

SERVICE FROM A STRANGER

Now I'm glad my car broke down where it did. Not only because this guy is an auto mechanic part time, but because he has good hands. He's touching my pussy just right. I can see him ogling my tits. I'll bet he can't wait to squeeze my big boobs.

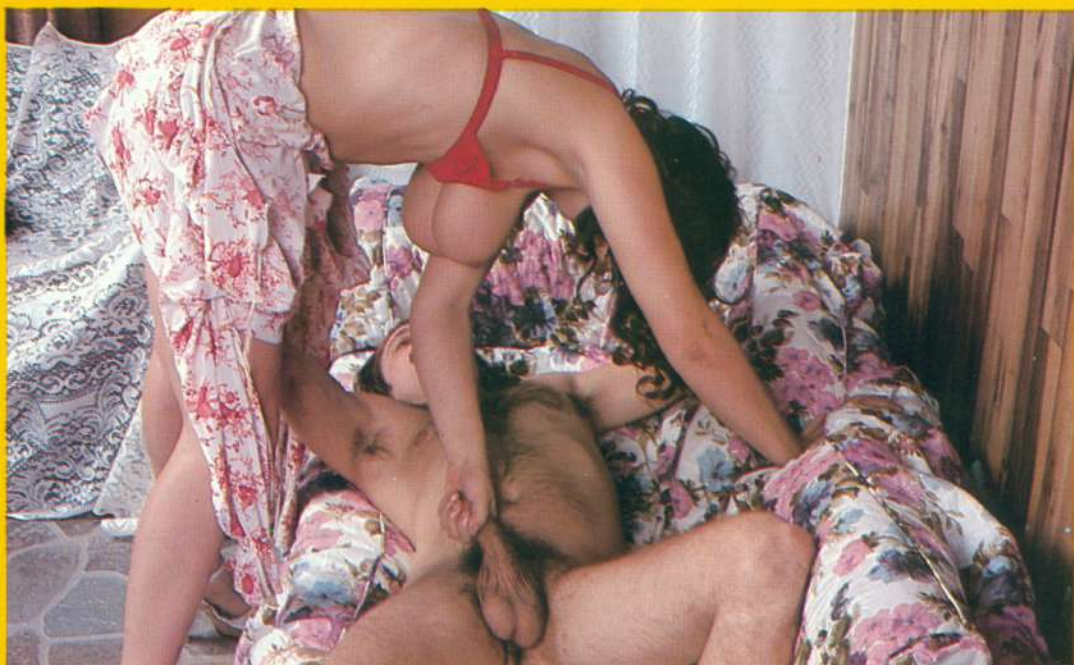

**His prick feels so good in my cunt. I'll twist
around and give him a better view of my tits.
He can't keep his eyes off them.**

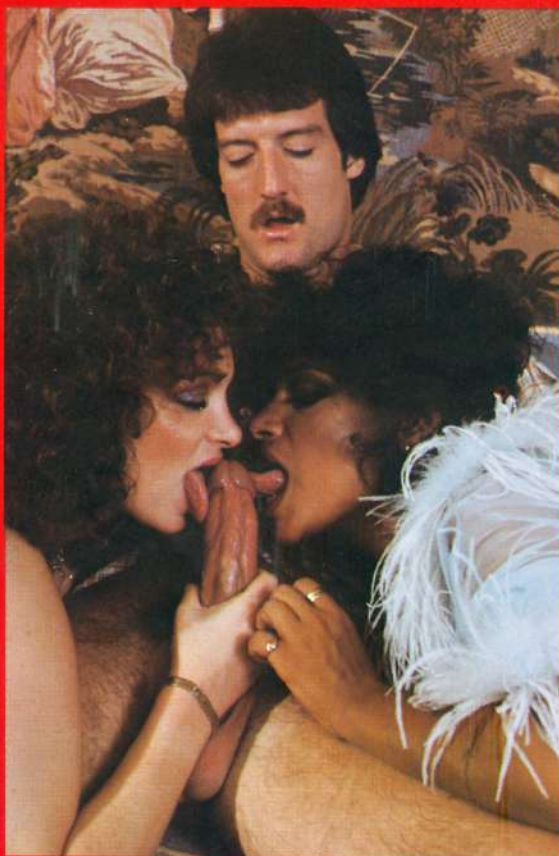

R. J., VANESSA AND SUE

Not all big-titted women are size queens, but certainly superstars like Vanessa and Sue Nero have the right to be discriminating about who they fuck and suck. Fame has its rewards. For example: dicks like R.J.'s to blow. What a threesome they make, this massively hung superstud and the bosomy pair of cocksucking brunettes!

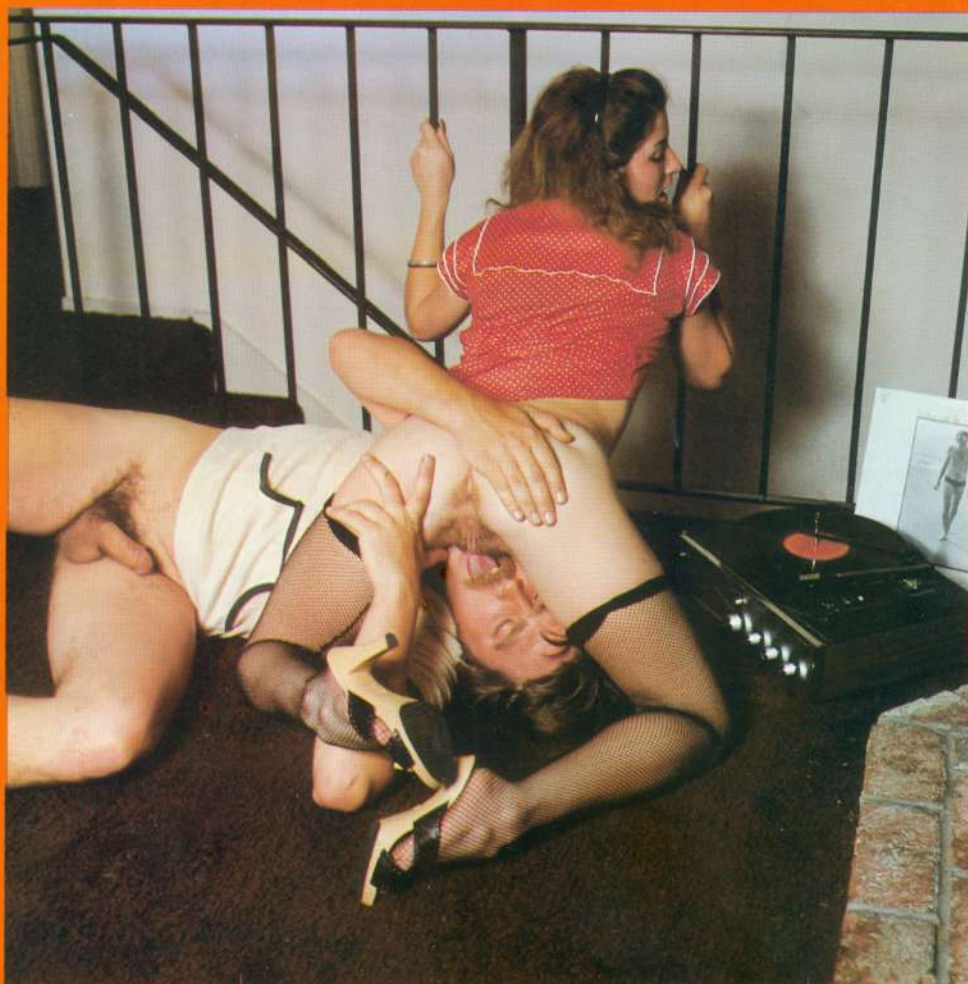

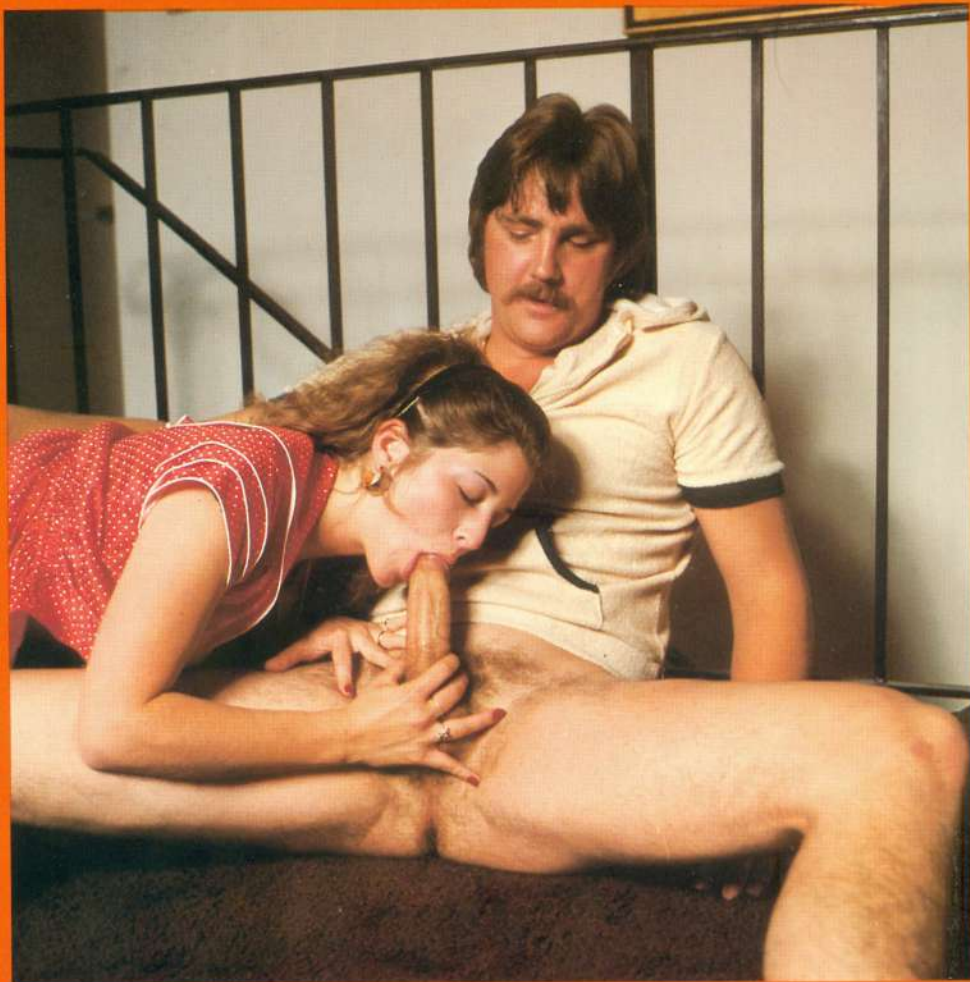

SUCK TIME

It looks like I've found a real cocksman at last. What a gorgeous piece of meat. How it fills my mouth. The scent of his crotch is driving me mad. His prick is getting bigger even as I'm sucking it. It's hitting the back of my throat. Now he's pumping his hips and really fucking my face. He's looking at my tits and groaning as I deep throat his cum-loaded stick.

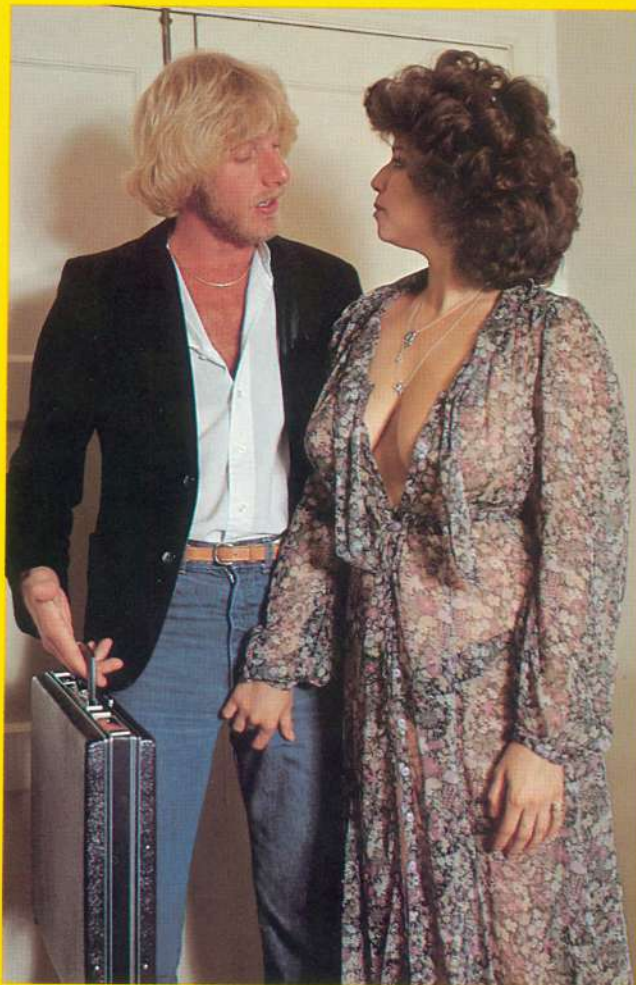

**How stiff it feels. How good it is to take it
from behind. And it was my great sucking
that got him this hard!**

GET HARD AND FUCK ME

Just looking like a man isn't enough, my blond haired Don Juan. You'll have to prove it to me. I want to feel your dick get good and hard. Then I want you to impale me on it. That's right, get stiff and fuck me. It's what I want.

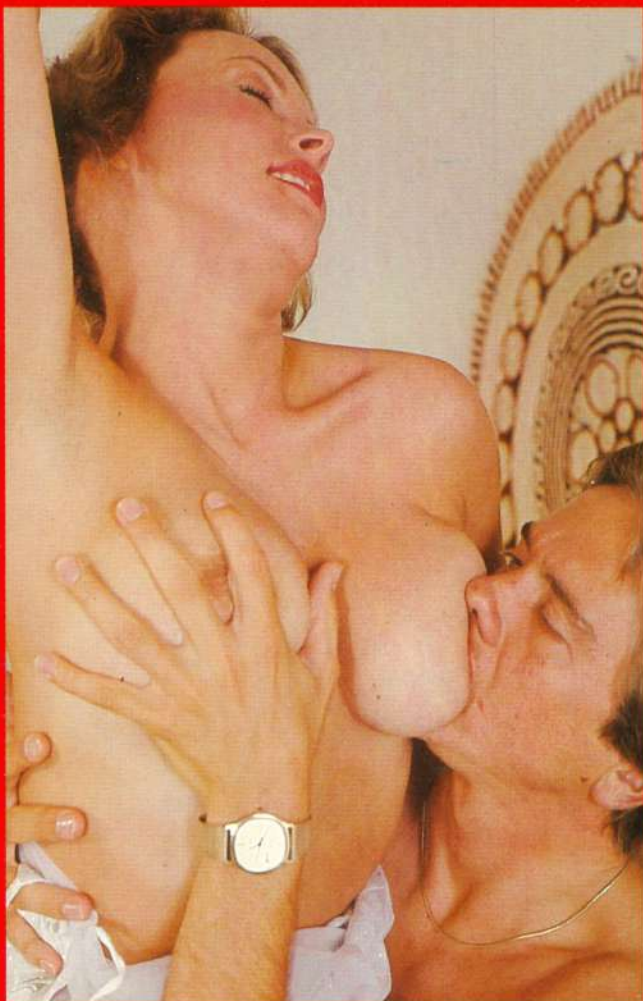

TWO MOUTHS FULL

He's left his dinner half-eaten again, after all the trouble I went to preparing it. I don't care. I'm glad the sight of my tits makes him forget his food. I love how fast he gets a hard-on. How handsome he looks stripped naked. How good his prick tastes. I'm going to take my time over this. First I'll nuzzle his shaft from the knob to the base. Then I'll take his cock deep down my throat. I'm so lucky to have such a virile young stud to make hot love to me every night. My nipples are still tingling from his warm, wet, hungry mouth.

What a cum I had! I can still feel the hot juice dripping out of my cunt. I can taste it on his dick as well. I'm sucking the hard cock that just fucked my pussy. I'm giving him beautiful head.

He's thrusting his big dick deep into my cunt, fucking me hard and fast. My clit is beginning to spasm again. My hung stud is getting me off.

TIGHT, HOT AND ANAL

His cock is so huge. It's a thrill just to suck it. I know I'll never be able to take it all down my throat. But I'll take every inch up my pussy and ass. I can't wait to feel it between my ass cheeks, filling my tight cornhole to the brim.

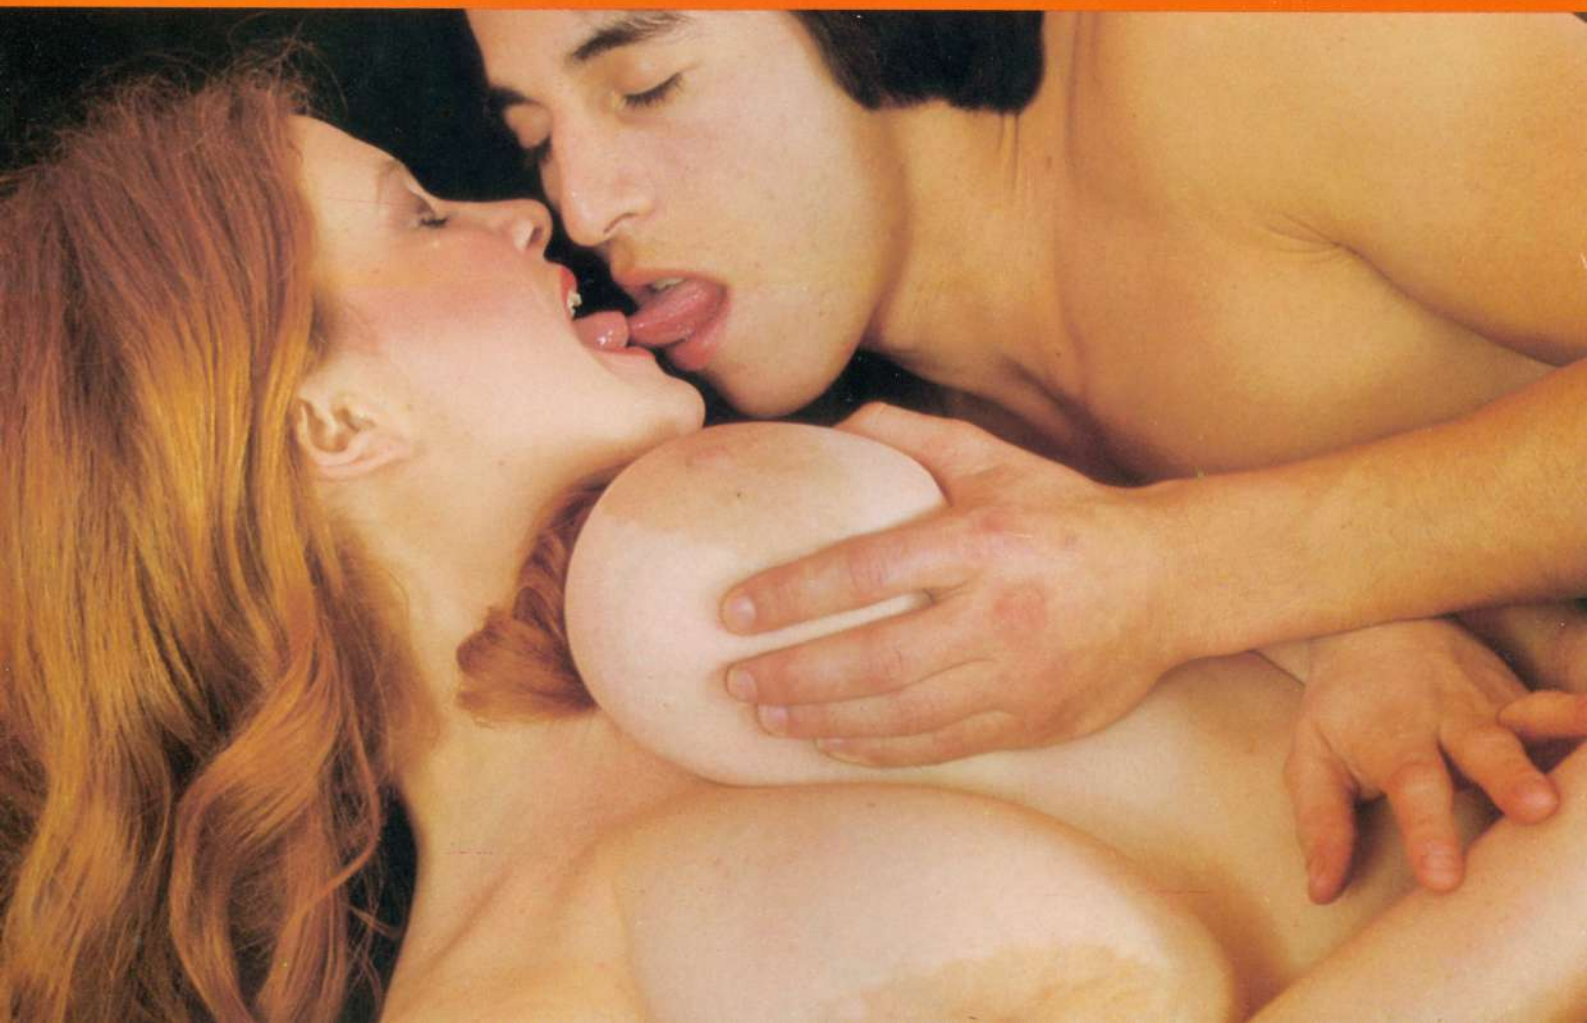

I've got his hard prick trapped between my soft jugs. How it throbs in my deep cleavage! My tits are like a vise of milky flesh around his cock.

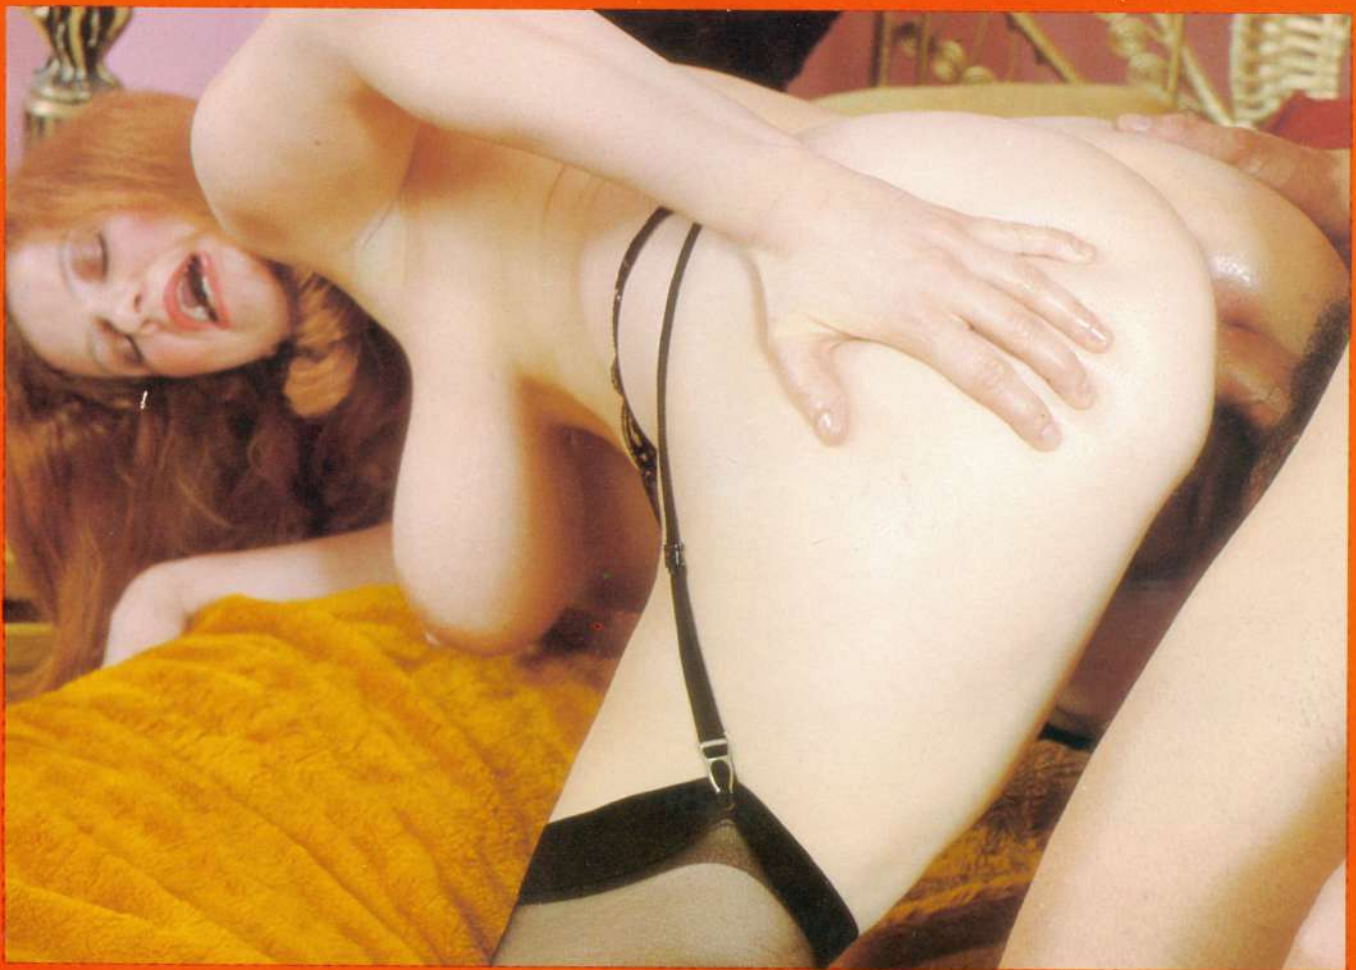

PEPPER SAUCE

It's so good to be close like this. We were made for each other. He wanted a girl who was petite, but stacked. I wanted a boy who was gentle, but hung. The cock I am sucking is brutally huge, yet the boy strokes my hair tenderly. Massive pieces frighten me when they're attached to rough men. This kid would never bully a girl with his dick. Nor does he have to. He knows I'll do anything he wants to it. All he has to do is ask.

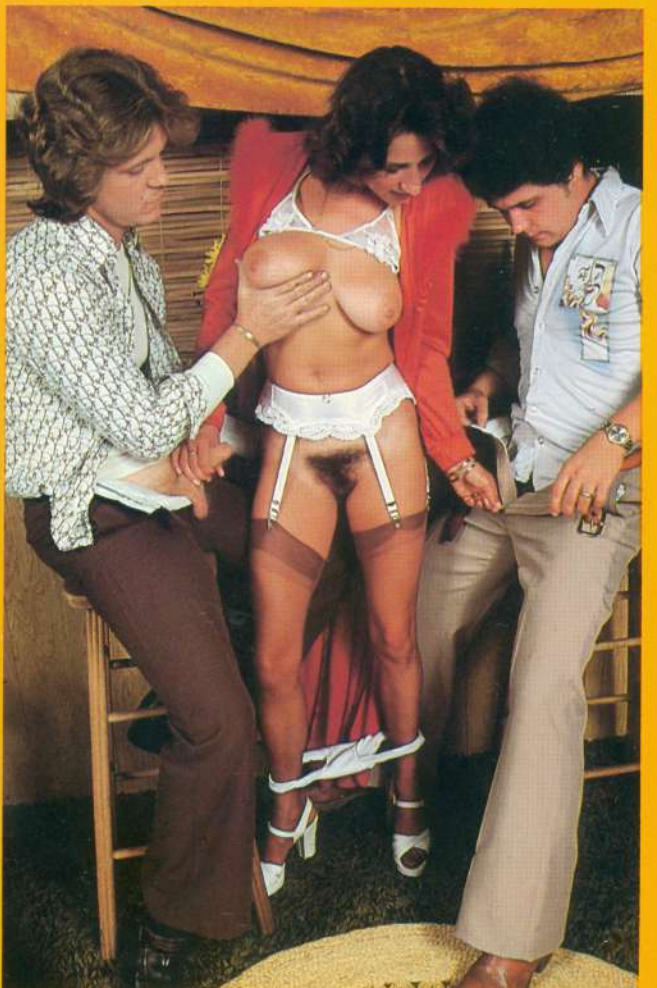

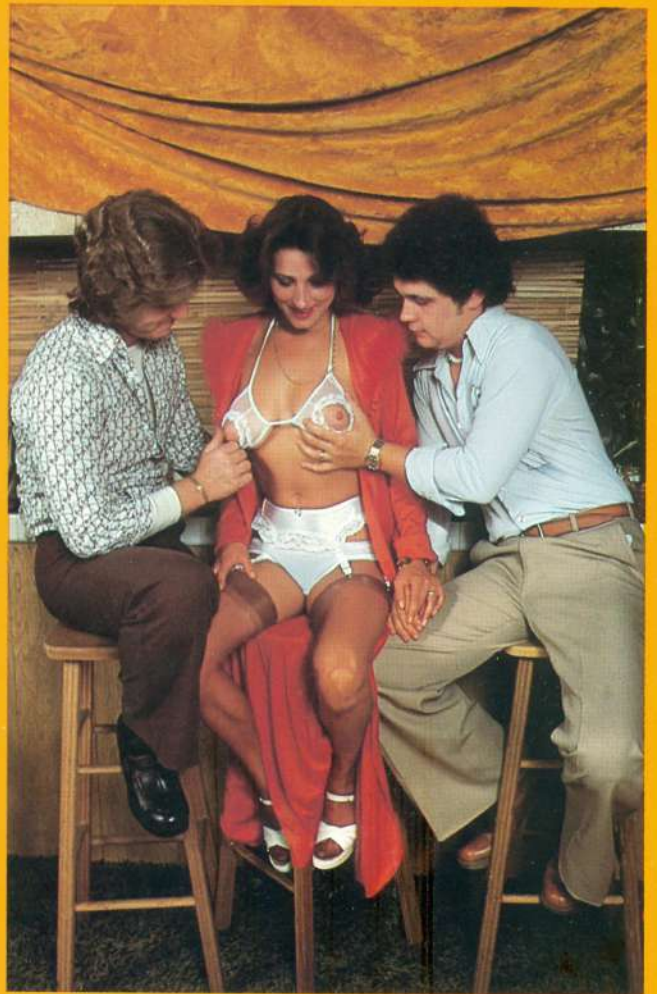

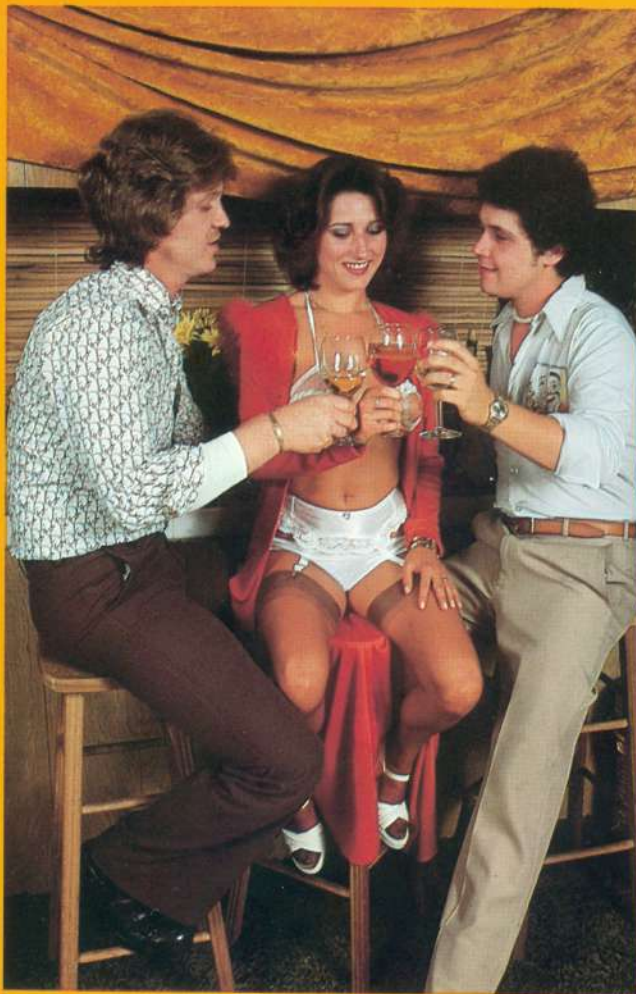

He's watching me suck him and play with my tits. I can tell he's ready to explode. If only he'd cover my face with hot cum. I long to be drenched with his spunk.

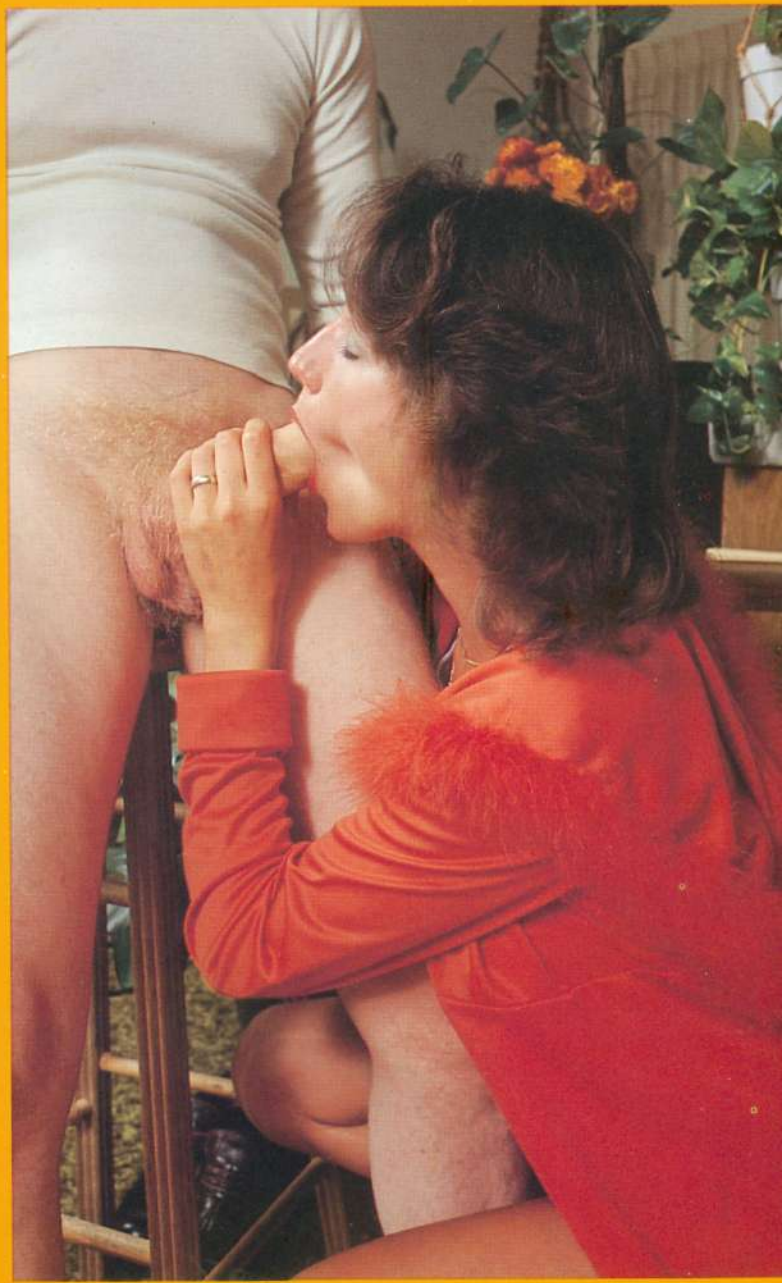

FILLED TO BURSTING

Here I am kneeling between two hunky studs to suck their cocks. No wonder my big boobs are quivering. It's almost too exciting to bear.

**His fingers feel nice up my hot pussyhole,
but not nearly as nice as his cock. Here
comes the other one again, to play with my
melons, I hope.**
