KAMI

EXTRAORDINARY

PHOTOGRAPHY BY
CR INC.

I used to think of myself as ordinary. When I was younger, I couldn't find anything that interested me. But I surprised myself. I got interested in science, took classes in genetics and economics. I started singing in a rock band. Then I started modeling and blossomed in ways I never could have imagined. Now I have a career and interests that take me to the far ends of the Earth. Pretty cool. I don't really have sexual fantasies, because I make all of them come true. My motto is, be your own master. Life is more fun that way."

SIERRA DAY

GIFTED

PHOTOGRAPHY COURTESY
LARRY FLYNT PRODUCTIONS

I take exception to the word *blow-job*. It's not a chore or labor to me. And I'm not trying to blow out a candle; I suck, lick and fuck with my mouth.

"Oral sex is an act of incredible intimacy, and I'm highly gifted at it. If you don't like doing it, you're not going to be good at it. I love knowing I have complete power over a man, even though I'm the one down on my knees. It turns me on hearing him moan and feeling his hands clench my hair. There's nothing better than looking into a lover's eyes and seeing intense pleasure. What can I say? I live to suck cock."

UMA JOLIE & ASPEN RAE

SEDUCTION

PHOTOGRAPHY BY
TAMMY SANDS

It's annoying when people ask if I'm bi, straight or lesbian. Labels don't mean a damn thing. If I'm having fun, that's all that matters. I tend to go for women who tell me exactly what they are thinking. No games. I like sophisticated girls. Not necessarily bookworms—just women who can challenge me in a conversation. If she can do that, then I'm going to want to see what's going on under her clothes. I'll try harder to impress her and make her feel good."

—Uma Jolie

Honestly, I think even straight girls enjoy lezzie action. Most people will agree that there's nothing hotter than two girls kissing. I love the kind of kissing where you forget everything around you and you're wholly focused on the incredible feelings rushing through your body. From there, I like to keep it simple. I really enjoy fingering a girl and getting fingered. As long as her nails aren't too long ;) " —Aspen Rae

A photograph of a woman with long, wavy brown hair lying on her side on a light-colored, plush sofa. She is looking down with a slight smile, her mouth slightly open. Her right arm is extended upwards, and her left arm is bent with her hand resting on her thigh. She is wearing a white lace-trimmed strapless top. The background is softly blurred, showing a brown leather ottoman and a wicker basket.

BLAKE
BARTELLI

SUNSHINE
PHOTOGRAPHY BY
DIGITALDESIRE.COM

I adore the feeling of the sun warming my skin. It's so sensuous. I'd walk around naked all the time if only I could. But there are too many stupid, uptight rules. Recently a friend dared me to have sex on a first date. She had been fucking on first dates and encouraged me to try it. I did, and she was right—it was so much fun. I didn't worry about if I would see him again or if he'd think I was a slut. I just totally let myself go. We actually ripped each other's clothes. Great sex, to me, involves spontaneity...and never feeling bad about what gets you off."

Let's get wild!

Blake

TRUE LOVE

PHOTOGRAPHY BY
LARRY FLYNT PRODUCTIONS

When you see me walking down the street, I look so girl-next-door. You're not going to think, *That girl does porn*. I'm definitely on the smaller side. I'm only five feet tall and 93 pounds, so it's not like I'm some big-titted ho, you know? I can be that girl you take home to Mom.

A close-up photograph of a woman with long, dark, wavy hair lying down. She is smiling and looking towards the camera. Her right shoulder and upper arm are visible, with a thick, white, creamy substance smeared across them. A hand with light-colored nail polish is resting on her upper arm. She is wearing a gold chain necklace. The background consists of a light-colored, textured fabric and a white, ruffled object in the upper left corner.

I look innocent. But when you take me into the bedroom, I'm not at all. I'm 100% Italian, so I'm passionate. I like rough sex, I know what I'm doing, and I'm very true to who I am. If I'm having sex, I'm going to be enjoying it. Every moan is going to be a real moan. Every orgasm is going to be a real orgasm. There's nothing worse than fake sex."

DELILAH BLUE

IN DEEP

PHOTOGRAPHY BY
HOLLY RANDALL PRODUCTIONS

I have so many different fantasies, I don't even know where to start! I usually fantasize about being tied up and completely powerless, fucked hard and treated like a slut. With my consent of course, ha ha. I'm kind of a freak :) For me, a good sex partner is very dominant, commanding, and does exactly what he wants. Dark hair, a nice body and tattoos always turn me on.

"I say what I want and what I feel in the moment. It's been proven scientifically that talking dirty is good for you. When you say 'Fuck,' you tap into the primitive part of your brain and get relief. You transcend! I'm living proof that getting more fuck into your life helps with just about everything."

A few things you should know about me: 1) Dwayne 'The Rock' Johnson is a small obsession of mine. My kid brother and I used to watch WWE religiously. The Rock taught me how to trash-talk and tongue-flick simultaneously and be sexy doing it. 2) I want to write a short commentary about the life of my vagina, from the perspective of my vagina. 3) I get excited about life when I wake up to my alarm in the morning! 4) Once I had sex in a sex museum. It wasn't someplace lame like the bathroom or a stairwell either; it was in a hall of mirrors. I had an orgasm, the best orgasm of my whole life. No joke, my vision turned pink while I was climaxing. 5) And I love to make my partner happy with attentive BJs. If a guy's whole body is shaking while I'm going down on him, it makes me happy!"

A blonde woman with long, wavy hair is posing in a window. She is seen from the back, turned slightly to her left, smiling. She is topless, with her hands on her hips, and wearing low-rise, light blue denim jeans. A small tattoo is visible on her left upper arm. The background consists of light-colored curtains and a bright window.

SIMPLY SEX

PHOTOGRAPHY BY
LARRY FLYNT PRODUCTIONS

I used to be very modest. I didn't even like to wear a bikini. I was too scared and shy to put myself out there. But I'm an all or nothing kind of person. I didn't get into porn because I had nothing else to do. I came into it planning to completely dominate the industry. To be naked in front of all those people was intense for me. Porn was definitely a way to explore my sexuality, and I took some of that into my personal life."

Porn has made me grateful for normal sex. Don't get me wrong—I love the slapping, the spitting, the anal stuff. That's all super fun! I used to think missionary position was boring, but now I appreciate *all* fucking, especially 'normal,' married-people sex. It feels awesome to really connect with another person."

CANDICE LUCA

LUST FOR LIFE

PHOTOGRAPHY BY
CR INC.

I'm not good at commitment. I've had a few boyfriends, and I've probably had seven jobs or maybe more. I move around a lot. I've been in five houses the last four years. Last summer I met a guy and fell in love. I thought I had found someone to settle down with, but he broke my heart messing around with another girl. So I just got on a plane and flew off with two suitcases.

"I'm starting a new life. New interests. New guys. My ex said it was selfish of me to leave everything behind like I did. I told him to fuck off! These days I'm living by my own rules. And it feels amazing."

Dirty girls come clean in scene after steamy scene. Gorgeous babes demonstrate water conservation at its best by showering together. Breasts slide over slippery breasts, and tight pussies get wetter than water. Witness soapy, sudsy, sensational sex that will leave you breathless.

She is sitting on a blue upholstered seat, leaning back with her right hand on her hip and her left hand behind her head. She is wearing black lace lingerie, including a thong and garter straps. The bus interior features rows of blue seats and large windows on the right side, through which bright sunlight is streaming, creating a warm, golden-hour atmosphere. The floor of the bus is dark and textured. In the bottom right corner, a magazine with the word 'HUSTLER' is partially visible.

PHOTOGRAPHY
BY MATTI KLATT

A close-up photograph of a woman with voluminous, curly brown hair and large, dark eyes. She is looking directly at the camera with a slight smile. She is positioned behind a car window, with her bare chest and one breast visible. The car's metal frame and window seal are visible around her. The background is a bright, slightly blurred outdoor setting.

Gia is blessed with delectable, saucer-sized nipples and a booty to kill for. The broken-down '76 Chevy Nova **Gia** depends on is more of a curse. "I may be a HUSTLER model, but I have to get to work on time just like everybody else," **Gia** says while waiting for the 8:15 to Canoga Park.

"I don't do hitchhiking," **Gia** insists, "so don't bother offering me a ride. I'm not stuck up or anything. I love screwing strangers, but today I'm saving my pussy for HUSTLER. Somebody has to pay for my car repairs."

MIELA & EILEEN

SOFT TOUCH

PHOTOGRAPHY BY
CR INC.

I'm a girl who likes girls. Sure, guys are cool too, but there's no bigger turn-on than watching a woman come. Some moan quietly. Some grab your hair and scream. Once I got a fat lip when this girl rammed her pubic bone against my face. To me, **Miela** is perfect. She has freckles like me, but her curves are softer, more gentle than mine. When she has an orgasm, she gets this big smile on her face and her whole body starts trembling. It's supercute!"

—Eileen

I used to think it was dumb when guys stressed out about pleasing me in bed. But when I started to fuck girls, I realized women can be tricky. Am I turning her on, or is she just pretending? What makes her feel good? Now I approach making love to women like dancing. Does she want me to lead, or does she want to be in control? If you really want to connect physically and have her experience the same roller coaster, you need to take your time and listen to her body. How you move is up to you. Just don't be a shitty dancer."

HAPPINESS IS...

PHOTOGRAPHY BY
LARRY FLYNT PRODUCTIONS

I'm the type of girl who gets along with everybody. Very happy-go-lucky. When I was young, I explored my sexuality quite a bit, but when I entered porn, I learned how sexually capable I really am. I have a gift for living in the moment, and that makes me good at fucking. I get out of my head and just let my body enjoy."

I like doggy because you can do so many things. You can be on your stomach; you can be on all fours; you can go off on anything, like counters. It's fun! Being picked for the cover of HUSTLER's 40th Anniversary issue was such a life-changing, liberating experience. I love Larry and Liz! I was so honored, and it still hits me to this day—"Is this girl really me? OMG, it is!"

UNDERCOVER

PHOTOGRAPHY BY
DIGITALDESIRE.COM

I was the nerdy girl in high school, the one at home doing her homework when everyone else was out having sex. People I grew up with would probably think I'd be weirded out by porn, but those who have watched my scenes know differently. I'm an undercover freak!"

My boyfriend and I pick up girls and bring them home. We're not old enough to go to bars, so we go to 18-and-up clubs. I do the picking. It takes a long time because I'm very choosy. He usually watches from a distance. I'll go in for the kill and then motion him over. We both like a full-figured woman—obviously :) We aren't the only ones. Guys always stare at my tits. It used to bother me, but I don't even notice anymore. A word of advice: Do not send me a dick pic. If you do, I will block you. If I'm right there with you, if I want to suck it, yeah, I want to see your dick, but I don't want a picture. Some things are better in person."

I have an insatiable appetite for experiencing it all, good and bad. That's why I tried porn. I wanted to see what it was like. It made me realize I'm not fucking crazy. It's natural to like sex! Right now I'm saving up to travel to Europe and take surfing lessons. But someday I really want to buy both of my parents houses."

I truly love fucking, especially giving blowjobs. It's easy to pound out a rough quickie, but a partner who excites my soul will steal my heart. It's very easy for me to orgasm. Sometimes I'll be having sex, and I'll ask the guy, 'Are you going to come?' He'll say, 'You came already?' 'Yeah, like five times dude!' When a guy sprays, I like it in my mouth. The pop-shot is the cherry on top. I want that stuff, I worked for it!"

Pop culture trends I try to avoid:

- 1) Instagramming my food.
- 2) Dressing like a 1920s' drifter.
- 3) Reading memoirs written by people younger than 40.
- 4) Having a podcast/Periscope.
- 5) Any TV show reboot.
- 6) 'I Woke Up Like This' shirts.
- 7) Spending all my money pretending to look rich."

JADE NILE

A DARKER SHADE

HUSTLER VIDEO. **DIRECTOR:** STUART CANTERBURY. **STARRING:** SARAH VANDELLA, NATASHA STARR, JADE NILE, SEAN MICHAELS, RYAN DRILLER & TEE REEL.

A girl who goes black gets stuffed in her crack in *A Darker Shade*, an apparent tribute to mommy-porn sensation *Fifty Shades of Grey*. In our version, the naive young waif is blond sexpot Sarah Vandella, who plays an artist falling under the stern-joined sway of seasoned ebony woodsman Sean Michaels. The video opens up with suave cockslinger Michaels approaching Vandella in her studio and drawing her to the submissive side with a few smooth words and some gentle groping. Eventually Vandella chokes his huge throbbler down her throat. After some firm guidance, Master Michaels beats Vandella's rump crimson with a riding crop as she's force-fed a faceful of honeypot, which she slurps like a hamster at a water nozzle. Her tormentor returns the favor, lapping at Vandella's crap-hatch while fingering the submissive to ecstasy. Moving on, an extremely erotic scene featuring hot candle wax, cold ice cubes and fervent ball-gargling unfolds. Work out your own kinks by ordering *A Darker Shade* at 800-763-8271 ext. 7675 or visit HustlerStore.com. —Pico D. Ribibi

CALI HAYES

BARELY LEGAL #145

HUSTLER VIDEO. DIRECTOR: OTTO BAUER. STARRING: KELLY DIAMOND, ADRIANA MALAO, KACY LANE, HARLEY DEAN, CALI HAYES, RICHIE CALHOUN, JOHN STRONG, TYLER NIXON, EVAN STONE & JAMIE STONE.

At 145 installments, *Barely Legal* still doesn't look a day over 18, but like that brash teen fuckdoll smoking and cursing at the food court in the mall, there's still room for refinement. The video's first scene, featuring blue-eyed brunette Kelly Diamond, will have viewers' trouser-hounds sniffing and barking to be set free. With her slight frame, modest tits, shorn crotch-muffin and thorough enthusiasm for cock, Diamond is a shining erotic ingénue. She massages her lover's nuts with her wandering tongue before bending over for a doggy-style drilling, yelping with lust as he spelunks her pretty kitty. Her squeals of delight grow so loud and frequent that the viewer begins to wish one of her nipples was a volume knob—but of course that's what your mute button is for. At-home jerkoffs will be rewarded with the blissful sound of one hand fapping as her whippet-thin body is put through its paces. The second scene, featuring dusky enchantress Adriana Malao, starts off promisingly, as she's manhandled by muscle-bound guido John Strong. Malao chokes down his chubby like a starving orphan at the bakery counter. Unfortunately, as she leans forward for her dick-drubbing, her pussy drools like a St. Bernard's mouth, a nauseating, thick white string of crotch-snot swinging from her clam-cove with every thrust. Luckily, tiny-breasted spinner Kacy Lane swoops in to save the day in the next scene. Despite minor infractions, *Barely Legal #145* still obeys the laws of carnal satisfaction. WET ASSES VOL. 5

JULES JORDAN VIDEO. DIRECTOR: WILLIAM H. STARRING: ISABELLA DE SANTOS, ABELLA DANGER, AMIRAH ADARA, KELSI MONROE, MICK BLUE, JAMES DEEN, MANUEL FERRARA & RAMON NOMAR.

Prefer your buns buttered up and drilled to perfection? *Wet Asses Vol. 5* will hit the spot. This isn't a high-concept offering by a long shot—the biggest production cost was probably the oil that they copiously slathered over the actresses' nates—but the viewer's prick will twitch like a divining rod in a waterfall anyway. The video wisely kicks off with its most boner-inducing vixen, Latina sexpot Isabella De Santos, whose proudly jutting glutes quiver with delight as they're basted with oil. A mohawked goon pierces her glistening gash and humps her doggy-style as she babbles in Spanglish. She feverishly bounces her ass against his loins, each contact landing with a lovely *thwap*. De Santos is eventually so greasy that she threatens to slide off the leather couch as her gleaming rump is vigorously drubbed until she's literally fucked cross-eyed. The rest of the females are mostly mid-grade, but there are a few additional thrills to be had—tattooed tart Kelsi Monroe for one, who reaches a screeching assgasm, filling her pussy with four fingers as her shitpit is packed with schlong. The less said about Abella Danger, whose lips look like they lost a bet with Botox, the better. Still, despite its flaws, *Wet Asses Vol. 5* produces an oil spill that even Greenpeace would approve of. —P.D.R.

THE DIVINE DANICA DILLON

HUSTLER VIDEO: BARELY LEGAL #109, THIS AIN'T AVATAR XXX & BARELY LEGAL ALL GIRL TOY PARTY.

As an outspoken champion of family values and the Christian faith, I know a lot more about pornography than most people would suspect, so it takes a lot to impress me. But my prolific loins—four kids and counting!—were greatly satisfied when I recently came upon a heavenly XXX angel in the form of Danica Dillon. Lord, did I come upon her—multiple times and with great fervor. I first encountered Danica in *Barely Legal All Girl Toy Party*, a video celebration of women pleasuring themselves and each other with various devices. I immediately set aside the Ashley Madison profile that I had been updating, along with the admonishment against lesbianism contained in Romans 1:26-27. Watching this brunet vixen on all fours, rubbing her dung hatch while another woman drilled her sacred chamber with a plastic phallus, I must confess, I allowed my hands to engage in an activity more immediately gratifying than prayer. Intrigued by this new addition to my life, I sought out *Barely Legal #109*. Now, as many of you may know, the phrase *barely legal* suggests a variety of

woman more ripe than I have been accustomed to in the past. But ageism be damned, along with my hypocritical soul. Watching Dani—yes, we're familiar enough for nicknames—finger her inner sanctum while slobbering upon the holy sacrament of her partner's blood-swollen pound of flesh, I groped at my belt buckle like it was a slumbering sister on a hot Arkansas night. Quickly becoming addicted to this enchantress, I acquired a copy of *This Ain't Avatar XXX*. As you'll recall, the film that inspired this title was met with opposition by fundamentalist Christians such as myself. However, I was drawn in by the visually stunning production values of this offering, as well as the visually stunning presence of Dani. Despite my theological quibbles with the video, I worked up a sturdy hard-on by channeling my violent urges, envisioning myself manhandling Dani like a rag doll, much like the humans planned to exploit the Na'vi in the original James Cameron film. My resulting orgasm definitely depleted the natural resources residing in my testicles. Danica Dillon is most certainly a savior worth giving your life over to—or at least sacrificing your family for, along with a career in reality TV. Now, if you'll excuse me, I have another religious-based "counseling" session to attend. Redemption, here I come!

AXEL BRAUN'S FARMER GIRLS

WICKED PICTURES. DIRECTOR: AXEL BRAUN.
STARRING: RILEY STEELE, KATRINA JADE,
VALENTINA NAPPI, MILEY MAY, A.J. APPLE-
GATE, SCARLET RED, WILL POWERS, JAY CREW,
ERIC JOHN, ALEC KNIGHT & EVAN STONE.

As far as sexual tropes go, farm girls haven't been terribly refreshing since *The Beverly Hillbillies* premiered in 1962—Elly May Clampett stepped onto the small screen with her bra-busting rack and skintight jeans, and gusts of bubbly crude exploded in viewers' laps. But then porn has never met a cliché it didn't want to hump into the ground, so here we are with *Axel Braun's Farmer Girls*, an erotic paean to salt-of-the-earth-type women. At least as they can be envisioned in 2015, when even a girl from the smallest of towns seems to be born with a tramp stamp and a nipple piercing. The video starts off with a scene featuring Riley Steele and Katrina Jade. Between Steele's bolt-on tits and Jade's spiderweb face tattoo, the pastoral sapphic commingling challenges veracity. But if you're looking for realism on the rural sex front, try jacking off to the thought of Mama June from *Here Comes Honey Boo Boo*. As it is, this scene—which smartly parodies Carl's Jr.'s "controversial" ads—will work up an appetite. Valentina Nappi's Italian accent further strains the credulity of this endeavor, but at least her luscious melons and thick-thatched slit will also strain viewers' pants. *Axel Braun's Farmer Girls* will keep you down on the farm long enough to unzip and unload, but as with GMO-enhanced crops, you're wise to wonder if you're getting the real deal.

JULES JORDAN VIDEO. DIRECTOR: WILLIAM H. STARRING: MEGAN RAIN, ADRIANA CHECHIK, CINDY STARFALL, KAYLANI LEI, DANI DANIELS, CHERIE DEVILLE, ABELLA DANGER, ANIKKA ALBRITE, MICK BLUE, JAMES DEEN, MANUEL FERRARA & PRINCE YAHSHUA.

As drought conditions continue to plague California, *The Cum Exchange Vol. 2*'s devotion to recycling precious fluids and developing alternate hydration methods is admirable. The video's premise is simple: Each scene delivers a pair of XXX vixens taking a thorough dong-drubbing, after which they regurgitate their partner's jizz into each other's yaps like mama birds feeding their young. Three cheers for making every drop count—and it doesn't hurt that the sex is hot enough to make the viewer stir up his own batch of groin-gruel. Beauties Megan Rain and Adriana Chechik grease each other's trenches with their tongues before some clown shows up to slobber all over their assholes. Asian sexpots Cindy Starfall and Kaylani Lei team up for a spit-soaked prick-thrashing from celebrity spunksmen James Deen. Starfall double-stuffs her word-hole with Deen's crotch-hammer and Lei's foot in what might be the first documented example of a woman's mouth being just big enough. But all is not sperm-swapping bliss in this offering: There's far too much pre-scene tease, and the producers probably should have left Abella Danger at the circus sideshow. But on balance, *The Cum Exchange Vol. 2* offers a fair trade for a jackoff's hard-spent dollar.

ADRIANA SEPHORA, VYXEN STEEL,
ALEX TANNER, KACY LANE & JESSICA RYAN.

If you're of the mind-set that the family that lays together stays together, rejoice: *My Step Mom Likes Girls* vigorously fucks the knothole in the family tree, graphically exploring the carnal pleasures of living in a blended clan via a series of stepmother/stepdaughter fuck sessions. The quasi-incestuous festivities kick off with a tight-bodied blond stepmother treating her stacked stepdaughter to a trip to the spa, where the mani/pedis are skipped over for deep dildo cleanses. As with most of the couplings here, there doesn't seem to be a generation separating the girls. Guess we'll just have to assume that Daddy went for a trophy bride on his second ride on the marriage-go-round. Tattooed brunette Brandy Aniston thoroughly works over nubile plaything Misha Cross, roughly jamming her fingers into Cross's slit with alpha-bitch fervor. Cross gives as good as she gets, frigging her stepmom's twat like she's rubbing a genie's lamp. Red-headed brat Alex Tanner gets slut-shamed by stepmom Vyxen Steel before turning the tables and manically double-stuffing Steel with a pair of plastic cocks. By scene's end they kiss and make up, sucking on a pussy-slick dildo like they're taking hits off a peace pipe. *My Step Mom Likes Girls* is a relative joy. BIG WET BREASTS 2

JULES JORDAN VIDEO. **DIRECTOR:** WILLIAM H. **STARRING:** AUGUST AMES, CASSIDY BANKS, ASHLEY ADAMS, KATRINA JADE, JAMES DEEN, ERIK EVERHARD, MANUEL FERRARA & CHRIS STROKES.

Tits. Mammary glands. Sweater puppies.

They kept you alive as a kid, when you were sucking on Mom's nips, and chances are you still can't live without them. *Big Wet Breasts 2* delivers the dairy domes in spades, covered with enough oil to ensure that we'll be at war in the Middle East for a long, long time. The video kicks off with August Ames, whose proud milk mounds jut skyward as if they were a testament to God that, yes, He did the right thing in creating them. Ames oils up her tits and slips her partner's lucky prick between them. She then squeals her way through a good, deep fucking while her knockers slap together like clappers in a church bell just before noon on Sunday. Ashley Adams isn't the most attractive woman to ever walk the Earth, but her slicked-up, pendulous globes do a solid job of diverting attention from her face, and she earns extra credit for burying her beak in her man's shitpit and giving him a spirited rimjob. Stacked, exotic sexpot Katrina Jade is enticing, even though the spiderweb tattoo on her temple will leave you wondering which correctional facility she might have done time in before she wandered onto the set. But that's a fairly minor quibble—and perhaps a bonus, depending on one's taste. Bottom line: If you like your knockers big, natural and ready to boob-fuck, *Big Wet Breasts 2* is the tits.

For the vast unwashed masses, sexual experiences on public transportation involve watching a veiny-titted crack whore suck a homeless dude's dick on the back seat of a Metro bus in exchange for a couple of tokens and a swig of Thunderbird. *Ass Transit* offers a less sleazy but still arousing variation on the theme. The video kicks off with a scraggly guy getting on a bus and whipping his limp weenie in back while filming his masturbatory efforts with a cell phone. (Hey, don't judge—we've all been there.) He eventually attracts the attention of a comely brunette, who tugs on his meat while the other commuters promptly move to the front of the bus—sex segregation. Unless there's been a recent rash of public-transportation rutting that's somehow eluded the news media, these couplings are no doubt staged, but it's a convincing illusion. And while it will give hope to any guy who's fantasized about boning the hot chick across the aisle from him, it will also give pause to the poor schlub who's wary of boarding the bus for his morning commute and plopping down in a puddle of some other dude's nut-scuizz. Even so, the sex is boner-inducing, the execution is solid, and the concept boasts an everyman appeal. *Ass Transit* will have viewers pulling at the cords between their legs as they get off.

HUSTLER VIDEO. STARRING: KIMBERLY GATES, CARMELLA SANTIAGO, KACI STARR, RENAE CRUZ, HARUKA, T.J. CUMMINGS, AARON WILCOX, ALEX GONZ, SERGIO, JOHN STRONG & VALENTINO.

Grab your pith helmet and polish your meat machete; *Bush Supporter* will take you on an expedition through Crotch Jungle, where the women are as untamed as the thick thatches between their thighs. The journey begins with petite, bushy brunette Kimberly Gates, whose martial-arts lesson goes awry when she kicks her instructor in the groin. She administers first aid, her lips affixing to his swollen mast with a kung fu grip. An athletic bout of screw-jitsu ensues, with Gates' fur-topped gash gripping her sensei's flesh wand in a squishy chokehold. It's a refreshing change of pace in an era when most porn princesses shear their slits to a barren wasteland. Dusky jizz-catcher Carmella Santiago likewise sports an impressive thicket of wool around her girl-gulch as she rides her partner's prick until her fleece gleams with sweat and pussy juice. Fresh-faced waif Kaci Starr, who barely looks old enough to have grown the thick bramble between her legs, barters for some auto bodywork with a slobbery blowjob and a slippery ride in her unkempt love tunnel. Renae Cruz, an exotic, curly-tressed fuckdoli, takes a double-stuffing from a pair of pricks in a tag-team frenzy. The cavalcade of shaggy sex concludes with Asian sperm-target Haruka, whose furry fortune cookie gets cracked by creepy cock-slinger Valentino—but not before she swabs his asshole with her tongue. For viewers who enjoy putting themselves in hairy situations, *Bush Supporter* will leave them ready for some bushwhacking. STARRING: TEGAN SUMMERS, CHLOE FOSTER, CHLOE AMOUR, AILEK, ASHDEN WELLS, EVAN STONE, BILLY GLIDE, MARCO BANDERAS, OTTO BAUER & TOMMY GUNN.

It's all about slipping and sliding, stripping and sex-providing in *My First Nuru Massage*, an erotic paean to the art of lubing and frottage. The video kicks off with nubile lass Tegan Summers, whose slight frame is slathered slick by Evan Stone. Summers methodically glides her glistening tits over Stone's back, loosening every muscle except for the one dangling between his legs—which she polishes until it gleams like a church spire in the midday sun. Eventually Stone flips Summers over and treats her to a doggy-style drilling, his dangling sac slapping her ass with a *thwap* on every thrust. Next sumptuous blonde Chloe Foster greases herself up good for a joyride with Billy Glide, gargling his balls, choking down his bone and bouncing on his pogo stick. But as Foster bounces, she flails and bobs like a marionette operated by an epileptic puppeteer in the throes of a violent jackoff session. Brunet, tawny-skinned fuck-puppet Chloe Amour ups the goo factor by spitting and drooling all over a stiff prick during her own oily escapade. You'll probably want to invest in a plastic tarp because *My First Nuru Massage* makes a big, slippery mess—but it will definitely rub you the right way. DP MASTERS 2

JULES JORDAN VIDEO. DIRECTOR: JULES JORDAN. **STARRING:** RYAN CONNER, KENDALL KARSON, KAYLANI LEI, MORGAN LEE, CHRIS STROKES, MARK WOOD & JULES JORDAN.

It's nice to see that some people are still devoted to perfecting a craft, like the dedicated fuckers of *DP Masters 2*, who toil to hone their skills at penetrating shitpit and baby-shooter simultaneously. Unfortunately, the mixed results of this video indicate that a few more classes are in order. Exhibit A: headlining cum-bucket Ryan Conner, a threadbare hag who not only should have been relegated to the ash heap of pornography—they should have burned the ashes again. Conner's neon-green outfit, accentuated with polka-dot cutouts, looks like a circus tent stretched across her over-ample frame—which is actually appropriate, given her clown-from-your-nightmares facial features, punctuated by a schnoz that would make Secretariat seriously consider rhinoplasty. Why the video's producers decided to highlight her in the leadoff scene defies all logic. Her drooping, wizened meat curtains and crepey turd hatch are like twin black holes in which any sexual interest disappears forever. Luckily the video rebounds from there. Brunet, swollen-racked vixen Kendall Karson delights in her fetish-friendly latex gear—and demonstrates agile skill in taking tandem cocks to her bung-hole and girl gulch. Asian cock hound Kaylani Lei likewise helps to ameliorate this video's ghastly opening salvo—but that's a little like someone handing you a Band-Aid after shooting you in the chest. *DP Masters 2* is a few credits short of a degree.

ASH HOLLYWOOD, MARK ZANE, KEVIN
JULES, ALAN STAFFORD, RYAN DRILLER
& RYAN McLANE.

The last home intruder I encountered ended up with a load of lead and a hole where one was never intended to be. *Breakin In* deals with other kinds of holes and loads altogether, chronicling the carnal adventures of break-and-enter culprits as they find a home, rut away and then cover a random household object in semen. Kudos for finding a new concept, but how's the sex? Turns out, it's as solid as the dead bolt lock that would have prevented these invasions in the first place. Blond nymph Dakota Skye and her male accomplice gain entry to a suburban spread and rifle through the kitchen until they find a near-empty bottle of baby oil and a towel. Not a great haul for a burglary, but they make the most of it, oiling up Skye's perky nates until they glisten like a dew-covered lily in the morning sun. As Skye's petite frame is put through its sexual paces, a number of thoughts run through the viewer's head: *Where are the cops?* *How much does a home security system cost, anyway?* *Is the Neighborhood Watch committee just peering through the window and jacking off?* The scene culminates with the dude jerking onto a slice of loaf cake that had been left on the counter—an odd choice for a spuzz target, but so be it. Dusky, taut-bodied enchantress Chanel Heart represents George Zimmerman's worst nightmare: a black criminal so hot that he'd have to think twice before shooting her on sight. Points off for Ash Hollywood, whose unfortunate shoulder tattoo looks like a seeping suture wound. But otherwise, *Breakin In* will pilfer the scum from your nut sac. GIRLFRIENDS

WICKED PICTURES. **DIRECTOR:** STORMY DANIELS. **STARRING:** CASEY CALVERT, SCARLET RED, AJ APPLGATE, SASHA HEART, AUGUST AMES & LILY CADE.

An all-holes, no-poles exploration of female-on-female desire, *Girlfriends* splits the difference between feature-film ambitions and porn-flick carnality. Unfortunately, while the splits on display here are pretty enticing, the jackoff-all-trades approach might lead to a masturbation of none. The basic premise: A novice clam-lapper played by Casey Calvert gets dumped by her girlfriend because she can't fully commit to lesbianism. Dejected—and rejected by her religious parents—Calvert travels to California to visit to her gal pal (Scarlet Red), who has an unrecognized desire for Calvert. In the free-wheeling Golden State, Calvert learns to embrace her dykery, while Red's character struggles to embrace her attraction to Calvert. If that sounds a tad involved, therein lies the central problem with *Girlfriends*. The dialogue is solid enough, but the middle-school-level acting can't convincingly put it across, and after fast-forwarding through fluffery, the viewer's hand might be a bit too weary to work up a decent boner. That said, watching half-devil, half-angel brunette Calvert mash gash isn't the worst way to spend some free time, and seeing her pristine asshole speared by another chick's tongue while she's fingered to oblivion is definitely worthwhile. If you're trying to convince your girlfriend to watch porn, this will probably do the trick. Then again, if you have to convince your girlfriend to watch porn, you should probably find another girlfriend. *Girlfriends* is wrapped with beautiful paper and ribbons, but the box itself feels a little light.

BLACK HEAT 3

JULES JORDAN VIDEO. DIRECTOR: CHRIS STREAMS. STARRING: ANYA IVY, LISA TIFFIAN, CHANELL HEART, CASSIDY BANKS, MANUEL FERRARA, BILL BAILLEY & RAMON NOMAR.

If you find yourself asking for a second helping of dark meat at Thanksgiving dinner, *Black Heat 3* is the tasty, sumptuous slice you're craving. Delectable ebony flesh abounds in this offering, starting with Anya Ivy, a cocoa-colored delight with big, inviting eyes and full, pendulous chocolate-milk mounds. Ivy's pale-skinned partner immediately goes for a motorboat ride before sliding his fat, uncircumcised prick into the silky depths of her luscious cleavage. A skilled sword-swallower, Ivy delivers a passionate twist-and-slurp before riding her assigned schlong reverse-cowgirl style, her tits clapping together in resounding applause. Chocolate vixen Chanel Heart isn't so blessed in the titty department, but she makes up for it with an ass that won't quit even if you ask it to work on a holiday without overtime pay. Sadly, not all of the goods on display are as delectable; Lisa Tiffian has more rolls than a bakery and a too-generous portion of cottage cheese in back. Luckily, high-yellow sexpot Cassidy Banks swoops in to the rescue with her jiggly fun bags and considerable cum-coaxing talents. *Black Heat* offers plenty of black crack for a delightful whack. —P.D.R.

Turned on by the thought of crepe-skinned, brittle-boned women sucking young cock and taking a deep dickling until their crow's-feet are doused with jizz? Pull the shades down, unzip and spend quality time with *Granny Fucks Her Godson*, you demented pervert. This tribute to May/December-of-last-year rutting kicks off with blond, seasoned-past-perfection cock hound Erica Lauren, who summons her godson into her bedroom and sucks on his blood bone as if she's hoping that the Fountain of Youth shoots forth from his urethra. Lauren crouches over her prey, the wrinkles in her shoulder deepening as her veiny hands massage his balls, bravely defying arthritis. She mounts her trophy, her age-dimpled ass cheeks flexing with improbable tautness. Shockingly, her godson's beef baton emerges from Lauren's aged clam cove cobweb-free. Brunet cougar Syren De Mer is less drastically dinged by the ravages of time—her full, jutting udders are like two middle fingers flipping off gravity—but the tiny wrinkles around her lips are still evident as she chokes down her godson's meat mallet. To paraphrase Ben Franklin on the advantages of older women, they don't swell, they don't tell, and they're grateful as hell. In olden times, missionaries were oft thrust into boiling pots by brutal savages. As *Mommy Loves a Missionary* proves, these days they're more likely to be doing the thrusting—into the savage, wet-hot honeypots of lonely housewives. The video takes a cheeky look at modern-day Mormon missionaries spreading the word of Jesus Christ while spreading the legs of prick-starved MILFs. Redheaded cock hound Jessica Ryan seduces a young missionary, drawing his magic underwear down to slobber on his staff. As Ryan lies on her back to take a spermin' on the mount, her billowing tits jut skyward with heavenly grace. Danica Dillon—who allegedly had her own erotic run-in with religious hypocrite Josh Duggar—is a fresher piece of meat. Dillon's considerable charms quickly lure her Mormon's nose out of his Bible and into the lush valley between her jaw-dropping tits. Dillon chokes down her partner's raging glory with miraculous ease before Olivia Austin—a big-breasted blonde who hovers on just the right side of zaftig—enjoys a facial anointment. The quality of cooze is slightly uneven, but *Mommy Loves a Missionary* will have you crying out, "Oh, my God!" while your hands are engaged in an activity more immediately gratifying than prayer. Whoever said that revenge is a dish best served cold obviously never saw *Payback*, in which piping-hot gashes dish out comeuppance to the men who've done them wrong. Lithe blonde Jillian Janson pulls a bait-and-switch on her cheating douchebag of a beau, parading around in lingerie and tying him to a chair for what he can only imagine will be a kinky rut. The real twist is revealed when Janson brings in her cheating boyfriend's pal and repeatedly jams his prick into her mouth like her uvula is a boxer's speed bag. Janson's puffy fuck flaps part like curtains to an extravaganza of erotic retribution. Her accomplice hammers home a stern lesson on the perils of infidelity while she periodically eyes her rope-bound boyfriend slumped in a heap of abject humiliation. Janson's moans and yelps of pleasure are only interrupted by the occasional taunts hurled at her cuckolded man. Tawny-skinned sexpot Josie Jagger exacts vengeance on her porn-obsessed boyfriend by recording her own video with a beefy goon. She puts on an impressive sword-swallowing act before her partner swabs her asshole with his tongue and pummels her cowgirl-style, her ass cheeks bouncing hypnotically. Bummer for her man, who only wanted to rub one out in the privacy of his own home, but hey, his loss is your gain. *Payback* is a bitch, but you'll enjoy jacking off to her.

SCREAMING ASSGASMS! VOL. 3

JULES JORDAN VIDEO. DIRECTOR: WILLIAM H.
STARRING: MORGAN LEE, ROMI RAIN, MANDY
MUSE, KARMEN KARMA, MICK BLUE, RAMON
NOMAR & PRINCE YAHSHUA

Let us ponder the human ass for a moment. It's a nasty bit of anatomy, whose primary reason for being is to excrete noxious waste from a tiny opening tucked behind enough layers of fat and flesh to ensure that it never sees the air-clearing light of day. It's practically a miniature sewer drain, bookended by odor-trapping skin pillows. And yet who among us has not been mesmerized by the waddle of a well-shaped derriere, tempting us to shove our snouts into its rank depths? Two things are clear: We are all just pigs looking to stick our noses and cocks in stink, and ass is the gravitational center of the universe. By those standards, *Screaming Assgasm 3* passes the smell test. The leadoff broad in this offering, Morgan Lee, is a tasty little morsel, an exotic fuck puppet who demands that her pussy be slapped and licked before she bumps her shit-cakes against her partner's face for a spit-shine to the sphincters. Lee takes a pounding to her baby shooter before getting her dung chute stretched impressively by her partner's fat schlong. Hopefully she's setting a little of her porn money aside for Depends, because she's probably gonna need them sometime soon. Slender redhead Mandy Muse also earns points for the rectum-destroying workout she receives from a fat black slammer. For those who yearn for shit on the end of their sticks, *Screaming Assgasm 3* will stink you up good.

A large photograph of a woman with dark, wavy hair, posing nude in a window. She is seen from the side, with her back to the camera and her head turned slightly. Her arms are raised, with her hands behind her head. She is sitting on a pink patterned surface. The background shows pink curtains and bright light coming from the window.

When I tried porn, it was a leap of faith. I was kind of shy, and I hadn't had that many partners. Turns out, I really enjoy it. After one of my first shoots a costar bought me a vibrating wand. It's the best! I play with myself three or four times a week, which I used to think was a lot, but some of my girlfriends tell me they play with themselves three times a day! I feel like I'm just coming out of my shell."

I like to tease myself slowly. I like to taste myself. At first I didn't think I'd be into girl-girl, but once I tried it on camera, I realized it's actually superfun. What I like best of all is to see a man enjoy himself when he's watching me. The effect my pussy has on him is written all over his face. Makes me want to put on a really good show."

**SAN FRANCISCO
TREAT**

PHOTOGRAPHY BY
DIGITALDESIRE.COM

A full-page photograph of a woman with long blonde hair, seen from behind, standing in a room with large windows. She is wearing purple lace underwear and holding a bra. The windows look out onto a balcony with a railing and a view of a city. A piece of furniture is partially visible in the foreground.

I'm pretty sure San Francisco is my most favorite place in the world. I love the people, the atmosphere and just everything. Of course, it's a big city, and there are dangers that come with that. Recently someone stole all my makeup, kink stuff and clothes out of my van. But that's the price you pay for living in such an awesome city."

I don't think I've come close to experiencing the love and romance San Francisco has in store for me. Once a boyfriend and I went to the Armory for an adult event. Afterward he couldn't contain himself. He lifted my dress and proceeded to eat me out right in the street while people were walking by. It was amazing."

I would love to be with three guys at once so all my holes can be filled. The thought of having so many men around me turns me on immensely. My favorite position is facedown, ass up, and kink and traveling are my passions. I love exploring new places and meeting new people. Right now I'm cruising up and down the West Coast in my van. I'm always pushing my boundaries."

DANICA DILLON

DUGGAR'S DIRTY LITTLE SECRET

PHOTOGRAPHY BY DAVE NAZ
INTERVIEW BY KIMBERLY CHENG

The now-infamous Ashley Madison hack revealed that conservative

reality star Josh Duggar is, in his own words, an unfaithful, porn-addicted hypocrite. And apparently he likes it very, very rough. The object of his lurid lust? XXX stunner Danica Dillon. But there's more to this story than just rough sex. Danica details exactly what the family-values champion did to her and why she compares their trysts to rape.

**"IF HE'S DONE THIS
TO ME, HOW MANY
OTHER GIRLS HAS HE
DONE THIS TO? HAS
HE MURDERED
ANYBODY?"**

HUSTLER: How did you meet Josh Duggar?

DANICA DILLON: I met him in March [2015] while I was feature-dancing in Philly. I had no clue who he was. He looks like your average, everyday guy, doesn't have *celebrity* tattooed on his forehead. And he walked in and was like, "I've been a fan of your work. I followed you from the beginning, since before your boob job. You're so beautiful! I love you! You're gorgeous!" all night long. I did my first show, and he went, "Oh, my God, it's so amazing! You're amazing!" Then he asked to buy dances from me, \$600 worth of dances. And after the dances: "Well, what would it take to spend more time with you?" At that point I was like, "This is my room number. Give me 45 minutes—let me clean up—and come on over.

No red flags?

Not really, not at first. I mean, he just seemed like a normal fan person. They get overexcited, and they don't really know how to compose themselves. He wasn't being rude or rough at the club. So there wasn't any like, *Oh, this guy is going to physically abuse me*. It was just more along the lines of, *This could be fun for a little bit*. Then he showed up at my hotel.

What happened?

So most men who want to spend time with you want you to entertain them more or less. You know, act sexy and just be your cute little porn star self. He walked in and instantly was like, "Get undressed. Get on your knees." There was no intimacy, nothing. He grabbed my head and pulled me on to him and was doing a forced blowjob. I couldn't breathe.

I pushed him off of me, and then he did it again, and I had to push him off me. He did it again. I looked up, and I was like, "You need to calm down." And he did. Then he picked me up and threw me down on the bed and bent me over and was pulling my hair, calling me a dirty slut, telling me that I deserved it and that I like it like that. During doggy, he flipped me over and grabbed my legs, just threw me down and tossed me over.

Then he put his hands—He didn't choke me, but he pressed down pretty hard, as if he was trying to push my neck into the bed, almost constricting my airway. To the point where after he left I could see the red marks around my neck. Then he brings me back down on the floor and forces my face back to give him another blowjob, and the whole time he's degrading me and telling me I'm worthless. When I pushed him away, he pinched my lips together and spit on my face. And then he finished. Then, when he walked out of the room, he threw the money that he was going to give to me on the counter and just left.

How long did it last?

It lasted for over an hour and a half. It was terrifying. I didn't even know the guy's name. I thought, *If he's done this to me, how many other girls has he done this to? Has he murdered anybody?* That's all that went through my head. But it's not like I was in any place to call the police because I didn't know who he was. I didn't know anything about him, and I invited him into my room, so it was consensual. >>

You never said no?

No, I didn't, but I did keep asking him to not be so rough and not be so hard. He would slow down or stop being as rough and then go right back into it.

You've caught some flak because you've been in rough porn scenes before.

The people who play Hitler in movies, are they really Hitler? The people who are getting abused in movies, are they really ending up in the hospital and getting beat up and killed? No. I do rough scenes, and I do hardcore scenes, but there's always other people there to make sure I'm safe and I'm comfortable. My life isn't really in somebody's hands when I'm on set.

Did you feel like your life was in danger with Josh?

Yeah. He was a completely different person from the club. It was like there was a switch that turned on and off.

Had he been drinking?

He'd had a few drinks, but I wasn't watching him. He didn't smell like he was wasted.

You've said that you felt like you were being raped.

Yes. I got a lot of bad feedback, like, "Well, how can you compare something consensual to rape?" But I have had some traumatic experiences in my past, and I got the same dirty, disgusting feeling after he left. Like I sat in the shower, piping hot shower, for a good 45 minutes and scrubbed myself. I felt completely dirty.

Did he come on you? Inside you?

He came on my ass. He had me bent over. He didn't use a condom.

But you had sex with him a second time. Why?

It was a month later, in the Philly area, and I was feature-dancing. He came in: "Hey, I really need to talk to you." I was like, "If I have time. I'm so busy." I tried ignoring him and not really talking to him. I was scared and nervous. I went onstage, and he was a completely different person this time. He didn't approach me. He didn't try and talk to me. He didn't try and get dances from me or anything.

After one of my sets that night, he walked up to my merch table, bought a few movies from me and asked me to sign some of my pictures. He said, "Look, I'm sorry." And my stomach sank. He was like, "No, I just want to apologize because I can tell that you are uneasy around me, and I know that I was rough with you last time, but I get it. You're an actress, and just because you do that in your movies doesn't mean that you like to do that stuff in your personal life."

I signed his pictures, and then I kind of gave the eye to the bouncer, like, "I need to wrap things up," because I didn't want to talk to him anymore. So the bouncer came up and wrapped my stuff up and said, "Okay, you're going to have to talk to her later. She's busy." So he went and sat down, and I went in the back room and then back onstage.

Then I did the same thing and went and signed my movies, and he came back over and stood by me and was like, "I'm really sorry. I want to show you that I'm a nicer person. I'm not that mean. I'm not rough. I'm sensual. You know, everybody has their kinks and fetishes and things that they like, but I promise you, I've been a fan,

and I really like you, and I'm really sincerely sorry." So I believed him, which is one of my flaws. That's why it took me so long to divorce my first husband. He was abusive, and every time he would apologize, I would just be like, "Okay, okay." So I gave him my room number. He showed up. I had my phone dialed on 911 under my pillow just in case things got out of hand.

What was he like the second time?

He walked in, and things were a little bit more—not intimate or passionate, but they weren't rough. He was just more verbally abusive, calling me a slut, a skank, slightly pulling on my hair, but not like pushing my face into the pillow. It was hard, but it wasn't abusive.

What kinds of things did you do?

I started off just giving him a normal blowjob. It wasn't super rough. I spit a lot, so it was a little sloppy. And we went into me sitting on top of him. I was riding him, and then he flipped me over. We did missionary. He really liked me bent over, so he would go from missionary to doggy. We spooned for a little bit, and then he flipped me over and grabbed my hips really hard. He came all over my ass again. He did put his hands around my neck, but not like squeezing or pushing down like the first time.

And he was like, "You like this, don't you? You like the fact that I can give you all kinds of different versions of sex." It was strange. It was like he was getting satisfaction out of being able to handle his personality disorder. It felt like he was trying to play a game. I don't believe that he wasn't sorry for the first time. But that doesn't mean he's not going to do it again to somebody else.

Did you use protection this time?

No protection.

How much did he pay you?

He was supposed to gift me \$1,500 for the first encounter. He only threw \$1,000 on the counter. And in the second encounter, I got gifted the \$1,500. He set it on the counter gently and said, "I hope to see you again."

How crazy has all this media attention been for you?

I tried staying low. Surprisingly, I've had more positive feedback than negative. A lot of lesbians and the gay community have been giving me positive emails like, "Hey, thank you for outing this guy and his family. They're a bunch of hypocrites, and the world needs to know." And then, you know, I get hate emails from religious communities. I've had a few death threats, the religious communities saying that if they could find me, they would kill me because I've ruined this guy's life. I don't respond. I didn't want all the media attention. I didn't want my face to be everywhere. But then I also didn't want everyone thinking that I was a homewrecker, and I didn't want them going out and praising this guy for being a horrible person.

How have your parents responded to all this?

I don't talk to my mom, so I don't know how she would respond. But my dad actually called me. Most parents would be like, "What is your problem? Why are you doing this?" And all he asked me was if I was okay. He was like, "I don't want to know what's going on, but I saw you on TV, and I just want to know, Are you okay?" And I was like, "I'm fine. I'm fine." >>

**"I'VE HAD A FEW
DEATH THREATS,

COMMUNITIES
SAYING THAT IF
THEY COULD

If you could say something to Dugger's wife, what would you say?

I know she's standing by him, and I know that she's being a great, faithful, loving wife. But I don't think she's doing it for the right reasons. I think she's doing it because she doesn't have anywhere else to go or she doesn't know any better. But she should support him in treatment and make sure he completes it. He checked into rehab. *In Touch* called him and said, "Your porn star Danica Dillon is coming out with the interview," and within two hours he checked himself into rehab. So I hope she pushes him to continue rehab and not just the six-month stint. He needs long-term treatment.

Do you regret it in hindsight?

No, because if I said that I regret it, then I wouldn't be in the position that I am in now, to be able to speak out against sexual assault or sexual abuse. After my husband beat the crap out of me, I felt like such a small person. And I had no outlets to go out and help other

women. I've gotten a lot of emails from women wishing that they were able to do what I've done and out people that have been horrible to them and do something about it. For women who are in similar situations as I was in, there are different avenues and organizations out there for them to get help [i.e., check out RAINN.org].

It can be tough to escape from abusive relationships. How did you get out?

Well, I was legally married to him for five years. I was 18. I went to school with him almost my entire life. It's so strange. His dad was abusive, an alcoholic. It ran in his family. My husband at the time wasn't like—he never even raised his voice at me, yelled at me, the whole time we dated. I was a princess, and he treated me like one. And then he joined the Navy. We moved to California, and he started drinking and going out with unmarried, single sailors. Not coming home till late or coming home and then opening up a beer and just

treating me like I was his slave and not his wife. It started with emotional abuse, mental abuse. Over a period of six months his verbal abuse got really, really bad. Then it got physical.

What kind of things did he say to you?

That I was worthless. That I could never be with anybody else, that I wasn't pretty, that I was never going to get anywhere in life and no one would ever want me and I didn't deserve any happiness. All I could see was his dad in him. The abuse started one day after he had come home from work. I was cooking dinner, the perfect housewife, so it would be on the table by the time he got home. He gets home a little early and walks in, and he takes his clothes off in the middle of the living room and goes in to take a bath. And I said something along the lines of, "If you're going in the fucking bathroom, why can't you just put your clothes in the hamper? I'm not your slave."

We started arguing. It was horrible. So I finished cooking. My son's in the living room, and I walked into the bathroom. [My then-husband's] mother committed suicide when he was 16. He's had a rough, rough life. And I opened the bathroom door, and I said, "You know, if your mother was alive right now, she would be completely disgusted in your behavior towards me." He stood up out of the shower and laid me on my ass. It went on for almost seven, eight months.

Before you left him?

No. Before I told anybody. My mom told me, "You need to leave him. You need to call his command." And finally I moved out to another apartment, and he apologized to me. You know, "I'm sorry. I won't do it again. I regret everything I've said to you. You're the mother of my child." So I let him move back in. Then he broke my windshield, broke my front door so I couldn't leave and literally beat me to a pulp while one of our roommates stood there and watched. The last thing I remember before I blacked out was him kicking me in my ribs and then spitting in my face and punching me. That's when I left.

Where did you go?

I went and got a small one-bedroom apartment. I filed a restraining order, which ended up getting denied because the judge said that I was just trying to do it to prevent him from getting custody. Even though I brought him pictures of the smashed window and bruises on my side and his hand marks, like he beat me. I called his command. His command did nothing. They filed a restraining order and said that I wasn't allowed to contact him or come to his ship. >>

Against you?

Against me. I filed for divorce the same day that I filed for the restraining order.

You're quite the survivor. You're remarried now, right?

Yes, and we have a three-year-old daughter too. We have a really good relationship. He's basically been the dad to my son. We have our ups and our downs, and we fight, and there's moments where we're like, "Oh, we can't do this anymore." But he's a good husband, a good dad.

How did you end up getting into the adult industry?

My husband left me with no money and wasn't paying child support. So I started cocktail-waitressing at a strip club, where I was making more money than most of the dancers were because I got paid \$8.75 an hour plus tips. The dancers in San Diego only get tips offstage. So most nights I would go home with my hourly plus \$200, \$300 in tips.

So Jenna Haze had come into the strip club, and she doesn't remember this at all. I mean, it was a long time ago, 2009. She was feature-dancing. And at the merch table of course all the waitresses want to go meet her and take a picture with her, just shake her hand. I was one of those girls. I was in awe. But I still had my small-town mentality of like, *Oh, my God, porn is disgusting. What is wrong with this girl?* So I go, "Hi, it's really nice to meet you." I think my [club] name at the time was Autumn. And she's like, "You're so cute. Have you ever thought about doing porn?" The first thing out of my mouth was, "You're disgusting."

Even though I was working at a strip club, it was still, *Oh, my God, how dare you?* But within a few days, I was like, *I wonder if I could do it. What are the risks? What if I ended up with herpes, AIDS, gonorrhea?* So I researched every single STD for two weeks, looking at graphic pictures and discussing the chances of catching one and what the regulations were on porn, and I saw that a lot of the same porn actresses all worked together.

So it was more like a family than what everybody had thought. It wasn't >>

just having sex with a whole bunch of random people, but—you know, just being in like a community. Two weeks after I met Jenna Haze, I Googled “number-one adult agent in Los Angeles,” and I found Derek Hay. He said, “Why don’t you come up to L.A., and I’ll take a look at you and let you know.” And I did.

So what are your kinks and fetishes?

I like watching men together. I don’t know. It’s just different. It’s taboo. People watch lesbian porn all the time. But I like watching two men together.

How kinky have you gotten on camera?

Define kinky.

What’s the craziest thing you’ve done?

A five-guy gangbang for Kink.com. The guy ended up slipping in DP, and I ended up doing a double vadge [makes a pained face].

How can a guy turn you on...besides making out with another guy?

I really like pretty mouths, pretty teeth, well-manicured hands. I like sensual, make-love-to-me sex over dirty sex. I love foreplay, skin touching—soft, like when someone does a spider crawl up your arms.

So what’s next for you?

I can’t really say what I have in the works, but I have some mainstream things that are coming up, that I may be cast for. I guess I can kind of thank Josh Duggar for that.

had a boyfriend for five years, and our sex life got kind of boring. I had been fingered in the ass, but that was it. I was always like, 'Come on, let's try anal!' He'd say, 'No, that's gay. That's gross.' When I started doing porn, I told my agent I wanted to do anal. I had never actually had a dick in my butt before I did it in a scene. It was the best thing in the world. I came twice. And my orgasms were way more intense than any I'd ever had before. I didn't even have to touch my clit!

"Aside from fucking, I love to dance, which keeps me flexible and healthy. I don't smoke or do drugs or anything like that. And because I keep myself physically fit, I can do all of the fun sex positions."

I had this boyfriend and we'd fuck constantly. One day he told me, 'I can't deal with this. You want it so much, you should just go do porn.' I guess I took his advice. Since I started, I've discovered all this stuff that I love: getting my nipples sucked and my ears bit... hair-pulling and ass-smacking. It doesn't take much to turn me on."

—Ariana

I've been really, really lucky that the girls I shoot with are into girls. I'm extremely dominant in bed, super vocal. I'll tell a girl what I want her to do. I'll even grab the back of a girl's head and shove her into my pussy. In my experience, if you treat a straight girl like a man would, she'll be more into it."

go through phases of favorite positions. Sometimes I'm obsessed with doggy; other times I love the intimacy of missionary. And I'm not sure what it's called, but I like it when I'm on my stomach and the guy is on his stomach on top of me, especially if he holds me by my hair or puts my arms behind my back. My fantasy threesome would be with Jack and Kate from *Lost*—although I wouldn't mind adding Sawyer into the mix. So just a big orgy on an island, everybody naked, dirty and sweaty in the jungle with the sun setting."

When my partner and I were in Maui, we drove up to the summit of the Haleakalā volcano, which is more than 10,000 feet high. On our way back down, we stopped and fucked in the car on the side of the road, so we literally had sex in the clouds!"

JENNA ASHLEY

STRAIGHT-UP SWEET

PHOTOGRAPHY BY
LARRY FLYNT PRODUCTIONS

Being successful in porn takes confidence, friendliness, energy, pizzazz, motivation and patience. One important lesson I've learned is to give my full attention to everything, just put my all in. Of course, loving sex is a given!

"I've always been supersexual. I fuck whoever I want, whenever and wherever I want. Even if someone has a girlfriend, I really don't care. I guess I'm a straight-up ho. :)

"My only unfulfilled fantasy is to do a Candy Land-themed scene with real candy. It would be a big all-girl orgy with boys coming in at the end. I'd want the other stars to be Bonnie Rotten, Riley Reid, Kissa Sins, Chloe Amour, Veronica Rodriguez, Luna Star, Alina Li and Christy Mack. It'd be massively hot and super messy!"

PHOTOGRAPHY BY
TAMMY SANDS

've been a Southern California girl my whole life. I could literally live at the beach—*love* to dig my fingers and toes into the warm sand. And I adore longboarding. I'm the most uncoordinated, clumsy girl you'll ever meet, so if I can do it, anyone can :)"

You know, I didn't used to be into porn. Why would I want to look at other naked chicks? It'd just make me jealous. Now I watch porn all the time. I catch myself looking at it on my phone in restaurants and think, *How wrong is this?* But I'm having the time of my life. They say I'm good at masturbating. I don't know who isn't. I guess it's a talent. Works for me!"

SEX FIEND

PHOTOGRAPHY BY
LARRY FLYNT PRODUCTIONS

Everyone says, "Go to college," but when I was a student, I had no direction. I was unsure of what I truly wanted, and I was too scared to explore my options. A friend of mine was in the industry, and she invited me to watch one of her BJ scenes. Then and there, I decided that I wanted someone to jizz all over my face too!"

I've always been a sexual fiend. If I say I want your cock in my mouth, I mean it. Big is okay, but I prefer average-size penises. And I love it rough. Pull my hair, smack me a bit, pound my pussy and make me scream. I love it when a man becomes a beast in the bedroom. I've learned to ask for what I want, and getting it has totally changed my life for the better."

GOOD THINGS COME...

PHOTOGRAPHY BY
DIGITALDESIRE.COM

You have no idea how much I love being petite. I didn't always. In school I used to get so upset that I wasn't as tall as my girlfriends. But by the time I started dating, being small was a plus. I think guys prefer short women. They think we're cute, less intimidating, more feminine. More innocent. That works to my advantage. I love catching guys off guard. I'm tougher than I look.

"Doing porn makes me feel good about myself. I'm accomplishing more than most people, and if you have something negative to say about it, you can go fuck off. Okay, I admit, I can't reach the top shelf at Walmart—#ShortGirlProblems! But my sex life is huge."

WORKING IT

PHOTOGRAPHY BY
DIGITALDESIRE.COM

I'm a hard worker. My first job was a cashier at good ol' Mickey D's. And I freaking loved that job. I've been earning a paycheck ever since. If I hadn't joined the industry, I would probably be tending bar back in Texas. I just like being around people.

"My favorite part of my body is my booty. It's just so juicy! I was slacking big time in the gym, but I'm changing a few things, working that booty, getting it nice and tight. I be feelin' good after killing my workouts. I walk out of the gym singing 'This Woman's Work' at the top of my lungs. And it seems like the better shape my ass is in, the better anal sex is. :)"

SEX SECRETS

PHOTOGRAPHY BY
LARRY FLYNT PRODUCTIONS

My boyfriend and I vowed we'd both become porn stars if we didn't make it as artists. Well, we broke up, I lost my job, and I thought, *Here's my chance to fuck hot guys with big cocks.*

Doing porn has given me a big confidence boost. I've gained the ability to say and do exactly what I want. Wanna know a secret? Most girls love down and dirty sex, rough and nasty fucking. But they lie right through their teeth about it because they want to come off as holier-than-thou. I'm not one of those girls."

MORNING GLOW

PHOTOGRAPHY BY
TAMMY SANDS

I crave morning sex. Pretty much every day I wake up wet and tingling. If I'm lucky—and I am pretty lucky—there's a warm man in bed next to me. My favorite is when I'm half asleep, being spooned with a hard cock pressing against my ass cheeks. My lover will kiss my neck and play with my tits, then push into my quim nice and slow from behind. And we'll fuck our way into a new day. Best way ever to go from dreaming to awake."

I taught myself to squirt, and now I'm great at it. What happened was, I was watching porn, and this girl said, "If you keep fucking me like that, I'm going to squirt!" I wasn't sure what she was talking about until he pulled out, and she squirted everywhere. I thought, *What the fuck was that?* I went online, did my research and didn't go to bed that night until I could do it. You know when I squirt the hardest? During a gangbang. I love them because all the attention is on me."

LOVE LESSONS

PHOTOGRAPHY BY
TAMMY SANDS

Every guy should know how to roll his hips during sex. My pussy is a flower, you know? So don't just hit it. Roll with the motion of the ocean. If you fuck girls that way, you'll hit her G spot, and that's the whole secret.

"Truth is, I'm a camera whore. It's awesome playing with yourself and knowing that you're going to be watched. I could win a gold medal at getting myself off. If I'm with a guy, I like missionary with my leg up. If I'm with a girl, 69 hands down. It's one of the first sexual positions I tried. Me and my friend were in the shower experimenting, and I was like, 'Hey, if you go like this, and I go like *this*, we can do it at the same time!' I'd love to have a big lesbian orgy. That's the porn I watch when I masturbate—it's one of the only things left on my sexual bucket list."
