BITS and PIECES

ASSHOLE OF THE MONTH

A mind, it's said, is a terrible thing to waste. It's perhaps even more disgraceful to leave a perfectly healthy cunt unused during its sexual prime. Allowing both brain and snatch to lie fallow, however, is a truly unpardonable sin, and one that earns Wendy Shalit HUSTLER's Asshole of the Month for March 2000.

Shalit, the virginal 24-year-old author of *A Return to Modesty: Discovering the Lost Virtue*, does not have a countenance that readily induces hard-ons. She looks like a demented crossbreed of Mr. Ed and Howdy Doody. Conventional wisdom dictates that Shalit hone her social graces to compensate for her aesthetic shortcomings. She would be best served to realize, like other similarly disadvantaged women, that a wet, open hole, no matter how foul its face, can usually find company at last call.

Instead, Shalit tries to gain acceptance by recruiting fellow celibates. While her own sexless path was forged by a mug that could serve as an effective alternative to chemical castration, Shalit attempts to create no-fuck allies by instilling them with a sense of shame.

Shalit first gained attention with a jeremiad about the coed bathrooms in her college dorm, published in the dilapidated literary journal *Reader's Digest*.

Who could have guessed that a potty-shy broad could smear her shit on a national audience with such zest? "Being told how to conduct one's personal life is extremely irritating," Shalit writes. Readers of *A Return to Modesty* immediately realize *how* irritating. In Shalit's arid-snatch worldview, sexual relations outside of marriage are the result of societal coercion; women who satisfy their sexual urges are only reacting to a culture in which, Wendy baselessly claims, "a girl who wants to say no now has no support."

For this faulty argument, Shalit has an equally faulty solution: Turn back the cultural clock to a time when sexual repression was the norm and institutionalized celibacy spared eyesores such as Shalit the pain of sexual exclusion. "Maybe instead of learning to overcome repression, we should be prolonging it," Shalit snarls. "Respect for modesty made women powerful." This theory may surprise many women who labor under the practical impression that the right to voice their own opinion makes them powerful.

Like any embittered snatch, Shalit lays blame for her sour puss on men. "If sex is not a sacred thing, if it's something that you can talk about and not have any hang-ups about, I think you're going to have a very difficult time civilizing boys."

Shalit's conjuring of a fictional Shangri-la of the past underplays real problems faced by women. She makes the asinine assertion that rape is a function of bad manners and faults sex education for an increase in rape, when it's actually the reporting of rape that is increasing—a positive development.

A reported virgin, Shalit's qualifications as a sexual-relations pundit are beyond shaky. In lieu of personal experience, *A Return to Modesty* culls the majority of its "data" from such scientific journals as *Cosmopolitan* and *Mademoiselle*. Was Shalit schooled in journalistic integrity by her sister Ruth, whose own writing career crashed amid charges of plagiarism?

Like the glorified asswipe it is, *A Return to Modesty* eventually scours the bullshit from Shalit's strained argument, revealing her true crusade: "In the past...[women] had an implicit agreement not to engage in premarital or extramarital sex with men. This made it more likely that men would marry and stay married to them," posits she-beast Shalit. She's right that no man would wed her unless he desperately, blindly needed pussy.

Shalit's zealous crusade for marriage through subterfuge reaches its grim zenith in an article penned for the *National Review*. Many female readers were no doubt surprised by Shalit's discovery that *Roe v. Wade*, far from being a landmark leap for women's rights, actually cheats females by robbing them of man-trapping leverage. Apparently, a chick's control over her own body is less important than getting knocked up and pressuring someone into marriage.

Sadly, in her quest for a blueballed sucker, Shalit assumes the role of generational spokesperson."We are turning [women] into lemons which boys cast aside, and then everyone wonders why they are so sour." No need to wonder why Wendy Shalit is so sour; an Asshole is never sweet.

FARTS IN THE WIND

Jesse Jackson: Protesting what he saw as the unfair expulsion of brawling high-school students in Decatur, Illinois, Jackson forced the entire school shut for two days and threatened to "stage mass arrests" if the school board didn't reverse the expulsions. Asked why he was troubling himself with the boondocks dilemma, Jackson replied, "Why was Jesus born in Bethlehem and not Rome? God does big things in small towns." The question of where this Asshole attained his messianic sense of self-importance, however, remains a mystery.

Newt Gingrich: Gingrich, who vowed to harp on Clinton's Lewinsky-blowjob scandal for the duration of his political career, is less talkative about his own extramarital indiscretions. During his divorce deposition, the former House speaker refused to answer questions about his acknowledged affair with Callista Bisek. Gingrich's silence speaks noxious volumes, like a quiet fart from a sneaky Asshole.

PORN FROM THE PAST

World War II-era sailors came home with stories of Macao's strangely endowed burlesque queen, Danielle Stripedtiger. The legendary stripper offered $50 to any man brave enough to stick his head in her pussy. Or to shave it.

HUSTLER'S FLOG THE HEDGEHOG CONTEST WINNER RAGS ON RON

In November's issue, we asked readers to tell us the best cure for the hairball known as Ron Jeremy.

The winning insult: "Paint a giant bull's-eye on his torso. Then, I want to see sluts on the rag shoot their tampons at him. Auntie Flo's archery lessons, if you will."

The entries ranged from the tempting ("Tar and feather Ron and abandon him, naked, on a city street corner") to the impractical ("Send him into the nearest monkey house with his pecker painted like a banana"). Believe it or not, many readers wanted to see girls pissing, shitting or spouting enema flumes over the hairy pud.

Rachel wins the Grand Prize, a framed patch of legendary Hedgehog hair, for thinking up a lively menstrual show that made porn's inescapable fuzz scuz miserable.

Wilt the Stiff

The NBA's Top Scorer Takes It to the Hole

Basketball's most promiscuous star is now a deep 'Sixer. If Wilt "the Enormous, Black Stilt" Chamberlain was to be believed, he widened the lane on more than 20,000 women. In the '60s, STDs weren't as lethal; so chicks played less of a defensive game and were easier to dunk on. In fact, if the super-scoring Goliath's conquests were laid end to end, we wouldn't be at all surprised. HUSTLER imagines the thousands who cheered at Chamberlain's peak were devastated by the news of his demise. Our condolences.

Fuck Misty for Me

Your Y2K centerfold Misty (*Misty: Nature's Booty,* January 2000) is the perfect all-natural beauty. I'm just sick to death of seeing fake-titted bitches who wear too much makeup and clop around in porn-issue stripper boots. Misty is a refreshing sight among the rocks in the great outdoors, naked as the day she was born. Her long legs, honey-brown hair and green eyes made my captain wave. To see her sweat while fingering her honey hole underneath the blazing sun nearly caused me to explode before I could even drop my drawers. I'd love to explore Misty's gorge myself, but if I can't do it, I hope some lucky stud will plow this nature goddess for all the world to see. Thanks, HUSTLER, and keep up the good work.

Hard Torch for Rhonda

Regarding the 1999 Holiday Issue—*wow!* Penetration, ejaculation, a bottle-schtupping brunette and, as always, amazing tits and mouthwatering pussies! I could hardly believe your pictorial featuring Rhonda (*Rhonda: The 12-Schtup Program,* Holiday Issue 1999). She could be a clone of a lover I had a few years ago. I was 54, retired and a widower, and she was 29 and beautiful. I was working on her lawn mower one day, and she bent over to watch me. She was wearing a loose-fitting shirt, and I could see her breasts and nipples. She asked me if I saw anything wrong, and I told her everything looked great. She noticed where I was looking and told me to check out the mower and not her. Several weeks later, her husband was on a week-long trip. She invited me over for a candlelight dinner and, when we were finished, she said she had a homemade dessert. She called me into the bedroom, where she was lying naked on the bed. We were lovers for more than a year, until she moved. Rhonda's photos reignited the torch I was burning for my lover. My memory of her is sweet, and so is Rhonda. —R. A.

Beaver Hunt Cracker Bitch

I recently sent away for a back issue of HUSTLER (January 1999) and was horrified when I flipped to Nicole in your *Beaver Hunt* section. I must express the furious disgust I experienced when I saw this bitch flaunting her racism wrapped in a Confederate flag! Nicole should be fucked to death on top of her bigot-ass Rebel rag. Afterward, burn both pieces of shit! That way, society can dispose of the evil racism spawned when some southern, redneck, chicken-bitch, white-trash fuckhead tries to make himself feel better about fucking his daughter. Those cracker bastards are fucking cowards, and you HUSTLER shits are worse. How dare you stick Nicole's racist picture next to one of a beautiful, black goddess? As a white man, I am offended all around. To think that a piece of prime, black pussy has to be tainted by outdated redneck philosophy makes me sick. For God's sake, don't these southern bigots know that they're rooting for a team that lost more than 100 years ago? Nicole, hear this: The South will *never* rise again! —S. N.
Greenville, Ohio

Misty: Nature's Booty

Calm down, Yankee boy. Nicole is not planning to lead the Confederate Army in an invasion of Ohio, but what's wrong with her beaver-shot inspiring southern dick to rise again? By the way, that beautiful black woman next to Nicole has a name: Mikasa Nouvelle. Let's not engage in reverse racism, S. N.

Sexy Sadie Rocks

My vote for the *Beaver Hunt* contest winner is absolutely and without a doubt Sadie from the HUSTLER 1999 Holiday Issue. Sadie is definitely the best *Beaver Hunt* babe I have seen yet. I've yanked my crank to sexy Sadie so many times that if I drop my HUSTLER on the floor, it'll open to

Mad About Mia

I have finally seen Mia in your September 1999 *Beaver Hunt* section, and she is breathtaking. That birthday girl in her birthday suit deserves more than a mere snapshot in your magazine; I demand she be given a layout opportunity. My birthday is coming up, and I'd love to have Mia blow my candle. I know I don't stand a chance of having my wick licked by that voluptuous angel, but I'd give up a major organ for the opportunity. Please at least share some more visions of Mia in a future issue. —E. R.
Augusta, Georgia

Both Sadie and Mia have been contenders for the Beaver Hunt throne, but with so many beautiful Beavers to choose from, some neighborhood nymphos slip through the cracks. Here's hoping that Sadie and Mia have more than one beaver-shot to share with the world.

Cunt-Leakin' Beavers

The best part of HUSTLER is *Beaver Hunt*. There are some fine cunts splayed open wide in there. One thing is sadly missing: pussies leaking fresh cum. How about printing some shots of freshly fucked women with splooge running down their thighs? —D. R.

Extreme Sex

HUSTLER is the greatest! Your pee-squirting issues have raised the sex lives of my wife and I to extreme heights. After reading about a pee flick in HUSTLER's April 1999 *Erotic Entertainment*, we had to find it. The video made my wife very hot and wet. In the past, my wife has forever felt the need to control herself when climaxing, thinking that ejaculating her love butter was not the right thing to do. She had never told me this before. Now that you have brought this wonderful sexual pleasure out and into the open in your magazine, our sex lives are unbelievable! Before when we screwed, my wife would sit on me and dribble a bit when she came. Since seeing pee in your July '99 issue, she lets loose. She will sit on my dick with her pussy pressing hard, rubbing back and forth. Her dribbles lubricate as she picks up speed. Over and over, she'll rock until she can't stand holding back any longer, and then she rubs herself to an exploding, orgasmic gush of fluid that sprays all over me. It's unbelievable watching her rock-hard body come and quiver. Now she can't wait for future HUSTLER squirting pictorials. So far, we've seen pee in almost every recent issue. Could you tell us what other issues you've featured female cum-squirting in? I would love to collect them all. Thank you, HUSTLER. —F. P.
Murrieta, California

You and your wife are in luck. Check out this month's Erotic Entertainment for an inside look at the latest splash in XXX piss vids. The December 1999 HUSTLER'S TABOO also features an astounding lady who spurts in the shower for her man. If you desire liquid love, the flow forever dribbles in HUSTLER'S TABOO.

And They Call It Puppy Love

I've seen ads in men's magazines that sell videos with titles such as *Puppy Love*, *Sex Pet* and *Horsing Around*, and I was wondering if these videos are for real, or are they scams? I imagine that they're simply women playing with themselves while riding horses, or couples having sex with Rover in the room. I understand that showing sex with animals might be illegal to some extent, but what about novels based on animals having sex with humans? —B.
Orlando, Florida

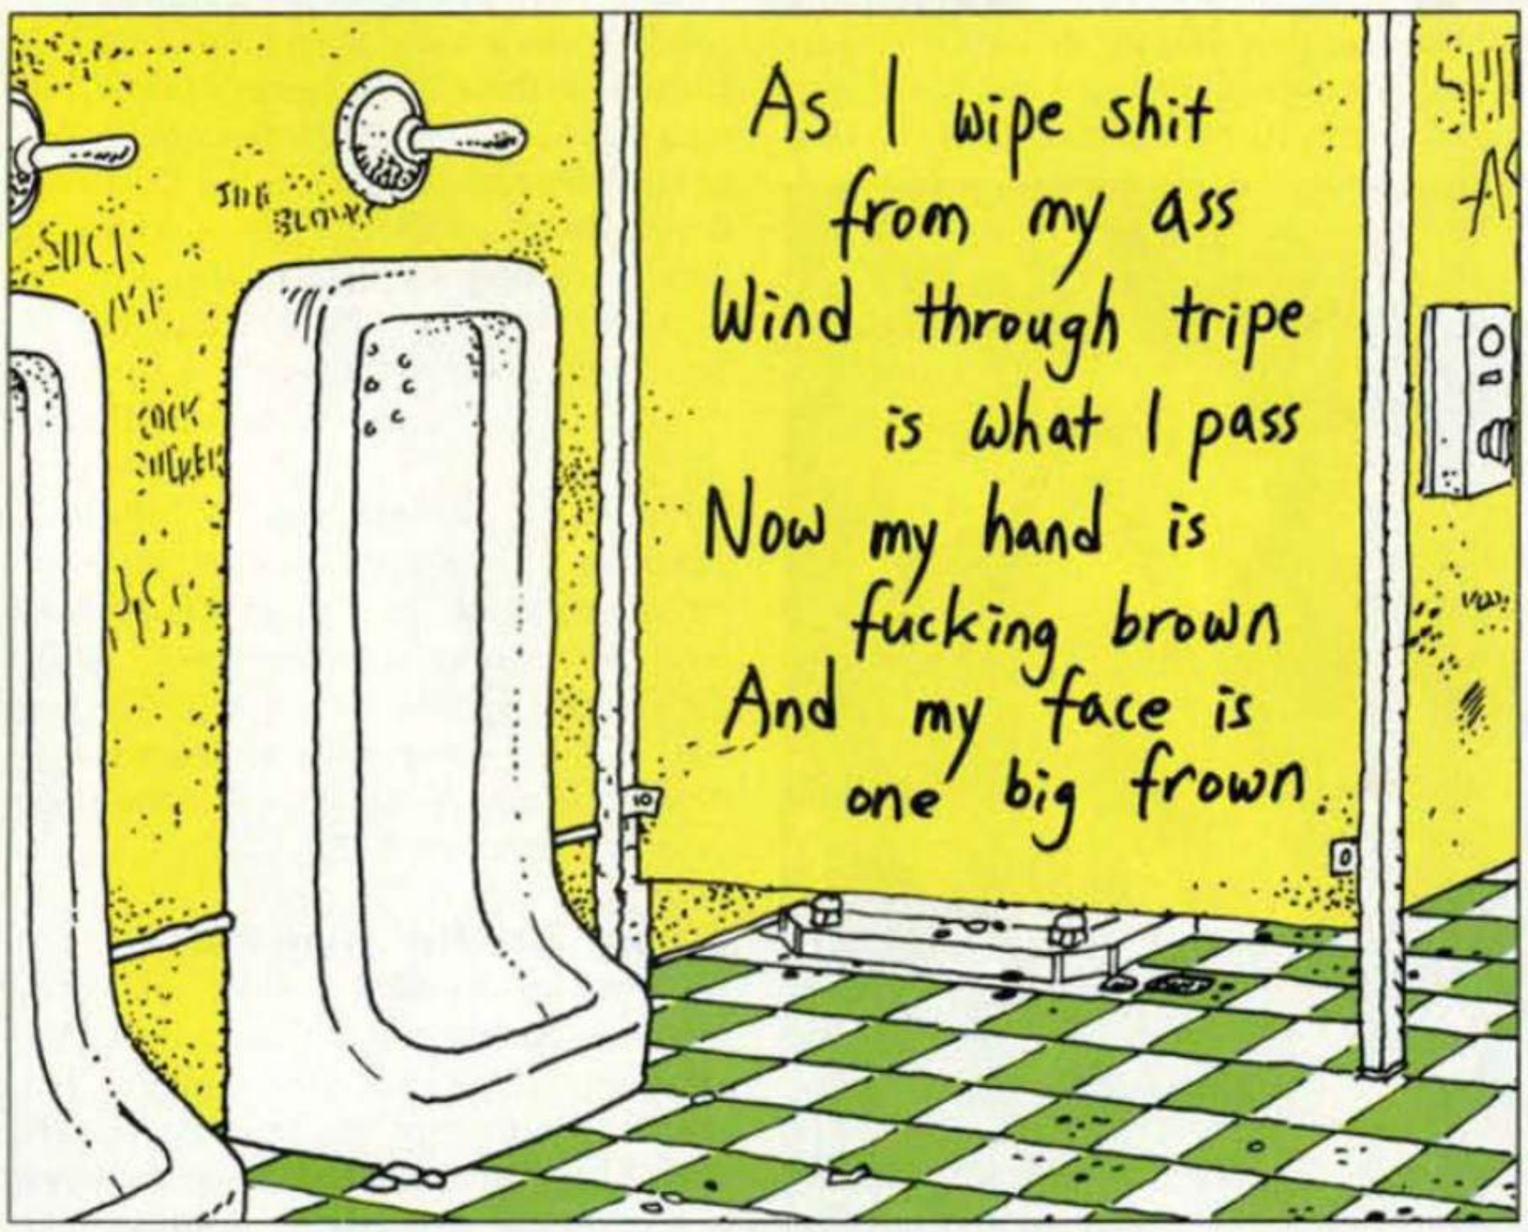

The law dictates that the visual representation of sex acts between man and beast is a big no-no. You are right to think that any ad promising actual intercourse between a lady and her horse is poppycock, unless the damsel is simply whispering into Flicka's ear. Amsterdam may be the only place in the world where you can legally purchase a goat butt-fucking video, if you prefer goats, or dirty dancing with wolves if wolf stuff is more to your taste. Don't try to smuggle it home, because it won't squeeze through customs. As for novels describing romps with Rover; if there is a demand, there is a supplier, but don't be surprised if the ode to puppy love you send away for ends up in the dead letter office.

Pro-Incest?

I have read that, some time ago, HUSTLER published an article on incest that was regarded as almost being pro-incest. I would like to know in which issue

BEATIN' TO A PULP

Like chicks over 30, comic books are a cheap, disposable form of entertainment and a shitload of fun; yet comics have always seemed incomplete, as if some important ingredient were left out of the mix. HUSTLER provides the missing element in the following graphic and novel story.

Dear SLUT

JEANNA FINE TELLS THE FUCKING TRUTH

This month in her regular column, porn legend Jeanna Fine responds to readers seeking erotic enlightenment. She invites you to drop her a line and join her on the fearless quest for the fucking truth.

CLUELESS

I'm 29 years old, and I've been friends with this fantastic German girl for three years. We've never dated or had sex. She's a beautiful girl, and I'd love to be more intimate with her, but I don't want to risk our friendship. What's the best way to ask her to have sex with me? Should I just come out with it? Should I ask her if she would like to see me naked and take it from there? I have a nine-inch cock that any girl would give her eyeteeth to ride on. When we're driving in the car or hanging out at my apartment, should I just take my cock out of my pants in front of her and see what she does? Or simply walk out of the bathroom naked? What should I do, Jeanna? I haven't got a clue. —M. B.

Los Angeles, California

Any of the latter suggestions would be ill-advised, unless your Fräulein makes the first move. This is a tough call. Sometimes wonderful friends can become lovers and lifetime partners; sometimes we lose all of the above, simply because of one awkward misstep or unwanted grope. These are the risks we take in our daily interactions with other people. Blunt and reckless advances will scare your gal away, unless she's shy and she's been waiting for you to make the first move. Trust your heart—your gut instinct—and not your dick, however big it may be; thinking with your cock head only leads to trouble. Let your Teutonic friend know that you're attracted to her and would like to be more than just friends. Be direct and see what she says. Chances are, she'll be flattered that you care so much about her. You may gain her as a lover, remain friends, or both. Good luck!

PIERCED CLIT

My boyfriend introduced me to HUSTLER, and, to my amazement, I've discovered that I even enjoy looking at some of the women in the pictorials. I really enjoy reading the stories, and especially your advice. I've been toying with the idea of having my clit pierced and wondered if you've talked with anyone who has had this done. If so, what are the pros and cons of this piercing? A guy friend told me that puncturing the joy buzzer stops orgasms, but I've chatted with a few ladies with pierced clits on the Internet, and they say otherwise. They say that the piercing makes the clit more sensitive, and that orgasms are easier to achieve and more intense. Which is true? Also, does this piercing take a long time to heal? Is it hard to take care of while healing? I'm asking you because most erotic piercers are men, and I need a woman's point of view. Thanks, Jeanna. —T. S.

Boyne City, Michigan

I met up with this lesbian chick the day she had her clit pierced; her endorphins were pumping, and she was high for two days from the experience. The aftermath of a clit piercing involves an extremely long, drawn-out healing process. Information on the stages of what you can expect and how you must care for your self-inflicted wound is usually available from your erotic piercer. Whether your piercer is male or female doesn't matter; most needle jockeys have seen it all. Of course, you should seek out the most experienced piercer you can find. You only have one clitoris, and it would be more than a shame to mangle its nerve endings. Talk to an experienced erotic piercer and express your need to meet with a woman who has had her clit clamped. The more people you talk to, the more information you will receive to make your final decision.

OLD MAN STROKING

I'm nearing 70, and I still wake up with a stiff prong. I haven't tasted pussy in so long that a mere breeze will cause me to get hard. Even though it's been 15 years

ALEXANDRA AND VIVI ANNE ON THE OUTSKIRTS

PHOTOGRAPHY BY MATTI KLATT

"Nobody knows we're lovers," Vivi Anne admits as she fondles Alexandra's pert tits, "so we try to hold our fuck-and-suck sessions as far away from prying eyes as possible."

"Last weekend, we went camping and barely set foot outside the tent," Alexandra adds. "We came to this dump to try out our new toys."

Each of the girls grabs a dildo.

"Since you already know our secret, we suppose you can stay and watch."

Don't mind if we do.

Dear Slut

(continued from page 18)

The length and thickness of the fingers offer a good indication of cock size and shape, but I have been proven wrong on more than one occasion, to my delight or dismay.

since I've had sex, I'm still virile and capable of fathering a child (or even ten!). On average, I jerk off to completion once a day. Why do most people believe that if a guy is over 65 years of age, he can't achieve an erection? —H. D.
Blount, Tennessee

In our youth-oriented society, media images of healthy, sexually active seniors are rare, if not nonexistent. Movies and TV portray the elderly as doddering, toothless and sexless fools. Your declaration proves otherwise. As long as he remains healthy, there's no reason why a person in the winter of his years can't spew cum. Recent news stories have described nursing homes as hotbeds of sexual deviance. Unwanted pregnancy is a nonissue at that age, and many are making up for lost time after wasting their so-called well-spent youths. Thanks for reminding us all that our sex lives don't have to die before we do.

BIG FEET, BIG DICK?

I'm 19 years old and wear size-13 shoes. I've been told that the size of your feet is directly related to the length of your penis. Large hands are supposed to be a good indicator of dong dimensions as well. I bet there are guys out there who have smaller feet but bigger dicks than mine. The thought makes me feel cheated. So far, I haven't had any complaints about the size of my eight-inch rod, but I was wondering if my man root is still growing? Is it? —D. T.
Spokane, Washington

Some folks continue to grow into their 20s; others sputter to a halt soon after adolescence. Every individual is different and has unique growth patterns. There have been formal studies as well as informal gossip regarding the correlation between feet/hands and dick size. Personally, I find that the best clue is not the size of the hands, but the fingers—that's what I study when I meet a man for the first time. The length and thickness of the fingers offer a good indication of cock size and shape, but I have been proven wrong on more than one occasion, to my delight or dismay. Dwarves are known to have large endowments, despite their diminutive size. I was dying to work with Napoleon, the famed dwarf porn star, but, alas, it never transpired. There are very tall men, like Howard Stern, who have average-sized penises, but, in the context of their gangly bodies, appear small. Your eight-inch buddy is nothing to frown about by any stretch of the imagination; so count your blessings instead of your yardage.

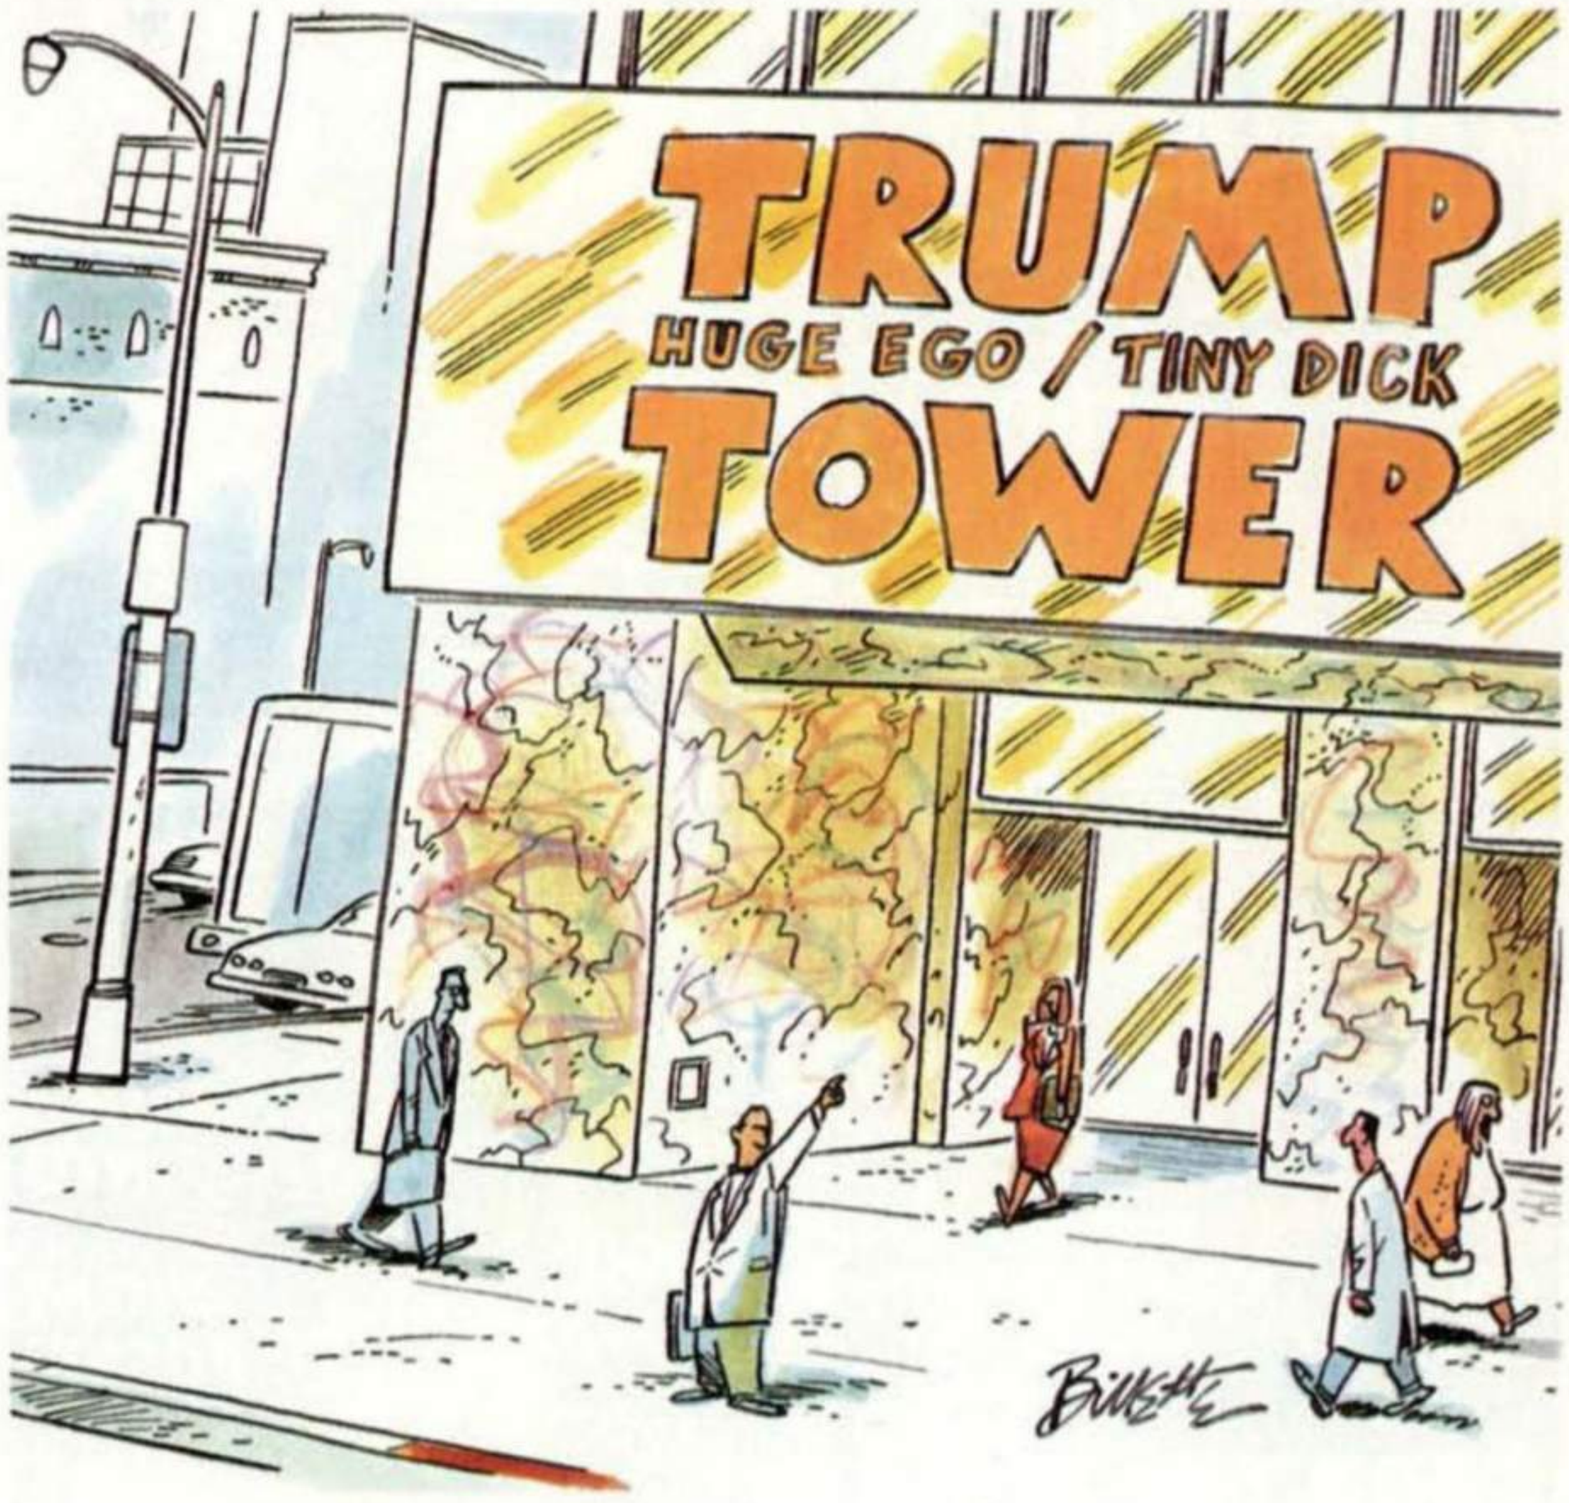

JEANNA EGGS

In the news, I read about an Internet Web site that specializes in selling the eggs of beautiful models to barren couples for in utero fertilization. Some of these chicks are selling their eggs on a regular basis for top dollar so that these couples can have beautiful children. One Web site will soon be offering sperm from male models as well. Would you ever consider offering your eggs for couples interested in producing the perfect future slut?
—R. L.
via Internet

Personally, I have a problem with the concept of selling my eggs to breed future sluts that I would never have the pleasure of nurturing or knowing. That one of my eggs would produce a sex goddess such as myself is highly unlikely—the future horndogs of the world should be so lucky. It's impossible to genetically engineer the perfect slut, just as it is impossible to breed a rocket scientist using a scientist's sperm, or create a beautiful baby using a model's egg. We're talking about a spectrum of genetic fabric here. I guarantee that if you sat down for a Thanksgiving feast with a fabulous runway model, her mom, dad, aunts, uncles, brothers and sisters would not be half as gorgeous as she is. I can assure you that my Thanksgiving feast is not populated by sluts. I find it sad that some people out there are so desperate to engineer beauty that they'll fork over thousands of dollars for the chance of acquiring a pretty kid. Is the child supposed to thank her ugly parents after being crowned queen of the auto-show circuit? Whatever happened to raising children to believe that true beauty is on the inside? I believe that I'm pretty fuckin' beautiful, inside and out. I consider myself blessed. You can't put all your beautiful eggs in one basket. What would be the point? If we were all beautiful, we'd all be ordinary.

FEEDBACK

(continued from page 12)

that article was published and how I could obtain a copy of this magazine. —E. Q.
via Internet

Never heard of such a thing. Have you asked your brother?

Porn Wanna-be

I have spent countless hours horny drunk from viewing the beautiful women featured in HUSTLER. If I wasn't perverted before, I am now. Recently, however, I've suffered some serious disappointment because of your magazine. Back in 1998, I wrote a letter to the editor requesting information on how I could break into the porn industry. Unhappily, I bought a year's worth of HUSTLER magazines (at the newsstand price, I might add) to check every letter in *Feedback*, only to discover that my plea for help was ignored. I never even received a written reply. I am a very sexually talented male. I'm 30 years old, slim-built with black hair, and have a seven-inch cock. I look younger than my age, and I feel that I can survive in the porn industry for at least ten years. Heck, I still get carded for cigarettes! Tiffany Mynx would love to have me, and I could blow T. T. Boy out of the water. I speak of these things not out of arrogance, but from sheer confidence and sexual energy. I demand a shot at the spotlight, and I will do anything—I mean *anything*—to prove that I'd make an exceptional porn star. At first, I thought that HUSTLER was not answering my letter because it was petty and insignificant, but I was wrong. In your May 1999 issue, you guys responded to a letter from a lesbian desperate for a mate ("Desperately Seeking Hot Lesbian Lover," *Feedback*, May 1999). You even said that "maybe, just this once, we'll finagle some hot, wet lesbian-lover bitch just for you." Why was my letter not worthy of a response? I don't understand. —J. W.
Mullins, South Carolina

Who would you rather read about? A hot lesbian-lover bitch, or a horndog desperate to wield his cock in front of a camera? There are thousands of horndogs, just like you, who think they have what it takes to squeeze Ron Jeremy off the porn bench. HUSTLER's own Jeanna Fine regularly fields questions about the porn industry in her advice column, Dear Slut. If you happened to pick up HUSTLER's July 1999 25th-Anniversary Issue, you might refer to the question "Dying to Shoot." Jeanna details the long, limp-meat-inducing journey toward becoming a professional swordsman in the porn world, telling it like it is. Good fucking luck.

BARELY LEGAL XXX Vids

HUSTLER'S BARELY LEGAL Magazine is wonderful. The full, round behinds, high, firm tits and darling, spread-open-wide pussies are breathtaking. Do you have videos of the BARELY LEGAL lasses available? I would like to see the little darlings moving around, confiding the details of their sex lives and maybe sharing a little fuck show. I'm not a cop of any kind, nor do I want to entrap you. I swear I'm over 21. Can you help me? —T. H.
Memphis, Tennessee

You sound like a guilty man, Officer, but fear not; all the girlies of BARELY LEGAL are over 18. As for BARELY LEGAL videos, HUSTLER is way ahead of you. The first video of the new BARELY LEGAL series is currently available from LFP Video, and a sequel is ready for immediate release. Snag these two vids and pop off, pops.

Do you have a comment or complaint? We want to hear it. Send your letters (typed or neatly handwritten) to HUSTLER Feedback, 8484 Wilshire Boulevard, Suite 900, Beverly Hills, CA 90211, or E-mail to hustler@lfp.com. Include a phone number if you want your letter considered for publication.

Bobby Vitale is rushed to the hospital for some emergency pussy in *The World's Luckiest Patient*. Vitale immediately recovers in the care of 101 nurses. The intensive care administered to Vitale's stiffy could be a case of overmedication, but no complaints are filed. Cock therapy appears to be just what the doctor ordered—even if there are no doctors available. While Vitale has his pick of the litter, there is simply too much nurse cooze for him to sample at once; so the naughty nurses practice mouth-to-mouth resuscitation on each other. Nothing cures the wound that never heals like a hot soak on a warm tongue. Days pass, and Vitale receives expert physical therapy from an endless parade of porn vixens. From fresh, inexperienced candy stripers to hardened XXX matrons, Vitale experiences a spectrum of healing powers. *The World's Luckiest Patient* is a healthy blue-screen specimen. *—Dan Panorama*

Major Slut's Randy Androids

The latest bunch of porn performers are emotionless, rutting automatons, able to dispassionately thrust, stroke and gyrate for hours without altering their pace or even breaking a sweat. No, we're not talking about T. T. Boy—it's the android cast of the upcoming John T. Bone-directed *Major Slut*, which stars an array of whirring, pumping cybersexual apparatuses designed by Italian special-effects wizard Mario Saucedo.

The sexiest of these machine matings occurs when tiny 21-year-old Ginger meets the Power Thruster, a fake dick mounted on a hydraulic motor that regulates the depth of penetration, speed and torque. Busty brat Curious is chained to a similar unit called the Discipline Chair, equipped with an automatic timer by which an absentee owner can control his horny furniture for hours.

African-American fuck beast Deelicious Milano receives reamings from a sexually modified gynecologist's chair. Gina Rome wins "the battle against the machine," in Bone's words, when her powerful pussy muscles trap a whirring, motorized dildo, overpowering its engine. Other performers fare less well: Stud boy Kyle Phillips reported that the mechanized pussy felt "like a vise clamp" on his cock.

Saucedo is particularly proud of the omnisexual android that pokes Jennifer Leigh. The clockwork dummy's hip mechanism admirably duplicates the swivel of a flesh partner, but the modern-day Michelangelo has bigger plans for his menagerie of stern-looking fuckbots.

"The RealDoll, itza look like a dead body," Mario scoffs (although, even in full humping mode, his machine—mannequin-faced and rigid when not in operation—looks not much livelier). "I want to bring to the public a *fully operating robot*, but also...an art piece." Saucedo hopes to have his robo-bitch ready for market by the year 2000. If human sluts and studs ever find themselves replaced due to automation, we'll only have ourselves to blame.

Mechanical lust object hammers human hair pie.

Succubus: Skin 17

THREE-QUARTERS ERECT

Directed by Toshi Gold;
starring Jill Kelly, Julie Meadows, Daisy Chain, Kim Chambers, India, Caroline Pierce, Sole, Tyler Fallon, Cherry Mirage, Envy, Bobbi Baron, Maren Beautte, Diva, Gatinha, Scott Styles, Julian St. Jox, Dylan, Joel Lawrence, Erik Everhard, Billy Glide, Guero, Jack Frost, Nick Delts, Ivan Joyderpus, Tex Sexton and Chris G.
Videocassette: Eurotique Entertainment.

Lesbo vampires are hungry for bloody cock in the demonic porn epic *Succubus*: *Skin 17*. European XXX writer/director/producer supreme Toshi Gold spins a web of intrigue that both entertains and arouses, even though the laughs begotten may be unintentional. Jill Kelly is the tormented succubitch and queen of the vampire underworld. The tortured, undead snatch records her woe in her diary, flanked on either side by the hottest candle holders ever seen: two seductresses with lit tapers in their asses. In fact, naked flesh surrounds Kelly as leather-clad studs support her tabletop and leather lasses slink around her on the floor. Jill confesses to her diary that "though my throat is parched, my pussy remains wet." Kelly's sodden gash remains so as the mistress of the damp infiltrates society with her vampire Cirque du Soleil. Jill masturbates during a Moral Majority meeting, then shares her split with two gravediggers. A topless tennis tournament unfolds out of the blue before racket-wielding harlots meet their doom in the locker room. Will Jill Kelly ever find peace of mind? Probably not, but in *Succubus: Skin 17*, she offers a piece of pussy and a whole lot more. —*D. P.*

Gang Bang Angels 3

THREE-QUARTERS ERECT

Directed by Alex Ladd;
starring Sabrina Johnson and 12 pussy-hungry mooks.
Videocassette: Elegant Angel.

Sabrina Johnson is an unsung heroine of modern porn, but in *Gang Bang Angels 3*, Sabrina forces her way to the top of the slut-goddess heap. With her wavy, raven tresses and long, luscious legs, Sabrina resembles '70s porn superstar Annette Haven minus the attitude. The shy, British brunette gleefully shares her porcelain beauty with 12 pussy hounds, packing cocks into every hole and then some. She even manages a double pussy penetration and collects a faceful of splooge a half-inch deep. Offering herself as gang-bang fodder was a personal fantasy for Sabrina, and her enthusiasm for the sport is apparent. Despite the glut of one-girl-and-a-legion-of-mooks fare, Sabrina Johnson is one cock-crazed whore who merits its attention. The outtakes where the English tart prepares herself for the penile onslaught prove that Sabrina is a cum-guzzler supreme who also has a sense of humor and, rarer still, some smarts. *Gang Bang Angels 3* serves up a slice of heaven with Sabrina Johnson. —*D. P.*

The Watcher 3

Directed by Robby D.;

HALF ERECT

starring Mirage, Dayton Raines, Envy, McKayla, Jade Marsela, Kaylynn, Violet Love, Keri, Pat Myne and Bobby Vitale.
Videocassette: Vivid Raw.

Mirage is hungry for two cocks at once, and a voyeur just happens to be nearby with a video camera as *The Watcher 3* unfolds. Touted as Mirage's first anal endeavor, this voyeuristic, spit-slickened gonzo offering serves up anal porkings, scum-splattered facials, double penetrations and more. An insatiable, cum-hungry dirty blonde, Mirage instantly hardens audience groins. She straddles Pat Myne on her kitchen table while the Watcher peers through the window with his video-cam. The voyeur captures very raw footage while Mirage hungrily slurps double loads of man spuzz. In another apartment, the camera-wielding perv zeros in on Envy, another dirty blonde. This stripper chick inhales her man's prong in every hole at her disposal, moaning with appreciation. The video voyeur captures the ass-pokin' maneuverings with relish, then shuffles away to spy on a new slew of fornicators. While not the most original fuck flick, *The Watcher 3* inspires enough wood to burn a sizable fire. —*D. P.*

SUCCUBUS: SKIN 17: Jill Kelly prepares to suck.

GANG BANG ANGELS 3: Sabrina Johnson rides high.

THE WATCHER 3: White with Envy.

Sex Therapy 2

THREE-QUARTERS ERECT

Directed by Pierre Woodman; starring Natasha Storm, Andrea, Diana, Crystal, Elvira, Magdalena, Karoline, Marianne, Mercedes, Cecile Hemery, Reda, Suzan Nielsen, Veronica Stark, My Lee, Mony, Justine, Melanie, Agnes Grimaldi, Akim, Reka, Gabriella Wolf, Alfredo, Andy, Joe, Attila, Alain DeLoin, Atlantis, Karl Ben, James Brossman, Tibor, David Perry, Leslie, Dino Toscani, Czoky, Mario, Roby, Vincent Winner, Latzi, Philippe Soine and Bob Terminator.
Videocassette: Private/Odyssey Group Video.

Sex Therapy 2 continues the blood- and cum-bath orgy theme of the original. The convoluted plot and dubbed dialogue, while generally tedious, don't interfere too much with the carnal therapy session. One man suffers nightmares that nurses wearing bandages won't stop licking his swollen, veiny love bomber. Mercedes, a curvy, all-natural perv, spreads her gauze and cooze for the bandage-fetish man along with two other ligatured babes. Could the bandage-fetish man be the killer at large? Who cares? Natasha Storm, a too-beautiful-for-porn goddess, calls her ex-husband, Dr. Markus, to reminisce about their Fiji island rendezvous. The lucky psychiatrist dreams of the sex therapy he received during their tropical-paradise retreat, momentarily forgetting that a vicious killer is pecking off his patients. Natasha's pool-soaked bum opens wide to receive an anal cock massage that works wonders for her mood. *Sex Therapy 2* is good for whatever ails you. —*D. P.*

Michael Danze's Super Pornstar Interviews

THREE-QUARTERS ERECT

Directed by Michael Danze; starring Gina Ryder, Amber Michaels, Bridgitte, Shasta, Charlie, Dante, Julian, Nick East and Ian Daniels.
Videocassette: VCA Xplicit.

Barbara Walters may be great at provoking celebrity tears, but *Michael Danze's Super Pornstar Interviews* has her beat when it comes to wringing clam juice from jizz sirens. The setup is simple: Each girl is teamed with a porn stud who presents her with a bouquet of flowers and a Doc Johnson Pocket Rocket. While breaking in their new vibrators, the luscious lasses field questions from their male counterparts. The questions are pretty simple ("How do you like your pussy sucked?"), but the corresponding demonstrations prove immensely satisfying. Witness Gina "I like to feel the balls hit my clit when I'm getting fucked really hard" Ryder live her dream via Julian's probing line of questioning. Observe Shasta, whose lips look genetically designed for swallowing cock, slobber copiously on Nick East's member. Baby-voiced Charlie bounces up and down on Dante's maypole, while Bridgitte suffers an anal piledriver from Ian Daniels. Julian wraps up the show by plunging Amber Michaels, a horny blonde with a stud through her clit. *Michael Danze's Super Pornstar Interviews* may not be very informative, but it's certainly hard-hitting.

—*Nicholas Veridian*

SEX THERAPY 2: Suzan Nielsen's come-hither schtup.

MICHAEL DANZE'S SUPER PORNSTAR INTERVIEWS: Charlie says, "Shut up and fuck me."

Hello Yellow

Splash-Happy Pee-verts Spray Liquid Gold Across the Blue Screen

Bathroom rituals are generally private affairs, but public fascination over female tinkling has forced the door to the head open in the current wave of pee flicks. Piss drips, streams, dribbles and jet sprays appear in an infinite variety of forms and locations, from standard porcelain-bowl deposits to yellow-stream gushes in the great outdoors.

The piss vids themselves take different courses, and the best of the batch features future porn legend Tara Patrick, HUSTLER's February 2000 covergirl and pisser extraordinaire. *Real Golden Showers Video 1* director "Wild Bill" Witrock confides the secret of Tara's expert urination technique: "I invited Tara over, and we shared a couple of beers. I had her pee in the bathtub as a change of pace." Unfortunately, the voluptuous siren has opted not to perform in further piss videos, but there are scores of other moist maidens eager to fill her empty specimen glass.

J.M. Productions satisfies the female urination need with its *Liquid Gold* series. The Jim Powers-directed *Liquid Gold 3* features scenarios where full-bladdered hotties piss outside as a last resort for relief. Allison Kilgore takes a leak in the dirt next to her house when she discovers that her water's been turned off and she can't flush. Blond Brit Jade makes water next to a built-in pool.

Mondo Extreme 15: Pissin' & Moanin' features the hardest-looking whizzers of the lot, but a scene in which an Asian micturator makes a snow cone is a must-see for die-hard urination fanatics.

Booty Duty 8

HALF ERECT

Directed by Dion Giarrusso and Tice Bune; starring Sabrina Johnson, C. J. Bennett, Brigette Kerkove, Emilia, Maren Beautte, Chennin Blanc, Tice Bune, Pat Myne, Brunno, Paul Cox and Cheyne Collins.
Videocassette: Elegant Angel.

Double penetration is an obligation not taken lightly in *Booty Duty 8*. Booty-busting D.P.s and gaping assholes abound. Maren Beautte is the first slot out of the chute. Lured to a hotel room with the promise of a modeling assignment by Tice Bune, Maren must strip to prove that her body is worthy. The slender German tart fits the bill; so Tice and his buddy assault her nether holes. Judging by Maren's happy grunts, German sausage can't hold a candle to the American variety. Other "models" follow. Emilia is a brick-house blonde of the healthy Swedish variety whose ample curves manage two cocks without any trouble. Sabrina Johnson entertains with a fascinating twist on the D.P. formula: With a cock in her ass and beach babe Chennin Blanc's strap-on shaft in her snatch, the British-born Sabrina is one wand short of being airtight, but you'll hear no complaints. While some of the lesser-known girlies are a tad rough around the edges, *Booty Duty 8* accomplishes its mission. —*D. P.*

Tina Tyler's Favorites: Blow-Jobs 2

THREE-QUARTERS ERECT

Directed by Tina Tyler; starring Tina Tyler, Melissa Hill, Chloe, T. J. Hart, Mia Smiles, Elle DeVine, Shanna McCullough, Julian St. Jox, Kyle Stone, Steve Hatcher, Cheyne Collins, Brandon Iron, Chris Cannon and Herschel Savage.
Videocassette: Odyssey Group Video.

Lovers of the oral arts rejoice: *Tina Tyler's Favorites: Blow-Jobs 2* gives more head than a Times Square tramp. Sporting a sexy, black dye job, Tina Tyler fulfills the wish of six choice porn studs (and every pud-pulling man) by giving the gift of fellatio. The well-spoken Tyler briefly interviews them, finding out which starlet they'd like to see at the end of their rods before trotting the preferred head-bobber out and setting her loose. A definite standout in this cavalcade of cock-smoking is the leggy Melissa Hill, who breathlessly labors over Kyle Stone's towering inspermo. Brandon Iron ices Mia Smiles's face like a caulking gun gone haywire. T. J. Hart displays her meat-handling technique with an extended footjob, while Chloe shows that she'll let a dick slam her anywhere—including, of course, her gaping maw. *Tina Tyler's Favorites: Blow-Jobs 2* sucks pretty good. —*N. V.*

First Impulse

HALF ERECT

Directed by Dyanna Lauren; starring Jenteal, Chloe, Suzi Suzuki, Alexandra Silk, Dyanna Lauren, Tony Tedeschi, Jon Dough, Dave Hardman, Steven St. Croix and Anthony Crane.
Videocassette: Vivid Video.

First Impulse takes Jenteal and company to the woods for a fucking expedition à la *The Blair Witch Project*. "Don't drink the water!" a crazy old coot warns Jenteal just before Tony Tedeschi shoves his log into her blazing campfire. The cock-stuffed slut doesn't imbibe, but everyone else does, sending them into a kooky, tripadelic humpathon. In a remote cabin, cooze-crazed Alexandra Silk shoves her enormous tongue halfway up Jenteal's crevice. The busty, brunet Silk freaks out, runs around naked and smashes a guitar. Spooked, Jenteal jets, interrupting Jon Dough while he plows Suzi Suzuki's spiky bush. More frightening is the visage of Chloe being fucked cross-eyed by Tony Tedeschi. "Fuck…the…ass…hole!" she moans zombielike while taking in a rearful of man meat. The insanity peaks with a campfire bang fueled by the tainted well water. Chloe gags on Jon Dough's cock while Alexandra Silk succumbs to a rear entry from mop-headed Dave Hardman. Suzi and Alexandra molest Chloe, while two guys dressed like half-assed superheroes act the fool in the background. Of course, Jenteal escapes the madness, realizing the entire escapade was only a dream. For the viewer, the nightmare of *First Impulse* will continue to resonate. —*N. V.*

BOOTY DUTY 8:
Beautte smokes a blood blunt.

TINA TYLER'S FAVORITES: BLOW-JOBS 2:

FIRST IMPULSE: Tedeschi douses Jenteal's fire.

Horny Housewives (1)

ONE-QUARTER ERECT

Directed by Remington Steel;
starring Jessica, Eva, Patricia,
Jo-Anne, Jenny, Morgan, Pauline and Yvette.
Videocassette: Private/Odyssey Group Video.

If watching saggy Euro-cooze take the high, hard one in the pooper is one's bag, then *Horny Housewives (1)* will certainly stiffen one's wick. Those who wish to avoid flapping labia, sagging breasts and rectal disasters should make a beeline for some other Private title. Usually dependable as a bastion of quality Euro-raunch, Private dips well below the mark with this release. Brit slit Jenny hosts this rubbernecker's nightmare, granting fans fantasy fucks while swinging her udders to and fro. Things look up when Jo-Anne, a cute blonde in a schoolgirl outfit, is injected with the Private anal treatment by a pair of fey fops. Eva and Yvette also leap into the sticky spirit, taking facial spacklings like true champs. *Horny Housewives (1)*'s namesakes may be aroused, but they leave the viewer limp. —*N. V.*

GLASS CAGE: Kobe Tai unleashes caged heat.

Glass Cage

HALF ERECT

Directed by Robyn Dyer and Teri Diver; starring Kobe Tai, Inari Vachs, Charlise Lamour, Sindee Cox, Phylisha Anne, Shelby Myne, Chastity, T. J. Hart, Ian Daniels, Nick East, Dave Hardman, Rick Masters, Mark Davis, Vince Vouyer and Mike Horner. Videocassette: Vivid Video.

Can a man go a year without popping a boner? *Glass Cage* attempts to answer that question by thrusting wild playboy Vince Vouyer into heavily surveiled confinement, then tempting him with ever-increasing stiffy fodder. Kobe Tai taunts and teases the poor sap by whipping up a batch of woman soup right in front of his face. Vouyer's dreams offer no haven either: Kobe slinks her way into his subconscious, this time bringing a couple of friends. Inari Vachs steals the show from Tai in this scene, roaring and arching as Vouyer crams her full of shaft. Tai exacts revenge by stealing the jizz and slurping it down in desperate gulps. Somehow, our aforementioned protagonist perseveres, even through a no-holes-barred orgy arranged for his edification. Eventually, everyone tastes some pussy, including the resident of the *Glass Cage*. Too bad the freedom isn't sweeter. —*N. V.*

MR. MARCUS' NEIGHBORHOOD 7: Mr. Marcus's 12-step program.

Mr. Marcus' Neighborhood 7

HALF ERECT

Directed by Mr. Marcus; starring Michelle Kairee, Bronze, Shree Brown, Anika La Rue, Tequila Jade Jones, Kai, Frankie La Rue, Cuba, Julian St. Jox, Mark Anthony, Tony Eveready and Mr. Marcus. Videocassette: Vivid Raw.

In *Mr. Marcus' Neighborhood 7*, payback's a mutha, especially for Mr. Marcus's ladies. One after another, these girls in the 'hood represent with nasty oral and anal that would do Luther Campbell proud. Original bangster Mr. Marcus delivers tales of the wood in several vignettes, including a back-alley bang in a rented BMW and a boxing-ring boff to rival the Rumble in the Jungle. Like a true mack, Mr. Marcus doesn't forget to share the wealth—all his homies chew a piece of the action. Julian St. Jox is treated to a masterful deep-throat, Catholic-schoolgirl-style. Fuck freak Bronze shakes her rotund booty for Cuba and Mark Anthony before taking their phat cocks deep inside with a wink and a smile. Gobs of goo pepper Anika La Rue like stray bullets in a drive-by. While the girls may not be top-notch, their ghetto gusto makes *Mr. Marcus' Neighborhood 7* a gangsta's paradise. —*N. V.*

SEASONED PORK

Every year when the weather starts turning warm, I get messy wet in my pussy. At the first sign of winter's thaw, my panties soak through for no good reason. One March, I lost my flower. My pimply, nimrod neighbor poked me. Skinny as he was, he plowed my tender cunny like a pro. We fornicated with the frequency and grace of frantic weasels for nearly three months. Then summer came, and my frenzied passion died. I'm all fucked up, see? Any season but spring, the mere thought of sex makes me unbearably ill.

This March was slow to thaw. I went about my chores as a live-in caretaker for Mrs. Clarence, a toothless, crazy old bitch, without a twinge of longing for thick cock up my flue. Then came midmonth. Hesitant sprouts peeked gingerly from the snow-covered soil. My hibernating poontang tingled at the sight of new, delicate green. The transformation in my loins was instantaneous. Mrs. Clarence gurgled from her chair, begging for Vienna sausages. My box gushed uncontrollably. The old bag's yearning for processed meat products provided the perfect excuse for me to hightail it out of her fusty, old house and find some big, fresh beef wiener.

"Missy Poo," I cooed at the dried-up crone, "you need some little sausage treats?"

Mrs. Clarence hacked affirmatively. My nipples swelled in anticipation of shopping at the Krafty Kwik Stop. Swarthy, creepy Pakistani motherfuckers run the Kwik Stop. Curry-flavored sweat stains their turbans for want of blond, American cunt like me.

"Be good, Poo-poo, while I run buy you some goodies." I slipped out of that filthy bag's door, then vigorously masturbated in the station wagon. My slot needed lubrication in preparation for the thick immigrant dong I would soon ingest.

The old clunker of a car wouldn't go fast enough. The Krafty Kwik Stop was only three blocks away, but after five minutes, it felt like a few decades. I screeched into the parking lot. A moist splotch had seeped through my slacks, leaving an enormous and inviting transparency. I smashed through the doors of the Krafty Kwik Stop. Six big, black eyes stared at me, obscured by cases of Chik 'N Wraps and rows of Smakky Chips. My ample titties swayed underneath a translucent wife-beater tank top. I strolled along the aisles, searching leisurely for li'l sausages. My big, round ass jiggled under my snug slacks. I zeroed in on Kakbar, the mildest of the bunch.

"Hey Kakbar," I chirped. "Could you help me find something good to eat?"

I eyeballed the shy convenience store co-owner. A large bulge had emerged beneath his maroon, polyester pants. He was just right to warm me up—a young, questioning Muslim who doubted the notion that women should hide their faces, never mind their milk jugs.

"I don't see what I want out here," I told Kakbar. "Why don't you show me the stockroom? I should be able to find what I'm looking for back there."

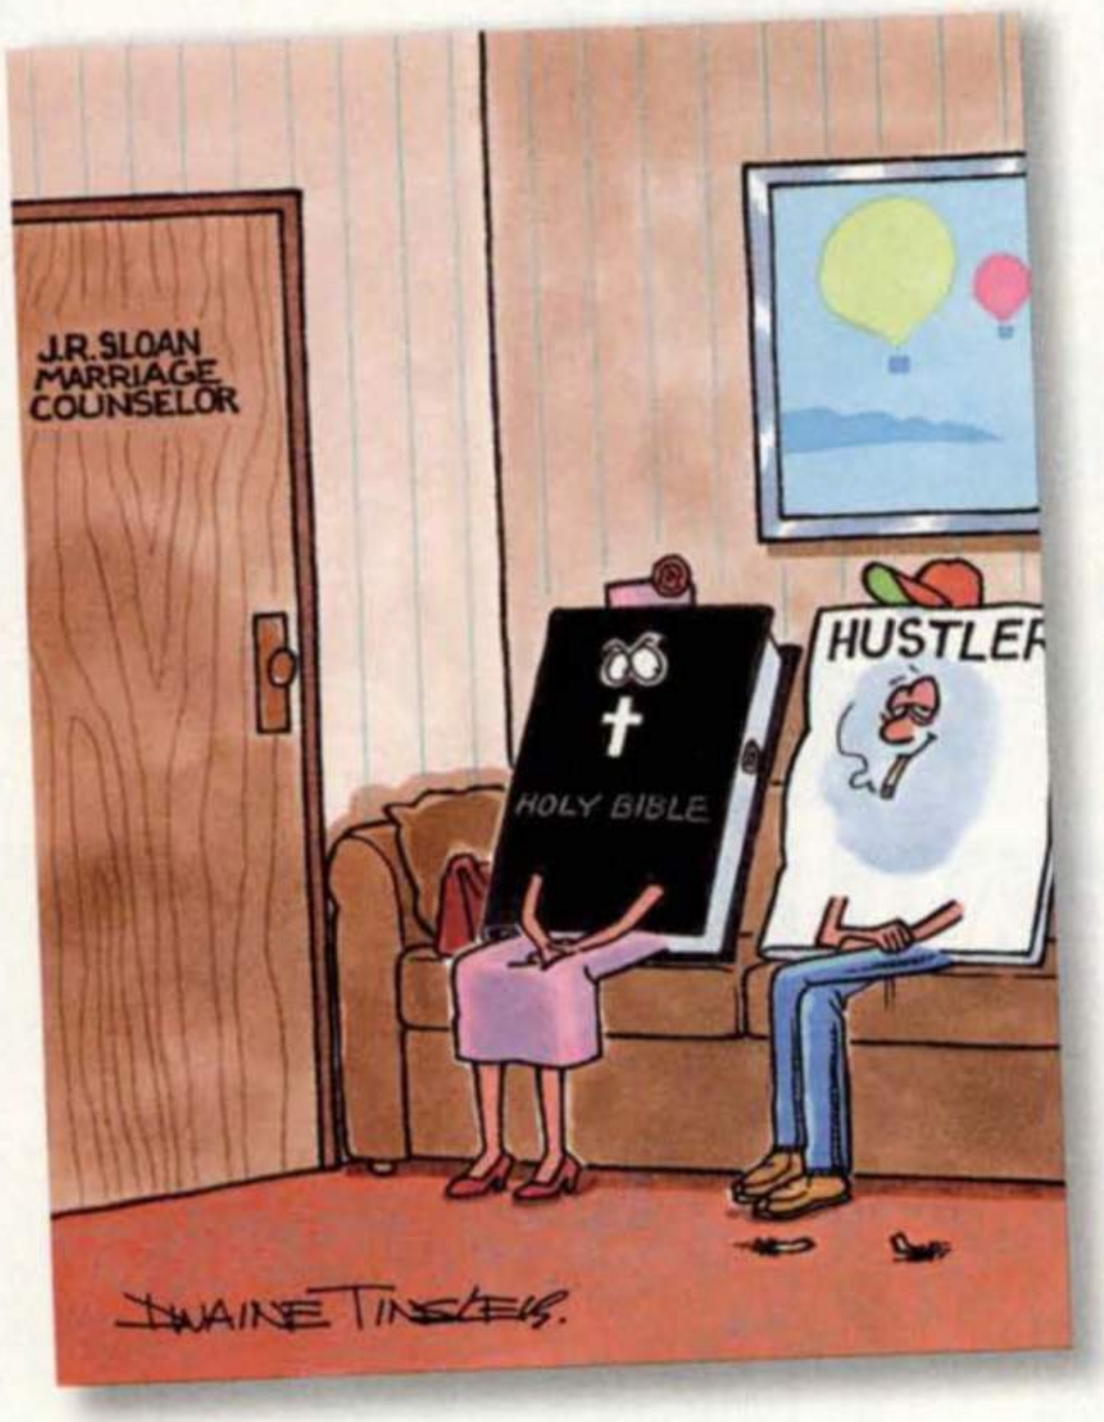

"Elmer, Hoonjab," Kakbar stuttered to his fellow shopkeeps. "I will help this female uncover the right snack product."

Elmer nodded warily. Hoonjab furrowed his brow. I followed Kakbar to the stockroom. My slippery pussy lips *schloop-schlarped* against each other. I was a sodden mess. Kakbar shot me nervous glances. Beads of sweat glistened on his dark forehead.

"What is the merchandise you are seeking?" Kakbar inquired, his voice cracking.

Hot Letters

"Repulsive, American twat," Elmer spat as his balls slapped against my booty. "I terrorize your fair and feces-encrusted anus. I teach you to be a rotten white whore!"

"I have to take the old fart I look after some Vienna sausages," I explained. "I was hoping to pick up something for myself. Maybe some fine subcontinental pork?"

Kakbar coughed and shifted his weight in an attempt to distract me. He adjusted his throbbing peener. I ran a hand over his crotch, then yanked my top up and shimmied my generous mams against his chest. The tip of his bulging beast nudged my thigh. I sank to my knees and unleashed his dark slab. Its one-eyed gaze enthralled me.

"I don't know much about your people," I mused as my fingers danced along his shaft. "Is it true you think pigs are filthy animals?"

"Dirty, yes," Kakbar affirmed. "For that reason, I cannot provide this pork you speak of."

"Oh, silly Kakbar doesn't understand," I giggled. "Would you fuck a filthy pig?"

Without allowing Kakbar time to respond, I snorted and snuffled his dong like a piglet at a slop bucket. Kakbar's eyes drifted with the pleasurable sensation of my knob-honking. He forgot to object to the unholy and disgusting nature of our coupling. I oinked ferociously and crouched on all fours.

"Pull nasty piggy's pants off," I grunted. Abandon seized my exotic friend as he tore my britches from my rump. "Fuck me swine-style," I grunted.

Kakbar mounted me from behind like a horny farmhand, driving his thick prong up my sopping, porcine cock socket. I bucked and oinked joyously.

Kakbar and I were making quite a lot of noise. Elmer and Hoonjab scrambled in wild-eyed, their turbans askew. I grinned like a half-wit and oinked even louder.

"You diaperheads wanna help stuff my suckling snatch?" I growled.

Elmer and Hoonjab exchanged wary glances. They pulled their peters out and stood staring dumbly.

"I count two empty holes, you greasy idiots," I hollered. "Asshole and mouth."

The two stepped forth dutifully. Hoonjab swiftly sank his sword down my throat, silencing my mating call. I suckled contentedly, waiting for the third plug. Kakbar arranged himself beneath me. My cornhole was exposed and ready, pulsating eagerly. Without a moment's notice, my ass was impaled. Elmer rammed his prong balls-deep into my dirty butthole. My eyes bulged, stretching their sockets. All three orifices were filled to bursting.

"Repulsive, American twat," Elmer spat as his balls slapped against my booty. "I terrorize your fair and feces-encrusted anus. I teach you to be a rotten white whore!"

The cock down my gullet prevented me from speaking. Instead, I frantically pumped my hind end faster to encourage the most thorough reaming possible. My clit trembled, overwhelmed with the intensity of a triple-pronging. My gluttonous sugar walls spasmed.

"*Mrrrmmmph!*" I cried around Hoonjab's slab.

My orgasm set the exotic fuckers off like firecrackers. The room shook with strange howls and hollers. A gush of slimy goo shot down my throat. Before I could swallow, simultaneous streams of spicy spunk gushed against my cervix and sphincters. Thick spoo dribbled from all Pakistani-porked ends.

The three brown fuckers quickly and efficiently replaced their dicks and returned to work as though nothing had happened. I sat a little while and recovered in the stockroom. Spotting a carton of Vienna sausages, I tossed a few cans into my purse and sauntered out of the Krafty Kwik Stop without a glance at my swarthy friends.

The pleasure of that day doesn't even begin to quench the overpowering flame that the passing of the vernal equinox ignites in my cunny. From now until May, I must feed. Maybe your readers could help fatten me up. —D. G.

Athens, Georgia

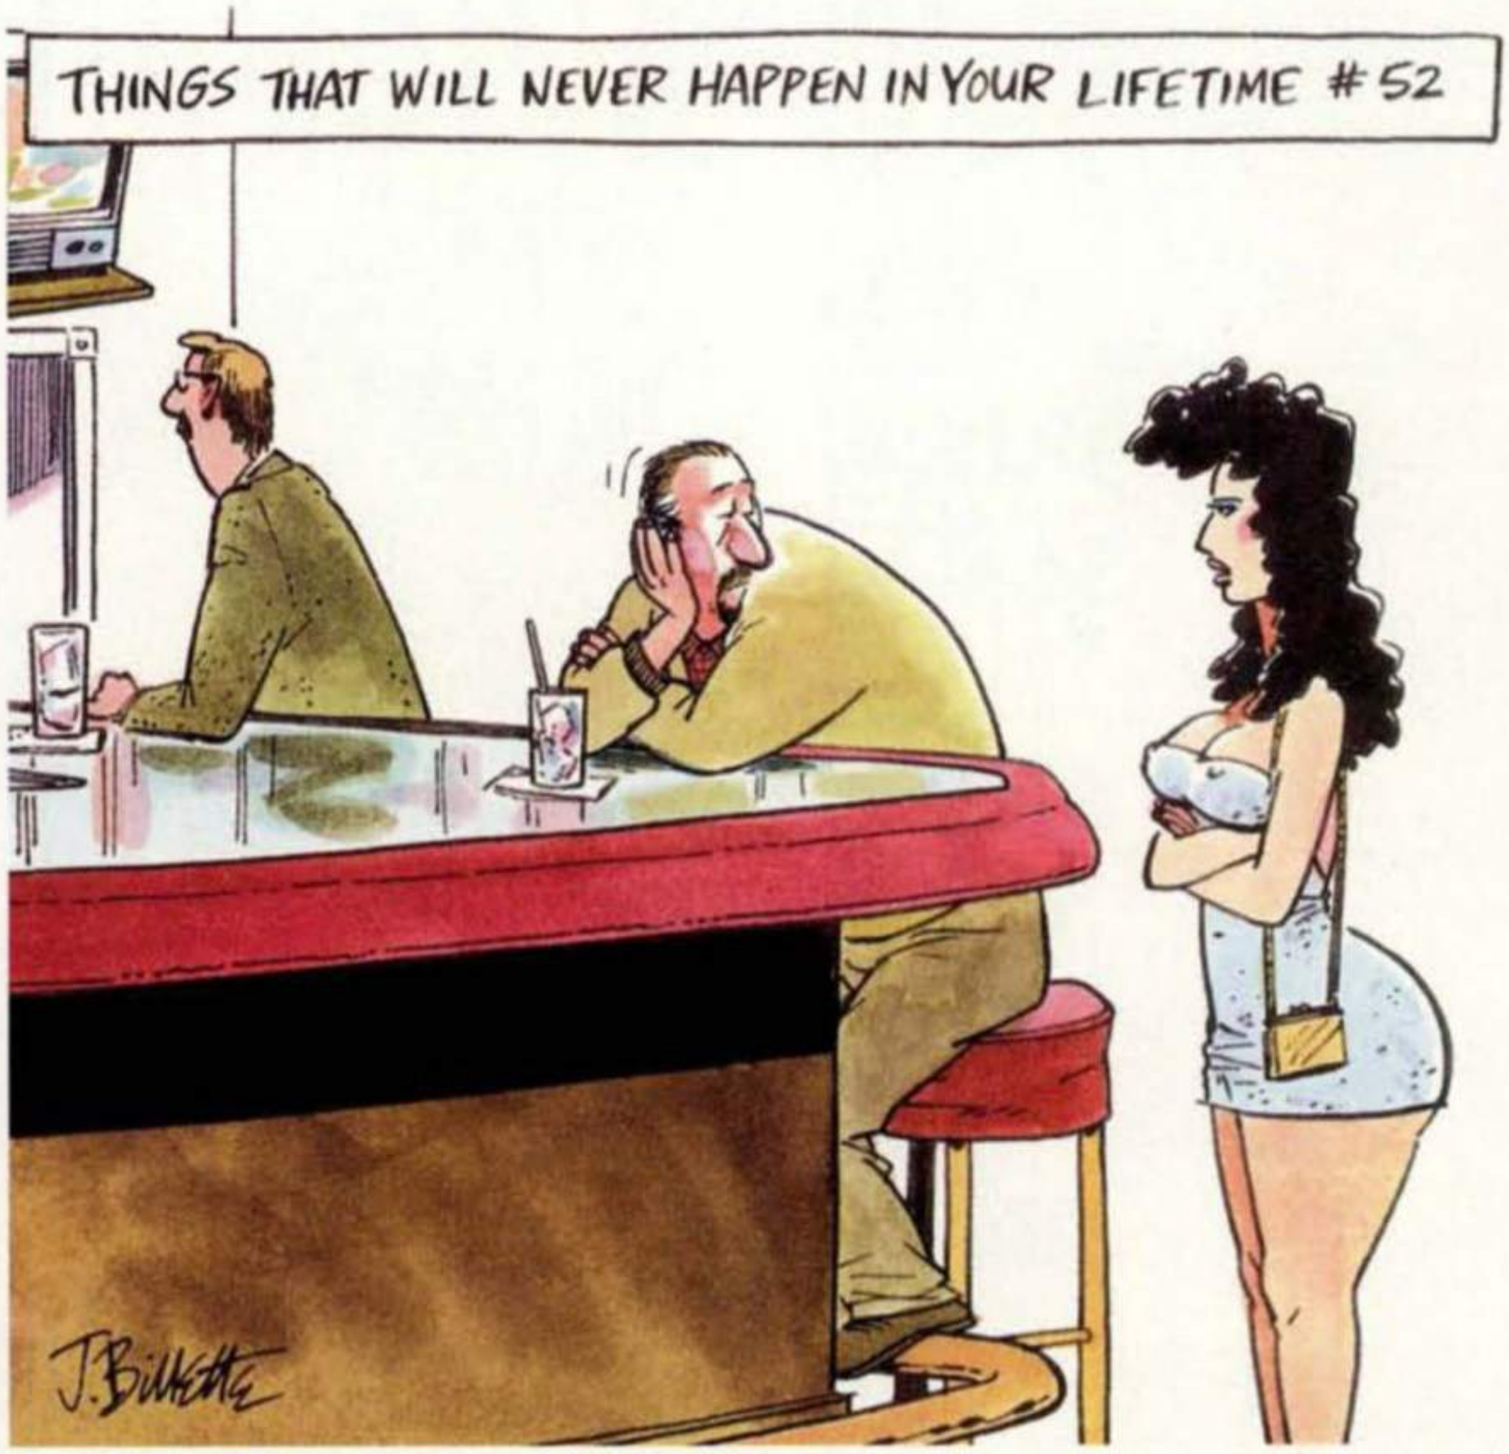

IRISH FRISKY

I love St. Patrick's Day. It's a great excuse to indulge in shit-faced drunkenness. If you forget to wear green, some rosy-assed Mick chicks will pinch you. I have a thing for Irish chippies. I like them thick and meaty, with big, floppy knockers.

Blarney, a pub in town, goes all out for St. Patty's, believe it or not. Mobs of generously endowed potato-eating beauties flock there to guzzle booze for the holiday.

This year, I was especially anxious for the big night. I hadn't struck pussy in a godforsaken month. I arrived early enough to down a few stouts before the cooters packed in. The place reeked of soda bread and farts. Mr. Stuart McFloogle, a mean, nasty midget who plays the leprechaun in the parade every year, stewed in a corner with one hand wrapped around a whiskey and the other wandering in his green knickers. I slouched at the counter, slurping on my pint and watching Kate, the plump, buxom barmaid, pour drinks. Her bountiful mounds of tit slapped clumsily against each other. I imagined burying my nose in her blushing asshole and lapping malty juice from her snatch.

"Kate," I slurred, "what say I suck the green beer out of your piss flaps?"

"Sir! My husband wants me to come home with a complete stranger's load in my ass."

Hot Letters

"I'm going to suck your pussy now," I announced. Maddie flopped back. I tongued her tunnel ferociously. Her juice flowed in a steady wave that tasted of salty potatoes.

Kate rolled her emerald eyes at me.

"Fuck off, Danny," she twittered, and went unruffled about her business.

After a couple of hours of drinking and spearing Kate's cunny in my mind, the place was thick and stinky with female patrons. A beautiful, perspiring sea of red hair, freckled bosoms and jiggly keisters bobbed hypnotically to the wail of obnoxious bagpipe music. The fat warthog in my pants chubbed and drooled pre-cum. An incredibly young and curvaceous kitty frolicked with that fetid leprechaun, Mr. McFloogle. I staggered purposefully in her direction, savoring the gauntlet of bouncing boobs that pummeled me along the way. My arrival and subsequent leering at the tender missy was unwelcome by Mr. McFloogle.

"You smell like shite," the tiny abomination squawked at me. "Leave me and the lovely Maddie be."

I sank a hand into Maddie's endless, pillowy bum. She tittered and blushed. Her huge, slate-colored eyes were googly with drink. She looked impossibly easy.

"Nonsense, Stuart," she chirped, addressing the hideous troll by his first name while staring at my swollen fly. "The gentleman smells perfectly delightful, like corned beef."

She punctuated her remark by squeezing one of the braless jugs swinging under her gauzy, white blouse. I flushed eagerly and waggled a finger against her coot. Her heavy, flouncy skirt failed to block the balmy heat surging from her vage.

"I was thinking, Maddie," I proposed, "that I might locate the pot of golden goop between your legs. There's a Goddamned leprechaun right here in front of us. Certainly the musky treasure hiding in your panties is mine for the finding."

Maddie giggled and hiked her skirt up enough for me to see the length of her strong, hearty thigh. Wretched Mr. McFloogle whined and prepared to sulk.

"Be a nice wench," I chortled in Maddie's ear, "and let me titty-fuck you in front of the entire pub."

Maddie chuckled and lolled her head. She obligingly stretched the elastic collar of her frock to unveil her fat udders. I cupped the gigantic hooters and squeezed. They oozed between my fingers. The troll in my skivvies grew thick and urgent.

"Sit down," I instructed. "Place my blood sausage between your wanton breasts."

Good Maddie removed my meat from its casing and gripped it with her strong hands. I cuddled her teats. They felt like monster-sized marshmallows. Her sticky tongue lapped at the tip of my schween.

"Drool into your cleavage. My cock must slide up and down with ease," I declared.

The brazen wench spat so clumsily, it landed on my jimmy. Furious, I wrenched her head back by a fistful of auburn hair. She gasped in tipsy confusion.

"Graceless whore! Your rancid slobber is to land directly between your tits," I bellowed, slathering the misfired gunk onto her chest. "Now do it right!"

Deeply penitent, Maddie dutifully dribbled a viscous stream into her valley. She gazed at me with wet, sorrowful eyes. Her mouth hung open. The slow drip from her pink lips made her look like a retard. A faint slapping sound drifted from Mr. McFloogle's direction. The puny lech was flagrantly whacking his pud. Fortunately, Maddie's charms were so plentiful that I was not distracted by the foul sight.

"Is that better, kind sir?" Maddie queried.

"Ah, yes," I affirmed. "Now spread your legs and stuff your fingers in your squishy."

Maddie lifted her skirt and tucked her dainties aside. She lovingly massaged her engorged, dewy slit. My stick pistoned through her spit-slimed milk bags, growing stiffer and slicker with each glorious stroke.

"Love my naughty plumpies with your manly trunk," Maddie panted.

I urgently humped her chubby mounds. She hummed and yodeled mirthfully. The dissonant bagpipe music intensified, and Mr. McFloogle's slappy noises quickened.

"I'm going to suck your pussy now," I announced.

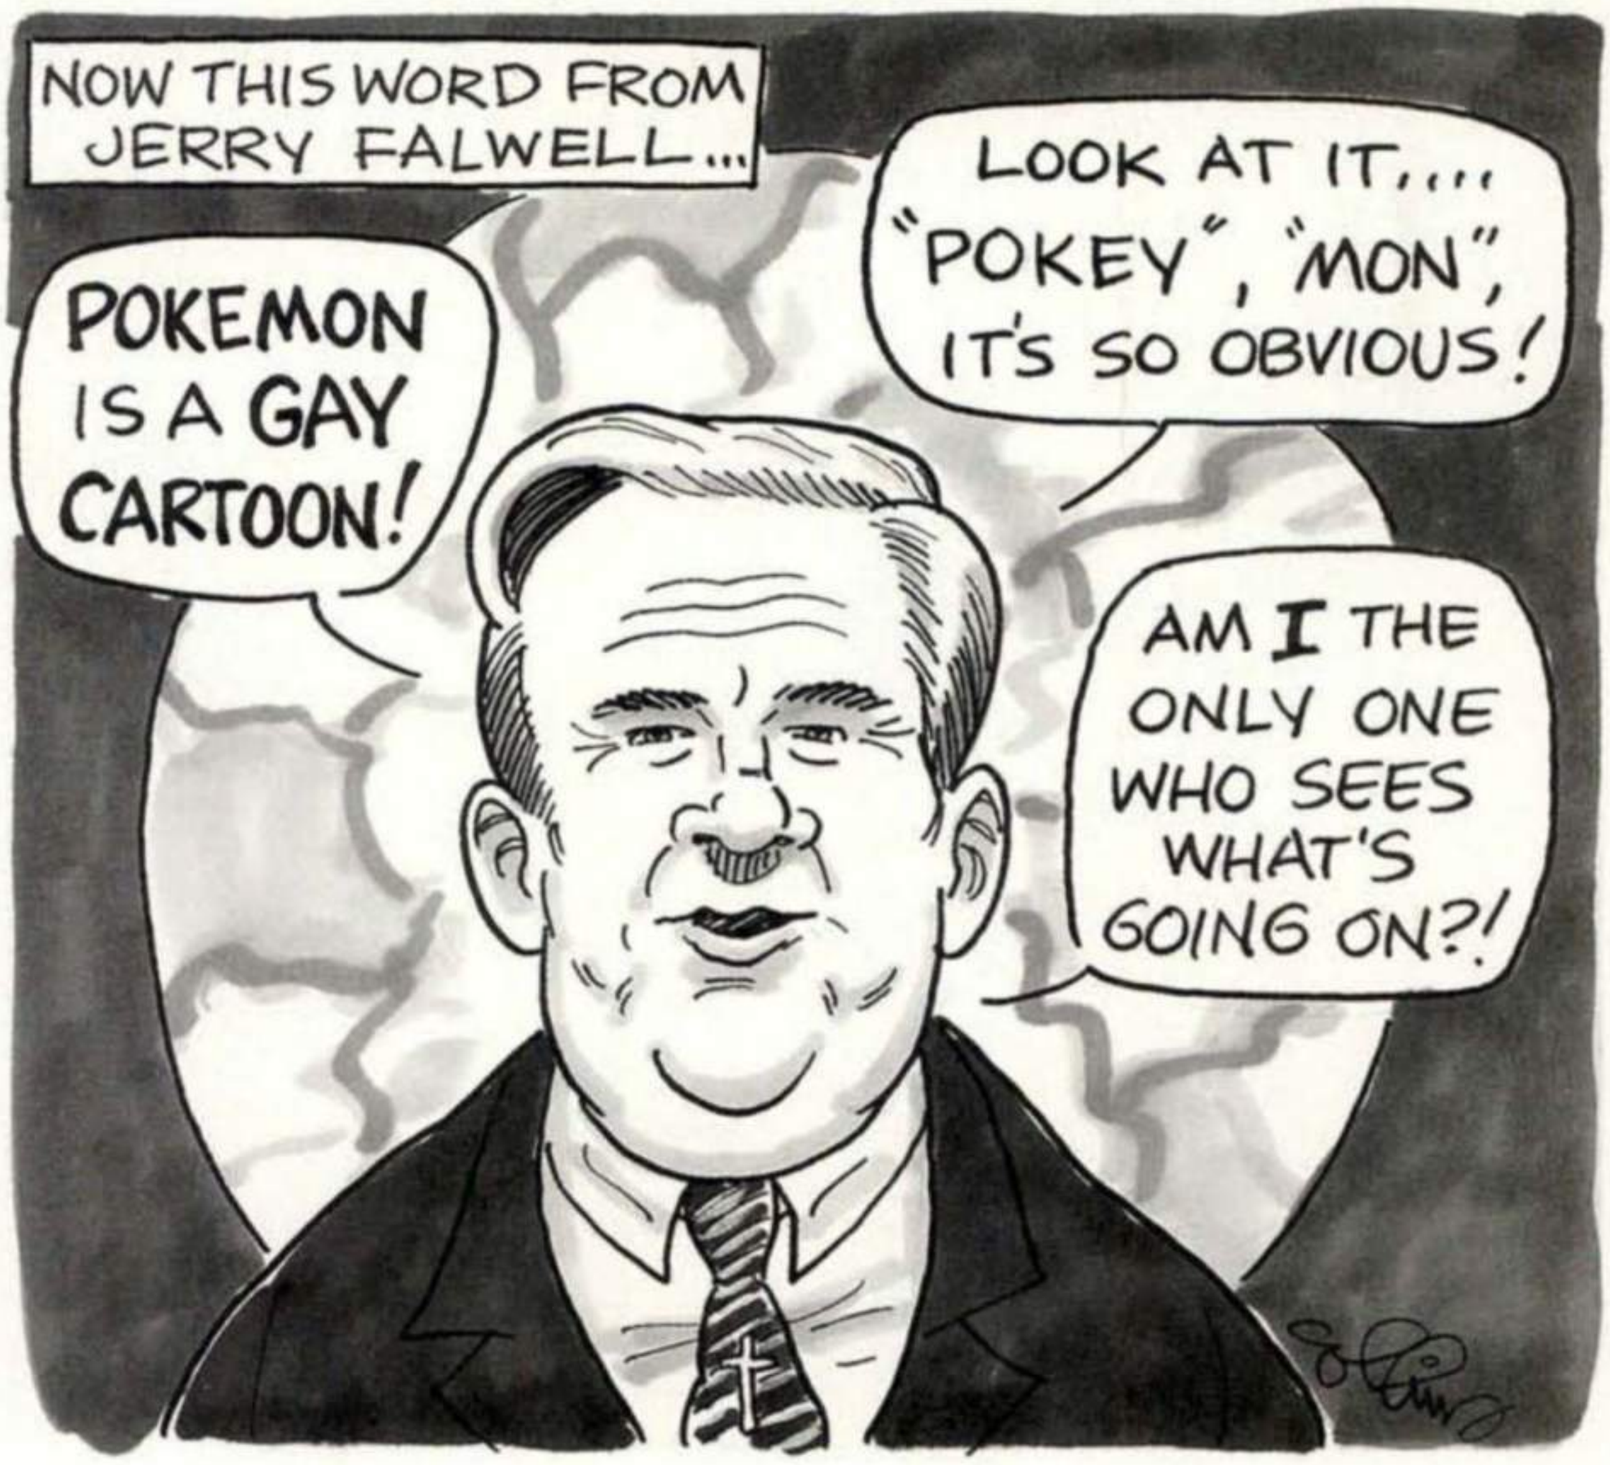

Maddie flopped back. I tongued her tunnel ferociously. Her juice flowed in a steady wave that tasted of salty potatoes. The large asses of fellow revelers knocked against my head as they danced about.

"Lordy me! Oh heavens! Lap it, lap it, lap it!" her girlish voice cried out.

My boner hardened painfully. I hopped to my feet and seized Maddie's ankles, swinging her legs over her head. My flesh shillelagh sank completely into her taut, sloshy crotch bog. I shuddered with relief and pumped leisurely, then frantically. The crowd responded to our enthusiastic union by encircling us with a jolly jig. An obese, crimson-faced mama scooped the masturbating Mr. McFloogle into her arms. The charitable matron balanced him on her hip and finished his scrawny peter off with her free hand.

"I'm gonna blow," I warned Maddie. "Get your sassy mug ready for a hosing!"

Maddie wriggled against the crush of my steaming cock. Her cherry muscles tightened around my prick. She came just

in time for me to yank my dick out and squirt gravy in her face. Maddie's cum-glazed puss inspired hoots and applause from the drunken revelers. Triumphantly, I waggled a few more drops from my happy pecker. I grinned, zipped up and pinched Maddie's spoo-slimed cheek.

"Thank you," I hollered. "Thank all of you lovely folks."

Maddie waved. I wove my way out of the jubilant pub. Reaching the door, I scanned the place one last time. Maddie relaxed with a whiskey. Mr. McFloogle curled up in the fat lady's lap and suckled her tit. I guffawed and sauntered out into the balmy evening. My favorite holiday had fulfilled its raunchy promise once again and smiled upon me with Irish pies.

GIRL SHOWER

There's something a little weird about me. It's kind of embarrassing. Every time I pee, I get sexually excited. I mean *super*-horny. And I pee often, like eight times a day. I become so stimulated by the tinkly noise of urine hitting water, I have no choice but to frig my clam each time I empty my bladder. Every damn time. I can't help it. My poor, pink bunny's all raw and sore.

It's not like anything's wrong with me physically. To the contrary, I'm a flaxen-haired, firm-titted, round-assed dish. I'm not desperate. I can fuck any time of the week I want. Problem is, I can't find a man who understands my needs. Any time I've made the mistake of confessing my condition to a dude, the meathead looks at me like I'm a freak. The guys I meet have no interest in watersports. The wet, yellow cross I bear has driven me to lesbianism. Another woman is the only creature sensitive enough to understand me.

My fate became clear when I met Nuby, a beautiful, brunet dyke who works at a health food store, the Tender Turnip. I was seeking a natural remedy to clear up a mild urinary-tract infection that was cramping my style. While I gaped overwhelmed at the rows of vitamins and tinctures, Nuby placed a cool, soft hand on my shoulder.

"Can I help you?" Nuby purred.

She looked really hot; her braless tits were perfectly round and taut. Her sly, blue eyes pinned me. My clit twitched and my cheeks flushed.

"I'm having some mild discomfort when I..." Nuby's gaze seemed to know my very soul before I could finish my sentence. "When I urinate."

She smiled knowingly. A slippery gush in my cooter startled and elated me. Nuby ran a casual hand across my nipples. Her other hand pressed firmly against my crotch, applying a little extra pressure to my peehole.

"You like to go tee tee, don't you?" Nuby asked. "I can sense the deep distress you're experiencing as a result of your urinary malaise. Cranberry is an excellent therapy, but you'll need to take it for a couple of weeks. In the meantime, I could certainly help alleviate the symptoms."

Spellbound, I followed Nuby out of the store to her beat-up VW van. I crawled in. She slapped my ass. It jiggled and made me need to pee. Nuby slammed the door behind us. Suddenly, she was all business.

"Disrobe," she ordered, unbuttoning her top.

Bewildered but open, I obeyed and removed my sundress. My succulent jugs sprang forth. I peeled my soggy panties from my crotch. Poker-faced, Nuby knelt before me and expertly licked my damp cunt. I moaned.

"Hush," she snapped, and resumed the loving laps. "It makes you want to wee, correct?"

"*Uh-huh*," I whispered, admiring her pointy tongue and diamond-hard nerps.

"I'm going to eat your pussy until you think your bladder will burst," Nuby slurped. "At that point, you will urinate down my throat. This will make both of us feel much better."

How could I argue? I closed my eyes, bucking my hips and riding her mouth. The phenomenal cunnilingus I was receiving nearly eclipsed the joy peeing brought me. My bladder throbbed. Shock waves shot through my clit.

"*Yeah, yeah*," I whispered. "*Here it is!*"

A violent geyser erupted from my slot; Nuby's head flew back when the stream slapped her tonsils. Racked by my orgasm, I jerked and contorted like a woman possessed. I must have dumped a gallon of brine down that fish-eater's gullet.

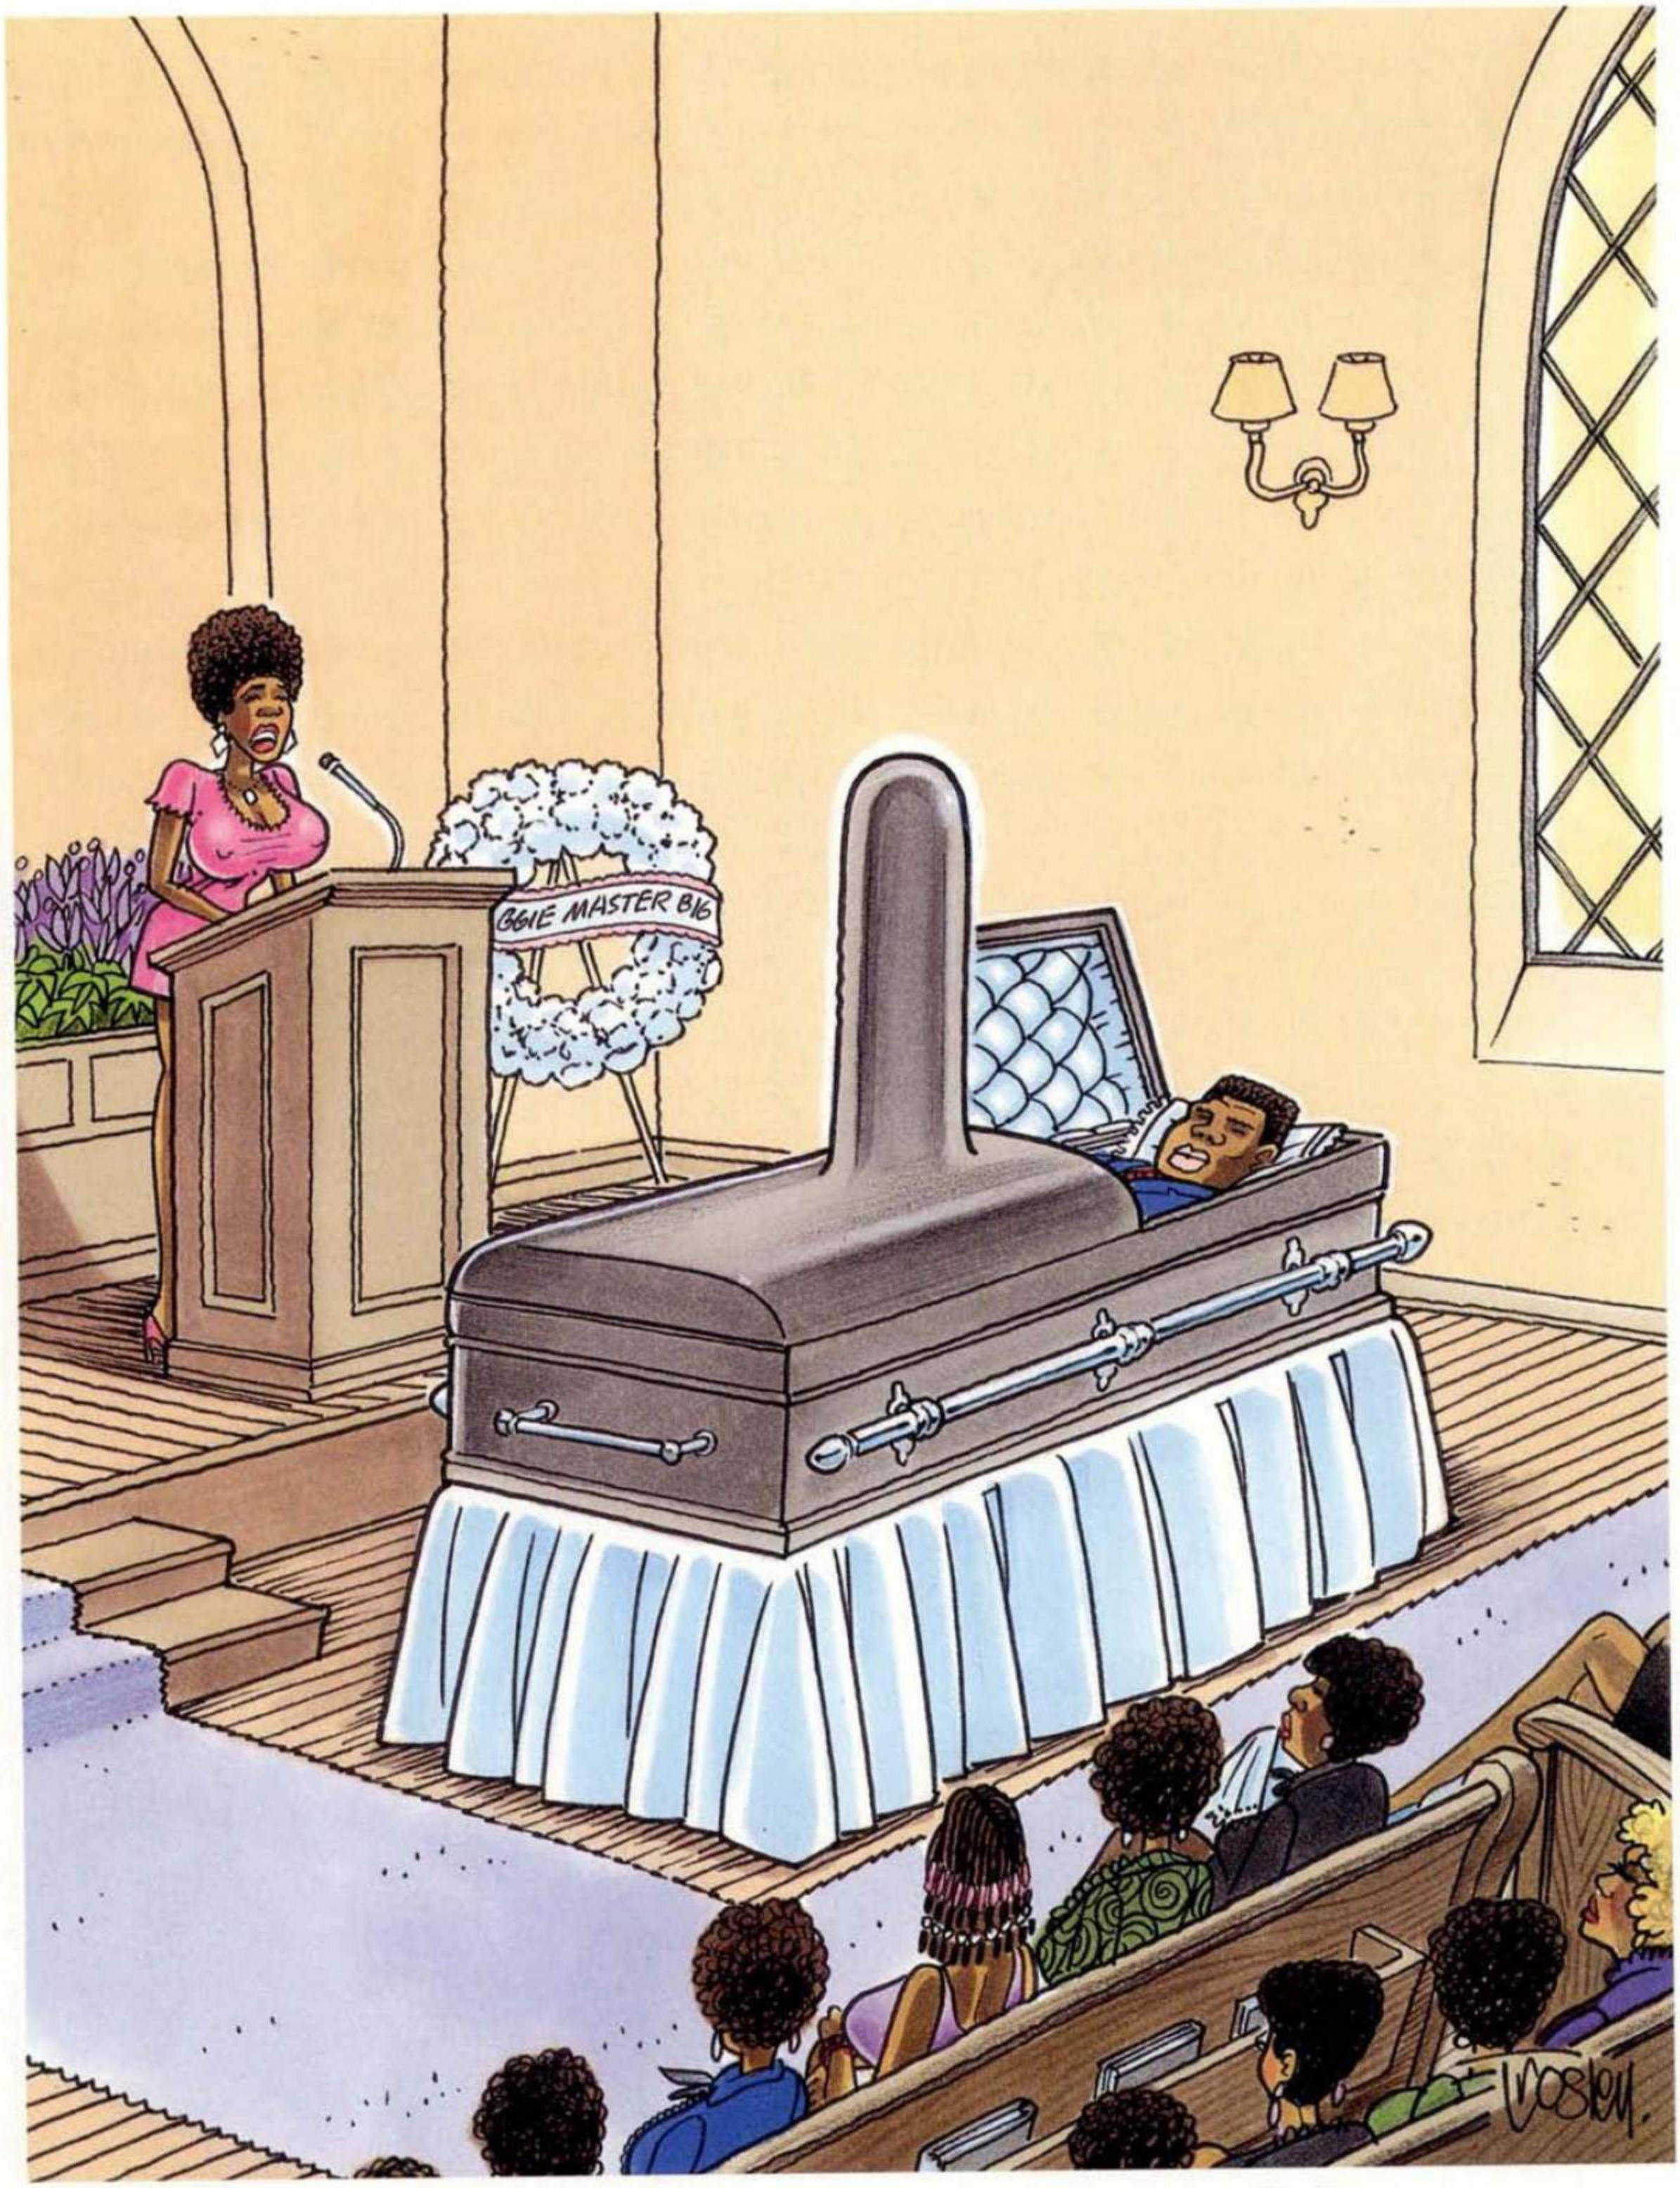

Nuby was drenched. A lazy, satisfied grin stretched across her face. Eternally grateful, I jammed my tongue down Nuby's piss-coated throat, scratched my phone number down and scampered away.

Now, I piss all over Nuby every weekend. She's made me understand that I'm not a freak. I'm special. Until a man who truly loves me for my urological perversions comes into my life, I'm content dousing my darling dyke. —C. K.

PUD-PULLERS STRETCH FOR EXTRA INCHES

BY RICHARD LINNETT • ILLUSTRATION BY MITCH O'CONNELL

Hans is an art director at a New York City advertising agency; his co-workers sense that he is edgy and wound tight—little do they know how tight. Under Hans's linen pants, a waist strap is clamped by a roach clip to a strip of tape that glues his bratwurst to his leg.

Hans is a tugger. Like a body-builder who bulks up by stretching muscle fibers, a tugger restores the foreskin he lost shortly after being born by pulling the skin of his dick shaft over the purple helmet at the end of his putz.

At night, after a long day of schlong stretching, Hans soaks his prick in a basin of warm water, then carefully removes his cloth-tape rig for six hours of penile relief. To an outside observer, Hans's wiener looks like a fat finger puppet wearing a party hat.

"The skin is bunching up on the shaft," Hans says. "It hasn't pushed over the head yet, but when I have the shrinky-dinks, like after I get out of the shower, my dick is partially covered. My goal is to have full coverage when I'm fully erect, which probably means growing another six inches of skin."

Will the new foreskin have any feeling?

"No," Hans says glumly. "No nerve endings. You can rebuild the hood, but you can't get the nerves back."

Still, Hans is convinced that his glans is more sensitive; moreover, Hans's girlfriend, Rachel, likes the way his one-eyed trouser snake slithers and slides in its new sleeve.

Tugging 18 hours a day, seven days a week, Hans estimates that it will be about three years before his strange transformation is complete.

Circumcision is the most commonly performed surgery in the U. S., making foreskin removal a $200-million-a-year industry, by some estimates. Foreskin restoration, a nonsurgical procedure, is by no means big business, but the practice has been embraced by an emerging subculture in recent years.

For Muslims, Jews and many other groups, lopping off dong meat is a deeply cherished cultural tradition. Abraham, the Bible's original do-it-yourselfer, circumcised himself and his two sons. Why? Because God told him to:

"You shall be circumcised in the flesh of your foreskins, and it shall be a sign of the covenant between me and you." (Genesis 17:11)

Thousands of years later, Jews devised uncircumcision techniques to avoid persecution at the hands of the Romans. During the reign of Antiochus IV, Hebrews used a weight, the *pondus Judaeus*, to stretch their foreskins, enabling them to enter public baths and participate in sporting events unharassed. Later, during the dark days of the Nazi holocaust, doctors performed surgical restoration using skin grafts to achieve the same wrinkly end.

Today, circumcision opponents claim that slicing schlong is archaic, unnecessary and amounts to ritual mutilation.

"Physicians who continue to perform routine circumcision are not only harming infants, but are also harming the integrity of the medical profession," says Dr. George Denniston, of Seattle, Washington. "These physicians are using their medical licenses to mutilate others."

Renowned pediatrician Dr. Benjamin Spock, M.D., recommended circumcision in early editions of his landmark book, *Baby and Child Care*, but has since changed his mind.

"My own preference, if I had the good fortune to have another son, would be to leave his little penis alone," Dr. Spock says.

Since the end of World War II, boys born in American hospitals have been circumcised as a matter of procedure, largely because of figures that indicate that penile cancer

Sex Play

"You can have more spontaneous sex with a circumcised penis, because you don't have to worry about finding cheese in the foreskin if the guy's a slob and hasn't taken a shower."

is high among "unaltered" American adults. However, penile cancer is rare, occurring in fewer than 0.8% of men, and researchers have been hard-pressed to definitively establish that the disease is related to having an uncut dork.

An anticircumcision movement has coalesced around those defending the rights of nonconsenting children, and men who want their foreskins back.

"I was robbed," says Gustavo, a securities trader who believes he would have higher self-esteem, not to mention a longer johnson, if his manhood had been left well enough alone when he was an infant. "No one ever asked me how I felt about losing part of my penis. I was a baby—I couldn't stop them."

The fact that a maternity-ward bone butcher gives no consideration to informed consent rankles many tuggers; but the single greatest factor that gets under the skin of an anticircumcision activist is sensitivity, or lack thereof.

"Sex feels better for uncircumcised men, because they have more feeling," Gustavo claims, though he concedes that he lost his foreskin long before he lost his virginity, making before-and-after comparisons exceedingly difficult.

While the question of sensitivity is contentious and difficult to establish conclusively, some medical studies have found sexual benefits to circumcision. A study released by the prestigious *Journal of the American Medical Association* (JAMA) found that circumcised men masturbate more often and are more likely to engage in oral and anal sex than the uncut. According to the study, they're also less likely to lose interest in sex as they age.

On the other hand, studies touting the health benefits of foreskin removal have been inconclusive. Perhaps for this reason, along with organized opposition to dork-shortening, circumcision rates have plummeted in the past 20 years. In 1970, almost 90% of boys born in American hospitals were circumcised; by 1995, the figure had fallen to just under 60%.

For men who were born too early to catch the save-the-foreskin wave, tugging is the only alternative.

Stretch Armstrongs use weights, cones, cock rings, tape and homemade mechanical contraptions to gradually pull the skin of the shaft over the head of the penis.

Rather than strangulate his blue-veiner with tape, Jeremy, from Stevens Point, Wisconsin, uses a Dual-action Incremental Longitudinally Expanding (DILE) insert to give his dingdong the pig-in-a-blanket look.

"This works well for me, because I don't have to unwind tape when I want to have sex," Jeremy says of the device, which comprises two inches of molded plastic with a threaded screw. "The other thing I like about the DILE is that I don't have to sit down like a woman or dribble when I'm taking a leak."

The only problem Jeremy reports is that his skin has been stretched so far down his shaft that he has pulled pubic hair down onto his penis.

"Hair creep is a common problem, even if you're just using tape," Jeremy says. "A little electrolysis, and I'll be in business."

Tuggers utilize a basic principle of dermatology to undo the wrong that they feel was done to them as infants. If skin is stretched out over time, the surface area increases, because stretching stimulates the growth of new skin cells.

"The same way a pregnant woman or a chick with big tits gets stretch marks, because the skin actually stretches, if I put 20, 30 foot-pounds of pressure on my penis for a prolonged period of time, the skin will stretch out," Jeremy says. "Eventually, I'll get my foreskin back."

Part of what motivates a tugger appears to be female pleasure. An article last year in the *British Journal of Urology International* found that women who had sex with "unaltered partners" were more likely to have a vaginal orgasm than with altered partners.

"When the anatomically complete penis thrusts in the vagina," says the study, "it does not slide, but, rather, glides on its own bedding of movable skin in much the same way that a turtle's neck glides in and out of the layers of skin surrounding it."

An untouched love muscle may indeed pleasure the pussy better than a mushroom pole does, but females tend to prefer the dick type they're familiar with. Solely because hooded scepters are encountered less frequently than Hebrew Nationals, they are shunned as abnormal, dirty or taboo.

"They look funny," says Judy Shapiro, a New Yorker who is married to a circumcised man but has fucked the uncut. "Also, you can have more spontaneous sex with a circumcised penis, because you don't have to worry about finding cheese in the foreskin if the guy's a slob and hasn't taken a shower."

What does it matter what a chick thinks? Why would a man spend years strangulating his dick skin with surgical tape just to get laid? Tug McGraws may be guilty of an overfocus on cock when, by all rights, they should be thinking about pussy.

UNBUCKLING THE BIBLE BELT

A YANKEE SEEKS SOUTHERN COMFORT AT DIXIE PUSSY PARLORS

SAMPLE THE SAUCE WITH MILES SONNENBAUM
ILLUSTRATION BY ALEX EBEL

A well-raised daughter of the Confederacy is taught to cook, quote scripture and respect her elders; does the accent alone make her so sexy?

Why do God-fearing Dixie chicks give such good couch?

A city slicker goes country in search of answers and down-home snatch.

Missy Lou grew up on a hog farm in northwest Louisiana. When she was a little girl, she hunted crawdads in the creek behind her house and ate blackstrap molasses out of a jar with a spoon. Later, she blossomed into a 23-year-old beauty who tanned her mouthwatering chest melons under the Delta sun.

Opting not to resign herself to a career hauling slop on a hog farm, Missy Lou moved to Arkansas, where she now works charming bills out of men's wallets at Foxy's, a strip club at the end of a utility road that shoots off the Interstate 40, north of Little Rock.

Southern Snatch

"A girl who was a customer here ripped down my G-string, stuck a finger inside my pussy and said she wanted to fuck me."

"Southern girls know how to treat a man like a man," Missy Lou tells me in her thick, Delta drawl. I'm happy to hear this. Hopefully, Missy Lou also knows how to treat a penis like a penis. I have ventured far into the Deep South, away from the jaded bimbos of my native Los Angeles, to sample the homegrown charms of the famously sensuous Dixie females.

After chatting up Missy Lou for almost an hour, plying her with beers and tipping her generously when she is onstage, it becomes abundantly clear that this southern belle is interested in getting to know a West Coast Yankee better, perhaps romantically, perhaps at one of the budget hotels that are clustered by a gas station off the highway.

"It's all about being brought up right—you're taught discipline, morals," Missy Lou says, continuing her ongoing monologue about how her mama raised her proper. "You're sort of behind the man, not walking beside him, because that's southern culture."

"Southern girls are also very sexually aggressive," I suggest.

"It's actually true," Missy Lou says. "A girl who was a customer here ripped down my G-string, stuck a finger inside my pussy and said she wanted to fuck me."

"Friendly," I say.

"Very friendly."

"Wet," I say.

"That's true."

On the outside, Foxy's is a nondescript rectangle of corrugated-steel siding. The club is tucked away in the city of North Little Rock, where it is far enough from the puritanical zealots running the Arkansas capital that it won't easily be legislated out of existence.

The gravel parking lot at Foxy's is packed with pickup trucks. My rented Ford Aspire, a white, space-podlike vehicle, is squeezed between a cluster of motorcycles under the neon glow of a Coors sign by the front double doors.

Inside, modern-day cowboys wearing Stetsons and Wranglers chug brews at round, black cocktail tables. Four girls are dancing at all times: two each on a pair of raised platforms the size and shape of boxing rings. Over the PA, a deejay spinning nothing but country goads patrons to tip the dancers. Bikini-girl beer posters plaster the walls, and a half-dozen pool tables occupy the far end of the hall, opposite a long, wooden bar.

Onstage, Missy Lou wears only skintight, white short-shorts and fringed, white boots. Her long, smooth, wavy brown hair tickles her exposed ass cheeks. As with the Dallas Cowboys cheerleaders she emulates, this girl seems at the same time a virgin and a slut. With her arms above her head and her fingers laced behind a brass bar, Missy Lou grinds her hips and jiggles her hee-haws to the tune of "Sweet Home Alabama."

I lay down a five-dollar bill on the strip of green AstroTurf that runs around the perimeter of the stage.

"Don't you want to be closer?" Missy Lou asks.

I do. "Do you want another drink?" I ask.

"Just set me up with a Shirley Temple."

I order a pair of vodka cranberries and my sixth gin and tonic.

Not one to sway lazily against a wall, waiting for spare change to fall at her feet, Missy Lou hoists herself up the brass bar, then lowers herself into the side splits with the rail running between her hooters. The girl's ankles shiver with the effort of holding the pose.

After the final chorus of the Lynyrd Skynyrd song, Missy Lou drops to her knees and crawls on the AstroTurf, collecting tips and sweetly thanking her benefactors. By local statute, strippers are not allowed to so much as set a toe over the bright-green boundary. While onstage, the girls must maintain a cushion of two feet above and three feet away from their beer-drinking, hat-wearing customers.

Her cash stashed in a purple, velvet Crown Royale sack, Missy Lou rejoins me. Along with the heavy meat of her tits, she has stuffed a hard pack of Marlboros and a lighter into her white tube top. I compliment the lovely on her dancing ability.

"Doing the splits is pretty much a prerequisite when you come in here," Missy Lou says, taking a long draw of her drink. "You see other people doing it and how graceful it looks, and you're, like, *Wow, I gotta practice that.* Men love it; but more than anything else, I think they like my attitude."

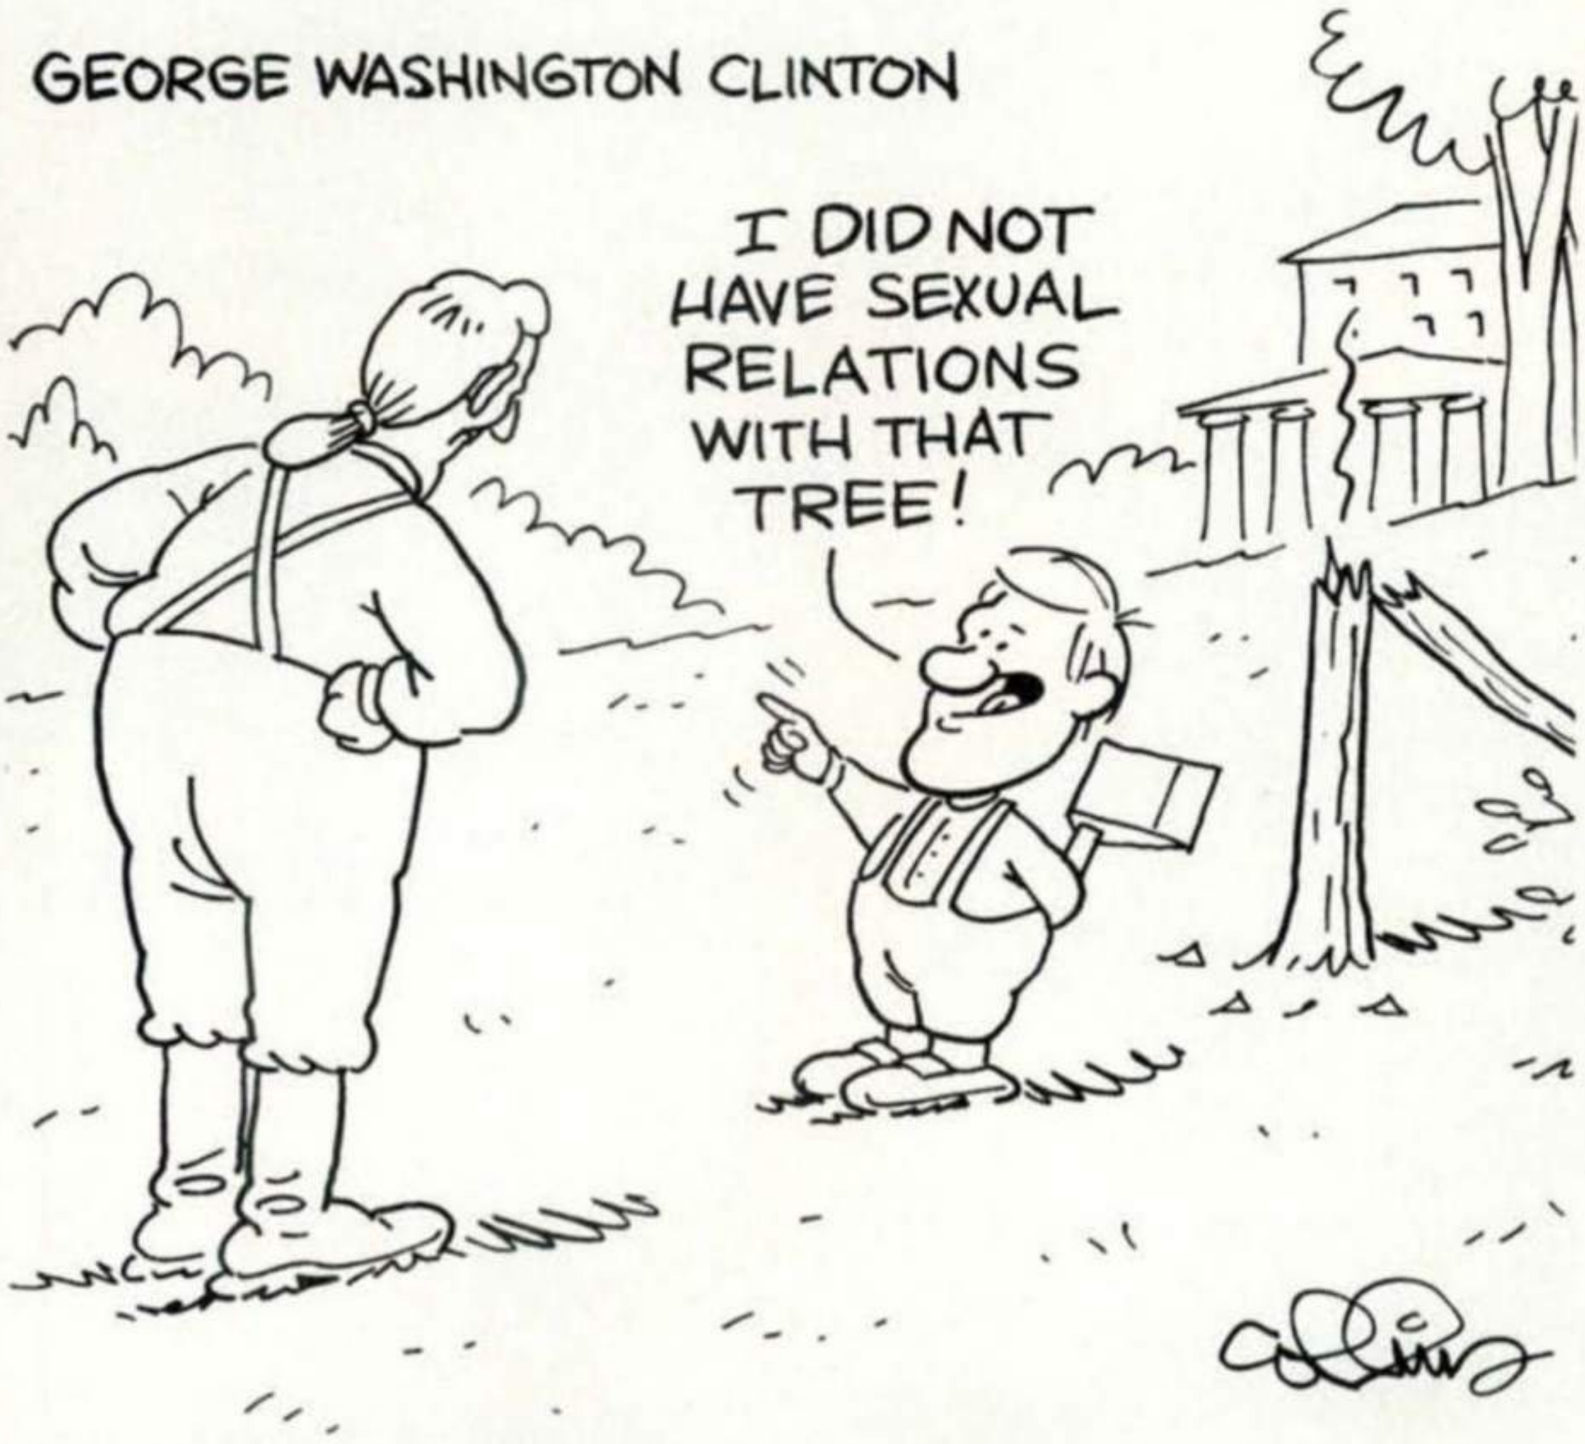

"And your big tits."

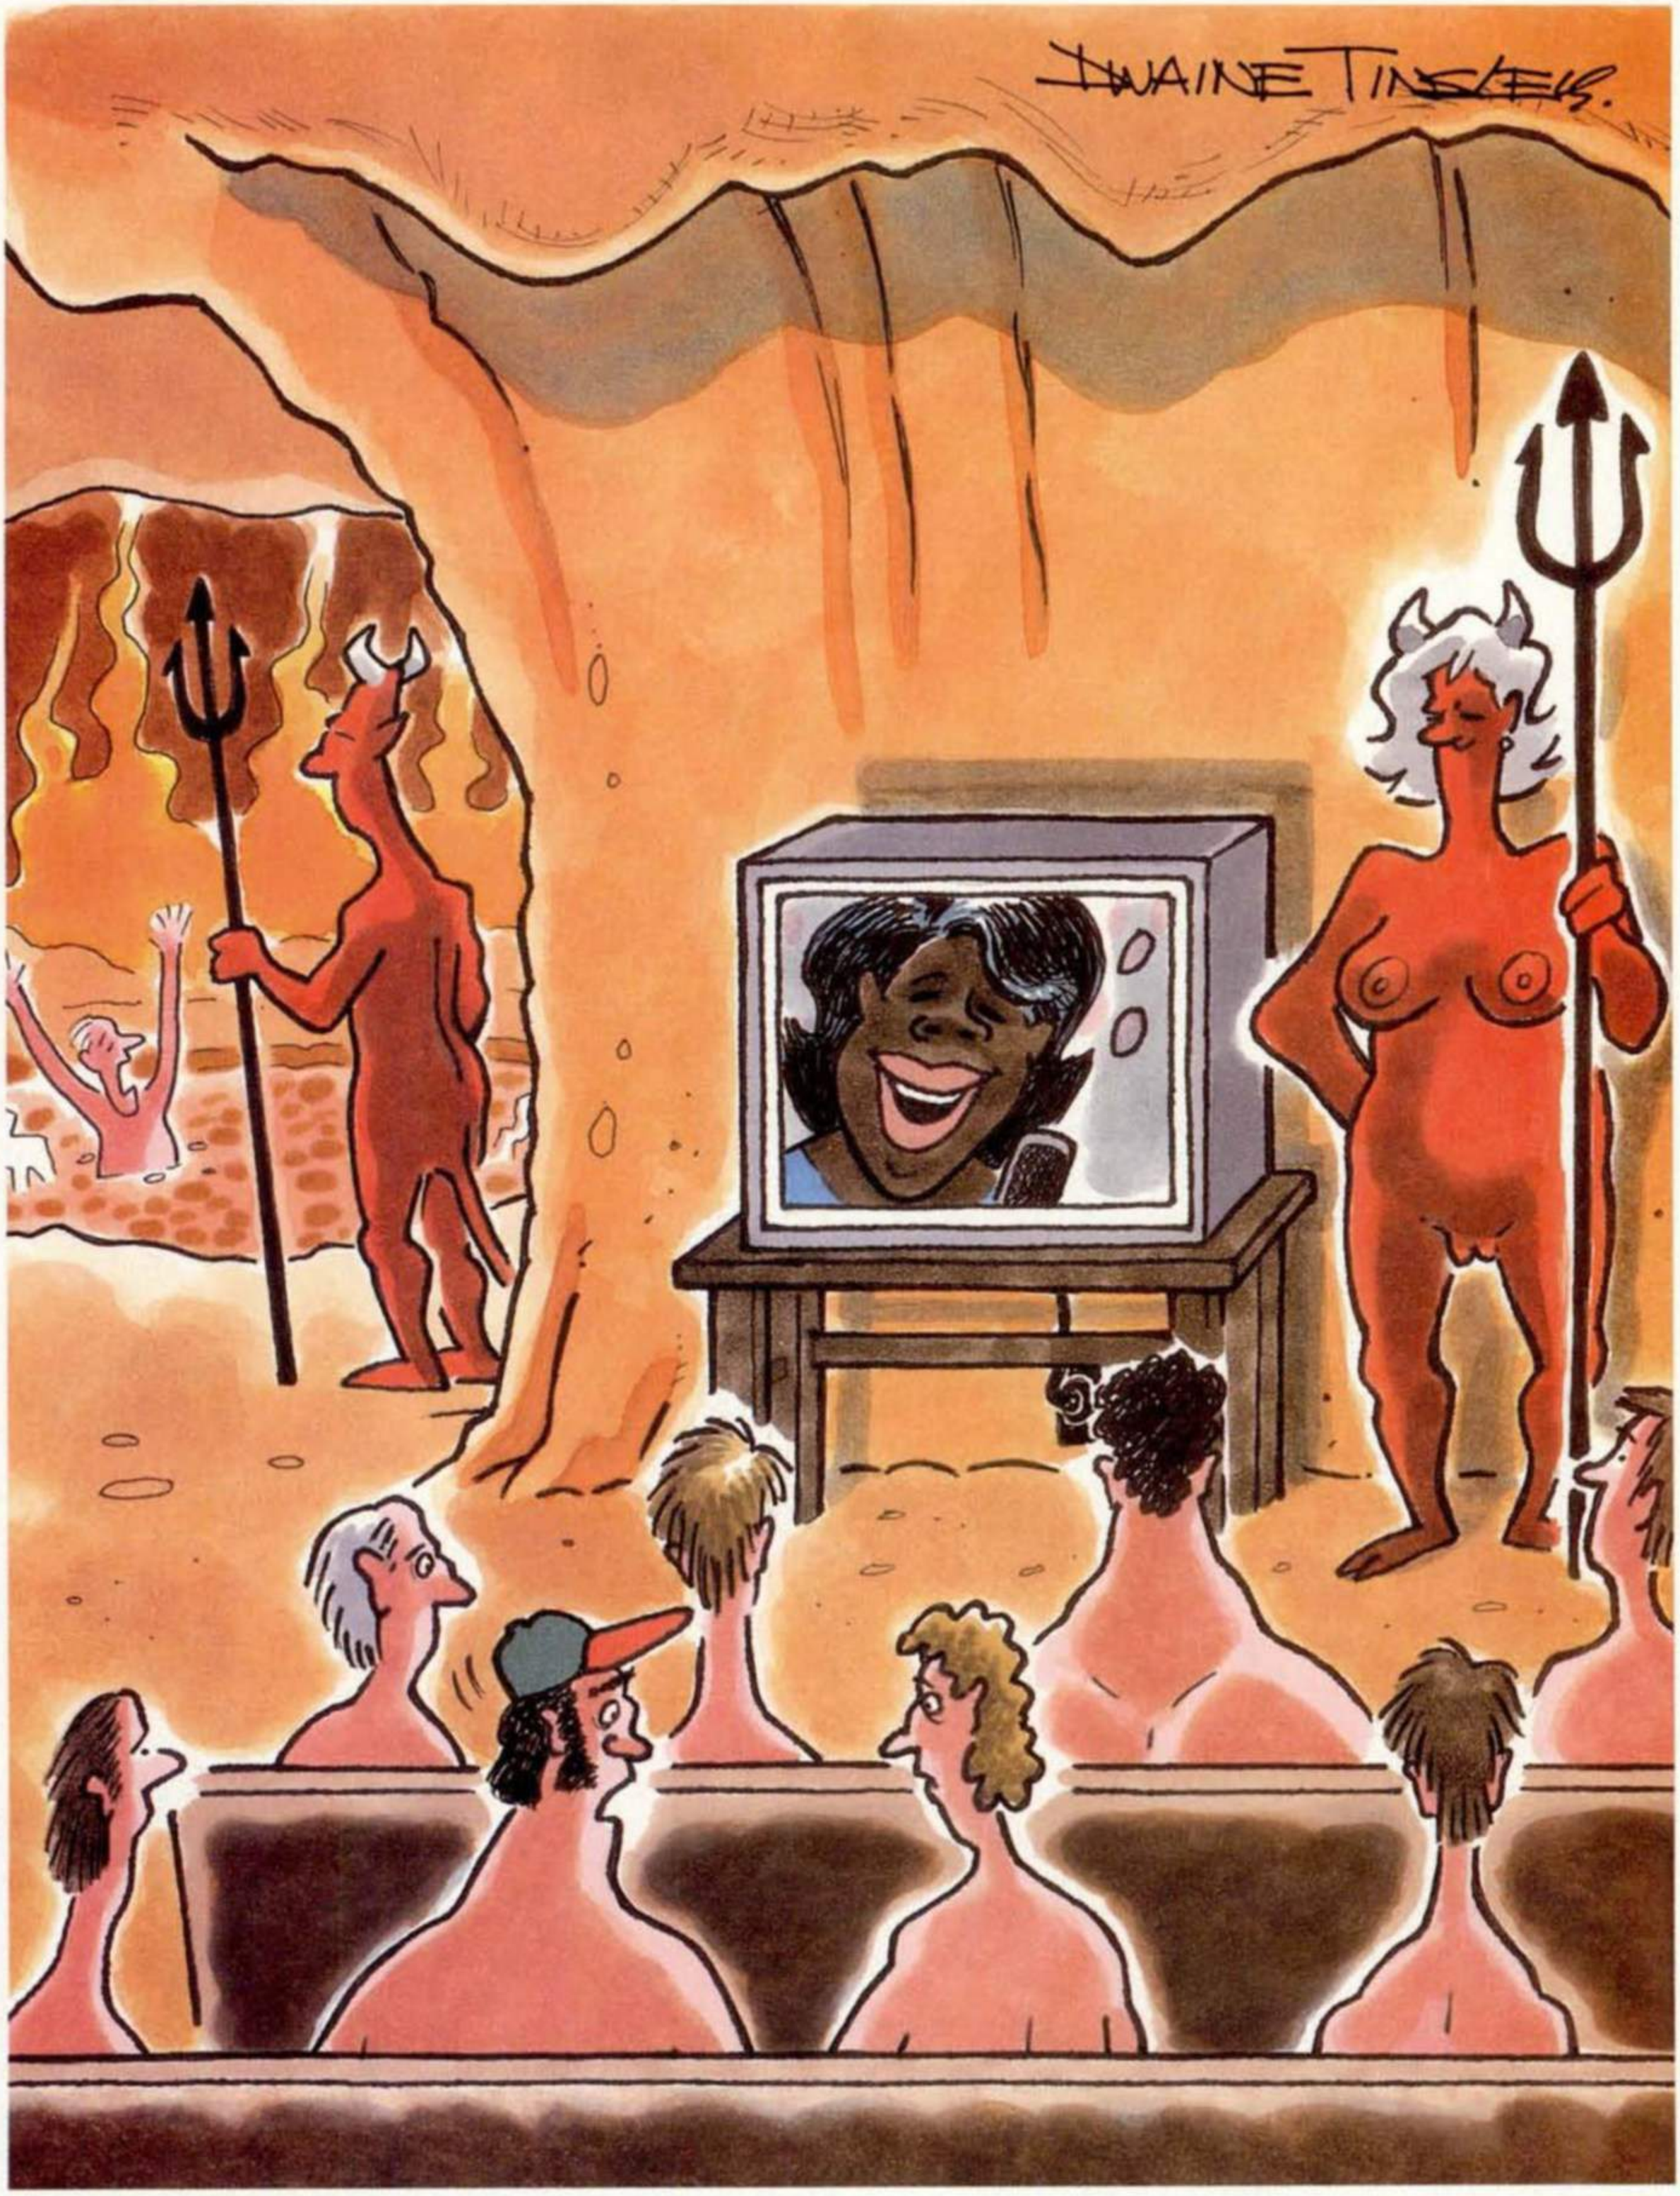

"I have big tits, but I think it has more to do with attitude," Missy Lou says.

We have finally come to a topic of conversation that interests me. I long to taste Missy Lou's whoppers. With lazy eyes, I ask her for a cigarette, even though I don't smoke.

Without waiting for a response, I rise up from my chair, plunge my nose between Missy Lou's downy milk pillows, gnaw open her hard pack with my tongue and pull a smoke into my mouth. Before I can sit back down, Missy Lou's Crown

Ever wonder what takes girls so long in the bathroom? College coed Nikki is about to let us in on a little secret. "I can't drop trou without touching myself at least once."

The sly minx wriggles out of her skirt. "I usually start with a little diddle, but I lose track of time. The next thing you know, I'm trying to see how many fingers will fit."

There's a knock at the door. One of Nikki's lezzie roommates pokes her head in.

"What happened? Did you fall in?"

"No," Nikki gleefully replies, "but I'm totally wet and could really use a hand in here."

Southern Snatch

(continued from page 62)

"I believe that God intends for me to be doing what I'm doing...Praise God, from whom all blessings flow." For a church girl, Angel has a tasty set of knockers.

Royale bag wallops me upside the head.

"How 'bout a light?" I ask, reaching with both hands for her milk sacks. Missy Lou ignites a blowtorch of a lighter, nearly scorching my eyebrows.

"Do you know what a redneck is?" Missy Lou asks with steel in her voice. "A redneck is somebody who hoots and hollers at country music, gets really drunk, and thinks they can grab all over you. They are not gentlemen, by any means. We get them up in here. They settle down or they gotta leave."

I'm not sure what Missy Lou's driving at, but, without taking a breath, she makes plain her attraction to me—as if there were any doubt.

"Sometimes, guys get too stupid—ten feet tall and bulletproof. They'll try to lick all over you, put their fingers up in you."

I know a come-on when I hear one. This sweet petunia has a crush on me.

"Somebody out there make some noise," the deejay booms over the PA.

"*Soooooooeeeee*," hollers a man wearing a soiled, white-and-green baseball cap at a table nearby. He is gangly, with a prominent Adam's apple and twisted teeth. Written in embroidered cursive on a blue patch on his shirt pocket is his name, OOGER.

Ooger is drunk, voluble and friendly. He introduces himself to Missy Lou.

"Where you from?" he asks.

"I'm from Louisiana."

"You are?" Ooger says. "I was raised in Wilmot, Arkansas, by Kilbourne; you ever been there, up by the Bayou Bartholomew?"

"Yeah."

Ooger's eyes widen as though he has stumbled upon kin. "Then you know Wilmot. Wilmot's right across from Jones. You know how the road cuts around the cemetery, then goes up the hill...."

"No," Missy Lou says and shakes her head.

"How 'bout you?" Ooger says to me. "Where you from?"

"Los Angeles," I tell him.

"A Yankee!" he exclaims, as though he's calling a winner at a carnival, but also as if announcing the presence of an interloper to his friends at the next table. Rebel eyes shift my way.

"So you're from Shakeytown," Ooger says. "You don't know what that is? Truckers have a name for every city. L. A. is Shakeytown. Little Rock is Rock City."

I buy the man a beer, his 14th of the night. Ooger, drunk, talks a blue streak; he believes that the Civil War is still being fought.

"After me and you are dead and gone, it's going to be happening," he tells me. "Basically, that's history, man—that's how history works. Racism happens. I myself have racist thoughts."

"Like what?" I ask.

"I'm not going to lie to you—I say *nigger* every now and again," Ooger says. "But my buddy's black—we're just here to have a good time." Ooger gestures to a clean-cut black man sitting behind a congregation of empties at the next table. "That's life," Ooger says. "That's the way it's got to be."

Missy Lou, meanwhile, has disappeared; but I spot a peroxide blonde wearing a white-knit bikini and smoking a cigarette at an empty table. I grab Missy Lou's untouched cocktail, ditch Ooger and sit myself down with Angel, who has lived every day of her life in Arkansas, except for the two months she spent in Atlanta. I am surprised to learn that she attends church every Sunday.

"If you're going to do something, you should do it the best you can," Angel says. "I believe that God intends for me to be doing what I'm doing.

"You'd be surprised how many preachers you see up in here," Angel adds suddenly. "They park their trucks the back way in so you can't see the I LOVE JESUS bumper stickers. They think sex is dirty, but sometimes you gotta do what you gotta do. Praise God, from whom all blessings flow."

For a church girl, Angel has a tasty set of knockers.

"Do your parents know you strip?" I ask, then immediately regret asking.

"My parents would kill me if they knew; that's all I can say," Angel says. "But they like it I'm not poor." Angel pauses. "Sometimes, I feel ashamed of what I do."

Angel becomes emotional. Under the table, I wedge her knee between my legs and ogle her tits. Angel cries openly, but her sobs jiggle her juicy rack, negating any empathy I might feel as I happily hump the girl's knee.

"In fact, this is the most degrading experience of my whole life," Angel says. The long arm of security yanks me out of my seat and tosses me out the double doors. To my dismay, my space pod has been blocked in by hogs. Ooger stumbles outside.

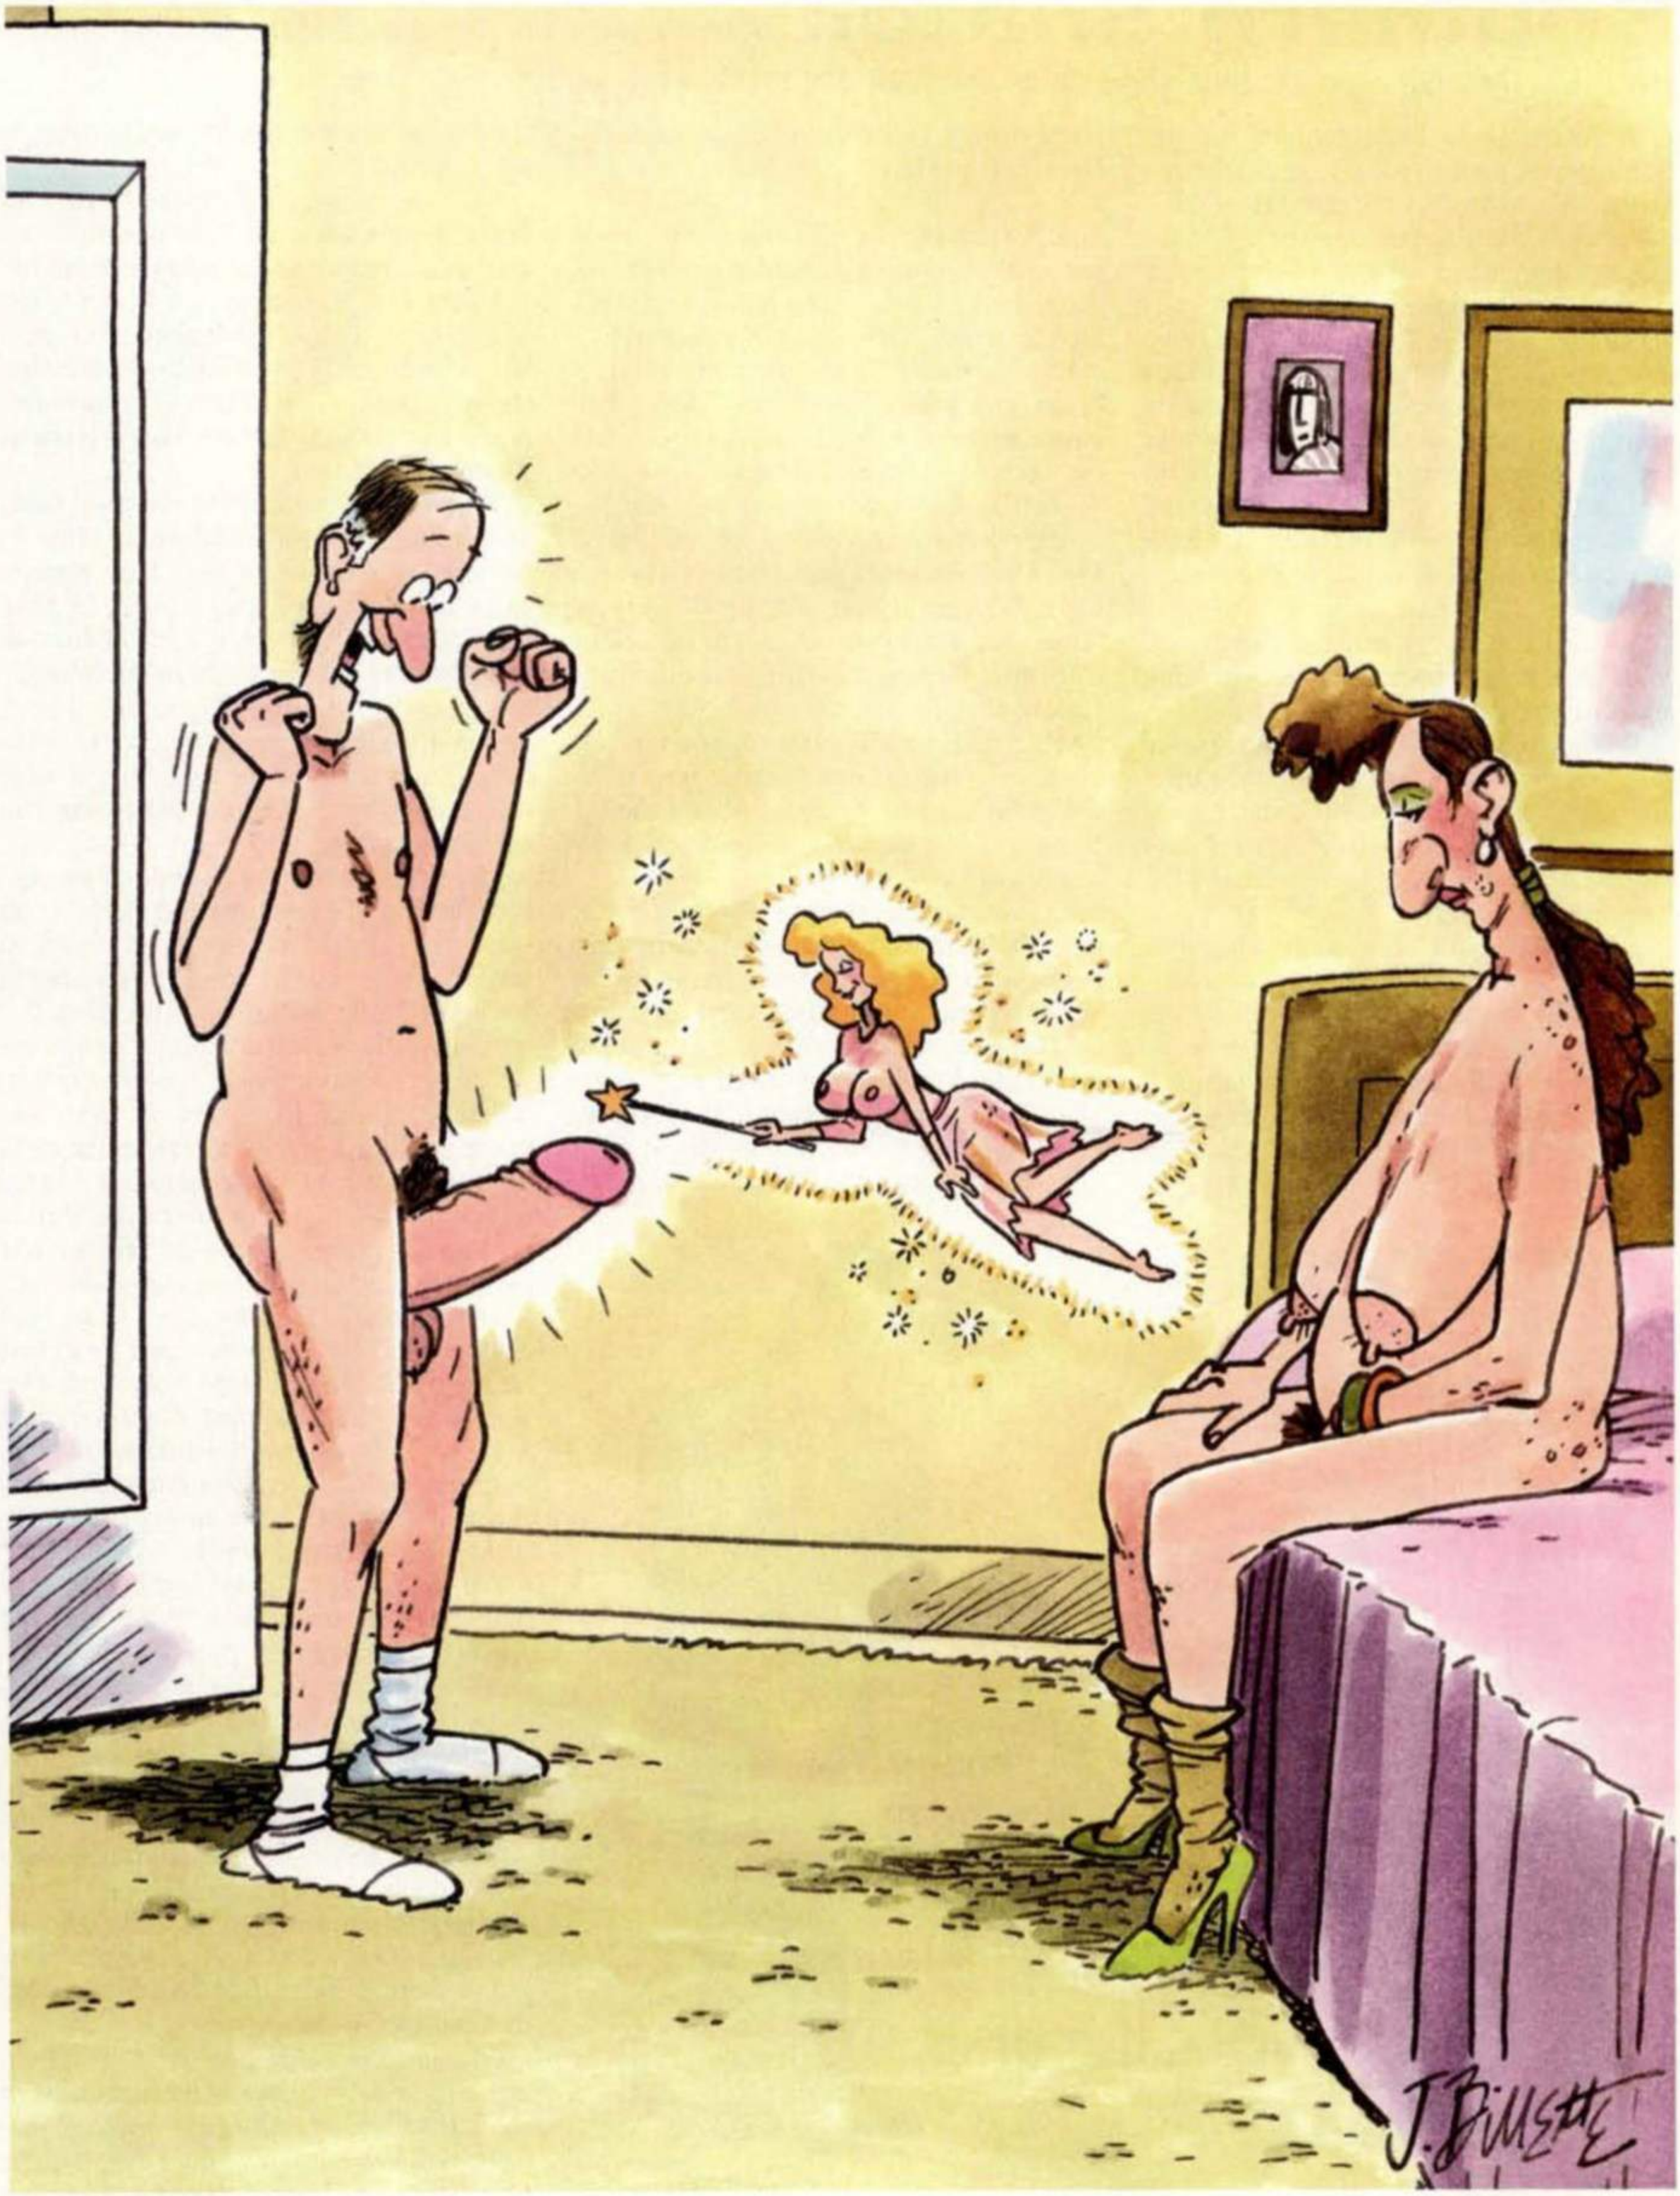

"Assholes," Ooger says. "C'mon. Let's go to the Gentleman's Club."

* * *

Gentleman's Club 70 is a wood-paneled roadhouse on Highway 70, east of Little Rock. The place was built in the 1930s, and Elvis Presley is said to have played there, along with Hank Williams, Hank Williams Jr. and Dolly Parton.

"Look, don't bitch! If I can't find it, I can't eat it."

"Bless you, boner fairy!"

Southern Snatch

A busty chick wearing a rhinestone G-string stuffs her tits in the man's mouth, then steps up on the chair and mashes her snatch in his face.

"A man shot his brother at the Gentleman's Club with a 12-gauge, back in the '40s when it was a honky-tonk," says Ooger, shifting the gears of his dilapidated Ford 250.

After a pause, Ooger picks up the conversation. "Got a call from the sheriff this morning. A 1,600-pound Black Angus steer got hit by a truck; it was just lying by the side of the road. Me and my partner back there went and got it and took it to the slaughterhouse. I got 250 one-pound tubes of hamburger meat out of it. Got a bunch of steaks too. Cost us $157 a piece."

"Free meat," I say.

"When I run low, I call the sheriff and say, 'Sheriff, I'm back on line. Anything gets hit, give me a call.'

"Getting it up in my truck was the tricky part," Ooger says. "First we tried to pull it up with a winch, and then the sheriff tied a cable around the steer's neck and hitched it to the back of his truck and drug it up into my tailgate."

"I guess you got a big freezer at home to put it in."

"No. The freezer's all full up with the deer I picked up last week," Ooger says. "The steer's still in the back of my truck."

I think about the sun beating down on the aluminum shell of Ooger's truck all day, slow-cooking the freshly slaughtered beef. I fish for a dinner invitation, but receive none.

* * *

"Let's find Peaches," Ooger says when we arrive at the Gentleman's Club 70, referring to a girl whose mom taught her how to strip there on her 18th birthday.

My eyes focus on a pretty, dark-skinned black girl with almond eyes and a full chest; she shakes her bountiful, black ass on one of the three stages. I lay $5 onstage and look forward to a lap dance.

After her dance, Ebony sits with me. Like Ooger, she seems to believe that the Civil War ain't over. Before moving to Arkansas, Ebony lived in the notorious Cabrini Green housing project in Chicago.

"I've had girls here wash their hands after they touched me, because they think my color's going to come off on them," Ebony says. "But they're ignorant. They never met no blacks before."

Ebony tells me that there was a KKK rally in Little Rock last year, and another one just a week ago in Newport, a town of 7,500 between Little Rock and Jonesboro.

"The girls here used to say shit about me in the dressing room until I got them all together and told them, 'If any y'all have anything to say to me, say it right now, to my face, and I'll whup your ass right here.' Didn't nobody say nothing to me after that."

When the Sir Mix-A-Lot song "Baby Got Back" comes on the PA, Ebony rolls her eyes and climbs onstage along with all the other dancers. Following a listless set, the house lights come up; strippers in negligees and bikinis trot back to the dressing room, clutching bills to their bosoms. Somewhere, Ooger emits a loud *Yeeeehaw*. The place is closed.

"If you really want to have a good time, you got to go to Platinum Plus in Memphis," Ooger tells me. "One time, a truck driver backed into my rig; he paid me $300, and I spent it all at Platinum Plus. It's the wildest place in the South."

* * *

Ten hours later, my space pod docks within a Platinum Plus parking spot. I note that sedans by far outnumber pickups in the blacktop lot.

Memphis functions as a node of permissiveness between Atlanta and Dallas in an otherwise restrictive South. If I am to taste country cooze before I return home to Shakeytown, Memphis is the place.

"I heard through the dancers' grapevine that it was booming here," says Summer, a busty blonde from Detroit who has come to work a few weekends at the club. "I heard you can make between $1,000 and $2,500 for a 4 p.m.-to-2 a.m. shift.

"This is probably one of the wildest bars I've worked in," Summer adds.

The onstage goings-on bear out Summer's claim. A man is tied to a chair on the black-lacquer stage, surrounded by five nearly naked women. On a Saturday night so crowded that it's difficult to walk between tables, a gang of Amazons tears this man's clothes off in an orgiastic spectacle that the crowd boisterously enjoys.

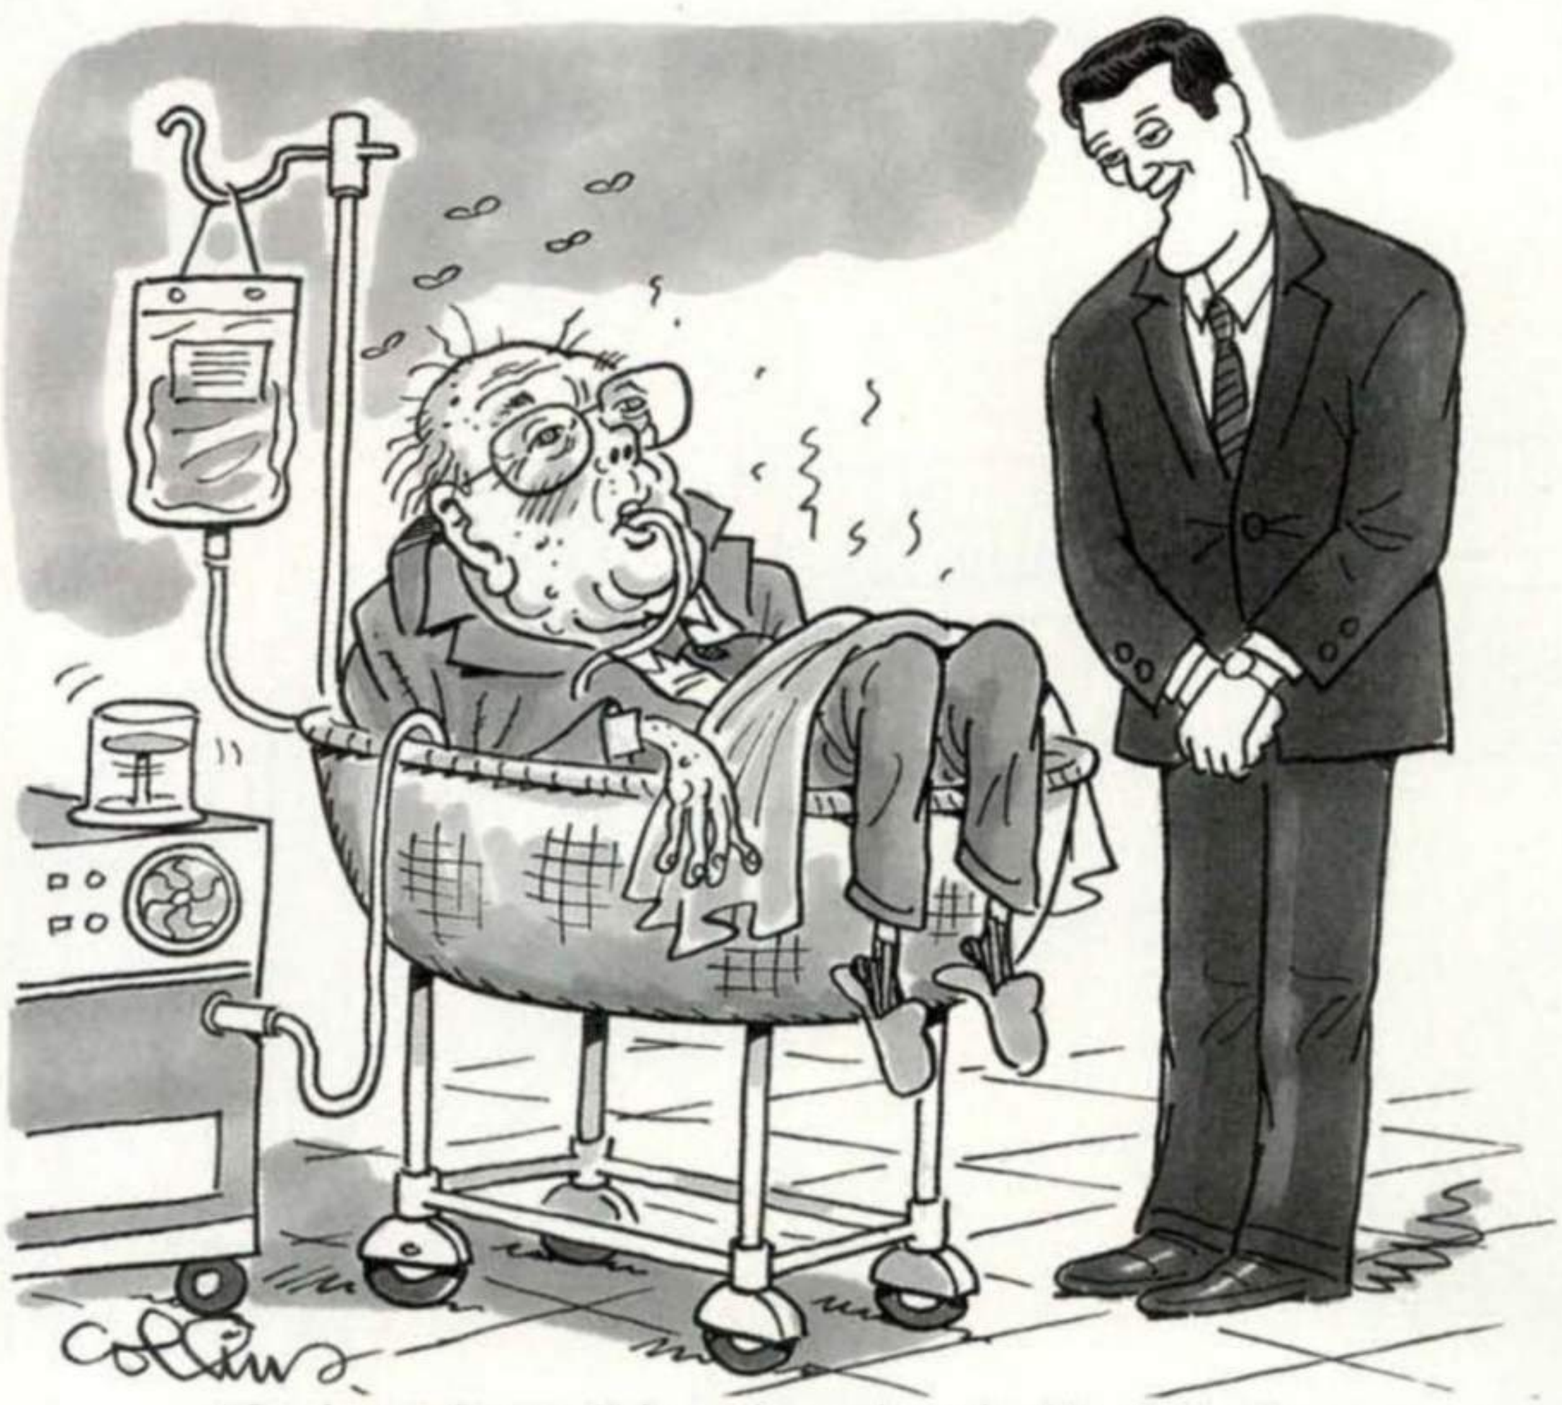

Onstage, a pert, toned southern bunny unbuckles the man's belt, removes it and reaches down into his pants. With a ferocious yank, she rips his boxers off and snaps them on his head. A busty chick wearing a rhinestone G-string stuffs her tits in the man's mouth, then steps up on the chair and mashes her snatch in his face.

Over the house PA, the booming voice of the deejay eggs the girls on.

"Since y'all a bunch of lazy whores, beat his ass," the deejay says. "This man's getting married. He needs to get his butt whupped."

With the bachelor bent over his chair, the girls remove more belts from men in the crowd and brutally beat the husband-to-be with mighty wallops. Finally, the man is pushed back into the audience to his bellowing buddies.

"Good news, Senator Helms—the good people of North Carolina have reelected you for another term."

"Uh... interesting news, your majesty. Your version of the Bible has totally bewildered the scholars and utterly fucked up the heads of the people."

Lately, the curvaceous curator of kitsch has acquired a kink that could cost her job. "I get so horny during the shoot that it's all I can do to keep from rubbing myself off behind the soundstage.

HUSTLER HUMOR

A hunchback shambled through the kitchen. He saw his mother take a Chinese wok from the cupboard.

"Stir-fry!" the deformed man clapped, swaying back and forth. "We're gonna have stir-fry!"

"What are you talking about?" his mom asked. "I'm ironing your shirts."

Harvey and Sheila lay in the bed where he'd fucked her, arguing about which gender enjoyed sex more.

Harvey yawned. "Men obviously enjoy sex more than women. Why do you think we're so obsessed with getting laid?"

"That doesn't prove anything," Sheila countered. "Think about this: Your ear itches. You put your finger in there and wiggle it around. When you pull it out, which feels better? Your ear or your finger?"

Question: What do you call a lawyer with an IQ of 50?

Answer: Your Honor.

Al Gore was campaigning at a nursing home. The candidate approached an elderly woman and shook her hand.

Gore looked into the granny's sad eyes and asked, "Do you know who I am?"

"No," replied the old gal, "but if you go to the front desk, they'll tell you."

Valerie, a sheltered teenage girl, ran home from school and threw her arms around her mother.

"Is it true what Elaine just told me?" the girl sobbed. "Do babies come out of the same place where boys put their penises?"

Valerie's mother had always avoided the subject, but was forced to admit that, yes, babies do come out of that same hole. "Now, let's drop the matter," the mom said, pushing her daughter away. "You aren't having a baby for a long time."

The forlorn cutie's petite frame shuddered. "I hope not," she gasped. "A baby would knock my teeth out."

Brian noticed a male co-worker, Arthur, wearing an earring. Arthur had a reputation as an unusually conservative fellow; so the adornment was surprising. "I didn't know you were into earrings," Brian said.

"Don't make such a big deal," the stodgy man snapped. "It's only an earring."

Brian persisted. "No, come on. How long have you been wearing one?"

Arthur's jaw clenched. "Ever since my wife found it in our bed."

The HUSTLER Dictionary defines *fart* as: a turd honking for clearance.

An elderly couple was sitting together watching television. During a commercial, the husband asked his wife, "Whatever happened to our sexual relations?"

After a long, thoughtful silence that lasted through the next commercial, the wife replied, "You know, I don't know. I don't even think we got a Christmas card from them this year."

Question: How is a clitoris like JonBenet Ramsey's killer?

Answer: Nobody can find it.

At the end of the school year, a group of kindergartners gave gifts to their teacher, Miss James. The florist's son brought flowers; the confectioner's daughter gave the teacher a box of chocolates.

The son of the liquor-store owner handed her a box that was leaking. "Guess what I brung you!" screamed the excited tot.

Miss James touched a drop of the leakage with her finger and brought it to her tongue. "Wine?" she asked.

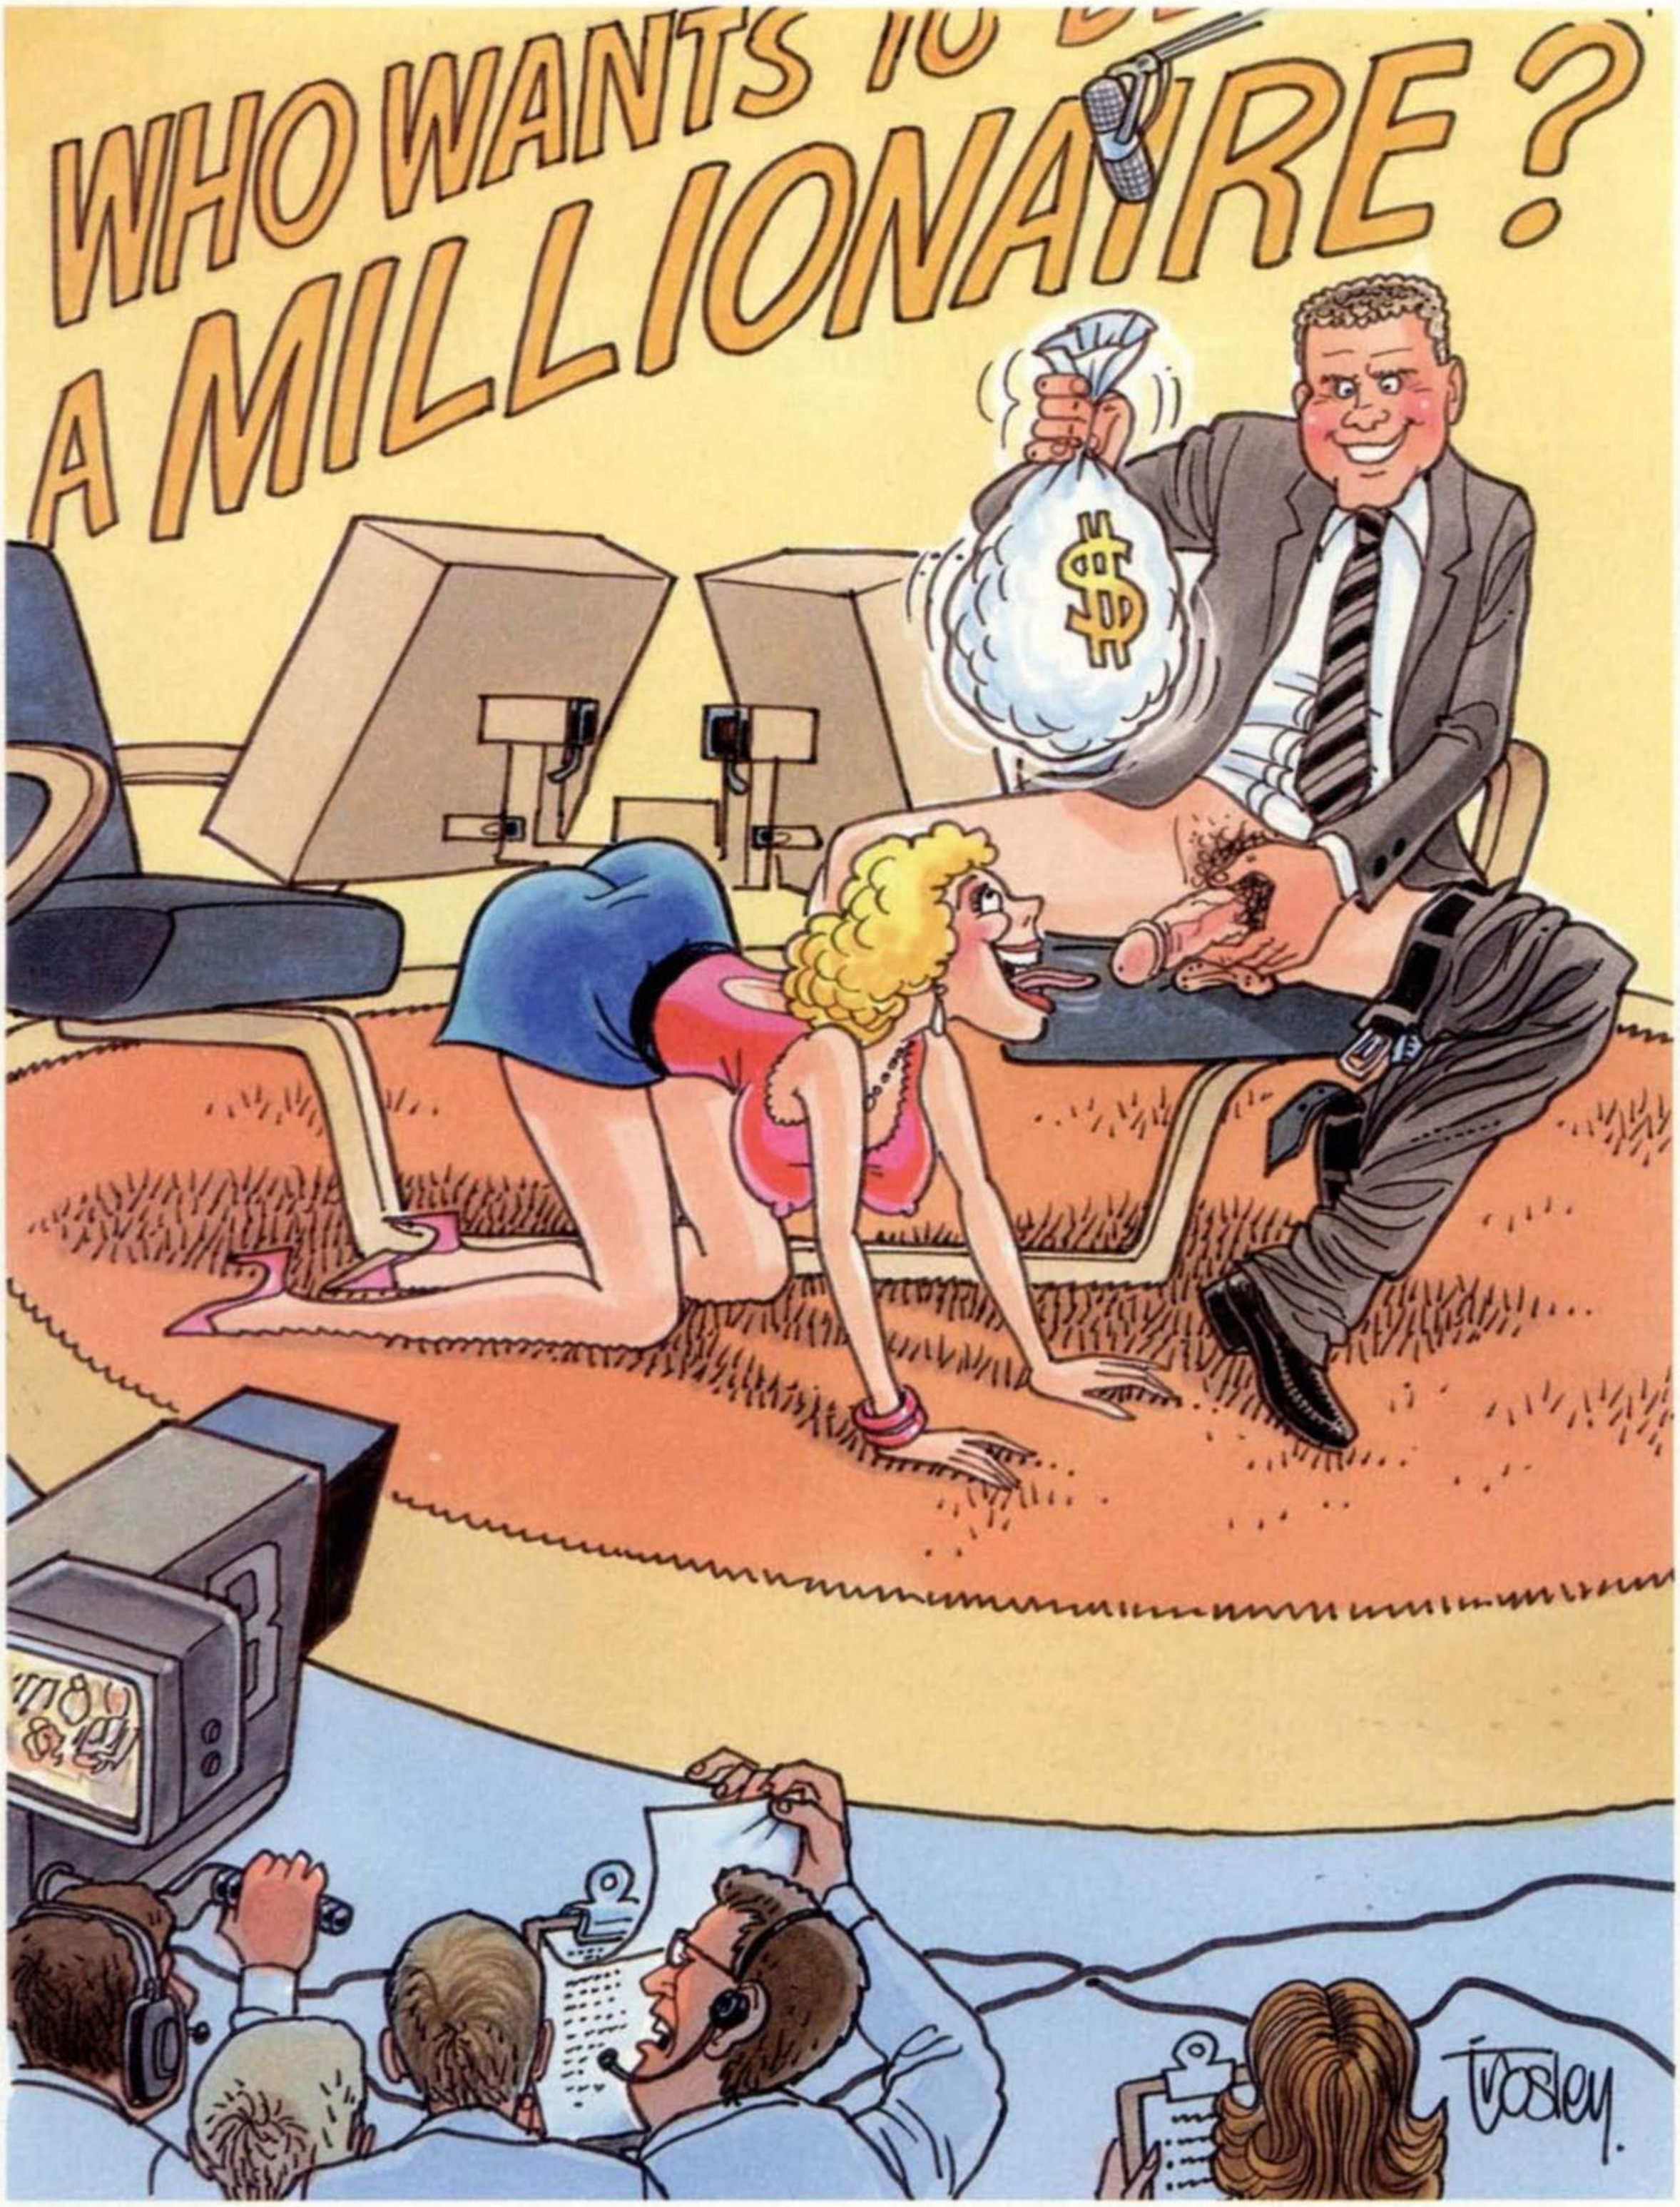

"No," the boy replied.

The teacher ran her tongue along the outside of the mystery box. "Champagne?" she guessed. The child shook his head, giggling.

Miss James took one more taste of the dripping liquid before announcing, "I give up; what is it?"

The happy kid threw his arms wide and squealed, "It's a *puppy!*"

REVENGE OF THE WHORES

EX-FLOOZIES BUSHWHACK JOHNS AT SCHOOL FOR BUSTED TRICKS

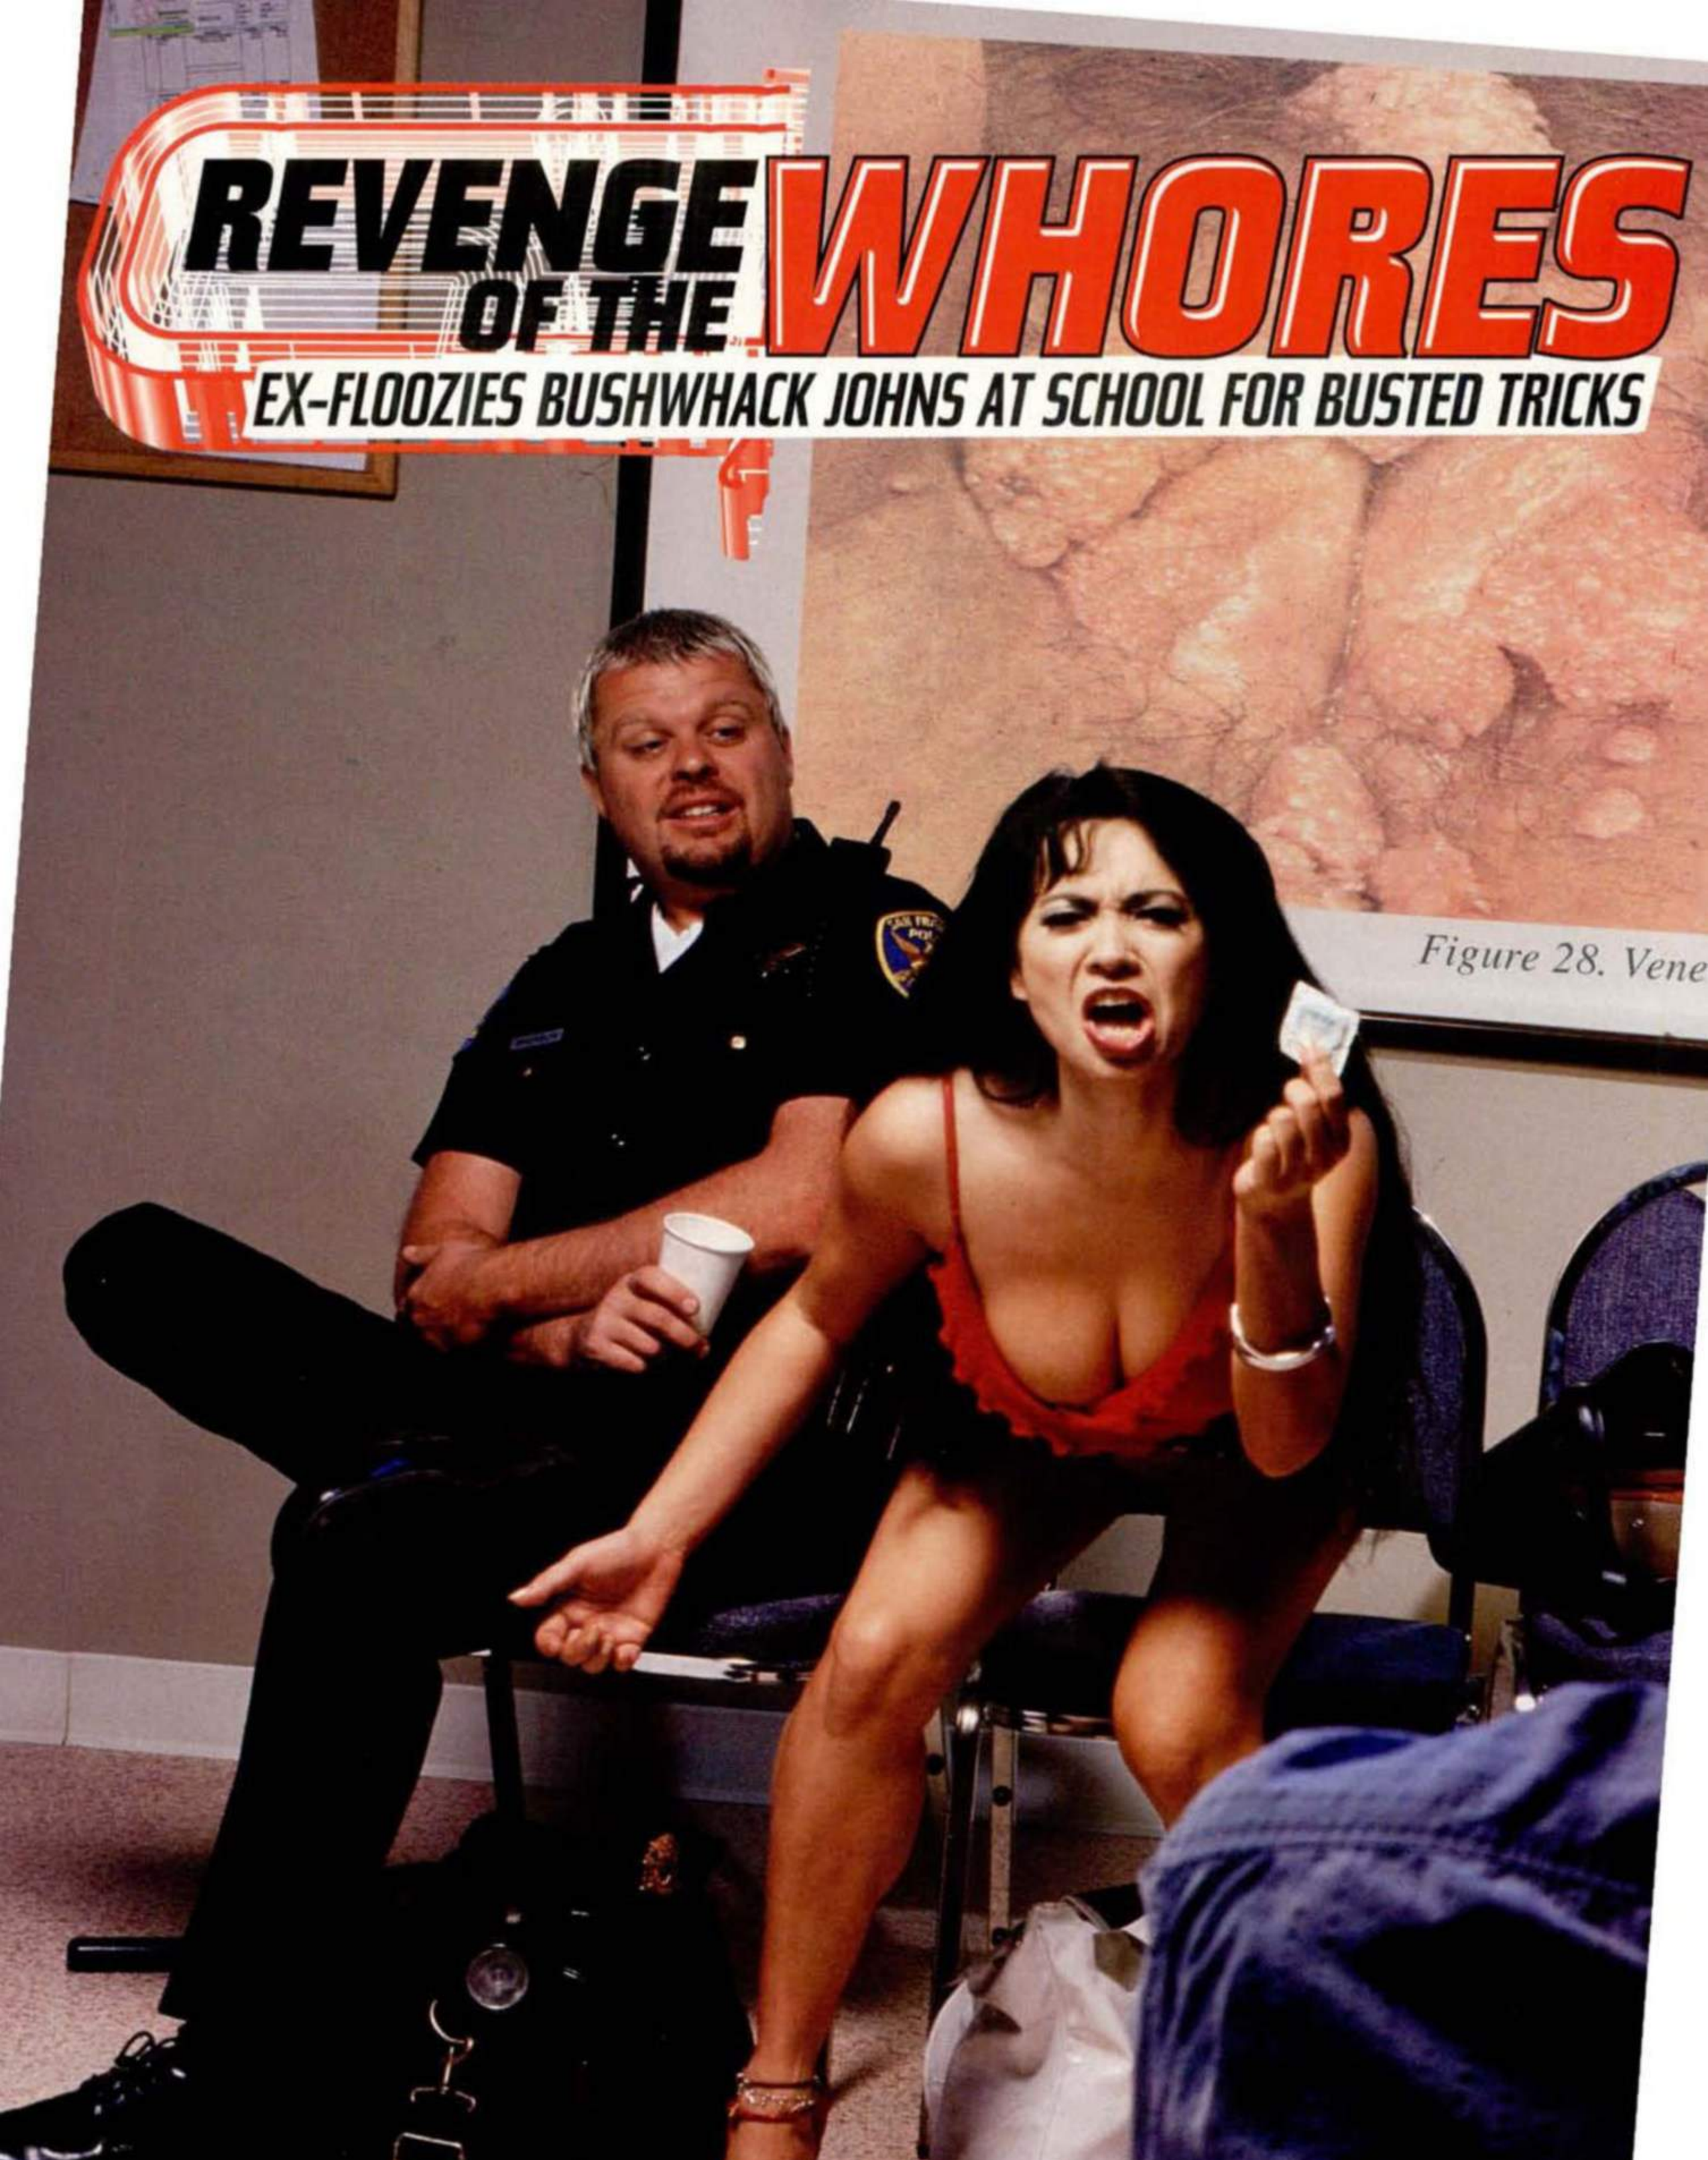

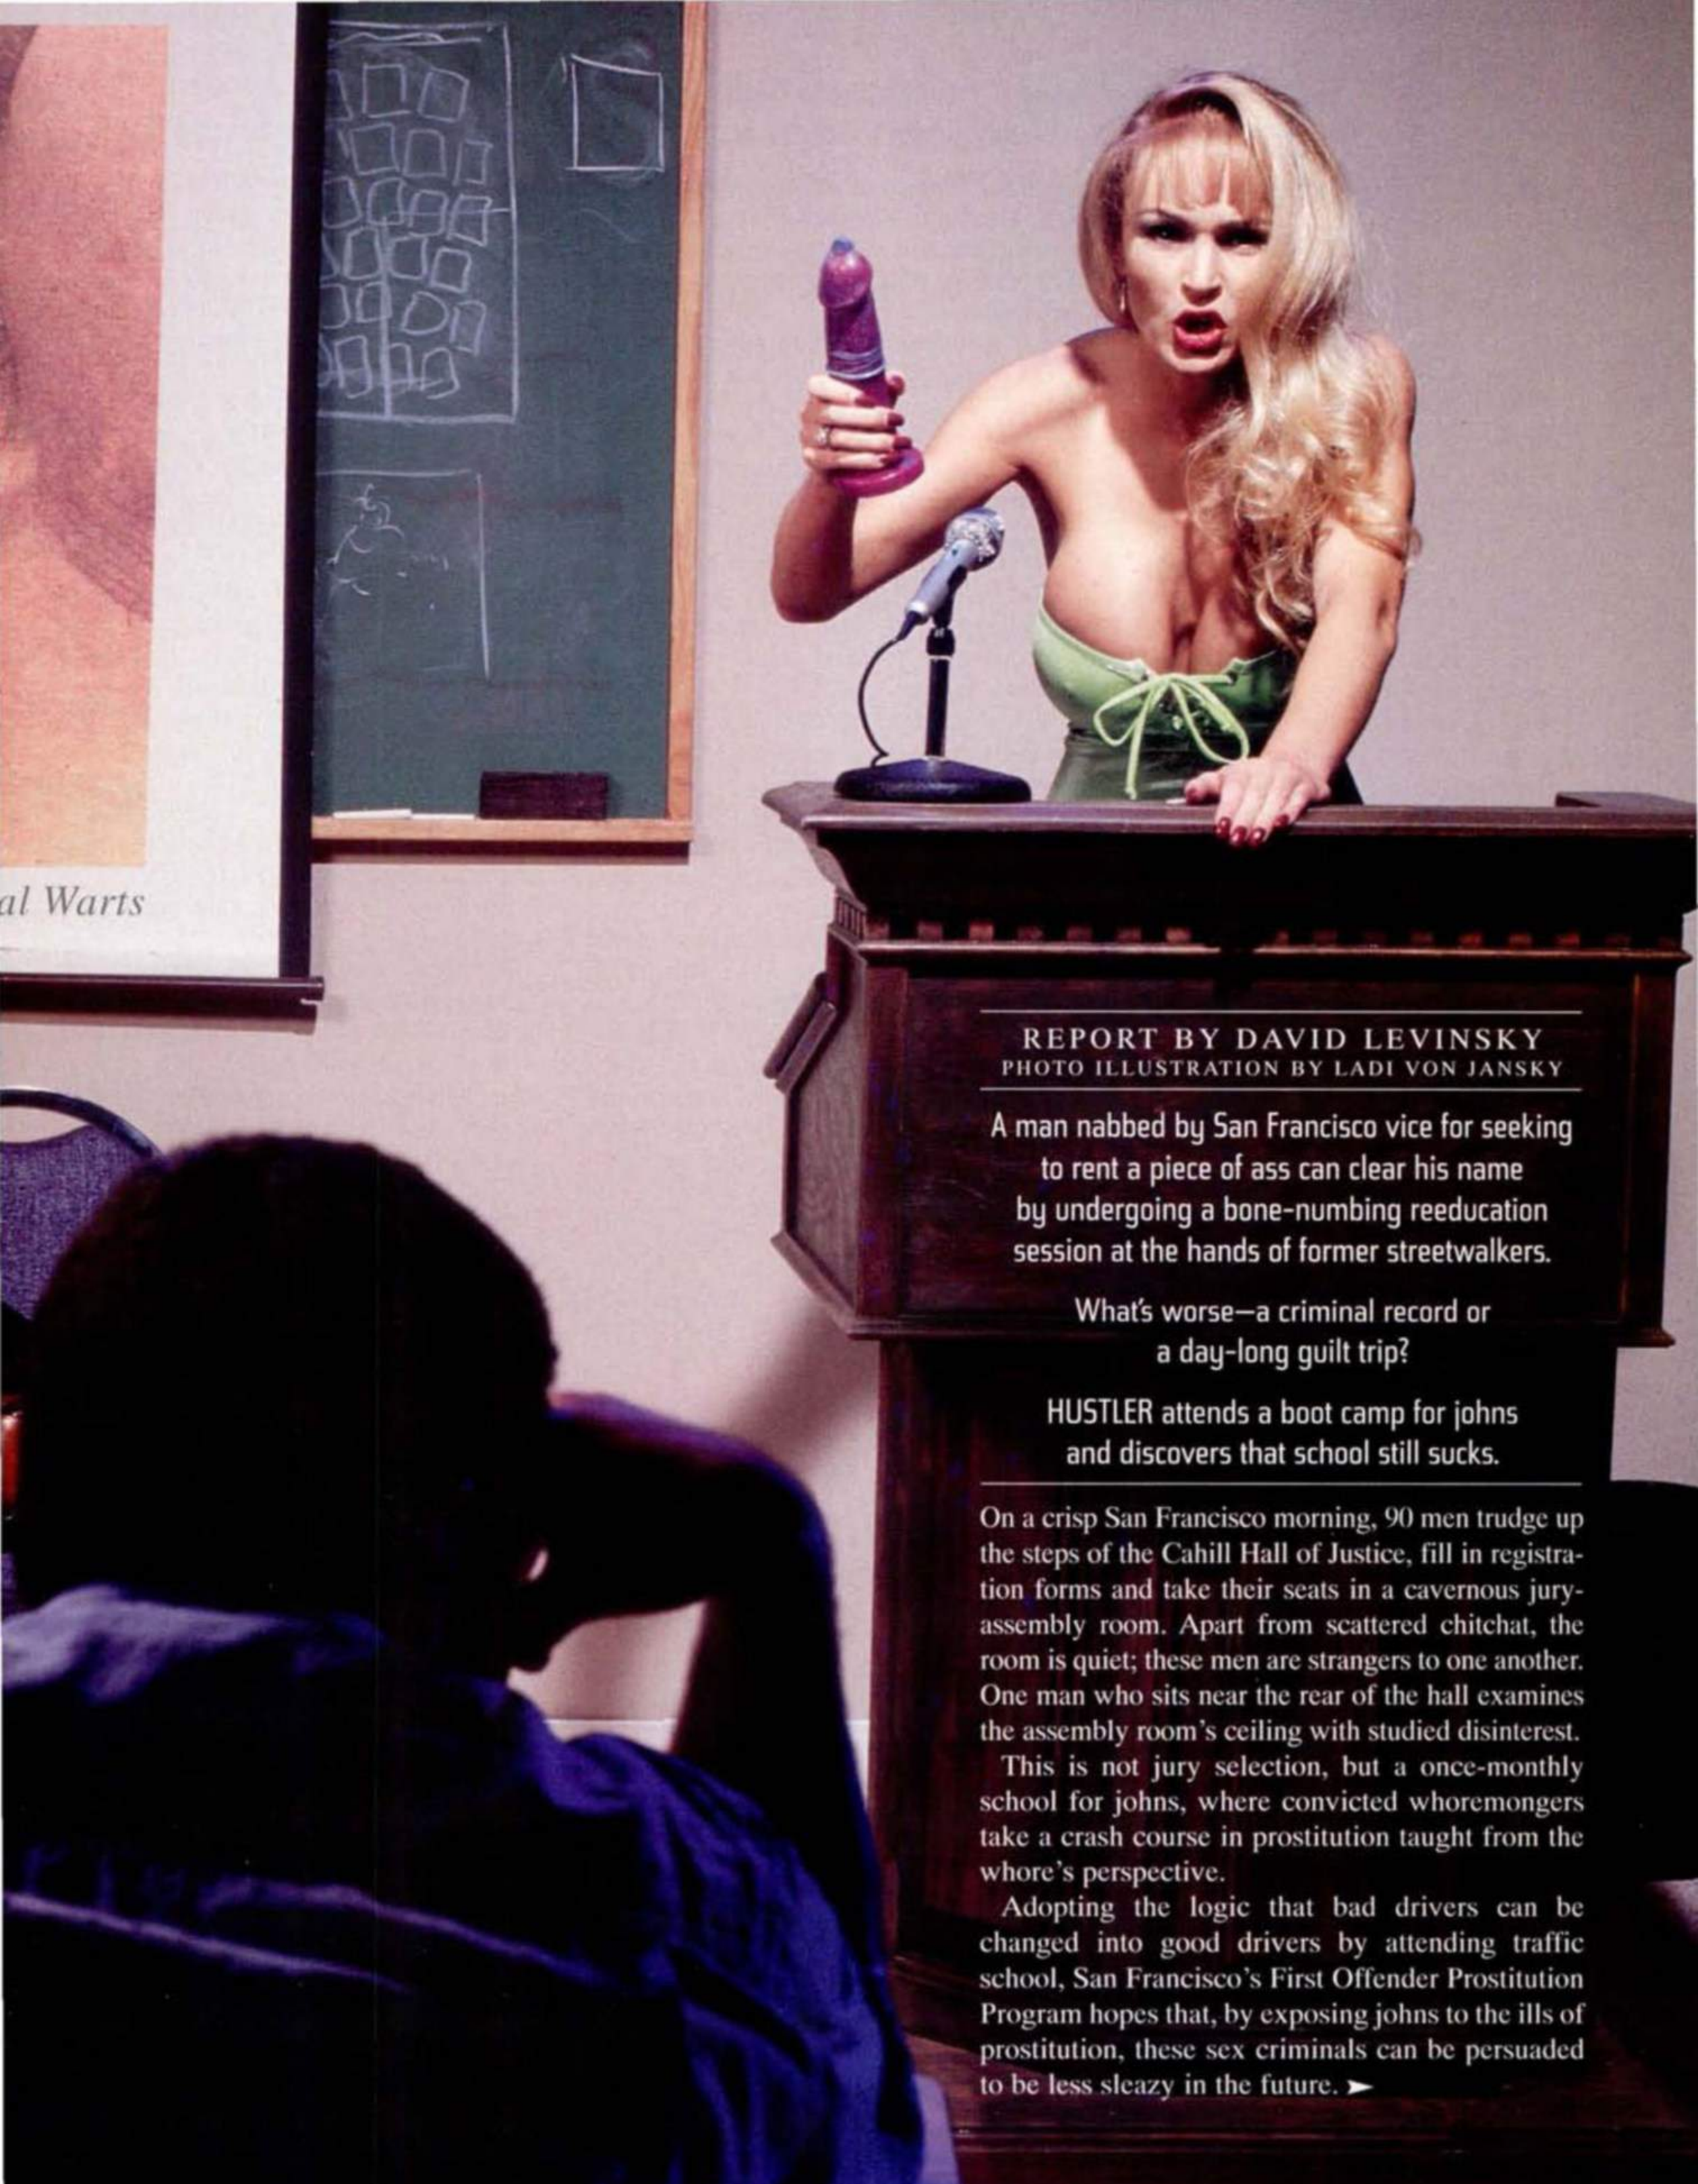

Figure 28. Vene

REPORT BY DAVID LEVINSKY
PHOTO ILLUSTRATION BY LADI VON JANSKY

A man nabbed by San Francisco vice for seeking to rent a piece of ass can clear his name by undergoing a bone-numbing reeducation session at the hands of former streetwalkers.

What's worse—a criminal record or a day-long guilt trip?

HUSTLER attends a boot camp for johns and discovers that school still sucks.

On a crisp San Francisco morning, 90 men trudge up the steps of the Cahill Hall of Justice, fill in registration forms and take their seats in a cavernous jury-assembly room. Apart from scattered chitchat, the room is quiet; these men are strangers to one another. One man who sits near the rear of the hall examines the assembly room's ceiling with studied disinterest.

This is not jury selection, but a once-monthly school for johns, where convicted whoremongers take a crash course in prostitution taught from the whore's perspective.

Adopting the logic that bad drivers can be changed into good drivers by attending traffic school, San Francisco's First Offender Prostitution Program hopes that, by exposing johns to the ills of prostitution, these sex criminals can be persuaded to be less sleazy in the future. ➤

John School

Grisly images flash across a screen: a turgid penis marked with florid wounds; a vagina so vile that it looks as though gentle pressure on the belly would send green slime pouring forth.

According to data compiled from programs in San Francisco, Las Vegas and Portland, about 42% of the men referred to john school are married, and more than one-third have college or higher degrees. Jobs and marriages are on the line.

The almost-always all-male students at john school shell out $500 for the privilege of enduring a day as punching bags for former whores. Today, the busted tricks, as though reliving a scene from *A Clockwork Orange*, will be forced to watch an educational slide show about venereal diseases. Later, they will be cursed at and threatened with bodily harm by a prostitute embittered by a hard life on the streets.

In return for enduring this eight-hour shellacking, a man convicted of soliciting a prostitute in San Francisco will have his citation discharged without his wife, kids, girlfriend, mom or boss ever finding out. However, if a man who completes john school is busted with a prostitute within a year of completing the class, the first count that was expunged will be added to the second on his record.

John school is a joint effort of the San Francisco District Attorney's office and the SAGE Project Inc. (Standing Against Global Exploitation), a nonprofit coalition that helps hookers escape the streets.

"They're people who never had a chance," Norma Hotaling, SAGE Project Inc.'s executive director, says of prostitutes. "They're women and girls that we almost lost, that we're losing at an exorbitant rate."

For Hotaling, being an advocate in the fight against hooking is a way to open johns' eyes to the harm they do by asking streetwalkers to hop into their cars.

"If that means shaming them, so be it," Hotaling proclaims. "A woman's life is worth more than these men's egos."

In her struggle to spare more women from being victimized by prostitution, Hotaling shows up to work every day determined to reform johns, by force if necessary.

"This program isn't meant to scare you straight, but we have decided to be completely honest," Hotaling says ominously from behind a podium in front of the classroom of schmoes. "In doing that, it might be scary."

* * *

San Francisco Police Sergeant Mike Lawsen calls the class into session by ordering the assembled johns to remove their hats and sunglasses; he sternly forbids sleeping, talking or reading in class.

"Everyone here today has made a mistake," the cop intones. "You learn from it, and you go on with your life. This is a second chance through education."

With the class in order, Sergeant Lawsen introduces Assistant District Attorney Mario Andrews, who explains the "carrot and stick" of john school. The carrot is the promise of expunging a criminal conviction.

"I'm the stick," growls Andrews, a broad-shouldered drill-sergeant type. "We don't imagine or have illusions this is the first time you gave money to a prostitute for sex—it's just the first time you got caught."

Andrews notes that all contact with undercovers is caught on videotape and warns that police decoys are tailored to suit every taste. To illustrate the long reach of the law, Andrews recounts the case of a john who accompanied an undercover cop into a video peep show booth, breathed on the screen and drew a dollar amount in the condensation. The man was busted, nonverbally.

"As long as you make an agreement, we've got you," Andrews says.

The gruff antics of the DA and the unimpressed expressions on the johns' faces give the assembly room the air of after-school detention.

Once he's given the johns a rundown on the law, Mario Andrews turns the podium over to Toni Butler and Chuck Cloniger of the San Francisco Public Health Department; they are accorded the level of respect reserved for a school nurse by a high-school spitball shooter.

"How many people inspect their partners before they have sex with them?" Butler asks.

"Yeah, but not for STDs," jokes a young Latino who wears baggy jeans and a T-shirt. The man's wisecrack draws laughter from his fellow johns, but the chuckles stop abruptly when Butler dims the lights and starts the slide show. Grisly images flash across a screen: a full-color close-up of a turgid penis marked with florid wounds; a lip bearing a cold sore on par with Vesuvius; a vagina so vile with decay that it looks as though gentle pressure on the belly would send green slime pouring forth. Hardly anyone buys soda or candy during the next break; the pussy purveyors seem to have lost their appetites.

* * *

According to First Offender Prostitution Program officials, of the more than 2,200 men who attended john school in its first four years, only 18 were busted for solicitation again in San Francisco. While this statistic does not necessarily mean that graduates of the program have sworn off hookers, it does suggest that if they *are*

John School

"I was a Capp Street ho," Hotaling says. "I'm looking at your faces, and I know some of you as tricks. I've been off the street ten years, and I recognize some of you."

buying sex, they're not doing it in San Francisco.

With their interest piqued by the San Francisco john school's low recidivism rate, municipalities including Fresno, Portland, Las Vegas, Toronto and Nashville have developed similar programs. Seven other cities recently sent officials for a look.

Even though San Francisco's school for johns won a $100,000 Innovations in American Government Award last year, presented jointly by the Ford Foundation, Harvard University and the Council for Excellence in Government, Oakland, a city across the bay, is not following San Francisco's lead. Alameda County Assistant District Attorney Walter Jackson, who oversees the prosecution of Oakland's johns, says he's skeptical of San Francisco's celebrated program.

"Do you think us trying to dry up the johns is really going to stop prostitution as an activity?" Jackson asks. "This [prostitution] has been going on for how long? For us to think that if we come up with a program to deal with first-time johns, then tonight you won't have guys out on San Pablo Avenue trying to pick up hookers is kind of Pollyannaish."

Jackson believes that prosecution is a much more realistic way to combat prostitution than education. Oakland's Operation Beat Feet allows would-be johns' cars to be seized and forfeited, even before conviction; the controversial measure has withstood court challenges so far.

Other cities have adopted even harsher approaches to dealing with men who use the services of hookers. Police in St. Paul, Minnesota, post on the Internet the photos, descriptions and license-plate numbers of men arrested as johns before they're even convicted. A disclaimer notes that "all persons are considered innocent until proven guilty in a court of law."

One clever municipality has established a dramatic precedent in jurisprudence by breaching constitutional rights in an entertaining and telegenic way. Kansas City, Missouri, broadcasts the mugs of suspected johns on *John TV*, a local-access cable television program.

"Punishing people for having sex is the way to keep sex dangerous," says Margo St. James, founder of the prostitutes' rights organization COYOTE (Call Off Your Old Tired Ethics). "Why can't we just take responsibility for our own actions, whether we're male or female? It really shouldn't be anybody's business—certainly not the state's. When you have the government interfering in consenting adults' private behavior, you've got a big, big problem."

St. James bristles at the notion that hookers are victims, and calls for the decriminalization of prostitution.

"The old shame-and-blame game is the real danger," St. James says. "Painting prostitutes as victims brings on more abuse. Some women hook because they don't have other options, but some do it because they like the power, and they like the money."

For his part, Alameda County DA Walter Jackson believes that the john school is worse than misguided; it is insincere.

"My jaundiced view of it is, you've come up with a way of raising funds," Jackson says, noting that SAGE receives a percentage of the fees paid by the johns. "At least [with Operation Beat Feet], you're talking about the city being the beneficiary."

SAGE is a private organization, and, moreover, its executive director, Norma Hotaling, spent eight years working as a prostitute and another 21 years feeding a heroin habit. Though she now wears a business suit, SAGE's Norma Hotaling still has needle tracks snaking down her arms.

* * *

Her shoulders square and her jaw set, Norma Hotaling glares at her captive audience. She wears a demure bracelet with a thin chain. Her strawberry-blond hair is cut short in a no-nonsense, no-time-for-preening way. Norma isn't stocky, but she's solid.

"I was a Capp Street ho," Hotaling says, referring to San Francisco's notorious hooker alley. "I'm looking at your faces, and I know some of you as tricks. I've been off the street ten years, and I recognize some of you."

What Hotaling does not relate to her pupils is that, among the men in the crowd, she claims to recognize a man who raped her back in the days when she was a street whore.

"I made eye contact with him," she says later. "He knew it when I looked right at him."

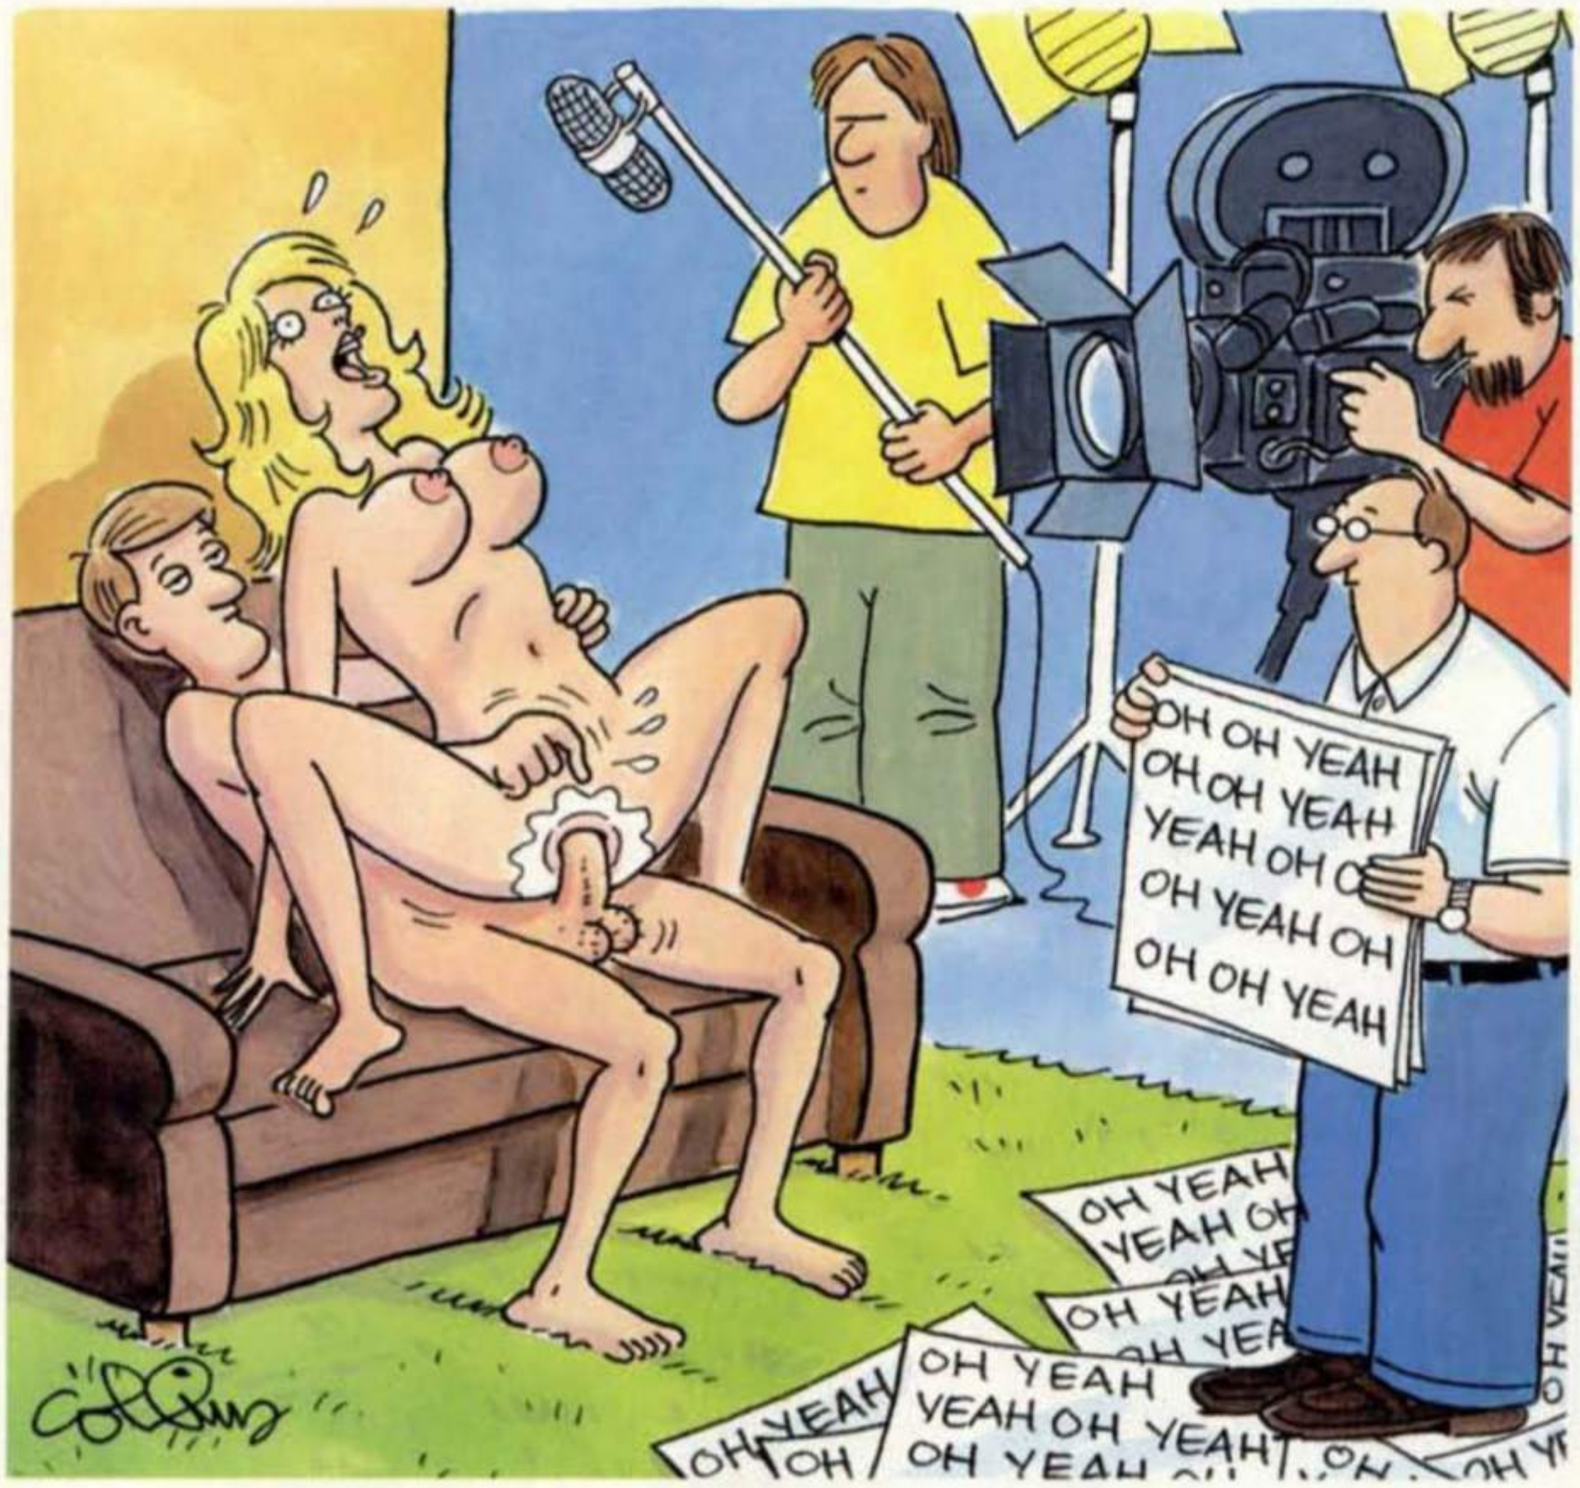

Perhaps because of the alleged sighting, Hotaling addresses her audience with particular venom; the shrill tremolo of her voice makes her sound as though she were raped during lunch.

"I was carrying knives around in my purse," she warns the group of men, who cannot ignore her strident pitch, though few take the trouble to look her in the eye. "I wanted to put a knife in one of your guts and turn it. I wanted that feeling."

The busted tricks scrunch down in their molded-plastic seats.

"I imagined in my mind what it would

"Thanks. That's what I needed," she pants. "I'll let you handle the paperwork."

John School

Lisa recounts being anally raped in a john's van with a pole. "He had a baby's car seat in the van; so I knew it was somebody's father that was doing this to me," Lisa claims.

feel like going in, if it would get gushy, if there would be grunts," she says. "I was homicidal. I was suicidal."

With the johns sufficiently cowed by her tirade, Hotaling introduces Angel, an ex-hooker who is now a mother, six years clean and off the streets. At her lowest point, Angel was an 85-pound, filth-encrusted wraith whose stretch pants stuck to the oozing sores on her legs. Unprotected sex with countless men was "suicide on the installment plan." She estimates that she was raped more than 30 times.

"Just because you've given me $100 doesn't mean you can put it in my ass when I tell you not to," Angel tells the johns reprovingly. "It doesn't mean you can choke me with your dick.

"It's been almost 20 years, and I still can't wash the taste out of my mouth," Angel says. "No amount of dope ever took away the pain."

Angel remembers two friends of hers from the streets who have died, one just a few weeks before.

"Tell *them* it's a victimless crime," Angel says. "Even if you're the 'nice john,' the one who treats the hooker nice, you make it possible to continue the cycle of violence so that the next man who picks her up might be the one who kills her. My sisters deserve more; they deserve a chance."

Next up is Betty. Now 44 with a steady job and a daughter about to start college, Betty spent 27 years turning tricks.

"Where did you tell your wives you went today?" Betty asks when she takes her turn at the bully pulpit. She expects no reply from the stone-faced johns. "All of you told lies today. Some of you young guys in here, look around at the old geezers—ask them how long they've been tricks." Betty looks out at the room disdainfully.

"We were always out to hurt you," Betty continues. "You're like an invisible person. You have no face; all I see is a dollar sign."

If Betty cannot see the johns' faces for the dollar sign, she is missing a spectacle resembling Mount Rushmore: 90 frozen mugs passively withstanding her whiny guilt trip.

"The streetwalker is a human being," Betty emphasizes. "She has feelings; she needs to be more than an orifice, an outlet for your sexual device."

Betty is followed by Tracey, who admits that she used to pick lice off her body and leave them in her tricks' cars, and then Lisa, who recounts being anally raped in a john's van with a pole.

"He had a baby's car seat in the van; so I knew it was somebody's father that was doing this to me," Lisa claims.

As she lay bruised and delirious on a bare, stained mattress, Lisa decided to change her life. "I said to myself, *I don't want to die like this.*"

On that note, john school breaks for lunch.

* * *

Outside the jury-assembly room, David, a 43-year-old San Franciscan who claims he picked up a hooker due to the stresses of a 70-hour-a-week job and a terminally ill wife, says he has hired his last whore.

"It's a good program that says, 'Hey, you fucked up. You're a normal person, and you made a mistake; so you need to step back and take a look at your life,' " David says.

Mel is a 28-year-old, college-educated man who wears the turtleneck-and-jeans uniform of a yuppie; he brought a laptop computer so he could work during lunch, but doesn't feel much like typing. Mel confesses he has used prostitutes about five times and that he told his ex-girlfriend about his arrest. For him, the day-long reeducation session has been effective.

"It does definitely bring home the role of the john," he says.

On the other hand, one 50-year-old Bay Area man who cruises Oakland's San Pablo Avenue scene says he's "very disappointed" with the program. This john—his overhanging belly and scraggly, white beard giving him the air of Jerry Garcia on his most strung-out day—says he has used prostitutes "hundreds of times," and that this program is "just a free bite of the apple."

He says if he does use prostitutes again, he'll be less likely to get caught. "I knew something was hinky; she was just so aggressive, and I'd never seen that," he says of the decoy who busted him. "They're just creating offenders here; it's a fund-raiser."

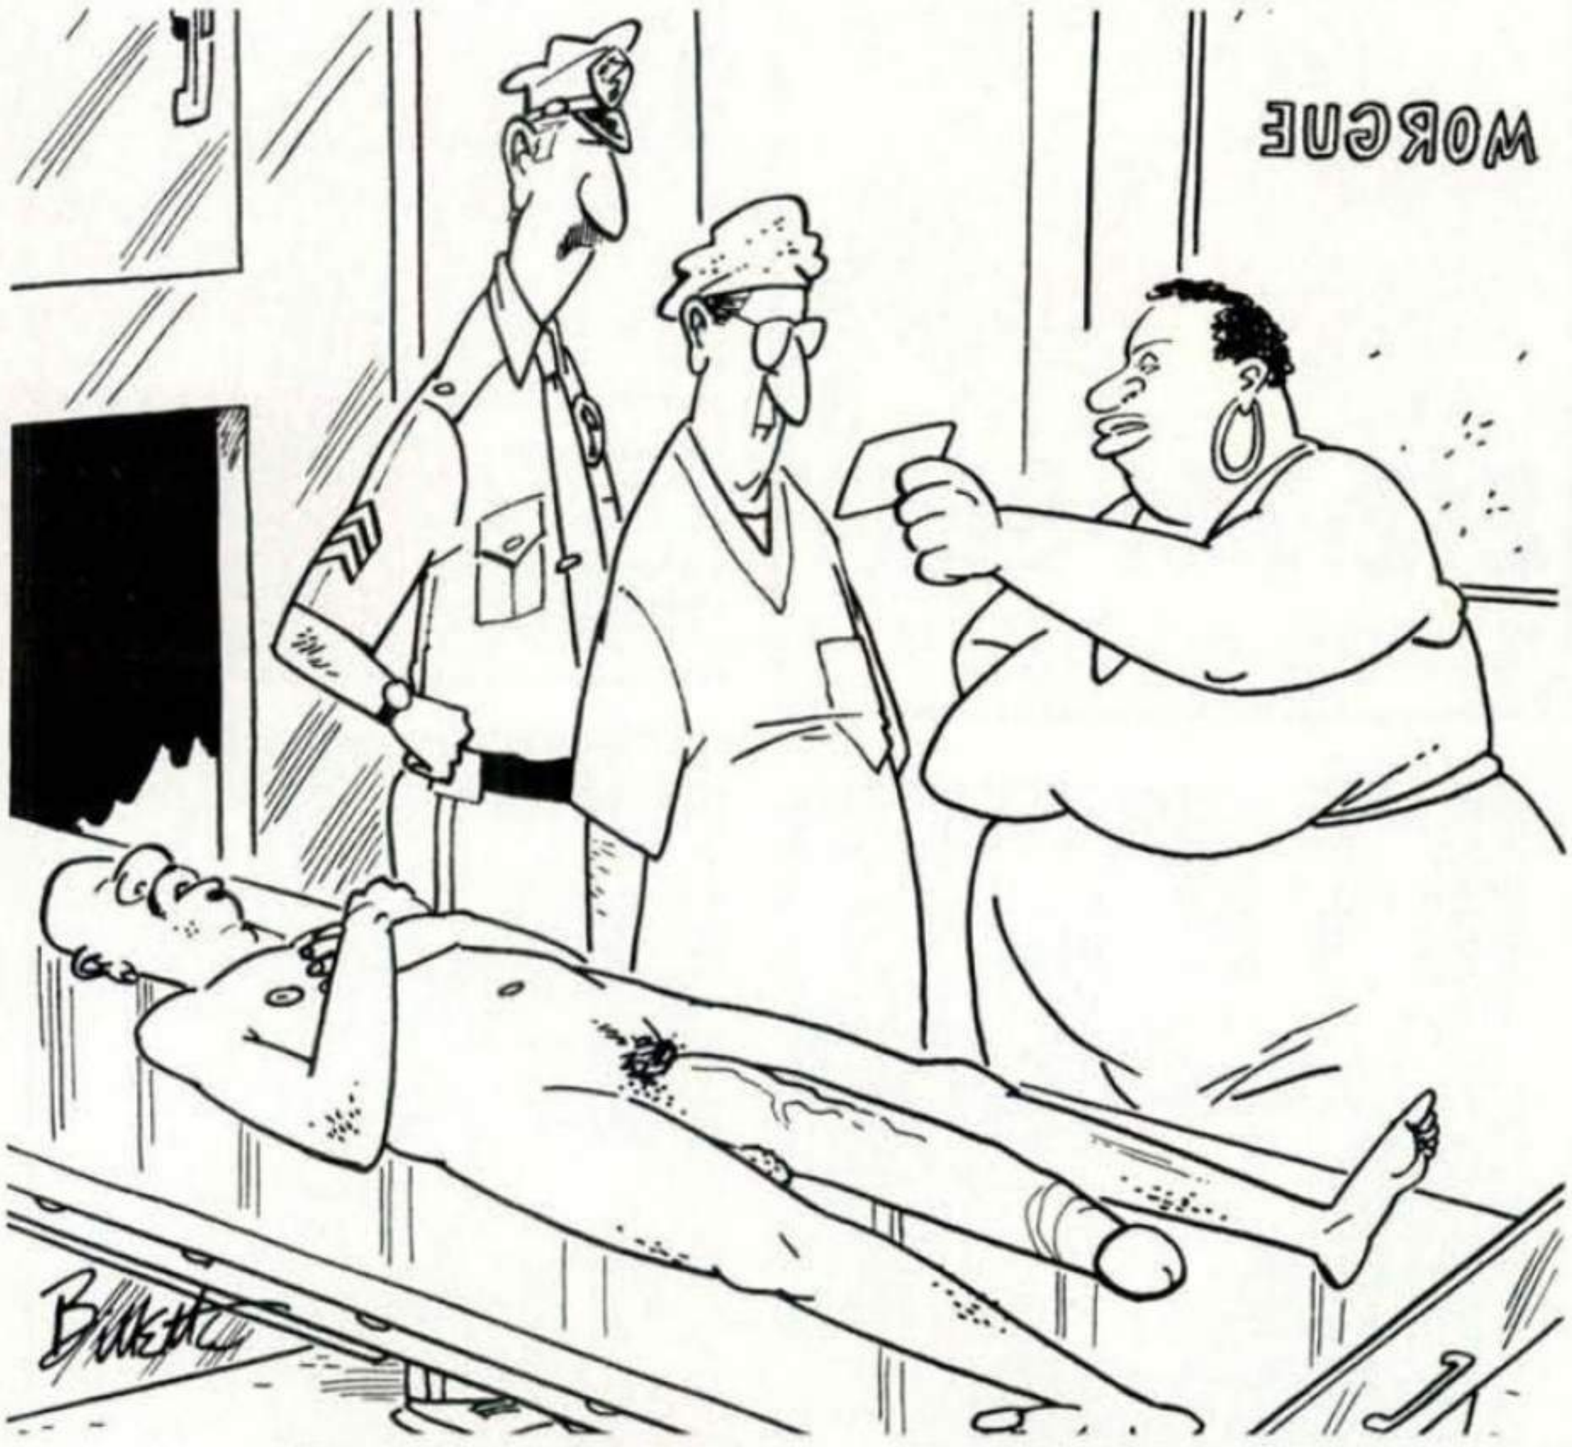

The portly man concedes that he was moved to sympathy by the testimonials he has heard today, but asks, "After four drinks, do you think I'm going to be thinking about their histories?"

* * *

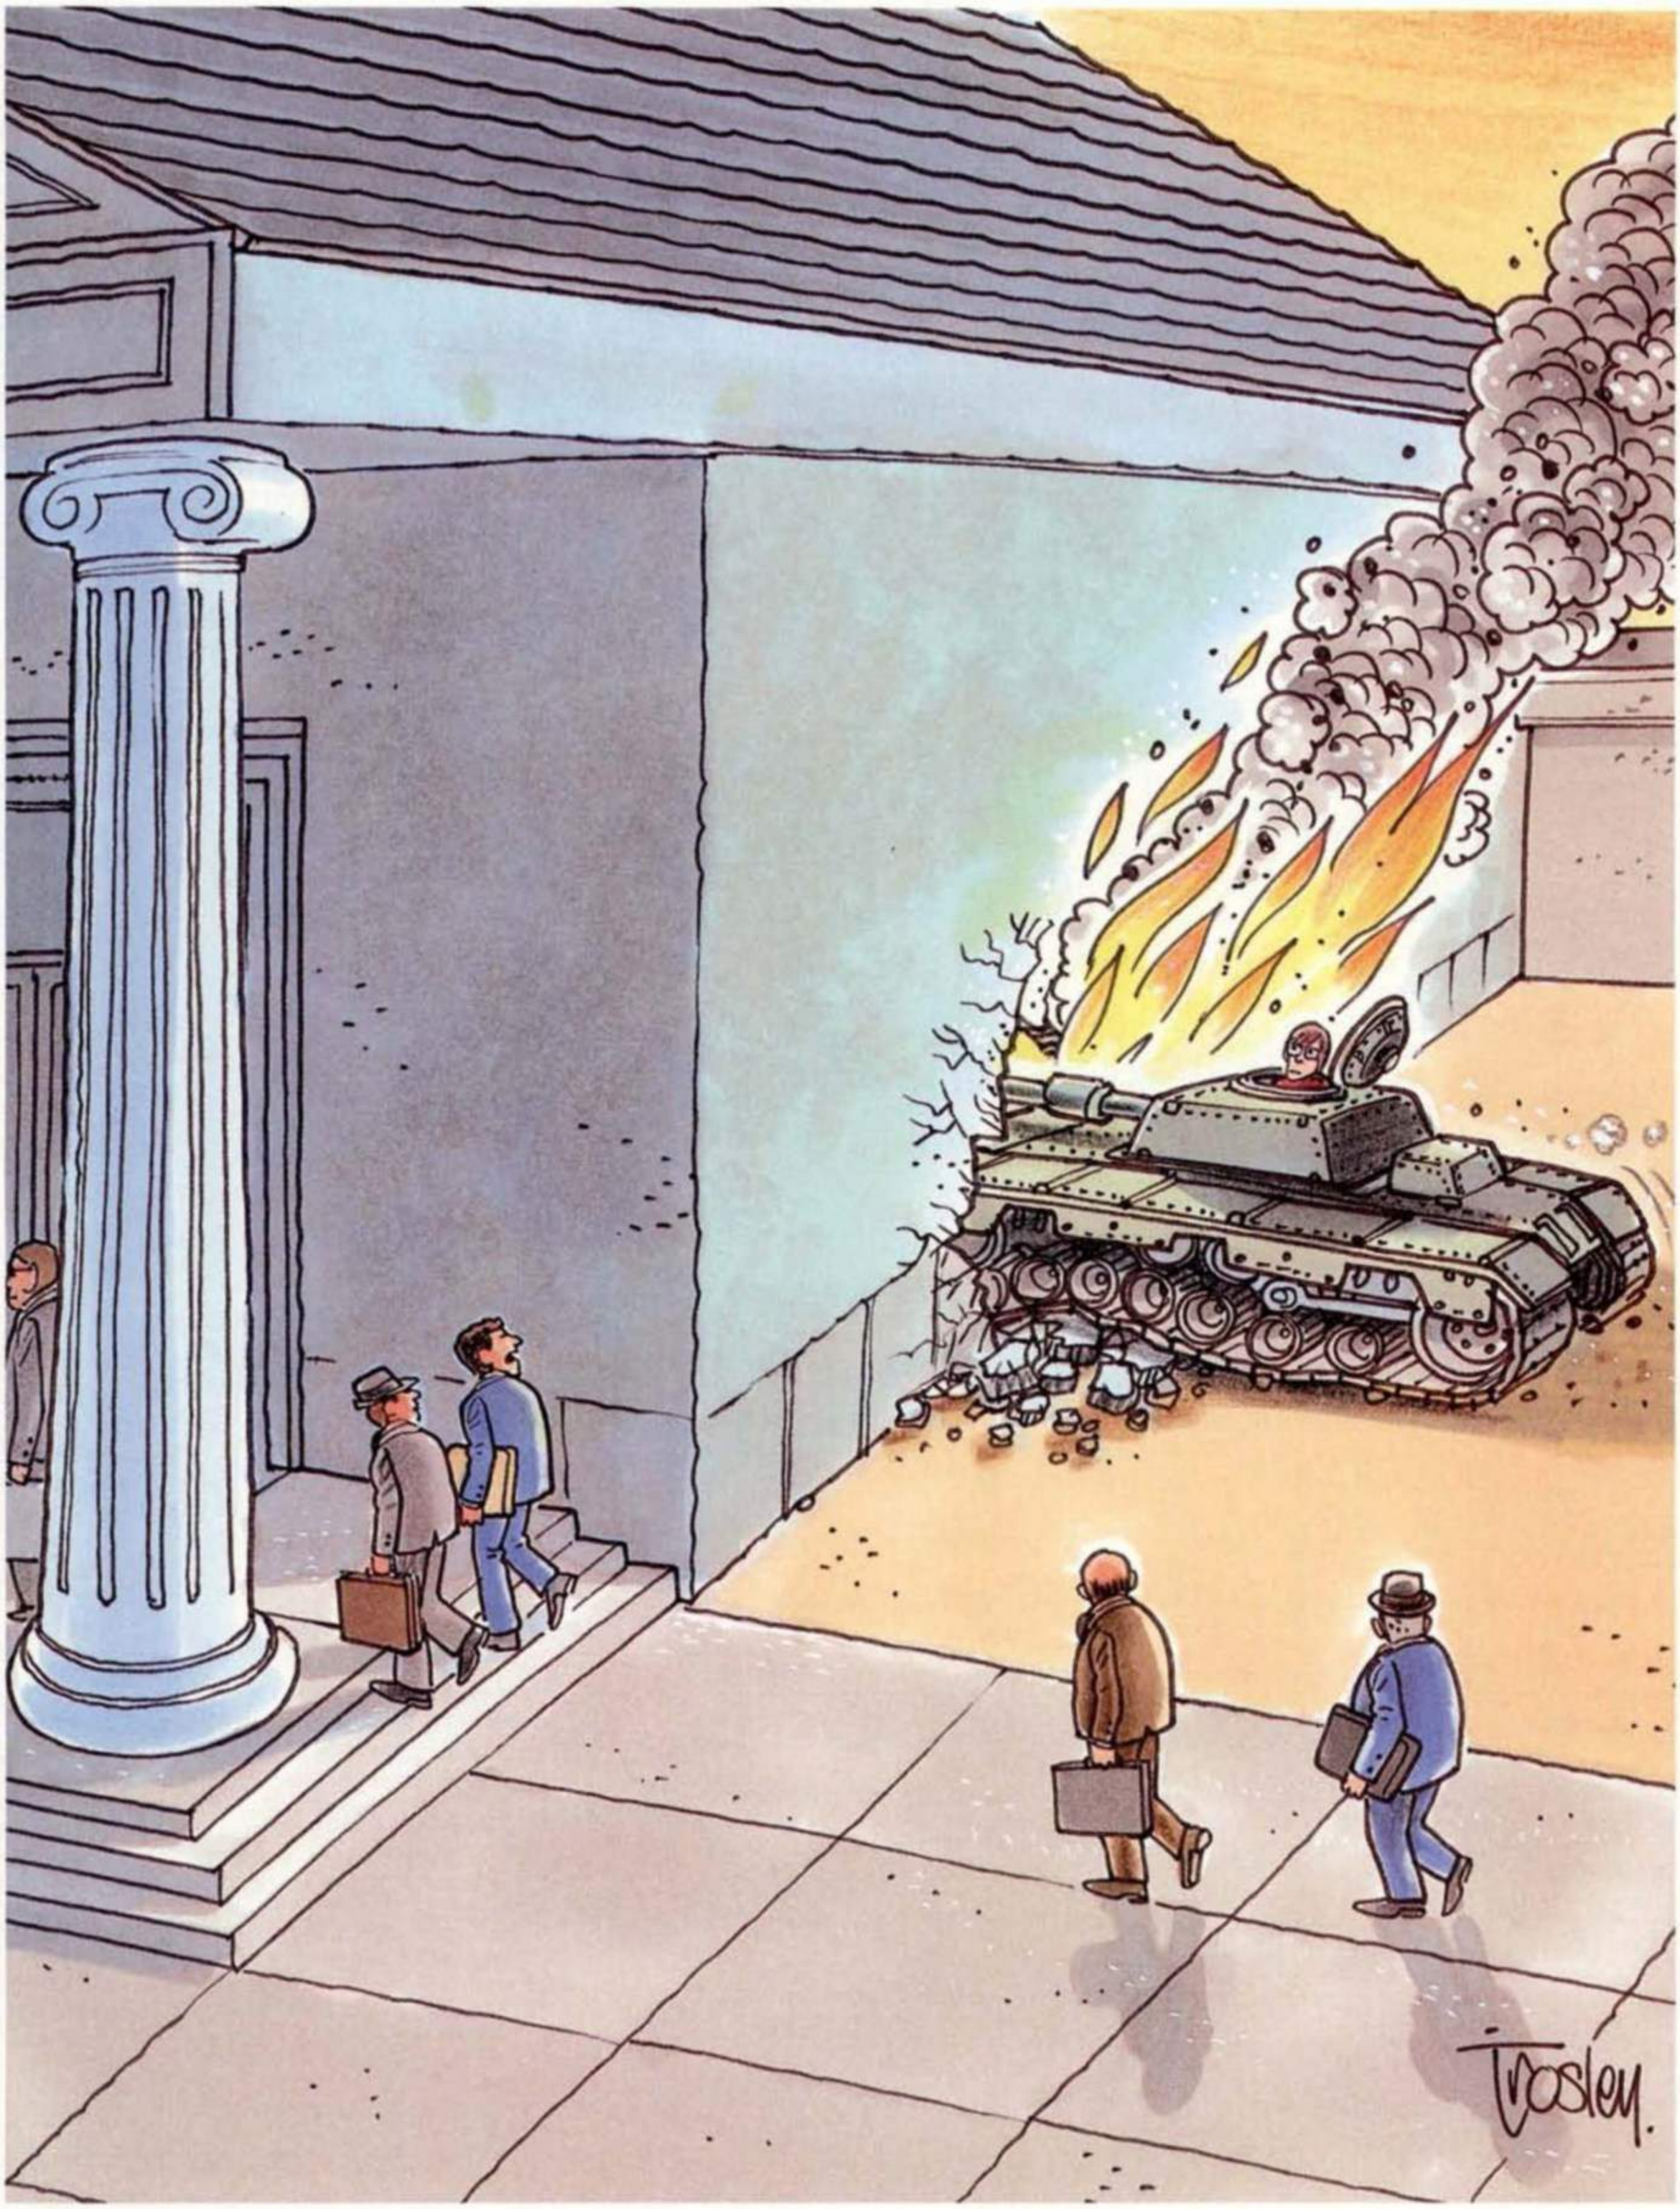

After lunch, three stern representatives from Save Our Streets, a tenant-and-merchants association, complain that their neighborhoods are plagued by prostitution.

"When was the last time you had sex in front of your children or the neighbor next door?" barks Save Our Streets' Phillip Faight. No one in the stolid crowd

(continued on page 122)

"This be Rodney's organ-donor card. I wants his johnson!"

"Why can't Janet Reno go in through the front door like everybody else?"

Beaver Hunt

Kelli confides that her biggest turn-on is posing for the camera, and it shows. The sexy 22-year-old mom hails from Cleveland, Ohio, where she works as a cashier. Camping, fishing, taking care of the kids, and visiting new and exotic places fill Kelli's precious time. In private, Kelli fantasizes about making it "in a doctor's office or on the beach." How about a Pap smear beneath the crushing surf?

Slinky Alanna is an exotic dancer from East Windsor, Connecticut. "Making men hard, cybersex and, of course, coming" are Alanna's primal interests. The 24-year-old beauty dreams of "having a hot chick eat me out while my husband fucks me in the ass." It is better to receive than give, isn't it, Alanna?

Photo by Husband

A bartendress from Charlotte, North Carolina, J. B. serves 100-proof snatch. The curvaceous 25-year-old loves to dance, play pool, go swimming and pose for nude photos. "Secretly having my husband masturbate under the table in a very nice restaurant" is J. B.'s sneaky fantasy. Be sure to ask the waiter for an extra napkin, J. B.

Photo by Husband

Sumrall, Missouri, is home to the luscious Miss Tara. The seductive bookkeeper's wish of appearing in *Beaver Hunt* is now fulfilled. Tara, 30, lists sunbathing, posing for photographs and reading HUSTLER as her hobbies. "While blindfolded, having another woman touch me all over as my husband watches" is Tara's second fantasy. Blindfold yourself and wait.

Photo by Husband

Amy, 21, is a student from Seattle, Washington. The ever-busy brunette has a fledgling business and takes acting classes, but she pays the bills as an exotic dancer. Extremely curious, Amy hopes one day to "have sex with another girl and try anal sex." If you are cornholed while lapping up clam chowder, will you have any room left for supper? Just food for thought, Amy.

Lexus can't fuck the tree trunk she's sitting on, but you can't knock the girl for tryin'. Lexington, Kentucky, is the place where Lexus parks her butt. Step aerobics, horseback riding and topless sunbathing keep the 25-year-old lean, tan and mean. A production worker, Lexus fantasizes about "being caught having group sex in public and having the new people join in." Come one, come all!

Belladonna is a naughty little horndog. The 25-year-old from Kiev, Russia, declares, "I fucking love HUSTLER! It's so much better than *Penthouse*. I'd be honored to be in *Beaver Hunt*." A housewife in her homeland, Belladona lists "cockteasing, clit-licking and dirty dancing" as her hobbies. The randy Russki's fantasies include "multiple partners, S&M scenarios and bi-guys." Whip those lucky Pierres into shape, Belladonna.

Photo by Friend

Sexy Christa, 21, is a housewife from Lexington, Kentucky. "Swimming, go-cart racing, bowling, putt-putt golf and spending time with my family" are the activities that bring a smile to Christa's face. Christa's ultimate wish is to plant a grin on her husband's mug by "having sex with another woman." Here's hoping both your dreams come true.

Photo by Friend

"Spending my days in the sun sucking my boyfriend's big cock" is what inspires sweet Missy to slide out of bed in the morning. Bachelor parties and strip-o-grams pay the blond vixen's bills. Working out, tanning, sleeping and giving blowjobs round out the rest of Missy's time. The Lexington, North Carolina, 23-year-old dreams of "making adult movies someday." There's no time like the present.

Photo by Boyfriend

Positioned for pushin', 21-year-old Sasha is a leggy brunette who likes to show off her greatest assets. A dancer from Atlanta, Georgia, Sasha loves "collecting sex toys, masturbating, reading and freaky, nasty sex." Sasha's evil sex fantasy is "fucking a gorgeous, blond girl with my black, nine-inch strap-on." Fair-haired maidens take note: The line forms at the rear.

Photo by Friend

An entertainer from Virginia Beach, Virginia, Ashley, 29, is a temptress of fate. Jogging, hiking and playing tennis are Ashley's extracurricular activities, but what really thrills this adrenaline-starved blonde is her sex-crazed secret. "I want to have sex with a group of police officers after a high-speed pursuit of me," Ashley confesses. Boink 'er, Dan-o.

Photo by Friend

A no-nonsense, hard-hatted woman, Tamie don't take no shit. The 31-year-old housewife from Canyon Lake, California, loves to "throw darts, and any activity that takes place in the water." Tamie fantasizes about "making love in a glass elevator." You've got the equipment, Tamie. Build it and they will watch.

"Riding on a horse bareback in the nude, face to face, having sex with my man in the desert heat" is the amazing fantasy of C. J., a 24-year-old dancer from Albuquerque, New Mexico. C. J.'s other outdoor preoccupations include "camping, skiing, hiking and roughing it in the great outdoors." So you like it rough, eh, C. J.?

Photo by Boyfriend

Jenny is a charming Southern belle from New Orleans, Louisiana. Formerly a dancer by trade, Jenny whiles away her time camping and posing for sexy photos. The 24-year-old blonde fantasizes about posing for a "pink HUSTLER layout." You're certainly pink enough to make the grade, Jenny.

Photo by Boyfriend

Ashley is a 26-year-old student from San Juan, Puerto Rico. Jet skiing, scuba diving and hiking are Ashley's favorite outdoor activities. As active as this lovely Puerto Rican is at play, Ashley is a voyeur in her fantasy life. The luscious brunette dreams of "having six strippers dance for me while I jerk myself off." Dance, sweet sisters, dance.

Photo by Boyfriend

Lie back and let it happen, Tammy. A native of Salt Lake City, Utah, Tammy, 23, is a salesclerk who enjoys sport shooting, dancing, waterskiing and just about anything that can happen in the great outdoors. Southern Snatch

(continued from page 72)

"See you in six months for the divorce party," the deejay says.

"Last night, we ran 17 or 18 bachelor parties," says Li'l Bit, the petite doyenne of Platinum Plus, a local celebrity who has appeared in *Gallery* and other national stroke magazines. "If you're in Memphis and you're getting married, this is the place," says the 27-year-old cutiepie. "We'll write on the man with lip liner, put our titties in his face, our crotch. It's a big embarrassment.

"Some of us get mean and really hurt on him, which I won't do, unless I get tipped really well," Li'l Bit adds. "Everybody here is trying to get rid of their troubles. They don't need no extra pain."

On the Platinum Plus stage, Maggie methodically collects dollars from men who stand at each of the three brass-railed staircases that ascend the stage.

Maggie whispers in one man's ear, then pulls her tits out of her top, flops her boobs on either side of his face and squeezes the bill from his mouth. At the next rail, she plants her hands and hoists her legs over the shoulders of the next horndog waiting to pay obeisance to a slut. She gives the man a long whiff of her crotch, then kicks her feet down and stretches out her tube top. A bill floats down. Maggie drops the money on the stage, kisses the man on the lips and moves on.

"This is the shit right here. You get away with whatever you want," Li'l Bit says, though she admits she has been busted four times in the past three years.

"It's nothing," she says. "The charge is a misdemeanor—pornographic conduct. You're up there onstage, sucking someone's pussy, but as long as there's no penetration, we only get a citation. If there is penetration, we get taken downtown."

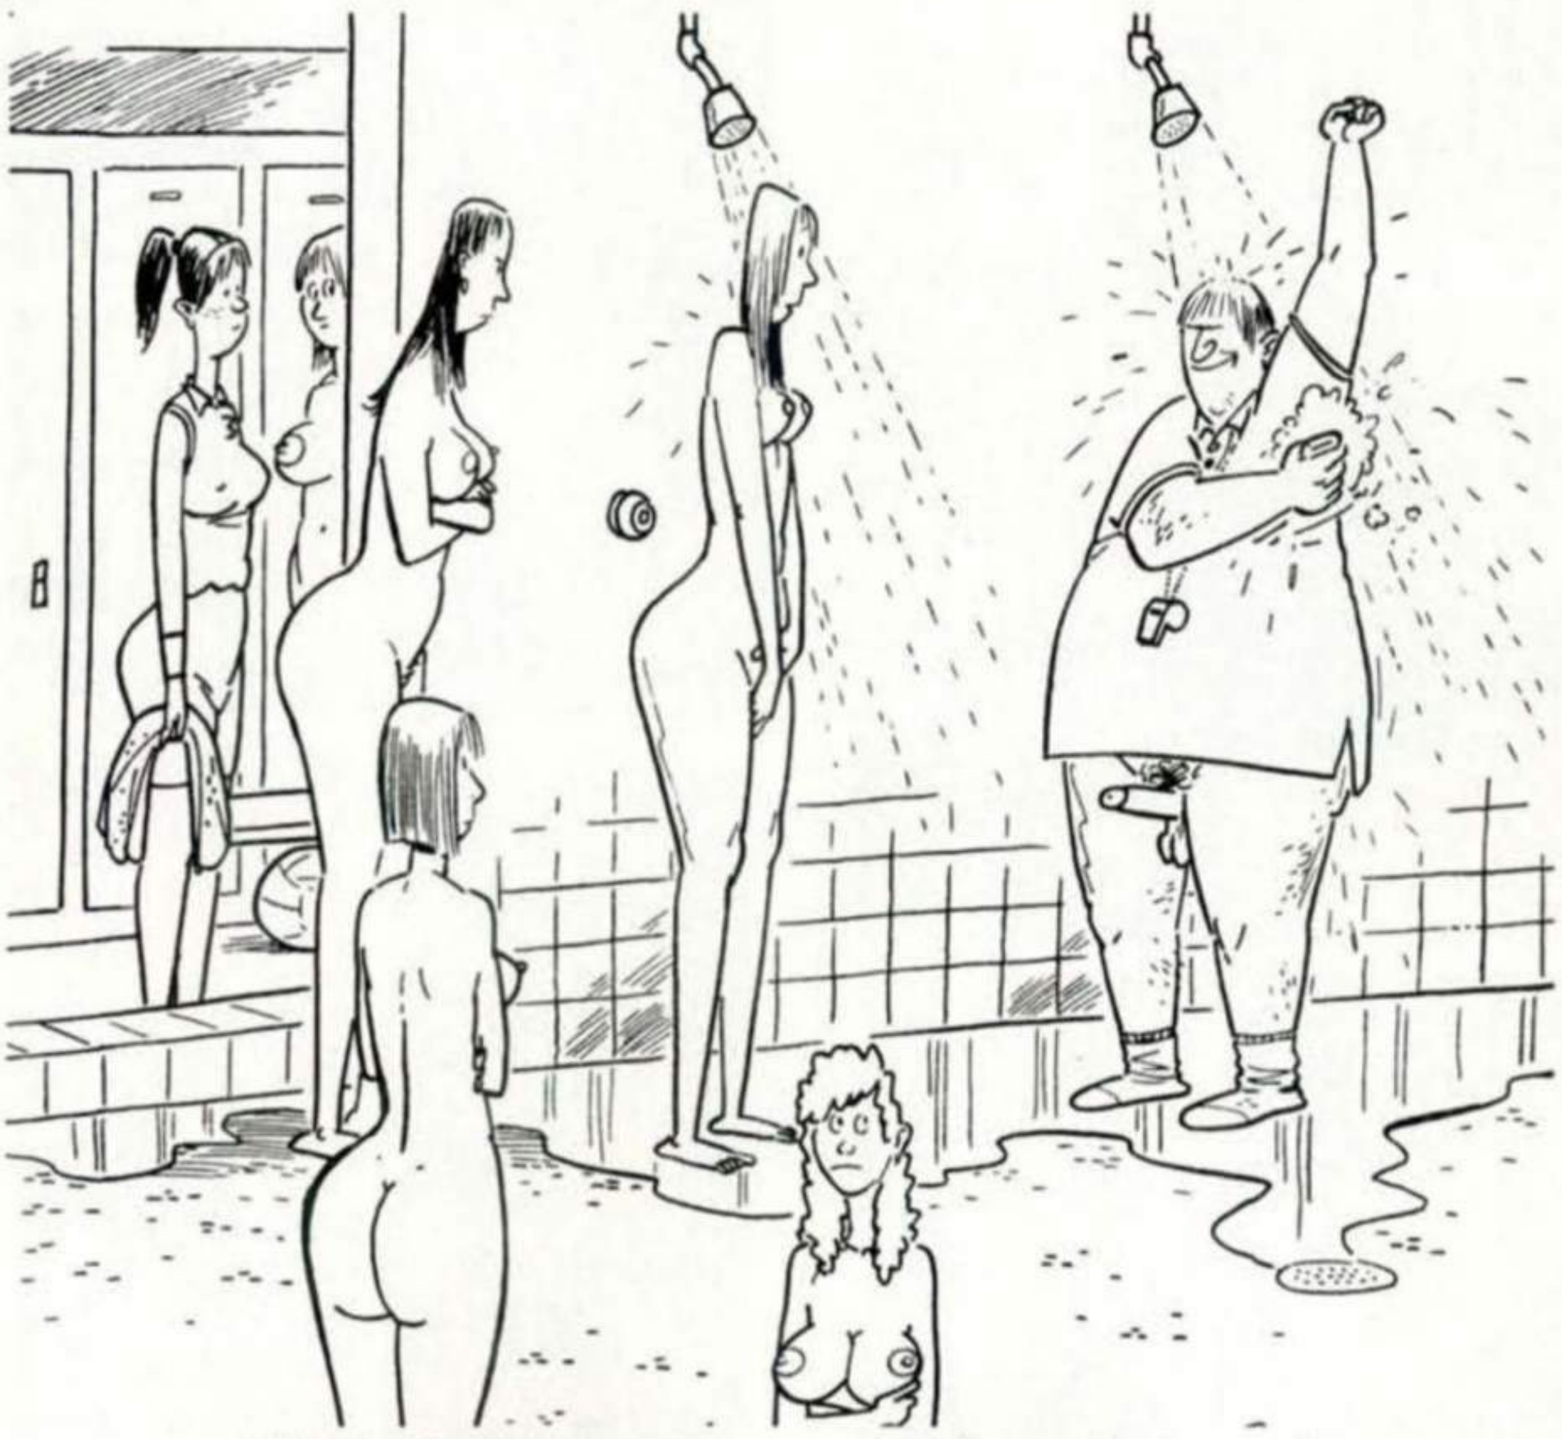

My eyes lock on a girl with long, black hair and dark-brown nipples; I'm ready for my lap dance. I know nothing about this girl, except that I saw her fellate a Corona onstage, chugalug its contents, then lick the empty bottle, and that I want her to grind on my stiffening prick.

I negotiate a pair of dances back to back; including the tip, I'm in for $100. The nameless stripper leads me to a sunken room with plush couches and humps me so vigorously that I will have to dry-clean my trousers when I return to L. A. I thank the girl for doing me right.

"I'm used to being nice to people," the stripper says. "Girls in the South are trained to make a fuss over a man. Our mothers are hard on us to be polite to people."

"Is that the key to southern charm?"

"That, plus we're all kinfolk," the girl says, then laughs.

"Coach, I don't think you're supposed to shower with the team."

John School

(continued from page 106)

of men answers.

Terry Leja tells the johns they're lucky she's not running this program.

"I'd have it in Union Square, when it rains," Leja says. "I'd dress you up in short skirts and high heels, push you out of the door and make you march around and around." Leja says she has seen young children using cum-filled condoms as water balloons. "Our senior citizens can't even sit in bus shelters, because the prostitutes have taken them over, or pimps are using them as offices."

SOS President Robert Garcia vows that he and his neighbors won't relinquish their neighborhood to johns and prostitutes. "You get it on, get it over with, and you're out of there," he says, but notes that the neighborhood suffers the aftermath, such as a 15-year-old whore delivering a baby just 20 minutes after turning a trick.

"These are things you don't see, because you're gone."

As the school day grows long, the hard plastic seats feel that much harder, and the johns squirm for comfort. Mark Robinett, a marriage, family and child counselor, hands out a packet about sexual addiction and compulsion. Instead of horrible, the day has become simply boring.

"Our President, Bill Clinton, is probably a good example of someone with a sexual addiction, almost for sure," Robinett says with a wan smile, but hardly any of the johns have a laugh left in them by now.

"You have to find the balance between what's healthy and what's not," Robinett tells the class. "Your sexuality is a part of you. It's not something you should eliminate; it's something you should make healthier and better."

Finally, the day is done. The johns are offered change-of-address forms in case they don't want their discharge papers mailed to their homes, where their wives or mothers might see them.

Hotaling greets each atttendee as he leaves, and some contrite souls are sufficiently moved to embrace their tormentor.

"Good luck," Hotaling says as the thoroughly reprimanded men file out of the courtroom. "There's somebody nice waiting for you out there somewhere."

Reflecting on his day at john school, Glen appreciates having the opportunity to take responsibility for his mistake without having his personal life thrown into disarray by a prostitution bust.

"I'm going to try not to do it again," Glen says, then adds with a grin, "but if I do, I'm not going back to the streets—I'm going to the Mustang Ranch."

"Well, look at this: two dogs coming in from an all-night bitch hunt!"

TRIPLE XXX ANABOLIC COMPOUND

Triple xxx increases testosterone levels 3 ways! Testosterone is the most powerful Anabolic muscle producing hormone found in the body! Triple XXX contains the newest anabolic on the market (Dihydroxyflovone)!

Each TRIPLE XXX ANABOLIC COMPOUND tablet contains:

5 MG DIHYDROXYFLOVONE newest hi-tech anabolic, blocks your body from converting Testerogene(good) into estrogen (bad). Allows your body's Testosterone levels in the blood to increase and stimulate your pituitary glands own production of testosterone.

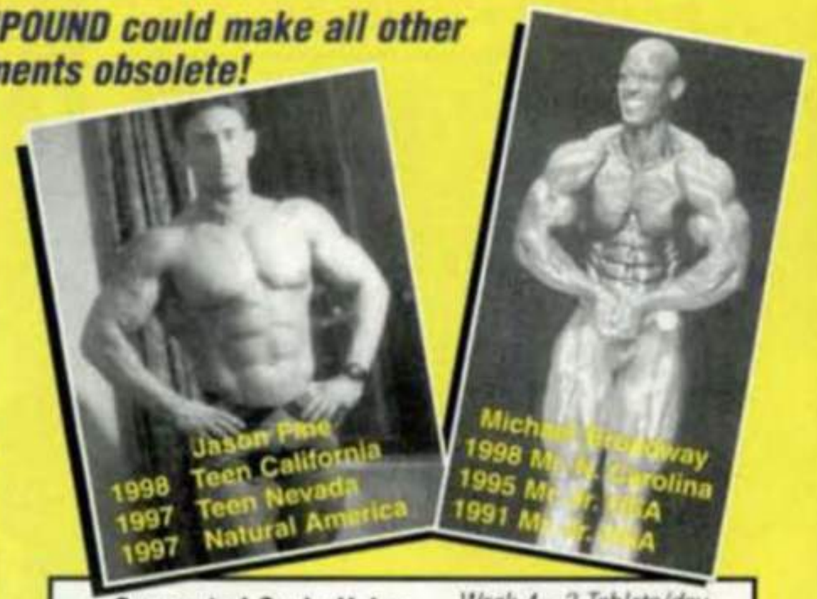

5 MG BORON (GLUCONATE) Increases testosterone levels up to 200%. Boron is a safe and effective way of raising your Testosterone level. Increased testosterone means faster muscle growth along with increased fat burning.

500 MG TRIBULUS TERRESTRIS Imported directly from Bulgaria, this anabolic is absolutely the best muscle and strength producing ingredient available. Test on healthy men show Testosterone levels significantly increased 50% or more in just 5 days.

50 MG ANDROSTENEDIONE European studies show that Androstenedione is converted to Testosterone in the liver. Studies indicate boost in Testosterone levels of 337%. Androstenedione is the true East German secret! IT HELPED THE GREAT HOMERUN RECORD!

TRIPLE XXX COMPOUND could make all other anabolic supplements obsolete!

PENIS ENLARGEMENT UP TO 12 INCHES

DR. BROSS COMPLETE PROFESSIONAL SYSTEMS

Jon West in the full length video feature *The Pleasure Principal*

YOU CAN HAVE A LONGER, THICKER AND HARDER PENIS NOW! OUR CUSTOMERS TELL US 9 INCHES...10 INCHES...EVEN A BIG 12 INCHES IS POSSIBLE!

The world's largest selling Penis Enlargement System used successfully for over 30 years with over 20 million satisfied customers.

Easy To Use! Fast Results!

CERTIFIED AND APPROVED FOR PENIS ENLARGEMENT BY DR. BROSS

HERE IS WHAT THE DR. BROSS PROFESSIONAL PENIS PUMPS CAN DO FOR YOU.

Increase penis thickness and length ■ Stimulate a harder and more powerful erection ■ Exclusive design maintains your erection (use my exclusive Comfort Fit Erection Prolong Ring for extended sex) ■ Increase confidence, sex drive and sexual performance ■ Intensify your orgasm.

Our 20 million customers tell us the Dr. Bross pumps are #1

We receive thousands of letters and photos from satisfied customers – too many to print here. This is what some of our satisfied customers say about the Dr. Bross Pumps...

I thought you might want to see some before and after pictures. That's a picture of me when I just got your pump. I was about 4 inches. After using your pump you can see the other picture I am now 9 inches. Of course the women I go out with love my new cock.I am very happy but I am going to try for 11 or 12 inches. **C. P., California**

I tried bulb pumps & centric pumps...nothing happened. Then I tried Dr. Bross' Easy-Touch Pump & it was fantastic. I went from 7½ inches to 11 inches. It was real easy to use. This pump is a miracle. I recommend it to anyone who wants a bigger cock. The pump did what you said it would do, enlarge my penis. I'm very happy with the results and so is my wife. Thank you. **A. R., Texas**

Adult video actor Jon West tells us the Dr. Bross Pumps are #1...

"The Dr. Bross Pump is fantastic. I use it and so do many adult video actors. For total penis enlargement, to make you thicker, longer and harder."

DR. BROSS PENIS PUMP EXCLUSIVE FEATURES NOT FOUND ON OTHER PUMPS

The Penis Pump adjusts to the size of the penis inserted in the cylinder. Our Power Vacuum Controller then adjusts the correct amount of vacuum you personally need for your penis enlargement.As you grow in size the Power Vacuum Controller continues to adjust to your penis size to give you Maximum Penis Enlargement up to 12 inches!

Exclusive injection molded totally enclosed Vacuum Seal clear cylinder Guarantees 100% Vacuum and no air loss.

The Dr.Bross Penis Pumps are designed specifically for Penis Enlargement. For Maximum Penis Enlargement you need the best Penis Pump and the best Penis Cylinder.Many of our customers also tell us that the Dr.Bross Pumps gives them incredible sensations for masturbation.

HOW IMPORTANT IS THE PENIS PUMP CYLINDER?

Other cylinders are made from raw plastic hollow tubing flat at the top, cloudy and color tinted which makes it difficult to see your penis inside the tube. This hollow tube is glued to a pump and you don't have a closed connection.You have air loss and so you do not have the correct vacuum needed for penis enlargement.. The flat top of the tube prevents air from flowing to all surfaces of the penis and so there is no "surface vacuum" A hard rubber ring is used at the end of the cylinder.

Now look at the Dr. Bross Penis Cylinder. The Dr. Bross Penis Enlargement Cylinders are made of the highest quality injection molded crystal clear K-Resin for strength and totally enclosed to prevent vacuum loss. Notice the shape of the Dr.Bross Penis Cylinders. The Cylinder is curved and conforms to the shape of the penis.This means the air flow travels continuously around the penis which creates a "surface vacuum" on the penis shaft which causes the penis to grow beyond your wildest imagination. Now you have a longer, thicker and harder penis up to 12 inches! Added feature is the insertion ring at the end of the clear cylinder that can be adjusted to fit any size penis comfortably.All of the Penis Cylinders shown here can easily be cleaned.

INDEPENDENT TESTING COMPANY SAYS DR. BROSS PENIS PUMPS ARE #1

Tests determined the effectiveness and reliability for each pump. Squeeze bulb pumps did not create the correct vacuum needed for penis enlargement. The one piece battery pump wiring and motor rusted after cleaning and the electric pumps use a small fish aquarium motor converted from blowing bubbles in water to suck air. Both pumps did not create the correct vacuum needed for penis enlargement.

The Dr. Bross exclusive power vacuum controller creates and sustains the correct vacuum needed for penis enlargement. This feature is not found on the other pumps. The Dr. Bross cylinders are made of the highest quality injection molded clear Resin-K for strength and to easily view the penis enlargement. The cylinder is totally enclosed to prevent vacuum loss. The other manufacturers cylinders were cloudy and had a color tint and the plastic was cut from straight raw tubing and glued to the pumps.

After all of our tests we have determined that the Dr. Bross Penis Pumps are far superior to any other vacuum pumps for Penis Enlargement. For the most features the Dr. Bross Easy-Touch Penis Pump has the highest rating of all penis pumps.

Dr. Joel Bross is a noted sex therapist, clinical sexologist in private practice since 1974. He specializes in sexual concerns for both women and men. He is responsible for the production of numerous educational sex videos.

Nadine

FAMILY JEWEL

PHOTOGRAPHY BY JOANIE ALLUM

"It was months before I could think about cleaning out the old house," states the not-so-recently bereaved Nadine. "It wasn't a very big surprise. They were getting on in years," she explains as she pads across the dusty carpet of her parents' home.

"What surprised me, though, was what I found in their attic. I never suspected my mother to be a hum junkie. I guess it runs in the family.

"Mom always said that I took after her, and now I know why. This thing is the perfect pussy plow; my mother and I must have had the same taste in cock."

OVER 16 MILLION SATISFIED MEN USE OUR PROFESSIONAL

PENIS ENLARGEMENT Systems

YOU TOO CAN GO FROM MINISCULE to MAMMOTH & HAVE ERECT MEASUREMENTS UP TO 12 HUGE INCHES!

SIZE DOES MATTER!

EVERY DAY SINCE 1965 MEN IN 68 COUNTRIES ARE USING THE SUPRA-12 SYSTEMS!

WORKS ON NATURAL PRINCIPLES... NO GUESSWORK... NO MUMBO-JUMBO!

The male erection is produced when blood flows into the special *bulbocavernosus* muscles inside the penis shaft. As these muscles fill, the penis **increases in diameter and thickness.** By increasing their capacity as the SUPRA-12 does, they can hold more blood, resulting in **A DRAMATICALLY LONGER, THICKER ERECTION.** Users of SUPRA-12 say they're **"truly astounded"** when they see their penises reach **startling new proportions** inside the chamber of the SUPRA-12. **And you will be, too!**

THE SUPRA VALVE & SENTRY PROLONG RING ARE FEATURES NO OTHER MANUFACTURER OFFERS!

Getting a huge, fat erection is one thing... *keeping it* is another!! That's where the features of the SUPRA put it miles ahead of its competitors! The patented SUPRA Valve "locks in" the vacuum power for the **biggest size possible in the shortest amount of time.** Don't be fooled by claims of "more vacuum." Too much can cause medical problems. Every SUPRA-12 pump passes stringent quality control and is tested according to medical standards – no more – no less. And with the SENTRY Prolong Ring, you **can stay as hard as you want, for as long as you want.** **IMPORTANT! All professional medical vacuum pumps (including $500 models) include prolong or tension rings. Our Sentry fits any size penis, and there is no hassle in removal or pulling of the pubic hair as in others.** The nearly invisible SENTRY rests comfortably at the base of your penis, maintaining **your dynamic "super erection"** indefinitely, but never interfering with your pleasure - EVER! *You can penetrate your sex partner deeply, enjoying intercourse more than ever before, because the Sentry* ***GIVES YOU COMPLETE CONTROL!***

SAFE & EFFECTIVE... AN INCREDIBLE VALUE... 5 MODELS TO CHOOSE FROM!

According to **U.S. News and World Report,** our Vacuum Pumps and Erection Rings are "simple, safe and effective" (8/24/92). The SUPRA-12 is the World's Best Selling line of Penis Enlargement and Erection Building systems, and at a price that is an international "Best Deal!" Similar systems, when prescribed by physicians, can cost between $300 to $650 or more! That's why the SUPRA-12, with the patented SUPRA Valve

Coming

next month in HUSTLER

TORRENTIAL TAIL

When the pussy rains down, it pours. In April, HUSTLER showers readers with moist, pink riches. Muff-divers Francesca and Regina take a dip. Always ready for a workout, a tennis tramp works up a sweat on the court. Is there a man in the house to challenge her? Schlepping a couch can be backbreaking work. One mover busts a nut with the help of his sex-starved assistant. Nici's picture-perfect pussy has sprung a leak, and she's begging for a Mr. Fix-it to come along and plug her hole. The forecast calls for damp weather when Joey, April's sopping centerfold, arrives to relieve all high-pressure systems. This April's HUSTLER is gonna be a wet one; so break out your rubbers.

PORN IN THE CLASSROOM

Who ever heard of homework promoting a raging stiffy? College students are experiencing the boner-inducing bliss of pornographic studies. Does the trend of academics pontificating upon XXX tapes represent the further decline of higher education or simply the mainstreaming of the fuck film? In-class screenings sound great, but is deconstructing jackoff fodder worth the price of tuition? Are spank-flick courses just another easy A for lazy students? Find out when HUSTLER reporter James Bohling registers for *Porn 101*.

TWO DICKS ARE BETTER THAN ONE?

Men cherish their dicks. In the age of plastics, any handyman can create a glistening, rubber replica of his tool. But why would he want to? Wanna give a chick a loaner prick to keep her pussy company? Will cock-casting become law enforcement's newest method of postmortem identification? Will strange cults construct shrines to the glorious man root? Sound bizarre? It gets weirder. Taking a man's love for his totem to the extreme, we explore dick replication in April's *Sex Play*. Intrepid HUSTLER Correspondent David Carnie gives his own blow-by-blow account of do-it-yourself dildo making.

HERE CUMS THE RAIN

Screw umbrellas! HUSTLER girls love being wet. A deluge of hometown honeys debut their derrieres in April's *Beaver Hunt*. Stick your finger in a dyke as *Bits & Pieces* goes undercover at Ellen DeGeneres and Anne Heche's bachelorette party. *Erotic Entertainment* points pricks in the direction of a sweltering porn-star getaway. April's HUSTLER will wring rods down to the last coochie-craving drop.
