EDITORIAL

"Show-biz" publications are known to prize brevity. As when, years ago, it became apparent that small-town and rural audiences would not pay to see movies that downgraded their life-styles, a national publication simply headlined: "Stix Nix Hix Pix."

Brevity, it's been said, is the soul of wit. It's equally true that being brief may well be the soul of common sense, and of clear understanding.

Recently, *The Hollywood Reporter*, a mainstay of show-business reporting, published this editorial, which we quote in its entirety:

"Morality legislation generally is premised on emotions and always lacks equity. Our experienced city fathers should be aware of this.

"In supporting anti-pornography legislation, they substitute political expediency for wisdom.

"Prohibition didn't work for booze, and hasn't worked for marijuana. Why should it work for sex?"

There—in forty-eight well-chosen words—you have it. Cut it out or copy it down and send it to your own lawmakers. Perhaps it'll help them remember the oath of office they took—to support and uphold the Constitution ... including the First Amendment.

And to the *Reporter*, two more words might be expressed by all of us who prize our individual liberties; our rights to make our own choices.

Well done!

JUGS OF JOY

Joy always works around fancy nightclubs. But as a hatcheck girl, too many guys get to grabbing—and not for their hats. As a cigaret girl, she overshadows the tray she is supposed to carry. Nobody can knock her as a waitress except when she bends over the table she splashes the soup. Now she is hostess, because the boss says she puts up a good front.

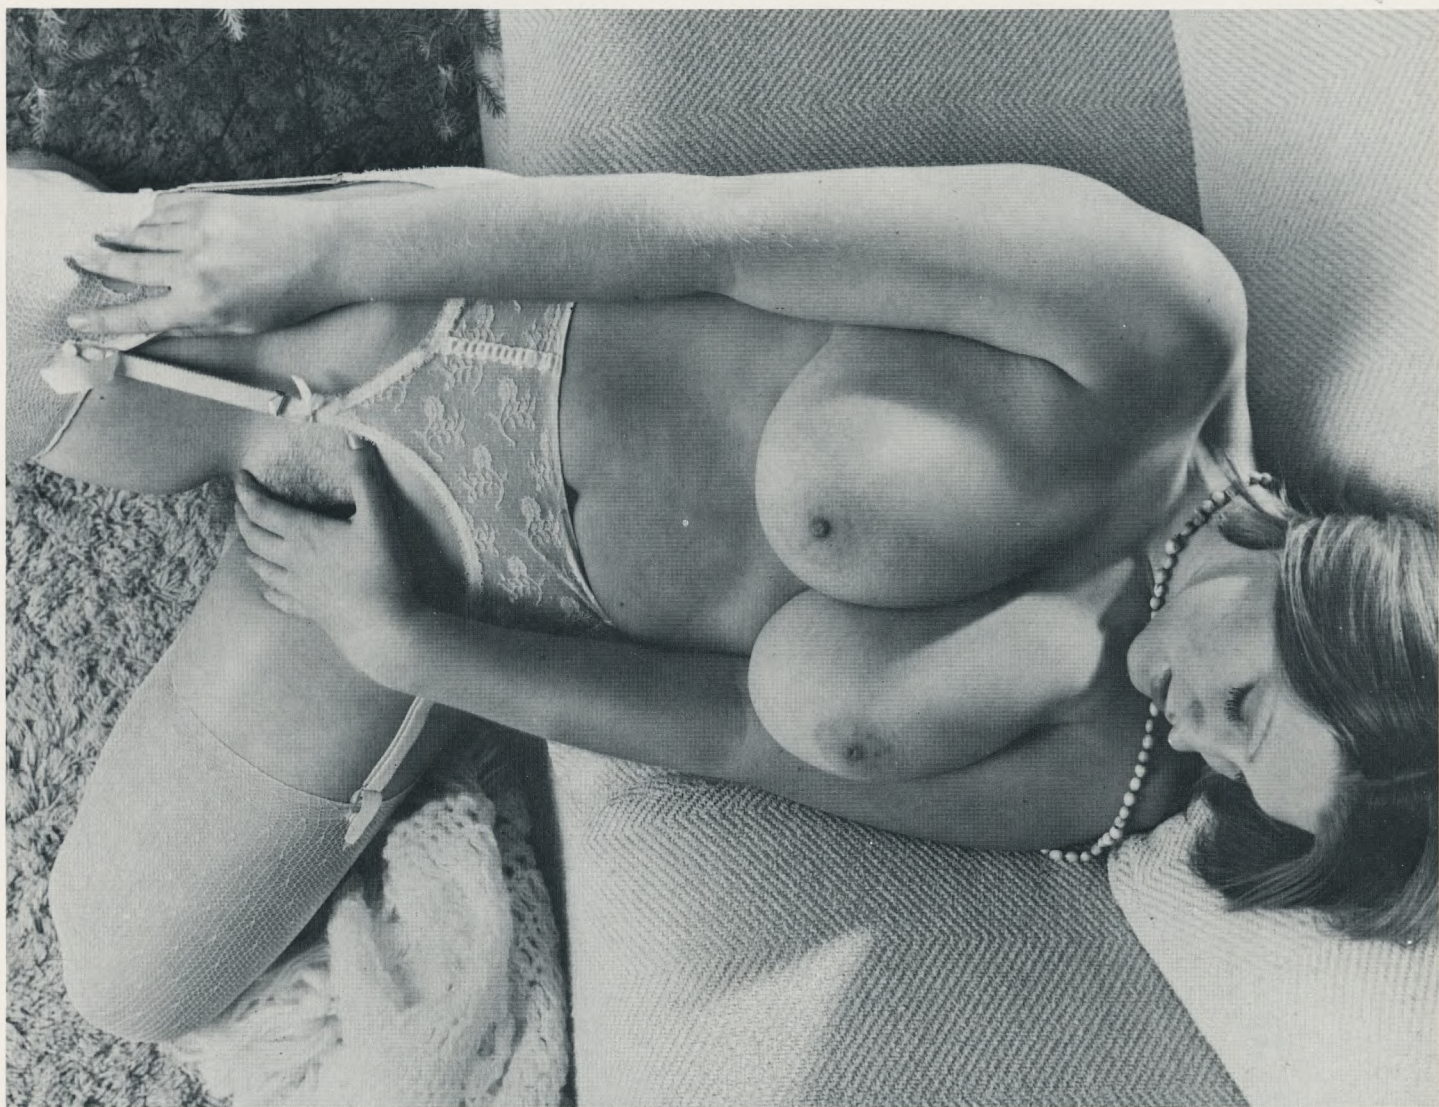

Debby's favorite boyfriend is a court reporter. Whenever he hears any young lawyers in a brag session about the big arrests they've tried, he just laughs. If they get a little sore about his guffaws, he just tells them they don't know what big busts are. Then he shows them Debby and they admit they never handled anything that big!

BIG-BUST BABY

HAIRY CARRIE

Carrie loves sukiyaki but none of her boyfriends will take her to a Japanese restaurant. Because the minute they see her all the guys there want to try hairy Carrie.

PEPITA'S HOT PEPPERS

Pepita's boyfriends are always bringing her their hot peppers. But once she's popped out their seeds, they take their hot peppers and leave her behind, alone.

LENA'S LONG LASHES

Lena dreams of the old days in the West when men were men—cowboys, stockmen, drovers. She especially loved the guys who swung their big whips—like stagecoach drivers and cattlemen. She'd love to have one of them lay his heavy piece of rawhide on her. She'd be glad to stampede and give him a ride he'd never forget.

BOOBS BY THE BUSHEL

There are a lot of tough dudes these days—but none too hard to handle for these buxom babes. If a guy lips off he may get a bigger bust in the mouth than he's ever had before—and he probably will end up in a box!

**HOT LIPS
FOR HOT LICKS**

Cindy loves musicians. Horn men who have developed their lips especially turn her on. Just a few hot licks from one, and she'll let him jazz all night.

a box for her beads

Pat wears this long string of beads and when her friends ask her why, she just hums and looks wise. Actually, she collects jewelry, and each bead stands for a guy who's put a jewel in her box.

TITS FOR A TEASER

All of Cindy's boyfriends are jealous of the others. Each is always trying to put a tail on her, so they'll know which rivals are coming when they can't make it themselves. But Cindy just laughs. She knows how to keep abreast of all kinds of tricks.

Remember the days when your favorite comic strip characters led a double life in those...

LITTLE "DIRTY" COMICS

It was an era when guys and gals hid them in that top, left-hand dresser drawer and brought them out to laugh; when laughter was in short supply.

Sometimes the drawings were mildly impossible: huge erections, enormous breasts, deep cleavage and long sexy legs. The sexual fantasy was absolutely outlandish: continuous orgasms, roaring vulgar jokes, screamed obscenities and great wet endings. THIS WAS OUR INTRODUCTION TO PICTORIALIZED EROTICA!

You can now return to that nostalgic era because those same "LITTLE DIRTY BOOKS" are back again, just as they were years ago, complete with those outrageous cartoon frolics and balloon-shaped exclamations!

10 ASSORTED BOOKS Yours For

None of these girls believe for one minute that the spirit of adventure is dead in modern males. Anyway, they don't want boyfriends who are lazy and want things the easy way. They want dudes who will get up and poke around in the bush to find the opening—that's all a guy needs to make them both happy.

swellin' melons

A black and white photograph of a woman lying down, topless. She is holding a rose in her right hand and a pen in her left hand. She is looking down at the pen with a slight smile. She is wearing a dark, ribbed top and dark, ribbed stockings. The background is dark and textured.

Joyce was born on a farm, and
when she was little she said
she wanted to grow up to do as
her Daddy did—raise melons.
Now Joyce is a big girl, living
in the big city. Still, there
are things that remind her of
the country. Like a good plowing.
Or like sticking to her plan
to raise great big lovely melons.

The Hot-To-Trot Slot

Every guy who's ever gone with her will agree that girls just don't come any better than Gert. It becomes hard because there's so much of her to take care of. But Gert cooperates no matter how far a guy wants to go and every dude who goes all the way always wants to come again.
