WHY CAN'T PAM EVER HOLD STILL?

She's Hot and Ready!

FIONA

Fiona is a beauty
who loves to flaunt
her charms as much as she
loves good times and sweet
dreams. She is truly the
stuff sweet dreams are
made of—wet, warm lips
smiling all night.

And here's still another of those impatient girls who can't hold still. We'd say she has hot pants, but she isn't wearing any panties. Fiona can't quit playing with her nipples and her pussy. Why does Fiona play with them? Well, because they're *there*, and because they're hot and wet!
