THE PUBLISHERS of this magazine believe that:

- sex is a precious, exciting part of life which every adult should be able to enjoy fully, both physically and emotionally.
- a frank discussion of sexual topics can lead to a deeper understanding of the sexual needs and problems which both men and women may face.
- the vast majority of mature men and women are interested in learning about the sexual experience of others, and should be allowed to learn more on this subject.
- sex between consenting adults, including lesbians and homosexuals, is a vital personal freedom.
- this freedom should extend to the right to discuss sexual matters frankly, both verbally and in print.

We try to carry out this philosophy in an adult, responsible way. We will not promote or condone sexual activities which are unlawful or could be harmful: such as underage sex, incest, bestiality, necrophilia — or any other form of sexuality which may cause severe pain or physical and psychological injury.

THIS MAGAZINE is sold subject to the following conditions: It shall not be lent, re-sold, hired out or otherwise disposed of by trade without the prior written consent of the publishers, except at the full retail price shown on the front cover. PLEASE TEACHER!

I'm in real trouble, that little bitch Vivian has told everyone about Gerry and me. She promised me on her mother's life that she would keep it a secret. Now all the school knows about us, including Mrs. Miller the Headmistress and she's asked me to see her.

I might have guessed she'd

split because she's madly jealous of me, she fancied Gerry herself and tried like mad to get him interested in her. Do you know she even got all dressed up and called at his house one night when his wife was out. She's a silly little cow, she ought to know she doesn't stand a chance against

me, after all she's only a skinny kid with no tits! Anyway her mother won't even let her wear make-up, she has to borrow mine, even though she's three months older than I am.

Now I'm turned 14 I'm fully developed. I've got a 42" bust and the best figure in the

whole school.

Those stupid kids in the boys school have been grabbing at me and shouting out after me ever since I started sprouting at 11. Sometimes I would let some of the bigger boys have a feel if they let me go around with them. Even some of the girls used to feel them, but all

that was kids stuff.

It was last September when I first realised that I was in love with Gerry. I was still 13 then, but already had the biggest boobs in the school. Everyone said I looked at least 17 when I made up and wore jeans and things.

When we started our Autumn term Gerry was the new art teacher and the only male teacher in the school, except the Old "Wiggins" but the R.I. teacher. He was really dishy — old really, almost 30, but fantastic looking with a

dark beard and he always wore an old leather jacket.

Viv and I shot to the front of the class and started playing around trying to get attention, but he didn't seem interested in us.

One day Viv dared all the girls to try getting him going by sitting in class without pants, and their skirts up, so that he could look up them. Some did, but he pretended not to notice — I wanted to because I thought he would see that I had more pubic hair than any of the others, but I was afraid

he would think I was a stupid kid playing him up like the rest.

What I liked to do was lean over him and press my big tits on his arm. He was altering a drawing I'd done one morning when I lent over and pressed my bust alongside his face and left it there, pretending it was accidental. I could tell he liked that.

My mother used to make me wear a bra, but I always took it off and unbuttoned my school blouse right down before going into Art classes.

One day I asked him to help

me with a poster I had placed on the floor, as he knelt down with me I made sure he could see down my blouse and also right up my skirt. I was wearing black stockings and garters at the time, when he got a glimpse of my plump thighs and crotch with see-through pants, I could feel him getting hot.

Gerry's wife was an ugly old bitch, I don't know why he married her, I'm sure he can't love her. She's got horrible shapeless legs, scruffy mousy hair and hardly any bust at all,

that's why I knew he really fancied me.

Every night I thought about Gerry, fantasising what I would do if I got him to make love to me. Looking in the dressing-table mirror I held my great tits up and squeezed them together. Imagining him sucking my rosy little nipples I would suck hard on them myself, bringing the teats right up.

Some of the older girls had told me about masturbating and coming. I had been rubbing myself for about six months, but now I did it

nightly, pretending it was Gerry. One night I used the handle of a hairbrush and it made me bleed badly — I really frightened myself.

I knew he was fancying me, but I didn't know what to do to meet him.

One of the girls said he went to a local wine bar every Saturday morning. I decided to go there Saturday when my parents went shopping I dressed up, using mother's eye make-up and sexiest perfume.

My cheesecloth blouse was skin-tight over my big boobs, they bounced like anything as I

walked. Lots of chaps looked at me.

When I went into the bar I thought, he's sure to know I'm under age, but almost without looking up he served me.

Panic came over me when I saw Gerry in the corner, he looked up puzzled, and came over. "Marion? I hardly recognised you, what the hell are you doing here? You're much too young!"

Looking sophisticated I looked at him coolly. "Really — do you think so?"

"For goodness sake come over to the corner quickly

before your seen."

Sitting down I showed a great expanse of thigh, I thought to myself: "I bet you're wishing you had my lovely legs wrapped round you instead of that old crusty wife of yours."

After a few minutes of nervous questions and answers he seemed to accept the situation. "That's a smashing perfume you're wearing Marion, who bought it for you, one of your boy friends?" He sounded rather patronising.

"No, I've no time for boys."

He looked pointedly down at

my large boobs. "No, I shouldn't think they could manage," he smiled.

"Do you think you could, Gerry?"

That really caught him off balance he spluttered into his wine.

"Now then behave yourself or you'll be getting me into trouble," he laughed.

"I thought the general idea was to get me into trouble," I could tell he found me really sexy now.

"You know you're a most attractive young girl and you shouldn't tempt me like that. With a figure like yours you ought to be a model you know."

"Yes, I'd like someone to photograph me."

"Nude?"

"Why not? I'm not ashamed of showing what I've got." I gave him a knowing look.

"Yes, I bet you've got a fabulous bust, I'd like to sketch you myself."

"Would you ... I wouldn't mind ... I'd like to ... but how?" I must have sounded eager.

"Oh, are you sure?" He stammered. "We'd have to be so careful, eh ... discreet? Are you grown up enough?"

Standing up I leaned forward until he was looking down my blouse. "What do you think?"

"Well, what about now ... eh? My wife is away until tomorrow night ... eh ... we'll have to be very careful no one see's us."

"All right," I thought quickly, my parents didn't expect me until 6.30, we would have the afternoon together, soon all my desires would be fulfilled.

Trying to look inconspicuous entering his house was rather exhilarating, the beginning of an adventure.

Once inside he came straight towards me, putting his hands on my shoulders.

"Well I've done it now, you know what's going to happen, are you sure you want to? You know its got to be just between us!"

"Yes, yes of course darling," I said, kissing him with my mouth open.

We kissed passionately, I could feel Gerry's tongue searching for mine, it was the first time I had been kissed like that.

Slowly he unbuttoned my blouse, until my boobs were exposed. Jutting like two great mounds.

He drew a sharp breath of appreciation.

"I've never seen breasts, so big or as firm as these before, they're so hard, and the skin is smooth like silk." He drew his fingertips lightly over the surface making them shimmer. "What lovely little nipples they are, so pink, so girlish."

Gently he kissed each nipple in turn, leaving the little wet tips instinctively tightening.

Grasping his head in my hands I pressed my breast fully into his face.

"Suck darling, suck, please harder!"

They quivered in his face as his mouth searched out the offered teats. He sucked on them with a need that fulfilled all my womanly longings.

"Marion we've got to be so careful, are you sure you want to?"

I was flushed and excited, now was the moment I had been dreaming of.

"Yes Gerry, yes, please love me, now!"

Removing his clothes he stood before me breathless

and agitated helping me to strip.

Except for touching a few boys, I've never seen a man with an erection before. It fascinated me, it was great to know I was producing such excitement in him.

He pressed his penis against my plump tummy as he kissed me, his fingers wandered along my thighs and bottom then, almost slyly slid into my moist vagina.

Moaning with pleasure, I opened my legs invitingly for his exploration.

Drawing me to the floor he knelt over me, kneading and flattening my boobs against my chest. My head was misty with pleasure.

"Marion you're not on the pill?"

"I'll be careful I'll draw out."

"Come in me Gerry, quickly come in me!"

He guided his rigid erection gently into my waiting eager slit, the moist lips parted expectantly.

"OOhh Gerry, Gerry OOhh!"

I was lost in a delicious, comforting, exciting electrifying sensation of first real penetration.

"Careful darling, I don't want to hurt you, is it the first time, Marion?"

"Yes Gerry, but it doesn't hurt, it's marvellous, move harder Gerry, move, oh darling!"

He thrust deeply into me and I could feel sensations washing over me like never before. So much more than masturbating.

Suddenly a surging, jerking spasm, hot excruciating, like hot needles, made me thrust and writhe under his hard prick.

"I clutched at his back and screamed involuntarily.

Gerry abruptly wrenched himself out of me, I shouted:

"No, No, don't come out Gerry, don't!"

"I've got to! I'm coming!" he screamed back.

Thrusting his boiling penis between my huge breasts he crushed them around it whilst he furiously thrust through the cleavage, snorting and panting like a wild bull.

Hot liquid burst upon me in pools on my breasts it was exciting to watch.

I hope I'll be able to do that a thousand times now that I'm a real woman.

After our white hot passion subsided we lay entwined together.

He dipped his fingers into the sticky pools he created and rubbed it gently into my nipples, he touched my lips so I could appreciate its salty taste.

"I didn't want you to come out."

"Darling I had to, we can't take risks, we've taken enough as it is."

We lay for some time talking and exploring each other's body. Noticing the time I panicked. "I must go!"

"Yes, we'll arrange something else in class on Monday,

do you want to Marion?"

"Oh darling, of course." If Gerry had asked me to run away with him then I would have willingly done so. I left hurriedly.

"Where the hell have you been," mother demanded.

"Oh I was at Viv's listening to records and forgot the time." She accepted my story, but I thought I'd better tell Viv what happened and get her to give me an alibi.

That is where I made a mistake and now everyone

knows.

The Headmistress was talking to Gerry earlier and now she wants to see me. What shall I do? If he denies it, so will I, but if he tells the truth, I'll have to say he forced me into it, otherwise I'll be in trouble.

HOW TO HANDLE A WOMAN

Night after night I buried my head into the pillows and wept in despair, was I never to find love and happiness? I laid awake half the night fantasising of my love, masturbating over the images in my mind bringing myself to orgasm after orgasm, trying to find relief and release from my torment.

Barbara had been in the office for over a fortnight now and I could not look at her without feeling desperately drawn. She had only to speak to me and the desire to hold and caress her was overwhelming. How could I approach her or let her know of my secret love. It would be so much easier if I were a man.

When she joined the office staff I had to show her around and explain her duties, she was friendly and so easy to get along with, we seemed to hit it off immediately.

Over lunch we exchanged confidences and I discovered she was 25 had been married four years and that her husband did not want children, although she hoped he would change his mind.

I told her I was 30, and since my disastrous marriage that

ended in divorce eight years ago, was living a rather dull bachelor girl existence, but I could not tell her how I was feeling about her, or why this was happening to me.

Barbara was tall with longish light brown hair with the most beautiful blue eyes. Her face full of expression and animation always ready to laugh made her appear even younger.

She had a full generous figure with well-rounded hips and a large 42" bust.

One evening before going home she changed in the Ladies' room. Slipping out of her dress and bra she stood talking to me, wearing only the tightest of cotton briefs. As she combed and re-styled her hair her huge breasts swung and shook sexily. The whiteness of those wonderful shuddering mounds was emphasised by the beautiful raspberry-like nipples.

It was at this moment I realised that I was feeling a sexual urge to make love to her that was quite unlike anything I had ever felt before. I was frightened yet fascinated, I realised that I had hitherto unknown lesbian tendencies.

The torment and desire grew in me until I made up my mind, I would have to give in to this urge and make a positive approach with my love. I wanted her love, I wanted her response, but how did I go about it? My advances would have to be so subtle, to avoid shocking.

The opportunity presented itself when Barbara's husband went away for the weekend on business. I suggested she came to my flat for the Saturday and we could have a meal together, she was delighted with the idea.

Around 11 a.m. the bell rang.

"Hello," she thrust a bunch of roses at me and walked in.

"What a nice room this is, so clean, so tidy that's one advantage of not having a man around to mess it up I suppose."

"Coffee?" I asked.

"Please." Barbara was immediately at home.

She helped prepare the coffee chattering away brightly. Later as we prepared lunch we had a couple of sherries, they were warm and relaxing.

It was a cold rainy miserable day, but my flat is always warm and cosy.

"Glad I'm here with you, it's a dreadful day outside."

"I'm glad you're here,

Barbara, you're wonderful company, it's really nice to have you to myself for the day."

I touched the side of her face lightly, she seemed to like that small show of affection.

The bottle of Burgandy I brought out to have with lunch considerably mellowed our conversation, we openly discussed our marriages and sex.

"What went wrong with your marriage?"

"Many things came into it, but I suppose it was the old male chauvanist thing. After the first year he never really seemed to consider me as anything other than someone he could order around to look after his requirements, comforts and benefits. Sex was not an expression of affection and love, only an outlet for his sexual needs.

Everything had to be geared to suit him otherwise he was foul tempered and foul mouthed. I seemed to live in the shadow of his pleasure or displeasure.

"Sexually he was impossible, what had started out as young exciting physical attraction never matured into full sensual understanding and response.

"He would force kinky ideas upon me seeming to enjoy intimidating me into per-

forming rather than seek my completely willing involvement. When I discovered he had been sleeping around with numerous women, and I never knew where he'd been I began to be repulsed by his crude love-making and approach to sex."

The wine certainly made me open up and I must have sounded very bitter.

"I think I know what you mean."

Barbara's beautiful eyes began to fill with tears. "It's starting to be just like that with me. I don't want it to go wrong, but Bob is such a bully. Providing things go right he's happy, the moment something upsets him he takes it out on me. You're right you know this sex thing, he's a knee in the groin, have it twice a week after a few drinks man. If I didn't kiss him, I doubt if he'd ever think about doing it."

Tears were rolling down her cheeks. I put my arms around her and sat down on the sofa taking her head on my shoulder, I smoothed her hair gently.

"Oh Barbara, please don't cry my love, they're not worth breaking your heart for."

The wine and sherry had released her emotions and she was now sobbing painfully against my breast.

"Don't cry my love." I kissed

the tears on her cheeks softly and lingering by the sides of her mouth, lightly stroking behind her ears with my fingertips.

She closed her eyes and I kissed them with soft butterfly kisses, letting my tongue press gently on the eyeball. Barbara raised her face up smiling as I comforted her.

Kissing her now full on the lips, I held her lightly by the side of the face, through my lips poured all the affection, love, tenderness and longing I felt for Barbara.

Sliding my hands down the neckline of her blouse, I slipped inside her bra and felt her large breasts still heaving with emotion.

The nipples like little corks, pressed against my palm. Spreading my fingers I clasped these delicious swellings and squeezed them rhythmically in a comforting caress.

"There, there, my love, my beautiful baby."

I brushed my lips against the edges of her ears whispering endearments.

Momentarily I felt Barbara draw back. I pressed her bust firmly to re-assure her.

"It's all right, darling."

She relaxed again, pressing herself closer towards me.

Unbuttoning her blouse I pulled it over her shoulders, kissing her neck and shoulders. Removing the blouse completely, Barbara's bust looked enormous, tilted up and encased in a black bra. Fumbling with the fastening I was surprised to find her helping me undo them. Peeling the bra from those great orbs was a breathtaking moment for me, once unleashed her bust fell out quivering into my hands.

"Oh dearest come to me let me love you, let me love you, beautiful baby." The word choked in me I was so overcome with emotion...

Taking one teat into my hands I squeezed it tightly, bringing it up into a tight cone with the nipples forced into a hard button, as I drew it between my lips to suck, Barbara threw back her head and gasped excitedly.

"AAAH... suck darling!"

The invitation was everything I had prayed for, it released me from all the torment and uncertainty.

Pulling both nipples into my mouth at once I drew on them strongly, shaking them vigorously as I did so! Barbara

lent back and pressed her beautiful mounds fully into my mouth.

The perfume of her beautiful body, the passion, the love, all combined to overwhelm me in a floating mist. We exchanged deep lingering kisses that fully conveyed our affections and sexual feelings for each other. No male could have been more expressive.

Together we began to remove each others clothing until at last we were both naked, tightly clinging to each others body.

Barbara began to stroke my breast which although smaller than hers has dark hard nipples. I knelt over the top of her and hung them down for her to suck. Looking down I could see her eyes, soft, and full of tenderness for me, our bodies, sensations and responses were in unison.

Instinctively I began stroking and kissing the plump tops of her thighs, the little muff of golden pubic hair glistened moist with excitement. My fingers explored her warm slit and I began to insert them into her vagina.

"OOOooh, more darling, deeper, use all your hand!"

Bunching my fingers into a

cone shape, I pressed them deep into her slippery opening, surprised, yet thrilled to find my entire hand was inside her.

"Touch my womb, touch my womb!"

Moving my fingers carefully, I could feel the neck of her womb.

"Oh that's beautiful, I love that feeling."

Clasping my hand and pressing it firmly inside her, Barbara began pushing and arching against my fingers, rhythmically moaning on every thrust.

I was aware of a sudden desperate urgency as she stiffened her leg, crushing my fingers.

"I'm coming ... I'm coooming!"

She writhed on my hand, shrieking ecstatically. After lying back for some minutes she opened her eyes and smiled.

"Oh Moria I've never had an orgasm as excruciating as that, what did we do?"

"I don't know, I've never done anything like this before."

"Neither have I, but it was beautiful. I enjoyed you so much."

"I love you Barbara."
