B073

Lately I sensed Angie going out of her way to show off her tits to me. She knew I loved her perfectly round DDs, and although I sport a firm set of 34Cs myself, I ached to see my blue-eyed friend topless.

I'd never try hiding my stare when she flipped a sweatshirt over her head; I'd smile too wide when Angie stood matter-of-factly before me in a tight bikini top.

Our unspoken agreement of yes-we-know-you-love-them-and-want-to-see-them-and-I-will-only-allow-you-this-little-ever-so-teasing-looking still existed as strong as ever, but lately I felt something in the wind. Angie was changing clothes around me more and more often, wearing the lowest-cut tops, brushing too close.

Let me explain: Angie is resolutely heterosexual. I, on the other hand, have been involved in a wide variety of sexual encounters with both guys and girls. We each knew where the other stood. And I knew that she knew of my need to see her tits, as well as I knew that my friend enjoyed teasing me with them.

The teasing went a step further last Saturday, when Angie drove over to my house for an afternoon of shopping.

"We got a few secs, right?" my best friend asked, walking into my tiny kitchen. "We don't have to head right out, right?"

"Yeah," I said. She stopped not a

foot from me.

"Sit," my friend. "I want to show you something."

Believe me, you are one step ahead of me! I had no idea what my friend was up to, truly. Despite all my hoping, fantasizing, and solo salivating, I had still thought impossible what was about to actually happen.

Taking three steps back from me as I plopped myself down on my rickety kitchen chair, Angie began unbuttoning her sweater! "We both know you hunger for my tits, honey," she began, breathing as heavy as I. "You know I'm not into girls...really. But...." Placing a hand to either side of her sweater, Angie had it completely unbuttoned and was spreading the halves apart as my pussy flooded. What the hell was she doing?! Her tiny blue eyes on mine, my friend's thin lips spread in her usual crooked smile.

"I see you squirming when I get dressed around you," she admitted, and the sweater was off her shoulders, down at her sneakers in a flash! Her low-cut black bra barely held the white flesh pushing out of its cups! "If you've noticed, I've been doing it more and more lately. I guess I like showing them

off for you more than I realized."

With Angie talking like this, so matter-of-fact, I was feeling all the more vulnerable...and all the more turned on! Without pretext she was giving me this simple opportunity to see her.

"So I thought, why not let you see them...all the way? I don't know if I'll ever get up the nerve again...."

I couldn't move let alone speak as my best friend brought her hands up to her back and unhooked her underwire! After all these years of my dreaming, Angie was now standing before me bare-breasted!

"Like I said, you know I could never really do anything more."

"I know, I know," I said, sitting straight up.

"But this does turn me on, I've got to admit. It turns me on showing off for you,".

Angie's breasts were as pale as the rest of her. Her nipples were slightly pink, little, and hard, her smooth areolae and not all that large, a bit more than half-dollar size, I'd guess. The swell of her tits, the heavy spill of them, was unbelievable though. Angie had confidence to spare! "I want you to look at them," my best friend said, as if

I could do anything else. "Really look."

"Shit," I managed, ever the conversationalist.

"Stare as hard and long as you like, honey," she continued.

I was literally squirming off my seat. My pussy was flooding, my own nipples rock-hard points under my blouse. Did Angie have any idea how wet I was? Would she care to know? If I could just get her to come up closer, take a step to me, I knew I could get my mouth....

"Now take off your clothes," Angie said. "I want to watch you masturbate while you look at them."

Angie so damn sure of herself, so confident in her teasing, in her big, beautiful tits and my need for them. She was right, of course—plenty of nights I had lain on my bed, on my belly, grinding my hips into a tented pillow, rubbing my clit to thoughts of Angie's big, bare tits, Angie holding a tit in each hand, urging me to suck them hard!

I would have easily gotten naked for her in a second on any other occasion; I have a tight, taut body...I love showing off myself! But I needed to know my best friend really wanted this. I needed to know that seeing me masturbate would turn her on.

"Are...you...sure?" I panted. Angie raked her long nails up her belly, slowly strumming herself. Resting her palms just under each tit, she held each breast as I stood.

"I can't say I'll ever want to do this again," my friend explained, rubbing the underside of her breasts lightly as I yearned to rip my clothes off. "All I know is that I am getting really wet thinking about you sitting under me masturbating to my tits."

I was out of my jeans, peeling off my thong, and my bra in a minute.

"Sit," Angie said, and I did. With all my might I kept my taut thighs together. Let her get a good look, I thought, as I arched my back ever so slightly, wiggled my ass, and all but thrust my perky tits in the air, my trim brown-haired mound in full view.

"Here," Angie said and actually took a step to me. I spread my legs then, and she did walk right into me, touching my inner thighs with her legs. I ached to scoot up closer so I could rub my pussy against her!

"I want to watch your face while you do it," she said with her tits right there in my face...so fucking close! I took my right hand to my own right tit, sneaking my left in between my legs to my flooding pussy.

I wanted to lie back, spread my legs, grab my tits, and show Angie my hard, rosy red nipples, letting her see

my spread, thick pussy-lips. I wanted to make her realize how glistening and hot I was for her. On the other hand, I wanted to stay this close to her, as close as I could. I wanted to open my mouth, have her lean in and....

"Suck," Angie commanded, and her right tit was in my face "That's it, honey, suck," she said. I could do nothing but. I knew she could feel me strumming away down there below her line of sight. She held her tit steady as I suckled like a feeding baby.

"Now this one," she said, releasing

from my wet lips to present her left tit the very same way she had the right. I finger-fucked my gloppy hole.

"That's good," she moaned as she leaned into me more. "Enough," she said, breaking from me a half minute later.

I still sat there, one hand up my pussy, the other squeezing my right tit. God, that couldn't be all that she was going to give me! Jesus, I was about to explode from the aching in my clit. I was all full up, ready. I needed to feel, taste, smell Angie close.

"I want to watch you let go," Angie said, retreating two steps. "I won't play with them unless you do," she teased.

"Angie, please!" I pleaded, feeding another finger into my hot hole. I suddenly felt more exposed than I had ever felt before in my life...and that's saying a lot, considering my history!

Not only was I naked, fingering myself, but I was begging her! God, was I ever turned on! I fed my fingers into my pussy deeper.

"Good," my friend said as she put her hands to her tits and squeezed her nipples.

I watched her. Two fingers up my little hole, and I felt that rise that comes when I am on the brink of my last slow climb. My legs began to shake like they always do,

and I took my hand from my tit and pressed hard on my belly.

"You're gonna come, honey?" Angie asked, pulling at her little nipples.

"Ah," I screamed as Angie pushed her tits together and took two steps to me again.

"Bury your face in them," she said, and I spread my legs as she walked into me, and I did just that! Again I pushed my wrist against her thigh, planting myself on my hand. "Go ahead, honey," she coaxed as I rubbed and sputtered and smothered myself there in her

fruity-smelling cleavage. "Go ahead, Jenna, do it, honey," she said. "I want you to come every time you think about this day."

I held my lips spread as wide as I could manage, easing a last finger into my steaming wet hole. What I wanted more than anything was to stay here, locked right like I was, my face pushed deep in between those juicy, heavy melons.

I pushed my wrist against Angie's thigh, using her leverage to stick my fingers into myself even deeper.

"Yes, that's it, honey, that's it," she said from above me.

I was torn between wanting to stay right there and smother myself between my best friend's tits and wanting to pull my face from her and stare at them. I wasn't going to get the chance, though, close as I was to coming.

For her part, I could feel Angie breathing heavily around me, little moans escaping from her lips as she shifted from foot to foot.

"Stay with me, stay with me," she said as I felt Angie push her tits together even more. My chin was slipping; my hand inside my pussy was out of control. I had my wet, thick pussy spread as wide as I could, humping my clit on the heel of my hand.

"Urm, urm," I suffered as I lapped at Angie's tits, as I ate at them, as I nuzzled my nose in as deep as I could and she egged me on!

"Come honey, come," she said as I clenched my little ass and began to bang, fucking bang, my hand into myself! "Mmm, you're just jumpin' around so much," Angie cooed, and I felt that last rise, my clit engorged fully.

"No...." I managed, placing my cheek to the side of Angie's right tit.

"Yes," Angie countered. and I buried my face back in deep as my convulsions began.

"Mmm, look at you!" Angie said, standing back from me then as I cried out. She watched me come, my hand clenched and deep, my taut thighs spread as wide as I could get them, planted there on the chair, my back arched and my eyes wide on hers.

"All of it," Angie said. "All of it, Jen, every last fucking drop." With this, my best friend grabbed at her magnificent

as well.

Finally I sat back and eased my drenched hand out of myself. Trying to still my breathing, I watched as Angie placed her hands to her hips again. Her big tits were a bit red from all her grabbing and squeezing, and had I had the energy I would have asked to console her by sucking on them again!

"Did you like that?" she asked, bending to retrieve her bra.

With the heat of the moment past, I assumed Angie's modesty was tickling her mind. I could have stayed as I was; I liked her looking at me, having no choice but to look at me. I knew if I thought hard on the way we were right then, me being exposed with my red pussy alive and jumping, my tits perky and ready, I knew I could raise another orgasm out of myself. But if I got going right then, I'd want a whole hell of a lot more from my best friend than I

knew she could give me. Some thoughts are better left fantasies, I thought as I bent to retrieve my thong. "Very much," I finally answered her.

"Good," Angie said, standing up fully then. "Say good-bye," she teased, fitting her massive jugs back into her bra. "Maybe you can help me pick out a bra today," my best friend continued, as I eased my thong over my heated pussy, settling it between my cheeks. Angie bent for her sweater. "Love to," I said, reaching for my jeans.

"More? More? More?" Angie asked as I milked myself, turning my fingers around and around in my hole, easing them out, then in, shaking my tits at her. Angie just kept right on playing with her rock-hard nipples, poking at her pale, firm flesh, massaging the shit out of her tits so much that I knew she would damn well remember this night

"Maybe we can get you a new thong, too," she added as we continued dressing. I didn't answer, didn't need to. "But you'll have to model it for me later."

As we both finished dressing, my mouth stayed shut out of pure shock, but I realized this just might be the best damn shopping spree I'd ever gone on!

FUN SOLVING
EACH OTHER'S
PROBLEM**

GIRL'S NIGHT OUT

It was the guys who started it. They started this "night out" thing, and they started what happened between me and Brittany. So they have only themselves to blame. Or at least, they would... if they had any clue about it. But they don't, and Brittany and I are never going to tell them. Some things are better kept just "between us girls." Like what we really do on our nights out. That's going to remain our little secret.

Like I said, it was the guys who started it. First of all, they wanted a night out. A night without us girls or the kids. A guys' night for doing "guy things." When I asked Mike (my husband) what sort of "guy things" they had in mind, he said, "You know... shooting a little pool, having some drinks at a bar, maybe even going to a topless bar and watching the girls. You don't mind, do you?"

I laughed. Mind? Mike's been "too tired" too often, lately. Maybe if he went to a topless bar it would put him in the mood for some action...and I'd be the beneficiary! Mind? "No, I don't mind. But there is one thing," I added quickly. "If you and Pete are going out together for a 'guys' night out', I guess Brittany and I are entitled to a 'girls'

night out' too."

Mike grinned. "You want to go to the topless show too?" he teased me.

"Why not?!" I challenged him. "They have male dancers on Thursday nights at Cicero's. Maybe we'll go out on Thursday nights." I could feel my eyes flashing; Mike was starting to bug me, teasing me about the topless bar as if it were all right for guys but questionable for us girls. "You have a problem with that?"

"N-no," Mike hastily retreated. He recognized that he was on dangerous ground. "But if you two get all worked up over the dancers, remember to come home to us."

"Did I feel it necessary to give you that kind of warning?" My hand was on my hip now, one eyebrow raised, as I felt resentment building in me. "Do you think we're going to jump up on stage and go down on the male dancers?"

"No," Mike said, physically backing away from me.

"Is that what you guys do at the topless bar...get off with the dancers?"

"No!" Mike protested. "It's just..." and he left the sentence hanging. He seemed uncertain, himself, of

We walked in her front door and straight upstairs to her bedroom...

what he was concerned about. Finally he said, "Well, maybe you and Brittany would...you know...." He didn't finish that thought either.

"No, I don't know," I said. "We would what?"

"You two. Together. A little girl-to-girl action."

"You think we're lezzies?!"

Mike laughed nervously. "No, not really, but don't all girls...sometimes...you know...like in the dorms at college or something...I thought...."

"You didn't think. That's your problem."

"Well, if you do, we guys want to watch," Mike blurted out. Then he realized he had really gone too far this time, and he said, "Just have fun." And he walked away.

I called Brittany, told her the guys were starting a "guys' night out," and we were to get equal time. I told her a topless bar might be in their plans and reminded her of the male dancers at Cicero's on Thursdays. But I didn't

mention the rest of what Mike had said.

Not till our second night out. The first night, we went out for drinks, went window-shopping, then hit a trendy new coffee bar before going home. But the second week, we actually went to Cicero's. And got turned on by the dancers. As we watched a guy in a gold lamé bikini take it all off but a tiny g-string,

in bed, you know he'll be too tired for fun and games."

I got this goofy grin on my face then. I could feel it spreading across my features, but I couldn't wipe it off. Brittany asked me what I was smiling at, and at first I wouldn't tell her. Then, reluctantly, I told her what Mike had said about her and me.

Brittany said, "I'd love to finish unwrapping that package," and snickered.

"He's probably gay," I replied, "but I've gotta admit his moves turn me on all the same."

"Me too," Brittany agreed. "I wish Pete were under the table."

"I just wish there was a tablecloth—to hide my fingers," I said with a grin. "Guess I'll have to wait till I get home."

"At least you have that. Pete's taken the kids over to his folks' place. He said they won't be home till 11. I said that's too late for a school night, but he said once in a while won't hurt them. It wasn't worth fighting over. But by the time he gets home and we get the kids

"Well, that would take care of both our problems," she agreed with an evil grin.

"You are teasing, right?"

"Sure. At least, I think so. Well, I was teasing, but...hell, I'm so horny now I'd squat over a fire hydrant if I could. Ashleigh, honey...haven't you ever wondered what it's like with another girl?"

Actually I hadn't. But I kept quiet and just listened. Brittany warmed to her subject and went on, and by the time she had finished, she was perfectly convinced that it was logical and reasonable for two girls to have sex together if they were horny. When she stood up, I knew we were going back to

her house together. Her house, where her husband and kids weren't home. Her house, where we were going to take out our nasty hornies on each other.

We didn't say a word as we walked in her front door and straight upstairs to her bedroom. But when we turned and faced each other, I saw a moment of panic sweep wildly through her eyes, and I started to shiver even though it wasn't cold. We stood there, frozen, for an eternity of seconds, but finally I started removing my clothes, and that sparked a mirroring action in Brittany. When we were both naked, we sank to the bed.

It was Brittany who made the first move, tentative though it was. She put her hand hesitantly on my hip. When I didn't protest, she stroked lightly across to the other hip, trailing her fingertips delicately. But I was in heat, and I urgently thrust my pelvis in the air. "Touch me. There." It came out in barely a whisper. Brittany moved exquisitely slowly, cupping my furry mound with her hand, just holding me at first, then squeezing, and finally dipping one finger between my swollen labes in a search for the opening to my slit.

She found it, her finger dipping into my juice-slicked trench and wiggling around in an exploratory way. I uttered a groan and pushed upward again. I was sitting up but leaning sideward on one hand. Brittany pushed me down. "Let me do you," she said, and now she was the one who was whispering. "Let me try."

I lay back slowly and spread my legs, catching a whiff of the musky odor of my excited slot as I parted my legs and exposed my muff to the air. Brittany settled between my legs and looked down at my pussy, studying it intently. "You're beautiful down there," she said in awe, trailing a finger slowly down the length of my aperture and crossing my quivering clitty as she did.

"I'll bet you are too," I said, as she lifted up her juice-drenched finger and hesitantly put it to her mouth. Her tongue flicked out and barely touched

her finger. She paused, testing the taste of the juices she had licked up. Then her mouth curved up into an excited, pleased smile, and her tongue eagerly flicked out for more. This time she licked her finger clean.

"Why don't you taste it straight from the source?" I suggested.

Brittany didn't need to be pushed. She eagerly got down to where she could lick me, her tongue thrusting out like a lizard's and sliding quickly between my two labes to make contact with my clit. But after a few purposeful licks across the tip of my quivering come-button, she slithered her tongue down into the groove to the left of my clit and began scarfing up all the pussy-nectar she could find. When she had gotten all she could, she repeated the action on the other side.

This latest motion, good as it felt, was frustrating as hell. She was tantalizing me, but by licking alongside my clit, not on it, she was making me hotter without bringing me nearer to orgasm. And I was terribly in need. Between the strippers we'd watched and now the excitement of my first girl-to-girl encounter, I was blazing like a chemical fire, and I needed the flames extinguished.

Now!

But Brittany seemed bent on doing things in her own sweet time. In fact, right at this minute, she seemed focussed elsewhere altogether...specifically, on my breasts. Pulling away from my pussy, she kissed her way up my belly, across my midriff, and then latched onto my right boob. Her mouth fastened around the firm cone, sucking it in till most of my ample breast was in her mouth and the nipple was tickling at the back of her throat. Then she began a suck-and-release motion that repeatedly rubbed my nipple against the back of her throat, tantalizing us both.

I say "tantalizing us both" because it was right at that time that Brittany started to get all wiggly and restless, her body making little hunching

movements that betrayed the extent of her excitement and need. Apparently it made her approximately as hot as it made me to have my breast in her mouth, to have my nipple rubbing the back of her throat, to have her mouth

Feeling my charged-up body straining to come, Brittany finally abandoned my breast and moved down, replacing her finger with her mouth and grazing my clit with her teeth before she resumed licking. I was flying up

fastened around the swollen girth of my ample breast.

But when she switched breasts and began diligently sucking, it seemed she was settling in for some protracted mouthwork on my boob. And, good as it felt, my pussy was clamoring for her mouth. I decided a compromise was in order. "Finger me," I begged, groaning.

My friend slipped a finger between my thick labia and once again waggled it against my straining clit-bud, sending a hot electrical charge rampaging through my pussy. "Ahhhhh," I exhaled, and then I began humping up and down, straining to get off.

Brittany's finger moved faster as she realized how badly I needed to climax. She suckled hungrily on my boob but kept her finger going steadily on my clit...and, unlike my husband, she didn't stray off-point. I began to spiral up to an orgasm.

near the ceiling, I was so far into the stratosphere with need.

My friend began making encouraging grunts as she tongued me, her tongue flying quickly but unerringly across my clit-tip as I writhed and strained and humped and pumped. "Ungh! Ungh! Unhhh!" Brittany grunted, and I knew she was urging me to "Come! Come! Come!" I was about to do just that.

Suddenly a blinding kaleidoscope burst in front of my closed eyes as I surged into a shattering orgasm. "Oh!" I called out sharply, and then I groaned, a long, drawn-out groan that devolved into a wail. Brittany kept up with me, tonguing me till I began to relax, my upthrust, arched body settling back down onto the bed. Only then did Brittany remove her tongue from my clit, her face from my vee. Raising her head and displaying a juice-drenched

face, she grinned impishly and asked, "How was I?"

"You're hired," I laughed. "I may never go back to my husband."

"That good, huh? I gotta feel that for myself."

"I don't promise to be as good as you were."

"I have confidence in you."

So I sat up, and Brittany lay down, and I kissed my way from shoulder to shoulder and then down from breast to breast. Brittany has pink gumdrop nipples, unlike my brown pebbles, though her breasts are actually less full than mine. I swirled my tongue around each nip in turn, and I scraped the sides of her nipples with careful teeth.

But when her body began urgently humping on the bed, I let my teeth graze their way down across the front

rowed my face into the split slit. Her fragrant juices were acrid and sharp-scented, but having seen how easily Brittany went down on me, I had overcome my worries about being able to eat her out. Without any hesitation, I thrust out my tongue and stabbed it deep into her juicy pussy-slit.

At first I licked the entry to her hole, tonguing up the juices as they surged down from her inner depths. But I knew her clit was where the real seat of her sensations was, and I quickly changed tactics and applied my tonguetip to her clit-tip. Brittany squealed as if she'd seen an apparition, then shouted, "Yes! Do that!" and began wildly humping her body on the bed.

I hadn't realized how hot...or how close...she was, but when she started those quick hunches and sharp thrusts,

onds from happening.

"Oh! Ohhhh! Ohhhhhhhhhhhhh!" She sobbed as she groaned. It was obviously an extra-good one. And then she shuddered and began to relax. I stopped tonguing her then, knowing she'd be too sensitive. But I put my head down on her pussy patch with my nose near her slit. I didn't want to leave the source of that wonderful, sexy womanscent yet.

Brittany's hands came to rest on my head. "Good—that was great. Thank you."

"What are we doing next week on our girls' night out?" I asked, grinning.

"Pete and the kids might not go to Grandma's then," Brittany warned me.

"We may have to rent a motel," I said.

"We could be wicked and do it in the backseat of the car."

"We'll think of something."

When I got home, Mike asked me, "So...did you girls have a good time?"

"Yup."

"What'd you do?"

"We went to the strip show at Cicero's."

"Is that all?"

I cocked my head sideways and draped my face in a teasing grin. "Oh, we both got so horny at the strip club that we got into some down 'n' dirty lezzy sex afterward," I said airily.

"No...seriously," Mike said. "What'd you do?"

"Well, if you don't want to believe me...." I said in my best you-know-I'm-just-teasing voice.

Mike shrugged an I-give-up shrug and said, "I hope you didn't really get too worked up at the strip club. I'm really kinda tired tonight."

Like usual, I thought, but all I said was, "No, I'm fine. It's okay." I got ready for bed and got in next to him. He was snoring in no time, but my hot memories of the evening kept me awake for quite a while.

What Mike and Pete don't know won't hurt them... or us.

of her body till I'd reached the musky, headily scented pussy patch of curly blonde hairs. Inspired, I tugged at her hairs with my teeth, and it was obvious she liked that, as she threw her body wildly around on the bed and jutted her hips ceilingward.

Then I parted her labia and bur-

I realized she was already nearing the edge of climax. I thumbed her nipples as I relentlessly tongued her clit, and soon her breath was coming in sharp, labored intakes. Her whole body tightened under my hands. Sweat poured off her. She was gasping like a landed trout. And I knew her climax was sec-

Destiny, Samantha, Angela

Caught with a dildo in her pussy, Angela was just about to get off when Destiny and Samantha find her and jump on the bed. Soon it's getting more aggressive and forcing her to fuck it while they suck and fuck each other. Lots of flashing boobs, drool, spit and saliva to go around.

THIS HAS TO BE YOUR FAVE SCENE!
