Honky-Tonk Woman

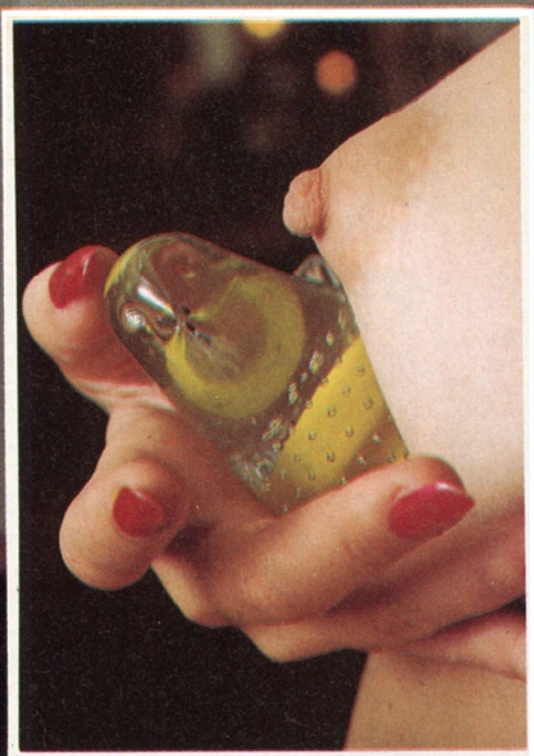

"Vice is nice, but
liquor is quicker."

"Give me some booze and
I'll give you some cooze..."

"Here's pud in your eye!"

W

hen I put somethin' between *my* legs," coos Carla P. (the brunette half of this pussified pair), it usually the fired-up engine of a mutherfuckin' motorcycle. I stick my naked slit on the cycle seat and then rev up the rod till my clit vibrates!"

"Yeah," sighs Wanda S. (better known as the Blonde Bomber), "but when she gets revved up and ready, it's always *me* she cums to for a cum. Humpin' the Honda can make her steam—but only *I* can make her cream."

How would ya like to sniff
this cycle seat?

WANDA FLIPS HER WIG

**"Wigging out with Suzie," says the
fair and foxy Wanda,
"is a hairy
sexperience."**

“And the best thing for a horny hangover . . .

... is some hair of the pussy that bit you."

BORN YESTERDAY

She's young, she's tender and she's innocent. But Judy H... just discovered the pleasures of her own body and, like a baby with a new toy, she just can't keep her hands off the secret, sensitive areas that make her feel "so giddy and funny inside ..."

"Sometimes I make
myself so dizzy
I forget all about
doing my homework"
