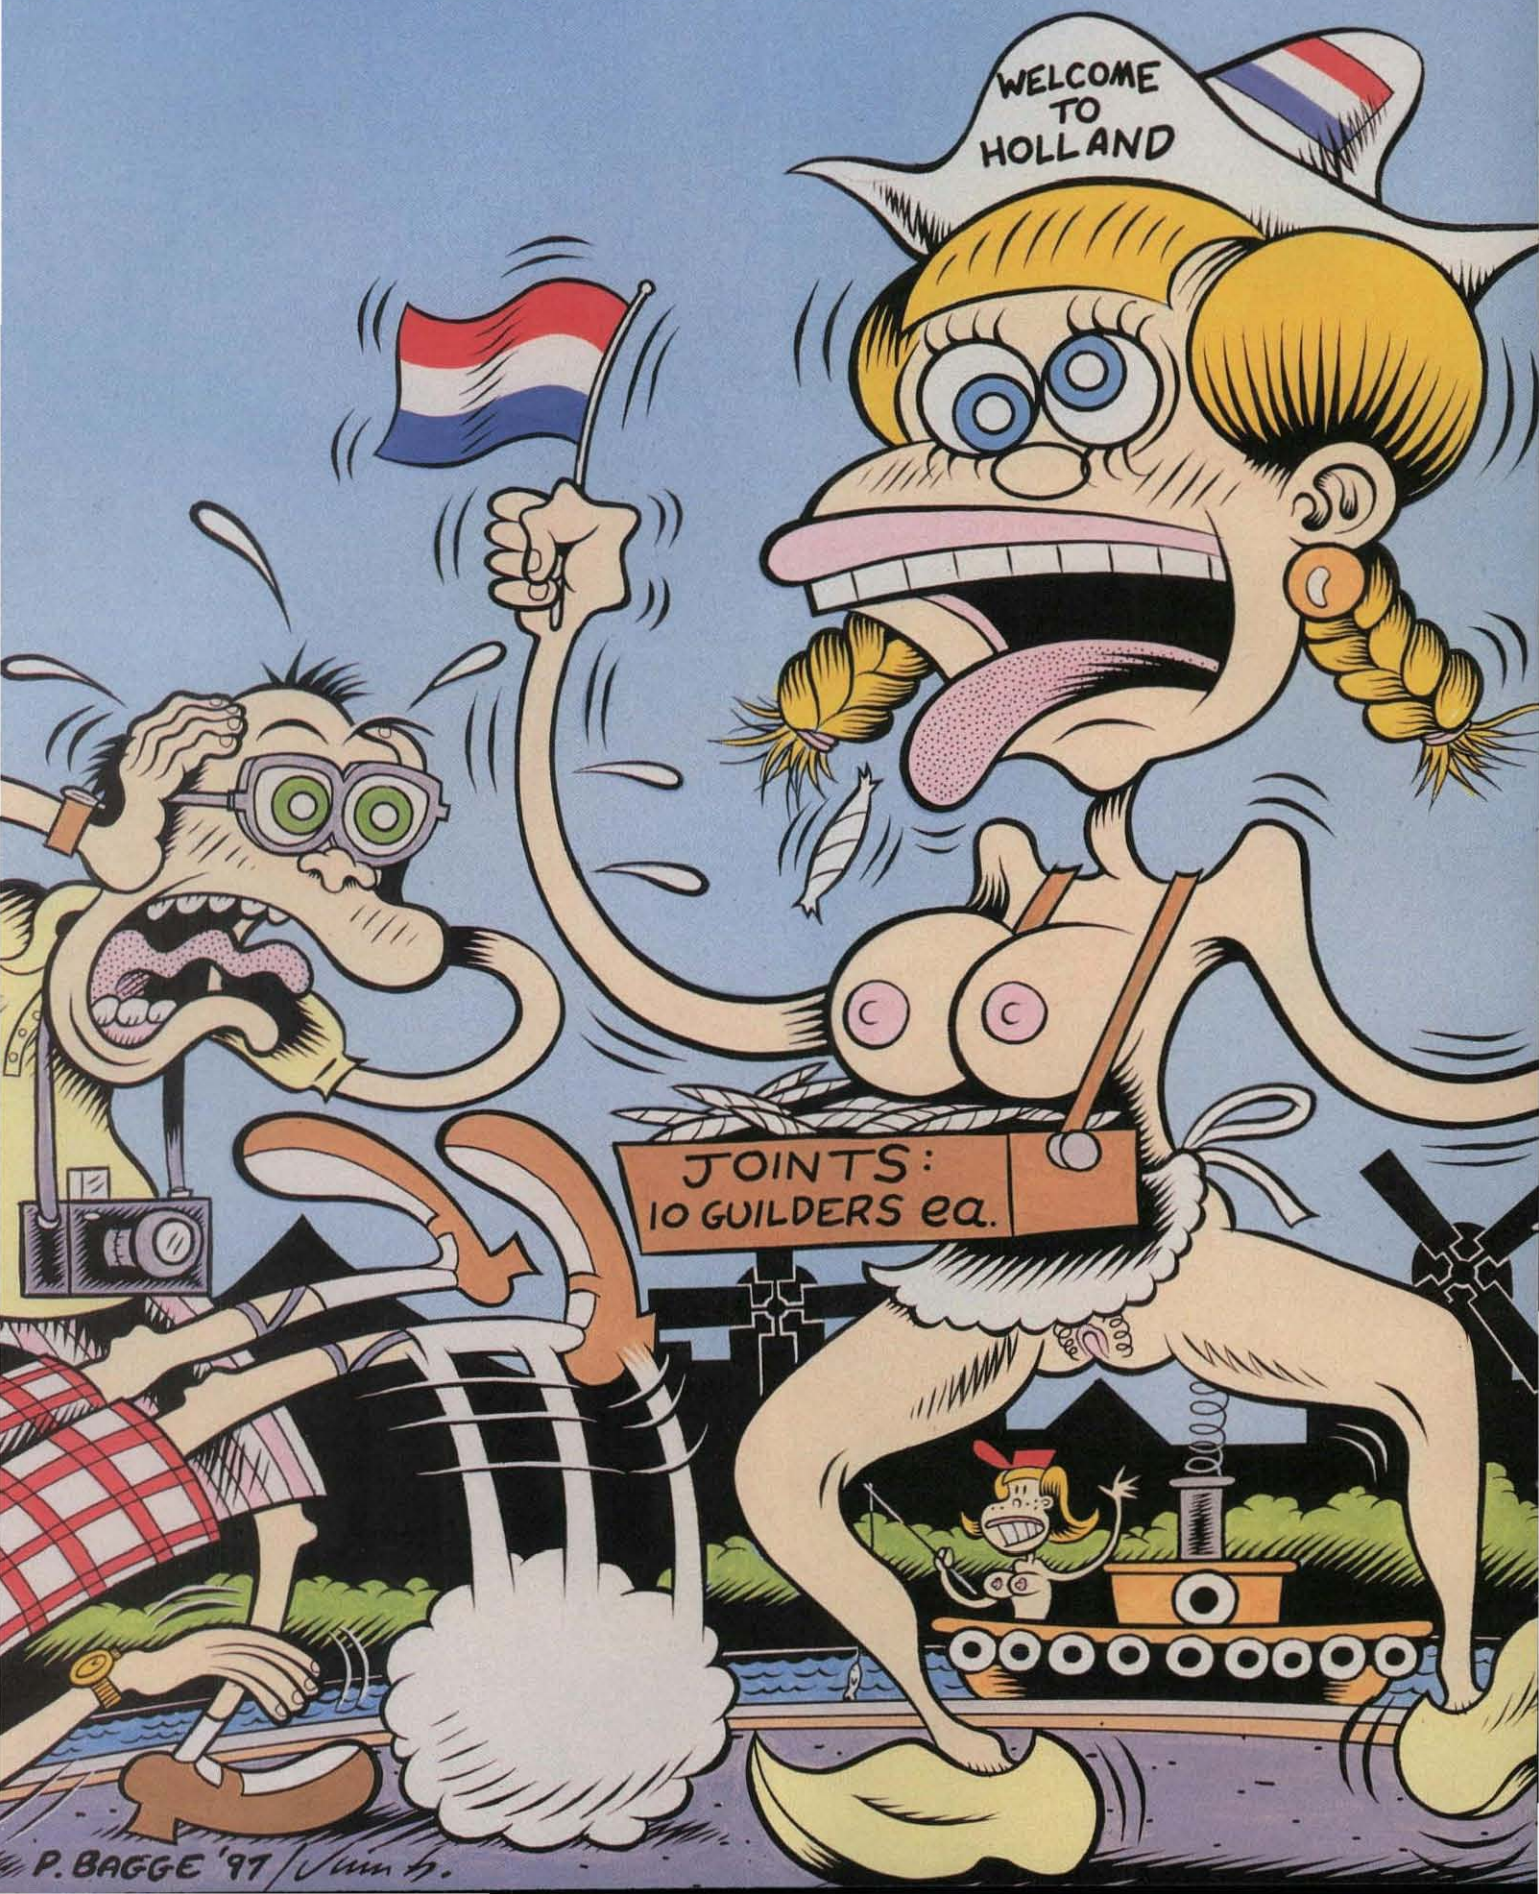

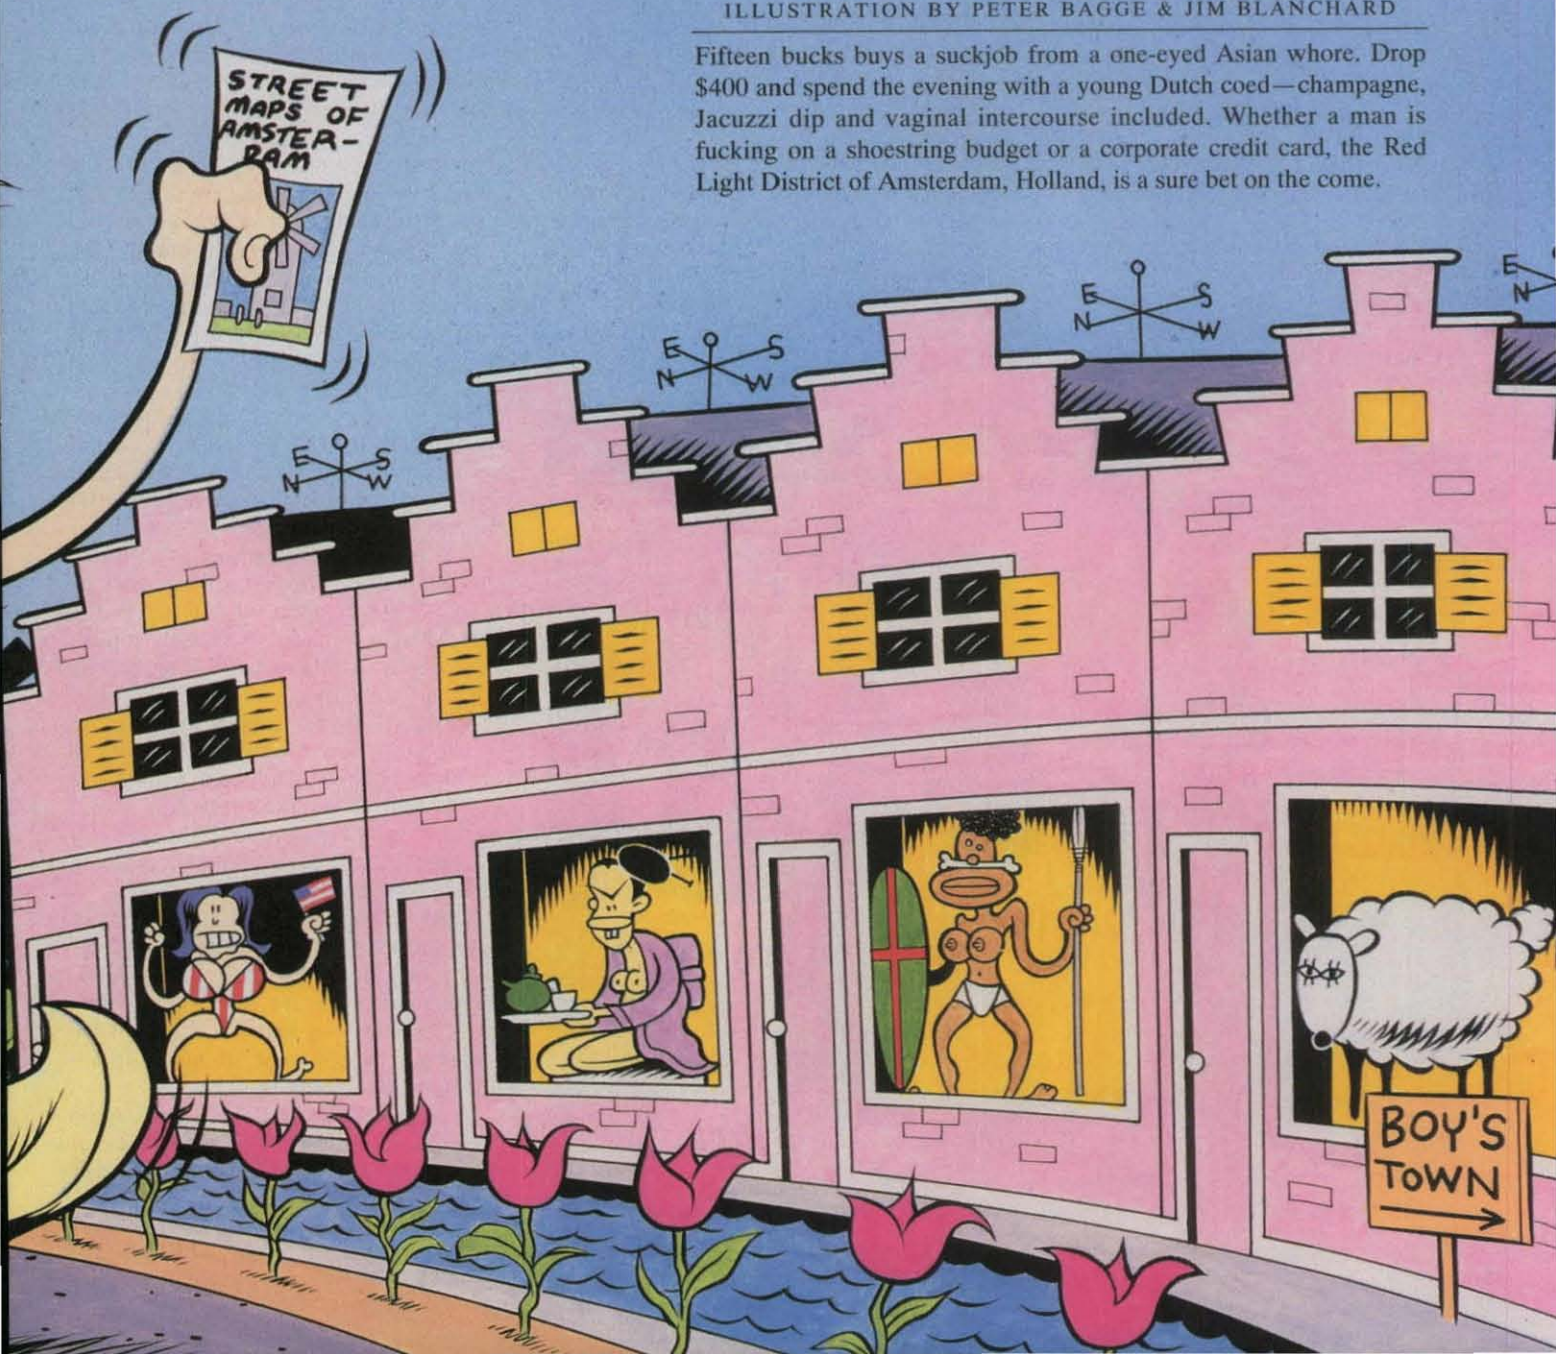

RED LIGHTS, BIG CITY

PENETRATING AMSTERDAM'S SLEAZE DISTRICT

SEX-TOUR GUIDE BY WILLIAM McWEARY
ILLUSTRATION BY PETER BAGGE & JIM BLANCHARD

Fifteen bucks buys a suckjob from a one-eyed Asian whore. Drop \$400 and spend the evening with a young Dutch coed—champagne, Jacuzzi dip and vaginal intercourse included. Whether a man is fucking on a shoestring budget or a corporate credit card, the Red Light District of Amsterdam, Holland, is a sure bet on the come.

Amsterdam

The midday sun shimmers off the pea-green canals that lace the brick streets. Hookers make their first appearances in the window boxes, wearing thong bikinis or shoddy lingerie.

A young girl stands in the window wearing an American-flag bikini. Stars on her tits and red stripes over her pussy.

A Metallica song blares from her small room.

Master of puppets, I'm pulling your strings....

A crowd of window-shopping men stops and stares. On this night, the Old Glory girl is the most beautiful hooker working Amsterdam's Red Light District. Long black hair frames a sweet face with deep blue eyes. The outlines of her large nipples burst through her star-spangled bra. If supermodel Paulina Porizkova were a whore....

She turns and pulls the thong strap out of her ass; the mesmerized onlookers press closer to the glass.

...twisting your mind and smashing your dreams....

An older man with thick glasses knocks on her door.

"I'm Grace." She smiles. "Come in."

The working girl shuts the blinds and turns to her customer, who sits sheepishly on the twin bed. "So," Grace says, pulling her patriotic panties aside to flash her tightly trimmed tuft. "What'll it be?"

* * *

The Red Light District (RLD) in Amsterdam, Holland, may be the most

liberal five blocks in the world, a hedonist's paradise of hookers, pubs, pot dens and live-sex shows. Easy to find, nestled in the oldest neighborhoods of downtown Amsterdam, the RLD is located four blocks southeast of the Centraal Train Station and due north of the famous Krasnapolsky Hotel.

To begin a tour of the RLD, take one of Amsterdam's ubiquitous Mercedes cabs to the Krasnapolsky. Walk north on Damstraat Boulevard, away from the \$250-a-night hotel: Trendy outdoor cafes give way to bustling Persian delis that recede into a menagerie of XXX bookstores, peep shows and, of course, the tricks under glass.

Turn left on Oude Zijds Achterburg Wal to find the Hash Marijuana Hemp Museum and the first of many black street peddlers mumbling, "What you need? Coke, smoke, LSD, PCP, 'shrooms...."

In Amsterdam, nearly every sense-satisfying activity is perfectly legal except for the use of hard drugs, such as heroin or cocaine. Sit inside Stone's "coffee shop," and the barmaid quickly produces a marijuana menu. Thai bud runs \$6; skunk weed about \$4. Pre-rolled joints the size of felt-tipped pens cost just \$3.

As the strong pot turns men's minds to sex, the 100 half-naked whores sitting

in windows across the street become a marvel of convenience.

* * *

The midday sun shimmers off the pea-green canals that lace the brick streets. Hookers make their first appearances in the window boxes, wearing thong bikinis or shoddy lingerie. Red-fluorescent tubes light the ladies from below, bestowing their rooms with a carnival glow.

Hookers in Amsterdam do not pay pimps, per se. Instead, the prostitutes pay "rent" to the "landlords" of the one-room sex pads that the girls work in two separate shifts. The noon-to-7:00 p.m. tricks pay less than their prime-time counterparts. The daylight dames tend to be old, overweight or both. Usually both.

At 1:00 p.m., a Mexican woman with a belly the size of a sombrero brushes ashes from her soiled, stretched-out lingerie. The next window opens on an aging white trollop wiping cherry-red blush into leathery cheeks. Two doors down, an Asian tramp with a Sumo wrestler's fatty tits seems to wink at passing men. Her left eye is permanently sealed shut.

For the blowjob-bargain hunter, the afternoon hours are a ball-busting, blue-light special. Twenty-five guilders (about \$15 U.S.) buys oral sex. Fifty guilders is enough for the coveted blow-and-go (oral warm-up followed by missionary sex).

All prices are negotiable during the day, but by 7:00 p.m., when the dross hits the bricks, and the younger, sexier girls appear, expect to pay at least 100 guilders for pussy penetration.

The fucking procedure is simple: Knock on the window of the girl of choice. She will open the door. Ask the price. Most hookers speak enough English to succinctly settle business. If agreeable, walk inside, and the game begins.

All quoted prices outside the door are for one-position sex only. Extra services can be purchased once the blinds are closed. Add 25 guilders for each sexual position beyond missionary. Tack on 100 guilders for anal sex. Kissing is verboten, and condoms are mandatory.

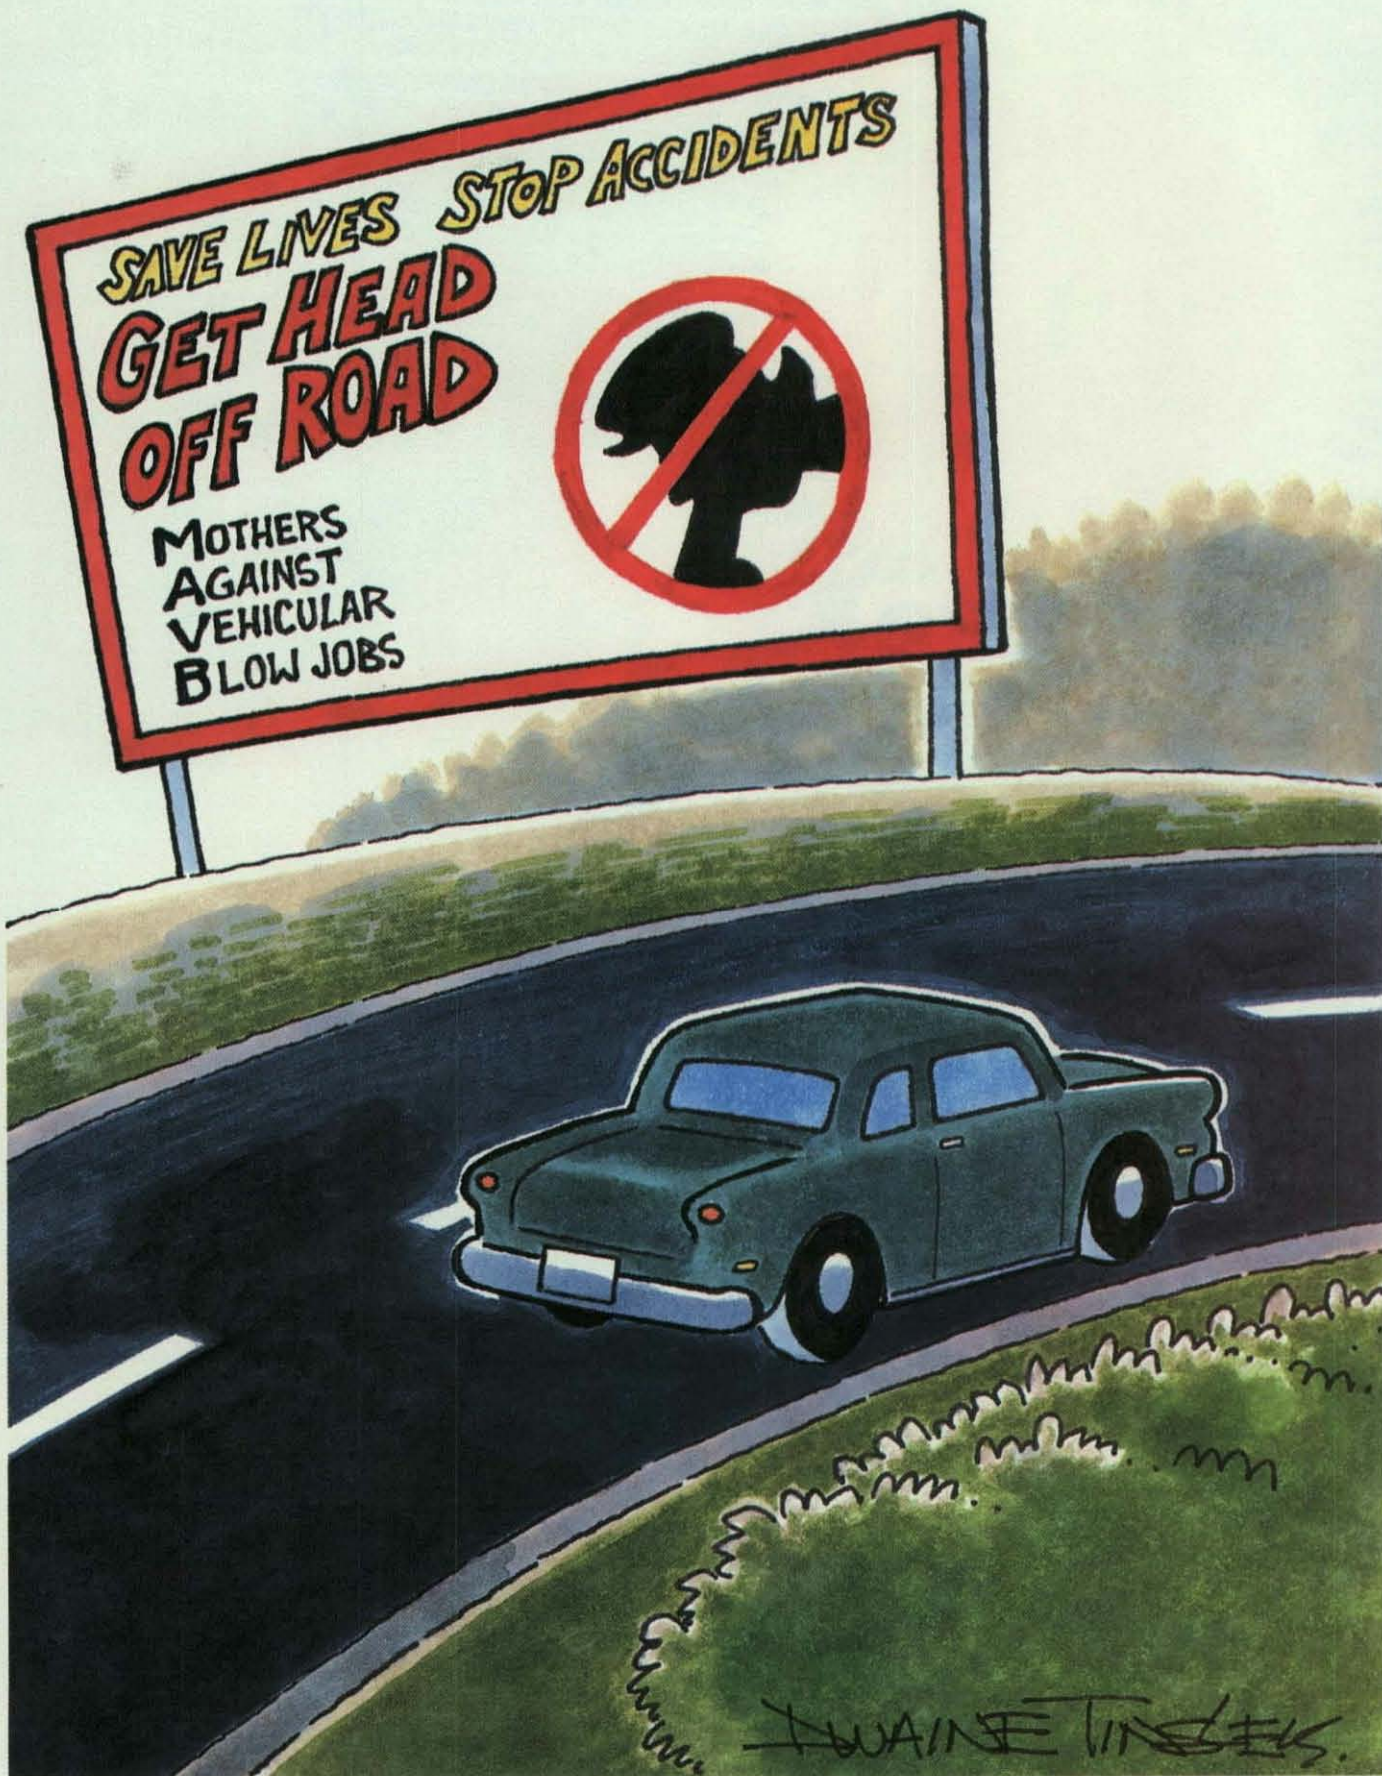

Beware the nonnaked hustle. Many 'Dam hookers will not remove their bras for the originally quoted fee. To avoid disappointment, always ask the trick during the opening negotiations if full nudity is part of the package. If not, add 25 guilders to feel those tits.

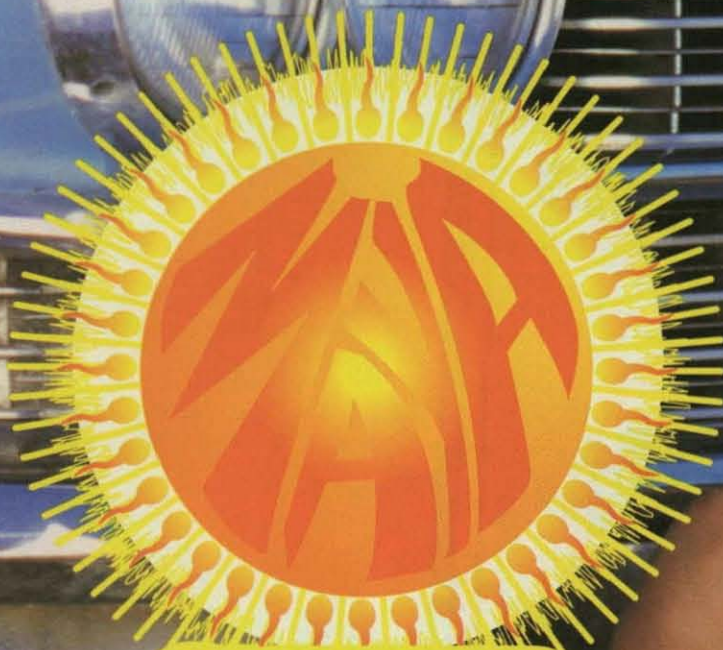

While windows that face the canals remain more for show than blow, the real female gems are hidden in alleys divided according to demographics.

"Sapphire," a skin-and-bones trick in a yellow thong, tests her sales pitch on a group of Parisian men. "I give you fucky-fucky and sucky-suck. You come now. I make you come."

(continued from page 64)

Boulevard, a row of windows contains silk-skinned Japanese girls winking and hooking tourists inside to sample their imported sushi.

On a street called Denk Aan Onze Buren, a THAI MASSAGE sign hangs 15 feet from the Christian Youth Hostel Center. Ten steps later, four windows of homely Thai whores preen with garish makeup and long eyelashes. Boners beware: Many locals insist the Thai girls are actually "rebuilt" men.

"Fire Alley" is the nickname given to Stoofsteeg, where the white girls work. To call this oasis an alley exaggerates its width; Stoofsteeg is actually a slim corridor that forces men sideways to navigate its distance. Approximately ten yards west of the Bulldog (the oldest pot house in the RLD), this walkway contains nearly 30 windows of fresh-faced, Eastern European girls. Some girls have black hair and deep, dark eyes; others display the classic Nordic features of white-blond hair, blue eyes and heavy, natural breasts.

As men pass, the girls shout through the glass. "Want a date?" "Can I suck your cock?" "Wanna fuck my pussy?" Thoughts race through the john's mind: *Is she the one? Do I have enough guilders? What about that blonde that looked like*

Alicia Silverstone? I've never had a black chick! Or Asian! Perhaps the greatest difficulty in buying a 'Dam hooker is deciding exactly which one fits your bone.

In the southern shadow of the 15th-century Old Church (called Oude Kerk), black girls sit in their glass-enclosed pews. "Sapphire," a skin-and-bones trick in a yellow thong, tests her aggressive sales pitch on a group of Parisian men. "I give you fucky-fucky and sucky-suck. You come now. I make you come."

How so many African girls have suddenly sprung up in the RLD provides insight into the business of pleasure.

"In the late 1980s, mostly white girls worked the District," says "Sugar," a Dutch girl who vacated her window in 1994 and today can be seen fucking live on the Internet. "Dutch girls, German girls, Polish girls. To us, it was an exciting way to make money. I was putting myself through art school. Then all these black girls suddenly showed up, and many of us were pushed out."

By 1992, the Dutch mafia discovered that selling dope could be even more profitable than selling skin, according to one RLD veteran who insists on anonymity to "protect my ass." "Heroin and crack came in by the boatload," this

fiftysomething Amsterdam native reveals. "Soon, the mob leaders realized that the importation principle could also be applied to women."

The scions of a long line of Dutch flesh traders, the mafia proved adept at moving human currency. Black women from African countries, such as Ghana, began popping up in windows, as did the many slinky Asian chicks and sturdy Russian broads. The strong-willed local girls were forced out. "It has become a slave-trade situation," the RLD veteran maintains. "The African girls are starved to the point of submission, where they do whatever their pimp says."

"After a few months working in Amsterdam, the girls are shipped to Antwerp [Belgium] or Copenhagen [Denmark], and a new batch of girls arrive in Holland."

Looking for the pick of the prostitution litter? A stone's throw from the house where Anne Frank hid from Nazis during World War II and wrote her famous diary, stands the Yab Yum Club, one of Amsterdam's last bastions of high-class, civilized prostitution.

Yab Yum is an old Hindu locution meaning "to unite in pleasure." The phrase could also mean "to empty the wallet." Entrance to this well-appointed townhouse costs \$75. Inside the club, from 8:00 p.m. until 6:00 a.m., a man can schmooze with as many as 40 different high-class hookers, predominantly Dutch girls who purport to attend the University of Amsterdam by day.

Visitors sip cocktails until a young lady sits. A \$125 bottle of champagne acts as a sexual down payment. Conversation ensues and, in fact, "is one of the most welcome parts of the process," explains Richard C., a multimillionaire who treats business clients to evenings at Yab Yum. "The girls are very bright, very classy. They are as comfortable speaking of Sartre as they are sucking a man's dick."

When the gent is ready, the couple moves to a private bedroom upstairs with elegant furnishings, a fully stocked bar and a Jacuzzi tub. Climbing those stairs will cost an additional \$250. The couple bathes. All soap and shampoos in Yab Yum are purposely odorless to prevent detection by the visitor's wife.

After an invigorating soak, the woman lies naked on satin sheets and kicks her long, young legs into the air. She spreads her pussy with both hands and gives her clients "the most incredible, sensual and fulfilling fuck of your life," according to Richard C.

Grace crawls onto the soiled sheets, posing on all fours with her naked ass in the air. The man mounts his young lass, spreading her pussy with two fingers. "I'll do it," she snorts.

One hour later, the man dresses and leaves, at least \$400 lighter in the wallet and two or three loads lighter in the 'nads.

Ravel's "Bolero" pours out of massive speakers on either side of the stage. A red curtain opens, and a man emerges outfitted like the Terminator, complete with reflective sunglasses and laser gun.

He pans the audience in this way-off-Broadway theater until a damsel in distress enters from stage left. A helmet conceals her face, but her bare boobs burst through a metal breastplate. The Terminator grabs her, holds her and fires his red laser at an unseen criminal.

Dry ice filters onto the stage, obscuring the actors. When the smoke clears, the female victim is on her knees, with red lips wrapped tightly around the Terminator's stiff cock.

The music builds. The woman flops onto her back, and our hero dives into her pink folds, licking the pussy with an eye to his audience. He pushes the girl's left leg far back over her head to make her glistening gash visible to customers in the balcony.

Schwarzenegger's stand-in slaps the damsel's thigh, and the woman spins into a doggie position. His cock slides in and out of her sluice until the actor slaps his

leading lady's ass. The actress turns and falls dramatically to her belly. She spreads her legs wide and moans loudly as her co-star again shoves his stick inside her pussy, pumping in time with the music until he pulls out, winces and...the curtains close.

With three locations in a two-block radius, Casa Rosso is the McDonald's of live-sex shows. For \$35 to \$50 (depending on how many Terminator-style vignettes are on the program), theatergoers enjoy close-up looks at hard-bodied Euro babes getting boned by big-dicked dorks.

Katarina is a live-sex performer at Casa Rosso's primary location, Achterburgwal 106-108. A Polish girl who studied gymnastics, Katarina hopes to earn enough money fucking onstage to become a professional dancer. "It's theater, not sleazy," the 20-year-old stresses between shows. "I like to entertain." And entertain she does, packing her pussy six times a night with a stiff dick and one time with a lit cigar.

There are many alternatives to the glitz of Casa Rosso. The crème de la crud of live entertainment can be had at the Bannenbar.

A 40-year-old Russian trollop with chipped teeth, bony hips and empty-potato-sack tits sits atop a Formica bar and

peels a banana with her twat. She taps a "lucky" man on the shoulder and feeds him the exposed fruit while the unpeeled portion hangs like a large, loose cigarette from her pussy lips.

A different bar frau cradles an empty glass between her big, drooping breasts. This gargantuan girl, one Viking helmet shy of being an opera singer, fills the half-pint mug with lukewarm Amstel Light for thirsty customers.

Grace removes her stars-and-stripes thong and drops to her knees. Her man of the moment stuffs his thick glasses inside a coat pocket and hands the hooker a 100-guilder note.

The tart strokes the man's shaft until he's erect enough to accept a condom. Once sheathed, Grace sucks the old knob for 30 seconds.

"How old are you?" the man wonders.

"How old do you want me to be?" Grace volleys.

"Seventeen," he responds.

"I'm 17 years old," she confirms.

"How do you want to fuck me?"

"From behind."

"Doggie costs 25 guilders more," she informs, her coy voice turning curt.

The visitor forks over more cash, and Grace crawls onto the soiled sheets, posing on all fours with her naked ass in the air. The man mounts his young lass, spreading her pussy with two fingers. "I'll do it," she snorts, and opens her loose lips to feed the cock inside.

"You're tight like a virgin," he fantasizes aloud. He looks down at his old dick sliding silently in and out of this barely legal girl's cunt. For one moment, he is young again. "Can I come on your face?" he asks between thrusts.

"No," she sighs. "Come in my pussy, baby."

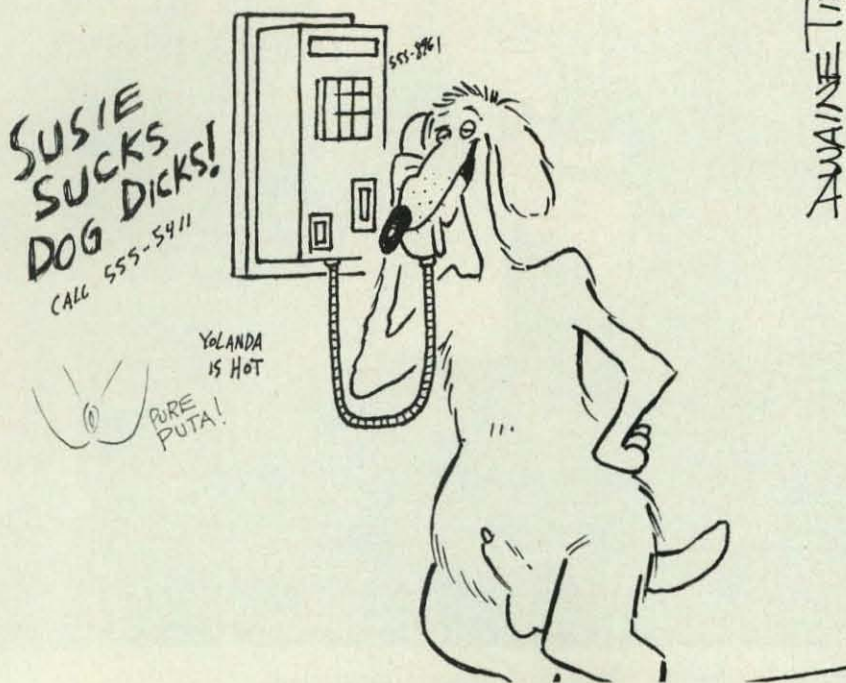

From her lips to john's ears, spuzz fills the wretched rubber.

The hooker hops off the cock. "Trash can's over there," she drones. The old man dumps the soiled condom into the garbage filled with cigarette butts and several slimy scum bags.

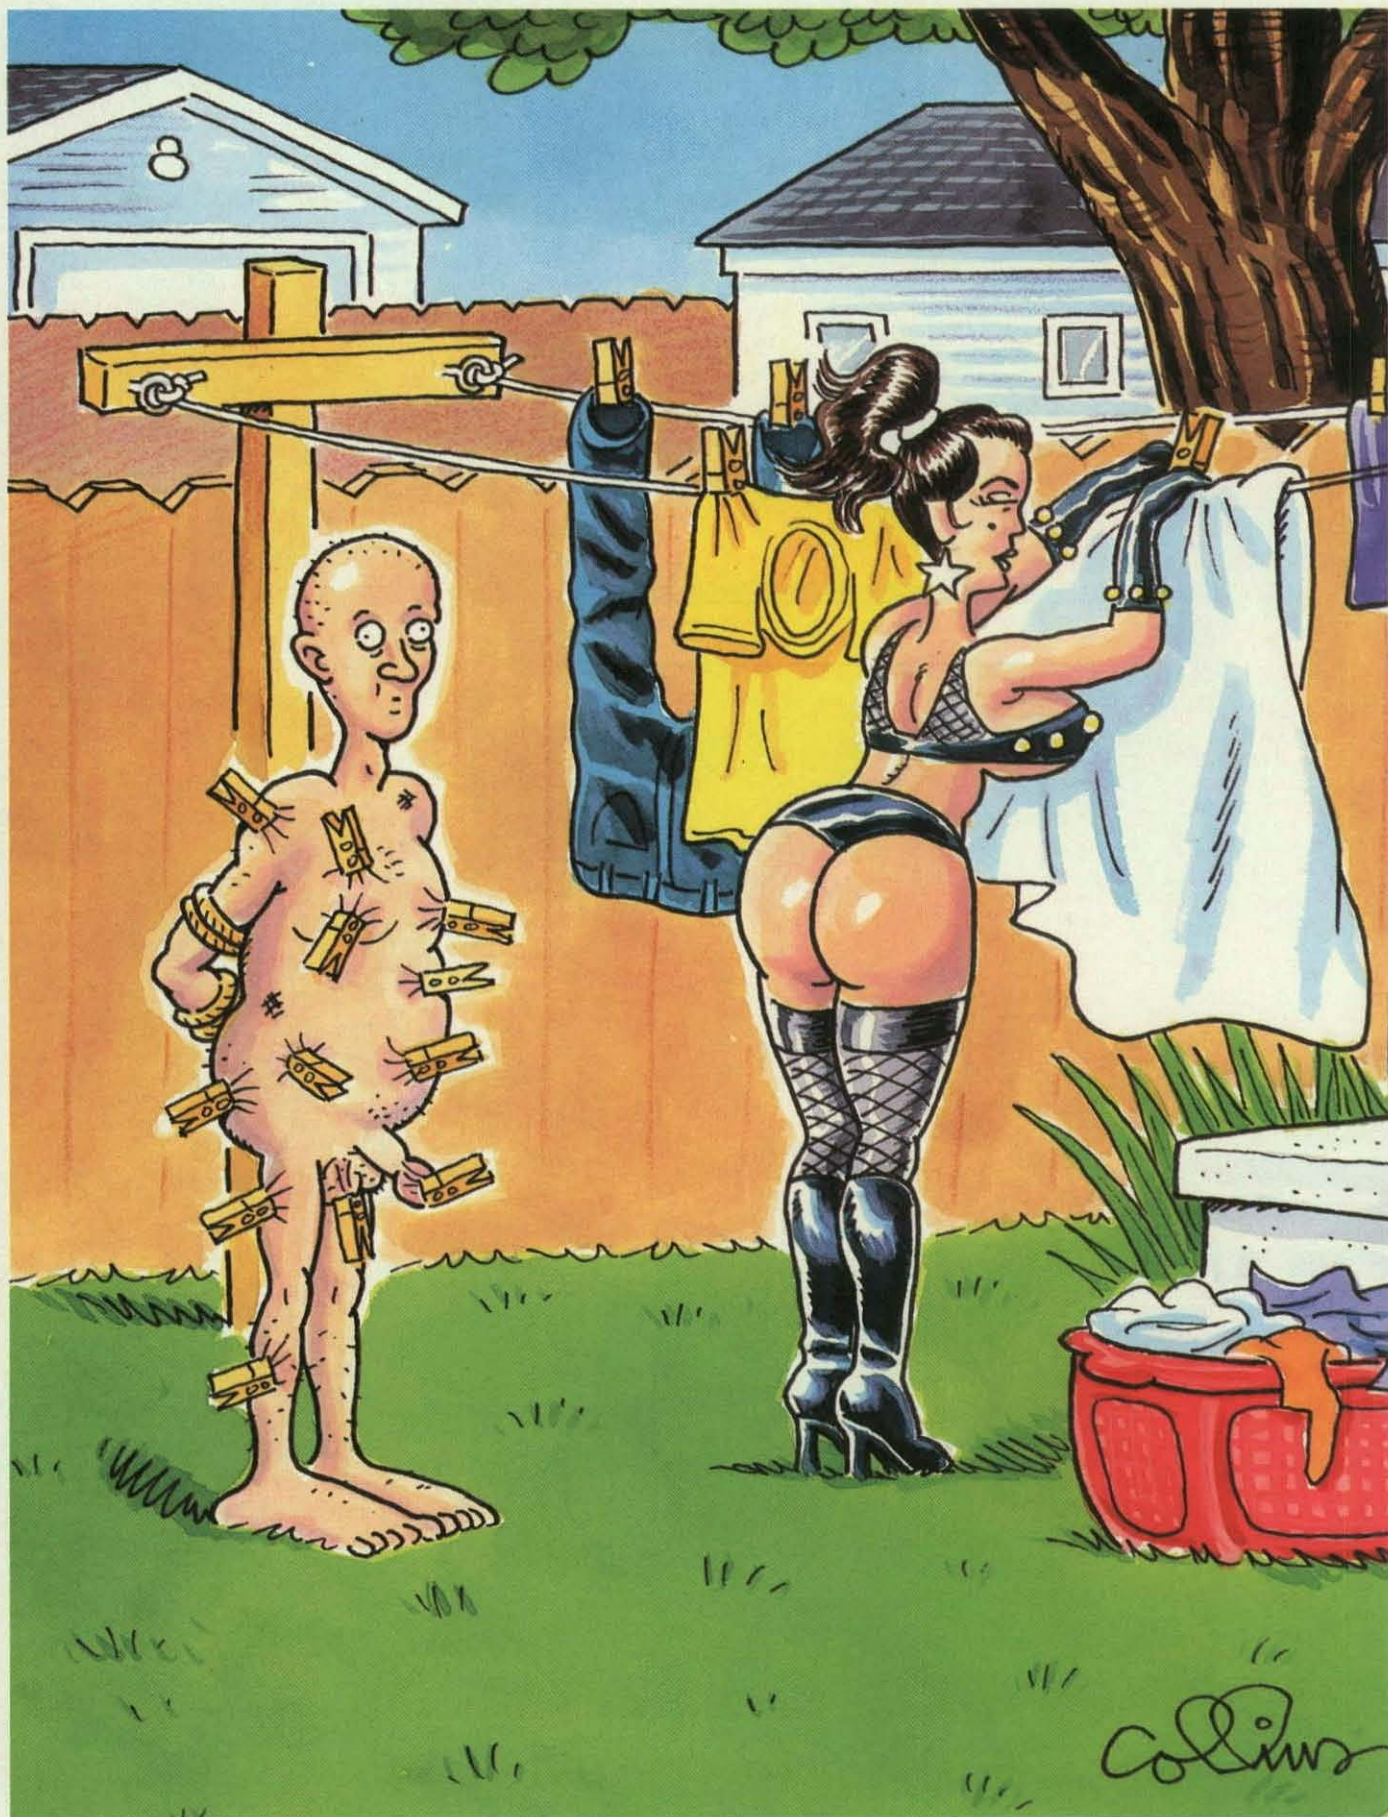

Grace washes her pussy in a basin behind the bed and steps back into her star-spangled bikini. Her customer dresses and walks away with head down and hands deep inside front pockets.

The venetian blinds open, and Grace stands in the window once more. Metallica is again cranked to 11, and her smile returns, beckoning to the horny zombies on the other side of the glass.

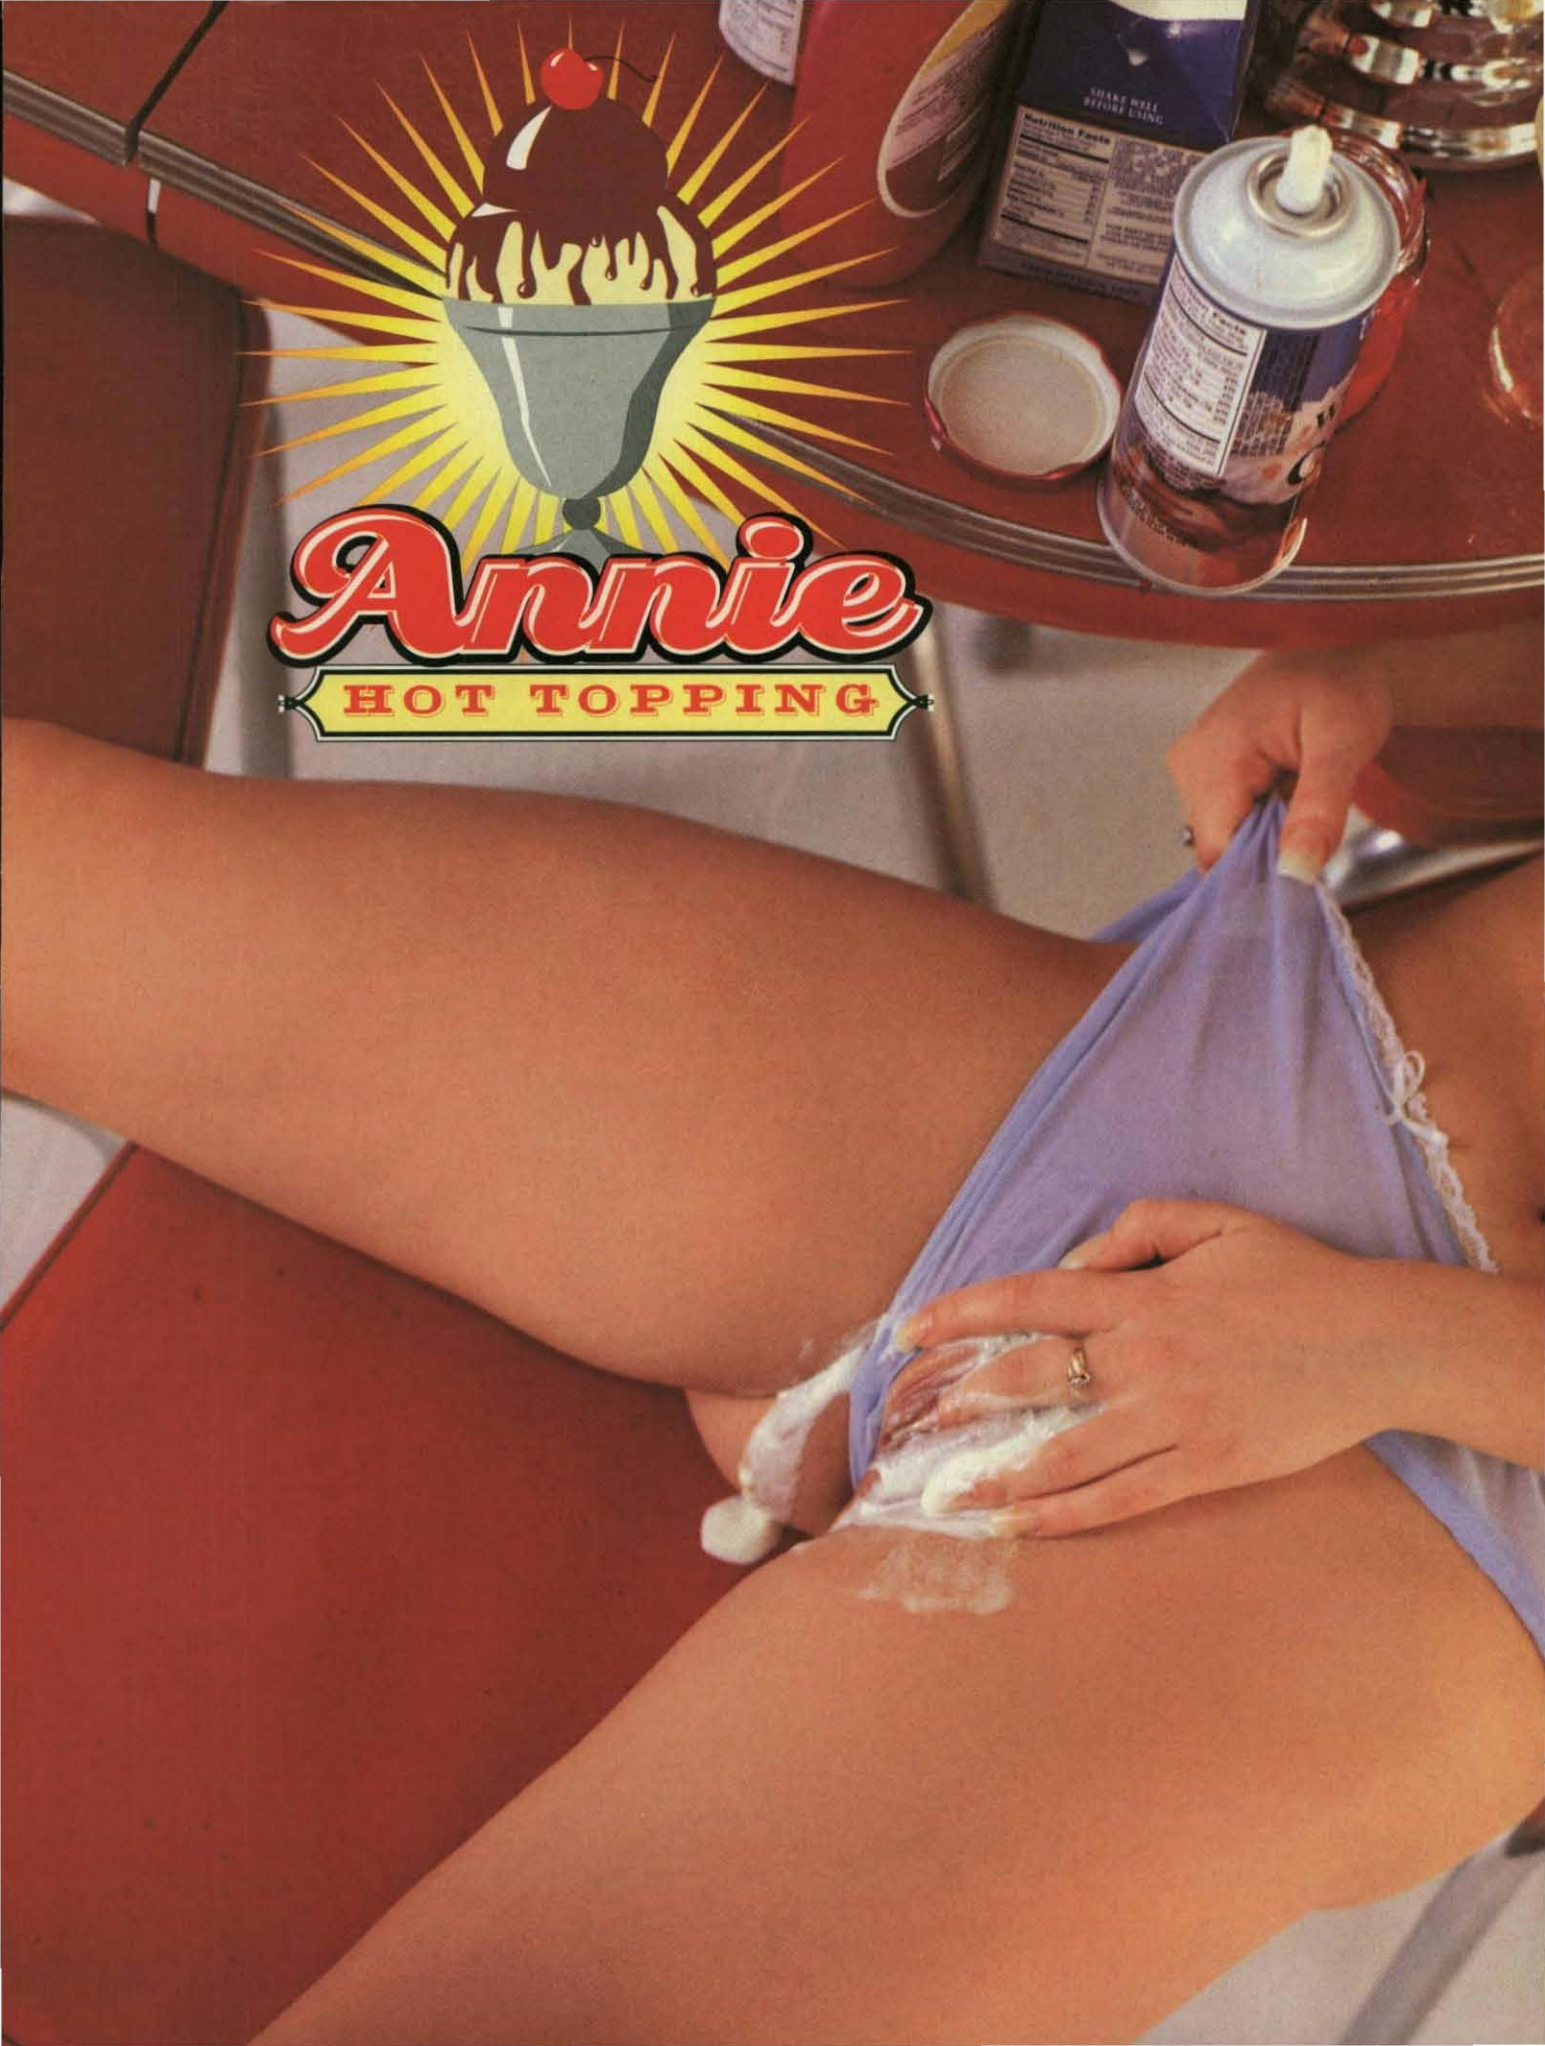

It's prime time in downtown Amsterdam. Grace's shift has just begun.

"Yo, Susie? Woof, woof, baby...."

Todd died and found himself stranded in hell, face to face with Satan.

"What the heck's going on?" demanded Todd. "I've been good my whole life. I'm supposed to be in heaven!"

Satan smiled and said, "Relax, Todd. Hell's not so bad. Listen, do you like drinking?"

Todd said, "Sure, I've been known to toss back a couple of cocktails."

Satan responded, "Great. Every Monday is drinking night. Drink all you want. You won't get sick or have a hangover. How about smoking? Do you like smoking?"

"Love it," replied Todd.

"Well, Tuesday is smoke night. Whatever you want to smoke, no coughing, no cancer. It's great," said Satan.

"Hell's starting to sound pretty cool. Anything else?" asked Todd.

"Hey," asked Satan, "how do you like getting fucked in the ass?"

"Not at all!" Todd exclaimed.

Satan sadly shook his head. "Then you're really gonna hate Wednesday nights."

Question: Why do men find it so difficult to make eye contact when talking to women?

Answer: Because tits don't have eyes.

The HUSTLER Dictionary defines *overcome* as: where you make the girl sleep.

One day Rick brought his buddy Dave by his house for a beer after work. They went upstairs looking for Rick's wife and were surprised to find her in bed with another guy.

Rick said, "C'mon," and led Dave downstairs where they each grabbed a beer.

After ten minutes, Dave finally asked, "What about the guy upstairs?"

"Fuck him," said Rick. "He can get his own damn beer."

Ten-year-old Matt was visiting his uncle, a wealthy New Hampshire farm owner. One evening, as Uncle Jim and his wife were hosting a dinner party, they were interrupted by an out-of-breath Matt shouting, "Uncle Jim! Come quick! The bull is fucking the cow!"

Highly embarrassed, Uncle Jim took Matt aside and explained that a certain degree of decorum was required. "You should have said, 'The bull is surprising the cow,' not whatever filth you've been picking up on the school playground."

A few days later, Matt came rushing in again while his aunt and uncle were entertaining. "Uncle Jim!" he shouted. "Come quick and look! The bull is surprising the cows!"

The adults shared a knowing grin as Uncle Jim said, "Thank you, Matt, but surely you meant to say 'the cow,' not 'cows.' A bull cannot surprise more than one cow at a time, you know."

"Yes he can!" replied the nephew. "He's fucking the horse!"

Surprised, the soldier asked again, in a slightly firmer tone of voice.

"Fuck off, Yankee prick!" was the British girl's only response.

Completely pissed off, the vet grabbed the mutt and threw it out the window.

An Englishman watching from across the aisle remarked, "I say, you Yanks still amaze me. You eat with the wrong hand. You drive on the wrong side of the bloody road, and you just threw the wrong bitch off of the train."

RAP MUSIC, HARD-CORE COPS AND DYNAMITE BOMBS

A THREE-STRIKES DRAMA IN CALIFORNIA

CRIME REPORT BY EVAN WRIGHT * ILLUSTRATION BY JUSTIN FORBES

Police in Vallejo, California, have charged rap-music promoter Kevin Robinson with masterminding a courthouse-bombing plot that terrorized the small city in January 1997. Robinson's alleged motive: to derail his upcoming multiple-felony trial in a state where "three strikes and you're out" is the law of the land.

If the citizens of Vallejo, California, had not been exposed to possible death and injury, the story of how a band of petty criminals bombed the local courthouse would almost be funny.

Police allege that a rap-music producer named Kevin Lee Robinson, known as "Big Kev" because of his 300-pound bulk, hired a gang of bungling felons to blow up the courthouse, a police-evidence room and other targets around the city of Vallejo in order to escape a life-sentence conviction in his upcoming narcotics trial.

The bombing campaign that began on January 25, 1997, was a failure from the start. The first bomb, a knapsack containing 30 sticks of dynamite, was discovered unexploded on a lawn outside the public library. Authorities theorized that the intended target of the knapsack bomb was the Vallejo police evidence locker, which is located directly beneath the children's reading room of the library.

How bright were the bombers? Not only had they neglected to detonate their bomb, they also failed to remove incriminating identity tags from the sticks of dynamite. The tags enabled police to trace the sticks to a local construction company and, within several days, to the former employee who stole them.

The following day a dynamite bomb exploded next to the ATM machines of a Wells Fargo bank a few blocks from the public library. The early morning blast injured no one and caused minor damage.

Despite their success at finally setting off a blast, the bombers demonstrated new levels of stupidity by allowing themselves to be filmed by the bank's surveillance cameras. One perpetrator, stealthy as Wile E. Coyote, is clearly visible in video footage as he unwinds a coil of detonation wire.

As dumb as the bombers were, the crew managed to completely outwit law enforcement a few days later when, at 3:30 a.m. on January 30, an explosion destroyed one wall of the Vallejo-Benecia Municipal Courts building and shattered windows for several blocks.

The courthouse blast was an astounding feat. The Vallejo Police Department had been tipped days in advance by anonymous phone calls that the courthouse would be bombed. Alcohol, Tobacco and Firearms (ATF) and Federal Bureau of Investigation

(FBI) agents had poured into the small city to assist local police in capturing the suspects and preventing them from carrying out their threats. Nevertheless, the bombers succeeded in carrying a package of several dozen sticks of dynamite across a 30-foot open lawn, positioning it next to the courthouse and uncoiling detonation cord 150 feet across a major thoroughfare and into an alley, where they triggered the explosion with a car battery.

CNN picked up the story and reported theories that Vallejo had been targeted by right-wing, antigovernment militia groups.

The cast of characters arrested a few days later—thanks to the identification labels left on the dynamite—proved to be a mixed-race mob of petty crooks. There was Frank Ernestberg, a white guy who had previously been arrested for breaking into a couple's suburban home and masturbating in front of the wife until the husband chased him out; two Samoan brothers, one of whose earlier busts was for beating up a high-school student at a bus stop; and Jason Pascual, a Filipino with an eye patch and a permanently lopsided sneer—the result of brain injuries that, his mother claimed, made it impossible for him to feed himself until recently. ("He is not smart enough to make a bomb," Pascual's mother told the local paper, the *Times-Herald*, after his arrest.)

The group of arrestees also included two black guys: Orlando Johnson and the plot's alleged "mastermind," Kevin Lee Robinson.

At the time of the bombings in Vallejo, Kevin Robinson faced (and still faces) narcotics charges stemming from two separate police raids on his home, in 1995 and 1996. The trial is scheduled to take place this fall. If found guilty, Robinson will be sentenced to a prison term of several hundred years under California's draconian "three strikes and you're out" law.

Big Kev, 29, is well over six feet tall and has fingers like pipe joints on a blast furnace. He is surprisingly soft-spoken and is often described as "sweet" by those who know him.

Robinson was born and raised in Vallejo, population 109,000, a grimy port city on the outer reaches of the San Francisco Bay that until 1994 was home to the sprawling Mare Island naval base. The downtown, where the bombings occurred,

Vallejo

Sold to the public as a means of keeping violent offenders off the streets, the three-strikes law handed police in California a powerful tool for incarcerating a wide variety of citizens.

is an area of shuttered businesses, homes with chained pit bulls on peeled-paint porches and shifty, white crank addicts loitering on streets of shattered malt-liquor bottles.

In its heyday before the base closure, Vallejo was best known for its whorehouses. Though there has been a successful attempt to ring the outlying city with prosperous mini-malls, housing developments and tourist attractions, such as Marine World-Africa USA, a popular civic pastime among Vallejoans is to disparage their city in harsh terms.

"Vallejo is a pit," states Cathy Stream, an attorney in the county public defender's office. "It's a crime factory."

Kevin Robinson was born and raised in the crummiest part of town, a neighborhood called Country Club Crest. Cut off from the rest of the city by an expressway built atop an earthen embankment, "the Crest" is accessible only by two underpasses burrowed through the dirt.

For a ghetto, the Crest has a distinctly suburban feel. Single-dwelling homes edge winding streets that end in cul-de-sacs. Predatory teens lurk on the burned-out lawns. After sundown, dealing drugs and firing guns into the sky are popular forms of entertainment, followed closely by firing guns at neighbors and other drug dealers.

Kevin was the middle child in a family of nine siblings and two or three fathers, depending on who is counting. Despite the fact that his mother worked full-time as a nurse and received welfare, Kevin's neighbors remember him as hungry, sometimes without shoes and always with a plentiful supply of holes in his pants.

"Kevin was gentle and sweet as a child," his older sister, Porche, contends. "He always wanted something better for himself and for his mama."

Kevin's first documented attempt at upward mobility is recorded in his juvenile-arrest record. The reports indicate that when Robinson was 16 years old, he was arrested and charged with a one-day robbing spree in which he hit a Winchell's Donuts, a 7-Eleven, a Mobil station and a couple of mini-marts. The crimes were allegedly committed using a variety of weapons: a kitchen knife, a pocket knife and a pellet gun.

Kevin was charged as an adult with eight felony counts.

He claims that he was only involved in one robbery, brandishing a BB gun, but that he was offered a deal to skip a trial, cop a plea to four felony counts and serve three years with the California Youth Authority (CYA).

The police reports in Robinson's juvenile case are contradictory, vague and lack specific eyewitness accounts linking him to all of the robberies. The reports read as if they were filed by overburdened, weary police officers tidying up their books by linking Robinson to every holdup that occurred in his crime-ridden neighborhood on that particular day. Because Kevin opted not to go to trial, the accuracy of the reports was never examined.

"I don't think he had a clue then what he was giving up," comments attorney Frank Epstein, who represented Robinson in his later drug busts. "He wasn't even asked to sign any papers that he was waiving his rights. It was all done verbally."

What neither Robinson nor anyone else could have known at the time was that ten years later, California would enact its landmark three-strikes law, which automatically requires 25-years-to-life sentences for criminals convicted of three or more felonies. Sold to the public as a means of keeping violent offenders off the streets, the three-strikes law handed police in California (and the 22 other states where it has since been enacted) a powerful tool for incarcerating a wide variety of citizens: violent, not so violent, unlucky or just plain stupid.

Kevin Robinson, who at 16 was stupid, unlucky and not so violent, ten years later found himself down to his last strike.

The Solano County Jail where Kevin Robinson is currently held is located in the city of Fairfield, 12 miles from Vallejo. The modern glass-and-concrete facility is designed around an imposing bronze monument to the police officers of Solano County slain in the line of duty.

The County Jail visitors' room is filled with mothers breast-feeding the infant children of incarcerated fathers. The babies scream a lot, since many of the mothers don't have enough tits for the number of mouths to feed.

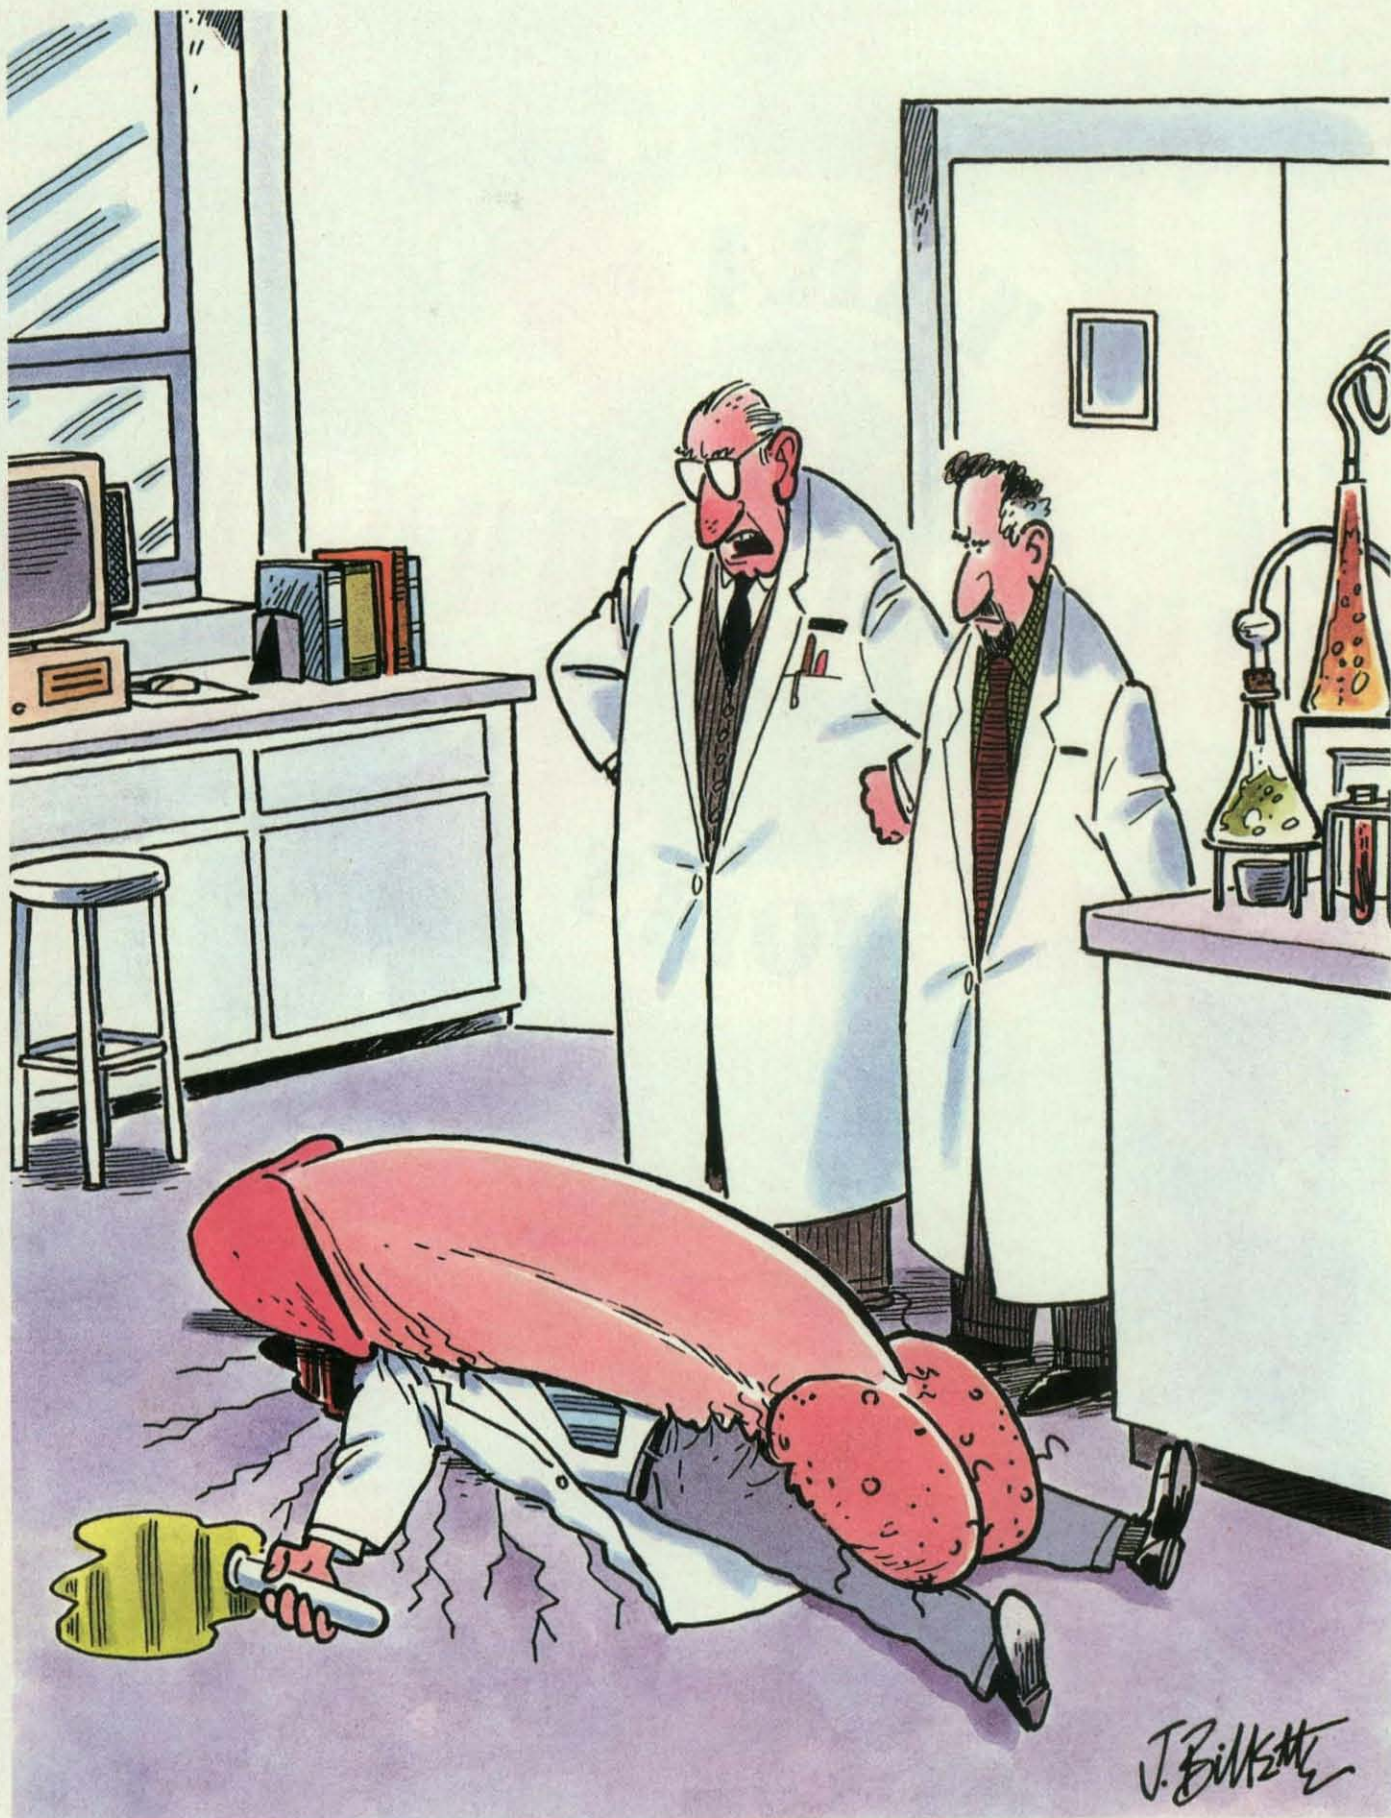

Since his arrest for the bombings, Robinson has been held in the hole, a 23-hour-a-day isolation ward. In a locked visitation cubicle, Robinson remains shackled over his pale-blue jumpsuit. Current inmate regulations stipulate the use of leg irons, a waist chain and handcuffs that bind the wrists to the inmate's belly. Scratching an itch on the tip of one's nose requires extreme contortions.

Robinson's eyes squint and water in the glare of the fluorescent lights.

"When I went to court last week, it was the first time I seen the sun and the sky for three weeks," he says, explaining

PHOTOGRAPHY BY CLIVE McLEAN

Channel swimmer Molly is drilling Tara in practice for her lifeguard test. After a few laps, Molly feels that Tara has all the strokes down.

Easing out of the pool, Molly says, "Let's see how you are at CPR."

"What's CPR?" asks Tara.

"Cute Pussy Resuscitation. It's how you bring an unconscious girl back to life. Lie down here, and I'll show you how to do it."

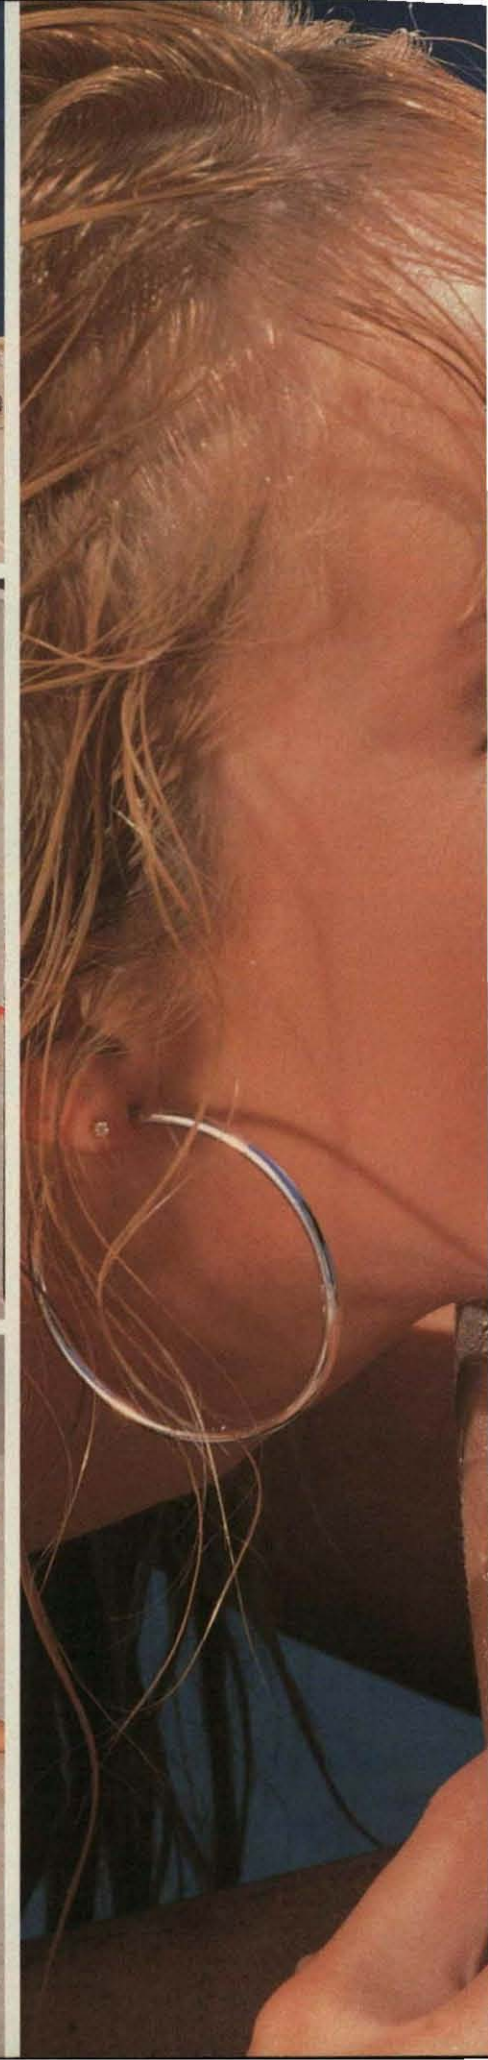

"One, one thousand...two, one thousand...three, one thousand. Tongue! One, one thousand...."

An eager student, Tara asks, "Can you come over tonight so we can practice some more?"

the swelling of his eyelids. "It kind of fucked with my eyes.

"There is no direct light in my cell. I can touch both walls with my hands if I expand them. They don't open the door. They slide food and shit through a hole." He laughs ruefully. "It's the fucking dog pound."

When Kevin was released from CYA at age 19, he used the menial-labor skills he had acquired to get a job at a furniture-upholstery shop. During the three years he hammered upholstery tacks into wooden frames, Kevin developed a powerful conviction, one held by many Americans. "I didn't never want to work for nobody. I wanted to have my own business and have people work for me."

Most entrepreneurs in Kevin's neighborhood, the Crest, then as now, work in the street-corner crack-service industry.

The extent of Kevin's involvement in the local drug trade will be debated in his upcoming narcotics trial. What is indisputable is his success in the world of rap music.

At the time of his arrest for the bombings, Kevin owned a record label, Big K Records, that promoted a number of local acts. Under Kevin's management, one of his groups, Game Related, had broken onto the *Billboard* R&B charts and inked a six-figure contract with BMG for a heavily

promoted national release. In December 1996—the time police allege he was conspiring to hatch the bombing plot—Robinson was shuttling back and forth to Los Angeles, California, to supervise the filming of Game Related's first video.

Throughout Kevin's rise in the music industry, he was dogged by run-ins with the law. He estimates that his car was pulled over in Vallejo a couple of times every month for the past five years. He was often detained and arrested without charges filed against him. His home was searched without search warrants.

Robinson blames two Vallejo police officers for nearly all of his troubles.

"Hendershot and Weaver," he states. "For some reason, they hate my guts."

As he recalls, Robinson's relationship with officers Don Hendershot and Ken Weaver dates back to before 1992, when the two cops arrested Kevin's older brother for passing "marked money."

"Once they sent him upstate," Kevin says, "they focused on me for the last five years. They've been fucking with me. Kicking my door down. Tell everyone I'm selling drugs.

"I think it really pissed off Hendershot and Weaver that when I was a kid, I got into some trouble. I got out, and even though I was around negative people a lot

of the times, I wasn't doing negative stuff.

"Hendershot once told me he had 20 years left on the force to get me, legitly or unlegitly." Robinson shakes his head and unsuccessfully attempts to scratch his knee with a shackled hand. "If you look into Hendershot's eyes, you'll see the devil. He's so much the devil, his hair is bright red, with a big, red Twinkie mustache. That motherfucker is Lucifer for real."

* * *

Several attempts were made to contact Officer Don Hendershot by phone, but he did not return any messages.

Officer Ken Weaver works at a police substation in downtown Vallejo, a few blocks from the bombed courthouse (still partially wrapped in plastic sheets six weeks after the explosion). Weaver's office cubicle is spare and impersonal; a large poster of John Wayne looms over his work space. Like Hendershot, Weaver has a brush ("Twinkie") mustache and a reddish complexion. There is nothing at all satanic about him; his manners are warm and polite as he escorts a visitor out, explaining that he has "no comment" on Kevin Robinson.

* * *

"Potent-C" (Chris White) and "Nutty" (Kevin Hardy) are the principal members of Game Related, and they are old friends of Kevin Robinson. Nutty extends a cordial invitation to visit his home. "Come past the crib. I can hustle you some 'hos."

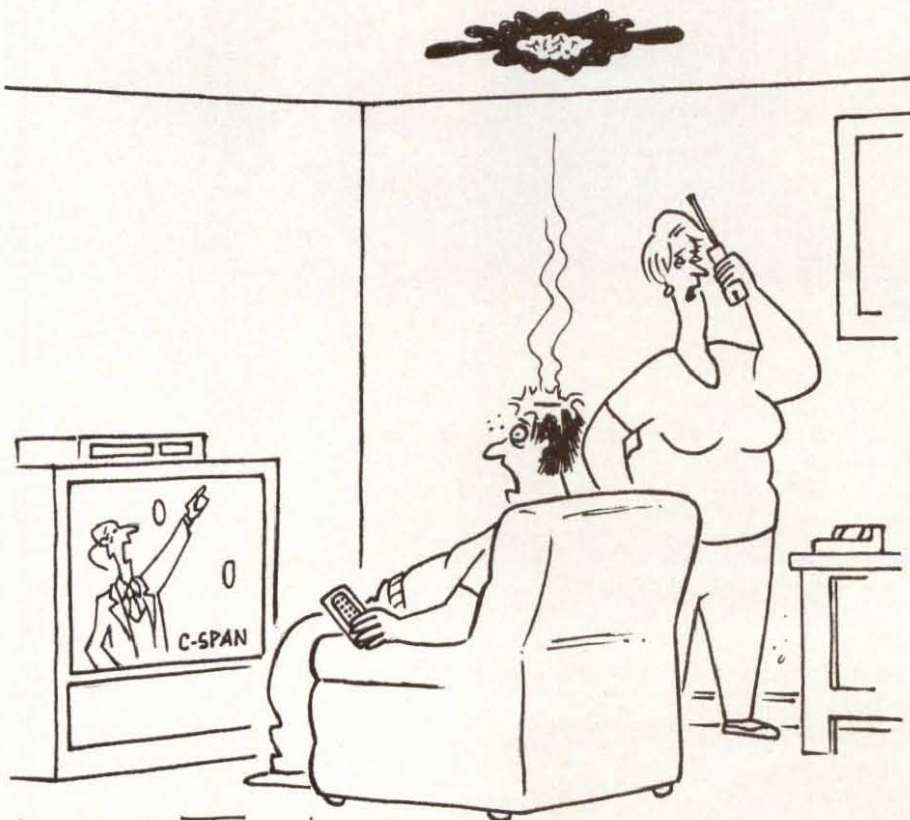

Nutty's crib is a cramped one-bedroom apartment made more cramped by the stuffed, oversize, white-leather couches facing the big-screen TV in the living room. Bottles of pink champagne chill in three silver, long-stemmed pedestal ice buckets standing by a chrome-and-glass coffee table that is decorated with porcelain cat figurines.

No 'hos are in evidence, but Nutty and Potent-C recline on the couches with their partners from Boss Cru and other rappers on the Big K Records label, watching a porn movie on the big-screen TV. They smoke cigars and boost their pink-champagne high with shots of cognac and slugs of malt liquor.

Nutty, 24, is animated and slight, with a shaved, bronze-complexioned head. Potent-C is the quieter of the two, tall, with a pencil mustache and white fedora. Before their success in rap music, Nutty worked for Stainmasters carpet cleaners and Potent-C worked in a state office that dealt with "motherfuckers who defaulted on their student loans."

The rappers watch the porn movie with rapt, bleary-eyed attention. A leggy brunette in tennis whites flashes a

"Yes, your penis can be enlarged, because two-thirds of your penis is made up of muscle tissue known as corpus cavernosum. This tissue is expansive due to the lacunar spaces. The vacuum pump method for penis enlargement uses a process medically referred to as hyperemia. When the airtight vacuum pump cylinder is placed around your penis, blood rushes into the muscle portion of your penis. The muscle tissue expands to the maximum, breaks down and then rebuilds into larger and stronger muscles, similar to bodybuilding.

"The Vallejo police have a rich tradition of skulduggery, of merging marginal amounts of evilness with stupidity, that often leads to bizarre outcomes."

stewardess-quality grin as a capped-tooth porn stud raises the ruffles of her skirt with a tennis racket. The flashy L.A. mansion on the screen elicits almost as much admiration as the piece of ass.

"Damn, look at all those levels of stairs and windows," Nutty shouts as the chick in the video leads the guy to a tennis court.

"Shit!" exclaims a member of Boss Cru as the chick smiles and kneels, her creamy ass cheeks spread and sodomized on the tennis court. "How can we get into making pornos? We got bitches in Vallejo that'll do it for nothin', just so they can be on TV."

"Up here in Vallejo," Potent-C explains, "we don't have a lot of gangs. Out here, we more players. That's what we do, pimping and hustling."

"Times is crazy," Nutty interjects. "You read the Bible, and everything them motherfuckers said is coming to pass now. The plagues. That's AIDS. The brothers against brothers, that's black on black. David was famed for killing Goliath. Times is the same now, except they ain't throwing rocks, they slinging guns. I'd rather be caught with than without. If motherfuckers be tripping around me, going to go pop the trunk [for a weapon], you be real careful when you turn, because I'll put about nine holes in your back, bitch."

"Big Kev [Robinson] is more like the mellow type," Potent-C hastens to add.

"If a fight broke out right now," says Nutty, "Big Kev would be the first one to stop it by talking it through, 'cause that's the way he is with us."

"The police been harassing him for years," Potent-C grumbles.

"Officer Weaver and Hendershot is the main two. And Less Bottomly." Nutty repeats the last name and laughs. "Bottomly. He an ass!"

"There is drugs all over Vallejo," Potent-C says, "but it ain't the motherfuckers around here flying in from Colombia with the kilos. It's the higher-up motherfuckers. It's like a conspiracy; but how I feel, it's not a conspiracy against black people. It's a conspiracy of the upper 10% of the people that run everything; and they use race to hold back black people, other minorities and white people without money."

"To me," Nutty clarifies, "the definition of a nigger is any ignorant motherfucker who say, 'I believe everything the police is saying in the courtroom.' America is full of niggers."

Given the reputations America's prominent rap musicians have earned for themselves as violent, gun-slinging, homicidal

thugs, self-pitying complaints of unfairness at the hands of the police ring hollow. The charges leveled at the local police by Vallejo's rappers, however, are widely supported throughout the community.

"I'm pro law enforcement, and I'm pro truth," asserts Vince Ghiringhelli, a retired Napa, California, police officer who worked extensively in Vallejo on narcotics cases and now works as a defense investigator.

"During my experience with the Vallejo Police Department," states Ghiringhelli in a raspy voice with military cadence, "it has got to be one of the most corrupt police departments in Northern California."

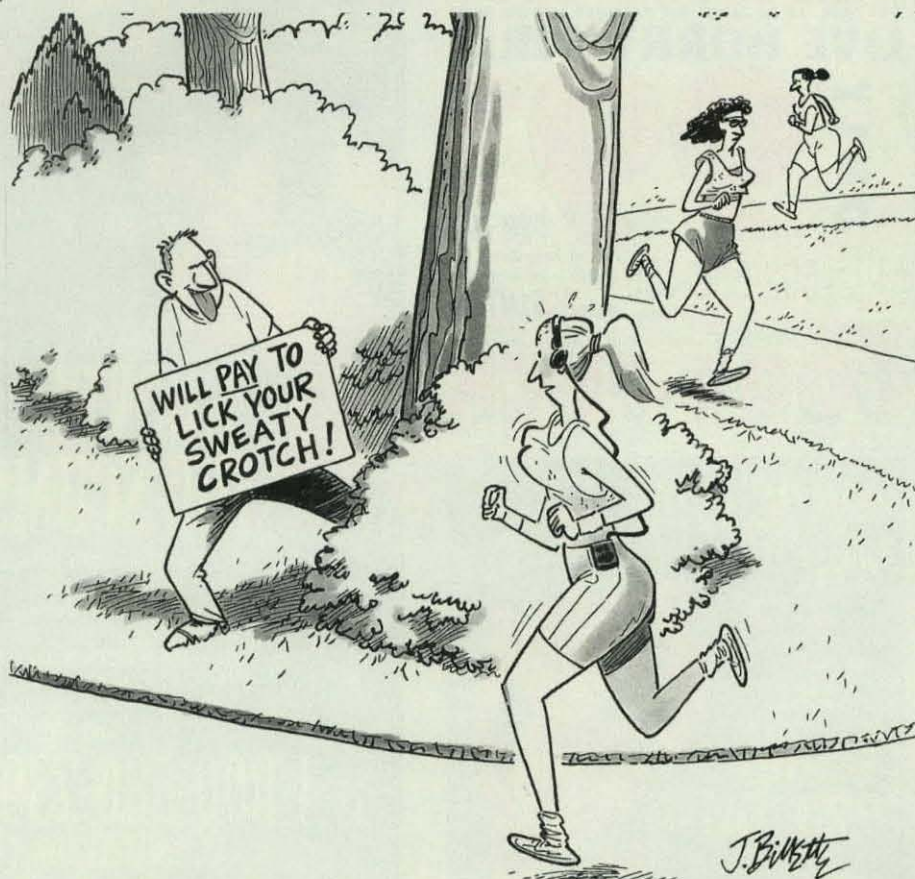

Dan Healy, a Vallejo attorney, son of a former superior-court judge in Vallejo and an advisor to the mayor of Vallejo, is unflinching in his criticism of the department. "The Vallejo police have a rich tradition of skulduggery, of merging marginal amounts of evilness with stupidity, that often leads to bizarre outcomes."

Healy reels off several examples of flagrant police corruption, including a homicide trial in which a police officer, attempting to send a man to Death Row, lied under oath by testifying that he had interviewed an incriminating witness. The witness had been dead for more than two years before the supposed interview took place. Healy cites multiple drug cases involving planted evidence and a scandal in which an officer used the Vallejo police station's interrogation room to receive and videotape oral sex from a prostitute.

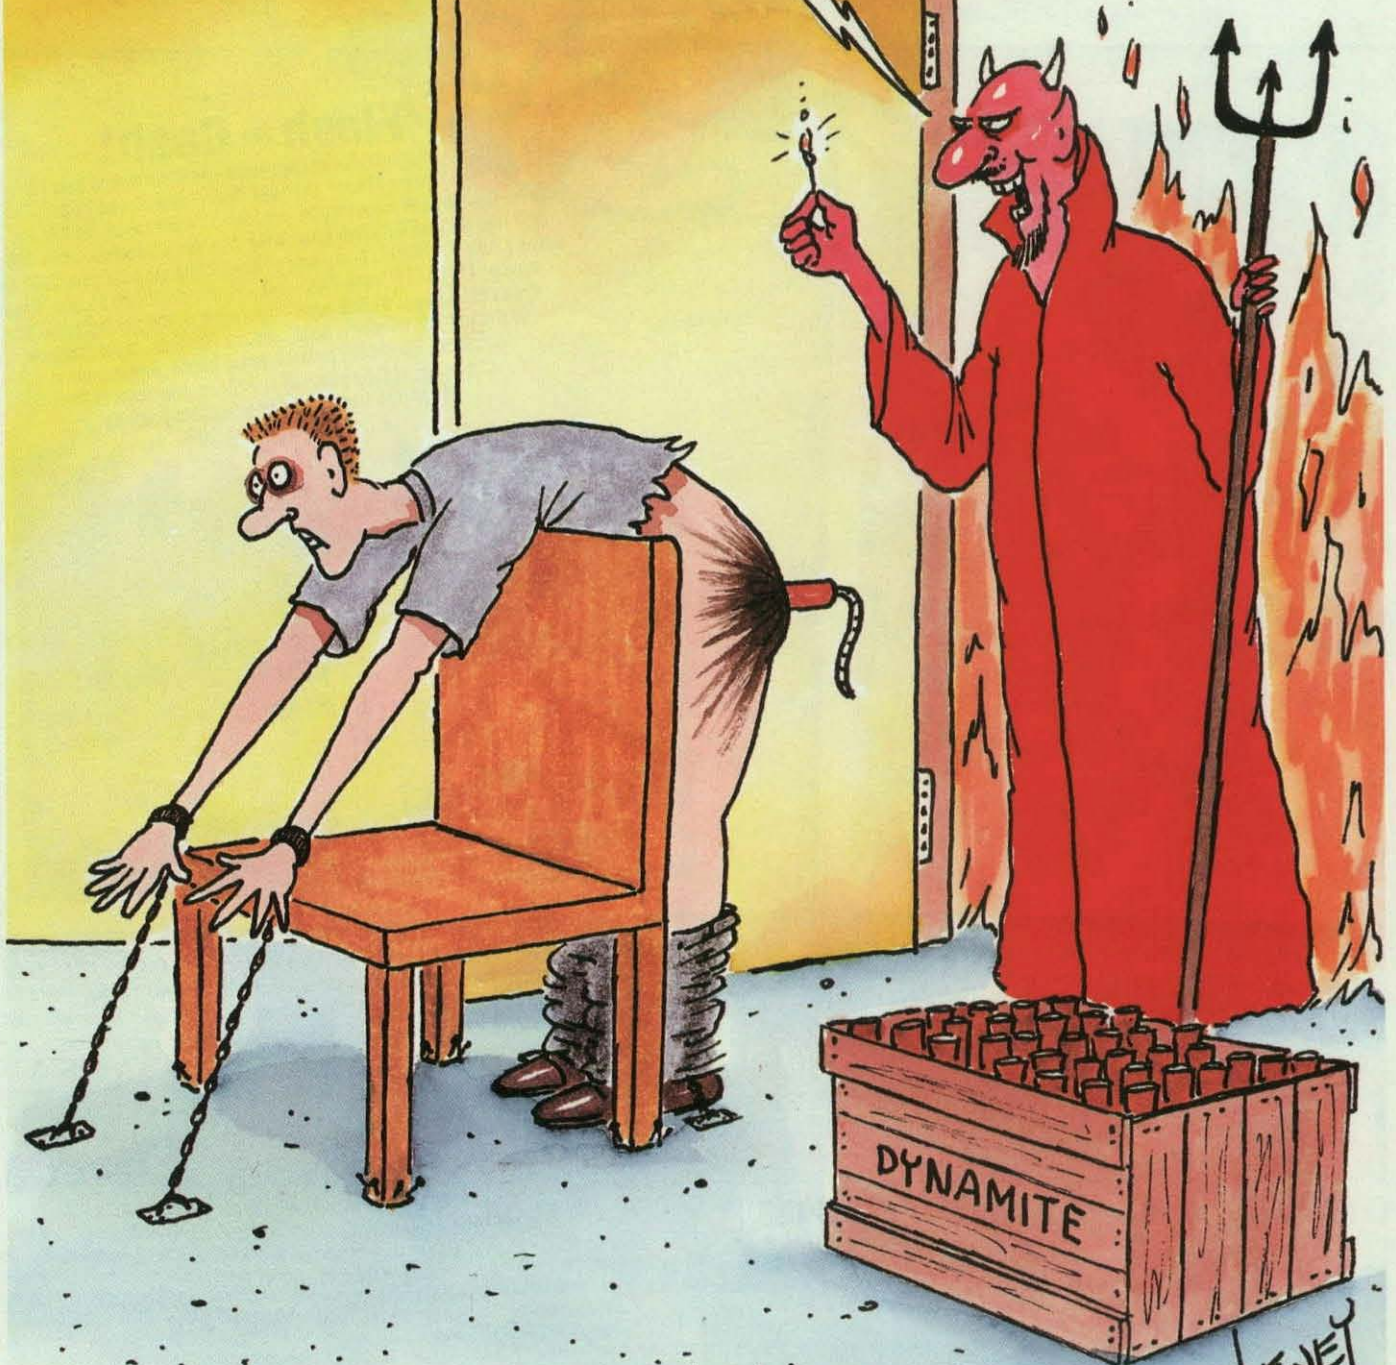

Firouzeh Foroutain, a former Vallejo public defender now based in Napa, is currently working on a case in which it is alleged that a group of police officers in Vallejo's drug task force repeatedly pulls down the pants of black suspects while they beat them. "The cops on the task force in the Crest were behind that in my case. Ritter and Bottomly. It's a situation where the person might get pulled over at night on a traffic stop. [The cops] beat the person and charge him with resisting arrest while the person is struggling—three or four cops with bats and batons, spraying him and beating him. At some point, they pull his pants down and beat him on the buttocks. Ritter likes to do that to humiliate African Americans."

As Big K Records prospered, Kevin Robinson became a highly visible figure in Vallejo, promoting rap concerts and, for a time, owning and operating a nightlife venue, Club Gino, down the street from Officer Weaver's substation.

Beaver Hunt

Flash for Cash!

Attention, ladies! Are you an amateur nudist over 18 years of age? The 1997 Beaver Hunt Grand Prize Competition is looking for you! Snap a clear, color picture and mail it to HUSTLER Beaver Hunt, 8484 Wilshire Boulevard, Suite 900, Beverly Hills, CA 90211. Every lady whose picture we print gets \$250 and a chance at the 1997 Grand Prize—a photo-feature worth \$5,000. Grand Prize Finalists win \$1,500 each. The award for the photographer of the Grand Prize Winner is \$500, and the Finalists' photographers win \$250. Fill out the model release below, and include a photocopy of (1) a photo ID and (2) another form of ID. All photos become the unreturnable property of HUSTLER Magazine.

This delightful resident of Jenison, Michigan, is Devonni. A 30-year-old dancer, Devonni's hobbies are horseback riding and volleyball. She fantasizes about being dominated by her lover. No doubt he would force her to walk around naked in the middle of winter.

Photo by Friend

Jane, a 22-year-old dancer from Largo, Florida, is a model of repose. Seen here relaxing after her two favorite hobbies, working out and clubbing, Jane fantasizes about having sex with a doctor or dentist while the nurse is out of the room. What does she have against nurses?

This beauty comes to *Beaver Hunt* from the exotic land of Ontario, Canada. Paulina is a 22-year-old dancer who's into swimming, traveling and linguistics. Having sex on a private island, by a waterfall at sunset, is Paulina's favorite fantasy. She might want to leave her guard dog at home.

Photo by Friend

With a face and body that complement her name, this is Angel. A 21-year-old college student, Angel lives in Los Angeles, California. She gets her kicks out of working out and dancing. Her romantic fantasies are sex on a bed of wildflowers and sex on a secluded beach. Even Angels have a devilish side.

Photo by Boyfriend

Fulfilling her ambition of appearing in *HUSTLER* is 22-year-old Jennifer from Booneville, Arkansas. Jennifer is a factory worker who enjoys horseback riding and nude photography. She also fantasizes about climbing a mountain and getting fucked by a stranger at the summit. What's the closest mountain to Booneville?

Photo by Friend

The lovely Antoinette hails from San Diego, California. Dancing, working out and playing games are some of this 23-year-old student's hobbies. Antoinette's fantasy is to seduce a couple and try a little B&D on the wife while the husband is forced to watch. That sounds like a very enjoyable game, even if you're the husband.

Photo by Friend

Quebec, Canada, is home to this buff Beaver. Malvo Be works as a "sexy waitress" and enjoys dancing, songwriting, singing and photography. The 22-year-old's fantasy is to dominate several girls in her "Red Special Room" and to become the sex symbol of Quebec. Are there any Canadian Beavers who care to meet Malvo Be's challenge?

Photo by Friend

Lee says, "Say hello to my little friend." A 24-year-old student from Tucson, Arizona, Lee likes gardening, reading, hiking and shopping. Her ultimate fantasy is to make love to her husband on a moonlit beach. Clearly, she's not worried about indecent-exposure ordinances.

Photo by Husband

Angela, a 30-year-old landscaper from Columbus, Ohio, is seen here indulging in one of her favorite pastimes. When she's not reading, painting or sucking her boyfriend's big cock, Angela dreams about appearing in a porn film with "two hot-looking women with dripping pussies and one guy with the biggest dick in the world." Chase that dream, Angela!

Photo by Boyfriend

A tempting telemarketer by trade, 19-year-old Mel likes to spend her leisure time writing poetry, hanging out with friends and listening to Tori Amos. A Schenectady, New York, resident, Mel would love to engage in a passionate duet with Ms. Amos. Be careful what you wish for, Mel.

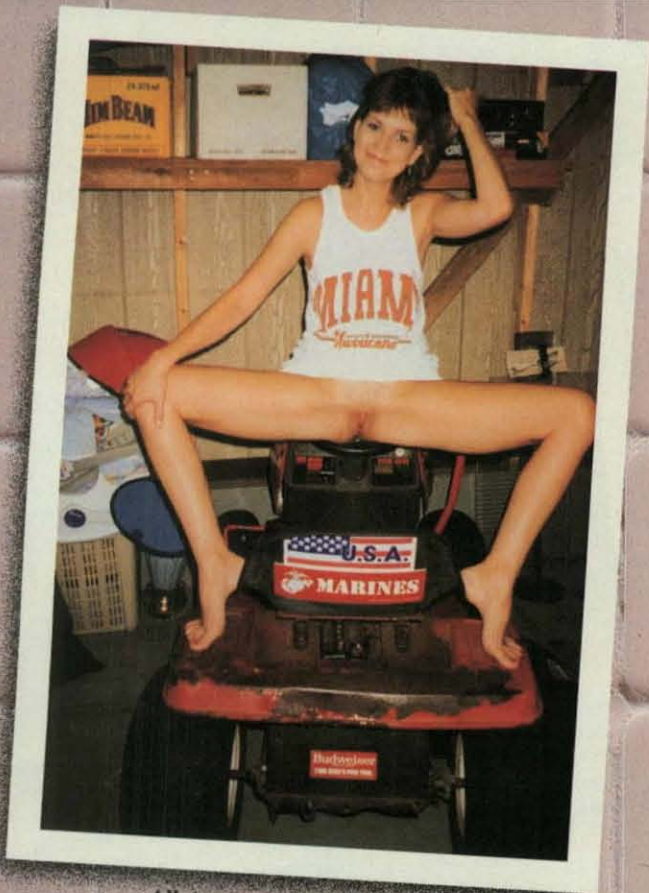

Photo by Fiance

Clairese is a 30-year-old housewife hailing from Louisville, Kentucky. Her only listed hobby is satisfying her husband "any and every way." Clairese's fantasy is to have a lesbian encounter with her best friend while her husband oversees. Just one thing, Clairese, the creamy filling goes on the inside.

Photo by Husband

When she's not busy admiring her beaver, New York City resident Shannon can usually be found dancing, reading or shopping. This 24-year-old factory worker would like to be tied up and dominated by a woman while her fiancé watches. We should introduce her to Antoinette.

Photo by Fiance

All-American Beaver Cathy is a 26-year-old waitress from Port Orange, Florida. Her hobbies include masturbating, crafts and television. She hopes to outdo her own record of 21 straight orgasms. Nothing a few good football players and some servicemen wouldn't be happy to help her achieve.

Photo by Fiance

This hot-blooded accountant is Kathy from Las Vegas, Nevada. Watching porn movies and sucking cock are 25-year-old Kathy's hobbies. Her fantasies include having a lesbian experience and taking on two men at once. Talk about interesting water-cooler conversation.

Photo by Friend

Her name is Climaxxx. Her main hobby is climaxing. That's a lucky break for this 28-year-old dancer from Clearwater, Florida. Climaxxx also enjoys exhibitionism and contortionism, which sounds like the setup for another bad joke.

Photo by Friend

Summer is a 24-year-old exotic dancer from Hampton, New Hampshire. She loves beaches and malls and dreams of one day being a HUSTLER Honey. For once, we're not upset to see Summer's end.

Photo by Husband

If 27-year-old Xena's bedspread is any indication, modeling for art classes pays quite well. This New York City resident's hobbies are drawing/painting, photography and reading. Xena yearns to make love "James Bond-style," in a helicopter flying over Manhattan. Does that mean she'll save the world afterward?

Vallejo

"Kevin wasn't involved in acts of violence. He had had no criminal convictions for 12 years. But they took two prior convictions from a 16-year-old and charged them as first and second strikes."

(continued from page 110)

Meanwhile, the police made a concerted effort to bust Kevin for drugs and confirm their suspicions that he was Vallejo's preeminent supplier of crack cocaine. Members of the local press sympathetic to the police dubbed Robinson the "John Gotti of Vallejo."

Kevin's business partner in the Club Gino operation was a man named Delaine Bryant. Robinson was screwing Bryant's girlfriend.

Bryant did not figure this out until his girlfriend's baby, whom he named Delaine Bryant Jr., was about two years old. The baby's facial features having matured, Junior looked exactly like Big Kev.

"I think Delaine Bryant Sr. was really crushed," Robinson says. "I could see it in his face, man. He took care of the baby, Delaine Jr., until he was almost two years old—Pampers, bottles, Similac, all that. Then to figure out it was his partner's baby. That broke his heart. I figured it was his get-back to cross me up with the police and tell them that shit about me."

According to sources who have seen the sealed court documents police used to obtain their 1995 search warrant for the home Robinson shared with his long-time girlfriend, Lawana Calley, Delaine Bryant Sr. characterized Robinson as a major drug supplier in Vallejo.

The police executed the raid on July 31, 1995—Kevin's birthday. Lawana Calley had been preparing for a party when the cops showed up.

"Lawana had cooked all this food, cake and everything," says Kevin. "She had set it out. I wasn't there when they arrested her. Later on, I came home to the mess they'd left. They had been in the food. The motherfuckers had been up there eating and bullshitting."

The search yielded nearly a half pound of marijuana.

Where had Kevin been when the cops invaded his home that morning?

Kevin had been in bed with another girlfriend across town. Unfortunately for Kevin, the police had coincidentally obtained a search warrant for his girlfriend's home the same morning, suspecting her son of dealing crack cocaine.

"The woman's son was known to be selling dope out of the house," states attorney Frank Epstein. "The search warrant for her house was for her son, not for Kevin. They picked up Kevin because he was sleeping there."

The district attorney's office charged Kevin for the marijuana in his own house, the crack cocaine and guns in his girlfriend's house and for a small quantity of heroin found in his brother's car

parked at his mother's house.

If convicted, Kevin will receive a 175-year-to-life sentence under the three-strikes law.

"The DA's office can choose not to count juvenile felonies as strikes," Epstein goes on. "Kevin wasn't involved in acts of violence. He had had no criminal convictions for 12 years. But they took two prior convictions from a 16-year-old and charged them as first and second strikes. I don't think they would do that to a white person."

* * *

Kevin was the subject of another major drug raid in 1996. This bust has come to be known as "the poster raid."

By the middle of that year, Club Gino had closed its doors, but there was a new scourge on Officer Weaver's beat. Rap-music posters were illegally plastered on the wall of a theater near his substation. One poster in particular caught Weaver's eye. Leering down at him from the wall of the theater were the insolent faces of Nutty and Potent-C, posing in an advertisement for their new album on Big K Records.

The illegal posting of posters is a misdemeanor offense commonly committed throughout Vallejo by scores of promoters. Weaver launched a particularly vigorous investigation of the illicit

Big K Records posters, obtaining a search warrant for the home Kevin Robinson shared with Lawana Calley.

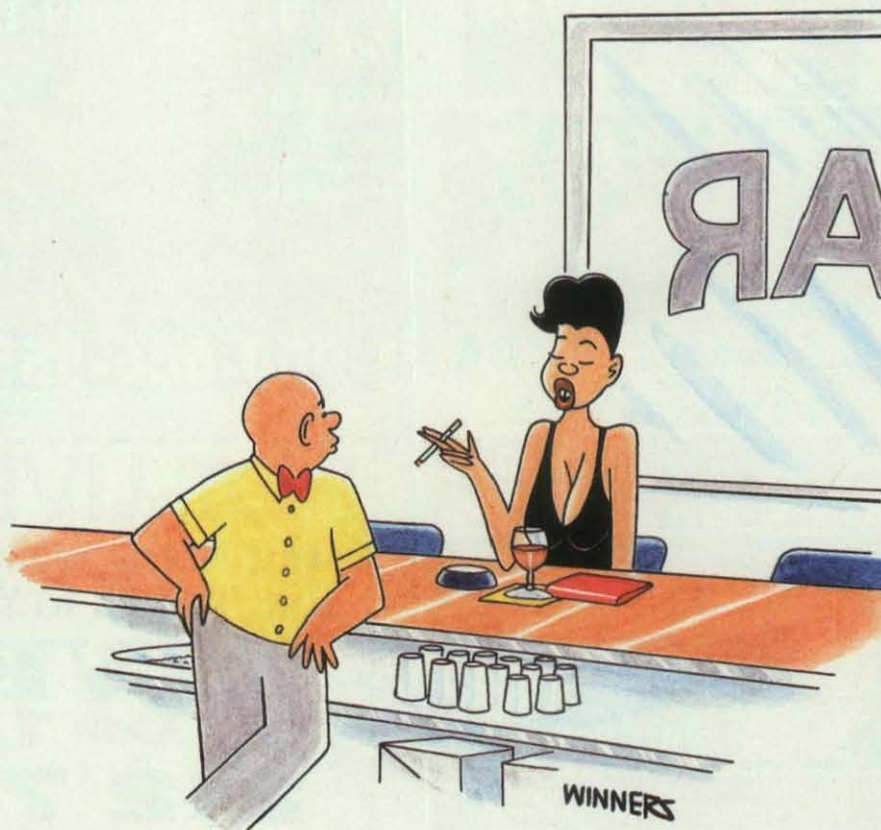

Lawana Calley describes how the police conducted the search. "There was a bang, and the door came flying open. They used a battering ram. They threw Kevin on the ground. They put their guns to everybody's head in the house. They were scaring the kids half to death. They handcuffed all of us and made us sit in the living room. They brought the dog sniffers out. They tore apart the furniture."

"The Vallejo cops were clearly lying," attorney Dan Healy says, describing how the police executed the warrant. "When they swear under penalty of perjury that they're looking for posters, but they tear apart the house and search in two-inch crevices, they obviously lied on their request for the search warrant."

This attempt to link Robinson to crack-cocaine dealing in Vallejo paid off: One of the policemen claimed that he found a bag of cocaine in the kitchen trash.

"The question is not whether the police should be fighting drug dealers," Healy says. "The question is, is there any integrity in the manner in which they fight drug dealers? If they're going to lie to judges and ignore the Constitution,

EX-ARMY PARATROOPER JOHNNI BLACK'S OUTRAGEOUSLY EROTIC DOWN & DIRTY WORKOUT VIDEO

Johnni Black is a stunning blue eyed blonde. She was just discharged from the U.S. Army, where she was an officer - a Captain no less.

This video, shot in a gym, includes several pieces of workout equipment, as well as several huge dildos - one of which is the largest one we've ever seen a girl take up the ass - which she does with wild abandon - resulting in a hot wild sweating violent orgasm. This is absolutely the wildest most sexual workout video you've ever seen - by far!

Some of the depictions contained in this ad and some of the graphical materials associated therewith on which this label appears contain only visual depictions of actual sexually explicit conduct made before July 3, 1995, and as such, are exempt from the requirements pursuant to TITLE 18, U.S.C. Section 2257 and C.F.R. 75. With regard to the remaining depictions of actual sexual conduct contained in this ad and on these videotapes, the records required pursuant to TITLE 18, U.S.C. 2257 and C.F.R. 75 and kept by the Custodian of Records at the office of the manufacturer at the following location: Mr. M. Buckman, Custodian of Records, Leisure Time Entertainment, Inc., 7050 Voltaire Ave., Van Nuys, CA 91406. The title of this material is 741-758, which was produced on 5/97 and released on 6/97. Printed in the USA.

"On one level, you have to say, man, Kevin, you fucking did it. You fucked with the system by trying to become a success. You went up to the pit bull and pissed in his face."

then I'd rather have Big Kevs around and the cops in jail. Good police don't need to lie to get real bad guys."

Since Kevin's arrest for the bombing, Lawana Calley has been living in a rented home in a middle-income housing area on the outskirts of Vallejo. She lives with her four children by Kevin, Kevin's 20-year-old niece and his 39-year-old sister. On weekends, she also takes in Delaine Bryant Jr., the three-year-old boy named for Kevin's former business partner.

Lawana is 31, tall, slim and attractive. Her home is tidy and somewhat empty; the successive raids by the police have destroyed much of the furniture.

There are scant decorations. A two-foot-tall ceramic dog lies on its side next to the coffee table. An Egyptian-themed painting, gold on crushed velvet, leans against the wall. There is a shelf of framed photos of Kevin and Lawana together over the years, such as the one of him Jheri curled and grinning in a white jogging suit, arms around Lawana.

Lawana was 21 and working at the post office on Mare Island when she started dating Kevin, who was fresh out of the CYA. The couple had their first child two years later. Despite Kevin's "John Gotti of Vallejo" reputation and

his success in the music business, Lawana has always held down a job while raising the children.

Lawana notes the unmistakable resemblance between Delaine Jr. and Kevin. "He's just like a little-boy Kevin. I like to feed him and clean him up and give him a nice home for a little bit, because his mama doesn't take good care of him. She's a crack addict."

Kevin's four-year-old daughter, Keviyonne, slugs Delaine. Lawana pulls the girl onto her lap.

"When the police came looking for Kevin after the courthouse [bombing], Hendershot came to Keviyonne and said, 'You tell me where your daddy is, or I'm gonna shoot him down like a dog.' Keviyonne started screaming, 'Don't shoot my daddy!'"

"Hendershot and Weaver act like the whole thing is some kind of little joke to them," Lawana states with an expression somewhere between numb and bitter. "They came back after they got Kevin, and they told me, 'We've got a theme song for you.' They started singing, kind of doing a little rap, saying, 'We're gonna follow you around, raid your house across town.' When they left, they said, 'Ms. Calley, we're not putting the jewelry [handcuffs] on

you today, but we'll be back.'"

Prior to the January bombings, Robinson's chances in his three-strikes drug trial were not as bleak as one might suppose.

Vince Ghiringhelli, the former Napa police officer, notes, "Because of the [police] department's corruption, defense work in Vallejo is like shooting fish in a barrel."

Indeed, weeks before the January bombings in Vallejo, a judge threw out the cocaine charges brought against Lawana Calley in the 1996 "poster raid" bust due to the cops' use of a fraudulent search warrant. This dismissal indicates that in a trial, the 1996 charges against Kevin would likely be dropped for the same reason.

The bombing case against Kevin may prove to be as weak. Police have released scant details about what evidence, if any, they have linking Kevin to the crime.

The most incongruous element of the theory that Robinson hired petty criminals to blow up the Vallejo courthouse is the fact that Kevin was fully aware that his upcoming trial was due to commence at the courthouse in Fairfield, 12 miles away.

If Robinson hired the conspirators to blow up the courthouse, they bombed the wrong one.

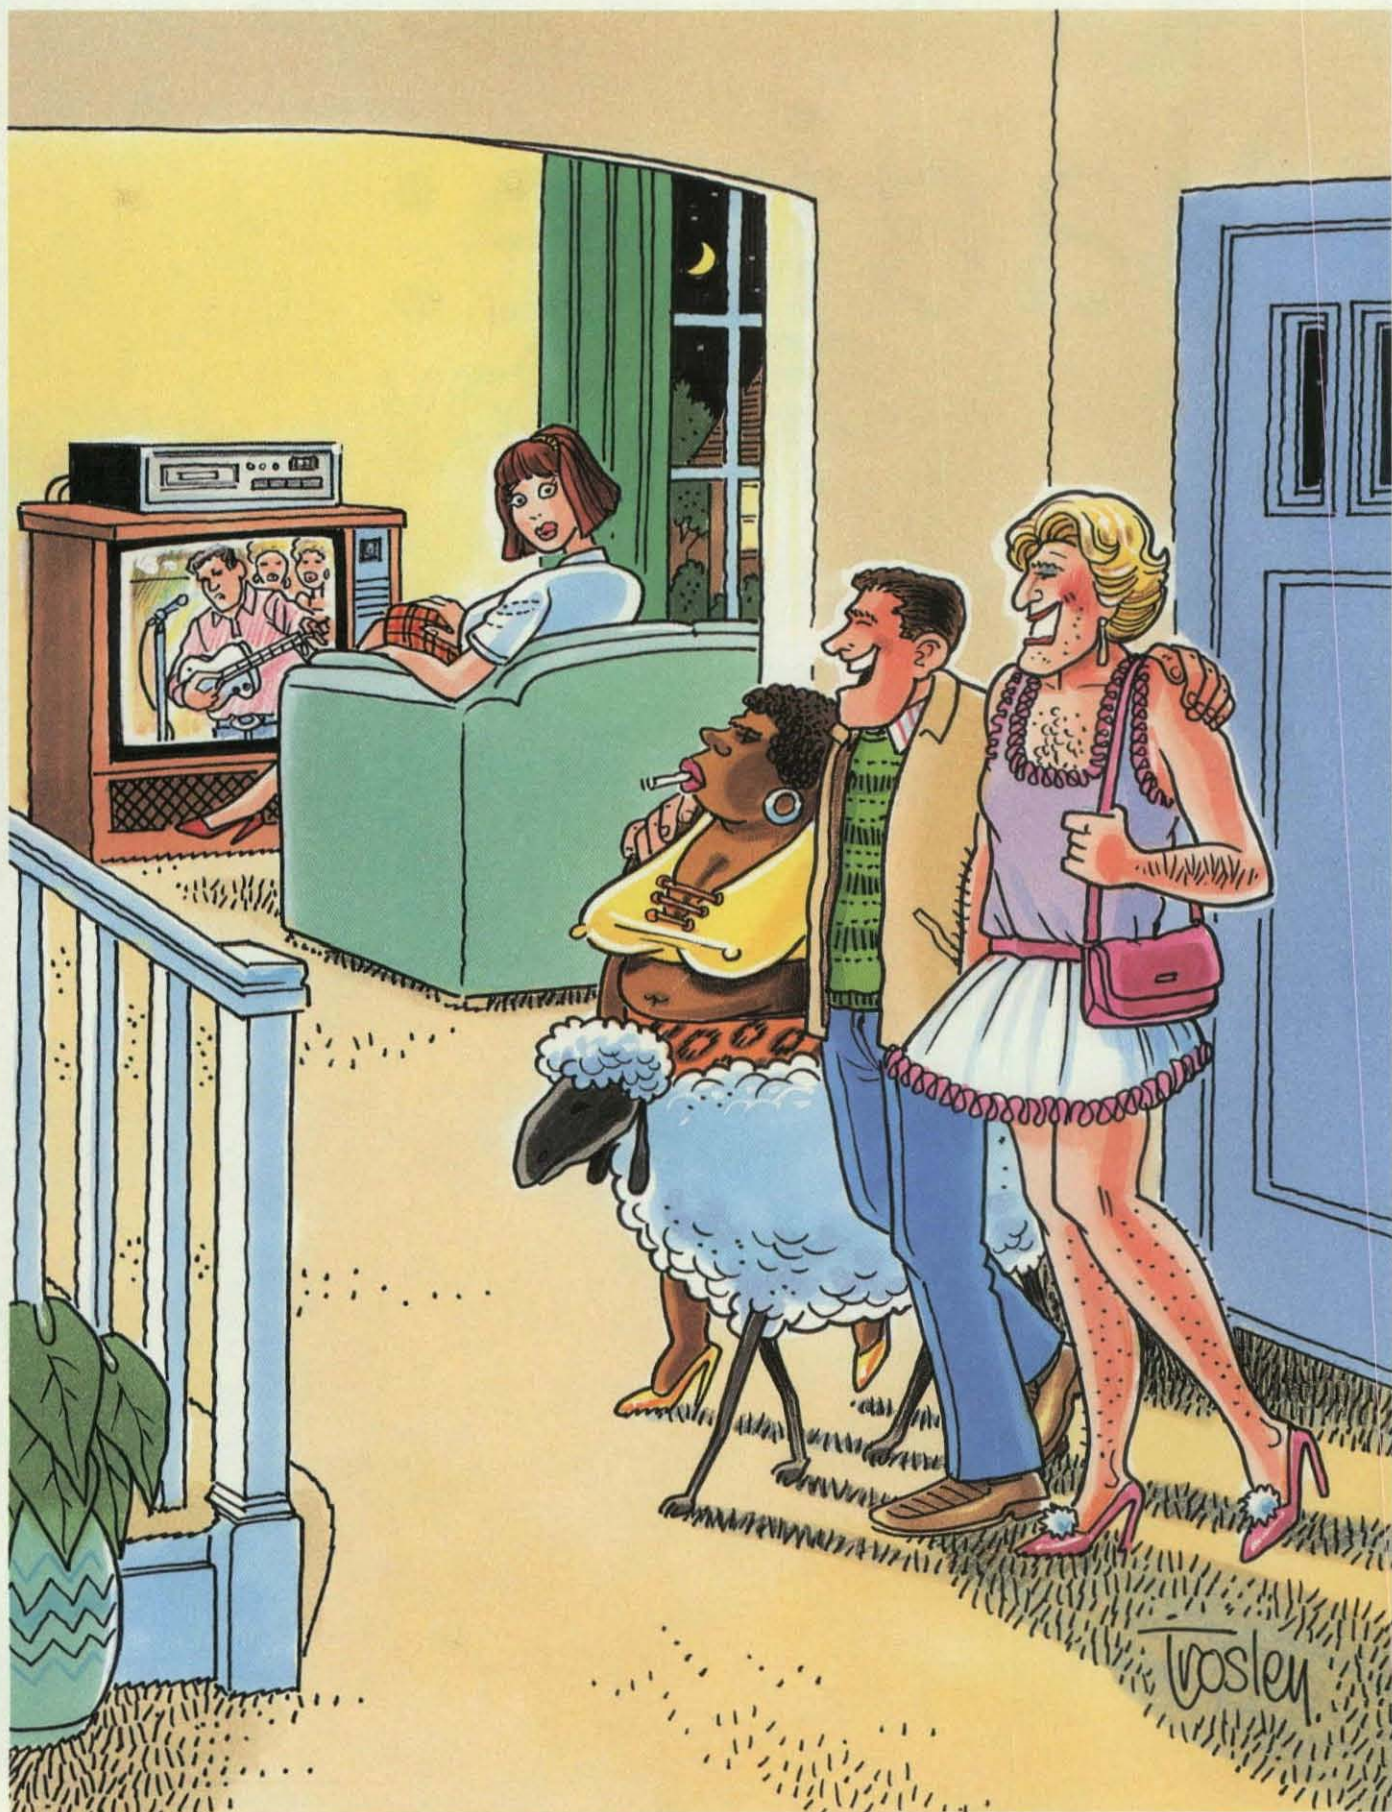

As Healy puts it: "The police theory makes no sense; but the Vallejo police have a rich tradition of embracing theories that make no sense and pursuing them to their detriment."

"On one level," says Dan Russo, Kevin's attorney in the bombing case, "not talking about laws or bombings, you have to say, man, Kevin, you fucking did it. You fucked with the system by trying to become a success. You went up to the pit bull and pissed in his face, and now they're gonna fuck you until they're tired, not until you're tired. Kevin Robinson, you may be in prison for the next 200 years because you fucked with them."

Toward the end of his interview in Solano County Jail, Robinson was asked what his favorite thing to do was when he was free. "I loved picnics, man. Barbecues. Lawana would make a potato salad, special dishes, pies, cakes. We'd fill up a garbage can with a couple cases of brew, some hard [liquor], bring some cards, some dominoes, and everybody bring their kids. You know what I'm saying? That's what I liked doing. That's living to me, man."

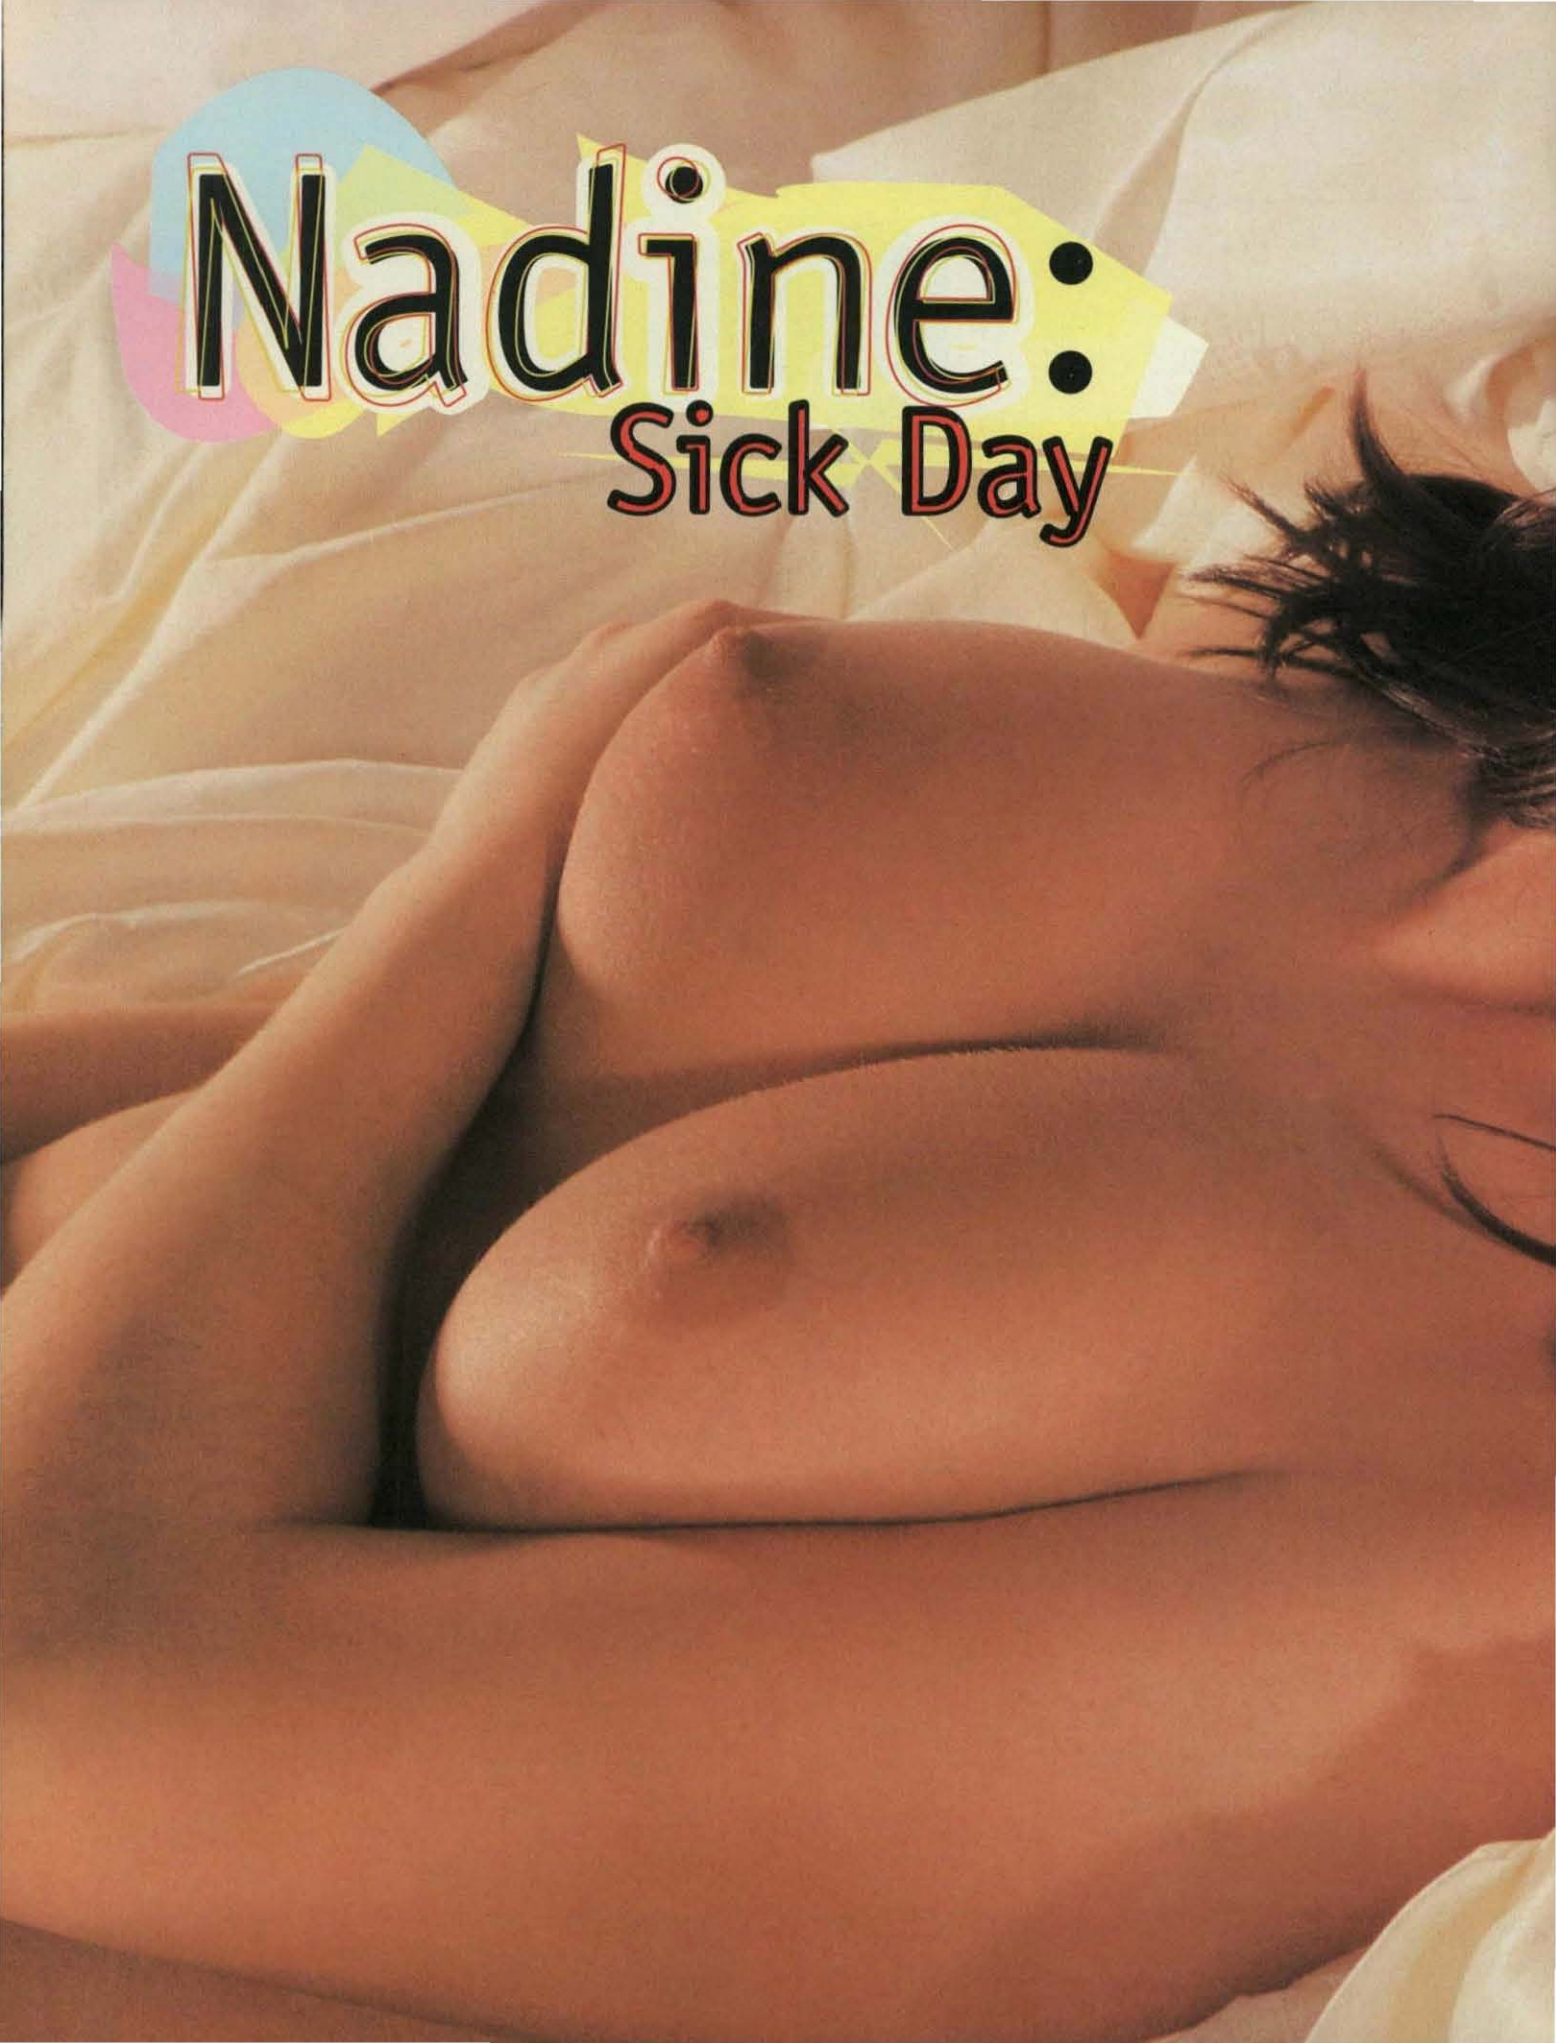

"This motherfucker, man," Kevin says, looking through the bulletproof glass at a fat, heavily armed blond woman in a sheriff's-deputy uniform. "This motherfucker is for life."

"Gonna be up in the bedroom for a while.... Will you tape Jerry Springer for me?"

Nadine: Sick Day

PHOTOGRAPHY BY JOANIE ALLUM

"Daddy doesn't know I skipped school today," whispers Nadine sweetly.

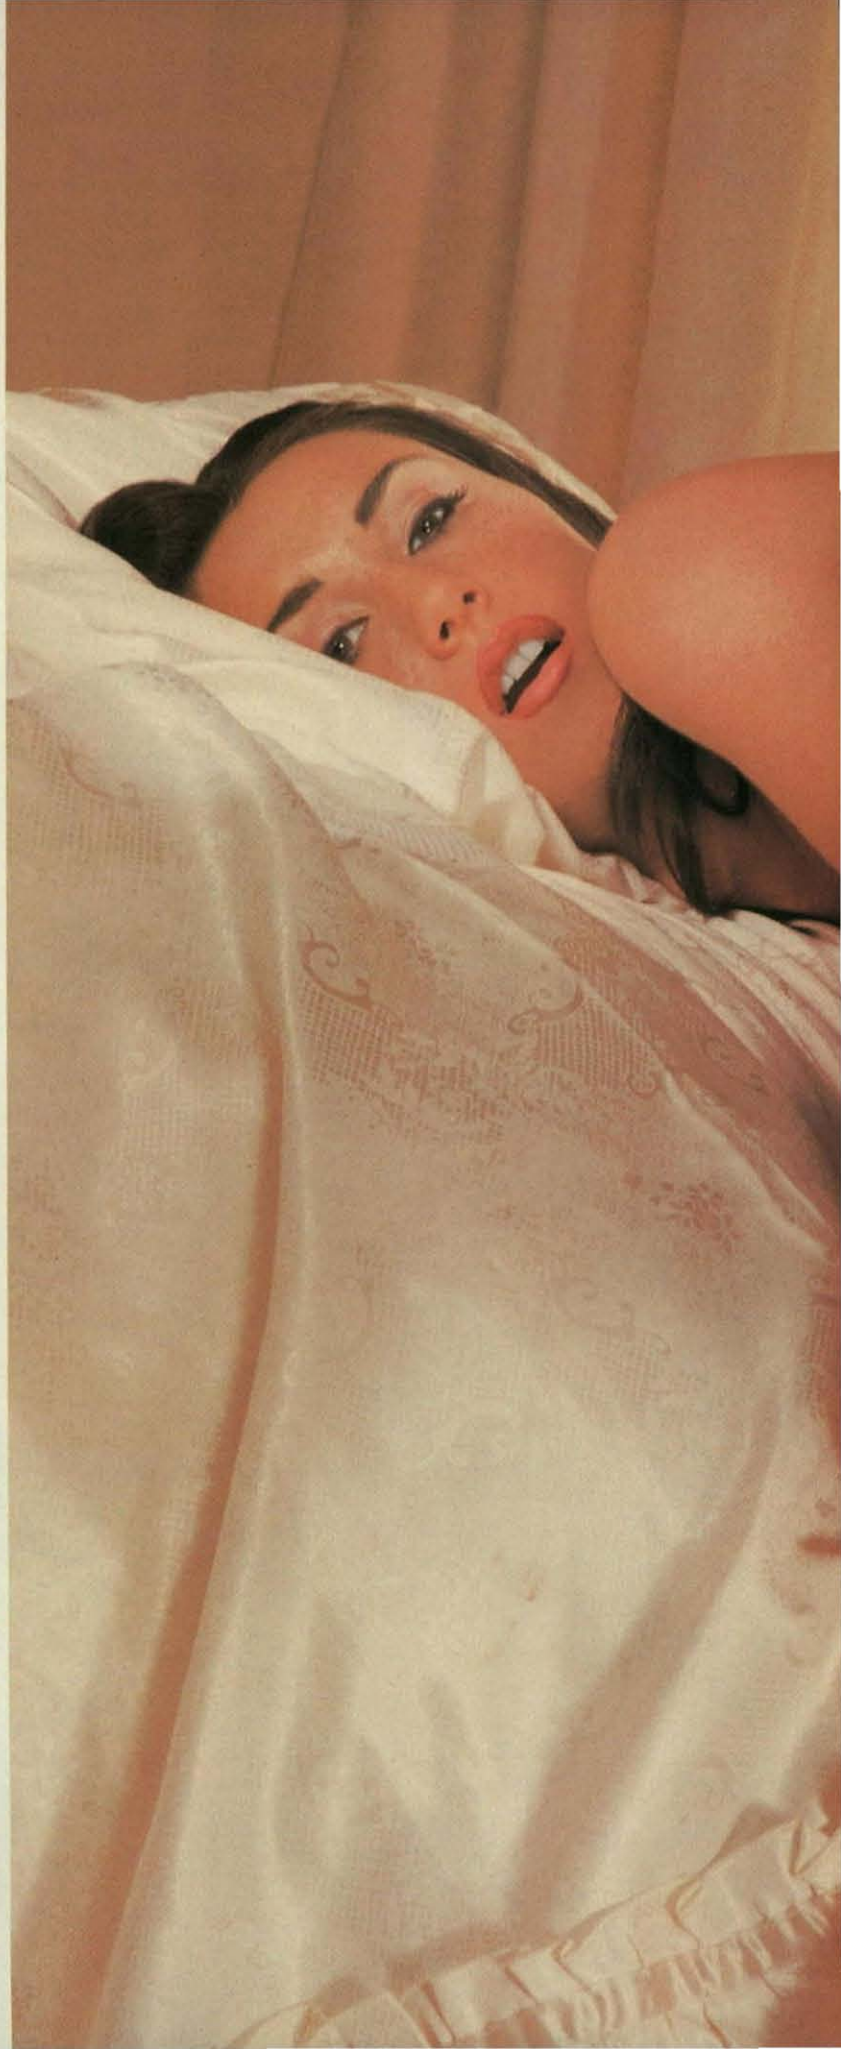

"J.C. is such a drag. Classes just bore the shit out of me.

"I stayed home to pick up a special delivery of some new toys I ordered from the back of one of Daddy's secret magazines. I don't know how these things all work. The deliveryman was afraid to teach me.

"Do *you* have a package for me?"

ENLARGE YOUR PENIS TO ITS MAXIMUM! HAVE ERECT MEASUREMENTS OF 9, 10, EVEN 12 FULL INCHES!

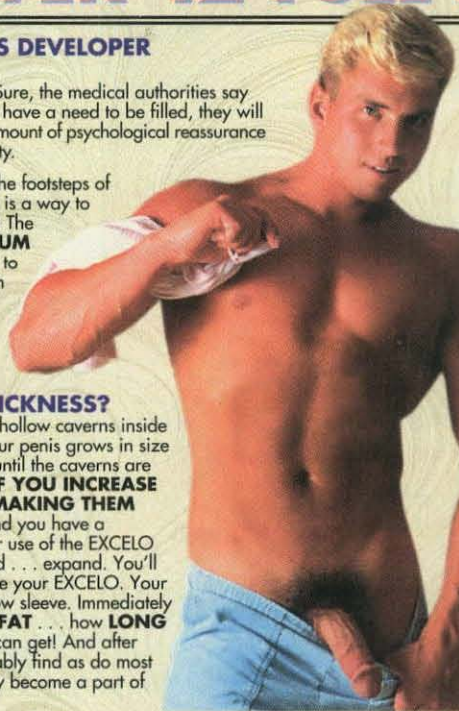

THE EXCELO IS THE ONLY PENIS DEVELOPER YOU WILL EVER NEED!

Is the size of your penis bringing you down? Sure, the medical authorities say that size doesn't count; but as long as women have a need to be filled, they will demand the full measure of devotion. And no amount of psychological reassurance will fill the gap between expectation and reality.

Now, with a simple device you can follow in the footsteps of thousands of men who have proven that there is a way to **INCREASE PENIS SIZE and THICKNESS!** The device is called the **EXCELO ELECTRIC VACUUM ENLARGER**. A safe and proven natural way to add inches to penis length and thickness. With the EXCELO, you will see yourself grow to dimensions you never thought possible.

HOW CAN THE EXCELO ELECTRIC VACUUM ENLARGER INCREASE PENIS LENGTH & THICKNESS?

Your erection is caused by blood flowing into hollow caverns inside your penis. The caverns fill with blood and your penis grows in size and thickness and becomes stiffer and stiffer until the caverns are filled with all the blood they can hold. **BUT, IF YOU INCREASE THE CAPACITY OF THE CAVERNS BY MAKING THEM BIGGER, THEY HOLD MORE BLOOD** and you have a correspondingly longer, thicker penis. Regular use of the EXCELO gently urges the caverns to expand... expand... expand. You'll see the astonishing results the first time you use your EXCELO. Your penis will grow inside the clear, picture window sleeve. Immediately you'll see just how really **BIG**... how really **FAT**... how **LONG**... how **HARD** and **STIFF** your own penis can get! And after regular sessions with the EXCELO you'll probably find as do most men that these size gains don't go away! They become a part of you to thrill and excite her!

THE EXCELO IS SIMPLY THE MOST POWERFUL ENLARGEMENT SYSTEM YOU CAN PURCHASE ANYWHERE! AT ANY PRICE!

This powerful, totally electric unit (U.L. approved) is equipped to plug into any wall outlet to give you continuous, even sucking power until you shut it off! Unlike noisy electric vacuum enlargers costing upwards of \$100 - the EXCELO is "quiet as a whisper." This sophisticated instrument is by far the state of the art in penis enhancing machinery. It has taken time, money and first-class engineering to produce what many have called the "Rolls Royce" of vacuum enlargers. And, of course there are two other models available - to fit any budget. The EXCELO is a finely crafted precision instrument designed to create the vacuum needed to make the male organ **LONGER** and **THICKER**. If you are truly serious about penis enlargement - the EXCELO will do the job for you!

THE ONLY SYSTEM THAT OFFERS AN EASY "HOW-TO" BOOK FOR THE MOST COMPREHENSIVE INSTRUCTION POSSIBLE!

Other so called enlargement systems might offer a shoddy, pieced-together hodge-podge book to show the product in action. **NOT OUR SYSTEM.** Our book was produced by the manufacturer of the pump, designed to get you **BIG** and **HARD** in the shortest time possible!

ALL THIS... WHAT MORE COULD YOU ASK FOR? HOW ABOUT A PRICE THAT IS POSITIVELY UNBEATABLE?

First of all, if you could even find a system that offers you all the EXCELO System does, you'd easily be prepared to pay hundreds of dollars for it. That's why our system is a truly unbelievable bargain at the prices offered.

3 MODELS: ONE TO FIT ANY BUDGET, ANY REQUIREMENT

NOTE: All pump models include FREE "MAXIMUM GAINS" instructional manual at no extra cost.

Patented valve design produces rapid vacuum and quick erection. Comes with step-by-step instructional manual. **Only \$13.95**

Utmost pleasure combined with maximum results! Super-suction power for fast response. Unique multi-speed vibro-action makes enlargement as pleasurable as can be. Special "Love Gripper" base snuggles around penis & was modeled after a woman's hot mouth. **Only \$19.95**

Our finest, state-of-the-art model for erection building and control. Silent, powerful electrically operated pump allows for effortless operation. Vacuum draw is gradual for safety and complete control, can be shut off instantly. Includes step-by-step instruction manual. Millions sold at \$89.95 or more. **Only \$33.95**

MAINTAIN YOUR ERECTION FOR AS LONG AS YOU WANT!

The amazing new Prolong Ring is a marvel of engineering. Quite simply, it allows you to stay as hard as you want, as long as you want! When your erection is as big and hard as you can make it, slide the ring on. The open ended design fits any size penis. It fits at the base of the penis shaft, where it does the job thoroughly, discreetly, undetected. It never interferes with stroking action - EVER! Watch your penis jut up and out - and stay that way until you release the ring! Imagine lovemaking when you have the confidence of complete erection control literally at your fingertips!

Only **\$12.95**

AT LAST! A BOOK THAT ILLUSTRATES THE PURE JOYS OF MASTURBATION!

In a short time you can learn new ways of enjoying sexual ecstasy alone or with your partner! Dozens of techniques are exposed in words and photos. The only complete penis enlargement system that includes
step-by-step instructional video and magazine used successfully
for 25 years with more than 10 million satisfied customers.

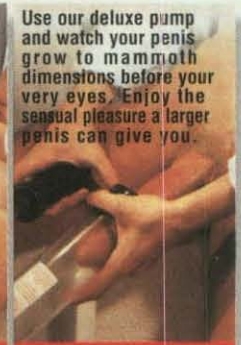

• The soft, small penis is only
about 3 inches.

• The penis is now about 5
inches, about 40% of his
maximum potential.

• The penis is about 9 inches
or about 80% of his
maximum potential.

Use our deluxe pump
and watch your penis
grow to mammoth
dimensions before your
very eyes. Enjoy the
sensual pleasure a larger
penis can give you.

**Here is why our complete penis enlargement system
works where others fail.**

A complete penis enlargement system should include an
instructional video and magazine. The easy to follow step-by-
step instructions shows you how to use the penis vacuum
pump. You will see how other men succeed so you can be
successful with your penis pump.

Our deluxe super vacuum pump creates more vacuum than
any penis pump available anywhere at any price. It is the
vacuum that is created in the clear cylinder that expands and
enlarges your penis thicker, harder and longer than you ever
dreamed possible.

**There are 3 other pumps available from mail order dealers
that do not create the vacuum you need to be successful.**

1. The squeeze bulb pump - a small inexpensive foreign
import that uses a little bulb you squeeze but *does not create
enough vacuum to enlarge the penis.*

2. Pump and prolong ring combination - This type of pump
does not create enough vacuum to enlarge the penis. A hard
plastic ring is squeezed on the penis to try to maintain a
semi-erect penis. The ring can actually restrict blood flow to
the penis.

3. The electric pump-various models sell for about \$35 to
\$100. This is a converted fish tank aquarium pump that has
been changed to suck air instead of blowing bubbles. A small
motor that gives you vibrations and massaging but *does not
create enough vacuum to enlarge the penis.* **To be successful
you need our 'made in the U.S.A.' deluxe super pump with
the extra long 10 inch remote plunger piston assembly.**

Men report enlargement up to 9, 10, and even 12 inches is
possible. Watch your penis grow thicker, fatter, stiffer and
longer when you use the world's largest selling penis enlargement
system sold directly to you from the manufacture.

"My name is John West. I'm an actor in adult movies. Thanks for
making the most fantastic pump I've ever used. Your pump and only
your pump gives me the erection I need, when I need it. I really
enjoy those extra inches and the girls in my movies really love my
thicker, stiffer, longer penis. The pump is so good I never need a
prolong ring or cock ring to stay hard as long as I want."

**Do not accept any substitutes. This is the original complete
penis enlargement system. Successful results for 25
years with more than 10 million satisfied customers!**

WORKS ON NATURAL PRINCIPLES... NO GUESSWORK... NO MUMBO-JUMBO!

The male erection is produced when blood flows into the special *bulbocavernosus* muscles inside the penis shaft. As these muscles fill, the penis increases in diameter and thickness. By increasing their capacity as the SUPRA-12 does, they can hold more blood, resulting in a **DRAMATICALLY LONGER, THICKER ERECTION**. Users of SUPRA-12 say they're "truly astounded" when they see their penises reach startling new proportions inside the chamber of the SUPRA-12. **And you will be too!**

THE SUPRA VALVE & SENTRY PROLONG RING ARE FEATURES NO OTHER MANUFACTURER OFFERS!

Getting a huge, fat erection is one thing... *keeping it* is another!! That's where the features of the SUPRA put it miles ahead of its competitors! The patented SUPRA Valve "locks in" the vacuum power for the **biggest size possible in the shortest amount of time**. And with the SENTRY Prolong Ring, you can stay as hard as you want, for as long as you want. The nearly invisible SENTRY rests comfortably at the base of your penis, maintaining your dynamic "super erection" indefinitely, but never interfering with your pleasure - EVER!! You can penetrate your sex partner deeply, enjoying intercourse more than ever before, because the SENTRY **GIVES YOU COMPLETE ERECTION CONTROL!**

ACKNOWLEDGED SAFE AND EFFECTIVE... AN INCREDIBLE VALUE... 3 MODELS TO CHOOSE FROM!

According to U.S. News and World Report, Vacuum Pumps and Rings are "simple, safe and effective" (8/24/92). The SUPRA-12 is the World's Best Selling line of Penis Enlargement and Erection Building systems, and at a price that is an international "Best Deal!!" Similar systems, when prescribed by physicians, can cost between \$300 to \$650 or more! That's why the SUPRA-12, with the patented SUPRA Valve and SENTRY Prolong Ring, is such an incredible value!

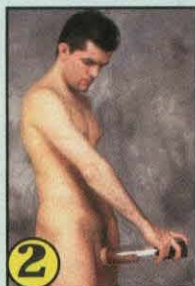

That's Why We Say... THE SUPRA-12 SYSTEM IS AS EASY AS 1-2-3!

NO SYSTEM IS FASTER - OR MORE FOOLPROOF!

It's impossible to fail using the SUPRA-12 SYSTEM to increase your genital measurements. It's as easy as 1-2-3! (see photos) With the help of the SENTRY PROLONG RING enlarging your penis and maintaining the new, fat and long dimensions becomes effortless. We don't need to include a confusing and costly videotape or "magazine" to instruct you in it's use. It almost works by itself! In fact, with our new battery-operated model (see photo) you can use one hand to operate it!

1 Start out with any flaccid (soft) penis, on any man, ANY SIZE or shape. Insert into the sleeve of the dynamic new SUPRA-12 with the patented new SENTRY™ Prolong Ring.

2 Start the amazing vacuum action, see your formerly limp, small penis start to GROW... AND GROW... AND GROW... right before your eyes. LONG, THICK and FAT beyond belief!

3 When you reach your desired size, simply slip the patented SENTRY™ Prolong Ring onto the base of your penis. You can maintain that fat, bulging erection for as long as you like!

HUSTLER®

ICY-HOT HONEYS

In December's HUSTLER, we promise to keep the home fires burning with asses toasty enough to roast nuts over their open love-hole fire. Curl up and hibernate for winter or warm up with Honeys hot enough to melt old Jack Frost. A plantation owner's daughter wards off the winter doldrums with a slave's giant black cock, landing Mandingo in a steamy cauldron of hurt; a long-legged lovely enjoys her pair of snowcapped peaks; a wild-haired brunette checks her cooch for frostbite; a pink-pussied blonde waits for summer in nothing but a pair of sunglasses; a beautifully breasted brunette snuggles up in bed with her warm pussy to wait out the storm; and two airline employees keep the tarmac clear for takeoff, locked in a snow-melting, furious 69. HUSTLER in December offers bountiful babes with hot bodies to fill the long, cold, winter nights.

DEFROSTED

Braving the rigors of the road anew, once wildly popular '80s hair rockers Mötley Crüe set out to win back the leather-clad hearts and warped minds of their head-banging legions. In *Reunited 'Cause It Rocks So Hard: On the Road With Mötley Crüe*, *Erotic Entertainment* Editor Evan Wright follows the Crüe as they embark on the beginning of a comeback tour. Running from thousands of horny teenage girls and avid rockers alike, Mötley Crüe canvass the media and perform to sold-out houses in an attempt to reclaim their place in the rock pantheon. Will the heavy-metal bad boys make it back to the top?

SNIZZ STORM

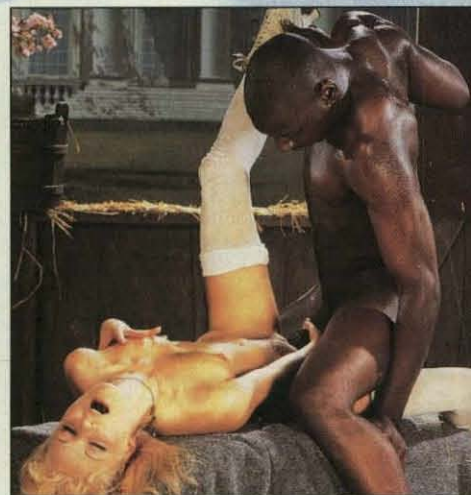

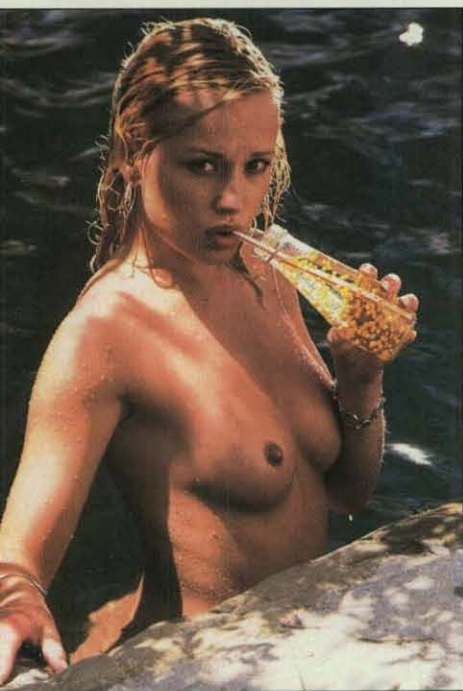

Tired of gang-bangs with all those dicks and just one lonely pussy? Then don't miss this: HUSTLER, in conjunction with Vivid Video, brings together 101 of the finest XXX hussies and one schlong for the filming of the biggest reverse gang-bang ever. In *Next, Please: Super-Cock Jon Dough Takes On 101 Pussies*, on-the-set correspondent Eddie Sunset debriefs the gangs of girls and shares words of courage and wisdom from the man whose cock made it all possible, the Herculean Jon Dough.

ARCTIC DELIGHTS

December's *Sex Play* examines the lives of the wet set, as correspondent Ruth Callett doesn't eat the yellow snow in "Some Like It Wet: Watersports Fans Get Pissed." *Bits & Pieces* offers an irreverent send-up of sexual harassment, both in the workplace and from your uncle—Uncle Sam, that is; *Erotic Entertainment* previews the long-awaited follow-up to the 1980s XXX classic *Café Flesh*; and *Beaver Hunt* delivers another spread of bare babes who are anything but ice queens. December's HUSTLER stokes the fire of snizz to keep your poker red-hot.
