BEATTA MY MEAT Dear JUGGS,

So, I don't buy JUGGS for the articles... I buy JUGGS for the world's best all natural titties... and I saw a pair in your November issue that set a series of events into motion that I can't seem to change, alter, or stop. I am, for lack of a better description, utterly powerless over this. You had a girl named Beatta featured as your centerfold and front cover who supposedly was a lawyer's secretary. Well, I don't think she looked like anybody I ever saw working in a lawyer's office in my 20 years in the law game, so I doubt that, but I go along with the fantasy because that's not the important part.

I had some time to kill between cases and took the issue into the courthouse bathroom that's not open to the public (I work in the D.A.'s Office here in Tempe), and I beat my meat viciously hard and quite fast to Beatta's hot, droopy rack. I love girls with milky white skin and soft, dangling titties. She looks German too, is she? Holy shit! Anyway, I beat my dick so hard, I actually hurt it very badly. Let's put it this way, my wiener was in such agony, that fucking idiot crack dealer got a life term on a second offense because of Beatta. Not important though, fuck him. The real problem is that I can't stop whacking my weasel to her pic-

tures. I'm totally into her, and I don't even consider her that hot. There were hotter models in the very same issue!

Here's the REAL problem... My dick is red, raw, and basically friction-burned to a crisp. It fucking hurts even when I breathe and it might be infected. No matter though, Beatta was worth whatever damage she caused. I would like some help in getting Beatta out of my mind. I am giving everyone who passes through my courtroom the maximum sentence lately because my cock hurts. This is all my bitch-cunt wife's fault; she hasn't touched me in three years!!! Tell me Beatta's married or a fucking bull dyke or something so I can get her out of my mind. Thanks in advance. I know this sounds crazy, but I assure you it's true.

Mel
Tempe, AZ

Dear Mel, Have you had a vacation lately, buddy? Thanks for digging Beatta, a lot of you did. I would be happy to tell that Beatta is a pussy-licking anarchist who hates lawyers and anybody else associated with keeping order, and that she also has a 45-year-old boyfriend who's a would-be rock star in a glam metal band that will never get a record deal — like most of our models — but that

simply wouldn't be the truth. Nope, Beatta is the milk of human kindness that lives with her granny and volunteers her extra time to helping people with cancer. She is German and told us she wants a boyfriend who is older than her and works in the legal profession (like her old boss whom she got caught fucking). Sorry.

DANGLE BANG!

Dear JUGGS,

I bloody love JUGGS? When are you doing another all British issue? I loved that. I also wish to inform you that I am in love with Miss Beatta, your November centerfold and cover slut. WOW! What an amazing pair of low-hanging and dangling D-cups! I could just picture her hovering those delectable loving cups above my root as I shoot my jizz all over her bubblegum pink nipples. That makes me so hot. I love tit-fucking girls more than I like fucking their pussies, and the best kinds of titties to fuck are big, soft dangles like Beatta's. Thanks for her, and the other girls as well. Cheers!

Pip
London, UK

Dear Pip, Now then, now then, what's all this then? Thank you, squire!

SHAWNIE SUCKS!

Dear JUGGS,

Another stellar assortment of lus-

cious lady lumps and their caretakers with the November issue! It was sufficiently stuffed full of stacked sluts like Shawnie. I really enjoyed her layout more than the others and love a girl who loves to suck cock. I've been looking for a girl like her for a long time and never found one. Can you tell me where these girls are? That is, girls who suck cock and swallow loads because they are obviously not where I've been looking

Chris
Norman, OK

Dear Chris, Thanks for the nice letter. Are you sure you're looking in the right place because if you've been reading JUGGS for long, you'd know that all women suck cock and swallow cum. Besides, isn't Norman, Oklahoma a college town? Are you some kind of freak or something? What's easier than a Sooner college girl? Nothing that's what.

TIT-FUCKING PLEASE!!!!

Dear JUGGS,

I remember seeing tit-fucking in JUGGS in the past. I don't see it anymore. What happened?

Gordon
New York, NY

We simply do not get offered boy/girl shoots anymore. They cost a lot to purchase and most of the photographers are not willing to lay out the costs up front in this economy. Lesbian shoots are much cheaper, and we think, much hotter. You get four tits for the price of two. Here's a classic shot from the good old days. By the way, this issue has several great classic layouts.

MILK WHITE BITCHES

Dear JUGGS,

I like all kinds of girls and the fact that JUGGS always has a nice assortment is what keeps me cumming, and cumming back for more. I'm not gonna' lie, I've been drinking. Anyhoo, lately, I'm on this pasty white girl kick. I have an idea: do a whole issue of super, super white-skinned girls. I mean fish belly fucking white! Whaddya' say?

Eric
Jersey City, NJ

Dear Eric, that's a super idea, drunk or not. We are actually planning on doing that. In the meantime, here's an appetizer to soak up some of that hooch.

Pansy

Pansy is a P.I. No, not a Pussy Inspector. No, not a Penis Ingestor, either. She's a real, live Private Investigator. No, not those kinds of privates, either! Well, actually, she does investigate privates, but she is also a **REAL** licensed P.I.!

Seriously though, Pansy is a private detective, with a private practice from which she hires out her investigative services to people with philandering spouses, families with runaway children, and pretty much anything else. You might think Pansy would be bad at her job because she has trouble blending into a crowd — with her fantastical double D-cups and a face that would look just perfect with its lips wrapped around a rigid rod of man meat, she turns heads wherever she goes. Catching attention would seem to be the last thing a dicktective... excuse us, we meant detective... would want to do. But, says Pansy, that's the thing about being a brunette bombshell with bosoms that bring on boners: nobody expects you to be anything besides your boobs.

Pansy can sidle up to the most infamous gangster and be seen as nothing but a pair of tits and a sweet smile. She makes the most of her targets' assumptions by collecting intelligence on them while they stare unabashedly at her boobs. Lucky for her unwitting targets, Pansy loves distracting them with her delicious dumplings, so she wears low-cut blouses and push-up bras on most assignments. With the mark busy hiding a boner while staring into her hypnotic cleavage, they usually don't even notice her taking pictures or jotting down notes. Her curvaceous figure is the perfect cover!

And yet, for all the showing off she does with her sugar tits, Pansy rarely takes it all off to display her darlings to the world. They're her most effective weapons in her line of work, so although they provide her with cover, it's rare for her to uncover them completely. We had to beg and plead to convince her to take it all off for our cameras! It's funny though because we actually met Pansy through the magazine. One of our camera guys was her target a few years back — his wife was concerned that he was tagging the twats of some of our models, so she hired Pansy to tail him at work. Pansy, being the professional she is, got a job as a secretary at our office, where she wore low-neckline business-casual outfits every day and distracted the hell out of the studio staff. Her ta-tas were a cut above most of the mounds we were photographing in those days, and everyone in the office wanted to see them freed of their constraints. Her mark, funny enough, kept bothering her about her boobs, asking her to pose for us, but she kept saying no. She snapped a few photos of him getting blown by a big-bosomed babe on a photo set, though, and his wife divorced him post-haste.

After he realized that Pansy was the P.I. responsible for his misfortune, our camera guy convinced her that the only way she could make it up to him — they'd become friends in the meantime — was to show off what her mama gave her! Payback is hell, but somehow we don't think Pansy minds too much.

Cindy Nelson

Way back in 1982, and only for a few years thereafter, a supremely special, super-stacked, 100% natural top heavy hottie named Cindy Nelson blew out of California with her slamming 37-E's and into the collective consciousness of big boob lovers the world over. She was here and then she was gone, but she left an indelible, um, make that two, indelible impressions on the minds and memories of boob fans. Cindy only made a handful of movies for companies like Big Top, and also used the name Mindy Farrar, but most of her career was spent modeling for every men's magazine on the planet (and at that time there were a lot of them) and feature dancing.

Cindy once said in an interview that she had had big boobs for as long as she could remember. She grew up fast, and her fluffy bits grew with her, earning her a reputation as fast and loose. "Girls with big breasts get picked on," Cindy insisted. She said as long as she was going to have the reputation of a slut, she may as well get paid to be one.

We'd like to believe her, but judging from those huge hoo-has of hers, we are pretty certain she may have been getting a lot of action porn biz or not.

No matter, that's not what we're here to talk about! What we're here to discuss, in delicious depth, are Cindy's mammoth mammaries. They eventually grew to a respectable E-cup, and there they sat, perky and plump, for the world to see, catching exactly as much attention as such sexy sights often do.

Cindy went on to have a stellar though somewhat brief career in the adult business, earning many accolades and even more fans, and even appeared right here on the pages of JUGGS in March of 1990.

Jeannie Pepper

Photos by Jerome Bischoff

Once upon a time, in a galaxy that existed three decades ago, we set out to find a hot, black babe with an all-natural rack to appear in JUGGS. We put the word out to all of our photographers and talent scouts, and before long, California-based shooter Jerome Bischoff called to tell us he had discovered a drop-dead gorgeous 24-year-old Chicago native who called herself Jeannie Pepper.

Well, it took no time at all to make our decision to have her photographed, and within a few weeks, we had the first set of Miss Pepper ever seen anywhere. Well, boob fans, here is that original set once again, some 29 years later. Check out the sexy Miss Pepper in all her youthful, 37-25-36 glory. Little did we know that several appearances in JUGGS and countless other men's mags, and some 220 XXX hardcore movies later, Miss Pepper would be the first African American woman inducted into the AVN Hall Of Fame in 1997. She was also inducted into the XRCO Hall Of Fame in 2008.

Jeannie was known for her fiery performances and professionalism, and has the respect of the entire adult industry for her pioneering efforts to bring down the invisible racial barriers that existed in porn until very recently. Still quite active, and certainly busy with Internet activities and telling her stories for journalists, Miss Pepper can be found in cyberspace at www.jeanniepepper.com.

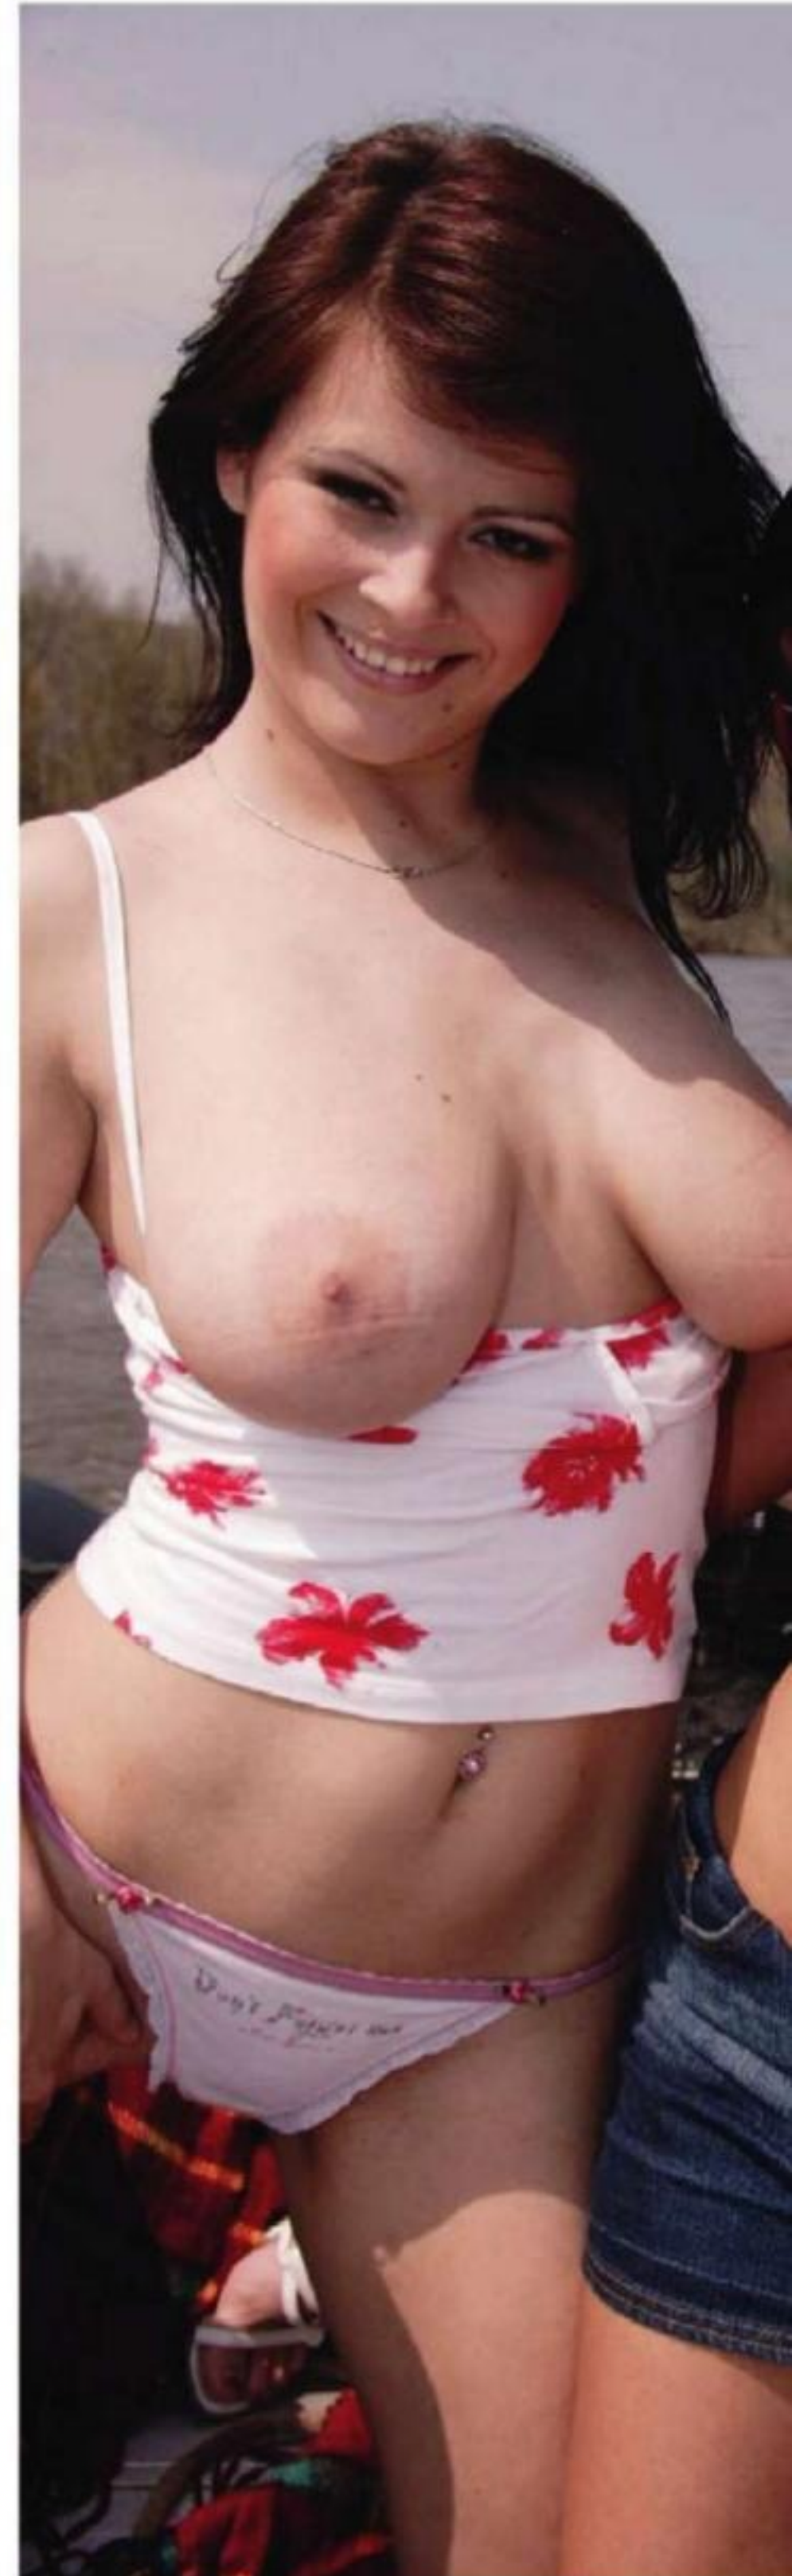

Heather & Laura

Photos by Potorama

Ever watch a porno that's obviously foreign, but then get confused when they start talking? Not that people in porno flicks should be talking at all, but sometimes they do, and if you don't fast-forward through it, isn't it weird when they talk or moan, and you can tell it's dubbed over? Like maybe the people fucking for your pleasure are German, but there's this weird-sounding voiceover of American voices going, "Oh, yeah, give it to me"? Ever wonder who makes their living by doing the voiceovers for foreign porn?

Well, my wanking friends, meet Heather (no sunglasses). Heather works for American voiceover companies as a freelancer, and she gets to do cool things like read audio books and translations, but she also works for porn companies that film in other countries, pretending to be the voice of European porn performers! Weird, right? With her hugely oversized honkers and willingness to pose naked for nudie magazines, you'd think she'd just **MAKE** porn full time, but she says her voice is her greatest asset. We beg to differ — we think her eye-popping, perfectly plump yet pendulous puddings are her finest feature!!!

Anyway, Heather says it's a fun job — she usually views the porn alone at home and records her voice on her own equipment, so the excitement in her voiceover work is genuine. "I love to watch a good German porno on my big, flat screen, so it feels like the people are right there fucking in the room with me! Especially with the orgy scenes, I love pretending I'm getting fucked by a huge Alsatian sausage

while licking some sweet German's snatch! I usually watch the movie a few times through, so when they're talking I can memorize their lip movements and come up with something sexy to say in English. I could probably work for a mainstream dubbing company in Hollywood, but I'd rather stay in the adult business, because this way, I can spend hours alone with each movie, and my vibrator!"

As you can see, Heather enjoys pussy quite a bit, and her friend Laura has a nice one to enjoy! The girls have decided to take a boat ride on a local river today to get down and dirty, and Heather has been known to spend an entire day doing nothing but tweaking Laura's tight nipples, jiggling her juicy jugs, and playing with her puffy pink pussy. One of the perks of Heather's job is that she gets to have sex with any of the ladies she sees on the films she may so desire. "My boss is cool that way. He sends me the girls I see if I like them." Weirdly enough, despite her penchant for foreign films and foreign babes, Heather doesn't like traveling to foreign countries. "I love European girls, but I hate to fly, so I usually arrange for the girl I fancy in a movie to come to America. It's cool, and most of them like visiting here." We bet they do, and on the subject of orgasms.... Says Heather, "I just can't have an intense orgasm unless someone is doing it for me! I've tried lots of things on my own — toys, anal, watching the videos, etc. In the end though, I just like having sex with other people.

CLASSIC JUGGS

Julia Parton

WATERBURY

Photos by Jerome Bischoff

Julia Parton was one of the biggest stars of the early-eighties thru the mid-nineties the porn business ever saw. Before girls like Jenna Jameson, Sasha Grey and Riley Steele crossed over into the mainstream, Julia Parton was well known in the mainstream world. Of course, this was because of her distant family relation to superstar singer and actress Dolly Parton. As much as Dolly hated the fact that Julia revealed her familial bond to her, Julia was way more than just a mind-blowing set of beautiful bazookas. She was one of those ridiculously smart babes who couldn't be satisfied with just one cock, or just one career. Perched atop her truly utopian tits was a brain to be reckoned with.

Aside from her career running a men's magazine, a second full-time career of exhaustive touring and feature dancing, Julia Parton worked as both a submissive and a dominatrix on the side, dominating all the various low-lives who came crawling to her feet to submit to her will. As a domme, Julia liked to wear a black vinyl trenchcoat, eight-inch stiletto boots, and accessorize with plenty of whips and chains. She worked from seven p.m. to one in the morning dominating poor pathetic, spineless souls, or serving as a humble submissive naked and bent to the will of her tormentor. Julia did everything from basic bondage and BDSM to bizarre fetishes involving bubble gum and butt play, but Julia once said that she always loved the feeling of being in a position of power over less exalted forms of life. She also custom-made videos for clients and still found the time to make dozens of porn videos and "Hard R" sex movies for cable television. A very busy busty babe indeed.

At her day job at the men's magazine, she had to steep herself in the day-to-day running of a busy publishing concern, and at night, she had to immerse herself in either dancing on stage at packed stripclubs or the strange psychology of bondage, fetishism, and dealing with the pathetic excuses for higher life forms.

For her layout in JUGGS, we asked Julia Parton if she'd show us a less-dominant side of herself, a less domineering, softer peek into her romantic self. She showed up with a gigantic wardrobe, but we didn't care, as long as she brought her biologically blessed bosoms and her powerhouse pussy, we couldn't complain, and we bet you won't, either — even 29 years later.

Helen & Sappho

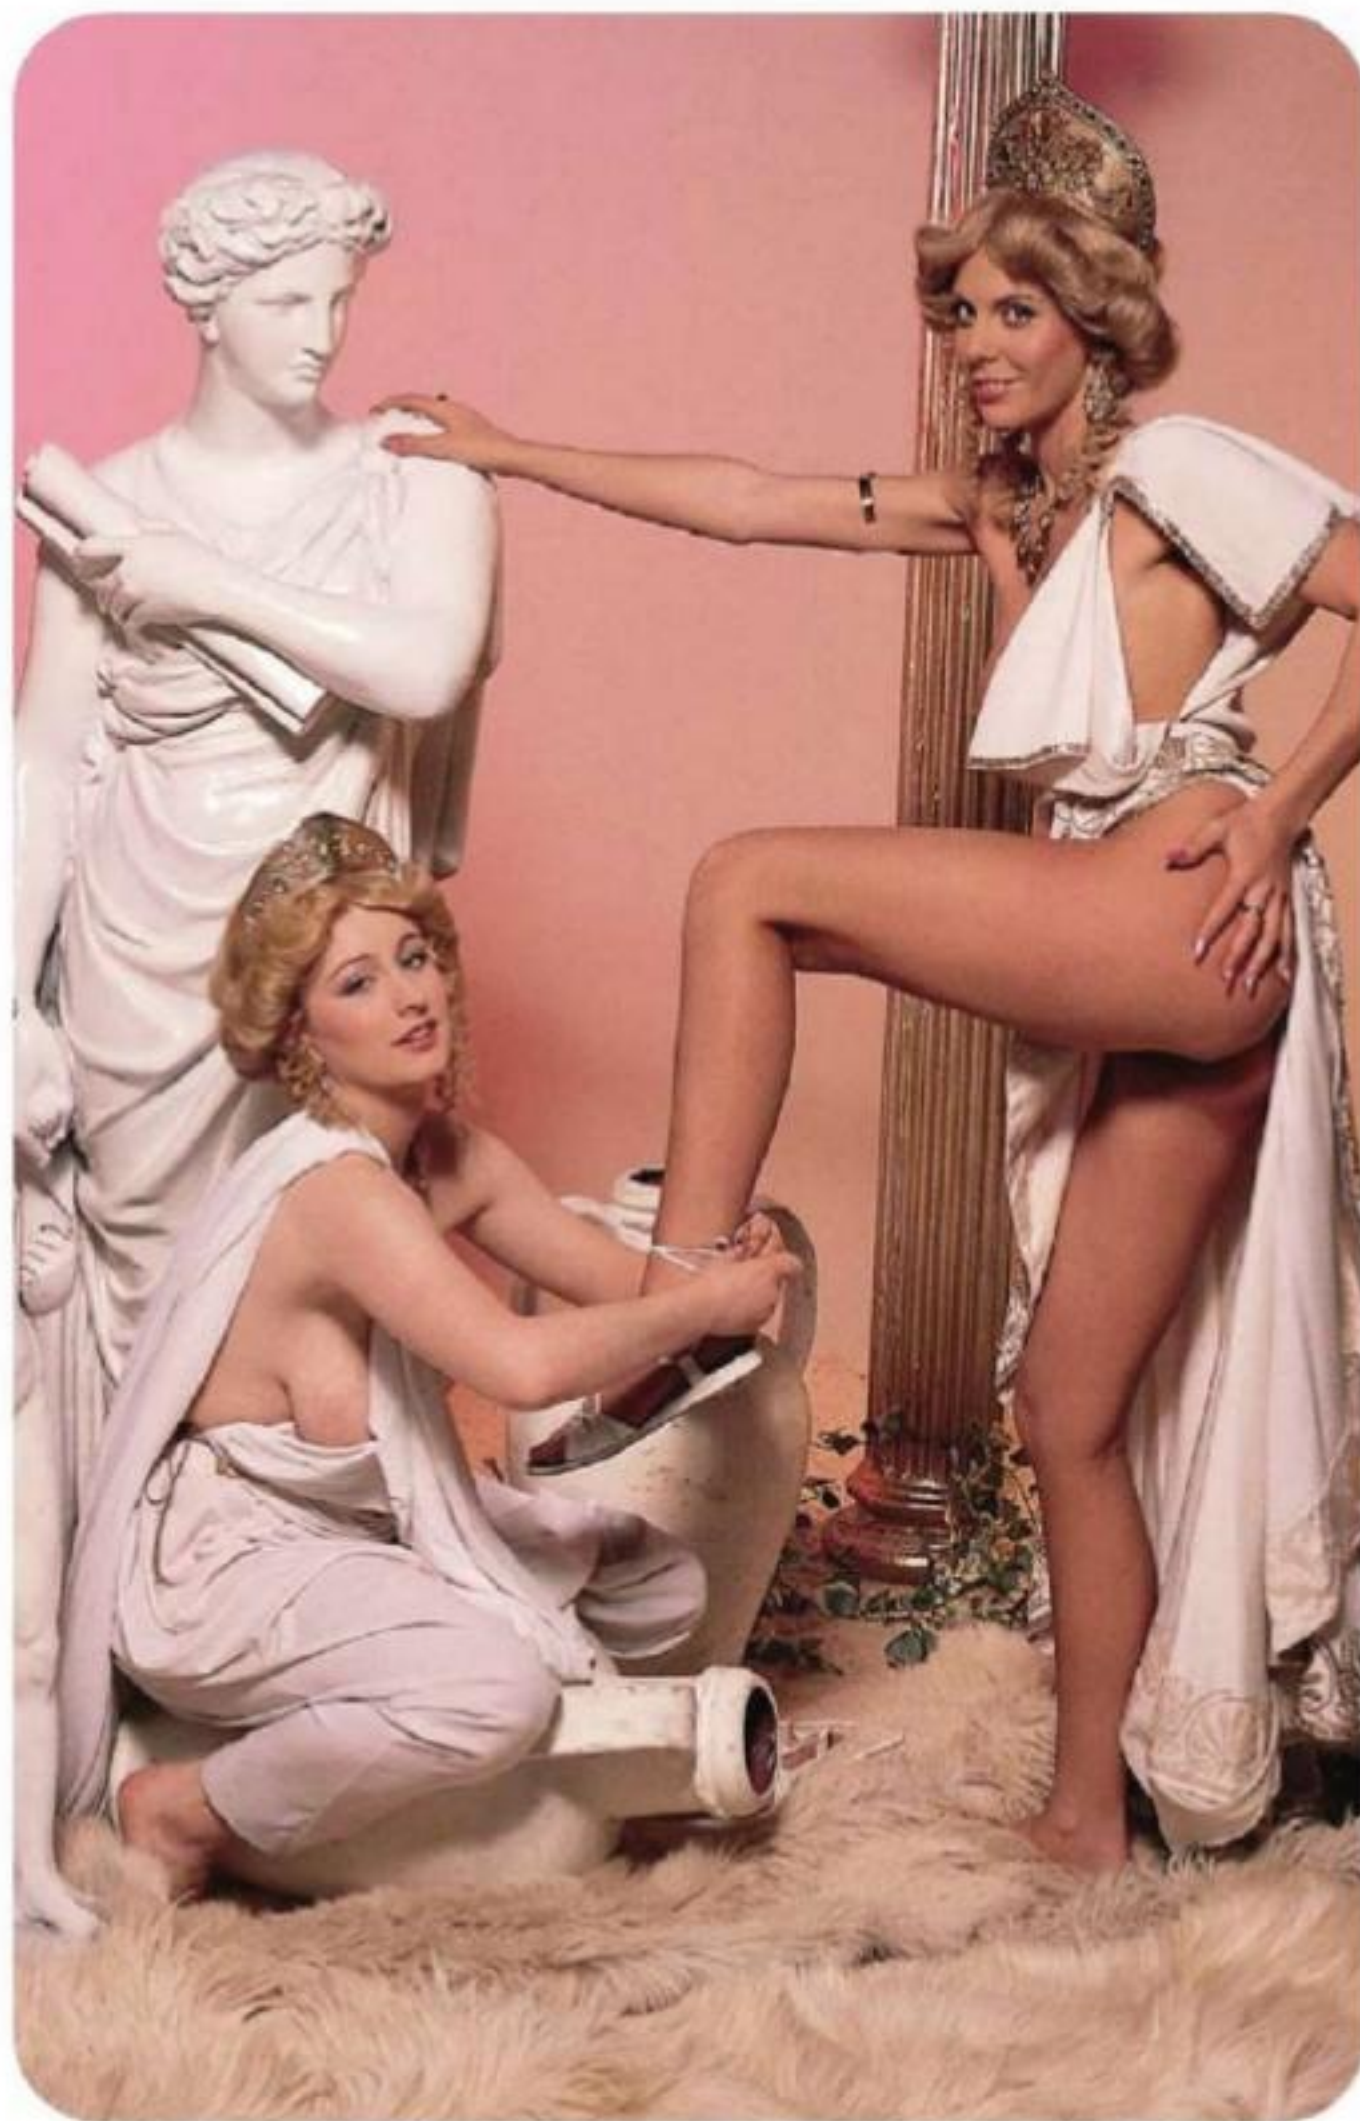

Two thousand years ago on the Greek island of Lesbos, a female poet known as Sappho wrote intimate, detailed poems professing her love for women and the female form. In homage to Sappho, girls who love girls adopted the name "Sapphist" and then later "Lesbian" to describe themselves.

Thirty years ago, JUGGS decided to recreate those carefree ancient times on Lesbos where women clad in diaphanous togas randomly and openly pleasuring each other was the order of the day. In those days, modeling agencies ran ads in newspapers all over the world to find talent, and one of them, located in London, received an inquiry of interest from a woman actually named Sappho. She told the agent that her mother had given her the unusual name, and she had no idea why. Sappho did however have a strong curiosity in having sex with another woman, and was happy to pose for the photo shoot.

Helen, the less busty of the girls, was also hired and period costumes and jewelry were made, and a set was built that included columns and Grecian urns. With the censors being much more strict in those days, we could not depict the girls actually having sex with each other, but during the shoot, both girls got so worked up caressing each other's beautiful, all-natural breasts, they had to shut the production down twice while the girls made love to each other so they could complete the shoot.

In the sex business, it is a fact that performers and models sometime become very turned on, and really, why wouldn't they? They are naked and touching, and working with beautiful, open-minded people who are skilled sexual athletes. In the case of this photo shoot, neither of the models had ever had lesbian sex, but both were very curious about it and had clicked from the moment they met.

While you peruse this classic lay-

out, think about Helen & Sappho's hot lesbian tryst behind the scenes. According to the photographer's notes, the first fuck break occurred after the girls fed each other grapes. Apparently they had been at it for a couple of hours making out and licking each other's boobs, and just couldn't take it anymore. They asked the photographer if they could take a quick break and relieve themselves. He thought they had to use the ladies room, but the relief they needed was not of the bathroom variety. Quickly and passionately kissing and fingerfucking each other, both girls came pretty fast and resumed working. Apparently however, the dyke initiates were not quite satisfied and needed another couple of orgasms. The notes go on to say that the second sex break just happened while the photographer was moving some lights around on the set, and this time, the girls didn't ask for a break. They just went at it, and were soon engaged in a lengthy sixty-nine oral sex session that lasted for nearly an hour. Both girls say they came three times, and the lucky photographer said he even had to rub one out so he could continue working. Ahh, those classic sex-filled photo shoots of the old days certainly are missed!
