BACKSTAGE BOOBS

Two talented tit-lickers make love!

BACKSTAGE BOOBS

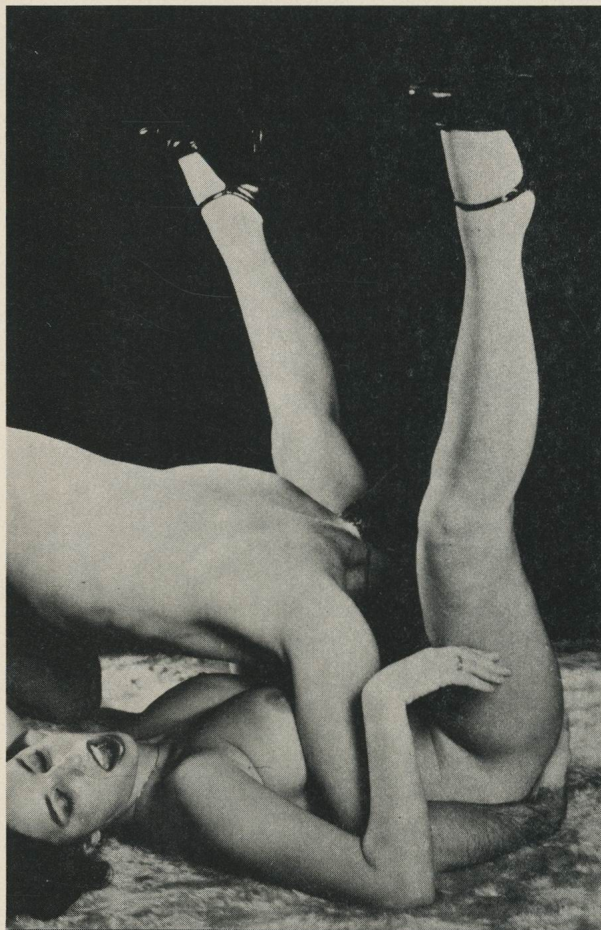

A photograph of a man and a woman in a close, intimate pose. The woman is lying back, her head tilted towards the man who is leaning over her. She is unclothed, and her breasts are visible. The man's hands are placed on her breasts and pubic area. The background is dark and out of focus.

BACKSTAGE BOOBS

He's a fast worker
who squeezes hard.

Squeeze them titties and squirm. Up and down in a passionate embrace. What an athletic pair. Why did she keep her shoes on? Because she's on stage!

BACKSTAGE BOOBS

The gal's got talent and quite a firm body. She loves being hugged. She loves it sitting. She loves it standing. And her ass is as pretty as her paps.

BACKSTAGE BOOBS

His mouth is hungry for her nipples and her asshole. But his finger only loves to squeeze and pinch her boobs and her nipples. Her nipples are wet with his saliva and then they are tortured to delight between his fingertips. Such is tit-love on stage.

BACKSTAGE BOOBS

Look at the ecstasy on her face as she opens her wet cunt lips as wide as we like and pulls roughly on her own breasts for our special enjoyment. She just can't get enough breast manipulation it seems. And look how nicely he pulled down and squeezed hard on her tits for her as she straddled his naked body. But it just wasn't enough pleasure for her and she had to do it to herself to get complete satisfaction.

Driven Crazy

You have been my favorite porno star for 10 years and still going on in the years to come! You have been driving me crazy with your 50E buxoms as well as your totally true beauty. In JUGGS magazine you replied to one guy on the subject of older women and younger men! You told him that there's nothing wrong with it, but do you really mean it? If you do, I wanted you to know that I feel the same way, too. You give me a cumming sensation.

Jeff

First off, thank you for the beautiful letter. I will keep it in my memory box. Yes, I really mean it. I do think younger men and older women go

great together. The younger men turn the older women on and make them sexually excited and the young men love all the attention.

P.S. I was born April 12; I'm not telling what year.

Blushing Little Boy

I recently bought a copy of JUGGS

and discovered you. Oh, Candy, the effect you had on me was tremendous and as I like to dress up, I was soon lying on my bed with a silky peach bra [40D], using mere water balloons with warm water in them as very lacking substitutes for your lovely breasts, red and black lace crotchless undies, opera hose and garter belt, also peach. A sheer baby doll nightie to add effect and then, Mistress Candy, may I call you so, your embarrassed, blushing little boy so cute and girlish in all of my things plays with himself and imagines you there teasing and taunting while you slowly stroke your breasts and ever so gently you let me tongue and suck on them as you stroke my silky things and urge your little baby boy to play with

Don't miss the next exciting CANDY'S COLUMN which will feature an erotic essay on mammary masturbation, and the joys of breast sex done in front of mirrors.

himself until we are both so excited we make love to each other.

I know you have a lot of guys ask you for personal letters, so if you can't return one, OK. But know that out here in Ohio there's a cute little boy who'd love to hear from you about my fantasy. So, Mommy Samples, will you help a little dressed up boy to fulfill his fantasy with a personal letter from his mommy? I'd love to get a call collect, of course. I know that's asking too much.

Michael

Yes, you may call me "Mistress Candy."

Peach is my favorite color and it sounds like it's yours too. I've only known one man that liked to dress up like you and all I can say is, I like the feel of silk and satin next to my skin so why shouldn't you?

Lovelorn

How are you? Fine, I hope. I am 33 years old.

I don't have a girlfriend yet. I am working.

The question I want to know is, How can I ask my friend to have sex with me? I get a feeling that she will. Candy, I have a lot of pictures of you.

Candy, I been in love with you for a long time. I still am.

Candy, I am a person that jacks off a lot. I love to suck, too.

Candy, how do you feel about finding out that someone is in love with you?

What would you do if I say I would

like to get between your legs?

Candy, I always take off all my clothes and jack myself off looking at your pictures. And I want your sex. Candy, you are my favorite person. I get a lot of pictures of you. Good-bye to you. I would like an answer from you.

Your friend,
Delano H. Waldron

I don't think I would ask her. Action speaks louder than words. First, when you're talking to her, casually put your hand on her leg. If she doesn't move your hand, then she is interested. Then give her a kiss, but not with the tongue at first. Just slowly work up to it. Women like to be slowly maneuvered. Then put your hand higher and just rub her crotch. By then she should be so hot she will probably attack you.

Tongue Lover

In the field of sex, your tongue is as famous as your gorgeous body; what special techniques do you use to make a guy hard?

Do you enjoy licking a guy's shaft up and down? Do you enjoy sucking on a guy's two balls at the same time? Have you ever taken a guy's hard cock and forced one of your erect nipples into his penis head opening?

Would you rather have a guy spurt his cum in your mouth or all over your big tits and nipples? Do you have multiple orgasms during lovemaking?

St. Petersburg

I thought everybody's tongue was hard. Its harder when you curl it over.

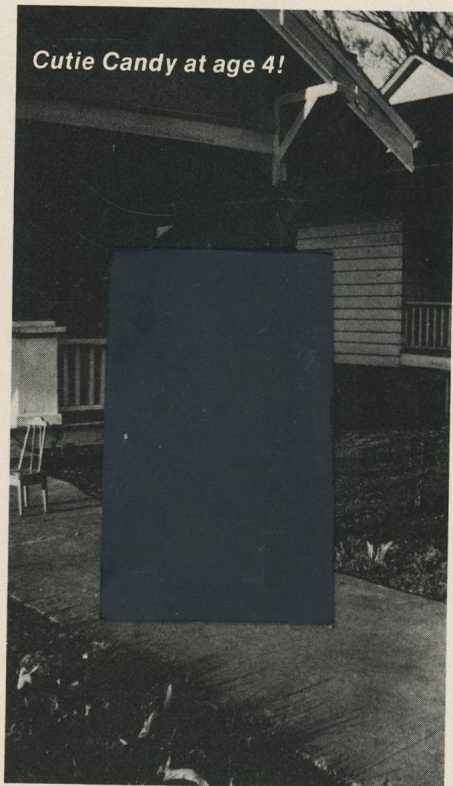

Yes, I enjoy licking a guy's shaft and sucking both balls at the same time.

No, I've never tried forcing my nipple into a penis head opening when his cock is hard. Good idea. I'll try it. I love to see cum squirting and love it squirted all over my boobs and then suck it off my nipples. It depends on who I'm with. I do have multiple orgasms.

Hello, Nature Child

Please allow me to first introduce myself; my name is Elisha Fritz, better known as brown sugar. I'm 6 feet, one hundred and eighty pounds. My eyes are sexy bedroom

brown, my complexion is light brown; my hair is long. I box. I'm into sports also.

Looking at you in the magazine, I was tempted to scribe you these few lines, baby, requesting a better look at your fantastic body. Since you love showing it off, I'd love to have a personal picture of you for my book...

I love nostalgic leg photography. The shots are really incredible to collect. Not getting nasty, but I'm hung twelve inches, and wouldn't mind getting it on with you, baby. I would like to meet you in the leafy shadows of a garden, steaming in the heat of the summer sun; yes, I can visualize the summer heat sizzling as our emotions boil over. The sun would bring us closer together as I touch you with my eyes, and catch your fancy with my charms. I just love girls with recurring fantasy. I also love to fuck, and completely dominate my woman in sexual games; so will you write and send me a photo, baby? I will be expecting your reply, honey, very soon.

From a secret admirer,
Brown Sugar

I have a mail order ad in my column. You will get a personally autographed picture and a personal

letter from me if you send the clipping, check, and specify the type of picture you want. Thanks for the request.

Candy's Milk

All my life I've dreamt of meeting a real woman like you; alas, it has passed me by and I have to satisfy my craving with pictures, books and movies, particularly of you, dear one. I am a product of a very sheltered life and have had little sexual contact with more than three women. The only time I was ever next to large breast was when I was 15, and the girl was so hot her breast was swollen hard and wanted to be sucked, only I didn't have the sense to realize it. Now, I am in the twilight of my life and I still can't get enough boobies. So, I am writing to you with some questions and suggestions that may answer some of my questions and help others who have suffered as much as I have.

Lady, I LOVE you—where have you been all my life? Have you ever had milk in your lovely breasts? Was it natural by pregnancy or self-induced lactation? Do any "sporting resorts" of any description anywhere in the world offer "nursing service" to their clientele? If you've ever had milk, how much did you produce in a 12 hour period?

I feel so stupid asking these questions; I feel as though I am intruding on your life far too much, yet the compulsion is irresistible. My fantasy is to be breast fed by a voluptuous brunette while making love to her with her on top. Candy, you should write a book replete with photographs, references and do a complete book of the human breast. No one would be better qualified. It should include fact and fiction on the attraction for the breast as far back as history can go; myth and legend, actual unusual practices, relative nationality statistics as to quantity, quality, size, nipple type, different tastes to different nationalities of milk, and on and on. The possibilities are endless. For someone as lovely as yourself to put something like this together would probably make you independently wealthy, I would think. I wonder if you are married? One so lovely as you has no need for a husband because all you have to do is crook your finger and take

your choice of the cream of the crop at any time. What wonderful freedom.

My wife has a 34B cup; yet really needs no bra. Nice nipples; she would nurse me if she could lac-

She's a girl in trouble who doesn't care because she loves her brand new (and big) body. She loves her enormous and swollen breasts. They are so sensitive now that she is pregnant that it gives her pleasure just to move around and let them swing freely.

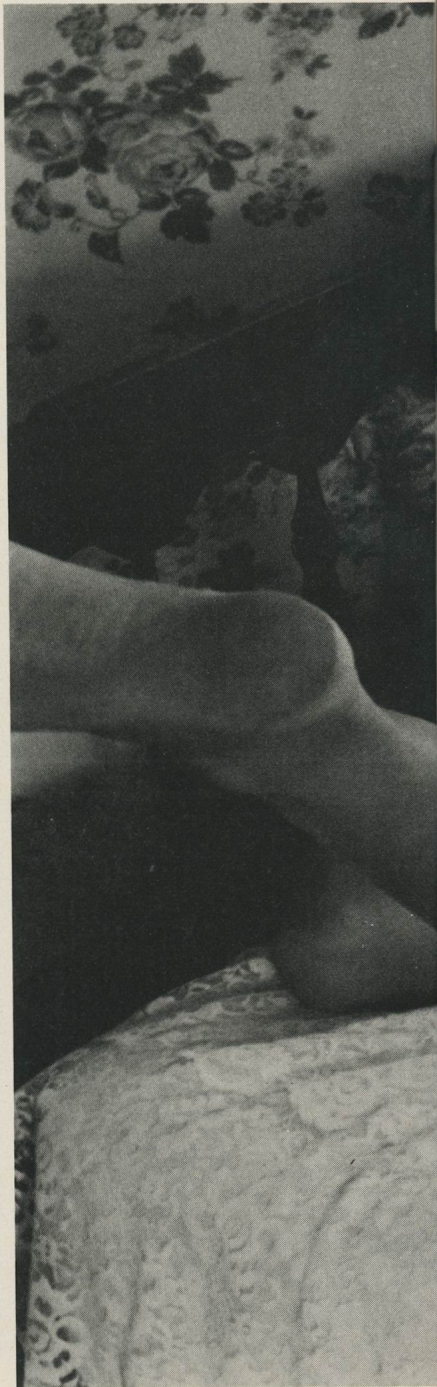

PREGNANT

She may have an enormous belly, but she can still move around quickly and with some grace as she plays with her tits and pussy and enjoys the tingle that pregnancy brings to her whole body. She just loves to spread and to jump and to feel the air as she moves on her naked, knocked-up skin. Pregnant pussy is as pretty as pregnant paps!

CANDY AND USCHI
IN THE MOST AMAZING LESBIAN TIT SPREAD OF ALL TIME

BOSOM BUDDIES!

BOSOM BUDDIES!

A tit man's dream come true! Uschi sucking and biting Candy's big tits with a gusto reserved for special bosoms...and Candy sucking Uschi's cunt and giant nipples with an enthusiasm only a true tit-lover could bring to the action.

BOSOM BUDDIES!

Here they are, guys! The two most famous, most desired nipple queens of all time going at it with full force exclusively for you...and exclusively for JUGGS. You won't find these pix anywhere else because we shot them for ourselves!

Where else have you seen such an amazing trade-off in tit-loving? What other newsstand magazine has brought you a photo spread as dynamic as this tit-tantalizing, breast-bouncing, nipple-sucking, bosom-baiting, tongue-tickling layout?

First Candy sucks and chews on Uschi, then Uschi sucks and licks Candy's giant tits. What action for a breast lover. Heavy, page-packed pap party pictures for your pleasure. And only JUGGS has 'em!

Double your pleasure and double your fun with gigantic tit queens spreading their pairs to tease and excite you and each other.

BOSOM BUDDIES!

Candy and Uschi got so excited during our private photo shooting that they really got off with each other. Flesh was jiggling all over the room. Multiple orgasms gushed when Uschi grabbed Candy's big knockers in her hands and took a great big bite out of the engorged nipple tip. Look at her teeth sink into that pap. Look at Candy sigh with pleasure.

BOSOM BUDDIES!

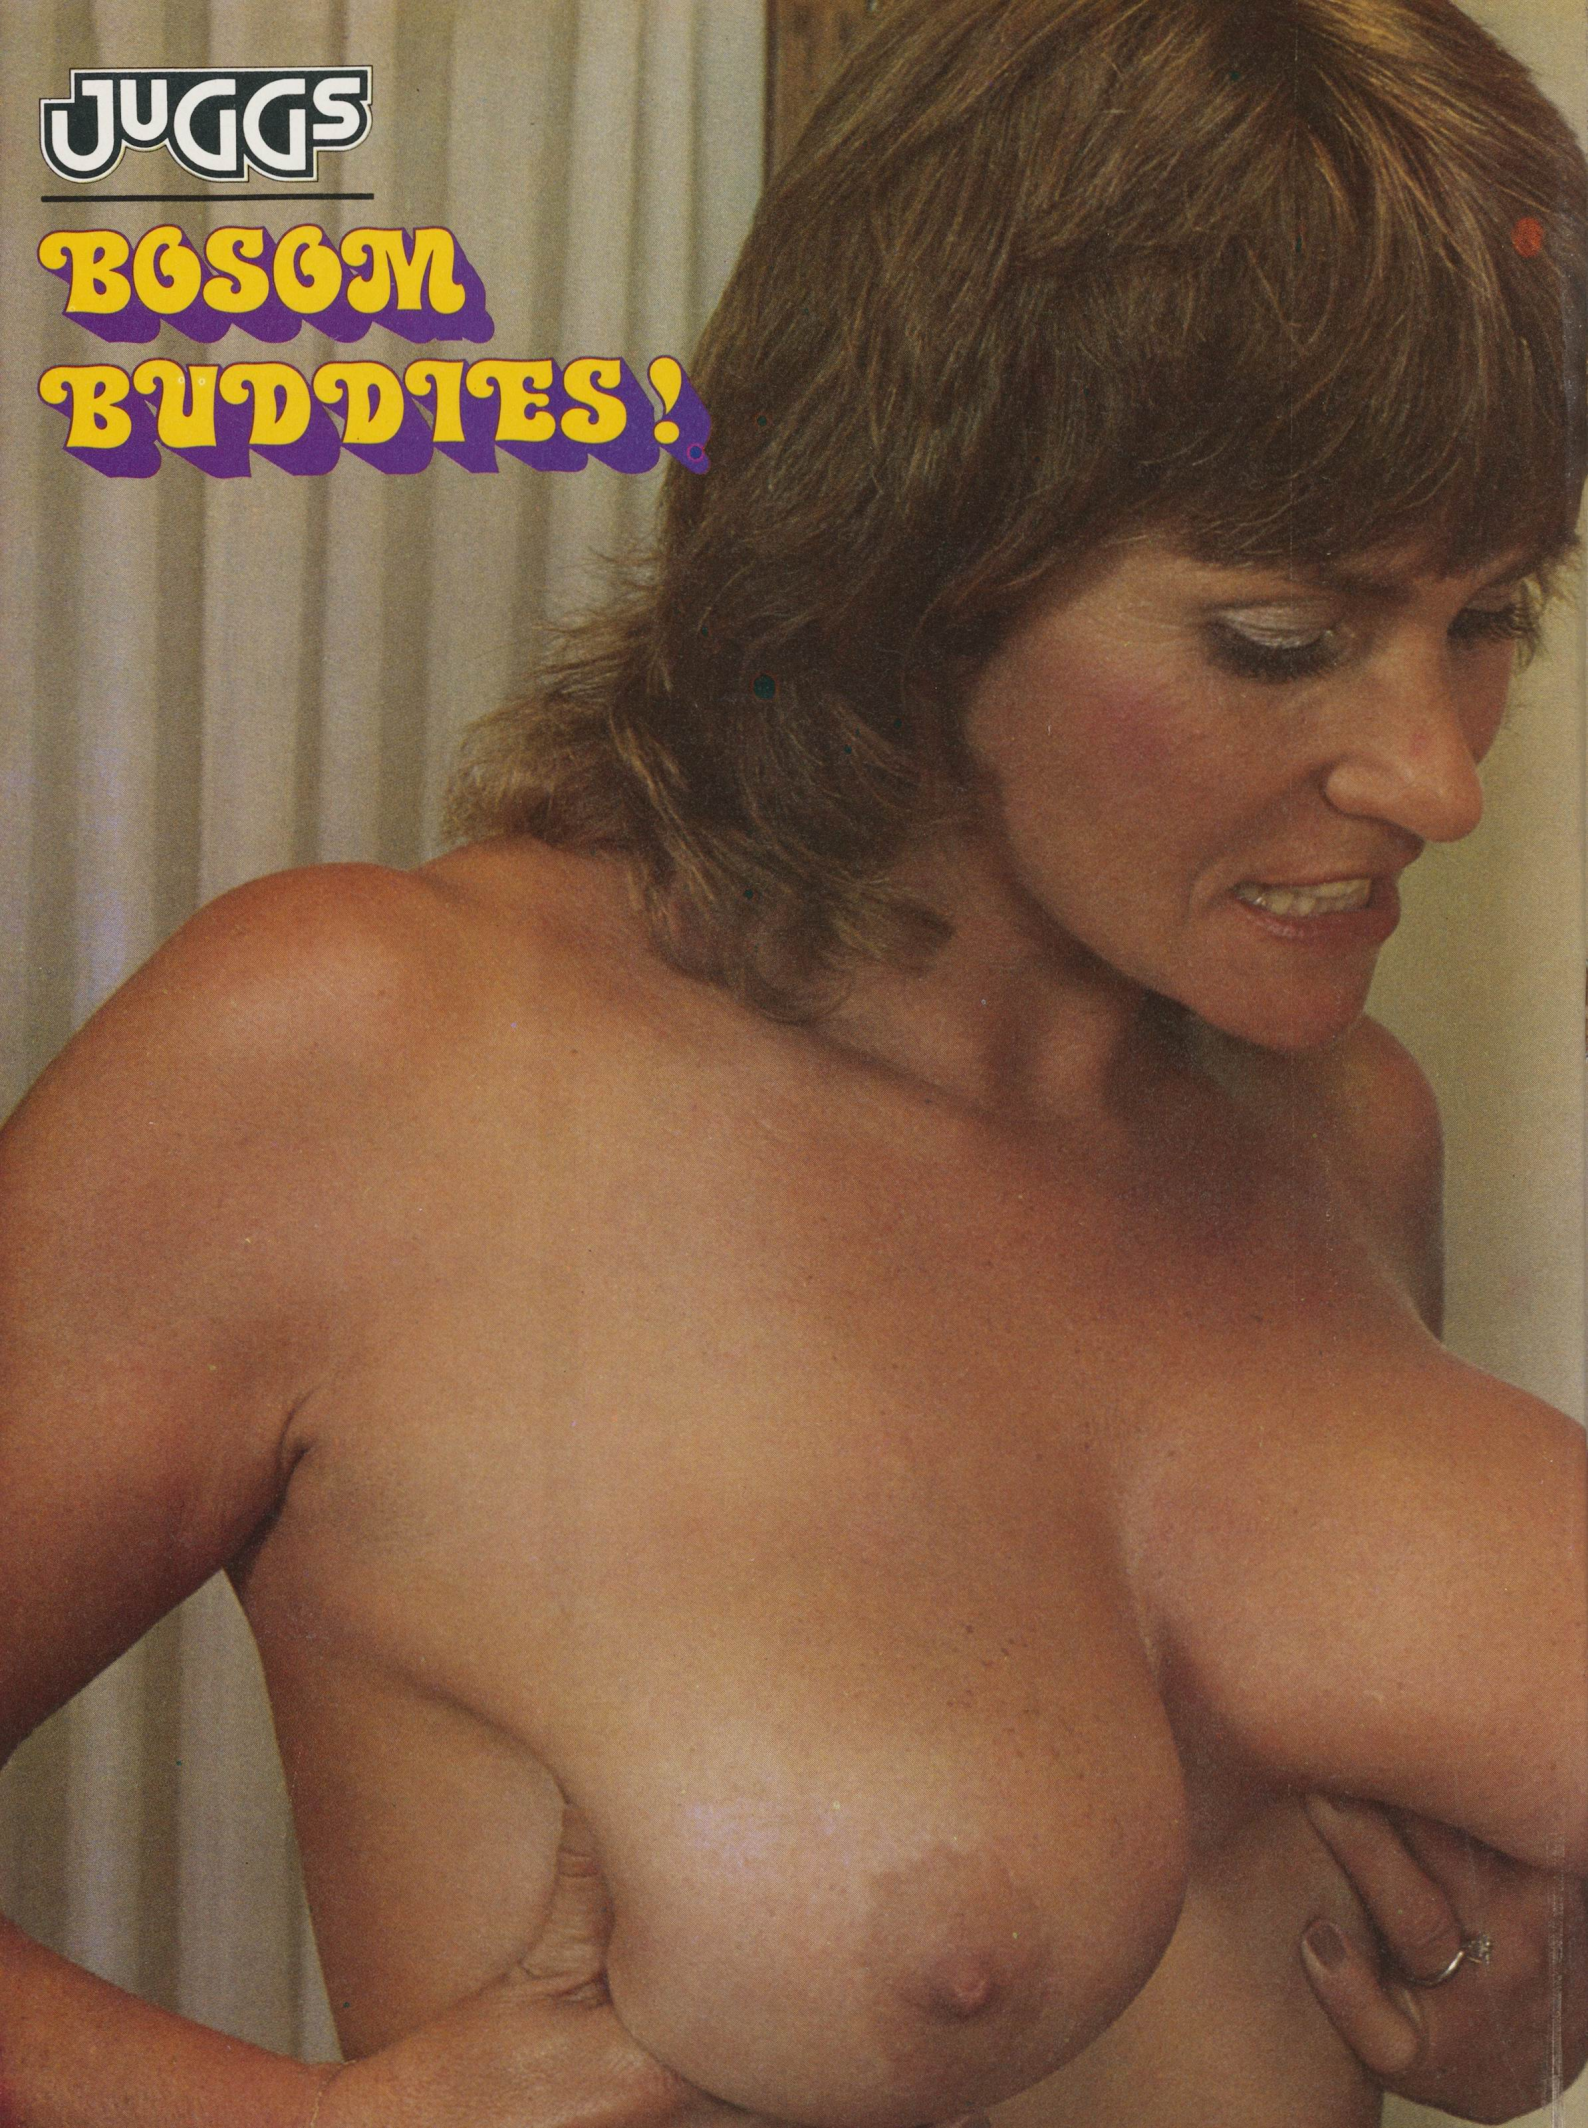

Candy rubs her head against Uschi's giant tits and then leans down and licks Uschi's cunt with her long tongue. But this only arouses Uschi even more and she grabs Candy's big boobs and squeezes them in her warm hands until she is overcome with desire and she presses her tingling finger tips to Candy's nipples and pinches those nipple ends with all her might.

Desiree Cousteau

Desiree Cousteau

She is a beauty and a cutie with delicious breasts and super nipples. She loves to pose naked for the camera and show off her stuff. She's got a great pair of tits and a real tight ass. And she doesn't hold back a thing.

What a luscious pussy. What a fantastic hairy hole. Look at her grab her firm tit and give herself a sexy squeeze. What a tit tease. We like her in her nighty and we like her in her bra. We like to watch her in her bed and we like to peep at her while she plays with herself in her chair. What firm, round, perky breasts she has. What perfect nipples she has. We want her.

Desiree Gousteau

Desiree in her chair is an amazing picture of bosom beauty. See her full breasts keep their shape even when she handles the goods and pulls them with her fingers. What form. What flesh. And such a cute face to boot! We like the way her body lounges in sexual pleasure as she fondles her tits and lets her cunt crack lie open to the world (and our cameras). She's a real bra-buster.

Her tits are so fully packed that when she presses them they turn into perfect circles of fleshy paps. Not a bit of sag on Desiree. And Desiree loves to slip out a tittie and rub herself while her bra nestles her other tit in soft protection.

Which way do you like Desiree best? In her bra? Busting out of her bra? Lying on her chair? Lying on her bed? In her nightgown? Completely naked with her hairy pussy spread open and wet to the cameras? With her naked asshole exposed? We give her to you in all these wonderful poses.

Desiree Cousteau

Squat, Desiree, you dirty tit-tease. Show us your bare ass and let us know that you love posing as much as we love watching you, you beautiful, sexy slut, you. We know what you want...and we're all ready to give it to you.

THE LEOPARD LADY

THE LEOPARD LADY

The Leopard Lady is a daring, dark lover who sells her services at a very high price. But only to men she has a special feeling about. She's an animal in bed, but her love is like a rose. Pure passion with a primitive beauty that can draw blood if you get caught in her thorns. She's an animal, but maybe you can tame her. We'd like to try.

THE LEOPARD LADY

FRENCHIE

FOOLS AROUND

We're no fools. We know a hot number when we see one. And Frenchie likes to take it in her big, wet pussy. She just can't get enough. What horny legs and what horny looks she gives us. What big tits and what nice nipples.

FRENCHIE

We dig Frenchie's get up with her sexy, chic beret. And her dirty, black nylons and her raunchy garters. But most of all, we dig Frenchie's wide-open pussy and her sweet, suckable, queen-size melons. Wonder what she does for a living?

FRENCHIE

Here's a high fashion model who is so gorgeous we fell in love with her the moment we met her at a party for clothing designers. She's never posed nude before, but we convinced her that her glorious nipples and ripe, sweet breasts just had to be shared with the rest of the world.

And once we got her to come to a close friend's luxury condominium for our "fashion shooting," we got her so excited that she let us photograph her completely nude. Aren't you glad? We sure are.

We think that our fabulous fashion nipple model is one of the most classy women any tit mag has ever offered the breast-buying public.
