BITS and PIECES

ASSHOLE OF THE MONTH

HUSTLER's writers and Editors have long been aware of an honor shortage within the so-called legitimate journalistic community, but, perhaps naively, we have maintained our belief in the sanctity of friendship between men. Male friends don't fuck male friends in the ass, unless one of those friends is Christopher Hitchens, an affidavit author who has confirmed our contempt of mainstream reporters, shattered our illusions about the solidity of male friendship and distinguished himself as HUSTLER's Asshole of the Month for June 1999.

Christopher Hitchens is a 49-year-old British citizen who resides in Washington, D.C. He lists his occupation as self-employed journalist. Hitch, as he is known to his former friends, survives on the credulity of Brit-licking U.S. publishers who print his gaseous prose in American tabloids such as *Vanity Fair* and *The Nation*. Hitch (rhymes with *bitch*) is a *contrarian*. Contrarians in good standing include the Flat Earth Society and kooks who claim no Jews died in the Holocaust. Hitchens reached his contrarian zenith with *Missionary Position*, a 1997 book that exposed the dark side of Mother Teresa.

Christopher Hitchens's dark side was exposed on February 5, 1999. That footnote in the history of infamy marks the day Chris Hitchens signed an affidavit at the behest of lawyers from the House of Representatives. Hitchens's sworn statement attested that White House adviser Sidney Blumenthal, a former journalist and close Hitchens friend for 15 years,

CHRISTOPHER HITCHENS

had gossiped about Presidential cum-sop Monica Lewinsky during lunch on March 19, 1998.

At the time of that lunch, more than 400 news stories had appeared with similar gossip about Monica "Stalker" Lewinsky. Still, Hitchens declares that "there was no room in my mind for any doubt that [Blumenthal] wanted to leave us the impression that the President had told him this" stale gossip.

Moreover, Hitchens swore that Blumenthal had gossiped about Lewinsky "to other people in the journalistic community," a contention that appears to contradict Blumenthal's testimony in the Senate impeachment trial.

As a friend, Hitchens is like a

feminine Linda Tripp. In his capacity as a reporter, Hitchens has betrayed the responsibility of his profession to protect its sources. *American* journalists traditionally go to jail rather than divulge a vulnerable source. Hitchens, working under a system of ethics foreign to us, has exposed Blumenthal to charges of perjury that could land him in prison.

Hitchens claims to have been "revolted" by the "appalling allegation," "so slanderous of Ms. Lewinsky." Repulsed or not, "I've told this story to many people," prattles Hitchens, like an indignant fishwife who disguises character assassination as moral outrage.

Despite his professed commitment to the ethical high ground,

Hitchens was too chicken to phone Blumenthal with a warning of his treachery. "[It] still makes me whimper when I think about it," snivels Hitchens. "I kept thinking, *If I get the answering machine, I can't leave it on an answering machine.* I didn't know how I could phrase it."

Just say, "Sid, that invasive presence you feel in your rectum is my English prick."

Hitchens's wife, Carol Blue, signed a matching affidavit, but didn't share her mate's squeamishness. She called the Blumenthals on the day of Sidney's impeachment deposition and left a sappy phone message claiming to be worried about them.

"I suppose," whimpers Hitchens, "this is the time when one does find out what people really think of you." *This time* being defined as "that hour at which one shoves one's rat prick up the ass of one's friend," people will think of one, accurately, as a rat-prick ass fucker.

Hitchens, who became a famous author the day of the affidavit, has a new book coming out on April Fools' Day. Is publicity ever coincidence?

In an attempt to raise his stature to that of a weasel, Hitchens vows: "If I'm asked to give testimony to incriminate [Blumenthal], I shall decline. I'm not going to do that."

Is Hitchens, an Oxford graduate, too stupid to realize that the affidavit itself is evidence against his friend?

The idealist boasts: "I'm not a lawyer, don't even have a lawyer. I'm not going to get a lawyer."

It doesn't take a lawyer to conclude that the affidavit convicts Hitchens of being an Asshole.

Anthony Williams: As the mayor of Washington, D.C., Anthony Williams is sworn to uphold a tradition of butthead behavior. Williams accepted the resignation of a top aide—a white man—who had used the word *niggardly* within the hearing of a black staffer. Taking a man's job from him due to queer vocabulary

FARTS IN THE WIND

choice shows that Williams is niggardly in the brain and living large in the Asshole.

The Reverend Henry J. Lyons: The 57-year-old Reverend Lyons is running for a second five-year term as president of the National Baptist Convention. The spiritual leader is also facing 30 years in

prison on theft and racketeering charges, including that he stole \$200,000 intended to rebuild burned black churches. Williams is accused of stealing from the Baptist flock in order to finance "lavish" lifestyles for himself and several mistresses. The man known as "the black pope" is looking more like a dark Asshole.

WIN A
TRIP TO

HUSTLER'S 25th Anniversary Party

With next month's issue, America's Magazine completes its 25th year of taking no lip and showing plenty of it. To celebrate, Larry Flynt is throwing the party of the century—a sprawling, celebrity-studded event bigger than anything that has gone before. Nothing of this scale would be complete without a great big wind-fall for some loyal HUSTLER reader.

You could be that reader: Throw a HUSTLER 25th Anniversary party of your own, and send words or pictures describing the event. A blue-ribbon panel of Editors, Editorial Assistants and passersby will choose the bash that best celebrates this latest HUSTLER milestone. The winner will be flown out at Mr. Flynt's expense to knock elbows with porn-dom at the official anniversary party.

Hurry! Show HUSTLER how to turn 25 before April 30, 1999. Send your entries to "HUSTLER Party Contest," 8484 Wilshire Boulevard, Suite 900, Beverly Hills, CA 90211. Entries become the property of L.F.P., Inc. and cannot be returned.

Can't Y'all Just Get a Schlong?

Both blacks and Asians live in urban, insular neighborhoods; both groups have amusing dialects; women of either tribe make excellent sex workers. With so much in common, why do Mandarins hate Mandingos and vice versa?

HUSTLER proposes a new plan to promote understanding between these two races: Level the playing field. An operation called a *glansfusion* swaps black and Asian dicks. This experimental procedure has been adopted by prisons on the West Coast with some success. Dozens of black inmates have undergone glansfusions in exchange for an early release. The Asian financiers involved are finding release as well.

Will the two races meld and become a powerful political block? Or will Asian men just trip over a member that's longer than their legs? Whatever the outcome, rest assured that HUSTLER will make fun of it.

Hot Bitch on Heels

My wife and I have been enjoying your magazine for ten years. We both agree that *Helene: Bitch on Heels* (March 1999) has the hottest, juiciest pussy we have ever seen. We were so excited by her luscious pussy, we fucked immediately. Thank you from the bottom of my balls. Keep those beautiful pussies spread open wide.

—B. & M. S.

Gia-mazing!

Hats off to HUSTLER. The April 1999 issue is simply amazing. *Gia: Portrait of a Lonely Lady* is fantastic. She's the most beautiful and sexy creature I've ever laid eyes on. Clive McLean did a wonderful job photographing this gorgeous lady. I haven't seen HUSTLER in some years, but if I knew that once or twice a year, it was daring enough to have more layouts like *Gia*—or better yet, *Gia* with a HUSTLER Honey—I would subscribe in a heartbeat. *Gia*, I accept you just the way you are. You are one beautiful, sexy lady; I would have loved to see you on the cover.

—Q.

Loving the Transsexual

Another breakthrough! I loved the tranny spread (*Gia: Portrait of a Lonely Lady*) in the April 1999 issue. Please have more transsexual spreads. I'd like to see a tranny spread with another woman or even another man. Push it!

—T. R.
Lowell, Massachusetts

Titty Titty Cock

When I saw the pictorial of *Gia: Portrait of a Lonely Lady* (April 1999) my eyes—and cock—popped out. How did you find such a beautiful transsexual? That was the best pictorial I've ever seen. A lovely lady with huge tits and a nice cock—who could ask for more?

CONSUMER ALERT: When ordering merchandise through any mail-order supplier, minimize your risk of being disappointed by dealing only with mail-order merchants who accept credit-card payment and have a working phone number in their ads. Any offer that seems too good to be true is probably untrue.

HUSTLER. I have been a HUSTLER reader for years and have appreciated it for its raw qualities. As I opened the April 1999 issue, I was expecting the usual feminine delights. When I happened upon *Gia* (*Gia: Portrait of a Lonely Lady*), I was drawn in and started stroking myself.

I was repulsed pages later to find I had been looking at a man. I see no need to pose men as women when there is an ample supply of feminine flesh out there. I am returning these pages to you, and I hope, in the future, you will let the women be women and the men be men.

—J. W.
Fayetteville, Arizona

Pre-op Opinion

I'm in prison. I like HUSTLER for the bitches, not fucking chicks with dicks. What the fuck were you guys thinking? For a moment, I thought I was reading HUSTLER'S TABOO. I couldn't believe my eyes when I saw that fag *Gia* (*Gia: Portrait of a Lonely Lady*) in the April 1999 issue. I can tolerate the golden showers, but not this homo shit. To the readers who ask for this shit: Fuck you—die slow, fags. *Gia* is not what I want to see while I'm beating off. You can keep that fag shit.

—N. E.
Somerville, New Jersey

That Thing

I find it disappointing that HUSTLER would print something as sick as that thing you called *Gia* (*Gia: Portrait of a Lonely Lady*, April 1999). I've been incarcerated for 42 months. I subscribe to HUSTLER to look at pussies. If I want to look at some faggots with fake tits, all I have to do is walk around the fucking jail!

FEEDBACK

HUSTLER's April Fools' pictorial, Gia: Portrait of a Lonely Lady, ignited flames of anger and love. HUSTLER readers were split down the middle on their opinions of the blond she-male. If Gia disgusted you, you're in good company. If she excited you, you're not alone either. We are sorry if we have offended group one and grateful for the praise from group two.

HUSTLER-Quality Cooch

I'm a 23-year-old dancer in Amsterdam, New York. I'm a very attractive girl and have high goals for myself. Recently, I saw Jenna Jameson, the porn star, on the *Jerry Springer Show*. She said she was discovered by a HUSTLER scout when she was a dancer in Vegas. My picture appeared in *Beaver Hunt* in June 1998, and I'm a featured dancer at the topless bar where I dance because of this fact. I'm itching for more opportunities to expose my real titties. Can you help me? —A. B. Amsterdam, New York

If you think you're so hot, show us your burning bush. HUSTLER is always looking for exceptional ladies. Take some more naked portraits. Be creative; show off your all-natural bad self. You don't need to wait for a HUSTLER talent scout to stumble into your titty bar. Send a variety of sexy snapshots to HUSTLER in care of our Talent Department. Good luck.

Porn Plot

I'm a big fan of XXX videos that have a plot. It seems that every current video producer follows a similar boring scenario where, seconds into the video, the "actors" rip off their clothes and start pumping and sucking away. Yuck! I like my porn to tell a story. It's more erotic if the clothes come off slowly. Seduction, foreplay and toys play an important part. Old porn movies used to have plot, and the sex came as a mind-blowing climax. Also, the girls appeared a tad innocent and not over-made-up, hardened sluts like in today's porn videos. They were slowly seduced and often grudgingly led to the bed. Can you think of any sources of such videos? Thousands of your readers and our friends in western New York would be very grateful for any information.

—The Aspen Group
Amherst, New York

What happens at Aspen Group gatherings? Do you sit around and watch plot-heavy porn while drinking decaffeinated espresso? Do you eat unsalted pretzels?

Pour powdered milk on sugar-free cereal? If plot-heavy porn is truly what you crave, simply read HUSTLER's Erotic Entertainment section, and search for the videos rated Totally Limp. There are always a few stinkers that resemble what you're looking for.

Hates Porn, Loves Larry

I am not a reader of your magazine. In fact, I've never even seen the cover of it. I understand it's pornographic, and that does not appeal to me at all. However, I do approve and praise you for targeting hypocrites in the House and the Senate who bay like hounds on the heels of our President when they have plenty of skeletons in their own dirty closets. I am utterly revolted by their smug, supercilious, pious hypocrisy, and I am proud of you for exposing them one by one. They sure deserve it. —A. Z. Concord, California

And you deserve to see a picture of a naked lady. You've been good; take a peek. C'mon, you know you want it.

Expose the Hypocrites

Thank you, Larry Flynt, for exposing those lying hypocrites in Congress: Hyde, Livingston and now Bob Barr. I rolled with laughter after I heard Mr. Flynt's statement

on CNN where he said how the application of money sometimes alters a person's moral attitudes. He was referring to the money he paid Bob Barr's ex-wife for copies of their divorce papers. I'm glad she turned them over to Mr. Flynt after what Barr did to her. What goes around comes around. First, he impregnates her and allows her to have an abortion, even though he's a pro-life extremist. Then he divorces his wife, leaves her destitute and marries his mistress. What a piece of work. I hope Bob Barr has to resign like Bob Livingston did. What's with all these politicians named Bob? Makes you wonder. I was also glad to hear on CNN that Larry Flynt has the goods on eight other Congressmen he plans to expose. Every time he brings a politician's peccadillos to light, I will purchase another copy of HUSTLER in support of Mr. Flynt's efforts to level the playing field. If Mr. Flynt can put his money where his mouth is, I can do the same and buy HUSTLER. —D. R. Panama City, Florida

MOONLIGHT BUNNYRANCH

HAPPY, HEALTHY HOOKERS AT NEVADA'S MOONLIGHT BUNNYRANCH

PHOTOGRAPHY BY CLIVE McLEAN

In northern Nevada, Dennis Hof's Moonlight Bunnyranch employs 150 grade-A sluts, he says, and no skanks. Hof's high standards, and Nevada's close regulation of prostitution, have produced a brothel devoid of drugs, HIV, scandal or shame. Are these girls sure they're whores?

One nightstand.

Krystyn Konrad Gets Bored Easily

"The Julia Roberts movie *Pretty Woman* got me curious about prostitution last year," 19-year-old, Nordic Krystyn confides. "I've never actually seen a street hooker—what Julia was. I was a dancer in Oregon to pay for school. There were escort services that took tricks, but I wasn't interested in going to jail."

"When I heard about the Bunnyranch, I figured, *What the heck?* It's just like spring break, except instead of waking up with a hangover, you wake up with thousands of dollars."

Krystyn is up for just about anything. "I especially enjoy female customers and couples who come in together. It's always something different and new." Bondage? "Sure," she laughs. "Blond hair, blue eyes—I make a great dom. Some of the girls are like Julia; they don't like to kiss the clients, but I do everything. It's all fun, and I'm making a lot of money."

Allison Fixes Wrestling Matches

Athletic, leggy Allison loves exercise and tae kwon do. "Clients respond to my toned body and my martial-arts training," the 23-year-old actress reflects. "One particular guy likes to wrestle me for money. He usually lets me win. Whatever your fantasy is, we fulfill it."

"Sometimes, two guys will want to share me; that's cool." Allison's green eyes flash. "Groups are always a treat. I don't mind putting on a girl/girl show for the customer, but I don't think I'd agree to anal. That's what I like about the Bunnyranch—we don't do anything we're uncomfortable with. The client has the sex of his dreams with somebody just as enthusiastic as he is."

Christina Angel Gives Back to Her Porn Fans

"I've been in *Playboy* and *Penthouse*, and I won two AVN awards for my role in *Dog Walker*." For fans of Christina's perfect, Barbie-doll features, her first trip to the Bunnyranch has been a dream come true. "I have men flying across the country to come see me. When I feature dance, there's no sex at any time. Here, men can spend about the same money and get a lot more."

Such as? "Anal. If a guy knows what he's doing, it feels nice. If he doesn't know, it feels like your butt is going to split in two," Christina winces. "Spanking, if he's doing it with affection, is okay."

"The Bunnyranch is cleaner and safer than adult-movie sets. The girls all get tested every week. Nothing happens without a condom. Plus, I don't have to deal with directors in a bad mood and yelling. Porn stars make more money here than from the videos."

"I hope to do a pictorial for *HUSTLER* someday," the canny pro beams. "I have more respect for Larry Flynt than for Hugh Hefner or Bob Guccione."

Dylan keeps flexible hours.

Don't worry; he paid her to do that.

Dear SLUT

JEANNA FINE TELLS THE
FUCKING TRUTH

This month in her regular column, porn legend Jeanna Fine responds to readers seeking erotic enlightenment. She invites you to drop her a line and join her on the fearless quest for the fucking truth.

NIPPLE ORGASMS

My girlfriend's nipples are extremely sensitive. I can make her orgasm simply by touching and pinching them. I especially like to tweak her tits when we're out in public. Sometimes she'll beg me to quit, but I can't help but keep it up. She's like some freaky sex toy, and it's fun to play show-and-tell with my friends. Lately, she's been wearing a padded bra (I tweaked her nips when we were visiting her parents, and she's still mad at me). I'm starving for her nips—what should I do? —S. S.

Echo Park, California

There's a time and a place for everything. While there's something to be said for sex in public places, your constant tweaking would definitely tweak my last nerve. Do us all a favor, and squeeze your fill of woman before or after public occasions. Your girlfriend has given you a big hint by wearing a padded bra; she's over it, and I would be too.

WET ASSHOLE

All my life I've had to deal with asshole wetness. Now that I'm a single man on the prowl, my private problem has become worse. Every time I pop my load, my asshole becomes so wet that I must wipe it. Is this normal, or do I have a serious problem? —B. H.

Norristown, Pennsylvania

If your problem is sweat, the French had their heads in the right place when they invented the bidet. A better personal-hygiene regimen should do the trick. Simply shower after sex; you

should anyway. If your problem is, in fact, fecal matter, you have a problem with your sphincters or lower colon. If this is the case, seek medical advice. Describe your problem to your doctor. Believe me, he's heard worse.

BROTHER FUCKER

I'm torn between two men whom I love equally with all my heart. One is my husband; the other is his baby brother. My husband doesn't suspect that anything's going on between his brother and me because his brother is gay—except when he's with me. We've vowed never to tell my husband. I want to have children, and there's no way baby brother would want to be a daddy. Neither of us wants to end our relationship. I can't believe how out of control I feel; this situation is so complex. What would you do, Jeanna? —G. E.

Houston, Texas

This is not a complex problem at all—stop seeing your husband's brother. If you were meant to have children with your husband's brother, you would've married him. Let him figure out all of his gay, straight and bisexual issues on his own. You say you want children? I wouldn't dream of bringing a child into this situation until you figure out that you're wearing a wed-

ding ring. Or is your wedding finger up your ass? You want an easy answer; you want it all. It's hard to be moral and responsible. To do the right thing is often the most difficult thing to do. Either stop seeing each other, or divorce your husband and fuck his brother's brains out until you're both so old, you can't fuck anymore. You'll finally realize that you blew a loving relationship, a family and children for a cheap thrill.

IN MY FACE

My sex drive is not very good at all because I'm overweight. My husband is gorgeous and is an absolute sex freak. I'm a mother; I try to be a freak in bed, but I can't be everything for everyone. We have had a threesome twice. He wants to do it again, but I don't want to. Do you think he just wants to be with another woman, but with my approval so he won't have the guilt? If I don't do this, do you think he'll have an affair behind my back? —R. J.

Lovelady, Texas

After closing time at an Alabama diner, short-order cook Billy D. and waitress Charlene engage in a penetrating exploration of race relations.

"Fifty years ago, black people weren't even allowed to sit at this lunch counter." Charlene reclines on the Formica bar. "Now it's the setting for Billy D. and me to express our love for each other."

Billy opens Charlene's legs. "Gimme a taste of that sweet, white pussy."

Charlene pushes her lover's head into her downy mound. "As a Southern girl, I was raised to believe that sex between blacks and whites was wrong." The newly liberated waitress jacks Billy D.'s colossal dick. "When I saw Billy D.'s cock, I realized racism is just a fancy name for fear."

Charlene's forbidden lover slides his big, black prick into her sodden pie.

"The only cure for hate is a large dose of brotherly love."

Lust

KNOWS NO COLOR

Dear Slut

(continued from page 18)

It's quite possible that, even though the girls were raping and hurting this man, and he was shouting, "No, no, no," his cock was begging, "Yes, yes, yes."

I totally sympathize with needing to be everything for everyone. Not only am I expected to be a wife and mother, but I must also be a sex goddess for millions of men around the world—and then find time to be myself. Who or what that is, I've completely forgotten. Many married women suffer this same dilemma. Tell your husband everything you wrote to me. Express your fears, and see what he says. If you're not up to having another threeway, try fantasy first. Obviously, you both have a relationship where you can fantasize and share things. Perhaps talking dirty in bed and fantasizing about a third person could help, instead of actually having the person there in the flesh. You could whisper in your husband's ear about sticking your tongue in her pussy, and he can imagine it. Wouldn't he love to stick his cock in her pussy while you licked her clit? You can be very graphic in your details. Do this once or twice a month. Yes, it's difficult to be everything to everyone, but at the same time, I want to see your marriage succeed.

PORN-CHICK BEEF

I love street hookers. I consider it an honor to support the world's oldest profession. I can't understand why cops bust them and not porn chicks like you when you're both doing the same thing. I don't think you're any better than hookers on the street just because you're a porn star. What makes you so special?

—G. S.
Long Beach, California

Am I trash or treasure in your eyes? While in theory, it is true that we porn stars are having sex for money, legally, it's not the same as prostitution. The California Supreme Court decided in the late-'80s that fucking on video is legal because the person who is paying us is not receiving sexual gratification. We are paid by a producer to have sex with someone else. What makes me think I'm so special? I'm a diva-goddess-bitch-whore, and I'm fabulous!

RAPED BY WOMEN

In a recent legal action, a man claimed to be raped by five women. The physical evidence was abundant: severe bruising, gashes, burns, scrapes, cuts and tears by various strap-on devices. The women did not deny the claim or the man's statement that he struggled furiously to escape their abusive domination. The women responded that the man begged for it and had a large, ro-

bust erection during their attack. The fact that he had a hard-on, the ladies' defense attorney claimed, was proof positive the man wanted to be sexually abused. He was enjoying himself; therefore, he was not raped. Is it possible for a man who is raped to have an erection? Rape, by definition, is an extremely involuntary act. Wouldn't violent rape be a complete turn-off and reduce any man's wood to sawdust?

—W. S.
via Internet

No means no, especially if that poor man was struggling to break free. As we all know, a man's penis is not capable of reason; it doesn't have a brain. A man's penis is an organ that responds to stimulus. It's quite possible that, even though the girls were raping and hurting this man, and he was shouting, "No, no, no," his cock was begging, "Yes, yes, yes."

HAIR PIE

Hair hardens my wood. I love to play with a woman's head of hair and stuff it into my mouth and eat it. Gagging on a lady's hair, I'll slip my stick into her and chew and swallow as much hair as I can while I fuck her. I can't come unless I

chew all the hair I can, rip it out by the roots and swallow it. My main problem is that it's hard for me to meet women who are into my hair fetish. Any ideas?

—L. W.
Arlington, Texas

As a kid during puberty, did you ever masturbate while your cat was choking on a hairball? Just when I thought I'd heard everything, I read your letter and learned of a new twist on the asphyxiation fetish—your hair-choking fetish. Most women I know dislike having their hair eaten off. I'd smack you if you chewed my hair out. Lucky for you, there are wigs. In every mall in America, you will find a salon with a section dedicated to natural-looking falls and hairpieces of every style and texture. Bon appétit.

Backseat Driver 6: Anal Whiplash

**FULLY
ERECT**

Directed by Michael Adams;
starring T. J. Hart, Blair Segal, Wendi Knight,
Leianni Lei, Elle DeVine, Sheila Stone,
Christgen Wolf, Jake Steed, Vince Vouyer,
Marc Davis, Tice Bune and Alex Sanders.
Videocassette: Toxxic/Metro.

Anally fixated in the best possible way, *Backseat Driver 6: Anal Whiplash* packs the pooper and spares the shit. The full spectrum of porn-slut archetypes is covered here, from mini-mammed redheads to surgically inflated, blond fuckbots. They all find a common thread in their ability to undergo an anal ravaging with wholehearted enthusiasm. Wholesomely whorish, flaxen-tressed T. J. Hart drops to all fours for Marc Davis's anal ministrations. Camera lights reflect in her lube-slathered ass. Her eyes glaze over, displaying the look of a tranquilized tigress. She parts her shit pillows, granting Davis access. The limey woodsman spears Hart's shit chute, stretching her colon like Silly Putty. Hart's face contorts with cock-induced ecstasy. Rivulets of sweat and lubricant run from her stuffed crapper and down her ass crack. Wendi Knight and Leianni Lei double-team Vince Vouyer. Lei, looking like an ad for Hawaiian tourism, rides Vouyer's lap rocket, slapping her golden-brown globes against Vouyer's thighs. Vouyer

savages Knight's crap rings like a GHB-addled chimp. Catching Vouyer's ball batter in her craw, Lei thoughtfully drools the shit-flavored spuzz into Knight's piehole. There is joy in Mudville, and *Backseat Driver 6* displays it delightfully. —Shane Andalou

BACKSEAT DRIVER 6: Bune plants sword in Stone.

Deaf, Dumbcunt

Handi-Capable Porn Slut Hears No Evil, Speaks No Evil, Does the Dirty

Does today's porn industry discriminate against actresses with disabilities? If so, 19-year-old McKenna hasn't heard about it. But the rising starlet can't hear anything at all—she's been a deaf-mute since birth.

In a few short months, this sweet-natured Latina (who claims to be Italian) has appeared in a handful of gonzo tapes, such as *Hollywood Hardcore 3*, *Maxed Out 11* and *Young & Anal 12*, and is now shooting a layout for HUSTLER'S LEG WORLD. The voiceless vixen was introduced to adult video this past year by her sister and brother-in-law (both deaf as well). Her first sex scene was for Jim Powers.

The hearing-impaired harlot strips in a San Fernando Valley nude club (where she actually flashes the patrons a little homemade card listing club rates for a

lap dance). Her roles in three Max Hardcore degradation-fests raise his scenes' typically high pathos level. As Max ruthlessly buggers McKenna's tender anus, she emits an inarticulate series of half-moans/half-howls, bordering on tears. Despite appearances, she insists it "wasn't really painful."

"McKenna has always wanted to be a sex girl. That's who she is," sister/manager Cindy declares. McKenna herself seems determined to impart her silent vision to the jizz biz. "I love sex and dancing. This combines it all!"

It remains to be seen how audiences will react to McKenna's disability. "That was a great scene, wasn't it?" says Max. After a long pause, the protomisogynist's voice takes on an uncharacteristic tone of compassion. "I really hope she gets it together."

McKenna's other speechless hole (left); Drowning out the silent scream (right).

Gettin' Lucky

HALF ERECT

Directed by Toni English; starring Tia Bella, Johnni Black, Roxanne Hall, Maya Chavez, Dakota, James Bonn, Michael J. Cox, John Decker, Nick East, Marc Wallace and Hugh Hampton. Videocassette: Vivid.

There's a certain poignancy to *Gettin' Lucky*, due mainly to the fact that its box-cover girl, Tia Bella, has announced her retirement from the jizz biz. It's a pity that the Mediterranean-featured knockout's blue-screen career must be marred by this tepid affair. The video's opening scene sets the tone for this hit-and-miss effort. Bella, playing a sassy, New Jersey-bred escort, undergoes a carnal audition for her new employers. Blond, hardscrabble harlot Johnni Black genuflects before the altar of Bella's black-tufted mound. Black's Gorgon-like face, buried in Bella's delectable folds, offers a study in contrasts and little else. As for Wallace's latex-wrapped, HIV-afflicted sausage feverishly plunging Bella's brown-edged cunt flaps, can the viewer react with anything but horror? Bella's reverse-cowgirl coupling with Nick East temporarily revives the proceedings, as does Roxanne Hall's hyperventilating hump with John Decker. Overall, *Gettin' Lucky* is a mostly unlucky occurrence.

Creme de la Face #28

THREE-QUARTERS ERECT

Directed by Rodney Moore; starring Allison Kilgore, Tawny Ocean, Ryoko, Leah, Tigra, Mimi Starr, Blaze, Red, and Rodney Moore. Videocassette: Odyssey Group Video.

With *Creme de la Face #28*, Rodney Moore once again proves how much a man can achieve with little more than a fat, uncircumcised pud and a video camera. Moore lures doll-faced cock hound Allison Kilgore to his apartment. Kilgore's organically mountainous udders and knob-bobbing proficiency ignite viewer

laps. She greedily hoovers Moore's hooded scepter. Her big, vacant eyes evoke the innocence of a Keane painting. Moore pummels her meaty wrinkle and puckered turd hatch furiously, then rewards her with a trademark cum gusher to her mug. Slant-eyed slattern Ryoko's "rook ma, no hands" tongue-lashing of Moore's crotch rocket is equally entertaining. Elsewhere, the crack-whorish Tawny Ocean and craggy-faced Mimi Starr illustrate Moore's aesthetic-judgment lapses. Also disheartening: Moore's use of distracting, split-screen cinematography. Still, *Creme de la Face #28* hits the bull's-eye almost as consistently as its creator's tidal ball blasts.

—S. A.

Dirty Dancers 15

THREE-QUARTERS ERECT

Directed by Luc Wylder; starring Triple X, Shaena Steele, Jewel Valmont, Mary Jane, Doomy Moore, Alexandra Silk, Stevie, Le Sont, Evan Stone and Luc Wylder. Videocassette: Fallen Angel.

Despite its drawbacks—tedious, pre-sex interviews and cheesy computer graphics—*Dirty Dancers 15* succeeds at sapping scum from viewer schwang. The parade of strippers turned screen fuckers begins with Triple X, a tattooed, slender Gen-Xer with tousled, two-tone hair. Accompanied by cornea-assaulting waves of color, she peels out of her vinyl wrapping, exposing milky-white palmfuls of teat meat. Wrapping lips around boyfriend Stevie's trunk, she displays her choke-'n'-stroke fellating prowess. Her luminous eyes lock with the camera. Stevie finger-drills pearly conch and tongues her brown winker; Triple X falls into heavy-lidded cock lust, and the cunt cramming begins. Triple X sits astride lap pole and does feverish twat thrusts. The shoddy production values—a squeaky bed, shaky camera work—add much-welcomed back-alley sleaze. With four other equally enticing vignettes, *Dirty Dancers 15* compels viewers to do the jerk furiously.

—S. A.

GETTIN' LUCKY: East licks Bella's wound.

CREME DE LA FACE #28: Kilgore and dangling carrot.

DIRTY DANCERS 15: Moore drools for dong.

Dick Nasty's Going Abroad

Directed by Dick Nasty; starring Cassie, Stephanie, Hanna, Sophie, Nicki, Omar, Guy DiSilva and Dick Nasty. Videocassette: Hollywood Video.

Ill-conceived and distressingly cast, *Dick Nasty's Going Abroad* seems to be little more than a clever ruse to finance a British Isles vacation. Director Nasty picks up a few whores trolling around Gatwick airport, takes them to a hotel and documents the ensuing nonevents. Hanna is the first limey tart in this sad affair. Her hearty laugh almost compensates for her Phyllis Diller makeup. Dick introduces Hanna to her mulatto fuck buddy; the mixed-blood swordsman sinks schlong into the streetwalker's sphincters. In a failed attempt to tantalize, Hanna claims that this is her first anal experience. A pug-nosed blonde, who resembles a thirtysomething Angela Lansbury, darkens the screen. She accessorizes her abdomen with a nasty, hipbone-to-hipbone cesarean scar. Nasty dribbles a post-ass-fuck load into her wary mouth. "So, how did you like your first sex scene?" Nasty asks. Gurgling through cum clots, she replies, "It was lovely." Sadly, the same can't be said for *Dick Nasty's Going Abroad*. —Dan Panorama

Manic Behavior

Directed by Dyanna Lauren; starring Raylene, Teri Starr, India, Montana Gunn, Candy Hill, Barrett Moore, Nick East, Tony Tedeschi, Michael J. Coxx, Bobby Vitale, Steve Hatcher and Rick Masters. Videocassette: Vivid.

In *Manic Behavior*, copper-haired, cartoonishly buxom Raylene plays a psychotic slut. It's tempting to cry typecasting, but she tackles the role with aplomb. Tony Tedeschi mauls the beaked horndog's chest zeppelins. Sawing digits in Raylene's bloody-red folds, he elicits Linda Blair-like wails from his fleshy finger puppet; viewer groins pulse. Raylene's postcoital conniption introduces *Manic Behavior's* plot and main problem: The average jerkoff, having dealt with enough mentally unbalanced cunts in real life, need not be assaulted with more of them in his blue-screen sanctuary. A lap-hardening dream sequence follows, during which Steve Hatcher savagely cleaves Raylene's crap rings in a vaguely Arabic setting. Attending a party, the schizoid snatch hallucinates an orgy taking place among the guests and collapses in a bawling, fetal mess. At film's end, our heroine is felled by a speeding car. This is what hard-ons are made of? Credit Raylene's acting or Dyanna Lauren's directing for *Manic Behavior's* dick-disturbing effect—just don't expect a guilt-free jackoff session. —S.A.

DICK NASTY'S GOING ABROAD: Sophie, one Nasty bitch.

MANIC BEHAVIOR: Raylene undergoes intensive dick therapy.

Klass's Ass Garners Accolades, Controversy at the Oscars of Porn

A sea of gawkers parted for a parade of porn stars at Bally's Las Vegas Hotel Casino at the 15th annual *Adult Video News Awards*. The ceremony, widely regarded as the Oscars of porn, was held on January 9, 1999.

Accused of rigging its voting process to favor its advertisers in the past, *Adult Video News's* judges restored luster to the proceedings this year by bestowing awards to deserving nominees. Antonio Passolini's arty *Cafe Flesh 2* took the honors for Best Video Feature, beating out such contenders as *Heartache* and *Taboo 17*. HUSTLER sex-advice columnist Jeanna Fine snagged the Best Actress—Video award for her performance in *Cafe Flesh 2*. Sadly, HUSTLER EROTIC VIDEO GUIDE Editor Mike Albo lost out to scum-porn auteur Robert Black in the Best Non-Sex Performance—Film or Video.

"I was pretty confident that I wasn't going to win," rants Albo, citing a number of personal grudges harbored against him by AVN's panel of judges. "In fact, if you look at the list of nominees, the only person to spend ad dollars in AVN is Rob Black, who ended up winning. Coincidence?"

Most notably, anal specialist Alisha Klass, who belongs to the too-pretty-for-

porn category of onscreen sluts, was named Best New Starlet, rising above a highly competitive roster of nominees that included Jessica Darlin, Dee and Inari Vachs.

The brunet beauty, who bears a SEYMORE BUTTS tattoo above her much-plundered derriere, also cohosted the awards, managing to shock the ceremony's seen-it-all, heard-it-all organizers by repeatedly expressing her fondness for "having a huge cock in my ass."

"She's Alisha No Klass," hissed one dismayed attendee. "Some people brought their parents here tonight."

As cohost, Klass enjoined the jaded crowd to clap for award winners, rousing scattered applause in the massive ballroom.

The nearly 3,000 guests needed no encouragement to deliver a standing ovation to Special Achievement Award recipient Larry Flynt.

"Don't get so wrapped up in your work that you take your individual rights for granted," Flynt said to the assembled porn tribe during his teary-eyed acceptance speech. "You have to be ready to defend the industry you're in for it to survive."

HUSTLER defends Klass's right to sing the praises of fisting and anal sodomy any time she wants.

Bunghole Harlots Number 4: Ass Fuckers 100%

Directed by Dale Jordan;
starring Elle Devine, Roxanne Hall,
Candy Hill, Dakota, Obsession, Tawny Ocean,
Alex Sanders, Sean Michaels, Tice Bune,
Mr. Marcus and Pat Myne.
Videocassette: Elegant Angel.

Bunghole Harlots Number 4: Ass Fuckers 100%'s anal antics push the envelope of ass-fuck decadence; too bad the producers couldn't convince a fresh cast of sluts to perform instead of the hoary harlots presented here. Spreading Dakota's fat, thick legs, Alex Sanders slams his pipe into her veiny winker, then samples Dakota's worn-out shit chute. Dakota's stripper-trash gal pal Candy Hill hoovers Alex's beef between her lips; Sanders tastes the banquet of holes. Alex porks Hill's ass while Dakota licks nuts. He pops on Candy's dick-drilled derriere; spum chunks cascade over her pussy lips and drop into Dakota's greedy gobbler. Tall blonde Roxanne Hall freshens the air by comparison. Sean Michaels is the lucky black man who slobbers on Hall's pooper. She spreads her sphincter rings with her fingers and guides him into her anal mine shaft. "There's nothing sexier than a gaping poop shoot [*sic*]," claim the makers of *Bunghole Harlots Number 4*. As they themselves prove, that all depends on the chute being gaped. —D. P.

Lewd Behavior 3rd Strike

Directed by Van Damage;
starring Cherry, Cartier, Alana, Jewel
Valmont, Tiffany Mynx, Monique, Stryc-9,
Amber Woods, Van Damage and Luciano.
Videocassette: Extreme Associates.

Lewd Behavior 3rd Strike is literally crammed with ball-draining action, lensed with a directorial skill that ably captures every filthy nuance. Baby-faced Stryc-9 leads a dog-collared Jewel Valmont into

view on a chain. Both beauties reek of just-legal, middle-American sluttiness. Valmont slowly draws chain links across Stryc-9's shaven cunt cleft. Stryc-9 assaults Valmont's quivering ass with a riding crop. Loud *thwaps*, like those heard during fistfights in old Westerns, ring out. Enter Van Damage, schlong at full mast. Stryc-9 yanks Valmont's chain, pulling her face onto the director's man root. Thus lubed, Van Damage ceases the preliminaries and heartily drills the pair's orifices, widening colonic apertures to chasmic proportions. As with this video's subsequent scenes, all pretenses of delicacy are forsaken; *Lewd Behavior 3rd Strike* strikes a major chord in the hearts of depraved jerkoffs everywhere. —S. A.

Totally Amateur Volume 1

Directed by uncredited;
starring Brandy, Pershia, Stacey, Adam,
Bill and a mystery amateur.
Videocassette: Odyssey Group Video.

As in college football, the amateur sluts in *Totally Amateur Volume 1* aren't in it for the money. They feel a deep need to prove their worth, and their quest for validation yields viewer satisfaction. Brandy is a barely-legal, Asian-mix slut; her slippery snatch is hot for boyfriend Bill's Caucasian cock. Bill bombs the bitch's pearl harbor; their youthful energy explodes. He shoots sperm torpedoes into her eager mouth, avenging her ancestors' treachery. Dark, shapely Pershia recounts the busting of her cherry. "It hurt at first," the young slut relates. "Then a wave of pleasure followed." She sinks a big, pink dildo into her flue, jacking with nostalgic fervor. Adam, brandishing a fleshy replacement for her ersatz schlong, steps in. They contort into a 69, feasting on each other hungrily. Other highlights include a horny, pregnant cock hound named Stacey and a mystery babe who pounds a dildo into her quivering quim while her boyfriend dicks her pouty, puckered asshole. *Totally Amateur Volume 1* is totally terrific. —D. P.

Nicky Starks' Sugarwalls Number 9

**THREE-QUARTERS
ERECT**

Directed by Nicky Starks;
starring Cherry Lee, Tamia, Cookie, Nicole,
Red Passion, Byron Long and Tony Eveready.
Videocassette: Elegant Angel.

For those whose tastes run toward sweet Negro flesh, Nicky Starks' *Sugarwalls Number 9*'s parade of golden ladies is mouth-watering. "I love to get my pussy ate," notes red-hot, 18-year-old Red Passion before spreading her legs for Byron Long. The nappy-headed string bean feasts on Red's cherry-bomb pussy. She pays lip service to Long's black adder, greasing the joint for the ensuing logjam. Long eases his horse cock into her golden-brown flesh, but only manages to slip half of it inside the viselike, Nubian cooze. Maybe more would fit if Red moved her ass a little bit. This bitch is lazy, sho 'nuff; perhaps she'll improve with age. Caramel-skinned beauty Cherry Lee admits that she likes being spanked; her man pummels her brown turd cutter with a few hearty whacks. This tenderizes the meat for a hefty Cherry Lee asshole-pie fuck. Chocolate never tasted so sweet as it does in *Sugarwalls Number 9*.

The Violation of Teri Starr: A Lesbian Gang Bang

THREE-QUARTERS ERECT

Directed by Jim Powers;
starring Teri Starr, Candy Vegas,
Heaven Leigh, Alyssa Allure, Doomy Moore,
Gina Ryder and Gwen Summer.
Videocassette: Cream Entertainment.

Like a blue-screen version of *Reefer Madness*, *The Violation of Teri Starr: A Lesbian Gang Bang* finds its title slut paying the ultimate price for partaking in the evil herb marijuana. Blond waif Starr portrays an American college girl on spring break in Mexico. Her taste for bud clashes with the local law enforcement. Uh-oh. The Mexican police have special jails for dope-crazed, gringo bitches. Starr is dragged to a sadistic, lesbian-rape dungeon. Her punishment is fierce. Corrupt female guards frisk the pot-addled Starr and sink a strap-on chin dildo into her wet-pussy holster. A forceful tongue attacks Starr's clit. The prisoner is stripped; a cavity search ensues. Rubber-gloved fingers probe snapper and crapper alike. Starr grunts, squeals, squeaks and screams, but her jailer is relentless. The platoon of female guards forces Starr to eat their hot tamales. A strap-on dildo crams her craw; the sadistic guard rapes the American with the spittle-slicked, hard rubber dick. Let *The Violation of Teri Starr* be a lesson for all Americans traveling abroad: Smoke a joint, go to jail and suffer sphincter-stuffing rape by beautiful, sadistic, lesbian bitches. Just say 'ho. —D. P.

Directed by Nick Orleans;
starring Asia Carrera, Ashton Moore,
Temptress, Taylor St. Claire, Jennifer
Lee, Natti Aston, Gina Ryder, Cheyenne
Silver, Stephanie Swift, Alec Metro,
Marc Davis, Randy Spears, Lexington
Steel, James Bonn and Brick Majors.
Videocassette: Adam & Eve.

Playing the dean of a prominent university in *Search for the Snow Leopard*, Randy Spears speaks to the intelligentsia about the elusive snow leopard and how it must be saved from extinction. When he describes the snow leopard as "the only leopard that does not roar," he could be describing the film itself. This, unfortunately, is not a

fuck flick. There is no penetration. The sex could be real or simulated; who can tell? Blowjobs are vexatiously obscured, lensed from behind the woman's head. Asia Carrera plays Eve Taggart, head of the university anthropology department. The Amerasian knockout wins a grant from the university to travel to the fictional land of Bardot to capture the wild thing. She meets a photographer whom she despises, but later falls in love with. Their passion is deep. How deep? The viewer will never know; their carnal coupling is damnably filmed from afar. To its credit, *Snow Leopard's* production values are the highest around; even the script is good. Except for the simulated sex scenes, *Search for the Snow Leopard* could be a movie of the week. As a fuck flick, *Search for the Snow Leopard* is merely a weak movie. —D. P.

FEEDBACK

(continued from page 13)

their own ball of shit. As Thomas Jefferson once said, "To be a rebel to men is to be right with God." The U.S. Civil War II is looming, and the American people are with you, Larry. —R. B. Marshall, Virginia

Tall Glass of Piss, Please

What happened to the pee pictures in the March 1999 issue? I searched anxiously through the entire issue, looking in vain for piss. I truly look forward to watching your beautiful women piss all over the floor and each other. Traditionally, piss-shots are the first ones I toss off to. Did you hide them on me, or did my girlfriend write and request you leave them out? Please, I beg of you—more pee!

—A. M.
Roanoke Rapids, North Carolina

Your girlfriend did write. She asked if we could substitute our piss-shots with open crotch-shots of Dr. Laura Schlessinger. See page 20 in this issue to finally quench your urine fix. Bottoms up.

Reverend Porn

I'm an ordained minister and founder of the Children of God study group. First of all, let me say that I absolutely loved the February 1999 issue of HUSTLER. It made this minister explode with pleasure. I have nothing against pornography, especially HUSTLER. I can't understand why so many Christians hate pornography when the Bible is replete with sex stories. The songs of Solomon are jam-packed with descriptions of sex acts and naked flesh, especially female breasts. I just wanted you to know that you have at least one minister on your side. I'd even pose in a pictorial wearing my minister robes with a HUSTLER Honey underneath!

—Rev. N. B.
Lugoff, South Carolina

A man of the cloth takes it off and offers a cock communion. Not a bad idea.

Pleasantly Shocked

Congratulations on all of the changes you've made to HUSTLER. I cut my pornographic teeth on your magazine back in the '70s, and I have always been amazed by Larry Flynt and HUSTLER's ability to present beautiful women and controversial news in a straightforward, no-bullshit fashion. I hadn't picked up a copy in a while, but you always remember what's good. I started buying HUSTLER

again about a year ago, and my jaw dropped. Penetration, piss-shots, sex toys, fisting. God bless Larry Flynt for breaking down barriers and making America's Magazine something to be proud of.

—F. K.

Fanatic About Feet

Why doesn't HUSTLER publish a foot-fetish edition? It could feature new pictorials devoted to the foot fanatic as well as HUSTLER pictorials where extra photos of feet are included. Just make sure the feet are clean; I only like clean feet.

—M. B.
Rexdale, Ontario

You poor, sheltered Canuck. Don't you know that HUSTLER'S LEG WORLD has the greatest foot photos to grace God's green Earth? Put the brewski down, run to your local Canadian trading post and slap down two beaver pelts in exchange for HUSTLER'S LEG WORLD.

HOT FUDGE

I love my girlfriend, Lynne, because she'll allow me to experiment in the bedroom. When I say *experiment*, I don't mean wearing feather masks and "role-playing" about an ice-cream man and a nurse. I mean actually whipping out test tubes, speculums and whatever fucked-up shit I read about in science books.

Recently, my studies into the female form led me to an interesting quote from a shit eater—or scatologist, as he preferred to be called. The dump lover claimed that bowel movements taste like whatever the woman ate most recently...except burned. I was fascinated by the concept, but unwilling to eat crap. That's why I'm so glad to keep Lynne around.

I convinced Lynne to join me in a little pussy trawling at a nearby Italian restaurant. Our search led to a statuesque, dark-haired beauty smoking a cigar in the corner. Her harsh makeup and cruel eyebrows seemed to scream butch dyke. Talking the rug-muncher into sampling Lynne's wares would be simple. Would she be willing to accept my prong in her tight, Italian pooper?

"Hi," I offered by way of introduction. "My girlfriend, Lynne—the very comely, young blonde in that checkered booth—was wondering if you'd join us for an experiment." The big lezzie was intrigued enough to hear me out and tell me her name: Cleo.

After my spiel, Cleo took a long puff of her stogie and exhaled. "I think you're

both fucking nuts, but if you pay for my salad and baked ziti, I'm willing to try anything."

Cleo followed Lynne and me to our place in a cab. She wanted to make sure we weren't serial killers looking to drag her into the woods. I did lead her into my wood shop, which I converted into a makeshift laboratory. There, Lynne licked every inch of the Italian clam smacker's olive skin.

My girlfriend obviously enjoyed tonguing Cleo's navel and snatch. With no provocation, she positioned her raised bottom over Cleo's sensual mouth and fell into a quivering 69. The two lovelies licked and bit each other's privates; musk drowned out the smell of pine shavings in my lab, alerting me to the ready nature of Cleo's cooch.

I crouched on my knees and stroked my bone to an engorged state. Don't get the wrong idea; I was excited watching the girls do the nasty. Scientific detachment, however, had blocked my hard-on. As soon as I was fully aroused, I plunged into the wet spot Lynne so generously suckled.

Cleo gasped. "It's been so long."

I peeled off a few decent strokes, but did not plan to continue my vaginal plowing. Instead, I simply wet my willy while Lynne continued to mouth the swollen clit above. After sufficient lubrication was achieved, I aimed lower and

lanced Cleo's browneye.

She howled in shock. Although I had explained the arrangement would include anal intercourse, Cleo was not prepared for the full effect of her sphincters crammed with steel. I pumped hard enough to bury my entire bone, then pulled out and popped the dong into Lynne's greedy mouth. Back and forth I poked, filling throat and rectum in alternate strokes, until Cleo's nether regions were saliva-slickened enough to permit

Only one thing in life could make me risk a racially motivated beating, of course, and that thing is Caucasian cunt. I noticed a teenage skinhead with tits the size of twin watermelons.

speedy thrusts. I planted my seed deep in her ass as Lynne fingered Cleo's flower and lip-locked her clitty. The ladies climaxed simultaneously.

Afterward, we provided Cleo with cab fare and waved goodbye. I could finally tally the experiment's results.

Breathlessly, I asked Lynne, "Well?"

"Yeah," she responded. "It did kind of taste like garlic."

Next, I want to learn about douching with Coca-Cola.

AMERICAN HISTORY XXX

I'm a 21-year-old, black medical student at a local university, but I can't tell you which one. Do I insist upon the school's anonymity because I'm concerned that my tale of racism, butt-fucking and campus orgies will earn my sorry, cocoa ass a great big lawsuit? No—I simply don't want to cause a controversy that could end all the fun! I'm having the time of my life with the dumb, white bitches who populate these ivy-covered walls. Believe me, HUSTLER readers, if you send a daughter off to college, you're basically buying her a ticket on a big, black steam engine...right between her pasty, peach thighs.

A few nights ago, I was knocking back piña coladas at Shooters, a popular campus bar. My hand was provocatively situated betwixt the knees of Taryn, a blond, big-titted bimbo I fucked a few times during my freshman year. Meanwhile, Kim, an Asian ginch who interned with a few of my professors, was whispering dirty—and anatomically precise—shit in my ear. Every once in a while, her tongue darted forward to taste my wax. I was more than a little bit drunk, and the crotch of my Dickies sported a tent big enough to house the Compton Swap Meet. If I had been paying attention to my surroundings, instead of plotting a maneuver to steer Taryn's taste buds toward Kim's sideways sushi, I might have noticed an ominous commotion in the corner. Grandpa always warned me not to be distracted by cracker pussy; he claimed that's how our forefathers were lured into slavery. Now I see the wisdom of the gassy old fool's words.

Over a jukebox roaring Hootie and the Blowfish, a shocking cry was sounded: "Nigger lover!" Scuffling followed, and glass broke. I froze, felt the swap meet in my leopard-skin briefs close up shop and very nearly pissed myself. Quickly, I shoved Taryn off her bar stool and hid behind Kim's tiny form. Any racist is likely to be less incensed by the sight of a black man boning another minority than

holding down a piece of peckerwood ass.

However, Taryn suffered a minor concussion for nothing. The target of the crude, vicious epithet was Charles, my classmate, confidante and practically the only other African American male in the school. Poor, nerdy Charles was being shoved back and forth like a black volleyball between a pack of Nazi skinheads. I had known the skins were a presence in this otherwise progressive city; helping to end their reign of terror was one of my prime incentives for attending the university. As I watched my brother in arms being brutally manhandled by the bald freaks, I did what any self-respecting Negro would do: I made a cautious beeline for the exit.

Then I was stopped in my tracks, despite the Shooters clientele's vociferous support of Charles's attackers ("Get the nigger! He was making out with a white chick! We don't like niggers in Shooters!"). Only one thing in life could make me risk a racially motivated beating, of course, and that thing is Caucasian cunt. I noticed a teenage skinhead with tits the size of twin watermelons visible beneath her baggy bomber jacket. No wonder the child was traumatized and driven to a life of white supremacy; undoubtedly, every male in her family was unable to keep their hands off those massive, ripe hooters.

Her face was stunningly beautiful, bearing the kind of porcelain, Barbie-doll features only a pure, Aryan snizz can possess. Her snarl as she sank a heavy, black boot into Charles's gut was unspeakably arousing. Did I mention her heavy, black boots? All I could think about as I watched Charles turn into a bloody pulp before my eyes was fucking the paper-white bitch's stacked bod from behind—while she wore nothing but those clunky Doc Martens. A hairy-knuckled hand lifted me by the collar of my shirt. Again, the words of my grandfather came back to haunt me.

The behemoth behind me hollered, "I just caught a nigger by the toe!" Shooters erupted in laughter. Many of the patrons I recognized from school turned their heads away. I'm sure they were disgusted by the display, but too uncomfortable to say anything.

"Looks like a strong buck," announced the gang's leader, whose glass eye lent him an ironic resemblance to Sammy Davis Jr. "He'd be good for Leni's initiation. Go on, our Aryan sister...take this nigger to the toilet, and flush him like the walking turd he is. Then we'll invite any white champions here at Shooters back to the compound for your first gang-bang." The crowd cheered; apparently, this method of punanny appeasement is the reason so

"Not all black people are alike. My dick's not so enormous...for a brother." I unspooled my 13 inches of ebony love. Leni's dazzling, blue eyes took their time examining the length.

many hate crimes go unreported. I know I was unwilling to offer protest as the aforementioned big-bazoom babe led me to the ladies' room. There was still a chance for me to do that voodoo I do so well.

She pushed me into a pink stall and barked, "Fucking nigger. I hate all fucking niggers! My stepdaddy was a nigger, and he used to shove his enormous, black cock up my ass every night!" Aha...I'd known she was a victim of abuse. Thankfully, my medical training has included counseling; I knew the perfect approach to calm the knife-brandishing 19-year-old.

"See, that goes to show you," I said in a soothing monotone, reaching for my fly. "Not all black people are alike. My dick's not so enormous...for a brother." I unspooled my 13 inches of ebony love. Leni's dazzling, blue eyes took their time examining the length. She set the knife on the toilet-paper dispenser and picked up my python with both hands.

"Hmmm," pondered Leni, running a surprisingly tender fingertip over a protruding, chocolate vein. "You're right. It's not as big as my stepdaddy's. Maybe not all niggers are the same." Coming from a Nazi skinhead, that last statement was the equivalent of a Martin Luther King speech. I moved in for the kill.

"Why don't you give it a suck? You know, just to make me your subservient slave, which is the onliest thing us Negroes be good for, ma'am." My Stephen Fetchit routine fetched me a slurpy, throaty blowjob. The horny baldy curiously nibbled the head and licked my piss slit before gobbling the whole enchilada. Her deep sucks were psychotically aggressive; I feared she might bite the member off, but was willing to take the risk. Boy, was I living dangerously. I reached down for a handful of those magic mammaries!

Leni spat out my johnson, pressed her knife to my nuts and announced, "No way, nigger! You are not to defile my immaculate body with your mongrel touch unless I grant you permission."

"I can dig it," I gulped, slowly unhanding the teats. Mercifully, the blade left my ball sac, and Leni ingested the first six inches of my peter. She bobbed her skull on my spear at an increasingly frantic rate. I've noticed that honkies are generally better cocksuckers than my Nubian princesses, although white pussy doesn't taste as juicy. Go figure.

The moment I had prayed for arrived: Leni dislodged my log from her esophagus, leaving a long trail of saliva that drooled onto her promptly removed shirt. The giant puppies that attracted my attention in the first place bounced free before

me. You truly have not lived until you see a beautiful, bald woman with a big bosom; it's like she's got two whoppers on her chest and one on her shoulders. I thought about the threeway I'd tried to hook up earlier and contemplated greasing Leni's head to shove into Kim's yellow beaver. My chrome-domed skank climbed atop the black mountain.

"Arrrggghh," Leni screamed. My girth tore open her young twat. "Feels so good in my hot, Aryan hole!" She pumped her groin against mine; I shifted my weight on the toilet seat to sink more dink in her depths. Regardless of the pig sticker Leni kept pointed at my chest, I cannot experience white pooze without unleashing the savage within my lap. I roughly grabbed the meat balloons rhythmically swaying before my eyes and slammed their owner's head into the stall divider.

"You love it, white bitch," I cursed, standing and lifting Leni in our pistoning loin lock. "Say you love black cock!"

"I...unnngh...love it!" I throttled Leni's creamy neck and bashed her head against the stall one more time for good luck while the head of my manhood battered her G spot.

"You love what, bitch? Sayyy it!"

"I love black cock, Daddy! Please, Daddy, please. I love black cock so much!"

Leni exploded in climax, spasming in my powerful grasp. Her screeching conniption fit was not enough to provoke my nut; my testicles demanded justice. While my rod was still rigid enough to penetrate her bung, I dropped Leni to the floor and forced her round butt into the air. My already-brown fingers spread her shithole. The tip of my prick rooted around her bowels. Years of forced sodomy provided an easy entry. "Yes, Daddy," caterwauled my converted whore. She would certainly never go back. "You know I love it in my tight little ass!" Anal pleasures, however, were not on the menu. And whatever was on Leni's lunch menu was now on my steaming cock.

"Shut up, bitch," I spat, lifting her shiny head to meet my gaze. Using my tool like a brown crayola, I painted a crude swastika on Leni's forehead with the leavings. Satisfied, I beat my club on her smooth cranium in honor of the drums of my forefathers. Then I shot a load that dripped into her stunned eyes.

Leni loved the rough treatment and even tried to have me voted an honorary skinhead. Of course, I wound up with an ass beating instead. Believe me, it's worth beating Leni's ass with my dusky hammer every weekend. I love hittin' skins!

Sometimes he follows me to the bathroom, and when he passes my tiny desk, I see his nostrils flare. The handsome, gray-suited perv is trying to smell my pussy!

PUBES AND CUBICLES

Hot chicks need to masturbate a lot. It's a fact of life many of us try to keep hidden. We don't want guys to know most of us are insane nymphos, because then they wouldn't buy us dinner. Unfortunately, if a date is particularly good-looking, an entire meal can be difficult to sit through without pussy juice dribbling from beneath our painfully tight and short skirts.

I don't know why physical beauty and a perfect physique equals out-of-control hormones. Maybe because we fuck so much earlier and more often than the rest of you ugly cunts. Whatever the case, I try not to analyze; I simply satisfy my burning gash whenever the need arises. Diddling my clit to a devastating orgasm isn't so easy when tackling a temp position in a corporate office without walls.

Nevertheless, I was forced to find a solution this week; there's an executive down the hall who is too fucking fine to be believed. Daniel, the stud in question, is obviously into me too; sometimes he follows me to the bathroom, and when he passes my tiny desk, I see his nostrils flare. The handsome, gray-suited perv is trying to smell my pussy! I wonder if he ever caught a whiff of my midnight-black bush as the pink lips beneath heat up and secrete passion?

If Daniel really wants to inhale my womanly aroma, all he needs to do is check out my pencil sharpener after hours. I've become a master of cramming the large, electric implement between my legs; good thing I practice with gargantuan vibrators at home. Although I sit in direct proximity to three other loser temps, I manage to straddle my sharpener undetected several times each day. During one such session, Daniel surprised me by approaching with a financial-transaction report he needed confirmed immediately.

"Your hair looks nice today," he purred as I dug through the files in my drawer. I realized the document Daniel needed was in a file cabinet behind me. However, if I stood up, there was no graceful way to lose the office supplies in my thighs. Titillating conversation was my last-ditch hope for distraction.

"Yeah," I sighed, appearing as casual as possible by rummaging through a stack of blank papers. "I got tired of the blond-and-dark-roots look. Well, the last report's not here; so I'll find it and bring it to your office." The big stud would not leave—or break my gaze. He kept talking about my hair, my outfit and my exem-

plary work habits. Worst of all, I was so aroused, I couldn't wait another second for climactic relief.

Daniel continued to ramble; so I smiled politely and reached for a pencil. My nonny was throbbing. Even before the lead hit the sharpener's hole, love liquid was seeping down into the crack of my ass. I was thoroughly lubed and ready for a jolt. Subtly, I shifted my cushiony rump so the cheeks would help muffle any grinding sound. Vibrations shot up my flue and jolted my spinal cord. I couldn't help stiffening. A puzzled look twisted Daniel's expression, and his tell-tale nostrils flared.

He asked, "Do you hear a buzzing? Could be some loose wiring." I nodded in silent agreement, stifling the screams of ecstasy threatening to leap from my slightly parted lips. The pencil was slowly growing shorter; by the time I hit eraser, orgasm was imminent. Believe me, I've got the timing down pat.

Daniel simply shrugged off his electrical concerns and returned to rambling about productivity and tax rates and adjustments. To my ears, he was begging me to sit on his face and swallow his angry fuck stick. I rode the sharpener hard, clamping down on the cold metal. Convulsions consumed my sex. Keeping

my eyes away from the front of Daniel's pants was impossible. First, I shot a darting glance to his prodigious package; then I focused more intently, realizing something stirred beneath the flannel. The sneaky bastard must have cut a hole in his pocket, because he was whacking off right into that expensive, three-piece suit!

We looked at each other in intense recognition and continued our chat about the company's future earnings. Suddenly, I ran out of pencil—and came. Ferocious tremors ignited my very core. I improvised to hide the wash of pleasure that engulfed me from head to toe.

"Oh, oh, *ohhhh*," I moaned. "I know where I placed that file. I shoved it in my tight little cabinet." Dirty office talk was enough for Daniel. He broke into a visible sweat and clenched his teeth. Later, I broke into his office and found his ruined pair of silk boxers in the trash can. I sucked the drying splodge from the fly. Tastes good, Daniel; I hope you'll read this letter and ask me out for dinner. I'll bring extra shorts for both of us. —P. L.

"Just a minute, sugar—gotta call my HMO and see if they cover busted cunts...."

Restrictive attitudes in the name of so-called morality increasingly take the fun out of fucking. Through good, old-fashioned homespun knowledge, hearsay, scientific facts and outright lies, this series strives to spread the word that rubbing uglies is a beautiful experience.

Missing Meat

THE DREAD AND DISMAY OF THE DICKLESS

BY ROS GROSS * ILLUSTRATION BY JIM BLANCHARD

Curious, horny Janet responds to an ad in the back of a local newspaper, fulfilling Jim and Dolly Hanfield's longstanding fantasy of a ménage à trois. Having passed AIDS tests and acquainting themselves over a candle-light dinner, Jim, Dolly and Janet are a three-piece puzzle of penis and pussies, balling with abandon at the Hanfield's apartment.

Jim plunges his meat sword into Janet's tight, young clam, then into Dolly's hungry mouth. "Do you like the taste of another woman's pussy juices?" Jim asks. In response, Dolly swallows his balls.

Janet spills her fat tits out of her bra and laps Dolly from bunghole to belly-button. Janet's appetite for snizz isn't sated until Dolly erupts in an explosive orgasm. Jim, watching his wife gasp and shudder in ecstasy, uncorks his cum cannon and blows a fusillade of jizz ropes onto Janet's jugs.

Ten minutes later, the three lusty libidos are ready for a second round of fucking. To stay hard, Jim grabs a handful of rubber bands and wraps them around the base of his schlong. Dolly raises her ass in the air, eager to be the first to swallow his throbber.

Three hours of piston pumping and cunt lapping later, Jim, Dolly and Janet bask in the afterglow of a dream come true. Spent and satisfied, Jim drifts off to sleep in a state of bliss, having plunged his pork into all available orifices of two frenzied fuck dolls. Unfortunately, Jim forgets about the rubber bands wound tightly around his swollen dork.

At 6 a.m., Dolly awakens in a fuck-me-again frenzy and nearly has Jim's wanker in her mouth when she notices in the dawn's blue light that his dong is blue-black. The rubber bands, which cut so deeply into Jim's cock meat that they are no longer visible, have restricted the flow of blood into Jim's bone. Gangrenous, slightly ripe-smelling, Jim's seven-inch dick is still hard.

At a nearby hospital, the threat that a fatal infection will move into Jim's bladder prompts emergency-room

doctors to recommend immediate amputation.

Jim's once-proud penis is now a two-inch stub when fully erect. Jim can still fuck Dolly, and he can still ejaculate, but he prays for the return of the five inches of salami he lost that fateful night.

* * *

Among the unluckiest men in the world, males who have lost their defining fifth limb to accident or illness find that life goes on—at least for those who don't commit suicide outright.

Medical science has not yet devised a way to return five inches of dead penis tissue to Jim Hanfield, but painstaking microsurgery techniques have been developed to reunite traumatically severed schweens with their discomfited owners. Using

microfilaments in tedious, time-consuming procedures, doctors can mend sensitive dick tissues almost cell by cell, making the in-and-out more than a memory for many men who feared that time in the sack was a thing of the past.

While medicine has made impressive advances, plastic surgery on an amputated penis is costly and rare; fewer than 100 such procedures have been performed. Restored sexual function is far from a sure thing.

"Typically, these people will not get nervous regrowth," says Dr. Howard Devore, a clinical psychologist and licensed sex therapist. "The penis won't stand up and get hard and come like they may be used to. They will have something hanging between their legs, something they can pee through, but it's rarely something that has the full

Penis removal is a favored revenge technique among women who have decided that death is too good for their variously lying, cheating, scheming, abusing, gambling or hard-drinking pricks.

range of sexual functions.

"There is a population out there that are happy with their genital surgeries," adds Devore, "but I usually see those who have had trouble."

For John Wayne Bobbitt, having his penis sliced off by his irate wife, Lorena, was perhaps the best thing that ever happened to him, bringing national renown and starring roles in skin flicks. Not all men who survive run-ins with a rabid bitch's razor blade share such good fortune.

When Alan Hall was released from prison after serving four years for the strangling death of Denise Denofrio, he seemed to have no problem scoring a piece of ass. Hall claimed a woman who identified herself only as Brenda approached him at a gas station and suggested they go back to his place. After having sex, Brenda invoked the name of Denofrio and cut Hall's penis off. At first, police surmised that Hall's attacker was a vengeful friend of Denofrio's who waited ten years to exact her revenge. But one week later, Hall admitted he mutilated himself with a hobby knife. Paramedics recovered Hall's man meat, but attempts to reattach it were unsuccessful.

In Bangkok, Thailand, when 22-year-old Kowit Bamrunnga decided to take a second wife, he provoked the crazed rage of his 27-year-old current wife, Duan. Kowit awoke one night to find Duan sawing away at his pecker with a sharp object; she fled into the night with the butchered organ. Kowit, bleeding too badly to give chase, checked himself into the Police General Hospital instead.

At the hospital, a pre-op transvestite was moved by Kowit's plight and announced that he would donate his about-to-be-removed penis to the young man, who was facing a lifetime with a bobbed bone. Three days later, Kowit became the world's first successful penis transplant.

Penis removal is a favored revenge technique among women who have decided that death is too good for their variously lying, cheating, scheming, abusing, gambling or hard-drinking pricks.

Even so, some penises are cut off without the assistance of psycho females. A surprisingly large number of clumsy, bumbling, addle-headed men only wish they had a jealous spouse to blame for parting ways with their penises.

A 51-year-old man from Long Branch, New Jersey, almost bled to death when he tried to use a vacuum cleaner to give him-

self a blowjob. The man, who police officials declined to identify, did not realize that a whirling blade immediately inside the hose opening pushes dust into a collection bag. For him, whacking off meant losing the tip of his dick.

Doctors at Monmouth Medical Center were able to staunch the bleeding, but couldn't graft the severed portion, retrieved from the vacuum cleaner, back onto the man's penis. Extremely drunk at the time, the victim was not able to remember the incident.

Domingo Morales, fearful that if the truth were known, he would be institutionalized, originally told New York City police that a prostitute severed his penis. In actuality, Morales, who makes guitars, had the neck of a guitar between his legs and was shaving the wood with a knife when the blade slipped and cut clear through his cock into his thigh.

Doctors were unable to reattach Morales's penis. They couldn't find it in time. In his excited state, Morales forgot that he had put his love pump into a Tupperware container in his cluttered kitchen.

A Wauwatosa, Wisconsin, man was lying on his back, working under a lawnmower that was up on blocks. The rotor blades

turned unexpectedly and severed his wang.

Four plastic surgeons worked for nine hours to attach the severed tissue. Lacking experience in penis reconstruction, the team of doctors sewed the penis onto blood vessels in the man's arm until a reattachment operation could be performed a week later by a specialist.

Many of the surgical techniques used today in reattachment procedures were pioneered on wounded soldiers in battlefield hospitals.

"I was bleeding from a wound in my ass. I didn't notice that my dick was hanging by a thread," states Mel Lebed, a 70-year-old ex-Army sergeant who fought in Italy during World War II. "My jeep hit a landmine. If I hadn't been drunk, I would have died."

Medics packed Lebed's groin in ice while they drove 12 miles to a medical hospital. Three doctors worked for ten hours to reattach and reconstruct Lebed's mangled manhood. "It works pretty good, even if it looks like a pickle slice," says Lebed. "I wonder if I wasn't a guinea pig when I read about the new surgeries to make guys longer. One thing I do know, my doctors made the most of what they had to work with, which was a lot."

KENNETH STARR STRIKES AGAIN...

Josie

Whore Next Door

PHOTOGRAPHY BY JAMES BAES

"I guess I'm too naive," laments sun-worshipping slattern Josie. "Men always exploit my kind, generous nature. Yesterday, I was lying by my pool, minding my own business. My neighbor, Mr. Stackpole, came over. He claimed my sunbathing habits disrupted his family gatherings. I told him I was sorry. Mr. Stackpole grabbed my hand, put it on his boner and said, 'My wife refuses to satisfy me, Josie.'"

Josie rubs sunscreen into her tanned breasts. "I pulled down his shorts and tongued his nuts. It was the least I could do. Mr. Stackpole was really grateful, but now every guy on the block tells me sob stories about their sex life. I offer them handjobs, but I can't ruin my reputation by giving out another sympathy b.j." Josie removes her bikini bottoms and exposes her neatly trimmed cooze. "I may be the neighborhood slut, but I'm not the village idiot."

LOVE CURAÇAO-STYLE

ISLAND PARADISE OF
HOOKERS AND BOOZE

BY BILL McWEARY
ILLUSTRATION BY DAVE COOPER

Fuck the Pirates of the Caribbean! Sail to the isle of Curaçao, a sleazy port of callgirls, where bountiful, young South American booty is priced to sell.

Curaçao

I scan the room to eye the whore's competition. At 50 bucks a pop, I want my money's worth. Finally, I snuff out my smoke and nod to my lady friend. "Let's go."

A fresh-faced, young whore hikes up her skirt and sits on a toilet as I enter the bathroom. The peeing pretty rests one hand on her knee and uses the other to swig a Corona. There is no door on her stall, and although I try not to stare, she makes eye contact with me and winks. I stand over a urinal in the tiny bathroom and try to piss through a now-erect cock. The whore smiles sweetly and pushes off the bowl, opening her pussy to shake free stubborn drops of drizzle. *Does she expect to fuck me right here in the shitter?* Apparently not. The slattern pulls her pink, terry-cloth skirt down over her ample hips. She applies fresh lipstick in a cracked mirror above a rust-stained sink, winks again, then exits.

Relieved, intrigued, I return to the bar at the Stelaris Hotel and order another rum and Coke, my fourth.

Curaçao is one of the three southernmost Caribbean islands, lying just 12° north of the equator, only two and a half hours by air from Miami. The island enjoys a warm, sunny climate, and refreshing trade winds blow steadily from the east.

Dutch and Spanish colonizers have left a deep imprint on Curaçao; forts, well-preserved plantation houses and cobblestone streets lend the city an old-world ambiance. A dozen well-appointed hotels

serve the downtown area, where rooms can be had for anywhere from \$50 to \$250 a night.

My pissing friend from the bathroom at the Stelaris sidles up to me and throws her arm around my shoulder. "*Usted me comprará una bebida?*" Dumbfounded, I pull a Marlboro red from a soft pack, my last one, shrug my shoulders and light the smoke. "*Usted me comprará una bebida?*" she repeats forcefully.

"No se," I reply, summoning up the ghosts of junior-high-school Spanish.

"She want that you buy her drink," the Chinese bartender translates. The whore orders something clear with a squeeze of lime, no ice. She downs the drink in one gulp. Braced, her eyes watering, and ready to go to work, she slides her hand up the leg of my Bermuda shorts and curls her painted fingers up and under my balls to tickle the tip of my dick. "You must have been a pianist before you were a whore," I remark, assuming she won't understand.

The Stelaris Hotel is a renowned hooker hangout a block away from Punda Harbor, the highest-trafficked tourist spot on the island of Curaçao. At sunset, while Grandma and Grandpa Johansson saunter back to the Norwegian Cruise Line ship docked in the harbor, I eye the plethora of

South American girls who sit at the bar in metal folding chairs like shy prom queens waiting to be asked to dance. A string of shabby, red lights illuminates the interior of the once-opulent lounge. Most fallen-down hotels become victims to vermin; the Stelaris has become a whore-infested palace of pleasure.

All along the length of the bar, European and American men in short-sleeved shirts sit with whores. The bar doors swing open and shut with the comings and goings of men paired with their slutty dates for the evening. All norms of civilized public behavior are suspended here. I rub my palms against the girl's tits, checking for size and shape. The merchandise feels firm. She wears a long dress and a tight top that accentuates her softball-size sacks. She looks to be about 20 years old, even though her fake eyelashes and dragon-lady makeup make her look like an aging showgirl.

I scan the room to eye the whore's competition. At 50 bucks a pop, I want my money's worth. Finally, I snuff out my smoke and nod to my lady friend. "Let's go." We walk out the front door and up a metal staircase that winds precariously around the side of the two-story tenement. I climb the stairs, which squeak in protest at every step. The heat outside coats my skin in a sheen of sweat.

Inside a dark room on the second floor, I kick off my shoes, drop my drawers and wait for the grand unveiling. The hooker's tits are large; unfortunately, her hips are larger. I sit on the edge of a squeaky bed. The cheap trick wraps a rubber around my rod and bangs the bone several times against her outstretched tongue. She climbs aboard the bed and straddles my horse. I worry about the creaky box spring. *Will it sustain her weight?*

The girl bounces on my dong like a monkey leaping for a suspended suitcase. She reaches beneath my legs and frantically fondles my balls, as if searching for spare change between sofa cushions.

I grab her bountiful boobs and juggle the fun sacks. Sweat pours off the whore's chest and onto my heaving gut. After two minutes of heavy-duty humping, the bed gives way. I fall to the floor, and the whore collapses on top of me like a linebacker making a goal-line stand, shouting something in Spanish that I understand too late. I have come to rest in a puddle of spum spewed by previous customers.

I fling the condom against a far wall and forgo my chance to come. I pay the slut, grab my clothes and dress on the landing.

DYKE VS. DYKE

PHOTOGRAPHY BY CLIVE McLEAN

Seasoned lesbos Christy and Chanelle perfect their wrestling techniques on the shores of Malibu Beach.

Christy bends her curvaceous opponent's arm behind her. "We'll never win the regional Dyke Champion title if you don't learn how to do the double chicken wing."

"I don't care about becoming a famous wrestler," wails Chanelle. "I only let you pin me in these embarrassing positions so we can spend quality time together."

Chanelle slips a finger into her lover's gooey slit.

"You're so wet, Christy," the prone lezzie declares. "Can't we practice the scissors hold?"

Christy sighs. "All right." The buff carpet grazer holds Chanelle between her muscular thighs. The blond Amazons bump their slick mounds.

"Whoever comes first," Christy whispers, "wrestles the winner."

Curaçao

After dinner, once the old lady's been bedded down for the night, men, taking much-needed vacations from matrimonial quim, hit the strip clubs that start churning up hormones at midnight.

I flee to the relative safety of the street. My shirt sticks to my chest in the overbearing humidity.

In a stroke of bad fortune, I have left the headlights burning in my rented, two-door Fiat and killed the battery; this is the perfect opportunity to grab a Grolsch at a nearby bar and plot the rest of my trip. The island journey has just begun.

* * *

Curaçao is an unsung vacation destination for modern-day whoring pirates sailing the Caribbean. Thirty-eight miles north of Venezuela on the South American coast, the moustache-shaped hunk of land is only 38 miles long and five miles wide. Curaçao, unlike the palm-tree-lined, picture-postcard spots usually associated with the Caribbean, is a desert—a rock, actually. The rock is inhabited by 160,000 mostly black people who speak either Dutch, English, Spanish or a spicy Creole language called Papiamentu.

Settled by the Dutch in 1634, Curaçao remains to this day a prime vacation spot for Hollanders itching to get away from the pot and prostitutes of their homeland.

Throughout the 18th and early 19th centuries, Curaçao was a prime destination for slave traders and pirates. Fort Nassau and Fort Amsterdam are two standing examples of the lengths to which

Curaçao natives went to protect their wealth and women against invading marauders.

Today, Curaçao's most famous exports are the orange-peel liqueur that bears its name and Andruw Jones, center fielder for the Atlanta Braves. Tourism, of course, plays an integral role in the economy.

By day, tourists stroll along Punda, the Caribbean's largest natural harbor, listening to steel-drum music that seeps from every club and storefront. After dinner, once the old lady's been bedded down for the night, men, taking much-needed vacations from matrimonial quim, hit the strip clubs that start churning up hormones at midnight. For the whoring enthusiast, Tasco is a great place to start.

Tasco, like many discos in Curaçao, doesn't feature stripping, but provides tourists with a harem of 50 different girls working their way through college on their backs. Some are svelte, wearing designer jeans and tank tops; others spill their tits out onto the tiny, Formica tables as they chat up foreigners. One girl, the size and shape of the Stay-Puft marshmallow man, wears a skirt that could probably tent a battalion of soldiers. Since the *chiquitas* speak little English, money remains the universal language.

The Dutch guilder is the island's mone-

tary unit. One hundred guilders (about \$53 U.S.) buys sex for an hour. Two hundred guilders leases a chick for the entire night. Locals pay less, but Americans always pay full price.

I shoot tequila at Tasco's bar. Girls peddle pussy over the pounding salsa beat, leaving if no immediate interest is shown. Time, in addition to trim, is money. The more Cuervo I consume, the more weight the fat girl seems to lose. After six shots, every chick is as pretty as Daisy Fuentes.

A hooker wearing jeans and a baggy, denim top approaches. A purse hangs from her neck, covering her stomach. "*Mi nombre es Carmen*," she says. Carmen claims to be a schoolgirl visiting from Colombia. I study the gaps in her teeth and imagine filling each cavity with thick, white, tequila-saturated semen.

Drunk, confident in my atrocious language skills, I teeter toward the whore and whisper into her ear what I plan to do to her. What was intended as a suave pickup line comes out sounding something like, "*Ayaba-miento-en-el-loco-de-coco*."

Carmen smiles sweetly, takes my hand and escorts me from the bar. We stroll like lovers down a narrow alley that in any major American city would have me clutching my wallet and running for my life. On Curaçao, the black figures skulking in the shadows are simply there to protect their investments.

Carmen unlocks a wrought-iron gate that leads to a tiny, wooden door. Inside, a room the size of a bed tops out at 800°. A fan roars at the foot of the bare mattress, and I marvel at its furious inefficiency.

The rented piece of ass kneads my shoulders and urges me to sit as she unbuttons my pants and pulls my trousers to the floor. She tugs the T-shirt off my back and tweaks my nipples. Wasting no time, she removes her purse and then her blouse to reveal large, floppy tits. Her elongated nipples are the size and shape of Nerf footballs and black like French-roast coffee. Long, horizontal stretch marks on her belly reveal either a recent pregnancy or a map to the long-lost treasure of Sierra Madre.

I have second thoughts about renting this snaggletoothed slut's services. Perhaps sensing my disappointment, Carmen quickly rolls a condom onto my cock and taps my shoulder like a tag-team wrestler. She points between her open legs, where her hairy, black-lipped hole looks more like a slumbering tarantula than a warm pussy.

I close my eyes and sink my ship inside her oily bay. I pump for a second, and the hooker's cunt loosens with wetness.

"I love it when you suck my dick. It's the only time when you shut the fuck up."

WAINETINSER.

"Gee, hon—couldn't we just cuddle?"

Curaçao

We attempt conversation to cover that awkward, self-aware moment when a man realizes he's just fucked a hooker and wonders if condoms really prevent the spread of AIDS.

After only a few minutes of high-speed bucking, Carmen reaches down and rubs my nuts, summoning semen like a genie from a bottle. Out of a sense of duty, I blow inside the condom and dismount.

I wipe sweat from my brow and quickly dress in the room's half-light. Carmen smiles again, and we attempt conversation to cover that awkward, self-aware moment when a man realizes he's just fucked a hooker and wonders if condoms really prevent the spread of AIDS. When the half-Spanish chitchat dissolves into a litany of *no comprendes*, Carmen takes my hand and walks me out of the room. She forgoes a pussy bath in her determination to get back to business. Inside Tasco, Carmen kisses me on both cheeks and ships off in search of fresh semen.

I order a victory tequila and bum a Marlboro from a German tourist who, sprawled in a red-vinyl booth, also seems to be savoring the afterglow of a run-in with a whore. A girl tugs on my shirt from behind. I turn, and she smiles. Fucked-out for now, I smile back and shake my head. Another girl pulls on the collar of my shirt and laughs. I smile self-consciously as a steady stream of prostitutes tugs at my shirt and laughs.

In some African tribes, a boy who loses his virginity is then beaten by locals with a

stick to signify his entrance into manhood. I feel as if I've crossed into the realm of manly virility as the hookers tug on my T-shirt with amused, ear-to-ear smiles.

One shot of tequila later, I look down and realize my shirt is inside-out.

* * *

Thanks to the liberal influence of the Dutch, all major vices are well represented in Curaçao. Gambling, drugs and pussy can all be had at the drop of a guilder. Ten minutes from the island's only airport is a cozy place called the Mirage. Known in the 1940s as Campo Alegre, the complex of barracks was a military base until a battalion of scraggly hookers stormed the decrepit shacks to fight the war against blueballs.

Admission to the carnal compound costs two guilders (\$1.10). Inside the cement structure, several rows of rooms reveal a variety of girls—each winking and clicking her lips to attract a visitor's attention. A toothy blowjob can be had for ten bucks; \$30 buys a 20-minute suck-and-fuck.

Condoms accompany all sexual contact, but most girls allow an exterior cumshot as long as the man aims low and spritzes the tits. Hitting a hustler's face—or worse, her hair—is taboo in the pay-per-screw code of conduct.

Curaçao's hookers hail from many South American countries, especially Colombia, Venezuela and Ecuador. Girls are shipped to the island under the supervision of club owners (read: pimps), such as Hector Domingo, manager of the Classy Lady strip club in Curaçao.

"I have friends who recruit girls from the mainland [South America] and send them north," Hector says in halting English. "The girls start here in Curaçao, since it's so close. After they've learned some English from the *turistas*, we send them through the chain."

The chain of hookers starts in Curaçao and winds through Aruba, St. Martin and Costa Rica, sometimes reaching as far north as Key West. After several months slurping semen, the South American girls return home with as much as \$1,000 U.S. in their bootlegged Levis. Many of these working girls will then spend their cock-sucking cash on drugs and clothes. Others save their money to go to school in their native lands or to migrate to the United States and meet up with family members.

Hector introduces me to Rosa, a 22-year-old Colombian hooker who speaks some English. Rosa tells me that she longs to join her mother working in America. "But I need to save enough money for the trip," she says. Siphoning semen, Rosa admits with a gap-toothed grin, beats scrubbing toilets.

The workers inside the Classy Lady are all-night girls, *caliente* señoritas who will fuck the night away in any man's hotel room for \$150. Unlike the hourly workers, anything goes with the all-nighters, including facials and anal sex. The downside? The lucky stud has to wait until the girls' stripping shifts are over—usually after 4 a.m.—to initiate a one-on-one.

Onstage at the Classy Lady, an 18-year-old, Colombian girl, sporting a rose tattoo an inch above her clit, wraps her bare legs around a greasy, brass pole. She performs a nine-song, fully nude set that features only one song replayed over and over: Shania Twain's sappy "You're Still the One."

The Colombian slut's performance begins with a ceremonial spraying of Moët champagne onto her naked body and climaxes when she shoves the neck of the bottle—tinfoil and all—inside her sparkling, wet pussy. The swarthy men in the Classy Lady cheer, "Bon! Bon! Bon!"

At the end of the night, when the strip-club waitresses announce last call, the dancers turn into hookers. Four in the morning, high on white grain and selecting from the quickly dwindling supply of

An avid outdoorsman, Charles decided to join a fancy hunting lodge. Ned, the lodge leader, offered to show the new member around the club.

"That old man in the chair by the fireplace is Blake," Ned explained. "He can tell you some hunting stories you'll never forget."

Ned asked the elder sportsman to relate one of his famous adventures.

"Back in 1944," Blake began, "I was hunting lions in Africa. I'd been on foot for three days without seeing a thing. By the fourth day, I was so tired, I laid my gun down and fell asleep under a tree. Suddenly, I was awakened by a rustling in the bushes." The old codger leaped from his chair. "I reached for my gun, when the biggest lion I've ever seen jumped out of the brush at me like this: *Rooaarr!* I tell you, I just shit my pants!"

"I don't blame you," Charles marveled. "I would have shit my pants if a lion jumped out at me."

Blake shook his head. "No, not then. Just now when I said *Rooaarr!*"

Mary went to the doctor complaining of body odor.

"Do you wash?" the medic asked the rank young girl.

"Oh, yes," Mary answered. "Each morning, I start at my head and wash down as far as possible. Then I start at my feet and wash as far up as possible."

"Well," the physician concluded, "go home and wash possible."

Question: How do you keep a black man out of your backyard?

Answer: Hang one in the front.

A leather fag walked into a dentist's office, pulled down his pants and spread his ass in the doctor's face.

"What the hell are you doing?" the stunned professional cried. "I'm a dentist!"

"I know," the burly queer replied. "There's a tooth stuck in there."

Bob walked into a diner and ordered a bowl of chili.

"Sorry, mister." The waitress gestured to a man seated next to Bob at the counter. "He ordered the last bowl."

Bob asked for a cup of coffee instead. After a few sips, Bob noticed the guy next to him had finished his lunch, but left his bowl of chili half full.

"Are you going to eat that?" Bob asked.

The man slid the chili across the counter. "Be my guest, pal."

Bob devoured the warm food. After taking three huge bites, he bit into a dead mouse. The man at the counter watched as Bob retched into the bowl.

"Yup," he nodded, "that's about as far as I got too."

Question: What did one pedophile say to the other?

Answer: "Do you have two fives for a ten?"

An attractive woman turned to a man in a business suit standing behind her in a hotel elevator.

"Excuse me," she asked, "are you Donald Trump?"

The man smiled. "As a matter of fact, I am."

"I've always wanted to meet you, Mr. Trump," she gushed. "Would you like to come back to my room? I'll kneel in front of you, pull out your cock, suck it until you have a giant hard-on, then suck it some more until you come all over my face. How does that sound?"

"Well, I don't know," Trump shrugged. "What's in it for me?"

The HUSTLER Dictionary defines *slapadicktome* as: a blonde's favorite surgery.

Finally, the baffled shrink entered the patient's room and pressed his own ear against the partition.

"I don't hear anything," the doctor declared.

"I know!" the patient exclaimed. "It's been that way for months."

CLASSIC SLEAZE

BASKING IN THE GLOW OF PORN'S GOLDEN AGE

ROSE-COLORED RETROSPECTIVE BY DAVID BUCHBINDER
ILLUSTRATION BY HOWIE DARD

Back in the sinning '70s, skin flicks had plots, porn sluts were superstars, and XXX snatch had hair. Videotape laid waste to the era of hard-core blockbusters, then immortalized it.

Golden Age

"The films were full-blown creative productions. They had a plot, they had people who enjoyed the work and had either ambitions or illusions of being actresses."

"We would make an appearance at the movie theater, and there would be 1,000 people standing in line for an autograph. It was champagne, limos, suites at the Plaza Hotel in New York—absolutely gala events and real movie-star stuff. I don't think that era will ever be again."

—Marilyn Chambers
Legendary Porn Superstar

"People were just having a great time. It was very free. When *Sodom & Gomorrah* came out in the mid-'70s, it turned into a massive orgy in the theater—in the women's room and the men's room. People were hanging off the walls."

—John Leslie
Porn Stud of Yore

"In those days, when I did a film, it played for a week or two weeks or three, and then it was gone. I thought, *Well, I'll do one, and no one will really see it.* Never in my wildest dreams did I think that all the stuff I did would be committed to videotape for fucking ever."

—Gloria Leonard
Gash From the Past

In the '70s era of sideburns and polyester, of big hair and wide ties, pornography may have been an enfant terrible, but

it was considered a genre of film.

"The films were full-blown creative productions," says Sam Stetson, a widely regarded porn historian. "They had a plot, they had people who enjoyed the work and had either ambitions or illusions of being actresses. Today's market is flooded with inferior product. Distributors literally don't care about content as long as it sells. They may as well be selling potatoes."

Why would a shift in technology from 35-millimeter-film cameras to video stock trigger a cataclysmic decline in quality?

Video-made filmmaking is too cheap for its own good. Ambitious productions became prohibitively expensive, and distributors found they could demand low prices for product.

Twenty years ago, a videotape might fetch \$60 wholesale. Most videos today sell for between \$10 to \$15. "If that's all you can get from the distributor, you can't be dumping a hundred grand into production," says Jim Holliday, a historian of porn and a house director at VCA.

Point-and-shoot video cameras don't require even a minimum of filmmaking skills and the professionalism that goes with film production. "In the old days, you couldn't be a warehouse guy one day,

and become a director a month later," says David Christopher, a golden-era auteur better known to '90s porn purveyors as Pussyman.

A love scene: Annette Haven, wearing only a diamond-studded choker, lies intertwined with Paul Thomas on a canopy bed. In the background, gold-striped, beige-velvet wallpaper conveys pure class.

Haven tenderly fondles and strokes Thomas's cock. A piano tinkles. Thomas traces loops on Haven's pink nipples and gently squeezes her pale breasts, then strokes her face with the back of his hand.

The piano music crests. Flutes reach into high registers. Haven mounts Thomas's bone. Her black hair teases her shoulders. Thomas kneads the milky mounds that are her breasts.

Cut to: An extreme closeup of Thomas's pork plunging into Haven's cunt. A spotlight, most likely a flashlight, wanders across the point of contact, throwing garish light on the glistening pudenda, leaving other regions deep in shadow. Thomas blows a gooey load of sperm onto Haven's wooly bush.

—*True Legends of Adult Cinema: The Golden Age*
VCA Platinum

Perhaps out of an abiding nostalgia for corny plots and tacky furniture, perhaps due to the cult worship of blue-screen divas, today's distributors do a brisk business in classic films. Compilation lines, particularly VCA's *True Legends of Adult Cinema*, lead the pack.

"This particular series tends to sell very well," says Ed Kail, sales manager for VCA, who notes that, industry-wide, reliable sales figures are hard to come by, but by any measure, the *True Legends* line sells well.

"The public is very curious and has certain stars they want to see," Kail lists Marilyn Chambers, Annette Haven and Vanessa Del Rio as the starlets customers continue to ask for.

"Everyone's looking for Seka," he adds. Names that once graced the marquees of X-rated-movie theaters still put money in the bank.

"You put John Holmes's name on something, it sells," says Ken Lassiter, a merchandiser for Adam & Eve, the largest adult-mail-order outfit in the country.

"There's a collector out there for everybody," says David Naylor, owner of the four-year-old Alpha Blue Archives, a mail-order company based in Oakland, California. About 95% of Alpha Blue's

Maxine probes her wet gash. "Yesterday, I pulled into a gas station. A sweet, older man filled my tank. I explained that I didn't have any money. I led him to the men's room, knelt by the urinal and gave him a long, slow blowjob." Maxine sucks on her pussy-slick finger. "He was nice enough to clean my windshield; so I swallowed his load. That hummer gave me enough fuel to make it to the local campground. The lesbians in the next site were happy to share their firewood with me in exchange for a fisting session." The lusty hippie reflects on her unconventional lifestyle. "Not everyone on the road has something to trade. Sometimes I'm forced to accept cash for my services." Maxine rubs her swollen clit. "I know money can't buy love, but my pussy is greedy."

stock is golden-age porn. Naylor's customers clamor for titles featuring starlets such as Serena, Candy Samples and Uschi Digart, but Naylor finds that content, perhaps as much as star appeal, drives sales.

Following a string of obscenity prosecutions in the mid-'80s, large porn distributors in Los Angeles County agreed not to depict rape and violent sex. As a result, Alpha Blue enjoys a near monopoly on the hard stuff.

Hardcore, a blood-spattered 1973 hardcore horror/sex film, depicts extreme acts of sexual sadism. In one scene, a man shoots a load of nut juice onto a woman's ass as she is beheaded. *Hardcore* has been out of circulation since its theatrical release, but is available from Alpha Blue.

"Demand is very, very good," Naylor says of the *Best of the Roughies* line. "If I didn't have those sales, I might not be in business."

In a mental-hospital dayroom, a woman in a sacklike dress squats on her haunches. Her eyes pop like a frog's. Paint peels from gray-green walls. A man, his face pale as a corpse, stares from a corner, jerking his cock underneath a white hospital smock. In the background, a manic synthesizer cas-

cares up and down scales. Strawberry-blond ingenue Jean Jennings crumbles in the corner of the cell. She has been admitted by her Catholic parents for smoking marijuana.

That night, three inmates gang-rape Jennings. They cuff her about the head to silence her squealing. Hendrix-style guitar chords and drumbeats crash in the background. Tears roll down Jennings's face; an inmate's long, hippie hair sweeps over his shoulders as he pounds her virgin pussy. A black hand claps over her mouth; another pins her wrists to the bed. Jennings squirms and whimpers and kicks her legs. Before the third rapist can blow a load on her pale belly, Willie the orderly scatters the attackers and injects Jennings with a sedative. "Shit," he says. "I was hoping to be first."

Porn stars may enjoy enduring fame on video, but only the exceptional performer continues to float in the hard-core talent pool over the course of decades.

Woodsmen such as Joey Silvera, Paul Thomas and Randy West had careers as dependable erections that stretch across the breadth of the industry's existence. Thomas and Silvera have moved into pro-

duction, but West, who has appeared in nearly 1,000 films in the past 20 years, is still active. Such longevity is much easier for men to achieve than for women.

Herschel Savage broke into the business in 1976 and starred in *Debbie Does Dallas* in 1978. Savage quit the business in 1987; ten years later, at the age of 42, he decided to come back.

"I'm working all the time," he says. "My age wasn't an obstacle because I'm in shape. I don't look bad, and I perform. That's the bottom line."

As long as Savage has wood, he has work.

Some female golden-age starlets enjoyed long careers as performers, but they are rare. A few porn sluts survive the transition into careers behind the camera, as in the case of Candida Royalle and Gloria Leonard. If the porn industry is a machine, fresh meat is its fuel.

"I only know two women in the business who work regularly who are over 30," says Savage.

"Reality is reality: At a certain age, this is the wrong business for a woman to be in," says John Leslie, the star of hundreds of adult films who now owns his own production company. "If people wanted to see 60-year-old women in girdles having sex, then that's what we'd have. This business doesn't owe anyone anything."

Superstars with a dedicated corps of fans are the only women who can be confident that they will work past their 20s.

Seka, 45 years old, made a comeback film in 1993, *American Garter*, and it sold surprisingly well.

"*American Garter* sold 4,000 units out the door," says Ed Kail of VCA. "That's better than most new releases." VCA plans to bring another starlet out of retirement, though it won't disclose whom, later this year.

Marilyn Chambers, 46 years old and the single mother of an eight-year-old daughter, finished filming *Still Insatiable*, her first hard-core film since 1983, in 1998. In 1972, Chambers's likeness was chosen to embody cleanliness and purity on the Ivory-soap box. That same year, 99% pure slut Marilyn Chambers began her X-rated film career, starring in *Behind the Green Door*.

"I hate the term *comeback*," says Chambers. "I never went anywhere."

"When this film comes out, there's going to be plenty of people who are saying, 'She's too fat. She's too old. How dare she do that? Who does she think she is?' As long as it sells, and I'm sure it will, I don't care."

Golden Age

"You don't have stars anymore. In the old days, you didn't have

5,000 girls in 50,000 movies. No one's going to remember today's girls."

Chambers's celebrity has not yet faded, even if she is heavier and has more wrinkles and saggy boobs than the regulation XXX-Barbie clone sucking dick for a living.

At the recent Consumer Electronics Show in Las Vegas, Nevada, the biggest porn-related event of the year, the line of fans at the VCA booth for Chambers's autograph was large even by CES standards.

Chambers worries for the current crop of porn starlets.

"They're relying on this being a full-time, lifelong career, which is really a sad mistake," she says.

As the nature of porn stardom changes, today's crop of fuck bunnies may not have cult status to fall back on when they are forced into early retirement.

"You don't have stars anymore," says David Christopher. "In the old days, you didn't have 5,000 girls in 50,000 movies. No one's going to remember today's girls."

Posterity may enshrine Jenna Jameson with legendary status. Possibly Shane will stand out in the crowded porn-star field. Marilyn Chambers achieved renown by taking John Holmes's gargantuan penis in her ass. Today's porn chicks match that feat five times before

breaking for lunch in a ho-hum day at the mattress, and no one blinks an eye.

"I feel bad, because I know what's going to happen to them," says Chambers. "They're going to be 35; they're not going to be able to work; they're going to drink and do drugs. It's not a pretty sight."

"Believe me," Chambers adds, "fame is fleeting."

A woman wearing a feathered head-dress rides a motorcycle through the doorway of a stone mansion; a string of nubile nudists follows her into an S&M costume orgy.

Seven-foot-tall, balding, malevolent Enfil Von Bergdof walks out of the darkness and up the stone steps into a trap. Among the revelers are the three women he has raped since his release from San Quentin. John Leslie and his hooker friends are bent on revenge. Bergdof wears a mask and carries a battle-ax. On the way in, he smacks a chick hanging hog-tied from her feet. "Thank you, sir," she says. Bergdof skulks around the perimeter of a daisy chain of cunt lickens and pole smokers.

Desiree West, with a big, puffy Afro and a strap-on dildo, jerks Bergdof's cock. Distracted, Bergdof allows a collar to be fixed around his throat.

A midget in diapers, wearing a bonnet and sucking a pacifier, relieves Bergdof of his ax.

The whores Bergdof has raped chain him to the floor, straddle his torso and piss on him. Another squats over his groin and dumps a load of shit. A vibrator is jammed up Bergdof's ass, and the revelers dance around his defiled body.

There is no Hollywood Squares for retired porn queens. What happens to XXX stars when they stop making films?

"The one question I try to avoid is, where are they now?" says Jim Holliday. "They don't particularly care for it to be known where they are."

"I don't think anybody who became a personality in the '70s regrets it now," says industry veteran Bill Margold, who now heads Protecting Adult Welfare, "but they certainly don't need to be reminded of it."

Most veterans of the jizz biz fade into anonymity, but for some, just fading away is not a decisive-enough break with the sleaze trade.

One member of the porn pantheon, who now lives in San Francisco, staged her own death. "I'm not gonna say who she is, because she's the one whose Web site says she's dead," says Carol Queen, who recently tried to round up golden-age performers for Beyond Boogie Nights: A Tribute to the Golden Age of Porn, held at San Francisco's Castro Theater. "She has a posthumous fan club while she has a life. I asked her if she wanted to come back from the grave, but she didn't want to do that."

"Let's face it: Most little girls when they grow up dream about being married," Queen adds. "Most little girls don't dream about being a porn star who is both idolized and vilified."

Beyond Boogie Nights was organized by Good Vibrations, Queen's San Francisco-based sex store. A panel of "Golden Age luminaries," as well as clips from 20 classic-porn movies, promised to bring lost legends back into the public eye.

The Castro Theater in San Francisco is the rococo antitheses of the sticky-floored Pussycat theaters, but on November 5, 1998, blue movies played in sperm-splattering glory across the Castro's big screen.

Splooge is notably absent from the Castro's plush, red carpets and red-velvet seat backs. On the walls, epic frescoes

Curaçao

(continued from page 72)

South American girls, I eye a short blonde with small tits and a perky ass. Her nom de plume is Madonna. Indeed, she sports a tiny, upper-lip mole and a dangling crucifix. This material girl rents out her cunt for 200 guilders a night.

I call a cab, and we ride to the Sonesta Beach Resort. Inside my room, I suggest through sign language that we shower. Madonna mixes a rum and Coke from the mini-bar and peels off her black short-shorts. Her ass is firm, in that bubbly, Brazilian way, and looks even more luscious when thoroughly soaped.

On the bed, I spread the girl's stout legs and plunge inside her young, tight pussy. I'm paying for this; so why bother with foreplay? Madonna tweaks my nipples, a recurring custom with the island girls. A tingling shoots down my spine, and I return the favor by tickling her asshole with an outstretched pinkie.

Madonna's mouth makes a perfectly round target as she moans phony cries of ecstasy. "Si! Si! Si!" I pull out, tug off the condom and shoot my alcohol-thinned semen onto her lips, obliterating the tiny, black mole with creamy whiteness.

Trickles of white paste cling to Madonna's chin as she hops off the bed and saunters to the bathroom to gargle and spit into the sink. She flips off the

light and climbs into bed, curling around me like a lifelong mate basking in cozy afterglow.

Three hours later, we wake. I rub my callused hands against Madonna's soft breasts. She senses my urge and grabs my cock, stroking and suckling the shaft beneath the sheets. I feel the rum and the whiskey and the tequila and the beer swirling in my gut. I try to remember if I have ever vomited on a girl before.

Madonna pokes an elongated nipple into my peehole, then sucks the sensitive tip. Her tongue races around my helmet and, within seconds, I blow. When Madonna comes up for air, a line of spum hangs from her neck like stalactites in a cave.

"Otra vez?" she wonders as I shimmy out from beneath the now-sticky sheets. I lie on the floor, and the girl sits on my still-hard cock.

Madonna rides the rocket, thrusting back her head as if slit at the throat. She feels my cock convulse and spew what's left of my sac sauce into the Trojan. The hooker bends forward and kisses my cheeks. I return the favor, licking the salty stuff still clinging to her chin. I exhale deeply and say for no reason, "I love you."

She smiles and returns to the bathroom to rinse, spit and dress. It's 10:30 a.m. in Curaçao, and, for Madonna, it's bedtime.

Golden Age

(continued from page 106)

framed in gold leaf give way to red velvet. A grandiose chandelier reigns overhead.

A black-tie celebrity reception is held in the Castro's dimly lit upstairs balcony. The only formal wear is worn by the Latino waiters passing trays of hors d'oeuvres. Celebrities are in curiously short supply.

"You're looking at two of the legends," declares Annie Sprinkle, arm-in-arm with woodsman Jamie Gillis. Sprinkle sounds a tone reminiscent of Norma Desmond laying claim to her lost glory in *Sunset Boulevard*.

The voluptuous Sprinkle, who starred in dozens of films in the mid-'80s, has reinvented herself as a performance artist. Gillis, who now directs, laments the fact that while his number is listed in the phone book, no one calls.

"Don't my nipples look good?" asks silver-haired Juliet "Aunt Peg" Anderson, an early-'80s *Swedish Erotica* cast member. Her 60-year-old breasts still flash high beams in her aqua blouse. Anderson has come to the Castro to chat with old colleagues and reminisce about the blowjobs, fistings and rape scenes of yore.

A bald, tattooed grunge punk stands with a spike-haired chick wearing a metal-studded dog collar. The two nurse matching beers and scan the crowd. They have paid \$50 for VIP tickets and want their money's worth of porn legends.

"I think that's Richard Pacheco," the punker says, pointing toward a man wearing a leather trench coat.

An entirely different person on the other side of the room, Richard Pacheco is tan and fit, in a pinstriped, black sport jacket. He has starred in nearly 100 porn movies, and he carries an air of celebrity, but Pacheco is effectively incognito.

"If you call my house and ask for Richard Pacheco, my kids will hang up on you," he says. "They won't know who that is."

Aunt Peg actively pursues anonymity as well. "I would prefer my neighbors not know who I used to be," she says flatly. "I'm this nice, mature grandmother type, and I want to keep it that way."

Over the course of a reception and a panel discussion, only seven golden-age performers are seen in the flesh. More than seven people were fucking during those storied years, but today they can best be found standing in racks in the adult sections of neighborhood video stores, where the legends of the golden age and the freewheeling spirit of the times are perfectly preserved in the formaldehyde of videotape.

See how
really hot it can get South
of the Border. It's
the spiciest sex you will ever see when a
fiesta becomes a full-tilt, all-night orgy! Topless with skirts a-twirling, the Latin
maidens swoon, wink and get down! Directed by award winning director Paul
Thomas and starring Celeste, Tiffany Million, Madelyne Knight and Nici
Sterling. This shot-on film full-length feature is too good to miss. Watch Alicia
Rio maintain her status as the 3-Way Queen, getting frosted in the process.
A \$29.95 retail value, all you pay is postage and shipping charges of \$5.95.

**SENTRY
PROLONG RING**

HOW CAN THE SUPRA-12 DUAL SYSTEM INCREASE PENIS LENGTH & THICKNESS?

The phenomenon of male erectile response occurs when external stimulation, applied to the glans and penile shaft (see fig. 1) produces increased blood flow into the special muscles which reside in the penis. The increase produces turgidity and engorgement with a corresponding increase in thickness and size until the muscles are at full capacity. By increasing capacity, the muscles can hold more blood, producing a **SIGNIFICANTLY LONGER, FATTER, and BULGING ERECTION**. This is the principle behind the SUPRA-12, and it is simplicity itself! By using the system and all the components supplied, and following the simple directions, any man CAN ENJOY ASTOUNDING RESULTS in augmenting his natural penis size to the **VERY MAXIMUM DIMENSIONS** of which he is capable!

**THE SENTRY PROLONG RING - THE
MARVELOUS "BONUS" OF THE SUPRA-12
SYSTEM THAT ALLOWS YOU TO "HAVE YOUR
CAKE AND EAT IT TOO!"**

No penis-building system is any good unless it allows you to enjoy **LASTING INCREASES IN SIZE, right?** This is where the beauty of the sensational new SENTRY Prolong Ring comes in - it allows you to maintain your **NEW BULGING SIZE**, and enjoy your hard, virile erection, for a period of time that will astound you - erection control for as long as you want! Not only that, but the SENTRY is simplicity itself; sits quietly at the base of the penis, and never interferes with penetration, the SENTRY is your secret ally in pleasure, allowing you to have intercourse, penetrating to new depths, with an amazing new level of rigidity never attainable before. And then its removed in a flash. All this control literally at your command, at your fingertips!

**THE BEST OF BOTH WORLDS: ULTRA-MODERN
TECHNOLOGY AND GOOD OLD-FASHIONED VALUE
- SUPRA-12 GIVES YOU BOTH!**

It's a fact: Other, inferior systems have half the features as Supra-12, but sell at twice the price, at the very least! Made in the U.S.A. these state-of-the-art vacuum pumps are equal or better than those prescribed by doctors that sell for up to \$430. **ACCEPT NO SUBSTITUTES!**

**NEW, IMPROVED
ELECTRIC MODEL**

PENIS ENLARGEMENT

DR. BROSS COMPLETE SYSTEM

You can have a longer, thicker and harder penis now! Our customers tell us 9 inches... 10 inches... **EVEN A BIG 12 INCHES IS POSSIBLE!**

The world's largest selling
Penis Enlargement System
used successfully for over 30
years with over 15 million
satisfied customers.

Easy To Use!
Fast Results!

**HERE IS WHAT THE
DR. BROSS PROFESSIONAL
PENIS PUMPS CAN DO FOR YOU.**

**CERTIFIED
AND APPROVED
FOR PENIS
ENLARGEMENT
BY DR. BROSS**

Increase penis thickness and length ■ Stimulate a harder
and more powerful erection ■ Exclusive design maintains
your erection (use my exclusive Comfort Fit Erection
Prolong Ring for extended sex) ■ Increase confidence, sex
drive and sexual performance ■ Intensify your orgasm.

The Dr. Bross Penis Enlargement System exclusive features not found on any other pumps.

- Our Exclusive **Power Vacuum Controller** adjusts the right amount of vacuum for your penis enlargement.
- Exclusive Injection molded totally enclosed **Vacuum Seal** clear cylinder **Guarantees 100% Vacuum** and no air loss.

**Our 15 million customers tell us the
Dr. Bross pumps are #1**

We receive thousands of letters from satisfied customers - to many to print here. This is a typical letter from a satisfied customer.

"I wasted a hundred dollars on a couple of pumps. One broke right away and the other didn't do a thing. Then I tried the Dr. Bross Trigger Pump and it was absolutely amazing! The pump did exactly what you said it would do, enlarge my penis. I'm a very happy man and so is my wife. Thank you very much."

- Bob R., Chicago, Illinois

Adult video actors tell us the Dr. Bross Pumps are #1 Here is a letter from adult video actor Jon West

"The Dr. Bross pump is fantastic. I use it and so do many other adult video actors. For total penis enlargement to make you thicker and longer it is the only pump to use. It's not a toy masturbator like the other pumps. The Dr. Bross pump is 100% for penis enlargement."

In addition to customer satisfaction, an independent testing company says Dr. Bross Penis Pumps are #1

Tests determined the effectiveness and reliability for each pump. A large number of penis pumps failed after only less than 100 strokes. Tests measured the amount of vacuum created and sustained or if there were leaks due to air loss.

■ The squeeze bulb pumps and the centric or center push pumps vacuum was not sustained because the pumps are attached to a straight cylinder with glue where air leaks would occur.

■ The electric pumps use a fish aquarium motor converted from blowing bubbles in water to suck air. The vacuum created was minimal and not the vacuum needed for penis enlargement.

■ There were two battery pumps tested. The Dr. Bross pump has a removable motorized housing so the clear cylinder could be cleaned separately. The other battery pump is one piece and when cleaning the cylinder would cause damage and rust to the wires, battery and motor.

■ The Dr. Bross exclusive power vacuum controller is included in all their pumps and creates and sustains the vacuum needed for penis enlargement. This feature is not found on the other pumps.

■ The Dr. Bross cylinders are made of the highest quality injection molded clear Resin-K for strength and to easily view the penis enlargement. The cylinder is totally enclosed to prevent vacuum loss. The other manufacturers cylinders were cloudy and the plastic was cut from straight raw stock and glued to the pumps.

■ After all of our tests we have determined that the Dr. Bross penis pumps are far superior to any other vacuum pumps for penis enlargement.

■ For the most features the Dr. Bross trigger penis pump was rated number one of all penis pumps.

Dr. Joel Bross is a noted sex therapist, clinical sexologist in private practice since 1974. He specializes in sexual concerns for both women and men. He is responsible for the production of numerous educational sex videos.

All of Our Pumps Are Made in the U.S.A. www.metco.com

Insert the small soft penis into the clear cylinder. The exclusive cylinder ring makes a perfect vacuum seal.

Start the pumping and immediately you will see your penis grow thicker, harder and longer. Watch your penis grow to mammoth dimensions.

Reach your maximum potential up to 12 inches. You are now ready for sex or for extended sex use the Comfort Fit Adjustable Prolong Ring.

Even when the pump is not used the penis "hangs" thicker and longer.

As an added bonus, we include **FREE** the Dr. Bross Penis Enlargement Photo Album and Penis Enlargement video. Actual photos and videos of users enlarging their penis.

Claire

The World's
LONELIEST
Profession

PHOTOGRAPHY BY JOANIE ALLUM

For high-end callgirl Claire, having massive, well-formed breasts is a blessing and a curse. "I know how to fuck," brags the busty professional, "but my clients spend more time between my tits than my legs. Bill inherited a small fortune, but he's still pure West Virginia white trash. His idea of screwing is to spread lard over my knockers and have me press them together till there's a greasy tunnel for him to slide his cock through." Claire sighs. "Ted is romantic. He sucks my nipples while I'm wearing tight sweaters. By the time I'm ready to fuck, Ted has already shot his wad in his pants." Claire pulls a stocking up a long, muscular leg. "I'm lucky that my breasts help me earn a living, but I wouldn't mind finding a man who'll spend a little time and money on my snatch."

OUR 34TH YEAR OF MAKING PROFESSIONAL

PENIS ENLARGEMENT Systems

YOU TOO CAN GO FROM MINISCULE TO MAMMOTH & HAVE ERECT MEASUREMENTS UP TO 12 HUGE INCHES!

It's Effortless... Fast... Foolproof and Affordable!

THE SUPRA-12 PENIS ENLARGEMENT & ERECTION BUILDING SYSTEM IS DISTRIBUTED & SOLD IN 68 COUNTRIES SINCE 1965 & IS USED BY OVER 16 MILLION SATISFIED MEN!

THE TWO MEN BEHIND BRISTOL MEDICAL

Lee Conner, B.S. M.A. in electrical engineering. The founder and CEO of Bristol Medical. Along with Dr. Ruffin, he has developed the SUPRA-12... the world's leading vacuum pump.

Dr. Andrew Ruffin, Ph.D. A published sex therapist and sexologist for over 30 years, has produced 6 sex education videos. Developed many products for sexual dysfunction.

WORKS ON NATURAL PRINCIPLES... NO GUESSWORK... NO MUMBO-JUMBO!

The male erection is produced when blood flows into the special *bulbocavernosus* muscles inside the penis shaft. As these muscles fill, the penis increases in diameter and thickness. By increasing their capacity as the SUPRA-12 does, they can hold more blood, resulting in a **DRAMATICALLY LONGER, THICKER ERECTION**. Users of SUPRA-12 say they're "truly astounded" when they see their penises reach startling new proportions inside the chamber of the SUPRA-12. **And you will be, too!**

THE SUPRA VALVE & SENTRY PROLONG RING ARE FEATURES NO OTHER MANUFACTURER OFFERS!

Getting a huge, fat erection is one thing... keeping it is another! That's where the features of the SUPRA put it miles ahead of its competitors! The patented SUPRA Valve "locks in" the vacuum power for the biggest size possible in the shortest amount of time. Don't be fooled by claims of "more vacuum." Too much can cause medical problems. Every SUPRA-12 pump passes stringent quality control and is tested according to medical standards - no more - no less. And with the SENTRY Prolong Ring, you can stay as hard as you want, for as long as you want. **IMPORTANT!** All professional medical vacuum pumps (including \$500 models) include prolong or tension rings. Our Sentry fits any size penis, and there is no hassle in removal or pulling of the pubic hair as in others. The nearly invisible SENTRY rests comfortably at the base of your penis, maintaining your dynamic "super erection" indefinitely, but never interfering with your pleasure - EVER! You can penetrate your sex partner deeply, enjoying intercourse more than ever before, because the Sentry **GIVES YOU COMPLETE ERECTION CONTROL!**

ACKNOWLEDGED SAFE & EFFECTIVE... AN INCREDIBLE VALUE... 5 MODELS TO CHOOSE FROM!

According to U.S. News and World Report, our Vacuum Pumps and Erection Rings are "simple, safe and effective" (8/24/92). The SUPRA-12 is the World's Best Selling line of Penis Enlargement and Erection Building systems, and at a price that is an international "Best Deal!" Similar systems, when prescribed by physicians, can cost between \$300 to \$650 or more! That's why the SUPRA-12, with the patented SUPRA Valve and SENTRY Prolong Ring, is such an incredible value!

HUSTLER®

STAR-SPANGLED PUSSY

July marks HUSTLER's 25th Anniversary. To celebrate, HUSTLER showcases independent, free-thinking sluts. Alana is a blond lounge pianist whose nimble fingers have a mind of their own. Witness Alana tickle her ivories to an explosive crescendo. Pam is a spirited brunette who masturbates on top of monkey bars while the school children she cares for take their nap. Curious Kelly learns the ins and outs of what a vibrator is all about. Bruno finds relief by exploring his girlfriend Goldie's fuckholes in a cloud of steam at an exclusive spa. Power dykes Vanessa and Jena submit to each other and learn to share double-dong love. The sexual revolution marches on in the 25th Anniversary Issue of HUSTLER. Prepare to polish your rocket's red glare.

LARRY FLYNT'S LEGACY

Twenty-five years ago, HUSTLER began. Larry Flynt opened Pandora's box for all the world to see. Spread-eagle HUSTLER Honeys paraded their proud, pink pussies, and a new chapter of sexual freedom was written. After 25 years, HUSTLER is the best it's ever been. Larry created an empire that not only pushed the boundaries of sexual expression, but also challenged sociological and political realities; this is true now more than ever. In his most candid and comprehensive interview to date, our man Flynt takes a thoughtful look back at 25 years of publishing America's Magazine. What's in the cards for HUSTLER's future? How far does Larry plan on pushing the limits? Find out in HUSTLER's 25th Anniversary Issue.

VEGAS PORN-MOOK SOUP

Porn babes and Chinese computer-geek mooks join forces in an unholy alliance during CES—the Consumer Electronics Show in Las Vegas, Nevada. Every year, CES gains momentum as this convention of adult-video and Internet-porn providers assembles and hawks precious pussy products. HUSTLER's man in the know explores this electronic Sodom and separates the grade-A poontang from the porn-mook slurry.

PURPLE BONERS MAJESTY

HUSTLER has had a profound impact on readers in the 25 years it has been in existence.
