MELISSA ANN

KNOCKERS & NIPPLES isn't all Melissa Ann has to boast about. She's a hard worker, a skilled private secretary with seven hours toward a journalism degree and she says she craves men with long, fat cocks and small, tight butts. The smaller the buns, she says, the tighter the fit when she rams her hot tongue deep into her lover's hungry butt!

Although Melissa claims not to be a nymphomaniac, she says a kiss from a certain man can cause her panties to melt at her feet. When questioned as to what type of certain man it would take to melt her panties, she merely smiles and licks her lips.

Foreplay, Melissa admits, is her forte. She insists that she's a bonafide cum freak. Her favorite snack is munching down on a lover's limp cock after a passionate love session. Nothing, Melissa says, tastes better than a cum-covered cock, unless it's her lover's finger coated with her pussy juices!

“Sure I like it when a guy sucks my boobs. Maybe it’s my maternal instincts, but I get off watching a grown man nurse my titties.”

K&N: Melissa Ann, what’s your fetish?

MISSY: Big cocks, small butts.

K&N: Do you have to search hard to find them?

MISSY: Better hope to shout! Big cocks are pretty easy to sniff out, but it’s the small buns that’s few and far between

K&N: What type of men turn you on?

MISSY: I admire confidence. Some guys just reek of self assurance. I like to fuck them.

K&N: Are there any kind of men you don’t like to fuck?

MISSY: Yeah, those muscle guys who’re always pumping steel on the beach.

K&N: Why do they turn you off?

MISSY: I’ve sacked two and they both had tiny peckers!

K&N: Were you disappointed?

MISSY: Is the Tower of Pizza leaning?

K&N: Melissa, describe an ideal evening with a date.

MISSY: Since this is all make believe I’ll say he’ll take me to the Oscar ceremonies and we’ll sit at the first table with a whole slew of stars! Then he’ll take me to his place in the Hollywood Hills and we’ll retire to the balcony where he’ll make a play for me. He’ll kiss me for ten minutes then he’ll slowly sink to his knees and beg me to raise my skirt so he can see my pussy. Let’s stop.

K&N: Melissa, why stop?

MISSY: I’m getting horny.

K&N: Do you get horny very easily?

MISSY: Sometimes, like just now. I was remembering when that scene on the balcony really happened.

K&N: It happened as you said?

MISSY: Except for the

Oscars. We went to his cousin's wedding.

K&N: Did you raise your skirt for him while you were on the balcony?

MISSY: Nope! I played hard to get and turned my back on him and looked at the city lights.

**“It’s my firm belief
that a big, meaty
girl has much more to
offer a man than the
small titted ones.”**

**“I’ll bet a nickel to
a donut I’ve had more
cum in my face than
in my pussy. Hands down!
Big cocks are pretty
easy to sniff out,
it’s the small buns
that are few and
far between!”**

K&N: What did he do?

MISSY: He placed his hands on the back of my butt.

K&N: Then what?

MISSY: Then he slowly lifted my dress and draped it over my back. I instantly leaned a little farther. I knew what he had in mind and I wanted to be as available as I could for his horny tongue.

K&N: Did he eat you out?

MISSY: Yes he did, like a pro. Once my dress was out of the way, he pulled my panties to my ankles and I stepped out of them and then he went nuts!

K&N: How so?

“I get off on fucking guys who reek of self confidence and pride.”

MISSY: He pulled my ass cheeks as part apart as he could possibly get them and buried his stupid tongue about three inches up my butt!

K&N: What did you do?

MISSY: The only thing that came to my mind at the moment. I came hard right in his face! It was kinda funny. Whenever I orgasm, I sorta go out of control. When this guy's tongue got me off, I started creaming out of my mind and I reached back and pressed his head deeper between my legs. Hell I didn't know I was smothering the poor slob! I was too busy getting my nut to notice his muffled screams weren't cries of hot, intense passion.

K&N: Where are you from?

MISSY: Seattle

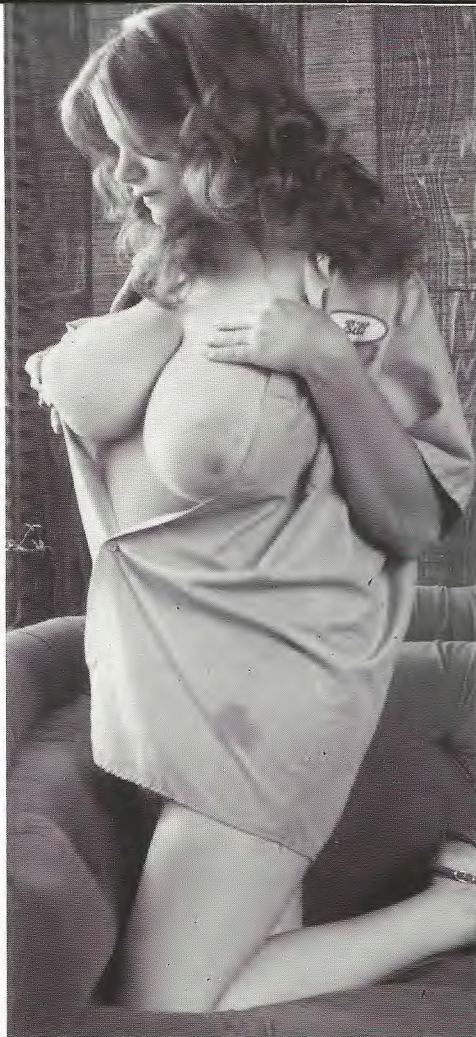

“I thought I was in heaven when they both stuck their cocks in me, but when they each began sucking on a nipple, I went nuts!”

“My lovers enjoy it when I dangle my heavy knockers over their mouths while I suck their cock and balls.”

K&N: How long have you been modeling?

MISSY: Eight, almost nine months.

K&N: What brought you to Los Angeles?

MISSY: A bum boyfriend. I was coming anyway, but I was trying to hold out until I had more money behind me.

K&N: What happened?

MISSY: Leonard, my guy at the time, got a call from a friend in L.A. who promised him a good role in a movie. So, Leonard was hot to come here.

K&N: And you came with him?

MISSY: Yeah, well, I had two hundred dollars saved up and the ride was free.

K&N: Did he get the role?

MISSY: Ha! we both did! I got one even better than he did and that got him pissed! The fantastic role turned out to be a twenty-five buck a day stint as an extra. Poor old Leonard was stuck in the middle of a mob of other extras and I was put right in front of the cameras. What a hoot!

K&N: What did you gain out of the experience?

MISSY: A lot of attention and another film, not to mention a handsome camera assistant for two whole days and three climactic nights.

K&N: Tell us about it.

MISSY: It was really exciting. The guy actually liked

“It’s great having big knockers! I can enjoy a man from any angle or position and still get off on sucking my own tits!”

**“I hugged the railing
as his kissing lips
passed my knees and
headed straight for
my dripping pussy!”**

**“Hell, I wasn’t about to say no,
they both had beautiful
throbbing hard-ons. I took ’em!”**

**“Most of
my lovers
want me
on my hands
and knees
so they
can admire
my hanging
knockers.”**

a lot of the things I enjoy.

K&N: Such as?

MISSY: Roller skating, fucking, long walks, fucking, hot dogs, head, did I say fucking?

K&N: Does fucking mean a lot to you?

MISSY: Closeness means a lot to me. Sex just happens to come with it.

K&N: Would you miss sex if it wasn't part of a relationship?

MISSY: More than you'll ever know. Foreplay's my forte. I don't fuck, I don't really enjoy life. Oh, I love diving into a good book or going to the theater, but when the lights grow dim and the moon shines, who wants to be alone? Hell, sometimes I think I could make it without men if only it would never get dark. The darkness conjures old love memories or at least it does for me.

**. . . he'll make a play
for me, kiss me hard
and passionately and
then slowly sink to
his knees and beg me
to raise my skirt . . .**

K&N: Do you have any regrets?

MISSY: Not really. I knew what I was doing all along. Some things work out, others don't. In my case, I've had a hell of a good time. Now I have to settle down to business.

K&N: And what's that?

MISSY: Pleasing Missy. I'm out to make myself as happy as fucking possible. I'm going to find Mister Right and settle down.

K&N: Do you expect many obstacles?

MISSY: Honey, when you're dealing with men, there are a ton of obstacles. Hard pricks!

K&N: Expound.

MISSY: Well, I'm a girl and I don't get into eating other girls, so I either have to go to a nunnery or get my nut from guys. And, as most girls know, guys are or can be assholes!

K&N: How so?

MISSY: When was the last time you went to bed with a guy who let his roommates fuck you too!

“I’ve never understood why, with every sunset, I start thinking about not having a man to bed. My very favorite position is flat on my back with my legs spread open and my lover’s throbbing cock hovering at the entrance to my pussy hole!”

K&N: Someone did that to you, Melissa?

MISSY: Sure as shit did! I was at a guy's apartment and we were watching the Saturday morning cartoons. He had a throbbing hard-on, so I was sucking him off for breakfast when his roommate walked in and just stood there watching his

pal getting a blow-job. The next thing I know this jerk's poking his cock in my cunt and fucking me for all he's worth!

K&N: What did you do?

MISSY: I was shocked! I didn't even know the other guy was there! Then when I found out, and saw that Jack wasn't going to get

mad, I started to enjoy it.

K&N: Did Jack seem to encourage the twosome idea?

MISSY: I really don't think the guys planned it, I feel that Ronnie just happened to open the door and got turned-on seeing me sucking off his roommate. Once Ronnie began fucking me, Jack acted turned on. He

**“I was sucking him
off when his roommate
stuck his cock in my
cunt and started
fucking me for all
he was worth!”**

“He didn’t waste any time getting my panties off and when I was naked, he spread my legs wide, placed his mouth over my open pussy hole and dipped his tongue, flicking from side to side. I went crazy!”

grabbed my head and held it between his legs. So I couldn't fight Ronnie, I guess. Hell, I wasn't about to fight Ronnie once I saw that Jack wasn't going to stop him. I'd always har-

bored fantasies about two horny men putting it to me at the same time and I figured it was going to happen and I was fully ready to lay back and enjoy it. Let her rip,

in other words.

K&N: And did it happen?
