Mary Lou Fancher is from Mo-Town, Detroit, the first city of Soul according to some. But you hear a lot of that: Philadelphia, D.C. Detroit. The truth is, wherever Mary Lou is staying is the first city of soul. Well, let's welcome Mary Lou Fancher to the celebrated Los Angeles Bazoom Zoo, because she's here now sharing the company of the biggest names in the business. We've got excerpts from a new interview with our feature starlet and you may all be surprised to hear a young woman speaking with, with the verve of this one here. Hold on to your horns. Here we go. . .

“Yeah, I guess you could say I’m pretty well built. And I’m glad about it now, but there was a time when it did me dirt, the whole thing of having big boobs and such. I mean, when I was fifteen my tits was as big, or almost as they are now. And just before then they weren’t too much smaller. Most of my whole body, in fact, looks now just about like it did then.”

**"I'm a total woman, not
just two enormous, big bazooms."**

“In my neighborhood back then, being young and so on, you know, good-looking, it was half and half. Like half good times and half bad. There were some boys who had some big plans for me. But I didn’t get mixed up in any of that. I was living this life where I almost could have been on the street, but worked with little girls in the neighborhood instead, in the girl scouts.”

"I go without a bra whenever I can. But I like to have a good cleavage sometimes too."

**"My interests
now are making
money and
making my
life easier. Oh,
and making
love too."**

"I guess my interests now are modelling, making money and making my life easier. Oh, and making love, too, as much as I can without getting stuck on one guy for good. The good life for me would be to have one house in Hawaii, and one house in Detroit and maybe some children one day, but first a man I'm really crazy about. My modelling career is going to get better. I want to do some movies in the future and I love to sing, so I've got a lot of things to look forward to. Lots of possibilities."

**"I'm pretty well-built
and I'm glad about it, but
there was a time when it
did me dirt being so big."**

**"Everybody stares at my tits.
Sometimes I wonder if men think
about my pussy."**

**"I like my nipples sucked
so hard they almost pop."**

“My tits have a life of their own really. It doesn't matter what I do they'll always look good. And I go without a bra whenever I can. But I like to have a good cleavage sometimes too.”

"Everybody stares at my tits. Sometimes I wonder if men think about my pussy before the very minute they see it. Sure, I like to accent the breasts, but I'm not just two walking tits. I got an ass, a pretty ass, I think. I've got a pussy, and a tighter, warmer one you're just not going to find too many of. I'm a total woman, not just two enormous, big bazooms."
