Nicole

Karen

Solo, Nicole and Karen Tyler are enough to stop a strong man's heart. Together, they're awesome beyond belief. No, the buxom twosome are not related, so we're not doing anything naughty by having the girls doing stuff with each other. "We were surprised to find we had the same last name," Nicole says, "and that may have started our friendship."

Both girls are exotic dancers on the North American dance circuit, which is how they met. Karen's 5'5" tall, weighs 120 pounds and measures 42-24-36 in contrast to Nicole's 5'6" height, 120 pounds and 46-24-32 of luscious female flesh. Nicole made her cover debut in 1995 (Holiday issue) and Karen was featured in the May 1997 Gent. For the intimate and sexy details of their lives, we'd suggest you order those back issues and read all about 'em.

News From The Sex World

Anna Nicole Smith Gets Boobs Bashed

"My whole life revolves around my breasts. Everything I have is because of them!" says the bombastic \$8FF Anna Nicole Smith. And she ain't just whistlin' Dixie. But it seems the big-boobed boob...er, babe, still can't get any respect. The model, actress and Playboy centerfold was doing an X-rated shoot on a Bahamas beach recently, exposing her "wonders of the world" when a couple of local security guards ran over and began shouting at her to cease and desist. Smith told them to take a powder and so they grabbed her and dragged her off the beach...roughly. How could they? Don't they have respect for her luscious knockers, at least? Anyway, word is that A.N.S. is highly pissed but there ain't nuthin' she can do about it since public display of your titties, no matter how fabulous or famous they are, is illegal in the Bahamas.

"Well, I Was Gawkin' At These Titties And..."

us begins the story about why this feller toppled off the stage when he was performing. Why Garth Brooks, shame on you! On the other hand, good for Garth. We knew there was something we liked about the country music superstar besides his singing. Yep, it appears he's a breast man.

"We were doing an opening show for the Judds in California. I'm out walking around trying to play it cool because there are 30,000 fans out there," says Garth. "One guy gives me the closed fist sign and I give it back to him. One guy takes his hat off, and I take mine off. Then this girl jumps up and she has on a little bikini top and I take one look and fell off stage into the orchestra pit."

Garth, as you know, packed New York City's Central Park recently with over a quarter of a million fans and is on his way to becoming one of the greatest stars in the firmament. We only hope he can keep his titty-gazing under control though because we'd like to have him around for awhile.

But, we can't say that we blamed him. We wonder how many car crashes, jaywalking accidents, bicycle wrecks and jogging disasters can be blamed on some guy like us getting hypnotized by a couple of heifers.

So That's What Those "Arches" Are!!

According to University of California anthropology professor Alan Dundes, quoted in the Wall Street Journal in March, explaining why a lot of people collect items from McDonald's restaurants (e.g., Big Mac wrappers, Happy Meal toys): "The arches, if you want to look at it that way, could be breasts. (Many People) see McDonald's as a big nurturing place to get your meals." Aha! So we have another case of subliminal advertising! And what better to draw the customers than a big pair of golden, titty-shaped arches! No wonder some of us get addicted to Big Mac's! Thinking a little further, what about one of McDonald's competitors touting their restaurants as "home of the whopper?" We know what a "whopper" is, don't we guys? It's what Anna Nicole Smith has, that's what! Anyway, gaze at these golden arches and let us know what you think.

Don't Light Pamela Lee's Fire, Please!

There have been recurring rumors that Pamela Lee's natural charms have been considerably enhanced by a few pounds of silicone. And although we have no problem with that possibility, we wondered what Pamela has to say about that. Well, according to sources, Pamela Lee says, "everyone says that I'm totally plastic from head to toe. So I better not stand next to a radiator, or I'll melt." Nuff said, we guess, but Pamela, are they really silicone?

Gent Girls Don't Care, Cause They Don't Need To...

According to a book full of inside tips for aspiring beauty contest winners, 101 Secrets to Winning Beauty Pageants, contestants should be wary of what kind of tape they use to enhance their bustlines. Well, no gal in Gent needs to worry about enhancing that part of her anatomy, but we thought the following advice was kind of amusing: Mailing tape is best, and masking and surgical tapes are okay, but, the book warns never use duct tape! That's dangerous! Duct tape, you see, will pull all the skin of your hooters and then you won't win the contest anyway because they'll be real sore and not worth a prize.

How Much For a Super Flopper-Stopper?

According to a poll conducted, we assume, by SELF magazine, following are the responses to the question, "If you could find a bra that was completely comfortable, very attractive and fit perfectly, how much would you be willing to pay for it?"

- | | |
|--|-----|
| 1. You would not spend more than \$20 for a perfect bra. | 21% |
| 2. You would be willing to spend up to \$30 | 44% |
| 3. Fifty dollars is the maximum amount you would pay for the perfect bra | 18% |
| 4. You would pay up to \$100 | 6% |
| 5. You would be willing to spend any amount to find the perfect bra. | 11% |

REVIEWS BY BOB COOLIO

Our tittiful video collection this month includes some big-hooter lesbian action, gals who cheat on their husbands and some awesome amateurs making their video debuts.

SKYE AND SUMMER'S BACHELOR PARTY

CAST: Skye Blue and Summer Cummings.

DIRECTOR: Unnamed.

LABEL: Hollywood Video.

RUNNING TIME: 1 hour 15 minutes.

D-CUP RATING: Three bras.

SYNOPSIS: In a 100% hard-core lesbian video, that is marketed to be played at bachelor parties, Skye and Summer display their hot and horny talents.

HITS AND MISSES: Skye Blue and Summer Cummings are the quintessential porno-sluts. You can see these two in videos, magazines and dance clubs all over the country. The reasons for their success is that they are great at what they, do-not to mention the fact that they have two of the finest, melon-fitted, make-you-wanna-pound-em-hard bodies that you'll ever drain the snake to. This video is marketed to be watched at bachelor parties but it can be played at any adult party or even if you're "holding your own." The first scene, taken from another Hollywood Video, "The Most Dangerous Game," features the ladies in a dance club set, dancing, caressing each other, and licking each other's nipples as they strip. Skye buries her face in Summer's crotch until she is nice and wet, then jams her with a large Flexigals dildo while tonguing at her clitty. Things look like they can't get any hotter, when out comes a strap-on; Skye wildly fucks Summer's ass doggie style, jamming it deep by pulling on her hair and shoulders, until Summer has an enormous orgasm. These two nasty ladies talk dirty to each other throughout the video and send themselves (and viewers) into a foaming frenzy. Skye diddles her clitty with a vibrator and moans feverishly as Summer fucks her pussy with a strap-on while jamming another dildo up her asshole. Then the ladies get off big time when Summer stuffs Skye's butt with a double-edged dildo and shoves the other side up her own butt. The whining, butt-bumping, anal orgasms that ensue are tremendous!

HOW TO ORDER: For more information, contact Hollywood Video at 1-800-426-9491.

CHEATING

CAST: Ashlyn Gere, Christina Angel, Alex Jordan, Leona, Nick East, Steven St. Croix, Jonathan Morgan, Colt Steele, and Gerry Pike.
DIRECTOR: Paul Thomas.

LABEL: Vivid Video.

RUNNING TIME: 1 hour 35 minutes.

D-CUP RATING: Three bras.

SYNOPSIS: A group of friends gather to give Cynthia (Ashlyn Gere) a surprise birthday party. She and her husband (Steven St. Croix) are in the center of a circle of lust and jealousy as they cheat on each other with their intimate friends.

HITS AND MISSES: Ashlyn Gere, as the lustful and fiery brunette, Cynthia, is wonderfully cast in this excellent video. Her marriage with her husband, Keith (Steven St. Croix), is breaking up. She has been fucking his friend and business partner while he is likewise humping members of their group of friends. Ashlyn has a combination of a luscious full body, large mams, a nasty, horny temperament, and, the ability to act. The insatiable Ashlyn fucks just about every person in the video with cock-stiffening intensity. She gives the lucky guys some of the most bone-draining blow jobs you will ever see and knows her way around the ladies legs as well. At the birthday party, everyone is sneaking away with everyone else for a quick hump. All of the women in this ensemble are delicious and can't get enough. They are all cheating with each other's men and, in a hot lesbian trio led by Ashlyn, they are cheating with each other on their men. The video has a great surprise ending that will leave you flabbergasted!

HOW TO ORDER: For more information, contact Vivid Video at 1-800-423-4227.

VIDEO VIRGINS #23

CAST: Blake Mitchell, Morgan La Fey, Nina Anderson, Meridian, Marki, Stephanie.

DIRECTOR: Unnamed.

LABEL: New Sensations.

RUNNING TIME: 2 hours.

D-CUP RATING: 3 bras.

SYNOPSIS: A series of 5 interviews, including sex scenes, of newcomers to the adult video scene.

HITS AND MISSES: The Video Virgin series features very attractive newcomers to the adult video market with great bodies and large tits. So what's not to like? Each luscious diva is asked a series of questions about her first sexual encounter, her best sex, etc., while we watch footage of each of them caressing themselves and masturbating, often with a vibrator or dildo. It's particularly interesting to see a candid interview with a porn star that you are familiar with from early in her career. Then the interview voice-over ends and we see each lady in a sex scene with a guy during which she gives head, gets eaten and boned in various positions, and finally receives a creamy facial. Hot stuff! It's hard to pick favorites, they were all so good, but I really enjoyed the hot redhead, Blake Mitchell, being familiar with her work, as well as beautiful Marilyn Monroe look-alike, Nina Anderson.

HOW TO ORDER: For more information, contact New Sensations at 1-800-748-6767.

COLLETTE

Some of you readers have been waiting for a return appearance of Collette since her debut in August, 1996. Our Las Vegas cutie says she hasn't been anywhere, but she has become a popular dancer and showgirl and says she hasn't had time to do anything except powder her nose and pookie and get ready to go on stage. Photographer Johnny Castano did manage to snatch her for another photo shoot for us, though, and so here's Collette, just as coquettish and bubbly as ever. "I was very shy when I first started posing," she tells us, "but I've gotten over that. I love dancing and teasing the guys and playing around. I think I'll stick to this business for awhile." So, if you're in Vegas, you might get an opportunity to see 5'6", 41-26-38 Collette shakin' and moving and making the guys all hot and randy.

L.A.
LA MANN

A full-page photograph of a blonde woman with voluminous, curly hair, wearing orange swim goggles on her head and a green string bikini. She is posing in front of a swimming pool, with her right hand on her hip and her left hand touching her hair. The background shows the blue water of the pool and a wooden deck.

Believe it or not, L.A. says that she never thought she was pretty when she was growing up. "I was real skinny and had mousy brown hair and none of the guys wanted to have anything to do with me." And what happened? "Well, by the time I turned 18 I had gained weight, my boobs had grown, and my hair—well, let's call that the miracle of modern cosmetology. It was suddenly a beautiful blonde color." Then, after two years of college, L.A. decided to pursue a career in Hollywood.

RACHEL ROCKETTS

Interview:

With brains, beauty and ambition, as well as an astounding pair of 72HH bazooms, Rachel Rocketts is about to launch her new website, and it promises to be out of this world.

We touched base with Rachel who is at home in Michigan between personal dancing and filming assignments, working hard on her own interactive website which, she vows, will be up and operating by the time you read this magazine. The address: RachelRockets.com.

Rachel has been dancing for only four years but has already gained a reputation as one of the most beautiful, tittful and wild performers on the circuit. Although she loves what she does and also enjoys doing occasional videos, she says that she really wants to settle down at a career where she doesn't have to do so much traveling. The 5'4", 127-pound, 72HH-24-36 beauty says she hasn't had much time for a social life lately, but that all of that might change soon. "Once I make money on the Internet, I'll be able to travel some and have more time for my friends and lovers. Yes, even my sex life hasn't been what it should since I've been so busy."

GENT: In your short career, you've become very popular in a very short time. Tell us, how did you get into the dancing and modeling business?

RACHEL: Well, I first decided that I wanted to become a topless dancer for a couple of reasons. One was that I loved to dance and the other because I knew I could make good money and that would enable me to go to school. So, I started dancing in a club in Michigan, and then I began to date the owner and he kept urging me to model. I entered a beauty contest (I came in second place), I did a layout for Cheri magazine and before I

knew it, I was being asked to pose for other publications. Incidentally, I am really thrilled to be in GENT, which everyone regards as the top big-bust magazine in the country.

GENT: During those rare times when you have some free time, what do you like to do?

RACHEL: Well, believe it or not, I am really an outdoor girl. I love the water and I love the country so I am an avid water-skiier and boater as well as a camper and hiker. There's nothing better than going out to the country for a weekend and pitching a tent by the side of a lake. That way I can do the two things I love to do best. I enjoy spending the time with friends, both girlfriends and boyfriends, incidentally, and swimming, water skiing. Then at the end of the day, building a big campfire and cooking in the outdoors. Then perhaps taking a moonlight swim and then crawling into your nice, warm sleeping bag and listening to the

night sounds in the peaceful country. It's so relaxing to be out in nature.

GENT: You mentioned "girlfriend or boyfriend" before. Are we to gather from that that you might swing both ways?

RACHEL: Yes, you might. To be perfectly honest, I am 100% bisexual. I appreciate the beauty of women and am very attracted to them just as to men. But a lot more important to me than physical beauty, is the personality of the person. I can fall in love with a sweet, kind and considerate man or woman if they have the right personality. And as for sex, I enjoy both men and women.

GENT: So we assume that you aren't faking it when you do videos with women.

RACHEL: I just finished doing a girl/girl video with Tracey Topps, by the way, and I sure wasn't faking it. I can't speak for Tracey but I assure you, I had a great time. She's such a sweet person and so much fun and so relaxed and comfortable with her body and with sex that it was really a pleasure to do the shoot.

**Rachel Rocketts Fan Club,
P. O. Box 963, Dearborn
Heights, MI 43127**

GENT: Any chance you'll be doing hardcore with a man?

RACHEL: Not very soon! I am so busy with other things right now that I don't have time to do videos or films. I'm not opposed to the idea but my first priority is my website, which I am working very hard on right now.

GENT: Tell us about you website.

RACHEL: Okay. It is going to be fabulous! My main attraction is going to be the interactive chat and cyber-strip rooms. I have 25 rooms, and I have over 25 girls lined up already. But that isn't all...I also have a lot of good looking men also. This site is going to have something for everyone...for men seeking beautiful women, for women seeking women, for men looking for men, and for women looking for hunky men. You'll be able to access the person of your choice and then you can talk to them live and then watch them as they perform for you. There will also be chat rooms just for talking, you'll

be able to download hundreds of photos from our amateur section and there will be lots of other features, too, including my own web page where readers can contact me and join my fan club.

GENT: You have a fan club? Tell us about it.

RACHEL: Well, readers can write to me about joining my fan club, at: Rachel Rocketts Fan Club, P. O. Box 963, Deerpark Heights, MI 43127. They can get all kinds of information like my dancing schedule, autographed photos, personal letters, etc.

GENT: What are your favorite foods?

RACHEL: That's easy to answer: I'm Italian. So...if it's Italian, I like it! I also like other foods. Unfortunately I have to be careful about the calories, so I don't eat as much cheese and pasta as I would like to, but if I do over-indulge in rich Italian food, I make sure I work it off with exercise. But exercising isn't too much of a drag because, as I told you, I'm an outdoorsy-type gal who loves walking, hiking, swimming and that type of thing.

GENT: Getting a bit more personal, describe your ideal sex partner.

RACHEL: I'm into tenderness and gentleness. I love to be touched softly, kissed softly. I love to have my partner (man or woman) run their fingers lightly over my body, kiss my nipples, give me soft tongue-licks all over, perform erotic, gentle oral sex on me and then, if it's a dick or a dildo, I don't like the rough and slam-bam type of sex. I can get much wilder if you go slower...that's about it. And, as I said before, looks aren't as important as what kind of guy you are. If you're a gentleman-or a lady-you stand a much better chance of getting me into bed.

GENT: Any special message for GENT's readers?

RACHEL: Well, thanks for looking, and for reading, and be sure to visit my web site. I promise you you won't be disappointed!

STEPHANIE

Grab your Christmas balls and your jingle bells and let's hear a big welcome for Stephanie, who is making her modeling debut in Gent as our bodacious covergirl, centerfold, and spread of joy! 22-year-old Stephanie is a California born beauty who had a career as a ballet dancer in mind, until her boobs got so big that she had to make a choice, so she went the exotic dance circuit, much to the relief of everyone.

Stephanie says that she is thrilled to be in Gent magazine, which she regards as the cream of all of the big boob books. "I wouldn't do anything that I thought was degrading or would make me appear to be sleazy, like some of the other magazines do," she said. "Gent has class, and I consider myself classy too." So does the audience who say that Stephanie shakes her magnificent 41-inch titties, twists her little 24-inch waist and wiggles her 36-inch hips with one helluva lotta class!

a dozen nude photos of her and an S.A.S.E. to GENT/CY, 14411 Commerce Way, Ste. 420, Miami Lakes, FL 33016, and if we use them, she could earn up to \$300.

JORDAN

Jordan West is a scorching 25-year old California cutie with an enticing 5'5", 110 lb. 40-24-34 figure. She'd love to become a professional model and dancer, she says, and we're glad she's dipping her pretty toe into the business in her CY appearance. We'll all be cheering for this cute, former cheerleader as she pursues a modeling, or show business career. She certainly has the looks, the figure and the legs for dancing.

MARGOT

With her tantalizing, heart-shaped pube fashion, it's easy to guess what Margot is all about. "I love making love with the right guy," she tells us, "and I like the look on his face when he sees what I did with my cunny hair." With her petite body (she's only 5'1") and mind-boggling tits (which measure 44-inches) we doubt that Margot needs any other "gimmick" to attract the guys. And from the rumpled appearance of her San Diego bedroom, we're sure we're right. Margot is studying to become a lawyer.

NIKKI

With a pair of absolutely stunning 44's, Nikki is one of those rare, all-natural finds that we are delighted to feature in *Candidly Yours*. We're a rich proving ground for some beauties like her who go on to become professional D-cup models. Nikki is 22-years-old, 5'8" tall and she weighs 140 pounds. She's studying nursing at a Northeastern college and intends to go on to get her degree. "But I could be talked into taking some time off to do some modeling if your readers are interested," she told us. So, readers, what do you say? Would you like to see more of Nikki?

A number of readers commented that Andrea bears a striking resemblance to the legendary Roberta Pedon, when she made her Gent debut back in March, 1996. "We're not related," she assures us, "but my last husband was also a Gent fan and commented that I looked a lot like her. I'm flattered," says the English beauty, who stands entirely on her own with her unique erotic appeal. We're delighted to welcome back the sexy and uninhibited Andrea.

"I honestly never gave modeling a thought," Andrea told us. "I was born out in the country and was quite content being a secretary and then a housewife. It was my husband who kept telling me that I was beautiful and sexy enough to be in magazines and so we finally sent some snaps into a photographer and the next thing I know, I'm a model!" With her great 5'4", 132 pound, 42-25-37 figure, Andrea is an ideal candidate for Gent fame, we think, but she says she isn't intending to make shucking her undies for the camera a lifetime career.

DAWN AN

26 Gent

D SANDRA

The last time we featured Sandra Sommers, the ravishing auburn-haired beauty, she was fucking the brains out of a dude named Rick. Now here she is eating pussy, which just goes to show that when a titter likes sex, she likes sex! Sandra's platinum-haired partner, is Dawn, a newcomer to Gent, and a very welcome one! And judging from the enthusiastic way Sandra is attacking Dawn's tits and pussy, we'd say that she welcomes her just as much as Gent's readers do. Add a dildo to the mix and we'd say this is one of our hottest girl/girl layouts!

Sandra's long overdue return (she was last seen in February, '97) gives us another look at this striking 44-24-36 beauty. Dawn, who's 24 years old, weighs 130 pounds and measures 39-25-37 has just begun modeling. When we asked her if she had a problem doing some lezzie stuff with Sandra, she laughed. "I have already done that," she said and then refused to elaborate. Could it be that both of these beauties are switch-hitters? Or, maybe the answer is that most big-busted women have such a strong sex drive that they will do it with either sex?
