a marvelous look at

A TIP TO THE NIP

There are as many different types of nipples as there are breasts. Everyone has their favorite type that includes size, color, and quickness to maximum arousal.

While we are not the final word on the nipple, we feel we're pretty good judges of them, if they need judging at all, which of course, they don't. But we digress... Nipples provide a vital human function, and therefore, are noteworthy. So sit back and take notes.

WorldMags.net

a marvelous look at the nipple

The world of nipples and areolas is a world unto itself. An erogenous zone that demands it's own attention. Yes, it works well in conjunction with a good pussy or ass fuck, but it has its own cum-uppance!

Going clockwise: small nips, licking' your own, inverted nips, almost invisible nips, and a hard half-inch long nipple that's just been sucked to full length.

One of our favorites configurations is the inverted nipple, below. What's cook is that after some coaxing with tongue or finger, it comes out from hiding to join the action.

a marvelous look at the nipple

More nipple action including: pulling those nips for fun, pain and pleasure; then there's the whipped cream nipple sundae that we all should try at some point in life. Seems no matter the body size and shape, you can't predict what a good nipple will look like (to us, they all look great!). At the bottom: A scene all of us men would like to see... a nipple licking and sucking sixty nine!; and finally, in the middle, the pierced nipple. You'd be surprised (we were) at how many piercing we run across (a lot!).

FOUR YEARS IN COLLEGE AND I NEVER SAW BOOBS LIKE HERS

I decided to move off campus for my senior year here at the university. I was in the dorm last year but want to be a bit more independent and start a real life. I've come to learn that I have to make my own meals, go grocery shopping, do my laundry and all kinds of grown up stuff. But it also means I have my own apartment and I can do whatever I want – to whomever I want.

The off campus neighborhood that I live in is full of students like myself, all going through the daily motions of school and after school. Some of my weekends I spend on campus, but more and more I'm off campus. Across the street live the Harmons. The oldest daughter is named Marsha and she's a senior also but she's in the Engineering College.

She's a very pretty girl with a caring heart. When I moved into the neighborhood, my dog ran away and she helped me find it. Afterwards we became friends and walk to school together and talk about all sorts of college-type things. She would tell me about her boyfriends. I told stories of my girlfriends... about love and hate and infidelity.

Marsha said that when she first went to college she started wearing skimpy tank tops that showed off her body and especially the size and shape of her gorgeous big breasts. Her shorts became shorter, and she got more adventurous with her love life. Her vow of celibacy was out the window by her sophomore year. She even admitted that she had developed a reputation as a champion cock teaser, a young

I suspected that she had a boyfriend in college. Still, she was always friendly to me, and I saw a lot of her at one place or another in the neighborhood. She worked out at the athletic club just down the street from our houses. I worked out there as well, and we often spend time together there. She always wore running shorts that were as thin as skin and a slim bikini top that allowed her ample boobs plenty of fresh air as she worked out.

One afternoon after working out at the club, Marsha and I walked

home together. She told me that she was feeling stiff from the workout and asked if I wouldn't mind giving her a short massage, and she would return the favor. For me, opportunity merely to touch her, even if it was just a back rub, was like a dream come true! Yes, I have had those types of thoughts about her, but have been very careful not to say or show anything about my lust for her, and her breasts.

As it turned out, Marsha's parents and siblings weren't home, so we had the house to ourselves. She led me right into her bedroom, kicking off her shoes along the way. I followed her like a dutiful puppy through the hallway and up the stairs to her room. When we got there, she plopped herself face down on the bed. Her shorts outlined the shape of her sexy ass. It was wiggling invitingly, and filled my head with all sorts of ideas.

"This is going to feel good," she said, slipping off the shorts. I had no idea they even made such skimpy pants. These were tight and revealing. "Oh well, I guess I might as well take this off as well," she said, slinking out of her top, letting those big glorious breasts loose and pressing down against the bed from her body weight.

She had a small bottle of massage oil that she kept in the night stand drawer; and laying on her tummy reached over, opened the drawer and pulled it out. I took it, put a little on my hands and rubbed them together to warm it up. Then, standing by the bed, I proceeded to run and knead her back with long soft, but strong strokes as she moaned beneath them. I worked the oil onto her long athletic legs, being care-

ful not to get too close to where I shouldn't be going.

Then abruptly, she rolled over as I was working her feet. Her hips came first and her breasts followed. She made no attempt to cover them, but rubbed them a little to wake them up after lying

said that I forgot a couple spots. I laughed nervously and apologized saying I didn't want her to think wrong of me. She just smiled as my second hand came back and caressed those perfect fleshy, mounds.

Her nipples got harder and hard-

on them. As she did, I noticed her nipples harden just a little. She looked at me as if to say, 'what are you waiting for?'

I warmed up some more oil on my hands and took a couple steps up the bed to begin with her shoulders. She closed her eyes and started those sexy low murmurs again and my pecker was raging inside my shorts. I worked my way down her chest, trying not to touch her nipples. I massaged the sides and under her breasts but stayed away from the tops. She took one hand and pulled it back to her breast and

er as I swirled the oil on them. Her moans got a little louder but I kept my actions righteous. Not wanting to linger too long, I moved down her body to her thighs and continued there all the while looking back up at her large breasts. When I got up to where her legs meet her hips, I slipped a hand under her panties and into the crease, rubbing and pushing down so she got a good massage. She suddenly lifted her hips and in one swift motion Marsha pulled her panties down and off her legs saying, "You can't do a good job with these on."

Suddenly the room filled with the musky smell of wet pussy. We had showered at the club, but the massage must have ripened her lady parts. With my monstrous hard on, I was tempted to take off my shorts too! With her legs spread and her ass lifted slightly, Marsha's pussy was about to get it's own massage. Her lady mound was clean shaven, about three or four days ago, because stubble was reclaiming the surface once again.

Mostly though, what I saw were two tantalizing pussy lips, glistening with the oil I was applying to them. My cock was twitching uncontrollably and she must have noticed. She ran a hand up my

But before I could answer, she had my shirt off and was easing me onto my back. She pulled my shorts down past my knees, then my underwear, which snapped past my cock. That didn't surprise me, since I felt as hard as a hammer. I closed my eyes, waiting to feel her turn me around so she could rub my back. But the next thing I felt, however, was her warm, wet mouth on my firmness. I opened my eyes to see her head moving up and down and her soft warm tongue lapping all of my cock with amazing energy.

"I hope you don't mind if I skipped the massage and do this instead." She didn't wait for

me over the edge. Then she took my balls in her mouth and gave them a good soaking. I felt her tongue separate them and lick each one. I said, "Are you trying to make me cum?"

She went to work at a feverish pace, taking my meat all the way in her mouth again, her tongue moving against it like dog licking his last bone. Every few seconds she'd take her mouth off my cock to urge me to shoot my load. Finally I was ready to explode and told her so. Marsha backed her head away but kept pumping with her hand until the spunk flew out of my pecker in a torrent of light globs that landed right on her huge boobs. Pushing one up to her mouth, her tongue playfully licked at the pearly drops and lapped them up, all the time stroking my cock until it was emptied and soft.

She then crawled up on me and sat right on my face. "Sorry, you'll have to finish me off now. That got me too excited!" she said. I thrust my tongue deep inside her wet slit as she held her pussy lips apart and fingered her clit. With her other hand she rubbed my cock bringing it back to life and when it did, she leaned over and took it in her mouth and sucked it in. Her sucking suddenly stopped and she finally came as her body shuddered on top of mine. She straightened up, got off me and gave my cock one last lick.

leg and found it. Without saying a word, she looked up at me and squeezed. I nearly collapsed right there. It was all I could do to keep from cumming in my shorts when Marsha said, "Would you like me to do you now?" I cannot tell you what I was thinking at this point.

an answer. She just went right back to sucking me off. Marsha's mouth moved smoothly up and down my cock. Her teeth never touched it. I could feel the tip of her tongue massaging my sensitive vein. She stroked me as she stopped sucking, almost sending

Marsha and I have since spent many such afternoons together. We go down on each other all the time and she has learned to swallow my cum. And thanks to her, I have become an expert at eating pussy. Now that's what I call a lesson learned.
