Sperm This Picture!

So it's *D-Cup*'s first anniversary and instead of having a wild sex bash like we deserve, here we are, holed up in the office, putting the finishing touches on yet another issue. We're as amazed as anybody that in only one year we've come out of oblivion to transform ourselves into a hot-selling, international publishing phenomenon. How we did this can be partially attributed to the fact that in every issue we give you page after page of beautiful, kinky, big breasted women spreading open their pussies. But that's only part of the story. *D-Cup* is a magazine with *attitude*. We are, as far as we know, the only publication on the planet offering a skillful editorial mix of hot sex, political satire and existential philosophy. We've been dubbed "The Intellectual Journal of Big Breasts," which probably means we give you something to think about while you're beating off.

One thing is clear: people have been buying *D-Cup*, reading it and writing to us. Our volume of mail has been overwhelming. We do read every letter, print as much as we can squeeze in, and hope that you will continue writing. Letters are the lifeblood of any good magazine.

As a special treat for our anniversary we are offering ten free video tapes of *Girls of Double-D Part II*, the breathtaking sequel to the bra-busting film starring Ebony Ayes you first read about in *D-Cup*. Get the details inside. Then there's Danuta, whom you see here. In Germany they call her "Bosom Wonder #1." We call her the Golden Frauline and we're just glad that, for the first time, she's gracious enough to show you her pussy. Next, there's "All the Senator's Semen." We humbly suggest that after you've thoroughly spermed it, send a copy to your representative in Washington, D.C. We've also begun a comic strip, *Dee Kupp*, the steamy saga of a boobiferous porn film producer who's more concerned with her orgasms than her financial statements.

We hope you enjoy reading *D-Cup* as much as we enjoy bringing it to you. Thank you for buying us. We couldn't have made it without you.

GIRLS OF DOUBLE-D

PART II

Ebony Ayes' Bosomy Body is Possessed By a Frustrated, Small Breasted Housewife!

Starring Ebony Ayes, Keisha, Robin Lee, Samantha Strong, Tiffany Storm and Troy Tanner. Cinderella Video.

We brought you, in our March/April '87 *D-Cup*, exclusive photos of *Girls of Double-D*, a big breast video that has since taken its rightful place among the mammary classics. Now, exactly one year later, *Cinderella* video is back with the scorching sequel. It's been worth the wait.

Part II focuses on Robin Lee and her husband, Troy Tanner. Their marriage is shaky because of Troy's boredom. One night husband and wife have a simultaneous dream. He runs past Robin to Keisha and it becomes clear that what Troy really desires is a woman with a pair of knockers.

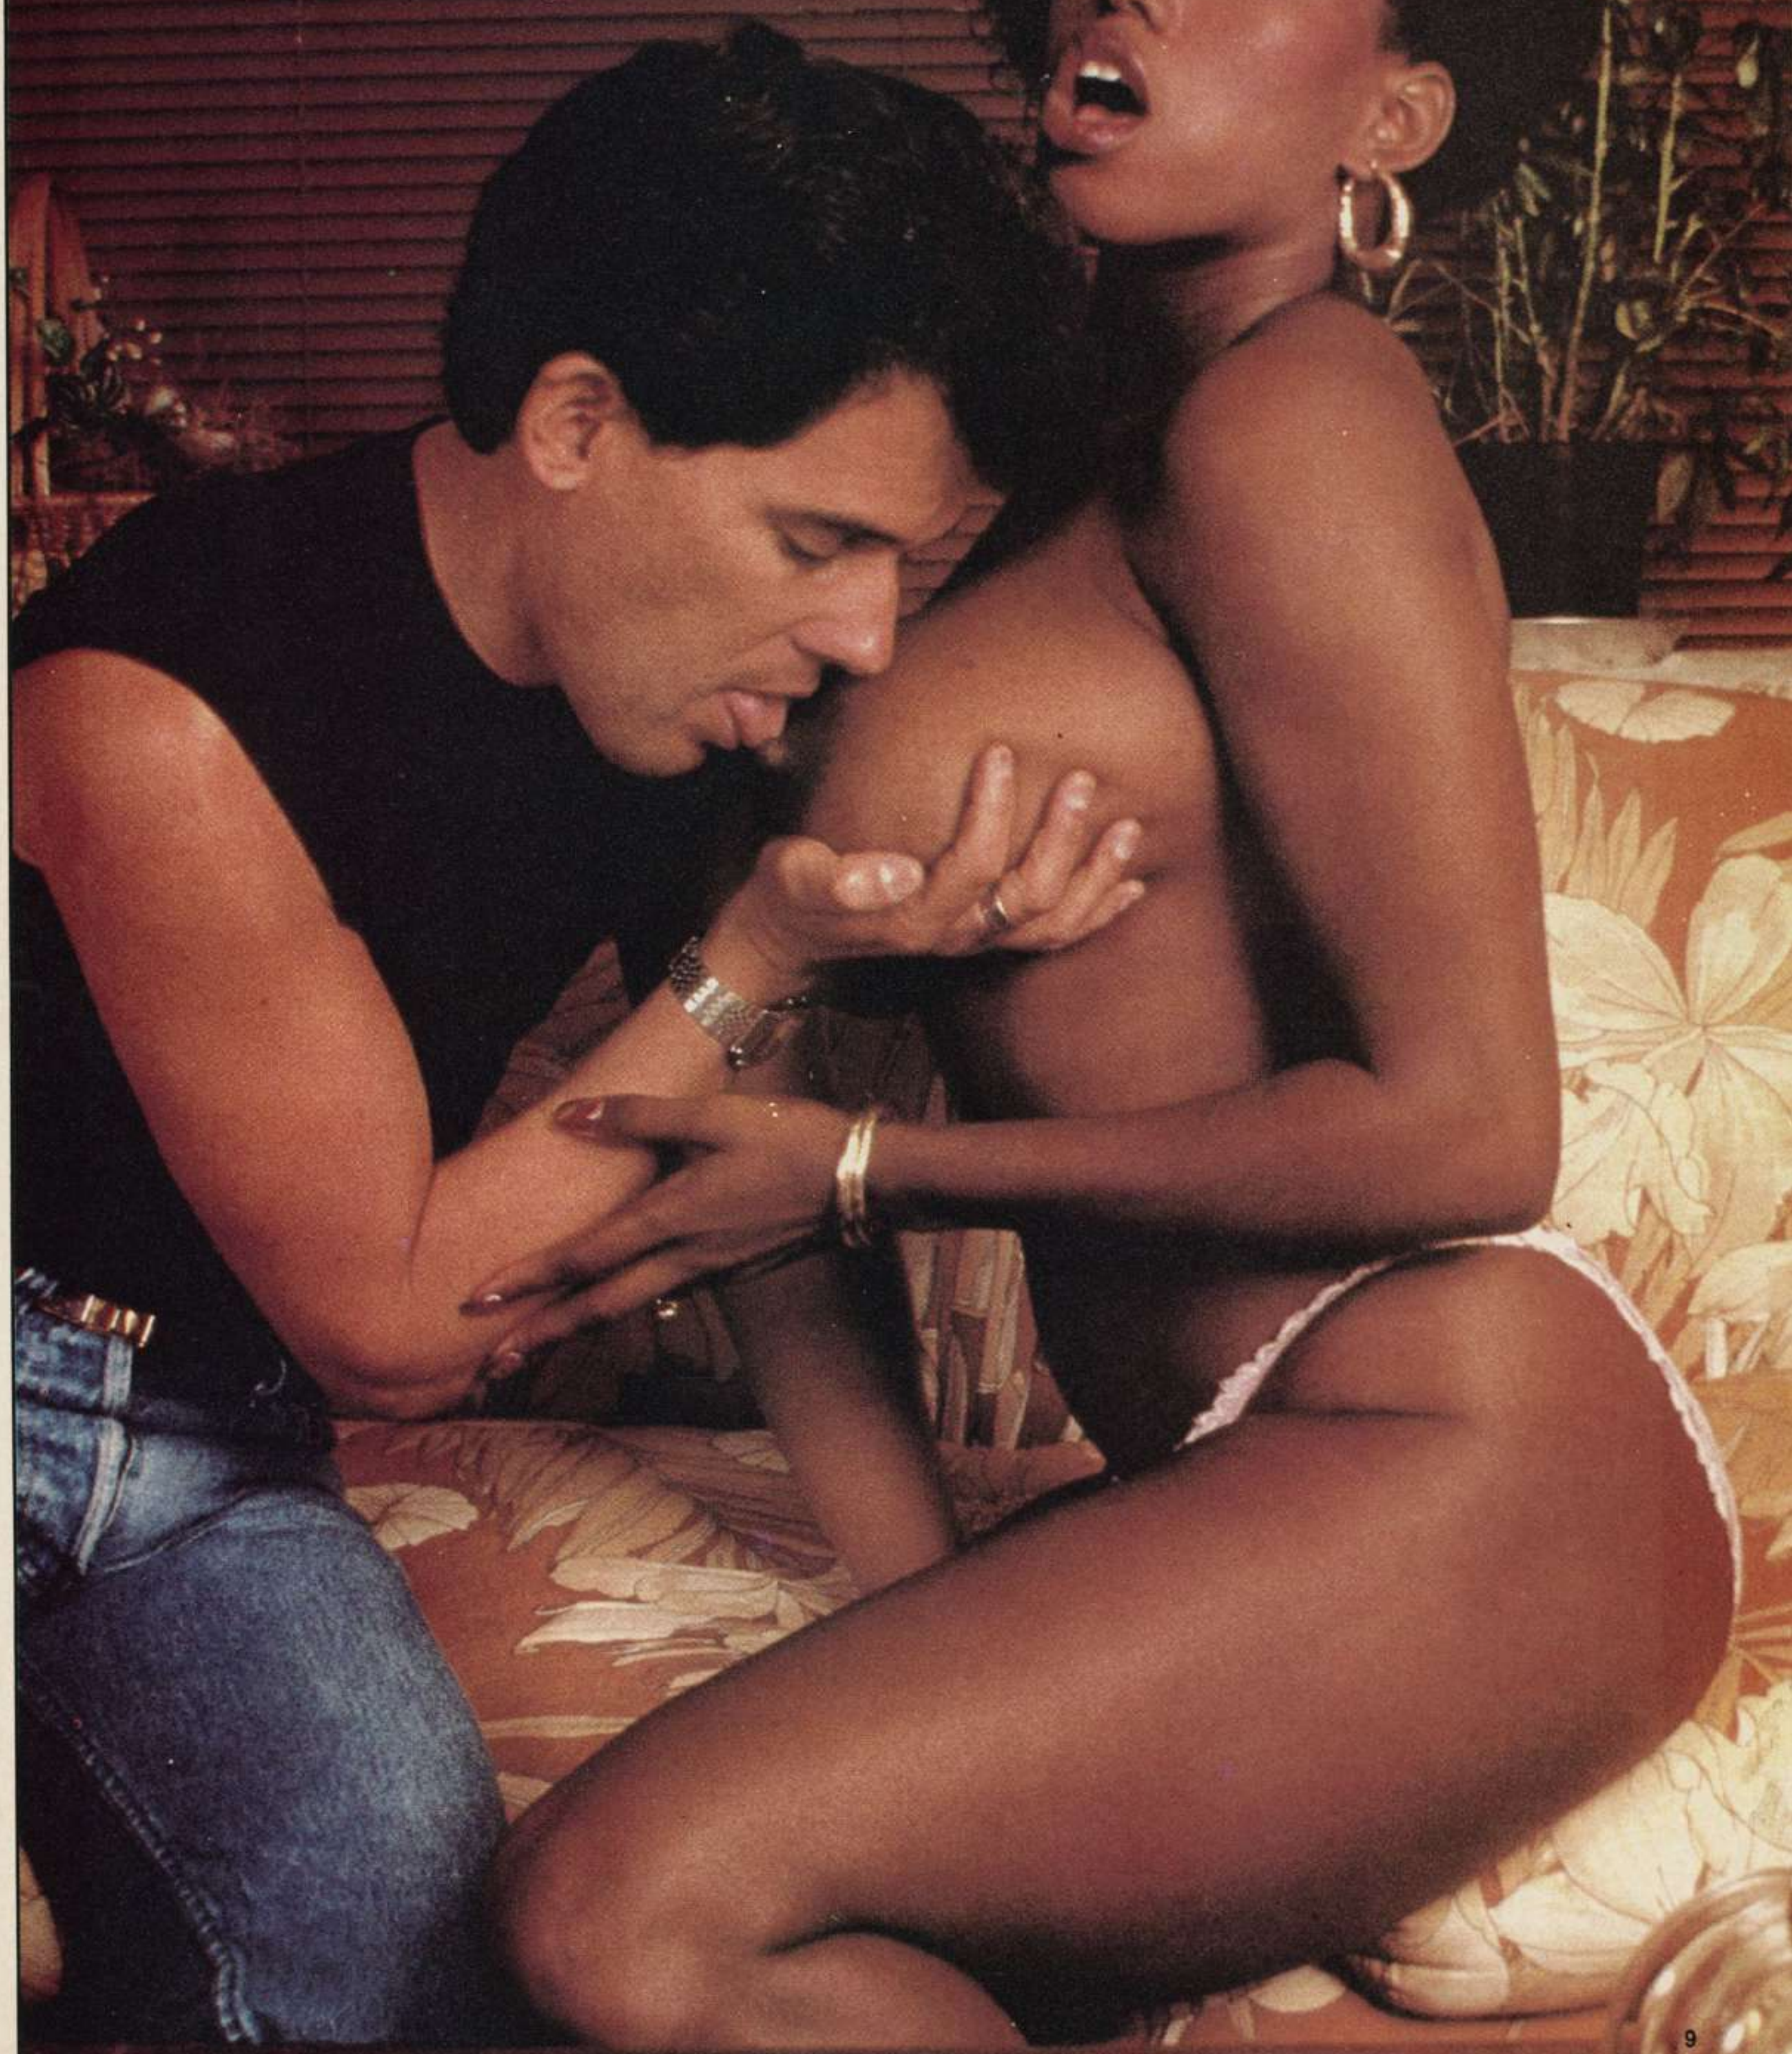

One day Robin opens a mysterious present which turns out to be a magic lamp. She rubs it and who should pop out but genie Ron Jeremy who, inciden-

tally, directed the original *Double-D*. Robin wishes she can enter the body of a big breasted woman. The wish is granted.

Robin's consciousness takes an erotic romp in Tiffany Storm's creamy white flesh. Next she checks out Ebony Ayes' magnificent body. In this intergrated condition she returns home to her husband and tries to explain what has happened. Troy is confused; he wants his old wife back. Robin is impressed by his devotion. She explains to him that there's only one sensuously sinful way to get her back to her original self. In the final climactic scene, a bizarre blend of fantasy and reality, we see how Troy and Robin solve their erotic problems.

If you'd like a **FREE** copy of this sizzling tape, check out our coupon on page 10. But hurry! We only have ten to give away and it's first come first serve!

Troy Tanner enjoys the pleasures of well-endowed Ebony Ayes, who is possessed by the spirit of Troy's flat-chested wife.

Heidi Von Furr Trapp

"Stop and Smell My Pussy!"

When your given name is Heidi Von Trapp and you decide to sprout a pair of 42-inch whoppers that look as if they weigh about ten pounds each, then you show up at the D-Cup West Coast Bureau seeking fame and fortune... Well, let our happily married, anonymous sub-editor tell the tale:

"It was about noon," he says, "and I was at my desk, eating a tuna sandwich when she walked in. She told me her name was Von Trapp and I asked if she had an appointment. 'No,' she replied, 'but I've got a fur trap that'll make your dick squirt and a pair of tits that'll make your heart stop'. Those were her exact words. Damned if she didn't pop open her blouse and stick those things right in my face. I know talent when I see it. I placed an urgent call to our photographer. 'We've got a live one,' I

said. By two o'clock we had her back at the photographer's house on Venice Beach. She was spread out and open for business. A very quiet, professional girl. But there was no mistaking the smell of sex. It poured from her snatch like honey. God, she's a juicy one! 'Mind if I jerk off?!' I asked her. She just smiled. I got off a good spurt and I still had some left over for my wife when I got home that night." Give that man a raise!

"My body is a temple. Won't you join me for a session of rapture."

BIG BOOBED SCHOOLGIRL

More! More! More!

Your November/December '87 issue, with Alexandria, the "Big Boobed Schoolgirl," was fantastic. Is she going to do any porno movies or has she already? Also, is she going to be in future *D-Cups*? Have there been many demands from other readers regarding her photos? Please, please publish more of her showing those luscious breasts and show her in other positions, completely naked.

I am an avid reader of your magazine!

Chris
Uniontown, PA

As you can see from perusing these pages, you're hardly the only fan of Alexandria. She's an English girl and, as far as we know, she hasn't done any porno movies. English girls rarely do hardcore. Compared to the United States, the U.K. is a far more prudish, hypocritical society. It's difficult enough to get them to show us their pussies. (See our layout of Lu on page 72.) Once they flash a little pink they're branded a slut and will never be invited to have tea with the Queen. If we can get Alexandria to pose again, we'll happily run another layout. In the meantime, be content with another photo.

Honey Pie," beginning on page 68. Oh Baby! I particularly love the next to last shot showing that beautiful shaved pussy in all its glory. I can almost feel the prickliness of her hair stubs as I lovingly and slowly roll my tongue over and over them. Then I part those delicious bare cunt lips and transport this doll to Cloud 9!

Seriously, all kidding aside, I do like *D-Cup*. (After all I bought it didn't I?) And I'm not the sex-crazed maniac the above might indicate! I'm sure you realize I write only in adult sexy fun!—like you guys do! I have discovered my erotic imagination knows no bounds when I have a magazine like *D-Cup* in front of me. You may be hearing more from me. Keep up the good work.

Sensually yours,

K. C.
Naples, FL

P.S. I'm "bad" but oh, ain't it nice!

LUSCIOUS CUP

I bought your magazine for the first time today and immediately fell in love with "Big-Boobed Schoolgirl" Alexandria in the November/December issue. What a honey! I particularly like the very first picture on the left-hand side of page six. My cock stirred and twitched in my pants when I saw this shot. Then I imagined those luscious lips wrapped around my rod and her beautiful head twisting and turning and bobbing as she blew the pure shit out of me! Eventually I shot my huge load, acquired from days of no sex, and it splattered all over her fantastic face! She smiled contentedly and happily proceeded to rub the gobs she didn't eat, slowly over every inch of her super-luscious boobs

until they took on a slippery, milky-white sheen! And that was only the beginning!

I'm a big-tit "plumper" type woman lover and let me tell you, Justice Howard really gets me going. The shot of her on page 23 is really great. Those luscious, big thighs and heavenly, huge titties are a sight! I'd love to have her poke and prod all around my cum-swollen balls with those long nails of hers till I shoot straight up like Old Faithful!

I'm nuts about Ebony Ayes, the black babe in "Bright Lights, Big Titty." The shot on page 35 is my favorite. It's so easy to imagine my tongue slithering around and in and out that luscious black box! And what a face! The thought of my cum-laden balls popping noisily in and out of her sexy mouth as she heartily munches down on them sends me into a frenzy!

And what about "Shaved

CHAPTER II

In my recent letter I failed to mention anything about masturbation. Over the years I've enjoyed this activity tremendously but only recently have been free of sexual guilt about it thanks to the wonderful 19th century German philosopher, Friedrich Nietzsche. He showed us that sexual "sin" is nothing more than a concoction, a fabrication by man! It doesn't exist! I urge everyone to read his book, *The Antichrist*. Nietzsche states thusly: "Sin, to repeat it once more, this form of man's self-vio-

LETTERS

lation par excellence, was invented to make science, culture, every elevation and nobility of man, impossible; the priest rules through the invention of sin." Just think about how much unnecessary worry and grief has surrounded this perfectly natural human activity of masturbation. It is my belief that masturbation is not only natural but is a recent evolutionary trait that has played heavily in man's ultimate survival and dominion over the earth. Think of it! Rather than being anti-life masturbation is pro-life!

I've always disliked the terms "auto-eroticism" and "solo-sex." Baloney! There's no such thing! I'm sure the luscious dolls in magazines like *D-Cup* know full well what we men do when we drool over their pictures—and they love it! Before cameras, men peeked at women when they got the chance or looked at paintings or drawings. We modern men have the added advantage of film and video—and let's take full advantage of it!

As I'm typing this I'm pulling my dong and looking at no less than the likes of luscious Liz Smythe on page 56 of the November/December issue. I love the pure shit out of this big-boobed doll. And who's to say she's not thinking about this very shot right now and about someone like me jacking-off to it. And the thought gets her so hot and bothered that she walks naked to the refrigerator—her scrumptious big tits swaying and bouncing and jiggling all the way and her sweet, fleshy, full-bodied honey-buns swishing and shaking and grinding together—to grab the biggest cucumber she can find! And she hurries back to her bedroom, her cunt dripping love-juice! She falls back on the bed with legs spread wide and plunges her cucumber deep inside her and begins the most erotic fucking episode you'd ever want to

witness while she thinks about guys like me. Solo sex? Fuck no!

Granted, it may be sex at a distance but it's still sex—pure unadulterated sex! And, as she fucks, she imagines my cock is that cucumber—and I imagine it is too! Oh Baby, I'm commmmmming!!!!

K.C.

OH BARBARA!

A letter to Barbara Alton, who appeared in *D-Cup* September/October: Oh Barbara! Oh Barbara! Oh dearest, dearest Barbara! Where did you come from? Every inch of your voluptuous figure is letter perfect, from your beautiful brown eyes to your sexy legs! To kiss your sweet, tender lips would be divine! To sink my loving cock into your hot and sensuous pussy would be overwhelming, but to slide it between your prodigious breasts would be the ultimate fantasy come true! Oh Barbara! Oh sweet, sweet Barbara! What I wouldn't do for you to be mine!

With love from,
A Secret Admirer

SUPER BABES

Hey, how are you? All fine, I trust. Especially looking at your September/October '87 issue, things look rather well. Thanks for a hot issue. Fun, fresh and exciting—it really is!

I especially enjoyed your layout of superbabe Barbara Alton. She is such a fox! I've seen features on her before, but not like yours. You seem to have really captured her blazing, down and dirty powerful sexuality. To me, she throws out an energy that is pure, lusty animal magnetism. I'd love to be between the satin sheets with Barbara.

She's got all any American sexual man could ask for: Big, firmly high set tits, a small muscular waistline, heart shaped ass, and strong, athletic legs. All that and a covergirl face! I "do it" envisioning Barbara an awful lot!

Also, Debbie, on page 18, is an irresistible blonde bombshell. What a killer! That picture of her makes my love muscle flex with super-human size and iron hardness! And pages 16 and 17 almost make me come in my pants! Whoa!

But, as I said, your whole issue is superb. Covergirl Lu is about as sexy and stimulating as they come. So pretty, so powerful. I'd die just to bump my superthing against her tits and ass! You feature the foxiest, healthiest, sexiest girls I've ever had the pleasure to lust after.

P.S. That French chick Lola, a traffic stopper for sure!

WHITNEY JACKSON

I'm responding to your Whitney Jackson pictorial in *The Best of D-Cup*. She aroused my interest so much, I'd like an autographed picture of her. Her pictorial is great and I'd love to see more.

M.P.
Pittsburgh, PA

If Whitney had to respond to every request for an autographed picture, she'd develop writer's cramp. So, for you and all our readers who couldn't get enough of Whitney, here's an autographed picture.

KUDOS FOR THE CUP

As a reader of *D-Cup*, I thought it was about time to send you some kudos for the great work which you are doing and to make some suggestions for changes.

Overall, I believe that you provide your readers with high quality material. I'd rate as excellent nearly everything in the magazine. I particularly like you interviews by Paul Thomas with such young things as Keisha (May/June '87) and Lisa Melendez (*The Best of D-Cup*). My only suggestion would be, if possible, to expand the interview, focusing on their outlooks and specifically their attitudes towards their porn performances. Perhaps you could also provide more hardcore photos of the performers.

I'd like to see you do an entire issue on beautiful Lisa Melendez and inform the reader about what porn flicks she has appeared in.

If you want to keep the interview short, consider giving the reader a brief bio with special emphasis on cup size. What cup size is Lisa? It's important to give the gal's measurements in every interview.

Could you possibly expand your movie review section, too? I want to see more big tits, more hardcore photos. And how about bringing your copy into line with the performances, which you didn't do with *Big Boob Party (Best of D-Cup)*. You don't say anything about Lorraine, who apparently is the most sizzling performer.

John
Rexdale, ONT

SECOND COMING

Wheh! When I saw my letter "Lovely Lesbian" in the September/October *D-Cup*, I was so excited. You can imagine what I did all by myself! I couldn't even wait until I got home, so I pulled my car to the end of the parking lot at the mall, got my hand between my legs, and masturbated right there!

When I got home, I tore off my clothing and put on my DD bra with the huge falsies, and stared at the girls in *D-Cup*. Lotta Topp is one of my favorites. I don't have huge breasts like hers, which I love, but one thing we do have in common is a big clit. I don't know if mine is naturally big, or has grown large from playing with it so much.

I'd really love to go to bed with Lotta. If I could, I would play with her tits, suck her nipples, and I would stuff one of her huge, darling tits between my legs. Then I'd rub our clits together, and even use my mouth on her. In fact, I'd do anything

Lotta asked me to do, and enjoy it.

D-Cup inspires all us masturbators, both guys and gals, who get turned on by large breasts. I'd like to see more letters from female readers. Right now my legs are crossed and my hands are down there, in that place when I treat myself to self-enjoyment.

Vickie
Upper Darby, PA

We appreciate your letters and will continue printing them in D-Cup, but it's the opinion of the editorial staff that you're actually a guy.

BIG BOOB BEAT

The World According to D-Cup

Heavy Metal Justice

With songs like "Free Fix for a Fuck," and a lead singer who calls himself "El Duce," The Mentors have garnered a reputation as "the sleaziest heavy metal band in L.A.," which is saying a lot. Now they have a new part-time singer and bass guitarist: Justice Howard (and her 44-FFF gazongas) who was the subject of our *D-Cup* November/December '87 interview. She made her rock and roll debut last October, opening for Wendy O. Williams and the Plasmatics, in a club called Fenders in Long Beach, CA.

"I was one with the Universal Slut," Justice says of her performance. Whipping the crowd of 1,000 metalheads into a state of delirium, she took out her jugs, humped The Mentors, *bronskied* the microphone, poured beer over her tits and demanded of the audience, "Man enough to lick it off?" You bet they were!

You can catch Justice and The Mentors at L.A.'s Anti Club, and look for their video, *Couch Casting Hollywood*, on MTV.

Inside London's Hippie Sex Cult

If anyone still doubts that the Hippie, once an endangered species, is, in 1988, again a thriving breed, one look at these exclusive action photos of a notorious London sex cult should dispel any lingering questions. Taken by a Ph.D. candidate at Oxford University as part of the requirements for his dissertation, they were shot in the Hippie's natural environment: a one room cold water flat on a dead end street in Bayswater.

"We go for the chicks with the big boobs who like to have their cunts sucked out," explains Charlie Starshine, pictured here. "We get 'em all wet and open then fook 'em with our big dicks. Ay, like do your own thing, mate. Make love, not war. Be here now. Spare change. Free acid. Like can you dig where our heads are at?"

Sexy, A-Cup Spy Tries on a Pair of Whoppers for Size!

Editor's Note: It has always been D-Cup's policy to show you excerpts from the magazines we review. In this case, that's not possible. Though they could not prevent us from talking about

them, Spy wouldn't grant us permission to reprint any part of their magazine. The photo on this page is from the D-Cup archives. It should be instructive in helping you, the reader, understand the difference between a woman with tiny tits, and the

kind of woman to whom this magazine is dedicated.

The British-styled New York monthly, *Spy* magazine is read by trendy, sophisticated urbanites. It's a slick, attractive publication that takes itself very serious. But for all its pretensions, *Spy* resorts to the same sales

D-CUP VIDEO QUICKIES

MONUMENTAL KNOCKERS Volume 1 *Video*

Monumental Knockers Volume 1 is the first in a series of six softcore tapes dedicated solely to the pleasures of jiggling boobs. Hosted by Ona Z., from her shower stall, this pleasing brunette, a self-proclaimed fan of big breasts, introduces each segment as she spreads her pussy (showing the only real pink) and masturbates to climax.

The tape is a collection of classic eight-millimeter loops of such superstars as Candy Samples. The titles are "Candy's Big Adventure," "Bigger Is Always Better," "Winona's Watermelons" and "Sugar Plum Mountains." One woman after another parades before the camera, showing off her enormous tits as she poses, as if for a magazine. Just once you'd love to see a stud come on and give them a fucking, but it doesn't happen.

The highlight of this tape is "Kitten's Kasabas," starring Kitten Natividad. Kitten is a sexy fucking wench; she's always smiling. She loves getting in front of the camera and showing you her jugs. It's a high voltage jolt to see her down on her knees, tits swaying. Then she masturbates with a vibrator, (not a dildo, but the kind you strap on your hand and normally use for scalp massage). This scene is scorching, mostly because it's clear that Kitten is thoroughly enjoying her solitary orgasms.

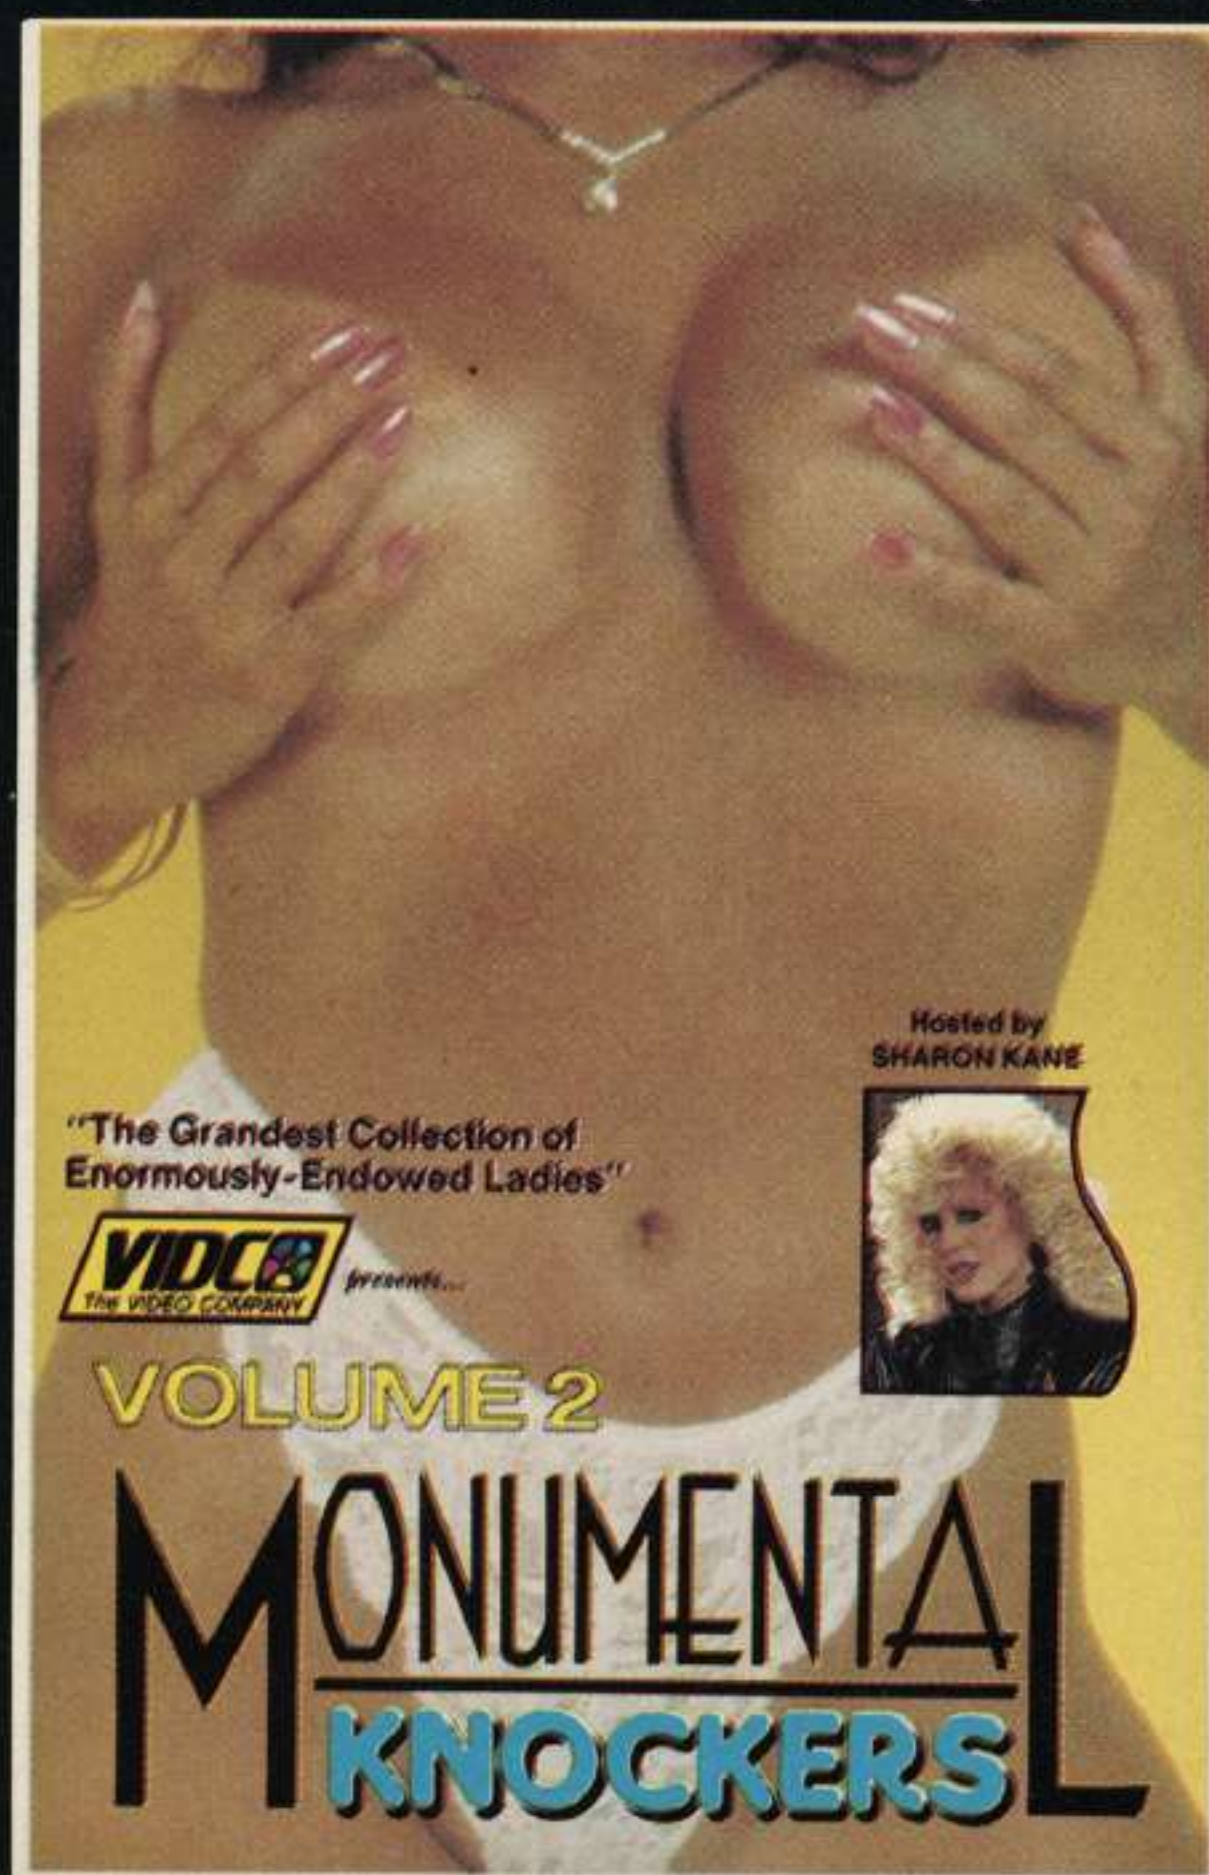

MONUMENTAL KNOCKERS Volume 2 *Video*

Sharon Kane, if you haven't seen her lately, has a new hairdo, which would make her ideal to play Fawn Hall in the XXX Ollie North Story, should anybody ever decide to do it. In the meantime, you can check her out hosting Monumental Knockers Volume 2. Sharon, though not known for her big tits (they're actually quite small), is a very sexy lady. She's out in the sun, by a pool, slowly peeling off her bathing suit and rubbing baby oil all over her body. Sharon knows how to have an orgasm in front of a camera; she knows how to quiver just so. When she does, it's the hottest scene in the video, and the only orgasm.

Like Volume 1, Volume 2 is single girls with stupendous jugs jiggling for the camera. There is no spread pink; there are no studs. It's again a collection of old eight-millimeter loops, transferred to video, more interesting as an historical document than as jerk off material. The titles of the segments are "Guide to Large Bust Development," "Mammy's Mammaries," "Ba Ba's Bazoomms" and "Mountain Mama's Muffins," which is distinguished by the astonishing ugliness of Mama.

"What A Pair," the opening segment, is, in its way, notable. In this 50's-style black and white loop, an incredibly stacked blonde, who looks a little like Jane Mansfield, strips in her living room. She poses and nothing more. You're dying for her to spread her legs and give you a peek at the pink, but she doesn't, which makes this loop, in terribly perverse way, outrageously horny. This bitch teases you to the max. Jesus, do you want to see her get fucked!

The D-Cup Interview

SAMANTHA STRONG

By Paul Thomas
West Coast Bureau Chief

Big Boobed Blonde Sex Animal with Angel Face Learns to Earn Big Bucks Sucking Dick in Movies!

In January of 1986, a curious Samantha Strong wandered into the adult video section of the Las Vegas Consumer Electronics Show (CES). At each booth she went to, at least one person told her she ought to be in dirty pictures. So, Samantha, a vivacious, enterprising beauty with juicy tits the size of ripe casabas, took their advice, and today is one of the most sought after girls in a the jizz bizz.

*With the face of an angel that belies her animalistic sex drive, Samantha, in only one year, has climbed to the top of the adult video industry. Her pictures include *Satin Angels* (Western Visuals), *The \$50,000,000 Cherry* (Vidco) and *Precious Assets* (Video Exclusive). Her sexy photo on the box cover alone sells films. And now, as the exclusive managerial property of John Bowen, Samantha Strong has gained control over the movies she makes—beginning with the inception of the story right to the final packaging. This is a prestigious plateau reached by few!*

DC: What attracted you to porn?

SAMANTHA: I suppose it intrigued me.

DC: Was it easy right away to take off your clothes and fuck in front of a camera crew?

SAMANTHA: No, it was very, very hard. I remember the first scene I ever had to do. I had to give Mark Wallace a blowjob. I thought I was going to vomit.

DC: Did you?

SAMANTHA: Fortunately, no. If I had, I think my career would have ended before it even got started. I muddled through, stage fright and all. It was so difficult, because I'm a pretty shy person. I walk around in bikinis and all at the beach, but this was totally naked, and it took a little getting used to. Now I could walk down the street without a stitch of clothing and not

care....Well, I'd want to wear a bra for support, because I'd bounce too much and it would hurt.

DC: Which brings us nicely to tits. Where did you get yours?

SAMANTHA: I ordered them for a mail-order catalog for \$39.95 plus postage and handling. No, seriously, I was flat as a board for so long, and then I blossomed. I didn't believe it at first. I had to squeeze my tits all the time to make sure they were real. Boys liked to squeeze them, too. Boys have this thing about tits! I don't understand it. I mean, tits are okay, they feel nice when they're touched, and I like having my nipples pulled and stuff, but, come on guys, there's more to a woman besides tits!

DC: Do you remember the first time you ever fucked?

SAMANTHA: Yeah, it was with

this boy who lived in a three-story house. He taught me how to climb up the side of the wall and climb in his window. So I climbed up to his bedroom and he was waiting. Then we took off our clothes and fucked. It was fun. After that I fucked all the time—at his house, at mine, in the garage. We fucked a lot! When we broke up a year later, I

**"I used to be shy. Now
I'll walk down the street
without a stitch of
clothing!"**

didn't get to fuck again for a few more years.

I became a surf bunny and hung out with the surfers, fucking on the beach by campfire light. It gets cold out there at night, and it's kind of weird fucking someone with little goosebumps all over. But your nipples get really hard.

DC: So, you've always been sexually open?

SAMANTHA: Yes and no. I love sex. It's the greatest. But I'm not really kinky. I've only recently found any exhibitionistic tendencies. I'm like two different people. When I'm on the set, I get very verbal. I like to get radical with my sex on screen. Very energetic, lots of pounding and screaming. But at home, I've always been very quiet. I sometimes wonder why the screamer doesn't come out when I'm fuck-

ing someone in private, but it doesn't.

DC: Do you have a good private sex life?

SAMANTHA: It sucks. I don't really have a private social life. I'm just too busy. And I don't find many guys I like who can accept what I do. I never tell a guy right away.

DC: You lie?

SAMANTHA: Not really. I just don't tell them. I've been seeing this one guy from Detroit who I like. He's cute. I met him in Canada where I was dancing at a club. Just before I was supposed to go on, I was having a beer at the bar, and he came up to me. He was wearing a big old Rolex, and gold chains and stuff, which doesn't really impress me in the least. He asked me what I was doing there, even though my picture was on the wall and stuff. He was really arrogant, which I kind of like, and he was cute.

DC: You like arrogant men?

SAMANTHA: Kind of. I like the fact that they're not interested in me. I like the challenge. If they're arrogant assholes the whole time, no I don't like them. And he isn't.

DC: You mentioned drinking. Many girls in the business have a problem with drugs and alcohol. Do you?

SAMANTHA: No. I used to drink a lot, but it wasn't a problem. I just found it harder to function. I missed a few calls and stuff, so I stopped.

DC: You have a guy, but he's in Detroit, and you have no other social life to speak of. Do you get lonely?

SAMANTHA: All the time. Usually I'll call John (Bower) and cry on the phone to him. I mean, that's what managers are for, right? To call them up at two in the morning and cry. I think it's in the contract somewhere.

DC: Do you ever find yourself falling for one of your co-workers?

SAMANTHA: I haven't yet. I'm close with some of them. I mean, we're good friends, and we can joke around and hang out and stuff. But I haven't gotten involved in anything romantic.

DC: And yet you're able to have sex with them on screen.

SAMANTHA: Yes. We're friends. We have a good time. I have certain guys I like to work with. I'm comfortable with them. I guess my favorite is Herschel Savage. I did my first scene with dialogue with Herschel. I wasn't really scared about the sex as much as I was the dialogue. Acting frightened me, but Herschel made it easy.

"I squeezed my tits all the time to make sure they were real!"

Guys always seem to want to work with new girls. I'm sure they're all tired of me by now. They want the latest blonde with big tits, or the newest nymphomaniac on the block. But with me, and I guess with a lot of girls, I like to work with the same old people. People I know. I guess that's the difference between girls and boys.

DC: And we thought it had to do with having babies.

SAMANTHA: That, too, but I don't want a baby, at least not for a while.

DC: Do you come when you come on screen?

SAMANTHA: I do now; I didn't used to. Now I figure you're having sex, so you might as well have fun. So now I really come. When you see me screaming and writhing and convulsing, that's really me doing it, and not me doing it because I have to do it.

DC: Do you have a specific time frame within which you plan to remain associated with the adult video industry?

SAMANTHA: I'll do it until I'm tired of doing it, and then I'll do something else. I know I can't do it forever. I'm not even sure there will be a forever in this business. But if there is, I know someday my tits are going to sag just a little too much, and my hips are going to get a little too heavy, and I won't be in demand any more. I don't want to end up like Nora Desmond in *Sunset Boulevard*. But my new arrangement

allows me to learn other aspects of this business. Ones that don't require that my tits be firm and jutting, or my waist be thin, or my ass be supple and my pussy tight and pink with only a hint of furry thatch surrounding it's soft moistness.

DC: Do you find that people talk to your tits?

SAMANTHA: You mean the way

you're doing?

DC: Yes.

SAMANTHA: All the time. I hate it. I have a brain, you know. I have a soul. I have feelings, emotions. I'm more than just big tits.

DC: You've got a great ass, too.

SAMANTHA: Damn right I do. If anyone out there in dirty magazine readerland sees this, and

you meet me someday, don't talk to my tits, because they won't answer. Talk to me. Of course, I won't answer either, because my mother told me never to talk to strangers.

DC: Did you ever listen to your mother?

SAMANTHA: Actually, no, I didn't. So I'll probably talk to them. □

SYLVIA

The Garden of Triple Delight

Welcome to Sylvia's garden. Here, this tranquil woman is at peace with herself. The garden is where she belongs. It's as if she's a flower, rooted in Mother Earth, her succulent triple-D fruits ripening before our eyes. Sylvia is one with nature. She has an innate understanding of the sexual act, an act of creation.

"Make love to me," she beckons, "and drink of my life force. Listen to your body; it never lies. Open my pussy like a delicate blossom. Pleasure me with your root. Fill me with your seed. Reap the bounty of my orgasm."

She's a silver-tongued nymph who sees only beauty when a man and woman join together in passion. She is the music of a hot fuck, the poetry of a good suck.

And we love her.

Little Bit-O-Honey

Nurse Betty Boobs Jiggles Her Way to Superstardom!

Starring Betty Boobs, Nina Hartley, Viper, Siobhan Hunter, Tom Byron, Ron Martin, Billy Dee, Mike Horner and Jack Baker. Wet Video

Script writer Domingo Lobo has written a funny story with good lines that make you laugh. Executed by a capable cast, *Little Bit-O-Honey* turns out to be an enjoyable movie and an exciting fuck flick. The action is hot to sizzling, includes a spicy variety of sexual performances, and the jism flows continually from beginning to end.

The setting is a hospital inhabited by horny doctors and nurses whose attention is focused on a pool table in the basement. For recreation, the staff indulges in a very special game of nineball, taking turns at chalking their sticks and shooting balls into wet holes. Flitting in and out of scenes is Jack Baker as Erwin, an orderly in drag who supplies everybody with booze which he serves off a medicine cart. Baker deserves a mention, because this rubber-faced actor can deliver a gag like a pro, and should be doing a nightclub act somewhere. He's really a terrific comic.

Tit virtuosos are in for a treat. Betty Boobs bounces onto the x-rated set with her pussyhole wide open and her incredible, mind-boggling, totally outrageous tits jiggling and filling up the screen. The frizzy-haired blonde has a Vargas body that she tosses around like a brazen slut. As Nurse Pauline, Boobs is a flirtatious cock-teaser who carries through on every promise her moist mouth and roving hands make. She's a grabber!

Boobs' virgin pop is with a resident doctor, Ron Martin. She

peels out of her clinging white nurse's uniform and squats her tight-curved flaxen mound on his face, then goes down on him and gives the stud a ball and cock suck that'll make you cream. To see Boobs' long red-painted nails digging through Ron's pubes as her mouth pulls and devours his male meat is a sight you won't soon forget, and we predict much rewinding here. The girl is a cum-dream

and she'll be around for a while.

Nina Hartley and Siobhan Hunter, two of porn's leading stars, are a dynamic duo in a lusty lez tryst and cum clean together in a steamy shower. Dripping pussies grinding, fingers probing, this footage is a series of mouth-to-genital close-ups that take you inside each wide-played twat. But there's more to drool over when Nina and Siobhan, in other scenes, get it on with hard dicks Tom Byron and Billy Dee.

Another *Little Bit-O-Honey* turn-on is one of the films three-ways in which Viper gets sandwiched between Mike Horner and Ron Martin. You can almost here the *pssst!* when the cum starts to fly. And there's lots more to boot.

Rent this film!

The Big Tit Orgy

A Gathering of Whoppers!

Starring Lotta Topp, The Cajun Queen, Nejla (The Arabian Treasure Chest), Trinity Barnes-Loren, Miss Twin Towers, Ron Jeremy, Frank James, Blake Palmer, and Don Fernando. Big Top Video.

The premise of this hot fuck 'n suck film is the gathering of five of the world's sexiest big-busted porn stars. They chew the fat and share raunchy comparison's of their latest sexcapades. It is a no bullshit video, a string of sizzling sex scenes held together by dirty talk, and which gets the gism flying right from the start, flowing all the way to the last orgy climax.

The first torrid titillator is the Cajun Queen tipping a cab driver with generous feels of her 56 triple-E whoppers. Unbelievable mountainous tits! Tree trunk size thighs! This woman is big, big, big! And a slut—a deliciously eager cum-whore.

After searching the depths of her sweet, sweaty cleavage, the cabby, using two hands to lift each titanic boob, accepts the Cajun Queen's invitation to shower with her. His body is dwarfed by hers, and his turgid cock is lost in the grip of her hand, then again between her rippling thighs and in her wet snatch. It is exciting to see them together, especially when both are sucking the Queen's stiff nipples. And after fun under the slippery shower spray, the two get off in a bathtub full of tickling bubbles. This is the hottest scene in the movie, with plenty of close-up dick-in-cunt action, a titty fuck, fellatio, and a lot of incredible shaking and rolling of Cajun flesh.

Next, Lotta Topp relates how she got stuck in a new bra and had to call a maintenance man to the rescue. The guy came running with his tools, a huge wire cutter to clip Lotta's jammed bra, and a long, hard prong between his legs to ream out her pussy. They then get down on the bed and enjoy a lusty session which includes a baby oil tit fuck and an eye-popping view of Lotta's "little dick" rubbing the guy's piston-ing rod.

Miss Twin Towers invites a horny masseur to roam her

black hilly terrain, and then to explore the inside of her pulsating ebony pussy. Nejla tells a penetrating tale of a gooey experience with a gynecologist. And, finally, after we see and hear these stories, a contrived ending brings all the characters together for a climatic spurt. This is a pile-up of writhing, convulsing bodies, and tons of mammaries slapping together, thunderous enough to cause a minor earthquake. But, you'll probably have erupted several times by then!—LF

If there's a big tit orgy going on, you know
Lotta Topp has to be in the middle of it!

Tasty Hot Flower

The Only D-Cup Whore in Chinatown

By Norbert Klinger

I like to cream on fat juicy whoppers that hang like fleshy dreams from my favorite women. I like to play with the nipples on those jiggling jumbos, pull them into my mouth and suck them till they give me what I need. I'm a titman and it's a big part of my life.

I'm also a private detective. It's a difficult job and I have to be very calm and collected when I go out on a new case. Some sleuths like to drink or do smoke. Me, I like to have a hot session with a favorite babe. Usually that babe is Tasty Hot Flower.

The only Double-D-Cupper in Chinatown.

Nicknamed China-Cup.

* * *

It's October of last year. I have a tough gig, missing person's case. I won't bore you with it, this isn't *Ellery Queen's Mystery Mag*. You want hooters.

I read ya.

Chinatown. Every big city's got one. My big town, too. I'm tense, I'm nervous, I can't solve the case. It's a job for China-Cup.

I hit New Whipple Street, that's the one loaded with Chinese restaurants, souvenir shops, grocery stores. Everywhere you turn, Oriental signs and faces. Chong's Whorehouse is located behind a gambling parlor, below street level. I knock on the door, give the secret password. They let me in.

I'm known in Chinatown. They call me, "Man Who Drinks Deep From the Cup."

I weave through the smoke and noise. A door in back. Chong, the pimp, smiles, letting me through. Suddenly, it's quiet.

A single blue room

Bed.

Sink.

Chair.

Oriental movie magazine on the floor, dog-eared.

A knock on the door behind me, it's her.

China-Cup.

Tasty Hot Flower is the English translation of her Chinese name. She's got all the standard features, plus something unusual. Tasty Hot Mutant, maybe. You don't see too many Asian girls with boobs like hers. In fact, you see none. Anywhere. (But if you *have*—drop me a line.)

"One hundred dollars," Chong says.

I give him a crisp century. He grins.

"Be thirsty no more, Man Who Drinks Deep From the Cup."

The door closes behind him. I'm alone with my dreamgirl.

We start with some straight fucking. As soon as I drop my pants, I'm rigid. China-Cup smiles. "Extra big!" she says. Observant girl. I was the envy of the swim team in college. I help her off with her nightie.

I like to fuck big-boobed babes in the missionary style, my arms and hands in push-up position as I pump back and forth in their sticky cunts while looking over their spilling jugs. That's what I do with China-Cup. She plays with her sex-tab while I move back and forth; I'm not touching her beauties yet, just studying them as I move in and out, in and out. Visual stimulation. Foreplay through the eyes.

Her Double-D's shake with the force of my enthusiasm.

香 二

I like to get head from D-Cuppers so I can feel their whoppers squished against my thighs.

Honey Pie and Julie

A Couple of White Chicks
Sitting Around, Spreading

Call us gluttons. We can't get our fill of Honey Pie. We've got a thing for sleazy sluts who change their look with the seasons. This is Honey Pie's third appearance in *D-Cup*. She debuted in July/August '87 as a blonde with a shaved snatch. Three months later she was a brunette with a shaved snatch. Now she's blonde again, her pussy hair's growing back and she's brought a friend, Julie. You need a scorecard to keep up with these British chicks.

We shot them on their home turf, a barn just outside of Falmouth in Cornwall, England.

"We belong in a barn," said Julie. "Honey and I are sex animals."

"And we don't want the bloody Yanks to think we're a couple of fookin' lezzies either," said Honey. "We like to please men and now there's two of us for twice the pleasure."

"Just roll around in the hay and show us your cunts," we instructed. "And squeeze your monumental protrusions."

"Are you talking about me boobs, mate?" Honey asked.

"Squeeze anything you want, Honey."

Perhaps now you understand why Cornwall is famous for its clotted cream.

"Ay, Yanks,
tickle two
twats for the
price of one!"

The Collector

D-CUP VIDEO

Starring Lotta Topp, Dutchess, Von Stern, J. Bishop and Rich Andrew. Bizarre Video

A glance at the title and cast of this hell-bent film gives you an idea of what its focus is. Most of the hot action cannot be described here, but we'll give you a clue—none of it is fucking and sucking. Strong on erotic kink, *The Collector* is not for the sexually squeamish.

Lotta Topp runs a loan shark ring. When her flunkie can't collect from deadbeats, Lotta sends the Dutchess to succeed where he's pathetically failed. The Dutchess, a snarling big-breasted slut, always gets what she goes after. It's not her charm, but her wicked sex appeal that makes men bend over backwards to please her.

Titillating tidbits include lots of viewing of Lotta Topp's monstrous, jiggling breast mountains. And we get to see the giant clit she calls a "little dick" when her man gets down on his knees to lick her black-pantied slit. That clit grows and grows until it practically bursts through the sheer nylon material. In another scene, Lotta and her black maid rub boobies together, and Lotta tells the entranced girl:

"Look at this clit I got, just like a man's dick. You don't need any man with me. When I get this hard, I can satisfy you just like a man do." Then, twirling her fingers on the engorged flesh, "I know you want to taste it!"

Lotta's guy's dick doesn't get hard. Not even when he's licking between her legs. And she doesn't touch him. No jizz. For this reviewer who enjoys in and out action, tongue wrapped around cock, big fat, juicy schlongs up creamy, convuls-

Loan Shark Lotta Topp Satisfies Her Maid with Her Giant Clit!

ing twats, *The Collector* is a disappointment. But if your tastes are not as mundane, and if you own at least one leather stud-

ded wrist or neck bracelet, then you might get off where I didn't. You'll at least enjoy the boob appeal this film offers.

Lu

*"Don't Fuck Me Please,
I'm British!"*

Lu, one of our multitude of delicious British imports, may be the most strikingly beautiful woman to ever grace the pages of *D-Cup*. She's got the face of an angel and the 44-24-38 body of a \$1,000-a-night hooker. You may have noticed her on the cover of our September/October '87 issue and picked it up only to realize, to your profound chagrin, there was no Lu inside. For that we apologise. Lu dared to defy the *D-Cup* quality guarantee: A pussy on every page and two hooters on every mama! The hooters Lu has in ample supply. The pussy... well that's quite another kettle of fish. We assume Lu has a pussy, probably a beautiful pink one with soft, downy hair and velvety insides that clamp your dick like a vice. But we just don't know for sure. She thinks she's the Queen of Fucking England or something; *she won't show us her cunt!* It's not simply a question of money. For Lu, it's the principle of the thing. "I am not and have never been a bimbo," she says.

We've tried everything and as you can plainly see, her panties remain on. We're now turning to you, the reader. Tell us how to get Lu to show us her pink. Send your ideas and schemes to *D-Cup*, GCR Publishing Group, 888 Seventh Avenue, New York, NY 10106. You won't win anything, but if your idea works, you will see Lu's pussy in these pages. That should be reward enough for any man!

Busty Like Me

continued from page 26

pitch as any sleazy tabloid. Their August '87 issue blazoned such coverline titillators as "Pop Tarts: Donna, Fawn & Jessica," and "Busty Like Me: A True Story." The attempt to be sexy falls short, merely teasing, being more cutesy than anything else.

"Busty Like Me" is an article claimed to be "conceived, written and edited by women." It's "one woman's true story" by Lynn Snowden. An apter byline would've been Snowjob! The article begins: "Spy has always been troubled by a very real discrimination faced by women with enormous breasts—the leering glances, the stereotyping by chest-obsessed males, harassment in the work place." Spy doesn't say why it's always been troubled. Then, in the same bold type face, it stated that the article is "presented not to titillate our readers, or because we thought that mentioning it on the cover would sell more copies of the magazines." Instead, they say, "As journalists, we have a sacred mandate to expose social injustice *no matter how sensational.*"

The author, a small-breasted but sexy blonde, strapped on a false pair of 34-Ds and set out "in the tradition of *Black Like Me* and *Gentleman's Agreement*," to answer the question, "Was being busty all glamour, or was it a crippling physical and social burden?" For two weeks, Ms Snowden knew what impact bazooms could have on her ordinary, every day life.

On day one she carried her prosthetic tits home and glibly noted, after only a few blocks, that the large breasts were already heavy and burdensome, as if all well-endowed women had to carry their mammaries in a bag. Then, after this philosophical revelation, Snowden transforms in front of her bedroom mirror and becomes excited by her new bustier look. Of course.

On day two, the author runs into a male acquaintance as

she's leaving a health club. "Have a good workout?" he asks, and Snowden panics, wondering if the guy is referring to her "sudden leap in breast size." Heaven knows why she wonders this, however. His question is no more out of whack than had he met her outside a department store and had inquired if she'd found any good bargains. Her fears were contrived, based maybe on her own fascination for big tits, and

womanly body." And, perhaps, there is the clue to Spy's sleuthing. Doesn't the small-breasted woman feel womanly with her own size? She should. Unless something else is lacking besides tit inches.

At the end of the experiment, on day 10, the writer of this concocted and biased article declares, "I'm free!" She takes off her over-stuffed falsies and stows them on a shelf in her closet. Then, maudlinly, she

Yeah, she's tasty, and you wouldn't throw her out of bed, but really, whom would you rather fuck, the blonde with the A-cups, or the brunette on page 26 with the hooters?

the hopes that the guy would find her sexually attractive.

Guilt comes on day three when, while running for a bus, bodacious tatas illicit a hoot from a garbage collector. "Shake it, shake it, baby!" the clown yells, and Snowden berates herself for causing the "demeaning" attention. Oh, please! Men hoot and women holler. So what else is new? Big tits have nothing to do with it, 'cept maybe big tits get bigger hoots. It goes with the territory. Big deal!

The next three days are uneventful, yet there's still the whine lamenting the weighty problems of hefty mammaries. She can't see her feet, and apparently it never occurred to her to simply lift her foot and cock her head. Ms Snowden admits she's "unable to cope gracefully" with her "weird new

ponders, "Was any woman free as long as she lived in a world where the size of her breasts was an inescapable issue, a pivotal fact of her daily life?"

It's a shame that Spy didn't investigate more thoroughly, as if assuming that chesty women have nothing but massive headaches. Well, what about the joys of tit-fucking? Huh! How about an in depth plunge into sweet, sweaty cleavage, and the deep thrill a woman can derive by smothering her man in heartfelt attention? Was this excitement explored? Nooooo! And we've got one more question. Why did Ms Snowden choose to keep her phony tits instead of trashing them? Because large, luscious boobs are something to hold on to, that's why! Melons are where it's at. And small tits, well—sometimes they're just sour grapes!

PORN IN EAST L.A.

Carmelita works the night shift in a 24-hour burrito stand situated on the mean streets of East Los Angeles' Chicano community. But when the porn meisters get a load of these photos, taken by her girlfriend Rosie, you can bet the doors of a new career will fly off their hinges.

This 21-year-old Tijuana native sports a hairy taco that begs to be eaten and a luscious pair of 40-DD's. And she's still growing! One to play by the rules, Carmelita does have a green card and is currently studying to be an American citizen. "I already know by heart all ten articles of the Bill of Rights," she says in flawless English with barely a trace of an accent, "and someday soon I will have a *Gold Card* to charge many fine things in Beverly Hills."

We think Carmelita has everything it takes to be a rich American bitch, but wondered why she chose the x-rated route to success. "America is the land of opportunity and freedom," she explains. "And the freedom I cherish above all others is the freedom to flash my hairy pussy and big tits for horny American men!"

God bless America!

If you know somebody who would like to share their big boobs and hairy pussy with *D-Cup*, please send us their pictures. If we publish them, we'll send you \$25 U.S. It's the American Dream in action, man!

Tasty Hot Flower

continued from page 60

The metal bed squeaks and creaks.

Then I see an amazing thing. Not for the first time, it's just that it never fails to fascinate me. As we move on the bed, China's nipples begin to harden. They go from vast silver-dollar size to sharp, crinkly dark buttons with the fattest knobby teats you can imagine. Poking out at least three quarters of an inch. The sight of all that big breasted feminine arousal is too much for Dr. McCoy downstairs.

Blast-off.

Load One arrives on her belly.

"Another hundred, you go again," Chong says, returning. His hand closes around Mr. Franklin. This time, I ask China for head.

I lay down on my back. Another favorite position with cuppers, at least for me, is to get head from them, so I can feel their whoppers squished against my thighs. China obliges me. I put a couple of pillows under my skull so I can watch all the exciting action. Her luscious mouth, so knowledgeable, moves up and down my once-again explosive stalk. Her cheeks suck in and out. Her hair falls over her eyes. And I see the valley between her massive mams, that dark shadowy region between hanging hooters. A cave. I wanna live there.

She suctions my wong and pumps it with her hands. Then she moves up and wraps her bags around my inches and gives me the tit-fucking only she is capable of. Wrapping that soft meat around my burning bone, she moves upward, the hot flesh rubbing against my eager shaft. A smile creases her face as she moves faster and faster. I see the purple tip of my tool poking out of its warm confinement. I feel my balls banging up against her valley. Then,

suddenly I can hold back no more. Load Number Two says hello.

"Mister Big Load!" China cries, as the sperm-strings web goily between her bells as my juicer retreats.

"Hey, that's not my nickname," I say.

"Mister Drink Deep," she laughs.

"That's better."

"Happy again? I'll call Chong."

The entrepreneur re-appears.

"You relaxed yet, my friend?"

"Tension's oozing," I offer.

"Clever with words," Chong says. "Mark of distinction. 'Nother go?"

I check my wallet.

"No more Mr. Franklin," I sigh.

"Mr. Grant good for hand-job," Chong says.

China grins

I wave goodbye to Ulysses.

Now I'm standing. My shirt's up, my pants are down, and China is pumping my pork. Her hand is griping it and taming it. Tug, tug, tug. All in a day's work. I get timeless images of women at work in the fields. Only the animals change.

"Always big!" China says, looking at my cock-tip.

I close one eye and frame a picture with the other: China's jerking hand in the foreground, enclosing my meat, and her hanging jugs in the background, just a few inches away, a ski-jump for my next load of sperm.

"Give me big load," she says, "I want super-load from you, give me magic sauce now!"

I can't hold back.

In a second the drops are slaloming down her slopes.

"You finish?" Chong says.

"I forgot one thing," I answer. "The most important thing. My favorite activity!"

"Get more money, shoot more loads," Chong says.

China-Cup smiles

"Back in a flash," I say.

I hurry down the block to a bank that's shaped like a pagoda. But it accepts plain plastic cash-cards.

Two hundred should do it, I say

to myself.

It better, because that's all I have to spare in my account.

"Ah, the Man Who Likes to Drink Deep," Chong says, taking the twin Franklins.

"Ready for some fine fun," I say, smiling at China.

She holds her floppers up, one in each hand.

"Say hello to mamma..." she whispers, "...Man Who Likes to Drink Deep."

"Deep from the cup of love."

There at her tits, the tough rubbery nipples in my mouth both at the same time, I felt sure I could lick the whole world.

I sucked and slurped those tasty hot knobs.

I fingered her tasty hot flower, too.

The Man Who...

With her tits in my mouth, the flavor of rapture on my tongue, I jacked myself off into happy oblivion

Then I went out and solved the missing persons case in forty-eight hours.

I owe it all to Chong and a big little gal named—China Cup! □

Danuta's Pussy

We Have Ways of Making Them Spread!

**"I spread it willingly for all
American men!"**

Remember the *D-Cup* quality guarantee: "A pussy on every page and two hooters on every mama," words that will ring out across the annals of mammary history. The pressure to live up to them is enormous. With each new model we lay our good reputation on the line. You may recall Danuta Lato from *Best of D-Cup* which appeared last August. Rising like a phoenix from the ashes of the Third Reich, "Germany's Number one Bosom Wonder" dared to play coy. The 40-22-35, five-foot-two inch Golden Frauline wouldn't show us her snatch! It took an intensive session of, shall we say, "political reeducation," but we finally convinced Frau Lato to see things our way. Here, for the first time anywhere, is Danuta's moist, pink pussy, open to the public and primed for bratwurst!

***"We German girls are kinky. We fuck you
backwards, forwards and upside down!"***

Next Issue of D-Cup on Sale March 15!

VALENTINE SUPER SEXTRAVAGANZA

Hi, I'm Ginger Lynn
and you can take me
home with you tonight!

I'm so hot and
horny — I love to feel
a long hard cock pounding
in my mouth or plunging deep
into my pussy. The thought of a throbbing
cock inside me makes my
pussy wet and willing! And my
Ginger "look alike" doll is
ready to do the same things
for you! I'll be at your
command to do exactly
what you want. I want
to please you as you
explode inside me
with a satisfaction
you've never felt
