"If you want to know the truth about a lot of us chicks with big tits, our horniness is also queen-sized when it comes to appreciating a really good lay.

"Maybe it's because we expect more from ourselves and the guys we fuck, y'know? The thing is, there's a lot of us, physically, and speaking for myself, I feel there's a lot more of me that can get turned on by a guy who knows what he's doing.

DOUBLE DELIGHT

"But the grooviest thing is that when a chick has jugs like mine, the average guy goes pretty wild. Like, turned on, y'know? Lots of us big breasted babes use our tits for more than having them sucked and teased.

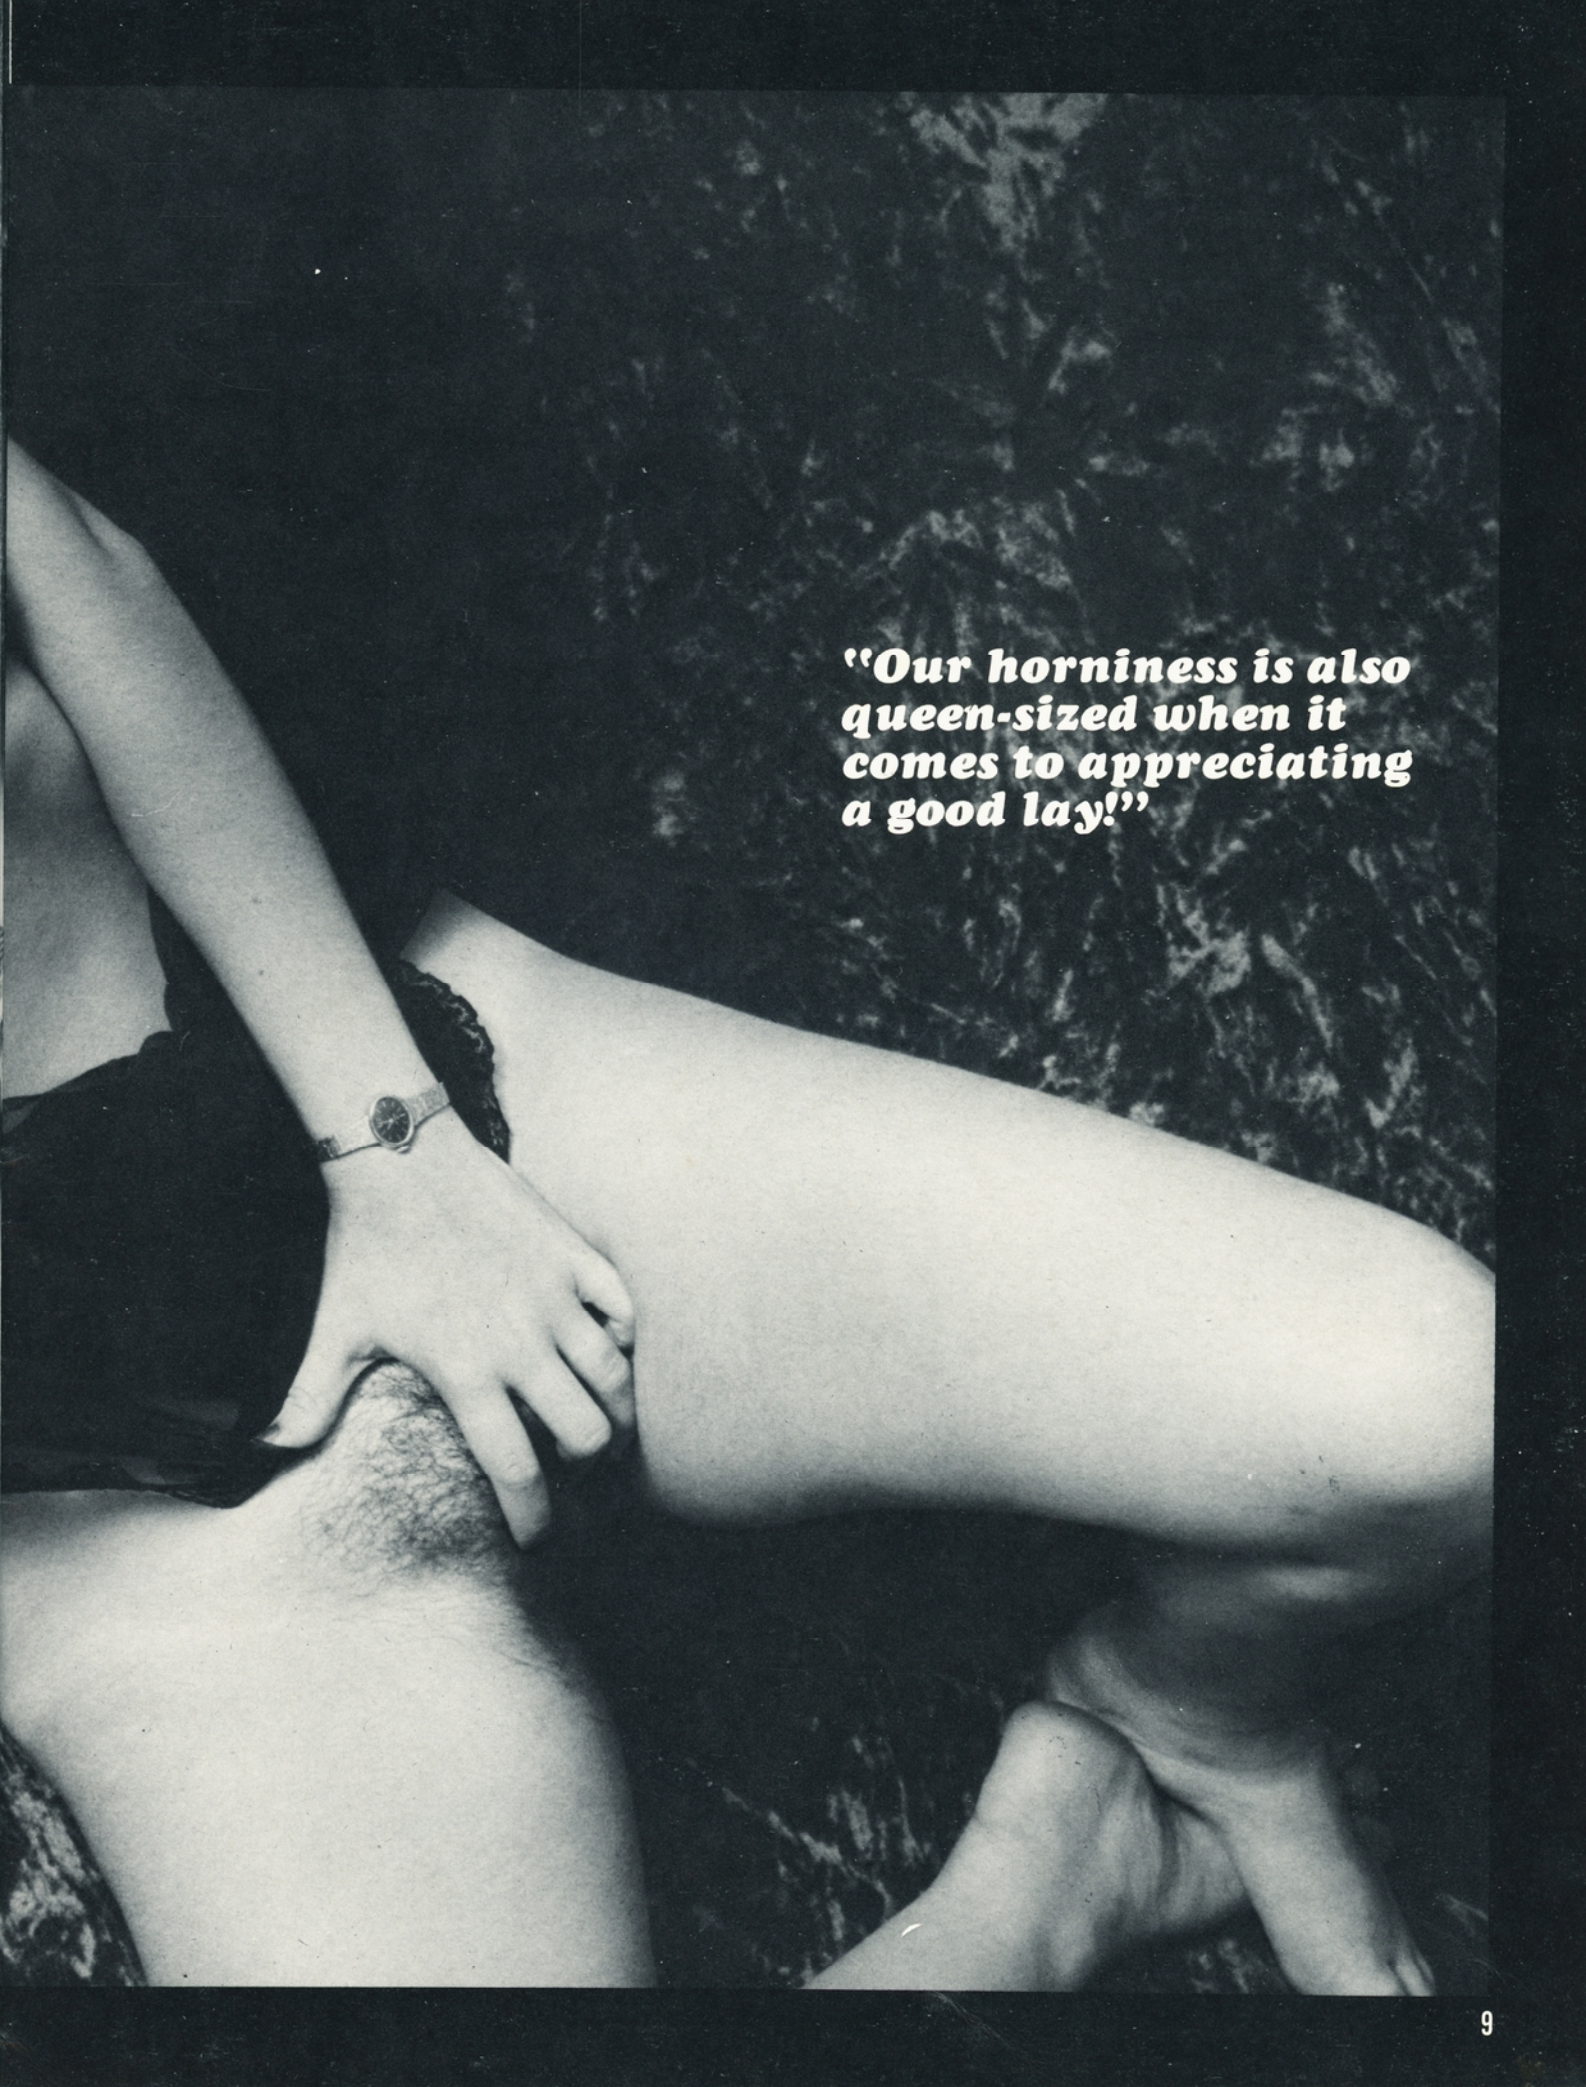

"Personally, I like to get fucked between them as part of the foreplay. It does a lot for a gal to feel a good prick swell up and explode right into her face as it rides back and forth between breasts, right? Kind of gives us a sense of femaleness because it

"Titty-fucking has gotta be the ultimate turn-on for a chick!"

A black and white photograph showing a person's legs and arms. The person is wearing a dark, possibly lace-trimmed, garment. Their right arm is resting on their left thigh, and they are wearing a watch with a dark face and a light-colored strap. The background is dark and textured. A quote is overlaid on the right side of the image.

is so easy to make a guy come that way. "Most chicks don't have enough tits that a guy can fuck in between them. That's where chicks like me have an edge, dig?" "And don't think we haven't learned how to use that edge, not just to make a guy come — but to make him keep coming back for more!" ●

"Donna's my name, and coming's my game. Like, if there's a better feeling than that fabulous surge of pleasure that a chick gets in her pussy, and from all through her body, well, I just haven't heard about it.

"I sometimes have to wonder about my hangup with my tits and my split. Like, they're on my mind day and night. Really, half the time I just can't keep my hands off my pussy or tits. Actually, it's be-

cause they're so responsive to the touch. Anybody's touch, not just my own. Sometimes I wonder if other chicks are creamin' half the time, and comin' the rest of the time, like me! "For a while, I figured I was just oversexed, you know? Like, if I haven't been fucked by some dude at least once a day, the whole day has been a friggin loss, right?"

"But, since I've compared notes with other chicks, I've discovered that I'm only normal. Hell, all the chicks I know are as horny as me!
"What we need in our Chicago neighborhood is a couple of good dudes who can stand the kind of pace we chicks can set!" ●

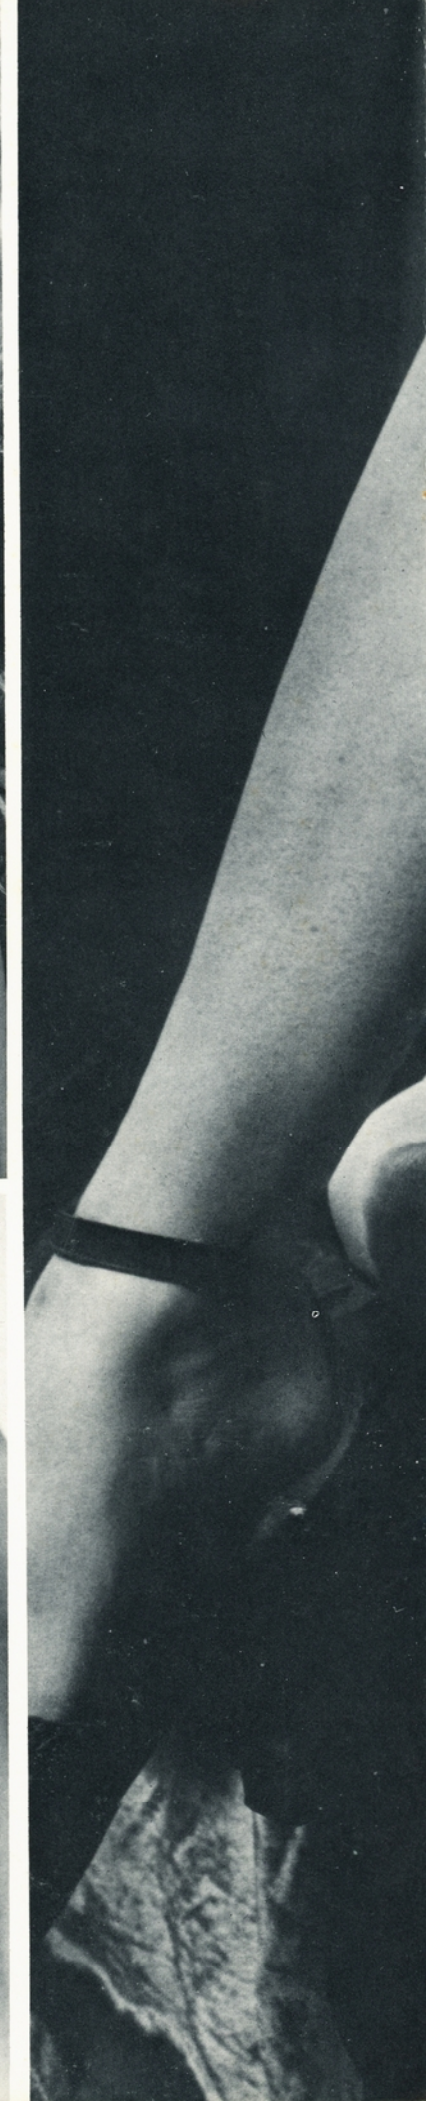

"I've been hung up on fucking ever since I discovered the fantastic feel of a hard, long cock slamming in and out of my pussy. Sure, it takes a lot of time, but after all, what's time for but to use doing and thinking about the things that turn you on, right?"

"My first fuck was when I was fourteen, and I was lucky,

PLEASURES OF MYSELF

because the boy really knew what he was doing. Boy? Hell, come to think of it, the guy was nearly thirty! No wonder he had a great style, the way he stroked that cock of his in and out of me, with a little side lurch that had my clit screaming for a climax!

"He was the first, but in his way he is still the first in my mind. They say a chick never forgets the dude who's nailed her the first time. Maybe that's so. I know I'll never forget him — mainly because he had such great style. But there have been guys since him whom I'd just as soon forget. Not that they

a day, it's a total loss!"**

**"I love cocks that are

ready!"**

fucked me bad, but
because that's all they
had goin' for 'em.

"Anyway, there's
good fucks and bad
fucks. I guess that
together they are what
my life is all about" ●

MEXICAN SPICE

***Her lust for climax is
matched only by her
ability to give as good
as she gets.***

She's as hot and spicy as the country she's come from, and at times as rowdy as a cantina in the afternoon. She's got the fever of Mexican lust pounding in her veins, she's got fucking in her eyes. She is Terisa, and once you've met her, nothing seems ever the same again. Her amber body is firmly curved, her breasts spiky and warm. But the greatest warmth of all is the hot cavern of lust she

holds buried between
her thighs. It's a
Spanish-styled pussy
that's as tempestuous
as a conga beat —
and just as heady
when the night is
shared together.
Her lust for climax is
matched only by her
ability to give as good
as she receives. And
giving and getting is
what it's all about
south of Terisa's
border ●

You will surely remember Samantha from several months back. Here, due to popular demand, is a further taste of this brown sugar.

"Nothing turns a chick on more than knowing she is appreciated for the sex symbol she is. If I wasn't a sex symbol in the eyes of the men I know, I'd go out and replace them with guys who dug me sexually. Hell, if I want to talk to a man, I can use the telephone. When I'm together with one of them, the hell with conversation, I wanna fuck! And that's what he wants, too. At least the kind of dude I want to spend time with does!

EROTIC ENCORE

"Why spend time sitting around talking, when there's climaxes and all that good stuff to enjoy, right? Believe it baby, I couldn't be more right than I am!"

"Just what kind of talk can match the feel of a hard driving cock shoving back and forth against a chick's clit and kinda driving her across the bed and up the wall? Baby, that's where it's all at when it comes to me — and dudes like you!" ●

UP MAMMARY LANE

"When my mother named me Maime . . . Maime Lane, she had no way of knowing that by the time I was fourteen I'd look like a cow that had missed milking time, and that guys would be calling me Mammary Lane, which soon became

Mammary Lane!

"Really, I dig it though, because I got a set of tits that keep the dudes around San Diego comin' all over themselves trying to get a feel to see if I'm real. Believe it, I'm real!

**This chick has been
down on everything
but the Titanic!**

"The neatest thing about my tits is that they're so sensitive to the touch. Especially a dude's mouth! Once a guy starts suckin', I start comin', and wanting to make him come, too. "It makes me very popular around the navy base here, right?"

**For the San Diego
guys, there's nothing
like a cruise down
Mammary Lane . . .**

So far, I've been down on everything but the Titanic. These swabbies sure know what it takes to make a chick like me come.

"And in the meantime, I sure know how to make the guys around here, too . . .

"Make them come, that is . . ."
