Roberta Pedon

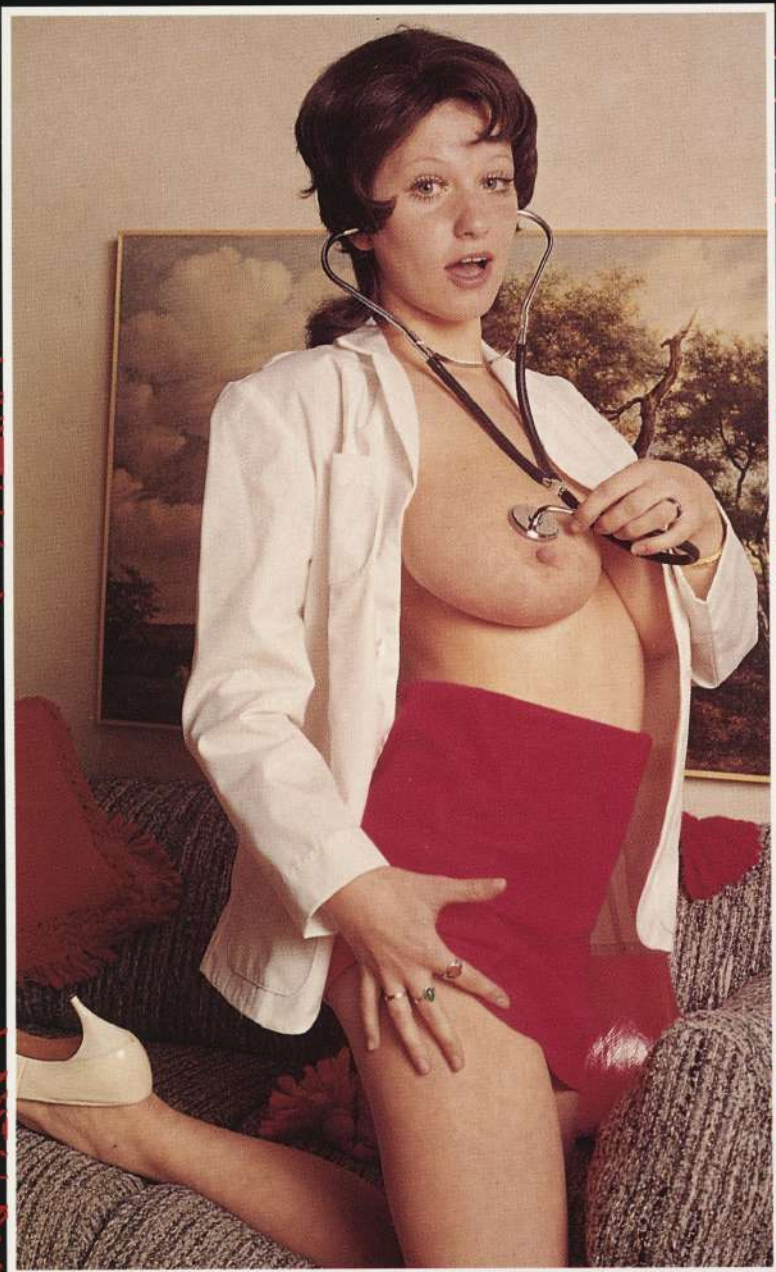

"Check it out, dudes. These tits are one hundred percent natural, the way Mother Nature made them. There's no artificial ingredients of any kind, just ripe juicy melons, soft to the touch and sweet to eat!"

"I feel sorry for those poor flat-chested gal and I feel sorry for the chicks who get their tits surgically enlarged with silicon. To me that's gross. Silicon tits feel hard, and they don't move or flop around while fucking."

"Hey, baby, wanna play doctor? I've got a real fun way to check your pulse. First I stick your great big prick between my tits, then I lick it and put it in my mouth. Then, just to make sure your pulse is normal, it has to drive deep into my horny snatch!"

**"I've got just the
stuff to nurse you
back to health if
you're suffering
from a bad case
of hard-onitis.
A touch of my
tits to your hot
aching prick, and
you'll be a new
man in no time!"**

*"My stethoscope is sending
me a signal, kind of an SOS
for sex. My tits tingle when I
get horny, and right now I
could just eat you alive!"*

"In the mood for a raunchy wildthing session with a dark doll whose tits just will not quit?!!! I thought you might be. When I whip out my whopping jugs and let them swing free in the breeze, dudes' dicks spring up tall and stiff as mighty oak trees, then I am so ready to please!"

S Y L V I A

**"Think of how much fun
you could have playing
with my knockers. You
could touch 'em, you
could kiss 'em, you
could suck 'em, then
you could fuck 'em!!!"**

"Do you like dark, meaty, juicy, 100% real mam melons, the kind of lusciously delicious female flesh that makes you steam, and then cream your jeans?"

"Ol' Mother Nature only blesses us, the fortunate few, with hooters that are huge, so I sure do expect to get special favors from you, meaning every muscle in yo' big ol' meat flexing for my sexual, sensual pleasure!"

"I got just the thing for your jungle fever. How about takin' a sex safari into my bush?! This here lusty leopard woman wants you to penetrate to the very heart of my deepest darkness, all the way to the very end of my G-spot highway, and then suck 'n' fuck my tits!"

***"I love to get wet, that warm, soapy
water feels so good soaking my tits
and pussy, but it's better to be soaked
with the juice of a rapid-firing lovegun!"***

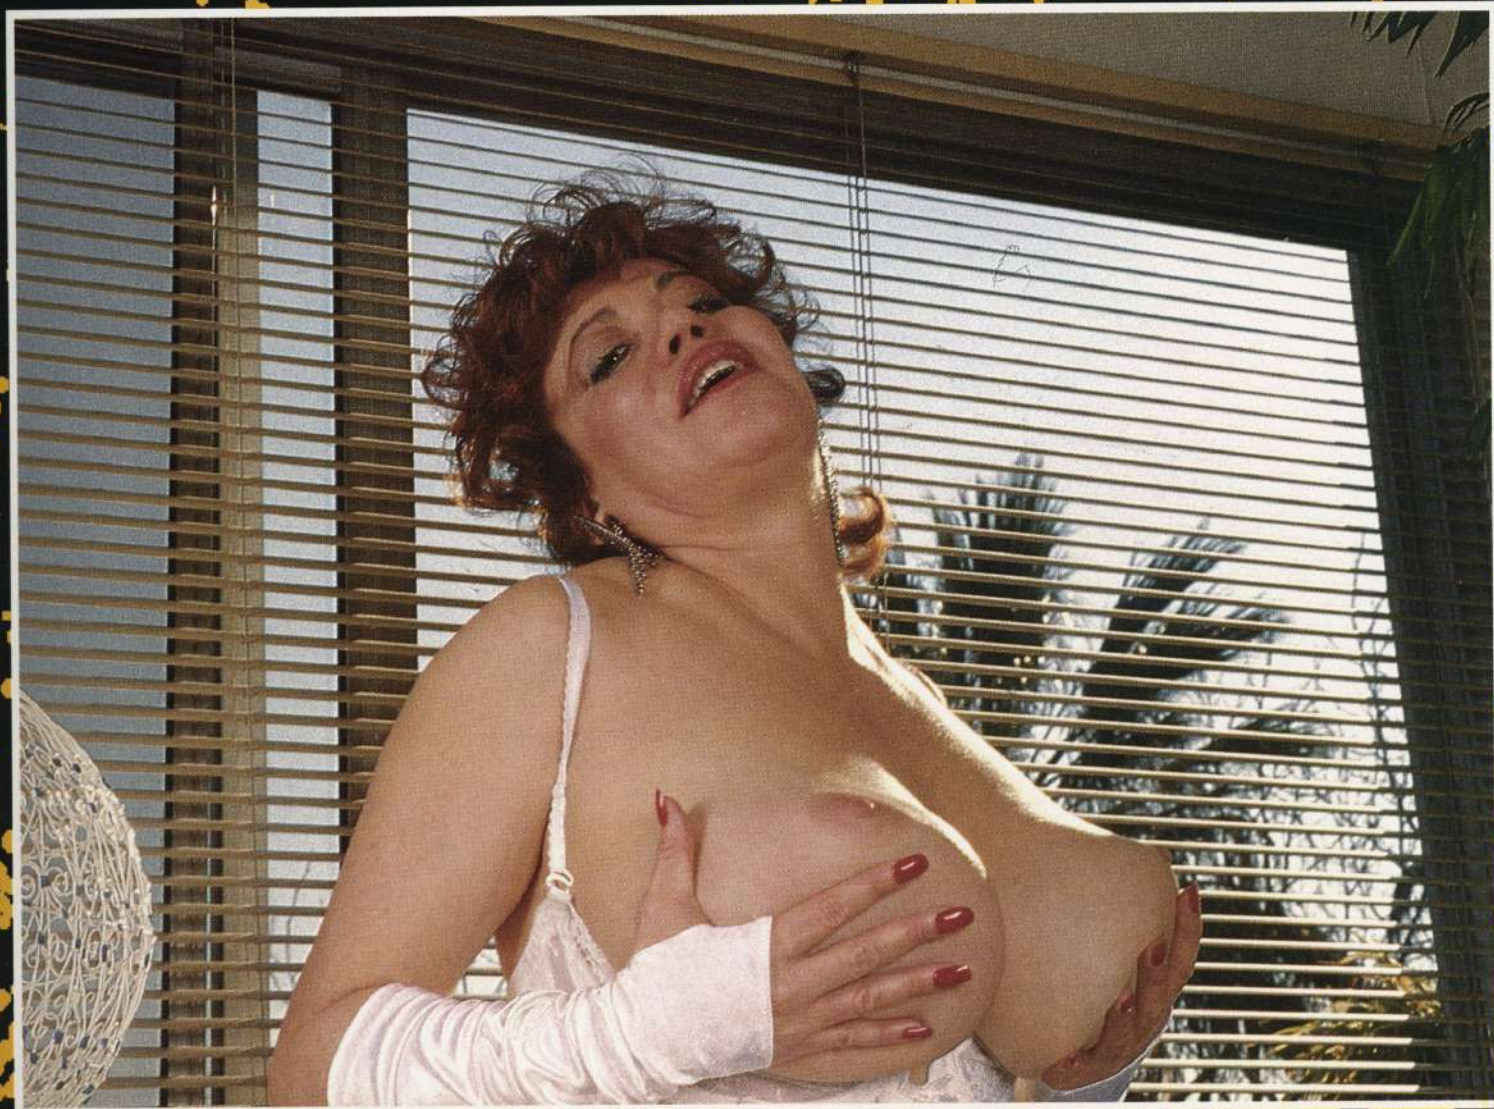

Kitten Natividad

"There's nothing phony or fake about these bazooms, and the feelings they've aroused in millions of horny men are the most real feelings their bones may feel, and a touch of my titan tits with the tip of a prick, and I am squealing!"

*"My cleavage is the ultra
cum-coaxin' canyon for
squeezin' cocks of every
precious drop of their
lusty, sticky, liquid love!"*

**"After guys have blasted
a dew dozen loads on my
boobs, they're ready to
sink all of their salami
meat into my snatch. I
like it anyway, and I like
it anywhere, I can get it!"**

***"Baby, you know I'm built for comfort,
but I'm also up to speed, so you can do
me fast, furiously thrusting your prick
'tween my tits while I tease the tip with
a teasin' flick and nasty lick of tongue!"***

SATINA

"Hey, guys, get a load of these knockout knockers. Wanna play with 'em, or maybe you'd like to be my big baby and suckle them, or perhaps stick your prick between my tits? They look pretty in pearls, but they'd look even better if they were graced with a pearl necklace of the hot, sticky kind!"

**"I love to get fucked doggy-style, and if
my man reaches underneath to play with
my tits while we do it, I go nuts with lust
and grind my behind against his big prick!"**

***"Slide you dick through my cleavage,
and when the tip of your prick makes
it to the top, I'll give it a sexy tongue
flick, then swallow all your hot meat!"***

NINJA

"Would you like to go to bed with a big, ol' sexy redhead? I got giant jugs bigger than a mouthful, and bigger than a handful that bounce like crazy when a big fat boner is banging away in my hot lovebox!"

***"They say blondes have more fun,
but redheads give much better
head, and when you find one
with titanic tits that just won't
quit, you better whip out your
whanger and commence to
sucking and fucking my
beautiful body lickety-split!"***

***"If you lick my nipples, it
will tickle my clit. If you
diddle my fuckhole with
fingers and prick, I will
come like gangbusters!"***

TITFART

"You say there has been a shortage of super-stacked blonde bombshells in your life? Well, I'm here to fill that void. And I bet you have something that could fill me up too! I bet it's beautiful, so long and stiff that I can't resist. Whip it out!"

"After thrusting your turgid, torrid tool between my mouthwatering mams, you could put it between my luscious lips, the ones with the pink lipstick, silly. Then you could part the velvet curtain of my cunt!"

BABS

**"Howdy, cowpoke. Shit
howdy, have I got a set
of swingin' jugs for you.
I see you're packin your
hot, throbbing rod, so
I think it's time for a
shootout at my cute,
cuddly, cunt corral!"**

"If you're hankering after some of Mother Nature's finest, 100% all natural melons that are sweet, ripe and juicy, look no more. I got 'em!"

**"I'm smilin' cuz I just know you got
the goods to deliver a fast, furious,
fireside fuck to the molten core of
my cock-crazy, cum-coaxing cunt!"**
