Rhian

Welsh Teender Vittles

Photography by Bill Eastment

Adolescent fanciers should lick their chops at the sight of this 18-year-old from South Wales. For a first-time nude model, Rhian does a whale of a job—showing pink jolly quick, but she's even more cunning than that.

"My breasts started budding at an early age, but I was a good girl and didn't take a man to bed till just recently. Curiously, my name is derived from the Welsh word for maiden, but that I'm not any longer. *Wench* is more like it, and I enjoy being a young slut. So do my lovers and everyone who's seen me naked."

MAIL SACKS

JULY MAM GLANDWAGON

The humongous "105" howitzers of Casey James (BUSTY, July '99) may be the biggest brabusters on the American strip circuit, although Crystal Storm may challenge that claim. The profile view of Casey's colossal chest is staggering. The expanse of her gigantic globes extends well beyond the width of the lady's back, making her "unbeatable pair" a devastating sight from any angle. Without question, Casey James is the superstar attraction of your July '99 issue.

Casey James

Lust Starr

On the amateur side, I thought Lust Starr has exceptional professional potential from top to bottom. She receives high grades. —D.T. Denver, Colorado

I picked up my July '99 issue of BUSTY at the newsstand today. I came across a letter from Mark in Mail Sacks on his lady friend Silvia (Photo Chest, September '98). Mark said that pornography is living based on a "sewer mentality." Hmmm! Well, Mark, is there anything wrong with that?! Silvia looks great, and so do many of the girls in BUSTY.

As long as people are enjoying themselves, and not hurting anyone, why condemn them or call them names? No, Mark, it's not a sewer mentality, but a freedom of choice and learning how to get along with one another without the prejudice that you show. Shut up, sit back and enjoy! Life is much too short for hangups.

July's BUSTY was fine. Lust Starr in Photo Chest had me lusting for more of a view. I love the pink-shot that she gave us. I need to see more of Lust. The 6900 Pennsylvania Av-

Jordan Leslie

enue spread was great with two beautiful big titters, Amber Waves and Dana Leigh. Jordan Leslie's various states of dress kept me interested. How in the world did Jordan's nipples get so hard?! And Sloperation Joint Endeavor was fantastic. I showed my wife the rod that Scott Free sported in the shots, and she was impressed. (How's that for sewer mentality?!)

To end, I want to tell ya that I can't wait for the August '99 BUSTY to see lots of Jade.

Wow! What a natural titter she is!

—Ron Fargo, North Dakota

6900

Dear Jordan Leslie: Your photos in the July '99 issue of BUSTY are truly the sexiest I have ever seen. In my eyes you are Miss Calendar for 1999, not Just Miss July. Your entire body is very sexy, but there

are three things about you that really make my cock grow: your sexy lipstick mouth, those terrific 36DD titties and your white teeth. I always heard that a (continued on page 90)

UDDER NONSENSE

PROVOCATIVE DAIRYMAID

A lifelong resident of the Dairyland State, Vicki Valentine jumps at the chance to do some nude gags with a dairy cow—or is it a reasonable facsimile? Now that the Wisconsin exotic dancer has been initiated into the Udder Nonsense sorority, she vows, "I'm gonna milk this for all it's worth."

ROAD STRIP

Dancing at Weasel's, BUSTY Beauty Jade and galpal Bobbie hang out with the Wisconsin club's feature, Kristy Carrington. She's the hungry kitten in the blue slacks trying to hide her boobs. "Next to Jade I'm tiny," explains the purty vid vixen. But it is the place to be. (Photos by Whoever Isn't in Shot)

Okay, so it isn't Alabama's Blue Creek, but after Kristy bites off the A-cupper duds, Bobbie and Jade get butt naked together as promised.

PATIENCE

Chance of a Lifetime

Pictorial by Falcon Foto

Everyone in Huntsville thinks I'm a porno star," says the June '99 amateur, "and I started a masturbation overload. I've gotten thousands of E-mails, and just about every guy says he beats off to my pictures. Then there's this man in France who's offered to marry me!" Providing her fans new fodder—and the 36-26-36 Net-surfer a \$1,000 grand prize/birthday present—here's Patience rewarded in a pictorial shot during a wild week on the West Coast. "I hung out with my issue's centerfold, Ginger-Anne," the 'Bama cutie recalls, "and one night we did a private dance for a big rock star." Nude? "Hell, yeah!" Patience wouldn't divulge his name, but says he plays drums, has mucho tattoos and isn't very tall. (That sure narrows it down). With so many guys tattooing her Photo Chest entries, we had to fulfill the naughty gal's aspirations. "A lay-out is a major accomplishment, something I've wanted to do for a long time," says the petite (5-foot-0) boobette, who spends most of her waking hours online. "I'm computer geek-friendly," she points out, "and usually butt naked or close to it while I click those keys and diddle my clit." Still a porno virgin, Patience just might get those offers too. Out

(Please enclose an SASE if you want a personal reply. FYI: Patience's birthday is November 16, she enjoys threesomes with a guy and a girl, wants her fans to know "I'm safe to fall in love with," and fantasizes about "sex on the field in a sold-out sports stadium—public sex is my new goal." lesle@hiwaay.net)

"When I get fucked—from the backside is my favorite way—I like it hard. Biting, scratching and hair-pulling are not out of the question."

**"Wiggling a little finger

a large, slamming cock

Miah

A dancer from Dallas, Texas, the 34D-cupper says she's willing to do anything one time, but her hobby list is repetitive: "sex, sex, sex and more sex with a very good-size dick (big!)." Adds the 26-year-old, "In the bedroom I'm passive and passionate. I like to get it out there and be wild." As for a fave position, Miah says, "There's a lot of those I like—all of them, but my favorite thing basically is eating out a woman. I'm versatile." (Photos by Friend)

"I want to sit on a man's dick while another one's on top of me, then they both eat my pussy."

PHOTO CHEST

We're looking for uninhibited, well-endowed honeys who want to pose nude for our world-famous amateur-photo contest. All that's required is to send in clear, color slides or prints of a bosomy gal (preferably a half-dozen or so in various states of undress), and if we print one or more, we'll send the lucky lady \$200, plus she'll have a chance to appear in a full-length pictorial with a grand prize of \$1,000. Check out the model release on page 30 for all the details.

Megan

"My naughty fantasy is hot-tubbing on a cold North Dakota night with snowflakes falling on my breasts."

I've never felt sexier than I did shooting these pictures," says the 20-year-old novice with a 36C-25-36 figure. An admitted homebody big on bubblebaths, the Bismarck, North Dakota, waitress/college student enjoys hiking in the mountains and camping when she's not holed up studying or waiting tables. "I like my hooters, and so do guys," Megan says. "They're very nice." And great to see. (Photos by Friend)

Faith

These steamy photos from Summertown, Tennessee, say a great deal about the 38D-26-36, 5-foot-7 dancer, who says even more herself: "I'm 32 and what you'd call a down-home country girl. I like having sex in the woods and in the water—anywhere really! I like sex in the daylight so I can see what I'm getting. When I'm dancing, I get turned on making men want me so bad that their dicks harden and bulge out through their jeans. I love eating pussy and getting fucked at the same time. I'm attracted to all types of women with well-shaped bodies. My favorite position (and passion) is sitting on a man with his dick in my ass and a woman standing in front of me while I'm eating her out. The nastier the better, I say. I'm up for anything at any time if I can get away with it." (Photos by Friend)

"My fantasy is to be in the woods, having wild and passionate sex with my man and a pretty woman while photos are taken."

Sable

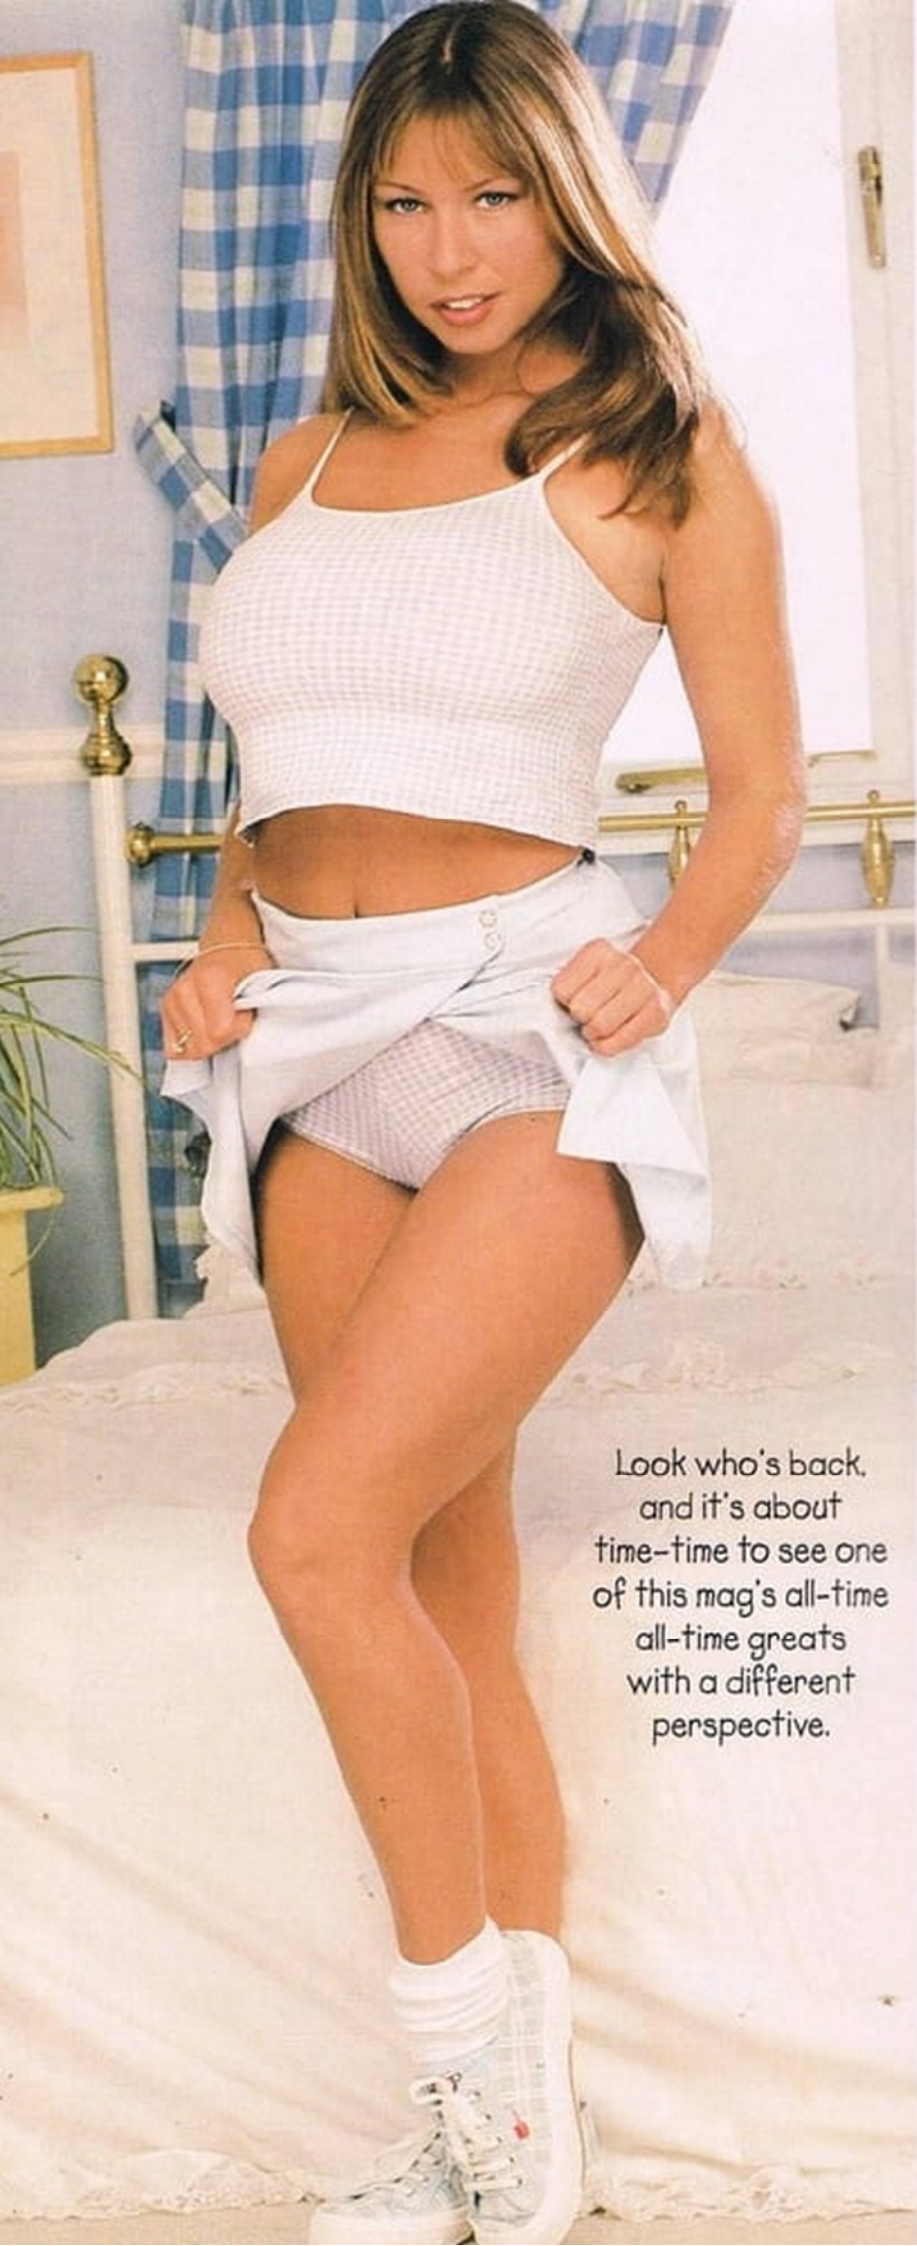

I have always wanted to be in your publication," writes the 35-year-old from the San Francisco Bay Area, "but I never had the nerve. I finally got a chance in life to become an exotic dancer, which boosted my confidence, so I decided to send in photos. I like dancing naked because I get to fuck men without fucking them. When I have sex, my favorite position is doggy-style. My biggest fantasy would be to have three large men who know how to please a lady with 44EEE breasts. I also want two other women to go down on me. P.S. I always make my fantasies come true." Our first Centerfold of the Year in 1991 became one of the first big-boob stars to do XXX movies. Then, at the height of her career a few years back, the advertised 70FFF-22-32 headliner suddenly vamoosed to her native Canada and vanished. Word was that she was housedancing in Toronto and, worse, that she'd undergone a breast reduction. Her worshipers prayed, "Say it ain't so, doe-eyed darling." After a long mystery the truth is out, and it ain't so bad. Yes, the soap-opera buff is down to 44DD, which is more than a good handful, but remains an ardent exhibitionist in the days of her life. In this exclusive comeback layout, Tiffany—once a clerk at places like the Golden Arches and Sam the Record Man before becoming a superstar in America—is still as overly gorgeous at 27 as she was at 19. "I just needed a little beauty rest," Tiff quips.

"I've been hiding sorta, but I'll never hide my boobs or what's between my legs. Having a prick hiding inside me would be a nice way to welcome me back."

Titter Chatter

by Tabitha Stevens

Hey!! Thanks for all the letters congratulating me on my comeback photo-shoot in BUSTY (November '98). I had quite a few offers to buy the teddy bear, and it went to a hot fan from New York City. Speaking of hot, that reminds me of a hot time I had last winter with my friend Dandelion, who (like me) has an I.S.A. (Insatiable Sexual Appetite), DD qualifications and a wild, wet snatch. It's a juicy flower that I love to open.

Anyway, after living in the South most of my life, I wanted to check out the mountains near Portland, Oregon, where we'd run into each other by a stroke of good luck. Dandy's got a four-wheel-drive SUV that sits up really high. That way the golden-haired goddess can flash her huge knockers at truckers to help keep them awake. Besides screwing a lot of guys, she keeps the roadways scenic and much safer. Just thinking about her honkers makes my pussy wet. Dandy and I can't drive more than two hours without stopping to lick each other's twats.

The day was crystal-clear, with a pretty sheet of snow all

around, and we found a great spot to fool around if you're exhibitionists like us. Dandelion wanted to rub my huge mounds against her clit, and I was for that! As she pressed my gazongas against her meaty snatch, it dripped with excitement. Then some perverts stopped to watch. Recognizing my famous cunt and tits, they asked for autographs. I did better. I always bring a Polaroid camera so fans can jerk off to me later at home. The shots they took of Dandy and me must be pretty sticky by now.

Not longer after they left, Kerry, an extreme snowboarder, found us. He remembered seeing my patooties from videos, so seeing them from the horizon compelled him to say hello to them close up. Kerry thought it would be great for us to ride up the mountain in the gondola, pointing out that Dandy's boobs and mine would nicely balance the enclosure. He told us the trip would take about 15 minutes. While the car started its ascent, Kerry said (and I didn't think he was rude at all), "Tabitha, you should make good use of your time and give me a blowjob."

"Great idea!" I exclaimed, noticing his bulging crotch.

Just then a skier came down the slope. Dandelion cried, "Look at these twin peaks!" as she flashed them. Her safety record in resort areas is shaky. The poor guy fell flat on his ass with a huge smile on his face and an even larger hard-on. He just sat there drooling as other skiers happily crashed into him, also transfixed by Dandy's gorgeous ta-tas.

By now I had unsnapped Kerry's snowboard pants. Even though it was cold out, he didn't mind me pulling out his hard cock. I warmed it up good, licking his balls and working my way up the shaft as the gondola moved up the mountainside. After I deep-throated his big dick, he decorated my jugs and Dandelion's with a snow-white sheen of cum.

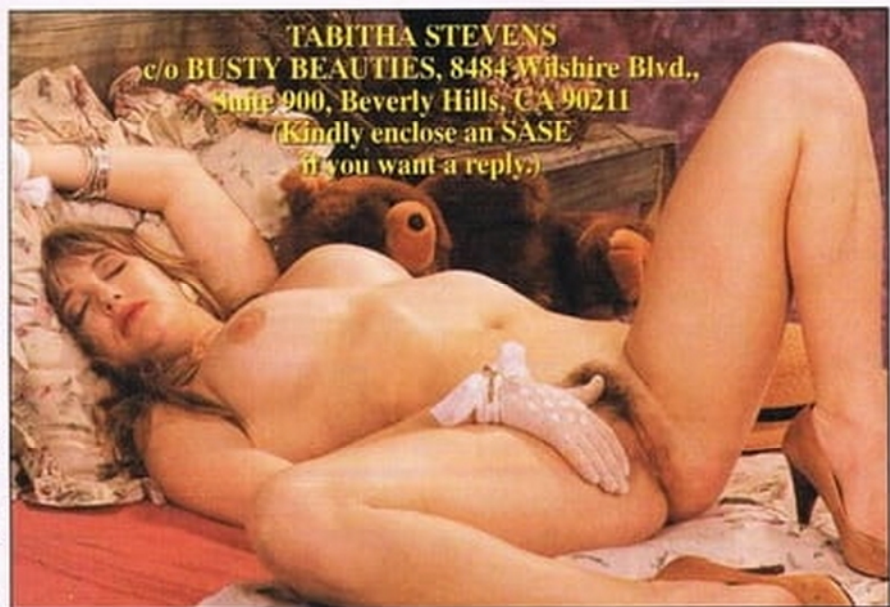

At the summit was a bar called the Beaver Lodge. Dandelion wanted a Sex on the Beach shooter to heal things up, and that sounded good to me too. "After a few let's go in the Jacuzzi," she suggested.

The three of us went to Kerry's condo, got naked and hopped into the outdoor hot tub, which was surrounded by a blanket of snow. Getting hot to trot (okay, fuck), we all got out. I immediately went down on Dandelion's hole, lapping up her juices while Kerry ravished her tits. The snowboarder then started fucking me doggy-style while Dandy spanked my tight ass. Three minutes went by before Kerry pulled out and sprayed his load over the snow embankment. Frozen in midair was a magnificent ice statue in the shape of 44DDD knockers.

The next day Dandelion and I continued on our trip, but I was sure there'd be other delays worth writing about in BUSTY.

Hugs 'n' kisses.....

"It's virtually impossible to wipe a smile from my face," says the almost pleasantly plump Samantha McHaley, "but no one looks happier or more content than the guy whose penis I'm sucking before we get to the nitty-gritty—or should I say, legs-spread, nuts-flopping, cock-thrusting coitus." New to the nudie biz, the supple coed—she's studying criminal psychology—could sure fool us. "I'm a recalcitrant heathen with very large breasts," she waxes. Big words for such a superb specimen, and what a mouthful between her chin and quim.

All of 18, this 38DD bra-filling Southern Californian is all smiles and succulent curves when she's in the altogether. And that's not all.

"My big, soft tits are as real as can be, but fucking me is unreal I'm told. My suctioning pussy won't let go of a dick until the moment of reckoning. It's possible for me to wipe cum off my smiling face then, but I hope there's enough to coat my nipples too."

FUNANCIAL WIZARD BIANCA

Ripening From Petrified to Diversified

Call-the-Girl Interview by Tex Novo

Twice before, *BUSTY* lesbo pictorials have pitted XXX superstar Bianca Trump with other sinema queens, but the olive-skinned boober has never had our pages to herself. We'll make amends with an introductory Q&A, uncensored video shots and a layout of the bawdy brunette, who started doing pornos at a tender age and has banged out so many, she could have her own video franchise. While countless jizz-biz ingenues make an instant splash, only to disappear, Bianca only runs off to chill. Then—like the buzzards of Hinckley, Ohio, and the swallows of San Juan Capistrano—she always comes back to the blue-movie roost. Some of her catchier titles are *Girls Gone Bad #6: On Parole*, *Beauty and the Beach*, *Edward Penis-hands #2* and *Rent-a-Butt*, but apparently hers is not for lease. At home in Florida, where the enterprising vixen is happily single, Bianca is laying in the loo when our correspondent calls.

HUSTLER BUSTY BEAUTIES: Have you always lived in Florida?

BIANCA TRUMP: No. I was born and raised in Bay Ridge, Brooklyn.

A Scandinavian enclave, but you don't look terribly Nordic.

(Laughs.) I'm Italian. Those are there too. I went to Catholic school.

Another Catholic-school girl goes bad?

I went all wrong. See what happens when you lock those children up.

Were you deflowered at an early age?

No. I was 18 and married.

A rarity these days—a young woman waiting for her wedding night to lose her virginity.

(Laughs.) I had to wait even longer. My husband and I didn't do anything until the day after! He got drunk at the reception and passed out. That was a sign right there.

What are your feelings on premarital sex?

I'd strongly recommend sleeping with someone before you marry them. Some people just aren't sexually compatible. That's the truth. You might marry someone who's horrible in

bed and not ever know the difference, wondering what all the hype's about. *That's sex?! What the hell was that all about?! It wasn't so great.* You might spend your entire life or the time you're married missing out on some good stuff. You gotta check out the merchandise. It's like taking a car out for a test drive.

How did the world end up checking out your merchandise?

Money! (Howls.) I was scouted at a strip

club when Déjà Vu sent girls from club to club to club, rotating their housegirls. I was at a club in Seattle when I was approached by an agent to go to L.A. to do magazines. I went down there and did a lot of them. I was young and didn't know better. I thought nude modeling was a lifetime career, so I moved there. The magazine work was over in a year, and I was broke. I ended up at World Modeling and start-

ed doing XXX movies. A typical tale, right?

Perhaps, but this interview should make you atypical. Do you remember your first film?

It's a Wonderful Sex Life by Night Time Video, but it's not in distribution anymore. Thank God! As I recall, it wasn't wonderful. *Two of a Kind* was another early one.

How bad could an 18-year-old having sex be?

I looked like a scared little girl. I didn't know what the hell I was doing.

Some pervs like scared little girls.

That's true, but I don't look like that anymore. I'm all grown up.

How grown up measurements-wise?

I'm 36E-25-36, give or take if I'm working or not working that week. When I'm off, I tend to eat more than I should.

What's your favorite food?

Sushi. I love sushi and Italian food.

Is this a good time to talk about sex?

Everybody wants to know all the dirt.

Maybe we should get into making you a real person before delving into the nympho stuff.

Okay. The only laying I've done lately are some bathroom tiles. I'm doing it while we talk. I've been busy painting the house too.

Is there any reason your last name is Trump?

Nope. Someone gave it to me. I took the name Bianca, but there was a girl named Bianca in the business already. The producers stuck Trump after my name on my first releases, and I've been Bianca Trump ever since.

Are you related to an East Coast billionaire?

I wish. (Laughs.) I damn sure wouldn't be running around the country getting naked if I was. Isn't his daughter's name like Bianca?

It's Ivanka.

Right. I'll be working at a club in West Palm Beach in November, and Donald Trump is opening a golf course right smack across the street.

Running around the course naked could be great publicity for the golf club and the strip club. Wouldn't it be a kick if Mr. Trump came in and caught your show?

Yeah, right. I just hope he won't slap a lawsuit on me.

Besides wealth, is there anything else about guys you like?

Butts, butts, butts. A man's best asset is definitely his ass.

What happens if he turns around and leaves his ass behind?

You wouldn't want a girl with big boobs to turn around, would you?

Well, you can still do her doggy-style.

Okay, if a guy turns around, I'll see his second-best part.

What else will you do?

Suck on it while I squeeze his ass.

Let's talk about your major asset.

My boobs? They're nice, and they're pretty, and they attract attention, and they're squishy and bouncy and all that good stuff.

How much feature-dancing are you doing?

I try to do two weeks a month.

And what about movies?

I go out to L.A. four times a year and shoot three or four movies.

The last time I went was in March and did *Nasty Nymphos #22* and *Nasty Girls #19* for Anabolic, a Rodney Moore's *Crede de la Face* and an Elegant Angel video—*Shut Up and Blow Me*, or something like that. That sounds

like my kind of movie. I've sucked a whole bunch of cocks since 1990, when I broke in.

The new rage is the facial cum-shot. They're all right, but maybe it's a little too personal. I think they're getting repetitious. Everything is anal; everything is facial. There's no more boob stuff. They've got this oneway track going, but there are other body parts that they've forgotten about. I prefer a man to come on my boobs, and then my makeup would still be all purty. (Laughs.)

Do you recall your first tit-fuck?

It was a movie thing I'm sure. I was very inexperienced when I got into the business. I had only been with my husband, and he was pretty fucking lame. I didn't know that then, but I do now. He's long gone, and I'm staying single. I'm pretty focused on my career. It's fun to have little flings or this or that, but other than that, I travel a lot, and I'm very busy. I like to be home and be alone and not be bothered when I don't want to be bothered. I only bother people when I feel like bothering them.

What do you like to do in your spare time?

Walking, traveling, going to the beach, rollerblading, couch-potatoing, nude sunbathing, masturbating—all that stuff. And, yeah, shopping. Gotta get that girlie thing in there. I wouldn't sound female if I didn't say shopping.

You look pretty female.

(Laughs.) All woman.

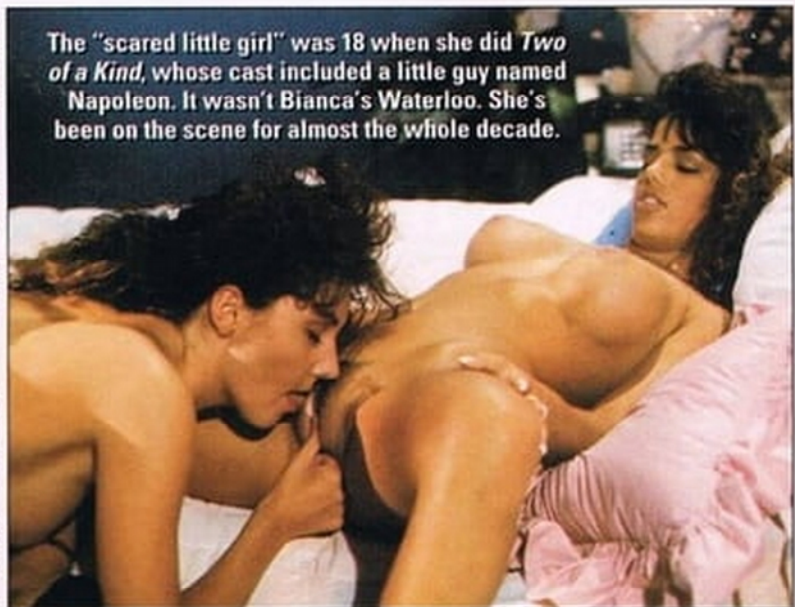

Do you wear a bikini when you're skating?

Of course. Can't have any goofy tanlines. Gotta wear a thong-bikini. You can do that here in Fort Lauderdale.

Do you have your own swimming pool?

Now I do. I was not going to go one more sweltering summer without one.

The "scared little girl" was 18 when she did *Two of a Kind*, whose cast included a little guy named Napoleon. It wasn't Bianca's Waterloo. She's been on the scene for almost the whole decade.

Do you dream of seducing your pool man?

Not mine. No way! I've noticed that most of them here are thirtysomething, scruffy, long hair, need to shave. Nothing real appealing. They're surely not the cute pool guys you see in the movies. I could call around to several different services until I found a good one. Then he'd know where I live, and he'd be over once a week bugging me.

Have you answered the door naked for a deliveryman?

No.

How about a boyfriend?

No. I went to a boyfriend's house and changed my clothes in the car and ran up to his door in just lingerie. Does that count?

Any indecent-exposure raps, pray tell?

Not really, but I am starting a video line—*Bianca Trump's Extreme Exhibitionists*. I do two or three scenes, and I'm shooting no one else but newcomers I find here in Florida, either my girlfriends or couples comfortable having sex in public places. It's balls-out, and I'm hoping we don't get arrested, promising everybody I'll bail them out if it comes to that.

Anyway I ended up doing a scene with a guy friend at the nudist beach in North Miami. There isn't a lifeguard tower there, and the one at the regular beach is far enough away that you would need some serious binoculars to see where we were. We had a crowd around us too. There had to be 300 or 400 people there. It was crazy. Then 20 cops showed up, and it got crazier. We almost got arrested.

What happens if you have sex with Bianca Trump in private?

You won't get in trouble. (Laughs.) You can do the free-for-all and not worry. I live in a big house, and my neighbors can't even hear me to complain.

Are you vocal when having orgasms?

I think so. In movies you're under pressure and in front of people. I don't know if you're always 100% natural per se. I've been told in regular life that I can get kind of loud some—

РАЙЕСТЯОІКА

Fiction by Terry Feet

A Russian general who'd planned to blackmail America's Chief Executive summons his extraordinarily figured operative for a debriefing. The dirty-old man expects every lurid detail of her top-secret mission to compromise the world's most powerful figure, and not just with words from her mouth.

ROB ORZECOWSKI

General Igor Mikhailovich Gigorny watched his video monitor as Major Lavidia Poponova, Special Operative, flopped her majestic right breast out of her blouse and pressed the nipple against the small square of dark glass mounted next to the door. A tiny red light blinked for several seconds, then the gray steel slit slid open. The major stepped back, cupped one hand under her muskmelon-size lobe, and with her fingertips stretched open the empty white Spandex cup of her size 52DDDD brassiere.

General Gigorny smiled. The cold glass had made his subordinate's nipple hard, swollen to the size of a thimble. He switched magnification until only a bare boob filled his screen. Goosebumps and fine hairs were clustered around Poponova's large pink areola. It was at Gigorny's order that, instead of the customary palm-print, all female Special Operatives were to be identified by tit-print. *The CIA is so far behind us, it's a joke*, he thought to himself.

Major Poponova adjusted her orbs inside her boulder-holder and stepped through the door. Within minutes she was sitting in the general's spacious, windowless office. A floor lamp stood in each corner, casting warm light. An imposing figure, General Gigorny sat behind his massive desk. His bushy, steel-gray brows resembled two furry caterpillars resting above his eyes.

The stunning spec-op sat perfectly upright in the burgundy-leather armchair facing him, her spine not touching the backrest, her knees together, her hands folded rigidly on her lap. General Gigorny, a former secret-police agent, required that his minions maintained military bearing in his presence until he gave them permission to do otherwise. This posture also made the woman's mam-

maries stand out on her chest like two soccer balls. Gigorny's voice sounded like gravel. "Your report, Major Poponova, if you please."

Her thick, tawny blond hair was pulled back and tied at the base of her neck. She wore the uniform of her elite status: a dark-green skirt that, when she was seated, came to a few inches above her knees, and a white, long-sleeved, open-collared blouse that was nearly bursting at the buttons. She wasn't wearing her military jacket, but that didn't bother Igor. "It did not go well, General Gigorny."

"I know, I know," he replied assuringly. "Nevertheless, tell me every detail, from the beginning, Major. And you may stand down."

Major Poponova settled back in the chair, her large green eyes diverting downward as she collected her thoughts. The general's eyes followed the creamy skin of her throat down to her deep cleavage. They rested on one very strategic button of her blouse, the first one, straining to hold the garment closed against the weight of her incredible breasts. The disc was ready to pop at any moment.

"In Washington," she began, "I was introduced to the President of the United States by our ambassador, as arranged...."

As he listened, General Gigorny watched the major's monumental bosom heaving with each breath as she recounted her actions during her mission. She had been the key element of his secret plan. *Perestroika* was moving at a snail's pace. *Glasnost* had been a joke. The new capitalistic Russia was rampant with gangsters and corrupt officials. To survive, his country needed massive U.S. investment.

The plan was simple. Over the past year, Russian Special Operatives—carefully selected young women, well-endowed and thoroughly trained in giving sexual pleasure—had seduced the CEOs of a number of America's largest corporations and the chairmen of

several Congressional committees. Much to his enjoyment, General Gigorny had viewed the clandestine videos of their perverted sex acts a number of times.

The ultimate goal was for Major Poponova to seduce the President, a married man with five children. Then, threatened with public exposure and under the American leader's tutelage, a program for massive economic aid to Russia would be immediately enacted. Inexplicably, Gigorny's grandiose plan had failed.

Major Poponova continued. "After the reception and state dinner several of us from the embassy were invited to the Oval Office for an informal meeting. After the others left, I lingered behind. The President was charming. I sat on the edge of a sofa, quite seductively. I was wearing a low-cut, tight black evening gown and no panties or bra. My breasts bulged out of the top of my dress."

"Did you sit in such a way as to—"

"Of course, General. The gown had a long slit up the side. I let him see all the way up my gown. Of course, I'd shaved my cunt."

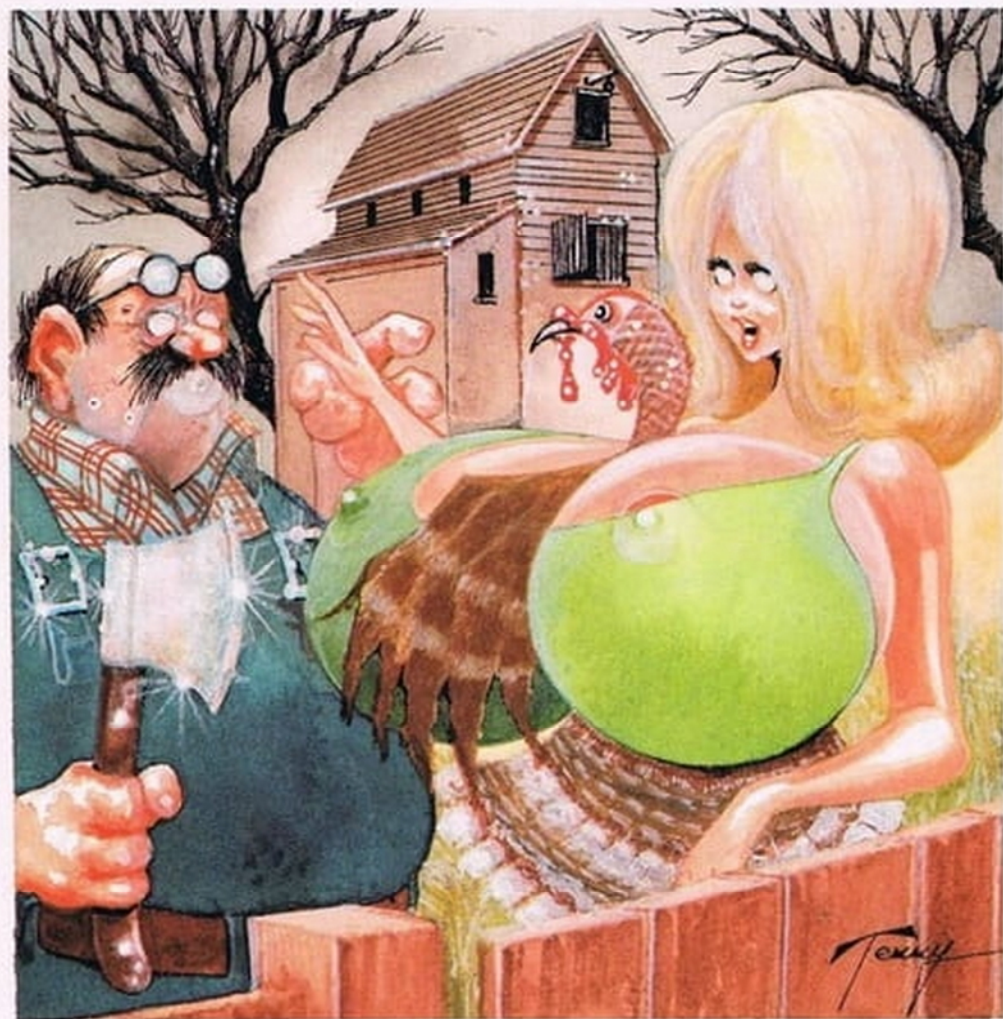

The general's bushy eyebrows went up.

"I apologize, General. In training we were taught to talk filthy. Apparently it arouses American men."

Gigorny nodded. "Is yours, uh, attractive?"

"I'm certain that it is," the major replied.

The general made a (continued on page 74)

"Back off, Gramps! He's been granted sanctuary!"

Great Boobs—And How's Her Bush?

A magical dildo was a key element in Ginger's previous BUSTY spread, a sci-fi lesbo romp with bosom buddy Jessica James. "I save Earth from destruction by giving Jess the orgasm of her life," Ginger coos. It was one hot layout even though the phallus couldn't be shown perforating either lady's vagina. "I had that puppy in there deep," she adds. Now that the rules have changed, will the 36DD-26-36 stripper from St. Louis do a truly XXXplicit encore? "I've brought my Jewel of the Nile vibrator," Ginger confides provocatively, "and I haven't had sex in months—at least that's how I always feel." For a comic-book collector and former pizzeria manager, the 5-foot-8 Midwesterner is more than mildly uninhibited. "I masturbate at least once a day," Ginger *continues*. "I usually lie on my stomach, rubbing my sensitive nipples on the pillows as I rub my pussy against the fake cock and shudder from a string of clitoral orgasms. I'm gonna have to get me a Webcam so my fans can watch me masturbate right at home." Until the high-tech gadget is installed, this is the place to be if you want to see Ginger soar higher than her hometown's majestic Gateway Arch.

slight motion with his hand. Major Poponova stood up, reached up under her skirt and pulled her white-cotton military-issue panties down toward the floor. Standing at attention, the busty blonde lifted her skirt to her waist, her legs spread as far as her panties stretched between her ankles would allow.

General Gignory studied her hairless pudenda, savoring the pungent scent. Her pubis formed an alluring, fleshy mound at the apex of her shapely legs. A portion of her pink inner pussy lips peeked out of her gash, hanging low enough to be outlined by the burgundy leather of the chair behind her. He felt his cock stiffen. His eyes traveled upward, drinking in the view of the major's humongous tits ready to explode from her blouse. Finally he nodded.

Letting go of her skirt, Major Poponova bent over and tantalizingly pulled her panties back up under it and sat down.

“And then?” Gignory prodded.

“I started laughing,” she said.

“Laughing?!” the general mused.

“I couldn't help myself,” the seductress explained. “The President of the United States looks like Howdy Doody, a puppet who was popular on American television before *Sputnik*, except that he's nearly 7-foot tall. His silver hair is combed in a style called a ‘duck's ass’—like their rock ‘n’ roll hero, Elvis Presley. And he constantly poses, but there are no cameras around.”

General Gignory was well aware that the American President was a total moron, elected simply because he was the only candidate available without any skeletons in his closet. No bribes, no shady campaign deals, no connections with gangsters, no bimbos—and no fucking imagination, except for one thing. He imagined himself to be a great statesman.

“So I arched my back,” Major Poponova continued, “trying to pop my tits out of the top of my evening gown. I could feel that the only thing holding them in was my firm nipples clinging to the inside of the top seam. But he started strutting around and babbling about the ‘crime of American jobs going to sweatshops overseas.’ So I simply pulled the front of my dress down.”

“That failed to arouse him?!”

“No,” the major went on. “When he turned around and saw me swaying my

breasts without embarrassment, he said, ‘Yer dress done broke, li’l lady. Probably not made in America. Don’t worry. I’ll get it fixed right quick.’ Then he picked up the telephone. With my bust hanging out, he didn’t see me lean over and press my finger on the button.

“‘Damn,’ he said, ‘the line’s dead. Huh? Made in some backward country. Slave labor, I bet. Not good ol’ American craftsmanship.’

“I leaned back on the sofa and spread my legs wide, exposing my female anatomy completely. I lifted my tits in my hands and simultaneously sucked both my nipples while eying him seductively.”

“And his reaction?” the general asked, again raising his eyebrows.

“He just looked at me and said, ‘Are ya hungry, darlin’? I got my own little kitchen right next door. Food’ll be here in a jiffy. Got more kitchen help than I could ever use. Welfare reform, ya know.’”

The general knitted his eyebrows and muttered, “Unbelievable!”

Major Poponova quickly resumed her debriefing: “I jumped up and said I wasn’t hungry. Then I just unzipped my dress and dropped it to the floor. I stood naked except for my thigh-high black stockings and black high heels. The air-conditioning caressed my nipples, hardening them like fine, Russian-made ball bearings.

“His jaw fell, and he stared at me. Then the President snapped his fingers and cried out, ‘That reminds me. Gotta call the union bosses. Get a meeting together, show ‘em they can count on my support.’

“In desperation I dropped to my knees, pulled down the stupid man’s pants and sucked off his limp cock.”

“What happened then?!” the general belatedly, continuing to ogle Poponova.

“While I had his member in my mouth, he asked me for a campaign contribution.”

“Impossible! Did you perform as trained?”

“Yes, General. Exactly.”

“How could it not work?” he wondered.

“It didn’t, that’s for sure.”

“Major, show me what you did.”

“Well,” she sighed, “I pushed him back, and he fell onto the sofa.”

The general interjected, “One moment, please.” He stood up and took off his shoes and pants. He sat back down and swiveled his chair to the side. “Now show me.”

Lavidia Poponova walked around the huge desk and knelt between Gignory’s feet. The general leaned back, his huge cock pointing almost straight up, thick and stiff as a cannon. “First, I (continued on page 114)

BIANCA Q&A

(continued from page 52)

times. I've never noticed, but then again I'm not paying attention to the noise I'm making.

Do you have G-spot orgasms?

Yeah. I used to be able to have only one or

My only fantasy is to have sex with two men. I've never done that.

Even with how many XXX movies?

There are 215 listed on my Website. Isn't it funny? I've never had sex with two men together. It wasn't something I said no to either. Since I've gone this far without, though, I don't want to do it onscreen. I want to do it at home first. Every guy wants to do two women, and I want two guys.

How do you evaluate your prolific contributions to the porno library?

The newest ones have the best sex scenes because I've matured. I haven't seen any porn with great acting. I've always wanted to do something with erotic fantasy and actual acting, maybe with Andrew Blake directing.

Will you do whatever a director demands on a set?

No. I don't do anal, and if you think I did, a stunt ass was used for the shot. And I don't do gang-bangs. Until this past year I hadn't done any facials.

Do you think people misunderstand you because you do XXX movies and not just strip?

I don't think anybody understands me at all. That's the truth. There's this stereotype of what people think a porn star is or how they're supposed to act or what people prejudge them to be. Unfortunately there are girls who've perpetuated that image.

How do you distinguish yourself from that?

I separate business from pleasure. I have two college degrees, in business management and animated graphics. I'm as articulate as I can possibly be in this business. I'm educated. I keep to myself. I don't do drugs. I'm very responsible. I can go out and conduct myself like a lady, or I can be trashy in my own bedroom if I want to. People have this perception that porn stars are dumb, bimbos, over-made-up, you know. I think you can be intelligent and still have a sex drive.

Nobody believes me when I tell them I designed and maintain my own Website. I work very hard on it. I enjoy my work, and when I wake up in the morning, it doesn't hurt my feelings to look in the mirror. This is a great way to make a lot of money. If you have a nice body, big boobs, a cute butt, flaunt it. It doesn't make me feel bad. When I retire, and my plans don't work out, I have other things to fall back on. I've had offers from a lot of girls to do their sites, but I'm too busy.

That could be the ticket to burnout.

To be successful in this business you have to learn how to say no. I went through my burnout phases and had to go away

for a few months and not talk to anybody. There have been times when I wanted to quit, but I try to do things in moderation and not such extremes. Your longevity will be better.

How long do you plan to stick around?

I'm going to quit when I'm 30. Amazing enough, I drink, I smoke cigarettes, I work in nightclubs, I don't get shit for sleep, I probably don't eat properly—but for whatever reason I haven't really aged that much. Yes, I look different. I don't look like a cute little kid anymore, but I don't have crow's-feet or wrinkles around my lips, or weathered-looking skin. I'm damn sure I don't have beauty secrets. I want to go out gracefully. I don't want people to remember me as an over-the-hill woman who had to have ten facelifts.

Or a couple of major buttlifts.

I'm not close to that. I think 30 is a good time to put Bianca in the closet and try to go on being the other me and have a relationship and a family, something I don't have time for now. Different strokes for different folks.

You've had a lot of guys stroking since you came on the scene.

Yeah. I came in when Tori Welles and Christy Canyon were going out. I got compared to three people a lot. In the beginning I picked up a lot of Christy Canyon, Tori Welles and Racquel Darrien fans. Everybody at the time thought I looked like Racquel, (continued on page 100)

The "more mature" Bianca continually adds to her porno-stud collection, albeit one at a time.

gasm when I had sex. That was it. But now I've overcome that barrier in my old age.

So when are you going to be a year older?

I'll be 27 on November 7.

Did you cross the bisexual barrier before doing hard-core movies?

Nope. I'd never been with a woman before I did movies.

Do you have offscreen lesbian dalliances?

I've slept with a limited number of girls outside of movies, but it's always been in a three-way situation with a guy and another girl. You get the best of both worlds. There's a select few girls I've been attracted to. I need that extra tool. Some girls are good, but they're missing a part. Women don't have dicks.

What do you like better, eating a girl when you're getting fucked, or being eaten when you're sucking a cock?

All of the above! But if you can get eaten out when you're getting fucked, that's awesome. That's pretty cool. It's a little tricky.

How about a sexual fantasy?

DONITA DUNES

Uncut Forest Hump

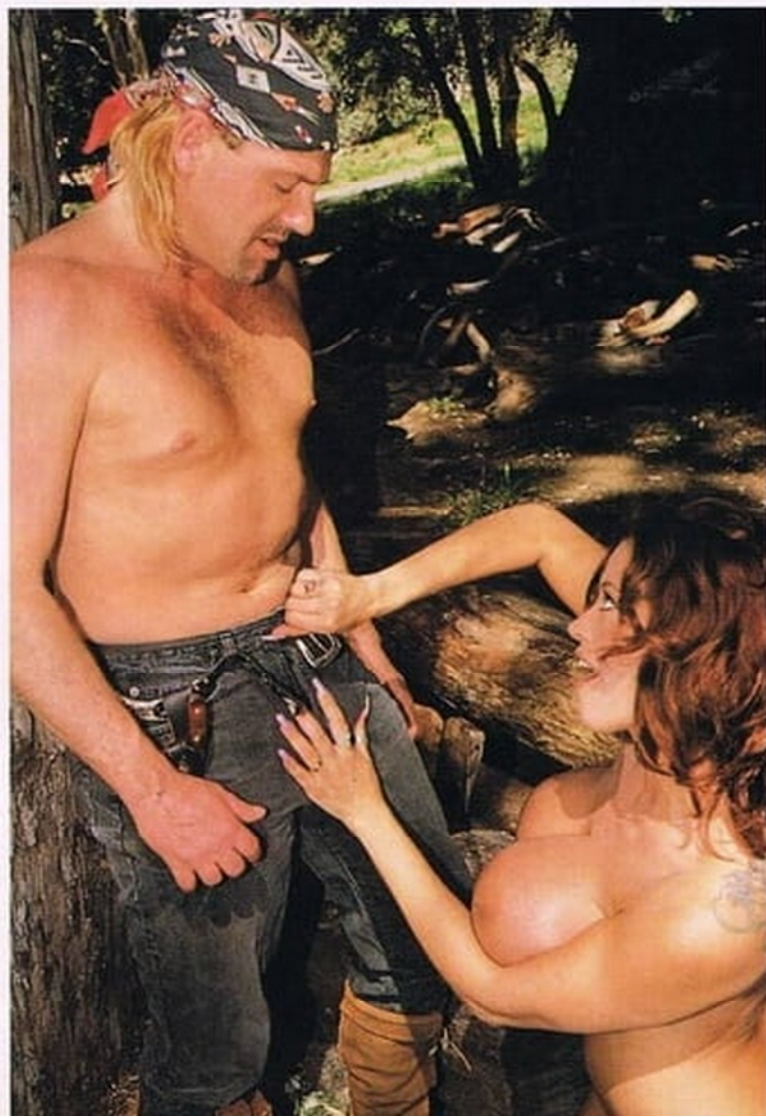

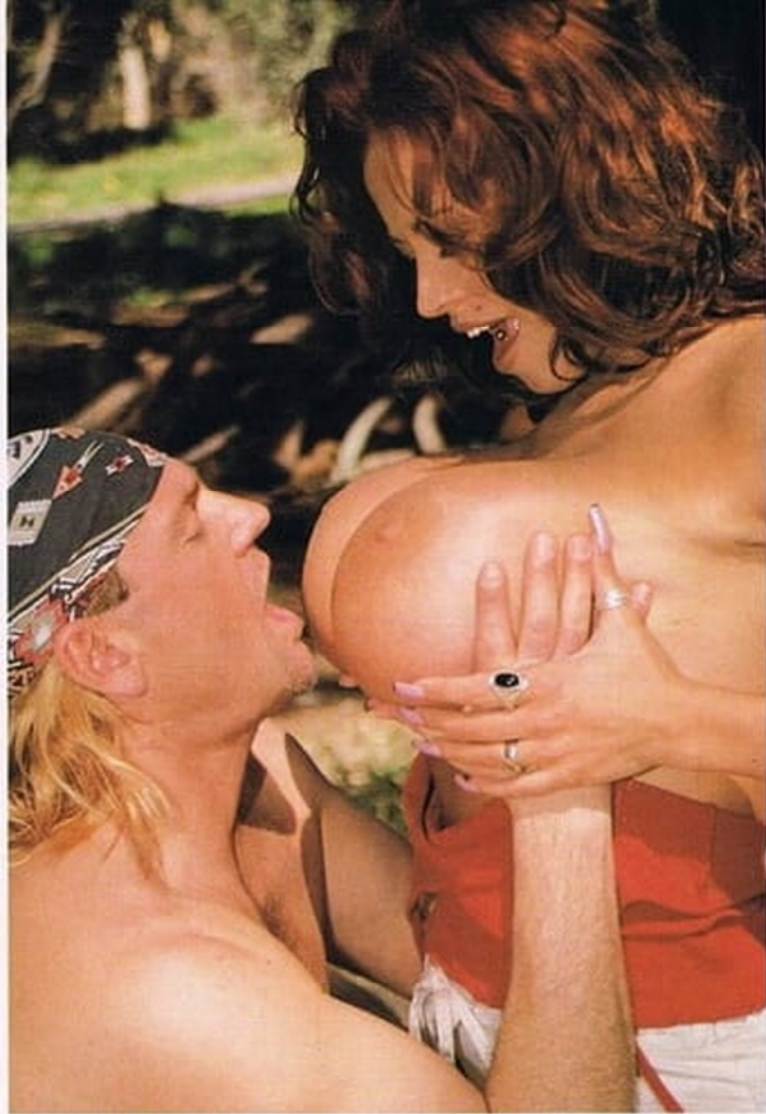

XXX Pictorial by Falcon Foto

"It's time for drastic measures, Dobbs. I want a 30% downsizing across the board—except for my salary and my secretary's tits!"

The 36DD-26-36 redhead has a fire burning in her twat, and there's only one man in her rustic habitat who can douse it before the brush erupts in flames. Secretly, caressing her massive jugs, Donita admires Brian Surewood splitting logs with mighty strokes of his ax. Wanting his log for herself, the 5-foot-9 mamazon steps forth and takes matters into her own hands—and mouth.

Donita's ecstasy reaches to the treetops as the woodcutter splits her right down the middle, first with his darting tongue and fingers and then with the savage strokes of his knobby wood.

A photograph of a nude woman with large, prominent breasts and a belly button piercing. She has dark, wavy hair and is smiling while looking down. She is sitting outdoors, with her hands resting on her breasts and thighs. She is wearing several rings on her fingers. The background is dark and out of focus, suggesting a wooded area.

**"Fuck me with your big,
beautiful cock! Oh, yeah!
That's it. Right there!
I'm gonna come all over that
stiff cock and your bouncing
balls, Brian!"**

"Oh, yeah, baby, squeeze
out every drop of cum!
Cover my titties with a
big, sticky load!"

"Just doing
my part to
prevent forest
fires!"

A photograph of a woman with large, prominent breasts. She is looking down at her right breast, which is being touched by a man's hand. The man's hand is visible on the right side of the frame, with fingers spread, touching the breast. The woman has dark, wavy hair and is smiling slightly. The background is a blurred outdoor setting with green foliage. The image is a close-up, focusing on the woman's chest and the man's hand.

All the action from this hard-core BUSTY pictorial is available on a videotape. Send a check or money order for \$19.95 payable to Falcon Foto (Suite FS-BB, P.O. Box 69, Sun Valley, CA 91353). woman who has white teeth loves cum. You can only imagine how many nights I have jacked off looking at your pictures. —R.F. Galion, Ohio

I recently picked up your July '99 issue, and then I reached the first pictorial. Holy Cheyenne! Cheyenne Sexton has to be the most gorgeous big-titted goddess I have ever laid eyes on. I am fairly certain that those sweet round melons will keep me in love with this

tience (June '99 Photo Chest). This blond, big-breasted beauty surely deserves it. After viewing her photos, I was truly impressed, and I definitely feel that Patience has the potential to be a star.

Also, an excellent job with Felicia Fox's XXXplicit layout in the same issue. Keep up the good work, and I'll keep purchasing your magazine and using it as a tool for my late-night masturbation sessions. —Jay Pennsylvania

Dear Patience: I had to write to tell you how much pleasure your pictures brought my wife and me. My first-ever purchase of BUSTY BEAUTIES occurred recently, and I couldn't wait to get home to view it.

My wife and I have been married for over 20 years, and the past five have been our best years sexually. During this time, Sara has really come out of her shell. As an example, she had never masturbated prior to the recent five years. Imagine my surprise to see my wife getting it on while looking at your picture—the one of you standing over a chair with your arms behind your back. That is something I have Sara do while I suck on her tits until she is about ready to pop. She told me she would love to do that to you and watch me do the same.

I was totally surprised and turned on by her words. As I said, our sex life is great, but Sara had never been one to express fantasies. That all changed once she saw your pictures. All of a sudden the details of what she would like to do with you started pouring out of her mouth. We then had a lovemaking session that was fantastic.

I only wish we would have seen something as inspirational as your Photo Chest spread years ago. Hell, if I'm going to wish, I wish that Sara and I would have met you instead. You will be in our fantasies for many hot sessions to cum. —Dave Address Withheld

Patience's prize-winning pictorial begins on page 19 of this issue.

I buy your magazine for the Photo Chest contest. June '99 amateur Brenda really caught my eye—and the interest of my big, thick dick. I think this beauty would be a great centerfold. I would love to open up and find her to get me through a lonely night. I would love to see her again. —Jack St. Louis, Missouri

FAN-CLUB ALLEGIANCE

Just a note to let you guys and everyone else know what a fantastic Website and fan club Minka has. I joined her fan club a few years ago when I first saw her. I was always impressed by her natural beauty and sensuality, and I love big tits. After a personal appearance here in Hawaii, I wrote to her and got a response immediately. Then I ordered some pictures posed the way I wanted, and great Polaroids came right away.

Now Minka is more beautiful than ever, and her site never ceases to amaze me. She not only has bigger, sexy tits, but also she really looks out for her fans. I just received some new personal-request photos, and they were unbelievable. She is quite a lady, and I highly recommend her Website. It's a tremendous bargain, and you get to see one of the world's sexiest, best-looking big-titted women. Love you, Minka. Keep up the good work. —Tom Honolulu, Hawaii

PHOTO CHEST ENDORSING

I'm an avid purchaser, fan and enthusiast of BUSTY BEAUTIES Magazine. Being that I'm such a devoted customer, I feel that I should be able to demand a full layout of Pa-

TREASURE-CHEST REVUE

Natural-breasted Internet mistress Danni Ashe, legendary Traci Topps, recently deposed (but still the most gorgeous) gang-bang queen Jasmín St. Claire and Plenty UpTopp, our 1998 Cyberfold of the Year, are just four of the standouts naked as a titty jaybird in BEST OF HUSTLER BUSTY BEAUTIES #12. This special collector's edition is filled with intimate layouts, interviews, amazing amateurs like Silvia and Blondie, and model listings. Now on sale at newsstands, BEST OF BUSTY can also be ordered direct for \$10

(includes postage and applicable sales taxes). Please send a check or money order payable to L.F.P., Inc., to BUSTY, P.O. Box 358, Mount Morris, IL 61054. Your copy will be mailed discreetly within 6 to 8 weeks.

Dear Patience: I am a black male looking for some excitement, and you look very hot. I got a hard-on the minute I laid eyes on you. I just love blond babes with nice legs and, of course, a nice, fat pussy that I would love to eat also. I'm nine inches long and very energetic. My name speaks for itself. —Jumbo Gardena, California

Hi, Larry Flynt. Hi, everybody. As President of the Plenty UpTopp New York City Booster Club, I am calling for immediate action! Bring back Plenty UpTopp! She's busty! She's young! She's blond! She's busty! And best of all, she's a beauty! —Nick S. New York, New York

Mega-boob adult entertainer Plenty UpTopp is part of the stellar lineup in BEST OF BUSTY #12 (see accompanying announcement). More good news: A brand-new Plenty layout is coming soon.

"One of my fans was the first
to fuck me in the ass. Now I
love it back there."

"How long can you
look into my eyes as
I kneel here naked
and horny to suck
your tasty cock?"

As more and more of the mega-bust strippers from the early and mid-'90s hang up their industrial-strength bras, one icon of mammarial splendor and devotion to her fans endures. In fact, Minka just gets outrageously larger and larger on top, and striptease engagements are interspersed with a steady increment of sizzling XXX videos, most produced by her own company and distributed via her exhaustive Website and fan club. In many she teams up with popular BUSTY Beauties like Kayla Kleevage, Lisa Lipps and Elizabeth Starr. In a few a horny, well-hung patron she's met at a nightclub does the honors with his club. The titles alone reflect Minka's no-holes-barred attitude: *Me So Horny, Butt Buster, Teacher Minka, Behind in the Rent, The G-Spot, Big Boob Bang, Clean Sex...* "Looking into the eyes of the customers when I take off my clothes gets my pussy wet," proclaims the 110JJ-23-35 breast goddess, "and I love sex and sharing so many gratifying encounters with and for my fans. I love giving great head, taking a gigantic cock deep in my asshole and getting sploogie gushers on my titanic tits. A lady needs her protein!" Once a tennis instructor with a mean serve (and quite the cook), the 5-foot-8 Korean-Vietnamese superstar serves mankind and mankind admirably. Even à la carte, Minka is a satisfying meal, but if you hunger for more, we'll bring her back—bigger still no doubt.

BIANCA Q&A

(continued from page 76)

but she was doing only Derrick Lane. Everybody was gung ho that I was doing whomever, lots of men.

Christy Canyon fans were great. I've never had to worry about snorting 20 lines of cocaine to weigh a hundred pounds dripping wet to appease the rest of the 60% of the audience. A lot of girls in the business have real big boobs and are really, really skinny. Now natural boobs are starting to be big. In the beginning I was pressured to keep my weight down, and a producer had me get liposuction. Looking back on it, I didn't need liposuction. My fans like me the way I am, augmented boobs and all. No one tells me to lose 20 pounds. It's nice being my normal weight. I've never been a size 3. I'm not a 110-pound Wicked girl, although I'd like a Wicked contract. I'd like any contract.

Are you a porno girl who's worked at the Moonlight BunnyRanch bordello in Nevada, where prostitution is legal?

It seems like all the girls are doing it. Sunset Thomas made a killing there. Sunset's my best friend. We lived together in California. Me? I can't see 12 people in a day. Besides, it's a little tacky. Poor guy number 12. I could see doing a couple of people a week. It's not healthy for your body. If you're with partners on a consistent basis, your body is used to them and their germs and chemicals. Even doing it ten times a day with the same person isn't a big deal. But if it's somebody you're not used to, and different size dicks and latex friction every day and lube, you're going to get one huge, nasty yeast infection. And have to stay in bed for a week before you can dance or do a movie.

I was gung ho to go, but the more I thought

about it, the more I was like, *Wait a minute!* It wasn't in my best interest, and I love money. Everyone in the business knows I do escorting. I definitely don't have any hangups or qualms about that. I've talked about it on talk shows.

Do we dare talk prices here?

They're listed on my Website. My prices are reasonable.

Have you been on *The Howard Stern Show*?

No. I've tried everything but showing up in the street naked with a big sign to get on his show, but with no luck at all.

You may be 499 guys too short for Howard.

Exactly. I'm 2,000 guys short of a gangbang to be on his show. It's his loss. He makes me mad with half the stuff he says anyway. Besides, I may be too smart for him. I might actually answer his questions exactly. You know how he pulls out "Who's the governor of your state?"—dingbat stuff like that.

Who is the governor of the Sunshine State?

Ha-ha. Jeb Bush.

Now you only have to answer one more of our questions exactly.

Shoot.

What are you going to do right now?

I'm all sweaty. I'm going to get naked and hop in my pool and cool off.

Editor's Notes: The November 7 birthday girl is online at www.biancatrump.com. Readers without computer access can write to her at the Bianca Trump Fan Club, 8001 NW 67th Ave., Tamarac, FL 33321. (Please enclose an SASE if you expect a reply.) For information on the world-famous Moonlight BunnyRanch, call 1-775-246-FUCK. Bianca's girl/girl pictorial with cin sister Shelby Stevens is in the February '95 BUSTY; Bianca, Whitney Wonders and Kimberlee Kupps have a pool dip in Summer Spectacular '95.

Bianca, new to the facial scene, prefers the money-shot on her tits. Highly recommended *Nasty Nymphs* #22 gets close to the mark.

years with over 15 million
satisfied customers.

**Easy To Use!

HERE IS WHAT THE
DR. BROSS PROFESSIONAL

and more powerful erection ■ Exclusive design maintains
your erection (use my exclusive Comfort Fit Erection
Prolong Ring for extended sex) ■ Increase confidence, sex

CERTIFIED
AND APPROVED
FOR PENIS
ENLARGEMENT
BY DR. BROSS

The Dr. Bross Penis Enlargement System exclusive
features not found on any other pumps.

- Our Exclusive Power Vacuum Controller adjusts the right amount of vacuum for your penis enlargement.
- Exclusive Injection molded totally enclosed Vacuum Seal clear cylinder Guarantees 100% Vacuum and no air loss.

Our 15 million customers tell us the
Dr. Bross pumps are #1

We receive thousands of letters from satisfied customers - to many to print here. This is a typical letter from a satisfied customer.

"I wasted a hundred dollars on a couple of pumps. One broke right away and the other didn't do a thing. Then I tried the Dr. Bross Trigger Pump and it was absolutely amazing! The pump did exactly what you said it would do, enlarge my penis. I'm a very happy man and so is my wife. Thank you very much."

- Bob R., Chicago, Illinois

Adult video actors tell us the Dr. Bross Pumps are #1
Here is a letter from adult video actor Jon West

"The Dr. Bross pump is fantastic. I use it and so do many other adult video actors. For total penis enlargement to make you thicker and longer it is the only pump to use. It's not a toy masturbator like the other pumps. The Dr. Bross pump is 100% for penis enlargement."

In addition to customer satisfaction, an independent
testing company says Dr. Bross Penis Pumps are #1

Tests determined the effectiveness and reliability for each pump. A large number of penis pumps failed after only less than 100 strokes. Tests measured the amount of vacuum created and sustained or if there were leaks due to air loss.

■ The squeeze bulb pumps and the centric or center push pumps vacuum was not sustained because the pumps are attached to a straight cylinder with glue where air leaks would occur.

■ The electric pumps use a fish aquarium motor converted from blowing bubbles in water to suck air. The vacuum created was minimal and not the vacuum needed for penis enlargement.

■ There were two battery pumps tested. The Dr. Bross pump has a removable motorized housing so the clear cylinder could be cleaned separately. The other battery pump is one piece and when cleaning the cylinder would cause damage and rust to the wires, battery and motor.

■ The Dr. Bross exclusive power vacuum controller is included in all their pumps and creates and sustains the vacuum needed for penis enlargement. This feature is not found on the other pumps.

■ The Dr. Bross cylinders are made of the highest quality injection molded clear Resin-K for strength and to easily view the penis enlargement. The cylinder is totally enclosed to prevent vacuum loss. The other manufacturers cylinders were cloudy and the plastic was cut from straight raw stock and glued to the pumps.

■ After all of our tests we have determined that the Dr. Bross penis pumps are far superior to any other vacuum pumps for penis enlargement.

■ For the most features the Dr. Bross trigger penis pump was rated number one of all penis pumps.

Dr. Joel Bross is a noted sex therapist, clinical sexologist in private practice since 1974. He specializes in sexual concerns for both women and men. He is responsible for the production of numerous educational sex videos.

All of Our Pumps Are Made in the U.S.A. www.metco.com

Insert the small soft penis into the clear cylinder. The exclusive cylinder ring makes a perfect vacuum seal.

Start the pumping and immediately you will see your penis grow thicker, harder and longer. Watch your penis grow to mammoth dimensions.

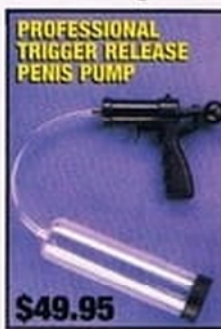

Reach your maximum potential up to 12 inches. You are now ready for sex or for extended sex use the Comfort Fit Adjustable Prolong Ring.

Even when the pump is not used the penis "hangs" thicker and longer.

As an added bonus, we include **FREE** the Dr. Bross Penis Enlargement Photo Album and Penis Enlargement video. Actual photos and videos of users enlarging their penis.

**PROFESSIONAL
TRIGGER RELEASE
PENIS PUMP**
\$49.95

Exclusive pistol grip and trigger design and the worlds largest selling vacuum pump for those men serious about Penis Enlargement.

One hand operation fits comfortably like a pistol. Pull the trigger and instantly the piston releases the vacuum you need for a longer, thicker and harder penis. With these features and our low price, definitely the best value in Penis Enlargement Pumps.

How The Enlargement Process Works.

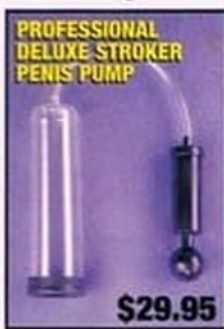

Approximately 2/3 of your penis is made up of muscle tissue called corpus cavernosum and that tissue can expand. The Enlargement process is called hyperemia. Blood rushes into the muscle tissue causing the penis to expand to your maximum potential.

PAIRESTROIKA

(continued from page 74)

just sucked on it for a while, like this." The major put her mouth over his prick, sucking with great enthusiasm while jerking him off with both hands.

Gigorny grunted, "You're looking at me cross-eyed, Major."

"Ell, er ick izzo ig!"

"What was that?!" he barked.

The Special Operative lifted her lips off his tool. "I'm sorry, General, but your peter is so big that my eyes cross."

He smiled and rested his head back on his chair. "Please continue, Major."

"Then I tried this." Poponova unbuttoned her blouse and unsnapped her heavy-duty white bra. Her giant melons burst free.

The general caught his breath. As a pair they were much more magnificent than what he'd seen during the ID check.

Lavidia took her breasts in her hands and gently brushed her firm nipples up and down along the underside of Gigorny's wang. It throbbed with pleasure. Then she nudged his engorged shaft between her tits and began sucking his peckerhead. He sighed.

After a while the major stopped sucking and began tit-fucking him. The sexpot slowly squeezed her luscious, creamy water balloons against the sides of his rod as she lifted and lowered them sensuously, maximizing the erotic feeling of the smooth flesh of her mounds sliding against his meat.

Poponova increased the speed gradually until she was boob-boffing him with wild abandon, leaning her head so far back that

the general could only see her nostrils and chin. She was panting, her huge mammaries jiggling each time they flopped down on his pubic area, revealing the tip of his prick poking up between her hooters.

His pleasure intensified. It began deep in his balls, spreading like a hot flame up the length of his shaft until his cock erupted in ecstasy, spewing a white glob of cum high in the air. It arched narrowly and fell back and splattered on Lavidia's right knocker, dribbling off the side and leaving a wet trail.

The general's ramrod fired again. Another white glob shot up high and fell back, splattering on Poponova's breastbone. It slid down into her cleavage, making slippery-slick the tit-tube around his organ. Another, smaller dollop of sperm spurted up and fell back onto the head of his manhood and dribbled down and joined the spunk pooling around his shaft between her tits.

Now Major Poponova simultaneously sucked and tit-fucked him furiously, ingesting every drop of cum from the bottom of his balls until her superior fell back in his chair, exhausted. "You're dismissed, *devushka!*"

The following morning at the Kremlin, General Gigorny met with Yuri Khungoverov, Russia's leader, trying to explain. "Your American counterpart is incorruptible, Mr. President. We have failed dismally."

"Perhaps not," Khungoverov murmured.

Gigorny sat silent as the rosy-cheeked politician pulled a half-empty bottle of vodka and two shot glasses from his desk drawer. He filled the glasses, put the bottle down and then gulped both shots himself. Then he pronounced, "Your Major Poponova must return to America immediately."

"For what reason?" Gigorny asked.

"There is a new target," Khungoverov said. "Someone very powerful, with vast economic resources. More powerful in some ways, perhaps, than even the U.S. President."

Russia's top gun reached over to the side of his desk and picked up a plastic CD holder and placed it in front of the general. Igor Mikhailovich Gigorny picked up the compact disc. His caterpillar eyebrows crinkled when he looked at the cover, picturing a stocky guitar player wearing a cowboy hat.

"Major Poponova won't fail, Mr. President," Gigorny vowed, "but if she doesn't get me that man's autograph, her next assignment will be compromising a fishmonger in Siberia."
