young milfs are hot

I just had to write because I bagged my first twenty-something last night. I was at our company picnic that was being held at a large local park. The weather was nice and there was a huge turnout. I had only been working at the company for a year since my transfer from Louisville, so many faces were new to me.

One of them was this hottie named Alana. She was sitting at one of the picnic tables eating some potato salad and there was an open seat next to her so I asked if I could sit. The table had another six people sitting and the noise level was quite loud. I introduced myself to the people around me and to Alana. She said hello and little else for several minutes.

I tried to get a conversation going with some short questions, where did she work, how long, did she like it. Her answers were short but very polite. She also asked about me and I told her. After a half hour or so, the table cleared and Alana and I were the only ones left. I asked if I could sit opposite her and continue our conversation. She said fine and we talked away the afternoon. I found her fun, vibrant, full of things to say about the company, some good some bad. And married.

Turns out she was a departmental manager with twenty staffers under her. I told her I was in marketing and hoped to stay a long time. As the day wore

down we went on our own ways but at the end of the day as we all gathered for a little pep rally from the bosses, she came up and stood beside me. We said 'Hi.' again, and she asked if I wanted to get a drink after the picnic. "Just the two of us?" I asked. "Just us." she replied.

This hottie just asked me out? I can't wait. Truth to be told she is really hot. Later we met at a local bar/restaurant and had dinner and drinks. We laughed throughout it and I became more and more infatu-

ated with her. Her eyes were mesmerizing and her body was killer. As the night wore down the conversation got hotter and more suggestive. She said her husband had moved out a month ago to be with another man and she hadn't quite recovered from the shock. Suddenly, she asked if I would come home with her and after initially refusing, I thought better and said 'yes.'

We went to her home and it was very nice, like an interior designer had worked on it. We wasted little time getting it on. The dinner conversation and a few extra drinks made us ready for this. She went to her bathroom to get comfortable and she told me to strip down and sit on the bed. I covered myself quickly with a pillow. My cock was very hard and I was a little embarrassed. She came out of the bathroom, naked. Wow, did she look good, but before I could get a better

Helloooo Holly,

Your one of my favorites in the biz. When I watch your videos, I especially like your Brit accent. It reminds me of my ex-wife from London. Sometimes I close my eyes when your fucking on video and pretend it's my ex making those sexy noises.

— Tony, Birmingham

look, she came over, flung the pillow off me and took my dick in her hand, bent down, looked at it hungrily, and licked the tip of it.

As the head of my dick disappeared into her mouth, she surrounded it with her warm lips. As soon as she began to suck on my cock all the nervousness just fell away. Turns out she was a really good cocksucker. She slid her hand under my balls and gently began massaging them back and forth as she sucked on me. I stopped her and sat up. I then moved on top of her,

down to that lovely pussy of hers. As I slid my hand over her wet pussy, she thrust her pussy at it. She was like a wanton woman by the time I got two fingers deep inside her. I strummed her clit with the fingers of my other hand. Soon she was right at the edge of no return and begged for me to suck on her clit and make her cum, which I obligingly did.

Thankfully the next day was the fourth and we stayed in bed all day, fucking another two or three times before I had to go home. At work we would see each other passing in hallways and always smiled. It's two months later and while we haven't reunited, I'm sure we will. Or not.

— Shawn, Columbus

Dear editor,

I love older women and they like me. Once they know that I'm interested in sleeping with them, the task is so much easier. Since I moved to this high-end suburb of Cleveland, I've been getting all the mature nookie I can handle. I found a job at a small hair salon whose clientele is just my type. Please don't think of me as a predator, think of me as an opportunist. One that knows how to make sexual opportunities for himself.

It is wholly managed and owned by a lovely lady, Lea. She is a great boss, accommodating her clientele and never rude. There are only three employees working at the shop, two ladies and myself. I'm pretty well built, not gay, and know how to charm the ladies. Lea's now divorced saying the shop is her current lover. She has a great sense of dressing. She mostly wears skirts in the shop. We are frank to each other. During lunches, mostly talk and pass our time, as fewer people come in at noon time.

Soon she was right at the edge of no return and begged for me to suck on her clit and make her cum, which I obligingly did.

skin to skin. She opened her legs and I got between them. Her nipples were nice and very hard and, as my cock nudged her pussy, I could feel she was bare and smooth down there. I kissed her lips and then kissed and licked my way down her neck and chest to her hard nipples. I took each one, in turn, into my mouth as I licked, nibbled, chewed, bit and sucked on them as hard as she could take it. All this time she was squirming below me and my dick was knocking on her love hole.

She moaned out loud pushing my head south and on to her now soaking pussy. I kissed and licked my way

Today, it's 8:30 in the morning when I left my home for the shop. I'm always punctual. I'd reached the shop 10 minutes later since it's not far from my house. Truth be told, Lea, who is 43 years old, is very attractive. This morning she's wearing a black skirt just a bit shorter than her knees. She's as tall as me with blonde hair, a sexy ass, and full womanly breasts. I was attracted to her from the moment I interviewed with her. It was quite busy today and we were tired by lunch time, so she decided to close the shop for an hour after looking at the afternoon bookings. Nobody was in the shop except us. So we started our inevitable conversations as usual about the clients and their problems we always seem to hear about.

During our break, Lea invited me to stop by her house tonight on the way home for a drink. She was leaving early and I could close the shop down. I said that would be nice and she left in the early afternoon. I decided to go home first and freshen up and then left for her place. As it was a casual invitation for drinks, I wasn't shocked to see her in a housecoat while opening the door. Tasteful but sexy.

I entered the house and she invited me to sit on the sofa. The drinks were already on the coffee table. I thought to myself 'You're trying to seduce me, Mrs. Robinson.' Not knowing what to say, which is a first for me, I blurted out, "Do you dress this way when company's coming?" She smiled at me and leaned over to get the drinks for us. Of course, her boobs fell forward filling the flimsy bra top underneath.

She handed me a glass of wine and held one for herself. I decided, 'what the hell,' and sat back on the sofa making myself comfortable. We started drinking. After a couple of glasses more, the conversation became more heated. I'd like to play a game of cards. She brought out a deck when I agreed. After playing for sometime, she asked to add a new rule to it. Every time when one person loses he/she must take off a piece of clothing. Sounded like strip poker to me, and I knew I was a winner because she only had on a few things.

She won the first hand. I quickly unbuttoned my shirt. I was quite horny by now. The next few hands

were won by her and I didn't lose on purpose. I ended up naked. She lost the next three hands and by now we were both naked and a little tipsy. I stared at her boobs and felt my cock throbbing under the table. "Well, what do we play for now?" she asked coyly. I volunteered that we could play to see who is going down on the other first. She was not surprised and dealt out the next hand. I lost, that is... I won.

That is, I lost the hand and she got to go down on me first, so she got down on her knees and started playing with my member. It felt great when she licked

the tip, then took it inside deeper. She asked me to fuck her mouth, I did exactly that as she twirled my swollen balls in her hand. We both were moaning, and when I came in her mouth, it seemed she came too. My cum was dripping out of her mouth on her breasts, she rubbed it in, and let me do it, too. I licked my own sperm off her nipples, she was breathing deeply, then I slid down and put two fingers inside her. While I was fingering her, I also licked her clit. She asked me to keep doing it.

She soon came and shouted out loud in ecstasy. We lay on the sofa for the next few minutes, then went to her bedroom. She lay on her back, spread her legs and told me to fuck her. I got on top of her and thrust my dick in. We talked dirty as we fucked. Laughed about some incidences at the shop and ultimately fell asleep in each other's arms. Fortunately, the next day was Monday and the shop was closed.

Guys will approach me in the clubs because I like to wear really low cut dresses and my boobs are just about all exposed. I'll put some body shimmer on them so when the lights catches them, they sparkle. I make sure that I bend over a lot and adjust them as the night goes on. If that isn't enough to get a guy's attention, then nothing is.

My instructor George tells me I'm a quick learner, but I think I get easily distracted. I accidentally hit him in the wrong place. I don't think I hurt him but he said I did. Then he told me how hot he thought I was. I told him to get his nose back to the lesson or I'd hit it too. But what I really wanted was it in my pussy. We sparred a little in the ring and finished the bout horizontally on the bench and on the floor.

Allison & Tyler

Watch our two lovely ladies enjoyed a day of fondling and pussy eating. At first, all starts off slow and sensual, but our lovely big-chested brunette became extremely excited while kissing her lover's chest. Then it's down to the more private areas of her lover's body. She wanted to taste her friend's pussy and pressed her face into that shaved pussy and licked her dry.

**SHE WALKS
IN LIKE SHE
OWNS THE
PLACE**

DON'T CALL HER A BITCH, CALL HER THE BOSS

Claudia knew she looked hot. She always looked hot. That was the whole fucking point. She was 22 and with crazy wild blonde shoulder length hair, a great body, and perfect C-cup boobs. When she walks into a room, the air conditioning turns on automatically. Tonight, it's a short black leather skirt that barely covers her ass and a sleeveless sequined black top that stops at her bejeweled belly button. Silver bangles clinking on her wrists and big hoop earrings completed her look. Jumping into her red Miata convertible, she takes off for the biggest party of the year – Independence Day night at Fyreworx, the Club. She valets her ride and headed into the Club. It was a summer night, Friday, just before midnight. She was hoping to land a big thick cock that had come to the Club looking for a score. The very thought had kept her moist during the ride there. As she walked into the Club, she again felt all eyes look at her and fingers point.

Clubbers moved aside as she walked over to the bar. Along the way were stares and whispers and jealous looks. Undaunted, Claudia scoped out the crowd. Pickings were slim, she thought. many of the women looked good, but the men, not so much. "This is South Beach's best?" she wondered.

He stood up and offered his seat. He was tall, well over six feet. His tanned skin contrasted nicely with a fresh white dress shirt. She could tell he took care of his body. Nice muscles, not bulging, just right, she thought. She guessed he probably played on a basketball team. She looks him in the eyes and thanks him. He offers to buy her a drink and Claudia accepts. He is what she wants. And she'll get what she wants.

She climbs onto the stool making sure her skirt rode high and her cleavage hung low. He was taking the bait. She saw him look, then stare. After a minute the bartender takes her order and another minute returns with it. She takes her Mojito and stands to walk away smiled a 'thank you' at the young man. There was a bulge in the front of his pants. She notices with a smile on her face and decided right then and there to see how well he would play. She walks into the Club's craziness leaving him standing there staring after her. His right hand was rubbing a significant bulge in the front of his pants.

But he did not follow her into the crowd. He was still standing there. He had his phone out and was talking on it. She walked around for a few minutes and circled back to the bar with an empty glass and a stream of wanna-be suitors following

her. He was not there where she left him. He was a few stools away and she overheard him on his phone. "Man, check this out, that bitch is back!" He smiled as she came over to him.

She takes his phone and talks into it: "This is the bitch and you gotta go." Then she puts it down on the bar. "If you're man enough, I'll give you the blow job of your life, and maybe let you fuck my tight ass. Or are you all talk?" She takes the phone from the bar and shoves it into his front pants pocket pushing it into his cock. Looking at him and not waiting for an answer, she says, "This way." and walks away disappearing into the depths of the Club.

He follows her hair above the crowd tops to the back of the Club. Waiting by the Manager's office, she pushed it open and went inside, turning and motioning to him to come inside. Locking the door behind him, she motions him over to a black sofa. She dims the harsh lights and walks back to him crossing her arms over her chest. She looks down at his crotch and on cue he unbuckles his belt and shoves his shorts and boxers down to the floor.

Claudia's blue eyes grew wide. He was bigger than she imagined. Maybe the biggest she had ever seen. Right before her eyes, his missile was rising. It was already very big and she decided she had better grab it before it got bigger. Aiming his cock at the back of her throat, she pulled it into hungry mouth. Then grabbing his sizable balls, Claudia gave them a slight tug and squeezed making him cry out. Pulling his cock out of her mouth, she looks up at him and says "You know

I'm not your bitch but a woman who's going to drain your balls and take my pleasure with you, and you're going to love it. So put your cock back in my mouth so we get this done and I can get back to my Club."

He stepped back not believing what he had just heard. 'Her Club?' Then Claudia smiled and sucked his cock right back into her mouth. 'He's going to feel so good inside me!' she thought as she pulled it back out. When it was out of her mouth, she could see how big the damn thing was. The sight of her saliva coating it and seeing her lipstick most of the way down to the base made her smile. Sitting down on the sofa, she sucked the guy for all he was worth. Long licks down the underside of his shaft; little bites to the skin on the topside; and flicks of her tongue into the slit on his cock head. She really was a good cocksucker and she knew it!

Standing up, she leaned over the sofa and hiked up her skirt over her hips exposing her naked ass. "Are you ready for my ass?" she asked turning her head back at him. He drops to his knees and starts licking her pucker. She could feel his tongue trying to push its way in. He stands and pushes the tip of his cock forward into her tightness it was something that made her tremble and think she might cum on his very first stroke. As if reading her mind, his big right hand slapped her ass. As he sank the last of himself deep into her anus, he left it there and she worked her muscles tighter around him. At the tightest squeeze, he pulls back and jams it back in establishing a rhythm that lasts for a long five minutes.

Claudia tells him to rub her pussy as she reaches back between her legs and grabs his swinging balls. Again she squeezes them and rolls them

around in her hand. She looked back at him and he was leering at her with open lust and unconcealed desire. Looking into his eyes, Claudia takes his hand from her pussy and pulls it up to her mouth licking her pussy juices off it. Watching her do this, he slams his huge cock deeper into her ass over and over again.

She moved her hand from his balls to her pussy and rubbed her clit harder and harder as he was drilling her again and again with his nine inches cock while never pulling out! She felt her orgasm beginning just below her belly and then exploding down to her toes and up through her stiff neck. Her nipples tightened against the fabric like she had not experienced in years! At the same time, her asshole squeezed and strangled the huge rod stuffed deep up inside her. He pulled almost all the way out and then with one last deep plunge, he slammed her ass and spewed everything he had into her.

She squeezed one more time and his softened cock slid out of her butt to hang low and low between his legs. They both slumped back onto the sofa and struggled to get their pounding hearts back to normal and get oxygen moving through more of their bodies than just their genitals. After a moment, Claudia walks over to the office desk and pulls the middle drawer open. Reaching into it, she pulls out a small stub of paper.

The guy had stood up trying to stuff his half-limp dick back into his pants. She walks over to the door and unlocks it and then walks back over to him. She hands him the business card sized paper and he looks down at it.

"Good for one free drink. Compliments of Claudia and the Fyreworx, the Club. Expires tonight."
