OFF MY CHEST

Editor's Notes

Attention all you big tit lovers! Welcome to another issue of sweater poppin' sweeties. This month's cover features the inimitable Rhiannon. In the history of huge hooter honeys, there has never been a more perfect example of "slim and stacked" It boggles the imagination that her tiny frame can support all that titnage. She truly defies the laws of physics. And as an extra boner-bonus this month's center spread is sporting her new red hair.

We're not wasting any time, we get right down to action with Sara Stone and her natural knobs. The way she takes care of that lucky boy's makes it obvious that she ain't no virgin. Mercedes is a legend in the industry and it just so happens that she has incredible titties. She and I had been talking for a couple years and were never able to get together to shoot... until recently. I have to tell you guys that she is one of the sweetest models I have ever had the pleasure of working with. Looking through the lens and seeing her looking back at me, makes my job so freakin' enjoyable. Sometimes it's good to be me!

Speaking of beautiful natural boobs and sucking dick, Constance excels on both fronts. You can tell by the look on her face that she is having a great time. In fact, I don't think she realizes that there's a camera there. Pornstar Carmella Bing is stunning in a hot, sexy, beautiful, busty sort of way and I'm glad to be able to include her in this issue. When I first began delving into this business, Summer Cummings and Skye Blue were 2 of my favorites. I actually got to meet them when I was shooting videos for Gotham Gold, in the late '90's. Over the years we became friends and I finally got the opportunity to shoot Summer. That shoot remains one of my fondest memories of all the girls I have shot. So, it brings me great pleasure to be able to present a Classic set of them. If you have never seen them before, then you are in for quite a treat.

Madison was a Fury-Find a short while back who turned out to be a real gem. Great breasts atop a smokin' body and she has no problem, in fact she loves pleasing her man. We're starting a new section called "Heavy Titters" this issue. The models that we'll be featuring are not exactly what you'd call "slim & stacked" but they do come with major tit-power. For the inaugural layout Edith brings her HUGE all-natural hooters to you for your stroking pleasure.

We have a new-cummer to the Gent family. The girl with the flaming red hair is named Bailey O'Dare. She was only too happy to take one for the team... in her pussy and in her mouth, that is.

It is nearing my favorite holiday and Diamond felt compelled to dress for the occasion. If her big natural tits were painted orange, she'd look like she had two jack-o-lanterns on her chest. Trick or treat!

The June and July covergirls get together for one fucking hot layout. Harley Raine has been one of my favorite overly endowed models for a long time and natural super-slut Gianna is one of my new ones. Shooting the two of them together had my dick throbbing. I have to figure out how to shoot and be in the picture at the same time. Damn!

As always, Amber FoXXX is back to regale you with tales of her dirty-girl exploits. She's one nasty little slut and we're glad to have her. Devine Intervention presents pornstar Lori Lust in her "no holes barred" approach to the industry. And Breast Of Times shows Rhiannon at her dirtiest.

That's only a taste of what we have for you all this month. As I always say... It's all about the boobs!

TALE OF TWO TITTIES...

Dear Anton,

I hope you don't mind but I pretended to be you. I went to a strip club one night when I was vacationing. The place was filled with really hot girls. Their tits were definitely Gent material. And that's when it dawned on me; "I will get the attention of the girls by telling them I am the Editor of Gent." I knew this would spark some interest and that I would definitely not be going home alone.

It worked like a charm. When the girls came up to me soliciting for a lap-dance I immediately told them I was Anton Fury, the editor of Gent magazine, as well as a photographer. Before they could even request a donation for their entertainment, they began riding my trouser snake. I never had to pay for a single dance. In fact, the dancers were so intrigued, they told the other entertainers and before I knew it I was surrounded by pure tit bliss.

When asked for a business card, I simply said I ran out at the other club I had just come from. At first, I thought, "Ok, snagged" but to my surprise this fired the bitches up even more to really impress me.

Midway through the night I thought my cock was going to explode. I told the caravan of hungry whores that I had to leave. I was encouraged to stay while being led into the VIP room by the biggest titted bitch in the club. This was like no other VIP room I have ever experienced.

The busty babe, who apparently had clout with the manage-

ment, had them close the VIP room off to the other patrons for an hour. She undid my pants and started sucking my cock. She kept stroking me in her mouth. I watched as she worked my cock with that amazing tongue of hers. She stopped to warn me not to cum in her mouth, and I agreed. I pushed her head down on my cock a few times as she was bobbing up and down on it, and after a few more minutes of hearing her moaning while slurping and sucking on my cock I was ready to blow my load.

I felt precum starting to flow and before I could warn her, my first blast of cum shot into her mouth. I held the back of her head and pushed down as another huge load of cum shot into her mouth. She sucked every last drop of cum out of me. When she sat up, I said I tried to warn you but it felt too good. She didn't seem to mind as my jism drizzled down her throat and asked me, "When is my photoshoot?"

I told her that I would be in touch, as I hurriedly exited the VIP room and the club.

Man it feels great to be you.
Billy Westin, Toledo, OH

Billy,

It's good to be the King... even if it's your dick that's getting sucked! In fact, that same technique has worked for me numerous times. But if you are going to continue this practice, I would appreciate you at least getting their phone numbers and forwarding them to me.

Dear Editor,

I am a long-time Gent reader. I'm glad to see you guys getting so many new faces. Some of the other titty mags keep rehashing the same old hags they've been using for years. Give it a fucking break already!

I've been a big-tit lover for as long as I can remember. I have hired many of the feature entertainers for private shows over the years. I am a true boob lover, so I'm not necessarily interested in fucking these gals, but in the opportunity presents itself, I'm not one to look a boob horse in the mouth. A few years ago, I hired a girl that turned out to be one of your cover girls. She had always been a favorite of mine, so I was really geared to see her in the flesh. The date finally arrived and I went to her hotel room to meet her. I have to admit, she looked a little older in person than she did in the magazine and my fantasies for that matter. But, she still looked good and her tits were even bigger up close than I expected so it was pretty good trade off.

We had previously discussed what I was going to get, so we

didn't waste a whole lot of time making small talk. I settled back into the chair and after turning on the radio, she began to dance around. She took her time, moving to the slow song, until she finally eased down the front of her shirt to give me a little peak into her ample cleavage.

After another song she had taken off her shirt totally and her huge tits were bouncing all over the place. She moved in close and pulled my head in between them and gently squeezed. If my cock wasn't hard before, it was steel now. She turned around and ground her big round ass right onto it. There is no way that she could help but feel every throbbing inch. I reached around her and filled my hands with tons of tit flesh. This went on for quite a while until she stood and went back to dancing for me.

Her hand went between her legs and she slipped a finger into her, obviously gooey, slit. She let out a loud moan as her finger caressed her pearly bud.

She whimpered, "why don't you free that monster and stroke it for me."

I didn't have to be asked twice.

I unzipped my pants and it instantly jumped out. I pushed my pants down around my ankles and than wrapped both hands around my meat and started stroking. Her eyes were glued to it as my pre-cum flowed out the piss-hole to lube up my hands. I was so close to cumming that I had to back off and pull my hands away.

The look on her face was priceless as she cried out, "No, don't stop!" as she fell to her knees and swallowed my meaty pole whole, while still slapping her clit. By the time she had swallowed me to the balls, I was shooting a huge load down her Hoover tunnel. I took her big tits in my hands and squeezed while my balls continued to empty every drop of splooge I had. She managed to swallow every drop as she came all over her buried hand.

That was one of the best experiences I ever had with one of these incredible busty babes. I'm not going to tell you her name, but suffice it to say, I have a great affection for the particular issue that she was on the cover of.

Nick Vella, Antioch, IL

Hi Rhiannon,

I am sitting here right now, looking at the August 2005 Gent. This layout has my favorite layout of you in the pink mini-dress and the pink gloves. Just looking at your huge tits overflowing out of the top and sides of that dress has my cock throbbing, waiting to be stroked. I'm wishing your hands were here to help me. Oh my god, I turned the page to see your cock hardening tits and tight ass in my face, and your full red pouty lips perched open, inviting my hard cock to enter! I have to stop and masturbate. I can't wait any longer, can you help me?!

Skeeter Walker, Wallingville, NC

Dear Skeeter,

By the tone of your letter, it sounds as if I already have.

Rhiannon

Foxxxx on the Ruin

SHE IS A TRUE "NO HOLES BARRED" GIRL WHO LIVES FOR SEX. ALL HER DIRTY LITTLE SECRETS ARE X-POSED FOR YOU RIGHT HERE, EACH MONTH.

Have you ever had one of those weekends where you just can't get enough of something? I just had one of those, and that something was sex!

I had just finished a full night of fucking and sucking at my favorite swinger's club in Minneapolis - the Minnesota Party Connection (come join me there sometime - www.tlexp.com) - where I had the pleasure of hosting the hospitality suite. For those of you unfamiliar with swing clubs, the hospitality suite is where the after party is rocking! The rules are simple - come in, get down to lingerie or less, and

have a great fucking time! The room got rocking fast as people came in from the main party and got straight down to business!

I was a gracious hostess at first, letting everyone that walked in the door play with my monstrous mammary glands. I had dozens of people exclaim how they had never seen any titties quite like mine before, and how many had admired them all night long at the dance! Before too long, I had had enough foreplay, grabbed the stud with the biggest cock I could find and pulled him to the middle of the room.

All 50 people jammed into that small and packed room, stopped and watched as your favorite columnist got bent over and fucked hard on the coffee table!

I pulled away slowly, my cunt sucking at the rock hard cock that was buried inside me, and dropped to my knees to finish the job. As soon as I got my soft pillows wrapped around his burning cock, he blew his load right onto them. One of the other ladies dropped to her knees and cleaned them off with her tongue and then kissed me deeply, so we could share his steaming seed.

I spent the rest of the night showing off my gallon-sized globes to anyone who wanted to touch them, and finally hit the hay around 6 am. To anyone else, this would have been a hell of a weekend, but when I woke up at 10 my pussy was aching and I still craved cock. I decided to take a drive to my favorite fuck-friend's place.

As I drove to Anthony's place, my pussy was still throbbing from the night before. Every bump in the road made me quiver as the soreness of a well-fucked cunt hit home, but with every shot of sore-

ness came a little quivering orgasm, and it was fucking awesome! I needed to get something in there soon or I was going to go crazy!!!

I pulled into the driveway thinking I would surprise my buddy. I knew where he kept the spare key, so I was able to quietly slip into his house. I tiptoed down the hallway to his closed bedroom door. I could hear voices, so I knew that he was not alone. My pussy gushed as I recognized the voice of Vida. Vida was one of the biggest bitches I knew from various swing clubs. Anthony and I had talked about what that cunt

would be like in the sack. From the sounds of it, he was about to find out! I slipped into the room and watched as he had her on her hands and knees. He saw me out of the corner of his eye and motioned me to come and join. I slid in right under her nose - literally! I stuck my used cock-hole into her face. Before she could object, Anthony pressed her face into my snatch, as he slid his dick into her from behind.

He pounded her from behind as I pulled her face deep into my well-used hole, forcing her tongue in deeper and deeper; to suck out the spunk I had col-

lected the night before. She licked me clean and I pulled her off of Anthony's rod to rub our nipples together. I didn't want Anthony to think we were ignoring him, so I grabbed his fuck stick and pulled it between our melons. I jerked his cock and rubbed it on Vida's face and on our erect nipples.

I pushed Anthony backward onto the bed, and climbed on to get the ride I had come for. I slid myself down on his dong, and started bouncing up and down. I grabbed my huge bouncing tits, pulling roughly on my nipples, as he drove his dick deep

inside my cunt. Vida stuck her rack in his face and smacked his cheeks against her own saggies. I reached down and fingered her steamy snatch just as Anthony shot a load inside me.

I grabbed Vida by the nips and pulled her to the bed where I proceeded to straddle her face. Our mingling juices dripped out of my well-fucked hole into her open mouth and down her throat. I squeezed out as much as I could, then grabbed my panties and skirt and headed for the door. I headed home for some much-needed sleep and to plan for my next adventure.

If you would like to see me come to a swinger's club in your area, please let me know the details. You never know where I might show up after a day of filming! Who knows, you just might end up in *FoXXX On The Run*!

Keep those fan letters coming - I love hearing about how much you guys are enjoying my tits, pussy, and ass, as well as the experiences I am sharing! Keep on cumming!!!

HOLY SHIT! 3 Times in One Night?!

“His cock was so completely HARD & BIG. And his staying power was INSANE.”

SECRET “Sex Serum” Exposed!

Are you the type of guy that women brag about - THAT "One Guy", the one that "rocked her world"? Now be honest, is that guy you? If not, I may have the secret answer that's been apparently keeping the "industry" guys at the top of their game for years. Check out this letter I received (from a chick none the less).

To the Editor: I don't usually write into magazines (especially mags like this), but after uncovering this amazing secret, I just had to blow the whistle on this stud. I know every girl says this, but I've only been with a handful (ok, maybe two handfuls) of guys sexually. And to be honest, a one night stand is a pretty rare occasion for me. But after partying with this guy for a couple of hours and grinding up against him I just had to get a glimpse at what this guy was packing.

Well, after heading back to his place, let's just say it got a little crazy. He made all the right moves and the sex that followed may have actually destroyed it for every other man! His cock was so completely hard and BIG. And his staying power was insane. Holy shit! I must have had 5 or 6 orgasms after being ravaged 3 times in one night. Now I've been with a couple of guys that performed well in the past. I know one of them was using Viagra, and the other a topical called Maxoderm (which also works pretty well). But hands down this guy was the "champ", I mean he performed sexually like a pro! So between the size of this guy's unit and the fact that he pounded me for nearly 4 hours, I just had to ask what this super stud was using to rock my world.

Well, after bribing him with some return "favors" he finally fessed up. Surprisingly enough, it was also a topical (like Maxoderm, but better). He referred to it as his "secret sexual serum", better known as **PROMAGNUS**. And, get this, my super stud also owned up to being an adult film star!! He claims that he'd never be able to perform at his job without the help of **PROMAGNUS** and that it maximized size while helping him to "recover" faster and do it more often (I'll say!). He even said that ALL male stars he knew in the industry use it - "What do you think, we have the super human ability to fuck like that naturally?"

So next time you think that these "super" studs are plugging away on screen with little or no help THINK AGAIN! They obviously need help like everyone else. So now the secret is out of the bag! I recommend **PROMAGNUS** to any man looking to perform like a porn star. I know that I'll never let any man that I'm with have sex without it again.

Rhannon's **Breast Of Times**

For as long as I can remember, I have always thought about sex. I went to an all girl parochial high school. At first I was afraid that it was going to inhibit my sexual growth and angrily resisted attending that school. But to my surprise, and don't let that fool you, it definitely did not reduce my chances for sexual exploration. In fact, even the girls were fair game. I warned my mother, either I was going to become a diesel dyke lesbian or a nympho. In actuality, I am probably a combination of both with the exception of being bi and not a diesel dyke.

The girls in my school were wild. "Girls Gone Wild" has nothing over on us. The darkroom and the locker room were always the places to be for a "quickie".

RHANNON 62MMM

My first lesbian encounter was with a girl named Jill. Her mother forced her to go to our high school because she was out of control in the public school system. She was hot. She had the most incredible, flawless skin and a head of thick, lustrous dark brown hair. She had that New York attitude I love. She spoke her mind regardless of the consequences. She was definitely rough around the edges. She had fucked more dick than anyone else I knew, at that time and had an entourage of bitches. She seduced me one day with a hot wet kiss. She deep throated my mouth so passionately it made me melt. I was hooked from that moment on. She had a sweet poochy ass and a set of supple natural D-cups.

We would escape the monotony of daily academia with a rendezvous to either the darkroom or the lockerroom. We knew we were on the clock so there was no need for "wining and dining", we would just get right "down" to business. Even though time was of the essence I would never let her get off without kissing me. Her tongue could do unimaginable tricks to both my mouth and my pussy. We would start with the mandatory kiss. While she was deep throating me, we would have our hands up each other's plaid skirts tearing away at our panties to get our fingers buried inside each other's cunts. Jill always licked my juices off her fingers before she plunged her mouth onto my soaking pussy. She always reminded me

how good I tasted and that she was rubbing her clit in the class, anticipating our sexfest. She lapped at my dripping slit and wouldn't let me return the gesture until after I came first.

I always started on her tits. They were just perfect. I sucked her perky pink nipples while fingering her snatch. We would position ourselves so we could indulge in the cunt lapping together. There were times when we grinded our pussies so fiercely against each other's faces that we both walked away with "rug" burn on our mouths and chins. Using the "chapped skin" excuse really only worked in the winter months.

Jill and I continued our sexplay, but liked to broaden our horizons at times. I was seeing this guy named Mark who happened to be a twin. I decided I would introduce Jill to Michael, Mark's twin brother. Jill was easy. Basically any dick would do. I invited Jill to their home one night. At that time Mark did not know that I enjoyed pussy just as much as he did. Well, needless to say, he learned that night. When Jill arrived she did not waste any time. It all happened so quickly. Before I knew it all four of us were in Mark's king-size bed. While I was fucking Mark cowgirl style, I could feel soft hands reach around to my tits from behind. It was Jill. Michael was fucking Jill from behind as Jill was fondling my little buds. (FYI-this was before my implants). She then leaned over and started lapping mine

and Mark's intermingled fuck juice. She made her way to my pulsating clit and sucked away. I came so hard on Mark's cock that I thought I was going to tear the thing off.

It was now Jill's turn. I whispered in Mark's ear that I'd be happy to share. With that, I laid Jill down on her back and positioned Mark's cock in her open mouth, while I dove face first into her gaping hole. I told Michael to fuck me from behind so Mark could see me getting screwed by his brother. You see, I like to keep everyone involved. I was always very good at delegating.

As I could feel Jill nearing a climax, I demanded that Mark fuck her face even harder. Of course, Michael stepped up the pace; thrashing my pussy so hard I could feel his nuts slapping my ass with every stroke. We were all in ecstasy. Once Jill exploded, that was everyone's cue. Michael blew such a load into my cunt that it was running down my thighs even before he was finished. Mark filled Jill's mouth with an eruption of enough man juice to quench the thirst of an army of dying soldiers in the Sahara desert. And as for Jill, I didn't miss a drop of that sweet ever-flowing cunt cream that oozed from her gaping hole.

Jill lapped up all of Mark's seed. She believed it was her diet of cum that nourished her amazing hair and skin. She then buried her face between my thighs, making certain that Michael's cum didn't go to waste. She licked up every drop. She even sucked on my pussy,

to draw out every last drop. The four of us lay back on the bed. Jill and I were in the middle while the boys were on either side of us. Jill and I began kissing. I could feel Mark's cock getting hard and figured that Michael was reacting the same way. Mark slipped his stiff prick into my swollen pussy from behind slowly, so as not to disturb my tongue kisses with Jill. Michael did the same, sliding his man meat into Jill's drippy snatch. We were all heated up and ready for more. This time I wanted the three of us to fuck Jill. Jill mounted Mark cowgirl. She fucked him as I had Michael prep her asshole with his tongue. Once I could get 3 fingers in her ass I knew she was ready for his cock. He slid into her puckered butt-hole with ease. Jill was no stranger to having all her holes filled. I continued to kiss her wanton mouth while the two cocks double-teamed. I sucked her nipple while squeezing her tits. Jill exploded before the boys and then told them she wanted their loads in her mouth! The twins ripped their cocks out of her holes trying their best to aim for her opened mouth. Jill was covered in cum from her snatch to her forehead. I scooped up the puddles and fed it to her. She licked my fingers as though they were candy, before we all collapsed on the bed.

We were exhausted. What a night to remember!!!

DEVINE

INTERVENTION

W I T H D E V Y N D E V I V E

Normally the word "slut" is a derogatory term. However, in the porn industry, it is the highest form of flattery. Lori Lust epitomizes the word and wears it as a badge of honor. After watching her videos and speaking with her at length, I have absolutely no doubt that she loves all things sex and truly loves her life as a pornstar.

I had the chance to interview her on the Howard Brown Live show (HowardBrownLive.com) where she turned out to be a fan favorite. The phones were ringing off the hook, with calls from her existing fans and tons of new ones. If you aren't familiar with Lori, you soon will be.

How did you get into porn?

I had many odd jobs before becoming a model. The modeling happened by accident, when I put my pictures on a swinger's board. I had 1000 e-mails in a day and many people said I should be a model.

What size boobs did you have before any enhancements or are they natural?

I had tiny A-cup boobs. They were so small that I felt embarrassed. Now people can't tell if they are real or fake, even when they touch them. I love my boobs and find myself touching them all the time. I even let guys touch them at events and guess if they are real.

What is your idea of perfect sex?

I like so many different things, it really depends on what person or people are there. Perfect sex could be a person, couple of guys or girls that give me a multiple orgasms. Being watched by other people while I'm getting fucked, is a major turn-on!

I'm very open-minded and I love to explore. So, needless to say, I have to be with someone else who is open-minded as well.

I've been in both open and closed relationships and open definitely is the best for me. There is no need for jealousy.

What was the hottest sexual experience you ever had?

I could be here all day answering this. I have done stuff outdoors at nude resorts that was really hot. I'm an exhibitionist and love to put on a show when I'm really horny. I have made love in moving cars coming home from events.

Three-somes are always great. I love when two guys or a guy and a girl are with me at the same time.

I can remember a series of 3-somes with my boyfriend and his friend that were off the charts. It got to the point that if we went out to a strip club, we couldn't wait to rip off all our clothes and just fuck. Many times, they were both fingering under the table, while

I stroked their cocks. When we couldn't stand it any more, we'd rush out of the club to get to some down and dirty fucking.

I had an experience where a beautiful blond ate me out in a club on a table. That was pretty hot.

When did you get into hard-core films and what motivated you to enter the industry?

I was doing regular modeling for about a year, I kept getting offers to shoot adult. I finally figured; I was swinging for free anyhow, so why not get paid for it and have fun at the same time. It's funny but the first scene I did was a 3-some with two really hot studs. It wasn't like work at all. I was so juiced up; I couldn't wait to feel them inside me.

I love to be nude in front of people. Also, the talent I'm with is so hot, that most of the time I can't wait to rip their clothes off. When I book a shoot, they always tell me who I'm going to be shooting with, so up until I walk on the set, I feel like I'm going to explode from the thought of these guys fucking me.

Whose cock was the first you ever sucked on video?

Well, technically, it was for my website, but if you mean for adult companies, then it would be Chris Slater or Mack Turner. It was a 3-some. I had tons of chemistry with Chris Slater. He's a little hottie. I want to have sex again with him. I love giving blowjobs. Many times I see their bulge on set and I just can't wait to stroke it. I was on set with Tommy Gunn and I couldn't keep my hands off his cock, even before the actual blowjob. I just couldn't wait.

What was your first XXX scene like?

It was a rush. I was nervous, but then also felt like a celebrity. They kept on calling me Ms. Lust. There was a lot of acting and that was lots of fun. It was a 3-some and the two guys were really hot. I loved how sexy the guys were that they paired me up with. It was neat also because the house was on top of a mountain and you could see the whole city. The sex was great. I even came once. One of the guys had to keep slowing down, because he was going to cum too quickly. It felt really good to me though.

Do you orgasm during scenes?

Sometimes I do. Depends on how comfortable I am. Many times you can see the cum on the guys shaft when we were having sex.

Do you get off by being titty-fucked?

Yes, if their cock is really nice, especially if they have a nice head on their cock. I have a head fetish. If there is a hard cock by my face, I just have to suck it.

Where do you like the guy to cum?

I like it on my boobs or on my stomach. I love watching a guy cum and seeing it squirt out of his dick. I love the feel of hot cum running all over me. It feels so hot!

Are you into girls?

Yes, I'm very Bi and love girls. My first girl/girl experience was when I was 14 with a girl who lived next door. Like most kids, we wanted to explore and ended up kissing and licking each other's pussies. I used to sleep over at her house a lot! We would do stuff for hours and even take baths together. It was so exiting and nobody knew. We thought it was our little secret.

Then one day her older brother was secretly watching us while he stroked his hard cock. I think it was a set-up, but I'm not sure by whom. He turned out to be my first blow-job.

DIRECTED BY: Paul Thomas RUNNING TIME: 82 min.
AVAILABLE FROM: Vivid

Tera Patrick always brings tightness to my pants. This pornstar just exudes everything sexy to me. Tera is naturally the star and she is leading a life of desperation. Outside of the rule of law is where she finds herself and she's just trying to stay ahead of whomever is after her at the moment. Shy Love and uber sex slut Syvette bang two guys named Trent in a condom wearing orgy. Trent pounds Syvette from behind as the Shy takes on the other Trent. Shy Love embodies all the trappings of a porn slut. Pearly white choppers, killer body, wide-open eyes and big fake hooters. Shy's anal scene begins with some light fingering that builds in intensity. Trent gets her into a reverse cowgirl ass fuck that looks tremendous on film. Cumshots for everyone bring the fun to close. What a way to start off a movie! Spyder and Tera mix it up with a great tease as Tera works the barely there skirt she's wearing. The action gets a little kinky as these two know how to turn each

other on. Spyder unloads as he pops a nut all over his lovely wife's face. Tera and Monique Alexander can come over and play with each other in front of me any time they please. In fact I demand it. Monique deep kisses Tera's full lips as the busty brunette fingerbangs her blonde friend. Several sex toys get super soaked with girl cum as Monique plunges them as hard and as deep into Tera as they will allow. While the toy action is red hot it's plain old exciting to watch two beautiful girls kiss each other. Thank you! Brooke Haven mixes it up with Tommy Gunn in a hard fucking adventure. After screwing each other silly, Brooke uses her oral and digital talents to coax a load of cum from Tommy's Gunn's pistol. Shy comes back to join the husband and wife team of Spyder and Tera in a fun fetish sequence. Spyder takes care of Tera with an assortment of tricks and toys. Listen in as Tera cums again and again courtesy of her main squeeze. Spyder fucks Tera while standing and the slapping of his hips into hers is hypnotic. Shy has her pussy eaten by Tera and returns the favor and more so with Spyder. All in all a fun movie with a little bit of kink for everyone. - Larry Tripper - DDD-CUP: Smokin' Hot

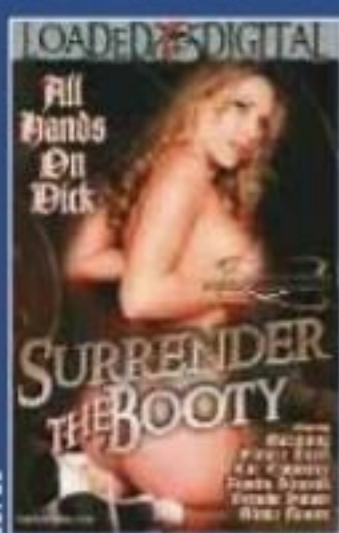

SURRENDER THE BOOTY

STARRING: Alexis Amore, Austin Kinkaid, Brooke Haven, Eve Lawrence, Flower Tucci, Harmony Rose

DIRECTED BY: Anton Slayer RUNNING TIME: 95 min.
AVAILABLE FROM: Loaded Digital

DDD-CUP: Smokin' Hot DD-CUP: Serves your cock well
D-CUP: Don't even bother

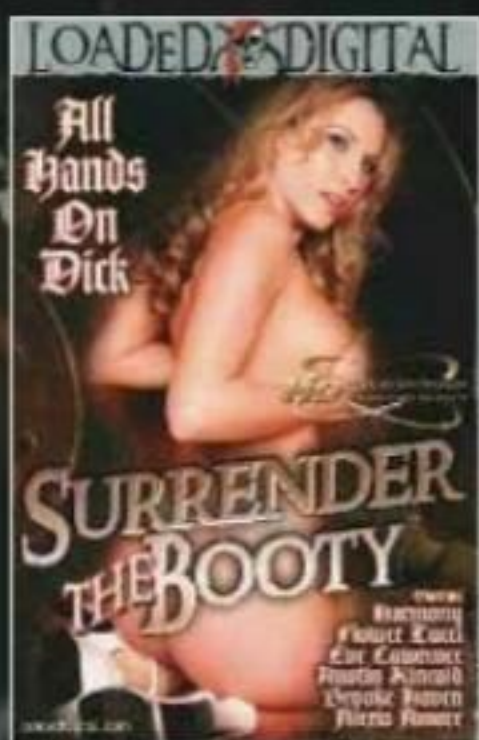

Swash buckling adventures on the high seas of kink seem to be the big theme this year in porn. Adam and Eve's Pirates has done it the best so be wary of imitators. Surrender the Booty is another pirate themed flick with plenty of booty chasing and sword swallowing. Eve kicks off the movie with Brian Surewood, as both are dressed in period costume. Surewood enters her room and after some patter they dig in to each other. He licks her pussy and she delivers a no hands cock sucking to him. Surewood plops his dick in between her boobs and fucks her titties for a bit. Eve grabs his cock and puts him in her pussy and he's off screwing her all over. Eve's pussy gets banged a bunch of different ways ending up with her ass in the air and her face in the mattress. Brian strokes off on her face and open mouth and she uses her tongue to clean up all of his cum. Flower Tucci lets her star shine in a hot scene with big Lee Stone. Their scene gets pretty hard-

20763

core after the obligatory oral exchange. Flower lets loose a torrent of girl cum from her pussy and soaks everything around her. Austin Kinkaid gets her ass eaten among other things, by Alex Sanders. This is another hot scene with some spirited fucking going on. Harmony and Brooke take Talon to task in a wicked three-way. The girls tag team his rod after he tongues at their twats. The girls munch each other when Talon is busy with the other. Harmony gets the dick first while she buries her face in to Brooke's cunt. The action fades out and when it comes back, Harmony is still getting fucked. It's Brooke's turn for the deep dicking and Harmony plays with her pussy the entire time. Alexis fucks the Frenchman Jean Val Jean in the final scene. They passionately kiss to get the juices flowing. Jean sucks on her titties before getting her totally topless. Alexis mounts his face for some great pussy lapping. Jean's cock gets lubed up with saliva before plunging in to her steamy hole. The couple really gets in to each other as they bend each other into a bunch of exciting positions. Alexis is great to watch and she gets a face full of cum at the end that will leave you very satisfied. - Mitch George - DDD-CUP: Smokin' Hot

O: THE POWER OF SUBMISSION

ARTICLE BY HELEN BACK PHOTOS COURTESY OF ADAM & EVE PICTURES

The first time I ever heard of "The Story of O" was as a senior in high school. I remember it like it was yesterday. I had just turned 18. A girlfriend of mine, who was also a new adult, had stolen a copy of the dog-eared paperback from her mother's night table.

She used to read passages from it to me during study hall... and I remember getting so hot that I'd have to go to the girls' room and masturbate. That book, and maybe my girlfriend's throaty voice, got me so turned on that I sought out a copy of my own! Keep in mind that most of my friends and I were still reading Judy Blume novels and wondering if we'd be asked to the prom. "O" took my sexual curiosity to an entirely new level... When Adam & Eve asked if I wanted to star in a new, edgy, modern-day version of "The Story of 'O'," I didn't hesitate. I even said I'd offer my near-virgin ass for the project (I've only ever done anal once before — in "The Perfect Secretary"). Award-winning director Ernest Greene got

on board and I knew we were all in for one hell of a ride!

On day one of the shoot, I was fitted for my kinky gear. I've only ever dabbled in the BDSM scene, so this was all new to me! Collars and corsets were specially made for the movie, and I started to understand why people really get into this lifestyle. The way the leather smells, feels and tastes elevates the erotic experience to a whole new level. I found I enjoyed the feeling of these binding outfits... I asked the seamstresses to make my costumes tighter so I could really become "O."

I met my castmates, who all seemed as nervous and excited by the project as I was. Evan Stone, who would later be my anal partner, was especially enthusiastic. And because he is known in the adult industry for really getting into his roles, I felt myself panic a bit at the thought of his role as my dominant partner...

Luckily, the first scene we shot relaxed me a bit! Gorgeous (and she only does girls!) Justine Joli played

one of "O's" many lovers. In a spectacular home (used in numerous big budget Hollywood films!), we chose the master bedroom as the place "O" would delve into her lesbian side. Justine gently undressed me and kissed my lips, nipples and neck until I was actually begging for her tongue in my pussy! "O" is supposed to be quite inexperienced, so I had to pretend to be a little apprehensive... and of course all I wanted to do was cram her face between my legs and ride her sweet pink tongue to oblivion! The director kept offering advice. "Slowly, slowly," he said, as I used my fingers and lips on Justine's wet, waiting creamery. She tasted like honey, and I couldn't get enough! The director yelled, "cut!" but we kept going until she came for me.

Next, we had a scene with XXX legend Nina Hartley as an instructor. Justine, Adriana Nicole, Angelina Black and I all took turns playing games as Nina guided our hands (and other parts!) to secret destinations. I had to learn how to "treat" Justine

the "proper" way... and she cooed just like a good sub should. I actually got so turned on in this scene that I was distracting myself with my own fingers in my wet pussy.

For those of you who don't know... the original "Story of O" involves an exploration of love, lust and control. I like that "O" is a strong woman who knows what she wants... and Tommy Gunn plays my lover who introduces me to the world of BDSM. I couldn't wait to get my hands on Tommy. And he didn't disappoint! We shared lots of teases and I wanted him inside me so bad — but it wasn't to be. In keeping with the storyline, my longing goes on for so long I have to find my release elsewhere.

Evan Stone fits that bill (and my tight, tight ass!) perfectly! You know, when I agreed to do anal for this film, I got to choose who my partner would be. I had worked with Evan in the past and we have a certain, um, chemistry that can't be denied. My girlfriends in the XXX biz say he's the man for the anal scene. But then I

got a look at his cock and nearly screamed! "That's never going to fit in my butt," I thought! But all the sex and costumes and storyline on this set had gotten me so turned on, I was walking around in a perpetual state of arousal...

On the last day of shooting, Evan actually seemed a little nervous. He was aware that I could hardly walk after the last time we fucked... and I was used to and loved that! I followed the advice of some other anal-happy starlets and wore a buttplug for a few hours here and there the days prior to the scene. Gradually, I used larger and larger plugs and reveled in the fact that I could "take it" each time! When I finally got to the "Evan" sized plug, I knew I could do this and I was ready to make the most of it!

We started off kissing and touching to get things started. Part of the storyline involves "O" losing herself in the "other man," which is Evan. "O" ultimately commits to him by giving her the one thing she has never offered a man: her ass. I felt much like "O" by the time we started shooting! Evan's rough beard rubbed against my hard nipples and I knew this was going to be for real. His fingers plunged deep in my pussy and I wanted him more than I've ever wanted anything. I sucked his hard cock and he slid it between my already-sopping thighs. I rode him and came for the first time... Then, we had to stop a few times to keep him from cumming. (Luckily, I can cum over and over again!)

Finally, he flipped me over and fucked me hard, deep and from behind. His massive balls smacked my clit and made me cum again. Slowly, his fingers found their tight reward: my trophy ass. He wiggled one finger and then another into my brown eye as he expertly fucked my pink clam. I couldn't stop moaning... and he removed his enormous cock from my pussy and inched it deeper and deeper between my cheeks. I couldn't believe I could take the entire thing... and I was cumming again!

As he went from slow, steady strokes to penetrating every inch into my wanton ass, I wanted more and could barely focus on the director, the script... anything but his perfect shaft taking me somewhere I had never been. I came and came and came as I rubbed my swollen clit in time to his pumps. I was completely exhausted yet exhilarated as I helped him finally have his release. His cum is so sweet... I couldn't get enough...

Finally, we finished the scene and everyone applauded. This was the end of a long, detailed shoot... and the cast, crew and extras all seemed both relieved and a little sad. I won't give away the end of the story, but "O" and I are very much alike, I think. And I have taken more away from this shoot than the fetish gear and kinky costumes. Like "O," I believe I can now submit without losing myself entirely. Giving my ass, however, is another story entirely...
