GARDEN PARTY

Since her sizzling debut (Dec. '91), Justa Dream has proved that her massive talents cannot be overlooked. Billed as measuring an awesome 90HHH-20-30, she continues to wow audiences on the North American dance circuit and has branched out into the world of video. While she is very busy, she enjoys getting back to nature every chance she gets.

Justa has a bit of a green thumb with plants, but she is known for her ripe, luscious melons. Her huge hangers are mouthwatering and she has a hard time keeping her own lips from seeking a taste. Justa's succulent titties need a lot of special handling and attention, but she enjoys every minute of it.

THE DUKE OF KNOCKERS: Made for "Pay Per View" and recently named best adult video at the Adult Video Convention, this slick, XXX-rated, 75-min. video features some of GENT's best models. You'll enjoy the sight of this month's centerfold and covergirl, **Justa Dream** (above left and pp. 44-51), **Kayla Kleevage** (above right), **Nilli Willis** and the enormously endowed **LeeAn Lovelace** (not pictured) all going at it in hot hardcore action as they compete to see who will become the next Duchess of Knockers. The competition is fierce to say the least, but this is the kind of competition in which there are no losers. Filmed on a magnificent old English estate, this video has beautiful scenery, an entertaining plot and dialogue, as well as one scorching sex scene after another. This combination of arousing sex and superior production makes *The Duke of Knockers* the perfect choice for solo viewing or to have on hand for when that special lady is in the mood. Either way, we guarantee you'll go to bed that night smiling. **\$69.95**
