Diane Poppo

POPPOS GOES THE WEASEL

Dear JUGGS,

Your June issue of the old favorites was my favorite issue of JUGGS ever! My old crank of a wife Irene stopped having sex with me 20 years ago, and your fine publication is the only thing that keeps me alive...and the only reason I haven't strangled the leathery old coot yet.

I was always a fan of Diane Poppo, and seeing her one more time in all her boobalicious glory made it necessary for me to take a trip to the tool-shed. I use my old tool-shed for a jack shack because Irene doesn't have a key. Well, I did give her "a key," but it won't open that lock. So, anyway, I was working my weasel while looking at the photos of Diane and her legendary knockers, when all of a sudden, somebody started banging on the door. I quickly stuffed my poor soldier back down in my one-piece utility suit, zipped up and opened the door. Turns out, my neighbor had sent his teenaged daughter Ruby over to borrow a pair of pliers.

As I looked for the pliers, Ruby was looking around the room and spotted my JUGGS magazine opened up to Diane Poppo on my worktable. She also saw the hand lotion bottle and the roll of paper towels next to it, and even though she's only 19, she immediately figured out what I was doing. She giggled and blushed, and I was

embarrassed as hell. I said, "Oh well, I may be an old man, but I'm still a man." Well, Ruby giggled again, and said she had caught her dad and her brother punching the clown on several occasions, and didn't think anything was wrong with it. She even told me that she masturbated every day and thought it was perfectly healthy. Wow! These youngsters sure are "progressive" these days. If my mom ever caught me or my brother Shemp beating the bishop, she used to make us wash our hands with pure lye soap, and then she'd batter us senseless with a cast iron fireplace poker.

When I located the wrench, I took it off the wall and handed it to Ruby. She smiled and thanked me. Then, like a bolt out of the clear blue, she asked me if she could watch me finish flogging my log. I didn't know what to say, but I have to admit, I'd had my eye on Ruby for a while now, and she had blossomed into a very beautiful and top-heavy young lady over the past few years. I looked around to see if Irene was outside, and when I saw that she wasn't, I pulled the door of the tool-shed closed and said to Ruby, "You can watch me whack my weasel if you want to, but you have to show me those fine melons of yours while I do it. Surprisingly, Ruby agreed to my terms and pulled her tight-fitting tube top down to expose a magnificent and perky pair of titties the likes of which I had not seen since I was at the "Der Wallen" (the redlight district of Amsterdam) after the war.

My old cob got so hard so fast, I felt like a young man again. Ruby giggled as I pulled it out of my one-piece coveralls, and slathered a bunch of hand lotion on it. She told me it looked really nice and was the biggest one she'd ever seen. She also made me pull my balls out and show them to her, and she complemented them too. I'm sure she was lying, but it still worked! I gave it a few quick tugs and felt the cum immediately start to creep its way up my shaft. Ruby started pinching her nipples really hard with her fingers and then the pliers, and moaning out loud. I just about blew my suds right then, but I held on for a few minutes longer. Ruby then picked up my magazine and

held it by her crotch and turned the pages for me. Looking at Diane's funbags on the page and Ruby's at the same time was more than I could handle and I fired off the biggest load I ever mustered. The cum went flying everywhere, but most of it landed on Ruby's naked tits. She laughed and said, "That was sooo awesome, Henry!" or whatever girls say nowadays. She then swirled her fingertips around in my penis pudding and licked it off with a big smile. I almost blew another load right on the spot!

Well, needless to say, it was the greatest day of my long life, and I have you to thank for it. I gave Ruby the issue of JUGGS with Diane in it and told her that I wouldn't mind regular visits from her out in my old tool shed. She said she would definitely come back again, and that next time, she'd masturbate for me and maybe bring one of her girlfriends along with her. Well, I had to check my pulse to make sure I hadn't actually died and gone to heaven, but no. I'm still alive. Thanks again, guys. JUGGS has given me more than I could ever ask for.

Henry
Midwest City, OK

Dear Henry, Well that's a wonderful story, and you deserve it old-timer. Hey, why don't you tell Ruby you have an "in" with the guys at JUGGS and that we'd like her to pose for a layout? That way, you could accompany her to New York and have her all to yourself for a few days.

TITS ALL GREEK TO ME

Dear JUGGS,

So, part of my recovery requires me to make a routine every day and stick to it, and one of the things I do is to go to my local diner for a cup of broth and a gyro every day. There's this hot girl who works there, and she has the GREATEST FUCKING TITS I ever saw. She's Greek and about 25 years old, and her boobs are 38-DD if they're an inch. I can't look at any other tits since I met her, but when I looked at Diane Poppo in last month's JUGGS, it all became clear to me: Greeks have the best tits on earth! That's all there is to it! You will

never convince me otherwise. In fact, I've decided to only talk to Greek girls for the rest of my life, and I would appreciate it if you only used Greek models in JUGGS from now on. Thank you in advance.

Latch
Hoboken, NJ

Dear Latch, Sounds like your recovery is really going well. Good luck, and we'll get right on your request.

CRYSTAL METHOD

Dear JUGGS,

I FUCKING LOVE Crystal Storm, and I want her phone number!!!! I think I'm perfect for her, and I fucking know she's perfect for me. Thank you for putting her in JUGGS last month. I don't care what it takes to get what I want, so please take me seriously. I have lots of money and will pay whatever you ask for the information I need.

Latch
Hoboken, NJ

Dear Latch, Uh, we're a little confused here buddy. In your other letter to us this month (see above), you mentioned you only wanted Greek girls from now on. What gives? Are those meds they gave you at the V.A. hospital the right ones?

DOUBLE KELLY IS DOUBLE GOOD

Dear JUGGS,

Goddamnit! You guys just keep doing everything right! So, to summarize, not only did we get a classic issue of all my favorite girls from way back when like Diane Poppo and Nikki Lynn and Crystal Storm, we also got a brand new Kelly column and a vintage Kelly layout that made me jack my jimmy until I was cross-eyed. You guys fucking RULE!!!!

Barack
Washington, DC

Dear Barack, You rule too—literally.

IN LIKE LYNN

Dear JUGGS,

Great to see Nikki Lynn on your pages last month. It's issues like your June issue that reminds me just how hot the pornographic stars of yesteryear were. I am an avid consumer of pornographic material, but I am not a fan of too many of today's porn stars. I do like Gianna Michaels and Kelly Madison, but even they are a bit older than most of the rest of them, the young ones. Before you think I'm some desperate old fart trying to re-live his glory days in the early 1990's, let me state for the record that I'm 23-years-old. I have a vivacious and charming girlfriend who kind of resembles television star Veronica Hamel, and I'm totally aware of who the various pop culture icons are: Valerie Bertinelli and Rick James. Anyway, thanks for a terrifically satisfying issue, and if you have more photos of Nikki Lynn, please use them post haste.

Irving
Prescott, AZ

Dear Irving, We thank you for your compliments and continued support, but we ain't buying that you're 23-years-old for a New York minute. Relax bud, nobody's judging here.

THE WHOLE TRUTH

WELL, HERE WE ARE IN JULY FEELING ALL PATRIOTIC AND NOSTALGIC ABOUT BEING IN THE GREATEST COUNTRY THAT EVER EXISTED, AND IT GOT ME TO THINKING ABOUT HISTORY AND STUFF. ANYWAY, YOU KNOW HOW THE MIND TENDS TO WANDER, AND PRETTY SOON, I WAS THINKING ABOUT ALL THOSE OLD SAYINGS MY GRANDMOTHER USED TO QUOTE WHEN SHE WAS TRYING TO TEACH ME LIFE LESSONS AND STUFF. THERE'S A LOT OF TRUTH AND WISDOM IN THOSE OLD SAYINGS, AND I SUPPOSE THAT'S WHY THEY'VE BEEN AROUND AS LONG AS THEY HAVE, BUT THERE IS ONE THAT I JUST LOVE MORE THAN ANY OF THEM AND THAT'S: "THE WHOLE IS GREATER THAN THE SUM OF ITS PARTS." DO YOU GUYS BELIEVE THAT'S TRUE? WELL, I CERTAINLY DO, AND EVEN THOUGH JUGGS DOES FOCUS A BIT MORE ON ONE PART OF A WOMAN'S ANATOMY, I WANT TO PROVE THE TRUTH OF THAT OLD SAYING TO YOU. SO, I MADE SURE THAT I HAD MY BEST PARTS PHOTOGRAPHED NICE AND CLOSE UP, AND THEN THE WHOLE PACKAGE PHOTOGRAPHED AT A REGULAR DISTANCE. WHY DID I DO THIS, AND WHAT'S MY POINT? WELL, BECAUSE I THINK I'M THE "WHOLE" PACKAGE.

IT IS TRUE THAT MY TITS ARE GREAT! THEY'RE REAL AND THEY'RE BIG, AND THEY ARE SOFT TO THE TOUCH AND TASTY TO THE TONGUE. I HAVE MADE MY ENTIRE LIVELIHOOD SHOWING THEM OFF BECAUSE THEY'RE SO FUCKING BRILLIANT, AND I HAVE BEEN TRULY BLESSED AND AM GRATEFUL FOR THAT. BUT THERE IS A LOT MORE TO ME THAN JUST A BANGING SET OF FUNBAGS. BY THE WAY, SOME GUY JUST FINISHED BANGING MY FUNBAGS AND TOLD ME THEY ARE THE FINEST HE'S EVER FUCKED, BUT I DIGRESS.

I HAVE A GOOD HEAD ON MY SHOULDERS AND A PRETTY FACE TOO, OR SO I'VE BEEN TOLD, AND MY PUSSY IS AS HONEYMOON TIGHT AND CLEAN AND DELICIOUS AS IT WAS WHEN I WAS A VIRGIN. JUST THE OTHER DAY, ONE OF MY GIRLFRIENDS WAS MUNCHING MY MUFFIN ALL AFTERNOON, AND AFTER GIVING ME ABOUT SIX SUPER HOT, SUPER WET ORGASMS, I SAID TO HER, "OKAY BABY, TIME TO STOP. I ACTUALLY DO HAVE TO GET SOME OTHER THINGS DONE TODAY." WELL, SHE JUST LOOKED UP AT ME ALL SAD-EYED AND SAID, "BUT KELLY, I WANT TO SPEND AS MUCH TIME AS I CAN

WITH YOUR BEAUTIFUL PUSSY. I AM ONLY GOING TO LIVE ONE TIME, AND IT'S SIMPLY THE BEST TASTING AND MOST BEAUTIFUL THING I HAVE EVER SEEN, OR HAD THE PLEASURE OF PUTTING INTO MY MOUTH." WELL, I THOUGHT THAT WAS SWEET OF HER, SO I LET HER GET ME OFF A COUPLE OF MORE TIMES BEFORE I KICKED HER OUT, BUT I DID SPANK THE HELL OUT OF HER 20-YEAR-OLD ASS WITH A RIDING CROP FOR MAKING ME MISS MY MANICURE APPOINTMENT, BUT AGAIN, I DIGRESS.

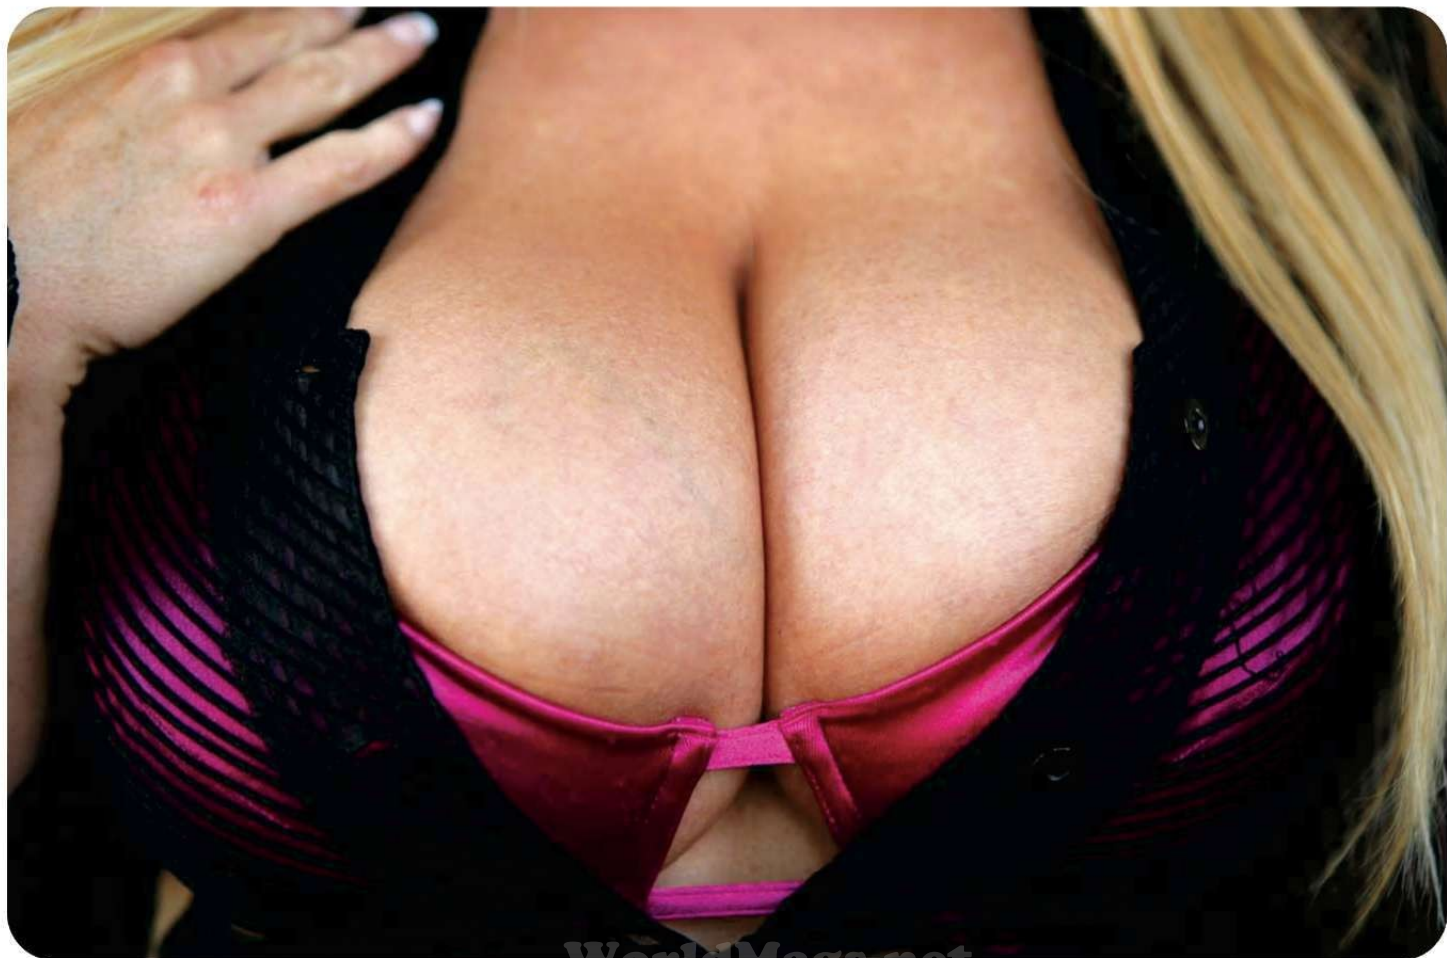

LATER THAT EVENING, ONE OF MY MALE PLAYTHINGS CAME OVER, AND HE WAS JUST DEAD SET ON FUCKING MY ASS, AND WOULD NOT TAKE "NO" FOR AN ANSWER. I'M USUALLY NOT INTO THAT, BUT HE DID BUY ME A PORSCHE EARLIER THIS YEAR, SO.... ANYWAY, AS HE WAS HAMMERING AWAY AT MY LITTLE CHOCOLATE STARFISH, HE KEPT GRUNTING "I LOVE FUCKING YOUR ASS!" OVER AND OVER AND OVER. WELL, HE FINALLY CAME, AND JUST BECAUSE HE HAD SAID THOSE KIND WORDS TO ME IN THE HEAT OF PASSION, I TURNED OVER REAL FAST AND TOOK HIS ENTIRE LOAD IN MY MOUTH AND SWALLOWED IT ALL DOWN. HE WAS JUST AS THRILLED AS HE COULD BE, AND THE NEXT DAY, TWO FIRST-CLASS TICKETS TO FIJI MYSTERIOUSLY APPEARED IN MY MAILBOX.

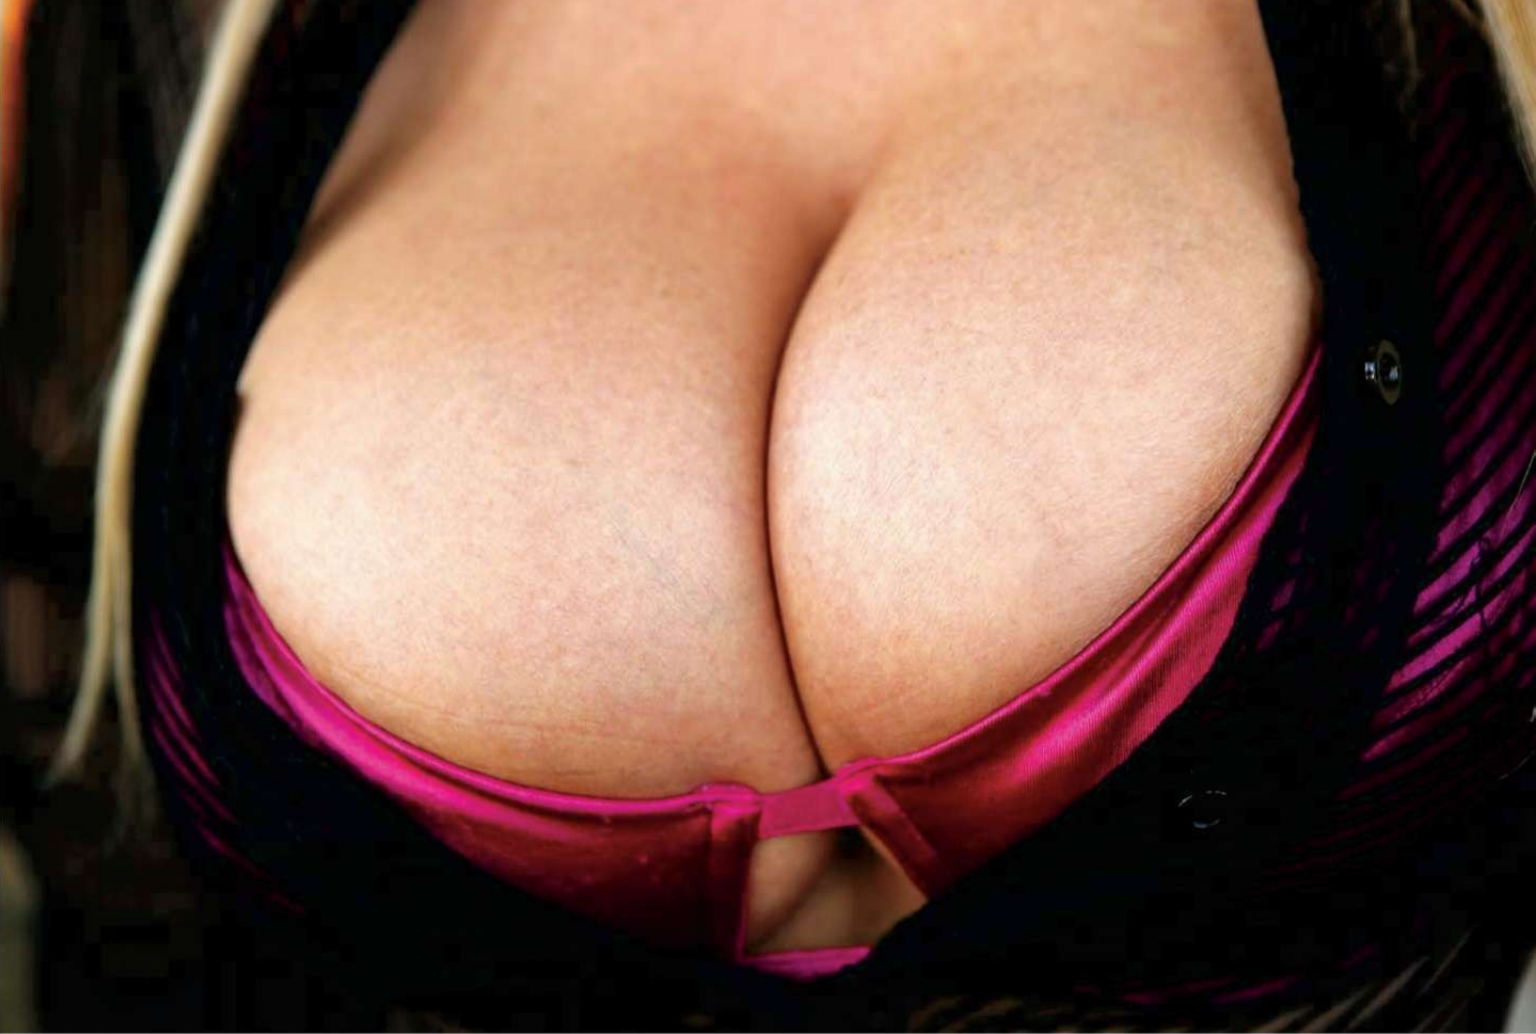

THERE YOU HAVE IT. PROOF TO MY POINT THAT "THE WHOLE IS GREATER THAN THE SUM OF ITS PARTS!" EVERY PERSON THAT DIDDLED ME THAT DAY HAD SOMETHING NICE TO SAY ABOUT ALL OF MY PARTS! AND THAT'S THE HOLE, ER, WHOLE STORY!!!

IF YOU WANT TO CUM WITH ME, BE SURE TO CHECK OUT MY OTHER DIRTY THOUGHTS, SEXY STORIES, AND FILTHY PHOTOS AND VIDEOS ON MY PERSONAL WEBSITE: WWW.KELLY-MADISON.COM! AND DON'T FORGET TO CELEBRATE AMERICA'S 234TH BIRTHDAY WITH ME THIS MONTH! THERE'S NO GREATER COUNTRY IN THE WHOLE WORLD!

I'M ALWAYS HERE FOR YOU 24/7 VIA E-MAIL AT KELLY@KELLYMADISON.COM, SO DON'T HESITATE TO TELL ME WHAT MAKES YOU CUM...

Natalie

Natalie always wanted to be a news correspondent for her local network affiliate. She used to practice her best non-accented English in front of the mirror, spray her hair into immovable configurations, plaster on layers and layers of cover-up, and talk into a hairbrush, updating friends and family on the latest goings-on in her home in Missouri. She studied media and communications in college and took some acting classes on the side to help her learn to enunciate and move on camera. When she was introduced to people she would stick out her hand and say, "This is Natalie Knockers, reporting live from right in front of you." It was ridiculous, but she was dedicated to being the hottest thing to hit the six o'clock news since wildfire reports.

With a pair of headline-worthy honkers like the ones you see here, Natalie seemed like a shoe-in for a studio spot, but when it came time to enter the job market, Natalie discovered that correspondent spots are hard to get, no matter how cute your cushions or how sweet your smile. It took months of searching, but she finally landed an on-location correspondent spot on the morning show for a tiny Nebraskan CBS station. Thrilled to have her chance, Natalie got right to business and reported her heart out on everything from tornadoes to escaped cattle. But unfortunately, Natalie's oversized power-suit stretchers, once her greatest asset, landed her in a whole heap of headline-making trouble.

It seems not to make sense, right? Who wouldn't appreciate some breaking news from those bosoms to accompany their Folgers in the morning? Natalie's knobs are exactly what we'd like to see on the tube first thing after waking up! As a matter of fact, most Nebraskans agreed with us. Those big boobies looked so beautiful that the morning news ratings tripled (along with the quantity of morning wood popped in the city) in just over a month as more lonely farmers tuned in to get a titillating taste of Natalie's news-worthy knockers. But it soon became apparent that her hugely popular hooters also caused problems with her body mic, which was not a good thing for an on-the-move reporter out in the field. The cords got caught in her incredible cleavage and tangled up in her under-wire, muffling her voice as she tried to describe the horror of a hay-pile fire and the terror of the local chickens.

The station got her a hand-held mic to rectify the problem, but the sight of her with a long stick held up between her mouth and monstrous mammaries got the camera crew all riled up, and soon enough Natalie was making headlines for getting caught in a camera and crew gangbang in the news van during a long stake-out! Needless to say, having made such fantastic fodder for the rival news crews' prime-time stories, Natalie lost her job.

Now she does a different kind of hand-held mic performance with a vibrator of her choosing, but she still gets to be on camera in tons of makeup.

Fiona

Photos by Michael Bargo

Fiona is tops at a top American finance company. We can't tell you which one for fear of being sued into oblivion, but trust us, it's a big one, and Fiona and her big ones are some of its most valued possessions. Fiona spends her days analyzing market trends, deciphering almost imperceptible shifts and patterns in the way money moves, and trading, buying, and selling stocks when appropriate. She predicted the crash of October 2008 and has been able to preemptively buy and sell before every major upswing and downturn since. She's been trained at some of the country's best schools of economics and has worked at some of the top finance companies in the world, and is coveted by them all these days. She can spot a shift in investor attitude from a mile away, and she's been offered salaries that would make your head spin for her services.

Fiona tells us her success is based largely on a system she's devised using astrological signals and her own woman's intuition, with a slight nod to her schooling. We'd call bullshit if it weren't for the obvious fact that Fiona is one hell of a woman, and she might therefore have one hell of an intuition to match. She's definitely got one hell of a set of business barometers to help her along, too.

But the thing is that despite her financial acumen, at the end of the day Fiona is bored to tears by talk of bear mar-

kets and banking bullshit, and she doesn't give one flying fuck about the world economy. Fiona is one wildly horny Wall Street wonder woman, and her enormous knobs have helped her stay in business through all the rough times just as much as her knack for knowing what's about to happen when the markets open. When those markets close, she's on the prowl for a scrap of capital stock, and it doesn't matter to her if it belongs to a bartender or her biggest boss, so long as it's willing to delve deeply into her dirtiest dividends. Rumor has it she's been known to take both an analyst and a busboy home some nights so she can get a double-bottom in her bottom during a bad bear market. We've heard she'll also take a double-top on her titties when the market is bullish. All things considered, Fiona is one hell of a flexible financier, willing to take or give almost anything at market price or to straddle the put and the call when it comes down to it.

In case you hadn't guessed from our random flinging about of financial terms, we here at JUGGS don't know jack about finance or the stock market. But we sure enjoyed taking notes on Fiona's stories about fucking financiers who couldn't keep their hands off of her fabulous funbags after hours. We hope you'll enjoy imagining her busting out of her business suit and bust a nut all over her bear market bosoms, too.

From deep within the bizarre bowels of the dog breeding, training, and showing world, where bloodlines are pure, inbreeding common, and grooming of the utmost importance, a new breed of buxom beauty has emerged. Her name is Donna, and she's sporting a pair of purebred pups the likes of which are rarely seen in the dog world. Donna started out as a groom in low-level shows, but then she met a Maltese with a heart of gold and bloodline to match she went into breeding, training, and showing. After years of hard work, Donna ended up with some award-winning pooches and was showing on some of the most prestigious dog show circuits in the world.

Donna's dogs were near the top of the pile for years, since she kept them in peak condition and bred with only the finest specimens. And Donna developed deep, committed relationships with them, as well, treating them not like people (no stupid booties or solid gold food dishes or anything), but like "friends of the canine persuasion," as she tells us. She got so in tune with her show dogs that she feared she would eventually become one of those sad old dog ladies who look exactly like the breed they've become so involved with. In Donna's case, given her penchant for Maltese mutts, she'd have turned into an adorable, black nosed, very perky looking, luxuriously white-haired old lady, which we guess isn't as bad as, say, becoming an Old English bulldog biddy.

But, rather than wasting away into obscurity with her

woofing companions, Donna's destiny took a strange turn when her formerly average breasts began to grow unexpectedly in her early thirties. It happened so gradually that nobody really noticed for a while, until one of the big annual shows rolled around and suddenly the judges could not keep their eyes on the puppies because they were so distracted by the pooches on Donna's chest. Even though most of the judges were gay men, the bounteous beauty of Donna's burgeoning bosoms was too tantalizing to be ignored. Donna's dogs (and her dum-dums) won first prize in their breed, class, and the entire show. And they won at the next show. And the next show. And the next.

It was only after winning ten consecutive shows that Donna realized it wasn't her four-legged friends that were the award-winners, but the duo of dangling doggies on her chest that were getting the attention. She'd noticed her bras were fitting tighter and her cleavage was getting lots of stares, so she measured herself and discovered that she'd gone up three cup sizes to a double E in just a few months! Her pair of pleasure pups now outweighed her prize-winning pooches.

So, being a practical woman, Donna figured that she might as well stop showing her dogs and start showing her puppy chow. She's still got two of her favorite Maltese mutts at home, but she's quit the dog show circuit entirely in favor of the far sexier titty-mag tour. It's just as lucrative, and there's a lot less poop scooping to deal with.

Anita Queen

Anita here loves showing off, so she's made her way into an industry that pays her to do just that, in the way she's always wanted to be seen: beautiful, glamorous, sexy, and sweet. She thought she would be treated like the princess she is when she went into her first line of work as a stage actress, but she's forsaken that career for porn for the last six years because, as she says, the theater industry "couldn't handle her tits."

We thought she was referring to the famed legions of homosexual men we've always heard run the theatre industry. After all, Anita's fat honey cups would be a lot for even us worshipers of womanly wonders here at JUGGS to handle gracefully, so what would a bunch of gay guys do with them? We thought maybe Anita's "gaydar" just wasn't very finely tuned and she'd spent some time backstage barking up very wrong boner trees.

But it turns out she wasn't referring to the gay people within the industry, but to the theatre industry as a whole. Because of her oversized bodice-busters, Anita has never had the slender body type that directors and audiences expect on Broadway. She's got a incredibly curvy body, but she could never fit into the size 2 costumes leading ladies are supposed to wear. Basically, because of her large lady parts, she was never able to land the large leading parts she deserved.

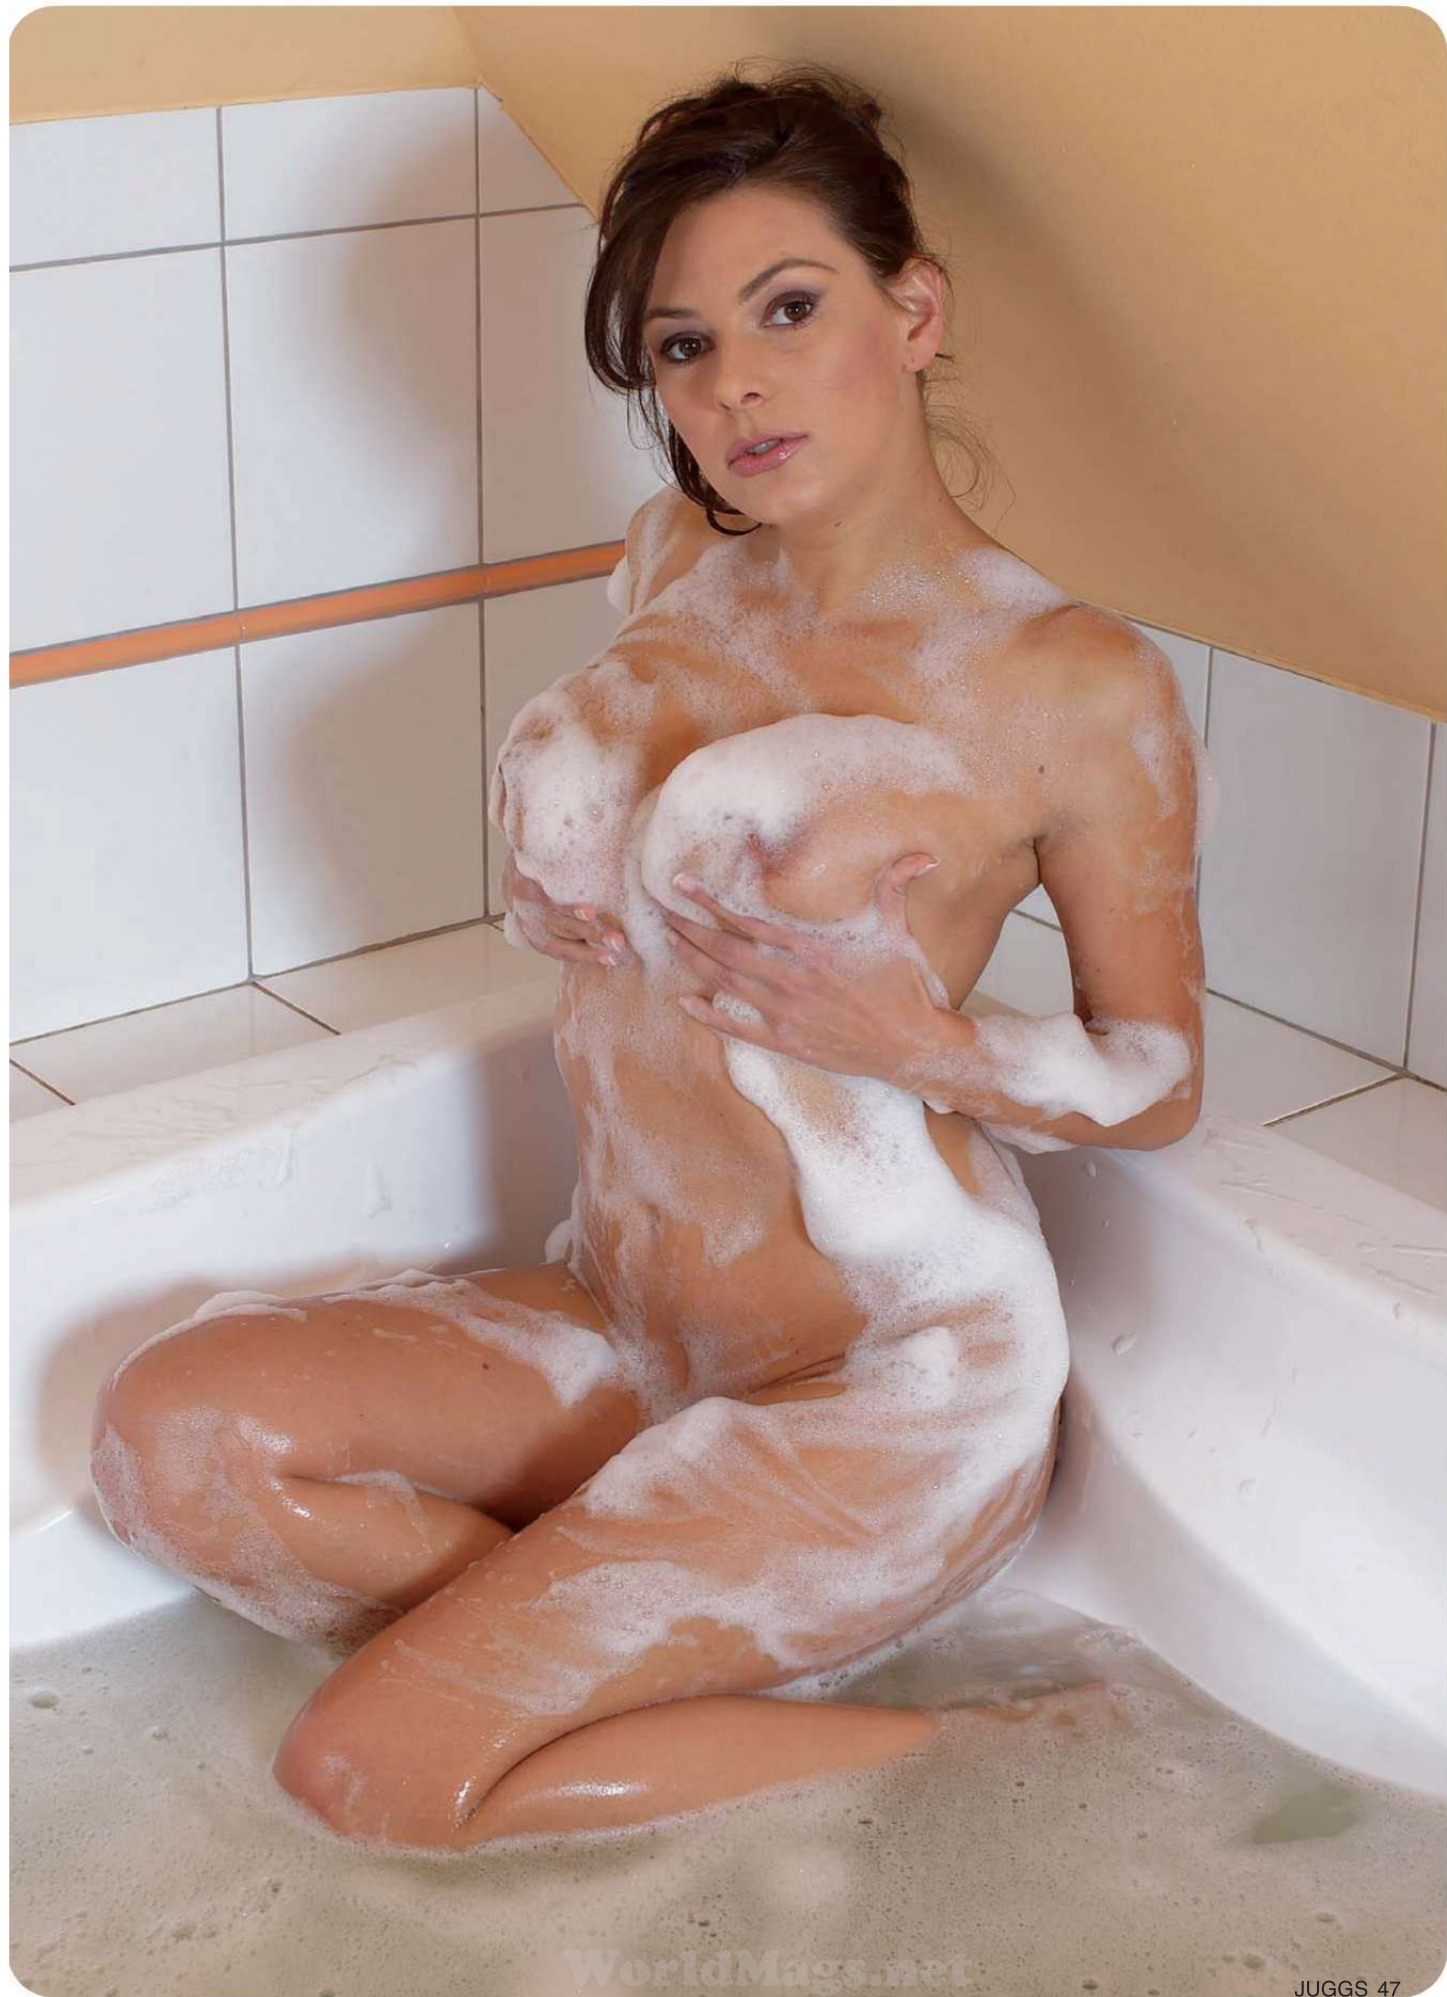

Anita really did deserve them. She trained as an actress from an early age, took stagecraft, voice, and singing lessons, and was one of the best dancers any of her instructors had ever seen. Even with her massive mounds, Anita was able to learn and perfect choreography better than most of her competition, and, as is often the case with big-breasted beauties, her singing voice was all the stronger because of the extra weight her lungs have to deal with. In short, she had everything a leading lady should—but she had too much extra padding.

Instead of playing leads, Anita kept finding herself stuck playing bit parts like "Frumpy Friend #2" and "Big Barmaid." Now, we see how the giant jubbies can give the impression of "big," but frumpy? How the hell could anyone look at this sexpot and think, "frumpy"? It's obvious all those rumors we've heard about gay men in theatre are true: no straight dude would ever think Anita was anything but outlandishly hot.

Personally, we think this casting situation is an outrage. I mean, how in the hell do stage producers expect to get the straight male crowd into their productions if they won't cast chicks with big boobs? Hell, if we knew we could expect to see these puppies bouncing up and down during the dance numbers, we'd be buying up tickets to Mary Goddamn Poppins!

But then again, we can't be too upset about it. After all, if she'd gotten all the parts she wanted on stage, she wouldn't be making porn flicks and showing off her pretty parts in JUGGS.

Precious

Photos by Photorama

When we heard about Precious, we knew we had to find her to see for ourselves. Born and raised in the city of Brotherly Love, Precious is a true Philly girl. She's been at every home game for the past two Phillies' World Series, she's a Temple grad, she's got that weird Stallone accent, she despises New Jersey, and best of all, she loves, adores, worships, and lusts after—Philly cheesesteaks. Almost any night in Philly you can cruise by Pat's down on Wharton and Passyunk and see Precious wolfing down a mouthwatering sandwich and a giant Coke.

You'd never think it to look at her. She's got a perfectly plump pair of pleasure pillows, of course, and her ass isn't lacking in the ampleness department, either, but Precious is a slim slip of a sex kitten if we've ever seen one besides all that. Nobody would look at her and think she packs away an average of two cheesesteaks a day. But she swears she does, and sometimes fits far more into her tight little tummy. Piled high with onions, peppers, and Cheese Whiz, as many as four cheesesteaks sometimes go down her gorgeous gullet in the course of a day, much like the arm-sized dildo she tells us she keeps in her bedroom.

It seems that Precious has a remarkable ability to fill herself up with big cylinders of pleasure, from immense cuts of cock to over-sized sloppy slabs of beef covered in cheese, without ballooning up her butt. Her many years of pigging out on Philly's most famous and fattening sandwich haven't added any ham to her hocks at all. It's bizarre. She's like the famous, nonfattening Philadelphia cheesesteak-taker, a mystery for her astonishing svelteness despite her mammoth fried meat intake. She tells us a few of the local universities have sent biology students over to take a look at her, and that she's often sent some of the baby-faced boys home with an education in the biology of boning. But they've never figured out how she stays so fit despite her daily fat ingestion, which is estimated at about three times the recommended amount!

A few eminent Philly physicians proposed that there had to be some other effect from her constant cheese steak intake that simply hadn't been discovered yet. The sandwiches, they said, had to be settling somewhere, but nobody figured out where until Precious started doing some nude modeling. The case was solved instantly when she bent over to reveal a mish-mash of meaty lips lusciously lathered with delicious-looking wetness—it was as if a Philly cheesesteak had sprouted between Precious's legs! All those Cheese Whiz-smothered beefy sandwiches had ended up turning her whiz-bang box into a smorgasbord of beef that we'd love to cover in our homemade brand of whiz. So we asked Precious to come pose for JUGGS to give us the opportunity by spreading her perfectly toasted buns and show off her Philly sweet steak sandwich for our readers to finish off with toppings of their choice.

Annie

For some reason, most people don't find the idea of being a car mechanic very exciting. There's something about the word itself, "mechanic," that sounds technical, boring, even scientific. It's like being an artist without the artistry or something. Some of us here at JUGGS used to feel the same way, but that was before we met Annie. Needless to say, she got our attention right away with those lady lumps of hers.

It seems that Annie also fixes all kinds of things for various clients including tractors, trucks and even airplanes. She's been fixing things for years, but lately Annie has gotten kind of sick of the same old thing and started doing some work for the "adult" business. After a few small jobs, she landed her first gig for an online video. That single two-minute movie sent shock waves through the porn community and made Annie a star in no time. Annie had done something remarkable, crossed over from the working world to the glamorous world of porn. You've probably guessed it already—Annie is a bouncing boob specialist. She has somehow managed to recreate the glory of a jiggling bosom, from the frantic flopping of a naked nubbin at a full sprint to the gentle joggle of jujube at a slow walk, and from the bouncing of a breast as its owner rides a rock-hard cock to the soft, slow heave of its heft as she

sighs. Annie's got everything going on.

She swears up and down that she'll never reveal her secrets (we wouldn't either, if we were raking in millions on the Internet), but she has no problem revealing her rack! And anyway, we think it's pretty easy to figure out why she's so good at her wank-worthy work: Annie's bosoms are like the Platonic Ideal of jiggly, juicy, Utopian boobness. All she has to do is stand in front of a camera, perform whatever she's asked to do. Not that that's easy or anything, but she's got the perfect live models to work from with her all the time.

We know these are still shots, so you stroke-happy slobbers at home can't see the splendor of Annie's melons on the move, but let us tell you: they are spectacularly squishy, divinely dangly, beautifully bouncy, and as sweet strawberry Jell-O molds. And, weighing in at seven pounds each, Annie's nubbins are enough to animate any man's member.

Jessie Lee

Jessie the juggler is really good with her hands. Always has been. Ambidextrous and multi-talented, she has distinguished herself as a championship basketball and volleyball player, a master of cat's cradle, an accomplished card-counter, a proficient stage magician, an award-winning artist, a renowned piano and violin player, a lightning-quick typist, and an excellent hand-job giver. But all she ever really wanted to do was juggle. She'd always been intrigued by juggling acts at fairs and circuses, and she knew that with her strong, skilled hands she could probably do it herself, so while racking up all kinds of awards and skills in other areas, she taught herself to juggle as a hobby.

She started out with the typical handkerchiefs, tennis balls, etc, and worked her way up to clubs, torches, and then small animals. (No, seriously, she juggled her gerbils. And no, that's not a sexual innuendo. She had gerbils, and she juggled them. They're small and fit nicely into the palm of the hand, after all.) But what she became known for was a jaw-dropping juggle she taught herself where she twirls up to four small objects in one hand while juggling three to five things with her other hand. It's an incredible feat of finger magic, and Jessie earned a reputation for it. She performed at fairs, carnivals, and cabarets, with traveling shows, and even with a troupe of similarly skilled finger friends, who called themselves "The Junk-Juggling Jokers."

Jessie Lee's incredible skill won her legions of fans, and her fantastic set of funbags won her even more. But it was Jessie's use of her finger skills in her private life that got her to the level of stardom she's achieved today. She started dating a contortionist she knew from the circus world, who happened to be into gangbangs and orgies. (Yeah, I guess everything you've heard about circus people is true... I wonder if they have the contortionists appear at those parties...) When her new beau saw her stage act and serious skill with her hands, he immediately started thinking about all the things those hands could do in a group sex situation: everything at once!

Needless to say, he knew she would be a big hit with the big-group crowd, so he took her to her first orgy a few weeks later. As it turned out, Jessie loved it. She was the hit of the party. She proved that she could not only turn on everyone in the room by just flashing her pair of crowd-pleasing pillows, but she could also deliver on her potential by "juggling" four or five people at once. We tried to get her into a photo set with six other people to see how this works, but with her circus and now underground sex work schedule as busy as it is, we couldn't get enough people together in time, and we knew that we had to get her titanic tits on film. So, we hope the sight of these mammoth mammaries combined with the idea of some of her famous fine-tuned finger tricks could do to your dangly bits is good enough to get you going.
