Angelique

We're thrilled to welcome newcomer Angelique to the GENT family. As if we need to tell you, Angelique is heart-stoppingly gorgeous and deciding to put her on this month's cover was a complete no-brainer.

Originally from Brazil, this 5'5", 120-pound, 45-24-37 lovely is now living in Germany, where she's fielding modeling offers from various mainstream agencies. But thankfully for us, John Lee-Graham was able to photograph her in all her wondrous naked glory and the results speak for themselves.

Although fluent in her native Portuguese and getting better at German, Angelique speaks no English (similar to December '94's Minka, another foreign beauty we recently brought to you). But the ease with which she displays her huge, fleshy mams and smooth slit cuts across all cultural and language barriers.
