EDITORIAL

A recent letter to *TV GUIDE* emphatically stated, "The viewer or parent must be his own censor. The networks have not and CANNOT tell the viewer what he can or must watch." And another agreed, saying, "I resent very much being told . . . that I'm too addlebrained to do my *own* censoring. . . ."

These two television viewers have the right idea, but they should have carried their conclusions one step further. Since the audience definitely *is* capable of acting as its own censor for TV programs, the same logic can be extended to include *all* media. Certainly if an individual is wise enough to watch only those TV shows that are good for him, he is equally capable of choosing appropriate reading material.

It is especially important for each person to make this choice for himself, since it is impossible to generalize about what material should be read and what should be avoided. The book that seems obscenely prurient to one reader may be merely amusing to another. Each of us is the best judge of what we should see and hear.

Censorship, no matter what form it takes, is an encroachment on the basic liberty that is guaranteed to us as Americans. And whether the censor is dealing with television, movies, photographs, or reading material, he is doing a gross injustice to all Americans by limiting their freedom of choice. Even though censorship is often cloaked in the guise of good, it brings us one step closer to dictatorship by taking away an important freedom.

Since we are all capable of deciding what we should read and view, we must act now to protect the right to do so. To allow a few individuals, no matter how well meaning, to decide for the majority what information they should be exposed to marks the beginning of fascism. Protect *your* basic constitutional rights—protect the freedom of *all* Americans. Write your congressman today and let him know that you will no longer tolerate oppressive censorship laws!

ACE IN THE HOLE

Even though Linda, our lusty Queen of Hearts, loves to play cards, she seems to go in the hole whenever she gambles. But it doesn't matter —she's aces with us!

**these busty broads are so
full of energy and enthusiasm
that they're ready for
action at a moment's notice.
just give 'em the word, and
they're going lickety-split!**

eager beavers

GOOD 'N' PLENTY

There's enough of luscious Liz to satisfy even the most ravenous male appetite. But watch out—she's a real handful to handle!

CRACK-LING ROSIE

ROSIE IS THE TURNED-ON TYPE WHO IS ALWAYS RARING TO GO—THE ATMOSPHERE AROUND HER LITERALLY CRACKLES WITH SEXY EXCITEMENT. IT'S A RARE MAN WHO CAN KEEP UP WITH THIS ENERGETIC CHICK, BUT THE SPECIAL GUY WHO CAN WILL REALLY HAVE A BALL!

CHOCOLATE- COVERED CHERRY

... that's what they used to call this dark delight when she was a virgin. Of course, that was long ago. But the name still sticks—mostly with the guys who like to suck all the juice out of their cherry creams before getting into the meat of the chocolate. . . .

COLETTE'S A CORKER

This lovely lass with the breathtaking boobs has typical French tastes—she loves fine wine and *amour*. In fact, they don't call her a corker just because she's so sexy—she's also an expert at guiding swollen corks into that tiny hole. . . .

KNOCKOUT KNOCKERS

Brenda's a knockout in every way, from her gorgeous gourds to her winning smile.

In fact, if she were a boxer, she'd win every match with a TKO.

Every time she came into the ring, her opponent would gasp for breath, then take a dive toward her stunning assets!

A FUR PIECE

Becky always wanted a beaver-fur stole, but she never got her wish. All she got was a lush growth of fur that would make any beaver jealous.

DOUBLE-BREADED DOLL

Donna loves to completely change her identity by putting on different wigs. Sometimes she's a busty blonde, other times a brunette with beautiful bangers. It's like getting two girls in one—with two full sets of gigantic jugs!
