# BITS and PIECES

## ASSHOLE OF THE MONTH

A colon doesn't have to be the biggest or most prominent to offend on a grand scale. Even the tiniest rectum can issue a rank discharge that curls nostril hairs on a national level. Take Gary Bauer, HUSTLER's Asshole of the Month for May 2000. Of the six big Assholes vying for the 2000 Republican Presidential nomination, Bauer, who stands a dwarfish 5-6, has the least political and physical stature, but has quickly proven himself to be the shittiest. Like a dookie-stirring dick shoved into an ulcerated colon, Bauer's bid for the GOP nomination has splattered malodorous slop for all to be sickened by.

The product of an alcoholic janitor's defective seed, Bauer, who bears the pinched, bug-eyed demeanor of a man who's just taken a cock up his ass, has spent most of his 53 years attempting to smear his fecal agenda across the face of America.

In the 1980s, Bauer served as Deputy Undersecretary of Education for the Reagan Administration. The sub-undersecretary's shining moment came when he characterized an NEA-produced curriculum guide that suggested teaching conflict-resolution alternatives to nuclear annihilation as "leftist indoctrination aimed at turning today's elementary students into tomorrow's campus radicals."

For the past 11 years, up until he stepped down to pursue the Republican nomination, Bauer served as president of the right-wing pressure group Family Research Council, whose "overarching purpose," according to its literature, "is to defend family, faith and freedom."

### GARY BAUER

The Council's "freedom" crusade ironically translates into stripping liberty away from whomever disagrees with it.

The reversal of *Roe v. Wade* is the FRC's main platform. From under this umbrella of mangled fetuses, it attempts to bully into effect legislation that would punish anyone whose sexual, reading or worshipping habits differ from its own.

Pornography is big on the FRC's hit list. The group threw its support behind the decision to ban magazines such as HUSTLER from military PXs, asserting that adult reading material "decreases morale, unit integrity and overall readiness in the military."

Bauer's basis for this claim is unclear; he received a student defer-

ment during the Vietnam War and was later exempted from the draft on the grounds of physical inferiority.

Porn on the Web is also pooh-poohed. The FRC presses Internet service providers to adopt a Code of Ethical Conduct that forbids hardcore pornography on their lines. FRC's Web site directs its readers to the Values Investment Forum, which steers investors clear of "those companies that profit from or promote...pornography."

Meanwhile, Bauer maintains a personal \$15,000-plus stake in Network Solutions, an Internet domain-registration service with numerous ties to adult sites.

"The values are warped," Bauer says of the Washington, D. C., belt-

way that he immersed himself in for nearly two decades. "If I could find a way to make a living, I'd be back in the heartland in a minute."

Bauer could easily make rent elsewhere. Back-alley cocksucker and human piñata are but two viable career options for the little prick.

As an honest whore, Bauer just wouldn't make the financial killing that he has from preaching atop a mountain of aborted fetuses. From 1998 to mid-1999, Bauer personally pocketed \$600,000 from various pro-life organizations while helming the "nonprofit" FRC.

For a big enough pile of cash, Bauer would probably be driving coat hangers into embryo skulls himself; his duplicitous campaign indicates that he's willing to switch sides in any game as profit dictates.

"It's puzzling to me why observers want to mention my faith in describing me," claims the man who wants the Ten Commandments posted in public schools and refers to the Bible as his ultimate "briefing book."

"I hate negative advertising," notes the schmuck who spent \$200,000 on an unsuccessful 1998 smear campaign against California Representative Lois Capp. "A personal mistake is personal," waffles the hypocrite who demanded Bill Clinton's resignation after the Lewinsky affair broke.

No one will ever call for Bauer's resignation. This colonic candidate's noxious vapors will dissipate long before the Presidential election occurs. If a vote were held for Chief Executive Asshole, though, little Gary Bauer would win by a landslide.

**The Kroger Corporation:** Bowing to pressure from Robert Peters's *Morality in Media*, the Cincinnati-based grocery-store chain—the largest such chain in the country—agreed to cover up *Cosmopolitan* to obscure that magazine's non-explicit headlines. In bending to the will of an organization that exists mainly in its president's

### FARTS IN THE WIND

deluded imagination, Kroger offers proof of its own impossible-to-conceal Assholery.

**Tom Stone:** The same sheriff who cowered outside Columbine High while Eric Harris and Dylan Klebold went on their murderous rampage and who, for months, denied the slain students' parents access to

the now-infamous videotapes made by the killers allowed a *Time* magazine reporter to view the tapes just in time for a wound-reopening Yuletide cover story. Stone greeted the resulting outrage by claiming he was "scoundreled" by a national publication." More like the families of Columbine's victims were duped by a small-town Asshole.

## CHARLIE'S ANALS

The movie industry deserves a pat on the back for reviving the '70s ideal of T&A as entertainment. The upcoming theatrical release of *Charlie's Angels*, starring Drew Barrymore, Cameron Diaz and Lucy Liu, promises to hurl three decent bodies across the screen for two hours (assuming doughy Drew stays sober and abstains from cheese fries until filming is complete). Unfortunately, the odds of this new crop of "Angels" stripping and taking a villain up their asses are as remote as ever.

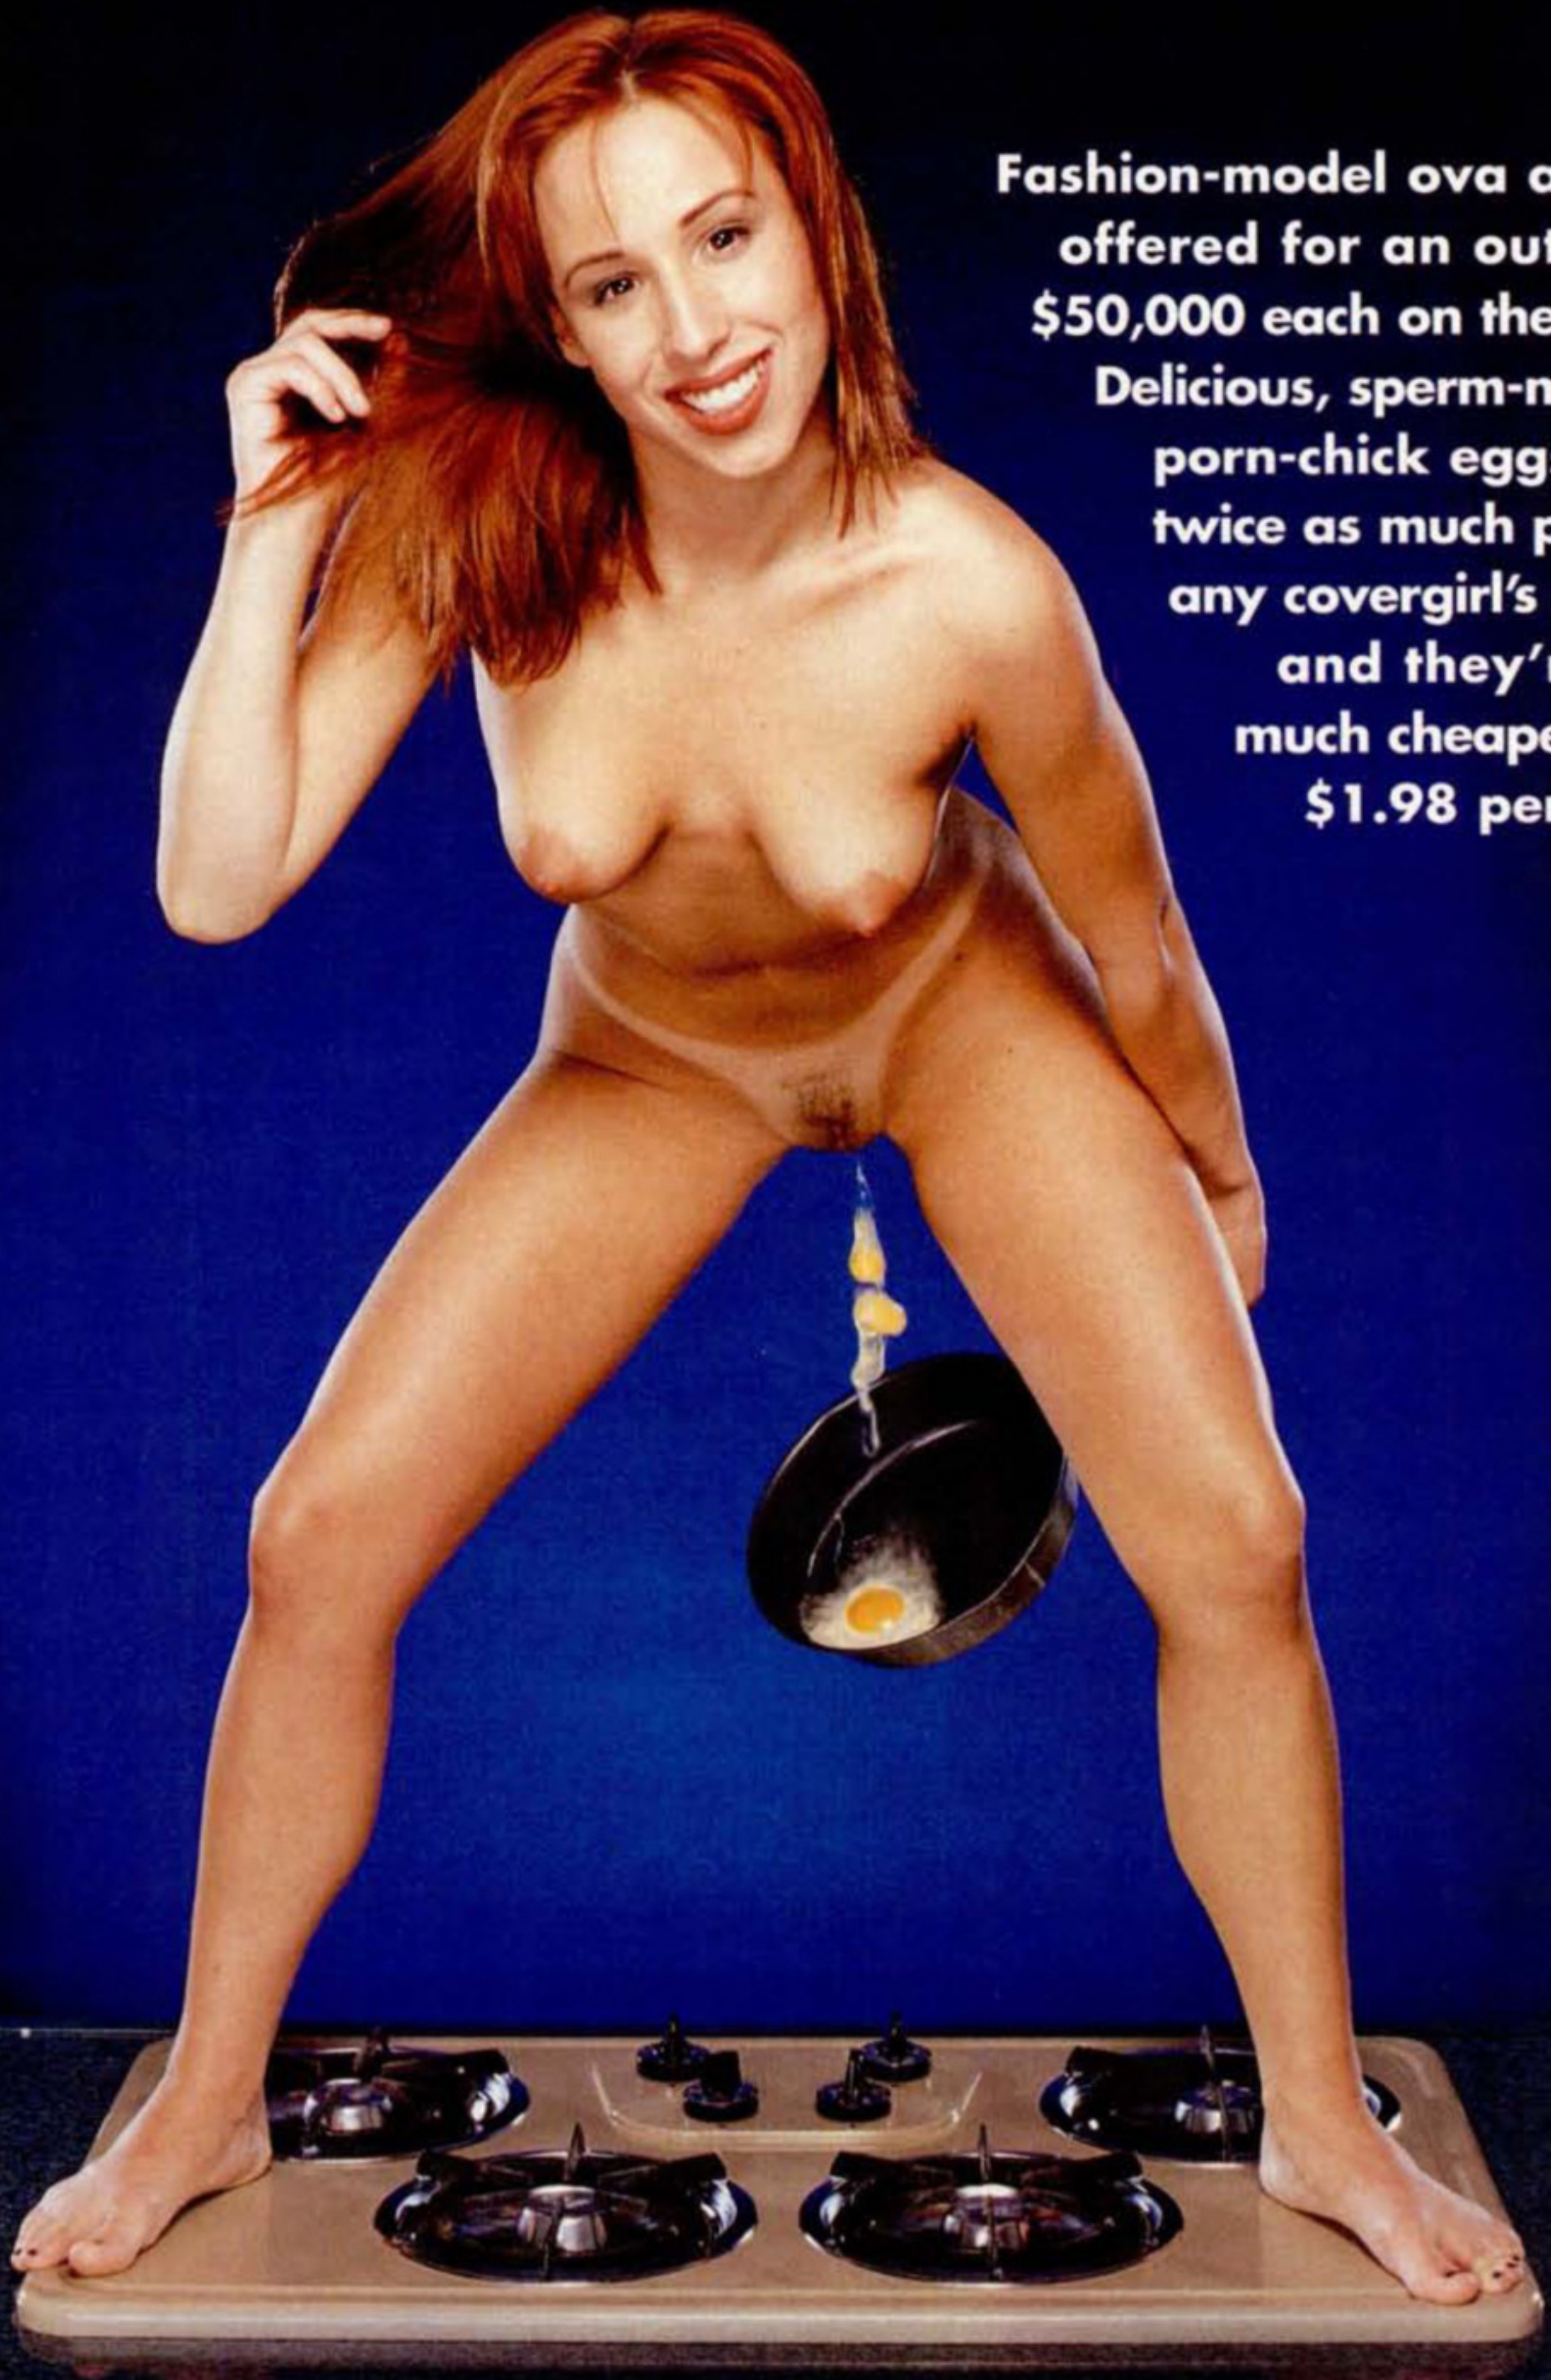

The '70s sexploitation movement fizzled because of such short-sighted thinking. HUSTLER suggests that Hollywood bend to the public's will and offer more fully realized fare.

## Nikki on the Bowl

Nothing is hotter than spying a beautiful lady taking a leak, except for actually catching her masturbating on the porcelain throne! Nikki (*Nikki: Porcelain Goddess*, March 2000) is a natural wonder with her thick, reddish-brown hair, both on her head and between her legs. Finally, a return to natural bush! Is this a change in trend for the new millennium? I do hope so. Nikki's panties couldn't look sexier dangling down around her ankles. The last two shots of Nikki fingering her wet, hairy pussy while sitting on the bowl brought my own plumber's helper straight to attention. I wanted to plunge her hole the instant I saw the natural wonder. Beating off to darling Nikki, I spurted ten times with animal force. Thanks, HUSTLER, you're still the best.

—B. C.  
Houston, Texas

## Arrest Me, Officer

Lady cops are hot, but Jenny (*Jenny & Brick: Feeling Frisky*, March 2000) is the hottest officer on the beat. She's so aggressive; I love it. When a girl loves sex, it's obvious, and it's clear that Jenny digs a stiff bone and then some. When she handcuffed her partner Brick to the bed, choked him with her nightstick and climbed on top to settle on his rock-hard cock, I had to sit down and catch my breath. I love that the tables are turned at the end of the pictorial, and Brick fucks Jenny in the ass. If real cops were as hot as Jenny, I'd break the law just to resist arrest.

—C. S.  
Farmington Hills, Michigan

## Jackie's Future

Regarding covergirl and centerfold Jackie's (*Jackie: Hot Flash*, November 1999) future as a HUSTLER model, could there possibly be a girl/girl pictorial in the works? I think that would make for a bitchin' layout. Jackie's hot, natural body and pierced belly-button go a long way in my imagination. Let us see some pictures of Jackie with another girl—please? Do this one favor and I'll be a HUSTLER fan forever!

—S. N.

**CONSUMER ALERT:** When ordering merchandise through any mail-order supplier, minimize your risk of being disappointed by dealing only with mail-order merchants who accept credit-card payment and have a working phone number in their ads. Any offer that seems too good to be true is probably untrue.

*You're in luck, fan boy; Jackie has recently been shot in a brand-new pictorial. Her merry fornication takes place in an old VW bus on the side of a road. The person bringing her to a raging orgasm is quite female. Look for Jackie and her pussy-licking pal some time this fall.*

## Vanessa Del Passion

As the competition threatened to close in on HUSTLER in the great smut race, what did Larry Flynt and his incredible staff go and do? Reprint pictures of the most venerated porn bitch the blue screen has ever seen: Vanessa Del Rio (*Vanessa: Del Rio Grand*, February 2000). Vanessa was simply the best when it came to sheer passion. Be kind and tell me what issue she originally appeared in and how much that back issue would cost so you can take more of my hard-earned money—happily, I might add.

—L. O.  
Yardville, New Jersey

*Vanessa Del Rio originally appeared in the March 1981 HUSTLER pictorial Vanessa: Spanish Fly, but the pictures that appeared in the February 2000 issue, while from the same photo shoot, are different shots. Back issues cost \$10 and can be ordered through the same number as HUSTLER subscriptions: (323) 651-2348.*

## Up-Skirt Voyeur

Thank you, thank you, thank you for the article about video voyeurs (*Caught on Crotch-Cam: Video Voyeurs Upload Undies on the Internet*, January 2000). I've been trying to find out the name of that "skirts" Web site for a long time. I saw the tail end of a TV show on the same subject, but, apparently, the program's producers didn't want to advertise the Web site on the

## Divorced and Dejected

I read your monthly magazine on a regular basis. Being divorced, I do not feel that you represent a growing number of your readership. Speaking on behalf of all divorced men, I would like to ask a favor. Most of us have completely severed ties with the fat-assed, bleach-headed, money-grubbing whores we mistakenly married. These cunts have left us all in shambles, bleeding our checking accounts dry with lawyer fees, credit-card debt, alimony, child support and so on. Sirs, you allow yourselves the space to bitch about politicians; how about some space for us? Why not devote a special section of the magazine to some real assholes—our ex-wives? How about a pictorial showing a fat-assed bitch with a \$75 hair-do and a worn-out snatch? This happy slice of revenge would really fit your style and ring in the New Year with a bang. Please consider my suggestion, as it would significantly enhance your publication. I'd be more than willing to lend HUSTLER my expertise.

—R. F.  
Tulsa, Oklahoma

While you bring up some compelling issues, are you sure you know what you're asking for? Would you be willing to sacrifice pages of fresh, pink pussy in order to perpetuate your grudge-fest? Isn't fantasy better than reality? Oh, look, butterflies....

## Not Amused by HUSTLER

I just received your February 2000 issue, and it made me sick. On the humor page, there were two jokes—if that's what you want to call them (I don't)—that were in exceedingly poor taste. The first one was: "What's 18 inches long and guaranteed to make a woman scream?" The answer: "Crib death." I don't think that's very funny. The second offensive attempt at humor was: "A man walked into a drug-store and strode up to the pharmacy. 'I need birth control for my 11-year-old daughter,' he proclaimed loudly. The druggist was stunned. 'Are you telling me that, at such a young age, your daughter is sexually active?' The customer reflected,

'No, she just lies there like her mother.' " You may think these are funny, but I sure don't. What's so humorous about a father molesting his daughter? I used to read your magazine, but after reading your so-called jokes, I'm cancelling my subscription, and I've told all of my friends to do the same. Shame on you, Larry Flynt! Why you allow your editors to put these sick jokes in your magazine I will never know. I would appreciate it if you would do something about this reckless bad taste as soon as possible.

—V. B.  
Sussex, New Jersey

*Crib death? Haw haw haw! That's a good one.*

## Expert Suggestions

I've been a HUSTLER reader for a very long time. I am young, handsome, very well-off financially, and have been fortunate enough to date plenty of gorgeous females. As the leading love expert in my part of the country, I feel that you need some of my invaluable advice. I would love to see HUSTLER supply voting cards so the readers can vote on who's the best porn slut in each issue. Also, send Jeanna Fine to a slut retirement home. You should also allow the

women to send in photos that you would select and publish; some will be gorgeous, and some will be douchebags. Finally, your magazine would benefit greatly from publishing a photo of my 12-inch erection.

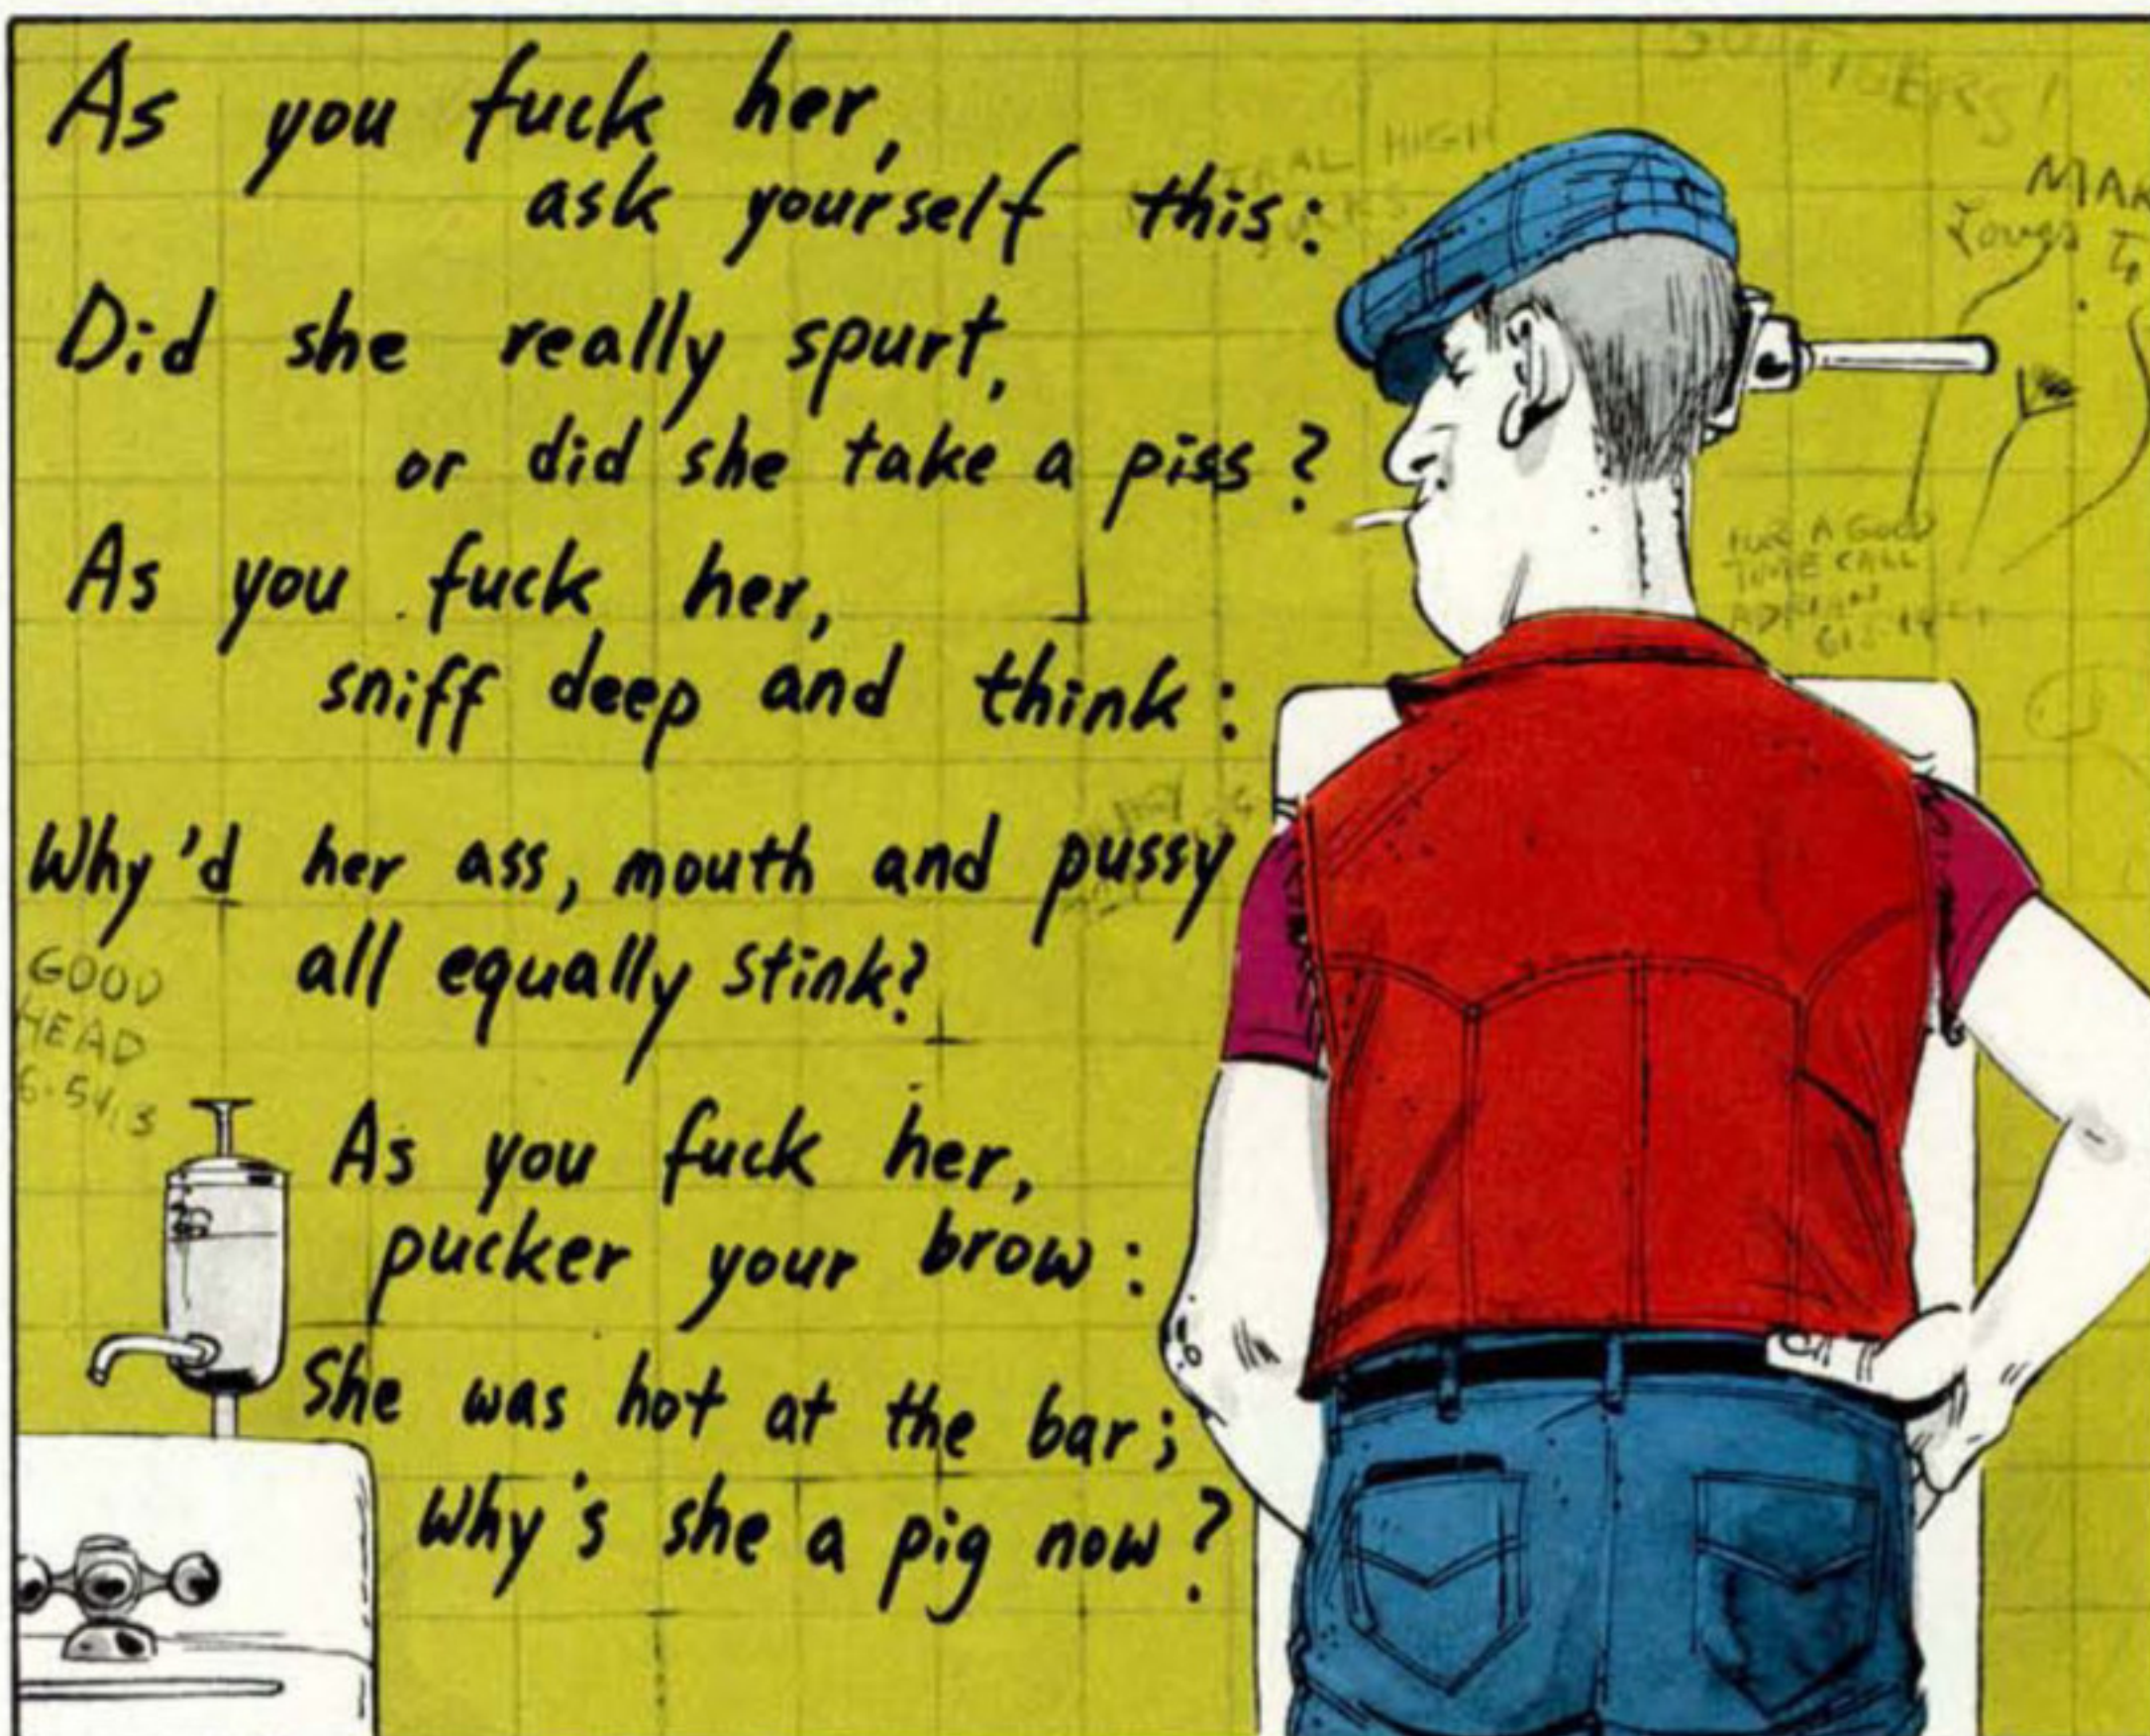

—T. A.  
Essex, Massachusetts

*HUSTLER would never know how to separate jack from shit without experts like you, T. A. With your good looks, money and foot-long dick leading the way, HUSTLER is bound to soar to new heights. We will immediately implement your idea of featuring an amateur ladies' section and call it Beaver Hunt in your honor. Jeanna Fine must stay, however. Despite your wealth, youth and unbelievable endowment, you lack the brains and experience that Jeanna brings to the magazine. Sorry.*

## In Search of Pretty Pussy

I have been a reader of your magazine for 19 years and have enjoyed every issue I have ever bought. Over the last several years, I have noticed something changing in the ladies' anatomies. Comparing issues from the late '70s and '80s with current editions, it is clear that the beavers on today's HUSTLER Honeys look as if they

have been pulverized by some sort of meat masher. The days of smooth, thin-lipped treasures seem to be over. Could this be because women are having sex earlier or with more partners? Or is it that they are finding larger tools to stretch their snatches to new limits? Whatever the case may be, I have witnessed this phenomenon in my own personal travels. Now I spend my days in search of a pretty pussy from days long gone. —M. S.  
Baltimore, Maryland

*Pussies are like pretty flowers, M. S.; they come in every shape and size and always have. Don't be afraid of the pulverized, jagged holes of some modern wenches. They are just as wet and fuckable as the smooth-lipped disco chicks of yore.*

## Bigger Clits

The editors of HUSTLER brag on and on and on with such erotic descriptions as "sweet, pink clits," "the feel of a slippery clit" and "she fingered her clit till she came," but you never show any of these delightful joy buttons. Wouldn't you figure that, after hearing clits described in such lurid detail, your readership would actually like to see some of these joy buzzers? Few body parts are more fascinating and intimately arousing than the female clitoris. Wise up and show us your clits!

—W.  
Santa Barbara, California

*What on Earth are you yammering about? There are 157 clits in the January 2000 HUSTLER alone. The number of love buds jumps to 168 in the February 2000 issue. Pound for pound, you will find more hunky clits in HUSTLER than in any other men's magazine. Perhaps you need a clit-o-scope, a giant magnifying glass, or maybe even a pair of reading glasses. It sounds as if your cataracts are bigger than the clits in HUSTLER.*

## Porn Auteur

I have some great ideas for a hot XXX video, but have no idea about how to write a script. Could you tell me how I can obtain a porn script so I know what is expected of me?

—O. B.  
Yonkers, New York

*Feel free to use the following example as a template, O. B.:*

JANE: "Want a blowjob?"

DICK: "Sure!"

*Jane sucks Dick's cock. Repeat ad infinitum. Congratulations, you've just written a masterpiece of XXX cinema.*

## Keep Kicking Ass

Wow! I've been a subscriber for the past five months, and you guys totally kick ass! Every issue is better than the last one, and I enjoy each one to the fullest. You did an excellent job with the pictures of Tara (Tara on the High Seas) in the February 2000 issue. I would love to see Teri Weigel come alive in your pages. Keep kicking ass, and I'll keep subscribing for life!

—T.  
Tampa, Florida

Well, Mr. T., it just so happens that Teri Weigel has made her return in this very issue after four long years away from porn. Turn to *Erotic Entertainment* on page 33 for her inspirational comeback story. HUSTLER pities the fool who misses out on the ass-kicking good time you are about to receive.

# Dear SLUT

JEANNA FINE TELLS THE  
FUCKING TRUTH

*This month in her regular column, porn legend Jeanna Fine responds to readers seeking erotic enlightenment. She invites you to drop her a line and join her on the fearless quest for the fucking truth.*

## WHISKEY DICK

I'm a 22-year-old college student and I've been sexually active since I was 16. My problem has always been in the stamina department. Unfortunately, I have to be drunk to have lasting sex. Sex only lasts about five to ten minutes when sober, but with a whiskey dick, I can fuck for 30 to 45 minutes. Is there some kind of exercise or mind trick I could use to keep the baby batter in my balls longer? It hurts my pride when a girl says, "That would've been great if it had lasted longer." At that point, I finger and lick my bedmate until her lust puddle soaks the sheets, but I'd rather be able to plow her gulch until she begs for mercy without being plowed myself. If you could help me with any words of wisdom, I'd sincerely appreciate it.

—L. S. A.

Atlanta, Georgia

*Your stamina problem might be a simple matter of impatient youth. Try thinking about baseball batting averages or your commute to school, and leave the fucking to your dick instead of your head. Also remember that there's nothing wrong with stopping for a few minutes when you feel yourself reaching the point of orgasm. You can also lengthen fucking time by eating your girlfriend's pussy and fingering her sloppy, wet hole before coming instead of afterward, which will also prime her to climax with you. Lead her to that driving moment by spending plenty of time on foreplay before you ever reach the point of insertion. There's nothing more satisfying than a simultaneous orgasm. Come together, and leave the whiskey in the cabinet.*

## LOVES HER MOM

I'm a girl who harbors fantasies about fucking her own mom. I also dream about having sex with some of my aunts and my female cousins. I've had these fantasies since I was about 18. Now I'm 23, and these feelings are even stronger! I buy books with incest themes at adult-book stores and frig my clit while imagining myself in the place of the daughters fucking their own moms. I want to fuck my mother so bad, but I don't know how to tell her. Am I sick?

—V. J.

via Internet

*The only thing sick about this wish would be acting on it. Anything goes in fantasyland, but trying to make this desire a reality would be a tremendous mistake. You know deep down inside that actually having incestuous sex is the wrong thing to do, morally and legally. If your urge to make passionate love to your mother and aunts is leading you to make passes at them, I would recommend professional counseling. Hitting on your family members would be the greatest error you could make in your life.*

## SHE CAN'T COME

In our decade-long marriage, my wife and I have had some amazing sex, except

for the fact that she has never had an orgasm. I don't know if it's something that I'm doing wrong or if it's something that she's doing, but I do know that it bothers her a great deal. She tells me she can't even get off from masturbating. We've tried a lot of different things: oils, massage, foreplay, bondage, watersports, screwing in public places and just plain power-fucking. We're not jaded whatsoever—we still love each other and pork every chance we can—but if my wife could know orgasmic lust, our lovemaking would be absolutely perfect.

—E. W.  
via Internet

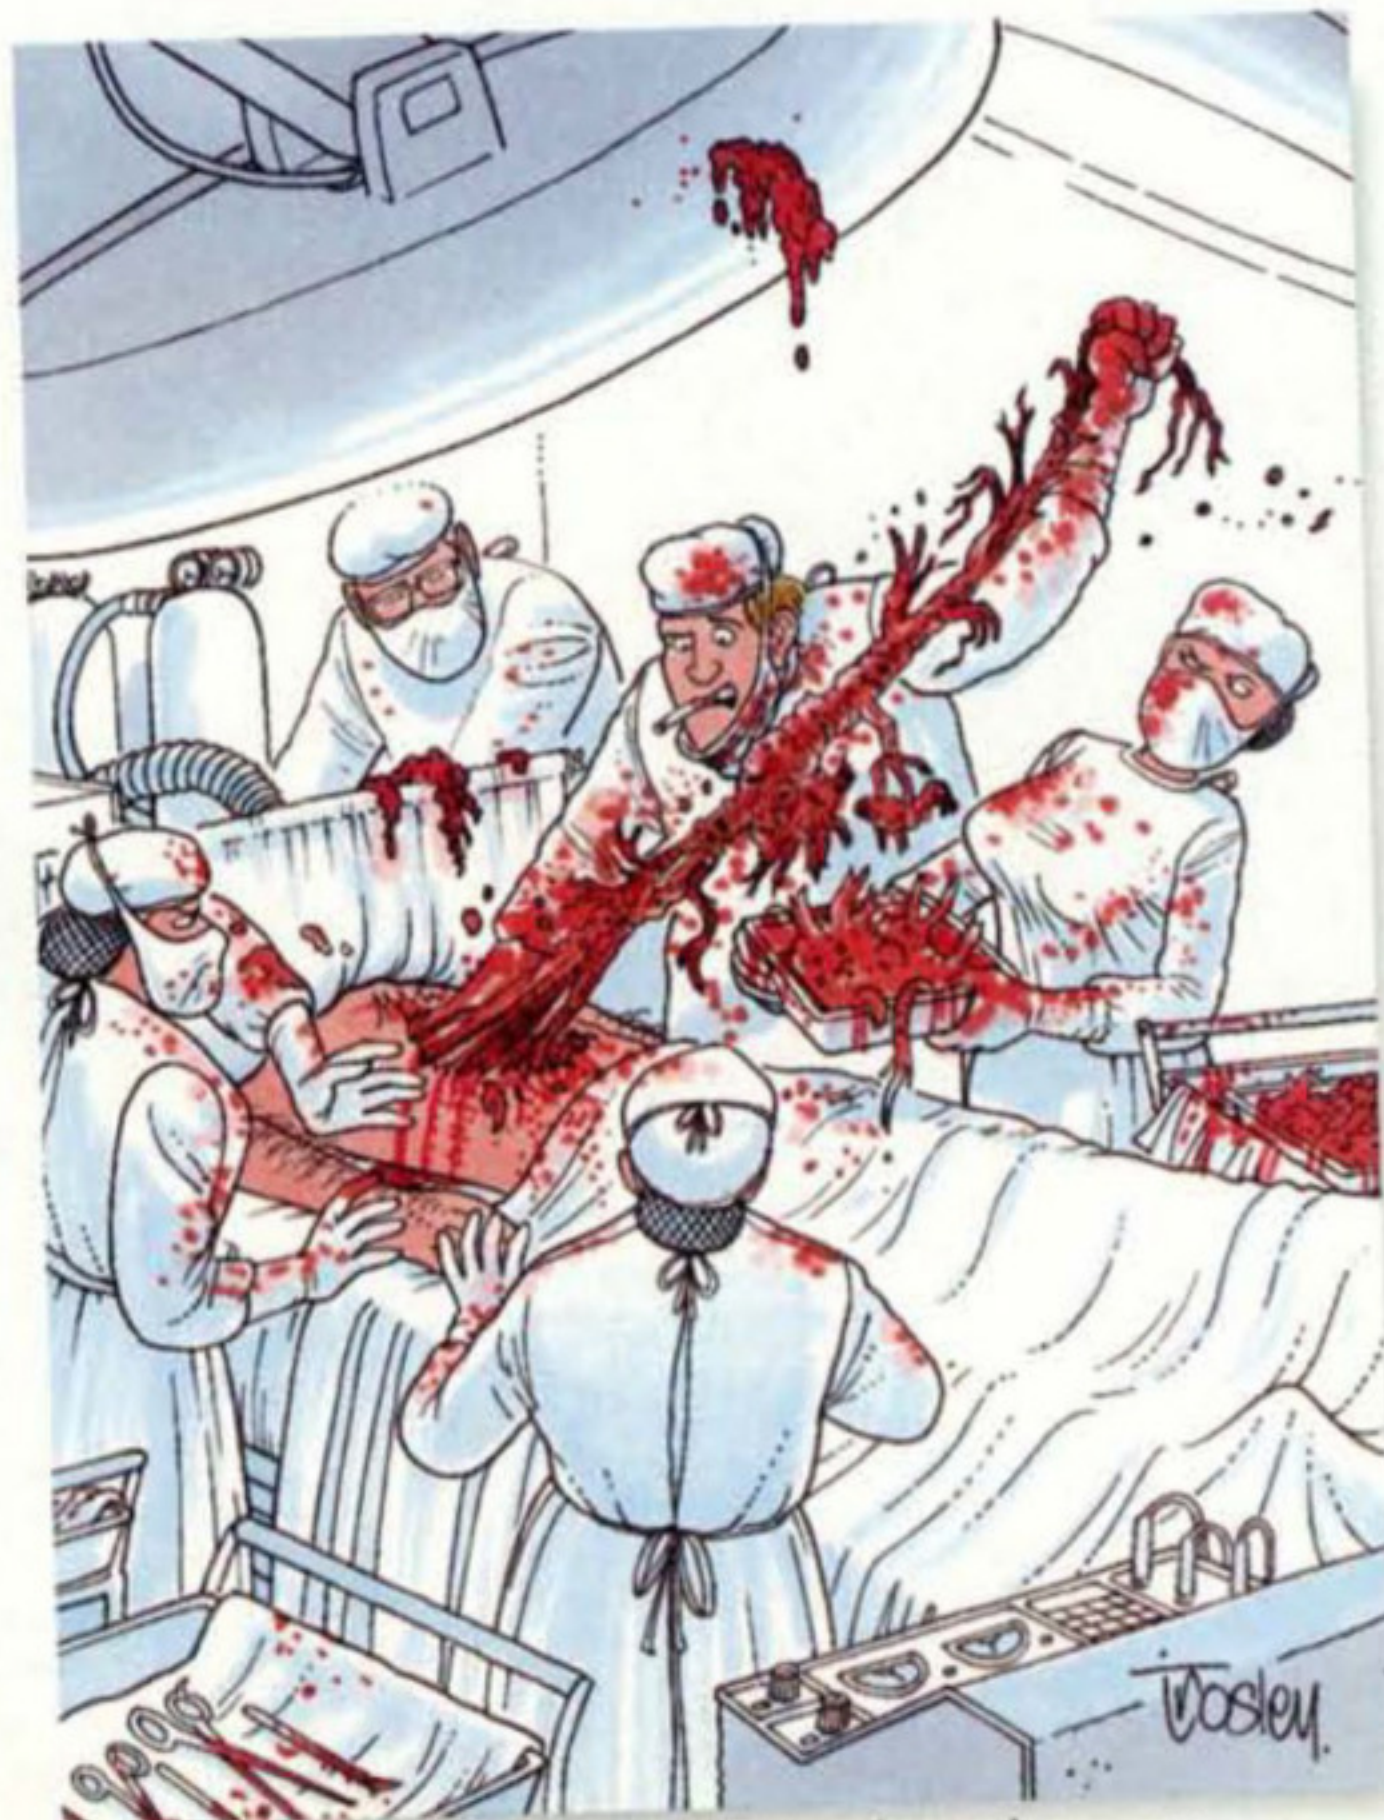

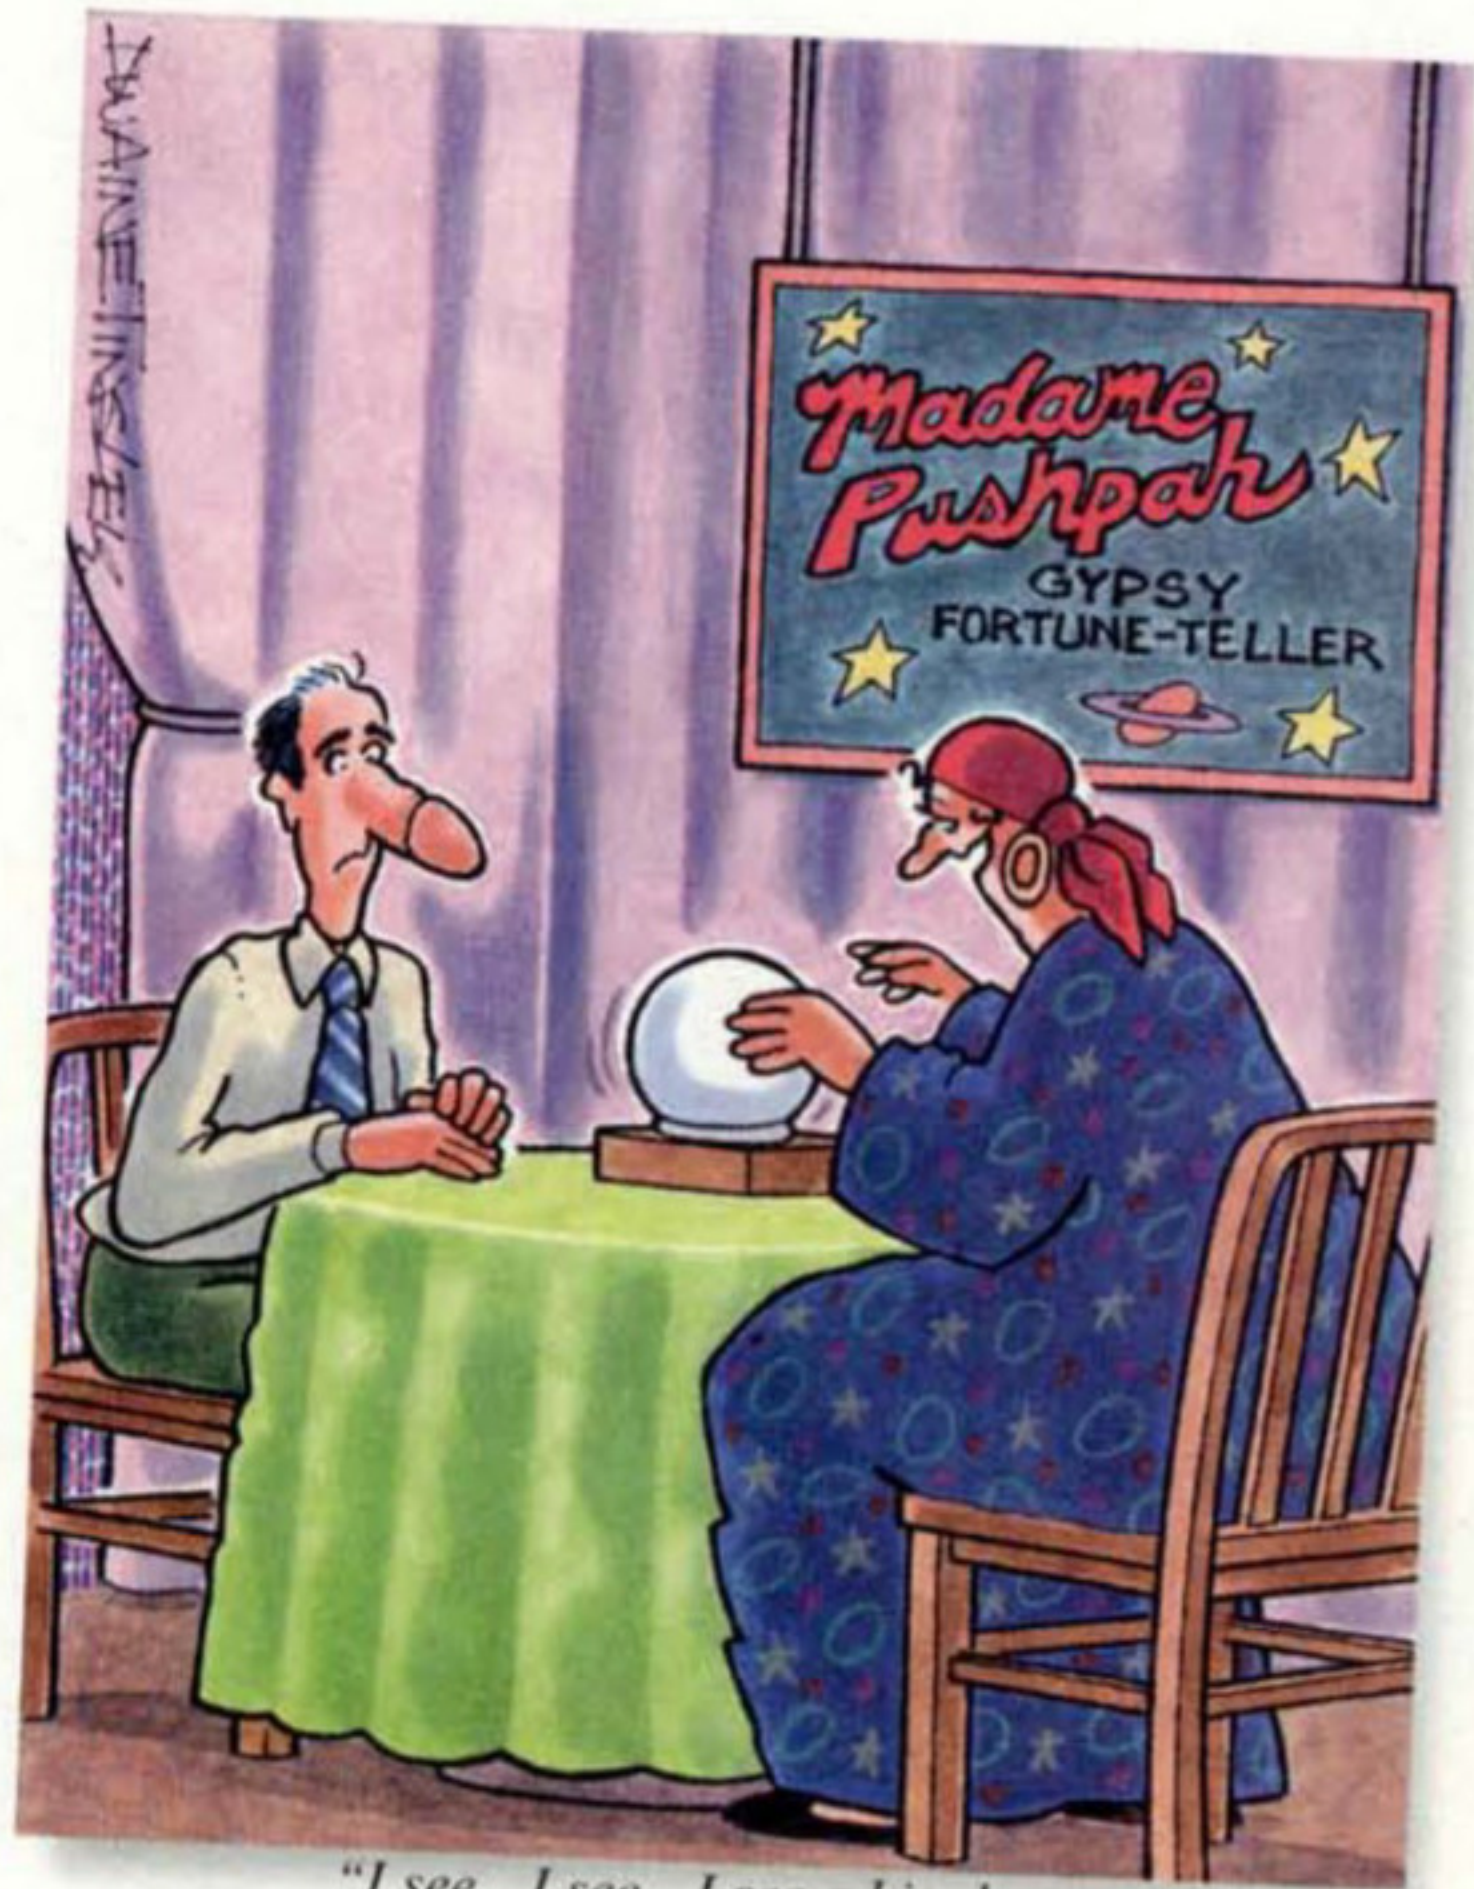

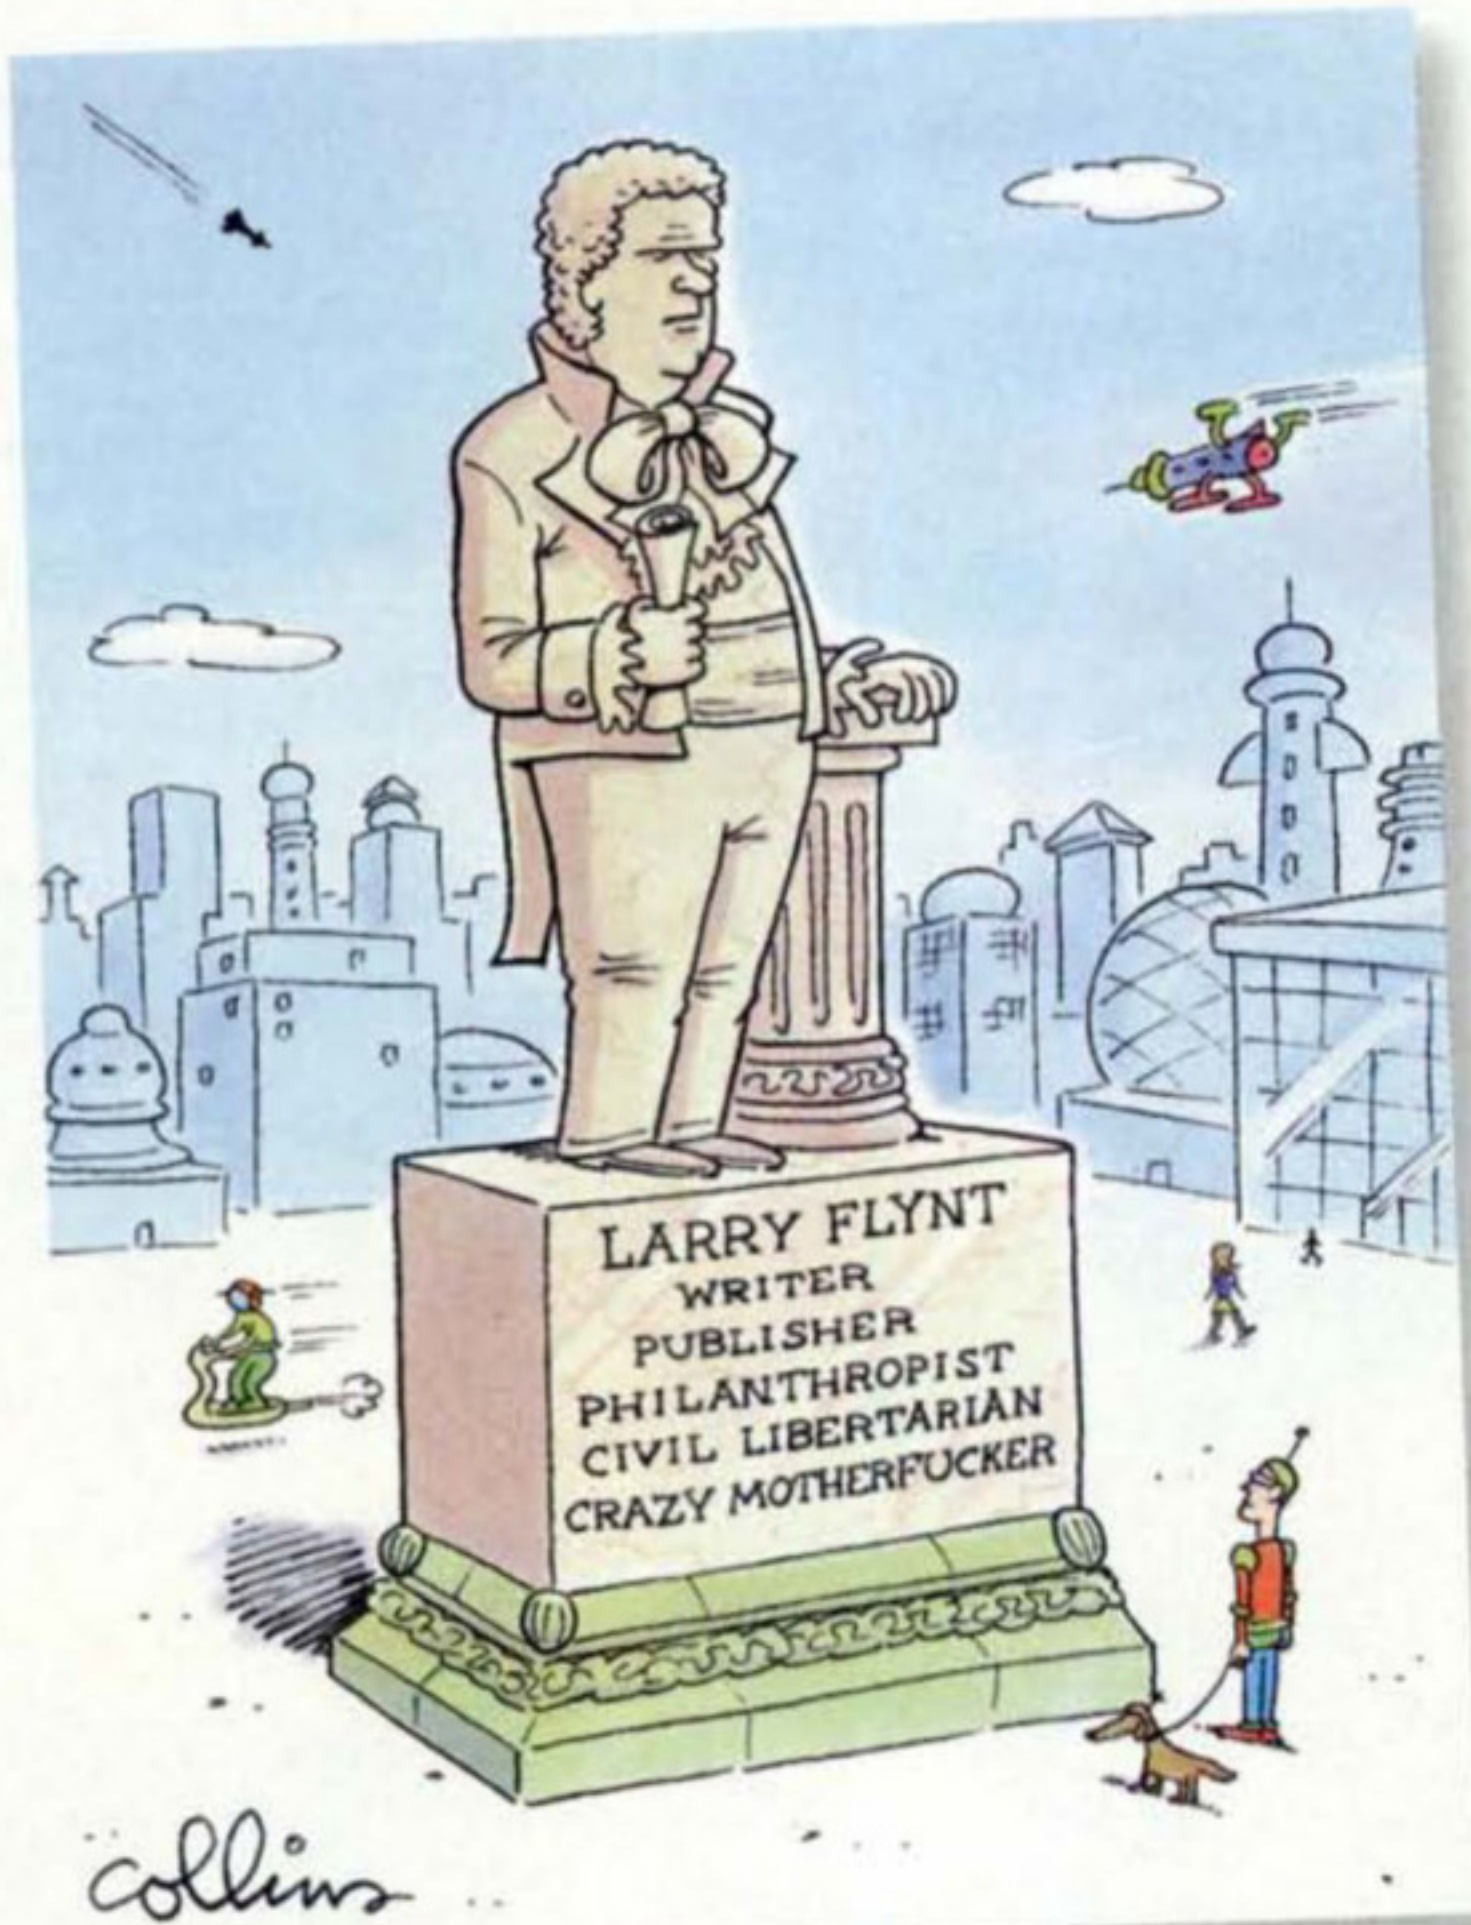

*It's heartbreaking that you and your wife are unable to establish the bond of intimacy that orgasms help provide. Thankfully, this crisis hasn't affected your relationship, because this very problem has led to the destruction of many marriages. Since your wife has problems pleasuring herself masturbating, she might be harboring a deep-seated problem that requires professional sex therapy. One definition of insanity is doing*

# Dear Slut

Perhaps you should rubber-band a slice of baloney around your schlong and live as an uncircumcised man for a few days. Test-drive your floppy, faux foreskin before committing.

the same thing over and over, expecting different results. In order to shatter the mold of climax-free sex, extreme changes must be made. Your wife might suffer from the anxiety of a blocked childhood memory, or even a fear of her own sexuality. She may be physically unable to come. What does her gynecologist have to say about the matter? Has she ever given birth? If so, were there any complications? Is she taking any medication? As embarrassing as it is to admit "I can't orgasm and I don't know why," your wife may not have a choice. Please keep me posted on your situation.

## NEW FACIAL

Why is the porn business so stuck on jizz facials where the male jacks off on the porn chick's face? I don't understand it at all. A real man wants to be sucked off and jacked off by a woman with her hands around his dick. You are one of the most talented cock siphons in the world, Jeanna. You should have the right to showcase your talent, skills and creativity without interruption. After all, the women are the stars in porn. Shouldn't the money-shot be controlled by you? Don't most guys want to watch the women perform the sex acts instead of men? —G. B. via Internet

When it comes to the money-shot, the man must be in the driver's seat. If the porn chick doesn't have the right motion in her wrist, mouth or pussy, we could be there all fucking day. Most men can't come on command; they require a particular stroke or special touch to send them over the edge. On porn shoots—where the crew are all waiting for the cum-shot so they can move on to the next scene—time is of the essence. The male performers are forced to be almost robotic in their ability to come. My costars don't have the luxury of allowing me to figure out how to make them launch missiles of sperm on my face. Time is money in pornland.

## WANTS TO "DO IT"

My girlfriend and I have been going together for well over a year, and we haven't had sex yet. We both want to do it really badly, but we don't know where to start. Is there a certain part of her body I could arouse to make her really, really horny? Please let me know. —J. H. via Internet

Sex is more than tab A fitting into slot B. How much previous experience do either

of you have? If the answer is none, then you must start from scratch. Don't rush, especially if your encounter is a first for both of you. Hug and feel one another's bodies while making out. Nibble her earlobe and kiss your way down. Whatever you do, don't rip your girlfriend's clothes off and immediately dive dick-first inside her virgin pussy. A woman's hottest erogenous zone is between her ears; fire and passion ignite in the mind and spread to the rest of the body. Your girlfriend's pussy will moisten, allowing your hardened dick to slip inside. Above all, do not put unnecessary pressure on yourself to perform "the act." Take your time, and don't forget to smell the roses and everything else in between.

## GIMME SOME SKIN

After reading "Turtleneck Envy: Pud-Pullers Stretch for Extra Inches" in *HUSTLER* (Sex Play, March 2000), I feel cheated, and I'm considering applying some of the tugging techniques mentioned in the article to restore my own foreskin, which was cut off at birth. What do you think, Jeanna? Is it worth the effort? Do you prefer cut or uncut schlongs? —I. L. Hoboken, New Jersey

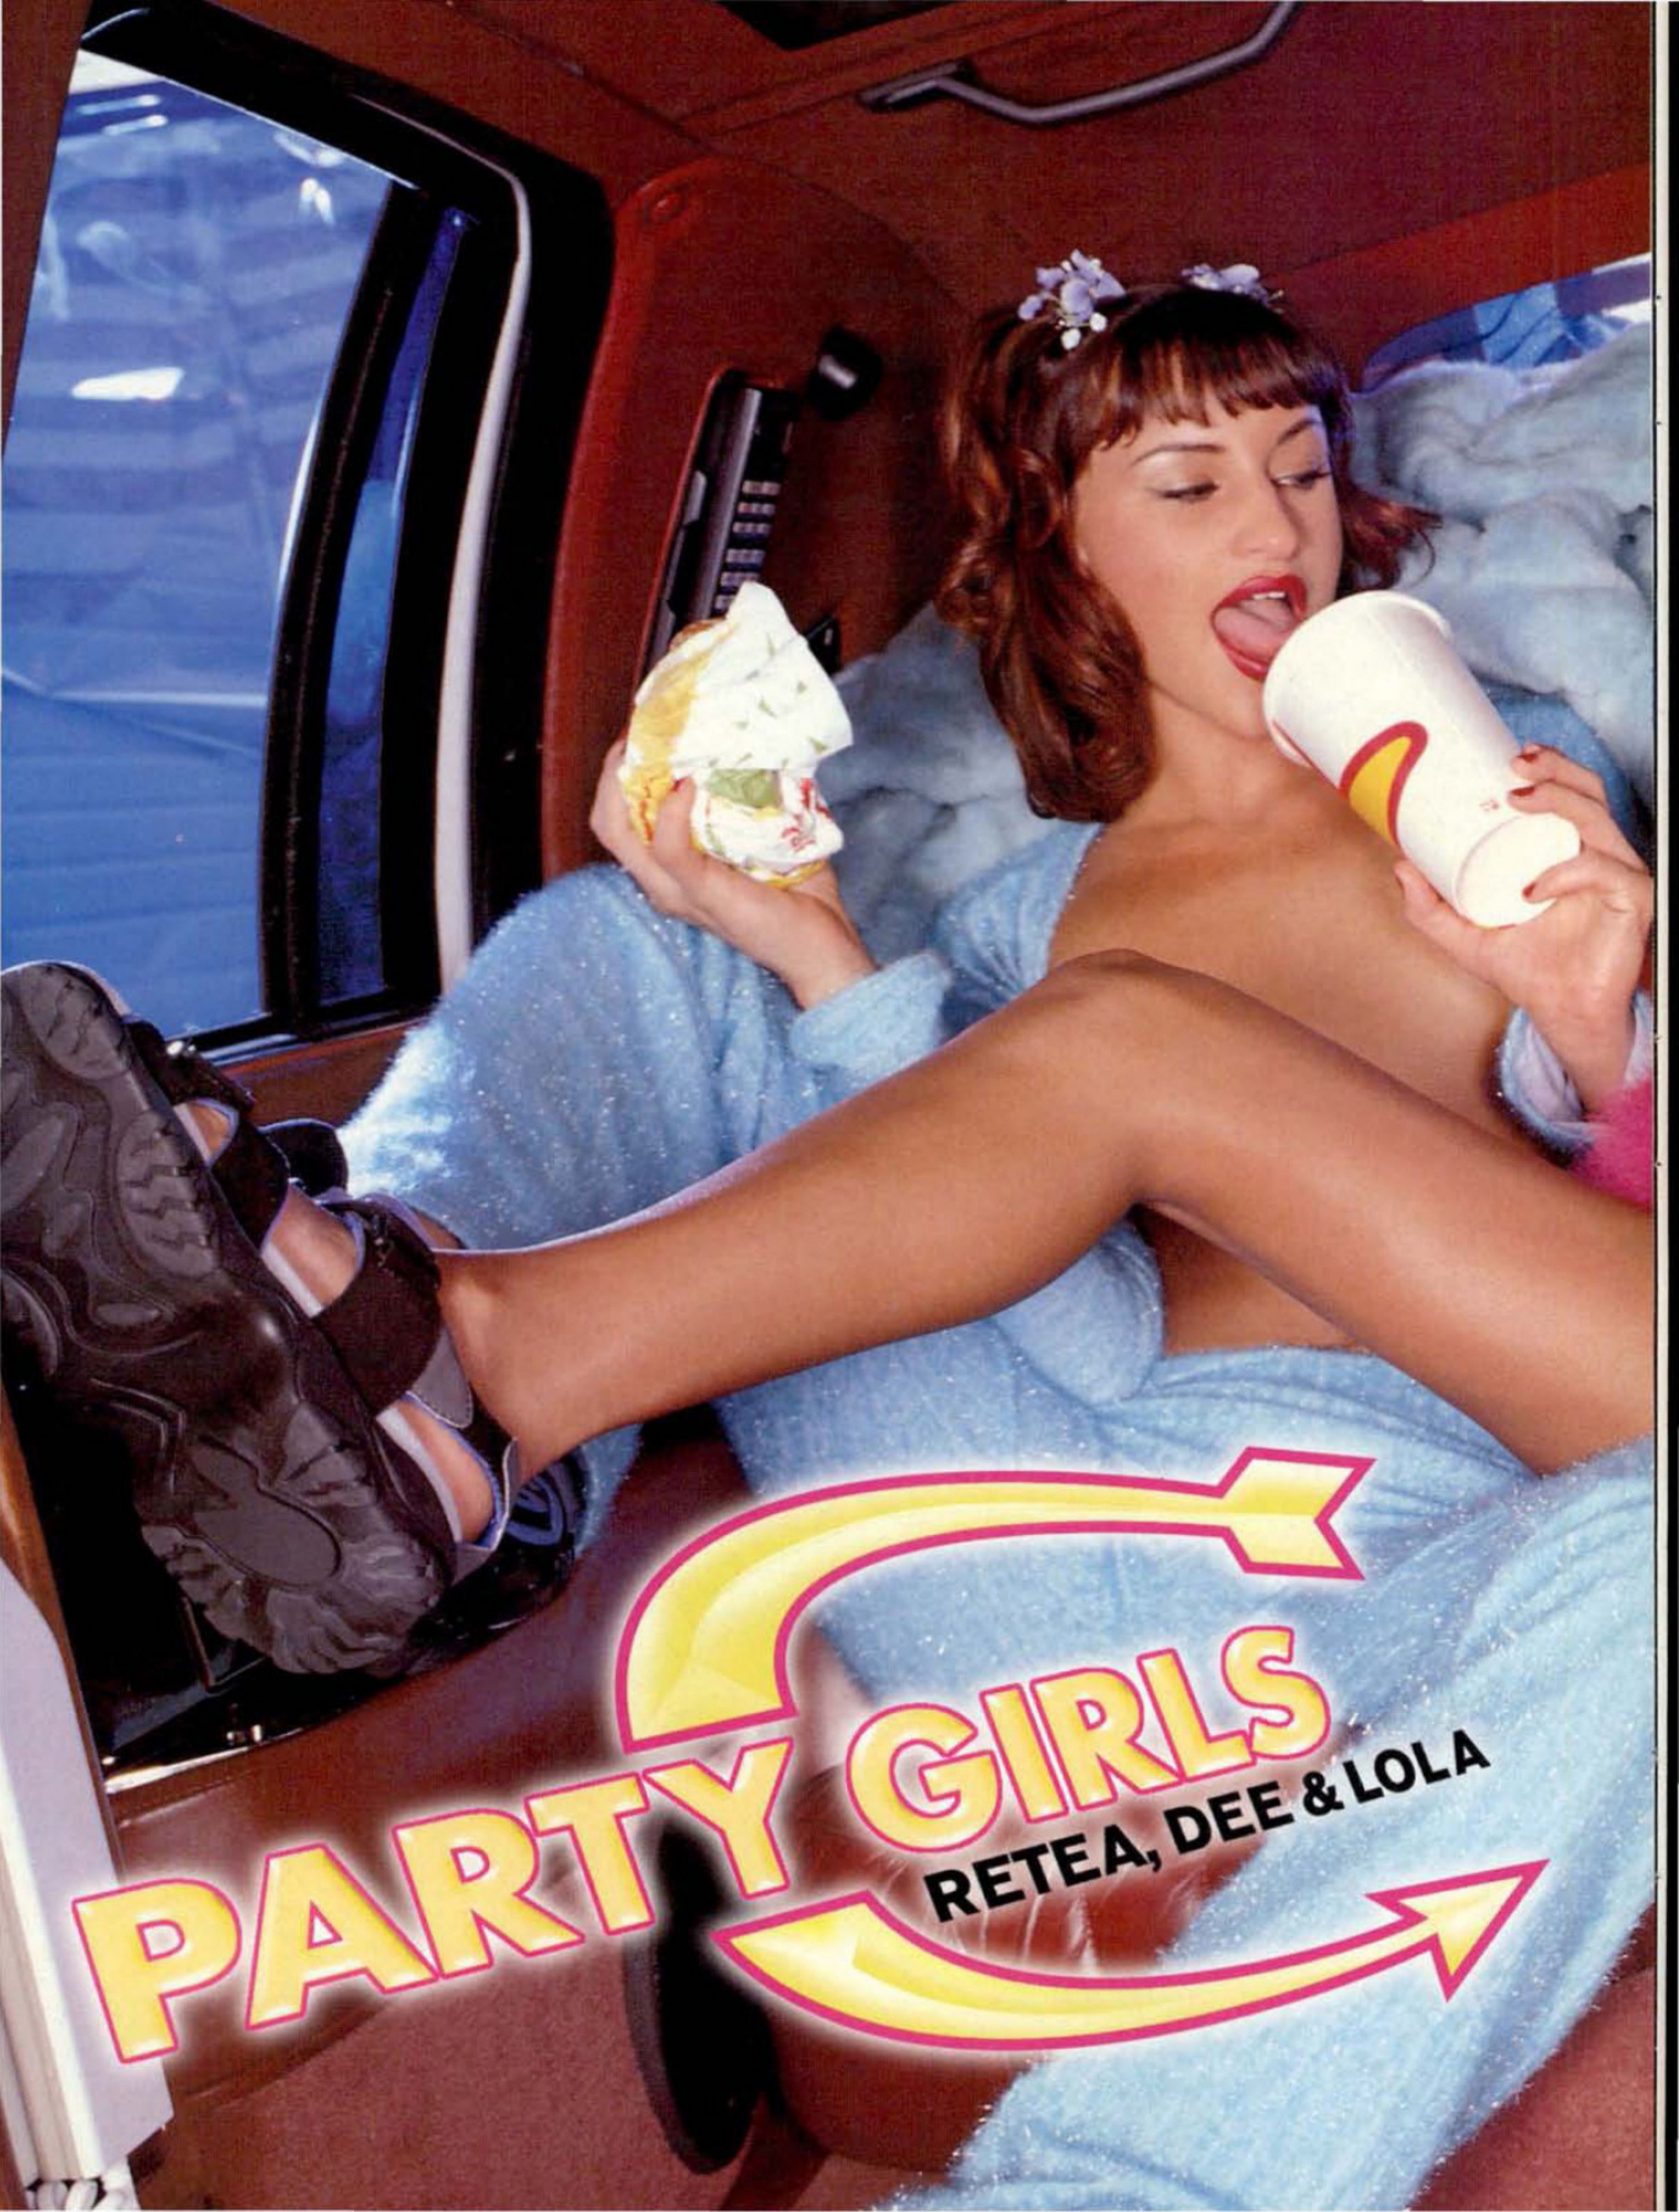

In a matter as personal as this one, I would say my preferences are irrelevant. I do, however, suggest that you think long and hard before undertaking such a time-consuming and possibly futile endeavor. Even worse, what if you succeed and don't like the results? Do you want to undergo a second circumcision—as an adult? Just as pre-op transsexuals are required to live as the opposite sex before going under the knife, perhaps you should rubber-band a slice of baloney around your schlong and live as an uncircumcised man for a few days. Test-drive your floppy, faux foreskin before committing to a grueling dong-tugging regimen. If you like the look and don't mind the extra hygiene requirements, tug away to your heart's content and hope for the best.

# PARTY GIRLS

RETEA, DEE & LOLA

PHOTOGRAPHY BY  
MATTI KLATT

A late-model limo squeals to a stop at a red light. It's only 3 a.m.; clubbers Retea, Dee and Lola are just warming up.

"Where to now, girls?" The bemused driver adjusts his mirror to steal a better look. Bare clam reflects back at him. Glossy lips envelop swollen nipples. Rubber pricks jab deep into dripping cooze.

"Fuck if I know," Retea moans through a haze of orgiastic pleasure.

Dee takes charge. "Let's make a decision: Atmosphere, Dublab or Konkrete Jungle?" Her expert finger-fucking of Lola's shithole barely misses a beat.

The light turns green. "Where to, girls?" the driver repeats impatiently.

As Lola peaks, a stream of warm love juice streams from her twat.

"Just drive."

## SQUACK RAGE

I'm mad as hell. I'm a Goddamned lesbian, and that pisses me off. As a little girl, I dreamed of handsome men. I longed to ride away on a big, white horse with a big, strong prince. Then I hit puberty, and all I wanted was to bury my face in pussy. I spent my high school years overwhelmed by fury and desperation, incapable of coming to terms with my sexuality. I finally consummated my sapphic yearnings behind the bleachers after graduation ceremonies with Barbara Mueller, the only butch bitch in the entire Class of '97. Barbara looked like a mean boy and slurped my sloppy girl gulch like a starving puppy. I came so hard, I hollered like I was dying. Then I spat in her bull-dyke face and stormed off. I knew I was a lesbo, but I sure as shit wasn't going to accept that fact as A-fucking-okay.

My harsh treatment of Barbara taught me that even the most hard-core dykes are reduced to mewling kittens when man-handled by a hot lipstick lesbian such as myself. Ultratough Barbara whimpered and begged to be my love monkey after I gave her the shaft. I learned that my prom-queen looks granted me absolute power over any fish-eater who struck my fancy. If I must live with the curse of craving cunt, then I'm in it solely for my gash's gratification. My most recent conquest was a robust, gorgeous lez named Danica. She's accustomed to fist-fucking and face-riding her femme girlfriends, but I showed her that girlish mystique does not equal meek.

I met Danica at The G Spot, a homo

club I've taken to cruising for prey. In typical butch fashion, Danica sauntered around a pool table, hustling some hapless faggot out of his cash. As soon as she caught a glimpse of my bee-stung lips and supple body, Danica started showing off, pulling all kinds of fancy billiards moves I don't give a rat's ass about. I played along, watching coyly from the corner and caressing my nipples.

"What's your name, cutie?" the stick-wielding rug-muncher inquired. I batted my eyelashes and tittered.

"Latecia," I replied in my silkiest whisper.

"I'm Danica," she announced—as if I'd asked her.

"You're good at that," I giggled, gesturing toward her pool cue.

Danica laughed and ran her eyes across my pert tits. My cunny was sloppy with snatch broth. I inched toward her slowly, until I was close enough to suck in her scent. She smelled exotic, spicy and unquestionably aroused. I stood on tiptoes

and brushed my pebbly nerps across hers. Her breath quickened. I was in control.

"Sit on the pool table," I instructed.

Bewitched, Danica stumbled backward and flopped her buns onto the table's green felt. I slithered close, lolling my crotch lazily against hers and unbuttoning her denim shirt. The pillow biter she'd been hustling scurried out of the room, horrified. I yanked a tit from her constrictive sports bra. Unleashed, the jug was surprisingly lush and ample. I suckled the billowy mam softly, lulling Danica into a vulnerable state. Strange gurgling noises rumbled in her throat. I put my hands on her shoulders and gently laid her flat across the table.

"Just relax and enjoy," I cooed soothingly. Danica's flesh was as soft as clay. I peeled her jeans down over her thighs to reveal a sopping-wet gash.

"You're cute—for a butch," I observed, "but not half as sexy as me. You look like a hardened muff-diver. I look like a regu-

### The Awakening

FULLY ERECT

Directed by Paul Thomas;  
starring Kobe Tai, Inari Vachs, Ava Steele, Kimberlee,  
Dasha, Taylor St. Claire, Maya Divine, Renee La Rue,  
Bobbie, Ginger Paige, Chennin Blanc, Regan Star,  
Bobby Vitale, Michael J. Cox, Tice Bune, Ted Shred,  
Tex, Julian, Evan Stone and Chris Cannon.  
Videocassette: Vivid Film.

Paul Thomas serves up a bleak cautionary tale in *The Awakening*, a true-to-life chronicle of a porn chick who lives life to the fullest and burns out. Kobe Tai is the ill-fated blue-screen star whose life of sex, drugs and rock 'n' roll leads to the inevitable crash. Inari Vachs is Tai's sister who seeks a spiritual, porn-free life after a blowjob-induced car accident kills her pal and puts her in a wheelchair, paralyzed from the pussy down. Bobby Vitale plays Inari's horndog boyfriend who makes his living as a porn photographer. Despite its emotional roller coaster of a plot, *The Awakening's* sexual highlights are plenty. Cunnilingus lovers will feast on the countless tongue-meets-clit encounters. A fantasy sequence in which the men who writhe around Vachs on the dance floor transform into a seething pile of snakes adds metaphorical poignancy to the film's scathing commentary. Regan Star is cornholed by a rubber-clad muscleman while positioned facedown in a stinky toilet. When Vachs cries, "Isn't there more to life than this?" the final answer in *The Awakening* seems to be, well, no—but then great movies don't always have happy endings. —Dan Panorama

THE AWAKENING: Tai rides Stone's blood bone.

THE AWAKENING: Vitale scours Vachs's bung.

THE AWAKENING: Extreme limbo, the hottest new dance craze.

# Nubiles on Demand

The Girls of BARELY LEGAL  
Invade Homes via Satellite TV

The term "satellite dish" is about to take on a whole new meaning. Beginning in March 2000, the PLEASURE, TeN and EXTASY channels begin beaming the legal teens of BARELY LEGAL directly into viewer homes, presenting the nubile vixens' hot, naked and all-natural bodies in myriad voyeuristic scenarios. Available on a convenient pick-and-choose basis, these fantasies feature actual BARELY LEGAL models in compromising XXX-rated situations.

In one such vignette, a rich boarding-school brat recalls how she was picked up from the airport in a limo. Her parents were too busy to show up themselves; so her stepbrother was sent to keep sis company. Bored out of her mind, the horny schoolgirl notices how her little stepbro has grown. Sloppy kisses are exchanged before the little boarding-school vixen tears off her uniform to engage in no-holds-barred, hard-core, extended-family fucking.

The BARELY LEGAL girl confessions keep coming and coming. A young art teacher lures a dark, corkscrew-haired model to pose in her studio, raising seduction to an art form. The sensual aesthete massages her nude model with oil. Nipples harden and legs part. The dirty-blond bohemian grabs the curly, brown hair of her captive and spansks her. The artist straddles her subject, finger-banging her while chewing on her ear. The model probes the maestro's asshole as the painter tugs her model's labia with her lips. Together, they form a carnal masterpiece.

Many other naughty girls share first-time pleasures and dirty secrets in a variety of locations and taboo situations; so contact your cable TV provider or call the number below to hook up with the girls of BARELY LEGAL.

To order BARELY LEGAL girls, call 1-888-558-8999 for satellite information.

## Blind Date

HALF  
ERECT

Directed by Jerome Tanner;  
starring Sadie Jordan, Kurious, Gia,  
Lola, Anthony Crane, Eric Everhard,  
Evan Stone, Tony Tedeschi and Jack Napier.  
Videocassette: Legend.

Voluptuous Pacific Islander Sadie Jordan stars in *Blind Date*. An unfortunate plot with reams of dialogue clutters this latest Jerome Tanner effort, but Jordan's unparalleled beauty is worth suffering through the soap-opera saga for. Jordan's huge, natural breasts hypnotize the viewer as she is pounded by her blind date in a strap-equipped chair that appears to have been specially made for fucking by SWAT-team professionals. Cradling Jordan's sumptuous curves to crotch-hardening delight, the design of this love chair facilitates deep, penetrating and exquisite views. Almond-eyed princess Jordan swings from the sky in a variety of poses, inspiring the man who ravages her to spray manchowder across her ample tits. Lola also satisfies voyeuristic urges as she manhandles Jack Napier's 14-inch African meat tusk. It's too bad that a plot involving a made-for-TV biker and a spank-happy Jewess dumps a bucket of cold water on an otherwise sensuous *Blind Date*. —D. P.

## Internal Affairs: The Search for the Ultimate Cream Pie

HALF  
ERECT

Directed by Luc Wylder;  
starring Alexandra Silk, Nikki Steele,  
Bobbie Barron, Jenny Lynn, Luc Wylder,  
Tom Seiko, Tex Sexton and Bud Nolan.  
Videocassette: Fallen Angel.

*Internal Affairs: The Search for the Ultimate Cream Pie* features real-life couples, internal cumshots and splodge oozing from just-fucked snatches—rare images in porn these days. But rare in this instance does not always equal arousing. Alexandra Silk and her boyfriend, director Luc Wylder, serve up a home-baked cream pie with tasty results, but three other couples attempt to create the dessert with mixed results. Nikki Steele, a platinum

blonde in acid-washed shorts, peels off her cut-offs and conjures her man's wood. Guiding his flesh baster into her split, Steele bucks against her beau's rod. The leggy blonde massages her man's balls, urging him to fill her cunt to the brim with man sauce. A doggy-style pounding manages to eventually do the trick. Squeezing her Kegels, Steele forces out the white brew, which bubbles and plops onto a glass end table. "That was a yummy cream pie!" Steele comments with an annoying, baby-talk affectation. *Internal Affairs: The Search for the Ultimate Cream Pie* may be too sweet for most folks to digest, but the real-couple pairings do keep the enthusiasm high. —D. P.

## Sex Slider

THREE-QUARTERS  
ERECT

Directed by Kovi;  
starring Nikky Andersson,  
Cassandra Wilde, Dru Berrymore, Caroline,  
David Perry, Christian Christoph,  
Nick Lang and Frank Majors.  
Videocassette: Private/Odyssey Group Video.

Two impossibly hot blondes and two scruffy cab-driver types are time travelers who pass through the "sexth" dimension from past to future orgies in *Sex Slider*. This overdubbed, sex-themed *Dr. Who* begins with a foursome of ABBA lookalikes engaging in an ancient Grecian orgy aided by additional female recruits. The copulating is fantastic, furious and analicious. The wacky Euro-cabbies pass pussy and prod sphincters like kids trading Pokémon cards. Blond gamine Dru Berrymore bucks back against her Thermos-sized anal invader while locked in a 69 with her flaxen-tressed girlfriend, Caroline. Dicked to the hilt, Berrymore coaxes Grecian ball grease into Caroline's cum-greedy mouth. "Oops, time for sex sliding!" announces the crusty leader. Whipping out his time transporter, he opens a time tunnel to the future. The ABBA clones pass to a coming world where sex is forbidden and government cameras spy on offenders in the woods. Thanks to the efforts of team *Sex Slider*, the sexual underground is able to achieve liberating orgasms. *Viva la contrasex resistance!* —D. P.

**BLIND DATE:** Jordan experiences a double head rush.

## Nothing to Hide 4: Club Purgatory

THREE-QUARTERS  
ERECT

Directed by James Avalon; starring Gwen Summers, Melissa Hill, Caroline Pierce, Goldie, Flower, Dalia, Claudia Chase, Inari Vachs, Shelby Myne, Herschel Savage, Julian, Michael J. Cox, Pat Myne, Vince Vouyer, Billy Glide and Napoleon. Videocassette: Metro.

In *Nothing to Hide 4: Club Purgatory*, director James Avalon continues the surreal psychosexual soap opera of previous installments. The childlike giggles of Gwen Summers are charming as she frolics at the edge of the pool with her tattooed love boy. Underwater photography beautifully captures Summers's romantic, bubbly blowjob as she skillfully gobbles knob. Sufficiently relaxed and wet, Gwen leads her man to a chaise longue and guides his rock-hard shaft between her moist folds. After the stud feeds his sauce to the spum-hungry Summers, she takes a peaceful swim. This will be the only respite Gwen receives. Recurring visions haunt her, causing fainting spells that prevent Summers from fulfilling her duties as a prostitute in a fancy brothel. Velvet-rag fetishist and regular client Herschel Savage is shunned by the confused girl; only when Gwen is led into the nonstop sex romp in *Club Purgatory* is her memory restored. Moody, dark and erotically charged, *Nothing to Hide 4: Club Purgatory* is a sexual trance worth falling into. —D.P.

## American Bukkake #5

TOTALLY  
LIMP

Directed by Jim Powers; starring Naughtia Childs, Tawny Lyons, Rianna Star and the Bukkake Boys. Videocassette: JM Productions.

Will the crass bastardization of Japanese culture never end? First Roland Emmerich ruins *Godzilla*; now Jim Powers curses us with *American Bukkake #5*. *Bukkake* is apparently Japanese for "a bunch of sloppy mooks jizzing all over a nasty slut." In a carnal update of ancient shogun tradition, three girls are treated to copious showers of whaz from scores of wagging shafts. Cum spatters hair, dries in flaky chips, smears makeup and burns sensitive eyes. Interesting as a curiosity, *American Bukkake #5* has dubious erotic value. Naughtia Childs and Tawny Lyons look like girls that would passively allow 50 losers to spurt on them. Rianna Star, who bears a passing resemblance to Kim Cattrall, holds viewer interest, if only for her similarities to the still-hot *Sex and the City* star. Star's feisty dildo warm-up is the only wood-inducing moment of the production. At least Rianna has the decency to work for her 97 facials. Some traditions are best left in the land of the rising sun. *American Bukkake #5* should be banished to Monster Island.

—Nicholas Veridian

**INTERNAL AFFAIRS:** Steele splits wide open for banana-cream filling.

**SEX SLIDER:** Berrymore struggles with finger trap.

**NOTHING TO HIDE 4: CLUB PURGATORY:** Pierce opens her pearly gates for a tongue-lashing.

**AMERICAN BUKKAKE #5:** Childs accessorizes shades with spum.

Call it a comeback:  
Weigel wobbles and she

*I See Porn People*.

## Porn- Star Comeback Queens

### Teri Weigel, Ginger Lynn and Marilyn Chambers Show Rookie Pussy How It's Done

Hot on the heels of blue-screen veterans Ginger Lynn and Marilyn Chambers, ex-*Playboy* centerfold and sexy screamer Teri Weigel recently made an energetic return to the porn fold. Weigel's presence on the set of *I See Porn People* may have marked Teri's first day of shooting in more than four years, but her incandescent performance proved that she hasn't forgotten a single move, moan or signature wail. The bubbly brunette lit up the set with her infectious laughter and vivacious personality. Enduring the chaos of endless takes with a smile on her face, Teri maintained a positive attitude, despite pain-in-the-ass costar Herschel

*Weigel announces her  
return to the jizz biz.*

Savage, who complained relentlessly.

In addition to turning in a charismatic performance, Teri looked absolutely fabulous: Contrary to rumors that she had ballooned into a big, fat pig, her perfectly tight, little ass is as cumworthy as ever.

Asked why she took such a long hiatus from porn, Teri recounted the horrible car accident in which she was hit by a cement truck and the grueling physical-therapy regimen she endured to heal her injured back and sternum. Weigel recently underwent surgery (luckily, no visible scars), and is now ready for major onscreen fucking. The rejuvenated vixen added, "I'm finally prepared to come back stronger than ever." The Legend contract girl is slated to star in a string of features, including a stint on the jizz-firing line in *American Bukkake #7*; so be sure to catch Teri's triumphant return.

Also watch for porn veteran Ginger Lynn's newest video release for VCA Platinum, *Torn*. The dirty blonde with an even dirtier mind has signed a multipicture deal with the company, as has venerable blue-screen slut Marilyn Chambers. For porn aficionados, sometimes there's nothing hotter than familiar pussy.

## The Uranus Experiment #2

**FULLY  
ERECT**

Directed by John Millerman;  
starring Bettina, Gabriella, Sonia,  
Cristina Dark, Julia Taylor, Silvia Saint,  
Vanda, Wanda Curtis, Andrew Youngman,  
Frank Major, John Walton, Max,  
Nick Lang and Oliver.  
Videocassette: Private.

*The Uranus Experiment #2* travels light-years into the future, spreading Euro-style gang-bangs throughout the solar system. This high-budget fuck flick continues the saga of a cooperative space mission between Russia and the U.S. The zero-gravity screws seen in the first installment continue, much to the dismay of NASA scientists and American politicians, but to the delight of the audience. Mission control theorizes that cosmic rays must be affecting the flight crew, making them unnaturally driven to boff. Leave it to scientists to ignore the fact that any red-blooded astronaut would spit-shine Mir for the opportunity to probe a cosmonaut as fine as Silvia Saint. Weightless sperm tumbles as a Major Tom spatters Saint's button-cute face with floating ejaculate. *The Uranus Experiment #2* still falls prey to the usual porn pitfalls. The acting is terrible. The dubbing is entertaining in a kitschy way, but unforgivable during the otherwise loin-stirring sex scenes. Luckily, Private boasts a stable of the most beautiful sex kittens in the galaxy. When these felines peel off their uniforms and gobble cock, resistance is futile: *The Uranus Experiment #2* is a close encounter of the XXX kind.

—N. V.

## Euro Gang Bang

**THREE-QUARTERS  
ERECT**

Directed by Frank Thring;  
starring Niki Stone, Judy Flash,  
Carina Wales, Frank Thring, Frank Gun,  
Andre, Tibor, Maxwell, Zoltan,  
Nick Lang, Attila and Pal.  
Videocassette: Toxxxic/Metro.

*Euro Gang Bang* begins simply enough, but quickly becomes delightfully frantic. A middle-aged man sits in a fancy European

hotel-patio café and waits for his wife to join him. There's a commotion in the bushes below the patio. Looking over his shoulder, the man spies gorgeous, blond Euro-babe Niki Stone frolicking with two men in the shrubbery. Appalled, the man tells a waiter to flush the nature lovers from the bushes before his wife observes the carnal festivities. The waiter promptly obeys, but the party is just beginning. Niki is the center of the forest-fornication hurricane, and the more men she sucks into her vortex, the stronger she becomes. Not only does she draw the waiter into her love tornado, but the gardener, tourists and, eventually, the middle-aged man as well. This and other well-executed fantasies make *Euro Gang Bang* a happy, hedonistic pleasure.

## Pimp

**HALF  
ERECT**

Directed by Toni English;  
starring Alex Taylor, Dasha, T. J. Hart,  
Maya Devine, Delaney Daniels, Cheyne Collins,  
Robert Taylor, Bobby Vitale, Tony Tedeschi,  
Chris Cannon, Billy Glide and Alec Metro.  
Videocassette: Vivid.

*Pimp* celebrates the nut-busting playa in all of us. Robert Taylor portrays a smooth-talking stud juggling multiple fuck sluts. Utilizing dick power, Taylor lures and lays eager snatch before pimping them to his friends. Like all score-pussy-quick schemes, Robert's entrepreneurial endeavor ends in disaster. Alex Taylor nails her five-timing boy toy and takes over his operation—like a cat, pussy always lands on its feet. Alex's pal, blond harlot Dasha, is *Pimp*'s best ho, tackling Bobby Vitale and Tony Tedeschi. Dasha moans as Tedeschi plants his face in her crack, slurping her sumptuous cooze. Vitale's prong fills Dasha's mouth while Tedeschi's prick stabs her cooch. Bobby excavates Dasha's butt pipe in the first anal scene of her career. Vitale evacuates her gaping hole and spurts seed on her heaving crotch. Tedeschi dangles his balls in her face while stroking his rod, squirting a viscous stream of spum onto her cheek. Like a true hustler, *Pimp* struts down the street and bitch-slaps the viewer's dick.

## Perfect Smiles

Directed by Jim Holliday;  
starring Jill Kelly, Shayla LaVeaux,  
Sydnee Steele, Tabitha Stevens,  
Tiffany Mynx, Felecia, Renee Larue,  
Barett Moore, Shelbee Myne, Chandler,  
Charmane, Daisy Chain, Kelsey Heart,  
Julie Meadows, Chaz Vincent, Maya Devine,  
Chennin Blanc, Deven Davis, Devin Wolf,  
Julian, Pat Myne, Evan Stone, Ron Jeremy,  
Robert Martins, Root Loggins and Clay Hyde.  
Videocassette: VCA Platinum Plus.

*Perfect Smiles* overflows with fake tits and hubristic excess. Director Jim Holliday has a thing for stripper chicks, bad jokes and rockin' oldies, penchants that ultimately derail this effort. When Evan Stone schtups Barett Moore in the opening scene, viewer interest is deceptively aroused. "You're about to be cornholed by the best," Stone tells Moore. True to his word, Evan ramrods Barett's crapper as her body contorts and her bikini top dangles from her neck. Stone flips Moore over and spackles her with seed, ushering in an endless barrage of corny lines that are beaten to death by constant repetition. Holliday knows how to lens a fuck film; his lighting and shooting are superb. Dialogue is another story. The girls hoot and holler when there's a prick in their poop chutes, but many of the ass-rammed trollops' lines are barely audible. Casting too many girls is another surefire way to disappoint: Why trot out natural beauties such as Daisy Chain, Julie Meadows, Chandler and Felecia if you're not going to jam their gorgeous mouths full of cock? *Perfect Smiles* conjures audience frowns. —N. V.

**EURO GANG BANG:** Duped by the Backstreet Boys impersonators, Stone auditions in vain.

**PIMP:** Pimp daddies play spin the bottle blonde with T. J. Hart.

**PERFECT SMILES:** Chandler and Felecia spread moist lips for a vagina smile.

### FULLY ERECT

Directed by Brad Armstrong; starring Serenity, Shayla LaVeaux, Felecia, Tabitha Stevens, Dolly Golden, Sterling, Amber Michaels, Sydnee Steele, Alexa Rae, Brad Armstrong, Eric Price, Jon Dough, Steve Drake, Ian Daniels and Devin Wolf. Videocassette: Wicked Pictures.

Inducing spank planks is the main purpose of a blue movie, and *Serenity in Denim* dutifully causes a commotion in a fella's jeans. Director Brad Armstrong keeps things simple. No extraneous dialogue or ridiculous storylines frame the six slickly shot scenarios that start with taunting teases and end with dripping facials. Denim only figures into a couple of scenes, but who cares? Flashy babes Dolly Golden and Tabitha Stevens gyrate outside a trailer. Eric Price presents his package to Tabitha. Stevens gobbles Price's candy cane as he fingers Dolly's ass canal. Eric doggy-bangs Dolly, who makes herself extra-useful by lapping Tabitha's pink joy buzzer. Price reams Dolly's shithole to the accompaniment of Tabitha cramming a dildo into Dolly's snatch. The slutty blondes suck Price's pride and joy and share his goopy spew. Later, bikers cram their fat hogs into Amber Michaels, Sterling and Golden. All killer and no filler, *Serenity in Denim* is a designer-jeans cream dream.

### THREE-QUARTERS ERECT

Directed by Buck Adams; starring Tabitha Stevens, Raylene, Vicca, Stephanie Swift, Nikita, Alexandra Quinn, Sindee Coxx, Mikki Ray, Alec Metro, Billy Glide, Roy Garcia, Valentino and Buck Adams. Videocassette: Multimedia Pictures.

If the USA Network ever launches a hard-core channel, *Operation Centerfold* could be its flagship series. Better than an episode of *Silk Stalkings*, this action-thriller is surprisingly taut. The story unfolds when a helicopter full of sex-starved Playdoll Bunnies crashes in Nicaragua. A team of

SERENITY IN DENIM: Steele, Serenity and Daniels train for the rodeo.

OPERATION CENTERFOLD: "Memo to self: Order smaller paperweight..."

stiff-pricked commandos rescues the lusty girlies. Helmsman Buck Adams shot this two-tape, action-sex-thriller on film, an expensive gamble that pays off. Tabitha Stevens has never looked better, and her two scenes with Mikki Ray sizzle. Stevens's toned bod writhes as Ray's tongue reconnoiters her pink slit. Adams scores extra points by budgeting red-hot Vicca for two explicit scenes. The

auburn-maned lioness pounces and devours a soldier's schlong. Vicca mounts the G.I., sliding her mud flaps around his rod. The enlisted stud unloads his weapon, strafing Vicca's lips, chin and neck with nad mortar. Vicca's high-octane scenes in *Operation Centerfold* will keep boners up all night with action-packed, pud-pounding, fists-of-fury fucking.

# Hot Letters

(continued from page 30)

I stuffed my thumb up her shithole and frantically prodded her pretty cooter with the wooden shaft. Under my miniskirt, my swollen clitty throbbed.

lar girly-girl. You probably think you can dominate lipstick lezzies like me. You think you can have your way with my feminine curves and treat me like a bitch."

Danica stirred. Before she could protest, I rammed my tongue up her pungent puss, lubricating the aromatic snapper in preparation of its impending violation.

"You should have a man," I asserted, grabbing a pool cue and grasping it firmly. "We should all have men. Instead, freaks such as ourselves are doomed to dig for clams. This enrages me. You enrage me, you and your mannish ways. You're just a hole. I'll show you what holes are good for."

Danica was scared; yet too overwhelmed by my wiles to struggle or object. I pried her knees apart. Her engorged slitty trembled, agape and inviting. I sank the pool cue into her quivering slot. Danica emitted a startled cry that rapidly dissolved into mirthful moans. Spurred by her throaty love call, I filleted her snapper with steady jabs of the stick.

"It's good to get fucked," I roared. "I'll show you who the big man is. Get on your hands and knees."

Danica complied. I stuffed my thumb up her shithole and frantically prodded her pretty cooter with the wooden shaft. Under my miniskirt, my swollen clitty throbbed. Danica yelped as my thrusting grew more violent.

"Take it, take it, take it!" I howled, gutting her homo hair pie with all my might. The fierce reaming was too exciting; I had to come. Racked by orgasmic spasms, I screamed with all of my repressed rage. Weakened by the aggressive climax, I wilted. My grasp on the pool cue loosened.

"Don't stop!" Danica begged.

I was done. Too bad for her. I popped the post from her poontang and placed it back on the rack. Danica collapsed with disappointment. I left her there with her shapely ass bright red and twitching.

I have to show the bulls who's boss. The cunts are so into gay pride, I'm here to piss on their parade. It sucks to be a labe-licker. I can't change my sexual orientation, but I can remind other dykes how empty it feels to be deprived of authentic man meat.

## BACK-END BLACK

Some call me a race traitor, but, in truth, I only suffer from particular tastes. I'm a succulent scoop of chocolate love, but I want white dick in my fudge tunnel. Don't try to lick my truffle. Don't go nuzzling your vanilla stick up against my brown

sugar walls. I need a large, pale cock up my glorious cocoa ass, and that's it.

Black brothers want me. Mexican hombres long for me. My round behind lures men of every stripe. But ever since a fine honkie man plucked the chocolate cherry from my bung, I can savor no other flavor. The cracker who busted my Nubian booty was my manager at the All Things Special department store. His name was Mr. Blanche, and he was in charge of the ladies' shoe department. I was a salesclerk. One night, we stayed late taking inventory. I'd been with a man before; my coochie was inaugurated in high school by DeWayne Jackson, but that nigga left me wanting more. Mr. Blanche showed me what I was missing when he tore into my tremendous tail.

My introduction to whitey butt love began when I bent over a pair of snake-skin pumps. My heinie wobbled high in the air as I called out the brand name and asked Mr. Blanche if we had more of that style in the back. I jumped when a pair of warm, skillful palms landed on my chubby butt cheeks.

His bold advance startled me. "Damn, Mr. Blanche," I choked. Maybe I should have been incensed, but the gentle heat of his pale hands on my plump, brown shit pillows discouraged me from lashing out.

Still, I was nervous. He was my superior, and such lascivious behavior was strictly prohibited in the employee handbook.

"You ever felt a cock up your ass?" Mr. Blanche growled.

That muthafucka was forward as hell; my brown cheeks turned a bashful purple at his shameless prodding. My brain hardly knew how to react, but the tingling deep within my anus urged me to let my boss do his will.

"Put your head on the floor," Mr. Blanche instructed, hoisting my skirt up and my panties down. "Hold your saucy, black ass high in the air."

My booty tingled like it was on fire, yearning for his pearly pud. The white devil took hold of me and wrenched my virgin rectum open. His bleached-out slab of turgid meat dunked deep down my dookie chute.

"Fuck yeah, Roshonda," Mr. Blanche whooped. "Back that thing up! Girl, you look good!"

The honkie was hollering like he had soul; maybe he was sucking it out of my sphincters. I bucked and squawked like a freaky-ass jungle bunny. Mr. Blanche's ass-whipping made me come loud and frenziedly. I shook and cried out like a preacher man in a revival tent as Mr. Blanche coated my colon with Caucasoid

"Hello, remember me? This was supposed to be my fantasy!"

The unbelievable truth struck me: These bitches were hungry for dick. I could smell their simmering snatches in the summer air. My hard-on returned with greater intensity.

baby juice. Weak with ecstasy, I flopped raggedly on the floor for a good half-hour, my ass and pussy juices seeping into a toppled-over pair of suede boots.

A week later, Mr. Blanche left for a job with one of our competitors—I guess his work was done at All Things Special. Some dorky Asian guy took over as manager of ladies' shoes; so I quit in search of more white prick. Brothers call me an Oreo for craving vanilla in my dirt hole, but Mr. Blanche proved it's the only flavor capable of making this sister scream. —R. J.

## TRIPLE DICKER

The greatest thing that could happen to a man happened to me. I fucked my buddy's hot sisters. All three of them! What's better, the brazen tramps offered up their saucy snatches with their parents and big brother on the other side of the wall.

Nate Tisdale, my pal and the brother to the mouthwatering vixens I ultimately plowed, hosted a family barbecue, complete with Mom, Dad and the three gorgeous babes that sprang from their talented loins. Since I had no relations in town, Nate invited me to the festivities at his place. I accepted his offer, envisioning an afternoon of relaxing in a lawn chair and ogling Nate's ultrababe siblings while concealing a painful boner. Little did I realize, I would soar far beyond voyeurism and shove my schlong into the exquisite orifices of Tammy, Cameron and Patsy.

The big day came, and I arrived, arms brimming with hotdog buns and potato salad. I planted a polite kiss on Mrs. Tisdale's cheek. That mama's a little long in the tooth, but she must have been worthy of a vigorous butt-fucking when she was younger, judging from her ball-bloating daughters. I pumped Mr. Tisdale's hand heartily, dreaming about drilling each of his three precious babies with my fat cock. The Tisdales engaged me in a bit of idiotic small talk; I was flustered in anticipation of greeting the holy trinity of twat. The idle chatter fell off long enough for me to sidle out to the backyard, where the trio of bodacious brunettes lounged. Each one possessed an enormous pair of tits and an endless set of legs. The dazzling sight of the three graces inspired a frantic boner; I was forced to imagine my toothless grandma eating grits to halt its insistent swell.

"Tammy! Cameron! Patsy!" I cried. "It's been too long since we last met!" Overwhelmed by the bounteous threesome, I couldn't remember which one was which.

They smiled in unison. Identical rows of perfect teeth glinted behind lush, wet

lips. The tallest waved while the one with Betty Page bangs giggled. The third (who revealed the most generous amount of cleavage) stood up and extended her hand toward me. I shook the delicate mitt gently, my eyes slithering over the slopes of her delicately bobbling boobs.

"It's so good to see you," she purred with heaving bosom, "but I'm afraid your name has escaped me. I'm Patsy."

"Of course you are," I chuckled. "And you are...?" I gestured toward the tallest one.

"Cameron!" she laughed, like it was completely obvious.

"Yes, you're Cameron all right. And Tammy," I grinned at the Betty lookalike, my process of elimination complete.

Tammy smirked back at me. Her smoky, feline eyes narrowed and dropped to my crotch. *Surely I'm hallucinating*, I thought. Then I caught Patsy tugging at her too-small blouse. Her jugs grew even more impressive as they spilled over the top. Cameron's long, sculptured legs rubbed longingly against each other under the plastic picnic table. The unbelievable truth struck me: These bitches were hungry for dick. I could smell their simmering snatches in the summer air. My hard-on returned with greater intensity. This time, I made no attempt to quiet

its fury. Cameron insisted that the four of us retire to the den.

"Channel 5 airs reruns of *The Golden Girls* every day at four o'clock," the statuesque sister enthused. "Those old bitches crack me up. Dad hasn't even fired the grill up yet. Let's have some fun before wiener time."

This idea of watching Bea Arthur's jowly mug sounded about as fun as a red-hot poker up the ass, but I would've followed those luscious cunts to an all-night bingo tournament if that's what it took to tear into their snatches. I followed the three chortling chippies to the TV room so they could watch four ancient poontangs crack half-assed jokes.

We scampered by the kitchen on our way to the den. Mr. and Mrs. Tisdale fussed over salad dressing while Nate nursed a beer. I struggled to act naturally as I tailgated the trio.

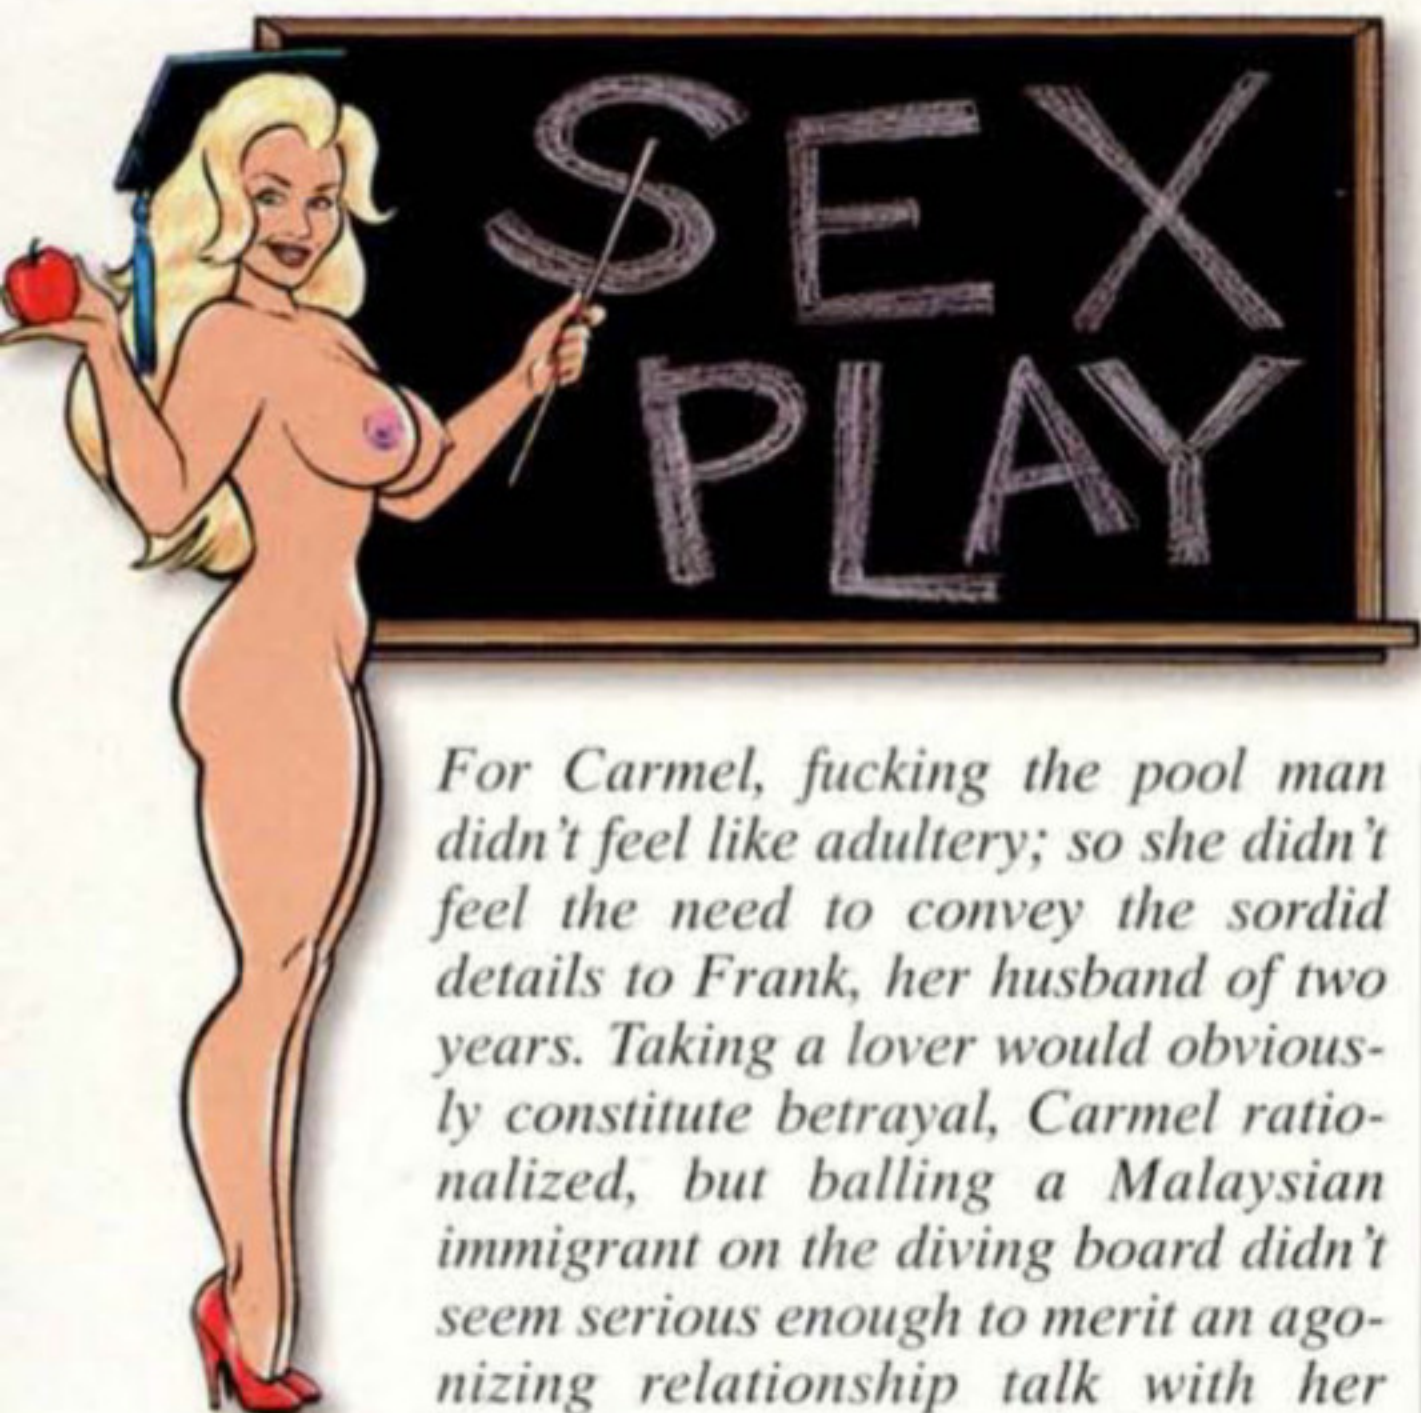

"We're watching *The Golden Girls*!" Cameron announced joyously. Disgusted groans floated from the kitchen. I hoped Mom and Pop didn't suspect that I was about to slam their fine family pussy with my bulging baton.

We reached the den. Patsy locked the door behind us. Everything became surreal. The television flickered to life; *The Golden*

### HOW TO MEET A NYMPHOMANIAC

BY CAMELIA POTTER • ILLUSTRATION BY SUPERCORN

For Carmel, fucking the pool man didn't feel like adultery; so she didn't feel the need to convey the sordid details to Frank, her husband of two years. Taking a lover would obviously constitute betrayal, Carmel rationalized, but balling a Malaysian immigrant on the diving board didn't seem serious enough to merit an agonizing relationship talk with her high-powered attorney husband.

Six months later, when Carmel's extramarital habit grew to include four regularly scheduled liaisons along with a string of anonymous booty calls, she chose to live a double life rather than own up to her transgressions. Sleeping around like a sailor on shore leave, Carmel struggled to maintain the facade of fidelity. When Frank found her in a closet with one of his law partners at a dinner party, Carmel was finally forced to acknowledge her out-of-control sexual compulsivity.

Every Wednesday afternoon, at a community center in Long Beach, California, Carmel attends a self-help group for female sex addicts. When it is her turn to speak, Carmel, a middle-aged woman with richly tanned skin and streaked, blond hair pulled back in a ponytail, remembers the insatiable urge that ultimately destroyed her marriage.

"I felt empty, hollow and incomplete when my husband wasn't inside me," Carmel recalls. "I felt physically empty, to the point of discomfort, all day, all the time. There was no excuse for cheating the way I did, but I was sick then. Very sick."

Contrary to common misconception, *slut* and *nymphomaniac* are not interchangeable terms. A chick's wolfish appetite for man meat may appear to be excessive to some, but carnal enthusiasm does not equal sexual addiction. Moreover, sexual mores vary across times and cultures; a woman who would be branded a shameless hussy by a 20th-century Amish farmer might be considered a dried-up prude to a 19th-century French libertine.

The human sex drive is a relative thing, but some dick fiends' pathological drives to find 'em and fuck 'em transcend cultural relativism.

"I could be fucking all day, every day, and it still wouldn't be enough," admits Rita, a self-described "sex addict" who has recently emerged from an inpatient clinic in Southern California. "I thought that I could just go on a binge and fuck the need out of my system, but that just dragged me deeper into the addiction."

*Nymphomaniac* is a pejorative term that has lost its currency in clinical discussions of sexually self-destructive females. *Sex addict*, meanwhile, has gained popularity in the past ten years, particularly among adherents of 12-step groups such as Sexaholics Anonymous (SA) and Sexual Compulsives Anonymous (SCA). There currently exist more than 2,000 support groups in the U.S. specifically

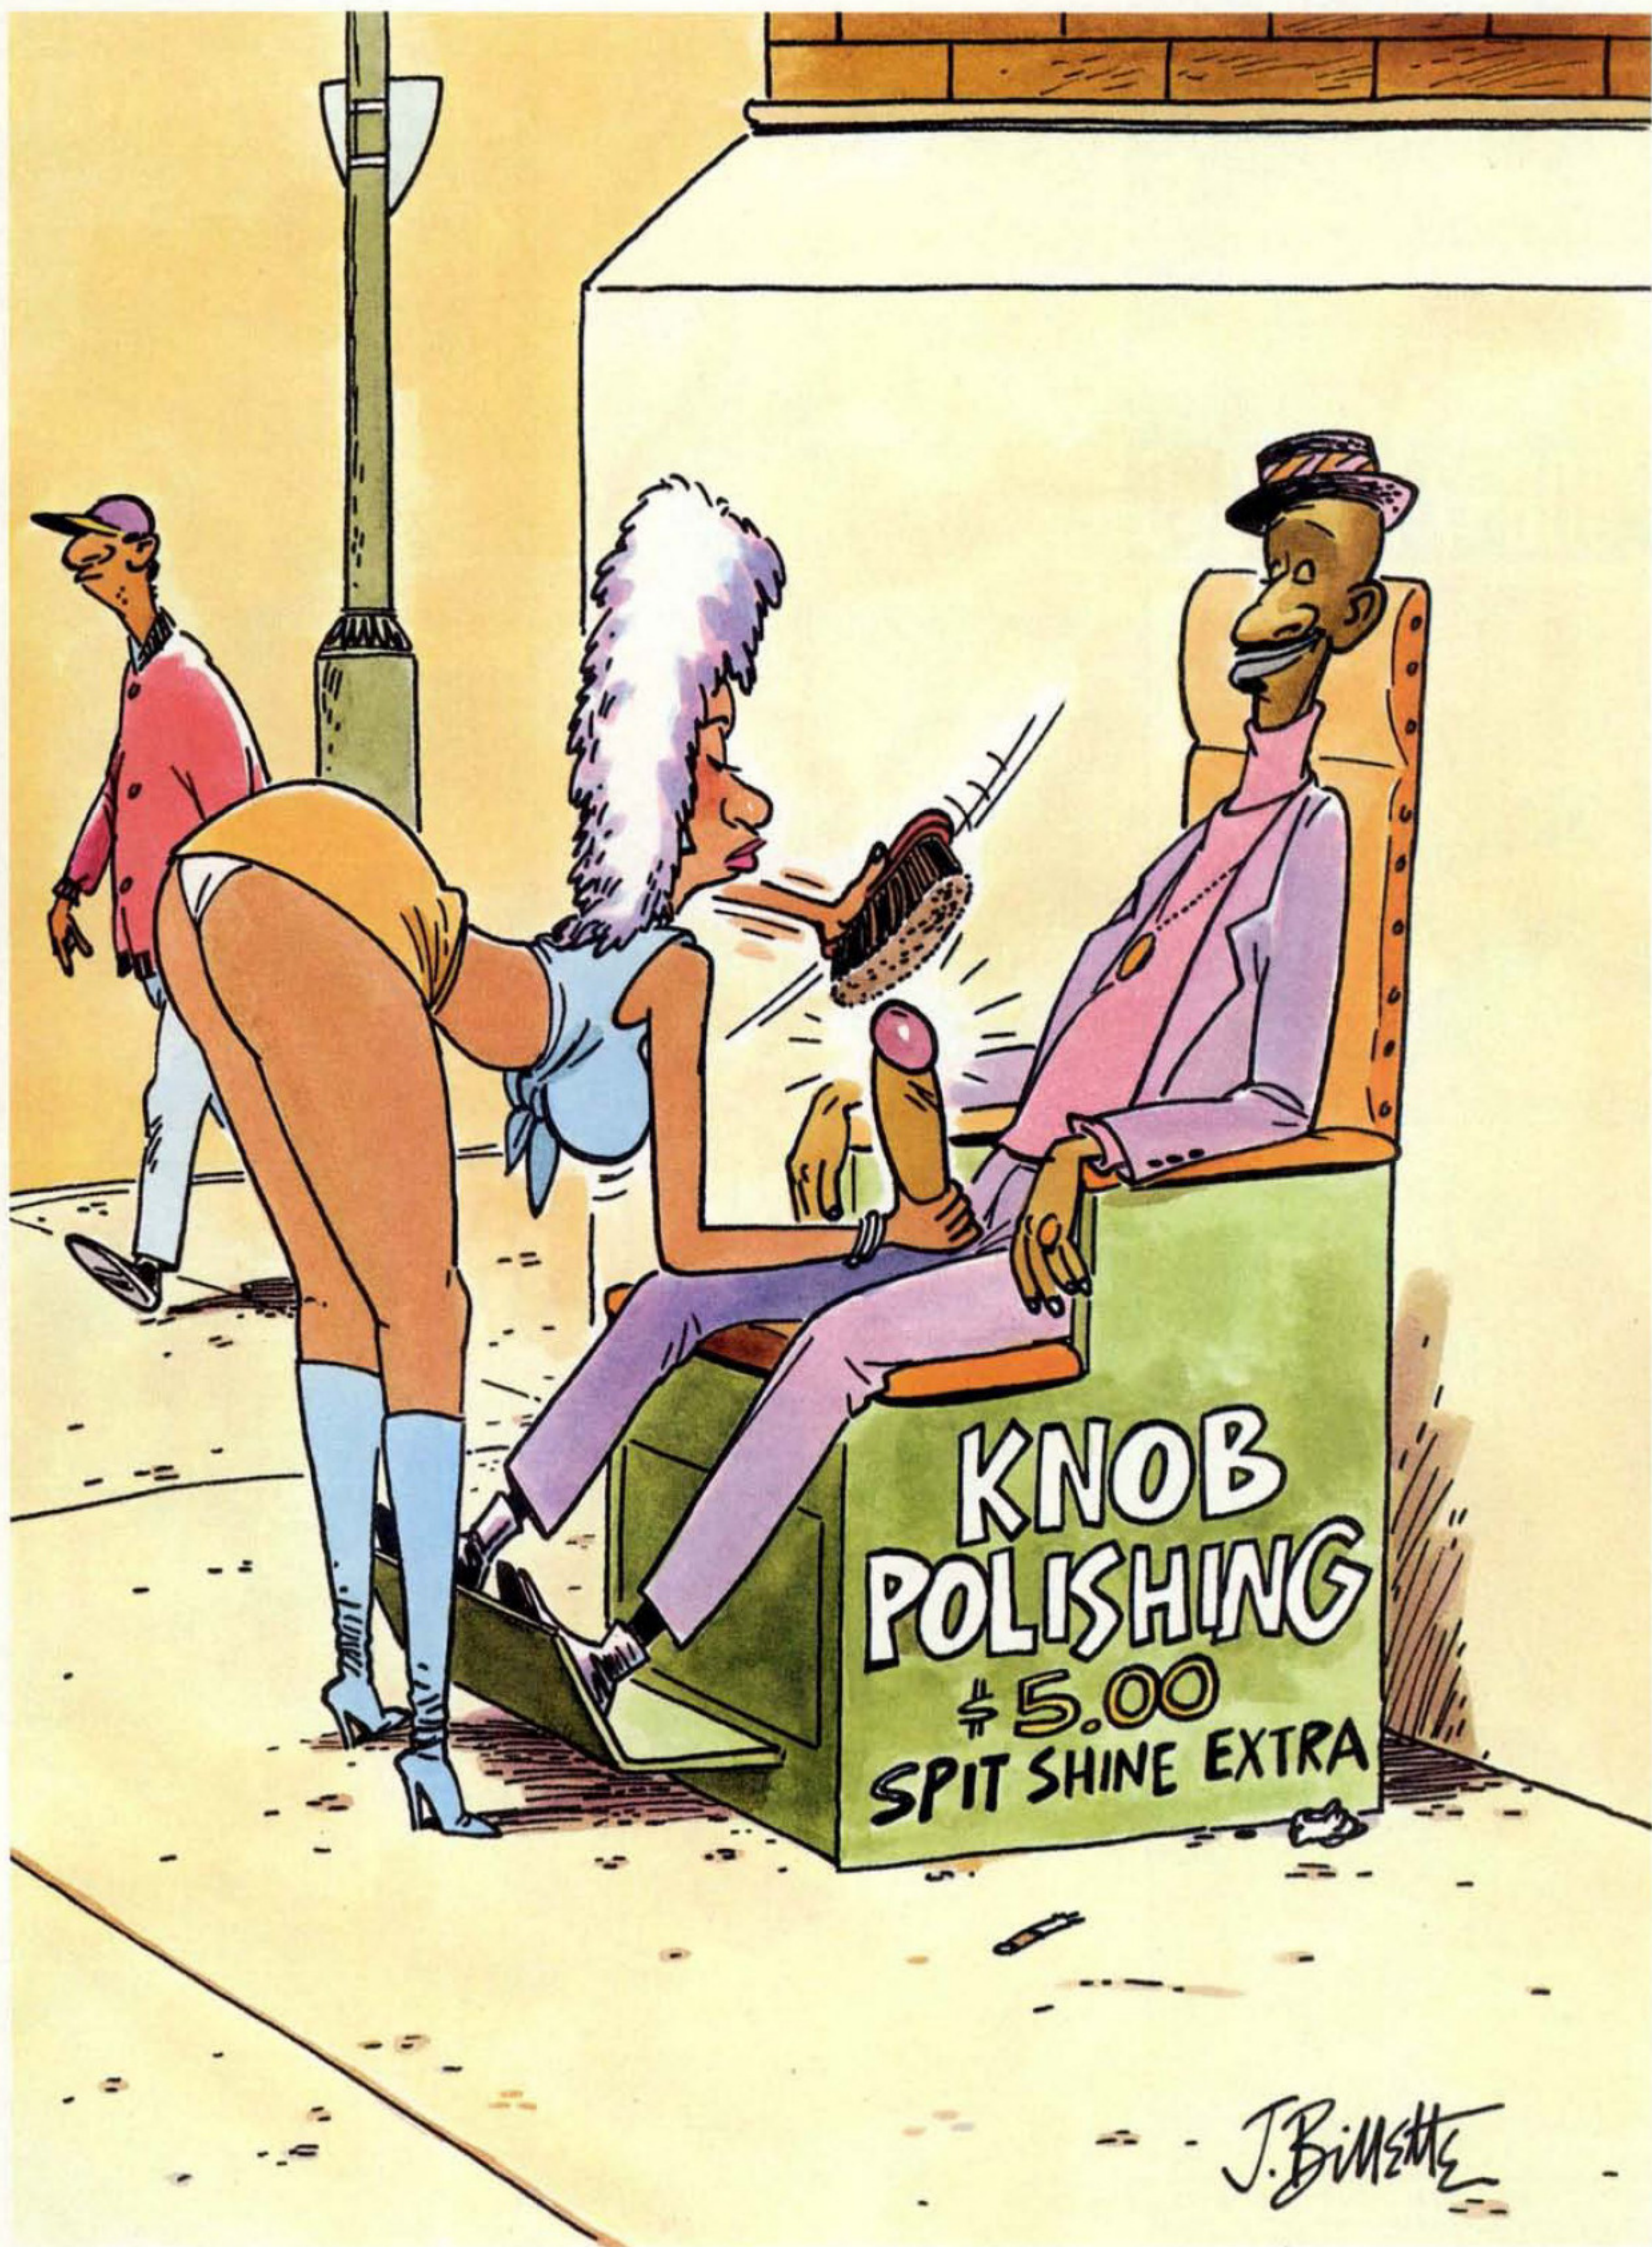

ly tailored to nymphomania and its male analog, satyriasis.

Based on a ten-year study, Dr. Patrick Carnes, Ph.D., a pioneer in the identification and treatment of sexual addiction as a condition, estimates that 11% of the total population is hooked on sex, and nearly 40% of that number are women. If Dr. Carnes's figures are accurate, that means at least 8 million American females are compulsively seeking out cock at any given time. However, the doctor's notion of an army of dick-hungry nymphos may create randy expectations that far exceed reality. Nymphomaniacs are usually damaged goods, and intercourse rarely brings fulfillment to the sex addicts themselves or the men who hook up with them.

A survey conducted by Dr. Carnes found that more than 80% of sex addicts had been sexually abused during childhood. Nymphomaniacs

# Sex Play

Almost 40% of recovering sex addicts describe themselves as workaholics. A chick wearing a business suit may seem unapproachable, but she could be a raging after-hours choad fiend.

also typically suffer from depression (often suicidal), shame and self-demeaning despair over their inability to keep their legs together.

"Sex addicts may get up in the morning fully intending to go to work, but find themselves picking up someone on the way to work to have sex with," says sex therapist Susan Nathan, Ph.D. "They realize what they are doing is harming themselves, but they can't stop, and that leads to negative feelings. In turn, to escape those feelings, they seek out more sex—and the cycle continues."

A carnal itch that refuses to be scratched away can jeopardize marriage and family relationships, allow job performance to deteriorate and put a woman in danger of contracting or passing on a sexually transmitted disease. None of these risks matter to a raging jizz junkie.

"Many sex addicts report progression of their addiction; that is, they have to take increasing risks or try new sexual behaviors to maintain the same euphoric effect," says Dr. Jennifer Schneider, M.D., Ph.D., a sex therapist.

Dr. Al Cooper, Ph.D., a sexual-behavior expert in San Jose, California, defines sexual compulsion as "an irresistible urge to perform an irrational sexual act."

"Compulsive sexuality means being motivated to engage in sexual activity time and time again in hopes of finding some sort of fulfillment," says Cooper. He maintains that compulsive sport-fucking is on the rise due to the increasing sexualization of American society.

"In the media, on the Internet—everywhere you look, sex is used to sell everything," Dr. Cooper says. "There's an indoctrination of the population to look toward sex, regardless of what ails them."

A hypersexualized environment may transform some females into psycho fuck-bunnies, but compulsive sexual behavior traditionally stems from a brain or biochemical abnormality, manic depression or schizophrenia. Even a bad case of low self-esteem combined with an obsessive need for validation could inspire nymphomaniacal behavior.

"For a long time, sex had nothing to do with pleasure for me," says Susan Mathews, a onetime sex addict and alcoholic who now works as a substance-abuse counselor in Florida. "A nymphomaniac uses sex as a tool to get power and control over a man. Having a man in my bed made me feel strong, but as soon as he left, I needed more. Finally, it dawned on me that sex wasn't going to cure me of feeling insecure. I was never going to feel

like I'd had enough."

A man interested in porking a female fuck junkie should be dissuaded by the fact that a card-carrying nymphomaniac comes equipped with a dizzying load of emotional baggage. According to the National Council of Sexual Addiction and Compulsivity, a sex addict may experience dramatic mood shifts or groom or diet obsessively; she may offer herself to strangers in public or seek out sex in high-risk locations. An estimated 75% of addicts have thought about suicide, and 40% experience severe marital problems. Furthermore, those who become romantically involved with sex addicts have been known to develop compulsions and addictions of their own.

Ironically, a relationship with a pathologically promiscuous slut brings no guarantee of getting laid; many female sex addicts compensate for their behavior by becoming sexually anorexic, falling into a condition of total carnal abstinence.

"Sexual anorexia is an obsessive state in which the task of avoiding sex dominates one's life," says Dr. Patrick Carnes. "Sex becomes a furtive enemy to be continually kept at bay, even at the price of annihilating part of oneself."

A horndog intent on snagging some hot nympho action would be well served by

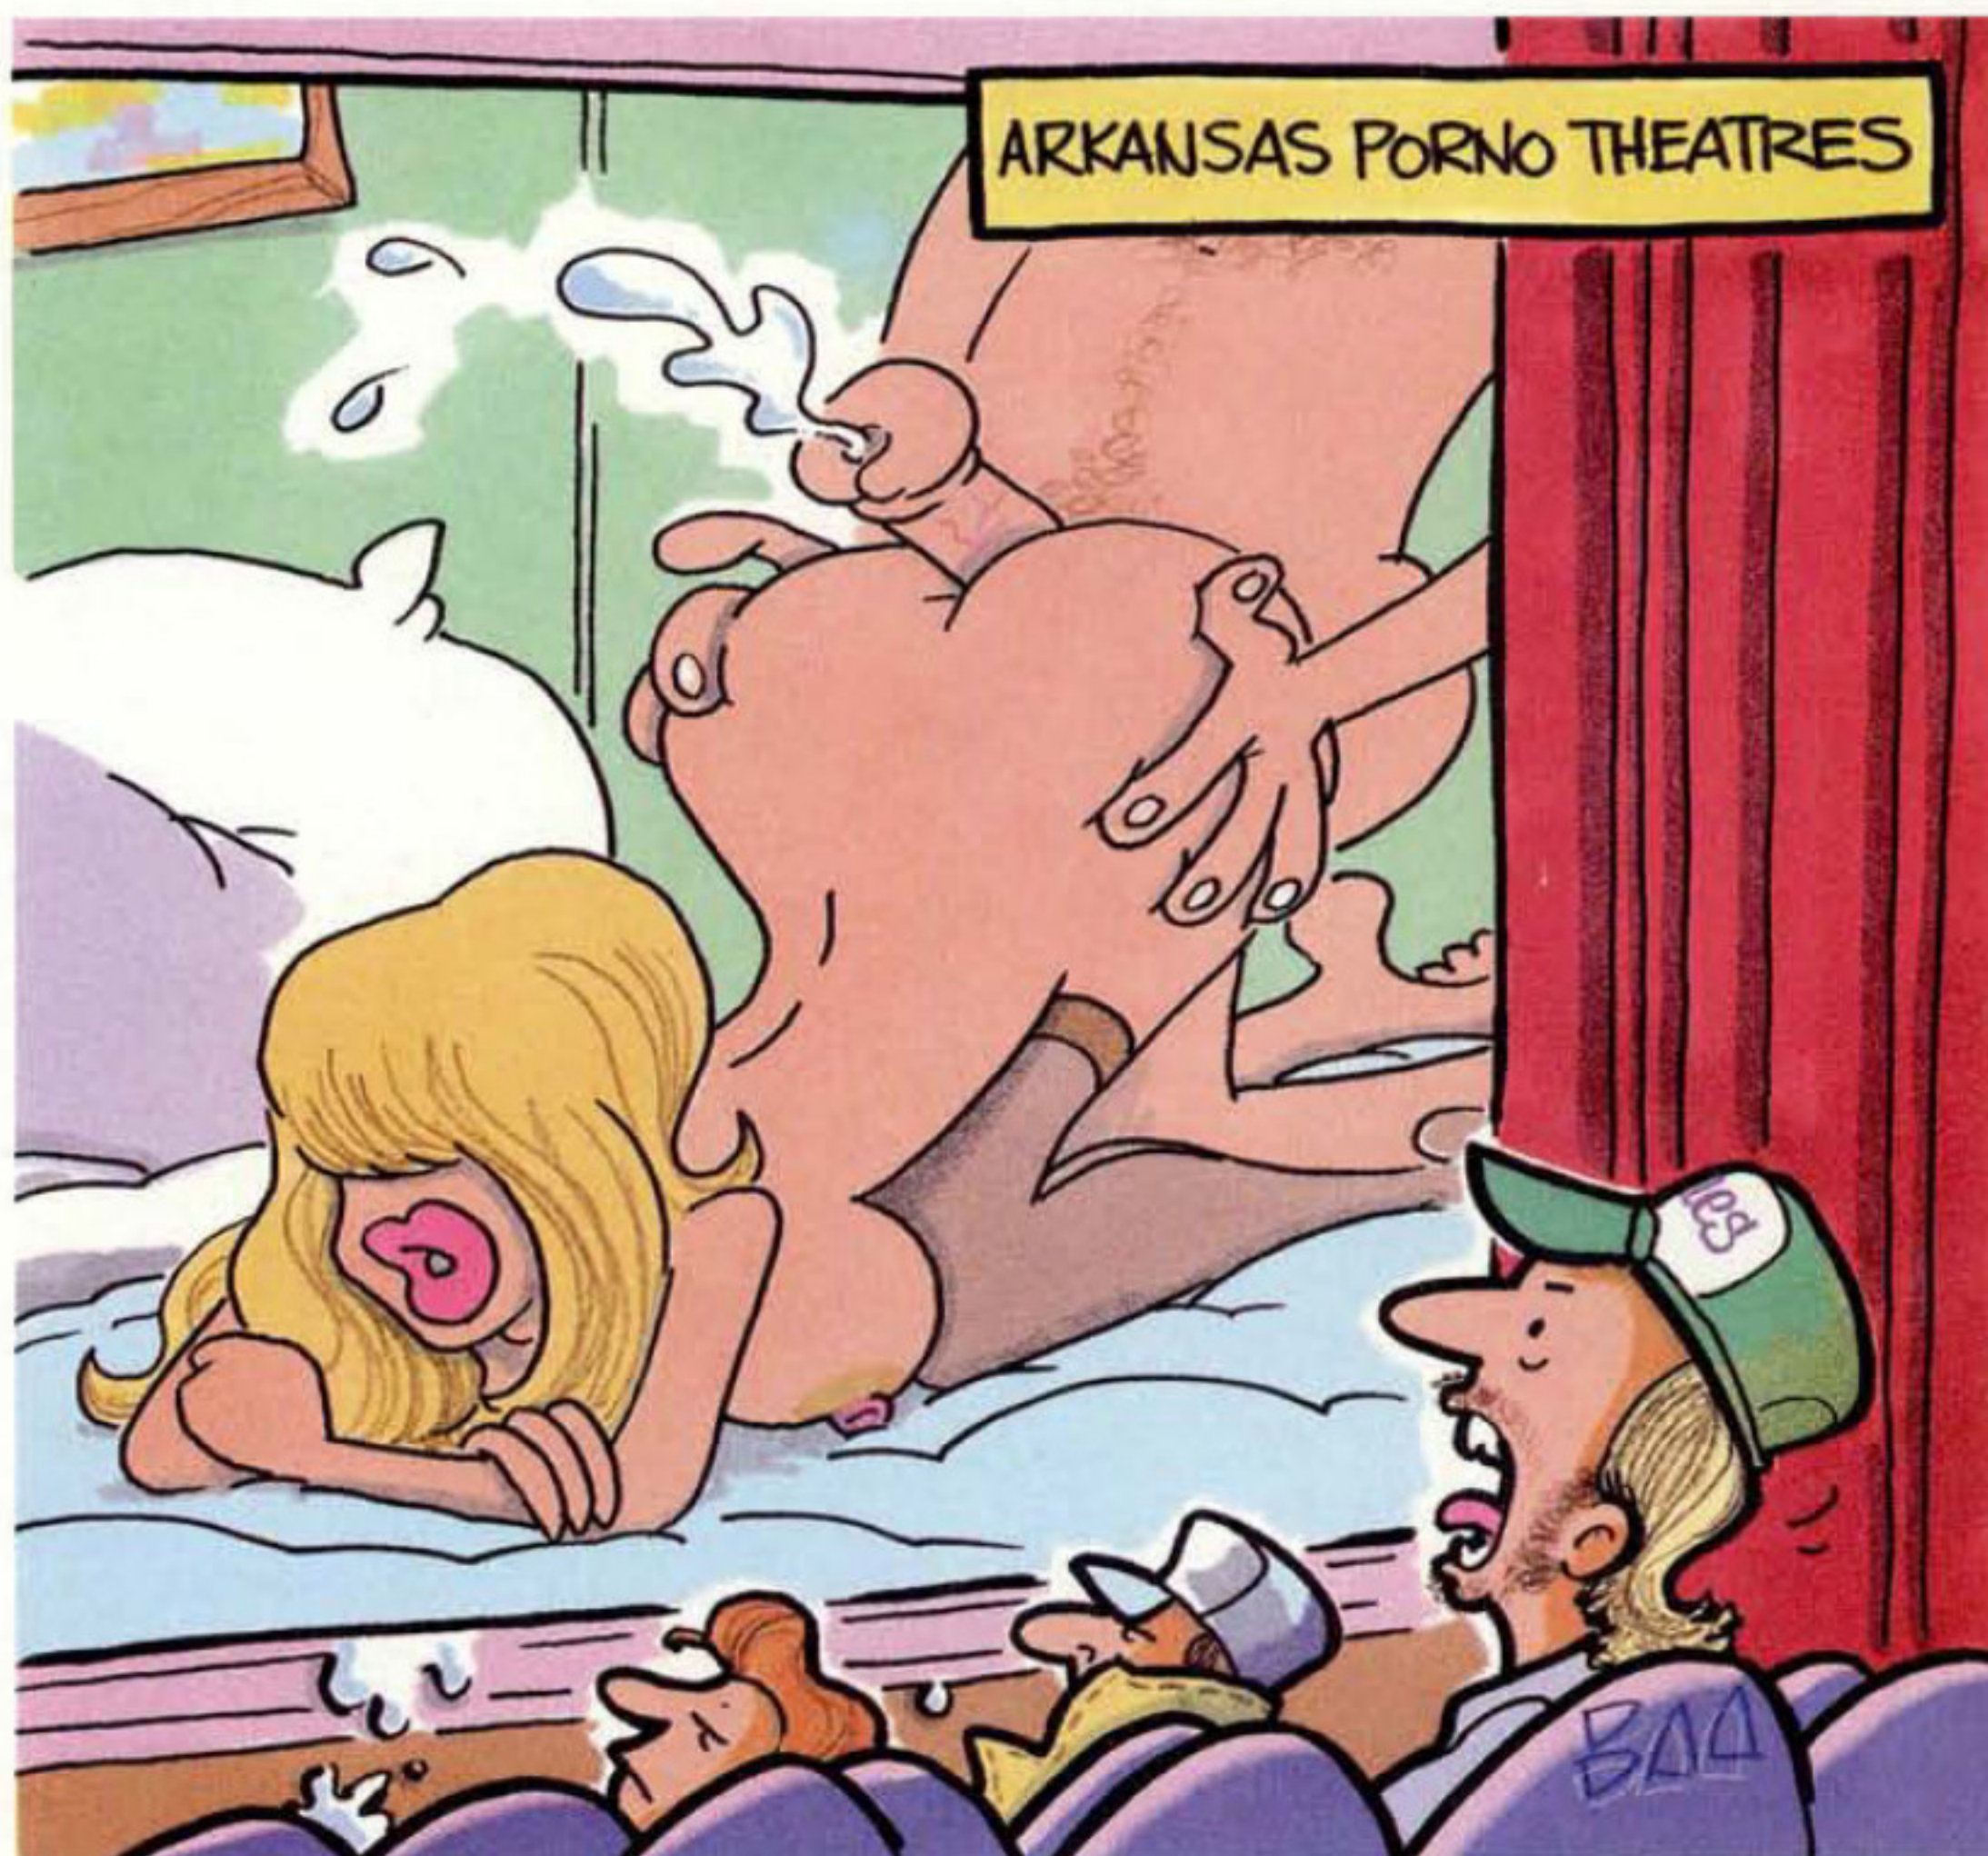

trolling his local watering holes and recovery centers, owing to the fact that sex addiction often coexists with chemical dependencies.

Coke fiends are even more likely than alcoholics to behave with reckless sexual abandon. A study of cocaine addicts entering an outpatient treatment program found that 70% also engaged in compulsive sex.

The fastest-growing group of compulsive sex addicts is young professionals. Wound-up type-A executives are notorious for acting out in self-destructive ways due to on-the-job pressure. Almost 40% of recovering sex addicts describe themselves as workaholics. A chick wearing a business suit and carrying a briefcase may seem unapproachable, but she could be a raging after-hours choad fiend.

Middle-aged females are known to go through a bout of nymphomania en route to menopause and sexual obsolescence; a fiftysomething femme on a cock binge may be responding to hormones or to a desire to put her snatch to good use before mothballing her sex drive.

"Guys seem to think that we're just happy-go-lucky girls, but sex is a really destructive force in our lives," says recovering binge-fucker Rita. "Nymphomania really isn't sexy—it's sad." 🍆

## A CONSUMER GUIDE TO SHOPPING FOR SKIN

OVERVIEW BY WILLIAM McWEARY

HANDS-ON TALES BY "GENERAL" HENRY BIGGS

ILLUSTRATION BY LORENZO SPERLONGA

The triumph of laissez-faire capitalism is best exemplified by the vast array of professional services available to drain semen from frustration-bloated testicles. Working girls fall into distinct categories, from the illegal alien toiling in a low-rent jack shack to the impossibly fine callgirl who smells good, looks great and sports a wallet-flattening price tag. Every variety of floozie, from the gritty streets to the satin sheets, bears a unique set of standards and practices, along with a different calculus of risks versus rewards.

Prostitution is as much the world's oldest profession as it is man's longest-standing sporting event. All men are created equal when it comes to the game of whoremongering. The make and model of a floozie will vary according to the size of a john's wallet, but the core principle—paying to bust a nut—means that any man with access to money can and will get laid. Fucking a rented piece of ass is almost guaranteed to be unromantic, but cash barter cuts through the responsibility, the caring, the emotions and the give-and-take of an actual relationship, giving the one-track mind what it craves.

While the dollars-for-gash swap eliminates many of the headaches of courtship, pronging prostitutes is far from hassle-free. In this two-part feature, HUSTLER's journalistic tag team of consumer advocate William McWeary and test pilot "General" Henry Biggs outlines the ins and outs of renting poontang. ►

# Cash for Gash

She fondles my nuts, then dives face-first for my asshole. Remembering that I haven't bathed since my morning shit, I roll self-consciously onto my side.

## THE ORIENTAL MASSAGE PARLOR

**Prep:** Shower sometime during the preceding 12 hours.

**How to Find:** The Yellow Pages, local free newspapers, Internet (search for "massage + city name").

**Price Range:** \$50 to \$150.

**Pros:** Privacy; low police threat; a guaranteed handjob.

**Cons:** No pussy penetration; flashbacks of Vietnam.

**Risks:** Thieves know they will have at least 15 minutes to steal your car.

## THE McWEARY THEORY

There are two varieties of massage parlor: those that offer "deep tissue" relief and those with ads boasting, "We have show-ers!" The former will iron out the kinks after a hard day's work; the latter will blow off more than steam. Little info will be given over the phone, and talk of sexual contact will likely result in an abrupt hang-up. Ask the operator, most likely an Asian female, if there's a "choice of girls." If the ghetto geisha answers affirmatively, ejaculatory release will likely be provided.

Expect to pay \$50 for a half-hour or \$90 for an hour up front for the room. An additional fee will later be negotiated between

the so-called masseuse and the client.

A massage-parlor whore's fee is based on a one-ejaculation-only proposition, and the jerky girls are trained to spend less time beating the back and more time tending the whack. The prime motivation: Get the client up, off and out.

"General" Henry Biggs, a would-be serviceman who left the military after two days of boot camp to pursue a life of gluttony, sampled several stroke parlors in the Los Angeles area. He found the finest jerk joint jammed between a liquor store and a manicurist salon in Santa Monica, a tony township that overlooks the Pacific Ocean.

## GENERAL BIGGS'S TRENCH REPORT

An elderly *mama-san* escorts me from the dingy lobby of the jack shack to a dimly lit room, where I am told to undress and lie down; an examination table is covered with a paper-thin sheet.

Anticipation does strange things to a penis; while I wait, I stare nervously at my listless lance. I curse the booming overhead air-conditioning, the flimsy paper fans that decorate the walls, the dank aroma that permeates the room. I grab my mushroom pole and attempt to yank it to half-mast—something to at least make a good first impression. Nothing. Footsteps shuffle toward my room. Panic sets in.

My handmaiden enters, wearing a daisy-patterned tank dress; she dims the lights even further. The young girl's wide, flat Oriental mug is framed by long, black hair that is partially restrained by a plastic, pineapple-shaped clip. "Okay, ready?" she whispers. Without waiting for a response, the stroke siren removes the towel wrapped around my waist. My cock suddenly springs to life.

The Asian snake charmer guides me gently onto the massage table, pulls her tube top down and drags her rubbery tits across the small of my back. She rubs baby oil into my ass cheeks, reaches between my legs and fondles my nuts, then dives face-first for my asshole. Remembering that I haven't bathed since my morning shit, I roll self-consciously onto my side.

From that point onward, Hairy Carrie's well-lubed hands never leave my cock. This girl has mastered a devastatingly effective, twisting hand stroke; if I don't slow her down, I know I'll blow gunk prematurely. My mind fumbles through a Rolodex of disgusting images—Holocaust body piles, emaciated Ethiopians, Tipper Gore—anything to stave off the impending explosion. No good.

"Holy shit! I'm gonna come," I announce.

The goo-goo doll dives for my dick, wrapping her wet lips around the head. No condom. No time. *No fucking way!*

I launch a fusillade of musty sperm into the dish's face hole. She pulls away from my cum cannon and tugs three tissues from a nearby box. Hawking splooge loogies into the wad, she returns to the scene of the grime, wrapping fresh two-ply around my shaft.

"I take care of you; you take care of me," she whispers. Translation: tip time. I commence negotiations.

"Forty," I offer.

"Fifty," She frowns.

"Forty-five?" I volley, then catch myself. *Jesus Christ, man—you're hag-gling over five bucks with the woman who just gargled your spum!* I produce the \$50 gratuity and leave.

**Total Cost:** \$100.

**Elapsed Time:** 7 minutes.

**Afterglow:** *Hot damn!* I can still catch the opening face-off of the Kings game.

## BOULEVARD OF BROKEN REAMS: THE STREETWALKERS

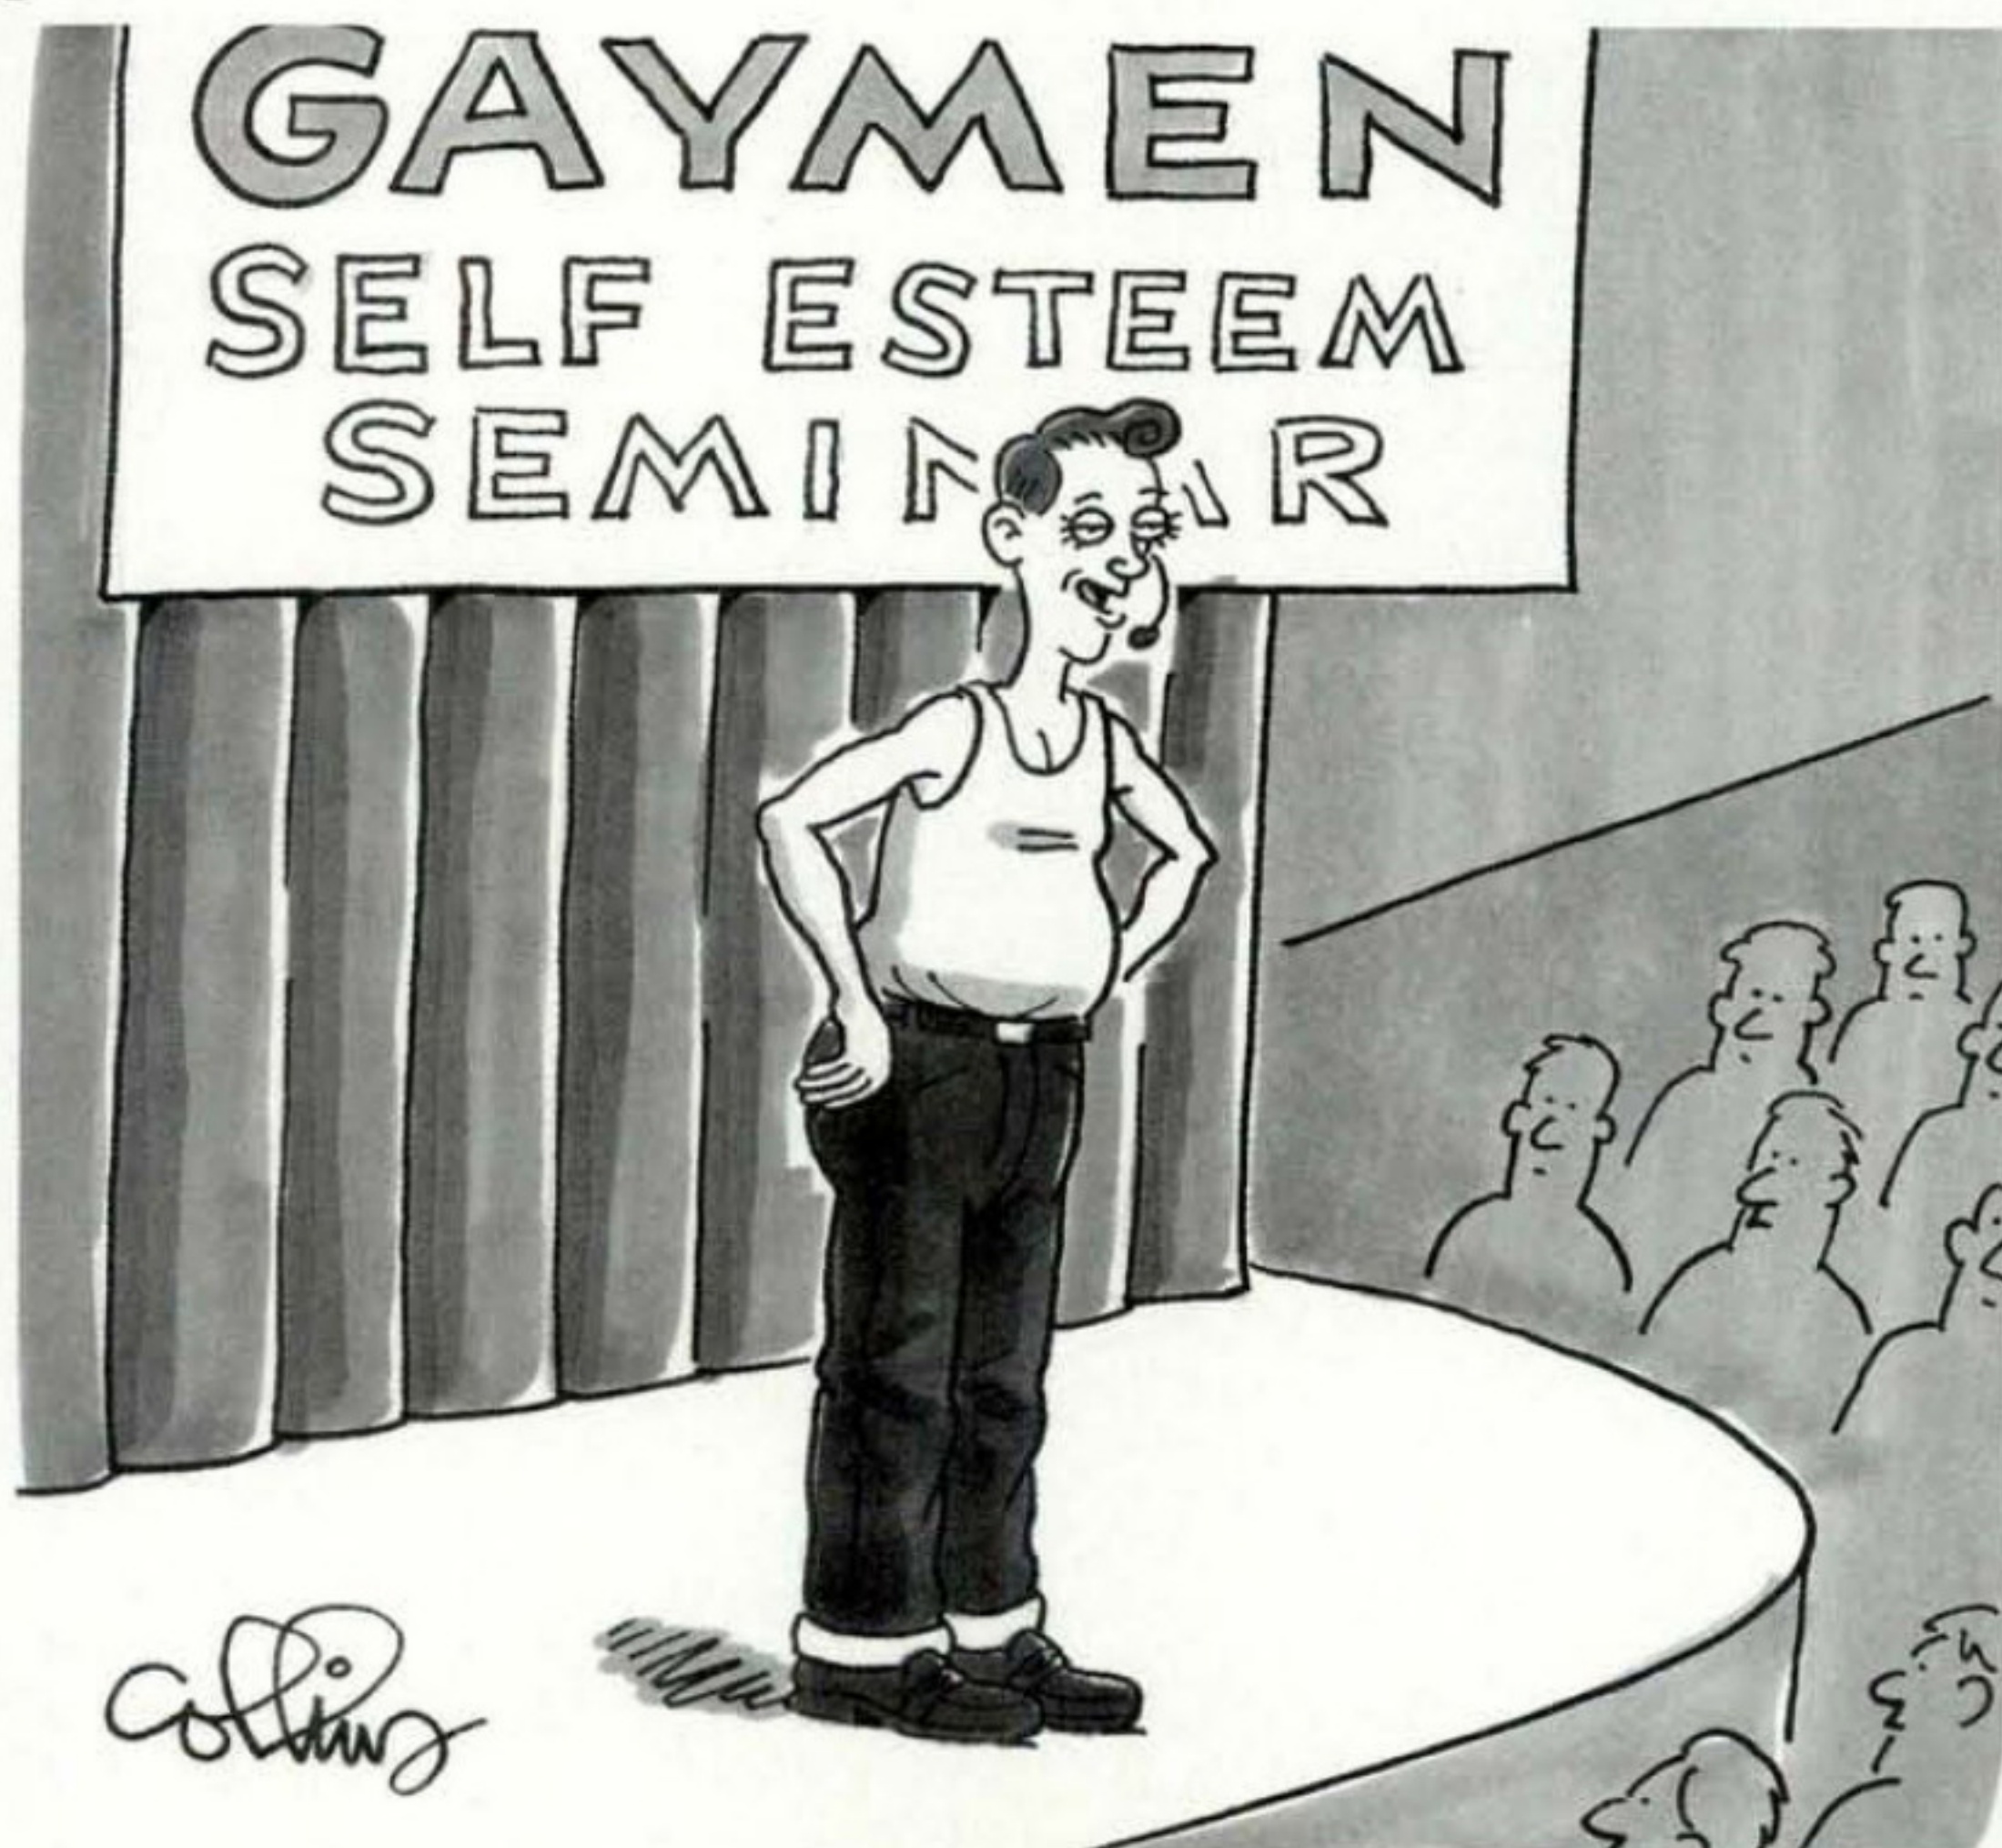

**Prep:** Drive from a bar to an ATM.

**How to Find:** Internet (search by city at [www.worldsexguide.org](http://www.worldsexguide.org)), cab drivers.

**Price Range:** \$50 to \$150.

**Pros:** The sex is cheap and spontaneous.

**Cons:** She could be packing a disease, a dick or a ticket to jail.

"Repeat after me: 'I suck dick and like to take it up the ass, and that's okay.'"

# Cash for Gash

Whatever this person is—male or female—its lips are so forceful, so slippery when wet, that I forget my concerns and revel in one of the finest, fleetest blowjobs of my life.

**Risks:** A pandering bust could lead to your mug shot appearing in the local paper.

## THE McWEARY THEORY

Women who work the streets are tricking's lowest common denominator. Junkies, thieves, trannies and cops troll this crusty layer of lust. Some will steal money; others could pass along a killer disease.

Street girls are under tremendous pressure to bring back as much money as possible to their pimps. When cruising for street trash, keep only enough cash in your car to make a deal. Anything of value can and will be stolen. Drive-up bimbos can usually be found late at night in the more notorious areas of a given metropolis. When cruising, keep a low profile. Multiple U-turns are guaranteed cop-attracting maneuvers.

Look for girls pretending to talk on pay phones for long periods of time. If a slutty-looking siren remains sitting at a bus stop after the local express has passed, she's probably working. Avoid the high-heeled, fish-netted, strut-her-stuff streetwalker. If she appears to be a cliché, chances are the floozie's an undercover cop.

Contrary to popular myth, there are no surefire words that guarantee the slut who slides into your ride is not a police decoy.

"Even if she says, 'No, I'm not a cop,' that's bullshit," advises Sweet Sarah,

Web mistress of Escort America ([www.escortamerica.com](http://www.escortamerica.com)), one of the largest escort-related Web sites on the Internet. "Female cops have been known to strip naked to entice a buy and make a bust. The only thing a cop will definitely not do is touch you."

On the plus side, bargaining is easy on the street, where cash is king and cunts are desperate. A quick fuck can be had for under \$100, especially since as little as \$20 will buy a flaky rock big enough to perhaps stay high for the entire night.

## GENERAL BIGGS'S TRENCH REPORT

My right leg twitches nervously on the gas pedal as I pick up a black girl near the area where actor Hugh Grant was busted a few years back.

"Turn right here," the Nubian nasty instructs. The mocha trollop's face is muscular, almost manly, but her boobs loom large through a gold, Lycra top.

We pull into an alley off Sunset Boulevard in Hollywood. "Blowjob is \$60; half-and-half, \$100," my newfound friend recites. I opt for the quick hummer and pull three twenties out of my wallet; the tramp lunges for the money like a dog leaping for a Liver Snap.

We hop into the back. The African bitch pulls down my jeans and unrolls a rubber

onto my pole. I reach for the slut's snatch, but a firm hand impedes my progress. Forget about cops—a new crisis consumes me: What if she's actually a he?

If I were sober, the notion of fucking a tranny's mouth might have been a cock killer, but two Johnnie Walkers to the breeze, I simply admire the gender-indeterminate hoochie's skilled oral magic. Whatever this person is—male or female—its lips are so forceful, so slippery when wet, that I forget my concerns and revel in one of the finest, fleetest blowjobs of my life. Leave it to a guy to finally get it right! I fill the condom with scotch-infused splooge. The trick wrenches the rubber from my rod, slides between the front seats and dumps the used scumbag out the driver's-side door. While I catch my breath in back, my streetwalker friend sits up front, hawking and spitting onto the sidewalk.

"I gotta get back," the thing says, sliding garish, red lipstick across its chops. I drop the tramp back on Sunset and drive quickly off the main drag. At a stoplight, I reach for my wallet beneath the driver's seat, but find only dusty coils and an unpaid parking ticket.

I park, pull my real wallet from the trunk and smile like a student who just nailed his final exam. The decoy wallet I stashed has been stolen by my paid lover, but it held only an expired gas card and a fast-food chain's "Frequent Fryer" coupon. By the time the thief checks the dates on the expired plastic, I'll be toasting my foresight and good fortune with a frosty Heineken.

**Total Cost:** \$60.

**Elapsed Time:** 12 minutes.

**Afterglow:** Easy come, easy go.

## YOUR FACE OR MINE: STANDARD IN/OUTCALL

**Prep:** A shower, clean clothes and one drink.

**How to Find:** Internet (search for "escort + your city"), sex-related newspapers found in adult-book stores.

**Price Range:** \$150 to \$400.

**Pros:** She's probably not a cop; sex in a comfortable, controlled atmosphere.

**Cons:** Misleading phone quotes can mean hidden fees; ditching scams; lack of enthusiasm.

**Risks (Incall):** Session could double as a home stakeout for future break-ins.

**Risks (Outcall):** Robbery; hidden cameras can capture footage for extortion.

## A REAL NIGHTMARE: CONSERVATIVE REPUBLICAN BEDROOM POLICE

"Sex for fun! Arrest the sickos!"

*"Darn it, Marty! Stop trying to put words in my mouth!"*

PHOTOGRAPHY BY MATTI KLATT

"I was shipwrecked once," ship captain Lynn wistfully reminisces. "For six months, my only companionship was my first mate, Friday, a leggy blonde with pert, seashell-sized nubs. Days, we'd skinny-dip and fish, taking breaks to eat pussy sushi under the shade of a palm tree. Every tropical night, we'd fuck ourselves to sleep with dildos carved out of coconut shells."

Lynn's fingers navigate toward her salty clam.

"Then the search party arrived: A complement of 14 sea-weary men rescued us."

Lynn grins, aroused from retelling her yarn. "With all those stiff swabs to tackle, it was another six months before Friday and I finally set sail for home."

# Cash for Gash

Anal sex, golden showers, kissing and pussy-eating (what pros call the "girlfriend experience," or GFE) are out of the question, unless negotiated over the phone.

(continued from page 58)

offers numerous links to escort-related services. "Men can now find contact numbers and actual photos of escorts online, while businessmen can arrange for dates before they arrive in a city."

Some online resources, such as [www.escortsservice.com](http://www.escortsservice.com), offer trick links to cities throughout the world. Specific city sites can also be found for greater metropolises such as Los Angeles ([www.lasecrets.com](http://www.lasecrets.com)), Chicago ([www.escortschicago.com](http://www.escortschicago.com)) and New York ([www.ny-exotics.com](http://www.ny-exotics.com)). Prior to the Net, johns relied upon local directories and the Yellow Pages to find escort services, a practice Sweet Sarah strongly advises against.

"Twenty percent of Yellow Page escorts are cops," the cybermadam estimates. "When the police bust a service, they confiscate all property—including the phone lines that had been advertised, which they leave open and use for stings."

When phoning a callgirl, a john must first decide if he wants to meet the girl at her place (incall) or have her come to him (outcall). Whatever the setting, doing legwork before logwork ensures the best experience.

"If you're serious about not being ripped off, do your research," advises Sweet Sarah. "Call several listings and judge a girl's attitude on the phone. Does she sound tired or rushed? The most important question to ask is if she has a cancellation fee. If she gets

peissy and demands a \$100 cancel fee, she's probably a fat girl who has been turned down before. A pretty girl, a legit girl, has no cancel fee because she knows you're going to be blown away by her appearance."

Before the balling begins, it is best to acquaint oneself with the various scams that an agency girl may try to pull. Many escorts will dub themselves "dancers" or "entertainers," leaving the question of actual fucking in doubt. Some devious chicks arrive, take the cash, strip and leave quicker than the customer can say "blueballs."

"Always ask beforehand, 'Is the price all-inclusive?'" reveals Niki, a lithe, brunet escort who operates Los Angeles-based Niki's Escort Service. "Otherwise, she will get there and demand more money for sex."

Sweet Sarah agrees. "So many times, a \$200 call will turn into an \$800 call. If she says the [quoted] price is 'all-inclusive,' you can expect full service [i.e., fucking]."

The "bait and switch" is another common deception. If a girl arrives and does not match her photo, or if she looks different than described, send her away.

"If you open the door and a cow is standing there, be polite and say immediately, 'Something has come up' or 'My wife is coming home,'" advises Sweet Sarah. "Apologize, hand her \$20 and close the door."

If the peach who shows up at the door is

a vision of slutty perfection, invite her in and let the games begin, but remember: Proper preparation is key to enjoying the best bang for the buck.

"Prepare for the escort's arrival the same way you'd prepare for a date," advises Marc Perkel, author of *How to Use Escort Services* ([www.perkel.com](http://www.perkel.com)). "Clean the house, make the bed, spray air freshener, take a bath, brush your teeth and trim your nails. Create a romantic environment so she knows you're a gentleman. If she's having a good time, you'll have a good time."

"If you're the ugliest guy in town and weigh 400 pounds, but you're clean and smell good, you may be the best she's ever had," says Sweet Sarah. "Looks mean nothing, but appearance and class mean everything. A girl will work harder for the guy who treats her with class."

Cleaning the house may be a nice gesture, but renting a hotel room is a lot easier and skirts the thorny issue of inviting a sketched-out whore into the house.

Avoiding an awkward money exchange is simple: Never hand over cash. "Lay money on a table and have her pick it up," Perkel emphasizes. "It's a legal thing: You're not really giving her money for sex. You're tipping her because she's a beautiful woman who's spending time with you."

Which isn't to say that a cavalier attitude toward payment is recommended. Once the chips have been exchanged, beware of the "cash and dash" scam.

"Don't leave the room, and don't let her leave with your money," Niki emphasizes. "If she says she has to give her driver the money, it's baloney. She's going to split."

With the money issue settled, it's time for bed. Certain acts are almost always forbidden as part of the "all-inclusive fee." Anal sex, golden showers, kissing and pussy-eating (what pros call the "girlfriend experience," or GFE) are out of the question, unless negotiated over the phone. In addition, an hour's fee does not equal unlimited sex for 60 minutes.

"The biggest misconception is that buying an hour means he can do whatever he wants, as many times as he wants, within that hour," says Niki. "The quoted price is for one come." The idea is to make that "one come" count.

PHOTOGRAPHY BY CLIVE McLEAN

Sylvia's wet spot craves rope. Stripped bare, the blonde strides across her spacious loft apartment. The length of cord draped over her shoulder grazes her nipple, further awakening her desires. "I love to be held captive."

Sylvia threads the noose between her legs, purring as it bisects her labes. Sylvia yanks, securing her bindings. "Tying myself up is only half the fun," the comely amateur Houdini notes. Her fingers dance, forming an expert knot. "Wriggling free is the other half. Every hard-won centimeter of give brings me more pleasure."

Sylvia bites down on the rope and tugs, tightening her handiwork. Constricting strands of hemp pinch her supple flesh. She spits the rope out and begins to struggle.

"By the time I reach my aching pussy, the rope is soaked with clam juice." Sylvia's fingers reach for her nest, but fall short. "So close, yet so far. The struggle continues—thank God."

**T**wo Holy Rollers came to a dyke's front door. "Have you heard the good news?" they asked.

"Fuck off!" the angry lesbian snarled, shutting the door in their faces. To her surprise, however, the door bounced back open.

"I said, get the fuck off my property!" The dyke slammed the door a second time. Once more, it rebounded without latching closed.

"Goddammit!" Maddier than hell, the lesbian reared back for a third shot at the door.

"Thank you," the receptionist sighed with relief. "Some of our patients aren't comfortable with Asians."

"I don't love 'em," the vet shrugged, "but if a man's putting his finger up my ass, he'd better have small hands."

The banker recoiled. "We don't give loans for that sort of thing," he snapped.

A few months later, Roy returned to the bank with a wheelbarrow full of money. The same bank manager rushed over to shake his hand.

"Congratulations," the banker said. "I guess that idea with the black powder really paid off."

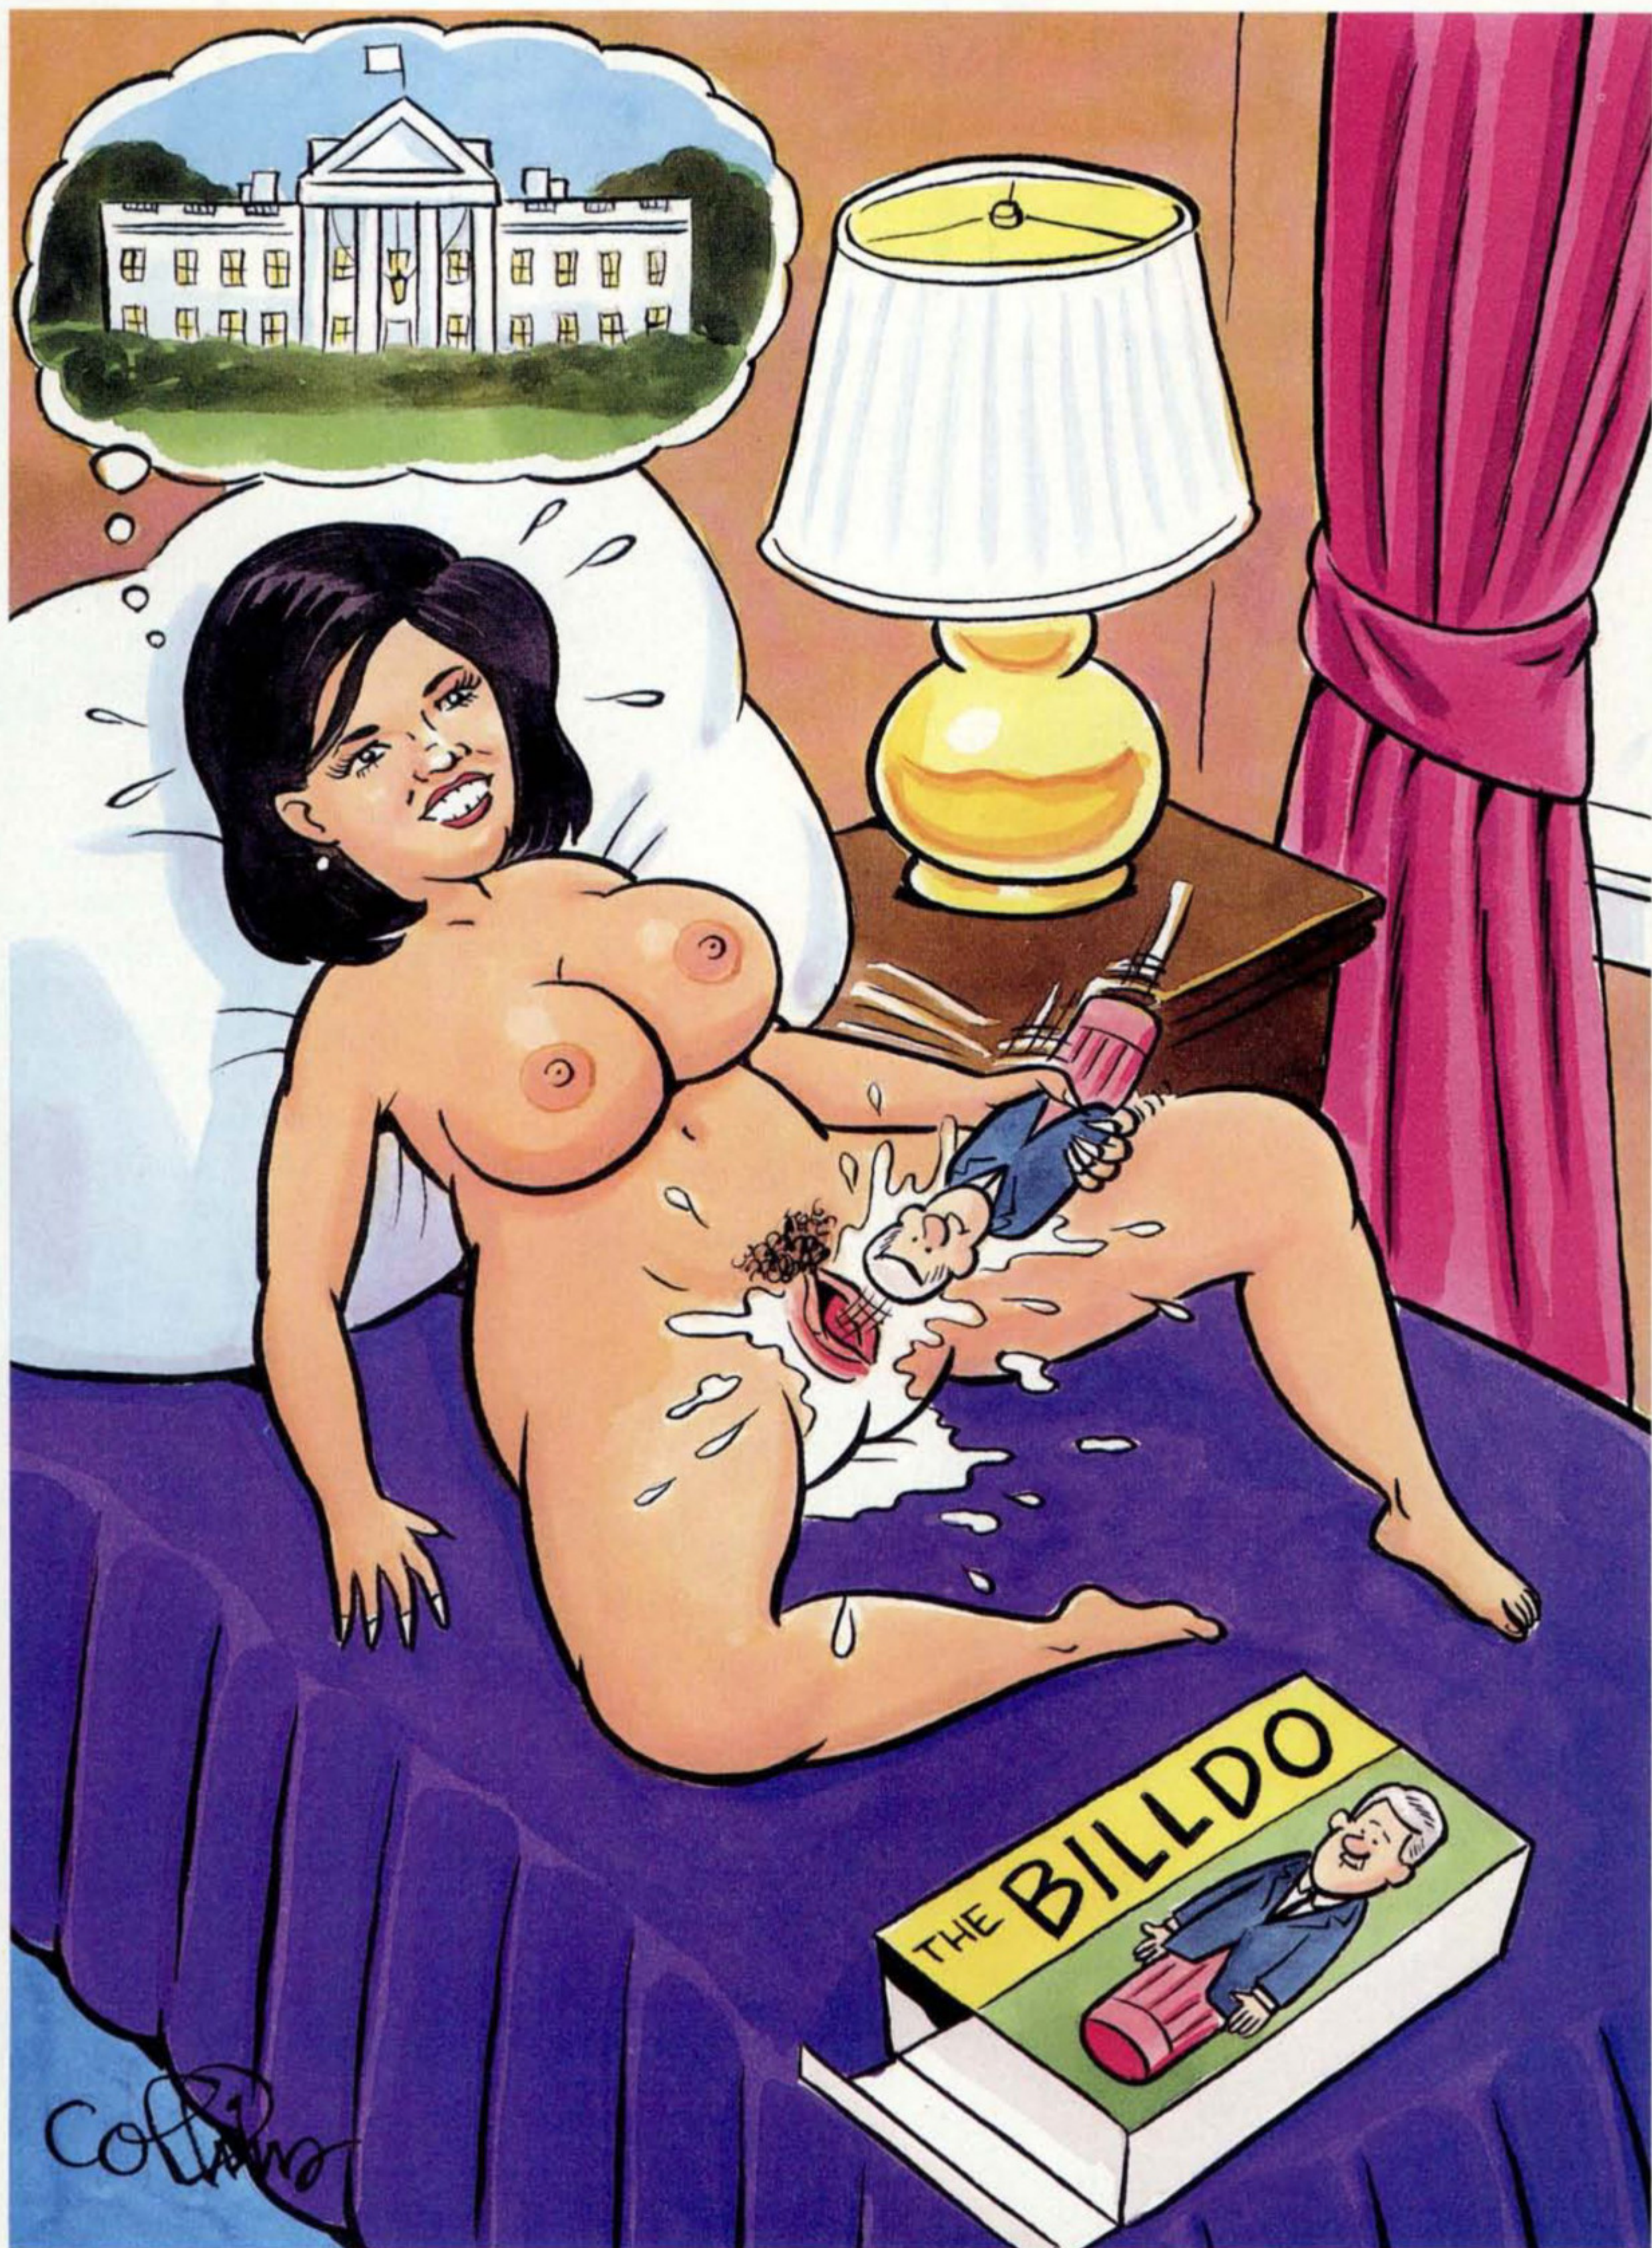

"Actually, no," Roy grinned, holding up a chemical vial. "I made most of my money with this white powder."

"Really? What does it do?"

"Give me a peach, and I'll show you."

# CRUNCH TIME FOR CRUSH FREAKS

NEW LAWS SEEK TO STAMP OUT STOMP FLICKS

REPORT BY DAN KAPELOVITZ

A "crush freak" is a stiff who becomes aroused by watching a woman stomp a living thing to a bloody pulp. Until a burst of national publicity jerked the fetish out of obscurity, a subculture of trample fans was free to whack off in peace while condemning a menagerie of insects, crustaceans and mammals to very flat deaths. As new legislation tailored to snuff out their kink goes into effect, crush fetishists lament a new sexual McCarthyism that has deprived them of the right to choke their chickens any way they see fit.

What do mice, lizards, frogs, snails, crickets, worms and guinea pigs have in common? As unsexy as these creatures may be, they are among the favorite fixations of a subculture of masturbators commonly known as "crush freaks." Creepy crawlies are essential for a good time for the members of this twisted branch of the pervert family tree, but merely tuning in to the Discovery Channel's *Animal Planet* is not likely to bring satisfaction to a crush freak. A wasp or a lobster will not titillate a devotee of this bizarre paraphilia unless the beast is being squooshed to death beneath a female foot. ➤

# Crush Freaks

In *Buttcrush Ballet Shoe Barefoot Crush*, Sherry flattens mice under her beautifully shaped glutes. In *Tit Crush*, Vanessa smothers baby mice between her 38DDD hooters.

"The fetish is very old, and it starts in childhood when the child observes an adult, usually a woman, stepping on an insect," explains Jeff Vilencia, publisher of *The American Journal of Crush Freaks* and the producer of more than 50 crush videos, including *Smush*, a worm-mashing flick. "He becomes sexually aroused, sort of by happenstance, and, as he becomes an adolescent, he eroticizes his behavior in his sexuality and it becomes a part of his love map."

Often thought to be a subcategory of the much more common foot fetish, the crush fixation also incorporates aspects of giantessophilia (the love of gigantic women), sadomasochism and trampling (wherein men derive pleasure from being stepped on by women).

Because it is not the everyday XXX consumer who sprouts a trouser tent while watching small things die slow, painful deaths, most of the crush videos that have been produced are tailor-made, allowing customers to specify what type of creature the woman in the film will crush, and with what footwear. Some men want to see stiletto heels; other perverts prefer pumps. Barefoot flattening flicks are another subcategory of the genre.

*The American Journal of Crush Freaks*, with about 500 subscribers, along with

*Squish!* and *In Step*, appeals to men who beat off to fatal foot/rodent collisions, but the Internet is the primary supplier of stomp-related stroke materials. Some 2,000 video titles that cater specifically to mash men are thought to exist, almost exclusively online. The Web also allows stomp enthusiasts to communicate in chat rooms with others who share their passion. The Official Crush Message Board is an electronic forum where smoosh fans from all over the world offer tips on where to download crush pics; one page calls attention to an episode of *Buffy the Vampire Slayer* that features series star Sarah Michelle Gellar stepping on a six-inch-tall demon.

"The most extreme thing I ever heard of was this guy in Utah somewhere," recalls publisher Jeff Vilencia. "He made a plexiglass platform, and he would lie under it, and the prostitute or whatever would crush things for him. One thing he liked was to take a lizard and glue it down to the glass. Then he put the lizard's arms in the Christ position, and he would have her step on it while he masturbated under this glass platform."

"I don't remember when exactly I first developed this fetish," says a middle-aged squash enthusiast who goes by the nickname Wormee. "At some point, whenever

I saw a woman step on a bug or a cigarette, it would spark the giantess fantasies: *What if it were me instead of that cigarette being ground beneath her sole?* When you see her step on a bug, you get to live your fantasy out through it, imagining you are the bug getting stepped on, helpless and overpowered by this woman.

"To me, it's all part of femme-dom S & M," adds Wormee. "You admire the woman's power, her ability to dominate or take control. If she's 1,000 times bigger than you, there's nothing you can do. She steps on you and crushes you out of existence like a bug, on a whim. She's significant—you're not."

"Sometimes I'm a giantess's play toy," says fellow crush aficionado FlatNme. "They will find me, trap me under their leather boot soles and crush me flat. And I will die well—with a smile." Asked where he draws the line on crushing, FlatNme replies, "Animals larger than mice or bigger than the shoe itself. No cats or grown chickens or any sick shit like that."

Crush freaks are undoubtedly a strange bunch—so strange that they have found themselves under a suffocating degree of scrutiny lately. FlatNme and Wormee insist on being identified only by their Internet screen names, not as an extension of their kink, but out of fear that they will be prosecuted as criminals for their preferred means of getting their freak on.

*Frog Stomp* is a 90-minute video that features "Crush Goddess" Vanessa trampling hundreds of tree frogs beneath her high-heeled sandals; in *Buttcrush Ballet Shoe Barefoot Crush*, Sherry flattens mice under her beautifully shaped glutes. In *Tit Crush*, Vanessa reappears to smother pinkies (crush-speak for baby mice) between her 38DDD hooters. All three squash flicks were distributed by Getsmart, a California-based company owned by a mild-mannered man named Gary Thomason. On June 19, 1999, Thomason's home was raided by 14 members of the Ventura County, California Sheriff's office, and he was subsequently placed under arrest.

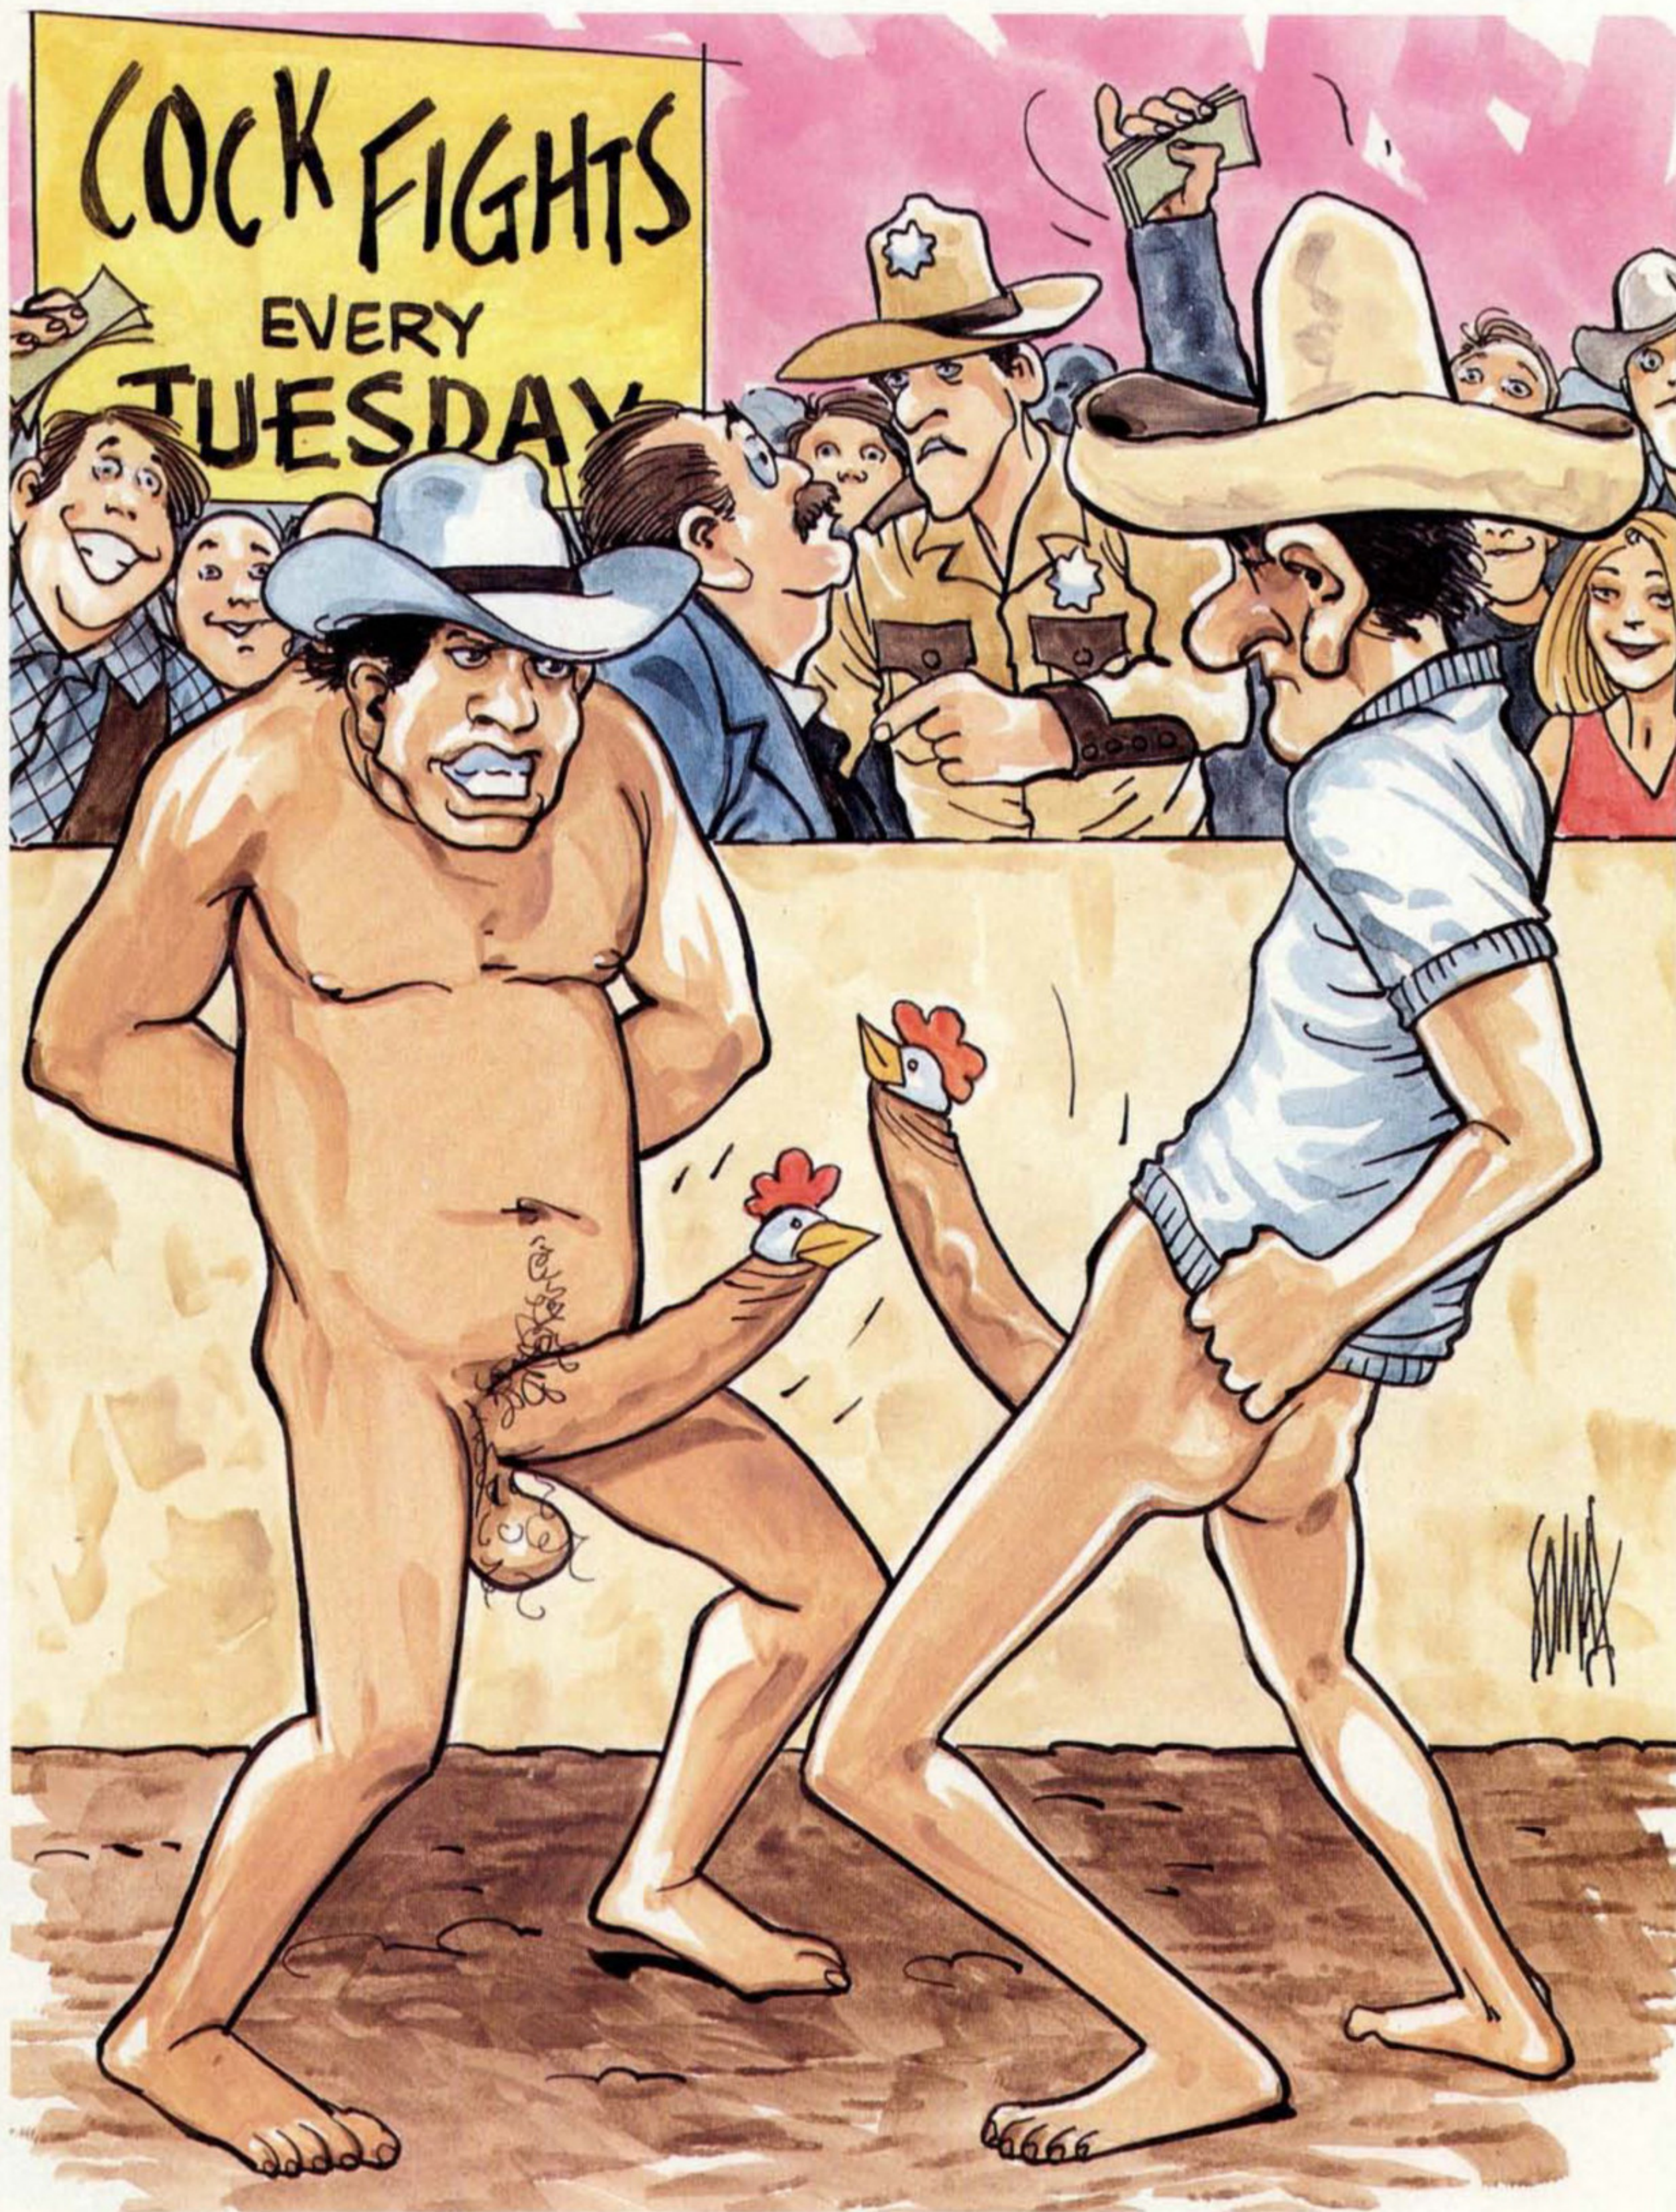

Ironically, though, it was not one of Thomason's own videos that led to his legal troubles. His path to criminal prosecution began in May 1998, when the United States Humane Society purchased a crush video produced by Steponit, a Burbank, California, company, and forwarded the tape to Tom Connors, a deputy district attorney from Ventura County, California. Connors screened the tape and was appalled.

"I wouldn't say it was a total waste of an evening, but I would say it was a total waste of makeup."

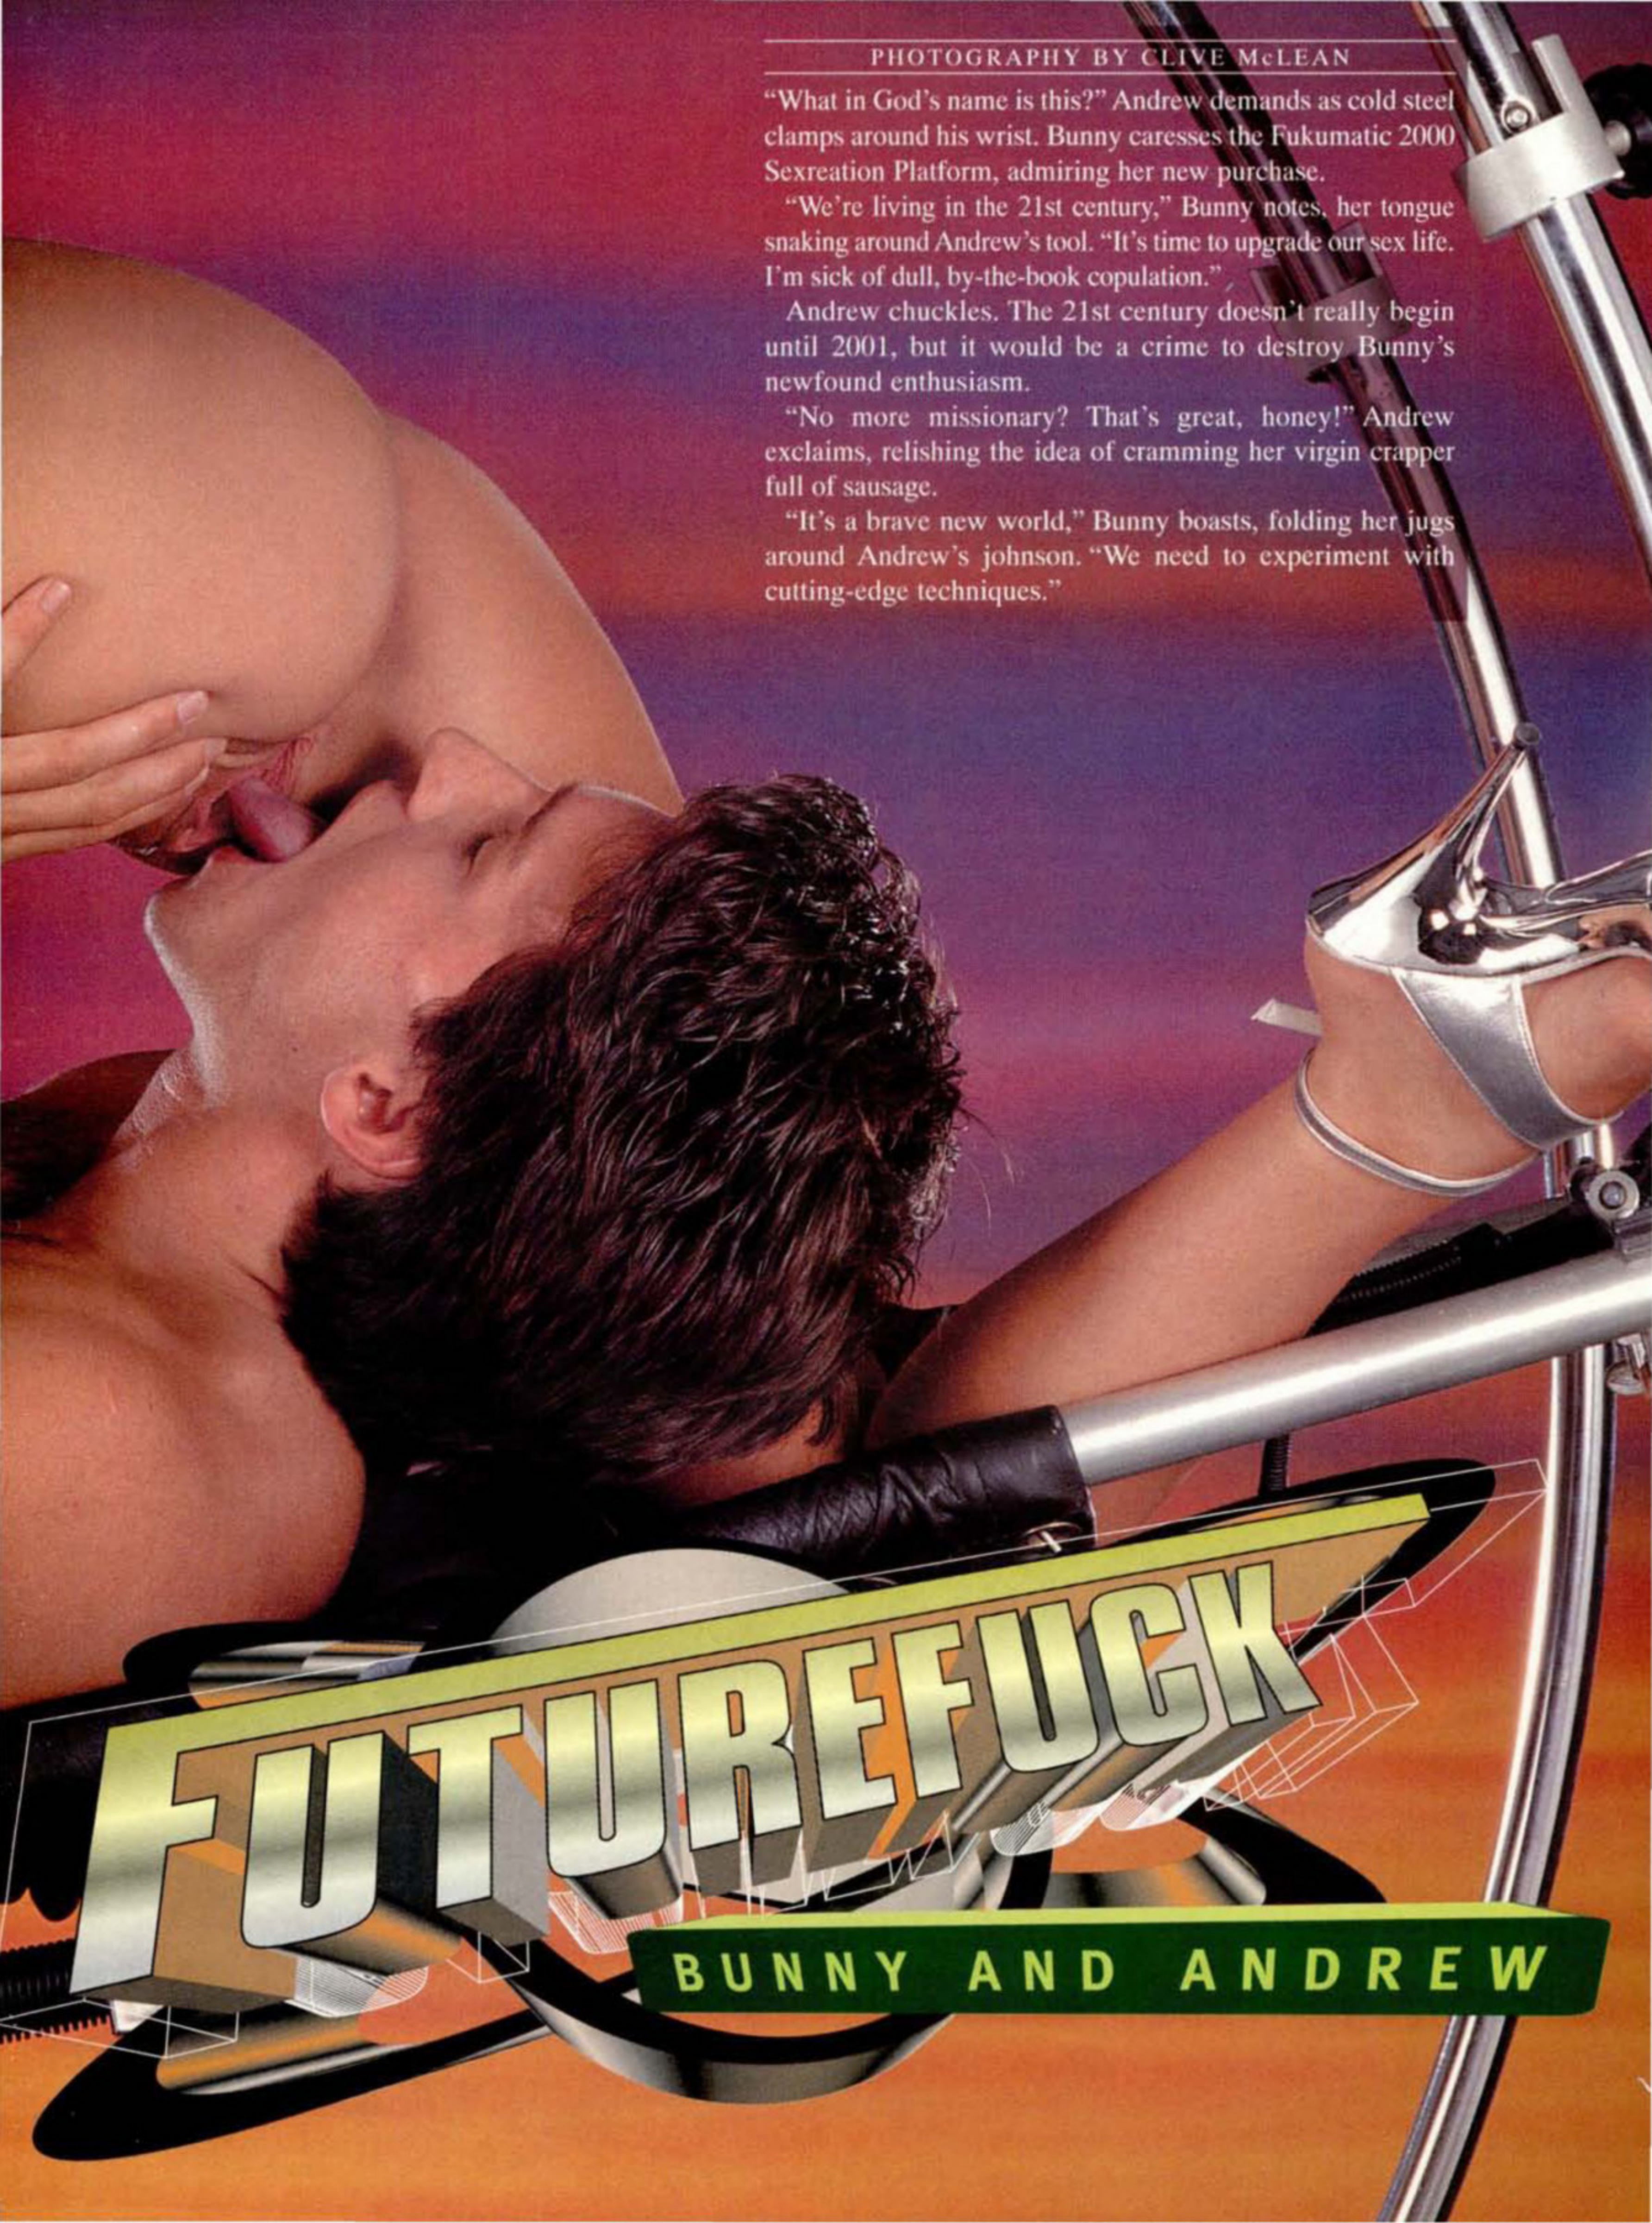

*"I can't quote the statute, but this has got to be against the law."*

A man with dark, wavy hair and a beard is lying down, his head tilted back. A woman with blonde hair is leaning over him, her face close to his. She is wearing a black leather strap around her wrist. They are surrounded by metallic, mechanical structures that look like restraints or part of a futuristic machine. The background is a gradient of purple and blue.

"What in God's name is this?" Andrew demands as cold steel clamps around his wrist. Bunny caresses the Fukumatic 2000 Sexreation Platform, admiring her new purchase.

"We're living in the 21st century," Bunny notes, her tongue snaking around Andrew's tool. "It's time to upgrade our sex life. I'm sick of dull, by-the-book copulation."

Andrew chuckles. The 21st century doesn't really begin until 2001, but it would be a crime to destroy Bunny's newfound enthusiasm.

"No more missionary? That's great, honey!" Andrew exclaims, relishing the idea of cramming her virgin crapper full of sausage.

"It's a brave new world," Bunny boasts, folding her jugs around Andrew's johnson. "We need to experiment with cutting-edge techniques."

Chaffin teases the ill-fated creature, letting it escape briefly before flattening it to a pulp. Chaffin holds her bloody soles up, displaying the guts of the pulverized rodents.

"You can kill animals all day long," says Connors. "They do it in slaughterhouses. What matters is how you kill them." Torture, according to Connors, occurs when "you stretch [the animal] out and tie it down on the ground and slowly kill it by stepping on it and squashing it and breaking its bones." Connors recalls one crush video in which "it took four minutes to kill this little guinea pig."

In spite of the gruesome footage in his possession, Connors was unable to bring cruelty-to-animals charges against Steponit because the three-year statute of limitations had expired since the film's production date. Furthermore, Steponit's owner had since shut down the company's post-office box and pulled its advertising from the Internet.

Law-enforcement officials have consistently been foiled in their attempts to enforce animal-cruelty laws against crush filmmakers because the actual perpetrators of the cruelty are typically shown from the knees down, making identification difficult, if not impossible. Thwarted in his attempt to bust Steponit, Deputy District Attorney Connors decided that the only way to prosecute crush-video manufacturers was to penetrate the animal-cruelty subculture and catch someone in the act.

In June of 1998, Susan Creede, an investigator for the Ventura County D.A.'s office, assumed the screen name "Minnie" and logged onto crush-freak chat rooms. Minnie claimed to have been involved in the production of several crush videos with her boyfriend. She was greeted by a veritable avalanche of responses from around the world. One man from Italy requested a custom movie showing a dog being crushed to death.

Getsmart's Gary Thomason was the unlucky dupe who became ensnared in Creede's trap, allegedly initiating contact with the agent and sending her a video of a woman crushing a rat. A criminal complaint against Thomason further alleges that he invited the undercover officer to star in a custom rodent-stamping video.

In the complaint, Creede says she watched Thomason tape a rat to a glass table in his apartment. Instead of crushing the rat to death, however, Creede pronounced a prearranged code word, cuing police to storm in and arrest Thomason. Subsequently, Diane Chaffin, the star of the video Thomason had sent to Creede, was arrested as well. Bail was set at \$30,000 for Thomason and \$45,000 for Chaffin.

Chaffin crushed 12 rodents (two rats, four mice and six baby mice) to death in the Getsmart video she appeared in, but

she was prosecuted for only three of the deaths. (The other nine animals died too quickly for authorities to prove that they had been tortured.)

In one scene, Chaffin picks up a baby mouse and says, "Hey, pinkie, I'm gonna teach you a lesson. I'm gonna teach you to love my heel." The animal is then forced to "love" Chaffin's heel until death quickly does them part. Another mouse has his tail tied to the ground; Chaffin teases the ill-fated creature, letting it escape briefly before flattening it to a pulp. Chaffin holds her bloody soles up to the camera, displaying the guts of the pulverized rodents.

On November 8, 1999, Chaffin pleaded no contest to one count of cruelty to animals. She was sentenced to a year in jail. With credit for 88 days of time served and 44 for good behavior, Chaffin is now a free woman but must complete the balance of her sentence performing community service.

"Diane is a victim of Gary Thomason," says Antonio Bestard, Chaffin's lawyer. "She used very poor judgment."

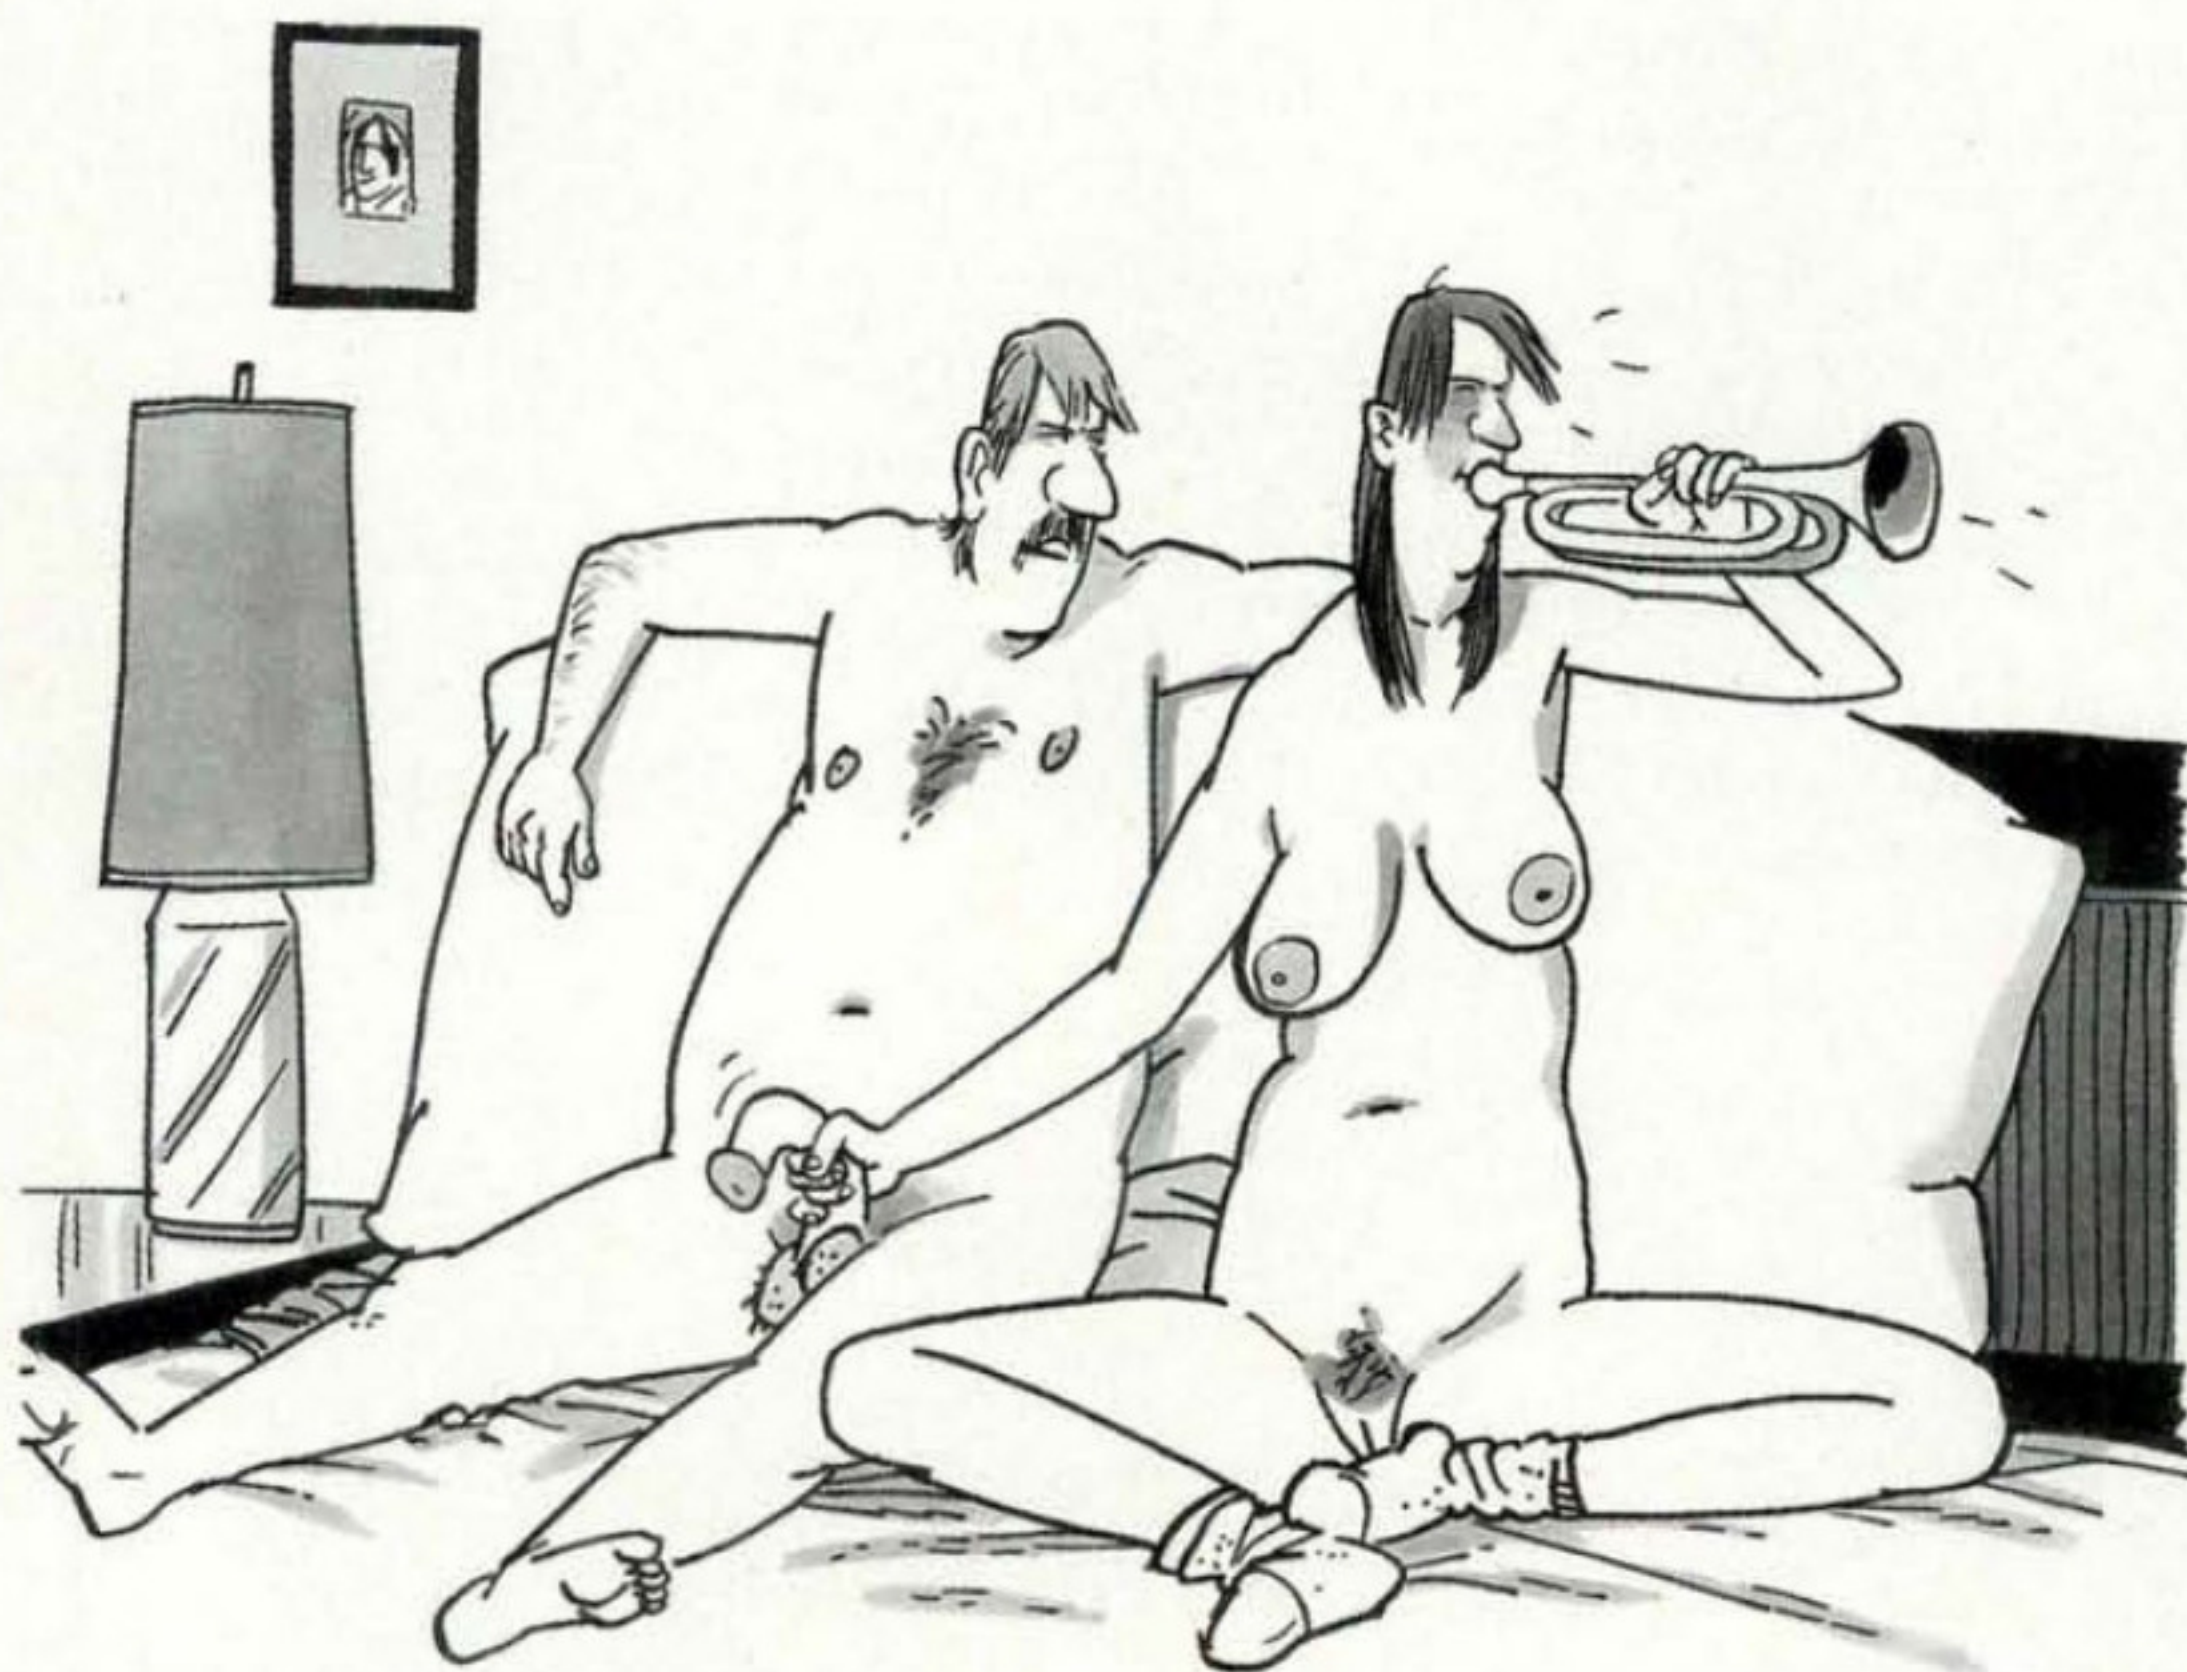

For his part, Gary Thomason has vowed to fight his arrest. The filmmaker expects his case to be thrown out of court on appeal on the grounds that rodents are not protected by cruelty-to-animals laws. Thomason improbably insists that mice-flattening videos "sicken" him; he also alleges that Agent Creede wanted very badly to star in a rat-crushing video. (Creede's superior has forbidden her to discuss the case.)

"The California Superior Court is willing to strip Gary [Thomason] of his Constitutional rights and grant those rights to mice," says "Sparky," a crush enthusiast who prefers to keep his real name secret. "We are moving toward a totalitarian society, and the people are letting it happen. The animal-rights movement seeks not the humane treatment of animals; it seeks the animalistic treatment of humans."

"What do Ted Bundy and Ted Kaczynski have in common?" asks Elton Gallegly, a Republican member of Congress representing Ventura County, California. The answer: "They tortured or killed animals before killing people."

Gallegly, the sponsor of anticrush bill H.R. 1887, claims that crush videos sell for as much as \$300 apiece, providing incentive for more people to join the crush-video industry, which translates into a greater number of animals being tortured to death, all for the sake of producing stroke material.

# Crush Freaks

(continued from page 94)

"They've got to throw in the baby thing," says Jeff Vilencia, publisher of *The American Journal of Crush Freaks*. "They say, 'Eventually, they're gonna want to murder a human baby.'"

"The bigger the animal seems to be what justifies the bigger price," says Gallegly. "We have testimony in our committee where there were even monkeys that were trampled or killed, and it's not just killing them—it's torturing them. That's apparently what excites some people. Far be it from me to pass judgment on what excites people, but the fact remains [that] if it is an agonizing death to an innocent animal, that is not acceptable to me. I would think there would be other ways for folks to get the satisfaction without killing or maiming an innocent animal."

During debates on the House floor, lawmakers championing the anticrush bill stressed that a connection exists between animal cruelty and crimes against human beings. A 1985 study that found that 25% of aggressive criminals had abused animals during childhood, as opposed to none in a group of noncriminals, was often cited. Data from FBI research also suggested a correlation between torturing animals and violence toward people.

"Some of society's most brutal killers began their violent ways by killing and maiming small animals," says Congressman Lamar Smith, a Republican from Texas. "By putting an end to these disgusting and cruel videos, we could discourage the behavior of these individ-

uals before it escalates to more serious crimes directed not toward animals, but toward people."

Crush enthusiasts deny that their fetish leads to increasingly violent urges.

"It's just a sexual fantasy," says Wormee in defense of his favorite turn-on. "You fulfill it like any other kink—watching videos, pictures on the Internet, or just by seeing it in real life."

Jeff Vilencia believes that the argument being put forth by lawmakers amounts to nothing more than an easy way to demonize eccentric sexual behavior.

"Let's face it: There's a small number of guys beating off to this—not even enough to worry about, let alone write a major piece of legislation," Vilencia says.

"They've got to throw in the baby thing," Vilencia adds. "They say, 'Eventually, they're gonna want to murder a human baby.'"

According to Vilencia, the fetish doesn't revolve around deriving a sadistic thrill from killing helpless animals. Crush enthusiasts are masochists who identify with the squashed animals; they're not sadists.

Even so, animal-rights activists have been at the forefront of the battle against crush videos. Actress Loretta Swit, better known as "Hot Lips" Houlihan from the TV sitcom *M\*A\*S\*H*, serves on the board

of directors for Actors and Others for Animals, an animal-rights group that hopes to eliminate the profit motive behind flicks such as *Rodents in Bondage*.

"Only the most depraved minds can be getting off on this," Swit asserted in testimony given before Congress about crush videos. "There is nothing to learn except that it's okay to step on, torture, maim, mutilate and kill a living creature."

"What a cunthead," Vilencia says of Swit. "She called me an 'insect murderer.' Hot Lips—another useless Hollywood personality who has nothing better to do with their time than to defend animals while they eat a big steak dinner somewhere afterward."

"This is sickening and despicable stuff that needs to end," says Mickey Rooney, presumably another "useless Hollywood personality" who publicly opposes crush flicks. "Is this the kind of world we want to hand down to our children?"

Vilencia dismisses animal-rights activists, his primary adversaries, as hypocrites.

"The Humane Society, they're so humane, they want to cut the balls off dogs and kitties," Vilencia contends, adding that people don't care if animals' lives are snuffed out, "as long as it is not for sexual gratification. You can hunt them down, you can remove their sex organs, you can eat them, test them for fashion, test them for medicine—just don't be beating off to that shit."

\* \* \*

Criminal-defense attorney Dan Barton, a partner with Nolan, Armstrong & Barton, LLP, in Palo Alto, California, characterizes Elton Gallegly's anticrush bill as a classic example of overlegislation.

"Acts of animal abuse are already illegal. It's just a censorship law designed to take the profit motive out of unpopular speech," Barton says of H.R. 1887. "This statute is so poorly written that it would prohibit distribution of a documentary on collecting butterflies. Does this require everyone who runs a newsstand to make sure that there are no pictures of cockfights or bullfights in their magazines? I think so."

In Barton's view, legislators like Gallegly know that H.R. 1887 is not only an unconstitutional restraint on speech, but also an insincere effort to acquire political capital.

"It's just like the flag-burning law," Barton says. "Congress enacts the law knowing that it's unconstitutional, and knowing that it will get reversed by the courts. It's playing chicken with the courts, and it's playing chicken with the

A tree-hugging nature lover, Amiee simply describes her occupation as "a girl." The raven-tressed, 27-year-old Cocoa Beach, Florida, native lists her hobbies as shopping and hiking, but adds, "All wet sports are fun to me." The nature girl's ultimate wish is to "share love with a beautiful, blond woman." We applaud her desire to branch out.

"Sucking lollipops, playing basketball and writing nasty, exotic stories" are the playtime activities of Wild Thing, an exotic dancer by trade. Standing six feet tall, the 20-year-old Lodi, California, denizen dreams of "being spanked and fucked by Dennis Rodman and a pack of his black-stud homeboys." It's clear that you can handle Rodman, Wild Thing, but can his homeys handle you?

Photo by Friend

Candy is a 21-year-old aspiring writer from Portland, Oregon. Writing, driving, singing and dancing are Candy's favorite pursuits. The active strawberry blonde dreams of "sharing my body in a group-sex scene." Anyone game for sucking on Candy?

Photo by Boyfriend

Spreading her cheeks for sleazy access, 24-year-old Taylor is a self-proclaimed exhibitionist. An entertainer in San Antonio, Texas, Taylor entertains herself by shopping, fishing, flirting and practicing gymnastics. The dirty blonde's fantasy involves "one girl, one guy and me in the middle in the great outdoors." You're an animal, Taylor.

Photo by Boyfriend

"I want to make love to another girl with my husband," declares Autumn Dawn. "Riding Harleys, having sex, reading HUSTLER and having more sex" are the freewheeling hobbies of this housewife from Dallas, Texas. Prairie roses beware: This 22-year-old biker chick is on the prowl for pussy nectar.

Photo by Husband

Parting her crotchless lingerie for a better view, 24-year-old Little Sexy earns her moniker. The petite blonde confides, "I would love to have sex with all three of my girlfriends at once." Currently a student and nursing assistant in Lincoln, Nebraska, Little Sexy enjoys photography, dancing and sex. Don't forget to invite HUSTLER to your next slumber party, Little Sexy.

Photo by Husband

A receptionist by day, lovely Vicki is a homebody who takes care of her body. Vicki's hobbies include bike riding, walking, sewing and reading, but the 46-year-old Canton, Michigan, gal spends plenty of time fantasizing. "I want to make love to a woman while my husband watches, then give head to my husband while being fucked by another man." Spread your love, Vicki.

Photo by Husband

Missy is a salesclerk who enjoys traveling and lifting weights. The stacked, 24-year-old beauty is a resident of Overland Parks, Missouri. Missy declines to share her most intimate desires; let's hope that she's too busy living out her sexual fantasies to tell HUSTLER readers.

Photo by Friend

Christina is a telemarketer who dreams of "joining the mile-high club." Many other fantasies excite the 24-year-old, who also enjoys horseback riding, camping, nature walks and writing poetry. Thoughts of having "sex under a waterfall or while skydiving" also titillate the Fairview Heights, Illinois, sexpot. Why not combine your dreams and parachute naked with your man over Niagara Falls, Christina?

Photo by Husband

A technician from Kalamazoo, Michigan, darling Nicky is one wild ride. The sparkly, 37-year-old brunette lists her hobbies as fishing, camping, boating and four-wheeling. Nicky has two fantasies: "To fuck two men while my husband watches, and to be a 37-year-old mother of two and HUSTLER centerfold." You're plenty hot enough, Nicky, even without that wood-burning stove between your legs.

Photo by Husband

Noelle Marie is a self-employed 30-year-old from Madison, Wisconsin. Camping, checking out live music and having fun are the Dairy State vixen's favorite pursuits. The active, earthy gal is also a hopeless romantic: Noelle Marie dreams of "having great sex till the day I die with the one I love."

Photo by Boyfriend

An adult entertainer from Glen Burnie, Maryland, 19-year-old Sky advocates carnal multitasking. Drawing and dancing fill the angelic, blond tart's downtime, but what truly thrills this heavenly body is her fantasy. "I want to eat pussy while being fucked in the ass." Sky is one angel who blesses while being blessed.

Photo by Friend

Natasha, 28, is a media librarian from Dallas, Texas, who loves painting, traveling, photography, leather, riding Harleys and Renaissance faires. The comely wench Natasha dreams of participating in "a nude, all-girl game of Twister that descends into an oil-slathered female orgy." Let the lesbian festivities commence!

Photo by Husband

Über-hot Heidi is a waitress from Tampa, Florida. The happy-go-lucky brunette has simple loves: biking, writing, watching TV and sex. Titillated by her inner lesbian, 21-year-old Heidi dreams of "being with six beautiful women and my boyfriend, sharing orgasms and combining efforts to pop my boyfriend's load." You are a goddess, Heidi, and don't let your boyfriend forget it.

Photo by Boyfriend

"Screwing in the butt" is the favorite hobby of Brey, a 23-year-old anal enthusiast from Slidell, Louisiana. Listing her occupation as "posing for naked pictures," Brey also admits to partaking in wholesome activities such as "swimming, working out and painting my nails." Brey fantasizes about "licking a girl's pussy and pounding her hole with a dildo." What comes around goes around, right, Brey?

\$200 for full service." Sold.

We meet at a coffee shop and walk to her place. Mexican children run wild through the halls of her apartment complex. "It must be *Cinco de Octubre*," Samantha jokes as we enter her hovel. Two black cats scatter when we enter her crib; Beanie Babies clutter an enormous entertainment center.

Samantha's pale face is pretty, highlighted by a Madonnaesque mole on her upper lip. Her short, fiery-red hair and skintight, black bodysuit have me excited about the unveiling.

I set two \$100 bills on Samantha's kitchen counter, next to three brightly colored beepers. Mascara tubes and wayward socks litter the hallway as we adjourn to her bedroom.

"So, how do we start?" I ask.

"Get comfortable," Samantha replies, hopping off the bed and tugging off my shirt, pants and shorts. There is no attempt at seduction, no soft lighting. A bedside table lamp blares 100 watts of unflattering illumination.

Samantha nonchalantly pulls off her bodysuit and flings it on the floor. Her boobs are small but pert, with rosy, pink nipples. Her tangerine-colored tuft caps a puffy set of strawberry lips.

This chick is a tight package with a big, wide, sexy mouth. I paw at her boobs

while she rambles about her neighbors, her boyfriend, a bail bondsman she once knew and a smoking habit she's trying to break.

Reclining on her back, Samantha pulls me inside her snatch while rattling off the ground rules: no kissing, licking, coming with the condom off and, of course, no anal. "Can we do this from behind?" I wonder aloud.

"No doggy," she replies. "It hurts my uterus." I'm sorry I asked.

There's something about hooker sex that makes me blow my nad nectar quickly. When relieved of the responsibility of pleasing a partner, the penis is set free to come on contact. I pump Samantha's pink pussy lips a dozen times before silently shooting into my sheath. I hope she won't notice my cock's convulsions so that I might swindle at least one more bang for my buck.

A suspicious look crosses Samantha's face as she tugs my balls. "You're done, right?" She suppresses a cough and pushes out from under me like a mechanic from beneath an Olds. "Flush the condom." I send the sperm-catcher to swim with the fishes, then I dress and leave. Outside, the Mexican children blindly bat a piñata shaped like a grouper.

**Total cost:** \$200.

**Elapsed time:** 20 minutes.

# Crush

(continued from page 102)

First Amendment."

"It is clear that we can Constitutionally prohibit cruelty to animals," says Congressman Bobby Scott, a Democrat from Virginia who weighed in against crush movies during debates in the House of Representatives. "However, it is [also] clear that we cannot prohibit communications regarding such acts, including the film communications done for purely commercial gains." Scott compares crush videos to footage shown on television programs such as *Cops*, in which "human beings are intentionally killed or pistol-whipped by criminals." The conduct may be illegal, but televising the conduct for profit is not.

FlatNme believes that people such as Congressman Gallegly have blown a harmless quirk entirely out of proportion.

"The animals and bugs crushed are the same ones used to feed pets. Does it really matter which beast they feed?" FlatNme asks. "Whether it's for a pet to survive or to feed man's odd fetishes—they die all the same. And pet stores and bait shops profit from both sales all the same. Leave us alone. We're not out spreading AIDS or killing people. We are harmless to man and its society. Let us live our lives in the silence we enjoy and turn off the damn spotlight!"

In December 1999, President Clinton signed H.R. 1887 into law, establishing federal criminal penalties for the creation, sale or possession of "a depiction of cruelty to animals." In a concession to free-speech concerns, a clause was added late in the legislative process that makes exceptions for works of "serious" religious, political, artistic or educational merit.

Since Clinton signed Gallegly's bill into law, almost all of the dozens of crush-related Web sites that once existed on the Internet have disappeared. The Official Crush Message Board has vanished. With a few exceptions, crush fetishists have gone underground.

"The people in the crush community are really nice people," says Sparky, who defiantly operates one of the few remaining crush-related Web sites, [www.neuromancer.web1000.com](http://www.neuromancer.web1000.com), which features a time-lapse photo gallery of women pulverizing pasta and trampling crustaceans.

"How do you regulate or legislate a fetish?" Sparky asks. "It's like trying to blow out a flare. It's the potential of arrest, prosecution and punishment for communicating that tends to abberate [sic] the soul. That's where your anti-social behavior comes from. Leave us to mind our own business." 🐛

# Hot Letters

(continued from page 43)

**I popped my dong from Patsy's gash and maneuvered her next to her sisters. Three shiny, identical slits glinted at me. One by one, I dipped my schlong into them.**

Girls theme song blared. *Thank you for being a friend*, wailed some sorry bitch as the three horny foxes suddenly closed in on me. Tammy shoved me onto the couch, her eyes narrowing behind her chestnut tresses. Clothes flew in all directions. In a flash, the droolworthy siblings were stark naked. I became momentarily dizzy as six big, round hooters bobbed toward me.

"Holy shit," I murmured in disbelief. Tammy promptly filled my gaping mouth with her wet clam. The vaginal assailant clutched my skull between her knees and pushed me onto my back. Her slick slot rocked rhythmically against my flickering tongue. Cameron and Patsy hovered over us, stroking their kitties as their knockers wobbled in unison. Tammy moaned with increasing zeal. She vigorously rode my mouth, pumping pussy juice down my throat and smearing her sodden cunt flaps across my face. Then Tammy came; a strangled scream escaped her lungs. Applause buzzed from the television. Patsy giggled; I glanced over and caught her watching the screen. Evidently, she was tickled by Bea Arthur's one-liner. Her distraction irritated me. I was not about to let these sassy tramps treat me like a second-stage attraction. Patsy turned to see my angry, girl-gunk-encrusted face. Her amused expression became one of alarm.

"I serviced your bitch sister," I barked, "but that's about all the giving I'm willing to do. Bend over, Miss Patsy—I'm going to fuck you like a dog."

Patsy did not resist. She sank to her haunches and wagged her tight buns like a bitch in heat. My throbbing rocket plummeted deep into her taut tail. I grabbed her swinging udders and thrust violently. Our feral union agitated the other two. Their eyes bulged; they fingered their own slots nervously.

"Too bad you cunts are related," I panted. "Otherwise, you could lick each other and relieve the burning in your twats."

Torturing them was a pleasure, but one that I couldn't sustain for very long. I wanted all three. My cock still thudding against Patsy's cervix, I began ordering her sisters around.

"On your backs," I demanded. "Side by side."

The sloshy-slotted siblings complied. I popped my dong from Patsy's gash and maneuvered her flat on the floor next to her sisters. Three shiny, identical slits glinted at me. One by one, I dipped my schlong into them. I placed Cameron's interminable legs on my shoulders and slid into her pie. Musical cries floated from her throat and pierced the air as I slammed against her damp crotch. An

antsy Tammy squirmed impatiently.

"You're breaking my heart," I growled sarcastically. "I just ate your pussy. Calm the fuck down."

Tammy ceased her whimpering. I took my time bumping against Cameron's damp pelvis. When I'd had enough of her, I disengaged and moved along, grabbing Patsy's chunky chi-chis. I seized a silky handful of dark hair and lifted Patsy to her knees. My prick reeked of Cameron's coochie. I slid the fragrant rod across Patsy's lips.

"Suck it," I demanded.

Patsy's trap inhaled my sausage. The sensation was so glorious, I no longer heard the horrendous patter emanating from the television. I felt my balls rumble, preparing to shoot scalding spoo down Patsy's gullet. My palm slapped her forehead, forcing her lips off my johnny.

"I can't come until I punish Tammy's impudent ass," I huffed. "No more for you."

By this point, Patsy knew better than to whine. She resumed her position on the floor and commenced masturbating. I scooped Tammy up and turned her over onto her hands and knees. Her pretty, puckered bunghole winked at me tauntingly.

"You get it in the ass," I said, "because you thought you could just sit on my face and be done with it."

Her booty quivered, inviting me to bust it. I gripped the impudent fuck pig's boobs for balance, then shoved my prong up her fudge blinker. She cooed like it didn't hurt in the least. That pissed me off; so I reamed her extra rough. She squeaked plaintively. I humped harder. Her squeaks morphed into yowls.

"It hurts!" Tammy rasped.

"That's right," I boomed. Satisfied, I wrenched my prong from Tammy's poop-er and tossed her onto the carpet next to her sisters. My twitching crotch monster sprayed my furious wad like a machine gun, firing mad splooge onto each of their perfectly proportioned faces. The trollops gobbled up my gunk with relish.

The wizened comedic quartet hugged on TV while Tammy, Cameron and Patsy dressed and smoothed their rumpled coifs. I relaxed on the couch, cradling my contented cock and congratulating myself on a job well done. Those sisters think they're really something, but my no-bullshit fuck style taught them a thing or two. Next time, we'll watch *A-Team* reruns while I drill their cock-starved gashes. —L. F.

**A Taste of  
Honey**

PHOTOGRAPHY BY TORRES-FOTOGRAFI

Bev loves the flavor of her own pussy. "I have the most delicious twat around," she brags, "and I've tasted more than my share." Bev dabs her moist muff, sampling a drop of snatch broth. "Mmmm...delish," she coos, "but it could be better; my stew is more savory when I mix it up." Bev's fingers stir her fleshpot.

"It's ready now," Bev says. "Warm and moist." Bev slides a lollipop between her labes, coating the candy with girl gunk. She puts the treat to her lips, delighting in its sugary musk. "Perfect...salty and sweet," she says. "Wanna taste?"

All of these tapes were created by independent filmmakers whose productions were banned by the censors for being too strange, too disturbing, too nasty, and too hot. Don't let the plain white box covers fool you. Inside is the wildest stuff you've ever laid eyes on!

1. HIDDEN TOILET CAMERAS Real women caught in their most intimate acts, and they're completely without a clue that anyone is spying on them. All the thrills of peeping and none of the risks. Private pussies dripping with pee are only some of the treasures you'll find here.
2. GAPING GRANDMAS These mature, experienced vixens have an insatiable hunger for the hard throbbing meat of horny young studs. Taking inches and inches of lust inside every one of their horny holes, these old ladies don't stop fucking and sucking 'til every dick is dry.
3. AMATEUR ANAL GAPERS They ain't in it for the money, but these butt-sex babes can open up the brown eye and say "Ah," with the best of the jizz biz's ass fuckers. The difference is these girls are doing the dirty deed for the sheer love of it, not for fame.
4. ANIMAL INSTINCTS Nothing and no one is safe when these farmgirls come into heat. They suck and fuck everything in sight, then they come back and do it all over again. Their lust has no bounds, and their natural beauty will bone you up!
5. BEAUTIFUL WOMEN WITH DICKS Banned in 11 states, this video is finally available for those special collectors who crave something beyond the norm. They have fashion model faces, centerfold tits, and legs like strippers - plus six inches of pulsing male desire!
6. UNUSUAL SEX PARTNERS The pinnacle of the perverse in this twisted flick is the siamese twins getting it on. Two sisters who look exactly alike and are connected at the hip perform the prurient acts hard dicks crave. You've never seen anything quite like it!
7. OBESE BEAUTIES Fat girl lovers will dig the action in this all-girl, orgy-action delight that features huge honeys with even bigger libidos. Sagging flesh rolls of fat, enormous hanging jugs, and incredibly big asses make this a fatty wet dream come true.
8. BEARDED BUSHES Tired of that late '90s porn star shaved puss look? Do you yearn to run your fingers and tongue through a luxurious thatch of snatch carpet? Aching for the feel of her short hairs tickling your shaft? Congratulations, you've just found what you needed!
9. HERMAPHRODITES Does the thought of watching someone suck cock and eat pussy on the same person sound appealing? Worshiped in ancient times as totally complete beings, these freaks of nature turn on men and women alike, straight or gay.
10. WORLD'S BIGGEST DICKS Check out 15-1/2" of stiff meat probing the tiny mouths and petite pussies of tender young things. Starring John Holmes, Hay Victory, Sean Michaels, Peter North, and a boatload of big-bone boppers. More than 45 cock inches in all!
11. BREAST ABNORMALITIES A cute, young blond coed who gets fucked while eating pussy is a wonderful thing to see, but when that teenage beauty also has six tits, it becomes a marvel one must witness over and over again. See it to believe it.

## KINK'S ULTIMATE COLLECTION

Don't bother combing the video stores, looking for these titles. These tapes are not available in retail outlets. You can only get them here. The plain white box covers are testimony to the extreme nature of these banned movies. The images they contain are too nasty to print.

12. UNDERGROUND SEX RAVES The booze and the love drugs are flowing. The music hypnotizes the crowd and soon clothes and inhibitions are shed. Wild orgies of ecstatic sensations ensue and you are there, thanks to the filmmaker's hidden camera!
13. IMPORTED UNDERGROUND SEX SCENES Check out Europe's nastiest, foulest amateur babes fucking and sucking for the total sexy thrill of it. Sex amateur style is great. European sex is hot. Combine the two and you'll soon explode with creamy, cascading lust!
14. XXX HIDDEN CAMERA VIDEOS If snooping on luscious single girls as they bathe, pee, change clothes, and perform all those intimate feminine rituals excites you, your cock may not go down for a week after you've seen this little gem.
15. RECORD BREAKING PENETRATIONS Toes, feet, elbows, the kitchen sink, you name it and these horny ladies will stick it deep inside their lusty cunts. How they can fit so much so far in will boggle your brain and your dick. Check this out!
16. ANIMAL INSTINCTS It must be all that fresh air and wholesome food out there in the country. This tape sports a flock of farmer's daughters who act like they've never had a chance to get off before. They don't let any erotic experience escape them. Neither should you.
17. FREAKY FETISHES Regulation fucking and sucking ain't on the menu here. If it's strange, unusual, kinky, bizarre, perverted, and disgusting: chances are you can catch it here. This has all those things you love but won't dare admit to.
18. TOILET TRICKS Previously banned in 33 states, check out the all-wet action that happens behind the stall door. Couples, singles, fucking, peeing, masturbation, and more can be found on this one incredible video.
19. PRIVATE PERVERSIONS Straight dudes explore exotic and erotic techniques to make their cocks harder and their orgasms more powerful. Learn all that these studs have learned and have sex that's just as pleasurable and erotically powerful as the pros.
20. MIDGET MADNESS Score one for the little guy. Small men with big cocks delight, arouse and satisfy normal sized women in this mismatched love contest that shows what these mighty midgets are made of! An incredible display of testosterone power!
21. BAD LITTLE GIRLS They've wanted it for so long and now that they've finally turned 18, watch them get the fucking they've been hungering for. Cute, young and eager to learn, these beavers will do anything to have a chance to cum.
22. NAUGHTY NINETEEN YEAR OLDS One cock just ain't enough for these nymphs. Scene after scorching scene of teenage harlots taking on two stiff studs. Simultaneous mouth-fucking and pussy-pounding action await the savvy consumer who buys this one.

# OVER 16 MILLION SATISFIED MEN USE OUR PROFESSIONAL PENIS ENLARGEMENT Systems

**YOU TOO CAN GO FROM MINISCULE to MAMMOTH & HAVE ERECT MEASUREMENTS UP TO 12 HUGE INCHES!**

## SIZE DOES MATTER!

**EVERY DAY SINCE 1965 MEN IN 68 COUNTRIES ARE USING THE SUPRA-12 SYSTEMS!**

**WORKS ON NATURAL PRINCIPLES... NO GUESSWORK... NO MUMBO-JUMBO!**

The male erection is produced when blood flows into the special *bulbocavernosus* muscles inside the penis shaft. As these muscles fill, the penis increases in diameter and thickness. By increasing their capacity as the SUPRA-12 does, they can hold more blood, resulting in A DRAMATICALLY LONGER, THICKER ERECTION. Users of SUPRA-12 say they're "truly astounded" when they see their penises reach startling new proportions inside the chamber of the SUPRA-12. And you will be, too!

**THE SUPRA VALVE & SENTRY PROLONG RING ARE FEATURES NO OTHER MANUFACTURER OFFERS!**

Getting a huge, fat erection is one thing... keeping it is another!! That's where the features of the SUPRA put it miles ahead of its competitors! The patented SUPRA Valve "locks in" the vacuum power for the biggest size possible in the shortest amount of time. Don't be fooled by claims of "more vacuum." Too much can cause medical problems. Every SUPRA-12 pump passes stringent quality control and is tested according to medical standards - no more - no less. And with the SENTRY Prolong Ring, you can stay as hard as you want, for as long as you want. **IMPORTANT!** All professional medical vacuum pumps (including \$500 models) include prolong or tension rings. Our Sentry fits any size penis, and there is no hassle in removal or pulling of the pubic hair as in others. The nearly invisible SENTRY rests comfortably at the base of your penis, maintaining your dynamic "super erection" indefinitely, but never interfering with your pleasure - EVER! You can penetrate your sex partner deeply, enjoying intercourse more than ever before, because the Sentry **GIVES YOU COMPLETE CONTROL!**

**SAFE & EFFECTIVE... AN INCREDIBLE VALUE... 5 MODELS TO CHOOSE FROM!**

According to U.S. News and World Report, our Vacuum Pumps and Erection Rings are "simple, safe and effective" (8/24/92). The SUPRA-12 is the World's Best Selling line of Penis Enlargement and Erection Building systems, and at a price that is an international "Best Deal!" Similar systems, when prescribed by physicians, can cost between \$300 to \$650 or more! That's why the SUPRA-12, with the patented SUPRA Valve

## next month in **HUSTLER**

### **SUMMERTIME COOZE**

Landlocked? 400 miles from the nearest beach? No worries; in June, HUSTLER delivers tanned jugs and sweaty snatch like a refreshing gust of tropical air. A sultry blonde beats the heat the only way she knows: stripping and spreading. A pair of lezzies hit the beach and dive for pearls, swimming in the salty brine of each other's gushing poons. Sand penetrates every orifice when a lucky stiff bones his favorite beach bunny. The hot-blooded Honeys of the June 2000 HUSTLER cause global pants-warming.

### **FUCK JULIA ROBERTS**

Scoring bargain-basement blowjobs in back alleys can be cheap and satisfying, like drive-thru chili burgers, but where does a john go when he craves the filet mignon of prostitute clam? In part two of their guide to whoremongering, HUSTLER correspondents William McWeary and G. Henry Biggs lead the aspiring trick up the world's oldest ladder to the boudoir of the high-priced whore. Learn where to look, how much to spend, and what to expect when it's time to pay big for pussy. Graduate from street-corner snatch to hotel-bar trim when HUSTLER continues its tramp tutorial.

### **GOREMONGERS**

In the 1994 blockbuster movie *Pulp Fiction*, Harvey Keitel plays a master of murder-victim disposal who gleefully cleans blood- and brain-spattered car interiors. In the real world, who cleans up the weeping stains of the recently departed? When the corpse of a lonely old man rots for weeks, putrid, viscous fluids seep into everything, including concrete. Gray matter propelled by the blast of a shotgun can permeate even the most impenetrable surfaces. Under the shadow of AIDS, stray blood is a hazardous material, feared by many. Professional crime-scene services, experts in the sanitary removal and disposal of gore, are sprouting up across the nation. Suit up and wade through the maggots as Jesse Oppenheimer mops up the mess in *Hell's Janitors*.

### **FEEL THE HEAT**

Whatever the local climate, HUSTLER's tropical twat generates record highs in boxer shorts. Las Vegas sizzles when porn stars invade the Consumer Electronics Show; *Erotic Entertainment*'s Dan Panorama dives into the bacchanalian fray and scopes out celebrity skin. Down-home vixens ignite fever-pitch wienie roasts in *Beaver Hunt*. Bronzed breasts and pink pudenda swelter in the noonday sun. Enjoy a hard-core heatstroke with the June 2000 HUSTLER.
