Gorgeous covergirl Amirah Adare enjoys an afternoon romp with lovely Tiffany Tatum. After tea is served, pussy is served. Tenderized by Amirah's crop, Tiffany's slit oozes juicy; perfectly primed for mistress's probings. Finally, Tiffany begs to clean up her mistress's swollen cunt, which she does, dutifully and eagerly, before moving on to Amirah's perfectly puckered asshole. Ooh la la!

Goth chick Viper Von 7 opens up for us this issue. The self-proclaimed blood-letter and deep-throat fan goes the distance and bares all for your amusement. She smoulders ghoulish as she waxes herself with a lighted candle. Watch out, she's just getting started!

Internet sensation Jasmine Jae bursts onto the scene taking on two guys with aplomb. They tie her hands together and attempt to rough her up a bit, but this is all child's play to a pro like Jasmine. The busty influencer gobbles them down hungrily while they grunt and groan ecstatically into a double-penetration. In the end, she sucks them off with delightful glee, ready to do it all over again. No wonder she has hundreds of thousands of followers. Many immitate, none duplicate. Burn it down Miss Jasmine!

Thank you for your continued support. We strive to bring you the best in fetish hardcore. Drop us a line, we love to hear from you.

When did you start fetish modeling and under what circumstances?

I'm a baby in terms of my experience with professional fetish modeling. Professionally speaking, I started in 2019 but I had been doing shoots at home, maybe not fully fetish, but on the pathway to it with my lil Nikon p100 since 2015. For me, it was that scene in the film "Jennifer's Body" where Jennifer (Megan Fox) lures that goth kid to an abandoned house to fuck and he shows up all naive, excited and scared and she confirms all his worst fears by turning into the sexiest succubus ever and just shamelessly rips this boy's throat out under candlelight. So fucking hot! I wanted to be that. She tethered the line between bimbo and demon so perfectly. That was the foundation.

How did you feel the first time you took your clothes off in front of the camera?

It didn't really feel much different than regular shoots I had done in the past. It wasn't a super significant moment for me, it just felt natural. I think a lot of that can be credited to chemistry and comfortability with the photographer.

How did you become aware of fetishism or your fetishistic side?

Horror films, probably some real life events and endless hours of watching porn in high school.

What fetishes do you like personally?

I've always had a liking for blood and bloodletting. I think in the right context and done safely, it can be a really sacred and intimate moment with someone. Aside from that, I really love sucking dick; deep-throating, gagging, and getting dick railed into my mouth. Testing the limits on how much I can put in my mouth are some of my favorite parts of getting to fuck someone or getting fucked by someone.

Do you wear fetish clothes in public? What are your favorite items?

Yes, literally at least a couple times a week. Right now, my favorite has been wearing this basically suffocating leather underbust corset that buckles in the front, it's mad hot. Also this really tight red latex bra top. I've definitely thought about wearing my strap on before, without the dildo, as a belt over the pants like Britney Spears in her "I'm A Slave 4 U" video.

Have you ever scened in public?

No, but I've had sex, not for filming purposes, in public before and it's soo exciting and scary! But that's the thrill.

Is there anything you would like to try sexually or kinky that you have not done yet?

I've been so into voyeur and cuckold stuff lately. One of the

larger of my kink bucket list items is to watch two dudes fuck each other in front of me. Also, I really wanna deep dive into bondage and impact play.

Do you like rough sex?

YES. I like it reciprocally though. Like I want you to pull my hair and gag me, make me gag on you, slap me, make me cry, all that shit. I also wanna have the opportunity to slam you through a wall or make you bleed a little bit. I like the fight! :)

What about peeing or golden showers? Has anyone peed on you? Or you on them?

I've peed in mouths before. I would most likely do it again. There's a crazy power dynamic to it. I feel like it has to be the right vibe with the right someone. I wouldn't want anyone to piss on me though. Spit, sweat, blood and tears are cute though.

How do you feel about anal sex?

I definitely need to do it more.

What are your hard limits?

Not down with fecal shit or "forced" (rape) scenes.

What is the most requested thing you are asked to do by your fans/followers? Any outrageous requests?

I get messages from men every day asking me to ruin their lives. Besides that, I get a lot of deep-throat, dick sucking requests, which is great. I haven't gotten any insane requests per se, that I can think of right now. I have dudes offer to be my personal slave, do my laundry for me, etc.

What kind of porn do you prefer? What do you search for on the internet?

Gay and lesbian porn and there's definitely a MILF or DILF either video. Homemade, public, exhibitionism, secret affair, cuckold and "first time" videos are all frequently used search terms.

Are you in a fetish lifestyle partnership? Would you like to be?

No, and I don't know if I honestly could. I can barely do a regular partnership! LOL

Why do you want to shoot for TABOO Magazine?

Taboo highlights the taboo. It's the magazine for people who follow curiosity. Not only that, but it's fucking hardcore. That in of itself gives someone like me, who has the alternative look and similar "taboo" sexual preferences and interests, a chance to indulge fully and be supported in that version of themselves. That's powerful and important.

The image is a magazine cover for Hustler's Taboo. It features two women in a kitchen setting. One woman, with long dark hair and wearing a black leather jacket, is leaning over a table. The other woman, also with dark hair, is lying on the table, looking up at the first woman. The first woman is holding a large, black, phallic-shaped object. The background shows a kitchen with wooden cabinets and a tiled backsplash. The text is overlaid on the top left of the image.

IN THE NEXT ISSUE OF
HUSTLER'S
TABOO®

Raven-haired, dominant beauty Brandy tests the size limits of mouthy sub Cristine. Unable to smart off with the bomb dildo stuffed in her piehole, Cristine squirms feebly, tightly taped down to the kitchen table. Nice and wet, the bomb now slides comfortably into her wanton pussy. Now that's better isn't it?

More hard fetish action, pissing lovelies, and anal queens than you can shake your stick at. See you soon!
