OFF MY CHEST

Editor's Notes

Hello fellow boob-aholics. I'm nothing but an over-stuffed sweater junkie. When I was young, I started dabbling with A-cups. It wasn't every day; it was just a social thing on weekends. Before I knew it they had taken hold of me and I was doing B-cups and then C-cups nearly every day. By the time I got out of high school, the only thing that could get me off were D-cups. Today I just can't get enough of that sweet titty stuff. I have a booby on my back, and I just can't seem to shake it. I'm jonesin' for the feel, the touch, the taste, the heat, the softness of a huge set of squishy breasts. I love natural. I love implants. Wrap 'em around my head. Stick the nipples in my mouth. Encase my cock in mounds of heated up tit-flesh. I need it... I need it bad! **Felony Foreplay** is a feature entertainer with a great set of E-cups. I feel the warmth coursing through my veins with each pic. "H" is supposed to be the ultimate high, and with her monster natural H-cups, **Maria Moore** could send me tumbling into an overdose. Ah, but what a way to go! **Misty Vonage** is another newbie with sweet tits, riding the penis pony and loving every pulsing inch. **Natalie Ocean** is lucky bastard! The next fix is one of my all-time favorites. **Teri Weigel** one chick I'd drive into Harlem for at 4am, just to get a little taste. **Joe Carrona** has been a favorite of mine for years. When the opportunity arose to shoot her, I jumped at the chance. In fact, I'm sure that I spanked many a load out to her incredible "slim & stacked" body over the years, long before I was living the dream. Speaking of dreams—wet ones that is—**Sara Stone** is just the ticket to get the adrenaline flowing and the blood pumping to certain body parts. She takes a meat-spike like a junkie. The only thing better than one busty bitch is two. **Alyssa and Robyn** can't get enough of each other, as they go on a lesbo binge. **Robin** big-breast's flaming red hair and triple D-cups are smokin' hot. "Just say yes" to **Jada Deville's** EE-cup tits and hot little body. She is a real upper—for my dick that is. **Delotta Brown** is a black beauty with huge, monster H-cups. **Paris** brings new meaning to "doing blow", when she sucks two big cocks into all her holes. Talk about "Bogarting" a joint! **Amber FoXXX** is scoring in FoXXX On The Run. **Steve Nelson** brings you the breast in Adult Industry News with **Raven Black**, **Sheila Marie** and others. It's been a long time cumming, but finally the wait is over. **Rhiannon** goes boob-to-boob and mouth to pussy with **Harmony Bliss** in Breast Of Times, where things get hot and juicy. That's just a taste of what we have to offer this month in your place for all things boob. So close all the shades to keep the prying eyes of the neighbors from seeing your "drug" of choice and indulge to your hearts content. This issue is so strong, that you may have to take it in small doses, but it's sure worth the ride. The only way to get off this titty merry-go-round is to go cold turkey... or become a butt-man... not! A splendid time is guaranteed for all...because It's All About The Tits!

TALE OF TWO TITTIES...

NATURE VS. NURTURE

Dear Mr. Fury,

I have been a tit-man for as long as I can remember. When it comes to women, I am totally obsessed with their boobs. I will not even consider dating someone who isn't sporting at least a set of D-cups, no matter how pretty, sexy, nice, etc. they might be.

Being a tit-man, like you so obviously are, I was wondering what your take is on where this obsession comes from.

**Joe Carrona,
Brooklyn, NY**

Well Joe, this is something that I have often wondered myself. For me, I think it comes down to my early pubescent development. When I was 12 my mom hired a high school girl to watch my younger brother and me, over the summer, while she was at work. That summer was spent playing Truth or Dare and Strip Poker.

The first time we played Truth or Dare, I dared her to show me her tits, which she readily did. They were huge, natural and would have been perfect for Gent. When it was my turn, I took "Dare" and she dared me to play with her huge, warm, squishy mountains of tit-flesh.

From that day on, I was a confirmed "tit-man".

I often wonder what ever happened to that girl. I owe her all that I am today!

Anton The Fury

LOOK UP IN THE SKY...

Dear Rhiannon,

I have been a fan of yours for years. You have fed my dreams and fantasies for as long as I can remember. There has never been a woman quite like you. Your tight tiny little body with those huge tits is like some comic book heroine.

As a fan, I respect what you must put in to maintain your body. It is quite obvious that you spend a good deal of time in the gym. Your ass is so firm and tight and I especially love your built legs.

I just wanted to say "Thanks" for giving all of your fans such a perfect specimen.

Steve Clark, Reston, VA

Dear Steve,

Thank you so much.

It means so much to me to know that my fans are paying attention and appreciate what I do to keep on top of my game. My goal was always for a "Super hero" type of body. And you are absolutely correct in your assessment. I spend many hours each week in the gym as well as an hour every day on the stepper.

Up until 18, I was a com-

petitive gymnast. That accounts for my legs being built as they are. Of course, I didn't have the big boobs in those days. Could you imagine seeing me on the beam?

I maintain this look, because I love it, but it's great that you guys love it too.

Love, Rhiannon

FUCK BIG TITS!

Dear Gent,

I love big tits. Always have. Always will. It's not that easy to find girls with huge cans to date/fuck. I decided long ago that the easiest way was to contact hookers. Today, most adult models also escort, so it's pretty easy to find a girl to fulfill my dreams.

Just last night I was perusing an escorting site that specialized in the extremely endowed. I came across one of girls that I have seen in Gent numerous times. I'm not going to give a name, but you would know her right off.

I immediately called and booked her. Within an hour, I was knocking on her hotel room door. When the door opened I was pleasantly surprised to be looking directly into the tits of a girl I had spanked it to many times. Now here I was just about ready to let her do the spanking.

I was sort of tongue-tied as she led me to a chair and pushed me back. She took a couple steps back and began to sway slowly to the music that was playing. Piece by piece she peeled off her clothes until she was standing before me in only an over-stuffed bra and panties.

By this time, my cock was straining to be set free, which I did. I wrapped my hand around it as she pulled one strap off her shoulder and then the other one. She reached around behind her and unsnapped the bra. Her tits exploded into view and my cock nearly exploded too. She moved in close

and pulled my face into her deep cleavage. She smelled so sweet. She held my head tightly while I licked and inhaled her essence. I was in Heaven and pretty damn close to cumming.

She dropped to her knees before me and wrapped my dick in her hot tit sandwich. She squeezed the bulging mounds of flesh around my throbbing shaft. She tilted her head down and let a long stream of saliva flow down onto my cock-head. Slowly she slid her tits up and down my shiny shaft. The cock butter was churning in my balls and began the quick trip up through my hot rod. The first blast hit under her chin as she was smiling up at me. She kept pumping her glory globes as spurt after spurt settled back down into her cock cavern.

Once my dick stopped spewing goo and began to shrink, she used her fingers to scoop up my load. While still looking

into my eyes, she sucked up every creamy drop. She pulled me to my feet and pulled up my pants. She took my arm and led me to the door.

Nary a word had been spoken, but she knew exactly what I wanted and wasted no time in giving it to me. Who needs a girlfriend when I can spend time with many of the Gent superstars?

Tom Nigre, Oakland, CA

Hey Tom,

I have to agree with you. There is nothing like sliding your dick into the warm cleavage of a Gent model. Been there, done that... sweet!

PHOTOS BY BIG DICK JOHNSON

A friend of mine called the other day to invite me over to his place for a birthday party for a mutual friend of ours. He always throws kick-ass parties with great entertainment, so of course I said I would be right over! Sometimes he gets a DJ with a great sound system, sometimes a local live band, sometimes even a stripper, but I always have a great time, so I kicked off my pajamas and got dressed for a fun night out!

I pulled into Dan's driveway and before I could even

get out of my car he was meeting up with me and leading me through the front door and down into the basement. I figured he had something he wanted to show me, but when we got there he pulled me into a small room and told me to just wait. I didn't really figure out what was going on until a cock popped through a hole in the wall, that I hadn't noticed before, and it dawned on me—tonight, I was going to be the entertainment!

Well, it didn't take me more than a few seconds to pounce on that fat cock, sucking through, what I later discovered, was called a gloryhole. I had no idea Dan

had anything like that in his house, but it didn't surprise me—he had always had a kinky mind, always telling us stories of his adventures. I hadn't challenged him with my experiences, because I didn't want to embarrass him in front of the guys, and nobody around really knew about my fun side that you, the readers of Gent, get to see every month!

I could hear a bunch of voices that I recognized, talking and laughing on the other side of the wall. I looked to my left and noticed another cock sticking through another hole. Well I couldn't ignore that one, so I pulled

away from the one I had been feasting on and went over to take the other one down my throat. I licked up and down the hard shaft and rubbed it over my nipples and face. I love the feeling of cock all over me, so I rubbed it up and down and between my huge titties. I was starting to feel my pussy juices run down my legs, so I shoved a few fingers deep into my sloppy snatch. I got myself off by rubbing on my clit, while the cock in my mouth pulsed and unleashed a load of hot cum all over my knockers!

Soon, another hard dick was poking through the

other hole, and I went back and forth sucking and licking as much as I could at each hole until I finally yelled out "Fuck it, someone get over on this side and fuck me!"

There was kind of a rush through the door, and soon I had three guys right in front of me with stiff rods ready to be serviced! I immediately bent over and presented myself to the biggest one I could find, and shoved my cunt back onto his member. I took the other two and started blowing them both, while getting a rhythm with the long and hard stick of hot chocolate,

punishing my aching pussy! I stuck both guys in my mouth at the same time, whipping my tongue around each one while getting fucked good and hard!

Another cock slid through the hole, and I had to get to that too. I bent myself over to take care of that one and told the guys behind me to take turns! They didn't have to be asked twice, and soon I was being filled to the brim with three different slabs of man-meat, while I took care of the dicks that kept poking through the hole in front of me. I was moaning and creaming all over myself and the guys that were fucking me, and

before too long I was feeling another hot load of cum jetting onto my face through the hole in the wall. One schlong was followed by another. I had counted six loads of cum that had come shooting through the wall and onto my face, tits, hair, and into my mouth!

As the last of the six splattered across my face, the guys fucking me from behind dropped me to my knees in front of them and made their own salty deposits across my face and down my throat. I took as much as I could, and when they were done creaming me, I cleaned up what I could with my fingers and ate that

too - I sure hadn't been expecting a treat like that when I came over!

The guys took off after they had blown their loads, and soon it was just Dan and me again. He pulled out a copy of Gent magazine - the Hawgstock biker rally issue to be exact - and tossed it to my feet, commenting on how he didn't figure me to be a dirty slut, until he came across my pictures and column! He said he figured there was only one way to find out, and his cock was the first one to come through the hole-when I started sucking it he knew it was me in those pictures

for sure and he told the rest of the guys there was a nasty cunt on the other side of the wall, none of them knowing who it was!

I thanked him for the nice evening, and took off for home with cum still crusted on my face. I'm not sure if they noticed at the store when I stopped to grab some water, but at that point I didn't care! I can't wait to find my next gloryhole adventure-maybe you will be on the other end!

Keep on cumming! Amber Foxxx

THE NEWS RACK

ALL THE NEWS WITH TITS

By Steve Nelson, Editor-in-Chief of Adult Industry News (AINews.com)

GENT MAGAZINE • NOVEMBER ISSUE # 128

SHEILA MARIE

I was talking with Pamela Peaks, who stopped by to pick up some movies - Pam reviews for Adult Industry News (AINews.com) - and she happened to mention she can get me a new girl named Sheila Marie. She pops up XXXSheilaMarie.com on the office computer and shwing! I almost dropped a

load just looking at her pictures!

And her pictures don't do her justice! When she walked through my door I thought I was gonna have a heart attack! Every part of this girl is delectable!

Sheila had been in the biz before. She did 40 films as Rosanna from 2001 to 2003, then took 3 years off. She came back in 2006, as Sheila Marie. She's had 2 boob jobs "SO FAR", and says there's another one coming. I don't see how you can improve on perfection, but what the Hell do I know?

Sheila has a degree in chemistry and is a grad school dropout from the Material Science Institute in Oregon. She's created her own website, and is available for web design at reasonable rates.

And why would a brainiac like her decide to go into porn? She explains it like this; "If you overdevelop one side of your brain, you develop a chemical imbalance—one has to try and develop as a whole person."

Sheila is very spiritual as well. There is a private part to this beauty.

She does claim, however, that sex can be a very spiritual experience. When working she advises, "Try and eliminate all negativity from the mind or bias filter what would be detrimental to the scene."

It shows in her work. Soon I'll have her scene up on StripClubSecurity Cam.com as proof!

Sheila plans on another year as talent before moving on, so if you're a shooter hurry and book her through her new agent LA Direct Models. You can get in touch with her at myspace.com/xxxsheilamarie.

RAVEN BLACK

I was surfing around xPeeps and ran into a girl who has tits that popped my eyes out! She has flaming bright fuchsia hair and nice pointy nipples with a big D-cup! I contacted Raven right away and pitched an interview to her so I could share pictures of her magnificent mams with the readers of Gent.

On her last trip to the Los Angeles area she stopped by and I asked her how she got started in the adult biz. She started as a swinger, "It was just a hobby for the first 6 months," she said, "but my husband got pervy and took some pics of me. After he got them developed, he sat on them for a while and finally put them on the Internet."

One thing led to another and the next thing you know she's bought a

computer, lots of camera equipment and started doing porn! That was in 1999, when she started an amateur website with her husband (SexyCouple.com). It features exclusive content of her having sex with well-hung black men, and also her and her husband with lots of other girls thrown in the mix. Their latest release is called "Mr Horsecock 3", an all-anal adventure, with four hot white girls getting ass plowed by a horse-hung black guy.

They have recently added new sites to their lineup. Raven sells her exclusive amateur videos, plus clothing and glass sex toys through her site TrashyPictures.com, which has quite a good selection of interracial and cuckold videos. She networks with stars like Sara Jay (who is now part of the Trashy network of sites) and does a ton of interracial stuff so you can see her work has a lot of contrast. UseMyWife.com and FeetNHeels.com are dom and

fetish sites. TrashyVideo.com features downloadable videos. She even has her own affiliate program, TrashyBucks.com.

Raven has just started shooting for other companies this year in an effort to gain more exposure. Her very first scene was with Sean Michaels for Jules Jordan Video, followed by Kelly Madison, Shane Diesel, and she recently did a blowbang for Jonni Darkko.

And to think, if I hadn't seen her tits I never would have known!

TIT BITS

Jade Feng is alive and well. Someone told me she retired, but I had to go directly to the source, to find out for myself. She says, "I've decided to stick with artistic nudes and pinup style for now." Any breaking news with Jade and it will be featured here for sure!

Have you ever heard of a girl

named Wanda Lust? She's kicked back fun!

And remember Cinnabunz? Well she's back and doing scenes! DeLotta Brown (see page 128) had her call me for work, but I'll tell you more about that in an upcoming issue.

Beautiful Nikki Hunter has been diagnosed with cancer. Nicki is battling a form of Lymphoblastic Leukemia Lymphoma. The first of many fundraisers for her was at PSK (Porn Star Karaoke). Lexi Lamour, Eva Angelina, Stormy Daniels, Cleopatra of the Nile, Kitty Langdon and Shay Lynn to name a few, where there to show support. Read the whole story on Adult Industry News.

Write me at Adult Industry News (AINews.com) and let me know if there are any girls you would like to see featured here on "The News Rack". Editor@AINews.com subject: "Gent Column", or at MySpace.com/AINews.

SEX SECRET REVEALED!

HOLY SHIT!

3 Times in One Night?!

“His cock was so completely HARD & BIG. And his staying power was INSANE.”

SECRET “Sex Serum” Exposed!

Are you the type of guy that women brag about - THAT "One Guy", the one that "rocked her world"? Now be honest, is that guy you? If not, I may have the secret answer that's been apparently keeping the "industry" guys at the top of their game for years. Check out this letter I received (from a chick none the less).

To the Editor: I don't usually write into magazines (especially mags like this), but after uncovering this amazing secret, I just had to blow the whistle on this stud. I know every girl says this, but I've only been with a handful (ok, maybe two handfuls) of guys sexually. And to be honest, a one night stand is a pretty rare occasion for me. But after partying with this guy for a couple of hours and grinding up against him I just had to get a glimpse at what this guy was packing.

Well, after heading back to his place, let's just say it got a little crazy. He made all the right moves and the sex that followed may have actually destroyed it for every other man! His cock was so completely hard and BIG. And his staying power was insane. Holy shit! I must have had 5 or 6 orgasms after being ravaged 3 times in one night. Now I've been with a couple of guys that performed well in the past. I know one of them was using Viagra, and the other a topical called Maxoderm (which also works pretty well). But hands down this guy was the "champ", I mean he performed sexually like a pro! So between the size of this guy's unit and the fact that he pounded me for nearly 4 hours, I just had to ask what this super stud was using to rock my world.

Well, after bribing him with some return "favors" he finally fessed up. Surprisingly enough, it was also a topical (like Maxoderm, but better). He referred to it as his "secret sexual serum", better known as **PROMAGNUS**. And, get this, my super stud also owned up to being an adult film star!! He claims that he'd never be able to perform at his job without the help of **PROMAGNUS** and that it maximized size while helping him to "recover" faster and do it more often (I'll say!). He even said that ALL male stars he knew in the industry use it - "What do you think, we have the super human ability to fuck like that naturally?"

So next time you think that these "super" studs are plugging away on screen with little or no help THINK AGAIN! They obviously need help like everyone else. So now the secret is out of the bag! I recommend **PROMAGNUS** to any man looking to perform like a porn star. I know that I'll never let any man that I'm with have sex without it again.

THE LOVELY AND TALENTED HARMONY BLISS

I'm Harmony Bliss, a big busty magazine Internet model and video star. I love being in front of the camera, shooting for magazines, and filming videos. When Gent contacted me and told me they wanted to shoot me, I was very excited. I have known Rhiannon for several years now, and we had done a couple of shoots together when I was first modeling for the adult magazines. She shared a lot of knowledge with me about the business. I have to admit back then when I did my first girl/girl shoot with her, I was a little nervous, but this time I couldn't wait to really get into posing and having fun with her. Everyone at Gent magazine is so friendly and a lot of fun to work with. I knew that the shoot with Rhiannon would be hot, but I didn't know how turned on I would get when our bodies were rubbing up against each other. Her boobs are so amazing I could hardly keep my hands off of them, and she enjoyed playing with mine. I loved holding and caressing them and licking and sucking on her hard nipples. I was in total ecstasy when she started licking my pussy. I couldn't wait to do the same to her. I have to say that we both had a very happy ending to that shoot!

Besides the magazine shoots, I also enjoy working on my own personal website at [Harmony Bliss.com](http://HarmonyBliss.com). I have used a variety of photographers for my shoots, from professionals, to just friends, and even fans or someone I met during my travels. I remember one particularly hot and steamy shoot with an amateur photographer who liked to call himself Cowboy. I have to admit on first meeting him I was very attracted to him. He had seen me in the magazines before and knew who I was, so when I mentioned that I needed some new content for my site, and asked if he'd like to take the photos, he was more than happy to oblige. He came up to the hotel room where I was staying and I told him to help himself to a glass of wine. Then I got myself ready for a bubble bath shoot. I removed my towel

and got into the warm bubbly water. It was very hot and steamy in the bathroom as he started to shoot. I told him he should take off his shirt so he'd be more comfortable since I could tell he was starting to get a little warm. Then I really started to get into the shoot, looking at that ripped chest of his, and the bulging muscles on his arms. I played with my tits and licked my nipples more for him than for the photo shoot. Then I started to spread my legs and slide my fingers up and down my pussy. He told me that he loved my pussy lips and that it really turned him on watching me play with myself, which made me get even hotter. I don't know how many more photos we took, until I couldn't just stand there posing any longer because I wanted him so badly. I told him that now that he saw all that I had, I wanted to see what he had. He then removed all his clothes and stood fully naked in front of me. His cock was already fully hard and erect. It was so thick I reached over to it and started stroking it with the hot soapy water. He stepped into the bathtub with me and we started making out passionately, our tongues pushing in and out of each other's hot wet mouths. Then he pushed me up against the wall, and started kissing and biting my neck, as he worked down to my 40 GG tits. Then he licked and sucked on my nipples until they were so hard, that I felt like I could cum. He told me to sit on the edge of the bathtub, and he got down on his knees and proceeded to lick up and down my clit and stick his tongue in my pussy. I felt my pussy getting wetter and wetter as my pussy juices started flowing and dripping down my inner thighs. I pushed his head deeper into my pussy to make him lick up all my pussy juices. I wanted to suck his cock so badly and fill my mouth with his cum. So I got down on my knees and started sucking on the head of his cock. Then I took my wet tongue and licked his cock slowly up and down, I could feel it getting even harder and longer. His cock was so big, that he asked me if I thought I could take his whole cock in my mouth. I took his huge cock all the way into my mouth, so that it was just touching the back of my throat. Then he sat down in the bath with his big dick sticking up out of the water. I sat down with my back to him. His strong hands grabbed onto my full hips, and I slowly lowered myself onto his cock. I pressed my tight pussy harder and harder

onto his huge cock and I could feel its thickness as it slowly began to penetrate my wet pussy hole. It seemed to grow even bigger and harder, and my pussy got wetter and wetter so that his thick member slid deep inside me. I wanted him to fuck me hard and fast, and I began to ride him while he thrust his cock in and out of me. The water was splashing all out of the tub, but we didn't care, it just made us go faster and harder. His strong hands grabbing onto my full hips as I ground deeper and deeper onto his thick long hard cock. It didn't take long but I could feel him thrusting faster and I knew he was going to cum. When I felt his hot cum shoot inside me I couldn't hold back any longer and my body went into spasms and I screamed out in ecstasy! Then we collapsed with half of the water out of the tub and on the floor. But we didn't care, it wasn't our bathroom.

Besides my website, a lot of my time is spent at ifriends.net where I put on the hottest and sexiest live webcam shows. I have the greatest times when I'm online. When I first started, I thought it would be boring and I didn't think I would enjoy it much, but then I saw how real and interactive it can be. I love playing with my toys, dildos, vibrators, especially my flesh colored 10-inch ribbed dildo. It's such a turn-on when the viewer also turns on his cam and I can watch him jerk off his cock for me, and even better when we talk live to each other on the phone. I love talking dirty, and it is so hot when my viewer talks dirty to me and makes me all wet and horny. I am such an exhibitionist when I'm online. I ride my dildo while watching his cam; it's almost like getting fucked by a real cock. I look forward to having the wildest times with everyone on ifriends, and I love to cum again and again and again.

I also offer custom videos for my fans, anything from a sexy striptease to a full on solo masturbation video. I use his name and imagine the viewer in the video with me. I film the video myself, so that it is really intimate and personal. I act out different scenes, wear different outfits or costumes, use a variety of props and toys, anything to make it the hottest sexiest video! I always have a very happy and satisfied customer!

I hope you have a chance to stop by and visit my website at harmonybliss.com, where you can find out more about me and see all that I can offer you.

GOING FOR THE PUMP

WRITTEN BY RICKI MORTIS ILLUSTRATION BY AARON WARNER

I had been training at the same gym for a couple years when this new girl walked in. Going to the gym is not a social outing for me. I find that if I keep a nasty scowl on my face, people tend to leave me alone. I'm not there to make friends; I am there to train.

I used to love watching her do the cables where she'd have to lean way over. It didn't matter if I was in front of her for the abundant cleavage or behind her for the hot butt, she looked great both coming and going. Finally, I couldn't take it any more and decided that I needed to make a new friend.

After she finished one of these such sets, I walked over to her and told her that I liked her form. She thanked me, telling me her name was Carrie and we began talking. It was only superficial gym type stuff, but there seemed to be some interest there. That was a good start. Turns out, she works in the same building I do, but on a different floor.

From that day on, I'd watch her leave the gym in her business suits and just dream about what she was wearing underneath. She had previously mentioned that she didn't wear underwear, so I always had that little tidbit running through my dirty mind.

Every few days we'd be training at the same time and we'd chat. Sooner than later, the talk turned to sex and she talked very openly about various aspects of her sex life. One day, as we were talking, she inadvertently said, "I know we'll be having sex some day."

I about fell off the bench I was working on, as I said, "What did you say?"

"I know that some day you and I will be having sex," she exclaimed, with a devious smile.

Well, I was definitely making a new friend... and a very hot, sexy, horny one too boot!

That totally lit a fire under my ass. I wanted this chick since the moment I first laid eyes on her and here she was initiating things. Hot!

Our entire relationship took a turn in that one moment. Now each time I saw her I had lust coursing through my body and a huge hard-on in my shorts. I was craving holding her, kissing her, sucking her tits, licking her pussy and sliding my big dick deep into her. Our sexual banter really started to inhibit my workouts, but it was well worth it. I needed

to get this girl alone.

One day while I was working in my office, just waiting for 5 o'clock, my phone rang. It was Carrie. She asked if I would be staying after five. I asked her what she had in mind, to which she replied, "I'd like to stop down to see your office."

My office empties really quick once five rolls around, so I knew that we'd have some time. At five after, there was a knock on my door. I opened it to find Carrie in a sexy business suit with a jacket and tight skirt. Unlike in the gym, her hair was down and she was wearing glasses. I always thought chicks with glasses were hot and she fell right into my corporate fantasy.

Before the door had closed, I pulled her into my arms and brought my lips to hers. My tongue snaked into her mouth and she greedily sucked it. Our tongues went back and forth while I held the back of her head. I had my hand filled with her thick hair and she smelled incredible. I moved a bit lower to suck on her neck while I slowly unbuttoned her blouse. Once it was open, I unhooked her bra and set her bulging tits free. As I sucked one nipple into my mouth, a loud moan escaped her mouth. I fell to my knees and held both her breasts in my hands while sucking one nipple and then the other. Her hands went to the back of my head and pulled me in closer.

I dropped one hand and slid it up under her skirt to find that she wasn't wearing any panties. I slipped one finger into her hot wet cunt while my thumb rubbed her swollen clit. Her moans became louder. I eased up her skirt to get a look at her hot little pussy. I pushed her back to lean against the wall and picked one leg up over my shoulder. I wasted no time flicking my tongue across her firm clit. Her body shuddered as I licked harder and faster. I reached my hands up to hold her firm ass and pull her tighter onto my mouth. I slipped one finger into her gooey slit while I sucked on her love bud.

I pulled away for a second and told her that I wanted her to cum for me and dove right back to continue loving her sweet tasting cream. In a matter of seconds her moaning got much louder as she came all over my face. I lightly licked her until she pushed me away and pulled me up to kiss me and taste her juices.

She then dropped to her knees and pulled down my zipper, releasing my huge throbbing cock. She swallowed every inch all the way down to my balls and then wrapped her fist around my spit covered shaft. Her mouth and hand were in synch as she jerked and blew me at the same time. After all the time I had been dreaming of this, I wasn't going to last very long.

Before I blew, I pulled her up and bent her over my desk. Carrie reached back, took hold of my dick and guided it to her sweet pussy. It was pure Heaven as her tight lips parted to accept my steely shaft. Taking hold of her hips I eased in, until my balls were kissing her clit. Slowly I pulled away and then pushed all the way back in a little quicker. I was taking full, long strokes, watching her pussy lips caress my meat. Her pussy felt like silk butter. It was so fucking hot and so fucking tight, it was going to suck the cum right out of me. Looking down at her beautiful ass was all that I had expected and even better. It was firm, tight and round.

As I fucked her, I leaned forward to hold her bouncing boobs and kiss her neck. I was overloaded with passion, since it had been building for months. My balls slapped her clit as I fucked her harder and harder. Again I stood straight up to hold her hips and deliberately give her every inch of my swollen member. My hips were slamming her ass as the pace quickened. I could feel the juice churning in my balls and passed the point of no return. She was practically screaming on each stroke as I took a handful of her hair in my hand. It's a good thing that my office empties out so quickly.

Finally, I felt that it was futile to try and hold out any longer, I could feel the cream rising up through my throbbing shaft. I pulled free of Carrie and pushed her down to her knees. She greedily took my cock into her mouth and swallowed it whole, just as the torrent of cock cream erupted. She didn't miss a beat swallowing down every drop. She kept sucking until my dick went limp and then she stood up, wrapped her arms around me and said she had to run. She straightened up her clothes, gave me a quick kiss and she was out the door.

I had fantasized this scene many times, but the reality was so much better than I could have ever hoped.

CONFESSIONS

Of A Big-Tit Slut!

FEATURING PUMA

I was booked for a photo shoot. The photographer had booked me for a couple of solo shoots with toys. I love getting in front of the camera. I guess you could say I'm a bit of an exhibitionist. A driver picked me up to take me to the studio. When I arrived, I met the photographer and he introduced me to the make-up artist. She worked quickly, and within an hour, I was on the first set.

As the camera clicked, I was beginning to get kind of heated up. When the photographer asked me if I'd like to do some shots with a toy in my pussy, I quickly responded, "Hell yes!"

He handed me a plastic phallus and it slid easily into my juicy hole. Now I was really hot and started to reconsider doing something more than solo. I know we hadn't planned on shooting anything other than the solo, so there wasn't any "male talent" there, but the driver was starting to look pretty good.

I was having a difficult time keeping the thick toy out of my drippy pussy, but I somehow managed to control myself. After finishing the first layout, my make-up was touched up and we moved onto another set. This one was a bedroom, complete with satin sheets. At this point, I could tell that there was no way that I was going to be able to not get some real cock.

Again the camera started clicking, but after a couple dozen shots, I asked the driver to come over and help me adjust my bra-strap. He innocently came to my aid. Before he knew what hit him, I had opened his pants and set loose his nice thick cock. He must have been thinking the same thing I was, because he was already rock hard.

I immediately swallowed him down, until my tongue was caressing his balls. He nearly fell over from the pleasure that my mouth was providing.

I love giving wet dirty head and my saliva was flowing and dripping down along his balls. I used my hand to pump his thick meat, while I sucked like a Hoover. My hand was sliding easily along the shaft from the abundance of spit lube.

I was on all fours on the bed as I swallowed his dick, he leaned forward and slipped a finger into my gooey gash and swirled it around. I let that go on for about two minutes before I spun around and rubbed my slit against his bulbous cock-head.

He got the hint almost immediately, taking my hips in his hands and spearing my cunt. My pussy lips easily parted as he sunk his shaft in all the way in one quick shot. My eyes clamped shut from the intense pleasure that was coursing through my body. He pushed me forward until only the head remained and then roughly slammed back in. The force of the thrust took my breath away. Before I could catch up my breathing, he pulled out and slammed back in. I heard one cry after another escape my mouth as the pace and the force picked up, until he was

fucking me lick an animal. I was truly a "bitch in heat", and he was giving me exactly what I needed.

While I was getting my brains fucked out, the photographer continued shooting. This wasn't what he hired me for, but he wasn't going to miss a good thing.

Just as I was about to cum, the driver pulled his pulsing cock out and fell over onto the bed. He pulled me over on top of him and firmly placed me back on his big dick. Again, he had no problem filling me, fully stretching my lips around his thick shaft.

I leaned forward onto his chest and started raising my hips up and down, riding him like I was possessed. My cunt clamped down on him like a velvet vise. I could feel every throbbing vein on his fuck-stick. I was well on my way to the cum that had previously been denied. There was no way that this boy was going to stop me from getting what I so badly needed.

His big hands again went to my hips and joined in slamming me down onto his dick. On each down stroke I took, he drove his hips up to meet me, creating a loud slapping sound from the force of our coupling.

I sat upright and rode him like a bucking bronco. His hands came up to squeeze my bouncing tits as I continued my ride to the finish line.

My cunt was sucking in every throbbing inch of his man-meat as my clit ground down on his stomach on every down stroke.

My pussy was hot and swollen as the explosion began. I could feel it cumming from somewhere deep inside my body. It slowly overtook me, until I was thrashing and screaming from the intensity of it. After what seemed like 5 minutes, I finally collapsed on top of him.

Gentleman, that the driver is, he waited until I got off, but now it was his turn. He flipped me over onto my back and pinned my legs up next to me ears. His cock slammed deeply into my gaping gash and he proceeded to pummel me.

His hips pulled back and then slammed back down with every bit of force he could muster. I wasn't complaining, in fact, I was quickly on my way to another orgasm. This time he wasn't waiting for me. Luckily, for me, he didn't have to. I immediately exploded again into a huge cum, even better than the first one.

Just as I was winding down, he pulled his cock out and moved up my body. As the first rope of cream shot out, he slapped his dick between my big tits and used his hands to warp them around him. Now he pumped away as blast after blast of juice spewed forth, landing in my open mouth and ultimately filling my deep cleavage.

As the driver fell over onto the bed beside me, I looked up at the photographer, who had a huge smile on his face and a very obvious bulge in his pants.

GENT BOOB TUBE

BIG BOOBS 4: THE HARD WAY

STARRING: Victoria Valentino, Danielle Derek, Natasha Nice, Sara Jay, T.J. Cummings, Reno

DIRECTED BY: Michael Bushler **RUNNING TIME:** 180 min.
AVAILABLE FROM: FYA Independent - FYAIndependent.com

DDD-CUP: Smokin' Hot **DD-CUP:** Serves your cock well
D-CUP: Don't even bother

Incredible viewer reaction and rising sales has prompted FYA Independent to go nastier with "Big Boobs: The Hard Way 4." FYA has always considered this franchise a transitional, harder approach to Big Boob films and has changed the genre forever. The film directed by Michael Bushler features Victoria Valentino, Danielle Derek, Natasha Nice, Sara Jay, Jack Lawrence, Anthony Hardwood, T.J. Cummings and Reno Knight. "After positive feedback, we decided to add more octane to the mix," states the producer. "We'll always use this series to test the limits and forge even finer filth for faithful fans. Every incredible scene and every shot caters to the tit freak. In the past gonzo has always been the same old, same old, all very formulaic and flat. We feel it's become stale, so we're expanding on our balance of hard versus sensuous. We'll continue to raise the bar and push the boob envelope for those who crave round, swaying, cherry tipped tits." "Big Boobs: The Hard Way 4" begins with a two-act story featuring the luscious Victoria Valentino (36DD), a woman obsessed with a fictional character resembling a popular film adventurer. Crossing between fantasy and reality, the adventurer of her dreams (Jack Lawrence), appears from nowhere to fuck her at work, leaving her desk covered with a huge creampie. Later at home she wakes up and he's back to give her a thorough fucking in every position with a final cum shower all over her. Danielle Derek (34DDD) and Anthony Hardwood make potent use of the shower door during foreplay. Absolute boob goddess Danielle is given a thorough fucking including a wet shower escapade of deep multi-fingering, tit sucking, powerful French kissing, titty fucking/slapping and finally two cumshots. Natasha Nice (36DDD) and T.J. Cummings act out a Peeping Tom fantasy. He skewers her face-to-face, doggie style, as well as rough cleavage action. His massive load spews on her face and tits, but not before he gives her an unbelievable tongue fuck. Reno Knight lures Sara Jay (36EE) into his office to "make a film." Though clueless, Sara is up to the sexual challenge with a grand cleavage fuck followed by an extremely involved reverse-cowgirl sequence. **DDD-CUP**

ON THE ROAD WITH MERCEDEZ!

I want to start by complaining about the lack of boobs in the strip club. Every club I go to I look for a girl with at least a D-cup and I am really having problems finding them. I see these older girls with big implants, but when I follow them in the back to approach them about doing a few photos, some are scary. As for all the younger girls, well they are always talking to me about how they're gonna get their boobs done soon.

I don't know if breast implants were a fad in the '90s or if maybe I'm just not going to the right places. You know it's not even just implants. I am not seeing any all-natural D's or bigger out there. It seems like the girls with the classic Jessica Rabbit bodies (small waist, big tits and a pretty face) are as easy to find as a pot gold!

I did a two-day signing at Pink Diamonds in Downtown L.A. Summer Leigh was the feature dancer that weekend. She was great and is very friendly to all the guys and puts on a great show. She brought out her tub and let guys bathe her. One night she invited one lucky guy in with her. The club was packed all three nights, but sometimes I get the feeling the guys aren't sure what they're supposed to be doing.

They were very quiet and a little timid. I actually had a good time until the end of the night. Let's just say I had some problems and needless to say that it's definitely going to be my last time there.

My next stop was at Fantasy Castle in Albuquerque, NM. I had a nice week there. The crowd was really into my shows. They were at the stage all night and bought tons of pictures and movies. The girls all came up to the stage to tip me and of course get nasty! It seemed their method of tipping there involved them laying down face up on the stage with their legs in the air! Fun! The only weird thing about that club was in the same building they had a male revue show and the dressing room was attached to mine. It was separated by a very thin wall, so when the guys would go in the back to change I could hear everything they were saying. I won't repeat anything, but I will say your ladies are safe going to male strip clubs. There was a lot of complimenting going on back there if you know what I mean! A plus to the club is that you and your girl can go to The Fantasy Castle together because after you pay your cover, you can split up and she can go to the male revue and you can go to

the strip club. You both have fun and no one is left at home. It's great!

I also hit El Paso, TX to do a showcase at The Red Parrot. This was my second visit there in four years, but surprisingly a lot of the customers remembered me and some of the girls, too. There were over 20 entertainers at the showcase including Jade Simone St. Clair who hosted the event. While I was there I did a radio spot for a local station. The DJ was kinda a dick. I always feel like they all try to be Howard Stern, when there's only one King of All Media! He was rude, but I didn't say anything on air about it. I may fuck for a living, but I present myself with class and I demand respect from anyone I come in contact with. Later that week I did a bookstore signing in town, so it was great to meet my fans who were 18, but not old enough for the strip club. We had a huge turn out. Overall, my week was great. I had fun, I loved El Paso and The Red Parrot. I'll be making another trip back there in 2007 for sure!

My last trip was so horrible I almost left the club in tears. I was close to having three fights two involving guys and the club Manager couldn't have been

ruder. The DJ actually said on the mic, "she's all that and a bag of tortilla chips." Hello, racial slur! I will tell you all about that one next month though....

One reader wrote: Nina I heard you're no longer with Vivid. Does that mean you're no longer going to be doing movies?

I get that question often. Outside of Vivid I have never performed with another company so the thought terrifies me. I did shoot Virtual Sex with Mercedes with Digital Playground that is doing great. Since leaving Vivid I received a ton of offers from different companies, but I decided to form my own production company, Heartbreaker Films. You'll see them where adult movies are sold and on cable. I will also be doing a mobile deal and a VOD deal for all of my movies, so I am excited. On top of doing sox movies featuring me, I will be producing 12 movies through my production company including an Interactive series, a Latina series and an all-girl series! I am really excited about the future! I also shot my first one, The Darkside of Mercedes, so be on the lookout for that, and be on the lookout for me on the road! Love and Licks, Nina Mercedes.
