Tiny Tami is a high-performance, 38EE-20-30 hardbody who loves to have fun with her bursting breasts and munchable Monroe "cock absorber."

A photograph of a person's back and buttocks. A hand is placed on the right buttock. The person is lying on a red surface. The text is written in a cursive font at the bottom left.

*I'm squeaky clean and
horny as hell. Now
squeeze me tight and
fill my tank.*

*Love,
Tami Monroe*

An anywhere that a man wants to come is fine by me—my tits, my face, my hair. You know, sperm has lots of protein in it. It's good for a woman's skin, and it's better than shampoo."

After posing for her first BUSTY BEAUTIES layout, Tami Monroe obliged us further with a sizzling interview. Her candid comments follow.

HUSTLER BUSTY BEAUTIES: Where are you from?

TAMI MONROE: I was born in Washington, D.C., but I grew up all over.

You can say that again.

(Laughs.) I grew up all over.

Were you an Army brat?

No, just a brat. We moved around a lot.

In high school were you ever a cheerleader or homecoming queen?

No, but I wish I had been one.

When did you lose your virginity?

I was pretty ripe. I was 18 years old.

Where were you?

(Laughs.) Flat on my back with my legs spread open in my boyfriend's bedroom.

Was the event spontaneous or planned?

I felt it was about time. I was ready.

Did you feel guilty afterward.

Not at all.

How sexually active are you now?

As active as I can be. If no one's around, I'll do it by myself.

Do you think that you're a nymphomaniac?

Sometimes I think I am, but I usually can control my urges. If I feel like I'm going to pop, I just masturbate.

Tell us about a masturbatory session.

I start by licking my fingers, and then I rub my clit, and if I need more moisture, I'll stick a finger inside my pussy. I'll rub my clit hard, then soft, hard, then soft, then *hard, hard, hard, hard, hard, hard, hard!*—and then not at all.

Can you suck your own breasts?

I sure can.

Do you suck them when you're masturbating?

Only in the beginning. Toward the end I just pinch my nipples.

So you don't need toys to get off?

No.

Do you ever use them?

Um-hmmm. Sometimes.

Do you ever stick a finger inside your bung-hole when you're playing with yourself?

No, I've never been able to get into the vibes of that.

Even though you're 23 now, you still have a jailbait ass. Do you do anal scenes in movies?

(Smiles.) Yes.

From that shit-eating grin it seems that you may enjoy it.

I sure do, but it takes more concentration.

How did such a sweet, innocent-looking young lady get into hard-core cinema? You seem like the kind of gal you'd meet at a church bazaar, not a sodomy clinic.

I've always had a love of sex—making love, sucking and all that stuff. When I moved to California, it seemed like a good career for me.

What's your favorite XXX picture?

The Magic Bed Part 2. It was shot in 3D. It

(Smiles.) Of course. The more, the merrier.
What do you like to do when you're with multiple partners?

Keep everybody as busy as possible and have a good time myself.

Have you ever had two cocks in your mouth at the same time?

I have a tiny mouth, but I sure try it.

Is your pussy tiny?

My pussy is tight, but not tiny. I can take the biggest cock, and don't worry about fucking me hard. I love it hard.

What's it like getting fucked while a woman eats your pussy?

Wonderful. It's tease and gratification all at the same time.

When you're working on the road, what do you like to do to relax between shows?

Watch talk shows and masturbate.

A lot of porn stars and strippers have been on talk shows recently. Have you?

No, but I'd love to.

What do you like to do when you're home?

Be passionate and make love. I also like to take bubble baths, shop and go to rock clubs.

Do you do anything besides dancing to keep trim? Do you work out at the gym or run?

Yes, as a matter of fact, I just got back from the gym.

Have you ever had a "wild" time there?

I always do. It's a fun gym.

Do you do anything risqué when you go out?

Sometimes I like to flash a little bit or find someone and have a wild time in the bathroom.

How wild?

As wild as we can get.

Sounds like a good time.

Guaranteed.

It seems as if most of your spare moments are spent in passionate embraces.

(Smiles.) Yes, it is.

Do you ever dance nude outdoors?

Like skinny-dipping? Of course, I do.

Where's your favorite place to skinny-dip?

The beach, any beach. Give me a beach, and I'll skinny-dip in it.

Even if it's not a nude beach?

(Laughs.) It becomes a nude beach, not a prude beach, when I'm around.

Tell us about posing on a car.

It was a lot of fun. It was a fabulous car, wasn't it?

Fabulous model too.

There was this hose, and it felt like a big, uncontrollable penis. I tried to give the hose a blowjob while the photographer was shooting.

How do you feel about men shooting to your pictures or videos?

Oh, God, I love that thought. That's a total turn-on.

Do you feel that way when you're posing?

All the time. I like to look horny.

Do you ever watch your own videos?

Sometimes.

Have you ever masturbated while watching one of them?

Sometimes.

Do you think that watching yourself in a video and playing with yourself could be considered incestual?

Not at all.

Tell us about posing with your sister Tara.
(Editor's Note: Tara Monroe made her BUSTY debut in February '93; she and Tami will be cavorting together in an upcoming issue.)

Tara is so sweet. We had fun. The only problem was we kidded around and couldn't stop laughing. The photographer would yell, "Be serious, girls!" But we just kept laughing.

Is Tara a nude dancer?

Yes, she dances, and she's going on tour.

Has she done any hard-core videos?

She just did her first one, and she did another one with me called *Sisters*. Of course, we didn't, you know.

Do you have fantasies?

Yeah!

What's your favorite?

It varies. I wish I could turn sex into a Broadway play like *Phantom of the Opera* and do about five live performances a day.

Aren't there places in San Francisco and maybe New York City with live-sex shows?

Yeah, but I want it to be very orchestrated and classy. I don't want it to be like a peep show. I want it to be very romantic and elegant, just as if I were in my own home.

Have you ever had sex at home while some of your personal friends watched?

No, I'll have to try that.

Do you walk around the house nude?

I don't see a need to wear clothes at home, but I'll put on a bathrobe or sweats if I don't want to offend someone like the mailman.

Are you a domestic person? Do you cook?

I sure do.

Do you think that you'll make a good wife?

Someday.

What are your "good wife" traits?

I'm just as good in the kitchen as I am in the bedroom.

What would be a perfect Tami Monroe "date"?

I would hold the date at my home. I would invite the fellow to my place and have a nice evening together.

Would you wear anything special?

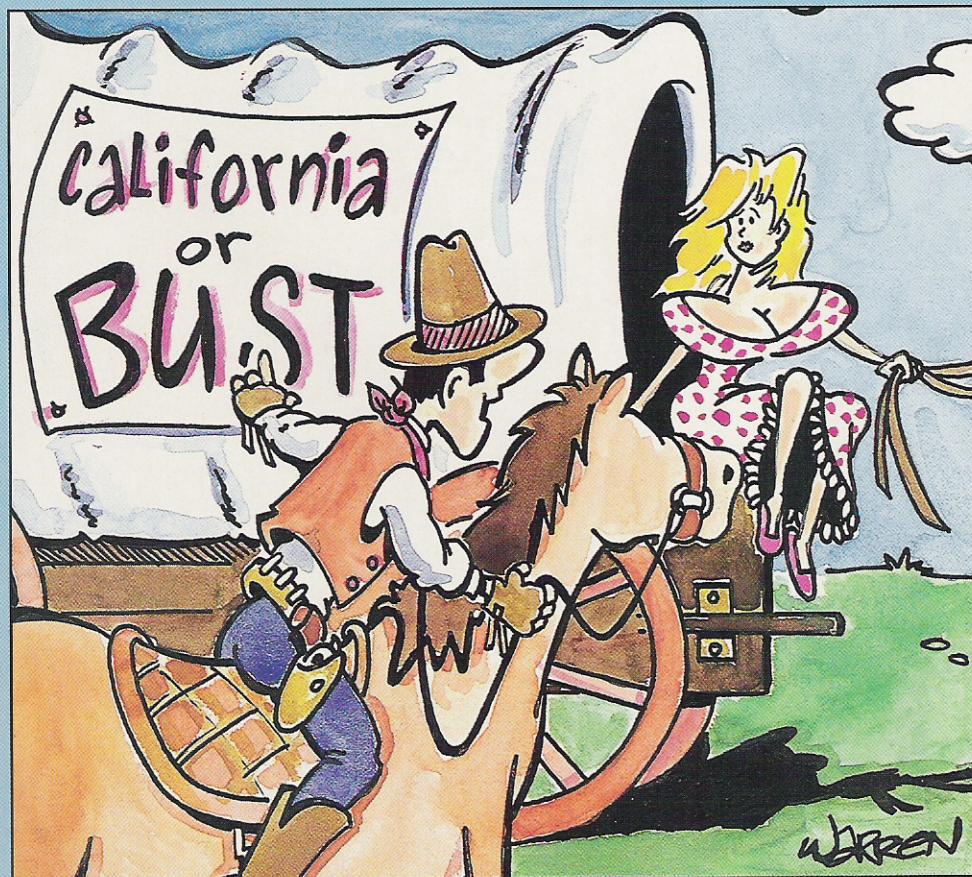

My birthday suit.

Nothing at all?

No, my birthday suit is stockings, a garter belt and high heels.

What would you do after dinner?

Serve dessert and put a cherry on top of me and then make love. (Smiles impish-
(continued on page 70)

"Much obliged, ma'am. I'll take the bust."

Tami Monroe Q&A

(continued from page 54)

ly.) You want to know something? I can tie a cherry stem into a knot with my tongue.

Really? Have you ever used this technique while giving a guy head?

(Tami swirls her tongue around her lips and smiles lasciviously.) Of course, I do.

Have you ever put ice in your mouth before blowing a guy?

No, I haven't, but it sounds cool.

What's the craziest thing you've ever done?

I've done a lot of fun things. Sexually you mean?

That or getting into mischief.

I've eaten Chinese food, sitting in a bathtub with candles all around it while having sex.

Besides you, what was the main course?

Chicken with broccoli. It's my favorite Chinese dish.

Is Chinese your favorite food?

I like Japanese better. It reminds me of a nice-tasting pussy.

Do you think that your pussy tastes nice?

I've never gotten any complaints about it. I take very good care of my pussy.

If you were as dextrous as porn actor Ron Jeremy, you could taste your own snatch.

That would be hard because my tits would be in the way.

What was your most gratifying sexual encounter, if you can remember just one?

One that really sticks out was with a married couple. It felt nice being with a man and another woman in real life, to be a part of a happy relationship.

If you weren't a porno star and exotic dancer, what would you want to be?

I love animals—a veterinarian.

Do you have any pets?

Yes, a cocker spaniel named Buffy and a Pomeranian named Lucky.

Do you ever travel with them?

Sometimes I take Lucky, but he gets a little stressed out.

Maybe he's thinking about his mistress dancing around naked. If you had three wishes—besides a pacified pooch—what would they be?

Health, wealth and love for a lifetime.

Would you like to be in legitimate films?

Sure.

Have you had any opportunities?

Not so far, but I'd sure love to.

Do you have a personal credo?

Don't worry. Be happy. Have fun.

Are you into astrology?

No. I don't know much about it. I was born on March 6, which makes me a Pisces.

Are you religious?

I definitely believe in God.

Do you think that there's a contradiction be-

tween being a believer and stripping in front of thousands of men or performing in sex videos?

No. Sex is natural and healthy.

Does being short ever bother you?

Sometimes I feel sexier being petite, but other times I feel vulnerable. When I'm standing naked onstage or riding a man's hard cock, I feel real tall.

Is there anything else you want to say before scampering off?

Anybody who tells me that he read this interview in HUSTLER BUSTY BEAUTIES gets to squeeze what he's been looking at. (Tami cradles her bazookas.) Mmmm, I like my breasts squeezed. This will be like a redeemable coupon for a titty-squeeze unless local laws apply. I don't want to get (laughs) busted.
