JUSTA

Looking For

DREAM

Mr. Good Guy

I'm looking for a guy who likes to play with tits. I mean really loves tits! Because, as you can see, mine are a hand-ful, and only a guy who's a real tit freak can satisfy my need to have them played with, sucked on and fucked.

"I want a guy who can spend a night at home with me doing nothing but paying attention to my tits. I can sit and make out with a guy while he grabs and gropes my tits for hours. Even though they're very massive, my tits are sensitive, especially my nipples. My pussy gets juicy and horny when my tits get a good going over, and if a guy plays with them long enough, I'll have an orgasm right where I sit!

"I want a guy who'll lick every inch of my twin torpedoes—and for a long time. Having my tits drenched with warm saliva is the most wonderful feeling in the world, almost. And when he's done licking them I like to rub them all over his face, smearing the saliva around on my tits like a wash-cloth. I rub them up and down, and back and forth until he's almost delirious and then I'll wrap them around both sides of his head to smother him with love. And I nearly do smother him because my tits are so massive they engulf his head like a helmet.

"I love to take his hard cock out and rub my nipples across the purple head. I bend over and swing my tits back and forth so they bang up against his cock and knock it around like a flagpole in a storm. Then I'll wrap my hot little fist around it and jerk him off while I lift a huge tit to his mouth and let him suck on it. I like to give long, slow hand-jobs so he can have plenty of time to suck first one tit, and then the other. When he gets close to cumming I'll stop jerking him off and grab his balls in the palm of my hand, gently rolling them

around while his eyes roll correspondingly around in his head! Then I'll go back to jerking him off until he blasts his goo all over my tits and I'll use the still throbbing head of his cock to spread it around.

"Then we'll do what I consider is the most wonderful thing in the world—we fuck like rabbits! I want a guy who's up for fucking all night long. I want a guy who can fuck my hot box in every position imaginable, and maybe some that aren't! And I want a guy who likes fucking me in my tight asshole as much as he likes fucking my tight cunt. Nothing sends me over the edge like a good steady ass humping after my horny, hungry cunt has been taken care of. Having a cock sliding in and out of my asshole can make me have an orgasm that can register on the scale of a small earthquake!

"And when all the fucking's done, I love a guy who's still horny enough to get down between my legs and lap my cunt for me. I'm always in the mood for one more juicy orgasm in his mouth, and I'll always give him one.

"Do you know where I could find a guy like this?"
