ADULTS ONLY

THE PUBLISHERS of this magazine believe that:

- sex is a precious, exciting part of life which every adult should be able to enjoy fully, both physically and emotionally.
- a frank discussion of sexual topics can lead to a deeper understanding of the sexual needs and problems which both men and women may face.
- the vast majority of mature men and women are interested in learning about the sexual experience of others, and should be allowed to learn more on this subject.
- sex between consenting adults, including lesbians and homosexuals, is a vital personal freedom.
- this freedom should extend to the right to discuss sexual matters frankly, both verbally and in print.

We try to carry out this philosophy in an adult, responsible way. We will not promote or condone sexual activities which are unlawful or could be harmful: such as underage sex, incest, bestiality, necrophilia – or any other form of sexuality which may cause severe pain or physical and psychological injury.

THIS MAGAZINE is sold subject to the following conditions: It shall not be lent, re-sold, hired out or otherwise disposed of by trade without the prior written consent of the publishers, except at the full retail price shown on the front cover. It shall not be re-sold, hired out or otherwise disposed of in a mutilated condition or in any unauthorised cover by way of trade or attached to or be part of any publication or advertising, literary or pictorial manner.

All rights are reserved in the material accepted for publication unless specified in writing before acceptance. The photographs contained in this magazine are posed for voluntarily by professional models, over the age of 18 years.

An open letter from the editor

Dear Reader,

This edition of Amazons Special reflects a selection of models photographed by Gavin Balch. We also have featured another reader of Amazons Special, a girl called Sophie. Although she has never been published before she is keen to get into modelling and is appearing in one of our now famous Amateur Special video presentations.

If you already have our last edition, the Amazons Special No.5, you will have seen our promotion of Little Bit & Dimple. If you have not yet bought the video then shame on you as it is something very special indeed. However, if you have or are awaiting your copy I would like to mention that in January 93 I am visiting Little Bit & Dimple in the West Indies. If you would like to send a letter or postcard to them they would absolutely love to hear from you.

Just send a sealed envelope with your letter in a larger envelope addressed to us here at Bermondsey Street. Don't worry about the S.A.E., I will give Dimple and Little Bit the funds to reply to you. Although I cannot guarantee a reply there's a good chance of one. This little fan club for Little Bit & Dimple is only open to our readers who have ordered the Little Bit & Dimple video.

In response to some of your letters that have asked for pictures of Black Girls in Uniforms, then do not miss out on Amazons Special No.7. It will be a Uniform Special!!!

In conclusion I would like to welcome our new readership in Australia and the United States. Please write in as we really would like to hear from you.
