"First he sucked on both nipples then he cupped his strong hands under my pulsating breasts and started to squeeze."

A close-up, profile photograph of a woman with blonde hair. She is wearing a purple top. Her right breast is visible, and a spray of white liquid is being emitted from her nipple, creating a series of droplets in the air. The background is dark and out of focus.

"After I stopped jogging I pressed my hands against my heated breasts and a series of wild squirts filled the air all around me."

I am over 18 years of age and I request this material.

**"Because my boobs
are so smooth and
full I love to stroke
them and feel the
hot blood rush
through my big tits."**

"Fuck me and then I'll
be ready to drench
you with my sweet tit
syrup. Doesn't that
sound like fun?"

Just before he shot his sizzling load he nipped the tips of both of my nipples and I almost went over backwards. Before he left he patted my quivering ass. "Next time we'll take a rear view," he murmured. Already I could feel my rear end getting a fiery explosion and instinctively I stuck out my foxy buns so I could squeeze them tight myself.

The next day I read about a big mirror sale at the Morgan Department Store. I decided to let it pass. Big cocks are more fun!

"Licking my erect nipples is fun and I never get tired sweeping my wet tongue over all my creamy cones."
