# EXPERIENCE KEEPS KEEPS YOU AHBREAST OF EXCITEMENT!

YOU can't have too much of a good thing!

That's the message we got from reader response to the first *Experience Big Boobs Special*. You really lapped it up – so we've gone all out to make the second edition even better: and even bigger!

You'll find some of the most beautiful and bountiful bosoms you've ever seen inside these pages. And the personal experiences which accompany the photos have been specially prepared by the Girls of *Experience* to put the emphasis on titty titillation!

Sexual pleasure among liberal adults is a hard-won freedom in our democracy; even though a certain minority are still trying to curtail your right to choose your own reading entertainment.

We at *Experience* believe that sex should be expressed and discussed as openly as possible: although we draw the line at encouraging sexual activities which are unlawful or harmful.

You'll see the words "Member of BAPAL" on our front cover.

This means that we belong to the British Association of Adult Publications – an organisation which was set up to ensure that certain guidelines are followed by all adult magazines published in this country.

Total freedom from censorship would be sensible and right, providing there were safeguards against minors

being exploited or sold material intended for adult minds.

But it's obvious that Britain isn't ready for such a move yet. Sexual repression still exists, even though we've travelled a long way in the past decade.

And those who profess to be horrified by nudity and sex are still powerful enough to inflict their minority views on the

majority.

But within the framework of legal boundaries we know that *Experience* and its sister magazines lead the field in presenting strong erotic entertainment.

Having got that off my chest, I'll leave you to linger over the chesty pleasures to come!

IS THERE something about girls with big boobs that turns them into teasers? They're certainly bound to catch the eye of any red-blooded male – and I wouldn't mind betting that most busty gals find the temptation to tease almost irresistible.

Kathie, the 18-year-old receptionist I interviewed recently, is a self-confessed tormentor. She's proud of her 42-inch bosom, and she's well aware of the pleasure those extra inches can give a man.

But would *you* be satisfied with the kind of sexual experience Kathie gives her boyfriend? It makes me wonder if "the free expression of female sexuality" referred to by Dr Mary Jane Sherfey has gone a little too far!

In *The Sex Researchers*, Dr Sherfey reminds us that "... this unprecedented development is born of the scientific revolution ... and the new social equality and emotional honesty sweeping across the world".

Kathie's 'titty-relief' may be fine for the all-out breast fanatic, but my lovers would go crazy if that's all I permitted. Still, I can't boast the super dimensions she's got, so maybe I'm wrong ...

**KELLY FRANCIS**

## MY BOOBS WERE MADE FOR TEASING MEN

I STARED in the mirror at my reflection, admiring my beautifully full tits.

They'd grown to their proud 42 inches when I was only 17, just over a year ago, and once I'd got over the embarrassment at having bigger breasts than any of the other girls I knew, my super-tits were a source of

wondrous pleasure to me.

And to my boyfriends!

I caressed them lovingly, fondling the nipples until they were sticking out, hard and erect.

In a way, I'd kept that promise to my parents. They'd begged me in their old-

fashioned way to keep myself "pure" until I was married. Well, I was still a virgin – but there were more ways than one to get full satisfaction: thanks to my big, bouncy bosom ...

Pushing them up to my mouth, I licked each teat in turn and thought feverishly of Peter's hard cock shooting its spunk over them. My body tingled at the idea, promising myself that this evening I'd milk every drop of warm, sticky come from him.

My parents were going out this evening and they wouldn't be back until well after midnight.

I didn't dare to entertain Peter while they were at home. My mother and father wouldn't have approved of my dating a man who was so much older; even though Peter was a very attractive 35-year-old.

After going out with him just once, I realised that he was wild about my big boobs. So crazy, in fact, that he was even willing to accept the limitations I'd put on our sex games ...

When he knocked at the front door I'd changed into a pair of crimson satin panties, a short skirt and a filmy, see-through blouse. I felt very sexy, knowing that my ripe tits were completely visible through the blouse; my nipples hot and erect as they pressed against the silky material.

As soon as I'd closed the door, Peter took me in his arms and kissed me passionately. I let him feel my boobs pressing warmly against his chest for a few minutes, writhing against him so they rubbed thickly to and fro, and then I led him into the lounge.

I had to smile as I knelt in front of him, letting him have a clear view down the front of my opened blouse. His prick was already surging thickly against his trousers

– and I hadn't even touched it yet!

I slowly unzipped his fly and pulled his trousers and underpants off, while Peter just stood there, breathing hard. He knew that I made the rules, and that he had to play the game my way or not at all! Holding his thick pecker, I slowly wanked the foreskin up and down – using my free hand to unfasten a few more buttons on my blouse.

Then I moved closer between his open legs, brushing my silken-covered boobs against his rampant prick. The love juice was flowing from my pussy, making the lips chafe hotly against my tight pantie crotch.

Pushing Peter onto the settee, I wriggled half on top of him so I could pull my blouse right off and thrust my mammoth tits right in his face. Cupping them, I offered them to his hungry mouth.

**"Suck them!" I panted. "Go on – suck my nipples and rub your lips on my titties!"**

Eagerly, Peter filled his mouth with my soft breast flesh; cramming as much as possible between his lips. I whimpered with pleasure as his tongue lashed wetly across each nipple in turn; his fingers squeezing into my ample orbs and kneading them feverishly.

Then I moved away from him and stood up, stepping out of my skirt. Peter reached out to pull down my panties, but I slapped his hand away.

"You know that's not allowed!" I told him sharply. "If you want to play with my tits you'll have to do exactly as you're told. If not, I'm going to put my blouse back on!"

"Oh, no!" Peter gasped. "Please don't do that. Let me suck your wonderful

I felt a tremendous surge of excitement and power flowing through me.  
"Look at me", I commanded. "I'm going to stretch out on the settee and let you watch me playing with my tits. And while I'm fondling them, you can wank yourself!"  
Lying down, I began to rub and massage

I watched, fascinated, as Peter obeyed me: his hand rubbing urgently up and down his shaft as he leaned over me, his angrily flushed prick surging and straining towards climax.  
My mind was spinning with pleasure as I squeezed and stretched my horny nipples,

We would relax, and then I'd slowly stimulate him to a new erection: using the breasts he adored to make him thick and horny again ...

WELCOME to the readers' Forum feature of our Big Boobs Special!

Soon after the first edition went on sale I started receiving reams of correspondence from large-breast fanciers.

Lots of the letters were simply congratulating us on devoting a "special" to this theme - and although it's nice to receive praise, it'd be boring for other readers to publish them all.

But it looks as if we'll be bringing out several more issues of the *Big Boob Special*, so if you'd like to contribute your own sexy experiences of the mammoth mammary kind, please write as soon as possible and I'll try to include your letter in the next edition.

Unfortunately, none of the regular Girls of Experience can claim to be more than average in the bosom department. That's why we're taking a back seat, photographically speaking!

Well, you bought this magazine to see the biggest, didn't you?

I've made a selection of the sexiest letters relating to terrific tit experiences - hope you find them as fascinating as I did...

Lots of love,

Tina xxx

## Rub-a-dub-dub from a big girl

AT LAST you've given me what I really want!

Every month I go through *Experience* and *Vibrations*, hoping to find photos of really big-breasted girls. I'm usually happy, because there are always at least one or two very sexy pictures showing girls with the big, full tits I love so much, but now you've produced a whole magazine devoted to mighty mams.

Thanks!

Apart from collecting magazines and

films of big-boobed women, I naturally look for sizeable tits in my girlfriends.

So you can imagine how excited I felt the other week when I saw a female hitch-hiker standing on the grass verge with her thumb out - and with a pair of really heavy breasts thrusting from her blouse.

I pulled up so quickly I almost went into a skid!

Then, as she opened the rear door of my car, a man strolled up and got in as well! It was a fairly old trick - the guy hanging back so drivers would think they'd struck lucky - and I'd been well and truly caught.

Still, I couldn't refuse to give them a lift

and I contented myself with adjusting the rear view mirror so I could keep glancing from time to time at the luscious swelling of the girl's boobs.

She seemed to know what I was doing, because I soon noticed that Sandy (as she'd introduced herself) was definitely pushing her bosom out for me, and as we drove along she even went so far as to unbutton the first three buttons of her blouse.

Now I'd already planned to put up for

the night. I was on a long journey from London to the north of England and I had arranged to spend the night at my sister's house. She and her husband were away on holiday, but they'd left me the keys.

It turned out that the young couple I'd picked up were travelling up to Scotland, so I played the Good Samaritan and offered to let them sleep in the spare bedroom.

After unpacking, I showed them to the guest room and decided to take a shower. I was hot and sticky after the journey.

Well, I hadn't been under the spray for more than two minutes – and I'd just finished soaping my body down – when the shower curtain was suddenly pulled aside.

I immediately thought of the film "Psycho" – and I was terrified for a moment that I was going to be stabbed to death.

But Sandy stood there, wearing a lovely smile and absolutely nothing else! She was stark naked, although she must have known from the sound of the water that the bathroom was occupied.

"Bill's gone off to sleep," she said softly. "And I can't wait to get myself clean. Do you mind if I join you?"

Without waiting for an answer, she stepped boldly under the shower with me; her body brushing against mine as she took the soap from my hand and calmly rubbed it over herself, creating a rich, foamy lather.

I just stood there, speechless and goggle-eyed.

Sandy's breasts were even bigger than I'd imagined. Now I could see them in all their naked glory, I was absolutely stunned by their ripe, round firmness and the beautiful thrust of the full flesh. And her boobs were tipped by thick, long nipples that stood out as large as red cherries.

My cock was beginning to twitch upwards into an erection as I stared at her gorgeous tits, and then Sandy gave a low whistle: stepping back a little so she could gaze down at my stiffening prick.

"How big does it grow?" she giggled. "Would you like me to help it get really hard and strong?"

And with that, the girl reached out her hand and took my shaft in her loosely clenched fist. She began to squeeze it, rubbing the foreskin up and down until I felt as if my knob was going to burst from the sweet sensations of her fingers.

My hands went out to her boobs and I fondled them to my heart's content while she wanked my cock; feeling and exploring every inch of her mighty knockers.

After a few moments, Sandy turned the shower off. Then she slid down in front of me, kneeling so she could lick the underside of my shaft.

Slowly, while my legs trembled with excitement, she took my knob between her lips and sucked on the first few inches: working her tongue delicately around my

glans until I was shuddering with pleasure.

Finally, when I felt as if I couldn't stand the thrill a moment longer, she urged me down on the wet floor and got me to lower my prick into the cleavage of her tits.

Sandwiching my cock, Sandy gave me a wonderful titty-roll – squashing her enormous boobs around my tingling rod and massaging them until I felt a tremendous power building up in my balls.

With a groan of ecstasy, I allowed my

spunk to shoot out over her wet, creamy boobs: thrusting back and forth, jamming my aching tool into that heavenly nest until I couldn't squeeze another drop of juice from my balls.

Sandy let me relax, and then she stood up and washed me down from head to toe.

"It's the least I can do, to thank you for giving us a lift," she explained. "Bill won't mind – even if he happens to find out what we've been up to . . ."

I went to bed that night in a daze. True, I didn't get to fuck my lovely hitch-hiker, but being allowed to come off all over her wondrous tits was a glorious experience.

The next day, Sandy acted as if nothing had hapened between us. I dropped them off at a spot where they could easily hitch another ride, going on my way with fond memories of those big, big boobs . . .

### **When big boobs get together!**

I KNOW men are supposed to be the ones who love super-sized boobs on a girl, but other women can get very turned-on by big tits, too!

I'm sure I'm not the only bisexual girl who goes weak at the knees when she stares at a pair of really huge breasts.

As a matter of fact, I'm *only* interested

in another girl if she has a big bosom! Flat-chested, or women with an average-sized bust, don't turn me on at all.

My own boobs are 39 inches, and there's nothing I love more than to feel them rubbing and squashing up against another pair of warm, naked tits.

I first became aware of these feelings above five years ago, when I was 18.

I'd just started my first job after leaving secretarial college and I was working in an office where the manageress, a woman named Joan, was especially well-endowed up top.

I found myself gazing at her beautiful breasts whenever I got the chance. Whether she was wearing a crisp white blouse or a figure-hugging sweater, Joan displayed her boobs to full advantage.

She certainly wasn't embarrassed at having so ample a bosom, and although she caught me staring at her tits on several occasions, she only smiled in a knowing sort of way – even though I blushed furiously!

One evening she asked me to stay behind and help her to clear up a back-log of work. After we'd finished, Joan made coffee for us – which was a bit strange as this was usually one of my chores.

I soon discovered the reason why she was being so solicitous . . .

As we sat in her office drinking the coffee, Joan began to pay me very sweet compliments: not just on my work, but on my looks and my figure!

"You really have an adorably shapely body," she smiled. "Why, your breasts are as firm and well-rounded as mine!"

"Oh, they're not!" I protested. "Yours are much bigger, much nicer . . ."

Joan raised her eyebrows slightly. "Let me see . . ."

Then she put out her hand and gently stroked her palm upwards over my right tit, making it move easily beneath my blouse because I wasn't wearing a bra that day – it being the middle of summer.

I gave a funny little gasp as she touched me and allowed her fingers to linger on my boobs. They were fondling softly from one to the other, and it was clear that Joan was no longer giving them a friendly, impartial examination.

Her hand was caressing my tits, rubbing them so skilfully that I could feel my nipples yearning up into a stiff, hungry erection. She could obviously feel their stiffness through my blouse.

All at once, I knew that I wanted her desperately!

We rose to our feet and she slid into my arms, running one hand through my long hair and pressing her other hand into the small of my back so our breasts were crushed snugly together.

Then she brushed her lips gently against my cheek, slowly moving her mouth across my face until we were kissing intimately: our tongues slithering wetly against one another.

It was impossible not to respond to her sexy advances. When Joan reached her hand around to the front of my body and began to unbutton my blouse I could feel hot and cold shivers of pleasure rushing through me.

She drew my arms out of the sleeves, then quickly rolled her sweater off. As we broke off our kiss, I shuddered with excitement as I saw her naked boobs for the first time.

They were superb! Round, full and

plump; yet there wasn't the trace of any sagging. Her breasts stood out in a gorgeous expanse of nude white flesh, the nipples flared with erotic stiffness.

I brought my trembling fingers up to

touch them, sliding my palms beneath her weighty orbs and gently raising them; all the time staring hotly at the biggest pair of naked boobs I'd ever seen.

Joan was caressing my tits now, moving them slowly so they rubbed against hers: our nipples pressing sexily together then springing apart.

Then she leaned her head down so she could brush her lips sweetly across my hardened teats. She licked them in turn, while I continued massaging and feeling-up her super soft mams.

Soon Joan was sucking hard on one of my nipples, pulling it deeply inside her wet, warm mouth and chewing more and more firmly on it.

I wanted her so much!

When Joan released my nipple and quickly stripped off the rest of my clothes, I couldn't wait to see her naked as well. I wanted to give my body completely to her and to roll my boobs nonstop against hers as we made love together . . .

We sank to the floor and I opened my legs eagerly as Joan stroked her hands up the inside of my thighs.

I could feel her fingers probing at the moist lips of my cunt, fondling through my pussy hair until two of them were sinking deeply inside my hole.

Her other hand kept playing with my breasts as she frigged me and sent me spiralling into a delicious, pounding orgasm.

Then, stretching her nude body on top of mine, Joan writhed up on down on me: making her big tits rub voluptuously against my smaller boobs while our pubic bones thrust together and the hot lips of

### Massage from marvellous mams!

WHO says that all Thai girls are tiny in the tit department?

Maybe the average bird from Bangkok is slender and pretty flat-chested, but I had an experience this year when I was on holiday in Thailand that proves you *can* find the occasional big-boobed darling in the massage parlours!

I have to admit that I can't pronounce her name, let alone spell it. But I spotted her straight away and although I had a choice of nearly twenty girls, there was never any doubt that I'd select this masseuse – being a devoted tit-fancier . . .

It was the first time I'd had an Oriental-style massage, though I'd heard all about the way they do things over there.

You get a full body massage – and that means the girl strips stark naked, soaps herself all over until she's worked up a rich lather, does the same thing to you; and then stretches you out on a water bed while she rubs her boobs, her thighs and her pubis all over your body!

That's not the whole story, of course.

Sex is freely available in nearly all the Bangkok massage parlours. Well, I say "freely", but you naturally have to give the girl a decent tip. My masseuse really earned her extra reward.

She had a pair of breasts that would have been the envy of most Western girls: ripe and full, with incredibly thick nipples that seemed to be in a state of permanent erection.

And when her big boobies were lathered with soap, the sensation of being titty-rolled by them was out of this world!

She began by using her breasts to massage me – starting with my back and rubbing her tits up and down from my neck to my buttocks.

By the time she asked me to turn over I was rampant as hell. She smiled at my throbbing prick, looking well-pleased that

she'd caused such an immediate reaction.

Then, stretching herself out on top of me again, she slowly rubbed downwards until her boobs were resting heavily on my cock. She pressed them snugly around my rod, making a soft, soapy sheath for my tool and working herself rhythmically up and down until the inevitable happened.

I felt myself spurting helplessly, the spunk shooting thickly over her breasts and adding to the lather!

We paused for a while. My masseuse fetched me a reviving drink, then continued her sexy treatment – this time lead-

ing me to a big double bed, where she proceeded to give me a regular massage until my cock was twitching in readiness again.

She asked me if I wanted to fuck and I nodded eagerly.

Once more I experienced the exhilarating thrill of having those juicy knockers around my cock as the girl sandwiched my prick with them for a few minutes, then wriggled upwards so they were in line with my face.

I sucked on one dangling, inviting nipple as she worked my pecker inside her pussy: letting me chew and play with her fantastic

tits while she did all the work of thrusting up and down; making my knob plough back and forth into her hot, tight little cunt.

She seemed to be in no hurry to bring me off. We must have fucked for a good fifteen minutes before I finally reached another climax – and she seemed to relish

it almost as much as I did!

It was the holiday of a lifetime. I just wish Bangkok wasn't so far away, or that you could get that kind of big-boob body massage in the British saunas . . .

# DONNA

# I was a handful for the guy next door!

"THERE'S a really big interview coming up! Do you think you can handle it?"

I ought to have known that Penny was teasing me, but I immediately thought that a very famous blue movie star was coming over – and I'd landed the interview assignment.

When I nodded eagerly, Penny said: "It's really huge, mind you – and I don't want any boobs to be made! You'll really have to work your tits off ..."

Well, our Assistant Editor went on in this vein for a couple of minutes before the 'penny' dropped! I suddenly realised that she was kidding me about an interview she'd lined up for our Big Boobs Special – edition number two.

I was to talk to a girl named Christine, who'd written to us about our first Big Boobs magazine, saying she could put all the photo models to shame with her 46" bosom.

Forty-six inches?

My mind boggled! Imagine what it must be like to have such enormous breasts – why, they must bulge out incredibly ...

Christine had a very sexy story to tell, as well. Naturally, because we always keep our interviews as confidential as possible, the names and other details have been changed.

But Christine's experience points up the dilemma described in Drs Goldstein and Haeberle's *The Sex Book*: "... we encounter a great variety of conflicting opinions about the purpose of sex and are forced to choose between a number of competing value systems".

In her case, Christine had to choose between acute frustration and being unfaithful to her husband. It was a choice that brought both excitement and the fear of discovery ...

Girl of Experience  
JULIE ANDERSON

BELIEVE it or not, I'd married a man with a very low sex drive.

You'd think that a girl with my obvious sex appeal wouldn't have much trouble in finding a truly randy partner, but fate had dealt me a cruel hand.

David seemed passionate enough at first, but after two years of marriage he was taking more and more interest in his work and his hobbies – and less and less interest in me.

Looking back, I suppose I may have made too many demands on him. Scarcely a night went by when I wasn't ready for sex; and I'd rarely be satisfied after just one session.

So you can imagine how frustrated I felt when he kept making excuses, and when I finally got the message that David's sex drive didn't match my own.

I craved physical love. I went through

agonies, trying to be faithful to my husband, until, in the end, I knew that I'd be heading for a breakdown if I didn't get relief.

Playing with my breasts and fingering my pussy was only a short-term solution. It was exciting at the time, but it always left me wanting more: much more!

Gradually, through half-spoken hints and meaningful glances, I became aware that our next-door neighbour, a young guy named Simon, really fancied me.

He worked shifts on a newspaper and his wife had a day job, which meant that most afternoons he was awake and alone in the house. So was I!

One day, the inevitable happened ...

The doorbell rang and he was standing there, beginning to make some feeble excuse about wanting to borrow some coffee.

When I invited him in and deliberately

stood so close to him that my breasts were touching his chest, Simon dropped all pretences.

His arms slid around my waist and he squeezed me tight, squashing my big boobs against the front of his shirt.

"God, how I want you!" he moaned. "I can't stand it any more – you know how I feel, don't you?"

My heart was racing as I slowly allowed myself to respond. How could I pass up such a wonderful opportunity?

Melting, I turned my face to his and we kissed passionately: our tongues sliding in and out of each other's mouths as our lips sucked hotly together.

Within seconds, I could feel Simon's prick bulging up against my belly in a lusty erection.

We stumbled upstairs and tore at each other's clothes until we were both naked, and then we fell on the bed – lying on our sides, facing one another, his eyes transfixed by my boobs.

"Oh, Christine!" he panted. "They're magnificent – and I never dreamed I'd see them naked!"

"Not just see them!" I whispered, stroking his hair and urging his face down to my cleavage. "I want you to touch them, stroke them, squeeze them..."

Simon hesitated, as if he couldn't believe this was really happening to him. I shifted slightly, urging my boobs snugly against his mouth and nose.

"Go on!" I urged breathlessly. "Do whatever you like to them – kiss them, squeeze them, even bite them! My tits are so big and so sensitive..."

Moaning, his cries stifled by the warmth of my breasts, Simon began to carry out my

instructions: slurping and guzzling on my tits like a milk-starved baby.

Then I worked my body over his until we were in the sixty-nine position, wantonly exposing my buttocks and my peeled-open pussy to his eager face.

**Through my legs I knew that Simon could see my hanging boobies – so big, so full.**

He began to lick and suck at my cunt while I took the crown of his prick between

my lips, letting the horny, throbbing flesh slide deeper and deeper into my mouth.

We lapped and licked at each other for a while, then the need to fuck overwhelmed us.

Simon urged me to be on top so he could have full access to my breasts; so I squatted over him, helping to sheathe his rampant cock in my pussy while he rolled and fon-

Soon he was whimpering and jerking out of control, and I ground my crotch down against his, keeping every inch of his shaft buried in my cunt as the lovely juice spurted from it and his spunk fountained high into my pussy...

Since that wonderful afternoon, Simon and I have grown closer and closer. We've

dled my boobs – pulling on my teats to make the flesh ripple and quiver voluptuously from side to side.

Using my vaginal muscles, I squeezed as tightly as possible on his rod as it fucked in and out; my hips squirming and my buttocks twisting in a furious rhythm of pleasure as his prick sank again and again to its limit.

both found a solution to our problem, though I have to admit that I'm nervous in case my husband finds out about the affair.

Although our sex life is practically nonexistent, I still love David and I'd hate to lose him. If only he had the same horny appetites as the man next door!

# When the guests had gone our party really WARMED UP

LIKE most girls who have only an average endowment in the breast department, I'm fascinated by big boobs.

Sometimes I feel envious – wishing that I had an outsized pair of mams – and sometimes I feel sorry for women who have to carry all that extra weight around!

But there's plenty of room for all types, all sizes in this world.

Mind you, I can understand why so many males are turned-on by really big boobies. There may be something in the classic Freudian theory which puts it all down to a breast-feeding fixation, but I'll settle for the view that if you're fond of something, then the more there is of it, the better!

Jackie really amazed me, though. When we first met for our interview, I found it hard to tear my eyes away from her enormous, but very shapely 44 inch bust.

Yet even a girl with such prize endowments can sometimes be left out in the cold – at least temporarily...

Jackie's a 22-year-old secretary; single and living alone. She recently found herself without a boyfriend at a party, though this sad state of affairs was remedied before the night was out.

Girl of Experience  
**SAMANTHA PETERS**

EVEN a girl with my measurements can occasionally come unstuck!

I was really looking forward to this party, but as the evening drew on I realised that my chances of pairing-off with a dishy guy were growing more and more remote.

I began to hit the booze pretty hard, mainly to lull the unpleasant frustration I was feeling.

And I must have passed out on the sofa,

because when I next opened my eyes the room was dark and everyone seemed to have gone!

Not quite everyone, though ...

As my eyes grew accustomed to the gloom, I made out a young couple sitting on a smaller settee across the room and a single man curled up in an armchair, apparently sound asleep. Our hosts had apparently gone to bed, leaving the few remaining guests to crash out in the lounge.

The boy and girl were kissing and cuddling and I watched them through half-closed eyes, pretending that I was still asleep.

Soon, they were getting really carried away.

He rolled up her sweater, exposing her large breasts which were firm and milky-white: not as big as mine, but still ample and well-rounded.

I watched with mounting excitement as he sucked them and fondled them, rolling the heavy spheres of flesh this way and that as his tongue darted from one nipple to the other.

Then she unzipped his jeans and drew out his prick.

Despite my frustration - I was wishing with all my heart that I was the lucky girl holding it! - I could feel myself getting worked up and excited as she wriggled her head down and took it deeply into her mouth.

He was still preoccupied with her tits, pulling on her extra-large nipples and pinching them while she gobbled his cock. It was all I could do to go on pretending I was asleep!

When she finally moved away, took off her pants and straddled him, I felt so randy that the love juice was soaking my pantie crotch. I watched, holding my breath so I didn't moan with excitement, as she wiggled down on his shaft and it slid easily out of sight into her pussy.

They began to ride up and down with gasps and pants of pleasure; the girl's buttocks jiggling and then being held open as he clamped his hands to her cheeks and his fingers stole into her crease.

It wasn't difficult to tell when he ejaculated. The girl gave a hoarse squeal of ecstasy and the man's body stiffened perceptibly as he shot his spunk into her cunt.

Then they settled down on the sofa, wrapped in each other's arms, falling asleep within minutes ...

The tension inside me had grown so

strong that I *had* to have relief.

I glanced across the room. The other man, probably drunk as a lord, was still apparently snoozing.

Slipping my hand under my dress, I began to rub at my itching pussy - pulling the crotch of my knickers to one side so I could get at my chafing, inflamed quim.

Soon, I was masturbating furiously: three fingers buried in my hole, my hips rising and falling as I felt the love juice flowing hotly.

I was so aroused that I couldn't stop - even when I opened my eyes a fraction and saw that the man in the armchair was sitting up, facing me and rubbing his exposed prick!

We looked at each other, our hands working busily, and then he stood up and quietly crossed the room.

"I thought you were asleep!" he whispered. "They really got me going - I couldn't help wanking!"

"Me, too!" I panted softly.

"Why don't we help each other out?" he said. "It seems silly, two sexy people playing with each other..."

For answer, I reached out and took his rigid cock in both hands; rubbing it between my palms and slowly guiding it towards my lips.

His hands felt for the buttons at the front of my dress and exposed my huge tits, a gasp of amazement coming from him as he realised just how big my breasts really were!

"They're fantastic!" he moaned, his fingers sinking into the heavy, rich plumpness of my tit-flesh.

"Play with them!" I urged him in a sexy whisper. "Squeeze them and pinch them! Go on - they're aching to be fondled!"

He didn't need any more encouragement. While I sucked on his rod and lap-

ped my tongue expertly around his glans, he let his hands feast on my abundant boobs; his forefingers and thumbs rolling my plum-sized nipples until they were on fire with erotic pleasure.

Releasing his slick, wettened cock shaft, I urged his face against my titties: watching as he darted his lips from one swollen orb to the other, tasting and exploring the fat, sleek globes to his heart's content.

Then, hastily rolling my panties down, I straddled him and reached between our legs to steer his prick to its rightful home.

He kept fondling and rubbing at my boobies as I worked his straining knob into my cunt, and as I shivered with excitement - feeling every inch of his staff throbbing in my hole, he went almost crazy with lust.

**My nipples were stretched and tormented; his fingers clenching into the ample surrounding flesh until tremors of impending orgasm raced through my body.**

Shifting, we moved so I was lying completely on top of him, my legs spread wide and his head raised slightly so he could continue feasting on my titties while we fucked.

Wave upon wave of ecstasy shuddered through me as I climaxed, and at the peak of my orgasm I could feel his prick twitching more violently than ever, convulsing into a wild pulsation that sent his spunk flooding hotly into my womb...

# BOSOM PALS WITH MY TENANT

WHAT do I think about big boobs?

Well, when I see photos of girls who have 50 inches or more, I have to admit that I find them slightly grotesque.

I'm sure some men are turned-on by elephantitis of the bosom, and if that's their pleasure, good on them!

But when breasts are *that* enormous, they lose their shapeliness as far as I'm concerned.

You won't find any mammoth mammaries in this magazine because we feel they belong to the bizarre side of sex. Still, I think you'll agree that the girls who've posed for our Big Boob Specials are not only well-endowed - they're also very pretty and very shapely with it!

But just because a girl is blessed with a bountiful bosom doesn't

necessarily mean she's the brassy barmaid type.

Take Jean, the subject of my interview, for example.

She's quite young to be a landlady, but her parents died when she was 26, just two years ago, leaving her a house which was far too big for Jean to keep up on her own. She decided to let some of the rooms after converting them into bed-sitters.

And with such an attractive, busty landlady, perhaps it isn't surprising that she soon found a randy lover among her lodgers. Mind you, he was such a shy young man that he needed pointed encouragement from Jean's ample bosom before he succumbed!

Girl of Experience  
INGE STERNE

ROGER the lodger!

It still makes me smile when I think of my tenant's name, and the fact that he proved to be such a randy Roger – after several weeks of seduction, that is . . .

He was such a studious young man that I almost despaired of getting him into my bed. If it hadn't been for a bout of 'flu which my shy young tenant suffered, I might still be waiting . . .

Telling him that it was part of the duties of a good landlady to look after her

tenants, I made sure that Roger was well looked after during his illness: taking him light meals and lots of orange juice and aspirins until his temperature went down.

Then I did my utmost to make his temperature – and his cock! – rise again . . .

On the third day, when he was well on the road to recovery, I took a breakfast tray into his room.

I was wearing an almost completely transparent nightie, short, black and frilly,

and as I leaned over the bed I made sure Roger was treated to a sexy view of my tits as they bulged and swayed out of the clinging nylon.

I took my time, adjusting the tray and pretending to make sure he was comfortable: knowing that all the while his eyes were rivetted to my big, exposed boobs. Then I sat on the edge of the bed and began chatting to him while Roger nervously sipped his coffee and the scrambled eggs I'd prepared.

Gradually, I brought the conversation around to sex. By the time he'd finished his breakfast, I knew that Roger was beginning to get well and truly turned-on.

He was shifting uncomfortably as he tried to disguise the tell-tale bulge of his cock beneath the bed covers, and when I took the tray from him to place it on the bedside table, I let my hand brush fleetingly across his rigid pole – feeling its power as it stuck up so hard and erect under the thin

sheet.

It always excites a man when a girl talks about sex – and I'd been teasing Roger by giving him intimate glimpses into my love life, as well as a generous view of my 45 inch knockers!

Soon it was time for the talk to cease and the action to begin . . .

I drew the bed covers back and my fingers quickly loosened Roger's pyjamas: letting his big, stiff prick surge out.

He was so excited that I guessed it wouldn't take much to make him come. So I decided to bring him off and then slowly work him up again; knowing that the second time around he'd have more control.

Moving up onto the bed, I worked his cock between my breasts and let him pump back and forth between them – my hands squashing those ripe boobies around his hot shaft until I felt the spunk shooting in urgent spasms into my tight cleavage.

As Roger fell back, looking disappointed and concerned, I smiled at him and waited a few minutes, then stretched out on my back alongside him.

I began to lift and stroke my tits, rubbing my hands all over the full expanse of my bosom.

Roger had turned on his side, watching with fascination and mounting excitement

as I squeezed the flesh and pushed one of my breasts up towards my mouth: licking across the nipple until it was good and stiff, then sucking it between my lips.

My free hand crept between my thighs and I gazed into Roger's eyes as I slowly parted my legs and let him see the way my fingers were petting and probing into my

pussy.

I began to whisper to him, telling him how it excited me to play with my own boobs, begging him to take over and fiddle them for me while I frigged my cunt...

When I could see that Roger's prick had grown to its former glorious erection, I moved over so that my body was astride

him – squatting back on my haunches with my breasts pushed forward so they brushed against his face.

Roger played bob-apple with my dangling tits, catching one nipple between his lips and sucking it for a few moments, then releasing it so I could swing my mammoth boobs and let the other one rub thickly across his mouth.

His hands came up and he grasped my tits urgently. Sinking his fingers into the warm, sleek, doughy globes, my sexy lodger was so occupied with the delights of my big bosom that he left it to me to attend to our fucking!

Reaching one hand beneath my thighs, I steered his prick to my opening: helping to guide it up into my hole and then squirming myself slowly up and down on him until every inch was throbbing inside me.

He sucked and nibbled, kissed and fondled my breasts; and as I bounced up and down on top of him, my tits swaying heavily to and fro, Roger started to return the lusty strokes of my hips.

But all through our fucking it was clear that his main attention was directed towards my tits. He couldn't get enough of

them!

As I'd hoped, that early climax had made it possible for Roger to delay spunking. He rode his prick in and out of my pussy for ages, giving me one swooning orgasm after another, until – finally – I felt the pulsing of his shaft growing more urgent.

Burying his face between my boobs, he pinched my thick nipples tightly between his forefingers and thumbs as he came off: the creamy gusher of his sperm jetting furiously up into my cunt as I gyrated on top of him ...

And just when I thought he'd finished, Roger had a lovely little surprise for me.

Pulling his still-hard pecker out of my quim, he urged me down on him until his cock was again nestling between my tits. Thrusting furiously into my cleavage, he managed to coax one more spurt of spunk from his excited knob before it finally subsided!

These boobs which were once a source of embarrassment to me as a very young girl are now my main source of pleasure. I'm proud and excited to think that I possess such whopping beauties ...

# EXPLICIT HARDCORE PORNO GRAPHY

Dear Readers,

Do you have a secret fascination for Scandinavian magazines? The strong type, that is, with colour close-ups of sperm running from glistening vaginas, five men versus one woman, animal experiments, etc., etc. You do? Then read on, for that's exactly what I have to offer - a famous range of 'outrage' magazines, BUT WITH THE TEXTS TRANSLATED INTO ENGLISH.

Don't believe for one minute that reasonably priced hardcore is unobtainable in this country. IT IS A MYTH AND I WILL PROVE IT TO YOU.

I am the proprietor of several well known magazines, including COLOR CLIMAX and WEEKEND SEX, and I am extending my operations to this country. Exactly how I intend to escape prosecution must remain my secret, but if you are interested in (a) explicit hardcore pornography (especially sperm-oral/back views) and (b) in putting my claims to the test, then simply fill in your name and address on the coupon below and return it to me with £3 either cheque or postal order.

UPON RECEIPT OF YOUR TRIAL ORDER I WILL SEND YOU, BY RETURN, 4 EXPLICITLY PORNOGRAPHIC MAGAZINES: THE LATEST CLIMAX AND EROS (PLEASE DON'T BE DISAPPOINTED IF YOU RECEIVE THE SWEDISH VERSION, IT CAN BE EXCHANGED FOR AN ENGLISH COPY WHEN I AM IN FULL PRODUCTION) AND 2 OTHER PORNO BOOKS - WORTH £3 EACH! PLUS A FREE SET OF 'ACTION' PHOTOS, INCLUDING "HOT SPERM ON LIPS", "HELD OPEN IN STOCKINGS", "HOW MUCH OF THIS CAN A GIRL TAKE?" AND "ALL GREASED UP".

By sending in your £3 order, you are effectively receiving £14 worth of material! A great trial offer, one which I hope will allow you to judge the quality of my goods and my superfast service. And, naturally, MY UTTER RELIABILITY.

G. Jurgen Thyssen Sales Director U.K.

Lots of erotic stories and photo sequences in period costume. Victoriana, young Jany sees what daddy gives the maid and gets the same thing from the stable lad. Jamaica 1850 - The female plantation owner has dozens of black slaves and they have to work all day in the fields too! And there's lots more like it in Park Lane. All our photo sequences feature big cocks and girls who would like them bigger, see close-ups as it happened at single girl sex, duo, group and lesbianism. It's the best you can get. B

Each month we choose one girl for our main feature and we say to her 'you choose how we expose you in Lovebirds'. Alice who is in one of the next few issues, chose 'three men with big cocks because I have not had that before'. The thought of all three taking her at once really turned her on, and the fellers, and me. The result is one of the horniest set of porno pictures ever to be published. Look out for Alice soon, plus lots of pussy shots, duo, group, orgy and lesbian sequences and sexy stories.
